STEVE MERA
AWAKENING EXPO/RESEARCHER

1
00:00:11,350 --> 00:00:03,830
hi this is sean cahill and you're

2
00:00:14,150 --> 00:00:12,709
steve there's a lot of stuff i want to

3
00:00:15,430 --> 00:00:14,160
get to including an awakening we're

4
00:00:17,029 --> 00:00:15,440
going to speak about in just a moment

5
00:00:18,470 --> 00:00:17,039
but a lot of things i wanted to follow

6
00:00:20,230 --> 00:00:18,480
up on with you there i've made a few

7
00:00:21,990 --> 00:00:20,240
notes and i think that's one for for

8
00:00:23,429 --> 00:00:22,000
down the line if you would do me uh the

9
00:00:25,910 --> 00:00:23,439
pleasure of coming back on to speak

10
00:00:27,429 --> 00:00:25,920
about a variety of different things

11
00:00:30,230 --> 00:00:27,439
i want to ask just before we get to

12
00:00:33,430 --> 00:00:30,240
awakening recent hearings in the u.s a

13
00:00:36,630 --> 00:00:33,440

couple of weeks ago or on ufos or uaps

14

00:00:38,709 --> 00:00:36,640

happened in the congress how did those

15

00:00:40,150 --> 00:00:38,719

meet your expectations of of what was

16

00:00:42,830 --> 00:00:40,160

going to happen

17

00:00:44,549 --> 00:00:42,840

yeah okay well i watched them

18

00:00:47,190 --> 00:00:44,559

um and to be honest i thought it was

19

00:00:51,270 --> 00:00:49,029

same old thing going round and round and

20

00:00:53,670 --> 00:00:51,280

round yeah we had debates on out on

21

00:00:57,189 --> 00:00:53,680

objects in the sky with aircraft back in

22

00:00:58,630 --> 00:00:57,199

the 1940s 44 45.6

23

00:01:00,470 --> 00:00:58,640

you know with the food fighters and that

24

00:01:02,150 --> 00:01:00,480

type of stuff you know um

25

00:01:04,229 --> 00:01:02,160

it's just a regurgitation so we're

26

00:01:05,670 --> 00:01:04,239

backing it's just a replay of historical

27

00:01:07,350 --> 00:01:05,680

events going over and over it might be

28

00:01:09,270 --> 00:01:07,360

under a new name of uap but we're still

29

00:01:11,429 --> 00:01:09,280

back in the same situation ignore the

30

00:01:12,870 --> 00:01:11,439

last 70 years and rebooting the sense of

31

00:01:15,030 --> 00:01:12,880

speaking but

32

00:01:17,109 --> 00:01:15,040

they showed two pieces of two or three

33

00:01:19,990 --> 00:01:17,119

pieces of video footage all along

34

00:01:21,590 --> 00:01:20,000

absolutely useless all lousy

35

00:01:23,429 --> 00:01:21,600

you know to the point where well why

36

00:01:25,830 --> 00:01:23,439

show one where you can identify when you

37

00:01:27,910 --> 00:01:25,840

can identify what it is if it's infrared

38

00:01:29,590 --> 00:01:27,920

and it's causing triangular shapes for

39

00:01:31,510 --> 00:01:29,600

this lens and why even show it i've got

40

00:01:33,990 --> 00:01:31,520

better stuff yeah i've got better stuff

41

00:01:36,230 --> 00:01:34,000

here it could have shown a lot hearing

42

00:01:39,190 --> 00:01:36,240

um and asking questions about you know

43

00:01:41,190 --> 00:01:39,200

well you know the ic icbms being

44

00:01:43,109 --> 00:01:41,200

affected by europe it was like what what

45

00:01:45,109 --> 00:01:43,119

well we don't know about that we haven't

46

00:01:46,389 --> 00:01:45,119

been we haven't got paperwork on that

47

00:01:48,310 --> 00:01:46,399

hello where have you been for the last

48

00:01:49,270 --> 00:01:48,320

70 years you know this is how this is

49

00:01:52,149 --> 00:01:49,280

why

50

00:01:55,350 --> 00:01:52,159

it's so darn important that we we hang

51
00:01:59,109 --> 00:01:55,360
on to that we don't lose it 17 years or

52
00:02:00,550 --> 00:01:59,119
whatever information is so so important

53
00:02:03,030 --> 00:02:00,560
because we can go back and say well i

54
00:02:04,149 --> 00:02:03,040
got a second tell you what you do i'll

55
00:02:05,429 --> 00:02:04,159
give you the feed of information that

56
00:02:06,550 --> 00:02:05,439
failed don't even have to go to love

57
00:02:08,550 --> 00:02:06,560
with him i'll give him your pal here

58
00:02:11,029 --> 00:02:08,560
they are yeah there's 40 pages of

59
00:02:13,670 --> 00:02:11,039
documentary these generals these

60
00:02:15,030 --> 00:02:13,680
captains these lieutenants you name them

61
00:02:17,270 --> 00:02:15,040
right there's a big long list of all

62
00:02:18,949 --> 00:02:17,280
these people are involved it's trackable

63
00:02:20,869 --> 00:02:18,959

data you can go back and look at you can

64

00:02:22,550 --> 00:02:20,879

see the investigation you can see the

65

00:02:24,150 --> 00:02:22,560

conclusions you can see the results and

66

00:02:25,990 --> 00:02:24,160

they're signed off and they're official

67

00:02:28,309 --> 00:02:26,000

documents if i can find them for the

68

00:02:31,030 --> 00:02:28,319

foia these guys they should be able to

69

00:02:32,229 --> 00:02:31,040

have them in pet other planet no problem

70

00:02:34,790 --> 00:02:32,239

and that's the problem of ignoring the

71

00:02:36,790 --> 00:02:34,800

last 70 years yeah well we need data we

72

00:02:39,030 --> 00:02:36,800

need to find out new information and no

73

00:02:41,030 --> 00:02:39,040

you don't you know it's all there yeah

74

00:02:42,949 --> 00:02:41,040

you can call it a different name but

75

00:02:44,790 --> 00:02:42,959

still the same phenomena and the problem

76
00:02:46,309 --> 00:02:44,800
for me is now is that you know the cars

77
00:02:49,030 --> 00:02:46,319
it doesn't seem to be anybody's really

78
00:02:51,110 --> 00:02:49,040
pushing to say okay what is it

79
00:02:52,309 --> 00:02:51,120
and where do we go from now everyone's

80
00:02:53,670 --> 00:02:52,319
talking about a threat to that threat to

81
00:02:56,070 --> 00:02:53,680
that threat well we've always had the

82
00:02:57,430 --> 00:02:56,080
threat to that threat you know um when's

83
00:02:58,550 --> 00:02:57,440
the last time you ever took down an

84
00:03:00,470 --> 00:02:58,560
aircraft

85
00:03:01,830 --> 00:03:00,480
i don't really know where they

86
00:03:04,070 --> 00:03:01,840
you know um

87
00:03:05,350 --> 00:03:04,080
and what is that threat well the problem

88
00:03:07,589 --> 00:03:05,360

for me is is that when you generate

89

00:03:09,270 --> 00:03:07,599

enough threat it creates money because a

90

00:03:11,509 --> 00:03:09,280

defensive program has to take place in a

91

00:03:13,670 --> 00:03:11,519

defensive program when it's a threat

92

00:03:15,350 --> 00:03:13,680

cost trillions

93

00:03:18,390 --> 00:03:15,360

now trillions could be very usefully

94

00:03:20,470 --> 00:03:18,400

plowed into the warring of uh

95

00:03:22,470 --> 00:03:20,480

of space you know weaponry weaponizing

96

00:03:25,190 --> 00:03:22,480

space though that they keep playing

97

00:03:26,710 --> 00:03:25,200

every single year for it and again knock

98

00:03:29,509 --> 00:03:26,720

back through congress because it has to

99

00:03:31,670 --> 00:03:29,519

break the 1976 street the u.s treaty has

100

00:03:34,070 --> 00:03:31,680

space treaty act which is putting that

101
00:03:35,830 --> 00:03:34,080
purposely to stop any money from anybody

102
00:03:38,550 --> 00:03:35,840
from manipulating

103
00:03:40,309 --> 00:03:38,560
and monopolizing their space they're

104
00:03:41,750 --> 00:03:40,319
already doing it that's why space force

105
00:03:42,949 --> 00:03:41,760
came forward not because they're going

106
00:03:44,309 --> 00:03:42,959
to do it that's because we're already

107
00:03:46,309 --> 00:03:44,319
doing it we can't keep a lid on it

108
00:03:47,430 --> 00:03:46,319
anymore so many defense contractors that

109
00:03:49,509 --> 00:03:47,440
know about it eventually it's going to

110
00:03:51,030 --> 00:03:49,519
spill let's make it official

111
00:03:52,630 --> 00:03:51,040
and then we'll bring it out so space

112
00:03:54,710 --> 00:03:52,640
force is official now because the first

113
00:03:56,710 --> 00:03:54,720

satellite i know was weaponized placing

114

00:03:58,149 --> 00:03:56,720

c1965

115

00:04:00,550 --> 00:03:58,159

you know and that was linked in project

116

00:04:02,710 --> 00:04:00,560

moondust blue fly in gemini

117

00:04:04,789 --> 00:04:02,720

um and that was all linked into wright

118

00:04:06,309 --> 00:04:04,799

patterson air force base study of the

119

00:04:08,949 --> 00:04:06,319

phenomena so

120

00:04:11,190 --> 00:04:08,959

it's not you but defense money you've

121

00:04:12,550 --> 00:04:11,200

got to get you've got to play a story to

122

00:04:14,229 --> 00:04:12,560

get it to be honest with you and there's

123

00:04:15,429 --> 00:04:14,239

no better than the threat at the moment

124

00:04:16,550 --> 00:04:15,439

everyone keeps saying threat to that

125

00:04:18,469 --> 00:04:16,560

threat

126

00:04:20,390 --> 00:04:18,479

uh and my question is well you know even

127

00:04:21,830 --> 00:04:20,400

joining the second world war

128

00:04:23,189 --> 00:04:21,840

when we encountered this film what

129

00:04:24,150 --> 00:04:23,199

threat was they

130

00:04:26,870 --> 00:04:24,160

that was a

131

00:04:27,749 --> 00:04:26,880

high high demand of threat at that time

132

00:04:29,430 --> 00:04:27,759

well

133

00:04:31,990 --> 00:04:29,440

are they talking about icbms and

134

00:04:35,030 --> 00:04:32,000

wellbeing is a demonstration of power or

135

00:04:38,230 --> 00:04:35,040

or what's going on you know because uh

136

00:04:39,909 --> 00:04:38,240

you know is that is that a threat plague

137

00:04:41,670 --> 00:04:39,919

playing devil's advocate steve uh you

138

00:04:43,510 --> 00:04:41,680

may have heard this louis lozando in the

139

00:04:45,830 --> 00:04:43,520

past has talked about the the muddy

140

00:04:47,749 --> 00:04:45,840

prince that if you know if you wake up

141

00:04:49,110 --> 00:04:47,759

in the morning and there are money boot

142

00:04:50,790 --> 00:04:49,120

prints all through your house which was

143

00:04:53,270 --> 00:04:50,800

totally locked up totally secured you've

144

00:04:54,950 --> 00:04:53,280

got the best cctv and you've got the

145

00:04:57,189 --> 00:04:54,960

wife and kids you know and they're in

146

00:04:59,510 --> 00:04:57,199

their bed and the next morning nothing's

147

00:05:01,270 --> 00:04:59,520

moved no one was harmed but those muddy

148

00:05:03,670 --> 00:05:01,280

boot prints are there you're going to

149

00:05:05,270 --> 00:05:03,680

feel threatened because you don't know

150

00:05:07,029 --> 00:05:05,280

what it was you don't know who it was

151
00:05:09,830 --> 00:05:07,039
you don't know why they were there but

152
00:05:11,510 --> 00:05:09,840
you know something managed to penetrate

153
00:05:13,029 --> 00:05:11,520
your kind of secure

154
00:05:15,029 --> 00:05:13,039
living area

155
00:05:16,950 --> 00:05:15,039
and if you just blow that up to a

156
00:05:19,029 --> 00:05:16,960
government a powerful government or any

157
00:05:20,870 --> 00:05:19,039
government and you have a military which

158
00:05:22,550 --> 00:05:20,880
gets billions and trillions spent on it

159
00:05:24,550 --> 00:05:22,560
and you have you have all this fantastic

160
00:05:26,629 --> 00:05:24,560
technology you talk about that that we

161
00:05:28,310 --> 00:05:26,639
do have and any government and country

162
00:05:30,950 --> 00:05:28,320
has especially the us the chinese the

163
00:05:32,870 --> 00:05:30,960

russians um

164

00:05:35,270 --> 00:05:32,880

would you not understand again i'll play

165

00:05:37,189 --> 00:05:35,280

devil's advocate that you would perceive

166

00:05:39,110 --> 00:05:37,199

that as a threat that there seems to be

167

00:05:41,350 --> 00:05:39,120

something else something better

168

00:05:44,550 --> 00:05:41,360

regardless of the the actual intent

169

00:05:46,469 --> 00:05:44,560

being known at as a threat um

170

00:05:49,430 --> 00:05:46,479

i think anybody would perceive it to be

171

00:05:51,270 --> 00:05:49,440

a threat yeah absolutely but um i mean

172

00:05:52,390 --> 00:05:51,280

internally though you know there was

173

00:05:56,390 --> 00:05:52,400

that exactly the same thing was

174

00:05:58,870 --> 00:05:56,400

happening 10 20 30 40 50 60 70 years ago

175

00:06:00,950 --> 00:05:58,880

exactly the same thing you know the

176
00:06:03,830 --> 00:06:00,960
the government u.s government we were

177
00:06:05,590 --> 00:06:03,840
very well versed in regarding what is

178
00:06:07,189 --> 00:06:05,600
really a threat or not

179
00:06:09,189 --> 00:06:07,199
because it's the same threat they had on

180
00:06:11,510 --> 00:06:09,199
the table 70 years ago and they're still

181
00:06:13,270 --> 00:06:11,520
back in the same place so what's new

182
00:06:14,950 --> 00:06:13,280
while all of a sudden is such an effort

183
00:06:16,950 --> 00:06:14,960
in regarding our world is a threat i

184
00:06:18,950 --> 00:06:16,960
mean it was 70 years ago with aircraft

185
00:06:21,390 --> 00:06:18,960
and flying around you know commercial

186
00:06:23,670 --> 00:06:21,400
aircraft and military aircraft you know

187
00:06:26,230 --> 00:06:23,680
misidentifying them as we flew across

188
00:06:29,110 --> 00:06:26,240

europe which was under the shape program

189

00:06:32,070 --> 00:06:29,120

you know where which has been monitored

190

00:06:32,870 --> 00:06:32,080

um but it's exactly the same if it is a

191

00:06:35,670 --> 00:06:32,880

threat

192

00:06:37,590 --> 00:06:35,680

when nothing happens in the last 17

193

00:06:39,590 --> 00:06:37,600

years and it's still a threat i mean the

194

00:06:41,909 --> 00:06:39,600

thing is is that you know

195

00:06:44,150 --> 00:06:41,919

when once we venture into the sky and we

196

00:06:47,029 --> 00:06:44,160

we experience this phenomena

197

00:06:50,469 --> 00:06:47,039

and it hasn't changed it

198

00:06:52,550 --> 00:06:50,479

hasn't changed its routine it's always

199

00:06:53,350 --> 00:06:52,560

maintained what it wants to maintain you

200

00:06:55,670 --> 00:06:53,360

know

201
00:06:57,749 --> 00:06:55,680
um we're not seeing something new at the

202
00:07:00,230 --> 00:06:57,759
new deliverable threat what we're seeing

203
00:07:03,189 --> 00:07:00,240
is it is the same offer

204
00:07:05,430 --> 00:07:03,199
that something is in our skies um

205
00:07:07,189 --> 00:07:05,440
and it could cause this and it could

206
00:07:08,950 --> 00:07:07,199
cause that well yeah i mean and that's

207
00:07:12,070 --> 00:07:08,960
always been the same

208
00:07:13,909 --> 00:07:12,080
for me at the hierarchy i would say

209
00:07:16,070 --> 00:07:13,919
in that if i was in the government i'd

210
00:07:17,830 --> 00:07:16,080
be looking at that and saying well it

211
00:07:19,430 --> 00:07:17,840
might be deliverable to the general

212
00:07:21,749 --> 00:07:19,440
public as a threat

213
00:07:23,830 --> 00:07:21,759

but really on record it's the same old

214

00:07:25,749 --> 00:07:23,840

same old same old same old which has

215

00:07:26,870 --> 00:07:25,759

been going on for last 70 years if not

216

00:07:29,350 --> 00:07:26,880

longer

217

00:07:31,110 --> 00:07:29,360

um and nothing happened throughout those

218

00:07:34,309 --> 00:07:31,120

generations

219

00:07:36,390 --> 00:07:34,319

so why are there not also now is it the

220

00:07:38,150 --> 00:07:36,400

determination for the threat

221

00:07:40,550 --> 00:07:38,160

it could be that you know that it's just

222

00:07:42,469 --> 00:07:40,560

a matter of you want to get any money

223

00:07:44,790 --> 00:07:42,479

into a research program you've got to

224

00:07:46,790 --> 00:07:44,800

show something or make it worthy to do

225

00:07:48,150 --> 00:07:46,800

so and it might be because you know

226

00:07:50,869 --> 00:07:48,160

there is lots of money it could be

227

00:07:53,189 --> 00:07:50,879

plowed into some form of research here

228

00:07:54,150 --> 00:07:53,199

or into the defense program

229

00:07:55,189 --> 00:07:54,160

i mean what does that mean does that

230

00:07:57,029 --> 00:07:55,199

mean that they want to they want to

231

00:07:58,710 --> 00:07:57,039

build

232

00:08:01,749 --> 00:07:58,720

weaponize

233

00:08:03,350 --> 00:08:01,759

objects in space uh so that they can fly

234

00:08:05,270 --> 00:08:03,360

down on these objects because they're

235

00:08:06,550 --> 00:08:05,280

moving so fast they have to use mesa

236

00:08:07,909 --> 00:08:06,560

weaponry they're never going to reach

237

00:08:10,629 --> 00:08:07,919

them by missile

238

00:08:13,029 --> 00:08:10,639

you know and we saw probably elements of

239

00:08:14,790 --> 00:08:13,039

that back in the sts forces from the

240

00:08:16,710 --> 00:08:14,800

1990s

241

00:08:17,749 --> 00:08:16,720

you know probably finally makes a weapon

242

00:08:20,150 --> 00:08:17,759

that leaves somebody who's object

243

00:08:21,510 --> 00:08:20,160

lennies can still help me with them

244

00:08:23,189 --> 00:08:21,520

so what about the reports of the

245

00:08:25,189 --> 00:08:23,199

obviously nuclear weapons being turned

246

00:08:27,270 --> 00:08:25,199

on and off again as our technologies

247

00:08:29,110 --> 00:08:27,280

improved and like you said if not

248

00:08:31,189 --> 00:08:29,120

actively as far as we know we should

249

00:08:33,350 --> 00:08:31,199

clap as you know clarify that done

250

00:08:35,509 --> 00:08:33,360

anything directly threatening but again

251
00:08:37,430 --> 00:08:35,519
speaking with my generals hat on here

252
00:08:39,190 --> 00:08:37,440
who's in charge of a nuclear arsenal the

253
00:08:41,350 --> 00:08:39,200
same thing yeah i'm looking going but

254
00:08:44,470 --> 00:08:41,360
these can turn off our best and most

255
00:08:46,710 --> 00:08:44,480
advanced weaponry again that's to me i

256
00:08:48,310 --> 00:08:46,720
would perceive that as a threat being in

257
00:08:50,550 --> 00:08:48,320
the military being in the government so

258
00:08:53,829 --> 00:08:50,560
i again i i appreciate that point of

259
00:08:55,110 --> 00:08:53,839
view and 70 75 years potentially longer

260
00:08:57,269 --> 00:08:55,120
if you go back to egyptian times

261
00:08:59,030 --> 00:08:57,279
biblical times and even before that

262
00:09:00,949 --> 00:08:59,040
have these you know cave paintings for

263
00:09:03,350 --> 00:09:00,959

god's sake you know

264

00:09:05,030 --> 00:09:03,360

is that a long time for them

265

00:09:06,550 --> 00:09:05,040

maybe they are just observing maybe it's

266

00:09:08,470 --> 00:09:06,560

not and for us look at the the

267

00:09:10,790 --> 00:09:08,480

advancements in that 70 years we've made

268

00:09:12,949 --> 00:09:10,800

technologically it just maybe comes to a

269

00:09:14,470 --> 00:09:12,959

point it's interesting i mean what's

270

00:09:15,350 --> 00:09:14,480

interesting is that when they analyze

271

00:09:17,190 --> 00:09:15,360

those

272

00:09:19,190 --> 00:09:17,200

nuclear warheads

273

00:09:21,829 --> 00:09:19,200

and what they found was i mean they do a

274

00:09:23,190 --> 00:09:21,839

completely intact the nuclear warheads

275

00:09:25,030 --> 00:09:23,200

you know i mean you take some getting

276

00:09:26,230 --> 00:09:25,040

into but they were completely intact

277

00:09:28,710 --> 00:09:26,240

it's only when they actually took them

278

00:09:31,430 --> 00:09:28,720

apart what's inside that wires and

279

00:09:33,990 --> 00:09:31,440

things had been physically moved

280

00:09:35,990 --> 00:09:34,000

how does things physically move inside

281

00:09:38,230 --> 00:09:36,000

it's like it's a paranormal actions

282

00:09:40,150 --> 00:09:38,240

taking place inside the warhead

283

00:09:42,389 --> 00:09:40,160

deliverable by

284

00:09:44,870 --> 00:09:42,399

some beams of light we're coming from an

285

00:09:46,790 --> 00:09:44,880

object again it's just so profound but

286

00:09:51,910 --> 00:09:46,800

is it is it

287

00:09:53,190 --> 00:09:51,920

is it a demonstration of force um

288

00:09:56,310 --> 00:09:53,200

i don't know i don't know what the

289

00:09:57,430 --> 00:09:56,320

intent is behind it it's problematic

290

00:10:01,910 --> 00:09:57,440

um

291

00:10:03,430 --> 00:10:01,920

they've been offline and then suddenly

292

00:10:05,110 --> 00:10:03,440

just come back all right the last

293

00:10:05,990 --> 00:10:05,120

seconds you know

294

00:10:08,389 --> 00:10:06,000

um

295

00:10:09,910 --> 00:10:08,399

maybe is it it's not a demonstration of

296

00:10:11,829 --> 00:10:09,920

force it's certainly a demonstration of

297

00:10:14,069 --> 00:10:11,839

technology that they have maybe it's a

298

00:10:16,710 --> 00:10:14,079

message maybe it's to say look you know

299

00:10:17,750 --> 00:10:16,720

we have the capabilities of doing this

300

00:10:19,350 --> 00:10:17,760

um

301

00:10:21,590 --> 00:10:19,360

because you know i think certainly

302

00:10:24,150 --> 00:10:21,600

nuclear stuff um certainly grabs their

303

00:10:25,509 --> 00:10:24,160

attention absolutely i know not because

304

00:10:27,190 --> 00:10:25,519

i don't think that you know not because

305

00:10:28,790 --> 00:10:27,200

i think we care for you humanity i don't

306

00:10:30,389 --> 00:10:28,800

think that is the case i think we can't

307

00:10:33,110 --> 00:10:30,399

care for planet earth

308

00:10:34,230 --> 00:10:33,120

pulling least care about us you know

309

00:10:36,790 --> 00:10:34,240

because they don't seem to get involved

310

00:10:38,790 --> 00:10:36,800

in our walls and stuff very often so

311

00:10:40,870 --> 00:10:38,800

um but certainly attracted to the

312

00:10:42,470 --> 00:10:40,880

monitoring them so it reminds me of

313

00:10:44,230 --> 00:10:42,480

those old cartoons where you've got a

314

00:10:46,470 --> 00:10:44,240

bully with a weapon and the bigger

315

00:10:47,910 --> 00:10:46,480

stronger brother comes along and takes

316

00:10:49,269 --> 00:10:47,920

the weapon and just bends it and gives

317

00:10:50,550 --> 00:10:49,279

it back

318

00:10:52,069 --> 00:10:50,560

stop and you know they're not

319

00:10:53,030 --> 00:10:52,079

threatening but they're just making a

320

00:10:55,190 --> 00:10:53,040

point

321

00:10:57,190 --> 00:10:55,200

you know i find it amusing that they

322

00:10:58,470 --> 00:10:57,200

that they do that um and it's not just

323

00:11:00,710 --> 00:10:58,480

the americans they've done it see

324

00:11:03,430 --> 00:11:00,720

they've done it you know they've made a

325

00:11:06,150 --> 00:11:03,440

they made an effort to demonstrate

326

00:11:07,590 --> 00:11:06,160

something on a global basis

327

00:11:10,069 --> 00:11:07,600

um

328

00:11:11,990 --> 00:11:10,079

because at the end of the day you know

329

00:11:13,190 --> 00:11:12,000

are we taking in consideration upon it

330

00:11:15,269 --> 00:11:13,200

we don't think about that when we go to

331

00:11:17,509 --> 00:11:15,279

war do we you know we just think we just

332

00:11:19,509 --> 00:11:17,519

think about people and politics

333

00:11:21,509 --> 00:11:19,519

um we don't think about the planet and i

334

00:11:22,870 --> 00:11:21,519

think laughing might they might have a

335

00:11:24,470 --> 00:11:22,880

better understanding that well you know

336

00:11:27,110 --> 00:11:24,480

what we don't really care what you're

337

00:11:29,350 --> 00:11:27,120

doing but if it starts interfering with

338

00:11:30,150 --> 00:11:29,360

you know uh fundamentally the planet

339

00:11:31,750 --> 00:11:30,160

then

340

00:11:34,230 --> 00:11:31,760

we might have something to say about

341

00:11:36,310 --> 00:11:34,240

that who knows but never one of them

342

00:11:38,470 --> 00:11:36,320

actually intervened to try and assist us

343

00:11:40,470 --> 00:11:38,480

in regarding bettering the ecological

344

00:11:43,110 --> 00:11:40,480

system of planet earth it's always a

345

00:11:44,790 --> 00:11:43,120

one-line deliverable message

346

00:11:47,030 --> 00:11:44,800

which is pointless being given because

347

00:11:48,470 --> 00:11:47,040

they usually give it to school kids

348

00:11:49,990 --> 00:11:48,480

i was literally going to say about the

349

00:11:51,190 --> 00:11:50,000

aerial phenomenon documentary that's

350

00:11:52,790 --> 00:11:51,200

just been out and that was what you've

351

00:11:54,069 --> 00:11:52,800

seen it yes yeah i have yeah it was

352

00:11:56,870 --> 00:11:54,079

everything i'll tell you

353

00:11:58,389 --> 00:11:56,880

what i did it for me was and i keep

354

00:12:00,470 --> 00:11:58,399

saying about how this phenomena

355

00:12:02,470 --> 00:12:00,480

phenomena is so deceptive

356

00:12:04,230 --> 00:12:02,480

and manipulative

357

00:12:05,670 --> 00:12:04,240

is that most of the children run away

358

00:12:07,670 --> 00:12:05,680

from the craft when it came down on the

359

00:12:09,430 --> 00:12:07,680

ground but only a handful a few of them

360

00:12:10,710 --> 00:12:09,440

approached a craft which were gills

361

00:12:12,550 --> 00:12:10,720

funny enough

362

00:12:14,550 --> 00:12:12,560

um and

363

00:12:16,310 --> 00:12:14,560

they saw a particular entity on the

364

00:12:18,230 --> 00:12:16,320

craft which was first described as one

365

00:12:21,269 --> 00:12:18,240

entity on a craft

366

00:12:23,590 --> 00:12:21,279

uh which looked like a gray typical gray

367

00:12:26,230 --> 00:12:23,600

in the black boiler suit

368

00:12:27,750 --> 00:12:26,240

and then they're watching this thing um

369

00:12:29,030 --> 00:12:27,760

moving closer to it they're getting

370

00:12:31,750 --> 00:12:29,040

quite close

371

00:12:33,430 --> 00:12:31,760

and all of a sudden another one appears

372

00:12:35,990 --> 00:12:33,440

a flash

373

00:12:38,310 --> 00:12:36,000

but this one's got long dark air

374

00:12:39,190 --> 00:12:38,320

because the young girls had long darkest

375

00:12:41,190 --> 00:12:39,200

hair

376

00:12:43,910 --> 00:12:41,200

i think it was kind of a little bit of

377

00:12:44,790 --> 00:12:43,920

uh oh i'm a little bit like you

378

00:12:46,470 --> 00:12:44,800

and

379

00:12:48,310 --> 00:12:46,480

this figure

380

00:12:50,069 --> 00:12:48,320

um they said they're absolutely

381

00:12:51,990 --> 00:12:50,079

transfixed on this figure

382

00:12:53,670 --> 00:12:52,000

uh and not the one there's like the one

383

00:12:55,509 --> 00:12:53,680

on the craft didn't exist anymore

384

00:12:56,629 --> 00:12:55,519

they're looking at this thing and it's

385

00:13:01,269 --> 00:12:56,639

running from

386

00:13:02,790 --> 00:13:01,279

manifest just just appeared and

387

00:13:04,790 --> 00:13:02,800

someone's left

388

00:13:06,870 --> 00:13:04,800

but as it ran it was running really

389

00:13:09,190 --> 00:13:06,880

slowly like an astronaut on the moon it

390

00:13:11,590 --> 00:13:09,200

was like in slow motion and it'd get to

391

00:13:13,750 --> 00:13:11,600

the end and disappear like a light bulb

392

00:13:15,269 --> 00:13:13,760

go off and reappear and it happened

393

00:13:16,949 --> 00:13:15,279

again like a look

394

00:13:17,670 --> 00:13:16,959

and it was a loop it was like a it was

395

00:13:19,269 --> 00:13:17,680

like

396

00:13:20,470 --> 00:13:19,279

i don't think that was real i think i

397

00:13:23,110 --> 00:13:20,480

was here

398

00:13:24,150 --> 00:13:23,120

i think that that other entity

399

00:13:25,190 --> 00:13:24,160

was

400

00:13:27,670 --> 00:13:25,200

did this

401
00:13:29,509 --> 00:13:27,680
and it it was cloudy in the mind it was

402
00:13:30,870 --> 00:13:29,519
causing confusion it's been like the

403
00:13:33,829 --> 00:13:30,880
glamouring effect like i mentioned

404
00:13:35,590 --> 00:13:33,839
earlier i mean i mean and maybe that any

405
00:13:38,790 --> 00:13:35,600
real entity you know he's put on this

406
00:13:41,030 --> 00:13:38,800
lovely magician's hand display over here

407
00:13:42,790 --> 00:13:41,040
he's doing what he wants to do

408
00:13:44,629 --> 00:13:42,800
uh and they put poor kids those three

409
00:13:45,910 --> 00:13:44,639
kids didn't have a clue what was what

410
00:13:47,350 --> 00:13:45,920
was happening

411
00:13:48,790 --> 00:13:47,360
and only afterwards they would you know

412
00:13:50,550 --> 00:13:48,800
maybe got interrupted but only

413
00:13:51,910 --> 00:13:50,560

afterwards if he's you know you talk to

414

00:13:53,670 --> 00:13:51,920

them they were saying well i got this

415

00:13:55,670 --> 00:13:53,680

kind of message that he wanted us to go

416

00:13:58,230 --> 00:13:55,680

with him you know sort of thing and i

417

00:14:00,710 --> 00:13:58,240

thought well just to manifest that and

418

00:14:02,949 --> 00:14:00,720

one with long dark air and it's a bit

419

00:14:04,710 --> 00:14:02,959

sinister it's a bit creepy it's a bit

420

00:14:07,110 --> 00:14:04,720

sinister and i think to myself that's

421

00:14:08,710 --> 00:14:07,120

that deception there you know oh look at

422

00:14:10,069 --> 00:14:08,720

this don't fall don't look at me i'm not

423

00:14:11,910 --> 00:14:10,079

important you look at this i'm

424

00:14:13,430 --> 00:14:11,920

generating your mind you know

425

00:14:14,710 --> 00:14:13,440

and that's what i found really

426

00:14:16,389 --> 00:14:14,720

interesting about that because i didn't

427

00:14:18,470 --> 00:14:16,399

know that um

428

00:14:19,509 --> 00:14:18,480

that they were deceptive probably parts

429

00:14:21,189 --> 00:14:19,519

of that

430

00:14:23,750 --> 00:14:21,199

experience until i found out the inner

431

00:14:25,670 --> 00:14:23,760

details of some of those kids so

432

00:14:27,350 --> 00:14:25,680

steve but i guess the same old story you

433

00:14:29,189 --> 00:14:27,360

know why deliver that why deliver these

434

00:14:31,269 --> 00:14:29,199

messages to kids yeah

435

00:14:33,509 --> 00:14:31,279

you know i mean uh if you want to make a

436

00:14:35,110 --> 00:14:33,519

difference you can it's like a one liner

437

00:14:36,550 --> 00:14:35,120

they all tell you it's like if you meet

438

00:14:38,389 --> 00:14:36,560

new humans and they actually all this is

439

00:14:39,910 --> 00:14:38,399

the one learning to feed them you know

440

00:14:41,590 --> 00:14:39,920

because they all say the same thing

441

00:14:43,430 --> 00:14:41,600

pretty much what i've said though if you

442

00:14:46,069 --> 00:14:43,440

think of it this way those kids were

443

00:14:47,670 --> 00:14:46,079

given a message 25 years ago and at the

444

00:14:49,750 --> 00:14:47,680

time it's that one-liner it's a small

445

00:14:53,189 --> 00:14:49,760

group of children and rural zimbabwe of

446

00:14:55,030 --> 00:14:53,199

all places however 25 years later uh a

447

00:14:57,030 --> 00:14:55,040

very powerful documentary's been made

448

00:14:59,110 --> 00:14:57,040

which has had an impact had a release

449

00:15:01,110 --> 00:14:59,120

which is now being seen by people all

450

00:15:03,110 --> 00:15:01,120

around the world if that message at the

451

00:15:04,629 --> 00:15:03,120

time which it was reported on didn't

452

00:15:07,110 --> 00:15:04,639

really travel we didn't have the same

453

00:15:08,790 --> 00:15:07,120

type of broadcast media social media and

454

00:15:10,550 --> 00:15:08,800

it seems that that message getting out

455

00:15:12,790 --> 00:15:10,560

now is the best time to do it because we

456

00:15:15,670 --> 00:15:12,800

have social media so maybe the message

457

00:15:17,189 --> 00:15:15,680

was delivered then to get out now

458

00:15:18,710 --> 00:15:17,199

and spread well yeah i mean it's not the

459

00:15:21,910 --> 00:15:18,720

first time i mean those messages have

460

00:15:25,030 --> 00:15:21,920

been delivered since the 1950s you know

461

00:15:27,110 --> 00:15:25,040

1951 was the first message about ecology

462

00:15:28,629 --> 00:15:27,120

you know and it still didn't make any

463

00:15:30,230 --> 00:15:28,639

difference a great degree against a

464

00:15:32,150 --> 00:15:30,240

great engine of

465

00:15:33,670 --> 00:15:32,160

of of the ecological system and the

466

00:15:34,870 --> 00:15:33,680

companies that are associated with what

467

00:15:36,870 --> 00:15:34,880

they want to do

468

00:15:37,829 --> 00:15:36,880

um i can't see any uh you know

469

00:15:39,990 --> 00:15:37,839

documentaries are not going to be

470

00:15:41,670 --> 00:15:40,000

impacting i mean it's just not going to

471

00:15:43,910 --> 00:15:41,680

reach where they want to reach

472

00:15:46,230 --> 00:15:43,920

um and i don't get me wrong you mean i

473

00:15:47,829 --> 00:15:46,240

think they have on occasion they have

474

00:15:49,590 --> 00:15:47,839

the capabilities of knowing what's going

475

00:15:51,189 --> 00:15:49,600

to be taking place in future events you

476
00:15:52,629 --> 00:15:51,199
know they know when certain things are

477
00:15:54,550 --> 00:15:52,639
going to happen you know where to be

478
00:15:55,829 --> 00:15:54,560
under certain conditions and it's

479
00:15:57,590 --> 00:15:55,839
exactly the same with the phenomenon of

480
00:15:59,990 --> 00:15:57,600
the paranormal you know i mean given

481
00:16:01,670 --> 00:16:00,000
information pertaining to 18 months into

482
00:16:03,110 --> 00:16:01,680
the future and you get correct correct

483
00:16:04,710 --> 00:16:03,120
correct

484
00:16:06,550 --> 00:16:04,720
at least i don't know how much the

485
00:16:09,189 --> 00:16:06,560
phenomenon goes into the future but it

486
00:16:11,590 --> 00:16:09,199
certainly has some information they can

487
00:16:13,110 --> 00:16:11,600
give to you which is

488
00:16:14,870 --> 00:16:13,120

yeah it makes you think that your life's

489

00:16:16,790 --> 00:16:14,880

already set out which is a bit annoying

490

00:16:18,230 --> 00:16:16,800

to be honest with you because that means

491

00:16:19,910 --> 00:16:18,240

that we're doing really i'll be really

492

00:16:22,389 --> 00:16:19,920

in judgment decisions

493

00:16:24,389 --> 00:16:22,399

you know but we have accounts like that

494

00:16:26,470 --> 00:16:24,399

many times in past psychological

495

00:16:28,069 --> 00:16:26,480

research where we get fed information

496

00:16:29,110 --> 00:16:28,079

pertains to future events and yes it

497

00:16:30,230 --> 00:16:29,120

happens

498

00:16:32,069 --> 00:16:30,240

um

499

00:16:34,949 --> 00:16:32,079

you know so and we we get a lot of stuff

500

00:16:39,110 --> 00:16:34,959

in the new ufo phenomena where they seem

501
00:16:42,230 --> 00:16:39,120
to um uh appear all these incidents

502
00:16:44,230 --> 00:16:42,240
happening just prior to events taking

503
00:16:45,030 --> 00:16:44,240
place in them locations you know which

504
00:16:46,949 --> 00:16:45,040
is

505
00:16:48,470 --> 00:16:46,959
you know you look over over a mall and

506
00:16:49,829 --> 00:16:48,480
statistically you'd say well they must

507
00:16:51,430 --> 00:16:49,839
have had some ideas something was going

508
00:16:53,590 --> 00:16:51,440
to be taking myself

509
00:16:55,509 --> 00:16:53,600
and it just makes it also more profound

510
00:16:57,990 --> 00:16:55,519
there's a lot more profoundness to the

511
00:16:59,990 --> 00:16:58,000
subject than just et's traveling the

512
00:17:01,590 --> 00:17:00,000
vast distances of planets

513
00:17:03,189 --> 00:17:01,600

to get here and

514

00:17:05,590 --> 00:17:03,199

you know and examine those there's

515

00:17:07,110 --> 00:17:05,600

definitely an interaction taking place

516

00:17:09,029 --> 00:17:07,120

that's been going on for a very very

517

00:17:10,710 --> 00:17:09,039

long time and regarding the

518

00:17:12,870 --> 00:17:10,720

technological argument it's it's a

519

00:17:14,470 --> 00:17:12,880

problem it really is

520

00:17:16,069 --> 00:17:14,480

because you know for the average

521

00:17:18,870 --> 00:17:16,079

ufologist now i mean how are you

522

00:17:20,710 --> 00:17:18,880

supposed to ascertain what people are

523

00:17:23,110 --> 00:17:20,720

really seeing or not is a real tricky

524

00:17:24,870 --> 00:17:23,120

one because like i say a photo and a

525

00:17:27,429 --> 00:17:24,880

video just won't do it now it won't cut

526

00:17:28,150 --> 00:17:27,439

it you know it's just uh anything you

527

00:17:29,590 --> 00:17:28,160

can

528

00:17:31,510 --> 00:17:29,600

see in movies you know anything to be

529

00:17:34,070 --> 00:17:31,520

manufactured now and that's the real

530

00:17:35,430 --> 00:17:34,080

problem for us i think credible

531

00:17:37,430 --> 00:17:35,440

multiple

532

00:17:38,950 --> 00:17:37,440

independent witnesses is probably going

533

00:17:40,470 --> 00:17:38,960

to put the topic

534

00:17:42,630 --> 00:17:40,480

like like in other phoenix lights to

535

00:17:44,870 --> 00:17:42,640

happen now where people have gone it's

536

00:17:46,630 --> 00:17:44,880

like absolutely yeah when we're you know

537

00:17:48,150 --> 00:17:46,640

when we've got radar data and so many

538

00:17:50,630 --> 00:17:48,160

witnesses

539

00:17:52,549 --> 00:17:50,640

it's fantastic you know but the video

540

00:17:53,990 --> 00:17:52,559

and photos i'm gonna it's a shame

541

00:17:55,750 --> 00:17:54,000

because people are witnessing these

542

00:17:58,230 --> 00:17:55,760

things and occasionally the phenomenon

543

00:18:00,710 --> 00:17:58,240

will allow yourself to be photographed

544

00:18:01,830 --> 00:18:00,720

are documented but it's frustrating to

545

00:18:03,830 --> 00:18:01,840

them because they're thinking wow you

546

00:18:05,110 --> 00:18:03,840

know look there's me evidence well i

547

00:18:08,230 --> 00:18:05,120

know but unfortunately it's going to

548

00:18:09,590 --> 00:18:08,240

land upon a pile of evidence from

549

00:18:12,070 --> 00:18:09,600

everybody else around the world we're

550

00:18:13,669 --> 00:18:12,080

just still asking the same old question

551
00:18:15,430 --> 00:18:13,679
i'm still trying to push forward the

552
00:18:18,230 --> 00:18:15,440
whole point of project doorway was to

553
00:18:20,310 --> 00:18:18,240
manufacture a study program

554
00:18:21,510 --> 00:18:20,320
that brings a new deliverable of new

555
00:18:23,669 --> 00:18:21,520
aerial

556
00:18:25,190 --> 00:18:23,679
new areas of research using specialized

557
00:18:27,750 --> 00:18:25,200
pieces of equipment

558
00:18:29,510 --> 00:18:27,760
and and it also ties in with some of the

559
00:18:31,430 --> 00:18:29,520
leading

560
00:18:32,789 --> 00:18:31,440
research programs which are currently

561
00:18:35,270 --> 00:18:32,799
underway

562
00:18:36,710 --> 00:18:35,280
um by defense contractors regarding

563
00:18:39,270 --> 00:18:36,720

wormhole technology and that sort of

564

00:18:41,190 --> 00:18:39,280

thing um it's basically it's a it's a he

565

00:18:43,029 --> 00:18:41,200

said we broke it into naturally what we

566

00:18:45,830 --> 00:18:43,039

did is we provided it into a course

567

00:18:48,230 --> 00:18:45,840

format a ufo investigation course a new

568

00:18:50,630 --> 00:18:48,240

one for the 21st century ufologist

569

00:18:53,669 --> 00:18:50,640

allowing to bring in those areas those

570

00:18:55,510 --> 00:18:53,679

other areas of

571

00:18:57,750 --> 00:18:55,520

other subjects pertaining to

572

00:19:00,710 --> 00:18:57,760

similarities between them

573

00:19:01,430 --> 00:19:00,720

um and so that there are identifiers um

574

00:19:02,870 --> 00:19:01,440

and

575

00:19:04,549 --> 00:19:02,880

we at the first time we first released

576
00:19:07,909 --> 00:19:04,559
it we had

577
00:19:10,470 --> 00:19:07,919
some new fun investigators were doing it

578
00:19:12,470 --> 00:19:10,480
because it just was a big step away from

579
00:19:14,150 --> 00:19:12,480
the old nuts and bolts

580
00:19:15,990 --> 00:19:14,160
phenomena traveling the bastards of

581
00:19:18,390 --> 00:19:16,000
planet earth

582
00:19:20,230 --> 00:19:18,400
because we now know that we are on the

583
00:19:22,070 --> 00:19:20,240
verge of change and we having to

584
00:19:23,430 --> 00:19:22,080
reinvestigate

585
00:19:24,549 --> 00:19:23,440
and do things in a little bit of a

586
00:19:27,270 --> 00:19:24,559
different way

587
00:19:28,789 --> 00:19:27,280
um to get some answers because

588
00:19:30,630 --> 00:19:28,799

you know we know we now know that

589

00:19:32,070 --> 00:19:30,640

phenomena can be conjured

590

00:19:33,669 --> 00:19:32,080

through the through the process of

591

00:19:35,669 --> 00:19:33,679

belief it's coming it's done in the

592

00:19:36,710 --> 00:19:35,679

scene you can see five protocols it's

593

00:19:38,789 --> 00:19:36,720

like the same thing as around the

594

00:19:40,549 --> 00:19:38,799

science state seance table with five

595

00:19:41,830 --> 00:19:40,559

mediums or five meditators on the beach

596

00:19:42,710 --> 00:19:41,840

no difference

597

00:19:44,549 --> 00:19:42,720

um

598

00:19:46,630 --> 00:19:44,559

we know that it's interact and that

599

00:19:48,710 --> 00:19:46,640

phenomenon it manifests as conjunct is

600

00:19:51,029 --> 00:19:48,720

the real phenomenon as well it's not a

601
00:19:52,789 --> 00:19:51,039
you know it's not a

602
00:19:54,630 --> 00:19:52,799
of trick it's it actually is the

603
00:19:56,630 --> 00:19:54,640
phenomenal manifest so it's interactive

604
00:19:58,150 --> 00:19:56,640
it's obviously consciously interactive

605
00:20:00,470 --> 00:19:58,160
so it's um

606
00:20:02,310 --> 00:20:00,480
we know that and he's right gria when he

607
00:20:04,230 --> 00:20:02,320
says you know what the government

608
00:20:06,470 --> 00:20:04,240
doesn't can't control that

609
00:20:07,830 --> 00:20:06,480
you want contact then you can have

610
00:20:10,310 --> 00:20:07,840
contact

611
00:20:12,310 --> 00:20:10,320
you don't need a government for that um

612
00:20:14,870 --> 00:20:12,320
the downside is is that you need to

613
00:20:16,870 --> 00:20:14,880

prepare yourself and be aware of what

614

00:20:19,190 --> 00:20:16,880

you're going to be experiencing and i

615

00:20:20,789 --> 00:20:19,200

would say you know as my colleague

616

00:20:24,230 --> 00:20:20,799

said the same thing

617

00:20:26,070 --> 00:20:24,240

um it's the um it's knowing it's

618

00:20:26,950 --> 00:20:26,080

relying on that fight or flight response

619

00:20:30,630 --> 00:20:26,960

your

620

00:20:33,110 --> 00:20:30,640

understanding if you're in an

621

00:20:34,710 --> 00:20:33,120

environment of danger

622

00:20:36,310 --> 00:20:34,720

and the biggest problem now is that you

623

00:20:37,909 --> 00:20:36,320

know many people just

624

00:20:39,830 --> 00:20:37,919

go out with sky watches and

625

00:20:41,830 --> 00:20:39,840

investigations they take the coca-cola

626
00:20:42,630 --> 00:20:41,840
we got the miles bars and the candy bars

627
00:20:44,310 --> 00:20:42,640
and

628
00:20:45,590 --> 00:20:44,320
they they the amount of refined sugar

629
00:20:48,149 --> 00:20:45,600
they're eating they've just reduced

630
00:20:49,590 --> 00:20:48,159
their adrenal weakness so much like the

631
00:20:50,710 --> 00:20:49,600
fight or flight might be screaming at

632
00:20:51,669 --> 00:20:50,720
them to say get the hell out of there

633
00:20:52,950 --> 00:20:51,679
and you can't hear it they're just

634
00:20:55,110 --> 00:20:52,960
taking steps towards the phenomenon

635
00:20:57,750 --> 00:20:55,120
that's the problem i always say stab

636
00:20:59,270 --> 00:20:57,760
yourself if you find sugar for 72 hours

637
00:21:00,950 --> 00:20:59,280
try and clear it at least as much as you

638
00:21:04,230 --> 00:21:00,960

can from the body prior to a good

639

00:21:06,070 --> 00:21:04,240

investigation you'd be surprised how

640

00:21:08,149 --> 00:21:06,080

incredible the body can be regarding

641

00:21:10,390 --> 00:21:08,159

informing you the biggest organ across

642

00:21:12,230 --> 00:21:10,400

your body is your skin it will inform

643

00:21:13,830 --> 00:21:12,240

you when you get those goosebumps and

644

00:21:16,870 --> 00:21:13,840

what not the hair goes up that's what

645

00:21:19,029 --> 00:21:16,880

it's for it's a survival sense and you

646

00:21:20,710 --> 00:21:19,039

know to to rely on that and if you feel

647

00:21:22,950 --> 00:21:20,720

like you know

648

00:21:24,149 --> 00:21:22,960

he's a dame you're in a dangered area

649

00:21:25,270 --> 00:21:24,159

just because you can't see it just

650

00:21:26,470 --> 00:21:25,280

because you can't hear i don't mean it's

651
00:21:28,789 --> 00:21:26,480
not there

652
00:21:30,870 --> 00:21:28,799
and then back away don't be ashamed to

653
00:21:33,110 --> 00:21:30,880
back away we've backed away many times

654
00:21:34,630 --> 00:21:33,120
sounds sounds ridiculous but we have

655
00:21:36,470 --> 00:21:34,640
done because sometimes you know we're

656
00:21:38,630 --> 00:21:36,480
unaware of what's going on a bit of a

657
00:21:40,390 --> 00:21:38,640
magician goes on sometimes

658
00:21:42,390 --> 00:21:40,400
you mentioned the deceptive nature of

659
00:21:44,070 --> 00:21:42,400
the phenomena and deceptive entities and

660
00:21:46,230 --> 00:21:44,080
another set of deceptive entities would

661
00:21:48,230 --> 00:21:46,240
be uk politicians and i just want to

662
00:21:50,070 --> 00:21:48,240
actually i just want to ask you you know

663
00:21:53,029 --> 00:21:50,080

the uk's place and this official

664

00:21:55,350 --> 00:21:53,039

conversation we seem to be sadly lacking

665

00:21:57,669 --> 00:21:55,360

well behind when it comes to ufos uh

666

00:21:59,270 --> 00:21:57,679

baroness goldie a few months ago or even

667

00:22:01,510 --> 00:21:59,280

last summer i think it was in parliament

668

00:22:02,870 --> 00:22:01,520

was asked about the you know ufos and

669

00:22:05,430 --> 00:22:02,880

what was happening in the us and

670

00:22:07,270 --> 00:22:05,440

incursions into uk airspace and it was

671

00:22:09,669 --> 00:22:07,280

it was chartered and laughed at and very

672

00:22:11,190 --> 00:22:09,679

much brushed aside um do you see that

673

00:22:13,990 --> 00:22:11,200

changing in the near future here in the

674

00:22:15,510 --> 00:22:14,000

uk yeah i think at some point we're

675

00:22:17,270 --> 00:22:15,520

going to be able to end up to the same

676

00:22:19,590 --> 00:22:17,280

point like the u.s we will then enter

677

00:22:21,669 --> 00:22:19,600

into the process of doing some hearings

678

00:22:23,029 --> 00:22:21,679

by public demand you know i think i'm

679

00:22:25,350 --> 00:22:23,039

going to sit back and see how it all

680

00:22:27,110 --> 00:22:25,360

unfolds in the u.s first and problem is

681

00:22:29,270 --> 00:22:27,120

is that you know that they've

682

00:22:31,190 --> 00:22:29,280

they claim they want to be

683

00:22:33,190 --> 00:22:31,200

forward and transparent and release

684

00:22:35,190 --> 00:22:33,200

documentation still waiting to release

685

00:22:36,630 --> 00:22:35,200

them for them to release my

686

00:22:40,230 --> 00:22:36,640

my documents you know they're not even

687

00:22:42,549 --> 00:22:40,240

released my files i submitted to them

688

00:22:44,789 --> 00:22:42,559

which involved investigation of you know

689

00:22:45,909 --> 00:22:44,799

three police officers two two training

690

00:22:47,590 --> 00:22:45,919

robbers

691

00:22:49,430 --> 00:22:47,600

you know there's a number of about three

692

00:22:51,669 --> 00:22:49,440

investigations they've not released that

693

00:22:53,830 --> 00:22:51,679

information it wasn't out

694

00:22:57,510 --> 00:22:53,840

and so that's still

695

00:22:58,870 --> 00:22:57,520

under the carpet somewhere you know um

696

00:23:01,510 --> 00:22:58,880

so really it's not about being

697

00:23:03,750 --> 00:23:01,520

transparent it's pretentious it's it's

698

00:23:05,029 --> 00:23:03,760

it makes uh makes you think that they

699

00:23:06,470 --> 00:23:05,039

want to be transparent when they're

700

00:23:09,990 --> 00:23:06,480

putting out things which are just pretty

701
00:23:11,909 --> 00:23:10,000
much useless to us just information

702
00:23:14,149 --> 00:23:11,919
but the real core real good stuff is

703
00:23:16,870 --> 00:23:14,159
being kept back purposely so there's no

704
00:23:19,029 --> 00:23:16,880
trans you know transparency there

705
00:23:21,270 --> 00:23:19,039
and it's it's a trick you know it's a

706
00:23:23,350 --> 00:23:21,280
parlor trick to make you think that and

707
00:23:24,870 --> 00:23:23,360
it's been done time and time before how

708
00:23:26,470 --> 00:23:24,880
many times have you said oh we released

709
00:23:28,549 --> 00:23:26,480
it all now and then oh by the way we've

710
00:23:29,909 --> 00:23:28,559
just found a new lot you know they keep

711
00:23:32,149 --> 00:23:29,919
doing this and i'm sure there's still

712
00:23:34,390 --> 00:23:32,159
some a lot i like to say i'm waiting on

713
00:23:37,270 --> 00:23:34,400

my three fouls to appear and mine happen

714

00:23:39,029 --> 00:23:37,280

you know so um but i think that at some

715

00:23:40,149 --> 00:23:39,039

point there will be enough public demand

716

00:23:42,070 --> 00:23:40,159

to say

717

00:23:44,230 --> 00:23:42,080

we have to have inquiry i don't wanna i

718

00:23:46,390 --> 00:23:44,240

don't want hearings i want a proper

719

00:23:48,149 --> 00:23:46,400

scientific inquiry done

720

00:23:51,110 --> 00:23:48,159

with the knowledge that we've gleaned

721

00:23:53,029 --> 00:23:51,120

for the last 70 years don't want no

722

00:23:55,269 --> 00:23:53,039

new hearing why do we have to bring in

723

00:23:57,029 --> 00:23:55,279

new faces look at the world stuff we

724

00:24:00,070 --> 00:23:57,039

don't need to we've learned so much more

725

00:24:01,750 --> 00:24:00,080

now um and we can pick up from there but

726

00:24:03,350 --> 00:24:01,760

unfortunately it's kind of gone right

727

00:24:05,590 --> 00:24:03,360

back to the beginning and being dragged

728

00:24:08,230 --> 00:24:05,600

right through again and god knows you

729

00:24:10,549 --> 00:24:08,240

know if if they've even got enough

730

00:24:12,710 --> 00:24:10,559

information and energy to actually carry

731

00:24:14,390 --> 00:24:12,720

him on to be honest with you because

732

00:24:15,830 --> 00:24:14,400

this could go on for a very very long

733

00:24:17,669 --> 00:24:15,840

time i'm hoping there's gonna be new

734

00:24:20,470 --> 00:24:17,679

hearings and we're gonna force new

735

00:24:22,870 --> 00:24:20,480

issues being looked at but

736

00:24:24,310 --> 00:24:22,880

um the the way it's done in america and

737

00:24:27,110 --> 00:24:24,320

the order of it

738

00:24:29,269 --> 00:24:27,120

is it's a bit long-winded it's hard um

739

00:24:31,350 --> 00:24:29,279

but i'm hoping so i think the uk will

740

00:24:33,430 --> 00:24:31,360

get there to get at that point at some

741

00:24:35,190 --> 00:24:33,440

point there will be there'll be enough

742

00:24:37,430 --> 00:24:35,200

public demand to say we need some form

743

00:24:39,269 --> 00:24:37,440

of hearing but then the uk then we're

744

00:24:41,669 --> 00:24:39,279

responsible to turn around and say oh by

745

00:24:43,430 --> 00:24:41,679

the way we're also going to reboot him

746

00:24:45,510 --> 00:24:43,440

call it the uap phenomenon called

747

00:24:48,149 --> 00:24:45,520

falling louder us

748

00:24:49,909 --> 00:24:48,159

and that's again is a problem for us

749

00:24:52,390 --> 00:24:49,919

speaking of public demand we'll talk

750

00:24:54,470 --> 00:24:52,400

about the sold out awakening expo which

751
00:24:58,070 --> 00:24:54,480
happens in blackpool uh in england

752
00:24:59,590 --> 00:24:58,080
between the 24th and 26th of june um for

753
00:25:02,230 --> 00:24:59,600
listeners who may not have heard of

754
00:25:03,990 --> 00:25:02,240
awakening when did it start steve and

755
00:25:05,750 --> 00:25:04,000
how has it changed over the years to the

756
00:25:08,549 --> 00:25:05,760
scale it is now

757
00:25:09,750 --> 00:25:08,559
um awaiting um

758
00:25:11,669 --> 00:25:09,760
maybe about

759
00:25:13,669 --> 00:25:11,679
six or seven years

760
00:25:15,190 --> 00:25:13,679
probably a little bit longer maybe

761
00:25:17,669 --> 00:25:15,200
um

762
00:25:20,310 --> 00:25:17,679
it we mostly hold our events in

763
00:25:21,430 --> 00:25:20,320

manchester at beaulieu's exhibition

764

00:25:24,070 --> 00:25:21,440

center

765

00:25:25,190 --> 00:25:24,080

and it was we quickly became the the

766

00:25:25,990 --> 00:25:25,200

largest

767

00:25:29,990 --> 00:25:26,000

um

768

00:25:31,830 --> 00:25:30,000

event of its time in europe

769

00:25:34,950 --> 00:25:31,840

um we're about two and a half thousand

770

00:25:37,110 --> 00:25:34,960

people sometimes just over

771

00:25:38,230 --> 00:25:37,120

and this year we're doing a slightly

772

00:25:39,990 --> 00:25:38,240

smaller event but it's a very

773

00:25:42,310 --> 00:25:40,000

specialized event regarding ancient

774

00:25:43,909 --> 00:25:42,320

mysteries that we do cover some aspects

775

00:25:47,110 --> 00:25:43,919

of ufo stuff

776
00:25:48,549 --> 00:25:47,120
um in blackpool on june 24th 25th and

777
00:25:51,430 --> 00:25:48,559
26th

778
00:25:52,870 --> 00:25:51,440
um and we've got

779
00:25:54,070 --> 00:25:52,880
some of the main

780
00:25:56,470 --> 00:25:54,080
guys

781
00:25:59,350 --> 00:25:56,480
specialists in the field of study of

782
00:26:02,070 --> 00:25:59,360
ancient aliens or international theory

783
00:26:04,950 --> 00:26:02,080
attending uh giorgio cicales from the

784
00:26:07,510 --> 00:26:04,960
ancient aliens tv show

785
00:26:09,669 --> 00:26:07,520
eric von daniken will be there

786
00:26:11,269 --> 00:26:09,679
um and numerous other researchers on

787
00:26:13,029 --> 00:26:11,279
ancient mysteries and

788
00:26:15,430 --> 00:26:13,039

strange things like that from around the

789

00:26:17,190 --> 00:26:15,440

world but we do as i say we are covering

790

00:26:19,430 --> 00:26:17,200

some aspects of the ufo stuff as well

791

00:26:22,230 --> 00:26:19,440

we've got richard dota coming over

792

00:26:23,750 --> 00:26:22,240

the uh the disinformation guys so

793

00:26:25,830 --> 00:26:23,760

that'll be interesting

794

00:26:28,470 --> 00:26:25,840

i i got some questions for you from

795

00:26:31,269 --> 00:26:28,480

listeners uh about richard

796

00:26:33,669 --> 00:26:31,279

attendance and controversial appearance

797

00:26:35,909 --> 00:26:33,679

about that like oh yeah

798

00:26:37,269 --> 00:26:35,919

um i'm sure i'm sure there will be i

799

00:26:39,350 --> 00:26:37,279

mean let me paraphrase because there was

800

00:26:41,750 --> 00:26:39,360

several of them and i'll put it politely

801
00:26:43,350 --> 00:26:41,760
you know given his has passed you

802
00:26:45,430 --> 00:26:43,360
mentioned disinformation agent that's

803
00:26:46,950 --> 00:26:45,440
what people know him as um there you

804
00:26:49,110 --> 00:26:46,960
know there's allegations of what he was

805
00:26:51,909 --> 00:26:49,120
involved and he has talked about how you

806
00:26:53,750 --> 00:26:51,919
know he professionally lied and that

807
00:26:55,510 --> 00:26:53,760
would ruin people's careers and lives to

808
00:26:56,390 --> 00:26:55,520
various extents

809
00:26:57,990 --> 00:26:56,400
yeah

810
00:27:00,230 --> 00:26:58,000
what is the thinking and getting someone

811
00:27:01,750 --> 00:27:00,240
like that involved in this when there is

812
00:27:04,149 --> 00:27:01,760
a train of thought with some that would

813
00:27:07,430 --> 00:27:04,159

say he shouldn't be involved

814

00:27:08,470 --> 00:27:07,440

because we know uh anybody will realize

815

00:27:11,110 --> 00:27:08,480

when they've been involved in this

816

00:27:13,909 --> 00:27:11,120

subject enough is that you never get

817

00:27:16,149 --> 00:27:13,919

full disinformation there's always

818

00:27:17,830 --> 00:27:16,159

partial information that's how it's how

819

00:27:19,029 --> 00:27:17,840

they're trained that's how it always

820

00:27:22,070 --> 00:27:19,039

works

821

00:27:23,909 --> 00:27:22,080

and um you know even if we if he's

822

00:27:27,029 --> 00:27:23,919

deliverable on the day

823

00:27:29,190 --> 00:27:27,039

and after his lecture we can take 75

824

00:27:31,190 --> 00:27:29,200

percent of our way and leave us 25

825

00:27:33,110 --> 00:27:31,200

percent of real truth

826

00:27:35,190 --> 00:27:33,120

then that's intriguing because there's

827

00:27:36,470 --> 00:27:35,200

25 percent of information there is truth

828

00:27:38,310 --> 00:27:36,480

we're going

829

00:27:39,990 --> 00:27:38,320

we are going to be monitoring exactly

830

00:27:42,149 --> 00:27:40,000

what he's saying

831

00:27:44,310 --> 00:27:42,159

and and we have to take that line of

832

00:27:46,630 --> 00:27:44,320

stance that you know he's still beyond

833

00:27:49,669 --> 00:27:46,640

the bandwagon you know as a guppy

834

00:27:51,990 --> 00:27:49,679

and still disinforming but all all

835

00:27:54,470 --> 00:27:52,000

disinformation officers are always told

836

00:27:55,990 --> 00:27:54,480

to blend the truth with the uh

837

00:27:57,830 --> 00:27:56,000

and what we're going to do is say we

838

00:27:59,110 --> 00:27:57,840

we've come a lot further now we do know

839

00:28:01,430 --> 00:27:59,120

that there's some a lot of elements of

840

00:28:02,950 --> 00:28:01,440

truth we can identify now it's not like

841

00:28:04,950 --> 00:28:02,960

the old days

842

00:28:06,789 --> 00:28:04,960

um so we're hoping now some of that

843

00:28:08,389 --> 00:28:06,799

information will be really interesting

844

00:28:10,230 --> 00:28:08,399

there might be some elements of it which

845

00:28:12,630 --> 00:28:10,240

is completely not true

846

00:28:14,710 --> 00:28:12,640

um it's hard to know forever be sure i

847

00:28:16,470 --> 00:28:14,720

mean he's retired now and he says he's

848

00:28:19,269 --> 00:28:16,480

quite happy to come and talk

849

00:28:20,630 --> 00:28:19,279

about his involvement with um with this

850

00:28:22,630 --> 00:28:20,640

subject

851
00:28:23,750 --> 00:28:22,640
um and i think it's just a fact it's a

852
00:28:25,990 --> 00:28:23,760
matter of

853
00:28:27,269 --> 00:28:26,000
people being intrigued i mean people

854
00:28:29,350 --> 00:28:27,279
have said you know why would you have

855
00:28:30,389 --> 00:28:29,360
someone leo wanna come and talk well

856
00:28:33,669 --> 00:28:30,399
yeah because

857
00:28:36,149 --> 00:28:33,679
it is intriguing because did did he have

858
00:28:38,070 --> 00:28:36,159
access the big question is did he have

859
00:28:40,549 --> 00:28:38,080
access to that information

860
00:28:42,149 --> 00:28:40,559
because where is when he's talking about

861
00:28:43,510 --> 00:28:42,159
his stuff where's that coming from

862
00:28:44,870 --> 00:28:43,520
where's the documentation where's the

863
00:28:47,190 --> 00:28:44,880

information going on because it's not

864

00:28:48,950 --> 00:28:47,200

just circling around on the internet

865

00:28:51,029 --> 00:28:48,960

it is it's new material that's coming

866

00:28:53,190 --> 00:28:51,039

he's come forward and talked about

867

00:28:54,870 --> 00:28:53,200

uh and it's not only on the internet so

868

00:28:56,950 --> 00:28:54,880

where's that where's that information we

869

00:28:58,789 --> 00:28:56,960

delivered from so it's intriguing you

870

00:29:01,350 --> 00:28:58,799

know i think you know his dislike and

871

00:29:03,510 --> 00:29:01,360

his like but at the end of the day you

872

00:29:05,269 --> 00:29:03,520

know we we some we submit whatever

873

00:29:07,590 --> 00:29:05,279

people are going to say i mean i try and

874

00:29:09,430 --> 00:29:07,600

keep as much evidence as i possibly can

875

00:29:12,230 --> 00:29:09,440

when it comes to moving forward in the

876

00:29:13,190 --> 00:29:12,240

subject i've never had richard doty ever

877

00:29:16,149 --> 00:29:13,200

talk

878

00:29:17,750 --> 00:29:16,159

and though that i'm very very well aware

879

00:29:19,190 --> 00:29:17,760

of his background and the things he's

880

00:29:21,669 --> 00:29:19,200

been involved in

881

00:29:23,269 --> 00:29:21,679

and but also i know that 25 percent of

882

00:29:25,029 --> 00:29:23,279

what he's going to be telling me is true

883

00:29:28,070 --> 00:29:25,039

because that's how they're trained you

884

00:29:29,750 --> 00:29:28,080

know that's that's what got me intrigued

885

00:29:32,149 --> 00:29:29,760

more and more of these conferences and

886

00:29:33,830 --> 00:29:32,159

expos around the world are springing up

887

00:29:36,470 --> 00:29:33,840

and happening with more regularity

888

00:29:38,389 --> 00:29:36,480

especially in the us it's much harder in

889

00:29:39,830 --> 00:29:38,399

the uk to get you know especially on the

890

00:29:41,110 --> 00:29:39,840

scale that you're putting on with

891

00:29:42,470 --> 00:29:41,120

awakening and you'd put on with

892

00:29:44,789 --> 00:29:42,480

awakening

893

00:29:47,029 --> 00:29:44,799

we mentioned before and you're 40 plus

894

00:29:49,990 --> 00:29:47,039

years in this subject and going back 70

895

00:29:51,750 --> 00:29:50,000

years there's been a real there was a

896

00:29:54,310 --> 00:29:51,760

stagnation at one point in the ufo

897

00:29:56,149 --> 00:29:54,320

subject and then i feel in 2017 i

898

00:29:58,310 --> 00:29:56,159

mentioned that changed and a whole host

899

00:30:00,230 --> 00:29:58,320

of new names and new faces

900

00:30:02,149 --> 00:30:00,240

came on board including people

901
00:30:04,470 --> 00:30:02,159
interested in the subject but new

902
00:30:06,630 --> 00:30:04,480
witnesses came forward scientists got

903
00:30:09,590 --> 00:30:06,640
more involved people like avi leweb and

904
00:30:10,630 --> 00:30:09,600
many many others now on the bandwagon so

905
00:30:13,029 --> 00:30:10,640
to speak

906
00:30:14,950 --> 00:30:13,039
how do you see awakening adapting as an

907
00:30:17,350 --> 00:30:14,960
entity to accommodate the different

908
00:30:19,269 --> 00:30:17,360
areas of interest that people have

909
00:30:20,389 --> 00:30:19,279
well i think so much more next year

910
00:30:21,710 --> 00:30:20,399
because

911
00:30:25,190 --> 00:30:21,720
the

912
00:30:26,549 --> 00:30:25,200
2023 um awakenings which is back in

913
00:30:28,710 --> 00:30:26,559

manchester

914

00:30:30,789 --> 00:30:28,720

um and it's gonna be the full the full

915

00:30:34,310 --> 00:30:30,799

blown the full main event

916

00:30:36,149 --> 00:30:34,320

um but the large one um we have i mean

917

00:30:38,230 --> 00:30:36,159

the whole topic is about ufology evolved

918

00:30:40,389 --> 00:30:38,240

i think that's actually the the header

919

00:30:43,269 --> 00:30:40,399

name you volunteer ufology involved

920

00:30:44,710 --> 00:30:43,279

because it has it has evolved it has

921

00:30:46,549 --> 00:30:44,720

evolved like you just said with new

922

00:30:49,190 --> 00:30:46,559

research new people

923

00:30:50,789 --> 00:30:49,200

you know and um i mean i'm involved with

924

00:30:52,389 --> 00:30:50,799

the the scu which is scientific

925

00:30:54,230 --> 00:30:52,399

coalition and european studies which is

926
00:30:55,110 --> 00:30:54,240
a big tank in the u.s

927
00:30:57,669 --> 00:30:55,120
and

928
00:30:59,830 --> 00:30:57,679
we're associated with the work that abby

929
00:31:02,549 --> 00:30:59,840
lowe is doing and

930
00:31:04,710 --> 00:31:02,559
the the you know in the pulse of eric

931
00:31:07,750 --> 00:31:04,720
davis i mean we we shared at the same

932
00:31:09,509 --> 00:31:07,760
conference a few days ago

933
00:31:12,070 --> 00:31:09,519
and how put up and all these people are

934
00:31:14,230 --> 00:31:12,080
involved in certain in

935
00:31:17,269 --> 00:31:14,240
certain projects with information which

936
00:31:19,590 --> 00:31:17,279
is intriguing and we're pushing forward

937
00:31:21,430 --> 00:31:19,600
um and the whole point of the this

938
00:31:23,350 --> 00:31:21,440

awaiting for next year

939

00:31:25,029 --> 00:31:23,360

is about that side is about pushing

940

00:31:25,830 --> 00:31:25,039

forward into these notes where do we go

941

00:31:35,750 --> 00:31:25,840

now

942

00:31:37,909 --> 00:31:35,760

is it going to be such a big impact

943

00:31:40,549 --> 00:31:37,919

in regarding the information

944

00:31:42,549 --> 00:31:40,559

that um you know that louie's going to

945

00:31:44,470 --> 00:31:42,559

be coming out with you know because he's

946

00:31:47,190 --> 00:31:44,480

he's with us next year

947

00:31:49,269 --> 00:31:47,200

um he'll have his new book out hopefully

948

00:31:51,269 --> 00:31:49,279

and we're sharing some things that have

949

00:31:53,350 --> 00:31:51,279

never been talked about before

950

00:31:56,230 --> 00:31:53,360

um and it's you know it's it's about

951
00:31:58,470 --> 00:31:56,240
moving forward where did we go from here

952
00:32:00,789 --> 00:31:58,480
and what parties are involved you know

953
00:32:02,630 --> 00:32:00,799
avila webb and many others as other

954
00:32:04,470 --> 00:32:02,640
researchers out there are providing

955
00:32:06,549 --> 00:32:04,480
their piece to the puzzle their

956
00:32:07,909 --> 00:32:06,559
specialist work and like what's

957
00:32:09,909 --> 00:32:07,919
happening i'm seeing a little bit more

958
00:32:12,310 --> 00:32:09,919
of an academic and i'm glad of that

959
00:32:14,549 --> 00:32:12,320
don't get me wrong more of the academic

960
00:32:17,029 --> 00:32:14,559
lesson the circus please yeah but more

961
00:32:18,549 --> 00:32:17,039
of the academics looking forward because

962
00:32:20,310 --> 00:32:18,559
though that we can all have a good laugh

963
00:32:22,950 --> 00:32:20,320

at this phenomena you know because it is

964

00:32:23,830 --> 00:32:22,960

quick and unusual there is a seriousness

965

00:32:25,190 --> 00:32:23,840

to it

966

00:32:30,870 --> 00:32:25,200

real com

967

00:32:31,990 --> 00:32:30,880

phenomena and you know how it interacts

968

00:32:34,070 --> 00:32:32,000

with people

969

00:32:36,870 --> 00:32:34,080

um i like you mentioned before you know

970

00:32:40,310 --> 00:32:36,880

do we do do we need

971

00:32:42,549 --> 00:32:40,320

to be defended against this phenomena

972

00:32:44,710 --> 00:32:42,559

it's the old thing is you know well you

973

00:32:47,430 --> 00:32:44,720

know what do we do should should should

974

00:32:49,509 --> 00:32:47,440

the dog turn on you you know it's that

975

00:32:52,149 --> 00:32:49,519

scenario and we've all been there we

976

00:32:54,149 --> 00:32:52,159

think about this all the time um i don't

977

00:32:56,789 --> 00:32:54,159

know if it's ever reachable i don't know

978

00:32:59,509 --> 00:32:56,799

um it's hard to know but it's about

979

00:33:01,350 --> 00:32:59,519

delivering answers so i think next year

980

00:33:03,029 --> 00:33:01,360

it's a bit more the science side about

981

00:33:05,590 --> 00:33:03,039

how we're moving forward with some new

982

00:33:07,669 --> 00:33:05,600

information yeah i think there's always

983

00:33:09,269 --> 00:33:07,679

a room for and i use the word and people

984

00:33:11,269 --> 00:33:09,279

have mentioned this in the past some

985

00:33:12,870 --> 00:33:11,279

find it offensive to say the woo

986

00:33:13,990 --> 00:33:12,880

but that's just the way to to

987

00:33:15,110 --> 00:33:14,000

accommodate

988

00:33:17,110 --> 00:33:15,120

the spinach

989

00:33:18,950 --> 00:33:17,120

yeah that's it and then we've got the

990

00:33:20,950 --> 00:33:18,960

nuts and bolts scientific side of things

991

00:33:22,950 --> 00:33:20,960

and for me for too long there's been a

992

00:33:24,549 --> 00:33:22,960

lot of conferences worldwide where you

993

00:33:27,269 --> 00:33:24,559

look at the list of names

994

00:33:29,110 --> 00:33:27,279

and it's sort of woo after woo after woo

995

00:33:30,950 --> 00:33:29,120

and what we have now is a chance and i

996

00:33:32,630 --> 00:33:30,960

would love to see me personally as a fan

997

00:33:34,389 --> 00:33:32,640

and someone who actually was meant to

998

00:33:37,110 --> 00:33:34,399

attend my first awakening conference in

999

00:33:39,509 --> 00:33:37,120

2020 i had tickets um

1000

00:33:41,110 --> 00:33:39,519

it got cancelled so i started a podcast

1001
00:33:43,110 --> 00:33:41,120
and here we are talking and i'm going to

1002
00:33:45,669 --> 00:33:43,120
be attending awakening with a stand this

1003
00:33:47,430 --> 00:33:45,679
year which is which is really cool but i

1004
00:33:49,990 --> 00:33:47,440
want to see names on there not

1005
00:33:52,230 --> 00:33:50,000
necessarily the same old names from that

1006
00:33:54,870 --> 00:33:52,240
you mentioned circus and that old-school

1007
00:33:57,110 --> 00:33:54,880
ufology of you are right absolutely you

1008
00:33:58,630 --> 00:33:57,120
know but like i i mentioned avila webb

1009
00:34:00,230 --> 00:33:58,640
but also you've got the debrief with

1010
00:34:02,549 --> 00:34:00,240
journalists like tim mcmillan who'd be

1011
00:34:04,070 --> 00:34:02,559
fascinating to listen to uh i'd love to

1012
00:34:06,950 --> 00:34:04,080
hear from if you know you could get

1013
00:34:09,349 --> 00:34:06,960

pilots like fravar dietrich at graves

1014

00:34:11,270 --> 00:34:09,359

any of again there's a fee involved for

1015

00:34:14,230 --> 00:34:11,280

you and if these people want to come and

1016

00:34:16,310 --> 00:34:14,240

you know the logistics of it and younger

1017

00:34:18,069 --> 00:34:16,320

speakers as well because so many more

1018

00:34:20,629 --> 00:34:18,079

people i don't class myself as young at

1019

00:34:22,470 --> 00:34:20,639

36 but i don't doubt when i turn up to

1020

00:34:24,230 --> 00:34:22,480

awakening in blackpool i'm probably

1021

00:34:26,629 --> 00:34:24,240

going to be on the very very younger end

1022

00:34:28,550 --> 00:34:26,639

of the demographic attending let alone

1023

00:34:30,629 --> 00:34:28,560

anyone speaking at the event and i

1024

00:34:32,790 --> 00:34:30,639

really think there's a massive gap in

1025

00:34:34,389 --> 00:34:32,800

any of these

1026

00:34:36,950 --> 00:34:34,399

yeah i mean you know as well as i do

1027

00:34:38,389 --> 00:34:36,960

when it comes to awakenings i mean i try

1028

00:34:39,669 --> 00:34:38,399

i mean we've had a lot of props and

1029

00:34:42,149 --> 00:34:39,679

things and maybe a little bit like a

1030

00:34:44,069 --> 00:34:42,159

comic-con in the past uh just so we can

1031

00:34:46,389 --> 00:34:44,079

introduce new

1032

00:34:48,470 --> 00:34:46,399

uh a younger audience

1033

00:34:50,869 --> 00:34:48,480

into the subject because uh we've got to

1034

00:34:52,310 --> 00:34:50,879

consist you know consider where where

1035

00:34:53,510 --> 00:34:52,320

we're going to be in 30 years time he

1036

00:34:55,829 --> 00:34:53,520

was going to be doing the research you

1037

00:34:57,750 --> 00:34:55,839

know um he's going to be the the person

1038

00:34:59,109 --> 00:34:57,760

to deliver this information pick up and

1039

00:35:01,349 --> 00:34:59,119

won't carry on

1040

00:35:03,109 --> 00:35:01,359

um because it seems to be the same in

1041

00:35:05,190 --> 00:35:03,119

crowd or a lot of the time in different

1042

00:35:06,950 --> 00:35:05,200

places and it's the same thing that's

1043

00:35:08,710 --> 00:35:06,960

going around the same information i mean

1044

00:35:10,470 --> 00:35:08,720

surely from year to year

1045

00:35:11,990 --> 00:35:10,480

they just they couldn't they wouldn't

1046

00:35:14,230 --> 00:35:12,000

have the time to conduct all the

1047

00:35:16,230 --> 00:35:14,240

research on investigations just to

1048

00:35:18,150 --> 00:35:16,240

deliver new lectures every single year

1049

00:35:19,670 --> 00:35:18,160

it's too much hard work

1050

00:35:21,990 --> 00:35:19,680

but they've got their ear to the ground

1051
00:35:23,430 --> 00:35:22,000
but at the same time

1052
00:35:26,550 --> 00:35:23,440
there's a lot of things that's getting

1053
00:35:29,109 --> 00:35:26,560
missed lots of things um so

1054
00:35:30,950 --> 00:35:29,119
hopefully hopefully you know next year

1055
00:35:32,470 --> 00:35:30,960
it will help us go in a little bit more

1056
00:35:35,030 --> 00:35:32,480
of us

1057
00:35:36,470 --> 00:35:35,040
and more of a bit of an academic path

1058
00:35:38,230 --> 00:35:36,480
because i think

1059
00:35:39,670 --> 00:35:38,240
we for the very first time we can start

1060
00:35:41,430 --> 00:35:39,680
introducing them

1061
00:35:43,270 --> 00:35:41,440
because these have been interested

1062
00:35:44,950 --> 00:35:43,280
coming to the subject interested because

1063
00:35:46,950 --> 00:35:44,960

of what's happened with the pentagon

1064

00:35:48,069 --> 00:35:46,960

intervention coming out it's caught

1065

00:35:50,470 --> 00:35:48,079

their eye

1066

00:35:51,829 --> 00:35:50,480

uh without too much woo should we say

1067

00:35:53,270 --> 00:35:51,839

because we don't want to scare them off

1068

00:35:55,750 --> 00:35:53,280

but they say at the end of the day

1069

00:35:58,550 --> 00:35:55,760

though some of this phenomena is we will

1070

00:36:01,030 --> 00:35:58,560

yeah like and i had this discussion with

1071

00:36:02,630 --> 00:36:01,040

the guys at scu and i said look you know

1072

00:36:04,870 --> 00:36:02,640

i work

1073

00:36:07,750 --> 00:36:04,880

my my specific job

1074

00:36:09,990 --> 00:36:07,760

title working is paranormal mechanics

1075

00:36:11,190 --> 00:36:10,000

and fringe topics within the realms of

1076

00:36:13,910 --> 00:36:11,200

uap

1077

00:36:16,150 --> 00:36:13,920

and power psychological work that's my

1078

00:36:17,670 --> 00:36:16,160

given specific area

1079

00:36:19,589 --> 00:36:17,680

and it's it's it's there it's

1080

00:36:20,630 --> 00:36:19,599

deliverable the conclusive evidence is

1081

00:36:23,030 --> 00:36:20,640

there

1082

00:36:25,030 --> 00:36:23,040

and they said oh yeah you know we know

1083

00:36:27,109 --> 00:36:25,040

we you know you say oh yeah we know we

1084

00:36:28,950 --> 00:36:27,119

know it's a bull

1085

00:36:31,190 --> 00:36:28,960

he said we can let's we need to

1086

00:36:32,630 --> 00:36:31,200

accumulate and keep it you know but we

1087

00:36:35,190 --> 00:36:32,640

can't we've got to drip feed it to the

1088

00:36:37,109 --> 00:36:35,200

science guys because if we just go whoa

1089

00:36:38,390 --> 00:36:37,119

there it is they've got to go oh my god

1090

00:36:40,390 --> 00:36:38,400

i don't want to be involved in this you

1091

00:36:42,310 --> 00:36:40,400

know and we don't want nobody wants that

1092

00:36:43,910 --> 00:36:42,320

because this is for the first time we

1093

00:36:46,069 --> 00:36:43,920

really are getting some

1094

00:36:47,750 --> 00:36:46,079

you know we're breaking from ground with

1095

00:36:49,190 --> 00:36:47,760

new academics coming from academic

1096

00:36:51,270 --> 00:36:49,200

research going forward offering their

1097

00:36:53,030 --> 00:36:51,280

services and new information coming from

1098

00:36:54,550 --> 00:36:53,040

outside those circles and that's

1099

00:36:55,750 --> 00:36:54,560

brilliant that's that's a big

1100

00:36:56,710 --> 00:36:55,760

achievement

1101

00:36:58,710 --> 00:36:56,720

um

1102

00:37:01,510 --> 00:36:58,720

so i'm hoping that we we can carry on

1103

00:37:03,670 --> 00:37:01,520

doing that and next year is is no option

1104

00:37:05,750 --> 00:37:03,680

no no different at all well this year

1105

00:37:08,870 --> 00:37:05,760

2022 i'll be there with my colleagues

1106

00:37:10,630 --> 00:37:08,880

from uap media uk dan who calls with me

1107

00:37:12,150 --> 00:37:10,640

uh graeme rendell who is an expert you

1108

00:37:13,829 --> 00:37:12,160

mentioned the foo fighters has released

1109

00:37:15,589 --> 00:37:13,839

his second book and he's got his third

1110

00:37:17,750 --> 00:37:15,599

on the way soon on the foo fighters of

1111

00:37:19,750 --> 00:37:17,760

world war ii fascinating if you were

1112

00:37:22,550 --> 00:37:19,760

looking for a name for 2023 graham's

1113

00:37:24,230 --> 00:37:22,560

presentations are incredible um if you

1114

00:37:25,349 --> 00:37:24,240

were looking for someone uh dave

1115

00:37:26,950 --> 00:37:25,359

partridge will be there with us and

1116

00:37:29,670 --> 00:37:26,960

vinnie adams and i think you're probably

1117

00:37:31,030 --> 00:37:29,680

in his podcast recently as well um so

1118

00:37:32,310 --> 00:37:31,040

we'll be there to meet people and speak

1119

00:37:34,950 --> 00:37:32,320

to listeners i know a lot of lessons

1120

00:37:37,510 --> 00:37:34,960

have bought tickets for it too 2022 is

1121

00:37:38,550 --> 00:37:37,520

sold out but 2023 when will that go on

1122

00:37:40,150 --> 00:37:38,560

sale

1123

00:37:41,750 --> 00:37:40,160

uh well we've still got a few tickets

1124

00:37:43,750 --> 00:37:41,760

left i mean ticket quarter we were

1125

00:37:45,910 --> 00:37:43,760

advertising we'd have to stop

1126

00:37:48,310 --> 00:37:45,920

using a week or two before

1127

00:37:50,310 --> 00:37:48,320

um but you still have a few tickets

1128

00:37:52,950 --> 00:37:50,320

available for purchase on the door on

1129

00:37:54,390 --> 00:37:52,960

the day which is fine we just can't go

1130

00:37:55,750 --> 00:37:54,400

through the process like ticket quarter

1131

00:37:58,310 --> 00:37:55,760

doesn't where we've taken electronic

1132

00:37:59,910 --> 00:37:58,320

payments um but you can purchase tickets

1133

00:38:04,230 --> 00:37:59,920

on the door on the day

1134

00:38:07,750 --> 00:38:04,240

um and uh tickets for 2023

1135

00:38:09,190 --> 00:38:07,760

and the pre-public tickets will first go

1136

00:38:10,790 --> 00:38:09,200

out to

1137

00:38:12,790 --> 00:38:10,800

those that are attending in blackpool

1138

00:38:15,430 --> 00:38:12,800

first for next year allows them to get

1139

00:38:17,109 --> 00:38:15,440

their ticket early because we have a

1140

00:38:19,829 --> 00:38:17,119

vision that that's going to end up being

1141

00:38:22,310 --> 00:38:19,839

sold out quite quickly because we we

1142

00:38:23,750 --> 00:38:22,320

have planned some well and i can't tell

1143

00:38:25,829 --> 00:38:23,760

you now but we've got some we got some

1144

00:38:28,630 --> 00:38:25,839

plans for some big names coming

1145

00:38:30,230 --> 00:38:28,640

alongside here we have like devil sims

1146

00:38:33,430 --> 00:38:30,240

and he's going to be providing some of

1147

00:38:35,109 --> 00:38:33,440

the new latest data and regarding some

1148

00:38:36,390 --> 00:38:35,119

of his work and analysis so that's going

1149

00:38:39,030 --> 00:38:36,400

to be interesting

1150

00:38:40,870 --> 00:38:39,040

um and um and of course some of the

1151
00:38:42,870 --> 00:38:40,880
other stuff i mean only we got you know

1152
00:38:45,750 --> 00:38:42,880
we're going down that side with

1153
00:38:47,670 --> 00:38:45,760
with luic where we're hoping to get into

1154
00:38:50,069 --> 00:38:47,680
the uh the whole i can't mention names

1155
00:38:52,550 --> 00:38:50,079
at the moment but um once we've got them

1156
00:38:54,230 --> 00:38:52,560
confirmed we're in negotiations at this

1157
00:38:55,990 --> 00:38:54,240
moment so once you've got them confirmed

1158
00:38:57,510 --> 00:38:56,000
with me it should be very very

1159
00:38:59,430 --> 00:38:57,520
interesting well i certainly look

1160
00:39:01,510 --> 00:38:59,440
forward to to being there finally two

1161
00:39:03,829 --> 00:39:01,520
years after i was meant to attend as a

1162
00:39:05,750 --> 00:39:03,839
just a normal fan you know i'm going to

1163
00:39:07,349 --> 00:39:05,760

be there in a professional capacity but

1164

00:39:09,910 --> 00:39:07,359

looking to to meet people and enjoy it

1165

00:39:11,190 --> 00:39:09,920

as well um to finish up i just want to

1166

00:39:12,230 --> 00:39:11,200

ask you a couple of listener questions

1167

00:39:15,510 --> 00:39:12,240

steve if you don't mind you've been

1168

00:39:17,190 --> 00:39:15,520

fighting yeah sure and just to confirm

1169

00:39:19,270 --> 00:39:17,200

the winner of the pair of gold tickets

1170

00:39:21,510 --> 00:39:19,280

for the weekend for the competition i

1171

00:39:23,510 --> 00:39:21,520

ran on the podcast that were generously

1172

00:39:25,589 --> 00:39:23,520

donated by awakening it was davey

1173

00:39:26,950 --> 00:39:25,599

johnson davey's been contacted to

1174

00:39:28,790 --> 00:39:26,960

confirm his attendance he's going to

1175

00:39:30,790 --> 00:39:28,800

enjoy the weekend take along as plus one

1176

00:39:32,390 --> 00:39:30,800

so enjoy that davey and thank you

1177

00:39:34,550 --> 00:39:32,400

everyone who got involved as well please

1178

00:39:36,230 --> 00:39:34,560

do come and say hello to the uap media

1179

00:39:38,069 --> 00:39:36,240

stand i'll be there or

1180

00:39:39,109 --> 00:39:38,079

definitely on the saturday i won't be

1181

00:39:40,870 --> 00:39:39,119

there on the sunday because i'm

1182

00:39:43,430 --> 00:39:40,880

attending liam gallagher at hampden in

1183

00:39:45,109 --> 00:39:43,440

glasgow so but i'm there on the saturday

1184

00:39:46,950 --> 00:39:45,119

with my colleagues and look forward to

1185

00:39:48,310 --> 00:39:46,960

speaking to people um but let's fire

1186

00:39:49,670 --> 00:39:48,320

through some questions i've got dave

1187

00:39:50,950 --> 00:39:49,680

smithers who i know is going to be

1188

00:39:53,430 --> 00:39:50,960

awakening so look forward to meeting

1189

00:39:55,190 --> 00:39:53,440

dave again he asks what do you make of

1190

00:39:57,109 --> 00:39:55,200

the reported beliefs of the collins

1191

00:39:59,430 --> 00:39:57,119

elite about the phenomenon really being

1192

00:40:01,270 --> 00:39:59,440

of demonic origins and tricking us all

1193

00:40:03,109 --> 00:40:01,280

do you think those in the u.s military

1194

00:40:04,550 --> 00:40:03,119

and intelligence community still buy

1195

00:40:06,630 --> 00:40:04,560

into this

1196

00:40:08,470 --> 00:40:06,640

i believe some of them still do buy into

1197

00:40:10,470 --> 00:40:08,480

it i know there's there's been many

1198

00:40:13,510 --> 00:40:10,480

incidents where

1199

00:40:16,390 --> 00:40:13,520

should we say certain um study programs

1200

00:40:18,309 --> 00:40:16,400

have come to a grinding halt because the

1201

00:40:20,950 --> 00:40:18,319

phenomena demonstrates something that is

1202

00:40:21,670 --> 00:40:20,960

non-desirable for researchers or even in

1203

00:40:24,390 --> 00:40:21,680

the

1204

00:40:25,430 --> 00:40:24,400

involved with

1205

00:40:27,270 --> 00:40:25,440

um

1206

00:40:29,430 --> 00:40:27,280

and they do

1207

00:40:30,950 --> 00:40:29,440

it does the problem is is that the

1208

00:40:33,670 --> 00:40:30,960

phenomena does

1209

00:40:35,349 --> 00:40:33,680

uh show aspects of that it really does

1210

00:40:36,790 --> 00:40:35,359

in the i mean this is why it has a close

1211

00:40:38,069 --> 00:40:36,800

connection with the supernatural and the

1212

00:40:39,750 --> 00:40:38,079

occult was a lot of germans were

1213

00:40:41,510 --> 00:40:39,760

involved area

1214

00:40:42,790 --> 00:40:41,520

very heavily into it

1215

00:40:44,069 --> 00:40:42,800

and

1216

00:40:46,230 --> 00:40:44,079

yeah

1217

00:40:49,430 --> 00:40:46,240

there is a lot of evidence to support

1218

00:40:50,950 --> 00:40:49,440

that that there's these um aspects which

1219

00:40:54,710 --> 00:40:50,960

do fall that way

1220

00:40:57,270 --> 00:40:54,720

uh it's problematic yeah i mean

1221

00:41:00,309 --> 00:40:57,280

like i say even if you want to start

1222

00:41:02,150 --> 00:41:00,319

getting into because we obviously we're

1223

00:41:04,710 --> 00:41:02,160

already taking the mindset we're working

1224

00:41:06,470 --> 00:41:04,720

on a base plate of information well even

1225

00:41:07,349 --> 00:41:06,480

the original information about you know

1226

00:41:11,990 --> 00:41:07,359

the

1227

00:41:14,470 --> 00:41:12,000

those sort of things is is again

1228

00:41:16,630 --> 00:41:14,480

not correct you know it's it's that if

1229

00:41:17,750 --> 00:41:16,640

you actually check into those sort of

1230

00:41:18,870 --> 00:41:17,760

things and the references and the

1231

00:41:22,790 --> 00:41:18,880

information

1232

00:41:25,190 --> 00:41:22,800

um it is it's not all factual

1233

00:41:26,390 --> 00:41:25,200

and things have been added and changed

1234

00:41:32,470 --> 00:41:26,400

and

1235

00:41:33,750 --> 00:41:32,480

does i mean how do one how does one

1236

00:41:37,109 --> 00:41:33,760

recognize

1237

00:41:38,630 --> 00:41:37,119

a phenomena i mean and the name is you

1238

00:41:40,390 --> 00:41:38,640

know is just a name at the end of the

1239

00:41:42,069 --> 00:41:40,400

day the devil the demon whatever it's

1240

00:41:44,230 --> 00:41:42,079

just a name it's the same thing that we

1241

00:41:47,270 --> 00:41:44,240

investigate in the paranormal field so

1242

00:41:49,109 --> 00:41:47,280

many people say oh demonic entity

1243

00:41:50,309 --> 00:41:49,119

it's all one of the same thing you know

1244

00:41:52,309 --> 00:41:50,319

it's just you just categorizing

1245

00:41:54,390 --> 00:41:52,319

something by its actions

1246

00:41:56,550 --> 00:41:54,400

you know and if you you know anybody can

1247

00:41:59,829 --> 00:41:56,560

have a really bad day

1248

00:42:02,630 --> 00:41:59,839

you know so it's it's problematic but to

1249

00:42:04,870 --> 00:42:02,640

the answer to that question is yes i do

1250

00:42:07,349 --> 00:42:04,880

believe there are aspects of this

1251
00:42:09,829 --> 00:42:07,359
phenomena which is non-desirable for

1252
00:42:11,270 --> 00:42:09,839
obvious reasons and i'm not the only one

1253
00:42:13,109 --> 00:42:11,280
that's actually referenced that i

1254
00:42:15,430 --> 00:42:13,119
believe a u.s senator came out mentioned

1255
00:42:17,510 --> 00:42:15,440
about that some of these projects that

1256
00:42:18,870 --> 00:42:17,520
they wouldn't work on because the the

1257
00:42:19,990 --> 00:42:18,880
people working on these specialized

1258
00:42:22,230 --> 00:42:20,000
programs

1259
00:42:23,910 --> 00:42:22,240
um um didn't want to get involved with

1260
00:42:26,630 --> 00:42:23,920
it because the phenomena demonstrates

1261
00:42:28,150 --> 00:42:26,640
things that they recognize as demolition

1262
00:42:30,309 --> 00:42:28,160
it actually is

1263
00:42:31,829 --> 00:42:30,319

there is a full section military

1264

00:42:34,550 --> 00:42:31,839

investigation

1265

00:42:36,390 --> 00:42:34,560

and work coming on a full section called

1266

00:42:38,309 --> 00:42:36,400

demonic technology

1267

00:42:41,109 --> 00:42:38,319

that exists you know how pulsar

1268

00:42:43,910 --> 00:42:41,119

mentioned this uh only a few weeks back

1269

00:42:45,670 --> 00:42:43,920

so yeah there is some aspects to that

1270

00:42:48,950 --> 00:42:45,680

next question from tree of life we

1271

00:42:51,109 --> 00:42:48,960

mentioned portals before um has steve

1272

00:42:53,349 --> 00:42:51,119

found any correlation between clouds of

1273

00:42:55,349 --> 00:42:53,359

orange yellow mist and portals some

1274

00:42:57,670 --> 00:42:55,359

examples terry sherman of skinwalker

1275

00:42:59,990 --> 00:42:57,680

ranch mentioned seeing an orange doorway

1276

00:43:01,990 --> 00:43:00,000

in the sky linda godfrey referenced the

1277

00:43:04,069 --> 00:43:02,000

missed repeatedly and monsters among us

1278

00:43:07,030 --> 00:43:04,079

and victor goddard the raf pilot who

1279

00:43:09,829 --> 00:43:07,040

allegedly time traveled in 1937 did so

1280

00:43:12,710 --> 00:43:09,839

by flying into a yellow brown cloud

1281

00:43:14,550 --> 00:43:12,720

yes sometimes yes um there's not just

1282

00:43:16,550 --> 00:43:14,560

you know a couple of various different

1283

00:43:18,870 --> 00:43:16,560

colors which have been seen

1284

00:43:20,470 --> 00:43:18,880

um amber is a very popular color when

1285

00:43:22,390 --> 00:43:20,480

you say orange you say

1286

00:43:24,550 --> 00:43:22,400

amber we refer to a lot of these things

1287

00:43:26,470 --> 00:43:24,560

as amber then um

1288

00:43:27,910 --> 00:43:26,480

and um

1289

00:43:30,309 --> 00:43:27,920

they do vary

1290

00:43:31,750 --> 00:43:30,319

in size and in shape

1291

00:43:33,510 --> 00:43:31,760

um

1292

00:43:35,670 --> 00:43:33,520

if you're dealing with more the the

1293

00:43:39,109 --> 00:43:35,680

ground-based phenomena

1294

00:43:40,790 --> 00:43:39,119

um associated to certain um

1295

00:43:42,630 --> 00:43:40,800

ancient science and places like that

1296

00:43:43,910 --> 00:43:42,640

then that's a little bit different

1297

00:43:46,790 --> 00:43:43,920

because

1298

00:43:49,430 --> 00:43:46,800

um it starts off by allegedly apparently

1299

00:43:50,630 --> 00:43:49,440

being audible uh i know barry my

1300

00:43:54,630 --> 00:43:50,640

colleague is

1301
00:43:58,150 --> 00:43:56,630
it was something was actually happening

1302
00:44:00,150 --> 00:43:58,160
with this if you i hate the name

1303
00:44:03,109 --> 00:44:00,160
possible that's so bulger can't get away

1304
00:44:05,510 --> 00:44:03,119
from it um and recordings he obtained

1305
00:44:07,829 --> 00:44:05,520
recordings of shifting rocks rocks

1306
00:44:09,829 --> 00:44:07,839
weren't shifting around but also the

1307
00:44:11,190 --> 00:44:09,839
drum a drumbeat the drumbeat was coming

1308
00:44:13,829 --> 00:44:11,200
from the other side

1309
00:44:15,589 --> 00:44:13,839
uh so it was recorded not from this side

1310
00:44:17,349 --> 00:44:15,599
so and it's a bit like the paranormal

1311
00:44:20,309 --> 00:44:17,359
stuff you know it's like capturing evps

1312
00:44:23,109 --> 00:44:20,319
and dvps and things like that but um yes

1313
00:44:25,190 --> 00:44:23,119

there is there are some um

1314

00:44:27,990 --> 00:44:25,200

some of these are very much triggered

1315

00:44:30,230 --> 00:44:28,000

trigger responses at times some are

1316

00:44:32,390 --> 00:44:30,240

incorporated by the phenomena so

1317

00:44:34,309 --> 00:44:32,400

manufactured by the phenomena

1318

00:44:36,870 --> 00:44:34,319

and some are natural but the natural

1319

00:44:39,349 --> 00:44:36,880

ones will tend to use

1320

00:44:42,790 --> 00:44:39,359

certain significant locations at certain

1321

00:44:43,829 --> 00:44:42,800

times um be it sunrise and some sunsets

1322

00:44:47,750 --> 00:44:43,839

as well

1323

00:44:52,630 --> 00:44:50,309

can manifest them or utilize them you

1324

00:44:54,069 --> 00:44:52,640

know in some way so it seems to be two

1325

00:44:56,069 --> 00:44:54,079

different variables

1326

00:44:57,589 --> 00:44:56,079

uh davey who was the ticket winner of

1327

00:44:59,990 --> 00:44:57,599

the pair of gold tickets asked a

1328

00:45:02,069 --> 00:45:00,000

question as well very lucky davey does

1329

00:45:04,150 --> 00:45:02,079

steve see any parallels between his

1330

00:45:06,870 --> 00:45:04,160

areas of magnetic anomaly where there

1331

00:45:08,950 --> 00:45:06,880

are hot spots of activity and bruce

1332

00:45:11,190 --> 00:45:08,960

cathy's harmonics of the world magnetic

1333

00:45:14,390 --> 00:45:11,200

power grid other energy lee lines as

1334

00:45:15,270 --> 00:45:14,400

well uh le lines dragon lanes etc

1335

00:45:17,670 --> 00:45:15,280

yes

1336

00:45:19,670 --> 00:45:17,680

absolutely yeah plus dude i mean these

1337

00:45:22,230 --> 00:45:19,680

are i mean these are also identified by

1338

00:45:24,790 --> 00:45:22,240

our ancients our ancestors who built

1339

00:45:26,470 --> 00:45:24,800

places resident chambers specifically on

1340

00:45:27,990 --> 00:45:26,480

certain key areas

1341

00:45:29,750 --> 00:45:28,000

because they knew that they could uh

1342

00:45:31,589 --> 00:45:29,760

they could utilize these locations as

1343

00:45:35,510 --> 00:45:31,599

some form of doorway

1344

00:45:36,870 --> 00:45:35,520

or a method of being able to commute or

1345

00:45:39,270 --> 00:45:36,880

contact

1346

00:45:41,510 --> 00:45:39,280

um the other side the other side will be

1347

00:45:43,670 --> 00:45:41,520

for communicating with deities or gods

1348

00:45:45,270 --> 00:45:43,680

or obtaining information

1349

00:45:46,790 --> 00:45:45,280

and that sort of thing

1350

00:45:52,390 --> 00:45:46,800

um

1351

00:45:54,950 --> 00:45:52,400

associated rather than

1352

00:45:58,950 --> 00:45:54,960

ancient sites but more associated with

1353

00:46:02,069 --> 00:45:58,960

the materialization of uap phenomena

1354

00:46:05,670 --> 00:46:02,079

of various types and sizes um

1355

00:46:06,630 --> 00:46:05,680

and those are places over 250 nano tesla

1356

00:46:08,630 --> 00:46:06,640

um

1357

00:46:11,750 --> 00:46:08,640

if you were to see them on a magnetic

1358

00:46:12,950 --> 00:46:11,760

map would be kind of dark purpley black

1359

00:46:15,670 --> 00:46:12,960

areas

1360

00:46:17,430 --> 00:46:15,680

what i can say about the negative ones

1361

00:46:18,710 --> 00:46:17,440

because myself and bowie's done a lot of

1362

00:46:20,550 --> 00:46:18,720

i keep saying about that he's barry

1363

00:46:22,630 --> 00:46:20,560

fitzgerald he used to be the

1364

00:46:25,030 --> 00:46:22,640

um the lead investigator for ghost

1365

00:46:27,910 --> 00:46:25,040

hunters international but um

1366

00:46:30,069 --> 00:46:27,920

uh bowie's very much into this site so

1367

00:46:31,510 --> 00:46:30,079

you know so he always is his passion

1368

00:46:33,349 --> 00:46:31,520

and we've been working together quite a

1369

00:46:35,589 --> 00:46:33,359

number of years now on this

1370

00:46:37,990 --> 00:46:35,599

um but um

1371

00:46:40,630 --> 00:46:38,000

we realized that even in negative areas

1372

00:46:41,990 --> 00:46:40,640

instead of derby dark blue areas

1373

00:46:43,510 --> 00:46:42,000

and statistically if you want to do

1374

00:46:46,550 --> 00:46:43,520

chelsea now you'll find that these high

1375

00:46:48,550 --> 00:46:46,560

amounts of suicide illness crime

1376

00:46:51,190 --> 00:46:48,560

so there's there's a

1377

00:46:53,750 --> 00:46:51,200

geological the geology of the of the

1378

00:46:55,589 --> 00:46:53,760

earth has an effect on the psyche

1379

00:46:58,950 --> 00:46:55,599

um and the consciousness of those that

1380

00:47:00,470 --> 00:46:58,960

live in in that area you know so

1381

00:47:02,150 --> 00:47:00,480

um but there is a little bit more to it

1382

00:47:03,910 --> 00:47:02,160

because you know you have military sites

1383

00:47:06,950 --> 00:47:03,920

that seem to

1384

00:47:08,390 --> 00:47:06,960

be relocated to negative areas or places

1385

00:47:11,030 --> 00:47:08,400

where ancient sites are you only got to

1386

00:47:12,790 --> 00:47:11,040

go down to salisbury plain to realize

1387

00:47:15,589 --> 00:47:12,800

that you know that they're building

1388

00:47:17,589 --> 00:47:15,599

these these weapon factories and

1389

00:47:20,549 --> 00:47:17,599

and um

1390

00:47:24,069 --> 00:47:20,559

and certain plants for chemicals

1391

00:47:25,589 --> 00:47:24,079

um in places where ancient sites sit you

1392

00:47:26,790 --> 00:47:25,599

know then there's there's a reason for

1393

00:47:28,470 --> 00:47:26,800

that but

1394

00:47:30,150 --> 00:47:28,480

that'd be a whole new show a whole bunch

1395

00:47:31,829 --> 00:47:30,160

of shows yeah there's a lot of those who

1396

00:47:33,829 --> 00:47:31,839

could go and the tangents off all from

1397

00:47:35,349 --> 00:47:33,839

this one and final question just because

1398

00:47:37,670 --> 00:47:35,359

we are really running a time you've been

1399

00:47:38,630 --> 00:47:37,680

very generous steve ash wants to know a

1400

00:47:41,030 --> 00:47:38,640

little bit more about your

1401

00:47:43,270 --> 00:47:41,040

investigations at the winter hill area

1402

00:47:45,030 --> 00:47:43,280

in the uk and your best theory to

1403

00:47:46,069 --> 00:47:45,040

explain the high strangeness in that

1404

00:47:47,670 --> 00:47:46,079

area

1405

00:47:49,109 --> 00:47:47,680

yeah winter hills we've had strangeness

1406

00:47:51,430 --> 00:47:49,119

for many many years i mean it was a

1407

00:47:53,109 --> 00:47:51,440

coven monster which were relocated up

1408

00:47:54,870 --> 00:47:53,119

there i mean during the 1600s a

1409

00:47:56,950 --> 00:47:54,880

controlling coven

1410

00:48:00,150 --> 00:47:56,960

uh are practicing witches which were

1411

00:48:01,910 --> 00:48:00,160

relocated over there and um

1412

00:48:03,589 --> 00:48:01,920

so they they've stayed over there for

1413

00:48:04,390 --> 00:48:03,599

quite some time but it's a location

1414

00:48:07,109 --> 00:48:04,400

where

1415

00:48:09,349 --> 00:48:07,119

cryptids have been saying um and

1416

00:48:11,109 --> 00:48:09,359

experience ufo phenomena is a regular

1417

00:48:13,349 --> 00:48:11,119

thing there lucky for me to look at my

1418

00:48:15,109 --> 00:48:13,359

bedroom windows instead

1419

00:48:17,109 --> 00:48:15,119

i don't i don't live here

1420

00:48:18,880 --> 00:48:17,119

just for a switching reason i could look

1421

00:48:22,390 --> 00:48:18,890

straight out the window and and i'm

1422

00:48:25,910 --> 00:48:23,910

and i've experienced a few things up

1423

00:48:28,870 --> 00:48:25,920

there myself some weird things

1424

00:48:30,150 --> 00:48:28,880

um it's it is notorious for that up

1425

00:48:33,030 --> 00:48:30,160

there you know i'm gonna talk about

1426

00:48:35,990 --> 00:48:33,040

certain locations if geology geology

1427

00:48:37,990 --> 00:48:36,000

geology you know and uh that particular

1428

00:48:39,990 --> 00:48:38,000

location over there we see strife we've

1429

00:48:41,990 --> 00:48:40,000

not only paranormal morphological and

1430

00:48:43,670 --> 00:48:42,000

creatures as well now actually so and

1431

00:48:44,950 --> 00:48:43,680

he's actually been especially unusual

1432

00:48:47,750 --> 00:48:44,960

animals

1433

00:48:50,470 --> 00:48:47,760

not too long ago um i lived in spitting

1434

00:48:51,990 --> 00:48:50,480

distance of it purposely because uh i'm

1435

00:48:54,069 --> 00:48:52,000

always i'm still on the ball

1436

00:48:55,910 --> 00:48:54,079

investigating that place and i've been

1437

00:48:58,549 --> 00:48:55,920

involved investigating winter hill for

1438

00:49:01,109 --> 00:48:58,559

many years including a many black case

1439

00:49:03,109 --> 00:49:01,119

uh whether you turned him after a cattle

1440

00:49:04,150 --> 00:49:03,119

hand witness to the ufo in one of the

1441

00:49:06,790 --> 00:49:04,160

fields

1442

00:49:07,990 --> 00:49:06,800

um and there's other cases

1443

00:49:09,430 --> 00:49:08,000

on windsor hill which are really

1444

00:49:11,030 --> 00:49:09,440

fascinating

1445

00:49:13,109 --> 00:49:11,040

um it seems to be one of those places it

1446

00:49:15,190 --> 00:49:13,119

seems just a tracks phenomena and

1447

00:49:17,829 --> 00:49:15,200

occasionally you know just keeps rearing

1448

00:49:19,190 --> 00:49:17,839

its head and people experiencing stuff

1449

00:49:20,790 --> 00:49:19,200

brilliant steve you've been wonderful

1450

00:49:22,470 --> 00:49:20,800

with your time and just to finish off

1451

00:49:25,030 --> 00:49:22,480

can you uh tell people how they can

1452

00:49:26,309 --> 00:49:25,040

follow you online and also your work as

1453

00:49:28,630 --> 00:49:26,319

well

1454

00:49:33,190 --> 00:49:28,640

absolutely yeah i mean there is my own

1455

00:49:36,790 --> 00:49:35,109

and on there you can see some details

1456

00:49:38,790 --> 00:49:36,800

our first scientific document is up

1457

00:49:41,270 --> 00:49:38,800

there our first one of ten on project

1458

00:49:43,270 --> 00:49:41,280

doorway so it gives you a bit of an idea

1459

00:49:45,270 --> 00:49:43,280

on the uh the magnetic and knowledge and

1460

00:49:46,150 --> 00:49:45,280

how phenomena see me leaning that's with

1461

00:49:47,589 --> 00:49:46,160

it

1462

00:49:49,910 --> 00:49:47,599

um you can get a hold of me through

1463

00:49:54,069 --> 00:49:49,920

phenomena magazine which is a an exam

1464

00:49:55,349 --> 00:49:54,079

which is free to download every month um

1465

00:49:58,710 --> 00:49:55,359

along with all back issues that's

1466

00:50:00,069 --> 00:49:58,720

phenomenal magazine dot co dot uk um or

1467

00:50:02,230 --> 00:50:00,079

you can get in touch with me just

1468

00:50:03,750 --> 00:50:02,240

basically through youtube youtube

1469

00:50:05,589 --> 00:50:03,760

channels we have quite a lot of them

1470

00:50:08,069 --> 00:50:05,599

with the zohar channels people

1471

00:50:10,069 --> 00:50:08,079

recognizing phenomena magazine has its

1472

00:50:11,990 --> 00:50:10,079

own youtube channel and we're all we

1473

00:50:14,230 --> 00:50:12,000

have a multitude of different platforms

1474

00:50:15,430 --> 00:50:14,240

on on facebook as well including my

1475

00:50:17,829 --> 00:50:15,440

myself

1476

00:50:20,390 --> 00:50:17,839

and i know organizations map it

1477

00:50:21,750 --> 00:50:20,400

m-a-p-i-t manchester's aerial phenomenon

1478

00:50:22,950 --> 00:50:21,760

investigation team which i'm the

1479

00:50:26,630 --> 00:50:22,960

chairman of which i've been running

1480

00:50:31,109 --> 00:50:28,950

um and it was formed in 1973 so it's

1481

00:50:32,950 --> 00:50:31,119

still going and i'm also the founder of

1482

00:50:35,030 --> 00:50:32,960

scp the scientific establishment power

1483

00:50:36,950 --> 00:50:35,040

psychology based in the uk

1484

00:50:39,270 --> 00:50:36,960

in manchester so um

1485

00:50:40,710 --> 00:50:39,280

any places like that in your fans so you

1486

00:50:41,589 --> 00:50:40,720

know so many different players i'll just

1487

00:50:43,829 --> 00:50:41,599

say

1488

00:50:46,230 --> 00:50:43,839

google me steve mirror you'll find me

1489

00:50:47,750 --> 00:50:46,240

somewhere um if anybody has any

1490

00:50:49,990 --> 00:50:47,760

questions or wants to get in touch then

1491

00:50:51,510 --> 00:50:50,000

uh just just get in touch with my my

1492

00:50:53,670 --> 00:50:51,520

emails out there personal emails out

1493

00:50:55,750 --> 00:50:53,680

there we'll link to all these websites

1494

00:50:58,230 --> 00:50:55,760

brilliant folks awakening expo is

1495

00:51:00,549 --> 00:50:58,240

happening in blackpool england 24th to

1496

00:51:01,990 --> 00:51:00,559

26th of june like steve says tickets

1497

00:51:03,510 --> 00:51:02,000

will be available on the door please

1498

00:51:04,790 --> 00:51:03,520

come along say hello it would be great

1499

00:51:06,870 --> 00:51:04,800

to meet you and i'm sure you'll have a

1500

00:51:10,069 --> 00:51:06,880

wonderful time as well steve thank you

1501

00:51:12,150 --> 00:51:10,079

very much thanks andy thanks for you

1502

00:51:14,069 --> 00:51:12,160

that is all for this week's show thank

1503

00:51:16,150 --> 00:51:14,079

you very much for listening please

1504

00:51:18,790 --> 00:51:16,160

remember to leave the podcaster review

1505

00:51:21,030 --> 00:51:18,800

on your chosen platform you can like

1506

00:51:22,470 --> 00:51:21,040

retweet and subscribe that would all be

1507

00:51:23,910 --> 00:51:22,480

very much appreciated

1508

00:51:26,069 --> 00:51:23,920

the shows are being uploaded onto

1509

00:51:28,470 --> 00:51:26,079

youtube as we speak more and more you

1510

00:51:31,190 --> 00:51:28,480

can sign up at patreon.com forward slash

1511

00:51:33,589 --> 00:51:31,200

that ufo podcast to access shows ad free

1512

00:51:36,470 --> 00:51:33,599

as well please get in touch on twitter

1513

00:51:40,309 --> 00:51:36,480

facebook instagram that ufo podcast of

1514

00:51:42,470 --> 00:51:40,319

course on twitter it's at ufo uap am and

1515

00:51:44,820 --> 00:51:42,480

again folks as always keep looking up

1516

00:52:06,309 --> 00:51:44,830

you never know what you might see

1517

00:52:06,319 --> 00:52:15,200

i don't think he expected me

1518

00:52:15,210 --> 00:52:21,430

[Music]

1519

00:52:53,910 --> 00:52:22,870

i can't imagine how it could have been

1520

00:52:53,920 --> 00:53:00,740

scare me

1521

00:53:00,750 --> 00:53:10,549

[Music]

1522

00:53:10,559 --> 00:53:16,240

and what's that
