'SEX, LIES, AND UFOS' - THE DEBRIEF

1
00:00:07,190 --> 00:00:04,390
you know we tried to clarify has he

2
00:00:08,230 --> 00:00:07,200
resigned has he been placed on leave has

3
00:00:09,990 --> 00:00:08,240
he been dismissed of his

4
00:00:11,430 --> 00:00:10,000
responsibilities which is ultimately

5
00:00:13,830 --> 00:00:11,440
what the case is

6
00:00:15,910 --> 00:00:13,840
um or what's the status that they would

7
00:00:18,630 --> 00:00:15,920
they declined to comment on that so when

8
00:00:20,550 --> 00:00:18,640
they say that he is still currently

9
00:00:21,590 --> 00:00:20,560
there that's not incorrect but he has

10
00:00:24,230 --> 00:00:21,600
been

11
00:00:26,790 --> 00:00:24,240
dismissed of his responsibilities

12
00:00:28,710 --> 00:00:26,800
as director of defense intelligence

13
00:00:30,790 --> 00:00:28,720

which means at this current point he's

14

00:00:33,110 --> 00:00:30,800

doing what what this is

15

00:00:34,709 --> 00:00:33,120

this is extremely common in the

16

00:00:36,790 --> 00:00:34,719

department of defense especially in a

17

00:00:38,069 --> 00:00:36,800

world where

18

00:00:39,990 --> 00:00:38,079

it almost literally takes an act of

19

00:00:41,670 --> 00:00:40,000

congress to fire people this is what's

20

00:00:43,110 --> 00:00:41,680

called flying a desk

21

00:00:45,110 --> 00:00:43,120

meaning that he

22

00:00:46,549 --> 00:00:45,120

has no responsibilities

23

00:00:48,709 --> 00:00:46,559

he may still

24

00:00:50,150 --> 00:00:48,719

uh be obligated to attend management

25

00:00:52,549 --> 00:00:50,160

meetings that kind of thing but he has
