'SEX, LIES, AND UFOS' - THE DEBRIEF

1  
00:00:05,510 --> 00:00:03,830  
there's a whole fleet of look on the

2  
00:00:07,749 --> 00:00:05,520  
assay

3  
00:00:11,110 --> 00:00:07,759  
oh my gosh they're all going against the

4  
00:00:15,749 --> 00:00:13,270  
it was basically a cube with inside of

5  
00:00:20,790 --> 00:00:15,759  
sphere where the points of the cube

6  
00:00:33,990 --> 00:00:30,050  
[Music]

7  
00:00:35,510 --> 00:00:34,000  
[Applause]

8  
00:00:37,750 --> 00:00:35,520  
so this isn't anything that just is

9  
00:00:43,350 --> 00:00:37,760  
limited to the united states it's a

10  
00:00:47,510 --> 00:00:45,590  
billionaire john caldwell once said if

11  
00:00:50,150 --> 00:00:47,520  
i'm lucky i only get recruitment wrong

12  
00:00:52,470 --> 00:00:50,160  
70 percent of the time but how is it we

13  
00:00:54,069 --> 00:00:52,480

accept being wrong so much of the time

14

00:00:56,229 --> 00:00:54,079

with the cost of finding the right match

15

00:00:57,990 --> 00:00:56,239

for both people and organizations so

16

00:01:00,069 --> 00:00:58,000

high it's imperative that you choose the

17

00:01:02,069 --> 00:01:00,079

00:01:53,030 --> 00:01:48,880

the podcast sent you and one of the

42

00:01:57,510 --> 00:01:55,350

hi everyone and welcome back to that ufo

43

00:01:59,429 --> 00:01:57,520

podcast uh special update today looking

44

00:02:01,270 --> 00:01:59,439

forward to speaking and welcome back

45

00:02:03,590 --> 00:02:01,280

regular guest lieutenant tim mcmillan

46

00:02:04,789 --> 00:02:03,600

tim welcome back to the podcast hey andy

47

00:02:05,749 --> 00:02:04,799

what's going on man it's great to be

48

00:02:07,030 --> 00:02:05,759

here

49

00:02:08,389 --> 00:02:07,040

yes and we're looking forward to

50

00:02:10,229 --> 00:02:08,399

discussing your

51  
00:02:12,470 --> 00:02:10,239  
bombshell articles probably a cliched

52  
00:02:14,710 --> 00:02:12,480  
term by this point isn't it but um it

53  
00:02:17,670 --> 00:02:14,720  
dropped and caused quite a stir this was

54  
00:02:19,589 --> 00:02:17,680  
on the [debrief.org](http://debrief.org) sex lies in ufos the

55  
00:02:22,390 --> 00:02:19,599  
pentagon's head of counterintelligence

56  
00:02:24,470 --> 00:02:22,400  
and security ousted um i'm going to

57  
00:02:27,030 --> 00:02:24,480  
stress from the offset well to me and

58  
00:02:28,949 --> 00:02:27,040  
many the ufo subject is as serious as it

59  
00:02:30,949 --> 00:02:28,959  
comes and there were several other

60  
00:02:32,470 --> 00:02:30,959  
serious aspects to this article

61  
00:02:34,949 --> 00:02:32,480  
including allegations of sexual

62  
00:02:37,750 --> 00:02:34,959  
misconduct among other things but the

63  
00:02:39,750 --> 00:02:37,760

podcast here we focus on the ufo topic

64

00:02:41,990 --> 00:02:39,760

so if there are other aspects of the

65

00:02:43,670 --> 00:02:42,000

article that people think i never

66

00:02:45,430 --> 00:02:43,680

dug into enough then that's not what i'm

67

00:02:46,949 --> 00:02:45,440

really looking to discuss not that these

68

00:02:48,869 --> 00:02:46,959

things aren't serious but they still

69

00:02:50,710 --> 00:02:48,879

might come up within the general topic

70

00:02:52,550 --> 00:02:50,720

of the conversation so just for anyone

71

00:02:54,309 --> 00:02:52,560

who thinks i'm avoiding certain things

72

00:02:55,670 --> 00:02:54,319

there i would encourage people to go and

73

00:02:57,670 --> 00:02:55,680

read the article themselves and

74

00:02:59,990 --> 00:02:57,680

obviously make up their own minds and so

75

00:03:01,750 --> 00:03:00,000

the article dropped tim on april 14th

76

00:03:04,390 --> 00:03:01,760

the link is in the description to this

77

00:03:06,229 --> 00:03:04,400

show um and you said yourself online

78

00:03:08,790 --> 00:03:06,239

this was the culmination of a two-year

79

00:03:10,710 --> 00:03:08,800

investigation take me back two years and

80

00:03:12,550 --> 00:03:10,720

how did this begin for you

81

00:03:14,710 --> 00:03:12,560

sure and yeah i mean you you hit the

82

00:03:16,550 --> 00:03:14,720

point good there that there is a lot of

83

00:03:19,670 --> 00:03:16,560

factors that are in play here besides

84

00:03:22,790 --> 00:03:19,680

just ufos and uh this is a very

85

00:03:24,470 --> 00:03:22,800

interesting ordeal for me because it's

86

00:03:25,830 --> 00:03:24,480

one of these events where all everything

87

00:03:27,910 --> 00:03:25,840

accumulated

88

00:03:30,710 --> 00:03:27,920

together you know a bunch of varied

89

00:03:32,390 --> 00:03:30,720

factors and in fact this started uh you

90

00:03:35,190 --> 00:03:32,400

know almost

91

00:03:37,270 --> 00:03:35,200

it may be even over two years now um you

92

00:03:38,949 --> 00:03:37,280

know people that i knew

93

00:03:40,949 --> 00:03:38,959

in the intelligence and defense

94

00:03:43,830 --> 00:03:40,959

community you know totally separate from

95

00:03:45,430 --> 00:03:43,840

the ufo topic anything like that uh have

96

00:03:48,789 --> 00:03:45,440

been talking about this individual gary

97

00:03:50,949 --> 00:03:48,799

reed who was the uh defense

98

00:03:52,789 --> 00:03:50,959

or director of defense intelligence

99

00:03:54,949 --> 00:03:52,799

counterintelligence security and law

100

00:03:57,429 --> 00:03:54,959

enforcement that is the whole title um

101  
00:04:00,710 --> 00:03:57,439  
but it's an extremely powerful position

102  
00:04:03,830 --> 00:04:00,720  
it is um without hyperbole the most

103  
00:04:05,350 --> 00:04:03,840  
senior uh dod official for

104  
00:04:07,110 --> 00:04:05,360  
counterintelligence security and law

105  
00:04:09,670 --> 00:04:07,120  
enforcement worldwide so i mean very

106  
00:04:11,509 --> 00:04:09,680  
very powerful position arguably you know

107  
00:04:13,429 --> 00:04:11,519  
much more powerful than a lot of the the

108  
00:04:15,589 --> 00:04:13,439  
principles like the secretary of defense

109  
00:04:18,949 --> 00:04:15,599  
these people because they come and go

110  
00:04:20,550 --> 00:04:18,959  
and so uh you know they had you know

111  
00:04:22,870 --> 00:04:20,560  
people had expressed significant

112  
00:04:23,990 --> 00:04:22,880  
concerns about this individual to me

113  
00:04:26,390 --> 00:04:24,000

and again these are people that i've

114

00:04:28,310 --> 00:04:26,400

known for years you know from the past

115

00:04:29,749 --> 00:04:28,320

life of law enforcement in that world or

116

00:04:31,510 --> 00:04:29,759

just through family

117

00:04:33,990 --> 00:04:31,520

and it wasn't until i started

118

00:04:35,430 --> 00:04:34,000

writing and entered a journalism career

119

00:04:37,189 --> 00:04:35,440

that they're like you know

120

00:04:39,189 --> 00:04:37,199

this is something that should be brought

121

00:04:40,950 --> 00:04:39,199

to light and

122

00:04:43,189 --> 00:04:40,960

largely because they felt like the

123

00:04:44,070 --> 00:04:43,199

official systems that were in place had

124

00:04:46,629 --> 00:04:44,080

failed

125

00:04:48,710 --> 00:04:46,639

and were failing and uh they felt like

126  
00:04:51,110 --> 00:04:48,720  
the individual was getting away

127  
00:04:53,189 --> 00:04:51,120  
and allowed and condoned behavior that

128  
00:04:56,469 --> 00:04:53,199  
it should be unacceptable in a workplace

129  
00:04:58,710 --> 00:04:56,479  
including sexual harassment and just

130  
00:05:01,749 --> 00:04:58,720  
a hostile work environment you name it

131  
00:05:04,390 --> 00:05:01,759  
and so i had started looking into him

132  
00:05:06,150 --> 00:05:04,400  
about that in particular the the

133  
00:05:08,469 --> 00:05:06,160  
sexual harassment inappropriate sexual

134  
00:05:11,590 --> 00:05:08,479  
relationships that kind of stuff because

135  
00:05:13,029 --> 00:05:11,600  
you know it's a senior public official

136  
00:05:14,550 --> 00:05:13,039  
that's you know

137  
00:05:17,110 --> 00:05:14,560  
and the people who are working there are

138  
00:05:18,710 --> 00:05:17,120

describing a really hard environment and

139

00:05:20,070 --> 00:05:18,720

so a people shouldn't have to put up

140

00:05:21,830 --> 00:05:20,080

with that and b

141

00:05:24,150 --> 00:05:21,840

as a us citizen you know we're supposed

142

00:05:25,590 --> 00:05:24,160

to hold our officials accountable and

143

00:05:28,629 --> 00:05:25,600

it's hard for

144

00:05:29,909 --> 00:05:28,639

the government to do their job

145

00:05:32,790 --> 00:05:29,919

effectively if the employees feel

146

00:05:34,629 --> 00:05:32,800

tormented and so

147

00:05:36,710 --> 00:05:34,639

freedom of the press trying to make

148

00:05:38,390 --> 00:05:36,720

things better through shining light on

149

00:05:41,590 --> 00:05:38,400

it and so i started looking into it in

150

00:05:44,629 --> 00:05:41,600

that regard and it wasn't

151

00:05:47,189 --> 00:05:44,639

i mean he was months into it um

152

00:05:49,270 --> 00:05:47,199

you know it may be even close to a year

153

00:05:50,950 --> 00:05:49,280

did i because for this whole time you

154

00:05:52,390 --> 00:05:50,960

know i've been writing articles on on

155

00:05:54,070 --> 00:05:52,400

what was going on with ufos and the

156

00:05:56,870 --> 00:05:54,080

pentagon and everything

157

00:05:58,550 --> 00:05:56,880

and i had it had never occurred to me i

158

00:06:00,469 --> 00:05:58,560

knew that it was the under secretary for

159

00:06:03,749 --> 00:06:00,479

intelligence office i knew that luis

160

00:06:06,629 --> 00:06:03,759

elizondo had come out of that office but

161

00:06:08,629 --> 00:06:06,639

i had always assumed that his last

162

00:06:10,550 --> 00:06:08,639

position which was national special

163

00:06:12,550 --> 00:06:10,560

programs management wouldn't have

164

00:06:14,710 --> 00:06:12,560

thought i don't know why and whether i

165

00:06:16,150 --> 00:06:14,720

just didn't think of it enough i assumed

166

00:06:19,189 --> 00:06:16,160

that that would have fallen under a

167

00:06:21,510 --> 00:06:19,199

different compartment of usdi and that

168

00:06:23,909 --> 00:06:21,520

gary reid wouldn't have been his boss

169

00:06:25,590 --> 00:06:23,919

but just in the course of investigation

170

00:06:28,390 --> 00:06:25,600

one i

171

00:06:30,550 --> 00:06:28,400

in interviewing uh elizondo on another

172

00:06:32,309 --> 00:06:30,560

for another article i just mentioned hey

173

00:06:34,469 --> 00:06:32,319

did you you worked around gary reed do

174

00:06:38,390 --> 00:06:34,479

you know him and that's when he revealed

175

00:06:40,870 --> 00:06:38,400

that was his direct boss and in fact uh

176  
00:06:42,870 --> 00:06:40,880  
you know started revealing that actually

177  
00:06:44,870 --> 00:06:42,880  
this was the person who was executive

178  
00:06:46,150 --> 00:06:44,880  
secretary you know the ultimate person

179  
00:06:49,430 --> 00:06:46,160  
in charge of

180  
00:06:51,110 --> 00:06:49,440  
the uap task force and the later uap

181  
00:06:53,670 --> 00:06:51,120  
follow-on offices

182  
00:06:55,589 --> 00:06:53,680  
you know all books stopped there and in

183  
00:06:57,589 --> 00:06:55,599  
fact uh

184  
00:06:59,749 --> 00:06:57,599  
he didn't get into much detail initially

185  
00:07:01,909 --> 00:06:59,759  
but described that he this was an

186  
00:07:04,790 --> 00:07:01,919  
individual who had really made played

187  
00:07:05,589 --> 00:07:04,800  
hell on his life since leaving

188  
00:07:08,390 --> 00:07:05,599

and

189

00:07:09,510 --> 00:07:08,400

largely was responsible for all of the

190

00:07:10,309 --> 00:07:09,520

um

191

00:07:11,830 --> 00:07:10,319

you know

192

00:07:14,469 --> 00:07:11,840

contradictory statements that have come

193

00:07:16,390 --> 00:07:14,479

out from uap about him his role a tip

194

00:07:18,070 --> 00:07:16,400

and everything and so i started

195

00:07:20,309 --> 00:07:18,080

following up that

196

00:07:22,550 --> 00:07:20,319

and lo and behold you know was able to

197

00:07:25,589 --> 00:07:22,560

find people that would corroborate that

198

00:07:27,589 --> 00:07:25,599

and then also even document evidence

199

00:07:29,270 --> 00:07:27,599

like uh i mentioned in the article the

200

00:07:31,350 --> 00:07:29,280

the air force special investigations

201  
00:07:33,029 --> 00:07:31,360  
report where you're looking at it going

202  
00:07:35,350 --> 00:07:33,039  
yeah this doesn't make sense this

203  
00:07:37,110 --> 00:07:35,360  
absolutely corroborates what he

204  
00:07:38,469 --> 00:07:37,120  
what elizado is saying and other people

205  
00:07:41,189 --> 00:07:38,479  
are saying that

206  
00:07:43,029 --> 00:07:41,199  
uh this person is targeting elizondo

207  
00:07:45,510 --> 00:07:43,039  
he's intentionally trying to go after

208  
00:07:48,230 --> 00:07:45,520  
him and uh using administrative

209  
00:07:49,909 --> 00:07:48,240  
terrorism a term i used many months ago

210  
00:07:52,390 --> 00:07:49,919  
that maybe makes more sense to people

211  
00:07:54,950 --> 00:07:52,400  
now and

212  
00:07:56,950 --> 00:07:54,960  
and then while doing all of that

213  
00:07:58,790 --> 00:07:56,960

in in the pentagon's infinite wisdom

214

00:08:01,830 --> 00:07:58,800

they put this individual in charge of

215

00:08:02,950 --> 00:08:01,840

the afghan refugee crisis group which

216

00:08:08,150 --> 00:08:02,960

was

217

00:08:09,749 --> 00:08:08,160

and evacuation of all afghan refugees

218

00:08:10,790 --> 00:08:09,759

and

219

00:08:13,909 --> 00:08:10,800

that

220

00:08:15,589 --> 00:08:13,919

is still being officially investigated

221

00:08:17,110 --> 00:08:15,599

by the pentagon and everything i think

222

00:08:19,430 --> 00:08:17,120

for most people

223

00:08:21,430 --> 00:08:19,440

who remember those scenes last august

224

00:08:23,110 --> 00:08:21,440

you know some of them really disturbing

225

00:08:25,430 --> 00:08:23,120

scenes of people hanging on to the

226

00:08:28,070 --> 00:08:25,440

landing gear of plane you know

227

00:08:29,670 --> 00:08:28,080

i don't think that we need a whole lot

228

00:08:31,270 --> 00:08:29,680

there to to realize that that was a

229

00:08:32,630 --> 00:08:31,280

complete disaster

230

00:08:34,149 --> 00:08:32,640

and so

231

00:08:35,829 --> 00:08:34,159

behind the scenes when i started looking

232

00:08:37,509 --> 00:08:35,839

at other people

233

00:08:38,870 --> 00:08:37,519

who worked in special operations that

234

00:08:40,790 --> 00:08:38,880

type of field

235

00:08:42,949 --> 00:08:40,800

really were expressed he was highly

236

00:08:44,710 --> 00:08:42,959

emotional they were really upset

237

00:08:46,710 --> 00:08:44,720

and felt that he

238

00:08:48,150 --> 00:08:46,720

had really impeded a lot of progress

239

00:08:50,949 --> 00:08:48,160

there and

240

00:08:52,389 --> 00:08:50,959

they they felt that he him

241

00:08:54,070 --> 00:08:52,399

himself

242

00:08:57,190 --> 00:08:54,080

bore a lot of the responsibility for the

243

00:08:59,030 --> 00:08:57,200

78 000 uh afghan refugees that were left

244

00:09:00,389 --> 00:08:59,040

behind and so

245

00:09:02,389 --> 00:09:00,399

it was just

246

00:09:05,030 --> 00:09:02,399

it just kept mounting

247

00:09:07,030 --> 00:09:05,040

it kept mounting and uh

248

00:09:08,630 --> 00:09:07,040

but again you know trying to do

249

00:09:10,310 --> 00:09:08,640

because this person with significant

250

00:09:11,829 --> 00:09:10,320

power because there there's big

251  
00:09:13,829 --> 00:09:11,839  
ramifications

252  
00:09:14,710 --> 00:09:13,839  
for for all of this i wanted to make

253  
00:09:17,430 --> 00:09:14,720  
sure

254  
00:09:19,430 --> 00:09:17,440  
um i did my due diligence and everything

255  
00:09:22,389 --> 00:09:19,440  
so i was still kind of actively working

256  
00:09:24,870 --> 00:09:22,399  
on that and in fact uh was

257  
00:09:28,230 --> 00:09:24,880  
in the process of uh

258  
00:09:30,550 --> 00:09:28,240  
with attorneys trying to sue to get his

259  
00:09:32,389 --> 00:09:30,560  
emails and phone records released

260  
00:09:33,430 --> 00:09:32,399  
because they had obstructed that for two

261  
00:09:36,230 --> 00:09:33,440  
years

262  
00:09:38,949 --> 00:09:36,240  
and um before we published anything and

263  
00:09:40,710 --> 00:09:38,959

then lo and behold uh i heard

264

00:09:42,790 --> 00:09:40,720

you know uh i heard hey he's been

265

00:09:45,509 --> 00:09:42,800

removed like he just got dismissed he is

266

00:09:46,790 --> 00:09:45,519

no longer the the

267

00:09:49,110 --> 00:09:46,800

he's no longer the director of

268

00:09:52,310 --> 00:09:49,120

counterintelligence and security and so

269

00:09:54,070 --> 00:09:52,320

suddenly um

270

00:09:57,110 --> 00:09:54,080

it all kind of came to a head at once at

271

00:09:59,350 --> 00:09:57,120

that point and one other small detail i

272

00:10:01,509 --> 00:09:59,360

left out there andy is that i was a he

273

00:10:03,829 --> 00:10:01,519

was specifically named

274

00:10:07,350 --> 00:10:03,839

in the inspector general's uh complaint

275

00:10:09,350 --> 00:10:07,360

filed by luis elizado he he was kind of

276

00:10:11,190 --> 00:10:09,360

suspect number one

277

00:10:14,230 --> 00:10:11,200

at the top for

278

00:10:16,069 --> 00:10:14,240

uh his for lou's complaint and why he

279

00:10:17,430 --> 00:10:16,079

was filing that complaint so he had all

280

00:10:21,190 --> 00:10:17,440

of these things

281

00:10:23,110 --> 00:10:21,200

just made this huge misconduct salad

282

00:10:25,350 --> 00:10:23,120

just to clear up then before i ask you

283

00:10:27,269 --> 00:10:25,360

about uh luella's ondo's complaint to

284

00:10:29,110 --> 00:10:27,279

the ig and that's good you've cleared up

285

00:10:30,710 --> 00:10:29,120

there he was the kind of suspect number

286

00:10:32,470 --> 00:10:30,720

one at the top of that

287

00:10:35,110 --> 00:10:32,480

jazz shaw fellow journalist had

288

00:10:36,710 --> 00:10:35,120

mentioned online that gary reed was

289

00:10:38,069 --> 00:10:36,720

potentially still employed within the

290

00:10:39,750 --> 00:10:38,079

dod

291

00:10:41,590 --> 00:10:39,760

can you clear that up for us as to what

292

00:10:43,430 --> 00:10:41,600

gary reed's position currently is if

293

00:10:45,590 --> 00:10:43,440

indeed he still has one

294

00:10:48,150 --> 00:10:45,600

sure yeah yeah yeah and that was that

295

00:10:50,710 --> 00:10:48,160

was an interesting situation and i

296

00:10:53,110 --> 00:10:50,720

cleared a couple of points for people um

297

00:10:55,829 --> 00:10:53,120

because uh you know this one bleeds into

298

00:10:57,750 --> 00:10:55,839

even my article because a lot of times

299

00:11:01,350 --> 00:10:57,760

you will see news outlets including

300

00:11:04,630 --> 00:11:01,360

myself including this article will um

301  
00:11:06,230 --> 00:11:04,640  
mention officials without naming them so

302  
00:11:09,350 --> 00:11:06,240  
you'll see them say you know senior

303  
00:11:11,750 --> 00:11:09,360  
officials either they're speaking on uh

304  
00:11:13,590 --> 00:11:11,760  
with anonymity or you'll see the phrase

305  
00:11:14,710 --> 00:11:13,600  
often used where it says speaking on

306  
00:11:16,710 --> 00:11:14,720  
background

307  
00:11:20,150 --> 00:11:16,720  
and so that statement that the jazz got

308  
00:11:21,670 --> 00:11:20,160  
and put out was on background

309  
00:11:23,430 --> 00:11:21,680  
and

310  
00:11:25,269 --> 00:11:23,440  
the way those background statements work

311  
00:11:28,069 --> 00:11:25,279  
is it's kind of it's a it's a contract

312  
00:11:28,870 --> 00:11:28,079  
between a journalist and somebody else

313  
00:11:31,110 --> 00:11:28,880

um

314

00:11:33,590 --> 00:11:31,120

that where you're just giving them some

315

00:11:35,750 --> 00:11:33,600

contextual information but you're not

316

00:11:38,949 --> 00:11:35,760

supposed to cite them and so

317

00:11:41,509 --> 00:11:38,959

that as i say all of that is because it

318

00:11:43,509 --> 00:11:41,519

was mentioned that this was the

319

00:11:45,350 --> 00:11:43,519

public affairs office that provided this

320

00:11:46,949 --> 00:11:45,360

information on background i absolutely

321

00:11:47,990 --> 00:11:46,959

believe that is correct

322

00:11:50,710 --> 00:11:48,000

however

323

00:11:52,389 --> 00:11:50,720

they did not intend when that statement

324

00:11:54,829 --> 00:11:52,399

was given it was not intended to be

325

00:11:56,790 --> 00:11:54,839

attributed to public affairs

326

00:11:58,790 --> 00:11:56,800

whatsoever um

327

00:12:01,190 --> 00:11:58,800

you know this may seem odd for people

328

00:12:03,110 --> 00:12:01,200

but even in the public affairs office

329

00:12:04,870 --> 00:12:03,120

there are statements that are in my

330

00:12:07,590 --> 00:12:04,880

articles that are attributed to a senior

331

00:12:09,110 --> 00:12:07,600

defense official that is actually from

332

00:12:11,190 --> 00:12:09,120

public affairs

333

00:12:13,030 --> 00:12:11,200

but they don't want it attributed

334

00:12:14,629 --> 00:12:13,040

because they don't when they attribute

335

00:12:15,990 --> 00:12:14,639

something from public affairs they're

336

00:12:17,670 --> 00:12:16,000

speaking on behalf of the entire

337

00:12:19,110 --> 00:12:17,680

department of defense

338

00:12:20,710 --> 00:12:19,120

whereas on background they're just

339

00:12:22,790 --> 00:12:20,720  
trying to clarify so the clarifying

340

00:12:25,110 --> 00:12:22,800  
statement that he got was that he was

341

00:12:28,230 --> 00:12:25,120  
still currently the director

342

00:12:29,350 --> 00:12:28,240  
um by all accounts that is not a false

343

00:12:30,470 --> 00:12:29,360  
statement

344

00:12:32,069 --> 00:12:30,480  
okay

345

00:12:33,430 --> 00:12:32,079  
and

346

00:12:35,350 --> 00:12:33,440  
the reason i say it's not a false

347

00:12:37,190 --> 00:12:35,360  
statement is because

348

00:12:39,670 --> 00:12:37,200  
we i stand by everything in the article

349

00:12:41,829 --> 00:12:39,680  
and in fact if you go back through

350

00:12:44,150 --> 00:12:41,839  
the article itself everything that i

351  
00:12:45,350 --> 00:12:44,160  
mentioned is that he was dismissed or he

352  
00:12:47,110 --> 00:12:45,360  
was ousted

353  
00:12:49,509 --> 00:12:47,120  
i never said that his employee his

354  
00:12:50,870 --> 00:12:49,519  
employment was terminated as of yet i

355  
00:12:53,110 --> 00:12:50,880  
may have said that on twitter and that

356  
00:12:54,710 --> 00:12:53,120  
would be my fault but uh

357  
00:12:56,150 --> 00:12:54,720  
but not in the article itself that goes

358  
00:12:58,790 --> 00:12:56,160  
through the editorial

359  
00:13:01,030 --> 00:12:58,800  
and even you know we tried to clarify

360  
00:13:03,030 --> 00:13:01,040  
has he resigned has he been placed on

361  
00:13:04,790 --> 00:13:03,040  
leave has he been dismissed of his

362  
00:13:06,870 --> 00:13:04,800  
responsibilities which is ultimately

363  
00:13:08,629 --> 00:13:06,880

what the case is

364

00:13:10,790 --> 00:13:08,639

or what's the status that they would

365

00:13:13,509 --> 00:13:10,800

they declined to comment on that so when

366

00:13:15,430 --> 00:13:13,519

they say that he is still currently

367

00:13:16,470 --> 00:13:15,440

there that's not incorrect but he has

368

00:13:19,110 --> 00:13:16,480

been

369

00:13:21,670 --> 00:13:19,120

dismissed of his responsibilities

370

00:13:23,590 --> 00:13:21,680

as director of defense intelligence

371

00:13:25,670 --> 00:13:23,600

which means at this current point he's

372

00:13:27,990 --> 00:13:25,680

doing what what uh this is

373

00:13:29,590 --> 00:13:28,000

this is extremely common in the

374

00:13:31,670 --> 00:13:29,600

department of defense especially in a

375

00:13:32,949 --> 00:13:31,680

world where

376

00:13:34,790 --> 00:13:32,959

it almost literally takes an act of

377

00:13:36,550 --> 00:13:34,800

congress to fire people this is what's

378

00:13:37,990 --> 00:13:36,560

called flying a desk

379

00:13:39,990 --> 00:13:38,000

meaning that he

380

00:13:41,430 --> 00:13:40,000

has no responsibilities

381

00:13:43,590 --> 00:13:41,440

he may still

382

00:13:45,030 --> 00:13:43,600

uh be obligated to attend management

383

00:13:47,430 --> 00:13:45,040

meetings that kind of thing but he has

384

00:13:50,470 --> 00:13:47,440

no staff he has no responsibilities he's

385

00:13:52,389 --> 00:13:50,480

basically getting a paycheck to show up

386

00:13:53,590 --> 00:13:52,399

this is the uh

387

00:13:55,269 --> 00:13:53,600

department of defense they're not

388

00:13:58,069 --> 00:13:55,279

limited to them this is almost all

389

00:14:00,790 --> 00:13:58,079

government even state local municipal

390

00:14:03,910 --> 00:14:00,800

this is their way of saying look

391

00:14:07,110 --> 00:14:03,920

you need to quit a resign while they go

392

00:14:09,910 --> 00:14:07,120

through the the red tape and rigmarole

393

00:14:12,550 --> 00:14:09,920

of trying to make sure all of their eyes

394

00:14:15,030 --> 00:14:12,560

are dotted and t's are crossed uh

395

00:14:17,430 --> 00:14:15,040

to terminate someone but the ultimate

396

00:14:19,590 --> 00:14:17,440

goal there is they want that employee to

397

00:14:22,150 --> 00:14:19,600

resign because if someone freely resides

398

00:14:24,470 --> 00:14:22,160

there's no recourse meaning he can't

399

00:14:25,910 --> 00:14:24,480

appeal a termination he can't come back

400

00:14:27,910 --> 00:14:25,920

and try to say he was wrongfully

401  
00:14:29,670 --> 00:14:27,920  
terminated because he willfully reside

402  
00:14:31,590 --> 00:14:29,680  
so it's this way of kind of

403  
00:14:33,269 --> 00:14:31,600  
making it very uncomfortable and wanting

404  
00:14:35,509 --> 00:14:33,279  
someone to resign

405  
00:14:37,829 --> 00:14:35,519  
and then there is also the

406  
00:14:40,710 --> 00:14:37,839  
in this limbo stage there's also this

407  
00:14:44,790 --> 00:14:42,710  
remote chance that someone can be

408  
00:14:47,189 --> 00:14:44,800  
reassigned and that just basically means

409  
00:14:48,310 --> 00:14:47,199  
that somebody in another high-level

410  
00:14:50,710 --> 00:14:48,320  
position

411  
00:14:53,030 --> 00:14:50,720  
has to say hey yeah you can come work

412  
00:14:53,829 --> 00:14:53,040  
for me you can come over to my office

413  
00:14:56,150 --> 00:14:53,839

and

414

00:14:58,310 --> 00:14:56,160

they get put over there they get another

415

00:14:59,189 --> 00:14:58,320

way of prolonging that flying a desk is

416

00:15:01,590 --> 00:14:59,199

they

417

00:15:03,110 --> 00:15:01,600

reassign somebody to a really horrible

418

00:15:04,470 --> 00:15:03,120

crappy position

419

00:15:07,590 --> 00:15:04,480

anything they can do to try to get them

420

00:15:09,350 --> 00:15:07,600

to quit but but in terms of him being

421

00:15:10,870 --> 00:15:09,360

dismissed from his responsibilities

422

00:15:12,790 --> 00:15:10,880

there

423

00:15:13,590 --> 00:15:12,800

in that position everything that that's

424

00:15:15,110 --> 00:15:13,600

yeah

425

00:15:17,750 --> 00:15:15,120

everything said in the article is

426

00:15:21,430 --> 00:15:17,760

absolutely correct there there is

427

00:15:24,550 --> 00:15:21,440

currently an acting director that is uh

428

00:15:25,430 --> 00:15:24,560

working in his stead uh and now and in

429

00:15:27,829 --> 00:15:25,440

fact

430

00:15:29,430 --> 00:15:27,839

um the majority consensus that i've been

431

00:15:30,550 --> 00:15:29,440

told from

432

00:15:32,550 --> 00:15:30,560

within

433

00:15:34,550 --> 00:15:32,560

that sphere is that this acting director

434

00:15:36,389 --> 00:15:34,560

may ultimately become the director and

435

00:15:38,310 --> 00:15:36,399

there's some dissension there but that's

436

00:15:40,949 --> 00:15:38,320

neither here nor there but just to

437

00:15:43,269 --> 00:15:40,959

clarify all of that no one's no one's

438

00:15:44,710 --> 00:15:43,279

lying noise misrepresenting including

439

00:15:45,829 --> 00:15:44,720

the dod

440

00:15:47,269 --> 00:15:45,839

um

441

00:15:49,030 --> 00:15:47,279

it's just uh

442

00:15:51,030 --> 00:15:49,040

i've said this we probably said this in

443

00:15:53,110 --> 00:15:51,040

past interviews i think people who are

444

00:15:54,870 --> 00:15:53,120

only interested in ufos

445

00:15:56,870 --> 00:15:54,880

uh if nothing else in the last four or

446

00:15:58,629 --> 00:15:56,880

five years have gotten a crash course in

447

00:16:00,629 --> 00:15:58,639

government bureaucracy and how the uf

448

00:16:03,350 --> 00:16:00,639

government works and this is hundred

449

00:16:04,870 --> 00:16:03,360

percent of those weird components to it

450

00:16:06,629 --> 00:16:04,880

yeah that's how i feel at times that i

451

00:16:08,629 --> 00:16:06,639

still have to get my head around and i

452

00:16:10,470 --> 00:16:08,639

get listener emails and comments and dms

453

00:16:12,389 --> 00:16:10,480

of actually it's not this and they'll

454

00:16:14,870 --> 00:16:12,399

correct me on the the nuances of the

455

00:16:16,629 --> 00:16:14,880

policies or the parties and it's it's

456

00:16:18,069 --> 00:16:16,639

something that can i it's like computer

457

00:16:20,310 --> 00:16:18,079

ram it goes in my head and goes back out

458

00:16:21,749 --> 00:16:20,320

when i don't need it so um

459

00:16:24,629 --> 00:16:21,759

i don't even take too much of an

460

00:16:25,990 --> 00:16:24,639

interest in uk politics let alone us i

461

00:16:27,350 --> 00:16:26,000

kind of know what i need to know so

462

00:16:29,350 --> 00:16:27,360

people like yourself clear that up for

463

00:16:31,590 --> 00:16:29,360

me which is which is great um you

464

00:16:34,389 --> 00:16:31,600

mentioned before that he was named at

465

00:16:36,550 --> 00:16:34,399

the top of louise elizondo's complaint

466

00:16:39,189 --> 00:16:36,560

that is still going through the system

467

00:16:40,550 --> 00:16:39,199

um for those that might not remember or

468

00:16:42,230 --> 00:16:40,560

haven't heard if they're newer to the

469

00:16:44,629 --> 00:16:42,240

ufo topic or podcast can you just

470

00:16:46,550 --> 00:16:44,639

refresh as quickly on on why louise

471

00:16:48,069 --> 00:16:46,560

elizondo has an official complaint going

472

00:16:52,150 --> 00:16:48,079

through government

473

00:16:56,389 --> 00:16:52,160

sure yeah um you know may of last year

474

00:16:57,990 --> 00:16:56,399

uh lua liu through his attorney um

475

00:16:59,590 --> 00:16:58,000

filed a complaint with the department of

476  
00:17:01,269 --> 00:16:59,600  
defense inspector general's office and

477  
00:17:02,949 --> 00:17:01,279  
for those who are unfamiliar this is the

478  
00:17:04,949 --> 00:17:02,959  
office who works at the

479  
00:17:06,150 --> 00:17:04,959  
independent oversight agency they're in

480  
00:17:08,470 --> 00:17:06,160  
charge with

481  
00:17:11,270 --> 00:17:08,480  
investigating misconduct administrative

482  
00:17:12,949 --> 00:17:11,280  
violations also evaluating

483  
00:17:15,029 --> 00:17:12,959  
programs you know they're just they're

484  
00:17:17,110 --> 00:17:15,039  
the watchdog but they're independent and

485  
00:17:18,789 --> 00:17:17,120  
so he filed an official formal complaint

486  
00:17:20,789 --> 00:17:18,799  
with them

487  
00:17:22,309 --> 00:17:20,799  
in which he was

488  
00:17:23,590 --> 00:17:22,319

alleging that

489

00:17:27,189 --> 00:17:23,600

both

490

00:17:28,870 --> 00:17:27,199

disinformation related to the uap topic

491

00:17:31,110 --> 00:17:28,880

and himself

492

00:17:34,710 --> 00:17:31,120

and his role with atip

493

00:17:37,430 --> 00:17:34,720

he was alleging threats and malicious

494

00:17:39,350 --> 00:17:37,440

retribution against him after coming out

495

00:17:41,830 --> 00:17:39,360

and disclosing atip

496

00:17:43,909 --> 00:17:41,840

and the uap topic

497

00:17:47,510 --> 00:17:43,919

and uh all of these things being

498

00:17:50,150 --> 00:17:47,520

violations and you know things that um

499

00:17:52,230 --> 00:17:50,160

are both unethical against policy and in

500

00:17:54,630 --> 00:17:52,240

some cases could be illegal depending on

501  
00:17:57,350 --> 00:17:54,640  
exactly to what extent and so he filed

502  
00:17:59,830 --> 00:17:57,360  
that formal complaint in may of 2000

503  
00:18:02,070 --> 00:17:59,840  
yeah may of last year 2021 he did that

504  
00:18:04,230 --> 00:18:02,080  
right on the heels of when the

505  
00:18:05,909 --> 00:18:04,240  
inspector general's office had also

506  
00:18:09,669 --> 00:18:05,919  
announced they were doing conducting a

507  
00:18:13,430 --> 00:18:09,679  
formal evaluation of how the how the dod

508  
00:18:15,510 --> 00:18:13,440  
is handling the uap topic in general so

509  
00:18:17,750 --> 00:18:15,520  
both of those to my to my knowledge are

510  
00:18:20,549 --> 00:18:17,760  
still active and going on the the ig's

511  
00:18:22,390 --> 00:18:20,559  
office uh i did reach out they uh

512  
00:18:23,990 --> 00:18:22,400  
declined a comment which i expected they

513  
00:18:25,430 --> 00:18:24,000

will not comment on active

514

00:18:26,950 --> 00:18:25,440

investigations

515

00:18:30,549 --> 00:18:26,960

and uh

516

00:18:33,190 --> 00:18:30,559

everyone you know it still appears to be

517

00:18:35,590 --> 00:18:33,200

a relative mystery as to what ultimately

518

00:18:37,190 --> 00:18:35,600

got gary reed ousted even though for

519

00:18:39,590 --> 00:18:37,200

anybody who's read the article we'll see

520

00:18:40,950 --> 00:18:39,600

there's a lot of misbehavior there's a

521

00:18:42,390 --> 00:18:40,960

lot of bad things that should have

522

00:18:43,669 --> 00:18:42,400

gotten ran off

523

00:18:46,230 --> 00:18:43,679

a lot earlier

524

00:18:47,990 --> 00:18:46,240

um but what actually ultimately did it

525

00:18:50,950 --> 00:18:48,000

at this point um

526

00:18:53,270 --> 00:18:50,960

everybody is is is a little in the dark

527

00:18:56,710 --> 00:18:53,280

on and and they don't know however the

528

00:18:59,190 --> 00:18:56,720

general consensus is is it uh could very

529

00:19:01,909 --> 00:18:59,200

well have something to do with louis

530

00:19:04,950 --> 00:19:01,919

elizondo's ig complaint now whether that

531

00:19:07,190 --> 00:19:04,960

directly relates to the uap topic itself

532

00:19:08,549 --> 00:19:07,200

or not i don't know because like people

533

00:19:10,549 --> 00:19:08,559

have said

534

00:19:12,150 --> 00:19:10,559

you know the ig has a lot of power they

535

00:19:13,510 --> 00:19:12,160

can come in and

536

00:19:15,029 --> 00:19:13,520

look at all your emails look at all your

537

00:19:16,870 --> 00:19:15,039

text messages you know they can dig

538

00:19:19,510 --> 00:19:16,880

through everything and so

539

00:19:21,350 --> 00:19:19,520

the potential exists that uh

540

00:19:23,110 --> 00:19:21,360

they could have uncovered a lot of other

541

00:19:26,470 --> 00:19:23,120

misbehavior that we haven't even heard

542

00:19:28,390 --> 00:19:26,480

about yet and that could be what led to

543

00:19:31,029 --> 00:19:28,400

where the situation he's in right now

544

00:19:33,510 --> 00:19:31,039

led to it being ousted it could be

545

00:19:35,909 --> 00:19:33,520

solely based on elizondo you know i at

546

00:19:38,870 --> 00:19:35,919

this point it's it's really unknown it

547

00:19:39,750 --> 00:19:38,880

could be afghanistan uh you know it's

548

00:19:41,350 --> 00:19:39,760

that's

549

00:19:42,950 --> 00:19:41,360

with this one

550

00:19:46,549 --> 00:19:42,960

if i had to speculate i'd say it's

551  
00:19:48,870 --> 00:19:46,559  
probably a totality of all those factors

552  
00:19:51,029 --> 00:19:48,880  
how is this going to impact luella

553  
00:19:52,789 --> 00:19:51,039  
zondo's complaint going forward if at

554  
00:19:59,430 --> 00:19:52,799  
all

555  
00:20:00,950 --> 00:19:59,440  
with the ig and their complaint because

556  
00:20:02,230 --> 00:20:00,960  
the inspector general's office though

557  
00:20:04,470 --> 00:20:02,240  
they have brought authority to

558  
00:20:05,590 --> 00:20:04,480  
investigate these things

559  
00:20:07,190 --> 00:20:05,600  
they don't

560  
00:20:09,029 --> 00:20:07,200  
you know they'll make a determination

561  
00:20:10,789 --> 00:20:09,039  
they'll make a recommendation

562  
00:20:12,950 --> 00:20:10,799  
in terms of how something is or a

563  
00:20:14,950 --> 00:20:12,960

situation should be improved or handled

564

00:20:16,630 --> 00:20:14,960

or or they may recommend punishment for

565

00:20:18,870 --> 00:20:16,640

employee but they have no authority to

566

00:20:20,950 --> 00:20:18,880

enforce punishment so they can't

567

00:20:23,029 --> 00:20:20,960

say what's going to happen or not so in

568

00:20:25,350 --> 00:20:23,039

terms of both louise elizondo's

569

00:20:27,830 --> 00:20:25,360

complaint and the current evaluation of

570

00:20:28,710 --> 00:20:27,840

uaps it will have

571

00:20:31,750 --> 00:20:28,720

very

572

00:20:33,750 --> 00:20:31,760

minimal to know of impact

573

00:20:35,350 --> 00:20:33,760

in whatever they have remaining to do

574

00:20:36,789 --> 00:20:35,360

they'll keep doing their job and keep

575

00:20:37,909 --> 00:20:36,799

investigating it

576

00:20:40,549 --> 00:20:37,919

um

577

00:20:42,710 --> 00:20:40,559

as is until they're that's

578

00:20:45,750 --> 00:20:42,720

closed or resolved so it won't it won't

579

00:20:47,830 --> 00:20:45,760

there won't be any major impact there

580

00:20:48,789 --> 00:20:47,840

i've seen some people commenting online

581

00:20:51,029 --> 00:20:48,799

uh

582

00:20:53,510 --> 00:20:51,039

john greenwald was one who when was

583

00:20:55,190 --> 00:20:53,520

asked about this conversation said the

584

00:20:57,270 --> 00:20:55,200

the lack of sources was something that

585

00:20:59,590 --> 00:20:57,280

put him off but he was going to fight

586

00:21:01,270 --> 00:20:59,600

going forward put those requests in but

587

00:21:03,909 --> 00:21:01,280

she would expect he would do it is what

588

00:21:06,390 --> 00:21:03,919

he does and does it well um

589

00:21:07,110 --> 00:21:06,400

why is it so difficult to get anyone to

590

00:21:08,870 --> 00:21:07,120

go

591

00:21:11,190 --> 00:21:08,880

public with something like this and as a

592

00:21:12,870 --> 00:21:11,200

journalist is there a frustration when

593

00:21:15,430 --> 00:21:12,880

you have to put an article out where you

594

00:21:17,430 --> 00:21:15,440

can cite no names

595

00:21:19,270 --> 00:21:17,440

um yeah yeah no and that's a good

596

00:21:21,029 --> 00:21:19,280

question so

597

00:21:24,470 --> 00:21:21,039

i think first of all i'm going to answer

598

00:21:26,390 --> 00:21:24,480

to the first idea that uh if anybody's

599

00:21:28,549 --> 00:21:26,400

put off by it but by the fact that

600

00:21:29,510 --> 00:21:28,559

there's not anybody specifically named

601  
00:21:30,789 --> 00:21:29,520  
in it

602  
00:21:33,590 --> 00:21:30,799  
i said this

603  
00:21:35,710 --> 00:21:33,600  
this before

604  
00:21:37,510 --> 00:21:35,720  
if you go through that article and

605  
00:21:38,549 --> 00:21:37,520  
objectively

606  
00:21:41,110 --> 00:21:38,559  
read it

607  
00:21:43,110 --> 00:21:41,120  
um absolutely none of the behavior

608  
00:21:44,470 --> 00:21:43,120  
absolutely none absolutely none of the

609  
00:21:46,549 --> 00:21:44,480  
allegations

610  
00:21:47,830 --> 00:21:46,559  
require anonymous sources

611  
00:21:49,990 --> 00:21:47,840  
absolutely none

612  
00:21:51,750 --> 00:21:50,000  
and you know the anonymous sources are

613  
00:21:52,470 --> 00:21:51,760

represent

614

00:21:54,549 --> 00:21:52,480

the

615

00:21:56,630 --> 00:21:54,559

you know comprise hours and hours and

616

00:21:59,830 --> 00:21:56,640

hours of interviews or conversations i

617

00:22:01,510 --> 00:21:59,840

have i've had with dozens of individuals

618

00:22:03,590 --> 00:22:01,520

and so you're getting a peek into kind

619

00:22:05,270 --> 00:22:03,600

of uh you know what's going on behind

620

00:22:06,710 --> 00:22:05,280

the scenes to to

621

00:22:08,630 --> 00:22:06,720

as i'm going through this investigative

622

00:22:10,789 --> 00:22:08,640

process but those conversations those

623

00:22:12,789 --> 00:22:10,799

quotes those information is all used

624

00:22:15,590 --> 00:22:12,799

throughout the entire article

625

00:22:18,390 --> 00:22:15,600

uh as as color commentary or just

626  
00:22:20,789 --> 00:22:18,400  
providing you context of that background

627  
00:22:23,750 --> 00:22:20,799  
but in order of forming an opinion about

628  
00:22:25,590 --> 00:22:23,760  
uh the actual events themselves you know

629  
00:22:27,430 --> 00:22:25,600  
if i broke it into three parts here

630  
00:22:28,789 --> 00:22:27,440  
which i did in the article sex lies and

631  
00:22:32,630 --> 00:22:28,799  
ufos

632  
00:22:34,870 --> 00:22:32,640  
uh the sex and lies part you can

633  
00:22:37,110 --> 00:22:34,880  
all of that is contained within the dods

634  
00:22:39,110 --> 00:22:37,120  
the ig's official investigative report

635  
00:22:41,669 --> 00:22:39,120  
you know it was quoted as such and in

636  
00:22:43,990 --> 00:22:41,679  
fact uh we didn't

637  
00:22:46,149 --> 00:22:44,000  
initially include that report so that

638  
00:22:47,430 --> 00:22:46,159

anybody could read it for themselves

639

00:22:48,470 --> 00:22:47,440

simply because

640

00:22:50,310 --> 00:22:48,480

uh

641

00:22:52,390 --> 00:22:50,320

truth of the matter is is we we don't

642

00:22:53,990 --> 00:22:52,400

run a document archive website near

643

00:22:57,750 --> 00:22:54,000

server space so maybe that's me being a

644

00:22:59,830 --> 00:22:57,760

cheapskate but at the same time um

645

00:23:01,909 --> 00:22:59,840

you know i handed it out to to anybody

646

00:23:02,789 --> 00:23:01,919

who asked and i think subsequently both

647

00:23:04,549 --> 00:23:02,799

um

648

00:23:06,470 --> 00:23:04,559

steven greenstreet and brian bender have

649

00:23:07,909 --> 00:23:06,480

published it so anybody can read it so

650

00:23:10,710 --> 00:23:07,919

all of those allegations all those

651  
00:23:12,470 --> 00:23:10,720  
mentions all of those uh quotes from

652  
00:23:14,310 --> 00:23:12,480  
witnesses during the the sexual

653  
00:23:16,230 --> 00:23:14,320  
harassment uh

654  
00:23:17,830 --> 00:23:16,240  
or the improper sexual relationship

655  
00:23:22,710 --> 00:23:17,840  
that's

656  
00:23:25,990 --> 00:23:22,720  
paperwork when we look at the um

657  
00:23:27,590 --> 00:23:26,000  
allegations of louis elizondo and his ig

658  
00:23:29,750 --> 00:23:27,600  
complaint

659  
00:23:32,230 --> 00:23:29,760  
first and foremost there was some some

660  
00:23:34,149 --> 00:23:32,240  
inclusions there uh from somebody who

661  
00:23:37,510 --> 00:23:34,159  
was very close to that situation but

662  
00:23:39,510 --> 00:23:37,520  
couldn't be named regarding uh the acts

663  
00:23:42,390 --> 00:23:39,520

of retribution against flu

664

00:23:44,549 --> 00:23:42,400

um and you people can take that or leave

665

00:23:46,549 --> 00:23:44,559

it but at the same time that's why in

666

00:23:49,990 --> 00:23:46,559

the core of that i included

667

00:23:51,830 --> 00:23:50,000

a the the osi report which again had

668

00:23:53,590 --> 00:23:51,840

already been published i had already

669

00:23:55,029 --> 00:23:53,600

published that with vice news

670

00:23:55,830 --> 00:23:55,039

two years ago

671

00:23:57,669 --> 00:23:55,840

um

672

00:24:00,070 --> 00:23:57,679

that's already been published it's out

673

00:24:01,909 --> 00:24:00,080

there but but demonstrated through that

674

00:24:03,750 --> 00:24:01,919

report a

675

00:24:05,750 --> 00:24:03,760

osi would not have had jurisdiction

676  
00:24:07,269 --> 00:24:05,760  
unless they were told that these videos

677  
00:24:09,669 --> 00:24:07,279  
were classified even though that was

678  
00:24:11,830 --> 00:24:09,679  
demonstrably not true based on other

679  
00:24:14,149 --> 00:24:11,840  
voyage documented information

680  
00:24:16,710 --> 00:24:14,159  
and so uh but they were under that

681  
00:24:19,430 --> 00:24:16,720  
impression and then if you look at that

682  
00:24:20,630 --> 00:24:19,440  
report you see where it describes that

683  
00:24:21,990 --> 00:24:20,640  
it's the

684  
00:24:24,310 --> 00:24:22,000  
at the conclusion of it is being

685  
00:24:25,669 --> 00:24:24,320  
forwarded back to the action party who

686  
00:24:28,870 --> 00:24:25,679  
initiated

687  
00:24:30,789 --> 00:24:28,880  
had them investigate which is ousdi and

688  
00:24:32,630 --> 00:24:30,799

the head of ousdi security and law

689

00:24:34,470 --> 00:24:32,640

enforcement is gary reed you know all

690

00:24:35,990 --> 00:24:34,480

these are facts they're there with the

691

00:24:37,110 --> 00:24:36,000

paper you don't need the anonymous

692

00:24:38,789 --> 00:24:37,120

sources

693

00:24:40,230 --> 00:24:38,799

uh when it comes to the afghanistan

694

00:24:40,950 --> 00:24:40,240

withdrawal you know i kind of touched on

695

00:24:45,269 --> 00:24:40,960

it

696

00:24:48,390 --> 00:24:45,279

don't need

697

00:24:49,750 --> 00:24:48,400

if if you don't want to take what the

698

00:24:53,190 --> 00:24:49,760

sources said

699

00:24:55,269 --> 00:24:53,200

uh at face value in terms of uh how gary

700

00:24:58,390 --> 00:24:55,279

reed influenced the withdrawal process

701  
00:24:59,750 --> 00:24:58,400  
that's that's fine no hard feelings

702  
00:25:02,310 --> 00:24:59,760  
but you can

703  
00:25:03,750 --> 00:25:02,320  
freely anybody can google it and in fact

704  
00:25:06,230 --> 00:25:03,760  
i um

705  
00:25:08,470 --> 00:25:06,240  
in the article they are hyperlinked uh

706  
00:25:10,070 --> 00:25:08,480  
you can look at you can either watch or

707  
00:25:11,830 --> 00:25:10,080  
read

708  
00:25:14,310 --> 00:25:11,840  
the pentagon press briefings going back

709  
00:25:16,390 --> 00:25:14,320  
to august 2021 and you can listen to

710  
00:25:18,149 --> 00:25:16,400  
gary reed himself being being addressed

711  
00:25:19,990 --> 00:25:18,159  
as the director of the afghan crisis

712  
00:25:21,909 --> 00:25:20,000  
group and explaining exactly what his

713  
00:25:23,269 --> 00:25:21,919

role is exactly what the group's role is

714

00:25:25,029 --> 00:25:23,279

and what they're doing

715

00:25:27,590 --> 00:25:25,039

so you don't need those background

716

00:25:29,110 --> 00:25:27,600

sources to to form that opinion

717

00:25:33,590 --> 00:25:29,120

and uh

718

00:25:35,190 --> 00:25:33,600

none of them gave it gave in a uh any

719

00:25:37,590 --> 00:25:35,200

sort of factual interpretation or

720

00:25:39,750 --> 00:25:37,600

opinion of how successful the withdrawal

721

00:25:41,269 --> 00:25:39,760

was we provided those facts from a

722

00:25:43,990 --> 00:25:41,279

report that was released by an

723

00:25:45,990 --> 00:25:44,000

independent ngo

724

00:25:47,350 --> 00:25:46,000

even then like we just mentioned i think

725

00:25:49,510 --> 00:25:47,360

most people remember those chaotic

726  
00:25:51,669 --> 00:25:49,520  
scenes from august 2021 they remember

727  
00:25:54,390 --> 00:25:51,679  
those people hanging on do you really

728  
00:25:57,750 --> 00:25:54,400  
need that to say that it was a disaster

729  
00:25:59,990 --> 00:25:57,760  
and so uh and in terms of lew's ig

730  
00:26:02,630 --> 00:26:00,000  
complaint he was named on the record so

731  
00:26:05,110 --> 00:26:02,640  
the person who was who was actually

732  
00:26:07,029 --> 00:26:05,120  
filing the complaint the person who uh

733  
00:26:10,310 --> 00:26:07,039  
is making the accusations against him

734  
00:26:12,710 --> 00:26:10,320  
was quoted on there he is named so i

735  
00:26:16,870 --> 00:26:12,720  
understand that i do think that people

736  
00:26:17,669 --> 00:26:16,880  
um oftentimes will use that as a cop-out

737  
00:26:19,830 --> 00:26:17,679  
but

738  
00:26:21,430 --> 00:26:19,840

in terms of how when you're trying to

739

00:26:23,430 --> 00:26:21,440

report on national security matters or

740

00:26:25,909 --> 00:26:23,440

defense matters in terms of how i have

741

00:26:29,430 --> 00:26:25,919

used uh unnamed sources

742

00:26:30,310 --> 00:26:29,440

in this article in other instances um it

743

00:26:32,070 --> 00:26:30,320

is

744

00:26:34,070 --> 00:26:32,080

nowhere near the the same degree that

745

00:26:35,909 --> 00:26:34,080

you'll see even mainstream media outlets

746

00:26:38,710 --> 00:26:35,919

do it daily

747

00:26:41,510 --> 00:26:38,720

they frequently do this um

748

00:26:43,830 --> 00:26:41,520

everything when i use them they whatever

749

00:26:46,230 --> 00:26:43,840

statements they make are almost always

750

00:26:48,870 --> 00:26:46,240

corroborated by

751

00:26:49,750 --> 00:26:48,880

hard document data facts like i just

752

00:26:52,390 --> 00:26:49,760

mentioned

753

00:26:54,310 --> 00:26:52,400

um or they're corroborating known

754

00:26:58,070 --> 00:26:54,320

established facts like the afghanistan

755

00:27:00,230 --> 00:26:58,080

withdrawal they're not dependent solely

756

00:27:01,669 --> 00:27:00,240

on that whatsoever

757

00:27:04,630 --> 00:27:01,679

um

758

00:27:06,870 --> 00:27:04,640

i guess the the overarching thing there

759

00:27:09,269 --> 00:27:06,880

would be uh

760

00:27:11,029 --> 00:27:09,279

yeah but the the pentagon on background

761

00:27:13,830 --> 00:27:11,039

so so again

762

00:27:15,909 --> 00:27:13,840

even though it was inadvertently named

763

00:27:17,909 --> 00:27:15,919

uh that it was a public affairs office

764

00:27:19,830 --> 00:27:17,919

is saying that he's still employed there

765

00:27:22,230 --> 00:27:19,840

and the bulk of that idea that he's been

766

00:27:24,630 --> 00:27:22,240

dismissed from his position is

767

00:27:26,389 --> 00:27:24,640

only come from background sources well

768

00:27:28,470 --> 00:27:26,399

the idea that he's still there has come

769

00:27:30,149 --> 00:27:28,480

from a background source so the pentagon

770

00:27:31,510 --> 00:27:30,159

still refuses to give that official

771

00:27:33,590 --> 00:27:31,520

explanation

772

00:27:35,269 --> 00:27:33,600

um and so even if you don't believe that

773

00:27:36,950 --> 00:27:35,279

he's been dismissed that's fine all in

774

00:27:39,190 --> 00:27:36,960

dandy it doesn't negate all the other

775

00:27:40,789 --> 00:27:39,200

information in there so i guess

776

00:27:43,110 --> 00:27:40,799

the downside to that if you don't want

777

00:27:45,110 --> 00:27:43,120

to believe that is he's still there and

778

00:27:46,950 --> 00:27:45,120

and he still has this position

779

00:27:49,029 --> 00:27:46,960

and based on everything covered in it

780

00:27:50,710 --> 00:27:49,039

that's not a good thing but you just

781

00:27:52,149 --> 00:27:50,720

can't i mean you

782

00:27:54,870 --> 00:27:52,159

to report

783

00:27:55,909 --> 00:27:54,880

on national security matters

784

00:27:58,710 --> 00:27:55,919

you

785

00:28:01,110 --> 00:27:58,720

to do it

786

00:28:03,909 --> 00:28:01,120

or you have to be willing to rely on

787

00:28:06,789 --> 00:28:03,919

people that by the nature of their job

788

00:28:08,389 --> 00:28:06,799

can't go on the record or they are not

789

00:28:10,789 --> 00:28:08,399

authorized to so they're speaking to you

790

00:28:12,950 --> 00:28:10,799

but they're really not supposed to

791

00:28:15,510 --> 00:28:12,960

to give you information or

792

00:28:17,750 --> 00:28:15,520

as i mentioned earlier there are

793

00:28:18,789 --> 00:28:17,760

plenty of occasions more than people

794

00:28:19,750 --> 00:28:18,799

would ever

795

00:28:22,070 --> 00:28:19,760

uh

796

00:28:23,830 --> 00:28:22,080

realize in which that information has

797

00:28:26,149 --> 00:28:23,840

come directly from the public affairs

798

00:28:27,990 --> 00:28:26,159

office however they are providing it on

799

00:28:29,669 --> 00:28:28,000

background asking not to be named

800

00:28:31,110 --> 00:28:29,679

because they they don't want it to be

801  
00:28:32,870 --> 00:28:31,120  
attributed as the position of the

802  
00:28:34,470 --> 00:28:32,880  
department of defense which is what

803  
00:28:35,669 --> 00:28:34,480  
public affairs is so when you attribute

804  
00:28:37,350 --> 00:28:35,679  
it to them

805  
00:28:40,470 --> 00:28:37,360  
now it becomes the department offensive

806  
00:28:42,310 --> 00:28:40,480  
statement but rather they're willing to

807  
00:28:43,590 --> 00:28:42,320  
provide you with additional information

808  
00:28:45,510 --> 00:28:43,600  
that they are

809  
00:28:46,870 --> 00:28:45,520  
clear for you to publish it just needs

810  
00:28:49,110 --> 00:28:46,880  
to be attributed to senior defense

811  
00:28:51,750 --> 00:28:49,120  
officials so that same

812  
00:28:53,510 --> 00:28:51,760  
uh you know under that same um

813  
00:28:55,350 --> 00:28:53,520

banner there

814

00:28:57,190 --> 00:28:55,360

there could very well be

815

00:28:59,269 --> 00:28:57,200

public affairs officials who are named

816

00:29:01,430 --> 00:28:59,279

as senior officials in this report but

817

00:29:03,110 --> 00:29:01,440

you're obligated under the same same

818

00:29:05,909 --> 00:29:03,120

deal that you do with anybody you've got

819

00:29:09,110 --> 00:29:05,919

to respect that condition and and just

820

00:29:11,190 --> 00:29:09,120

leave it at that but you know

821

00:29:13,750 --> 00:29:11,200

you're you're you're going to get that

822

00:29:15,110 --> 00:29:13,760

but i think in this particular case uh

823

00:29:16,549 --> 00:29:15,120

out of all it was it's kind of

824

00:29:17,590 --> 00:29:16,559

interesting because i think if you look

825

00:29:20,149 --> 00:29:17,600

at the core

826

00:29:22,470 --> 00:29:20,159

message behind all of that you

827

00:29:24,230 --> 00:29:22,480

you can go in and redact all the

828

00:29:26,149 --> 00:29:24,240

anonymous source and the information

829

00:29:27,830 --> 00:29:26,159

itself still their stance

830

00:29:29,430 --> 00:29:27,840

still there

831

00:29:31,750 --> 00:29:29,440

i was going to ask a question that a

832

00:29:32,950 --> 00:29:31,760

listener tim staley also sent in as well

833

00:29:35,430 --> 00:29:32,960

and it's a great question so i'm going

834

00:29:37,669 --> 00:29:35,440

to use his wording is there any evidence

835

00:29:39,430 --> 00:29:37,679

from the read investigation to suggest

836

00:29:40,470 --> 00:29:39,440

that non-government actors or

837

00:29:43,269 --> 00:29:40,480

journalists

838

00:29:46,389 --> 00:29:43,279

were fed nefarious info by gary reid or

839

00:29:48,310 --> 00:29:46,399

susan go goff sorry or other ou sdi

840

00:29:50,710 --> 00:29:48,320

staff to advance the smear campaign

841

00:29:52,830 --> 00:29:50,720

directed at loyola zondo and potentially

842

00:29:54,789 --> 00:29:52,840

control the narrative

843

00:29:57,430 --> 00:29:54,799

sure so

844

00:30:00,630 --> 00:29:57,440

you know that's a great question and uh

845

00:30:03,190 --> 00:30:00,640

to break it up into a couple part so one

846

00:30:03,990 --> 00:30:03,200

there were people who who who talked to

847

00:30:08,789 --> 00:30:04,000

me

848

00:30:10,870 --> 00:30:08,799

were in a position to know firsthand

849

00:30:13,350 --> 00:30:10,880

uh a couple of them absolutely would

850

00:30:15,990 --> 00:30:13,360

have had first-hand knowledge of this

851

00:30:18,230 --> 00:30:16,000

who said that clarifying statements uh

852

00:30:19,750 --> 00:30:18,240

in terms of uh some of the uap

853

00:30:22,310 --> 00:30:19,760

statements that have been issued or in

854

00:30:24,710 --> 00:30:22,320

particular louis lozando's role with

855

00:30:26,070 --> 00:30:24,720

atip

856

00:30:28,310 --> 00:30:26,080

they were

857

00:30:31,029 --> 00:30:28,320

provided to public affairs

858

00:30:32,710 --> 00:30:31,039

and yet they never came out and so at

859

00:30:35,750 --> 00:30:32,720

the end of the day public affairs even

860

00:30:37,110 --> 00:30:35,760

though it's been provided with

861

00:30:38,950 --> 00:30:37,120

employee a

862

00:30:41,110 --> 00:30:38,960

uh at the top of the food chain and all

863

00:30:42,710 --> 00:30:41,120

of this is gary reid and he has as the

864

00:30:43,990 --> 00:30:42,720

senior executive he has the authority to

865

00:30:44,950 --> 00:30:44,000

tell public affairs no that's not

866

00:30:46,870 --> 00:30:44,960

accurate that's not what we're going to

867

00:30:49,110 --> 00:30:46,880

say we're going to say this so you have

868

00:30:50,950 --> 00:30:49,120

that and i think that

869

00:30:52,950 --> 00:30:50,960

they're definitely

870

00:30:54,230 --> 00:30:52,960

i would say i heard from from more than

871

00:30:57,190 --> 00:30:54,240

a few

872

00:30:59,430 --> 00:30:57,200

people that i i trust i consider to be

873

00:31:01,509 --> 00:30:59,440

entirely reliable and absolutely have no

874

00:31:02,870 --> 00:31:01,519

doubt they were in positions to to know

875

00:31:06,149 --> 00:31:02,880

that information

876

00:31:07,750 --> 00:31:06,159

said that gary reed went out of his way

877

00:31:10,470 --> 00:31:07,760

to influence those statements that were

878

00:31:12,870 --> 00:31:10,480

being issued by public affairs and so

879

00:31:14,630 --> 00:31:12,880

uh you have that uh the second part of

880

00:31:16,789 --> 00:31:14,640

that which i think kind of touches on is

881

00:31:19,430 --> 00:31:16,799

that question is could

882

00:31:21,190 --> 00:31:19,440

some of the criticisms the critiques

883

00:31:23,669 --> 00:31:21,200

whether they've come from

884

00:31:26,070 --> 00:31:23,679

journalists or you know just media

885

00:31:27,190 --> 00:31:26,080

pundits about blue elizando or ufos

886

00:31:29,750 --> 00:31:27,200

could they

887

00:31:31,830 --> 00:31:29,760

be seated out by gary reed you know

888

00:31:33,830 --> 00:31:31,840

could he have been doing that as well

889

00:31:36,070 --> 00:31:33,840

that i don't know

890

00:31:38,470 --> 00:31:36,080

i will say that it came up on multiple

891

00:31:40,870 --> 00:31:38,480

occasions you know both with me asking

892

00:31:43,509 --> 00:31:40,880

people who who were involved in the in

893

00:31:44,389 --> 00:31:43,519

the situation and inside the pentagon

894

00:31:46,470 --> 00:31:44,399

and

895

00:31:49,029 --> 00:31:46,480

you know i got their opinions which

896

00:31:51,029 --> 00:31:49,039

their opinions were that's absolutely

897

00:31:53,190 --> 00:31:51,039

something that could be possible but

898

00:31:54,549 --> 00:31:53,200

it's just opinions you know i didn't i

899

00:31:56,389 --> 00:31:54,559

wouldn't write that in the article

900

00:31:57,350 --> 00:31:56,399

because it's just opinions

901  
00:31:58,230 --> 00:31:57,360  
um

902  
00:32:00,389 --> 00:31:58,240  
so

903  
00:32:02,789 --> 00:32:00,399  
that's always

904  
00:32:04,389 --> 00:32:02,799  
the same exact way that that i'm getting

905  
00:32:06,070 --> 00:32:04,399  
information from individuals and they're

906  
00:32:07,190 --> 00:32:06,080  
speaking to me off the record or on

907  
00:32:09,909 --> 00:32:07,200  
background

908  
00:32:13,029 --> 00:32:09,919  
could likewise mr reed have been doing

909  
00:32:14,389 --> 00:32:13,039  
the same uh to other people sure i mean

910  
00:32:15,590 --> 00:32:14,399  
that

911  
00:32:16,789 --> 00:32:15,600  
some people are talking to me he might

912  
00:32:19,990 --> 00:32:16,799  
have been talking to other people as

913  
00:32:21,350 --> 00:32:20,000

well trying to influence that idea that

914

00:32:24,070 --> 00:32:21,360

um

915

00:32:26,310 --> 00:32:24,080

you know to just discredit or to dismiss

916

00:32:28,870 --> 00:32:26,320

it and some of the

917

00:32:30,149 --> 00:32:28,880

in particular one of the most prominent

918

00:32:31,269 --> 00:32:30,159

uh

919

00:32:32,630 --> 00:32:31,279

critics

920

00:32:36,070 --> 00:32:32,640

that uh

921

00:32:38,630 --> 00:32:36,080

is himself has a past history of that

922

00:32:40,630 --> 00:32:38,640

is a disgraced journalist from the field

923

00:32:41,909 --> 00:32:40,640

who was caught you know

924

00:32:43,350 --> 00:32:41,919

sharing information for a major

925

00:32:45,590 --> 00:32:43,360

corporation

926

00:32:47,750 --> 00:32:45,600

at their behest and influence in the

927

00:32:49,350 --> 00:32:47,760

media so it's not

928

00:32:51,029 --> 00:32:49,360

i guess the ultimate answer which is a

929

00:32:52,789 --> 00:32:51,039

really good question i do not have any

930

00:32:54,789 --> 00:32:52,799

hard proof of that there's certainly

931

00:32:57,029 --> 00:32:54,799

lots of suspicious

932

00:32:59,590 --> 00:32:57,039

uh areas there that make you raise some

933

00:33:02,789 --> 00:32:59,600

eyebrows but but not nearly enough that

934

00:33:04,630 --> 00:33:02,799

i could say for a fact that's going on

935

00:33:07,430 --> 00:33:04,640

on that same tone would it be safe to

936

00:33:09,110 --> 00:33:07,440

presume someone like gary reed would be

937

00:33:11,190 --> 00:33:09,120

clever enough during his time and

938

00:33:14,389 --> 00:33:11,200

position of authority to surround

939

00:33:16,710 --> 00:33:14,399

himself by like-minded thinking people

940

00:33:18,310 --> 00:33:16,720

those people would still be in place

941

00:33:20,230 --> 00:33:18,320

and is there a chance there that could

942

00:33:22,630 --> 00:33:20,240

then hamper further progression on the

943

00:33:25,190 --> 00:33:22,640

uap topic within the halls of government

944

00:33:27,110 --> 00:33:25,200

and as is potentially the first of more

945

00:33:29,269 --> 00:33:27,120

i'm going to use the word firings we

946

00:33:31,669 --> 00:33:29,279

know gary reid hasn't been fired

947

00:33:33,430 --> 00:33:31,679

technically yet um if that does indeed

948

00:33:35,269 --> 00:33:33,440

happen he could be moved on but is there

949

00:33:36,870 --> 00:33:35,279

a chance that more people move on from

950

00:33:38,470 --> 00:33:36,880

from those positions are obfuscating

951  
00:33:40,870 --> 00:33:38,480

things

952  
00:33:43,110 --> 00:33:40,880

sure there's always that that potential

953  
00:33:44,149 --> 00:33:43,120

and quite frequently i mean that is what

954  
00:33:45,909 --> 00:33:44,159

you described about surrounding

955  
00:33:48,310 --> 00:33:45,919

themselves with like-minded people or

956  
00:33:50,870 --> 00:33:48,320

their their inner circle is absolutely

957  
00:33:53,669 --> 00:33:50,880

what goes on it's uh

958  
00:33:55,269 --> 00:33:53,679

overwhelmingly how mr reed got the

959  
00:33:56,070 --> 00:33:55,279

position that he was in you know there

960  
00:33:59,110 --> 00:33:56,080

was

961  
00:34:00,789 --> 00:33:59,120

certainly significant evidence

962  
00:34:02,549 --> 00:34:00,799

that you don't just need my opinion or

963  
00:34:04,310 --> 00:34:02,559

what other people's opinion who told me

964

00:34:07,190 --> 00:34:04,320

but if you just read his his fact sheet

965

00:34:09,109 --> 00:34:07,200

bio which is on the internet um

966

00:34:10,550 --> 00:34:09,119

it seems very impressive to people

967

00:34:12,149 --> 00:34:10,560

because uh

968

00:34:14,310 --> 00:34:12,159

he had a very he had a very lengthy

969

00:34:15,829 --> 00:34:14,320

career in special operations which

970

00:34:18,470 --> 00:34:15,839

in all fairness

971

00:34:20,550 --> 00:34:18,480

uh everybody spoke highly of him during

972

00:34:22,310 --> 00:34:20,560

his time in in military and as a special

973

00:34:23,990 --> 00:34:22,320

operator they had a lot of respect for

974

00:34:25,349 --> 00:34:24,000

him i only

975

00:34:27,750 --> 00:34:25,359

and then something changed when he got

976  
00:34:29,510 --> 00:34:27,760  
to the pentagon and so i i don't know

977  
00:34:31,190 --> 00:34:29,520  
him back then and i've only heard the

978  
00:34:32,629 --> 00:34:31,200  
bulk of what the pentagon but in

979  
00:34:34,149 --> 00:34:32,639  
fairness to

980  
00:34:36,230 --> 00:34:34,159  
and being objective here i heard good

981  
00:34:38,550 --> 00:34:36,240  
things there but if you look at that in

982  
00:34:40,950 --> 00:34:38,560  
terms of positions that he later

983  
00:34:42,950 --> 00:34:40,960  
held and went on to even though it's

984  
00:34:45,909 --> 00:34:42,960  
extremely impressive to be a navy seal

985  
00:34:47,270 --> 00:34:45,919  
or a green beret or an sas operator and

986  
00:34:49,109 --> 00:34:47,280  
and these people are highly trained and

987  
00:34:52,310 --> 00:34:49,119  
highly skilled that doesn't necessarily

988  
00:34:54,069 --> 00:34:52,320

translate into encounter intelligence

989

00:34:55,669 --> 00:34:54,079

executive or counterintelligence field

990

00:34:58,069 --> 00:34:55,679

they're two different ones a trigger

991

00:34:59,910 --> 00:34:58,079

puller and kicking indoors and another

992

00:35:02,230 --> 00:34:59,920

is somebody that's influencing policy

993

00:35:03,829 --> 00:35:02,240

and making decisions and so a great

994

00:35:07,190 --> 00:35:03,839

number of people said he was unqualified

995

00:35:09,030 --> 00:35:07,200

for that and uh a great number um and i

996

00:35:11,670 --> 00:35:09,040

think you can kind of circumstantially

997

00:35:15,109 --> 00:35:11,680

conclude that to be true as you is as

998

00:35:17,510 --> 00:35:15,119

you look at the hierarchy of who was his

999

00:35:19,670 --> 00:35:17,520

boss when he was first hired and who was

1000

00:35:20,950 --> 00:35:19,680

their boss it all becomes the same in

1001  
00:35:22,790 --> 00:35:20,960  
fact all of them were former green

1002  
00:35:24,710 --> 00:35:22,800  
berets all of them were former army

1003  
00:35:26,150 --> 00:35:24,720  
special operations people they all had

1004  
00:35:27,109 --> 00:35:26,160  
worked with each other at certain points

1005  
00:35:27,990 --> 00:35:27,119  
in time

1006  
00:35:30,790 --> 00:35:28,000  
and so

1007  
00:35:33,270 --> 00:35:30,800  
uh could it be said that likewise uh in

1008  
00:35:35,510 --> 00:35:33,280  
carrying on that kind of chain that that

1009  
00:35:37,190 --> 00:35:35,520  
uh gary reed has extended it's it

1010  
00:35:39,829 --> 00:35:37,200  
extended his hand out as he went up the

1011  
00:35:41,990 --> 00:35:39,839  
ladder and pulled up his people uh

1012  
00:35:44,390 --> 00:35:42,000  
absolutely you know and it's probably

1013  
00:35:46,390 --> 00:35:44,400

highly likely

1014

00:35:48,230 --> 00:35:46,400  
with all of that said i think when

1015

00:35:51,910 --> 00:35:48,240  
somebody at this high level position is

1016

00:35:53,910 --> 00:35:51,920  
is ousted from that position of power

1017

00:35:56,950 --> 00:35:53,920  
it certainly sends a message

1018

00:35:58,470 --> 00:35:56,960  
and it's very interesting because

1019

00:36:02,390 --> 00:35:58,480  
there were certain people that i talked

1020

00:36:04,230 --> 00:36:02,400  
to during this who i would say there was

1021

00:36:07,829 --> 00:36:04,240  
a good amount of evidence that they too

1022

00:36:11,190 --> 00:36:07,839  
were a bad actor at times

1023

00:36:12,870 --> 00:36:11,200  
but when the heat was on they blamed him

1024

00:36:15,349 --> 00:36:12,880  
they were like no no he's i'm a victim

1025

00:36:17,829 --> 00:36:15,359  
he's the bad guy he's that guy so

1026

00:36:20,310 --> 00:36:17,839

self pro self preservation and so

1027

00:36:22,230 --> 00:36:20,320

survival often takes over especially in

1028

00:36:23,670 --> 00:36:22,240

a highly political and bureaucratic

1029

00:36:26,790 --> 00:36:23,680

world like this

1030

00:36:28,630 --> 00:36:26,800

and so i think it boils down to uh if

1031

00:36:29,510 --> 00:36:28,640

individuals even individuals who may

1032

00:36:31,750 --> 00:36:29,520

share

1033

00:36:34,950 --> 00:36:31,760

the same kind of uh

1034

00:36:37,349 --> 00:36:34,960

idea that a uap should be looked into b

1035

00:36:39,349 --> 00:36:37,359

elisando's an [h\_\_\h] and you know he

1036

00:36:41,750 --> 00:36:39,359

deserves to be punished if they feel

1037

00:36:44,310 --> 00:36:41,760

like that those views could themselves

1038

00:36:47,109 --> 00:36:44,320

come back on them uh they very likely

1039

00:36:50,870 --> 00:36:47,119

are they're much less likely

1040

00:36:53,109 --> 00:36:50,880

to to act upon them and i think

1041

00:36:55,190 --> 00:36:53,119

by publishing this article

1042

00:36:57,109 --> 00:36:55,200

that that accentuates that the

1043

00:36:59,430 --> 00:36:57,119

realization that not only could could

1044

00:37:01,829 --> 00:36:59,440

that type of thing come out

1045

00:37:04,550 --> 00:37:01,839

publicly but as we already know this is

1046

00:37:06,230 --> 00:37:04,560

a issue that congress has been willing

1047

00:37:07,829 --> 00:37:06,240

to speak on publicly and pass

1048

00:37:09,030 --> 00:37:07,839

legislation on so you know that

1049

00:37:11,109 --> 00:37:09,040

lawmakers

1050

00:37:12,550 --> 00:37:11,119

i would say that for anybody remaining

1051

00:37:14,390 --> 00:37:12,560

in those positions

1052

00:37:16,630 --> 00:37:14,400

they would have to know going into it

1053

00:37:18,630 --> 00:37:16,640

that it could be

1054

00:37:22,550 --> 00:37:18,640

it could be very bad for them if they

1055

00:37:26,069 --> 00:37:22,560

were bound out to be just continuing on

1056

00:37:28,069 --> 00:37:26,079

um was the aoi msg an effort many saw as

1057

00:37:30,150 --> 00:37:28,079

a cynical response to the gillibrand

1058

00:37:32,870 --> 00:37:30,160

amendment which many saw as progression

1059

00:37:35,430 --> 00:37:32,880

in the subject of ufos uaps something

1060

00:37:38,950 --> 00:37:35,440

that gary reid did and encouraged to to

1061

00:37:57,030 --> 00:37:40,069

i

1062

00:38:00,150 --> 00:37:57,040

as we all know came two weeks you know

1063

00:38:02,870 --> 00:38:00,160

after the gila brown amendment was uh

1064

00:38:06,630 --> 00:38:02,880

was proposed and so this is you know

1065

00:38:08,870 --> 00:38:06,640

absolutely a way of getting ahead of it

1066

00:38:11,030 --> 00:38:08,880

before it passed to say so when it

1067

00:38:13,270 --> 00:38:11,040

passed it's you know it sets this

1068

00:38:14,790 --> 00:38:13,280

condition that outwardly looks like once

1069

00:38:16,390 --> 00:38:14,800

it's passed hey we've already got it

1070

00:38:19,270 --> 00:38:16,400

here you know we're ahead of the curve

1071

00:38:21,270 --> 00:38:19,280

we're on board with you um that's just

1072

00:38:24,230 --> 00:38:21,280

not the attitude and disposition that

1073

00:38:26,550 --> 00:38:24,240

you see with the dod particularly when

1074

00:38:28,470 --> 00:38:26,560

uh you're talking about an entirely new

1075

00:38:30,870 --> 00:38:28,480

program office that hasn't existed

1076

00:38:33,190 --> 00:38:30,880

before if they didn't start it up long

1077

00:38:34,310 --> 00:38:33,200

before now the idea of congress forcing

1078

00:38:37,190 --> 00:38:34,320

them to is not something they're going

1079

00:38:38,710 --> 00:38:37,200

to be happy with and so uh

1080

00:38:40,550 --> 00:38:38,720

i would say absolutely that was that was

1081

00:38:42,390 --> 00:38:40,560

an attempt to get ahead of that

1082

00:38:45,190 --> 00:38:42,400

amendment and make sure that they had a

1083

00:38:47,670 --> 00:38:45,200

way to influence it and ensure that

1084

00:38:48,390 --> 00:38:47,680

how it was maintained how it was run was

1085

00:38:51,829 --> 00:38:48,400

was

1086

00:38:54,230 --> 00:38:51,839

how they wanted it and uh you know i

1087

00:38:56,150 --> 00:38:54,240

know for a fact that the gary reed was

1088

00:38:58,230 --> 00:38:56,160

assigned he was the executive secretary

1089

00:39:01,349 --> 00:38:58,240

so he was the top of that

1090

00:39:03,270 --> 00:39:01,359

pyramid there uh at that office uh up

1091

00:39:04,310 --> 00:39:03,280

until his his removal

1092

00:39:05,829 --> 00:39:04,320

and so

1093

00:39:07,670 --> 00:39:05,839

again it would just would have you know

1094

00:39:10,230 --> 00:39:07,680

that i highlighted that in the article

1095

00:39:12,069 --> 00:39:10,240

and because i think that that is a

1096

00:39:13,750 --> 00:39:12,079

a point that people both the public and

1097

00:39:16,310 --> 00:39:13,760

congress should be aware of because we

1098

00:39:17,750 --> 00:39:16,320

know that both both public and congress

1099

00:39:19,910 --> 00:39:17,760

were saying this is an issue they wanted

1100

00:39:22,390 --> 00:39:19,920

to see taken seriously

1101  
00:39:24,470 --> 00:39:22,400  
uh and and behind the scenes so even

1102  
00:39:26,069 --> 00:39:24,480  
when you had the uap task force at the

1103  
00:39:27,990 --> 00:39:26,079  
end of the day top of that pyramid was

1104  
00:39:29,270 --> 00:39:28,000  
always gary reed and this was somebody

1105  
00:39:31,109 --> 00:39:29,280  
who

1106  
00:39:35,589 --> 00:39:31,119  
there's certainly

1107  
00:39:37,589 --> 00:39:35,599  
hard brass tack information to show that

1108  
00:39:38,710 --> 00:39:37,599  
there's misconduct there

1109  
00:39:40,470 --> 00:39:38,720  
he'd even been found guilty of

1110  
00:39:42,069 --> 00:39:40,480  
misconduct there

1111  
00:39:43,510 --> 00:39:42,079  
but then there's also a lot of other

1112  
00:39:45,990 --> 00:39:43,520  
supplementary information to say that

1113  
00:39:47,750 --> 00:39:46,000

the topic of uap and in particular luis

1114

00:39:50,069 --> 00:39:47,760

delazanto was something he was

1115

00:39:51,670 --> 00:39:50,079

antagonistic towards so you have to ask

1116

00:39:52,870 --> 00:39:51,680

yourself are you going to be successful

1117

00:39:55,910 --> 00:39:52,880

when you've got

1118

00:39:59,270 --> 00:39:55,920

the same person who's uh compromising

1119

00:40:00,230 --> 00:39:59,280

their position running this and um

1120

00:40:01,990 --> 00:40:00,240

you know

1121

00:40:03,670 --> 00:40:02,000

even if it uh

1122

00:40:05,670 --> 00:40:03,680

you take out a lot of those things and

1123

00:40:07,829 --> 00:40:05,680

just look at the misconduct uh are you

1124

00:40:09,109 --> 00:40:07,839

gonna have an effective office run or is

1125

00:40:10,790 --> 00:40:09,119

it gonna be run under the same manner

1126  
00:40:12,309 --> 00:40:10,800  
that we saw with the afghanistan review

1127  
00:40:14,230 --> 00:40:12,319  
withdrawal something that they knew was

1128  
00:40:16,630 --> 00:40:14,240  
going to be very public so

1129  
00:40:18,150 --> 00:40:16,640  
uh to answer that i'd say i'd say yes it

1130  
00:40:20,870 --> 00:40:18,160  
was an attempt to try to get ahead of it

1131  
00:40:24,150 --> 00:40:20,880  
and control it and um

1132  
00:40:27,510 --> 00:40:24,160  
it just sends an interesting message on

1133  
00:40:29,670 --> 00:40:27,520  
that now for him to be ousted

1134  
00:40:30,390 --> 00:40:29,680  
how important is this development for

1135  
00:40:32,630 --> 00:40:30,400  
you

1136  
00:40:34,870 --> 00:40:32,640  
for those of us with an interest in ufos

1137  
00:40:36,630 --> 00:40:34,880  
and pushing the topic forward

1138  
00:40:38,950 --> 00:40:36,640

or not the topic but the progression

1139

00:40:39,910 --> 00:40:38,960

within government

1140

00:40:41,030 --> 00:40:39,920

um

1141

00:40:42,069 --> 00:40:41,040

you know

1142

00:40:43,589 --> 00:40:42,079

it's one of these things where i'm

1143

00:40:44,870 --> 00:40:43,599

always temporary i'll just say well time

1144

00:40:47,510 --> 00:40:44,880

will tell

1145

00:40:50,150 --> 00:40:47,520

uh i would say at face value at this

1146

00:40:52,069 --> 00:40:50,160

point uh you know it's pretty stunning

1147

00:40:53,349 --> 00:40:52,079

to see somebody in this level position

1148

00:40:55,190 --> 00:40:53,359

be be

1149

00:40:56,870 --> 00:40:55,200

removed

1150

00:40:59,990 --> 00:40:56,880

and um

1151  
00:41:03,270 --> 00:41:00,000  
you know that alone is really shocking

1152  
00:41:06,390 --> 00:41:03,280  
you typically just don't see that happen

1153  
00:41:08,069 --> 00:41:06,400  
and so that alone i would say

1154  
00:41:11,910 --> 00:41:08,079  
there's definitely the potential there

1155  
00:41:13,670 --> 00:41:11,920  
for it to be positive uh it's just hard

1156  
00:41:15,349 --> 00:41:13,680  
from it's hard for me to really

1157  
00:41:17,670 --> 00:41:15,359  
speculate and say

1158  
00:41:19,270 --> 00:41:17,680  
it's going to be super great news in

1159  
00:41:20,790 --> 00:41:19,280  
particular for your listeners who are

1160  
00:41:22,470 --> 00:41:20,800  
really interested in the uap topic

1161  
00:41:24,309 --> 00:41:22,480  
because i don't know

1162  
00:41:25,910 --> 00:41:24,319  
we don't know as of yet who's going to

1163  
00:41:27,910 --> 00:41:25,920

take his position

1164

00:41:29,990 --> 00:41:27,920

we don't know if the person who takes

1165

00:41:32,230 --> 00:41:30,000

his position will

1166

00:41:34,710 --> 00:41:32,240

view that his ousting review the

1167

00:41:36,309 --> 00:41:34,720

influence that uap topic had on it how

1168

00:41:38,630 --> 00:41:36,319

significant it was

1169

00:41:39,589 --> 00:41:38,640

outside of the fact that i think that

1170

00:41:40,309 --> 00:41:39,599

the

1171

00:41:41,829 --> 00:41:40,319

uh

1172

00:41:44,470 --> 00:41:41,839

the the people who are interested in the

1173

00:41:46,630 --> 00:41:44,480

uap topic the ufo twitter you know your

1174

00:41:48,710 --> 00:41:46,640

listeners have have overwhelmingly

1175

00:41:49,910 --> 00:41:48,720

demonstrated from an international

1176

00:41:51,589 --> 00:41:49,920

audience

1177

00:41:53,109 --> 00:41:51,599

you know over the last couple years that

1178

00:41:54,630 --> 00:41:53,119

this is something that they want to see

1179

00:41:57,430 --> 00:41:54,640

taken seriously and they're going to

1180

00:42:00,630 --> 00:41:57,440

continue to ask questions and push and

1181

00:42:02,470 --> 00:42:00,640

and force the issue and so therefore

1182

00:42:03,750 --> 00:42:02,480

anybody going into that

1183

00:42:06,870 --> 00:42:03,760

is gonna come

1184

00:42:08,710 --> 00:42:06,880

you know that even if uh you know if

1185

00:42:10,870 --> 00:42:08,720

you're going to try to close that office

1186

00:42:13,270 --> 00:42:10,880

down or or come out with your own

1187

00:42:15,430 --> 00:42:13,280

version of the condon report and say

1188

00:42:17,670 --> 00:42:15,440

that there's nothing to it i think that

1189

00:42:18,870 --> 00:42:17,680

they recognize that they would have to

1190

00:42:21,430 --> 00:42:18,880

provide

1191

00:42:23,510 --> 00:42:21,440

significant information to substantiate

1192

00:42:26,230 --> 00:42:23,520

that or congress and the public is not

1193

00:42:27,750 --> 00:42:26,240

going to be happy with that conclusion

1194

00:42:30,069 --> 00:42:27,760

i want to finish on just a couple of

1195

00:42:32,790 --> 00:42:30,079

listener questions with you tim the

1196

00:42:34,550 --> 00:42:32,800

first up from nathan is there any impact

1197

00:42:37,270 --> 00:42:34,560

to louise elizondo's potential

1198

00:42:40,150 --> 00:42:37,280

re-engagement with the uap task force or

1199

00:42:42,710 --> 00:42:40,160

aoi msg whichever kind of ends up taking

1200

00:42:47,670 --> 00:42:44,950

yeah honestly i don't know

1201  
00:42:49,030 --> 00:42:47,680  
uh you know i know uh you know some

1202  
00:42:50,950 --> 00:42:49,040  
people have wondered that particularly

1203  
00:42:53,829 --> 00:42:50,960  
because christopher mellon wrote an

1204  
00:42:56,630 --> 00:42:53,839  
op-ed you know at the end of last year

1205  
00:42:59,190 --> 00:42:56,640  
um to that effect why has he not

1206  
00:43:01,829 --> 00:42:59,200  
got his job back that kind of thing and

1207  
00:43:03,589 --> 00:43:01,839  
so you know with the person who who

1208  
00:43:05,430 --> 00:43:03,599  
definitely appears to be the biggest

1209  
00:43:07,430 --> 00:43:05,440  
antagonist against him both personally

1210  
00:43:09,030 --> 00:43:07,440  
in the topic could he receive his job

1211  
00:43:11,670 --> 00:43:09,040  
back i

1212  
00:43:13,589 --> 00:43:11,680  
i don't

1213  
00:43:15,510 --> 00:43:13,599

um

1214

00:43:17,349 --> 00:43:15,520

i honestly don't know and i'll tell you

1215

00:43:19,510 --> 00:43:17,359

i'll extend that and give you my opinion

1216

00:43:20,950 --> 00:43:19,520

andy yeah please

1217

00:43:23,670 --> 00:43:20,960

and whether i think that would be a good

1218

00:43:27,510 --> 00:43:23,680

thing or not and this is absolutely zero

1219

00:43:28,710 --> 00:43:27,520

disrespect to to luis elizondo or

1220

00:43:32,309 --> 00:43:28,720

anybody that would differ in that

1221

00:43:33,430 --> 00:43:32,319

opinion in my opinion i do not think it

1222

00:43:36,150 --> 00:43:33,440

would be

1223

00:43:38,829 --> 00:43:36,160

in everybody's best interest if lou was

1224

00:43:41,990 --> 00:43:38,839

reinstated in that position simply

1225

00:43:43,829 --> 00:43:42,000

because uh i think for a lot of people

1226

00:43:45,589 --> 00:43:43,839

and it's particularly a lot of people

1227

00:43:46,470 --> 00:43:45,599

who are critical of the topic or or

1228

00:43:48,069 --> 00:43:46,480

maybe

1229

00:43:49,430 --> 00:43:48,079

uh you know very

1230

00:43:50,950 --> 00:43:49,440

skeptical

1231

00:43:53,109 --> 00:43:50,960

of this is something even needs to be

1232

00:43:55,589 --> 00:43:53,119

looked into we already know lou's

1233

00:43:57,910 --> 00:43:55,599

position we already know uh his feelings

1234

00:43:59,829 --> 00:43:57,920

on the topic i think it would be it's

1235

00:44:02,390 --> 00:43:59,839

much more impactful

1236

00:44:05,990 --> 00:44:02,400

to find somebody who is willing to

1237

00:44:07,109 --> 00:44:06,000

objectively look at it legitimately uh

1238

00:44:08,870 --> 00:44:07,119

that

1239

00:44:10,630 --> 00:44:08,880

their credentials there

1240

00:44:12,710 --> 00:44:10,640

they are beyond repute

1241

00:44:14,230 --> 00:44:12,720

you know they are uh

1242

00:44:15,589 --> 00:44:14,240

trustworthy we know that they are

1243

00:44:17,829 --> 00:44:15,599

they're willing to do it because i think

1244

00:44:20,550 --> 00:44:17,839

at the end of the day if you're going to

1245

00:44:23,670 --> 00:44:20,560

come out with uh any type of evidence or

1246

00:44:25,510 --> 00:44:23,680

any kind of statement that could have

1247

00:44:27,589 --> 00:44:25,520

significant implications or

1248

00:44:29,430 --> 00:44:27,599

ramifications i think if you've got

1249

00:44:30,710 --> 00:44:29,440

somebody there that's coming into touch

1250

00:44:32,630 --> 00:44:30,720

with those kind of dentists that's going

1251  
00:44:35,829 --> 00:44:32,640  
to carry so much more weight and again

1252  
00:44:37,829 --> 00:44:35,839  
that's not a slight at louis

1253  
00:44:40,309 --> 00:44:37,839  
he was doing it for years and he

1254  
00:44:43,750 --> 00:44:40,319  
absolutely could i'm more considering on

1255  
00:44:45,510 --> 00:44:43,760  
the idea of uh you know how successful

1256  
00:44:47,670 --> 00:44:45,520  
can the office be and and when they

1257  
00:44:49,910 --> 00:44:47,680  
reach out for resources or help if

1258  
00:44:51,270 --> 00:44:49,920  
you've got somebody that that has a

1259  
00:44:53,349 --> 00:44:51,280  
background that

1260  
00:44:54,790 --> 00:44:53,359  
doesn't have a ufo background

1261  
00:44:56,309 --> 00:44:54,800  
established

1262  
00:44:58,150 --> 00:44:56,319  
i liken it maybe to how when they

1263  
00:44:59,750 --> 00:44:58,160

brought in jail and heineck when he came

1264

00:45:01,030 --> 00:44:59,760

into blue book you know he did not you

1265

00:45:03,990 --> 00:45:01,040

know he was an astronomer he was an

1266

00:45:06,150 --> 00:45:04,000

academic he did not have a ufo interest

1267

00:45:07,109 --> 00:45:06,160

and so when he

1268

00:45:08,870 --> 00:45:07,119

kind of

1269

00:45:10,710 --> 00:45:08,880

suddenly after looking at it all started

1270

00:45:13,270 --> 00:45:10,720

to believe there was something to that

1271

00:45:15,589 --> 00:45:13,280

to me that's more impactful because

1272

00:45:18,069 --> 00:45:15,599

they're coming into it without

1273

00:45:20,390 --> 00:45:18,079

already having that information uh all

1274

00:45:22,630 --> 00:45:20,400

of that said that do i think that that

1275

00:45:24,550 --> 00:45:22,640

louis lozando should be involved in it

1276

00:45:26,309 --> 00:45:24,560

you know absolutely it seems where he's

1277

00:45:28,870 --> 00:45:26,319

already been involved for years he

1278

00:45:31,030 --> 00:45:28,880

already has a lot of background in it so

1279

00:45:32,950 --> 00:45:31,040

uh you know if i was that person running

1280

00:45:34,470 --> 00:45:32,960

that office coming in as that objective

1281

00:45:37,349 --> 00:45:34,480

person i certainly would want him

1282

00:45:38,870 --> 00:45:37,359

involved in some capacity regardless

1283

00:45:41,270 --> 00:45:38,880

i don't think louie would see that as a

1284

00:45:43,190 --> 00:45:41,280

slate at all because he himself when he

1285

00:45:45,670 --> 00:45:43,200

went into his position what was that

1286

00:45:48,069 --> 00:45:45,680

person wasn't he he went into his role

1287

00:45:49,829 --> 00:45:48,079

with no ufo you know

1288

00:45:51,430 --> 00:45:49,839

love or background i mean he only saw

1289

00:45:53,589 --> 00:45:51,440

close encounters of the third kind last

1290

00:45:55,349 --> 00:45:53,599

year you know that that was that he went

1291

00:45:56,950 --> 00:45:55,359

in with that open mind and he was that

1292

00:45:58,790 --> 00:45:56,960

person of let's take a look at this is

1293

00:45:59,910 --> 00:45:58,800

there something to it and he's come out

1294

00:46:01,990 --> 00:45:59,920

as he's come out so you're almost

1295

00:46:03,270 --> 00:46:02,000

looking for the the next luella's undo

1296

00:46:05,030 --> 00:46:03,280

potentially because what you hope

1297

00:46:07,589 --> 00:46:05,040

happens is they go in with that

1298

00:46:09,910 --> 00:46:07,599

objective background that dr jaylen

1299

00:46:11,670 --> 00:46:09,920

heineck background and they realize or

1300

00:46:14,069 --> 00:46:11,680

something to it and and that pushes

1301  
00:46:14,870 --> 00:46:14,079  
things forward hopefully hopefully sure

1302  
00:46:16,630 --> 00:46:14,880  
um

1303  
00:46:18,870 --> 00:46:16,640  
two more questions tim then we can wrap

1304  
00:46:21,829 --> 00:46:18,880  
up um this one i'll

1305  
00:46:24,069 --> 00:46:21,839  
i'll read um pretty much verbatim j5

1306  
00:46:25,670 --> 00:46:24,079  
alive says as an american whose taxis

1307  
00:46:27,910 --> 00:46:25,680  
are paying for all these ridiculous

1308  
00:46:29,589 --> 00:46:27,920  
morons in our government how many more

1309  
00:46:31,430 --> 00:46:29,599  
do you believe there are how can we get

1310  
00:46:33,670 --> 00:46:31,440  
rid of them how much your ufo

1311  
00:46:38,470 --> 00:46:33,680  
information do you think is being

1312  
00:46:43,190 --> 00:46:40,950  
the latter part i would say a lot

1313  
00:46:45,670 --> 00:46:43,200

you know a lot of information at a

1314

00:46:47,430 --> 00:46:45,680

multitude of levels not just high levels

1315

00:46:49,910 --> 00:46:47,440

so do you see a uh

1316

00:46:53,349 --> 00:46:49,920

obstruction of information being

1317

00:46:55,910 --> 00:46:53,359

released videos or reports and that type

1318

00:46:58,630 --> 00:46:55,920

of thing i think that indeed that

1319

00:47:00,710 --> 00:46:58,640

occurs uh but then i think there's also

1320

00:47:02,790 --> 00:47:00,720

the obstruction in the

1321

00:47:04,230 --> 00:47:02,800

um setting the tone of this is something

1322

00:47:06,069 --> 00:47:04,240

that you don't want to report or if you

1323

00:47:07,829 --> 00:47:06,079

do film it on your your your sensors or

1324

00:47:09,990 --> 00:47:07,839

whatever just erase that like it's not

1325

00:47:11,430 --> 00:47:10,000

something we keep around don't you know

1326

00:47:13,349 --> 00:47:11,440

don't keep it around so there's there's

1327

00:47:15,990 --> 00:47:13,359

two kind of faults there

1328

00:47:16,950 --> 00:47:16,000

in terms of how many people uh

1329

00:47:19,109 --> 00:47:16,960

yeah

1330

00:47:22,230 --> 00:47:19,119

i don't know you know certainly gary

1331

00:47:23,190 --> 00:47:22,240

reed is not the first nor last um and

1332

00:47:25,750 --> 00:47:23,200

you know

1333

00:47:27,030 --> 00:47:25,760

it's uh i can't stress enough that in my

1334

00:47:28,710 --> 00:47:27,040

experience

1335

00:47:30,710 --> 00:47:28,720

it is almost uh

1336

00:47:32,630 --> 00:47:30,720

always in the worst situations the

1337

00:47:35,270 --> 00:47:32,640

behavior of the people who are in power

1338

00:47:37,670 --> 00:47:35,280

and able to to get away with them and do

1339

00:47:40,390 --> 00:47:37,680

them the people that are at the next

1340

00:47:42,790 --> 00:47:40,400

level below so even in senior positions

1341

00:47:44,630 --> 00:47:42,800

such as like where lou elizondo was in

1342

00:47:47,670 --> 00:47:44,640

the u.s government's called gs general

1343

00:47:50,630 --> 00:47:47,680

service employees uh instead of ses sec

1344

00:47:53,190 --> 00:47:50,640

uh senior executive service employees so

1345

00:47:55,190 --> 00:47:53,200

at the gs level and below uh you know my

1346

00:47:56,950 --> 00:47:55,200

experience is these are people who who

1347

00:47:58,549 --> 00:47:56,960

are wholly you know committed to their

1348

00:48:00,470 --> 00:47:58,559

job do their job

1349

00:48:02,069 --> 00:48:00,480

um do their job well

1350

00:48:03,430 --> 00:48:02,079

um they

1351

00:48:05,589 --> 00:48:03,440

want to do a good job and they're

1352

00:48:07,349 --> 00:48:05,599

focused on that and then it's usually

1353

00:48:10,390 --> 00:48:07,359

the upper level that you get past where

1354

00:48:12,390 --> 00:48:10,400

people get either drunk on power or

1355

00:48:14,870 --> 00:48:12,400

they start getting interested in all

1356

00:48:15,990 --> 00:48:14,880

sorts of other things and in mr reed's

1357

00:48:18,069 --> 00:48:16,000

case uh

1358

00:48:20,390 --> 00:48:18,079

women seem to be a pretty big vice of

1359

00:48:22,309 --> 00:48:20,400

his um

1360

00:48:24,069 --> 00:48:22,319

and that's where you start to see this

1361

00:48:25,990 --> 00:48:24,079

this type of behavior

1362

00:48:29,109 --> 00:48:26,000

and i you know

1363

00:48:31,589 --> 00:48:29,119

how can you how can you you

1364

00:48:34,309 --> 00:48:31,599

help continue to eradicate that i think

1365

00:48:35,750 --> 00:48:34,319

it is you know doing what people have

1366

00:48:37,829 --> 00:48:35,760

been doing or doing what we're doing

1367

00:48:39,109 --> 00:48:37,839

which is looking into it thoroughly

1368

00:48:40,790 --> 00:48:39,119

trying to investigate it trying to bring

1369

00:48:41,910 --> 00:48:40,800

light to it and trying to bring light to

1370

00:48:43,829 --> 00:48:41,920

it behind

1371

00:48:45,990 --> 00:48:43,839

uh you know with facts that can

1372

00:48:47,670 --> 00:48:46,000

substantiate that you know reid was

1373

00:48:49,589 --> 00:48:47,680

dismissed from that position

1374

00:48:51,190 --> 00:48:49,599

just prior to our publication but had he

1375

00:48:53,270 --> 00:48:51,200

not been we were still going to publish

1376

00:48:55,030 --> 00:48:53,280

this but you know

1377

00:48:58,230 --> 00:48:55,040

in my opinion that's kind of how you go

1378

00:49:00,710 --> 00:48:58,240

about it is uh you can't just say

1379

00:49:02,390 --> 00:49:00,720

you know they're senior people who are

1380

00:49:04,150 --> 00:49:02,400

blocking this effort they're seeing your

1381

00:49:05,990 --> 00:49:04,160

people who are just corrupt

1382

00:49:07,670 --> 00:49:06,000

you're going to have to actually

1383

00:49:09,349 --> 00:49:07,680

you got to identify who those people are

1384

00:49:13,430 --> 00:49:09,359

and and you've got to have that evidence

1385

00:49:14,470 --> 00:49:13,440

to hand out to back up that accusation

1386

00:49:16,309 --> 00:49:14,480

and

1387

00:49:19,589 --> 00:49:16,319

if you're able to do that kind of stuff

1388

00:49:21,109 --> 00:49:19,599

then uh there's nothing the um the the

1389

00:49:22,470 --> 00:49:21,119

government at any level so whether it's

1390

00:49:25,109 --> 00:49:22,480

department of defense whether it's the

1391

00:49:26,069 --> 00:49:25,119

uk the united states wherever uh there's

1392

00:49:29,589 --> 00:49:26,079

nothing they hate more than

1393

00:49:31,990 --> 00:49:29,599

embarrassment and negative publicity and

1394

00:49:34,870 --> 00:49:32,000

and i think uh in that regard that's

1395

00:49:38,069 --> 00:49:34,880

very likely what um

1396

00:49:39,750 --> 00:49:38,079

is influencing kind of the current uh

1397

00:49:41,589 --> 00:49:39,760

unwillingness to want to describe the

1398

00:49:43,270 --> 00:49:41,599

situation mr reed is currently facing

1399

00:49:44,790 --> 00:49:43,280

himself in and even give background

1400

00:49:46,309 --> 00:49:44,800

quotes that uh

1401  
00:49:47,910 --> 00:49:46,319  
he's still in that current position

1402  
00:49:50,069 --> 00:49:47,920  
because it's extremely embarrassing it

1403  
00:49:52,710 --> 00:49:50,079  
is embarrassing to have your senior

1404  
00:49:55,349 --> 00:49:52,720  
counter intelligence person

1405  
00:49:58,069 --> 00:49:55,359  
misbehaving engaging all this and from

1406  
00:49:59,750 --> 00:49:58,079  
that field be a huge counterintelligence

1407  
00:50:01,190 --> 00:49:59,760  
risk i think that's important you know

1408  
00:50:02,870 --> 00:50:01,200  
he's a huge risk

1409  
00:50:04,150 --> 00:50:02,880  
russia waves a hot girl and a short

1410  
00:50:06,549 --> 00:50:04,160  
skirt in front of him and the next thing

1411  
00:50:08,710 --> 00:50:06,559  
you know um here we go the secrets so

1412  
00:50:11,430 --> 00:50:08,720  
it's really an embarrassing

1413  
00:50:13,190 --> 00:50:11,440

info and um

1414

00:50:15,190 --> 00:50:13,200

you know that that's the best advice i

1415

00:50:18,069 --> 00:50:15,200

can give is um

1416

00:50:19,270 --> 00:50:18,079

it's not easy but uh you know there are

1417

00:50:21,829 --> 00:50:19,280

people that are in government or people

1418

00:50:23,510 --> 00:50:21,839

that know people and you know if they

1419

00:50:25,670 --> 00:50:23,520

make complaints whether it's me the

1420

00:50:27,670 --> 00:50:25,680

debrief or any other reporter and they

1421

00:50:29,750 --> 00:50:27,680

can do that anonymously and are able to

1422

00:50:32,069 --> 00:50:29,760

substantiate those claims then they

1423

00:50:33,750 --> 00:50:32,079

should be followed up on and if they're

1424

00:50:35,910 --> 00:50:33,760

significant like we see here that

1425

00:50:38,230 --> 00:50:35,920

information needs to be put out there

1426

00:50:40,710 --> 00:50:38,240

that's the best way

1427

00:50:43,510 --> 00:50:40,720

and final question from dave the rumored

1428

00:50:45,990 --> 00:50:43,520

new head of the aoi msg is air force

1429

00:50:47,829 --> 00:50:46,000

major general aaron m prupass

1430

00:50:49,910 --> 00:50:47,839

does tim think that reid would have had

1431

00:50:51,910 --> 00:50:49,920

anything to do with this appointment and

1432

00:50:55,030 --> 00:50:51,920

please tell me he's not one of the demon

1433

00:50:57,109 --> 00:50:55,040

faring air force crew

1434

00:50:59,349 --> 00:50:57,119

i really don't know a lot about him and

1435

00:51:00,630 --> 00:50:59,359

i mentioned in the article that is that

1436

00:51:03,510 --> 00:51:00,640

is my

1437

00:51:05,430 --> 00:51:03,520

uh speculation that he's taken over

1438

00:51:06,549 --> 00:51:05,440

kind of the executive role in that

1439

00:51:09,190 --> 00:51:06,559

position

1440

00:51:11,030 --> 00:51:09,200

i know that he was a part of that office

1441

00:51:13,430 --> 00:51:11,040

prior to this so therefore assuming they

1442

00:51:15,430 --> 00:51:13,440

still part of that office and it

1443

00:51:19,349 --> 00:51:15,440

absolutely would make sense because he

1444

00:51:21,349 --> 00:51:19,359

is the um he's the military counterpart

1445

00:51:23,270 --> 00:51:21,359

to to read where reed was the defense

1446

00:51:25,910 --> 00:51:23,280

director of counterintelligence and

1447

00:51:28,470 --> 00:51:25,920

security he is the defense director for

1448

00:51:30,390 --> 00:51:28,480

warfighter so the military side so that

1449

00:51:32,069 --> 00:51:30,400

that kind of makes sense for me but you

1450

00:51:32,950 --> 00:51:32,079

will see a civilian come in at some

1451  
00:51:36,710 --> 00:51:32,960  
point

1452  
00:51:40,710 --> 00:51:36,720  
uh and i really i don't know a lot about

1453  
00:51:42,470 --> 00:51:40,720  
him um in that regard so i don't know uh

1454  
00:51:43,430 --> 00:51:42,480  
what his feelings are on the topic i

1455  
00:51:44,309 --> 00:51:43,440  
don't know

1456  
00:51:47,510 --> 00:51:44,319  
um

1457  
00:51:49,510 --> 00:51:47,520  
what his his religio religious flavor is

1458  
00:51:50,630 --> 00:51:49,520  
and in fact to the to the extent is i

1459  
00:51:55,190 --> 00:51:50,640  
don't know

1460  
00:51:57,510 --> 00:51:55,200  
aversion towards the topic was ever an

1461  
00:51:59,030 --> 00:51:57,520  
influence for gary reid as well

1462  
00:52:00,309 --> 00:51:59,040  
nobody ever said nobody ever described

1463  
00:52:01,670 --> 00:52:00,319

him as being

1464

00:52:03,270 --> 00:52:01,680

and his behavior didn't seem very

1465

00:52:06,309 --> 00:52:03,280

religious but

1466

00:52:09,190 --> 00:52:06,319

uh i it's still

1467

00:52:11,829 --> 00:52:09,200

a mystery you know it's still quite a

1468

00:52:12,950 --> 00:52:11,839

mystery and so it's either i would say

1469

00:52:15,109 --> 00:52:12,960

that the

1470

00:52:17,430 --> 00:52:15,119

in my opinion the most likely outcomes

1471

00:52:20,069 --> 00:52:17,440

are is this gentleman is either somebody

1472

00:52:21,430 --> 00:52:20,079

who's openly curious objective and like

1473

00:52:25,589 --> 00:52:21,440

hey this is interesting let's take a

1474

00:52:27,910 --> 00:52:25,599

look at it or he's somebody who has uh

1475

00:52:29,430 --> 00:52:27,920

he's reached his second star and whether

1476

00:52:31,190 --> 00:52:29,440

he'll reach a third star or not i don't

1477

00:52:33,589 --> 00:52:31,200

know and he may just be like you know i

1478

00:52:35,990 --> 00:52:33,599

i don't want i want out of this

1479

00:52:38,309 --> 00:52:36,000

i don't want to deal with this because

1480

00:52:41,190 --> 00:52:38,319

uh it's just such a it's such a hot

1481

00:52:43,190 --> 00:52:41,200

topic hot button topic and and i've

1482

00:52:45,589 --> 00:52:43,200

mentioned that before

1483

00:52:47,829 --> 00:52:45,599

that uh not saying it's right but saying

1484

00:52:50,950 --> 00:52:47,839

can i see situations in which you can

1485

00:52:52,549 --> 00:52:50,960

have people um

1486

00:52:53,990 --> 00:52:52,559

who have reached their first second

1487

00:52:55,270 --> 00:52:54,000

third star they've reached really the

1488

00:52:56,790 --> 00:52:55,280

pinnacle of their career which is

1489

00:52:59,190 --> 00:52:56,800

something that they have been preparing

1490

00:53:00,790 --> 00:52:59,200

for going back to high school you know

1491

00:53:02,549 --> 00:53:00,800

they go to west point in college like

1492

00:53:05,030 --> 00:53:02,559

they've been preparing for this and you

1493

00:53:07,750 --> 00:53:05,040

hand them this portfolio and even if

1494

00:53:09,750 --> 00:53:07,760

it's got uh it can have the

1495

00:53:13,109 --> 00:53:09,760

the crash materials and the bodies but

1496

00:53:17,829 --> 00:53:15,750

yeah i don't want to be that guy

1497

00:53:19,589 --> 00:53:17,839

i don't wanna like i just want to i've

1498

00:53:21,109 --> 00:53:19,599

reached the top of my field i got a

1499

00:53:23,510 --> 00:53:21,119

couple more years and i'm out of here

1500

00:53:25,270 --> 00:53:23,520

and i don't want to be that guy and hand

1501

00:53:27,349 --> 00:53:25,280

it it sounds really crazy and

1502

00:53:29,750 --> 00:53:27,359

interesting and it's important make sure

1503

00:53:31,589 --> 00:53:29,760

to let the next guy know who sits in

1504

00:53:33,430 --> 00:53:31,599

this chair and could i see that happen

1505

00:53:35,990 --> 00:53:33,440

sure do i know for a fact that has

1506

00:53:37,829 --> 00:53:36,000

happened no

1507

00:53:39,670 --> 00:53:37,839

tim the article was wonderful i would

1508

00:53:42,150 --> 00:53:39,680

encourage people to go and check out sex

1509

00:53:44,309 --> 00:53:42,160

lies and ufos the article link is in the

please get in touch on twitter facebook

1530

00:54:28,030 --> 00:54:26,319

instagram that ufo podcast of course on

1531

00:54:31,270 --> 00:54:28,040

twitter it's at

1532

00:54:32,790 --> 00:54:31,280

ufouapam and again folks as always keep

1533

00:54:34,620 --> 00:54:32,800

looking up you never know what you might

1534

00:54:55,030 --> 00:54:34,630

see

1535

00:54:55,040 --> 00:55:01,740

is

1536

00:55:01,750 --> 00:55:10,710

[Music]

1537

00:55:13,829 --> 00:55:12,150

i can't imagine how it could have been

1538

00:55:24,380 --> 00:55:13,839

any better i got to the top of the

1539

00:55:24,390 --> 00:55:33,190

[Music]

1540

00:55:36,630 --> 00:55:34,950

was weird and everything was red i

1541

00:55:40,800 --> 00:55:36,640

helped my boys they thought this was

1542

00:55:40,810 --> 00:55:59,910

[Music]

1543

00:55:59,920 --> 00:56:05,290

and what's that

1544

00:56:05,300 --> 00:56:09,829

[Music]

1545

00:56:09,839 --> 00:56:15,270

for being

1546

00:56:15,280 --> 00:56:19,700

consider your serious

1547

00:56:42,830 --> 00:56:32,400

[Music]

1548

00:56:53,220 --> 00:56:42,840

it wasn't a tic-tac

1549

00:57:04,710 --> 00:57:02,870

[Music]

1550

00:57:13,850 --> 00:57:04,720

it's very smooth

1551

00:57:20,020 --> 00:57:17,510

[Music]

1552

00:57:28,870 --> 00:57:20,030

so

1553

00:57:28,880 --> 00:57:33,850

thank you
