WILSON/DAVIS MEMO

1
00:00:03,750 --> 00:00:01,429
[Music]

2
00:00:05,610 --> 00:00:03,760
hi this is sean cahill and you're

3
00:00:11,430 --> 00:00:05,620
listening to that ufo podcast

4
00:00:14,310 --> 00:00:13,030
you're going to be lied to because

5
00:00:16,390 --> 00:00:14,320
that's the rule

6
00:00:17,510 --> 00:00:16,400
that is a quote from astrophysicist eric

7
00:00:19,670 --> 00:00:17,520
davis

8
00:00:21,349 --> 00:00:19,680
welcome to a new show format where a

9
00:00:24,310 --> 00:00:21,359
guest is going to join me looking in

10
00:00:26,870 --> 00:00:24,320
depth at a well-known case event person

11
00:00:28,630 --> 00:00:26,880
or in this case a particular document

12
00:00:31,109 --> 00:00:28,640
often i'm getting messages from folks

13
00:00:33,430 --> 00:00:31,119

who are newer to the ufo subject or for

14

00:00:34,950 --> 00:00:33,440

some time have can adept in and out and

15

00:00:36,630 --> 00:00:34,960

they're looking for more information on

16

00:00:38,630 --> 00:00:36,640

certain things that are talked about on

17

00:00:40,310 --> 00:00:38,640

social media or on the podcast or on

18

00:00:41,830 --> 00:00:40,320

other people's blogs

19

00:00:44,709 --> 00:00:41,840

in detail and they're not too sure of

20

00:00:46,630 --> 00:00:44,719

the origins or the basics recently at us

21

00:00:49,029 --> 00:00:46,640

congressional hearings the wilson davis

22

00:00:50,790 --> 00:00:49,039

memo was admitted into public record

23

00:00:53,350 --> 00:00:50,800

after being brought up in the hearing by

24

00:00:55,350 --> 00:00:53,360

congressman mike gallagher bringing his

25

00:00:57,350 --> 00:00:55,360

this document back to the forefront of

26

00:00:59,270 --> 00:00:57,360

the ufo conversation

27

00:01:01,110 --> 00:00:59,280

joining me for this inaugural show is

28

00:01:03,110 --> 00:01:01,120

former guest and a man who is very well

29

00:01:05,429 --> 00:01:03,120

known for his interest and work on

30

00:01:07,670 --> 00:01:05,439

legitimacy of the wilson davis memo

31

00:01:10,310 --> 00:01:07,680

especially his fantastic mega blog which

32

00:01:12,230 --> 00:01:10,320

you can find at ufojoe.net and the links

33

00:01:13,990 --> 00:01:12,240

for that are in the description i've got

34

00:01:15,270 --> 00:01:14,000

joe murgia joe welcome back to the

35

00:01:17,109 --> 00:01:15,280

podcast

36

00:01:18,390 --> 00:01:17,119

andy thanks so much for having me back

37

00:01:20,710 --> 00:01:18,400

it's been a while how long has it been

38

00:01:22,149 --> 00:01:20,720

like a year at least a year yeah i think

39

00:01:23,510 --> 00:01:22,159

it's been over a year when i look back

40

00:01:25,109 --> 00:01:23,520

through the messages we've always kind

41

00:01:27,830 --> 00:01:25,119

of been in touch back and forward anyway

42

00:01:29,910 --> 00:01:27,840

but yeah this is a long overdue and the

43

00:01:32,149 --> 00:01:29,920

time certainly flies but you know what

44

00:01:34,630 --> 00:01:32,159

i'm glad this has came up now because

45

00:01:36,710 --> 00:01:34,640

the timings worked out well um

46

00:01:38,310 --> 00:01:36,720

i've been wanting to do a show like this

47

00:01:40,789 --> 00:01:38,320

for quite a while get away from the

48

00:01:41,830 --> 00:01:40,799

interview format or the news format it's

49

00:01:43,910 --> 00:01:41,840

going to be something a little bit

50

00:01:46,870 --> 00:01:43,920

different and i hope folks enjoy this

51
00:01:48,710 --> 00:01:46,880
and and we can get a crack on uh joe

52
00:01:50,310 --> 00:01:48,720
you are very well known for for the

53
00:01:52,630 --> 00:01:50,320
document we're going to be discussing

54
00:01:55,429 --> 00:01:52,640
and your work on it you're a staunch

55
00:01:57,670 --> 00:01:55,439
defender of the veracity and the

56
00:01:59,190 --> 00:01:57,680
legitimacy of the document

57
00:02:01,670 --> 00:01:59,200
we're going to go into the details and

58
00:02:04,230 --> 00:02:01,680
start off with a who what why where and

59
00:02:06,069 --> 00:02:04,240
when of the wilson davis memo for those

60
00:02:08,229 --> 00:02:06,079
who are brand new to the subject and

61
00:02:10,949 --> 00:02:08,239
this particular document and then we'll

62
00:02:13,430 --> 00:02:10,959
build up with more information and on

63
00:02:16,070 --> 00:02:13,440

this neither of us know 100 of the

64

00:02:17,990 --> 00:02:16,080

detail the names what happened but i

65

00:02:20,070 --> 00:02:18,000

think joe of all the people i could

66

00:02:22,150 --> 00:02:20,080

could speak to you're you're very well

67

00:02:24,710 --> 00:02:22,160

placed outside of admiral thomas wilson

68

00:02:26,470 --> 00:02:24,720

and dr eric davis themselves to discuss

69

00:02:27,990 --> 00:02:26,480

these documents so i'm very glad you're

70

00:02:30,550 --> 00:02:28,000

joining me for it

71

00:02:32,470 --> 00:02:30,560

yeah and i'll say that i do not know

72

00:02:34,630 --> 00:02:32,480

every detail every name of what

73

00:02:37,190 --> 00:02:34,640

everybody did in the document people who

74

00:02:38,949 --> 00:02:37,200

do know that giuliano maranovic who when

75

00:02:41,830 --> 00:02:38,959

i wrote my mega blog i could not have

76

00:02:44,550 --> 00:02:41,840

written it without him and richard dolan

77

00:02:46,869 --> 00:02:44,560

and mr x who was anonymous for his own

78

00:02:49,670 --> 00:02:46,879

personal reasons did a five-hour deep

79

00:02:51,430 --> 00:02:49,680

dive which is on youtube

80

00:02:53,110 --> 00:02:51,440

so if people want to know every detail

81

00:02:54,630 --> 00:02:53,120

which to me it's one of the most

82

00:02:56,390 --> 00:02:54,640

important stories potentially in the

83

00:02:58,470 --> 00:02:56,400

history of humankind if we really do

84

00:02:59,589 --> 00:02:58,480

have what is talked about in the in the

85

00:03:01,270 --> 00:02:59,599

documents

86

00:03:04,149 --> 00:03:01,280

they should listen to that it's five

87

00:03:06,070 --> 00:03:04,159

hour deep dive richard dolan and mr x i

88

00:03:07,910 --> 00:03:06,080

will get those links in the description

89

00:03:10,309 --> 00:03:07,920

for folks who want to go ahead and watch

90

00:03:12,710 --> 00:03:10,319

those afterwards ideally they listen to

91

00:03:15,110 --> 00:03:12,720

us first or watch us first but i've also

92

00:03:17,110 --> 00:03:15,120

got the link joe to your mega blog and

93

00:03:19,110 --> 00:03:17,120

also the documents themselves are all in

94

00:03:21,589 --> 00:03:19,120

the description for this show folks so

95

00:03:23,350 --> 00:03:21,599

please do check those out as well so

96

00:03:25,750 --> 00:03:23,360

let's kick off with the basics the who

97

00:03:29,030 --> 00:03:25,760

what why where when the who is an

98

00:03:31,509 --> 00:03:29,040

admiral thomas wilson and dr eric davis

99

00:03:33,670 --> 00:03:31,519

the what the wilson davis memo is a

100

00:03:36,070 --> 00:03:33,680

document of the conversation had between

101
00:03:38,710 --> 00:03:36,080
these two gentlemen written down by eric

102
00:03:41,270 --> 00:03:38,720
davis himself covering several aspects

103
00:03:43,910 --> 00:03:41,280
of the ufo conversation including but

104
00:03:46,309 --> 00:03:43,920
very much not limited to crash retrieval

105
00:03:48,710 --> 00:03:46,319
programs alien bodies remote viewings

106
00:03:50,710 --> 00:03:48,720
mentioned in their cover-ups special

107
00:03:53,509 --> 00:03:50,720
access programs you name it it's in

108
00:03:56,309 --> 00:03:53,519
there in one sort of explosive document

109
00:03:59,030 --> 00:03:56,319
this happened in las vegas nevada in

110
00:04:01,030 --> 00:03:59,040
october 16 2002

111
00:04:02,390 --> 00:04:01,040
and the why well that's something i'm

112
00:04:04,710 --> 00:04:02,400
going to get into

113
00:04:07,110 --> 00:04:04,720

first you i want to ask you i suppose

114

00:04:11,030 --> 00:04:07,120

let's start with the the who who are

115

00:04:15,429 --> 00:04:11,040

admiral thomas wilson and dr eric davis

116

00:04:17,670 --> 00:04:15,439

so admiral thomas wilson in in 2002 he

117

00:04:19,909 --> 00:04:17,680

had just retired as the director of the

118

00:04:22,310 --> 00:04:19,919

defense intelligence agency

119

00:04:24,550 --> 00:04:22,320

when he allegedly went looking for this

120

00:04:26,710 --> 00:04:24,560

ufo program he was the vice director of

121

00:04:28,550 --> 00:04:26,720

intelligence the j-2 for the joint

122

00:04:30,550 --> 00:04:28,560

chiefs of staff um

123

00:04:32,710 --> 00:04:30,560

pretty high up trying to you know he's

124

00:04:34,310 --> 00:04:32,720

briefing other people in the government

125

00:04:37,270 --> 00:04:34,320

on intelligence he should know

126

00:04:40,230 --> 00:04:37,280

everything that's going on eric davis

127

00:04:42,070 --> 00:04:40,240

is an astrophysicist and

128

00:04:42,950 --> 00:04:42,080

i have a little just of his resume he

129

00:04:45,110 --> 00:04:42,960

was

130

00:04:47,110 --> 00:04:45,120

he's also an adjunct professor at baylor

131

00:04:49,110 --> 00:04:47,120

university and his research

132

00:04:50,790 --> 00:04:49,120

specializations and interests include

133

00:04:53,110 --> 00:04:50,800

breakthrough propulsion physics for

134

00:04:55,350 --> 00:04:53,120

interstellar flight interstellar flight

135

00:04:58,150 --> 00:04:55,360

science is a long list

136

00:05:01,350 --> 00:04:58,160

and guy is brilliant he was part of nids

137

00:05:02,469 --> 00:05:01,360

i think starting in 96

138

00:05:03,909 --> 00:05:02,479

and

139

00:05:06,310 --> 00:05:03,919

nids is the national institute of

140

00:05:08,310 --> 00:05:06,320

discovery science uh with robert robert

141

00:05:11,189 --> 00:05:08,320

bigelow started it up back in the mid

142

00:05:12,310 --> 00:05:11,199

90s and eric davis had his own sighting

143

00:05:14,230 --> 00:05:12,320

back

144

00:05:16,790 --> 00:05:14,240

i think it was 95 he had his own

145

00:05:19,749 --> 00:05:16,800

sighting in arizona and and the guy is

146

00:05:21,430 --> 00:05:19,759

like a walking encyclopedia on ufos he's

147

00:05:23,189 --> 00:05:21,440

spoken about the crash retrieval program

148

00:05:25,350 --> 00:05:23,199

in various interviews

149

00:05:27,110 --> 00:05:25,360

and in 2002

150

00:05:29,270 --> 00:05:27,120

he had just been probably like four or

151
00:05:30,790 --> 00:05:29,280
five months before he allegedly met the

152
00:05:31,909 --> 00:05:30,800
admiral he had just been

153
00:05:33,189 --> 00:05:31,919
laid off

154
00:05:34,710 --> 00:05:33,199
by nids

155
00:05:36,469 --> 00:05:34,720
so that's what happened and then if you

156
00:05:38,870 --> 00:05:36,479
want me to get into what supposedly

157
00:05:40,870 --> 00:05:38,880
happened in 2002 we can go there next

158
00:05:43,510 --> 00:05:40,880
yeah so just just to summarize quickly

159
00:05:46,230 --> 00:05:43,520
you've got admiral thomas wilson who

160
00:05:47,990 --> 00:05:46,240
pretty serious career military guy has

161
00:05:49,909 --> 00:05:48,000
worked his way up is in a very lofty

162
00:05:52,629 --> 00:05:49,919
position within the intelligence

163
00:05:54,629 --> 00:05:52,639

community you've then got dr eric davis

164

00:05:56,710 --> 00:05:54,639

who just from his resume i think if you

165

00:05:58,870 --> 00:05:56,720

had to read off his actual full resume

166

00:06:01,510 --> 00:05:58,880

you'd be here for a good hour this guy

167

00:06:03,749 --> 00:06:01,520

is involved in so many different things

168

00:06:04,950 --> 00:06:03,759

um and extremely intelligent extremely

169

00:06:06,950 --> 00:06:04,960

bright

170

00:06:08,870 --> 00:06:06,960

both from very different places though

171

00:06:11,270 --> 00:06:08,880

it's very chalk and cheese when it comes

172

00:06:14,150 --> 00:06:11,280

to these two to a particular characters

173

00:06:15,590 --> 00:06:14,160

now they have a meeting which results in

174

00:06:19,270 --> 00:06:15,600

this document being produced by eric

175

00:06:21,990 --> 00:06:19,280

davis like i said october 16th 2002 in

176

00:06:24,390 --> 00:06:22,000

las vegas nevada which is the the place

177

00:06:26,230 --> 00:06:24,400

you reside at the moment is that correct

178

00:06:29,590 --> 00:06:26,240

yeah i moved here i started working here

179

00:06:31,830 --> 00:06:29,600

in 2009 and moved here in 2010

180

00:06:33,990 --> 00:06:31,840

and just so coincidentally there's three

181

00:06:36,309 --> 00:06:34,000

people mentioned in the document also uh

182

00:06:38,230 --> 00:06:36,319

commander will miller whose letter to

183

00:06:40,150 --> 00:06:38,240

eric davis and hal put off it's

184

00:06:42,309 --> 00:06:40,160

addressed to eric davis that letter is

185

00:06:43,830 --> 00:06:42,319

also in the memo which we can talk about

186

00:06:44,950 --> 00:06:43,840

i became friends with will miller in

187

00:06:47,909 --> 00:06:44,960

2000

188

00:06:50,390 --> 00:06:47,919

um i went to his house in 2007 i became

189

00:06:51,990 --> 00:06:50,400

friends with eric davis in 2018 so

190

00:06:54,469 --> 00:06:52,000

coincidentally

191

00:06:56,230 --> 00:06:54,479

i consider i mean both of those guys i

192

00:06:57,909 --> 00:06:56,240

consider friends and they're the two of

193

00:07:01,110 --> 00:06:57,919

the three main players in that document

194

00:07:03,110 --> 00:07:01,120

so that's a nice interesting coincidence

195

00:07:05,510 --> 00:07:03,120

so let's talk about first what happened

196

00:07:06,870 --> 00:07:05,520

then what what happened on october 16th

197

00:07:10,070 --> 00:07:06,880

2002

198

00:07:11,350 --> 00:07:10,080

admiral wilson and eric davis are and i

199

00:07:13,270 --> 00:07:11,360

was going to say in the back seat of a

200

00:07:14,870 --> 00:07:13,280

car i'm i don't think they were in the

201
00:07:17,270 --> 00:07:14,880
back seat and it was probably sitting in

202
00:07:19,110 --> 00:07:17,280
the front but why were they both in the

203
00:07:20,950 --> 00:07:19,120
same place at the same time

204
00:07:22,309 --> 00:07:20,960
having the discussion they were about to

205
00:07:23,350 --> 00:07:22,319
have

206
00:07:25,350 --> 00:07:23,360
so

207
00:07:27,430 --> 00:07:25,360
three years before and this is

208
00:07:28,950 --> 00:07:27,440
speculation apparently

209
00:07:31,430 --> 00:07:28,960
admiral wilson wanted to talk to

210
00:07:33,990 --> 00:07:31,440
somebody about this and

211
00:07:36,070 --> 00:07:34,000
the this is that he stumbled upon a

212
00:07:37,670 --> 00:07:36,080
crash retrieval not stumbled upon he

213
00:07:40,710 --> 00:07:37,680

found a crash retrieval reverse

214

00:07:42,390 --> 00:07:40,720

engineering ufo program

215

00:07:45,110 --> 00:07:42,400

which will get back to how that happened

216

00:07:46,869 --> 00:07:45,120

in 97 and apparently he wanted to talk

217

00:07:48,230 --> 00:07:46,879

to somebody about it he knew somebody

218

00:07:50,390 --> 00:07:48,240

oak shannon

219

00:07:54,390 --> 00:07:50,400

who was a physicist who worked at los

220

00:07:56,550 --> 00:07:54,400

alamos from 1988 to 2000 and before that

221

00:07:57,350 --> 00:07:56,560

apparently they were friends oke shannon

222

00:08:01,909 --> 00:07:57,360

and

223

00:08:05,270 --> 00:08:01,919

eric davis because oak shannon this

224

00:08:07,830 --> 00:08:05,280

physicist was part of the john alexander

225

00:08:12,469 --> 00:08:07,840

advanced theoretical

226

00:08:15,749 --> 00:08:12,479

which ran from around 84 to 89 so john

227

00:08:18,390 --> 00:08:15,759

alexander had a group of like 20 folks

228

00:08:19,990 --> 00:08:18,400

who had special top secret special

229

00:08:22,070 --> 00:08:20,000

top secret

230

00:08:23,909 --> 00:08:22,080

sei clearances who were interested in

231

00:08:25,350 --> 00:08:23,919

ufos wanted to get to the bottom of it

232

00:08:26,950 --> 00:08:25,360

wanted to find out what the government

233

00:08:29,670 --> 00:08:26,960

knew so they would meet

234

00:08:31,749 --> 00:08:29,680

um at this location and oak shannon was

235

00:08:34,550 --> 00:08:31,759

one of the folks who was part of that

236

00:08:36,149 --> 00:08:34,560

group so he knew eric davis through that

237

00:08:37,990 --> 00:08:36,159

or i'm not sure if he knew him before

238

00:08:40,310 --> 00:08:38,000

but they knew each other through that

239

00:08:42,709 --> 00:08:40,320

so oak knew oak shannon knew admiral

240

00:08:44,870 --> 00:08:42,719

wilson any new eric davis

241

00:08:46,710 --> 00:08:44,880

and he said hey if you want to talk to

242

00:08:49,350 --> 00:08:46,720

somebody about what happened

243

00:08:50,630 --> 00:08:49,360

i know a perfect person he's not in the

244

00:08:52,310 --> 00:08:50,640

government

245

00:08:56,790 --> 00:08:52,320

doesn't have clearances you can talk to

246

00:08:58,630 --> 00:08:56,800

him very very reliable so that was 1999

247

00:09:00,470 --> 00:08:58,640

it didn't take place until three years

248

00:09:02,550 --> 00:09:00,480

later where finally wilson said okay

249

00:09:03,910 --> 00:09:02,560

i'll meet with him

250

00:09:05,750 --> 00:09:03,920

and also the

251

00:09:08,070 --> 00:09:05,760

association of

252

00:09:10,310 --> 00:09:08,080

former intelligence officers those folks

253

00:09:12,070 --> 00:09:10,320

vouched for davis too admiral wilson

254

00:09:13,910 --> 00:09:12,080

went and did his own background check on

255

00:09:15,509 --> 00:09:13,920

davis he was comfortable enough that

256

00:09:17,430 --> 00:09:15,519

davis wasn't go to the meet he wasn't

257

00:09:18,389 --> 00:09:17,440

going to go to the media he was going to

258

00:09:20,630 --> 00:09:18,399

keep it

259

00:09:21,910 --> 00:09:20,640

private and wilson felt comfortable

260

00:09:23,509 --> 00:09:21,920

doing that and there are people out

261

00:09:25,910 --> 00:09:23,519

there who said this makes absolutely no

262

00:09:27,350 --> 00:09:25,920

sense why an admiral will tell this this

263

00:09:29,269 --> 00:09:27,360

he's just going to go to eric davis and

264

00:09:31,509 --> 00:09:29,279

just start talking to him well it took

265

00:09:32,710 --> 00:09:31,519

three years and he thought about it if

266

00:09:34,070 --> 00:09:32,720

you read the documents you know i

267

00:09:35,990 --> 00:09:34,080

thought long and hard it's not something

268

00:09:37,590 --> 00:09:36,000

that you take lightly this is you know

269

00:09:39,990 --> 00:09:37,600

he wasn't right into the program but

270

00:09:42,150 --> 00:09:40,000

he's sharing if you believe this it's

271

00:09:45,430 --> 00:09:42,160

the most important secret in the history

272

00:09:47,509 --> 00:09:45,440

of our planet our country and he's

273

00:09:50,470 --> 00:09:47,519

meeting with eric davis based on the

274

00:09:52,790 --> 00:09:50,480

word of the a the af

275

00:09:54,389 --> 00:09:52,800

afio i'm trying to get that right but

276

00:09:57,590 --> 00:09:54,399

oak shen and his friend is like this is

277

00:09:59,670 --> 00:09:57,600

a guy you can really trust um let me ask

278

00:10:01,829 --> 00:09:59,680

let me ask though to what end because i

279

00:10:05,190 --> 00:10:01,839

know what your point is there but i sort

280

00:10:08,150 --> 00:10:05,200

of agree that if i um

281

00:10:10,949 --> 00:10:08,160

admiral wilson and i have

282

00:10:12,949 --> 00:10:10,959

come across this special access program

283

00:10:15,269 --> 00:10:12,959

black budgets whatever people want to

284

00:10:17,110 --> 00:10:15,279

call it and i'm finding out about these

285

00:10:20,069 --> 00:10:17,120

potential crash retrieval programs and

286

00:10:21,750 --> 00:10:20,079

whatnot why do i want to go and find

287

00:10:23,670 --> 00:10:21,760

someone to speak to about it surely

288

00:10:25,509 --> 00:10:23,680

there would be people within

289

00:10:27,110 --> 00:10:25,519

my own community that i could go and

290

00:10:29,750 --> 00:10:27,120

speak to you know he's already talking

291

00:10:31,750 --> 00:10:29,760

to people like will miller and and such

292

00:10:34,389 --> 00:10:31,760

why is he looking for someone out with

293

00:10:36,069 --> 00:10:34,399

that to have that conversation at all

294

00:10:38,150 --> 00:10:36,079

well at that point he had lost his trust

295

00:10:40,230 --> 00:10:38,160

in will miller because will miller spoke

296

00:10:42,310 --> 00:10:40,240

to other people about their meeting in

297

00:10:44,230 --> 00:10:42,320

1997

298

00:10:46,310 --> 00:10:44,240

and it was a big deal for him it's like

299

00:10:47,829 --> 00:10:46,320

oh it's navy camaraderie you don't share

300

00:10:49,910 --> 00:10:47,839

this information

301

00:10:51,590 --> 00:10:49,920

um but he did are you still there andy

302

00:10:52,949 --> 00:10:51,600

you're looking yeah yeah yeah yeah yeah

303

00:10:54,949 --> 00:10:52,959

i'm here yeah

304

00:10:57,030 --> 00:10:54,959

yeah i'm just fascinated yeah god will

305

00:10:58,949 --> 00:10:57,040

millar so that was that was out he was

306

00:11:01,670 --> 00:10:58,959

according to the documents he was livid

307

00:11:03,430 --> 00:11:01,680

that will miller spoke

308

00:11:05,110 --> 00:11:03,440

spoke to stephen greer afterwards and

309

00:11:06,949 --> 00:11:05,120

talked to mitchell and went to leslie

310

00:11:08,389 --> 00:11:06,959

kane which who wrote articles in the

311

00:11:10,790 --> 00:11:08,399

year 2000

312

00:11:12,710 --> 00:11:10,800

um not referencing miller by name not

313

00:11:14,310 --> 00:11:12,720

referencing wilson by name but but if

314

00:11:17,350 --> 00:11:14,320

you read the documents it's pretty

315

00:11:19,030 --> 00:11:17,360

obvious it's admiral wilson and he got

316

00:11:20,630 --> 00:11:19,040

calls later on

317

00:11:23,190 --> 00:11:20,640

people were making fun of him oh you're

318

00:11:24,949 --> 00:11:23,200

interested in ufos so miller was out and

319

00:11:27,430 --> 00:11:24,959

he had already been told

320

00:11:29,670 --> 00:11:27,440

by the special access not the the it's

321

00:11:31,509 --> 00:11:29,680

called the senior review group

322

00:11:33,269 --> 00:11:31,519

because he was turned down we're

323

00:11:35,590 --> 00:11:33,279

skipping ahead but he was not given

324

00:11:38,470 --> 00:11:35,600

access to this program so he put up a

325

00:11:40,069 --> 00:11:38,480

fight and the senior review group very

326

00:11:42,550 --> 00:11:40,079

high up related to the special access

327

00:11:45,190 --> 00:11:42,560

program oversight committee they said

328

00:11:47,190 --> 00:11:45,200

listen if you keep pursuing this

329

00:11:49,590 --> 00:11:47,200

you're going to not get your promotion

330

00:11:51,509 --> 00:11:49,600

to the director of the dia you you're

331

00:11:53,670 --> 00:11:51,519

going to lose a star and you're going to

332

00:11:55,670 --> 00:11:53,680

get early retirement so he couldn't go

333

00:11:57,750 --> 00:11:55,680

to people that he knew he had to just

334

00:11:59,910 --> 00:11:57,760

shut up eric davis was not in the

335

00:12:01,350 --> 00:11:59,920

government eric davis was totally

336

00:12:04,790 --> 00:12:01,360

outside of that

337

00:12:06,470 --> 00:12:04,800

and he had oak shannon's backing so

338

00:12:08,870 --> 00:12:06,480

apparently he felt comfortable enough to

339

00:12:10,470 --> 00:12:08,880

go and speak to eric davis and none of

340

00:12:13,030 --> 00:12:10,480

those other folks would find out about

341

00:12:14,710 --> 00:12:13,040

it until the documents leaked to what

342

00:12:16,629 --> 00:12:14,720

end though was he wanting to have that

343

00:12:18,629 --> 00:12:16,639

conversation what did he hope would come

344

00:12:20,629 --> 00:12:18,639

off okay i've got this guy here's a

345

00:12:22,069 --> 00:12:20,639

contact i'm told he's reliable i've got

346

00:12:24,310 --> 00:12:22,079

plenty of people vouching for him it's

347

00:12:27,190 --> 00:12:24,320

eric davis what does he hope to achieve

348

00:12:29,030 --> 00:12:27,200

by having that conversation at all i and

349

00:12:31,829 --> 00:12:29,040

i'm speculating here because we don't

350

00:12:34,150 --> 00:12:31,839

know that i'm speculating that and this

351
00:12:35,590 --> 00:12:34,160

i think

352
00:12:37,509 --> 00:12:35,600

the man i'm trying to think of his name

353
00:12:39,590 --> 00:12:37,519

who i want to give credit to the person

354
00:12:41,509 --> 00:12:39,600

who first brought this up

355
00:12:43,509 --> 00:12:41,519

it was the australian james rigney who

356
00:12:45,350 --> 00:12:43,519

threw out this theory that admiral

357
00:12:48,310 --> 00:12:45,360

wilson want you know he wanted this

358
00:12:50,470 --> 00:12:48,320

story out he couldn't get it at himself

359
00:12:52,470 --> 00:12:50,480

most if if he believed what he was told

360
00:12:53,590 --> 00:12:52,480

that this was a reverse engineering ufo

361
00:12:55,910 --> 00:12:53,600

program

362
00:12:58,230 --> 00:12:55,920

he wanted the story out and maybe if he

363
00:13:00,710 --> 00:12:58,240

told eric davis who was interested in

364

00:13:02,790 --> 00:13:00,720

this subject who had that background

365

00:13:04,550 --> 00:13:02,800

he possibly could get to the bottom of

366

00:13:06,870 --> 00:13:04,560

this and maybe the story would get out

367

00:13:09,670 --> 00:13:06,880

if you listen to bob mcguire a scientist

368

00:13:13,509 --> 00:13:09,680

bob mcguire says he saw a letter in 2004

369

00:13:15,509 --> 00:13:13,519

or 2005 end of 2004 beginning of 2005

370

00:13:17,269 --> 00:13:15,519

where wilson was still pursuing this

371

00:13:19,190 --> 00:13:17,279

that was seven years after he first

372

00:13:21,509 --> 00:13:19,200

encountered this program

373

00:13:23,350 --> 00:13:21,519

if you believe bob mcguire that wilson

374

00:13:25,110 --> 00:13:23,360

was still looking into this

375

00:13:26,870 --> 00:13:25,120

you know seven years later that meant he

376

00:13:28,310 --> 00:13:26,880

still wanted to get to the bottom of it

377

00:13:29,910 --> 00:13:28,320

but he couldn't figure out a way to get

378

00:13:32,629 --> 00:13:29,920

the story out i mean if you really

379

00:13:34,790 --> 00:13:32,639

believe that program existed the whole

380

00:13:37,030 --> 00:13:34,800

world should know about it so in i'm

381

00:13:39,110 --> 00:13:37,040

speculating he saw eric davis as a

382

00:13:41,430 --> 00:13:39,120

possibility if he told the story maybe

383

00:13:42,710 --> 00:13:41,440

davis and his nids folks could get to

384

00:13:44,389 --> 00:13:42,720

the bottom of it

385

00:13:46,870 --> 00:13:44,399

is that why that happened i don't know

386

00:13:49,670 --> 00:13:46,880

it's speculation

387

00:13:51,750 --> 00:13:49,680

the the document itself has a lot of

388

00:13:53,910 --> 00:13:51,760

incredible claims a lot of incredible

389

00:13:56,310 --> 00:13:53,920

points but i want to ask is it

390

00:13:59,430 --> 00:13:56,320

commonplace for someone like eric davis

391

00:14:01,670 --> 00:13:59,440

to document a conversation like that

392

00:14:03,110 --> 00:14:01,680

because it does read like a script and i

393

00:14:05,750 --> 00:14:03,120

know that's one of the things that is

394

00:14:08,069 --> 00:14:05,760

thrown at this document as an accusation

395

00:14:10,150 --> 00:14:08,079

is that it's a fake script and that that

396

00:14:11,670 --> 00:14:10,160

is how it reads it's almost formatted as

397

00:14:13,750 --> 00:14:11,680

well like a script that's got the

398

00:14:14,710 --> 00:14:13,760

initials the conversation

399

00:14:16,629 --> 00:14:14,720

and

400

00:14:18,790 --> 00:14:16,639

i'd like to also ask is eric davis you

401
00:14:20,790 --> 00:14:18,800
know i'm personally known for having an

402
00:14:22,389 --> 00:14:20,800
exceptional memory because i know if i

403
00:14:24,790 --> 00:14:22,399
had an hour-long two-hour long

404
00:14:27,110 --> 00:14:24,800
conversation which i do for interviews i

405
00:14:30,389 --> 00:14:27,120
remember about five or six bullet points

406
00:14:32,550 --> 00:14:30,399
eric davis seems to have almost an

407
00:14:35,269 --> 00:14:32,560
annotated i think that's the word word

408
00:14:37,670 --> 00:14:35,279
for word playback of the conversation or

409
00:14:39,110 --> 00:14:37,680
a very good one at least

410
00:14:41,189 --> 00:14:39,120
so

411
00:14:43,670 --> 00:14:41,199
for me it doesn't read like a script for

412
00:14:45,670 --> 00:14:43,680
me it reads like i have so many messages

413
00:14:47,350 --> 00:14:45,680

from eric just personal messages and it

414

00:14:50,310 --> 00:14:47,360

reads like his messages except for the

415

00:14:51,750 --> 00:14:50,320

formatting of course um so when i read

416

00:14:53,430 --> 00:14:51,760

it i hear

417

00:14:55,670 --> 00:14:53,440

i hear the way he writes if that makes

418

00:14:57,670 --> 00:14:55,680

any sense um yeah

419

00:14:59,269 --> 00:14:57,680

he has a memory like you would not

420

00:15:00,710 --> 00:14:59,279

believe i've never met anybody with a

421

00:15:02,870 --> 00:15:00,720

memory like him and i'm like you're a

422

00:15:05,110 --> 00:15:02,880

walking encyclopedia no matter what i

423

00:15:07,110 --> 00:15:05,120

ask you it's like the details he brings

424

00:15:08,870 --> 00:15:07,120

up and he's like yeah he goes help my

425

00:15:11,509 --> 00:15:08,880

boss hal put off said the same thing i'm

426

00:15:13,430 --> 00:15:11,519

like a walking encyclopedia as far as

427

00:15:15,750 --> 00:15:13,440

him memorizing what happened in that

428

00:15:17,430 --> 00:15:15,760

hour and 10 minute meeting

429

00:15:19,670 --> 00:15:17,440

um

430

00:15:21,189 --> 00:15:19,680

i have reason to believe that it may

431

00:15:23,590 --> 00:15:21,199

have been recorded

432

00:15:25,509 --> 00:15:23,600

i don't know if that's the case but

433

00:15:27,829 --> 00:15:25,519

i don't know what the word is i know i

434

00:15:30,790 --> 00:15:27,839

know gary nolan is a word when somebody

435

00:15:32,550 --> 00:15:30,800

has that memory it's like it's so off

436

00:15:34,550 --> 00:15:32,560

the chart you could just remember every

437

00:15:36,230 --> 00:15:34,560

word that was said so

438

00:15:37,910 --> 00:15:36,240

i don't know i don't know exactly what

439

00:15:39,509 --> 00:15:37,920

happened if he took notes afterwards if

440

00:15:41,590 --> 00:15:39,519

he took notes during it if he knows

441

00:15:42,629 --> 00:15:41,600

shorthand if he recorded it

442

00:15:45,269 --> 00:15:42,639

um

443

00:15:49,030 --> 00:15:45,279

so yeah not a script like i said you

444

00:15:51,269 --> 00:15:49,040

know we can get to it over the last

445

00:15:53,670 --> 00:15:51,279

two and a half three years

446

00:15:55,509 --> 00:15:53,680

i have no doubt that it's a real

447

00:15:57,350 --> 00:15:55,519

you know it's a real document that

448

00:16:00,069 --> 00:15:57,360

describes what happened when they were

449

00:16:02,230 --> 00:16:00,079

in that meeting in october 16 2002 it's

450

00:16:03,189 --> 00:16:02,240

not a it's not a movie script

451

00:16:04,949 --> 00:16:03,199

um

452

00:16:07,269 --> 00:16:04,959

that was floated by john greenwald as a

453

00:16:08,949 --> 00:16:07,279

possibility it's not uh tim mcmillan

454

00:16:10,790 --> 00:16:08,959

floated the possibility that yes it

455

00:16:12,710 --> 00:16:10,800

happened but admiral wilson was a fake

456

00:16:14,629 --> 00:16:12,720

admiral wilson that fooled eric davis

457

00:16:16,629 --> 00:16:14,639

which is preposterous and and i think

458

00:16:19,030 --> 00:16:16,639

tim tim mcmillan knows that i have no

459

00:16:21,590 --> 00:16:19,040

idea why he put that out there um but

460

00:16:23,110 --> 00:16:21,600

i'm not i'm not even going beyond

461

00:16:25,430 --> 00:16:23,120

everything in the document is legit i'm

462

00:16:27,189 --> 00:16:25,440

just saying the meeting happened

463

00:16:28,710 --> 00:16:27,199

i believe that a thousand percent

464

00:16:30,310 --> 00:16:28,720

whether or not there's a crash retrieval

465

00:16:32,470 --> 00:16:30,320

program and everything in that document

466

00:16:34,949 --> 00:16:32,480

is real i think we're gonna find out

467

00:16:36,389 --> 00:16:34,959

hopefully in my lifetime definitely in

468

00:16:38,870 --> 00:16:36,399

yours i would hope because you're

469

00:16:40,790 --> 00:16:38,880

younger um but i don't know for sure i

470

00:16:42,389 --> 00:16:40,800

mean i want to make it clear i don't

471

00:16:44,710 --> 00:16:42,399

know for sure we have a crash retrieval

472

00:16:46,310 --> 00:16:44,720

program i have a strong opinion based on

473

00:16:48,389 --> 00:16:46,320

what eric davis has said publicly in

474

00:16:50,710 --> 00:16:48,399

other interviews but i want to see it

475

00:16:53,910 --> 00:16:50,720

for myself andy now we have gallagher

476

00:16:56,310 --> 00:16:53,920

editor into the record that's step one

477

00:16:57,670 --> 00:16:56,320

gary nolan says that the the immunity

478

00:17:00,470 --> 00:16:57,680

language for these folks in these

479

00:17:02,069 --> 00:17:00,480

programs is 90 complete so we're making

480

00:17:02,870 --> 00:17:02,079

progress whether or not we hear about

481

00:17:04,390 --> 00:17:02,880

that

482

00:17:06,549 --> 00:17:04,400

or it happens in closed sessions with

483

00:17:08,150 --> 00:17:06,559

congress i don't know well let's not get

484

00:17:09,669 --> 00:17:08,160

too far ahead because we will get to the

485

00:17:11,909 --> 00:17:09,679

the congressional side of things and get

486

00:17:13,590 --> 00:17:11,919

right up to date so so far we know who's

487

00:17:15,590 --> 00:17:13,600

involved in terms of the main players

488

00:17:17,350 --> 00:17:15,600

and the name of the document itself

489

00:17:20,069 --> 00:17:17,360

and we've touched on the fact that where

490

00:17:22,230 --> 00:17:20,079

it happened was in vegas in a car park

491

00:17:24,069 --> 00:17:22,240

and we know that there are some

492

00:17:25,350 --> 00:17:24,079

incredible claims within the document so

493

00:17:27,750 --> 00:17:25,360

you've mentioned crash retrieval

494

00:17:30,230 --> 00:17:27,760

programs what else within the document

495

00:17:31,510 --> 00:17:30,240

joe for you stands out as being a wow

496

00:17:34,470 --> 00:17:31,520

because i think there's quite a lot of

497

00:17:37,270 --> 00:17:35,669

you know

498

00:17:39,510 --> 00:17:37,280

that's that's the main thing a crash

499

00:17:41,110 --> 00:17:39,520

retrieval reverse engineering program

500

00:17:43,350 --> 00:17:41,120

the folks involved

501
00:17:46,070 --> 00:17:43,360
believed you know it was not made by

502
00:17:47,029 --> 00:17:46,080
not made by man not made by human hands

503
00:17:48,950 --> 00:17:47,039
and

504
00:17:51,270 --> 00:17:48,960
they believed that it could fly through

505
00:17:53,990 --> 00:17:51,280
air water space and possibly possibly

506
00:17:55,750 --> 00:17:54,000
dimensions it's funny because you read

507
00:17:57,750 --> 00:17:55,760
it talks about how it was so

508
00:17:59,750 --> 00:17:57,760
compartmentalized that

509
00:18:02,150 --> 00:17:59,760
they couldn't go outside and get access

510
00:18:04,150 --> 00:18:02,160
to anybody they wanted to say hey

511
00:18:05,909 --> 00:18:04,160
help us with this problem on this you

512
00:18:08,950 --> 00:18:05,919
know and this is not just related to

513
00:18:10,870 --> 00:18:08,960

ufos any program where it's a very small

514

00:18:13,669 --> 00:18:10,880

bigot list people who are allowed access

515

00:18:15,430 --> 00:18:13,679

to the program they just can't go

516

00:18:17,350 --> 00:18:15,440

to their next door neighbor who may know

517

00:18:18,710 --> 00:18:17,360

x y and z and say hey i got this problem

518

00:18:20,310 --> 00:18:18,720

can you help me figure it out no they

519

00:18:22,150 --> 00:18:20,320

have to be read into the program they

520

00:18:24,310 --> 00:18:22,160

have to have a need to know

521

00:18:26,549 --> 00:18:24,320

so it talks about how the program

522

00:18:28,310 --> 00:18:26,559

just just grinded to a halt as far as

523

00:18:30,549 --> 00:18:28,320

progress and then you hear eric davis in

524

00:18:32,549 --> 00:18:30,559

his interviews he says the same exact

525

00:18:34,470 --> 00:18:32,559

thing he repeats a lot of what is in

526

00:18:37,190 --> 00:18:34,480

this document in his interviews about

527

00:18:39,510 --> 00:18:37,200

crash retrievals so and they mention

528

00:18:42,310 --> 00:18:39,520

bodies but bodies is not a big part of

529

00:18:44,549 --> 00:18:42,320

this discussion in here um the big the

530

00:18:47,430 --> 00:18:44,559

big part of it is how he how he went

531

00:18:49,909 --> 00:18:47,440

searching how how wilson went searching

532

00:18:51,510 --> 00:18:49,919

how he found out who he spoke to and how

533

00:18:52,549 --> 00:18:51,520

he went out to the program and how they

534

00:18:54,150 --> 00:18:52,559

said

535

00:18:56,549 --> 00:18:54,160

and people are like why would that

536

00:18:58,470 --> 00:18:56,559

program it's so secretive why would they

537

00:19:00,470 --> 00:18:58,480

tell him why would they tell them the

538

00:19:01,590 --> 00:19:00,480

truth that this is a reverse engineering

539

00:19:03,270 --> 00:19:01,600

why would they just why wouldn't they

540

00:19:05,350 --> 00:19:03,280

just lie to him maybe they did lie to

541

00:19:07,029 --> 00:19:05,360

him maybe it was something else and my

542

00:19:09,110 --> 00:19:07,039

speculation is

543

00:19:10,470 --> 00:19:09,120

he had a pretty high part in the

544

00:19:12,870 --> 00:19:10,480

government you know

545

00:19:14,870 --> 00:19:12,880

the vice director of intelligence they

546

00:19:16,470 --> 00:19:14,880

were found out by him they had had a

547

00:19:18,710 --> 00:19:16,480

problem in the past where somebody found

548

00:19:20,470 --> 00:19:18,720

them and they were audited and that was

549

00:19:21,990 --> 00:19:20,480

a big problem and it concerned them so

550

00:19:23,750 --> 00:19:22,000

maybe they wanted to get rid of wilson

551
00:19:25,510 --> 00:19:23,760
they said well tell him well tell him

552
00:19:27,669 --> 00:19:25,520
what we are we're not going to give him

553
00:19:28,549 --> 00:19:27,679
access hopefully this will make him go

554
00:19:29,510 --> 00:19:28,559
away

555
00:19:31,190 --> 00:19:29,520
um

556
00:19:33,350 --> 00:19:31,200
so but like i said that's speculation on

557
00:19:35,909 --> 00:19:33,360
my part uh there was a there was a there

558
00:19:37,270 --> 00:19:35,919
was an attorney he met with the program

559
00:19:39,029 --> 00:19:37,280
security head of security and the

560
00:19:41,750 --> 00:19:39,039
program manager the program manager is

561
00:19:43,350 --> 00:19:41,760
who told him you know the details about

562
00:19:44,950 --> 00:19:43,360
the program and they said you know it's

563
00:19:46,310 --> 00:19:44,960

not it's not a foreign technology

564

00:19:47,990 --> 00:19:46,320

reverse engineering it's nothing like

565

00:19:50,230 --> 00:19:48,000

that and that's when they said you know

566

00:19:51,990 --> 00:19:50,240

not made by human hands

567

00:19:54,630 --> 00:19:52,000

when i read um

568

00:19:56,150 --> 00:19:54,640

admiral wilson's discussion of how he

569

00:19:58,070 --> 00:19:56,160

went about trying to find out about

570

00:20:00,310 --> 00:19:58,080

these programs the the person that

571

00:20:02,230 --> 00:20:00,320

sprung to mind was tom delong who talked

572

00:20:04,230 --> 00:20:02,240

about knocking on doors various

573

00:20:06,710 --> 00:20:04,240

different stove pipes now tom de long

574

00:20:09,270 --> 00:20:06,720

didn't have the clearance at all that an

575

00:20:11,590 --> 00:20:09,280

admiral wilson would have had but tom

576

00:20:13,990 --> 00:20:11,600

delong somehow managed to still meet the

577

00:20:15,830 --> 00:20:14,000

right people and along the way get that

578

00:20:17,350 --> 00:20:15,840

group together that eventually included

579

00:20:20,310 --> 00:20:17,360

the people that we we kind of know from

580

00:20:22,230 --> 00:20:20,320

to the stars academy and others do you

581

00:20:24,230 --> 00:20:22,240

think an admiral wilson is someone that

582

00:20:27,110 --> 00:20:24,240

tommed along maybe not to get too off

583

00:20:29,590 --> 00:20:27,120

topic but spoke to along the way

584

00:20:31,110 --> 00:20:29,600

i don't know if you spoke to wilson um

585

00:20:33,430 --> 00:20:31,120

but what you talk about and i'm not

586

00:20:35,110 --> 00:20:33,440

saying de long was able to do this but

587

00:20:36,950 --> 00:20:35,120

eric davis in one of his interviews

588

00:20:39,110 --> 00:20:36,960

which is on my blog he talks about how

589

00:20:41,029 --> 00:20:39,120

you get information how people certain

590

00:20:42,710 --> 00:20:41,039

people are read into the program he goes

591

00:20:44,630 --> 00:20:42,720

you don't necessarily have to be read

592

00:20:46,950 --> 00:20:44,640

into a program to get information about

593

00:20:49,029 --> 00:20:46,960

it um he says like if you're working

594

00:20:50,950 --> 00:20:49,039

with folks and they find out you worked

595

00:20:53,029 --> 00:20:50,960

on ufos and they're like oh i worked on

596

00:20:55,270 --> 00:20:53,039

ufo two ufos too

597

00:20:56,789 --> 00:20:55,280

here's what i can tell you to a point

598

00:20:59,430 --> 00:20:56,799

you don't have the need to know but i

599

00:21:01,350 --> 00:20:59,440

could tell you x y and z the rest i

600

00:21:02,549 --> 00:21:01,360

cannot tell you unless you get proper

601
00:21:03,510 --> 00:21:02,559
clearance and you get read into the

602
00:21:07,029 --> 00:21:03,520
program

603
00:21:08,390 --> 00:21:07,039
i think eric davis at least since 2002

604
00:21:09,909 --> 00:21:08,400
was working on

605
00:21:11,510 --> 00:21:09,919
speaking with people in these programs

606
00:21:13,510 --> 00:21:11,520
and he's accused people are like i think

607
00:21:15,430 --> 00:21:13,520
people like brian bender say it's all

608
00:21:18,070 --> 00:21:15,440
hearsay it's all people telling eric

609
00:21:20,230 --> 00:21:18,080
davis x y and z maybe that's the case i

610
00:21:23,190 --> 00:21:20,240
don't know exactly what eric davis

611
00:21:25,830 --> 00:21:23,200
uncovered since 2002 it's been it's been

612
00:21:27,590 --> 00:21:25,840
20 years but he uncovered enough to be

613
00:21:30,230 --> 00:21:27,600

brought in from front of congress and

614

00:21:31,990 --> 00:21:30,240

christopher mellon confirmed this and he

615

00:21:34,710 --> 00:21:32,000

spoke about this and he gave them enough

616

00:21:37,909 --> 00:21:34,720

information to go looking for he for

617

00:21:39,590 --> 00:21:37,919

what he claims and melanin was like he

618

00:21:41,510 --> 00:21:39,600

needs it needs to be taken seriously and

619

00:21:44,390 --> 00:21:41,520

that's now we have you know we have

620

00:21:46,310 --> 00:21:44,400

crash retrieval language in the ndaa so

621

00:21:47,830 --> 00:21:46,320

it is being taken seriously whether or

622

00:21:49,909 --> 00:21:47,840

not that's really there whether or not

623

00:21:52,230 --> 00:21:49,919

it's a ufo not from this earth or not

624

00:21:54,470 --> 00:21:52,240

made by human hands hopefully we'll find

625

00:21:56,830 --> 00:21:54,480

out and i might have just totally

626

00:21:59,029 --> 00:21:56,840

ignored your question if i got it not at

627

00:22:00,630 --> 00:21:59,039

all you've brought up a point i was

628

00:22:03,430 --> 00:22:00,640

going to bring up as one of kenneth 4

629

00:22:05,830 --> 00:22:03,440

here now within the document wilson vent

630

00:22:08,230 --> 00:22:05,840

his frustration at commander will miller

631

00:22:09,510 --> 00:22:08,240

speaking to other people about things

632

00:22:10,870 --> 00:22:09,520

that he feels that he shouldn't have

633

00:22:13,590 --> 00:22:10,880

been talking about

634

00:22:15,590 --> 00:22:13,600

but isn't that just the nature of not

635

00:22:17,430 --> 00:22:15,600

only the ufo subject but just human

636

00:22:19,510 --> 00:22:17,440

nature in general that even when it

637

00:22:21,830 --> 00:22:19,520

comes to security clearances and

638

00:22:23,909 --> 00:22:21,840

important information like this

639

00:22:25,830 --> 00:22:23,919

it's just what happens that there's a

640

00:22:27,430 --> 00:22:25,840

there's an urge to have that discussion

641

00:22:30,390 --> 00:22:27,440

and i suppose that the biggest example

642

00:22:32,710 --> 00:22:30,400

we have currently is louis elizondo who

643

00:22:35,990 --> 00:22:32,720

has gone further and further and further

644

00:22:37,750 --> 00:22:36,000

and and what he will and what he can say

645

00:22:39,590 --> 00:22:37,760

even things like when he talks about you

646

00:22:42,070 --> 00:22:39,600

know i won't tell you what i know but

647

00:22:44,070 --> 00:22:42,080

you know it would feel somber

648

00:22:45,430 --> 00:22:44,080

that that's there's a tease there and

649

00:22:46,870 --> 00:22:45,440

there's an assumed knowledge because

650

00:22:48,549 --> 00:22:46,880

when lou says that people like you

651
00:22:50,710 --> 00:22:48,559
people like me and anyone listening to

652
00:22:52,470 --> 00:22:50,720
this you start to use your imagination

653
00:22:54,789 --> 00:22:52,480
don't you as to well what would make him

654
00:22:56,390 --> 00:22:54,799
feel somber is it just an overwhelming

655
00:22:57,990 --> 00:22:56,400
feeling is it the fact that he knows

656
00:22:59,029 --> 00:22:58,000
something that's really dangerous or

657
00:23:00,950 --> 00:22:59,039
scary

658
00:23:02,789 --> 00:23:00,960
and you start to have your mind go into

659
00:23:04,870 --> 00:23:02,799
overdrive so

660
00:23:06,310 --> 00:23:04,880
the human nature of these conversations

661
00:23:08,630 --> 00:23:06,320
even with really high ranking

662
00:23:10,549 --> 00:23:08,640
individuals like like commander will

663
00:23:13,270 --> 00:23:10,559

millar and to be fair

664

00:23:15,190 --> 00:23:13,280

and the document he he says he admired

665

00:23:17,190 --> 00:23:15,200

wilson felt miller had kind of betrayed

666

00:23:18,950 --> 00:23:17,200

that trust in having that conversation

667

00:23:21,029 --> 00:23:18,960

and but is

668

00:23:23,510 --> 00:23:21,039

is wilson not doing something relatively

669

00:23:25,190 --> 00:23:23,520

similar speaking to eric davis about

670

00:23:27,270 --> 00:23:25,200

this as well

671

00:23:28,950 --> 00:23:27,280

i don't think so um i mean i think i

672

00:23:31,110 --> 00:23:28,960

don't know exactly what was said between

673

00:23:32,230 --> 00:23:31,120

millar and wilson you know after that

674

00:23:33,190 --> 00:23:32,240

meeting

675

00:23:35,669 --> 00:23:33,200

but

676

00:23:37,909 --> 00:23:35,679

i'm glad will miller spoke up of course

677

00:23:39,830 --> 00:23:37,919

i'm glad steven greer spoke up i mean

678

00:23:41,430 --> 00:23:39,840

who cares i'm who cares about

679

00:23:43,350 --> 00:23:41,440

camaraderie when you're talking about

680

00:23:45,029 --> 00:23:43,360

something that if it's true it's the

681

00:23:47,510 --> 00:23:45,039

biggest story in you know

682

00:23:49,750 --> 00:23:47,520

in mankind's history so screw

683

00:23:52,310 --> 00:23:49,760

camaraderie um

684

00:23:54,470 --> 00:23:52,320

i don't know if miller if wilson still

685

00:23:56,230 --> 00:23:54,480

feels that way i don't know if he really

686

00:23:57,830 --> 00:23:56,240

wants to get this information out i mean

687

00:24:00,870 --> 00:23:57,840

if you listen to his interviews where he

688

00:24:02,710 --> 00:24:00,880

denies everything it make it's given me

689

00:24:04,470 --> 00:24:02,720

pause over the years even whether or not

690

00:24:05,430 --> 00:24:04,480

this was legitimate or not

691

00:24:07,190 --> 00:24:05,440

um

692

00:24:08,710 --> 00:24:07,200

and that was even recent he gave he gave

693

00:24:10,470 --> 00:24:08,720

a total denial which we can get into

694

00:24:12,470 --> 00:24:10,480

some of his denials with some of them i

695

00:24:14,230 --> 00:24:12,480

think are are pretty obvious if you're

696

00:24:16,870 --> 00:24:14,240

open-minded that he's lying about one

697

00:24:19,029 --> 00:24:16,880

specific point related to oak shed sorry

698

00:24:20,630 --> 00:24:19,039

oak shannon and um

699

00:24:23,830 --> 00:24:20,640

but yeah i mean

700

00:24:25,350 --> 00:24:23,840

when i met will miller in 2007 he i

701
00:24:27,590 --> 00:24:25,360
remember him specifically telling me

702
00:24:29,909 --> 00:24:27,600
he's a pacifist he's not your normal

703
00:24:32,710 --> 00:24:29,919
military guy you talk to other guys in

704
00:24:35,269 --> 00:24:32,720
the world of dod intel they're all about

705
00:24:37,110 --> 00:24:35,279
patriotism keeping the secret

706
00:24:38,789 --> 00:24:37,120
will miller wants this story out there

707
00:24:41,190 --> 00:24:38,799
and he can do as much as he can to get

708
00:24:43,029 --> 00:24:41,200
it out he's not doing ufos anymore he's

709
00:24:44,870 --> 00:24:43,039
retired but

710
00:24:46,470 --> 00:24:44,880
he like he'll talk about he thinks we

711
00:24:48,390 --> 00:24:46,480
have this technology

712
00:24:49,990 --> 00:24:48,400
other people i've spoken to have said no

713
00:24:52,149 --> 00:24:50,000

no we don't have this technology if we

714

00:24:53,990 --> 00:24:52,159

do have this technology miller thinks it

715

00:24:55,990 --> 00:24:54,000

should benefit mankind so he's talking

716

00:24:57,430 --> 00:24:56,000

about it which i love about him whether

717

00:24:59,669 --> 00:24:57,440

or not we really have the technology is

718

00:25:01,669 --> 00:24:59,679

another another discussion i don't know

719

00:25:03,510 --> 00:25:01,679

it's funny andy if i say i think we have

720

00:25:05,190 --> 00:25:03,520

the technology people come down on me so

721

00:25:07,750 --> 00:25:05,200

hard they're like so you think the last

722

00:25:10,149 --> 00:25:07,760

70 years is our technology i'm like i

723

00:25:12,310 --> 00:25:10,159

didn't say that i think some of what we

724

00:25:13,909 --> 00:25:12,320

see may be our technology and will

725

00:25:15,830 --> 00:25:13,919

miller is one of the few people who's

726

00:25:17,909 --> 00:25:15,840

willing to openly talk about that he

727

00:25:19,350 --> 00:25:17,919

says in my interview with him that

728

00:25:21,269 --> 00:25:19,360

he thinks we have a craft that can go

729

00:25:22,630 --> 00:25:21,279

anywhere any place anytime in the

730

00:25:24,390 --> 00:25:22,640

universe so

731

00:25:26,630 --> 00:25:24,400

if that's true that's a bigger secret

732

00:25:29,909 --> 00:25:26,640

than if we have a non-human craft in

733

00:25:32,630 --> 00:25:29,919

possession if we have that technology so

734

00:25:34,310 --> 00:25:32,640

once again i'm off on a tangent but uh i

735

00:25:35,190 --> 00:25:34,320

think that i don't think it's the same

736

00:25:36,950 --> 00:25:35,200

thing

737

00:25:38,310 --> 00:25:36,960

because

738

00:25:40,630 --> 00:25:38,320

i don't think you know there was no

739

00:25:41,990 --> 00:25:40,640

agreement when when miller spoke to

740

00:25:43,669 --> 00:25:42,000

those folks in the program they didn't

741

00:25:45,430 --> 00:25:43,679

say we'll tell you this but you can't

742

00:25:47,350 --> 00:25:45,440

tell anybody i mean he's the guy joint

743

00:25:48,710 --> 00:25:47,360

chiefs he's the vice director of

744

00:25:51,029 --> 00:25:48,720

intelligence who are they to tell him

745

00:25:53,029 --> 00:25:51,039

anything so he was able to you know on

746

00:25:55,029 --> 00:25:53,039

his behalf talk to he spoke to eric

747

00:25:57,350 --> 00:25:55,039

davis uh he didn't make a vow to anybody

748

00:26:00,230 --> 00:25:57,360

else but in his mind wilson betrayed him

749

00:26:01,269 --> 00:26:00,240

like i said i'm glad it happened um and

750

00:26:03,350 --> 00:26:01,279

hopefully

751
00:26:04,789 --> 00:26:03,360
we we can talk about oak shannon because

752
00:26:06,390 --> 00:26:04,799
and the denial we got to talk about the

753
00:26:07,510 --> 00:26:06,400
denial because wilson's denials were

754
00:26:09,029 --> 00:26:07,520
really good

755
00:26:10,470 --> 00:26:09,039
before we get to that a few other things

756
00:26:12,549 --> 00:26:10,480
i wanted to mention that were in the

757
00:26:15,110 --> 00:26:12,559
body of the it's quite a long document i

758
00:26:17,669 --> 00:26:15,120
think is it 16 17. it's 15 pages plus

759
00:26:19,430 --> 00:26:17,679
two the two letter uh two page letter

760
00:26:21,269 --> 00:26:19,440
from will miller

761
00:26:23,029 --> 00:26:21,279
yeah and again the link please go and

762
00:26:24,630 --> 00:26:23,039
check out folks it is really interesting

763
00:26:25,909 --> 00:26:24,640

reading but a few things i've picked out

764

00:26:28,390 --> 00:26:25,919

just to discuss

765

00:26:31,110 --> 00:26:28,400

is that uh personnel such as admiral

766

00:26:33,350 --> 00:26:31,120

wilson have allegedly seen documents and

767

00:26:36,070 --> 00:26:33,360

information on foreign governments on

768

00:26:37,590 --> 00:26:36,080

incidents cases programs and such

769

00:26:40,390 --> 00:26:37,600

why don't we hear more about these in

770

00:26:42,630 --> 00:26:40,400

terms of leaks surely people like wilson

771

00:26:44,549 --> 00:26:42,640

and others they're not ndaid when it

772

00:26:46,950 --> 00:26:44,559

comes to other government's information

773

00:26:48,390 --> 00:26:46,960

why doesn't more of that come out

774

00:26:50,710 --> 00:26:48,400

you know if someone from the us knows

775

00:26:52,230 --> 00:26:50,720

some of the russians info

776

00:26:54,789 --> 00:26:52,240

is that not something you think would

777

00:26:56,710 --> 00:26:54,799

come out more readily and be more widely

778

00:26:58,070 --> 00:26:56,720

discussed you would think a lot of this

779

00:26:59,750 --> 00:26:58,080

information would come out i mean that's

780

00:27:01,990 --> 00:26:59,760

one of the arguments that skeptics make

781

00:27:04,950 --> 00:27:02,000

you think 70 years we haven't we don't

782

00:27:08,470 --> 00:27:04,960

even have one solid ufo video that shows

783

00:27:11,029 --> 00:27:08,480

90 degree turns not one so

784

00:27:12,549 --> 00:27:11,039

you know i'm like i i understand that

785

00:27:13,990 --> 00:27:12,559

on that joe do you know what the thing

786

00:27:15,590 --> 00:27:14,000

is and i'm not saying that that's

787

00:27:17,590 --> 00:27:15,600

incorrect but

788

00:27:18,710 --> 00:27:17,600

in this day and age you know when cgi is

789

00:27:20,149 --> 00:27:18,720

so good

790

00:27:22,389 --> 00:27:20,159

i think there's there's two ways you

791

00:27:23,669 --> 00:27:22,399

look at any video one the quality is not

792

00:27:25,990 --> 00:27:23,679

good enough and that includes things

793

00:27:27,350 --> 00:27:26,000

like gimbal go fast or any kind of

794

00:27:29,269 --> 00:27:27,360

grainy famous

795

00:27:31,110 --> 00:27:29,279

phoenix lights footage and such you look

796

00:27:32,710 --> 00:27:31,120

at it and go it's it doesn't show you

797

00:27:35,190 --> 00:27:32,720

clearly enough what's happening but the

798

00:27:36,870 --> 00:27:35,200

other side of the coin now especially in

799

00:27:39,350 --> 00:27:36,880

2022

800

00:27:41,990 --> 00:27:39,360

if it looks too good you just instantly

801
00:27:43,029 --> 00:27:42,000
think well it must be cgi

802
00:27:45,350 --> 00:27:43,039
you

803
00:27:46,389 --> 00:27:45,360
myself anyone listening to this unless

804
00:27:48,549 --> 00:27:46,399
there's some really high up people

805
00:27:51,350 --> 00:27:48,559
listening to it we have never seen what

806
00:27:53,510 --> 00:27:51,360
we could see as a genuine ufo video

807
00:27:55,269 --> 00:27:53,520
and that hd quality performing

808
00:27:56,710 --> 00:27:55,279
incredible maneuvers so

809
00:27:59,190 --> 00:27:56,720
we don't know that there's not some

810
00:28:01,029 --> 00:27:59,200
stuff out there online that actually

811
00:28:02,870 --> 00:28:01,039
is genuine and

812
00:28:06,149 --> 00:28:02,880
we're quite happy to claim it must be

813
00:28:08,630 --> 00:28:06,159

cgi because what is good and

814

00:28:10,630 --> 00:28:08,640

again if if that you know infamous black

815

00:28:12,470 --> 00:28:10,640

triangle video got released and we saw

816

00:28:15,430 --> 00:28:12,480

this thing rising out of the ocean being

817

00:28:17,110 --> 00:28:15,440

filmed by some kind of pilot's phone or

818

00:28:19,269 --> 00:28:17,120

gun system whatever it might be and

819

00:28:21,110 --> 00:28:19,279

brilliant 4k

820

00:28:23,669 --> 00:28:21,120

would people still look at it and go nah

821

00:28:25,909 --> 00:28:23,679

that's fake that's not real

822

00:28:27,430 --> 00:28:25,919

what is real people would and you know

823

00:28:29,269 --> 00:28:27,440

when i say there's no

824

00:28:31,990 --> 00:28:29,279

footage that shows 90 degree turns i'm

825

00:28:33,590 --> 00:28:32,000

talking specifically about military

826

00:28:35,750 --> 00:28:33,600

footage i mean i know there's private

827

00:28:37,510 --> 00:28:35,760

footage that's interesting it's so hard

828

00:28:39,029 --> 00:28:37,520

i mean i'm not a video analyst so it's

829

00:28:41,350 --> 00:28:39,039

hard for me to tell if something is real

830

00:28:43,590 --> 00:28:41,360

i usually err on the side of as you said

831

00:28:45,909 --> 00:28:43,600

you know probably fake if it's too good

832

00:28:47,190 --> 00:28:45,919

to be real uh too good to be true

833

00:28:49,510 --> 00:28:47,200

will miller said something really

834

00:28:52,870 --> 00:28:49,520

interesting about why we don't find out

835

00:28:54,710 --> 00:28:52,880

more information he'd say he said um

836

00:28:57,590 --> 00:28:54,720

he said yeah he goes i define that there

837

00:28:59,669 --> 00:28:57,600

are probably multiple control groups

838

00:29:01,750 --> 00:28:59,679

each one covering certain aspects of the

839

00:29:03,669 --> 00:29:01,760

ufo eti issue

840

00:29:05,669 --> 00:29:03,679

that is one probably covering crash

841

00:29:07,190 --> 00:29:05,679

retrievals and analysis another another

842

00:29:09,590 --> 00:29:07,200

covering collecting and analyzing

843

00:29:12,310 --> 00:29:09,600

reports of encounters another related to

844

00:29:14,710 --> 00:29:12,320

overall ins oversight that's just within

845

00:29:16,870 --> 00:29:14,720

dod additionally there are a limited

846

00:29:19,029 --> 00:29:16,880

number of dod contractors who even have

847

00:29:21,269 --> 00:29:19,039

the technological capability to work

848

00:29:23,029 --> 00:29:21,279

this issue to include analysis security

849

00:29:24,950 --> 00:29:23,039

and later on he says he goes they do

850

00:29:27,269 --> 00:29:24,960

whatever they can to make sure we do not

851

00:29:29,909 --> 00:29:27,279

have access to that that could explain

852

00:29:32,389 --> 00:29:29,919

why we don't see anything of note as far

853

00:29:34,470 --> 00:29:32,399

as government evidence-wise i mean we do

854

00:29:36,789 --> 00:29:34,480

have government documents but

855

00:29:39,029 --> 00:29:36,799

andy i'm i'm accused of being a believer

856

00:29:41,909 --> 00:29:39,039

but i i'm skeptical enough where i want

857

00:29:44,310 --> 00:29:41,919

to eventually hopefully within the maybe

858

00:29:45,990 --> 00:29:44,320

next christmas a year and a half we see

859

00:29:48,310 --> 00:29:46,000

a military video

860

00:29:49,830 --> 00:29:48,320

with the proper you know documentation

861

00:29:51,510 --> 00:29:49,840

and providence where this is real and

862

00:29:53,510 --> 00:29:51,520

it's doing something we're like oh my

863

00:29:55,350 --> 00:29:53,520

god unlike like you said the three

864

00:29:57,190 --> 00:29:55,360

videos which are great and they got the

865

00:29:58,870 --> 00:29:57,200

conversation started but that's not what

866

00:30:00,789 --> 00:29:58,880

we want to see we all know we want what

867

00:30:02,870 --> 00:30:00,799

we want to see

868

00:30:04,389 --> 00:30:02,880

and i think because we know pretty much

869

00:30:07,269 --> 00:30:04,399

that they're so much better out there

870

00:30:09,430 --> 00:30:07,279

and we've got the the worst of the stuff

871

00:30:12,070 --> 00:30:09,440

that they could get out i've always said

872

00:30:14,070 --> 00:30:12,080

the videos are are boring enough

873

00:30:15,830 --> 00:30:14,080

to those in the know and those who deal

874

00:30:18,149 --> 00:30:15,840

with those kind of classifications to

875

00:30:19,990 --> 00:30:18,159

allow them to be released so it's that's

876

00:30:21,190 --> 00:30:20,000

that's what we kind of got with those

877

00:30:22,789 --> 00:30:21,200

another point that i thought was really

878

00:30:24,310 --> 00:30:22,799

interesting as well miller in that

879

00:30:26,630 --> 00:30:24,320

letter to eric davis that you talked

880

00:30:28,389 --> 00:30:26,640

about he mentions among other things

881

00:30:30,710 --> 00:30:28,399

that he can provide to eric davis the

882

00:30:32,149 --> 00:30:30,720

name of someone who had first-hand

883

00:30:34,950 --> 00:30:32,159

knowledge of the us government's

884

00:30:38,070 --> 00:30:34,960

reproduced alien vehicles held at area

885

00:30:39,990 --> 00:30:38,080

51 and other locales around the country

886

00:30:41,990 --> 00:30:40,000

that's a big wow for me and a huge

887

00:30:44,230 --> 00:30:42,000

standout and i wonder to your knowledge

888

00:30:46,789 --> 00:30:44,240

in your conversations over the years

889

00:30:48,789 --> 00:30:46,799

did that ever go any any further and was

890

00:30:50,549 --> 00:30:48,799

there any idea or speculation on who

891

00:30:51,510 --> 00:30:50,559

those individual or that individual

892

00:30:53,350 --> 00:30:51,520

might be

893

00:30:54,389 --> 00:30:53,360

i don't know anything else about that

894

00:30:55,830 --> 00:30:54,399

but

895

00:30:57,669 --> 00:30:55,840

and you know i remember when stephen

896

00:31:00,070 --> 00:30:57,679

greer used to talk about that and he was

897

00:31:01,830 --> 00:31:00,080

obviously getting it from will miller

898

00:31:04,549 --> 00:31:01,840

and i don't know whoever else you know

899

00:31:07,269 --> 00:31:04,559

will miller worked as the military

900

00:31:10,070 --> 00:31:07,279

advisor for c-seti until he broke away

901
00:31:12,230 --> 00:31:10,080
and left um one interesting miller thing

902
00:31:13,669 --> 00:31:12,240
miller said on that front is he said he

903
00:31:15,830 --> 00:31:13,679
knew somebody

904
00:31:17,669 --> 00:31:15,840
who was working at area 51 and on his

905
00:31:19,110 --> 00:31:17,679
last day he said hey will

906
00:31:20,789 --> 00:31:19,120
you know when you see those craft making

907
00:31:22,950 --> 00:31:20,799
those 90 degree turns and you you

908
00:31:24,549 --> 00:31:22,960
thinking it's extraterrestrial he goes

909
00:31:26,630 --> 00:31:24,559
well it's not and the guy just walked

910
00:31:29,430 --> 00:31:26,640
away so i mean that's not evidence of

911
00:31:31,509 --> 00:31:29,440
anything but that's i'm not sure what

912
00:31:33,830 --> 00:31:31,519
knowledge will miller has that he hasn't

913
00:31:35,190 --> 00:31:33,840

shared like in that letter to davis he's

914

00:31:36,870 --> 00:31:35,200

like i'm not going to provide anything

915

00:31:38,389 --> 00:31:36,880

top secret i don't have those clearances

916

00:31:40,870 --> 00:31:38,399

anymore i used to

917

00:31:42,870 --> 00:31:40,880

um so i'm not sure what he was privy to

918

00:31:45,110 --> 00:31:42,880

and why he has come to that conclusion

919

00:31:46,710 --> 00:31:45,120

that we have that technology but yeah it

920

00:31:49,110 --> 00:31:46,720

stood out for me too if we have alien

921

00:31:51,269 --> 00:31:49,120

reproduction vehicles that can mimic the

922

00:31:53,190 --> 00:31:51,279

technology that's that's a gigantic

923

00:31:55,509 --> 00:31:53,200

story i haven't heard that

924

00:31:58,389 --> 00:31:55,519

from any of my other sources we've heard

925

00:32:00,549 --> 00:31:58,399

other people speculate about it but

926
00:32:02,310 --> 00:32:00,559
bring will miller in front of congress

927
00:32:04,630 --> 00:32:02,320
even if it's closed doors ask him what

928
00:32:07,190 --> 00:32:04,640
he knows you know i'm sure he's willing

929
00:32:08,710 --> 00:32:07,200
to speak he's got to be on their list if

930
00:32:10,950 --> 00:32:08,720
they have a list of people to speak with

931
00:32:12,630 --> 00:32:10,960
he's got to be on that list

932
00:32:14,470 --> 00:32:12,640
and something else i thought that it

933
00:32:16,470 --> 00:32:14,480
just shows the breadth of discussion

934
00:32:19,430 --> 00:32:16,480
within this document and it's again from

935
00:32:20,230 --> 00:32:19,440
the letter as the point that ufos are

936
00:32:25,750 --> 00:32:20,240
real

937
00:32:27,350 --> 00:32:25,760
again that they're going into abductions

938
00:32:29,509 --> 00:32:27,360

like i say even if it's just mentioned

939

00:32:31,750 --> 00:32:29,519

remote viewing crash retrievals all that

940

00:32:33,509 --> 00:32:31,760

kind of stuff but abductions are a very

941

00:32:36,310 --> 00:32:33,519

sensitive subject to a lot of people

942

00:32:37,909 --> 00:32:36,320

because it covers a lot of ground which

943

00:32:40,470 --> 00:32:37,919

i don't mean this to upset anyone but

944

00:32:42,789 --> 00:32:40,480

there's very little real hard evidence

945

00:32:45,909 --> 00:32:42,799

for outside of someone having their own

946

00:32:47,830 --> 00:32:45,919

experiences which i i can tell you about

947

00:32:49,430 --> 00:32:47,840

my sighting that happened big ferris

948

00:32:51,830 --> 00:32:49,440

wheel type ufo blah blah blah i've

949

00:32:53,669 --> 00:32:51,840

talked about it many times i can't prove

950

00:32:55,750 --> 00:32:53,679

that to you in the same way that someone

951
00:32:57,669 --> 00:32:55,760
having years and years of abductions as

952
00:32:59,830 --> 00:32:57,679
horrible as those may be whether

953
00:33:01,909 --> 00:32:59,840
physical non-physical i can't say

954
00:33:03,669 --> 00:33:01,919
they're definitely happening or not but

955
00:33:06,149 --> 00:33:03,679
in this document it's claimed that those

956
00:33:07,909 --> 00:33:06,159
don't happen what are your thoughts on

957
00:33:09,909 --> 00:33:07,919
that and why that was brought

958
00:33:12,230 --> 00:33:09,919
that upset so many people and it's funny

959
00:33:14,549 --> 00:33:12,240
because so i i pulled it up on on the

960
00:33:15,669 --> 00:33:14,559
document it says um

961
00:33:16,630 --> 00:33:15,679
so

962
00:33:18,470 --> 00:33:16,640
jacques

963
00:33:20,310 --> 00:33:18,480

gonzler was the new

964

00:33:21,990 --> 00:33:20,320

under secretary of defense for

965

00:33:25,990 --> 00:33:22,000

acquisition and technology started in

966

00:33:27,990 --> 00:33:26,000

december of 97 and

967

00:33:29,350 --> 00:33:28,000

gonzler said

968

00:33:31,590 --> 00:33:29,360

i'm trying to see if he was part of the

969

00:33:33,669 --> 00:33:31,600

bigot list people who were read in um

970

00:33:34,470 --> 00:33:33,679

anyway got so god it's john gonsler who

971

00:33:35,990 --> 00:33:34,480

said

972

00:33:38,230 --> 00:33:36,000

to wilson

973

00:33:40,389 --> 00:33:38,240

that

974

00:33:42,310 --> 00:33:40,399

so gonzaler knew about the crash

975

00:33:44,870 --> 00:33:42,320

retrieval program but he also said he

976
00:33:46,630 --> 00:33:44,880
said ufos are real so-called alien

977
00:33:48,870 --> 00:33:46,640
abductions not real

978
00:33:49,669 --> 00:33:48,880
um so that's gonzaler so i i i don't

979
00:33:54,710 --> 00:33:49,679
know

980
00:33:56,070 --> 00:33:54,720
eric davis has made the argument he's

981
00:33:58,549 --> 00:33:56,080
mentioned there are certain colleagues

982
00:34:01,190 --> 00:33:58,559
of mine think it's you know it's not not

983
00:34:03,190 --> 00:34:01,200
being carried out by non-humans i don't

984
00:34:04,470 --> 00:34:03,200
know i mean i know that upset a lot of

985
00:34:05,909 --> 00:34:04,480
people and i'm like well first of all

986
00:34:07,430 --> 00:34:05,919
davis didn't say that and wilson didn't

987
00:34:09,909 --> 00:34:07,440
say that josh gonzalez said that it's

988
00:34:11,510 --> 00:34:09,919

just a it's just an aside

989

00:34:14,790 --> 00:34:11,520

there's no evidence for any of that i

990

00:34:16,230 --> 00:34:14,800

know i know jacques valet has mentioned

991

00:34:17,589 --> 00:34:16,240

has hinted i'm not exactly sure what

992

00:34:19,430 --> 00:34:17,599

valet said about that but he's talked

993

00:34:20,470 --> 00:34:19,440

about black programs and

994

00:34:22,550 --> 00:34:20,480

um

995

00:34:24,710 --> 00:34:22,560

richard dodie you know the lightning rod

996

00:34:27,109 --> 00:34:24,720

has mentioned that some abductions may

997

00:34:29,750 --> 00:34:27,119

be carried out by military but

998

00:34:31,669 --> 00:34:29,760

there's nothing else on that so

999

00:34:33,510 --> 00:34:31,679

imagine that story though imagine i i

1000

00:34:35,430 --> 00:34:33,520

know it upsets people like you said but

1001
00:34:37,270 --> 00:34:35,440
if if there was some black program that

1002
00:34:39,669 --> 00:34:37,280
was involved in all of those abductions

1003
00:34:41,510 --> 00:34:39,679
do i think that's the case i don't but

1004
00:34:44,230 --> 00:34:41,520
it's just an opinion and we don't have

1005
00:34:45,349 --> 00:34:44,240
the hard evidence so um it's definitely

1006
00:34:47,990 --> 00:34:45,359
something to keep in mind as a

1007
00:34:49,829 --> 00:34:48,000
possibility for maybe some abductions

1008
00:34:51,589 --> 00:34:49,839
but then you have my labs you go down

1009
00:34:53,829 --> 00:34:51,599
that road there are people who think

1010
00:34:55,990 --> 00:34:53,839
that's totally outrageous there's no way

1011
00:34:57,670 --> 00:34:56,000
the government would be keeping tabs on

1012
00:34:59,750 --> 00:34:57,680
abductees the government knows nothing

1013
00:35:02,390 --> 00:34:59,760

about abductees so

1014

00:35:03,990 --> 00:35:02,400

yeah i don't know it's um you know it's

1015

00:35:05,430 --> 00:35:04,000

a conversation that has like a million

1016

00:35:06,870 --> 00:35:05,440

branches coming off it because you've

1017

00:35:08,870 --> 00:35:06,880

got them real or not real then you've

1018

00:35:10,790 --> 00:35:08,880

got them are they physical or

1019

00:35:12,550 --> 00:35:10,800

non-physical then you've got the idea

1020

00:35:14,870 --> 00:35:12,560

that they're human they're non-human

1021

00:35:16,470 --> 00:35:14,880

right and even if the fact that someone

1022

00:35:19,030 --> 00:35:16,480

within the government said look we know

1023

00:35:20,550 --> 00:35:19,040

abductions you know don't happen well

1024

00:35:22,150 --> 00:35:20,560

you would have to know every other

1025

00:35:23,589 --> 00:35:22,160

potential species out there and whether

1026

00:35:25,510 --> 00:35:23,599

or not they are definitely coming here

1027

00:35:27,910 --> 00:35:25,520

or not to again whether or not that is

1028

00:35:30,390 --> 00:35:27,920

happening so that could just be someone

1029

00:35:31,750 --> 00:35:30,400

not being correct but

1030

00:35:33,190 --> 00:35:31,760

i don't know where ganzler got that

1031

00:35:34,870 --> 00:35:33,200

information from i don't know who told

1032

00:35:36,470 --> 00:35:34,880

him it would be nice to ask him i would

1033

00:35:37,990 --> 00:35:36,480

like to know where did you get that from

1034

00:35:39,910 --> 00:35:38,000

so yeah there's really not much more he

1035

00:35:41,510 --> 00:35:39,920

could say about it and even if you find

1036

00:35:42,790 --> 00:35:41,520

that out it's just another conversation

1037

00:35:45,270 --> 00:35:42,800

starter isn't it it would only give you

1038

00:35:47,670 --> 00:35:45,280

another 10 questions to ask but let's

1039

00:35:49,270 --> 00:35:47,680

move on how this conversation then

1040

00:35:51,750 --> 00:35:49,280

actually got out to the public so this

1041

00:35:54,710 --> 00:35:51,760

happened in 2002

1042

00:35:56,150 --> 00:35:54,720

was there much discussion in the ufo

1043

00:35:58,390 --> 00:35:56,160

community we're talking about a time

1044

00:36:00,150 --> 00:35:58,400

when the internet was in its infancy

1045

00:36:02,470 --> 00:36:00,160

message boards were really starting up

1046

00:36:04,950 --> 00:36:02,480

you still got newsletters it was a time

1047

00:36:06,470 --> 00:36:04,960

of vhs dvds were coming into play but we

1048

00:36:07,990 --> 00:36:06,480

didn't have the kind of social media

1049

00:36:10,230 --> 00:36:08,000

that we have now

1050

00:36:12,230 --> 00:36:10,240

was there ever rumors of a document like

1051

00:36:14,550 --> 00:36:12,240

this floating out there or any parts of

1052

00:36:16,390 --> 00:36:14,560

it being available in the public domain

1053

00:36:18,310 --> 00:36:16,400

no and

1054

00:36:20,230 --> 00:36:18,320

i'm trying to think if

1055

00:36:22,630 --> 00:36:20,240

richard dolan

1056

00:36:26,870 --> 00:36:22,640

said he was shown two pages of the of

1057

00:36:28,710 --> 00:36:26,880

the wilson davis document in 2006

1058

00:36:30,950 --> 00:36:28,720

yeah i know he did lectures on it i'm

1059

00:36:32,069 --> 00:36:30,960

not sure if he mentioned during those

1060

00:36:35,510 --> 00:36:32,079

lectures

1061

00:36:38,069 --> 00:36:35,520

if he had seen those two pages but

1062

00:36:41,109 --> 00:36:38,079

richard was nice enough to tell me

1063

00:36:43,349 --> 00:36:41,119

who showed him those two pages in 2006

1064

00:36:46,630 --> 00:36:43,359

and if people knew it would change minds

1065

00:36:48,550 --> 00:36:46,640

about the validity of the document um

1066

00:36:50,390 --> 00:36:48,560

i know people get frustrated i'm just

1067

00:36:52,069 --> 00:36:50,400

i'm just adding that was part of my

1068

00:36:54,150 --> 00:36:52,079

process of coming to the realization

1069

00:36:57,430 --> 00:36:54,160

that that was this was legitimate and it

1070

00:36:59,589 --> 00:36:57,440

was the entire time andy i mean i was up

1071

00:37:00,870 --> 00:36:59,599

and down you can ask giuliano i was like

1072

00:37:02,950 --> 00:37:00,880

you know what

1073

00:37:05,030 --> 00:37:02,960

i believe this happened and then i would

1074

00:37:07,430 --> 00:37:05,040

i would see a denial from admiral wilson

1075

00:37:10,150 --> 00:37:07,440

i'm like maybe it didn't happen listen

1076

00:37:13,349 --> 00:37:10,160

to this denial it's so good it's so

1077

00:37:15,589 --> 00:37:13,359

thorough i mean i went up and down a lot

1078

00:37:17,430 --> 00:37:15,599

and then just overall i finally came to

1079

00:37:19,349 --> 00:37:17,440

the conclusion in my opinion that the

1080

00:37:21,910 --> 00:37:19,359

meeting happened and then last year i

1081

00:37:24,310 --> 00:37:21,920

had two fantastic sources confirmed to

1082

00:37:25,430 --> 00:37:24,320

me people who were in a position to know

1083

00:37:26,870 --> 00:37:25,440

and it's like

1084

00:37:28,630 --> 00:37:26,880

just out of the blue i was like that's

1085

00:37:30,790 --> 00:37:28,640

great i already had my opinion that it

1086

00:37:33,670 --> 00:37:30,800

was legit this is just over the top

1087

00:37:35,910 --> 00:37:33,680

thank you very much um

1088

00:37:37,589 --> 00:37:35,920

so i don't think it was really spoken

1089

00:37:39,190 --> 00:37:37,599

about that it was out there i i had

1090

00:37:42,470 --> 00:37:39,200

never heard about it i mean i i knew

1091

00:37:44,150 --> 00:37:42,480

about the original meeting in 97 because

1092

00:37:46,550 --> 00:37:44,160

i heard it on coast to coast in may of

1093

00:37:47,349 --> 00:37:46,560

97 i was listening live

1094

00:37:49,910 --> 00:37:47,359

um

1095

00:37:51,589 --> 00:37:49,920

when when greer went on with art bell

1096

00:37:54,069 --> 00:37:51,599

and he mentioned he goes i gave a

1097

00:37:55,510 --> 00:37:54,079

briefing to this joint chiefs fella and

1098

00:37:58,870 --> 00:37:55,520

i was like i'm listening i'm like that's

1099

00:38:00,630 --> 00:37:58,880

a pretty big deal if that's true um

1100

00:38:02,710 --> 00:38:00,640

and i was given a chance to ask miller

1101
00:38:04,710 --> 00:38:02,720
about that in 2007 and then i was with a

1102
00:38:07,750 --> 00:38:04,720
friend of mine who was not into ufos and

1103
00:38:09,510 --> 00:38:07,760
i kicked myself at the time like i never

1104
00:38:11,430 --> 00:38:09,520
got to ask will about it but i did ask

1105
00:38:12,630 --> 00:38:11,440
him about grier and i was like expecting

1106
00:38:14,470 --> 00:38:12,640
for him to say

1107
00:38:15,990 --> 00:38:14,480
you know grier says a lot of things that

1108
00:38:17,910 --> 00:38:16,000
don't happen he never he never

1109
00:38:19,430 --> 00:38:17,920
bad-mouthed grier whatsoever he did

1110
00:38:21,270 --> 00:38:19,440
break away from grier so make of that

1111
00:38:23,589 --> 00:38:21,280
what you will um

1112
00:38:25,829 --> 00:38:23,599
so yeah the meeting was out there in 97

1113
00:38:27,109 --> 00:38:25,839

when wilson met with greer mitchell

1114

00:38:29,109 --> 00:38:27,119

milller

1115

00:38:31,589 --> 00:38:29,119

grier's assistant and another roswell

1116

00:38:34,150 --> 00:38:31,599

era alleged roswell arrow witness but

1117

00:38:35,750 --> 00:38:34,160

nothing about the documents in 2002 i

1118

00:38:38,790 --> 00:38:35,760

had not heard anything about it until

1119

00:38:40,550 --> 00:38:38,800

april of 2019 where giuliano morenkovitz

1120

00:38:42,550 --> 00:38:40,560

said guess what i got guys check this

1121

00:38:45,589 --> 00:38:42,560

out and i read it and i immediately

1122

00:38:47,829 --> 00:38:45,599

flashed back to 2019 1997 when i first

1123

00:38:48,790 --> 00:38:47,839

heard grier talk about it

1124

00:38:51,829 --> 00:38:48,800

so

1125

00:38:54,230 --> 00:38:51,839

how did that conversation get out to the

1126

00:38:56,310 --> 00:38:54,240

massey's end in 2019 i believe it was

1127

00:38:58,230 --> 00:38:56,320

leaked through the estate of former

1128

00:39:00,950 --> 00:38:58,240

astronaut edgar mitchell is that correct

1129

00:39:01,990 --> 00:39:00,960

yeah he died in 2016 and his family was

1130

00:39:03,510 --> 00:39:02,000

going to throw out all of his

1131

00:39:05,670 --> 00:39:03,520

ufo-related

1132

00:39:07,030 --> 00:39:05,680

documents anything related to ufos and

1133

00:39:08,550 --> 00:39:07,040

then

1134

00:39:10,550 --> 00:39:08,560

i'm not exactly sure of the person who

1135

00:39:12,069 --> 00:39:10,560

went over there to save everything but

1136

00:39:13,589 --> 00:39:12,079

there's a man in australia that ross

1137

00:39:17,109 --> 00:39:13,599

coltart has spoken about called the

1138

00:39:18,870 --> 00:39:17,119

spaceman he became he became he came

1139

00:39:21,910 --> 00:39:18,880

into possession of all of edgar

1140

00:39:24,710 --> 00:39:21,920

mittell's ufo-related and space-related

1141

00:39:26,069 --> 00:39:24,720

memorabilia um collection

1142

00:39:29,109 --> 00:39:26,079

and then

1143

00:39:31,589 --> 00:39:29,119

james rigney got a copy of the wilson

1144

00:39:34,150 --> 00:39:31,599

davis he's an australian and the wilson

1145

00:39:36,390 --> 00:39:34,160

davis notes he met up with

1146

00:39:38,950 --> 00:39:36,400

grant cameron in

1147

00:39:40,470 --> 00:39:38,960

2018 at a conference grant cameron was

1148

00:39:41,990 --> 00:39:40,480

about to leave and james rigney said hey

1149

00:39:43,270 --> 00:39:42,000

i got something you got two minutes i

1150

00:39:45,109 --> 00:39:43,280

got to show you something and cameron's

1151
00:39:46,790 --> 00:39:45,119
like i gotta leave i gotta leave he goes

1152
00:39:48,550 --> 00:39:46,800
just two minutes and grand cameron

1153
00:39:50,390 --> 00:39:48,560
looked at it saw oak shannon's name and

1154
00:39:52,390 --> 00:39:50,400
right away knew all right this is

1155
00:39:56,230 --> 00:39:52,400
legitimate um

1156
00:39:57,349 --> 00:39:56,240
how they got onto the internet

1157
00:40:03,270 --> 00:39:57,359
i do

1158
00:40:04,950 --> 00:40:03,280
put them on imgur

1159
00:40:06,950 --> 00:40:04,960
i can't say who it is but i'm supposed

1160
00:40:08,230 --> 00:40:06,960
to talk to that person this week um i

1161
00:40:09,990 --> 00:40:08,240
think it's just an interesting part of

1162
00:40:11,589 --> 00:40:10,000
the story it's not going to give us any

1163
00:40:13,510 --> 00:40:11,599

insight into whether it's you know

1164

00:40:15,430 --> 00:40:13,520

legitimate or not but it's just a part

1165

00:40:17,190 --> 00:40:15,440

of the story um

1166

00:40:19,109 --> 00:40:17,200

so that's how it happened if eric if

1167

00:40:21,109 --> 00:40:19,119

edgar mitchell doesn't die

1168

00:40:22,790 --> 00:40:21,119

or if his family just throws out all of

1169

00:40:24,950 --> 00:40:22,800

his papers we're not here talking about

1170

00:40:26,790 --> 00:40:24,960

this right now he died

1171

00:40:29,589 --> 00:40:26,800

you know the documents came out i mean

1172

00:40:31,430 --> 00:40:29,599

eric davis has he gave me a quote for my

1173

00:40:32,550 --> 00:40:31,440

wilson davis blog which he knew i was

1174

00:40:34,069 --> 00:40:32,560

working on

1175

00:40:36,069 --> 00:40:34,079

talking about how they leaked from the

1176

00:40:38,470 --> 00:40:36,079

edgar mitchell estate so

1177

00:40:40,150 --> 00:40:38,480

that right there he said they leaked

1178

00:40:42,790 --> 00:40:40,160

from the edgar mitchell estate we could

1179

00:40:44,309 --> 00:40:42,800

talk about also he he he also sought out

1180

00:40:46,470 --> 00:40:44,319

some legal advice from her friend

1181

00:40:48,390 --> 00:40:46,480

co-worker on what he should or shouldn't

1182

00:40:50,550 --> 00:40:48,400

say about purportedly classified

1183

00:40:53,190 --> 00:40:50,560

documents but yeah

1184

00:40:54,550 --> 00:40:53,200

edgar mitchell unfortunately he died but

1185

00:40:56,870 --> 00:40:54,560

because of it that's how we got the

1186

00:41:01,190 --> 00:40:56,880

wilson davis documents

1187

00:41:04,790 --> 00:41:02,230

people

1188

00:41:06,710 --> 00:41:04,800

commonly bring up that when someone

1189

00:41:08,950 --> 00:41:06,720

passes away and we could even use like a

1190

00:41:11,510 --> 00:41:08,960

senator harry reid that there are

1191

00:41:13,750 --> 00:41:11,520

rumored death bed videos why don't you

1192

00:41:16,390 --> 00:41:13,760

think we get more from

1193

00:41:19,030 --> 00:41:16,400

people who are of that generation now

1194

00:41:21,750 --> 00:41:19,040

who are are passing away sadly and their

1195

00:41:23,750 --> 00:41:21,760

70s or 80s their 90s you know long may

1196

00:41:25,910 --> 00:41:23,760

they live and and and help out in the

1197

00:41:29,109 --> 00:41:25,920

subject or enjoy their life but

1198

00:41:31,030 --> 00:41:29,119

why don't we get more of these folks

1199

00:41:33,030 --> 00:41:31,040

laying stuff out there on video and then

1200

00:41:34,470 --> 00:41:33,040

saying you know what when i pass get

1201

00:41:35,990 --> 00:41:34,480

this information out there because if

1202

00:41:38,230 --> 00:41:36,000

they really want out there that is

1203

00:41:40,150 --> 00:41:38,240

something they could do

1204

00:41:42,870 --> 00:41:40,160

because it's all fake and there's

1205

00:41:44,309 --> 00:41:42,880

nothing to it that's a skeptical side um

1206

00:41:47,510 --> 00:41:44,319

because you would think

1207

00:41:50,710 --> 00:41:48,790

i was gonna say something about a

1208

00:41:52,470 --> 00:41:50,720

deathbed confession

1209

00:41:55,030 --> 00:41:52,480

um yeah you don't we don't have anything

1210

00:41:57,190 --> 00:41:55,040

we've had we've had alleged deathbed

1211

00:41:59,030 --> 00:41:57,200

confessions people are sick you had ross

1212

00:42:01,430 --> 00:41:59,040

coltar talking about

1213

00:42:03,430 --> 00:42:01,440

um nat cole bits i'm not saying his name

1214

00:42:05,670 --> 00:42:03,440

right but he was dying of cancer and he

1215

00:42:07,510 --> 00:42:05,680

told roth that he was read into the

1216

00:42:09,990 --> 00:42:07,520

program although he actually never saw

1217

00:42:12,950 --> 00:42:10,000

any craft um

1218

00:42:14,230 --> 00:42:12,960

so deathbed confessions you would think

1219

00:42:15,990 --> 00:42:14,240

yeah you would think there would be a

1220

00:42:18,390 --> 00:42:16,000

ton of them these folks would say listen

1221

00:42:21,109 --> 00:42:18,400

i don't care what my security oath is

1222

00:42:23,030 --> 00:42:21,119

this is such a big story i need to tell

1223

00:42:24,790 --> 00:42:23,040

maybe they don't have first hand

1224

00:42:26,870 --> 00:42:24,800

knowledge not a lot of people have

1225

00:42:29,109 --> 00:42:26,880

first-hand knowledge of this but it's a

1226

00:42:31,349 --> 00:42:29,119

great question and it is a good question

1227

00:42:33,030 --> 00:42:31,359

for skeptics to bring up because

1228

00:42:35,349 --> 00:42:33,040

there's really not there's not a lot out

1229

00:42:37,670 --> 00:42:35,359

there um i'm trying to think you know

1230

00:42:40,230 --> 00:42:37,680

and not please don't take this the wrong

1231

00:42:43,190 --> 00:42:40,240

way hal put off's getting older whatever

1232

00:42:45,109 --> 00:42:43,200

hal knows i hope he gets it out i hope

1233

00:42:46,870 --> 00:42:45,119

he gets it out whatever information he

1234

00:42:49,589 --> 00:42:46,880

has and i hope hal is around for another

1235

00:42:51,589 --> 00:42:49,599

10 15 years i think he's in his 80s as

1236

00:42:53,349 --> 00:42:51,599

far as um senator reid that's what i

1237

00:42:54,870 --> 00:42:53,359

wanted to say yeah there was rumors

1238

00:42:57,270 --> 00:42:54,880

people are like oh supposedly he made

1239

00:42:58,870 --> 00:42:57,280

this this video it is going to tell all

1240

00:43:00,150 --> 00:42:58,880

on the video and

1241

00:43:02,150 --> 00:43:00,160

no

1242

00:43:03,910 --> 00:43:02,160

the rumor was nap had i caught george

1243

00:43:06,470 --> 00:43:03,920

knapp had a copy of it and it was to be

1244

00:43:08,870 --> 00:43:06,480

released upon his death i suppose one

1245

00:43:10,470 --> 00:43:08,880

very sensible argument to death deathbed

1246

00:43:12,470 --> 00:43:10,480

confessions would be

1247

00:43:14,790 --> 00:43:12,480

as morbid as they are and morally

1248

00:43:16,470 --> 00:43:14,800

questionable that these people tend to

1249

00:43:18,470 --> 00:43:16,480

leave behind families and they wouldn't

1250

00:43:19,829 --> 00:43:18,480

want to leave anything that you know

1251
00:43:21,270 --> 00:43:19,839
it'd be very easy for a government

1252
00:43:23,430 --> 00:43:21,280
official or you know

1253
00:43:24,870 --> 00:43:23,440
private contractor to say you know we

1254
00:43:25,990 --> 00:43:24,880
know what you know and if this gets out

1255
00:43:27,670 --> 00:43:26,000
we'll make life difficult for your

1256
00:43:29,349 --> 00:43:27,680
family you know and that doesn't have to

1257
00:43:31,510 --> 00:43:29,359
be you know we'll turn up and you know

1258
00:43:32,710 --> 00:43:31,520
kill them yeah it can be like jobs and

1259
00:43:34,069 --> 00:43:32,720
you know they'll lose their job they'll

1260
00:43:35,589 --> 00:43:34,079
lose their house you know we can make

1261
00:43:37,349 --> 00:43:35,599
things difficult and in that case you're

1262
00:43:39,589 --> 00:43:37,359
like well is that the legacy i want to

1263
00:43:41,750 --> 00:43:39,599

leave for for my family so that's that's

1264

00:43:42,950 --> 00:43:41,760

that's a potential reason

1265

00:43:44,710 --> 00:43:42,960

it's funny you brought you bring up

1266

00:43:46,470 --> 00:43:44,720

family members just real quick uh kevin

1267

00:43:48,470 --> 00:43:46,480

randle's new book about roswell he talks

1268

00:43:49,910 --> 00:43:48,480

about bodies and the evidence for bodies

1269

00:43:51,829 --> 00:43:49,920

and a lot of the evidence is family

1270

00:43:54,710 --> 00:43:51,839

members who were told

1271

00:43:56,470 --> 00:43:54,720

from their family member yes i i i saw

1272

00:43:58,630 --> 00:43:56,480

the bodies and there was also first-hand

1273

00:44:00,470 --> 00:43:58,640

witnesses but we don't have a body so

1274

00:44:02,630 --> 00:44:00,480

those are great stories it's great it's

1275

00:44:04,550 --> 00:44:02,640

interesting crash retrievals but we

1276

00:44:06,309 --> 00:44:04,560

don't have the evidence yet so i'm still

1277

00:44:07,589 --> 00:44:06,319

on that boat where i i really want to

1278

00:44:09,829 --> 00:44:07,599

see it for myself

1279

00:44:11,670 --> 00:44:09,839

and joe i've said regarding roswell i

1280

00:44:13,910 --> 00:44:11,680

love the case i think it's the case that

1281

00:44:16,150 --> 00:44:13,920

90 percent of us get involved in the ufo

1282

00:44:17,910 --> 00:44:16,160

subject as a child hearing about roswell

1283

00:44:19,349 --> 00:44:17,920

and you and it was a one easy one to

1284

00:44:21,109 --> 00:44:19,359

find out about

1285

00:44:22,630 --> 00:44:21,119

maybe newer generations are finding out

1286

00:44:23,750 --> 00:44:22,640

about nimitz and all that kind of stuff

1287

00:44:25,829 --> 00:44:23,760

first but

1288

00:44:27,670 --> 00:44:25,839

roswell it's like the grandchildren of

1289

00:44:29,190 --> 00:44:27,680

the people involved are now passed on so

1290

00:44:30,630 --> 00:44:29,200

whenever you hear about

1291

00:44:32,630 --> 00:44:30,640

people calling for the congressional

1292

00:44:33,750 --> 00:44:32,640

hearings you know get let's get roswell

1293

00:44:35,430 --> 00:44:33,760

out there and you're like well who

1294

00:44:36,950 --> 00:44:35,440

because even the people who covered up

1295

00:44:39,270 --> 00:44:36,960

the cover-up

1296

00:44:41,030 --> 00:44:39,280

aren't alive anymore so

1297

00:44:43,990 --> 00:44:41,040

your people who take what took over

1298

00:44:45,430 --> 00:44:44,000

projects or programs or stove pipes that

1299

00:44:47,510 --> 00:44:45,440

branched off and branched off and

1300

00:44:49,349 --> 00:44:47,520

branched off probably have a knowledge

1301
00:44:51,190 --> 00:44:49,359
but they weren't involved they just know

1302
00:44:53,109 --> 00:44:51,200
of something that happened because they

1303
00:44:55,109 --> 00:44:53,119
took over something three generations

1304
00:44:57,430 --> 00:44:55,119
down the line so it's one of those that

1305
00:44:59,349 --> 00:44:57,440
roswell's a fantastic and part of lore

1306
00:45:00,710 --> 00:44:59,359
and always will be but there's only so

1307
00:45:02,710 --> 00:45:00,720
much you can do there comes a point

1308
00:45:04,790 --> 00:45:02,720
where like you say it's it's someone's

1309
00:45:07,190 --> 00:45:04,800
grandkids grandkid who's writing books

1310
00:45:08,790 --> 00:45:07,200
now on it and you know

1311
00:45:10,390 --> 00:45:08,800
yeah it happens in this subject people

1312
00:45:12,069 --> 00:45:10,400
can take advantage of things especially

1313
00:45:13,430 --> 00:45:12,079

the further on they go but i won't go

1314

00:45:15,190 --> 00:45:13,440

into that with too much yeah it's it's

1315

00:45:18,390 --> 00:45:15,200

frustrating um you would think you know

1316

00:45:20,710 --> 00:45:18,400

i've been at this since 96 and i don't

1317

00:45:23,190 --> 00:45:20,720

usually get frustrated but i am starting

1318

00:45:24,710 --> 00:45:23,200

to get to that point a little bit um and

1319

00:45:27,349 --> 00:45:24,720

eric davis i tweeted out some stuff

1320

00:45:29,670 --> 00:45:27,359

today eric davis no doubt um raw he

1321

00:45:30,550 --> 00:45:29,680

believes roswell was legitimate you know

1322

00:45:32,150 --> 00:45:30,560

um

1323

00:45:33,510 --> 00:45:32,160

he had access you know john alexander

1324

00:45:34,710 --> 00:45:33,520

said it was a weather balloon he's like

1325

00:45:36,710 --> 00:45:34,720

well

1326

00:45:38,790 --> 00:45:36,720

uh and he also thought uh alexander

1327

00:45:41,109 --> 00:45:38,800

thought corso was telling a little some

1328

00:45:42,710 --> 00:45:41,119

fibs and and davis is like i had access

1329

00:45:43,990 --> 00:45:42,720

to information john alexander did not

1330

00:45:45,750 --> 00:45:44,000

have access to and then we have louis

1331

00:45:47,990 --> 00:45:45,760

lozando talking about it is lou just

1332

00:45:49,910 --> 00:45:48,000

making it up is it all a cover that's

1333

00:45:52,230 --> 00:45:49,920

the skeptical side is it all a cover for

1334

00:45:53,670 --> 00:45:52,240

our technology that's the psyop

1335

00:45:55,829 --> 00:45:53,680

everything we've heard for the last 70

1336

00:45:58,390 --> 00:45:55,839

years is really just a cover-up for

1337

00:46:00,390 --> 00:45:58,400

human technology and i am open-minded to

1338

00:46:01,829 --> 00:46:00,400

every possibility i don't think that's

1339

00:46:04,069 --> 00:46:01,839

the case but

1340

00:46:05,829 --> 00:46:04,079

it's time mandy it's time to put up a

1341

00:46:08,230 --> 00:46:05,839

shut up we have congress involved it

1342

00:46:10,470 --> 00:46:08,240

should not take five more years for us

1343

00:46:13,030 --> 00:46:10,480

to see some of this evidence so just a

1344

00:46:15,190 --> 00:46:13,040

little a little frustrated at this point

1345

00:46:16,790 --> 00:46:15,200

as we record this set i had to put back

1346

00:46:18,550 --> 00:46:16,800

my interview with john alexander and

1347

00:46:19,750 --> 00:46:18,560

that is now tomorrow night as we speak

1348

00:46:22,069 --> 00:46:19,760

so that is something that is getting

1349

00:46:23,430 --> 00:46:22,079

brought up with with mr alexander you

1350

00:46:24,470 --> 00:46:23,440

could also say in the wilson davis

1351
00:46:28,150 --> 00:46:24,480
document

1352
00:46:30,710 --> 00:46:28,160
oak shannon in parenthesis it says j a

1353
00:46:32,630 --> 00:46:30,720
is a liar which we think that's john

1354
00:46:33,670 --> 00:46:32,640
alexander you have anything to say about

1355
00:46:35,990 --> 00:46:33,680
that

1356
00:46:37,510 --> 00:46:36,000
um and then you have all the mylab stuff

1357
00:46:39,670 --> 00:46:37,520
that people are bringing up how john

1358
00:46:40,870 --> 00:46:39,680
alexander is being seen in these my lab

1359
00:46:43,270 --> 00:46:40,880
abductions

1360
00:46:44,550 --> 00:46:43,280
um john alexander is another lightning

1361
00:46:45,829 --> 00:46:44,560
rod there are people that don't like

1362
00:46:47,349 --> 00:46:45,839
them there are people who i know people

1363
00:46:50,230 --> 00:46:47,359

who are like he's the sweetest man the

1364

00:46:52,550 --> 00:46:50,240

guy's amazing i i'm i'm in the middle i

1365

00:46:54,309 --> 00:46:52,560

don't i you know i've spoken to him i've

1366

00:46:56,069 --> 00:46:54,319

asked him questions when atip came out

1367

00:46:57,270 --> 00:46:56,079

i'm like why did you say before at came

1368

00:46:59,270 --> 00:46:57,280

out you said there were no government

1369

00:47:01,990 --> 00:46:59,280

ufo programs he's like i didn't know

1370

00:47:03,190 --> 00:47:02,000

about it like well now i'm looking asap

1371

00:47:05,349 --> 00:47:03,200

came out later you didn't know about

1372

00:47:06,790 --> 00:47:05,359

assaf of course you did but maybe he

1373

00:47:08,710 --> 00:47:06,800

just wasn't allowed to speak about it so

1374

00:47:09,990 --> 00:47:08,720

he had to lie i mean which i understand

1375

00:47:12,390 --> 00:47:10,000

you know if you're asked point blank

1376

00:47:14,230 --> 00:47:12,400

about something you can't talk about

1377

00:47:16,309 --> 00:47:14,240

it's kind of hard to get around it by

1378

00:47:18,150 --> 00:47:16,319

without lying it's like otherwise you

1379

00:47:19,829 --> 00:47:18,160

give away it's like well i really can't

1380

00:47:21,349 --> 00:47:19,839

talk about that that would that that

1381

00:47:22,710 --> 00:47:21,359

answer would give away that there is

1382

00:47:25,030 --> 00:47:22,720

something there so he might have been in

1383

00:47:26,309 --> 00:47:25,040

a bad position there um

1384

00:47:28,150 --> 00:47:26,319

so

1385

00:47:30,549 --> 00:47:28,160

and and the document itself you have

1386

00:47:31,910 --> 00:47:30,559

mentioned a lot of names uh

1387

00:47:33,190 --> 00:47:31,920

and some of the background but just to

1388

00:47:34,630 --> 00:47:33,200

run through them if there's any that

1389

00:47:36,309 --> 00:47:34,640

stand out to you as people of real

1390

00:47:38,630 --> 00:47:36,319

importance i'd like you just to shout

1391

00:47:40,230 --> 00:47:38,640

out um so oak shannon is someone you've

1392

00:47:42,069 --> 00:47:40,240

mentioned several times what was zog

1393

00:47:43,589 --> 00:47:42,079

shannon's background again you cannot

1394

00:47:45,030 --> 00:47:43,599

talk about the document and whether or

1395

00:47:46,470 --> 00:47:45,040

not this really happened without

1396

00:47:49,270 --> 00:47:46,480

mentioning oak shannon so he was a

1397

00:47:51,990 --> 00:47:49,280

physicist um he worked at los alamos

1398

00:47:54,790 --> 00:47:52,000

from 88 to 2000 before that in the

1399

00:47:57,589 --> 00:47:54,800

documents uh wilson says they had a you

1400

00:47:58,549 --> 00:47:57,599

know they were in the navy together

1401

00:47:59,430 --> 00:47:58,559

close

1402

00:48:01,270 --> 00:47:59,440

um

1403

00:48:03,510 --> 00:48:01,280

he trusted oak shannon to set up this

1404

00:48:05,670 --> 00:48:03,520

interview with davis he trusted his word

1405

00:48:08,230 --> 00:48:05,680

uh they go way back in the navy if you

1406

00:48:09,990 --> 00:48:08,240

believe the documents and i would think

1407

00:48:11,109 --> 00:48:10,000

an investigative reporter with the

1408

00:48:15,270 --> 00:48:11,119

proper

1409

00:48:17,670 --> 00:48:15,280

look back into that and find pictures of

1410

00:48:18,950 --> 00:48:17,680

them or something because admiral wilson

1411

00:48:21,270 --> 00:48:18,960

now says

1412

00:48:23,270 --> 00:48:21,280

i don't know the guy it's like i forget

1413

00:48:25,430 --> 00:48:23,280

the exact word and he said um totally

1414

00:48:27,430 --> 00:48:25,440

unknown to me so now wilson is saying

1415

00:48:29,030 --> 00:48:27,440

oak shannon is totally unknown to him

1416

00:48:31,990 --> 00:48:29,040

oak shannon who billy cox has

1417

00:48:34,950 --> 00:48:32,000

interviewed multiple times and said

1418

00:48:37,430 --> 00:48:34,960

i know both eric davis this was a few

1419

00:48:39,750 --> 00:48:37,440

years ago he goes i know both eric davis

1420

00:48:42,069 --> 00:48:39,760

and i know admiral wilson if this has

1421

00:48:45,190 --> 00:48:42,079

caused admiral wilson any embarrassment

1422

00:48:46,630 --> 00:48:45,200

i apologize um and then he followed up

1423

00:48:49,030 --> 00:48:46,640

by saying yes i

1424

00:48:51,510 --> 00:48:49,040

he was told well admiral wilson says he

1425

00:48:52,870 --> 00:48:51,520

doesn't know you and oak shannon you

1426

00:48:54,390 --> 00:48:52,880

could tell he doesn't want to lie he

1427

00:48:55,349 --> 00:48:54,400

doesn't want to contradict admiral

1428

00:48:58,230 --> 00:48:55,359

wilson he's like i'm not going to

1429

00:49:00,230 --> 00:48:58,240

contradict him i'll just say i know

1430

00:49:02,710 --> 00:49:00,240

tom wilson he goes well i knew tom

1431

00:49:04,390 --> 00:49:02,720

wilson will put it that way and maybe

1432

00:49:06,470 --> 00:49:04,400

i'm just a face or person that you

1433

00:49:08,790 --> 00:49:06,480

forget easily he's letting wilson off

1434

00:49:09,829 --> 00:49:08,800

the hook it's obvious they knew each

1435

00:49:11,829 --> 00:49:09,839

other

1436

00:49:13,750 --> 00:49:11,839

and and i don't understand why somebody

1437

00:49:15,270 --> 00:49:13,760

who has the resources hasn't gone and

1438

00:49:17,109 --> 00:49:15,280

checked those records i don't know how

1439

00:49:19,270 --> 00:49:17,119

to do that i've looked on google which

1440

00:49:21,030 --> 00:49:19,280

has been i find pictures of ocean and

1441

00:49:22,790 --> 00:49:21,040

i'm like please let me find ok shannon

1442

00:49:25,109 --> 00:49:22,800

and tom wilson together i have not found

1443

00:49:27,270 --> 00:49:25,119

that but i think somebody on a national

1444

00:49:29,430 --> 00:49:27,280

level can do that you know and find that

1445

00:49:31,750 --> 00:49:29,440

and i and i did i've spoken about this

1446

00:49:33,829 --> 00:49:31,760

on twitter and i did put i put in my own

1447

00:49:35,589 --> 00:49:33,839

foia with the national

1448

00:49:38,069 --> 00:49:35,599

national nuclear

1449

00:49:40,630 --> 00:49:38,079

security agency um where

1450

00:49:43,349 --> 00:49:40,640

they sponsored the trip from wilson

1451
00:49:44,710 --> 00:49:43,359
for wilson to go to vegas and i spoke to

1452
00:49:46,390 --> 00:49:44,720
them i'm like i want to get records

1453
00:49:48,309 --> 00:49:46,400
anything of him being in vegas and the

1454
00:49:50,390 --> 00:49:48,319
ladies who was so nice from the foia

1455
00:49:51,670 --> 00:49:50,400
department she goes most likely we're

1456
00:49:53,190 --> 00:49:51,680
not going to have anything from back

1457
00:49:55,109 --> 00:49:53,200
then and we're not going to keep records

1458
00:49:56,870 --> 00:49:55,119
from then you can look she goes we'll

1459
00:49:58,549 --> 00:49:56,880
try and she tried and she said we got

1460
00:49:59,990 --> 00:49:58,559
nothing um

1461
00:50:01,270 --> 00:50:00,000
there's got to be something though andy

1462
00:50:02,710 --> 00:50:01,280
there's got to be something if he came

1463
00:50:04,470 --> 00:50:02,720

on that trip it was a retirement trip

1464

00:50:06,309 --> 00:50:04,480

according to the notes saying goodbye

1465

00:50:07,510 --> 00:50:06,319

tying up some loose ends there's got to

1466

00:50:09,750 --> 00:50:07,520

be something there maybe there's a

1467

00:50:12,150 --> 00:50:09,760

picture somewhere here in vegas i need

1468

00:50:13,829 --> 00:50:12,160

to go visit some museum and like oh my

1469

00:50:16,230 --> 00:50:13,839

god there's a picture of wilson and oak

1470

00:50:17,750 --> 00:50:16,240

i mean wilson at you know in 2002 in

1471

00:50:20,230 --> 00:50:17,760

vegas because he says he hasn't been to

1472

00:50:21,510 --> 00:50:20,240

vegas since 1979 he goes i don't know

1473

00:50:24,150 --> 00:50:21,520

how i can prove it but i haven't been to

1474

00:50:25,829 --> 00:50:24,160

vegas since 79. i don't know eric davis

1475

00:50:27,510 --> 00:50:25,839

i wouldn't recognize him if he walked in

1476

00:50:29,510 --> 00:50:27,520

so it's like this just denial after

1477

00:50:31,270 --> 00:50:29,520

denial but then the oak shannon denial

1478

00:50:32,870 --> 00:50:31,280

is problematic and even billy cox

1479

00:50:35,190 --> 00:50:32,880

noticed it when he wrote about it

1480

00:50:36,790 --> 00:50:35,200

because oak shannon is a very biblical

1481

00:50:38,870 --> 00:50:36,800

religious man i don't think he's going

1482

00:50:40,950 --> 00:50:38,880

to make up a relationship with tom

1483

00:50:42,390 --> 00:50:40,960

wilson it's a shame there was no

1484

00:50:44,390 --> 00:50:42,400

facebook back then and we could just go

1485

00:50:48,150 --> 00:50:44,400

back and see i know wilson checked in in

1486

00:50:49,750 --> 00:50:48,160

vegas 2002 october 16th

1487

00:50:51,589 --> 00:50:49,760

i looked at that i looked on facebook

1488

00:50:53,430 --> 00:50:51,599

see if there was any let's see let's see

1489

00:50:54,549 --> 00:50:53,440

if oak shannon is friends with tom

1490

00:50:56,230 --> 00:50:54,559

wilson

1491

00:50:58,390 --> 00:50:56,240

i looked for the heck of it but i did

1492

00:51:01,910 --> 00:50:58,400

not find that um and i wrote to oak

1493

00:51:03,349 --> 00:51:01,920

shannon um he did not write back but

1494

00:51:04,950 --> 00:51:03,359

yeah i helped a little out i helped

1495

00:51:06,870 --> 00:51:04,960

billy out a little bit on that and he

1496

00:51:08,470 --> 00:51:06,880

got a hold of oak shannon and asked him

1497

00:51:10,470 --> 00:51:08,480

again you sure you're you sure you know

1498

00:51:12,230 --> 00:51:10,480

tom wilson he's like i know tom wilson

1499

00:51:14,309 --> 00:51:12,240

um like i said that's a big part of the

1500

00:51:16,470 --> 00:51:14,319

story if you if you really think that

1501
00:51:17,750 --> 00:51:16,480
oak shannon is lying about that i i just

1502
00:51:18,710 --> 00:51:17,760
don't know i don't know what to tell

1503
00:51:20,710 --> 00:51:18,720
people

1504
00:51:22,150 --> 00:51:20,720
a very well-known name that appears

1505
00:51:23,670 --> 00:51:22,160
multiple times in the document and

1506
00:51:25,750 --> 00:51:23,680
you've mentioned multiple times here as

1507
00:51:28,549 --> 00:51:25,760
well we have to discuss is dr steven

1508
00:51:29,990 --> 00:51:28,559
greer now i i've said before on the

1509
00:51:31,190 --> 00:51:30,000
podcast and to be fair in the last

1510
00:51:32,870 --> 00:51:31,200
couple of months we've had a whole

1511
00:51:34,230 --> 00:51:32,880
influx of new listeners and viewers so

1512
00:51:36,230 --> 00:51:34,240
hello if you're if you're newer to the

1513
00:51:38,150 --> 00:51:36,240

podcast especially off the back of the

1514

00:51:40,150 --> 00:51:38,160

jeremy corbell and luella's ondo

1515

00:51:42,470 --> 00:51:40,160

interviews the last couple of months

1516

00:51:44,069 --> 00:51:42,480

um i've said before for the record like

1517

00:51:45,589 --> 00:51:44,079

stephen graham it's just my opinion you

1518

00:51:48,069 --> 00:51:45,599

know make up your own mind as with any

1519

00:51:50,790 --> 00:51:48,079

of this subject please but i think he

1520

00:51:52,069 --> 00:51:50,800

came into the subject back in those

1521

00:51:54,390 --> 00:51:52,079

early years

1522

00:51:56,470 --> 00:51:54,400

with the best of intentions and and with

1523

00:51:58,630 --> 00:51:56,480

a good network with good contacts and as

1524

00:52:00,790 --> 00:51:58,640

we know from this document as well he

1525

00:52:02,549 --> 00:52:00,800

did brief people at a high level on on

1526

00:52:05,190 --> 00:52:02,559

various different aspects of the ufo

1527

00:52:07,190 --> 00:52:05,200

subject or at least was involved

1528

00:52:09,670 --> 00:52:07,200

i think things changed as time went on

1529

00:52:11,990 --> 00:52:09,680

for stephen greer and maybe that was the

1530

00:52:13,910 --> 00:52:12,000

the monetary side of it maybe his views

1531

00:52:15,910 --> 00:52:13,920

got a little bit mixed with a few

1532

00:52:18,150 --> 00:52:15,920

different notions and

1533

00:52:19,910 --> 00:52:18,160

who knows i just think that the stephen

1534

00:52:20,950 --> 00:52:19,920

grier and his intent now is very

1535

00:52:22,710 --> 00:52:20,960

different to what it would have been

1536

00:52:25,190 --> 00:52:22,720

back then that's that's my opinion just

1537

00:52:27,910 --> 00:52:25,200

for for anyone curious and i get stephen

1538

00:52:29,109 --> 00:52:27,920

greer has a lot of fans out there um

1539

00:52:31,109 --> 00:52:29,119

for you

1540

00:52:32,710 --> 00:52:31,119

what was steven greer's part in all of

1541

00:52:34,710 --> 00:52:32,720

this because like you say his name comes

1542

00:52:36,630 --> 00:52:34,720

up within the document itself

1543

00:52:38,470 --> 00:52:36,640

i agree i mean i feel the same way about

1544

00:52:40,790 --> 00:52:38,480

grier um

1545

00:52:43,270 --> 00:52:40,800

did wonderful things in 2000 when he had

1546

00:52:44,790 --> 00:52:43,280

the disclosure project witnesses come in

1547

00:52:46,470 --> 00:52:44,800

uh there were some there's some

1548

00:52:47,990 --> 00:52:46,480

questionable witnesses in there and eric

1549

00:52:49,589 --> 00:52:48,000

davis has spoken about that in some

1550

00:52:51,510 --> 00:52:49,599

interviews he called it the shotgun

1551
00:52:53,510 --> 00:52:51,520
approach you know just collect as much

1552
00:52:55,109 --> 00:52:53,520
as you can witness-wise there were some

1553
00:52:56,549 --> 00:52:55,119
witnesses that were not great he goes

1554
00:52:58,470 --> 00:52:56,559
but there were some in there that were

1555
00:53:00,230 --> 00:52:58,480
really good related to crash retrievals

1556
00:53:03,190 --> 00:53:00,240
he wouldn't go into specifics eric davis

1557
00:53:04,549 --> 00:53:03,200
wouldn't as far as who that was um

1558
00:53:07,270 --> 00:53:04,559
and then

1559
00:53:08,950 --> 00:53:07,280
i don't know how it happened but

1560
00:53:11,109 --> 00:53:08,960
dr stephen greer was able to get will

1561
00:53:14,230 --> 00:53:11,119
miller as his military advisor and will

1562
00:53:16,790 --> 00:53:14,240
miller is just amazing he's like

1563
00:53:18,710 --> 00:53:16,800

leslie kane in her book

1564

00:53:20,390 --> 00:53:18,720

she called him a true insider of the

1565

00:53:21,990 --> 00:53:20,400

highest order i think that's exactly

1566

00:53:23,270 --> 00:53:22,000

what she said and

1567

00:53:25,270 --> 00:53:23,280

so

1568

00:53:27,910 --> 00:53:25,280

97

1569

00:53:29,430 --> 00:53:27,920

he's his military advisor actually 95

1570

00:53:31,589 --> 00:53:29,440

this is something a lot of people don't

1571

00:53:34,549 --> 00:53:31,599

know will miller writes a letter to

1572

00:53:35,829 --> 00:53:34,559

admiral wilson in 1995 saying hey

1573

00:53:37,670 --> 00:53:35,839

you know

1574

00:53:40,069 --> 00:53:37,680

millar had been briefing people his

1575

00:53:42,549 --> 00:53:40,079

entire career about ufos because miller

1576

00:53:45,430 --> 00:53:42,559

had an experience in 1970 in vietnam

1577

00:53:47,510 --> 00:53:45,440

where usos went underneath his destroyer

1578

00:53:49,030 --> 00:53:47,520

so it and his his father and grandfather

1579

00:53:51,750 --> 00:53:49,040

were involved in the space program but

1580

00:53:53,990 --> 00:53:51,760

his encounter in vietnam and the gulf of

1581

00:53:57,030 --> 00:53:54,000

tonkin that sparked his interest so

1582

00:53:58,309 --> 00:53:57,040

he was very well worse very well versed

1583

00:53:59,510 --> 00:53:58,319

in the subject and he would brief

1584

00:54:01,190 --> 00:53:59,520

higher-ups in the pentagon the

1585

00:54:03,510 --> 00:54:01,200

government and the military

1586

00:54:05,109 --> 00:54:03,520

so he wrote to tom wilson who he knew i

1587

00:54:06,710 --> 00:54:05,119

forget exactly how they how they knew

1588

00:54:08,069 --> 00:54:06,720

each other i think

1589

00:54:10,150 --> 00:54:08,079

they served together in the atlantic

1590

00:54:11,589 --> 00:54:10,160

command i'm not sure about that but they

1591

00:54:13,829 --> 00:54:11,599

did know each other he wrote a letter

1592

00:54:15,670 --> 00:54:13,839

hey i i'm giving briefings blah blah

1593

00:54:16,710 --> 00:54:15,680

blah steven greer would be the point

1594

00:54:19,510 --> 00:54:16,720

person

1595

00:54:21,750 --> 00:54:19,520

uh i met edgar mitchell recently and

1596

00:54:23,190 --> 00:54:21,760

another astronaut brian o'leary he goes

1597

00:54:24,790 --> 00:54:23,200

i would love to set up a briefing at

1598

00:54:25,829 --> 00:54:24,800

your convenience

1599

00:54:27,670 --> 00:54:25,839

and

1600

00:54:29,589 --> 00:54:27,680

by the way i'm including some recipes

1601
00:54:31,510 --> 00:54:29,599
for mrs wilson so yeah they knew each

1602
00:54:33,030 --> 00:54:31,520
other so that was 95.

1603
00:54:35,670 --> 00:54:33,040
the meeting doesn't happen the briefing

1604
00:54:36,710 --> 00:54:35,680
doesn't happen until 97. two years later

1605
00:54:38,549 --> 00:54:36,720
so it's

1606
00:54:40,870 --> 00:54:38,559
stephen greer

1607
00:54:43,030 --> 00:54:40,880
will miller edgar mitchell the six man

1608
00:54:45,750 --> 00:54:43,040
who walked on the moon cheri damiak

1609
00:54:48,230 --> 00:54:45,760
who's will grier's assistant and then

1610
00:54:51,589 --> 00:54:48,240
lufkin stephen lufkin who's a alleged

1611
00:54:53,349 --> 00:54:51,599
roswell era witness they go in

1612
00:54:55,589 --> 00:54:53,359
wilson there are other people there but

1613
00:54:57,829 --> 00:54:55,599

wilson so they sit down and they talk to

1614

00:55:00,230 --> 00:54:57,839

him and greer is there and i was told

1615

00:55:02,309 --> 00:55:00,240

greer really didn't need to be there um

1616

00:55:04,470 --> 00:55:02,319

but greer was there um it could have

1617

00:55:06,470 --> 00:55:04,480

taken place with adam and greer claims

1618

00:55:09,270 --> 00:55:06,480

that he had this document an nro

1619

00:55:11,270 --> 00:55:09,280

document that had code names and

1620

00:55:12,870 --> 00:55:11,280

he sent it ahead before the meeting and

1621

00:55:14,870 --> 00:55:12,880

said here this is how you can get access

1622

00:55:16,630 --> 00:55:14,880

to some of these programs here you go

1623

00:55:18,710 --> 00:55:16,640

and greer claims that was the impetus

1624

00:55:20,549 --> 00:55:18,720

for all of this and and wilson used it

1625

00:55:21,910 --> 00:55:20,559

to go searching for this special access

1626

00:55:23,990 --> 00:55:21,920

program but if you look at the wilson

1627

00:55:26,549 --> 00:55:24,000

davis notes and john greenwald did a

1628

00:55:28,309 --> 00:55:26,559

great video on the nro and it may be

1629

00:55:30,630 --> 00:55:28,319

fake i'm not sure there are some people

1630

00:55:32,549 --> 00:55:30,640

who still totally defend that document i

1631

00:55:34,230 --> 00:55:32,559

don't know i don't for me i don't care

1632

00:55:36,390 --> 00:55:34,240

because i never made a big deal about it

1633

00:55:38,069 --> 00:55:36,400

if you read the wilson davis documents

1634

00:55:40,630 --> 00:55:38,079

there's not one mention of the nro

1635

00:55:42,470 --> 00:55:40,640

document so whatever maybe wilson told

1636

00:55:44,230 --> 00:55:42,480

him yeah yeah we used it maybe he was

1637

00:55:46,069 --> 00:55:44,240

just placating greer i don't know but

1638

00:55:47,829 --> 00:55:46,079

it's not in the documents so they have

1639

00:55:52,069 --> 00:55:47,839

the

1640

00:55:54,230 --> 00:55:52,079

two-hour private meeting between miller

1641

00:55:57,109 --> 00:55:54,240

and wilson uh

1642

00:55:58,870 --> 00:55:57,119

miller denied that to me but there is a

1643

00:56:00,549 --> 00:55:58,880

confidential list of all of the

1644

00:56:02,549 --> 00:56:00,559

briefings that miller gave that leslie

1645

00:56:04,870 --> 00:56:02,559

keane has a copy of somebody else has a

1646

00:56:07,270 --> 00:56:04,880

copy of so if that did happen whenever

1647

00:56:08,630 --> 00:56:07,280

those confidential you know leslie keane

1648

00:56:09,510 --> 00:56:08,640

if she ever decides to let it out which

1649

00:56:11,430 --> 00:56:09,520

he probably wouldn't because it's

1650

00:56:13,349 --> 00:56:11,440

confidential there is a record of all of

1651
00:56:17,030 --> 00:56:13,359
his briefings of folks he's briefed in

1652
00:56:18,789 --> 00:56:17,040
the pentagon they also briefed in

1653
00:56:21,349 --> 00:56:18,799
early december i'm not sure it was early

1654
00:56:22,870 --> 00:56:21,359
2008 but they also briefed wilson's boss

1655
00:56:24,950 --> 00:56:22,880
patrick hughes who was the director of

1656
00:56:26,069 --> 00:56:24,960
the dia at the time so they briefed him

1657
00:56:28,549 --> 00:56:26,079
at his

1658
00:56:29,990 --> 00:56:28,559
he wanted an ex but expedited briefing

1659
00:56:31,670 --> 00:56:30,000
because he had somebody in his family

1660
00:56:33,750 --> 00:56:31,680
had an experience

1661
00:56:35,349 --> 00:56:33,760
i have suspicions about what happened

1662
00:56:36,710 --> 00:56:35,359
and it may have been something negative

1663
00:56:38,549 --> 00:56:36,720

related to his family but i have not

1664

00:56:41,510 --> 00:56:38,559

been able to confirm that

1665

00:56:46,630 --> 00:56:41,520

like hitchhiker type event or no it's

1666

00:56:49,109 --> 00:56:46,640

like whatever happened may have caused

1667

00:56:51,349 --> 00:56:49,119

me this is i don't remember the details

1668

00:56:53,430 --> 00:56:51,359

that may have caused suicide of his

1669

00:56:55,829 --> 00:56:53,440

father and please don't quote me on that

1670

00:56:58,069 --> 00:56:55,839

folks but there was something negative

1671

00:57:00,069 --> 00:56:58,079

anyway hughes wanted the briefing

1672

00:57:01,829 --> 00:57:00,079

expedited for because his family was

1673

00:57:03,910 --> 00:57:01,839

having personal experiences i don't know

1674

00:57:05,910 --> 00:57:03,920

what happened and don't like i said i

1675

00:57:07,270 --> 00:57:05,920

may be wrong about that i'm pretty sure

1676

00:57:08,870 --> 00:57:07,280

grier mentions it in one of his

1677

00:57:10,950 --> 00:57:08,880

documentaries and then he cries and

1678

00:57:12,710 --> 00:57:10,960

people make fun of him for crying but i

1679

00:57:15,430 --> 00:57:12,720

think it might be related to patrick

1680

00:57:17,430 --> 00:57:15,440

hughes and his family i'm not sure um so

1681

00:57:19,349 --> 00:57:17,440

he got briefed too and bri and patrick

1682

00:57:21,349 --> 00:57:19,359

hughes is like i've asked about ufos and

1683

00:57:23,349 --> 00:57:21,359

i'm not told anything he goes here's a

1684

00:57:25,190 --> 00:57:23,359

doll of an et this is what i'm told they

1685

00:57:26,870 --> 00:57:25,200

don't want to tell me anything and

1686

00:57:28,470 --> 00:57:26,880

miller is like that's how it is they

1687

00:57:30,549 --> 00:57:28,480

give them plausible deniability they

1688

00:57:32,230 --> 00:57:30,559

will not brief those higher ups that's

1689

00:57:34,150 --> 00:57:32,240

why when you know

1690

00:57:36,710 --> 00:57:34,160

people make an example of uh you know

1691

00:57:39,430 --> 00:57:36,720

lou alazano talks about

1692

00:57:43,270 --> 00:57:41,109

secretary of defense mattis you know

1693

00:57:44,309 --> 00:57:43,280

they never let him get briefed probably

1694

00:57:46,309 --> 00:57:44,319

because

1695

00:57:48,069 --> 00:57:46,319

that's plausible deniability so if

1696

00:57:49,990 --> 00:57:48,079

mattis has ever asked on their oath what

1697

00:57:51,510 --> 00:57:50,000

do you know about ufos he could honestly

1698

00:57:53,349 --> 00:57:51,520

tell the truth and say i don't know

1699

00:57:55,030 --> 00:57:53,359

that's just the norm

1700

00:57:59,430 --> 00:57:55,040

to protect those people

1701
00:58:00,789 --> 00:57:59,440
so they brief 97 april of 97 those folks

1702
00:58:03,430 --> 00:58:00,799
brief miller

1703
00:58:05,190 --> 00:58:03,440
brief wilson and then wilson goes

1704
00:58:06,789 --> 00:58:05,200
searching it takes him two months to

1705
00:58:08,789 --> 00:58:06,799
find this

1706
00:58:10,549 --> 00:58:08,799
crash retrieval reverse engineering

1707
00:58:11,910 --> 00:58:10,559
program he calls them

1708
00:58:13,750 --> 00:58:11,920
on the phone

1709
00:58:15,829 --> 00:58:13,760
goes down for a meeting and then the

1710
00:58:17,990 --> 00:58:15,839
rest of it as we said they told him

1711
00:58:20,309 --> 00:58:18,000
sorry sir i know what your position is

1712
00:58:22,230 --> 00:58:20,319
but you do not have a need to know um

1713
00:58:24,470 --> 00:58:22,240

and grier has greer has spoken about

1714

00:58:26,630 --> 00:58:24,480

this spoken about this over the years

1715

00:58:29,109 --> 00:58:26,640

important player in all of this but the

1716

00:58:30,789 --> 00:58:29,119

whole nro document how much of a role if

1717

00:58:33,349 --> 00:58:30,799

any it played like i said last year i

1718

00:58:35,030 --> 00:58:33,359

was told it played zero role i did not

1719

00:58:36,710 --> 00:58:35,040

know that when i wrote the document so

1720

00:58:38,069 --> 00:58:36,720

people criticize me they're like well

1721

00:58:39,910 --> 00:58:38,079

you mentioned it you know you haven't

1722

00:58:41,829 --> 00:58:39,920

updated your blog no i haven't updated

1723

00:58:43,750 --> 00:58:41,839

my blog but

1724

00:58:46,309 --> 00:58:43,760

like i said last year

1725

00:58:48,630 --> 00:58:46,319

the source who i trust said

1726

00:58:50,230 --> 00:58:48,640

no that nro document it's such a red

1727

00:58:52,150 --> 00:58:50,240

herring andy it doesn't matter read the

1728

00:58:53,990 --> 00:58:52,160

notes there's nothing about the nro in

1729

00:58:57,030 --> 00:58:54,000

there nothing about that document who

1730

00:58:58,549 --> 00:58:57,040

cares you know um and also people are

1731

00:59:00,390 --> 00:58:58,559

like why are you spending so much time

1732

00:59:01,910 --> 00:59:00,400

on the documents when

1733

00:59:03,990 --> 00:59:01,920

we're the most important story is

1734

00:59:05,670 --> 00:59:04,000

whether or not there's a crash retrieval

1735

00:59:07,349 --> 00:59:05,680

retrieval program who cares about wilson

1736

00:59:08,870 --> 00:59:07,359

and davis who cares

1737

00:59:09,910 --> 00:59:08,880

that's that's going to be a buy you know

1738

00:59:12,150 --> 00:59:09,920

it's going to be

1739

00:59:13,510 --> 00:59:12,160

if we get if we if we get any any

1740

00:59:14,630 --> 00:59:13,520

evidence that there's a crash retrieval

1741

00:59:16,710 --> 00:59:14,640

program people are not going to want to

1742

00:59:18,870 --> 00:59:16,720

talk to wilson who cares he was denied

1743

00:59:20,789 --> 00:59:18,880

access great but for me i spent so much

1744

00:59:23,109 --> 00:59:20,799

time on it and the human side of me does

1745

00:59:24,950 --> 00:59:23,119

want to say i told you you know because

1746

00:59:27,109 --> 00:59:24,960

the denials are so ridiculous i

1747

00:59:27,829 --> 00:59:27,119

understand being people being skeptical

1748

00:59:29,190 --> 00:59:27,839

but

1749

00:59:31,109 --> 00:59:29,200

for me

1750

00:59:33,030 --> 00:59:31,119

looking at all the evidence even taking

1751

00:59:36,309 --> 00:59:33,040

out my sources i've spoken to i think

1752

00:59:38,630 --> 00:59:36,319

it's obvious the meeting happened

1753

00:59:40,390 --> 00:59:38,640

but hopefully a year from now we're like

1754

00:59:41,829 --> 00:59:40,400

who cares look at this there's a crash

1755

00:59:43,750 --> 00:59:41,839

retrieval program i don't care if

1756

00:59:45,270 --> 00:59:43,760

admiral wilson was turned down i mean it

1757

00:59:47,190 --> 00:59:45,280

does tell you about how there's no

1758

00:59:49,510 --> 00:59:47,200

oversight with these programs if this is

1759

00:59:51,030 --> 00:59:49,520

true and that's a problem but the story

1760

00:59:52,309 --> 00:59:51,040

is the crash retrieval program not the

1761

00:59:54,230 --> 00:59:52,319

documents

1762

00:59:56,309 --> 00:59:54,240

let me ask it in the time since you've

1763

00:59:58,470 --> 00:59:56,319

written your your mega blog you know

1764

00:59:59,829 --> 00:59:58,480

mega pints a word in the lexicon now you

1765

01:00:02,710 --> 00:59:59,839

had to make a blog before the

1766

01:00:04,150 --> 01:00:02,720

paint was a thing the mega what the mega

1767

01:00:06,549 --> 01:00:04,160

pink you know johnny depp's made the

1768

01:00:08,789 --> 01:00:06,559

mega pint promise yeah yeah um you've

1769

01:00:11,750 --> 01:00:08,799

got the mega blog uh are there any

1770

01:00:12,549 --> 01:00:11,760

aspects of the document that you think

1771

01:00:15,349 --> 01:00:12,559

know

1772

01:00:18,069 --> 01:00:15,359

or at the time potentially contains

1773

01:00:20,150 --> 01:00:18,079

false information for for any particular

1774

01:00:21,510 --> 01:00:20,160

reason i don't think false information

1775

01:00:23,030 --> 01:00:21,520

but what gives me a surprise is they

1776

01:00:24,390 --> 01:00:23,040

talk about the bigot list people who

1777

01:00:27,670 --> 01:00:24,400

would be read into the program and it

1778

01:00:29,430 --> 01:00:27,680

says 400 to 800 people that seems like a

1779

01:00:30,630 --> 01:00:29,440

lot of people for such a closely held

1780

01:00:33,030 --> 01:00:30,640

program

1781

01:00:34,549 --> 01:00:33,040

um if that's true

1782

01:00:36,470 --> 01:00:34,559

there's going to be a lot of people that

1783

01:00:38,950 --> 01:00:36,480

can be subpoenaed and put under oath to

1784

01:00:40,870 --> 01:00:38,960

speak about this program like say it say

1785

01:00:42,950 --> 01:00:40,880

it's been going on for

1786

01:00:45,030 --> 01:00:42,960

since the late 40s that could make sense

1787

01:00:45,990 --> 01:00:45,040

that many years that many people um eric

1788

01:00:48,710 --> 01:00:46,000

davis

1789

01:00:50,230 --> 01:00:48,720

i pulled up a tweet today where he says

1790

01:00:51,990 --> 01:00:50,240

one of his interviews that the program

1791

01:00:53,430 --> 01:00:52,000

was buried so deep

1792

01:00:55,270 --> 01:00:53,440

to hide it from the

1793

01:00:57,430 --> 01:00:55,280

collins elite folks who think all of

1794

01:00:59,670 --> 01:00:57,440

this is satanic and do whatever they can

1795

01:01:02,630 --> 01:00:59,680

when they get in positions of power to

1796

01:01:04,870 --> 01:01:02,640

kill any ufo-related program so davis

1797

01:01:06,789 --> 01:01:04,880

says it was buried to keep it from those

1798

01:01:08,630 --> 01:01:06,799

morons that's a quote

1799

01:01:10,789 --> 01:01:08,640

eric davis does not hold back

1800

01:01:14,069 --> 01:01:10,799

um

1801
01:01:16,630 --> 01:01:14,079
people like if he's telling the truth

1802
01:01:18,950 --> 01:01:16,640
that bob lazar who who claims he worked

1803
01:01:20,230 --> 01:01:18,960
on you know a flying saucer reverse

1804
01:01:22,710 --> 01:01:20,240
engineering there would have been other

1805
01:01:24,309 --> 01:01:22,720
people working on it if they did indeed

1806
01:01:25,589 --> 01:01:24,319
have multiple flying saucers you would

1807
01:01:27,430 --> 01:01:25,599
imagine

1808
01:01:29,670 --> 01:01:27,440
there might be small teams working on

1809
01:01:32,230 --> 01:01:29,680
them but those teams come and go if the

1810
01:01:34,069 --> 01:01:32,240
progress has been slow over the decades

1811
01:01:35,109 --> 01:01:34,079
as you see and eventually almost grown

1812
01:01:37,190 --> 01:01:35,119
to a halt

1813
01:01:39,109 --> 01:01:37,200

you probably would have a high churn

1814

01:01:40,549 --> 01:01:39,119

rate of people where it's you know i've

1815

01:01:42,630 --> 01:01:40,559

got joe and i've got andy they're

1816

01:01:44,470 --> 01:01:42,640

working on this this is their background

1817

01:01:46,230 --> 01:01:44,480

theater theoretical physics advanced

1818

01:01:47,750 --> 01:01:46,240

quantum physics all that kind of stuff

1819

01:01:49,349 --> 01:01:47,760

they're not making much progress let's

1820

01:01:50,390 --> 01:01:49,359

get them out let's get another couple of

1821

01:01:51,750 --> 01:01:50,400

folks in

1822

01:01:53,670 --> 01:01:51,760

and then that happening in multiple

1823

01:01:57,430 --> 01:01:53,680

locations yeah you could see why that

1824

01:01:58,390 --> 01:01:57,440

could be a 400 to 800 people list

1825

01:02:01,190 --> 01:01:58,400

yeah and

1826

01:02:03,430 --> 01:02:01,200

and in in the notes it talks about one

1827

01:02:04,710 --> 01:02:03,440

intact craft so nothing about bob

1828

01:02:07,589 --> 01:02:04,720

lazar's

1829

01:02:10,789 --> 01:02:07,599

i think he said nine yeah crafty saw at

1830

01:02:13,029 --> 01:02:10,799

area 51. um it's funny because

1831

01:02:14,630 --> 01:02:13,039

eric davis thinks bob lazarus is not

1832

01:02:16,710 --> 01:02:14,640

telling the truth

1833

01:02:18,390 --> 01:02:16,720

i you know if you read the documents

1834

01:02:20,549 --> 01:02:18,400

it's interesting i'm not sure if it says

1835

01:02:22,470 --> 01:02:20,559

in here or in one i think it's one of

1836

01:02:26,230 --> 01:02:22,480

one of eric davis interviews he said the

1837

01:02:27,589 --> 01:02:26,240

program was put into hibernation in 1989

1838

01:02:28,950 --> 01:02:27,599

throughout the years it happens where

1839

01:02:30,710 --> 01:02:28,960

they put it into hibernation and they

1840

01:02:31,990 --> 01:02:30,720

wait for technology to advance and then

1841

01:02:34,470 --> 01:02:32,000

they bring it out of hibernation and

1842

01:02:35,910 --> 01:02:34,480

they try again to back reverse engineer

1843

01:02:38,230 --> 01:02:35,920

and they fail because they can't make

1844

01:02:40,789 --> 01:02:38,240

heads and tails out of the technology so

1845

01:02:44,309 --> 01:02:40,799

bob lazar supposedly had his

1846

01:02:45,910 --> 01:02:44,319

work he worked at area 51 s4 in 1989 so

1847

01:02:47,910 --> 01:02:45,920

at that point i'm like maybe there is

1848

01:02:49,829 --> 01:02:47,920

some truth to lazar and i've been 50 50

1849

01:02:51,430 --> 01:02:49,839

on lazar for a long time

1850

01:02:53,190 --> 01:02:51,440

like i said eric davis does not believe

1851
01:02:54,549 --> 01:02:53,200
him eric uh george knapp and corbell

1852
01:02:56,710 --> 01:02:54,559
believe him 100

1853
01:02:59,349 --> 01:02:56,720
i'm friends with all of those folks so

1854
01:03:01,349 --> 01:02:59,359
and i stay 50 50 not to placate them if

1855
01:03:03,349 --> 01:03:01,359
i thought he was totally full of crap i

1856
01:03:05,510 --> 01:03:03,359
would say so i don't know but there are

1857
01:03:07,910 --> 01:03:05,520
people out there who like say how could

1858
01:03:09,430 --> 01:03:07,920
you not know it's he's obviously lying

1859
01:03:11,430 --> 01:03:09,440
and then you got the other side so i try

1860
01:03:12,630 --> 01:03:11,440
to avoid it such a it's such a it's such

1861
01:03:14,630 --> 01:03:12,640
a controversial he's such a

1862
01:03:15,670 --> 01:03:14,640
controversial subject i do love the

1863
01:03:17,270 --> 01:03:15,680

story

1864

01:03:19,270 --> 01:03:17,280

whether or not it's real or not i love

1865

01:03:20,870 --> 01:03:19,280

the blizzard story yes speaking with a

1866

01:03:22,470 --> 01:03:20,880

friend of mine yeah it's a great story i

1867

01:03:24,549 --> 01:03:22,480

went to see the premiere of his his

1868

01:03:26,309 --> 01:03:24,559

documentary in la it was fun he was

1869

01:03:27,829 --> 01:03:26,319

there um

1870

01:03:29,270 --> 01:03:27,839

but i don't know i really don't know

1871

01:03:31,430 --> 01:03:29,280

about that as far as

1872

01:03:33,990 --> 01:03:31,440

how many people worked on it yeah it

1873

01:03:35,910 --> 01:03:34,000

still seems like a lot 400 to 800 i mean

1874

01:03:37,990 --> 01:03:35,920

they mentioned four programs in here

1875

01:03:40,309 --> 01:03:38,000

wilson found four ufo related programs

1876

01:03:41,589 --> 01:03:40,319

that number comes up in other places i

1877

01:03:43,589 --> 01:03:41,599

don't think they would all be reverse

1878

01:03:46,150 --> 01:03:43,599

engineering it could be biology if there

1879

01:03:47,510 --> 01:03:46,160

are bodies um really one important thing

1880

01:03:49,109 --> 01:03:47,520

that

1881

01:03:50,230 --> 01:03:49,119

you know edgar mitchell started speaking

1882

01:03:53,510 --> 01:03:50,240

about this

1883

01:03:55,990 --> 01:03:53,520

in 2007 uh juliano set up an interview

1884

01:03:57,990 --> 01:03:56,000

and you know he was talking about how

1885

01:04:00,470 --> 01:03:58,000

you know he went to visit a high level

1886

01:04:02,549 --> 01:04:00,480

off office and he was told

1887

01:04:04,470 --> 01:04:02,559

yeah you know you cannot have access to

1888

01:04:07,029 --> 01:04:04,480

that and then edgar mitchell was on

1889

01:04:08,789 --> 01:04:07,039

larry king in 2008 um and he told the

1890

01:04:10,390 --> 01:04:08,799

story he said you know i went to the

1891

01:04:11,589 --> 01:04:10,400

pentagon for a meeting with the

1892

01:04:13,109 --> 01:04:11,599

intelligence committee of the joint

1893

01:04:15,270 --> 01:04:13,119

chiefs of staff and this gentleman a

1894

01:04:17,270 --> 01:04:15,280

vice admiral said you know he should be

1895

01:04:19,589 --> 01:04:17,280

in charge um

1896

01:04:21,430 --> 01:04:19,599

and then we got calls from him from him

1897

01:04:23,349 --> 01:04:21,440

sometime later i believe

1898

01:04:24,950 --> 01:04:23,359

wilson called miller i don't i don't

1899

01:04:26,710 --> 01:04:24,960

believe he called greer although greer

1900

01:04:29,510 --> 01:04:26,720

claims wilson called him i think it was

1901

01:04:31,190 --> 01:04:29,520

milller was the point man um we got calls

1902

01:04:33,270 --> 01:04:31,200

from him later saying he found the

1903

01:04:34,630 --> 01:04:33,280

people responsible for the cover-up and

1904

01:04:36,870 --> 01:04:34,640

the people who are in the know and he

1905

01:04:38,390 --> 01:04:36,880

was told i'm sorry admiral you do not

1906

01:04:40,710 --> 01:04:38,400

have a need to know

1907

01:04:42,789 --> 01:04:40,720

and so goodbye because people are saying

1908

01:04:45,510 --> 01:04:42,799

this document really really just was a

1909

01:04:47,029 --> 01:04:45,520

throwaway document a script so edgar

1910

01:04:48,789 --> 01:04:47,039

mittell was dumb enough to just take a

1911

01:04:50,630 --> 01:04:48,799

script into his private collection and

1912

01:04:51,990 --> 01:04:50,640

he's telling the story but more

1913

01:04:55,029 --> 01:04:52,000

importantly

1914

01:04:57,349 --> 01:04:55,039

in 2010 he was interviewed for h

1915

01:04:58,950 --> 01:04:57,359

magazine and it's important he goes

1916

01:05:01,029 --> 01:04:58,960

um

1917

01:05:02,069 --> 01:05:01,039

greer told commander miller who called

1918

01:05:03,829 --> 01:05:02,079

me

1919

01:05:06,069 --> 01:05:03,839

and like i said

1920

01:05:08,150 --> 01:05:06,079

miller is the point person i don't know

1921

01:05:10,230 --> 01:05:08,160

if mitchell was trying to protect miller

1922

01:05:11,910 --> 01:05:10,240

miller called me and said yes greer

1923

01:05:13,430 --> 01:05:11,920

heard from the admiral i don't believe

1924

01:05:15,029 --> 01:05:13,440

that um

1925

01:05:16,549 --> 01:05:15,039

and people are like what do you believe

1926

01:05:18,069 --> 01:05:16,559

you believe some stuff and not well when

1927

01:05:19,990 --> 01:05:18,079

it's greer it's a little questionable

1928

01:05:22,470 --> 01:05:20,000

but miller was the point man as far as i

1929

01:05:23,990 --> 01:05:22,480

know it says quote yes greer heard from

1930

01:05:25,430 --> 01:05:24,000

the admiral and he's confirmed that

1931

01:05:28,150 --> 01:05:25,440

there was an office in the pentagon

1932

01:05:30,470 --> 01:05:28,160

funding all of this subsequently another

1933

01:05:32,789 --> 01:05:30,480

contact of mine this is mitchell who

1934

01:05:35,910 --> 01:05:32,799

must also remain nameless because he's

1935

01:05:38,470 --> 01:05:35,920

on classified programs that's eric davis

1936

01:05:40,150 --> 01:05:38,480

encountered the admiral in las vegas

1937

01:05:42,870 --> 01:05:40,160

where he had been looking for and trying

1938

01:05:45,510 --> 01:05:42,880

to get into the so-called strategic

1939

01:05:47,670 --> 01:05:45,520

access program around the ufo incident

1940

01:05:50,390 --> 01:05:47,680

and had been denied so that's edgar

1941

01:05:51,750 --> 01:05:50,400

mittell in 2010

1942

01:05:53,910 --> 01:05:51,760

so it's like

1943

01:05:55,990 --> 01:05:53,920

that's telling you the story and also on

1944

01:05:58,710 --> 01:05:56,000

larry king he said

1945

01:06:01,190 --> 01:05:58,720

he mentioned a report he goes

1946

01:06:02,950 --> 01:06:01,200

we got calls from wilson later and then

1947

01:06:05,109 --> 01:06:02,960

a report which i think is the wilson

1948

01:06:06,069 --> 01:06:05,119

davis notes and

1949

01:06:07,910 --> 01:06:06,079

there were

1950

01:06:09,990 --> 01:06:07,920

more than just there are other people

1951

01:06:11,510 --> 01:06:10,000

jacques vale needs to be asked when did

1952

01:06:13,109 --> 01:06:11,520

you get your notes because he's been

1953

01:06:15,190 --> 01:06:13,119

asked about this but he wasn't really

1954

01:06:16,470 --> 01:06:15,200

pressed um it was a very small amount of

1955

01:06:19,190 --> 01:06:16,480

people who had it

1956

01:06:20,549 --> 01:06:19,200

hal hodoff would have it um

1957

01:06:21,750 --> 01:06:20,559

more people need to be asked but like i

1958

01:06:23,430 --> 01:06:21,760

said the story is really not the

1959

01:06:25,589 --> 01:06:23,440

documents but for me

1960

01:06:28,630 --> 01:06:25,599

i like the story i don't get tired of it

1961

01:06:30,630 --> 01:06:28,640

i've read this so many times andy i mean

1962

01:06:32,230 --> 01:06:30,640

i still can't comprehend every name and

1963

01:06:35,190 --> 01:06:32,240

every detail of what everybody did in

1964

01:06:37,430 --> 01:06:35,200

this document but it's um

1965

01:06:38,630 --> 01:06:37,440

it's an interesting read for me

1966

01:06:39,990 --> 01:06:38,640

and

1967

01:06:41,589 --> 01:06:40,000

the same players have mentioned hal put

1968

01:06:43,510 --> 01:06:41,599

off kit green that's another question

1969

01:06:46,710 --> 01:06:43,520

that comes up why is it the same people

1970

01:06:49,829 --> 01:06:46,720

over and over again eric davis hal put

1971

01:06:51,670 --> 01:06:49,839

off kit green gary nolan jacques valet

1972

01:06:53,109 --> 01:06:51,680

because there's only a small amount of

1973

01:06:54,630 --> 01:06:53,119

people who are willing to look into the

1974

01:06:56,710 --> 01:06:54,640

subject and have their name attached to

1975

01:06:58,549 --> 01:06:56,720

ufos that's always been a problem it's

1976

01:07:00,470 --> 01:06:58,559

still a problem you have travis taylor

1977

01:07:01,589 --> 01:07:00,480

now coming out head of the uap task

1978

01:07:03,190 --> 01:07:01,599

force well

1979

01:07:04,549 --> 01:07:03,200

it's the same thing there's not a lot of

1980

01:07:05,750 --> 01:07:04,559

people who are willing to attach their

1981

01:07:07,750 --> 01:07:05,760

name to it so you're going to see the

1982

01:07:09,670 --> 01:07:07,760

same people i hope that changes into my

1983

01:07:11,109 --> 01:07:09,680

lifetime where it's like every scientist

1984

01:07:12,789 --> 01:07:11,119

wants to get in on this and give their

1985

01:07:14,870 --> 01:07:12,799

opinion and look at the evidence it has

1986

01:07:17,270 --> 01:07:14,880

not happened yet

1987

01:07:19,510 --> 01:07:17,280

have you ever heard of similar meetings

1988

01:07:21,430 --> 01:07:19,520

taking place with anyone either the

1989

01:07:23,750 --> 01:07:21,440

folks you've just named there or

1990

01:07:25,990 --> 01:07:23,760

otherwise that just aren't as well known

1991

01:07:28,549 --> 01:07:26,000

as this well kit green told uh richard

1992

01:07:30,789 --> 01:07:28,559

dawn and i'm going my memory

1993

01:07:32,549 --> 01:07:30,799

that he was told on several occasions

1994

01:07:35,270 --> 01:07:32,559

that he would be read into the big

1995

01:07:37,029 --> 01:07:35,280

mother of all ufo programs you're going

1996

01:07:39,829 --> 01:07:37,039

to get access to the top program and

1997

01:07:42,309 --> 01:07:39,839

every time it never happened

1998

01:07:44,470 --> 01:07:42,319

so

1999

01:07:46,470 --> 01:07:44,480

in a similar incident which eric

2000

01:07:48,309 --> 01:07:46,480

weinstein said recently you know who he

2001

01:07:49,990 --> 01:07:48,319

is the mathematician who's yes

2002

01:07:52,630 --> 01:07:50,000

admittedly he was wrong he's quite vocal

2003

01:07:54,069 --> 01:07:52,640

on ufos

2004

01:07:55,589 --> 01:07:54,079

and he said something really interesting

2005

01:07:58,150 --> 01:07:55,599

the other day because we heard sam

2006

01:07:59,829 --> 01:07:58,160

harris speak about how supposedly people

2007

01:08:01,270 --> 01:07:59,839

contacted him trying to get he's they're

2008

01:08:03,510 --> 01:08:01,280

going to use him to get out information

2009

01:08:04,549 --> 01:08:03,520

about romans oh yeah well eric weinstein

2010

01:08:08,309 --> 01:08:04,559

said

2011

01:08:09,670 --> 01:08:08,319

anyway i don't want to butcher his name

2012

01:08:11,510 --> 01:08:09,680

he said that he was told he was going to

2013

01:08:12,710 --> 01:08:11,520

be shown more information

2014

01:08:15,670 --> 01:08:12,720

you know i don't know if he was going to

2015

01:08:16,870 --> 01:08:15,680

be read in and he said every time

2016

01:08:18,229 --> 01:08:16,880

they got to the point where they were

2017

01:08:20,390 --> 01:08:18,239

going to show them

2018

01:08:22,709 --> 01:08:20,400

show him it didn't happen which matches

2019

01:08:24,550 --> 01:08:22,719

what cr kit green said so

2020

01:08:26,309 --> 01:08:24,560

the skeptical side of me says that's

2021

01:08:27,590 --> 01:08:26,319

because they don't have anything they're

2022

01:08:29,110 --> 01:08:27,600

never going to show you they're going to

2023

01:08:31,669 --> 01:08:29,120

keep they're going to keep running you

2024

01:08:34,229 --> 01:08:31,679

know keep tagging you along but you're

2025

01:08:36,789 --> 01:08:34,239

never going to get to see anything um we

2026

01:08:39,189 --> 01:08:36,799

never get to hear congress say

2027

01:08:41,269 --> 01:08:39,199

i can't tell you i can't show you what i

2028

01:08:43,030 --> 01:08:41,279

saw but i could describe what i saw why

2029

01:08:44,309 --> 01:08:43,040

not why can't you why can't these people

2030

01:08:46,229 --> 01:08:44,319

describe what they're seeing in these

2031

01:08:47,990 --> 01:08:46,239

videos we have not even gotten that so

2032

01:08:49,749 --> 01:08:48,000

now i sound like now i sound like a

2033

01:08:51,349 --> 01:08:49,759

debunker see what you brought out in me

2034

01:08:53,349 --> 01:08:51,359

andy

2035

01:08:55,110 --> 01:08:53,359

well listen let's bring that phil circle

2036

01:08:57,990 --> 01:08:55,120

i mentioned that this has come back into

2037

01:08:59,990 --> 01:08:58,000

the conversation as we talk in 2022

2038

01:09:01,910 --> 01:09:00,000

because of congressman mike gallagher

2039

01:09:04,309 --> 01:09:01,920

submitting the wilson davis memo into

2040

01:09:07,269 --> 01:09:04,319

public record now that doesn't mean the

2041

01:09:10,229 --> 01:09:07,279

documents are legitimate

2042

01:09:11,749 --> 01:09:10,239

but it's it's a huge thing and i think i

2043

01:09:13,590 --> 01:09:11,759

the first thing i tweeted during the

2044

01:09:14,470 --> 01:09:13,600

hearings do i watch them live in my

2045

01:09:16,550 --> 01:09:14,480

kitchen

2046

01:09:17,910 --> 01:09:16,560

was um when i heard that mentioned i

2047

01:09:20,309 --> 01:09:17,920

think i went straight onto twitter and

2048

01:09:23,269 --> 01:09:20,319

said somewhere joe marja just let a huge

2049

01:09:24,950 --> 01:09:23,279

scream uh and i didn't i didn't i didn't

2050

01:09:26,550 --> 01:09:24,960

i just was your reaction though when you

2051

01:09:28,229 --> 01:09:26,560

heard that

2052

01:09:30,550 --> 01:09:28,239

i was i was calm i was you know i was

2053

01:09:32,229 --> 01:09:30,560

going live so i had i had my mic open

2054

01:09:33,269 --> 01:09:32,239

i'm not sure but i didn't really say

2055

01:09:35,990 --> 01:09:33,279

much

2056

01:09:39,349 --> 01:09:36,000

i wasn't shocked i was surprised

2057

01:09:41,030 --> 01:09:39,359

it hit me later on and then

2058

01:09:42,709 --> 01:09:41,040

i can only say that gallagher is not

2059

01:09:44,550 --> 01:09:42,719

letting this go so there's more there

2060

01:09:47,829 --> 01:09:44,560

there there there will be more related

2061

01:09:49,910 --> 01:09:47,839

to that um but all you need to see is is

2062

01:09:52,309 --> 01:09:49,920

nolan talking about how we're so close

2063

01:09:54,630 --> 01:09:52,319

to immunity and anybody related to these

2064

01:09:56,630 --> 01:09:54,640

crash retrieval programs if they exist

2065

01:09:58,630 --> 01:09:56,640

they need immunity and if that language

2066

01:10:00,149 --> 01:09:58,640

is finished that's going to be a huge

2067

01:10:02,790 --> 01:10:00,159

thing once again i don't know if the

2068

01:10:05,030 --> 01:10:02,800

public's going to see it

2069

01:10:06,470 --> 01:10:05,040

but that was a big deal i mean and i

2070

01:10:08,070 --> 01:10:06,480

know like you said it doesn't mean

2071

01:10:09,830 --> 01:10:08,080

anything it doesn't prove the documents

2072

01:10:11,830 --> 01:10:09,840

are real but if anybody thought that

2073

01:10:14,229 --> 01:10:11,840

gallagher did that without doing his due

2074

01:10:15,750 --> 01:10:14,239

diligence and looking into that i think

2075

01:10:18,149 --> 01:10:15,760

i think they would be wrong to assume

2076

01:10:19,750 --> 01:10:18,159

that gallagher was very very sharp and

2077

01:10:21,430 --> 01:10:19,760

he came out of nowhere i didn't know who

2078

01:10:23,030 --> 01:10:21,440

the guy was beforehand yeah so we you

2079

01:10:26,550 --> 01:10:23,040

know we have rubio we have julibrand we

2080

01:10:28,709 --> 01:10:26,560

have gallego now we have mike gallagher

2081

01:10:31,350 --> 01:10:28,719

yeah and particularly for those of us

2082

01:10:32,950 --> 01:10:31,360

outside of the us sometimes i i'll get

2083

01:10:34,390 --> 01:10:32,960

the odd comment from listeners and

2084

01:10:36,070 --> 01:10:34,400

they'll say you know this this person's

2085

01:10:38,470 --> 01:10:36,080

a republican this one's a democrat and

2086

01:10:40,229 --> 01:10:38,480

their politics is this this and this i i

2087

01:10:41,990 --> 01:10:40,239

don't have an interest in the politics

2088

01:10:44,550 --> 01:10:42,000

that i i don't particularly know don't

2089

01:10:46,950 --> 01:10:44,560

particularly care i i care even less

2090

01:10:49,110 --> 01:10:46,960

about the the uk side of things as well

2091

01:10:50,790 --> 01:10:49,120

it's just no politicians or politicians

2092

01:10:52,709 --> 01:10:50,800

at the end of the day for me the story

2093

01:10:54,870 --> 01:10:52,719

here is their interest in the ufo

2094

01:10:56,149 --> 01:10:54,880

subject and what they can bring to that

2095

01:10:57,910 --> 01:10:56,159

not to say these people aren't nice

2096

01:10:59,750 --> 01:10:57,920

people bad people are or something in

2097

01:11:01,830 --> 01:10:59,760

between but yeah mike gallagher made

2098

01:11:03,830 --> 01:11:01,840

himself a bit of a ufo star in that

2099

01:11:05,990 --> 01:11:03,840

moment and he's someone that given his

2100

01:11:07,510 --> 01:11:06,000

relatively young age as well people are

2101

01:11:09,590 --> 01:11:07,520

now looking to

2102

01:11:11,270 --> 01:11:09,600

to see what he can bring as things go

2103

01:11:13,350 --> 01:11:11,280

forward

2104

01:11:14,950 --> 01:11:13,360

do you think mike gallagher someone who

2105

01:11:16,790 --> 01:11:14,960

who clearly has

2106

01:11:18,709 --> 01:11:16,800

a real interest in the subject now from

2107

01:11:20,550 --> 01:11:18,719

his subsequent interviews

2108

01:11:22,709 --> 01:11:20,560

and do you think with him submitting

2109

01:11:25,030 --> 01:11:22,719

something like the wilson davis memo i

2110

01:11:26,630 --> 01:11:25,040

agree he clearly has done his due

2111

01:11:27,910 --> 01:11:26,640

diligence on this and he knows more than

2112

01:11:29,830 --> 01:11:27,920

he lets on

2113

01:11:31,110 --> 01:11:29,840

how well read into the subject do you

2114

01:11:34,070 --> 01:11:31,120

think he is

2115

01:11:36,709 --> 01:11:34,080

and how far do you think someone with

2116

01:11:37,669 --> 01:11:36,719

that young burgeoning political career

2117

01:11:40,070 --> 01:11:37,679

can go

2118

01:11:42,310 --> 01:11:40,080

with a subject

2119

01:11:43,910 --> 01:11:42,320

i don't know how how much

2120

01:11:45,910 --> 01:11:43,920

reading he has done on the subject i

2121

01:11:48,470 --> 01:11:45,920

know he's talked about people who have

2122

01:11:50,070 --> 01:11:48,480

educated him on subjects saying

2123

01:11:51,189 --> 01:11:50,080

their favorite theory that they told

2124

01:11:53,350 --> 01:11:51,199

gallagher i don't know if he said

2125

01:11:56,070 --> 01:11:53,360

interdimensional and time travel but i'm

2126

01:11:59,189 --> 01:11:56,080

like yeah i love that because i it gets

2127

01:12:00,229 --> 01:11:59,199

tiring to see every news report say

2128

01:12:01,189 --> 01:12:00,239

you know

2129

01:12:02,950 --> 01:12:01,199

there's no evidence they're

2130

01:12:04,630 --> 01:12:02,960

extraterrestrial and i want to scream

2131

01:12:06,630 --> 01:12:04,640

and say we're not saying they're

2132

01:12:08,870 --> 01:12:06,640

extraterrestrial we're not saying that

2133

01:12:10,790 --> 01:12:08,880

we're saying anomalous with all

2134

01:12:13,189 --> 01:12:10,800

possibilities including time travel

2135

01:12:15,110 --> 01:12:13,199

interdimensional ultra-terrestrial based

2136

01:12:17,750 --> 01:12:15,120

on this planet so it was nice to see him

2137

01:12:18,550 --> 01:12:17,760

say that somebody you know congressman

2138

01:12:20,070 --> 01:12:18,560

um

2139

01:12:21,669 --> 01:12:20,080

i think he'll stay on this but i don't

2140

01:12:23,030 --> 01:12:21,679

think he can do it himself he needs help

2141

01:12:24,870 --> 01:12:23,040

and i'm sure he'll get help behind the

2142

01:12:26,070 --> 01:12:24,880

scenes and the people who educated him

2143

01:12:28,390 --> 01:12:26,080

on the different theories i'm sure

2144

01:12:30,310 --> 01:12:28,400

they're going to help him um

2145

01:12:31,590 --> 01:12:30,320

whether or not how much pushback is

2146

01:12:33,350 --> 01:12:31,600

going to be

2147

01:12:35,590 --> 01:12:33,360

the people who don't want this who do

2148

01:12:36,950 --> 01:12:35,600

not want this out i'm not sure

2149

01:12:38,950 --> 01:12:36,960

we're gonna have a battle between

2150

01:12:40,790 --> 01:12:38,960

congress and the folks the folks who

2151
01:12:42,870 --> 01:12:40,800
have this secret who are they're not

2152
01:12:44,630 --> 01:12:42,880
military not the folks that are in

2153
01:12:46,790 --> 01:12:44,640
office or in their positions and then

2154
01:12:48,229 --> 01:12:46,800
they retire or they're you know the

2155
01:12:50,950 --> 01:12:48,239
people who are appointed it's not those

2156
01:12:52,470 --> 01:12:50,960
folks it's the folks who are lifelong

2157
01:12:54,630 --> 01:12:52,480
civilian

2158
01:12:56,950 --> 01:12:54,640
employees they're there forever those

2159
01:12:58,709 --> 01:12:56,960
are the folks who have the secrets and

2160
01:13:00,229 --> 01:12:58,719
the engineers and scientists who work in

2161
01:13:02,550 --> 01:13:00,239
the programs obviously those folks

2162
01:13:03,910 --> 01:13:02,560
that's most of what the bigoted list was

2163
01:13:05,830 --> 01:13:03,920

made up of wilson said they were

2164

01:13:08,550 --> 01:13:05,840

scientists program people who worked in

2165

01:13:10,070 --> 01:13:08,560

the program engineers and scientists um

2166

01:13:11,350 --> 01:13:10,080

you know you don't tell a politician a

2167

01:13:12,870 --> 01:13:11,360

secret like that because they're going

2168

01:13:14,390 --> 01:13:12,880

to be out of office in two years that's

2169

01:13:16,229 --> 01:13:14,400

why the president wouldn't know

2170

01:13:18,149 --> 01:13:16,239

president should know but in their

2171

01:13:19,750 --> 01:13:18,159

thinking you don't tell the people who

2172

01:13:21,510 --> 01:13:19,760

are not going to be around the folks who

2173

01:13:23,750 --> 01:13:21,520

are there for a career that's the folks

2174

01:13:25,350 --> 01:13:23,760

who know um

2175

01:13:28,709 --> 01:13:25,360

so

2176

01:13:31,590 --> 01:13:28,719

i i i we need the senate you know

2177

01:13:33,510 --> 01:13:31,600

gallagher is great but i want to see

2178

01:13:35,750 --> 01:13:33,520

i've seen the way

2179

01:13:38,070 --> 01:13:35,760

senator gillibrand asked questions of

2180

01:13:40,709 --> 01:13:38,080

the one gentleman who was

2181

01:13:42,470 --> 01:13:40,719

his i forget what position it was for

2182

01:13:45,270 --> 01:13:42,480

the ig for

2183

01:13:47,030 --> 01:13:45,280

for the entire dod i think it was his um

2184

01:13:49,030 --> 01:13:47,040

confirmation pre-confirmation hearing

2185

01:13:50,709 --> 01:13:49,040

but she was relentless she was like you

2186

01:13:52,550 --> 01:13:50,719

need to find this out before you come

2187

01:13:54,229 --> 01:13:52,560

back to me yeah is that the one he was

2188

01:13:55,830 --> 01:13:54,239

quite flippant with his response and

2189

01:13:57,590 --> 01:13:55,840

she's yeah

2190

01:13:58,870 --> 01:13:57,600

i would have done your research on this

2191

01:14:00,950 --> 01:13:58,880

already you shouldn't give me that

2192

01:14:02,790 --> 01:14:00,960

answer we have not seen the follow-up to

2193

01:14:04,709 --> 01:14:02,800

that meeting i'm not sure what happened

2194

01:14:06,630 --> 01:14:04,719

but she is not going to let this go and

2195

01:14:08,709 --> 01:14:06,640

hopefully rubio will not either and all

2196

01:14:11,110 --> 01:14:08,719

of the other folks and i do not care

2197

01:14:13,350 --> 01:14:11,120

people like do you know how disgusting

2198

01:14:15,910 --> 01:14:13,360

rubio is like you said politics i'm like

2199

01:14:17,590 --> 01:14:15,920

i understand i don't like his politics

2200

01:14:21,510 --> 01:14:17,600

i'm very far left

2201

01:14:23,590 --> 01:14:21,520

irrelevant in this case irrelevant

2202

01:14:25,270 --> 01:14:23,600

absolutely listen let's get to listener

2203

01:14:28,390 --> 01:14:25,280

questions uh joe we'll call if there's

2204

01:14:30,709 --> 01:14:28,400

anything i left out uh let me know

2205

01:14:32,950 --> 01:14:30,719

oh yeah 100 joe you're fantastically

2206

01:14:34,390 --> 01:14:32,960

available on social media so people can

2207

01:14:35,910 --> 01:14:34,400

always get in touch with you and you're

2208

01:14:38,550 --> 01:14:35,920

really good at answering stuff as well

2209

01:14:39,590 --> 01:14:38,560

so um yeah people people watching i will

2210

01:14:41,189 --> 01:14:39,600

do it

2211

01:14:43,669 --> 01:14:41,199

i'll do an ask me anything on this or

2212

01:14:44,630 --> 01:14:43,679

anything soon so you can ask whatever

2213

01:14:46,070 --> 01:14:44,640

awesome

2214

01:14:48,790 --> 01:14:46,080

there's a lot of listener questions here

2215

01:14:52,550 --> 01:14:48,800

as well we'll get through what we can um

2216

01:14:54,310 --> 01:14:52,560

from josh first off joe um joe can you

2217

01:14:56,790 --> 01:14:54,320

help those of us who this is a bit of a

2218

01:14:58,390 --> 01:14:56,800

long question but i'll get to the point

2219

01:15:00,550 --> 01:14:58,400

can you help those of us who have only

2220

01:15:03,669 --> 01:15:00,560

have a basic understanding of who eric

2221

01:15:05,590 --> 01:15:03,679

davis is get a firmer grasp on why so

2222

01:15:08,229 --> 01:15:05,600

many people want him to be part of these

2223

01:15:10,950 --> 01:15:08,239

confirmation conversations and have this

2224

01:15:13,350 --> 01:15:10,960

sort of info several times in the notes

2225

01:15:15,350 --> 01:15:13,360

his reputation is noted but i think

2226

01:15:17,430 --> 01:15:15,360

since davis allegedly wrote the notes

2227

01:15:19,510 --> 01:15:17,440

himself the details are pretty light

2228

01:15:21,669 --> 01:15:19,520

just who exactly is this guy who has

2229

01:15:23,590 --> 01:15:21,679

eric davis and how important is he to

2230

01:15:25,430 --> 01:15:23,600

the study of the phenomenon

2231

01:15:27,189 --> 01:15:25,440

he's a brilliant man who is an

2232

01:15:29,110 --> 01:15:27,199

experiencer which

2233

01:15:30,950 --> 01:15:29,120

and he is not shy about talking about

2234

01:15:32,229 --> 01:15:30,960

his experiences and i'm sure with some

2235

01:15:34,310 --> 01:15:32,239

people they're like well he loses

2236

01:15:35,990 --> 01:15:34,320

credibility well for me he doesn't he's

2237

01:15:38,550 --> 01:15:36,000

had experiences at skinwalker ranch he

2238

01:15:41,030 --> 01:15:38,560

had his siding back in arizona he's very

2239

01:15:42,630 --> 01:15:41,040

open-minded very scientific method he

2240

01:15:43,990 --> 01:15:42,640

doesn't come to conclusions as far as

2241

01:15:45,990 --> 01:15:44,000

what we're dealing with he's written a

2242

01:15:47,590 --> 01:15:46,000

paper with jacques vale talking about

2243

01:15:50,229 --> 01:15:47,600

the the psychic aspects of the

2244

01:15:52,470 --> 01:15:50,239

phenomenon it's not just physical

2245

01:15:53,910 --> 01:15:52,480

we both i remember talking to him about

2246

01:15:56,149 --> 01:15:53,920

um

2247

01:15:58,390 --> 01:15:56,159

about one of my favorite books operation

2248

01:16:00,390 --> 01:15:58,400

trojan horse uh by john keel and he's

2249

01:16:02,550 --> 01:16:00,400

like yeah i read that in eighth grade uh

2250

01:16:04,870 --> 01:16:02,560

the most amazing memory the most he

2251
01:16:06,950 --> 01:16:04,880
knows so much about ufology no matter

2252
01:16:08,709 --> 01:16:06,960
what you ask him about um

2253
01:16:09,830 --> 01:16:08,719
memory wise i forgot to tell you i asked

2254
01:16:11,990 --> 01:16:09,840
him about something that happened in

2255
01:16:14,229 --> 01:16:12,000
vegas back in i don't know if it was

2256
01:16:15,990 --> 01:16:14,239
2000 whatever it was it was such a long

2257
01:16:17,510 --> 01:16:16,000
time ago and it was a friend of mine who

2258
01:16:19,510 --> 01:16:17,520
owned the print shop he's like oh yeah i

2259
01:16:21,270 --> 01:16:19,520
went in there yeah yeah i remember that

2260
01:16:23,350 --> 01:16:21,280
i'm like how do you remember that so

2261
01:16:24,870 --> 01:16:23,360
with that memory with those clearances

2262
01:16:27,430 --> 01:16:24,880
with the interest in the subject he's

2263
01:16:30,310 --> 01:16:27,440

like the perfect combination of what you

2264

01:16:32,390 --> 01:16:30,320

want in a ufo's researcher he has access

2265

01:16:34,149 --> 01:16:32,400

over the years he gets to see things he

2266

01:16:36,390 --> 01:16:34,159

gets to look and see things that he's

2267

01:16:38,229 --> 01:16:36,400

interested in ufos there are not a lot

2268

01:16:40,149 --> 01:16:38,239

of people who have that interest and the

2269

01:16:41,910 --> 01:16:40,159

clearances um

2270

01:16:42,790 --> 01:16:41,920

and i had a source tell me eric davis

2271

01:16:44,470 --> 01:16:42,800

was

2272

01:16:46,709 --> 01:16:44,480

in charge of the crash retrieval

2273

01:16:50,310 --> 01:16:46,719

portfolio i don't have any more details

2274

01:16:52,870 --> 01:16:50,320

on that but um he also speaks his mind

2275

01:16:55,590 --> 01:16:52,880

uh when he he was giving interviews

2276

01:16:58,470 --> 01:16:55,600

before his new job the aerospace

2277

01:16:59,990 --> 01:16:58,480

corporation put a gabash on his media um

2278

01:17:02,310 --> 01:17:00,000

it was after the new york times article

2279

01:17:03,669 --> 01:17:02,320

came out and it's not some i know there

2280

01:17:05,270 --> 01:17:03,679

are people thinking that he would shut

2281

01:17:06,950 --> 01:17:05,280

up because you know the powers that be

2282

01:17:08,950 --> 01:17:06,960

don't want eric davis talking that's not

2283

01:17:10,790 --> 01:17:08,960

what it is it's it's work related

2284

01:17:12,709 --> 01:17:10,800

nothing negative but

2285

01:17:15,110 --> 01:17:12,719

um he can't give media interviews and

2286

01:17:16,870 --> 01:17:15,120

i'm dying to hear him give me interviews

2287

01:17:18,229 --> 01:17:16,880

because when the new york times article

2288

01:17:20,790 --> 01:17:18,239

came out he's quoted talking about

2289

01:17:23,830 --> 01:17:20,800

retrieval from off-world vehicles and he

2290

01:17:25,510 --> 01:17:23,840

can't give a quote because of his job so

2291

01:17:26,709 --> 01:17:25,520

i a friend of mine floated an idea that

2292

01:17:28,950 --> 01:17:26,719

we have a a

2293

01:17:31,110 --> 01:17:28,960

fund me go fund me for him to raise like

2294

01:17:32,950 --> 01:17:31,120

whatever he needs to retire just so he

2295

01:17:36,070 --> 01:17:32,960

can do interviews um

2296

01:17:38,070 --> 01:17:36,080

so yeah that memory that knowledge um in

2297

01:17:40,149 --> 01:17:38,080

astrophysicists it's very rare i can't

2298

01:17:42,630 --> 01:17:40,159

think of anybody else like that

2299

01:17:44,310 --> 01:17:42,640

you have travis taylor who comes close

2300

01:17:46,229 --> 01:17:44,320

but as far as crash retrievals which i

2301

01:17:47,910 --> 01:17:46,239

never was interested before really i

2302

01:17:50,550 --> 01:17:47,920

mean i liked roswell but i never dove

2303

01:17:52,390 --> 01:17:50,560

into it and now i i once these documents

2304

01:17:53,669 --> 01:17:52,400

came out now i went back and listened to

2305

01:17:55,430 --> 01:17:53,679

all his interviews it's just amazing

2306

01:17:57,270 --> 01:17:55,440

what he's willing to share why is he

2307

01:17:58,790 --> 01:17:57,280

able to share about what he does about

2308

01:18:00,950 --> 01:17:58,800

the crash retrieval program if it's so

2309

01:18:02,310 --> 01:18:00,960

classified hal put off said in one of

2310

01:18:05,110 --> 01:18:02,320

his interviews he's like

2311

01:18:06,950 --> 01:18:05,120

the details of crashes are classified so

2312

01:18:08,630 --> 01:18:06,960

i think there's a certain line

2313

01:18:10,070 --> 01:18:08,640

they can go up to they know what they

2314

01:18:12,950 --> 01:18:10,080

can go up to maybe he's crossed over

2315

01:18:14,950 --> 01:18:12,960

that line i don't know um

2316

01:18:16,709 --> 01:18:14,960

but yeah the only the only negative

2317

01:18:18,390 --> 01:18:16,719

things i've seen is he speaks his mind

2318

01:18:20,870 --> 01:18:18,400

and sometimes if you piss him off he'll

2319

01:18:22,790 --> 01:18:20,880

he'll say so and he'll say so in no

2320

01:18:23,669 --> 01:18:22,800

uncertain terms what he thinks about you

2321

01:18:25,430 --> 01:18:23,679

um

2322

01:18:26,550 --> 01:18:25,440

but hopefully he gets to speak out soon

2323

01:18:28,070 --> 01:18:26,560

because it's been a while since he's

2324

01:18:29,510 --> 01:18:28,080

given an interview

2325

01:18:31,110 --> 01:18:29,520

i've gotten i've gotten some quotes from

2326

01:18:32,950 --> 01:18:31,120

him over the last couple of years but

2327

01:18:34,149 --> 01:18:32,960

very minimal stuff

2328

01:18:36,709 --> 01:18:34,159

yeah it'd be great to speak to eric

2329

01:18:38,870 --> 01:18:36,719

davis and he has particularly kind of

2330

01:18:40,470 --> 01:18:38,880

sparse with interviews and i know he's a

2331

01:18:42,229 --> 01:18:40,480

much maligned figure at the moment but

2332

01:18:46,550 --> 01:18:42,239

uh stephen greenstreet probably had one

2333

01:18:50,390 --> 01:18:47,830

yeah i'll put the link for it in the

2334

01:18:51,590 --> 01:18:50,400

description um but yeah that that's

2335

01:18:54,950 --> 01:18:51,600

something that's worth checking out as

2336

01:18:56,950 --> 01:18:54,960

well i think it's nice

2337

01:18:58,630 --> 01:18:56,960

in a positive light at the time

2338

01:19:00,310 --> 01:18:58,640

and that's when davis said he was um a

2339

01:19:02,070 --> 01:19:00,320

consultant to the i don't know if he

2340

01:19:04,229 --> 01:19:02,080

called it the uap task force but he said

2341

01:19:06,470 --> 01:19:04,239

the new effort which yeah he didn't give

2342

01:19:07,910 --> 01:19:06,480

the name he he confirmed it was whatever

2343

01:19:10,070 --> 01:19:07,920

the organization was now he was a

2344

01:19:12,310 --> 01:19:10,080

consultant but wasn't being paid because

2345

01:19:13,750 --> 01:19:12,320

there was no funding necessarily for it

2346

01:19:14,790 --> 01:19:13,760

right and funding is still an issue by

2347

01:19:17,669 --> 01:19:14,800

the way with

2348

01:19:20,229 --> 01:19:17,679

the ndaa all of that so anyway

2349

01:19:22,470 --> 01:19:20,239

um additionally josh has a follow-up can

2350

01:19:23,990 --> 01:19:22,480

joe speak to any particular discoveries

2351

01:19:25,910 --> 01:19:24,000

theories or breakthroughs that eric

2352

01:19:27,830 --> 01:19:25,920

davis has spearheaded without breaking

2353

01:19:29,990 --> 01:19:27,840

any competencies

2354

01:19:31,830 --> 01:19:30,000

i don't know of any breakthroughs and

2355

01:19:33,669 --> 01:19:31,840

anything that he has would be in that

2356

01:19:35,110 --> 01:19:33,679

massive book lou holds up where they

2357

01:19:37,110 --> 01:19:35,120

talk about

2358

01:19:38,870 --> 01:19:37,120

it's a propulsion book frontiers in

2359

01:19:40,790 --> 01:19:38,880

propulsion science i'm not sure if

2360

01:19:43,189 --> 01:19:40,800

there's breakthroughs but i know he

2361

01:19:45,510 --> 01:19:43,199

somebody mentioned to him the answer is

2362

01:19:46,870 --> 01:19:45,520

i don't know um but somebody mentioned

2363

01:19:48,709 --> 01:19:46,880

to him that they think what he was

2364

01:19:50,390 --> 01:19:48,719

involved in is fringe science and he's

2365

01:19:51,669 --> 01:19:50,400

like i don't consider it fringe science

2366

01:19:53,430 --> 01:19:51,679

i consider it

2367

01:19:55,030 --> 01:19:53,440

thinking outside the box he's known for

2368

01:19:57,030 --> 01:19:55,040

thinking outside the box i mean people

2369

01:19:58,470 --> 01:19:57,040

refer to his wormhole paper and they

2370

01:20:00,310 --> 01:19:58,480

showed some of the pictures drawn and

2371

01:20:02,070 --> 01:20:00,320

they made fun of him i was like you know

2372

01:20:04,950 --> 01:20:02,080

because it shows like a dinosaur would

2373

01:20:07,189 --> 01:20:04,960

go through a very crude drawing going

2374

01:20:08,229 --> 01:20:07,199

through a portal and it's like

2375

01:20:10,149 --> 01:20:08,239

you know

2376

01:20:12,550 --> 01:20:10,159

the science behind that he can explain

2377

01:20:14,950 --> 01:20:12,560

some of the science behind that um which

2378

01:20:16,629 --> 01:20:14,960

i can't understand

2379

01:20:17,990 --> 01:20:16,639

breakthroughs

2380

01:20:20,709 --> 01:20:18,000

i don't know of any particular

2381

01:20:21,430 --> 01:20:20,719

breakthroughs um i'm sure he could tell

2382

01:20:24,550 --> 01:20:21,440

you

2383

01:20:26,310 --> 01:20:24,560

and i know that's not a great answer um

2384

01:20:27,510 --> 01:20:26,320

for me it's just a combination of his

2385

01:20:30,709 --> 01:20:27,520

knowledge

2386

01:20:33,110 --> 01:20:30,719

access and interest in ufos

2387

01:20:34,950 --> 01:20:33,120

definitely um something we are two

2388

01:20:36,070 --> 01:20:34,960

people we didn't talk about i don't

2389

01:20:39,430 --> 01:20:36,080

think within the body of this

2390

01:20:41,590 --> 01:20:39,440

conversation joe were rich and doug

2391

01:20:43,350 --> 01:20:41,600

sausalit has a question rich and doug's

2392

01:20:44,790 --> 01:20:43,360

name are mentioned several times

2393

01:20:46,709 --> 01:20:44,800

throughout the document can you shed

2394

01:20:48,070 --> 01:20:46,719

some light at all on who rich and doug

2395

01:20:50,310 --> 01:20:48,080

are

2396

01:20:53,669 --> 01:20:50,320

they worked they were part of the

2397

01:20:54,550 --> 01:20:53,679

association former intelligence officers

2398

01:20:56,950 --> 01:20:54,560

they

2399

01:20:59,669 --> 01:20:56,960

also recommended eric davis speak with

2400

01:21:02,310 --> 01:20:59,679

thomas wilson i don't know if they knew

2401

01:21:04,229 --> 01:21:02,320

what wilson had encountered i'm not sure

2402

01:21:05,270 --> 01:21:04,239

about that a lot of people say you know

2403

01:21:07,430 --> 01:21:05,280

they mentioned

2404

01:21:09,990 --> 01:21:07,440

you know that it was a new chapter

2405

01:21:12,870 --> 01:21:10,000

beginning in you know the af

2406

01:21:14,229 --> 01:21:12,880

afio chapter was beginning in 2002 and

2407

01:21:15,830 --> 01:21:14,239

they needed speakers and rich and doug

2408

01:21:18,390 --> 01:21:15,840

were involved in that one of them may

2409

01:21:20,229 --> 01:21:18,400

have passed away by the way um

2410

01:21:21,750 --> 01:21:20,239

and they wanted speakers and people use

2411

01:21:23,510 --> 01:21:21,760

the argument well wilson there's no

2412

01:21:25,430 --> 01:21:23,520

record and john alexander has made this

2413

01:21:27,990 --> 01:21:25,440

argument there's no record of wilson

2414

01:21:29,590 --> 01:21:28,000

having spoken at the the local chapter

2415

01:21:31,270 --> 01:21:29,600

in las vegas so he didn't come to las

2416

01:21:33,510 --> 01:21:31,280

vegas that's nonsense you read the

2417

01:21:35,830 --> 01:21:33,520

documents there's no promise from wilson

2418

01:21:37,350 --> 01:21:35,840

that he's going to speak at that event

2419

01:21:38,550 --> 01:21:37,360

let me ask you i was going to say joe

2420

01:21:40,870 --> 01:21:38,560

because i've actually forgot to ask you

2421

01:21:43,830 --> 01:21:40,880

the the basic question saucer like gave

2422

01:21:45,910 --> 01:21:43,840

he asks or they ask what does joe think

2423

01:21:48,629 --> 01:21:45,920

of the idea rich and dog were actually

2424

01:21:52,229 --> 01:21:48,639

asking wilson about eric davis as a

2425

01:21:54,790 --> 01:21:52,239

potential afio speaker and not wilson as

2426

01:21:57,189 --> 01:21:54,800

a speaker as a way to send wilson eric

2427

01:21:59,669 --> 01:21:57,199

davis's cv in the hopes wilson would

2428

01:22:02,229 --> 01:21:59,679

meet with him this may explain why john

2429

01:22:04,390 --> 01:22:02,239

alexander never saw wilson at an afio

2430

01:22:05,430 --> 01:22:04,400

meeting in vegas at the time yeah and i

2431

01:22:06,709 --> 01:22:05,440

think the whole

2432

01:22:08,550 --> 01:22:06,719

meeting

2433

01:22:10,229 --> 01:22:08,560

who's there and who's not as a red

2434

01:22:12,070 --> 01:22:10,239

herring um yeah it's possible they

2435

01:22:13,189 --> 01:22:12,080

wanted eric davis there but

2436

01:22:15,910 --> 01:22:13,199

um

2437

01:22:17,590 --> 01:22:15,920

they were part of getting wilson and

2438

01:22:20,070 --> 01:22:17,600

davis together

2439

01:22:22,950 --> 01:22:20,080

but oak shannon was the main impetus for

2440

01:22:24,550 --> 01:22:22,960

that uh that theory is possible but like

2441

01:22:26,390 --> 01:22:24,560

i said the whole

2442

01:22:29,030 --> 01:22:26,400

making a big deal that wilson did not

2443

01:22:29,990 --> 01:22:29,040

speak there is just such that's why you

2444

01:22:31,590 --> 01:22:30,000

see john

2445

01:22:33,430 --> 01:22:31,600

john alexander saying something like

2446

01:22:35,430 --> 01:22:33,440

that i'm like why are you saying that

2447

01:22:37,910 --> 01:22:35,440

read the documents it's irrelevant

2448

01:22:40,229 --> 01:22:37,920

there's no promise from wilson to speak

2449

01:22:42,310 --> 01:22:40,239

at that you know opening of the afio

2450

01:22:44,550 --> 01:22:42,320

office in vegas so

2451

01:22:45,990 --> 01:22:44,560

it's just not a big deal

2452

01:22:48,550 --> 01:22:46,000

and people don't have to take my word

2453

01:22:50,070 --> 01:22:48,560

read it people read it frank stalter is

2454

01:22:51,669 --> 01:22:50,080

one who made a big deal about that and

2455

01:22:53,990 --> 01:22:51,679

we argue he still thinks the whole thing

2456

01:22:57,669 --> 01:22:54,000

is bogus um anyway

2457

01:22:58,950 --> 01:22:57,679

hopefully that answers his question um

2458

01:23:02,470 --> 01:22:58,960

for rich and doug

2459

01:23:04,070 --> 01:23:02,480

nobody that i know of has spoken to them

2460

01:23:06,229 --> 01:23:04,080

you know and like i said i think one of

2461

01:23:07,590 --> 01:23:06,239

them passed away but i don't think if we

2462

01:23:09,110 --> 01:23:07,600

did get a hold of him nobody's gonna

2463

01:23:11,510 --> 01:23:09,120

2463
speak about it you know

2464
01:23:12,470 --> 01:23:11,520
unless there's and and andy all these

2465
01:23:14,470 --> 01:23:12,480
people

2466
01:23:16,390 --> 01:23:14,480
if if they want to make sure if the

2467
01:23:18,550 --> 01:23:16,400
meeting happened you want to bring all

2468
01:23:20,149 --> 01:23:18,560
these people put them under oath so if

2469
01:23:20,950 --> 01:23:20,159
our goal was just to prove the document

2470
01:23:24,149 --> 01:23:20,960
and

2471
01:23:25,830 --> 01:23:24,159
know

2472
01:23:27,669 --> 01:23:25,840
allegedly people think it was lockheed

2473
01:23:28,550 --> 01:23:27,679
that he went to

2474
01:23:30,390 --> 01:23:28,560
um

2475
01:23:32,070 --> 01:23:30,400
yeah you would subpoena all these people

2476

01:23:33,430 --> 01:23:32,080

who are listed and put them under oath

2477

01:23:35,430 --> 01:23:33,440

give them immunity but that's not the

2478

01:23:36,950 --> 01:23:35,440

goal so your goal is to find the crash

2479

01:23:38,790 --> 01:23:36,960

retrieval program and the people who

2480

01:23:40,470 --> 01:23:38,800

worked in the program

2481

01:23:42,149 --> 01:23:40,480

we don't know any of those names those

2482

01:23:44,310 --> 01:23:42,159

are the people who need to be

2483

01:23:47,110 --> 01:23:44,320

subpoenaed

2484

01:23:48,790 --> 01:23:47,120

let me ask the follow-up from john brim

2485

01:23:50,070 --> 01:23:48,800

because this this is maybe a little bit

2486

01:23:51,830 --> 01:23:50,080

on what you said there but i think it's

2487

01:23:54,149 --> 01:23:51,840

a really interesting thought

2488

01:23:56,550 --> 01:23:54,159

what are your thoughts joe about nda's

2489

01:23:59,350 --> 01:23:56,560

being almost irrelevant as what really

2490

01:24:00,950 --> 01:23:59,360

keeps these people quiet is the thought

2491

01:24:02,709 --> 01:24:00,960

that they're nearly at the center of the

2492

01:24:04,550 --> 01:24:02,719

labyrinth and like you've touched on you

2493

01:24:06,470 --> 01:24:04,560

know people like kit green

2494

01:24:08,149 --> 01:24:06,480

being promised that you know chasing

2495

01:24:10,310 --> 01:24:08,159

that dragon you're going to find out the

2496

01:24:12,550 --> 01:24:10,320

big secret you're going to know even

2497

01:24:14,790 --> 01:24:12,560

people like lou and chris melon they

2498

01:24:16,149 --> 01:24:14,800

find out more and more and more but they

2499

01:24:18,310 --> 01:24:16,159

they always claim that they don't know

2500

01:24:19,590 --> 01:24:18,320

everything and maybe they'll dangle that

2501
01:24:21,110 --> 01:24:19,600
carrot off you know keep doing what

2502
01:24:24,070 --> 01:24:21,120
you're doing and you'll find out you

2503
01:24:25,990 --> 01:24:24,080
know the big thing at the end

2504
01:24:27,590 --> 01:24:26,000
and that also keeps these folks from

2505
01:24:29,430 --> 01:24:27,600
breaking these end days because i

2506
01:24:31,189 --> 01:24:29,440
suppose selfishly

2507
01:24:33,030 --> 01:24:31,199
you would want to know if someone said

2508
01:24:34,870 --> 01:24:33,040
to joe murga you know joe delete your

2509
01:24:36,790 --> 01:24:34,880
twitter account delete your patreon get

2510
01:24:38,149 --> 01:24:36,800
rid of all your social media quit your

2511
01:24:39,270 --> 01:24:38,159
job as a cameraman and we're going to

2512
01:24:40,870 --> 01:24:39,280
take you into this room and we're going

2513
01:24:42,790 --> 01:24:40,880

to tell you everything

2514

01:24:44,629 --> 01:24:42,800

would joe martial be tempted

2515

01:24:46,149 --> 01:24:44,639

i would put a i would be tempted but i

2516

01:24:48,629 --> 01:24:46,159

would put a time limit on it if you

2517

01:24:50,709 --> 01:24:48,639

don't tell me within a month everything

2518

01:24:52,310 --> 01:24:50,719

is going back um okay

2519

01:24:54,149 --> 01:24:52,320

of course by that time up they killed me

2520

01:24:55,350 --> 01:24:54,159

because i didn't know about that

2521

01:24:57,830 --> 01:24:55,360

yeah you've got the bullet in the head

2522

01:24:59,669 --> 01:24:57,840

yep yeah um but yeah that's a good point

2523

01:25:01,430 --> 01:24:59,679

maybe maybe they're being promised and

2524

01:25:03,110 --> 01:25:01,440

the skeptic would say yeah they're never

2525

01:25:05,189 --> 01:25:03,120

gonna be shown anything but because it

2526

01:25:07,030 --> 01:25:05,199

doesn't exist um

2527

01:25:09,350 --> 01:25:07,040

but that's a good point you know keep

2528

01:25:10,470 --> 01:25:09,360

quiet and we will show you the truth one

2529

01:25:11,430 --> 01:25:10,480

day

2530

01:25:13,669 --> 01:25:11,440

um

2531

01:25:16,149 --> 01:25:13,679

i cannot wait andy because

2532

01:25:18,870 --> 01:25:16,159

once we get one person who comes across

2533

01:25:21,910 --> 01:25:18,880

as credible a scientist who says i

2534

01:25:23,830 --> 01:25:21,920

handled the craft i handled i saw it in

2535

01:25:25,510 --> 01:25:23,840

person if we get multiple people saying

2536

01:25:26,790 --> 01:25:25,520

that i know for a lot of people that's

2537

01:25:28,470 --> 01:25:26,800

going to be part of the psyop these

2538

01:25:29,669 --> 01:25:28,480

people are all lying but for people who

2539

01:25:31,110 --> 01:25:29,679

are reasonable

2540

01:25:32,790 --> 01:25:31,120

who are able to look at somebody and see

2541

01:25:35,510 --> 01:25:32,800

if they're lying that's such a giant

2542

01:25:38,870 --> 01:25:35,520

first step i mean the final piece is us

2543

01:25:40,470 --> 01:25:38,880

seeing it for ourselves i make a joke

2544

01:25:42,390 --> 01:25:40,480

i've made this joke before where during

2545

01:25:44,790 --> 01:25:42,400

congressional hearings they get a wheel

2546

01:25:46,070 --> 01:25:44,800

the roswell or whatever intact craft

2547

01:25:48,870 --> 01:25:46,080

they have they're going to wheel it down

2548

01:25:50,790 --> 01:25:48,880

the aisle and say there it is and then

2549

01:25:52,709 --> 01:25:50,800

they'll wheel down the bodies in the

2550

01:25:54,229 --> 01:25:52,719

containers there you go because if we do

2551

01:25:55,910 --> 01:25:54,239

get evidence and we get proof that we

2552

01:25:57,990 --> 01:25:55,920

have bodies that are not human the

2553

01:26:01,189 --> 01:25:58,000

game's over everything else is all

2554

01:26:02,950 --> 01:26:01,199

everything else is up for debate then

2555

01:26:05,189 --> 01:26:02,960

if there's something non-human here then

2556

01:26:07,110 --> 01:26:05,199

everything related to ufos is in play i

2557

01:26:09,350 --> 01:26:07,120

mean including skinwalker ranch you know

2558

01:26:10,950 --> 01:26:09,360

everything so it's such a big deal

2559

01:26:12,470 --> 01:26:10,960

that's why i made such a big deal about

2560

01:26:14,550 --> 01:26:12,480

this document

2561

01:26:16,629 --> 01:26:14,560

um and like i said

2562

01:26:18,470 --> 01:26:16,639

in my lifetime hopefully we get the

2563

01:26:20,790 --> 01:26:18,480

proof not just people speaking we need

2564

01:26:23,430 --> 01:26:20,800

to see it we need to see it and you

2565

01:26:24,709 --> 01:26:23,440

could show us pictures or something a

2566

01:26:26,629 --> 01:26:24,719

live shot

2567

01:26:28,229 --> 01:26:26,639

without telling the russians how to

2568

01:26:30,149 --> 01:26:28,239

reverse engineer it it's not going to

2569

01:26:32,390 --> 01:26:30,159

help the russians or chinese reverse

2570

01:26:34,070 --> 01:26:32,400

engineer just by showing the world it's

2571

01:26:36,870 --> 01:26:34,080

such an important secret we need to get

2572

01:26:39,189 --> 01:26:36,880

over that thinking well talking about

2573

01:26:41,830 --> 01:26:39,199

you know wanting to to find out that

2574

01:26:44,149 --> 01:26:41,840

ultimate answer and hoping it happens

2575

01:26:46,550 --> 01:26:44,159

mikey asks what do you think the next

2576

01:26:50,550 --> 01:26:46,560

steps are now with the wilson davis memo

2577

01:26:52,390 --> 01:26:50,560

being on public record what happens next

2578

01:26:55,669 --> 01:26:52,400

immunity is next we have to wait for

2579

01:26:56,629 --> 01:26:55,679

that immunity language to be finished

2580

01:26:58,149 --> 01:26:56,639

and

2581

01:27:00,070 --> 01:26:58,159

i'm not sure that we're going to get to

2582

01:27:01,830 --> 01:27:00,080

see the next step if they bring in these

2583

01:27:04,149 --> 01:27:01,840

folks in these programs it's probably

2584

01:27:06,229 --> 01:27:04,159

going to be behind closed doors which i

2585

01:27:09,110 --> 01:27:06,239

do not think is fair but that's probably

2586

01:27:10,550 --> 01:27:09,120

what's gonna happen um

2587

01:27:11,990 --> 01:27:10,560

i'm not sure how important it is to

2588

01:27:13,910 --> 01:27:12,000

bring in wilson

2589

01:27:15,189 --> 01:27:13,920

you know to prove that he he was denied

2590

01:27:16,870 --> 01:27:15,199

access i mean

2591

01:27:19,590 --> 01:27:16,880

it would be great for me

2592

01:27:21,510 --> 01:27:19,600

um and he said he would still take cells

2593

01:27:23,030 --> 01:27:21,520

he would if he was given immunity he

2594

01:27:24,870 --> 01:27:23,040

would still tell the same story like

2595

01:27:26,550 --> 01:27:24,880

this is nonsense but what do people

2596

01:27:28,070 --> 01:27:26,560

expect him to say first of all he said

2597

01:27:29,750 --> 01:27:28,080

in these documents he would deny it no

2598

01:27:31,750 --> 01:27:29,760

matter what um

2599

01:27:35,350 --> 01:27:31,760

but if he really does it really this did

2600

01:27:38,229 --> 01:27:35,360

happen he can't tell billy cox well

2601
01:27:40,149 --> 01:27:38,239
if i'm given immunity i'm gonna tell the

2602
01:27:42,229 --> 01:27:40,159
real story and you're not gonna believe

2603
01:27:44,790 --> 01:27:42,239
it he can't say that so i don't know

2604
01:27:46,470 --> 01:27:44,800
what people expect him to say um

2605
01:27:49,189 --> 01:27:46,480
the next step

2606
01:27:51,350 --> 01:27:49,199
with immunity and these folks coming in

2607
01:27:52,390 --> 01:27:51,360
and one more thing you know just a

2608
01:27:55,030 --> 01:27:52,400
little piece

2609
01:27:57,990 --> 01:27:55,040
2006 jacques valet wrote a book called

2610
01:27:59,990 --> 01:27:58,000
stratagem and the details in that book

2611
01:28:02,149 --> 01:28:00,000
match the wilson davis documents so it's

2612
01:28:03,350 --> 01:28:02,159
like obviously valet did have access to

2613
01:28:04,870 --> 01:28:03,360

this so this story's been around for a

2614

01:28:07,910 --> 01:28:04,880

while it's not something that was just

2615

01:28:09,669 --> 01:28:07,920

made up out of thin air and eric davis

2616

01:28:11,270 --> 01:28:09,679

you know there was a theory people think

2617

01:28:12,709 --> 01:28:11,280

that eric davis wrote this as a movie

2618

01:28:14,629 --> 01:28:12,719

script because

2619

01:28:16,470 --> 01:28:14,639

i think it was greenwall who said well

2620

01:28:18,390 --> 01:28:16,480

the x-files had just been canceled and

2621

01:28:19,750 --> 01:28:18,400

they were looking for a new ufo show i'm

2622

01:28:21,430 --> 01:28:19,760

like okay

2623

01:28:23,990 --> 01:28:21,440

that's your theory one of your theories

2624

01:28:25,510 --> 01:28:24,000

that's that didn't happen um

2625

01:28:27,030 --> 01:28:25,520

but that's the next step and we've we've

2626

01:28:29,030 --> 01:28:27,040

spoken about it i don't know how long

2627

01:28:30,470 --> 01:28:29,040

it's gonna take um things seem to be

2628

01:28:31,910 --> 01:28:30,480

moving fast we keep hearing from

2629

01:28:33,910 --> 01:28:31,920

multiple hearings

2630

01:28:36,470 --> 01:28:33,920

within weeks you know i heard i didn't

2631

01:28:38,149 --> 01:28:36,480

hear anything about time frame just that

2632

01:28:39,830 --> 01:28:38,159

stuff is happening behind the scenes so

2633

01:28:42,470 --> 01:28:39,840

just be patient and i always tell people

2634

01:28:44,229 --> 01:28:42,480

that i say be patient stuff is happening

2635

01:28:46,310 --> 01:28:44,239

i mean i've been at this for so long the

2636

01:28:48,709 --> 01:28:46,320

last four and a half years have been

2637

01:28:50,870 --> 01:28:48,719

such an amazing pace i know for some

2638

01:28:54,470 --> 01:28:50,880

people it's still slow but you know

2639

01:28:57,910 --> 01:28:54,480

compared to what it was between 1996 and

2640

01:29:00,310 --> 01:28:57,920

in 2017 this is amazing i get frustrated

2641

01:29:01,270 --> 01:29:00,320

too at times and i also get i also get

2642

01:29:04,229 --> 01:29:01,280

um

2643

01:29:06,390 --> 01:29:04,239

spoiled you know i'll i'll i'll

2644

01:29:08,470 --> 01:29:06,400

i'll not mock but i'll i'll dismiss the

2645

01:29:10,629 --> 01:29:08,480

three videos or if there'll be an

2646

01:29:12,229 --> 01:29:10,639

article on a major newspaper i'm like ah

2647

01:29:14,149 --> 01:29:12,239

it's not that great well we're getting

2648

01:29:15,830 --> 01:29:14,159

articles like we never had before yeah

2649

01:29:17,669 --> 01:29:15,840

more people are interested in it so it's

2650

01:29:19,030 --> 01:29:17,679

all good i just don't know i don't know

2651
01:29:21,669 --> 01:29:19,040
how long it's gonna take to get to the

2652
01:29:23,030 --> 01:29:21,679
next step of seeing people or at least

2653
01:29:24,790 --> 01:29:23,040
hearing from congressional members

2654
01:29:27,510 --> 01:29:24,800
saying we've spoke to some people there

2655
01:29:29,030 --> 01:29:27,520
is a crash retrieval program of ufos i

2656
01:29:30,950 --> 01:29:29,040
have a friend who thinks oh there's a

2657
01:29:33,510 --> 01:29:30,960
crash retrieval program but it's not

2658
01:29:35,510 --> 01:29:33,520
ufos it's just foreign technology or our

2659
01:29:37,590 --> 01:29:35,520
technology and this whole thing is about

2660
01:29:39,110 --> 01:29:37,600
to bring our technology out from from

2661
01:29:40,629 --> 01:29:39,120
beyond the black programs into the

2662
01:29:42,870 --> 01:29:40,639
public sector that's what their theory

2663
01:29:44,470 --> 01:29:42,880

is well listen if we've got tech that

2664

01:29:46,229 --> 01:29:44,480

can defy gravity break the laws of

2665

01:29:47,910 --> 01:29:46,239

physics then for me that's that's

2666

01:29:49,830 --> 01:29:47,920

fascinating in itself but then the

2667

01:29:51,510 --> 01:29:49,840

question still goes back to when did we

2668

01:29:53,990 --> 01:29:51,520

break those laws of physics and right

2669

01:29:56,310 --> 01:29:54,000

how can we now go from jet engines to

2670

01:29:57,990 --> 01:29:56,320

this you know what was what was where's

2671

01:29:59,910 --> 01:29:58,000

the gap how did we plug that gap in the

2672

01:30:01,510 --> 01:29:59,920

middle what happened and one of my

2673

01:30:03,990 --> 01:30:01,520

favorite people i've spoken to on my

2674

01:30:06,390 --> 01:30:04,000

show michael or my youtube channel no

2675

01:30:08,629 --> 01:30:06,400

show but michael vi he believes we've

2676

01:30:09,830 --> 01:30:08,639

cracked gravity um and he don't he

2677

01:30:11,669 --> 01:30:09,840

doesn't think we would ever use it

2678

01:30:12,870 --> 01:30:11,679

unless we actually had to so you're not

2679

01:30:14,790 --> 01:30:12,880

going to see that technology because

2680

01:30:17,030 --> 01:30:14,800

it's too world-changing

2681

01:30:19,270 --> 01:30:17,040

to economy busting you know just just

2682

01:30:21,030 --> 01:30:19,280

totally upheaval in this world if all of

2683

01:30:23,430 --> 01:30:21,040

a sudden we have this technology that

2684

01:30:25,030 --> 01:30:23,440

can turn be turned into a massive weapon

2685

01:30:26,629 --> 01:30:25,040

also um

2686

01:30:28,149 --> 01:30:26,639

and i know a lot of people push back on

2687

01:30:29,830 --> 01:30:28,159

him about that but

2688

01:30:31,990 --> 01:30:29,840

i don't know i'm still i don't know like

2689

01:30:33,910 --> 01:30:32,000

you said if we have that technology it's

2690

01:30:35,510 --> 01:30:33,920

just yeah okay show us show us what

2691

01:30:36,950 --> 01:30:35,520

happened show us was it the 50s when

2692

01:30:38,550 --> 01:30:36,960

everything went black when they were

2693

01:30:40,790 --> 01:30:38,560

researching gravity

2694

01:30:42,950 --> 01:30:40,800

that's amazing story and why was it kept

2695

01:30:44,310 --> 01:30:42,960

secret for all this time and

2696

01:30:46,149 --> 01:30:44,320

with the pollution going on in this

2697

01:30:47,990 --> 01:30:46,159

planet it's a major can of worms you

2698

01:30:49,669 --> 01:30:48,000

know it's a huge conversation and one

2699

01:30:51,910 --> 01:30:49,679

for another time but i've talked about

2700

01:30:52,870 --> 01:30:51,920

this some time ago on the podcast about

2701

01:30:55,189 --> 01:30:52,880

you know

2702

01:30:57,110 --> 01:30:55,199

if that sort of alien tech or whatever

2703

01:30:58,790 --> 01:30:57,120

it might be came out and you're like how

2704

01:31:00,070 --> 01:30:58,800

do you how do you even begin to release

2705

01:31:01,750 --> 01:31:00,080

that to the public it's like people

2706

01:31:03,430 --> 01:31:01,760

think that if they came out and said

2707

01:31:05,590 --> 01:31:03,440

we'll reverse engineered a flying saucer

2708

01:31:07,669 --> 01:31:05,600

we can now traverse the galaxy and this

2709

01:31:09,830 --> 01:31:07,679

incredible craft oh great so we don't

2710

01:31:11,350 --> 01:31:09,840

have to fly anymore or drive cars no no

2711

01:31:14,070 --> 01:31:11,360

you still do because we've got one of

2712

01:31:15,990 --> 01:31:14,080

them also how do you reproduce it it

2713

01:31:18,229 --> 01:31:16,000

takes about 15 years and we can make

2714

01:31:20,070 --> 01:31:18,239

another one maybe oh well are you going

2715

01:31:22,070 --> 01:31:20,080

to give this to the public no cause we

2716

01:31:24,149 --> 01:31:22,080

still aren't sure on x y and there's a

2717

01:31:26,550 --> 01:31:24,159

whole conversation same with if you can

2718

01:31:28,149 --> 01:31:26,560

suddenly cure an illness how do you

2719

01:31:30,470 --> 01:31:28,159

decide who gets secured and when they

2720

01:31:32,149 --> 01:31:30,480

get the cure and that there's a whole

2721

01:31:33,590 --> 01:31:32,159

conversation that people don't think of

2722

01:31:35,510 --> 01:31:33,600

that it's just things don't change

2723

01:31:37,110 --> 01:31:35,520

tomorrow you would still go to work you

2724

01:31:40,709 --> 01:31:37,120

would still drive your petrol and diesel

2725

01:31:43,990 --> 01:31:40,719

cars your hybrid cars and yeah it's but

2726
01:31:46,629 --> 01:31:44,000
it's yeah it's a very interesting one um

2727
01:31:48,310 --> 01:31:46,639
question from pit he says joe you've

2728
01:31:50,550 --> 01:31:48,320
said on multiple occasions and

2729
01:31:52,229 --> 01:31:50,560
throughout your blog series that you got

2730
01:31:54,709 --> 01:31:52,239
corroborating information from

2731
01:31:56,149 --> 01:31:54,719
trustworthy but anonymous sources i

2732
01:31:58,790 --> 01:31:56,159
don't want to know about those sources

2733
01:32:00,709 --> 01:31:58,800
names or anything only what even vaguely

2734
01:32:02,390 --> 01:32:00,719
they said and why you consider them

2735
01:32:03,830 --> 01:32:02,400
trustworthy

2736
01:32:05,270 --> 01:32:03,840
yeah and

2737
01:32:06,390 --> 01:32:05,280
i think that person asked me that the

2738
01:32:08,470 --> 01:32:06,400

other day on twitter i don't know if it

2739

01:32:09,669 --> 01:32:08,480

was corroboration of the words i used

2740

01:32:11,750 --> 01:32:09,679

but

2741

01:32:14,470 --> 01:32:11,760

people in a position to know told me

2742

01:32:16,310 --> 01:32:14,480

that the meeting took place so

2743

01:32:18,550 --> 01:32:16,320

and people want me to give more details

2744

01:32:19,990 --> 01:32:18,560

i'm not going to give more details i

2745

01:32:21,990 --> 01:32:20,000

don't want to risk

2746

01:32:23,350 --> 01:32:22,000

adding these people whatsoever so i

2747

01:32:25,110 --> 01:32:23,360

don't want to say

2748

01:32:26,629 --> 01:32:25,120

i just within the last year that

2749

01:32:28,550 --> 01:32:26,639

information came to me and it wasn't

2750

01:32:30,629 --> 01:32:28,560

something i reached out for i wasn't

2751
01:32:33,430 --> 01:32:30,639
asking questions about wilson davis it's

2752
01:32:35,830 --> 01:32:33,440
just they offered up that information um

2753
01:32:36,950 --> 01:32:35,840
how did anybody went lying to you

2754
01:32:38,310 --> 01:32:36,960
say again

2755
01:32:39,990 --> 01:32:38,320
how do you know they weren't lying to

2756
01:32:42,070 --> 01:32:40,000
you let me get advocating here yeah

2757
01:32:44,229 --> 01:32:42,080
that's that's me jud me making a

2758
01:32:45,430 --> 01:32:44,239
judgment call it's not like the only

2759
01:32:48,149 --> 01:32:45,440
thing

2760
01:32:49,590 --> 01:32:48,159
i heard from these folks um

2761
01:32:51,669 --> 01:32:49,600
and i do have

2762
01:32:54,229 --> 01:32:51,679
a pretty good track record

2763
01:32:56,390 --> 01:32:54,239

and as an example one source told me two

2764

01:32:58,310 --> 01:32:56,400
years ago like i said travis taylor

2765

01:33:00,470 --> 01:32:58,320
works for the uap task force didn't use

2766

01:33:01,590 --> 01:33:00,480
the uap task force name

2767

01:33:03,189 --> 01:33:01,600
but

2768

01:33:05,030 --> 01:33:03,199
when i heard that

2769

01:33:06,470 --> 01:33:05,040
knapp was doing something on the chief

2770

01:33:08,229 --> 01:33:06,480
scientist i told people behind the

2771

01:33:11,110 --> 01:33:08,239
scenes i'm like i think that's travis

2772

01:33:13,430 --> 01:33:11,120
taylor that's based on a source so 100

2773

01:33:14,950 --> 01:33:13,440
accurate information um

2774

01:33:16,310 --> 01:33:14,960
new york times is writing an article

2775

01:33:18,870 --> 01:33:16,320
it's going to be on crash retrievals

2776

01:33:20,070 --> 01:33:18,880

accurate sources all accurate uh new

2777

01:33:23,669 --> 01:33:20,080

york times is writing an article in

2778

01:33:26,470 --> 01:33:23,679

2017. got that beforehand accurate so

2779

01:33:27,350 --> 01:33:26,480

i have been lied to before andy though

2780

01:33:30,390 --> 01:33:27,360

and

2781

01:33:32,950 --> 01:33:30,400

came in i'm like this is not true i've

2782

01:33:35,510 --> 01:33:32,960

also been pumped up on the phone with

2783

01:33:37,430 --> 01:33:35,520

really you just explained it was about

2784

01:33:38,629 --> 01:33:37,440

wilson davis and somebody said you just

2785

01:33:40,470 --> 01:33:38,639

and i explained why i thought it was

2786

01:33:42,390 --> 01:33:40,480

legitimate and they said

2787

01:33:44,229 --> 01:33:42,400

your explanation is probably the best

2788

01:33:45,750 --> 01:33:44,239

explanation i've ever heard and i knew

2789

01:33:47,669 --> 01:33:45,760

it wasn't because i didn't really make

2790

01:33:49,110 --> 01:33:47,679

an effort it was just like i just said

2791

01:33:50,950 --> 01:33:49,120

blah blah blah and i was like this

2792

01:33:52,470 --> 01:33:50,960

person is for whatever reason they're

2793

01:33:53,990 --> 01:33:52,480

pumping me up trying to make me feel

2794

01:33:55,669 --> 01:33:54,000

better which is

2795

01:33:58,149 --> 01:33:55,679

i would think that's maybe an intel

2796

01:33:59,270 --> 01:33:58,159

trick you know the people in this world

2797

01:34:01,510 --> 01:33:59,280

um

2798

01:34:03,270 --> 01:34:01,520

so i do pay attention to that and i do

2799

01:34:05,830 --> 01:34:03,280

question things i don't think i was lied

2800

01:34:06,709 --> 01:34:05,840

to but only time will tell so

2801

01:34:07,990 --> 01:34:06,719

um

2802

01:34:09,990 --> 01:34:08,000

you know let's see what gallagher

2803

01:34:12,709 --> 01:34:10,000

uncovers and

2804

01:34:14,790 --> 01:34:12,719

i think i would think if we do

2805

01:34:15,910 --> 01:34:14,800

like say wilson davis they say listen we

2806

01:34:17,590 --> 01:34:15,920

don't care about wilson davis we care

2807

01:34:19,910 --> 01:34:17,600

about the crash retrieval program if

2808

01:34:21,430 --> 01:34:19,920

that is proven i hope people accept i

2809

01:34:23,430 --> 01:34:21,440

would think that maybe eric davis can

2810

01:34:25,510 --> 01:34:23,440

talk about it at that point but i would

2811

01:34:27,030 --> 01:34:25,520

think people would accept

2812

01:34:28,390 --> 01:34:27,040

this was legitimate so it would be

2813

01:34:30,629 --> 01:34:28,400

another source

2814

01:34:32,629 --> 01:34:30,639

that was accurate um but i can't prove

2815

01:34:34,070 --> 01:34:32,639

it i can't prove i wasn't lied to i do

2816

01:34:35,189 --> 01:34:34,080

think about it though it's not like

2817

01:34:36,950 --> 01:34:35,199

don't think about it it's not like i

2818

01:34:39,669 --> 01:34:36,960

hear something's right away

2819

01:34:41,910 --> 01:34:39,679

up that's true 100

2820

01:34:44,149 --> 01:34:41,920

um i had my own opinion before those

2821

01:34:46,629 --> 01:34:44,159

sources told me that so it was just

2822

01:34:48,470 --> 01:34:46,639

it was just confirmation for me not for

2823

01:34:50,070 --> 01:34:48,480

anybody else and i realized i can't tell

2824

01:34:52,629 --> 01:34:50,080

anybody who the sources are so it kind

2825

01:34:53,830 --> 01:34:52,639

of sucks for them um but you're gonna

2826

01:34:55,669 --> 01:34:53,840

we're gonna have to wait and see on this

2827

01:34:57,270 --> 01:34:55,679

one yeah i think with the history of

2828

01:34:59,189 --> 01:34:57,280

this subject and i was saying this to

2829

01:35:01,189 --> 01:34:59,199

some of the the uk guys in a group chat

2830

01:35:03,350 --> 01:35:01,199

just yesterday the day before without

2831

01:35:05,510 --> 01:35:03,360

going into detail like i think it's a

2832

01:35:08,310 --> 01:35:05,520

little bit foolhardy in this subject to

2833

01:35:09,990 --> 01:35:08,320

not at least even with your your hardest

2834

01:35:12,149 --> 01:35:10,000

hardcore beliefs

2835

01:35:14,709 --> 01:35:12,159

depending on sources that you keep that

2836

01:35:16,709 --> 01:35:14,719

one percent back of yeah but what if

2837

01:35:19,510 --> 01:35:16,719

it's not true you know and i've used the

2838

01:35:20,629 --> 01:35:19,520

example i've said before i'm i'm a a fan

2839

01:35:22,629 --> 01:35:20,639

if you want to call it that of louis

2840

01:35:24,390 --> 01:35:22,639

lozando what he's done the work he does

2841

01:35:27,109 --> 01:35:24,400

and and what he's managed to get out

2842

01:35:28,950 --> 01:35:27,119

himself chris mellon and others but

2843

01:35:31,189 --> 01:35:28,960

i think you've got to keep that one

2844

01:35:32,709 --> 01:35:31,199

percent of given the history and nature

2845

01:35:33,669 --> 01:35:32,719

of this subject and what we're talking

2846

01:35:35,750 --> 01:35:33,679

about

2847

01:35:38,310 --> 01:35:35,760

what if it came out tomorrow that they

2848

01:35:39,669 --> 01:35:38,320

were all the sinful guys and you know

2849

01:35:41,270 --> 01:35:39,679

you have to move on and you have to be

2850

01:35:43,270 --> 01:35:41,280

able to do that and

2851
01:35:45,430 --> 01:35:43,280
just have that element of what would be

2852
01:35:47,750 --> 01:35:45,440
next and have that conversation and at

2853
01:35:50,470 --> 01:35:47,760
least understand why other people

2854
01:35:52,229 --> 01:35:50,480
are distrusting or unsure and

2855
01:35:53,990 --> 01:35:52,239
uncomfortable when it comes to sources

2856
01:35:57,270 --> 01:35:54,000
or commitment in the subject because

2857
01:35:58,470 --> 01:35:57,280
there's a long history of of lies and

2858
01:35:59,990 --> 01:35:58,480
myths

2859
01:36:01,510 --> 01:36:00,000
i understand that i do understand it the

2860
01:36:03,030 --> 01:36:01,520
problem i have is when people say well

2861
01:36:05,109 --> 01:36:03,040
they used to work for the dod so they're

2862
01:36:06,709 --> 01:36:05,119
lying it's like no no no no there are

2863
01:36:07,990 --> 01:36:06,719

people who work in the government who

2864

01:36:09,430 --> 01:36:08,000

have had experiences there are people

2865

01:36:11,510 --> 01:36:09,440

who work in the government who have an

2866

01:36:13,990 --> 01:36:11,520

interest in this subject well richard

2867

01:36:16,310 --> 01:36:14,000

doty was a ci counterintelligence agency

2868

01:36:18,550 --> 01:36:16,320

so you know louis lozano is too so

2869

01:36:19,830 --> 01:36:18,560

they're both liars it's like no no no no

2870

01:36:22,149 --> 01:36:19,840

you need to take every case on an

2871

01:36:24,790 --> 01:36:22,159

individual basis um look look when i

2872

01:36:26,629 --> 01:36:24,800

said to you that i'm open to the psyop i

2873

01:36:28,470 --> 01:36:26,639

i leave a little bit open to the psyop

2874

01:36:29,669 --> 01:36:28,480

angle where it's black technology

2875

01:36:32,390 --> 01:36:29,679

they're trying to get out you would have

2876

01:36:35,109 --> 01:36:32,400

not heard that from me a few months ago

2877

01:36:37,030 --> 01:36:35,119

um so i'm trying to keep my mind open to

2878

01:36:38,629 --> 01:36:37,040

everything all possibilities so yeah i

2879

01:36:40,470 --> 01:36:38,639

think that's a great way to look at it

2880

01:36:42,470 --> 01:36:40,480

keep your mind open to the possibility

2881

01:36:44,950 --> 01:36:42,480

you're being fed nonsense although

2882

01:36:46,550 --> 01:36:44,960

people think i'm a believer i'm not um

2883

01:36:47,510 --> 01:36:46,560

but i do have strong opinions on some of

2884

01:36:49,669 --> 01:36:47,520

this stuff

2885

01:36:51,189 --> 01:36:49,679

yeah i've got a pie chart of all my ufo

2886

01:36:53,990 --> 01:36:51,199

interests and everything's in that pie

2887

01:36:55,669 --> 01:36:54,000

chart but in that one percent bracket

2888

01:36:57,669 --> 01:36:55,679

and there's a little other category and

2889

01:36:59,430 --> 01:36:57,679

within that there's the interest in the

2890

01:37:01,030 --> 01:36:59,440

fact that linda moulton how is speaking

2891

01:37:02,950 --> 01:37:01,040

to people who are based as super

2892

01:37:05,510 --> 01:37:02,960

soldiers in antarctica dealing with

2893

01:37:06,790 --> 01:37:05,520

human alien hybrids and there's that oh

2894

01:37:08,709 --> 01:37:06,800

wouldn't it be great if that were true

2895

01:37:10,310 --> 01:37:08,719

but it's probably not but let's just

2896

01:37:11,669 --> 01:37:10,320

park it over there in that other

2897

01:37:13,109 --> 01:37:11,679

category and

2898

01:37:15,669 --> 01:37:13,119

that's great if people want to discuss

2899

01:37:17,750 --> 01:37:15,679

that so um i'm i'm going way off and i

2900

01:37:19,830 --> 01:37:17,760

tangent it now i don't know i i agree

2901

01:37:21,109 --> 01:37:19,840

i'm glad you brought that up i agree i

2902

01:37:23,430 --> 01:37:21,119

love some of the stories she tells in

2903

01:37:25,109 --> 01:37:23,440

some of her sources but it's like

2904

01:37:26,709 --> 01:37:25,119

i need to see some evidence i mean i

2905

01:37:28,470 --> 01:37:26,719

don't hear that anywhere else i mean i

2906

01:37:31,030 --> 01:37:28,480

would that would be the most amazing

2907

01:37:35,030 --> 01:37:31,040

story super soldiers we're going to mars

2908

01:37:37,270 --> 01:37:35,040

we have jump rooms incredible but

2909

01:37:40,790 --> 01:37:37,280

did you ever listen joe to andrew d

2910

01:37:42,550 --> 01:37:40,800

bastianio yes my ex-wife loved him she

2911

01:37:44,470 --> 01:37:42,560

wanted to she wanted him to run for

2912

01:37:46,390 --> 01:37:44,480

president i'm like come on

2913

01:37:48,709 --> 01:37:46,400

right okay so for anyone unaware and

2914

01:37:50,870 --> 01:37:48,719

some of you may be but very quickly

2915

01:37:53,109 --> 01:37:50,880

before i had the podcast and before to

2916

01:37:55,350 --> 01:37:53,119

the stars academy and all that stuff i

2917

01:37:57,270 --> 01:37:55,360

used to watch some of his his lectures

2918

01:38:00,229 --> 01:37:57,280

on youtube and they go for four and five

2919

01:38:03,189 --> 01:38:00,239

hours he speaks so eloquently

2920

01:38:05,350 --> 01:38:03,199

he he never really trips up in his story

2921

01:38:07,669 --> 01:38:05,360

he talks about to very quickly give you

2922

01:38:09,830 --> 01:38:07,679

an idea of how as a child his father was

2923

01:38:12,470 --> 01:38:09,840

involved in the military intelligence

2924

01:38:14,229 --> 01:38:12,480

etc he was about a child prodigy he was

2925

01:38:18,229 --> 01:38:14,239

picked along with others including

2926

01:38:19,910 --> 01:38:18,239

barack obama um as children to jump and

2927

01:38:21,990 --> 01:38:19,920

these special jump rooms across the

2928

01:38:23,750 --> 01:38:22,000

states they've jumped to mars they've

2929

01:38:25,510 --> 01:38:23,760

traveled back in time you know birth of

2930

01:38:27,109 --> 01:38:25,520

christ all that kind of stuff

2931

01:38:29,430 --> 01:38:27,119

and that he was

2932

01:38:31,270 --> 01:38:29,440

picked to be president but each time a

2933

01:38:33,669 --> 01:38:31,280

presidential election came on something

2934

01:38:35,990 --> 01:38:33,679

happened that the timeline shifted and

2935

01:38:37,270 --> 01:38:36,000

it moved along um

2936

01:38:38,550 --> 01:38:37,280

something weird happened though that in

2937

01:38:39,910 --> 01:38:38,560

the last couple of years apparently i

2938

01:38:42,229 --> 01:38:39,920

don't know how true this is he's kind of

2939

01:38:43,510 --> 01:38:42,239

gone away and he lost his eyesight and

2940

01:38:44,390 --> 01:38:43,520

went blind

2941

01:38:46,149 --> 01:38:44,400

but

2942

01:38:47,669 --> 01:38:46,159

i don't know if that's that's correct or

2943

01:38:49,030 --> 01:38:47,679

not just the guy who runs his facebook

2944

01:38:51,990 --> 01:38:49,040

page and it's

2945

01:38:53,990 --> 01:38:52,000

it was always for me a great wow what if

2946

01:38:55,750 --> 01:38:54,000

that was even partly true

2947

01:38:57,830 --> 01:38:55,760

but until barack obama comes out and

2948

01:38:59,109 --> 01:38:57,840

goes oh that's my friend andy bastiago

2949

01:39:00,709 --> 01:38:59,119

and yeah i remember him from the jump

2950

01:39:02,629 --> 01:39:00,719

rooms back on mars

2951

01:39:04,629 --> 01:39:02,639

then it's always just going to be that

2952

01:39:06,149 --> 01:39:04,639

story but yeah totally digressing but

2953

01:39:07,590 --> 01:39:06,159

that kind of stuff used to really

2954

01:39:09,830 --> 01:39:07,600

interest me but

2955

01:39:12,629 --> 01:39:09,840

just as a guilty pleasure

2956

01:39:14,950 --> 01:39:12,639

look this is my barack obama uh look uh

2957

01:39:17,510 --> 01:39:14,960

andy and i went we went to mars together

2958

01:39:21,510 --> 01:39:17,520

uh look uh we had a great time and uh

2959

01:39:23,030 --> 01:39:21,520

hillary was my vice president on mars so

2960

01:39:24,229 --> 01:39:23,040

yeah i hope it it'll be a great story

2961

01:39:26,470 --> 01:39:24,239

and it would be great if it was true i

2962

01:39:28,149 --> 01:39:26,480

hope we have jump rooms but you know

2963

01:39:29,669 --> 01:39:28,159

we don't have we have to leave that like

2964

01:39:31,189 --> 01:39:29,679

you said in the other bin and hopefully

2965

01:39:32,950 --> 01:39:31,199

one day you know we're totally blown

2966

01:39:35,350 --> 01:39:32,960

away and said what a bunch of idiots who

2967

01:39:37,510 --> 01:39:35,360

were we thought andy randy kramer and

2968

01:39:39,109 --> 01:39:37,520

and andrew passaggio or and there's

2969

01:39:40,870 --> 01:39:39,119

another there's so many other guys like

2970

01:39:42,229 --> 01:39:40,880

that too there's a corey good all those

2971

01:39:43,590 --> 01:39:42,239

folks i think he was one of those guys

2972

01:39:45,669 --> 01:39:43,600

too that talked about a jump room right

2973

01:39:47,270 --> 01:39:45,679

or no yeah some something along those

2974

01:39:48,790 --> 01:39:47,280

lines yeah i should not either that name

2975

01:39:50,950 --> 01:39:48,800

i'm sorry i'm sorry

2976

01:39:52,550 --> 01:39:50,960

nah you've invoked the name um but maybe

2977

01:39:55,189 --> 01:39:52,560

that'll be page 18 of the memo when that

2978

01:39:57,189 --> 01:39:55,199

comes out one day a question from phil

2979

01:39:58,709 --> 01:39:57,199

phil asks i wonder whether there is a

2980

01:40:01,030 --> 01:39:58,719

connection between the memo and

2981

01:40:02,950 --> 01:40:01,040

skinwalker ranch as bob bigelow is

2982

01:40:04,950 --> 01:40:02,960

strangely and intimately tied to both

2983

01:40:07,669 --> 01:40:04,960

any thoughts i don't know if bigelow is

2984

01:40:09,830 --> 01:40:07,679

really tied to this i mean because

2985

01:40:12,310 --> 01:40:09,840

he like no and eric davis was not

2986

01:40:13,750 --> 01:40:12,320

working for nids at the time like i said

2987

01:40:14,950 --> 01:40:13,760

um

2988

01:40:16,629 --> 01:40:14,960

the more

2989

01:40:17,669 --> 01:40:16,639

interesting thing is to figure out who

2990

01:40:19,030 --> 01:40:17,679

marriott

2991

01:40:20,790 --> 01:40:19,040

i don't know as far as skinwalker i

2992

01:40:22,629 --> 01:40:20,800

don't know of any tai um

2993

01:40:23,430 --> 01:40:22,639

the most interesting person in this in

2994

01:40:26,229 --> 01:40:23,440

this

2995

01:40:28,310 --> 01:40:26,239

document is mary elliott um

2996

01:40:30,390 --> 01:40:28,320

nobody knows i've asked i have gotten a

2997

01:40:32,470 --> 01:40:30,400

big sorry can't tell you anything about

2998

01:40:34,790 --> 01:40:32,480

her um there was a

2999

01:40:36,310 --> 01:40:34,800

a researcher who think she figured

3000

01:40:37,990 --> 01:40:36,320

thought she figured out who she was and

3001

01:40:40,229 --> 01:40:38,000

what aerospace company she was connected

3002

01:40:42,870 --> 01:40:40,239

to but i was told that was incorrect

3003

01:40:45,270 --> 01:40:42,880

um if people remember brit on twitter

3004

01:40:47,669 --> 01:40:45,280

so i don't know but mary elizabeth

3005

01:40:49,910 --> 01:40:47,679

elliott and the trw story i think it's

3006

01:40:51,510 --> 01:40:49,920

crash retrieval related um it's the

3007

01:40:54,070 --> 01:40:51,520

biggest mystery i've not been able to

3008

01:40:56,390 --> 01:40:54,080

find anything her her lawyer jeffrey

3009

01:40:58,390 --> 01:40:56,400

griffith he's been on some you know some

3010

01:41:00,870 --> 01:40:58,400

ufo related websites making comments but

3011

01:41:02,629 --> 01:41:00,880

not related to that so possibly is that

3012

01:41:04,709 --> 01:41:02,639

an alias that was used to suddenly him

3013

01:41:06,550 --> 01:41:04,719

you know i don't think i was not told it

3014

01:41:09,910 --> 01:41:06,560

was an alias i was just told sorry i

3015

01:41:12,149 --> 01:41:09,920

cannot tell you anything about her um so

3016

01:41:14,070 --> 01:41:12,159

what is so secret is it it's got to be

3017

01:41:17,030 --> 01:41:14,080

crash retrieval related if it's that

3018

01:41:19,270 --> 01:41:17,040

secret it just says it says

3019

01:41:21,590 --> 01:41:19,280

wilson says mary elliott sounds like the

3020

01:41:23,270 --> 01:41:21,600

real deal based on her info and behavior

3021

01:41:25,830 --> 01:41:23,280

with her attorney

3022

01:41:28,870 --> 01:41:25,840

probably will only come totally clean on

3023

01:41:30,470 --> 01:41:28,880

her deathbed 30 years from now it's like

3024

01:41:33,109 --> 01:41:30,480

what is that that's for me that's the

3025

01:41:34,790 --> 01:41:33,119

biggest mystery of this document um

3026

01:41:36,870 --> 01:41:34,800

i don't know how to find out about her

3027

01:41:38,709 --> 01:41:36,880

like i said i asked somebody who might

3028

01:41:40,870 --> 01:41:38,719

know and it was like sorry

3029

01:41:43,430 --> 01:41:40,880

can't tell you anything

3030

01:41:46,390 --> 01:41:43,440

except i was told the person

3031

01:41:48,709 --> 01:41:46,400

who brit found who she thought was mary

3032

01:41:51,350 --> 01:41:48,719

elliott was not the person

3033

01:41:53,030 --> 01:41:51,360

whether or not i was lied to to cover up

3034

01:41:54,870 --> 01:41:53,040

this you know that brit was accurate i

3035

01:41:56,629 --> 01:41:54,880

don't know and i told brit that i'm like

3036

01:41:57,830 --> 01:41:56,639

maybe my information is a lie i don't

3037

01:41:58,629 --> 01:41:57,840

know but that's what i that's what i

3038

01:42:00,870 --> 01:41:58,639

have

3039

01:42:02,310 --> 01:42:00,880

bro kind of came and went disappeared i

3040

01:42:03,510 --> 01:42:02,320

don't know where she went yeah yeah

3041

01:42:05,669 --> 01:42:03,520

there was a whole story there but we

3042

01:42:06,390 --> 01:42:05,679

won't go into another story yeah yeah

3043

01:42:10,550 --> 01:42:06,400

yeah

3044

01:42:12,950 --> 01:42:10,560

third eye asks the question i want to

3045

01:42:14,629 --> 01:42:12,960

know why uh joe thinks we're being kept

3046

01:42:16,709 --> 01:42:14,639

in the dark about this why can we not be

3047

01:42:18,629 --> 01:42:16,719

told the truth in your view what is it

3048

01:42:21,109 --> 01:42:18,639

we can't be told why can't we have the

3049

01:42:23,109 --> 01:42:21,119

basics at least

3050

01:42:24,790 --> 01:42:23,119

yeah um there's so many possibilities

3051

01:42:26,229 --> 01:42:24,800

one it doesn't exist so there is no

3052

01:42:27,830 --> 01:42:26,239

truth two

3053

01:42:29,669 --> 01:42:27,840

it's all technology you know they don't

3054

01:42:31,430 --> 01:42:29,679

want to let this technology out and they

3055

01:42:33,430 --> 01:42:31,440

want to milk it for as much money as

3056

01:42:35,830 --> 01:42:33,440

possible and you know my opinions are

3057

01:42:39,189 --> 01:42:35,840

all across the board i don't know um

3058

01:42:41,030 --> 01:42:39,199

three the story is so ridiculously

3059

01:42:43,030 --> 01:42:41,040

unsettling that they just don't feel

3060

01:42:43,910 --> 01:42:43,040

they can tell the general public without

3061

01:42:45,350 --> 01:42:43,920

total

3062

01:42:47,510 --> 01:42:45,360

you know

3063

01:42:48,629 --> 01:42:47,520

people panicking and louis elizondo has

3064

01:42:50,149 --> 01:42:48,639

said well

3065

01:42:51,830 --> 01:42:50,159

you know we've had disclosure the

3066

01:42:53,590 --> 01:42:51,840

government's telling you the uap are

3067

01:42:54,790 --> 01:42:53,600

real people haven't freaked out i'm like

3068

01:42:57,350 --> 01:42:54,800

first of all

3069

01:42:59,189 --> 01:42:57,360

the general the masses have not accepted

3070

01:43:00,709 --> 01:42:59,199

that this is real number two

3071

01:43:02,470 --> 01:43:00,719

just because there are craft in the sky

3072

01:43:04,629 --> 01:43:02,480

the backstory has not been explained if

3073

01:43:06,390 --> 01:43:04,639

the backstory has anything with to do

3074

01:43:07,910 --> 01:43:06,400

with humans being manipulated by

3075

01:43:09,830 --> 01:43:07,920

something non-human or something that's

3076

01:43:11,669 --> 01:43:09,840

above us in the food chain people aren't

3077

01:43:12,629 --> 01:43:11,679

going to be able to accept that easily

3078

01:43:14,870 --> 01:43:12,639

um

3079

01:43:17,030 --> 01:43:14,880

what other reasons why you know there's

3080

01:43:18,629 --> 01:43:17,040

a there's a kit green quote in the alien

3081

01:43:20,790 --> 01:43:18,639

autopsy email

3082

01:43:22,870 --> 01:43:20,800

um he talks about some of the pictures

3083

01:43:24,550 --> 01:43:22,880

he was shown before the alien autopsy

3084

01:43:26,550 --> 01:43:24,560

video came out that he says match the

3085

01:43:29,270 --> 01:43:26,560

alien autopsy he says the people in

3086

01:43:30,629 --> 01:43:29,280

charge just don't think we we deserve to

3087

01:43:33,510 --> 01:43:30,639

know the truth you know we're more

3088

01:43:35,830 --> 01:43:33,520

worried about football on sunday um you

3089

01:43:37,830 --> 01:43:35,840

know in celebrities we can't handle we

3090

01:43:39,430 --> 01:43:37,840

can't even understand how important this

3091

01:43:41,830 --> 01:43:39,440

is so we should not be told the truth

3092

01:43:43,750 --> 01:43:41,840

and it's like you look at society and

3093

01:43:46,310 --> 01:43:43,760

it's like they might have a point there

3094

01:43:48,950 --> 01:43:46,320

because most people care more about kim

3095

01:43:50,790 --> 01:43:48,960

kardashian than they do about ufos we

3096

01:43:52,229 --> 01:43:50,800

can't it's still a problem andy we still

3097

01:43:55,910 --> 01:43:52,239

can't get the masses interested i mean i

3098

01:43:57,669 --> 01:43:55,920

know it's changing but it's very slow um

3099

01:43:59,669 --> 01:43:57,679

so there's a lot of possibilities

3100

01:44:01,990 --> 01:43:59,679

i i mentioned jokingly johnny depp

3101
01:44:04,709 --> 01:44:02,000
earlier and his mega pint but i remember

3102
01:44:06,629 --> 01:44:04,719
when the hearings were on on live

3103
01:44:08,870 --> 01:44:06,639
i think someone commented how there were

3104
01:44:11,750 --> 01:44:08,880
40 000 views at the time on that

3105
01:44:13,590 --> 01:44:11,760
particular channel and that's so many

3106
01:44:15,910 --> 01:44:13,600
more than normally that channel gets and

3107
01:44:17,189 --> 01:44:15,920
wow isn't this amazing and i said yeah

3108
01:44:18,790 --> 01:44:17,199
but at the same time there were four

3109
01:44:20,390 --> 01:44:18,800
million people watching johnny depp

3110
01:44:22,229 --> 01:44:20,400
versus amber heard

3111
01:44:23,910 --> 01:44:22,239
i was in the kitchen watching on youtube

3112
01:44:26,229 --> 01:44:23,920
the congressional hearing my wife was in

3113
01:44:28,229 --> 01:44:26,239

my sitting room living room watching

3114

01:44:29,590 --> 01:44:28,239

court courtroom tv with johnny depp and

3115

01:44:31,430 --> 01:44:29,600

amber heard and she had no interest in

3116

01:44:32,550 --> 01:44:31,440

the us stuff i was telling her other

3117

01:44:35,109 --> 01:44:32,560

they're talking about roswell they've

3118

01:44:36,790 --> 01:44:35,119

mentioned crashes and metamaterials and

3119

01:44:38,229 --> 01:44:36,800

all this stuff and she was like all

3120

01:44:40,070 --> 01:44:38,239

right yeah but listen to this lawyer

3121

01:44:42,229 --> 01:44:40,080

this guy's funny and it's that's not a

3122

01:44:43,990 --> 01:44:42,239

slight on my wife but no that's just

3123

01:44:46,310 --> 01:44:44,000

where the general populace are at with

3124

01:44:48,550 --> 01:44:46,320

this conversation still that those two

3125

01:44:50,870 --> 01:44:48,560

conversations could be happening and

3126

01:44:52,390 --> 01:44:50,880

it's infinitely more popular as to

3127

01:44:55,030 --> 01:44:52,400

what's happening between

3128

01:44:57,430 --> 01:44:55,040

jack sparrow and aquaman's girlfriend

3129

01:44:59,270 --> 01:44:57,440

and i and i made an effort not to watch

3130

01:45:01,830 --> 01:44:59,280

it i mean i think i tuned in one day for

3131

01:45:03,990 --> 01:45:01,840

a minute and like turn it off and i love

3132

01:45:06,149 --> 01:45:04,000

i love courtroom legal stuff but on this

3133

01:45:08,149 --> 01:45:06,159

one i'm like no no there's too much

3134

01:45:09,590 --> 01:45:08,159

other stuff going on like you said so

3135

01:45:11,350 --> 01:45:09,600

it's a little depressing and you know my

3136

01:45:12,950 --> 01:45:11,360

family is still i've had some bites here

3137

01:45:14,229 --> 01:45:12,960

and there i've had people at work say

3138

01:45:16,070 --> 01:45:14,239

yeah i'm interested send me stuff and

3139

01:45:17,189 --> 01:45:16,080

then i send them they're like thanks

3140

01:45:19,350 --> 01:45:17,199

nothing else they don't want to hear

3141

01:45:21,030 --> 01:45:19,360

from me again um i've had that happen

3142

01:45:22,709 --> 01:45:21,040

several times

3143

01:45:24,629 --> 01:45:22,719

joe i'm going to finish off with a

3144

01:45:26,149 --> 01:45:24,639

negative question but just to be fair

3145

01:45:29,189 --> 01:45:26,159

and address the balance of everything as

3146

01:45:30,629 --> 01:45:29,199

well this was from uh area 503 who was

3147

01:45:32,550 --> 01:45:30,639

having a little bit of a troll i think

3148

01:45:34,470 --> 01:45:32,560

on the twitter feed but i'm going to ask

3149

01:45:37,109 --> 01:45:34,480

this to cover all the bases i know you

3150

01:45:38,790 --> 01:45:37,119

won't mind i never do that's fine joe

3151

01:45:40,790 --> 01:45:38,800

why would you dive into a document that

3152

01:45:42,709 --> 01:45:40,800

has been proven to be entirely false

3153

01:45:44,470 --> 01:45:42,719

save your time admiral wilson has

3154

01:45:46,550 --> 01:45:44,480

categorically denied this meeting took

3155

01:45:48,229 --> 01:45:46,560

place and even stated i would not know

3156

01:45:50,470 --> 01:45:48,239

eric davis if he walked up to me and

3157

01:45:51,910 --> 01:45:50,480

said hi

3158

01:45:53,430 --> 01:45:51,920

you know it's like

3159

01:45:54,950 --> 01:45:53,440

and when i was when i was working on the

3160

01:45:57,750 --> 01:45:54,960

document where i wasn't sure if it was

3161

01:45:59,990 --> 01:45:57,760

realized i dove in um

3162

01:46:02,709 --> 01:46:00,000

i had an experience where i worked on an

3163

01:46:04,870 --> 01:46:02,719

article i'm a really not not as big as

3164

01:46:07,109 --> 01:46:04,880

this one but i worked on an article

3165

01:46:09,270 --> 01:46:07,119

where i came to a conclusion i thought i

3166

01:46:12,390 --> 01:46:09,280

was the only one that knew this and when

3167

01:46:15,030 --> 01:46:12,400

it turned out i was wrong and it was

3168

01:46:17,750 --> 01:46:15,040

such a kick to the gut and it was

3169

01:46:19,910 --> 01:46:17,760

related to sports and a rape case

3170

01:46:21,669 --> 01:46:19,920

um so when i was and it was it was

3171

01:46:23,990 --> 01:46:21,679

definitely it hurt me because i was like

3172

01:46:25,590 --> 01:46:24,000

my god you were delusional to think that

3173

01:46:27,750 --> 01:46:25,600

you were right about this and nobody

3174

01:46:29,030 --> 01:46:27,760

else in the world knew except you this

3175

01:46:31,109 --> 01:46:29,040

is a little different obviously because

3176

01:46:33,350 --> 01:46:31,119

i have sources but still along the way

3177

01:46:34,950 --> 01:46:33,360

as i was working on it i'm like what if

3178

01:46:38,229 --> 01:46:34,960

this is happening again you made this

3179

01:46:39,750 --> 01:46:38,239

mistake one time you were so obsessed by

3180

01:46:41,830 --> 01:46:39,760

this you couldn't see

3181

01:46:43,590 --> 01:46:41,840

the truth maybe this is what's going on

3182

01:46:45,430 --> 01:46:43,600

here um

3183

01:46:47,910 --> 01:46:45,440

so yeah i did think about that um it

3184

01:46:49,669 --> 01:46:47,920

took me a long time to finally you know

3185

01:46:50,550 --> 01:46:49,679

form my opinion on this and one thing i

3186

01:46:52,950 --> 01:46:50,560

say

3187

01:46:54,870 --> 01:46:52,960

i'm friends with eric davis

3188

01:46:56,790 --> 01:46:54,880

he knew i was working on this document

3189

01:46:59,669 --> 01:46:56,800

or this mega blog

3190

01:47:01,189 --> 01:46:59,679

not once did he ever say hey

3191

01:47:02,470 --> 01:47:01,199

don't waste your time

3192

01:47:03,990 --> 01:47:02,480

um

3193

01:47:06,709 --> 01:47:04,000

he's also never denied it and that's a

3194

01:47:08,790 --> 01:47:06,719

big deal it's a big deal to me um that's

3195

01:47:10,229 --> 01:47:08,800

not evidence of anything you know but i

3196

01:47:11,750 --> 01:47:10,239

consider him a friend a pretty good

3197

01:47:14,070 --> 01:47:11,760

friend as far as an internet friend

3198

01:47:17,030 --> 01:47:14,080

we've only spoken on the phone once um i

3199

01:47:17,910 --> 01:47:17,040

would think he would say like you know

3200

01:47:21,669 --> 01:47:17,920

just

3201

01:47:24,629 --> 01:47:21,679

how he knew i was working night and day

3202

01:47:26,470 --> 01:47:24,639

on it so never told me stop he did give

3203

01:47:28,470 --> 01:47:26,480

me a quote for it related to edgar

3204

01:47:29,830 --> 01:47:28,480

mitchell you know and which i i talked

3205

01:47:30,790 --> 01:47:29,840

about before how it leaked from his

3206

01:47:32,229 --> 01:47:30,800

estate

3207

01:47:36,790 --> 01:47:32,239

um

3208

01:47:38,709 --> 01:47:36,800

wilson's denials will always give me

3209

01:47:41,510 --> 01:47:38,719

pause because they're really really

3210

01:47:43,830 --> 01:47:41,520

strong um i don't know even if wilson

3211

01:47:45,189 --> 01:47:43,840

was given immunity i don't know what's

3212

01:47:47,750 --> 01:47:45,199

going through his mind if he would still

3213

01:47:49,430 --> 01:47:47,760

deny it but like i said he is not the

3214

01:47:51,270 --> 01:47:49,440

important part here these documents are

3215

01:47:53,109 --> 01:47:51,280

great for discussion i love them they're

3216

01:47:54,870 --> 01:47:53,119

not the important part of the story

3217

01:47:56,310 --> 01:47:54,880

let's see if we ever get information

3218

01:47:57,750 --> 01:47:56,320

from people who worked in these programs

3219

01:48:00,310 --> 01:47:57,760

that's the most important thing get em

3220

01:48:02,870 --> 01:48:00,320

immunity um and if people don't believe

3221

01:48:04,390 --> 01:48:02,880

this is legitimate that's fine um

3222

01:48:06,629 --> 01:48:04,400

it's kind of a waste of time to argue at

3223

01:48:07,669 --> 01:48:06,639

this point um early on you probably

3224

01:48:10,790 --> 01:48:07,679

would have

3225

01:48:13,189 --> 01:48:10,800

maybe think twice now i don't but i

3226

01:48:15,590 --> 01:48:13,199

understand people are skeptical that

3227

01:48:19,109 --> 01:48:15,600

you know that that's not a totally rare

3228

01:48:20,950 --> 01:48:19,119

opinion what you just read to me um

3229

01:48:24,310 --> 01:48:20,960

whether or not i wasted this much time

3230

01:48:27,830 --> 01:48:26,470

joe i think you've nicely wrapped up the

3231

01:48:29,910 --> 01:48:27,840

what i was going to ask you to do at the

3232

01:48:32,149 --> 01:48:29,920

end anyway thank you very much for your

3233

01:48:33,590 --> 01:48:32,159

time in this inaugural deep dive episode

3234

01:48:34,950 --> 01:48:33,600

i think rather than timeline it's been

3235

01:48:37,590 --> 01:48:34,960

more of a deep dive and that's a better

3236

01:48:39,590 --> 01:48:37,600

like anyone i don't always agree with

3243

01:48:53,510 --> 01:48:51,119

you on twitter but i enjoy the way you

3244

01:48:55,030 --> 01:48:53,520

engage with folks and how active you are

3245

01:48:57,030 --> 01:48:55,040
