RONNY VERNET

BRAZILIAN UAP HEARINGS

1
00:00:07,190 --> 00:00:04,470
these technological uh devices appear uh

2
00:00:08,150 --> 00:00:07,200
mainly near the amazon okay

3
00:00:10,549 --> 00:00:08,160
uh

4
00:00:12,470 --> 00:00:10,559
but we have also in our shoreline here

5
00:00:15,030 --> 00:00:12,480
in southeast for example in sao paulo we

6
00:00:17,670 --> 00:00:15,040
have this this type of of vehicles

7
00:00:18,950 --> 00:00:17,680
operating here in sao paulo and so on

8
00:00:19,750 --> 00:00:18,960
from the sea

9
00:00:21,189 --> 00:00:19,760
so

10
00:00:23,429 --> 00:00:21,199
we we we

11
00:00:25,029 --> 00:00:23,439
we know a lot of cases that these

12
00:00:26,710 --> 00:00:25,039
objects come

13
00:00:29,429 --> 00:00:26,720

and go to the sea

14

00:00:31,109 --> 00:00:29,439

uh these objects navigate through the

15

00:00:32,630 --> 00:00:31,119

rivers in amer in

16

00:00:35,110 --> 00:00:32,640

amazon forest

17

00:00:37,270 --> 00:00:35,120

and they come out of the river affect

18

00:00:38,389 --> 00:00:37,280

people do all the job that they they

19

00:00:41,430 --> 00:00:38,399

have to do

20

00:00:43,430 --> 00:00:41,440

when people start to to complain about

21

00:00:44,470 --> 00:00:43,440

that the government become aware start

22

00:00:47,270 --> 00:00:44,480

to investigate

23

00:00:50,229 --> 00:00:47,280

this phenomenon gets the river to the

24

00:00:52,470 --> 00:00:50,239

and go to the another city and do the

25

00:00:55,750 --> 00:00:52,480

same thing and this continues since the

26

00:00:57,590 --> 00:00:55,760

70s we have that happening in northeast

27

00:00:58,630 --> 00:00:57,600

in brazil and northern brazil in

28

00:01:00,869 --> 00:00:58,640

paradise

29

00:01:03,110 --> 00:01:00,879

that state of the operation saucer this

30

00:01:06,070 --> 00:01:03,120

thing was moving uh

31

00:01:09,190 --> 00:01:06,080

to the to the west in the direction of

32

00:01:12,310 --> 00:01:09,200

the the peru and so on

33

00:01:15,670 --> 00:01:12,320

and we have that uh events happening in

34

00:01:18,390 --> 00:01:15,680

yakri which is in brazil akri status for

35

00:01:21,990 --> 00:01:18,400

people to know is in the border of peru

36

00:01:24,630 --> 00:01:22,000

so and we had in 2000 these events

37

00:01:27,190 --> 00:01:24,640

happening also in the in the peru the

38

00:01:30,469 --> 00:01:27,200

country of peru in the same way

39

00:01:33,590 --> 00:01:30,479

objects going uh coming from and in in

40

00:01:36,069 --> 00:01:33,600

the water from the the the rivers from
