SKINWALKER RANCH

1
00:00:00,000 --> 00:00:14,310

[Music]

2
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

3
00:00:23,950 --> 00:00:18,960

sphere where the points of the cube

4
00:00:37,190 --> 00:00:33,220

[Music]

5
00:00:38,709 --> 00:00:37,200

[Applause]

6
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

7
00:00:47,350 --> 00:00:40,960

limited to the united states it's a

8
00:00:52,229 --> 00:00:49,830

hi everyone and welcome back to that ufo

9
00:00:55,270 --> 00:00:52,239

podcast delighted to be joined again by

10
00:00:56,790 --> 00:00:55,280

mr brandon fugo owner of skin walker

11
00:00:59,430 --> 00:00:56,800

ranch brandon welcome back to the

12
00:01:02,150 --> 00:00:59,440

podcast hey it's good to be with you

13
00:01:04,070 --> 00:01:02,160

thank you for uh welcoming me back and i

14

00:01:05,910 --> 00:01:04,080

look forward to answering any questions

15

00:01:08,870 --> 00:01:05,920

as we're heading into our

16

00:01:10,070 --> 00:01:08,880

third season of our docu-series and

17

00:01:13,429 --> 00:01:10,080

continue

18

00:01:15,030 --> 00:01:13,439

our historic scientific investigation

19

00:01:17,429 --> 00:01:15,040

well we've got a lot of listeners in the

20

00:01:19,190 --> 00:01:17,439

states where you are three episodes in

21

00:01:21,749 --> 00:01:19,200

to season three i believe episode three

22

00:01:24,070 --> 00:01:21,759

airs this evening um it's the afternoon

23

00:01:25,910 --> 00:01:24,080

as we record this just now and listeners

24

00:01:27,590 --> 00:01:25,920

in the uk have a little bit longer to

25

00:01:30,310 --> 00:01:27,600

wait unless they're watching it via

26
00:01:32,310 --> 00:01:30,320
other means which in 2022 are of course

27
00:01:33,830 --> 00:01:32,320
available online uh so i've had a lot of

28
00:01:36,870 --> 00:01:33,840
different questions from listeners

29
00:01:38,710 --> 00:01:36,880
brandon for you as well as my own

30
00:01:40,390 --> 00:01:38,720
i want to kick off by asking how has the

31
00:01:42,710 --> 00:01:40,400
reception been to season three

32
00:01:45,990 --> 00:01:42,720
especially now we are a few episodes in

33
00:01:47,910 --> 00:01:46,000
ah very positive and i i think it is

34
00:01:50,710 --> 00:01:47,920
important to note

35
00:01:54,950 --> 00:01:50,720
that our investigation continues

36
00:01:56,789 --> 00:01:54,960
24 7 365 days a year so even when

37
00:01:57,749 --> 00:01:56,799
the production

38
00:01:59,109 --> 00:01:57,759

team

39

00:02:01,030 --> 00:01:59,119

is not

40

00:02:04,069 --> 00:02:01,040

present on the property

41

00:02:05,109 --> 00:02:04,079

we we have our full-time physicists

42

00:02:07,429 --> 00:02:05,119

and

43

00:02:10,630 --> 00:02:07,439

additional team members that

44

00:02:13,030 --> 00:02:10,640

that are actively engaged with the the

45

00:02:15,430 --> 00:02:13,040

ongoing investigation

46

00:02:17,350 --> 00:02:15,440

you're very engaged and active yourself

47

00:02:19,589 --> 00:02:17,360

on social media which is massively

48

00:02:22,229 --> 00:02:19,599

appreciated by people like myself

49

00:02:23,750 --> 00:02:22,239

and like you say people forget some

50

00:02:25,670 --> 00:02:23,760

people forget you've got a lot of fans

51
00:02:27,589 --> 00:02:25,680
of the show and and the and the

52
00:02:29,589 --> 00:02:27,599
the events and experiences that happen

53
00:02:31,110 --> 00:02:29,599
on skinwalker ranch even before you took

54
00:02:32,710 --> 00:02:31,120
over the property

55
00:02:34,869 --> 00:02:32,720
is there still a frustration for you

56
00:02:36,550 --> 00:02:34,879
that some people see it just as a tv

57
00:02:38,470 --> 00:02:36,560
show and they think that when the

58
00:02:40,390 --> 00:02:38,480
cameras stop the events and the

59
00:02:43,030 --> 00:02:40,400
experiences stop as well

60
00:02:45,030 --> 00:02:43,040
sure there can be a a source of

61
00:02:47,670 --> 00:02:45,040
frustration but it's understandable and

62
00:02:48,949 --> 00:02:47,680
so i appreciate the opportunity to

63
00:02:50,390 --> 00:02:48,959

clarify

64

00:02:52,869 --> 00:02:50,400

that the

65

00:02:55,509 --> 00:02:52,879

the docu-series on history

66

00:02:57,910 --> 00:02:55,519

channel only exists because there has

67

00:03:00,470 --> 00:02:57,920

been an ongoing scientific investigation

68

00:03:04,550 --> 00:03:00,480

under my ownership that commenced in

69

00:03:06,149 --> 00:03:04,560

april of 2016 and has continued unabated

70

00:03:08,390 --> 00:03:06,159

until present day

71

00:03:11,110 --> 00:03:08,400

uh and so it's it's

72

00:03:12,630 --> 00:03:11,120

an exciting opportunity to be able to

73

00:03:15,350 --> 00:03:12,640

bring the public

74

00:03:18,710 --> 00:03:15,360

uh onto the property virtually if you

75

00:03:21,509 --> 00:03:18,720

will through the docu-series format uh

76

00:03:25,270 --> 00:03:21,519

and i i only wish that we we had the

77

00:03:27,270 --> 00:03:25,280

opportunity to create something a little

78

00:03:29,110 --> 00:03:27,280

a little bit more engaging but we're

79

00:03:33,030 --> 00:03:29,120

working on it we

80

00:03:36,070 --> 00:03:33,040

we have a lot of other resources and

81

00:03:38,149 --> 00:03:36,080

opportunities that were we are unveiling

82

00:03:40,470 --> 00:03:38,159

and opening up to the general public i

83

00:03:45,110 --> 00:03:40,480

mean our web portal which is

84

00:03:52,229 --> 00:03:48,630

is is live and opera and offers an

85

00:03:53,509 --> 00:03:52,239

opportunity for uh the public to engage

86

00:03:56,309 --> 00:03:53,519

and uh

87

00:03:59,030 --> 00:03:56,319

and to be able to to you know review a

88

00:04:01,990 --> 00:03:59,040

lot of the uh the ongoing details

89

00:04:04,390 --> 00:04:02,000

relative to our investigation when the

90

00:04:05,750 --> 00:04:04,400

cameras aren't necessarily rolling

91

00:04:07,190 --> 00:04:05,760

well i was going to ask about that a

92

00:04:08,630 --> 00:04:07,200

little bit down the line but you've

93

00:04:10,869 --> 00:04:08,640

touched on it so let's let's talk about

94

00:04:12,789 --> 00:04:10,879

the website so it's a premium

95

00:04:14,710 --> 00:04:12,799

subscription based site

96

00:04:16,789 --> 00:04:14,720

what was the thinking behind that and

97

00:04:19,270 --> 00:04:16,799

what is it people can access

98

00:04:22,069 --> 00:04:19,280

well you know there's a lot of content

99

00:04:24,790 --> 00:04:22,079

in fact an abundance of content that

100

00:04:28,629 --> 00:04:24,800

doesn't cost anything that is there

101
00:04:31,110 --> 00:04:28,639
for the public to review and and

102
00:04:34,790 --> 00:04:31,120
and to be able to have access to the

103
00:04:37,430 --> 00:04:34,800
team uh is is is really

104
00:04:40,070 --> 00:04:37,440
uh excited and wanted the opportunity to

105
00:04:41,350 --> 00:04:40,080
engage more with the public and to

106
00:04:44,310 --> 00:04:41,360
continue

107
00:04:46,790 --> 00:04:44,320
i think a a little bit more active

108
00:04:47,909 --> 00:04:46,800
uh role and engagement that would come

109
00:04:50,390 --> 00:04:47,919
through this

110
00:04:52,710 --> 00:04:50,400
this uh this portal and so it's a good

111
00:04:54,870 --> 00:04:52,720
compliment to the series but the series

112
00:04:57,270 --> 00:04:54,880
has been uh

113
00:04:59,749 --> 00:04:57,280

very well received i you know we are a

114

00:05:01,909 --> 00:04:59,759

hit i think we're the the number two

115

00:05:04,950 --> 00:05:01,919

show on the history channel on the

116

00:05:08,550 --> 00:05:04,960

network and we are consistently in the

117

00:05:10,950 --> 00:05:08,560

top 10 in all cable television i believe

118

00:05:11,830 --> 00:05:10,960

as we air so it it really

119

00:05:14,790 --> 00:05:11,840

is

120

00:05:16,550 --> 00:05:14,800

a an indication that we have a global

121

00:05:18,790 --> 00:05:16,560

audience and the people are very

122

00:05:21,110 --> 00:05:18,800

interested in these topics and our

123

00:05:22,870 --> 00:05:21,120

ongoing investigation

124

00:05:24,390 --> 00:05:22,880

has there been a particular highlight

125

00:05:27,430 --> 00:05:24,400

for yourself from this season that you

126

00:05:29,990 --> 00:05:27,440

can talk about gosh you know we we we

127

00:05:32,629 --> 00:05:30,000

started the season off with the bang

128

00:05:34,870 --> 00:05:32,639

bringing out former governor gary

129

00:05:38,390 --> 00:05:34,880

herbert uh from the state of utah to

130

00:05:39,990 --> 00:05:38,400

have the the longest-serving governor in

131

00:05:40,790 --> 00:05:40,000

in recent history

132

00:05:43,270 --> 00:05:40,800

uh

133

00:05:45,670 --> 00:05:43,280

actually show an active interest and

134

00:05:47,110 --> 00:05:45,680

want to come on the property and and to

135

00:05:49,430 --> 00:05:47,120

engage with the team

136

00:05:50,950 --> 00:05:49,440

and to to be able to

137

00:05:54,230 --> 00:05:50,960

draw from his

138

00:05:56,230 --> 00:05:54,240

his existing resources uh in order to

139

00:05:57,830 --> 00:05:56,240

assist was a a big moment but i think

140

00:06:00,150 --> 00:05:57,840

even beyond that

141

00:06:01,110 --> 00:06:00,160

we we saw right off the bat right off

142

00:06:02,070 --> 00:06:01,120

the bat

143

00:06:05,590 --> 00:06:02,080

uh

144

00:06:06,710 --> 00:06:05,600

ufo activity captured on camera in broad

145

00:06:09,189 --> 00:06:06,720

daylight

146

00:06:10,390 --> 00:06:09,199

in conjunction with advanced rocketry

147

00:06:12,629 --> 00:06:10,400

experiments

148

00:06:14,550 --> 00:06:12,639

and uh and and a host of other

149

00:06:17,110 --> 00:06:14,560

activities that continue

150

00:06:20,150 --> 00:06:17,120

to stimulate activity

151

00:06:21,670 --> 00:06:20,160

uh with the phenomena on the property is

152

00:06:23,749 --> 00:06:21,680

there anything that's happened this

153

00:06:26,070 --> 00:06:23,759

season that you weren't able to get into

154

00:06:29,110 --> 00:06:26,080

the show that you or the the other ranch

155

00:06:32,230 --> 00:06:29,120

members were hoping to

156

00:06:35,350 --> 00:06:32,240

uh sure there's always a lot of activity

157

00:06:37,749 --> 00:06:35,360

that doesn't make it uh onto the series

158

00:06:40,230 --> 00:06:37,759

i would say that's you know 95 percent

159

00:06:42,950 --> 00:06:40,240

of what is filmed ends up on the cutting

160

00:06:45,990 --> 00:06:42,960

room floor if you will uh it's just a

161

00:06:49,110 --> 00:06:46,000

reality associated with uh with trying

162

00:06:51,110 --> 00:06:49,120

to to put together a a

163

00:06:54,469 --> 00:06:51,120

a properly edited

164

00:06:56,550 --> 00:06:54,479

and packaged summary of our activities

165

00:06:58,870 --> 00:06:56,560

but you know i think it it's important

166

00:07:02,710 --> 00:06:58,880

for people to realize also that none of

167

00:07:05,270 --> 00:07:02,720

this is fabricated contrived scripted

168

00:07:08,390 --> 00:07:05,280

this is a completely unscripted

169

00:07:11,029 --> 00:07:08,400

uh actual record of events as they

170

00:07:13,189 --> 00:07:11,039

unfold with the team and i think that

171

00:07:14,309 --> 00:07:13,199

presents a unique opportunity for people

172

00:07:17,110 --> 00:07:14,319

to see

173

00:07:20,150 --> 00:07:17,120

you know behind the scenes how

174

00:07:22,870 --> 00:07:20,160

our scientific research has unfolded on

175

00:07:24,950 --> 00:07:22,880

this really unique piece of property

176

00:07:27,110 --> 00:07:24,960

i remember speaking to thomas winterton

177

00:07:28,870 --> 00:07:27,120

uh just after season one had finished

178

00:07:30,629 --> 00:07:28,880

and people were talking about one of the

179

00:07:32,070 --> 00:07:30,639

experiments how it looked as if it had

180

00:07:33,430 --> 00:07:32,080

been faked because the equipment

181

00:07:36,309 --> 00:07:33,440

wouldn't have worked the way it would

182

00:07:37,830 --> 00:07:36,319

have uh but thomas explained quite

183

00:07:39,510 --> 00:07:37,840

greatly that

184

00:07:41,830 --> 00:07:39,520

the piece of equipment was supposed to

185

00:07:44,230 --> 00:07:41,840

be placed inside of a tin can to which

186

00:07:46,469 --> 00:07:44,240

he said you can't fit a tv camera inside

187

00:07:48,869 --> 00:07:46,479

the tin can to show it so we have to one

188

00:07:50,309 --> 00:07:48,879

do the experiment with the tin can but

189

00:07:52,150 --> 00:07:50,319

also we have to then show you the piece

190

00:07:53,990 --> 00:07:52,160

of equipment we're using and it's things

191

00:07:55,189 --> 00:07:54,000

like that people don't realize that that

192

00:07:56,550 --> 00:07:55,199

are happening

193

00:08:00,230 --> 00:07:56,560

no and and

194

00:08:01,670 --> 00:08:00,240

we have it we have several physicists

195

00:08:04,710 --> 00:08:01,680

you know there on site that are

196

00:08:06,710 --> 00:08:04,720

assisting with the scientific protocols

197

00:08:09,350 --> 00:08:06,720

with trying to establish the proper

198

00:08:10,950 --> 00:08:09,360

approach as far as this the experiment

199

00:08:13,029 --> 00:08:10,960

the experimental activity on the

200

00:08:15,189 --> 00:08:13,039

property and i think it's a learning

201
00:08:17,189 --> 00:08:15,199
process i mean that this is this is

202
00:08:19,990 --> 00:08:17,199
something that that people are

203
00:08:21,510 --> 00:08:20,000
thankfully able to see unfold as we're

204
00:08:23,510 --> 00:08:21,520
learning and

205
00:08:26,710 --> 00:08:23,520
and attempting to approach

206
00:08:29,029 --> 00:08:26,720
the the challenge of documenting and

207
00:08:32,790 --> 00:08:29,039
interacting with the phenomena it this

208
00:08:34,550 --> 00:08:32,800
is not a straightforward linear path to

209
00:08:36,469 --> 00:08:34,560
discovery it's

210
00:08:38,630 --> 00:08:36,479
it's it is uh

211
00:08:40,790 --> 00:08:38,640
very challenging you know a lot of

212
00:08:42,310 --> 00:08:40,800
people ask us well if if you have so

213
00:08:43,829 --> 00:08:42,320

many equipment failures and

214

00:08:46,949 --> 00:08:43,839

electromagnetic anomalies and

215

00:08:49,829 --> 00:08:46,959

malfunctions how are you able to present

216

00:08:51,110 --> 00:08:49,839

and and record the docu-series and i i

217

00:08:53,590 --> 00:08:51,120

think it's

218

00:08:55,269 --> 00:08:53,600

it it would surprise everyone to know

219

00:08:57,910 --> 00:08:55,279

that

220

00:09:00,550 --> 00:08:57,920

we we are constantly dealing with

221

00:09:03,350 --> 00:09:00,560

everything from drone malfunctions

222

00:09:04,630 --> 00:09:03,360

to battery failures

223

00:09:07,190 --> 00:09:04,640

over and over

224

00:09:10,070 --> 00:09:07,200

to all sorts of equipment malfunction

225

00:09:12,870 --> 00:09:10,080

and even damage during the course of

226

00:09:16,550 --> 00:09:12,880

trying to document this so it it is not

227

00:09:19,269 --> 00:09:16,560

an easy uh process in order to capture

228

00:09:21,269 --> 00:09:19,279

what is taking place on the ranch

229

00:09:23,269 --> 00:09:21,279

now that engagement from the phenomenon

230

00:09:25,110 --> 00:09:23,279

something you mentioned and digging has

231

00:09:27,509 --> 00:09:25,120

always been a sensitive subject on the

232

00:09:29,190 --> 00:09:27,519

ranch a whole show i believe in series

233

00:09:30,150 --> 00:09:29,200

one was called bad things happen when

234

00:09:31,990 --> 00:09:30,160

you dig

235

00:09:32,949 --> 00:09:32,000

has there been any discussion and this

236

00:09:34,710 --> 00:09:32,959

is something that quite a lot of

237

00:09:37,430 --> 00:09:34,720

listeners asked me brandon any

238

00:09:39,190 --> 00:09:37,440

discussion around a larger scale dig to

239

00:09:40,630 --> 00:09:39,200

get to the bottom of what could be

240

00:09:43,509 --> 00:09:40,640

underneath the ranch

241

00:09:46,070 --> 00:09:43,519

sure if if you see some of the uh the

242

00:09:48,630 --> 00:09:46,080

trailer or preview material for this

243

00:09:50,470 --> 00:09:48,640

upcoming season you see that we we take

244

00:09:52,389 --> 00:09:50,480

a very aggressive approach

245

00:09:56,310 --> 00:09:52,399

to to probing

246

00:09:57,269 --> 00:09:56,320

the uh the mesa and to to actually

247

00:10:01,990 --> 00:09:57,279

uh

248

00:10:02,790 --> 00:10:02,000

digging and and probing the property to

249

00:10:04,710 --> 00:10:02,800

to

250

00:10:07,430 --> 00:10:04,720

really i think follow up on the

251
00:10:10,550 --> 00:10:07,440
experiments of the last several seasons

252
00:10:13,350 --> 00:10:10,560
and and to be able to i think zero in on

253
00:10:15,509 --> 00:10:13,360
on really what is happening

254
00:10:17,030 --> 00:10:15,519
and now that we're three seasons in and

255
00:10:18,630 --> 00:10:17,040
obviously we still have half of season

256
00:10:21,030 --> 00:10:18,640
three at least to go

257
00:10:23,350 --> 00:10:21,040
where do you see skinwalker ranch as a

258
00:10:24,550 --> 00:10:23,360
series heading do you see an end goal or

259
00:10:26,230 --> 00:10:24,560
an end game

260
00:10:29,030 --> 00:10:26,240
you know i i don't really have an end

261
00:10:30,870 --> 00:10:29,040
game relative to the docu-series

262
00:10:33,110 --> 00:10:30,880
although i'm thankful for the

263
00:10:36,069 --> 00:10:33,120

opportunity for us to present

264

00:10:39,350 --> 00:10:36,079

uh our investigation on the history

265

00:10:41,590 --> 00:10:39,360

channel and to engage with the public

266

00:10:43,190 --> 00:10:41,600

it doesn't change the fact that that

267

00:10:44,550 --> 00:10:43,200

this is an ongoing scientific

268

00:10:48,069 --> 00:10:44,560

investigation

269

00:10:51,750 --> 00:10:48,079

and and will continue with or without a

270

00:10:54,069 --> 00:10:51,760

a docu-series in the works uh it is my

271

00:10:56,790 --> 00:10:54,079

hope that we'll be able to continue to

272

00:10:59,269 --> 00:10:56,800

reveal to the public the progression of

273

00:11:01,990 --> 00:10:59,279

events that that are occurring even on a

274

00:11:04,069 --> 00:11:02,000

daily basis even this past week on the

275

00:11:07,430 --> 00:11:04,079

property there are things happening

276

00:11:10,470 --> 00:11:07,440

that uh that we

277

00:11:12,230 --> 00:11:10,480

were continually surprised by

278

00:11:13,750 --> 00:11:12,240

anything particular you could mention

279

00:11:15,269 --> 00:11:13,760

because people will be pulling my head

280

00:11:18,230 --> 00:11:15,279

out if i don't ask

281

00:11:20,389 --> 00:11:18,240

well i i think i think it's safe to say

282

00:11:22,389 --> 00:11:20,399

without without

283

00:11:24,949 --> 00:11:22,399

prematurely revealing

284

00:11:26,630 --> 00:11:24,959

anything that that

285

00:11:29,350 --> 00:11:26,640

increased

286

00:11:32,230 --> 00:11:29,360

you know ufo activity or unidentified

287

00:11:34,150 --> 00:11:32,240

aerial phenomena is is something that we

288

00:11:37,190 --> 00:11:34,160

are continuing to document on the

289

00:11:38,389 --> 00:11:37,200

property with with with great frequency

290

00:11:41,190 --> 00:11:38,399

we're also

291

00:11:44,150 --> 00:11:41,200

uh uncovering other mysteries

292

00:11:46,069 --> 00:11:44,160

that are in essence puzzle pieces

293

00:11:48,550 --> 00:11:46,079

uh puzzle pieces that we're putting

294

00:11:50,870 --> 00:11:48,560

together in order to understand

295

00:11:53,590 --> 00:11:50,880

what we are dealing with

296

00:11:57,670 --> 00:11:53,600

at skinwalker ranch many of the

297

00:11:58,949 --> 00:11:57,680

scientists that came before us qualified

298

00:12:03,110 --> 00:11:58,959

the

299

00:12:05,910 --> 00:12:03,120

attributed to a

300

00:12:07,190 --> 00:12:05,920

precognitive sentient non-human

301
00:12:10,310 --> 00:12:07,200
intelligence

302
00:12:11,990 --> 00:12:10,320
you know even something or some things

303
00:12:13,910 --> 00:12:12,000
that have the ability

304
00:12:15,590 --> 00:12:13,920
to to

305
00:12:18,069 --> 00:12:15,600
interact or have access to our

306
00:12:20,310 --> 00:12:18,079
consciousness

307
00:12:22,310 --> 00:12:20,320
now are there any other places around

308
00:12:24,389 --> 00:12:22,320
the uintah basin that you would like to

309
00:12:26,389 --> 00:12:24,399
get involved within the show

310
00:12:28,389 --> 00:12:26,399
and i wonder even not just yourself but

311
00:12:30,069 --> 00:12:28,399
travis taylor thomas winterton brian

312
00:12:32,310 --> 00:12:30,079
arnold and the others

313
00:12:35,030 --> 00:12:32,320

good question you know the the the

314

00:12:38,069 --> 00:12:35,040

activity is is not necessarily bound to

315

00:12:40,790 --> 00:12:38,079

the fence line at skinwalker ranch on on

316

00:12:43,990 --> 00:12:40,800

my 512 acre piece of property

317

00:12:46,230 --> 00:12:44,000

but it is important to realize that the

318

00:12:49,030 --> 00:12:46,240

highest degree of frequency

319

00:12:51,350 --> 00:12:49,040

of sightings and other high strangeness

320

00:12:52,629 --> 00:12:51,360

for whatever reason going back

321

00:12:55,030 --> 00:12:52,639

decades

322

00:12:58,150 --> 00:12:55,040

uh appears to be focused on this

323

00:13:01,990 --> 00:12:58,160

property and so as much as we we take a

324

00:13:05,110 --> 00:13:02,000

broad view and look at the uinta basin

325

00:13:07,030 --> 00:13:05,120

with our research a lot of our resources

326

00:13:10,230 --> 00:13:07,040

will continue to be focused

327

00:13:13,509 --> 00:13:10,240

uh right there on that 512 acres now

328

00:13:14,470 --> 00:13:13,519

that being said we see some common

329

00:13:16,949 --> 00:13:14,480

uh

330

00:13:19,190 --> 00:13:16,959

commonality with with other sites

331

00:13:20,629 --> 00:13:19,200

globally there are other

332

00:13:22,790 --> 00:13:20,639

areas

333

00:13:26,310 --> 00:13:22,800

that report

334

00:13:29,030 --> 00:13:26,320

unusual activity that we have been

335

00:13:32,230 --> 00:13:29,040

uh communicating with or at least with

336

00:13:34,870 --> 00:13:32,240

those researchers involved with those

337

00:13:37,269 --> 00:13:34,880

those sites and and you know we may have

338

00:13:40,629 --> 00:13:37,279

the opportunity in the future to

339

00:13:41,590 --> 00:13:40,639

to uh interact with them as part of the

340

00:13:43,590 --> 00:13:41,600

uh

341

00:13:45,269 --> 00:13:43,600

the ongoing effort

342

00:13:47,110 --> 00:13:45,279

if anyone from the network was listening

343

00:13:48,870 --> 00:13:47,120

that might be a nice christmas special

344

00:13:51,030 --> 00:13:48,880

episode maybe getting those other

345

00:13:52,470 --> 00:13:51,040

researchers or sports involved if they

346

00:13:54,790 --> 00:13:52,480

wanted to do that i'm sure people would

347

00:13:56,790 --> 00:13:54,800

be interested yeah i mean you could

348

00:13:59,110 --> 00:13:56,800

create a whole series just on the

349

00:14:00,870 --> 00:13:59,120

science of skinwalker ranch the

350

00:14:02,710 --> 00:14:00,880

scientific platforms that have been

351
00:14:05,030 --> 00:14:02,720
established are really

352
00:14:07,350 --> 00:14:05,040
to a large degree proprietary i have to

353
00:14:09,750 --> 00:14:07,360
give great credit to eric bard

354
00:14:11,590 --> 00:14:09,760
our full-time physicist who has been

355
00:14:12,790 --> 00:14:11,600
living on site

356
00:14:17,030 --> 00:14:12,800
by the way

357
00:14:19,269 --> 00:14:17,040
uh since last august september without

358
00:14:22,069 --> 00:14:19,279
without returning to uh

359
00:14:23,269 --> 00:14:22,079
to his home that much and he's uh he's

360
00:14:26,230 --> 00:14:23,279
constantly

361
00:14:29,430 --> 00:14:26,240
and vigilantly

362
00:14:32,310 --> 00:14:29,440
monitoring all the systems and reviewing

363
00:14:34,389 --> 00:14:32,320

everything from the footage to

364

00:14:35,750 --> 00:14:34,399

a lot of the other uh scientific

365

00:14:37,829 --> 00:14:35,760

readings that

366

00:14:39,189 --> 00:14:37,839

that are that are being made on the

367

00:14:41,030 --> 00:14:39,199

property

368

00:14:42,710 --> 00:14:41,040

i'm sure eric works very hard but he

369

00:14:44,710 --> 00:14:42,720

does get a beautiful view of the mesa

370

00:14:46,710 --> 00:14:44,720

and a very cool command center to work

371

00:14:48,310 --> 00:14:46,720

out of so i'm not going to be too

372

00:14:50,550 --> 00:14:48,320

sympathetic towards him he's got some

373

00:14:53,509 --> 00:14:50,560

pretty cool toys to work with well but

374

00:14:55,269 --> 00:14:53,519

it's a dangerous place and you know bad

375

00:14:58,069 --> 00:14:55,279

things happen to people unfortunately on

376

00:15:00,389 --> 00:14:58,079

this property that is why we we require

377

00:15:03,990 --> 00:15:00,399

that everyone sign a liability waiver

378

00:15:06,470 --> 00:15:04,000

acknowledging the risks associated with

379

00:15:07,990 --> 00:15:06,480

entering skinwalker ranch

380

00:15:10,949 --> 00:15:08,000

uh it's

381

00:15:13,110 --> 00:15:10,959

it's a known fact that you know a number

382

00:15:14,150 --> 00:15:13,120

of participants have ended up in the

383

00:15:16,069 --> 00:15:14,160

hospital

384

00:15:17,990 --> 00:15:16,079

with the mysterious illnesses or

385

00:15:19,430 --> 00:15:18,000

injuries over the course the last couple

386

00:15:21,509 --> 00:15:19,440

of years and

387

00:15:23,509 --> 00:15:21,519

and it's something that continues to

388

00:15:25,590 --> 00:15:23,519

concern me

389

00:15:28,310 --> 00:15:25,600

you talk about that this past week i had

390

00:15:29,670 --> 00:15:28,320

a professor gary nolan on the podcast

391

00:15:32,150 --> 00:15:29,680

who was talking with me about the

392

00:15:33,910 --> 00:15:32,160

hitchhiker effect and he thought it was

393

00:15:36,470 --> 00:15:33,920

potentially not something that is

394

00:15:38,629 --> 00:15:36,480

necessarily negative that he thinks it

395

00:15:41,269 --> 00:15:38,639

can be from someone opening up and being

396

00:15:43,269 --> 00:15:41,279

more susceptible to whatever this entity

397

00:15:44,870 --> 00:15:43,279

being or beings are that are looking to

398

00:15:46,710 --> 00:15:44,880

attach themselves

399

00:15:48,550 --> 00:15:46,720

and i wonder brandon as the months and

400

00:15:51,030 --> 00:15:48,560

years have passed your six years now of

401
00:15:54,230 --> 00:15:51,040
stewardship how has your perception of

402
00:15:57,670 --> 00:15:54,240
this hitchhiker phenomenon changed well

403
00:16:00,310 --> 00:15:57,680
i have great respect for dr nolan and

404
00:16:03,670 --> 00:16:00,320
his work i mean he's one of the finest

405
00:16:05,829 --> 00:16:03,680
uh you know scientists on the planet uh

406
00:16:07,749 --> 00:16:05,839
right now and so to hear

407
00:16:09,749 --> 00:16:07,759
that he's he's uh

408
00:16:11,990 --> 00:16:09,759
referenced to the hitchhiker effect and

409
00:16:13,990 --> 00:16:12,000
and some of what we are dealing with or

410
00:16:15,269 --> 00:16:14,000
what attends the phenomena

411
00:16:17,910 --> 00:16:15,279
is uh

412
00:16:19,829 --> 00:16:17,920
is is is interesting and something i

413
00:16:21,990 --> 00:16:19,839

respect uh

414

00:16:23,670 --> 00:16:22,000

i think that you know we've seen both

415

00:16:25,269 --> 00:16:23,680

malevolent

416

00:16:27,030 --> 00:16:25,279

negative and

417

00:16:30,230 --> 00:16:27,040

you know somewhat i wouldn't call it

418

00:16:32,870 --> 00:16:30,240

positive but but at least some benign

419

00:16:34,069 --> 00:16:32,880

hitchhiker activity that has followed

420

00:16:37,110 --> 00:16:34,079

people home

421

00:16:39,990 --> 00:16:37,120

that his uh has been witnessed by family

422

00:16:43,030 --> 00:16:40,000

members but uh unfortunately i would say

423

00:16:45,269 --> 00:16:43,040

over half the time it seems to be

424

00:16:46,949 --> 00:16:45,279

somewhat negative

425

00:16:48,550 --> 00:16:46,959

do you think and i wonder is this a

426

00:16:50,949 --> 00:16:48,560

discussion that you or your colleagues

427

00:16:53,590 --> 00:16:50,959

have had that what we interpret as

428

00:16:55,189 --> 00:16:53,600

humans as being a negative experience

429

00:16:57,910 --> 00:16:55,199

could potentially be something just

430

00:16:59,350 --> 00:16:57,920

trying to communicate in its own way

431

00:17:02,150 --> 00:16:59,360

uh perhaps

432

00:17:04,470 --> 00:17:02,160

i and i think that there may be entities

433

00:17:06,630 --> 00:17:04,480

that are are simply trying to

434

00:17:09,829 --> 00:17:06,640

communicate with us i believe we have

435

00:17:12,230 --> 00:17:09,839

evidence of that at skinwalker ranch uh

436

00:17:14,069 --> 00:17:12,240

but i i don't know that we're dealing

437

00:17:14,870 --> 00:17:14,079

with just one

438

00:17:16,829 --> 00:17:14,880

one

439

00:17:18,870 --> 00:17:16,839

entity i think we're dealing with a

440

00:17:21,990 --> 00:17:18,880

diversity of

441

00:17:23,110 --> 00:17:22,000

agendas and origins associated with

442

00:17:25,510 --> 00:17:23,120

the

443

00:17:27,829 --> 00:17:25,520

uh activity

444

00:17:29,590 --> 00:17:27,839

seen at skinwalker ranch

445

00:17:31,590 --> 00:17:29,600

just thinking of you know fish inside of

446

00:17:33,029 --> 00:17:31,600

a fish tank that if you tap the outside

447

00:17:35,350 --> 00:17:33,039

of it you're not necessarily trying to

448

00:17:37,270 --> 00:17:35,360

scare them but maybe get their attention

449

00:17:38,950 --> 00:17:37,280

but what you do is inadvertently cause a

450

00:17:41,270 --> 00:17:38,960

reaction it does scare the fish and i

451
00:17:43,350 --> 00:17:41,280
wonder sometimes are these the effects

452
00:17:45,350 --> 00:17:43,360
that could be happening but i've also

453
00:17:47,270 --> 00:17:45,360
spoken to people like thomas winterton

454
00:17:49,510 --> 00:17:47,280
and george knapp who george knapp

455
00:17:51,430 --> 00:17:49,520
himself said he had an experience and it

456
00:17:53,110 --> 00:17:51,440
actually went on to his wife as well

457
00:17:55,430 --> 00:17:53,120
which he was he said was particularly

458
00:17:57,029 --> 00:17:55,440
terrifying and scary so i can appreciate

459
00:17:59,190 --> 00:17:57,039
there's been some some not very nice

460
00:18:01,510 --> 00:17:59,200
things things happen to people who have

461
00:18:02,390 --> 00:18:01,520
visited the ranch

462
00:18:06,230 --> 00:18:02,400
sure

463
00:18:07,669 --> 00:18:06,240

you know there's there's there is a

464

00:18:11,190 --> 00:18:07,679

diversity

465

00:18:13,510 --> 00:18:11,200

of uh activity and experiences

466

00:18:16,150 --> 00:18:13,520

associated with uh with those that have

467

00:18:17,750 --> 00:18:16,160

participated at skinwalker ranch i mean

468

00:18:20,789 --> 00:18:17,760

thomas winterton

469

00:18:22,950 --> 00:18:20,799

our superintendent of six years has

470

00:18:24,390 --> 00:18:22,960

unfortunately had very negative

471

00:18:27,669 --> 00:18:24,400

experiences not only negative

472

00:18:28,390 --> 00:18:27,679

experiences on the ranch that uh that we

473

00:18:30,710 --> 00:18:28,400

believe

474

00:18:31,750 --> 00:18:30,720

you know led to his hospitalization and

475

00:18:33,990 --> 00:18:31,760

almost

476

00:18:35,350 --> 00:18:34,000

uh threatened i mean these were

477

00:18:38,070 --> 00:18:35,360

life-threatening

478

00:18:40,630 --> 00:18:38,080

uh situations but he's also had things

479

00:18:43,510 --> 00:18:40,640

that have gone beyond that that i'll

480

00:18:45,830 --> 00:18:43,520

i'll leave for him to decide whether he

481

00:18:47,510 --> 00:18:45,840

wants to discuss in the future

482

00:18:49,110 --> 00:18:47,520

if anyone wants to go back it was one of

483

00:18:50,950 --> 00:18:49,120

the first interviews i'd done was with

484

00:18:53,029 --> 00:18:50,960

thomas winterton and he does discuss in

485

00:18:54,870 --> 00:18:53,039

some detail things that followed him

486

00:18:57,190 --> 00:18:54,880

back to his home potentially in some

487

00:18:58,789 --> 00:18:57,200

scary experiences with his car and so

488

00:19:01,190 --> 00:18:58,799

yeah something's definitely worth

489

00:19:02,390 --> 00:19:01,200

checking out thomas was very open um i

490

00:19:03,909 --> 00:19:02,400

want to ask you though you mentioned

491

00:19:05,830 --> 00:19:03,919

it's been six years now brandon since

492

00:19:06,789 --> 00:19:05,840

you've taken over the stewardship of the

493

00:19:08,789 --> 00:19:06,799

ranch

494

00:19:10,789 --> 00:19:08,799

um what's been your proudest moment in

495

00:19:13,029 --> 00:19:10,799

those six years

496

00:19:14,710 --> 00:19:13,039

i think my proudest moment has been

497

00:19:16,150 --> 00:19:14,720

seeing this team

498

00:19:19,630 --> 00:19:16,160

work together

499

00:19:22,789 --> 00:19:19,640

and really coalesce into a a truly

500

00:19:23,750 --> 00:19:22,799

multi-disciplinary collaborative effort

501
00:19:26,310 --> 00:19:23,760
to

502
00:19:37,750 --> 00:19:26,320
the

503
00:19:40,070 --> 00:19:37,760
and and are faced with some very

504
00:19:42,310 --> 00:19:40,080
challenging circumstances

505
00:19:45,190 --> 00:19:42,320
and and a task to try to get to the

506
00:19:48,390 --> 00:19:45,200
bottom of a mystery that has been going

507
00:19:50,710 --> 00:19:48,400
on for for decades if not millennia and

508
00:19:54,310 --> 00:19:50,720
and to see them actually

509
00:19:56,950 --> 00:19:54,320
executing on on not only the experiments

510
00:19:58,870 --> 00:19:56,960
but working together to

511
00:20:01,510 --> 00:19:58,880
to solve the mystery

512
00:20:04,230 --> 00:20:01,520
and and to to put the puzzle pieces

513
00:20:07,270 --> 00:20:04,240

together in a way that we haven't seen

514

00:20:09,270 --> 00:20:07,280

in any other instance that i'm aware of

515

00:20:10,789 --> 00:20:09,280

in the public domain i i find all of

516

00:20:13,510 --> 00:20:10,799

that very

517

00:20:16,549 --> 00:20:13,520

very uh inspiring and i'm most proud of

518

00:20:18,710 --> 00:20:16,559

that i'm i'm very proud of of my team

519

00:20:22,549 --> 00:20:18,720

and their efforts and to see them all

520

00:20:26,390 --> 00:20:22,559

grow together and see this effort

521

00:20:29,190 --> 00:20:26,400

bring i i think the most professional

522

00:20:31,909 --> 00:20:29,200

uh focus and scientific

523

00:20:33,190 --> 00:20:31,919

tools and investigation to what was

524

00:20:35,350 --> 00:20:33,200

previously

525

00:20:39,029 --> 00:20:35,360

a a controversial

526

00:20:41,590 --> 00:20:39,039

uh topic or or arena of topics is is

527

00:20:43,830 --> 00:20:41,600

something that i'm quite proud of

528

00:20:46,149 --> 00:20:43,840

and on that just today as we record this

529

00:20:49,190 --> 00:20:46,159

it's the 17th of may uh congressional

530

00:20:51,270 --> 00:20:49,200

uap hearings took place within congress

531

00:20:53,110 --> 00:20:51,280

in the united states uh have you had a

532

00:20:55,110 --> 00:20:53,120

chance yet brandon to catch up on what

533

00:20:57,350 --> 00:20:55,120

happened at those those events yeah i

534

00:21:00,470 --> 00:20:57,360

i've reviewed some of that and i'll

535

00:21:03,750 --> 00:21:00,480

reserve comment um rather than to to

536

00:21:05,990 --> 00:21:03,760

state that it's about time i mean it's

537

00:21:08,630 --> 00:21:06,000

it's about time that the public

538

00:21:10,870 --> 00:21:08,640

uh be awakened to the fact that this is

539

00:21:11,990 --> 00:21:10,880

real that this is not

540

00:21:14,149 --> 00:21:12,000

you know

541

00:21:15,990 --> 00:21:14,159

the figment of people's imaginations

542

00:21:19,110 --> 00:21:16,000

that uh that

543

00:21:20,789 --> 00:21:19,120

our airspace is being violated that

544

00:21:23,830 --> 00:21:20,799

that some of our most

545

00:21:27,430 --> 00:21:23,840

uh i skilled fighter pilots

546

00:21:29,510 --> 00:21:27,440

and and military officers have witnessed

547

00:21:32,310 --> 00:21:29,520

phenomena and

548

00:21:33,270 --> 00:21:32,320

and have been willing to step forward

549

00:21:35,990 --> 00:21:33,280

uh

550

00:21:37,510 --> 00:21:36,000

and and vocalize

551
00:21:39,830 --> 00:21:37,520
uh their uh

552
00:21:42,070 --> 00:21:39,840
their experiences i think that's a big

553
00:21:43,750 --> 00:21:42,080
deal i think that the facts speak for

554
00:21:46,470 --> 00:21:43,760
themselves anyone who does their due

555
00:21:49,029 --> 00:21:46,480
diligence regarding these topics i mean

556
00:21:50,149 --> 00:21:49,039
real due diligence looking at witness

557
00:21:55,510 --> 00:21:50,159
testimony

558
00:21:56,870 --> 00:21:55,520
and uh and the documentary evidence

559
00:22:00,070 --> 00:21:56,880
associated

560
00:22:01,190 --> 00:22:00,080
you know with these topics i i think

561
00:22:02,630 --> 00:22:01,200
will find

562
00:22:03,990 --> 00:22:02,640
that there is

563
00:22:06,230 --> 00:22:04,000

very real

564

00:22:08,470 --> 00:22:06,240

uh legitimacy and validity to them so

565

00:22:10,710 --> 00:22:08,480

it's it's good to see that congress is

566

00:22:13,430 --> 00:22:10,720

taking it seriously i think that we're

567

00:22:16,070 --> 00:22:13,440

just barely scratching the surface

568

00:22:17,909 --> 00:22:16,080

uh and and and

569

00:22:20,310 --> 00:22:17,919

there is so much more

570

00:22:21,510 --> 00:22:20,320

to be revealed in the weeks and months

571

00:22:23,590 --> 00:22:21,520

to come

572

00:22:25,430 --> 00:22:23,600

can you foresee a time where the ranch

573

00:22:27,590 --> 00:22:25,440

itself is brought up as a place of

574

00:22:30,789 --> 00:22:27,600

interest in hearings or settings like

575

00:22:33,590 --> 00:22:30,799

that oh absolutely i mean it's

576

00:22:35,590 --> 00:22:33,600

it's no secret that skinwalker ranch has

577

00:22:38,710 --> 00:22:35,600

been a living laboratory and was part of

578

00:22:40,630 --> 00:22:38,720

a pentagon funded black budget program

579

00:22:43,029 --> 00:22:40,640

for years and

580

00:22:43,909 --> 00:22:43,039

and for whatever reason

581

00:22:50,149 --> 00:22:43,919

is

582

00:22:52,149 --> 00:22:50,159

activity

583

00:22:53,750 --> 00:22:52,159

is there an open invitation to any of

584

00:22:56,390 --> 00:22:53,760

those congressmen or women with an

585

00:22:59,270 --> 00:22:56,400

interest in the ufo uap or phenomenon as

586

00:23:01,669 --> 00:22:59,280

a subject to come to the ranch and visit

587

00:23:04,149 --> 00:23:01,679

well we we don't schedule tours i mean

588

00:23:06,789 --> 00:23:04,159

this isn't something that we uh

589

00:23:10,390 --> 00:23:06,799

that that we're anxious to open up for

590

00:23:12,950 --> 00:23:10,400

uh for the public i mean it if i if i

591

00:23:15,669 --> 00:23:12,960

even granted one percent of the requests

592

00:23:18,070 --> 00:23:15,679

that i received on a on a weekly basis

593

00:23:20,390 --> 00:23:18,080

from people and a lot of very qualified

594

00:23:22,789 --> 00:23:20,400

people that want to visit the property

595

00:23:26,310 --> 00:23:22,799

meet with the team i

596

00:23:28,310 --> 00:23:26,320

i would be overwhelmed 24 7. uh and

597

00:23:30,789 --> 00:23:28,320

you know we are conducting a very

598

00:23:33,029 --> 00:23:30,799

sensitive scientific investigation

599

00:23:35,029 --> 00:23:33,039

right now and there is liability

600

00:23:37,110 --> 00:23:35,039

associated with it so i

601
00:23:39,350 --> 00:23:37,120
i'll answer your question with with the

602
00:23:42,950 --> 00:23:39,360
statement that we'd be happy to brief

603
00:23:45,909 --> 00:23:42,960
any uh anyone in authority relative to

604
00:23:47,750 --> 00:23:45,919
the reality of our ongoing investigation

605
00:23:51,029 --> 00:23:47,760
and the data

606
00:23:54,630 --> 00:23:51,039
the hard data underpinning

607
00:23:57,510 --> 00:23:54,640
our findings and and our research

608
00:23:59,269 --> 00:23:57,520
and and activity and

609
00:24:00,710 --> 00:23:59,279
look forward to being very transparent

610
00:24:02,149 --> 00:24:00,720
with the public and anyone who's

611
00:24:04,070 --> 00:24:02,159
interested

612
00:24:05,350 --> 00:24:04,080
that's a fair comment uh to finish off

613
00:24:06,789 --> 00:24:05,360

i'd like to get to some listener

614

00:24:09,110 --> 00:24:06,799

questions for you brandon there was a

615

00:24:10,070 --> 00:24:09,120

lot of interest so um if you can get

616

00:24:12,070 --> 00:24:10,080

through a couple of these that'd be

617

00:24:14,870 --> 00:24:12,080

appreciated you bet

618

00:24:18,390 --> 00:24:14,880

um first up is from bb uh bb would like

619

00:24:20,950 --> 00:24:18,400

to know if you have any idea who or why

620

00:24:23,269 --> 00:24:20,960

is constantly surveilling the ranch i.e

621

00:24:25,990 --> 00:24:23,279

drones in the airspace black helicopters

622

00:24:27,510 --> 00:24:26,000

flying around or anything like that

623

00:24:28,710 --> 00:24:27,520

well if

624

00:24:31,669 --> 00:24:28,720

if you saw

625

00:24:34,789 --> 00:24:31,679

episode one of this this new season

626
00:24:36,149 --> 00:24:34,799
you you saw that we are most definitely

627
00:24:37,029 --> 00:24:36,159
being monitored

628
00:24:43,190 --> 00:24:37,039
by

629
00:24:45,510 --> 00:24:43,200
000 feet conducting

630
00:24:48,710 --> 00:24:45,520
very sophisticated

631
00:24:51,430 --> 00:24:48,720
uh monitoring and surveillance of of our

632
00:24:54,789 --> 00:24:51,440
property i mean and and we've continued

633
00:24:56,470 --> 00:24:54,799
to document uh additional activity that

634
00:24:57,909 --> 00:24:56,480
has even taken place in the last few

635
00:25:00,390 --> 00:24:57,919
weeks

636
00:25:03,029 --> 00:25:00,400
that that is undeniable that is well

637
00:25:05,350 --> 00:25:03,039
documented so we know that

638
00:25:08,870 --> 00:25:05,360

that the ranch is

639

00:25:10,630 --> 00:25:08,880

a an area of interest we know that for

640

00:25:13,590 --> 00:25:10,640

whatever reason it is

641

00:25:15,669 --> 00:25:13,600

it is gone far beyond just the scope of

642

00:25:18,549 --> 00:25:15,679

our investigation but has captured the

643

00:25:20,630 --> 00:25:18,559

attention of other entities what what

644

00:25:23,269 --> 00:25:20,640

they know that we don't know it would

645

00:25:24,630 --> 00:25:23,279

that's a good question uh it'd be great

646

00:25:25,830 --> 00:25:24,640

to collaborate

647

00:25:28,470 --> 00:25:25,840

and to

648

00:25:30,710 --> 00:25:28,480

to be able to know the exact nature of

649

00:25:32,549 --> 00:25:30,720

some of that surveillance that is taking

650

00:25:34,950 --> 00:25:32,559

place but there's a big difference

651
00:25:35,830 --> 00:25:34,960
between that surveillance that is taking

652
00:25:38,630 --> 00:25:35,840
place

653
00:25:40,789 --> 00:25:38,640
and the bonafide unidentified aerial

654
00:25:43,269 --> 00:25:40,799
phenomena that we are

655
00:25:45,510 --> 00:25:43,279
that we are documenting and experiencing

656
00:25:47,269 --> 00:25:45,520
with third-party witnesses

657
00:25:50,230 --> 00:25:47,279
they're

658
00:25:53,430 --> 00:25:50,240
seeing before their very eyes that's

659
00:25:55,430 --> 00:25:53,440
that's what is i think most compelling

660
00:25:57,470 --> 00:25:55,440
you know we continually document i think

661
00:26:00,470 --> 00:25:57,480
some of the best evidence of

662
00:26:01,269 --> 00:26:00,480
unidentified aerial phenomena correlated

663
00:26:02,710 --> 00:26:01,279

with

664

00:26:05,909 --> 00:26:02,720

you know

665

00:26:07,430 --> 00:26:05,919

electromagnetic anomalies and equipment

666

00:26:08,789 --> 00:26:07,440

malfunctions

667

00:26:10,710 --> 00:26:08,799

and also

668

00:26:11,990 --> 00:26:10,720

third party expert

669

00:26:14,390 --> 00:26:12,000

witnesses

670

00:26:15,510 --> 00:26:14,400

that are engaged with the team that are

671

00:26:18,549 --> 00:26:15,520

there

672

00:26:21,190 --> 00:26:18,559

and and witnessing these things

673

00:26:24,230 --> 00:26:21,200

happening in real time

674

00:26:26,070 --> 00:26:24,240

julie wants to know has dr avi loeb ever

675

00:26:28,070 --> 00:26:26,080

visited the ranch and would you be

676
00:26:30,310 --> 00:26:28,080
interested in working in any capacity on

677
00:26:33,190 --> 00:26:30,320
the galileo project

678
00:26:36,390 --> 00:26:33,200
i had the privilege of meeting with dr

679
00:26:40,789 --> 00:26:36,400
loeb several months ago in fact we spoke

680
00:26:43,029 --> 00:26:40,799
at uh at the museum of science in boston

681
00:26:44,630 --> 00:26:43,039
and discussed a collaborative effort in

682
00:26:47,029 --> 00:26:44,640
fact i offered

683
00:26:49,750 --> 00:26:47,039
to uh to have a galileo project

684
00:26:51,830 --> 00:26:49,760
installation at skinwalker ranch

685
00:26:54,549 --> 00:26:51,840
and to closely collaborate and work

686
00:26:57,190 --> 00:26:54,559
together and to compare data in service

687
00:26:58,549 --> 00:26:57,200
to discovery

688
00:27:00,630 --> 00:26:58,559

that's good to know is that something

689

00:27:03,590 --> 00:27:00,640

that's on the horizon or just has been

690

00:27:06,310 --> 00:27:03,600

left out there tentatively uh it it's on

691

00:27:07,269 --> 00:27:06,320

the horizon but i think we you know

692

00:27:11,510 --> 00:27:07,279

we're

693

00:27:14,230 --> 00:27:11,520

hope to re-engage and continue the

694

00:27:16,950 --> 00:27:14,240

discussion here in the near future

695

00:27:19,110 --> 00:27:16,960

excellent um tree of life says in the

696

00:27:20,950 --> 00:27:19,120

book uh skinwalkers at the pentagon it

697

00:27:23,350 --> 00:27:20,960

is suggested that the hitchhiker effect

698

00:27:25,190 --> 00:27:23,360

can jump from one person to another so

699

00:27:27,190 --> 00:27:25,200

family members of someone who visited

700

00:27:28,149 --> 00:27:27,200

can have experiences outside of the

701
00:27:30,630 --> 00:27:28,159
ranch

702
00:27:33,510 --> 00:27:30,640
are there any theories on why it spreads

703
00:27:35,590 --> 00:27:33,520
and how many people it can spread to

704
00:27:37,990 --> 00:27:35,600
there are a lot of theories

705
00:27:40,389 --> 00:27:38,000
and there is a lot of data

706
00:27:43,430 --> 00:27:40,399
backing up the so-called hitchhiker

707
00:27:44,389 --> 00:27:43,440
effect uh one thing is for sure there

708
00:27:48,950 --> 00:27:44,399
are

709
00:27:51,830 --> 00:27:48,960
a number of military operatives and you

710
00:27:54,630 --> 00:27:51,840
know former scientists and participants

711
00:27:57,510 --> 00:27:54,640
on the ranch that refused to ever set

712
00:27:59,430 --> 00:27:57,520
foot back on that property ever again

713
00:28:02,710 --> 00:27:59,440

even mr bigelow

714

00:28:05,830 --> 00:28:02,720

refuses to ever set foot on this

715

00:28:07,110 --> 00:28:05,840

property again and uh and we've received

716

00:28:08,070 --> 00:28:07,120

a lot of

717

00:28:10,549 --> 00:28:08,080

um

718

00:28:11,430 --> 00:28:10,559

how shall i say this we've received a

719

00:28:13,669 --> 00:28:11,440

lot of

720

00:28:16,070 --> 00:28:13,679

feedback confirming

721

00:28:17,430 --> 00:28:16,080

that uh that the hitchhiker effect is

722

00:28:20,149 --> 00:28:17,440

real and that

723

00:28:23,590 --> 00:28:20,159

the the impact that

724

00:28:24,950 --> 00:28:23,600

it has had on families on family members

725

00:28:27,029 --> 00:28:24,960

associated

726

00:28:28,549 --> 00:28:27,039

with uh with those who have

727

00:28:31,669 --> 00:28:28,559

who have visited the ranch and

728

00:28:33,669 --> 00:28:31,679

participated in the investigations

729

00:28:35,750 --> 00:28:33,679

it's something to be taken very

730

00:28:37,990 --> 00:28:35,760

seriously

731

00:28:40,070 --> 00:28:38,000

brendan has a question is the ranch a

732

00:28:42,870 --> 00:28:40,080

place that indigenous people went to in

733

00:28:44,549 --> 00:28:42,880

order to induce ontological shock as

734

00:28:46,950 --> 00:28:44,559

part of an initiation

735

00:28:49,350 --> 00:28:46,960

and if so why is there any reason to

736

00:28:51,830 --> 00:28:49,360

assume a nuts and bolts investigation

737

00:28:53,750 --> 00:28:51,840

will give any answers as the phenomenon

738

00:28:55,269 --> 00:28:53,760

there would not seem to be made from

739

00:28:57,430 --> 00:28:55,279

nuts and bolts

740

00:29:00,230 --> 00:28:57,440

uh good question

741

00:29:02,070 --> 00:29:00,240

we've identified areas of the property

742

00:29:03,430 --> 00:29:02,080

where there are pictographs or

743

00:29:06,870 --> 00:29:03,440

petroglyphs

744

00:29:09,190 --> 00:29:06,880

and and megalithic structures

745

00:29:09,990 --> 00:29:09,200

that that are ancient

746

00:29:12,070 --> 00:29:10,000

that

747

00:29:14,950 --> 00:29:12,080

have been around for a very long time

748

00:29:18,549 --> 00:29:14,960

the indigenous peoples the the native

749

00:29:21,029 --> 00:29:18,559

americans that inhabited the property uh

750

00:29:24,389 --> 00:29:21,039

left traces of their

751

00:29:25,190 --> 00:29:24,399

uh habitation and also the the fact that

752

00:29:31,510 --> 00:29:25,200

they

753

00:29:33,430 --> 00:29:31,520

of not only potential star charts

754

00:29:34,470 --> 00:29:33,440

but also uh

755

00:29:36,789 --> 00:29:34,480

you know

756

00:29:38,630 --> 00:29:36,799

i think signifying that this property

757

00:29:40,149 --> 00:29:38,640

for whatever reason was a place of

758

00:29:43,510 --> 00:29:40,159

significance

759

00:29:46,389 --> 00:29:43,520

being sensitive to that cultural history

760

00:29:48,789 --> 00:29:46,399

and bringing consultants on the property

761

00:29:51,750 --> 00:29:48,799

to help our team and you know our

762

00:29:55,430 --> 00:29:51,760

full-time anthropologists candace lindy

763

00:29:56,870 --> 00:29:55,440

better understand the historical context

764

00:29:59,190 --> 00:29:56,880

has been an important part of our

765

00:30:01,029 --> 00:29:59,200

investigation

766

00:30:03,750 --> 00:30:01,039

ryan wants to know that when you saw

767

00:30:05,909 --> 00:30:03,760

this silver metallic craft or any uap

768

00:30:08,310 --> 00:30:05,919

experience you've had have you ever had

769

00:30:09,590 --> 00:30:08,320

any overwhelming sense of emotion that

770

00:30:13,269 --> 00:30:09,600

you've you've felt along with that

771

00:30:15,590 --> 00:30:13,279

experience i i didn't personally i was i

772

00:30:18,230 --> 00:30:15,600

was astonished by what i

773

00:30:20,630 --> 00:30:18,240

what i witnessed with other witnesses

774

00:30:23,110 --> 00:30:20,640

sitting right by my side

775

00:30:24,230 --> 00:30:23,120

when i had my own siding in broad

776
00:30:26,070 --> 00:30:24,240
daylight

777
00:30:29,510 --> 00:30:26,080
and observed

778
00:30:32,070 --> 00:30:29,520
that craft or that object maneuvering in

779
00:30:34,710 --> 00:30:32,080
ways that just defy any conventional

780
00:30:37,350 --> 00:30:34,720
description but i i didn't feel any

781
00:30:38,789 --> 00:30:37,360
sense of dread it was more

782
00:30:40,870 --> 00:30:38,799
uh

783
00:30:42,710 --> 00:30:40,880
more that i was in off

784
00:30:45,350 --> 00:30:42,720
it just seemed unbelievable that we were

785
00:30:47,190 --> 00:30:45,360
witnessing it and and the whole episode

786
00:30:48,870 --> 00:30:47,200
happened over the course of about 20

787
00:30:51,350 --> 00:30:48,880
seconds and was over

788
00:30:53,590 --> 00:30:51,360

and it i think it's it's difficult for

789

00:30:55,909 --> 00:30:53,600

people to understand sometimes that that

790

00:30:58,070 --> 00:30:55,919

when you're caught off guard

791

00:31:01,509 --> 00:30:58,080

even on skinwalker ranch

792

00:31:03,909 --> 00:31:01,519

uh that has this history i mean it's

793

00:31:05,750 --> 00:31:03,919

it's it's something that uh that you're

794

00:31:07,750 --> 00:31:05,760

never really prepared for i think most

795

00:31:10,630 --> 00:31:07,760

people will attest to the fact that

796

00:31:12,710 --> 00:31:10,640

they're unprepared for what they witness

797

00:31:15,350 --> 00:31:12,720

uh on the property

798

00:31:17,990 --> 00:31:15,360

two more questions mr hugo this one from

799

00:31:20,630 --> 00:31:18,000

mark is there any person or organization

800

00:31:22,070 --> 00:31:20,640

besides yourself sponsoring research at

801
00:31:23,110 --> 00:31:22,080
the ranch

802
00:31:29,269 --> 00:31:23,120
no

803
00:31:31,110 --> 00:31:29,279
sponsored and and paid for by me since

804
00:31:32,630 --> 00:31:31,120
since i acquired the property in april

805
00:31:35,269 --> 00:31:32,640
2016

806
00:31:37,509 --> 00:31:35,279
along with of course the history channel

807
00:31:39,269 --> 00:31:37,519
uh helping to subsidize some of the

808
00:31:42,950 --> 00:31:39,279
experimental activity

809
00:31:45,029 --> 00:31:42,960
and personnel and expenses during the

810
00:31:48,710 --> 00:31:45,039
short period of time every year that

811
00:31:51,190 --> 00:31:48,720
they are working on production so the

812
00:31:53,430 --> 00:31:51,200
the history channel engagement wall

813
00:31:56,389 --> 00:31:53,440

while important and

814

00:31:57,669 --> 00:31:56,399

and i think uh very helpful this doesn't

815

00:32:00,710 --> 00:31:57,679

come close

816

00:32:02,710 --> 00:32:00,720

to to covering the cost and expense

817

00:32:05,750 --> 00:32:02,720

associated with the ongoing scientific

818

00:32:08,549 --> 00:32:05,760

investigation that has now surpassed six

819

00:32:10,870 --> 00:32:08,559

years under my stewardship

820

00:32:12,870 --> 00:32:10,880

and final question from gaz is there

821

00:32:15,430 --> 00:32:12,880

anywhere else in the world you would

822

00:32:17,269 --> 00:32:15,440

like to investigate and why if you were

823

00:32:18,630 --> 00:32:17,279

looking at purchasing a new skin walker

824

00:32:21,509 --> 00:32:18,640

ranch is there anywhere you would have

825

00:32:24,389 --> 00:32:21,519

your eye on uh sure there are other

826

00:32:27,110 --> 00:32:24,399

areas of interest that uh

827

00:32:30,389 --> 00:32:27,120

that i would like to have the team

828

00:32:32,630 --> 00:32:30,399

investigate simply because i i believe

829

00:32:34,149 --> 00:32:32,640

pulling the data together and finding

830

00:32:36,630 --> 00:32:34,159

correlations

831

00:32:39,509 --> 00:32:36,640

uh can help us better understand

832

00:32:40,710 --> 00:32:39,519

potentially the the nature of what we're

833

00:32:43,430 --> 00:32:40,720

dealing with

834

00:32:45,590 --> 00:32:43,440

the the origin the agenda

835

00:32:47,669 --> 00:32:45,600

uh i think there are some common

836

00:32:49,990 --> 00:32:47,679

signatures if you will

837

00:32:53,350 --> 00:32:50,000

that we find uh

838

00:32:55,669 --> 00:32:53,360

across the world in other locations uh

839

00:32:56,470 --> 00:32:55,679

it would be interesting but as of right

840

00:32:57,269 --> 00:32:56,480

now

841

00:33:02,950 --> 00:32:57,279

i

842

00:33:05,830 --> 00:33:02,960

uh

843

00:33:07,669 --> 00:33:05,840

actually acquiring

844

00:33:09,909 --> 00:33:07,679

and to finish off brandon you've been

845

00:33:11,590 --> 00:33:09,919

very generous with your time again what

846

00:33:13,909 --> 00:33:11,600

people got to look forward to with the

847

00:33:16,549 --> 00:33:13,919

rest of season three

848

00:33:18,149 --> 00:33:16,559

a lot of revelations a lot of very

849

00:33:20,070 --> 00:33:18,159

surprising

850

00:33:23,269 --> 00:33:20,080

uh activity

851
00:33:25,509 --> 00:33:23,279
that is captured on camera real time

852
00:33:27,990 --> 00:33:25,519
again i want to stress this is a

853
00:33:30,710 --> 00:33:28,000
completely unscripted

854
00:33:31,509 --> 00:33:30,720
factual docu-series none of this has

855
00:33:34,230 --> 00:33:31,519
been

856
00:33:38,149 --> 00:33:34,240
you know contrived fabricated

857
00:33:40,389 --> 00:33:38,159
in any way uh and we are really excited

858
00:33:41,430 --> 00:33:40,399
to present to the public you know what

859
00:33:44,310 --> 00:33:41,440
we have

860
00:33:47,190 --> 00:33:44,320
continued to experience and discover

861
00:33:49,350 --> 00:33:47,200
as part of this groundbreaking research

862
00:33:50,789 --> 00:33:49,360
at skinwalker ranch i've i've said this

863
00:33:53,029 --> 00:33:50,799

before i believe that this is the

864

00:33:56,310 --> 00:33:53,039

greatest science project of our time

865

00:33:57,990 --> 00:33:56,320

and and holds such potential to uh to

866

00:34:00,630 --> 00:33:58,000

help us understand our place in the

867

00:34:03,350 --> 00:34:00,640

universe the nature of our reality and

868

00:34:06,389 --> 00:34:03,360

and answer that question of you know are

869

00:34:08,470 --> 00:34:06,399

we alone i think the answer is right in

870

00:34:10,550 --> 00:34:08,480

front of us and the answer is

871

00:34:13,990 --> 00:34:10,560

no we are not alone

872

00:34:15,589 --> 00:34:14,000

uh we are in we are interacting with uh

873

00:34:19,589 --> 00:34:15,599

with the diversity

874

00:34:22,629 --> 00:34:19,599

of uh of entities of

875

00:34:25,510 --> 00:34:22,639

phenomena that uh that continues to defy

876

00:34:27,030 --> 00:34:25,520

explanation or at least any conventional

877

00:34:29,109 --> 00:34:27,040

explanation

878

00:34:31,109 --> 00:34:29,119
