KNA?? & KELLEHER YEAR IN REVIEW (SO FAR)

1
00:00:04,710 --> 00:00:02,470
i i think their desperation isn't as

2
00:00:06,230 --> 00:00:04,720
increased and anybody who comes forward

3
00:00:08,310 --> 00:00:06,240
to advance hey there's something

4
00:00:10,310 --> 00:00:08,320
interesting going on here gets attacked

5
00:00:12,390 --> 00:00:10,320
and the attacks have become much more

6
00:00:14,390 --> 00:00:12,400
personal in the last couple of months

7
00:00:16,630 --> 00:00:14,400
than we've seen for a long time i'm on

8
00:00:18,870 --> 00:00:16,640
the receiving end of it i i see it i

9
00:00:20,550 --> 00:00:18,880
know it comes with the territory

10
00:00:23,029 --> 00:00:20,560
now travis taylor sees it in the same

11
00:00:25,029 --> 00:00:23,039
thing and that and the fact that this is

12
00:00:26,470 --> 00:00:25,039
sent out as a warning shot to anybody

13
00:00:28,950 --> 00:00:26,480

else who might be studying this and

14

00:00:30,710 --> 00:00:28,960

taking it seriously that is the the

15

00:00:32,470 --> 00:00:30,720

message that needs to come across to the

16

00:00:33,750 --> 00:00:32,480

public is this is an attempt to

17

00:00:36,470 --> 00:00:33,760

intimidate

18

00:00:39,030 --> 00:00:36,480

and debunk uh prior to even seeing the

19

00:00:40,869 --> 00:00:39,040

information so i i have no problem with

20

00:00:42,709 --> 00:00:40,879

him wearing those two hats

21

00:00:46,069 --> 00:00:42,719

and the fact that the guy has written a

22

00:00:49,110 --> 00:00:46,079

bunch of uh sci-fi novels he has five

23

00:00:51,430 --> 00:00:49,120

degrees he's written 14 books he you

24

00:00:53,270 --> 00:00:51,440

know that that was also presented as

25

00:00:55,670 --> 00:00:53,280

well that's a disqualifier he's a true

26

00:00:57,189 --> 00:00:55,680

believer if he writes sci-fi novels it

27

00:00:59,750 --> 00:00:57,199

makes him a true believer that's not

28

00:01:02,150 --> 00:00:59,760

true if you know sci-fi writers are

29

00:01:03,510 --> 00:01:02,160

hostile to the ufo topic historically

30

00:01:06,550 --> 00:01:03,520

they're not they don't embrace it they

31

00:01:09,030 --> 00:01:06,560

hate it uh so you know the fact that he

32

00:01:10,950 --> 00:01:09,040

has that much time and energy and is

33

00:01:13,109 --> 00:01:10,960

interested in the big wide world around

34

00:01:15,830 --> 00:01:13,119

us those are all pluses as far as i'm

35

00:01:17,749 --> 00:01:15,840

concerned and i'm so glad that he

36

00:01:19,910 --> 00:01:17,759

had the courage to take on those jobs

37

00:01:21,670 --> 00:01:19,920

i'm so glad that he's sticking with it

38

00:01:23,350 --> 00:01:21,680

and i hope that other people who are out

39

00:01:25,830 --> 00:01:23,360

there thinking of doing the same thing

40

00:01:28,310 --> 00:01:25,840

are not intimidated by these jerks who
