BRANDON FUGAL  
SKINWALKER RANCH

1  
00:00:06,150 --> 00:00:02,950  
i had the privilege of meeting with dr

2  
00:00:10,549 --> 00:00:06,160  
loeb several months ago in fact we spoke

3  
00:00:12,789 --> 00:00:10,559  
at uh at the museum of science in boston

4  
00:00:14,390 --> 00:00:12,799  
and discussed a collaborative effort in

5  
00:00:16,710 --> 00:00:14,400  
fact i offered

6  
00:00:19,990 --> 00:00:16,720  
to to have a galileo project

7  
00:00:21,910 --> 00:00:20,000  
installation at skinwalker ranch and to

8  
00:00:24,470 --> 00:00:21,920  
closely collaborate and work together

9  
00:00:26,790 --> 00:00:24,480  
and to compare data in service to

10  
00:00:28,150 --> 00:00:26,800  
discovery

11  
00:00:30,310 --> 00:00:28,160  
that's good to know is that something

12  
00:00:33,270 --> 00:00:30,320  
that's on the horizon or just has been

13  
00:00:35,990 --> 00:00:33,280

left out there tentatively uh it it's on

14

00:00:36,870 --> 00:00:36,000

the horizon but uh i think we you know

15

00:00:41,110 --> 00:00:36,880

we're
