TIM McMILLAN  
'SEX, LIES, AND UFOS' - THE DEBRIEF

1

00:00:08,629 --> 00:00:06,630

um was the aoi msg an effort many saw as

2

00:00:10,709 --> 00:00:08,639

a cynical response to the gillibrand

3

00:00:13,430 --> 00:00:10,719

amendment which many saw as progression

4

00:00:15,829 --> 00:00:13,440

in the subject of ufos uaps something

5

00:00:19,109 --> 00:00:15,839

that gary reed did and encouraged to to

6

00:00:34,709 --> 00:00:20,550

i

7

00:00:37,430 --> 00:00:34,719

was

8

00:00:40,549 --> 00:00:37,440

as we all know came two weeks you know

9

00:00:43,270 --> 00:00:40,559

after the gila brand amendment was uh

10

00:00:44,549 --> 00:00:43,280

was proposed and so this is you know

11

00:00:47,670 --> 00:00:44,559

absolutely

12

00:00:50,229 --> 00:00:47,680

a way of getting ahead of it before it

13

00:00:52,229 --> 00:00:50,239

passed to say so when it passed it's you

14

00:00:54,389 --> 00:00:52,239

know it sets this condition that

15

00:00:55,670 --> 00:00:54,399

outwardly looks like once it's passed

16

00:00:57,670 --> 00:00:55,680

hey we've already got it here you know

17

00:00:58,790 --> 00:00:57,680

we're ahead of the curve we're on board

18

00:01:00,709 --> 00:00:58,800

with you

19

00:01:03,510 --> 00:01:00,719

um that's just not the attitude and

20

00:01:05,590 --> 00:01:03,520

disposition that you see with the dod

21

00:01:07,990 --> 00:01:05,600

particularly when uh you're talking

22

00:01:09,830 --> 00:01:08,000

about an entirely new program office

23

00:01:12,469 --> 00:01:09,840

that hasn't existed before if they

24

00:01:14,230 --> 00:01:12,479

didn't start it up long before now the
