RONNY VERNET BRAZILIAN UAP HEARINGS

1
00:00:05,590 --> 00:00:02,790
what are the top three most convincing

2
00:00:09,190 --> 00:00:05,600
ufo cases in brazil that the world

3
00:00:13,270 --> 00:00:10,390
uh

4
00:00:15,110 --> 00:00:13,280
we have i think the most convincing is

5
00:00:18,470 --> 00:00:15,120
that once that we have official

6
00:00:19,189 --> 00:00:18,480
documentation okay

7
00:00:25,830 --> 00:00:19,199
the

8
00:00:28,470 --> 00:00:25,840
operation saucer that was did by

9
00:00:31,189 --> 00:00:28,480
the brazilian air force in the 70s we

10
00:00:34,069 --> 00:00:31,199
have a lot of documentation about that

11
00:00:35,750 --> 00:00:34,079
uh we have the official ufo night in

12
00:00:38,790 --> 00:00:35,760
1986

13
00:00:42,069 --> 00:00:38,800

where pilots of air force uh track and

14

00:00:44,790 --> 00:00:42,079

pursue the these 21 objects in our skies

15

00:00:46,869 --> 00:00:44,800

we have a lot of tapes of pilots talking

16

00:00:49,430 --> 00:00:46,879

about that with the air command

17

00:00:50,869 --> 00:00:49,440

controller and so on

18

00:00:51,830 --> 00:00:50,879

we had that

19

00:00:56,830 --> 00:00:51,840

that

20

00:00:59,830 --> 00:00:56,840

happen in any any place i think only in

21

00:01:01,830 --> 00:00:59,840

belgium but nothing

22

00:01:03,750 --> 00:01:01,840

the the scale that happened in brazil

23

00:01:05,910 --> 00:01:03,760

this we had our

24

00:01:07,510 --> 00:01:05,920

minister of the the air force

25

00:01:09,670 --> 00:01:07,520

our commander of the air force we have

26

00:01:11,990 --> 00:01:09,680

all the pilots that was

27

00:01:15,350 --> 00:01:12,000

piloting that that fighters at that

28

00:01:18,469 --> 00:01:15,360

night and every one of them in live tv

29

00:01:19,990 --> 00:01:18,479

talking about it openly so it was huge

30

00:01:21,590 --> 00:01:20,000

uh

31

00:01:22,710 --> 00:01:21,600

some people don't know about but it's

32

00:01:25,270 --> 00:01:22,720

happening

33

00:01:27,830 --> 00:01:25,280

a live a live a live event on tv with

34

00:01:30,390 --> 00:01:27,840

all these people talk about ufos no this

35

00:01:31,670 --> 00:01:30,400

was there it's a red big and what is

36

00:01:33,109 --> 00:01:31,680

trying to approach

37

00:01:35,749 --> 00:01:33,119

uh he

38

00:01:37,350 --> 00:01:35,759

did played with me and so on and pilots

39

00:01:38,830 --> 00:01:37,360

talking about opening what you're

40

00:01:42,469 --> 00:01:38,840

talking uh

41

00:01:43,990 --> 00:01:42,479

graves and and dietrich and so on are

42

00:01:47,749 --> 00:01:44,000

talking right now

43

00:01:49,910 --> 00:01:47,759

we had in 1986 in brazil uh and it was

44

00:01:52,550 --> 00:01:49,920

huge so this is the second one the third

45

00:01:54,789 --> 00:01:52,560

one i think it's the the akri case which

46

00:01:57,510 --> 00:01:54,799

decay that case in state of fact in

47

00:02:00,389 --> 00:01:57,520

brazil about the indigenous tribes

48

00:02:02,550 --> 00:02:00,399

as i said we have almost 200 pages and

49

00:02:04,630 --> 00:02:02,560

20 minutes of videos about the federal

50

00:02:07,109 --> 00:02:04,640

police investigations

51

00:02:10,150 --> 00:02:07,119

and investigations are

52

00:02:12,630 --> 00:02:10,160

also from the national engineer federal
