9
00:00:31,429 --> 00:00:29,119
grant welcome back to the podcast thank

10
00:00:33,430 --> 00:00:31,439

i'm very glad to have you a very popular

12
00:00:36,950 --> 00:00:35,040
guest and as soon as i said you were

13
00:00:38,709 --> 00:00:36,960

coming back on people were asking me

14

00:00:40,869 --> 00:00:38,719

when it was going to be released already

15

00:00:43,510 --> 00:00:40,879

so this is one folks are definitely

16

00:00:46,310 --> 00:00:43,520

looking forward to um grant the last

17

00:00:47,670 --> 00:00:46,320

time we spoke it was may 2021 for anyone

18

00:00:49,350 --> 00:00:47,680

who's not heard that they can go back

19

00:00:51,910 --> 00:00:49,360

and check that one out

20

00:00:54,470 --> 00:00:51,920

at the time the uap task force report

21

00:00:57,029 --> 00:00:54,480

was on the horizon a lot has happened

22

00:00:59,110 --> 00:00:57,039

since then in the year since that report

23

00:01:01,830 --> 00:00:59,120

was released what for you has stood out

24

00:01:03,990 --> 00:01:01,840

as being real progress in the disclosure

25

00:01:05,750 --> 00:01:04,000

movement

26

00:01:07,109 --> 00:01:05,760

well first of all i guess i could point

27

00:01:08,950 --> 00:01:07,119

out that the fact that it's even

28

00:01:10,950 --> 00:01:08,960

happening i mean i'm i've been in this

29

00:01:14,070 --> 00:01:10,960

since 1975

30

00:01:15,990 --> 00:01:14,080

and i never in my wildest dreams ever

31

00:01:17,590 --> 00:01:16,000

believed this would happen i remember i

32

00:01:19,910 --> 00:01:17,600

tell the story that i was at an x

33

00:01:21,510 --> 00:01:19,920

conference run by steve bassett a number

34

00:01:22,710 --> 00:01:21,520

of years back

35

00:01:24,950 --> 00:01:22,720

and at the end of the conference they

36

00:01:27,350 --> 00:01:24,960

had a panel we were all sitting on the

37

00:01:28,710 --> 00:01:27,360

stage and they were taking questions

38

00:01:30,870 --> 00:01:28,720

from the audience and one of the

39

00:01:32,870 --> 00:01:30,880

audience people asked when do you think

40

00:01:34,710 --> 00:01:32,880

disclosure is going to take place so the

41

00:01:37,350 --> 00:01:34,720

first person said oh six months next

42

00:01:38,710 --> 00:01:37,360

person said a year whatever and it came

43

00:01:40,469 --> 00:01:38,720

to me and i said

44

00:01:42,230 --> 00:01:40,479

2042

45

00:01:43,749 --> 00:01:42,240

and i remember steve bassett's face just

46

00:01:46,069 --> 00:01:43,759

dropped he's like how could you possibly

47

00:01:47,910 --> 00:01:46,079

say this i never ever believed this

48

00:01:50,950 --> 00:01:47,920

would happen not not in a million years

49

00:01:54,069 --> 00:01:50,960

i i i even wrote an article

50

00:01:55,670 --> 00:01:54,079

back in 2009 the 64 reasons why the

51
00:01:57,590 --> 00:01:55,680
government decided not to tell you the

52
00:01:59,670 --> 00:01:57,600
truth so i'm

53
00:02:01,910 --> 00:01:59,680
somewhat surprised

54
00:02:04,069 --> 00:02:01,920
i first learned about this in 2016 that

55
00:02:05,429 --> 00:02:04,079
this was going to happen before anything

56
00:02:07,350 --> 00:02:05,439
ever happened

57
00:02:08,869 --> 00:02:07,360
i was in contact with chris bledsoe and

58
00:02:11,270 --> 00:02:08,879
i was in contact with a guy out of

59
00:02:13,830 --> 00:02:11,280
philadelphia who were both

60
00:02:16,070 --> 00:02:13,840
on the inside of what was going on

61
00:02:17,990 --> 00:02:16,080
and i knew then that they were going to

62
00:02:19,990 --> 00:02:18,000
drop this thing and they were referring

63
00:02:21,830 --> 00:02:20,000

to at that time what was called the big

64

00:02:24,309 --> 00:02:21,840

man in washington and that was jim

65

00:02:25,990 --> 00:02:24,319

semivan so jim semivan was basically

66

00:02:28,869 --> 00:02:26,000

behind this he's now admitted this i

67

00:02:30,550 --> 00:02:28,879

have it in my 2017 book called managing

68

00:02:31,910 --> 00:02:30,560

magic i'm the first to bring up jim

69

00:02:33,350 --> 00:02:31,920

semivan's name

70

00:02:34,309 --> 00:02:33,360

and the fact that he was this major

71

00:02:36,470 --> 00:02:34,319

figure

72

00:02:38,790 --> 00:02:36,480

and he has now stated that he went to

73

00:02:40,630 --> 00:02:38,800

all the intelligence agencies

74

00:02:42,869 --> 00:02:40,640

uh the head of all the intelligence

75

00:02:44,630 --> 00:02:42,879

agencies said and said to them

76

00:02:46,630 --> 00:02:44,640

you guys can't get this out

77

00:02:47,990 --> 00:02:46,640

um we're going public with this thing

78

00:02:50,630 --> 00:02:48,000

we're gonna take it we're gonna we're

79

00:02:53,030 --> 00:02:50,640

gonna drop this thing and the apparently

80

00:02:54,949 --> 00:02:53,040

according to jim semivan all the

81

00:02:57,030 --> 00:02:54,959

heads of the intelligence agencies said

82

00:02:58,390 --> 00:02:57,040

yeah okay go ahead and keep us posted

83

00:02:59,910 --> 00:02:58,400

and he said we're not gonna drop any

84

00:03:04,149 --> 00:02:59,920

classified material

85

00:03:06,149 --> 00:03:04,159

so what happened was that jim semivan

86

00:03:07,589 --> 00:03:06,159

uh they had been in contact with uh

87

00:03:09,589 --> 00:03:07,599

louis lozando

88

00:03:11,589 --> 00:03:09,599

and uh tom delong

89

00:03:13,350 --> 00:03:11,599

and as i always point out that people

90

00:03:15,670 --> 00:03:13,360

think well you know this just sort of

91

00:03:18,949 --> 00:03:15,680

accidentally happened uh but you gotta

92

00:03:20,949 --> 00:03:18,959

remember that leslie kane was notified

93

00:03:24,070 --> 00:03:20,959

at the new york times that this was

94

00:03:25,270 --> 00:03:24,080

going to happen and lu elizondo resigned

95

00:03:26,630 --> 00:03:25,280

in the morning

96

00:03:28,789 --> 00:03:26,640

and uh

97

00:03:30,470 --> 00:03:28,799

leslie kane was there in the afternoon

98

00:03:32,630 --> 00:03:30,480

with the new york times

99

00:03:33,910 --> 00:03:32,640

and so now he's retired that's the one

100

00:03:35,430 --> 00:03:33,920

of the things you gotta remember is that

101
00:03:37,990 --> 00:03:35,440
the people who are pushing this issue

102
00:03:39,350 --> 00:03:38,000
are former they're retired people they

103
00:03:41,509 --> 00:03:39,360
don't have to really worry about their

104
00:03:43,430 --> 00:03:41,519
jobs and stuff like that so leslie kane

105
00:03:47,030 --> 00:03:43,440
was in there uh hal put off was in the

106
00:03:48,630 --> 00:03:47,040
meeting um um jim semivan was in the

107
00:03:49,589 --> 00:03:48,640
meeting and there was a contractor in

108
00:03:52,229 --> 00:03:49,599
the meeting i'm not sure who the

109
00:03:53,509 --> 00:03:52,239
contractor was but this this was all

110
00:03:55,509 --> 00:03:53,519
planned and then that's when the new

111
00:03:57,030 --> 00:03:55,519
york times dropped the story and if

112
00:03:59,270 --> 00:03:57,040
you've listened to george knapp he knew

113
00:04:02,070 --> 00:03:59,280

the story was coming i heard stories and

114

00:04:04,869 --> 00:04:02,080

the story was coming there was even um i

115

00:04:06,470 --> 00:04:04,879

i did some postings i did some youtube

116

00:04:09,190 --> 00:04:06,480

analysis on this

117

00:04:10,949 --> 00:04:09,200

a couple of years back and i even showed

118

00:04:13,110 --> 00:04:10,959

that um at the very end people were

119

00:04:15,190 --> 00:04:13,120

saying well tom delong is full of it

120

00:04:17,430 --> 00:04:15,200

this is this garbage i mean he's just

121

00:04:19,349 --> 00:04:17,440

making up another story and remember two

122

00:04:21,110 --> 00:04:19,359

days before the actual new york times

123

00:04:23,670 --> 00:04:21,120

article dropped

124

00:04:26,070 --> 00:04:23,680

uh tom delong actually posted on twitter

125

00:04:28,230 --> 00:04:26,080

i think it was and said another delay

126

00:04:29,749 --> 00:04:28,240

ugh like he even he was starting to

127

00:04:32,469 --> 00:04:29,759

believe it wasn't gonna it wasn't gonna

128

00:04:34,950 --> 00:04:32,479

happen so when they dropped this in 2017

129

00:04:37,749 --> 00:04:34,960

this was all planned uh this is all

130

00:04:40,310 --> 00:04:37,759

orchestrated by this group of people

131

00:04:41,990 --> 00:04:40,320

uh louis lozando melon

132

00:04:44,950 --> 00:04:42,000

and melon didn't even believe and melon

133

00:04:46,390 --> 00:04:44,960

was on a broadcast with me in 2016 on

134

00:04:48,469 --> 00:04:46,400

coast to coast i was on the first two

135

00:04:50,629 --> 00:04:48,479

hours he was on the third hour he came

136

00:04:52,310 --> 00:04:50,639

on after me and said no i don't believe

137

00:04:53,590 --> 00:04:52,320

that there if there was a ufo cover up i

138

00:04:55,430 --> 00:04:53,600

would have known about it i don't

139

00:04:58,790 --> 00:04:55,440

believe it's happening and stuff so he

140

00:05:00,469 --> 00:04:58,800

was only read in recently and uh he

141

00:05:02,150 --> 00:05:00,479

joined the team and you have this this

142

00:05:04,550 --> 00:05:02,160

team of people who decided it was time

143

00:05:06,950 --> 00:05:04,560

to get it out so it's very positive that

144

00:05:08,550 --> 00:05:06,960

we've finally gotten to the point where

145

00:05:10,950 --> 00:05:08,560

we've gotten over that hump

146

00:05:12,710 --> 00:05:10,960

all the years that i've been in this

147

00:05:14,310 --> 00:05:12,720

i've always referred to it as the rodney

148

00:05:15,909 --> 00:05:14,320

dangerfield and i don't know it's sort

149

00:05:17,830 --> 00:05:15,919

of a newer audience i don't know but

150

00:05:19,110 --> 00:05:17,840

people knew rodney dangerfield was he

151

00:05:21,350 --> 00:05:19,120

was always this guy that always felt

152

00:05:22,310 --> 00:05:21,360

everybody was against them and uh you

153

00:05:24,710 --> 00:05:22,320

know

154

00:05:26,469 --> 00:05:24,720

i'm so unlucky and i call this the

155

00:05:28,150 --> 00:05:26,479

rodney dangerfield of the of the

156

00:05:29,270 --> 00:05:28,160

scientific community it was like you

157

00:05:31,110 --> 00:05:29,280

could talk about anything in science but

158

00:05:32,950 --> 00:05:31,120

don't talk about ufos because people

159

00:05:35,510 --> 00:05:32,960

will just they will have no respect for

160

00:05:36,629 --> 00:05:35,520

you but what this disclosure initiative

161

00:05:39,029 --> 00:05:36,639

has done

162

00:05:40,629 --> 00:05:39,039

uh has not released so much material but

163

00:05:42,390 --> 00:05:40,639

it has released the fact that this is

164

00:05:43,510 --> 00:05:42,400

for real so you can actually talk to

165

00:05:45,189 --> 00:05:43,520

your friends and neighbors now and

166

00:05:47,110 --> 00:05:45,199

they're not going to sort of blush brush

167

00:05:49,590 --> 00:05:47,120

you off we've gotten over that hump and

168

00:05:52,790 --> 00:05:49,600

that's what it basically comes down to

169

00:05:55,350 --> 00:05:52,800

in terms of these issues is any issue of

170

00:05:57,430 --> 00:05:55,360

consciousness so whether it was uh you

171

00:05:59,670 --> 00:05:57,440

know women's right to vote or gay rights

172

00:06:01,110 --> 00:05:59,680

or gay marriage or anything like this

173

00:06:02,790 --> 00:06:01,120

you couldn't go and ask people when did

174

00:06:04,710 --> 00:06:02,800

this first happen

175

00:06:06,230 --> 00:06:04,720

and people will say well i don't know it

176

00:06:07,990 --> 00:06:06,240

was about what 20 years ago and they

177

00:06:10,469 --> 00:06:08,000

have no idea because these things just

178

00:06:11,670 --> 00:06:10,479

happen they just sort of flip and uh i

179

00:06:13,430 --> 00:06:11,680

made the expression that when the new

180

00:06:15,749 --> 00:06:13,440

york times article came out we i

181

00:06:17,510 --> 00:06:15,759

remember stephen or stephen greer used

182

00:06:19,029 --> 00:06:17,520

to talk

183

00:06:20,390 --> 00:06:19,039

years ago about the fact that when this

184

00:06:22,150 --> 00:06:20,400

thing becomes known

185

00:06:23,749 --> 00:06:22,160

uh the stock market is going to melt

186

00:06:26,150 --> 00:06:23,759

down people are going to realize oil is

187

00:06:27,670 --> 00:06:26,160

not worth anything and also stuff and

188

00:06:30,070 --> 00:06:27,680

the point was when the new york times

189

00:06:31,909 --> 00:06:30,080

article dropped what happened absolutely

190

00:06:34,230 --> 00:06:31,919

nothing because the consciousness was

191

00:06:35,909 --> 00:06:34,240

ready it was like people went yeah okay

192

00:06:37,430 --> 00:06:35,919

okay we know that already okay now tell

193

00:06:39,350 --> 00:06:37,440

us tell us where they're coming from and

194

00:06:41,749 --> 00:06:39,360

stuff like that so we were over that

195

00:06:43,909 --> 00:06:41,759

hump where we can now talk about it

196

00:06:45,590 --> 00:06:43,919

where it's not the you know this ugly

197

00:06:47,510 --> 00:06:45,600

issue that we're trying to stay hidden

198

00:06:49,670 --> 00:06:47,520

in the closet and

199

00:06:53,110 --> 00:06:49,680

now the issue is to raise consciousness

200

00:06:55,110 --> 00:06:53,120

towards the next issue of what it is

201
00:06:58,230 --> 00:06:55,120
where it's coming from uh but the idea

202
00:06:59,830 --> 00:06:58,240
of ufos exists is actually um

203
00:07:01,830 --> 00:06:59,840
uh out there

204
00:07:03,909 --> 00:07:01,840
uh one of the problems that we have in

205
00:07:05,990 --> 00:07:03,919
the ufo community because you and i

206
00:07:07,990 --> 00:07:06,000
maybe we know about all this stuff we

207
00:07:11,270 --> 00:07:08,000
we've we we've accepted it like for

208
00:07:13,110 --> 00:07:11,280
example in 1975 i had five close

209
00:07:16,070 --> 00:07:13,120
uh encounters with the with these

210
00:07:17,830 --> 00:07:16,080
objects so i knew i i never ever tried

211
00:07:18,550 --> 00:07:17,840
to prove ufos exist i could care less i

212
00:07:20,390 --> 00:07:18,560
mean

213
00:07:22,309 --> 00:07:20,400

it's like this new stamp that the

214

00:07:24,550 --> 00:07:22,319

ukrainians put out where the guy is on

215

00:07:26,790 --> 00:07:24,560

the shore of snake island and he's

216

00:07:28,550 --> 00:07:26,800

giving the finger to the uh the warship

217

00:07:29,909 --> 00:07:28,560

the russian warship i mean that was like

218

00:07:31,990 --> 00:07:29,919

me i couldn't have cared less if you

219

00:07:33,589 --> 00:07:32,000

believe it believe it i don't care uh

220

00:07:34,950 --> 00:07:33,599

people usually knew that you don't argue

221

00:07:36,790 --> 00:07:34,960

with me because i'll sit there and talk

222

00:07:38,309 --> 00:07:36,800

until you fall over so they would just

223

00:07:40,469 --> 00:07:38,319

don't don't get them going don't don't

224

00:07:42,710 --> 00:07:40,479

talk so we we've gotten to this issue

225

00:07:45,670 --> 00:07:42,720

where consciousness has been raised

226

00:07:47,350 --> 00:07:45,680

where it's now an open issue and

227

00:07:49,029 --> 00:07:47,360

unfortunately because

228

00:07:51,270 --> 00:07:49,039

uh the uh the

229

00:07:52,790 --> 00:07:51,280

public community is behind we have to do

230

00:07:54,469 --> 00:07:52,800

these public hearing things so what

231

00:07:56,230 --> 00:07:54,479

we're doing is we're re-plowing the same

232

00:07:59,189 --> 00:07:56,240

field again so we're bringing up louis

233

00:08:01,189 --> 00:07:59,199

lozando and solace and all this kind of

234

00:08:02,710 --> 00:08:01,199

stuff and we're we're people are getting

235

00:08:03,830 --> 00:08:02,720

frustrated because oh it's the same

236

00:08:05,830 --> 00:08:03,840

stuff they're talking the same stuff

237

00:08:07,589 --> 00:08:05,840

they were but for us it's the same stuff

238

00:08:09,430 --> 00:08:07,599

but for the general public that's what

239

00:08:11,589 --> 00:08:09,440

that that's what this is pointed at with

240

00:08:13,990 --> 00:08:11,599

the the general public in fact i may

241

00:08:16,150 --> 00:08:14,000

even be doing a an episode of this in

242

00:08:18,309 --> 00:08:16,160

canada doing the same thing that brazil

243

00:08:20,710 --> 00:08:18,319

is doing in canada i'm just at the point

244

00:08:23,110 --> 00:08:20,720

where i'm setting it up and making sure

245

00:08:25,029 --> 00:08:23,120

we have the witnesses on board and the

246

00:08:27,350 --> 00:08:25,039

the government people on board

247

00:08:28,790 --> 00:08:27,360

but i'm gonna try to do the same thing

248

00:08:30,550 --> 00:08:28,800

and that's for the general public to get

249

00:08:32,790 --> 00:08:30,560

the general public up to speed in terms

250

00:08:34,389 --> 00:08:32,800

of what's going on but for most of the

251

00:08:36,230 --> 00:08:34,399

ufo community this is kind of boring

252

00:08:38,469 --> 00:08:36,240

stuff because it's the same stories all

253

00:08:39,990 --> 00:08:38,479

the time and and uh people get sort of

254

00:08:41,909 --> 00:08:40,000

frustrated they want the next step to

255

00:08:43,909 --> 00:08:41,919

take place but the way it works is you

256

00:08:45,590 --> 00:08:43,919

have to sort of bring everybody along

257

00:08:47,030 --> 00:08:45,600

you've got to get the rest of the public

258

00:08:49,110 --> 00:08:47,040

up to speed and that i think is what's

259

00:08:51,430 --> 00:08:49,120

going on whether it's the u.s

260

00:08:54,070 --> 00:08:51,440

congressional hearings or whether it's

261

00:08:56,630 --> 00:08:54,080

the brazilian hearings and in terms of

262

00:08:58,550 --> 00:08:56,640

the united states

263

00:09:00,150 --> 00:08:58,560

i had released this

264

00:09:01,910 --> 00:09:00,160

leaked this document the wilson leaked

265

00:09:03,350 --> 00:09:01,920

document which

266

00:09:05,269 --> 00:09:03,360

a lot of people said they were

267

00:09:07,110 --> 00:09:05,279

absolutely shocked that this thing has

268

00:09:09,110 --> 00:09:07,120

actually been read into the

269

00:09:11,750 --> 00:09:09,120

into the congressional record that now

270

00:09:13,350 --> 00:09:11,760

this is a matter of and and i know eric

271

00:09:14,230 --> 00:09:13,360

davis was probably pretty upset with me

272

00:09:16,230 --> 00:09:14,240

that i

273

00:09:17,990 --> 00:09:16,240

uh eventually got this document out and

274

00:09:19,910 --> 00:09:18,000

and i had someone else leak it for me

275

00:09:21,509 --> 00:09:19,920

because i knew eric davis and hell put

276

00:09:22,710 --> 00:09:21,519

off and i knew all these people and i

277

00:09:23,990 --> 00:09:22,720

didn't want to be the one to drop it

278

00:09:26,470 --> 00:09:24,000

there was a number other people had the

279

00:09:28,630 --> 00:09:26,480

document uh they got it from me or they

280

00:09:30,949 --> 00:09:28,640

they found out on the internet early who

281

00:09:32,389 --> 00:09:30,959

didn't release it as well but i mean

282

00:09:34,550 --> 00:09:32,399

that's the situation that you're at

283

00:09:37,030 --> 00:09:34,560

where that document alone can break the

284

00:09:38,630 --> 00:09:37,040

cover up it has enough material in it

285

00:09:39,590 --> 00:09:38,640

and all they have to do now is have a

286

00:09:42,389 --> 00:09:39,600

hearing

287

00:09:43,910 --> 00:09:42,399

not with the these uh minister these

288

00:09:45,030 --> 00:09:43,920

defense people because what the

289

00:09:46,230 --> 00:09:45,040

government is doing is they're putting

290

00:09:47,910 --> 00:09:46,240

up defense people who don't know

291

00:09:51,750 --> 00:09:47,920

anything and that's what people got to

292

00:09:53,509 --> 00:09:51,760

realize that in the government 99.9999

293

00:09:54,949 --> 00:09:53,519

of people have no clue what's going on

294

00:09:56,710 --> 00:09:54,959

so you can take somebody who's in the

295

00:09:57,990 --> 00:09:56,720

pentagon and put them out there and he's

296

00:09:59,430 --> 00:09:58,000

never heard about ufos he doesn't know

297

00:10:01,269 --> 00:09:59,440

what's going on he wasn't in the program

298

00:10:02,630 --> 00:10:01,279

he wasn't read in and he'll sit there

299

00:10:04,389 --> 00:10:02,640

and say well you know i don't i think

300

00:10:05,990 --> 00:10:04,399

it's drones or whatever that's what the

301
00:10:08,470 --> 00:10:06,000
government is doing to try to keep the

302
00:10:10,790 --> 00:10:08,480
the sort of the lid on top of this thing

303
00:10:13,030 --> 00:10:10,800
uh but all you need is one congressional

304
00:10:15,269 --> 00:10:13,040
hearing where eric davis is there hell

305
00:10:17,110 --> 00:10:15,279
put off is there luella zondo is there

306
00:10:20,550 --> 00:10:17,120
they're sworn to

307
00:10:22,310 --> 00:10:20,560
uh just to uh tell the truth and they

308
00:10:23,829 --> 00:10:22,320
are given a wave of clearance where they

309
00:10:26,550 --> 00:10:23,839
can talk about whatever they want and

310
00:10:29,670 --> 00:10:26,560
that's it game over set match it's it's

311
00:10:32,150 --> 00:10:29,680
game over if you get eric davis uh air

312
00:10:33,750 --> 00:10:32,160
and say elizondo and help put off up in

313
00:10:34,949 --> 00:10:33,760

front of a congressional hearing then

314

00:10:37,190 --> 00:10:34,959

they're going to talk about the the

315

00:10:40,389 --> 00:10:37,200

crash material and all this kind of

316

00:10:41,910 --> 00:10:40,399

stuff which so far is hidden and you

317

00:10:43,190 --> 00:10:41,920

can't really blame them for hiding it

318

00:10:45,590 --> 00:10:43,200

because that's the whole deal the guys

319

00:10:47,269 --> 00:10:45,600

that control this it's all about getting

320

00:10:49,590 --> 00:10:47,279

this before the russians because i'll

321

00:10:51,110 --> 00:10:49,600

always maintain that it's not the medals

322

00:10:53,110 --> 00:10:51,120

it's the consciousness aspect that

323

00:10:55,590 --> 00:10:53,120

you've got to watch that's what they're

324

00:10:57,509 --> 00:10:55,600

on top of and they don't want to release

325

00:10:59,190 --> 00:10:57,519

you mentioned the wilson davis memo

326

00:11:01,110 --> 00:10:59,200

grant and that was congressman mike

327

00:11:03,030 --> 00:11:01,120

gallagher who i think for many people

328

00:11:04,470 --> 00:11:03,040

stole the show with his line of

329

00:11:06,870 --> 00:11:04,480

questioning his submission of the

330

00:11:08,949 --> 00:11:06,880

documents into public record what was

331

00:11:10,630 --> 00:11:08,959

your reaction when you heard him submit

332

00:11:12,870 --> 00:11:10,640

that or was it something you had window

333

00:11:14,310 --> 00:11:12,880

of beforehand

334

00:11:15,350 --> 00:11:14,320

i didn't know they were going to submit

335

00:11:17,269 --> 00:11:15,360

it i didn't even know they were going to

336

00:11:18,710 --> 00:11:17,279

bring it up because uh as you know

337

00:11:20,230 --> 00:11:18,720

there's a lot of controversy in the ufo

338

00:11:21,590 --> 00:11:20,240

community as to

339

00:11:23,350 --> 00:11:21,600

you know the document whether it was

340

00:11:25,030 --> 00:11:23,360

real and stuff and i knew it was real

341

00:11:25,990 --> 00:11:25,040

right from the word go i mean i knew

342

00:11:28,630 --> 00:11:26,000

because

343

00:11:31,030 --> 00:11:28,640

on the wilson leaked document uh the

344

00:11:33,269 --> 00:11:31,040

whole thing had been set up by um oak

345

00:11:35,030 --> 00:11:33,279

shannon if you remember in the document

346

00:11:36,470 --> 00:11:35,040

and i was in contact with eric davis

347

00:11:38,150 --> 00:11:36,480

when this when this memo thing took

348

00:11:39,910 --> 00:11:38,160

place i didn't know he had written it

349

00:11:41,670 --> 00:11:39,920

but i was in contact with him and i knew

350

00:11:44,150 --> 00:11:41,680

he was close friends with oak shannon in

351

00:11:45,430 --> 00:11:44,160

fact there's a set of there's a document

352

00:11:47,750 --> 00:11:45,440

that i was given

353

00:11:49,350 --> 00:11:47,760

uh which are oak shannon's notes to the

354

00:11:51,430 --> 00:11:49,360

1985 meeting if you remember john

355

00:11:53,990 --> 00:11:51,440

alexander held a thing where they were

356

00:11:56,550 --> 00:11:54,000

trying to break the ufo cover up in 1985

357

00:11:58,470 --> 00:11:56,560

and they had top secret sci everybody

358

00:12:00,870 --> 00:11:58,480

had a top secret sei clearance they were

359

00:12:02,870 --> 00:12:00,880

in a they were in a secure vault in in

360

00:12:04,550 --> 00:12:02,880

uh the on the east coast and they were

361

00:12:06,470 --> 00:12:04,560

talking about ufos well i was given oak

362

00:12:07,509 --> 00:12:06,480

shannon's notes now i have not released

363

00:12:10,230 --> 00:12:07,519

them i'm not allowed to release them

364

00:12:12,470 --> 00:12:10,240

until luke shannon dies but that was

365

00:12:14,310 --> 00:12:12,480

given this by eric davis so i knew that

366

00:12:16,389 --> 00:12:14,320

eric davis and hel and oak shannon were

367

00:12:18,230 --> 00:12:16,399

close friends and so i was not really

368

00:12:20,550 --> 00:12:18,240

surprised about the doctrine i was

369

00:12:23,269 --> 00:12:20,560

surprised they read it in and i think

370

00:12:25,590 --> 00:12:23,279

you're referring to

371

00:12:26,710 --> 00:12:25,600

is a woman i think it was it wasn't and

372

00:12:30,069 --> 00:12:26,720

one of the things i pointed out to

373

00:12:31,750 --> 00:12:30,079

people was about a young young gentleman

374

00:12:34,150 --> 00:12:31,760

yeah there's there's the one the girl

375

00:12:36,069 --> 00:12:34,160

who did the first um uh

376

00:12:37,110 --> 00:12:36,079

draft uh

377

00:12:38,470 --> 00:12:37,120

i think that's

378

00:12:39,829 --> 00:12:38,480

right yeah yeah

379

00:12:42,150 --> 00:12:39,839

uh people got to remember with

380

00:12:44,069 --> 00:12:42,160

gillibrandt that um you got to look at

381

00:12:45,110 --> 00:12:44,079

her background because i always see

382

00:12:46,949 --> 00:12:45,120

people do you know who she actually

383

00:12:49,350 --> 00:12:46,959

actually is and they say why uh she's a

384

00:12:51,590 --> 00:12:49,360

senator yes from what state they say new

385

00:12:52,389 --> 00:12:51,600

york and i say who how did she get her

386

00:12:55,030 --> 00:12:52,399

seat

387

00:12:57,509 --> 00:12:55,040

clinton

388

00:12:58,790 --> 00:12:57,519

went to the state department so she has

389

00:13:00,230 --> 00:12:58,800

hillary clinton's seat and you gotta

390

00:13:02,389 --> 00:13:00,240

remember hillary clinton was the one

391

00:13:03,750 --> 00:13:02,399

that started it was it was john podesta

392

00:13:05,110 --> 00:13:03,760

and it was hillary clinton that

393

00:13:06,790 --> 00:13:05,120

basically started this whole thing they

394

00:13:08,790 --> 00:13:06,800

wanted this thing disclosed if you

395

00:13:11,990 --> 00:13:08,800

recall it was supposed to be in the fall

396

00:13:12,910 --> 00:13:12,000

of uh 2015 but it didn't happen until

397

00:13:15,910 --> 00:13:12,920

spring of

398

00:13:17,269 --> 00:13:15,920

2016 where she was on the kimmel show

399

00:13:19,350 --> 00:13:17,279

and she brought up the fact that they're

400

00:13:21,509 --> 00:13:19,360

now called uaps that was supposed to

401
00:13:23,750 --> 00:13:21,519
have happened six months before but but

402
00:13:26,150 --> 00:13:23,760
she wasn't asked a question on this on

403
00:13:27,670 --> 00:13:26,160
this talk show and so and she brings it

404
00:13:29,430 --> 00:13:27,680
up and it was her and john that actually

405
00:13:32,069 --> 00:13:29,440
pushed this whole thing and i was being

406
00:13:34,470 --> 00:13:32,079
told in 2016 they're gonna drop this

407
00:13:36,710 --> 00:13:34,480
thing uh it's it's coming out and

408
00:13:38,389 --> 00:13:36,720
because hillary lost the election that's

409
00:13:40,069 --> 00:13:38,399
why they had to retool the whole thing

410
00:13:43,509 --> 00:13:40,079
and the they exposed the three main

411
00:13:45,990 --> 00:13:43,519
witnesses mccass mccaslin uh

412
00:13:47,509 --> 00:13:46,000
mckay and robert weiss from lockheed's

413
00:13:50,310 --> 00:13:47,519

conquerors they had to take off because

414

00:13:52,389 --> 00:13:50,320

they were exposed in the wikileaks email

415

00:13:56,069 --> 00:13:52,399

drop from john podesta so it was all

416

00:13:58,389 --> 00:13:56,079

sort of uh planned beforehand and

417

00:14:00,069 --> 00:13:58,399

i think the the wilson league thing was

418

00:14:02,949 --> 00:14:00,079

just an accidental

419

00:14:04,230 --> 00:14:02,959

thing that i happened to get and it had

420

00:14:05,670 --> 00:14:04,240

and i always said the cover-up will

421

00:14:08,389 --> 00:14:05,680

break when this when this document is

422

00:14:11,829 --> 00:14:08,399

fully understood or or leaked and stuff

423

00:14:13,670 --> 00:14:11,839

so it's in the memo and uh the next um

424

00:14:16,150 --> 00:14:13,680

hopefully some of the senators will take

425

00:14:18,949 --> 00:14:16,160

it and i do know that one experierer

426

00:14:20,150 --> 00:14:18,959

has had a u.s senator at his home trying

427

00:14:21,910 --> 00:14:20,160

to see something and that's what you've

428

00:14:24,230 --> 00:14:21,920

got is you've got senators now who are

429

00:14:26,629 --> 00:14:24,240

very interested they're secretly behind

430

00:14:28,949 --> 00:14:26,639

the scenes trying to read material on it

431

00:14:30,949 --> 00:14:28,959

get material talk to people and the same

432

00:14:32,470 --> 00:14:30,959

thing's happening in canada there's a

433

00:14:35,110 --> 00:14:32,480

member of parliament here in canada who

434

00:14:36,790 --> 00:14:35,120

can't i was contacted to provide him all

435

00:14:38,710 --> 00:14:36,800

the wilbur smith material all the

436

00:14:40,389 --> 00:14:38,720

thousands of pages of material from the

437

00:14:42,550 --> 00:14:40,399

early canadian government he's in the

438

00:14:44,949 --> 00:14:42,560

opposition party here in canada and he

439

00:14:46,470 --> 00:14:44,959

requested that and then he went to uh

440

00:14:48,949 --> 00:14:46,480

all the different researchers and he

441

00:14:51,910 --> 00:14:48,959

went to to mellon he went to put off he

442

00:14:53,110 --> 00:14:51,920

went to uh elizondo gathered a lot of

443

00:14:55,189 --> 00:14:53,120

materials so that's what you see with

444

00:14:56,550 --> 00:14:55,199

these with these government people they

445

00:14:58,710 --> 00:14:56,560

don't want to be upfront about what

446

00:15:00,389 --> 00:14:58,720

they're doing but behind the scenes

447

00:15:02,470 --> 00:15:00,399

i can assure you that these senators

448

00:15:04,310 --> 00:15:02,480

have caught on and a lot of them are

449

00:15:05,910 --> 00:15:04,320

very interested in this whole thing and

450

00:15:07,509 --> 00:15:05,920

it's no longer a thing where you you

451
00:15:10,069 --> 00:15:07,519
lose your seat when you sort of bring

452
00:15:11,670 --> 00:15:10,079
this thing up so i'm pretty encouraged

453
00:15:13,509 --> 00:15:11,680
with what's gonna happen it's the whole

454
00:15:15,829 --> 00:15:13,519
idea is when the next hearing takes

455
00:15:17,910 --> 00:15:15,839
place and do we go to public hearings

456
00:15:20,310 --> 00:15:17,920
where we get to bring in people like

457
00:15:23,430 --> 00:15:20,320
eric davis and help put off and lu

458
00:15:25,350 --> 00:15:23,440
elizondo who if they are waived their

459
00:15:27,350 --> 00:15:25,360
security clearance is waived

460
00:15:29,430 --> 00:15:27,360
will basically tell the american people

461
00:15:31,189 --> 00:15:29,440
what's actually going on

462
00:15:33,269 --> 00:15:31,199
you mentioned senators visiting

463
00:15:34,870 --> 00:15:33,279

experiencers and you may or may not be

464

00:15:37,110 --> 00:15:34,880

in a position to say but would that be

465

00:15:38,310 --> 00:15:37,120

places like the bledsoe ranch

466

00:15:42,069 --> 00:15:38,320

yes

467

00:15:43,509 --> 00:15:42,079

well it's not a ranch but uh chris

468

00:15:45,749 --> 00:15:43,519

so yeah i don't know if chris has made

469

00:15:47,590 --> 00:15:45,759

it public but yes there that was one of

470

00:15:49,670 --> 00:15:47,600

the uh that was one of the places that

471

00:15:51,670 --> 00:15:49,680

this senator visited i'm not sure which

472

00:15:53,910 --> 00:15:51,680

senator it was but that's the thing is

473

00:15:56,150 --> 00:15:53,920

you're getting these senators who are

474

00:15:57,910 --> 00:15:56,160

behind the scenes very interested it was

475

00:16:00,550 --> 00:15:57,920

the same as there was a lot in the past

476

00:16:02,790 --> 00:16:00,560

but like barry goldwater i've got all

477

00:16:04,389 --> 00:16:02,800

his files 190 pages he used to

478

00:16:05,910 --> 00:16:04,399

correspond regularly with people who

479

00:16:07,269 --> 00:16:05,920

wrote him letters and stuff like that

480

00:16:09,509 --> 00:16:07,279

and they would ask him about this famous

481

00:16:11,030 --> 00:16:09,519

story where lemay he asked lemay to go

482

00:16:13,509 --> 00:16:11,040

in the blue room at wright patterson air

483

00:16:14,949 --> 00:16:13,519

force base and lemay tells him uh

484

00:16:17,189 --> 00:16:14,959

you know be quiet don't ever bring this

485

00:16:18,629 --> 00:16:17,199

thing up again or i'll court-martial you

486

00:16:20,230 --> 00:16:18,639

and uh so

487

00:16:22,069 --> 00:16:20,240

you know and he was

488

00:16:23,829 --> 00:16:22,079

goldwater was the head of the senate

489

00:16:26,550 --> 00:16:23,839

intelligence committee at one point so

490

00:16:28,470 --> 00:16:26,560

he was a fairly major guy but he had

491

00:16:33,430 --> 00:16:28,480

made a phone call to

492

00:16:34,949 --> 00:16:33,440

um um now what's his name um from saic

493

00:16:36,710 --> 00:16:34,959

um he was the guy that ran the back

494

00:16:38,550 --> 00:16:36,720

engineering program for

495

00:16:41,990 --> 00:16:38,560

he was rumored to run but anyway he made

496

00:16:43,749 --> 00:16:42,000

a phone call uh to him on behalf of

497

00:16:45,430 --> 00:16:43,759

stephen greer stephen greer said phone

498

00:16:47,670 --> 00:16:45,440

him up and he phoned him up and his

499

00:16:49,670 --> 00:16:47,680

daughter had said um

500

00:16:52,069 --> 00:16:49,680

she had never seen her father so scared

501
00:16:54,310 --> 00:16:52,079
he never talked about ufos again so they

502
00:16:55,509 --> 00:16:54,320
backed him off but now the cat's out of

503
00:16:56,870 --> 00:16:55,519
the bag there's no way they're gonna put

504
00:16:58,150 --> 00:16:56,880
this thing back in the bag what they're

505
00:17:00,389 --> 00:16:58,160
trying to do is just sort of throw

506
00:17:01,749 --> 00:17:00,399
things in the way to try to slow it down

507
00:17:03,430 --> 00:17:01,759
but

508
00:17:05,590 --> 00:17:03,440
congress is separate it's a separate

509
00:17:07,750 --> 00:17:05,600
branch of government then then the

510
00:17:10,470 --> 00:17:07,760
executive branch and there's not much

511
00:17:12,069 --> 00:17:10,480
the exec executive branch can do

512
00:17:13,750 --> 00:17:12,079
uh if congress wants to have their

513
00:17:14,949 --> 00:17:13,760

hearing and bring them in in canada

514

00:17:17,350 --> 00:17:14,959

we're trying to get an we're trying to

515

00:17:18,470 --> 00:17:17,360

get a hearing in the house of commons

516

00:17:21,110 --> 00:17:18,480

that we're not going to get but i think

517

00:17:23,750 --> 00:17:21,120

we can have a hearing where we have uh

518

00:17:25,990 --> 00:17:23,760

parliamentary members uh actually asking

519

00:17:29,270 --> 00:17:26,000

questions on an online

520

00:17:30,870 --> 00:17:29,280

session with uh top-level uh witnesses

521

00:17:32,789 --> 00:17:30,880

to sort of educate the canadian people

522

00:17:34,390 --> 00:17:32,799

as to what's going on

523

00:17:36,950 --> 00:17:34,400

you mentioned some names like louis

524

00:17:38,950 --> 00:17:36,960

elizondo eric davis halpitov and some of

525

00:17:41,669 --> 00:17:38,960

those have said already that especially

526

00:17:43,909 --> 00:17:41,679

lou he'd be open to to standing in front

527

00:17:46,150 --> 00:17:43,919

of congress and testifying

528

00:17:48,630 --> 00:17:46,160

there are other names for example

529

00:17:50,549 --> 00:17:48,640

admiral wilson and others who it'd be

530

00:17:51,990 --> 00:17:50,559

great to have those individuals there

531

00:17:54,789 --> 00:17:52,000

but many would say it's fear of

532

00:17:57,430 --> 00:17:54,799

prosecution or the lack of any immunity

533

00:17:59,590 --> 00:17:57,440

that's holding that back gary nolan has

534

00:18:01,430 --> 00:17:59,600

recently said that immunity language is

535

00:18:02,630 --> 00:18:01,440

almost fully drafted and that's

536

00:18:06,070 --> 00:18:02,640

something they're hoping to bring

537

00:18:08,150 --> 00:18:06,080

forward have you got any inkling as to

538

00:18:10,390 --> 00:18:08,160

any individuals that may come forward if

539

00:18:12,310 --> 00:18:10,400

they're granted full immunity given what

540

00:18:13,669 --> 00:18:12,320

the roles may have been in this cover-up

541

00:18:15,430 --> 00:18:13,679

potentially

542

00:18:17,350 --> 00:18:15,440

well you you basically i guess what

543

00:18:19,110 --> 00:18:17,360

you'd have i used to call them the avery

544

00:18:20,150 --> 00:18:19,120

back in the 1990s i put out the list i

545

00:18:22,390 --> 00:18:20,160

was one of the first people to put out

546

00:18:23,750 --> 00:18:22,400

the list and these are a lot of people

547

00:18:25,750 --> 00:18:23,760

like kit green

548

00:18:27,669 --> 00:18:25,760

uh has a lot of knowledge jacques valet

549

00:18:29,430 --> 00:18:27,679

has a lot of knowledge these are people

550

00:18:32,549 --> 00:18:29,440

who had security clearances who are now

551

00:18:33,909 --> 00:18:32,559

retired uh but still have to be at their

552

00:18:35,830 --> 00:18:33,919

security class i guess what it would

553

00:18:37,270 --> 00:18:35,840

come down to is what we used to call the

554

00:18:39,430 --> 00:18:37,280

avery now they're called the invisible

555

00:18:41,510 --> 00:18:39,440

college or uh

556

00:18:43,909 --> 00:18:41,520

the um i can't what they call now the

557

00:18:46,390 --> 00:18:43,919

the cosmic the cosmic club the cosmic

558

00:18:48,630 --> 00:18:46,400

group or something and this is like this

559

00:18:50,230 --> 00:18:48,640

invisible college of uh 50 or more

560

00:18:51,190 --> 00:18:50,240

people that

561

00:18:54,230 --> 00:18:51,200

are

562

00:18:57,510 --> 00:18:54,240

one of them ones would be um tim taylor

563

00:19:00,070 --> 00:18:57,520

who's his name has been around uh

564

00:19:02,150 --> 00:19:00,080

fight club that diana pacifica mentioned

565

00:19:04,150 --> 00:19:02,160

yeah yeah so he his name has been

566

00:19:07,510 --> 00:19:04,160

mentioned a number of times uh he has

567

00:19:08,630 --> 00:19:07,520

clearances from all the agencies cia and

568

00:19:11,029 --> 00:19:08,640

nsa

569

00:19:12,789 --> 00:19:11,039

nasa uh he's got a very good knowledge

570

00:19:14,870 --> 00:19:12,799

so it's these type of people from the

571

00:19:15,909 --> 00:19:14,880

from the invisible college some of the

572

00:19:17,590 --> 00:19:15,919

government people that might come

573

00:19:19,669 --> 00:19:17,600

forward i guess the main one would be

574

00:19:22,310 --> 00:19:19,679

wilson that wilson tried to look into

575

00:19:23,669 --> 00:19:22,320

this uh but if you get uh

576

00:19:35,430 --> 00:19:23,679

a

577

00:19:37,270 --> 00:19:35,440

pretty

578

00:19:39,510 --> 00:19:37,280

clear

579

00:19:41,669 --> 00:19:39,520

it's a real document and what you gotta

580

00:19:44,150 --> 00:19:41,679

remember is that um there's a lot of

581

00:19:46,150 --> 00:19:44,160

people that can be named i think uh

582

00:19:48,390 --> 00:19:46,160

basically i think danny sheen had said

583

00:19:50,230 --> 00:19:48,400

that when they went in for louisando

584

00:19:52,230 --> 00:19:50,240

when he was fighting for louis lozando

585

00:19:53,990 --> 00:19:52,240

he was basically going to name everybody

586

00:19:57,029 --> 00:19:54,000

all the people that were involved and

587

00:19:59,430 --> 00:19:57,039

forced the pentagon to investigate all

588

00:20:01,590 --> 00:19:59,440

these people so they know you know who's

589

00:20:02,470 --> 00:20:01,600

who's involved and whatever

590

00:20:07,430 --> 00:20:02,480

and

591

00:20:09,669 --> 00:20:07,440

that would break that open it's it's a

592

00:20:10,549 --> 00:20:09,679

matter of the fact that the congress is

593

00:20:13,029 --> 00:20:10,559

sort of

594

00:20:15,270 --> 00:20:13,039

you know sidestepped now with with the

595

00:20:17,510 --> 00:20:15,280

midterm elections and with this uh

596

00:20:19,750 --> 00:20:17,520

january 6 committee and stuff like that

597

00:20:20,710 --> 00:20:19,760

but eventually we're going to have a

598

00:20:21,830 --> 00:20:20,720

hearing

599

00:20:24,149 --> 00:20:21,840

where

600

00:20:26,149 --> 00:20:24,159

somebody like eric davis is the biggest

601
00:20:29,430 --> 00:20:26,159
because what people forget is eric davis

602
00:20:31,430 --> 00:20:29,440
wrote that that those notes in 2002

603
00:20:33,430 --> 00:20:31,440
and i know people he was talking to that

604
00:20:37,029 --> 00:20:33,440
were high much higher level than than

605
00:20:38,390 --> 00:20:37,039
wilson at the time and um eric davis has

606
00:20:40,230 --> 00:20:38,400
an intelligence background people don't

607
00:20:43,110 --> 00:20:40,240
realize that he had us air force

608
00:20:46,149 --> 00:20:43,120
intelligence before he uh got into you

609
00:20:48,070 --> 00:20:46,159
know the scientists thing and uh so he

610
00:20:49,990 --> 00:20:48,080
knows how intelligence works he's got

611
00:20:52,149 --> 00:20:50,000
all sorts of connections so if he knew

612
00:20:53,830 --> 00:20:52,159
that in 2002 what are in those notes you

613
00:20:55,190 --> 00:20:53,840

can imagine what eric davis knows now

614

00:20:57,029 --> 00:20:55,200

and you can imagine what help put off

615

00:20:59,029 --> 00:20:57,039

knows because that's basically what this

616

00:21:00,870 --> 00:20:59,039

has happened is is i you know i always

617

00:21:02,710 --> 00:21:00,880

said with the avery or at the invisible

618

00:21:04,789 --> 00:21:02,720

college or whatever you want to call

619

00:21:06,549 --> 00:21:04,799

these guys i said you may agree with

620

00:21:08,950 --> 00:21:06,559

these guys who disagree with these guys

621

00:21:11,750 --> 00:21:08,960

but when jim semivan talks when eric

622

00:21:14,789 --> 00:21:11,760

davis talks when hell put off talks make

623

00:21:17,110 --> 00:21:14,799

sure you tape it make sure you take

624

00:21:18,710 --> 00:21:17,120

notes because these guys will slip on

625

00:21:20,470 --> 00:21:18,720

the the occasional time and they'll say

626

00:21:22,549 --> 00:21:20,480

something and these guys know what's

627

00:21:25,110 --> 00:21:22,559

going on and what they had done is they

628

00:21:27,270 --> 00:21:25,120

had gotten together together it works

629

00:21:28,630 --> 00:21:27,280

the same as any other club is you have a

630

00:21:30,310 --> 00:21:28,640

security clearance and they're trying to

631

00:21:31,830 --> 00:21:30,320

figure it out as well so they had this

632

00:21:33,590 --> 00:21:31,840

this group which was the avery which

633

00:21:35,190 --> 00:21:33,600

would meet from time to time and they

634

00:21:36,470 --> 00:21:35,200

would get together and what's up and

635

00:21:38,149 --> 00:21:36,480

what do you know and what do you know

636

00:21:39,350 --> 00:21:38,159

and they would all exchange stories they

637

00:21:41,909 --> 00:21:39,360

wouldn't talk to the people on the

638

00:21:43,669 --> 00:21:41,919

street because it was all classified you

639

00:21:45,110 --> 00:21:43,679

know high level stuff but they're trying

640

00:21:46,390 --> 00:21:45,120

to figure it out as well because i don't

641

00:21:48,230 --> 00:21:46,400

think anybody has the answer to this

642

00:21:50,870 --> 00:21:48,240

thing i don't think anybody knows

643

00:21:52,310 --> 00:21:50,880

because i think when as i said earlier i

644

00:21:54,149 --> 00:21:52,320

think when this all comes down this is

645

00:21:55,750 --> 00:21:54,159

going to come down to a consciousness

646

00:21:57,270 --> 00:21:55,760

interface this is going to come down to

647

00:21:59,190 --> 00:21:57,280

the fact that this is not as physical as

648

00:22:00,789 --> 00:21:59,200

people think it is and that's the part

649

00:22:02,789 --> 00:22:00,799

that they're you'll you'll see in the

650

00:22:04,710 --> 00:22:02,799

government nobody ever talks about ets

651
00:22:06,630 --> 00:22:04,720
because i think they they know it's more

652
00:22:08,710 --> 00:22:06,640
complex than et's that's why they'll

653
00:22:11,510 --> 00:22:08,720
call them the others and things like

654
00:22:13,830 --> 00:22:11,520
that they they realize that this is

655
00:22:15,750 --> 00:22:13,840
jim semivan said there's no there there

656
00:22:17,270 --> 00:22:15,760
and he's a guy who had face-to-face

657
00:22:18,789 --> 00:22:17,280
contact with these beings and he

658
00:22:20,870 --> 00:22:18,799
basically said i don't know what's going

659
00:22:22,230 --> 00:22:20,880
on and and i think that's what it is

660
00:22:24,230 --> 00:22:22,240
it's almost like i think it was

661
00:22:26,230 --> 00:22:24,240
heisenberg said the universe is not only

662
00:22:28,070 --> 00:22:26,240
more amazing than you think it's more

663
00:22:29,750 --> 00:22:28,080

amazing than you can ever imagine and i

664

00:22:32,549 --> 00:22:29,760

think that same thing is going to come

665

00:22:34,230 --> 00:22:32,559

to you with ufos that is more more

666

00:22:36,549 --> 00:22:34,240

amazing than you can ever imagine that

667

00:22:38,789 --> 00:22:36,559

the more you look at the ufos the more

668

00:22:40,630 --> 00:22:38,799

complex this thing gets i even heard a

669

00:22:43,029 --> 00:22:40,640

story a friend told me a story

670

00:22:46,710 --> 00:22:43,039

um he had with a group

671

00:22:48,230 --> 00:22:46,720

and um he had been shown a film usa a

672

00:22:50,549 --> 00:22:48,240

government official film i'm not sure

673

00:22:51,990 --> 00:22:50,559

what the date was or what the agency was

674

00:22:54,549 --> 00:22:52,000

but he and a couple other people have

675

00:22:57,350 --> 00:22:54,559

been shown this film and it showed a ufo

676

00:22:59,270 --> 00:22:57,360

morphing now if that's true

677

00:23:01,430 --> 00:22:59,280

it's it's game over because we're

678

00:23:02,710 --> 00:23:01,440

sitting there with ufo sightings as i

679

00:23:03,909 --> 00:23:02,720

said we're trying to re-plow the same

680

00:23:05,830 --> 00:23:03,919

field it's like this sighting that

681

00:23:08,070 --> 00:23:05,840

sighting you know renders from forest

682

00:23:09,909 --> 00:23:08,080

and uh you know aerial school and we

683

00:23:12,070 --> 00:23:09,919

tell these stories and stuff like that

684

00:23:15,110 --> 00:23:12,080

but um when you come down to it it's

685

00:23:18,230 --> 00:23:15,120

going to be this this very very complex

686

00:23:20,230 --> 00:23:18,240

uh thing where uh you're looking at ufos

687

00:23:22,310 --> 00:23:20,240

and you're categorizing the sizes or

688

00:23:24,230 --> 00:23:22,320

whatever and the thing can change shape

689

00:23:25,990 --> 00:23:24,240

and size any time it wants so what's the

690

00:23:27,830 --> 00:23:26,000

point of covering ufo sightings because

691

00:23:30,549 --> 00:23:27,840

the thing is just making a change i

692

00:23:32,070 --> 00:23:30,559

remember even in 1975 i had two

693

00:23:33,909 --> 00:23:32,080

sightings i didn't remember this until

694

00:23:36,230 --> 00:23:33,919

we got into this sort of discussion

695

00:23:38,789 --> 00:23:36,240

about this morphing thing and and kenny

696

00:23:41,590 --> 00:23:38,799

appears whatever they want um

697

00:23:43,750 --> 00:23:41,600

in 1975 i had two sightings two of my

698

00:23:45,669 --> 00:23:43,760

close sightings that came right at me

699

00:23:46,950 --> 00:23:45,679

but when they started they were one

700

00:23:48,149 --> 00:23:46,960

object and when they got to me there

701
00:23:50,390 --> 00:23:48,159
were another object completely different

702
00:23:52,470 --> 00:23:50,400
object and it did change on the way in

703
00:23:53,830 --> 00:23:52,480
coming in from from the horizon so you

704
00:23:56,070 --> 00:23:53,840
can see that these things can change

705
00:23:58,470 --> 00:23:56,080
shape they can change size and even if

706
00:24:00,470 --> 00:23:58,480
you i know if you've interviewed uh

707
00:24:03,029 --> 00:24:00,480
uc ronan from

708
00:24:04,950 --> 00:24:03,039
israel he wrote a book called one this

709
00:24:06,230 --> 00:24:04,960
idea that it's all one thing that the

710
00:24:07,750 --> 00:24:06,240
oneness of the universe and stuff like

711
00:24:10,310 --> 00:24:07,760
that that was the message he got from

712
00:24:13,029 --> 00:24:10,320
these green beings and what they told

713
00:24:15,430 --> 00:24:13,039

him in these in in their discussion was

714

00:24:18,710 --> 00:24:15,440

when we come to your world we can take

715

00:24:20,070 --> 00:24:18,720

on whatever shape and size or if we want

716

00:24:22,230 --> 00:24:20,080

and you can do the same thing you just

717

00:24:24,789 --> 00:24:22,240

don't know it we need a body in your in

718

00:24:26,789 --> 00:24:24,799

your in your when we come to visit you

719

00:24:28,549 --> 00:24:26,799

but we don't we don't have a body so we

720

00:24:30,070 --> 00:24:28,559

take this on and i always refer to

721

00:24:32,230 --> 00:24:30,080

people a very important story that

722

00:24:34,070 --> 00:24:32,240

everybody should take very close contact

723

00:24:36,310 --> 00:24:34,080

with and that's the story that leslie

724

00:24:38,549 --> 00:24:36,320

kane tells about the being with the

725

00:24:40,710 --> 00:24:38,559

physical medium in great britain where

726

00:24:42,549 --> 00:24:40,720

she goes to stuart alexander's place and

727

00:24:44,549 --> 00:24:42,559

she said she had seen this on a number

728

00:24:46,390 --> 00:24:44,559

of occasions where she sits at this

729

00:24:48,230 --> 00:24:46,400

little table has a red light under it

730

00:24:50,390 --> 00:24:48,240

and she says this watery stuff comes up

731

00:24:52,549 --> 00:24:50,400

on top of the table and it starts to

732

00:24:54,789 --> 00:24:52,559

form this arm and his hand and she says

733

00:24:56,230 --> 00:24:54,799

she feels the hand and she said it's as

734

00:24:58,470 --> 00:24:56,240

real as a real hand she can feel the

735

00:25:00,390 --> 00:24:58,480

knuckles it's warm it's soft like a

736

00:25:02,630 --> 00:25:00,400

child's hand or whatever then the the

737

00:25:04,789 --> 00:25:02,640

hand bangs on the on the table and then

738

00:25:06,710 --> 00:25:04,799

it just sort of dematerializes off the

739

00:25:08,310 --> 00:25:06,720

table that's what's happening with the

740

00:25:09,669 --> 00:25:08,320

ufo thing they're coming in they're

741

00:25:11,830 --> 00:25:09,679

materializing and then they're

742

00:25:13,750 --> 00:25:11,840

dematerializing so people that think

743

00:25:15,750 --> 00:25:13,760

that's just some e.t that came in with a

744

00:25:17,430 --> 00:25:15,760

with a with a ship and metal or whatever

745

00:25:19,990 --> 00:25:17,440

it's way beyond that and i've learned

746

00:25:21,750 --> 00:25:20,000

that in almost 50 years of doing this

747

00:25:23,990 --> 00:25:21,760

that the more i look at it the more i

748

00:25:25,909 --> 00:25:24,000

investigate it the more complex it gets

749

00:25:26,710 --> 00:25:25,919

the weirder it gets it's almost like

750

00:25:28,630 --> 00:25:26,720

they're

751
00:25:30,630 --> 00:25:28,640
showing a pattern because if you take a

752
00:25:33,029 --> 00:25:30,640
look there's a definite pattern ufos

753
00:25:35,029 --> 00:25:33,039
started in like 1895. there were wooden

754
00:25:36,630 --> 00:25:35,039
ships with propellers and sails and

755
00:25:38,470 --> 00:25:36,640
there was guys hanging down off of ropes

756
00:25:40,149 --> 00:25:38,480
and they said over from mars and that

757
00:25:41,269 --> 00:25:40,159
was when we discovered the canals on

758
00:25:43,430 --> 00:25:41,279
mars so everybody thought oh yeah

759
00:25:45,750 --> 00:25:43,440
they're from mars these and and then you

760
00:25:47,110 --> 00:25:45,760
get in the 1950s they're all human type

761
00:25:48,549 --> 00:25:47,120
beings and they're flying with these

762
00:25:50,710 --> 00:25:48,559
ships with windows in them with the

763
00:25:53,110 --> 00:25:50,720

balls under them and then in the 1960s

764

00:25:56,070 --> 00:25:53,120

these classic saucer things come out and

765

00:25:57,350 --> 00:25:56,080

then 1975 i see a triangle

766

00:25:59,990 --> 00:25:57,360

almost nobody saw a triangle before

767

00:26:02,710 --> 00:26:00,000

1975. then other people saw triangles

768

00:26:05,350 --> 00:26:02,720

billy cox saw a triangle in 1978 from

769

00:26:07,990 --> 00:26:05,360

from uh you know who does the ufo blog

770

00:26:09,590 --> 00:26:08,000

and um you see the triangles appear and

771

00:26:11,269 --> 00:26:09,600

then you see the ground traces and then

772

00:26:12,789 --> 00:26:11,279

the ground traces stop there has not

773

00:26:14,630 --> 00:26:12,799

been as far as i'm concerned there's not

774

00:26:16,549 --> 00:26:14,640

been a ground trace in 20 years they

775

00:26:18,630 --> 00:26:16,559

have not landed they don't have windows

776

00:26:20,789 --> 00:26:18,640

in them anymore and you see the ufos are

777

00:26:23,110 --> 00:26:20,799

changing now a lot of it is orbs these

778

00:26:24,549 --> 00:26:23,120

orbs that are flying around and and you

779

00:26:26,310 --> 00:26:24,559

see that the pattern is changing and

780

00:26:28,149 --> 00:26:26,320

they're showing us the complexity of it

781

00:26:29,750 --> 00:26:28,159

so they used to tell people very simple

782

00:26:32,630 --> 00:26:29,760

things now they're starting to get in to

783

00:26:35,909 --> 00:26:32,640

tell people very complex thing and and i

784

00:26:38,549 --> 00:26:35,919

have a book coming out called uh the ufo

785

00:26:40,870 --> 00:26:38,559

sky pilots and i interview in the book i

786

00:26:42,789 --> 00:26:40,880

have 36 people i think it's 36 to 40

787

00:26:45,669 --> 00:26:42,799

people who claim they have flown the

788

00:26:48,630 --> 00:26:45,679

ship and this includes a 747 united

789

00:26:52,149 --> 00:26:48,640

airlines pilot it includes the

790

00:26:54,549 --> 00:26:52,159

ramirez who is the this top cia guy it

791

00:26:56,710 --> 00:26:54,559

includes um a us air force retired

792

00:26:58,470 --> 00:26:56,720

colonel out of los angeles and they all

793

00:27:00,549 --> 00:26:58,480

say the same thing when i say you flew

794

00:27:02,789 --> 00:27:00,559

the craft same as chris bledsoe you flew

795

00:27:04,630 --> 00:27:02,799

the craft and he said yeah i said tell

796

00:27:06,630 --> 00:27:04,640

me how do you fly craft he said well you

797

00:27:08,390 --> 00:27:06,640

do it with your mind and you you go in

798

00:27:09,830 --> 00:27:08,400

you put your hand on a panel you put

799

00:27:11,510 --> 00:27:09,840

your hand on a ball

800

00:27:14,149 --> 00:27:11,520

one of these two things are on a on a

801

00:27:15,909 --> 00:27:14,159

flat a flat uh panel or a fat panel on

802

00:27:17,350 --> 00:27:15,919

the wall and then you become one of the

803

00:27:19,110 --> 00:27:17,360

craft and they all say everybody's the

804

00:27:20,549 --> 00:27:19,120

same thing you become one of the craft

805

00:27:22,230 --> 00:27:20,559

the craft is alive and whatever you

806

00:27:24,789 --> 00:27:22,240

think is what the craft does and then

807

00:27:26,149 --> 00:27:24,799

you have guys like ron johnson who said

808

00:27:27,430 --> 00:27:26,159

when he sat in the chair they made him

809

00:27:29,269 --> 00:27:27,440

sit in a chair and put his fingers in

810

00:27:30,870 --> 00:27:29,279

this on this thing and it looked like

811

00:27:32,549 --> 00:27:30,880

the chair had been built for him they

812

00:27:34,549 --> 00:27:32,559

said where would you like to go and he

813

00:27:36,310 --> 00:27:34,559

said i'd like to go i'd like to go and

814

00:27:38,070 --> 00:27:36,320

see the milky way from a distance and

815

00:27:40,310 --> 00:27:38,080

they said hang on it's going to be very

816

00:27:42,070 --> 00:27:40,320

intense g-force he said within one

817

00:27:44,149 --> 00:27:42,080

second he said he looked out the window

818

00:27:46,470 --> 00:27:44,159

and there in the distance was the milky

819

00:27:48,710 --> 00:27:46,480

way so that's like 50 000 light years or

820

00:27:50,870 --> 00:27:48,720

100 000 light years he's outside the

821

00:27:53,029 --> 00:27:50,880

milky way something seriously wrong with

822

00:27:54,310 --> 00:27:53,039

time and space if that story's true and

823

00:27:55,990 --> 00:27:54,320

other people will tell that story as

824

00:27:57,909 --> 00:27:56,000

well ramirez tells that kind of story

825

00:27:59,909 --> 00:27:57,919

where he's instantly out at a planet and

826

00:28:01,430 --> 00:27:59,919

stuff like that it shows us that we've

827

00:28:03,269 --> 00:28:01,440

missed that we've missed the boat we've

828

00:28:05,029 --> 00:28:03,279

we've got we've got some things in that

829

00:28:06,549 --> 00:28:05,039

we're believing that aren't almost like

830

00:28:09,830 --> 00:28:06,559

i think mark twain i've got the quote

831

00:28:11,909 --> 00:28:09,840

here what mark twain said um

832

00:28:13,909 --> 00:28:11,919

it ain't what you don't know that gets

833

00:28:15,990 --> 00:28:13,919

you into trouble it's what you know for

834

00:28:17,990 --> 00:28:16,000

sure that just ain't so and i think

835

00:28:19,669 --> 00:28:18,000

that's the problem is that we we sort of

836

00:28:20,870 --> 00:28:19,679

believe that we've got all the pieces of

837

00:28:22,630 --> 00:28:20,880

the puzzle we're waiting for that one

838

00:28:24,389 --> 00:28:22,640

last piece of the puzzle to come in and

839

00:28:26,630 --> 00:28:24,399

in fact we've got almost everything

840

00:28:28,630 --> 00:28:26,640

wrong we don't understand time and space

841

00:28:30,470 --> 00:28:28,640

we don't understand uh all this kind of

842

00:28:31,590 --> 00:28:30,480

stuff and that's well that's what

843

00:28:33,669 --> 00:28:31,600

they're covering up that's what the

844

00:28:36,389 --> 00:28:33,679

high-level people are covering up in the

845

00:28:39,590 --> 00:28:36,399

background and which hopefully people

846

00:28:40,710 --> 00:28:39,600

like elizondo and these people can open

847

00:28:42,549 --> 00:28:40,720

this up and

848

00:28:44,310 --> 00:28:42,559

and point out who these people are and

849

00:28:45,430 --> 00:28:44,320

what they're doing the problem is that

850

00:28:48,070 --> 00:28:45,440

it's all going to be classified the

851

00:28:50,070 --> 00:28:48,080

highest uh highest secrets

852

00:28:52,149 --> 00:28:50,080

in any government are always the weapon

853

00:28:53,269 --> 00:28:52,159

secrets so you gotta always remember

854

00:28:56,070 --> 00:28:53,279

that they're trying to take this

855

00:28:58,070 --> 00:28:56,080

technology and turn it into weapons and

856

00:28:59,510 --> 00:28:58,080

uh so that'll be highly classified stuff

857

00:29:01,830 --> 00:28:59,520

which i'm not sure they'll be able to

858

00:29:03,350 --> 00:29:01,840

shake out but the idea that ufos exist

859

00:29:05,269 --> 00:29:03,360

is already there and then we're going to

860

00:29:06,630 --> 00:29:05,279

get in i've heard rumors that they're

861

00:29:09,590 --> 00:29:06,640

they're going to bring up the the

862

00:29:10,470 --> 00:29:09,600

retrievals at the next the next

863

00:29:15,430 --> 00:29:10,480

uh

864

00:29:16,710 --> 00:29:15,440

you're gonna see it all unravel and

865

00:29:17,830 --> 00:29:16,720

you're gonna see the consciousness of

866

00:29:19,990 --> 00:29:17,840

the of the

867

00:29:21,190 --> 00:29:20,000

population in terms of everybody's gonna

868

00:29:22,710 --> 00:29:21,200

start working on it everybody's gonna

869

00:29:24,630 --> 00:29:22,720

start talking about it and we're gonna

870

00:29:27,029 --> 00:29:24,640

get past this block that we've always

871

00:29:28,070 --> 00:29:27,039

had about this crazy ufo subject that

872

00:29:30,789 --> 00:29:28,080

that is

873

00:29:32,149 --> 00:29:30,799

and could not possibly exist

874

00:29:33,430 --> 00:29:32,159

how long is it going to take you've

875

00:29:35,190 --> 00:29:33,440

covered quite a lot of ground there and

876

00:29:36,870 --> 00:29:35,200

it's fascinating to listen to people

877

00:29:39,269 --> 00:29:36,880

like you people like myself and many

878

00:29:41,990 --> 00:29:39,279

people listening to this podcast can

879

00:29:44,149 --> 00:29:42,000

accept and understand and and take in

880

00:29:46,310 --> 00:29:44,159

those ideas and even if they're newer to

881

00:29:48,389 --> 00:29:46,320

the subject and they're realizing it's

882

00:29:50,070 --> 00:29:48,399

not just 80s flying from mars and a

883

00:29:52,310 --> 00:29:50,080

flying saucer and there's different

884

00:29:54,470 --> 00:29:52,320

dimensions realities different levels of

885

00:29:56,310 --> 00:29:54,480

beings and consciousness

886

00:29:58,149 --> 00:29:56,320

how do you get the general public to

887

00:30:01,029 --> 00:29:58,159

into that conversation because even if

888

00:30:02,549 --> 00:30:01,039

alou elizondo in front of congress talks

889

00:30:04,710 --> 00:30:02,559

about what he knows

890

00:30:06,710 --> 00:30:04,720

surely some of these ideas are just too

891

00:30:08,710 --> 00:30:06,720

much of a leap for even the general

892

00:30:11,350 --> 00:30:08,720

public to get involved how do you bridge

893

00:30:12,710 --> 00:30:11,360

that gap and how long could that take

894

00:30:14,230 --> 00:30:12,720

well i always say we're no different

895

00:30:15,990 --> 00:30:14,240

than any other social or political

896

00:30:17,430 --> 00:30:16,000

movement so you can maybe take for

897

00:30:18,710 --> 00:30:17,440

example women's right to vote people

898

00:30:20,070 --> 00:30:18,720

don't realize women have only had the

899

00:30:21,669 --> 00:30:20,080

right to vote in the united states for

900

00:30:23,990 --> 00:30:21,679

the last 100 years

901
00:30:26,710 --> 00:30:24,000
they were blocked for the first 150

902
00:30:28,549 --> 00:30:26,720
years of the united states of america

903
00:30:30,389 --> 00:30:28,559
and it comes down the same issue same

904
00:30:31,909 --> 00:30:30,399
way it works with everybody you have to

905
00:30:33,510 --> 00:30:31,919
get the consciousness you got to talk

906
00:30:35,350 --> 00:30:33,520
about it and so it really doesn't matter

907
00:30:36,470 --> 00:30:35,360
how many bad jokes there are about ufos

908
00:30:39,269 --> 00:30:36,480
or how many bad movies they're done

909
00:30:41,830 --> 00:30:39,279
about ufos every time it's in hollywood

910
00:30:43,669 --> 00:30:41,840
every time it's on a tv show it raises

911
00:30:45,830 --> 00:30:43,679
consciousness people become more and

912
00:30:49,269 --> 00:30:45,840
more accustomed to the fact that this is

913
00:30:51,750 --> 00:30:49,279

real or even like max planck said um

914

00:30:53,830 --> 00:30:51,760

he he's the guy that just you know sort

915

00:30:55,909 --> 00:30:53,840

of was the godfather of quantum physics

916

00:30:58,149 --> 00:30:55,919

and he even talked about the the fight

917

00:30:59,590 --> 00:30:58,159

back that he got and he said new ideas

918

00:31:01,669 --> 00:30:59,600

do not change by convincing your

919

00:31:04,070 --> 00:31:01,679

opponent that you're right it comes from

920

00:31:05,830 --> 00:31:04,080

this idea that the old people die off

921

00:31:08,149 --> 00:31:05,840

and the new generation is not offended

922

00:31:09,990 --> 00:31:08,159

with the idea so the more you get you

923

00:31:12,149 --> 00:31:10,000

you get the young people coming on and

924

00:31:13,430 --> 00:31:12,159

the old people die off the young people

925

00:31:15,669 --> 00:31:13,440

are not offended with this kind of stuff

926

00:31:17,590 --> 00:31:15,679

and that's what i said with the um with

927

00:31:19,669 --> 00:31:17,600

the discovery of the fact that we were

928

00:31:20,870 --> 00:31:19,679

actually ufos were real when that was

929

00:31:22,549 --> 00:31:20,880

the new york times everybody thought it

930

00:31:23,990 --> 00:31:22,559

was going to be like you know game over

931

00:31:25,430 --> 00:31:24,000

like everything was going to fall apart

932

00:31:27,110 --> 00:31:25,440

people going to commit suicide and all

933

00:31:29,110 --> 00:31:27,120

this kind of stuff and basically nothing

934

00:31:31,029 --> 00:31:29,120

happened so i think the consciousness is

935

00:31:32,710 --> 00:31:31,039

basically there that if they say there

936

00:31:34,470 --> 00:31:32,720

are beings and there are crash saucers

937

00:31:35,750 --> 00:31:34,480

or whatever everybody's gonna go yeah i

938

00:31:38,470 --> 00:31:35,760

knew that already i think it's just

939

00:31:41,190 --> 00:31:38,480

gonna slide over and it'll just be more

940

00:31:42,470 --> 00:31:41,200

and more talk about it and uh it's it's

941

00:31:44,470 --> 00:31:42,480

not something that you convince the

942

00:31:47,110 --> 00:31:44,480

entire public you even have about almost

943

00:31:48,549 --> 00:31:47,120

12 or 13 of the united states still

944

00:31:50,149 --> 00:31:48,559

believes that the united the world is

945

00:31:52,149 --> 00:31:50,159

flat so you're not really going to

946

00:31:54,470 --> 00:31:52,159

convince everybody all the time of what

947

00:31:56,470 --> 00:31:54,480

it is what you need to do is is the the

948

00:31:58,230 --> 00:31:56,480

main roadblock has always been not the

949

00:31:59,750 --> 00:31:58,240

politicians because the politicians go

950

00:32:01,110 --> 00:31:59,760

like this they take their finger they

951
00:32:02,950 --> 00:32:01,120
get it wet and they see which direction

952
00:32:04,549 --> 00:32:02,960
is the wind block blowing and they'll go

953
00:32:05,990 --> 00:32:04,559
in that direction so now the ufos are

954
00:32:07,590 --> 00:32:06,000
going that direction and everybody's

955
00:32:08,549 --> 00:32:07,600
trying to jump on board in fact steven

956
00:32:10,230 --> 00:32:08,559
greer

957
00:32:12,470 --> 00:32:10,240
in the past actually told the story and

958
00:32:14,630 --> 00:32:12,480
the senator escapes my mind he was

959
00:32:17,110 --> 00:32:14,640
fighting with hillary but anyway he had

960
00:32:19,430 --> 00:32:17,120
said steve made the the pitch to him and

961
00:32:21,029 --> 00:32:19,440
he said we're totally with you i'll tell

962
00:32:22,710 --> 00:32:21,039
you what he said you get the parade

963
00:32:25,110 --> 00:32:22,720

going and then once you get the parade

964

00:32:26,549 --> 00:32:25,120

going we'll we'll we'll leave the parade

965

00:32:27,830 --> 00:32:26,559

and it's always that thing is to need

966

00:32:29,669 --> 00:32:27,840

the votes they would need to know that

967

00:32:32,230 --> 00:32:29,679

there's gonna be support so when in when

968

00:32:33,909 --> 00:32:32,240

the new york times article in 2017 came

969

00:32:35,750 --> 00:32:33,919

out nothing happened everybody was just

970

00:32:38,149 --> 00:32:35,760

sort of accustomed to it and i think the

971

00:32:39,110 --> 00:32:38,159

same thing is is basically if you get

972

00:32:40,470 --> 00:32:39,120

into

973

00:32:41,830 --> 00:32:40,480

multi-dimensions you're going to get

974

00:32:43,110 --> 00:32:41,840

into

975

00:32:44,870 --> 00:32:43,120

you know some

976
00:32:46,470 --> 00:32:44,880
so very religious people the ones that

977
00:32:47,990 --> 00:32:46,480
were trying to block it the the ones

978
00:32:49,990 --> 00:32:48,000
inside the pentagon to believe it's the

979
00:32:51,669 --> 00:32:50,000
devil you're never against those people

980
00:32:52,950 --> 00:32:51,679
that that it's going that way but you

981
00:32:55,350 --> 00:32:52,960
just need to convince the science

982
00:32:56,870 --> 00:32:55,360
because i always say science not the the

983
00:32:58,549 --> 00:32:56,880
the politicians will go in whatever

984
00:33:01,430 --> 00:32:58,559
direction they want but if you take the

985
00:33:04,149 --> 00:33:01,440
scientific community i think it was um

986
00:33:07,509 --> 00:33:04,159
john alexander put out a poll and it was

987
00:33:09,430 --> 00:33:07,519
like only a publicly they the the

988
00:33:11,350 --> 00:33:09,440

national academy of sciences which is

989

00:33:13,190 --> 00:33:11,360

the top 200 scientists they pulled them

990

00:33:15,269 --> 00:33:13,200

i think it was only six percent believed

991

00:33:16,710 --> 00:33:15,279

in any paranormal phenomena only four

992

00:33:18,310 --> 00:33:16,720

percent believed in god or something

993

00:33:20,710 --> 00:33:18,320

like that it was just like absolutely

994

00:33:22,630 --> 00:33:20,720

stunning numbers uh but that's what you

995

00:33:24,549 --> 00:33:22,640

need to move you need to move those guys

996

00:33:26,470 --> 00:33:24,559

off the the line where

997

00:33:27,990 --> 00:33:26,480

even like now the harvard study where

998

00:33:30,230 --> 00:33:28,000

they're they're doing the ufos they've

999

00:33:32,070 --> 00:33:30,240

got shermer in there but still they they

1000

00:33:33,750 --> 00:33:32,080

there you have this harvard now working

1001
00:33:36,710 --> 00:33:33,760
on it openly instead of trying to take

1002
00:33:39,110 --> 00:33:36,720
john's max uh uh you know

1003
00:33:40,789 --> 00:33:39,120
tenure away from him it's in a position

1004
00:33:42,710 --> 00:33:40,799
where once science gets a hold of this

1005
00:33:45,110 --> 00:33:42,720
thing and realizes you can make money

1006
00:33:48,230 --> 00:33:45,120
because all research basically comes

1007
00:33:50,549 --> 00:33:48,240
from a government giving money to uh

1008
00:33:52,870 --> 00:33:50,559
researchers at universities so once this

1009
00:33:54,549 --> 00:33:52,880
is okay that you can get funded for a

1010
00:33:56,070 --> 00:33:54,559
ufo research project where you're

1011
00:33:58,230 --> 00:33:56,080
working on free energy where then it

1012
00:34:00,149 --> 00:33:58,240
takes off right now nobody in the

1013
00:34:01,990 --> 00:34:00,159

academic community will touch this thing

1014

00:34:03,190 --> 00:34:02,000

because you you can't get funding and if

1015

00:34:05,669 --> 00:34:03,200

you do get it you're gonna lose your

1016

00:34:07,509 --> 00:34:05,679

tenure or nobody will talk to you even

1017

00:34:09,909 --> 00:34:07,519

um josephson

1018

00:34:11,190 --> 00:34:09,919

the guy won the nobel prize and he

1019

00:34:13,190 --> 00:34:11,200

talked about the fact that he believed

1020

00:34:14,790 --> 00:34:13,200

in esp and he was not allowed to work

1021

00:34:16,629 --> 00:34:14,800

with graduate students this guy won a

1022

00:34:18,790 --> 00:34:16,639

nobel prize and that's the thing even a

1023

00:34:19,909 --> 00:34:18,800

nobel prize guy can be ostracized but

1024

00:34:22,069 --> 00:34:19,919

that's not going to happen anymore

1025

00:34:24,069 --> 00:34:22,079

because we're over that hump of ufos

1026

00:34:25,430 --> 00:34:24,079

existing so scientists will move and

1027

00:34:27,990 --> 00:34:25,440

that's what we needed we needed

1028

00:34:29,990 --> 00:34:28,000

scientists to to jump on board and stop

1029

00:34:32,310 --> 00:34:30,000

start doing projects on it start working

1030

00:34:34,310 --> 00:34:32,320

on it and it'll go on from there it

1031

00:34:36,550 --> 00:34:34,320

really doesn't matter if all the public

1032

00:34:39,109 --> 00:34:36,560

believes all you need is the funding to

1033

00:34:41,190 --> 00:34:39,119

be given into the areas that we need

1034

00:34:42,470 --> 00:34:41,200

them and scientists to work on it and

1035

00:34:44,629 --> 00:34:42,480

you're going to see a lot of research

1036

00:34:47,109 --> 00:34:44,639

come out and a lot of answers coming out

1037

00:34:49,430 --> 00:34:47,119

that the government really can't stop

1038

00:34:52,629 --> 00:34:49,440

do you expect to see a further u.s

1039

00:34:54,629 --> 00:34:52,639

congressional hearing this year

1040

00:34:56,790 --> 00:34:54,639

um i wouldn't be surprised i i hear keep

1041

00:34:58,150 --> 00:34:56,800

hearing rumors and they uh they keep

1042

00:34:59,109 --> 00:34:58,160

pushing that they're they're going to

1043

00:35:01,430 --> 00:34:59,119

get this

1044

00:35:03,670 --> 00:35:01,440

and it'll be a big one i mean if they do

1045

00:35:05,750 --> 00:35:03,680

uh my my understanding is that they're

1046

00:35:08,150 --> 00:35:05,760

going to try to put in louisando and

1047

00:35:10,870 --> 00:35:08,160

people like that and if they get this uh

1048

00:35:12,950 --> 00:35:10,880

immunity thing uh this is gonna be a big

1049

00:35:15,430 --> 00:35:12,960

big hearing i mean it's gonna be major

1050

00:35:16,870 --> 00:35:15,440

news in terms of not just ufo sightings

1051

00:35:19,589 --> 00:35:16,880

but the fact that they have bodies the

1052

00:35:20,950 --> 00:35:19,599

fact that they have uh crash material

1053

00:35:22,870 --> 00:35:20,960

and that they've been working on this

1054

00:35:25,349 --> 00:35:22,880

for many years i mean i think that will

1055

00:35:27,510 --> 00:35:25,359

be sort of big but whether it happens

1056

00:35:29,589 --> 00:35:27,520

this year or next or whatever

1057

00:35:30,390 --> 00:35:29,599

the congress is basically in a situation

1058

00:35:32,870 --> 00:35:30,400

where

1059

00:35:34,470 --> 00:35:32,880

uh you can now stand up for it uh you're

1060

00:35:35,990 --> 00:35:34,480

actually sort of an outsider if you're

1061

00:35:38,470 --> 00:35:36,000

not you're not on top of this and you're

1062

00:35:40,230 --> 00:35:38,480

not supporting this so it has unlike

1063

00:35:42,710 --> 00:35:40,240

anything else in the united states it

1064

00:35:43,750 --> 00:35:42,720

has both parties on board you know you

1065

00:35:45,190 --> 00:35:43,760

don't have people fighting with each

1066

00:35:46,390 --> 00:35:45,200

other everybody's trying to

1067

00:35:49,109 --> 00:35:46,400

get this thing and that's what i said

1068

00:35:52,150 --> 00:35:49,119

about uh gilbran is that people got to

1069

00:35:54,230 --> 00:35:52,160

realize she ran for president in 2020

1070

00:35:55,829 --> 00:35:54,240

and guess who backed her guess who

1071

00:35:57,430 --> 00:35:55,839

talked her into it hillary clinton and

1072

00:35:59,109 --> 00:35:57,440

hillary clinton was a disclosure woman

1073

00:36:00,550 --> 00:35:59,119

she's the one that wanted to be the

1074

00:36:02,630 --> 00:36:00,560

disclosure president and because she

1075

00:36:04,310 --> 00:36:02,640

lost the election it didn't happen they

1076

00:36:07,030 --> 00:36:04,320

they went ahead with it anyway but

1077

00:36:09,349 --> 00:36:07,040

podesta uh is has been pushing in the

1078

00:36:11,030 --> 00:36:09,359

background he's been pushing biden so i

1079

00:36:12,790 --> 00:36:11,040

think you're you're going to see this

1080

00:36:14,470 --> 00:36:12,800

thing whether it's this year or next but

1081

00:36:15,670 --> 00:36:14,480

the next hearing will be a big hearing

1082

00:36:18,790 --> 00:36:15,680

it'll be

1083

00:36:21,430 --> 00:36:18,800

not government people that are clued out

1084

00:36:23,510 --> 00:36:21,440

and not read in it'll be uh

1085

00:36:25,270 --> 00:36:23,520

people who have a need to know i'm

1086

00:36:28,550 --> 00:36:25,280

getting actually very very impressed

1087

00:36:30,710 --> 00:36:28,560

with uh people like uh louis alizando

1088

00:36:32,790 --> 00:36:30,720

and semivan in the fact that they have

1089

00:36:34,550 --> 00:36:32,800

pushed this as far as they have i mean

1090

00:36:36,870 --> 00:36:34,560

to just get to the point where you've

1091

00:36:39,030 --> 00:36:36,880

got a senate hearing you've got uh you

1092

00:36:40,950 --> 00:36:39,040

know stuff right into the record all the

1093

00:36:42,950 --> 00:36:40,960

senators are on board they're all

1094

00:36:44,230 --> 00:36:42,960

they've all been briefed and stuff

1095

00:36:45,750 --> 00:36:44,240

never would i believe that was going to

1096

00:36:47,109 --> 00:36:45,760

happen and it happened very fast people

1097

00:36:48,550 --> 00:36:47,119

think oh when you know when's it going

1098

00:36:50,150 --> 00:36:48,560

to happen because they're peop it's like

1099

00:36:51,990 --> 00:36:50,160

the western society always wants

1100

00:36:53,589 --> 00:36:52,000

everything yesterday they won everything

1101

00:36:54,710 --> 00:36:53,599

and they wanted yesterday so we're

1102

00:36:56,310 --> 00:36:54,720

saying well when's it going to happen

1103

00:36:58,390 --> 00:36:56,320

but you got to remember it's only been

1104

00:37:00,230 --> 00:36:58,400

five years until

1105

00:37:02,550 --> 00:37:00,240

we got to the point where

1106

00:37:03,670 --> 00:37:02,560

people said ufos exist before then the

1107

00:37:05,589 --> 00:37:03,680

government was still saying this is

1108

00:37:09,030 --> 00:37:05,599

total nonsense you remember back to the

1109

00:37:12,150 --> 00:37:09,040

the uh the obama days when obama was

1110

00:37:14,230 --> 00:37:12,160

asked a question and his science advisor

1111

00:37:16,150 --> 00:37:14,240

spokesman came out and said uh there you

1112

00:37:17,750 --> 00:37:16,160

know there are no ufos and there's no

1113

00:37:19,270 --> 00:37:17,760

cover-up and all that sort of stuff that

1114

00:37:20,630 --> 00:37:19,280

was the that was the thing until five

1115

00:37:22,310 --> 00:37:20,640

years ago now it's a completely

1116

00:37:24,230 --> 00:37:22,320

different world it's like completely

1117

00:37:25,990 --> 00:37:24,240

different and it's just it's rolling

1118

00:37:27,430 --> 00:37:26,000

along way faster than i thought it would

1119

00:37:28,950 --> 00:37:27,440

so i would not be surprised if this

1120

00:37:31,030 --> 00:37:28,960

hearing was in the next month or two

1121

00:37:33,030 --> 00:37:31,040

months or whatever i'm very impressed at

1122

00:37:35,270 --> 00:37:33,040

how much these guys have worked in the

1123

00:37:37,430 --> 00:37:35,280

background and how they've been able to

1124

00:37:39,430 --> 00:37:37,440

move the system and and get this thing

1125

00:37:42,950 --> 00:37:39,440

out into the public which as i pointed

1126

00:37:44,550 --> 00:37:42,960

out uh semi-van had said in 2016 to

1127

00:37:45,589 --> 00:37:44,560

high-level government officials we're

1128

00:37:46,950 --> 00:37:45,599

going to do this we're pushing this

1129

00:37:48,630 --> 00:37:46,960

thing into the public the way it was

1130

00:37:50,710 --> 00:37:48,640

explained to me was the big man was

1131

00:37:52,550 --> 00:37:50,720

going to be involved and high-level

1132

00:37:54,390 --> 00:37:52,560

officials are going to come forward and

1133

00:37:56,230 --> 00:37:54,400

they're going to say ufos exist and

1134

00:37:58,310 --> 00:37:56,240

they're going to force disclosure and

1135

00:38:00,310 --> 00:37:58,320

they gave me a seven-year time window

1136

00:38:02,310 --> 00:38:00,320

this is 2016.

1137

00:38:04,470 --> 00:38:02,320

i think seven or eight year time window

1138

00:38:08,150 --> 00:38:04,480

so that everything that i was told in

1139

00:38:09,430 --> 00:38:08,160

2016 came to be the the disclosure uh

1140

00:38:11,430 --> 00:38:09,440

all that sort of stuff high-level

1141

00:38:14,069 --> 00:38:11,440

officials came forward said it was real

1142

00:38:15,349 --> 00:38:14,079

uh and disclosure has taken place so

1143

00:38:18,069 --> 00:38:15,359

it's just a matter of what has been

1144

00:38:19,829 --> 00:38:18,079

disclosed now we've got ufos disclosed

1145

00:38:22,310 --> 00:38:19,839

uh the next thing definitely everyone's

1146

00:38:24,630 --> 00:38:22,320

got to push is the bodies and the uh

1147

00:38:26,550 --> 00:38:24,640

recovered material

1148

00:38:28,630 --> 00:38:26,560

jim simavon is a name you've mentioned

1149

00:38:30,390 --> 00:38:28,640

several times grant and i'm curious on

1150

00:38:33,109 --> 00:38:30,400

your take that the direction to the

1151
00:38:35,510 --> 00:38:33,119
stars has gone and focusing heavily on

1152
00:38:37,430 --> 00:38:35,520
their media wing jim semivan recently

1153
00:38:39,829 --> 00:38:37,440
was on the conference call with tom

1154
00:38:41,910 --> 00:38:39,839
delong and they're very much focused on

1155
00:38:44,230 --> 00:38:41,920
monsters in california coming out

1156
00:38:46,390 --> 00:38:44,240
talking about the phenomenon and

1157
00:38:48,310 --> 00:38:46,400
different phenomena tribute to ufos

1158
00:38:50,550 --> 00:38:48,320
through the media through movies through

1159
00:38:53,109 --> 00:38:50,560
the fiction books followed by secret

1160
00:38:55,030 --> 00:38:53,119
machines being made into a tv series are

1161
00:38:57,109 --> 00:38:55,040
you surprised jim semivan's still

1162
00:38:59,589 --> 00:38:57,119
staying so close to tom delong or is

1163
00:39:01,670 --> 00:38:59,599

this something you would expect

1164

00:39:03,109 --> 00:39:01,680

um i'm not surprised i mean you gotta

1165

00:39:04,630 --> 00:39:03,119

remember there's a story i don't know if

1166

00:39:07,430 --> 00:39:04,640

you remember the story uh there was a

1167

00:39:09,670 --> 00:39:07,440

guy been a chase brandon from the ci who

1168

00:39:11,430 --> 00:39:09,680

came forward a book called the crystal

1169

00:39:13,349 --> 00:39:11,440

christos conundrum

1170

00:39:15,190 --> 00:39:13,359

and it was a fictional book that was

1171

00:39:18,710 --> 00:39:15,200

written about how the ci had handled

1172

00:39:22,390 --> 00:39:18,720

roswell this is 2012. well he was his

1173

00:39:25,109 --> 00:39:22,400

job for the cia he was the uh hollywood

1174

00:39:27,270 --> 00:39:25,119

uh guy for the cia so if you were doing

1175

00:39:28,870 --> 00:39:27,280

a movie in hollywood and you had the ci

1176

00:39:30,950 --> 00:39:28,880

chase brandon coming up to you and say

1177

00:39:33,750 --> 00:39:30,960

andy i hear you're doing a ufo are you

1178

00:39:35,030 --> 00:39:33,760

doing a movie on uh cia yeah

1179

00:39:37,270 --> 00:39:35,040

do you know how cia works have you ever

1180

00:39:39,030 --> 00:39:37,280

met a cia agent no would you like to

1181

00:39:40,870 --> 00:39:39,040

come to cia and check it out so you get

1182

00:39:42,790 --> 00:39:40,880

it accurate and that's what you do

1183

00:39:44,390 --> 00:39:42,800

instead of fighting people instead of

1184

00:39:46,310 --> 00:39:44,400

you know trying to put people down and

1185

00:39:47,750 --> 00:39:46,320

fight people you walk along with them

1186

00:39:49,030 --> 00:39:47,760

get along with them and try to guide

1187

00:39:51,430 --> 00:39:49,040

them in the direction you want them to

1188

00:39:54,710 --> 00:39:51,440

go so it's not unusual that the ci is

1189

00:39:56,550 --> 00:39:54,720

going to try to manipulate or pressure

1190

00:39:58,790 --> 00:39:56,560

hollywood and tv

1191

00:40:01,270 --> 00:39:58,800

to put out the message they want put out

1192

00:40:03,030 --> 00:40:01,280

cia are good guys uh we tried to save

1193

00:40:04,870 --> 00:40:03,040

the country and i think that's what

1194

00:40:07,270 --> 00:40:04,880

what's going on with tom delong that jim

1195

00:40:09,030 --> 00:40:07,280

semivan as i was told was the guy that

1196

00:40:10,870 --> 00:40:09,040

set up the new york times washington

1197

00:40:13,190 --> 00:40:10,880

post in politico he's the guy that set

1198

00:40:16,550 --> 00:40:13,200

up the original drop he's a guy that's

1199

00:40:18,790 --> 00:40:16,560

an expert at uh dealing with media and

1200

00:40:20,630 --> 00:40:18,800

how the story gets taken out and stuff

1201

00:40:21,829 --> 00:40:20,640

like that and so

1202

00:40:23,109 --> 00:40:21,839

i'm not surprised that he would stick in

1203

00:40:24,950 --> 00:40:23,119

there because that's what tom delong is

1204

00:40:27,510 --> 00:40:24,960

doing he's not a scientist so he can't

1205

00:40:29,829 --> 00:40:27,520

work on the the science angle of it uh

1206

00:40:31,510 --> 00:40:29,839

uh and he's just a guy who's wants to

1207

00:40:33,109 --> 00:40:31,520

make money out of everything you know he

1208

00:40:35,109 --> 00:40:33,119

tried to buy this the chris bledsoe

1209

00:40:36,470 --> 00:40:35,119

story he you know i don't know if he

1210

00:40:38,150 --> 00:40:36,480

bought the bizarre story i think he

1211

00:40:39,589 --> 00:40:38,160

bought the lazar story so he's trying to

1212

00:40:41,030 --> 00:40:39,599

control these stories and make money out

1213

00:40:42,710 --> 00:40:41,040

of these stories and that's what i say

1214

00:40:44,150 --> 00:40:42,720

is that's very very powerful the

1215

00:40:46,069 --> 00:40:44,160

hollywood thing people don't realize how

1216

00:40:47,430 --> 00:40:46,079

powerful it is because the skeptic will

1217

00:40:48,550 --> 00:40:47,440

sit there and turn on the tv and say oh

1218

00:40:51,030 --> 00:40:48,560

this will be a good laugh i'll watch

1219

00:40:52,950 --> 00:40:51,040

this and he watches the show without

1220

00:40:53,990 --> 00:40:52,960

being offended without someone sticking

1221

00:40:55,829 --> 00:40:54,000

his face and saying you're wrong you're

1222

00:40:57,190 --> 00:40:55,839

wrong you're wrong and he watches it and

1223

00:40:59,190 --> 00:40:57,200

he doesn't realize he's being

1224

00:41:00,390 --> 00:40:59,200

brainwashed that he's his ideas are

1225

00:41:04,069 --> 00:41:00,400

being changed and that's what's

1226

00:41:08,630 --> 00:41:06,390

stories there was even the the

1227

00:41:11,349 --> 00:41:08,640

disney just put out the thing uh what

1228

00:41:12,309 --> 00:41:11,359

was it called the soul the the movie and

1229

00:41:16,710 --> 00:41:12,319

yeah

1230

00:41:19,510 --> 00:41:16,720

people from uh the institute for uh the

1231

00:41:21,190 --> 00:41:19,520

um uh ions that were advisors to that

1232

00:41:22,710 --> 00:41:21,200

movie that's how it works you put the

1233

00:41:24,309 --> 00:41:22,720

advisors in there you get the story

1234

00:41:26,230 --> 00:41:24,319

right and you put the story out and

1235

00:41:27,829 --> 00:41:26,240

people that's what changes consciousness

1236

00:41:29,589 --> 00:41:27,839

it's not so much me coming to you and

1237

00:41:31,109 --> 00:41:29,599

convincing you that you're wrong and you

1238

00:41:32,870 --> 00:41:31,119

give up and you put up the white flag

1239

00:41:34,790 --> 00:41:32,880

that's never gonna happen it's slowly

1240

00:41:37,030 --> 00:41:34,800

the way they manipulate so it's very

1241

00:41:39,030 --> 00:41:37,040

important i think jim semivan realizes

1242

00:41:41,030 --> 00:41:39,040

this education thing through hollywood

1243

00:41:43,109 --> 00:41:41,040

through stories is very very important

1244

00:41:45,589 --> 00:41:43,119

that it is shifting the the

1245

00:41:47,030 --> 00:41:45,599

mentality of the of the public because

1246

00:41:49,270 --> 00:41:47,040

you get millions and millions of people

1247

00:41:51,190 --> 00:41:49,280

watching and especially kids who will

1248

00:41:52,630 --> 00:41:51,200

watch it and assume that's the way it is

1249

00:41:54,069 --> 00:41:52,640

they don't hear the skeptical stories

1250

00:41:56,390 --> 00:41:54,079

they're hearing that kind of stuff and

1251

00:41:57,990 --> 00:41:56,400

it does move the the needle quite a bit

1252

00:41:59,829 --> 00:41:58,000

even now i mean in the old days you'd

1253

00:42:01,030 --> 00:41:59,839

have you know one documentary every two

1254

00:42:02,550 --> 00:42:01,040

years and everybody get all excited

1255

00:42:04,870 --> 00:42:02,560

there's a documentary coming now it's

1256

00:42:06,950 --> 00:42:04,880

like on tv every tv show has it

1257

00:42:09,030 --> 00:42:06,960

everybody realizes this is big numbers

1258

00:42:11,270 --> 00:42:09,040

you can get with ufo stuff so it's

1259

00:42:13,349 --> 00:42:11,280

inundating people and people are being

1260

00:42:15,510 --> 00:42:13,359

brainwashed they're being uh sort of

1261

00:42:17,670 --> 00:42:15,520

given this idea that all this you know

1262

00:42:19,109 --> 00:42:17,680

inter-dimensional stuff is is possible

1263

00:42:20,950 --> 00:42:19,119

and there's people coming from other

1264

00:42:22,710 --> 00:42:20,960

dimensions and stuff like that i don't

1265

00:42:24,470 --> 00:42:22,720

think people will be surprised at all

1266

00:42:26,470 --> 00:42:24,480

that i think what the hold up is what

1267

00:42:28,309 --> 00:42:26,480

what they're trying to block is the fact

1268

00:42:30,470 --> 00:42:28,319

that this is such powerful technology i

1269

00:42:32,470 --> 00:42:30,480

always said this is going to make

1270

00:42:34,470 --> 00:42:32,480

nuclear weapons look like matchsticks

1271

00:42:36,870 --> 00:42:34,480

the power that that's involved and the

1272

00:42:39,349 --> 00:42:36,880

ability to go into people's heads and

1273

00:42:41,030 --> 00:42:39,359

and and stuff like that this the mind

1274

00:42:43,349 --> 00:42:41,040

part of this thing and they've known

1275

00:42:46,150 --> 00:42:43,359

about this they had the memo to the

1276

00:42:48,790 --> 00:42:46,160

canadian government in 1950 that the red

1277

00:42:50,550 --> 00:42:48,800

the the american officials also told us

1278

00:42:52,390 --> 00:42:50,560

that other things may be associated with

1279

00:42:53,829 --> 00:42:52,400

the flying saucers such as mental

1280

00:42:55,270 --> 00:42:53,839

phenomena and they're not doing very

1281

00:42:56,630 --> 00:42:55,280

well because they said if the canadians

1282

00:42:58,309 --> 00:42:56,640

are working on it they're willing to

1283

00:43:00,470 --> 00:42:58,319

exchange credentials and talk to us

1284

00:43:01,990 --> 00:43:00,480

about it so in 1950 they already knew

1285

00:43:03,589 --> 00:43:02,000

mental phenomena was part of the ufo

1286

00:43:04,950 --> 00:43:03,599

phenomena that's something the general

1287

00:43:06,870 --> 00:43:04,960

public that's something that even the

1288

00:43:08,630 --> 00:43:06,880

ufo community hasn't caught on to yet a

1289

00:43:10,230 --> 00:43:08,640

lot of people will now be using the word

1290

00:43:11,670 --> 00:43:10,240

consciousness i don't think they realize

1291

00:43:13,430 --> 00:43:11,680

what they're talking about this is

1292

00:43:15,910 --> 00:43:13,440

really what it's all about it's this

1293

00:43:18,710 --> 00:43:15,920

whole idea that consciousness is the

1294

00:43:21,430 --> 00:43:18,720

basis of the universe and uh this idea

1295

00:43:24,829 --> 00:43:21,440

that you can maybe even meld a bird with

1296

00:43:26,710 --> 00:43:24,839

a piece of metal and move that that

1297

00:43:28,309 --> 00:43:26,720

biological uh

1298

00:43:29,990 --> 00:43:28,319

knowledge about how to fly into a piece

1299

00:43:31,670 --> 00:43:30,000

of metal i'm sure that kind of stuff is

1300

00:43:33,510 --> 00:43:31,680

what they're working on on leading edge

1301
00:43:34,950 --> 00:43:33,520
and i think they'll be damned if they're

1302
00:43:36,069 --> 00:43:34,960
gonna let that into the public they're

1303
00:43:37,589 --> 00:43:36,079
they're just not gonna because they'll

1304
00:43:39,109 --> 00:43:37,599
say oh the russians will pick it up the

1305
00:43:40,470 --> 00:43:39,119
russians are working on it the chinese

1306
00:43:41,750 --> 00:43:40,480
are working on it we've got to get it

1307
00:43:43,829 --> 00:43:41,760
first and it all comes down to this

1308
00:43:46,390 --> 00:43:43,839
thing about what's called lead time in

1309
00:43:48,630 --> 00:43:46,400
military even like the new the nuclear

1310
00:43:51,349 --> 00:43:48,640
bomb so you drop the bomb on hiroshima

1311
00:43:52,470 --> 00:43:51,359
nagasaki and they go to the empire in

1312
00:43:54,470 --> 00:43:52,480
japan and they say well they drop these

1313
00:43:55,910 --> 00:43:54,480

two atomic bombs okay well let's make an

1314

00:43:58,230 --> 00:43:55,920

atomic bomb and drop it i am and they

1315

00:43:59,670 --> 00:43:58,240

say we can't takes seven years to build

1316

00:44:02,069 --> 00:43:59,680

and that's the whole idea even if you're

1317

00:44:03,910 --> 00:44:02,079

one day ahead of your opposition in

1318

00:44:05,670 --> 00:44:03,920

terms of getting the secret you can win

1319

00:44:07,670 --> 00:44:05,680

the war it's all got to do with lead

1320

00:44:09,190 --> 00:44:07,680

time who's who's got the thing and can

1321

00:44:11,829 --> 00:44:09,200

you fight back if you've got if you have

1322

00:44:13,589 --> 00:44:11,839

to use your your super secret nuclear

1323

00:44:15,109 --> 00:44:13,599

weapon and that's what i think it's all

1324

00:44:17,430 --> 00:44:15,119

about it's about weapons it's about

1325

00:44:19,670 --> 00:44:17,440

protecting that idea that this

1326
00:44:21,589 --> 00:44:19,680
technology even some of the technology

1327
00:44:23,030 --> 00:44:21,599
you see the consciousness technology

1328
00:44:25,990 --> 00:44:23,040
where chris bledsoe i talked to him

1329
00:44:26,870 --> 00:44:26,000
about it and i have a couple of

1330
00:44:28,630 --> 00:44:26,880
um

1331
00:44:30,230 --> 00:44:28,640
terry lovelace talks about it as well

1332
00:44:32,470 --> 00:44:30,240
and this is stuff that just blows your

1333
00:44:34,470 --> 00:44:32,480
mind that the people describe they go to

1334
00:44:36,470 --> 00:44:34,480
the craft the crafts are 30 feet 30 feet

1335
00:44:38,550 --> 00:44:36,480
across they go inside the craft and it's

1336
00:44:40,069 --> 00:44:38,560
the size of a football stadium inside i

1337
00:44:41,510 --> 00:44:40,079
mean that kind of technology when you

1338
00:44:44,870 --> 00:44:41,520

see the cia

1339

00:44:46,710 --> 00:44:44,880

you go well like wow or what i said and

1340

00:44:48,630 --> 00:44:46,720

this has actually been confirmed now

1341

00:44:51,030 --> 00:44:48,640

that the the all the money the 22

1342

00:44:53,190 --> 00:44:51,040

million dollars went to assaf really

1343

00:44:54,470 --> 00:44:53,200

didn't go to atip they weren't really as

1344

00:44:56,550 --> 00:44:54,480

far as i'm concerned really weren't

1345

00:44:57,349 --> 00:44:56,560

interested in ufos they were interested

1346

00:45:02,470 --> 00:44:57,359

in

1347

00:45:03,990 --> 00:45:02,480

mutilations uh the what are the 20 ports

1348

00:45:05,910 --> 00:45:04,000

where they made things disappear

1349

00:45:07,349 --> 00:45:05,920

reappear where the wife goes in she

1350

00:45:09,589 --> 00:45:07,359

takes all the groceries out of the bag

1351

00:45:11,510 --> 00:45:09,599

but he puts the puts them in the in the

1352

00:45:12,790 --> 00:45:11,520

in the in the in the shelves and then

1353

00:45:14,470 --> 00:45:12,800

she goes to the next room comes back and

1354

00:45:16,069 --> 00:45:14,480

all the groceries are back in the bag

1355

00:45:18,069 --> 00:45:16,079

that's what they wanted to investigate

1356

00:45:19,670 --> 00:45:18,079

because you can just imagine if they

1357

00:45:21,589 --> 00:45:19,680

like when these three guys you they

1358

00:45:24,069 --> 00:45:21,599

always tell the skinwalker's story these

1359

00:45:25,990 --> 00:45:24,079

three guys who were so scared they can't

1360

00:45:27,589 --> 00:45:26,000

go back to the ranch what happened there

1361

00:45:29,109 --> 00:45:27,599

is these guys were armed and they were

1362

00:45:30,790 --> 00:45:29,119

hunting the skinwalker and they were

1363

00:45:33,510 --> 00:45:30,800

walking down that road and they got a

1364

00:45:36,150 --> 00:45:33,520

voice in their head that said leave you

1365

00:45:38,309 --> 00:45:36,160

are not welcome and they were so scared

1366

00:45:40,309 --> 00:45:38,319

they they they left these these special

1367

00:45:41,829 --> 00:45:40,319

forces guys and they they were afraid to

1368

00:45:43,430 --> 00:45:41,839

go back and it went back to their house

1369

00:45:45,430 --> 00:45:43,440

it was this uh

1370

00:45:47,990 --> 00:45:45,440

this hitchhiker effect which happens in

1371

00:45:50,150 --> 00:45:48,000

all paranormal it goes back and haunted

1372

00:45:51,990 --> 00:45:50,160

their families and stuff the the voice

1373

00:45:54,309 --> 00:45:52,000

in the head i mean if you can do that to

1374

00:45:56,470 --> 00:45:54,319

your enemy just go in there and talk in

1375

00:45:58,309 --> 00:45:56,480

their head that's what the intelligence

1376

00:45:59,990 --> 00:45:58,319

would like to have that's what the

1377

00:46:01,829 --> 00:46:00,000

cover-up i believe is all is about it's

1378

00:46:04,390 --> 00:46:01,839

that kind of technology there it's not

1379

00:46:07,430 --> 00:46:04,400

the fact that ufos exist it's the fact

1380

00:46:10,470 --> 00:46:07,440

that it has this absolutely unbelievable

1381

00:46:12,950 --> 00:46:10,480

ability to uh whoever gets it will rule

1382

00:46:14,069 --> 00:46:12,960

the world and uh it comes down to the

1383

00:46:16,150 --> 00:46:14,079

americans are going to get it before

1384

00:46:17,910 --> 00:46:16,160

anybody else and you know some people

1385

00:46:19,829 --> 00:46:17,920

have you know trillions of dollars that

1386

00:46:21,670 --> 00:46:19,839

they've thrown into this to try to back

1387

00:46:23,910 --> 00:46:21,680

engineer this thing to get this this

1388

00:46:24,870 --> 00:46:23,920

technology and even in the wilson leak

1389

00:46:26,550 --> 00:46:24,880

you'll see

1390

00:46:27,829 --> 00:46:26,560

that in some ways they have not been

1391

00:46:30,309 --> 00:46:27,839

able to do it in the wilson league

1392

00:46:32,790 --> 00:46:30,319

document at the very end it says we have

1393

00:46:34,390 --> 00:46:32,800

a craft we think it will fly

1394

00:46:36,470 --> 00:46:34,400

and that means they have a craft that's

1395

00:46:37,990 --> 00:46:36,480

intact totally intact but they can't

1396

00:46:39,829 --> 00:46:38,000

turn it on because you need a

1397

00:46:41,270 --> 00:46:39,839

consciousness interface to turn it on

1398

00:46:42,950 --> 00:46:41,280

they can't turn the craft on they've got

1399

00:46:44,309 --> 00:46:42,960

it but they can't turn it on and so it's

1400

00:46:46,390 --> 00:46:44,319

that kind of stuff that they're working

1401

00:46:48,710 --> 00:46:46,400

on to try to solve and they don't want

1402

00:46:50,309 --> 00:46:48,720

to solve it in the open public so that

1403

00:46:52,309 --> 00:46:50,319

the russians will pick it up and and

1404

00:46:54,069 --> 00:46:52,319

develop it before you will because it's

1405

00:46:55,270 --> 00:46:54,079

a game of cards so if you're playing a

1406

00:46:57,510 --> 00:46:55,280

game of cards with the russians are

1407

00:46:59,349 --> 00:46:57,520

chinese you put your cards down on table

1408

00:47:00,550 --> 00:46:59,359

and then the chinese say oh we're not

1409

00:47:02,150 --> 00:47:00,560

going to put our cards down the table

1410

00:47:04,069 --> 00:47:02,160

thank you very much and walk off and

1411

00:47:05,990 --> 00:47:04,079

they've got the one piece that they

1412

00:47:07,589 --> 00:47:06,000

needed you put your cards down so nobody

1413

00:47:09,109 --> 00:47:07,599

wants to put their cards on the table

1414

00:47:10,870 --> 00:47:09,119

because they're all missing pieces of

1415

00:47:13,750 --> 00:47:10,880

the puzzle and they're not going to give

1416

00:47:15,270 --> 00:47:13,760

the opposition a piece of the puzzle

1417

00:47:16,630 --> 00:47:15,280

grant just in the last few minutes we

1418

00:47:18,309 --> 00:47:16,640

have together i want to ask you some

1419

00:47:19,910 --> 00:47:18,319

listener questions i had quite a lot

1420

00:47:21,030 --> 00:47:19,920

sent in to me so we'll try and get

1421

00:47:22,150 --> 00:47:21,040

through a couple of these if you don't

1422

00:47:24,390 --> 00:47:22,160

mind

1423

00:47:26,069 --> 00:47:24,400

yeah and from david johnston uh he would

1424

00:47:28,069 --> 00:47:26,079

love to know whether you feel the

1425

00:47:30,069 --> 00:47:28,079

phenomenon is actively engaged in

1426
00:47:32,309 --> 00:47:30,079
influence influencing us through the

1427
00:47:33,910 --> 00:47:32,319
three eyes insight imagination and

1428
00:47:35,510 --> 00:47:33,920
intuition

1429
00:47:37,510 --> 00:47:35,520
absolutely that's what it's about it's a

1430
00:47:39,109 --> 00:47:37,520
if you look at

1431
00:47:40,630 --> 00:47:39,119
bigelow when they asked him what was

1432
00:47:42,470 --> 00:47:40,640
skinwalker ranch about you had the ranch

1433
00:47:44,549 --> 00:47:42,480
all those years what was going on he

1434
00:47:46,309 --> 00:47:44,559
said immediately messaging it's all

1435
00:47:47,910 --> 00:47:46,319
about messaging and it's about games

1436
00:47:49,910 --> 00:47:47,920
they play games with the thing it's

1437
00:47:52,309 --> 00:47:49,920
about messaging they're sending messages

1438
00:47:54,390 --> 00:47:52,319

uh to us uh this is this whole idea it's

1439

00:47:57,270 --> 00:47:54,400

gonna be very spiritual it's gonna be uh

1440

00:47:58,790 --> 00:47:57,280

this idea that these are just beings uh

1441

00:48:00,790 --> 00:47:58,800

all the world's a stage all the men and

1442

00:48:02,390 --> 00:48:00,800

women and aliens are but actors they

1443

00:48:03,990 --> 00:48:02,400

have their interests in exits it's this

1444

00:48:06,790 --> 00:48:04,000

whole idea that we may have agreed with

1445

00:48:09,589 --> 00:48:06,800

them it's the soul contract ideas and

1446

00:48:11,910 --> 00:48:09,599

all this very complex stuff that

1447

00:48:13,910 --> 00:48:11,920

as as i think some people have said we

1448

00:48:15,750 --> 00:48:13,920

are the aliens they are us that we are

1449

00:48:17,430 --> 00:48:15,760

we are connected with them so it's

1450

00:48:19,750 --> 00:48:17,440

basically our higher self or these

1451
00:48:22,069 --> 00:48:19,760
higher beings who have come in and it's

1452
00:48:23,829 --> 00:48:22,079
all about influencing us that's i call

1453
00:48:26,069 --> 00:48:23,839
it the theory of wow why do they have

1454
00:48:28,790 --> 00:48:26,079
lights on the craft so you can see them

1455
00:48:30,630 --> 00:48:28,800
grade one class in the in etude land or

1456
00:48:32,230 --> 00:48:30,640
wherever it is say how are we going to

1457
00:48:33,910 --> 00:48:32,240
get a message these people oh i'll put

1458
00:48:35,510 --> 00:48:33,920
lights on crafts and fly them around and

1459
00:48:37,109 --> 00:48:35,520
so that's what they do because i always

1460
00:48:38,710 --> 00:48:37,119
ask people when they see a ufo i say

1461
00:48:40,470 --> 00:48:38,720
what was it doing and they go

1462
00:48:42,309 --> 00:48:40,480
i wasn't doing anything and i say how

1463
00:48:44,630 --> 00:48:42,319

long did it last oh just a couple

1464

00:48:46,150 --> 00:48:44,640

seconds anybody see it no just me and

1465

00:48:47,990 --> 00:48:46,160

then you realize like do you think they

1466

00:48:49,910 --> 00:48:48,000

was you he wanted you to see it yeah i

1467

00:48:51,670 --> 00:48:49,920

think so people say this all the time

1468

00:48:53,990 --> 00:48:51,680

it's this idea that people are playing

1469

00:48:56,069 --> 00:48:54,000

these these games have agreed to it and

1470

00:48:58,150 --> 00:48:56,079

you're not in it for by accident you

1471

00:49:00,390 --> 00:48:58,160

didn't get into the ufo thing yeah it's

1472

00:49:02,309 --> 00:49:00,400

all about influencing it's all about uh

1473

00:49:03,589 --> 00:49:02,319

but the way they do it is not the way

1474

00:49:05,109 --> 00:49:03,599

the americans do it the americans go

1475

00:49:06,549 --> 00:49:05,119

into iraq and say we're here to bring

1476

00:49:08,069 --> 00:49:06,559

you freedom democracy jesus and

1477

00:49:09,430 --> 00:49:08,079

mcdonald's and next thing everybody's

1478

00:49:11,030 --> 00:49:09,440

pointing guns and they're inside the

1479

00:49:12,630 --> 00:49:11,040

blue zone and they're they're got

1480

00:49:15,190 --> 00:49:12,640

barricades and trying to save themselves

1481

00:49:17,670 --> 00:49:15,200

and stuff like that it's basically them

1482

00:49:19,430 --> 00:49:17,680

increa giving us these hints giving us

1483

00:49:21,430 --> 00:49:19,440

these little breadcrumbs and forcing us

1484

00:49:23,190 --> 00:49:21,440

to figure it out for ourselves they're

1485

00:49:24,870 --> 00:49:23,200

not going to step in as the canadians

1486

00:49:26,630 --> 00:49:24,880

were told unless there's a nuclear war

1487

00:49:28,150 --> 00:49:26,640

we're not going to step in

1488

00:49:29,589 --> 00:49:28,160

uh other than a nuclear war we're going

1489

00:49:31,750 --> 00:49:29,599

to allow the human race to stew in its

1490

00:49:33,670 --> 00:49:31,760

own juices so yes it's all about

1491

00:49:35,750 --> 00:49:33,680

influencing it's all about them trying

1492

00:49:37,990 --> 00:49:35,760

to give us messages that we're

1493

00:49:39,589 --> 00:49:38,000

destroying the ecology and they really

1494

00:49:41,349 --> 00:49:39,599

don't like nuclear weapons they don't

1495

00:49:43,510 --> 00:49:41,359

like the war stuff that's why you see

1496

00:49:44,630 --> 00:49:43,520

all the stuff around military the 100

1497

00:49:47,190 --> 00:49:44,640

100

1498

00:49:48,870 --> 00:49:47,200

ufos around this is all messaging it's

1499

00:49:51,190 --> 00:49:48,880

all about messaging

1500

00:49:53,430 --> 00:49:51,200

dave smithers asks what do you think the

1501

00:49:55,910 --> 00:49:53,440

influence of the collins elite is today

1502

00:49:58,069 --> 00:49:55,920

on disclosure you reported and do you

1503

00:50:00,150 --> 00:49:58,079

believe in magic that many in the cia

1504

00:50:02,950 --> 00:50:00,160

were believers in the end of days was

1505

00:50:04,549 --> 00:50:02,960

this linked to the collins elite

1506

00:50:06,870 --> 00:50:04,559

i don't think the collins elite has as

1507

00:50:09,190 --> 00:50:06,880

much power as it has before that's just

1508

00:50:11,750 --> 00:50:09,200

basically going to be uh sort of your

1509

00:50:13,990 --> 00:50:11,760

red states the southern states where

1510

00:50:16,390 --> 00:50:14,000

the religious idea is very very strong i

1511

00:50:17,589 --> 00:50:16,400

think they've lost a lot of power by

1512

00:50:19,750 --> 00:50:17,599

because they can't really speak out

1513

00:50:21,430 --> 00:50:19,760

they're sitting in the background and

1514

00:50:23,829 --> 00:50:21,440

they've gone after lou alexander trying

1515

00:50:25,829 --> 00:50:23,839

to to stop it i think they'll they'll

1516

00:50:28,470 --> 00:50:25,839

try to throw wrenches in it but it's way

1517

00:50:30,549 --> 00:50:28,480

beyond that one it's as again it's it's

1518

00:50:32,390 --> 00:50:30,559

cia you've got it actually in in

1519

00:50:33,670 --> 00:50:32,400

congress and congress is

1520

00:50:37,510 --> 00:50:33,680

going to shake this thing loose and

1521

00:50:39,910 --> 00:50:38,630

um

1522

00:50:41,510 --> 00:50:39,920

sheehan and people like this are going

1523

00:50:43,750 --> 00:50:41,520

to give them the clues as to where to

1524

00:50:44,870 --> 00:50:43,760

look and uh it's a different branch of

1525

00:50:46,470 --> 00:50:44,880

government i don't think it's a great

1526

00:50:48,150 --> 00:50:46,480

stock i don't think the collins elite

1527

00:50:50,630 --> 00:50:48,160

these religious people have as much

1528

00:50:52,150 --> 00:50:50,640

power as they used to have uh

1529

00:50:54,390 --> 00:50:52,160

because i think it's it's way beyond

1530

00:50:56,630 --> 00:50:54,400

that anymore it's it's out in where

1531

00:50:58,150 --> 00:50:56,640

nobody can stop it it's rolling and once

1532

00:50:59,990 --> 00:50:58,160

it is it's like a snowball once it

1533

00:51:02,069 --> 00:51:00,000

starts down the hill you just get out of

1534

00:51:04,390 --> 00:51:02,079

the way this thing is going to roll

1535

00:51:07,190 --> 00:51:04,400

and final question from stuart what does

1536

00:51:09,030 --> 00:51:07,200

grant think the ultimate outcome of ce5

1537

00:51:11,750 --> 00:51:09,040

contact attempts such as jimmy

1538

00:51:13,030 --> 00:51:11,760

blanchett's work will lead to

1539

00:51:14,630 --> 00:51:13,040

um i don't think it's going to be

1540

00:51:16,390 --> 00:51:14,640

anything that's going to break it

1541

00:51:18,870 --> 00:51:16,400

because it's again we put the message

1542

00:51:20,710 --> 00:51:18,880

out we showed how jimmy blaschat had had

1543

00:51:22,390 --> 00:51:20,720

actually got a code and he decoded this

1544

00:51:24,470 --> 00:51:22,400

thing and showed the message and stuff

1545

00:51:26,309 --> 00:51:24,480

and everybody just went yeah whatever

1546

00:51:28,150 --> 00:51:26,319

you know it's just like people

1547

00:51:29,910 --> 00:51:28,160

don't i think it's only the crash

1548

00:51:31,349 --> 00:51:29,920

sausage stuff that will affect people

1549

00:51:33,030 --> 00:51:31,359

there's a lot of people getting messages

1550

00:51:34,710 --> 00:51:33,040

there's two women in in great britain

1551
00:51:36,870 --> 00:51:34,720
who have contact with the beings and

1552
00:51:38,549 --> 00:51:36,880
i've actually gone through the first the

1553
00:51:39,510 --> 00:51:38,559
one woman and i've talked to the beings

1554
00:51:41,349 --> 00:51:39,520
and stuff

1555
00:51:43,750 --> 00:51:41,359
there's a lot of people who have direct

1556
00:51:45,910 --> 00:51:43,760
contact even uh john burroughs and he

1557
00:51:48,870 --> 00:51:45,920
he's he's keeping his thing secret but

1558
00:51:50,390 --> 00:51:48,880
in his uh his regression tape he goes

1559
00:51:51,990 --> 00:51:50,400
into a direct contact he's actually

1560
00:51:53,750 --> 00:51:52,000
talking to the aliens and that's why he

1561
00:51:55,270 --> 00:51:53,760
doesn't want to release the the tape

1562
00:51:56,950 --> 00:51:55,280
because it'll appear like he's totally

1563
00:51:58,630 --> 00:51:56,960

crazy so you get this kind of stuff

1564

00:52:00,150 --> 00:51:58,640

where it's a lot of people

1565

00:52:01,430 --> 00:52:00,160

claiming contact and they're the people

1566

00:52:02,790 --> 00:52:01,440

you've got to listen to

1567

00:52:03,990 --> 00:52:02,800

you don't want to listen to the

1568

00:52:06,470 --> 00:52:04,000

government necessarily because they may

1569

00:52:07,670 --> 00:52:06,480

not know it and and a lot of government

1570

00:52:09,430 --> 00:52:07,680

people have realized that's what they

1571

00:52:11,109 --> 00:52:09,440

said to chris bledsoe when chris bledsoe

1572

00:52:12,790 --> 00:52:11,119

said to them because he's had everybody

1573

00:52:14,790 --> 00:52:12,800

there he's like showing a general how he

1574

00:52:16,950 --> 00:52:14,800

flew the craft the u.s air force general

1575

00:52:18,390 --> 00:52:16,960

he's had cia nsa

1576

00:52:20,870 --> 00:52:18,400

uh you know

1577

00:52:22,470 --> 00:52:20,880

oh and i everybody's been there and nasa

1578

00:52:24,230 --> 00:52:22,480

and stuff like that and he said to him

1579

00:52:25,990 --> 00:52:24,240

he said boy how come you you government

1580

00:52:27,670 --> 00:52:26,000

guys are always at my place what's why

1581

00:52:29,750 --> 00:52:27,680

why do you have to come to see me he

1582

00:52:31,910 --> 00:52:29,760

said well the one guy said well they

1583

00:52:33,430 --> 00:52:31,920

don't really talk to us they seem to be

1584

00:52:35,270 --> 00:52:33,440

talking to you so we want to know what's

1585

00:52:36,309 --> 00:52:35,280

going on and that's what you need to do

1586

00:52:38,230 --> 00:52:36,319

and that's what i've done for a number

1587

00:52:40,069 --> 00:52:38,240

of years is you go to the people who are

1588

00:52:41,589 --> 00:52:40,079

actually in contact with the with the

1589

00:52:43,510 --> 00:52:41,599

beings who have been on board the ship

1590

00:52:45,109 --> 00:52:43,520

who are getting the messages and and

1591

00:52:47,349 --> 00:52:45,119

they're the ones that have the the

1592

00:52:49,030 --> 00:52:47,359

message the the ufo sightings just show

1593

00:52:50,950 --> 00:52:49,040

us that something's going on but you got

1594

00:52:52,950 --> 00:52:50,960

to get past the ufo sightings and you

1595

00:52:55,190 --> 00:52:52,960

got to get to uh finding out people who

1596

00:52:57,270 --> 00:52:55,200

have interacted with the beings and find

1597

00:52:58,870 --> 00:52:57,280

out what they what they have because a

1598

00:53:00,790 --> 00:52:58,880

lot of it is just show like for example

1599

00:53:02,390 --> 00:53:00,800

the metals i believe is just a ports

1600

00:53:03,910 --> 00:53:02,400

that i even said the hell put off i said

1601
00:53:05,589 --> 00:53:03,920
come on hell i mean they come across the

1602
00:53:06,870 --> 00:53:05,599
galaxy and then little pieces start

1603
00:53:08,470 --> 00:53:06,880
falling off the craft this doesn't make

1604
00:53:09,349 --> 00:53:08,480
any sense i mean this is called total

1605
00:53:10,710 --> 00:53:09,359
nuts

1606
00:53:11,990 --> 00:53:10,720
it's like the theory of wow they're

1607
00:53:13,670 --> 00:53:12,000
going along and say hey let's drop a

1608
00:53:15,510 --> 00:53:13,680
piece of metal i'll already get them

1609
00:53:17,430 --> 00:53:15,520
going and then they go and they analyze

1610
00:53:19,510 --> 00:53:17,440
it and then the isotopes are wrong in

1611
00:53:21,109 --> 00:53:19,520
one part and and good in another part

1612
00:53:22,230 --> 00:53:21,119
the same piece of metal the isotopes are

1613
00:53:23,510 --> 00:53:22,240

different two different types of

1614

00:53:25,670 --> 00:53:23,520

isotopes and then they say well this

1615

00:53:27,670 --> 00:53:25,680

could be made on earth that's how you

1616

00:53:28,710 --> 00:53:27,680

you raise consciousness every you can't

1617

00:53:31,270 --> 00:53:28,720

figure it out it doesn't get you

1618

00:53:32,390 --> 00:53:31,280

anywhere but it again confirms we aren't

1619

00:53:34,069 --> 00:53:32,400

alone there's something going on

1620

00:53:36,390 --> 00:53:34,079

something's visiting us and that's what

1621

00:53:38,790 --> 00:53:36,400

they're trying to do and according to

1622

00:53:40,470 --> 00:53:38,800

the the core story uh they may not be

1623

00:53:41,670 --> 00:53:40,480

doing very well which is maybe why they

1624

00:53:43,990 --> 00:53:41,680

try to put this thing in the in the

1625

00:53:45,670 --> 00:53:44,000

public so that that ordinary scientists

1626
00:53:47,349 --> 00:53:45,680
can work because i always tell the story

1627
00:53:48,390 --> 00:53:47,359
about the core story where hal put off

1628
00:53:49,829 --> 00:53:48,400
eric

1629
00:53:52,150 --> 00:53:49,839
hell put off

1630
00:53:54,069 --> 00:53:52,160
uh jacques valet and kit greene met at

1631
00:53:55,430 --> 00:53:54,079
denny's restaurant and they've confirmed

1632
00:53:56,710 --> 00:53:55,440
the story is true they made it to

1633
00:53:58,069 --> 00:53:56,720
denny's restaurant they said there's all

1634
00:53:59,430 --> 00:53:58,079
this garbage in the ufo community and

1635
00:54:00,950 --> 00:53:59,440
this before the internet and stuff

1636
00:54:02,390 --> 00:54:00,960
there's all these weird stories going we

1637
00:54:04,470 --> 00:54:02,400
don't know what to believe what do we

1638
00:54:06,950 --> 00:54:04,480

know for sure and what they came up with

1639

00:54:09,190 --> 00:54:06,960

we are being visited by something

1640

00:54:11,109 --> 00:54:09,200

uh there has been a crash technology has

1641

00:54:13,349 --> 00:54:11,119

been recovered and we aren't doing very

1642

00:54:14,710 --> 00:54:13,359

well back engineering the technology

1643

00:54:15,750 --> 00:54:14,720

that i think is the situation that's why

1644

00:54:18,150 --> 00:54:15,760

they're trying to put it out in the

1645

00:54:19,829 --> 00:54:18,160

public because when you get it in the in

1646

00:54:21,030 --> 00:54:19,839

the classified world you've got one

1647

00:54:22,710 --> 00:54:21,040

piece of the craft i got another piece

1648

00:54:24,870 --> 00:54:22,720

of craft you're not talking to me i'm

1649

00:54:27,430 --> 00:54:24,880

not talking to you no there's no cost

1650

00:54:28,549 --> 00:54:27,440

connection uh and that's why it's all

1651

00:54:30,230 --> 00:54:28,559

falling apart because all the

1652

00:54:32,069 --> 00:54:30,240

classification so if you get it into the

1653

00:54:35,109 --> 00:54:32,079

white world where ordinary scientists

1654

00:54:36,870 --> 00:54:35,119

can get it it's all public and they

1655

00:54:38,470 --> 00:54:36,880

that's what they're hoping is that the

1656

00:54:40,150 --> 00:54:38,480

white world will help

1657

00:54:41,990 --> 00:54:40,160

unlock some of the things they haven't

1658

00:54:44,069 --> 00:54:42,000

unlocked unfortunately still in the

1659

00:54:46,069 --> 00:54:44,079

background these military people will be

1660

00:54:47,349 --> 00:54:46,079

sitting there waiting for the white

1661

00:54:49,589 --> 00:54:47,359

world to get these secrets and they're

1662

00:54:51,430 --> 00:54:49,599

going to be converted into weapons

1663

00:54:53,990 --> 00:54:51,440

which is just exactly opposite of what

1664

00:54:55,270 --> 00:54:54,000

the beings want want to happen this this

1665

00:54:57,109 --> 00:54:55,280

idea that we're going to use it to kill

1666

00:54:59,270 --> 00:54:57,119

people and and to go into people's heads

1667

00:55:00,630 --> 00:54:59,280

and stuff so

1668

00:55:01,990 --> 00:55:00,640

it's going to it's going to come out

1669

00:55:03,829 --> 00:55:02,000

because you've got a lot of white world

1670

00:55:05,750 --> 00:55:03,839

people who are now accepting it

1671

00:55:06,950 --> 00:55:05,760

scientists and it's going to be worked

1672

00:55:08,309 --> 00:55:06,960

on and you're going to see a lot of

1673

00:55:11,109 --> 00:55:08,319

answers i think this thing's going to

1674

00:55:13,349 --> 00:55:11,119

roll really fast from now on i i'm i'm

1675

00:55:14,950 --> 00:55:13,359

shocked at how fast it's gone and i

1676

00:55:16,870 --> 00:55:14,960

would not be surprised anything

1677

00:55:19,670 --> 00:55:16,880

happening now in terms of disclosure

1678

00:55:20,390 --> 00:55:19,680

it's it's me me it's it's over it's it's

1679

00:55:22,309 --> 00:55:20,400

as

1680

00:55:24,309 --> 00:55:22,319

john lear used to say it's all over

1681

00:55:25,990 --> 00:55:24,319

except for the screaming and crying and

1682

00:55:28,309 --> 00:55:26,000

and i think that's the where where we're

1683

00:55:30,549 --> 00:55:28,319

at it's it's rolling and there's nothing

1684

00:55:32,230 --> 00:55:30,559

anybody can do to stop it

1685

00:55:33,510 --> 00:55:32,240

grant it's always an absolute pleasure

1686

00:55:35,270 --> 00:55:33,520

and i do mean that to speak to you

1687

00:55:37,910 --> 00:55:35,280

you've been fascinating do you have a

1688

00:55:39,589 --> 00:55:37,920

time scale on that book ufo sky pilots

1689

00:55:41,270 --> 00:55:39,599

because that does sound fascinating when

1690

00:55:43,030 --> 00:55:41,280

that could be getting released i

1691

00:55:45,589 --> 00:55:43,040

actually have six books coming out but

1692

00:55:48,549 --> 00:55:45,599

my my editor just got a job so she's in

1693

00:55:50,710 --> 00:55:48,559

ontario now desta barnaby and so it will

1694

00:55:53,030 --> 00:55:50,720

be during the winter because she they

1695

00:55:55,270 --> 00:55:53,040

build ponds in people's backyards so

1696

00:55:56,230 --> 00:55:55,280

that'll go till probably october and

1697

00:55:57,430 --> 00:55:56,240

then she's going to work on the book

1698

00:55:59,190 --> 00:55:57,440

that'll be one of the

1699

00:56:00,950 --> 00:55:59,200

that book is coming out and a book on a

1700

00:56:03,190 --> 00:56:00,960

ports and manifestations which happens a

1701
00:56:05,510 --> 00:56:03,200
lot in the ufo community where things

1702
00:56:07,270 --> 00:56:05,520
are dropped pieces of metal uh all this

1703
00:56:09,109 --> 00:56:07,280
kind of stuff and and reappear and

1704
00:56:10,309 --> 00:56:09,119
disappear and stuff like that so those

1705
00:56:11,670 --> 00:56:10,319
would be two of the books i've got

1706
00:56:14,549 --> 00:56:11,680
coming out and i got a book coming out

1707
00:56:16,069 --> 00:56:14,559
on what i learned in 46 years of ufo

1708
00:56:18,710 --> 00:56:16,079
research i have about six books coming

1709
00:56:20,710 --> 00:56:18,720
out they'll be coming out say october to

1710
00:56:22,150 --> 00:56:20,720
uh next april

1711
00:56:23,910 --> 00:56:22,160
i'll be picking those up and i'm sure

1712
00:56:25,510 --> 00:56:23,920
plenty of listeners will too grant again
