

WHITLEY STRIEBER
AUTHOR / EXPERIENCER

1
00:00:02,810 --> 00:00:00,589

[Music]

2
00:00:05,020 --> 00:00:02,820

this is Jim semithan and you are

3
00:00:10,310 --> 00:00:05,030

listening to that UFO podcast

4
00:00:15,650 --> 00:00:12,950

hi everyone and welcome back to that UFO

5
00:00:17,210 --> 00:00:15,660

podcast my name is Andy and this show is

6
00:00:21,290 --> 00:00:17,220

in conjunction with the upcoming

7
00:00:23,390 --> 00:00:21,300

Awakening Expo October 16 2022 at the

8
00:00:26,630 --> 00:00:23,400

Best Western Hotel Smokey's Park

9
00:00:28,429 --> 00:00:26,640

Conference Center Ashton underline I am

10
00:00:30,230 --> 00:00:28,439

very fortunate to be the emcee for that

11
00:00:31,849 --> 00:00:30,240

event and look forward to seeing many of

12
00:00:34,010 --> 00:00:31,859

you there who already have your tickets

13
00:00:35,690 --> 00:00:34,020

if you haven't got your tickets yet

14

00:00:37,670 --> 00:00:35,700

there are a limited number still

15

00:00:39,530 --> 00:00:37,680

available the links in the description

16

00:00:41,869 --> 00:00:39,540

for the show have where you have to

17

00:00:44,090 --> 00:00:41,879

click and you can still buy those my

18

00:00:46,670 --> 00:00:44,100

guest today is the headline name and a

19

00:00:48,529 --> 00:00:46,680

fantastic lineup he is an author a New

20

00:00:49,910 --> 00:00:48,539

York Times bestseller with several of

21

00:00:52,130 --> 00:00:49,920

those books going on to become

22

00:00:54,709 --> 00:00:52,140

successful movies including the classic

23

00:00:57,830 --> 00:00:54,719

communion based on his own incredible

24

00:01:00,290 --> 00:00:57,840

yet terrifying experience one of my most

25

00:01:02,150 --> 00:01:00,300

regularly requested guests I'd like to

26

00:01:04,009 --> 00:01:02,160

finally welcome Mr Whitley strieber to

27

00:01:06,050 --> 00:01:04,019

the podcast rightly welcome

28

00:01:08,510 --> 00:01:06,060

well thank you very much for having me

29

00:01:12,530 --> 00:01:08,520

I'm delighted to be here and looking

30

00:01:14,390 --> 00:01:12,540

forward to October the 16th yes it's

31

00:01:16,130 --> 00:01:14,400

going to be a wonderful day and I'd also

32

00:01:18,050 --> 00:01:16,140

like to add that the visitors

33

00:01:20,030 --> 00:01:18,060

documentary about yourself and your

34

00:01:22,490 --> 00:01:20,040

story has just come out through the

35

00:01:24,350 --> 00:01:22,500

Travel Channel and Discovery plus and

36

00:01:26,810 --> 00:01:24,360

this gives an up-to-date revisiting of

37

00:01:28,490 --> 00:01:26,820

the events told by yourself and I

38

00:01:30,710 --> 00:01:28,500

thoroughly recommend people check that

39

00:01:33,590 --> 00:01:30,720

one out a heads up if you are in the UK

40

00:01:35,929 --> 00:01:33,600

a sky subscriber you get Discovery plus

41

00:01:37,429 --> 00:01:35,939

free for 12 months with your package and

42

00:01:40,249 --> 00:01:37,439

I can tell you that the visitors

43

00:01:41,810 --> 00:01:40,259

documentary is available on there too if

44

00:01:43,730 --> 00:01:41,820

you don't mind Whitley before we start

45

00:01:46,069 --> 00:01:43,740

talking about your Awakening Expo

46

00:01:47,810 --> 00:01:46,079

appearance can you begin giving a as

47

00:01:50,330 --> 00:01:47,820

brief a recounting of your initial

48

00:01:52,370 --> 00:01:50,340

experience some 30 years ago for those

49

00:01:55,249 --> 00:01:52,380

who might not be familiar

50

00:01:58,370 --> 00:01:55,259

yeah I I can certainly talk about it

51
00:02:03,170 --> 00:01:58,380
first uh the book communion has been

52
00:02:06,050 --> 00:02:03,180
republished just recently in in a new

53
00:02:09,410 --> 00:02:06,060
hardcover and soft cover with a new in

54
00:02:12,949 --> 00:02:09,420
brand new introduction to me by me and

55
00:02:15,110 --> 00:02:12,959
an audio version as well so it is uh for

56
00:02:18,290 --> 00:02:15,120
the first time since the book was

57
00:02:21,790 --> 00:02:18,300
written it isn't a there's a full length

58
00:02:26,770 --> 00:02:21,800
audio version and I've I read it myself

59
00:02:31,190 --> 00:02:26,780
all right so let's go back now to

60
00:02:34,490 --> 00:02:31,200
18 1985 it's the night after Christmas

61
00:02:36,830 --> 00:02:34,500
we're living in a little cabin it's our

62
00:02:38,270 --> 00:02:36,840
Summer Place and our holiday cabin in

63
00:02:40,930 --> 00:02:38,280

Upstate New York

64

00:02:42,790 --> 00:02:40,940

we have our home in Manhattan in

65

00:02:46,130 --> 00:02:42,800

Greenwich Village

66

00:02:47,390 --> 00:02:46,140

in the South part of Manhattan Island

67

00:02:49,970 --> 00:02:47,400

and

68

00:02:53,449 --> 00:02:49,980

we are at the cabin we've been there for

69

00:02:55,790 --> 00:02:53,459

about a week it's been a lovely time uh

70

00:02:58,550 --> 00:02:55,800

we had a beautiful Christmas we have a

71

00:03:00,850 --> 00:02:58,560

little boy my wife Ann and I he's seven

72

00:03:04,190 --> 00:03:00,860

years old

73

00:03:06,650 --> 00:03:04,200

and the night after Christmas we had a

74

00:03:09,110 --> 00:03:06,660

quiet Christmas dinner mostly of

75

00:03:10,910 --> 00:03:09,120

leftovers from the from the

76

00:03:13,250 --> 00:03:10,920

from the Christmas dinner

77

00:03:16,369 --> 00:03:13,260

and we took a walk and it was a lovely

78

00:03:18,229 --> 00:03:16,379

evening snowing slightly and very very

79

00:03:19,430 --> 00:03:18,239

quiet because the cabin was pretty

80

00:03:21,110 --> 00:03:19,440

isolated

81

00:03:23,270 --> 00:03:21,120

it wasn't in the middle of nowhere but

82

00:03:25,250 --> 00:03:23,280

it was pretty isolated

83

00:03:26,509 --> 00:03:25,260

and

84

00:03:32,210 --> 00:03:26,519

we

85

00:03:35,930 --> 00:03:32,220

and

86

00:03:38,149 --> 00:03:35,940

I I was sleeping normally until I

87

00:03:40,789 --> 00:03:38,159

noticed

88

00:03:42,649 --> 00:03:40,799

sounds and movement

89

00:03:46,250 --> 00:03:42,659

and

90

00:03:48,110 --> 00:03:46,260

when I opened my eyes

91

00:03:50,630 --> 00:03:48,120

I was

92

00:03:53,509 --> 00:03:50,640

shocked to see

93

00:03:56,630 --> 00:03:53,519

that I was not in

94

00:03:59,270 --> 00:03:56,640

anything remotely like my bed

95

00:04:01,009 --> 00:03:59,280

I was in a strange space which looked to

96

00:04:05,289 --> 00:04:01,019

me like a tent

97

00:04:09,229 --> 00:04:05,299

and there were these peculiar looking

98

00:04:10,250 --> 00:04:09,239

creatures uh like big insects staring at

99

00:04:11,750 --> 00:04:10,260

me

100

00:04:14,210 --> 00:04:11,760

and

101
00:04:17,090 --> 00:04:14,220
of course I assumed I was having some

102
00:04:20,930 --> 00:04:17,100
sort of a nightmare

103
00:04:22,969 --> 00:04:20,940
and I tried to to wake myself up

104
00:04:25,070 --> 00:04:22,979
I couldn't do it

105
00:04:28,850 --> 00:04:25,080
and the more I tried to wake up the more

106
00:04:32,090 --> 00:04:28,860
real my surroundings became until it was

107
00:04:35,090 --> 00:04:32,100
obvious that I really was in this place

108
00:04:37,850 --> 00:04:35,100
I began to scream and I Heard a Voice

109
00:04:40,370 --> 00:04:37,860
very gentle sort of female mechanical

110
00:04:42,770 --> 00:04:40,380
voice starts saying what can we do to

111
00:04:47,330 --> 00:04:42,780
help you stop screaming over and over

112
00:04:50,330 --> 00:04:47,340
then they there were two kinds there

113
00:04:52,370 --> 00:04:50,340

these kinds of the big black eyes that

114

00:04:55,129 --> 00:04:52,380

you may remember on the cover of

115

00:04:57,590 --> 00:04:55,139

communion or if you go to Amazon or any

116

00:05:00,469 --> 00:04:57,600

of those websites you'll see the that

117

00:05:02,570 --> 00:05:00,479

same face on the cover of the book now

118

00:05:07,610 --> 00:05:02,580

and uh

119

00:05:08,629 --> 00:05:07,620

I uh struggled mightily to get away from

120

00:05:12,170 --> 00:05:08,639

them

121

00:05:16,070 --> 00:05:12,180

it was just appalling I I I didn't know

122

00:05:18,350 --> 00:05:16,080

what to think of it they raped me very

123

00:05:21,770 --> 00:05:18,360

forcibly with a machine that

124

00:05:24,890 --> 00:05:21,780

had some purpose for that I'm I've never

125

00:05:27,550 --> 00:05:24,900

been certain of but it it caused me to

126

00:05:29,990 --> 00:05:27,560

uh have a sexual

127

00:05:34,610 --> 00:05:30,000

effusion and

128

00:05:37,850 --> 00:05:34,620

uh it was just a a complete invasion of

129

00:05:40,850 --> 00:05:37,860

my body and being it was appalling they

130

00:05:43,430 --> 00:05:40,860

stuck a needle into the side of my head

131

00:05:45,230 --> 00:05:43,440

and

132

00:05:48,409 --> 00:05:45,240

then

133

00:05:53,090 --> 00:05:51,650

I woke up the next morning

134

00:05:55,550 --> 00:05:53,100

feeling

135

00:05:59,810 --> 00:05:55,560

very poorly

136

00:06:02,270 --> 00:05:59,820

and very confused and very disturbed

137

00:06:03,650 --> 00:06:02,280

and I asked my wife if there had been

138

00:06:06,529 --> 00:06:03,660

someone in the house during the night

139

00:06:08,270 --> 00:06:06,539

because I had traumatic Amnesia which is

140

00:06:10,370 --> 00:06:08,280

like the type of Amnesia you have after

141

00:06:13,189 --> 00:06:10,380

a car accident or a plane crash or

142

00:06:16,909 --> 00:06:13,199

something you can't put things together

143

00:06:19,189 --> 00:06:16,919

and I knew something was very wrong

144

00:06:21,409 --> 00:06:19,199

I said to her

145

00:06:24,170 --> 00:06:21,419

maybe an owl got into the house because

146

00:06:25,730 --> 00:06:24,180

I could remember these big black eyes

147

00:06:27,890 --> 00:06:25,740

and of course that was impossible

148

00:06:30,650 --> 00:06:27,900

because the house was closed up and

149

00:06:35,090 --> 00:06:30,660

there was no way for anything to come in

150

00:06:36,590 --> 00:06:35,100

so I I struggled with this over the next

151
00:06:38,510 --> 00:06:36,600
few days

152
00:06:40,010 --> 00:06:38,520
and about a week later I went to my

153
00:06:42,890 --> 00:06:40,020
doctor

154
00:06:45,189 --> 00:06:42,900
and he told me

155
00:06:49,129 --> 00:06:45,199
that I had been raped

156
00:06:51,650 --> 00:06:49,139
after he examined me and

157
00:06:53,930 --> 00:06:51,660
I it was appalling I mean that was sort

158
00:06:55,129 --> 00:06:53,940
of the beginning of the rest of my life

159
00:06:58,550 --> 00:06:55,139
and

160
00:07:00,409 --> 00:06:58,560
I didn't occur to me that it had

161
00:07:01,730 --> 00:07:00,419
anything to do with what people call

162
00:07:02,990 --> 00:07:01,740
aliens

163
00:07:04,790 --> 00:07:03,000

at all

164

00:07:06,950 --> 00:07:04,800

I mean that was the that just simply

165

00:07:09,650 --> 00:07:06,960

wasn't something I thought about

166

00:07:12,529 --> 00:07:09,660

I thought I was losing my mind

167

00:07:13,969 --> 00:07:12,539

and the trauma caused me to have fights

168

00:07:17,150 --> 00:07:13,979

with my wife and

169

00:07:19,129 --> 00:07:17,160

I tried to tell her that to leave me

170

00:07:21,890 --> 00:07:19,139

because I was afraid that this happened

171

00:07:24,050 --> 00:07:21,900

again and I couldn't come out of it

172

00:07:25,909 --> 00:07:24,060

I would be

173

00:07:27,650 --> 00:07:25,919

her life would be ruined because she

174

00:07:30,170 --> 00:07:27,660

wouldn't be able to divorce me

175

00:07:32,930 --> 00:07:30,180

and she wouldn't have any income

176

00:07:34,850 --> 00:07:32,940

and she was trying to raise a child

177

00:07:37,670 --> 00:07:34,860

so

178

00:07:39,350 --> 00:07:37,680

finally uh

179

00:07:43,309 --> 00:07:39,360

further

180

00:07:45,110 --> 00:07:43,319

uh visits to the doctor I told him

181

00:07:47,390 --> 00:07:45,120

I thought I had

182

00:07:49,189 --> 00:07:47,400

I remembered being taken aboard a flying

183

00:07:51,830 --> 00:07:49,199

saucer by little men and that was what

184

00:07:54,589 --> 00:07:51,840

by that time I had remembered most of it

185

00:07:55,969 --> 00:07:54,599

because in many cases traumatic Amnesia

186

00:07:57,890 --> 00:07:55,979

just wears off

187

00:08:00,170 --> 00:07:57,900

and it did

188

00:08:04,550 --> 00:08:00,180

and he

189

00:08:06,230 --> 00:08:04,560

uh we had further tests uh tests to be

190

00:08:08,749 --> 00:08:06,240

sure I didn't have a brain tumor or any

191

00:08:10,550 --> 00:08:08,759

other causative factor for

192

00:08:13,129 --> 00:08:10,560

hallucinations

193

00:08:14,870 --> 00:08:13,139

and then I decided Well maybe it's a

194

00:08:17,629 --> 00:08:14,880

crime has been committed of some kind

195

00:08:20,089 --> 00:08:17,639

maybe I was drugged by somebody because

196

00:08:22,969 --> 00:08:20,099

I was a fairly famous writer at the time

197

00:08:23,749 --> 00:08:22,979

I'd written a book called War day that

198

00:08:26,510 --> 00:08:23,759

had

199

00:08:28,129 --> 00:08:26,520

a lot of political significance and it's

200

00:08:29,770 --> 00:08:28,139

quite possible someone might have

201

00:08:34,670 --> 00:08:29,780

assaulted me

202

00:08:37,310 --> 00:08:34,680

uh so that was my approach

203

00:08:39,230 --> 00:08:37,320

and I went to a psychiatrist Dr Donald

204

00:08:40,550 --> 00:08:39,240

Klein who was an expert in forensic

205

00:08:43,070 --> 00:08:40,560

psychiatry

206

00:08:45,410 --> 00:08:43,080

uh but I mean forensic hypnosis which

207

00:08:47,750 --> 00:08:45,420

enables you to people to remember things

208

00:08:49,970 --> 00:08:47,760

like license plates that cars that have

209

00:08:53,269 --> 00:08:49,980

knocked them down and things like that

210

00:08:55,790 --> 00:08:53,279

and he had quite a few over 70 cases had

211

00:08:58,310 --> 00:08:55,800

been solved using his techniques of

212

00:09:00,050 --> 00:08:58,320

memory recovery so I thought he was

213

00:09:02,150 --> 00:09:00,060

quite an expert

214

00:09:05,690 --> 00:09:02,160

but when I went to him

215

00:09:07,610 --> 00:09:05,700

all that happened was instead of this

216

00:09:09,590 --> 00:09:07,620

resolving into what we both thought

217

00:09:12,110 --> 00:09:09,600

would be some kind of a comprehensible

218

00:09:13,730 --> 00:09:12,120

thing that maybe I could see things in

219

00:09:16,670 --> 00:09:13,740

my memory that would bring up useful

220

00:09:18,110 --> 00:09:16,680

evidence to tell the police I'd already

221

00:09:20,389 --> 00:09:18,120

been to the criminal investigation

222

00:09:23,590 --> 00:09:20,399

division in New York and they couldn't

223

00:09:26,509 --> 00:09:23,600

do anything because you know the the

224

00:09:30,110 --> 00:09:26,519

investigator very gently put it you have

225

00:09:32,750 --> 00:09:30,120

no evidence that we can work with when I

226

00:09:35,509 --> 00:09:32,760

described what I remembered I can't

227

00:09:39,530 --> 00:09:35,519

blame him for that so

228

00:09:41,690 --> 00:09:39,540

uh it just became more clear

229

00:09:43,250 --> 00:09:41,700

and that was when the rest of my life

230

00:09:44,990 --> 00:09:43,260

began because I realized that whatever

231

00:09:47,150 --> 00:09:45,000

it was

232

00:09:49,130 --> 00:09:47,160

they had been real

233

00:09:51,170 --> 00:09:49,140

whether they're aliens or not to this

234

00:09:53,150 --> 00:09:51,180

day I don't know

235

00:09:55,670 --> 00:09:53,160

but I

236

00:09:57,949 --> 00:09:55,680

over the next few

237

00:10:01,490 --> 00:09:57,959

months I decided

238

00:10:04,850 --> 00:10:01,500

and my wife and I together that my God

239

00:10:07,430 --> 00:10:04,860

you know this is crazy this must be this

240

00:10:11,210 --> 00:10:07,440

is real they're out there

241

00:10:13,550 --> 00:10:11,220

and I I even scary as they were

242

00:10:14,990 --> 00:10:13,560

I started trying to re-engage with them

243

00:10:17,810 --> 00:10:15,000

because I thought it was the experience

244

00:10:20,509 --> 00:10:17,820

of a lifetime an incredible thing

245

00:10:22,550 --> 00:10:20,519

and I did re-engage with them

246

00:10:24,530 --> 00:10:22,560

and that's when the rest of my life I'm

247

00:10:27,590 --> 00:10:24,540

still engaged with them I've written

248

00:10:29,030 --> 00:10:27,600

many books about them with them

249

00:10:31,850 --> 00:10:29,040

and

250

00:10:33,889 --> 00:10:31,860

I'm writing one about them now it'll be

251
00:10:36,650 --> 00:10:33,899
out before Christmas I hope

252
00:10:39,130 --> 00:10:36,660
I'm I'm they are they have become very

253
00:10:42,130 --> 00:10:39,140
much part of my life

254
00:10:45,230 --> 00:10:42,140
do you feel that initial experience

255
00:10:47,870 --> 00:10:45,240
opened the door so to speak on on those

256
00:10:50,329 --> 00:10:47,880
later experiences being possible or was

257
00:10:52,069 --> 00:10:50,339
it something you feel was always planned

258
00:10:53,750 --> 00:10:52,079
for you

259
00:10:57,590 --> 00:10:53,760
well that's a good question

260
00:10:59,569 --> 00:10:57,600
I have remembered things I think

261
00:11:02,030 --> 00:10:59,579
from my childhood

262
00:11:02,930 --> 00:11:02,040
I think this happened to me in my

263
00:11:05,590 --> 00:11:02,940

childhood

264

00:11:08,449 --> 00:11:05,600

but you know

265

00:11:12,350 --> 00:11:08,459

memory is people say well memory is very

266

00:11:14,810 --> 00:11:12,360

plastic no it's not plastic I know more

267

00:11:17,630 --> 00:11:14,820

about memory than most people memory is

268

00:11:19,550 --> 00:11:17,640

fluid it's really fluid you can make

269

00:11:22,670 --> 00:11:19,560

yourself remember anything

270

00:11:26,630 --> 00:11:22,680

you just it's very suggestible and fluid

271

00:11:29,930 --> 00:11:26,640

and very hard to be definite about

272

00:11:33,350 --> 00:11:29,940

so I can't be sure but I do have the

273

00:11:35,090 --> 00:11:33,360

definite feeling and there is some there

274

00:11:36,530 --> 00:11:35,100

are some evidence that this happened to

275

00:11:38,990 --> 00:11:36,540

me in my childhood

276

00:11:43,130 --> 00:11:39,000

so I wrote a book about that called The

277

00:11:45,650 --> 00:11:43,140

Secret school and I believe that

278

00:11:47,750 --> 00:11:45,660

that yes uh

279

00:11:49,250 --> 00:11:47,760

it may very well have happened to me in

280

00:11:51,889 --> 00:11:49,260

my childhood

281

00:11:54,829 --> 00:11:51,899

and so and and that would not be unusual

282

00:11:57,050 --> 00:11:54,839

because many close encounter Witnesses

283

00:11:58,550 --> 00:11:57,060

have the same experience that this is

284

00:12:00,949 --> 00:11:58,560

something that has been with them all of

285

00:12:02,870 --> 00:12:00,959

their lives and they often don't realize

286

00:12:04,430 --> 00:12:02,880

that until they have an experience in

287

00:12:06,889 --> 00:12:04,440

adulthood

288

00:12:08,930 --> 00:12:06,899

you often hear there's a generational

289

00:12:10,790 --> 00:12:08,940

link that it can also be potentially

290

00:12:12,769 --> 00:12:10,800

passed on through families was that ever

291

00:12:15,350 --> 00:12:12,779

something you investigated or looked

292

00:12:17,449 --> 00:12:15,360

into if if others in your past had had

293

00:12:20,030 --> 00:12:17,459

similar experiences

294

00:12:23,030 --> 00:12:20,040

well oddly enough that came to me very

295

00:12:24,250 --> 00:12:23,040

unexpectedly my father or my father's

296

00:12:29,750 --> 00:12:24,260

brother

297

00:12:32,509 --> 00:12:29,760

was in the Air Force in 1947 when the

298

00:12:35,930 --> 00:12:32,519

famous crash at Roswell occurred

299

00:12:38,690 --> 00:12:35,940

and after I published the book

300

00:12:41,870 --> 00:12:38,700

he telephone me he he was then living in

301
00:12:44,210 --> 00:12:41,880
retirement at a at a retirement Air

302
00:12:46,370 --> 00:12:44,220
Force retirement center in

303
00:12:47,750 --> 00:12:46,380
um San Antonio Texas

304
00:12:52,910 --> 00:12:47,760
and

305
00:12:55,670 --> 00:12:52,920
book

306
00:12:57,829 --> 00:12:55,680
and I thought well he's been in Air

307
00:13:00,470 --> 00:12:57,839
Force intelligence all of his life

308
00:13:02,329 --> 00:13:00,480
nobody knows a darn thing about what he

309
00:13:03,410 --> 00:13:02,339
did in the family except possibly his

310
00:13:06,230 --> 00:13:03,420
wife

311
00:13:09,110 --> 00:13:06,240
so yes I would be interested in talking

312
00:13:11,329 --> 00:13:09,120
to him I'd I in all the years I'd known

313
00:13:13,970 --> 00:13:11,339

him I had he's literally never said a

314

00:13:16,550 --> 00:13:13,980

word about his work all we knew was that

315

00:13:18,650 --> 00:13:16,560

he was attack he was

316

00:13:20,870 --> 00:13:18,660

um detailed to the atomic energy

317

00:13:23,629 --> 00:13:20,880

commission for many years

318

00:13:25,910 --> 00:13:23,639

so I went down to

319

00:13:27,470 --> 00:13:25,920

Texas and we had lunch at his retirement

320

00:13:30,410 --> 00:13:27,480

home

321

00:13:32,030 --> 00:13:30,420

and he proceeded to say my wife was

322

00:13:34,129 --> 00:13:32,040

there and his wife

323

00:13:37,069 --> 00:13:34,139

that he had been

324

00:13:41,990 --> 00:13:37,079

in the air material command

325

00:13:44,509 --> 00:13:42,000

at right field in 1947. this is the

326
00:13:46,910 --> 00:13:44,519
command where they gather all kinds of

327
00:13:48,829 --> 00:13:46,920
material from Fallen aircraft and so

328
00:13:52,069 --> 00:13:48,839
forth and study it

329
00:13:55,069 --> 00:13:52,079
and he said we were delivered

330
00:13:57,650 --> 00:13:55,079
material from a spaceship

331
00:13:58,850 --> 00:13:57,660
that had crashed in near Roswell New

332
00:14:01,370 --> 00:13:58,860
Mexico

333
00:14:04,190 --> 00:14:01,380
and I just want you to know

334
00:14:05,870 --> 00:14:04,200
I and most of my friends who are aware

335
00:14:08,750 --> 00:14:05,880
of this think there is really something

336
00:14:10,730 --> 00:14:08,760
in your book communion you really have

337
00:14:12,470 --> 00:14:10,740
had this experience and you question it

338
00:14:15,530 --> 00:14:12,480

very much in the book and that's good

339

00:14:18,949 --> 00:14:15,540

but I want you to know that I have had

340

00:14:21,290 --> 00:14:18,959

an awareness of this all of my career

341

00:14:23,990 --> 00:14:21,300

and I want to introduce you to someone

342

00:14:27,230 --> 00:14:24,000

who knows more than I do and he

343

00:14:30,889 --> 00:14:27,240

proceeded to introduce me to the retired

344

00:14:33,470 --> 00:14:30,899

commander of what it was then called

345

00:14:35,449 --> 00:14:33,480

Wright-Patterson Air Force Base General

346

00:14:38,090 --> 00:14:35,459

Arthur Exum

347

00:14:41,090 --> 00:14:38,100

and general Exon told me

348

00:14:43,430 --> 00:14:41,100

that every and this is a quote everyone

349

00:14:45,889 --> 00:14:43,440

from Truman on down

350

00:14:49,310 --> 00:14:45,899

knew that what we had found at Roswell

351
00:14:50,750 --> 00:14:49,320
was not of this world within 24 hours of

352
00:14:54,470 --> 00:14:50,760
our finding it

353
00:14:58,129 --> 00:14:54,480
and he told me about the materials that

354
00:15:01,490 --> 00:14:58,139
they had found he told me about the

355
00:15:04,670 --> 00:15:01,500
bodies that they had recovered and

356
00:15:06,410 --> 00:15:04,680
it was a remarkable series of

357
00:15:10,009 --> 00:15:06,420
conversations

358
00:15:13,490 --> 00:15:10,019
so that's at this point

359
00:15:14,930 --> 00:15:13,500
I would say that it looks as if there is

360
00:15:17,150 --> 00:15:14,940
someone here

361
00:15:22,490 --> 00:15:17,160
from another world

362
00:15:25,430 --> 00:15:22,500
and now that the Navy U.S Navy has

363
00:15:27,889 --> 00:15:25,440

finally admitted that at least some UFOs

364

00:15:30,230 --> 00:15:27,899

are genuine unknown objects

365

00:15:31,550 --> 00:15:30,240

a person like me has to think

366

00:15:33,829 --> 00:15:31,560

well

367

00:15:35,689 --> 00:15:33,839

what's where is the other shoe going to

368

00:15:37,009 --> 00:15:35,699

drop because obviously someone's coming

369

00:15:38,750 --> 00:15:37,019

out of them

370

00:15:41,090 --> 00:15:38,760

and I've been face to face with them

371

00:15:42,470 --> 00:15:41,100

many times

372

00:15:44,750 --> 00:15:42,480

so

373

00:15:46,069 --> 00:15:44,760

that's where this stands really at the

374

00:15:48,350 --> 00:15:46,079

moment

375

00:15:50,509 --> 00:15:48,360

for me when it comes to your case

376

00:15:53,930 --> 00:15:50,519

particularly the hypnotic regression

377

00:15:56,150 --> 00:15:53,940

tapes set aside for many others because

378

00:15:59,090 --> 00:15:56,160

that's not a piece of evidence you hear

379

00:16:01,310 --> 00:15:59,100

very readily at all and you can hear the

380

00:16:03,170 --> 00:16:01,320

tapes on your site unknowncountry.com

381

00:16:05,629 --> 00:16:03,180

I'll have the link for that in the show

382

00:16:08,030 --> 00:16:05,639

description and what really struck me is

383

00:16:10,490 --> 00:16:08,040

hearing the the genuine Terror in fear

384

00:16:13,189 --> 00:16:10,500

as you recall the experience and the the

385

00:16:15,050 --> 00:16:13,199

scream you make is really horrifying in

386

00:16:16,850 --> 00:16:15,060

the recent documentary The Visitors you

387

00:16:18,129 --> 00:16:16,860

struggle to listen back to the tapes

388

00:16:20,449 --> 00:16:18,139

yourself

389

00:16:22,790 --> 00:16:20,459

aesthetic as the aggression something

390

00:16:24,650 --> 00:16:22,800

you regret doing now or are you happy

391

00:16:27,410 --> 00:16:24,660

you've done it

392

00:16:29,329 --> 00:16:27,420

uh the documentary yes I'm very happy I

393

00:16:32,269 --> 00:16:29,339

did the documentary it came out really

394

00:16:35,210 --> 00:16:32,279

well they were sensitive to the material

395

00:16:37,670 --> 00:16:35,220

and they did an excellent job however

396

00:16:39,410 --> 00:16:37,680

I want to warn everyone listening to

397

00:16:41,329 --> 00:16:39,420

this that listening to those tapes

398

00:16:43,749 --> 00:16:41,339

should not be don't have your children

399

00:16:47,930 --> 00:16:43,759

in the room when that happens because

400

00:16:50,930 --> 00:16:47,940

you've not heard believe me human Terror

401
00:16:53,769 --> 00:16:50,940
that intense in your life I I guarantee

402
00:16:56,749 --> 00:16:53,779
it because it doesn't get that intense

403
00:16:59,509 --> 00:16:56,759
uh not even when we're in a truly

404
00:17:01,730 --> 00:16:59,519
desperate situation because there's a

405
00:17:03,290 --> 00:17:01,740
fear associated with this that is more

406
00:17:06,530 --> 00:17:03,300
than the fear of death

407
00:17:08,809 --> 00:17:06,540
and I was experiencing that fear

408
00:17:11,510 --> 00:17:08,819
especially in the first hypnosis session

409
00:17:12,949 --> 00:17:11,520
I was reliving that fear

410
00:17:15,110 --> 00:17:12,959
and

411
00:17:17,630 --> 00:17:15,120
you know I'm not alone in this there

412
00:17:20,929 --> 00:17:17,640
were Witnesses numerous Witnesses at the

413
00:17:23,090 --> 00:17:20,939

cabin and the documentary has a lot of

414

00:17:24,590 --> 00:17:23,100

them on the documentary I mean they're

415

00:17:29,270 --> 00:17:24,600

still alive

416

00:17:32,150 --> 00:17:29,280

so uh the you know this is uh not an

417

00:17:35,270 --> 00:17:32,160

isolated experience with one person

418

00:17:37,630 --> 00:17:35,280

having something all by himself at all

419

00:17:39,830 --> 00:17:37,640

it's and and also

420

00:17:41,330 --> 00:17:39,840

there are thousands and thousands of

421

00:17:43,909 --> 00:17:41,340

other people maybe some of your own

422

00:17:46,789 --> 00:17:43,919

listeners who've had the experience

423

00:17:49,370 --> 00:17:46,799

so it's it's it's definitely

424

00:17:51,950 --> 00:17:49,380

not isolated and not what they call

425

00:17:54,529 --> 00:17:51,960

anecdotal where it's just one story

426

00:17:56,690 --> 00:17:54,539

oh it's thousands of stories it

427

00:17:58,909 --> 00:17:56,700

certainly as let me ask you on that I

428

00:18:00,950 --> 00:17:58,919

recorded with Jim simivan just last

429

00:18:03,529 --> 00:18:00,960

night and he speaks very highly of you

430

00:18:05,690 --> 00:18:03,539

Mr stuber um I asked him this question

431

00:18:07,310 --> 00:18:05,700

that I'd like to ask yourself what

432

00:18:10,010 --> 00:18:07,320

advice do you want to give to anyone

433

00:18:12,289 --> 00:18:10,020

listening who does have those similar

434

00:18:15,650 --> 00:18:12,299

experiences like yourself but they're

435

00:18:20,210 --> 00:18:18,049

well there are

436

00:18:23,270 --> 00:18:20,220

some um

437

00:18:25,789 --> 00:18:23,280

some resources developing uh there's a

438

00:18:28,090 --> 00:18:25,799

group called The experencer Group

439

00:18:31,730 --> 00:18:28,100

which I believe you find at

440

00:18:33,590 --> 00:18:31,740

experencer.org uh but if you put in

441

00:18:35,150 --> 00:18:33,600

Google the UFO experience or group

442

00:18:37,010 --> 00:18:35,160

you'll have their you'll find their

443

00:18:43,909 --> 00:18:37,020

correct

444

00:18:46,490 --> 00:18:43,919

people involved in that who there are

445

00:18:47,690 --> 00:18:46,500

professionals involved in that who will

446

00:18:51,470 --> 00:18:47,700

help people

447

00:18:53,990 --> 00:18:51,480

uh there are other groups I'm sure I

448

00:18:56,990 --> 00:18:54,000

think the mutual UFO network has a group

449

00:18:59,630 --> 00:18:57,000

I don't know of groups that are

450

00:19:01,669 --> 00:18:59,640

specifically UK based although there may

451
00:19:03,770 --> 00:19:01,679
be some I'm not sure

452
00:19:07,190 --> 00:19:03,780
and what they're trying to do is

453
00:19:09,650 --> 00:19:07,200
basically give people a place to

454
00:19:11,630 --> 00:19:09,660
communicate with each other and to

455
00:19:14,390 --> 00:19:11,640
interact with Professionals of various

456
00:19:15,610 --> 00:19:14,400
kinds if they want to but to deal with

457
00:19:19,669 --> 00:19:15,620
trauma

458
00:19:21,409 --> 00:19:19,679
uh and that's a start but it's only a

459
00:19:25,270 --> 00:19:21,419
start there's so much more that needs to

460
00:19:28,850 --> 00:19:25,280
be done we we need to get to a point

461
00:19:31,010 --> 00:19:28,860
where the government's involved and that

462
00:19:33,409 --> 00:19:31,020
is primarily the United States

463
00:19:36,409 --> 00:19:33,419

government the UK government the

464

00:19:37,549 --> 00:19:36,419

Australian government and the Canadian

465

00:19:40,669 --> 00:19:37,559

government

466

00:19:42,049 --> 00:19:40,679

uh and to a less extent it's true in

467

00:19:44,450 --> 00:19:42,059

Italy and

468

00:19:47,750 --> 00:19:44,460

uh France

469

00:19:50,110 --> 00:19:47,760

you don't hear too many stories of this

470

00:19:53,150 --> 00:19:50,120

happening in Spain or

471

00:19:55,250 --> 00:19:53,160

Germany and it could be just a cultural

472

00:19:58,330 --> 00:19:55,260

thing that people don't talk about it or

473

00:20:00,770 --> 00:19:58,340

they have a different vision of it but

474

00:20:03,110 --> 00:20:00,780

it's time

475

00:20:06,049 --> 00:20:03,120

for us to try to heal this enormous

476
00:20:08,650 --> 00:20:06,059
wound because all these thousands of

477
00:20:11,750 --> 00:20:08,660
people have had this experience and been

478
00:20:14,750 --> 00:20:11,760
laughed at and scorned if they come out

479
00:20:16,750 --> 00:20:14,760
in public every effort has been made to

480
00:20:18,710 --> 00:20:16,760
make them look ridiculous

481
00:20:21,890 --> 00:20:18,720
when I

482
00:20:24,610 --> 00:20:21,900
it was early on I

483
00:20:30,650 --> 00:20:24,620
my rape was turned into an international

484
00:20:33,650 --> 00:20:30,660
joke because I described at one point

485
00:20:36,409 --> 00:20:33,660
in the hypnosis session the instrument

486
00:20:39,770 --> 00:20:36,419
that had been used to

487
00:20:42,350 --> 00:20:39,780
defile me as a rectal probe

488
00:20:45,890 --> 00:20:42,360

and that became a meme

489

00:20:48,230 --> 00:20:45,900

and I found I had the experience

490

00:20:51,409 --> 00:20:48,240

of living with

491

00:20:54,590 --> 00:20:51,419

my own experience of rape

492

00:20:57,049 --> 00:20:54,600

being something that people laughed at

493

00:21:00,950 --> 00:20:57,059

I still do live with that

494

00:21:02,930 --> 00:21:00,960

and that's a very hard thing and it's an

495

00:21:06,169 --> 00:21:02,940

awful thing to do to someone

496

00:21:08,930 --> 00:21:06,179

and the this group of people the close

497

00:21:12,289 --> 00:21:08,940

encounter Witnesses are the last group

498

00:21:14,090 --> 00:21:12,299

of people in our society who can safely

499

00:21:19,010 --> 00:21:14,100

be bullied

500

00:21:22,850 --> 00:21:19,020

and and and oppressed because of

501
00:21:25,789 --> 00:21:22,860
what they say they have experienced we

502
00:21:29,510 --> 00:21:25,799
don't do that anymore but in this case

503
00:21:31,730 --> 00:21:29,520
yes it's okay it shouldn't be

504
00:21:34,070 --> 00:21:31,740
that's a very true point and it's it's

505
00:21:36,110 --> 00:21:34,080
very unfortunate as well and for any new

506
00:21:38,149 --> 00:21:36,120
listeners coming on I've interviewed

507
00:21:40,430 --> 00:21:38,159
several members of the experienter group

508
00:21:42,409 --> 00:21:40,440
including Jay Christopher King and a few

509
00:21:44,210 --> 00:21:42,419
more so if you want to listen back to

510
00:21:46,190 --> 00:21:44,220
those that allow those individuals to

511
00:21:47,930 --> 00:21:46,200
come on and share their stories much

512
00:21:49,549 --> 00:21:47,940
like yourself and I'll put those details

513
00:21:51,409 --> 00:21:49,559

for the group in the link as well if

514

00:21:53,510 --> 00:21:51,419

anyone does want to to reach out

515

00:21:55,850 --> 00:21:53,520

regarding their experiences

516

00:21:57,409 --> 00:21:55,860

your story Whitley is one that has

517

00:22:00,169 --> 00:21:57,419

resonated now for more than three

518

00:22:02,630 --> 00:22:00,179

decades why do you think your story

519

00:22:05,330 --> 00:22:02,640

particularly caught people's attention

520

00:22:07,370 --> 00:22:05,340

the way it did and still continues to be

521

00:22:09,590 --> 00:22:07,380

one that's talked about um above many

522

00:22:13,010 --> 00:22:09,600

many others

523

00:22:16,850 --> 00:22:13,020

well it was the first time anyone

524

00:22:18,770 --> 00:22:16,860

had sat down and written about it in

525

00:22:20,450 --> 00:22:18,780

quite the way that I did

526

00:22:24,590 --> 00:22:20,460

uh

527

00:22:27,310 --> 00:22:24,600

my wife Ann was a very very fine editor

528

00:22:31,669 --> 00:22:27,320

as well as being a writer herself

529

00:22:34,070 --> 00:22:31,679

and she made sure that the book

530

00:22:37,970 --> 00:22:34,080

kept the questions open

531

00:22:40,490 --> 00:22:37,980

and it wasn't uh and it was also

532

00:22:43,789 --> 00:22:40,500

well researched in the sense that it

533

00:22:46,909 --> 00:22:43,799

makes sense it's it's not kind of off

534

00:22:48,649 --> 00:22:46,919

the wall you know it it all makes a

535

00:22:49,970 --> 00:22:48,659

certain amount of sense

536

00:22:51,890 --> 00:22:49,980

and

537

00:22:54,950 --> 00:22:51,900

uh

538

00:22:57,409 --> 00:22:54,960

it really struck a chord with people

539

00:22:59,630 --> 00:22:57,419

for the reason for that reason I that

540

00:23:01,490 --> 00:22:59,640

that it's powerful and makes

541

00:23:04,610 --> 00:23:01,500

good sense

542

00:23:06,169 --> 00:23:04,620

and at least I hope it does and

543

00:23:09,590 --> 00:23:06,179

also

544

00:23:12,049 --> 00:23:09,600

the the uh

545

00:23:14,210 --> 00:23:12,059

face on the cover

546

00:23:19,190 --> 00:23:14,220

of the book

547

00:23:21,830 --> 00:23:19,200

is a powerful mnemonic device I did not

548

00:23:24,529 --> 00:23:21,840

know that at the time but millions of

549

00:23:26,810 --> 00:23:24,539

people on seeing that face remembered my

550

00:23:29,270 --> 00:23:26,820

God that happened to me I thought that

551

00:23:31,450 --> 00:23:29,280

was some kind of a nightmare

552

00:23:34,190 --> 00:23:31,460

and

553

00:23:36,590 --> 00:23:34,200

that changed everything it changed the

554

00:23:39,590 --> 00:23:36,600

world actually it made the closer

555

00:23:42,710 --> 00:23:39,600

encounter experience part of our culture

556

00:23:44,270 --> 00:23:42,720

rather than some isolated thing that the

557

00:23:46,190 --> 00:23:44,280

government might like us to believe it's

558

00:23:49,789 --> 00:23:46,200

just a few nuts who believe things like

559

00:23:52,610 --> 00:23:49,799

that when the truth is it's a fairly

560

00:23:56,149 --> 00:23:52,620

commonplace Human Experience

561

00:23:59,750 --> 00:23:56,159

and can you imagine this experience has

562

00:24:01,390 --> 00:23:59,760

been with us we know of for at least 40

563

00:24:04,370 --> 00:24:01,400

years

564

00:24:05,990 --> 00:24:04,380

thousands of people in the U.S the UK

565

00:24:08,149 --> 00:24:06,000

all over the world

566

00:24:11,570 --> 00:24:08,159

have

567

00:24:13,549 --> 00:24:11,580

exp had this experience and many many

568

00:24:15,169 --> 00:24:13,559

have expressed themselves publicly in

569

00:24:17,990 --> 00:24:15,179

different ways

570

00:24:20,210 --> 00:24:18,000

and no

571

00:24:23,210 --> 00:24:20,220

health authority

572

00:24:25,610 --> 00:24:23,220

not the U.S Center for Centers for

573

00:24:27,350 --> 00:24:25,620

Disease Control or any of the other

574

00:24:30,049 --> 00:24:27,360

health authorities

575

00:24:32,210 --> 00:24:30,059

have lifted a finger

576

00:24:34,190 --> 00:24:32,220

to look into the lives of these people

577

00:24:37,250 --> 00:24:34,200

not a finger

578

00:24:40,490 --> 00:24:37,260

no effort has been made to determine

579

00:24:42,409 --> 00:24:40,500

what this is from a mental health

580

00:24:45,289 --> 00:24:42,419

Viewpoint and a physical health

581

00:24:46,909 --> 00:24:45,299

Viewpoint and it does affect both your

582

00:24:49,490 --> 00:24:46,919

mental health and your physical health

583

00:24:51,529 --> 00:24:49,500

and that's not an accident

584

00:24:54,649 --> 00:24:51,539

it's purposeful

585

00:24:56,710 --> 00:24:54,659

someone suppresses

586

00:25:02,110 --> 00:24:56,720

the health

587

00:25:04,430 --> 00:25:02,120

community and prevents it from from

588

00:25:06,230 --> 00:25:04,440

examining this or it would have already

589

00:25:08,330 --> 00:25:06,240

happened

590

00:25:09,890 --> 00:25:08,340

can you foresee a time where that

591

00:25:11,710 --> 00:25:09,900

changes

592

00:25:15,529 --> 00:25:11,720

not now

593

00:25:19,570 --> 00:25:15,539

we had a door opened a crack

594

00:25:22,970 --> 00:25:19,580

when Leslie Keane and Cain excuse me in

595

00:25:25,310 --> 00:25:22,980

2017 and Ralph Blumenthal and

596

00:25:28,190 --> 00:25:25,320

published that story in the New York

597

00:25:30,529 --> 00:25:28,200

Times about the Tic Tac UFO and then

598

00:25:34,010 --> 00:25:30,539

eventually the U.S Navy admitted that it

599

00:25:35,090 --> 00:25:34,020

was an unknown but now the U.S Navy is

600

00:25:37,190 --> 00:25:35,100

saying

601
00:25:40,250 --> 00:25:37,200
we don't have any intention of releasing

602
00:25:42,890 --> 00:25:40,260
any more UFO video this is finished it's

603
00:25:45,950 --> 00:25:42,900
all it's all secret

604
00:25:48,350 --> 00:25:45,960
and that secrecy is like a cancer it's

605
00:25:51,230 --> 00:25:48,360
it's a disease that that these

606
00:25:54,110 --> 00:25:51,240
governments have it's not healthy I

607
00:25:56,690 --> 00:25:54,120
years ago there was a wonderful guy

608
00:25:58,789 --> 00:25:56,700
he was very eccentric

609
00:26:00,230 --> 00:25:58,799
fellow political fellow in the United

610
00:26:02,330 --> 00:26:00,240
States you've probably never heard of

611
00:26:04,730 --> 00:26:02,340
him his name was Norman Thomas

612
00:26:07,250 --> 00:26:04,740
and I was listening to one of the one of

613
00:26:08,750 --> 00:26:07,260

his lectures one time and listening to

614

00:26:11,690 --> 00:26:08,760

him talk

615

00:26:15,169 --> 00:26:11,700

and he said

616

00:26:16,630 --> 00:26:15,179

where the secrets start

617

00:26:19,909 --> 00:26:16,640

the Republic

618

00:26:22,850 --> 00:26:19,919

stops and he could broaden that to say

619

00:26:25,490 --> 00:26:22,860

where the secrets start Freedom stops

620

00:26:29,450 --> 00:26:25,500

and that's why you see these oppressive

621

00:26:32,090 --> 00:26:29,460

governments of China or Russia or any of

622

00:26:36,470 --> 00:26:32,100

those dictatorships

623

00:26:38,870 --> 00:26:36,480

Iran they're all obsessed with secrecy

624

00:26:42,590 --> 00:26:38,880

they hide everything

625

00:26:46,970 --> 00:26:42,600

and the Western governments need to if

626
00:26:49,010 --> 00:26:46,980
they are really serious about being

627
00:26:51,950 --> 00:26:49,020
governments of Free People

628
00:26:53,870 --> 00:26:51,960
they need to let us be free and make our

629
00:26:55,909 --> 00:26:53,880
own choices and decisions and we can't

630
00:26:58,250 --> 00:26:55,919
do that without information

631
00:27:00,950 --> 00:26:58,260
and I'm not just talking about the UFO

632
00:27:03,710 --> 00:27:00,960
phenomenon there's so much more that's

633
00:27:06,470 --> 00:27:03,720
kept secret it's an obsession it's a

634
00:27:07,490 --> 00:27:06,480
it's a Neurosis or even a psychosis of

635
00:27:10,190 --> 00:27:07,500
government

636
00:27:13,010 --> 00:27:10,200
they have to face the fact that the

637
00:27:15,769 --> 00:27:13,020
people have a right to know and they

638
00:27:18,230 --> 00:27:15,779

can't think clearly enough to be really

639

00:27:21,710 --> 00:27:18,240

free and cast their votes in a proper

640

00:27:24,169 --> 00:27:21,720

way unless they know what their world

641

00:27:26,690 --> 00:27:24,179

actually is

642

00:27:28,909 --> 00:27:26,700

and we don't it's kept from us it's

643

00:27:31,490 --> 00:27:28,919

hidden

644

00:27:33,590 --> 00:27:31,500

are you aware of or do you think there

645

00:27:36,409 --> 00:27:33,600

are people like yourself on the inside

646

00:27:39,110 --> 00:27:36,419

of government who have had similar

647

00:27:41,630 --> 00:27:39,120

experiences to yourself involved in

648

00:27:43,669 --> 00:27:41,640

either trying to get this out or trying

649

00:27:46,610 --> 00:27:43,679

to keep it secret

650

00:27:49,970 --> 00:27:46,620

I'm sure I know lots of people behind

651
00:27:52,190 --> 00:27:49,980
the secrecy barrier uh and I know some

652
00:27:54,070 --> 00:27:52,200
of their stories I'm assumed no one's

653
00:27:58,789 --> 00:27:54,080
ever told me any classified information

654
00:28:02,350 --> 00:27:58,799
but yes you mentioned Jim semivan he

655
00:28:04,070 --> 00:28:02,360
knows a lot of that information I'm sure

656
00:28:07,070 --> 00:28:04,080
but

657
00:28:09,649 --> 00:28:07,080
and I know that these people would like

658
00:28:11,990 --> 00:28:09,659
to step forward I know some that aren't

659
00:28:14,269 --> 00:28:12,000
known in the public in any way who wish

660
00:28:17,450 --> 00:28:14,279
they could step forward and who feel

661
00:28:19,250 --> 00:28:17,460
terrible regret about it a general Exon

662
00:28:20,930 --> 00:28:19,260
felt regret about it that's why he

663
00:28:23,870 --> 00:28:20,940

opened up and talked at the end of his

664

00:28:24,669 --> 00:28:23,880

life and even left an in a brief

665

00:28:28,070 --> 00:28:24,679

interview

666

00:28:29,750 --> 00:28:28,080

with a couple of Roswell UFO

667

00:28:32,870 --> 00:28:29,760

investigators Donald Schmidt and Kevin

668

00:28:34,370 --> 00:28:32,880

Randall for one of their books and got

669

00:28:36,110 --> 00:28:34,380

in trouble with the Air Force about it

670

00:28:40,010 --> 00:28:36,120

they were very angry with him

671

00:28:41,810 --> 00:28:40,020

uh so yes that I would like and I would

672

00:28:45,110 --> 00:28:41,820

like to see some of the people

673

00:28:47,870 --> 00:28:45,120

come out who are behind the scenes and

674

00:28:50,990 --> 00:28:47,880

know so very much about this this is

675

00:28:52,610 --> 00:28:51,000

this is a big thing behind the scenes

676
00:28:58,490 --> 00:28:52,620
it's not

677
00:29:01,149 --> 00:28:58,500
a small Backwater the the core of much

678
00:29:04,630 --> 00:29:01,159
of our technological development

679
00:29:07,310 --> 00:29:04,640
especially when it comes to Metallurgy

680
00:29:12,649 --> 00:29:07,320
rests in this

681
00:29:13,970 --> 00:29:12,659
this has been a huge boon

682
00:29:17,990 --> 00:29:13,980
for

683
00:29:21,110 --> 00:29:18,000
the development of metals and materials

684
00:29:24,049 --> 00:29:21,120
and and I would assume not only in the

685
00:29:27,649 --> 00:29:24,059
west but in other areas as well

686
00:29:32,409 --> 00:29:27,659
and they have been bled out into I would

687
00:29:35,750 --> 00:29:32,419
assume into medicine where Ultra hard

688
00:29:38,330 --> 00:29:35,760

metals can be used in Prosthetics like

689

00:29:42,669 --> 00:29:38,340

artificial knees and things like that

690

00:29:46,630 --> 00:29:42,679

they have been bled out into uh

691

00:29:50,090 --> 00:29:46,640

Aerospace where uh

692

00:29:53,389 --> 00:29:50,100

materials that have very high levels of

693

00:29:55,970 --> 00:29:53,399

heat absorption and low levels of

694

00:29:59,690 --> 00:29:55,980

friction generation and things can be

695

00:30:01,730 --> 00:29:59,700

used to make extremely fast aircraft and

696

00:30:02,930 --> 00:30:01,740

there's all sorts of things that have

697

00:30:04,850 --> 00:30:02,940

been done

698

00:30:09,769 --> 00:30:04,860

but

699

00:30:12,769 --> 00:30:09,779

it's all behind this wall of Lies think

700

00:30:16,490 --> 00:30:12,779

if someone like Stephen Hawking

701
00:30:18,289 --> 00:30:16,500
had been able to really seriously think

702
00:30:19,789 --> 00:30:18,299
about this

703
00:30:23,389 --> 00:30:19,799
and know

704
00:30:25,789 --> 00:30:23,399
what these that what these people were

705
00:30:28,010 --> 00:30:25,799
describing was real

706
00:30:30,710 --> 00:30:28,020
what a mind like that might have been

707
00:30:33,850 --> 00:30:30,720
able to do with this material or the

708
00:30:36,049 --> 00:30:33,860
great uh the the whole uh

709
00:30:39,130 --> 00:30:36,059
anthropological Community the

710
00:30:41,510 --> 00:30:39,140
sociological Community the community of

711
00:30:45,230 --> 00:30:41,520
psychiatrists and psychologists and

712
00:30:48,830 --> 00:30:45,240
neurologists they could all be brought

713
00:30:52,010 --> 00:30:48,840

into understanding this through the

714

00:30:53,990 --> 00:30:52,020

medium of what is available which is the

715

00:30:56,870 --> 00:30:54,000

witnesses themselves

716

00:30:58,130 --> 00:30:56,880

uh you know my wife Ann back she's

717

00:31:00,769 --> 00:30:58,140

passed on

718

00:31:03,169 --> 00:31:00,779

back in the old days we were getting

719

00:31:05,990 --> 00:31:03,179

tens of thousands of letters in great

720

00:31:07,549 --> 00:31:06,000

bags every day being brought up to our

721

00:31:10,730 --> 00:31:07,559

apartment and poured on the floor in

722

00:31:12,289 --> 00:31:10,740

heaps and I was overwhelmed this is

723

00:31:14,210 --> 00:31:12,299

after the book came out I couldn't

724

00:31:16,070 --> 00:31:14,220

imagine what we would do

725

00:31:18,830 --> 00:31:16,080

and she said well we're going to read

726

00:31:20,090 --> 00:31:18,840

them I said you can't read all those

727

00:31:24,230 --> 00:31:20,100

letters

728

00:31:28,090 --> 00:31:24,240

and she said well you might not be able

729

00:31:31,549 --> 00:31:28,100

to but I can't and she hired a secretary

730

00:31:34,490 --> 00:31:31,559

and they read them they cataloged them

731

00:31:36,889 --> 00:31:34,500

they numbered them they organized them

732

00:31:38,210 --> 00:31:36,899

by the thousands

733

00:31:40,490 --> 00:31:38,220

and

734

00:31:44,630 --> 00:31:40,500

now they are

735

00:31:48,110 --> 00:31:44,640

in a archive at Rice University in Texas

736

00:31:49,029 --> 00:31:48,120

a big American University very rich

737

00:31:53,330 --> 00:31:49,039

University

738

00:31:55,930 --> 00:31:53,340

beautifully archived and there for

739

00:31:58,250 --> 00:31:55,940

Scholars and and and

740

00:32:02,210 --> 00:31:58,260

of all kinds

741

00:32:04,190 --> 00:32:02,220

to read and make use of the whole secret

742

00:32:07,669 --> 00:32:04,200

of contact

743

00:32:10,190 --> 00:32:07,679

lies in that archive

744

00:32:13,370 --> 00:32:10,200

saved by Anne streber thanked the Lord

745

00:32:16,669 --> 00:32:13,380

she had the foresight she said one day

746

00:32:19,190 --> 00:32:16,679

with Lee these will be useful and they

747

00:32:21,769 --> 00:32:19,200

are now in fact the book I'm writing

748

00:32:24,049 --> 00:32:21,779

right now is called them and it's a

749

00:32:27,169 --> 00:32:24,059

personality profile if you will of the

750

00:32:29,570 --> 00:32:27,179

visitors through the medium of how they

751
00:32:31,970 --> 00:32:29,580
have interacted with us over the years

752
00:32:33,710 --> 00:32:31,980
and I use those letters at the core of

753
00:32:36,230 --> 00:32:33,720
it

754
00:32:39,049 --> 00:32:36,240
and that your wife and that's fantastic

755
00:32:41,029 --> 00:32:39,059
work that she done before she passed did

756
00:32:44,090 --> 00:32:41,039
she see or talk about any particular

757
00:32:45,889 --> 00:32:44,100
pattern that she noticed through those

758
00:32:49,789 --> 00:32:45,899
thousands of letters anything that would

759
00:32:52,870 --> 00:32:52,070
not really

760
00:32:55,789 --> 00:32:52,880
um

761
00:32:57,409 --> 00:32:55,799
she did feel that it had something to do

762
00:33:00,649 --> 00:32:57,419
with time

763
00:33:02,510 --> 00:33:00,659

and she was ex my wife was extremely

764

00:33:06,710 --> 00:33:02,520

smart she was the smartest person I've

765

00:33:08,810 --> 00:33:06,720

ever known and she said that

766

00:33:11,690 --> 00:33:08,820

she thought it had something to do with

767

00:33:14,750 --> 00:33:11,700

movement through time and for that

768

00:33:16,909 --> 00:33:14,760

reason it was going to stay out of focus

769

00:33:19,130 --> 00:33:16,919

and ambiguous we were going to have to

770

00:33:21,830 --> 00:33:19,140

work very hard to make sense of it

771

00:33:23,029 --> 00:33:21,840

and she explained to me why this would

772

00:33:25,070 --> 00:33:23,039

be the case

773

00:33:28,029 --> 00:33:25,080

that if someone was looping back through

774

00:33:31,190 --> 00:33:28,039

time and trying to affect their own past

775

00:33:34,970 --> 00:33:31,200

they would be under enormous restraint

776

00:33:37,490 --> 00:33:34,980

constraints and in order to

777

00:33:38,810 --> 00:33:37,500

because you you can't violate something

778

00:33:41,029 --> 00:33:38,820

called the

779

00:33:43,490 --> 00:33:41,039

grandfather paradox

780

00:33:45,889 --> 00:33:43,500

and the universe won't let you change

781

00:33:48,649 --> 00:33:45,899

your past in other words essentially

782

00:33:50,750 --> 00:33:48,659

but there's ways out

783

00:33:51,830 --> 00:33:50,760

and she understood the physics of that I

784

00:33:55,130 --> 00:33:51,840

don't

785

00:33:58,250 --> 00:33:55,140

uh but I wouldn't say that there was

786

00:34:00,590 --> 00:33:58,260

like oh everyone saw the same belt

787

00:34:03,470 --> 00:34:00,600

buckle or something not at all the

788

00:34:04,750 --> 00:34:03,480

experiences are really complex and and

789

00:34:08,210 --> 00:34:04,760

very

790

00:34:10,609 --> 00:34:08,220

uh different I guess there's one thing

791

00:34:13,369 --> 00:34:10,619

many of them did see those big black

792

00:34:18,409 --> 00:34:16,369

you know let me are we on video or audio

793

00:34:20,510 --> 00:34:18,419

um I'll be on audio and video so both

794

00:34:22,490 --> 00:34:20,520

yeah oh well good well for those on

795

00:34:24,109 --> 00:34:22,500

video here's something you might be

796

00:34:27,169 --> 00:34:24,119

interested in seeing

797

00:34:29,149 --> 00:34:27,179

this is the original painting I'm what I

798

00:34:31,970 --> 00:34:29,159

for those on audio what I'm doing is I'm

799

00:34:33,589 --> 00:34:31,980

holding up a framed painting of the one

800

00:34:34,909 --> 00:34:33,599

of the of the visitor with the big eyes

801
00:34:37,010 --> 00:34:34,919
that you've seen on the cover of

802
00:34:40,129 --> 00:34:37,020
communion just to show you this is the

803
00:34:42,109 --> 00:34:40,139
original painting that was done with me

804
00:34:46,250 --> 00:34:42,119
sitting beside the artist Ted Seth

805
00:34:49,490 --> 00:34:46,260
Jacobs and and telling him exactly what

806
00:34:52,250 --> 00:34:49,500
to do as we worked along together

807
00:34:53,869 --> 00:34:52,260
so I thought you'd like to see that yeah

808
00:34:55,730 --> 00:34:53,879
no I appreciate that and I'll try and

809
00:34:57,410 --> 00:34:55,740
get a screenshot of that to put on the

810
00:34:59,630 --> 00:34:57,420
social media as well for for those who

811
00:35:02,390 --> 00:34:59,640
listen via audio so they they can see

812
00:35:04,790 --> 00:35:02,400
that too the idea Whitley of time

813
00:35:06,770 --> 00:35:04,800

playing a huge part in this and the idea

814

00:35:08,690 --> 00:35:06,780

that for example someone like yourself

815

00:35:10,390 --> 00:35:08,700

who may have had experiences in

816

00:35:14,089 --> 00:35:10,400

childhood and then in later life

817

00:35:16,010 --> 00:35:14,099

multiple times maybe these beings for

818

00:35:17,690 --> 00:35:16,020

them happens over the space of half an

819

00:35:20,150 --> 00:35:17,700

hour but for you it happens over 50

820

00:35:22,130 --> 00:35:20,160

years that they they just and then out

821

00:35:25,310 --> 00:35:22,140

and and part of your talk at the

822

00:35:26,930 --> 00:35:25,320

Awakening Expo on the 16th of October is

823

00:35:30,050 --> 00:35:26,940

how these beings have come back into

824

00:35:31,490 --> 00:35:30,060

your life in later years afterwards is

825

00:35:32,870 --> 00:35:31,500

that something you can expand on and

826

00:35:34,370 --> 00:35:32,880

give the listeners an idea of what

827

00:35:37,010 --> 00:35:34,380

you're going to be talking about

828

00:35:38,569 --> 00:35:37,020

well I'm going to be talking about among

829

00:35:40,670 --> 00:35:38,579

other things communicating with them and

830

00:35:43,730 --> 00:35:40,680

what it's like because in nineteen

831

00:35:48,109 --> 00:35:46,790

this object that's I'm touching for

832

00:35:50,810 --> 00:35:48,119

those who

833

00:35:53,870 --> 00:35:50,820

are listening rather than watching I'm

834

00:35:56,089 --> 00:35:53,880

touching the back of my left ear where I

835

00:35:58,970 --> 00:35:56,099

can feel a little bump

836

00:36:00,230 --> 00:35:58,980

that is an object

837

00:36:02,470 --> 00:36:00,240

that

838

00:36:05,870 --> 00:36:02,480

is

839

00:36:08,810 --> 00:36:05,880

I use for communication with the

840

00:36:12,109 --> 00:36:08,820

visitors and I can I'm going to go into

841

00:36:16,010 --> 00:36:12,119

in the lecture exactly how that works

842

00:36:20,089 --> 00:36:16,020

and precisely what it it does because I

843

00:36:23,450 --> 00:36:20,099

know it well I've used it in the writing

844

00:36:26,930 --> 00:36:23,460

of numerous books and

845

00:36:28,550 --> 00:36:26,940

it is a a marvelous research tool

846

00:36:30,410 --> 00:36:28,560

the people who don't know really much

847

00:36:34,069 --> 00:36:30,420

about these things always say well it's

848

00:36:36,650 --> 00:36:34,079

a tracking device and I I said to Anne

849

00:36:38,569 --> 00:36:36,660

that when I first got into my ear and I

850

00:36:40,670 --> 00:36:38,579

I felt it there I wanted to take it out

851

00:36:42,589 --> 00:36:40,680

immediately I was very upset about it

852

00:36:45,670 --> 00:36:42,599

and she said no no don't take it out

853

00:36:49,010 --> 00:36:45,680

let's see what it does

854

00:36:51,650 --> 00:36:49,020

and I said well wait a minute it's it's

855

00:36:54,230 --> 00:36:51,660

probably watching me and tracking me and

856

00:36:57,950 --> 00:36:54,240

I that's horrible I I don't want that

857

00:37:00,710 --> 00:36:57,960

and she said Whitley nobody cares when

858

00:37:04,730 --> 00:37:00,720

you go down to the shop to get a

859

00:37:07,190 --> 00:37:04,740

six-pack of beer no one cares no one

860

00:37:10,010 --> 00:37:07,200

from another world cares in any way

861

00:37:13,790 --> 00:37:10,020

where you go and what you do you don't

862

00:37:16,010 --> 00:37:13,800

have any secrets I don't want to insult

863

00:37:19,069 --> 00:37:16,020

you in any way but frankly your life is

864

00:37:21,290 --> 00:37:19,079

very plain and uninteresting so it's got

865

00:37:23,750 --> 00:37:21,300

to have another purpose

866

00:37:25,970 --> 00:37:23,760

and it took me many years

867

00:37:29,930 --> 00:37:25,980

to understand

868

00:37:31,310 --> 00:37:29,940

its purpose and to use it it turns out

869

00:37:35,150 --> 00:37:31,320

to be

870

00:37:37,010 --> 00:37:35,160

an extraordinary research tool

871

00:37:40,609 --> 00:37:37,020

and in the lecture I'm going to go into

872

00:37:43,510 --> 00:37:40,619

exactly more about how it works and I'm

873

00:37:48,290 --> 00:37:43,520

going to show

874

00:37:52,430 --> 00:37:48,300

images of it taken with a CT scanner and

875

00:37:54,950 --> 00:37:52,440

so forth and also a video of the moment

876

00:37:56,990 --> 00:37:54,960

the a doctor did try to remove it

877

00:38:00,349 --> 00:37:57,000

because I wanted it out I was driving me

878

00:38:02,150 --> 00:38:00,359

crazy and in 1992 I said to Ann I've got

879

00:38:05,270 --> 00:38:02,160

to try to get it out and she said okay

880

00:38:07,430 --> 00:38:05,280

we'll compromise you get one chance if

881

00:38:09,829 --> 00:38:07,440

you get it out you get it out but she

882

00:38:12,589 --> 00:38:09,839

knew so much about this stuff she knew

883

00:38:15,109 --> 00:38:12,599

it wouldn't succeed I think and indeed

884

00:38:16,970 --> 00:38:15,119

it didn't and you can see the video of

885

00:38:19,370 --> 00:38:16,980

her and the doctor together at the

886

00:38:21,470 --> 00:38:19,380

moment they open the ear and see it and

887

00:38:24,710 --> 00:38:21,480

then what happens you'll see that too

888

00:38:26,990 --> 00:38:24,720

I've also got some of the best video of

889

00:38:29,810 --> 00:38:27,000

UFO video in private hands you know they

890

00:38:32,630 --> 00:38:29,820

always say oh the video is it's all

891

00:38:34,670 --> 00:38:32,640

blurry or it's obviously a fake I have

892

00:38:37,370 --> 00:38:34,680

some video that's not blurry and it's

893

00:38:39,230 --> 00:38:37,380

not a fake and I'll show that as well

894

00:38:40,970 --> 00:38:39,240

I look forward to seeing that and I'm

895

00:38:43,790 --> 00:38:40,980

sure the the listeners that attend will

896

00:38:45,770 --> 00:38:43,800

too and many of those listeners who

897

00:38:47,210 --> 00:38:45,780

don't get to attend or haven't got to

898

00:38:49,609 --> 00:38:47,220

speak to you personally have sent in

899

00:38:51,170 --> 00:38:49,619

questions and in the time remaining I'd

900

00:38:52,130 --> 00:38:51,180

love to get through some of those if you

901
00:38:53,810 --> 00:38:52,140
don't mind

902
00:38:56,270 --> 00:38:53,820
um your questions are quite varied as

903
00:38:58,609 --> 00:38:56,280
well so we'll get straight into them and

904
00:39:01,490 --> 00:38:58,619
the first question Whitley is from dmax

905
00:39:03,470 --> 00:39:01,500
and he asks or they ask what does

906
00:39:05,990 --> 00:39:03,480
Whitley think the connection between the

907
00:39:08,030 --> 00:39:06,000
phenomena and religion is are the

908
00:39:10,310 --> 00:39:08,040
hitchhikers and poltergeists the same

909
00:39:13,089 --> 00:39:10,320
thing as demons and possessions to the

910
00:39:18,950 --> 00:39:17,630
well that's a huge complicated question

911
00:39:22,069 --> 00:39:18,960
this is

912
00:39:24,650 --> 00:39:22,079
intimately integrated into the religious

913
00:39:27,710 --> 00:39:24,660

experience around the world

914

00:39:30,829 --> 00:39:27,720

in fact next week and the week after on

915

00:39:35,089 --> 00:39:30,839

my my podcast Dreamland I'm going to be

916

00:39:38,089 --> 00:39:35,099

talking about that with some experts uh

917

00:39:39,770 --> 00:39:38,099

Diana Walsh basilka who wrote American

918

00:39:44,770 --> 00:39:39,780

cosmics you may have had her on your

919

00:39:47,329 --> 00:39:44,780

show yeah uh Jeffrey kreipel and another

920

00:39:49,310 --> 00:39:47,339

extraordinary expert who is not well

921

00:39:52,310 --> 00:39:49,320

known John Santos

922

00:39:56,450 --> 00:39:52,320

and we will be

923

00:39:59,810 --> 00:39:56,460

talking about that very subject but to

924

00:40:02,750 --> 00:39:59,820

try to look at this through the lens

925

00:40:05,270 --> 00:40:02,760

of religious experience

926

00:40:08,030 --> 00:40:05,280

is a significant mistake

927

00:40:11,750 --> 00:40:08,040

in other words to try to see it

928

00:40:14,810 --> 00:40:11,760

in the context of well I believe in

929

00:40:16,490 --> 00:40:14,820

God's in demons and this and that and

930

00:40:17,690 --> 00:40:16,500

these must be demons because of what

931

00:40:19,510 --> 00:40:17,700

they do

932

00:40:22,130 --> 00:40:19,520

is a mistake

933

00:40:25,670 --> 00:40:22,140

uh we're looking at something much

934

00:40:30,290 --> 00:40:25,680

different from that they are

935

00:40:32,569 --> 00:40:30,300

very difficult to deal with believe me

936

00:40:34,190 --> 00:40:32,579

and I'll tell some hair-raising stories

937

00:40:38,390 --> 00:40:34,200

about that

938

00:40:40,849 --> 00:40:38,400

but we have to see this more clearly

939

00:40:43,849 --> 00:40:40,859

than the various religious contexts

940

00:40:47,329 --> 00:40:43,859

allow us to the Christians would say

941

00:40:50,510 --> 00:40:47,339

they are dangels and demons the Muslims

942

00:40:53,050 --> 00:40:50,520

would say they are gin of various kinds

943

00:40:56,390 --> 00:40:53,060

other religions would say other things

944

00:40:58,430 --> 00:40:56,400

and these are all in some sense true

945

00:41:00,670 --> 00:40:58,440

but each one

946

00:41:04,790 --> 00:41:00,680

limits itself

947

00:41:07,730 --> 00:41:04,800

to the channel of that set of beliefs

948

00:41:09,470 --> 00:41:07,740

and yet each one obviously has some

949

00:41:10,670 --> 00:41:09,480

truth in it

950

00:41:12,770 --> 00:41:10,680

so

951
00:41:13,970 --> 00:41:12,780
you know what you what you come to there

952
00:41:16,730 --> 00:41:13,980
is

953
00:41:19,190 --> 00:41:16,740
you have to look at it in the context of

954
00:41:23,089 --> 00:41:19,200
all of these religions and try to see it

955
00:41:25,790 --> 00:41:23,099
more objectively then that allows and

956
00:41:28,250 --> 00:41:25,800
then you begin to get some idea of

957
00:41:31,069 --> 00:41:28,260
something true

958
00:41:33,530 --> 00:41:31,079
no I like that um and on a similar vein

959
00:41:36,170 --> 00:41:33,540
Jessica asks does Whitley think there is

960
00:41:38,270 --> 00:41:36,180
any danger in humans initiating contact

961
00:41:41,030 --> 00:41:38,280
with these beings

962
00:41:43,010 --> 00:41:41,040
I think the danger is extraordinary

963
00:41:44,210 --> 00:41:43,020

I think it's extraordinary on a personal

964

00:41:47,089 --> 00:41:44,220

level

965

00:41:50,810 --> 00:41:47,099

I think but more importantly on a social

966

00:41:53,750 --> 00:41:50,820

level it's extraordinary look at the the

967

00:41:57,050 --> 00:41:53,760

you know we have history on our planet

968

00:42:01,130 --> 00:41:57,060

of what happens when a technologically

969

00:42:03,290 --> 00:42:01,140

superior but ethically

970

00:42:06,829 --> 00:42:03,300

indifferent

971

00:42:09,589 --> 00:42:06,839

culture comes into contact with a an

972

00:42:14,930 --> 00:42:09,599

inferior one a lot of it the whole of

973

00:42:18,730 --> 00:42:14,940

the western world did that uh the

974

00:42:21,650 --> 00:42:18,740

when the Spanish Spaniards arrived in

975

00:42:23,690 --> 00:42:21,660

mesoamerica and Peru

976
00:42:26,329 --> 00:42:23,700
within a few years

977
00:42:28,490 --> 00:42:26,339
those populations had plummeted in their

978
00:42:30,230 --> 00:42:28,500
and their cultures of thousands built up

979
00:42:31,910 --> 00:42:30,240
over thousands of years are completely

980
00:42:34,670 --> 00:42:31,920
destroyed

981
00:42:37,849 --> 00:42:34,680
uh and when

982
00:42:39,650 --> 00:42:37,859
the British the Dutch the French to a

983
00:42:42,290 --> 00:42:39,660
lesser extent the Germans

984
00:42:43,550 --> 00:42:42,300
the Portuguese and to some extent the

985
00:42:46,430 --> 00:42:43,560
Spanish

986
00:42:49,370 --> 00:42:46,440
spread out across the world

987
00:42:51,950 --> 00:42:49,380
in to colonize it

988
00:42:54,230 --> 00:42:51,960

or all of those cultures received

989

00:42:56,450 --> 00:42:54,240

tremendous shocks

990

00:43:00,530 --> 00:42:56,460

and even

991

00:43:03,170 --> 00:43:00,540

when it is attempted to not Shock the

992

00:43:04,490 --> 00:43:03,180

cultures it happens

993

00:43:05,809 --> 00:43:04,500

and

994

00:43:07,069 --> 00:43:05,819

it it

995

00:43:09,829 --> 00:43:07,079

um

996

00:43:11,750 --> 00:43:09,839

I think our visitors are being one of

997

00:43:14,450 --> 00:43:11,760

the reasons that their secrecy is so

998

00:43:16,670 --> 00:43:14,460

great because remember the secrecy might

999

00:43:19,309 --> 00:43:16,680

our government might governments might

1000

00:43:21,050 --> 00:43:19,319

be very secretive but the secrecy really

1001
00:43:23,809 --> 00:43:21,060
starts with them doesn't it because they

1002
00:43:25,609 --> 00:43:23,819
could come out and be known make

1003
00:43:26,589 --> 00:43:25,619
themselves known publicly probably in

1004
00:43:29,870 --> 00:43:26,599
five minutes

1005
00:43:32,450 --> 00:43:29,880
but they don't therefore their secrecy

1006
00:43:33,770 --> 00:43:32,460
is also part of their policy then why

1007
00:43:37,609 --> 00:43:33,780
would that be

1008
00:43:40,550 --> 00:43:37,619
that is I think primarily because of the

1009
00:43:43,550 --> 00:43:40,560
fear of cultural colonization

1010
00:43:46,550 --> 00:43:43,560
that we will immediately as soon as they

1011
00:43:49,130 --> 00:43:46,560
show up we will refocus our entire

1012
00:43:51,650 --> 00:43:49,140
culture toward them and we'll end up

1013
00:43:55,010 --> 00:43:51,660

like the peoples of so many different

1014

00:43:56,930 --> 00:43:55,020

areas in the world when the British

1015

00:43:58,730 --> 00:43:56,940

showed up or the French or the Europeans

1016

00:44:01,609 --> 00:43:58,740

in general showed up

1017

00:44:03,349 --> 00:44:01,619

they suddenly felt very they felt like

1018

00:44:05,510 --> 00:44:03,359

idiots you know what are these

1019

00:44:07,250 --> 00:44:05,520

ridiculous Gods we have here they are

1020

00:44:09,710 --> 00:44:07,260

with these ships and wonderful knives

1021

00:44:12,109 --> 00:44:09,720

and all kinds of guns and all kinds of

1022

00:44:14,410 --> 00:44:12,119

fabulous stuff and we're we're doing

1023

00:44:17,450 --> 00:44:14,420

dealing with stone axes

1024

00:44:21,589 --> 00:44:17,460

obviously we've got the wrong gods

1025

00:44:24,290 --> 00:44:21,599

and and uh you know and and so they

1026

00:44:26,930 --> 00:44:24,300

abandoned their cultures and you see the

1027

00:44:30,950 --> 00:44:26,940

results of that in uh in like an

1028

00:44:33,230 --> 00:44:30,960

American Samoa which uh which has got a

1029

00:44:35,030 --> 00:44:33,240

very high rate of alcoholism and

1030

00:44:37,609 --> 00:44:35,040

alcoholism is endemic

1031

00:44:39,730 --> 00:44:37,619

throughout the Canadian and America and

1032

00:44:42,530 --> 00:44:39,740

and and and U.S

1033

00:44:44,569 --> 00:44:42,540

indigenous communities because they feel

1034

00:44:46,010 --> 00:44:44,579

disenfranchised

1035

00:44:48,890 --> 00:44:46,020

we're going to have the same thing

1036

00:44:52,130 --> 00:44:48,900

happen on a massive scale if they come

1037

00:44:54,109 --> 00:44:52,140

out in the wrong way from caddy she asks

1038

00:44:56,450 --> 00:44:54,119

do you think when we die we go on to

1039

00:44:58,849 --> 00:44:56,460

exist in a different state to our known

1040

00:45:00,950 --> 00:44:58,859

physical selves and that we share that

1041

00:45:03,050 --> 00:45:00,960

environment with life that once existed

1042

00:45:06,050 --> 00:45:03,060

existed physically elsewhere throughout

1043

00:45:08,210 --> 00:45:06,060

the Universe She adds in other words the

1044

00:45:10,910 --> 00:45:08,220

death of her physical being releases us

1045

00:45:12,710 --> 00:45:10,920

somehow to a shared place not bound to

1046

00:45:14,690 --> 00:45:12,720

very physically existed

1047

00:45:17,150 --> 00:45:14,700

if that makes sense

1048

00:45:19,790 --> 00:45:17,160

after my

1049

00:45:22,690 --> 00:45:19,800

wife and died and

1050

00:45:25,910 --> 00:45:22,700

in August of 2015.

1051
00:45:28,790 --> 00:45:25,920
she immediately returned

1052
00:45:32,809 --> 00:45:28,800
in very clever ways

1053
00:45:34,010 --> 00:45:32,819
that had been pre-arranged

1054
00:45:36,230 --> 00:45:34,020
and

1055
00:45:38,270 --> 00:45:36,240
to be specific

1056
00:45:40,130 --> 00:45:38,280
she came back to

1057
00:45:42,829 --> 00:45:40,140
friends

1058
00:45:44,030 --> 00:45:42,839
who had not been told of this

1059
00:45:48,170 --> 00:45:44,040
arrangement

1060
00:45:50,210 --> 00:45:48,180
the first of us who died

1061
00:45:53,569 --> 00:45:50,220
would come back

1062
00:45:56,690 --> 00:45:53,579
not to the other one but to friends and

1063
00:45:58,790 --> 00:45:56,700

tell the friends to communicate

1064

00:46:01,010 --> 00:45:58,800

and that happens started happening an

1065

00:46:03,290 --> 00:46:01,020

hour and a half after she passed away

1066

00:46:04,910 --> 00:46:03,300

and happened for a couple of weeks

1067

00:46:07,750 --> 00:46:04,920

thereafter

1068

00:46:11,569 --> 00:46:07,760

and I did succeed in getting into

1069

00:46:13,790 --> 00:46:11,579

verifiable communication with her

1070

00:46:16,609 --> 00:46:13,800

and I wrote a book about it called the

1071

00:46:19,970 --> 00:46:16,619

afterlife Revolution I wrote it with

1072

00:46:22,550 --> 00:46:19,980

Anne and Anne is as she put it right

1073

00:46:25,309 --> 00:46:22,560

after she passed away I'm not Anne

1074

00:46:26,210 --> 00:46:25,319

anymore but I will be always be and for

1075

00:46:31,069 --> 00:46:26,220

you

1076

00:46:33,710 --> 00:46:31,079

I think it is a fact

1077

00:46:36,530 --> 00:46:33,720

that we have lived many lives

1078

00:46:40,010 --> 00:46:36,540

who is living those lives it's not you

1079

00:46:42,230 --> 00:46:40,020

or me we're only here for one life but

1080

00:46:46,010 --> 00:46:42,240

someone else is living the lives

1081

00:46:48,589 --> 00:46:46,020

and whoever that is is who

1082

00:46:49,609 --> 00:46:48,599

we've become once again after we pass

1083

00:46:53,270 --> 00:46:49,619

away

1084

00:46:56,170 --> 00:46:53,280

and then we may go on to return to this

1085

00:46:59,630 --> 00:46:56,180

world or Another World quite possibly

1086

00:47:03,170 --> 00:46:59,640

or not to return at all

1087

00:47:04,910 --> 00:47:03,180

but Annie is still so much with me

1088

00:47:08,150 --> 00:47:04,920

that

1089

00:47:11,750 --> 00:47:08,160

I consider us to be two Souls

1090

00:47:14,569 --> 00:47:11,760

with one body left only and to honor

1091

00:47:17,390 --> 00:47:14,579

that I wear both her wedding ring and my

1092

00:47:19,370 --> 00:47:17,400

wedding ring side by side on

1093

00:47:22,370 --> 00:47:19,380

my left hand

1094

00:47:26,390 --> 00:47:22,380

she's on my pinky because she's much too

1095

00:47:30,130 --> 00:47:26,400

small to be on my my ring finger but to

1096

00:47:34,790 --> 00:47:30,140

honor that and uh she is very very

1097

00:47:37,210 --> 00:47:34,800

engaged in my life and in the lives of

1098

00:47:41,390 --> 00:47:37,220

many people and

1099

00:47:44,750 --> 00:47:41,400

she before she died

1100

00:47:46,550 --> 00:47:44,760

she in in January she died in August and

1101

00:47:48,890 --> 00:47:46,560

January without my knowing what she was

1102

00:47:51,349 --> 00:47:48,900

doing she started the process of

1103

00:47:54,170 --> 00:47:51,359

creating an avatar that could be

1104

00:47:55,609 --> 00:47:54,180

recognized after she died by anyone who

1105

00:47:57,950 --> 00:47:55,619

knew about it

1106

00:47:59,210 --> 00:47:57,960

uh it's a white moth and what happened

1107

00:48:02,150 --> 00:47:59,220

was

1108

00:48:04,490 --> 00:48:02,160

she began saying to me that I had to

1109

00:48:07,010 --> 00:48:04,500

memorize a certain point called song of

1110

00:48:09,109 --> 00:48:07,020

the wandering Angus by W.B Yates

1111

00:48:11,870 --> 00:48:09,119

and when I failed because I'm not good

1112

00:48:13,609 --> 00:48:11,880

at memories she cried and she was

1113

00:48:17,030 --> 00:48:13,619

already quite sick then but we didn't

1114

00:48:19,130 --> 00:48:17,040

see her death coming certainly I didn't

1115

00:48:21,890 --> 00:48:19,140

and she did but I didn't

1116

00:48:26,150 --> 00:48:21,900

and so I did memorize the poem

1117

00:48:28,250 --> 00:48:26,160

and one of the lines in the poem is when

1118

00:48:30,589 --> 00:48:28,260

white moths are on the wing

1119

00:48:31,309 --> 00:48:30,599

and the moth-like stars are flickering

1120

00:48:35,150 --> 00:48:31,319

out

1121

00:48:39,349 --> 00:48:35,160

that phrase white moths is important

1122

00:48:41,329 --> 00:48:39,359

and after she passed away this house as

1123

00:48:43,069 --> 00:48:41,339

you may imagine it was somebody like me

1124

00:48:44,589 --> 00:48:43,079

with all these experiences is filled

1125

00:48:47,750 --> 00:48:44,599

with cameras

1126

00:48:50,210 --> 00:48:47,760

I live in a sea of cameras I have for

1127

00:48:51,950 --> 00:48:50,220

years I've never gotten any visitors on

1128

00:48:54,050 --> 00:48:51,960

them but I certainly try

1129

00:48:57,349 --> 00:48:54,060

in any case

1130

00:48:58,790 --> 00:48:57,359

I was at a convention and this strange

1131

00:49:00,890 --> 00:48:58,800

thing one of the cameras started

1132

00:49:02,870 --> 00:49:00,900

reporting activity and I looked and

1133

00:49:04,250 --> 00:49:02,880

there was this moth flying around in

1134

00:49:07,130 --> 00:49:04,260

front of the camera

1135

00:49:09,770 --> 00:49:07,140

and I thought how odd how odd that a

1136

00:49:11,210 --> 00:49:09,780

moth would be there and how odd that it

1137

00:49:12,650 --> 00:49:11,220

would just fly back and forth in front

1138

00:49:13,730 --> 00:49:12,660

of the camera what could be going on in

1139

00:49:15,770 --> 00:49:13,740

my house

1140

00:49:18,410 --> 00:49:15,780

when I came back there were no moths

1141

00:49:20,510 --> 00:49:18,420

there was nothing no sign of anything

1142

00:49:22,250 --> 00:49:20,520

this happened a number of times and

1143

00:49:23,329 --> 00:49:22,260

finally someone said to me well you know

1144

00:49:24,670 --> 00:49:23,339

Whitley

1145

00:49:27,170 --> 00:49:24,680

uh

1146

00:49:29,329 --> 00:49:27,180

I have a feeling that moth has some

1147

00:49:31,609 --> 00:49:29,339

psychic significance

1148

00:49:33,829 --> 00:49:31,619

and then I remembered the poem The White

1149

00:49:35,089 --> 00:49:33,839

must and then I remembered the critical

1150

00:49:38,510 --> 00:49:35,099

thing

1151

00:49:41,630 --> 00:49:38,520

her favorite short story of mine had

1152

00:49:45,410 --> 00:49:41,640

been called the white moths

1153

00:49:47,809 --> 00:49:45,420

and it's about an old woman who dies and

1154

00:49:49,750 --> 00:49:47,819

it and is in the process of discovering

1155

00:49:51,530 --> 00:49:49,760

that she has died

1156

00:49:55,730 --> 00:49:51,540

and then

1157

00:49:58,790 --> 00:49:55,740

the white moth became very organized

1158

00:50:02,150 --> 00:49:58,800

and it it would show up like I was

1159

00:50:04,730 --> 00:50:02,160

telling my son about the white moth one

1160

00:50:05,990 --> 00:50:04,740

day before Christmas on the on the day

1161

00:50:09,109 --> 00:50:06,000

before Christmas

1162

00:50:11,990 --> 00:50:09,119

a few weeks after this started

1163

00:50:13,910 --> 00:50:12,000

and I was at his house and which is

1164

00:50:16,670 --> 00:50:13,920

another part of California

1165

00:50:19,550 --> 00:50:16,680

and the camera

1166

00:50:21,890 --> 00:50:19,560

suddenly sent a signal saying it was

1167

00:50:23,569 --> 00:50:21,900

seeing movement and when we looked there

1168

00:50:25,550 --> 00:50:23,579

was the white moth flying back and forth

1169

00:50:27,290 --> 00:50:25,560

of the front of the camera while I was

1170

00:50:30,170 --> 00:50:27,300

telling him about it

1171

00:50:33,650 --> 00:50:30,180

and then I I was at a conference a big

1172

00:50:34,910 --> 00:50:33,660

Conference of Scholars and academics and

1173

00:50:38,510 --> 00:50:34,920

scientists

1174

00:50:40,130 --> 00:50:38,520

and explaining the white moth and the

1175

00:50:42,890 --> 00:50:40,140

whole story of Anne's afterlife

1176
00:50:45,410 --> 00:50:42,900
experience and so forth with them and

1177
00:50:47,630 --> 00:50:45,420
right in the middle of this conference

1178
00:50:49,790 --> 00:50:47,640
a white moth appears in the conference

1179
00:50:51,589 --> 00:50:49,800
room and begins to fly around the

1180
00:50:54,109 --> 00:50:51,599
concert's room everyone is clapping and

1181
00:50:55,609 --> 00:50:54,119
cheering of course because it's in a

1182
00:50:56,690 --> 00:50:55,619
situation where it couldn't have just

1183
00:51:00,290 --> 00:50:56,700
appeared

1184
00:51:03,230 --> 00:51:00,300
and then not only that it lands on the

1185
00:51:04,910 --> 00:51:03,240
head of a man called Jeremy vaney who

1186
00:51:06,470 --> 00:51:04,920
was a podcaster who was a great favorite

1187
00:51:08,930 --> 00:51:06,480
of ants

1188
00:51:11,930 --> 00:51:08,940

and so I take a picture of the white

1189

00:51:14,089 --> 00:51:11,940

moth sitting on his head and it flies up

1190

00:51:16,309 --> 00:51:14,099

flies into the middle of the room and

1191

00:51:17,690 --> 00:51:16,319

just evaporates just before all of our

1192

00:51:19,490 --> 00:51:17,700

eyes

1193

00:51:22,670 --> 00:51:19,500

that was remarkable

1194

00:51:25,069 --> 00:51:22,680

so that tells me this

1195

00:51:26,390 --> 00:51:25,079

there is an afterlife

1196

00:51:28,549 --> 00:51:26,400

questioner

1197

00:51:30,950 --> 00:51:28,559

and I've told you all I know about it

1198

00:51:34,549 --> 00:51:30,960

which is more than most I think at this

1199

00:51:38,870 --> 00:51:34,559

point as to the details of where we go

1200

00:51:41,990 --> 00:51:38,880

and what it may be like that is

1201

00:51:43,790 --> 00:51:42,000

behind the veil from you still

1202

00:51:45,829 --> 00:51:43,800

I appreciate you talking here directly

1203

00:51:47,450 --> 00:51:45,839

about your wife as well and I spoke to

1204

00:51:49,670 --> 00:51:47,460

my wife just before coming to record

1205

00:51:52,130 --> 00:51:49,680

this and I told her about your your

1206

00:51:54,770 --> 00:51:52,140

story of The Pact he had with your wife

1207

00:51:57,109 --> 00:51:54,780

and and she was telling me she it gave

1208

00:51:59,630 --> 00:51:57,119

her a lot about Comfort the idea that

1209

00:52:01,870 --> 00:51:59,640

there is something after but the idea

1210

00:52:04,490 --> 00:52:01,880

also still scares her slightly that

1211

00:52:06,530 --> 00:52:04,500

things continue so she wasn't too sure

1212

00:52:08,150 --> 00:52:06,540

what to think of it but thanks for for

1213

00:52:10,190 --> 00:52:08,160

sharing that story

1214

00:52:12,950 --> 00:52:10,200

um a couple of questions uh to finish

1215

00:52:14,990 --> 00:52:12,960

off one from Brian Brian asks are

1216

00:52:16,730 --> 00:52:15,000

abductions or engagements like this

1217

00:52:18,470 --> 00:52:16,740

still happening in the world as

1218

00:52:21,109 --> 00:52:18,480

frequently from what you've heard or

1219

00:52:22,970 --> 00:52:21,119

know it seems like Abduction cases have

1220

00:52:24,290 --> 00:52:22,980

fallen off and why do you think that may

1221

00:52:26,930 --> 00:52:24,300

be

1222

00:52:30,170 --> 00:52:26,940

I think that the abductions were a

1223

00:52:33,589 --> 00:52:30,180

collection effort they collected sexual

1224

00:52:35,510 --> 00:52:33,599

material and probably DNA and not just

1225

00:52:38,030 --> 00:52:35,520

from us I think they probably collected

1226

00:52:42,410 --> 00:52:38,040

it from animals and plants too I think

1227

00:52:47,270 --> 00:52:42,420

they probably made a a

1228

00:52:50,349 --> 00:52:47,280

a kind of a library of life on Earth

1229

00:52:53,750 --> 00:52:50,359

and it seems it started back in the

1230

00:52:56,030 --> 00:52:53,760

1960s and the late 1960s and went up

1231

00:52:57,290 --> 00:52:56,040

through the mid-1990s and dropped off

1232

00:53:00,049 --> 00:52:57,300

after that

1233

00:53:01,849 --> 00:53:00,059

and I think it was basically a

1234

00:53:04,670 --> 00:53:01,859

scientific effort and I think it was

1235

00:53:07,609 --> 00:53:04,680

done because they believe that life on

1236

00:53:09,770 --> 00:53:07,619

this planet has a limited future they've

1237

00:53:12,109 --> 00:53:09,780

been warning about climate change from

1238

00:53:14,809 --> 00:53:12,119

the very beginning of my experience

1239

00:53:16,849 --> 00:53:14,819

and that's true in the lives of many

1240

00:53:18,950 --> 00:53:16,859

many close encounter Witnesses

1241

00:53:22,210 --> 00:53:18,960

and yet we live in a world where it's

1242

00:53:25,730 --> 00:53:22,220

considered unimportant and it's denied

1243

00:53:28,790 --> 00:53:25,740

but in Europe right now to a lesser

1244

00:53:31,130 --> 00:53:28,800

extent in the UK there's a catastrophic

1245

00:53:33,549 --> 00:53:31,140

drought there's a catastrophic drought

1246

00:53:37,250 --> 00:53:33,559

in the Western United States

1247

00:53:40,309 --> 00:53:37,260

none floods and inundations the climate

1248

00:53:41,329 --> 00:53:40,319

is in upheaval and that will only get

1249

00:53:43,130 --> 00:53:41,339

worse

1250

00:53:46,849 --> 00:53:43,140

so they were right

1251

00:53:48,890 --> 00:53:46,859

and I think that they

1252

00:53:51,589 --> 00:53:48,900

this is insurance

1253

00:53:55,010 --> 00:53:51,599

so that there will be a record of us

1254

00:53:58,190 --> 00:53:55,020

after we're gone if we go and I think

1255

00:54:01,130 --> 00:53:58,200

that is still very much an open question

1256

00:54:03,530 --> 00:54:01,140

and one final question from Tim he asks

1257

00:54:05,870 --> 00:54:03,540

please ask Whitley about his time with

1258

00:54:09,410 --> 00:54:05,880

the Bledsoe family why and whatley's

1259

00:54:11,930 --> 00:54:09,420

opinion as their case so unique

1260

00:54:15,670 --> 00:54:11,940

the Bledsoe family yes

1261

00:54:18,950 --> 00:54:15,680

uh you well I don't talk much about

1262

00:54:22,250 --> 00:54:18,960

person personal things like you'd have

1263

00:54:26,510 --> 00:54:22,260

to ask Chris belitso that question uh I

1264

00:54:29,150 --> 00:54:26,520

but I do think that some some cases if

1265

00:54:31,490 --> 00:54:29,160

you if you notice this

1266

00:54:33,950 --> 00:54:31,500

and then turn toward it

1267

00:54:36,790 --> 00:54:33,960

it is going to notice you and turn

1268

00:54:40,730 --> 00:54:36,800

toward you and that is

1269

00:54:42,530 --> 00:54:40,740

quite a familiar pattern in all the

1270

00:54:44,710 --> 00:54:42,540

people who have had extensive Close

1271

00:54:46,910 --> 00:54:44,720

Encounters mostly

1272

00:54:48,650 --> 00:54:46,920

occasionally there are people who they

1273

00:54:50,329 --> 00:54:48,660

just won't leave alone

1274

00:54:53,089 --> 00:54:50,339

but mostly there are people who

1275

00:54:55,130 --> 00:54:53,099

basically turn toward it like I did or

1276

00:54:58,430 --> 00:54:55,140

and others have

1277

00:55:00,829 --> 00:54:58,440

uh and when you turn toward it

1278

00:55:03,829 --> 00:55:00,839

it turns toward you

1279

00:55:05,930 --> 00:55:03,839

that's essentially it right but to I I

1280

00:55:07,730 --> 00:55:05,940

would prefer not to discuss specific

1281

00:55:10,130 --> 00:55:07,740

people

1282

00:55:11,809 --> 00:55:10,140

no that's fine hopefully Mr Bledsoe is

1283

00:55:14,510 --> 00:55:11,819

going to be on the podcast at later in

1284

00:55:16,190 --> 00:55:14,520

the year with his book UFO of God due

1285

00:55:18,530 --> 00:55:16,200

out so I'm in the queue for an interview

1286

00:55:20,630 --> 00:55:18,540

there so fingers crossed that one that

1287

00:55:22,190 --> 00:55:20,640

one comes through and Whitley you've

1288

00:55:23,809 --> 00:55:22,200

been wonderful with your time uh

1289

00:55:25,910 --> 00:55:23,819

apologies to those who I couldn't get to

1290

00:55:27,650 --> 00:55:25,920

your questions and but I'm very much

1291

00:55:29,750 --> 00:55:27,660

looking forward to meeting you and the

1292

00:55:32,750 --> 00:55:29,760

other guests at The Awakening Expo

1293

00:55:35,270 --> 00:55:32,760

October 16 2022 at the Best Western

1294

00:55:38,150 --> 00:55:35,280

Hotel Smokey's Park Conference Center

1295

00:55:40,069 --> 00:55:38,160

and Ashton underline the tickets are

1296

00:55:41,809 --> 00:55:40,079

still available and the link is in the

1297

00:55:43,190 --> 00:55:41,819

description I would encourage you if you

1298

00:55:45,109 --> 00:55:43,200

can to get yourselves along it's going

1299

00:55:47,030 --> 00:55:45,119

to be a wonderful day and really it was

1300

00:55:49,970 --> 00:55:47,040

a pleasure speaking with you well thank

1301
00:55:52,130 --> 00:55:49,980
you and I'm I'm very open you know don't

1302
00:55:53,809 --> 00:55:52,140
be afraid to approach me I'll be there

1303
00:55:56,030 --> 00:55:53,819
with a bunch of friends and we expect to

1304
00:55:58,130 --> 00:55:56,040
have a lot of fun Folks at the start of

1305
00:56:00,170 --> 00:55:58,140
this year I got a bit of a health scare

1306
00:56:02,150 --> 00:56:00,180
and it kick-started me to getting fitter

1307
00:56:04,910 --> 00:56:02,160
healthier and generally looking after

1308
00:56:07,010 --> 00:56:04,920
myself better a healthier breakfast was

1309
00:56:08,150 --> 00:56:07,020
high on my priority list and it should

1310
00:56:10,849 --> 00:56:08,160
be for YouTube

1311
00:56:13,309 --> 00:56:10,859
magic spoon is the perfect way to get in

1312
00:56:14,809 --> 00:56:13,319
your morning protein eating cereal that

1313
00:56:17,030 --> 00:56:14,819

tastes like it did when you were a kid

1314

00:56:19,069 --> 00:56:17,040

without all the bad stuff I can promise

1315

00:56:21,290 --> 00:56:19,079

you there is nothing unidentified in

1316

00:56:24,049 --> 00:56:21,300

this cereal the variety pack has four

1317

00:56:27,049 --> 00:56:24,059

flavors including cocoa fruity frosted

1318

00:56:30,290 --> 00:56:27,059

and peanut butter this pack has 0 grams

1319

00:56:32,930 --> 00:56:30,300

of sugar 13 to 14 grams of protein and

1320

00:56:35,930 --> 00:56:32,940

only 4 net grams of carbs that are only

1321

00:56:38,510 --> 00:56:35,940

140 calories per serving it's keto

1322

00:56:41,210 --> 00:56:38,520

friendly gluten free grain free soy free

1323

00:56:43,309 --> 00:56:41,220

and low carb it's delicious but super

1324

00:56:45,890 --> 00:56:43,319

healthy cereal that really brings joy to

1325

00:56:48,890 --> 00:56:45,900

your mornings afternoons or actually any

1326

00:56:51,589 --> 00:56:48,900

time of day go to magicspoon.com forward

and use that code that UFO to save five

1339

00:57:23,450 --> 00:57:20,819

dollars off thank you magicspoon for

1340

00:57:25,370 --> 00:57:23,460

sponsoring this episode that is all for

1341

00:57:27,470 --> 00:57:25,380

this week's show thank you very much for

1342

00:57:29,690 --> 00:57:27,480

listening please remember to leave the

1343

00:57:32,990 --> 00:57:29,700

podcast a review on your chosen platform

1344

00:57:35,030 --> 00:57:33,000

you can like retweet And subscribe that

1345

00:57:37,010 --> 00:57:35,040

would all be very much appreciated the

1346

00:57:38,930 --> 00:57:37,020

shows are being uploaded onto YouTube as

1347

00:57:41,569 --> 00:57:38,940

we speak more and more you can sign up

1348

00:57:43,910 --> 00:57:41,579

at patreon.com forward slash that UFO

1349

00:57:46,250 --> 00:57:43,920

podcast access it shows ad free as well

1350

00:57:49,309 --> 00:57:46,260

please get in touch on Twitter Facebook

1351
00:57:52,910 --> 00:57:49,319
Instagram that UFO podcast of course on

1352
00:57:55,010 --> 00:57:52,920
Twitter it's at UFO UAP am and again

1353
00:57:57,390 --> 00:57:55,020
folks as always keep looking up you

1354
00:58:24,530 --> 00:57:57,400
never know what you might see

1355
00:58:24,540 --> 00:58:32,950
[Music]

1356
00:58:32,960 --> 00:58:47,569
I can't imagine

1357
00:58:47,579 --> 00:59:08,300
foreign

1358
00:59:54,970 --> 00:59:22,950
[Music]

1359
01:00:16,010 --> 00:59:57,400
once it is

1360
01:00:42,810 --> 01:00:36,640
[Music]

1361
01:00:51,900 --> 01:00:42,820
thank you
