1
00:00:04,150 --> 00:00:02,629
steve let me ask is people are going to

2
00:00:05,749 --> 00:00:04,160
be shouting at me if i don't ask this

3
00:00:07,349 --> 00:00:05,759
you mentioned just before that you

4
00:00:09,270 --> 00:00:07,359
you've seen

5
00:00:10,709 --> 00:00:09,280
alternative footage was that of the same

6
00:00:11,669 --> 00:00:10,719
tic tac event

7
00:00:13,990 --> 00:00:11,679
no

8
00:00:16,390 --> 00:00:14,000
i got independent footage from people on

9
00:00:19,269 --> 00:00:16,400
the coastline of the mexican shoreline

10
00:00:21,189 --> 00:00:19,279
yeah and uh ultra tic-tacs in-flight

11
00:00:23,509 --> 00:00:21,199
color beautiful color

12
00:00:25,109 --> 00:00:23,519
daylight beautiful

13
00:00:27,269 --> 00:00:25,119

why doesn't that

14

00:00:28,950 --> 00:00:27,279

why isn't it one online or why wouldn't

15

00:00:31,509 --> 00:00:28,960

you release that the second one i'm

16

00:00:33,430 --> 00:00:31,519

guessing is an obvious answer to

17

00:00:35,350 --> 00:00:33,440

yeah

18

00:00:37,430 --> 00:00:35,360

um i'm waiting for

19

00:00:40,069 --> 00:00:37,440

the other stuff i'm waiting for them to

20

00:00:41,910 --> 00:00:40,079

be to release it so i can match it up

21

00:00:44,069 --> 00:00:41,920

you know but i've got it and i've yeah

22

00:00:45,910 --> 00:00:44,079

i've shown it a couple of times on um in

23

00:00:47,910 --> 00:00:45,920

fact you might actually see it on on one

24

00:00:49,910 --> 00:00:47,920

of my presentations i have shown yeah

25

00:00:50,790 --> 00:00:49,920

yeah recorded by a friend of mine called

26

00:00:56,150 --> 00:00:50,800

uh

27

00:01:01,349 --> 00:00:59,670

um but um i've got color footage and i'm

28

00:01:03,029 --> 00:01:01,359

looking at this daylight footage it's

29

00:01:04,390 --> 00:01:03,039

not too far away it's pretty reasonably

30

00:01:06,469 --> 00:01:04,400

close

31

00:01:08,710 --> 00:01:06,479

and um and yeah i've got better stuff

32

00:01:10,630 --> 00:01:08,720

out there than than the than the navy

33

00:01:12,230 --> 00:01:10,640

are putting out you know so

34

00:01:14,469 --> 00:01:12,240

and i also know from the top from

35

00:01:17,429 --> 00:01:14,479

talking in circles with how put off
