

BREAKING NEWS: 
CALVINE REVEALED

1
00:00:03,750 --> 00:00:01,350
[Music]

2
00:00:06,070 --> 00:00:03,760
hi this is sean cahill and you're

3
00:00:08,549 --> 00:00:06,080
listening to that ufo podcast

4
00:00:11,030 --> 00:00:08,559
[Music]

5
00:00:13,589 --> 00:00:11,040
hi everyone and welcome back to that ufo

6
00:00:15,749 --> 00:00:13,599
podcast it's a breaking news pod and

7
00:00:18,150 --> 00:00:15,759
joining me isn't dan as he is busy with

8
00:00:20,630 --> 00:00:18,160
the phenomenology season finale premiere

9
00:00:22,550 --> 00:00:20,640
right now very fancy um i have graham

10
00:00:24,230 --> 00:00:22,560
rendell colleague and friend from uap

11
00:00:26,070 --> 00:00:24,240
media joining me for this one how are we

12
00:00:28,950 --> 00:00:26,080
graham hi andy i'm fine how are you

13
00:00:30,950 --> 00:00:28,960

doing i am good i am just off of an

14

00:00:32,790 --> 00:00:30,960

interview with john greenwald and at the

15

00:00:34,950 --> 00:00:32,800

end of this you're going to hear that's

16

00:00:36,069 --> 00:00:34,960

only going to be 5 10 15 minutes we

17

00:00:38,069 --> 00:00:36,079

don't know yet we're just going to go

18

00:00:40,549 --> 00:00:38,079

for it and you'll hear john greenwald's

19

00:00:42,950 --> 00:00:40,559

thoughts on the calvin photograph which

20

00:00:44,630 --> 00:00:42,960

has been officially dropped and released

21

00:00:48,229 --> 00:00:44,640

and today as we discuss this it's the

22

00:00:49,990 --> 00:00:48,239

12th of august 2022. now calvin graham

23

00:00:51,830 --> 00:00:50,000

is a topic you know your history and

24

00:00:54,150 --> 00:00:51,840

this isn't even going back too far for

25

00:00:57,350 --> 00:00:54,160

what you know but calvin is an incident

26

00:00:59,670 --> 00:00:57,360

that happened in 1990 i believe

27

00:01:01,670 --> 00:00:59,680

north west of scotland is that correct

28

00:01:03,510 --> 00:01:01,680

uh 4th of august 1919 you're more

29

00:01:05,590 --> 00:01:03,520

looking in the central highlands so it's

30

00:01:07,990 --> 00:01:05,600

just like north of perth uh by about

31

00:01:09,429 --> 00:01:08,000

sort of 30 miles uh so it's not quite

32

00:01:11,190 --> 00:01:09,439

the highlands sorry not quite the

33

00:01:13,030 --> 00:01:11,200

northwest of scotland it's more that

34

00:01:14,310 --> 00:01:13,040

it's more just north of the central belt

35

00:01:16,390 --> 00:01:14,320

kind of area

36

00:01:19,190 --> 00:01:16,400

so there we go i was i was close i was

37

00:01:22,310 --> 00:01:19,200

within several hundred miles

38

00:01:24,950 --> 00:01:22,320

500 miles and 500 more however the event

39

00:01:27,670 --> 00:01:24,960

itself's been kind of mythical hasn't it

40

00:01:28,789 --> 00:01:27,680

in terms of one nick pope has made quite

41

00:01:31,510 --> 00:01:28,799

a career

42

00:01:34,710 --> 00:01:31,520

discussing this photograph as part of it

43

00:01:36,390 --> 00:01:34,720

um it's been famed for a long time that

44

00:01:39,350 --> 00:01:36,400

some gents

45

00:01:41,830 --> 00:01:39,360

on a walking trip shall we say as there

46

00:01:44,550 --> 00:01:41,840

are many stories that go uh saw a

47

00:01:46,710 --> 00:01:44,560

diamond shapecraft took a photo of it it

48

00:01:48,069 --> 00:01:46,720

was being escorted pursued whatever it

49

00:01:51,270 --> 00:01:48,079

may have been by

50

00:01:53,190 --> 00:01:51,280

a fighter jet or a jet of some sort and

51
00:01:54,789 --> 00:01:53,200
they were just in the right place at the

52
00:01:56,870 --> 00:01:54,799
right time or the wrong place at the

53
00:01:58,950 --> 00:01:56,880
right time however you want to see it

54
00:02:01,190 --> 00:01:58,960
and this photograph has never surfaced

55
00:02:03,190 --> 00:02:01,200
it's been now 32 years

56
00:02:04,870 --> 00:02:03,200
and we saw the negatives of it recently

57
00:02:07,510 --> 00:02:04,880
which showed the kind of shadows and

58
00:02:10,389 --> 00:02:07,520
outline of what the objects may be um

59
00:02:12,550 --> 00:02:10,399
but our colleagues at uap media dr david

60
00:02:14,550 --> 00:02:12,560
clark and vinnie adams of disclosure

61
00:02:16,229 --> 00:02:14,560
team both of them you've heard on here

62
00:02:18,710 --> 00:02:16,239
uh along with a few other people have

63
00:02:20,070 --> 00:02:18,720

managed to get a copy of the actual

64

00:02:22,070 --> 00:02:20,080

photograph having the graham and

65

00:02:23,910 --> 00:02:22,080

released that in public yeah that's

66

00:02:25,910 --> 00:02:23,920

right i mean there were six images taken

67

00:02:27,670 --> 00:02:25,920

apparently at the time and they were

68

00:02:30,869 --> 00:02:27,680

they were passed eventually to the

69

00:02:33,190 --> 00:02:30,879

ministry of defense um who then say they

70

00:02:35,350 --> 00:02:33,200

sent them back to the the people the

71

00:02:36,790 --> 00:02:35,360

daily record who they got them from but

72

00:02:39,670 --> 00:02:36,800

you know they say they never got them

73

00:02:41,430 --> 00:02:39,680

and they never got them from the mod um

74

00:02:42,869 --> 00:02:41,440

the there weren't actually it wasn't

75

00:02:45,430 --> 00:02:42,879

actually a negative that appeared in the

76
00:02:47,509 --> 00:02:45,440
and files it was a line drawing which i

77
00:02:49,190 --> 00:02:47,519
believe was a copy of a line drawn which

78
00:02:52,070 --> 00:02:49,200
was done for comparison and measurement

79
00:02:53,830 --> 00:02:52,080
purposes and also um you know the image

80
00:02:55,350 --> 00:02:53,840
analysis and that was done from a

81
00:02:57,750 --> 00:02:55,360
negative so that that's where the

82
00:03:00,229 --> 00:02:57,760
negative comes in but you know those

83
00:03:01,830 --> 00:03:00,239
apparently had gone missing and for say

84
00:03:03,670 --> 00:03:01,840
32 years it's been a mystery as to

85
00:03:05,670 --> 00:03:03,680
whether they still exist and obviously

86
00:03:09,430 --> 00:03:05,680
now that mystery has been solved one of

87
00:03:12,309 --> 00:03:09,440
the images was uh kept by um the press

88
00:03:15,270 --> 00:03:12,319

officer who was a liaison between um you

89

00:03:18,070 --> 00:03:15,280

know the rf um and um

90

00:03:20,949 --> 00:03:18,080

and so the daily record and the mod and

91

00:03:23,110 --> 00:03:20,959

he somehow retained one of these six

92

00:03:24,309 --> 00:03:23,120

images at least and that's the one that

93

00:03:26,309 --> 00:03:24,319

surfaced

94

00:03:28,229 --> 00:03:26,319

so graham described for is what we're

95

00:03:31,350 --> 00:03:28,239

seeing in the image and if you've seen

96

00:03:34,229 --> 00:03:31,360

the cgi recreation that is often shared

97

00:03:36,550 --> 00:03:34,239

by nick pope of the the photograph it's

98

00:03:38,630 --> 00:03:36,560

pretty close isn't it as to what people

99

00:03:40,070 --> 00:03:38,640

have seen it's pretty close apart from

100

00:03:41,990 --> 00:03:40,080

the the

101
00:03:44,949 --> 00:03:42,000
the hills in the background because you

102
00:03:47,509 --> 00:03:44,959
don't see those on the image so in some

103
00:03:48,789 --> 00:03:47,519
ways unless of course it's a really bad

104
00:03:51,350 --> 00:03:48,799
day and we're just looking at a very

105
00:03:53,509 --> 00:03:51,360
uniform gray sky in the actual image

106
00:03:55,750 --> 00:03:53,519
itself when you see it you'll see a line

107
00:03:58,470 --> 00:03:55,760
of fence posts along the bottom and then

108
00:04:00,309 --> 00:03:58,480
on the top you'll see um some foliage so

109
00:04:01,750 --> 00:04:00,319
it's clearly been taken from just in the

110
00:04:04,070 --> 00:04:01,760
vicinity of some trees and i believe the

111
00:04:06,149 --> 00:04:04,080
story is that the witnesses actually hid

112
00:04:08,630 --> 00:04:06,159
in the trees to start with and then sort

113
00:04:10,470 --> 00:04:08,640

of popped out to take the pictures um so

114

00:04:11,910 --> 00:04:10,480

that that explains that and then you've

115

00:04:13,509 --> 00:04:11,920

got this diamond-shaped craft in the

116

00:04:15,509 --> 00:04:13,519

distance we can't tell how far away it

117

00:04:16,789 --> 00:04:15,519

is because we don't know what type of

118

00:04:19,509 --> 00:04:16,799

craft is therefore we don't know the

119

00:04:20,550 --> 00:04:19,519

dimensions in terms of size and then

120

00:04:23,189 --> 00:04:20,560

also

121

00:04:24,870 --> 00:04:23,199

what looks to be but again it could be

122

00:04:26,870 --> 00:04:24,880

it could be a huge craft and this

123

00:04:28,629 --> 00:04:26,880

aircraft is actually you know closer to

124

00:04:30,230 --> 00:04:28,639

the camera or it could be much further

125

00:04:32,310 --> 00:04:30,240

away so

126
00:04:35,270 --> 00:04:32,320
there's some questions there but it's

127
00:04:38,629 --> 00:04:35,280
against a fairly uniform gray sky with a

128
00:04:40,230 --> 00:04:38,639
few variations of cloud uh but that's it

129
00:04:41,990 --> 00:04:40,240
but when you see the recreation that

130
00:04:45,110 --> 00:04:42,000
nick pope said he had up bunnies on his

131
00:04:47,590 --> 00:04:45,120
wall in in the secretariat office then

132
00:04:49,189 --> 00:04:47,600
that recreation has kind of hills and

133
00:04:51,110 --> 00:04:49,199
mountains in the background you don't

134
00:04:53,590 --> 00:04:51,120
see those in the image

135
00:04:55,909 --> 00:04:53,600
i think as well in terms of the image

136
00:04:57,670 --> 00:04:55,919
i've seen already some folks online

137
00:04:59,430 --> 00:04:57,680
saying because of the angle we're

138
00:05:00,550 --> 00:04:59,440

looking at it flush on from the side

139

00:05:02,469 --> 00:05:00,560

almost

140

00:05:03,670 --> 00:05:02,479

that you wouldn't be able to see any

141

00:05:04,710 --> 00:05:03,680

wings

142

00:05:06,390 --> 00:05:04,720

or

143

00:05:07,909 --> 00:05:06,400

i think you can look at the image and

144

00:05:09,430 --> 00:05:07,919

it's pretty clear that if there were

145

00:05:11,029 --> 00:05:09,440

wings on this object they would have

146

00:05:12,950 --> 00:05:11,039

been tiny

147

00:05:14,390 --> 00:05:12,960

and witness testimony is that the

148

00:05:17,189 --> 00:05:14,400

objects apparently it was there for

149

00:05:19,430 --> 00:05:17,199

around 10 minutes going quite silent and

150

00:05:21,510 --> 00:05:19,440

almost hovering and then shot off into

151

00:05:23,590 --> 00:05:21,520

the sky at quite a pace is that that

152

00:05:25,189 --> 00:05:23,600

correctly yeah the the witnesses don't

153

00:05:27,110 --> 00:05:25,199

mention wings of any description they

154

00:05:28,710 --> 00:05:27,120

all they say was it was a diamond-shaped

155

00:05:29,990 --> 00:05:28,720

craft and

156

00:05:31,350 --> 00:05:30,000

you know you have to we'll have to

157

00:05:33,029 --> 00:05:31,360

believe them that they were watching it

158

00:05:34,629 --> 00:05:33,039

as you say for about 10 minutes before

159

00:05:36,790 --> 00:05:34,639

it shot vertically in the into the air

160

00:05:38,469 --> 00:05:36,800

and disappeared it's not a fair point

161

00:05:40,230 --> 00:05:38,479

you're a bit of an aviation buff and an

162

00:05:42,950 --> 00:05:40,240

aviation expert if your your back

163

00:05:45,430 --> 00:05:42,960

catalog of books is anything to go by is

164

00:05:47,990 --> 00:05:45,440

it fair to say that the object may have

165

00:05:50,150 --> 00:05:48,000

had wings and well if they did

166

00:05:52,390 --> 00:05:50,160

if they did they were very thin or very

167

00:05:53,990 --> 00:05:52,400

small or both so because they're cut

168

00:05:55,990 --> 00:05:54,000

they're not really detectable on the

169

00:05:57,189 --> 00:05:56,000

image um some people have tried to say

170

00:06:00,150 --> 00:05:57,199

well look this could be the hopeless

171

00:06:02,150 --> 00:06:00,160

diamond the um the f117 um sort of

172

00:06:03,670 --> 00:06:02,160

prototype or one of the really early

173

00:06:06,550 --> 00:06:03,680

prototypes

174

00:06:08,950 --> 00:06:06,560

seen from maybe above um or from the

175

00:06:11,189 --> 00:06:08,960

side well it has a certain resemblance

176

00:06:12,870 --> 00:06:11,199

but not much of a one um so the you know

177

00:06:14,950 --> 00:06:12,880

people have put forward various things

178

00:06:16,870 --> 00:06:14,960

um over the months and years to try and

179

00:06:19,270 --> 00:06:16,880

explain this thing away but none of them

180

00:06:21,029 --> 00:06:19,280

are really very satisfactory um and they

181

00:06:22,150 --> 00:06:21,039

don't really match anything that that we

182

00:06:23,189 --> 00:06:22,160

know of

183

00:06:24,629 --> 00:06:23,199

um so

184

00:06:25,909 --> 00:06:24,639

we're still sort of shooting a bit in

185

00:06:27,430 --> 00:06:25,919

the dark really just to work out what

186

00:06:29,110 --> 00:06:27,440

this thing is

187

00:06:30,629 --> 00:06:29,120

now i don't want to go into the story

188

00:06:32,150 --> 00:06:30,639

too much in terms of how this has come

189

00:06:34,629 --> 00:06:32,160

out i'm going to put the links in the

190

00:06:36,550 --> 00:06:34,639

description of the article and i think

191

00:06:39,110 --> 00:06:36,560

it's best placed at vinnie and david

192

00:06:40,790 --> 00:06:39,120

clark when they record their podcast and

193

00:06:42,150 --> 00:06:40,800

get to share that story so we'll leave

194

00:06:43,590 --> 00:06:42,160

that up to them and people should go

195

00:06:45,590 --> 00:06:43,600

check out the articles as well through

196

00:06:48,950 --> 00:06:45,600

uap media dot uk

197

00:06:52,230 --> 00:06:48,960

uh in your opinion graeme what does this

198

00:06:54,070 --> 00:06:52,240

image add to the calvin story

199

00:06:56,230 --> 00:06:54,080

and also i'm going to press you as much

200

00:06:58,150 --> 00:06:56,240

as you don't like to speculate what

201

00:06:59,830 --> 00:06:58,160

could we be looking at here

202

00:07:02,230 --> 00:06:59,840

well in terms of what it adds i mean

203

00:07:04,469 --> 00:07:02,240

we're no longer relying on this crude

204

00:07:07,749 --> 00:07:04,479

black and white effectively photocopied

205

00:07:10,710 --> 00:07:07,759

line drawing um which you know it was it

206

00:07:12,550 --> 00:07:10,720

looked blurred it looked cartoonish even

207

00:07:13,270 --> 00:07:12,560

it didn't really give anybody anything

208

00:07:16,309 --> 00:07:13,280

just

209

00:07:18,150 --> 00:07:16,319

beyond a vague idea of what was being

210

00:07:19,830 --> 00:07:18,160

seen along with the witness statement so

211

00:07:21,830 --> 00:07:19,840

we now actually have the image it's

212

00:07:23,510 --> 00:07:21,840

something tangible it's something that

213

00:07:26,309 --> 00:07:23,520

has been rumored for a long time to

214

00:07:28,710 --> 00:07:26,319

exist and now we finally have one so

215

00:07:30,629 --> 00:07:28,720

people can do you know work their magic

216

00:07:32,550 --> 00:07:30,639

with uh with image analysis and all the

217

00:07:34,629 --> 00:07:32,560

rest of it people who are much more

218

00:07:36,309 --> 00:07:34,639

better than you know me than looking at

219

00:07:38,390 --> 00:07:36,319

pictures to try and determine what's

220

00:07:41,350 --> 00:07:38,400

going on so they can have a field date

221

00:07:42,830 --> 00:07:41,360

with this um so yeah so that's you know

222

00:07:46,309 --> 00:07:42,840

really where that comes

223

00:07:47,909 --> 00:07:46,319

from but what is it well

224

00:07:49,189 --> 00:07:47,919

yeah i don't like to speculate as you

225

00:07:52,390 --> 00:07:49,199

say and i know you're going to push me

226

00:07:56,309 --> 00:07:54,550

i've sat beside graham for coffees and

227

00:07:59,510 --> 00:07:56,319

he won't speculate on things and it's

228

00:08:01,189 --> 00:07:59,520

very frustrating so but go on there

229

00:08:02,550 --> 00:08:01,199

i mean there's two school of thought

230

00:08:04,629 --> 00:08:02,560

there's two schools of thought really

231

00:08:06,230 --> 00:08:04,639

because it could well be a secret u.s

232

00:08:08,230 --> 00:08:06,240

platform with some description there's

233

00:08:11,189 --> 00:08:08,240

the rumored aurora there's the rumored

234

00:08:13,589 --> 00:08:11,199

astra prototypes um neither of which

235

00:08:15,189 --> 00:08:13,599

have been uh have been unveiled and you

236

00:08:17,670 --> 00:08:15,199

usually see a lead time of something

237

00:08:20,309 --> 00:08:17,680

like 12 to 15 years between something

238

00:08:21,990 --> 00:08:20,319

being uh being constructed or designed

239

00:08:24,710 --> 00:08:22,000

and then for being unveiled like the

240

00:08:25,589 --> 00:08:24,720

f-117 stealth fighter but basically two

241

00:08:27,350 --> 00:08:25,599

years

242

00:08:28,710 --> 00:08:27,360

can you clear up something for me graham

243

00:08:30,550 --> 00:08:28,720

this is something i talked about with

244

00:08:32,550 --> 00:08:30,560

john and people may wonder we are

245

00:08:35,350 --> 00:08:32,560

talking about an object over britain

246

00:08:37,190 --> 00:08:35,360

over scotland particularly why do people

247

00:08:39,430 --> 00:08:37,200

like myself and just well you've just

248

00:08:41,430 --> 00:08:39,440

mentioned i i think it's u.s technology

249

00:08:43,589 --> 00:08:41,440

why are we seeing us tech when it's an

250

00:08:46,550 --> 00:08:43,599

object over the uk well here's another

251

00:08:48,790 --> 00:08:46,560

good question um you know why why do if

252

00:08:50,630 --> 00:08:48,800

it is american why did they test it over

253

00:08:53,110 --> 00:08:50,640

britain did they have permission to do

254

00:08:55,269 --> 00:08:53,120

that or did they do it on the qt who

255

00:08:58,150 --> 00:08:55,279

knows um

256

00:08:59,750 --> 00:08:58,160

that there are rumors of kind of

257

00:09:01,350 --> 00:08:59,760

sort of chewing and throwing from the

258

00:09:03,269 --> 00:09:01,360

moody and the pentagon as to you know

259

00:09:05,430 --> 00:09:03,279

was it yours no was it yours kind of

260

00:09:07,350 --> 00:09:05,440

thing so those stories have appeared

261

00:09:09,430 --> 00:09:07,360

over the years and if those are true

262

00:09:11,829 --> 00:09:09,440

then well you know it's speculation but

263

00:09:14,070 --> 00:09:11,839

if those are true then there was a kind

264

00:09:17,030 --> 00:09:14,080

of a bit of a slang match as to like you

265

00:09:18,550 --> 00:09:17,040

know arguing as to whose it was um which

266

00:09:20,550 --> 00:09:18,560

of course doesn't do anybody any favors

267

00:09:22,630 --> 00:09:20,560

in the end but we're still in the dark

268

00:09:24,630 --> 00:09:22,640

i'm afraid because nobody's come forward

269

00:09:26,550 --> 00:09:24,640

either the the british or the americans

270

00:09:29,430 --> 00:09:26,560

to say look that was definitely yours or

271

00:09:31,509 --> 00:09:29,440

that's definitely ours and so in terms

272

00:09:33,269 --> 00:09:31,519

of that we're no farther forward but we

273

00:09:35,350 --> 00:09:33,279

are further forward in actually having

274

00:09:37,670 --> 00:09:35,360

something tangible having an image that

275

00:09:39,350 --> 00:09:37,680

people can look at they can analyze and

276

00:09:41,190 --> 00:09:39,360

it's better than what we had beforehand

277

00:09:42,790 --> 00:09:41,200

so that is an improvement and it

278

00:09:44,949 --> 00:09:42,800

actually flies in the face of the emma

279

00:09:47,590 --> 00:09:44,959

of the ministry of defense's statement

280

00:09:50,550 --> 00:09:47,600

that they returned the the photographs

281

00:09:52,230 --> 00:09:50,560

to the owners or via the newspaper um

282

00:09:55,509 --> 00:09:52,240

that clearly didn't happen because one

283

00:09:57,110 --> 00:09:55,519

was retained by a press officer so

284

00:09:59,269 --> 00:09:57,120

you know then you have to throw this

285

00:10:00,310 --> 00:09:59,279

back to the mod and say well look you're

286

00:10:02,310 --> 00:10:00,320

saying

287

00:10:05,750 --> 00:10:02,320

50 years there's been nothing of defense

288

00:10:08,150 --> 00:10:05,760

significance um clearly this is of

289

00:10:09,829 --> 00:10:08,160

defense significance because if you

290

00:10:11,670 --> 00:10:09,839

don't know about it you know what is it

291

00:10:13,509 --> 00:10:11,680

and why was it there and if you do know

292

00:10:14,870 --> 00:10:13,519

about it then it has got defense

293

00:10:16,230 --> 00:10:14,880

negative things because it clear if it

294

00:10:18,069 --> 00:10:16,240

can hover then it's something

295

00:10:20,710 --> 00:10:18,079

groundbreaking

296

00:10:22,069 --> 00:10:20,720

how does this change that conversation

297

00:10:24,949 --> 00:10:22,079

there's one you can continue the

298

00:10:26,790 --> 00:10:24,959

conversation about calvin with the mod

299

00:10:29,190 --> 00:10:26,800

with the you know famously recently

300

00:10:31,269 --> 00:10:29,200

parliament baroness goldie and cole were

301
00:10:33,350 --> 00:10:31,279
laughing at the ufo subject

302
00:10:35,430 --> 00:10:33,360
does this give us any more credence or

303
00:10:37,110 --> 00:10:35,440
weight to going back to parliament and

304
00:10:39,269 --> 00:10:37,120
baroness goldie and those who would

305
00:10:41,829 --> 00:10:39,279
discuss the ufo topic and scoff and

306
00:10:44,470 --> 00:10:41,839
laugh and say look here's a picture of

307
00:10:46,230 --> 00:10:44,480
one that you said didn't exist or you

308
00:10:48,069 --> 00:10:46,240
know wasn't wasn't of any significance

309
00:10:49,430 --> 00:10:48,079
like you say yet

310
00:10:51,910 --> 00:10:49,440
yet here it is

311
00:10:53,350 --> 00:10:51,920
what are you doing about it is that fair

312
00:10:55,110 --> 00:10:53,360
i think those are questions that should

313
00:10:56,870 --> 00:10:55,120

be directed at the likes of baroness

314

00:10:58,710 --> 00:10:56,880

goldie or you know and other people in

315

00:10:59,990 --> 00:10:58,720

the ministry of defense and actually

316

00:11:01,990 --> 00:11:00,000

have them come out with a proper

317

00:11:03,269 --> 00:11:02,000

response because at the moment we're

318

00:11:05,590 --> 00:11:03,279

basically guessing as to what their

319

00:11:07,590 --> 00:11:05,600

response will be um you know will they

320

00:11:09,590 --> 00:11:07,600

simply just go back to that original

321

00:11:12,230 --> 00:11:09,600

mantra and just deny there's anything

322

00:11:14,230 --> 00:11:12,240

happening or can they come forward and

323

00:11:16,470 --> 00:11:14,240

say something more about this image and

324

00:11:18,150 --> 00:11:16,480

about what is represented on the image

325

00:11:19,990 --> 00:11:18,160

um until those questions are asked to

326

00:11:21,350 --> 00:11:20,000

the relevant people i'm afraid you know

327

00:11:23,670 --> 00:11:21,360

we simply don't know what their response

328

00:11:26,069 --> 00:11:23,680

will be hopefully it'll get us a little

329

00:11:28,310 --> 00:11:26,079

bit further down the road as well but

330

00:11:30,550 --> 00:11:28,320

i'd probably think that they'll they'll

331

00:11:32,550 --> 00:11:30,560

try and just you know come fall back on

332

00:11:34,790 --> 00:11:32,560

that original denial and maybe just come

333

00:11:36,949 --> 00:11:34,800

up with something new just to justify it

334

00:11:38,870 --> 00:11:36,959

but we'll have to wait and see

335

00:11:40,630 --> 00:11:38,880

graham uh thanks for joining me for a

336

00:11:42,710 --> 00:11:40,640

very short breaking news podcast it was

337

00:11:44,630 --> 00:11:42,720

worth discussing and i will leave you

338

00:11:46,310 --> 00:11:44,640

the listeners with this snippet of my

339

00:11:48,389 --> 00:11:46,320

latest interview with john greenwald i

340

00:11:50,550 --> 00:11:48,399

only conducted this as we speak about an

341

00:11:52,790 --> 00:11:50,560

hour ago this will be out from monday

342

00:11:55,190 --> 00:11:52,800

the 15th of august on the free platforms

343

00:11:57,509 --> 00:11:55,200

or on early access if you pay for any of

344

00:12:00,389 --> 00:11:57,519

those from today so thank you very much

345

00:12:02,550 --> 00:12:00,399

and here's john greenwald

346

00:12:04,310 --> 00:12:02,560

it's uh it's really cool tyman because

347

00:12:06,949 --> 00:12:04,320

as we record this it's the 12th of

348

00:12:09,910 --> 00:12:06,959

august just going 7 p.m in the uk 11 a.m

349

00:12:12,470 --> 00:12:09,920

pacific your time the the calvin photo

350

00:12:14,230 --> 00:12:12,480

has just dropped um it wasn't something

351

00:12:17,670 --> 00:12:14,240

i was going to discuss on the podcast

352

00:12:18,949 --> 00:12:17,680

but we've briefly chatted uh off air on

353

00:12:20,790 --> 00:12:18,959

it and i just thought it might be a good

354

00:12:23,110 --> 00:12:20,800

thing to bring up quickly because when

355

00:12:25,590 --> 00:12:23,120

this goes out on monday the

356

00:12:27,190 --> 00:12:25,600

15th of august people will have seen

357

00:12:29,190 --> 00:12:27,200

this it's already been retweeted by joe

358

00:12:30,790 --> 00:12:29,200

rogan's twitter account um it's been

359

00:12:32,150 --> 00:12:30,800

picked up by various news outlets

360

00:12:34,629 --> 00:12:32,160

already and i'm sure that'll go about

361

00:12:35,990 --> 00:12:34,639

wider spread the calvin photo i'm sure

362

00:12:38,230 --> 00:12:36,000

is one you know you know very well

363

00:12:40,069 --> 00:12:38,240

you've been in this game a long time um

364

00:12:42,710 --> 00:12:40,079

it's a photograph that was allegedly

365

00:12:45,990 --> 00:12:42,720

taken in scotland in the early 90s of a

366

00:12:48,310 --> 00:12:46,000

ufo nick pope has has built a lot of his

367

00:12:50,710 --> 00:12:48,320

career around the myth of this

368

00:12:53,110 --> 00:12:50,720

photograph as he famously had it on his

369

00:12:55,030 --> 00:12:53,120

desk apparently and it was taken away

370

00:12:57,110 --> 00:12:55,040

but since seeing the the black and white

371

00:13:00,069 --> 00:12:57,120

negative come out and just today my

372

00:13:03,269 --> 00:13:00,079

colleagues at uap media including vinnie

373

00:13:05,030 --> 00:13:03,279

adams and dr david clark have managed to

374

00:13:07,030 --> 00:13:05,040

release the original photograph and it

375

00:13:08,470 --> 00:13:07,040

shows the kind of diamond shaped craft

376

00:13:11,829 --> 00:13:08,480

from what we can see with the quality of

377

00:13:13,509 --> 00:13:11,839

the photo followed by a kind of unknown

378

00:13:15,110 --> 00:13:13,519

military aircraft in the background some

379

00:13:17,269 --> 00:13:15,120

of my colleagues are saying they they

380

00:13:18,470 --> 00:13:17,279

assume it's a u.s harrier jet but

381

00:13:20,629 --> 00:13:18,480

they're not quite sure exactly what

382

00:13:22,389 --> 00:13:20,639

making model just again with the quality

383

00:13:24,790 --> 00:13:22,399

um you've seen the photo you've seen the

384

00:13:26,629 --> 00:13:24,800

article uh links in the description what

385

00:13:28,790 --> 00:13:26,639

are your initial thoughts

386

00:13:31,670 --> 00:13:28,800

you know it's great to actually see it

387

00:13:33,430 --> 00:13:31,680

if it really is i'm always skeptical i

388

00:13:34,389 --> 00:13:33,440

know that may come as a surprise to some

389

00:13:36,230 --> 00:13:34,399

people but

390

00:13:38,949 --> 00:13:36,240

whenever something either leaks out or

391

00:13:42,150 --> 00:13:38,959

comes out for the first time uh i'm i'm

392

00:13:43,750 --> 00:13:42,160

always apprehensive to go this is it um

393

00:13:45,750 --> 00:13:43,760

it's not that i'm doubting anybody who

394

00:13:48,230 --> 00:13:45,760

did the research it sounds all legit but

395

00:13:50,389 --> 00:13:48,240

what i did right before the program and

396

00:13:52,470 --> 00:13:50,399

literally as you mentioned it just

397

00:13:54,069 --> 00:13:52,480

dropped like i just found out about it i

398

00:13:57,350 --> 00:13:54,079

would say probably within the last hour

399

00:13:59,189 --> 00:13:57,360

or so uh but went to to my longtime

400

00:14:00,949 --> 00:13:59,199

friend nick pope and said hey

401
00:14:02,710 --> 00:14:00,959
i know you've seen the real thing can

402
00:14:04,710 --> 00:14:02,720
you comment on it

403
00:14:06,150 --> 00:14:04,720
he also tweeted this comment and and

404
00:14:09,110 --> 00:14:06,160
i'll i'll i'll read it just to make sure

405
00:14:10,629 --> 00:14:09,120
that i don't you know um

406
00:14:13,670 --> 00:14:10,639
misquote him but

407
00:14:16,069 --> 00:14:13,680
as quote it's my policy not to comment

408
00:14:18,550 --> 00:14:16,079
on leaked information especially if it

409
00:14:20,870 --> 00:14:18,560
might be classified so until i receive

410
00:14:22,870 --> 00:14:20,880
ministry of defense advice i can neither

411
00:14:24,870 --> 00:14:22,880
confirm nor deny if this is the picture

412
00:14:28,470 --> 00:14:24,880
that was displayed on my office wall

413
00:14:31,670 --> 00:14:28,480

when i ran the mods ufo desk unquote so

414

00:14:33,829 --> 00:14:31,680

i've i'm was asking him if i could tweet

415

00:14:35,430 --> 00:14:33,839

that as well uh and apparently he

416

00:14:37,670 --> 00:14:35,440

already did so i retweeted it right

417

00:14:39,189 --> 00:14:37,680

before the program uh so that being said

418

00:14:41,269 --> 00:14:39,199

you know i

419

00:14:43,030 --> 00:14:41,279

have no real doubts up front that it's

420

00:14:45,670 --> 00:14:43,040

not the real photograph but what it

421

00:14:47,189 --> 00:14:45,680

depicts is kind of the question mark are

422

00:14:49,269 --> 00:14:47,199

we talking about

423

00:14:52,710 --> 00:14:49,279

proof of alien life this is a smoking

424

00:14:54,710 --> 00:14:52,720

gun or is this a classified piece of

425

00:14:57,670 --> 00:14:54,720

technology from let's say the united

426

00:15:00,470 --> 00:14:57,680

states that was being flown and got

427

00:15:03,189 --> 00:15:00,480

captured on a photograph and the legend

428

00:15:04,949 --> 00:15:03,199

was born ever since so that i don't know

429

00:15:07,350 --> 00:15:04,959

i mean there's a lot of unwritten parts

430

00:15:09,509 --> 00:15:07,360

of this and if this is the photo i hope

431

00:15:11,590 --> 00:15:09,519

that there's a higher resolution if

432

00:15:13,509 --> 00:15:11,600

there's a negative and these answers may

433

00:15:14,870 --> 00:15:13,519

already be out there by the time this

434

00:15:16,550 --> 00:15:14,880

airs

435

00:15:18,949 --> 00:15:16,560

but you know just getting higher

436

00:15:20,550 --> 00:15:18,959

resolution scans what can we figure out

437

00:15:21,990 --> 00:15:20,560

is the negative available that kind of

438

00:15:24,550 --> 00:15:22,000

stuff and go from there but it's

439

00:15:27,110 --> 00:15:24,560

exciting i mean it really is

440

00:15:29,269 --> 00:15:27,120

exciting to finally see it

441

00:15:30,790 --> 00:15:29,279

it's a really interesting image and if

442

00:15:34,150 --> 00:15:30,800

you don't mind i asked you before we

443

00:15:36,389 --> 00:15:34,160

recorded just in explaining the

444

00:15:39,189 --> 00:15:36,399

the process is how this could come out

445

00:15:41,590 --> 00:15:39,199

in this photograph now allegedly um well

446

00:15:44,069 --> 00:15:41,600

we know it was taken by two to three

447

00:15:45,910 --> 00:15:44,079

individuals in scotland in the early 90s

448

00:15:48,150 --> 00:15:45,920

the story goes they were just in a place

449

00:15:50,069 --> 00:15:48,160

that for one reason or another happened

450

00:15:51,590 --> 00:15:50,079

to have this object fly by they weren't

451

00:15:53,269 --> 00:15:51,600

there expecting it they weren't

452

00:15:55,590 --> 00:15:53,279

government individuals they were no one

453

00:15:57,030 --> 00:15:55,600

special they just happen to be in the

454

00:15:58,470 --> 00:15:57,040

right place at the right time or the

455

00:16:00,710 --> 00:15:58,480

wrong place at the right time depending

456

00:16:03,350 --> 00:16:00,720

on how you want to look at it the story

457

00:16:04,790 --> 00:16:03,360

it goes again that the the

458

00:16:06,550 --> 00:16:04,800

the negatives and the photographs are

459

00:16:07,910 --> 00:16:06,560

sent onto the daily record in scotland

460

00:16:10,629 --> 00:16:07,920

which is one of the big tabloid

461

00:16:12,790 --> 00:16:10,639

newspapers there's not many of them and

462

00:16:15,350 --> 00:16:12,800

from there it went missing and ever

463

00:16:17,430 --> 00:16:15,360

since it's never been seen again now if

464

00:16:19,590 --> 00:16:17,440

this is an individual's photograph like

465

00:16:23,030 --> 00:16:19,600

we're going to assume for now that it is

466

00:16:24,550 --> 00:16:23,040

and it was it was published why couldn't

467

00:16:26,949 --> 00:16:24,560

nick pope speak on it why do you think

468

00:16:29,189 --> 00:16:26,959

nick may be saying that it's classified

469

00:16:30,389 --> 00:16:29,199

when it's someone's personal property

470

00:16:31,670 --> 00:16:30,399

and this was something i was i was

471

00:16:33,990 --> 00:16:31,680

having you explain to me because i

472

00:16:35,910 --> 00:16:34,000

wasn't sure how that exactly would work

473

00:16:38,710 --> 00:16:35,920

yeah i'm more familiar with u.s

474

00:16:40,230 --> 00:16:38,720

copyright law versus what it would be

475

00:16:43,350 --> 00:16:40,240

overseas but

476
00:16:45,350 --> 00:16:43,360
in short i'm not too surprised because

477
00:16:47,430 --> 00:16:45,360
you know nick's going to be very very

478
00:16:50,790 --> 00:16:47,440
careful with his previous oaths and

479
00:16:52,790 --> 00:16:50,800
security clearances to not overstep

480
00:16:54,949 --> 00:16:52,800
i'm speaking more generally and not

481
00:16:55,990 --> 00:16:54,959
necessarily specifically about nick but

482
00:16:57,590 --> 00:16:56,000
when somebody comes out of the

483
00:16:59,990 --> 00:16:57,600
government and they are being asked

484
00:17:01,269 --> 00:17:00,000
about material that was not officially

485
00:17:03,350 --> 00:17:01,279
released

486
00:17:06,150 --> 00:17:03,360
they have to be very careful not to act

487
00:17:07,669 --> 00:17:06,160
like a spokesperson and

488
00:17:09,029 --> 00:17:07,679

even though that may not be their

489

00:17:11,350 --> 00:17:09,039

intention

490

00:17:13,829 --> 00:17:11,360

sadly there will be some that might take

491

00:17:16,710 --> 00:17:13,839

it that way and and saying endorsed by

492

00:17:18,870 --> 00:17:16,720

the mod because nick pope said it and we

493

00:17:21,029 --> 00:17:18,880

all know that that's that's not the case

494

00:17:23,029 --> 00:17:21,039

but there are some uh people that might

495

00:17:24,870 --> 00:17:23,039

think that or some journalist that might

496

00:17:26,230 --> 00:17:24,880

print it so it doesn't surprise me that

497

00:17:29,990 --> 00:17:26,240

nick is is

498

00:17:32,470 --> 00:17:30,000

being careful at this point and wants to

499

00:17:34,390 --> 00:17:32,480

ask the mod can we talk about this can

500

00:17:36,950 --> 00:17:34,400

we confirm it and then we'll get

501
00:17:39,270 --> 00:17:36,960
hopefully more of nick's feedback but if

502
00:17:41,430 --> 00:17:39,280
it was just taken by somebody else yeah

503
00:17:42,870 --> 00:17:41,440
in a legal sense here in america the way

504
00:17:44,710 --> 00:17:42,880
the copyright would work is that a

505
00:17:47,669 --> 00:17:44,720
former government

506
00:17:50,470 --> 00:17:47,679
personnel even with a a clearance could

507
00:17:52,870 --> 00:17:50,480
speak about it because it's not a work

508
00:17:55,190 --> 00:17:52,880
of the us government or the military

509
00:17:57,909 --> 00:17:55,200
it's not a product of that and so their

510
00:18:00,549 --> 00:17:57,919
security clearance does not go in

511
00:18:02,630 --> 00:18:00,559
jeopardy by them talking about what uh

512
00:18:05,669 --> 00:18:02,640
let's say andy or john or bill or

513
00:18:07,590 --> 00:18:05,679

whomever took a picture of so there's a

514

00:18:09,430 --> 00:18:07,600

difference there but i don't blame nick

515

00:18:12,549 --> 00:18:09,440

for trying to be a little bit careful

516

00:18:14,789 --> 00:18:12,559

and and uh trying not to

517

00:18:16,070 --> 00:18:14,799

not to overstep too quickly since since

518

00:18:17,510 --> 00:18:16,080

this is something that really just

519

00:18:19,110 --> 00:18:17,520

unfolded

520

00:18:21,110 --> 00:18:19,120

yeah that that's fair it's literally

521

00:18:23,510 --> 00:18:21,120

just over an hour since it dropped via

522

00:18:25,270 --> 00:18:23,520

the daily mail so as the hours and days

523

00:18:27,029 --> 00:18:25,280

pass by the time this comes out like you

524

00:18:28,310 --> 00:18:27,039

say hopefully we've got some more

525

00:18:29,990 --> 00:18:28,320

information or at least some really

526

00:18:31,750 --> 00:18:30,000

interesting questions off the back of it

527

00:18:33,830 --> 00:18:31,760

but thanks for that john

528

00:18:36,310 --> 00:18:33,840

if like me you have ever had to go

529

00:18:38,390 --> 00:18:36,320

looking for a designer illustrator or

530

00:18:40,230 --> 00:18:38,400

voice over artist it can be difficult to

531

00:18:42,549 --> 00:18:40,240

know where to start that's where the

532

00:18:45,029 --> 00:18:42,559

folks at fiverr have created the world's

533

00:18:47,510 --> 00:18:45,039

largest marketplace for digital services

534

00:18:49,750 --> 00:18:47,520

with an incredible database of talented

535

00:18:51,830 --> 00:18:49,760

freelancers to cover every one of your

536

00:18:54,470 --> 00:18:51,840

business needs whether you need a new

537

00:18:55,990 --> 00:18:54,480

website a voice over for your podcast or

538

00:18:58,470 --> 00:18:56,000

someone to manage your social media

539

00:19:00,789 --> 00:18:58,480

accounts fiverr has you covered the

540

00:19:03,430 --> 00:19:00,799

unique term for a service offered by a

541

00:19:05,590 --> 00:19:03,440

seller on fiverr is called a gig when

542

00:19:07,590 --> 00:19:05,600

creating gigs sellers can choose their

543

00:19:09,669 --> 00:19:07,600

starting price point sellers can take

544

00:19:11,990 --> 00:19:09,679

this a step further and offer gig

545

00:19:13,270 --> 00:19:12,000

packages to buyers using those gig

546

00:19:15,350 --> 00:19:13,280

packages

547

00:19:17,590 --> 00:19:15,360

these contain multiple price ranges and

548

00:19:20,470 --> 00:19:17,600

sellers can offer buyers various and

549

00:19:22,390 --> 00:19:20,480

tailored service packages in this way

550

00:19:24,150 --> 00:19:22,400

buyers can pick and choose from all

551
00:19:26,470 --> 00:19:24,160
that's offered according to their

552
00:19:28,630 --> 00:19:26,480
particular requirements there truly is

553
00:19:30,630 --> 00:19:28,640
something for every budget with your

554
00:19:32,789 --> 00:19:30,640
payments protected every time that's

555
00:19:34,950 --> 00:19:32,799
really important your payment won't be

556
00:19:36,630 --> 00:19:34,960
released until you approve the work so

557
00:19:38,789 --> 00:19:36,640
there's no paying for work that isn't of

558
00:19:40,390 --> 00:19:38,799
the required standard giving you the

559
00:19:42,870 --> 00:19:40,400
complete control you need to get the

560
00:19:44,950 --> 00:19:42,880
perfect product for your business and

561
00:19:47,909 --> 00:19:44,960
for more peace of mind fiverr support

562
00:19:50,150 --> 00:19:47,919
team are available 24 7 to answer any

563
00:19:51,909 --> 00:19:50,160

questions or provide the help you need

564

00:19:54,310 --> 00:19:51,919

so if you've been fishing around the net

565

00:19:56,870 --> 00:19:54,320

for the right solution stop use the

566

00:20:00,950 --> 00:19:56,880

perfect solution and go to fiverr that's

567

00:20:02,710 --> 00:20:00,960

f i v e r r and find the perfect

568

00:20:05,190 --> 00:20:02,720

freelance services for your business

569

00:20:08,070 --> 00:20:05,200

today you can help support this podcast

570

00:20:12,149 --> 00:20:08,080

by using my special link zen dot ai

571

00:20:15,909 --> 00:20:12,159

forward slash ufo five that's z e n dot

572

00:20:18,390 --> 00:20:15,919

a i slash ufo and the number five the

573

00:20:21,190 --> 00:20:18,400

next time you need to book a freelancer

574

00:20:23,270 --> 00:20:21,200

details are in the description

575

00:20:25,270 --> 00:20:23,280

that is all for this week's show thank

576

00:20:27,430 --> 00:20:25,280

you very much for listening please

577

00:20:29,909 --> 00:20:27,440

remember to leave the podcast review on

578

00:20:32,230 --> 00:20:29,919

your chosen platform you can like

579

00:20:34,149 --> 00:20:32,240

retweet and subscribe that would all be

580

00:20:36,310 --> 00:20:34,159

very much appreciated the shows are

581

00:20:37,830 --> 00:20:36,320

being uploaded on youtube as we speak

582

00:20:40,310 --> 00:20:37,840

more and more you can sign up at

583

00:20:43,029 --> 00:20:40,320

patreon.com forward slash that ufo

584

00:20:45,270 --> 00:20:43,039

podcast to access shows ad free as well

585

00:20:48,070 --> 00:20:45,280

please get in touch on twitter facebook

586

00:20:51,270 --> 00:20:48,080

instagram that ufo podcast of course on

587

00:20:53,350 --> 00:20:51,280

twitter it's at ufouapam

588

00:21:04,070 --> 00:20:53,360

and again folks as always keep looking

589

00:21:04,080 --> 00:21:16,789

it wasn't that big

590

00:21:16,799 --> 00:21:30,549

is

591

00:21:30,559 --> 00:21:54,950

medicine

592

00:22:11,870 --> 00:22:01,029

was

593

00:22:32,470 --> 00:22:13,990

[Music]

594

00:22:32,480 --> 00:22:41,490

is

595

00:23:21,750 --> 00:22:56,920

[Music]

596

00:23:21,760 --> 00:23:25,740

foreign
