PAST, PRESENT & FUTURE

1
00:00:07,590 --> 00:00:02,629
you know what it looks like for me is

2
00:00:11,190 --> 00:00:08,870
when we know everything we've done in

3
00:00:14,150 --> 00:00:11,200
the past

4
00:00:16,230 --> 00:00:14,160
the american people uh are are satisfied

5
00:00:17,990 --> 00:00:16,240
with that

6
00:00:19,189 --> 00:00:18,000
they've had some of their questions

7
00:00:20,870 --> 00:00:19,199
answered

8
00:00:21,990 --> 00:00:20,880
and we have a deliberate plan to move

9
00:00:24,390 --> 00:00:22,000
forward

10
00:00:28,390 --> 00:00:24,400
on this topic uh in a way that is

11
00:00:30,950 --> 00:00:28,400
endearing and informative and insightful

12
00:00:32,790 --> 00:00:30,960
and responsible right and i think we

13
00:00:34,389 --> 00:00:32,800

need to have the conversation truly at

14

00:00:36,870 --> 00:00:34,399

the international level have some

15

00:00:39,430 --> 00:00:36,880

international bodies involved and at

16

00:00:41,190 --> 00:00:39,440

that point i feel that i've done all i
