RANDALL NICKERSON
'ARIEL PHENOMENON' DIRECTOR

1
00:00:04,870 --> 00:00:02,149
can you take us through a high level

2
00:00:05,910 --> 00:00:04,880
overview of the actual event

3
00:00:09,669 --> 00:00:05,920
yes

4
00:00:12,629 --> 00:00:09,679
uh well it didn't start with ariel um

5
00:00:14,629 --> 00:00:12,639
uh it started uh several the week week

6
00:00:15,829 --> 00:00:14,639
of ariel monday tuesday wednesday

7
00:00:17,910 --> 00:00:15,839
thursday

8
00:00:18,870 --> 00:00:17,920
and then it continued after ariel as

9
00:00:20,950 --> 00:00:18,880
well

10
00:00:22,710 --> 00:00:20,960
but ariel seemed to be

11
00:00:24,470 --> 00:00:22,720
the event that was covered because there

12
00:00:25,670 --> 00:00:24,480
were so many witnesses but what happened

13
00:00:26,710 --> 00:00:25,680

was

14

00:00:29,109 --> 00:00:26,720

uh

15

00:00:31,429 --> 00:00:29,119

there were a number of children at the

16

00:00:34,870 --> 00:00:31,439

aerial school who witnessed a

17

00:00:37,990 --> 00:00:34,880

first of all a silver craft in the sky

18

00:00:40,389 --> 00:00:38,000

that was doing bizarre things

19

00:00:42,389 --> 00:00:40,399

and then

20

00:00:45,670 --> 00:00:42,399

according to their testimony they said

21

00:00:47,670 --> 00:00:45,680

it set down near the the edge of their

22

00:00:49,430 --> 00:00:47,680

field you know there was a boundary

23

00:00:51,270 --> 00:00:49,440

where they couldn't crop they couldn't

24

00:00:53,830 --> 00:00:51,280

go over that boundary because of snakes

25

00:00:55,670 --> 00:00:53,840

baboons all kinds of wildlife that we

26

00:00:57,189 --> 00:00:55,680

don't even see here

27

00:01:00,709 --> 00:00:57,199

and um

28

00:01:02,869 --> 00:01:00,719

they watched it several you know a large

29

00:01:04,390 --> 00:01:02,879

group of kids gathered at the the pla

30

00:01:05,830 --> 00:01:04,400

the bottom of the playground and looked

31

00:01:07,750 --> 00:01:05,840

at this thing

32

00:01:09,190 --> 00:01:07,760

and then they saw these

33

00:01:11,109 --> 00:01:09,200

creatures i don't know what you call

34

00:01:12,390 --> 00:01:11,119

them get out

35

00:01:14,630 --> 00:01:12,400

um

36

00:01:17,670 --> 00:01:14,640

and one at least one approached the the

37

00:01:19,590 --> 00:01:17,680

playground itself and

38

00:01:21,590 --> 00:01:19,600

there was some kind of experience there

39

00:01:24,310 --> 00:01:21,600

between children and this strange

40

00:01:26,870 --> 00:01:24,320

creature and uh

41

00:01:28,630 --> 00:01:26,880

the kids uh

42

00:01:29,990 --> 00:01:28,640

all went running and screaming after a

43

00:01:32,230 --> 00:01:30,000

little while because it's basically

44

00:01:33,429 --> 00:01:32,240

because of the sound it made

45

00:01:35,590 --> 00:01:33,439

um

46

00:01:38,630 --> 00:01:35,600

and then went into the teachers and told

47

00:01:40,390 --> 00:01:38,640

the teachers like a hundred kids and

48

00:01:41,990 --> 00:01:40,400

you know the teachers didn't believe

49

00:01:42,870 --> 00:01:42,000

them at first

50

00:01:44,950 --> 00:01:42,880

and

51

00:01:46,310 --> 00:01:44,960

it wasn't until

52

00:01:48,310 --> 00:01:46,320

uh actually the teachers didn't believe

53

00:01:50,469 --> 00:01:48,320

them that the kids went home and told

54

00:01:52,710 --> 00:01:50,479

their moms and dads and all the moms and

55

00:01:55,270 --> 00:01:52,720

dads called the school

56

00:01:57,749 --> 00:01:55,280

like what happened to our kids

57

00:02:00,630 --> 00:01:57,759

and that's kind of how it all all

58

00:02:01,910 --> 00:02:00,640

started uh then the bbc showed up

59

00:02:04,310 --> 00:02:01,920

somebody one of the parents knew

60

00:02:06,630 --> 00:02:04,320

somebody from the bbc and called him
