PAST, PRESENT & FUTURE

1
00:00:04,309 --> 00:00:01,670
you know death

2
00:00:05,590 --> 00:00:04,319
i've been around death enough

3
00:00:06,869 --> 00:00:05,600
probably too much

4
00:00:08,950 --> 00:00:06,879
where

5
00:00:10,150 --> 00:00:08,960
what i've learned is that death is a

6
00:00:12,549 --> 00:00:10,160
process

7
00:00:15,430 --> 00:00:12,559
death is a transition

8
00:00:18,150 --> 00:00:15,440
death is not an event it is a transition

9
00:00:20,790 --> 00:00:18,160
just like birth it's a transition

10
00:00:22,870 --> 00:00:20,800
coming into one reality and then

11
00:00:25,990 --> 00:00:22,880
crossing over that threshold into

12
00:00:29,349 --> 00:00:26,000
something else an unknown but but but

13
00:00:34,150 --> 00:00:31,029

i don't know

14

00:00:36,870 --> 00:00:34,160

the relationship that if any regarding

15

00:00:38,869 --> 00:00:36,880

uap i guess it's anybody's guess

16

00:00:40,470 --> 00:00:38,879

could be um

17

00:00:42,709 --> 00:00:40,480

you know but then we get into

18

00:00:45,750 --> 00:00:42,719

potentially the discussion of you know

19

00:00:48,310 --> 00:00:45,760

some some theological principles such as

20

00:00:51,430 --> 00:00:48,320

angels and demons and things like that

21

00:00:52,709 --> 00:00:51,440

um i i don't think we we know enough yet

22

00:00:54,549 --> 00:00:52,719

i mean certainly some people in the

23

00:00:56,310 --> 00:00:54,559

pentagon when i was in the pentagon was

24

00:00:59,349 --> 00:00:56,320

a very afraid was afraid of the topic
