

DEEP DIVE

PHOENIX LIGHTS

1
00:00:01,510 --> 00:00:00,490
foreign

2
00:00:04,670 --> 00:00:01,520
[Music]

3
00:00:06,190 --> 00:00:04,680
ER UFO researcher and you're listening

4
00:00:11,509 --> 00:00:06,200
to that UFO podcast

5
00:00:16,609 --> 00:00:13,430
hi everyone and welcome back to that

6
00:00:18,890 --> 00:00:16,619
uafo podcast my name is Andy and I am

7
00:00:20,689 --> 00:00:18,900
here with your second Deep dive the

8
00:00:23,689 --> 00:00:20,699
first Deep dive in the series was with

9
00:00:25,250 --> 00:00:23,699
Joe mergia on the Wilson Davis memo and

10
00:00:27,890 --> 00:00:25,260
it was very successful with a lot of

11
00:00:29,450 --> 00:00:27,900
great feedback and today I am back to

12
00:00:32,150 --> 00:00:29,460
investigate one of my personal favorite

13
00:00:34,670 --> 00:00:32,160

events in the history of the UFO subject

14

00:00:36,709 --> 00:00:34,680

my guest today is an internationally

15

00:00:38,630 --> 00:00:36,719

acclaimed physician and health educator

16

00:00:41,270 --> 00:00:38,640

who pushed aside her successful medical

17

00:00:43,130 --> 00:00:41,280

career to pursue the Phoenix Lights book

18

00:00:45,650 --> 00:00:43,140

and internationally award-winning

19

00:00:47,330 --> 00:00:45,660

documentary project she was Leading The

20

00:00:49,490 --> 00:00:47,340

Cutting Edge era of early disease

21

00:00:51,470 --> 00:00:49,500

detection and prevention as Chief

22

00:00:53,209 --> 00:00:51,480

clinical consultant of the Imaging

23

00:00:55,250 --> 00:00:53,219

prevention Wellness Center at the world

24

00:00:57,650 --> 00:00:55,260

renowned Arizona Heart Institute in

25

00:01:00,290 --> 00:00:57,660

Phoenix Arizona until coming forward

26
00:01:02,029 --> 00:01:00,300
around seven years after the event we're

27
00:01:03,709 --> 00:01:02,039
going to talk about and she was a key

28
00:01:07,550 --> 00:01:03,719
witness to the historic Phoenix Lights

29
00:01:11,390 --> 00:01:07,560
event in March 13 1997 I'd like to

30
00:01:13,550 --> 00:01:11,400
welcome Dr Lynn kitai to the podcast so

31
00:01:17,410 --> 00:01:13,560
wonderful to be with you and your

32
00:01:21,530 --> 00:01:17,420
audience and to set the record straight

33
00:01:24,050 --> 00:01:21,540
as a a key witness who I'm the only one

34
00:01:27,410 --> 00:01:24,060
with 35 millimeter of these unexplained

35
00:01:30,109 --> 00:01:27,420
aerial phenomena UAP that have now been

36
00:01:33,170 --> 00:01:30,119
held worldwide as the most witnessed

37
00:01:35,810 --> 00:01:33,180
most documented most important Mass

38
00:01:38,690 --> 00:01:35,820

anomalous aerial site in in modern

39

00:01:39,890 --> 00:01:38,700

history if not all of history so it's a

40

00:01:42,890 --> 00:01:39,900

pleasure to be with you and your

41

00:01:44,810 --> 00:01:42,900

audience and and really get into

42

00:01:47,149 --> 00:01:44,820

um what really happened here and how the

43

00:01:49,550 --> 00:01:47,159

story unfolded it's fascinating in and

44

00:01:52,490 --> 00:01:49,560

of itself but there is so much to this

45

00:01:53,990 --> 00:01:52,500

story that I look forward to sharing uh

46

00:01:56,690 --> 00:01:54,000

with your audience because it's time we

47

00:01:57,830 --> 00:01:56,700

get this topic out in the open address

48

00:02:03,469 --> 00:01:57,840

it

49

00:02:06,170 --> 00:02:03,479

forward and not only find out who's

50

00:02:08,210 --> 00:02:06,180

driving these things but move forward in

51
00:02:10,669 --> 00:02:08,220
our own Evolution we're right on the

52
00:02:11,990 --> 00:02:10,679
precipice of realizing now that the

53
00:02:13,970 --> 00:02:12,000
government and military have come

54
00:02:16,790 --> 00:02:13,980
forward to say that these things are

55
00:02:19,250 --> 00:02:16,800
real and that they can't explain where

56
00:02:21,830 --> 00:02:19,260
they're from or who's driving them

57
00:02:26,750 --> 00:02:21,840
um the Phoenix Lights case really is

58
00:02:29,630 --> 00:02:26,760
Monumental uh in in the atoms of ufology

59
00:02:31,490 --> 00:02:29,640
so it's a thrill to be with you and

60
00:02:33,470 --> 00:02:31,500
um that you know we can start off with

61
00:02:36,229 --> 00:02:33,480
my first setting I had no interest or

62
00:02:38,150 --> 00:02:36,239
knowledge of the topic at all in fact I

63
00:02:41,449 --> 00:02:38,160

kind of pushed it aside I was too busy

64

00:02:44,150 --> 00:02:41,459

bringing up two young boys to be caring

65

00:02:47,589 --> 00:02:44,160

and productive adults which they are and

66

00:02:51,110 --> 00:02:47,599

uh also which is ironic my life's work

67

00:02:55,550 --> 00:02:51,120

has been Community Education of vital

68

00:02:57,170 --> 00:02:55,560

health issues I started in 1976 while I

69

00:03:00,110 --> 00:02:57,180

was still in my medical training I'm an

70

00:03:03,110 --> 00:03:00,120

MD you know doctor and

71

00:03:06,470 --> 00:03:03,120

um saw the need to educate the public on

72

00:03:09,530 --> 00:03:06,480

vital health issues and went to NBC in

73

00:03:11,830 --> 00:03:09,540

Philadelphia Pennsylvania with an idea

74

00:03:15,290 --> 00:03:11,840

they happened to be doing a two-week

75

00:03:18,410 --> 00:03:15,300

series on uh Women's medical problems

76

00:03:21,850 --> 00:03:18,420

and uh they asked me if I would do it

77

00:03:25,910 --> 00:03:21,860

and and from the get-go my background

78

00:03:28,850 --> 00:03:25,920

was uh actually besides medicine before

79

00:03:31,610 --> 00:03:28,860

I went to medical school my other hat

80

00:03:34,250 --> 00:03:31,620

was professional musical theater since I

81

00:03:36,710 --> 00:03:34,260

was a child and I toured with some of

82

00:03:38,690 --> 00:03:36,720

the icons out there Gordon McRae in

83

00:03:41,149 --> 00:03:38,700

Oklahoma and Betty Grable and Guys and

84

00:03:42,649 --> 00:03:41,159

Dolls and understudy Barbara Eden and

85

00:03:46,009 --> 00:03:42,659

Sound of Music and a whole host of

86

00:03:49,850 --> 00:03:46,019

others so I kind of combined all that to

87

00:03:51,530 --> 00:03:49,860

do Health reporting on NBC and uh did

88

00:03:53,149 --> 00:03:51,540

everything from researching and writing

89

00:03:55,369 --> 00:03:53,159

and going out in the field and directing

90

00:03:57,589 --> 00:03:55,379

the shoot and going back and editing and

91

00:04:01,610 --> 00:03:57,599

then being on set to answer questions

92

00:04:05,869 --> 00:04:01,620

with from the anchors and when we moved

93

00:04:08,089 --> 00:04:05,879

to Phoenix in 1980 from Philadelphia a

94

00:04:11,270 --> 00:04:08,099

syndication had grown out of my health

95

00:04:15,110 --> 00:04:11,280

tips that was already shown here at CVS

96

00:04:16,969 --> 00:04:15,120

and NVC here also asked me to do a

97

00:04:19,250 --> 00:04:16,979

health program for them and by the mid

98

00:04:21,409 --> 00:04:19,260

80s I was seeing kids in the practice

99

00:04:23,689 --> 00:04:21,419

adolescent medicine is my specialty who

100

00:04:26,030 --> 00:04:23,699

were drowning in substance abuse and

101
00:04:28,550 --> 00:04:26,040
wanted to wake them up to the reality of

102
00:04:33,530 --> 00:04:28,560
substance abuse but in the classroom

103
00:04:36,170 --> 00:04:33,540
and I I started producing uh video and

104
00:04:38,030 --> 00:04:36,180
curriculum workbook curriculums that

105
00:04:39,469 --> 00:04:38,040
have won all kinds of awards and so

106
00:04:42,110 --> 00:04:39,479
forth in the entertainment industry

107
00:04:44,450 --> 00:04:42,120
Council took note because I had kids

108
00:04:47,030 --> 00:04:44,460
that had been there celebrities in the

109
00:04:48,590 --> 00:04:47,040
field okay celebrities experts in the

110
00:04:50,450 --> 00:04:48,600
field and celebrities I brought in my

111
00:04:52,909 --> 00:04:50,460
other head when you had Michael Jordan

112
00:04:55,249 --> 00:04:52,919
Michael Jordan and and

113
00:04:58,550 --> 00:04:55,259

um uh the original cast from Beverly

114

00:05:00,830 --> 00:04:58,560

Hills 90210 and Paul Abdul and a hohos

115

00:05:02,570 --> 00:05:00,840

of others to give poignant messages I

116

00:05:04,610 --> 00:05:02,580

wanted to hit the kids with with

117

00:05:06,830 --> 00:05:04,620

everything so hopefully it would wake

118

00:05:13,610 --> 00:05:06,840

them up to the reality of substance

119

00:05:16,070 --> 00:05:13,620

abuse now take it fast forward to 1995.

120

00:05:18,350 --> 00:05:16,080

without any interest or knowledge in the

121

00:05:21,409 --> 00:05:18,360

topic at all and if anybody is by their

122

00:05:24,650 --> 00:05:21,419

computer if they would like to get on

123

00:05:27,950 --> 00:05:24,660

the Phoenix Lights Network website [www](http://www.phoenixlights.net)

124

00:05:31,670 --> 00:05:27,960

dot the phoenixlights.net

125

00:05:34,430 --> 00:05:31,680

and go to the photo page you will see

126

00:05:37,850 --> 00:05:34,440

my unique collection of 35 millimeter

127

00:05:41,689 --> 00:05:37,860

photographs prior to and after

128

00:05:43,730 --> 00:05:41,699

March 13 1997 which we will get to when

129

00:05:46,010 --> 00:05:43,740

thousands of people sold I have been

130

00:05:48,650 --> 00:05:46,020

documenting for two years prior

131

00:05:51,409 --> 00:05:48,660

and I always go back to the first

132

00:05:55,610 --> 00:05:51,419

lighting that I had we live Mountainside

133

00:05:57,290 --> 00:05:55,620

in Paradise Valley and in Phoenix there

134

00:05:59,810 --> 00:05:57,300

are mountains surrounding the valley

135

00:06:01,670 --> 00:05:59,820

they call it the Valley of the Sun and

136

00:06:03,950 --> 00:06:01,680

from our vantage point and if you look

137

00:06:06,409 --> 00:06:03,960

at that first picture on the photo page

138

00:06:08,749 --> 00:06:06,419

you'll see the topography which is very

139

00:06:10,730 --> 00:06:08,759

important because from our vantage point

140

00:06:11,990 --> 00:06:10,740

I'm going to be bringing this up later

141

00:06:15,290 --> 00:06:12,000

as well

142

00:06:18,050 --> 00:06:15,300

you can see in the distance

143

00:06:20,090 --> 00:06:18,060

two mountain ranges one is a South

144

00:06:22,730 --> 00:06:20,100

Mountain and one is the Estrella

145

00:06:24,909 --> 00:06:22,740

mountains a few miles back and right in

146

00:06:28,070 --> 00:06:24,919

front of South Mountain is the airport

147

00:06:31,249 --> 00:06:28,080

so one wall of our window of our bedroom

148

00:06:33,409 --> 00:06:31,259

is a window so we're very familiar with

149

00:06:35,510 --> 00:06:33,419

what planes and helicopters and street

150

00:06:38,930 --> 00:06:35,520

lights and car lights look like

151

00:06:40,969 --> 00:06:38,940

it was February 6 1995 I don't believe

152

00:06:44,689 --> 00:06:40,979

it coincidence anymore it happened to be

153

00:06:46,730 --> 00:06:44,699

the eve of my birthday February 7th I

154

00:06:49,129 --> 00:06:46,740

was in a bath in another room my husband

155

00:06:51,170 --> 00:06:49,139

was in the room with the big window and

156

00:06:53,270 --> 00:06:51,180

he was standing by the window on the

157

00:06:55,129 --> 00:06:53,280

phone with my mother-in-law who called

158

00:06:58,270 --> 00:06:55,139

from Philadelphia to wish me a happy

159

00:07:01,070 --> 00:06:58,280

birthday he was also a physician

160

00:07:03,290 --> 00:07:01,080

on several State and Hospital medical

161

00:07:06,050 --> 00:07:03,300

boards nothing ever ruffled his feathers

162

00:07:08,029 --> 00:07:06,060

But he sounded alarmed and he says what

163

00:07:11,510 --> 00:07:08,039

the hell is that get over here quick

164

00:07:14,890 --> 00:07:11,520

so I grabbed my camera let me grab my uh

165

00:07:17,930 --> 00:07:14,900

towel ringing wet run over to the window

166

00:07:21,050 --> 00:07:17,940

dripping a little below us because we're

167

00:07:23,629 --> 00:07:21,060

pretty high on the mountain

168

00:07:26,570 --> 00:07:23,639

and we're nestled in the mountain and

169

00:07:30,950 --> 00:07:26,580

we're gated so there is no way this was

170

00:07:33,589 --> 00:07:30,960

military were three Amber orbs in a

171

00:07:35,930 --> 00:07:33,599

pyramid formation one on top and two

172

00:07:37,790 --> 00:07:35,940

closely aligned underneath a little

173

00:07:39,950 --> 00:07:37,800

below us so we're very treacherous

174

00:07:41,629 --> 00:07:39,960

desert landscape in fact I looked

175

00:07:44,029 --> 00:07:41,639

underneath to see if somebody was there

176
00:07:45,430 --> 00:07:44,039
they shouldn't have been skated but it

177
00:07:48,650 --> 00:07:45,440
was Pitch Black

178
00:07:49,670 --> 00:07:48,660
and my first thought was to get my video

179
00:07:51,650 --> 00:07:49,680
camera

180
00:07:53,990 --> 00:07:51,660
but it was downstairs and I didn't want

181
00:07:56,629 --> 00:07:54,000
to miss anything and you'll hear from

182
00:07:58,249 --> 00:07:56,639
many people who have anomalous sightings

183
00:08:00,469 --> 00:07:58,259
like this if they they don't move

184
00:08:02,029 --> 00:08:00,479
they're in awe which we were and I

185
00:08:04,610 --> 00:08:02,039
didn't know how long it would last so I

186
00:08:06,770 --> 00:08:04,620
tried to take everything in mentally I

187
00:08:08,629 --> 00:08:06,780
always suggest take those mental moments

188
00:08:10,909 --> 00:08:08,639

and it's just like it happened yesterday

189

00:08:13,189 --> 00:08:10,919

the size the shape the color

190

00:08:16,189 --> 00:08:13,199

they were about three to six feet each

191

00:08:19,070 --> 00:08:16,199

depending on how close they were

192

00:08:22,430 --> 00:08:19,080

and they were just yards from our window

193

00:08:24,830 --> 00:08:22,440

they were oval shape I noted that

194

00:08:27,830 --> 00:08:24,840

immediately which is interesting because

195

00:08:30,950 --> 00:08:27,840

the Navy Nimitz pilots who have come

196

00:08:33,469 --> 00:08:30,960

forward to show the Tic Tac video now

197

00:08:35,870 --> 00:08:33,479

talk about what they were seeing or oval

198

00:08:38,029 --> 00:08:35,880

shape and there are many sightings where

199

00:08:40,070 --> 00:08:38,039

people describe what they were saying is

200

00:08:42,469 --> 00:08:40,080

oval shape I don't know if it's the same

201
00:08:44,990 --> 00:08:42,479
uh phenomena but nonetheless they were

202
00:08:47,690 --> 00:08:45,000
oval shaped and I call them an orb

203
00:08:50,030 --> 00:08:47,700
because the light did not extend outside

204
00:08:52,610 --> 00:08:50,040
the edge it was self-contained and it

205
00:08:55,970 --> 00:08:52,620
was a uniform amber color throughout

206
00:08:58,310 --> 00:08:55,980
very soothing very mesmerizing and I

207
00:08:59,810 --> 00:08:58,320
collect sunsets and if you go on that

208
00:09:02,930 --> 00:08:59,820
photo page you'll see at the bottom

209
00:09:06,170 --> 00:09:02,940
there are two sunset pictures I did not

210
00:09:09,050 --> 00:09:06,180
see this massive rod-shaped object

211
00:09:10,970 --> 00:09:09,060
a month apart in the same place but

212
00:09:13,730 --> 00:09:10,980
they're in the negative 35 millimeters

213
00:09:16,310 --> 00:09:13,740

and the negative cannot be explained or

214

00:09:19,490 --> 00:09:16,320

denied at any rate I kept the camera

215

00:09:21,470 --> 00:09:19,500

handy to capture the sunset and I run to

216

00:09:23,150 --> 00:09:21,480

the closet to get my camera saying

217

00:09:25,269 --> 00:09:23,160

nobody's going to believe this unless I

218

00:09:28,730 --> 00:09:25,279

take a picture of it it was so unusual

219

00:09:30,410 --> 00:09:28,740

and as my husband calls me back he says

220

00:09:32,269 --> 00:09:30,420

get over here quick one of them is

221

00:09:35,150 --> 00:09:32,279

disappearing

222

00:09:38,090 --> 00:09:35,160

I always go back to this sighting it was

223

00:09:40,370 --> 00:09:38,100

up close and personal I watched the top

224

00:09:44,930 --> 00:09:40,380

board without budging from the two

225

00:09:47,329 --> 00:09:44,940

underneath start to shrink very very

226

00:09:50,690 --> 00:09:47,339

slowly mechanically

227

00:09:53,269 --> 00:09:50,700

as if there was an intelligence behind

228

00:09:55,190 --> 00:09:53,279

it the the only shows we ever saw

229

00:09:57,530 --> 00:09:55,200

because we weren't into the topic at all

230

00:10:00,170 --> 00:09:57,540

but having two young boys was the

231

00:10:02,990 --> 00:10:00,180

original Star Trek series with William

232

00:10:05,090 --> 00:10:03,000

Shatner and I just did an interview for

233

00:10:07,210 --> 00:10:05,100

for his show

234

00:10:10,850 --> 00:10:07,220

um because the messages were so great

235

00:10:12,949 --> 00:10:10,860

and of course Close Encounters and uh of

236

00:10:17,350 --> 00:10:12,959

the Third Kind and

237

00:10:21,410 --> 00:10:17,360

um uh that was it an E.T the movie E.T

238

00:10:23,570 --> 00:10:21,420

but in Star Trek they talk about or they

239

00:10:26,930 --> 00:10:23,580

show the Romulan cloaking device that

240

00:10:29,269 --> 00:10:26,940

kind of wavers before it close I really

241

00:10:30,230 --> 00:10:29,279

noted that just popped in my head that

242

00:10:32,870 --> 00:10:30,240

picture

243

00:10:35,570 --> 00:10:32,880

it wasn't wavering at all but it was

244

00:10:38,750 --> 00:10:35,580

cloaking it was cloaking right in front

245

00:10:40,610 --> 00:10:38,760

of us until it was pea-sized and then

246

00:10:42,829 --> 00:10:40,620

disappeared but

247

00:10:43,910 --> 00:10:42,839

it felt like it was still there where

248

00:10:46,430 --> 00:10:43,920

did it go

249

00:10:48,170 --> 00:10:46,440

I stepped out on the balcony there's a

250

00:10:50,810 --> 00:10:48,180

sliding glass doors perpendicular to

251
00:10:52,910 --> 00:10:50,820
that big window took a quick picture of

252
00:10:55,370 --> 00:10:52,920
the two lower orbs that picture is on

253
00:10:59,210 --> 00:10:55,380
the photo page

254
00:11:00,949 --> 00:10:59,220
and immediately noticed an eerie silence

255
00:11:02,210 --> 00:11:00,959
as if time had stopped it was just

256
00:11:05,210 --> 00:11:02,220
bizarre

257
00:11:07,250 --> 00:11:05,220
and as intently as I was watching these

258
00:11:10,069 --> 00:11:07,260
two lower orbs and I have to admit I did

259
00:11:12,710 --> 00:11:10,079
not admit this to anyone until two years

260
00:11:15,590 --> 00:11:12,720
later after the mass sighting but going

261
00:11:17,630 --> 00:11:15,600
through my mind at that moment I thought

262
00:11:19,610 --> 00:11:17,640
who are you what are you do you know

263
00:11:22,069 --> 00:11:19,620

that I'm here I'd love to meet you

264

00:11:24,170 --> 00:11:22,079

that's exactly what I thought the next

265

00:11:26,210 --> 00:11:24,180

thing I remember the left bottom orb

266

00:11:28,069 --> 00:11:26,220

started to shrink just like the top one

267

00:11:30,290 --> 00:11:28,079

did and something told me to take a

268

00:11:32,990 --> 00:11:30,300

picture and I clicked a picture of that

269

00:11:35,569 --> 00:11:33,000

that's also on the photo page that was

270

00:11:38,630 --> 00:11:35,579

the only one that turned out at the time

271

00:11:41,269 --> 00:11:38,640

but for me it was miraculous because

272

00:11:44,030 --> 00:11:41,279

here I caught one or half disappeared

273

00:11:46,009 --> 00:11:44,040

well it was cloaking and one's still

274

00:11:48,490 --> 00:11:46,019

there but I didn't know who to show it

275

00:11:52,490 --> 00:11:48,500

to I knew no one who was into the topic

276

00:11:54,290 --> 00:11:52,500

and I wondered for two years what this

277

00:11:56,750 --> 00:11:54,300

advanced technology was right outside

278

00:11:58,730 --> 00:11:56,760

our bedroom window why my husband and I

279

00:12:00,290 --> 00:11:58,740

saw it together okay so we could

280

00:12:02,810 --> 00:12:00,300

corroborate that there was something

281

00:12:05,210 --> 00:12:02,820

there and I had a picture of it

282

00:12:06,710 --> 00:12:05,220

not until two months before the mass

283

00:12:09,650 --> 00:12:06,720

sighting and people don't know this

284

00:12:10,850 --> 00:12:09,660

there is so much Miss and disinformation

285

00:12:13,069 --> 00:12:10,860

out there

286

00:12:15,470 --> 00:12:13,079

that

287

00:12:18,290 --> 00:12:15,480

and inevitably because I pushed my whole

288

00:12:20,210 --> 00:12:18,300

medical career aside for seven years

289

00:12:22,250 --> 00:12:20,220

after a thousands of people saw what

290

00:12:25,190 --> 00:12:22,260

I've been saying to try to find a

291

00:12:27,230 --> 00:12:25,200

logical explanation for what I witnessed

292

00:12:30,410 --> 00:12:27,240

and photographed I have multiple 35

293

00:12:33,410 --> 00:12:30,420

millimeter photographs of these UAP

294

00:12:35,269 --> 00:12:33,420

I have yet to find that but two months

295

00:12:36,829 --> 00:12:35,279

before the mass saving I'm lying in bed

296

00:12:39,650 --> 00:12:36,839

and if anything pops up out there

297

00:12:43,970 --> 00:12:39,660

whether it's you know a storm a dust

298

00:12:45,290 --> 00:12:43,980

storm or a fire or whatever we it

299

00:12:49,730 --> 00:12:45,300

catches our eye

300

00:12:52,430 --> 00:12:49,740

and here I notice three Amber orbs in an

301
00:12:57,230 --> 00:12:52,440
equidistant line Far West

302
00:12:59,750 --> 00:12:57,240
and this is January 22nd 97. and I'm

303
00:13:01,550 --> 00:12:59,760
watching them and as I'm watching them

304
00:13:04,310 --> 00:13:01,560
they're hovering for minutes

305
00:13:07,490 --> 00:13:04,320
and I'm thinking wait a minute they're

306
00:13:10,370 --> 00:13:07,500
amber color they were huge balls of

307
00:13:13,190 --> 00:13:10,380
light they're in an equidistant line now

308
00:13:14,150 --> 00:13:13,200
and I watched each one from right to

309
00:13:18,829 --> 00:13:14,160
left

310
00:13:20,509 --> 00:13:18,839
it seemed to implode just like 95. and I

311
00:13:22,250 --> 00:13:20,519
mentioned it to my husband which by the

312
00:13:23,629 --> 00:13:22,260
way he did not want to talk about that

313
00:13:26,990 --> 00:13:23,639

close sighting

314

00:13:28,790 --> 00:13:27,000

he would not discuss it he would get a

315

00:13:30,829 --> 00:13:28,800

little agitated when I brought it up

316

00:13:32,030 --> 00:13:30,839

it's interesting that everybody comes

317

00:13:33,829 --> 00:13:32,040

from a different background different

318

00:13:36,650 --> 00:13:33,839

upbringing different belief system

319

00:13:38,990 --> 00:13:36,660

different world view some people can't

320

00:13:41,389 --> 00:13:39,000

deal with this topic some people don't

321

00:13:44,269 --> 00:13:41,399

want to and that's okay

322

00:13:46,670 --> 00:13:44,279

everyone in their own time but now

323

00:13:48,470 --> 00:13:46,680

there's data they can really look at but

324

00:13:49,550 --> 00:13:48,480

at any rate I mentioned it to him and he

325

00:13:51,350 --> 00:13:49,560

said do I still have to go to work

326

00:13:53,569 --> 00:13:51,360

tomorrow no is this common

327

00:13:55,009 --> 00:13:53,579

the next evening he was at a medical

328

00:13:57,050 --> 00:13:55,019

board meeting

329

00:13:58,970 --> 00:13:57,060

and I get up to the bedroom and I

330

00:14:03,710 --> 00:13:58,980

noticed that out of the sliding glass

331

00:14:06,650 --> 00:14:03,720

door is now the same three Amber orbs

332

00:14:09,230 --> 00:14:06,660

huge but at a distance in front of South

333

00:14:11,030 --> 00:14:09,240

Mountain and if you look on that photo

334

00:14:13,670 --> 00:14:11,040

page the first picture you'll notice

335

00:14:16,129 --> 00:14:13,680

there are red blinking lights on top of

336

00:14:18,290 --> 00:14:16,139

South Mountain to alert aircraft that

337

00:14:20,389 --> 00:14:18,300

are coming into Sky Harbor that's in

338

00:14:23,990 --> 00:14:20,399

front of South Mountain that there's a

339

00:14:26,509 --> 00:14:24,000

mountain there and they were lower than

340

00:14:28,370 --> 00:14:26,519

those lights so I figured enough I'm

341

00:14:31,129 --> 00:14:28,380

getting my video camera I run downstairs

342

00:14:34,310 --> 00:14:31,139

I grab my video camera it was charged I

343

00:14:36,530 --> 00:14:34,320

get out to the front area and I get

344

00:14:37,490 --> 00:14:36,540

about 18 seconds worth the battery goes

345

00:14:39,769 --> 00:14:37,500

dead

346

00:14:43,310 --> 00:14:39,779

I go inside I plug it up it's about

347

00:14:45,650 --> 00:14:43,320

eight o'clock I run outside they're gone

348

00:14:47,689 --> 00:14:45,660

about a half hour later

349

00:14:49,910 --> 00:14:47,699

my husband's coming up the drive I go

350

00:14:53,090 --> 00:14:49,920

outside I said honey remember I told you

351
00:14:55,490 --> 00:14:53,100
about the three equidistant orbs Far

352
00:14:57,050 --> 00:14:55,500
West last night about a half an hour ago

353
00:14:59,689 --> 00:14:57,060
they were right in front of southbound

354
00:15:02,629 --> 00:14:59,699
and as I'm pointing just like this they

355
00:15:05,509 --> 00:15:02,639
reappear in the same spot I was like

356
00:15:07,850 --> 00:15:05,519
whoa I gotta get for this so again

357
00:15:11,090 --> 00:15:07,860
little coincidence because my video

358
00:15:14,090 --> 00:15:11,100
camera was attached to electricity to

359
00:15:16,670 --> 00:15:14,100
charge it up in video it doesn't do the

360
00:15:19,370 --> 00:15:16,680
lights Justice this is really important

361
00:15:22,569 --> 00:15:19,380
in video the lights are much smaller

362
00:15:25,370 --> 00:15:22,579
they're white not Amber they flicker

363
00:15:27,230 --> 00:15:25,380

nonetheless the formations themselves

364

00:15:30,590 --> 00:15:27,240

are very compelling if you really look

365

00:15:33,410 --> 00:15:30,600

at it but 35 millimeter they're in the

366

00:15:36,110 --> 00:15:33,420

negative I grab my 35 millimeter I get

367

00:15:38,210 --> 00:15:36,120

out to the balcony just as I'm ready to

368

00:15:41,569 --> 00:15:38,220

shoot the three

369

00:15:44,269 --> 00:15:41,579

suddenly six lights pop on above the

370

00:15:47,090 --> 00:15:44,279

three massive span over a mile wide

371

00:15:49,550 --> 00:15:47,100

totally equidistant from each other it

372

00:15:52,370 --> 00:15:49,560

was so unnerving not having an

373

00:15:54,650 --> 00:15:52,380

explanation for 95 closed sighting

374

00:15:56,990 --> 00:15:54,660

that I started to shake

375

00:15:59,329 --> 00:15:57,000

and the first picture of that series you

376

00:16:02,329 --> 00:15:59,339

can see it's wavy because I'm shaking

377

00:16:04,670 --> 00:16:02,339

okay but I kept my wits about me thank

378

00:16:06,829 --> 00:16:04,680

goodness because the second picture to

379

00:16:09,590 --> 00:16:06,839

me is a Smoking Gun

380

00:16:11,449 --> 00:16:09,600

the second picture shows and I always

381

00:16:13,069 --> 00:16:11,459

say the data speaks for itself just look

382

00:16:15,530 --> 00:16:13,079

at it and if I can be a credible voice

383

00:16:17,389 --> 00:16:15,540

so people actually look at the data then

384

00:16:19,370 --> 00:16:17,399

I've done my job so I hope that your

385

00:16:21,769 --> 00:16:19,380

audience will look at the data because

386

00:16:23,629 --> 00:16:21,779

here there's one light in the center

387

00:16:27,829 --> 00:16:23,639

that's the brightest and two on each

388

00:16:29,449 --> 00:16:27,839

side with two underneath in the picture

389

00:16:32,150 --> 00:16:29,459

two months later

390

00:16:33,829 --> 00:16:32,160

thousands of people would describe what

391

00:16:37,009 --> 00:16:33,839

they were seeing during the mass

392

00:16:39,889 --> 00:16:37,019

sighting as five lights in a V formation

393

00:16:43,249 --> 00:16:39,899

with two trailing lights and we have

394

00:16:46,249 --> 00:16:43,259

documentation on TV on the radio of

395

00:16:48,710 --> 00:16:46,259

people sharing just that this is two

396

00:16:50,990 --> 00:16:48,720

months before the imagining

397

00:16:54,590 --> 00:16:51,000

then as I'm clicking away

398

00:16:56,870 --> 00:16:54,600

whatever I was capturing head on turned

399

00:17:00,050 --> 00:16:56,880

into a v-shape

400

00:17:02,030 --> 00:17:00,060

and that as the lights were disappearing

401
00:17:05,210 --> 00:17:02,040
from underneath the three lights were

402
00:17:07,429 --> 00:17:05,220
disappearing I ran inside called The

403
00:17:09,230 --> 00:17:07,439
Arizona Republic newspaper which is a

404
00:17:11,090 --> 00:17:09,240
big newspaper here and said you've got

405
00:17:12,730 --> 00:17:11,100
to get somebody out there quick there's

406
00:17:15,350 --> 00:17:12,740
strange lights in front of sass Mountain

407
00:17:18,169 --> 00:17:15,360
get some pictures of it and please tell

408
00:17:20,630 --> 00:17:18,179
me what it is as I finish the sentence

409
00:17:23,510 --> 00:17:20,640
they were gone

410
00:17:25,309 --> 00:17:23,520
didn't sleep well that night but by the

411
00:17:27,110 --> 00:17:25,319
next morning I was like come on there's

412
00:17:29,510 --> 00:17:27,120
got to be a logical explanation right

413
00:17:32,450 --> 00:17:29,520

I'll just search it out so I called the

414

00:17:34,190 --> 00:17:32,460

Arizona Republic again and got an

415

00:17:36,770 --> 00:17:34,200

operator on the phone I said did anybody

416

00:17:38,990 --> 00:17:36,780

call last night to report strange lights

417

00:17:40,490 --> 00:17:39,000

in front of South Mountain she gets off

418

00:17:43,490 --> 00:17:40,500

she gets right back on she said nope

419

00:17:45,529 --> 00:17:43,500

nobody called well I know I called so I

420

00:17:46,970 --> 00:17:45,539

said well my husband and I did see

421

00:17:49,490 --> 00:17:46,980

something strange I'm just trying to

422

00:17:52,310 --> 00:17:49,500

find out what it is she says well

423

00:17:54,770 --> 00:17:52,320

sometimes they do experimental Maneuvers

424

00:17:56,570 --> 00:17:54,780

from Luke Air Force Base and they don't

425

00:17:59,630 --> 00:17:56,580

tell the public about it I thought that

426

00:18:01,909 --> 00:17:59,640

sounds reasonable but let me go and see

427

00:18:04,250 --> 00:18:01,919

if that's what it was so I call Luke Air

428

00:18:06,830 --> 00:18:04,260

Force Base try to be very professional

429

00:18:09,110 --> 00:18:06,840

my husband and I are both Physicians we

430

00:18:11,510 --> 00:18:09,120

live Mountainside in Paradise Valley we

431

00:18:13,250 --> 00:18:11,520

saw some strange lights appear in front

432

00:18:15,770 --> 00:18:13,260

of South Mountain last night do you have

433

00:18:18,470 --> 00:18:15,780

any idea what they might have been

434

00:18:19,669 --> 00:18:18,480

from the get-go she had an attitude and

435

00:18:21,049 --> 00:18:19,679

she said well they didn't come in from

436

00:18:22,490 --> 00:18:21,059

the average place and they didn't come

437

00:18:23,510 --> 00:18:22,500

out from here so he had nothing to do

438

00:18:25,669 --> 00:18:23,520

with it

439

00:18:28,010 --> 00:18:25,679

I said be that as it may we did see

440

00:18:29,930 --> 00:18:28,020

something I even got pictures of it

441

00:18:31,730 --> 00:18:29,940

um who can I call to find out what they

442

00:18:34,130 --> 00:18:31,740

might be she says well you said it was

443

00:18:35,510 --> 00:18:34,140

near South near South Mountain in the

444

00:18:38,750 --> 00:18:35,520

airport so maybe they saw something

445

00:18:41,570 --> 00:18:38,760

there huh now it was a mission which is

446

00:18:46,070 --> 00:18:41,580

very unlikely by the way at the time but

447

00:18:47,990 --> 00:18:46,080

I called the FAA and I said the same

448

00:18:50,330 --> 00:18:48,000

thing the operator was really nice and

449

00:18:52,730 --> 00:18:50,340

she said well there was a group of air

450

00:18:54,890 --> 00:18:52,740

traffic controllers here last night that

451

00:18:58,549 --> 00:18:54,900

did see some strange lights I mean it

452

00:19:00,110 --> 00:18:58,559

was already a buzz about it maybe they

453

00:19:02,390 --> 00:19:00,120

you know maybe they're here this morning

454

00:19:03,890 --> 00:19:02,400

I said please please ask if anybody's

455

00:19:05,750 --> 00:19:03,900

here this morning I would love to speak

456

00:19:08,630 --> 00:19:05,760

with someone

457

00:19:10,130 --> 00:19:08,640

finally kept me waiting forever let's

458

00:19:12,409 --> 00:19:10,140

see for five minutes

459

00:19:14,870 --> 00:19:12,419

five minutes this guy who I subsequently

460

00:19:16,490 --> 00:19:14,880

met very low key guy

461

00:19:18,370 --> 00:19:16,500

gets on the phone he said did you see

462

00:19:21,590 --> 00:19:18,380

the Six Flags were equal six information

463

00:19:23,330 --> 00:19:21,600

at 8 30 last night he was more excited

464

00:19:25,250 --> 00:19:23,340

than me I said yes that's why I called

465

00:19:27,289 --> 00:19:25,260

he said we saw three at eight o'clock I

466

00:19:29,390 --> 00:19:27,299

said that's yes I saw them too he said

467

00:19:32,630 --> 00:19:29,400

they three popped up at eight o'clock

468

00:19:34,610 --> 00:19:32,640

over Class B restricted airspace he was

469

00:19:36,830 --> 00:19:34,620

very they were all very forthcoming

470

00:19:40,310 --> 00:19:36,840

initially

471

00:19:43,070 --> 00:19:40,320

um about a thousand feet altitude

472

00:19:44,590 --> 00:19:43,080

anyone that comes into that radius of 30

473

00:19:47,750 --> 00:19:44,600

miles around the center of the airport

474

00:19:49,850 --> 00:19:47,760

must call into the tower especially a

475

00:19:51,470 --> 00:19:49,860

thousand feet that these were no one

476
00:19:53,630 --> 00:19:51,480
called so they got alarmed looked on

477
00:19:54,770 --> 00:19:53,640
radar did not show up on radar they

478
00:19:57,310 --> 00:19:54,780
disappeared

479
00:20:00,409 --> 00:19:57,320
when they popped up again six of them

480
00:20:04,310 --> 00:20:00,419
massive span over a mile wide

481
00:20:06,169 --> 00:20:04,320
at 8 30. they really got alarmed look on

482
00:20:08,630 --> 00:20:06,179
radar didn't show up on radar took their

483
00:20:10,789 --> 00:20:08,640
high-powered binoculars to look and in

484
00:20:12,529 --> 00:20:10,799
their own words there were six points of

485
00:20:15,770 --> 00:20:12,539
light totally equidistant from each

486
00:20:19,070 --> 00:20:15,780
other a massive span over a mile wide

487
00:20:21,169 --> 00:20:19,080
over Class B restricted airspace that

488
00:20:22,970 --> 00:20:21,179

seemed to be attached to something these

489

00:20:26,750 --> 00:20:22,980

lights seem to be attached to something

490

00:20:29,870 --> 00:20:26,760

or had a force field in between that was

491

00:20:32,450 --> 00:20:29,880

holding them in Rock Solid formation and

492

00:20:36,350 --> 00:20:32,460

he was a meteorologist and said that the

493

00:20:39,710 --> 00:20:36,360

entire thing turned as a unit Against

494

00:20:44,090 --> 00:20:39,720

the Wind very significant elevated

495

00:20:46,549 --> 00:20:44,100

slowly in synchrony and then moved as a

496

00:20:49,010 --> 00:20:46,559

unit behind South Mountain so I said so

497

00:20:50,870 --> 00:20:49,020

what was it and there was silence and

498

00:20:52,070 --> 00:20:50,880

then he said beats me I said you're an

499

00:20:54,409 --> 00:20:52,080

air traffic controller you're supposed

500

00:20:56,650 --> 00:20:54,419

to know it's in our airspace they rule

501
00:21:00,610 --> 00:20:56,660
down every conventional aircraft

502
00:21:03,409 --> 00:21:00,620
balloons Chinese lanterns flares even

503
00:21:06,169 --> 00:21:03,419
skydivers with lights and we kept in

504
00:21:10,630 --> 00:21:06,179
contact I continued photographing these

505
00:21:14,270 --> 00:21:10,640
phenomena up and including March 13

506
00:21:15,770 --> 00:21:14,280
1997. let me just follow up on one thing

507
00:21:17,750 --> 00:21:15,780
near Dr London because that's a lot of

508
00:21:21,049 --> 00:21:17,760
really fascinating context even before

509
00:21:22,850 --> 00:21:21,059
we get to the mass event in 1997. now

510
00:21:24,470 --> 00:21:22,860
you're you're collecting a lot of data

511
00:21:26,150 --> 00:21:24,480
on your own you've got an interest in

512
00:21:28,310 --> 00:21:26,160
the subject Gathering you're starting to

513
00:21:30,409 --> 00:21:28,320

see these lights in a pretty frequent

514

00:21:32,630 --> 00:21:30,419

basis and you're doing the research

515

00:21:35,450 --> 00:21:32,640

you're following this up there's no one

516

00:21:37,430 --> 00:21:35,460

else in the general area taking a same

517

00:21:39,350 --> 00:21:37,440

interest are you hearing about anyone

518

00:21:41,149 --> 00:21:39,360

seeing the same lights obviously aside

519

00:21:43,310 --> 00:21:41,159

from Air Traffic Control and such but

520

00:21:45,710 --> 00:21:43,320

it's a no Scuttle but amongst the

521

00:21:47,990 --> 00:21:45,720

residents or of these lights appearing

522

00:21:50,270 --> 00:21:48,000

that's a very good question besides us

523

00:21:52,010 --> 00:21:50,280

alerting our neighbors and they saw them

524

00:21:55,370 --> 00:21:52,020

too

525

00:21:59,930 --> 00:21:55,380

um another interesting coincidence

526

00:22:04,669 --> 00:22:01,610

I my husband was getting really

527

00:22:06,169 --> 00:22:04,679

frustrated every time the scientist in

528

00:22:07,789 --> 00:22:06,179

me and I have to tell you that I

529

00:22:10,789 --> 00:22:07,799

approached this whole thing as a

530

00:22:13,310 --> 00:22:10,799

scientist trying to be really uh

531

00:22:15,350 --> 00:22:13,320

meticulous with with the data and and

532

00:22:18,590 --> 00:22:15,360

credible data

533

00:22:20,930 --> 00:22:18,600

um had I had to run out there every time

534

00:22:23,690 --> 00:22:20,940

they these lights popped up for for days

535

00:22:26,270 --> 00:22:23,700

before the mass sighting and

536

00:22:28,970 --> 00:22:26,280

um I figured okay I maybe there's a

537

00:22:31,070 --> 00:22:28,980

logical explanation to this so I started

538

00:22:33,529 --> 00:22:31,080

showing the video to my friends to find

539

00:22:36,409 --> 00:22:33,539

out if anybody knew anyone that was

540

00:22:39,470 --> 00:22:36,419

connected to the topic this is how close

541

00:22:42,230 --> 00:22:39,480

I was Andy a friend of a friend had a

542

00:22:44,570 --> 00:22:42,240

neighbor who had a friend who knew the

543

00:22:47,090 --> 00:22:44,580

past president of mufon mutual UFO

544

00:22:51,529 --> 00:22:47,100

Network which I never heard of before

545

00:22:53,630 --> 00:22:51,539

and I called him up and told him that I

546

00:22:56,510 --> 00:22:53,640

was seeing these lights which he hadn't

547

00:22:58,549 --> 00:22:56,520

heard of but there were other people not

548

00:23:02,210 --> 00:22:58,559

only seeing them but photographing them

549

00:23:05,630 --> 00:23:02,220

too in fact one fella called rufan up to

550

00:23:09,890 --> 00:23:05,640

his balcony the night of March 13th

551
00:23:12,950 --> 00:23:09,900
and the mass sighting night and they

552
00:23:14,630 --> 00:23:12,960
captured an arrowhead of five lights all

553
00:23:16,789 --> 00:23:14,640
you have to do is look at that video

554
00:23:19,010 --> 00:23:16,799
those lights are attached to something

555
00:23:20,450 --> 00:23:19,020
or have a force field holding him in

556
00:23:21,529 --> 00:23:20,460
Rock Solid formation so there were

557
00:23:23,270 --> 00:23:21,539
people

558
00:23:25,669 --> 00:23:23,280
to answer your question that we're

559
00:23:28,549 --> 00:23:25,679
seeing them and documenting them on film

560
00:23:32,090 --> 00:23:28,559
uh before the mass sighting at any rate

561
00:23:34,130 --> 00:23:32,100
he refers me to a field investigator for

562
00:23:35,149 --> 00:23:34,140
the following Wednesday who calls me on

563
00:23:39,289 --> 00:23:35,159

Tuesday

564

00:23:41,630 --> 00:23:39,299

to say that the then state director of

565

00:23:43,909 --> 00:23:41,640

mufon wanted to be at that meeting but

566

00:23:46,430 --> 00:23:43,919

his mom had passed on Saturday the

567

00:23:49,669 --> 00:23:46,440

funeral was Wednesday could we postpone

568

00:23:51,950 --> 00:23:49,679

I was like whoa I am so booked for

569

00:23:54,529 --> 00:23:51,960

another couple three weeks the only

570

00:23:57,230 --> 00:23:54,539

window of opportunity I had was Friday

571

00:24:00,049 --> 00:23:57,240

morning at 10 o'clock he said fine

572

00:24:02,330 --> 00:24:00,059

I knock on his door he opens the door

573

00:24:04,250 --> 00:24:02,340

the first thing he says to me is did you

574

00:24:06,230 --> 00:24:04,260

see the mass sighting last night

575

00:24:08,930 --> 00:24:06,240

and I said well I saw something similar

576

00:24:11,149 --> 00:24:08,940

to what I told you I saw it two months

577

00:24:14,870 --> 00:24:11,159

ago in fact I got video of it from

578

00:24:17,510 --> 00:24:14,880

lysine he said great because NBC was

579

00:24:21,049 --> 00:24:17,520

coming to interview him in a half an

580

00:24:23,810 --> 00:24:21,059

hour I said whoa I said wait a minute

581

00:24:26,990 --> 00:24:23,820

first of all I don't know if it's a hoax

582

00:24:29,930 --> 00:24:27,000

or military or whatever but it's not

583

00:24:32,870 --> 00:24:29,940

about me it's never been about me it's

584

00:24:36,110 --> 00:24:32,880

about the data I said take a copy of the

585

00:24:38,930 --> 00:24:36,120

video show it to whoever I'm out of here

586

00:24:40,669 --> 00:24:38,940

oh and by the way I called the air

587

00:24:43,970 --> 00:24:40,679

traffic controllers again this morning

588

00:24:46,850 --> 00:24:43,980

the morning after the mass sighting

589

00:24:49,549 --> 00:24:46,860

they confirmed it was the same exact

590

00:24:52,430 --> 00:24:49,559

phenomena over the same exact location

591

00:24:54,649 --> 00:24:52,440

Class B restricted airspace a thousand

592

00:24:56,750 --> 00:24:54,659

feet altitude and

593

00:24:59,450 --> 00:24:56,760

that a couple Pilots called into the

594

00:25:02,450 --> 00:24:59,460

tower to report it in a commercial

595

00:25:04,010 --> 00:25:02,460

airline pilot that

596

00:25:05,630 --> 00:25:04,020

started screaming what the hell are

597

00:25:08,270 --> 00:25:05,640

these lights over me

598

00:25:11,029 --> 00:25:08,280

and a private pilot on close approach

599

00:25:14,270 --> 00:25:11,039

which we'll get to later which I had no

600

00:25:16,730 --> 00:25:14,280

idea was reporting it while I was

601
00:25:20,029 --> 00:25:16,740
filming it we'll get to who that is

602
00:25:23,029 --> 00:25:20,039
later who did not come forward for many

603
00:25:25,730 --> 00:25:23,039
many years I have to say at any rate I

604
00:25:27,409 --> 00:25:25,740
get home that that afternoon

605
00:25:29,570 --> 00:25:27,419
sitting in front of my TV I didn't even

606
00:25:32,149 --> 00:25:29,580
know if they would be covering it with

607
00:25:34,370 --> 00:25:32,159
my VCR ready to go

608
00:25:38,029 --> 00:25:34,380
you know how they do breaking news on

609
00:25:39,950 --> 00:25:38,039
the news stations every news station was

610
00:25:43,070 --> 00:25:39,960
showing my video he had given it to

611
00:25:44,690 --> 00:25:43,080
everyone which was really exciting

612
00:25:47,149 --> 00:25:44,700
because I didn't know what the heck it

613
00:25:50,409 --> 00:25:47,159

was but here people were seeing what we

614

00:25:55,130 --> 00:25:50,419

saw and my video is the three end lights

615

00:25:57,890 --> 00:25:55,140

of a giant v or a triangle over a mile

616

00:25:59,690 --> 00:25:57,900

wide by the nine o'clock news a couple

617

00:26:02,269 --> 00:25:59,700

of other videos came forward the

618

00:26:04,789 --> 00:26:02,279

arrowhead and a boomerang really

619

00:26:07,010 --> 00:26:04,799

impressive giant Boomerang some of your

620

00:26:09,950 --> 00:26:07,020

audience may have seen that

621

00:26:12,289 --> 00:26:09,960

my video and the arrowhead video were

622

00:26:13,610 --> 00:26:12,299

shot before 10 o'clock this will become

623

00:26:16,010 --> 00:26:13,620

significant

624

00:26:18,890 --> 00:26:16,020

the boomerang there's two Boomerang

625

00:26:24,230 --> 00:26:18,900

videos we're after 10 o'clock

626

00:26:28,990 --> 00:26:24,240

at any rate it was it was uncanny that

627

00:26:32,110 --> 00:26:29,000

I'm learning on March 13th 1997.

628

00:26:34,909 --> 00:26:32,120

that while thousands of people were

629

00:26:36,590 --> 00:26:34,919

staring up at the sky for a glimpse of

630

00:26:40,730 --> 00:26:36,600

the halebot comic

631

00:26:42,950 --> 00:26:40,740

they also got a glimpse to one and we

632

00:26:46,250 --> 00:26:42,960

just learned from a couple years ago

633

00:26:47,930 --> 00:26:46,260

from the director of the National UFO

634

00:26:50,750 --> 00:26:47,940

Reporting Center in Seattle Washington

635

00:26:53,330 --> 00:26:50,760

Peter Davenport I thought he was kidding

636

00:26:55,130 --> 00:26:53,340

but he received thousands of reports and

637

00:26:57,649 --> 00:26:55,140

drawings and all the illustrations all

638

00:27:00,169 --> 00:26:57,659

kinds of things that they're one of

639

00:27:03,649 --> 00:27:00,179

these objects whether it was these orbs

640

00:27:08,529 --> 00:27:03,659

that were in Rock Solid formation in

641

00:27:12,110 --> 00:27:08,539

v-shape Delta shape Boomerang shape

642

00:27:15,049 --> 00:27:12,120

or actual credit and we're talking

643

00:27:20,149 --> 00:27:15,059

gunmetal bottoms Windows some people saw

644

00:27:22,610 --> 00:27:20,159

beings at the windows 30 miles an hour

645

00:27:25,669 --> 00:27:22,620

right over people's heads and he said

646

00:27:28,130 --> 00:27:25,679

one of these objects was eight miles

647

00:27:30,190 --> 00:27:28,140

wide I thought he was kidding but he

648

00:27:34,070 --> 00:27:30,200

wasn't I mean he's announced it since

649

00:27:35,630 --> 00:27:34,080

and confirms that from his data that

650

00:27:39,289 --> 00:27:35,640

he's collected

651
00:27:41,930 --> 00:27:39,299
for 25 years that one of these objects

652
00:27:44,510 --> 00:27:41,940
was eight miles wide nonetheless people

653
00:27:47,450 --> 00:27:44,520
are seeing these objects and it wasn't

654
00:27:50,350 --> 00:27:47,460
just one or two events

655
00:27:53,330 --> 00:27:50,360
that day March 13

656
00:27:56,810 --> 00:27:53,340
1997. as you would hear in the media

657
00:27:58,370 --> 00:27:56,820
sure they grabbed on to the 8 to 10 time

658
00:28:00,909 --> 00:27:58,380
period because that's when most people

659
00:28:04,250 --> 00:28:00,919
were outside looking up at the sky

660
00:28:07,430 --> 00:28:04,260
seeing something unusual and calling the

661
00:28:08,950 --> 00:28:07,440
news stations and so forth but on March

662
00:28:13,370 --> 00:28:08,960
13th

663
00:28:16,269 --> 00:28:13,380

1997 the mass sighting historic Mass

664

00:28:19,250 --> 00:28:16,279

sighting began at 3 pm in the afternoon

665

00:28:20,450 --> 00:28:19,260

5 30 there were reports from Native

666

00:28:22,730 --> 00:28:20,460

Americans

667

00:28:25,130 --> 00:28:22,740

in New Mexico

668

00:28:26,630 --> 00:28:25,140

seven o'clock hour and Beyond in

669

00:28:28,970 --> 00:28:26,640

California

670

00:28:31,549 --> 00:28:28,980

10 o'clock hour there were two

671

00:28:35,149 --> 00:28:31,559

commercial airline pilots that called in

672

00:28:38,149 --> 00:28:35,159

to radar to report one of these massive

673

00:28:39,710 --> 00:28:38,159

mile wide crafts or Vigor was covering

674

00:28:43,549 --> 00:28:39,720

Las Vegas

675

00:28:45,590 --> 00:28:43,559

and the sightings continued until 5 30

676

00:28:48,169 --> 00:28:45,600

the next morning the last report that I

677

00:28:52,190 --> 00:28:48,179

received personally was from a Boeing

678

00:28:53,630 --> 00:28:52,200

crewman who said that his whole crew is

679

00:28:56,090 --> 00:28:53,640

coming into Sky Harbor International

680

00:28:58,970 --> 00:28:56,100

Airport at 5 30 the next morning and one

681

00:29:01,310 --> 00:28:58,980

of these massive over mile widecraft was

682

00:29:05,690 --> 00:29:01,320

hovering over their tarmac another

683

00:29:07,370 --> 00:29:05,700

interesting aside is at 3 AM

684

00:29:09,470 --> 00:29:07,380

there was a call

685

00:29:11,510 --> 00:29:09,480

to the National European Reporting

686

00:29:13,370 --> 00:29:11,520

Center by an alleged crewman from Luke

687

00:29:15,950 --> 00:29:13,380

Air Force Base and we have part of that

688

00:29:18,289 --> 00:29:15,960

very professional recording in our

689

00:29:19,669 --> 00:29:18,299

documentary so people can be your first

690

00:29:22,310 --> 00:29:19,679

hand

691

00:29:25,010 --> 00:29:22,320

how excited and professional he was

692

00:29:27,289 --> 00:29:25,020

that there was one of these over mile

693

00:29:30,289 --> 00:29:27,299

wide crab hovering right over Central

694

00:29:32,570 --> 00:29:30,299

Phoenix at 8 30 that evening

695

00:29:36,049 --> 00:29:32,580

and jets were sent out from Luke Air

696

00:29:37,549 --> 00:29:36,059

Force Base to intercept and get gun time

697

00:29:38,870 --> 00:29:37,559

with them which I heard they did I

698

00:29:42,649 --> 00:29:38,880

haven't seen it

699

00:29:45,529 --> 00:29:42,659

of this object and as they got close

700

00:29:47,510 --> 00:29:45,539

the light started to dim and then the

701

00:29:49,250 --> 00:29:47,520

entire thing blinked out

702

00:29:52,310 --> 00:29:49,260

and disappeared

703

00:29:54,230 --> 00:29:52,320

and not only did Luke Air Force Base go

704

00:29:56,149 --> 00:29:54,240

on lockdown after that which has been

705

00:29:59,510 --> 00:29:56,159

confirmed by other people

706

00:30:00,950 --> 00:29:59,520

but this fella said that he helped one

707

00:30:03,289 --> 00:30:00,960

of the pilots out of his aircraft

708

00:30:07,070 --> 00:30:03,299

because he was so shaken off by him

709

00:30:09,649 --> 00:30:07,080

now the technology itself not only the

710

00:30:11,690 --> 00:30:09,659

fact that it disappeared okay when it

711

00:30:12,950 --> 00:30:11,700

just got close to it which is like what

712

00:30:17,630 --> 00:30:12,960

does that

713

00:30:20,269 --> 00:30:17,640

but as people are watching silently

714

00:30:22,010 --> 00:30:20,279

these massive objects right over their

715

00:30:23,690 --> 00:30:22,020

heads rooftop level some people said

716

00:30:26,029 --> 00:30:23,700

they could have thrown a rock at it it

717

00:30:29,149 --> 00:30:26,039

was so close

718

00:30:33,049 --> 00:30:29,159

if you go to the Gap page g-a-p

719

00:30:35,930 --> 00:30:33,059

geospatial animation project

720

00:30:39,769 --> 00:30:35,940

on the Phoenix Lights Network website

721

00:30:42,049 --> 00:30:39,779

it was a 12-year study meticulous study

722

00:30:45,649 --> 00:30:42,059

by investigators

723

00:30:48,529 --> 00:30:45,659

hundreds of reports that they analyze

724

00:30:51,830 --> 00:30:48,539

two or more people had to see the same

725

00:30:56,269 --> 00:30:51,840

craft to be in the study and their

726
00:30:59,990 --> 00:30:56,279
conclusion after 12 years was that there

727
00:31:01,789 --> 00:31:00,000
were 10 different crap now whether it

728
00:31:03,230 --> 00:31:01,799
was one class that could morph into

729
00:31:05,149 --> 00:31:03,240
looking different

730
00:31:06,529 --> 00:31:05,159
the perspective from where the person

731
00:31:08,210 --> 00:31:06,539
was standing

732
00:31:10,610 --> 00:31:08,220
for a parade

733
00:31:13,130 --> 00:31:10,620
which is ultimately what they concluded

734
00:31:16,310 --> 00:31:13,140
because there were multiple things

735
00:31:18,789 --> 00:31:16,320
happening in multiple locations in four

736
00:31:22,789 --> 00:31:18,799
different states over a dozen hours

737
00:31:27,169 --> 00:31:22,799
we're talking about a massive parade on

738
00:31:29,690 --> 00:31:27,179

March 13 1997 of incredible objects now

739

00:31:31,970 --> 00:31:29,700

one of the pictures we'll show you that

740

00:31:35,149 --> 00:31:31,980

one of the crafts split into and shot

741

00:31:37,669 --> 00:31:35,159

straight up other people reported that

742

00:31:40,149 --> 00:31:37,679

these orbs detach from the main object

743

00:31:42,590 --> 00:31:40,159

when added to the environment and then

744

00:31:44,570 --> 00:31:42,600

redocked with it later which is

745

00:31:48,350 --> 00:31:44,580

interesting

746

00:31:51,289 --> 00:31:48,360

again going back to the hard data if you

747

00:31:54,470 --> 00:31:51,299

look at the pictures from 95 and there's

748

00:31:56,029 --> 00:31:54,480

another story to tell if we have time

749

00:31:59,630 --> 00:31:56,039

you'll see

750

00:32:02,750 --> 00:31:59,640

that the same exact phenomenon in an

751
00:32:05,350 --> 00:32:02,760
equidistant line is in the same location

752
00:32:07,909 --> 00:32:05,360
at a distance

753
00:32:10,610 --> 00:32:07,919
disappearing when my husband and I are

754
00:32:13,070 --> 00:32:10,620
focused on the clothes Lords in the

755
00:32:16,310 --> 00:32:13,080
first picture there are four lights in a

756
00:32:18,230 --> 00:32:16,320
row the clothes lights actually moved

757
00:32:20,570 --> 00:32:18,240
and we'll get to that in the last

758
00:32:23,149 --> 00:32:20,580
picture there are two lights in the same

759
00:32:26,750 --> 00:32:23,159
location at a distance so

760
00:32:30,169 --> 00:32:26,760
the same exact phenomena was there in 95

761
00:32:32,149 --> 00:32:30,179
as I also photographed two months before

762
00:32:33,950 --> 00:32:32,159
the mass sighting during the mass

763
00:32:35,690 --> 00:32:33,960

sighting and then after the mass

764

00:32:37,510 --> 00:32:35,700

sighting they continued

765

00:32:41,710 --> 00:32:37,520

but anyway

766

00:32:44,389 --> 00:32:41,720

the technology itself was mind-boggling

767

00:32:46,909 --> 00:32:44,399

also which is really significant and we

768

00:32:48,950 --> 00:32:46,919

are doing a big big scientific study

769

00:32:51,590 --> 00:32:48,960

right now if people want to get on the

770

00:32:53,930 --> 00:32:51,600

Phoenix Lights Network website whether

771

00:32:56,330 --> 00:32:53,940

you saw the Phoenix Lights or not you're

772

00:32:57,950 --> 00:32:56,340

listening about it and I've had people

773

00:33:00,049 --> 00:32:57,960

worldwide tell me that the Phoenix

774

00:33:02,570 --> 00:33:00,059

Lights has affected them at a deep level

775

00:33:04,490 --> 00:33:02,580

even though they never saw it but just

776

00:33:07,370 --> 00:33:04,500

learning about it and really and reading

777

00:33:11,930 --> 00:33:07,380

my book and watching the documentary and

778

00:33:13,970 --> 00:33:11,940

just watching this uh podcast

779

00:33:16,909 --> 00:33:13,980

um that really sunk in the Phoenix

780

00:33:17,870 --> 00:33:16,919

Lights really affected people in real

781

00:33:19,909 --> 00:33:17,880

time

782

00:33:22,850 --> 00:33:19,919

and long term if you go to the Phoenix

783

00:33:24,710 --> 00:33:22,860

Lights Network website at the landing

784

00:33:26,210 --> 00:33:24,720

page there's a triangle and right

785

00:33:28,070 --> 00:33:26,220

underneath the triangle there's a link

786

00:33:30,889 --> 00:33:28,080

it goes to a questionnaire that's

787

00:33:32,870 --> 00:33:30,899

totally Anonymous and confidential and I

788

00:33:35,870 --> 00:33:32,880

welcome people to go there and I we've

789

00:33:38,389 --> 00:33:35,880

had over almost 500 people in less than

790

00:33:40,070 --> 00:33:38,399

a month and a half go there because so

791

00:33:41,810 --> 00:33:40,080

many people have been affected by the

792

00:33:44,090 --> 00:33:41,820

Phoenix Lights and other similar

793

00:33:45,830 --> 00:33:44,100

phenomenon you don't have to just talk

794

00:33:48,950 --> 00:33:45,840

about the Phoenix Lights but at any rate

795

00:33:51,009 --> 00:33:48,960

I I welcome people to do that

796

00:33:54,169 --> 00:33:51,019

um can I ask

797

00:33:55,669 --> 00:33:54,179

can I just ask a quick question on on

798

00:33:57,350 --> 00:33:55,679

the event itself because that's really

799

00:33:59,090 --> 00:33:57,360

interesting like you say that there were

800

00:34:01,730 --> 00:33:59,100

four states where there were sightings

801
00:34:03,289 --> 00:34:01,740
across that day and into the evening and

802
00:34:06,909 --> 00:34:03,299
I also just had somebody tell me that

803
00:34:09,950 --> 00:34:06,919
they saw it in Texas as well so you know

804
00:34:13,070 --> 00:34:09,960
many years later but they saw it on

805
00:34:14,750 --> 00:34:13,080
March 13 1995 the same phenomena yeah if

806
00:34:16,129 --> 00:34:14,760
these objects are as large as they are

807
00:34:18,050 --> 00:34:16,139
it would make sense wouldn't it that

808
00:34:20,149 --> 00:34:18,060
you're going to see it from from greater

809
00:34:23,149 --> 00:34:20,159
distances as well what I'd like to know

810
00:34:24,589 --> 00:34:23,159
though is of of those two main sightings

811
00:34:28,490 --> 00:34:24,599
that everyone knows about which happened

812
00:34:30,169 --> 00:34:28,500
8 30 and then and then 10 p.m can you

813
00:34:32,450 --> 00:34:30,179

just go into the detail and distinguish

814

00:34:33,950 --> 00:34:32,460

what was the first sighting that caught

815

00:34:35,570 --> 00:34:33,960

people's attention and then what

816

00:34:37,629 --> 00:34:35,580

happened for the second sighting that

817

00:34:40,250 --> 00:34:37,639

evening

818

00:34:43,869 --> 00:34:40,260

okay you're separating it into two

819

00:34:46,550 --> 00:34:43,879

events right just like the media says

820

00:34:48,109 --> 00:34:46,560

yeah yeah I'm gonna get I'm gonna get to

821

00:34:51,290 --> 00:34:48,119

that okay good

822

00:34:53,149 --> 00:34:51,300

Ness and disinformation okay okay and

823

00:34:54,710 --> 00:34:53,159

I'll show you why I'm just going to tell

824

00:34:56,329 --> 00:34:54,720

you the facts not trying to convince

825

00:34:58,250 --> 00:34:56,339

anybody of anything

826

00:35:01,070 --> 00:34:58,260

um that but as the story unfolds it

827

00:35:03,109 --> 00:35:01,080

which is really interesting

828

00:35:05,329 --> 00:35:03,119

here people are seeing this right above

829

00:35:07,310 --> 00:35:05,339

their heads okay I had no idea at the

830

00:35:08,510 --> 00:35:07,320

time that it was four states I mean I

831

00:35:11,270 --> 00:35:08,520

just knew that it went throughout

832

00:35:14,690 --> 00:35:11,280

Arizona and the thousands of people saw

833

00:35:16,069 --> 00:35:14,700

what I had been seeing and I'm learning

834

00:35:19,370 --> 00:35:16,079

a week later

835

00:35:22,430 --> 00:35:19,380

that because it was amazing the next

836

00:35:25,609 --> 00:35:22,440

Tuesday I see my video on on the news

837

00:35:28,550 --> 00:35:25,619

again and they're interviewing a fella

838

00:35:29,990 --> 00:35:28,560

right here in Tempe which is where

839

00:35:32,990 --> 00:35:30,000

Arizona state is the Trade Center

840

00:35:36,589 --> 00:35:33,000

Arizona state had a huge

841

00:35:41,950 --> 00:35:36,599

computer lab and on the side he had been

842

00:35:44,569 --> 00:35:41,960

analyzing pictures and video of UAP UFOs

843

00:35:47,089 --> 00:35:44,579

worldwide for like 20 years at the time

844

00:35:50,030 --> 00:35:47,099

and he was showing pictures on the news

845

00:35:54,530 --> 00:35:50,040

of these ores in Triangle formation from

846

00:35:56,089 --> 00:35:54,540

UK from Belgium from Russia from all

847

00:35:57,829 --> 00:35:56,099

over the world that was the first I

848

00:36:00,530 --> 00:35:57,839

heard about it I did not know anything

849

00:36:02,030 --> 00:36:00,540

about this topic and it blew me away I

850

00:36:05,690 --> 00:36:02,040

thought oh my goodness this is happening

851
00:36:08,810 --> 00:36:05,700
worldwide I had no idea from that day on

852
00:36:10,790 --> 00:36:08,820
I pushed my whole medical career aside

853
00:36:14,270 --> 00:36:10,800
to try to find a logical explanation

854
00:36:17,270 --> 00:36:14,280
kept an intricate journal every day of

855
00:36:18,609 --> 00:36:17,280
media reports witness reports I started

856
00:36:21,470 --> 00:36:18,619
finding the history

857
00:36:23,390 --> 00:36:21,480
mind-boggling I had no idea that these

858
00:36:25,970 --> 00:36:23,400
same phenomenon

859
00:36:30,170 --> 00:36:25,980
have been showing up for centuries

860
00:36:32,109 --> 00:36:30,180
the uh in Sumerian writings and and uh

861
00:36:34,250 --> 00:36:32,119
India writings and even the Bible

862
00:36:36,890 --> 00:36:34,260
ezekiel's wheel they you know

863
00:36:38,890 --> 00:36:36,900

interpreted these things certain ways at

864

00:36:44,589 --> 00:36:38,900

the time you fast forward

865

00:36:48,190 --> 00:36:44,599

to the 1800s 100 years before ours 1897

866

00:36:51,109 --> 00:36:48,200

in April around the same time

867

00:36:53,210 --> 00:36:51,119

in a number of states in Kansas and

868

00:36:56,410 --> 00:36:53,220

California and

869

00:37:00,170 --> 00:36:56,420

um Washington and even Canada they were

870

00:37:03,470 --> 00:37:00,180

saying and Reporting in the newspaper

871

00:37:07,370 --> 00:37:03,480

these massive airships with removable

872

00:37:09,349 --> 00:37:07,380

like sound familiar okay this was six

873

00:37:10,490 --> 00:37:09,359

years before the Wright brothers took

874

00:37:13,190 --> 00:37:10,500

flight

875

00:37:16,069 --> 00:37:13,200

and then you fast forward again

876

00:37:18,109 --> 00:37:16,079

World War II and I'm going over a lot of

877

00:37:20,569 --> 00:37:18,119

other ones but these are these are big

878

00:37:22,690 --> 00:37:20,579

ones because in World War II what they

879

00:37:25,910 --> 00:37:22,700

called Foo Fighters

880

00:37:30,109 --> 00:37:25,920

buyer and French and not the not the

881

00:37:33,050 --> 00:37:30,119

band these were orbs that were traveling

882

00:37:35,030 --> 00:37:33,060

in groups of twos and threes around the

883

00:37:38,569 --> 00:37:35,040

different aircraft from

884

00:37:40,130 --> 00:37:38,579

after the the uh World War II uh Germany

885

00:37:42,170 --> 00:37:40,140

and Japan United States were all looking

886

00:37:44,210 --> 00:37:42,180

for who had this Advanced spy technology

887

00:37:47,030 --> 00:37:44,220

everybody thought it was spy technology

888

00:37:49,790 --> 00:37:47,040

nobody could find out who had this

889

00:37:52,089 --> 00:37:49,800

and then you fast forward again and we

890

00:37:55,130 --> 00:37:52,099

have in the late 80s and early 90s

891

00:37:57,890 --> 00:37:55,140

Hudson Valley New York

892

00:38:00,470 --> 00:37:57,900

um Belgium which is really an example of

893

00:38:03,470 --> 00:38:00,480

what should happen they were very open

894

00:38:06,170 --> 00:38:03,480

about their sightings and

895

00:38:08,930 --> 00:38:06,180

um I Heard over and over again they they

896

00:38:11,450 --> 00:38:08,940

uh describe them as otherworldly

897

00:38:14,210 --> 00:38:11,460

worldwide other countries as well but

898

00:38:17,150 --> 00:38:14,220

Belgium came together with the military

899

00:38:20,510 --> 00:38:17,160

and scientists and universities and

900

00:38:21,290 --> 00:38:20,520

government and civilians to try to find

901
00:38:22,970 --> 00:38:21,300
out

902
00:38:25,069 --> 00:38:22,980
to really investigate these things

903
00:38:26,930 --> 00:38:25,079
that's what should happen Okay and

904
00:38:29,270 --> 00:38:26,940
hopefully that's what's really happening

905
00:38:31,430 --> 00:38:29,280
here as well it's about time

906
00:38:34,190 --> 00:38:31,440
but at any rate

907
00:38:36,710 --> 00:38:34,200
um and then you fast forward again and

908
00:38:39,650 --> 00:38:36,720
you not only have the Phoenix Lights but

909
00:38:41,270 --> 00:38:39,660
you have uh worldwide these things are

910
00:38:43,670 --> 00:38:41,280
happening so here I'm keeping an

911
00:38:47,930 --> 00:38:43,680
intricate Journal wondering what's going

912
00:38:50,450 --> 00:38:47,940
on and there was no investigation

913
00:38:53,030 --> 00:38:50,460

no explanation at all

914

00:38:55,670 --> 00:38:53,040

like a lid would put on it it was

915

00:38:57,470 --> 00:38:55,680

uncanny I mean we're talking thousand

916

00:38:59,630 --> 00:38:57,480

over ten thousand I'm I'm probably

917

00:39:01,730 --> 00:38:59,640

thinking probably closer to twenty

918

00:39:04,250 --> 00:39:01,740

thousand people saw this

919

00:39:05,569 --> 00:39:04,260

it was a very clear night and thousands

920

00:39:07,609 --> 00:39:05,579

of people were outside looking up at

921

00:39:10,089 --> 00:39:07,619

this guy with the held off common

922

00:39:14,089 --> 00:39:10,099

and there's nothing

923

00:39:14,990 --> 00:39:14,099

maycombs and a councilwoman Phoenix vice

924

00:39:16,730 --> 00:39:15,000

mayor

925

00:39:19,069 --> 00:39:16,740

did not see it

926
00:39:20,750 --> 00:39:19,079
Francis borrowed but so many of her

927
00:39:22,250 --> 00:39:20,760
hundreds of her constituents were

928
00:39:23,890 --> 00:39:22,260
calling are asking why isn't their

929
00:39:26,690 --> 00:39:23,900
investigation

930
00:39:28,670 --> 00:39:26,700
innocently ask for one in a council

931
00:39:30,829 --> 00:39:28,680
meeting and she was plastered to the

932
00:39:33,470 --> 00:39:30,839
wall with jokes in the paper and

933
00:39:35,510 --> 00:39:33,480
ridicule and you know little green men

934
00:39:37,730 --> 00:39:35,520
and the whole thing I mean it was it was

935
00:39:40,010 --> 00:39:37,740
really horrifying at the time in 97

936
00:39:43,790 --> 00:39:40,020
there was so much ridicule and

937
00:39:46,370 --> 00:39:43,800
snickering and discrediting happening I

938
00:39:48,349 --> 00:39:46,380

was very content to stay Anonymous and

939

00:39:50,089 --> 00:39:48,359

just do my homework okay which I

940

00:39:52,190 --> 00:39:50,099

continued to do

941

00:39:54,829 --> 00:39:52,200

at any rate

942

00:39:58,430 --> 00:39:54,839

fast forward again

943

00:40:02,030 --> 00:39:58,440

June 18th for whatever reason front page

944

00:40:04,490 --> 00:40:02,040

USA Today article for the first time

945

00:40:07,190 --> 00:40:04,500

people outside of Arizona were hearing

946

00:40:09,589 --> 00:40:07,200

about our Mass sighting they really kept

947

00:40:11,450 --> 00:40:09,599

a lid on it okay and people were afraid

948

00:40:13,450 --> 00:40:11,460

to come forward because of the ridicule

949

00:40:16,490 --> 00:40:13,460

as well

950

00:40:18,430 --> 00:40:16,500

overnight and Andy we didn't have social

951
00:40:21,530 --> 00:40:18,440
media at the time

952
00:40:22,910 --> 00:40:21,540
overnight it went viral by the next

953
00:40:26,990 --> 00:40:22,920
morning

954
00:40:29,390 --> 00:40:27,000
every National Morning Show in across

955
00:40:32,450 --> 00:40:29,400
the United States Peter Jennings Dan

956
00:40:35,329 --> 00:40:32,460
Rather you name it were talking about

957
00:40:37,370 --> 00:40:35,339
the Phoenix Lights in fact

958
00:40:40,190 --> 00:40:37,380
we had news people from all over the

959
00:40:41,810 --> 00:40:40,200
world come here and once they started

960
00:40:44,870 --> 00:40:41,820
talking to the witnesses their

961
00:40:47,930 --> 00:40:44,880
descriptions were so detailed and so

962
00:40:50,030 --> 00:40:47,940
heartfelt that they too were saying why

963
00:40:51,609 --> 00:40:50,040

isn't there an investigation why isn't

964

00:40:55,010 --> 00:40:51,619

there an explanation

965

00:40:56,270 --> 00:40:55,020

that furry morning late morning for the

966

00:40:58,790 --> 00:40:56,280

first time

967

00:41:01,609 --> 00:40:58,800

our former Governor Simonton announces

968

00:41:04,370 --> 00:41:01,619

publicly that he's having an unscheduled

969

00:41:07,190 --> 00:41:04,380

press conference for that afternoon to

970

00:41:11,030 --> 00:41:07,200

divulge the culprit of the whites over

971

00:41:12,710 --> 00:41:11,040

Phoenix and people took it seriously in

972

00:41:13,970 --> 00:41:12,720

fact at the press conference there were

973

00:41:15,950 --> 00:41:13,980

parents

974

00:41:19,190 --> 00:41:15,960

as well as reporters

975

00:41:22,550 --> 00:41:19,200

he comes marching out one of his aides

976
00:41:24,290 --> 00:41:22,560
and a giant alien head costume and made

977
00:41:26,870 --> 00:41:24,300
a mockery of it

978
00:41:29,450 --> 00:41:26,880
and he said people were panicked no

979
00:41:31,910 --> 00:41:29,460
people worried about it

980
00:41:33,349 --> 00:41:31,920
they were panicking because now it was

981
00:41:35,990 --> 00:41:33,359
out in the back

982
00:41:38,270 --> 00:41:36,000
we're hearing about

983
00:41:39,890 --> 00:41:38,280
because there was not one we'll get to

984
00:41:42,589 --> 00:41:39,900
how it affected people

985
00:41:45,890 --> 00:41:42,599
in real time and long term there was not

986
00:41:47,990 --> 00:41:45,900
one not one credible report to date 25

987
00:41:49,550 --> 00:41:48,000
years later a farm threat or abduction

988
00:41:52,609 --> 00:41:49,560

associated with the Phoenix Lights

989

00:41:54,829 --> 00:41:52,619

phenomena quite the opposite people were

990

00:41:57,109 --> 00:41:54,839

in awe and wonder and I started people

991

00:41:59,210 --> 00:41:57,119

telling me they feel blessed to have had

992

00:42:01,130 --> 00:41:59,220

the experience if we have time we'll get

993

00:42:03,050 --> 00:42:01,140

into that because that's a really

994

00:42:06,050 --> 00:42:03,060

intriguing aspect of the whole Phoenix

995

00:42:09,109 --> 00:42:06,060

Lights phenomena but nonetheless

996

00:42:11,210 --> 00:42:09,119

the audience laughed initially and then

997

00:42:12,530 --> 00:42:11,220

they asked to turn off the cameras I had

998

00:42:15,530 --> 00:42:12,540

someone that was there telling me that

999

00:42:17,150 --> 00:42:15,540

afterwards they were ticked off not only

1000

00:42:25,190 --> 00:42:17,160

the

1001
00:42:28,430 --> 00:42:25,200
two and three malls wide and he's making

1002
00:42:29,390 --> 00:42:28,440
a joke out of it but again it put a lid

1003
00:42:33,550 --> 00:42:29,400
on it

1004
00:42:36,589 --> 00:42:33,560
and weeks passed during those weeks

1005
00:42:38,210 --> 00:42:36,599
did not sit well with me either I wanted

1006
00:42:41,630 --> 00:42:38,220
to get to the bottom of it so I started

1007
00:42:44,150 --> 00:42:41,640
calling military bases never told them

1008
00:42:47,829 --> 00:42:44,160
what I have just that I had witnessed

1009
00:42:50,450 --> 00:42:47,839
and photographed these UAP

1010
00:42:52,370 --> 00:42:50,460
and they were more interested in seeing

1011
00:42:54,050 --> 00:42:52,380
what I had documented than giving an

1012
00:42:55,250 --> 00:42:54,060
explanation they were just as curious in

1013
00:42:58,370 --> 00:42:55,260

fact I have some of their conversations

1014

00:43:00,050 --> 00:42:58,380

in my book which were comical one higher

1015

00:43:01,970 --> 00:43:00,060

up said well

1016

00:43:04,670 --> 00:43:01,980

um the only ones that know who did this

1017

00:43:07,790 --> 00:43:04,680

were God and whoever did this

1018

00:43:10,730 --> 00:43:07,800

what okay

1019

00:43:13,309 --> 00:43:10,740

um which was amazing to me I mean they

1020

00:43:14,569 --> 00:43:13,319

you know they just they wanted to meet

1021

00:43:18,170 --> 00:43:14,579

with me and there was no way that was

1022

00:43:19,309 --> 00:43:18,180

happening a month later on July 24th I

1023

00:43:21,349 --> 00:43:19,319

get a call

1024

00:43:23,150 --> 00:43:21,359

from one of the heads of PR at the Air

1025

00:43:24,290 --> 00:43:23,160

National Guard and she says oh Dr Lynn I

1026

00:43:26,089 --> 00:43:24,300

think we know what those lights were

1027

00:43:28,970 --> 00:43:26,099

back in March and I was thrilled again I

1028

00:43:31,370 --> 00:43:28,980

was looking for any logical explanation

1029

00:43:32,569 --> 00:43:31,380

she says do you believe that in all

1030

00:43:36,770 --> 00:43:32,579

these months

1031

00:43:39,109 --> 00:43:36,780

no one ever looked at the log for Air

1032

00:43:41,510 --> 00:43:39,119

National Guard and the Maryland Air

1033

00:43:44,150 --> 00:43:41,520

National Guard was in town sending off

1034

00:43:47,210 --> 00:43:44,160

military illumination flares in

1035

00:43:49,430 --> 00:43:47,220

operation Snowbird which I later found

1036

00:43:53,089 --> 00:43:49,440

out that in military terms means

1037

00:43:54,829 --> 00:43:53,099

diversionary tactical maneuvers so they

1038

00:43:57,109 --> 00:43:54,839

very well might have been sending off

1039

00:44:00,589 --> 00:43:57,119

layers to divert attention away from the

1040

00:44:01,790 --> 00:44:00,599

two unknowns without one person not one

1041

00:44:04,730 --> 00:44:01,800

person

1042

00:44:07,010 --> 00:44:04,740

that described what flares do because I

1043

00:44:09,410 --> 00:44:07,020

said to her wait a minute

1044

00:44:11,870 --> 00:44:09,420

when was the Maryland Air National Guard

1045

00:44:14,030 --> 00:44:11,880

in town she said March 1st to the 15th I

1046

00:44:16,430 --> 00:44:14,040

said were they in town in January she

1047

00:44:17,930 --> 00:44:16,440

said oh no I said are you sure she said

1048

00:44:20,990 --> 00:44:17,940

absolutely not

1049

00:44:23,089 --> 00:44:21,000

I said well my husband and I witnessed

1050

00:44:24,890 --> 00:44:23,099

the same exact phenomena in the same

1051
00:44:26,750 --> 00:44:24,900
exact location two months before the

1052
00:44:29,329 --> 00:44:26,760
mass I didn't confirmed the next morning

1053
00:44:31,790 --> 00:44:29,339
in January and the morning after the

1054
00:44:33,470 --> 00:44:31,800
mass sighting as appearing over Class B

1055
00:44:35,750 --> 00:44:33,480
restricted airspace the thousand feet

1056
00:44:38,809 --> 00:44:35,760
altitude and she says you never told me

1057
00:44:40,730 --> 00:44:38,819
that they never told details and I said

1058
00:44:43,309 --> 00:44:40,740
besides you're trying to tell me that

1059
00:44:45,770 --> 00:44:43,319
flares and I had educated myself to

1060
00:44:48,950 --> 00:44:45,780
military elimination players

1061
00:44:51,829 --> 00:44:48,960
that drift and drop on parachutes from

1062
00:44:53,990 --> 00:44:51,839
aircraft haphazardly With the Wind

1063
00:44:56,630 --> 00:44:54,000

cannot keep affirmation for more than a

1064

00:44:59,270 --> 00:44:56,640

couple seconds if that have huge smoke

1065

00:45:01,490 --> 00:44:59,280

trails that are illuminated by the flare

1066

00:45:03,109 --> 00:45:01,500

itself and are meant to illuminate the

1067

00:45:05,450 --> 00:45:03,119

area around it anyone there that has

1068

00:45:08,150 --> 00:45:05,460

seen the new movie Maverick from Top Gun

1069

00:45:11,270 --> 00:45:08,160

they have to send I loved it they happen

1070

00:45:13,010 --> 00:45:11,280

to send off flares just as they do and

1071

00:45:14,990 --> 00:45:13,020

they're they're all over the place I

1072

00:45:16,730 --> 00:45:15,000

mean it's just okay

1073

00:45:18,770 --> 00:45:16,740

and I said to her

1074

00:45:22,069 --> 00:45:18,780

so you're trying to tell me that flares

1075

00:45:24,970 --> 00:45:22,079

like cannot keep an affirmation Traverse

1076

00:45:28,190 --> 00:45:24,980

the entire state in a rock solid

1077

00:45:29,630 --> 00:45:28,200

equidistantly spaced mile wide V for

1078

00:45:33,050 --> 00:45:29,640

hours

1079

00:45:34,490 --> 00:45:33,060

and she says uh I have a call coming in

1080

00:45:36,890 --> 00:45:34,500

I'll get back to you while I'm still

1081

00:45:39,170 --> 00:45:36,900

waiting in here

1082

00:45:43,010 --> 00:45:39,180

25 years later anyway

1083

00:45:45,170 --> 00:45:43,020

that really you know is like what I mean

1084

00:45:47,450 --> 00:45:45,180

what is going on here and I can

1085

00:45:49,430 --> 00:45:47,460

understand okay it was brilliant

1086

00:45:51,230 --> 00:45:49,440

actually whoever came up with that

1087

00:45:54,050 --> 00:45:51,240

explanation they had to come up with

1088

00:45:56,990 --> 00:45:54,060

something because after the USA Today

1089

00:45:59,809 --> 00:45:57,000

article and like I said it went viral

1090

00:46:01,130 --> 00:45:59,819

the cat was out of the back people from

1091

00:46:02,630 --> 00:46:01,140

all over the world were talking about

1092

00:46:04,490 --> 00:46:02,640

the Phoenix Lights and wanting to know

1093

00:46:06,650 --> 00:46:04,500

what was going on

1094

00:46:08,450 --> 00:46:06,660

the only hard evidence they had there's

1095

00:46:10,910 --> 00:46:08,460

one earlier video

1096

00:46:12,410 --> 00:46:10,920

of a video okay

1097

00:46:15,290 --> 00:46:12,420

and a lot of people say well why aren't

1098

00:46:18,890 --> 00:46:15,300

there more pictures and video

1099

00:46:21,290 --> 00:46:18,900

in the day in 97 we had those clunky

1100

00:46:23,809 --> 00:46:21,300

cell phones that did not I mean clunky

1101

00:46:26,390 --> 00:46:23,819

uh cell phones did not have cameras in

1102

00:46:28,849 --> 00:46:26,400

them okay and who carries around a

1103

00:46:31,250 --> 00:46:28,859

camera but a few people did okay because

1104

00:46:33,829 --> 00:46:31,260

of the help of comet and they tried to

1105

00:46:36,230 --> 00:46:33,839

take pictures of these massive crap to

1106

00:46:39,349 --> 00:46:36,240

block out the Stars the picture turned

1107

00:46:43,250 --> 00:46:39,359

out black okay so the only hard evidence

1108

00:46:46,250 --> 00:46:43,260

that they had to discredit were the

1109

00:46:50,089 --> 00:46:46,260

handful of videos

1110

00:46:51,410 --> 00:46:50,099

one of them being mine right and whoever

1111

00:46:52,910 --> 00:46:51,420

came up with the flare thing was

1112

00:46:55,010 --> 00:46:52,920

brilliant because

1113

00:46:56,510 --> 00:46:55,020

in video as I mentioned earlier they're

1114

00:47:00,050 --> 00:46:56,520

much smaller they're white they flicker

1115

00:47:01,970 --> 00:47:00,060

but if you study them the formations are

1116

00:47:05,230 --> 00:47:01,980

compelling but you could mistake them

1117

00:47:09,589 --> 00:47:05,240

for something else including Flair okay

1118

00:47:11,450 --> 00:47:09,599

so we get so the next morning the

1119

00:47:13,970 --> 00:47:11,460

headlines is that the Phoenix Lights

1120

00:47:16,490 --> 00:47:13,980

were flares that was it

1121

00:47:18,170 --> 00:47:16,500

and like I said nobody described what

1122

00:47:20,150 --> 00:47:18,180

flares do

1123

00:47:21,290 --> 00:47:20,160

especially the people who saw the true

1124

00:47:22,609 --> 00:47:21,300

unknowns

1125

00:47:24,349 --> 00:47:22,619

okay

1126

00:47:26,990 --> 00:47:24,359

three years later

1127

00:47:28,730 --> 00:47:27,000

when I'm fast forwarding though

1128

00:47:30,230 --> 00:47:28,740

because there's a lot more to this story

1129

00:47:33,410 --> 00:47:30,240

but

1130

00:47:37,550 --> 00:47:33,420

Francis barwood was now running the vice

1131

00:47:40,089 --> 00:47:37,560

mayor of Phoenix for Secretary of State

1132

00:47:43,790 --> 00:47:40,099

to get answers for the Phoenix Lights

1133

00:47:45,950 --> 00:47:43,800

and brilliantly asking for a reenactment

1134

00:47:49,390 --> 00:47:45,960

if it was military

1135

00:47:51,589 --> 00:47:49,400

show us do it again which is reasonable

1136

00:47:54,890 --> 00:47:51,599

and logical

1137

00:47:57,290 --> 00:47:54,900

even though shame on them for denying it

1138

00:47:59,089 --> 00:47:57,300

for months and then coming up with the

1139

00:48:00,589 --> 00:47:59,099

first you know because the flare thing

1140

00:48:02,270 --> 00:48:00,599

by the way

1141

00:48:04,490 --> 00:48:02,280

um Luke Air Force Base was saying one

1142

00:48:06,050 --> 00:48:04,500

thing David Martins was saying that they

1143

00:48:08,510 --> 00:48:06,060

you know left the mail on their way to

1144

00:48:10,430 --> 00:48:08,520

Davis I mean they couldn't get their

1145

00:48:11,870 --> 00:48:10,440

stories straight anyway they're not the

1146

00:48:16,790 --> 00:48:11,880

flare things

1147

00:48:19,609 --> 00:48:16,800

but hey if it was flares do it again

1148

00:48:22,309 --> 00:48:19,619

right before the third anniversary of

1149

00:48:24,290 --> 00:48:22,319

the mass site in 2000

1150

00:48:26,150 --> 00:48:24,300

they announced publicly a big

1151
00:48:28,370 --> 00:48:26,160
announcement on the radio and TV news

1152
00:48:29,870 --> 00:48:28,380
that three Air National Guards were

1153
00:48:31,849 --> 00:48:29,880
coming into town I believe it was New

1154
00:48:35,270 --> 00:48:31,859
York Michigan and California

1155
00:48:37,730 --> 00:48:35,280
to show everyone in the Phoenix Lights

1156
00:48:41,089 --> 00:48:37,740
and we were ready for them

1157
00:48:44,030 --> 00:48:41,099
it talk about a joke

1158
00:48:46,250 --> 00:48:44,040
if you go on the news page scroll down a

1159
00:48:48,890 --> 00:48:46,260
little bit to where it's a block that

1160
00:48:49,910 --> 00:48:48,900
says AZ family which was a CNN affiliate

1161
00:48:53,089 --> 00:48:49,920
at the time

1162
00:48:55,130 --> 00:48:53,099
you will see what they tried to do they

1163
00:48:57,650 --> 00:48:55,140

tried to make a triangle it was upside

1164

00:49:00,650 --> 00:48:57,660

down it fell apart immediately one of

1165

00:49:03,290 --> 00:49:00,660

them just fizzes out immediately in huge

1166

00:49:05,990 --> 00:49:03,300

smoke Trails just what flares do

1167

00:49:08,089 --> 00:49:06,000

to this day the Phoenix Lights have

1168

00:49:12,349 --> 00:49:08,099

never been recreated

1169

00:49:14,210 --> 00:49:12,359

or explained but they continue to appear

1170

00:49:17,990 --> 00:49:14,220

worldwide

1171

00:49:20,089 --> 00:49:18,000

now what's also interesting is that

1172

00:49:22,309 --> 00:49:20,099

right after the 10th anniversary for

1173

00:49:25,550 --> 00:49:22,319

whatever reason

1174

00:49:29,030 --> 00:49:25,560

former Governor five Simonton

1175

00:49:31,250 --> 00:49:29,040

who mocked the sighting in 97 came

1176

00:49:34,309 --> 00:49:31,260

forward bravely

1177

00:49:37,970 --> 00:49:34,319

to divulge that he actually witnessed

1178

00:49:40,849 --> 00:49:37,980

one of these mile-wide crafts and in his

1179

00:49:43,970 --> 00:49:40,859

own estimation as a military awarded

1180

00:49:45,170 --> 00:49:43,980

pilot it definitely wasn't players he

1181

00:49:47,329 --> 00:49:45,180

saw a craft

1182

00:49:48,770 --> 00:49:47,339

and in his own words again which you

1183

00:49:52,309 --> 00:49:48,780

would hear worldwide from different

1184

00:49:54,890 --> 00:49:52,319

countries it was other worldly

1185

00:49:56,870 --> 00:49:54,900

which was a huge step forward the more

1186

00:49:58,370 --> 00:49:56,880

credible people that come forward and

1187

00:50:00,770 --> 00:49:58,380

that was one of the reasons I did come

1188

00:50:02,990 --> 00:50:00,780

forward which we'll get to after seven

1189

00:50:09,230 --> 00:50:03,000

years of anonymity

1190

00:50:12,069 --> 00:50:09,240

but right after also in 2017 there was a

1191

00:50:15,950 --> 00:50:12,079

front page New York Times article

1192

00:50:18,290 --> 00:50:15,960

divulging that Harry Reid one of the

1193

00:50:19,849 --> 00:50:18,300

Senators here had funded a 22 million

1194

00:50:22,790 --> 00:50:19,859

dollar study

1195

00:50:27,890 --> 00:50:22,800

with the Pentagon

1196

00:50:30,910 --> 00:50:27,900

of UFOs with military and government

1197

00:50:34,030 --> 00:50:30,920

and now the cat really was outside

1198

00:50:36,230 --> 00:50:34,040

because they were admitting even though

1199

00:50:39,710 --> 00:50:36,240

insiders know that they've been studying

1200

00:50:41,030 --> 00:50:39,720

a percent for decades but here they were

1201
00:50:42,290 --> 00:50:41,040
admitting that they were actually

1202
00:50:46,010 --> 00:50:42,300
studying something that was

1203
00:50:48,290 --> 00:50:46,020
unexplainable right after that the pilot

1204
00:50:52,430 --> 00:50:48,300
that I had mentioned earlier the Private

1205
00:50:55,730 --> 00:50:52,440
Pilot who on approach called the uh air

1206
00:50:58,250 --> 00:50:55,740
traffic control to report this V of six

1207
00:51:01,910 --> 00:50:58,260
lights right in front of them

1208
00:51:06,470 --> 00:51:01,920
none other than actor Kurt Russell

1209
00:51:08,210 --> 00:51:06,480
yeah because I realized after I watched

1210
00:51:10,309 --> 00:51:08,220
some of his interviews and one of them

1211
00:51:13,309 --> 00:51:10,319
UK interview which is a fabulous

1212
00:51:14,930 --> 00:51:13,319
interview is on our website the news

1213
00:51:16,309 --> 00:51:14,940

page and I think it's on the home page

1214

00:51:19,609 --> 00:51:16,319

as well if people want to take a look at

1215

00:51:21,770 --> 00:51:19,619

it terrific uh and and talks about a lot

1216

00:51:23,990 --> 00:51:21,780

more which we'll get to

1217

00:51:26,329 --> 00:51:24,000

um of of what happened to him himself

1218

00:51:28,490 --> 00:51:26,339

but which also happened to other

1219

00:51:32,030 --> 00:51:28,500

Witnesses but

1220

00:51:33,589 --> 00:51:32,040

the fact that he came forward

1221

00:51:35,809 --> 00:51:33,599

um it's such a big plus I mean the more

1222

00:51:38,329 --> 00:51:35,819

credible people to come forward uh the

1223

00:51:42,710 --> 00:51:38,339

more credibility is Lent to the sighting

1224

00:51:43,970 --> 00:51:42,720

itself now the story continues to evolve

1225

00:51:45,349 --> 00:51:43,980

in fact

1226

00:51:48,829 --> 00:51:45,359

um my book is in its fourth print

1227

00:51:51,770 --> 00:51:48,839

because I I squeezed ultimately after

1228

00:51:52,930 --> 00:51:51,780

seven years of keeping an intricate

1229

00:51:57,349 --> 00:51:52,940

Journal

1230

00:51:59,990 --> 00:51:57,359

750 Pages later of such credible data

1231

00:52:02,210 --> 00:52:00,000

that what do you do with that I mean

1232

00:52:05,450 --> 00:52:02,220

here I I was not only a scientist trying

1233

00:52:07,730 --> 00:52:05,460

to be meticulous with the data but as a

1234

00:52:11,150 --> 00:52:07,740

physician to let people know even though

1235

00:52:13,250 --> 00:52:11,160

most anomalies can be explained only a

1236

00:52:15,829 --> 00:52:13,260

small percentage cannot but just because

1237

00:52:17,750 --> 00:52:15,839

we don't have the technology yet to

1238

00:52:20,450 --> 00:52:17,760

definitively Define what these things

1239

00:52:22,010 --> 00:52:20,460

are it doesn't mean they're not real I

1240

00:52:24,829 --> 00:52:22,020

mean they just be looking on the am dial

1241

00:52:27,710 --> 00:52:24,839

for an FM frequency so as a physician I

1242

00:52:29,990 --> 00:52:27,720

needed to let people know that they're

1243

00:52:31,910 --> 00:52:30,000

not alone they're not alone even if it

1244

00:52:34,130 --> 00:52:31,920

can be explained when people have a

1245

00:52:36,410 --> 00:52:34,140

paranormal experience it's real to them

1246

00:52:39,950 --> 00:52:36,420

and if they don't share it and I always

1247

00:52:41,150 --> 00:52:39,960

welcome people to uh message me on

1248

00:52:44,569 --> 00:52:41,160

Facebook we have the Phoenix Lights

1249

00:52:47,450 --> 00:52:44,579

Network page on Facebook or through the

1250

00:52:49,609 --> 00:52:47,460

um website right at the top of the home

1251
00:52:51,230 --> 00:52:49,619
page there's a link where they can just

1252
00:52:53,630 --> 00:52:51,240
go right to it to me and share because

1253
00:52:57,410 --> 00:52:53,640
sharing with one person just one person

1254
00:52:59,630 --> 00:52:57,420
is cathartic it's healing and certainly

1255
00:53:00,710 --> 00:52:59,640
as a physician and as an experimenter

1256
00:53:03,470 --> 00:53:00,720
myself

1257
00:53:06,290 --> 00:53:03,480
I know what that feels like and as an

1258
00:53:08,870 --> 00:53:06,300
educator Andy what do you do with it I

1259
00:53:11,750 --> 00:53:08,880
had a 750 page Journal plus pictures

1260
00:53:15,349 --> 00:53:11,760
that I've gone to extremely 35

1261
00:53:17,390 --> 00:53:15,359
millimeter in the negative extremely to

1262
00:53:20,870 --> 00:53:17,400
have explained to me at University and

1263
00:53:23,690 --> 00:53:20,880

Military level and no one no one can

1264

00:53:26,329 --> 00:53:23,700

tell me what I photographed only what I

1265

00:53:28,910 --> 00:53:26,339

didn't photograph they are true unknowns

1266

00:53:30,829 --> 00:53:28,920

and in good conscience after lots of

1267

00:53:32,210 --> 00:53:30,839

soul searching because I did not want to

1268

00:53:34,970 --> 00:53:32,220

come forward

1269

00:53:37,250 --> 00:53:34,980

I actually went back to work

1270

00:53:39,470 --> 00:53:37,260

as Chief clinical consultant you

1271

00:53:40,910 --> 00:53:39,480

mentioned at the top of the wellness and

1272

00:53:43,790 --> 00:53:40,920

imaging center at the Arizona Heart

1273

00:53:45,829 --> 00:53:43,800

Institute nobody knew what I was doing I

1274

00:53:47,990 --> 00:53:45,839

took that 750 page journal in a little

1275

00:53:50,990 --> 00:53:48,000

cubby office that I had and in between

1276

00:53:54,190 --> 00:53:51,000

patients I was squeezing it down to the

1277

00:53:59,030 --> 00:53:54,200

best most credible data that I had found

1278

00:54:01,130 --> 00:53:59,040

and ultimately the 230 Pages

1279

00:54:04,370 --> 00:54:01,140

um I just couldn't stick it in a drawer

1280

00:54:06,530 --> 00:54:04,380

and I thought you know what not only the

1281

00:54:09,650 --> 00:54:06,540

data to set the record straight about

1282

00:54:12,349 --> 00:54:09,660

the Phoenix Lights but half the book

1283

00:54:16,430 --> 00:54:12,359

is about how it affected people

1284

00:54:17,690 --> 00:54:16,440

and in real time and long term and if I

1285

00:54:19,190 --> 00:54:17,700

can get into that do you have a question

1286

00:54:22,069 --> 00:54:19,200

or anything you wanted to ask at this

1287

00:54:24,049 --> 00:54:22,079

point I was going to ask you to to ask

1288

00:54:26,650 --> 00:54:24,059

you to talk about that approach and the

1289

00:54:29,210 --> 00:54:26,660

human effect of it um

1290

00:54:31,190 --> 00:54:29,220

you were with Ryan Sprague recently on

1291

00:54:33,109 --> 00:54:31,200

CW and we'll get to that and miss these

1292

00:54:35,329 --> 00:54:33,119

decoded but Ryan Spriggs got a very good

1293

00:54:38,390 --> 00:54:35,339

book from a summer in the skies podcast

1294

00:54:40,910 --> 00:54:38,400

about the human approach and the effect

1295

00:54:42,490 --> 00:54:40,920

on humans of the UFO subject so yeah

1296

00:54:45,650 --> 00:54:42,500

please talk about that

1297

00:54:47,630 --> 00:54:45,660

well first of all we've ruled out flares

1298

00:54:50,150 --> 00:54:47,640

so anybody that hones in on the flare

1299

00:54:52,250 --> 00:54:50,160

Theory like I said

1300

00:54:55,069 --> 00:54:52,260

um without looking at the data that they

1301
00:54:56,390 --> 00:54:55,079
try to reenact it with players and they

1302
00:54:59,450 --> 00:54:56,400
failed

1303
00:55:00,910 --> 00:54:59,460
um there is no there is no

1304
00:55:03,829 --> 00:55:00,920
it is

1305
00:55:05,329 --> 00:55:03,839
data that confirms that it was flares

1306
00:55:06,710 --> 00:55:05,339
okay we didn't even know if they set off

1307
00:55:09,410 --> 00:55:06,720
flares because we don't have one person

1308
00:55:12,470 --> 00:55:09,420
that saw that okay they may have sent

1309
00:55:14,030 --> 00:55:12,480
off layers so push that aside how it

1310
00:55:17,210 --> 00:55:14,040
affected people

1311
00:55:19,549 --> 00:55:17,220
is so profound that doesn't happen with

1312
00:55:22,849 --> 00:55:19,559
planes and helicopters and flares okay

1313
00:55:25,670 --> 00:55:22,859

in real time now we're so inundated with

1314

00:55:28,430 --> 00:55:25,680

threat threat threat and harm harm from

1315

00:55:30,710 --> 00:55:28,440

um the news media in Hollywood

1316

00:55:32,329 --> 00:55:30,720

um that Dr Gary Schwartz who's in the

1317

00:55:33,890 --> 00:55:32,339

documentary head of the Consciousness

1318

00:55:36,410 --> 00:55:33,900

study department at the University of

1319

00:55:40,630 --> 00:55:36,420

Arizona makes a very poignant statement

1320

00:55:43,790 --> 00:55:40,640

he says if you're inundated with

1321

00:55:44,990 --> 00:55:43,800

data that to to fear something how do

1322

00:55:47,870 --> 00:55:45,000

you think you're going to feel when you

1323

00:55:49,910 --> 00:55:47,880

see that something right so in the movie

1324

00:55:52,670 --> 00:55:49,920

Independence Day was very popular six

1325

00:55:55,790 --> 00:55:52,680

months before the mass sighting

1326
00:55:57,950 --> 00:55:55,800
and children who were usually the first

1327
00:55:59,270 --> 00:55:57,960
ones including

1328
00:56:01,790 --> 00:55:59,280
um uh

1329
00:56:03,950 --> 00:56:01,800
Kurt Russell's son was the first one to

1330
00:56:05,270 --> 00:56:03,960
see the V and alert him about it we're

1331
00:56:08,750 --> 00:56:05,280
jumping up and down Independence Day

1332
00:56:10,970 --> 00:56:08,760
independence day but as it got close a

1333
00:56:13,250 --> 00:56:10,980
calmness came over everyone adults and

1334
00:56:16,069 --> 00:56:13,260
children alike a connectedness to the

1335
00:56:18,049 --> 00:56:16,079
phenomena that as it passed over they

1336
00:56:22,970 --> 00:56:18,059
wanted to chase after it or get in the

1337
00:56:26,450 --> 00:56:22,980
car and and cut just chase after it and

1338
00:56:29,270 --> 00:56:26,460

so in real time it affected people at a

1339

00:56:31,549 --> 00:56:29,280

very deep level like I said not one

1340

00:56:33,829 --> 00:56:31,559

person was threat felt threatened or

1341

00:56:36,650 --> 00:56:33,839

harmed or scared

1342

00:56:40,670 --> 00:56:36,660

it was the opposite people were in awe

1343

00:56:42,950 --> 00:56:40,680

and and wonder and and just curious then

1344

00:56:45,530 --> 00:56:42,960

you then in the long term people went

1345

00:56:48,910 --> 00:56:45,540

into the environmental movement into the

1346

00:56:51,650 --> 00:56:48,920

peace movement it changed people forever

1347

00:56:54,290 --> 00:56:51,660

whoever did this and I don't know who

1348

00:56:57,109 --> 00:56:54,300

did it I just know that someone did it

1349

00:56:59,270 --> 00:56:57,119

that really profoundly affected people

1350

00:57:01,670 --> 00:56:59,280

at a very deep level

1351

00:57:03,890 --> 00:57:01,680

in real time and long term and we're

1352

00:57:06,230 --> 00:57:03,900

quantifying that now with our study so I

1353

00:57:09,650 --> 00:57:06,240

welcome the people uh we'll take a look

1354

00:57:10,730 --> 00:57:09,660

at that but it changed people's lives

1355

00:57:13,250 --> 00:57:10,740

forever

1356

00:57:14,930 --> 00:57:13,260

not only that a number of people share

1357

00:57:16,430 --> 00:57:14,940

with me a number of witnesses Phoenix

1358

00:57:19,010 --> 00:57:16,440

Lights witnesses that they had a

1359

00:57:21,109 --> 00:57:19,020

near-death experiences as children that

1360

00:57:22,730 --> 00:57:21,119

was reawakened by the mass sighting and

1361

00:57:23,870 --> 00:57:22,740

that really hit me hard because I did

1362

00:57:25,670 --> 00:57:23,880

too

1363

00:57:29,510 --> 00:57:25,680

and I let it all out there in the book

1364

00:57:31,790 --> 00:57:29,520

that's a whole another hour but

1365

00:57:35,150 --> 00:57:31,800

I figured it's important to share that

1366

00:57:36,290 --> 00:57:35,160

data as well and started thinking

1367

00:57:39,710 --> 00:57:36,300

wait

1368

00:57:41,150 --> 00:57:39,720

could there be a connection between all

1369

00:57:43,130 --> 00:57:41,160

unexplained phenomena whether it's

1370

00:57:45,230 --> 00:57:43,140

near-death experience Out of Body

1371

00:57:47,870 --> 00:57:45,240

Experience unexplained aerial phenomena

1372

00:57:50,870 --> 00:57:47,880

that have a mystical light associated

1373

00:57:52,970 --> 00:57:50,880

with the experience and lo and behold I

1374

00:57:55,430 --> 00:57:52,980

started finding such credible data just

1375

00:57:58,069 --> 00:57:55,440

like I did with the UFO phenomena

1376

00:58:00,770 --> 00:57:58,079

at University level the Omega project

1377

00:58:02,930 --> 00:58:00,780

like this thick from Dr Kenneth ring at

1378

00:58:05,870 --> 00:58:02,940

University of Connecticut Dr John Mack

1379

00:58:07,790 --> 00:58:05,880

at uh Harvard University actually wanted

1380

00:58:08,870 --> 00:58:07,800

to work with me because he was finding

1381

00:58:11,329 --> 00:58:08,880

the same

1382

00:58:13,430 --> 00:58:11,339

findings that

1383

00:58:15,589 --> 00:58:13,440

people that have an unexplained

1384

00:58:17,510 --> 00:58:15,599

phenomenon not only is it very similar

1385

00:58:19,609 --> 00:58:17,520

whatever the unexplained phenomena I

1386

00:58:23,150 --> 00:58:19,619

started calling them a u p and up

1387

00:58:26,510 --> 00:58:23,160

because the after effect is so positive

1388

00:58:29,030 --> 00:58:26,520

The Awakening the enlightenment the

1389

00:58:31,970 --> 00:58:29,040

connectiveness that one feels

1390

00:58:33,890 --> 00:58:31,980

after a true up experience to the

1391

00:58:35,630 --> 00:58:33,900

universe and to the Earth and to each

1392

00:58:39,530 --> 00:58:35,640

other that they probably never felt

1393

00:58:42,410 --> 00:58:39,540

before that changes people forever and I

1394

00:58:45,829 --> 00:58:42,420

and it's so I certainly I get into this

1395

00:58:48,109 --> 00:58:45,839

in the book but now we're finding from

1396

00:58:50,030 --> 00:58:48,119

our survey that it's even more profound

1397

00:58:52,849 --> 00:58:50,040

and riveting than we even thought I

1398

00:58:56,390 --> 00:58:52,859

can't wait to release that data but

1399

00:58:59,930 --> 00:58:56,400

nonetheless it's really important

1400

00:59:03,710 --> 00:58:59,940

to address that aspect push aside the

1401
00:59:06,170 --> 00:59:03,720
flare thing the the technology itself we

1402
00:59:08,329 --> 00:59:06,180
have not seen at all worldwide and

1403
00:59:10,549 --> 00:59:08,339
wouldn't you think that if we had this

1404
00:59:12,170 --> 00:59:10,559
kind of technology that thousands of

1405
00:59:14,870 --> 00:59:12,180
people described right over their heads

1406
00:59:17,630 --> 00:59:14,880
okay that we would have shown our

1407
00:59:20,030 --> 00:59:17,640
prowess to the rest of the world it's

1408
00:59:22,069 --> 00:59:20,040
overcarious right now

1409
00:59:25,730 --> 00:59:22,079
um or if somebody else had it they would

1410
00:59:28,190 --> 00:59:25,740
have showed it but nobody has okay so

1411
00:59:30,170 --> 00:59:28,200
the whole story of the Phoenix Lights is

1412
00:59:31,910 --> 00:59:30,180
really really profound and there's so

1413
00:59:35,450 --> 00:59:31,920

much more to the story there's a number

1414

00:59:37,849 --> 00:59:35,460
of paranormal uh activities that

1415

00:59:39,710 --> 00:59:37,859
happened after the mass sighting uh

1416

00:59:42,349 --> 00:59:39,720
certainly my own near-death experience

1417

00:59:45,109 --> 00:59:42,359
and um how it affected other people is

1418

00:59:47,510 --> 00:59:45,119
so important and the message the most

1419

00:59:49,609 --> 00:59:47,520
important message of the Phoenix Lights

1420

00:59:51,470 --> 00:59:49,619
and it's not only the Phoenix Lights

1421

00:59:53,270 --> 00:59:51,480
people are coming back from all up

1422

00:59:56,089 --> 00:59:53,280
experiences including near-death

1423

00:59:58,990 --> 00:59:56,099
experiences with the same message

1424

01:00:01,789 --> 00:59:59,000
whoever is out there in other dimensions

1425

01:00:03,530 --> 01:00:01,799
Time Travelers inner disteller or

1426

01:00:06,049 --> 01:00:03,540

interdimensional

1427

01:00:06,829 --> 01:00:06,059

they are giving the same message to wake

1428

01:00:08,990 --> 01:00:06,839

up

1429

01:00:12,069 --> 01:00:09,000

to what you're doing to your to your

1430

01:00:14,630 --> 01:00:12,079

Earth to your planet and to yourselves

1431

01:00:16,849 --> 01:00:14,640

before it's too late

1432

01:00:20,150 --> 01:00:16,859

and if that's not an important message

1433

01:00:22,970 --> 01:00:20,160

to relay and I do hope people take heat

1434

01:00:25,849 --> 01:00:22,980

of that another really important

1435

01:00:28,670 --> 01:00:25,859

ingredient in all this if I can go back

1436

01:00:31,250 --> 01:00:28,680

if we have time yeah six months another

1437

01:00:32,450 --> 01:00:31,260

little coincidence six months before the

1438

01:00:35,390 --> 01:00:32,460

mass saying

1439

01:00:37,910 --> 01:00:35,400

I was invited to present my Substance

1440

01:00:40,609 --> 01:00:37,920

Abuse Prevention education program at

1441

01:00:43,250 --> 01:00:40,619

the heel of ngila Gila Bend Indian

1442

01:00:45,109 --> 01:00:43,260

Reservation that happens to be in the

1443

01:00:47,210 --> 01:00:45,119

Basin between South Mountain and the

1444

01:00:49,250 --> 01:00:47,220

Estrella Mountain range in there very

1445

01:00:52,010 --> 01:00:49,260

sacred ground and they don't talk to

1446

01:00:53,589 --> 01:00:52,020

Outsiders but I helped them out and I

1447

01:00:57,049 --> 01:00:53,599

noticed again

1448

01:01:00,170 --> 01:00:57,059

data speaks for itself that

1449

01:01:01,370 --> 01:01:00,180

from my pictures these phenomena seem to

1450

01:01:03,530 --> 01:01:01,380

pop up

1451

01:01:05,450 --> 01:01:03,540

in the same location if you look at that

1452

01:01:08,089 --> 01:01:05,460

first picture on the photo page you'll

1453

01:01:10,130 --> 01:01:08,099

see a car with lights that reflect onto

1454

01:01:12,170 --> 01:01:10,140

the road very unlike the true unknowns

1455

01:01:14,390 --> 01:01:12,180

that are self-contained you'll also see

1456

01:01:16,609 --> 01:01:14,400

house lights a stream of house lights to

1457

01:01:18,349 --> 01:01:16,619

the right of that car which if you look

1458

01:01:20,630 --> 01:01:18,359

directly up you'll see where South

1459

01:01:22,250 --> 01:01:20,640

Mountain and the Estrellas intersect it

1460

01:01:24,470 --> 01:01:22,260

was the perfect topography because

1461

01:01:26,809 --> 01:01:24,480

you'll see at night that these phenomena

1462

01:01:28,549 --> 01:01:26,819

keep popping up in that area so I called

1463

01:01:31,190 --> 01:01:28,559

up the principal and I said did anybody

1464

01:01:33,650 --> 01:01:31,200

see strange lights on March 13th and he

1465

01:01:35,089 --> 01:01:33,660

started to giggle I said is that funny

1466

01:01:37,010 --> 01:01:35,099

and he said are you kidding you've been

1467

01:01:39,890 --> 01:01:37,020

looking up at them for centuries we call

1468

01:01:43,190 --> 01:01:39,900

them Sky people light beings I had no

1469

01:01:45,589 --> 01:01:43,200

idea that native cultures worldwide

1470

01:01:48,289 --> 01:01:45,599

indigenous cultures worldwide are much

1471

01:01:51,950 --> 01:01:48,299

more open to these intelligences not

1472

01:01:53,990 --> 01:01:51,960

only being out there but visiting us and

1473

01:01:55,490 --> 01:01:54,000

what he described first of all he said

1474

01:01:58,010 --> 01:01:55,500

these orbs

1475

01:01:59,990 --> 01:01:58,020

many indigenous cultures in the Hopi

1476

01:02:02,510 --> 01:02:00,000

right here in Arizona have protocols to

1477

01:02:05,150 --> 01:02:02,520

invite these intelligences in they're

1478

01:02:08,809 --> 01:02:05,160

very welcomed and they're not scared of

1479

01:02:11,870 --> 01:02:08,819

them they they invite them in and feel

1480

01:02:14,630 --> 01:02:11,880

that many of these orbs are spirit world

1481

01:02:16,730 --> 01:02:14,640

or ancestors coming to give them

1482

01:02:18,950 --> 01:02:16,740

guidance and comfort and knowledge and

1483

01:02:21,109 --> 01:02:18,960

inspiration and I have to admit I and

1484

01:02:23,210 --> 01:02:21,119

the I would have never chosen this topic

1485

01:02:24,530 --> 01:02:23,220

so I've certainly been inspired and as

1486

01:02:26,870 --> 01:02:24,540

you can tell I'm a little passionate

1487

01:02:29,450 --> 01:02:26,880

about it I apologize but

1488

01:02:32,329 --> 01:02:29,460

um I I can't help it it's exciting and

1489

01:02:34,430 --> 01:02:32,339

especially to learn that that's how the

1490

01:02:37,670 --> 01:02:34,440

Australia's got its name it means star

1491

01:02:40,250 --> 01:02:37,680

in Spanish gateway to the stars and they

1492

01:02:42,950 --> 01:02:40,260

believe in that area that there is a

1493

01:02:46,190 --> 01:02:42,960

gateway or portal in that area and again

1494

01:02:47,750 --> 01:02:46,200

if you just look at my photo data over

1495

01:02:50,750 --> 01:02:47,760

and over again these but I'll keep

1496

01:02:52,609 --> 01:02:50,760

popping up in the same location so that

1497

01:02:54,589 --> 01:02:52,619

was another little coincidence just six

1498

01:02:57,170 --> 01:02:54,599

months before the mess I had that

1499

01:03:00,109 --> 01:02:57,180

experience was able to to learn about

1500

01:03:02,390 --> 01:03:00,119

that aspect that native cultures are so

1501

01:03:05,390 --> 01:03:02,400

much more open to these other

1502

01:03:08,270 --> 01:03:05,400

intelligences than we've been and and

1503

01:03:10,970 --> 01:03:08,280

how important it is to acknowledge our

1504

01:03:13,670 --> 01:03:10,980

planet and appreciate what we have on

1505

01:03:15,770 --> 01:03:13,680

this Earth one of the frustrations of

1506

01:03:17,089 --> 01:03:15,780

this event for me Dr Lynn and it's as

1507

01:03:19,549 --> 01:03:17,099

one of my favorites and I've said that

1508

01:03:22,130 --> 01:03:19,559

many times on the podcast as it came at

1509

01:03:24,049 --> 01:03:22,140

a time where technology was advancing

1510

01:03:25,910 --> 01:03:24,059

like you mentioned people were starting

1511

01:03:28,430 --> 01:03:25,920

to have mobile phones but they certainly

1512

01:03:31,609 --> 01:03:28,440

weren't the devices that we have now

1513

01:03:33,589 --> 01:03:31,619

any cameras were still quite big candy

1514

01:03:35,210 --> 01:03:33,599

cams we didn't have little little small

1515

01:03:36,950 --> 01:03:35,220

ones yet they were still pretty large in

1516

01:03:39,230 --> 01:03:36,960

the mid 90s there was no social media

1517

01:03:41,270 --> 01:03:39,240

there was no Facebook uh I don't even

1518

01:03:44,870 --> 01:03:41,280

think we've got text messaging just yet

1519

01:03:46,370 --> 01:03:44,880

in 97 that's probably still a year off

1520

01:03:47,990 --> 01:03:46,380

um even then it was a couple of years

1521

01:03:50,569 --> 01:03:48,000

before it was widespread

1522

01:03:53,030 --> 01:03:50,579

now actually just to interject real

1523

01:03:56,270 --> 01:03:53,040

quick the Phoenix Lights was the first

1524

01:03:59,329 --> 01:03:56,280

mass sighting that was talked about in

1525

01:04:01,730 --> 01:03:59,339

chat rooms right okay so you've got the

1526

01:04:03,530 --> 01:04:01,740

AOL probably for many people was the the

1527

01:04:07,370 --> 01:04:03,540

internet service people may have had or

1528

01:04:09,490 --> 01:04:07,380

whatever else compuservers around and it

1529

01:04:12,349 --> 01:04:09,500

happened at a time when it probably just

1530

01:04:14,030 --> 01:04:12,359

missed being even bigger than it was

1531

01:04:16,609 --> 01:04:14,040

like you say it took three months before

1532

01:04:18,410 --> 01:04:16,619

it became world news whereas now that

1533

01:04:20,990 --> 01:04:18,420

would be news within minutes

1534

01:04:22,549 --> 01:04:21,000

do you think that's just pure you say

1535

01:04:25,430 --> 01:04:22,559

you don't know believing coincidences

1536

01:04:28,069 --> 01:04:25,440

but we were just away from this being a

1537

01:04:30,530 --> 01:04:28,079

much much bigger worldwide event that it

1538

01:04:33,170 --> 01:04:30,540

still seemed pretty concentrated for

1539

01:04:34,490 --> 01:04:33,180

just that Locale and the the tens of

1540

01:04:37,670 --> 01:04:34,500

thousands of people who saw it over

1541

01:04:39,950 --> 01:04:37,680

Tucson uh over Phoenix Arizona sorry

1542

01:04:42,410 --> 01:04:39,960

how do you feel that plays into it was

1543

01:04:45,170 --> 01:04:42,420

it deliberate was that a synchronicity

1544

01:04:48,230 --> 01:04:45,180

was that a coincidence

1545

01:04:51,410 --> 01:04:48,240

whoever did this first of all wanted to

1546

01:04:53,990 --> 01:04:51,420

be seen obviously okay and we also have

1547

01:04:55,970 --> 01:04:54,000

documentation from Mexico in 1991 when

1548

01:04:57,470 --> 01:04:55,980

there was an eclipse and thousands of

1549

01:04:59,930 --> 01:04:57,480

people were outside looking up at the

1550

01:05:02,210 --> 01:04:59,940

sky and UFOs started showing up all over

1551

01:05:04,970 --> 01:05:02,220

the place so whoever did this

1552

01:05:07,670 --> 01:05:04,980

wanted to be seen Percival in a

1553

01:05:10,130 --> 01:05:07,680

non-threatening gentle way

1554

01:05:12,470 --> 01:05:10,140

also the timing and I think about that

1555

01:05:15,650 --> 01:05:12,480

sometimes it's a great question because

1556

01:05:18,650 --> 01:05:15,660

we didn't have cameras now it would be a

1557

01:05:20,990 --> 01:05:18,660

lot different if it happened but also we

1558

01:05:23,990 --> 01:05:21,000

didn't have the Photoshop we didn't have

1559

01:05:26,150 --> 01:05:24,000

the hoaxes that we have now we didn't

1560

01:05:28,609 --> 01:05:26,160

have drones that we have now and there's

1561

01:05:31,789 --> 01:05:28,619

so much more out there satellites that

1562

01:05:34,870 --> 01:05:31,799

could be mistaken for UAP this could not

1563

01:05:38,089 --> 01:05:34,880

be mistaken this was a deliberate

1564

01:05:40,609 --> 01:05:38,099

sighting or parade okay

1565

01:05:42,890 --> 01:05:40,619

where whoever did this

1566

01:05:45,650 --> 01:05:42,900

and again I go back to how it affected

1567

01:05:48,170 --> 01:05:45,660

people at such a deep level one person

1568

01:05:49,789 --> 01:05:48,180

at a time okay it was like they said

1569

01:05:52,730 --> 01:05:49,799

forget about the military and government

1570

01:05:55,430 --> 01:05:52,740

we're doing this and making people aware

1571

01:05:57,170 --> 01:05:55,440

because it was so denied for so long and

1572

01:05:59,030 --> 01:05:57,180

you can only imagine if there are

1573

01:06:01,130 --> 01:05:59,040

benevolent people out there and I can

1574

01:06:03,049 --> 01:06:01,140

only talk about the Phoenix Lights I

1575

01:06:05,569 --> 01:06:03,059

don't know what else is out there and

1576

01:06:07,630 --> 01:06:05,579

there are agendas but with the Phoenix

1577

01:06:10,309 --> 01:06:07,640

Lights I can discuss it

1578

01:06:12,289 --> 01:06:10,319

intelligently and with the data

1579

01:06:12,890 --> 01:06:12,299

that

1580

01:06:14,809 --> 01:06:12,900

um

1581

01:06:16,670 --> 01:06:14,819

somebody wanted to make us aware of

1582

01:06:19,670 --> 01:06:16,680

their existence

1583

01:06:21,109 --> 01:06:19,680

and wanted us to wake up

1584

01:06:23,270 --> 01:06:21,119

wake up

1585

01:06:26,690 --> 01:06:23,280

to not only the fact that we're not

1586

01:06:29,270 --> 01:06:26,700

alone in this universe but that we Are

1587

01:06:31,789 --> 01:06:29,280

Spiritual Beings I can't tell you how

1588

01:06:33,170 --> 01:06:31,799

many people have awakened and that's the

1589

01:06:38,630 --> 01:06:33,180

up experience

1590

01:06:41,029 --> 01:06:38,640

to how important it is to wake up to

1591

01:06:43,730 --> 01:06:41,039

how we can make this world a better

1592

01:06:46,549 --> 01:06:43,740

world and wake up to what we're doing

1593

01:06:50,349 --> 01:06:46,559

before we do destroy this planet

1594

01:06:56,210 --> 01:06:53,510

and one of the most common arguments is

1595

01:06:58,670 --> 01:06:56,220

that they could do it on a bigger scale

1596

01:07:02,150 --> 01:06:58,680

and deliver that message to the world

1597

01:07:03,829 --> 01:07:02,160

now if that happened now and again it's

1598

01:07:05,870 --> 01:07:03,839

that old people hate this White House

1599

01:07:08,390 --> 01:07:05,880

lawn Landing but you know if they

1600

01:07:11,150 --> 01:07:08,400

appeared over Paris or London or

1601
01:07:12,650 --> 01:07:11,160
Johannesburg or whatever and and came

1602
01:07:14,390 --> 01:07:12,660
out and said look you're destroying the

1603
01:07:16,849 --> 01:07:14,400
planet nuclear weapons are not the way

1604
01:07:19,490 --> 01:07:16,859
to go the wars the famine the genocide

1605
01:07:21,589 --> 01:07:19,500
is all wrong that that would answer the

1606
01:07:24,950 --> 01:07:21,599
question it still seems that they're

1607
01:07:27,109 --> 01:07:24,960
delivering a message to small Pockets to

1608
01:07:29,029 --> 01:07:27,119
individuals to small groups and you know

1609
01:07:30,589 --> 01:07:29,039
what the mess just still getting out

1610
01:07:32,510 --> 01:07:30,599
I've talked about the aerial School

1611
01:07:35,990 --> 01:07:32,520
phenomenon because that incident

1612
01:07:38,210 --> 01:07:36,000
happened 30 years ago nearly yet only

1613
01:07:39,950 --> 01:07:38,220

now is a documentary being made and the

1614

01:07:42,470 --> 01:07:39,960

message getting out so is it a case of

1615

01:07:45,410 --> 01:07:42,480

much like the Phoenix Lights the the

1616

01:07:47,809 --> 01:07:45,420

real message isn't yet being told and

1617

01:07:50,150 --> 01:07:47,819

it's only now 25 years 30 years later

1618

01:07:51,609 --> 01:07:50,160

that these are becoming more them more

1619

01:07:55,069 --> 01:07:51,619

relevant

1620

01:07:56,510 --> 01:07:55,079

absolutely you hit the nail on the head

1621

01:07:58,370 --> 01:07:56,520

um there's something about the Phoenix

1622

01:08:01,309 --> 01:07:58,380

Lights and that's why we're studying it

1623

01:08:03,650 --> 01:08:01,319

so scientifically now that really wakes

1624

01:08:05,990 --> 01:08:03,660

people up whether they saw it or not

1625

01:08:08,750 --> 01:08:06,000

and they're like you said I mean they're

1626

01:08:10,430 --> 01:08:08,760

it's happening worldwide okay people are

1627

01:08:11,750 --> 01:08:10,440

now seeing similar phenomena and

1628

01:08:13,309 --> 01:08:11,760

pointing and say well there's the

1629

01:08:15,710 --> 01:08:13,319

Phoenix Lights which is kind of cool in

1630

01:08:18,289 --> 01:08:15,720

it of itself but

1631

01:08:20,749 --> 01:08:18,299

um people are waking up now especially

1632

01:08:22,610 --> 01:08:20,759

with the internet I mean now people are

1633

01:08:24,530 --> 01:08:22,620

seeing things and most can be explained

1634

01:08:26,390 --> 01:08:24,540

and again we have the drones and the

1635

01:08:30,289 --> 01:08:26,400

satellites and other things that can be

1636

01:08:32,329 --> 01:08:30,299

mistaken for a UAP but they start

1637

01:08:35,570 --> 01:08:32,339

looking into it people that really look

1638

01:08:37,610 --> 01:08:35,580

at the data and study the data will

1639

01:08:40,370 --> 01:08:37,620

realize there is a plethora of

1640

01:08:41,749 --> 01:08:40,380

information for centuries I knew nothing

1641

01:08:44,689 --> 01:08:41,759

about this that's why it was so

1642

01:08:46,849 --> 01:08:44,699

important finally to come forward and

1643

01:08:48,890 --> 01:08:46,859

just let the data out there and let

1644

01:08:50,150 --> 01:08:48,900

people decide for themselves some people

1645

01:08:52,189 --> 01:08:50,160

don't want to deal with this if they

1646

01:08:54,890 --> 01:08:52,199

have to feed into the flare Theory to

1647

01:08:57,950 --> 01:08:54,900

give them Comfort that's okay that's

1648

01:09:00,229 --> 01:08:57,960

okay everyone in their own time but

1649

01:09:02,150 --> 01:09:00,239

that's why I'm so grateful that you're

1650

01:09:04,689 --> 01:09:02,160

letting me share this data with you

1651

01:09:07,249 --> 01:09:04,699

because even till today there's still

1652

01:09:09,470 --> 01:09:07,259

ufologists there's still programs that

1653

01:09:11,570 --> 01:09:09,480

have their own agenda that are giving

1654

01:09:14,150 --> 01:09:11,580

this and this information it's very

1655

01:09:15,590 --> 01:09:14,160

frustrating for us that that know what's

1656

01:09:17,689 --> 01:09:15,600

going on and that's why I didn't want to

1657

01:09:19,070 --> 01:09:17,699

write a new book when they came to me to

1658

01:09:21,890 --> 01:09:19,080

write a second book when things were

1659

01:09:24,709 --> 01:09:21,900

unfolding I said no no no no the first

1660

01:09:28,249 --> 01:09:24,719

book was 750 Pages the first Journal

1661

01:09:31,010 --> 01:09:28,259

that I squeezed down that first book is

1662

01:09:33,229 --> 01:09:31,020

really important so people can really

1663

01:09:36,229 --> 01:09:33,239

see what happened here and it's really

1664

01:09:38,150 --> 01:09:36,239

helped people actually transform to a

1665

01:09:40,370 --> 01:09:38,160

good place in and of itself just reading

1666

01:09:41,990 --> 01:09:40,380

the book I didn't realize it plus when I

1667

01:09:44,030 --> 01:09:42,000

was at the Arizona Heart Institute and

1668

01:09:46,610 --> 01:09:44,040

came forward I didn't know how it was

1669

01:09:49,669 --> 01:09:46,620

going to be delivered or or taken by the

1670

01:09:52,910 --> 01:09:49,679

community especially my peers I had more

1671

01:09:55,310 --> 01:09:52,920

doctors and nurses pull me aside and

1672

01:09:57,229 --> 01:09:55,320

tell me how grateful they were that

1673

01:09:59,750 --> 01:09:57,239

someone of credence came forward said

1674

01:10:03,530 --> 01:09:59,760

finally get is out in the open

1675

01:10:05,750 --> 01:10:03,540

talk about it okay and let people feel

1676

01:10:07,970 --> 01:10:05,760

that they're not alone okay because they

1677

01:10:10,669 --> 01:10:07,980

had experiences when they were children

1678

01:10:12,950 --> 01:10:10,679

that they started telling me about and

1679

01:10:14,150 --> 01:10:12,960

uh you know which is so rewarding to

1680

01:10:16,130 --> 01:10:14,160

know that

1681

01:10:18,110 --> 01:10:16,140

um the the book The Phoenix Lights the

1682

01:10:21,050 --> 01:10:18,120

Skeptics discovery that we are not alone

1683

01:10:23,930 --> 01:10:21,060

and I recommend the e-book only because

1684

01:10:25,970 --> 01:10:23,940

it has color pictures and live links I'm

1685

01:10:28,250 --> 01:10:25,980

an educator go off if you're interested

1686

01:10:29,689 --> 01:10:28,260

in a certain topic and you know study

1687

01:10:34,130 --> 01:10:29,699

that topic

1688

01:10:35,930 --> 01:10:34,140

um as well as I also have a um here's

1689

01:10:38,330 --> 01:10:35,940

the documentary this is the latest

1690

01:10:40,310 --> 01:10:38,340

edition of the documentary

1691

01:10:42,950 --> 01:10:40,320

um if you have Amazon Prime especially

1692

01:10:44,090 --> 01:10:42,960

in the UK you can get it for free I

1693

01:10:47,750 --> 01:10:44,100

believe you can still get it for free

1694

01:10:50,030 --> 01:10:47,760

and it's on 2B Tubi that's it's free

1695

01:10:51,410 --> 01:10:50,040

there as well and it's streaming on

1696

01:10:54,830 --> 01:10:51,420

Amazon

1697

01:10:56,330 --> 01:10:54,840

um here is the latest cover of the

1698

01:10:59,209 --> 01:10:56,340

latest edition of the book the fourth

1699

01:11:01,790 --> 01:10:59,219

edition and as an educator

1700

01:11:03,410 --> 01:11:01,800

and working on a curriculum which is

1701

01:11:05,209 --> 01:11:03,420

very difficult to get into the schools

1702

01:11:07,490 --> 01:11:05,219

needless to say

1703

01:11:10,430 --> 01:11:07,500

um but I I figured you know what let me

1704

01:11:11,750 --> 01:11:10,440

put together a graphic novel activities

1705

01:11:15,530 --> 01:11:11,760

coloring book

1706

01:11:17,990 --> 01:11:15,540

it's called The Phoenix Lights UFOs and

1707

01:11:21,790 --> 01:11:18,000

um crop circles coloring book Adventures

1708

01:11:24,350 --> 01:11:21,800

of Sue Echo and Hugh

1709

01:11:26,450 --> 01:11:24,360

h-u-g-h-u-fo is a little alien I worked

1710

01:11:29,810 --> 01:11:26,460

with Disney illustrators and teachers

1711

01:11:34,370 --> 01:11:29,820

and students fifth and sixth grade and

1712

01:11:37,729 --> 01:11:34,380

um it is packed I mean we're talking 150

1713

01:11:39,770 --> 01:11:37,739

to 60 Pages here of not only the story

1714

01:11:42,350 --> 01:11:39,780

as it unfolds we have

1715

01:11:46,010 --> 01:11:42,360

um the 10 different craft to scale to

1716

01:11:48,169 --> 01:11:46,020

color we have 80 crop circles and we

1717

01:11:50,270 --> 01:11:48,179

talk about real ones I always give them

1718

01:11:53,270 --> 01:11:50,280

you know both sides of the story and

1719

01:11:55,669 --> 01:11:53,280

also the fake ones and the difference uh

1720

01:11:58,070 --> 01:11:55,679

and we have 80 of the most intricate

1721

01:12:00,890 --> 01:11:58,080

crop circles to color we have Word

1722

01:12:04,370 --> 01:12:00,900

Finders and crossword puzzles and from

1723

01:12:06,050 --> 01:12:04,380

uh simple to difficult for all ages

1724

01:12:09,410 --> 01:12:06,060

because I wanted parents and

1725

01:12:11,149 --> 01:12:09,420

grandparents to enjoy learning not about

1726

01:12:12,410 --> 01:12:11,159

only about the Phoenix Lights but the

1727

01:12:14,750 --> 01:12:12,420

topic

1728

01:12:18,709 --> 01:12:14,760

um and we have iconic pictures including

1729

01:12:23,090 --> 01:12:18,719

a picture of these UAP around the

1730

01:12:24,590 --> 01:12:23,100

Capitol in Washington DC in 1952 okay

1731

01:12:26,450 --> 01:12:24,600

um that's why I think they've shown

1732

01:12:28,790 --> 01:12:26,460

themselves as they can through the years

1733

01:12:30,530 --> 01:12:28,800

and you know people ask me oh what do

1734

01:12:32,570 --> 01:12:30,540

you think you know if they wanted to get

1735

01:12:34,310 --> 01:12:32,580

rid of us they could have a long time

1736

01:12:36,350 --> 01:12:34,320

ago obviously they're they're that

1737

01:12:37,729 --> 01:12:36,360

advanced but be that as it may they've

1738

01:12:40,189 --> 01:12:37,739

tried through the years to show

1739

01:12:42,470 --> 01:12:40,199

themselves and ultimately with the

1740

01:12:46,850 --> 01:12:42,480

Phoenix Lights Mass sighting they said

1741

01:12:49,729 --> 01:12:46,860

this is it we're doing a biggie here and

1742

01:12:52,370 --> 01:12:49,739

um and again how people were affected

1743

01:12:56,030 --> 01:12:52,380

people aren't affected at a deep soul

1744

01:13:00,649 --> 01:12:56,040

level by planes or helicopters or

1745

01:13:03,410 --> 01:13:00,659

balloons or Holograms or flares so

1746

01:13:05,810 --> 01:13:03,420

um you know what whoever did this

1747

01:13:08,030 --> 01:13:05,820

um who's ever behind it I hope that I

1748

01:13:09,229 --> 01:13:08,040

find out in my lifetime I would love to

1749

01:13:11,270 --> 01:13:09,239

buy that

1750

01:13:14,090 --> 01:13:11,280

um but the fact is that as you alluded

1751
01:13:16,430 --> 01:13:14,100
to Andy just getting the information out

1752
01:13:17,810 --> 01:13:16,440
like we are today and hopefully people

1753
01:13:20,630 --> 01:13:17,820
will look further and look on the

1754
01:13:22,970 --> 01:13:20,640
website it's packed act with information

1755
01:13:25,189 --> 01:13:22,980
on the home page in the photo page and

1756
01:13:27,950 --> 01:13:25,199
the Gap page there's a illustrations and

1757
01:13:31,669 --> 01:13:27,960
animations of actually what the governor

1758
01:13:34,550 --> 01:13:31,679
saw as well as a news page there's so

1759
01:13:36,410 --> 01:13:34,560
much in there to explore and consider so

1760
01:13:38,870 --> 01:13:36,420
I hope your audience will do that as

1761
01:13:41,090 --> 01:13:38,880
well and uh you know it starts out with

1762
01:13:43,430 --> 01:13:41,100
an open mind and an open heart

1763
01:13:45,169 --> 01:13:43,440

all of those links are available in the

1764

01:13:46,910 --> 01:13:45,179

description to the podcast so people can

1765

01:13:49,010 --> 01:13:46,920

click on those down below whether it's

1766

01:13:50,450 --> 01:13:49,020

YouTube or on your podcast apps and you

1767

01:13:52,010 --> 01:13:50,460

can check all that out and like you say

1768

01:13:54,530 --> 01:13:52,020

the website is packed with a lot of free

1769

01:13:57,110 --> 01:13:54,540

stuff as well bringing it up to modern

1770

01:13:58,610 --> 01:13:57,120

day you're still capturing this data

1771

01:14:01,790 --> 01:13:58,620

you're still researching you're still

1772

01:14:04,189 --> 01:14:01,800

seeing these these lights you recently

1773

01:14:06,050 --> 01:14:04,199

appeared on Mysteries decoded and that

1774

01:14:07,790 --> 01:14:06,060

was with Shannon legro and I mentioned

1775

01:14:10,250 --> 01:14:07,800

Ryan sprig earlier friend did a podcast

1776

01:14:12,770 --> 01:14:10,260

who's just relocated to Scotland as well

1777

01:14:14,750 --> 01:14:12,780

and you you shared a video with him

1778

01:14:16,790 --> 01:14:14,760

didn't you of similarly placed lights

1779

01:14:18,110 --> 01:14:16,800

from 2019

1780

01:14:20,630 --> 01:14:18,120

do you want to talk about that

1781

01:14:24,470 --> 01:14:23,270

definitively

1782

01:14:28,430 --> 01:14:24,480

said in fact they were

1783

01:14:32,270 --> 01:14:30,649

sure I can't say definitively and I like

1784

01:14:34,729 --> 01:14:32,280

to be definitive

1785

01:14:36,290 --> 01:14:34,739

um but nonetheless similar lights have

1786

01:14:38,750 --> 01:14:36,300

been showing up

1787

01:14:40,970 --> 01:14:38,760

um even weeks ago uh I also had a

1788

01:14:43,130 --> 01:14:40,980

sighting and uh people are seeing them

1789

01:14:46,130 --> 01:14:43,140

worldwide and certainly in other areas

1790

01:14:48,950 --> 01:14:46,140

in Arizona over the Navajo range I work

1791

01:14:51,050 --> 01:14:48,960

with Navajo Rangers that are law

1792

01:14:52,970 --> 01:14:51,060

enforcement that take these phenomena

1793

01:14:56,630 --> 01:14:52,980

seriously and they have a lot going on

1794

01:14:59,270 --> 01:14:56,640

up there including beans okay that

1795

01:15:03,410 --> 01:14:59,280

people are seeing and Reporting and also

1796

01:15:06,470 --> 01:15:03,420

these massive uh rod-shaped craft as in

1797

01:15:07,790 --> 01:15:06,480

my two pictures in the photo page in

1798

01:15:10,669 --> 01:15:07,800

sunsets

1799

01:15:12,590 --> 01:15:10,679

um a month apart in the same location uh

1800

01:15:14,570 --> 01:15:12,600

they're seeing these Rod shaped craft

1801

01:15:17,470 --> 01:15:14,580

not only worldwide but also here in

1802

01:15:20,810 --> 01:15:17,480

Arizona we get reports all the time of

1803

01:15:22,689 --> 01:15:20,820

orbs or either discs coming out from

1804

01:15:25,910 --> 01:15:22,699

these what they call motherships I guess

1805

01:15:28,070 --> 01:15:25,920

uh so they're happening continuously and

1806

01:15:31,010 --> 01:15:28,080

if you go to the National UFO Reporting

1807

01:15:33,649 --> 01:15:31,020

Center you you'll see worldwide people

1808

01:15:36,229 --> 01:15:33,659

are reporting unusual sightings and the

1809

01:15:39,410 --> 01:15:36,239

most can be explained but there's enough

1810

01:15:40,790 --> 01:15:39,420

now and in real time which is exciting I

1811

01:15:44,630 --> 01:15:40,800

hope there is another Mass sighting

1812

01:15:46,430 --> 01:15:44,640

because uh now with people uh and that's

1813

01:15:48,229 --> 01:15:46,440

why they couldn't keep it quiet I mean

1814

01:15:50,390 --> 01:15:48,239

how could they keep it quiet any longer

1815

01:15:52,130 --> 01:15:50,400

because people are seeing things that

1816

01:15:54,050 --> 01:15:52,140

are so unusual and capturing them on

1817

01:15:57,110 --> 01:15:54,060

their cell phones and sharing them in

1818

01:15:59,209 --> 01:15:57,120

almost real time on the internet

1819

01:16:00,530 --> 01:15:59,219

um you know they just couldn't keep a

1820

01:16:03,290 --> 01:16:00,540

lid on it anymore

1821

01:16:06,290 --> 01:16:03,300

so you know now I'm glad that it's out

1822

01:16:07,850 --> 01:16:06,300

of the bag uh as far as the military and

1823

01:16:10,490 --> 01:16:07,860

the government admitting that there is

1824

01:16:12,410 --> 01:16:10,500

something that they cannot explain uh

1825

01:16:14,209 --> 01:16:12,420

and hopefully one day we will be able to

1826

01:16:16,189 --> 01:16:14,219

explain who's behind it

1827

01:16:18,169 --> 01:16:16,199

I've got a couple more questions before

1828

01:16:21,530 --> 01:16:18,179

we get on to some listener questions for

1829

01:16:24,169 --> 01:16:21,540

you and I wonder recently we've seen the

1830

01:16:27,290 --> 01:16:24,179

topic of UFOs uaps discussed within the

1831

01:16:29,330 --> 01:16:27,300

US Congress and the topics being pushed

1832

01:16:31,010 --> 01:16:29,340

one thing we didn't hear about in there

1833

01:16:33,050 --> 01:16:31,020

even though we heard about Roswell and a

1834

01:16:34,550 --> 01:16:33,060

few other incidents we didn't hear about

1835

01:16:37,130 --> 01:16:34,560

the Phoenix Lights the University of

1836

01:16:39,169 --> 01:16:37,140

time if we get these upcoming hearings

1837

01:16:41,750 --> 01:16:39,179

but expecting where the Phoenix Lights

1838

01:16:43,310 --> 01:16:41,760

event would be brought up as part of

1839

01:16:46,910 --> 01:16:43,320

those hearings

1840

01:16:48,530 --> 01:16:46,920

I hope so I mean I you know I decided if

1841

01:16:50,750 --> 01:16:48,540

anybody reads the book

1842

01:16:52,729 --> 01:16:50,760

because I don't need to do this okay I

1843

01:16:54,410 --> 01:16:52,739

have a very comfortable wonderful family

1844

01:16:56,510 --> 01:16:54,420

life

1845

01:16:59,390 --> 01:16:56,520

um but for whatever reason

1846

01:17:02,510 --> 01:16:59,400

as a scientist as a physician as an

1847

01:17:04,910 --> 01:17:02,520

experimenter and as an educator I need to

1848

01:17:08,209 --> 01:17:04,920

do this and

1849

01:17:12,169 --> 01:17:08,219

um you know the fact is that you know I

1850

01:17:13,970 --> 01:17:12,179

hope that as I said even in the book

1851

01:17:16,490 --> 01:17:13,980

um I have surrendered

1852

01:17:20,570 --> 01:17:16,500

um I have felt that this whole thing is

1853

01:17:23,149 --> 01:17:20,580

orchestrated by something someone and

1854

01:17:24,410 --> 01:17:23,159

that if that's the case and I can be a

1855

01:17:26,330 --> 01:17:24,420

credible voice

1856

01:17:29,930 --> 01:17:26,340

to share the data and people actually

1857

01:17:33,530 --> 01:17:29,940

look at the data then I've done my job

1858

01:17:34,910 --> 01:17:33,540

and I've just watched and that's when I

1859

01:17:36,890 --> 01:17:34,920

talk about coincidence and you'll read

1860

01:17:38,990 --> 01:17:36,900

the book you'll see many coincidences

1861

01:17:40,250 --> 01:17:39,000

have happened since the Massa in the

1862

01:17:42,410 --> 01:17:40,260

puzzle pieces

1863

01:17:45,410 --> 01:17:42,420

keep fitting together and the story

1864

01:17:49,850 --> 01:17:45,420

keeps expanding and growing and changing

1865

01:17:53,330 --> 01:17:49,860

and evolving and if it's meant to be

1866

01:17:56,209 --> 01:17:53,340

really out there in a giant way and the

1867

01:17:59,390 --> 01:17:56,219

Congress finally comes around and gets

1868

01:18:02,390 --> 01:17:59,400

to some of the most important sightings

1869

01:18:04,850 --> 01:18:02,400

including the Phoenix Lights uh so be it

1870

01:18:07,850 --> 01:18:04,860

when it's time it'll be time and I'm

1871

01:18:09,590 --> 01:18:07,860

just along for the ride so

1872

01:18:12,890 --> 01:18:09,600

um yes do I hope it'll get out there I

1873

01:18:15,950 --> 01:18:12,900

think that you know at this point

1874

01:18:18,729 --> 01:18:15,960

um it's evolving as it's supposed to uh

1875

01:18:22,189 --> 01:18:18,739

it's slow obviously it's 25 years later

1876

01:18:24,169 --> 01:18:22,199

but the word is getting out there and

1877

01:18:25,970 --> 01:18:24,179

the truth is getting out there and

1878

01:18:28,669 --> 01:18:25,980

people that really want to look at the

1879

01:18:31,430 --> 01:18:28,679

facts and the data they're out there

1880

01:18:33,229 --> 01:18:31,440

okay so I hope your audience will take a

1881

01:18:35,270 --> 01:18:33,239

look there's a much more to this story

1882

01:18:38,510 --> 01:18:35,280

uh I just told you the tip of the

1883

01:18:41,930 --> 01:18:38,520

iceberg today but uh including

1884

01:18:45,410 --> 01:18:41,940

um analysis of my 90 1995 closed

1885

01:18:48,530 --> 01:18:45,420

sighting by Dr Bruce mcabee very

1886

01:18:51,050 --> 01:18:48,540

respected Navy Optical physicist

1887

01:18:52,790 --> 01:18:51,060

s who analyzed the closed sighting

1888

01:18:54,290 --> 01:18:52,800

pictures the first and the last because

1889

01:18:57,050 --> 01:18:54,300

we went back and found that there were

1890

01:18:59,689 --> 01:18:57,060

additional pictures on those strips 35

1891

01:19:01,669 --> 01:18:59,699

millimeter strips in the negative uh

1892

01:19:04,010 --> 01:19:01,679

actually the one right next to the last

1893

01:19:06,229 --> 01:19:04,020

picture the only thing in that negative

1894

01:19:08,450 --> 01:19:06,239

are the two unknowns

1895

01:19:10,970 --> 01:19:08,460

what's that about there's no Skyline

1896

01:19:14,450 --> 01:19:10,980

there's no nothing just the two on those

1897

01:19:16,130 --> 01:19:14,460

be that as it may he uh got back to me

1898

01:19:19,310 --> 01:19:16,140

after I sent him the first and the last

1899

01:19:21,110 --> 01:19:19,320

picture it's on the website photo page

1900

01:19:23,870 --> 01:19:21,120

to ask him what those clothes stores

1901

01:19:26,090 --> 01:19:23,880

were and he said you told me that close

1902

01:19:28,610 --> 01:19:26,100

sighting in 95 was two three minutes

1903

01:19:30,470 --> 01:19:28,620

long I said right he said can your

1904

01:19:32,270 --> 01:19:30,480

husband corroborate that I said he won't

1905

01:19:34,850 --> 01:19:32,280

talk about it he said you have to sit

1906

01:19:36,709 --> 01:19:34,860

him down and just cooperate the time

1907

01:19:39,470 --> 01:19:36,719

so I finally did I said we don't have to

1908

01:19:41,510 --> 01:19:39,480

talk about the the closed sighting but

1909

01:19:44,270 --> 01:19:41,520

do you remember it was three years later

1910

01:19:46,430 --> 01:19:44,280

because we had a big sighting here uh

1911

01:19:49,010 --> 01:19:46,440

which you can see the footage in our

1912

01:19:52,130 --> 01:19:49,020

documentary of straight lines and mirror

1913

01:19:55,010 --> 01:19:52,140

images and the giant uh pyramid through

1914

01:19:57,110 --> 01:19:55,020

a fog okay the military war isn't at

1915

01:19:58,430 --> 01:19:57,120

that night okay

1916

01:20:00,410 --> 01:19:58,440

Vlog

1917

01:20:02,570 --> 01:20:00,420

um that was amazing that we caught on

1918

01:20:04,310 --> 01:20:02,580

four different uh videos north south

1919

01:20:05,930 --> 01:20:04,320

east and west and I sent that to them as

1920

01:20:08,630 --> 01:20:05,940

well and the two pictures is an

1921

01:20:11,510 --> 01:20:08,640

afterthought from 95 and I said just

1922

01:20:13,370 --> 01:20:11,520

tell me what you remember how long that

1923

01:20:16,910 --> 01:20:13,380

sighting was in 95 I don't know two

1924

01:20:20,149 --> 01:20:16,920

three four minutes tops

1925

01:20:22,130 --> 01:20:20,159

I go back to Dr McAfee he said first of

1926

01:20:24,229 --> 01:20:22,140

all that's impossible I said what do you

1927

01:20:26,510 --> 01:20:24,239

mean he said

1928

01:20:28,850 --> 01:20:26,520

not only is this and he was the first to

1929

01:20:31,430 --> 01:20:28,860

recognize the same exact phenomenon he

1930

01:20:33,709 --> 01:20:31,440

was very meticulous in his analysis the

1931

01:20:37,149 --> 01:20:33,719

same exact phenomena was in the

1932

01:20:39,470 --> 01:20:37,159

background over the same exact location

1933

01:20:42,169 --> 01:20:39,480

disappearing as a closed doors were

1934

01:20:45,649 --> 01:20:42,179

disappearing in 95 two years before the

1935

01:20:47,930 --> 01:20:45,659

mass sighting in the same location

1936

01:20:50,810 --> 01:20:47,940

but he said look at the skyline I said

1937

01:20:52,370 --> 01:20:50,820

okay he said there are many groups of

1938

01:20:54,530 --> 01:20:52,380

lights not just individual lights but

1939

01:20:57,290 --> 01:20:54,540

groups of lights that are on in the

1940

01:20:58,250 --> 01:20:57,300

first picture that are off in the last

1941

01:20:59,930 --> 01:20:58,260

picture

1942

01:21:01,370 --> 01:20:59,940

he said that doesn't happen in a couple

1943

01:21:02,990 --> 01:21:01,380

of minutes he said I want you to do an

1944

01:21:04,790 --> 01:21:03,000

experiment he says go out on your

1945

01:21:07,010 --> 01:21:04,800

balcony unless it's three years later

1946

01:21:08,990 --> 01:21:07,020

mind you but he said one night every

1947

01:21:10,490 --> 01:21:09,000

hour the next night every half hour and

1948

01:21:12,410 --> 01:21:10,500

I actually did another night every 15

1949

01:21:15,169 --> 01:21:12,420

minutes to see when these groups of

1950

01:21:18,110 --> 01:21:15,179

lights go out now I usually take a bath

1951

01:21:19,970 --> 01:21:18,120

between seven and eight when we're home

1952

01:21:22,910 --> 01:21:19,980

so let's be conservative and say

1953

01:21:25,130 --> 01:21:22,920

starting point is 8 P.M

1954

01:21:28,130 --> 01:21:25,140

the groups of Lights started going out

1955

01:21:32,810 --> 01:21:28,140

at 9 pm the last picture is indicative

1956

01:21:34,790 --> 01:21:32,820

of 10 30 11 pm now he did it again a few

1957

01:21:38,270 --> 01:21:34,800

years ago for National Geographic TV

1958

01:21:40,130 --> 01:21:38,280

with better more advanced uh software

1959

01:21:41,810 --> 01:21:40,140

and found that there were even more

1960

01:21:43,910 --> 01:21:41,820

lights on in the first pictures that

1961

01:21:46,130 --> 01:21:43,920

were off in the last picture he said to

1962

01:21:48,310 --> 01:21:46,140

me can I present this case in the

1963

01:21:51,850 --> 01:21:48,320

upcoming 1999

1964

01:21:54,530 --> 01:21:51,860

move-on Mutual UFO Network International

1965

01:21:56,390 --> 01:21:54,540

Symposium in Washington DC

1966

01:21:59,689 --> 01:21:56,400

that was upcoming

1967

01:22:02,510 --> 01:21:59,699

I said Dr McAfee this is your baby

1968

01:22:04,850 --> 01:22:02,520

I would have never realized this data

1969

01:22:07,010 --> 01:22:04,860

just keep my name out of it which he

1970

01:22:08,870 --> 01:22:07,020

among other just a handful of people

1971

01:22:11,090 --> 01:22:08,880

that knew who had these pictures was I

1972

01:22:13,370 --> 01:22:11,100

wanted to do my homework for sure before

1973

01:22:15,470 --> 01:22:13,380

I came forward with them but I was

1974

01:22:16,669 --> 01:22:15,480

having them analyze at University and

1975

01:22:19,130 --> 01:22:16,679

Military level

1976

01:22:21,110 --> 01:22:19,140

I said please just keep my name about

1977

01:22:22,970 --> 01:22:21,120

out of it and he was kind enough to do

1978

01:22:25,550 --> 01:22:22,980

that and presented it

1979

01:22:28,669 --> 01:22:25,560

in 1999

1980

01:22:29,890 --> 01:22:28,679

as the first and as far as we know the

1981

01:22:33,169 --> 01:22:29,900

only

1982

01:22:34,669 --> 01:22:33,179

authenticated photographic evidence of

1983

01:22:37,610 --> 01:22:34,679

missing time

1984

01:22:39,590 --> 01:22:37,620

that there weren't minutes between the

1985

01:22:41,750 --> 01:22:39,600

first and the last picture that there

1986

01:22:43,490 --> 01:22:41,760

were hours

1987

01:22:45,410 --> 01:22:43,500

and what I share with you and your

1988

01:22:47,870 --> 01:22:45,420

audience is what I remember

1989

01:22:50,090 --> 01:22:47,880

so that's why I did not share it in the

1990

01:22:52,130 --> 01:22:50,100

original book I could not wrap my head

1991

01:22:53,149 --> 01:22:52,140

around it it was like two out there for

1992

01:22:56,209 --> 01:22:53,159

me

1993

01:22:59,450 --> 01:22:56,219

push it aside by the second edition of

1994

01:23:02,390 --> 01:22:59,460

the book that came out in 2010

1995

01:23:07,490 --> 01:23:02,400

it was like okay maybe it's important

1996

01:23:10,370 --> 01:23:07,500

data maybe just sharing that data will

1997

01:23:14,570 --> 01:23:10,380

open the door for scientists to actually

1998

01:23:16,550 --> 01:23:14,580

address time that our concept of linear

1999

01:23:19,850 --> 01:23:16,560

time is primitive

2000

01:23:22,130 --> 01:23:19,860

past present and future is not what time

2001
01:23:23,810 --> 01:23:22,140
really is okay remember when I went out

2002
01:23:25,850 --> 01:23:23,820
on the balcony it felt like time had

2003
01:23:28,070 --> 01:23:25,860
stopped okay

2004
01:23:30,590 --> 01:23:28,080
also

2005
01:23:32,630 --> 01:23:30,600
when you look at quantum physics and

2006
01:23:34,870 --> 01:23:32,640
quantum mechanics postulating that there

2007
01:23:38,689 --> 01:23:34,880
could be 10 or 11 different dimensions

2008
01:23:41,450 --> 01:23:38,699
out there along with ours why is it such

2009
01:23:44,090 --> 01:23:41,460
a leap to think that there could in

2010
01:23:47,510 --> 01:23:44,100
other times and spaces along with ours

2011
01:23:50,570 --> 01:23:47,520
be intelligent sentient entities

2012
01:23:51,290 --> 01:23:50,580
in those other times and spaces that we

2013
01:23:54,649 --> 01:23:51,300

get

2014

01:23:57,649 --> 01:23:54,659

glimpses of if we're open to them or

2015

01:23:59,510 --> 01:23:57,659

invited so I finally shared it

2016

01:24:02,030 --> 01:23:59,520

it hasn't gotten out there big that's

2017

01:24:04,370 --> 01:24:02,040

fine when it's time it's time but the

2018

01:24:06,590 --> 01:24:04,380

data is out there if anybody cares take

2019

01:24:08,930 --> 01:24:06,600

a look at it

2020

01:24:11,450 --> 01:24:08,940

one more question before and thank you

2021

01:24:14,510 --> 01:24:11,460

for that before let's not questions uh

2022

01:24:17,270 --> 01:24:14,520

have the locals opinion in the area now

2023

01:24:20,209 --> 01:24:17,280

25 years later has that changed at all

2024

01:24:22,430 --> 01:24:20,219

on the event do people still very much

2025

01:24:25,010 --> 01:24:22,440

believe they saw something truly

2026

01:24:27,649 --> 01:24:25,020

anomalous they saw a hard craft or has

2027

01:24:29,510 --> 01:24:27,659

it softened to being just with time

2028

01:24:32,209 --> 01:24:29,520

passing and like you say misinformation

2029

01:24:34,250 --> 01:24:32,219

disinformation and the the Mind plays

2030

01:24:35,330 --> 01:24:34,260

tricks that it was something more

2031

01:24:37,910 --> 01:24:35,340

physique

2032

01:24:41,930 --> 01:24:37,920

more than ever which is also very

2033

01:24:43,850 --> 01:24:41,940

poignant 25 years over 25 years later

2034

01:24:46,970 --> 01:24:43,860

and there's other stuff that we could

2035

01:24:48,290 --> 01:24:46,980

you know talk about including uh people

2036

01:24:51,830 --> 01:24:48,300

that

2037

01:24:53,870 --> 01:24:51,840

um uh suppressed the sighting for months

2038

01:24:56,209 --> 01:24:53,880

and years as Kurt Russell did he

2039

01:24:57,649 --> 01:24:56,219

describing okay

2040

01:24:59,750 --> 01:24:57,659

um uh interview I mean there's so much

2041

01:25:00,530 --> 01:24:59,760

more to this story but

2042

01:25:02,270 --> 01:25:00,540

um

2043

01:25:05,570 --> 01:25:02,280

that's why we're doing this study

2044

01:25:08,350 --> 01:25:05,580

because the Phoenix Lights Mass sighting

2045

01:25:12,830 --> 01:25:08,360

particularly for those who did see it

2046

01:25:16,370 --> 01:25:12,840

affected them every single one it's at

2047

01:25:18,950 --> 01:25:16,380

such a deep level okay and yes there's a

2048

01:25:20,570 --> 01:25:18,960

few that you know like I said with

2049

01:25:23,090 --> 01:25:20,580

Independence Day just didn't want any

2050

01:25:25,370 --> 01:25:23,100

part of it or uh suppressed it or

2051
01:25:29,209 --> 01:25:25,380
whatever but the vast majority and I'm

2052
01:25:31,430 --> 01:25:29,219
talking 90 plus percent which we're

2053
01:25:34,370 --> 01:25:31,440
finding in the study

2054
01:25:36,910 --> 01:25:34,380
affected it's such a deep level

2055
01:25:39,649 --> 01:25:36,920
that more than ever

2056
01:25:41,270 --> 01:25:39,659
they not only are grateful that we're

2057
01:25:45,050 --> 01:25:41,280
talking about it and it's out in the

2058
01:25:47,750 --> 01:25:45,060
open okay but they know

2059
01:25:51,110 --> 01:25:47,760
it's not a belief anymore people ask me

2060
01:25:52,250 --> 01:25:51,120
do you believe in UFOs it's not a belief

2061
01:25:53,990 --> 01:25:52,260
anymore

2062
01:25:58,490 --> 01:25:54,000
it's a knowing

2063
01:26:01,189 --> 01:25:58,500

that is a giant leap again it doesn't

2064

01:26:04,910 --> 01:26:01,199

happen with planes and helicopters and

2065

01:26:08,330 --> 01:26:04,920

Holograms and flares it's a knowing

2066

01:26:09,169 --> 01:26:08,340

that people have every year I host a big

2067

01:26:11,330 --> 01:26:09,179

event

2068

01:26:13,910 --> 01:26:11,340

at the Harkins Scottsdale harkinshay

2069

01:26:15,950 --> 01:26:13,920

theater to keep it alive and to also

2070

01:26:19,550 --> 01:26:15,960

have a forum

2071

01:26:21,050 --> 01:26:19,560

and it sold out every year where we show

2072

01:26:22,490 --> 01:26:21,060

our documentary our award-winning

2073

01:26:25,250 --> 01:26:22,500

document River we pray out that Phoenix

2074

01:26:26,629 --> 01:26:25,260

Lights uh the on top secret is one over

2075

01:26:29,390 --> 01:26:26,639

a dozen International Film Festival

2076

01:26:31,189 --> 01:26:29,400

Awards and um it's a real grassroots

2077

01:26:35,450 --> 01:26:31,199

effort it's a very gentle overview the

2078

01:26:36,830 --> 01:26:35,460

book has much much more data but I

2079

01:26:40,430 --> 01:26:36,840

wanted to give something to the

2080

01:26:43,129 --> 01:26:40,440

community to not only you that's not

2081

01:26:45,110 --> 01:26:43,139

going to freak people out but also to

2082

01:26:48,709 --> 01:26:45,120

have a forum where they can come and

2083

01:26:50,390 --> 01:26:48,719

feel comfortable being there and being

2084

01:26:53,149 --> 01:26:50,400

able to talk about it because we have

2085

01:26:55,910 --> 01:26:53,159

speakers in fact Alice Cooper saw the

2086

01:26:58,790 --> 01:26:55,920

mass sighting he's come forward and he's

2087

01:27:00,709 --> 01:26:58,800

actually been part of our uh event last

2088

01:27:04,189 --> 01:27:00,719

year and the and the last time that we

2089

01:27:06,950 --> 01:27:04,199

had it before covid as well as

2090

01:27:10,010 --> 01:27:06,960

um you know other luminaries in the

2091

01:27:12,229 --> 01:27:10,020

field and uh Witnesses when you hear

2092

01:27:14,629 --> 01:27:12,239

from the witnesses themselves

2093

01:27:18,350 --> 01:27:14,639

um if anybody has

2094

01:27:21,590 --> 01:27:18,360

um discovery plus there is a show called

2095

01:27:23,810 --> 01:27:21,600

UFO witness the fifth episode which is

2096

01:27:28,430 --> 01:27:23,820

very good very well done

2097

01:27:30,229 --> 01:27:28,440

where we have a witness a RN nurse who

2098

01:27:32,990 --> 01:27:30,239

was standing he was standing right under

2099

01:27:35,390 --> 01:27:33,000

one of the craft and actually saw it

2100

01:27:37,850 --> 01:27:35,400

it's amazing when you hear the witnesses

2101
01:27:39,770 --> 01:27:37,860
themselves describe and they it's as if

2102
01:27:43,490 --> 01:27:39,780
they had seen it yesterday just like I

2103
01:27:45,470 --> 01:27:43,500
described the 95 sighting okay the like

2104
01:27:47,330 --> 01:27:45,480
a tube coming down and you'll hear it

2105
01:27:47,870 --> 01:27:47,340
over and over again by people that the

2106
01:27:58,129 --> 01:27:47,880
the

2107
01:27:59,750 --> 01:27:58,139
like lava coming down and he thought it

2108
01:28:02,390 --> 01:27:59,760
was going to burn him and before it got

2109
01:28:03,649 --> 01:28:02,400
to the end it shot straight up again and

2110
01:28:05,870 --> 01:28:03,659
then it started to come down it's

2111
01:28:09,110 --> 01:28:05,880
amazing when you hear the descriptions

2112
01:28:11,930 --> 01:28:09,120
and how the the sighting really touched

2113
01:28:14,510 --> 01:28:11,940

people at a deep level so that nothing

2114

01:28:16,610 --> 01:28:14,520

it is not dissipated at all if nothing

2115

01:28:19,070 --> 01:28:16,620

has grown even more and I have more

2116

01:28:21,729 --> 01:28:19,080

people to tell me till today

2117

01:28:24,229 --> 01:28:21,739

that they feel blessed

2118

01:28:26,750 --> 01:28:24,239

blessed that they had the Phoenix Lights

2119

01:28:30,229 --> 01:28:26,760

experience and you don't have to have an

2120

01:28:32,689 --> 01:28:30,239

experience a UA you are an UK up

2121

01:28:34,970 --> 01:28:32,699

experience to have that positive

2122

01:28:36,890 --> 01:28:34,980

transformation all you need to do is

2123

01:28:38,870 --> 01:28:36,900

open your mind and your heart and learn

2124

01:28:40,610 --> 01:28:38,880

about it and you will start noticing

2125

01:28:42,950 --> 01:28:40,620

your eyes are open

2126

01:28:44,930 --> 01:28:42,960

as I think yours are Andrew you

2127

01:28:47,930 --> 01:28:44,940

mentioned it at the beginning you start

2128

01:28:50,930 --> 01:28:47,940

noticing Serendipity you start noticing

2129

01:28:53,030 --> 01:28:50,940

coincidences that are like an anonymous

2130

01:28:55,850 --> 01:28:53,040

gift from Beyond

2131

01:28:57,530 --> 01:28:55,860

you mentioned um the UFO witness I'm

2132

01:28:59,390 --> 01:28:57,540

actually speaking to Ben Hansen in about

2133

01:29:01,189 --> 01:28:59,400

two hours time as we speak and record

2134

01:29:02,530 --> 01:29:01,199

this who's the host of that show so

2135

01:29:05,330 --> 01:29:02,540

there you go there's one of your

2136

01:29:06,890 --> 01:29:05,340

coincidences our sailing deputies

2137

01:29:08,270 --> 01:29:06,900

um but listen let's get to some lesson

2138

01:29:10,610 --> 01:29:08,280

our questions because I had quite a lot

2139

01:29:12,770 --> 01:29:10,620

of sent in many of them you've answered

2140

01:29:14,689 --> 01:29:12,780

and you're very thorough explanation of

2141

01:29:15,830 --> 01:29:14,699

the events and and deep dive so thank

2142

01:29:16,970 --> 01:29:15,840

you for that

2143

01:29:19,129 --> 01:29:16,980

um but I want to get to some of these

2144

01:29:21,830 --> 01:29:19,139

for you Dr Lynn the first one is from

2145

01:29:24,410 --> 01:29:21,840

Tim and he asks were there ever any

2146

01:29:26,149 --> 01:29:24,420

radar tracks formally disclosed from

2147

01:29:29,090 --> 01:29:26,159

either government or non-government

2148

01:29:31,610 --> 01:29:29,100

agencies during or after the event

2149

01:29:33,830 --> 01:29:31,620

good question as the air traffic

2150

01:29:36,350 --> 01:29:33,840

controllers mentioned they looked on

2151
01:29:38,270 --> 01:29:36,360
radar they got alarmed because anything

2152
01:29:39,770 --> 01:29:38,280
in that airspace is especially a

2153
01:29:41,450 --> 01:29:39,780
thousand feet altitude that these were

2154
01:29:43,790 --> 01:29:41,460
right in class B restricted airspace

2155
01:29:47,270 --> 01:29:43,800
must call into the tower no one did and

2156
01:29:49,850 --> 01:29:47,280
it didn't show up on radar either but a

2157
01:29:53,570 --> 01:29:49,860
fella who has what's called The Black

2158
01:29:55,370 --> 01:29:53,580
Vault John Greenwald yep I've known him

2159
01:29:59,510 --> 01:29:55,380
since he was a kid now he's an adult

2160
01:30:01,669 --> 01:29:59,520
with a family he was amazing he went and

2161
01:30:05,209 --> 01:30:01,679
got a foia okay if you don't have

2162
01:30:07,689 --> 01:30:05,219
information act request and actually got

2163
01:30:10,370 --> 01:30:07,699

a letter back okay I think it was in May

2164

01:30:11,229 --> 01:30:10,380

that the military had nothing to do with

2165

01:30:14,270 --> 01:30:11,239

it

2166

01:30:16,490 --> 01:30:14,280

and they don't know why there was a

2167

01:30:19,850 --> 01:30:16,500

square thing that was brought up

2168

01:30:21,290 --> 01:30:19,860

it's in writing okay so that was a very

2169

01:30:24,050 --> 01:30:21,300

good question like I said there's much

2170

01:30:27,229 --> 01:30:24,060

more to this story so it it's almost

2171

01:30:29,270 --> 01:30:27,239

laughable if people uh talk about the

2172

01:30:30,709 --> 01:30:29,280

flare thing and by the way they may have

2173

01:30:31,910 --> 01:30:30,719

sent off flares and that's the only

2174

01:30:35,229 --> 01:30:31,920

explanation they ever came up with

2175

01:30:38,870 --> 01:30:35,239

they've never ever addressed the craft

2176
01:30:41,629 --> 01:30:38,880
actual craft with gunmetal bottom and

2177
01:30:43,430 --> 01:30:41,639
and as I said the the nurse describes

2178
01:30:45,530 --> 01:30:43,440
the bottom as having like I mean it's

2179
01:30:47,030 --> 01:30:45,540
unbelievable how he describes it in such

2180
01:30:49,070 --> 01:30:47,040
detail

2181
01:30:51,350 --> 01:30:49,080
um that's never been addressed the only

2182
01:30:54,530 --> 01:30:51,360
thing they needed to address were the

2183
01:30:57,410 --> 01:30:54,540
lights that were you know photographed

2184
01:30:59,510 --> 01:30:57,420
um which you know some people will feed

2185
01:31:01,129 --> 01:30:59,520
right into it because they need to okay

2186
01:31:02,570 --> 01:31:01,139
they need to have a logical explanation

2187
01:31:04,370 --> 01:31:02,580
I get that

2188
01:31:06,470 --> 01:31:04,380

um but the Phoenix Lights for anybody

2189

01:31:08,629 --> 01:31:06,480

that saw the true unknowns would

2190

01:31:11,390 --> 01:31:08,639

definitely not flare so let's make that

2191

01:31:13,370 --> 01:31:11,400

clear okay and even though a show by the

2192

01:31:14,090 --> 01:31:13,380

way and I go into it in detail in my

2193

01:31:17,510 --> 01:31:14,100

book

2194

01:31:19,070 --> 01:31:17,520

in August the following August

2195

01:31:21,649 --> 01:31:19,080

um suddenly we get an announcement again

2196

01:31:24,229 --> 01:31:21,659

I was staying Anonymous and even when I

2197

01:31:26,750 --> 01:31:24,239

went to Village labs to have my things

2198

01:31:28,790 --> 01:31:26,760

analyzed or talked to the investigators

2199

01:31:31,129 --> 01:31:28,800

and somebody from the from

2200

01:31:32,209 --> 01:31:31,139

um the media showed up they said who are

2201

01:31:35,149 --> 01:31:32,219

you

2202

01:31:36,709 --> 01:31:35,159

I had a perfect cover because I have my

2203

01:31:38,390 --> 01:31:36,719

own company health education learning

2204

01:31:40,370 --> 01:31:38,400

programs help incorporate it with my

2205

01:31:42,050 --> 01:31:40,380

video and workbook curriculums and I

2206

01:31:44,270 --> 01:31:42,060

would say that I'm you know from health

2207

01:31:46,790 --> 01:31:44,280

education learning programs representing

2208

01:31:48,470 --> 01:31:46,800

the couple who took the video and

2209

01:31:50,990 --> 01:31:48,480

pictures right that was important to

2210

01:31:52,370 --> 01:31:51,000

cover and they moved on which was great

2211

01:31:55,610 --> 01:31:52,380

right

2212

01:31:58,910 --> 01:31:55,620

um but uh you know while I was there I

2213

01:32:02,090 --> 01:31:58,920

mean you know to to hear the witness

2214

01:32:03,830 --> 01:32:02,100

reports and uh see how the story was

2215

01:32:05,149 --> 01:32:03,840

unfolding which just was just

2216

01:32:08,209 --> 01:32:05,159

fascinating

2217

01:32:11,090 --> 01:32:08,219

um and you know unfortunately you know

2218

01:32:12,770 --> 01:32:11,100

we we don't know uh if they got gun

2219

01:32:14,689 --> 01:32:12,780

camera film although I heard that they

2220

01:32:16,250 --> 01:32:14,699

did I have not seen it

2221

01:32:18,410 --> 01:32:16,260

um but the point is that they were very

2222

01:32:22,370 --> 01:32:18,420

well aware because they try to intercept

2223

01:32:25,729 --> 01:32:22,380

a craft at 8 30 that night so what they

2224

01:32:28,010 --> 01:32:25,739

were saying was that the boomerang video

2225

01:32:28,970 --> 01:32:28,020

um because I I went to the director of

2226

01:32:31,370 --> 01:32:28,980

the show

2227

01:32:33,350 --> 01:32:31,380

and I said look there's a lot more to

2228

01:32:35,090 --> 01:32:33,360

the story than just March 13th and the

2229

01:32:37,910 --> 01:32:35,100

public should know that that this has

2230

01:32:39,649 --> 01:32:37,920

been happening for not only you know by

2231

01:32:42,470 --> 01:32:39,659

then I just had learned a little bit but

2232

01:32:44,450 --> 01:32:42,480

uh for centuries but I have photographic

2233

01:32:46,010 --> 01:32:44,460

evidence two months before the math

2234

01:32:48,530 --> 01:32:46,020

setting I didn't even realize that it

2235

01:32:51,350 --> 01:32:48,540

was that I had it from 95 too

2236

01:32:54,050 --> 01:32:51,360

and uh I said they really should know

2237

01:32:55,970 --> 01:32:54,060

about this that it's not just March 13th

2238

01:32:57,830 --> 01:32:55,980

and other people were seeing these

2239

01:32:59,629 --> 01:32:57,840

things before too he said well the

2240

01:33:02,689 --> 01:32:59,639

militaries said it was Flair so that's

2241

01:33:04,070 --> 01:33:02,699

what it was and it was like what you're

2242

01:33:07,850 --> 01:33:04,080

not even going to look at my pictures

2243

01:33:09,410 --> 01:33:07,860

which he did not okay and they had me

2244

01:33:11,030 --> 01:33:09,420

set up to do an anonymous interview

2245

01:33:12,649 --> 01:33:11,040

because I really wanted people know

2246

01:33:17,290 --> 01:33:12,659

there's more to this story than March

2247

01:33:19,910 --> 01:33:17,300

13th and the uh producer was was

2248

01:33:22,189 --> 01:33:19,920

unrelenting I mean he wanted March 13th

2249

01:33:23,510 --> 01:33:22,199

and I wasn't going there and my

2250

01:33:26,330 --> 01:33:23,520

interview ended up on The Cutting Room

2251
01:33:28,430 --> 01:33:26,340
floor thank goodness because what they

2252
01:33:30,290 --> 01:33:28,440
did was in the middle of what they

2253
01:33:32,770 --> 01:33:30,300
called it was a show called anatomy of a

2254
01:33:35,689 --> 01:33:32,780
sighting which they ended up showing

2255
01:33:37,490 --> 01:33:35,699
multiple multiple times during peak

2256
01:33:40,910 --> 01:33:37,500
hours from Thanksgiving and Christmas

2257
01:33:43,430 --> 01:33:40,920
and over and over and over again they

2258
01:33:45,709 --> 01:33:43,440
took the boomerang video my video has

2259
01:33:48,110 --> 01:33:45,719
been confirmed as a true unknown the

2260
01:33:49,669 --> 01:33:48,120
three endpoints of the video triangle

2261
01:33:51,890 --> 01:33:49,679
not only by

2262
01:33:54,290 --> 01:33:51,900
um university and Military Optical

2263
01:33:56,030 --> 01:33:54,300

physicists but by the air traffic

2264

01:33:58,310 --> 01:33:56,040

controllers that saw the same thing

2265

01:34:00,950 --> 01:33:58,320

while I was filming it okay

2266

01:34:02,450 --> 01:34:00,960

um but the boomerang which was after 10

2267

01:34:04,729 --> 01:34:02,460

o'clock mine was before 10 o'clock

2268

01:34:06,470 --> 01:34:04,739

anyway after 10 o'clock the two

2269

01:34:08,870 --> 01:34:06,480

boomerangs are the ones that have been

2270

01:34:11,149 --> 01:34:08,880

under Fire for being flares and they

2271

01:34:13,629 --> 01:34:11,159

took the Kristen video which is really

2272

01:34:17,030 --> 01:34:13,639

impressive which by the way if you go to

2273

01:34:20,209 --> 01:34:17,040

the news page and scroll down someone

2274

01:34:21,530 --> 01:34:20,219

that had Advanced uh stabilizing

2275

01:34:24,470 --> 01:34:21,540

software

2276
01:34:26,810 --> 01:34:24,480
took that Boomerang video and showed

2277
01:34:29,510 --> 01:34:26,820
that it didn't budge those lights did

2278
01:34:30,709 --> 01:34:29,520
not budge they stayed equidistant from

2279
01:34:33,169 --> 01:34:30,719
each other and one of them actually

2280
01:34:35,510 --> 01:34:33,179
elevated and split in two flares don't

2281
01:34:37,610 --> 01:34:35,520
do that but be that as it may

2282
01:34:39,950 --> 01:34:37,620
the boomerangs were the ones that were

2283
01:34:41,570 --> 01:34:39,960
under Fire for being flares

2284
01:34:44,090 --> 01:34:41,580
and

2285
01:34:46,610 --> 01:34:44,100
um they took that video

2286
01:34:50,270 --> 01:34:46,620
and tried to show that it went behind

2287
01:34:52,790 --> 01:34:50,280
the mountain range South Mountain so it

2288
01:34:55,550 --> 01:34:52,800

or the Estrella Mountain Range

2289

01:34:58,510 --> 01:34:55,560

so it must be flares because David

2290

01:35:01,070 --> 01:34:58,520

Monson Air Force Base is two hours south

2291

01:35:03,410 --> 01:35:01,080

and they said that they sent all flares

2292

01:35:05,209 --> 01:35:03,420

but that would be what it was well

2293

01:35:07,250 --> 01:35:05,219

number one the air traffic controller

2294

01:35:08,930 --> 01:35:07,260

said that what I was photographing two

2295

01:35:11,570 --> 01:35:08,940

months before the mass sighting turned

2296

01:35:13,490 --> 01:35:11,580

against the wind as a unit elevated and

2297

01:35:15,110 --> 01:35:13,500

they moved in synchrony behind the

2298

01:35:16,610 --> 01:35:15,120

mountain so just because it went behind

2299

01:35:20,090 --> 01:35:16,620

the mountain doesn't mean it's flares

2300

01:35:22,729 --> 01:35:20,100

that's number one number two there was a

2301

01:35:24,470 --> 01:35:22,739

fox reporter here who saw the craft

2302

01:35:26,510 --> 01:35:24,480

himself and he wanted to get to the

2303

01:35:28,910 --> 01:35:26,520

bottom of it and he was amazing he did

2304

01:35:32,149 --> 01:35:28,920

wonderful reports honest truthful

2305

01:35:34,970 --> 01:35:32,159

reports and he went to Kristen who had

2306

01:35:37,790 --> 01:35:34,980

the who shot the boomerang who told him

2307

01:35:40,370 --> 01:35:37,800

and showed him he said if you look at

2308

01:35:43,490 --> 01:35:40,380

the footage again the data speaks for

2309

01:35:45,470 --> 01:35:43,500

itself there is one lone light this to

2310

01:35:47,750 --> 01:35:45,480

the right of a tree on the Christian

2311

01:35:51,229 --> 01:35:47,760

property separate from the boomerang

2312

01:35:55,370 --> 01:35:51,239

okay that in their show

2313

01:35:58,189 --> 01:35:55,380

is on the left side of that tree so they

2314

01:36:00,649 --> 01:35:58,199

manipulated that Boomerang to show it

2315

01:36:04,430 --> 01:36:00,659

coordinating with the mountain range

2316

01:36:07,129 --> 01:36:04,440

they actually altered the video to make

2317

01:36:09,590 --> 01:36:07,139

the case flares it's right there I'm not

2318

01:36:11,870 --> 01:36:09,600

saying anything out of the ordinary or

2319

01:36:15,649 --> 01:36:11,880

top secret it's right there

2320

01:36:17,930 --> 01:36:15,659

and so you know you have to think you

2321

01:36:21,350 --> 01:36:17,940

know why did they do that plus they have

2322

01:36:22,790 --> 01:36:21,360

never addressed the craft itself so I

2323

01:36:26,209 --> 01:36:22,800

hope that answers the question with the

2324

01:36:28,129 --> 01:36:26,219

with the radar yeah absolutely Ryan has

2325

01:36:30,169 --> 01:36:28,139

a question and he very much that goes

2326

01:36:31,910 --> 01:36:30,179

with the idea this was a craft there was

2327

01:36:34,450 --> 01:36:31,920

something at least one object you're

2328

01:36:37,370 --> 01:36:34,460

seeing multiple over over the the town

2329

01:36:39,470 --> 01:36:37,380

he he knows obviously it started about

2330

01:36:41,689 --> 01:36:39,480

Phoenix for many uh the sighting and

2331

01:36:43,490 --> 01:36:41,699

ended past Tucson both cities have Air

2332

01:36:45,590 --> 01:36:43,500

Force bases do you think there's any

2333

01:36:47,930 --> 01:36:45,600

correlation that the craft itself was

2334

01:36:50,149 --> 01:36:47,940

flying between the Air Force bases for

2335

01:36:52,030 --> 01:36:50,159

any reason

2336

01:36:54,229 --> 01:36:52,040

um you know there was so much going on

2337

01:36:57,350 --> 01:36:54,239

that uh

2338

01:36:58,550 --> 01:36:57,360

you know what can I say I mean I I don't

2339

01:37:01,010 --> 01:36:58,560

know there were multiple things

2340

01:37:03,890 --> 01:37:01,020

happening these orb formations uh these

2341

01:37:05,930 --> 01:37:03,900

multiple craft in multiple States for

2342

01:37:08,930 --> 01:37:05,940

over a dozen hours

2343

01:37:11,209 --> 01:37:08,940

um that there's no way to to tell you

2344

01:37:13,070 --> 01:37:11,219

know if if in fact they were going from

2345

01:37:20,169 --> 01:37:13,080

face to face I I have no idea and

2346

01:37:24,350 --> 01:37:22,370

on that same kind of vein about more

2347

01:37:26,629 --> 01:37:24,360

witnesses coming forward rich wants to

2348

01:37:28,490 --> 01:37:26,639

know that why after all these years that

2349

01:37:31,129 --> 01:37:28,500

the melody seemed to have gone out and

2350

01:37:34,070 --> 01:37:31,139

attempted to drop flares after in some

2351

01:37:36,110 --> 01:37:34,080

kind of diversionary tactic why have no

2352

01:37:38,149 --> 01:37:36,120

more witnesses come forward from from

2353

01:37:41,270 --> 01:37:38,159

those to come out and speak about the

2354

01:37:43,790 --> 01:37:41,280

event now why why have what come from no

2355

01:37:45,350 --> 01:37:43,800

further Witnesses come forward or the

2356

01:37:47,390 --> 01:37:45,360

dropping of the flares thousands of

2357

01:37:50,090 --> 01:37:47,400

witnesses have come forward now

2358

01:37:52,550 --> 01:37:50,100

from from the uh from the military

2359

01:37:54,010 --> 01:37:52,560

from the what from the military or at

2360

01:37:57,830 --> 01:37:54,020

the time

2361

01:37:59,390 --> 01:37:57,840

in fact um I was just invited to do a

2362

01:38:02,149 --> 01:37:59,400

History Channel another History Channel

2363

01:38:05,629 --> 01:38:02,159

program and uh one of the people that is

2364

01:38:08,270 --> 01:38:05,639

going to be interviewed is a pilot that

2365

01:38:10,070 --> 01:38:08,280

actually saw for the first time he just

2366

01:38:11,870 --> 01:38:10,080

retired he's going to be coming forward

2367

01:38:14,030 --> 01:38:11,880

to talk about it

2368

01:38:15,770 --> 01:38:14,040

um but yeah I mean there's a pilot that

2369

01:38:17,270 --> 01:38:15,780

we have that's involved with the

2370

01:38:20,090 --> 01:38:17,280

military that's why he stays Anonymous

2371

01:38:22,850 --> 01:38:20,100

in our own documentary and he was in

2372

01:38:24,770 --> 01:38:22,860

Vietnam and also uh It was a commercial

2373

01:38:27,470 --> 01:38:24,780

pilot and now he's involved with the

2374

01:38:31,250 --> 01:38:27,480

with the military and state Anonymous

2375

01:38:32,649 --> 01:38:31,260

but he saw the craft and um you know and

2376

01:38:35,390 --> 01:38:32,659

he

2377

01:38:37,490 --> 01:38:35,400

knows it definitely wasn't flares and

2378

01:38:39,770 --> 01:38:37,500

and we'll attest to that and is

2379

01:38:42,110 --> 01:38:39,780

wonderful in our documentary as well as

2380

01:38:43,850 --> 01:38:42,120

that UFO witness show he's terrific in

2381

01:38:46,729 --> 01:38:43,860

that as well

2382

01:38:48,590 --> 01:38:46,739

so there are there are military people

2383

01:38:51,530 --> 01:38:48,600

that are coming forward it's you know

2384

01:38:54,470 --> 01:38:51,540

they've we learn now and I I we learn

2385

01:38:57,290 --> 01:38:54,480

more more of the public is learning that

2386

01:38:59,510 --> 01:38:57,300

pilots and Military were threatened with

2387

01:39:02,030 --> 01:38:59,520

their careers if they came forward with

2388

01:39:04,129 --> 01:39:02,040

this data um but now that more and more

2389

01:39:05,990 --> 01:39:04,139

retiring

2390

01:39:07,550 --> 01:39:06,000

um and and I'm very grateful just like

2391

01:39:10,729 --> 01:39:07,560

with the governor I mean he was a

2392

01:39:12,890 --> 01:39:10,739

military pilot uh coming forward to

2393

01:39:16,250 --> 01:39:12,900

admit that there is something going on

2394

01:39:18,950 --> 01:39:16,260

that we cannot explain and that needs to

2395

01:39:20,330 --> 01:39:18,960

be studied and uh that's that's where we

2396

01:39:22,129 --> 01:39:20,340

are right now

2397

01:39:24,229 --> 01:39:22,139

and I hope more come forward as well

2398

01:39:25,790 --> 01:39:24,239

that would be that would be great yeah

2399

01:39:27,290 --> 01:39:25,800

and there's always

2400

01:39:30,290 --> 01:39:27,300

um you don't know where they're coming

2401

01:39:32,390 --> 01:39:30,300

from you don't know what their agenda is

2402

01:39:34,850 --> 01:39:32,400

um you know we do have military out

2403

01:39:37,010 --> 01:39:34,860

there that say that they were you know

2404

01:39:40,510 --> 01:39:37,020

flying their planes that night with the

2405

01:39:43,970 --> 01:39:40,520

Air National Guard well okay

2406

01:39:46,070 --> 01:39:43,980

but you know and that they sent off

2407

01:39:48,770 --> 01:39:46,080

flares okay but where's the proof

2408

01:39:52,129 --> 01:39:48,780

where's the proof when they started to

2409

01:39:54,530 --> 01:39:52,139

try to reenact it they blew it the Dale

2410

01:39:56,270 --> 01:39:54,540

was in the coffin being players once

2411

01:39:59,750 --> 01:39:56,280

they did that that was like give me a

2412

01:40:02,149 --> 01:39:59,760

break they had their shot

2413

01:40:04,610 --> 01:40:02,159

a question from Alfie he wants to know

2414

01:40:07,430 --> 01:40:04,620

is there any data from the event that

2415

01:40:10,430 --> 01:40:07,440

you think the new UAP task force could

2416

01:40:14,149 --> 01:40:10,440

obtain and use in modern day

2417

01:40:16,970 --> 01:40:14,159

absolutely I welcome them to take a look

2418

01:40:20,410 --> 01:40:16,980

at my photo data uh I have gone to

2419

01:40:22,310 --> 01:40:20,420

extremely to have my 35 millimeter

2420

01:40:25,790 --> 01:40:22,320

photographs that are in the negative

2421

01:40:27,649 --> 01:40:25,800

that cannot be explained or denied uh

2422

01:40:29,510 --> 01:40:27,659

tell me what it is especially the one

2423

01:40:32,750 --> 01:40:29,520

the picture that I took one month after

2424

01:40:35,810 --> 01:40:32,760

9 11 and there's a story to that

2425

01:40:39,770 --> 01:40:35,820

um that I have on the cover of my book

2426

01:40:41,810 --> 01:40:39,780

I'd like somebody to tell me

2427

01:40:44,330 --> 01:40:41,820

what that is I don't know if you can see

2428

01:40:46,250 --> 01:40:44,340

it but let's see

2429

01:40:48,590 --> 01:40:46,260

for the YouTube viewers yeah they'll be

2430

01:40:51,350 --> 01:40:48,600

able to see the the cover yeah what what

2431

01:40:56,450 --> 01:40:54,709

um I mean they in fact on our website we

2432

01:40:58,490 --> 01:40:56,460

have that which looks like this they

2433

01:41:00,590 --> 01:40:58,500

look like three discs and there's a

2434

01:41:03,229 --> 01:41:00,600

negative that's next to it where you can

2435

01:41:04,850 --> 01:41:03,239

see them turning they're turning oh you

2436

01:41:06,290 --> 01:41:04,860

can see the little turn of each one

2437

01:41:09,770 --> 01:41:06,300

doing it so

2438

01:41:13,010 --> 01:41:09,780

they're separate entities okay

2439

01:41:16,129 --> 01:41:13,020

um and we actually I did a um I was

2440

01:41:18,410 --> 01:41:16,139

invited to show my pictures at an

2441

01:41:21,410 --> 01:41:18,420

anthropology exhibit at Arizona State

2442

01:41:23,990 --> 01:41:21,420

University a few years back and Colonel

2443

01:41:26,270 --> 01:41:24,000

Wendell Stevens who had amazing pictures

2444

01:41:30,229 --> 01:41:26,280

from yesteryear had this one photograph

2445

01:41:33,770 --> 01:41:30,239

from Italy uh from the 1960s of three

2446

01:41:35,209 --> 01:41:33,780

discs in a row that we actually you can

2447

01:41:38,149 --> 01:41:35,219

you look at it it looks like it could

2448

01:41:40,370 --> 01:41:38,159

morph right into my photograph that

2449

01:41:42,350 --> 01:41:40,380

photograph

2450

01:41:43,490 --> 01:41:42,360

it is what it is people can make up the

2451

01:41:45,109 --> 01:41:43,500

robot

2452

01:41:46,669 --> 01:41:45,119

I've seen that one on the website too

2453

01:41:48,590 --> 01:41:46,679

and I can see why you put them side by

2454

01:41:50,090 --> 01:41:48,600

side uh again folks make sure you do

2455

01:41:51,590 --> 01:41:50,100

check those photographs out from the

2456

01:41:53,090 --> 01:41:51,600

website once you're listened or as

2457

01:41:55,609 --> 01:41:53,100

you're listening along

2458

01:41:59,209 --> 01:41:55,619

um final question from cat cat once in

2459

01:42:01,430 --> 01:41:59,219

order Dr kitai personal experience any

2460

01:42:02,890 --> 01:42:01,440

High strangeness after witnessing the

2461

01:42:05,350 --> 01:42:02,900

event you recorded

2462

01:42:08,689 --> 01:42:05,360

oh yeah

2463

01:42:11,330 --> 01:42:08,699

too many to actually get into here I

2464

01:42:13,250 --> 01:42:11,340

want to fight the audience to read the

2465

01:42:15,770 --> 01:42:13,260

book because

2466

01:42:17,689 --> 01:42:15,780

um there were a number of things that

2467

01:42:19,310 --> 01:42:17,699

happened after the mass sighting that

2468

01:42:20,990 --> 01:42:19,320

convinced me

2469

01:42:22,970 --> 01:42:21,000

because I had to be convinced I'm a

2470

01:42:24,830 --> 01:42:22,980

healthy skeptic I did not have any

2471

01:42:26,930 --> 01:42:24,840

interest or knowledge in this when

2472

01:42:30,410 --> 01:42:26,940

you're a physician you must be open to

2473

01:42:32,689 --> 01:42:30,420

anything coming through the door and I

2474

01:42:34,609 --> 01:42:32,699

am very empathetic but I'm also a

2475

01:42:37,070 --> 01:42:34,619

healthy skeptic I have to see it to

2476

01:42:41,689 --> 01:42:37,080

believe it and I did see it and I got

2477

01:42:43,310 --> 01:42:41,699

photographs of it okay but after the

2478

01:42:45,950 --> 01:42:43,320

massillating there were a number of

2479

01:42:48,590 --> 01:42:45,960

paranormal experiences that I had

2480

01:42:52,510 --> 01:42:48,600

personally that

2481

01:42:57,590 --> 01:42:52,520

really convinced me that this was real

2482

01:43:00,709 --> 01:42:57,600

that if I choose okay it was a choice

2483

01:43:03,169 --> 01:43:00,719

to move forward and try to help

2484

01:43:04,970 --> 01:43:03,179

because I I showed the pictures to my

2485

01:43:06,709 --> 01:43:04,980

friends and I said why do I have this I

2486

01:43:08,810 --> 01:43:06,719

don't want this I don't want to do this

2487

01:43:10,910 --> 01:43:08,820

this is not something I would choose to

2488

01:43:12,649 --> 01:43:10,920

do what am I supposed to do with this

2489

01:43:14,629 --> 01:43:12,659

and you know they would look at me and

2490

01:43:17,149 --> 01:43:14,639

they Lynn you've been doing this for 40

2491

01:43:18,470 --> 01:43:17,159

years on vital health issues if anybody

2492

01:43:21,350 --> 01:43:18,480

can do something credible and

2493

01:43:25,070 --> 01:43:21,360

professional with this you can

2494

01:43:27,229 --> 01:43:25,080

um and having the original 95 closed

2495

01:43:29,450 --> 01:43:27,239

sighting and my near-death experience by

2496

01:43:31,669 --> 01:43:29,460

the way when I was eight years old which

2497

01:43:34,070 --> 01:43:31,679

may be connected I'll just leave it at

2498

01:43:35,870 --> 01:43:34,080

that okay

2499

01:43:38,890 --> 01:43:35,880

um really

2500

01:43:42,770 --> 01:43:38,900

maybe compelled to do something

2501
01:43:45,590 --> 01:43:42,780
professional and credible with the data

2502
01:43:47,390 --> 01:43:45,600
which brings me here today so I hope

2503
01:43:48,410 --> 01:43:47,400
that you know what I shared has helped

2504
01:43:50,149 --> 01:43:48,420
others

2505
01:43:52,970 --> 01:43:50,159
um to learn about what really happened

2506
01:43:55,550 --> 01:43:52,980
here because again the media just picked

2507
01:43:58,550 --> 01:43:55,560
up on the 8 to 10 period time period

2508
01:44:01,070 --> 01:43:58,560
there's so much more to this story and

2509
01:44:03,410 --> 01:44:01,080
also some people keep on beating that

2510
01:44:05,209 --> 01:44:03,420
flare Theory and beating it and beating

2511
01:44:08,629 --> 01:44:05,219
it and it's like

2512
01:44:11,030 --> 01:44:08,639
look at the data look at the data it

2513
01:44:14,810 --> 01:44:11,040

speaks for itself the Phoenix Lights

2514

01:44:16,070 --> 01:44:14,820

were definitely not flares and hopefully

2515

01:44:19,070 --> 01:44:16,080

one day

2516

01:44:23,510 --> 01:44:19,080

we will find out who was driving these

2517

01:44:26,689 --> 01:44:23,520

things but we know why now we know that

2518

01:44:29,810 --> 01:44:26,699

um they really one person at a time have

2519

01:44:32,810 --> 01:44:29,820

touched people to wake them up not only

2520

01:44:35,510 --> 01:44:32,820

to their presence but also to the

2521

01:44:38,330 --> 01:44:35,520

positive potential we have as human

2522

01:44:41,689 --> 01:44:38,340

beings to make this world a better world

2523

01:44:44,450 --> 01:44:41,699

and that's why I hope with my own data

2524

01:44:47,410 --> 01:44:44,460

the book the documentary the graphic

2525

01:44:50,510 --> 01:44:47,420

novel and now the study

2526

01:44:52,669 --> 01:44:50,520

that it will go that next step and touch

2527

01:44:55,129 --> 01:44:52,679

one person at a time and wake them up as

2528

01:44:57,890 --> 01:44:55,139

well and this thank you for letting me

2529

01:44:59,330 --> 01:44:57,900

share this is important too it's been a

2530

01:45:00,830 --> 01:44:59,340

pleasure and you've mentioned the book

2531

01:45:02,750 --> 01:45:00,840

you've mentioned the documentary the

2532

01:45:04,550 --> 01:45:02,760

website is very extensive lots of

2533

01:45:06,410 --> 01:45:04,560

information on there lots of clips that

2534

01:45:08,330 --> 01:45:06,420

are free lots of photographs to look

2535

01:45:09,709 --> 01:45:08,340

through articles and then you can go

2536

01:45:12,169 --> 01:45:09,719

into the store as well and check out

2537

01:45:13,030 --> 01:45:12,179

what we've discussed and it's www dot

2538

01:45:15,470 --> 01:45:13,040

the

2539

01:45:17,330 --> 01:45:15,480

phoenixlights.net for Dr kitai's website

2540

01:45:20,390 --> 01:45:17,340

uh Dr lint thank you very much for

2541

01:45:22,070 --> 01:45:20,400

joining me oh thank you so much and keep

2542

01:45:23,390 --> 01:45:22,080

looking up now you know it's a double

2543

01:45:26,209 --> 01:45:23,400

entender

2544

01:45:28,250 --> 01:45:26,219

keep looking up Folks at the start of

2545

01:45:30,290 --> 01:45:28,260

this year I got a bit of a health scare

2546

01:45:32,270 --> 01:45:30,300

and it kick-started me to getting fitter

2547

01:45:35,030 --> 01:45:32,280

healthier and generally looking after

2548

01:45:37,070 --> 01:45:35,040

myself better a healthier breakfast was

2549

01:45:39,890 --> 01:45:37,080

high on my priority list and it should

2550

01:45:41,330 --> 01:45:39,900

be for you too magic spoon is the

2551

01:45:43,790 --> 01:45:41,340

perfect way to get in your morning

2552

01:45:45,649 --> 01:45:43,800

protein eating cereal that tastes like

2553

01:45:47,750 --> 01:45:45,659

it did when you were a kid without all

2554

01:45:50,330 --> 01:45:47,760

the bad stuff I can promise you there is

2555

01:45:52,430 --> 01:45:50,340

nothing unidentified in this cereal the

2556

01:45:55,010 --> 01:45:52,440

variety pack has four flavors including

2557

01:45:58,669 --> 01:45:55,020

cocoa fruity frosted and peanut butter

2558

01:46:01,609 --> 01:45:58,679

this pack has 0 grams of sugar 13 to 14

2559

01:46:04,669 --> 01:46:01,619

grams of protein and only four net grams

2560

01:46:07,129 --> 01:46:04,679

of carbs that are only 140 calories per

2561

01:46:10,250 --> 01:46:07,139

serving it's keto friendly gluten free

2562

01:46:12,470 --> 01:46:10,260

grain free soy free and low carb it's

2563

01:46:14,090 --> 01:46:12,480

delicious but super healthy cereal that

2564

01:46:16,609 --> 01:46:14,100

really brings joy to your mornings

2565

01:46:19,850 --> 01:46:16,619

afternoons or actually any time of day

2566

01:46:22,310 --> 01:46:19,860

01:46:48,709 --> 01:46:45,719

at magicspoon.com forward slash that UFO

2577

01:46:50,990 --> 01:46:48,719

and use that code that UFO to save five

2578

01:46:53,629 --> 01:46:51,000

dollars off thank you magicspoon for

2579

01:46:55,490 --> 01:46:53,639

sponsoring this episode that is all for

2580

01:46:57,590 --> 01:46:55,500

this week's show thank you very much for

2581

01:46:59,870 --> 01:46:57,600

listening please remember to leave the

2582

01:47:03,109 --> 01:46:59,880

podcast a review on your chosen platform

2583

01:47:05,209 --> 01:47:03,119

you can like retweet And subscribe that

2584

01:47:07,189 --> 01:47:05,219

would all be very much appreciated the

2585

01:47:09,050 --> 01:47:07,199

shows are being uploaded onto YouTube as

2586

01:47:11,689 --> 01:47:09,060

we speak more and more you can sign up

2587

01:47:14,030 --> 01:47:11,699

at patreon.com forward slash that UFO

2588

01:47:16,370 --> 01:47:14,040

podcast access shows ad free as well

2589

01:47:19,430 --> 01:47:16,380

please get in touch on Twitter Facebook

2590

01:47:22,970 --> 01:47:19,440

Instagram that UFO podcast of course on

2591

01:47:25,129 --> 01:47:22,980

Twitter it's at UFO UAP am and again

2592

01:47:27,530 --> 01:47:25,139

folks as always keep looking up you

2593

01:47:37,850 --> 01:47:27,540

never know what you might see

2594

01:48:01,970 --> 01:47:37,860

[Music]

2595

01:48:05,030 --> 01:48:03,109

to the game

2596

01:48:06,830 --> 01:48:05,040

it didn't matter I can't imagine how it

2597

01:48:09,410 --> 01:48:06,840

could have been any better I got to the

2598

01:48:17,220 --> 01:48:09,420

top of stairs like you awake I was not

2599

01:48:51,430 --> 01:48:19,189

[Music]

2600

01:48:51,440 --> 01:48:58,220

nothing over there

2601

01:48:58,230 --> 01:49:07,030

[Music]

2602

01:49:12,630 --> 01:49:09,530

consider your space consider your lies

2603

01:49:21,109 --> 01:49:12,640

consider your life consider your eyes

2604

01:49:24,970 --> 01:49:21,119

[Music]

2605

01:49:46,140 --> 01:49:27,520

what's that is awesome

2606

01:50:31,729 --> 01:49:56,770

[Music]
