

RONY VERNET

BRAZILIAN UAP HEARINGS

1
00:00:00,000 --> 00:00:09,230

[Music]

2
00:00:09,240 --> 00:00:14,310

[Applause]

3
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

4
00:00:24,040 --> 00:00:18,960

sphere where the points of the cube

5
00:00:38,709 --> 00:00:34,290

[Music]

6
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

7
00:00:45,350 --> 00:00:40,960

limited to the united states it's a

8
00:00:50,069 --> 00:00:47,830

hi everyone and welcome back to that ufo

9
00:00:53,029 --> 00:00:50,079

podcast a special show for you here we

10
00:00:55,270 --> 00:00:53,039

have uh on the verge of historical ufo

11
00:00:58,310 --> 00:00:55,280

hearings in brazil later this month on

12
00:01:00,790 --> 00:00:58,320

the 24th of june i am joined all the way

13
00:01:02,709 --> 00:01:00,800

from rio de janeiro in brazil the

14

00:01:05,350 --> 00:01:02,719

beautiful country of brazil

15

00:01:07,190 --> 00:01:05,360

ronnie vernet a ufo researcher and

16

00:01:09,030 --> 00:01:07,200

journalist out there ronnie welcome to

17

00:01:10,870 --> 00:01:09,040

the podcast

18

00:01:13,109 --> 00:01:10,880

thank you very much i hope you have a

19

00:01:15,270 --> 00:01:13,119

great conversation thanks for inviting

20

00:01:17,910 --> 00:01:15,280

me thank for your audience that you see

21

00:01:21,350 --> 00:01:17,920

this this recording i think we will have

22

00:01:24,070 --> 00:01:21,360

some good stuff to to talk about today

23

00:01:26,710 --> 00:01:24,080

yeah and listen it's truly a worldwide

24

00:01:28,230 --> 00:01:26,720

conversation now so people listening to

25

00:01:30,390 --> 00:01:28,240

this from all over the world are going

26
00:01:32,710 --> 00:01:30,400
to hear someone from brazil and someone

27
00:01:34,550 --> 00:01:32,720
from scotland talking about an issue

28
00:01:36,390 --> 00:01:34,560
which affects everyone and i think

29
00:01:39,590 --> 00:01:36,400
that's really important for the

30
00:01:41,590 --> 00:01:39,600
conversation and and ronnie before we

31
00:01:44,469 --> 00:01:41,600
get to discussing the hearings that are

32
00:01:47,510 --> 00:01:44,479
coming up soon i want to ask you

33
00:01:49,350 --> 00:01:47,520
how did your interest in the ufo subject

34
00:01:51,350 --> 00:01:49,360
begin

35
00:01:54,710 --> 00:01:51,360
yes since i was a child i always had

36
00:01:57,510 --> 00:01:54,720
that scientific veins my scientific

37
00:02:00,149 --> 00:01:57,520
interest into to to question is this

38
00:02:03,350 --> 00:02:00,159

real what these people is talking about

39

00:02:07,190 --> 00:02:03,360

and these events are real i i was born

40

00:02:09,190 --> 00:02:07,200

uh one year before the the

41

00:02:10,070 --> 00:02:09,200

what we call in brazil the official ufo

42

00:02:13,030 --> 00:02:10,080

night

43

00:02:16,309 --> 00:02:13,040

when the the brazilian air force

44

00:02:20,070 --> 00:02:16,319

uh tracked and and and and tried to to

45

00:02:22,470 --> 00:02:20,080

pursue uh 21 no objects in brazilian

46

00:02:25,830 --> 00:02:22,480

skies in rio sao paulo and other other

47

00:02:28,309 --> 00:02:25,840

states and this was a huge event uh the

48

00:02:29,830 --> 00:02:28,319

the the commander of the air force go to

49

00:02:32,949 --> 00:02:29,840

the national tv

50

00:02:36,390 --> 00:02:32,959

say this happening this is true so

51
00:02:38,869 --> 00:02:36,400
this type of events always always get me

52
00:02:41,350 --> 00:02:38,879
curious to know if this is real this is

53
00:02:43,670 --> 00:02:41,360
happening why why are not scientifically

54
00:02:45,190 --> 00:02:43,680
studied in it that was just very strange

55
00:02:47,589 --> 00:02:45,200
so since

56
00:02:50,150 --> 00:02:47,599
then i was monitoring this these events

57
00:02:53,270 --> 00:02:50,160
in brazil in the world also reading some

58
00:02:56,710 --> 00:02:53,280
books and but not uh in an active way

59
00:02:59,270 --> 00:02:56,720
more passive just watching just studying

60
00:03:00,149 --> 00:02:59,280
and in 2018

61
00:03:02,229 --> 00:03:00,159
uh

62
00:03:04,869 --> 00:03:02,239
i i read the book by a researcher here

63
00:03:07,910 --> 00:03:04,879

in brazil called mark peachy

64

00:03:10,710 --> 00:03:07,920

and about a hot spot a huge hot spot in

65

00:03:12,790 --> 00:03:10,720

rio de janeiro not in rio the the the

66

00:03:14,149 --> 00:03:12,800

municipality the city but the state of

67

00:03:15,589 --> 00:03:14,159

rio genera

68

00:03:19,350 --> 00:03:15,599

which brought her

69

00:03:22,229 --> 00:03:19,360

and i i said what well let's go check if

70

00:03:23,910 --> 00:03:22,239

this hotspot is if these events that are

71

00:03:26,309 --> 00:03:23,920

happening that are described in this

72

00:03:28,470 --> 00:03:26,319

book are real and i went to that place

73

00:03:33,190 --> 00:03:28,480

it's a place that i visited since

74

00:03:35,750 --> 00:03:33,200

2018 to to to the to right now so i saw

75

00:03:38,710 --> 00:03:35,760

this this phenomenon a few inches a few

76

00:03:41,430 --> 00:03:38,720

meters from me so that time i said oh i

77

00:03:43,110 --> 00:03:41,440

have to to to do something this must be

78

00:03:46,229 --> 00:03:43,120

studied scientific

79

00:03:49,509 --> 00:03:46,239

uh i i need to ask people i need to to

80

00:03:53,429 --> 00:03:49,519

to to help i need to with a little

81

00:03:56,470 --> 00:03:53,439

effort what all i can do to help to to

82

00:03:57,589 --> 00:03:56,480

to move the balls further to to this to

83

00:04:00,789 --> 00:03:57,599

this

84

00:04:02,229 --> 00:04:00,799

subject would be good so since 2018 i

85

00:04:03,670 --> 00:04:02,239

started to visit some field

86

00:04:06,070 --> 00:04:03,680

investigations

87

00:04:09,509 --> 00:04:06,080

trying trying to install some equipments

88

00:04:10,869 --> 00:04:09,519

to monitor these these events uh in two

89

00:04:15,030 --> 00:04:10,879

years ago

90

00:04:17,830 --> 00:04:15,040

in 2020 i started to some requests in

91

00:04:19,110 --> 00:04:17,840

freedom of information acts in brazil to

92

00:04:21,590 --> 00:04:19,120

to try to

93

00:04:24,629 --> 00:04:21,600

to achieve some documents from brazilian

94

00:04:27,110 --> 00:04:24,639

government about some incidents

95

00:04:29,510 --> 00:04:27,120

i i was lucky because i was successful

96

00:04:31,830 --> 00:04:29,520

almost in the first try

97

00:04:35,189 --> 00:04:31,840

when i when i received

98

00:04:36,710 --> 00:04:35,199

almost 200 pages of documents and 20

99

00:04:38,150 --> 00:04:36,720

minutes of videos

100

00:04:39,990 --> 00:04:38,160

talking about

101
00:04:43,189 --> 00:04:40,000
encounters between

102
00:04:46,070 --> 00:04:43,199
ufo urp and industrial stripes in brazil

103
00:04:48,950 --> 00:04:46,080
in a various isolated place in amazon

104
00:04:50,710 --> 00:04:48,960
forest and since then all my my interest

105
00:04:51,990 --> 00:04:50,720
in the subject

106
00:04:55,430 --> 00:04:52,000
was growing

107
00:04:58,710 --> 00:04:55,440
i i i i play sometimes and say oh

108
00:04:59,590 --> 00:04:58,720
nothing happens uh without the reason

109
00:05:01,590 --> 00:04:59,600
and

110
00:05:04,870 --> 00:05:01,600
a lot of a lot of things in my life are

111
00:05:06,710 --> 00:05:04,880
happening that's me

112
00:05:08,790 --> 00:05:06,720
brings me more attention and more

113
00:05:11,430 --> 00:05:08,800

interested and more

114

00:05:13,990 --> 00:05:11,440
efforts to help in this in this topic

115

00:05:16,870 --> 00:05:14,000
and and this is how how that's uh

116

00:05:18,550 --> 00:05:16,880
everything started with that my my the

117

00:05:21,270 --> 00:05:18,560
phenomenon of observations of the

118

00:05:24,790 --> 00:05:21,280
phenomena in that hot spot the the

119

00:05:27,590 --> 00:05:24,800
requests from government and so on until

120

00:05:29,510 --> 00:05:27,600
now when were you going to the first uap

121

00:05:32,950 --> 00:05:29,520
here in brazil

122

00:05:35,270 --> 00:05:32,960
now you you mention your observations of

123

00:05:38,390 --> 00:05:35,280
the phenomenon in a hot spot

124

00:05:41,029 --> 00:05:38,400
have you had your own experiences or own

125

00:05:44,550 --> 00:05:41,039
sightings of anything unexplainable any

126

00:05:47,550 --> 00:05:44,560

ufos you've seen yourself

127

00:05:50,230 --> 00:05:47,560

yes i had previous that these events in

128

00:05:53,830 --> 00:05:50,240

2018 that hotspot

129

00:05:56,950 --> 00:05:53,840

i saw i visited some places not to to to

130

00:06:00,469 --> 00:05:56,960

observe ufos but to work in my my

131

00:06:02,870 --> 00:06:00,479

my my work as engineer uh and in that

132

00:06:05,270 --> 00:06:02,880

place i saw some strange lights

133

00:06:08,469 --> 00:06:05,280

far away that you question oh is is that

134

00:06:11,189 --> 00:06:08,479

a natural phenomena is that uh something

135

00:06:13,270 --> 00:06:11,199

more more unexplained

136

00:06:16,309 --> 00:06:13,280

but when i started to

137

00:06:17,350 --> 00:06:16,319

visit these hot spots uh is that the

138

00:06:20,629 --> 00:06:17,360

moment

139

00:06:22,950 --> 00:06:20,639

that i saw things closer i said inches a

140

00:06:25,029 --> 00:06:22,960

few meters from me so you don't have

141

00:06:28,390 --> 00:06:25,039

questions you don't have any doubt about

142

00:06:29,909 --> 00:06:28,400

that it's something that's not ex

143

00:06:31,909 --> 00:06:29,919

we don't know the origins we don't we

144

00:06:34,629 --> 00:06:31,919

can't explain something different that

145

00:06:37,270 --> 00:06:34,639

you need to to do further investigations

146

00:06:38,150 --> 00:06:37,280

and i have some some huge experience in

147

00:06:43,510 --> 00:06:38,160

that

148

00:06:45,350 --> 00:06:43,520

brazil se hada beliza or in english the

149

00:06:46,950 --> 00:06:45,360

beauty hill is a very very beautiful

150

00:06:49,110 --> 00:06:46,960

place

151
00:06:52,230 --> 00:06:49,120
and what did you see that was so close

152
00:06:55,510 --> 00:06:52,240
to you can you describe that

153
00:06:58,390 --> 00:06:55,520
yes in 2018 uh i was doing some of

154
00:07:00,870 --> 00:06:58,400
reservations the phenomenon there

155
00:07:03,589 --> 00:07:00,880
we have more often more frequency in the

156
00:07:05,270 --> 00:07:03,599
winter brazilian winter which is june

157
00:07:07,909 --> 00:07:05,280
july august

158
00:07:09,270 --> 00:07:07,919
so was what was there in that place in

159
00:07:13,110 --> 00:07:09,280
that time

160
00:07:15,350 --> 00:07:13,120
between 6 p.m and 8 p.m is the the peak

161
00:07:17,909 --> 00:07:15,360
of the phenomenon there so as they are

162
00:07:21,110 --> 00:07:17,919
doing some observations i saw a huge

163
00:07:22,790 --> 00:07:21,120

huge uh spherical white

164

00:07:24,150 --> 00:07:22,800

light moving

165

00:07:25,270 --> 00:07:24,160

uh in

166

00:07:26,070 --> 00:07:25,280

maybe

167

00:07:29,189 --> 00:07:26,080

uh

168

00:07:31,189 --> 00:07:29,199

a thousand feet from me

169

00:07:33,749 --> 00:07:31,199

it was very very big

170

00:07:35,749 --> 00:07:33,759

uh the light didn't affect my eyes which

171

00:07:36,790 --> 00:07:35,759

was very strange because it was so

172

00:07:39,270 --> 00:07:36,800

intense

173

00:07:41,589 --> 00:07:39,280

uh but the radiation didn't affect my my

174

00:07:44,869 --> 00:07:41,599

eyes i could see i could stare at it

175

00:07:46,309 --> 00:07:44,879

without uh any in any physiological

176
00:07:49,510 --> 00:07:46,319
effects

177
00:07:52,150 --> 00:07:49,520
and a lot of minutes that light was like

178
00:07:54,070 --> 00:07:52,160
investigating some some it's not in the

179
00:07:56,469 --> 00:07:54,080
sky the events there don't happen in the

180
00:07:59,830 --> 00:07:56,479
sky david's there happened in the ground

181
00:08:01,830 --> 00:07:59,840
near the hills near the trees uh there

182
00:08:04,070 --> 00:08:01,840
you don't even need to look to the sky

183
00:08:04,790 --> 00:08:04,080
because the events are there near from

184
00:08:06,469 --> 00:08:04,800
us

185
00:08:08,309 --> 00:08:06,479
near the ground so

186
00:08:10,950 --> 00:08:08,319
and this big light was like

187
00:08:13,270 --> 00:08:10,960
investigating that place

188
00:08:14,390 --> 00:08:13,280

five to ten minutes pass it nothing more

189

00:08:17,830 --> 00:08:14,400

happened

190

00:08:20,790 --> 00:08:17,840

and and some a little light a little

191

00:08:22,869 --> 00:08:20,800

white light maybe

192

00:08:24,390 --> 00:08:22,879

10 inches

193

00:08:27,749 --> 00:08:24,400

and maybe one feet

194

00:08:29,110 --> 00:08:27,759

and one feet uh a half meter because in

195

00:08:31,110 --> 00:08:29,120

brazil you use meters so i have to

196

00:08:34,149 --> 00:08:31,120

convert the the units yeah sometimes so

197

00:08:37,350 --> 00:08:34,159

i get creative with that but uh uh is in

198

00:08:40,790 --> 00:08:37,360

brazil a half meter uh spherical object

199

00:08:43,029 --> 00:08:40,800

white object that came behind me

200

00:08:44,310 --> 00:08:43,039

one meter to two meters from me of

201
00:08:46,949 --> 00:08:44,320
distance

202
00:08:48,949 --> 00:08:46,959
this white light came behind me and pass

203
00:08:52,230 --> 00:08:48,959
it in front of me is

204
00:08:54,630 --> 00:08:52,240
the movement was very headachely

205
00:08:55,990 --> 00:08:54,640
again very intense but did not affect my

206
00:08:56,870 --> 00:08:56,000
eyes

207
00:08:59,190 --> 00:08:56,880
and

208
00:09:00,949 --> 00:08:59,200
that moment i was very very scared i was

209
00:09:02,790 --> 00:09:00,959
with my ex-wife

210
00:09:03,910 --> 00:09:02,800
and it was very scary because what was

211
00:09:06,310 --> 00:09:03,920
so close

212
00:09:09,350 --> 00:09:06,320
and i got my cell phone and turned it on

213
00:09:10,870 --> 00:09:09,360

the flashlight and in in

214

00:09:13,430 --> 00:09:10,880

put in the direction of that light my

215

00:09:15,750 --> 00:09:13,440

flashlight and in that moment this

216

00:09:17,590 --> 00:09:15,760

little light and this big light everyone

217

00:09:19,990 --> 00:09:17,600

has gone simply gone

218

00:09:21,590 --> 00:09:20,000

so in that moment i i said oh my god

219

00:09:22,470 --> 00:09:21,600

what what happened in

220

00:09:25,430 --> 00:09:22,480

uh

221

00:09:27,910 --> 00:09:25,440

and i visit these places

222

00:09:30,630 --> 00:09:27,920

i started to do a real real research

223

00:09:31,590 --> 00:09:30,640

there after this event

224

00:09:34,710 --> 00:09:31,600

uh

225

00:09:37,590 --> 00:09:34,720

every i i visit this place every month

226

00:09:39,910 --> 00:09:37,600

since 2018 to these days even the

227

00:09:42,150 --> 00:09:39,920

pandemic i was visiting there

228

00:09:45,590 --> 00:09:42,160

and seeing more and more phenomena what

229

00:09:48,710 --> 00:09:46,790

what's the direction that the

230

00:09:51,509 --> 00:09:48,720

researchers there and these hot spots

231

00:09:54,470 --> 00:09:51,519

going it's very very close

232

00:09:56,389 --> 00:09:54,480

what we some not all the things we saw

233

00:09:58,790 --> 00:09:56,399

in the skywalker range

234

00:10:01,750 --> 00:09:58,800

but a lot of events that happens in ski

235

00:10:04,310 --> 00:10:01,760

rocker range we see also in this place

236

00:10:05,750 --> 00:10:04,320

in brazil the the very going english the

237

00:10:07,829 --> 00:10:05,760

beauty hue

238

00:10:09,030 --> 00:10:07,839

we are selling shadow people

239

00:10:10,870 --> 00:10:09,040

uh

240

00:10:12,949 --> 00:10:10,880

big big big

241

00:10:13,910 --> 00:10:12,959

three meters to five meters humanoid

242

00:10:16,870 --> 00:10:13,920

figures

243

00:10:19,990 --> 00:10:16,880

uh shadow or black of solid and that

244

00:10:21,190 --> 00:10:20,000

they can fly then they can

245

00:10:23,670 --> 00:10:21,200

[Music]

246

00:10:26,310 --> 00:10:23,680

they can change shape shift shape

247

00:10:30,870 --> 00:10:26,320

and i saw with my eyes i have a

248

00:10:32,470 --> 00:10:30,880

recording about that not a optical zoom

249

00:10:35,829 --> 00:10:32,480

affordable recording but the same

250

00:10:38,470 --> 00:10:35,839

professional camera as sony recorded

251

00:10:41,110 --> 00:10:38,480

and this is one thing another thing is

252

00:10:43,110 --> 00:10:41,120

that place has a cross installed in the

253

00:10:45,750 --> 00:10:43,120

top of the hill

254

00:10:48,230 --> 00:10:45,760

and it's a big cross it's a

255

00:10:50,230 --> 00:10:48,240

13 meter cross of height

256

00:10:52,310 --> 00:10:50,240

and this phenomenon we don't know why

257

00:10:55,030 --> 00:10:52,320

but these phenomenas lights phenomena

258

00:10:55,990 --> 00:10:55,040

these beings are attracted by this big

259

00:10:58,310 --> 00:10:56,000

cross

260

00:11:01,670 --> 00:10:58,320

it's something starting to to to

261

00:11:03,990 --> 00:11:01,680

question uh the the catholic church and

262

00:11:07,269 --> 00:11:04,000

the religious

263

00:11:09,430 --> 00:11:07,279

are use the cross symbol because

264

00:11:12,470 --> 00:11:09,440

this cross they know that attracts these

265

00:11:14,470 --> 00:11:12,480

angels which is i mean the lights

266

00:11:16,949 --> 00:11:14,480

are are something different and it's

267

00:11:19,110 --> 00:11:16,959

we're starting to to come to

268

00:11:21,750 --> 00:11:19,120

this direction of research about these

269

00:11:24,150 --> 00:11:21,760

beings about these lights and current

270

00:11:27,030 --> 00:11:24,160

right now you can see my

271

00:11:29,430 --> 00:11:27,040

my board white white board behind me i'm

272

00:11:32,389 --> 00:11:29,440

i'm doing a huge project of monitoring

273

00:11:35,750 --> 00:11:32,399

we have a lot of solar panels antennas

274

00:11:38,630 --> 00:11:35,760

cameras with with big optical zoom

275

00:11:40,949 --> 00:11:38,640

all types of cameras all sky cameras ptz

276
00:11:43,350 --> 00:11:40,959
cameras and so on to monitor this event

277
00:11:46,389 --> 00:11:43,360
and everything will be started in 20 for

278
00:11:48,630 --> 00:11:46,399
june 24 which the the the

279
00:11:51,750 --> 00:11:48,640
the day we are being in senate is

280
00:11:53,030 --> 00:11:51,760
something like uh let's let's let's uh

281
00:11:55,430 --> 00:11:53,040
uh

282
00:11:58,550 --> 00:11:55,440
start this big project instead in that

283
00:12:00,949 --> 00:11:58,560
big big big data that's the the uap here

284
00:12:03,430 --> 00:12:00,959
in brazil so this is this is something a

285
00:12:05,350 --> 00:12:03,440
little a little sample of what i'm

286
00:12:08,150 --> 00:12:05,360
working right now here

287
00:12:10,710 --> 00:12:08,160
and what what i have experience have had

288
00:12:12,230 --> 00:12:10,720

experience in in the past

289

00:12:14,310 --> 00:12:12,240

thank you for sharing that's a

290

00:12:17,990 --> 00:12:14,320

fascinating experience and i just want

291

00:12:21,190 --> 00:12:18,000

to ask one thing coming so close to to

292

00:12:23,910 --> 00:12:21,200

this object did you suffer any ill

293

00:12:26,150 --> 00:12:23,920

effects any medical issues afterwards

294

00:12:28,069 --> 00:12:26,160

because we hear that people when they

295

00:12:31,030 --> 00:12:28,079

have experiences with these types of

296

00:12:32,870 --> 00:12:31,040

orbs or spherical objects can suffer

297

00:12:35,590 --> 00:12:32,880

from sickness did you or your ex-wife

298

00:12:38,870 --> 00:12:35,600

suffer from anything

299

00:12:41,990 --> 00:12:38,880

yes i think we have a little difference

300

00:12:45,350 --> 00:12:42,000

that i can i cannot explain i just can't

301
00:12:47,910 --> 00:12:45,360
hypothetically uh talk about that i

302
00:12:49,990 --> 00:12:47,920
think we have a technological device

303
00:12:52,710 --> 00:12:50,000
which emanating a lot of radiation

304
00:12:56,150 --> 00:12:52,720
electromagnetic radiation

305
00:12:58,230 --> 00:12:56,160
infrared radiation ultraviolet ionizing

306
00:13:01,190 --> 00:12:58,240
radiation and these technological

307
00:13:03,990 --> 00:13:01,200
devices affect us really hard

308
00:13:07,030 --> 00:13:04,000
with headaches with with cancer and so

309
00:13:09,269 --> 00:13:07,040
on but in this in this hot spot in

310
00:13:11,190 --> 00:13:09,279
brazil what i'm noticing what the

311
00:13:11,990 --> 00:13:11,200
researching is going to the direction

312
00:13:15,269 --> 00:13:12,000
that

313
00:13:17,590 --> 00:13:15,279

these are like uh i don't know if it is

314

00:13:19,990 --> 00:13:17,600

in fact that but it's something like

315

00:13:22,470 --> 00:13:20,000

another reality or another dementia and

316

00:13:25,829 --> 00:13:22,480

other interdimensional beings

317

00:13:28,389 --> 00:13:25,839

because these objects don't don't

318

00:13:31,030 --> 00:13:28,399

don't don't don't seem to interact

319

00:13:33,110 --> 00:13:31,040

physically for a world we can see as a

320

00:13:35,990 --> 00:13:33,120

light we can see these beings but

321

00:13:38,949 --> 00:13:36,000

sometimes these lights transverse

322

00:13:40,629 --> 00:13:38,959

through our body without affect anything

323

00:13:43,110 --> 00:13:40,639

don't have a noise

324

00:13:45,910 --> 00:13:43,120

don't affect our eyes so it's something

325

00:13:48,389 --> 00:13:45,920

that is there we can see but not

326

00:13:51,670 --> 00:13:48,399

interact with our reality that does not

327

00:13:54,150 --> 00:13:51,680

interact your physical world so this is

328

00:13:56,790 --> 00:13:54,160

this is something another

329

00:13:59,030 --> 00:13:56,800

type of phenomena i could i could

330

00:14:01,110 --> 00:13:59,040

i could point this phenomena in

331

00:14:03,990 --> 00:14:01,120

indigenous tribes in brazil

332

00:14:06,790 --> 00:14:04,000

and colada's operational saucer all all

333

00:14:08,150 --> 00:14:06,800

of them are technological devices are

334

00:14:10,870 --> 00:14:08,160

are

335

00:14:13,910 --> 00:14:10,880

vehicles aero vehicles that can

336

00:14:16,550 --> 00:14:13,920

perform uh physically like almost

337

00:14:17,990 --> 00:14:16,560

impossible and they affect people

338

00:14:23,030 --> 00:14:18,000

they they

339

00:14:24,069 --> 00:14:23,040

these people it has headaches reddish

340

00:14:26,069 --> 00:14:24,079

fish

341

00:14:27,910 --> 00:14:26,079

and and

342

00:14:30,069 --> 00:14:27,920

and so on all the other physiological

343

00:14:32,710 --> 00:14:30,079

effects that we know about the some a

344

00:14:34,790 --> 00:14:32,720

lot of uapk's so i think we're starting

345

00:14:36,870 --> 00:14:34,800

to to see two patterns here the the

346

00:14:38,389 --> 00:14:36,880

technological device and some like

347

00:14:39,750 --> 00:14:38,399

interdimensional something like that

348

00:14:41,269 --> 00:14:39,760

device

349

00:14:44,310 --> 00:14:41,279

or beings

350

00:14:46,949 --> 00:14:44,320

how are ufos seen are

351

00:14:49,430 --> 00:14:46,959

trapped as a subject in brazil

352

00:14:52,629 --> 00:14:49,440

south america as a continent seems much

353

00:14:54,629 --> 00:14:52,639

more open and accepting of phenomena and

354

00:14:57,430 --> 00:14:54,639

the spiritual side of life the

355

00:15:02,150 --> 00:14:57,440

paranormal and that's something else how

356

00:15:04,629 --> 00:15:02,160

is the topic of ufos seen in the public

357

00:15:05,829 --> 00:15:04,639

uh i think we are very open to that

358

00:15:06,949 --> 00:15:05,839

subject

359

00:15:09,829 --> 00:15:06,959

uh

360

00:15:12,230 --> 00:15:09,839

even the politics the military and some

361

00:15:13,269 --> 00:15:12,240

are more open than other countries about

362

00:15:14,310 --> 00:15:13,279

that

363

00:15:20,790 --> 00:15:14,320

uh

364

00:15:21,590 --> 00:15:20,800

religious people

365

00:15:24,069 --> 00:15:21,600

uh

366

00:15:26,150 --> 00:15:24,079

we have a lot of people that follows for

367

00:15:28,470 --> 00:15:26,160

example spiritualism and so on brazil

368

00:15:30,230 --> 00:15:28,480

spiritual is very very big in brazil so

369

00:15:32,470 --> 00:15:30,240

this is one reason that i think that

370

00:15:34,470 --> 00:15:32,480

people are more open about that and and

371

00:15:36,310 --> 00:15:34,480

we'll talk about the europeans and they

372

00:15:39,430 --> 00:15:36,320

are touching that

373

00:15:42,069 --> 00:15:39,440

spiritism religious facts because some

374

00:15:44,069 --> 00:15:42,079

politicians some senators some

375

00:15:46,949 --> 00:15:44,079

representatives here in brazil follow

376

00:15:48,230 --> 00:15:46,959

that religions and i think this i i

377

00:15:50,150 --> 00:15:48,240

don't i don't know if it's the best

378

00:15:52,310 --> 00:15:50,160

approach the religious approach i prefer

379

00:15:54,389 --> 00:15:52,320

the scientific approach but it's

380

00:15:57,829 --> 00:15:54,399

something that help us to be more open

381

00:16:00,150 --> 00:15:57,839

and to have more information about that

382

00:16:02,069 --> 00:16:00,160

over the last four or five years there's

383

00:16:03,509 --> 00:16:02,079

been huge coverage especially in the

384

00:16:05,590 --> 00:16:03,519

united states

385

00:16:08,150 --> 00:16:05,600

since the the new york times article

386

00:16:10,629 --> 00:16:08,160

from leslie kane ralph blumenthal and

387

00:16:12,870 --> 00:16:10,639

helene cooper and pilots have come

388

00:16:15,509 --> 00:16:12,880

forward you've had david fravor on the

389

00:16:18,069 --> 00:16:15,519

joe rogan podcast and others we've had

390

00:16:21,590 --> 00:16:18,079

the uap task force report and just

391

00:16:23,670 --> 00:16:21,600

recently the hearings in u.s congress

392

00:16:27,110 --> 00:16:23,680

what has the media coverage been like in

393

00:16:28,550 --> 00:16:27,120

brazil of these events

394

00:16:30,710 --> 00:16:28,560

uh

395

00:16:32,790 --> 00:16:30,720

we didn't have at first

396

00:16:35,269 --> 00:16:32,800

a lot of attention

397

00:16:37,829 --> 00:16:35,279

in 2017 if i'm not

398

00:16:40,230 --> 00:16:37,839

if i'm aware

399

00:16:42,790 --> 00:16:40,240

but sometime with a delay a little delay

400

00:16:44,870 --> 00:16:42,800

how the media started to to in brazil we

401
00:16:46,949 --> 00:16:44,880
started to talk about it

402
00:16:49,430 --> 00:16:46,959
oh that was uh how the military are

403
00:16:52,629 --> 00:16:49,440
coming forward we have the uab task

404
00:16:55,590 --> 00:16:52,639
force we have some new legislation and

405
00:16:59,269 --> 00:16:55,600
fix some some kind of two years ago we

406
00:17:01,509 --> 00:16:59,279
have uh we had a huge huge covering of

407
00:17:03,990 --> 00:17:01,519
the media about in brazil about these

408
00:17:05,669 --> 00:17:04,000
events and and this is the reason i'm

409
00:17:08,309 --> 00:17:05,679
here talking with you the reason i'm

410
00:17:10,949 --> 00:17:08,319
here talk with you because u.s military

411
00:17:13,350 --> 00:17:10,959
was congress made us us of government

412
00:17:15,909 --> 00:17:13,360
officials and and the government by

413
00:17:18,870 --> 00:17:15,919

itself declared that this is something

414

00:17:21,270 --> 00:17:18,880

real so i'm i'm here very comfortable

415

00:17:23,350 --> 00:17:21,280

with this reduced stigma to talk about

416

00:17:25,029 --> 00:17:23,360

it because i here in brazil i work in

417

00:17:27,510 --> 00:17:25,039

the biggest oil company in brazil i have

418

00:17:28,870 --> 00:17:27,520

a career as an engineer here

419

00:17:31,270 --> 00:17:28,880

and i i

420

00:17:33,029 --> 00:17:31,280

in the past i was very afraid to to talk

421

00:17:34,950 --> 00:17:33,039

about the subject but because you know

422

00:17:37,510 --> 00:17:34,960

the consequence that we had in the past

423

00:17:39,029 --> 00:17:37,520

oh you're crazy you're you're you're

424

00:17:41,590 --> 00:17:39,039

talking this something this like

425

00:17:43,669 --> 00:17:41,600

conspiration theory

426

00:17:45,430 --> 00:17:43,679

and everything changed since then so my

427

00:17:47,750 --> 00:17:45,440

very i'm very comfortable right now to

428

00:17:49,750 --> 00:17:47,760

talk with you about that and this is the

429

00:17:52,150 --> 00:17:49,760

one of the main reasons beside my

430

00:17:54,630 --> 00:17:52,160

experience beside my work in the in this

431

00:17:58,390 --> 00:17:54,640

subject the main reasons i'm i can come

432

00:17:59,110 --> 00:17:58,400

forward and contribute with this subject

433

00:18:01,669 --> 00:17:59,120

so

434

00:18:04,070 --> 00:18:01,679

thank you tell the listeners ronnie

435

00:18:06,950 --> 00:18:04,080

how did the hearings come about what has

436

00:18:10,230 --> 00:18:06,960

happened in brazil that we are now weeks

437

00:18:12,070 --> 00:18:10,240

away from from massive worldwide you

438

00:18:14,310 --> 00:18:12,080

know news happening when these hearings

439

00:18:17,750 --> 00:18:14,320

take place

440

00:18:21,350 --> 00:18:17,760

yes the last year uh 2021

441

00:18:22,710 --> 00:18:21,360

uh i had i i created a plan

442

00:18:25,909 --> 00:18:22,720

to approach

443

00:18:26,950 --> 00:18:25,919

some military politicians scientists and

444

00:18:30,070 --> 00:18:26,960

so on

445

00:18:31,350 --> 00:18:30,080

i started to to to create it to write

446

00:18:34,549 --> 00:18:31,360

about it

447

00:18:37,350 --> 00:18:34,559

and i approached it

448

00:18:39,909 --> 00:18:37,360

which is uh i think the the the most

449

00:18:41,029 --> 00:18:39,919

known ufologist in brazil

450

00:18:43,029 --> 00:18:41,039

java

451
00:18:45,830 --> 00:18:43,039
is the representative of icer the

452
00:18:48,470 --> 00:18:45,840
organization that are trying to bring to

453
00:18:52,070 --> 00:18:48,480
the united nations this topic and i

454
00:18:53,830 --> 00:18:52,080
approached jeff i said oh java

455
00:18:56,470 --> 00:18:53,840
i have a plan

456
00:18:59,029 --> 00:18:56,480
i think we could do something like the

457
00:19:01,830 --> 00:18:59,039
u.s people are doing some lobby with

458
00:19:04,789 --> 00:19:01,840
some politics to bring that attention to

459
00:19:07,029 --> 00:19:04,799
them to have uap hearings to have new

460
00:19:10,150 --> 00:19:07,039
legislation to have a permanent body of

461
00:19:12,470 --> 00:19:10,160
investigation and so on and javier said

462
00:19:14,950 --> 00:19:12,480
oh honey this is very good

463
00:19:17,669 --> 00:19:14,960

and and i have uh i already have a

464

00:19:19,190 --> 00:19:17,679

contact in the brazilian senate

465

00:19:19,909 --> 00:19:19,200

that can help us

466

00:19:26,630 --> 00:19:19,919

so

467

00:19:28,630 --> 00:19:26,640

with that matter please call me and this

468

00:19:31,830 --> 00:19:28,640

is started the conversation i started to

469

00:19:34,310 --> 00:19:31,840

help him with some ideas and but this

470

00:19:36,789 --> 00:19:34,320

was something that he was he's the i

471

00:19:39,750 --> 00:19:36,799

think he jeff is the the

472

00:19:41,750 --> 00:19:39,760

the the real responsible to everything

473

00:19:44,150 --> 00:19:41,760

is happening you surely i'm helping i i

474

00:19:46,630 --> 00:19:44,160

i'm doing my piece of this

475

00:19:47,350 --> 00:19:46,640

in this this work but we have to

476
00:19:51,669 --> 00:19:47,360
to

477
00:19:54,070 --> 00:19:51,679
guy that started this thing

478
00:19:56,390 --> 00:19:54,080
even before i had approached it with

479
00:19:59,510 --> 00:19:56,400
this idea and the eduardo shiro is the

480
00:20:01,830 --> 00:19:59,520
senator that javier uh

481
00:20:03,750 --> 00:20:01,840
was talking about eduardo you know he is

482
00:20:04,950 --> 00:20:03,760
very spiritualized

483
00:20:07,270 --> 00:20:04,960
[Music]

484
00:20:09,669 --> 00:20:07,280
person he had some experience personal

485
00:20:12,149 --> 00:20:09,679
experiences in the past that approached

486
00:20:15,430 --> 00:20:12,159
him to the ufo phenomena

487
00:20:17,990 --> 00:20:15,440
and they they wanted to do this uap

488
00:20:20,549 --> 00:20:18,000

hearing before the pandemic so

489

00:20:24,149 --> 00:20:20,559

two years ago before 2020

490

00:20:25,029 --> 00:20:24,159

but the pandemic comes and they had to

491

00:20:27,750 --> 00:20:25,039

to

492

00:20:29,350 --> 00:20:27,760

put that plan in stand by and wait the

493

00:20:31,350 --> 00:20:29,360

pandemic

494

00:20:33,750 --> 00:20:31,360

because you know let's let's talk about

495

00:20:35,750 --> 00:20:33,760

european to have people dying with kobe

496

00:20:39,990 --> 00:20:35,760

it's not it's not okay but

497

00:20:42,470 --> 00:20:40,000

so we had to to to to postpone this this

498

00:20:46,070 --> 00:20:42,480

plan and now we're having the the

499

00:20:52,310 --> 00:20:49,230

what are the brazilian media's

500

00:20:54,390 --> 00:20:52,320

interpretations of the hearings are they

501
00:20:56,789 --> 00:20:54,400
positive about the hearings are they

502
00:20:59,990 --> 00:20:56,799
anxious what do they expect the hearings

503
00:21:02,149 --> 00:21:00,000
to contribute to the subject

504
00:21:05,830 --> 00:21:02,159
i think it's positive because the media

505
00:21:06,630 --> 00:21:05,840
is aware very very rare about that

506
00:21:09,190 --> 00:21:06,640
uh

507
00:21:12,149 --> 00:21:09,200
events in u.s about the europe here in

508
00:21:15,110 --> 00:21:12,159
us about the new legislation

509
00:21:16,390 --> 00:21:15,120
and the military and so on so this is

510
00:21:17,270 --> 00:21:16,400
the reason that

511
00:21:19,750 --> 00:21:17,280
uh

512
00:21:22,310 --> 00:21:19,760
dj is considering positive if you if you

513
00:21:25,909 --> 00:21:22,320

are if you are in another reality

514

00:21:27,990 --> 00:21:25,919

another scenario without this this

515

00:21:30,310 --> 00:21:28,000

confirmation about the us government i

516

00:21:31,669 --> 00:21:30,320

think you would be very negative because

517

00:21:33,430 --> 00:21:31,679

people always say oh you're

518

00:21:35,909 --> 00:21:33,440

investigating flying saucers when you

519

00:21:36,950 --> 00:21:35,919

have some very poor poor people in

520

00:21:38,950 --> 00:21:36,960

brazil

521

00:21:41,990 --> 00:21:38,960

we have some health problems health

522

00:21:44,070 --> 00:21:42,000

systems education and so on what about

523

00:21:46,070 --> 00:21:44,080

why you're talking about this subject we

524

00:21:48,390 --> 00:21:46,080

don't even know it's real but i think

525

00:21:51,510 --> 00:21:48,400

this time the the scenario is different

526

00:21:53,590 --> 00:21:51,520

the scenario is positive uh from people

527

00:21:56,149 --> 00:21:53,600

i really see some people very very

528

00:21:57,510 --> 00:21:56,159

skeptic because people are not informed

529

00:21:59,830 --> 00:21:57,520

what's happening

530

00:22:01,430 --> 00:21:59,840

but i think and people are saying oh we

531

00:22:03,270 --> 00:22:01,440

have health problems have education

532

00:22:05,909 --> 00:22:03,280

problems why what the hell are you

533

00:22:08,630 --> 00:22:05,919

discussing that but i think it's uh this

534

00:22:10,710 --> 00:22:08,640

is something like a wave people will

535

00:22:12,549 --> 00:22:10,720

start to become more more aware more

536

00:22:15,270 --> 00:22:12,559

more familiar and more and more informed

537

00:22:17,110 --> 00:22:15,280

about the subject uh with time i think

538

00:22:20,870 --> 00:22:17,120

it's a question of time but the media is

539

00:22:23,990 --> 00:22:20,880

is if us in that in that

540

00:22:27,029 --> 00:22:24,000

that issue and and some weeks ago the

541

00:22:29,270 --> 00:22:27,039

the biggest the biggest program sunday

542

00:22:31,830 --> 00:22:29,280

program sunday night program brazil it's

543

00:22:33,830 --> 00:22:31,840

like something like 60 minutes in u.s we

544

00:22:35,909 --> 00:22:33,840

call fantastico here in brazil and the

545

00:22:39,110 --> 00:22:35,919

fantastico

546

00:22:42,789 --> 00:22:39,120

did a very very good

547

00:22:45,350 --> 00:22:42,799

article in tv about a tv show about that

548

00:22:48,870 --> 00:22:45,360

and you it was very positive so i think

549

00:22:50,630 --> 00:22:48,880

it it the media is by our side

550

00:22:53,430 --> 00:22:50,640

that's great to hear there's a wave of

551
00:22:54,950 --> 00:22:53,440
momentum behind these hearings and the

552
00:22:57,750 --> 00:22:54,960
public are looking forward to it the

553
00:23:00,230 --> 00:22:57,760
media are being very positive

554
00:23:01,029 --> 00:23:00,240
what are the expectations that we will

555
00:23:03,510 --> 00:23:01,039
see

556
00:23:06,870 --> 00:23:03,520
at these hearings recently in the us

557
00:23:09,110 --> 00:23:06,880
hearings we saw some footage presented

558
00:23:11,029 --> 00:23:09,120
are we likely to get similar footage

559
00:23:13,350 --> 00:23:11,039
presented within the brazilian hearing

560
00:23:15,750 --> 00:23:13,360
as well

561
00:23:19,430 --> 00:23:15,760
i think we have some differences

562
00:23:22,549 --> 00:23:19,440
uh we will have military and government

563
00:23:25,029 --> 00:23:22,559

officials be invited but they won't talk

564

00:23:26,310 --> 00:23:25,039

this time they will just be observers

565

00:23:28,310 --> 00:23:26,320

okay

566

00:23:29,990 --> 00:23:28,320

they send it to us a lot of senators we

567

00:23:35,350 --> 00:23:30,000

have eight senators

568

00:23:38,149 --> 00:23:35,360

brazil that are interested in sponsoring

569

00:23:40,310 --> 00:23:38,159

this vp hearing we have eduardo and we

570

00:23:41,350 --> 00:23:40,320

have seven more okay

571

00:23:42,390 --> 00:23:41,360

uh

572

00:23:45,789 --> 00:23:42,400

but

573

00:23:51,029 --> 00:23:45,799

we have a lot of other senators that are

574

00:23:53,350 --> 00:23:51,039

expected skeptics are not familiar uh

575

00:23:55,669 --> 00:23:53,360

and they must be informed so the the

576

00:23:58,950 --> 00:23:55,679

main goal the main purpose of this vp

577

00:24:02,149 --> 00:23:58,960

hearing is to inform that other senators

578

00:24:05,350 --> 00:24:02,159

and bring them to our side so we can

579

00:24:07,909 --> 00:24:05,360

sure bring representatives congressmen

580

00:24:10,390 --> 00:24:07,919

approve legislation and so on so what

581

00:24:12,630 --> 00:24:10,400

you'll be showing that that you will be

582

00:24:15,909 --> 00:24:12,640

hearing here in brazil will bring some

583

00:24:17,750 --> 00:24:15,919

people with official documents like me

584

00:24:20,070 --> 00:24:17,760

like me like that investigated that

585

00:24:22,950 --> 00:24:20,080

these cases in

586

00:24:24,390 --> 00:24:22,960

indigenous tribes in brazil uh me

587

00:24:26,789 --> 00:24:24,400

personally i would talk about the

588

00:24:30,070 --> 00:24:26,799

official documentation that we have of

589

00:24:32,950 --> 00:24:30,080

operation saucer collars and so on

590

00:24:35,350 --> 00:24:32,960

that affected fisherman villages

591

00:24:37,190 --> 00:24:35,360

uh i'll talk about concrete case this

592

00:24:39,350 --> 00:24:37,200

case in this case in inaccuracy in

593

00:24:41,190 --> 00:24:39,360

brazil in north of brazil affecting

594

00:24:41,990 --> 00:24:41,200

indigenous tribes

595

00:24:45,510 --> 00:24:42,000

uh

596

00:24:48,870 --> 00:24:45,520

to to to to become to to become people

597

00:24:51,830 --> 00:24:48,880

to become uh to turn the senators uh

598

00:24:53,669 --> 00:24:51,840

skeptic senators aware about this this

599

00:24:55,590 --> 00:24:53,679

stuff so they even know the

600

00:24:57,750 --> 00:24:55,600

documentation they even know the case

601
00:24:59,430 --> 00:24:57,760
they're not familiar with that i think

602
00:25:00,390 --> 00:24:59,440
the first step

603
00:25:09,269 --> 00:25:00,400
to

604
00:25:11,590 --> 00:25:09,279
new way behaviors and talk about

605
00:25:12,710 --> 00:25:11,600
legislations we have the

606
00:25:18,630 --> 00:25:12,720
the

607
00:25:19,909 --> 00:25:18,640
support of robert salas uh a former air

608
00:25:22,149 --> 00:25:19,919
force

609
00:25:25,269 --> 00:25:22,159
officer from from us

610
00:25:26,950 --> 00:25:25,279
we have gary hessentine from icer

611
00:25:29,830 --> 00:25:26,960
representing uk

612
00:25:32,310 --> 00:25:29,840
we have the louisiana zondo not physical

613
00:25:37,190 --> 00:25:32,320

there but he promised to send a

614

00:25:40,310 --> 00:25:37,200

recording to that uh to that event uh if

615

00:25:42,149 --> 00:25:40,320

a little brief i think he he won't

616

00:25:44,789 --> 00:25:42,159

be able to talk about anything that

617

00:25:46,789 --> 00:25:44,799

breaks his neda as we know but

618

00:25:48,549 --> 00:25:46,799

it's important for that because we have

619

00:25:51,510 --> 00:25:48,559

some senators we have some congressmen

620

00:25:53,750 --> 00:25:51,520

that even know who is alexander so it's

621

00:25:56,789 --> 00:25:53,760

important to to have him say oh he's a

622

00:25:59,750 --> 00:25:56,799

former director of ufo program in

623

00:26:02,870 --> 00:25:59,760

uap program in u.s uh

624

00:26:04,950 --> 00:26:02,880

so it's it's it's like i said a baseline

625

00:26:06,310 --> 00:26:04,960

to to bring them familiar with this

626
00:26:08,070 --> 00:26:06,320
topic we have another researchers in

627
00:26:11,669 --> 00:26:08,080
brazil talk about the official way for

628
00:26:14,470 --> 00:26:11,679
night we have java and so on so it's as

629
00:26:16,789 --> 00:26:14,480
i said it's a baseline for us to move

630
00:26:19,750 --> 00:26:16,799
forward to bring it their attention to

631
00:26:19,760 --> 00:26:22,549
and i think and

632
00:26:28,149 --> 00:26:26,070
i think the the well the positive

633
00:26:31,110 --> 00:26:28,159
is because we have the official

634
00:26:34,549 --> 00:26:31,120
documentation and that documentation is

635
00:26:36,630 --> 00:26:34,559
very very compelling because uh the

636
00:26:39,190 --> 00:26:36,640
documentation says that our military has

637
00:26:42,149 --> 00:26:39,200
affected our military tracked and tried

638
00:26:45,350 --> 00:26:42,159

to pursue that objects our fishermen our

639

00:26:47,430 --> 00:26:45,360

indigenous tribes was affected uh and

640

00:26:49,909 --> 00:26:47,440

all documentation so you need to have a

641

00:26:52,630 --> 00:26:49,919

huge huge huge weight

642

00:26:54,950 --> 00:26:52,640

for them to to bring that

643

00:26:57,110 --> 00:26:54,960

some people say i will bring in vagina

644

00:26:58,310 --> 00:26:57,120

we have a big problem with pajamas

645

00:27:00,470 --> 00:26:58,320

because

646

00:27:02,549 --> 00:27:00,480

we don't have the military didn't issue

647

00:27:04,870 --> 00:27:02,559

any documentation about banji

648

00:27:08,230 --> 00:27:04,880

so we have a lot of military that

649

00:27:09,669 --> 00:27:08,240

testimony in a in a condition of

650

00:27:10,710 --> 00:27:09,679

anonymous

651
00:27:12,390 --> 00:27:10,720
uh

652
00:27:15,430 --> 00:27:12,400
we have um

653
00:27:17,590 --> 00:27:15,440
doctors from the hospital nurses as you

654
00:27:20,870 --> 00:27:17,600
can you you'll be more aware about it in

655
00:27:23,909 --> 00:27:20,880
the first contact the the documentary

656
00:27:26,070 --> 00:27:23,919
about the the the vagina that james

657
00:27:28,870 --> 00:27:26,080
foxes is producing and the interview

658
00:27:31,190 --> 00:27:28,880
issued and but the the main reason don't

659
00:27:33,190 --> 00:27:31,200
talk about vagina right now in this way

660
00:27:35,350 --> 00:27:33,200
if you hear it is because we don't have

661
00:27:36,950 --> 00:27:35,360
official documentation so people can

662
00:27:39,750 --> 00:27:36,960
contest oh you're talking about

663
00:27:42,870 --> 00:27:39,760

something that the government didn't uh

664

00:27:45,909 --> 00:27:42,880

officially uh accepted yet what we are

665

00:27:49,350 --> 00:27:45,919

planning is is important to talk

666

00:27:51,669 --> 00:27:49,360

is that for a next vp hearing for the

667

00:27:54,149 --> 00:27:51,679

next event for a second europe here in

668

00:27:56,470 --> 00:27:54,159

brazil bring the military bring the

669

00:27:58,230 --> 00:27:56,480

people that persist participated for

670

00:28:00,549 --> 00:27:58,240

example in virginia

671

00:28:03,990 --> 00:28:00,559

logically you have to do to to have

672

00:28:06,230 --> 00:28:04,000

something like a immunity deal with them

673

00:28:09,110 --> 00:28:06,240

because some of them could sign it some

674

00:28:10,070 --> 00:28:09,120

no disclosure agreements and so on

675

00:28:14,950 --> 00:28:10,080

uh

676

00:28:16,470 --> 00:28:14,960

this is not a disclosure european it's

677

00:28:18,549 --> 00:28:16,480

important to say that some people have

678

00:28:20,149 --> 00:28:18,559

that expectation this is not a

679

00:28:22,470 --> 00:28:20,159

disclosure european

680

00:28:24,389 --> 00:28:22,480

this is a baseline the second the third

681

00:28:26,789 --> 00:28:24,399

will be hearing we can have some

682

00:28:28,549 --> 00:28:26,799

disclosure

683

00:28:31,269 --> 00:28:28,559

that i was going to ask in that

684

00:28:33,430 --> 00:28:31,279

documentary moment of contact is is due

685

00:28:35,110 --> 00:28:33,440

out um in the coming months james fox

686

00:28:36,710 --> 00:28:35,120

will release a date for that very soon

687

00:28:38,950 --> 00:28:36,720

so i'm looking forward to seeing that

688

00:28:40,710 --> 00:28:38,960

and more about that case so thank you

689

00:28:42,950 --> 00:28:40,720

for mentioning that

690

00:28:44,549 --> 00:28:42,960

what do you think the the senate and the

691

00:28:47,909 --> 00:28:44,559

brazilian parliament

692

00:28:50,470 --> 00:28:47,919

can learn from the us hearings because a

693

00:28:54,230 --> 00:28:50,480

lot of people weren't happy with the how

694

00:28:55,990 --> 00:28:54,240

the how badly prepared moultrie and bray

695

00:28:58,070 --> 00:28:56,000

were at the us hearings they weren't

696

00:28:59,830 --> 00:28:58,080

happy with some of the questions they

697

00:29:02,230 --> 00:28:59,840

weren't happy with the poor choice of

698

00:29:04,470 --> 00:29:02,240

footage what can be learned that helped

699

00:29:07,350 --> 00:29:04,480

the brazilian senators

700

00:29:12,950 --> 00:29:09,269

i think the

701
00:29:15,029 --> 00:29:12,960
you as you as you said well uh

702
00:29:17,750 --> 00:29:15,039
it doesn't it doesn't

703
00:29:20,230 --> 00:29:17,760
have any any effect

704
00:29:22,710 --> 00:29:20,240
any effectiveness to bring these people

705
00:29:24,630 --> 00:29:22,720
to bring this motor and bray

706
00:29:26,549 --> 00:29:24,640
we have the motors embraced in brazil

707
00:29:28,470 --> 00:29:26,559
logically but we don't have any

708
00:29:29,350 --> 00:29:28,480
effectiveness about it because these

709
00:29:33,669 --> 00:29:29,360
people

710
00:29:35,990 --> 00:29:33,679
uh

711
00:29:37,990 --> 00:29:36,000
so i think what we can learn about the

712
00:29:40,310 --> 00:29:38,000
the us hearings is that we need some

713
00:29:42,630 --> 00:29:40,320

legislation we need some some

714

00:29:44,230 --> 00:29:42,640

dispositives and something some

715

00:29:47,110 --> 00:29:44,240

mechanisms to

716

00:29:47,909 --> 00:29:47,120

to to help these people to to talk about

717

00:29:53,669 --> 00:29:47,919

that

718

00:29:54,710 --> 00:29:53,679

this i think is what we learned with

719

00:29:59,190 --> 00:29:54,720

that

720

00:30:02,070 --> 00:29:59,200

we we we can

721

00:30:04,149 --> 00:30:02,080

talk any anything new uh we bring the

722

00:30:06,710 --> 00:30:04,159

attention of the media we bring the

723

00:30:09,029 --> 00:30:06,720

attention of the people uh i was our

724

00:30:11,510 --> 00:30:09,039

hours watching this this will be hearing

725

00:30:13,990 --> 00:30:11,520

again and we have mastered half million

726

00:30:16,630 --> 00:30:14,000

of watches it's a huge it's huge i don't

727

00:30:19,190 --> 00:30:16,640

know if you have any anyway hearing in

728

00:30:21,029 --> 00:30:19,200

congress with this this amount of people

729

00:30:23,190 --> 00:30:21,039

watching so

730

00:30:25,830 --> 00:30:23,200

uh just bring attention just bring the

731

00:30:28,230 --> 00:30:25,840

scientists to to even not participate

732

00:30:29,909 --> 00:30:28,240

but to scratch their heads and say oh

733

00:30:32,630 --> 00:30:29,919

that is something onto that that we

734

00:30:34,950 --> 00:30:32,640

could investigate so i think it's it's

735

00:30:37,190 --> 00:30:34,960

it's positive even if you don't have any

736

00:30:38,870 --> 00:30:37,200

new revelation these events are very

737

00:30:40,549 --> 00:30:38,880

positive

738

00:30:43,590 --> 00:30:40,559

you're right that on that youtube

739

00:30:45,350 --> 00:30:43,600

channel for for congress i believe i'm

740

00:30:48,630 --> 00:30:45,360

i'm being very rough with my figures

741

00:30:51,110 --> 00:30:48,640

here normally around 50 to 100 people

742

00:30:54,310 --> 00:30:51,120

watch those live streams there were many

743

00:30:57,590 --> 00:30:54,320

thousand watching the us live stream uh

744

00:30:59,830 --> 00:30:57,600

of the uap hearings and like you say on

745

00:31:02,389 --> 00:30:59,840

that page the the video has over half a

746

00:31:04,870 --> 00:31:02,399

million views now which is many many

747

00:31:07,669 --> 00:31:04,880

many more than i think every other video

748

00:31:09,830 --> 00:31:07,679

on that page combined which is positive

749

00:31:11,909 --> 00:31:09,840

but i think it's fair to point out that

750

00:31:14,149 --> 00:31:11,919

i think eight million people watched

751
00:31:17,269 --> 00:31:14,159
amber heard and johnny depp's courtroom

752
00:31:18,950 --> 00:31:17,279
case so there's still a huge gulf

753
00:31:21,509 --> 00:31:18,960
and the mainstream public with an

754
00:31:23,590 --> 00:31:21,519
interest in the subject still

755
00:31:24,950 --> 00:31:23,600
not quite there that many of us would

756
00:31:26,149 --> 00:31:24,960
hope but

757
00:31:28,310 --> 00:31:26,159
like you say

758
00:31:30,789 --> 00:31:28,320
hearings like this in brazil and those

759
00:31:31,590 --> 00:31:30,799
that have happened in the us can only

760
00:31:33,190 --> 00:31:31,600
help

761
00:31:36,070 --> 00:31:33,200
raise that awareness and raise that

762
00:31:39,669 --> 00:31:36,080
mainstream platform i was going to ask

763
00:31:40,950 --> 00:31:39,679

is this uh event on the 24th of june

764

00:31:43,110 --> 00:31:40,960

going to be on

765

00:31:45,190 --> 00:31:43,120

youtube live can people watch this

766

00:31:47,430 --> 00:31:45,200

hearing

767

00:31:49,590 --> 00:31:47,440

yes we will have uh

768

00:31:50,870 --> 00:31:49,600

sanh tv that in brazil called te

769

00:31:51,669 --> 00:31:50,880

vecinado

770

00:31:56,310 --> 00:31:51,679

uh

771

00:31:58,710 --> 00:31:56,320

posted some some thinking twitter about

772

00:32:00,710 --> 00:31:58,720

that but everyone also another another

773

00:32:02,870 --> 00:32:00,720

when we have more closure to that data

774

00:32:04,470 --> 00:32:02,880

we announced that the link so people can

775

00:32:07,110 --> 00:32:04,480

enter and see

776

00:32:08,230 --> 00:32:07,120

probably we have this being transmitted

777

00:32:09,830 --> 00:32:08,240

live

778

00:32:13,029 --> 00:32:09,840

as we have

779

00:32:16,710 --> 00:32:13,039

uh people that from from uk people from

780

00:32:19,509 --> 00:32:16,720

us you have probably translators

781

00:32:22,470 --> 00:32:19,519

i don't know if you have translators

782

00:32:24,230 --> 00:32:22,480

in the live feed okay but probably you

783

00:32:26,310 --> 00:32:24,240

have it

784

00:32:29,509 --> 00:32:26,320

the the youtube has the

785

00:32:31,269 --> 00:32:29,519

the real-time translation is not perfect

786

00:32:33,830 --> 00:32:31,279

but it's good to understand so it can

787

00:32:36,070 --> 00:32:33,840

people can use it also but probably we

788

00:32:37,590 --> 00:32:36,080

have this being area live and people

789

00:32:40,549 --> 00:32:37,600

will

790

00:32:44,070 --> 00:32:40,559

know the

791

00:32:46,870 --> 00:32:44,080

the real the correct time yet maybe 10

792

00:32:47,909 --> 00:32:46,880

a.m and a 9 a.m we don't have time to

793

00:32:50,630 --> 00:32:47,919

finish

794

00:32:52,950 --> 00:32:50,640

uh we are we are discussing that it can

795

00:32:53,909 --> 00:32:52,960

be as long as four hours

796

00:32:57,110 --> 00:32:53,919

uh

797

00:32:59,269 --> 00:32:57,120

and this is what we are we are planning

798

00:33:01,590 --> 00:32:59,279

i think the closed captioning the

799

00:33:03,750 --> 00:33:01,600

subtitles on youtube when it's live like

800

00:33:05,830 --> 00:33:03,760

you see aren't perfect but i think

801
00:33:08,230 --> 00:33:05,840
they're okay and some listeners use

802
00:33:09,990 --> 00:33:08,240
those to listen to me so uh if it works

803
00:33:11,029 --> 00:33:10,000
for me i'm sure it'll work for for the

804
00:33:13,430 --> 00:33:11,039
brazilian

805
00:33:15,509 --> 00:33:13,440
the portuguese language as well

806
00:33:17,509 --> 00:33:15,519
i want to ask before we get to some

807
00:33:19,669 --> 00:33:17,519
listener questions ronnie

808
00:33:21,830 --> 00:33:19,679
do you think that you've sort of said

809
00:33:24,470 --> 00:33:21,840
already but there will be more hearings

810
00:33:26,710 --> 00:33:24,480
from this do you already expect there to

811
00:33:29,430 --> 00:33:26,720
be a second and third and potentially

812
00:33:32,950 --> 00:33:29,440
fourth follow-on hearing that this won't

813
00:33:34,710 --> 00:33:32,960

just be won and finished

814

00:33:37,430 --> 00:33:34,720

yes uh

815

00:33:41,070 --> 00:33:37,440

i think after this hearing

816

00:33:42,789 --> 00:33:41,080

the not only the senate but our

817

00:33:46,230 --> 00:33:42,799

representatives

818

00:33:48,310 --> 00:33:46,240

will be aware and more interested to to

819

00:33:51,350 --> 00:33:48,320

search about this topic

820

00:33:54,549 --> 00:33:51,360

uh and i think it's a very very big

821

00:33:56,070 --> 00:33:54,559

probability to to we have another second

822

00:33:58,470 --> 00:33:56,080

and third

823

00:34:00,470 --> 00:33:58,480

you're hearing this time bringing the

824

00:34:03,830 --> 00:34:00,480

government officials this time bring the

825

00:34:07,509 --> 00:34:03,840

military to talk about that and to bring

826
00:34:09,270 --> 00:34:07,519
to new information uh as i said

827
00:34:12,069 --> 00:34:09,280
we need some

828
00:34:15,190 --> 00:34:12,079
immunity mechanism to to avoid these

829
00:34:16,710 --> 00:34:15,200
people to to being uh come down and

830
00:34:18,069 --> 00:34:16,720
something like that

831
00:34:19,750 --> 00:34:18,079
but i think we

832
00:34:22,869 --> 00:34:19,760
the probability to have a second and

833
00:34:24,790 --> 00:34:22,879
third uap hearings not only senate but

834
00:34:28,069 --> 00:34:24,800
in in

835
00:34:29,510 --> 00:34:28,079
our representatives house uh it's it's

836
00:34:32,069 --> 00:34:29,520
it's almost a

837
00:34:33,990 --> 00:34:32,079
certainty okay

838
00:34:35,909 --> 00:34:34,000

ronnie i want to ask you a few listener

839

00:34:37,430 --> 00:34:35,919

questions if you don't mind uh because

840

00:34:39,669 --> 00:34:37,440

they'll cover some different topics that

841

00:34:41,589 --> 00:34:39,679

we've not managed to talk about yet a

842

00:34:43,589 --> 00:34:41,599

lot of interesting information thank you

843

00:34:44,950 --> 00:34:43,599

on the upcoming hearings and i

844

00:34:46,790 --> 00:34:44,960

definitely want to speak to you again

845

00:34:49,030 --> 00:34:46,800

about those hearings after they've

846

00:34:52,310 --> 00:34:49,040

happened so that would be fantastic

847

00:34:55,030 --> 00:34:52,320

um first question from ryan ryan asks

848

00:34:57,829 --> 00:34:55,040

what are the top three most convincing

849

00:35:01,430 --> 00:34:57,839

ufo cases in brazil that the world

850

00:35:05,510 --> 00:35:02,630

uh

851
00:35:07,349 --> 00:35:05,520
we have i think the most convincing is

852
00:35:08,710 --> 00:35:07,359
that once that we have official

853
00:35:09,910 --> 00:35:08,720
documentation

854
00:35:10,790 --> 00:35:09,920
okay

855
00:35:12,550 --> 00:35:10,800
uh

856
00:35:15,349 --> 00:35:12,560
the the the ones that we have

857
00:35:18,150 --> 00:35:15,359
documentation is operation saucer that

858
00:35:20,790 --> 00:35:18,160
was did by

859
00:35:23,990 --> 00:35:20,800
the brazilian air force in the 70s we

860
00:35:28,069 --> 00:35:24,000
have a lot of documentation about that

861
00:35:31,109 --> 00:35:28,079
we have the official ufo night in 1986

862
00:35:34,470 --> 00:35:31,119
where pilots of air force uh track and

863
00:35:37,109 --> 00:35:34,480

pursue the these 21 objects in our skies

864

00:35:39,190 --> 00:35:37,119

we have a lot of tapes of pilots talking

865

00:35:41,750 --> 00:35:39,200

about that with the air command

866

00:35:43,190 --> 00:35:41,760

controller and so on

867

00:35:46,150 --> 00:35:43,200

we had the

868

00:35:48,470 --> 00:35:46,160

that that that event that i think didn't

869

00:35:50,230 --> 00:35:48,480

happen in any any place i think only in

870

00:35:52,150 --> 00:35:50,240

belgium

871

00:35:54,150 --> 00:35:52,160

but nothing uh

872

00:35:56,069 --> 00:35:54,160

the the scale that happened in brazil

873

00:35:58,390 --> 00:35:56,079

this we had our

874

00:35:59,990 --> 00:35:58,400

minister of the the air force our

875

00:36:02,870 --> 00:36:00,000

commander of the air force we have all

876

00:36:05,510 --> 00:36:02,880

the pilots that was uh piloting that

877

00:36:08,069 --> 00:36:05,520

that that fighters at that night and

878

00:36:10,829 --> 00:36:08,079

every one of them in live tv talking

879

00:36:13,670 --> 00:36:10,839

about it openly so it was

880

00:36:15,030 --> 00:36:13,680

huge some people don't know about but

881

00:36:17,589 --> 00:36:15,040

it's happening

882

00:36:20,150 --> 00:36:17,599

a live a live a live event on tv with

883

00:36:22,710 --> 00:36:20,160

all these people talk about ufos no this

884

00:36:25,430 --> 00:36:22,720

was there it's a red big and what is

885

00:36:27,750 --> 00:36:25,440

trying to approach uh he

886

00:36:29,670 --> 00:36:27,760

did play it with me and so on and and

887

00:36:33,990 --> 00:36:29,680

pilots talking about opening what you're

888

00:36:36,310 --> 00:36:34,000

talking uh graves and and dietrich and

889

00:36:40,069 --> 00:36:36,320

so on are talking right now

890

00:36:42,230 --> 00:36:40,079

we had in 1986 in brazil uh and it was

891

00:36:44,870 --> 00:36:42,240

huge so this is the second one the third

892

00:36:47,109 --> 00:36:44,880

one i think it's the the akri case which

893

00:36:49,270 --> 00:36:47,119

decay that case in state of fact in

894

00:36:52,550 --> 00:36:49,280

brazil about the indigenous tribes

895

00:36:54,550 --> 00:36:52,560

uh as i said we have almost 200 pages

896

00:36:56,950 --> 00:36:54,560

and 20 minutes of videos about the

897

00:36:59,430 --> 00:36:56,960

federal police investigations

898

00:37:02,470 --> 00:36:59,440

and investigations uh uh

899

00:37:04,950 --> 00:37:02,480

also from the national engineer federal

900

00:37:06,829 --> 00:37:04,960

indigenous foundation from prosecutors

901
00:37:08,230 --> 00:37:06,839
federal service and so

902
00:37:09,990 --> 00:37:08,240
on uh

903
00:37:12,710 --> 00:37:10,000
so i think this is the three big case in

904
00:37:13,430 --> 00:37:12,720
brazil we have vagina

905
00:37:15,109 --> 00:37:13,440
but

906
00:37:17,030 --> 00:37:15,119
we don't have yet

907
00:37:18,950 --> 00:37:17,040
the documentation but what is incredible

908
00:37:20,470 --> 00:37:18,960
about vagina and

909
00:37:23,829 --> 00:37:20,480
and that we've seen that the commentary

910
00:37:26,950 --> 00:37:23,839
of james fox because a lot of military

911
00:37:28,710 --> 00:37:26,960
that participated in that operation to

912
00:37:31,030 --> 00:37:28,720
capture that being

913
00:37:33,030 --> 00:37:31,040

talked about that not

914

00:37:34,150 --> 00:37:33,040

appearing

915

00:37:37,030 --> 00:37:34,160

showing her

916

00:37:39,270 --> 00:37:37,040

their identity but talking about in

917

00:37:42,230 --> 00:37:39,280

video we have video of this military

918

00:37:44,390 --> 00:37:42,240

with this face identification talking

919

00:37:46,630 --> 00:37:44,400

about it not one military two military

920

00:37:49,510 --> 00:37:46,640

we have a lot of military uh talking

921

00:37:51,750 --> 00:37:49,520

about that we have a lot of population

922

00:37:54,950 --> 00:37:51,760

people from that seed that saw that we

923

00:37:57,910 --> 00:37:54,960

have doctor people from hospital and so

924

00:37:59,270 --> 00:37:57,920

on so the number of of witnesses

925

00:38:00,710 --> 00:37:59,280

is very huge

926
00:38:03,349 --> 00:38:00,720
and the

927
00:38:05,420 --> 00:38:03,359
the story that all these people that

928
00:38:06,470 --> 00:38:05,430
didn't know each other uh

929
00:38:09,589 --> 00:38:06,480
[Music]

930
00:38:11,270 --> 00:38:09,599
tell us they are compatible so

931
00:38:14,150 --> 00:38:11,280
did this come in the direction that the

932
00:38:16,630 --> 00:38:14,160
event is was real and i hope that we can

933
00:38:18,870 --> 00:38:16,640
move forward to have this documentation

934
00:38:21,270 --> 00:38:18,880
and the military and the government talk

935
00:38:24,230 --> 00:38:21,280
about that and i think james fox and

936
00:38:27,829 --> 00:38:24,240
moment of contact documentary uh will

937
00:38:29,990 --> 00:38:27,839
will help us to to have that

938
00:38:32,310 --> 00:38:30,000

thank you for that the next question

939

00:38:34,390 --> 00:38:32,320

from mitchell mitchell mentions that

940

00:38:36,630 --> 00:38:34,400

you've talked about robert salas who

941

00:38:39,430 --> 00:38:36,640

will be testifying and speaking at the

942

00:38:41,829 --> 00:38:39,440

hearings he was an operator at malmstrom

943

00:38:43,829 --> 00:38:41,839

air force base during the famous uap

944

00:38:44,630 --> 00:38:43,839

incident that occurred there

945

00:38:46,950 --> 00:38:44,640

uh

946

00:38:49,510 --> 00:38:46,960

mitchell is excited to hear that robert

947

00:38:51,430 --> 00:38:49,520

salas will be part of the hearing but he

948

00:38:53,510 --> 00:38:51,440

wants to know why is the brazilian

949

00:38:56,390 --> 00:38:53,520

government calling on an american

950

00:38:58,470 --> 00:38:56,400

military veteran to testify what benefit

951
00:39:01,829 --> 00:38:58,480
is there that robert salas will be

952
00:39:04,390 --> 00:39:01,839
speaking at this event

953
00:39:06,470 --> 00:39:04,400
uh the benefit the the the

954
00:39:08,950 --> 00:39:06,480
what's the benefit of that i think we

955
00:39:10,950 --> 00:39:08,960
don't have uh uranus something like the

956
00:39:13,109 --> 00:39:10,960
commander euroland

957
00:39:16,310 --> 00:39:13,119
uh which was the the commander of the

958
00:39:18,790 --> 00:39:16,320
operation saucer that committed suicide

959
00:39:20,550 --> 00:39:18,800
in 1997

960
00:39:21,910 --> 00:39:20,560
and we don't have some people like that

961
00:39:24,710 --> 00:39:21,920
we don't have in brazil people like

962
00:39:25,750 --> 00:39:24,720
elizondo that participated in ufo

963
00:39:28,470 --> 00:39:25,760

program

964

00:39:30,550 --> 00:39:28,480

so i think bring these people

965

00:39:35,510 --> 00:39:30,560

this very very credible people like

966

00:39:37,510 --> 00:39:35,520

elizondo like uh salas to this event uh

967

00:39:41,030 --> 00:39:37,520

since we don't have this kind of people

968

00:39:42,790 --> 00:39:41,040

in brazil uh we will bring the attention

969

00:39:43,750 --> 00:39:42,800

of the of the

970

00:39:44,870 --> 00:39:43,760

the

971

00:39:46,790 --> 00:39:44,880

brazilian

972

00:39:48,310 --> 00:39:46,800

congress

973

00:39:50,950 --> 00:39:48,320

because of the credibility the

974

00:39:53,750 --> 00:39:50,960

credentials this the the

975

00:39:55,030 --> 00:39:53,760

the the the out of the story that we

976
00:39:58,310 --> 00:39:55,040
would tell

977
00:40:00,790 --> 00:39:58,320
there and people say well but silas

978
00:40:02,710 --> 00:40:00,800
everyone knows about known the the

979
00:40:04,710 --> 00:40:02,720
brazilian congressmen don't know about

980
00:40:06,950 --> 00:40:04,720
the star the people congress are not

981
00:40:08,470 --> 00:40:06,960
familiar with this topic the people of

982
00:40:10,230 --> 00:40:08,480
brazilian congress

983
00:40:12,950 --> 00:40:10,240
don't know how betsal has done of the

984
00:40:14,790 --> 00:40:12,960
master events incidents so i think

985
00:40:17,190 --> 00:40:14,800
they'll be very very shocking to to

986
00:40:20,150 --> 00:40:17,200
discover about that

987
00:40:23,190 --> 00:40:20,160
um you've mentioned the collars event

988
00:40:24,950 --> 00:40:23,200

several times and eli wants to know what

989

00:40:26,790 --> 00:40:24,960

are the chances that the brazilian

990

00:40:29,430 --> 00:40:26,800

military or brazilian government will

991

00:40:32,550 --> 00:40:29,440

release more information to the public

992

00:40:37,030 --> 00:40:35,589

yes just two people become more aware

993

00:40:38,550 --> 00:40:37,040

about this

994

00:40:40,710 --> 00:40:38,560

this incident

995

00:40:43,349 --> 00:40:40,720

we call coloradans because colors was

996

00:40:43,530 --> 00:40:43,359

the city uh that we had

997

00:40:44,950 --> 00:40:43,540

the

998

00:40:47,270 --> 00:40:44,960

[Music]

999

00:40:50,550 --> 00:40:47,280

the the the mo the the

1000

00:40:53,430 --> 00:40:50,560

the highest number of events but we have

1001
00:40:56,390 --> 00:40:53,440
the the this incidence of people being

1002
00:40:59,430 --> 00:40:56,400
affected by these these objects in at

1003
00:41:02,710 --> 00:40:59,440
least three states in brazil uh mainland

1004
00:41:05,349 --> 00:41:02,720
two marayan state and paradise state a

1005
00:41:07,910 --> 00:41:05,359
lot of cities they covered these

1006
00:41:11,270 --> 00:41:07,920
vehicles these objects covered almost

1007
00:41:14,150 --> 00:41:11,280
all the cities uh in a roads between

1008
00:41:16,390 --> 00:41:14,160
these two states it's an object that was

1009
00:41:19,270 --> 00:41:16,400
coming from the sea coming from the

1010
00:41:21,109 --> 00:41:19,280
rivers and using the rivers as a roads

1011
00:41:24,550 --> 00:41:21,119
to to do all this stuff

1012
00:41:25,910 --> 00:41:24,560
uh so the we call coladas but it is

1013
00:41:27,670 --> 00:41:25,920

important to people to be aware that

1014

00:41:30,550 --> 00:41:27,680

it's affected two states in brazil two

1015

00:41:33,109 --> 00:41:30,560

big states and a lot of cities almost

1016

00:41:35,829 --> 00:41:33,119

all the cities in the in the

1017

00:41:37,109 --> 00:41:35,839

the the along the sea the sea line the

1018

00:41:40,630 --> 00:41:37,119

seashore

1019

00:41:42,069 --> 00:41:40,640

and i think i think we know about uh uh

1020

00:41:44,150 --> 00:41:42,079

we know uh

1021

00:41:46,550 --> 00:41:44,160

thanks to twitter and yolanda which was

1022

00:41:50,790 --> 00:41:46,560

the commander of the operation uh that

1023

00:41:54,150 --> 00:41:50,800

we have very very compelling uh video

1024

00:41:55,589 --> 00:41:54,160

footage about these events we have uh

1025

00:41:58,230 --> 00:41:55,599

videos from

1026
00:42:00,950 --> 00:41:58,240
the a few meters from the from the ship

1027
00:42:04,630 --> 00:42:00,960
that air force personnel recorded it we

1028
00:42:07,990 --> 00:42:04,640
have this these flying saucers or uaps

1029
00:42:12,309 --> 00:42:08,000
going inside the river and getting out

1030
00:42:14,309 --> 00:42:12,319
the river uh we have some videos about a

1031
00:42:17,030 --> 00:42:14,319
huge uh

1032
00:42:17,990 --> 00:42:17,040
football uh uh

1033
00:42:19,190 --> 00:42:18,000
ball

1034
00:42:21,510 --> 00:42:19,200
shape

1035
00:42:23,829 --> 00:42:21,520
that was as huge as

1036
00:42:25,430 --> 00:42:23,839
three three hundred feet

1037
00:42:27,270 --> 00:42:25,440
in front of the military person now we

1038
00:42:29,270 --> 00:42:27,280

have that that movie

1039

00:42:32,230 --> 00:42:29,280

and i think that when we start the

1040

00:42:35,190 --> 00:42:32,240

conversations move to that immunity

1041

00:42:37,349 --> 00:42:35,200

mechanisms bring military and bring

1042

00:42:39,430 --> 00:42:37,359

people to the brazilian congress it will

1043

00:42:42,230 --> 00:42:39,440

have a very very good

1044

00:42:45,030 --> 00:42:42,240

probability to have this kind of videos

1045

00:42:48,470 --> 00:42:45,040

coming coming forward but we need the

1046

00:42:51,589 --> 00:42:48,480

congress to work and and provide all the

1047

00:42:53,270 --> 00:42:51,599

other all the positive scenarios to that

1048

00:42:55,750 --> 00:42:53,280

happen

1049

00:42:58,150 --> 00:42:55,760

is there going to be a classified and a

1050

00:43:00,069 --> 00:42:58,160

declassified section to these hearings

1051
00:43:02,069 --> 00:43:00,079
like in the us there was 90 minutes

1052
00:43:04,790 --> 00:43:02,079
which the public could hear but then

1053
00:43:07,030 --> 00:43:04,800
there was a further session after where

1054
00:43:11,109 --> 00:43:07,040
it was a classified section for those

1055
00:43:14,870 --> 00:43:13,750
no we don't have the that one because we

1056
00:43:18,069 --> 00:43:14,880
don't have

1057
00:43:20,550 --> 00:43:18,079
the military able to talk this time

1058
00:43:22,150 --> 00:43:20,560
but what i think is that you know

1059
00:43:24,150 --> 00:43:22,160
after this event

1060
00:43:27,829 --> 00:43:24,160
certainly the the congressman we

1061
00:43:29,829 --> 00:43:27,839
arranged to to hear from from from from

1062
00:43:31,270 --> 00:43:29,839
this military in closing sessions i

1063
00:43:33,670 --> 00:43:31,280

think it's something that will start to

1064

00:43:36,630 --> 00:43:33,680

happen here in brazil and this year we

1065

00:43:38,870 --> 00:43:36,640

will we will we'll start new will be

1066

00:43:42,230 --> 00:43:38,880

will be hearings and so on i think it

1067

00:43:45,030 --> 00:43:42,240

will happen here in brazil

1068

00:43:47,589 --> 00:43:45,040

and final listener question from dave

1069

00:43:50,150 --> 00:43:47,599

goes a little bit more speculative

1070

00:43:53,750 --> 00:43:50,160

and he wants to know uh there are

1071

00:43:55,990 --> 00:43:53,760

potential talks and hypotheses that just

1072

00:43:58,230 --> 00:43:56,000

off the coast of california san diego

1073

00:44:01,510 --> 00:43:58,240

where the tic tac event happened there

1074

00:44:04,230 --> 00:44:01,520

could be some sort of underwater base

1075

00:44:07,349 --> 00:44:04,240

where these ufos or uaps

1076

00:44:09,750 --> 00:44:07,359

can can stay or they they gather or they

1077

00:44:11,829 --> 00:44:09,760

they use as some sort of like i say base

1078

00:44:14,790 --> 00:44:11,839

do you think there are any potential

1079

00:44:17,510 --> 00:44:14,800

spots in brazil in some of the remote

1080

00:44:20,470 --> 00:44:17,520

parts of brazil or offshore where there

1081

00:44:22,550 --> 00:44:20,480

could be potential ufo or

1082

00:44:27,430 --> 00:44:22,560

alien bases

1083

00:44:29,030 --> 00:44:27,440

so so we can we can uh notice some two

1084

00:44:30,710 --> 00:44:29,040

two main types of the phenomenon in

1085

00:44:31,750 --> 00:44:30,720

brazil as i said in the beginning we

1086

00:44:36,309 --> 00:44:31,760

have

1087

00:44:38,710 --> 00:44:36,319

some like interdimensional phenomena

1088

00:44:42,630 --> 00:44:38,720

this is the dimensional phenomena uh

1089

00:44:45,829 --> 00:44:42,640

appears in in zones of we have big hills

1090

00:44:50,230 --> 00:44:45,839

some preserved ecosystems and so on

1091

00:44:53,829 --> 00:44:50,240

these technological devices appear

1092

00:44:56,230 --> 00:44:53,839

mainly near the amazon okay

1093

00:44:58,230 --> 00:44:56,240

but we have also in our shoreline here

1094

00:45:00,710 --> 00:44:58,240

in southeast for example in sao paulo we

1095

00:45:03,510 --> 00:45:00,720

have this this type of of vehicles

1096

00:45:04,790 --> 00:45:03,520

operating here in sao paulo and so on

1097

00:45:05,589 --> 00:45:04,800

from the sea

1098

00:45:08,950 --> 00:45:05,599

so

1099

00:45:10,790 --> 00:45:08,960

we we we we we know a lot of cases that

1100

00:45:12,470 --> 00:45:10,800

these objects come

1101

00:45:15,190 --> 00:45:12,480

and go to the sea

1102

00:45:16,950 --> 00:45:15,200

uh these objects navigate through the

1103

00:45:18,390 --> 00:45:16,960

rivers in amer in

1104

00:45:20,950 --> 00:45:18,400

amazon forest

1105

00:45:23,030 --> 00:45:20,960

and they come out of the river affect

1106

00:45:24,150 --> 00:45:23,040

people do all the job that they they

1107

00:45:27,270 --> 00:45:24,160

have to do

1108

00:45:29,270 --> 00:45:27,280

when people start to to complain about

1109

00:45:31,910 --> 00:45:29,280

that the government become aware start

1110

00:45:35,430 --> 00:45:31,920

to investigate this phenomenon gets the

1111

00:45:37,829 --> 00:45:35,440

river to the and go to the another city

1112

00:45:40,790 --> 00:45:37,839

and do the same thing and this continues

1113

00:45:42,950 --> 00:45:40,800

since the 70s we have that happening in

1114

00:45:44,390 --> 00:45:42,960

in office in brazil and not from brazil

1115

00:45:46,710 --> 00:45:44,400

in paradise

1116

00:45:48,950 --> 00:45:46,720

that state of the operation saucer this

1117

00:45:51,829 --> 00:45:48,960

thing was moving uh

1118

00:45:54,950 --> 00:45:51,839

to the to the west in the direction of

1119

00:45:58,069 --> 00:45:54,960

the the peru and so on

1120

00:46:01,430 --> 00:45:58,079

and we have that uh events happening in

1121

00:46:04,230 --> 00:46:01,440

yakri which is in brazil akri status for

1122

00:46:07,750 --> 00:46:04,240

people to know is in the border of peru

1123

00:46:10,470 --> 00:46:07,760

so and we had in 2000 these events

1124

00:46:12,950 --> 00:46:10,480

happening also in the in the peru the

1125

00:46:16,230 --> 00:46:12,960

country of peru in the same way

1126

00:46:19,349 --> 00:46:16,240

objects going uh coming from and in in

1127

00:46:21,829 --> 00:46:19,359

the water from the the the rivers from

1128

00:46:23,589 --> 00:46:21,839

the sea attacking people moving and so

1129

00:46:25,829 --> 00:46:23,599

on the same behavior

1130

00:46:29,270 --> 00:46:25,839

so this is this is how the the

1131

00:46:31,829 --> 00:46:29,280

phenomenal uh affects us here in our

1132

00:46:36,630 --> 00:46:34,390

it's fascinating conversation ronnie and

1133

00:46:38,630 --> 00:46:36,640

i really enjoyed speaking with you um

1134

00:46:41,030 --> 00:46:38,640

we've got a lot of information now about

1135

00:46:43,670 --> 00:46:41,040

what we can expect so people don't

1136

00:46:45,109 --> 00:46:43,680

expect too much from these hearings but

1137

00:46:47,829 --> 00:46:45,119

essentially we're going to get a really

1138

00:46:49,750 --> 00:46:47,839

interesting baseline to move forward and

1139

00:46:52,150 --> 00:46:49,760

build on that very similar to what we've

1140

00:46:54,470 --> 00:46:52,160

had in the us i just want to ask one

1141

00:46:56,870 --> 00:46:54,480

more time ronnie how can people follow

1142

00:46:58,309 --> 00:46:56,880

you online and also follow your work i

1143

00:46:59,990 --> 00:46:58,319

know you've got a youtube channel as

1144

00:47:02,390 --> 00:47:00,000

well

1145

00:47:04,790 --> 00:47:02,400

yes for the english speakers i recommend

1146

00:47:07,270 --> 00:47:04,800

the twitter because almost 90 percent

1147

00:47:10,550 --> 00:47:07,280

what i post in twitter is in english

1148

00:47:12,309 --> 00:47:10,560

it's a it's a form that i adopted to to

1149

00:47:14,309 --> 00:47:12,319

to talk with people from other countries

1150

00:47:16,630 --> 00:47:14,319

to expand to do more networking about

1151

00:47:19,750 --> 00:47:16,640

that and to share information

1152

00:47:23,190 --> 00:47:19,760

i have also my my instagram my youtube

1153

00:47:27,750 --> 00:47:23,200

channel and my and my my facebook but it

1154

00:47:29,589 --> 00:47:27,760

almost all the contacts is in

1155

00:47:31,990 --> 00:47:29,599

all the other stuff there all the

1156

00:47:33,829 --> 00:47:32,000

material is in portuguese is something

1157

00:47:36,870 --> 00:47:33,839

that i do from people from here but but

1158

00:47:39,829 --> 00:47:36,880

if people can can find me in all these

1159

00:47:41,990 --> 00:47:39,839

places just just type honey veneer in

1160

00:47:44,630 --> 00:47:42,000

all these these social media platforms

1161

00:47:46,309 --> 00:47:44,640

then you you will find me

1162

00:47:48,309 --> 00:47:46,319

i'll put all of those links in the

1163

00:47:50,069 --> 00:47:48,319

description for this show and bonnie

1164

00:47:51,750 --> 00:47:50,079

you'll have to come back on once the

1165

00:47:54,230 --> 00:47:51,760

hearings have been to talk about what

1166

00:47:55,829 --> 00:47:54,240

happened at the hearing

1167

00:47:58,150 --> 00:47:55,839

okay thank you very much erin thank you

1168

00:47:59,990 --> 00:47:58,160

for inviting me thank you for evidence

1169

00:48:02,390 --> 00:48:00,000

that will see this conversation i hope

1170

00:48:04,950 --> 00:48:02,400

you enjoyed sorry about my my accent my

1171

00:48:07,270 --> 00:48:04,960

brazilian accent english

1172

00:48:09,270 --> 00:48:07,280

but i think you can understand why what

1173

00:48:10,870 --> 00:48:09,280

i have to to say

1174

00:48:13,190 --> 00:48:10,880

your english was better than mine don't

1175

00:48:15,349 --> 00:48:13,200

worry that is all for this week's show

1176

00:48:17,349 --> 00:48:15,359

thank you very much for listening please

1177

00:48:19,990 --> 00:48:17,359

remember to leave the podcast to review

1178

00:48:22,309 --> 00:48:20,000

on your chosen platform you can like

1179

00:48:24,230 --> 00:48:22,319

retweet and subscribe that would all be

1180

00:48:26,390 --> 00:48:24,240

very much appreciated the shows are

1181

00:48:27,910 --> 00:48:26,400

being uploaded onto youtube as we speak

1182

00:48:30,470 --> 00:48:27,920

more and more you can sign up at

1183

00:48:33,190 --> 00:48:30,480

patreon.com forward slash that ufo

1184

00:48:35,349 --> 00:48:33,200

podcast access shows ad free as well

1185

00:48:38,230 --> 00:48:35,359

please get in touch on twitter facebook

1186

00:48:41,349 --> 00:48:38,240

instagram that ufo podcast of course on

1187

00:48:43,510 --> 00:48:41,359

twitter it's at ufouapam

1188

00:48:46,080 --> 00:48:43,520

and again folks as always keep looking

1189

00:49:00,870 --> 00:48:46,090

up you never know what you might see

1190

00:49:04,069 --> 00:49:02,150

like alice was playing face for the

1191

00:49:05,750 --> 00:49:04,079

parliament the little hovered

1192

00:49:15,040 --> 00:49:05,760

right inside of my window when i shoved

1193

00:49:15,050 --> 00:49:25,589

[Music]

1194

00:49:25,599 --> 00:49:43,430

upstairs

1195

00:49:47,870 --> 00:49:44,710

there was something on my head and

1196

00:50:01,920 --> 00:49:47,880

everything was weird and everything was

1197

00:50:21,750 --> 00:50:08,370

[Music]

1198

00:50:21,760 --> 00:50:25,790

for being serious

1199

00:50:52,150 --> 00:50:32,230

[Music]

1200

00:51:11,310 --> 00:50:52,829

it

1201

00:51:11,320 --> 00:51:26,710

[Music]

1202

00:51:26,720 --> 00:51:41,160

so
