

CLIPS

RANDALL NICKERSON
'ARIEL PHENOMENON' DIRECTOR

1
00:00:00,000 --> 00:00:03,350
is definitely going to be some other

2
00:00:05,670 --> 00:00:04,390
pretty big

3
00:00:07,749 --> 00:00:05,680
things that have to do with this

4
00:00:09,830 --> 00:00:07,759
particular event that

5
00:00:11,270 --> 00:00:09,840
i can't speak about but other people

6
00:00:12,549 --> 00:00:11,280
will

7
00:00:15,669 --> 00:00:12,559
was there ever

8
00:00:18,070 --> 00:00:15,679
a mention or talk of the uranium mines

9
00:00:20,230 --> 00:00:18,080
that are about 30 to 50 miles from the

10
00:00:23,029 --> 00:00:20,240
school being a reason potentially for

11
00:00:25,349 --> 00:00:23,039
this case and it's its vicinity to where

12
00:00:27,830 --> 00:00:25,359
it was

13
00:00:29,910 --> 00:00:27,840

um

14

00:00:32,069 --> 00:00:29,920

that's yeah there's somebody else that

15

00:00:34,229 --> 00:00:32,079

can speak about that but uh i don't know

16

00:00:35,910 --> 00:00:34,239

where you heard that that's uh

17

00:00:37,030 --> 00:00:35,920

somebody was that a viewer that said

18

00:00:38,389 --> 00:00:37,040

something

19

00:00:40,869 --> 00:00:38,399

you know what a few people have

20

00:00:42,709 --> 00:00:40,879

mentioned this and a couple of listeners

21

00:00:44,869 --> 00:00:42,719

got in touch with that as well but i

22

00:00:46,549 --> 00:00:44,879

know other people have have brought that

23

00:00:48,549 --> 00:00:46,559

up as

24

00:00:50,869 --> 00:00:48,559

as something in that area

25

00:00:55,350 --> 00:00:52,790

i can't i can't say

26

00:00:56,150 --> 00:00:55,360

i'd rather have the person that is much

27

00:00:59,349 --> 00:00:56,160

more
