

FROM THE ARCHIVES

RYAN
BLEDSOE

1
00:00:06,190 --> 00:00:02,570
this is Ross coultart and you are

2
00:00:11,629 --> 00:00:06,200
listening to that UFO podcast

3
00:00:16,189 --> 00:00:13,549
hey everyone and welcome back to that

4
00:00:18,170 --> 00:00:16,199
UFO podcast as always my name is Andy

5
00:00:19,730 --> 00:00:18,180
and just want to start off by thanking

6
00:00:22,070 --> 00:00:19,740
everyone for the feedback from the

7
00:00:23,630 --> 00:00:22,080
recent George Knapp interview obviously

8
00:00:25,310 --> 00:00:23,640
it was a great honor and pleasure for me

9
00:00:26,990 --> 00:00:25,320
speaking to someone like George Knapp

10
00:00:29,029 --> 00:00:27,000
and it certainly stirred up a little bit

11
00:00:31,550 --> 00:00:29,039
of controversy particularly George

12
00:00:33,170 --> 00:00:31,560
talking about security clearances that

13
00:00:36,590 --> 00:00:33,180

he may not have been offered in the past

14

00:00:38,389 --> 00:00:36,600

and his comment of uh alien bodies being

15

00:00:39,889 --> 00:00:38,399

thrown in there certainly was uh I had a

16

00:00:41,930 --> 00:00:39,899

lot of DMS about that put it that way

17

00:00:43,190 --> 00:00:41,940

from from some familiar faces you might

18

00:00:45,110 --> 00:00:43,200

have heard about

19

00:00:46,850 --> 00:00:45,120

um later myself this uh later this week

20

00:00:48,709 --> 00:00:46,860

myself and Dan are going to record a

21

00:00:50,510 --> 00:00:48,719

little bit of a bonus show and we are

22

00:00:52,430 --> 00:00:50,520

going to be discussing understudied and

23

00:00:54,709 --> 00:00:52,440

underappreciated aspects of the

24

00:00:56,689 --> 00:00:54,719

phenomenon uh upcoming shows after that

25

00:00:58,729 --> 00:00:56,699

we'll have some bricks on Malcolm

26

00:01:00,709 --> 00:00:58,739

Robinson pulse and Claire and then Steve

27

00:01:02,990 --> 00:01:00,719

Bassett will be joining me as well later

28

00:01:04,549 --> 00:01:03,000

on in the month also just confirmed Tim

29

00:01:06,649 --> 00:01:04,559

McMillan is going to be coming back on

30

00:01:08,690 --> 00:01:06,659

for the part two and Tim will be

31

00:01:10,070 --> 00:01:08,700

discussing the debrief uh the UAP task

32

00:01:13,250 --> 00:01:10,080

force reporting a little bit more as

33

00:01:14,630 --> 00:01:13,260

well so stay tuned for all of but very

34

00:01:16,310 --> 00:01:14,640

much been looking forward to the podcast

35

00:01:17,929 --> 00:01:16,320

today I say that all the time but I am

36

00:01:20,090 --> 00:01:17,939

looking forward to this one a little bit

37

00:01:22,730 --> 00:01:20,100

extra it's rescheduled from a few weeks

38

00:01:24,770 --> 00:01:22,740

ago on the Pod with me uh is Ryan

39

00:01:26,749 --> 00:01:24,780

Bledsoe who is family as you have

40

00:01:29,749 --> 00:01:26,759

probably had the surname is one of the

41

00:01:31,609 --> 00:01:29,759

most foremost experiences of phenomenon

42

00:01:33,469 --> 00:01:31,619

not just the phenomenon but phenomenon

43

00:01:35,270 --> 00:01:33,479

on the planet so thanks for coming on

44

00:01:36,950 --> 00:01:35,280

Ryan welcome to the podcast

45

00:01:39,289 --> 00:01:36,960

thank you Andy I'm happy to be here

46

00:01:41,929 --> 00:01:39,299

sorry about the reschedule but it seemed

47

00:01:43,969 --> 00:01:41,939

to kind of line up really nice today so

48

00:01:45,350 --> 00:01:43,979

it has no no less than that it's worked

49

00:01:46,730 --> 00:01:45,360

out absolutely fine man and people have

50

00:01:48,289 --> 00:01:46,740

got lives that go on in the background

51

00:01:50,630 --> 00:01:48,299

do these things as well

52

00:01:52,130 --> 00:01:50,640

um but it's great to have you on uh a

53

00:01:53,990 --> 00:01:52,140

ton of last night questions a ton of

54

00:01:55,609 --> 00:01:54,000

interest in this one even when it got

55

00:01:59,270 --> 00:01:55,619

rescheduled had loads of messages and

56

00:02:01,190 --> 00:01:59,280

emails of when Ryan coming on so uh very

57

00:02:03,710 --> 00:02:01,200

much let's get into it because there's a

58

00:02:05,510 --> 00:02:03,720

lot to go through as well now I want to

59

00:02:07,370 --> 00:02:05,520

start right at the top right for anyone

60

00:02:09,229 --> 00:02:07,380

who doesn't know yourself or your

61

00:02:11,510 --> 00:02:09,239

family's story of which there will be

62

00:02:13,070 --> 00:02:11,520

some listeners where does it begin and

63

00:02:14,990 --> 00:02:13,080

how far back does your family's

64

00:02:17,690 --> 00:02:15,000

experiences go

65

00:02:19,910 --> 00:02:17,700

okay so the story

66

00:02:23,089 --> 00:02:19,920

um in its official capacity begins in

67

00:02:26,030 --> 00:02:23,099

2007 I'm sure most people who are aware

68

00:02:27,949 --> 00:02:26,040

of who I am know that my dad is um

69

00:02:29,449 --> 00:02:27,959

Christopher lens Bledsoe senior he had

70

00:02:32,809 --> 00:02:29,459

his initial

71

00:02:35,330 --> 00:02:32,819

um you know major encounter in 2007 but

72

00:02:38,089 --> 00:02:35,340

as I said on um Fade to Black with Jimmy

73

00:02:40,190 --> 00:02:38,099

Church recently we did actually

74

00:02:42,290 --> 00:02:40,200

see something some years before that but

75

00:02:43,550 --> 00:02:42,300

it wasn't anything super crazy it was

76

00:02:46,250 --> 00:02:43,560

just like a light in the sky but it was

77

00:02:47,990 --> 00:02:46,260

very close we knew it wasn't a plane

78

00:02:49,490 --> 00:02:48,000

um the earliest I can recall a sighting

79

00:02:53,570 --> 00:02:49,500

is definitely

80

00:02:59,869 --> 00:02:57,589

um maybe 2001 but again in the official

81

00:03:01,610 --> 00:02:59,879

capacity it begins in 2007 without a

82

00:03:03,350 --> 00:03:01,620

doubt um did you want me to go into that

83

00:03:04,850 --> 00:03:03,360

at all or just we just kind of yeah yeah

84

00:03:06,170 --> 00:03:04,860

please lesson tell it tell us what's

85

00:03:10,369 --> 00:03:06,180

been going on tell us what's happening

86

00:03:12,470 --> 00:03:10,379

okay so in 2007 my father

87

00:03:15,170 --> 00:03:12,480

um was really down and out

88

00:03:17,390 --> 00:03:15,180

he had Crohn's disease

89

00:03:19,729 --> 00:03:17,400

um it's not necessarily fatal but it's

90

00:03:23,570 --> 00:03:19,739

very debilitating to day-to-day life

91

00:03:26,210 --> 00:03:23,580

it's you know basically incurable

92

00:03:28,729 --> 00:03:26,220

he was running a huge construction

93

00:03:31,850 --> 00:03:28,739

operation which obviously requires a lot

94

00:03:34,430 --> 00:03:31,860

of mental fortitude and between the

95

00:03:36,830 --> 00:03:34,440

Crohn's and the stress he was seeing a

96

00:03:40,130 --> 00:03:36,840

doctor at the time who in the community

97

00:03:41,630 --> 00:03:40,140

was it was later found out that he gave

98

00:03:43,430 --> 00:03:41,640

um a lot of people some really toxic

99

00:03:44,930 --> 00:03:43,440

medications and it nearly killed my

100

00:03:48,009 --> 00:03:44,940

father he was actually pronounced dead

101
00:03:50,149 --> 00:03:48,019
at one point something about his

102
00:03:51,350 --> 00:03:50,159
triglyceride count being so high that

103
00:03:53,630 --> 00:03:51,360
his body just couldn't make it anymore

104
00:03:54,890 --> 00:03:53,640
he had an out-of-body experience not

105
00:03:59,210 --> 00:03:54,900
many people know this I don't know if my

106
00:04:01,729 --> 00:03:59,220
dad's ever mentioned it but um it he was

107
00:04:03,770 --> 00:04:01,739
revived and you know it kind of messed

108
00:04:06,949 --> 00:04:03,780
with his physical health for a while and

109
00:04:10,369 --> 00:04:06,959
that's leading up to 2007 where he was

110
00:04:12,830 --> 00:04:10,379
so distraught from you know being ill

111
00:04:13,509 --> 00:04:12,840
having the Crohn's

112
00:04:16,370 --> 00:04:13,519
um

113
00:04:20,810 --> 00:04:16,380

basically having to give the business

114

00:04:21,530 --> 00:04:20,820

away you know on his literal death bed

115

00:04:23,510 --> 00:04:21,540

um

116

00:04:25,730 --> 00:04:23,520

he went out to the river fishing and he

117

00:04:28,670 --> 00:04:25,740

basically said God kill me or heal me

118

00:04:30,530 --> 00:04:28,680

you know take me away or make things

119

00:04:33,110 --> 00:04:30,540

right with me I'm giving it to you

120

00:04:35,450 --> 00:04:33,120

giving my life to you and

121

00:04:37,730 --> 00:04:35,460

um then the whole UFO thing happened you

122

00:04:38,930 --> 00:04:37,740

saw the lights in the sky I could just

123

00:04:40,670 --> 00:04:38,940

gloss over that a little bit because I'm

124

00:04:41,990 --> 00:04:40,680

sure your listeners and in some way know

125

00:04:43,129 --> 00:04:42,000

the story and have heard it millions of

126
00:04:45,770 --> 00:04:43,139
times

127
00:04:47,629 --> 00:04:45,780
but basically he saw these two lights

128
00:04:50,330 --> 00:04:47,639
and then a third one came up and they

129
00:04:53,330 --> 00:04:50,340
looked like about as big as the sun in

130
00:04:56,030 --> 00:04:53,340
the in the um you know evening sky and

131
00:04:58,550 --> 00:04:56,040
he had four hours of missing time walked

132
00:05:01,490 --> 00:04:58,560
back down to the embankment where the

133
00:05:03,409 --> 00:05:01,500
river is and my brother was searching

134
00:05:05,150 --> 00:05:03,419
for my dad for hours and on top of that

135
00:05:07,310 --> 00:05:05,160
for two hours he was pinned down in the

136
00:05:08,870 --> 00:05:07,320
woods and when I say pinned down I don't

137
00:05:09,890 --> 00:05:08,880
mean physically I mean there were these

138
00:05:11,870 --> 00:05:09,900

two

139

00:05:13,610 --> 00:05:11,880

um little beings with glowing red eyes

140

00:05:15,409 --> 00:05:13,620

that basically wouldn't let it move when

141

00:05:17,390 --> 00:05:15,419

they looked at him so for for about two

142

00:05:19,969 --> 00:05:17,400

hours there my brother was just like in

143

00:05:21,950 --> 00:05:19,979

shock in horror staring at these glowing

144

00:05:23,570 --> 00:05:21,960

beings and then

145

00:05:24,950 --> 00:05:23,580

sometime before that they had also been

146

00:05:27,110 --> 00:05:24,960

searching for my dad so four hours of

147

00:05:29,810 --> 00:05:27,120

missing time it was a you know full-on

148

00:05:31,909 --> 00:05:29,820

contact thing and um here we are today

149

00:05:33,830 --> 00:05:31,919

so

150

00:05:36,290 --> 00:05:33,840

and I think for most people it

151
00:05:37,790 --> 00:05:36,300
experiences the the story that like you

152
00:05:39,529 --> 00:05:37,800
say you've you've kind of glossed over

153
00:05:41,930 --> 00:05:39,539
because it's been told so many times and

154
00:05:43,550 --> 00:05:41,940
I appreciate you just revisiting it that

155
00:05:46,610 --> 00:05:43,560
that is the whole story and that is an

156
00:05:49,010 --> 00:05:46,620
experience with the phenomenon but for

157
00:05:51,529 --> 00:05:49,020
your father and your family that's the

158
00:05:53,689 --> 00:05:51,539
beginning of so much more that's gone on

159
00:05:54,770 --> 00:05:53,699
since and and continues to happen to

160
00:05:57,290 --> 00:05:54,780
this day and that's what we're going to

161
00:05:59,210 --> 00:05:57,300
look at and that's what makes the story

162
00:06:01,909 --> 00:05:59,220
that's happening still

163
00:06:03,590 --> 00:06:01,919

all the more fascinating as well and

164

00:06:05,330 --> 00:06:03,600

even more so that it started with your

165

00:06:06,710 --> 00:06:05,340

dad but you've got more and more

166

00:06:08,749 --> 00:06:06,720

involved especially with the social

167

00:06:09,950 --> 00:06:08,759

media presence I don't know if that's an

168

00:06:11,330 --> 00:06:09,960

age thing

169

00:06:12,830 --> 00:06:11,340

um obviously it's it's probably a bit

170

00:06:14,270 --> 00:06:12,840

stupid to say you're younger than your

171

00:06:15,770 --> 00:06:14,280

father because most people are younger

172

00:06:18,290 --> 00:06:15,780

than their fathers that's how it tends

173

00:06:19,909 --> 00:06:18,300

to work biologically uh but you've got

174

00:06:22,010 --> 00:06:19,919

really involved and you talk to people

175

00:06:24,469 --> 00:06:22,020

on different platforms like Facebook and

176

00:06:25,969 --> 00:06:24,479

Twitter and people do really appreciate

177

00:06:28,430 --> 00:06:25,979

that and obviously gravitate towards

178

00:06:30,350 --> 00:06:28,440

that as well now you did mention your

179

00:06:32,450 --> 00:06:30,360

father before it had started had that

180

00:06:34,550 --> 00:06:32,460

out of body experience and that's not

181

00:06:35,809 --> 00:06:34,560

something I've heard of previously I

182

00:06:38,330 --> 00:06:35,819

don't know if it has been mentioned or

183

00:06:40,909 --> 00:06:38,340

not but thanks for sharing that do you

184

00:06:43,730 --> 00:06:40,919

think that does have any correlation to

185

00:06:45,950 --> 00:06:43,740

what then happened later on do you think

186

00:06:47,950 --> 00:06:45,960

that the phenomenon is that almost a

187

00:06:51,650 --> 00:06:47,960

gateway to what's happened

188

00:06:53,930 --> 00:06:51,660

100 now I'm not sure if this is anything

189

00:06:55,969 --> 00:06:53,940

that my father has mentioned but you

190

00:06:58,670 --> 00:06:55,979

know going forward

191

00:06:59,689 --> 00:06:58,680

we've got to realize here that kind of

192

00:07:01,909 --> 00:06:59,699

the

193

00:07:03,290 --> 00:07:01,919

um relationship of being his son I've

194

00:07:05,809 --> 00:07:03,300

probably had more chats with him about

195

00:07:08,390 --> 00:07:05,819

this than anybody in the world and I

196

00:07:09,890 --> 00:07:08,400

remember things that we've discussed

197

00:07:12,290 --> 00:07:09,900

that he doesn't remember when he's

198

00:07:14,029 --> 00:07:12,300

speaking publicly and I could tell you

199

00:07:15,529 --> 00:07:14,039

some of the interest has come from the

200

00:07:17,930 --> 00:07:15,539

near-death experiences like John B

201
00:07:20,029 --> 00:07:17,940
Alexander Colonel John Alexander

202
00:07:21,770 --> 00:07:20,039
um I want to say his Doctorate isn't

203
00:07:23,270 --> 00:07:21,780
thanatology are you familiar with

204
00:07:25,850 --> 00:07:23,280
Colonel John B Alexander like project

205
00:07:29,330 --> 00:07:25,860
Stargate remote viewing

206
00:07:30,529 --> 00:07:29,340
yeah okay okay so you know he's um just

207
00:07:33,230 --> 00:07:30,539
for the listener who doesn't know he's

208
00:07:35,450 --> 00:07:33,240
very involved with our family

209
00:07:38,390 --> 00:07:35,460
um he has written a book recently called

210
00:07:40,730 --> 00:07:38,400
reality denied and he wanted my dad to

211
00:07:42,529 --> 00:07:40,740
be the first chapter and the editor said

212
00:07:45,890 --> 00:07:42,539
no no you need an intro make a chapter

213
00:07:48,290 --> 00:07:45,900

two but um John was very interested in

214

00:07:51,589 --> 00:07:48,300

my father one reason particularly

215

00:07:54,409 --> 00:07:51,599

because he's had two out of body ndes

216

00:07:57,350 --> 00:07:54,419

when my dad was nine or ten years old he

217

00:08:00,230 --> 00:07:57,360

was shot in the back on accident by his

218

00:08:03,710 --> 00:08:00,240

best friend in a hunting

219

00:08:06,170 --> 00:08:03,720

um accident with a shotgun and he was he

220

00:08:09,110 --> 00:08:06,180

he basically died I mean the the lead

221

00:08:12,650 --> 00:08:09,120

pellets were centimeters away from his

222

00:08:14,930 --> 00:08:12,660

heart there's a giant scar

223

00:08:17,270 --> 00:08:14,940

behind his heart on his back to this day

224

00:08:18,529 --> 00:08:17,280

and if they had even operated on it and

225

00:08:19,850 --> 00:08:18,539

tried to remove the pellets it would

226

00:08:21,469 --> 00:08:19,860

have destroyed his heart like he still

227

00:08:24,589 --> 00:08:21,479

has pellets in his body it was it was

228

00:08:26,210 --> 00:08:24,599

very a brutal accident he missed um the

229

00:08:28,610 --> 00:08:26,220

rest of whatever school year he was in

230

00:08:32,870 --> 00:08:28,620

and I think that was the beginning

231

00:08:35,209 --> 00:08:32,880

of his whole nde thing and my entire

232

00:08:37,130 --> 00:08:35,219

life and his entire life everyone asked

233

00:08:39,949 --> 00:08:37,140

Chris what's it like to die

234

00:08:42,709 --> 00:08:39,959

and he has said this even before the

235

00:08:44,510 --> 00:08:42,719

contact thing in 2007 he always says the

236

00:08:46,250 --> 00:08:44,520

second I was shot by that shotgun I left

237

00:08:48,410 --> 00:08:46,260

my body and I was on a platform and I

238

00:08:50,630 --> 00:08:48,420

went into space

239

00:08:52,250 --> 00:08:50,640

um he remembers kind of like the Silver

240

00:08:54,590 --> 00:08:52,260

Surfer standing on a little thing and

241

00:08:58,190 --> 00:08:54,600

just going in into space it was it was

242

00:09:00,290 --> 00:08:58,200

out of body so then before 2007 when he

243

00:09:03,590 --> 00:09:00,300

also was you know basically pronounced

244

00:09:06,050 --> 00:09:03,600

dead um from his medical ailments or

245

00:09:07,430 --> 00:09:06,060

what have you

246

00:09:10,190 --> 00:09:07,440

I don't think he's ever said this before

247

00:09:11,990 --> 00:09:10,200

but his body or his his I guess you

248

00:09:14,329 --> 00:09:12,000

could say Spirit or Consciousness left

249

00:09:16,610 --> 00:09:14,339

his body and he read the name tag of the

250

00:09:19,009 --> 00:09:16,620

doctor in the room freaked my mom out so

251

00:09:21,110 --> 00:09:19,019

bad that uh he knew the doctor's name

252

00:09:23,150 --> 00:09:21,120

that he didn't meet while he was awake

253

00:09:26,990 --> 00:09:23,160

I've heard that one pretty much my whole

254

00:09:30,110 --> 00:09:27,000

life too so John B Alexander uh invited

255

00:09:33,110 --> 00:09:30,120

my father and I to a um

256

00:09:35,750 --> 00:09:33,120

like a conference he was speaking at at

257

00:09:37,190 --> 00:09:35,760

the Rhine center near um Duke University

258

00:09:39,170 --> 00:09:37,200

a lot of people will know what the Rhine

259

00:09:40,850 --> 00:09:39,180

Center is it's like one of the big

260

00:09:41,750 --> 00:09:40,860

paranormal

261

00:09:44,630 --> 00:09:41,760

um

262

00:09:48,230 --> 00:09:44,640

research centers in America started by

263

00:09:50,750 --> 00:09:48,240

JB Ryan anyway so Dr John Alexander gave

264

00:09:53,509 --> 00:09:50,760

an entire present presentation on ndes

265

00:09:56,449 --> 00:09:53,519

and in his opinion near-death

266

00:09:59,509 --> 00:09:56,459

experiences can be a catalyst for this

267

00:10:02,990 --> 00:09:59,519

sort of activity and it just so happens

268

00:10:05,329 --> 00:10:03,000

my dad has had two full-blown ndes so my

269

00:10:06,470 --> 00:10:05,339

personal theory is that that

270

00:10:08,810 --> 00:10:06,480

um

271

00:10:12,530 --> 00:10:08,820

it opened a doorway

272

00:10:14,329 --> 00:10:12,540

to somewhere else or something else but

273

00:10:17,150 --> 00:10:14,339

you know it's not something my dad would

274

00:10:18,230 --> 00:10:17,160

say but I'll say it you know I think

275

00:10:19,910 --> 00:10:18,240

that has something to do with it

276

00:10:22,310 --> 00:10:19,920

directly

277

00:10:23,990 --> 00:10:22,320

and that's another and I saying says

278

00:10:26,389 --> 00:10:24,000

unique I don't mean just me talking to

279

00:10:28,430 --> 00:10:26,399

you but when you speak it's so much of

280

00:10:29,990 --> 00:10:28,440

the stories around your dad and your

281

00:10:32,389 --> 00:10:30,000

family but you're involved as well so

282

00:10:34,190 --> 00:10:32,399

for any listeners who maybe new up to

283

00:10:36,350 --> 00:10:34,200

the story that's why we're talking a lot

284

00:10:38,570 --> 00:10:36,360

about about Chris bledso senior as well

285

00:10:41,030 --> 00:10:38,580

and obviously Ryan's come more and more

286

00:10:44,030 --> 00:10:41,040

into it as we'll discuss but how does

287

00:10:46,370 --> 00:10:44,040

your dad feel Ryan about your sharing

288

00:10:48,710 --> 00:10:46,380

you know his story and you know coming

289

00:10:51,230 --> 00:10:48,720

on podcasts like myself Jimmy Church

290

00:10:52,790 --> 00:10:51,240

whatever you do whatever you've done is

291

00:10:54,949 --> 00:10:52,800

he totally comfortable with everything

292

00:10:57,290 --> 00:10:54,959

you do is it anything he discusses that

293

00:11:00,590 --> 00:10:57,300

he says don't talk about this don't talk

294

00:11:05,150 --> 00:11:03,590

um at first because of our option

295

00:11:07,009 --> 00:11:05,160

agreement with Hollywood

296

00:11:08,509 --> 00:11:07,019

he didn't necessarily want me going out

297

00:11:10,370 --> 00:11:08,519

and speaking and that's why in the past

298

00:11:14,150 --> 00:11:10,380

I've had to turn down lots of interviews

299

00:11:16,250 --> 00:11:14,160

and um around December some personal

300

00:11:17,810 --> 00:11:16,260

friends of mine asked me like would you

301

00:11:20,150 --> 00:11:17,820

like to do an interview on so-and-so

302

00:11:22,250 --> 00:11:20,160

show this show that show whatever and I

303

00:11:23,870 --> 00:11:22,260

said dad what do you think

304

00:11:25,730 --> 00:11:23,880

and he looked at me said you're a grown

305

00:11:26,750 --> 00:11:25,740

man son if you want to go talk you go

306

00:11:29,150 --> 00:11:26,760

talk I'm not going to tell you no

307

00:11:31,329 --> 00:11:29,160

anymore and I said okay and then I

308

00:11:34,670 --> 00:11:31,339

started talking and he's getting

309

00:11:36,949 --> 00:11:34,680

hundreds and hundreds of messages from

310

00:11:40,430 --> 00:11:36,959

people all around the world saying Chris

311

00:11:41,870 --> 00:11:40,440

I heard your son speak and what he's

312

00:11:43,730 --> 00:11:41,880

doing for you and your family is

313

00:11:45,889 --> 00:11:43,740

wonderful so now dad's all for it he

314

00:11:48,410 --> 00:11:45,899

thinks it's like you know thank God I'm

315

00:11:50,329 --> 00:11:48,420

not out here by myself anymore so you

316

00:11:53,690 --> 00:11:50,339

know my dad stands by me he's he's very

317

00:11:56,030 --> 00:11:53,700

proud that I'm feeling compelled to um

318

00:11:58,490 --> 00:11:56,040

in some way vindicate my family's name

319

00:12:01,190 --> 00:11:58,500

you know I'm a grown man now I'm 27 I'm

320

00:12:02,630 --> 00:12:01,200

not 13 so I think it's my turn to take

321

00:12:04,069 --> 00:12:02,640

some of the load off of my father and

322

00:12:07,250 --> 00:12:04,079

help him out with some of the things

323

00:12:09,889 --> 00:12:07,260

that he may or may not articulate that

324

00:12:12,350 --> 00:12:09,899

I've been pondering since childhood does

325

00:12:13,670 --> 00:12:12,360

that make sense absolutely yeah and like

326

00:12:15,829 --> 00:12:13,680

I said at the start people are

327

00:12:18,110 --> 00:12:15,839

appreciating that as well and you are

328

00:12:19,790 --> 00:12:18,120

younger you've got that knack for social

329

00:12:22,550 --> 00:12:19,800

media particularly and you can go out

330

00:12:24,410 --> 00:12:22,560

and tell that story as well and I again

331

00:12:26,810 --> 00:12:24,420

you're coming at it even though you're

332

00:12:28,370 --> 00:12:26,820

obviously you're your Father's son and

333

00:12:30,530 --> 00:12:28,380

you experience this in a way that almost

334

00:12:32,389 --> 00:12:30,540

no one else has except your father

335

00:12:34,430 --> 00:12:32,399

you you can see it through other

336

00:12:36,410 --> 00:12:34,440

people's eyes as well given your age and

337

00:12:38,750 --> 00:12:36,420

the story and other things and culture

338

00:12:40,730 --> 00:12:38,760

you'll have experienced as well but for

339

00:12:42,710 --> 00:12:40,740

you what was it like growing up around

340

00:12:45,050 --> 00:12:42,720

the phenomenon and do you have like any

341

00:12:46,910 --> 00:12:45,060

of your earliest memories for like

342

00:12:48,650 --> 00:12:46,920

sightings or experiences you want to

343

00:12:50,269 --> 00:12:48,660

share

344

00:12:52,250 --> 00:12:50,279

yeah

345

00:12:55,490 --> 00:12:52,260

um

346

00:12:58,790 --> 00:12:55,500

you know as I'm getting older

347

00:13:01,250 --> 00:12:58,800

I'm realizing that although I've

348

00:13:03,250 --> 00:13:01,260

consciously loved this experience and I

349

00:13:05,389 --> 00:13:03,260

would never trade it for anything

350

00:13:07,370 --> 00:13:05,399

unconsciously it's very traumatic

351
00:13:09,949 --> 00:13:07,380
because it's like you know you've heard

352
00:13:11,870 --> 00:13:09,959
the story the turmoil in the household I

353
00:13:15,050 --> 00:13:11,880
mean I was 13 years old that's that's

354
00:13:17,569 --> 00:13:15,060
very young and I've now lived more than

355
00:13:19,430 --> 00:13:17,579
half of my life as this experimenter in

356
00:13:22,910 --> 00:13:19,440
the spotlight or whatever

357
00:13:25,310 --> 00:13:22,920
than having not lived this life so it's

358
00:13:26,629 --> 00:13:25,320
it's more a part of me now than not and

359
00:13:28,009 --> 00:13:26,639
it will be more a part of me going

360
00:13:30,769 --> 00:13:28,019
forward than it ever you know does that

361
00:13:32,509 --> 00:13:30,779
make sense yeah absolutely yeah so um

362
00:13:34,009 --> 00:13:32,519
you know I've always consciously really

363
00:13:35,750 --> 00:13:34,019

enjoyed everything that happened but

364

00:13:38,090 --> 00:13:35,760

it's definitely

365

00:13:40,430 --> 00:13:38,100

it's taken me some time to reconcile

366

00:13:43,190 --> 00:13:40,440

that because of this experience is the

367

00:13:45,410 --> 00:13:43,200

way that I am as an adult my earliest

368

00:13:47,090 --> 00:13:45,420

memories of these signings not the one

369

00:13:48,949 --> 00:13:47,100

that I talked about that was like 2002

370

00:13:50,170 --> 00:13:48,959

but in 2000

371

00:13:53,569 --> 00:13:50,180

maybe

372

00:13:55,670 --> 00:13:53,579

2007 after the experience my mom and my

373

00:13:57,230 --> 00:13:55,680

dad they were really button heads

374

00:13:58,790 --> 00:13:57,240

um I've spoken about this before but we

375

00:14:00,410 --> 00:13:58,800

were very

376
00:14:05,509 --> 00:14:00,420
very

377
00:14:09,050 --> 00:14:05,519
strict

378
00:14:11,930 --> 00:14:09,060
just rules and regulations to talk with

379
00:14:14,629 --> 00:14:11,940
God kind of thing and the UFO thing is

380
00:14:16,310 --> 00:14:14,639
not welcome in that belief system so it

381
00:14:17,509 --> 00:14:16,320
was a lot of turmoil and Chaos in our

382
00:14:18,410 --> 00:14:17,519
house

383
00:14:22,730 --> 00:14:18,420
um

384
00:14:25,190 --> 00:14:22,740
I lived through the horror of you know

385
00:14:28,069 --> 00:14:25,200
seeing that reconciliation as a very

386
00:14:29,930 --> 00:14:28,079
young child and

387
00:14:32,629 --> 00:14:29,940
I I guess where I'm going with this is

388
00:14:34,310 --> 00:14:32,639

in those days my dad was so desperate to

389

00:14:36,530 --> 00:14:34,320

prove that it was really happening and

390

00:14:38,690 --> 00:14:36,540

it wasn't evil and it wasn't crazy that

391

00:14:40,009 --> 00:14:38,700

hundreds if not thousands of times he

392

00:14:41,269 --> 00:14:40,019

would grab us and say they're out here

393

00:14:44,389 --> 00:14:41,279

right now let's go look let's go look

394

00:14:47,329 --> 00:14:44,399

and um we had hundreds or thousands of

395

00:14:50,750 --> 00:14:47,339

sightings in those days just seeing

396

00:14:52,970 --> 00:14:50,760

lights in the sky you know out the

397

00:14:55,790 --> 00:14:52,980

window the first time I can remember is

398

00:14:57,949 --> 00:14:55,800

definitely in 2007 or very early 2008

399

00:14:59,269 --> 00:14:57,959

when all six of us in my family were

400

00:15:01,009 --> 00:14:59,279

sitting on the couch

401
00:15:02,870 --> 00:15:01,019
peering through the blinds and there's

402
00:15:04,310 --> 00:15:02,880
lights in the sky bobbin and weaving and

403
00:15:06,110 --> 00:15:04,320
all kinds of stuff and I knew it was

404
00:15:08,810 --> 00:15:06,120
real from the moment he told me but when

405
00:15:10,970 --> 00:15:08,820
I started seeing it I said okay this is

406
00:15:13,490 --> 00:15:10,980
very real you know

407
00:15:15,769 --> 00:15:13,500
so as early as I can remember we've

408
00:15:18,050 --> 00:15:15,779
basically been having these um sightings

409
00:15:20,329 --> 00:15:18,060
as a family and still do

410
00:15:24,050 --> 00:15:20,339
and the language you use they are and

411
00:15:26,870 --> 00:15:24,060
that was we were very strictly religious

412
00:15:29,629 --> 00:15:26,880
is that something that has then changed

413
00:15:31,870 --> 00:15:29,639

since the Satan's happened and kept up

414

00:15:34,370 --> 00:15:31,880

as it had to change

415

00:15:35,629 --> 00:15:34,380

it's changed for me

416

00:15:37,730 --> 00:15:35,639

um

417

00:15:39,949 --> 00:15:37,740

you know

418

00:15:42,230 --> 00:15:39,959

as a child when you're seeing things

419

00:15:43,930 --> 00:15:42,240

that you know are real

420

00:15:47,569 --> 00:15:43,940

and you're being told that they're not

421

00:15:48,650 --> 00:15:47,579

it makes you question everything you

422

00:15:50,810 --> 00:15:48,660

know

423

00:15:52,730 --> 00:15:50,820

um if the government or somebody says

424

00:15:53,990 --> 00:15:52,740

the lights are not real but I'm seeing

425

00:15:55,490 --> 00:15:54,000

them

426

00:15:57,949 --> 00:15:55,500

I'm gonna go with what I'm seeing and

427

00:16:01,910 --> 00:15:57,959

what I'm experiencing so no I don't

428

00:16:03,949 --> 00:16:01,920

think that I fit into a box of any sort

429

00:16:07,129 --> 00:16:03,959

of religious expression I think that the

430

00:16:08,389 --> 00:16:07,139

true truth is true whether we write

431

00:16:10,370 --> 00:16:08,399

about it whether we talk about it

432

00:16:11,870 --> 00:16:10,380

whether we believe it or not I'm just

433

00:16:15,110 --> 00:16:11,880

trying to figure out what it really is

434

00:16:18,050 --> 00:16:15,120

behind the curtain you know and I think

435

00:16:20,689 --> 00:16:18,060

these lights are trying to show us that

436

00:16:23,210 --> 00:16:20,699

God and Consciousness and you know

437

00:16:25,610 --> 00:16:23,220

reality itself is

438

00:16:26,509 --> 00:16:25,620

um not meant to be held in any form of

439

00:16:29,090 --> 00:16:26,519

box

440

00:16:31,550 --> 00:16:29,100

so I would not say that I'm religious I

441

00:16:34,189 --> 00:16:31,560

would say that I'm definitely deeply

442

00:16:35,930 --> 00:16:34,199

spiritual because of this and I know

443

00:16:38,210 --> 00:16:35,940

that anybody tells me that you know

444

00:16:41,030 --> 00:16:38,220

spirituality and UFOs have nothing to do

445

00:16:43,430 --> 00:16:41,040

together I don't even listen to them I I

446

00:16:45,290 --> 00:16:43,440

just think that they are not on the

447

00:16:46,430 --> 00:16:45,300

right track

448

00:16:50,329 --> 00:16:46,440

so

449

00:16:52,189 --> 00:16:50,339

couple of your death experiencies we're

450

00:16:53,990 --> 00:16:52,199

talking that we I would agree that

451
00:16:57,290 --> 00:16:54,000
there's potentially opened up some sort

452
00:17:00,470 --> 00:16:57,300
of bridge or Gateway or connection to

453
00:17:02,389 --> 00:17:00,480
the phenomenon why has or why do you

454
00:17:04,549 --> 00:17:02,399
think it's persisted though with not

455
00:17:06,350 --> 00:17:04,559
only your father but your family for so

456
00:17:08,990 --> 00:17:06,360
long now that it's kept happening when

457
00:17:10,850 --> 00:17:09,000
for others when I've heard about this it

458
00:17:12,949 --> 00:17:10,860
seems to have almost been a a one and

459
00:17:16,669 --> 00:17:12,959
done experience or at least that we hear

460
00:17:22,309 --> 00:17:19,189
I don't know you know

461
00:17:25,490 --> 00:17:22,319
um our friends in the CIA think it

462
00:17:27,169 --> 00:17:25,500
could have something to do with our DNA

463
00:17:29,570 --> 00:17:27,179

um I've questioned this my entire life

464

00:17:32,110 --> 00:17:29,580

Why Us why my family

465

00:17:36,289 --> 00:17:32,120

um and I think it just boils down to

466

00:17:38,810 --> 00:17:36,299

Serendipity and it's like right place

467

00:17:40,310 --> 00:17:38,820

right time we were chosen in that moment

468

00:17:42,049 --> 00:17:40,320

I don't know

469

00:17:44,450 --> 00:17:42,059

um just kind of like freebasing my

470

00:17:46,370 --> 00:17:44,460

thoughts here maybe it has to do with

471

00:17:49,430 --> 00:17:46,380

everybody has their own role to play and

472

00:17:51,470 --> 00:17:49,440

some people just have roles to play on a

473

00:17:53,270 --> 00:17:51,480

scale that's a little larger than others

474

00:17:55,630 --> 00:17:53,280

and my dad

475

00:17:59,510 --> 00:17:55,640

um could have come here

476

00:18:01,010 --> 00:17:59,520

to live this life and tell this story so

477

00:18:03,770 --> 00:18:01,020

that it could help people and I will say

478

00:18:06,830 --> 00:18:03,780

this in my father's first regression

479

00:18:09,230 --> 00:18:06,840

during the initial mufon investigation

480

00:18:10,970 --> 00:18:09,240

in the Discovery Channel documentary one

481

00:18:13,310 --> 00:18:10,980

of the things that was said that he's

482

00:18:14,210 --> 00:18:13,320

never discussed was that

483

00:18:17,330 --> 00:18:14,220

um

484

00:18:19,190 --> 00:18:17,340

the beings told him that they brought

485

00:18:22,070 --> 00:18:19,200

his soul here

486

00:18:23,690 --> 00:18:22,080

to live this life for this reason so I

487

00:18:25,130 --> 00:18:23,700

don't know I think it's weird I think

488

00:18:28,450 --> 00:18:25,140

that this whole stuff is weird I think

489

00:18:31,570 --> 00:18:28,460

UFOs are weird and um

490

00:18:33,650 --> 00:18:31,580

you know I I don't know the answer

491

00:18:35,510 --> 00:18:33,660

[Music]

492

00:18:37,130 --> 00:18:35,520

so what we've talked about the

493

00:18:40,190 --> 00:18:37,140

experiences of which there have been

494

00:18:41,510 --> 00:18:40,200

thousands and it's almost the norm for

495

00:18:42,650 --> 00:18:41,520

you and your family now given what

496

00:18:45,529 --> 00:18:42,660

you've went through and for the length

497

00:18:47,990 --> 00:18:45,539

of time so let's just list some of the

498

00:18:50,150 --> 00:18:48,000

experiences you've had and we can

499

00:18:52,310 --> 00:18:50,160

umbrella this now that phenomenon just

500

00:18:54,110 --> 00:18:52,320

under that umbrella term but um

501
00:18:56,450 --> 00:18:54,120
obviously UFOs so you're seeing lights

502
00:18:58,310 --> 00:18:56,460
in the sky what about physical physical

503
00:19:00,710 --> 00:18:58,320
craft

504
00:19:02,210 --> 00:19:00,720
yes I've seen those

505
00:19:04,010 --> 00:19:02,220
I have

506
00:19:07,010 --> 00:19:04,020
what sort of type scene in particular

507
00:19:09,169 --> 00:19:07,020
shapes or how close

508
00:19:15,289 --> 00:19:11,990
when I was about 14 or 15 I saw some

509
00:19:16,970 --> 00:19:15,299
lights in the sky that looked kind of

510
00:19:18,590 --> 00:19:16,980
like an ice cream cone I couldn't tell

511
00:19:20,210 --> 00:19:18,600
if it was it was nighttime so I couldn't

512
00:19:21,650 --> 00:19:20,220
tell if it was one thing with just

513
00:19:23,450 --> 00:19:21,660

lights on it I couldn't tell if it was

514

00:19:25,490 --> 00:19:23,460

three separate lights but when I say ice

515

00:19:28,370 --> 00:19:25,500

cream cone it was like

516

00:19:31,850 --> 00:19:28,380

like a comb like you know a triangle but

517

00:19:36,169 --> 00:19:31,860

really long yeah we have I've seen the

518

00:19:38,510 --> 00:19:36,179

thing back in like 2002 2001 ish that

519

00:19:40,130 --> 00:19:38,520

was green it looked kind of like a blimp

520

00:19:42,409 --> 00:19:40,140

and I think there's two theories for

521

00:19:44,029 --> 00:19:42,419

that I think that these beings uh don't

522

00:19:46,190 --> 00:19:44,039

play by the rules of our reality and

523

00:19:49,250 --> 00:19:46,200

they can appear that way if they wish or

524

00:19:51,890 --> 00:19:49,260

I think that the government has

525

00:19:55,310 --> 00:19:51,900

um some crafts that we don't know about

526

00:19:56,630 --> 00:19:55,320

but I do not subscribe to the idea that

527

00:19:59,450 --> 00:19:56,640

aliens are coming here from other

528

00:20:01,730 --> 00:19:59,460

planets and their little nuts and bolts

529

00:20:03,770 --> 00:20:01,740

frisbees just to like accidentally fly

530

00:20:06,110 --> 00:20:03,780

over people and mess with them I don't I

531

00:20:08,510 --> 00:20:06,120

don't subscribe to that

532

00:20:09,770 --> 00:20:08,520

and that's something I was going to get

533

00:20:12,230 --> 00:20:09,780

to earlier but you've brought up so

534

00:20:14,750 --> 00:20:12,240

let's talk about it I know anyway

535

00:20:17,210 --> 00:20:14,760

um would you say then that we don't have

536

00:20:19,010 --> 00:20:17,220

ETS visiting the planet at all

537

00:20:20,570 --> 00:20:19,020

uh do you think that is not something

538

00:20:22,130 --> 00:20:20,580

that happens or would you subscribe to

539

00:20:24,049 --> 00:20:22,140

that it's just not happening to your

540

00:20:27,049 --> 00:20:24,059

family in this instance or just I'd love

541

00:20:30,470 --> 00:20:27,059

to know your thoughts on that

542

00:20:32,090 --> 00:20:30,480

okay so my initial thought on that is

543

00:20:34,010 --> 00:20:32,100

um

544

00:20:36,950 --> 00:20:34,020

I think that's the LIE

545

00:20:39,830 --> 00:20:36,960

I think that's the entire lie is that we

546

00:20:42,350 --> 00:20:39,840

are being told to believe or led to

547

00:20:44,150 --> 00:20:42,360

believe through Decades of Hollywood

548

00:20:45,650 --> 00:20:44,160

programming that there are ETS from

549

00:20:47,390 --> 00:20:45,660

other planets

550

00:20:48,950 --> 00:20:47,400

um I don't think that's the case I think

551
00:20:50,210 --> 00:20:48,960
maybe it's possible I'm not going to say

552
00:20:52,730 --> 00:20:50,220
it's not but I don't think that's what's

553
00:20:53,990 --> 00:20:52,740
Happening Here I believe this phenomenon

554
00:20:56,690 --> 00:20:54,000
is

555
00:20:58,909 --> 00:20:56,700
um intensely interdimensional and I've

556
00:21:01,789 --> 00:20:58,919
had some private chats with many private

557
00:21:03,830 --> 00:21:01,799
chats with the likes of Jim semivan

558
00:21:06,110 --> 00:21:03,840
um Tyler d as he's known in American

559
00:21:11,750 --> 00:21:06,120
Cosmic and the conversations that we're

560
00:21:17,330 --> 00:21:15,590
not complicated if that makes sense yeah

561
00:21:19,010 --> 00:21:17,340
um I really do think it's

562
00:21:20,870 --> 00:21:19,020
interdimensional I think it's spiritual

563
00:21:24,650 --> 00:21:20,880

I think what we have to do is take this

564

00:21:26,330 --> 00:21:24,660

box that language confines our concepts

565

00:21:27,169 --> 00:21:26,340

of reality and we have to throw it out

566

00:21:29,409 --> 00:21:27,179

the door

567

00:21:31,669 --> 00:21:29,419

and we have to understand that spiritual

568

00:21:33,350 --> 00:21:31,679

interdimensional they're the same thing

569

00:21:35,210 --> 00:21:33,360

it's a higher reality that we don't

570

00:21:37,730 --> 00:21:35,220

understand and that these beings are

571

00:21:39,230 --> 00:21:37,740

existing in a place that is near us it's

572

00:21:41,690 --> 00:21:39,240

around us

573

00:21:43,669 --> 00:21:41,700

but it doesn't play by our rules

574

00:21:45,590 --> 00:21:43,679

you know higher frequency whatever

575

00:21:47,630 --> 00:21:45,600

that's what I've been indicated by some

576

00:21:49,970 --> 00:21:47,640

of these people that um even they

577

00:21:51,890 --> 00:21:49,980

believe is going on and then you know

578

00:21:54,649 --> 00:21:51,900

when you say that on the internet from a

579

00:21:56,510 --> 00:21:54,659

place of experience and and knowledge

580

00:21:59,690 --> 00:21:56,520

um what do people do they say no that's

581

00:22:02,149 --> 00:21:59,700

crazy because they're programmed by

582

00:22:04,850 --> 00:22:02,159

Decades of Hollywood films to believe

583

00:22:08,090 --> 00:22:04,860

what they've learned from Authority

584

00:22:09,590 --> 00:22:08,100

it's aliens from other places well I

585

00:22:12,830 --> 00:22:09,600

don't think that's it

586

00:22:15,049 --> 00:22:12,840

and like you say it it could be it may

587

00:22:17,690 --> 00:22:15,059

not be because we genuinely don't know

588

00:22:19,190 --> 00:22:17,700

or it could be all of the above it could

589

00:22:20,870 --> 00:22:19,200

be a little of this a little of that and

590

00:22:22,909 --> 00:22:20,880

that's obviously what I love talking

591

00:22:24,529 --> 00:22:22,919

about in this subject anyway you

592

00:22:26,210 --> 00:22:24,539

mentioned before Ryan

593

00:22:27,470 --> 00:22:26,220

um and I was going to ask about visitors

594

00:22:29,510 --> 00:22:27,480

to the ranch

595

00:22:31,430 --> 00:22:29,520

um feel after agencies

596

00:22:33,049 --> 00:22:31,440

that have been potentially in the past

597

00:22:35,390 --> 00:22:33,059

and you said you know friends and the

598

00:22:36,890 --> 00:22:35,400

CIA can you talk about some of the

599

00:22:38,930 --> 00:22:36,900

people that have visited the ranch

600

00:22:41,330 --> 00:22:38,940

outside of you know friends and family

601
00:22:43,490 --> 00:22:41,340
or mufon that we've heard about I spoke

602
00:22:44,990 --> 00:22:43,500
to Chase klutzky and she talked about

603
00:22:46,970 --> 00:22:45,000
how the experience and time on the

604
00:22:48,710 --> 00:22:46,980
Rancher and your family she speaks very

605
00:22:49,430 --> 00:22:48,720
highly of you as well

606
00:22:52,909 --> 00:22:49,440
um

607
00:22:54,169 --> 00:22:52,919
who else if you can't name them has been

608
00:22:55,549 --> 00:22:54,179
to the ranch and what have those

609
00:22:56,750 --> 00:22:55,559
experiences potentially been from

610
00:22:58,789 --> 00:22:56,760
Outsiders

611
00:23:00,770 --> 00:22:58,799
I can pretty much name anybody who's

612
00:23:03,350 --> 00:23:00,780
been to our property

613
00:23:07,010 --> 00:23:03,360

um I just can't like

614

00:23:08,270 --> 00:23:07,020

say everything they've said you know but

615

00:23:10,010 --> 00:23:08,280

um there's a lot of these folks that

616

00:23:12,110 --> 00:23:10,020

we've met not on our property but like

617

00:23:13,970 --> 00:23:12,120

on their property or at a mutual

618

00:23:15,110 --> 00:23:13,980

friend's property to get down to the

619

00:23:18,710 --> 00:23:15,120

nitty-gritty

620

00:23:20,450 --> 00:23:18,720

we have had um we've had the Central

621

00:23:22,250 --> 00:23:20,460

Intelligence Agency

622

00:23:24,230 --> 00:23:22,260

we have been in Communications with

623

00:23:26,390 --> 00:23:24,240

members of the NSA

624

00:23:27,909 --> 00:23:26,400

um Kepler Aerospace

625

00:23:31,310 --> 00:23:27,919

NASA

626

00:23:34,250 --> 00:23:31,320

the OSS Believe It or Not which was the

627

00:23:36,289 --> 00:23:34,260

precursor to the CIA Army intelligence

628

00:23:38,149 --> 00:23:36,299

Air Force intelligence Naval

629

00:23:40,190 --> 00:23:38,159

intelligence

630

00:23:42,409 --> 00:23:40,200

um you know you name it they've all been

631

00:23:43,970 --> 00:23:42,419

in some way to our property

632

00:23:47,390 --> 00:23:43,980

um

633

00:23:48,950 --> 00:23:47,400

Tyler D is probably the only name well

634

00:23:50,630 --> 00:23:48,960

there's actually a few people in NASA

635

00:23:54,350 --> 00:23:50,640

who were associated with Tyler D whose

636

00:23:57,049 --> 00:23:54,360

names are also covert covert but um you

637

00:23:59,090 --> 00:23:57,059

know he was in the OR is in the nro

638

00:24:02,169 --> 00:23:59,100

which is a joint operation between the

639

00:24:04,130 --> 00:24:02,179

Air Force the CIA and NASA

640

00:24:05,930 --> 00:24:04,140

so

641

00:24:08,090 --> 00:24:05,940

um

642

00:24:10,070 --> 00:24:08,100

what what specifically did you want me

643

00:24:13,430 --> 00:24:10,080

to go into just like names of people or

644

00:24:15,289 --> 00:24:13,440

or so any particular experiences they

645

00:24:17,270 --> 00:24:15,299

may have had well they've been there as

646

00:24:20,630 --> 00:24:17,280

well no you have named a whole range of

647

00:24:22,610 --> 00:24:20,640

organizations and agencies but what are

648

00:24:24,770 --> 00:24:22,620

they necessarily wanting to do to visit

649

00:24:25,909 --> 00:24:24,780

the property okay just to have that

650

00:24:29,930 --> 00:24:25,919

experience

651
00:24:32,210 --> 00:24:29,940
to see what they can learn from it like

652
00:24:33,590 --> 00:24:32,220
I know Tyler Durden who again for the

653
00:24:35,330 --> 00:24:33,600
listener if they don't know who this guy

654
00:24:37,490 --> 00:24:35,340
is it's an alias for someone whose

655
00:24:39,470 --> 00:24:37,500
identity is is covert

656
00:24:40,970 --> 00:24:39,480
um he's he's beneficial in the

657
00:24:46,070 --> 00:24:40,980
Department of Defense

658
00:24:48,350 --> 00:24:46,080
and he came to our property and told my

659
00:24:50,330 --> 00:24:48,360
dad that he was tasked with learning

660
00:24:53,090 --> 00:24:50,340
about the phenomenon from a spiritual

661
00:24:55,070 --> 00:24:53,100
perspective he thought it was all aliens

662
00:24:58,789 --> 00:24:55,080
and all that stuff and his higher up

663
00:24:59,870 --> 00:24:58,799

even higher than him the hammer said you

664

00:25:02,270 --> 00:24:59,880

need to go learn about this from a

665

00:25:04,970 --> 00:25:02,280

spiritual perspective so he looked us up

666

00:25:06,789 --> 00:25:04,980

came to our property he tested us with

667

00:25:09,169 --> 00:25:06,799

some medals he handed us these exotic

668

00:25:10,730 --> 00:25:09,179

medals and when we touched him this

669

00:25:12,649 --> 00:25:10,740

electricity went through our body and he

670

00:25:14,630 --> 00:25:12,659

looked to my dad and he was like dude

671

00:25:16,549 --> 00:25:14,640

why you like why were you chosen for

672

00:25:17,870 --> 00:25:16,559

this my dad said I don't know what just

673

00:25:20,330 --> 00:25:17,880

happened to me this electricity just

674

00:25:21,890 --> 00:25:20,340

went through my body you know it freaked

675

00:25:25,070 --> 00:25:21,900

um Tyler Durham out

676

00:25:26,870 --> 00:25:25,080

and he spent a few years chatting with

677

00:25:29,750 --> 00:25:26,880

us and telling us some things he showed

678

00:25:31,430 --> 00:25:29,760

us like a PowerPoint slide that was um

679

00:25:32,990 --> 00:25:31,440

kind of like some semi-classified

680

00:25:34,370 --> 00:25:33,000

information that we're not really

681

00:25:36,049 --> 00:25:34,380

supposed to talk about stuff about area

682

00:25:38,690 --> 00:25:36,059

51.

683

00:25:41,269 --> 00:25:38,700

and basically his whole mission was to

684

00:25:42,890 --> 00:25:41,279

learn about the spiritual phenomenon or

685

00:25:44,810 --> 00:25:42,900

the phenomenon from a spiritual angle

686

00:25:46,669 --> 00:25:44,820

and it got to the point to where my dad

687

00:25:48,350 --> 00:25:46,679

wanted to help him so much he said you

688

00:25:50,630 --> 00:25:48,360

know what I know a religious professor

689

00:25:51,890 --> 00:25:50,640

in Wilmington North Carolina let me

690

00:25:54,769 --> 00:25:51,900

introduce you to her and that's how

691

00:25:57,830 --> 00:25:54,779

American Cosmic was born Diana was

692

00:25:59,630 --> 00:25:57,840

actually writing a book about my dad and

693

00:26:01,430 --> 00:25:59,640

that never happened for whatever reason

694

00:26:04,310 --> 00:26:01,440

and she switched gears and then it

695

00:26:06,169 --> 00:26:04,320

became about this Tyler D figure and um

696

00:26:07,610 --> 00:26:06,179

you know my dad kind of got that ball

697

00:26:10,850 --> 00:26:07,620

rolling

698

00:26:13,010 --> 00:26:10,860

and when he was on our property we took

699

00:26:16,310 --> 00:26:13,020

him to the Burning Tree

700

00:26:18,110 --> 00:26:16,320

and he saw a silver snake inside the

701
00:26:20,630 --> 00:26:18,120
Burning Tree just like was sitting there

702
00:26:22,970 --> 00:26:20,640
a little harmless snake

703
00:26:24,289 --> 00:26:22,980
and he looked at my dad and he said you

704
00:26:25,730 --> 00:26:24,299
know my grandmother was a Cherokee

705
00:26:27,590 --> 00:26:25,740
Native American

706
00:26:29,330 --> 00:26:27,600
and she always told me from a young age

707
00:26:31,669 --> 00:26:29,340
that seeing a silver snake is a sign of

708
00:26:32,930 --> 00:26:31,679
good luck so meeting you was by no

709
00:26:34,850 --> 00:26:32,940
accident

710
00:26:36,409 --> 00:26:34,860
so what I'm trying to instill into

711
00:26:38,630 --> 00:26:36,419
people is that these high-level

712
00:26:42,169 --> 00:26:38,640
conversations

713
00:26:44,390 --> 00:26:42,179

are not just about spinning frisbees

714

00:26:47,090 --> 00:26:44,400

they're they're very complicated they're

715

00:26:49,430 --> 00:26:47,100

very weird it's about Dimensions it's

716

00:26:52,970 --> 00:26:49,440

about symbols

717

00:26:55,789 --> 00:26:52,980

symbols symbolism very important is how

718

00:26:57,710 --> 00:26:55,799

they communicate to us which was told to

719

00:26:59,570 --> 00:26:57,720

me directly by Jim Simeon I'm just

720

00:27:00,830 --> 00:26:59,580

trying to instill that into people so

721

00:27:03,169 --> 00:27:00,840

that you know they understand where I'm

722

00:27:05,390 --> 00:27:03,179

coming from

723

00:27:07,970 --> 00:27:05,400

I want to ask on that material that was

724

00:27:10,789 --> 00:27:07,980

put in your your dad's hands okay

725

00:27:12,470 --> 00:27:10,799

straight away I I go to the fact this is

726
00:27:14,870 --> 00:27:12,480
potentially some sort of meta material

727
00:27:17,149 --> 00:27:14,880
that is either from some sort of

728
00:27:18,950 --> 00:27:17,159
retrieved crash or something like that

729
00:27:20,630 --> 00:27:18,960
is that what you would think as well and

730
00:27:21,470 --> 00:27:20,640
it's almost activated because of the

731
00:27:23,149 --> 00:27:21,480
connection

732
00:27:25,850 --> 00:27:23,159
that's exactly what it is it's from the

733
00:27:29,210 --> 00:27:25,860
gifting field as far as I understand it

734
00:27:31,789 --> 00:27:29,220
it has a hexagonal

735
00:27:34,669 --> 00:27:31,799
um shape like kind of like a honeycomb

736
00:27:36,950 --> 00:27:34,679
I've put the photo out there before and

737
00:27:40,669 --> 00:27:36,960
it has properties that are not

738
00:27:42,590 --> 00:27:40,679

necessarily inherent to Earth's I guess

739

00:27:43,970 --> 00:27:42,600

you could say biology biology or

740

00:27:46,909 --> 00:27:43,980

chemistry or whatever

741

00:27:49,010 --> 00:27:46,919

and um you know

742

00:27:50,990 --> 00:27:49,020

Tyler told my dad I don't even know what

743

00:27:54,049 --> 00:27:51,000

this means but Tyler told my dad that

744

00:27:56,149 --> 00:27:54,059

they determined it to be found from uh

745

00:27:58,070 --> 00:27:56,159

or originate from 50 million light years

746

00:27:58,909 --> 00:27:58,080

away from Earth I don't know what that

747

00:28:01,190 --> 00:27:58,919

means

748

00:28:02,990 --> 00:28:01,200

but um I do know he showed me charts

749

00:28:05,630 --> 00:28:03,000

that said the Isotopes did not originate

750

00:28:07,250 --> 00:28:05,640

on Earth he showed me the Isotopes and

751
00:28:10,549 --> 00:28:07,260
um they are what some people would call

752
00:28:14,090 --> 00:28:10,559
exotic metals or as they call on these

753
00:28:16,010 --> 00:28:14,100
inside communities op meaning off Planet

754
00:28:18,110 --> 00:28:16,020
when you talk to Tyler Durden everything

755
00:28:23,029 --> 00:28:18,120
is off planet

756
00:28:26,450 --> 00:28:24,649
I'm just trying to think there's so many

757
00:28:29,029 --> 00:28:26,460
things I want to follow up on right

758
00:28:31,850 --> 00:28:29,039
um so you've talked about those agencies

759
00:28:33,470 --> 00:28:31,860
and again it was just the the language

760
00:28:35,450 --> 00:28:33,480
you use and just to double check on it

761
00:28:38,630 --> 00:28:35,460
there's nothing you know to potentially

762
00:28:40,130 --> 00:28:38,640
uh Sinister but you mentioned so many of

763
00:28:42,049 --> 00:28:40,140

these agencies have been to your

764

00:28:44,269 --> 00:28:42,059

property in some way

765

00:28:46,310 --> 00:28:44,279

have you ever had any of those agencies

766

00:28:49,010 --> 00:28:46,320

try and get to your property that

767

00:28:51,289 --> 00:28:49,020

weren't necessarily invited by you

768

00:28:52,970 --> 00:28:51,299

yes I have

769

00:28:54,710 --> 00:28:52,980

I want to make it clear that it's not

770

00:28:56,090 --> 00:28:54,720

like the United States government is

771

00:28:57,649 --> 00:28:56,100

showing up on our property in an

772

00:28:59,810 --> 00:28:57,659

official capacity and a lot of times

773

00:29:02,870 --> 00:28:59,820

it's people who are either active or

774

00:29:04,850 --> 00:29:02,880

retired and they show up uh like Tyler

775

00:29:07,190 --> 00:29:04,860

Durden was active he was covert that's

776

00:29:08,269 --> 00:29:07,200

why just for the sake of respect I

777

00:29:10,070 --> 00:29:08,279

wouldn't say his name but then there's

778

00:29:13,010 --> 00:29:10,080

people like Jim Simi van who have a very

779

00:29:15,529 --> 00:29:13,020

deeply personal interests who are read

780

00:29:17,450 --> 00:29:15,539

into the program and they know these

781

00:29:19,610 --> 00:29:17,460

things but they're not

782

00:29:22,250 --> 00:29:19,620

um you know necessarily acting on behalf

783

00:29:26,750 --> 00:29:22,260

of the government if that makes sense so

784

00:29:29,570 --> 00:29:26,760

there is this guy who's sort of like

785

00:29:31,669 --> 00:29:29,580

I don't want to say his name because UFO

786

00:29:33,169 --> 00:29:31,679

world would

787

00:29:36,889 --> 00:29:33,179

um freak out

788

00:29:38,630 --> 00:29:36,899

but there is a guy who has an official

789

00:29:43,330 --> 00:29:38,640

capacity

790

00:29:46,909 --> 00:29:43,340

on the behalf of the CIA to obfuscate

791

00:29:48,470 --> 00:29:46,919

the subject of UFOs I don't want to say

792

00:29:50,630 --> 00:29:48,480

his title because it would be determined

793

00:29:52,490 --> 00:29:50,640

easily who he is

794

00:29:55,070 --> 00:29:52,500

um it's been a number of years now he

795

00:29:58,370 --> 00:29:55,080

has subtly and sometimes not so subtly

796

00:30:01,490 --> 00:29:58,380

sent people for plausible deniability to

797

00:30:05,210 --> 00:30:01,500

harass my family some death threats have

798

00:30:07,510 --> 00:30:05,220

been made he sent some

799

00:30:10,909 --> 00:30:07,520

people to cyber stalk me

800

00:30:15,230 --> 00:30:10,919

sometimes things of that nature when my

801

00:30:18,230 --> 00:30:15,240

dad did an interview with Project Unity

802

00:30:21,110 --> 00:30:18,240

some things were shared that we

803

00:30:23,690 --> 00:30:21,120

basically were threatened by this group

804

00:30:25,970 --> 00:30:23,700

if we didn't remove them but it's not

805

00:30:27,889 --> 00:30:25,980

the guy in the CIA because that would be

806

00:30:29,450 --> 00:30:27,899

a federal crime he'd go to prison for

807

00:30:31,070 --> 00:30:29,460

terrorizing

808

00:30:32,870 --> 00:30:31,080

um you know U.S citizens you're not

809

00:30:35,389 --> 00:30:32,880

supposed to do operations on U.S soil if

810

00:30:36,769 --> 00:30:35,399

they're in the CIA ask Lou Elizondo ask

811

00:30:37,850 --> 00:30:36,779

Jim Sim event I actually asked him

812

00:30:39,889 --> 00:30:37,860

myself

813

00:30:42,529 --> 00:30:39,899

but anyway so what these people do is

814

00:30:44,630 --> 00:30:42,539

they'll get civilians for plausible

815

00:30:46,430 --> 00:30:44,640

deniability send them to an

816

00:30:47,810 --> 00:30:46,440

experimenter's property to harass them

817

00:30:50,389 --> 00:30:47,820

and terrify them so that they don't

818

00:30:51,649 --> 00:30:50,399

speak out that's what Dad and I and the

819

00:30:53,690 --> 00:30:51,659

family had been going through over the

820

00:30:56,090 --> 00:30:53,700

last few years which is why we also

821

00:30:58,010 --> 00:30:56,100

didn't speak out as much but now you

822

00:31:00,110 --> 00:30:58,020

know after some chats with Jim simivan I

823

00:31:02,029 --> 00:31:00,120

realize they can't do anything to us

824

00:31:04,490 --> 00:31:02,039

they can't touch us it's all an act it's

825

00:31:05,750 --> 00:31:04,500

all this this scare tactic to get people

826

00:31:07,610 --> 00:31:05,760

to not want to speak out and that's

827

00:31:09,769 --> 00:31:07,620

because this individual's

828

00:31:13,610 --> 00:31:09,779

career

829

00:31:16,789 --> 00:31:13,620

is to obfuscate this subject

830

00:31:18,590 --> 00:31:16,799

it's good cop bad cop you know

831

00:31:20,510 --> 00:31:18,600

yeah trying to put it back in the box

832

00:31:21,769 --> 00:31:20,520

which uh yeah trying to obviously keep

833

00:31:23,990 --> 00:31:21,779

open

834

00:31:26,870 --> 00:31:24,000

um but largely I mean that's obviously

835

00:31:28,669 --> 00:31:26,880

an incredibly negative side to to what's

836

00:31:31,070 --> 00:31:28,679

happened and not caused by the

837

00:31:33,649 --> 00:31:31,080

phenomenon but by humans unfortunately

838

00:31:35,690 --> 00:31:33,659

that are obviously trying to to do what

839

00:31:37,909 --> 00:31:35,700

they're trying to do but we do see a lot

840

00:31:40,310 --> 00:31:37,919

of the agencies aside from that who are

841

00:31:42,590 --> 00:31:40,320

invited or these people who come of

842

00:31:44,630 --> 00:31:42,600

their own accord it's a positive

843

00:31:46,970 --> 00:31:44,640

experience and they are just trying to

844

00:31:49,310 --> 00:31:46,980

learn more about what's happening

845

00:31:51,950 --> 00:31:49,320

yeah yeah it's usually a very positive

846

00:31:54,769 --> 00:31:51,960

experience a lot of times people come to

847

00:31:57,830 --> 00:31:54,779

our property to learn from a place of

848

00:31:59,510 --> 00:31:57,840

genuine like interest and desire to

849

00:32:00,830 --> 00:31:59,520

figure out what's going on and in the

850

00:32:02,630 --> 00:32:00,840

intelligence communities they all know

851

00:32:04,010 --> 00:32:02,640

that my dad's the guy it's just what

852

00:32:07,130 --> 00:32:04,020

Simpson event told me otherwise I

853

00:32:08,750 --> 00:32:07,140

wouldn't say that you know but um they

854

00:32:10,549 --> 00:32:08,760

come to learn they come to help they

855

00:32:14,269 --> 00:32:10,559

come to be a part

856

00:32:16,070 --> 00:32:14,279

of like our family's experiences but in

857

00:32:17,750 --> 00:32:16,080

private a lot of times these retired

858

00:32:20,450 --> 00:32:17,760

intelligence people they can't go

859

00:32:21,710 --> 00:32:20,460

publicly endorse because that would be

860

00:32:23,690 --> 00:32:21,720

an opinion on behalf of the United

861

00:32:25,970 --> 00:32:23,700

States government like Lou Elizondo on

862

00:32:27,830 --> 00:32:25,980

your show I listened to that what he

863

00:32:30,169 --> 00:32:27,840

said over and over and basically what he

864

00:32:31,610 --> 00:32:30,179

did was he vouched for my family in a

865

00:32:33,230 --> 00:32:31,620

non-official capacity they're not

866

00:32:34,669 --> 00:32:33,240

allowed to make opinions on behalf of

867

00:32:36,830 --> 00:32:34,679

the United States government unless they

868

00:32:38,149 --> 00:32:36,840

have the hard facts and the data but he

869

00:32:39,950 --> 00:32:38,159

sat right here on your program and he

870

00:32:41,810 --> 00:32:39,960

said he's a wonderful man he's having

871

00:32:42,529 --> 00:32:41,820

experiences like

872

00:32:44,870 --> 00:32:42,539

um

873

00:32:47,990 --> 00:32:44,880

skin walker Ranch

874

00:32:49,909 --> 00:32:48,000

and what Mr Bledsoe is saying is

875

00:32:51,289 --> 00:32:49,919

probably correct

876

00:32:53,810 --> 00:32:51,299

I don't know if anybody caught that but

877

00:32:56,269 --> 00:32:53,820

that's what Lou said on your program so

878

00:32:58,130 --> 00:32:56,279

yeah mostly it is positive they all want

879

00:33:00,649 --> 00:32:58,140

to meet him we've met some other covert

880

00:33:03,230 --> 00:33:00,659

people in NASA who have literally lost

881

00:33:05,950 --> 00:33:03,240

their position and were fired just to go

882

00:33:08,630 --> 00:33:05,960

out on a limb and speak with my father

883

00:33:10,250 --> 00:33:08,640

to protect him from other like threats

884

00:33:10,970 --> 00:33:10,260

and things like that

885

00:33:12,649 --> 00:33:10,980

um

886

00:33:14,210 --> 00:33:12,659

just to help him because they see that

887

00:33:16,549 --> 00:33:14,220

he's a good person who really wants to

888

00:33:18,049 --> 00:33:16,559

tell his story to the world there's only

889

00:33:19,970 --> 00:33:18,059

a few negative groups that we've

890

00:33:21,649 --> 00:33:19,980

interacted with and we just we just

891

00:33:22,909 --> 00:33:21,659

don't mess with them anymore I mean we

892

00:33:25,730 --> 00:33:22,919

don't talk to him it's like they need us

893

00:33:28,610 --> 00:33:25,740

we don't need them you know so anybody

894

00:33:30,710 --> 00:33:28,620

that I speak of and name

895

00:33:32,450 --> 00:33:30,720

um chances are very positive

896

00:33:34,009 --> 00:33:32,460

interactions we love them I'm not going

897

00:33:36,350 --> 00:33:34,019

to disparage anybody I'm not going to

898

00:33:37,789 --> 00:33:36,360

name anybody that that we don't you know

899

00:33:39,830 --> 00:33:37,799

have any sort of positive interaction

900

00:33:42,470 --> 00:33:39,840

with it's a waste of my time

901
00:33:45,110 --> 00:33:42,480
know that that's totally fair

902
00:33:46,789 --> 00:33:45,120
the the lady is something that comes up

903
00:33:49,009 --> 00:33:46,799
over and over again and I've got a ton

904
00:33:50,630 --> 00:33:49,019
of questions about so if we don't ask a

905
00:33:52,310 --> 00:33:50,640
question directly about it then it's

906
00:33:54,169 --> 00:33:52,320
because you know there was so many

907
00:33:56,269 --> 00:33:54,179
similar ones put in there but just

908
00:33:58,190 --> 00:33:56,279
explain to the listeners Ryan who is the

909
00:34:00,110 --> 00:33:58,200
lady it's something your father's

910
00:34:01,730 --> 00:34:00,120
discussed quite a lot as well and just

911
00:34:03,230 --> 00:34:01,740
what can you share about the experiences

912
00:34:06,470 --> 00:34:03,240
with the lady

913
00:34:08,510 --> 00:34:06,480

okay before I go into this I just want

914

00:34:11,030 --> 00:34:08,520

to say that what we're going to do is

915

00:34:12,770 --> 00:34:11,040

we're going to take that box with you

916

00:34:14,690 --> 00:34:12,780

know language and how it confounds our

917

00:34:15,770 --> 00:34:14,700

understanding we're gonna throw it out

918

00:34:18,109 --> 00:34:15,780

the door

919

00:34:20,510 --> 00:34:18,119

what the lady is is not what people

920

00:34:22,369 --> 00:34:20,520

think it is

921

00:34:24,889 --> 00:34:22,379

um it's not a ghost

922

00:34:26,990 --> 00:34:24,899

it's not an alien

923

00:34:29,990 --> 00:34:27,000

and in some literal sense it's not a

924

00:34:31,970 --> 00:34:30,000

goddess you know we don't I don't see

925

00:34:34,550 --> 00:34:31,980

reality as these literal gods and

926
00:34:35,990 --> 00:34:34,560
goddesses just flying around and coming

927
00:34:38,089 --> 00:34:36,000
down and like trying to do these

928
00:34:40,849 --> 00:34:38,099
Miracles I think it's more complicated

929
00:34:41,530 --> 00:34:40,859
than that I think it's more like

930
00:34:43,570 --> 00:34:41,540
um

931
00:34:46,510 --> 00:34:43,580
you know

932
00:34:48,829 --> 00:34:46,520
Consciousness and

933
00:34:50,690 --> 00:34:48,839
beings of light coming from higher

934
00:34:53,270 --> 00:34:50,700
Realms and appearing to us in ways that

935
00:34:55,849 --> 00:34:53,280
we understand and it's metaphorical

936
00:34:59,210 --> 00:34:55,859
and metaphysical

937
00:35:01,370 --> 00:34:59,220
the lady as my dad was made to

938
00:35:04,970 --> 00:35:01,380

understand is associated with the bull

939

00:35:06,349 --> 00:35:04,980

and the um in Egypt and the pyramids and

940

00:35:08,089 --> 00:35:06,359

the Sphinx

941

00:35:11,349 --> 00:35:08,099

so if anybody was to get on their

942

00:35:14,990 --> 00:35:11,359

computer and Google who is the Egyptian

943

00:35:17,210 --> 00:35:15,000

uh you know bull goddess what's the name

944

00:35:19,670 --> 00:35:17,220

they would find half Thor

945

00:35:22,490 --> 00:35:19,680

okay that's the name that was put you

946

00:35:24,530 --> 00:35:22,500

know in my father's line of thinking

947

00:35:27,589 --> 00:35:24,540

what is hathor

948

00:35:31,130 --> 00:35:27,599

hathor is love hathor is the comforter

949

00:35:32,750 --> 00:35:31,140

hath Thor you know in a symbolic way

950

00:35:36,230 --> 00:35:32,760

um the ancient Egyptians described her

951
00:35:38,210 --> 00:35:36,240
as having a dress of the Milky Way

952
00:35:40,609 --> 00:35:38,220
galaxy and

953
00:35:42,470 --> 00:35:40,619
you know nourishing her children with

954
00:35:45,109 --> 00:35:42,480
the milk from the cosmic utter therefore

955
00:35:47,690 --> 00:35:45,119
the bull symbolism it's metaphor you

956
00:35:50,750 --> 00:35:47,700
know she told my dad in the regression

957
00:35:52,670 --> 00:35:50,760
that she is the manifestation of the

958
00:35:55,069 --> 00:35:52,680
force of love

959
00:35:56,870 --> 00:35:55,079
people need to think in forces and

960
00:35:59,030 --> 00:35:56,880
archetypes it's it's more complicated

961
00:36:01,849 --> 00:35:59,040
than little spinning frisbees from Mars

962
00:36:04,069 --> 00:36:01,859
there are forces at play that animate

963
00:36:05,870 --> 00:36:04,079

our reality they animate our

964

00:36:08,750 --> 00:36:05,880

Consciousness these beings are

965

00:36:10,670 --> 00:36:08,760

emanations of those forces

966

00:36:12,230 --> 00:36:10,680

they speak to us through symbols and

967

00:36:13,970 --> 00:36:12,240

metaphors the Egyptians why do you think

968

00:36:16,730 --> 00:36:13,980

their whole entire language was in

969

00:36:19,069 --> 00:36:16,740

symbols because it has a profound effect

970

00:36:20,810 --> 00:36:19,079

on the subconscious being

971

00:36:23,270 --> 00:36:20,820

you know that's part of your conscious

972

00:36:26,089 --> 00:36:23,280

being is just you know it is connected

973

00:36:28,730 --> 00:36:26,099

to it but um I don't think that she is

974

00:36:31,490 --> 00:36:28,740

literally half Thor I think that that

975

00:36:35,150 --> 00:36:31,500

metaphor from ancient Egypt represents

976

00:36:36,890 --> 00:36:35,160

what force that she is which is love

977

00:36:40,250 --> 00:36:36,900

she created I think it's more of a

978

00:36:42,410 --> 00:36:40,260

manifestation of an idea or a concept

979

00:36:44,930 --> 00:36:42,420

rather than it's a physical thing it's

980

00:36:46,970 --> 00:36:44,940

this goddess or this Spirit coming and

981

00:36:48,170 --> 00:36:46,980

reincarnated almost not reincarnated

982

00:36:49,970 --> 00:36:48,180

that's the wrong one but you know

983

00:36:53,030 --> 00:36:49,980

appearing in that form to you yeah

984

00:36:55,190 --> 00:36:53,040

that's what I'm coming to understand and

985

00:36:57,290 --> 00:36:55,200

you know discuss with my father

986

00:36:58,730 --> 00:36:57,300

I think that um

987

00:37:01,310 --> 00:36:58,740

everything that we've been taught

988

00:37:04,069 --> 00:37:01,320

conventionally is not correct if it was

989

00:37:06,050 --> 00:37:04,079

correct we'd probably be in a Utopia you

990

00:37:08,450 --> 00:37:06,060

know like it's pretty common sense that

991

00:37:10,069 --> 00:37:08,460

we don't have access to these higher

992

00:37:13,030 --> 00:37:10,079

Realms of knowledge

993

00:37:16,310 --> 00:37:13,040

um I think that she is the literal

994

00:37:18,829 --> 00:37:16,320

manifestation of the force

995

00:37:21,589 --> 00:37:18,839

of love and creation

996

00:37:22,970 --> 00:37:21,599

it's it's more than just a being that

997

00:37:24,650 --> 00:37:22,980

shows up with blonde hair and a dress

998

00:37:27,109 --> 00:37:24,660

that's what she appeared to my father as

999

00:37:33,349 --> 00:37:27,119

it's it's an energy

1000

00:37:36,410 --> 00:37:35,089

no you said right to the start I thought

1001

00:37:38,750 --> 00:37:36,420

she gave a lot about context about

1002

00:37:40,609 --> 00:37:38,760

burgundy put the USA language in a box

1003

00:37:43,370 --> 00:37:40,619

and throw out the window which I like

1004

00:37:45,650 --> 00:37:43,380

because so much of the conversation now

1005

00:37:48,230 --> 00:37:45,660

people are starting to bring in even

1006

00:37:50,089 --> 00:37:48,240

just basic labels like angels and demons

1007

00:37:51,589 --> 00:37:50,099

and starting to say you know when it

1008

00:37:53,690 --> 00:37:51,599

comes to the phenomenon if you want to

1009

00:37:55,550 --> 00:37:53,700

talk about just aliens and people

1010

00:37:58,250 --> 00:37:55,560

referring to them even within the the

1011

00:37:59,930 --> 00:37:58,260

Pentagon and the Senate you know talking

1012

00:38:02,390 --> 00:37:59,940

about we don't want to deal with demonic

1013

00:38:05,089 --> 00:38:02,400

forces that's just a label that's been

1014

00:38:07,430 --> 00:38:05,099

put on this from a long time past that

1015

00:38:10,430 --> 00:38:07,440

we need to shake off because in a way

1016

00:38:12,410 --> 00:38:10,440

maybe it is Angels and Demons as we sort

1017

00:38:14,150 --> 00:38:12,420

of think we understand it but that's

1018

00:38:15,710 --> 00:38:14,160

just how people understood it some time

1019

00:38:18,050 --> 00:38:15,720

ago when they were writing books a long

1020

00:38:20,810 --> 00:38:18,060

long time ago and again like USA that's

1021

00:38:23,329 --> 00:38:20,820

why potentially an idea or you know of

1022

00:38:24,829 --> 00:38:23,339

something from Egyptian times can be

1023

00:38:26,030 --> 00:38:24,839

brought to relevance now but you can

1024

00:38:28,250 --> 00:38:26,040

kind of look at it in a different way

1025

00:38:30,050 --> 00:38:28,260

and that's why again this is being

1026

00:38:32,450 --> 00:38:30,060

brought up to your your family your

1027

00:38:35,690 --> 00:38:32,460

father have you had experiences yourself

1028

00:38:38,150 --> 00:38:35,700

with the lady of that manifestation

1029

00:38:39,349 --> 00:38:38,160

not with that one

1030

00:38:44,150 --> 00:38:39,359

um

1031

00:38:46,430 --> 00:38:44,160

I have had dreams that changed my life

1032

00:38:49,190 --> 00:38:46,440

that were very profound synchronicity

1033

00:38:50,870 --> 00:38:49,200

kind of thing uh

1034

00:38:56,410 --> 00:38:50,880

you know even though I saw these lights

1035

00:38:58,730 --> 00:38:56,420

in the sky I had this strict like

1036

00:39:00,829 --> 00:38:58,740

guilt-ridden adherence to fundamental

1037

00:39:02,930 --> 00:39:00,839

Christianity and the term fundamental

1038

00:39:05,390 --> 00:39:02,940

Christianity means you believe the Bible

1039

00:39:06,770 --> 00:39:05,400

is literal from Genesis to Revelation I

1040

00:39:08,690 --> 00:39:06,780

used I grew up believing that way

1041

00:39:10,010 --> 00:39:08,700

because that's what I was taught

1042

00:39:11,930 --> 00:39:10,020

um you know Earth is six thousand years

1043

00:39:14,089 --> 00:39:11,940

old all that good stuff of course I

1044

00:39:16,930 --> 00:39:14,099

don't believe that anymore and I was in

1045

00:39:19,849 --> 00:39:16,940

this powerful cognitive dissonance from

1046

00:39:20,710 --> 00:39:19,859

seeing lights in the sky from 13 years

1047

00:39:24,050 --> 00:39:20,720

old

1048

00:39:26,150 --> 00:39:24,060

experiencing the shunning and the grief

1049

00:39:28,130 --> 00:39:26,160

of being the family that talks about

1050

00:39:31,190 --> 00:39:28,140

these lights yet still going to church

1051
00:39:32,150 --> 00:39:31,200
and talking about this literal belief in

1052
00:39:34,910 --> 00:39:32,160
the Bible

1053
00:39:37,670 --> 00:39:34,920
so I was about 22 years old

1054
00:39:40,069 --> 00:39:37,680
I had a dream one night that Osiris was

1055
00:39:41,329 --> 00:39:40,079
standing at the foot of my bed and he

1056
00:39:42,770 --> 00:39:41,339
was saying some things to me but I

1057
00:39:45,650 --> 00:39:42,780
couldn't hear them

1058
00:39:47,569 --> 00:39:45,660
and when I woke up the next day

1059
00:39:48,349 --> 00:39:47,579
I was never a fundamental Christian ever

1060
00:39:51,589 --> 00:39:48,359
again

1061
00:39:55,250 --> 00:39:51,599
it just dropped overnight in my dream so

1062
00:39:57,650 --> 00:39:55,260
I think these these forces appear to you

1063
00:40:00,290 --> 00:39:57,660

in a metaphorical way or like with a

1064

00:40:01,690 --> 00:40:00,300

depiction that's anthropomorphic because

1065

00:40:05,569 --> 00:40:01,700

our brain

1066

00:40:07,790 --> 00:40:05,579

comprehends things as anthropomorphic so

1067

00:40:09,290 --> 00:40:07,800

these Egyptians were smart they put

1068

00:40:11,510 --> 00:40:09,300

these symbols on the walls of their

1069

00:40:13,010 --> 00:40:11,520

pyramids on the inside so they'd never

1070

00:40:15,950 --> 00:40:13,020

be destroyed

1071

00:40:17,930 --> 00:40:15,960

so that over time the message would last

1072

00:40:20,030 --> 00:40:17,940

you know so

1073

00:40:21,530 --> 00:40:20,040

I don't think that literally Osiris came

1074

00:40:24,050 --> 00:40:21,540

to me in a dream I think with the

1075

00:40:25,490 --> 00:40:24,060

Egyptians were saying is the force that

1076

00:40:27,349 --> 00:40:25,500

is represented by this little

1077

00:40:29,450 --> 00:40:27,359

anthropomorphic symbol

1078

00:40:31,670 --> 00:40:29,460

is what I interacted with

1079

00:40:34,250 --> 00:40:31,680

you know this isn't some paganism stuff

1080

00:40:36,470 --> 00:40:34,260

what I'm saying is there are forces from

1081

00:40:38,089 --> 00:40:36,480

higher realities that appear to our

1082

00:40:40,550 --> 00:40:38,099

brain in a way that we can understand it

1083

00:40:41,510 --> 00:40:40,560

as anthropomorphic it's an energy it's a

1084

00:40:43,010 --> 00:40:41,520

force

1085

00:40:46,069 --> 00:40:43,020

and you've talked a lot there about

1086

00:40:47,569 --> 00:40:46,079

symbols whether that is you know symbols

1087

00:40:49,250 --> 00:40:47,579

that are appearing

1088

00:40:50,510 --> 00:40:49,260

um almost physically to in front of

1089

00:40:51,770 --> 00:40:50,520

people whether it's symbols you're

1090

00:40:53,270 --> 00:40:51,780

seeing in your dream you talk about

1091

00:40:56,390 --> 00:40:53,280

ancient Egyptian how to growth

1092

00:40:58,910 --> 00:40:56,400

hieroglyphics we hear Pilots discussing

1093

00:41:00,650 --> 00:40:58,920

or even things like Tic Tac UFOs that

1094

00:41:02,569 --> 00:41:00,660

potentially have symbols on the side of

1095

00:41:05,210 --> 00:41:02,579

them going back to events like

1096

00:41:06,349 --> 00:41:05,220

rendersham again hieroglyphs on the side

1097

00:41:10,370 --> 00:41:06,359

of craft

1098

00:41:12,410 --> 00:41:10,380

do you think this rating is all

1099

00:41:14,089 --> 00:41:12,420

connected and that's why we keep seeing

1100

00:41:17,030 --> 00:41:14,099

these symbols going way back to even our

1101

00:41:23,450 --> 00:41:20,569

yeah um I think that symbols have an

1102

00:41:26,150 --> 00:41:23,460

inherent meaning that we have forgotten

1103

00:41:28,670 --> 00:41:26,160

over time and these symbols are

1104

00:41:30,530 --> 00:41:28,680

reflected by their geometry and what

1105

00:41:33,170 --> 00:41:30,540

that geometry means on a metaphysical

1106

00:41:37,130 --> 00:41:33,180

level and it has profound impacts on our

1107

00:41:40,790 --> 00:41:37,140

subconscious and it's not taught in the

1108

00:41:43,970 --> 00:41:40,800

exoteric mainstream world anymore if

1109

00:41:45,770 --> 00:41:43,980

that makes sense yeah so what I want to

1110

00:41:48,109 --> 00:41:45,780

get to then is would you put any weight

1111

00:41:51,290 --> 00:41:48,119

in the you know the phenomenon of crop

1112

00:41:52,970 --> 00:41:51,300

circles Gavin we've got these symbols

1113

00:41:55,190 --> 00:41:52,980

being created or for you is that

1114

00:41:57,530 --> 00:41:55,200

something that is just totally separate

1115

00:42:00,050 --> 00:41:57,540

or potentially man-made

1116

00:42:02,630 --> 00:42:00,060

that's a question that I honestly don't

1117

00:42:03,890 --> 00:42:02,640

really like have an answer or even an

1118

00:42:05,150 --> 00:42:03,900

opinion on

1119

00:42:07,130 --> 00:42:05,160

um I think crop circles are very

1120

00:42:08,390 --> 00:42:07,140

fascinating but I just have no you know

1121

00:42:10,250 --> 00:42:08,400

experience with it I have no way of

1122

00:42:12,349 --> 00:42:10,260

knowing if it's genuine or not I know my

1123

00:42:14,930 --> 00:42:12,359

dad is friends I believe his name is

1124

00:42:17,569 --> 00:42:14,940

Colin Andrews I think I hope I'm not

1125

00:42:19,430 --> 00:42:17,579

wrong here but it's a guy who's like

1126

00:42:21,109 --> 00:42:19,440

um one of the big crop circle guys out

1127

00:42:23,510 --> 00:42:21,119

there and they've had some chats and he

1128

00:42:25,130 --> 00:42:23,520

seems to think that they're genuine but

1129

00:42:27,609 --> 00:42:25,140

I will say there are some crop circles

1130

00:42:30,890 --> 00:42:27,619

that I've seen that have like

1131

00:42:32,329 --> 00:42:30,900

intense mathematical ratios in them that

1132

00:42:34,609 --> 00:42:32,339

would not be easy to just pop up

1133

00:42:36,349 --> 00:42:34,619

overnight as a hoax so I think

1134

00:42:37,730 --> 00:42:36,359

mathematics are very important as far as

1135

00:42:40,130 --> 00:42:37,740

like the fundamental nature and

1136

00:42:43,730 --> 00:42:40,140

construction of our reality so I'm gonna

1137

00:42:45,950 --> 00:42:43,740

go with just a simple it's cool

1138

00:42:47,690 --> 00:42:45,960

I don't know if they're legit would be

1139

00:42:50,150 --> 00:42:47,700

great if they were you know

1140

00:42:51,890 --> 00:42:50,160

yeah no absolutely I appreciate that

1141

00:42:53,210 --> 00:42:51,900

um slightly it was slightly skewed but I

1142

00:42:55,370 --> 00:42:53,220

just wanted to get that Anil as you were

1143

00:42:56,990 --> 00:42:55,380

talking about the symbols yeah the

1144

00:42:58,550 --> 00:42:57,000

phenomenon that is happening and has

1145

00:43:02,210 --> 00:42:58,560

happened down to your family do you

1146

00:43:04,309 --> 00:43:02,220

foresee a day that it stops no never

1147

00:43:05,569 --> 00:43:04,319

it won't stop it hasn't yet it never

1148

00:43:09,109 --> 00:43:05,579

will

1149

00:43:11,750 --> 00:43:09,119

you see this being something that and do

1150

00:43:13,069 --> 00:43:11,760

you feel this is gonna I I don't like

1151
00:43:14,630 --> 00:43:13,079
asking too many personal questions

1152
00:43:16,069 --> 00:43:14,640
especially when it comes to family but

1153
00:43:18,470 --> 00:43:16,079
understand it's your family that's

1154
00:43:20,329 --> 00:43:18,480
experiencing this effin Wayne you and

1155
00:43:21,890 --> 00:43:20,339
your siblings you know you all move to

1156
00:43:23,510 --> 00:43:21,900
different locations just let's say for

1157
00:43:25,609 --> 00:43:23,520
example you moved to one part of Europe

1158
00:43:27,829 --> 00:43:25,619
and then someone else moved to somewhere

1159
00:43:29,870 --> 00:43:27,839
else and then your mother and father

1160
00:43:32,210 --> 00:43:29,880
moved to someone in India let's just say

1161
00:43:34,910 --> 00:43:32,220
do you feel the phenomenon but follow

1162
00:43:37,790 --> 00:43:34,920
each of you to these places individually

1163
00:43:39,890 --> 00:43:37,800

I do because I think we have to remember

1164

00:43:42,890 --> 00:43:39,900

that physical space

1165

00:43:44,990 --> 00:43:42,900

is not even an obstacle for these beings

1166

00:43:46,849 --> 00:43:45,000

people think in concept of wow you live

1167

00:43:48,349 --> 00:43:46,859

you know here and then you went to

1168

00:43:51,890 --> 00:43:48,359

California and it followed you so many

1169

00:43:54,890 --> 00:43:51,900

thousands of miles that's crazy well

1170

00:43:56,150 --> 00:43:54,900

I don't think that you know in these

1171

00:43:58,190 --> 00:43:56,160

higher Realms that they come from

1172

00:43:59,450 --> 00:43:58,200

there's even physical space

1173

00:44:01,370 --> 00:43:59,460

period

1174

00:44:02,930 --> 00:44:01,380

I think quantum mechanics is pretty hot

1175

00:44:04,970 --> 00:44:02,940

on uh you know the whole quantum

1176

00:44:08,210 --> 00:44:04,980

entanglement and Photon double slit

1177

00:44:10,250 --> 00:44:08,220

trying to argue the question that

1178

00:44:11,930 --> 00:44:10,260

physical space may not even be real and

1179

00:44:15,050 --> 00:44:11,940

it's just an illusion of the human brain

1180

00:44:17,510 --> 00:44:15,060

so yeah I think if I went to you know

1181

00:44:21,770 --> 00:44:17,520

Mars it would follow me

1182

00:44:25,849 --> 00:44:23,990

are you aware of this happening to other

1183

00:44:27,349 --> 00:44:25,859

families that may or may not have

1184

00:44:30,230 --> 00:44:27,359

contacted you to discuss their

1185

00:44:32,630 --> 00:44:30,240

experiences as well yes

1186

00:44:35,750 --> 00:44:32,640

um the medal that my dad

1187

00:44:40,069 --> 00:44:35,760

got to Tom DeLong in louisando and just

1188

00:44:44,990 --> 00:44:41,930

um in Ohio

1189

00:44:47,809 --> 00:44:45,000

and my dad was put on to meeting him

1190

00:44:49,910 --> 00:44:47,819

through Tyler D so what people don't

1191

00:44:53,210 --> 00:44:49,920

realize is you know this guy from

1192

00:44:54,710 --> 00:44:53,220

American Cosmic in tsa wow this guy's

1193

00:44:56,089 --> 00:44:54,720

cool this guy well in these inside

1194

00:44:58,370 --> 00:44:56,099

circles they're all in some way

1195

00:45:00,950 --> 00:44:58,380

connected by one degree of separation

1196

00:45:03,290 --> 00:45:00,960

through my father you know all these

1197

00:45:05,750 --> 00:45:03,300

people have been entangled and um like

1198

00:45:07,490 --> 00:45:05,760

Hal pavenmeyer this is kind of cool

1199

00:45:10,250 --> 00:45:07,500

all of these people that we've spoken

1200

00:45:12,710 --> 00:45:10,260

with know how pavenmeier like Jim Simi

1201

00:45:14,809 --> 00:45:12,720

van told us before how how um how

1202

00:45:16,190 --> 00:45:14,819

pavenmeier passed away that he was a

1203

00:45:18,290 --> 00:45:16,200

heavy hitter and that nobody realized

1204

00:45:20,390 --> 00:45:18,300

his importance in all of ufology I'm

1205

00:45:21,490 --> 00:45:20,400

sorry I derailed your question but the

1206

00:45:23,870 --> 00:45:21,500

point is

1207

00:45:25,430 --> 00:45:23,880

there are other families that we've been

1208

00:45:26,930 --> 00:45:25,440

made aware of I don't necessarily know

1209

00:45:28,609 --> 00:45:26,940

all their names but we know that we're

1210

00:45:30,470 --> 00:45:28,619

not the only ones just for some reason

1211

00:45:33,050 --> 00:45:30,480

these beings interact with us in such a

1212

00:45:35,150 --> 00:45:33,060

level in intensity that it just like

1213

00:45:36,470 --> 00:45:35,160

makes our heads go crazy with like

1214

00:45:38,329 --> 00:45:36,480

wanting to tell it and we get out there

1215

00:45:40,670 --> 00:45:38,339

and tell it that's why they do this to

1216

00:45:43,430 --> 00:45:40,680

us to to kind of inculcate us with this

1217

00:45:45,170 --> 00:45:43,440

this drive to go tell the story

1218

00:45:47,569 --> 00:45:45,180

um you know at 27 years old I'm sitting

1219

00:45:49,250 --> 00:45:47,579

here just I'm ready to get it out you

1220

00:45:50,990 --> 00:45:49,260

know

1221

00:45:52,550 --> 00:45:51,000

absolutely

1222

00:45:53,870 --> 00:45:52,560

um I want to move on a little bit now

1223

00:45:55,250 --> 00:45:53,880

because there's so much within the

1224

00:45:57,109 --> 00:45:55,260

conversation you've shared there that

1225

00:45:59,630 --> 00:45:57,119

some listeners will be aware of some of

1226
00:46:01,490 --> 00:45:59,640
them it'll be some food for thought and

1227
00:46:03,770 --> 00:46:01,500
other people may be newer to the subject

1228
00:46:05,450 --> 00:46:03,780
can go and look at a range of like you

1229
00:46:07,790 --> 00:46:05,460
say Discovery Channel documentaries

1230
00:46:08,870 --> 00:46:07,800
books there's YouTube interviews you

1231
00:46:11,750 --> 00:46:08,880
know you mentioned Jay from Project

1232
00:46:13,130 --> 00:46:11,760
Unity spoke to Chris uh senior and like

1233
00:46:14,809 --> 00:46:13,140
I say you've done a few as well so

1234
00:46:17,390 --> 00:46:14,819
there's a lot if you have heard it there

1235
00:46:18,829 --> 00:46:17,400
you can go and find the details in so

1236
00:46:21,050 --> 00:46:18,839
many different places as well so I would

1237
00:46:22,010 --> 00:46:21,060
encourage people to do that I want to

1238
00:46:24,410 --> 00:46:22,020

address something that a few people

1239

00:46:25,550 --> 00:46:24,420

spoke to me about Ryan now within the

1240

00:46:27,349 --> 00:46:25,560

subject

1241

00:46:28,730 --> 00:46:27,359

um there are like you say with crop

1242

00:46:30,430 --> 00:46:28,740

circles you kind of said you don't have

1243

00:46:33,349 --> 00:46:30,440

much of an opinion on it yourself okay

1244

00:46:34,849 --> 00:46:33,359

something that I find I don't know if

1245

00:46:35,990 --> 00:46:34,859

controversial is the right word and I

1246

00:46:39,410 --> 00:46:36,000

spoke to you about this before we came

1247

00:46:41,390 --> 00:46:39,420

on was orbs now orbs play a huge part in

1248

00:46:44,150 --> 00:46:41,400

a lot of the photography that's put up

1249

00:46:47,390 --> 00:46:44,160

by yourself but they're very popular

1250

00:46:49,190 --> 00:46:47,400

source of material on you know UFO

1251
00:46:50,809 --> 00:46:49,200
Twitter and and Reddit and things like

1252
00:46:52,970 --> 00:46:50,819
that as well there's so many old videos

1253
00:46:55,130 --> 00:46:52,980
and pictures being posted

1254
00:46:57,710 --> 00:46:55,140
can you talk a little bit about why

1255
00:46:59,809 --> 00:46:57,720
these should be seen as

1256
00:47:01,970 --> 00:46:59,819
a key piece of evidence as such some of

1257
00:47:04,190 --> 00:47:01,980
your experiences with orbs and why

1258
00:47:06,349 --> 00:47:04,200
someone like myself what am I missing

1259
00:47:07,970 --> 00:47:06,359
when I see a picture of you know a very

1260
00:47:09,410 --> 00:47:07,980
faint light in a photograph what what

1261
00:47:11,089 --> 00:47:09,420
should I be looking at and not just

1262
00:47:13,370 --> 00:47:11,099
looking and thinking potentially as

1263
00:47:15,290 --> 00:47:13,380

glare or you know that sort of thing

1264

00:47:17,569 --> 00:47:15,300

I think the majority of photos on the

1265

00:47:20,750 --> 00:47:17,579

internet probably could be glare

1266

00:47:23,329 --> 00:47:20,760

but um I will say that you know my

1267

00:47:25,069 --> 00:47:23,339

brother saw those beings in 2007 they

1268

00:47:27,349 --> 00:47:25,079

started as red orbs and then they came

1269

00:47:31,069 --> 00:47:27,359

from the orbs as they got closer

1270

00:47:33,230 --> 00:47:31,079

I think that we have lost as a society

1271

00:47:36,349 --> 00:47:33,240

we've lost our understanding of what

1272

00:47:37,670 --> 00:47:36,359

Consciousness truly means what the idea

1273

00:47:39,170 --> 00:47:37,680

and again we're going to throw out that

1274

00:47:40,790 --> 00:47:39,180

language box I'm not talking about the

1275

00:47:42,470 --> 00:47:40,800

Bible I'm not talking about this

1276

00:47:45,410 --> 00:47:42,480

religion or that religion I'm saying the

1277

00:47:48,650 --> 00:47:45,420

title of a true Consciousness or God

1278

00:47:52,309 --> 00:47:48,660

we've forgotten what that means

1279

00:47:58,130 --> 00:47:54,470

is there is one consciousness

1280

00:48:01,010 --> 00:47:58,140

there's one source of it that's God

1281

00:48:01,849 --> 00:48:01,020

these beings are closer to that than we

1282

00:48:04,010 --> 00:48:01,859

are

1283

00:48:05,990 --> 00:48:04,020

they're not bound by this physical

1284

00:48:08,329 --> 00:48:06,000

reality they can come in here if they

1285

00:48:11,390 --> 00:48:08,339

wish but not against their will and I

1286

00:48:14,510 --> 00:48:11,400

think that that includes trapping their

1287

00:48:17,030 --> 00:48:14,520

form in a photograph or a video I think

1288

00:48:20,809 --> 00:48:17,040

what we get on Photo is what they give

1289

00:48:25,630 --> 00:48:20,819

us it should not be just so dismissed by

1290

00:48:28,010 --> 00:48:25,640

that very left brain logical

1291

00:48:29,750 --> 00:48:28,020

debunking mindset but I think people

1292

00:48:32,270 --> 00:48:29,760

need to realize that what these beings

1293

00:48:34,430 --> 00:48:32,280

are is a higher Consciousness or you

1294

00:48:38,510 --> 00:48:34,440

know if you want to try to relate that

1295

00:48:40,490 --> 00:48:38,520

to another word a higher spiritual Realm

1296

00:48:42,230 --> 00:48:40,500

they cannot be trapped against their

1297

00:48:44,210 --> 00:48:42,240

will there's nobody out there just like

1298

00:48:44,990 --> 00:48:44,220

accidentally getting a picture of these

1299

00:48:48,050 --> 00:48:45,000

things

1300

00:48:50,630 --> 00:48:48,060

what we get is what they give us so

1301
00:48:52,970 --> 00:48:50,640
these orbs are what they're giving us we

1302
00:48:54,530 --> 00:48:52,980
see them appear as orbs with our eyes

1303
00:48:56,630 --> 00:48:54,540
and then we go post on the internet what

1304
00:48:58,490 --> 00:48:56,640
do they say it's a fake it's a fraud

1305
00:48:59,990 --> 00:48:58,500
this that the other blah blah blah well

1306
00:49:01,790 --> 00:49:00,000
we go outside in our backyard we see

1307
00:49:03,470 --> 00:49:01,800
orbs we rush to get our phone out and

1308
00:49:06,050 --> 00:49:03,480
snap a picture and then we share it and

1309
00:49:08,270 --> 00:49:06,060
we get mocked but in reality you know

1310
00:49:10,130 --> 00:49:08,280
who gets the last laugh here

1311
00:49:11,710 --> 00:49:10,140
the ones who are never going to

1312
00:49:14,150 --> 00:49:11,720
interface with this phenomenon because

1313
00:49:16,370 --> 00:49:14,160

they're so left-brained they're not

1314

00:49:18,770 --> 00:49:16,380

activating their right brain like Grant

1315

00:49:20,750 --> 00:49:18,780

Cameron says and truly interfacing with

1316

00:49:22,430 --> 00:49:20,760

this phenomenon or us who are in the

1317

00:49:23,270 --> 00:49:22,440

comfort of our own home actually seeing

1318

00:49:29,990 --> 00:49:23,280

it

1319

00:49:32,690 --> 00:49:30,000

anybody that dismisses or phenomenon

1320

00:49:34,069 --> 00:49:32,700

without even trying to entertain the

1321

00:49:35,870 --> 00:49:34,079

idea of it

1322

00:49:37,190 --> 00:49:35,880

um they're on the wrong track they are

1323

00:49:38,990 --> 00:49:37,200

totally on the wrong track and I mean

1324

00:49:41,349 --> 00:49:39,000

this respectfully I'm trying to help

1325

00:49:44,569 --> 00:49:41,359

people with my knowledge and experience

1326

00:49:47,089 --> 00:49:44,579

orbs are a very important phenomenon

1327

00:49:49,190 --> 00:49:47,099

they are real manifestations of

1328

00:49:50,510 --> 00:49:49,200

Consciousness as I have been told by Hal

1329

00:49:52,910 --> 00:49:50,520

pavenmeier

1330

00:49:54,890 --> 00:49:52,920

Jim semivan

1331

00:49:56,569 --> 00:49:54,900

and that's the only two that come to my

1332

00:49:58,490 --> 00:49:56,579

mind at the moment but they know and

1333

00:50:00,829 --> 00:49:58,500

we've also had chats with Lou Elizondo

1334

00:50:02,329 --> 00:50:00,839

my dad has about orbs

1335

00:50:05,030 --> 00:50:02,339

these guys don't go out and speak

1336

00:50:06,770 --> 00:50:05,040

publicly about orbs why because they're

1337

00:50:09,109 --> 00:50:06,780

read into the program and they cannot

1338

00:50:10,910 --> 00:50:09,119

give official opinions on behalf of the

1339

00:50:12,530 --> 00:50:10,920

United States government but what does

1340

00:50:15,770 --> 00:50:12,540

my dad talk about he talks about beings

1341

00:50:17,630 --> 00:50:15,780

of light the lady and orbs and we post

1342

00:50:19,910 --> 00:50:17,640

pictures hanging out with lu Elizondo

1343

00:50:21,650 --> 00:50:19,920

Tonda long Jim Sammy van blah blah blah

1344

00:50:23,809 --> 00:50:21,660

it's because of what we're saying is why

1345

00:50:25,490 --> 00:50:23,819

these people are coming it's these

1346

00:50:26,930 --> 00:50:25,500

things so orbs are very important I'm

1347

00:50:29,270 --> 00:50:26,940

I'm just setting that out into the world

1348

00:50:31,670 --> 00:50:29,280

now if anybody wants to mock that's fine

1349

00:50:34,550 --> 00:50:31,680

they have that right but they're wrong

1350

00:50:36,589 --> 00:50:34,560

you know so I mean that respectfully but

1351

00:50:37,970 --> 00:50:36,599

orbs are very important and I urge

1352

00:50:40,790 --> 00:50:37,980

people to at least

1353

00:50:42,770 --> 00:50:40,800

entertain the idea that it's you know

1354

00:50:44,930 --> 00:50:42,780

some form of manifestation stimulate

1355

00:50:50,210 --> 00:50:44,940

that other part of your being don't give

1356

00:50:53,150 --> 00:50:50,220

in to that left brain logical you know

1357

00:50:55,490 --> 00:50:53,160

orderly way of thinking and try to come

1358

00:50:57,410 --> 00:50:55,500

from a place of consciousness

1359

00:50:59,270 --> 00:50:57,420

higher Realms and then you'll understand

1360

00:51:01,430 --> 00:50:59,280

what this phenomenon is

1361

00:51:03,410 --> 00:51:01,440

sorry if that was long-winded no

1362

00:51:04,970 --> 00:51:03,420

absolutely listen I like that and let me

1363

00:51:06,290 --> 00:51:04,980

take that one step further and I'm going

1364

00:51:08,569 --> 00:51:06,300

to play a little bit of Devil's Advocate

1365

00:51:10,549 --> 00:51:08,579

here okay okay like you say when you

1366

00:51:13,309 --> 00:51:10,559

mentioned previously people trying to at

1367

00:51:15,290 --> 00:51:13,319

least put themselves uh and entertain

1368

00:51:17,329 --> 00:51:15,300

the idea I don't think you have to even

1369

00:51:19,910 --> 00:51:17,339

guess but I mean obviously I host a UFO

1370

00:51:22,309 --> 00:51:19,920

podcast I will entertain a lot of ideas

1371

00:51:24,109 --> 00:51:22,319

and orbs are one of those things it's

1372

00:51:26,510 --> 00:51:24,119

just when you see and it's something

1373

00:51:28,790 --> 00:51:26,520

Sean Cahill talked about that one source

1374

00:51:30,530 --> 00:51:28,800

so often people will post that one

1375

00:51:33,049 --> 00:51:30,540

photograph and go here's an orbit took a

1376

00:51:35,329 --> 00:51:33,059

picture of no context no nothing and

1377

00:51:37,910 --> 00:51:35,339

it's just it's just there obviously what

1378

00:51:39,589 --> 00:51:37,920

you and your family have is a volume of

1379

00:51:41,990 --> 00:51:39,599

of evidence and photographs and

1380

00:51:44,030 --> 00:51:42,000

experiences let me take that a step

1381

00:51:46,010 --> 00:51:44,040

further then and this is something

1382

00:51:48,770 --> 00:51:46,020

I want to address on behalf of people

1383

00:51:51,049 --> 00:51:48,780

who have brought up what I'll say is

1384

00:51:52,990 --> 00:51:51,059

before I ask it is I appreciate you and

1385

00:51:56,150 --> 00:51:53,000

a family you have lives you have jobs

1386

00:51:58,309 --> 00:51:56,160

and you know your lives are not a TV

1387

00:52:00,950 --> 00:51:58,319

show for everyone to watch right however

1388

00:52:03,410 --> 00:52:00,960

people would ask why would you and the

1389

00:52:06,430 --> 00:52:03,420

family not set up say 4K recording

1390

00:52:09,410 --> 00:52:06,440

equipment around the home almost

1391

00:52:11,450 --> 00:52:09,420

Skinwalker ranch-esque maybe not to that

1392

00:52:13,010 --> 00:52:11,460

level but you know some good camera

1393

00:52:14,569 --> 00:52:13,020

equipment that could constantly be

1394

00:52:16,069 --> 00:52:14,579

filming this sort of stuff is there any

1395

00:52:18,049 --> 00:52:16,079

reasons or is it something that has come

1396

00:52:19,730 --> 00:52:18,059

up in the past it's definitely come up

1397

00:52:21,230 --> 00:52:19,740

in the past and we're still in chats

1398

00:52:23,270 --> 00:52:21,240

with people I was chatting with a

1399

00:52:24,410 --> 00:52:23,280

filmmaker and when I say filmmaker I

1400

00:52:27,290 --> 00:52:24,420

don't mean he's going making like

1401

00:52:30,170 --> 00:52:27,300

Blockbusters he has before but this guy

1402

00:52:33,710 --> 00:52:30,180

is making a documentary he wants to come

1403

00:52:36,170 --> 00:52:33,720

out and bring equipment we are very uh

1404

00:52:39,410 --> 00:52:36,180

open to work with individuals that we

1405

00:52:41,510 --> 00:52:39,420

trust and who are reputable and have

1406

00:52:43,490 --> 00:52:41,520

our best interests in mind now when I

1407

00:52:45,230 --> 00:52:43,500

say our best interest

1408

00:52:46,910 --> 00:52:45,240

what I mean is

1409

00:52:47,690 --> 00:52:46,920

we were

1410

00:52:50,030 --> 00:52:47,700

um

1411

00:52:51,770 --> 00:52:50,040

we were mocked because of the hack job

1412

00:52:53,809 --> 00:52:51,780

documentary that was made to discredit

1413

00:52:55,670 --> 00:52:53,819

us we're not just going to bring any Joe

1414

00:52:57,829 --> 00:52:55,680

onto our property with cameras and say

1415

00:52:59,569 --> 00:52:57,839

shoot we're going to vet people we're

1416

00:53:01,130 --> 00:52:59,579

going to wait and have the patience and

1417

00:53:02,990 --> 00:53:01,140

understanding that the right person will

1418

00:53:04,609 --> 00:53:03,000

come when these beings are ready for it

1419

00:53:05,930 --> 00:53:04,619

because all of this stuff that's

1420

00:53:07,670 --> 00:53:05,940

happened with my family behind the

1421

00:53:10,130 --> 00:53:07,680

scenes that you write it's not a TV show

1422

00:53:12,109 --> 00:53:10,140

there's been people we've met that most

1423

00:53:14,270 --> 00:53:12,119

wouldn't even believe like next weekend

1424

00:53:17,150 --> 00:53:14,280

someone's coming to our home from a

1425

00:53:19,549 --> 00:53:17,160

foreign country who's like

1426

00:53:21,230 --> 00:53:19,559

it's crazy who's coming to our property

1427

00:53:22,370 --> 00:53:21,240

we're we're not just going to throw

1428

00:53:23,630 --> 00:53:22,380

cameras out there and hit shoot we're

1429

00:53:25,730 --> 00:53:23,640

going to do it right when we do it

1430

00:53:28,670 --> 00:53:25,740

everything we've given already is

1431

00:53:31,609 --> 00:53:28,680

genuine you know my dad has 15 000 orb

1432

00:53:33,290 --> 00:53:31,619

photos on his iPhone he has 15 000 on a

1433

00:53:34,609 --> 00:53:33,300

hard drive now he's going out there

1434

00:53:36,890 --> 00:53:34,619

because people complain about the iPhone

1435

00:53:38,510 --> 00:53:36,900

he's a simple man he's a carpenter he's

1436

00:53:40,069 --> 00:53:38,520

a 59 year old carpenter he's not a

1437

00:53:42,109 --> 00:53:40,079

scientist he doesn't have all this

1438

00:53:43,910 --> 00:53:42,119

technological prowess I don't live with

1439

00:53:45,650 --> 00:53:43,920

him I can't sit and fumble around every

1440

00:53:47,329 --> 00:53:45,660

time I go home for you know a birthday

1441

00:53:50,270 --> 00:53:47,339

party and try to break out this fancy

1442

00:53:53,510 --> 00:53:50,280

equipment you know we're simple people

1443

00:53:54,829 --> 00:53:53,520

and anyway so back to that point

1444

00:53:56,089 --> 00:53:54,839

um

1445

00:53:58,010 --> 00:53:56,099

you know

1446

00:53:59,450 --> 00:53:58,020

we're gonna do it when it's right we're

1447

00:54:01,309 --> 00:53:59,460

not just going to sit around and just

1448

00:54:03,410 --> 00:54:01,319

hit shoot you know I think I kind of

1449

00:54:06,109 --> 00:54:03,420

interrupted myself there and broke where

1450

00:54:11,569 --> 00:54:09,130

oh I remember I remember

1451
00:54:14,150 --> 00:54:11,579
on your goal I was just gonna say people

1452
00:54:15,230 --> 00:54:14,160
complain about the iPhone photos and

1453
00:54:17,150 --> 00:54:15,240
then we get them on the night vision

1454
00:54:18,470 --> 00:54:17,160
camera and people still complain you

1455
00:54:21,049 --> 00:54:18,480
know if we got them with a documentary

1456
00:54:23,150 --> 00:54:21,059
film crew people would still complain

1457
00:54:24,470 --> 00:54:23,160
because they can't entertain that

1458
00:54:25,849 --> 00:54:24,480
there's something from like some sort of

1459
00:54:28,069 --> 00:54:25,859
higher realm it's all left brain

1460
00:54:29,809 --> 00:54:28,079
thinking and that needs to be quieted

1461
00:54:31,250 --> 00:54:29,819
and try to connect with what this

1462
00:54:33,770 --> 00:54:31,260
phenomenon is that sorry that's what I

1463
00:54:35,809 --> 00:54:33,780

was going to say go ahead

1464

00:54:37,609 --> 00:54:35,819

no that's fine unless and I totally get

1465

00:54:39,230 --> 00:54:37,619

that I've talked before about last year

1466

00:54:40,790 --> 00:54:39,240

I don't know if you remember Ryan there

1467

00:54:42,890 --> 00:54:40,800

there was

1468

00:54:44,990 --> 00:54:42,900

um an incident for a few minutes where

1469

00:54:47,750 --> 00:54:45,000

people thought there was a UFO above New

1470

00:54:49,549 --> 00:54:47,760

Jersey and it turned out to be uh the

1471

00:54:52,250 --> 00:54:49,559

Goodyear blimp above the New York Giants

1472

00:54:54,950 --> 00:54:52,260

football game around can I

1473

00:54:56,750 --> 00:54:54,960

dusk time in the evening people stopped

1474

00:54:58,609 --> 00:54:56,760

on the freeway and we're all standing

1475

00:55:01,190 --> 00:54:58,619

there with our iPhones and Samsungs and

1476
00:55:02,750 --> 00:55:01,200
huaweis and really good cameras yet

1477
00:55:04,849 --> 00:55:02,760
still couldn't get a really good shot

1478
00:55:06,829 --> 00:55:04,859
that didn't make it look like a UFO

1479
00:55:08,690 --> 00:55:06,839
spinning and it was only later people

1480
00:55:10,849 --> 00:55:08,700
reported no it was a good year blimp

1481
00:55:12,710 --> 00:55:10,859
above a football stadium so there was a

1482
00:55:14,750 --> 00:55:12,720
ton of people trying to take a picture

1483
00:55:17,089 --> 00:55:14,760
in the distance of what actually was

1484
00:55:19,370 --> 00:55:17,099
other way around it was a blimp not a

1485
00:55:21,470 --> 00:55:19,380
UFO and they still struggled to get a

1486
00:55:23,750 --> 00:55:21,480
clear picture I struggle with an 8K

1487
00:55:26,210 --> 00:55:23,760
camera five feet for my children to get

1488
00:55:27,950 --> 00:55:26,220

a clear picture of them on a swing so I

1489

00:55:30,049 --> 00:55:27,960

can only imagine what it's like trying

1490

00:55:32,450 --> 00:55:30,059

to get pictures of you know like orbs in

1491

00:55:34,849 --> 00:55:32,460

entities or Shadow beings or whatever

1492

00:55:37,130 --> 00:55:34,859

people are trying to photograph our or

1493

00:55:40,670 --> 00:55:37,140

do would you

1494

00:55:43,309 --> 00:55:40,680

all right sorry do you feel you

1495

00:55:46,150 --> 00:55:43,319

have to be Vindicated or have to prove

1496

00:55:48,530 --> 00:55:46,160

anymore that this is real or Happening

1497

00:55:50,690 --> 00:55:48,540

by you know getting that sort of

1498

00:55:53,270 --> 00:55:50,700

evidence or scientific proof out there

1499

00:55:54,589 --> 00:55:53,280

or are you content and happy that

1500

00:55:56,870 --> 00:55:54,599

obviously you know what's happening

1501

00:55:58,549 --> 00:55:56,880

you're experiencing it and it's it's

1502

00:56:00,170 --> 00:55:58,559

almost other people's issues that they

1503

00:56:02,809 --> 00:56:00,180

have to deal with

1504

00:56:05,870 --> 00:56:02,819

I think we've already been Vindicated

1505

00:56:08,089 --> 00:56:05,880

in private and that's truly what we care

1506

00:56:09,410 --> 00:56:08,099

about is knowing that there are serious

1507

00:56:10,670 --> 00:56:09,420

people in this world who take us

1508

00:56:13,970 --> 00:56:10,680

seriously

1509

00:56:15,349 --> 00:56:13,980

what the people on the internet say you

1510

00:56:18,829 --> 00:56:15,359

know to the second part of your question

1511

00:56:20,809 --> 00:56:18,839

I do think that in our common level of

1512

00:56:23,210 --> 00:56:20,819

understanding of reality like as a

1513

00:56:26,150 --> 00:56:23,220

mainstream Society is totally flawed it

1514

00:56:28,130 --> 00:56:26,160

is totally backwards and I think that

1515

00:56:29,450 --> 00:56:28,140

the collective conscience needs to hit a

1516

00:56:30,589 --> 00:56:29,460

certain level before everybody can

1517

00:56:33,170 --> 00:56:30,599

really understand what we're dealing

1518

00:56:37,450 --> 00:56:33,180

with here like I would plainly say this

1519

00:56:41,089 --> 00:56:37,460

these are beings from a higher reality

1520

00:56:43,069 --> 00:56:41,099

trying to guide mankind to a new age now

1521

00:56:44,930 --> 00:56:43,079

what's going to happen 50 50 people

1522

00:56:47,150 --> 00:56:44,940

won't understand what I just said which

1523

00:56:50,690 --> 00:56:47,160

I just spoke plainly what I believe you

1524

00:56:52,010 --> 00:56:50,700

know so if people can't get that then

1525

00:56:54,109 --> 00:56:52,020

they're never going to get what it is

1526

00:56:55,010 --> 00:56:54,119

and they won't interface with it

1527

00:56:57,170 --> 00:56:55,020

um

1528

00:56:58,370 --> 00:56:57,180

back to the first part of your question

1529

00:57:00,589 --> 00:56:58,380

um we're not trying to like record

1530

00:57:02,089 --> 00:57:00,599

anything for Vindication we're trying to

1531

00:57:03,770 --> 00:57:02,099

do this out of good faith because we

1532

00:57:06,470 --> 00:57:03,780

believe it'll help people sharing our

1533

00:57:07,970 --> 00:57:06,480

experiences with the world I'm up here

1534

00:57:09,710 --> 00:57:07,980

talking because I want to help people

1535

00:57:11,270 --> 00:57:09,720

with what I have experienced because

1536

00:57:12,890 --> 00:57:11,280

there's millions of others that are

1537

00:57:14,930 --> 00:57:12,900

saying same things but they're not

1538

00:57:15,950 --> 00:57:14,940

getting necessarily the intensity that

1539

00:57:17,690 --> 00:57:15,960

we're getting and they don't know what

1540

00:57:19,250 --> 00:57:17,700

it is and they feel lost we have

1541

00:57:21,470 --> 00:57:19,260

thousands of messages in our inbox

1542

00:57:23,450 --> 00:57:21,480

between the in-dad of people saying I

1543

00:57:25,730 --> 00:57:23,460

saw a light in my room scare me to death

1544

00:57:27,109 --> 00:57:25,740

should I be scared you know people don't

1545

00:57:29,049 --> 00:57:27,119

people don't know what they're dealing

1546

00:57:32,450 --> 00:57:29,059

with and maybe me and Dad can be a light

1547

00:57:34,970 --> 00:57:32,460

in this dark field and help people

1548

00:57:36,890 --> 00:57:34,980

understand what they're experiencing and

1549

00:57:38,870 --> 00:57:36,900

help people heal it's all about good

1550

00:57:39,710 --> 00:57:38,880

faith that's what me and Dad are coming

1551
00:57:41,569 --> 00:57:39,720
from

1552
00:57:43,250 --> 00:57:41,579
before we move on to listen our

1553
00:57:45,950 --> 00:57:43,260
questions then and you touched on it

1554
00:57:48,470 --> 00:57:45,960
there are there any aspects of this

1555
00:57:52,309 --> 00:57:48,480
phenomenon that people should be scared

1556
00:57:57,589 --> 00:57:55,790
I think you attract what you deal with

1557
00:57:58,849 --> 00:57:57,599
if you're a positive person and you're

1558
00:58:01,490 --> 00:57:58,859
seeing a light

1559
00:58:04,370 --> 00:58:01,500
probably shouldn't be afraid if you're

1560
00:58:07,790 --> 00:58:04,380
you know struggling with drug addiction

1561
00:58:10,790 --> 00:58:07,800
or you're a violent person or just in a

1562
00:58:12,530 --> 00:58:10,800
very dark place and you're seeing like

1563
00:58:14,870 --> 00:58:12,540

shadows in your room and things like

1564

00:58:16,790 --> 00:58:14,880

that you should probably immediately be

1565

00:58:19,490 --> 00:58:16,800

concerned you attract what you

1566

00:58:21,710 --> 00:58:19,500

experience it it's it's a it's a

1567

00:58:24,349 --> 00:58:21,720

Consciousness spiritual thing you know

1568

00:58:26,450 --> 00:58:24,359

so I hope that kind of makes sense

1569

00:58:28,910 --> 00:58:26,460

yeah and I'll follow that up with that

1570

00:58:32,569 --> 00:58:28,920

people have talked in the past and

1571

00:58:35,510 --> 00:58:32,579

can't remember it was a reasonably

1572

00:58:38,390 --> 00:58:35,520

prominent person I I want to say Tom

1573

00:58:41,390 --> 00:58:38,400

Delong potentially potentially but uh

1574

00:58:42,890 --> 00:58:41,400

talked about these beings feeding on

1575

00:58:44,750 --> 00:58:42,900

negative emotions

1576

00:58:46,370 --> 00:58:44,760

and this was brought up again recently I

1577

00:58:48,349 --> 00:58:46,380

think Jeremy McGowan mentioned it on

1578

00:58:50,030 --> 00:58:48,359

Twitter as well is that something you

1579

00:58:52,069 --> 00:58:50,040

would then subscribe to along with what

1580

00:58:54,370 --> 00:58:52,079

you're saying there that there isn't an

1581

00:58:57,170 --> 00:58:54,380

element of these beings potentially

1582

00:58:59,690 --> 00:58:57,180

latching themselves onto that

1583

00:59:01,609 --> 00:58:59,700

there are some like that yeah

1584

00:59:04,910 --> 00:59:01,619

I think

1585

00:59:07,069 --> 00:59:04,920

it's all about you know big picture it's

1586

00:59:08,210 --> 00:59:07,079

about good versus evil now when I say

1587

00:59:10,490 --> 00:59:08,220

that

1588

00:59:12,049 --> 00:59:10,500

what I mean is it's about love versus

1589

00:59:13,549 --> 00:59:12,059

fear

1590

00:59:14,990 --> 00:59:13,559

that's another thing

1591

00:59:16,130 --> 00:59:15,000

in the pre-show we were talking about

1592

00:59:18,230 --> 00:59:16,140

some questions I'm going to go ahead and

1593

00:59:20,329 --> 00:59:18,240

jump to that one because it answers this

1594

00:59:21,770 --> 00:59:20,339

one you just asked people always want to

1595

00:59:23,329 --> 00:59:21,780

know like what did the lady tell my dad

1596

00:59:26,089 --> 00:59:23,339

this is probably the most important

1597

00:59:28,549 --> 00:59:26,099

thing I'm not sure if he said this

1598

00:59:31,849 --> 00:59:28,559

um she said there's only love and there

1599

00:59:34,670 --> 00:59:31,859

is only fear only love and fear

1600

00:59:36,890 --> 00:59:34,680

or good versus evil is another word to

1601

00:59:39,230 --> 00:59:36,900

say that like in a very basic

1602

00:59:42,170 --> 00:59:39,240

you know metaphorical way

1603

00:59:45,650 --> 00:59:42,180

what it was explained to my dad is that

1604

00:59:48,230 --> 00:59:45,660

in order to avoid any sort of negative

1605

00:59:50,450 --> 00:59:48,240

timeline we have to get the collective

1606

00:59:52,670 --> 00:59:50,460

Consciousness switched over to a state

1607

00:59:54,950 --> 00:59:52,680

of love I don't mean like you know

1608

00:59:59,030 --> 00:59:54,960

kissing your wife good night or or you

1609

01:00:06,410 --> 01:00:02,329

love in a state of being like compassion

1610

01:00:07,510 --> 01:00:06,420

humility uh you know no ego

1611

01:00:10,910 --> 01:00:07,520

um

1612

01:00:13,370 --> 01:00:10,920

being empathetic

1613

01:00:16,910 --> 01:00:13,380

because what was made for us to

1614

01:00:19,730 --> 01:00:16,920

understand is that love is in some weird

1615

01:00:21,289 --> 01:00:19,740

metaphysical way all the sages of the

1616

01:00:23,690 --> 01:00:21,299

old times we're talking about it we

1617

01:00:26,630 --> 01:00:23,700

probably should be paying attention love

1618

01:00:29,569 --> 01:00:26,640

is what brings us together

1619

01:00:30,650 --> 01:00:29,579

fear is what pulls us apart there's only

1620

01:00:32,569 --> 01:00:30,660

love and there's fear and that's what

1621

01:00:35,150 --> 01:00:32,579

it's all about if you're a loving person

1622

01:00:37,549 --> 01:00:35,160

again I don't mean like romantic love I

1623

01:00:39,890 --> 01:00:37,559

mean just like love like all you know

1624

01:00:41,030 --> 01:00:39,900

ways of being empathy compassion

1625

01:00:42,589 --> 01:00:41,040

humility

1626
01:00:44,569 --> 01:00:42,599
if you're a loving being you're going to

1627
01:00:47,809 --> 01:00:44,579
have positive experiences if you're a

1628
01:00:49,730 --> 01:00:47,819
fearful being who has you know hatred

1629
01:00:51,890 --> 01:00:49,740
and anger and violence and all these

1630
01:00:54,530 --> 01:00:51,900
dark thoughts and problems in your life

1631
01:00:56,210 --> 01:00:54,540
you're going to have dark experiences

1632
01:00:57,530 --> 01:00:56,220
because you're separating yourself from

1633
01:00:58,670 --> 01:00:57,540
other people so it's all love versus

1634
01:01:00,170 --> 01:00:58,680
fear

1635
01:01:02,329 --> 01:01:00,180
love is what will save the world

1636
01:01:04,069 --> 01:01:02,339
according to the lady

1637
01:01:06,049 --> 01:01:04,079
so

1638
01:01:07,730 --> 01:01:06,059

and according to the Beatles Love is All

1639

01:01:10,130 --> 01:01:07,740

You Need I think that takes us nicely

1640

01:01:10,970 --> 01:01:10,140

and to the less not questions as well

1641

01:01:12,410 --> 01:01:10,980

Ryan

1642

01:01:14,329 --> 01:01:12,420

um so a lot of really good stuff there I

1643

01:01:16,490 --> 01:01:14,339

appreciate that and like I say folks we

1644

01:01:18,710 --> 01:01:16,500

had so many questions sent over I've

1645

01:01:19,910 --> 01:01:18,720

tried to get through as much as I can

1646

01:01:22,250 --> 01:01:19,920

and I like always say it's not

1647

01:01:24,349 --> 01:01:22,260

necessarily the best one so if your

1648

01:01:26,210 --> 01:01:24,359

question is not there I apologize it's

1649

01:01:28,069 --> 01:01:26,220

just time constraints as well and Ryan's

1650

01:01:31,069 --> 01:01:28,079

been great with this time today and so

1651
01:01:32,630 --> 01:01:31,079
the first question was from walker uh he

1652
01:01:34,730 --> 01:01:32,640
wanted to know respectfully just

1653
01:01:36,470 --> 01:01:34,740
wondering Ryan are there any comparisons

1654
01:01:39,410 --> 01:01:36,480
that have been done between your dad's

1655
01:01:41,690 --> 01:01:39,420
DNA before and after any of the these

1656
01:01:44,030 --> 01:01:41,700
experiences from hairbrush samples

1657
01:01:45,829 --> 01:01:44,040
anything like that to see if the DNA has

1658
01:01:48,410 --> 01:01:45,839
ever changed or been altered

1659
01:01:51,049 --> 01:01:48,420
if it was done it was covert uh my dad

1660
01:01:53,329 --> 01:01:51,059
has never like volunteered his DNA

1661
01:01:57,109 --> 01:01:53,339
but it was instructed to us by Jim

1662
01:01:59,809 --> 01:01:57,119
simivan to explore our DNA because he

1663
01:02:01,250 --> 01:01:59,819

thinks that that could be a big part of

1664

01:02:03,289 --> 01:02:01,260

the reason why we're having such an

1665

01:02:06,109 --> 01:02:03,299

intense volume

1666

01:02:07,490 --> 01:02:06,119

of experiences but no my dad is never

1667

01:02:09,950 --> 01:02:07,500

like plucked his hair and sent it to

1668

01:02:11,750 --> 01:02:09,960

anybody someone probably swabbed some

1669

01:02:13,670 --> 01:02:11,760

DNA we've we've literally been hanging

1670

01:02:15,890 --> 01:02:13,680

out with spies for the last you know

1671

01:02:18,109 --> 01:02:15,900

however many years and whatever results

1672

01:02:22,609 --> 01:02:18,119

they have they didn't tell us

1673

01:02:27,109 --> 01:02:25,309

um has Ryan or Chris so have you or your

1674

01:02:28,670 --> 01:02:27,119

dad ever met Bob Bigelow or be an

1675

01:02:30,530 --> 01:02:28,680

interviewed by his company

1676

01:02:32,690 --> 01:02:30,540

um he thinks that Mr Bigelow would be

1677

01:02:34,849 --> 01:02:32,700

very interested in meeting your family

1678

01:02:37,190 --> 01:02:34,859

we've never been directly contacted by

1679

01:02:40,789 --> 01:02:37,200

Bigelow but Colonel John B Alexander

1680

01:02:42,890 --> 01:02:40,799

invited my dad on behalf of Bigelow to

1681

01:02:46,250 --> 01:02:42,900

speak at one of his conferences in Las

1682

01:02:47,390 --> 01:02:46,260

Vegas uh you know Nevada but for some

1683

01:02:49,430 --> 01:02:47,400

reason that didn't happen I can't

1684

01:02:51,710 --> 01:02:49,440

remember if it was covid or whatever but

1685

01:02:53,870 --> 01:02:51,720

so we never spoke but he knows who we

1686

01:02:56,569 --> 01:02:53,880

are and Grant Cameron

1687

01:02:58,370 --> 01:02:56,579

told me that he was speaking with

1688

01:02:59,990 --> 01:02:58,380

another mutual friend of our fathers who

1689

01:03:01,430 --> 01:03:00,000

who likes to remain anonymous I'm not

1690

01:03:02,210 --> 01:03:01,440

going to say his name

1691

01:03:05,569 --> 01:03:02,220

um

1692

01:03:08,390 --> 01:03:05,579

where he was basically informed

1693

01:03:10,549 --> 01:03:08,400

so let me let me back up a little bit so

1694

01:03:12,289 --> 01:03:10,559

the team that investigated my family on

1695

01:03:15,349 --> 01:03:12,299

behalf of mufon is what is called the

1696

01:03:18,829 --> 01:03:15,359

mufon Star Team okay we're one of the

1697

01:03:22,569 --> 01:03:18,839

first cases ever for the mufon Star team

1698

01:03:24,470 --> 01:03:22,579

Bob Bigelow's OSAP program

1699

01:03:26,930 --> 01:03:24,480

collected data

1700

01:03:28,910 --> 01:03:26,940

through the mufon Star team

1701

01:03:30,950 --> 01:03:28,920

so Grant Cameron basically made me

1702

01:03:33,829 --> 01:03:30,960

understand that the Star team was acting

1703

01:03:35,569 --> 01:03:33,839

on behalf of Bigelow's OSAP which was

1704

01:03:37,190 --> 01:03:35,579

you know intensely focused on like

1705

01:03:39,170 --> 01:03:37,200

Consciousness and life after death and

1706

01:03:40,849 --> 01:03:39,180

things of that nature so his theory is

1707

01:03:42,829 --> 01:03:40,859

that we were Bigelow's first case with

1708

01:03:44,630 --> 01:03:42,839

OSAP

1709

01:03:46,370 --> 01:03:44,640

okay thanks for that

1710

01:03:48,049 --> 01:03:46,380

um and also Walker had one more question

1711

01:03:49,549 --> 01:03:48,059

well he had a lot more but uh you'll

1712

01:03:50,990 --> 01:03:49,559

have to shoot into the patreon for some

1713

01:03:52,789 --> 01:03:51,000

more of those

1714

01:03:54,650 --> 01:03:52,799

um Chris said he had a video of an

1715

01:03:57,170 --> 01:03:54,660

entity walking but he wasn't allowed to

1716

01:03:59,089 --> 01:03:57,180

show it have you seen the video and why

1717

01:04:00,470 --> 01:03:59,099

can't Chris show it and it wants to know

1718

01:04:02,690 --> 01:04:00,480

was it anything to do with contractual

1719

01:04:04,549 --> 01:04:02,700

reasons or requested not to by

1720

01:04:07,370 --> 01:04:04,559

government types I actually have the

1721

01:04:10,130 --> 01:04:07,380

inter uh the video and I've showed it to

1722

01:04:12,829 --> 01:04:10,140

lots of people like in person you know

1723

01:04:14,750 --> 01:04:12,839

and um he's he's allowed to share

1724

01:04:16,670 --> 01:04:14,760

whatever he wants unless it was

1725

01:04:18,829 --> 01:04:16,680

something that uh

1726

01:04:20,210 --> 01:04:18,839

you know was told to us in confidence by

1727

01:04:23,450 --> 01:04:20,220

somebody in the Department of Defense

1728

01:04:26,030 --> 01:04:23,460

Jim Cindy van told us plainly like you

1729

01:04:28,730 --> 01:04:26,040

know this story belongs to us

1730

01:04:30,049 --> 01:04:28,740

uh anybody who says that they're working

1731

01:04:31,789 --> 01:04:30,059

for the CIA and they're going to kill us

1732

01:04:33,049 --> 01:04:31,799

or whatever they're Liars they're just

1733

01:04:34,609 --> 01:04:33,059

trying to intimidate us and that has

1734

01:04:36,829 --> 01:04:34,619

happened as I spoke about earlier like

1735

01:04:39,650 --> 01:04:36,839

people affiliated with people in the CIA

1736

01:04:41,210 --> 01:04:39,660

threat and kill us they're Liars they're

1737

01:04:42,470 --> 01:04:41,220

just trying to scare us

1738

01:04:44,210 --> 01:04:42,480

um anyway so

1739

01:04:44,930 --> 01:04:44,220

the reason my dad will not share the

1740

01:04:46,430 --> 01:04:44,940

video

1741

01:04:49,010 --> 01:04:46,440

is

1742

01:04:52,150 --> 01:04:49,020

not necessarily contractually obligated

1743

01:04:54,530 --> 01:04:52,160

but the investigator who took the video

1744

01:04:58,010 --> 01:04:54,540

never agreed

1745

01:04:59,990 --> 01:04:58,020

to share it publicly we feel that it's

1746

01:05:01,730 --> 01:05:00,000

not appropriate necessarily to share

1747

01:05:04,130 --> 01:05:01,740

everything

1748

01:05:06,950 --> 01:05:04,140

that was taken by other people with

1749

01:05:08,750 --> 01:05:06,960

their credentials on the line and also

1750

01:05:10,370 --> 01:05:08,760

he's just not ready to share it you know

1751

01:05:12,650 --> 01:05:10,380

it'll be out there someday I'll probably

1752

01:05:15,349 --> 01:05:12,660

bug him enough but it's not what people

1753

01:05:18,530 --> 01:05:15,359

think it is it's Pitch Black in our

1754

01:05:22,609 --> 01:05:18,540

backyard with an infrared night vision

1755

01:05:23,990 --> 01:05:22,619

sensor that is detecting real bodies of

1756

01:05:28,430 --> 01:05:24,000

light moving through the property

1757

01:05:30,530 --> 01:05:28,440

there's a lot of context and setup that

1758

01:05:31,970 --> 01:05:30,540

goes with this video that needs careful

1759

01:05:33,289 --> 01:05:31,980

explanation and he's not just going to

1760

01:05:35,690 --> 01:05:33,299

throw it out there just because people

1761

01:05:36,490 --> 01:05:35,700

want it out there again we are private

1762

01:05:42,170 --> 01:05:36,500

people

1763

01:05:43,789 --> 01:05:42,180

gathered data it's not necessarily

1764

01:05:46,490 --> 01:05:43,799

uh

1765

01:05:49,910 --> 01:05:46,500

hours to just throw out there without

1766

01:05:52,730 --> 01:05:49,920

the person ready to like vouch for it

1767

01:05:54,650 --> 01:05:52,740

and help us explain it

1768

01:05:56,210 --> 01:05:54,660

um we've recently been in contact with

1769

01:05:58,549 --> 01:05:56,220

the person who did take that video on

1770

01:06:00,829 --> 01:05:58,559

our property and uh she seems pretty

1771

01:06:02,329 --> 01:06:00,839

willing to go out there and talk about

1772

01:06:04,490 --> 01:06:02,339

it with us but that's that's just not

1773

01:06:06,170 --> 01:06:04,500

our priority right now

1774

01:06:08,390 --> 01:06:06,180

hopefully that does see the light of day

1775

01:06:10,670 --> 01:06:08,400

it's I've got a two-part question then

1776

01:06:12,049 --> 01:06:10,680

maybe two parts depending on your yes or

1777

01:06:13,789 --> 01:06:12,059

no fuss part

1778

01:06:17,510 --> 01:06:13,799

um is that the best piece of evidence

1779

01:06:22,970 --> 01:06:21,109

yeah probably I would say so I think

1780

01:06:24,470 --> 01:06:22,980

there's been a lot of hype around it on

1781

01:06:26,569 --> 01:06:24,480

the internet and people get hyped and

1782

01:06:28,609 --> 01:06:26,579

hype and then they see these videos and

1783

01:06:31,250 --> 01:06:28,619

these photos that these beings give us

1784

01:06:33,170 --> 01:06:31,260

and then they say it's fake but it's not

1785

01:06:35,569 --> 01:06:33,180

fake we've shown it to people in the CIA

1786

01:06:36,770 --> 01:06:35,579

and it just like drops their jaws to the

1787

01:06:38,329 --> 01:06:36,780

floor it's stuff that they weren't

1788

01:06:41,329 --> 01:06:38,339

necessarily even getting at Skinwalker

1789

01:06:44,270 --> 01:06:41,339

Ranch I know for a fact by speaking with

1790

01:06:45,950 --> 01:06:44,280

Colonel John B Alexander uh Jim cinevan

1791

01:06:47,630 --> 01:06:45,960

and then of course everybody knows that

1792

01:06:49,609 --> 01:06:47,640

Dad has you know hung out with Lou he

1793

01:06:51,770 --> 01:06:49,619

literally said it on your show

1794

01:06:53,750 --> 01:06:51,780

um what we know about what went on

1795

01:06:56,510 --> 01:06:53,760

behind the scenes at Skinwalker Ranch is

1796

01:06:58,670 --> 01:06:56,520

that the phenomenon intensely messed

1797

01:07:01,010 --> 01:06:58,680

with them just to prove a point that it

1798

01:07:04,370 --> 01:07:01,020

won't be captured against their will so

1799

01:07:06,349 --> 01:07:04,380

the the sheer volume and in many cases

1800

01:07:08,870 --> 01:07:06,359

intensity of the photos and videos that

1801
01:07:12,049 --> 01:07:08,880
my dad has captured is literally

1802
01:07:14,569 --> 01:07:12,059
boggling the mind of these people

1803
01:07:16,910 --> 01:07:14,579
um you know ask John B Alexander he came

1804
01:07:18,589 --> 01:07:16,920
to vet my dad and sort of like debunk

1805
01:07:20,809 --> 01:07:18,599
him a little bit walks out to the Cape

1806
01:07:22,849 --> 01:07:20,819
Fear River sees a light in the sky wrote

1807
01:07:24,650 --> 01:07:22,859
a book with my dad you know trying to

1808
01:07:26,930 --> 01:07:24,660
make him his first chapter below his

1809
01:07:28,789 --> 01:07:26,940
mind so yeah I think the video with the

1810
01:07:30,410 --> 01:07:28,799
right context is mind-blowing but it's

1811
01:07:32,109 --> 01:07:30,420
not like you're gonna you know zoom in

1812
01:07:34,549 --> 01:07:32,119
and get high definition

1813
01:07:36,650 --> 01:07:34,559

sweat dripping down the face of some

1814

01:07:38,089 --> 01:07:36,660

physical being it's not like that you

1815

01:07:39,950 --> 01:07:38,099

know so there's a lot of context

1816

01:07:41,290 --> 01:07:39,960

necessary for this video before we put

1817

01:07:43,370 --> 01:07:41,300

it out there

1818

01:07:44,870 --> 01:07:43,380

[Music]

1819

01:07:46,730 --> 01:07:44,880

of course I appreciate you taking the

1820

01:07:49,069 --> 01:07:46,740

time for that as well and like you say

1821

01:07:50,930 --> 01:07:49,079

putting there's not much you can put

1822

01:07:53,089 --> 01:07:50,940

online now whether it's a photograph or

1823

01:07:55,430 --> 01:07:53,099

a video that the masses are happy with

1824

01:07:57,170 --> 01:07:55,440

especially if you look at UFO Twitter or

1825

01:07:58,849 --> 01:07:57,180

this community people just pick

1826

01:08:00,710 --> 01:07:58,859

everything apart anyway

1827

01:08:03,109 --> 01:08:00,720

um I think you could put a legit alien

1828

01:08:05,510 --> 01:08:03,119

body picture out there and people would

1829

01:08:07,430 --> 01:08:05,520

nah not real yeah not that's fake you

1830

01:08:08,630 --> 01:08:07,440

can tell and yeah that's the way it is

1831

01:08:10,490 --> 01:08:08,640

these days

1832

01:08:12,829 --> 01:08:10,500

um so I can understand taking your time

1833

01:08:14,390 --> 01:08:12,839

Matt had a question and uh I spoke about

1834

01:08:15,770 --> 01:08:14,400

this one before the Pod

1835

01:08:18,050 --> 01:08:15,780

um it wanted to know a little bit more

1836

01:08:19,789 --> 01:08:18,060

about the lady and her relation to

1837

01:08:22,490 --> 01:08:19,799

ancient goddesses which she did touch on

1838

01:08:25,010 --> 01:08:22,500

but uh The White Buffalo Calf Woman and

1839

01:08:26,930 --> 01:08:25,020

is there any backstory to explore there

1840

01:08:28,490 --> 01:08:26,940

yeah I mean I think I really did hit

1841

01:08:30,050 --> 01:08:28,500

that pretty hard earlier but I'll just

1842

01:08:31,970 --> 01:08:30,060

kind of recap it

1843

01:08:33,590 --> 01:08:31,980

um sorry I've I've met it's okay it's

1844

01:08:34,910 --> 01:08:33,600

okay I'm off a little calf Women Part

1845

01:08:36,590 --> 01:08:34,920

yeah yeah the second part of that

1846

01:08:37,910 --> 01:08:36,600

question I can go more into that but I'm

1847

01:08:39,590 --> 01:08:37,920

just gonna say as for the first part of

1848

01:08:41,150 --> 01:08:39,600

the question to The Listener

1849

01:08:42,769 --> 01:08:41,160

um I appreciate the question I kind of

1850

01:08:44,090 --> 01:08:42,779

really in the detail went into the whole

1851

01:08:47,269 --> 01:08:44,100

what I think about like the goddess

1852

01:08:50,510 --> 01:08:47,279

thing earlier I think she's a literal

1853

01:08:52,309 --> 01:08:50,520

uh manifestation that we can comprehend

1854

01:08:56,209 --> 01:08:52,319

as the

1855

01:08:58,430 --> 01:08:56,219

literal force of love the force

1856

01:09:01,430 --> 01:08:58,440

um I think there are forces I think

1857

01:09:03,410 --> 01:09:01,440

there are archetypes at play behind this

1858

01:09:04,490 --> 01:09:03,420

limited little symbolic world that we

1859

01:09:06,709 --> 01:09:04,500

live in

1860

01:09:08,870 --> 01:09:06,719

um and as for the Buffalo Calf Woman

1861

01:09:11,090 --> 01:09:08,880

that would be I think the Lakota tribe

1862

01:09:16,249 --> 01:09:11,100

uh many many

1863

01:09:19,249 --> 01:09:16,259

years ago uh this this Lakota

1864

01:09:20,809 --> 01:09:19,259

saw the Buffalo Calf Woman Who

1865

01:09:22,130 --> 01:09:20,819

you know gave him some visions and

1866

01:09:23,809 --> 01:09:22,140

Prophecies of the future my dad and I

1867

01:09:25,970 --> 01:09:23,819

were and I were made aware of her until

1868

01:09:28,430 --> 01:09:25,980

Tom DeLong came out with that

1869

01:09:29,870 --> 01:09:28,440

pretty obvious why he's making the

1870

01:09:31,370 --> 01:09:29,880

documentary in the first place now

1871

01:09:32,050 --> 01:09:31,380

everybody and their mother talks about a

1872

01:09:34,070 --> 01:09:32,060

lady

1873

01:09:36,950 --> 01:09:34,080

you know

1874

01:09:38,930 --> 01:09:36,960

I don't want to disparage anybody but my

1875

01:09:40,490 --> 01:09:38,940

dad spoke about the lady in 2012 and now

1876
01:09:41,510 --> 01:09:40,500
it seems to be everyone's talking about

1877
01:09:44,090 --> 01:09:41,520
her

1878
01:09:47,209 --> 01:09:44,100
it's obvious you know so um to the Stars

1879
01:09:50,150 --> 01:09:47,219
Academy very much it does I know for a

1880
01:09:51,650 --> 01:09:50,160
fact because I um have private

1881
01:09:54,229 --> 01:09:51,660
conversations with Jim Simi van and I

1882
01:09:56,750 --> 01:09:54,239
know that they read my tweets

1883
01:09:59,390 --> 01:09:56,760
communicate with Dad see stuff on his

1884
01:10:02,630 --> 01:09:59,400
Facebook they stay Savvy on what we're

1885
01:10:04,910 --> 01:10:02,640
saying and it comes out in their

1886
01:10:06,650 --> 01:10:04,920
literature you know when Tom DeLong and

1887
01:10:07,850 --> 01:10:06,660
I mean this with utmost respect if Tom

1888
01:10:10,669 --> 01:10:07,860

is listening

1889

01:10:12,410 --> 01:10:10,679

I very much like Tom my dad has hung out

1890

01:10:13,910 --> 01:10:12,420

with him several times he's a very

1891

01:10:16,130 --> 01:10:13,920

serious

1892

01:10:18,050 --> 01:10:16,140

and truthfully intellectual individual

1893

01:10:20,390 --> 01:10:18,060

he's got this Persona as being this like

1894

01:10:23,030 --> 01:10:20,400

silly rock star he's very smart

1895

01:10:24,950 --> 01:10:23,040

um you know and every time my dad ever

1896

01:10:26,209 --> 01:10:24,960

hung out with him in the beginning it

1897

01:10:28,610 --> 01:10:26,219

was all like

1898

01:10:30,169 --> 01:10:28,620

you know reptilians aliens this is what

1899

01:10:32,149 --> 01:10:30,179

these Generals in the Army are telling

1900

01:10:34,070 --> 01:10:32,159

me whatever my dad said no it's not Tom

1901

01:10:35,570 --> 01:10:34,080

it's spiritual it's this it's that the

1902

01:10:36,890 --> 01:10:35,580

other next thing you know secret

1903

01:10:38,689 --> 01:10:36,900

machines comes out with a book it's all

1904

01:10:41,270 --> 01:10:38,699

about gods and goddesses it's all about

1905

01:10:43,370 --> 01:10:41,280

shooting love bombs to like fight these

1906

01:10:46,130 --> 01:10:43,380

psychic presences so what my dad is

1907

01:10:48,350 --> 01:10:46,140

saying is changing the UFO world it's

1908

01:10:50,570 --> 01:10:48,360

like a ripple you know to the Stars

1909

01:10:52,189 --> 01:10:50,580

Academy with the Lakota Calf Woman uh

1910

01:10:56,750 --> 01:10:52,199

the Buffalo Calf Woman that's that's

1911

01:10:59,090 --> 01:10:56,760

another version of that you know so

1912

01:11:00,950 --> 01:10:59,100

did that answer the question it that

1913

01:11:02,990 --> 01:11:00,960

yeah and I think like we know there's a

1914

01:11:05,450 --> 01:11:03,000

a documentary series potentially in the

1915

01:11:07,970 --> 01:11:05,460

works to do with the Lakota as well yeah

1916

01:11:09,470 --> 01:11:07,980

um may not be coming out yeah so

1917

01:11:10,669 --> 01:11:09,480

hopefully that still goes ahead with all

1918

01:11:13,189 --> 01:11:10,679

the changes and stuff that that's

1919

01:11:14,930 --> 01:11:13,199

happened to and again like on the off

1920

01:11:17,689 --> 01:11:14,940

chance Tom is listening especially with

1921

01:11:20,030 --> 01:11:17,699

you being on Ryan I'd like Tom to speak

1922

01:11:22,310 --> 01:11:20,040

to not even just myself someone a George

1923

01:11:23,870 --> 01:11:22,320

not anyone disregarding tsa and what's

1924

01:11:25,550 --> 01:11:23,880

happened because he's been a little bit

1925

01:11:27,290 --> 01:11:25,560

quiet for someone who is very noisy for

1926

01:11:28,490 --> 01:11:27,300

a while as well

1927

01:11:29,870 --> 01:11:28,500

um

1928

01:11:32,149 --> 01:11:29,880

don't know what you think about that

1929

01:11:34,370 --> 01:11:32,159

like you know this is not a lesson a

1930

01:11:36,790 --> 01:11:34,380

question but for me he was very involved

1931

01:11:39,530 --> 01:11:36,800

and you know I'm a fan of Tom's music

1932

01:11:41,450 --> 01:11:39,540

particularly the blink stuff

1933

01:11:42,890 --> 01:11:41,460

um huge admired of what he'd done

1934

01:11:44,689 --> 01:11:42,900

bringing tsa together because

1935

01:11:46,850 --> 01:11:44,699

regardless what's happened at the end he

1936

01:11:49,610 --> 01:11:46,860

did bring all that together as a group

1937

01:11:51,709 --> 01:11:49,620

and it's really impressive and he'll he

1938

01:11:54,050 --> 01:11:51,719

enjoyed the

1939

01:11:55,370 --> 01:11:54,060

the fruits of the labor and a lot of

1940

01:11:57,590 --> 01:11:55,380

people getting on board with it you know

1941

01:12:00,470 --> 01:11:57,600

I've um whether my tsa hoodie just now

1942

01:12:02,450 --> 01:12:00,480

nice but the way things have gone with

1943

01:12:04,669 --> 01:12:02,460

the company isn't necessarily what it

1944

01:12:06,050 --> 01:12:04,679

started out advertising and I think

1945

01:12:07,850 --> 01:12:06,060

that's disappointed a lot of people a

1946

01:12:09,470 --> 01:12:07,860

lot of people lost a lot of money

1947

01:12:11,630 --> 01:12:09,480

um a lot of faith in what was happening

1948

01:12:14,209 --> 01:12:11,640

and I think Tom just went very quiet and

1949

01:12:17,030 --> 01:12:14,219

I think he owes at least an interview to

1950

01:12:18,649 --> 01:12:17,040

to someone just on what happened and you

1951

01:12:20,870 --> 01:12:18,659

know we're not looking for the the dot

1952

01:12:22,010 --> 01:12:20,880

on it but just come out and talk but I

1953

01:12:24,590 --> 01:12:22,020

think I think that would be the least

1954

01:12:25,250 --> 01:12:24,600

they could do well I will say this

1955

01:12:28,070 --> 01:12:25,260

um

1956

01:12:30,830 --> 01:12:28,080

you know when I recently the last time I

1957

01:12:32,390 --> 01:12:30,840

spoke to Jim on the phone I I kind of I

1958

01:12:34,310 --> 01:12:32,400

don't like to bother my friends about

1959

01:12:36,290 --> 01:12:34,320

like personal business all the time you

1960

01:12:38,570 --> 01:12:36,300

know and I did ask him a couple

1961

01:12:40,850 --> 01:12:38,580

questions like how's tsa how's Tom I'd

1962

01:12:43,010 --> 01:12:40,860

love to meet him and he did tell me that

1963

01:12:44,510 --> 01:12:43,020

they are working on some projects they

1964

01:12:46,910 --> 01:12:44,520

haven't gone anywhere

1965

01:12:50,990 --> 01:12:46,920

here's what I would say to people

1966

01:12:52,390 --> 01:12:51,000

if Lou and uh Chris Mellon and Steve

1967

01:12:56,630 --> 01:12:52,400

Justice

1968

01:12:58,669 --> 01:12:56,640

left the company and then the remaining

1969

01:13:02,090 --> 01:12:58,679

members had to like address some sort of

1970

01:13:05,510 --> 01:13:02,100

apology to me that signals they're done

1971

01:13:07,610 --> 01:13:05,520

them not even having to address it

1972

01:13:09,950 --> 01:13:07,620

probably a good sign they're not done

1973

01:13:11,689 --> 01:13:09,960

they're not going anywhere I know that

1974

01:13:14,510 --> 01:13:11,699

they you know from talking to Jim that

1975

01:13:16,729 --> 01:13:14,520

they're working on um

1976

01:13:18,470 --> 01:13:16,739

I don't know if I should say they're

1977

01:13:20,450 --> 01:13:18,480

they're still they're not going anywhere

1978

01:13:22,790 --> 01:13:20,460

in the immediate future they're still

1979

01:13:26,689 --> 01:13:22,800

turning gears I mean they're not done

1980

01:13:28,850 --> 01:13:26,699

you know Tom coming out and speaking on

1981

01:13:30,830 --> 01:13:28,860

his personal Twitter I'm not sure that

1982

01:13:32,750 --> 01:13:30,840

that necessarily should reflect on the

1983

01:13:33,350 --> 01:13:32,760

company as a whole

1984

01:13:36,830 --> 01:13:33,360

um

1985

01:13:40,130 --> 01:13:36,840

I mean he shared my dad's you know

1986

01:13:42,709 --> 01:13:40,140

entity photo a week or two ago you know

1987

01:13:44,870 --> 01:13:42,719

said real picture he's still in the game

1988

01:13:46,310 --> 01:13:44,880

he's still in the UFO game so I just

1989

01:13:48,649 --> 01:13:46,320

think people should

1990

01:13:50,330 --> 01:13:48,659

be patient and see what they're going to

1991

01:13:51,590 --> 01:13:50,340

come out with

1992

01:13:54,350 --> 01:13:51,600

um I think that there are some very

1993

01:13:56,149 --> 01:13:54,360

capable people at the head of it

1994

01:13:58,010 --> 01:13:56,159

um I mean I don't know exactly like

1995

01:14:00,250 --> 01:13:58,020

what's gonna happen but I don't know I

1996

01:14:03,169 --> 01:14:00,260

don't think they're done

1997

01:14:04,490 --> 01:14:03,179

the way I look at it Ryan and it's quite

1998

01:14:06,290 --> 01:14:04,500

unique because I'm talking about a

1999

01:14:08,810 --> 01:14:06,300

company but are you a sports fan in any

2000

01:14:10,010 --> 01:14:08,820

way unfortunately no I never got any

2001

01:14:12,410 --> 01:14:10,020

sports

2002

01:14:14,689 --> 01:14:12,420

not that that's fine so I can use very

2003

01:14:16,970 --> 01:14:14,699

generic terms here so imagine you're a

2004

01:14:19,189 --> 01:14:16,980

sports fan of a a basketball or a

2005

01:14:20,689 --> 01:14:19,199

football team or a baseball team and

2006

01:14:22,550 --> 01:14:20,699

you'll love that team and you followed

2007

01:14:26,030 --> 01:14:22,560

them for for a long time and all of a

2008

01:14:28,189 --> 01:14:26,040

sudden your team out of nowhere gets rid

2009

01:14:29,689 --> 01:14:28,199

of it's three best players or your three

2010

01:14:31,610 --> 01:14:29,699

best players leave

2011

01:14:32,990 --> 01:14:31,620

you would expect the team to make some

2012

01:14:34,669 --> 01:14:33,000

kind of statement the team's not going

2013

01:14:35,990 --> 01:14:34,679

anywhere the team's still going to be

2014

01:14:38,149 --> 01:14:36,000

there it's still going to be performing

2015

01:14:40,250 --> 01:14:38,159

but you would like some kind of

2016

01:14:42,709 --> 01:14:40,260

transparency and I think that's the way

2017

01:14:45,649 --> 01:14:42,719

I sort of feel about it that you support

2018

01:14:47,510 --> 01:14:45,659

them and it's odd to see you support a

2019

01:14:50,090 --> 01:14:47,520

company but but we did and many of us

2020

01:14:52,070 --> 01:14:50,100

did and it's just like it's just been so

2021

01:14:52,970 --> 01:14:52,080

quiet that there's been such a seismic

2022

01:14:55,430 --> 01:14:52,980

shift

2023

01:14:58,070 --> 01:14:55,440

it's let's hear a little something and

2024

01:15:00,169 --> 01:14:58,080

especially when Tom was he was sitting

2025

01:15:02,330 --> 01:15:00,179

doing um and I've used a 10 minute

2026

01:15:04,310 --> 01:15:02,340

interviews on Instagram with YouTubers

2027

01:15:06,050 --> 01:15:04,320

and influencers and things like that so

2028

01:15:08,330 --> 01:15:06,060

it would just be good to hear from him

2029

01:15:09,649 --> 01:15:08,340

in that capacity but I I get and like

2030

01:15:11,930 --> 01:15:09,659

you say that they're making the movie

2031

01:15:14,390 --> 01:15:11,940

the the monsters in California stuff and

2032

01:15:15,709 --> 01:15:14,400

yeah um yeah so there's more to come so

2033

01:15:18,649 --> 01:15:15,719

we'll hopefully hear something sooner

2034

01:15:21,530 --> 01:15:18,659

than later sure um more questions we had

2035

01:15:24,050 --> 01:15:21,540

bubs Bobs is wondering if the family has

2036

01:15:26,870 --> 01:15:24,060

any plans to capture the phenomenon and

2037

01:15:28,430 --> 01:15:26,880

compile up best of footage of sorts to

2038

01:15:30,590 --> 01:15:28,440

bring more awareness to the masses

2039

01:15:33,229 --> 01:15:30,600

around the world

2040

01:15:35,870 --> 01:15:33,239

yeah I mean that's a tough It's a good

2041

01:15:38,930 --> 01:15:35,880

question but it's a tough answer

2042

01:15:40,490 --> 01:15:38,940

when you start to like plan to do

2043

01:15:42,890 --> 01:15:40,500

anything with this phenomenon I feel

2044

01:15:45,350 --> 01:15:42,900

like you've lost it you know just ask

2045

01:15:47,149 --> 01:15:45,360

the guys who studied at Skinwalker Ranch

2046

01:15:49,189 --> 01:15:47,159

it's very elusive

2047

01:15:52,850 --> 01:15:49,199

it's very smart

2048

01:15:55,310 --> 01:15:52,860

um me and Dad or dad and I have this

2049

01:15:57,169 --> 01:15:55,320

idea that's been very successful and we

2050

01:15:59,930 --> 01:15:57,179

still have contact and experiences all

2051
01:16:01,910 --> 01:15:59,940
these years that this phenomenon should

2052
01:16:03,530 --> 01:16:01,920
be highly respected

2053
01:16:06,050 --> 01:16:03,540
you should be patient with it and

2054
01:16:08,390 --> 01:16:06,060
understand that it's going to do

2055
01:16:09,890 --> 01:16:08,400
what it wants to do when it's ready it's

2056
01:16:11,630 --> 01:16:09,900
not like we can just walk out there and

2057
01:16:12,830 --> 01:16:11,640
just get it against us will you know so

2058
01:16:16,250 --> 01:16:12,840
we're not like

2059
01:16:19,610 --> 01:16:16,260
necessarily scheming this what we are

2060
01:16:22,010 --> 01:16:19,620
operating under is the true belief that

2061
01:16:23,390 --> 01:16:22,020
it's going to line up

2062
01:16:24,950 --> 01:16:23,400
the right people are going to come with

2063
01:16:29,390 --> 01:16:24,960

the right equipment the intention will

2064

01:16:34,010 --> 01:16:31,790

do you think then and you can make this

2065

01:16:36,290 --> 01:16:34,020

a yes or no for all intents and purposes

2066

01:16:38,209 --> 01:16:36,300

if I came along as someone with a

2067

01:16:40,850 --> 01:16:38,219

massive interest in this subject which I

2068

01:16:45,470 --> 01:16:40,860

have and I had a ton of money which I

2069

01:16:47,990 --> 01:16:45,480

don't and I set up 28k cameras around

2070

01:16:51,709 --> 01:16:48,000

your dad's property for a month in film

2071

01:16:53,450 --> 01:16:51,719

24 7 and live streamed it would those

2072

01:16:54,830 --> 01:16:53,460

cabinets pick up anything or do you

2073

01:16:57,229 --> 01:16:54,840

think the phenomenon would deliberately

2074

01:16:58,669 --> 01:16:57,239

avoid that well it would depend it would

2075

01:17:00,709 --> 01:16:58,679

depend on what the intention is of the

2076

01:17:02,930 --> 01:17:00,719

Observer if the Observer was secretly

2077

01:17:04,490 --> 01:17:02,940

going to capture the data and then whisk

2078

01:17:06,110 --> 01:17:04,500

it away and never share it probably

2079

01:17:07,790 --> 01:17:06,120

wouldn't do anything

2080

01:17:09,290 --> 01:17:07,800

um if the intention was pure and the

2081

01:17:11,030 --> 01:17:09,300

person was coming up from the goodness

2082

01:17:12,530 --> 01:17:11,040

of their heart to really interface with

2083

01:17:14,209 --> 01:17:12,540

this phenomenon and help the world with

2084

01:17:16,490 --> 01:17:14,219

it yeah I think you'd get it and it

2085

01:17:18,590 --> 01:17:16,500

would be crazy so that's how me and my

2086

01:17:20,510 --> 01:17:18,600

dad see this and operate

2087

01:17:22,669 --> 01:17:20,520

with this phenomenon is the intention

2088

01:17:25,010 --> 01:17:22,679

has to be pure we don't like worship

2089

01:17:26,689 --> 01:17:25,020

them this isn't some stupid cult like

2090

01:17:29,510 --> 01:17:26,699

people say on the internet but we

2091

01:17:31,790 --> 01:17:29,520

respect that there are beings from some

2092

01:17:33,770 --> 01:17:31,800

other place that are interacting with us

2093

01:17:36,590 --> 01:17:33,780

on the regular

2094

01:17:38,090 --> 01:17:36,600

when they're ready to you know so it

2095

01:17:41,649 --> 01:17:38,100

depends on the intention and we are

2096

01:17:45,770 --> 01:17:41,659

going to allow people who we truly trust

2097

01:17:47,270 --> 01:17:45,780

to uh try to do this when when we meet

2098

01:17:48,410 --> 01:17:47,280

them which you know we have met some

2099

01:17:49,970 --> 01:17:48,420

really good people just hasn't always

2100

01:17:53,810 --> 01:17:49,980

lined up

2101

01:17:56,870 --> 01:17:53,820

um you know but it's the intention

2102

01:17:58,669 --> 01:17:56,880

at Dave samanthos to submits a lot of

2103

01:18:00,410 --> 01:17:58,679

really good questions for the Pod

2104

01:18:02,810 --> 01:18:00,420

um have you and your dad ever thought if

2105

01:18:07,070 --> 01:18:02,820

the phenomena is potentially misleading

2106

01:18:09,169 --> 01:18:07,080

you or not what they seem never

2107

01:18:11,330 --> 01:18:09,179

never no

2108

01:18:14,090 --> 01:18:11,340

and another follow-up question to that

2109

01:18:16,010 --> 01:18:14,100

as well is why do you think you and your

2110

01:18:18,950 --> 01:18:16,020

dad um or why do you think those people

2111

01:18:20,930 --> 01:18:18,960

from NASA are so interested in the

2112

01:18:24,110 --> 01:18:20,940

phenomenon obviously NASA is the idea is

2113

01:18:25,550 --> 01:18:24,120

they are trying to explore space and the

2114

01:18:29,570 --> 01:18:25,560

what we're looking at here potentially

2115

01:18:31,430 --> 01:18:29,580

is that these beings are dimensional

2116

01:18:32,990 --> 01:18:31,440

I think I loved your language earlier

2117

01:18:34,669 --> 01:18:33,000

actually a good t-shirt intensely

2118

01:18:36,290 --> 01:18:34,679

interdimensional

2119

01:18:38,870 --> 01:18:36,300

um let's not arrange for you potentially

2120

01:18:40,490 --> 01:18:38,880

but yeah so why do you think what NASA

2121

01:18:42,110 --> 01:18:40,500

would have that interest in like those

2122

01:18:44,689 --> 01:18:42,120

dimensional beings

2123

01:18:48,709 --> 01:18:44,699

because they know that's what they are

2124

01:18:52,310 --> 01:18:48,719

they know the nature of this phenomenon

2125

01:18:54,290 --> 01:18:52,320

why would they come to my family's house

2126
01:18:56,870 --> 01:18:54,300
if they were in communication with them

2127
01:18:59,590 --> 01:18:56,880
think about it the people at Skinwalker

2128
01:19:03,050 --> 01:18:59,600
Ranch we know that it was run by Bigelow

2129
01:19:04,910 --> 01:19:03,060
funded with big pockets and I know for a

2130
01:19:08,350 --> 01:19:04,920
fact I just said it that people like

2131
01:19:10,970 --> 01:19:08,360
zombie Alexander whose Army intelligence

2132
01:19:12,590 --> 01:19:10,980
people on behalf of the government were

2133
01:19:13,910 --> 01:19:12,600
trying to pin down this phenomenon and

2134
01:19:15,169 --> 01:19:13,920
figure out what it is and it didn't play

2135
01:19:17,330 --> 01:19:15,179
ball

2136
01:19:19,790 --> 01:19:17,340
why is it that we read on the internet

2137
01:19:21,229 --> 01:19:19,800
that so and so president got abducted

2138
01:19:24,290 --> 01:19:21,239

and they flew out on a spaceship and

2139

01:19:26,750 --> 01:19:24,300

everyone believes that and we you know

2140

01:19:28,550 --> 01:19:26,760

they can't understand

2141

01:19:30,470 --> 01:19:28,560

the Consciousness aspect of the

2142

01:19:32,930 --> 01:19:30,480

phenomenon all they want to hear is this

2143

01:19:34,370 --> 01:19:32,940

nuts and bolts I spoke with an alien

2144

01:19:35,689 --> 01:19:34,380

blah blah blah

2145

01:19:37,490 --> 01:19:35,699

that's not what we're dealing with this

2146

01:19:40,189 --> 01:19:37,500

government knows that this is an elusive

2147

01:19:42,229 --> 01:19:40,199

phenomenon it's why they're scared of it

2148

01:19:44,870 --> 01:19:42,239

in my opinion I don't represent the US

2149

01:19:48,910 --> 01:19:44,880

government but I've met a lot of them

2150

01:19:53,270 --> 01:19:51,410

anticipating what it wants because they

2151
01:19:55,070 --> 01:19:53,280
know that it is greater than them or

2152
01:19:57,950 --> 01:19:55,080
anybody on Earth they know that they're

2153
01:20:00,709 --> 01:19:57,960
powerless to it so what do they do

2154
01:20:02,209 --> 01:20:00,719
they um they try to find like

2155
01:20:03,770 --> 01:20:02,219
connections to it one of those

2156
01:20:05,810 --> 01:20:03,780
connections is my Dad one of those

2157
01:20:08,149 --> 01:20:05,820
connections is Skinwalker Ranch I don't

2158
01:20:09,770 --> 01:20:08,159
think that the government is just like

2159
01:20:11,570 --> 01:20:09,780
full Reigns like chatting with these

2160
01:20:13,790 --> 01:20:11,580
beings like men in black and they have

2161
01:20:16,250 --> 01:20:13,800
you know this that and the other

2162
01:20:19,490 --> 01:20:16,260
um I think this whole threat Paradigm is

2163
01:20:22,189 --> 01:20:19,500

because they really feel like

2164

01:20:23,570 --> 01:20:22,199

uh powerless to this thing you can't

2165

01:20:25,850 --> 01:20:23,580

just shoot a missile at Consciousness

2166

01:20:27,350 --> 01:20:25,860

man you just can't do that it makes me

2167

01:20:28,550 --> 01:20:27,360

laugh everybody's on this whole threat

2168

01:20:30,950 --> 01:20:28,560

narrative and they don't even realize

2169

01:20:33,709 --> 01:20:30,960

that we are the threat

2170

01:20:35,870 --> 01:20:33,719

to this realm the humans the humans are

2171

01:20:37,370 --> 01:20:35,880

the ones destroying this Earth some

2172

01:20:38,930 --> 01:20:37,380

alien ain't gonna come down and blow us

2173

01:20:40,850 --> 01:20:38,940

up that's just not going to happen

2174

01:20:42,350 --> 01:20:40,860

what's going to happen is we're going to

2175

01:20:44,030 --> 01:20:42,360

be told that they will and we'll be

2176

01:20:46,189 --> 01:20:44,040

scared and then we'll go on that fear

2177

01:20:48,590 --> 01:20:46,199

timeline you know that's what was told

2178

01:20:50,870 --> 01:20:48,600

to my dad by the lady don't believe the

2179

01:20:53,810 --> 01:20:50,880

lie

2180

01:20:56,630 --> 01:20:53,820

how do you uh so next up Charles asks

2181

01:20:58,910 --> 01:20:56,640

how do you account for experiences who

2182

01:21:00,890 --> 01:20:58,920

have had contact events that don't seem

2183

01:21:04,610 --> 01:21:00,900

to fit into the Paradigm of your dad's

2184

01:21:08,870 --> 01:21:07,010

I mean I haven't really met him I I hate

2185

01:21:11,390 --> 01:21:08,880

to say this and I say this with respect

2186

01:21:12,709 --> 01:21:11,400

but I don't I don't believe everything I

2187

01:21:14,750 --> 01:21:12,719

read out there on the internet just like

2188

01:21:16,850 --> 01:21:14,760

people don't believe me just because I'm

2189

01:21:18,950 --> 01:21:16,860

saying it you know if I meet these

2190

01:21:20,390 --> 01:21:18,960

people and they look me in the eyes and

2191

01:21:21,649 --> 01:21:20,400

I get the true feeling that they're

2192

01:21:23,930 --> 01:21:21,659

telling me the truth then we'll figure

2193

01:21:26,330 --> 01:21:23,940

it out but

2194

01:21:28,130 --> 01:21:26,340

what I'm saying is all of my

2195

01:21:29,870 --> 01:21:28,140

conversations but these people in these

2196

01:21:32,450 --> 01:21:29,880

Department of Defense intelligence

2197

01:21:34,850 --> 01:21:32,460

agencies whatever my intense experiences

2198

01:21:36,830 --> 01:21:34,860

since I was a child

2199

01:21:39,530 --> 01:21:36,840

what I'm reading on the internet and

2200

01:21:40,970 --> 01:21:39,540

hearing and watching in films

2201
01:21:44,149 --> 01:21:40,980
is not

2202
01:21:46,250 --> 01:21:44,159
vibing with what is real what is really

2203
01:21:48,470 --> 01:21:46,260
happening what I'm being told what I'm

2204
01:21:50,510 --> 01:21:48,480
seeing what what I see in my bedroom at

2205
01:21:52,189 --> 01:21:50,520
night you know maybe there are people

2206
01:21:54,110 --> 01:21:52,199
out there having these experiences but I

2207
01:21:55,970 --> 01:21:54,120
haven't really met them and I I don't

2208
01:21:57,290 --> 01:21:55,980
know man I mean I think a lot of that

2209
01:21:59,149 --> 01:21:57,300
out there is disinformation I don't

2210
01:22:00,770 --> 01:21:59,159
think people realize how powerful and

2211
01:22:03,530 --> 01:22:00,780
how prevalent this information is in

2212
01:22:06,169 --> 01:22:03,540
this Society I think we live in a

2213
01:22:08,330 --> 01:22:06,179

a realm where we're all closer than we

2214

01:22:10,189 --> 01:22:08,340

think we are we're very socially

2215

01:22:11,570 --> 01:22:10,199

connected and we believe

2216

01:22:12,770 --> 01:22:11,580

pretty much anything we hear from

2217

01:22:14,570 --> 01:22:12,780

Authority

2218

01:22:15,649 --> 01:22:14,580

so people need to realize that just

2219

01:22:17,510 --> 01:22:15,659

because they hear it on the internet

2220

01:22:19,490 --> 01:22:17,520

just because they hear it on TV or in a

2221

01:22:21,590 --> 01:22:19,500

Hollywood movie or this or that you know

2222

01:22:22,790 --> 01:22:21,600

so dude the white lab coat I don't

2223

01:22:26,090 --> 01:22:22,800

necessarily think that means it's real

2224

01:22:29,570 --> 01:22:26,100

or is true you know

2225

01:22:31,370 --> 01:22:29,580

awesome John asks um he was hoping you

2226

01:22:33,290 --> 01:22:31,380

you could talk a little bit about the

2227

01:22:35,689 --> 01:22:33,300

smoke or Vapors that appeared in your

2228

01:22:38,410 --> 01:22:35,699

family photos he thinks they look a lot

2229

01:22:43,669 --> 01:22:38,420

like ectoplasm Vapors is that a like

2230

01:22:46,310 --> 01:22:43,679

yeah so Again Jim Simi van told us

2231

01:22:49,130 --> 01:22:46,320

that that is what they call like entity

2232

01:22:51,290 --> 01:22:49,140

smoke and it's a sign that something is

2233

01:22:53,390 --> 01:22:51,300

manifesting we don't see this with our

2234

01:22:55,070 --> 01:22:53,400

eyes it shows up in photos so we're just

2235

01:22:57,169 --> 01:22:55,080

like snapping photos we have guests over

2236

01:23:00,350 --> 01:22:57,179

taking pictures of Jim and his wife with

2237

01:23:01,910 --> 01:23:00,360

like you know us and the the friends we

2238

01:23:03,470 --> 01:23:01,920

have over outside just having a good

2239

01:23:05,630 --> 01:23:03,480

time and we look at the photos and

2240

01:23:07,250 --> 01:23:05,640

they're riddled with this phenomenon so

2241

01:23:08,870 --> 01:23:07,260

we sent it to Jim Simi band and he's

2242

01:23:11,090 --> 01:23:08,880

like oh my God I'm freaked out it's

2243

01:23:12,709 --> 01:23:11,100

really funny because as knowledgeable as

2244

01:23:14,630 --> 01:23:12,719

he is about this stuff it terrifies him

2245

01:23:15,950 --> 01:23:14,640

to like think of being next to it

2246

01:23:18,050 --> 01:23:15,960

because he's an experimenter he's

2247

01:23:19,490 --> 01:23:18,060

experienced it so every time we have

2248

01:23:21,649 --> 01:23:19,500

these weird photos or like photos with

2249

01:23:23,570 --> 01:23:21,659

him and orbs it it's so funny how it

2250

01:23:25,490 --> 01:23:23,580

freaks him out

2251

01:23:27,050 --> 01:23:25,500

um it's it's like a joke we have but he

2252

01:23:30,229 --> 01:23:27,060

says that it means something has

2253

01:23:32,750 --> 01:23:30,239

manifested in your presence

2254

01:23:34,250 --> 01:23:32,760

John also follows up asking to talk a

2255

01:23:36,530 --> 01:23:34,260

little bit about the health effects of

2256

01:23:38,149 --> 01:23:36,540

the phenomenon your dad has mentioned

2257

01:23:40,070 --> 01:23:38,159

previously in interviews the beings

2258

01:23:41,570 --> 01:23:40,080

don't realize they are radioactive and

2259

01:23:43,729 --> 01:23:41,580

can do harm

2260

01:23:48,590 --> 01:23:43,739

yeah well uh my dad has rheumatoid

2261

01:23:51,410 --> 01:23:48,600

arthritis which came on around about

2262

01:23:53,630 --> 01:23:51,420

somewhere between 2012 and 2016 I can't

2263

01:23:56,510 --> 01:23:53,640

remember but um

2264

01:23:59,330 --> 01:23:56,520

what we were made to understand by Diana

2265

01:24:01,850 --> 01:23:59,340

Walsh basulka is that in the Vatican

2266

01:24:04,250 --> 01:24:01,860

archives they have this uh literature

2267

01:24:06,830 --> 01:24:04,260

about Saint Francis of Assisi and his

2268

01:24:08,930 --> 01:24:06,840

effects of the Stigmata interacting with

2269

01:24:10,729 --> 01:24:08,940

beings of light and his limbs were not

2270

01:24:12,709 --> 01:24:10,739

having like holes in the hands like you

2271

01:24:15,530 --> 01:24:12,719

see in Hollywood but his limbs were

2272

01:24:16,970 --> 01:24:15,540

crippled you know so their idea in Jim

2273

01:24:18,590 --> 01:24:16,980

Timmy van has had some talks with us

2274

01:24:20,689 --> 01:24:18,600

about this some like secret studies that

2275

01:24:21,649 --> 01:24:20,699

have gone on with experiencers

2276

01:24:23,750 --> 01:24:21,659

um

2277

01:24:25,310 --> 01:24:23,760

they do have effects on the body and I

2278

01:24:26,330 --> 01:24:25,320

will say this which is crazy but it's

2279

01:24:28,970 --> 01:24:26,340

true

2280

01:24:32,090 --> 01:24:28,980

the lady who took that video

2281

01:24:33,470 --> 01:24:32,100

that we discussed earlier

2282

01:24:34,729 --> 01:24:33,480

um we didn't hear from her for two or

2283

01:24:36,229 --> 01:24:34,739

three years

2284

01:24:38,570 --> 01:24:36,239

she got in touch with my dad and said

2285

01:24:40,189 --> 01:24:38,580

Chris after I met you and we you know

2286

01:24:42,410 --> 01:24:40,199

did all that investigation I came down

2287

01:24:43,970 --> 01:24:42,420

with rheumatoid arthritis

2288

01:24:45,709 --> 01:24:43,980

so

2289

01:24:50,930 --> 01:24:45,719

um that would be like what the Vatican

2290

01:24:55,130 --> 01:24:53,090

and uh speaking of the Vatican that's

2291

01:24:56,990 --> 01:24:55,140

segregate nicely into that question that

2292

01:24:58,130 --> 01:24:57,000

uh you asked me to move earlier because

2293

01:24:59,870 --> 01:24:58,140

it'll lead them to the following

2294

01:25:01,490 --> 01:24:59,880

question afterwards as well this one was

2295

01:25:03,350 --> 01:25:01,500

again from Walker

2296

01:25:05,270 --> 01:25:03,360

um does the Vatican ever check in with

2297

01:25:07,370 --> 01:25:05,280

Chris to see how he is going or for any

2298

01:25:09,169 --> 01:25:07,380

news on what the entities are up to or

2299

01:25:11,630 --> 01:25:09,179

for that matter has the Vatican been out

2300

01:25:14,090 --> 01:25:11,640

to the family home to investigate the

2301

01:25:17,410 --> 01:25:14,100

Vatican has not been to our home the

2302

01:25:20,570 --> 01:25:17,420

Vatican has corresponded uh to my dad

2303

01:25:23,149 --> 01:25:20,580

through Diana Walsh besoka um she

2304

01:25:25,669 --> 01:25:23,159

everybody saw where she took Tyler D

2305

01:25:27,830 --> 01:25:25,679

from American Cosmic and they flew out

2306

01:25:30,890 --> 01:25:27,840

to the Vatican you know did some like

2307

01:25:32,570 --> 01:25:30,900

little ceremonies and things and she was

2308

01:25:35,209 --> 01:25:32,580

basically corresponding with my father

2309

01:25:37,189 --> 01:25:35,219

like almost in real time about the

2310

01:25:38,990 --> 01:25:37,199

Jesuit priests there who were

2311

01:25:41,930 --> 01:25:39,000

communicating to her about my dad's

2312

01:25:43,910 --> 01:25:41,940

experiences and like what they mean uh

2313

01:25:45,290 --> 01:25:43,920

the Vatican is very aware of this they

2314

01:25:47,149 --> 01:25:45,300

have many

2315

01:25:49,910 --> 01:25:47,159

um documents in their archives about it

2316

01:25:52,250 --> 01:25:49,920

and like Diana privately shared some of

2317

01:25:53,630 --> 01:25:52,260

those documents with me e printed it out

2318

01:25:55,010 --> 01:25:53,640

and let me read it and it's about like a

2319

01:25:55,729 --> 01:25:55,020

young girl

2320

01:25:58,010 --> 01:25:55,739

um

2321

01:25:59,870 --> 01:25:58,020

back in the day like centuries ago

2322

01:26:00,590 --> 01:25:59,880

having beings of light come into her

2323

01:26:02,570 --> 01:26:00,600

room

2324

01:26:05,270 --> 01:26:02,580

so they know what this is they're aware

2325

01:26:08,209 --> 01:26:05,280

of my father and Jesuit priests had

2326

01:26:09,709 --> 01:26:08,219

given Diana a blessed holy Relic to

2327

01:26:12,169 --> 01:26:09,719

bring to my dad to help him with his

2328

01:26:13,370 --> 01:26:12,179

arthritis they had a ceremony in the

2329

01:26:16,430 --> 01:26:13,380

papal Hall

2330

01:26:17,990 --> 01:26:16,440

again with Jesuit priests in honor of

2331

01:26:20,930 --> 01:26:18,000

like healing my father of his rheumatoid

2332

01:26:22,790 --> 01:26:20,940

arthritis and then Diana Walsh basilka

2333

01:26:25,370 --> 01:26:22,800

took a photo of my father

2334

01:26:27,530 --> 01:26:25,380

and put it in between the manuscripts of

2335

01:26:29,930 --> 01:26:27,540

Galileo and Copernicus and the secret

2336

01:26:32,030 --> 01:26:29,940

archives so these people haven't been to

2337

01:26:34,070 --> 01:26:32,040

our house but they correspond with us in

2338

01:26:37,729 --> 01:26:34,080

the past we don't really uh keep up with

2339

01:26:41,810 --> 01:26:40,070

sure on the next question from Timothy

2340

01:26:42,590 --> 01:26:41,820

uh and again it was it was good of you

2341

01:26:44,030 --> 01:26:42,600

when I was going through these

2342

01:26:45,770 --> 01:26:44,040

beforehand to see and move this up

2343

01:26:47,629 --> 01:26:45,780

because they're related

2344

01:26:50,510 --> 01:26:47,639

um Timothy says I've heard Ryan say

2345

01:26:52,850 --> 01:26:50,520

before somehow Marian apparitions are

2346

01:26:55,070 --> 01:26:52,860

tied into the whole UFO visitor alien

2347

01:26:56,209 --> 01:26:55,080

phenomenon but you hadn't expanded on it

2348

01:26:58,129 --> 01:26:56,219

and you'd like to hear a little bit more

2349

01:27:00,110 --> 01:26:58,139

about that okay

2350

01:27:03,830 --> 01:27:00,120

so

2351

01:27:07,370 --> 01:27:03,840

Jim told me that

2352

01:27:10,550 --> 01:27:07,380

what my dad is experiencing is just like

2353

01:27:13,310 --> 01:27:10,560

the apparitions of the past uh like the

2354

01:27:16,129 --> 01:27:13,320

the Marian apparitions like Fatima

2355

01:27:17,689 --> 01:27:16,139

um obviously tsa is making the

2356

01:27:19,850 --> 01:27:17,699

documentary about The White Buffalo Calf

2357

01:27:22,129 --> 01:27:19,860

Woman so it's you know you could

2358

01:27:25,070 --> 01:27:22,139

conclude that that's part of the same

2359

01:27:26,450 --> 01:27:25,080

phenomenon Diana Walsh pasoka was so

2360

01:27:28,970 --> 01:27:26,460

interested in my father in the first

2361

01:27:30,350 --> 01:27:28,980

place because when he started talking

2362

01:27:32,209 --> 01:27:30,360

about the ladies she immediately thought

2363

01:27:34,610 --> 01:27:32,219

of the miracle of the sun which is

2364

01:27:37,790 --> 01:27:34,620

Fatima you know the the Fatima operation

2365

01:27:40,570 --> 01:27:37,800

and what she communicated to us was that

2366

01:27:43,610 --> 01:27:40,580

the mainstream version of that is wrong

2367

01:27:45,169 --> 01:27:43,620

and what was in the Vatican archives or

2368

01:27:46,610 --> 01:27:45,179

whatever literature she had showed us

2369

01:27:48,890 --> 01:27:46,620

and made us read I don't I don't

2370

01:27:51,709 --> 01:27:48,900

remember it's been almost a decade

2371

01:27:55,129 --> 01:27:51,719

um they knew that it was really silver

2372

01:27:57,050 --> 01:27:55,139

discs in the sky next to The Apparition

2373

01:27:59,510 --> 01:27:57,060

of the lady like they knew it was a UFO

2374

01:28:02,510 --> 01:27:59,520

phenomenon even back then and they hid

2375

01:28:04,370 --> 01:28:02,520

it and altered the uh the mainstream

2376

01:28:06,229 --> 01:28:04,380

version now if that sounds too

2377

01:28:09,729 --> 01:28:06,239

far-fetched

2378

01:28:13,070 --> 01:28:09,739

Tyler D the character in American Cosmic

2379

01:28:16,669 --> 01:28:13,080

personally told me in my kitchen

2380

01:28:18,350 --> 01:28:16,679

that he had to firsthand manipulate

2381

01:28:20,450 --> 01:28:18,360

mainstream stories so that the masses

2382

01:28:22,669 --> 01:28:20,460

would be deceived not always for evil

2383

01:28:24,410 --> 01:28:22,679

reasons but just you know I'm not saying

2384

01:28:26,689 --> 01:28:24,420

anything evil but sometimes they have to

2385

01:28:29,149 --> 01:28:26,699

like the the um

2386

01:28:30,470 --> 01:28:29,159

the uh the Challenger explosion he told

2387

01:28:32,090 --> 01:28:30,480

me that was one of the first things he

2388

01:28:34,070 --> 01:28:32,100

worked it was you know back in the 80s

2389

01:28:35,870 --> 01:28:34,080

or whatever and the version that really

2390

01:28:38,350 --> 01:28:35,880

happened was not the same as the

2391

01:28:41,330 --> 01:28:38,360

mainstream version so there is

2392

01:28:44,990 --> 01:28:41,340

definitely a real phenomenon of what the

2393

01:28:47,930 --> 01:28:45,000

masses are consuming is not always real

2394

01:28:49,970 --> 01:28:47,940

that's where I'm coming from when I say

2395

01:28:53,149 --> 01:28:49,980

don't believe everything you read on the

2396

01:28:54,770 --> 01:28:53,159

internet 95 of UFO stuff is

2397

01:28:56,450 --> 01:28:54,780

disinformation

2398

01:28:58,610 --> 01:28:56,460

sorry I'd segued that into a previous

2399

01:29:01,610 --> 01:28:58,620

question but it seemed to fit in

2400

01:29:03,350 --> 01:29:01,620

no absolutely that's fine thank you

2401

01:29:05,390 --> 01:29:03,360

um we will have a few more listener

2402

01:29:08,209 --> 01:29:05,400

questions over at patreon.com forward

2403

01:29:09,950 --> 01:29:08,219

slash that UFO podcast again listeners

2404

01:29:11,750 --> 01:29:09,960

are sending in multiple questions so

2405

01:29:13,850 --> 01:29:11,760

some of them will make it make their way

2406

01:29:15,770 --> 01:29:13,860

over there as well just before we finish

2407

01:29:17,750 --> 01:29:15,780

up though uh Ryan I've got the quick

2408

01:29:20,570 --> 01:29:17,760

fire round so I'm going to read out a

2409

01:29:22,490 --> 01:29:20,580

few names or tags and just ask you to

2410

01:29:24,169 --> 01:29:22,500

share a few words or a few sentences on

2411

01:29:26,330 --> 01:29:24,179

each one some of them you've touched on

2412

01:29:29,030 --> 01:29:26,340

in the body of the interview and others

2413

01:29:32,090 --> 01:29:29,040

that it was not brought up yet okay okay

2414

01:29:34,790 --> 01:29:32,100

first one is Bob Lazar

2415

01:29:36,410 --> 01:29:34,800

don't know

2416

01:29:40,250 --> 01:29:36,420

thoughts on the story

2417

01:29:42,530 --> 01:29:40,260

uh honestly you know being one of the

2418

01:29:45,770 --> 01:29:42,540

more known experiencers myself I I try

2419

01:29:47,270 --> 01:29:45,780

not to cloud my knowledge with whatever

2420

01:29:49,790 --> 01:29:47,280

I read on the internet I don't know and

2421

01:29:51,110 --> 01:29:49,800

I will say this Tyler Durden

2422

01:29:53,990 --> 01:29:51,120

um

2423

01:29:58,490 --> 01:29:54,000

told my dad that he knew him

2424

01:30:00,470 --> 01:29:58,500

and that Bob Lazar's uh credentials

2425

01:30:03,530 --> 01:30:00,480

really were ruined

2426

01:30:05,149 --> 01:30:03,540

as a cover-up

2427

01:30:08,090 --> 01:30:05,159

that's all I'll say

2428

01:30:09,470 --> 01:30:08,100

good stuff that that that's fair follows

2429

01:30:13,669 --> 01:30:09,480

on nicely from George Knapp's interview

2430

01:30:15,950 --> 01:30:13,679

last week there's your thoughts on Louis

2431

01:30:17,930 --> 01:30:15,960

um yeah not yet give it a lesson there

2432

01:30:20,750 --> 01:30:17,940

was some good stuff okay um next up is

2433

01:30:22,610 --> 01:30:20,760

Luis Elizondo your thoughts on Luis he's

2434

01:30:24,830 --> 01:30:22,620

a wonderful guy

2435

01:30:27,709 --> 01:30:24,840

um he is a hardcore patriot who loves

2436

01:30:29,510 --> 01:30:27,719

his country he truly does and

2437

01:30:31,189 --> 01:30:29,520

um I think that he has contractual

2438

01:30:35,709 --> 01:30:31,199

obligations on behalf of the United

2439

01:30:37,550 --> 01:30:35,719

States government to try to get data

2440

01:30:39,050 --> 01:30:37,560

but

2441

01:30:41,030 --> 01:30:39,060

um he's the real deal

2442

01:30:42,770 --> 01:30:41,040

you know he's the real deal he's a

2443

01:30:45,470 --> 01:30:42,780

friend of my father's he's a very good

2444

01:30:49,370 --> 01:30:47,390

the next one I'm asking from a point of

2445

01:30:51,290 --> 01:30:49,380

view of if you have ever had any

2446

01:30:55,790 --> 01:30:51,300

experiences with these or if you even

2447

01:30:57,530 --> 01:30:55,800

think they exist but Men In Black types

2448

01:31:00,229 --> 01:30:57,540

yeah I think Tyler Durden would be one

2449

01:31:03,830 --> 01:31:00,239

of those you know a group of shadowy

2450

01:31:05,990 --> 01:31:03,840

organization type people who

2451
01:31:07,970 --> 01:31:06,000
um kind of like Majestic 12 kind of

2452
01:31:09,290 --> 01:31:07,980
thing I I think it's real but the

2453
01:31:12,890 --> 01:31:09,300
Hollywood version

2454
01:31:15,350 --> 01:31:12,900
is a lie I think Tyler Durden is one of

2455
01:31:17,270 --> 01:31:15,360
those people I think Hal pavenmeier was

2456
01:31:18,110 --> 01:31:17,280
kind of like at one point one of those

2457
01:31:21,649 --> 01:31:18,120
people

2458
01:31:27,229 --> 01:31:24,590
awesome your thoughts on the 3D class

2459
01:31:32,030 --> 01:31:27,239
Declassified videos that tsa released

2460
01:31:35,330 --> 01:31:33,470
well

2461
01:31:37,310 --> 01:31:35,340
that's a tough one

2462
01:31:39,290 --> 01:31:37,320
I knew that something was coming out

2463
01:31:40,550 --> 01:31:39,300

before it did I didn't know what it was

2464

01:31:42,050 --> 01:31:40,560

going to be

2465

01:31:45,070 --> 01:31:42,060

um so that was pretty cool

2466

01:31:48,530 --> 01:31:45,080

you know and I do know that it was

2467

01:31:49,970 --> 01:31:48,540

basically Jim who was from what I

2468

01:31:52,010 --> 01:31:49,980

understand responsible for getting those

2469

01:31:54,290 --> 01:31:52,020

out to the world Jim semivan is like the

2470

01:31:56,750 --> 01:31:54,300

Hidden Gem of ufology that nobody has

2471

01:31:59,330 --> 01:31:56,760

access to except very few so I just hope

2472

01:32:01,010 --> 01:31:59,340

that people realize how important Jim is

2473

01:32:03,530 --> 01:32:01,020

um my dad thinks it may be the same

2474

01:32:05,750 --> 01:32:03,540

thing that he initially experienced on

2475

01:32:10,430 --> 01:32:08,810

so you you would see these uh Craft on

2476

01:32:12,590 --> 01:32:10,440

human Origins

2477

01:32:14,270 --> 01:32:12,600

oh yeah yeah

2478

01:32:15,530 --> 01:32:14,280

cool awesome

2479

01:32:17,330 --> 01:32:15,540

um hopefully get some more of those this

2480

01:32:20,450 --> 01:32:17,340

year that would be good

2481

01:32:21,649 --> 01:32:20,460

um for you do you prefer the term UFO or

2482

01:32:28,970 --> 01:32:21,659

UAP

2483

01:32:30,649 --> 01:32:28,980

uh media blitz at trying to Rebrand it I

2484

01:32:32,149 --> 01:32:30,659

don't think it needs that I think UFO is

2485

01:32:34,430 --> 01:32:32,159

classic

2486

01:32:35,810 --> 01:32:34,440

um I didn't see you know when I had my

2487

01:32:38,270 --> 01:32:35,820

experience as a child I wasn't seeing

2488

01:32:40,910 --> 01:32:38,280

uaps I was seeing UFOs you know to me it

2489

01:32:43,250 --> 01:32:40,920

has an emotional attachment

2490

01:32:44,510 --> 01:32:43,260

um people can say UAP that's fine I

2491

01:32:47,270 --> 01:32:44,520

don't have a problem with that but you

2492

01:32:50,090 --> 01:32:47,280

asked what I prefer UFO

2493

01:32:52,129 --> 01:32:50,100

awesome and the last one Orion what is

2494

01:32:54,189 --> 01:32:52,139

disclosure to you

2495

01:32:56,689 --> 01:32:54,199

disclosure is not from the government

2496

01:32:59,270 --> 01:32:56,699

disclosure is the revelation of the

2497

01:33:01,729 --> 01:32:59,280

truth or the Biblical word apocalypse

2498

01:33:03,410 --> 01:33:01,739

which is really again that language box

2499

01:33:04,910 --> 01:33:03,420

people see a word and they have an

2500

01:33:07,430 --> 01:33:04,920

emotional attachment

2501

01:33:10,910 --> 01:33:07,440

what the word apocalypse mean

2502

01:33:14,149 --> 01:33:10,920

S is to reveal that which is hidden

2503

01:33:16,669 --> 01:33:14,159

I think that when as a human race we

2504

01:33:19,870 --> 01:33:16,679

come together and we reach that

2505

01:33:21,770 --> 01:33:19,880

state of Love on a collective level

2506

01:33:24,290 --> 01:33:21,780

disclosure will happen and that will be

2507

01:33:26,270 --> 01:33:24,300

the revelation of the truth

2508

01:33:28,490 --> 01:33:26,280

that's disclosure we're not going to be

2509

01:33:31,189 --> 01:33:28,500

dripped Disclosure by some government

2510

01:33:34,070 --> 01:33:31,199

entity they don't own the keys to the

2511

01:33:37,010 --> 01:33:35,450

awesome

2512

01:33:38,330 --> 01:33:37,020

um again folks Ryan will be joining us

2513

01:33:40,370 --> 01:33:38,340

for another couple of minutes he's been

2514

01:33:42,470 --> 01:33:40,380

really good at this time uh over at

2515

01:33:45,169 --> 01:33:42,480

patreon.com forward slash that UFO

2516

01:33:47,030 --> 01:33:45,179

podcast Ryan how can people follow you

2517

01:33:48,709 --> 01:33:47,040

or get in touch and keep up to date with

2518

01:33:52,390 --> 01:33:48,719

your social media presence

2519

01:33:55,310 --> 01:33:52,400

um I just have a Twitter uh it's Ryan D

2520

01:33:57,890 --> 01:33:55,320

Bledsoe so that's it's just my personal

2521

01:34:00,169 --> 01:33:57,900

opinions I'm not like thinking on behalf

2522

01:34:01,729 --> 01:34:00,179

of anybody it's just me kind of I don't

2523

01:34:02,870 --> 01:34:01,739

always talk about UFOs I think it's

2524

01:34:04,370 --> 01:34:02,880

boring I think I've been talking about

2525

01:34:06,649 --> 01:34:04,380

them for not no offense I'm not saying

2526

01:34:08,350 --> 01:34:06,659

on this show but like on my Twitter all

2527

01:34:10,910 --> 01:34:08,360

right that's okay

2528

01:34:12,410 --> 01:34:10,920

you know I just mean in general like you

2529

01:34:14,870 --> 01:34:12,420

know if you follow me on Twitter keep in

2530

01:34:16,729 --> 01:34:14,880

mind I don't only talk about UFOs I talk

2531

01:34:19,129 --> 01:34:16,739

a lot about my personal ideas and my

2532

01:34:20,990 --> 01:34:19,139

personal thoughts and feelings

2533

01:34:22,610 --> 01:34:21,000

um you know so don't think that you're

2534

01:34:25,610 --> 01:34:22,620

going to be like subscribing to you know

2535

01:34:27,290 --> 01:34:25,620

some UFO news but you can follow me on

2536

01:34:29,390 --> 01:34:27,300

there if you'd like

2537

01:34:30,770 --> 01:34:29,400

awesome that's great right thanks very

2538

01:34:32,090 --> 01:34:30,780

much for joining the podcast look

2539

01:34:33,229 --> 01:34:32,100

forward to getting you back on again in
