STEVE MERA
AWAKENING EXPO/RESEARCHER

1
00:00:10,629 --> 00:00:03,830
hi this is sean cahill and you're

2
00:00:15,030 --> 00:00:13,030
hi everyone and welcome back to that ufo

3
00:00:16,710 --> 00:00:15,040
podcast my name is andy and i'm

4
00:00:19,109 --> 00:00:16,720
delighted to finally welcome on to the

5
00:00:21,109 --> 00:00:19,119
podcast with me uh keeping it in the uk

6
00:00:23,670 --> 00:00:21,119
for this show a respected investigative

7
00:00:25,750 --> 00:00:23,680
researcher in the uk and around the

8
00:00:28,310 --> 00:00:25,760
world with almost 40 years investigating

9
00:00:30,470 --> 00:00:28,320
a range of phenomena including ufos

10
00:00:32,549 --> 00:00:30,480
cryptids the paranormal and much much

11
00:00:34,709 --> 00:00:32,559
more owner of the popular phenomena

12
00:00:36,950 --> 00:00:34,719
magazine he is also owner of the

13
00:00:38,950 --> 00:00:36,960

awakening awakening expo which runs in

14

00:00:41,590 --> 00:00:38,960

blackpool this year from the 24th to the

15

00:00:43,670 --> 00:00:41,600

26th of june i will announce the winner

16

00:00:45,590 --> 00:00:43,680

of the two tickets being giving away uh

17

00:00:47,110 --> 00:00:45,600

given away later in today's show but

18

00:00:49,190 --> 00:00:47,120

thank you to everyone who entered that

19

00:00:51,750 --> 00:00:49,200

online before then i'd very much like to

20

00:00:53,350 --> 00:00:51,760

welcome mr steve mehra to the podcast

21

00:00:54,069 --> 00:00:53,360

oh thank you andy thanks for having me

22

00:00:55,590 --> 00:00:54,079

on

23

00:00:57,430 --> 00:00:55,600

it's good to finally speak to you the

24

00:00:58,709 --> 00:00:57,440

podcast's been going just over two years

25

00:01:00,950 --> 00:00:58,719

and there's been many times you've been

26
00:01:02,709 --> 00:01:00,960
requested as a guest are mentioned and

27
00:01:04,310 --> 00:01:02,719
uh i think i've been around like quite a

28
00:01:05,830 --> 00:01:04,320
bit of the uk so it's good to finally

29
00:01:07,830 --> 00:01:05,840
get to you and the timing works out

30
00:01:11,990 --> 00:01:07,840
fantastically well with the awakening

31
00:01:13,350 --> 00:01:12,000
coming up on the horizon as well

32
00:01:15,270 --> 00:01:13,360
before we get to awakening which we're

33
00:01:18,070 --> 00:01:15,280
going to talk about uh you've got a long

34
00:01:19,830 --> 00:01:18,080
illustrious uh storied career uh within

35
00:01:21,910 --> 00:01:19,840
the world of ufos and other phenomena

36
00:01:24,070 --> 00:01:21,920
and i want to talk about that first

37
00:01:26,469 --> 00:01:24,080
what was it that first attracted to you

38
00:01:27,830 --> 00:01:26,479

to this world of the unexplained uh i'm

39

00:01:30,710 --> 00:01:27,840

blaming me dad

40

00:01:33,109 --> 00:01:30,720

it's as simple as that it's easy to do

41

00:01:35,990 --> 00:01:33,119

he had um he had a load of books on the

42

00:01:37,749 --> 00:01:36,000

subject when i was young and uh i think

43

00:01:39,190 --> 00:01:37,759

when my friends were reading comics and

44

00:01:40,950 --> 00:01:39,200

stuff i was talking into eric von

45

00:01:43,670 --> 00:01:40,960

daniken and

46

00:01:45,270 --> 00:01:43,680

brad steiger books you know back then um

47

00:01:47,350 --> 00:01:45,280

and i was interested i was interested

48

00:01:49,670 --> 00:01:47,360

from a very young age

49

00:01:51,190 --> 00:01:49,680

um and then

50

00:01:54,789 --> 00:01:51,200

i just took it from there really my

51
00:01:57,590 --> 00:01:54,799
interest turned into a full-time job for

52
00:02:01,190 --> 00:01:57,600
40 years now so it's um

53
00:02:04,469 --> 00:02:02,789
i can appreciate that for me it was my

54
00:02:06,550 --> 00:02:04,479
gran she used to tell me all kinds of

55
00:02:08,630 --> 00:02:06,560
stories and she had them all kinds of

56
00:02:10,630 --> 00:02:08,640
library books that were 20 and 30 years

57
00:02:12,470 --> 00:02:10,640
overdue to go back i believe

58
00:02:14,550 --> 00:02:12,480
the philadelphia experiment was one of

59
00:02:16,150 --> 00:02:14,560
them all remember that was uh 16 years

60
00:02:18,550 --> 00:02:16,160
and counting at the time and that was 20

61
00:02:20,309 --> 00:02:18,560
years ago um and i remember going to the

62
00:02:21,750 --> 00:02:20,319
library and you would go to that mystery

63
00:02:24,070 --> 00:02:21,760

section or whatever it was and there was

64

00:02:26,229 --> 00:02:24,080

books on nessie and back then you could

65

00:02:27,830 --> 00:02:26,239

rent vhs for me and you could take the

66

00:02:30,949 --> 00:02:27,840

videos home and i used to watch all

67

00:02:33,509 --> 00:02:30,959

socks um no it's a it's a very strange

68

00:02:35,990 --> 00:02:33,519

feeling when i look back to

69

00:02:38,070 --> 00:02:36,000

those times when i was younger and

70

00:02:40,150 --> 00:02:38,080

looking at those books

71

00:02:41,509 --> 00:02:40,160

and and the videos that you could get at

72

00:02:43,670 --> 00:02:41,519

that time and

73

00:02:45,110 --> 00:02:43,680

and now like i can you know it's just

74

00:02:46,949 --> 00:02:45,120

strange to

75

00:02:48,309 --> 00:02:46,959

to say that i've met these people now

76
00:02:49,910 --> 00:02:48,319
and i've worked with these people you

77
00:02:51,910 --> 00:02:49,920
know bad stage steiger did before he

78
00:02:53,830 --> 00:02:51,920
passed away and then his wife

79
00:02:55,350 --> 00:02:53,840
uh still work about von danican

80
00:02:56,949 --> 00:02:55,360
regularly

81
00:02:58,949 --> 00:02:56,959
um and he said he said but he's a

82
00:03:00,869 --> 00:02:58,959
strange yeah i suppose you know that i

83
00:03:02,390 --> 00:03:00,879
would have never dreamt that you know

84
00:03:04,229 --> 00:03:02,400
when i first picked up those books i'm

85
00:03:06,470 --> 00:03:04,239
going to be working with so you know

86
00:03:08,229 --> 00:03:06,480
dealing with these people in the future

87
00:03:10,149 --> 00:03:08,239
it's just a strange event since you like

88
00:03:12,149 --> 00:03:10,159

i said the universe takes you away it

89

00:03:15,509 --> 00:03:12,159

wants to take you and

90

00:03:17,910 --> 00:03:15,519

all those doors opened for me um which

91

00:03:19,589 --> 00:03:17,920

was profound really and i just kind of

92

00:03:21,509 --> 00:03:19,599

followed the path

93

00:03:23,270 --> 00:03:21,519

on a very slight side note do you miss

94

00:03:26,149 --> 00:03:23,280

the physical media side of things like

95

00:03:28,550 --> 00:03:26,159

getting a book or getting a tape

96

00:03:30,470 --> 00:03:28,560

uh you know and holding something

97

00:03:32,710 --> 00:03:30,480

physical now it's all just online and

98

00:03:34,630 --> 00:03:32,720

it's maybe a bit less personal almost

99

00:03:36,869 --> 00:03:34,640

yeah it is i mean years ago i mean you

100

00:03:38,390 --> 00:03:36,879

know i had a large collection of vhs

101
00:03:40,390 --> 00:03:38,400

tapes

102
00:03:42,070 --> 00:03:40,400

and you could you know you ordered them

103
00:03:45,270 --> 00:03:42,080

you grabbed them when you can

104
00:03:48,229 --> 00:03:45,280

had a special dvd sorry video player

105
00:03:49,990 --> 00:03:48,239

play american tapes as well so i could

106
00:03:52,390 --> 00:03:50,000

purchase them overseas because there was

107
00:03:53,270 --> 00:03:52,400

more coming out of america in them days

108
00:03:56,229 --> 00:03:53,280

um

109
00:03:58,229 --> 00:03:56,239

yeah i mean my archive was huge you know

110
00:03:59,750 --> 00:03:58,239

over the years i've accumulated so much

111
00:04:01,110 --> 00:03:59,760

material

112
00:04:03,750 --> 00:04:01,120

and then all of a sudden zero we

113
00:04:05,270 --> 00:04:03,760

switched and um now the world's at our

114

00:04:06,710 --> 00:04:05,280

fingertips regarding this information

115

00:04:07,670 --> 00:04:06,720

it's information overload now it's

116

00:04:09,670 --> 00:04:07,680

actually the

117

00:04:12,070 --> 00:04:09,680

opposite you know hard to get hold of

118

00:04:14,710 --> 00:04:12,080

stuff back up back then but now you know

119

00:04:16,150 --> 00:04:14,720

it's just overloaded material

120

00:04:18,229 --> 00:04:16,160

and it's trying to find that genuine

121

00:04:20,069 --> 00:04:18,239

material and what's right and what's not

122

00:04:22,950 --> 00:04:20,079

and as anyone can put something out

123

00:04:25,510 --> 00:04:22,960

online whereas you know 20 30 years ago

124

00:04:27,270 --> 00:04:25,520

and longer it took some some doing to

125

00:04:29,270 --> 00:04:27,280

put a book out um

126
00:04:31,990 --> 00:04:29,280
back then what were some of your own

127
00:04:34,870 --> 00:04:32,000
early experiences or sightings was it to

128
00:04:38,390 --> 00:04:34,880
do with the paranormal was it ufos

129
00:04:41,670 --> 00:04:38,400
well i started in the subject of ufos um

130
00:04:44,790 --> 00:04:41,680
in back in 1983

131
00:04:46,390 --> 00:04:44,800
my first investigation was in liverpool

132
00:04:48,469 --> 00:04:46,400
the garden a couple that had witnessed

133
00:04:49,909 --> 00:04:48,479
strange light in the sky and his hand

134
00:04:52,950 --> 00:04:49,919
had um

135
00:04:54,469 --> 00:04:52,960
um took some photographs of it and uh it

136
00:04:56,790 --> 00:04:54,479
was just a lie in the sky but it was

137
00:04:57,990 --> 00:04:56,800
still classed as a ufo back then

138
00:05:01,670 --> 00:04:58,000

um

139

00:05:05,990 --> 00:05:03,909

probably about 15 years in the subjects

140

00:05:07,749 --> 00:05:06,000

of ufos until i thought you know pretty

141

00:05:09,990 --> 00:05:07,759

much exhausted as much as i possibly

142

00:05:12,230 --> 00:05:10,000

could go because i was always one you

143

00:05:14,469 --> 00:05:12,240

know i wanted to

144

00:05:16,390 --> 00:05:14,479

find rational explanations or is there

145

00:05:17,430 --> 00:05:16,400

an explanation for some of these things

146

00:05:23,670 --> 00:05:17,440

and

147

00:05:25,189 --> 00:05:23,680

bolts phenomena

148

00:05:27,350 --> 00:05:25,199

these crafts will travel in the vast

149

00:05:29,189 --> 00:05:27,360

distances of space you may be using some

150

00:05:31,510 --> 00:05:29,199

type of exotic engines and they're

151

00:05:33,590 --> 00:05:31,520

extraterrestrials and they want good

152

00:05:36,070 --> 00:05:33,600

foothills and good for earth and all

153

00:05:37,189 --> 00:05:36,080

those sort of things wonderful stories

154

00:05:39,430 --> 00:05:37,199

um

155

00:05:40,390 --> 00:05:39,440

but after 15 years i thought do you know

156

00:05:42,830 --> 00:05:40,400

what

157

00:05:44,950 --> 00:05:42,840

this is just not going anywhere we are

158

00:05:46,629 --> 00:05:44,960

regurgitating going round and round and

159

00:05:49,029 --> 00:05:46,639

round in a circle

160

00:05:51,510 --> 00:05:49,039

and after 15 years i thought

161

00:05:53,189 --> 00:05:51,520

you know what to do now

162

00:05:54,950 --> 00:05:53,199

you know another photo in another video

163

00:05:56,309 --> 00:05:54,960

is just gonna add to the mountain we

164

00:05:58,309 --> 00:05:56,319

already had

165

00:06:00,469 --> 00:05:58,319

um but i was very interested in about

166

00:06:03,189 --> 00:06:00,479

how people perceived the phenomena so i

167

00:06:04,469 --> 00:06:03,199

kind of got involved in the uh in

168

00:06:10,469 --> 00:06:04,479

psychology

169

00:06:14,550 --> 00:06:10,479

paranormal

170

00:06:17,110 --> 00:06:14,560

like that and i spent the next 20 years

171

00:06:19,430 --> 00:06:17,120

in in past psychological circles and

172

00:06:20,469 --> 00:06:19,440

conducted specialized tests

173

00:06:23,430 --> 00:06:20,479

uh and

174

00:06:26,550 --> 00:06:23,440

a number of different projects and

175

00:06:28,390 --> 00:06:26,560

then then what i have realized was

176
00:06:30,870 --> 00:06:28,400
the frustration i'm not getting anywhere

177
00:06:34,550 --> 00:06:30,880
within the subject of ufology

178
00:06:37,350 --> 00:06:34,560
was because it lacked the information

179
00:06:39,110 --> 00:06:37,360
that we required to make any conclusive

180
00:06:41,510 --> 00:06:39,120
you know conclusions

181
00:06:44,150 --> 00:06:41,520
and that's because the information lies

182
00:06:45,909 --> 00:06:44,160
not in the subject of ufology but in the

183
00:06:47,430 --> 00:06:45,919
subject of the metaphysical the

184
00:06:49,510 --> 00:06:47,440
paranormal the supernatural the

185
00:06:51,430 --> 00:06:49,520
spiritual and so on and so forth

186
00:06:53,749 --> 00:06:51,440
and so for me

187
00:06:55,589 --> 00:06:53,759
you know later in life i realized that

188
00:06:56,909 --> 00:06:55,599

what we have to do is

189

00:06:58,469 --> 00:06:56,919

because we've got this

190

00:07:00,469 --> 00:06:58,479

compartmentalization between the

191

00:07:03,270 --> 00:07:00,479

subjects paranormal guys have never

192

00:07:04,950 --> 00:07:03,280

dealt with ufo guys and vice versa

193

00:07:05,830 --> 00:07:04,960

in many different fields

194

00:07:08,390 --> 00:07:05,840

um

195

00:07:10,870 --> 00:07:08,400

i started to tear down those barriers

196

00:07:12,629 --> 00:07:10,880

those walls that's compartmentalized us

197

00:07:14,629 --> 00:07:12,639

for so long

198

00:07:15,589 --> 00:07:14,639

and then it started to realize that

199

00:07:19,029 --> 00:07:15,599

there's that a

200

00:07:22,230 --> 00:07:19,039

attributes um associated from various

201
00:07:24,790 --> 00:07:22,240
different fields to the ufo phenomena

202
00:07:27,189 --> 00:07:24,800
and then i started to think okay well

203
00:07:29,270 --> 00:07:27,199
this is providing new areas of research

204
00:07:31,670 --> 00:07:29,280
it's adding some bits to the picture

205
00:07:34,150 --> 00:07:31,680
that we originally had and for okay this

206
00:07:36,550 --> 00:07:34,160
is probably the best way to move forward

207
00:07:39,189 --> 00:07:36,560
and now what we're hearing you know is

208
00:07:41,990 --> 00:07:39,199
we are on the cusp of ufology changing i

209
00:07:42,950 --> 00:07:42,000
can guarantee that um

210
00:07:44,629 --> 00:07:42,960
and

211
00:07:47,189 --> 00:07:44,639
we are

212
00:07:49,110 --> 00:07:47,199
leaning well away from the old

213
00:07:51,510 --> 00:07:49,120

hypothesis that they travel in the vast

214

00:07:52,550 --> 00:07:51,520

distances of the space

215

00:07:55,589 --> 00:07:52,560

um

216

00:07:58,230 --> 00:07:55,599

that even the extraterrestrial

217

00:08:00,950 --> 00:07:58,240

hypothesis to be honest with you um it

218

00:08:02,629 --> 00:08:00,960

has changed considerably and i'm good

219

00:08:04,950 --> 00:08:02,639

really you know because i think that's

220

00:08:08,150 --> 00:08:04,960

that is the best way to move forward so

221

00:08:10,309 --> 00:08:08,160

what i do now is i've incorporated both

222

00:08:13,029 --> 00:08:10,319

studies of fields of what i've learned

223

00:08:15,350 --> 00:08:13,039

over the years i've been involved in

224

00:08:16,790 --> 00:08:15,360

um into the same part i throw everything

225

00:08:18,550 --> 00:08:16,800

into the same part i refer to it as

226

00:08:20,869 --> 00:08:18,560

phenomenology

227

00:08:23,510 --> 00:08:20,879

and and it's a lot more deliverable in

228

00:08:24,710 --> 00:08:23,520

regarding answers than it is just being

229

00:08:26,550 --> 00:08:24,720

you know

230

00:08:28,710 --> 00:08:26,560

just being able to being stuck in one

231

00:08:31,909 --> 00:08:28,720

particular box safe from ufology as an

232

00:08:33,430 --> 00:08:31,919

example they are uh limitations when you

233

00:08:34,949 --> 00:08:33,440

actually do that so

234

00:08:37,110 --> 00:08:34,959

um so i've

235

00:08:38,829 --> 00:08:37,120

i've researched the uh the crop circle

236

00:08:42,870 --> 00:08:38,839

phenomena

237

00:08:45,750 --> 00:08:42,880

extensively

238

00:08:48,550 --> 00:08:45,760

um the paranormal the supernatural

239

00:08:52,230 --> 00:08:48,560

edemalogical if you want to call it that

240

00:08:54,710 --> 00:08:52,240

uh all aspects of uap and ufo phenomena

241

00:08:56,389 --> 00:08:54,720

and kind of been involved in all i've

242

00:08:58,389 --> 00:08:56,399

been involved in missing people

243

00:09:00,310 --> 00:08:58,399

investigations and all sorts of

244

00:09:02,630 --> 00:09:00,320

different things which i would consider

245

00:09:04,470 --> 00:09:02,640

anomalous phenomenal profound you know

246

00:09:06,630 --> 00:09:04,480

unusual stuff

247

00:09:09,350 --> 00:09:06,640

and and it's led me to this point in

248

00:09:11,750 --> 00:09:09,360

time when i look at the cocktail of

249

00:09:13,670 --> 00:09:11,760

phenomena which is presenting itself

250

00:09:16,150 --> 00:09:13,680

and i can attribute some to this some to

251

00:09:17,910 --> 00:09:16,160

this one to this these different areas

252

00:09:19,670 --> 00:09:17,920

where in fact that's what it really does

253

00:09:21,590 --> 00:09:19,680

consist of you know

254

00:09:23,269 --> 00:09:21,600

and i don't really want to know why it

255

00:09:25,350 --> 00:09:23,279

was compartmentalized so much maybe it

256

00:09:27,750 --> 00:09:25,360

was on a purpose to stop us sort of

257

00:09:29,509 --> 00:09:27,760

gaining answers to a phenomena

258

00:09:31,590 --> 00:09:29,519

and but now we've dropped all those

259

00:09:33,430 --> 00:09:31,600

barriers we are gaining gaining some

260

00:09:35,430 --> 00:09:33,440

footage and and

261

00:09:38,389 --> 00:09:35,440

which is good because it's leading us in

262

00:09:40,790 --> 00:09:38,399

a direction away from the old hypothesis

263

00:09:43,430 --> 00:09:40,800

and leading us into new areas of quantum

264

00:09:44,949 --> 00:09:43,440

physics quantum mechanics paranormal

265

00:09:46,630 --> 00:09:44,959

mechanics

266

00:09:48,150 --> 00:09:46,640

and all those sort of things and even a

267

00:09:50,470 --> 00:09:48,160

strong connection to earth and

268

00:09:51,590 --> 00:09:50,480

geological phenomena so

269

00:09:53,269 --> 00:09:51,600

that's good for us because we're

270

00:09:57,030 --> 00:09:53,279

advancing the subject no longer is

271

00:09:59,269 --> 00:09:57,040

ufology or uap studies static we are

272

00:10:00,310 --> 00:09:59,279

moving forward now so taking some steps

273

00:10:02,069 --> 00:10:00,320

now

274

00:10:03,509 --> 00:10:02,079

i swear you can read my next question

275

00:10:05,990 --> 00:10:03,519

because you've covered so much of it

276

00:10:07,430 --> 00:10:06,000

within the answer already but it's an

277

00:10:10,550 --> 00:10:07,440

interesting point you raise i want to

278

00:10:12,550 --> 00:10:10,560

ask how far can that line of thinking go

279

00:10:13,750 --> 00:10:12,560

that so many of the the areas within

280

00:10:16,310 --> 00:10:13,760

these different subjects of

281

00:10:18,310 --> 00:10:16,320

phenomenology are connected there are

282

00:10:21,829 --> 00:10:18,320

some who will link you know bigfoot to

283

00:10:23,990 --> 00:10:21,839

ufos and nessie to ufos for me that's a

284

00:10:25,350 --> 00:10:24,000

tad far some of those but what about

285

00:10:28,069 --> 00:10:25,360

yourself what are some of the more

286

00:10:30,389 --> 00:10:28,079

unusual links that you've uncovered

287

00:10:31,829 --> 00:10:30,399

um well surprisingly there's links all

288

00:10:34,470 --> 00:10:31,839

over the place

289

00:10:36,949 --> 00:10:34,480

i mean if we just take for an example um

290

00:10:39,190 --> 00:10:36,959

the paranormal which we refer to as a

291

00:10:41,350 --> 00:10:39,200

very old earthly phenomena

292

00:10:43,910 --> 00:10:41,360

um has

293

00:10:45,509 --> 00:10:43,920

numerous similarities or identifiers

294

00:10:47,190 --> 00:10:45,519

should we say

295

00:10:50,949 --> 00:10:47,200

identical things taking place in the

296

00:10:52,389 --> 00:10:50,959

subject of ufos we find that

297

00:10:55,509 --> 00:10:52,399

this

298

00:10:58,150 --> 00:10:55,519

phenomena predates

299

00:11:00,310 --> 00:10:58,160

historical documentation so

300

00:11:01,750 --> 00:11:00,320

it goes back maybe we're the new kids on

301
00:11:04,150 --> 00:11:01,760
the block who knows i mean it goes back

302
00:11:05,910 --> 00:11:04,160
as long as we can possibly think

303
00:11:08,069 --> 00:11:05,920
um but

304
00:11:09,990 --> 00:11:08,079
uh i mean when we say going back that i

305
00:11:12,150 --> 00:11:10,000
mean with you know my colleague who i

306
00:11:15,030 --> 00:11:12,160
work with we've got it back to i think

307
00:11:16,870 --> 00:11:15,040
700 000 bc botswana

308
00:11:19,590 --> 00:11:16,880
you know but what's interesting

309
00:11:21,269 --> 00:11:19,600
is that how this phenomenon as it tracks

310
00:11:23,430 --> 00:11:21,279
through time

311
00:11:25,670 --> 00:11:23,440
it changes its appearance the phenomena

312
00:11:27,350 --> 00:11:25,680
stays the same but the mask is forever

313
00:11:29,430 --> 00:11:27,360

changing

314

00:11:31,190 --> 00:11:29,440

which i don't know if we really ever

315

00:11:32,630 --> 00:11:31,200

seen the true

316

00:11:34,069 --> 00:11:32,640

the true phenomena i mean everything

317

00:11:36,310 --> 00:11:34,079

seems to be a representation of the

318

00:11:38,150 --> 00:11:36,320

phenomena and because it is

319

00:11:40,550 --> 00:11:38,160

interchangeable and

320

00:11:42,630 --> 00:11:40,560

and can provide physiological constructs

321

00:11:43,509 --> 00:11:42,640

for us to interact with so

322

00:11:45,430 --> 00:11:43,519

um

323

00:11:46,389 --> 00:11:45,440

i would say that is it's been going on

324

00:11:49,190 --> 00:11:46,399

since

325

00:11:51,030 --> 00:11:49,200

you know as long as we can think of

326

00:11:53,110 --> 00:11:51,040

uh the aspects of the power normally we

327

00:11:54,710 --> 00:11:53,120

used to put in a separate category as a

328

00:11:56,710 --> 00:11:54,720

separate box

329

00:11:59,430 --> 00:11:56,720

we were wrong to do so

330

00:12:01,670 --> 00:11:59,440

because the characteristics what take

331

00:12:04,069 --> 00:12:01,680

place in ufo encounters

332

00:12:06,310 --> 00:12:04,079

crosses over into the parallel crosses

333

00:12:07,829 --> 00:12:06,320

over into the cryptid phenomena now the

334

00:12:10,629 --> 00:12:07,839

cryptic phenomenon is a tricky one

335

00:12:12,949 --> 00:12:10,639

because you know you you may have

336

00:12:15,190 --> 00:12:12,959

is that possibility

337

00:12:16,550 --> 00:12:15,200

that in the most remote regions on

338

00:12:19,350 --> 00:12:16,560

planet earth

339

00:12:22,230 --> 00:12:19,360

there are some large creatures which

340

00:12:24,550 --> 00:12:22,240

you know might be in existence

341

00:12:26,710 --> 00:12:24,560

i mean it takes me back to the days of

342

00:12:27,910 --> 00:12:26,720

when they first discovered the panda

343

00:12:29,430 --> 00:12:27,920

bear

344

00:12:31,190 --> 00:12:29,440

and you know somebody come running out

345

00:12:33,350 --> 00:12:31,200

of the forest one day in japan and said

346

00:12:35,590 --> 00:12:33,360

you know we told people what they what

347

00:12:38,389 --> 00:12:35,600

it's seen this strange creature

348

00:12:40,710 --> 00:12:38,399

milling about quite slow moving

349

00:12:42,310 --> 00:12:40,720

black and white you know stands out in a

350

00:12:44,629 --> 00:12:42,320

foreign

351
00:12:46,629 --> 00:12:44,639
and um

352
00:12:48,069 --> 00:12:46,639
and they set off to try and discover

353
00:12:50,069 --> 00:12:48,079
more of them

354
00:12:53,269 --> 00:12:50,079
and uh they didn't find the next one to

355
00:12:54,949 --> 00:12:53,279
60 years later you know so

356
00:12:56,550 --> 00:12:54,959
that's because the environment he was

357
00:12:59,430 --> 00:12:56,560
living in is just

358
00:13:02,470 --> 00:12:59,440
you know it's it's not easy to to to

359
00:13:04,790 --> 00:13:02,480
trek through it's not easy for humankind

360
00:13:06,629 --> 00:13:04,800
to venture forth into it

361
00:13:08,470 --> 00:13:06,639
and that's why it's not so much of it

362
00:13:10,790 --> 00:13:08,480
being elusive

363
00:13:12,550 --> 00:13:10,800

it's expensive because of the geology

364

00:13:14,949 --> 00:13:12,560

now it's the same applies you know

365

00:13:17,350 --> 00:13:14,959

regarding you know if you talk about us

366

00:13:19,190 --> 00:13:17,360

bigfoot you know there's a lot of people

367

00:13:20,710 --> 00:13:19,200

i've talked to out there

368

00:13:22,949 --> 00:13:20,720

who believe it's a real physical

369

00:13:25,030 --> 00:13:22,959

creature i can't argue with that because

370

00:13:28,629 --> 00:13:25,040

there's physical evidence

371

00:13:30,310 --> 00:13:28,639

paranormal encounters and though you

372

00:13:31,590 --> 00:13:30,320

know those supposed to be

373

00:13:33,350 --> 00:13:31,600

many people think them to be

374

00:13:35,590 --> 00:13:33,360

non-physical phenomena that's not the

375

00:13:36,790 --> 00:13:35,600

case um

376

00:13:39,590 --> 00:13:36,800

but then you know when we talk about

377

00:13:41,750 --> 00:13:39,600

cryptids in the uk you know we have

378

00:13:43,269 --> 00:13:41,760

surprisingly we have a bigfoot in the uk

379

00:13:45,670 --> 00:13:43,279

seen quite a lot

380

00:13:48,069 --> 00:13:45,680

um it's you know it's not feasible to

381

00:13:50,550 --> 00:13:48,079

say an animal could live in the uk you

382

00:13:52,550 --> 00:13:50,560

know and not be known especially the

383

00:13:53,590 --> 00:13:52,560

amount of food it would require

384

00:13:56,310 --> 00:13:53,600

and

385

00:13:58,389 --> 00:13:56,320

to receive to recite it so many times

386

00:14:00,310 --> 00:13:58,399

you know but we have cryptids such as

387

00:14:02,230 --> 00:14:00,320

the dog men and the werewolf type thing

388

00:14:04,629 --> 00:14:02,240

that actually also happens overseas you

389

00:14:07,430 --> 00:14:04,639

know plenty of cases in the u.s a lot

390

00:14:09,990 --> 00:14:07,440

um but um the phenomena associated with

391

00:14:12,069 --> 00:14:10,000

the cryptids is we have lots of us

392

00:14:14,150 --> 00:14:12,079

factor type experiences

393

00:14:16,949 --> 00:14:14,160

you know which are associated to the

394

00:14:19,030 --> 00:14:16,959

void of sound this this sudden silence

395

00:14:20,550 --> 00:14:19,040

before the incident i mean certain

396

00:14:23,430 --> 00:14:20,560

frequencies that the phenomenon could be

397

00:14:26,790 --> 00:14:23,440

generating infrasolitu frequencies um

398

00:14:28,949 --> 00:14:26,800

which can also cause um your sensory

399

00:14:31,030 --> 00:14:28,959

perceptions to be altered even this even

400

00:14:32,310 --> 00:14:31,040

scent glands can can be altered through

401
00:14:34,550 --> 00:14:32,320
frequency to make you think you're

402
00:14:36,710 --> 00:14:34,560
smelling sulfur a surface associated

403
00:14:39,829 --> 00:14:36,720
with with those reports sulfur has also

404
00:14:42,150 --> 00:14:39,839
been associated to the ufo phenomena and

405
00:14:45,189 --> 00:14:42,160
so you find many many occasions these

406
00:14:47,509 --> 00:14:45,199
crossovers between them um and you find

407
00:14:49,750 --> 00:14:47,519
so many between them that

408
00:14:51,430 --> 00:14:49,760
you know you consider that

409
00:14:55,030 --> 00:14:51,440
there's a good structure there's a

410
00:14:56,949 --> 00:14:55,040
likely explanation that these

411
00:14:59,750 --> 00:14:56,959
deliverable phenomena

412
00:15:01,110 --> 00:14:59,760
are from a source that is delivering

413
00:15:02,470 --> 00:15:01,120

different things and

414

00:15:04,230 --> 00:15:02,480

you know we look at them as separate

415

00:15:06,710 --> 00:15:04,240

entities when in fact you know they are

416

00:15:08,389 --> 00:15:06,720

pretty much one of the same thing

417

00:15:11,350 --> 00:15:08,399

so if you look at these these various

418

00:15:13,189 --> 00:15:11,360

phenomenas being under one umbrella do

419

00:15:14,550 --> 00:15:13,199

you think the case is more likely as we

420

00:15:16,870 --> 00:15:14,560

discover like you say more and more

421

00:15:18,949 --> 00:15:16,880

about you know quantum physics and what

422

00:15:21,990 --> 00:15:18,959

the nature of reality as we learn about

423

00:15:23,430 --> 00:15:22,000

consciousness that potentially we aren't

424

00:15:25,590 --> 00:15:23,440

and haven't always been the dominant

425

00:15:27,509 --> 00:15:25,600

species on this planet and that there

426
00:15:29,189 --> 00:15:27,519
are other species that like you say that

427
00:15:31,350 --> 00:15:29,199
the panda wasn't hiding from as it

428
00:15:33,350 --> 00:15:31,360
wasn't being evasive we just couldn't

429
00:15:35,110 --> 00:15:33,360
find it and it's quite likely there's a

430
00:15:36,949 --> 00:15:35,120
chance that we're here now especially in

431
00:15:38,949 --> 00:15:36,959
the world of ufos that there are

432
00:15:41,110 --> 00:15:38,959
potentially non-human intelligences

433
00:15:42,389 --> 00:15:41,120
louis lozando famously referred to

434
00:15:43,829 --> 00:15:42,399
mankind's

435
00:15:45,990 --> 00:15:43,839
that maybe we should start looking

436
00:15:47,670 --> 00:15:46,000
closer to home and there's potentially

437
00:15:50,069 --> 00:15:47,680
something else on this planet we just

438
00:15:51,910 --> 00:15:50,079

can't see i totally agree i mean i

439

00:15:53,910 --> 00:15:51,920

absolutely agree i mean we've had this

440

00:15:55,509 --> 00:15:53,920

ruse for many years to stare up at the

441

00:15:57,030 --> 00:15:55,519

sky and think

442

00:15:59,030 --> 00:15:57,040

you know these things coming from the

443

00:16:01,590 --> 00:15:59,040

vast distances as opposed to trouble is

444

00:16:03,590 --> 00:16:01,600

too sci-fi for my liking uh it's like a

445

00:16:05,749 --> 00:16:03,600

star trek episodes unfolding i mean

446

00:16:07,269 --> 00:16:05,759

they're all bipedal and all

447

00:16:08,629 --> 00:16:07,279

you know there must be i mean if you

448

00:16:09,990 --> 00:16:08,639

take a take for an example how many

449

00:16:11,670 --> 00:16:10,000

different types of times of entities has

450

00:16:13,110 --> 00:16:11,680

been seen worldwide is over two thousand

451
00:16:14,790 --> 00:16:13,120
of them are they all coming from two

452
00:16:16,710 --> 00:16:14,800
thousand different planets out there you

453
00:16:18,550 --> 00:16:16,720
talk to the seti guys

454
00:16:20,069 --> 00:16:18,560
uh which we've done and they said well

455
00:16:21,670 --> 00:16:20,079
you know what it's quite an interesting

456
00:16:23,990 --> 00:16:21,680
quote

457
00:16:27,110 --> 00:16:24,000
space is unusually quiet that's what

458
00:16:28,949 --> 00:16:27,120
they said unusually quiet we're not

459
00:16:30,870 --> 00:16:28,959
seeing a superhighway pack

460
00:16:32,629 --> 00:16:30,880
backwards and fours traveling to earth i

461
00:16:34,550 --> 00:16:32,639
mean we get some bits and bobs now and

462
00:16:36,790 --> 00:16:34,560
again but we're not you know i mean if

463
00:16:39,749 --> 00:16:36,800

we look statistical surveys carried out

464

00:16:41,350 --> 00:16:39,759

the most the most recent one was pretty

465

00:16:44,790 --> 00:16:41,360

much only three quarters of the

466

00:16:47,350 --> 00:16:44,800

countries on the planet participated in

467

00:16:49,749 --> 00:16:47,360

um the sightings will be reported

468

00:16:51,110 --> 00:16:49,759

roughly about every 10 seconds now

469

00:16:52,949 --> 00:16:51,120

you have to take into consideration some

470

00:16:55,110 --> 00:16:52,959

of those are hoaxes not true some of

471

00:16:56,629 --> 00:16:55,120

them are misidentifications

472

00:16:57,749 --> 00:16:56,639

but at the same time it can also be

473

00:16:59,990 --> 00:16:57,759

conservative you're not everybody's

474

00:17:02,150 --> 00:17:00,000

reporting them yeah so even if we just

475

00:17:04,630 --> 00:17:02,160

rounded it off to say all right this ten

476
00:17:07,189 --> 00:17:04,640
scene every you know every well there's

477
00:17:09,029 --> 00:17:07,199
one scene every 10 seconds then

478
00:17:10,789 --> 00:17:09,039
where are they all coming from

479
00:17:12,949 --> 00:17:10,799
because one thing is for sure they're

480
00:17:14,150 --> 00:17:12,959
not got a super high way of traffic

481
00:17:16,069 --> 00:17:14,160
backing back

482
00:17:17,429 --> 00:17:16,079
going in and out passing backwards and

483
00:17:19,270 --> 00:17:17,439
forwards to earth

484
00:17:21,189 --> 00:17:19,280
you know we don't we'd see ionospheric

485
00:17:23,669 --> 00:17:21,199
disturbances all the time you know would

486
00:17:25,510 --> 00:17:23,679
it be easy to record and track

487
00:17:26,470 --> 00:17:25,520
and that's not the case

488
00:17:28,950 --> 00:17:26,480

um

489

00:17:33,430 --> 00:17:28,960

what the evidence supports is that it

490

00:17:36,230 --> 00:17:33,440

has a very a much more geological basis

491

00:17:38,230 --> 00:17:36,240

as as opposed to aerial i mean we might

492

00:17:39,909 --> 00:17:38,240

see things in the sky but when we're

493

00:17:41,590 --> 00:17:39,919

looking up we're usually unaware of

494

00:17:45,029 --> 00:17:41,600

what's really happening in our geology

495

00:17:46,789 --> 00:17:45,039

in the ground because we know that um

496

00:17:47,990 --> 00:17:46,799

that this phenomena

497

00:17:49,909 --> 00:17:48,000

can

498

00:17:51,190 --> 00:17:49,919

um has the capabilities of the

499

00:17:54,310 --> 00:17:51,200

metaphysical

500

00:17:55,270 --> 00:17:54,320

uh changes so that it can enter into

501
00:17:56,950 --> 00:17:55,280
cliffs

502
00:17:59,350 --> 00:17:56,960
it can go into the ground and go into

503
00:18:03,590 --> 00:17:59,360
hillsides and go to volcanoes you know

504
00:18:05,750 --> 00:18:03,600
we we aware of that that it breaches the

505
00:18:09,590 --> 00:18:05,760
physical reality we know

506
00:18:11,270 --> 00:18:09,600
and so when uh atik comes out and says

507
00:18:13,750 --> 00:18:11,280
you know there's trans

508
00:18:15,270 --> 00:18:13,760
medium travel of crafts well yeah we

509
00:18:16,789 --> 00:18:15,280
could have said that they could fly in

510
00:18:18,950 --> 00:18:16,799
in space possibly they could fly under

511
00:18:19,750 --> 00:18:18,960
water to get underwater in space you

512
00:18:22,310 --> 00:18:19,760
know

513
00:18:24,230 --> 00:18:22,320

deal with pressure

514

00:18:27,190 --> 00:18:24,240

uh and flying in our house so it makes

515

00:18:29,669 --> 00:18:27,200

it three different forms of travel

516

00:18:31,510 --> 00:18:29,679

um but they left out purposely the um

517

00:18:34,230 --> 00:18:31,520

the one that enters into physical

518

00:18:35,990 --> 00:18:34,240

culture the physical land

519

00:18:38,150 --> 00:18:36,000

where we've videoed them going into the

520

00:18:39,510 --> 00:18:38,160

land and seen them going in there

521

00:18:41,270 --> 00:18:39,520

and so

522

00:18:43,029 --> 00:18:41,280

that's been left out purposely and the

523

00:18:45,029 --> 00:18:43,039

reasons for that was

524

00:18:47,830 --> 00:18:45,039

because there's only so much the

525

00:18:50,070 --> 00:18:47,840

scientific community can digest

526

00:18:52,470 --> 00:18:50,080

so what we need to do is that we have to

527

00:18:54,630 --> 00:18:52,480

and don't get me wrong lou is very aware

528

00:18:57,029 --> 00:18:54,640

of this sort of stuff talk to him about

529

00:18:58,070 --> 00:18:57,039

this is he's very aware of all the extra

530

00:19:00,470 --> 00:18:58,080

stuff

531

00:19:02,070 --> 00:19:00,480

but to just throw it out on the table is

532

00:19:03,830 --> 00:19:02,080

a bit uh

533

00:19:05,350 --> 00:19:03,840

could be discouraging to scientific

534

00:19:06,710 --> 00:19:05,360

teams you know so

535

00:19:08,470 --> 00:19:06,720

since the pentagon came out and

536

00:19:11,350 --> 00:19:08,480

mentioned about you know the the footage

537

00:19:13,669 --> 00:19:11,360

that they got and the the pilots

538

00:19:15,350 --> 00:19:13,679

incidents reported

539

00:19:17,270 --> 00:19:15,360

there was a lot of interest from

540

00:19:19,830 --> 00:19:17,280

scientific community which are starting

541

00:19:21,190 --> 00:19:19,840

to look in and assist us you know offer

542

00:19:23,669 --> 00:19:21,200

their services

543

00:19:25,110 --> 00:19:23,679

in regard to research at uap

544

00:19:26,789 --> 00:19:25,120

and if we were to just throw it on the

545

00:19:28,549 --> 00:19:26,799

table all that woo-woo stuff then

546

00:19:30,870 --> 00:19:28,559

they're not it's going to be too hard

547

00:19:34,390 --> 00:19:30,880

for them to digest so it has to be done

548

00:19:35,430 --> 00:19:34,400

in digestible chunks deliverable chunks

549

00:19:37,669 --> 00:19:35,440

to them

550

00:19:39,350 --> 00:19:37,679

along the way we can't just throw it out

551
00:19:41,350 --> 00:19:39,360
on the table because we always scare

552
00:19:42,950 --> 00:19:41,360
them away you know i mean trying to

553
00:19:44,470 --> 00:19:42,960
trying to say okay well we've got to

554
00:19:46,310 --> 00:19:44,480
reconstruct physics in a sense of

555
00:19:48,710 --> 00:19:46,320
speaking because the physics that we

556
00:19:51,270 --> 00:19:48,720
know doesn't comprehend

557
00:19:52,549 --> 00:19:51,280
how how um it can be broken by this

558
00:19:55,350 --> 00:19:52,559
phenomena

559
00:19:57,350 --> 00:19:55,360
uh or manipulated so we have to do it in

560
00:19:58,789 --> 00:19:57,360
digestible chunks so but we are getting

561
00:20:01,830 --> 00:19:58,799
there in the higher i mean a number of

562
00:20:04,950 --> 00:20:01,840
time i'm with a number of think tanks

563
00:20:06,950 --> 00:20:04,960

on this i'm working with work is going

564

00:20:09,830 --> 00:20:06,960

work is being carried out tests are

565

00:20:11,190 --> 00:20:09,840

being carried out and it is almost there

566

00:20:13,270 --> 00:20:11,200

it's almost

567

00:20:14,870 --> 00:20:13,280

just about to flip

568

00:20:18,390 --> 00:20:14,880

where there'll be

569

00:20:20,789 --> 00:20:18,400

more evidence to support it's a

570

00:20:24,149 --> 00:20:20,799

terrestrial phenomena

571

00:20:25,909 --> 00:20:24,159

and not necessarily within our reality

572

00:20:27,750 --> 00:20:25,919

we could be dealing with another reality

573

00:20:29,590 --> 00:20:27,760

club very close and right next door to

574

00:20:31,510 --> 00:20:29,600

us that's confirmed by scientists at

575

00:20:32,390 --> 00:20:31,520

harvard university

576
00:20:35,270 --> 00:20:32,400
um

577
00:20:37,350 --> 00:20:35,280
and it's pops in and it pops out

578
00:20:39,909 --> 00:20:37,360
it manifests and de-manifests it

579
00:20:41,350 --> 00:20:39,919
materializes and de-materializes very

580
00:20:43,669 --> 00:20:41,360
similar to the apple phenomena over the

581
00:20:44,470 --> 00:20:43,679
ufo of the paranormal and poltergeist

582
00:20:46,230 --> 00:20:44,480
stuff

583
00:20:49,430 --> 00:20:46,240
um in fact the

584
00:20:51,110 --> 00:20:49,440
the analysis of an apported mug

585
00:20:53,350 --> 00:20:51,120
and

586
00:20:55,830 --> 00:20:53,360
the details that we got back from the

587
00:20:57,750 --> 00:20:55,840
investigation and analysis of that

588
00:21:00,070 --> 00:20:57,760

showed that there had been such a huge

589

00:21:01,750 --> 00:21:00,080

diathermic reaction it was on it was

590

00:21:03,750 --> 00:21:01,760

very hard to identify with the original

591

00:21:06,549 --> 00:21:03,760

mug at left

592

00:21:08,630 --> 00:21:06,559

but it the diathermic reactions in the

593

00:21:10,310 --> 00:21:08,640

mug were identical to the diathermic

594

00:21:11,830 --> 00:21:10,320

reactions in plants

595

00:21:13,990 --> 00:21:11,840

under the investigation of what is

596

00:21:15,110 --> 00:21:14,000

referred to as plant traumatology

597

00:21:16,549 --> 00:21:15,120

analysis

598

00:21:17,990 --> 00:21:16,559

this is that is

599

00:21:20,230 --> 00:21:18,000

i'll explain what that is that is when a

600

00:21:21,270 --> 00:21:20,240

ufo comes is seen to manifest close to

601
00:21:22,710 --> 00:21:21,280
the ground

602
00:21:24,789 --> 00:21:22,720
just appears

603
00:21:26,070 --> 00:21:24,799
it affects the plant growth it

604
00:21:27,830 --> 00:21:26,080
disappears

605
00:21:29,750 --> 00:21:27,840
the scientists go in

606
00:21:31,430 --> 00:21:29,760
take the plants for analysis and find

607
00:21:32,630 --> 00:21:31,440
out who's got these dietary reactions

608
00:21:35,110 --> 00:21:32,640
what's interesting is that they're

609
00:21:36,950 --> 00:21:35,120
almost identical if not identical

610
00:21:38,630 --> 00:21:36,960
and which would suggest that the the

611
00:21:40,310 --> 00:21:38,640
sudden manifestation of a ufo and a

612
00:21:42,149 --> 00:21:40,320
sudden manifestation of a mug as an

613
00:21:44,630 --> 00:21:42,159

apple are utilizing the very same

614

00:21:46,710 --> 00:21:44,640

physics are involved now if we're

615

00:21:48,390 --> 00:21:46,720

dealing with something which is from

616

00:21:50,310 --> 00:21:48,400

some other planet

617

00:21:52,390 --> 00:21:50,320

and we're also putting it against

618

00:21:54,549 --> 00:21:52,400

something which is paranormal base which

619

00:21:56,470 --> 00:21:54,559

is said to be an old earthy phenomena

620

00:22:00,149 --> 00:21:56,480

then we should we shouldn't we shouldn't

621

00:22:01,909 --> 00:22:00,159

be seen similarities in in the uh

622

00:22:03,110 --> 00:22:01,919

in the physics of it of the physics of

623

00:22:05,510 --> 00:22:03,120

that being you know about

624

00:22:08,230 --> 00:22:05,520

materialization on both sides being so

625

00:22:09,430 --> 00:22:08,240

identical so we have to say okay you

626
00:22:11,110 --> 00:22:09,440
know there's another thing there's

627
00:22:12,870 --> 00:22:11,120
another connection between the two you

628
00:22:15,510 --> 00:22:12,880
know there's not just one there's many

629
00:22:18,149 --> 00:22:15,520
many many of these zombies so

630
00:22:20,070 --> 00:22:18,159
um is enough there now to say let's put

631
00:22:22,310 --> 00:22:20,080
it on the table and say okay

632
00:22:24,230 --> 00:22:22,320
we are dealing with

633
00:22:26,870 --> 00:22:24,240
um a source

634
00:22:29,590 --> 00:22:26,880
and that source is deliverable to us in

635
00:22:31,350 --> 00:22:29,600
numerous different ways which also has

636
00:22:33,909 --> 00:22:31,360
the capabilities of creating

637
00:22:35,909 --> 00:22:33,919
physiological constructs

638
00:22:38,230 --> 00:22:35,919

you know physical things you know uh

639

00:22:41,190 --> 00:22:38,240

which we presume to be real i mean what

640

00:22:43,750 --> 00:22:41,200

is real you know i mean because you know

641

00:22:45,590 --> 00:22:43,760

people have said that they've felt

642

00:22:47,430 --> 00:22:45,600

the presence of an apparition and they

643

00:22:49,350 --> 00:22:47,440

they have physical contact sometimes

644

00:22:51,029 --> 00:22:49,360

they've been prodded called whatever

645

00:22:53,110 --> 00:22:51,039

it's in our reality

646

00:22:55,270 --> 00:22:53,120

physically interacts with us

647

00:22:57,590 --> 00:22:55,280

and our environment so you say okay have

648

00:22:59,510 --> 00:22:57,600

some physiology physicality to it just

649

00:23:01,990 --> 00:22:59,520

like the ufo phenomena just like the the

650

00:23:04,310 --> 00:23:02,000

cryptids and so on and so forth

651
00:23:05,990 --> 00:23:04,320
so what is that deliverable source is

652
00:23:08,230 --> 00:23:06,000
more the question

653
00:23:11,750 --> 00:23:08,240
and um and it likes to have a laugh it

654
00:23:13,750 --> 00:23:11,760
likes to trickles it likes to play games

655
00:23:15,190 --> 00:23:13,760
um there's plenty of evidence of that

656
00:23:17,029 --> 00:23:15,200
over the years through scientific

657
00:23:19,190 --> 00:23:17,039
studies in this field

658
00:23:20,310 --> 00:23:19,200
um and you'll also get the apparition

659
00:23:24,549 --> 00:23:20,320
phenomena

660
00:23:25,669 --> 00:23:24,559
drawing around saints tables seances and

661
00:23:27,430 --> 00:23:25,679
stuff

662
00:23:29,669 --> 00:23:27,440
and those were the first ones that came

663
00:23:31,990 --> 00:23:29,679

into communication with entities and

664

00:23:33,750 --> 00:23:32,000

ufos long before they were documented in

665

00:23:34,789 --> 00:23:33,760

newspapers being seen in the skies and

666

00:23:37,590 --> 00:23:34,799

stuff

667

00:23:40,070 --> 00:23:37,600

um and the real society got involved in

668

00:23:41,750 --> 00:23:40,080

that in the in germany and

669

00:23:43,669 --> 00:23:41,760

we had some experiments take place in

670

00:23:45,190 --> 00:23:43,679

canada phillip experiment we also in

671

00:23:46,390 --> 00:23:45,200

england we had the skull experiment

672

00:23:48,230 --> 00:23:46,400

going on

673

00:23:50,870 --> 00:23:48,240

um i was involved with some of the more

674

00:23:52,950 --> 00:23:50,880

advanced stuff as we moved on because i

675

00:23:55,909 --> 00:23:52,960

had associates uh friends of mine who

676
00:23:56,950 --> 00:23:55,919
involved any sort of advanced studies of

677
00:23:59,430 --> 00:23:56,960
skull

678
00:24:01,350 --> 00:23:59,440
uh we went one further into phenomena

679
00:24:05,590 --> 00:24:01,360
project which was uh

680
00:24:07,269 --> 00:24:05,600
again the same type of study program

681
00:24:08,549 --> 00:24:07,279
and it's surprising that you know those

682
00:24:09,590 --> 00:24:08,559
entities

683
00:24:11,990 --> 00:24:09,600
um

684
00:24:14,549 --> 00:24:12,000
small ufos would appear

685
00:24:16,710 --> 00:24:14,559
size of a dinner plate shining lights

686
00:24:18,390 --> 00:24:16,720
down they are physical

687
00:24:20,070 --> 00:24:18,400
balls of light which are physical they

688
00:24:21,510 --> 00:24:20,080

have mass you can catch them in your

689

00:24:24,149 --> 00:24:21,520

hands you can feel the weight to them

690

00:24:25,269 --> 00:24:24,159

the light travels through your fingers

691

00:24:28,230 --> 00:24:25,279

um

692

00:24:29,430 --> 00:24:28,240

there's a very close association

693

00:24:32,710 --> 00:24:29,440

between

694

00:24:35,909 --> 00:24:32,720

what we thought was just paranormal

695

00:24:37,830 --> 00:24:35,919

in that ufo field you know and and even

696

00:24:40,789 --> 00:24:37,840

contact cases so

697

00:24:43,110 --> 00:24:40,799

um so for for me it's all just one great

698

00:24:44,789 --> 00:24:43,120

big part and

699

00:24:46,470 --> 00:24:44,799

we've conducted new research now which

700

00:24:48,789 --> 00:24:46,480

is known as project doorway we've been

701
00:24:50,149 --> 00:24:48,799
on that for about five years now

702
00:24:51,350 --> 00:24:50,159
a lot of traveling around the earth the

703
00:24:54,149 --> 00:24:51,360
planet but

704
00:24:55,750 --> 00:24:54,159
a lot of really interesting

705
00:24:57,350 --> 00:24:55,760
evidence and conclusions that we've

706
00:24:59,430 --> 00:24:57,360
reached regarding

707
00:25:00,789 --> 00:24:59,440
when these objects manifest

708
00:25:02,470 --> 00:25:00,799
that they leave a gravitational

709
00:25:03,909 --> 00:25:02,480
disturbance and gravitational well which

710
00:25:05,909 --> 00:25:03,919
is measurable

711
00:25:08,310 --> 00:25:05,919
it's measurable it it

712
00:25:09,909 --> 00:25:08,320
it's like residual in into into our

713
00:25:11,510 --> 00:25:09,919

environment for a short period of time

714

00:25:12,950 --> 00:25:11,520

and it's measurable

715

00:25:14,789 --> 00:25:12,960

and you can actually even see the

716

00:25:17,190 --> 00:25:14,799

effects of this through light bending

717

00:25:19,269 --> 00:25:17,200

through the gravitational world so

718

00:25:21,350 --> 00:25:19,279

um so yeah we are getting somewhere we

719

00:25:24,310 --> 00:25:21,360

really are advancedly moving forward now

720

00:25:26,950 --> 00:25:24,320

in this subject just on its edge now

721

00:25:28,470 --> 00:25:26,960

it's just about ready to flip over

722

00:25:31,350 --> 00:25:28,480

because at the higher end you've got

723

00:25:33,430 --> 00:25:31,360

these guys the scientists guys saying

724

00:25:35,590 --> 00:25:33,440

doing the experiments and and looking at

725

00:25:38,390 --> 00:25:35,600

that side of the thing on the other side

726
00:25:40,070 --> 00:25:38,400
that old 78 we can't ignore it you know

727
00:25:42,870 --> 00:25:40,080
just as the government shouldn't the

728
00:25:45,029 --> 00:25:42,880
last 70 years of uh ufo phenomena we

729
00:25:46,789 --> 00:25:45,039
can't ignore that there's some very very

730
00:25:49,430 --> 00:25:46,799
interesting phenomena that's been

731
00:25:51,590 --> 00:25:49,440
reported and seen by many many military

732
00:25:53,430 --> 00:25:51,600
people very well documented

733
00:25:54,470 --> 00:25:53,440
those can't be ignored

734
00:25:57,110 --> 00:25:54,480
um

735
00:25:59,190 --> 00:25:57,120
and i think it's not so much that we are

736
00:25:59,990 --> 00:25:59,200
rebooting it under the heading of uap

737
00:26:01,909 --> 00:26:00,000
now

738
00:26:05,110 --> 00:26:01,919

we've made it something a little bit

739

00:26:07,510 --> 00:26:05,120

more easier for academics to offer their

740

00:26:09,590 --> 00:26:07,520

services and help us gain that extra

741

00:26:11,669 --> 00:26:09,600

footage now because you know the

742

00:26:12,870 --> 00:26:11,679

scientists would never be involved with

743

00:26:14,950 --> 00:26:12,880

ufo

744

00:26:16,789 --> 00:26:14,960

you know but now uap well that's a

745

00:26:18,549 --> 00:26:16,799

little bit different so you know i'm

746

00:26:20,630 --> 00:26:18,559

hoping that that will assist us

747

00:26:22,310 --> 00:26:20,640

plentiful let me unpack some of that

748

00:26:24,070 --> 00:26:22,320

steve because there's a lot within there

749

00:26:25,590 --> 00:26:24,080

in a good luck to my co-host dan who

750

00:26:27,590 --> 00:26:25,600

likes to go back and watch these and do

751
00:26:29,350 --> 00:26:27,600
the time stamps for youtube so uh when

752
00:26:30,789 --> 00:26:29,360
he's listening back to this good luck

753
00:26:32,549 --> 00:26:30,799
unpacking all that it was a lot of

754
00:26:35,669 --> 00:26:32,559
information a couple of things to bring

755
00:26:38,710 --> 00:26:35,679
up though um the plant traumatology and

756
00:26:40,950 --> 00:26:38,720
you talk about ufos materializing and

757
00:26:42,950 --> 00:26:40,960
close to the ground is that

758
00:26:44,870 --> 00:26:42,960
potentially where we get crop circles

759
00:26:46,470 --> 00:26:44,880
from is that a link to that where they

760
00:26:48,470 --> 00:26:46,480
create some sort of pattern or are you

761
00:26:50,549 --> 00:26:48,480
just talking about an impact on the

762
00:26:52,149 --> 00:26:50,559
immediate floor well

763
00:26:53,430 --> 00:26:52,159

my conclusion on crop surface is going

764

00:26:55,909 --> 00:26:53,440

to be slightly different than anybody

765

00:26:57,669 --> 00:26:55,919

else's you'd ever probably heard

766

00:26:59,909 --> 00:26:57,679

i mean i don't believe that the

767

00:27:02,230 --> 00:26:59,919

phenomena creates crop circles i think

768

00:27:03,510 --> 00:27:02,240

we can create crop circles i mean i know

769

00:27:06,230 --> 00:27:03,520

i know some

770

00:27:08,310 --> 00:27:06,240

very good people you know and uh and

771

00:27:09,990 --> 00:27:08,320

what they can do they can even do weaved

772

00:27:11,830 --> 00:27:10,000

crop circles you know in the middle of

773

00:27:13,110 --> 00:27:11,840

the night and it is remarkable you look

774

00:27:15,190 --> 00:27:13,120

at you think it's absolutely impossible

775

00:27:17,110 --> 00:27:15,200

to create but it isn't just mathematics

776
00:27:18,789 --> 00:27:17,120
at the end of the day but i will tell

777
00:27:22,950 --> 00:27:18,799
you

778
00:27:24,630 --> 00:27:22,960
during the test in 1996 um scientists

779
00:27:27,350 --> 00:27:24,640
were involved some researchers were

780
00:27:29,430 --> 00:27:27,360
researchers involved and of course some

781
00:27:31,510 --> 00:27:29,440
of these guys i know which are very very

782
00:27:33,110 --> 00:27:31,520
good at creating this phenomena

783
00:27:35,830 --> 00:27:33,120
and they went out into a field and

784
00:27:37,350 --> 00:27:35,840
created a remarkable remarkable crop

785
00:27:39,190 --> 00:27:37,360
formation

786
00:27:40,470 --> 00:27:39,200
and but what was really interesting is

787
00:27:43,430 --> 00:27:40,480
that the

788
00:27:45,830 --> 00:27:43,440

the phenomena that was registered from

789

00:27:48,230 --> 00:27:45,840

equipment afterwards by the science team

790

00:27:50,789 --> 00:27:48,240

they couldn't understand

791

00:27:54,870 --> 00:27:50,799

it was as if that

792

00:27:57,110 --> 00:27:54,880

somehow by creating the crop formation

793

00:27:59,430 --> 00:27:57,120

and the result at the end result of that

794

00:28:01,190 --> 00:27:59,440

is that there was phenomenal

795

00:28:03,269 --> 00:28:01,200

readings

796

00:28:04,950 --> 00:28:03,279

in that formation and it shouldn't be i

797

00:28:07,510 --> 00:28:04,960

mean just the guys just went out there

798

00:28:09,110 --> 00:28:07,520

and pressed pressed weak down

799

00:28:10,630 --> 00:28:09,120

it shouldn't have been it should i mean

800

00:28:12,149 --> 00:28:10,640

it did test play and it was nothing

801
00:28:13,350 --> 00:28:12,159
usually

802
00:28:15,510 --> 00:28:13,360
afterwards

803
00:28:17,990 --> 00:28:15,520
there was there was lots of unusual

804
00:28:19,269 --> 00:28:18,000
things readings and all sorts of strange

805
00:28:22,470 --> 00:28:19,279
things going on

806
00:28:24,789 --> 00:28:22,480
and they didn't couldn't understand

807
00:28:26,950 --> 00:28:24,799
how that happens and i think this

808
00:28:29,190 --> 00:28:26,960
there's something going on in regard in

809
00:28:30,389 --> 00:28:29,200
the geology then and the human

810
00:28:33,750 --> 00:28:30,399
consciousness

811
00:28:37,110 --> 00:28:33,760
in regarding the creation of phenomena

812
00:28:39,110 --> 00:28:37,120
um which is being recorded and monitored

813
00:28:40,789 --> 00:28:39,120

diversely through crop circles around

814

00:28:41,990 --> 00:28:40,799

the world but what we've done is we've

815

00:28:45,350 --> 00:28:42,000

looked at that and thought it was an

816

00:28:47,269 --> 00:28:45,360

external phenomena you know i mean um

817

00:28:48,630 --> 00:28:47,279

though you know i say come across people

818

00:28:50,389 --> 00:28:48,640

all the time saying this is an authentic

819

00:28:51,909 --> 00:28:50,399

crop circle but what makes a crop circle

820

00:28:52,950 --> 00:28:51,919

authentic well they pick up readings in

821

00:28:54,630 --> 00:28:52,960

them

822

00:28:56,549 --> 00:28:54,640

yeah but it doesn't mean that it's a

823

00:28:58,389 --> 00:28:56,559

phenomenon has created it don't get me

824

00:29:01,669 --> 00:28:58,399

wrong you know there is there are

825

00:29:03,590 --> 00:29:01,679

patches of of of areas where it has been

826

00:29:07,029 --> 00:29:03,600

adversely affected not so much a crop

827

00:29:09,350 --> 00:29:07,039

formation but adversely affected by

828

00:29:11,110 --> 00:29:09,360

possibly the ufo phenomena yeah i i

829

00:29:13,110 --> 00:29:11,120

completely get that and i completely

830

00:29:15,110 --> 00:29:13,120

understand about the microwave

831

00:29:17,190 --> 00:29:15,120

effects on some of these plants

832

00:29:19,269 --> 00:29:17,200

and but i mean when when you look at the

833

00:29:20,230 --> 00:29:19,279

results of

834

00:29:22,710 --> 00:29:20,240

um

835

00:29:24,549 --> 00:29:22,720

the analysis it was in this crop circle

836

00:29:26,230 --> 00:29:24,559

it fell in line with many of the other

837

00:29:28,310 --> 00:29:26,240

crop circles which were fought to be

838

00:29:29,750 --> 00:29:28,320

authentic around the world

839

00:29:33,269 --> 00:29:29,760

um and yeah

840

00:29:35,590 --> 00:29:33,279

this one was recorded and manufactured

841

00:29:38,630 --> 00:29:35,600

in the field as we were there

842

00:29:40,950 --> 00:29:38,640

and um and yet afterwards

843

00:29:43,190 --> 00:29:40,960

it was left with the signature marks of

844

00:29:44,630 --> 00:29:43,200

an authentic crop circle so

845

00:29:46,149 --> 00:29:44,640

uh that kind of blew my mind a little

846

00:29:48,230 --> 00:29:46,159

bit i would have thought to myself well

847

00:29:50,389 --> 00:29:48,240

what's going on there then you know

848

00:29:52,470 --> 00:29:50,399

because if that can happen

849

00:29:54,149 --> 00:29:52,480

then we have to be looking at is it our

850

00:29:56,230 --> 00:29:54,159

intent is there a conscious connection

851
00:29:58,070 --> 00:29:56,240
between the geology of the of the ground

852
00:29:59,430 --> 00:29:58,080
and what we're doing

853
00:30:01,190 --> 00:29:59,440
um

854
00:30:03,830 --> 00:30:01,200
maybe maybe there's there's certainly

855
00:30:05,830 --> 00:30:03,840
more an area there to explore absolutely

856
00:30:07,909 --> 00:30:05,840
more tests need to be carried out but i

857
00:30:09,830 --> 00:30:07,919
was stumped on that one absolutely

858
00:30:11,750 --> 00:30:09,840
that's really interesting another point

859
00:30:14,710 --> 00:30:11,760
i wanted to bring out you mentioned that

860
00:30:16,710 --> 00:30:14,720
so many sightings go unreported now i've

861
00:30:18,549 --> 00:30:16,720
said many times on the podcast and knew

862
00:30:19,830 --> 00:30:18,559
our listeners to the podcast recently

863
00:30:21,350 --> 00:30:19,840

especially through the month of may

864

00:30:23,350 --> 00:30:21,360

we've had a lot of new listeners and

865

00:30:25,350 --> 00:30:23,360

viewers on youtube it wouldn't know the

866

00:30:27,750 --> 00:30:25,360

podcast logo is a sighting i had in the

867

00:30:29,510 --> 00:30:27,760

mid-90s in glasgow and there were five

868

00:30:31,990 --> 00:30:29,520

of us including my mum my sister and a

869

00:30:33,990 --> 00:30:32,000

friend and his mum and we saw basically

870

00:30:36,389 --> 00:30:34,000

a ferris wheel sized ufo about half a

871

00:30:38,710 --> 00:30:36,399

mile down the road um if you know uh

872

00:30:41,110 --> 00:30:38,720

knightswood in glasgow it was in a very

873

00:30:43,029 --> 00:30:41,120

built-up area lots of houses no fields

874

00:30:45,269 --> 00:30:43,039

and it was pretty much next to a leisure

875

00:30:47,110 --> 00:30:45,279

center and this thing was at a tilted

876

00:30:50,070 --> 00:30:47,120

angle spinning at an incredible speed

877

00:30:52,470 --> 00:30:50,080

now we all saw this it wasn't up in the

878

00:30:55,750 --> 00:30:52,480

sky it was pretty much on the ground and

879

00:30:57,990 --> 00:30:55,760

we looked at it noticed it and left we

880

00:30:58,870 --> 00:30:58,000

didn't stay to watch it we just observed

881

00:31:04,470 --> 00:30:58,880

it

882

00:31:05,990 --> 00:31:04,480

kid having an interest in ufos thought

883

00:31:07,669 --> 00:31:06,000

it was fascinating

884

00:31:09,190 --> 00:31:07,679

but we we just went on our way and

885

00:31:11,830 --> 00:31:09,200

walked home lost sight of it and that

886

00:31:13,509 --> 00:31:11,840

was it never disappeared never went away

887

00:31:15,190 --> 00:31:13,519

but i wonder do you see any

888

00:31:17,830 --> 00:31:15,200

commonalities in your your decades of

889

00:31:20,630 --> 00:31:17,840

research investigations where people who

890

00:31:22,470 --> 00:31:20,640

report or even don't report

891

00:31:23,990 --> 00:31:22,480

get a sense of they saw something

892

00:31:26,230 --> 00:31:24,000

because they were meant to see it but

893

00:31:27,909 --> 00:31:26,240

not necessarily talk about it

894

00:31:30,070 --> 00:31:27,919

or do you know you know

895

00:31:31,509 --> 00:31:30,080

i wonder is that a case of we saw that

896

00:31:34,310 --> 00:31:31,519

in an area there would have been lots of

897

00:31:35,430 --> 00:31:34,320

people but did not necessarily see the

898

00:31:36,149 --> 00:31:35,440

same thing

899

00:31:37,990 --> 00:31:36,159

well

900

00:31:39,909 --> 00:31:38,000

that's what makes this um

901
00:31:41,190 --> 00:31:39,919
the ufo phenomena

902
00:31:43,269 --> 00:31:41,200
so unusual

903
00:31:44,710 --> 00:31:43,279
i mean uh when you have incidents where

904
00:31:46,630 --> 00:31:44,720
half the country should have seen it

905
00:31:48,870 --> 00:31:46,640
only a handful of people will

906
00:31:50,310 --> 00:31:48,880
you know it is selective viewing it's an

907
00:31:51,990 --> 00:31:50,320
observer effect it's a conscious

908
00:31:54,230 --> 00:31:52,000
connection with the phenomenon certain

909
00:31:56,230 --> 00:31:54,240
people in the given area might see it

910
00:31:59,190 --> 00:31:56,240
when the majority wouldn't you know and

911
00:32:01,269 --> 00:31:59,200
that we do get many many times

912
00:32:02,630 --> 00:32:01,279
and there's a level and if you're tuned

913
00:32:05,190 --> 00:32:02,640

in with that level you're going to be an

914

00:32:06,950 --> 00:32:05,200

experiencer and see it

915

00:32:08,310 --> 00:32:06,960

and if you're not then you're not it's

916

00:32:09,750 --> 00:32:08,320

as simple as that i mean there's a big

917

00:32:11,350 --> 00:32:09,760

thing to say you know when you talk to

918

00:32:12,549 --> 00:32:11,360

people and say i've never seen anything

919

00:32:13,990 --> 00:32:12,559

in my life

920

00:32:16,389 --> 00:32:14,000

that's fine that's great that's

921

00:32:18,470 --> 00:32:16,399

wonderful but is that because of the way

922

00:32:20,070 --> 00:32:18,480

they are the way they think the way they

923

00:32:21,830 --> 00:32:20,080

observe the world

924

00:32:23,909 --> 00:32:21,840

because the person around the corner has

925

00:32:26,470 --> 00:32:23,919

been seeing them all his life

926
00:32:28,470 --> 00:32:26,480
you know and um and what's difference

927
00:32:30,710 --> 00:32:28,480
between these people you know

928
00:32:32,630 --> 00:32:30,720
there's these significant differences

929
00:32:34,389 --> 00:32:32,640
between certain people and i think this

930
00:32:36,310 --> 00:32:34,399
phenomena can target you can certainly

931
00:32:37,590 --> 00:32:36,320
target people to experience a phenomenon

932
00:32:39,430 --> 00:32:37,600
and others not

933
00:32:41,430 --> 00:32:39,440
uh all that there is in fact out there

934
00:32:42,789 --> 00:32:41,440
certain people which are just in tune

935
00:32:45,430 --> 00:32:42,799
with that type of frequency and

936
00:32:47,669 --> 00:32:45,440
consciousness at that moment in time to

937
00:32:48,470 --> 00:32:47,679
experience it i mean

938
00:32:52,630 --> 00:32:48,480

we

939

00:32:54,950 --> 00:32:52,640

don't know if they fully exist within

940

00:32:57,350 --> 00:32:54,960

our reality it would do for you when

941

00:32:59,269 --> 00:32:57,360

many of the people with you

942

00:33:00,870 --> 00:32:59,279

but if it did for everybody then you

943

00:33:02,470 --> 00:33:00,880

know you think off the country would

944

00:33:04,710 --> 00:33:02,480

have been reporting these things some of

945

00:33:05,830 --> 00:33:04,720

them are huge football field lengths in

946

00:33:07,750 --> 00:33:05,840

size

947

00:33:09,830 --> 00:33:07,760

and and they just don't because you want

948

00:33:11,990 --> 00:33:09,840

to get hand reported by four people

949

00:33:13,669 --> 00:33:12,000

passing on the bus one day and it's just

950

00:33:15,430 --> 00:33:13,679

it's so profound that's what makes it so

951
00:33:17,990 --> 00:33:15,440
profound it's phenomenal that it's much

952
00:33:19,909 --> 00:33:18,000
more than just the nuts and bolts crap

953
00:33:21,509 --> 00:33:19,919
um

954
00:33:24,149 --> 00:33:21,519
there is a new studies now that we're

955
00:33:25,909 --> 00:33:24,159
working on can i say that yeah i can say

956
00:33:27,990 --> 00:33:25,919
this yeah there's these new studies that

957
00:33:29,590 --> 00:33:28,000
are working on now it's called it's the

958
00:33:31,190 --> 00:33:29,600
we have specialized equipment which can

959
00:33:33,509 --> 00:33:31,200
create cause

960
00:33:36,630 --> 00:33:33,519
um to obtain data

961
00:33:38,950 --> 00:33:36,640
from chemical analysis from uap

962
00:33:41,590 --> 00:33:38,960
when you target uap with this equipment

963
00:33:44,230 --> 00:33:41,600

you can get a chemical analysis readout

964

00:33:45,590 --> 00:33:44,240

some of those chemical analysis readouts

965

00:33:47,909 --> 00:33:45,600

are

966

00:33:50,149 --> 00:33:47,919

pertaining to data

967

00:33:52,549 --> 00:33:50,159

which is identifiable as a living

968

00:33:54,710 --> 00:33:52,559

organism some of these things

969

00:33:57,110 --> 00:33:54,720

so the uap phenomenon is even to be

970

00:34:00,070 --> 00:33:57,120

broke down into structured craft living

971

00:34:02,230 --> 00:34:00,080

organisms plant intelligent plasma

972

00:34:03,190 --> 00:34:02,240

you know um we haven't got to that point

973

00:34:04,310 --> 00:34:03,200

yet but

974

00:34:06,630 --> 00:34:04,320

you know

975

00:34:08,389 --> 00:34:06,640

we would have to do that we've got to

976
00:34:10,230 --> 00:34:08,399
break it down because there seems to be

977
00:34:12,629 --> 00:34:10,240
a multitude of things you know high

978
00:34:14,389 --> 00:34:12,639
honest living organisms for one thing

979
00:34:16,710 --> 00:34:14,399
not to know about them people are

980
00:34:19,270 --> 00:34:16,720
experiencing i mean i'm reporting when

981
00:34:21,510 --> 00:34:19,280
they're usually pilots at 75 000 feet

982
00:34:23,030 --> 00:34:21,520
high you know stuff like that but

983
00:34:24,869 --> 00:34:23,040
yeah there's there's a lot of strange

984
00:34:27,750 --> 00:34:24,879
things in our atmosphere

985
00:34:29,750 --> 00:34:27,760
and but are they fully in our reality is

986
00:34:31,349 --> 00:34:29,760
a different question or not you know

987
00:34:33,190 --> 00:34:31,359
some are some aren't

988
00:34:35,510 --> 00:34:33,200

um and if you just talk about some of

989

00:34:36,869 --> 00:34:35,520

these incidents like um the phoenix

990

00:34:38,790 --> 00:34:36,879

lights incidents not only did we have

991

00:34:42,389 --> 00:34:38,800

the lights over the mountain range

992

00:34:43,829 --> 00:34:42,399

but we we had giant huge objects seen

993

00:34:46,069 --> 00:34:43,839

flying wings

994

00:34:48,790 --> 00:34:46,079

but they shimmered as they passed over

995

00:34:50,470 --> 00:34:48,800

literally a hundred feet above people um

996

00:34:51,909 --> 00:34:50,480

residential homes

997

00:34:53,270 --> 00:34:51,919

and these were so big they said that

998

00:34:55,829 --> 00:34:53,280

mitchell could land a

999

00:34:58,150 --> 00:34:55,839

a jet on one of the wings it's alone you

1000

00:35:00,310 --> 00:34:58,160

know acts as a runway

1001
00:35:02,150 --> 00:35:00,320
and but they've shimmered and there was

1002
00:35:04,230 --> 00:35:02,160
no radar readings from these things

1003
00:35:06,630 --> 00:35:04,240
apart at all not not from those who they

1004
00:35:08,710 --> 00:35:06,640
should have little radar systems like

1005
00:35:10,710 --> 00:35:08,720
christmas tree and apparently it didn't

1006
00:35:12,870 --> 00:35:10,720
um but then is that shimmer relating to

1007
00:35:14,470 --> 00:35:12,880
the skirting our reality

1008
00:35:16,630 --> 00:35:14,480
you know we might visually see them but

1009
00:35:18,710 --> 00:35:16,640
are they fully there in our reality you

1010
00:35:21,349 --> 00:35:18,720
know so and we got lots of reports like

1011
00:35:23,190 --> 00:35:21,359
that in the uap or ufo for knowing when

1012
00:35:24,470 --> 00:35:23,200
the kind of yes they are in our reality

1013
00:35:27,510 --> 00:35:24,480

one minute at the court on radar next

1014

00:35:29,190 --> 00:35:27,520

minute i'm not there the the army not

1015

00:35:31,670 --> 00:35:29,200

you know they have the capabilities this

1016

00:35:34,069 --> 00:35:31,680

phenomena to seemingly

1017

00:35:37,190 --> 00:35:34,079

jump out of our reality into theirs or

1018

00:35:38,150 --> 00:35:37,200

even just cusp it you know so we just

1019

00:35:39,670 --> 00:35:38,160

get the

1020

00:35:41,109 --> 00:35:39,680

you know we just might get one aspect

1021

00:35:43,109 --> 00:35:41,119

such as might see it but it doesn't

1022

00:35:45,430 --> 00:35:43,119

exist on radar it doesn't exist in a

1023

00:35:46,870 --> 00:35:45,440

physical sense some people have reported

1024

00:35:49,030 --> 00:35:46,880

aboriginal that some of these things

1025

00:35:50,630 --> 00:35:49,040

have seemed to become see-through

1026
00:35:52,390 --> 00:35:50,640
you know so we have to question that

1027
00:35:54,870 --> 00:35:52,400
their capabilities regarding our

1028
00:35:56,790 --> 00:35:54,880
physiological world might be massively

1029
00:35:58,150 --> 00:35:56,800
different you know so we've got a lot of

1030
00:36:00,150 --> 00:35:58,160
things that can it's not going to be

1031
00:36:01,910 --> 00:36:00,160
easy but we've got a lot of things to

1032
00:36:03,109 --> 00:36:01,920
contend with in the future regarding the

1033
00:36:05,030 --> 00:36:03,119
uap

1034
00:36:06,550 --> 00:36:05,040
and especially the talk about some of

1035
00:36:08,550 --> 00:36:06,560
these objects

1036
00:36:10,150 --> 00:36:08,560
experiencing time in a different way to

1037
00:36:12,550 --> 00:36:10,160
how we do could

1038
00:36:15,030 --> 00:36:12,560

could justify how they move and the the

1039

00:36:17,109 --> 00:36:15,040

tic tac famously was apparently moving

1040

00:36:19,190 --> 00:36:17,119

like a ping-pong ball inside of a glass

1041

00:36:20,710 --> 00:36:19,200

when it was hovering above the water and

1042

00:36:23,030 --> 00:36:20,720

people saying it was almost like a

1043

00:36:24,790 --> 00:36:23,040

glitch and dan who's on the podcast with

1044

00:36:26,390 --> 00:36:24,800

me mentioned that it seemed like a

1045

00:36:28,310 --> 00:36:26,400

mobile phone when you drop it and your

1046

00:36:30,630 --> 00:36:28,320

mobile phone for for people on youtube

1047

00:36:32,069 --> 00:36:30,640

you know will tumble and fall

1048

00:36:34,390 --> 00:36:32,079

and that seemed to be how the tic-tac

1049

00:36:36,069 --> 00:36:34,400

was moving until it noticed favor and

1050

00:36:37,910 --> 00:36:36,079

then it pointed up and straightened up

1051
00:36:39,589 --> 00:36:37,920
and maneuvered properly so

1052
00:36:41,349 --> 00:36:39,599
again it doesn't have to make sense and

1053
00:36:42,390 --> 00:36:41,359
necessarily be a craft moving from a to

1054
00:36:44,390 --> 00:36:42,400
b if this

1055
00:36:45,829 --> 00:36:44,400
crafts is moving through time and i

1056
00:36:48,069 --> 00:36:45,839
think that's something i've been talking

1057
00:36:49,910 --> 00:36:48,079
about abductions at times on the podcast

1058
00:36:51,190 --> 00:36:49,920
and people talk about abductions

1059
00:36:53,829 --> 00:36:51,200
happening to their family through

1060
00:36:56,310 --> 00:36:53,839
generations and you think why would a

1061
00:36:57,990 --> 00:36:56,320
ufo and some entities be interested in

1062
00:37:00,150 --> 00:36:58,000
your your grandchildren and your

1063
00:37:01,910 --> 00:37:00,160

grandparents and everything in between

1064

00:37:04,150 --> 00:37:01,920

well what if for them that was half an

1065

00:37:05,510 --> 00:37:04,160

hour but for you it's been 100 years of

1066

00:37:06,790 --> 00:37:05,520

your family but for them they've just

1067

00:37:08,550 --> 00:37:06,800

been dipping in and out the timeline

1068

00:37:10,150 --> 00:37:08,560

it's very very different

1069

00:37:11,349 --> 00:37:10,160

yeah i mean we say people have missing

1070

00:37:12,630 --> 00:37:11,359

their heart you know missing time for

1071

00:37:15,109 --> 00:37:12,640

like two hours but they could have been

1072

00:37:17,270 --> 00:37:15,119

just taken for for a minute yep you know

1073

00:37:18,550 --> 00:37:17,280

i mean if i'm in a minute on aircraft

1074

00:37:20,630 --> 00:37:18,560

you know wherever we are it could have

1075

00:37:22,310 --> 00:37:20,640

been like two hours out of time we'd you

1076

00:37:23,829 --> 00:37:22,320

know taking the account the term well

1077

00:37:25,829 --> 00:37:23,839

not really you know which is really

1078

00:37:27,430 --> 00:37:25,839

interesting but we do have evidence of

1079

00:37:29,190 --> 00:37:27,440

the time association the time

1080

00:37:30,950 --> 00:37:29,200

differentials in regard for now whenever

1081

00:37:32,390 --> 00:37:30,960

there's something known as a dt meter

1082

00:37:33,829 --> 00:37:32,400

now um

1083

00:37:37,589 --> 00:37:33,839

it's

1084

00:37:38,790 --> 00:37:37,599

a time displacement meter and when we

1085

00:37:41,430 --> 00:37:38,800

measure

1086

00:37:43,589 --> 00:37:41,440

um in locations where we've had recent

1087

00:37:45,750 --> 00:37:43,599

manifestation activity of the new ap

1088

00:37:47,510 --> 00:37:45,760

phenomena are you waiting for ufo for

1089

00:37:50,550 --> 00:37:47,520

the winner um

1090

00:37:52,390 --> 00:37:50,560

there is on some occasions latency which

1091

00:37:54,790 --> 00:37:52,400

is measurable might only be 18

1092

00:37:56,310 --> 00:37:54,800

milliseconds but it shouldn't exist

1093

00:37:58,470 --> 00:37:56,320

unless it's miniature black holes around

1094

00:38:00,470 --> 00:37:58,480

you know it just shouldn't exist so

1095

00:38:02,630 --> 00:38:00,480

there is an association with like we

1096

00:38:04,870 --> 00:38:02,640

were saying about time as well but you

1097

00:38:07,270 --> 00:38:04,880

know what we didn't we didn't suspect

1098

00:38:09,990 --> 00:38:07,280

our ancient ancestors there years and

1099

00:38:11,990 --> 00:38:10,000

years back you know by utilizing

1100

00:38:15,670 --> 00:38:12,000

key locations of energy geological

1101

00:38:18,150 --> 00:38:15,680

energies on the earth and also utilizing

1102

00:38:20,630 --> 00:38:18,160

the um the terahertz frequency from the

1103

00:38:21,990 --> 00:38:20,640

sun which we only get from rising sun or

1104

00:38:24,069 --> 00:38:22,000

settings on

1105

00:38:25,270 --> 00:38:24,079

and combining them in resonant chambers

1106

00:38:26,790 --> 00:38:25,280

and creating an

1107

00:38:28,470 --> 00:38:26,800

arm which is very difficult to deliver

1108

00:38:29,910 --> 00:38:28,480

now because the vocal cords have changed

1109

00:38:31,829 --> 00:38:29,920

of humans

1110

00:38:33,190 --> 00:38:31,839

and sometimes it takes years and we want

1111

00:38:34,390 --> 00:38:33,200

to look at the goodra manager if it

1112

00:38:36,230 --> 00:38:34,400

wants

1113

00:38:37,750 --> 00:38:36,240

takes about 20 years to learn it that's

1114

00:38:39,030 --> 00:38:37,760

even if you've got the vocal cords to do

1115

00:38:40,950 --> 00:38:39,040

it you know so

1116

00:38:42,230 --> 00:38:40,960

um but it's a combination of frequencies

1117

00:38:45,750 --> 00:38:42,240

two set different frequencies one

1118

00:38:47,349 --> 00:38:45,760

deliverable by one deliverable by vocal

1119

00:38:50,310 --> 00:38:47,359

and it's what we refer to as a double

1120

00:38:53,349 --> 00:38:50,320

lock system a double lock system

1121

00:38:55,670 --> 00:38:53,359

um takes place in the central point of

1122

00:38:59,510 --> 00:38:55,680

these resonant chambers

1123

00:39:01,270 --> 00:38:59,520

and allowing those individuals to have

1124

00:39:04,150 --> 00:39:01,280

the experience

1125

00:39:05,109 --> 00:39:04,160

um of communication with deities

1126

00:39:07,109 --> 00:39:05,119

now

1127

00:39:08,790 --> 00:39:07,119

that the process of that i mean it's

1128

00:39:10,550 --> 00:39:08,800

been done all over the world you know

1129

00:39:12,230 --> 00:39:10,560

and uh

1130

00:39:14,470 --> 00:39:12,240

and the same methods we're doing pretty

1131

00:39:16,390 --> 00:39:14,480

much i mean they're very very clever our

1132

00:39:18,069 --> 00:39:16,400

ancient ancestors of course you know

1133

00:39:20,310 --> 00:39:18,079

we're not as clever as them in that

1134

00:39:22,710 --> 00:39:20,320

sense because when though we've advanced

1135

00:39:25,030 --> 00:39:22,720

we've lost all the um

1136

00:39:26,829 --> 00:39:25,040

we've devolved internally you know

1137

00:39:28,950 --> 00:39:26,839

physiologically we're fine but

1138

00:39:30,950 --> 00:39:28,960

psychologically we've devolved

1139

00:39:33,030 --> 00:39:30,960

you know our ancient ancestors probably

1140

00:39:35,430 --> 00:39:33,040

could have even heard you know the

1141

00:39:39,190 --> 00:39:35,440

infrasonic sounds of planet earth yeah

1142

00:39:40,710 --> 00:39:39,200

it's uh at 7.83 hertz you know the human

1143

00:39:42,230 --> 00:39:40,720

resonance so

1144

00:39:43,510 --> 00:39:42,240

they could have probably picked i've

1145

00:39:45,190 --> 00:39:43,520

absolutely guaranteed it would have

1146

00:39:46,950 --> 00:39:45,200

picked up on that because these evidence

1147

00:39:49,349 --> 00:39:46,960

in the writings and the work and the

1148

00:39:52,150 --> 00:39:49,359

work that they've left behind in stone

1149

00:39:54,069 --> 00:39:52,160

it tells us that they must have had

1150

00:39:55,589 --> 00:39:54,079

knowledge of these frequencies where to

1151

00:39:56,550 --> 00:39:55,599

build things how to build things you

1152

00:39:58,550 --> 00:39:56,560

know and

1153

00:40:00,950 --> 00:39:58,560

of course we've lost that internally and

1154

00:40:03,430 --> 00:40:00,960

us here you know

1155

00:40:04,390 --> 00:40:03,440

sapien sapiens now

1156

00:40:06,630 --> 00:40:04,400

um

1157

00:40:10,550 --> 00:40:06,640

uh compared to our ancestors we're just

1158

00:40:12,550 --> 00:40:10,560

homo sapiens we've we've devolved in

1159

00:40:15,510 --> 00:40:12,560

in a psychological sense

1160

00:40:17,270 --> 00:40:15,520

but evolved in in another

1161

00:40:18,790 --> 00:40:17,280

and so we're trying to gather up i mean

1162

00:40:20,630 --> 00:40:18,800

a lot of our information doesn't lie in

1163

00:40:22,309 --> 00:40:20,640

the future it means to go back into the

1164

00:40:23,910 --> 00:40:22,319

past and learn about a bit about what

1165

00:40:25,109 --> 00:40:23,920

our ancients like you can't get that

1166

00:40:27,670 --> 00:40:25,119

from digging up an old boat

1167

00:40:29,430 --> 00:40:27,680

unfortunately you know television tell

1168

00:40:30,950 --> 00:40:29,440

us about you could do you know that the

1169

00:40:33,190 --> 00:40:30,960

consciousness the spirituality of what

1170

00:40:34,710 --> 00:40:33,200

we were capable of doing psychically and

1171

00:40:36,630 --> 00:40:34,720

can't do it from a bone nobody will ever

1172

00:40:38,630 --> 00:40:36,640

tell us i can't get that informational

1173

00:40:41,109 --> 00:40:38,640

thoughts right now but the evidence lies

1174

00:40:43,670 --> 00:40:41,119

behind it tells us that they were very

1175

00:40:45,430 --> 00:40:43,680

well aware of this phenomena and

1176

00:40:46,470 --> 00:40:45,440

interacted with this law sometimes they

1177

00:40:48,150 --> 00:40:46,480

didn't want to interact with this

1178

00:40:50,550 --> 00:40:48,160

phenomenon in certain places where they

1179

00:40:53,030 --> 00:40:50,560

destroyed their own

1180

00:40:54,790 --> 00:40:53,040

um locations where they were

1181

00:40:55,670 --> 00:40:54,800

having these communications with dancing

1182

00:40:57,829 --> 00:40:55,680

so

1183

00:41:00,150 --> 00:40:57,839

it's um it's a phenomenon it's tracked

1184

00:41:02,710 --> 00:41:00,160

through time over and over again and

1185

00:41:04,790 --> 00:41:02,720

perceived to exchange you know maybe in

1186

00:41:06,069 --> 00:41:04,800

years to come we'll change again you

1187

00:41:08,069 --> 00:41:06,079

know we won't have the grade we'll have

1188

00:41:10,950 --> 00:41:08,079

something else you know i mean where's

1189

00:41:12,230 --> 00:41:10,960

baseball is now yeah let me ask steve

1190

00:41:13,990 --> 00:41:12,240

it's an interesting point you mentioned

1191

00:41:16,950 --> 00:41:14,000

we it seemed to at one point i've had an

1192

00:41:18,470 --> 00:41:16,960

ability or a relationship with these

1193

00:41:20,390 --> 00:41:18,480

other beings whether you want to look at

1194

00:41:21,670 --> 00:41:20,400

chariots of the gods you know the the

1195

00:41:23,510 --> 00:41:21,680

pyramids and

1196

00:41:25,190 --> 00:41:23,520

stonehenge where are we communicating

1197

00:41:27,510 --> 00:41:25,200

with other beings that we then went on

1198

00:41:28,870 --> 00:41:27,520

to call gods and deities and various

1199

00:41:31,349 --> 00:41:28,880

religions were formed throughout the

1200

00:41:33,750 --> 00:41:31,359

world even to modern day cargo cults

1201
00:41:35,670 --> 00:41:33,760
where tribes in the jungle saw aircraft

1202
00:41:37,510 --> 00:41:35,680
of our own landing and thinking these

1203
00:41:39,349 --> 00:41:37,520
were incredible technologies that were

1204
00:41:40,870 --> 00:41:39,359
you know unimaginable and they built

1205
00:41:42,309 --> 00:41:40,880
runways to see if they would land again

1206
00:41:43,990 --> 00:41:42,319
but they never did because we didn't

1207
00:41:45,430 --> 00:41:44,000
need that piece of land

1208
00:41:46,950 --> 00:41:45,440
do you think we've gone from a place of

1209
00:41:49,190 --> 00:41:46,960
not needing the technology and having

1210
00:41:50,870 --> 00:41:49,200
that kind of spiritual connection to

1211
00:41:52,790 --> 00:41:50,880
whatever these things may have been

1212
00:41:54,390 --> 00:41:52,800
we've gone through a period of evolution

1213
00:41:56,470 --> 00:41:54,400

where we've gone away from that

1214

00:41:58,470 --> 00:41:56,480

spiritual side and consciousness side of

1215

00:42:00,069 --> 00:41:58,480

our any kind of connection to the

1216

00:42:01,829 --> 00:42:00,079

universe and we're moving into a more

1217

00:42:04,309 --> 00:42:01,839

technological age where now the

1218

00:42:05,990 --> 00:42:04,319

technology is getting to a point we can

1219

00:42:08,069 --> 00:42:06,000

replace that connection with the

1220

00:42:09,990 --> 00:42:08,079

technological side of things and maybe

1221

00:42:11,829 --> 00:42:10,000

we're going to get back away and maybe

1222

00:42:13,910 --> 00:42:11,839

that's why these sightings increase why

1223

00:42:16,150 --> 00:42:13,920

we can see these things better

1224

00:42:17,670 --> 00:42:16,160

what are your thoughts on that um well

1225

00:42:18,870 --> 00:42:17,680

you know i mean

1226

00:42:20,309 --> 00:42:18,880

there's always a worry when you're

1227

00:42:22,630 --> 00:42:20,319

referring to you know trump's

1228

00:42:24,069 --> 00:42:22,640

transhumanism and how artificial

1229

00:42:26,710 --> 00:42:24,079

intelligence might

1230

00:42:27,670 --> 00:42:26,720

help us achieve some things in many ways

1231

00:42:29,750 --> 00:42:27,680

it will

1232

00:42:31,510 --> 00:42:29,760

in other ways though it won't

1233

00:42:33,589 --> 00:42:31,520

i think you know one of the biggest

1234

00:42:34,870 --> 00:42:33,599

things that we're unaware of which is

1235

00:42:36,230 --> 00:42:34,880

geology

1236

00:42:38,790 --> 00:42:36,240

you know i mean we we know about this

1237

00:42:40,550 --> 00:42:38,800

phenomena i mean we realized we we got

1238

00:42:42,950 --> 00:42:40,560

on track with this

1239

00:42:44,790 --> 00:42:42,960

utilizing different satellites in orbit

1240

00:42:45,990 --> 00:42:44,800

looking at the gravitational anomalies

1241

00:42:52,069 --> 00:42:46,000

and

1242

00:42:54,950 --> 00:42:52,079

the colleague by fitzgerald worked on

1243

00:42:57,270 --> 00:42:54,960

that extensively and um and

1244

00:43:01,270 --> 00:42:57,280

cross-checked over 2000 different cases

1245

00:43:03,349 --> 00:43:01,280

worldwide with major ufo events and all

1246

00:43:06,069 --> 00:43:03,359

were taking place in areas which are

1247

00:43:07,430 --> 00:43:06,079

over 250 nano teslas

1248

00:43:09,270 --> 00:43:07,440

to realize

1249

00:43:11,670 --> 00:43:09,280

that those areas are have a low

1250

00:43:12,550 --> 00:43:11,680

bacterial area these are safe shelves

1251
00:43:13,829 --> 00:43:12,560
and so

1252
00:43:15,910 --> 00:43:13,839
if you're going to enter into an

1253
00:43:18,230 --> 00:43:15,920
environment you enter into a safe zone

1254
00:43:20,470 --> 00:43:18,240
and you leave on that safe zone so it's

1255
00:43:22,230 --> 00:43:20,480
it's kind of it's like i guess it's a

1256
00:43:24,150 --> 00:43:22,240
bit like um

1257
00:43:26,710 --> 00:43:24,160
a person might take you know the doctors

1258
00:43:29,109 --> 00:43:26,720
that do operations for example it's a a

1259
00:43:32,309 --> 00:43:29,119
very sterile zone you know these

1260
00:43:34,870 --> 00:43:32,319
these areas of over 250 nano teslas you

1261
00:43:36,950 --> 00:43:34,880
know um i mean bacteria doesn't like

1262
00:43:39,829 --> 00:43:36,960
positive magnetic

1263
00:43:41,670 --> 00:43:39,839

energy so it doesn't do many good uh so

1264

00:43:44,150 --> 00:43:41,680

therefore these are you know pretty much

1265

00:43:45,829 --> 00:43:44,160

safe cells as low bacteria levels are

1266

00:43:47,750 --> 00:43:45,839

um we know that they're manifesting in

1267

00:43:49,430 --> 00:43:47,760

these key locations but we weren't the

1268

00:43:50,790 --> 00:43:49,440

first to figure that out i mean philip

1269

00:43:53,270 --> 00:43:50,800

corso

1270

00:43:55,589 --> 00:43:53,280

who wrote david roswell

1271

00:43:57,670 --> 00:43:55,599

and he said in 1982 this is going back

1272

00:43:59,670 --> 00:43:57,680

sometime that the u.s government were

1273

00:44:01,670 --> 00:43:59,680

watching monitoring

1274

00:44:04,630 --> 00:44:01,680

at least between five and seven and

1275

00:44:06,870 --> 00:44:04,640

major uh magnetic positive magnetic

1276

00:44:09,349 --> 00:44:06,880

regions in association to ufo

1277

00:44:11,270 --> 00:44:09,359

manifestations um and i think they hit a

1278

00:44:12,710 --> 00:44:11,280

nail on the head there are key locations

1279

00:44:15,750 --> 00:44:12,720

around this planet

1280

00:44:16,950 --> 00:44:15,760

that um that seemingly have phenomena i

1281

00:44:18,710 --> 00:44:16,960

mean it's like we can go all the way

1282

00:44:20,630 --> 00:44:18,720

back to skinwalker ranch you know for

1283

00:44:23,349 --> 00:44:20,640

instance it's not about the ranch it's

1284

00:44:25,510 --> 00:44:23,359

about the ground it's about the location

1285

00:44:28,470 --> 00:44:25,520

and again it's a positive magnetic

1286

00:44:31,270 --> 00:44:28,480

region over 250 nano teslas um it's the

1287

00:44:32,950 --> 00:44:31,280

same for i know six ranchers actually

1288

00:44:35,430 --> 00:44:32,960

it's not just one there's six active

1289

00:44:36,790 --> 00:44:35,440

ones and and yeah skim skimwalker is

1290

00:44:38,870 --> 00:44:36,800

still active i mean

1291

00:44:41,630 --> 00:44:38,880

my colleague was there barry simmer

1292

00:44:44,470 --> 00:44:41,640

barry over and back went over in october

1293

00:44:46,550 --> 00:44:44,480

2019 a phenomenon is still going on but

1294

00:44:47,910 --> 00:44:46,560

it's it seems to have moved out towards

1295

00:44:50,630 --> 00:44:47,920

the ridgeline

1296

00:44:51,990 --> 00:44:50,640

um somewhat but uh it's still uh it's

1297

00:44:53,750 --> 00:44:52,000

still present

1298

00:44:55,190 --> 00:44:53,760

um and it is for these other ranchers as

1299

00:44:57,109 --> 00:44:55,200

well but it's not the ranches it's the

1300

00:44:58,550 --> 00:44:57,119

ground it's locations these active

1301

00:45:00,950 --> 00:44:58,560

locations where

1302

00:45:02,870 --> 00:45:00,960

there's these interactions now we could

1303

00:45:04,630 --> 00:45:02,880

say people like to say oh well these

1304

00:45:06,710 --> 00:45:04,640

portals and

1305

00:45:08,870 --> 00:45:06,720

though i don't really like the word even

1306

00:45:11,030 --> 00:45:08,880

nasa using the dial that they don't work

1307

00:45:12,870 --> 00:45:11,040

now i mean they confirmed through the

1308

00:45:15,349 --> 00:45:12,880

mms mission

1309

00:45:16,309 --> 00:45:15,359

of four satellites um

1310

00:45:18,630 --> 00:45:16,319

which

1311

00:45:20,630 --> 00:45:18,640

went out maybe about what what was that

1312

00:45:22,069 --> 00:45:20,640

now about about six five years ago or

1313

00:45:24,550 --> 00:45:22,079

something like that

1314

00:45:26,550 --> 00:45:24,560

that portals exist um not only are they

1315

00:45:28,069 --> 00:45:26,560

large but they are sustainable they use

1316

00:45:29,990 --> 00:45:28,079

the word portal

1317

00:45:33,510 --> 00:45:30,000

you know they they could confirm they're

1318

00:45:35,430 --> 00:45:33,520

real and so um

1319

00:45:37,510 --> 00:45:35,440

their professional name is it is an

1320

00:45:38,390 --> 00:45:37,520

electron diffusion region

1321

00:45:40,309 --> 00:45:38,400

and

1322

00:45:42,710 --> 00:45:40,319

what happens when it's sustainable well

1323

00:45:45,030 --> 00:45:42,720

you know start getting into the ideas of

1324

00:45:47,829 --> 00:45:45,040

sustaining wormhole technology and uh

1325

00:45:49,750 --> 00:45:47,839

and there is a lots of uh evidence

1326

00:45:51,750 --> 00:45:49,760

that's uh which nasa have got now in

1327

00:45:54,630 --> 00:45:51,760

other astronomical

1328

00:45:56,150 --> 00:45:54,640

uh departments to show that there's a

1329

00:45:57,349 --> 00:45:56,160

there's could be a lot of evidence to

1330

00:45:59,910 --> 00:45:57,359

wormhole

1331

00:46:01,829 --> 00:45:59,920

um initiation techniques and stuff like

1332

00:46:04,390 --> 00:46:01,839

that so it's it's getting very

1333

00:46:07,910 --> 00:46:04,400

interesting but this phenomena seems to

1334

00:46:10,470 --> 00:46:07,920

utilize key locations on planet earth

1335

00:46:12,069 --> 00:46:10,480

um and you can track that and you not

1336

00:46:14,069 --> 00:46:12,079

only when you go to those locations

1337

00:46:15,990 --> 00:46:14,079

though interestingly enough they're also

1338

00:46:18,550 --> 00:46:16,000

very potent in regarding paranormal

1339

00:46:20,230 --> 00:46:18,560

disturbances or cryptids or mysterious

1340

00:46:22,950 --> 00:46:20,240

disappearances and they say mysterious i

1341

00:46:25,829 --> 00:46:22,960

mean the most profound of disappearances

1342

00:46:28,230 --> 00:46:25,839

um and um and these these locations just

1343

00:46:30,710 --> 00:46:28,240

keep popping up and up again

1344

00:46:32,390 --> 00:46:30,720

so we visited those locations we thought

1345

00:46:33,589 --> 00:46:32,400

well okay if that's the case we'll put

1346

00:46:35,510 --> 00:46:33,599

it to the test

1347

00:46:38,470 --> 00:46:35,520

and we did and we witnessed phenomena

1348

00:46:39,990 --> 00:46:38,480

firsthand on numerous occasions but the

1349

00:46:41,589 --> 00:46:40,000

problem is is that you know it's a

1350

00:46:44,390 --> 00:46:41,599

massive dealing with that phenomenon

1351

00:46:46,550 --> 00:46:44,400

because we don't really know

1352

00:46:48,470 --> 00:46:46,560

what we're going to have i mean it's not

1353

00:46:50,470 --> 00:46:48,480

all love and light andy i can tell you

1354

00:46:51,990 --> 00:46:50,480

that you know but the problem is is that

1355

00:46:54,630 --> 00:46:52,000

within this subject there's a lot of

1356

00:46:56,470 --> 00:46:54,640

people want to push that forward the

1357

00:46:57,349 --> 00:46:56,480

love and light aspect

1358

00:47:04,230 --> 00:46:57,359

and

1359

00:47:06,390 --> 00:47:04,240

push under the carpet you know the the

1360

00:47:08,550 --> 00:47:06,400

ones which aren't haven't ended well for

1361

00:47:10,710 --> 00:47:08,560

people yeah you know not all you know is

1362

00:47:11,829 --> 00:47:10,720

and um and i have to look at the subject

1363

00:47:14,390 --> 00:47:11,839

as a whole

1364

00:47:16,309 --> 00:47:14,400
rather than just pick it aside here

1365

00:47:18,069 --> 00:47:16,319
uh and i can say it's very manipulative

1366

00:47:19,670 --> 00:47:18,079
it's very deceptive

1367

00:47:22,150 --> 00:47:19,680
and it's exactly the same manipulation

1368

00:47:24,549 --> 00:47:22,160
and deceptive i found within the same

1369

00:47:25,510 --> 00:47:24,559
circle experiments and stuff like that

1370

00:47:27,829 --> 00:47:25,520
um

1371

00:47:29,030 --> 00:47:27,839
which we took place for years it's the

1372

00:47:37,109 --> 00:47:29,040
same

1373

00:47:39,270 --> 00:47:37,119
the phenomena uses either side so

1374

00:47:40,710 --> 00:47:39,280
it makes it more intriguing to me you

1375

00:47:43,190 --> 00:47:40,720
know that there's these connections

1376

00:47:44,790 --> 00:47:43,200

between this phenomena um but it doesn't

1377

00:47:46,790 --> 00:47:44,800

help us when we're being delivered that

1378

00:47:48,549 --> 00:47:46,800

in that information you know that oh

1379

00:47:50,710 --> 00:47:48,559

well the other question over the planet

1380

00:47:52,390 --> 00:47:50,720

and that's okay i don't

1381

00:47:53,750 --> 00:47:52,400

where's the evidence for that well if

1382

00:47:55,109 --> 00:47:53,760

you want to search out all the evidence

1383

00:47:56,230 --> 00:47:55,119

for that i tell you where it comes from

1384

00:47:58,150 --> 00:47:56,240

comes from

1385

00:48:00,549 --> 00:47:58,160

the entities themselves

1386

00:48:02,710 --> 00:48:00,559

telling people oh yeah well we come from

1387

00:48:04,230 --> 00:48:02,720

here what we call them there you know

1388

00:48:06,069 --> 00:48:04,240

um

1389

00:48:08,470 --> 00:48:06,079

and i wouldn't believe that nor would i

1390

00:48:11,030 --> 00:48:08,480

believe information being passed to us

1391

00:48:13,270 --> 00:48:11,040

to be authentic around the sales table

1392

00:48:15,910 --> 00:48:13,280

when we got to a point where in advanced

1393

00:48:17,109 --> 00:48:15,920

studies of science circles and

1394

00:48:19,270 --> 00:48:17,119

communications instrumental

1395

00:48:20,630 --> 00:48:19,280

transcommunication and dvp direct

1396

00:48:23,030 --> 00:48:20,640

voicemail

1397

00:48:25,030 --> 00:48:23,040

the um the phenomena got to a point

1398

00:48:27,349 --> 00:48:25,040

where we could ask 10 questions and say

1399

00:48:29,589 --> 00:48:27,359

okay we can ask in 10 questions and it

1400

00:48:31,349 --> 00:48:29,599

delivered all answers all 10 answers

1401
00:48:34,390 --> 00:48:31,359
before we even gave the question because

1402
00:48:35,910 --> 00:48:34,400
it means it knows us in our mind the

1403
00:48:38,470 --> 00:48:35,920
phenomena can tell us anything you can

1404
00:48:40,150 --> 00:48:38,480
obtain it from us you know so

1405
00:48:42,309 --> 00:48:40,160
don't be shocked to be told that you

1406
00:48:44,069 --> 00:48:42,319
issue uncle or whatever because that's

1407
00:48:45,750 --> 00:48:44,079
what's in your mind you know you'll be

1408
00:48:48,549 --> 00:48:45,760
what you expect it to be just like a

1409
00:48:51,349 --> 00:48:48,559
pulse guys can seemingly manifest itself

1410
00:48:52,950 --> 00:48:51,359
to be something which is of a loss wrong

1411
00:48:54,710 --> 00:48:52,960
long-lost relative when it wasn't

1412
00:48:55,589 --> 00:48:54,720
initially at all in the first place you

1413
00:48:58,390 --> 00:48:55,599

know we

1414

00:49:00,470 --> 00:48:58,400

we created in a sense a tulpa to some

1415

00:49:04,710 --> 00:49:00,480

degrees you know so

1416

00:49:06,309 --> 00:49:04,720

um so it's it's very very tricky but um

1417

00:49:08,470 --> 00:49:06,319

we have to come up with new methods of

1418

00:49:09,589 --> 00:49:08,480

research and push forward project always

1419

00:49:11,589 --> 00:49:09,599

doing that

1420

00:49:13,349 --> 00:49:11,599

i mean we've got so much evidence now i

1421

00:49:17,109 --> 00:49:13,359

mean um

1422

00:49:18,549 --> 00:49:17,119

it's quite remarkable that the that

1423

00:49:21,109 --> 00:49:18,559

when we're dealing with an age-old

1424

00:49:22,790 --> 00:49:21,119

phenomena that's quite manipulative

1425

00:49:24,230 --> 00:49:22,800

he has its own agenda to do what he

1426

00:49:26,549 --> 00:49:24,240

wants to do

1427

00:49:28,630 --> 00:49:26,559

and has been conducting so under the

1428

00:49:31,030 --> 00:49:28,640

under the guise of so many different

1429

00:49:32,150 --> 00:49:31,040

disguises over the years

1430

00:49:33,910 --> 00:49:32,160

um

1431

00:49:36,150 --> 00:49:33,920

and they do get it wrong you know they

1432

00:49:37,990 --> 00:49:36,160

get it wrong sometimes uh a craft

1433

00:49:40,870 --> 00:49:38,000

appears and it's not big enough to carry

1434

00:49:42,390 --> 00:49:40,880

the occupants or it's got portholes and

1435

00:49:43,829 --> 00:49:42,400

rivets around and it didn't get that

1436

00:49:45,190 --> 00:49:43,839

right i mean you should have portholes

1437

00:49:46,790 --> 00:49:45,200

and rivers

1438

00:49:48,309 --> 00:49:46,800

so much you know treasure terrestrial

1439

00:49:49,190 --> 00:49:48,319

craft you don't expect to see it you

1440

00:49:51,190 --> 00:49:49,200

know so

1441

00:49:54,470 --> 00:49:51,200

um yeah again you get it wrong sometimes

1442

00:49:57,589 --> 00:49:54,480

it's not uh it's not a perfect situation

1443

00:49:59,670 --> 00:49:57,599

you know but um yeah that's

1444

00:50:01,910 --> 00:49:59,680

it it makes it all intriguing because no

1445

00:50:03,750 --> 00:50:01,920

matter what you were going to experience

1446

00:50:05,510 --> 00:50:03,760

whilst we were out there we experienced

1447

00:50:07,990 --> 00:50:05,520

it and i could say they could put a

1448

00:50:09,670 --> 00:50:08,000

lovely light show on they can glamour

1449

00:50:11,190 --> 00:50:09,680

you know but what are you going to be

1450

00:50:12,309 --> 00:50:11,200

aware of is that you know while she's

1451

00:50:14,230 --> 00:50:12,319

being glamored and looking at these

1452

00:50:16,230 --> 00:50:14,240

beautiful lives you've got to be aware

1453

00:50:17,670 --> 00:50:16,240

of what might be on the ground behind

1454

00:50:18,950 --> 00:50:17,680

you you know so

1455

00:50:20,870 --> 00:50:18,960

you just you don't know what type of

1456

00:50:22,630 --> 00:50:20,880

experience you're going to have um and

1457

00:50:24,790 --> 00:50:22,640

some people have had bad experiences so

1458

00:50:26,950 --> 00:50:24,800

i'm not a promoter about experiences of

1459

00:50:28,470 --> 00:50:26,960

the phenomena and when i go on lecture

1460

00:50:31,349 --> 00:50:28,480

around the world i'll deliver the

1461

00:50:33,430 --> 00:50:31,359

phenomena you know good bad take it as

1462

00:50:34,390 --> 00:50:33,440

it is you know it's not all love and

1463

00:50:35,990 --> 00:50:34,400

light

1464

00:50:37,910 --> 00:50:36,000

um and can we believe all the

1465

00:50:38,870 --> 00:50:37,920

information and

1466

00:50:40,470 --> 00:50:38,880

you know

1467

00:50:41,589 --> 00:50:40,480

they're very very tricky these things

1468

00:50:42,870 --> 00:50:41,599

sometimes

1469

00:50:44,950 --> 00:50:42,880

i'm going to put the link to your

1470

00:50:46,710 --> 00:50:44,960

contact in the desert presentation on

1471

00:50:48,150 --> 00:50:46,720

project doorway and another phenomena

1472

00:50:50,069 --> 00:50:48,160

that was involved that's available

1473

00:50:51,510 --> 00:50:50,079

online it'll be in the description for

1474

00:50:53,030 --> 00:50:51,520

for the show for anyone who wants to

1475

00:50:54,470 --> 00:50:53,040

check that out very interesting i've

1476
00:50:55,910 --> 00:50:54,480
managed to get through most of it myself

1477
00:50:57,990 --> 00:50:55,920
as well and just in researching this

1478
00:51:00,470 --> 00:50:58,000
show so um definitely check that out

1479
00:51:02,470 --> 00:51:00,480
folks you mentioned yourself before that

1480
00:51:05,109 --> 00:51:02,480
you felt you had

1481
00:51:07,589 --> 00:51:05,119
exhausted the ufo subject by the late

1482
00:51:09,349 --> 00:51:07,599
90s and then obviously you've come back

1483
00:51:11,750 --> 00:51:09,359
into it as your investigations and

1484
00:51:13,190 --> 00:51:11,760
research have gone on many would say and

1485
00:51:15,270 --> 00:51:13,200
i include myself in this as someone

1486
00:51:17,990 --> 00:51:15,280
who's had a lifelong interest in the ufo

1487
00:51:20,150 --> 00:51:18,000
topic that in 2017 the the new york

1488
00:51:22,390 --> 00:51:20,160

times article tour stars academy and

1489

00:51:24,470 --> 00:51:22,400

other things that happened at that time

1490

00:51:26,150 --> 00:51:24,480

for many changed the course of ufology

1491

00:51:28,549 --> 00:51:26,160

i've talked about at that point there'd

1492

00:51:30,230 --> 00:51:28,559

been a bit of a fork in the road that

1493

00:51:33,030 --> 00:51:30,240

there was one camp and one train of

1494

00:51:35,030 --> 00:51:33,040

thought for many and it sort of split at

1495

00:51:37,910 --> 00:51:35,040

that point and we're still seeing the

1496

00:51:39,750 --> 00:51:37,920

ramifications of that split now how have

1497

00:51:42,470 --> 00:51:39,760

you seen the subject change in just

1498

00:51:44,470 --> 00:51:42,480

those last kind of four or five years

1499

00:51:46,549 --> 00:51:44,480

um well you know i mean it's no longer

1500

00:51:48,309 --> 00:51:46,559

to hear the elephant in the room now you

1501
00:51:49,670 --> 00:51:48,319
know which is a good point

1502
00:51:51,349 --> 00:51:49,680
you know because you don't need to take

1503
00:51:54,150 --> 00:51:51,359
my word for it you know there's there's

1504
00:51:55,510 --> 00:51:54,160
plenty of people saying that uav exists

1505
00:51:56,950 --> 00:51:55,520
now so

1506
00:51:58,470 --> 00:51:56,960
um but

1507
00:51:59,829 --> 00:51:58,480
the problem for me is i don't know if

1508
00:52:01,349 --> 00:51:59,839
it's a real true phenomena we're

1509
00:52:04,630 --> 00:52:01,359
experiencing

1510
00:52:06,710 --> 00:52:04,640
um in in that test region of where the

1511
00:52:08,790 --> 00:52:06,720
naval military aircraft

1512
00:52:10,069 --> 00:52:08,800
do those types of things

1513
00:52:12,470 --> 00:52:10,079

um

1514

00:52:14,069 --> 00:52:12,480

i i'm not identifying it i've got it on

1515

00:52:15,270 --> 00:52:14,079

the shelf at the minute really to be

1516

00:52:18,069 --> 00:52:15,280

honest with you

1517

00:52:19,109 --> 00:52:18,079

and um i haven't concluded on it as yet

1518

00:52:20,790 --> 00:52:19,119

because

1519

00:52:22,630 --> 00:52:20,800

i'll tell you the reasons why i've seen

1520

00:52:24,069 --> 00:52:22,640

a very technological craft there moving

1521

00:52:26,630 --> 00:52:24,079

around you know it's probably more

1522

00:52:27,750 --> 00:52:26,640

likely drone type stuff

1523

00:52:30,150 --> 00:52:27,760

and

1524

00:52:32,710 --> 00:52:30,160

the craft was uh it was very interesting

1525

00:52:35,990 --> 00:52:32,720

that the pilots when reported the

1526
00:52:37,990 --> 00:52:36,000
tic-tacs and had four prongs underneath

1527
00:52:39,750 --> 00:52:38,000
you know and uh and suddenly they

1528
00:52:42,549 --> 00:52:39,760
disappeared from all

1529
00:52:44,790 --> 00:52:42,559
reference and stuff don't know why but

1530
00:52:46,790 --> 00:52:44,800
the original sightings portray that and

1531
00:52:49,349 --> 00:52:46,800
those four prongs are allowed like to be

1532
00:52:52,549 --> 00:52:49,359
pitop tubes pit up tubes are used for

1533
00:52:53,750 --> 00:52:52,559
gps navigation on on on unmanned

1534
00:52:56,069 --> 00:52:53,760
aircraft

1535
00:52:58,390 --> 00:52:56,079
um and can be utilized you know that

1536
00:53:01,270 --> 00:52:58,400
information can be fed from a satellite

1537
00:53:03,190 --> 00:53:01,280
in all but you know so um and then we

1538
00:53:05,349 --> 00:53:03,200

said well you know it's it's

1539

00:53:07,750 --> 00:53:05,359

the speeds can't be achieved by the

1540

00:53:10,710 --> 00:53:07,760

aircraft that we know today

1541

00:53:12,950 --> 00:53:10,720

um you know we can't reach ridiculous

1542

00:53:14,230 --> 00:53:12,960

speeds and uh

1543

00:53:16,549 --> 00:53:14,240

the problem is is that people don't do

1544

00:53:18,630 --> 00:53:16,559

enough research you know in 1963 you

1545

00:53:21,349 --> 00:53:18,640

know the david adair was making rockets

1546

00:53:24,309 --> 00:53:21,359

were troubling 8 450 miles an hour in

1547

00:53:26,630 --> 00:53:24,319

fact he left earth and hit space so fast

1548

00:53:28,470 --> 00:53:26,640

that he thought the rocket had blown up

1549

00:53:30,549 --> 00:53:28,480

uh on its pad

1550

00:53:32,549 --> 00:53:30,559

and he didn't expect a double explosion

1551
00:53:34,870 --> 00:53:32,559
because a double explosion came from not

1552
00:53:36,470 --> 00:53:34,880
only the launch of the this rocket but

1553
00:53:39,349 --> 00:53:36,480
it because he reached space so fast it

1554
00:53:40,950 --> 00:53:39,359
left a vacuum left a hollow vacuum which

1555
00:53:42,790 --> 00:53:40,960
collapsed from the top downwards to the

1556
00:53:45,750 --> 00:53:42,800
ground causing a double explosion blue

1557
00:53:47,030 --> 00:53:45,760
blue cows out the field took roofs off

1558
00:53:48,870 --> 00:53:47,040
you know

1559
00:53:54,230 --> 00:53:48,880
the generals are quite impressed about

1560
00:53:56,309 --> 00:53:54,240
those um those um magnetic uh engine

1561
00:53:58,230 --> 00:53:56,319
ones that can magnetically shielded

1562
00:54:01,270 --> 00:53:58,240
fusion containment engine

1563
00:54:02,309 --> 00:54:01,280

um that's technology in 1962 you know i

1564

00:54:03,910 --> 00:54:02,319

mean

1565

00:54:05,670 --> 00:54:03,920

let's not kid ourselves you know that

1566

00:54:06,950 --> 00:54:05,680

we've probably got technology you can't

1567

00:54:09,190 --> 00:54:06,960

do that

1568

00:54:11,750 --> 00:54:09,200

um can it move backwards and forwards in

1569

00:54:13,750 --> 00:54:11,760

such a way well can't be manned

1570

00:54:15,510 --> 00:54:13,760

surely can't demand

1571

00:54:18,069 --> 00:54:15,520

if that is the case but let me just go

1572

00:54:19,950 --> 00:54:18,079

back to the days of the stealth fighter

1573

00:54:23,190 --> 00:54:19,960

when stealth fighter was manufactured in

1574

00:54:25,510 --> 00:54:23,200

1973 we first saw in 1991 hit our

1575

00:54:27,430 --> 00:54:25,520

television screens during the 1991 gulf

1576

00:54:29,430 --> 00:54:27,440

war and we thought wow what the

1577

00:54:31,190 --> 00:54:29,440

americans got new toy you know

1578

00:54:33,349 --> 00:54:31,200

uh unbeknownst to us though about being

1579

00:54:36,470 --> 00:54:33,359

flying around the skies on test ranges

1580

00:54:39,349 --> 00:54:36,480

since 1973 and what they did is is that

1581

00:54:40,630 --> 00:54:39,359

on many occasions they can they competed

1582

00:54:43,270 --> 00:54:40,640

them against

1583

00:54:45,190 --> 00:54:43,280

pilots flying starfighters

1584

00:54:47,109 --> 00:54:45,200

and those pilots reported you know it's

1585

00:54:48,390 --> 00:54:47,119

a strange craft on identity five don't

1586

00:54:50,150 --> 00:54:48,400

know what it is as far as they were

1587

00:54:52,630 --> 00:54:50,160

concerned it was a ufo that was out

1588

00:54:55,349 --> 00:54:52,640

maneuvering them at incredible speeds

1589

00:54:57,109 --> 00:54:55,359

um and uh one minute was on radar that's

1590

00:54:58,870 --> 00:54:57,119

when you couldn't find it and it was

1591

00:55:01,829 --> 00:54:58,880

absolutely non-existent wow there it

1592

00:55:03,190 --> 00:55:01,839

goes again you know um you know in its

1593

00:55:04,710 --> 00:55:03,200

day

1594

00:55:06,230 --> 00:55:04,720

uh

1595

00:55:07,990 --> 00:55:06,240

they purposely peeing against these

1596

00:55:09,910 --> 00:55:08,000

pilots because it's a large scenario

1597

00:55:12,390 --> 00:55:09,920

they want to make sure

1598

00:55:13,270 --> 00:55:12,400

you know that uh how they can compete

1599

00:55:15,190 --> 00:55:13,280

you know

1600

00:55:16,549 --> 00:55:15,200

what they don't want and you want really

1601
00:55:18,150 --> 00:55:16,559
what they have to do is pilots not being

1602
00:55:19,670 --> 00:55:18,160
able to compete with it it shows that

1603
00:55:21,270 --> 00:55:19,680
technology works

1604
00:55:23,270 --> 00:55:21,280
i also know from the background from the

1605
00:55:25,589 --> 00:55:23,280
research that drone war

1606
00:55:28,630 --> 00:55:25,599
um technology has been going on since at

1607
00:55:30,950 --> 00:55:28,640
least 2015. i've got documentation from

1608
00:55:33,270 --> 00:55:30,960
israel saying that uh and don't get me

1609
00:55:35,910 --> 00:55:33,280
wrong the israelis are and afghanistan

1610
00:55:37,910 --> 00:55:35,920
is a very very good identify what ufos

1611
00:55:40,470 --> 00:55:37,920
are i mean and they don't have any

1612
00:55:44,470 --> 00:55:40,480
problem writing ufo down there many many

1613
00:55:47,030 --> 00:55:44,480

ufo documents from israel that say ufo

1614

00:55:49,430 --> 00:55:47,040

but there is also a spread of documents

1615

00:55:53,030 --> 00:55:49,440

military documents from israel military

1616

00:55:54,990 --> 00:55:53,040

bases which stipulate cia pulsate

1617

00:55:56,630 --> 00:55:55,000

pill-shaped drones

1618

00:55:58,710 --> 00:55:56,640

c-i-a

1619

00:56:00,390 --> 00:55:58,720

pill-shaped drones

1620

00:56:02,069 --> 00:56:00,400

and they couldn't catch them no doubt

1621

00:56:03,750 --> 00:56:02,079

being out maneuvered by them it was a

1622

00:56:06,789 --> 00:56:03,760

waste of time even scrambling jets to

1623

00:56:08,950 --> 00:56:06,799

try and get them away that was 2015. so

1624

00:56:11,109 --> 00:56:08,960

what are them and why did they call them

1625

00:56:12,789 --> 00:56:11,119

pill-shaped cia drones why do they call

1626

00:56:15,190 --> 00:56:12,799

them cia drones

1627

00:56:17,109 --> 00:56:15,200

you know what they had no problem saying

1628

00:56:19,510 --> 00:56:17,119

ufos on many other occasions but why did

1629

00:56:21,910 --> 00:56:19,520

this aci angel was very interesting

1630

00:56:23,510 --> 00:56:21,920

um i don't know i really really don't

1631

00:56:24,630 --> 00:56:23,520

know i mean what i can say is go back

1632

00:56:25,910 --> 00:56:24,640

and look at the times when these

1633

00:56:27,670 --> 00:56:25,920

incidents happen right from the first

1634

00:56:28,710 --> 00:56:27,680

tic tac incident

1635

00:56:31,190 --> 00:56:28,720

and

1636

00:56:31,990 --> 00:56:31,200

every time there was an incursion every

1637

00:56:33,270 --> 00:56:32,000

time

1638

00:56:36,630 --> 00:56:33,280

pilots

1639

00:56:39,510 --> 00:56:36,640

were um

1640

00:56:41,190 --> 00:56:39,520

painted against these craft so go out

1641

00:56:42,230 --> 00:56:41,200

there and come head to head with these

1642

00:56:44,069 --> 00:56:42,240

things

1643

00:56:46,069 --> 00:56:44,079

and there'd always been a recent

1644

00:56:47,910 --> 00:56:46,079

military installation

1645

00:56:50,150 --> 00:56:47,920

on board the roosevelt or the nimitz or

1646

00:56:52,390 --> 00:56:50,160

a number of other vessels in regarding

1647

00:56:54,230 --> 00:56:52,400

high-tech radar systems and numerous

1648

00:56:55,990 --> 00:56:54,240

different other pieces of

1649

00:56:57,829 --> 00:56:56,000

equipment

1650

00:56:59,349 --> 00:56:57,839

and it was always just after that

1651
00:57:01,349 --> 00:56:59,359
installation

1652
00:57:02,870 --> 00:57:01,359
um when pilots would encounter these

1653
00:57:03,990 --> 00:57:02,880
things it's like

1654
00:57:05,349 --> 00:57:04,000
wondering

1655
00:57:07,910 --> 00:57:05,359
and what are they trying to achieve now

1656
00:57:09,750 --> 00:57:07,920
is is this where they fitted new infra

1657
00:57:13,109 --> 00:57:09,760
new material

1658
00:57:15,030 --> 00:57:13,119
uh new radar systems and they want a

1659
00:57:17,510 --> 00:57:15,040
large scenario against some of the most

1660
00:57:19,829 --> 00:57:17,520
exotic aircraft that we have on planet

1661
00:57:21,430 --> 00:57:19,839
earth now which is probably pilotless

1662
00:57:23,829 --> 00:57:21,440
because that's the way to go

1663
00:57:25,910 --> 00:57:23,839

uh against some of the best pilots that

1664

00:57:27,990 --> 00:57:25,920

we have flying aircraft and there's

1665

00:57:30,069 --> 00:57:28,000

probably no comparison

1666

00:57:31,670 --> 00:57:30,079

um and i don't think we're the only ones

1667

00:57:33,349 --> 00:57:31,680

i think that china or russia have them

1668

00:57:35,030 --> 00:57:33,359

is plenty of paintings that they've got

1669

00:57:37,829 --> 00:57:35,040

to show that they've been working on

1670

00:57:40,230 --> 00:57:37,839

drone technology hyper hyper speed

1671

00:57:41,670 --> 00:57:40,240

hypersonic drone technology for the last

1672

00:57:42,710 --> 00:57:41,680

25 years

1673

00:57:45,349 --> 00:57:42,720

so

1674

00:57:46,950 --> 00:57:45,359

um i wouldn't want to place the bat and

1675

00:57:49,510 --> 00:57:46,960

they only

1676

00:57:51,829 --> 00:57:49,520

say okay it's the phenomena

1677

00:57:53,710 --> 00:57:51,839

because to me the ufo phenomena is one

1678

00:57:56,549 --> 00:57:53,720

that materializes

1679

00:57:57,990 --> 00:57:56,559

dematerializes it morphs it creates

1680

00:58:00,230 --> 00:57:58,000

certain infrastructure frequencies has

1681

00:58:02,309 --> 00:58:00,240

the observed effects and all these are

1682

00:58:03,510 --> 00:58:02,319

you know it can split sometimes some of

1683

00:58:05,270 --> 00:58:03,520

these things just

1684

00:58:07,349 --> 00:58:05,280

split into doing

1685

00:58:10,630 --> 00:58:07,359

you know it's it's remarkable so some of

1686

00:58:11,829 --> 00:58:10,640

the the phenomena but i'm not seeing it

1687

00:58:14,230 --> 00:58:11,839

present

1688

00:58:15,589 --> 00:58:14,240

in a location that could be like a new

1689

00:58:17,670 --> 00:58:15,599

area 51.

1690

00:58:19,430 --> 00:58:17,680

it's better than area 51 because you

1691

00:58:21,349 --> 00:58:19,440

can't fly over it

1692

00:58:23,190 --> 00:58:21,359

you can't take a ship through it so a

1693

00:58:24,870 --> 00:58:23,200

militarized zone

1694

00:58:26,710 --> 00:58:24,880

so you and you can't see it from land

1695

00:58:29,750 --> 00:58:26,720

because it's too far out you know it's

1696

00:58:31,430 --> 00:58:29,760

beyond the horizon the operations

1697

00:58:33,030 --> 00:58:31,440

uh it's not a perfect place that's the

1698

00:58:35,349 --> 00:58:33,040

best place probably on one of the best

1699

00:58:38,710 --> 00:58:35,359

places probably probably antarctica well

1700

00:58:41,190 --> 00:58:38,720

um to to conduct these things in a in a

1701
00:58:42,630 --> 00:58:41,200
very specific region only used by the

1702
00:58:44,950 --> 00:58:42,640
navy

1703
00:58:46,789 --> 00:58:44,960
for these particular tests

1704
00:58:49,190 --> 00:58:46,799
um i'm not

1705
00:58:51,750 --> 00:58:49,200
i'm on the shelf i'm on the show i'll

1706
00:58:54,069 --> 00:58:51,760
tell you i i really am um i was very

1707
00:58:55,349 --> 00:58:54,079
suspicious about a tip coming out i mean

1708
00:58:57,030 --> 00:58:55,359
um

1709
00:58:58,789 --> 00:58:57,040
when it first did because

1710
00:59:00,549 --> 00:58:58,799
the first thing that they did is on the

1711
00:59:02,789 --> 00:59:00,559
ttsa

1712
00:59:04,150 --> 00:59:02,799
is um they got a big conference together

1713
00:59:05,670 --> 00:59:04,160

and he went out to the world and he was

1714

00:59:07,349 --> 00:59:05,680

a big screen behind him showing his

1715

00:59:09,109 --> 00:59:07,359

object on the screen

1716

00:59:11,990 --> 00:59:09,119

and the photograph that was object on

1717

00:59:14,710 --> 00:59:12,000

the screen was a minor balloon yeah

1718

00:59:16,630 --> 00:59:14,720

and in fact it was my photo

1719

00:59:18,150 --> 00:59:16,640

and which had been taken for only one

1720

00:59:20,470 --> 00:59:18,160

place on the internet which was on the

1721

00:59:22,470 --> 00:59:20,480

jeff wren sightings website

1722

00:59:24,630 --> 00:59:22,480

um and it had not only been taken but

1723

00:59:26,390 --> 00:59:24,640

it's been manipulated been light blasted

1724

00:59:27,829 --> 00:59:26,400

and put up mused

1725

00:59:29,750 --> 00:59:27,839

and i couldn't believe it i saw it i

1726
00:59:31,430 --> 00:59:29,760
thought i'd go a second not even my team

1727
00:59:32,789 --> 00:59:31,440
would do that i'm not gonna be to do

1728
00:59:35,190 --> 00:59:32,799
that and we're talking supposed to be

1729
00:59:37,510 --> 00:59:35,200
talking about some of the most academic

1730
00:59:39,349 --> 00:59:37,520
science guys in the subject they were

1731
00:59:41,270 --> 00:59:39,359
lined up there on the stage

1732
00:59:43,589 --> 00:59:41,280
and i thought to myself how can he you

1733
00:59:46,069 --> 00:59:43,599
know something don't ring right here the

1734
00:59:47,829 --> 00:59:46,079
control over it now it's been perceived

1735
00:59:48,870 --> 00:59:47,839
so i was very very suspicious right from

1736
00:59:51,349 --> 00:59:48,880
day one

1737
00:59:54,309 --> 00:59:51,359
i mean you know it helps when i had a

1738
00:59:55,990 --> 00:59:54,319

relative it was a a top gun trainer and

1739

00:59:57,910 --> 00:59:56,000

uh flavor favorite was the top lung

1740

01:00:00,390 --> 00:59:57,920

trainer originally as well so

1741

01:00:01,430 --> 01:00:00,400

um i bought so as soon as i uncle man

1742

01:00:02,950 --> 01:00:01,440

and um

1743

01:00:04,630 --> 01:00:02,960

they tell me about how things work and

1744

01:00:06,309 --> 01:00:04,640

procedures sometimes yeah they just

1745

01:00:09,030 --> 01:00:06,319

don't know where they're going to go out

1746

01:00:11,190 --> 01:00:09,040

and uh repeated against they're always

1747

01:00:13,430 --> 01:00:11,200

always petered against new technology

1748

01:00:15,349 --> 01:00:13,440

all pilots are you know they'll never

1749

01:00:17,030 --> 01:00:15,359

say it they'll never say that on one day

1750

01:00:19,670 --> 01:00:17,040

i was told to just fly out to this zone

1751

01:00:22,069 --> 01:00:19,680

and then one bambingo i was up against

1752

01:00:24,630 --> 01:00:22,079

an f-22 raptor or whatever and i had

1753

01:00:26,630 --> 01:00:24,640

absolutely no chance uh they'll never

1754

01:00:28,069 --> 01:00:26,640

tell you that but that's what they do

1755

01:00:29,829 --> 01:00:28,079

you know it's a large scenario it's like

1756

01:00:31,109 --> 01:00:29,839

when you're in the in the army and they

1757

01:00:32,470 --> 01:00:31,119

take to go through the fight it's not

1758

01:00:33,829 --> 01:00:32,480

going to tell you that company b is

1759

01:00:36,390 --> 01:00:33,839

going to jump you halfway through you

1760

01:00:37,910 --> 01:00:36,400

know a live scenario so they can get the

1761

01:00:40,069 --> 01:00:37,920

right measurements and all the

1762

01:00:42,069 --> 01:00:40,079

information i mean and then you take all

1763

01:00:43,750 --> 01:00:42,079

that information and take it back in the

1764

01:00:45,670 --> 01:00:43,760

past when pilots had signs and it was

1765

01:00:47,589 --> 01:00:45,680

like don't talk about it you know it's

1766

01:00:49,109 --> 01:00:47,599

official secret don't talk about

1767

01:00:51,349 --> 01:00:49,119

in this occasion oh well we want the

1768

01:00:53,430 --> 01:00:51,359

information i'll let the pilots talk

1769

01:00:55,589 --> 01:00:53,440

and they were there within next to no

1770

01:00:57,030 --> 01:00:55,599

time to retrieve all that data how did

1771

01:00:58,309 --> 01:00:57,040

you get there so fast how did they know

1772

01:01:00,630 --> 01:00:58,319

about it so fast

1773

01:01:03,990 --> 01:01:00,640

and even just took it all away it all

1774

01:01:06,150 --> 01:01:04,000

sounds like an inside job so all the

1775

01:01:07,990 --> 01:01:06,160

right okay so i i appreciate everything

1776

01:01:10,710 --> 01:01:08,000

you've said okay because you're right

1777

01:01:13,109 --> 01:01:10,720

that i don't doubt that any military

1778

01:01:14,710 --> 01:01:13,119

test on their own because there's enough

1779

01:01:16,710 --> 01:01:14,720

evidence of that throughout history that

1780

01:01:18,230 --> 01:01:16,720

it's happened in various horrific ways

1781

01:01:20,549 --> 01:01:18,240

as well at times

1782

01:01:22,630 --> 01:01:20,559

technology-wise i imagine the technology

1783

01:01:25,910 --> 01:01:22,640

we have is incredible and no doubt would

1784

01:01:26,950 --> 01:01:25,920

mimic some of these ufos uaps movements

1785

01:01:28,870 --> 01:01:26,960

as well

1786

01:01:30,630 --> 01:01:28,880

regarding the tic tac event though

1787

01:01:32,789 --> 01:01:30,640

working backwards you mentioned how did

1788

01:01:34,390 --> 01:01:32,799

they know so the event was going on for

1789

01:01:35,349 --> 01:01:34,400

seven to ten days

1790

01:01:37,109 --> 01:01:35,359

and

1791

01:01:39,589 --> 01:01:37,119

apparently there were installations

1792

01:01:41,109 --> 01:01:39,599

along that seaboard that can monitor

1793

01:01:43,510 --> 01:01:41,119

ballistic missiles coming in from

1794

01:01:45,910 --> 01:01:43,520

elsewhere coming in through orbit so it

1795

01:01:48,630 --> 01:01:45,920

would be people have taken that the

1796

01:01:49,990 --> 01:01:48,640

incident happened with fravor and within

1797

01:01:52,870 --> 01:01:50,000

minutes they were on board and took that

1798

01:01:54,950 --> 01:01:52,880

information well if another installation

1799

01:01:56,710 --> 01:01:54,960

or organization was already aware of

1800

01:01:59,190 --> 01:01:56,720

these objects being there for seven to

1801
01:02:00,549 --> 01:01:59,200
ten days then they would have been aware

1802
01:02:02,230 --> 01:02:00,559
of what was happening and what was going

1803
01:02:03,670 --> 01:02:02,240
on and if there was movement and one of

1804
01:02:05,510 --> 01:02:03,680
them's broken away and there's been an

1805
01:02:06,950 --> 01:02:05,520
engagement so that that would answer

1806
01:02:09,270 --> 01:02:06,960
that one for me

1807
01:02:11,589 --> 01:02:09,280
quite reasonably the the drone

1808
01:02:13,670 --> 01:02:11,599
absolutely the us will have incredible

1809
01:02:15,109 --> 01:02:13,680
drone technology the russians i'm sure

1810
01:02:16,870 --> 01:02:15,119
they do but they're not using them right

1811
01:02:18,870 --> 01:02:16,880
now in an active war situation which is

1812
01:02:20,789 --> 01:02:18,880
interesting and telling given they're

1813
01:02:22,950 --> 01:02:20,799

quite happy to let their tanks get stuck

1814

01:02:25,190 --> 01:02:22,960

in the mud and embarrassing themselves

1815

01:02:27,589 --> 01:02:25,200

quite frankly technologically

1816

01:02:29,750 --> 01:02:27,599

the chinese is a funny one because chris

1817

01:02:32,150 --> 01:02:29,760

melon came out very intelligent man who

1818

01:02:34,390 --> 01:02:32,160

again on on these these subjects is more

1819

01:02:36,549 --> 01:02:34,400

or less and just actually a few days ago

1820

01:02:38,470 --> 01:02:36,559

declared again that the et hypothesis is

1821

01:02:40,150 --> 01:02:38,480

most likely when you look at all

1822

01:02:42,710 --> 01:02:40,160

scenarios on the table

1823

01:02:44,870 --> 01:02:42,720

he mentioned them some months ago that

1824

01:02:46,870 --> 01:02:44,880

if you look at a recent chinese rocket

1825

01:02:49,109 --> 01:02:46,880

failure they tried to launch a rocket

1826

01:02:51,829 --> 01:02:49,119

into space and ended up landing on a

1827

01:02:54,069 --> 01:02:51,839

rural road crushing the road defense and

1828

01:02:55,430 --> 01:02:54,079

almost going down a hillside you know

1829

01:02:57,349 --> 01:02:55,440

and he mentioned you know that's the

1830

01:02:58,870 --> 01:02:57,359

technology i'm looking at however to

1831

01:03:01,430 --> 01:02:58,880

counteract that argument from chris

1832

01:03:03,750 --> 01:03:01,440

mellon to be fair and for me not to boy

1833

01:03:05,430 --> 01:03:03,760

or just be one-sided a few weeks later

1834

01:03:06,950 --> 01:03:05,440

the chinese then launched a hypersonic

1835

01:03:09,670 --> 01:03:06,960

missile which flew around the earth that

1836

01:03:11,829 --> 01:03:09,680

the us apparently had no idea that they

1837

01:03:13,270 --> 01:03:11,839

had which i probably don't believe but

1838

01:03:14,630 --> 01:03:13,280

you know that's them keeping that to

1839

01:03:16,870 --> 01:03:14,640

themselves

1840

01:03:19,190 --> 01:03:16,880

the tic tic-tac itself potentially a

1841

01:03:21,589 --> 01:03:19,200

drone but why a 40-foot drone because

1842

01:03:23,190 --> 01:03:21,599

flavor reported the size of it for me

1843

01:03:25,270 --> 01:03:23,200

the fact that dropped from that height

1844

01:03:27,029 --> 01:03:25,280

to a dead stop as many of them did you

1845

01:03:29,190 --> 01:03:27,039

know it was raining ufos as kevin d as

1846

01:03:30,870 --> 01:03:29,200

garyvee he said again there's a

1847

01:03:33,029 --> 01:03:30,880

technological leap

1848

01:03:35,349 --> 01:03:33,039

that just seems more than 10 20 or 30

1849

01:03:36,950 --> 01:03:35,359

years to me or even 50 years

1850

01:03:39,190 --> 01:03:36,960

and some of the maneuverability that

1851
01:03:41,829 --> 01:03:39,200
we've not seen the data for but we've

1852
01:03:44,470 --> 01:03:41,839
heard the data for and it's that and i

1853
01:03:45,829 --> 01:03:44,480
think it's like a louis lozondo says

1854
01:03:47,430 --> 01:03:45,839
you're right that no doubt we have

1855
01:03:50,789 --> 01:03:47,440
technology that can go thousands of

1856
01:03:53,029 --> 01:03:50,799
miles an hour a thousand miles per hour

1857
01:03:53,910 --> 01:03:53,039
the dead stops the turns

1858
01:04:00,950 --> 01:03:53,920
the

1859
01:04:02,309 --> 01:04:00,960
russian or chinese technology

1860
01:04:04,230 --> 01:04:02,319
however i do

1861
01:04:05,910 --> 01:04:04,240
appreciate a lot of what you've said as

1862
01:04:07,990 --> 01:04:05,920
they know don't have tech

1863
01:04:09,510 --> 01:04:08,000

far superior than what we know

1864

01:04:10,950 --> 01:04:09,520

yeah i mean if you talk to researchers

1865

01:04:12,309 --> 01:04:10,960

all around the world andy and you'll say

1866

01:04:14,069 --> 01:04:12,319

okay you know i don't think then they'll

1867

01:04:15,589 --> 01:04:14,079

say yeah well you know because of the

1868

01:04:17,430 --> 01:04:15,599

maneuvers and now they did so many

1869

01:04:19,750 --> 01:04:17,440

things i don't really think it's our

1870

01:04:21,589 --> 01:04:19,760

technology but then we got to start to

1871

01:04:23,190 --> 01:04:21,599

question him about the um you know

1872

01:04:29,589 --> 01:04:23,200

secret space program you know

1873

01:04:33,510 --> 01:04:31,589

you know we got to say okay well i mean

1874

01:04:35,750 --> 01:04:33,520

i know that is um

1875

01:04:36,789 --> 01:04:35,760

i've seen the chinese

1876

01:04:40,390 --> 01:04:36,799

um

1877

01:04:41,990 --> 01:04:40,400

well it's a drone it's it's a handy

1878

01:04:43,670 --> 01:04:42,000

classic helicopter it looks like it

1879

01:04:46,069 --> 01:04:43,680

looks like a tic tac looks like it's a

1880

01:04:47,670 --> 01:04:46,079

black one actually um and it's roughly

1881

01:04:49,829 --> 01:04:47,680

about that same size to be honest with

1882

01:04:51,349 --> 01:04:49,839

you um no visible blades or anything it

1883

01:04:54,230 --> 01:04:51,359

was just a

1884

01:04:55,750 --> 01:04:54,240

pill-shaped black thing

1885

01:04:57,589 --> 01:04:55,760

that they had and that was about five

1886

01:04:59,990 --> 01:04:57,599

six or six years ago

1887

01:05:01,589 --> 01:05:00,000

um i mean you know there's 22 pieces of

1888

01:05:03,270 --> 01:05:01,599

video footage which is still left to

1889

01:05:04,950 --> 01:05:03,280

come out they've got they've got a film

1890

01:05:07,190 --> 01:05:04,960

of this not put it out there i've got

1891

01:05:08,710 --> 01:05:07,200

film i've got true film while everybody

1892

01:05:12,630 --> 01:05:08,720

was staring at the

1893

01:05:13,910 --> 01:05:12,640

the infrared images of a heat trace from

1894

01:05:16,150 --> 01:05:13,920

something that you couldn't identify

1895

01:05:18,150 --> 01:05:16,160

with tic-tac-shaped or not i was looking

1896

01:05:20,230 --> 01:05:18,160

at video footage taken from the location

1897

01:05:23,589 --> 01:05:20,240

because they've got real proper footage

1898

01:05:24,549 --> 01:05:23,599

yeah it's it is a tic-tac-shape they do

1899

01:05:27,109 --> 01:05:24,559

move

1900

01:05:27,829 --> 01:05:27,119

remarkably weird in the sky as if

1901

01:05:29,190 --> 01:05:27,839

they're

1902

01:05:30,549 --> 01:05:29,200

as if they

1903

01:05:32,470 --> 01:05:30,559

shouldn't have the capabilities to move

1904

01:05:33,190 --> 01:05:32,480

like that but you know you don't know if

1905

01:05:35,829 --> 01:05:33,200

they're

1906

01:05:38,150 --> 01:05:35,839

are they fully immersive within our

1907

01:05:39,109 --> 01:05:38,160

environment for what i mean why don't

1908

01:05:40,470 --> 01:05:39,119

you know

1909

01:05:42,390 --> 01:05:40,480

sometimes there's reports that they

1910

01:05:44,549 --> 01:05:42,400

don't even make awake they're entering

1911

01:05:45,910 --> 01:05:44,559

into the ocean why is that because

1912

01:05:47,670 --> 01:05:45,920

they're not connected with our physical

1913

01:05:49,510 --> 01:05:47,680

reality in some states something that's

1914

01:05:51,349 --> 01:05:49,520

not connected into our physical reality

1915

01:05:52,950 --> 01:05:51,359

can maneuver any hypersonic speed

1916

01:05:54,870 --> 01:05:52,960

backwards and forwards just as

1917

01:05:55,829 --> 01:05:54,880

apparitions can and anything else you

1918

01:05:58,710 --> 01:05:55,839

know i mean

1919

01:06:00,789 --> 01:05:58,720

we have a problem of of thinking that

1920

01:06:02,950 --> 01:06:00,799

everything is in the normal realistic

1921

01:06:05,270 --> 01:06:02,960

world that we're looking at and feel

1922

01:06:07,270 --> 01:06:05,280

when we experience something like that

1923

01:06:08,710 --> 01:06:07,280

but it might not necessarily be so it

1924

01:06:10,549 --> 01:06:08,720

might be the case that you know they can

1925

01:06:12,309 --> 01:06:10,559

pop in and pop out you might be able to

1926

01:06:14,470 --> 01:06:12,319

see these things they don't get them on

1927

01:06:17,109 --> 01:06:14,480

radar but just seeing them is not enough

1928

01:06:19,190 --> 01:06:17,119

to say to represent them in our reality

1929

01:06:21,510 --> 01:06:19,200

because there's no evidence sometimes to

1930

01:06:22,950 --> 01:06:21,520

expect you know we like to say you know

1931

01:06:24,390 --> 01:06:22,960

sometimes they might be seen to pass

1932

01:06:25,589 --> 01:06:24,400

through a solid item sometimes might

1933

01:06:26,470 --> 01:06:25,599

seem to go into the ocean not leave

1934

01:06:27,750 --> 01:06:26,480

awake

1935

01:06:30,829 --> 01:06:27,760

you know they're not connecting with the

1936

01:06:33,829 --> 01:06:30,839

physical reality around us you know

1937

01:06:35,829 --> 01:06:33,839

and we when we're dealing with something

1938

01:06:37,829 --> 01:06:35,839

like that then it's something i would

1939

01:06:40,069 --> 01:06:37,839

say is beyond

1940

01:06:41,510 --> 01:06:40,079

that is the phenomena if that's the case

1941

01:06:43,349 --> 01:06:41,520

you know um

1942

01:06:45,270 --> 01:06:43,359

but i'm not seeing enough i'm just a

1943

01:06:47,430 --> 01:06:45,280

kind of i'm just kind of on the seesaw

1944

01:06:49,589 --> 01:06:47,440

and do you know what i would love to i

1945

01:06:51,029 --> 01:06:49,599

would love to see more

1946

01:06:53,029 --> 01:06:51,039

to support

1947

01:06:55,029 --> 01:06:53,039

the phenomena that i'm used to

1948

01:06:57,270 --> 01:06:55,039

experiencing within

1949

01:07:00,950 --> 01:06:57,280

my research field in the uap

1950

01:07:02,789 --> 01:07:00,960

um as opposed to advanced technology

1951

01:07:04,470 --> 01:07:02,799

that's the problem i mean you know we we

1952

01:07:06,230 --> 01:07:04,480

talked about roswell and we say well you

1953

01:07:07,349 --> 01:07:06,240

know what it's been 75 years actually

1954

01:07:09,029 --> 01:07:07,359

this year

1955

01:07:11,270 --> 01:07:09,039

75 years

1956

01:07:13,029 --> 01:07:11,280

can we re replicate

1957

01:07:15,029 --> 01:07:13,039

a craft like that

1958

01:07:16,470 --> 01:07:15,039

um taking into consideration it only

1959

01:07:17,750 --> 01:07:16,480

takes two and a half years to build an

1960

01:07:19,829 --> 01:07:17,760

aircraft carrier

1961

01:07:21,750 --> 01:07:19,839

um and we know the size of them well you

1962

01:07:23,109 --> 01:07:21,760

know imagine having unlimited resources

1963

01:07:23,990 --> 01:07:23,119

the best money the best brains in the

1964

01:07:25,670 --> 01:07:24,000

world

1965

01:07:27,910 --> 01:07:25,680

i would say yeah i don't think it would

1966

01:07:29,910 --> 01:07:27,920

take too long to work out and back

1967

01:07:31,750 --> 01:07:29,920

engineer something as long as we've got

1968

01:07:34,309 --> 01:07:31,760

the properties

1969

01:07:35,109 --> 01:07:34,319

here on earth to create those things and

1970

01:07:38,230 --> 01:07:35,119

yeah

1971

01:07:39,910 --> 01:07:38,240

are going to be shouting at me if i

1972

01:07:43,270 --> 01:07:39,920

don't ask this you mentioned just before

1973

01:07:45,510 --> 01:07:43,280

that you've seen alternative footage was

1974

01:07:46,390 --> 01:07:45,520

that of the same tic tac event

1975

01:07:48,710 --> 01:07:46,400

no

1976

01:07:51,190 --> 01:07:48,720

i got independent footage from people on

1977

01:07:54,069 --> 01:07:51,200

the coastline the mexican shoreline

1978

01:07:58,069 --> 01:07:54,079

yeah and uh all the tic tacs in flight

1979

01:07:59,990 --> 01:07:58,079

color beautiful color daylight beautiful

1980

01:08:02,150 --> 01:08:00,000

why why doesn't that

1981

01:08:03,750 --> 01:08:02,160

why isn't it one online or why wouldn't

1982

01:08:06,309 --> 01:08:03,760

you release that the second one i'm

1983

01:08:08,309 --> 01:08:06,319

guessing is an obvious answer to

1984

01:08:11,510 --> 01:08:08,319

yeah

1985

01:08:13,349 --> 01:08:11,520

um i'm waiting for the other stuff i'm

1986

01:08:14,870 --> 01:08:13,359

waiting for them to be to release it so

1987

01:08:16,630 --> 01:08:14,880

i can match it up

1988

01:08:18,149 --> 01:08:16,640

you know but i've got it and i've you

1989

01:08:20,550 --> 01:08:18,159

know i've shown it a couple of times on

1990

01:08:22,309 --> 01:08:20,560

um in fact you might actually see it on

1991

01:08:24,470 --> 01:08:22,319

one of my presentations i have shown

1992

01:08:25,590 --> 01:08:24,480

yeah yeah recorded by a friend of mine

1993

01:08:29,269 --> 01:08:25,600

called uh

1994

01:08:31,349 --> 01:08:29,279

called amber it wasn't unbelievable

1995

01:08:34,789 --> 01:08:31,359

um

1996

01:08:36,550 --> 01:08:34,799

i've got color footage and i'm looking

1997

01:08:39,189 --> 01:08:36,560

at this daylight footage it's not too

1998

01:08:41,349 --> 01:08:39,199

far away it's pretty reasonably close

1999

01:08:43,510 --> 01:08:41,359

and um and yeah i've got better stuff

2000

01:08:45,189 --> 01:08:43,520

out there than than the than the navy

2001

01:08:47,030 --> 01:08:45,199

are putting out you know so

2002

01:08:49,349 --> 01:08:47,040

and and i also know from the top from

2003

01:08:52,309 --> 01:08:49,359

talking in circles with help

2004

01:08:54,070 --> 01:08:52,319

there's about 22 videos and they've got

2005

01:08:55,669 --> 01:08:54,080

which never been released

2006

01:08:57,269 --> 01:08:55,679

you know there's not just gun camera

2007

01:08:58,789 --> 01:08:57,279

infrared footage you've got you've got

2008

01:09:01,910 --> 01:08:58,799

all sorts of stuff but i'm not releasing

2009

01:09:04,630 --> 01:09:01,920

it um i am suspicious absolutely yeah i

2010

01:09:06,709 --> 01:09:04,640

mean i look through all the dating times

2011

01:09:08,070 --> 01:09:06,719

of when these incidents take place

2012

01:09:10,630 --> 01:09:08,080

there's always installation of stuff

2013

01:09:13,269 --> 01:09:10,640

that's happening um i'm one i'm just

2014

01:09:15,030 --> 01:09:13,279

looking for a key element to take place

2015

01:09:17,749 --> 01:09:15,040

because you know i

2016

01:09:19,510 --> 01:09:17,759

when i look back at main breaks and

2017

01:09:21,669 --> 01:09:19,520

naval operations i've had these

2018

01:09:24,149 --> 01:09:21,679

encounters in uab before

2019

01:09:25,749 --> 01:09:24,159

and not like that they've always been

2020

01:09:27,829 --> 01:09:25,759

very different

2021

01:09:29,590 --> 01:09:27,839

you know to the point where ufo uh a

2022

01:09:32,070 --> 01:09:29,600

disc shaped object was hovering nobody

2023

01:09:33,110 --> 01:09:32,080

you were seen in the sky

2024

01:09:39,030 --> 01:09:33,120

then

2025

01:09:41,349 --> 01:09:39,040

apparition of a person was seen who gave

2026

01:09:43,349 --> 01:09:41,359

naval officers information pertaining to

2027

01:09:45,110 --> 01:09:43,359

the engine of the ussr together was

2028

01:09:46,950 --> 01:09:45,120

going to blow up the following day

2029

01:09:48,630 --> 01:09:46,960

uh her new and he walked off just

2030

01:09:51,189 --> 01:09:48,640

through the hall

2031

01:09:54,149 --> 01:09:51,199

uh part and parcel of the ufc phenomena

2032

01:09:55,910 --> 01:09:54,159

and the apparition again come together

2033

01:09:57,189 --> 01:09:55,920

and it was only when the information

2034

01:09:59,189 --> 01:09:57,199

happened and he went and checked he

2035

01:10:00,390 --> 01:09:59,199

realized that if he doesn't act upon it

2036

01:10:01,990 --> 01:10:00,400

it would have

2037

01:10:03,990 --> 01:10:02,000

the the server together would have gone

2038

01:10:06,149 --> 01:10:04,000

down following day that now that's

2039

01:10:08,149 --> 01:10:06,159

extremely well documented it's got

2040

01:10:10,390 --> 01:10:08,159

numerous different official

2041

01:10:12,310 --> 01:10:10,400

naval people involved here

2042

01:10:13,750 --> 01:10:12,320

um and it's a very well known incident i

2043

01:10:16,070 --> 01:10:13,760

mean that's just one i mean you could

2044

01:10:17,990 --> 01:10:16,080

get into main breaks or even better but

2045

01:10:19,430 --> 01:10:18,000

you know but and then

2046

01:10:23,110 --> 01:10:19,440

this

2047

01:10:24,709 --> 01:10:23,120

and all that sort of thing

2048

01:10:25,830 --> 01:10:24,719

you know the most recent one was the

2049

01:10:27,350 --> 01:10:25,840

there was a

2050

01:10:28,870 --> 01:10:27,360

one particular naval aircraft was

2051

01:10:32,950 --> 01:10:28,880

swarmed

2052

01:10:35,750 --> 01:10:32,960

saying

2053

01:10:37,590 --> 01:10:35,760

um and um

2054

01:10:39,510 --> 01:10:37,600

and then there was a reference to

2055

01:10:41,270 --> 01:10:39,520

kind of saying well maybe that the

2056

01:10:43,270 --> 01:10:41,280

drones were

2057

01:10:45,189 --> 01:10:43,280

um

2058

01:10:46,709 --> 01:10:45,199

drills you can buy it was done for

2059

01:10:49,189 --> 01:10:46,719

people on land

2060

01:10:51,110 --> 01:10:49,199

uh but i talked to a drone expert and he

2061

01:10:53,350 --> 01:10:51,120

said there's absolutely no way we

2062

01:10:55,910 --> 01:10:53,360

haven't got drones in the public

2063

01:10:57,750 --> 01:10:55,920

you know just out for the public to buy

2064

01:10:59,990 --> 01:10:57,760

with the capabilities of flying that

2065

01:11:03,669 --> 01:11:00,000

length of time so we doing those

2066

01:11:05,669 --> 01:11:03,679

maneuvers and having so many do those

2067

01:11:07,510 --> 01:11:05,679

over that distance is just impossible i

2068

01:11:09,990 --> 01:11:07,520

had to get something else

2069

01:11:11,030 --> 01:11:10,000

um so i agree yeah yeah i agree i don't

2070

01:11:15,270 --> 01:11:11,040

know

2071

01:11:17,270 --> 01:11:15,280

drones what's different about them who

2072

01:11:19,110 --> 01:11:17,280

makes them refer them to drones

2073

01:11:21,510 --> 01:11:19,120

at this moment in time we don't know if

2074

01:11:24,630 --> 01:11:21,520

the tic tac is uh piloted

2075

01:11:27,830 --> 01:11:24,640

we have no idea if it's piloted or not

2076

01:11:30,709 --> 01:11:27,840

the maneuvers would suggest no if it's

2077

01:11:31,669 --> 01:11:30,719

you know under our normal physics

2078

01:11:33,830 --> 01:11:31,679

and

2079

01:11:35,510 --> 01:11:33,840

also that in some cases some of the

2080

01:11:36,790 --> 01:11:35,520

phenomena doesn't seem to interact with

2081

01:11:38,709 --> 01:11:36,800

the physics of

2082

01:11:40,630 --> 01:11:38,719

of its environment

2083

01:11:42,630 --> 01:11:40,640

which would lead me to believe yet some

2084

01:11:44,070 --> 01:11:42,640

of these things might be

2085

01:11:45,830 --> 01:11:44,080

the phenomena

2086

01:11:47,270 --> 01:11:45,840

um but i'm not seeing that connects to

2087

01:11:48,950 --> 01:11:47,280

tic-tac

2088

01:11:51,270 --> 01:11:48,960

yeah sure

2089

01:11:53,430 --> 01:11:51,280

yeah maybe some of the other bits more

2090

01:11:54,870 --> 01:11:53,440

um so a bit like that you know there are

2091

01:11:56,709 --> 01:11:54,880

some wonderful toys out there i know

2092

01:11:59,189 --> 01:11:56,719

we've got rain i know we've not not only

2093

01:12:01,669 --> 01:11:59,199

made our invisibility actual visible

2094

01:12:03,430 --> 01:12:01,679

visual invisibility now

2095

01:12:05,110 --> 01:12:03,440

um that's manufactured it's been out

2096

01:12:07,510 --> 01:12:05,120

there for a long time

2097

01:12:09,350 --> 01:12:07,520

uh amongst lots of other wonderful toys

2098

01:12:12,310 --> 01:12:09,360

and what they're building utilizing

2099

01:12:14,790 --> 01:12:12,320

metamaterials now and a newfound study

2100

01:12:16,550 --> 01:12:14,800

um who knows who really knows what's

2101
01:12:18,470 --> 01:12:16,560
actually out there and what's being used

2102
01:12:20,390 --> 01:12:18,480
i mean it's yeah at the end of the day

2103
01:12:22,229 --> 01:12:20,400
we probably will never know

2104
01:12:24,070 --> 01:12:22,239
you know it's probably for at least

2105
01:12:25,510 --> 01:12:24,080
another 50 or 100 years if we're looking

2106
01:12:27,270 --> 01:12:25,520
so you know because it is such a

2107
01:12:28,630 --> 01:12:27,280
technological jump

2108
01:12:30,390 --> 01:12:28,640
um but i would say we've got some

2109
01:12:32,790 --> 01:12:30,400
wonderful toys but the question is if we

2110
01:12:33,669 --> 01:12:32,800
have those wonderful toys where are they

2111
01:12:36,070 --> 01:12:33,679
you know

2112
01:12:38,470 --> 01:12:36,080
are they being seen are they being shown

2113
01:12:39,669 --> 01:12:38,480

um i've got a really good in some really

2114

01:12:42,310 --> 01:12:39,679

good there's a really good image on that

2115

01:12:44,070 --> 01:12:42,320

presentation there of uh of an object

2116

01:12:47,669 --> 01:12:44,080

scene over florida

2117

01:12:49,910 --> 01:12:47,679

of october 2019 which we analyzed and

2118

01:12:51,750 --> 01:12:49,920

it's a very close-up of an object which

2119

01:12:54,630 --> 01:12:51,760

defies

2120

01:12:56,390 --> 01:12:54,640

normal lift quit moving through the sky

2121

01:12:58,630 --> 01:12:56,400

doesn't have any numbers lettering or

2122

01:12:59,910 --> 01:12:58,640

identification on it and it's clearly

2123

01:13:01,990 --> 01:12:59,920

looks like something that comes straight

2124

01:13:03,830 --> 01:13:02,000

out of a star wars film but it's there

2125

01:13:05,510 --> 01:13:03,840

there's 20 of different witnesses it was

2126
01:13:07,270 --> 01:13:05,520
a live event at the top place everybody

2127
01:13:10,709 --> 01:13:07,280
was recording it

2128
01:13:11,990 --> 01:13:10,719
and and it was seen um i would say if

2129
01:13:13,590 --> 01:13:12,000
you know for those people i will look at

2130
01:13:15,270 --> 01:13:13,600
that presentation

2131
01:13:17,510 --> 01:13:15,280
uh look at that object taking over

2132
01:13:19,430 --> 01:13:17,520
florida that is

2133
01:13:21,669 --> 01:13:19,440
our technology

2134
01:13:23,750 --> 01:13:21,679
you know but um

2135
01:13:25,669 --> 01:13:23,760
you know as to what else it could be you

2136
01:13:27,510 --> 01:13:25,679
know is who knows

2137
01:13:29,189 --> 01:13:27,520
hopefully over a period of time i'll see

2138
01:13:31,750 --> 01:13:29,199

something that will lead me to trigger

2139

01:13:33,030 --> 01:13:31,760

well okay i'm going to go that way is

2140

01:13:34,550 --> 01:13:33,040

or i'm going to go that way it's more

2141

01:13:36,709 --> 01:13:34,560

technological

2142

01:13:39,030 --> 01:13:36,719

at this moment i wouldn't really want to

2143

01:13:41,030 --> 01:13:39,040

call it to be honest that is all for

2144

01:13:42,950 --> 01:13:41,040

this week's show thank you very much for

2145

01:13:45,750 --> 01:13:42,960

listening please remember to leave the

2146

01:13:48,550 --> 01:13:45,760

podcaster review on your chosen platform

2147

01:13:50,630 --> 01:13:48,560

you can like retweet and subscribe that

2148

01:13:52,630 --> 01:13:50,640

would all be very much appreciated the

2149

01:13:54,630 --> 01:13:52,640

shows are being uploaded onto youtube as

2150

01:13:57,189 --> 01:13:54,640

we speak more and more you can sign up

2151
01:13:59,910 --> 01:13:57,199
at patreon.com forward slash that ufo

2152
01:14:02,149 --> 01:13:59,920
podcast to access shows ad free as well

2153
01:14:04,950 --> 01:14:02,159
please get in touch on twitter facebook

2154
01:14:08,630 --> 01:14:04,960
instagram that ufo podcast of course on

2155
01:14:10,550 --> 01:14:08,640
twitter it's at ufo uap am and again

2156
01:14:12,820 --> 01:14:10,560
folks as always keep looking up you

2157
01:14:34,310 --> 01:14:12,830
never know what you might see

2158
01:14:34,320 --> 01:14:43,530
i don't think he expected me

2159
01:14:43,540 --> 01:15:21,830
[Music]

2160
01:15:21,840 --> 01:15:28,740
scare me

2161
01:15:49,750 --> 01:15:35,150
[Music]

2162
01:15:58,860 --> 01:15:53,310
open your mind consider your heart

2163
01:15:58,870 --> 01:16:18,870

[Music]

2164

01:16:22,880 --> 01:16:20,790

it wasn't a tic tac and not quite a

2165

01:16:33,810 --> 01:16:22,890

saucer

2166

01:16:33,820 --> 01:16:55,030

[Music]

2167

01:16:55,040 --> 01:16:58,820

so
