THE BREAKDOWN

1
00:00:00,000 --> 00:00:12,310

[Music]

2
00:00:17,029 --> 00:00:14,470

it was basically a cube with inside of

3
00:00:22,000 --> 00:00:17,039

sphere where the points of the cube

4
00:00:35,190 --> 00:00:31,260

[Music]

5
00:00:36,790 --> 00:00:35,200

[Applause]

6
00:00:39,030 --> 00:00:36,800

so this isn't anything that just is

7
00:00:46,310 --> 00:00:39,040

limited to the united states it's a

8
00:00:51,270 --> 00:00:48,630

hi everyone and welcome back to that ufo

9
00:00:53,350 --> 00:00:51,280

podcast we have a breaking news pod and

10
00:00:55,270 --> 00:00:53,360

it seems since it's been a while since i

11
00:00:57,189 --> 00:00:55,280

had one of those to announce

12
00:00:59,349 --> 00:00:57,199

dan joins me for the first time in about

13
00:01:00,790 --> 00:00:59,359

12 years it seems done

14

00:01:03,189 --> 00:01:00,800

yeah it's been a little while a lot's

15

00:01:04,950 --> 00:01:03,199

been happening but this is uh this is a

16

00:01:06,789 --> 00:01:04,960

momentous day if i could have like a

17

00:01:08,390 --> 00:01:06,799

blue book t-shirt on kind of saying you

18

00:01:10,070 --> 00:01:08,400

know here we are again but in better

19

00:01:12,070 --> 00:01:10,080

shape uh i would

20

00:01:14,630 --> 00:01:12,080

well it's a momentous day dan because

21

00:01:17,270 --> 00:01:14,640

earlier today the new york times through

22

00:01:19,510 --> 00:01:17,280

leslie kane and ralph blumenthal uh the

23

00:01:21,429 --> 00:01:19,520

the true ufo power couple when it comes

24

00:01:24,390 --> 00:01:21,439

to writing and journalism

25

00:01:27,749 --> 00:01:24,400

announced that as of next week tuesday

26
00:01:29,990 --> 00:01:27,759
the 17th of may a house subcommittee

27
00:01:32,789 --> 00:01:30,000
is going to be holding the first open

28
00:01:34,870 --> 00:01:32,799
congressional hearings on unidentified

29
00:01:36,390 --> 00:01:34,880
aerial vehicles the first in more than

30
00:01:38,390 --> 00:01:36,400
half a century

31
00:01:42,149 --> 00:01:38,400
um and it's going to include testimony

32
00:01:43,749 --> 00:01:42,159
from two top defense officials i hope

33
00:01:45,350 --> 00:01:43,759
i'm getting all this correct because

34
00:01:47,910 --> 00:01:45,360
people will pull me up on the language

35
00:01:49,350 --> 00:01:47,920
and terminology but essentially folks

36
00:01:51,270 --> 00:01:49,360
all that stuff folk have talked about

37
00:01:53,670 --> 00:01:51,280
for quite a while and hoping or been

38
00:01:55,749 --> 00:01:53,680

expecting whatever you fall on it um is

39

00:01:56,709 --> 00:01:55,759

starting to happen next week exciting

40

00:01:59,190 --> 00:01:56,719

then

41

00:02:00,630 --> 00:01:59,200

yeah very exciting um

42

00:02:03,109 --> 00:02:00,640

listeners may recall us kind of

43

00:02:04,870 --> 00:02:03,119

following the bills as they went through

44

00:02:07,190 --> 00:02:04,880

the you know the house in congress and

45

00:02:08,550 --> 00:02:07,200

and the senate sorry and got voted on

46

00:02:10,229 --> 00:02:08,560

and biden signed them into law and that

47

00:02:11,270 --> 00:02:10,239

was really exciting but now what we're

48

00:02:13,670 --> 00:02:11,280

seeing is

49

00:02:15,110 --> 00:02:13,680

those laws kind of gave officials

50

00:02:17,350 --> 00:02:15,120

leavers to start pulling and kind of

51
00:02:19,910 --> 00:02:17,360
saying you know if you if you hold back

52
00:02:21,430 --> 00:02:19,920
the uap information then we we now

53
00:02:23,510 --> 00:02:21,440
actually have a law that we can come

54
00:02:25,270 --> 00:02:23,520
after you for um it's right there in the

55
00:02:27,750 --> 00:02:25,280
language so we're seeing them in kind of

56
00:02:29,670 --> 00:02:27,760
using that within you know

57
00:02:31,589 --> 00:02:29,680
five months of that being passed which

58
00:02:33,830 --> 00:02:31,599
is fantastic news

59
00:02:35,910 --> 00:02:33,840
so depending on where you sit with this

60
00:02:38,869 --> 00:02:35,920
news we're going to do our best to

61
00:02:41,430 --> 00:02:38,879
temper your expectations but in the same

62
00:02:43,750 --> 00:02:41,440
way that i think we spoke about the the

63
00:02:45,670 --> 00:02:43,760

task force report done where it was like

64

00:02:48,150 --> 00:02:45,680

don't be expecting aliens don't be

65

00:02:49,670 --> 00:02:48,160

expecting et don't be expecting that

66

00:02:51,670 --> 00:02:49,680

sort of language

67

00:02:54,470 --> 00:02:51,680

look for they can have baby steps in

68

00:02:57,589 --> 00:02:54,480

progress now this

69

00:02:59,350 --> 00:02:57,599

upcoming hearing is on the back of what

70

00:03:01,350 --> 00:02:59,360

dan has said there about all those all

71

00:03:03,509 --> 00:03:01,360

those bills that were passed on the back

72

00:03:05,830 --> 00:03:03,519

of the task force report the

73

00:03:09,110 --> 00:03:05,840

actions or sometimes lack thereof off

74

00:03:10,790 --> 00:03:09,120

the back of that report um and it's and

75

00:03:13,030 --> 00:03:10,800

this is another quote from the article

76

00:03:15,589 --> 00:03:13,040

this these sets of hearings are intended

77

00:03:17,990 --> 00:03:15,599

to focus on the work of a group within

78

00:03:20,470 --> 00:03:18,000

the pentagon that is following up on the

79

00:03:22,710 --> 00:03:20,480

national security and flight safety

80

00:03:25,190 --> 00:03:22,720

questions raised by the report

81

00:03:27,990 --> 00:03:25,200

because if you take away that

82

00:03:30,949 --> 00:03:28,000

ufo aliens what could these be thing for

83

00:03:33,350 --> 00:03:30,959

a moment there are one national security

84

00:03:34,869 --> 00:03:33,360

implications and also flight safety

85

00:03:35,750 --> 00:03:34,879

questions because

86

00:03:38,470 --> 00:03:35,760

these

87

00:03:39,910 --> 00:03:38,480

things are maneuvering dog fighting

88

00:03:41,589 --> 00:03:39,920

engaging with

89

00:03:43,110 --> 00:03:41,599

highly trained personnel and really

90

00:03:44,830 --> 00:03:43,120

really expensive equipment very

91

00:03:47,509 --> 00:03:44,840

technologically advanced equipment for

92

00:03:49,350 --> 00:03:47,519

us and they don't necessarily know what

93

00:03:51,270 --> 00:03:49,360

to do when they encounter them so

94

00:03:53,670 --> 00:03:51,280

there's certainly questions to be asked

95

00:03:55,509 --> 00:03:53,680

just from that point of view so

96

00:03:57,830 --> 00:03:55,519

it's important not to think

97

00:04:00,390 --> 00:03:57,840

that these hearings are going to be all

98

00:04:03,030 --> 00:04:00,400

about aliens and advanced civilizations

99

00:04:04,550 --> 00:04:03,040

and non-human intelligences dan is that

100

00:04:06,229 --> 00:04:04,560

completely fair

101
00:04:07,670 --> 00:04:06,239
yeah i think so you they're definitely

102
00:04:09,429 --> 00:04:07,680
not going to be rocking up with a third

103
00:04:11,350 --> 00:04:09,439
surprise guest that's just a grey that's

104
00:04:14,949 --> 00:04:11,360
going to sit in a you know phoenix like

105
00:04:16,150 --> 00:04:14,959
style yeah yeah yeah none of that um

106
00:04:18,390 --> 00:04:16,160
basically i think what's going to happen

107
00:04:20,390 --> 00:04:18,400
is essentially the aoi msg which is the

108
00:04:23,510 --> 00:04:20,400
uap task force but you know what it is

109
00:04:25,590 --> 00:04:23,520
now um they will brief uh the the two

110
00:04:27,510 --> 00:04:25,600
people who are going to testify uh which

111
00:04:29,430 --> 00:04:27,520
is scott bray who is the director of

112
00:04:31,270 --> 00:04:29,440
naval intelligence activity who kind of

113
00:04:32,310 --> 00:04:31,280

oversees everything for the navy and

114

00:04:36,070 --> 00:04:32,320

also

115

00:04:40,310 --> 00:04:37,830

ronald ronald

116

00:04:42,310 --> 00:04:40,320

that's it under secretary of defense for

117

00:04:43,830 --> 00:04:42,320

intelligence and security that's right

118

00:04:45,990 --> 00:04:43,840

and he oversees pretty much everything

119

00:04:49,110 --> 00:04:46,000

in the dod including the nsa the dia the

120

00:04:50,150 --> 00:04:49,120

nro uh you know he's the guy that kind

121

00:04:56,390 --> 00:04:50,160

of

122

00:04:58,629 --> 00:04:56,400

will be briefed by the mo aoi msg

123

00:05:00,550 --> 00:04:58,639

they will be provided the questions

124

00:05:01,749 --> 00:05:00,560

probably uh that they will be asked

125

00:05:05,430 --> 00:05:01,759

during

126

00:05:07,430 --> 00:05:05,440

hearings that's important i've seen

127

00:05:09,029 --> 00:05:07,440

people ask that online and in the

128

00:05:11,430 --> 00:05:09,039

discord chat some of the listeners were

129

00:05:13,029 --> 00:05:11,440

talking as well wondering are they going

130

00:05:14,790 --> 00:05:13,039

to get that in advance so that's that's

131

00:05:17,430 --> 00:05:14,800

important yeah

132

00:05:19,029 --> 00:05:17,440

you know otherwise essentially

133

00:05:21,350 --> 00:05:19,039

it's it's kind of like expecting biden

134

00:05:23,029 --> 00:05:21,360

to know everything that's going on in in

135

00:05:24,230 --> 00:05:23,039

the government you know he is commander

136

00:05:25,990 --> 00:05:24,240

in chief he doesn't know everything

137

00:05:28,550 --> 00:05:26,000

there are people that are under him that

138

00:05:30,950 --> 00:05:28,560

looks after each kind of granular bit

139

00:05:33,270 --> 00:05:30,960

these guys are like that to the the task

140

00:05:34,629 --> 00:05:33,280

force the task force will brief them

141

00:05:35,830 --> 00:05:34,639

give them the information they need to

142

00:05:37,909 --> 00:05:35,840

answer the questions that are going to

143

00:05:40,070 --> 00:05:37,919

be asked whether they avoid those

144

00:05:41,510 --> 00:05:40,080

questions or twist them i don't know it

145

00:05:43,270 --> 00:05:41,520

was brought to our attention earlier

146

00:05:44,390 --> 00:05:43,280

today that scott bray

147

00:05:46,710 --> 00:05:44,400

actually

148

00:05:49,670 --> 00:05:46,720

approved a lot of the redactions in the

149

00:05:51,350 --> 00:05:49,680

security classification guide on uap so

150

00:05:53,029 --> 00:05:51,360

he's already had a hand in keeping a lot

151
00:05:55,510 --> 00:05:53,039
of this information secret but who

152
00:05:57,270 --> 00:05:55,520
better to hold the feet to the fire you

153
00:05:58,950 --> 00:05:57,280
know yeah and that that was john

154
00:06:01,430 --> 00:05:58,960
greenwald black vault who who brought

155
00:06:03,590 --> 00:06:01,440
that up online that and again john i

156
00:06:05,189 --> 00:06:03,600
think went down the line of don't get

157
00:06:06,790 --> 00:06:05,199
excited by this gentleman because this

158
00:06:08,230 --> 00:06:06,800
is just a way to obfuscate the truth

159
00:06:09,990 --> 00:06:08,240
more but i think a lot of people like

160
00:06:12,070 --> 00:06:10,000
yourself and myself dan were like well

161
00:06:13,909 --> 00:06:12,080
no because isn't this one of the people

162
00:06:16,390 --> 00:06:13,919
you do want questioned

163
00:06:18,390 --> 00:06:16,400

for me i think you can look at the the

164

00:06:20,550 --> 00:06:18,400

advanced notice of the questions in two

165

00:06:21,909 --> 00:06:20,560

ways one of them like you say are they

166

00:06:23,189 --> 00:06:21,919

going to avoid the questions are they

167

00:06:25,189 --> 00:06:23,199

going to be clever

168

00:06:27,430 --> 00:06:25,199

but also if we go back to

169

00:06:29,270 --> 00:06:27,440

senator gillibrand when she was asking i

170

00:06:30,790 --> 00:06:29,280

can't remember who the gentleman was

171

00:06:32,950 --> 00:06:30,800

about uaps

172

00:06:35,110 --> 00:06:32,960

and he really awkwardly tried to blow

173

00:06:36,550 --> 00:06:35,120

off and brush off the questions that she

174

00:06:37,990 --> 00:06:36,560

told him that he better do his homework

175

00:06:40,070 --> 00:06:38,000

for the next time she asks because what

176
00:06:41,749 --> 00:06:40,080
he said wasn't good enough i imagine it

177
00:06:44,070 --> 00:06:41,759
could be very similar on this occasion

178
00:06:45,990 --> 00:06:44,080
if if either of these gentlemen show up

179
00:06:47,590 --> 00:06:46,000
and haven't done their homework to give

180
00:06:48,629 --> 00:06:47,600
appropriate answers

181
00:06:49,990 --> 00:06:48,639
then

182
00:06:51,830 --> 00:06:50,000
that could be

183
00:06:53,909 --> 00:06:51,840
could be detrimental to them and you

184
00:06:55,510 --> 00:06:53,919
know going forward that this whole

185
00:06:57,270 --> 00:06:55,520
investigation whatever you want to call

186
00:06:58,870 --> 00:06:57,280
it that it's going to be so i think

187
00:07:01,110 --> 00:06:58,880
there's a responsibility on their

188
00:07:02,710 --> 00:07:01,120

shoulders that being given the time

189

00:07:04,469 --> 00:07:02,720

they're expected to come up with with

190

00:07:06,870 --> 00:07:04,479

good answers with heavyweight answers as

191

00:07:08,309 --> 00:07:06,880

well so i'm quite intrigued to see what

192

00:07:10,870 --> 00:07:08,319

they do come up with

193

00:07:12,870 --> 00:07:10,880

yeah absolutely uh douglas d johnson

194

00:07:15,029 --> 00:07:12,880

over christmas he posted an article that

195

00:07:17,029 --> 00:07:15,039

was kind of a summary of a lot of the

196

00:07:19,749 --> 00:07:17,039

the bills that were passing and he

197

00:07:20,790 --> 00:07:19,759

mentioned moultrie in that article and

198

00:07:21,830 --> 00:07:20,800

and there were a lot of questions that

199

00:07:25,029 --> 00:07:21,840

have now been answered that he was

200

00:07:26,870 --> 00:07:25,039

posing but when those bills passed

201
00:07:28,790 --> 00:07:26,880
douglas basically said that the the

202
00:07:30,390 --> 00:07:28,800
overriding sentiment of the moment was

203
00:07:32,070 --> 00:07:30,400
that they would say and essentially we

204
00:07:34,070 --> 00:07:32,080
the congress have concluded that an

205
00:07:36,230 --> 00:07:34,080
identified aerial phenomena is serious

206
00:07:37,909 --> 00:07:36,240
business we want you to start treating

207
00:07:39,510 --> 00:07:37,919
it a serious business get your act

208
00:07:41,749 --> 00:07:39,520
together and get a grip on this problem

209
00:07:44,390 --> 00:07:41,759
expect to be held accountable this is

210
00:07:46,790 --> 00:07:44,400
them holding those people accountable

211
00:07:48,629 --> 00:07:46,800
they are saying stop messing with us we

212
00:07:50,550 --> 00:07:48,639
are serious here they need to protect

213
00:07:52,070 --> 00:07:50,560

their airspace they need to

214

00:07:53,430 --> 00:07:52,080

you know the constituents are asking

215

00:07:55,189 --> 00:07:53,440

questions the american people want to

216

00:07:58,309 --> 00:07:55,199

know and it's not just the american

217

00:08:00,950 --> 00:07:58,319

people this is a worldwide phenomena

218

00:08:03,350 --> 00:08:00,960

as it says uh is it fair to say as well

219

00:08:05,270 --> 00:08:03,360

dan you mentioned that

220

00:08:07,749 --> 00:08:05,280

these people are being held accountable

221

00:08:09,270 --> 00:08:07,759

i don't think that's necessarily that

222

00:08:10,790 --> 00:08:09,280

they're holding all the secrets and they

223

00:08:12,950 --> 00:08:10,800

know what's going on so they have to

224

00:08:14,629 --> 00:08:12,960

tell us but more that they're stopping

225

00:08:16,550 --> 00:08:14,639

people who are trying to investigate

226

00:08:18,230 --> 00:08:16,560

this from getting the answers and

227

00:08:20,390 --> 00:08:18,240

getting closer to the truth and making

228

00:08:22,550 --> 00:08:20,400

their jobs more difficult so they have

229

00:08:25,270 --> 00:08:22,560

to stop that and start cooperating more

230

00:08:26,629 --> 00:08:25,280

is that that's where this lies isn't it

231

00:08:28,950 --> 00:08:26,639

yeah absolutely

232

00:08:30,629 --> 00:08:28,960

essentially the bill's kind of said that

233

00:08:32,070 --> 00:08:30,639

everyone has to work together and start

234

00:08:33,589 --> 00:08:32,080

doing this properly

235

00:08:34,790 --> 00:08:33,599

it doesn't seem like they've been doing

236

00:08:36,310 --> 00:08:34,800

that or at least that they're dragging

237

00:08:39,110 --> 00:08:36,320

their heels we already had a bit of

238

00:08:40,870 --> 00:08:39,120

controversy between whether aoi msg was

239

00:08:43,350 --> 00:08:40,880

even fit for purpose for this

240

00:08:44,389 --> 00:08:43,360

investigation or for this task force

241

00:08:45,509 --> 00:08:44,399

so

242

00:08:47,670 --> 00:08:45,519

there are a lot of things that could

243

00:08:49,990 --> 00:08:47,680

happen going forward you know it could

244

00:08:52,630 --> 00:08:50,000

be that they establish an office outside

245

00:08:54,550 --> 00:08:52,640

of and shuttered the task force or the

246

00:08:56,630 --> 00:08:54,560

task force is properly equipped we saw

247

00:08:57,509 --> 00:08:56,640

that they were advertising for workers

248

00:09:01,750 --> 00:08:57,519

so

249

00:09:03,350 --> 00:09:01,760

be taking it seriously and a lot of what

250

00:09:05,750 --> 00:09:03,360

we hear might be oh hey you know here

251

00:09:07,750 --> 00:09:05,760

are plans for the task force and a lot

252

00:09:09,030 --> 00:09:07,760

of that will probably be classified so

253

00:09:10,389 --> 00:09:09,040

we'll be in the classified portions of

254

00:09:12,630 --> 00:09:10,399

the briefings but the rest will be able

255

00:09:14,710 --> 00:09:12,640

to watch on youtube and and you know sit

256

00:09:17,110 --> 00:09:14,720

there with popcorn eating it

257

00:09:19,430 --> 00:09:17,120

um a part of the article early on i want

258

00:09:21,269 --> 00:09:19,440

to talk about dan it says and i quote

259

00:09:24,389 --> 00:09:21,279

since this as an area of high public

260

00:09:26,550 --> 00:09:24,399

interest any undue secrecy can serve as

261

00:09:28,150 --> 00:09:26,560

an obstacle to solving the mystery or it

262

00:09:30,389 --> 00:09:28,160

could prevent us from finding solutions

263

00:09:32,470 --> 00:09:30,399

to potential vulnerabilities this was

264

00:09:34,949 --> 00:09:32,480

said by representative andre carson the

265

00:09:36,310 --> 00:09:34,959

democrat of indiana and the chairman of

266

00:09:38,350 --> 00:09:36,320

the house intelligence committee's

267

00:09:39,750 --> 00:09:38,360

subcommittee on counter-terrorism

268

00:09:42,389 --> 00:09:39,760

counter-intelligence and

269

00:09:45,509 --> 00:09:42,399

counter-proliferation

270

00:09:47,829 --> 00:09:45,519

that rolls off the tongue doesn't it um

271

00:09:49,509 --> 00:09:47,839

this hearing as an example uh sorry this

272

00:09:51,590 --> 00:09:49,519

hearing is about examining the steps

273

00:09:54,230 --> 00:09:51,600

that the pentagon can take to reduce the

274

00:09:56,949 --> 00:09:54,240

stigma surrounding reporting by military

275

00:09:58,230 --> 00:09:56,959

pilots and by civilian pilots like we

276

00:10:01,190 --> 00:09:58,240

said people need to temper their

277

00:10:03,190 --> 00:10:01,200

expectations this is the beginning of

278

00:10:04,870 --> 00:10:03,200

something here um

279

00:10:06,470 --> 00:10:04,880

i've got the comment and i said this

280

00:10:08,870 --> 00:10:06,480

online dan the biggest avalanche starts

281

00:10:11,269 --> 00:10:08,880

with a whisper and a pebble so we're not

282

00:10:14,069 --> 00:10:11,279

going to be hearing et's aliens and such

283

00:10:15,110 --> 00:10:14,079

but it's going to get the ball rolling

284

00:10:19,430 --> 00:10:15,120

and

285

00:10:22,230 --> 00:10:19,440

writing folks so people can't be

286

00:10:24,870 --> 00:10:22,240

disappointed afterwards as to focus on

287

00:10:27,110 --> 00:10:24,880

reducing the stigma on reporting

288

00:10:30,069 --> 00:10:27,120

also i thought the wording of undue

289

00:10:32,710 --> 00:10:30,079

secrecy there is still going to be and

290

00:10:35,750 --> 00:10:32,720

probably always will be a level of

291

00:10:37,670 --> 00:10:35,760

secrecy with the subject even from those

292

00:10:39,430 --> 00:10:37,680

who are trying to get information out

293

00:10:41,829 --> 00:10:39,440

that includes your your senator harry

294

00:10:43,350 --> 00:10:41,839

reid your chris mellon jolyllas on those

295

00:10:44,550 --> 00:10:43,360

anyone who does come forward from the

296

00:10:45,910 --> 00:10:44,560

government

297

00:10:47,590 --> 00:10:45,920

because there are things they can and

298

00:10:50,069 --> 00:10:47,600

can't say for all sorts of different

299

00:10:51,430 --> 00:10:50,079

reasons not just the public deserve to

300

00:10:53,030 --> 00:10:51,440

know so

301
00:10:55,110 --> 00:10:53,040
i do appreciate that i get why it

302
00:10:56,630 --> 00:10:55,120
frustrates some people but we have to

303
00:10:59,350 --> 00:10:56,640
accept that is just a part of the

304
00:11:00,630 --> 00:10:59,360
subject especially for the time being

305
00:11:02,150 --> 00:11:00,640
yeah absolutely

306
00:11:03,430 --> 00:11:02,160
essentially what

307
00:11:05,030 --> 00:11:03,440
the the complaints at the moment are

308
00:11:06,870 --> 00:11:05,040
things like public interface and with

309
00:11:09,190 --> 00:11:06,880
the office that's being established this

310
00:11:11,269 --> 00:11:09,200
is growing pains i know there's a

311
00:11:12,550 --> 00:11:11,279
suspected kind of you know dark ball

312
00:11:13,990 --> 00:11:12,560
behind the scenes that have kind of

313
00:11:15,750 --> 00:11:14,000

known this secret and been studying it

314

00:11:17,430 --> 00:11:15,760

for a long while but in terms of what

315

00:11:19,430 --> 00:11:17,440

we're seeing now in the us government

316

00:11:21,990 --> 00:11:19,440

these are a bunch of new people wanting

317

00:11:23,670 --> 00:11:22,000

to kind of start afresh there are a lot

318

00:11:25,829 --> 00:11:23,680

of people in here that i i don't even

319

00:11:27,670 --> 00:11:25,839

think have come across the uap issue

320

00:11:29,509 --> 00:11:27,680

before and knew it as you know they just

321

00:11:31,670 --> 00:11:29,519

knew it was ufos and treated it as that

322

00:11:34,310 --> 00:11:31,680

kind of silly issue but certainly now

323

00:11:35,990 --> 00:11:34,320

that that's changing um and i don't

324

00:11:37,590 --> 00:11:36,000

think it's going away the fact that

325

00:11:39,590 --> 00:11:37,600

we're getting public hearings i think a

326

00:11:41,509 --> 00:11:39,600

lot of us are celebrating like you say

327

00:11:42,949 --> 00:11:41,519

not because

328

00:11:44,389 --> 00:11:42,959

we're necessarily going to get some new

329

00:11:46,230 --> 00:11:44,399

information or videos or anything like

330

00:11:48,389 --> 00:11:46,240

that out of this but there are going to

331

00:11:50,710 --> 00:11:48,399

be so many more eyes on this issue now

332

00:11:52,949 --> 00:11:50,720

and realizing oh hold on this is

333

00:11:55,030 --> 00:11:52,959

actually really serious i i see it as

334

00:11:57,910 --> 00:11:55,040

essentially you know when it teaches

335

00:11:58,949 --> 00:11:57,920

scolds a kid in class and kind of says

336

00:12:00,389 --> 00:11:58,959

all your friends are going to have to go

337

00:12:01,829 --> 00:12:00,399

in if you don't behave this is

338

00:12:03,829 --> 00:12:01,839

essentially what's happening here i

339

00:12:06,310 --> 00:12:03,839

think uh you know a few people are being

340

00:12:07,829 --> 00:12:06,320

told off very publicly so they can get

341

00:12:09,509 --> 00:12:07,839

their act together

342

00:12:10,790 --> 00:12:09,519

and it's almost like that teachers that

343

00:12:11,990 --> 00:12:10,800

the kids are in the classroom being

344

00:12:13,430 --> 00:12:12,000

naughty but they're kind of holding the

345

00:12:15,269 --> 00:12:13,440

door shut and the teacher's got their

346

00:12:16,629 --> 00:12:15,279

foot in the door and the kids are kind

347

00:12:17,990 --> 00:12:16,639

of stopping them getting in but they're

348

00:12:19,110 --> 00:12:18,000

just they're peeking in and you can see

349

00:12:20,870 --> 00:12:19,120

a little bit and it's like what are you

350

00:12:21,910 --> 00:12:20,880

doing in there you know you're as well

351

00:12:23,430 --> 00:12:21,920

letting me in because i'm going to get

352

00:12:24,389 --> 00:12:23,440

in eventually you can make this easy on

353

00:12:25,590 --> 00:12:24,399

yourself

354

00:12:27,670 --> 00:12:25,600

and i think that's a little bit of

355

00:12:29,350 --> 00:12:27,680

what's happening and you see this isn't

356

00:12:31,670 --> 00:12:29,360

directly going to give us

357

00:12:34,310 --> 00:12:31,680

no footage new videos all that good

358

00:12:36,069 --> 00:12:34,320

stuff but it certainly could lead to

359

00:12:39,829 --> 00:12:36,079

that depending on how much of those

360

00:12:42,310 --> 00:12:39,839

those doors get opened um it was 1966

361

00:12:44,629 --> 00:12:42,320

gerald r ford then the house house

362

00:12:46,470 --> 00:12:44,639

republican minority leader from michigan

363

00:12:49,190 --> 00:12:46,480

organized a hearing in response to

364

00:12:51,030 --> 00:12:49,200

reports of ufos by over 40 people

365

00:12:52,550 --> 00:12:51,040

including 12 policemen

366

00:12:55,990 --> 00:12:52,560

at the time the air force explained them

367

00:12:57,670 --> 00:12:56,000

away famously as swamp gas mr ford said

368

00:12:59,590 --> 00:12:57,680

that was flippant

369

00:13:01,670 --> 00:12:59,600

i'm going to ask you dan as we are now

370

00:13:02,550 --> 00:13:01,680

approaching what 50 60 years on from

371

00:13:06,629 --> 00:13:02,560

those

372

00:13:10,550 --> 00:13:06,639

what do you expect to to come away from

373

00:13:15,110 --> 00:13:13,670

essentially a sense of how serious this

374

00:13:17,030 --> 00:13:15,120

has been taken

375

00:13:18,550 --> 00:13:17,040

at the moment you know it's gone from a

376

00:13:21,110 --> 00:13:18,560

bunch of us just on the internet talking

377

00:13:22,790 --> 00:13:21,120

about this to a bunch of people really

378

00:13:24,870 --> 00:13:22,800

you know officials coming out swinging

379

00:13:26,710 --> 00:13:24,880

and being concerned and it's getting to

380

00:13:28,949 --> 00:13:26,720

the point where you know that kind of

381

00:13:30,710 --> 00:13:28,959

entertainment side of ufology is it's

382

00:13:32,150 --> 00:13:30,720

kind of falling away because you know

383

00:13:33,590 --> 00:13:32,160

this is

384

00:13:35,750 --> 00:13:33,600

it's starting to grow up a little bit

385

00:13:38,629 --> 00:13:35,760

and people are realizing the weight and

386

00:13:40,629 --> 00:13:38,639

and the potential profound changes that

387

00:13:42,550 --> 00:13:40,639

this subject brings

388

00:13:44,550 --> 00:13:42,560

i feel like that's exactly why we're

389

00:13:46,069 --> 00:13:44,560

taking these kind of baby steps and that

390

00:13:48,310 --> 00:13:46,079

people shouldn't be frustrated by not

391

00:13:51,030 --> 00:13:48,320

finding out anything new where talking

392

00:13:52,870 --> 00:13:51,040

to new people through different kind of

393

00:13:54,230 --> 00:13:52,880

reaches and audiences

394

00:13:55,750 --> 00:13:54,240

the more it's talked about the bigger

395

00:13:57,750 --> 00:13:55,760

the platform the more serious the

396

00:13:59,030 --> 00:13:57,760

platform and i i mean does it get more

397

00:14:02,710 --> 00:13:59,040

serious than

398

00:14:04,470 --> 00:14:02,720

you know public hearing in america um

399

00:14:06,230 --> 00:14:04,480

what more do we want this is an

400

00:14:07,990 --> 00:14:06,240

excellent foot to put forward and and

401
00:14:10,389 --> 00:14:08,000
like you say it's going to lead to

402
00:14:12,150 --> 00:14:10,399
probably a better public interface and a

403
00:14:15,030 --> 00:14:12,160
whole bunch of people asking questions

404
00:14:16,949 --> 00:14:15,040
that weren't asking questions before

405
00:14:18,389 --> 00:14:16,959
i'm going to ask you a very speculative

406
00:14:20,150 --> 00:14:18,399
question then

407
00:14:22,550 --> 00:14:20,160
do you think they

408
00:14:25,189 --> 00:14:22,560
and i mean they as in others

409
00:14:26,870 --> 00:14:25,199
are either up there down there or in the

410
00:14:28,710 --> 00:14:26,880
space in between

411
00:14:32,710 --> 00:14:28,720
are aware of these progressions and

412
00:14:35,110 --> 00:14:32,720
conversations and governmental

413
00:14:38,310 --> 00:14:35,120

levels of awareness how strange do you

414

00:14:40,870 --> 00:14:39,910

give you a minute

415

00:14:42,710 --> 00:14:40,880

well

416

00:14:44,150 --> 00:14:42,720

depending on the kind of

417

00:14:46,790 --> 00:14:44,160

groups of people you talk to we've even

418

00:14:48,550 --> 00:14:46,800

got ideas where you know a ufo just

419

00:14:50,470 --> 00:14:48,560

showing itself to someone creates a

420

00:14:52,470 --> 00:14:50,480

space in their head to think differently

421

00:14:53,910 --> 00:14:52,480

and they start a kind of you know a

422

00:14:55,509 --> 00:14:53,920

butterfly beats its wings through an

423

00:14:57,430 --> 00:14:55,519

action of theirs maybe a politician and

424

00:14:59,350 --> 00:14:57,440

it kind of creates this big change

425

00:15:01,110 --> 00:14:59,360

societal change that brings us closer to

426

00:15:02,710 --> 00:15:01,120

a communication with the species that

427

00:15:04,550 --> 00:15:02,720

are more advanced than us

428

00:15:06,629 --> 00:15:04,560

or you've got the kind of more malicious

429

00:15:07,829 --> 00:15:06,639

side of things where you know people say

430

00:15:10,470 --> 00:15:07,839

that

431

00:15:12,389 --> 00:15:10,480

the kind of hitchhiker effect happens to

432

00:15:14,550 --> 00:15:12,399

some of these officials and and may

433

00:15:16,949 --> 00:15:14,560

influence them in that way um through

434

00:15:17,670 --> 00:15:16,959

religious beliefs and things like that

435

00:15:21,030 --> 00:15:17,680

i

436

00:15:25,590 --> 00:15:21,040

that

437

00:15:27,990 --> 00:15:25,600

are kind of through the lens of the

438

00:15:30,389 --> 00:15:28,000

world that people see them um

439

00:15:31,350 --> 00:15:30,399

and that i i would say it's fair that if

440

00:15:32,470 --> 00:15:31,360

something

441

00:15:36,150 --> 00:15:32,480

kind of

442

00:15:37,829 --> 00:15:36,160

something super advanced was here there

443

00:15:40,150 --> 00:15:37,839

is no reason that it wouldn't kind of

444

00:15:41,749 --> 00:15:40,160

know all that was going on even from a

445

00:15:43,350 --> 00:15:41,759

skiff perspective you know a secure

446

00:15:45,030 --> 00:15:43,360

facility

447

00:15:46,949 --> 00:15:45,040

i i would imagine that they know

448

00:15:49,590 --> 00:15:46,959

everything about us we know very little

449

00:15:51,110 --> 00:15:49,600

about them

450

00:15:52,389 --> 00:15:51,120

and i suppose everything in terms of

451
00:15:54,470 --> 00:15:52,399
what they need to know maybe not the

452
00:15:56,629 --> 00:15:54,480
superficial stuff that we would consider

453
00:15:57,670 --> 00:15:56,639
important but they're like meh that's

454
00:15:59,910 --> 00:15:57,680
not something they talk about the

455
00:16:01,110 --> 00:15:59,920
kardashians well yeah that kind of stuff

456
00:16:02,710 --> 00:16:01,120
where they'll be like we know nothing

457
00:16:04,710 --> 00:16:02,720
about that we don't know what your sport

458
00:16:07,110 --> 00:16:04,720
is all that kind of stuff but

459
00:16:08,550 --> 00:16:07,120
there are like i think when we spoke to

460
00:16:09,910 --> 00:16:08,560
louis elizondo i don't want to call him

461
00:16:12,389 --> 00:16:09,920
lou in case we get accused of being

462
00:16:15,030 --> 00:16:12,399
fanboys again but when we spoke to mr

463
00:16:17,749 --> 00:16:15,040

elizondo a couple of weeks ago and

464

00:16:19,189 --> 00:16:17,759

i asked him do you think they're aware

465

00:16:21,269 --> 00:16:19,199

you know of us and he went oh yeah they

466

00:16:22,949 --> 00:16:21,279

are aware that we are aware so there's

467

00:16:25,430 --> 00:16:22,959

there's a kind of noticing there and

468

00:16:27,030 --> 00:16:25,440

that i just yeah purely speculative but

469

00:16:29,350 --> 00:16:27,040

i mean i was just interested in that one

470

00:16:31,189 --> 00:16:29,360

if if they would even care about our

471

00:16:32,310 --> 00:16:31,199

politics and government and

472

00:16:34,629 --> 00:16:32,320

that that was the moment where i was

473

00:16:37,590 --> 00:16:34,639

frantically typing in for you to ask

474

00:16:39,829 --> 00:16:37,600

as what was it uh do they notice us more

475

00:16:42,150 --> 00:16:39,839

the more we know them um and yeah it's

476

00:16:43,910 --> 00:16:42,160

interesting that you know uh

477

00:16:45,910 --> 00:16:43,920

a species could evolve over time to

478

00:16:47,749 --> 00:16:45,920

become more aware of each other um did

479

00:16:49,509 --> 00:16:47,759

you catch chris mellon pour out a tweet

480

00:16:50,790 --> 00:16:49,519

he retweeted the new york times article

481

00:16:52,790 --> 00:16:50,800

and he said one of the critical

482

00:16:55,269 --> 00:16:52,800

questions for the upcoming house uap

483

00:16:57,269 --> 00:16:55,279

hearing is do we have evidence of

484

00:16:59,430 --> 00:16:57,279

intelligently controlled unknowns in

485

00:17:01,269 --> 00:16:59,440

orbit or in space chris doesn't tend to

486

00:17:03,350 --> 00:17:01,279

pose these questions unless he knows

487

00:17:05,270 --> 00:17:03,360

that you know something that we don't so

488

00:17:06,789 --> 00:17:05,280

so that's a really intriguing question

489

00:17:08,949 --> 00:17:06,799

from him i think

490

00:17:10,150 --> 00:17:08,959

more of the psyop from chris melon again

491

00:17:12,949 --> 00:17:10,160

what's he like

492

00:17:15,590 --> 00:17:12,959

um some listener comments on on the news

493

00:17:17,669 --> 00:17:15,600

it broke today folks uh from gnosis he

494

00:17:19,750 --> 00:17:17,679

he says tempering is the way for sure

495

00:17:21,590 --> 00:17:19,760

tempering expectations that is my

496

00:17:23,829 --> 00:17:21,600

feeling as that there could be a berlin

497

00:17:26,150 --> 00:17:23,839

wall moment in all of this i eat not so

498

00:17:27,350 --> 00:17:26,160

much then all at once i don't think

499

00:17:29,430 --> 00:17:27,360

we're there yet let me see a

500

00:17:31,430 --> 00:17:29,440

high-ranking u.s air force and d.o.e

501
00:17:33,669 --> 00:17:31,440
representative being grilled and i'll

502
00:17:35,350 --> 00:17:33,679
buy a first class ticket for the hype

503
00:17:37,750 --> 00:17:35,360
train um

504
00:17:40,230 --> 00:17:37,760
nathan at a way of seoul uh he talked

505
00:17:43,430 --> 00:17:40,240
about a representative adam b schiff

506
00:17:44,789 --> 00:17:43,440
californian democrats comment and he

507
00:17:46,789 --> 00:17:44,799
tweeted

508
00:17:48,230 --> 00:17:46,799
representative chef said there's much to

509
00:17:50,150 --> 00:17:48,240
learn about unidentified aerial

510
00:17:51,510 --> 00:17:50,160
phenomena but one thing is sure the

511
00:17:52,870 --> 00:17:51,520
american people deserve full

512
00:17:55,110 --> 00:17:52,880
transparency

513
00:17:57,029 --> 00:17:55,120

brackets don't we all um and he also

514

00:17:59,350 --> 00:17:57,039

said next week the house intel will give

515

00:18:01,669 --> 00:17:59,360

the public a chance to hear from experts

516

00:18:02,470 --> 00:18:01,679

on one of the greatest mysteries of our

517

00:18:03,350 --> 00:18:02,480

time

518

00:18:05,590 --> 00:18:03,360

so

519

00:18:08,150 --> 00:18:05,600

i think it's fair to say that chef is

520

00:18:09,990 --> 00:18:08,160

leaning on the the idea that this isn't

521

00:18:12,070 --> 00:18:10,000

your foreign adversarial technology here

522

00:18:13,990 --> 00:18:12,080

then that's a true mystery there's a bit

523

00:18:15,590 --> 00:18:14,000

of almost child like wonderment i think

524

00:18:17,590 --> 00:18:15,600

if it's not too romantic to say that

525

00:18:19,909 --> 00:18:17,600

within that you know maybe someone has a

526

00:18:22,310 --> 00:18:19,919

deep-rooted interest in the topic that

527

00:18:24,070 --> 00:18:22,320

goes back more than just some recent

528

00:18:25,909 --> 00:18:24,080

briefings potentially there as well so

529

00:18:26,789 --> 00:18:25,919

that's always good to kind of hear

530

00:18:28,310 --> 00:18:26,799

um

531

00:18:30,549 --> 00:18:28,320

dave smather said i think it looks

532

00:18:32,549 --> 00:18:30,559

pretty mild but it'll be a slow burner

533

00:18:33,909 --> 00:18:32,559

that catches fire this is because all

534

00:18:36,789 --> 00:18:33,919

the members have had confidential

535

00:18:38,710 --> 00:18:36,799

briefings and presumably seen videos and

536

00:18:41,430 --> 00:18:38,720

they are reportedly unhappy with

537

00:18:44,310 --> 00:18:41,440

progress and finally eric said the

538

00:18:45,270 --> 00:18:44,320

snowball is rolling i i imagine a lot

539

00:18:46,630 --> 00:18:45,280

more

540

00:18:48,070 --> 00:18:46,640

officials will be asking for the

541

00:18:49,590 --> 00:18:48,080

briefing after these public hearings as

542

00:18:51,029 --> 00:18:49,600

well because it's one thing to take some

543

00:18:52,549 --> 00:18:51,039

time out of your day to actually go

544

00:18:53,830 --> 00:18:52,559

somewhere and do the meeting but they

545

00:18:55,029 --> 00:18:53,840

they're busy they have a bunch of aids

546

00:18:56,310 --> 00:18:55,039

the aide's going to be able to watch

547

00:18:58,789 --> 00:18:56,320

that skip through and go yeah you need

548

00:19:00,630 --> 00:18:58,799

to pay attention to this you know 100

549

00:19:03,430 --> 00:19:00,640

and dan you had put out just on twitter

550

00:19:04,789 --> 00:19:03,440

hadn't you um asking what questions

551
00:19:06,950 --> 00:19:04,799
people would like to hear do you want to

552
00:19:08,950 --> 00:19:06,960
go through some of those yeah so

553
00:19:10,549 --> 00:19:08,960
jefferson lee uh

554
00:19:12,630 --> 00:19:10,559
would like to know what effort's being

555
00:19:15,270 --> 00:19:12,640
done to synchronize data collection uh

556
00:19:16,470 --> 00:19:15,280
between various agencies uh which i

557
00:19:17,750 --> 00:19:16,480
think is a pertinent point that's kind

558
00:19:19,190 --> 00:19:17,760
of what there's quite an official

559
00:19:20,390 --> 00:19:19,200
sounding question too

560
00:19:22,230 --> 00:19:20,400
that sounds like one that is straight

561
00:19:24,630 --> 00:19:22,240
off the list yeah

562
00:19:26,549 --> 00:19:24,640
um do you believe uh this is a lesson

563
00:19:28,390 --> 00:19:26,559

there do you believe an amnesty program

564

00:19:30,070 --> 00:19:28,400

that protects whistleblowers from the

565

00:19:31,590 --> 00:19:30,080

undue burden of prosecution for their

566

00:19:33,350 --> 00:19:31,600

efforts to inform the american people

567

00:19:35,110 --> 00:19:33,360

would aid in getting more information

568

00:19:36,710 --> 00:19:35,120

out of the military and intel community

569

00:19:38,630 --> 00:19:36,720

on uap i think that's a really

570

00:19:41,350 --> 00:19:38,640

interesting question it's a it's a

571

00:19:43,510 --> 00:19:41,360

touchy one um especially because so many

572

00:19:45,990 --> 00:19:43,520

people's lives have been altered in a

573

00:19:47,909 --> 00:19:46,000

crazy way that you know there's no way

574

00:19:50,150 --> 00:19:47,919

that you can give those lives back to

575

00:19:52,070 --> 00:19:50,160

those people uh just just look at we're

576

00:19:53,830 --> 00:19:52,080

gonna talk about it soon but kevin day

577

00:19:55,510 --> 00:19:53,840

and the tear in the sky it's very clear

578

00:19:57,990 --> 00:19:55,520

that he was deeply affected by the

579

00:19:59,270 --> 00:19:58,000

experience um but then he says his

580

00:20:01,190 --> 00:19:59,280

career ended

581

00:20:02,870 --> 00:20:01,200

i'll go back to what i said before and

582

00:20:05,430 --> 00:20:02,880

and i've said this many times on the

583

00:20:06,789 --> 00:20:05,440

podcast that i i don't mind an amnesty

584

00:20:08,630 --> 00:20:06,799

where people are

585

00:20:10,470 --> 00:20:08,640

granted immunity

586

00:20:12,549 --> 00:20:10,480

from whatever they have done in the past

587

00:20:14,549 --> 00:20:12,559

many of those that started this are have

588

00:20:16,630 --> 00:20:14,559

long since passed and other people have

589

00:20:18,549 --> 00:20:16,640

just inherited the secrecy

590

00:20:21,430 --> 00:20:18,559

but and for all people would go well

591

00:20:24,149 --> 00:20:21,440

that they should be prosecuted etc etc

592

00:20:27,110 --> 00:20:24,159

that that quote before of on the levels

593

00:20:29,110 --> 00:20:27,120

of undue secrecy there are still

594

00:20:31,270 --> 00:20:29,120

more than likely almost definitely

595

00:20:33,590 --> 00:20:31,280

elements of this topic and subject that

596

00:20:34,950 --> 00:20:33,600

we don't know why it's been kept secret

597

00:20:37,110 --> 00:20:34,960

and things that we've maybe not even

598

00:20:38,710 --> 00:20:37,120

considered that if and when it does come

599

00:20:41,590 --> 00:20:38,720

out you would go oh

600

00:20:43,990 --> 00:20:41,600

actually i do understand why that hasn't

601
00:20:45,750 --> 00:20:44,000
been made made public there's been

602
00:20:46,549 --> 00:20:45,760
productions to that as well haven't they

603
00:20:48,310 --> 00:20:46,559
yeah

604
00:20:50,149 --> 00:20:48,320
exactly and whether it's you know the

605
00:20:52,230 --> 00:20:50,159
cataclysms talk and it's something along

606
00:20:53,430 --> 00:20:52,240
those lines angels demons whatever it

607
00:20:54,950 --> 00:20:53,440
might be

608
00:20:56,630 --> 00:20:54,960
if you just put your

609
00:20:59,029 --> 00:20:56,640
not sensible hat on for a moment but the

610
00:21:00,870 --> 00:20:59,039
way i would view your sensible hat

611
00:21:03,830 --> 00:21:00,880
is maybe there are some things that

612
00:21:04,630 --> 00:21:03,840
people kept secret for for good reason

613
00:21:06,390 --> 00:21:04,640

um

614

00:21:07,830 --> 00:21:06,400

or for reasons they thought were good

615

00:21:09,830 --> 00:21:07,840

and if it means we get the truth out

616

00:21:12,549 --> 00:21:09,840

then maybe some kind of amnesty there

617

00:21:14,549 --> 00:21:12,559

but fully fully aware that lives have

618

00:21:16,149 --> 00:21:14,559

been lost in the past and careers have

619

00:21:17,990 --> 00:21:16,159

ended people's health physical and

620

00:21:20,950 --> 00:21:18,000

mental has been affected short and long

621

00:21:22,070 --> 00:21:20,960

term so it's a sensitive subject but one

622

00:21:24,470 --> 00:21:22,080

that's going to be spoken about

623

00:21:26,390 --> 00:21:24,480

eventually no doubt yeah yeah absolutely

624

00:21:28,549 --> 00:21:26,400

you when you consider that side of

625

00:21:31,110 --> 00:21:28,559

things it's easy to see why some people

626

00:21:33,510 --> 00:21:31,120

get very heated uh you know

627

00:21:35,270 --> 00:21:33,520

yeah you speak to people who have

628

00:21:37,590 --> 00:21:35,280

experienced abductions and they get very

629

00:21:40,470 --> 00:21:37,600

angry that this is progressing so slowly

630

00:21:42,390 --> 00:21:40,480

and you know i i hear you all of you um

631

00:21:45,190 --> 00:21:42,400

but we're getting there and and this is

632

00:21:47,270 --> 00:21:45,200

better than nothing you know 100 percent

633

00:21:49,190 --> 00:21:47,280

any more cures uh yeah karen our

634

00:21:50,870 --> 00:21:49,200

alexander similar kind of line says what

635

00:21:53,029 --> 00:21:50,880

barriers remain to more urgent

636

00:21:54,950 --> 00:21:53,039

investigation and public disclosure uh

637

00:21:58,070 --> 00:21:54,960

so again that's kind of you know amnesty

638

00:21:59,909 --> 00:21:58,080

could help there um b did ufo guy gaz uh

639

00:22:01,830 --> 00:21:59,919

says are there any places in the ocean

640

00:22:03,590 --> 00:22:01,840

that are known hot spots and have any

641

00:22:04,710 --> 00:22:03,600

investigations being done there that

642

00:22:05,990 --> 00:22:04,720

would be really interesting that would

643

00:22:06,950 --> 00:22:06,000

probably have to be in the classified

644

00:22:09,510 --> 00:22:06,960

portion because a lot of those

645

00:22:12,230 --> 00:22:09,520

capabilities are classified but we know

646

00:22:14,230 --> 00:22:12,240

that you know there's uh infrasound and

647

00:22:15,590 --> 00:22:14,240

and kind of low low frequency

648

00:22:17,510 --> 00:22:15,600

microphones and things like that dotted

649

00:22:18,950 --> 00:22:17,520

around the oceans tracking submarines

650

00:22:20,230 --> 00:22:18,960

everything has a signature when it zips

651
00:22:21,830 --> 00:22:20,240
through the water even if it's no

652
00:22:24,950 --> 00:22:21,840
signature at all in effect that's a

653
00:22:27,350 --> 00:22:24,960
that's a fingerprint um and and i think

654
00:22:29,029 --> 00:22:27,360
they probably have tracks of anomalous

655
00:22:31,510 --> 00:22:29,039
things in fact we've seen a few kicking

656
00:22:33,510 --> 00:22:31,520
around um but the context is kind of

657
00:22:34,870 --> 00:22:33,520
missing from the tracks you know so it

658
00:22:36,950 --> 00:22:34,880
would be great to get more information

659
00:22:40,230 --> 00:22:36,960
on on that

660
00:22:41,590 --> 00:22:40,240
awesome um folks that'll do for this we

661
00:22:43,430 --> 00:22:41,600
are going to go straight into recording

662
00:22:45,750 --> 00:22:43,440
an interview that won't come out and an

663
00:22:47,029 --> 00:22:45,760

interview a review sorry that's not

664

00:22:48,390 --> 00:22:47,039

going to come out until the end of the

665

00:22:50,630 --> 00:22:48,400

week but we're going to be talking about

666

00:22:53,110 --> 00:22:50,640

a tear in the sky the documentary so if

667

00:22:55,990 --> 00:22:53,120

youtube it will come out

670

00:23:01,990 --> 00:23:00,400

when i mean we're recording it now

671

00:23:04,710 --> 00:23:02,000

there's a few days i'll get it done by

672

00:23:06,870 --> 00:23:04,720

is

708
00:25:14,230 --> 00:25:10,180
[Music]

709
00:25:16,070 --> 00:25:14,240
i jump back nearly kissed myself and i

710
00:25:17,510 --> 00:25:16,080
climbed out the window

711
00:25:19,190 --> 00:25:17,520
and i woke up in my bed and there was

712
00:25:21,029 --> 00:25:19,200
something on my head and everything was

713
00:25:22,470 --> 00:25:21,039

weird and everything was red i helped

714

00:25:23,990 --> 00:25:22,480

out with my boys they thought this was

715

00:25:26,690 --> 00:25:24,000

noise they thought it was a dream they

716

00:25:40,549 --> 00:25:26,700

thought it was my toys

717

00:25:40,559 --> 00:25:45,960

you and me and

718

00:26:18,070 --> 00:25:51,090

[Music]

719

00:26:26,070 --> 00:26:20,120

what's that is

720

00:26:27,909 --> 00:26:26,080

[Music]

721

00:26:39,010 --> 00:26:27,919

it wasn't a tic tac and not quite a

722

00:26:50,730 --> 00:26:48,630

[Music]

723

00:26:56,870 --> 00:26:50,740

it's

[Music]

725

so

726

00:27:14,799 --> 00:27:19,650

yes
