

CLIPS

BRANDON FUGAL  
SKINWALKER RANCH

1  
00:00:04,309 --> 00:00:01,750  
just today as we record this it's the

2  
00:00:07,030 --> 00:00:04,319  
17th of may uh congressional uap

3  
00:00:08,870 --> 00:00:07,040  
hearings took place within congress in

4  
00:00:10,790 --> 00:00:08,880  
the united states uh have you had a

5  
00:00:13,030 --> 00:00:10,800  
chance yet brandon to catch up on what

6  
00:00:15,589 --> 00:00:13,040  
happened at those those events yeah i've

7  
00:00:18,630 --> 00:00:15,599  
reviewed some of that and i'll reserve

8  
00:00:21,349 --> 00:00:18,640  
comment um rather than to to state that

9  
00:00:23,509 --> 00:00:21,359  
it's about time i mean it's

10  
00:00:26,230 --> 00:00:23,519  
it's about time that the public

11  
00:00:28,470 --> 00:00:26,240  
uh be awakened to the fact that this is

12  
00:00:29,509 --> 00:00:28,480  
real that this is not

13  
00:00:31,750 --> 00:00:29,519

you know

14

00:00:33,510 --> 00:00:31,760

the figment of people's imaginations

15

00:00:36,709 --> 00:00:33,520

that uh that

16

00:00:38,389 --> 00:00:36,719

our airspace is being violated that uh

17

00:00:41,350 --> 00:00:38,399

that some of our most

18

00:00:45,029 --> 00:00:41,360

uh i skilled fighter pilots

19

00:00:47,110 --> 00:00:45,039

and and military officers have witnessed

20

00:00:50,869 --> 00:00:47,120

phenomena and

21

00:00:53,910 --> 00:00:50,879

and have been willing to step forward

22

00:00:55,110 --> 00:00:53,920

and and vocalize

23

00:00:59,670 --> 00:00:55,120

their

24

00:01:01,270 --> 00:00:59,680

deal i think that the facts speak for

25

00:01:02,389 --> 00:01:01,280

themselves anyone who does their due

26

00:01:04,630 --> 00:01:02,399

diligence

27

00:01:07,750 --> 00:01:04,640

regarding these topics i mean real due

28

00:01:10,149 --> 00:01:07,760

diligence looking at witness testimony

29

00:01:11,030 --> 00:01:10,159

excuse me witness testimony

30

00:01:16,950 --> 00:01:11,040

and

31

00:01:18,710 --> 00:01:16,960

associated you know with these topics i

32

00:01:20,230 --> 00:01:18,720

i think will find

33

00:01:21,590 --> 00:01:20,240

that there is

34

00:01:23,830 --> 00:01:21,600

very real

35

00:01:25,990 --> 00:01:23,840

uh legitimacy and validity to them so

36

00:01:28,310 --> 00:01:26,000

it's it's good to see that congress is

37

00:01:30,950 --> 00:01:28,320

taking it seriously i think that we're

38

00:01:33,670 --> 00:01:30,960

just barely scratching the surface

39

00:01:35,510 --> 00:01:33,680

uh and and and

40

00:01:37,910 --> 00:01:35,520

there is so much more
