PODCAST

DAZ SMITH

REMOTE VIEWING / CREATIVE

1  
00:00:00,040 --> 00:00:05,510

[Music]

2  
00:00:08,790 --> 00:00:06,950

there's a whole fleet of look on the

3  
00:00:10,950 --> 00:00:08,800

assay

4  
00:00:14,310 --> 00:00:10,960

my gosh they're all going against the

5  
00:00:19,029 --> 00:00:16,390

it was basically a cube with inside of

6  
00:00:23,960 --> 00:00:19,039

sphere where the points of the cube

7  
00:00:37,190 --> 00:00:33,220

[Music]

8  
00:00:38,709 --> 00:00:37,200

[Applause]

9  
00:00:41,030 --> 00:00:38,719

so this isn't anything that just is

10  
00:00:46,549 --> 00:00:41,040

limited to the united states it's a

11  
00:00:50,790 --> 00:00:48,790

billionaire john caldwell once said if

12  
00:00:53,350 --> 00:00:50,800

i'm lucky i only get recruitment wrong

13  
00:00:55,670 --> 00:00:53,360

70 percent of the time but how is it we

14

00:00:57,270 --> 00:00:55,680

accept being wrong so much at a time

15

00:00:59,430 --> 00:00:57,280

with the cost of finding the right match

16

00:01:01,189 --> 00:00:59,440

for both people and organizations so

17

00:01:03,270 --> 00:01:01,199

high it's imperative that you choose the

18

00:01:05,270 --> 00:01:03,280

right team to help you on that path

19

00:01:07,510 --> 00:01:05,280

recruitix is one of the fastest growing

20

00:01:09,830 --> 00:01:07,520

recruitment companies in the uk with an

21

00:01:11,750 --> 00:01:09,840

expert team of dedicated passionate high

22

00:01:13,510 --> 00:01:11,760

experienced professionals they are the

23

00:01:16,070 --> 00:01:13,520

perfect choice to make sure you get it

24

00:01:17,830 --> 00:01:16,080

right first time every time with a range

25

00:01:19,749 --> 00:01:17,840

of departments covering almost all

26

00:01:21,990 --> 00:01:19,759

sectors it doesn't matter if you need a

27

00:01:23,670 --> 00:01:22,000

highly specialized it professional a

28

00:01:26,149 --> 00:01:23,680

boots on the ground sales person

29

00:01:28,469 --> 00:01:26,159

accountant mechanical engineer or

30

00:01:30,230 --> 00:01:28,479

anything else they have the expert team

31

00:01:32,069 --> 00:01:30,240

in-house to ensure you find the

32

00:01:33,830 --> 00:01:32,079

resources you need as a friend of the

33

00:01:36,230 --> 00:01:33,840

podcast they will offer all new

34

00:01:38,550 --> 00:01:36,240

organizations wanting to give them a try

35

00:01:41,109 --> 00:01:38,560

heavily discounted fees to 10

36

00:01:42,789 --> 00:01:41,119

of per annum salary representing an

37

00:01:44,830 --> 00:01:42,799

enormous saving compared to the rest of

38

00:01:48,069 --> 00:01:44,840

the market just visit

39

00:01:50,469 --> 00:01:48,079

recruitics.co.uk that's recruit ix dot

40

00:01:52,069 --> 00:01:50,479

co dot uk leave your details tell them

41

00:01:55,510 --> 00:01:52,079

the podcast sent you and one of the

42

00:01:57,990 --> 00:01:55,520

expert team will be in touch

43

00:02:00,550 --> 00:01:58,000

hi everyone and welcome back to that ufo

44

00:02:02,550 --> 00:02:00,560

podcast my name is andy and welcome to

45

00:02:04,550 --> 00:02:02,560

the the week long i don't want to call

46

00:02:06,870 --> 00:02:04,560

it celebration but it's the week long

47

00:02:09,830 --> 00:02:06,880

anniversary of the two years since i

48

00:02:11,350 --> 00:02:09,840

started that ufo podcast and we started

49

00:02:12,869 --> 00:02:11,360

the week with the interview with louie

50

00:02:15,110 --> 00:02:12,879

elizondo which you will have heard by

51  
00:02:17,430 --> 00:02:15,120  
now and we're finishing off the week

52  
00:02:19,430 --> 00:02:17,440  
with a interview about remote viewing

53  
00:02:20,949 --> 00:02:19,440  
which is one of the initial subjects i

54  
00:02:23,190 --> 00:02:20,959  
put in the description of the podcast

55  
00:02:25,190 --> 00:02:23,200  
when i first started it long before i'd

56  
00:02:26,949 --> 00:02:25,200  
done any interviews on remote viewing

57  
00:02:29,190 --> 00:02:26,959  
since then i've spoken to several remote

58  
00:02:31,430 --> 00:02:29,200  
viewers and i'm very excited to welcome

59  
00:02:33,750 --> 00:02:31,440  
daz smith who is an artist and graphic

60  
00:02:35,509 --> 00:02:33,760  
designer and author an active remote

61  
00:02:37,589 --> 00:02:35,519  
viewer who continuously works with the

62  
00:02:39,910 --> 00:02:37,599  
top people in the field on both public

63  
00:02:41,830 --> 00:02:39,920

and private remote viewing projects he

64

00:02:43,750 --> 00:02:41,840

also runs several large information

65

00:02:46,470 --> 00:02:43,760

websites on the subject of remote

66

00:02:48,309 --> 00:02:46,480

viewing and he edits and publishes eight

67

00:02:50,470 --> 00:02:48,319

martinis which is a print and online

68

00:02:52,949 --> 00:02:50,480

magazine dealing with the subject of

69

00:02:54,550 --> 00:02:52,959

remote viewing that's just half the bio

70

00:02:56,150 --> 00:02:54,560

as well so the rest of it i'll let you

71

00:02:58,309 --> 00:02:56,160

check out yourselves online or i would

72

00:03:00,390 --> 00:02:58,319

be here all day um daz welcome to the

73

00:03:02,710 --> 00:03:00,400

podcast hi yeah and it's great to be

74

00:03:04,550 --> 00:03:02,720

here as as i may have mentioned i i

75

00:03:05,910 --> 00:03:04,560

listened to the podcast quite often so

76

00:03:08,470 --> 00:03:05,920

yeah it's fantastic

77

00:03:09,990 --> 00:03:08,480

yeah i know dan uh regular co-host a big

78

00:03:12,149 --> 00:03:10,000

fan of yours as well so he was looking

79

00:03:14,229 --> 00:03:12,159

forward to speaking to you as we record

80

00:03:16,390 --> 00:03:14,239

this he is on a live with uh vinnie from

81

00:03:19,430 --> 00:03:16,400

disclosure team as well so dan sends his

82

00:03:21,430 --> 00:03:19,440

regards over very popular guest as i got

83

00:03:22,869 --> 00:03:21,440

a ton of listener questions i've tried

84

00:03:24,710 --> 00:03:22,879

to build as many of them into the

85

00:03:27,030 --> 00:03:24,720

interview as possible we've then got the

86

00:03:29,110 --> 00:03:27,040

listener questions section as well we'll

87

00:03:31,030 --> 00:03:29,120

get through what we can but i think i've

88

00:03:33,270 --> 00:03:31,040

got to start at the beginning and we've

89

00:03:34,789 --> 00:03:33,280

spoken to a few remote viewers like i've

90

00:03:36,869 --> 00:03:34,799

said and people can go and check those

91

00:03:39,750 --> 00:03:36,879

interviews out in the archives it's

92

00:03:42,309 --> 00:03:39,760

always a popular discussion uh i want to

93

00:03:43,589 --> 00:03:42,319

ask you in your own words what is remote

94

00:03:45,270 --> 00:03:43,599

viewing

95

00:03:48,229 --> 00:03:45,280

oh well yeah

96

00:03:49,830 --> 00:03:48,239

the simple answer flat is it's when a uh

97

00:03:52,550 --> 00:03:49,840

an intuitive

98

00:03:54,789 --> 00:03:52,560

uses their intuitive ability to

99

00:03:56,789 --> 00:03:54,799

see outside local space so they're

100

00:03:58,390 --> 00:03:56,799

allowed you know they essentially

101  
00:04:00,869 --> 00:03:58,400  
move their consciousness away from

102  
00:04:03,030 --> 00:04:00,879  
themselves to a remote location

103  
00:04:04,550 --> 00:04:03,040  
and they can see targets

104  
00:04:08,070 --> 00:04:04,560  
which consist of

105  
00:04:10,869 --> 00:04:08,080  
events locations life forms objects

106  
00:04:13,110 --> 00:04:10,879  
structures anywhere in time and space

107  
00:04:15,830 --> 00:04:13,120  
so you can look at not only now but

108  
00:04:17,749 --> 00:04:15,840  
future and in past as well yeah we can

109  
00:04:20,550 --> 00:04:17,759  
yes and the past targets are very

110  
00:04:23,670 --> 00:04:20,560  
accurate uh now targets are very

111  
00:04:26,710 --> 00:04:23,680  
accurate but we do lose accuracy on

112  
00:04:29,830 --> 00:04:26,720  
looking at future targets i'm running at

113  
00:04:31,830 --> 00:04:29,840

probably around about 65

114

00:04:33,189 --> 00:04:31,840

accuracy on looking at targets in the

115

00:04:34,950 --> 00:04:33,199

future at the moment

116

00:04:36,870 --> 00:04:34,960

now i know there's a listener question

117

00:04:38,950 --> 00:04:36,880

at least on future targets and

118

00:04:40,950 --> 00:04:38,960

predictions coming up so we'll we'll get

119

00:04:42,710 --> 00:04:40,960

to that i want to know does how did

120

00:04:45,030 --> 00:04:42,720

remote viewing first become a part of

121

00:04:46,629 --> 00:04:45,040

your life i'm right in saying you began

122

00:04:48,230 --> 00:04:46,639

training as such at a very young age

123

00:04:50,230 --> 00:04:48,240

about 10 years old

124

00:04:52,230 --> 00:04:50,240

yeah yeah i mean i i trained in what i

125

00:04:54,469 --> 00:04:52,240

call classical or psychic techniques

126  
00:04:55,990 --> 00:04:54,479  
from 10 years old and that was that was

127  
00:04:59,189 --> 00:04:56,000  
techniques like uh on normal

128  
00:05:01,510 --> 00:04:59,199  
clairvoyance mediumship channeling using

129  
00:05:05,029 --> 00:05:01,520  
all the divination methods uh tarot

130  
00:05:06,390 --> 00:05:05,039  
cards crystal balls sand reading td ring

131  
00:05:07,990 --> 00:05:06,400  
so pretty much anything i could get my

132  
00:05:09,029 --> 00:05:08,000  
hands on back then

133  
00:05:10,790 --> 00:05:09,039  
and then

134  
00:05:12,790 --> 00:05:10,800  
in 19 i was

135  
00:05:15,110 --> 00:05:12,800  
very much into and i always have been

136  
00:05:17,830 --> 00:05:15,120  
into ufo research as well and i was a

137  
00:05:21,350 --> 00:05:17,840  
local ufo researcher here in the uk

138  
00:05:22,950 --> 00:05:21,360

uh from around about the 1989 period

139

00:05:24,629 --> 00:05:22,960

when when crop circles came about you

140

00:05:26,629 --> 00:05:24,639

know we had a big explosion in the uk

141

00:05:29,189 --> 00:05:26,639

here and i started getting in heavily

142

00:05:31,270 --> 00:05:29,199

into uh ufo research back then uh

143

00:05:33,830 --> 00:05:31,280

collecting books and videos and i went

144

00:05:36,070 --> 00:05:33,840

to a ufo conference in leeds which was

145

00:05:38,550 --> 00:05:36,080

run by quest international

146

00:05:40,950 --> 00:05:38,560

and they had a person on stage who

147

00:05:42,790 --> 00:05:40,960

played an audio tape and it was a taped

148

00:05:45,830 --> 00:05:42,800

conversation with someone who claimed he

149

00:05:48,790 --> 00:05:45,840

was in or part of majestic 12.

150

00:05:50,469 --> 00:05:48,800

and he was a remote viewer and you know

151

00:05:52,629 --> 00:05:50,479

in this audio tape that he played live

152

00:05:54,550 --> 00:05:52,639

on on stage this remember we were

153

00:05:57,350 --> 00:05:54,560

talking about how he was a psychic he

154

00:05:59,670 --> 00:05:57,360

was trained by the cia and the american

155

00:06:01,350 --> 00:05:59,680

military to essentially spy on the

156

00:06:04,469 --> 00:06:01,360

russians and to go anywhere in time and

157

00:06:06,870 --> 00:06:04,479

space and he tracked ufos to their point

158

00:06:08,629 --> 00:06:06,880

of origin in construction using this so

159

00:06:11,350 --> 00:06:08,639

in the moment i heard that being a

160

00:06:13,670 --> 00:06:11,360

semi-trained psychic anyway i was i was

161

00:06:16,150 --> 00:06:13,680

hooked and i've been uh yeah i've been

162

00:06:17,749 --> 00:06:16,160

exploring this this ever since in the 25

163

00:06:18,469 --> 00:06:17,759

years since

164

00:06:20,469 --> 00:06:18,479

now

165

00:06:22,309 --> 00:06:20,479

10 years old is quite a young age to

166

00:06:24,790 --> 00:06:22,319

start anything is as serious as what

167

00:06:26,629 --> 00:06:24,800

you've done what can i spark that

168

00:06:28,070 --> 00:06:26,639

interest at such a young a young time in

169

00:06:30,790 --> 00:06:28,080

your life

170

00:06:31,990 --> 00:06:30,800

i was yeah unlike most the people out

171

00:06:33,749 --> 00:06:32,000

there that are interested in remote

172

00:06:35,510 --> 00:06:33,759

viewing i was quite lucky in that i was

173

00:06:38,230 --> 00:06:35,520

brought up in a household where my

174

00:06:40,950 --> 00:06:38,240

mother was a uh she she ran the local

175

00:06:42,870 --> 00:06:40,960

spiritualist church so we you know we

176

00:06:44,230 --> 00:06:42,880

had a library of books and it had all

177

00:06:46,230 --> 00:06:44,240

the usual ones you know like the

178

00:06:48,629 --> 00:06:46,240

encyclopedias and all that kind of stuff

179

00:06:50,390 --> 00:06:48,639

in there but the majority of the books

180

00:06:52,790 --> 00:06:50,400

we had and the subjects that people

181

00:06:55,909 --> 00:06:52,800

talked about in my house growing up were

182

00:06:57,749 --> 00:06:55,919

the paranormal esoteric type subjects

183

00:06:59,830 --> 00:06:57,759

and i guess i just caught the bug from

184

00:07:00,790 --> 00:06:59,840

my my mother's side of the family and i

185

00:07:04,309 --> 00:07:00,800

was

186

00:07:05,909 --> 00:07:04,319

remember being it you know a junior

187

00:07:08,070 --> 00:07:05,919

school at the age of 10

188

00:07:09,749 --> 00:07:08,080

and going repeatedly to the shelves to

189

00:07:11,270 --> 00:07:09,759

get the same books and it was free books

190

00:07:12,790 --> 00:07:11,280

one was on ghosts

191

00:07:14,710 --> 00:07:12,800

one was on ufos and one was on

192

00:07:16,230 --> 00:07:14,720

mysterious creatures and i would i would

193

00:07:17,510 --> 00:07:16,240

you know repeat the books then go back

194

00:07:18,870 --> 00:07:17,520

through them and repeat them again and

195

00:07:20,309 --> 00:07:18,880

keep reading them

196

00:07:22,550 --> 00:07:20,319

i think a lot of listeners will share

197

00:07:24,790 --> 00:07:22,560

that same same sort of memory and same

198

00:07:27,589 --> 00:07:24,800

experience growing up as well what was

199

00:07:29,749 --> 00:07:27,599

the earliest time you remember

200

00:07:32,629 --> 00:07:29,759

either remote viewing or a related

201

00:07:34,309 --> 00:07:32,639

ability or experience really catching

202

00:07:36,790 --> 00:07:34,319

your attention being that kind of wow

203

00:07:37,990 --> 00:07:36,800

moment was it a family member or was it

204

00:07:41,589 --> 00:07:38,000

yourself

205

00:07:43,350 --> 00:07:41,599

oh um it was probably some experiences

206

00:07:45,589 --> 00:07:43,360

that we had growing up

207

00:07:47,350 --> 00:07:45,599

in the house i lived in before i lived

208

00:07:49,589 --> 00:07:47,360

in this one now and i've lived here for

209

00:07:51,430 --> 00:07:49,599

40 odd years now it was my parents house

210

00:07:53,670 --> 00:07:51,440

but the first house we lived in i think

211

00:07:56,550 --> 00:07:53,680

i lived there to the age of seven

212

00:07:59,189 --> 00:07:56,560

i i vaguely remember that we had some

213

00:08:01,350 --> 00:07:59,199

very strong paranormal experiences and

214

00:08:03,270 --> 00:08:01,360

disturbances in the house so it was very

215

00:08:04,790 --> 00:08:03,280

very much like poltergeist type stuff so

216

00:08:07,270 --> 00:08:04,800

we built the family would all be

217

00:08:09,670 --> 00:08:07,280

downstairs and we would hear

218

00:08:11,589 --> 00:08:09,680

someone up above us running in the rooms

219

00:08:13,990 --> 00:08:11,599

upstairs but there would obviously be be

220

00:08:15,430 --> 00:08:14,000

no in there so i think that started yeah

221

00:08:16,629 --> 00:08:15,440

i remember that kind of stuff happening

222

00:08:19,909 --> 00:08:16,639

and that must be from around about the

223

00:08:22,230 --> 00:08:19,919

age of five six and seven i would say

224

00:08:24,790 --> 00:08:22,240

and again as a child i'm going to ask

225

00:08:27,510 --> 00:08:24,800

i've spoken to experiencers and other

226

00:08:29,749 --> 00:08:27,520

remote viewers at times you hear about

227

00:08:31,749 --> 00:08:29,759

traumatic events at childhood or are

228

00:08:33,990 --> 00:08:31,759

injuries that spun these things on is

229

00:08:36,149 --> 00:08:34,000

this something that has been that that

230

00:08:38,230 --> 00:08:36,159

came on or was it very much

231

00:08:39,670 --> 00:08:38,240

a natural ability and something you

232

00:08:41,990 --> 00:08:39,680

harnessed

233

00:08:44,550 --> 00:08:42,000

yeah i don't think i have any trauma in

234

00:08:47,269 --> 00:08:44,560

in the sparked this i i yeah i think

235

00:08:49,030 --> 00:08:47,279

mine is you know uh

236

00:08:51,350 --> 00:08:49,040

it comes from their family line i would

237

00:08:53,430 --> 00:08:51,360

say i know my mother was psychic as a

238

00:08:55,350 --> 00:08:53,440

and you know she was psychical and

239

00:08:57,670 --> 00:08:55,360

trained people and did all kinds of

240

00:09:00,870 --> 00:08:57,680

divination until till she pretty much

241

00:09:02,790 --> 00:09:00,880

passed and i think i recollect hearing

242

00:09:04,710 --> 00:09:02,800

stories of my my grandmother down the

243

00:09:07,030 --> 00:09:04,720

line having some kind of basic skills as

244

00:09:09,350 --> 00:09:07,040

well so for me yeah it's just it's just

245

00:09:11,030 --> 00:09:09,360

a trait that's in the family line

246

00:09:12,710 --> 00:09:11,040

uh and you know i got that brother and

247

00:09:13,990 --> 00:09:12,720

sister but i'm pretty much the only one

248

00:09:15,590 --> 00:09:14,000

that is uh

249

00:09:17,430 --> 00:09:15,600

that followed this line even though i

250

00:09:19,350 --> 00:09:17,440

know they have some you know some basic

251

00:09:21,190 --> 00:09:19,360

ability of themselves

252

00:09:23,030 --> 00:09:21,200

and you mentioned it started off with

253

00:09:25,990 --> 00:09:23,040

tea leaves and various different types

254

00:09:27,829 --> 00:09:26,000

of reading mediumship at what point did

255

00:09:29,350 --> 00:09:27,839

you really move over

256

00:09:32,150 --> 00:09:29,360

you've mentioned also remote viewing you

257

00:09:34,070 --> 00:09:32,160

saw someone and that sparked an interest

258

00:09:37,430 --> 00:09:34,080

how did you begin to hone that yourself

259

00:09:39,509 --> 00:09:37,440

and really focus on growing those skills

260

00:09:41,910 --> 00:09:39,519

absolutely well as i said i first heard

261

00:09:43,590 --> 00:09:41,920

about remote viewing in 92

262

00:09:45,430 --> 00:09:43,600

and then i started to look into it a bit

263

00:09:46,870 --> 00:09:45,440

more but you have to bear in mind that

264

00:09:50,070 --> 00:09:46,880

that was in the early days of the

265

00:09:52,470 --> 00:09:50,080

internet so we were all using 56k modems

266

00:09:53,990 --> 00:09:52,480

at 4k a second back then yeah and there

267

00:09:56,790 --> 00:09:54,000

wasn't a lot of information out because

268

00:09:59,430 --> 00:09:56,800

the project in in its majority was still

269

00:10:01,990 --> 00:09:59,440

secret at that point until 1995.

270

00:10:04,550 --> 00:10:02,000

um so i managed to get a few bits and

271

00:10:06,069 --> 00:10:04,560

pieces online uh to point me in the

272

00:10:08,069 --> 00:10:06,079

right direction but it didn't really

273

00:10:11,430 --> 00:10:08,079

take off for me and everyone else

274

00:10:13,509 --> 00:10:11,440

until it exploded in 1995 when you know

275

00:10:15,829 --> 00:10:13,519

nightline did a program on on remote

276

00:10:17,350 --> 00:10:15,839

viewing and and recognized it and said

277

00:10:19,269 --> 00:10:17,360

you know this is what the cia's been

278

00:10:21,509 --> 00:10:19,279

spending money on and then after that

279

00:10:22,790 --> 00:10:21,519

yeah it kind of grew online into

280

00:10:25,190 --> 00:10:22,800

separate little communities that i

281

00:10:27,750 --> 00:10:25,200

joined and it kind of exploded from me

282

00:10:29,829 --> 00:10:27,760

from there really and

283

00:10:30,790 --> 00:10:29,839

what i found was

284

00:10:32,550 --> 00:10:30,800

when i was

285

00:10:34,310 --> 00:10:32,560

training in the classical technique so

286

00:10:35,350 --> 00:10:34,320

you know clairvoyance and all that kind

287

00:10:38,150 --> 00:10:35,360

of stuff

288

00:10:40,150 --> 00:10:38,160

it's very archaic very spontaneous the

289

00:10:41,990 --> 00:10:40,160

process controls you

290

00:10:44,150 --> 00:10:42,000

and it controls the direction when you

291

00:10:46,230 --> 00:10:44,160

get the information how you get it

292

00:10:47,829 --> 00:10:46,240

the genius thing about remote viewing

293

00:10:49,750 --> 00:10:47,839

and the method that i use which is

294

00:10:52,150 --> 00:10:49,760

controlled remote viewing

295

00:10:53,509 --> 00:10:52,160

is that i choose the situation so like

296

00:10:55,750 --> 00:10:53,519

if i wanted to right now i could say

297

00:10:57,750 --> 00:10:55,760

okay i'm gonna do removing right now i

298

00:10:59,350 --> 00:10:57,760

could sit here with a stack of paper or

299

00:11:01,190 --> 00:10:59,360

a pen or i

300

00:11:03,590 --> 00:11:01,200

more often use a tablet nowadays and

301

00:11:05,430 --> 00:11:03,600

just do it and i'm in control i decide

302

00:11:07,670 --> 00:11:05,440

how much information i want to get when

303

00:11:09,829 --> 00:11:07,680

i want to stop and everything so it's a

304

00:11:11,829 --> 00:11:09,839

control thing really classical ways i

305

00:11:13,829 --> 00:11:11,839

find too spontaneous

306

00:11:15,509 --> 00:11:13,839

the the structured remote viewing that

307

00:11:19,269 --> 00:11:15,519

came out of the cia in the military i

308

00:11:21,350 --> 00:11:19,279

find way more structured for me

309

00:11:23,430 --> 00:11:21,360

now i've mentioned on the podcast a few

310

00:11:26,710 --> 00:11:23,440

times in terms of remote viewing one of

311

00:11:28,790 --> 00:11:26,720

my early experiences as such was seeing

312

00:11:31,430 --> 00:11:28,800

the movie the men who stared at goats

313

00:11:33,750 --> 00:11:31,440

which is largely fictional it's a

314

00:11:36,389 --> 00:11:33,760

hollywood film big budget

315

00:11:37,829 --> 00:11:36,399

pretty funny i i enjoy it however there

316

00:11:39,509 --> 00:11:37,839

is a warning at the start of the film

317

00:11:41,030 --> 00:11:39,519

which tells you more of this is true

318

00:11:43,190 --> 00:11:41,040

than you would believe

319

00:11:46,150 --> 00:11:43,200

now it remove it does portray remote

320

00:11:49,030 --> 00:11:46,160

viewers as eccentric telepaths each with

321

00:11:51,670 --> 00:11:49,040

almost superpowers different techniques

322

00:11:53,990 --> 00:11:51,680

is that the case in any way and what

323

00:11:54,829 --> 00:11:54,000

does an actual remote viewing session

324

00:11:56,550 --> 00:11:54,839

look

325

00:11:59,590 --> 00:11:56,560

like um

326

00:12:02,230 --> 00:11:59,600

yeah i mean that was a parody um

327

00:12:04,230 --> 00:12:02,240

but there is a lot of reality in there

328

00:12:06,470 --> 00:12:04,240

uh they mixed a lot the names up in the

329

00:12:07,990 --> 00:12:06,480

characters up but they do resemble real

330

00:12:09,110 --> 00:12:08,000

people within the remote viewing

331

00:12:11,509 --> 00:12:09,120

community

332

00:12:13,350 --> 00:12:11,519

and in the early days of remote viewing

333

00:12:16,470 --> 00:12:13,360

they you know there were several

334

00:12:18,069 --> 00:12:16,480

different projects uh ongoing in several

335

00:12:19,990 --> 00:12:18,079

different uh military departments that

336

00:12:21,590 --> 00:12:20,000

looked at different things so you know

337

00:12:23,910 --> 00:12:21,600

there there is some good evidence that

338

00:12:25,350 --> 00:12:23,920

they did try to stop the heart of a goat

339

00:12:26,870 --> 00:12:25,360

and that kind of thing but that wasn't

340

00:12:30,550 --> 00:12:26,880

part of the you know i would say the

341

00:12:32,470 --> 00:12:30,560

main effort that that happened uh sri

342

00:12:35,750 --> 00:12:32,480

and and the other labs

343

00:12:38,389 --> 00:12:35,760

um yeah so it is it's it's semi-true but

344

00:12:39,990 --> 00:12:38,399

but you know it's it's it's entertaining

345

00:12:41,910 --> 00:12:40,000

um yeah

346

00:12:44,230 --> 00:12:41,920

an actual remote viewing session you

347

00:12:46,790 --> 00:12:44,240

mentioned it would be paper and pencil

348

00:12:48,389 --> 00:12:46,800

whereas use a tablet which is a lovely a

349

00:12:50,470 --> 00:12:48,399

modern take on the remote viewing

350

00:12:53,110 --> 00:12:50,480

sessions you would see within the kind

351  
00:12:54,550 --> 00:12:53,120  
of films and tv or even documentaries so

352  
00:12:56,470 --> 00:12:54,560  
for you could you just go into a little

353  
00:12:59,110 --> 00:12:56,480  
bit more detail on if you're going to

354  
00:13:01,430 --> 00:12:59,120  
sit down and and remote view a target

355  
00:13:02,710 --> 00:13:01,440  
what that looks like the process and

356  
00:13:04,949 --> 00:13:02,720  
obviously bringing in the tablet and

357  
00:13:07,110 --> 00:13:04,959  
everything as well yeah absolutely so

358  
00:13:08,870 --> 00:13:07,120  
what would happen is uh we always work

359  
00:13:10,949 --> 00:13:08,880  
blind so it means you know as a remote

360  
00:13:12,310 --> 00:13:10,959  
viewer i know nothing about

361  
00:13:14,389 --> 00:13:12,320  
anything specific about target

362  
00:13:16,629 --> 00:13:14,399  
whatsoever so i would get an email from

363  
00:13:17,990 --> 00:13:16,639

a project manager and i only use trusted

364

00:13:20,230 --> 00:13:18,000

project managers

365

00:13:22,470 --> 00:13:20,240

uh because you know this is this is a

366

00:13:23,990 --> 00:13:22,480

possible tool that could be corrupted um

367

00:13:26,389 --> 00:13:24,000

so i'll get an email from a project

368

00:13:28,230 --> 00:13:26,399

manager would say okay your target

369

00:13:29,990 --> 00:13:28,240

number is and then it would be a random

370

00:13:32,389 --> 00:13:30,000

number and the number doesn't really

371

00:13:34,790 --> 00:13:32,399

really mean mean anything i don't need

372

00:13:37,030 --> 00:13:34,800

it in reality but what it does is it

373

00:13:39,430 --> 00:13:37,040

gives us something it gives us a title

374

00:13:41,910 --> 00:13:39,440

for admin purposes if we have to talk or

375

00:13:43,350 --> 00:13:41,920

talk by email we can refer to it by a

376

00:13:44,870 --> 00:13:43,360

project name

377

00:13:46,470 --> 00:13:44,880

so they'll make up a random number and

378

00:13:48,790 --> 00:13:46,480

they'll sign it to a target and the

379

00:13:52,710 --> 00:13:48,800

number i may get might be something like

380

00:13:56,310 --> 00:13:54,150

and they'll say me uh you know you've

381

00:13:59,509 --> 00:13:56,320

got a week to do this get your data back

382

00:14:01,189 --> 00:13:59,519

to me by end of you know 29th of april

383

00:14:02,389 --> 00:14:01,199

uh and that's it so they'll give me that

384

00:14:04,949 --> 00:14:02,399

as a target

385

00:14:06,310 --> 00:14:04,959

then i will then sit down uh in the past

386

00:14:07,750 --> 00:14:06,320

i used to stick down sit down with a

387

00:14:09,189 --> 00:14:07,760

stack of paper and a pen but now i just

388

00:14:12,710 --> 00:14:09,199

use a tablet

389

00:14:15,750 --> 00:14:12,720

uh and what i do is um i run through a

390

00:14:17,670 --> 00:14:15,760

specific six stage process and this six

391

00:14:20,069 --> 00:14:17,680

stage process came out of stanford

392

00:14:21,750 --> 00:14:20,079

research institute and the

393

00:14:24,150 --> 00:14:21,760

the american military and it's called

394

00:14:25,590 --> 00:14:24,160

crv or controlled remote viewing

395

00:14:28,150 --> 00:14:25,600

and essentially what i do in that six

396

00:14:30,150 --> 00:14:28,160

stage process it it starts off very with

397

00:14:32,150 --> 00:14:30,160

a very small aperture to the target and

398

00:14:34,310 --> 00:14:32,160

each stage you go to stage two three

399

00:14:36,470 --> 00:14:34,320

four five and six is almost like seeing

400

00:14:39,110 --> 00:14:36,480

this this camera aperture to the target

401  
00:14:41,269 --> 00:14:39,120  
open wider and wider and wider with the

402  
00:14:43,269 --> 00:14:41,279  
data that flows it flows in and it's

403  
00:14:45,750 --> 00:14:43,279  
very technical it's very structured in

404  
00:14:47,509 --> 00:14:45,760  
where you put your information down um

405  
00:14:49,509 --> 00:14:47,519  
and that's essentially what i do

406  
00:14:51,590 --> 00:14:49,519  
so i'll sit there for an hour

407  
00:14:53,750 --> 00:14:51,600  
uh working away on my tablet probably

408  
00:14:58,550 --> 00:14:53,760  
doing something like

409  
00:15:00,710 --> 00:14:58,560  
10 to 30 a4 pages of information which i

410  
00:15:02,310 --> 00:15:00,720  
then once i finish i will the good thing

411  
00:15:04,470 --> 00:15:02,320  
about have doing on a tablet is the

412  
00:15:06,550 --> 00:15:04,480  
moment i finished it it saves as a pdf

413  
00:15:08,310 --> 00:15:06,560

so i can email it straight to the client

414

00:15:10,069 --> 00:15:08,320

whereas in the past

415

00:15:12,470 --> 00:15:10,079

uh myself and other remote viewers that

416

00:15:13,910 --> 00:15:12,480

are still using technique of paper you

417

00:15:15,750 --> 00:15:13,920

have to scan all the paper in and then

418

00:15:17,430 --> 00:15:15,760

you have to make it impede it it's a lot

419

00:15:19,670 --> 00:15:17,440

longer doing it that old way which is

420

00:15:21,110 --> 00:15:19,680

why i moved to tablets i do so much

421

00:15:23,269 --> 00:15:21,120

remote viewing now

422

00:15:25,189 --> 00:15:23,279

for clients that i have to

423

00:15:26,629 --> 00:15:25,199

be more efficient and a tablet is great

424

00:15:29,030 --> 00:15:26,639

for that nowadays

425

00:15:30,870 --> 00:15:29,040

how detailed can you be with a result

426  
00:15:32,710 --> 00:15:30,880  
and i've spoken to remote viewers and

427  
00:15:34,150 --> 00:15:32,720  
have obviously in looking online in

428  
00:15:35,749 --> 00:15:34,160  
basic research

429  
00:15:37,509 --> 00:15:35,759  
some will say they can be pretty

430  
00:15:39,749 --> 00:15:37,519  
accurate in terms of detail they could

431  
00:15:42,550 --> 00:15:39,759  
read from paper others would say it's

432  
00:15:45,509 --> 00:15:42,560  
more of a sketch and an outline where

433  
00:15:47,910 --> 00:15:45,519  
for example i know you've been involved

434  
00:15:49,590 --> 00:15:47,920  
as well in remote viewing what the 911

435  
00:15:51,430 --> 00:15:49,600  
attacks ultimately were

436  
00:15:53,910 --> 00:15:51,440  
and you'll see people they won't draw

437  
00:15:55,910 --> 00:15:53,920  
the twin towers and the fireball but

438  
00:15:57,110 --> 00:15:55,920

there'll be something that resembles

439

00:16:00,150 --> 00:15:57,120

that scene

440

00:16:01,350 --> 00:16:00,160

and it's not always that 100 percent

441

00:16:05,269 --> 00:16:01,360

how do you

442

00:16:06,629 --> 00:16:05,279

is it something that just comes and goes

443

00:16:07,430 --> 00:16:06,639

depending on the event you're trying to

444

00:16:09,430 --> 00:16:07,440

view

445

00:16:12,230 --> 00:16:09,440

yeah the accuracy does change target the

446

00:16:14,470 --> 00:16:12,240

target and it also depends on who's

447

00:16:15,829 --> 00:16:14,480

tasking the target because we know there

448

00:16:17,350 --> 00:16:15,839

is a

449

00:16:18,949 --> 00:16:17,360

there seems to be some kind of

450

00:16:21,189 --> 00:16:18,959

connection at some level between the

451  
00:16:23,030 --> 00:16:21,199  
person that's created the target

452  
00:16:24,550 --> 00:16:23,040  
and the remote viewer you know it might

453  
00:16:26,230 --> 00:16:24,560  
be almost like what they call the

454  
00:16:27,749 --> 00:16:26,240  
experimenter effect

455  
00:16:29,910 --> 00:16:27,759  
um

456  
00:16:30,870 --> 00:16:29,920  
but yeah i'm myself

457  
00:16:33,030 --> 00:16:30,880  
because i've been doing this

458  
00:16:35,590 --> 00:16:33,040  
consistently now using the same

459  
00:16:37,430 --> 00:16:35,600  
technique for 25 years

460  
00:16:38,310 --> 00:16:37,440  
and i had a natural talent in the first

461  
00:16:40,230 --> 00:16:38,320  
place

462  
00:16:41,430 --> 00:16:40,240  
uh i'm just lucky enough to be able to

463  
00:16:43,509 --> 00:16:41,440

get very

464

00:16:45,829 --> 00:16:43,519  
accurate data for targets and for

465

00:16:47,269 --> 00:16:45,839  
example you know i mean there's no

466

00:16:49,350 --> 00:16:47,279  
there's nothing like

467

00:16:50,949 --> 00:16:49,360  
i or any other remote viewer can't do if

468

00:16:53,189 --> 00:16:50,959  
the target's in life

469

00:16:55,670 --> 00:16:53,199  
or a person i can go inside their head

470

00:16:58,389 --> 00:16:55,680  
get their faults past present or future

471

00:17:00,550 --> 00:16:58,399  
um you know if the target's a location i

472

00:17:02,069 --> 00:17:00,560  
can go i can go anywhere at the target

473

00:17:04,470 --> 00:17:02,079  
there doesn't seem to be

474

00:17:06,069 --> 00:17:04,480  
any limitations to remote viewing uh

475

00:17:09,189 --> 00:17:06,079  
that we know of

476  
00:17:11,189 --> 00:17:09,199  
and can anyone begin to remote view 25

477  
00:17:13,350 --> 00:17:11,199  
years honing those skills in a very long

478  
00:17:16,150 --> 00:17:13,360  
time but like you say you have that

479  
00:17:17,669 --> 00:17:16,160  
natural intuition beforehand anyway what

480  
00:17:19,350 --> 00:17:17,679  
about someone who's who's picking up

481  
00:17:20,309 --> 00:17:19,360  
this podcast has listened for a few

482  
00:17:21,990 --> 00:17:20,319  
months

483  
00:17:23,909 --> 00:17:22,000  
obviously has an interest in ufo was

484  
00:17:25,590 --> 00:17:23,919  
maybe quite new to the subject hears

485  
00:17:27,429 --> 00:17:25,600  
about remote viewing for the first time

486  
00:17:28,630 --> 00:17:27,439  
and they'll be those people who are

487  
00:17:30,390 --> 00:17:28,640  
right now

488  
00:17:32,310 --> 00:17:30,400

how could they go about themselves

489

00:17:34,150 --> 00:17:32,320

starting the remote viewing process and

490

00:17:36,470 --> 00:17:34,160

beginning to learn about it yeah

491

00:17:37,990 --> 00:17:36,480

absolutely well i i it's my belief that

492

00:17:40,789 --> 00:17:38,000

everyone can do this

493

00:17:43,510 --> 00:17:40,799

um but we will be able to do it to

494

00:17:45,510 --> 00:17:43,520

differing levels of skill level you know

495

00:17:48,470 --> 00:17:45,520

like we can all run but i'm never going

496

00:17:51,350 --> 00:17:48,480

to be able to run 100 meters really fast

497

00:17:54,070 --> 00:17:51,360

it's just not within me to do that and

498

00:17:55,990 --> 00:17:54,080

so we can all do it uh i have resources

499

00:17:58,310 --> 00:17:56,000

on my website that people could do you

500

00:17:59,909 --> 00:17:58,320

know i have essentially a training video

501  
00:18:01,669 --> 00:17:59,919  
and a template that they could watch and

502  
00:18:03,190 --> 00:18:01,679  
go through and they can essentially

503  
00:18:05,590 --> 00:18:03,200  
teach themselves to do a remote viewing

504  
00:18:07,990 --> 00:18:05,600  
session in some like 30 minutes and so

505  
00:18:10,390 --> 00:18:08,000  
it's very easy to do it only gets more

506  
00:18:11,669 --> 00:18:10,400  
complicated and more time

507  
00:18:13,510 --> 00:18:11,679  
constraining when you learn a

508  
00:18:15,669 --> 00:18:13,520  
methodology like i have and you take it

509  
00:18:17,909 --> 00:18:15,679  
a lot more serious but you know the

510  
00:18:20,070 --> 00:18:17,919  
normal person out there could use very

511  
00:18:21,990 --> 00:18:20,080  
basic removing skills to make very basic

512  
00:18:23,990 --> 00:18:22,000  
decisions for themselves you know things

513  
00:18:27,110 --> 00:18:24,000

like finding your car keys or finding a

514

00:18:28,470 --> 00:18:27,120

car park space or even just making a a

515

00:18:29,830 --> 00:18:28,480

decision you know because essentially

516

00:18:32,549 --> 00:18:29,840

all it is

517

00:18:35,909 --> 00:18:32,559

is uh intuition instinct and you know

518

00:18:37,510 --> 00:18:35,919

you know even gut instinct ceos

519

00:18:40,549 --> 00:18:37,520

you know they do really well in business

520

00:18:42,310 --> 00:18:40,559

uh by making gut instinct in decisions

521

00:18:43,110 --> 00:18:42,320

and that's all remote viewing is other

522

00:18:45,270 --> 00:18:43,120

than

523

00:18:46,870 --> 00:18:45,280

the remote thing we do uh it's called

524

00:18:48,470 --> 00:18:46,880

last is remote viewing because we do it

525

00:18:50,390 --> 00:18:48,480

within what we call the scientific

526

00:18:52,549 --> 00:18:50,400

protocol

527

00:18:54,310 --> 00:18:52,559

and and that differentiates it from all

528

00:18:57,110 --> 00:18:54,320

other psychic experiments and the

529

00:18:59,430 --> 00:18:57,120

protocol means it's never spontaneous

530

00:19:01,110 --> 00:18:59,440

it's always a planned project

531

00:19:02,950 --> 00:19:01,120

it's always done blind so the remote

532

00:19:04,950 --> 00:19:02,960

viewer does not know the target and they

533

00:19:06,390 --> 00:19:04,960

don't have anyone in their vicinity or

534

00:19:08,150 --> 00:19:06,400

in communication with them when they're

535

00:19:09,830 --> 00:19:08,160

doing remote viewing who knows what the

536

00:19:11,430 --> 00:19:09,840

target is as well

537

00:19:13,029 --> 00:19:11,440

the data is always recorded so you can

538

00:19:15,110 --> 00:19:13,039

check it later

539

00:19:17,270 --> 00:19:15,120

and then you have a level of feedback at

540

00:19:19,029 --> 00:19:17,280

the end of the target which then allows

541

00:19:21,270 --> 00:19:19,039

you to take it side by side with the

542

00:19:23,430 --> 00:19:21,280

remote viewing data and check it and

543

00:19:24,870 --> 00:19:23,440

give it a score for accuracy

544

00:19:27,190 --> 00:19:24,880

so that's that you know

545

00:19:29,510 --> 00:19:27,200

those rules or protocols we call them

546

00:19:31,510 --> 00:19:29,520

are are what makes remote viewing remote

547

00:19:32,789 --> 00:19:31,520

viewing rather than any other psychic

548

00:19:34,310 --> 00:19:32,799

discipline

549

00:19:35,990 --> 00:19:34,320

i'm going to skip ahead slightly and

550

00:19:37,750 --> 00:19:36,000

we'll bring forward one of the listener

551  
00:19:40,070 --> 00:19:37,760  
questions it's a very good place to ask

552  
00:19:42,150 --> 00:19:40,080  
i think from from paul air and he wants

553  
00:19:44,549 --> 00:19:42,160  
to know what is your own personal best

554  
00:19:46,230 --> 00:19:44,559  
remote viewing event or experience by

555  
00:19:47,909 --> 00:19:46,240  
this i mean what immediately springs to

556  
00:19:50,630 --> 00:19:47,919  
mind as a time where your remote viewing

557  
00:19:55,029 --> 00:19:50,640  
skills brought a definite and positive

558  
00:19:57,510 --> 00:19:55,039  
positive result well there's so many um

559  
00:19:59,270 --> 00:19:57,520  
uh because yeah there's um that's a hard

560  
00:20:00,150 --> 00:19:59,280  
one because there literally is so many

561  
00:20:02,310 --> 00:20:00,160  
um

562  
00:20:04,149 --> 00:20:02,320  
the positive benefits are for me all the

563  
00:20:06,870 --> 00:20:04,159

time for example

564

00:20:08,710 --> 00:20:06,880

the last four years myself and four

565

00:20:10,710 --> 00:20:08,720

other remote viewers have been working

566

00:20:12,870 --> 00:20:10,720

in a project called crypto viewing

567

00:20:15,190 --> 00:20:12,880

and uh we have subscribers there who

568

00:20:17,430 --> 00:20:15,200

pays for information and what we do is

569

00:20:19,110 --> 00:20:17,440

we provide intuitive information on

570

00:20:21,430 --> 00:20:19,120

crypto currencies

571

00:20:22,870 --> 00:20:21,440

markets news predictions and we do the

572

00:20:26,549 --> 00:20:22,880

occasional mysteries target in there as

573

00:20:28,390 --> 00:20:26,559

well for them um but by using that data

574

00:20:30,950 --> 00:20:28,400

uh not only on its own but with other

575

00:20:32,630 --> 00:20:30,960

data as well uh that information i i

576

00:20:34,390 --> 00:20:32,640

provided myself through looking at

577

00:20:36,390 --> 00:20:34,400

cryptocurrency markets

578

00:20:39,190 --> 00:20:36,400

i've made my personal investment which

579

00:20:41,350 --> 00:20:39,200

was terrible i had no money uh two years

580

00:20:43,190 --> 00:20:41,360

ago but in the two years that i've been

581

00:20:46,470 --> 00:20:43,200

investing my very small amount available

582

00:20:48,630 --> 00:20:46,480

money that i can based on my crypto

583

00:20:50,310 --> 00:20:48,640

remote viewing i've increased my

584

00:20:51,750 --> 00:20:50,320

personal investment by six hundred

585

00:20:53,590 --> 00:20:51,760

percent

586

00:20:55,990 --> 00:20:53,600

and you know you can't get that from a

587

00:20:57,669 --> 00:20:56,000

bank or any in any other other way so

588

00:20:58,630 --> 00:20:57,679

that's that's that's a personal benefit

589

00:21:00,950 --> 00:20:58,640

for me

590

00:21:02,870 --> 00:21:00,960

um but you know i do have per i do have

591

00:21:04,549 --> 00:21:02,880

remote viewing sessions which were

592

00:21:05,990 --> 00:21:04,559

absolutely amazing as well which blew me

593

00:21:08,470 --> 00:21:06,000

away but i couldn't pick a single one

594

00:21:10,549 --> 00:21:08,480

and they're all good you know area 51

595

00:21:11,750 --> 00:21:10,559

roswell well i was i was going to ask

596

00:21:13,430 --> 00:21:11,760

but giving it

597

00:21:15,430 --> 00:21:13,440

that ufo podcast there's going to be

598

00:21:16,710 --> 00:21:15,440

listeners thinking let's hear some ufo

599

00:21:18,630 --> 00:21:16,720

related stuff

600

00:21:20,789 --> 00:21:18,640

could you could you give us one of those

601  
00:21:22,070 --> 00:21:20,799  
area 51 and roswell jump out as being

602  
00:21:23,590 --> 00:21:22,080  
massive names

603  
00:21:25,909 --> 00:21:23,600  
what sort of things have you remote

604  
00:21:27,750 --> 00:21:25,919  
viewed why did you remote view those and

605  
00:21:28,630 --> 00:21:27,760  
and what's your takeaways

606  
00:21:31,029 --> 00:21:28,640  
yeah

607  
00:21:32,230 --> 00:21:31,039  
all the targets i do are always blind so

608  
00:21:33,590 --> 00:21:32,240  
you know i don't know what the target is

609  
00:21:36,710 --> 00:21:33,600  
when it's given to me

610  
00:21:38,870 --> 00:21:36,720  
um and being a person interested in ufos

611  
00:21:39,830 --> 00:21:38,880  
some of those targets like roswell

612  
00:21:41,750 --> 00:21:39,840  
um

613  
00:21:44,070 --> 00:21:41,760

i've been waiting years for someone to

614

00:21:46,390 --> 00:21:44,080

blind me to ask me that target and it

615

00:21:48,470 --> 00:21:46,400

was only something like four years ago

616

00:21:50,230 --> 00:21:48,480

uh that courtney brown from the farsight

617

00:21:52,149 --> 00:21:50,240

institute uh he was the very first

618

00:21:55,669 --> 00:21:52,159

person that tasked me on on looking at

619

00:21:59,430 --> 00:21:55,679

roswell uh and i worked to project my uh

620

00:22:01,430 --> 00:21:59,440

with another um co-worker of mine on

621

00:22:02,789 --> 00:22:01,440

various projects called dick hargar we

622

00:22:06,390 --> 00:22:02,799

worked for the foresight institute we

623

00:22:08,710 --> 00:22:06,400

got some amazing data uh which which you

624

00:22:10,549 --> 00:22:08,720

know absolutely corresponds with you

625

00:22:13,029 --> 00:22:10,559

know some of the famous testimonies out

626

00:22:14,390 --> 00:22:13,039

there some of the jesse marcel stuff all

627

00:22:16,710 --> 00:22:14,400

the other all the other ones you know

628

00:22:19,029 --> 00:22:16,720

the corso uh testimony and what he said

629

00:22:20,789 --> 00:22:19,039

he did and saw all that kind of stuff so

630

00:22:22,870 --> 00:22:20,799

we had really good data and it is

631

00:22:24,710 --> 00:22:22,880

available nine it's on my you know i put

632

00:22:26,630 --> 00:22:24,720

it online for free

633

00:22:28,149 --> 00:22:26,640

with as well they can actually look at

634

00:22:29,909 --> 00:22:28,159

the uh

635

00:22:32,070 --> 00:22:29,919

paper because what i did in it on some

636

00:22:34,070 --> 00:22:32,080

of these projects i start off on paper

637

00:22:36,549 --> 00:22:34,080

or on tablet

638

00:22:38,070 --> 00:22:36,559

do several hundred pages of information

639

00:22:40,390 --> 00:22:38,080

and then the project manager will say to

640

00:22:42,470 --> 00:22:40,400

me at some point okay you finishing that

641

00:22:44,870 --> 00:22:42,480

now now let's get something on video

642

00:22:46,470 --> 00:22:44,880

door do it live on whiteboard

643

00:22:48,390 --> 00:22:46,480

and then i move to whiteboard i do my

644

00:22:49,590 --> 00:22:48,400

remote viewing live in front of a video

645

00:22:50,950 --> 00:22:49,600

camera

646

00:22:53,029 --> 00:22:50,960

and that's that's the case with the

647

00:22:55,190 --> 00:22:53,039

roswell and the other ufo ones that i

648

00:22:57,830 --> 00:22:55,200

have on my website for people to watch

649

00:22:59,909 --> 00:22:57,840

and they can download and view the paper

650

00:23:01,270 --> 00:22:59,919

sessions info as well

651  
00:23:02,710 --> 00:23:01,280  
and i'll get the links to those in the

652  
00:23:05,110 --> 00:23:02,720  
description

653  
00:23:08,630 --> 00:23:05,120  
with roswell for example are you are you

654  
00:23:10,390 --> 00:23:08,640  
rving the crash the scene is it is it

655  
00:23:11,750 --> 00:23:10,400  
glimpses is it more like a video that

656  
00:23:13,270 --> 00:23:11,760  
you see when you're actually remote

657  
00:23:15,830 --> 00:23:13,280  
viewing yeah

658  
00:23:17,830 --> 00:23:15,840  
uh it was the cr it was uh if i remember

659  
00:23:20,549 --> 00:23:17,840  
correctly i think the target was crash

660  
00:23:22,470 --> 00:23:20,559  
at corona in 1947 uh

661  
00:23:24,149 --> 00:23:22,480  
and add a few details there but yeah it

662  
00:23:27,110 --> 00:23:24,159  
was the essentially the crash event you

663  
00:23:28,789 --> 00:23:27,120

know and at one point in the rv i do uh

664

00:23:31,270 --> 00:23:28,799

i do sketch

665

00:23:33,190 --> 00:23:31,280

how and why the craft came down and

666

00:23:35,110 --> 00:23:33,200

embedded in the land and then you know

667

00:23:37,510 --> 00:23:35,120

the aftermath of it so

668

00:23:38,789 --> 00:23:37,520

with remote viewing i can i can move my

669

00:23:41,110 --> 00:23:38,799

you know because because i'm in control

670

00:23:43,430 --> 00:23:41,120

i move myself around the target so after

671

00:23:44,630 --> 00:23:43,440

say 20 sheets of paper i kind of know

672

00:23:48,390 --> 00:23:44,640

that

673

00:23:50,630 --> 00:23:48,400

and crashed you know i kind of built up

674

00:23:52,470 --> 00:23:50,640

that impression by that stage so then i

675

00:23:54,390 --> 00:23:52,480

i'm a bit like a psychic detective i

676  
00:23:56,549 --> 00:23:54,400  
moved myself around so that i would if i

677  
00:23:58,230 --> 00:23:56,559  
knew it was a structure that crashed i

678  
00:24:00,950 --> 00:23:58,240  
would then give myself a movement

679  
00:24:03,350 --> 00:24:00,960  
command something like now move inside

680  
00:24:05,830 --> 00:24:03,360  
the structure and describe so i would

681  
00:24:07,909 --> 00:24:05,840  
move inside it and i would describe how

682  
00:24:09,909 --> 00:24:07,919  
you know what went wrong the makeup of

683  
00:24:12,390 --> 00:24:09,919  
it the environment

684  
00:24:13,830 --> 00:24:12,400  
and and so on and yeah so you know by

685  
00:24:15,750 --> 00:24:13,840  
doing these movement commands and i

686  
00:24:17,590 --> 00:24:15,760  
probably did five or six on that one

687  
00:24:22,070 --> 00:24:17,600  
moving myself inside

688  
00:24:24,070 --> 00:24:22,080

describe their life forms and so on

689

00:24:25,830 --> 00:24:24,080

uh by doing that you build build up a

690

00:24:27,510 --> 00:24:25,840

really big general

691

00:24:29,269 --> 00:24:27,520

picture of the targets

692

00:24:31,269 --> 00:24:29,279

you mentioned that you'd waited a long

693

00:24:32,710 --> 00:24:31,279

time for someone to to give you that

694

00:24:34,710 --> 00:24:32,720

target that was when you were looking

695

00:24:36,870 --> 00:24:34,720

forward to remote viewing

696

00:24:39,430 --> 00:24:36,880

why can't you set yourself that target

697

00:24:40,950 --> 00:24:39,440

in remote viewing as something you know

698

00:24:42,710 --> 00:24:40,960

if it's a saturday evening you've got

699

00:24:44,950 --> 00:24:42,720

some time and you you've got a good

700

00:24:47,110 --> 00:24:44,960

headspace and you think i really want to

701  
00:24:49,029 --> 00:24:47,120  
get inside an event like roswell is it

702  
00:24:51,190 --> 00:24:49,039  
something you can do is it a way to do

703  
00:24:53,590 --> 00:24:51,200  
it or is it just it works better with

704  
00:24:55,830 --> 00:24:53,600  
that with that gift of the target

705  
00:24:58,390 --> 00:24:55,840  
some people do try to do it in in the

706  
00:25:00,149 --> 00:24:58,400  
way that they set themselves uh

707  
00:25:02,230 --> 00:25:00,159  
their own personal target pulls so what

708  
00:25:03,669 --> 00:25:02,240  
they do they'll write down the uh the

709  
00:25:05,830 --> 00:25:03,679  
target on a on a sheet of paper and

710  
00:25:07,750 --> 00:25:05,840  
they'll see it inside an envelope

711  
00:25:09,269 --> 00:25:07,760  
right around the number on the front and

712  
00:25:10,950 --> 00:25:09,279  
then they'll they'll do that and they'll

713  
00:25:13,510 --> 00:25:10,960

you know they'll do that

714

00:25:15,430 --> 00:25:13,520

50 100 times so they have a box of 50 or

715

00:25:17,909 --> 00:25:15,440

100 targets

716

00:25:19,830 --> 00:25:17,919

which you know but

717

00:25:21,510 --> 00:25:19,840

i won't do that i'm a bit more

718

00:25:22,950 --> 00:25:21,520

aggressive i won't take that approach

719

00:25:25,909 --> 00:25:22,960

and do my own because i still believe

720

00:25:27,590 --> 00:25:25,919

that even if you have a box of 250

721

00:25:30,149 --> 00:25:27,600

envelopes or targets that you've set

722

00:25:32,549 --> 00:25:30,159

yourself it's some level somewhere in

723

00:25:34,070 --> 00:25:32,559

your head you know what targets you've

724

00:25:36,230 --> 00:25:34,080

set you know what's in that box there

725

00:25:38,149 --> 00:25:36,240

somewhere so i won't work that way like

726

00:25:39,590 --> 00:25:38,159

i i want to be i'm a bit more of a

727

00:25:41,350 --> 00:25:39,600

purist on this

728

00:25:43,750 --> 00:25:41,360

you're almost giving yourself a bias

729

00:25:45,110 --> 00:25:43,760

that you you want that to be a target or

730

00:25:47,190 --> 00:25:45,120

like you say you know it's there so

731

00:25:48,549 --> 00:25:47,200

you've got an incline and with that not

732

00:25:49,909 --> 00:25:48,559

necessarily give you that kind of clear

733

00:25:51,669 --> 00:25:49,919

mind absolutely

734

00:25:54,230 --> 00:25:51,679

and you know why you can't set the

735

00:25:56,870 --> 00:25:54,240

target yourself for example and i can

736

00:25:59,990 --> 00:25:56,880

use an example let's say for example the

737

00:26:02,149 --> 00:26:00,000

target would be the eiffel tower

738

00:26:04,070 --> 00:26:02,159

and we all know what the eiffel tower

739

00:26:05,510 --> 00:26:04,080

looks like we all know it's in paris we

740

00:26:06,870 --> 00:26:05,520

all know it's a tourist attraction we

741

00:26:08,470 --> 00:26:06,880

all know it's made out of metal and it's

742

00:26:10,789 --> 00:26:08,480

like a tower that moves that words you

743

00:26:11,909 --> 00:26:10,799

know in a concave motion

744

00:26:13,830 --> 00:26:11,919

um

745

00:26:15,830 --> 00:26:13,840

so how did you score that information

746

00:26:17,430 --> 00:26:15,840

what information could you provide about

747

00:26:19,590 --> 00:26:17,440

the eiffel tower that you could score

748

00:26:23,190 --> 00:26:19,600

you didn't already know

749

00:26:27,590 --> 00:26:24,950

i suppose though um

750

00:26:30,070 --> 00:26:27,600

let me come back on that one as someone

751

00:26:31,750 --> 00:26:30,080

who again like people ask me what

752

00:26:34,230 --> 00:26:31,760

regularly what event would you love to

753

00:26:36,470 --> 00:26:34,240

witness and i suppose i do say roswell

754

00:26:39,350 --> 00:26:36,480

now i've got in my head from various tv

755

00:26:41,350 --> 00:26:39,360

shows movies books you know that scene

756

00:26:43,590 --> 00:26:41,360

being played out in different ways

757

00:26:45,990 --> 00:26:43,600

as a remote viewer though would you say

758

00:26:47,430 --> 00:26:46,000

you could remote view an event that you

759

00:26:49,669 --> 00:26:47,440

you've never seen

760

00:26:51,750 --> 00:26:49,679

the genuine event or again would that

761

00:26:53,669 --> 00:26:51,760

bias potentially be there because you

762

00:26:55,510 --> 00:26:53,679

already have seen the movies and tv

763

00:26:58,230 --> 00:26:55,520

shows and you've built up a picture

764

00:27:03,350 --> 00:27:01,350

it's a good question i think that uh

765

00:27:05,029 --> 00:27:03,360

undoubtedly we can remove a few things

766

00:27:08,470 --> 00:27:05,039

that we've never seen or experienced

767

00:27:10,470 --> 00:27:08,480

before i do think though that

768

00:27:13,029 --> 00:27:10,480

it's also possible

769

00:27:14,710 --> 00:27:13,039

for remote viewers to

770

00:27:17,510 --> 00:27:14,720

remote view

771

00:27:20,149 --> 00:27:17,520

belief systems or myths that have built

772

00:27:23,510 --> 00:27:20,159

up about certain things as well because

773

00:27:25,430 --> 00:27:23,520

you know um the myth over i don't say

774

00:27:27,909 --> 00:27:25,440

the myth but you know the stories and

775

00:27:31,029 --> 00:27:27,919

the mythology about a big target like

776  
00:27:33,350 --> 00:27:31,039  
roswell you know we have was it 70 years

777  
00:27:35,830 --> 00:27:33,360  
worth of mythology and theories and

778  
00:27:38,789 --> 00:27:35,840  
character theories and that that exists

779  
00:27:41,430 --> 00:27:38,799  
at some level of human consciousness

780  
00:27:43,669 --> 00:27:41,440  
um so i do believe that it's very it's

781  
00:27:44,710 --> 00:27:43,679  
just as easy for a remote viewer to pick

782  
00:27:47,029 --> 00:27:44,720  
up on

783  
00:27:48,389 --> 00:27:47,039  
the actual real target

784  
00:27:50,710 --> 00:27:48,399  
as much as it is

785  
00:27:53,990 --> 00:27:50,720  
we can also pick up on

786  
00:27:55,590 --> 00:27:54,000  
a fallacy about that target or yeah or

787  
00:27:59,029 --> 00:27:55,600  
something that's not actually real about

788  
00:28:01,350 --> 00:27:59,039

that target um so the only way to

789

00:28:02,870 --> 00:28:01,360

determine if the remote viewer is

790

00:28:04,630 --> 00:28:02,880

accurate or not is having enough

791

00:28:06,630 --> 00:28:04,640

feedback information

792

00:28:08,470 --> 00:28:06,640

to then assess what the remote viewer

793

00:28:10,549 --> 00:28:08,480

says for accuracy

794

00:28:12,389 --> 00:28:10,559

i can understand that you mentioned

795

00:28:15,029 --> 00:28:12,399

people and organizations have approached

796

00:28:17,110 --> 00:28:15,039

you in the past to do work for them how

797

00:28:20,470 --> 00:28:17,120

does that process go you know where do

798

00:28:22,789 --> 00:28:20,480

they find a remote viewer as such um can

799

00:28:25,350 --> 00:28:22,799

you speak on some of the organizations

800

00:28:27,190 --> 00:28:25,360

and types of work you've done as well

801

00:28:29,029 --> 00:28:27,200

yeah yeah i've done uh i've done huge

802

00:28:32,630 --> 00:28:29,039

amounts of projects over the years

803

00:28:35,590 --> 00:28:32,640

i did 250 plus missing persons cases for

804

00:28:38,389 --> 00:28:35,600

a group called find me in in america and

805

00:28:40,149 --> 00:28:38,399

that was essentially for

806

00:28:42,789 --> 00:28:40,159

pretty much i would say at one point or

807

00:28:44,870 --> 00:28:42,799

pretty much every police uh just you

808

00:28:46,389 --> 00:28:44,880

know state police force in america at

809

00:28:47,909 --> 00:28:46,399

some level and this was generally on

810

00:28:50,870 --> 00:28:47,919

co-cases you know they have nowhere else

811

00:28:53,110 --> 00:28:50,880

to go so they go to a a group of

812

00:28:54,230 --> 00:28:53,120

psychics that are run by an ex-dea agent

813

00:28:56,470 --> 00:28:54,240

so you know you have that law

814

00:28:58,389 --> 00:28:56,480

enforcement connection there anyway

815

00:29:01,110 --> 00:28:58,399

uh and we worked yeah as i said i worked

816

00:29:04,710 --> 00:29:01,120

250 missing persons cases uh over a

817

00:29:07,510 --> 00:29:06,230

i hate interrupting but what sort of

818

00:29:10,070 --> 00:29:07,520

success rate did you have with that

819

00:29:12,630 --> 00:29:10,080

working on those 250 cases i did have

820

00:29:15,110 --> 00:29:12,640

the stats on that um i it's not a huge

821

00:29:16,630 --> 00:29:15,120

amount because you know there are just a

822

00:29:18,149 --> 00:29:16,640

vast amount of people around the globe

823

00:29:19,269 --> 00:29:18,159

that just disappear and they're never

824

00:29:21,590 --> 00:29:19,279

seen again

825

00:29:23,350 --> 00:29:21,600

but if i remember correctly i think i i

826

00:29:25,269 --> 00:29:23,360

believe the latest stats that were given

827

00:29:27,510 --> 00:29:25,279

to me by defying me group what's

828

00:29:30,870 --> 00:29:27,520

something like three per three percent

829

00:29:32,710 --> 00:29:30,880

in finding uh people i think even one

830

00:29:33,990 --> 00:29:32,720

person you're that's one person that

831

00:29:36,389 --> 00:29:34,000

might not have been found without that

832

00:29:39,430 --> 00:29:36,399

so that's absolutely pretty incredible

833

00:29:41,110 --> 00:29:39,440

we're not saying it's an ideal situation

834

00:29:43,190 --> 00:29:41,120

police have no one police and families

835

00:29:45,350 --> 00:29:43,200

have nowhere else to go so why not and

836

00:29:47,350 --> 00:29:45,360

we know we do have and i i have many

837

00:29:48,149 --> 00:29:47,360

records from police chiefs

838

00:29:49,750 --> 00:29:48,159

uh

839

00:29:51,909 --> 00:29:49,760

and some of these organizations you know

840

00:29:53,590 --> 00:29:51,919

saying okay thank you you did help us

841

00:29:55,269 --> 00:29:53,600

find this person

842

00:29:56,870 --> 00:29:55,279

in most cases when we do find people and

843

00:29:58,549 --> 00:29:56,880

they've been missing for a while we have

844

00:30:01,110 --> 00:29:58,559

to be honest they're you know they're

845

00:30:03,909 --> 00:30:01,120

more often than not deceased in in some

846

00:30:05,990 --> 00:30:03,919

way or another um but we do have and i

847

00:30:07,750 --> 00:30:06,000

have personal letters from you know

848

00:30:09,350 --> 00:30:07,760

police chief saying you know we found

849

00:30:11,510 --> 00:30:09,360

this person's body and you know so it

850

00:30:13,669 --> 00:30:11,520

gave closure to the family we only did

851  
00:30:15,029 --> 00:30:13,679  
so because of you guys as a as a team

852  
00:30:16,710 --> 00:30:15,039  
providing

853  
00:30:18,789 --> 00:30:16,720  
and what we do is we provide gps

854  
00:30:20,310 --> 00:30:18,799  
coordinates so you know we work blind

855  
00:30:22,630 --> 00:30:20,320  
the police say you know

856  
00:30:24,389 --> 00:30:22,640  
here's your number and we do our thing

857  
00:30:25,510 --> 00:30:24,399  
we provide a gps coordinate they go

858  
00:30:27,029 --> 00:30:25,520  
there and

859  
00:30:28,950 --> 00:30:27,039  
if the person's there or not then you

860  
00:30:30,549 --> 00:30:28,960  
know it's good and bad

861  
00:30:33,029 --> 00:30:30,559  
on your own youtube channel you

862  
00:30:35,430 --> 00:30:33,039  
interviewed nick cook and you had

863  
00:30:38,310 --> 00:30:35,440

mentioned on the interview that you were

864

00:30:40,549 --> 00:30:38,320

hired by tom delong and to the stars

865

00:30:42,470 --> 00:30:40,559

academy for a project and i'd like to

866

00:30:44,950 --> 00:30:42,480

ask you about that is it ongoing what

867

00:30:46,789 --> 00:30:44,960

did it involve

868

00:30:48,310 --> 00:30:46,799

yes uh

869

00:30:50,149 --> 00:30:48,320

i spoke to them for a while and it was a

870

00:30:51,830 --> 00:30:50,159

project where

871

00:30:53,750 --> 00:30:51,840

because i wanted to be involved i

872

00:30:55,909 --> 00:30:53,760

stepped back from project managing it

873

00:30:59,110 --> 00:30:55,919

and hired a project manager as the go

874

00:31:01,029 --> 00:30:59,120

between between myself and them

875

00:31:03,830 --> 00:31:01,039

and myself and a team of i think

876  
00:31:08,070 --> 00:31:03,840  
something like 10 or 12 remote viewers

877  
00:31:10,549 --> 00:31:08,080  
worked on the project for tom to launch

878  
00:31:11,990 --> 00:31:10,559  
and it was a uap related

879  
00:31:13,110 --> 00:31:12,000  
project

880  
00:31:15,509 --> 00:31:13,120  
a future

881  
00:31:17,590 --> 00:31:15,519  
related

882  
00:31:20,789 --> 00:31:17,600  
uap project bear in mind we did it

883  
00:31:23,350 --> 00:31:20,799  
probably two years ago now as well

884  
00:31:25,190 --> 00:31:23,360  
um and altogether you know uh i was

885  
00:31:26,549 --> 00:31:25,200  
slightly informed on that one not so

886  
00:31:27,990 --> 00:31:26,559  
blind in the fact that i knew who the

887  
00:31:29,509 --> 00:31:28,000  
client was

888  
00:31:30,549 --> 00:31:29,519

um because you know he contacted me

889

00:31:31,750 --> 00:31:30,559

first

890

00:31:34,230 --> 00:31:31,760

um

891

00:31:35,590 --> 00:31:34,240

but myself and all the other data that

892

00:31:37,029 --> 00:31:35,600

i've seen from the other remote viewers

893

00:31:39,909 --> 00:31:37,039

because i have a full report on it it

894

00:31:42,230 --> 00:31:39,919

all overlaps and corresponds and you

895

00:31:44,870 --> 00:31:42,240

know highlights each other as well so

896

00:31:46,710 --> 00:31:44,880

very good consistent data and it's data

897

00:31:50,070 --> 00:31:46,720

consistent with

898

00:31:50,950 --> 00:31:50,080

typical uap craft and the occupants that

899

00:31:52,789 --> 00:31:50,960

are

900

00:31:55,990 --> 00:31:52,799

uh

901  
00:31:58,389 --> 00:31:56,000  
driving flying i i and this is where it

902  
00:32:00,470 --> 00:31:58,399  
gets complicated in this project in this

903  
00:32:02,070 --> 00:32:00,480  
subject for me because they're not so

904  
00:32:04,070 --> 00:32:02,080  
much

905  
00:32:06,070 --> 00:32:04,080  
driving the craft they're

906  
00:32:08,630 --> 00:32:06,080  
symbiotically

907  
00:32:10,470 --> 00:32:08,640  
connected to the craft

908  
00:32:13,110 --> 00:32:10,480  
um yeah so we detailed all that kind of

909  
00:32:15,909 --> 00:32:14,789  
my sketches alone you know i could i

910  
00:32:17,430 --> 00:32:15,919  
could uh

911  
00:32:19,029 --> 00:32:17,440  
probably offline and stuff show you my

912  
00:32:20,310 --> 00:32:19,039  
sketches you know i detail the the

913  
00:32:22,950 --> 00:32:20,320

occupants

914

00:32:24,470 --> 00:32:22,960

their uh brain structure you know the

915

00:32:26,789 --> 00:32:24,480

structure of their hands their bone

916

00:32:28,310 --> 00:32:26,799

structure how they integrate with this

917

00:32:30,230 --> 00:32:28,320

craft how the crap you know the layers

918

00:32:31,909 --> 00:32:30,240

of the graph how the craft dries works

919

00:32:32,870 --> 00:32:31,919

or you know we can get pretty much

920

00:32:36,789 --> 00:32:32,880

anything

921

00:32:38,549 --> 00:32:36,799

and and would you given a reason that

922

00:32:39,750 --> 00:32:38,559

you can divulge that they wanted you to

923

00:32:42,149 --> 00:32:39,760

do this

924

00:32:43,350 --> 00:32:42,159

no i you know i didn't i got the barest

925

00:32:45,830 --> 00:32:43,360

minimum of

926

00:32:47,990 --> 00:32:45,840

of information yeah

927

00:32:50,389 --> 00:32:48,000

and is that something that was a work

928

00:32:52,549 --> 00:32:50,399

that was done and complete and you've

929

00:32:54,789 --> 00:32:52,559

moved on yep

930

00:32:56,870 --> 00:32:54,799

yeah we it was a it was a month long or

931

00:32:59,110 --> 00:32:56,880

so project we as i said 10 remote

932

00:33:01,110 --> 00:32:59,120

viewers or more 10 or 11 remote viewers

933

00:33:03,590 --> 00:33:01,120

worked it and a project manager it was

934

00:33:05,509 --> 00:33:03,600

all paid paid work so every everyone was

935

00:33:08,070 --> 00:33:05,519

paid for their participation

936

00:33:10,789 --> 00:33:08,080

we gave a report i know the report went

937

00:33:12,549 --> 00:33:10,799

to tom and tom shared it with the other

938

00:33:15,509 --> 00:33:12,559

guys involved at the time how put off

939

00:33:17,669 --> 00:33:15,519

and all the others um and that's it i do

940

00:33:19,269 --> 00:33:17,679

occasionally speak to tom uh i

941

00:33:21,830 --> 00:33:19,279

occasionally share my

942

00:33:23,350 --> 00:33:21,840

other ufo research

943

00:33:25,029 --> 00:33:23,360

remote viewing projects with him as well

944

00:33:27,350 --> 00:33:25,039

and he you know he likes to comment on

945

00:33:29,509 --> 00:33:27,360

those uh so we do have a smaller ongoing

946

00:33:30,470 --> 00:33:29,519

dialogue but yes but no other project

947

00:33:31,750 --> 00:33:30,480

since

948

00:33:33,669 --> 00:33:31,760

it's nice to hear that someone does

949

00:33:34,950 --> 00:33:33,679

still speak to tom on the ufo subject

950

00:33:37,430 --> 00:33:34,960

because he doesn't speak to many people

951  
00:33:39,350 --> 00:33:37,440  
on it does he um that seems to have gone

952  
00:33:41,190 --> 00:33:39,360  
awfully quiet as of the last couple of

953  
00:33:42,870 --> 00:33:41,200  
years um

954  
00:33:44,950 --> 00:33:42,880  
talking about your prediction work

955  
00:33:47,110 --> 00:33:44,960  
before i'd like to touch back on that

956  
00:33:49,669 --> 00:33:47,120  
what have been some of the successes

957  
00:33:51,350 --> 00:33:49,679  
outside of the missing person stuff um

958  
00:33:54,470 --> 00:33:51,360  
that you've had worked with that i think

959  
00:33:56,230 --> 00:33:54,480  
you said 65 which is a phenomenal hit

960  
00:33:57,190 --> 00:33:56,240  
rate on on anything which is i kind of

961  
00:33:59,509 --> 00:33:57,200  
blind

962  
00:34:01,350 --> 00:33:59,519  
and yeah i suppose it's well above your

963  
00:34:02,310 --> 00:34:01,360

50 50 and would be a lucky guess

964

00:34:04,389 --> 00:34:02,320

wouldn't it

965

00:34:06,630 --> 00:34:04,399

yeah i'm happy with the predictive stuff

966

00:34:08,950 --> 00:34:06,640

that i do uh yeah and it is round about

967

00:34:10,149 --> 00:34:08,960

65 and what i can do is i can give you a

968

00:34:11,109 --> 00:34:10,159

link

969

00:34:11,990 --> 00:34:11,119

uh

970

00:34:16,069 --> 00:34:12,000

to

971

00:34:19,109 --> 00:34:16,079

all all my correct predictive uh news uh

972

00:34:20,869 --> 00:34:19,119

hits for the year 2020 so i put i put

973

00:34:22,710 --> 00:34:20,879

them all online on my website so someone

974

00:34:23,990 --> 00:34:22,720

can see all the ones that i actually got

975

00:34:25,669 --> 00:34:24,000

correct on there and there's probably

976

00:34:27,909 --> 00:34:25,679

about it's probably like sixty to a

977

00:34:30,550 --> 00:34:27,919

hundred all within the one page

978

00:34:32,629 --> 00:34:30,560

uh particular highlights for you oh

979

00:34:34,389 --> 00:34:32,639

there's just uh there's just so many i

980

00:34:36,230 --> 00:34:34,399

mean one really good highlight is one

981

00:34:38,389 --> 00:34:36,240

that i posted on facebook and twitter

982

00:34:40,310 --> 00:34:38,399

and everything today that i had um

983

00:34:43,030 --> 00:34:40,320

because what we do in crypto viewing is

984

00:34:44,790 --> 00:34:43,040

myself and the other uh for free for

985

00:34:47,109 --> 00:34:44,800

remote viewers we

986

00:34:49,109 --> 00:34:47,119

every month we always look a month ahead

987

00:34:52,389 --> 00:34:49,119

to see what the top news is going to be

988

00:34:53,909 --> 00:34:52,399

so in march we all did our re remote

989

00:34:55,750 --> 00:34:53,919

viewing sessions and recorded it on

990

00:34:58,230 --> 00:34:55,760

camera where we looked at what the top

991

00:35:00,550 --> 00:34:58,240

news for april would be

992

00:35:02,310 --> 00:35:00,560

and one of my you know i usually do

993

00:35:03,670 --> 00:35:02,320

around about 10 predictions you know so

994

00:35:05,109 --> 00:35:03,680

i do things like

995

00:35:07,670 --> 00:35:05,119

what bitcoin is going to do what the

996

00:35:09,750 --> 00:35:07,680

market's going to do top news in the us

997

00:35:11,190 --> 00:35:09,760

top news and then uk that this kind of

998

00:35:13,670 --> 00:35:11,200

thing

999

00:35:15,430 --> 00:35:13,680

and one of my predictions was that there

1000

00:35:16,630 --> 00:35:15,440

was going to be an incident with a big

1001  
00:35:18,310 --> 00:35:16,640

warship

1002  
00:35:20,150 --> 00:35:18,320

uh and there was gonna be an impact from

1003  
00:35:21,190 --> 00:35:20,160

the warship and it was gonna be all

1004  
00:35:22,470 --> 00:35:21,200

messy

1005  
00:35:24,310 --> 00:35:22,480

and there's gonna be an underwater

1006  
00:35:27,349 --> 00:35:24,320

element all this kind of stuff like drew

1007  
00:35:30,310 --> 00:35:27,359

this big gray warship of course we had

1008  
00:35:32,470 --> 00:35:30,320

the uh sinking of the uh the flagship

1009  
00:35:34,950 --> 00:35:32,480

warship from from from russia a few days

1010  
00:35:37,109 --> 00:35:34,960

back so yeah that's a big hit and in

1011  
00:35:38,790 --> 00:35:37,119

four years of doing this i don't think

1012  
00:35:40,470 --> 00:35:38,800

i've ever you know because i have to

1013  
00:35:42,950 --> 00:35:40,480

track the news to see how accurate we

1014

00:35:44,390 --> 00:35:42,960

are i don't think i've ever seen

1015

00:35:45,670 --> 00:35:44,400

anything in fact i've been told the

1016

00:35:47,349 --> 00:35:45,680

other day that

1017

00:35:49,910 --> 00:35:47,359

there hasn't been a sinking of a warship

1018

00:35:51,430 --> 00:35:49,920

at this size since since world war ii

1019

00:35:53,510 --> 00:35:51,440

so you know it's not like it's an

1020

00:35:55,430 --> 00:35:53,520

everyday occurrence for for a warship to

1021

00:35:56,710 --> 00:35:55,440

be in the news and it's being sunk

1022

00:35:58,950 --> 00:35:56,720

absolutely

1023

00:36:01,910 --> 00:35:58,960

and i want to ask um is there any issue

1024

00:36:03,670 --> 00:36:01,920

of sensitivity as part of predicting

1025

00:36:06,230 --> 00:36:03,680

events because are you potentially going

1026  
00:36:08,870 --> 00:36:06,240  
to see for example a warship being sunk

1027  
00:36:10,230 --> 00:36:08,880  
results in a loss of life however that's

1028  
00:36:12,710 --> 00:36:10,240  
still

1029  
00:36:15,190 --> 00:36:12,720  
relatively speaking a vague prediction

1030  
00:36:17,430 --> 00:36:15,200  
because you're not naming people or you

1031  
00:36:19,190 --> 00:36:17,440  
know locations that other people could

1032  
00:36:20,230 --> 00:36:19,200  
potentially see and think oh god that's

1033  
00:36:23,109 --> 00:36:20,240  
me you know

1034  
00:36:24,790 --> 00:36:23,119  
again to use i could example 911 to

1035  
00:36:26,550 --> 00:36:24,800  
remote view that in advance which people

1036  
00:36:28,630 --> 00:36:26,560  
have claimed to have done

1037  
00:36:30,470 --> 00:36:28,640  
that's that's quite an upsetting thing

1038  
00:36:32,150 --> 00:36:30,480

for people to hear so how do you go

1039

00:36:34,390 --> 00:36:32,160

about that sensitive part of the the

1040

00:36:36,790 --> 00:36:34,400

prediction yeah as a business as the

1041

00:36:38,310 --> 00:36:36,800

crypto viewing business we

1042

00:36:41,270 --> 00:36:38,320

sensor

1043

00:36:43,270 --> 00:36:41,280

a lot of the material we put out we do a

1044

00:36:44,150 --> 00:36:43,280

lot more remote viewing

1045

00:36:45,750 --> 00:36:44,160

uh

1046

00:36:47,990 --> 00:36:45,760

internally

1047

00:36:50,390 --> 00:36:48,000

than than we actually released even to

1048

00:36:53,750 --> 00:36:50,400

our paid members at times

1049

00:36:56,710 --> 00:36:53,760

uh for example in 2019

1050

00:36:57,910 --> 00:36:56,720

right into the early parts of 2020 we

1051  
00:36:59,349 --> 00:36:57,920  
were doing lots of remote viewing

1052  
00:37:01,510 --> 00:36:59,359  
projects when we were looking ahead at

1053  
00:37:03,190 --> 00:37:01,520  
future events in the us

1054  
00:37:05,510 --> 00:37:03,200  
and it was big events like the macy day

1055  
00:37:07,750 --> 00:37:05,520  
parade and stuff

1056  
00:37:09,430 --> 00:37:07,760  
and we've been getting these targets

1057  
00:37:11,190 --> 00:37:09,440  
and none of us as remote viewers would

1058  
00:37:12,870 --> 00:37:11,200  
be recording any information about

1059  
00:37:15,430 --> 00:37:12,880  
people any anything on the streets or

1060  
00:37:18,870 --> 00:37:15,440  
anything we couldn't understand in 2019

1061  
00:37:20,470 --> 00:37:18,880  
we couldn't understand why in 2020 we

1062  
00:37:22,630 --> 00:37:20,480  
were getting nothing happening for the

1063  
00:37:24,470 --> 00:37:22,640

macy's day parade and stuff

1064

00:37:26,230 --> 00:37:24,480

now that intrigued us and we we thought

1065

00:37:27,670 --> 00:37:26,240

something very big you know was going to

1066

00:37:28,790 --> 00:37:27,680

happen we didn't know what but we knew

1067

00:37:30,470 --> 00:37:28,800

something very big was going to happen

1068

00:37:32,550 --> 00:37:30,480

because the macy's day parade and others

1069

00:37:34,150 --> 00:37:32,560

weren't on but we couldn't release that

1070

00:37:37,109 --> 00:37:34,160

information to public because we didn't

1071

00:37:39,670 --> 00:37:37,119

know how to classify it on and you were

1072

00:37:41,670 --> 00:37:39,680

very aware at the same time of um

1073

00:37:43,349 --> 00:37:41,680

not being uh people that sell

1074

00:37:44,870 --> 00:37:43,359

predictions of doom you know just to

1075

00:37:46,630 --> 00:37:44,880

worry people to make money off it and

1076

00:37:47,910 --> 00:37:46,640

stuff like that so we are very

1077

00:37:50,630 --> 00:37:47,920

particular

1078

00:37:52,870 --> 00:37:50,640

on what we put out we do and at times we

1079

00:37:54,230 --> 00:37:52,880

do censor quite a bit of what we put out

1080

00:37:56,390 --> 00:37:54,240

as well

1081

00:37:59,750 --> 00:37:56,400

and just for anyone who

1082

00:38:02,550 --> 00:37:59,760

forgets uh 2020 coveted kicked off hence

1083

00:38:04,550 --> 00:38:02,560

there was no one in the streets

1084

00:38:06,710 --> 00:38:04,560

yeah at the time we didn't get that but

1085

00:38:08,150 --> 00:38:06,720

yeah uh you know and because we didn't

1086

00:38:09,589 --> 00:38:08,160

get it and we didn't know what was gonna

1087

00:38:12,150 --> 00:38:09,599

happen we knew something big was gonna

1088

00:38:13,510 --> 00:38:12,160

happen but we didn't know what exactly

1089

00:38:16,390 --> 00:38:13,520

we just didn't know what to do with the

1090

00:38:19,349 --> 00:38:16,400

information so we kept it all internal

1091

00:38:20,950 --> 00:38:19,359

no that that's fair um i want to ask uh

1092

00:38:22,390 --> 00:38:20,960

this is one that dan was talking to me

1093

00:38:24,150 --> 00:38:22,400

about as well have you ever used

1094

00:38:26,230 --> 00:38:24,160

training like the monroe hemisync

1095

00:38:29,109 --> 00:38:26,240

gateway experience to aid in your remote

1096

00:38:30,710 --> 00:38:29,119

viewing or enhance those skills

1097

00:38:33,270 --> 00:38:30,720

yeah i used it for a while in my early

1098

00:38:35,190 --> 00:38:33,280

days of training and it works

1099

00:38:37,349 --> 00:38:35,200

very well and a lot of the remote

1100

00:38:38,630 --> 00:38:37,359

viewers that i work with and i hire on

1101

00:38:41,109 --> 00:38:38,640

occasion

1102

00:38:42,470 --> 00:38:41,119

and even practice with and stuff they uh

1103

00:38:45,750 --> 00:38:42,480

they still use those techniques

1104

00:38:47,109 --> 00:38:45,760

themselves i'm at a stage now where i do

1105

00:38:49,589 --> 00:38:47,119

like to listen to music when i remote

1106

00:38:51,910 --> 00:38:49,599

view which is weird uh but i tend to

1107

00:38:53,829 --> 00:38:51,920

just stick any kind of classical music

1108

00:38:56,069 --> 00:38:53,839

on i use soundtracks so i like the

1109

00:38:58,069 --> 00:38:56,079

interstellar soundtrack and i like

1110

00:39:00,230 --> 00:38:58,079

soundtracks because they have no c in it

1111

00:39:01,910 --> 00:39:00,240

so there's no words so which i find good

1112

00:39:04,470 --> 00:39:01,920

because then it doesn't you know make

1113

00:39:05,829 --> 00:39:04,480

make imagery form in my mind of from

1114

00:39:07,430 --> 00:39:05,839

from the words

1115

00:39:09,589 --> 00:39:07,440

uh but other remote viewers yes they

1116

00:39:12,150 --> 00:39:09,599

definitely live and die by different

1117

00:39:14,230 --> 00:39:12,160

hemisinks to get them in the right state

1118

00:39:16,550 --> 00:39:14,240

of mind personally after 25 years of

1119

00:39:18,150 --> 00:39:16,560

doing this now i you know if i i

1120

00:39:19,990 --> 00:39:18,160

literally just sit down

1121

00:39:21,910 --> 00:39:20,000

like i would here at this desk now

1122

00:39:24,790 --> 00:39:21,920

and just i would just like

1123

00:39:26,870 --> 00:39:24,800

rel i can internally relax myself in

1124

00:39:28,950 --> 00:39:26,880

five seconds to get myself into the zone

1125

00:39:30,550 --> 00:39:28,960

because 25 years of doing something you

1126

00:39:32,390 --> 00:39:30,560

just learn to do that

1127

00:39:33,910 --> 00:39:32,400

yeah i can appreciate the the no words

1128

00:39:36,230 --> 00:39:33,920

thing in the music i've got a very

1129

00:39:38,470 --> 00:39:36,240

active imagination in mind and i

1130

00:39:41,190 --> 00:39:38,480

struggle to even you know trying you

1131

00:39:42,390 --> 00:39:41,200

know human initiated contact c5 whatever

1132

00:39:44,550 --> 00:39:42,400

it might be i've always said on the

1133

00:39:46,710 --> 00:39:44,560

podcast one day i'll try it properly and

1134

00:39:48,630 --> 00:39:46,720

and dan's always telling me too but i

1135

00:39:50,870 --> 00:39:48,640

struggle to go outside and clear my head

1136

00:39:52,950 --> 00:39:50,880

and look up and concentrate for that

1137

00:39:55,109 --> 00:39:52,960

long so yeah what kind of advice do you

1138

00:39:56,950 --> 00:39:55,119

give to someone like me who is trying to

1139

00:39:58,150 --> 00:39:56,960

do that and clear their head i would

1140

00:39:59,910 --> 00:39:58,160

give

1141

00:40:02,790 --> 00:39:59,920

any everyone the advice just for better

1142

00:40:04,870 --> 00:40:02,800

health uh and for anything to do remote

1143

00:40:09,190 --> 00:40:04,880

viewing and psychic work uh

1144

00:40:11,990 --> 00:40:09,200

any form of basic meditation is

1145

00:40:14,309 --> 00:40:12,000

it's key i would yeah i would see key to

1146

00:40:16,390 --> 00:40:14,319

my development uh i did a lot of

1147

00:40:18,630 --> 00:40:16,400

meditation for many years before i got

1148

00:40:21,190 --> 00:40:18,640

into the remote viewing side of things

1149

00:40:23,910 --> 00:40:21,200

uh and the experiences

1150

00:40:26,069 --> 00:40:23,920

i had for doing normal meditation and

1151

00:40:28,870 --> 00:40:26,079

the realms you see the life forms you

1152

00:40:30,550 --> 00:40:28,880

see and just getting to know yourself uh

1153

00:40:33,270 --> 00:40:30,560

in your body and feeling it relax and

1154

00:40:35,030 --> 00:40:33,280

stuff it's just so beneficial on so many

1155

00:40:37,589 --> 00:40:35,040

levels and it's so easy to do you know

1156

00:40:39,030 --> 00:40:37,599

your videos apps courses all over the

1157

00:40:41,510 --> 00:40:39,040

place between this nice so there's

1158

00:40:43,510 --> 00:40:41,520

there's no real excuse we need to take

1159

00:40:44,790 --> 00:40:43,520

you know to not take 10 minutes out to

1160

00:40:46,309 --> 00:40:44,800

meditate and you know it doesn't have to

1161

00:40:48,390 --> 00:40:46,319

be an hour-long meditation initially

1162

00:40:50,870 --> 00:40:48,400

kind of for 10-15 minutes at a time and

1163

00:40:52,710 --> 00:40:50,880

it'd be hugely beneficial for you

1164

00:40:55,030 --> 00:40:52,720

do you feel there's any link between

1165

00:40:57,430 --> 00:40:55,040

remote viewing as a practice and things

1166

00:40:59,109 --> 00:40:57,440

like astral projection or you hear

1167

00:41:01,910 --> 00:40:59,119

people talking about downloads and

1168

00:41:05,109 --> 00:41:01,920

receiving downloads from entities

1169

00:41:06,870 --> 00:41:05,119

yeah i think it's all it's all uh

1170

00:41:08,309 --> 00:41:06,880

how i class what we do with remote

1171

00:41:09,589 --> 00:41:08,319

viewing and everything else i did in the

1172

00:41:11,030 --> 00:41:09,599

past with the you know with the

1173

00:41:14,069 --> 00:41:11,040

clairvoyance and channeling and

1174

00:41:16,069 --> 00:41:14,079

mediumship uh i see it like a

1175

00:41:17,750 --> 00:41:16,079

you know it's not there's no uh

1176

00:41:20,710 --> 00:41:17,760

delineation between all this it's just

1177

00:41:22,069 --> 00:41:20,720

like a huge spectrum of frequencies

1178

00:41:23,670 --> 00:41:22,079

if you can imagine that way or a huge

1179

00:41:25,750 --> 00:41:23,680

spectrum of cutters

1180

00:41:27,910 --> 00:41:25,760

and you know when you just progress or

1181

00:41:29,349 --> 00:41:27,920

move between the these frequencies or

1182

00:41:30,710 --> 00:41:29,359

cutters

1183

00:41:32,390 --> 00:41:30,720

yeah uh

1184

00:41:34,230 --> 00:41:32,400

that's the easiest way i can i can say

1185

00:41:36,150 --> 00:41:34,240

it really

1186

00:41:39,270 --> 00:41:36,160

some have spoken about encountering

1187

00:41:40,790 --> 00:41:39,280

other entities whilst they remote view

1188

00:41:42,550 --> 00:41:40,800

uh especially in the remote viewing

1189

00:41:44,230 --> 00:41:42,560

space and putting themselves out there

1190

00:41:45,910 --> 00:41:44,240

have you ever encountered anything like

1191

00:41:48,230 --> 00:41:45,920

that you mentioned the roswell remote

1192

00:41:51,109 --> 00:41:48,240

viewing and you you moved yourself into

1193

00:41:52,950 --> 00:41:51,119

the bodies of other life forms

1194

00:41:54,950 --> 00:41:52,960

at most targets uh

1195

00:41:56,630 --> 00:41:54,960

you know and this includes normal

1196

00:41:58,069 --> 00:41:56,640

day-to-day targets like you know when

1197

00:42:00,870 --> 00:41:58,079

i'm doing the cryptos

1198

00:42:02,870 --> 00:42:00,880

uh i will i would look at the ceo

1199

00:42:04,630 --> 00:42:02,880

of the crypto to see how they're doing

1200

00:42:05,910 --> 00:42:04,640

maybe move inside their mind to see what

1201  
00:42:08,790 --> 00:42:05,920  
they're thinking at the time that kind

1202  
00:42:10,710 --> 00:42:08,800  
of thing um so it's yeah we can do it's

1203  
00:42:12,470 --> 00:42:10,720  
not just um

1204  
00:42:14,069 --> 00:42:12,480  
non-physical life forms that we can

1205  
00:42:15,990 --> 00:42:14,079  
interact with we can interact with

1206  
00:42:16,950 --> 00:42:16,000  
physical ones as well on many different

1207  
00:42:19,190 --> 00:42:16,960  
levels

1208  
00:42:21,270 --> 00:42:19,200  
and you know you can do that without

1209  
00:42:24,230 --> 00:42:21,280  
reviewing you can do that you know in

1210  
00:42:25,670 --> 00:42:24,240  
channeling in guided meditations or

1211  
00:42:27,829 --> 00:42:25,680  
anything it's

1212  
00:42:29,349 --> 00:42:27,839  
it's an amazing world out there it's

1213  
00:42:31,510 --> 00:42:29,359

it's like

1214

00:42:33,589 --> 00:42:31,520

there's this vast universe and it's got

1215

00:42:35,190 --> 00:42:33,599

so many layers to it and each layer you

1216

00:42:37,430 --> 00:42:35,200

encounter has

1217

00:42:40,309 --> 00:42:37,440

a smorgasbord of different

1218

00:42:43,109 --> 00:42:40,319

non-physical and physical life forms and

1219

00:42:45,990 --> 00:42:43,119

it's just that unfortunately as humans

1220

00:42:47,589 --> 00:42:46,000

our physical eyes are blind to to to

1221

00:42:49,990 --> 00:42:47,599

most of this

1222

00:42:51,990 --> 00:42:50,000

and when you remote view any of these

1223

00:42:53,349 --> 00:42:52,000

physical life forms

1224

00:42:55,349 --> 00:42:53,359

is there ever

1225

00:42:57,349 --> 00:42:55,359

a connection the other way that they're

1226  
00:42:59,109 --> 00:42:57,359  
aware that you are there remote viewing

1227  
00:43:01,670 --> 00:42:59,119  
them

1228  
00:43:03,190 --> 00:43:01,680  
i only found that once

1229  
00:43:05,109 --> 00:43:03,200  
and that was in

1230  
00:43:08,069 --> 00:43:05,119  
looking at the

1231  
00:43:10,630 --> 00:43:08,079  
occupants in the craft that was the

1232  
00:43:13,109 --> 00:43:10,640  
phoenix lights craft

1233  
00:43:14,150 --> 00:43:13,119  
um that was the only time where i felt

1234  
00:43:15,349 --> 00:43:14,160  
that they

1235  
00:43:17,190 --> 00:43:15,359  
yeah

1236  
00:43:19,990 --> 00:43:17,200  
even though i was looking at something

1237  
00:43:22,150 --> 00:43:20,000  
like 10 15 years after the event

1238  
00:43:24,470 --> 00:43:22,160

it felt like uh there was a connection

1239

00:43:25,910 --> 00:43:24,480

there and they knew yeah in

1240

00:43:29,030 --> 00:43:25,920

it's very strange you see you know i'm

1241

00:43:31,510 --> 00:43:29,040

reviewing a target 15 years before but

1242

00:43:32,230 --> 00:43:31,520

it felt like the connection was direct

1243

00:43:38,230 --> 00:43:32,240

at

1244

00:43:39,829 --> 00:43:38,240

yeah it's a very

1245

00:43:41,670 --> 00:43:39,839

huge conundrum for

1246

00:43:43,270 --> 00:43:41,680

from time you know and a lot of roommate

1247

00:43:45,109 --> 00:43:43,280

reviewers don't believe that time exists

1248

00:43:46,069 --> 00:43:45,119

because of what we can do with remote

1249

00:43:47,030 --> 00:43:46,079

viewing

1250

00:43:48,470 --> 00:43:47,040

um

1251  
00:43:50,309 --> 00:43:48,480  
but yeah that was the that was the only

1252  
00:43:51,829 --> 00:43:50,319  
time i feel connection

1253  
00:43:53,030 --> 00:43:51,839  
for me as a pro i mean we all have

1254  
00:43:54,550 --> 00:43:53,040  
different belief systems we've been

1255  
00:43:56,550 --> 00:43:54,560  
reviewing

1256  
00:43:58,950 --> 00:43:56,560  
but for me as a as a remote viewer i

1257  
00:44:00,950 --> 00:43:58,960  
don't i'm not sure i actually believe or

1258  
00:44:02,550 --> 00:44:00,960  
have seen any evidence in that in the

1259  
00:44:03,510 --> 00:44:02,560  
hundreds of thousands of projects i've

1260  
00:44:08,230 --> 00:44:03,520  
seen

1261  
00:44:10,390 --> 00:44:08,240  
evidence that we actually in any way

1262  
00:44:12,309 --> 00:44:10,400  
travel to the targets

1263  
00:44:14,309 --> 00:44:12,319

i think that all the information about

1264

00:44:16,630 --> 00:44:14,319

everything in the known universe past

1265

00:44:18,470 --> 00:44:16,640

present future is

1266

00:44:20,069 --> 00:44:18,480

accessible within all of us so i think

1267

00:44:22,470 --> 00:44:20,079

it's just information that within me

1268

00:44:23,829 --> 00:44:22,480

that i'm accessing at some level

1269

00:44:25,670 --> 00:44:23,839

now the phoenix lights event is a

1270

00:44:27,190 --> 00:44:25,680

particular favorite of mine so i'd be

1271

00:44:29,430 --> 00:44:27,200

remiss not to ask you for some more

1272

00:44:31,910 --> 00:44:29,440

detail there what was the background to

1273

00:44:34,150 --> 00:44:31,920

to remote viewing that particular target

1274

00:44:36,470 --> 00:44:34,160

and could you elaborate any more on the

1275

00:44:37,990 --> 00:44:36,480

actual experience of the session

1276

00:44:39,190 --> 00:44:38,000

yeah that was that was my one of my

1277

00:44:41,030 --> 00:44:39,200

favorites because i actually did some

1278

00:44:43,589 --> 00:44:41,040

really good sketches of a triangle

1279

00:44:45,349 --> 00:44:43,599

shaped craft above the city on that one

1280

00:44:47,030 --> 00:44:45,359

uh again it was a blind target given to

1281

00:44:49,030 --> 00:44:47,040

me i think yeah it was given to me by

1282

00:44:52,630 --> 00:44:49,040

the fireside institute

1283

00:44:55,030 --> 00:44:52,640

um oh it must be 10 10 years ago now and

1284

00:44:56,710 --> 00:44:55,040

again it was blind myself dick however

1285

00:44:59,109 --> 00:44:56,720

and i think another remote viewer worked

1286

00:45:01,270 --> 00:44:59,119

that one and we worked it on paper and

1287

00:45:03,990 --> 00:45:01,280

then live on video

1288

00:45:05,510 --> 00:45:04,000

and yeah we just had some amazing detail

1289

00:45:07,430 --> 00:45:05,520

of

1290

00:45:10,950 --> 00:45:07,440

a really advanced technology that was

1291

00:45:12,950 --> 00:45:10,960

flying strangely over an urban location

1292

00:45:14,470 --> 00:45:12,960

and i did describe and draw the you know

1293

00:45:16,550 --> 00:45:14,480

this triangle

1294

00:45:19,109 --> 00:45:16,560

shaped craft in great detail

1295

00:45:21,589 --> 00:45:19,119

and then you know having some kind of

1296

00:45:23,750 --> 00:45:21,599

conversation or interaction i should say

1297

00:45:26,069 --> 00:45:23,760

that's a better interaction with the

1298

00:45:27,670 --> 00:45:26,079

life forms that were involved in in that

1299

00:45:29,349 --> 00:45:27,680

event

1300

00:45:33,349 --> 00:45:29,359

and and what was that back and forward

1301

00:45:36,309 --> 00:45:34,870

yeah i do so many of these to be honest

1302

00:45:38,390 --> 00:45:36,319

i can't remember all of it i'd have to

1303

00:45:40,470 --> 00:45:38,400

watch the video again but i do vaguely

1304

00:45:42,309 --> 00:45:40,480

remember that it was the only and first

1305

00:45:44,069 --> 00:45:42,319

time that

1306

00:45:45,190 --> 00:45:44,079

it wasn't just me getting information

1307

00:45:47,510 --> 00:45:45,200

that seemed to be

1308

00:45:49,349 --> 00:45:47,520

me connected to an information pathway

1309

00:45:51,910 --> 00:45:49,359

it was more like

1310

00:45:54,309 --> 00:45:51,920

there was a two-way connection they knew

1311

00:45:58,150 --> 00:45:54,319

i was getting information um they didn't

1312

00:45:59,030 --> 00:45:58,160

seem to mind um but they didn't seem to

1313

00:46:00,390 --> 00:45:59,040

not

1314

00:46:02,630 --> 00:46:00,400

i'm trying to think of the right word

1315

00:46:06,069 --> 00:46:02,640

it's not that they weren't friendly

1316

00:46:07,829 --> 00:46:06,079

they were just vaguely neutral in it all

1317

00:46:10,069 --> 00:46:07,839

you know it was almost like

1318

00:46:12,710 --> 00:46:10,079

i was an inconvenience

1319

00:46:14,230 --> 00:46:12,720

were doing

1320

00:46:15,990 --> 00:46:14,240

and maybe they were a bit intrigued as

1321

00:46:19,190 --> 00:46:16,000

well that we were

1322

00:46:20,790 --> 00:46:19,200

kind of looking at them in in some way

1323

00:46:22,630 --> 00:46:20,800

sure it sounds like when a child walks

1324

00:46:24,390 --> 00:46:22,640

into the kitchen and you're cooking and

1325

00:46:27,030 --> 00:46:24,400

you're like yeah i mean you're not doing

1326  
00:46:29,030 --> 00:46:27,040  
any harm i'd rather you went here yeah

1327  
00:46:31,829 --> 00:46:29,040  
a bit like that but i if i remember

1328  
00:46:33,349 --> 00:46:31,839  
correctly we probably had that online in

1329  
00:46:34,870 --> 00:46:33,359  
somewhere as well so so people can

1330  
00:46:37,190 --> 00:46:34,880  
actually see the live

1331  
00:46:41,109 --> 00:46:37,200  
on camera viewing for all these projects

1332  
00:46:42,790 --> 00:46:41,119  
you know area 51 roswell um yeah i think

1333  
00:46:44,309 --> 00:46:42,800  
the phoenix likes us online in that in

1334  
00:46:45,670 --> 00:46:44,319  
that regard as well

1335  
00:46:46,790 --> 00:46:45,680  
that's when i'll go back and check out

1336  
00:46:47,750 --> 00:46:46,800  
myself

1337  
00:46:50,390 --> 00:46:47,760  
what are some of the common

1338  
00:46:51,589 --> 00:46:50,400

misconceptions on remote viewing that

1339

00:46:53,270 --> 00:46:51,599

you hear

1340

00:46:55,270 --> 00:46:53,280

yeah the biggest one is and it's all

1341

00:46:57,349 --> 00:46:55,280

down to the name reading remote viewing

1342

00:47:00,150 --> 00:46:57,359

in that most people think uh remote

1343

00:47:03,510 --> 00:47:00,160

viewing is is like a stream of images

1344

00:47:06,790 --> 00:47:03,520

in in your mind and in reality i would

1345

00:47:09,430 --> 00:47:06,800

say only one to two percent of the

1346

00:47:11,510 --> 00:47:09,440

information i get is a visual piece of

1347

00:47:15,030 --> 00:47:11,520

information and that visual piece of

1348

00:47:16,150 --> 00:47:15,040

information i will get is a bit like um

1349

00:47:17,589 --> 00:47:16,160

i don't know what they're called but you

1350

00:47:19,270 --> 00:47:17,599

know when you look at a bright light and

1351  
00:47:20,950 --> 00:47:19,280  
then you look away and you have a you

1352  
00:47:23,270 --> 00:47:20,960  
have that afterglow

1353  
00:47:25,670 --> 00:47:23,280  
that's that that's the quality

1354  
00:47:27,990 --> 00:47:25,680  
of the flash of visual information i'll

1355  
00:47:30,950 --> 00:47:28,000  
get it be like a quick millionth of a

1356  
00:47:32,790 --> 00:47:30,960  
second after glow that fastly dissipates

1357  
00:47:34,470 --> 00:47:32,800  
so that's how i get visual information

1358  
00:47:35,270 --> 00:47:34,480  
but the majority of the information for

1359  
00:47:36,870 --> 00:47:35,280  
me

1360  
00:47:38,790 --> 00:47:36,880  
and you know it's it's century stuff so

1361  
00:47:40,950 --> 00:47:38,800  
it's like smell taste touch you know i

1362  
00:47:43,430 --> 00:47:40,960  
can do all that at the target but for me

1363  
00:47:45,990 --> 00:47:43,440

it's just i have an internal feeling

1364

00:47:47,829 --> 00:47:46,000

that if i tasted the target it would

1365

00:47:49,910 --> 00:47:47,839

taste a certain way or if i smelt the

1366

00:47:51,670 --> 00:47:49,920

target it would smell a certain way so

1367

00:47:52,390 --> 00:47:51,680

it's all just words that bubble up from

1368

00:47:55,589 --> 00:47:52,400

my

1369

00:47:57,190 --> 00:47:55,599

unconscious are hardly visual in any way

1370

00:47:58,870 --> 00:47:57,200

i want to get into listener questions

1371

00:48:00,950 --> 00:47:58,880

because it touches on some of the things

1372

00:48:02,069 --> 00:48:00,960

i've i've not done any deep diving into

1373

00:48:04,230 --> 00:48:02,079

yet with you

1374

00:48:05,910 --> 00:48:04,240

you mentioned earlier you talked about

1375

00:48:07,990 --> 00:48:05,920

time and you've mentioned that many

1376

00:48:10,549 --> 00:48:08,000

remote viewers and many other people who

1377

00:48:13,670 --> 00:48:10,559

listen to this podcast that time doesn't

1378

00:48:16,470 --> 00:48:13,680

exist um do you lean towards

1379

00:48:18,230 --> 00:48:16,480

creation being multi-dimensional with

1380

00:48:20,309 --> 00:48:18,240

multiple timelines

1381

00:48:23,510 --> 00:48:20,319

um if so how do you know if a target is

1382

00:48:24,870 --> 00:48:23,520

from our timeline or another

1383

00:48:27,829 --> 00:48:24,880

again that's a good question and i don't

1384

00:48:30,150 --> 00:48:27,839

think we i don't think uh science

1385

00:48:33,589 --> 00:48:30,160

knows yet yeah the biggest studies they

1386

00:48:36,150 --> 00:48:33,599

did on removing was uh the 22 i think

1387

00:48:37,589 --> 00:48:36,160

22-year stargate uh

1388

00:48:39,750 --> 00:48:37,599

remote viewing study you know and that

1389

00:48:42,870 --> 00:48:39,760

was done at sri involving the military

1390

00:48:45,589 --> 00:48:42,880

they spent you know from 72 to 95

1391

00:48:47,750 --> 00:48:45,599

uh and a tune of 22 million dollars

1392

00:48:49,910 --> 00:48:47,760

researching remote viewing and they

1393

00:48:51,750 --> 00:48:49,920

didn't in all that time they didn't come

1394

00:48:52,710 --> 00:48:51,760

up with a theory of how remote viewing

1395

00:48:53,589 --> 00:48:52,720

works

1396

00:48:55,910 --> 00:48:53,599

and

1397

00:48:57,510 --> 00:48:55,920

today even you know another 20 years on

1398

00:49:00,309 --> 00:48:57,520

down the line again

1399

00:49:02,870 --> 00:49:00,319

i still see no evidence in any way of

1400

00:49:04,870 --> 00:49:02,880

what's going on no one has a clue about

1401  
00:49:06,150 --> 00:49:04,880  
how remote viewing works or how time

1402  
00:49:07,510 --> 00:49:06,160  
works

1403  
00:49:09,829 --> 00:49:07,520  
all we know is

1404  
00:49:11,670 --> 00:49:09,839  
it doesn't seem to be as linear as past

1405  
00:49:12,470 --> 00:49:11,680  
present and future as we we like to

1406  
00:49:14,150 --> 00:49:12,480  
think

1407  
00:49:16,950 --> 00:49:14,160  
because you know i have recorded

1408  
00:49:18,150 --> 00:49:16,960  
examples on my remote viewing online

1409  
00:49:20,549 --> 00:49:18,160  
where

1410  
00:49:22,870 --> 00:49:20,559  
the the project managers come to me and

1411  
00:49:24,950 --> 00:49:22,880  
says okay

1412  
00:49:27,270 --> 00:49:24,960  
there is no target right now

1413  
00:49:28,549 --> 00:49:27,280

but the event will happen in 30 days

1414

00:49:30,790 --> 00:49:28,559

from now

1415

00:49:32,710 --> 00:49:30,800

but that the event won't be chosen until

1416

00:49:34,950 --> 00:49:32,720

another 30 days after that by someone

1417

00:49:36,230 --> 00:49:34,960

who will go back look through the news

1418

00:49:36,950 --> 00:49:36,240

and pick it

1419

00:49:39,349 --> 00:49:36,960

but

1420

00:49:42,549 --> 00:49:39,359

i was essentially doing my remote

1421

00:49:44,630 --> 00:49:42,559

viewing for a target that didn't exist

1422

00:49:47,750 --> 00:49:44,640

as an event for 30 days and then it

1423

00:49:50,230 --> 00:49:47,760

wasn't picked as a target for 60 days

1424

00:49:51,589 --> 00:49:50,240

and yet my remote viewing was still

1425

00:49:52,710 --> 00:49:51,599

completely accurate on all those

1426

00:49:53,910 --> 00:49:52,720

projects

1427

00:49:55,510 --> 00:49:53,920

i mean how does that how does that

1428

00:49:57,510 --> 00:49:55,520

happen if i'm removing a target that

1429

00:50:00,309 --> 00:49:57,520

doesn't happen for 30 days and then it's

1430

00:50:02,230 --> 00:50:00,319

not even picked by some random way by

1431

00:50:05,910 --> 00:50:02,240

someone that i have no connection with

1432

00:50:07,670 --> 00:50:05,920

30 days after that so 60 days later it's

1433

00:50:09,910 --> 00:50:07,680

it's mind-boggling how it works we you

1434

00:50:11,910 --> 00:50:09,920

know we just

1435

00:50:14,230 --> 00:50:11,920

we're just stuck in a con conundrum at

1436

00:50:17,510 --> 00:50:14,240

the moment as remote viewers and

1437

00:50:19,270 --> 00:50:17,520

it's you know it it doesn't help in the

1438

00:50:22,549 --> 00:50:19,280

the official program was finished in

1439

00:50:25,109 --> 00:50:22,559

1995 and there hasn't been any

1440

00:50:27,829 --> 00:50:25,119

serious funding of remote viewing

1441

00:50:30,069 --> 00:50:27,839

research and theories and mechanisms

1442

00:50:31,910 --> 00:50:30,079

since you know you know it does need a a

1443

00:50:34,150 --> 00:50:31,920

big study you know almost like needs

1444

00:50:35,670 --> 00:50:34,160

like bob bigelow to come along and and

1445

00:50:38,470 --> 00:50:35,680

say yeah let's do a remote viewing

1446

00:50:40,150 --> 00:50:38,480

project study here's 10 million uh hire

1447

00:50:41,510 --> 00:50:40,160

the best people sit down for a year or

1448

00:50:43,190 --> 00:50:41,520

two and do it

1449

00:50:44,870 --> 00:50:43,200

that that question is from jared i

1450

00:50:46,230 --> 00:50:44,880

forgot to mention just to follow up on

1451

00:50:48,630 --> 00:50:46,240

that though it does

1452

00:50:51,750 --> 00:50:48,640

you mentioned the the previous

1453

00:50:53,670 --> 00:50:51,760

programs finished in 1995. does it not

1454

00:50:56,230 --> 00:50:53,680

give you some kind of hope or have you

1455

00:50:57,430 --> 00:50:56,240

ever had any incline that other projects

1456

00:50:59,589 --> 00:50:57,440

have gone on

1457

00:51:01,829 --> 00:50:59,599

in some capacity we heard about ossap

1458

00:51:03,190 --> 00:51:01,839

and atip that obviously happened and no

1459

00:51:04,710 --> 00:51:03,200

one would have ever thought the us

1460

00:51:07,190 --> 00:51:04,720

government would have had official

1461

00:51:09,190 --> 00:51:07,200

acknowledgement of ufo programs that

1462

00:51:10,950 --> 00:51:09,200

there may have still been some aspect of

1463

00:51:13,109 --> 00:51:10,960

a program going on in the background on

1464

00:51:15,670 --> 00:51:13,119

remote viewing or do you think it would

1465

00:51:18,950 --> 00:51:15,680

have to come from a more

1466

00:51:21,910 --> 00:51:18,960

out there character like above bigelow

1467

00:51:24,150 --> 00:51:21,920

well that's a really good question um a

1468

00:51:26,549 --> 00:51:24,160

year ago i would have said

1469

00:51:27,829 --> 00:51:26,559

no uh

1470

00:51:29,910 --> 00:51:27,839

because i'm quite involved with quite a

1471

00:51:32,390 --> 00:51:29,920

lot of people within the community not

1472

00:51:33,990 --> 00:51:32,400

only that i uh i do a lot of historical

1473

00:51:36,309 --> 00:51:34,000

research you know looking at people's

1474

00:51:37,430 --> 00:51:36,319

archives in in the universities and and

1475

00:51:39,510 --> 00:51:37,440

so forth

1476  
00:51:40,710 --> 00:51:39,520  
and i'd seen no evidence whatsoever of

1477  
00:51:41,990 --> 00:51:40,720  
that

1478  
00:51:46,390 --> 00:51:42,000  
um

1479  
00:51:47,589 --> 00:51:46,400  
but i have had two separately confirmed

1480  
00:51:49,349 --> 00:51:47,599  
statements

1481  
00:51:50,549 --> 00:51:49,359  
and i'm being careful what i say here

1482  
00:51:51,589 --> 00:51:50,559  
because i'm not allowed to mention any

1483  
00:51:54,069 --> 00:51:51,599  
names

1484  
00:51:56,470 --> 00:51:54,079  
um i had two very

1485  
00:51:58,150 --> 00:51:56,480  
knowledgeable higher

1486  
00:52:00,230 --> 00:51:58,160  
people in the know

1487  
00:52:01,270 --> 00:52:00,240  
independently confirmed to me that there

1488  
00:52:02,829 --> 00:52:01,280

are

1489

00:52:05,030 --> 00:52:02,839

certain uh

1490

00:52:07,030 --> 00:52:05,040

agencies still using active remote

1491

00:52:08,230 --> 00:52:07,040

viewing um

1492

00:52:10,230 --> 00:52:08,240

operations

1493

00:52:13,829 --> 00:52:10,240

and that's only been in the last four or

1494

00:52:14,790 --> 00:52:13,839

five months uh so i have to take those

1495

00:52:16,630 --> 00:52:14,800

um

1496

00:52:19,030 --> 00:52:16,640

statements very credible because the the

1497

00:52:21,430 --> 00:52:19,040

people are very credible um

1498

00:52:22,950 --> 00:52:21,440

so yeah i have to assume that my

1499

00:52:24,790 --> 00:52:22,960

previous 20 years and not been able to

1500

00:52:27,430 --> 00:52:24,800

find anything whatsoever on an active

1501  
00:52:29,109 --> 00:52:27,440  
program it's probably superseded and it

1502  
00:52:31,030 --> 00:52:29,119  
there probably is but i think it's

1503  
00:52:33,109 --> 00:52:31,040  
probably gone the way of like the the

1504  
00:52:36,069 --> 00:52:33,119  
uap research whereas it's

1505  
00:52:38,309 --> 00:52:36,079  
gone into like private subcontracted

1506  
00:52:40,630 --> 00:52:38,319  
organizations so it's not like you know

1507  
00:52:42,309 --> 00:52:40,640  
it wouldn't be like the nsa or cia or

1508  
00:52:44,390 --> 00:52:42,319  
you know anyone got their own

1509  
00:52:47,349 --> 00:52:44,400  
remote viewing unit or something they

1510  
00:52:50,470 --> 00:52:47,359  
probably subcontract out to some kind of

1511  
00:52:51,270 --> 00:52:50,480  
organization or corporation that gives

1512  
00:52:53,510 --> 00:52:51,280  
them

1513  
00:52:55,190 --> 00:52:53,520

data and you you know you've seen how it

1514

00:52:57,670 --> 00:52:55,200

is with the reports we've been seeing

1515

00:52:58,950 --> 00:52:57,680

coming out recently about uaps it's

1516

00:53:00,309 --> 00:52:58,960

probably not even called remote viewing

1517

00:53:02,510 --> 00:53:00,319

anymore it's probably called some kind

1518

00:53:04,069 --> 00:53:02,520

of weird kind of like i don't know

1519

00:53:05,750 --> 00:53:04,079

non-local

1520

00:53:07,430 --> 00:53:05,760

information

1521

00:53:08,870 --> 00:53:07,440

you know report number one or something

1522

00:53:10,710 --> 00:53:08,880

something like that you know it's going

1523

00:53:11,589 --> 00:53:10,720

to be something innocuous and hidden

1524

00:53:15,349 --> 00:53:11,599

away

1525

00:53:17,510 --> 00:53:15,359

yeah so yeah i do believe now that uh it

1526  
00:53:18,230 --> 00:53:17,520  
is probably happening on a larger scale

1527  
00:53:20,069 --> 00:53:18,240  
than

1528  
00:53:22,710 --> 00:53:20,079  
i previously believed

1529  
00:53:24,790 --> 00:53:22,720  
next question from david david steele

1530  
00:53:26,829 --> 00:53:24,800  
when someone remote views something like

1531  
00:53:29,109 --> 00:53:26,839  
ufos at the very edges of what we

1532  
00:53:30,790 --> 00:53:29,119  
understand how important is it to

1533  
00:53:32,870 --> 00:53:30,800  
consider the beliefs of the remote

1534  
00:53:34,630 --> 00:53:32,880  
viewer as well as our cultural and

1535  
00:53:36,790 --> 00:53:34,640  
social background when analyzing the

1536  
00:53:39,910 --> 00:53:36,800  
data afterwards yeah yeah it's very

1537  
00:53:42,790 --> 00:53:39,920  
important and not only the remote viewer

1538  
00:53:44,470 --> 00:53:42,800

the person tasking the target as well um

1539

00:53:47,589 --> 00:53:44,480

again i need to see more research on

1540

00:53:49,109 --> 00:53:47,599

this but i'm convinced that if you have

1541

00:53:51,349 --> 00:53:49,119

a person

1542

00:53:53,589 --> 00:53:51,359

that's tasking the target who has a

1543

00:53:55,670 --> 00:53:53,599

quite a good

1544

00:53:56,950 --> 00:53:55,680

psychic or intuitive sensibility

1545

00:53:58,870 --> 00:53:56,960

themselves

1546

00:53:59,990 --> 00:53:58,880

and they have it and then they also have

1547

00:54:03,270 --> 00:54:00,000

maybe

1548

00:54:04,950 --> 00:54:03,280

not so much of an open mind towards the

1549

00:54:06,630 --> 00:54:04,960

data that they expect to receive so you

1550

00:54:08,390 --> 00:54:06,640

know almost like they've they got a

1551  
00:54:10,790 --> 00:54:08,400  
conclusion already set in their mind of

1552  
00:54:13,430 --> 00:54:10,800  
what they want to see back i think it's

1553  
00:54:15,829 --> 00:54:13,440  
very possible that they may be

1554  
00:54:18,390 --> 00:54:15,839  
in some way influencing

1555  
00:54:21,670 --> 00:54:18,400  
the quality of the data that the remote

1556  
00:54:22,829 --> 00:54:21,680  
viewer reports which is why as i said uh

1557  
00:54:24,470 --> 00:54:22,839  
independent

1558  
00:54:28,549 --> 00:54:24,480  
feedback

1559  
00:54:29,990 --> 00:54:28,559  
to assessing the accuracy of the right

1560  
00:54:32,870 --> 00:54:30,000  
viewing

1561  
00:54:35,589 --> 00:54:32,880  
next question from ben ben asks how does

1562  
00:54:39,670 --> 00:54:35,599  
opening the merkaba or light body play a

1563  
00:54:42,309 --> 00:54:39,680

role in remote viewing well in my class

1564

00:54:44,069 --> 00:54:42,319

classical psychic training um it's a

1565

00:54:45,670 --> 00:54:44,079

huge part of that

1566

00:54:47,349 --> 00:54:45,680

in remote viewing

1567

00:54:51,349 --> 00:54:47,359

i would say

1568

00:54:52,950 --> 00:54:51,359

for me anyway no part whatsoever but

1569

00:54:54,870 --> 00:54:52,960

interestingly

1570

00:54:57,430 --> 00:54:54,880

i've observed that

1571

00:55:00,390 --> 00:54:57,440

any belief systems you have that might

1572

00:55:02,630 --> 00:55:00,400

hinder or help what you do psychically

1573

00:55:04,390 --> 00:55:02,640

um you bring that to the table so if you

1574

00:55:05,349 --> 00:55:04,400

believe you have to open your chakras

1575

00:55:09,430 --> 00:55:05,359

and

1576

00:55:11,349 --> 00:55:09,440

palms to do remote viewing if you

1577

00:55:12,870 --> 00:55:11,359

believe that then it might work for you

1578

00:55:14,069 --> 00:55:12,880

and make you better

1579

00:55:16,549 --> 00:55:14,079

at doing it

1580

00:55:18,549 --> 00:55:16,559

um i don't have any belief systems like

1581

00:55:20,069 --> 00:55:18,559

that so literally for me i don't go into

1582

00:55:22,390 --> 00:55:20,079

a trance or anything i can you know i

1583

00:55:23,430 --> 00:55:22,400

could remote view and i have done on a

1584

00:55:25,430 --> 00:55:23,440

plane

1585

00:55:27,270 --> 00:55:25,440

on a coach on a train you know in an

1586

00:55:28,309 --> 00:55:27,280

office for the people so i could

1587

00:55:30,390 --> 00:55:28,319

literally just sit here have a

1588

00:55:32,470 --> 00:55:30,400

conversation with you and at the same

1589

00:55:35,270 --> 00:55:32,480

time do do my remote viewing session on

1590

00:55:37,190 --> 00:55:35,280

my on my on my tablet and and do it that

1591

00:55:38,630 --> 00:55:37,200

way so there's no for me personally

1592

00:55:41,030 --> 00:55:38,640

there's no kind of

1593

00:55:43,030 --> 00:55:41,040

mystical esoteric things in any way it's

1594

00:55:44,789 --> 00:55:43,040

just it's just like knuckling down and

1595

00:55:46,470 --> 00:55:44,799

doing doing a job for me

1596

00:55:47,990 --> 00:55:46,480

it's like finding your own way and what

1597

00:55:49,430 --> 00:55:48,000

works for you that what allows you to

1598

00:55:51,750 --> 00:55:49,440

get that kind of best result yeah

1599

00:55:53,829 --> 00:55:51,760

absolutely we're all individuals and and

1600

00:55:55,670 --> 00:55:53,839

yeah i believe that what your belief

1601  
00:55:56,309 --> 00:55:55,680  
system is you bring that to the table

1602  
00:55:58,069 --> 00:55:56,319  
and

1603  
00:55:59,910 --> 00:55:58,079  
if it you know if you know like for

1604  
00:56:01,430 --> 00:55:59,920  
example there are some people within

1605  
00:56:03,990 --> 00:56:01,440  
remote viewing that believe you can't

1606  
00:56:05,510 --> 00:56:04,000  
have you can't drink coffee because

1607  
00:56:07,109 --> 00:56:05,520  
there's a stimulant and that will affect

1608  
00:56:09,349 --> 00:56:07,119  
your remote viewing now because they

1609  
00:56:10,470 --> 00:56:09,359  
believe that that probably is the case

1610  
00:56:12,230 --> 00:56:10,480  
for them

1611  
00:56:13,510 --> 00:56:12,240  
but because i don't it you know it

1612  
00:56:14,950 --> 00:56:13,520  
doesn't bother me i'll sit there with a

1613  
00:56:16,870 --> 00:56:14,960

cup of coffee or a couple of hot

1614

00:56:18,549 --> 00:56:16,880

chocolate and just just do my thing

1615

00:56:20,390 --> 00:56:18,559

that's good to hear it's well noted on

1616

00:56:22,390 --> 00:56:20,400

the podcast i'm a fan of a starbucks

1617

00:56:23,910 --> 00:56:22,400

coffee or three so

1618

00:56:25,349 --> 00:56:23,920

yeah yeah thanks for those that used to

1619

00:56:28,150 --> 00:56:25,359

buy me a coffee recently they've been

1620

00:56:30,470 --> 00:56:28,160

put to good use um question from tony

1621

00:56:32,549 --> 00:56:30,480

have you ever encountered any entity or

1622

00:56:33,910 --> 00:56:32,559

or being that either detected you you've

1623

00:56:36,309 --> 00:56:33,920

mentioned that with the phoenix lights

1624

00:56:38,150 --> 00:56:36,319

in a way or it was potentially hostile

1625

00:56:39,510 --> 00:56:38,160

towards you whilst conducting remote

1626  
00:56:42,230 --> 00:56:39,520  
viewing

1627  
00:56:43,349 --> 00:56:42,240  
oh um

1628  
00:56:45,270 --> 00:56:43,359  
more so

1629  
00:56:48,150 --> 00:56:45,280  
more i had more interactions with

1630  
00:56:50,710 --> 00:56:48,160  
negative entities when i was doing

1631  
00:56:51,750 --> 00:56:50,720  
my classical psychic stuff before remote

1632  
00:56:53,349 --> 00:56:51,760  
viewing so that was a lot of

1633  
00:56:55,349 --> 00:56:53,359  
clairvoyance and

1634  
00:56:56,549 --> 00:56:55,359  
and guided kind of meditations and

1635  
00:56:59,030 --> 00:56:56,559  
channeling

1636  
00:57:00,870 --> 00:56:59,040  
um yeah so a lot there but again as i

1637  
00:57:03,030 --> 00:57:00,880  
said before that was very spontaneous

1638  
00:57:04,710 --> 00:57:03,040

the the process is in control of you and

1639

00:57:06,549 --> 00:57:04,720

what you do rather than you being

1640

00:57:08,549 --> 00:57:06,559

control because remote viewing and what

1641

00:57:09,910 --> 00:57:08,559

i do is controlled i'm in control of the

1642

00:57:11,510 --> 00:57:09,920

the process

1643

00:57:15,430 --> 00:57:11,520

not so much

1644

00:57:20,549 --> 00:57:18,470

do a rv session and it was it was my

1645

00:57:22,069 --> 00:57:20,559

first attempt at area 51 before when i

1646

00:57:23,910 --> 00:57:22,079

got on video

1647

00:57:25,030 --> 00:57:23,920

and i only had a quick look at it and i

1648

00:57:26,630 --> 00:57:25,040

did see

1649

00:57:28,950 --> 00:57:26,640

some kind of gray

1650

00:57:30,630 --> 00:57:28,960

alien type entity thing lying on a table

1651  
00:57:31,589 --> 00:57:30,640  
there for something like a 45 degree

1652  
00:57:33,430 --> 00:57:31,599  
angle

1653  
00:57:35,349 --> 00:57:33,440  
and as i psychically tried to approach

1654  
00:57:37,190 --> 00:57:35,359  
it it left off the table

1655  
00:57:39,270 --> 00:57:37,200  
bounced off the wall literally like some

1656  
00:57:41,430 --> 00:57:39,280  
kind of wild

1657  
00:57:42,789 --> 00:57:41,440  
cat type creature

1658  
00:57:43,670 --> 00:57:42,799  
and that freaked me out so much that i

1659  
00:57:46,069 --> 00:57:43,680  
did

1660  
00:57:48,309 --> 00:57:46,079  
come out of my rv session and like like

1661  
00:57:50,710 --> 00:57:48,319  
say whoa i'm staying way away from that

1662  
00:57:51,910 --> 00:57:50,720  
one and not go back so that but that

1663  
00:57:54,150 --> 00:57:51,920

yeah that and

1664

00:57:56,390 --> 00:57:54,160

the uh phoenix lights are the only two

1665

00:57:58,950 --> 00:57:56,400

occurrences and

1666

00:58:01,270 --> 00:57:58,960

interestingly they're both uh

1667

00:58:03,109 --> 00:58:01,280

non-human non-physical interactions that

1668

00:58:05,990 --> 00:58:03,119

manage to do that i have never had any

1669

00:58:07,109 --> 00:58:06,000

anything like that off of a human target

1670

00:58:09,270 --> 00:58:07,119

in any way

1671

00:58:11,030 --> 00:58:09,280

and those previous you know

1672

00:58:13,109 --> 00:58:11,040

mode modalities if you want to call them

1673

00:58:14,950 --> 00:58:13,119

that where you you did encounter those

1674

00:58:16,630 --> 00:58:14,960

negative energies negative spirits

1675

00:58:18,789 --> 00:58:16,640

whatever you want to call them why do

1676

00:58:20,549 --> 00:58:18,799

you think that was is it the is there's

1677

00:58:22,069 --> 00:58:20,559

a less of a control

1678

00:58:23,750 --> 00:58:22,079

in place with those than there is with

1679

00:58:25,190 --> 00:58:23,760

remote viewing

1680

00:58:27,030 --> 00:58:25,200

yeah definitely definitely less of a

1681

00:58:29,030 --> 00:58:27,040

control structure um

1682

00:58:31,910 --> 00:58:29,040

it's just the

1683

00:58:33,349 --> 00:58:31,920

the makeup of the way that you know we

1684

00:58:34,829 --> 00:58:33,359

were taught to do it then in the way

1685

00:58:37,750 --> 00:58:34,839

most people are taught in those

1686

00:58:39,349 --> 00:58:37,760

classical uh ways of doing yeah doing

1687

00:58:41,190 --> 00:58:39,359

that kind of thing so you know you open

1688

00:58:43,109 --> 00:58:41,200

up some kind of like you would visualize

1689

00:58:45,109 --> 00:58:43,119

opening up a portal kind of thing and

1690

00:58:47,750 --> 00:58:45,119

then you would go out for the portal to

1691

00:58:49,190 --> 00:58:47,760

investigate search different realms

1692

00:58:51,109 --> 00:58:49,200

and

1693

00:58:53,589 --> 00:58:51,119

yeah unfortunately

1694

00:58:55,829 --> 00:58:53,599

uh and you know and this needs to be

1695

00:58:58,150 --> 00:58:55,839

said there are a lot of life forms that

1696

00:59:01,589 --> 00:58:58,160

are non-human and non-physical

1697

00:59:02,710 --> 00:59:01,599

that want to or seem to derive great

1698

00:59:04,549 --> 00:59:02,720

pleasure

1699

00:59:06,390 --> 00:59:04,559

from messing around with us on a

1700

00:59:08,470 --> 00:59:06,400

psychological level you know they're

1701  
00:59:09,589 --> 00:59:08,480  
tricksters they like to play jokes they

1702  
00:59:13,190 --> 00:59:09,599  
like to

1703  
00:59:14,390 --> 00:59:13,200  
uh treat us uh not so nice you know

1704  
00:59:16,069 --> 00:59:14,400  
i'm not saying this

1705  
00:59:18,630 --> 00:59:16,079  
that's always the case but there are

1706  
00:59:20,710 --> 00:59:18,640  
those kind of entities out there as well

1707  
00:59:22,150 --> 00:59:20,720  
as the good experiences and you have to

1708  
00:59:24,950 --> 00:59:22,160  
be aware of that

1709  
00:59:27,190 --> 00:59:24,960  
on that same vein and same path john

1710  
00:59:29,670 --> 00:59:27,200  
coughlin asks us has the hitchhiker

1711  
00:59:31,829 --> 00:59:29,680  
effect ever been known to manifest in a

1712  
00:59:33,990 --> 00:59:31,839  
remote viewing scenario do remote

1713  
00:59:37,349 --> 00:59:34,000

viewers take any precautions to avoid

1714

00:59:38,710 --> 00:59:37,359

any entities can i catching on to them

1715

00:59:40,470 --> 00:59:38,720

yeah um

1716

00:59:42,950 --> 00:59:40,480

i guess some of them do

1717

00:59:44,470 --> 00:59:42,960

again it's it's in my belief system is

1718

00:59:46,950 --> 00:59:44,480

that i'm not going anywhere you know i'm

1719

00:59:48,470 --> 00:59:46,960

just accessing information so

1720

00:59:50,390 --> 00:59:48,480

i don't allow that to happen once i

1721

00:59:51,910 --> 00:59:50,400

write and at the end of every reviewing

1722

00:59:54,230 --> 00:59:51,920

session i write the day and the time i

1723

00:59:56,309 --> 00:59:54,240

finish and i'll write end and you know

1724

00:59:58,789 --> 00:59:56,319

when i'm writing end there on the review

1725

01:00:00,870 --> 00:59:58,799

session is to give myself like a verbal

1726

01:00:02,870 --> 01:00:00,880

cue that that's it this is cut all

1727

01:00:05,910 --> 01:00:02,880

connections cut off no more

1728

01:00:08,549 --> 01:00:05,920

um and i'm quite strong in doing that

1729

01:00:11,030 --> 01:00:08,559

i haven't seen a hitchhiker effect

1730

01:00:12,390 --> 01:00:11,040

in any way but i have started asking the

1731

01:00:15,109 --> 01:00:12,400

question around the community after

1732

01:00:16,549 --> 01:00:15,119

reading the skin walk or pentagon book

1733

01:00:20,309 --> 01:00:16,559

because

1734

01:00:21,190 --> 01:00:20,319

if we are accessing these uaps and and

1735

01:00:26,789 --> 01:00:21,200

the

1736

01:00:30,549 --> 01:00:28,710

it might be possible

1737

01:00:32,630 --> 01:00:30,559

that if we have a belief system that

1738

01:00:33,990 --> 01:00:32,640

believes that interaction can be

1739

01:00:36,630 --> 01:00:34,000

physical to us

1740

01:00:39,589 --> 01:00:36,640

that we bring that back with us i mean i

1741

01:00:42,309 --> 01:00:39,599

think it needs to study i have seen some

1742

01:00:44,069 --> 01:00:42,319

and like you know some some kind of data

1743

01:00:48,150 --> 01:00:44,079

that i've gathered that i can't really

1744

01:00:49,910 --> 01:00:48,160

confirm to any great level that

1745

01:00:51,349 --> 01:00:49,920

psychics that i've encountered in my 25

1746

01:00:53,349 --> 01:00:51,359

years of doing this kind of research not

1747

01:00:56,390 --> 01:00:53,359

just remote viewers but psychics in

1748

01:00:58,549 --> 01:00:56,400

general do have quite a lot of um

1749

01:01:01,109 --> 01:00:58,559

very interesting uh illnesses and

1750

01:01:03,030 --> 01:01:01,119

diseases like immune diseases

1751

01:01:04,390 --> 01:01:03,040

um and you know heart attacks and immune

1752

01:01:06,549 --> 01:01:04,400

diseases and stuff seem to be quite

1753

01:01:07,910 --> 01:01:06,559

prevalent now you know our money going

1754

01:01:14,710 --> 01:01:07,920

on

1755

01:01:16,789 --> 01:01:14,720

feel i think it's

1756

01:01:18,309 --> 01:01:16,799

i do think it's a possibility that i've

1757

01:01:20,950 --> 01:01:18,319

just started discussing with people in

1758

01:01:22,390 --> 01:01:20,960

the field that we should maybe consider

1759

01:01:24,789 --> 01:01:22,400

in some way

1760

01:01:27,109 --> 01:01:24,799

at long time listener gnosis who is an

1761

01:01:29,190 --> 01:01:27,119

ever present over on a discord channel

1762

01:01:31,109 --> 01:01:29,200

if you compare remote viewing to for

1763

01:01:33,349 --> 01:01:31,119

example the way lucid dreaming is now a

1764

01:01:35,349 --> 01:01:33,359

recognized and legitimate phenomenon

1765

01:01:37,589 --> 01:01:35,359

remote viewing still appears very much a

1766

01:01:39,589 --> 01:01:37,599

great and unproven area

1767

01:01:41,589 --> 01:01:39,599

what factors do you feel are holding

1768

01:01:44,470 --> 01:01:41,599

remote viewing back from getting that

1769

01:01:45,589 --> 01:01:44,480

mainstream recognition

1770

01:01:47,670 --> 01:01:45,599

um

1771

01:01:49,030 --> 01:01:47,680

i think that's a misconception i don't

1772

01:01:51,829 --> 01:01:49,040

think it's

1773

01:01:55,029 --> 01:01:51,839

seen as not being valid i mean

1774

01:01:56,870 --> 01:01:55,039

there's there's more evidence documented

1775

01:01:59,029 --> 01:01:56,880

evidence out there available on the

1776

01:02:01,270 --> 01:01:59,039

internet and through books for the

1777

01:02:03,190 --> 01:02:01,280

validity of remote viewing than there is

1778

01:02:05,510 --> 01:02:03,200

for any other paranormal subject and i

1779

01:02:07,109 --> 01:02:05,520

probably include ufos in that as well i

1780

01:02:09,430 --> 01:02:07,119

mean you know i'm looking here by the

1781

01:02:12,069 --> 01:02:09,440

side of me here i have four books called

1782

01:02:14,309 --> 01:02:12,079

the stargate archives and it's by dr ed

1783

01:02:16,309 --> 01:02:14,319

may and a couple of other scientists and

1784

01:02:18,710 --> 01:02:16,319

it has every major paper that was

1785

01:02:21,430 --> 01:02:18,720

produced by sri in the military so it's

1786

01:02:23,750 --> 01:02:21,440

probably thousands of pages of papers in

1787

01:02:25,670 --> 01:02:23,760

chronological order that people can just

1788

01:02:27,270 --> 01:02:25,680

buy or you can you can go to several

1789

01:02:31,589 --> 01:02:27,280

places on the internet and download them

1790

01:02:33,270 --> 01:02:31,599

as foia cia documents uh it's that the

1791

01:02:34,390 --> 01:02:33,280

data is there you know it's been it's

1792

01:02:36,069 --> 01:02:34,400

been proved

1793

01:02:37,589 --> 01:02:36,079

millions of times that remote viewing

1794

01:02:40,230 --> 01:02:37,599

works

1795

01:02:41,829 --> 01:02:40,240

i think we're where i would agree with

1796

01:02:43,750 --> 01:02:41,839

with gnosis and you're right that the

1797

01:02:46,150 --> 01:02:43,760

data is there and of course you can go

1798

01:02:48,710 --> 01:02:46,160

into the cia archives and view all sorts

1799

01:02:50,630 --> 01:02:48,720

of things and experiments and papers

1800

01:02:52,390 --> 01:02:50,640

if for example

1801  
01:02:54,710 --> 01:02:52,400  
you know louis lozando does one of his

1802  
01:02:57,430 --> 01:02:54,720  
appearances on mainstream news which

1803  
01:02:58,950 --> 01:02:57,440  
he's done and within those he breaks

1804  
01:03:01,589 --> 01:02:58,960  
from that really

1805  
01:03:04,230 --> 01:03:01,599  
serious nuts and bolts conversation and

1806  
01:03:06,549 --> 01:03:04,240  
starts talking about remote viewing

1807  
01:03:08,950 --> 01:03:06,559  
it would there would be a tone shift and

1808  
01:03:11,190 --> 01:03:08,960  
i feel your your news anchors and people

1809  
01:03:13,109 --> 01:03:11,200  
would jump on that so i can see why that

1810  
01:03:15,510 --> 01:03:13,119  
sort of area is still

1811  
01:03:17,430 --> 01:03:15,520  
almost held back on in the same way that

1812  
01:03:19,910 --> 01:03:17,440  
anyone who claims they've had an

1813  
01:03:22,390 --> 01:03:19,920

experience with beings or entities

1814

01:03:24,230 --> 01:03:22,400

in terms of you know the ufo phenomenon

1815

01:03:26,470 --> 01:03:24,240

isn't still part of the conversation and

1816

01:03:27,990 --> 01:03:26,480

they feel again they're not being

1817

01:03:30,470 --> 01:03:28,000

allowed to have that

1818

01:03:32,549 --> 01:03:30,480

you know kind of validity or you know

1819

01:03:35,430 --> 01:03:32,559

this is happening to us because it's

1820

01:03:38,710 --> 01:03:35,440

still too out there so i get that aspect

1821

01:03:40,710 --> 01:03:38,720

of it because largely i think much of

1822

01:03:43,670 --> 01:03:40,720

the public if you explain remote viewing

1823

01:03:45,190 --> 01:03:43,680

to them would say regardless of the data

1824

01:03:47,670 --> 01:03:45,200

that that sounds like nonsense would

1825

01:03:49,589 --> 01:03:47,680

that still be fair

1826

01:03:51,349 --> 01:03:49,599

it's not my experience because i'm being

1827

01:03:53,750 --> 01:03:51,359

hired for it and i you know for four

1828

01:03:55,510 --> 01:03:53,760

years i've been uh for four years now

1829

01:03:58,309 --> 01:03:55,520

it's been it's my fault it's my

1830

01:04:00,549 --> 01:03:58,319

full-time job i work as a remote viewer

1831

01:04:02,710 --> 01:04:00,559

for the subscribers that that you know

1832

01:04:05,190 --> 01:04:02,720

kindly pay for us to do these

1833

01:04:07,670 --> 01:04:05,200

experiments and give them information so

1834

01:04:09,109 --> 01:04:07,680

that's not my experience and it's not my

1835

01:04:12,710 --> 01:04:09,119

experience from looking at the research

1836

01:04:15,349 --> 01:04:12,720

as well and in fact i would say that

1837

01:04:18,309 --> 01:04:15,359

up until the new york times revelations

1838

01:04:19,109 --> 01:04:18,319

you know where where uaps became

1839

01:04:20,150 --> 01:04:19,119

uh

1840

01:04:23,029 --> 01:04:20,160

common

1841

01:04:25,910 --> 01:04:23,039

i would say that actually in paranormal

1842

01:04:28,230 --> 01:04:25,920

and esoteric subject matters remote

1843

01:04:29,990 --> 01:04:28,240

viewing had more credibility than uap

1844

01:04:31,670 --> 01:04:30,000

research did and it's only just recently

1845

01:04:33,349 --> 01:04:31,680

flipped because of the latest stuff

1846

01:04:35,190 --> 01:04:33,359

that's come out

1847

01:04:37,029 --> 01:04:35,200

i mean for you know for the last 20

1848

01:04:38,470 --> 01:04:37,039

years we had serious remote viewing

1849

01:04:39,430 --> 01:04:38,480

researchers

1850

01:04:41,829 --> 01:04:39,440

uh

1851  
01:04:45,270 --> 01:04:41,839  
decrying what i and others did because

1852  
01:04:47,349 --> 01:04:45,280  
we were bringing uap research and ufos

1853  
01:04:49,109 --> 01:04:47,359  
and aliens into

1854  
01:04:50,870 --> 01:04:49,119  
into the uf into the remote viewing

1855  
01:04:52,870 --> 01:04:50,880  
circles and it was tarnishing it was

1856  
01:04:54,309 --> 01:04:52,880  
tarnishing remote viewing

1857  
01:04:56,549 --> 01:04:54,319  
now we're kind of flipped on its head

1858  
01:04:58,950 --> 01:04:56,559  
and it's almost like the uf uap people

1859  
01:05:00,470 --> 01:04:58,960  
are saying oh it's being it's tarnishing

1860  
01:05:02,549 --> 01:05:00,480  
us if you're bringing remote viewing

1861  
01:05:04,069 --> 01:05:02,559  
into it so it's very strange how that

1862  
01:05:05,430 --> 01:05:04,079  
has happened um

1863  
01:05:07,589 --> 01:05:05,440

but yeah i guess it depends where you

1864

01:05:08,789 --> 01:05:07,599

are in the world what you've researched

1865

01:05:11,750 --> 01:05:08,799

what you've seen

1866

01:05:13,270 --> 01:05:11,760

who you who who you familiarize yourself

1867

01:05:15,910 --> 01:05:13,280

in day to day uh

1868

01:05:18,230 --> 01:05:15,920

everyone i know is um

1869

01:05:19,670 --> 01:05:18,240

hardcore into uh ufos and paranormal

1870

01:05:21,190 --> 01:05:19,680

subjects so

1871

01:05:21,940 --> 01:05:21,200

you know i probably have a different

1872

01:05:23,029 --> 01:05:21,950

viewpoint than

1873

01:05:24,950 --> 01:05:23,039

[Music]

1874

01:05:27,029 --> 01:05:24,960

the normal the normal person on the

1875

01:05:29,910 --> 01:05:27,039

street no it's a good response and a

1876

01:05:31,829 --> 01:05:29,920

good question jason from los angeles

1877

01:05:33,990 --> 01:05:31,839

asks in your experience do you know if

1878

01:05:36,390 --> 01:05:34,000

it's possible to interact with someone

1879

01:05:38,309 --> 01:05:36,400

else who is remote viewing at the exact

1880

01:05:40,630 --> 01:05:38,319

same time into your knowledge has that

1881

01:05:41,510 --> 01:05:40,640

ever been accomplished in any way

1882

01:05:49,109 --> 01:05:41,520

i've

1883

01:05:50,549 --> 01:05:49,119

of trials and bear in mind as well

1884

01:05:52,710 --> 01:05:50,559

for a lot of the projects i work and

1885

01:05:54,789 --> 01:05:52,720

everyone else works as well you work as

1886

01:05:56,870 --> 01:05:54,799

a team so someone will set the target

1887

01:05:59,990 --> 01:05:56,880

blindly and they'll get five remote

1888

01:06:02,549 --> 01:06:00,000

viewers to all go to that one target and

1889

01:06:04,950 --> 01:06:02,559

then the target time for it might be

1890

01:06:06,789 --> 01:06:04,960

the exact same five seconds

1891

01:06:08,309 --> 01:06:06,799

and in remote viewing it's recording you

1892

01:06:10,630 --> 01:06:08,319

know recorded on paper and i've i've

1893

01:06:12,549 --> 01:06:10,640

seen this for thousands of projects you

1894

01:06:13,990 --> 01:06:12,559

never i've never seen any of the other

1895

01:06:16,390 --> 01:06:14,000

remote viewers

1896

01:06:17,990 --> 01:06:16,400

in their data write down seeing other

1897

01:06:19,589 --> 01:06:18,000

remote viewers at the target even though

1898

01:06:21,510 --> 01:06:19,599

that you've all gone there saying mid a

1899

01:06:24,150 --> 01:06:21,520

second

1900

01:06:25,750 --> 01:06:24,160

have you ever and i'm trying to remember

1901

01:06:26,950 --> 01:06:25,760

who i spoke to it was another remote

1902

01:06:29,190 --> 01:06:26,960

viewer

1903

01:06:32,630 --> 01:06:29,200

they were asked about

1904

01:06:35,190 --> 01:06:32,640

a remote viewer remote viewing them or

1905

01:06:36,950 --> 01:06:35,200

vice versa and the other person being

1906

01:06:38,630 --> 01:06:36,960

aware of it and almost turning to

1907

01:06:40,630 --> 01:06:38,640

acknowledge is that something you've

1908

01:06:42,390 --> 01:06:40,640

ever ever heard of or is again is that

1909

01:06:43,589 --> 01:06:42,400

something you've not came across no i've

1910

01:06:45,510 --> 01:06:43,599

heard i've heard

1911

01:06:47,990 --> 01:06:45,520

that is you know kind of like

1912

01:06:49,990 --> 01:06:48,000

rumors within remote viewing circles but

1913

01:06:52,069 --> 01:06:50,000

again i've never seen i

1914

01:06:53,349 --> 01:06:52,079

i i'm a bit more purist and hardcore i'd

1915

01:06:59,670 --> 01:06:53,359

like to

1916

01:07:01,750 --> 01:06:59,680

evaluate it against you know the project

1917

01:07:04,069 --> 01:07:01,760

under the right circumstances so i've

1918

01:07:05,510 --> 01:07:04,079

seen anecdotal stories from people on it

1919

01:07:08,549 --> 01:07:05,520

i've never seen

1920

01:07:11,910 --> 01:07:08,559

it in any remote viewing data anywhere

1921

01:07:13,910 --> 01:07:11,920

um valleys or valleys has said that i've

1922

01:07:16,230 --> 01:07:13,920

heard an experienced remote viewer can

1923

01:07:17,670 --> 01:07:16,240

affect the health of a person or being

1924

01:07:19,349 --> 01:07:17,680

we talked earlier obviously about the

1925

01:07:21,990 --> 01:07:19,359

the rumors of the goats hearts being

1926

01:07:24,710 --> 01:07:22,000

stopped and whatnot famously many steric

1927

01:07:26,630 --> 01:07:24,720

goats can uh hollywoodize that have you

1928

01:07:28,230 --> 01:07:26,640

ever considered trying this on an evil

1929

01:07:30,230 --> 01:07:28,240

person and they've put like vladimir

1930

01:07:32,309 --> 01:07:30,240

putin for example so you know politics

1931

01:07:34,549 --> 01:07:32,319

aside but i i get the tone and what

1932

01:07:36,470 --> 01:07:34,559

they're asking yeah yeah yeah well

1933

01:07:37,910 --> 01:07:36,480

that's a good question uh

1934

01:07:40,710 --> 01:07:37,920

and there is a

1935

01:07:42,710 --> 01:07:40,720

subtop topic within removing called

1936

01:07:45,190 --> 01:07:42,720

remote influencing or

1937

01:07:46,950 --> 01:07:45,200

the sri and military call it remote

1938

01:07:49,029 --> 01:07:46,960

action um

1939

01:07:51,270 --> 01:07:49,039

and in the dock in the official

1940

01:07:53,510 --> 01:07:51,280

documentation you'll find hints of it in

1941

01:07:56,549 --> 01:07:53,520

the cia archives but you won't find

1942

01:07:57,589 --> 01:07:56,559

anything concrete i know they looked at

1943

01:07:59,109 --> 01:07:57,599

it

1944

01:08:01,109 --> 01:07:59,119

and i know that you know they tried to

1945

01:08:01,910 --> 01:08:01,119

get yuri getter to do some very dubious

1946

01:08:03,430 --> 01:08:01,920

stuff

1947

01:08:05,029 --> 01:08:03,440

and i wouldn't it wouldn't surprise me

1948

01:08:08,470 --> 01:08:05,039

if they didn't get others to do as well

1949

01:08:10,549 --> 01:08:08,480

it's not something i've ever

1950

01:08:11,750 --> 01:08:10,559

done or want to do because you know i

1951

01:08:13,349 --> 01:08:11,760

believe in

1952

01:08:15,270 --> 01:08:13,359

just not harming people really do no

1953

01:08:17,189 --> 01:08:15,280

harm and that kind of thing

1954

01:08:18,630 --> 01:08:17,199

i do believe it's possible though we

1955

01:08:20,550 --> 01:08:18,640

know for a fact you know through through

1956

01:08:23,349 --> 01:08:20,560

research that you know people when they

1957

01:08:25,510 --> 01:08:23,359

when they do absent prayers for people

1958

01:08:27,910 --> 01:08:25,520

it's had an effect on the person they're

1959

01:08:29,349 --> 01:08:27,920

they're praying for and stuff uh and you

1960

01:08:30,709 --> 01:08:29,359

know we also know that people have you

1961

01:08:33,590 --> 01:08:30,719

know the the effect where they could

1962

01:08:34,870 --> 01:08:33,600

they can heal themselves uh the placebo

1963

01:08:36,709 --> 01:08:34,880

effect all that kind of stuff so we do

1964

01:08:39,669 --> 01:08:36,719

know that our minds can affect our

1965

01:08:40,870 --> 01:08:39,679

bodies in some way i just don't know to

1966

01:08:42,950 --> 01:08:40,880

what you know i haven't seen enough

1967

01:08:45,030 --> 01:08:42,960

research until into what effect and how

1968

01:08:45,829 --> 01:08:45,040

much but i do believe it's all possible

1969

01:08:48,229 --> 01:08:45,839

but

1970

01:08:50,149 --> 01:08:48,239

i dare anyone to be very careful of

1971

01:08:53,189 --> 01:08:50,159

trying to

1972

01:08:55,030 --> 01:08:53,199

negatively influence someone else or

1973

01:08:56,390 --> 01:08:55,040

something else because um

1974

01:08:57,910 --> 01:08:56,400

that kind of stuff usually comes back to

1975

01:08:59,590 --> 01:08:57,920

bite you

1976

01:09:01,590 --> 01:08:59,600

some form of karma or whatever

1977

01:09:03,349 --> 01:09:01,600

absolutely maybe in your belief system

1978

01:09:05,669 --> 01:09:03,359

i'm a great believer that the universe

1979

01:09:07,349 --> 01:09:05,679

tries to live or tries to achieve

1980

01:09:10,709 --> 01:09:07,359

a state of balance

1981

01:09:12,789 --> 01:09:10,719

uh and for every bad negative thing you

1982

01:09:15,269 --> 01:09:12,799

do like that something might

1983

01:09:16,630 --> 01:09:15,279

uh swing your way to to readdress that

1984

01:09:18,149 --> 01:09:16,640

balance

1985

01:09:21,510 --> 01:09:18,159

a really interesting question from

1986

01:09:23,749 --> 01:09:21,520

newman um newman asks why wasn't the us

1987

01:09:25,669 --> 01:09:23,759

able to leverage remote viewing for

1988

01:09:28,070 --> 01:09:25,679

counter-terrorism operations in

1989

01:09:29,829 --> 01:09:28,080

afghanistan and iraq in the 2000s and

1990

01:09:32,149 --> 01:09:29,839

2010s

1991

01:09:34,470 --> 01:09:32,159

if it's such an effective technique

1992

01:09:36,309 --> 01:09:34,480

again for a bit of context recall the us

1993

01:09:38,390 --> 01:09:36,319

hunted bin laden for 10 years in the

1994

01:09:40,709 --> 01:09:38,400

middle east and he thinks if there was

1995

01:09:41,510 --> 01:09:40,719

any really substantive claims behind you

1996

01:09:43,669 --> 01:09:41,520

know

1997

01:09:45,510 --> 01:09:43,679

remote viewing and its effectiveness the

1998

01:09:48,070 --> 01:09:45,520

us would have leveraged for

1999

01:09:49,749 --> 01:09:48,080

counter-terrorism operations i suppose

2000

01:09:51,110 --> 01:09:49,759

that goes for any sort of event like

2001

01:09:53,590 --> 01:09:51,120

that including the

2002

01:09:56,229 --> 01:09:53,600

uk you know hunting terrorists and

2003

01:09:58,070 --> 01:09:56,239

london bombers and such

2004

01:10:00,470 --> 01:09:58,080

yeah well you know

2005

01:10:02,630 --> 01:10:00,480

as we discussed earlier we don't know

2006

01:10:03,750 --> 01:10:02,640

for a fact that they're not using remote

2007

01:10:05,110 --> 01:10:03,760

viewers to look at that kind of thing

2008

01:10:07,910 --> 01:10:05,120

you know and there is

2009

01:10:10,070 --> 01:10:07,920

some kind of uh more recent

2010

01:10:11,270 --> 01:10:10,080

uh evidence from people in the know that

2011

01:10:12,229 --> 01:10:11,280

they are

2012

01:10:14,070 --> 01:10:12,239

um

2013

01:10:15,990 --> 01:10:14,080

and we don't know you know

2014

01:10:18,070 --> 01:10:16,000

we we only we're we're talking about

2015

01:10:21,430 --> 01:10:18,080

events here that we get here through

2016

01:10:23,110 --> 01:10:21,440

normal filtered propaganda media we

2017

01:10:25,030 --> 01:10:23,120

don't know how many

2018

01:10:26,870 --> 01:10:25,040

terrorist attacks have been foiled on a

2019

01:10:29,510 --> 01:10:26,880

year by year basis and we don't know how

2020

01:10:31,669 --> 01:10:29,520

they follow them it's quite possible

2021

01:10:33,910 --> 01:10:31,679

uh for all we know you know 10 15 events

2022

01:10:36,310 --> 01:10:33,920

a year may have been prevented by

2023

01:10:38,310 --> 01:10:36,320

a team of you know intelligence agencies

2024

01:10:40,630 --> 01:10:38,320

subcontracted remote viewers somewhere

2025

01:10:42,070 --> 01:10:40,640

we just don't know about it and you know

2026

01:10:44,950 --> 01:10:42,080

how would we know about it if they were

2027

01:10:46,550 --> 01:10:44,960

that secret

2028

01:10:49,270 --> 01:10:46,560

devil's advocate here and i'm thinking

2029

01:10:51,110 --> 01:10:49,280

of both sides of the argument that

2030

01:10:52,550 --> 01:10:51,120

you mentioned it's not perfect and no

2031

01:10:55,189 --> 01:10:52,560

one has ever claimed remote viewing is

2032

01:10:57,510 --> 01:10:55,199

perfect does the 100 accuracy so there

2033

01:10:59,030 --> 01:10:57,520

is the the opportunity or chance that

2034

01:11:01,750 --> 01:10:59,040

the us and other governments and

2035

01:11:03,910 --> 01:11:01,760

agencies do use remote viewers

2036

01:11:05,030 --> 01:11:03,920

but it does take that time and we don't

2037

01:11:06,470 --> 01:11:05,040

know that they

2038

01:11:09,270 --> 01:11:06,480

may or may not have had a hand in

2039

01:11:10,830 --> 01:11:09,280

finding bin laden saddam hussein and

2040

01:11:15,189 --> 01:11:10,840

and whatnot

2041

01:11:18,709 --> 01:11:17,030

there's no real way and we talked before

2042

01:11:21,350 --> 01:11:18,719

about you you feel that stigma has maybe

2043

01:11:23,669 --> 01:11:21,360

gone from it and there's legitimacy but

2044

01:11:24,550 --> 01:11:23,679

could the us and all good conscious come

2045

01:11:26,229 --> 01:11:24,560

out

2046

01:11:28,470 --> 01:11:26,239

say for example when they did find bin

2047

01:11:31,270 --> 01:11:28,480

laden and say actually this wasn't our

2048

01:11:32,550 --> 01:11:31,280

crack navy seal team or you know spies

2049

01:11:34,870 --> 01:11:32,560

this was actually you know remote

2050

01:11:36,870 --> 01:11:34,880

viewers who found bin laden that that's

2051

01:11:39,350 --> 01:11:36,880

not going to happen is it

2052

01:11:40,630 --> 01:11:39,360

uh probably not like just in the same

2053

01:11:42,390 --> 01:11:40,640

regard as they did they're not coming

2054

01:11:44,390 --> 01:11:42,400

out and saying that the tic tac ufos are

2055

01:11:46,470 --> 01:11:44,400

theirs

2056

01:11:49,110 --> 01:11:46,480

and would you say they are

2057

01:11:51,590 --> 01:11:49,120

um from remote viewing it in the remote

2058

01:11:55,430 --> 01:11:51,600

viewing project no not at all um but i

2059

01:11:56,870 --> 01:11:55,440

do believe that some of the eu aps

2060

01:11:59,110 --> 01:11:56,880

encountered

2061

01:12:00,950 --> 01:11:59,120

over the last 30 years

2062

01:12:02,870 --> 01:12:00,960

in the majority have been

2063

01:12:04,950 --> 01:12:02,880

tested tested craft you know and i'm

2064

01:12:07,350 --> 01:12:04,960

convinced that they have their own

2065

01:12:08,709 --> 01:12:07,360

versions of these uh

2066

01:12:10,390 --> 01:12:08,719

non-human craft that they're that

2067

01:12:12,149 --> 01:12:10,400

they're flying you know based on are

2068

01:12:13,590 --> 01:12:12,159

based on our technology and a bit of

2069

01:12:15,030 --> 01:12:13,600

theirs

2070

01:12:16,630 --> 01:12:15,040

um but we don't know that either you

2071

01:12:18,470 --> 01:12:16,640

know we don't know the extent that

2072

01:12:20,709 --> 01:12:18,480

what's going on with that because it's

2073

01:12:22,229 --> 01:12:20,719

it's hidden from us

2074

01:12:23,750 --> 01:12:22,239

people will shout at me as if i don't

2075

01:12:24,950 --> 01:12:23,760

ask you about the tic tac event and i

2076  
01:12:27,430 --> 01:12:24,960  
know it's something that's been talked

2077  
01:12:29,750 --> 01:12:27,440  
about to death i'm speaking to luella

2078  
01:12:32,149 --> 01:12:29,760  
zondo as people hear this it will be out

2079  
01:12:34,149 --> 01:12:32,159  
already and but as we record this the

2080  
01:12:35,990 --> 01:12:34,159  
interview is this saturday and it's not

2081  
01:12:37,830 --> 01:12:36,000  
something i plan on bringing up because

2082  
01:12:39,990 --> 01:12:37,840  
what more can be said about it in terms

2083  
01:12:42,470 --> 01:12:40,000  
of asking people like lou or or sean

2084  
01:12:44,310 --> 01:12:42,480  
cahill or gary verhees or kevin day

2085  
01:12:46,310 --> 01:12:44,320  
they've said all that's to be said but

2086  
01:12:48,709 --> 01:12:46,320  
as a remote viewer you're viewing the

2087  
01:12:51,350 --> 01:12:48,719  
event from a very unique point of view

2088  
01:12:52,950 --> 01:12:51,360

so again with that event what did you

2089

01:12:54,709 --> 01:12:52,960

manage to view and what are your your

2090

01:12:56,950 --> 01:12:54,719

takeaways from it yeah

2091

01:12:58,470 --> 01:12:56,960

uh again uh i put the video of all the

2092

01:12:59,990 --> 01:12:58,480

reviewing online so people can have a

2093

01:13:03,430 --> 01:13:00,000

look at that on my channel

2094

01:13:04,709 --> 01:13:03,440

um but yeah i i observed the craft uh

2095

01:13:06,229 --> 01:13:04,719

you know and drew a perfect

2096

01:13:07,750 --> 01:13:06,239

tic-tac-shaped crown and again i worked

2097

01:13:09,510 --> 01:13:07,760

the target blind i didn't know that this

2098

01:13:10,630 --> 01:13:09,520

was what i was working when i was given

2099

01:13:12,870 --> 01:13:10,640

the target

2100

01:13:14,870 --> 01:13:12,880

and i show it you know going trans

2101  
01:13:15,590 --> 01:13:14,880  
medium for different mediums i showed

2102  
01:13:20,790 --> 01:13:15,600  
the

2103  
01:13:23,830 --> 01:13:20,800  
it works and i think i may even go into

2104  
01:13:27,350 --> 01:13:23,840  
great detail about how it symbiotically

2105  
01:13:30,550 --> 01:13:27,360  
works uh with the occupant that's

2106  
01:13:32,390 --> 01:13:30,560  
driving it as well and that there's this

2107  
01:13:33,110 --> 01:13:32,400  
kind of

2108  
01:13:34,310 --> 01:13:33,120  
the

2109  
01:13:36,790 --> 01:13:34,320  
dna

2110  
01:13:38,790 --> 01:13:36,800  
ai kind of interaction the craft

2111  
01:13:41,350 --> 01:13:38,800  
themselves are not only physical and

2112  
01:13:43,590 --> 01:13:41,360  
non-physical at the same time

2113  
01:13:45,510 --> 01:13:43,600

but there's also

2114

01:13:46,950 --> 01:13:45,520

a symbiotic intelligence in the craft

2115

01:13:49,510 --> 01:13:46,960

that you can almost say the craft's a

2116

01:13:51,750 --> 01:13:49,520

living thing and it's a symbiotic

2117

01:13:52,870 --> 01:13:51,760

relationship with the with the life so

2118

01:13:54,630 --> 01:13:52,880

it's not like you get in a car and you

2119

01:13:56,550 --> 01:13:54,640

drive the car and you're detached from

2120

01:13:59,110 --> 01:13:56,560

the car

2121

01:14:01,510 --> 01:13:59,120

the occupant is the craft and the craft

2122

01:14:03,590 --> 01:14:01,520

is the occupant

2123

01:14:05,590 --> 01:14:03,600

a bit more like a like an avatar type

2124

01:14:07,110 --> 01:14:05,600

scenario where you're like symbiotic

2125

01:14:08,709 --> 01:14:07,120

relationship or

2126

01:14:11,430 --> 01:14:08,719

that's why the that's why the movements

2127

01:14:14,070 --> 01:14:11,440

are so instantaneous uh because they're

2128

01:14:15,750 --> 01:14:14,080

because they're so closely integrated um

2129

01:14:17,590 --> 01:14:15,760

but yeah so i detail all that and again

2130

01:14:19,590 --> 01:14:17,600

that's all in that's all in a recent

2131

01:14:23,030 --> 01:14:19,600

video that i put online uh probably like

2132

01:14:24,709 --> 01:14:23,040

six weeks ago and i did uh speak to uh

2133

01:14:25,669 --> 01:14:24,719

briefly to sean cahill about it as well

2134

01:14:28,310 --> 01:14:25,679

and he said

2135

01:14:29,110 --> 01:14:28,320

he said that the remote viewing data is

2136

01:14:30,149 --> 01:14:29,120

is

2137

01:14:31,830 --> 01:14:30,159

exactly

2138

01:14:33,510 --> 01:14:31,840

you know what they experienced and he

2139

01:14:36,149 --> 01:14:33,520

said it was very accurate

2140

01:14:37,510 --> 01:14:36,159

i'll do my best folks to find the links

2141

01:14:39,110 --> 01:14:37,520

to all of the videos we've discussed

2142

01:14:40,870 --> 01:14:39,120

i've made notes as we've gone along what

2143

01:14:42,630 --> 01:14:40,880

i can do is

2144

01:14:44,149 --> 01:14:42,640

if if you'd like uh if you give me a

2145

01:14:45,830 --> 01:14:44,159

half an hour after this i'll send you

2146

01:14:47,910 --> 01:14:45,840

i'll send you a list of the list of all

2147

01:14:49,510 --> 01:14:47,920

the best ones that you can look up that

2148

01:14:51,030 --> 01:14:49,520

would be great yeah and i'll put those

2149

01:14:52,390 --> 01:14:51,040

in especially the phoenix lights and the

2150

01:14:54,870 --> 01:14:52,400

tic tac stuff that we've brought up and

2151  
01:14:56,390 --> 01:14:54,880  
discussed to be would be wonderful the

2152  
01:14:58,149 --> 01:14:56,400  
four projects for all of them are all

2153  
01:15:00,310 --> 01:14:58,159  
online uh where you can actually see

2154  
01:15:01,430 --> 01:15:00,320  
myself and other reviewers mainly myself

2155  
01:15:03,030 --> 01:15:01,440  
in the ones that i'm putting online

2156  
01:15:04,870 --> 01:15:03,040  
because it's my material but you can

2157  
01:15:06,950 --> 01:15:04,880  
actually see the live remote viewing so

2158  
01:15:09,030 --> 01:15:06,960  
literally i have no idea what the target

2159  
01:15:11,590 --> 01:15:09,040  
is i've got a whiteboard and a video

2160  
01:15:13,910 --> 01:15:11,600  
camera and i'm narrating as i'm doing it

2161  
01:15:16,470 --> 01:15:13,920  
and i'm doing all my remote live on

2162  
01:15:19,430 --> 01:15:16,480  
camera and edited

2163  
01:15:20,950 --> 01:15:19,440

i want to ask before we wrap up does uh

2164

01:15:22,550 --> 01:15:20,960

something coming up next for you you've

2165

01:15:24,470 --> 01:15:22,560

got a bit of an exciting project in the

2166

01:15:26,390 --> 01:15:24,480

works that you can't say too much about

2167

01:15:28,070 --> 01:15:26,400

but you can you can see a little so

2168

01:15:29,510 --> 01:15:28,080

without me asking too much i'll hand

2169

01:15:31,430 --> 01:15:29,520

that over to you

2170

01:15:33,590 --> 01:15:31,440

yeah i'm really pleased on it i didn't

2171

01:15:35,910 --> 01:15:33,600

remote view on this one um

2172

01:15:38,229 --> 01:15:35,920

i have because as i told you i have all

2173

01:15:39,510 --> 01:15:38,239

these targets i want to work and no one

2174

01:15:42,470 --> 01:15:39,520

you know hardly anyone's ever tasked

2175

01:15:45,030 --> 01:15:42,480

them i have a list a growing list of 86

2176  
01:15:46,950 --> 01:15:45,040  
plus targets uh that i want to remove

2177  
01:15:48,790 --> 01:15:46,960  
you myself and i think would benefit

2178  
01:15:50,950 --> 01:15:48,800  
from being remote viewed and this was

2179  
01:15:52,790 --> 01:15:50,960  
one of the ones on the list and i set it

2180  
01:15:54,470 --> 01:15:52,800  
from my uh group of group information

2181  
01:15:56,550 --> 01:15:54,480  
viewers at crypto viewing

2182  
01:15:59,350 --> 01:15:56,560  
and they got some amazing results on it

2183  
01:16:02,149 --> 01:15:59,360  
and it's essentially a uap event

2184  
01:16:04,149 --> 01:16:02,159  
um that's caught on video film

2185  
01:16:06,550 --> 01:16:04,159  
uh and at the same time as the uap is

2186  
01:16:09,189 --> 01:16:06,560  
caught on video film there's some kind

2187  
01:16:11,030 --> 01:16:09,199  
of weird cow mutilation type thing

2188  
01:16:13,189 --> 01:16:11,040

happening at the same time as well so i

2189

01:16:14,709 --> 01:16:13,199

wanted them to

2190

01:16:16,550 --> 01:16:14,719

look at the event and see what the

2191

01:16:17,990 --> 01:16:16,560

interaction was there see see if there

2192

01:16:19,430 --> 01:16:18,000

was an interaction or if it was just a

2193

01:16:21,830 --> 01:16:19,440

coincidence and see what they came up

2194

01:16:23,830 --> 01:16:21,840

with and you know the data that we'll be

2195

01:16:25,990 --> 01:16:23,840

showing in about three weeks time

2196

01:16:27,669 --> 01:16:26,000

uh live remote viewing done blindly as i

2197

01:16:28,790 --> 01:16:27,679

said is amazing because you will

2198

01:16:31,110 --> 01:16:28,800

actually see

2199

01:16:33,510 --> 01:16:31,120

all the remote viewers describe here

2200

01:16:35,510 --> 01:16:33,520

and not a physical and sometimes

2201

01:16:38,310 --> 01:16:35,520

non-physical dimensional craft in the

2202

01:16:40,390 --> 01:16:38,320

sky high technology they'll describe all

2203

01:16:42,630 --> 01:16:40,400

these interacting with frequencies and

2204

01:16:45,750 --> 01:16:42,640

rays of light they're doing all kinds of

2205

01:16:49,430 --> 01:16:45,760

strange biological stuff yeah to a life

2206

01:16:51,830 --> 01:16:49,440

form and it's it's very very interesting

2207

01:16:54,950 --> 01:16:51,840

now without giving anything away have

2208

01:16:56,709 --> 01:16:54,960

you spoken to the people who

2209

01:16:59,750 --> 01:16:56,719

would have been there or around that

2210

01:17:02,070 --> 01:16:59,760

area at the time about this event

2211

01:17:05,030 --> 01:17:02,080

not yet but i have access to those

2212

01:17:07,270 --> 01:17:05,040

people i've made a made a first

2213

01:17:09,990 --> 01:17:07,280

inquiry into that the video you know the

2214

01:17:11,590 --> 01:17:10,000

full video production doesn't exist yet

2215

01:17:12,790 --> 01:17:11,600

it's still in production so as soon as i

2216

01:17:14,390 --> 01:17:12,800

have a full

2217

01:17:16,470 --> 01:17:14,400

version of it i'll be able to show them

2218

01:17:19,430 --> 01:17:16,480

i'm going to try to

2219

01:17:20,709 --> 01:17:19,440

uh yeah contact the the people involved

2220

01:17:23,030 --> 01:17:20,719

through some of the various groups i'm

2221

01:17:25,189 --> 01:17:23,040

in uh to see if i can get some kind of

2222

01:17:26,709 --> 01:17:25,199

statements from them in some way

2223

01:17:28,070 --> 01:17:26,719

excellent well i look forward to that

2224

01:17:29,590 --> 01:17:28,080

and when you're on instagram we'll make

2225

01:17:31,750 --> 01:17:29,600

sure we put out on the podcast as well

2226

01:17:33,910 --> 01:17:31,760

on one of the breakdowns or news updates

2227

01:17:35,350 --> 01:17:33,920

absolutely i mean you know and if you're

2228

01:17:37,510 --> 01:17:35,360

up for it it may be interesting to get

2229

01:17:38,790 --> 01:17:37,520

some of the team of remote viewers to

2230

01:17:41,110 --> 01:17:38,800

tell you what they're experiencing i'm

2231

01:17:43,350 --> 01:17:41,120

sure they'll come along and do that 100

2232

01:17:45,189 --> 01:17:43,360

that would be that would be great um dan

2233

01:17:47,270 --> 01:17:45,199

is really interested in remote viewing

2234

01:17:49,189 --> 01:17:47,280

and right now has the time to he's going

2235

01:17:51,990 --> 01:17:49,199

to be taking part in simeon heinz remote

2236

01:17:53,590 --> 01:17:52,000

viewing class over at um yeah new

2237

01:17:55,590 --> 01:17:53,600

crystalmine.com

2238

01:17:56,870 --> 01:17:55,600

dan is and simian's very kindly offered

2239

01:17:59,270 --> 01:17:56,880

if anyone wants to do the course

2240

01:18:02,070 --> 01:17:59,280

newcastleman.com they can get 50 off

2241

01:18:03,669 --> 01:18:02,080

using 50 rv and dan's going to be doing

2242

01:18:06,790 --> 01:18:03,679

it and talking about it on the show as

2243

01:18:08,470 --> 01:18:06,800

well expectations how the course went um

2244

01:18:11,189 --> 01:18:08,480

so he's very much looking forward to

2245

01:18:12,790 --> 01:18:11,199

that so yeah that would be great if the

2246

01:18:14,470 --> 01:18:12,800

the folks that you're working with and

2247

01:18:16,149 --> 01:18:14,480

you're involved with want to come on and

2248

01:18:18,310 --> 01:18:16,159

and talk about the project when they can

2249

01:18:20,390 --> 01:18:18,320

in a bit more detail i i would love that

2250

01:18:22,310 --> 01:18:20,400

as well i'll absolutely arrange that for

2251

01:18:24,470 --> 01:18:22,320

you that'd be no problem daz how can

2252

01:18:27,110 --> 01:18:24,480

people follow you and also follow your

2253

01:18:28,790 --> 01:18:27,120

work yeah uh as i mentioned uh you know

2254

01:18:30,630 --> 01:18:28,800

we're doing a quite a lot of work with

2255

01:18:32,390 --> 01:18:30,640

with my team through uh creative viewing

2256

01:18:34,149 --> 01:18:32,400

and you can find that on patreon.com

2257

01:18:36,790 --> 01:18:34,159

forward slash crypto viewing and that's

2258

01:18:39,350 --> 01:18:36,800

you know cryptos markets a few mysteries

2259

01:18:41,830 --> 01:18:39,360

targets and lots of news predictions so

2260

01:18:43,590 --> 01:18:41,840

you know it's a smorgasbord uh the rest

2261

01:18:46,070 --> 01:18:43,600

of your information uh if you go to

2262

01:18:48,470 --> 01:18:46,080

youtube and type in remoterview.com

2263

01:18:50,149 --> 01:18:48,480

or remoteviewed on on youtube sorry

2264

01:18:53,189 --> 01:18:50,159

i have a channel there with something

2265

01:18:55,110 --> 01:18:53,199

like 100 150 videos on there talks and

2266

01:18:57,110 --> 01:18:55,120

interviews and lots of remote viewing

2267

01:18:59,030 --> 01:18:57,120

examples and i also have a website

2268

01:19:00,790 --> 01:18:59,040

called remoteview.com

2269

01:19:02,790 --> 01:19:00,800

and on there you can find a template in

2270

01:19:03,830 --> 01:19:02,800

a video to teach yourself how to do it

2271

01:19:05,750 --> 01:19:03,840

you can find

2272

01:19:07,669 --> 01:19:05,760

tens of thousands pages of cia

2273

01:19:09,430 --> 01:19:07,679

documentation pretty much anything you'd

2274

01:19:12,149 --> 01:19:09,440

ever want to know about remote viewing

2275

01:19:13,270 --> 01:19:12,159

is on there including hundreds of my

2276

01:19:14,790 --> 01:19:13,280

remote viewing sessions for you to

2277

01:19:16,870 --> 01:19:14,800

download as well

2278

01:19:18,149 --> 01:19:16,880

well it's been great talking to you very

2279

01:19:20,390 --> 01:19:18,159

interesting i know i've got a lot of

2280

01:19:21,910 --> 01:19:20,400

listeners just from the twitter feed who

2281

01:19:23,990 --> 01:19:21,920

have an interest in the crypto side of

2282

01:19:26,149 --> 01:19:24,000

things as well and so they'll no doubt

2283

01:19:27,910 --> 01:19:26,159

be checking that out and yeah we'll get

2284

01:19:29,590 --> 01:19:27,920

those links on there for you folks and

2285

01:19:31,270 --> 01:19:29,600

if you're watching on the youtube hi

2286

01:19:32,709 --> 01:19:31,280

thank you for watching along and again

2287

01:19:34,310 --> 01:19:32,719

those links should also be in the

2288

01:19:35,830 --> 01:19:34,320

description for you

2289

01:19:37,350 --> 01:19:35,840

that's thanks for joining us and what is

2290

01:19:39,270 --> 01:19:37,360

the two year anniversary of the podcast

2291

01:19:40,709 --> 01:19:39,280

it's been a wonderful conversation it's

2292

01:19:42,229 --> 01:19:40,719

been a great fun yeah i look forward to

2293

01:19:44,229 --> 01:19:42,239

doing it again and thank you we

2294

01:19:45,430 --> 01:19:44,239

definitely will speak to you soon yeah

2295

01:19:47,510 --> 01:19:45,440

take care

2296

01:19:49,510 --> 01:19:47,520

that is all for this week's show thank

2297

01:19:51,510 --> 01:19:49,520

you very much for listening please

2298

01:19:54,149 --> 01:19:51,520

remember to leave the podcast to review

2299

01:19:56,470 --> 01:19:54,159

on your chosen platform you can like

2300

01:19:58,390 --> 01:19:56,480

retweet and subscribe that would all be

2301  
01:20:00,550 --> 01:19:58,400  
very much appreciated the shows are

2302  
01:20:02,830 --> 01:20:00,560  
being uploaded onto youtube as we speak

2303  
01:20:04,550 --> 01:20:02,840  
more and more you can sign up at

2304  
01:20:07,270 --> 01:20:04,560  
patreon.com forward slash that ufo

2305  
01:20:09,510 --> 01:20:07,280  
podcast to access shows ad free as well

2306  
01:20:12,390 --> 01:20:09,520  
please get in touch on twitter facebook

2307  
01:20:15,510 --> 01:20:12,400  
instagram that ufo podcast of course on

2308  
01:20:17,669 --> 01:20:15,520  
twitter it's at ufouapam

2309  
01:20:20,660 --> 01:20:17,679  
and again folks as always keep looking

2310  
01:20:41,110 --> 01:20:20,670  
up you never know what you might see

2311  
01:20:41,120 --> 01:20:47,780  
is

2312  
01:21:17,590 --> 01:21:10,420  
[Music]

2313  
01:21:22,030 --> 01:21:18,870

there was something on my head and

2314

01:21:26,840 --> 01:21:22,040

everything was weird and everything was

2315

01:21:26,850 --> 01:21:46,149

[Music]

2316

01:21:46,159 --> 01:21:51,600

what's

2317

01:22:18,310 --> 01:21:54,830

[Music]

2318

01:22:26,310 --> 01:22:20,360

what's up

2319

01:22:28,229 --> 01:22:26,320

[Music]

2320

01:22:39,260 --> 01:22:28,239

it wasn't a tic tac and not quite a

2321

01:22:50,750 --> 01:22:48,870

[Music]

2322

01:22:59,890 --> 01:22:50,760

it's very smooth

2323

01:22:59,900 --> 01:23:15,110

[Music]

2324
