PAOLA HARRIS
TRINITY || AUTHOR, INVESTIGATOR

1
00:00:00,050 --> 00:00:04,990

[Music]

2
00:00:08,350 --> 00:00:07,190

there's a whole Fleet of them look on

3
00:00:11,209 --> 00:00:08,360

the ASA

4
00:00:13,629 --> 00:00:11,219

oh my gosh they're all going against the

5
00:00:19,189 --> 00:00:16,730

it was basically a cube with inside of

6
00:00:22,860 --> 00:00:19,199

sphere where the points of the cube uh

7
00:00:33,140 --> 00:00:22,870

were touching the outside of the sphere

8
00:00:37,370 --> 00:00:34,610

[Music]

9
00:00:39,470 --> 00:00:37,380

[Applause]

10
00:00:41,810 --> 00:00:39,480

so this is anything that just as little

11
00:00:45,770 --> 00:00:41,820

to the United States it's a worldwide

12
00:00:54,470 --> 00:00:48,529

this is David Marler UFO researcher and

13
00:00:59,330 --> 00:00:56,869

hi everyone and welcome back to that UFO

14

00:01:01,010 --> 00:00:59,340

podcast as always my name is Andy really

15

00:01:02,869 --> 00:01:01,020

looking forward to speaking with the

16

00:01:04,609 --> 00:01:02,879

guests that have one with me today she's

17

00:01:06,649 --> 00:01:04,619

not doing too many appearances to

18

00:01:08,390 --> 00:01:06,659

promote the upcoming book which has just

19

00:01:10,429 --> 00:01:08,400

released in the UK so I've not had a

20

00:01:12,170 --> 00:01:10,439

chance to read it fully yet but I have

21

00:01:13,429 --> 00:01:12,180

been on Amazon looking at the previews

22

00:01:16,429 --> 00:01:13,439

I've been looking at all the feedback

23

00:01:18,770 --> 00:01:16,439

and I've ordered my copy already I have

24

00:01:21,289 --> 00:01:18,780

co-author of Trinity the best kept

25

00:01:23,270 --> 00:01:21,299

secret with Jacque Valley I have Paola

26
00:01:24,710 --> 00:01:23,280
Harris but I'll be calling her Paula for

27
00:01:28,070 --> 00:01:24,720
the for the interview with Paula welcome

28
00:01:29,929 --> 00:01:28,080
to the podcast thank you Andy and yes

29
00:01:32,990 --> 00:01:29,939
I'm not doing a whole bunch I am

30
00:01:37,390 --> 00:01:33,000
exhausted and what Jack and I had agreed

31
00:01:42,950 --> 00:01:37,400
to do is do a couple together uh because

32
00:01:44,929 --> 00:01:42,960
you know uh the book is done together uh

33
00:01:47,749 --> 00:01:44,939
he based I was working on it for five

34
00:01:50,030 --> 00:01:47,759
years and then he wrote to me about the

35
00:01:52,910 --> 00:01:50,040
metal part and then when I told him

36
00:01:55,429 --> 00:01:52,920
about the story for the last four years

37
00:01:58,190 --> 00:01:55,439
we have been going back back to New

38
00:02:00,530 --> 00:01:58,200

Mexico at least three to four times a

39

00:02:03,350 --> 00:02:00,540

year so I mean that's become like a

40

00:02:05,929 --> 00:02:03,360

second home to go back on the site to

41

00:02:09,589 --> 00:02:05,939

talk to the witness to bring scientists

42

00:02:11,630 --> 00:02:09,599

down there so it's been four years so we

43

00:02:13,790 --> 00:02:11,640

agreed that you know we would do as many

44

00:02:16,130 --> 00:02:13,800

as we could I think he's really tired

45

00:02:19,190 --> 00:02:16,140

right now and I think he's also going

46

00:02:21,410 --> 00:02:19,200

back to Paris uh he has an apartment in

47

00:02:24,470 --> 00:02:21,420

Paris and he lives in San Francisco but

48

00:02:27,470 --> 00:02:24,480

Andy I'm really glad to meet you you can

49

00:02:30,890 --> 00:02:27,480

ask anything you want I will try to

50

00:02:32,809 --> 00:02:30,900

answer for me and for Jacques and uh you

51
00:02:34,550 --> 00:02:32,819
know thank you for reaching out to me

52
00:02:38,089 --> 00:02:34,560
I'm just so happy to meet you you're

53
00:02:39,890 --> 00:02:38,099
Scottish I am for my sins yet there and

54
00:02:41,390 --> 00:02:39,900
you know what I've only ever had one

55
00:02:43,070 --> 00:02:41,400
three star review on iTunes that

56
00:02:46,970 --> 00:02:43,080
complained about my accent so I'm doing

57
00:02:49,850 --> 00:02:46,980
not too bad so far so yeah in fact you

58
00:02:52,250 --> 00:02:49,860
can interview me anytime you like you

59
00:02:54,890 --> 00:02:52,260
know I love I love Ireland I love

60
00:02:58,490 --> 00:02:54,900
Scotland I've traveled not for this case

61
00:03:03,050 --> 00:02:58,500
but I'm more well known in Europe uh

62
00:03:07,309 --> 00:03:03,060
Andy because I'm Italian and from 1992

63
00:03:08,990 --> 00:03:07,319

to 2007 I was the principal and taught

64

00:03:13,250 --> 00:03:09,000

at the American overseas School of Rome

65

00:03:15,890 --> 00:03:13,260

I have an American uh connection to Rome

66

00:03:19,309 --> 00:03:15,900

in that even though I was born in Italy

67

00:03:21,589 --> 00:03:19,319

my father was a diplomat I am a teacher

68

00:03:24,410 --> 00:03:21,599

so I have a master's in education I was

69

00:03:26,229 --> 00:03:24,420

teaching Mel Gibson's kids Ursula

70

00:03:30,050 --> 00:03:26,239

andress's kids at this private school

71

00:03:31,850 --> 00:03:30,060

and that allowed me the money from my

72

00:03:34,670 --> 00:03:31,860

teaching allowed me to do the research

73

00:03:37,850 --> 00:03:34,680

because there is no money here a lot of

74

00:03:41,390 --> 00:03:37,860

it has gone on I've never been supported

75

00:03:44,570 --> 00:03:41,400

or anything so I was in Year from 1992

76

00:03:46,190 --> 00:03:44,580

to 2007. so it was all over the place I

77

00:03:48,830 --> 00:03:46,200

mean I was going to England I was going

78

00:03:51,470 --> 00:03:48,840

to Greece I was going to Switzerland I

79

00:03:54,130 --> 00:03:51,480

was in Norway I was you know it was like

80

00:03:57,229 --> 00:03:54,140

uh next door to go to these countries

81

00:03:58,670 --> 00:03:57,239

it's a little bit farther from the

82

00:04:00,830 --> 00:03:58,680

United States

83

00:04:03,170 --> 00:04:00,840

yeah it's just a bit and we've got

84

00:04:05,690 --> 00:04:03,180

listeners all over for the podcast as

85

00:04:07,490 --> 00:04:05,700

well so many of them it sounds like know

86

00:04:10,130 --> 00:04:07,500

you already given the questions we had

87

00:04:11,630 --> 00:04:10,140

in but before we get to the questions uh

88

00:04:13,729 --> 00:04:11,640

I obviously got some for you as well

89

00:04:16,250 --> 00:04:13,739

Paula so there's been a lot of interest

90

00:04:18,530 --> 00:04:16,260

and intrigue on this book and a little

91

00:04:20,750 --> 00:04:18,540

confusion around its release and some

92

00:04:22,490 --> 00:04:20,760

changes but before we get to that can

93

00:04:24,469 --> 00:04:22,500

you just tell the listeners about the

94

00:04:28,070 --> 00:04:24,479

book and how it came to be

95

00:04:30,710 --> 00:04:28,080

all right well this is a case so when

96

00:04:33,350 --> 00:04:30,720

Jack and I did this remember this is a

97

00:04:36,110 --> 00:04:33,360

case study one case

98

00:04:37,850 --> 00:04:36,120

and I was working on it I had heard

99

00:04:39,530 --> 00:04:37,860

about it when I was living in Italy two

100

00:04:43,249 --> 00:04:39,540

little Indian boys but they're not

101
00:04:46,850 --> 00:04:43,259
Indian they're Hispanic watched a UFO

102
00:04:49,070 --> 00:04:46,860
crash command crash over their heads and

103
00:04:52,129 --> 00:04:49,080
then went up to the

104
00:04:54,650 --> 00:04:52,139
um crash uh to the craft and saw the

105
00:04:56,510 --> 00:04:54,660
three creatures the three beings and

106
00:04:58,810 --> 00:04:56,520
then they watched the cleanup or the

107
00:05:01,730 --> 00:04:58,820
recovery which took almost eight days

108
00:05:04,189 --> 00:05:01,740
and so they would be like on the Arroyo

109
00:05:06,110 --> 00:05:04,199
looking at the recovery and then when

110
00:05:08,810 --> 00:05:06,120
the soldiers who were the same soldiers

111
00:05:11,270 --> 00:05:08,820
from the atomic bomb went to the Old

112
00:05:13,550 --> 00:05:11,280
Barn Cafe to get drinks and see the

113
00:05:16,850 --> 00:05:13,560

girls they left it alone and the

114

00:05:20,390 --> 00:05:16,860

nine-year-old boy the the Remy was six

115

00:05:25,070 --> 00:05:20,400

and Jose was nine Jose went inside and

116

00:05:28,610 --> 00:05:25,080

took a piece a big piece that was a

117

00:05:31,550 --> 00:05:28,620

fastened to the wall of the craft so we

118

00:05:34,990 --> 00:05:31,560

have the location the witnesses of

119

00:05:38,029 --> 00:05:35,000

course we lost Remy in 2000 2013

120

00:05:39,710 --> 00:05:38,039

but I found a new witness so all

121

00:05:42,290 --> 00:05:39,720

together there are three Witnesses all

122

00:05:45,290 --> 00:05:42,300

children and we have the location so you

123

00:05:47,629 --> 00:05:45,300

can and we have the medal so we have and

124

00:05:49,370 --> 00:05:47,639

so I was working on it and I brought the

125

00:05:51,110 --> 00:05:49,380

whole world down there I brought mufon

126
00:05:53,150 --> 00:05:51,120
down there I brought everybody down

127
00:05:56,210 --> 00:05:53,160
there and

128
00:05:59,210 --> 00:05:56,220
um I then out of the Clear Blue Sky get

129
00:06:01,070 --> 00:05:59,220
a a an email from Jacques valet saying I

130
00:06:03,350 --> 00:06:01,080
heard you have some metal

131
00:06:06,230 --> 00:06:03,360
so Jacques who is a scientist who's

132
00:06:08,150 --> 00:06:06,240
working on meta Metals as you know and

133
00:06:11,450 --> 00:06:08,160
he was very interested in the piece the

134
00:06:13,370 --> 00:06:11,460
boy pulled off the wall but as I'm

135
00:06:16,129 --> 00:06:13,380
telling him about the case he became

136
00:06:18,770 --> 00:06:16,139
fascinated with it and as I was telling

137
00:06:20,810 --> 00:06:18,780
you we have been back to New Mexico you

138
00:06:24,469 --> 00:06:20,820

could see Jacques walking around in the

139

00:06:26,210 --> 00:06:24,479

in the fields there I'm sitting in a

140

00:06:28,430 --> 00:06:26,220

chair because I'm afraid of snakes and

141

00:06:33,710 --> 00:06:28,440

I've seen so many rattlesnakes and oh

142

00:06:36,830 --> 00:06:33,720

down there so uh he went down there uh

143

00:06:39,350 --> 00:06:36,840

and I went with him at least

144

00:06:42,950 --> 00:06:39,360

um you know three to four times in four

145

00:06:47,809 --> 00:06:42,960

years so total nine years research on

146

00:06:50,930 --> 00:06:47,819

one case and when he went down there he

147

00:06:53,870 --> 00:06:50,940

um saw the framework that this all

148

00:06:56,570 --> 00:06:53,880

happened one month after the atomic bomb

149

00:06:59,029 --> 00:06:56,580

so we sat down and had a conversation

150

00:07:01,670 --> 00:06:59,039

here's the cover of the book the cover

151
00:07:04,070 --> 00:07:01,680
has Mama Grande who's an Apache Indian

152
00:07:09,170 --> 00:07:04,080
and Jose the nine-year-old

153
00:07:11,809 --> 00:07:09,180
Mama Grande uh has a background uh of in

154
00:07:14,330 --> 00:07:11,819
San Antonio and he talks about the

155
00:07:15,830 --> 00:07:14,340
framework the framework which is which

156
00:07:18,350 --> 00:07:15,840
is important you can't just go down

157
00:07:21,770 --> 00:07:18,360
there do a case and walk away pick up a

158
00:07:23,950 --> 00:07:21,780
phone talk to Witnesses and do a case so

159
00:07:27,170 --> 00:07:23,960
he talks about

160
00:07:29,689 --> 00:07:27,180
what those little boys lived like I mean

161
00:07:32,570 --> 00:07:29,699
the the craft crashed on the Padilla

162
00:07:35,689 --> 00:07:32,580
property which is 80 000 Acres that is

163
00:07:38,870 --> 00:07:35,699

rented uh is leased from the Bureau of

164

00:07:41,390 --> 00:07:38,880

Land Management this it is 20 miles from

165

00:07:44,270 --> 00:07:41,400

where the bomb exploded and all this

166

00:07:46,610 --> 00:07:44,280

happened one month after the bomb

167

00:07:48,409 --> 00:07:46,620

exploded in 1945.

168

00:07:50,870 --> 00:07:48,419

so I'm gonna add one other thing and

169

00:07:53,930 --> 00:07:50,880

then we can go on to the questions there

170

00:07:57,589 --> 00:07:53,940

was no Kenneth Arnold there was no fine

171

00:07:59,689 --> 00:07:57,599

saucers there was no Roswell there were

172

00:08:02,330 --> 00:07:59,699

new newspapers there was no YouTube and

173

00:08:05,210 --> 00:08:02,340

there was no TV so when those kids saw

174

00:08:07,370 --> 00:08:05,220

the avocado shaped craft they did not

175

00:08:09,409 --> 00:08:07,380

know what they were looking at

176

00:08:11,809 --> 00:08:09,419

now you've held up the cover of the book

177

00:08:14,029 --> 00:08:11,819

and this will go out on audio format but

178

00:08:15,670 --> 00:08:14,039

then via video on YouTube in the next

179

00:08:18,529 --> 00:08:15,680

couple of weeks as well

180

00:08:20,749 --> 00:08:18,539

the the cover of the book had a little

181

00:08:23,869 --> 00:08:20,759

bit of controversy and if you could just

182

00:08:26,029 --> 00:08:23,879

explain this on Amazon for some time and

183

00:08:27,830 --> 00:08:26,039

other book websites there was a

184

00:08:30,230 --> 00:08:27,840

different cover of the book that was a

185

00:08:32,329 --> 00:08:30,240

bit simpler and it only had Jacques

186

00:08:34,070 --> 00:08:32,339

listed as the author so there was a lot

187

00:08:35,810 --> 00:08:34,080

of rumors of course of what the book was

188

00:08:37,550 --> 00:08:35,820

going to be all we knew it was called

189

00:08:39,949 --> 00:08:37,560

the best kept secret that was it there

190

00:08:42,050 --> 00:08:39,959

was no Trinity and it was just Jack what

191

00:08:43,909 --> 00:08:42,060

happened that that came down off the

192

00:08:45,470 --> 00:08:43,919

website for a day or two it was uploaded

193

00:08:47,750 --> 00:08:45,480

with the new cover and also with

194

00:08:49,550 --> 00:08:47,760

yourself attached okay well the best

195

00:08:51,170 --> 00:08:49,560

kept secret is of how to be kept secret

196

00:08:53,810 --> 00:08:51,180

if you look at the cover there's a map

197

00:08:56,509 --> 00:08:53,820

on there and he didn't want people going

198

00:08:58,550 --> 00:08:56,519

to the location before the book came out

199

00:09:00,590 --> 00:08:58,560

because then the whole the whole world

200

00:09:03,410 --> 00:09:00,600

would go down to New Mexico I mean you

201
00:09:07,190 --> 00:09:03,420
could see where it is on this map so he

202
00:09:09,590 --> 00:09:07,200
wanted a a a innocuous cover where they

203
00:09:12,949 --> 00:09:09,600
would not be studying this whole thing

204
00:09:16,130 --> 00:09:12,959
before we even got the book out plus we

205
00:09:19,070 --> 00:09:16,140
had just encountered a third Witness so

206
00:09:22,430 --> 00:09:19,080
we had to rewrite the book I think we

207
00:09:26,870 --> 00:09:22,440
redid it at least seven times uh and

208
00:09:31,250 --> 00:09:26,880
what what uh he did was he included

209
00:09:32,870 --> 00:09:31,260
Sabrina now Sabrina uh was Jose the

210
00:09:36,470 --> 00:09:32,880
nine-year-old's cousin who lived with

211
00:09:39,650 --> 00:09:36,480
the father we just found her she just

212
00:09:41,389 --> 00:09:39,660
verified all kinds of amazing things

213
00:09:44,389 --> 00:09:41,399

like she was playing with the fiber

214

00:09:46,810 --> 00:09:44,399

optics and the foil the foil long strips

215

00:09:49,550 --> 00:09:46,820

of foil that would crunch up and go back

216

00:09:52,730 --> 00:09:49,560

uh uh Jose didn't know that because he

217

00:09:54,230 --> 00:09:52,740

had no foil but the father did he went

218

00:09:55,670 --> 00:09:54,240

back to the Christ shine and picked up

219

00:09:58,790 --> 00:09:55,680

foil and the little girl that was living

220

00:10:01,490 --> 00:09:58,800

with them was playing with this so all

221

00:10:04,610 --> 00:10:01,500

this new material we had to re-release

222

00:10:08,690 --> 00:10:04,620

the book and when we re-released the

223

00:10:10,730 --> 00:10:08,700

book now that map is on there and more

224

00:10:13,250 --> 00:10:10,740

detail is on there I mean we're still

225

00:10:17,530 --> 00:10:13,260

hoping to protect the witness and the

226

00:10:20,210 --> 00:10:17,540

location so he decided let's just wait

227

00:10:22,250 --> 00:10:20,220

let's re-release it with the new

228

00:10:24,170 --> 00:10:22,260

testimony the new testimonies at least

229

00:10:27,829 --> 00:10:24,180

35 pages

230

00:10:29,630 --> 00:10:27,839

so we got a complete product now did I

231

00:10:32,329 --> 00:10:29,640

answer your question no in a recent and

232

00:10:34,430 --> 00:10:32,339

uh yes absolutely yeah that's that

233

00:10:36,590 --> 00:10:34,440

clears it up and you know this subject

234

00:10:38,449 --> 00:10:36,600

better than many and there was a lot of

235

00:10:40,550 --> 00:10:38,459

conspiracy around it was taken down

236

00:10:42,230 --> 00:10:40,560

because it was there was too big a

237

00:10:44,150 --> 00:10:42,240

secret within it but it was just a

238

00:10:45,710 --> 00:10:44,160

placeholder cover that's all we are

239

00:10:47,329 --> 00:10:45,720

saying and that's why it was and that

240

00:10:48,650 --> 00:10:47,339

that makes sense to me and I'm sure the

241

00:10:51,470 --> 00:10:48,660

listeners will appreciate that as well

242

00:10:53,389 --> 00:10:51,480

now I watched your interview with James

243

00:10:55,550 --> 00:10:53,399

from engaging the phenomenon and I would

244

00:10:57,590 --> 00:10:55,560

encourage anyone who hasn't yet to go on

245

00:10:59,810 --> 00:10:57,600

YouTube and watch that interview and

246

00:11:02,150 --> 00:10:59,820

it's got a jack on there with you during

247

00:11:06,290 --> 00:11:02,160

that interview Jacques describes the

248

00:11:09,650 --> 00:11:06,300

case as not being as sexy as Roswell and

249

00:11:12,110 --> 00:11:09,660

his own French way but for you what made

250

00:11:14,690 --> 00:11:12,120

it so compelling because all you've said

251

00:11:17,569 --> 00:11:14,700

there Paula that it's got the materials

252

00:11:21,730 --> 00:11:17,579

it's got witnesses it's got a crash you

253

00:11:26,810 --> 00:11:24,889

uh it's funny uh you know Andy you're

254

00:11:29,509 --> 00:11:26,820

using that word sexy because I was

255

00:11:30,230 --> 00:11:29,519

thinking about that all day today

256

00:11:32,630 --> 00:11:30,240

um

257

00:11:35,930 --> 00:11:32,640

you know because

258

00:11:38,630 --> 00:11:35,940

the truth is that the way you follow G

259

00:11:42,290 --> 00:11:38,640

is now the only thing that goes viral is

260

00:11:44,930 --> 00:11:42,300

60 Minutes the TV show or conspiracy

261

00:11:47,350 --> 00:11:44,940

theory or things that are being hidden

262

00:11:51,590 --> 00:11:47,360

or government cover up

263

00:11:54,530 --> 00:11:51,600

this is a case study I mean you would

264

00:11:57,470 --> 00:11:54,540

have to read it and and learn a lot

265

00:11:59,690 --> 00:11:57,480

about the history of the atomic bomb and

266

00:12:02,150 --> 00:11:59,700

uh the fact that Oppenheimer would have

267

00:12:04,670 --> 00:12:02,160

had to know the L Barn Cafe is four

268

00:12:07,190 --> 00:12:04,680

miles from this place in the Old Barn

269

00:12:09,410 --> 00:12:07,200

Cafe which is on the Pan American

270

00:12:12,110 --> 00:12:09,420

Highway was the only watering hole and

271

00:12:14,870 --> 00:12:12,120

that's even where the the kids the young

272

00:12:16,850 --> 00:12:14,880

guys that cleaned up the crash went on

273

00:12:19,970 --> 00:12:16,860

that last day that's the only place they

274

00:12:22,730 --> 00:12:19,980

could go there was a soda fountain there

275

00:12:26,870 --> 00:12:22,740

was a grocery store and behind the L

276

00:12:30,350 --> 00:12:26,880

Barn Cafe were the headquarters of the

277

00:12:32,389 --> 00:12:30,360

scientists the the Manhattan Project you

278

00:12:34,569 --> 00:12:32,399

know Oppenheimer

279

00:12:38,569 --> 00:12:34,579

um uh

280

00:12:40,610 --> 00:12:38,579

top secret guys and I asked the owners

281

00:12:43,190 --> 00:12:40,620

of that Cafe did you know what they were

282

00:12:45,650 --> 00:12:43,200

doing and they said no we thought they

283

00:12:47,470 --> 00:12:45,660

were salesmen because they came in with

284

00:12:49,910 --> 00:12:47,480

their leather

285

00:12:52,310 --> 00:12:49,920

briefcases and we thought they were

286

00:12:54,829 --> 00:12:52,320

salesmen now can you imagine keeping a

287

00:12:59,389 --> 00:12:54,839

secret that you're you're going to blow

288

00:13:02,690 --> 00:12:59,399

uh uh a an amazingly powerful weapon

289

00:13:04,970 --> 00:13:02,700

about 20 miles away and as Jacques

290

00:13:07,970 --> 00:13:04,980

explained in that other interview that

291

00:13:12,350 --> 00:13:07,980

was no test that was a regular

292

00:13:14,449 --> 00:13:12,360

uh you know bomb uh you know it wasn't a

293

00:13:16,610 --> 00:13:14,459

test it was regularly exploding a bomb

294

00:13:19,910 --> 00:13:16,620

and what they didn't do is they didn't

295

00:13:22,790 --> 00:13:19,920

tell the people so people like Jose's

296

00:13:24,769 --> 00:13:22,800

mom the nine-year-old's mom opens the

297

00:13:27,710 --> 00:13:24,779

door at three in the morning

298

00:13:30,470 --> 00:13:27,720

and she sees the light of a thousand

299

00:13:32,509 --> 00:13:30,480

stars can you imagine that describe there

300

00:13:34,790 --> 00:13:32,519

is a book called the light of a thousand

301

00:13:38,030 --> 00:13:34,800

sons and she's blinded in one eye

302

00:13:39,949 --> 00:13:38,040

and Jose is his eardrum is punctured and

303

00:13:41,810 --> 00:13:39,959

I'm not even going to go into what

304

00:13:43,129 --> 00:13:41,820

happened to the 70 000 people that

305

00:13:46,069 --> 00:13:43,139

didn't know this was going to happen

306

00:13:51,590 --> 00:13:46,079

because this is a two-fold book

307

00:13:56,690 --> 00:13:53,629

the fact that even the cattle were taken

308

00:14:00,410 --> 00:13:56,700

to Oak Ridge to be tested the fact that

309

00:14:03,530 --> 00:14:00,420

I'm sure Oppenheimer knew after the of

310

00:14:05,750 --> 00:14:03,540

the crash because he was right there and

311

00:14:07,550 --> 00:14:05,760

Oppenheimer and Einstein actually wrote

312

00:14:10,009 --> 00:14:07,560

a letter to Truman saying hey we got

313

00:14:12,410 --> 00:14:10,019

problems when we started messing with

314

00:14:14,569 --> 00:14:12,420

atomic energy because we're getting a

315

00:14:17,590 --> 00:14:14,579

lot of sightings here we're getting a

316

00:14:20,990 --> 00:14:17,600

lot of sightings what do we do now and

317

00:14:22,910 --> 00:14:21,000

logically I mean Beyond this book would

318

00:14:26,870 --> 00:14:22,920

people understand that we went into the

319

00:14:30,590 --> 00:14:26,880

nuclear age and somebody was watching

320

00:14:33,889 --> 00:14:30,600

somebody out there uh was watching and

321

00:14:36,530 --> 00:14:33,899

wanted to make a statement so who

322

00:14:40,129 --> 00:14:36,540

whatever those creatures were or

323

00:14:44,449 --> 00:14:40,139

whatever that uh crash happened I think

324

00:14:46,550 --> 00:14:44,459

was the statement to uh the um starting

325

00:14:49,250 --> 00:14:46,560

of the nuclear age I think when you

326

00:14:51,470 --> 00:14:49,260

start to explode a bomb in our Dimension

327

00:14:53,629 --> 00:14:51,480

there's no way it doesn't affect other

328

00:14:57,710 --> 00:14:53,639

dimensions there's no way

329

00:15:00,110 --> 00:14:57,720

and um you know we went on and I did

330

00:15:01,970 --> 00:15:00,120

research in Italy on this this was one

331

00:15:05,030 --> 00:15:01,980

of the most dangerous stories I ever did

332

00:15:07,009 --> 00:15:05,040

I went on to interview people in the

333

00:15:09,949 --> 00:15:07,019

Pacific that were working on the h-bomb

334

00:15:11,689 --> 00:15:09,959

which was much more powerful than the

335

00:15:13,910 --> 00:15:11,699

A-bomb that's the only time they ever

336

00:15:15,110 --> 00:15:13,920

came into my apartment on the seventh

337

00:15:17,930 --> 00:15:15,120

floor in Rome and took everything

338

00:15:20,329 --> 00:15:17,940

including the film footage and stole 20

339

00:15:21,189 --> 00:15:20,339

000 euro worth of materials from my

340

00:15:24,710 --> 00:15:21,199

house

341

00:15:26,449 --> 00:15:24,720

I uh you know the man that I was

342

00:15:29,389 --> 00:15:26,459

interviewing at the time was a French

343

00:15:32,050 --> 00:15:29,399

Geo uh physicist who was on the island

344

00:15:35,269 --> 00:15:32,060

of fungatofa and saw the UFOs fly over

345

00:15:38,810 --> 00:15:35,279

on two different occasions so let me

346

00:15:41,449 --> 00:15:38,820

assure you somebody is watching

347

00:15:43,189 --> 00:15:41,459

now you said very concisely there that

348

00:15:45,170 --> 00:15:43,199

someone is watching yourself and Jack

349

00:15:47,389 --> 00:15:45,180

have said in previous interviews that

350

00:15:49,910 --> 00:15:47,399

this was a response or a message from

351
00:15:51,949 --> 00:15:49,920
that explosion now the time frame for me

352
00:15:53,990 --> 00:15:51,959
is interesting that it was one month

353
00:15:56,389 --> 00:15:54,000
after that explosion that nuclear

354
00:15:59,210 --> 00:15:56,399
explosion that this object appeared to

355
00:16:00,889 --> 00:15:59,220
have crashed now do you feel there's any

356
00:16:03,350 --> 00:16:00,899
significance to the fact it was one

357
00:16:05,329 --> 00:16:03,360
month had passed or is that one month

358
00:16:07,910 --> 00:16:05,339
has passed for us but when you mention

359
00:16:09,949 --> 00:16:07,920
different dimensions is it a case that

360
00:16:12,410 --> 00:16:09,959
it wasn't necessarily a month that's

361
00:16:15,110 --> 00:16:12,420
passed for the beings or the object

362
00:16:17,210 --> 00:16:15,120
well Andy you're texting me now you're

363
00:16:19,970 --> 00:16:17,220

making me think I never thought about

364

00:16:22,370 --> 00:16:19,980

that I never thought about that really I

365

00:16:24,650 --> 00:16:22,380

will tell you that there's some really

366

00:16:27,949 --> 00:16:24,660

weird things about this case and that

367

00:16:31,430 --> 00:16:27,959

they only appeared to children

368

00:16:33,769 --> 00:16:31,440

little kids so the one and so the little

369

00:16:36,470 --> 00:16:33,779

kids they're little kids they're six and

370

00:16:37,910 --> 00:16:36,480

nine and of course Jose by that time was

371

00:16:40,430 --> 00:16:37,920

driving a truck he was delivering

372

00:16:42,530 --> 00:16:40,440

hamburger to the owl barn Cafe he had

373

00:16:44,629 --> 00:16:42,540

his own horse so did Remy they were

374

00:16:48,530 --> 00:16:44,639

fixing windmills they were fixing fences

375

00:16:51,230 --> 00:16:48,540

in those days that the kids were part of

376

00:16:54,650 --> 00:16:51,240

the ranch from from when they were tiny

377

00:16:56,269 --> 00:16:54,660

tiny and Sabrina was telling me too she

378

00:16:58,430 --> 00:16:56,279

said she'd take a walk she'd go over to

379

00:17:00,350 --> 00:16:58,440

the crash site was all burned she said

380

00:17:02,930 --> 00:17:00,360

the vegetation but the vegetation after

381

00:17:04,850 --> 00:17:02,940

70 years has not come back they used to

382

00:17:07,370 --> 00:17:04,860

that was mesquite trees were like four

383

00:17:11,929 --> 00:17:07,380

to five feet high now they're like one

384

00:17:14,750 --> 00:17:11,939

foot high so the fact that number one we

385

00:17:18,890 --> 00:17:14,760

could have Disturbed the dimension and

386

00:17:22,069 --> 00:17:18,900

maybe it was uh you know a response

387

00:17:25,130 --> 00:17:22,079

number two that they appeared to

388

00:17:27,890 --> 00:17:25,140

children in other words children when

389

00:17:30,409 --> 00:17:27,900

those two kids saw the crash come over

390

00:17:32,990 --> 00:17:30,419

over their head I mean it took out part

391

00:17:35,510 --> 00:17:33,000

of a radio tower they were it was it was

392

00:17:37,430 --> 00:17:35,520

a thunderstorm so they had stopped you

393

00:17:39,409 --> 00:17:37,440

can read the book in detail they both

394

00:17:41,090 --> 00:17:39,419

told me the same story they do not live

395

00:17:42,470 --> 00:17:41,100

close to each other after all those

396

00:17:45,409 --> 00:17:42,480

years but they told me the same story

397

00:17:47,930 --> 00:17:45,419

they stopped they saw the thunderstorm

398

00:17:51,590 --> 00:17:47,940

the craft came in took out a piece of

399

00:17:53,930 --> 00:17:51,600

the radio tower and landed you know took

400

00:17:55,430 --> 00:17:53,940

an L shape and landed and stopped to

401
00:17:57,890 --> 00:17:55,440
where a berm was but it was fully

402
00:18:00,169 --> 00:17:57,900
powered and when they went up there with

403
00:18:02,870 --> 00:18:00,179
their little binoculars you know I think

404
00:18:05,930 --> 00:18:02,880
it was like 500 feet away they stood and

405
00:18:08,210 --> 00:18:05,940
watch those beings for almost an hour an

406
00:18:11,090 --> 00:18:08,220
hour and a half like they're watching

407
00:18:13,370 --> 00:18:11,100
these creatures going you know uh Jose

408
00:18:15,169 --> 00:18:13,380
said they were sashaying which means

409
00:18:16,610 --> 00:18:15,179
they were kind of floating they'd appear

410
00:18:19,190 --> 00:18:16,620
here and then they appear there there

411
00:18:21,590 --> 00:18:19,200
were three of them and then Jose felt

412
00:18:23,930 --> 00:18:21,600
that they were crying he said it was

413
00:18:26,029 --> 00:18:23,940

like a screeching baby and he wanted to

414

00:18:27,890 --> 00:18:26,039

go in and help he said they're hurt

415

00:18:30,650 --> 00:18:27,900

they're hurt he kept saying they're hurt

416

00:18:32,930 --> 00:18:30,660

this is a response of children it

417

00:18:34,789 --> 00:18:32,940

wouldn't be a response of adults

418

00:18:36,770 --> 00:18:34,799

I also would go in there with a rifle

419

00:18:39,230 --> 00:18:36,780

and just kill them all because we

420

00:18:41,510 --> 00:18:39,240

finished the whole thing you know but

421

00:18:43,909 --> 00:18:41,520

these kids are they're not used to

422

00:18:46,430 --> 00:18:43,919

seeing anything like this

423

00:18:49,549 --> 00:18:46,440

and then the six-year-old later on told

424

00:18:52,730 --> 00:18:49,559

me that uh before dying that he had a

425

00:18:54,710 --> 00:18:52,740

vision that they had given him of people

426

00:18:56,870 --> 00:18:54,720

falling out of a skyscraper and he's

427

00:18:58,789 --> 00:18:56,880

never seen skyscrapers because he was

428

00:19:01,870 --> 00:18:58,799

living in New Mexico

429

00:19:05,150 --> 00:19:01,880

now that sounds awful lot like 911 to me

430

00:19:07,330 --> 00:19:05,160

so you know we've got communication

431

00:19:09,409 --> 00:19:07,340

psychic communication with these kids

432

00:19:12,110 --> 00:19:09,419

and their kids

433

00:19:15,409 --> 00:19:12,120

now we've got a craft that is either

434

00:19:17,029 --> 00:19:15,419

flying a great distance or traveling a

435

00:19:19,250 --> 00:19:17,039

distance through Dimension space

436

00:19:21,710 --> 00:19:19,260

whatever it may be we're not sure

437

00:19:24,169 --> 00:19:21,720

how does it still come to crash and

438

00:19:27,169 --> 00:19:24,179

inverted commas and or even make contact

439

00:19:30,049 --> 00:19:27,179

with a radio tower given what must be an

440

00:19:33,110 --> 00:19:30,059

incredibly advanced technology well you

441

00:19:35,390 --> 00:19:33,120

know even with Roswell the storms in New

442

00:19:37,010 --> 00:19:35,400

Mexico are like nothing I've ever seen

443

00:19:37,610 --> 00:19:37,020

nothing

444

00:19:40,789 --> 00:19:37,620

um

445

00:19:43,130 --> 00:19:40,799

the thunder and lightning is just

446

00:19:44,870 --> 00:19:43,140

terrible and I've been in Mexico soft

447

00:19:47,150 --> 00:19:44,880

and I've been to Roswell and so forth

448

00:19:49,730 --> 00:19:47,160

and also with the Roswell crash it was a

449

00:19:52,549 --> 00:19:49,740

storm however I think where you're going

450

00:19:55,669 --> 00:19:52,559

Andy is was it done on purpose

451

00:19:58,130 --> 00:19:55,679

um yeah and I you know

452

00:19:59,690 --> 00:19:58,140

I can't tell you that because I don't

453

00:20:02,450 --> 00:19:59,700

know that you don't know that but that's

454

00:20:04,789 --> 00:20:02,460

a great question was it done on purpose

455

00:20:08,390 --> 00:20:04,799

so we would report about it um

456

00:20:10,490 --> 00:20:08,400

so it catch our attention I do know that

457

00:20:13,310 --> 00:20:10,500

that particular case did not go into the

458

00:20:14,810 --> 00:20:13,320

Blue Book files where it went is into

459

00:20:16,909 --> 00:20:14,820

the files of the atomic energy

460

00:20:19,310 --> 00:20:16,919

commission which is what was going on

461

00:20:21,890 --> 00:20:19,320

down there and I know that because Remy

462

00:20:24,289 --> 00:20:21,900

worked for the governor of Washington

463

00:20:26,570 --> 00:20:24,299

state he was a Gig Harbor who's her name

464

00:20:29,870 --> 00:20:26,580

was Dixie Lee and he helped get her

465

00:20:30,710 --> 00:20:29,880

elected to to governorship so to thank

466

00:20:35,810 --> 00:20:30,720

him

467

00:20:40,010 --> 00:20:35,820

head of the atomic energy commission

468

00:20:42,770 --> 00:20:40,020

stuff and and uh Washington State and

469

00:20:44,510 --> 00:20:42,780

if you know anything and and you listen

470

00:20:46,970 --> 00:20:44,520

to I think that Jacques talked about

471

00:20:48,770 --> 00:20:46,980

this and James's the atomic energy

472

00:20:49,730 --> 00:20:48,780

commission does not answer to the

473

00:20:53,150 --> 00:20:49,740

president

474

00:20:55,909 --> 00:20:53,160

uh that's one of the the agencies that

475

00:20:57,470 --> 00:20:55,919

you know unless you have a need to know

476
00:20:59,510 --> 00:20:57,480
um but may I encourage people because

477
00:21:01,250 --> 00:20:59,520
you work together that they also see

478
00:21:03,110 --> 00:21:01,260
James's

479
00:21:06,650 --> 00:21:03,120
um you know interview with Jacques

480
00:21:08,930 --> 00:21:06,660
because I think he said that um however

481
00:21:10,850 --> 00:21:08,940
I found out about that because Remy told

482
00:21:13,730 --> 00:21:10,860
me that he said oh well she thanked me

483
00:21:15,110 --> 00:21:13,740
she let me see my case uh you know and

484
00:21:16,970 --> 00:21:15,120
it would never have gone into the air

485
00:21:20,390 --> 00:21:16,980
force there was no air force it was Army

486
00:21:22,549 --> 00:21:20,400
Air Force in 1945 it would never go into

487
00:21:25,250 --> 00:21:22,559
Blue Book because it was I didn't start

488
00:21:27,169 --> 00:21:25,260

that then so where's it gonna go uh and

489

00:21:29,810 --> 00:21:27,179

as far as taking the the craft to write

490

00:21:31,250 --> 00:21:29,820

Patterson we think they took it to Los

491

00:21:33,830 --> 00:21:31,260

Alamos

492

00:21:37,850 --> 00:21:33,840

and as would you say this was the first

493

00:21:40,610 --> 00:21:37,860

known crash of an a craft from somewhere

494

00:21:42,770 --> 00:21:40,620

else especially on on that type of land

495

00:21:45,590 --> 00:21:42,780

obviously we know about Roswell not just

496

00:21:47,570 --> 00:21:45,600

not too soon after but was this the

497

00:21:49,250 --> 00:21:47,580

first time that the the Army had dealt

498

00:21:53,450 --> 00:21:49,260

with anything like this

499

00:21:55,490 --> 00:21:53,460

no because I you know I I read uh uh

500

00:21:58,010 --> 00:21:55,500

books on my colleagues books I'm the

501
00:22:00,529 --> 00:21:58,020
only one Ryan wood wrote an incredible

502
00:22:03,590 --> 00:22:00,539
book called Magic Eyes Only I don't have

503
00:22:06,470 --> 00:22:03,600
it here and it's got 93 crashes and he

504
00:22:08,750 --> 00:22:06,480
has Cape Girardeau I think crash as

505
00:22:10,909 --> 00:22:08,760
being the first one and that's way

506
00:22:13,190 --> 00:22:10,919
before and I think there was a crash in

507
00:22:17,350 --> 00:22:13,200
Texas and that's way before it was even

508
00:22:20,149 --> 00:22:17,360
in the 1800s this one was the first one

509
00:22:22,070 --> 00:22:20,159
that we have enough information to deal

510
00:22:25,130 --> 00:22:22,080
with the Cape Girardeau they have like I

511
00:22:27,470 --> 00:22:25,140
think torn up road or they have pieces

512
00:22:31,909 --> 00:22:27,480
we have witnesses we have the location

513
00:22:35,390 --> 00:22:31,919

and we have the metal so we this is the

514

00:22:37,610 --> 00:22:35,400

first crash before Roswell where we have

515

00:22:41,450 --> 00:22:37,620

everything Roswell

516

00:22:44,390 --> 00:22:41,460

yeah we have witnesses but it wasn't in

517

00:22:46,250 --> 00:22:44,400

other words they wouldn't or those

518

00:22:48,230 --> 00:22:46,260

Witnesses weren't there when it crashed

519

00:22:50,510 --> 00:22:48,240

they have witnesses to the recovery

520

00:22:52,909 --> 00:22:50,520

these kids were there when it crash and

521

00:22:55,190 --> 00:22:52,919

they watched their recovery for it took

522

00:22:58,010 --> 00:22:55,200

a long time in fact they had to put it

523

00:22:59,750 --> 00:22:58,020

on a flatbed truck an 18-wheeler because

524

00:23:02,630 --> 00:22:59,760

there's an overpass near there and they

525

00:23:04,970 --> 00:23:02,640

had to get it through the overpass so to

526

00:23:09,470 --> 00:23:04,980

get it out so so

527

00:23:11,270 --> 00:23:09,480

um I'm sorry my phone is ringing but uh

528

00:23:15,169 --> 00:23:11,280

it will just let it that's all right

529

00:23:16,970 --> 00:23:15,179

okay uh so you've mentioned you've

530

00:23:19,190 --> 00:23:16,980

mentioned the meth the metal a few times

531

00:23:20,930 --> 00:23:19,200

uh yeah did you want to talk about the

532

00:23:23,390 --> 00:23:20,940

metal itself and tell the listeners

533

00:23:25,669 --> 00:23:23,400

about its properties what your

534

00:23:29,390 --> 00:23:25,679

experiences are with the metal

535

00:23:32,690 --> 00:23:29,400

so that's Jacques uh Forte what had

536

00:23:36,470 --> 00:23:32,700

happened was that I was working with

537

00:23:38,630 --> 00:23:36,480

um uh Jose and he had mentioned this is

538

00:23:42,230 --> 00:23:38,640

in the book they saw one little piece of

539

00:23:45,169 --> 00:23:42,240

foil so Rami took it as a souvenir and

540

00:23:46,909 --> 00:23:45,179

they fixed a windmill with it later so I

541

00:23:49,190 --> 00:23:46,919

said oh my God you know the foil's gone

542

00:23:51,710 --> 00:23:49,200

then I find Sabrina had a long strips of

543

00:23:53,149 --> 00:23:51,720

it and her in the grandfather's house so

544

00:23:55,370 --> 00:23:53,159

you must have gone back and got it

545

00:23:57,890 --> 00:23:55,380

because she thought it was toys they

546

00:24:01,010 --> 00:23:57,900

didn't have slinkies back then so she's

547

00:24:02,870 --> 00:24:01,020

got these long strips of foil and she's

548

00:24:08,330 --> 00:24:02,880

scrunching up and then it goes back to

549

00:24:10,310 --> 00:24:08,340

it's this is in 1950 like 1950 and and

550

00:24:12,110 --> 00:24:10,320

of course we asked where it all was in

551
00:24:13,730 --> 00:24:12,120
70 years have passed so we don't know

552
00:24:16,549 --> 00:24:13,740
where it is

553
00:24:18,890 --> 00:24:16,559
um and the piece that

554
00:24:21,409 --> 00:24:18,900
um uh that Jose went in there to get

555
00:24:23,570 --> 00:24:21,419
because they wanted a tezada in those

556
00:24:25,190 --> 00:24:23,580
days they wanted a souvenir they knew

557
00:24:28,669 --> 00:24:25,200
what they saw but they go let's take a

558
00:24:31,789 --> 00:24:28,679
souvenir group but you know he was even

559
00:24:33,830 --> 00:24:31,799
today you know Jose uh went to the

560
00:24:36,950 --> 00:24:33,840
Korean War at 17 years old and then

561
00:24:38,870 --> 00:24:36,960
became a state trooper and in uh in

562
00:24:42,470 --> 00:24:38,880
California where he was even shot at

563
00:24:44,810 --> 00:24:42,480

Jose has no uh fear of anything he went

564

00:24:48,529 --> 00:24:44,820

in there he took a crowbar and the only

565

00:24:50,870 --> 00:24:48,539

thing on the wall was this piece so he

566

00:24:53,950 --> 00:24:50,880

just pulled it out it was like locked in

567

00:24:56,630 --> 00:24:53,960

with a pin and it was like more of a

568

00:24:58,970 --> 00:24:56,640

snap-in thing there were no nails or

569

00:25:01,430 --> 00:24:58,980

anything it was more snapping

570

00:25:03,230 --> 00:25:01,440

and he took it and they hid it under the

571

00:25:04,730 --> 00:25:03,240

floorboards and they hid it under the

572

00:25:06,649 --> 00:25:04,740

floorboards of the sheep herder and then

573

00:25:08,330 --> 00:25:06,659

later they had to move it because the

574

00:25:11,450 --> 00:25:08,340

Army came and asked if the kids had

575

00:25:13,549 --> 00:25:11,460

stolen anything had taken anything

576

00:25:16,370 --> 00:25:13,559

there's a couple of funny things about

577

00:25:18,289 --> 00:25:16,380

this case first of all the Army asked Mr

578

00:25:19,730 --> 00:25:18,299

Padilla the father if they could cut the

579

00:25:22,070 --> 00:25:19,740

gate because they were taking out a

580

00:25:25,430 --> 00:25:22,080

weather balloon and it wasn't the gate

581

00:25:28,190 --> 00:25:25,440

was too narrow so even now you can see

582

00:25:31,630 --> 00:25:28,200

where they cut the gate to take out the

583

00:25:34,130 --> 00:25:31,640

weather balloon but the father and Jose

584

00:25:35,870 --> 00:25:34,140

went to the bunk house and gave them

585

00:25:38,590 --> 00:25:35,880

back all the weather balloons they had

586

00:25:41,090 --> 00:25:38,600

collected while they were riding around

587

00:25:43,490 --> 00:25:41,100

on their horses because they returned

588

00:25:45,470 --> 00:25:43,500

them to the Army so they knew this is no

589

00:25:47,390 --> 00:25:45,480

other balloon ears you know here's all

590

00:25:50,210 --> 00:25:47,400

the ones we got for you guys you want it

591

00:25:52,330 --> 00:25:50,220

back you know and this thing was like I

592

00:25:56,210 --> 00:25:52,340

think Jacques said it was like five tons

593

00:26:00,230 --> 00:25:56,220

so there's no other balloon so they made

594

00:26:02,690 --> 00:26:00,240

a road especially to take it out and the

595

00:26:06,350 --> 00:26:02,700

piece itself was hidden for many years

596

00:26:08,870 --> 00:26:06,360

and after I had worked on it for five

597

00:26:11,149 --> 00:26:08,880

years Jose gave it to me I put it in a

598

00:26:14,269 --> 00:26:11,159

safe deposit box by the time Jacques got

599

00:26:16,310 --> 00:26:14,279

to me a I just gave it to him I said

600

00:26:19,370 --> 00:26:16,320

look take this to a university and go

601
00:26:22,850 --> 00:26:19,380
analyze it and it is a kind of aluminum

602
00:26:25,549 --> 00:26:22,860
I think he called it selenium us uh uh

603
00:26:28,970 --> 00:26:25,559
there is a name it's in the book and I

604
00:26:32,690 --> 00:26:28,980
think he he also says what it is uh and

605
00:26:36,350 --> 00:26:32,700
and it looks like a terrestrial piece it

606
00:26:38,210 --> 00:26:36,360
is not a piece of a windmill although it

607
00:26:40,730 --> 00:26:38,220
resembles that I went to a run Mill

608
00:26:44,330 --> 00:26:40,740
Factory I did the interview with the

609
00:26:46,370 --> 00:26:44,340
owner who zoned it for like 80 years he

610
00:26:48,769 --> 00:26:46,380
said that is not a piece of any windmill

611
00:26:50,590 --> 00:26:48,779
or any because the windmill Factory is

612
00:26:54,289 --> 00:26:50,600
actually a warehouse you can buy pieces

613
00:26:57,950 --> 00:26:54,299

it was not it is not and windmill pieces

614

00:27:00,350 --> 00:26:57,960

are cast iron this thing's aluminum so

615

00:27:02,450 --> 00:27:00,360

um are they still studying it yes is it

616

00:27:05,029 --> 00:27:02,460

in the hands of a university yes is it

617

00:27:08,750 --> 00:27:05,039

in the hands of scientists yes it's been

618

00:27:10,669 --> 00:27:08,760

studied in Australia they did in fact uh

619

00:27:14,110 --> 00:27:10,679

James Rainey that worked on this with me

620

00:27:16,430 --> 00:27:14,120

uh has permission to release the the

621

00:27:18,830 --> 00:27:16,440

analysis in Australia because a lot of

622

00:27:21,769 --> 00:27:18,840

people worked on this with me

623

00:27:24,350 --> 00:27:21,779

um and could there be rare properties we

624

00:27:26,090 --> 00:27:24,360

don't know we don't know yet but it was

625

00:27:28,850 --> 00:27:26,100

inside the craft

626

00:27:30,230 --> 00:27:28,860

now were there any issues and I don't

627

00:27:31,730 --> 00:27:30,240

want to go into too much detail because

628

00:27:33,470 --> 00:27:31,740

we want people to go and read the book

629

00:27:35,110 --> 00:27:33,480

and get the detail for themselves and

630

00:27:37,730 --> 00:27:35,120

see that picture in their head however

631

00:27:40,010 --> 00:27:37,740

the the kids when they picked up this

632

00:27:42,049 --> 00:27:40,020

metal were there any issues with

633

00:27:44,630 --> 00:27:42,059

exposure to radiation they picked up

634

00:27:47,269 --> 00:27:44,640

from it or did they have any LFX and and

635

00:27:50,210 --> 00:27:47,279

soon after or later life

636

00:27:51,950 --> 00:27:50,220

no they had ill effects from the bomb no

637

00:27:53,810 --> 00:27:51,960

they had their radiation that came I

638

00:27:57,649 --> 00:27:53,820

mean it is

639

00:28:00,470 --> 00:27:57,659

20 miles from Ground Zero San Antonio is

640

00:28:02,510 --> 00:28:00,480

20 miles from Ground Zero you can see

641

00:28:03,470 --> 00:28:02,520

where they exploded the bomb from that

642

00:28:07,669 --> 00:28:03,480

land

643

00:28:09,710 --> 00:28:07,679

it is from Trinity now the the problems

644

00:28:11,269 --> 00:28:09,720

they have came from the bomb not from

645

00:28:13,909 --> 00:28:11,279

the Craft

646

00:28:16,430 --> 00:28:13,919

um did they ever see the beings again no

647

00:28:18,409 --> 00:28:16,440

because the next day see the boys wet

648

00:28:20,810 --> 00:28:18,419

and told the father and the father and

649

00:28:22,310 --> 00:28:20,820

Sheriff Apodaca they waited a day then

650

00:28:24,710 --> 00:28:22,320

they went and they saw that the craft

651
00:28:26,870 --> 00:28:24,720
was there it had been covered by brush

652
00:28:29,810 --> 00:28:26,880
because I think they were trying to hide

653
00:28:32,149 --> 00:28:29,820
at the Army and they went inside they

654
00:28:35,149 --> 00:28:32,159
went inside I mean they walked around in

655
00:28:39,529 --> 00:28:35,159
there and since Faustino and Sheriff

656
00:28:41,750 --> 00:28:39,539
Apodaca are missed are now uh dead we

657
00:28:46,549 --> 00:28:41,760
can't really talk to them

658
00:28:49,310 --> 00:28:46,559
I know that Jose is uh his relatives or

659
00:28:51,830 --> 00:28:49,320
relatives of Milani zamoras and you know

660
00:28:54,529 --> 00:28:51,840
the Lonnie Zamora case which heinek

661
00:28:58,010 --> 00:28:54,539
worked on is down the street it's very

662
00:29:00,350 --> 00:28:58,020
close and that also had to do with an

663
00:29:02,269 --> 00:29:00,360

egg-shaped craft because this craft was

664

00:29:04,250 --> 00:29:02,279

not a flying saucer it was avocado

665

00:29:04,909 --> 00:29:04,260

shaped

666

00:29:07,909 --> 00:29:04,919

um

667

00:29:10,250 --> 00:29:07,919

and you know Jose everybody's relatives

668

00:29:13,010 --> 00:29:10,260

with everybody there I mean it's like

669

00:29:14,630 --> 00:29:13,020

small town I spent so much there time

670

00:29:17,210 --> 00:29:14,640

there that I know everybody and

671

00:29:19,669 --> 00:29:17,220

everybody knows jock and me and we go to

672

00:29:21,590 --> 00:29:19,679

lunch with everybody and it's that kind

673

00:29:23,690 --> 00:29:21,600

of situation

674

00:29:25,250 --> 00:29:23,700

um but the Lani Zamora case is also

675

00:29:28,669 --> 00:29:25,260

covered in this book

676

00:29:30,950 --> 00:29:28,679

and the valsol case in France because

677

00:29:33,529 --> 00:29:30,960

they are all very similar so what

678

00:29:37,010 --> 00:29:33,539

Jacques looks for is patterns so the

679

00:29:39,649 --> 00:29:37,020

book itself is written by a very

680

00:29:42,909 --> 00:29:39,659

wonderful writer who's able to find

681

00:29:46,430 --> 00:29:42,919

patterns and has an incredible style

682

00:29:49,970 --> 00:29:46,440

my job uh quite frankly was just to do

683

00:29:53,330 --> 00:29:49,980

the interviews I had piled up the

684

00:29:55,250 --> 00:29:53,340

interviews and audio tape uh before I

685

00:29:57,350 --> 00:29:55,260

even started working with Jacques so I

686

00:29:59,750 --> 00:29:57,360

the audio tape and the transcripts so he

687

00:30:01,730 --> 00:29:59,760

just basically reread all the

688

00:30:04,130 --> 00:30:01,740

transcripts tried to put them in some

689

00:30:08,930 --> 00:30:04,140

kind of order and put them in the book

690

00:30:12,110 --> 00:30:08,940

to describe what happened and you're on

691

00:30:14,210 --> 00:30:12,120

Jack's research were there any remorse

692

00:30:16,070 --> 00:30:14,220

or conjecture as to what may have

693

00:30:17,630 --> 00:30:16,080

happened with the beings this was

694

00:30:19,669 --> 00:30:17,640

something quite a few listeners asked me

695

00:30:21,169 --> 00:30:19,679

to follow up on as well that as you see

696

00:30:23,570 --> 00:30:21,179

the kids went the next day and the

697

00:30:25,010 --> 00:30:23,580

beings were gone was that a case that

698

00:30:27,470 --> 00:30:25,020

they you know they've just disappeared

699

00:30:28,549 --> 00:30:27,480

that no one knows or whether were they

700

00:30:31,010 --> 00:30:28,559

taken

701
00:30:33,409 --> 00:30:31,020
well I can only tell you this is just me

702
00:30:35,389 --> 00:30:33,419
this is Paula Harris since I uh

703
00:30:36,950 --> 00:30:35,399
published and dealt with Clifford Stone

704
00:30:39,409 --> 00:30:36,960
for many years and that was crash

705
00:30:41,870 --> 00:30:39,419
retrieval and Clifford Zone just died

706
00:30:42,950 --> 00:30:41,880
before he died I went to Roswell who

707
00:30:46,310 --> 00:30:42,960
lived in

708
00:30:49,310 --> 00:30:46,320
Roswell and I asked him about what

709
00:30:52,310 --> 00:30:49,320
happened to the beings in his particular

710
00:30:55,370 --> 00:30:52,320
situation he did 12 retrievals

711
00:30:57,049 --> 00:30:55,380
recoveries and he said that they came

712
00:30:58,850 --> 00:30:57,059
and got their own sometimes they left

713
00:31:00,110 --> 00:30:58,860

the bodies out there and they came and

714

00:31:02,570 --> 00:31:00,120

got their own

715

00:31:04,130 --> 00:31:02,580

I said you're kidding and he goes I said

716

00:31:05,750 --> 00:31:04,140

you mean you didn't like pack the bodies

717

00:31:08,570 --> 00:31:05,760

and take him to write he said no

718

00:31:10,549 --> 00:31:08,580

sometimes we made an agreement we would

719

00:31:12,049 --> 00:31:10,559

leave the bodies there and they would

720

00:31:15,169 --> 00:31:12,059

come and get their own

721

00:31:17,570 --> 00:31:15,179

and I and we have to ask about those

722

00:31:20,090 --> 00:31:17,580

bodies you know the description they

723

00:31:23,870 --> 00:31:20,100

could be an advanced form of artificial

724

00:31:26,510 --> 00:31:23,880

intelligence of a clone they were uh you

725

00:31:29,510 --> 00:31:26,520

know uh tall gray no they weren't tall

726

00:31:32,510 --> 00:31:29,520

they were uh three feet tall but they

727

00:31:34,850 --> 00:31:32,520

were gray kind of insectoid looking

728

00:31:37,250 --> 00:31:34,860

because they had long arms in fact Jose

729

00:31:41,930 --> 00:31:37,260

said they they look like a standing up

730

00:31:47,510 --> 00:31:41,940

fire ant teardrop eyes and gray outfit

731

00:31:49,669 --> 00:31:47,520

or gray uh bodysuit and you know they

732

00:31:52,190 --> 00:31:49,679

could have been some kind of Clone or

733

00:31:54,590 --> 00:31:52,200

some kind of artificial intelligence or

734

00:31:58,310 --> 00:31:54,600

whatever but whatever they were they did

735

00:32:00,830 --> 00:31:58,320

interact with the kids they did since

736

00:32:02,990 --> 00:32:00,840

Jose felt he had a he wanted to go in

737

00:32:05,330 --> 00:32:03,000

there and help them he said he wasn't

738

00:32:06,710 --> 00:32:05,340

afraid he just he was very confused

739

00:32:08,870 --> 00:32:06,720

because they looked like children like

740

00:32:10,549 --> 00:32:08,880

they did and he wanted to go in and give

741

00:32:13,549 --> 00:32:10,559

and give him a hand but the six-year-old

742

00:32:15,830 --> 00:32:13,559

began to cry but he said Remy began to

743

00:32:17,690 --> 00:32:15,840

cry too because his eyes hurt because

744

00:32:20,690 --> 00:32:17,700

when you have burning mosquito all

745

00:32:24,470 --> 00:32:20,700

around it's an uncomfortable uh

746

00:32:28,010 --> 00:32:24,480

situation it's smoke and Mesquite and

747

00:32:30,110 --> 00:32:28,020

um so but Jose says to me he's kidding

748

00:32:32,090 --> 00:32:30,120

all the time he says Paula if I'd gone

749

00:32:34,070 --> 00:32:32,100

in there you probably wouldn't see me

750

00:32:36,710 --> 00:32:34,080

today I wouldn't be around to tell the

751

00:32:39,169 --> 00:32:36,720

story and I said oh say that would be a

752

00:32:42,710 --> 00:32:39,179

big shame because I I just love Jose's

753

00:32:44,149 --> 00:32:42,720

in his 80s he's got what he's got I

754

00:32:46,130 --> 00:32:44,159

can't believe it is a photographic

755

00:32:47,870 --> 00:32:46,140

memory he can remember the day you ask

756

00:32:52,250 --> 00:32:47,880

him if it's a tour it's a Thursday

757

00:32:54,830 --> 00:32:52,260

Tuesday I mean he he looks up and he

758

00:32:56,630 --> 00:32:54,840

remembers details that I could never and

759

00:32:57,830 --> 00:32:56,640

I don't even know what I was doing when

760

00:33:00,169 --> 00:32:57,840

I was nine

761

00:33:03,590 --> 00:33:00,179

he knows knows everything he knows who

762

00:33:06,470 --> 00:33:03,600

he spoke to he knows everything so we

763

00:33:09,169 --> 00:33:06,480

have in this book a photographic memory

764

00:33:10,669 --> 00:33:09,179

uh and then we have the other testimony

765

00:33:13,669 --> 00:33:10,679

of Remy

766

00:33:16,250 --> 00:33:13,679

now some classic cases over the years

767

00:33:17,210 --> 00:33:16,260

parts of the story have changed now and

768

00:33:19,669 --> 00:33:17,220

again

769

00:33:21,529 --> 00:33:19,679

um do you agree that with those that say

770

00:33:23,210 --> 00:33:21,539

this is no exception that there has been

771

00:33:26,029 --> 00:33:23,220

some details that have changed or not

772

00:33:28,909 --> 00:33:26,039

and I'll just give you a quick quote so

773

00:33:30,830 --> 00:33:28,919

on Grant Cameron 60 minutes after show

774

00:33:32,930 --> 00:33:30,840

panel this was sent in by one of the

775

00:33:35,149 --> 00:33:32,940

listeners uh Roswell researcher Don

776

00:33:37,909 --> 00:33:35,159

Schmidt claimed that he was approached

777

00:33:39,649 --> 00:33:37,919

by one of the witnesses 25 years ago and

778

00:33:42,470 --> 00:33:39,659

was given an entirely different account

779

00:33:44,870 --> 00:33:42,480

and he believes it's been changed now

780

00:33:46,370 --> 00:33:44,880

and he would want to know why do you

781

00:33:47,810 --> 00:33:46,380

agree with that or would you totally

782

00:33:50,570 --> 00:33:47,820

refute that

783

00:33:53,090 --> 00:33:50,580

I disagree because they were kids

784

00:33:55,130 --> 00:33:53,100

they're all children they they couldn't

785

00:33:56,750 --> 00:33:55,140

make it up if they tried I mean you know

786

00:33:58,430 --> 00:33:56,760

there was no frame of reference there's

787

00:34:02,149 --> 00:33:58,440

no TV there's no YouTube there's no

788

00:34:05,269 --> 00:34:02,159

nothing there's uh no nothing has

789

00:34:07,669 --> 00:34:05,279

changed uh they may I don't know I'm

790

00:34:09,829 --> 00:34:07,679

trying to remember the only thing I

791

00:34:10,730 --> 00:34:09,839

think Jose told me he picked up that

792

00:34:14,450 --> 00:34:10,740

would be

793

00:34:16,010 --> 00:34:14,460

saying it's late 90s one of the

794

00:34:19,909 --> 00:34:16,020

witnesses approached him so they would

795

00:34:22,129 --> 00:34:19,919

have been what 50s at that point

796

00:34:24,349 --> 00:34:22,139

um and had given them an account that

797

00:34:25,970 --> 00:34:24,359

was different to now I don't have any

798

00:34:28,310 --> 00:34:25,980

more details than that but that was what

799

00:34:30,649 --> 00:34:28,320

Dawn claimed on Grand Cameron's panel

800

00:34:32,869 --> 00:34:30,659

the kids never changed their story ever

801
00:34:35,149 --> 00:34:32,879
I mean things like because they told me

802
00:34:38,710 --> 00:34:35,159
he picked he picked up the uh the the

803
00:34:41,389 --> 00:34:38,720
piece of uh we call it foil and then

804
00:34:43,190 --> 00:34:41,399
Remy says he picked up the piece of foil

805
00:34:46,129 --> 00:34:43,200
but it's still a piece of foil it

806
00:34:48,349 --> 00:34:46,139
doesn't matter who picked it up he they

807
00:34:50,030 --> 00:34:48,359
picked up a piece of foil piece of foils

808
00:34:52,490 --> 00:34:50,040
picked up one says he picked it up the

809
00:34:55,490 --> 00:34:52,500
other one says he picked it up those are

810
00:34:57,530 --> 00:34:55,500
details that are ridiculous that may

811
00:35:00,290 --> 00:34:57,540
change but there was a piece of oil they

812
00:35:04,010 --> 00:35:00,300
picked up so we know that for sure in

813
00:35:06,370 --> 00:35:04,020

all the time and I have both of them on

814

00:35:11,150 --> 00:35:06,380

video from

815

00:35:13,970 --> 00:35:11,160

2000 and well let's see I did it 2013 on

816

00:35:16,970 --> 00:35:13,980

they I have video of them off and on

817

00:35:19,310 --> 00:35:16,980

nothing's changed but again I'm saying

818

00:35:21,349 --> 00:35:19,320

there's no case with kids

819

00:35:23,450 --> 00:35:21,359

what children with with nine-year-old

820

00:35:25,550 --> 00:35:23,460

that is very sophisticated and a

821

00:35:27,349 --> 00:35:25,560

six-year-old that is very sophisticated

822

00:35:29,089 --> 00:35:27,359

because in those days they had to take

823

00:35:31,849 --> 00:35:29,099

care of the ranch they were like the men

824

00:35:35,030 --> 00:35:31,859

of the family the men had gone to war

825

00:35:36,370 --> 00:35:35,040

there is no case like this it isn't like

826

00:35:40,609 --> 00:35:36,380

you know

827

00:35:43,130 --> 00:35:40,619

they lived it it was their reality so

828

00:35:45,589 --> 00:35:43,140

they can't change it because they lived

829

00:35:48,410 --> 00:35:45,599

it you know it's it's what they remember

830

00:35:50,089 --> 00:35:48,420

from and it's funny because when they're

831

00:35:53,450 --> 00:35:50,099

telling you that they're reliving it

832

00:35:56,150 --> 00:35:53,460

again uh they they certainly weren't

833

00:35:58,970 --> 00:35:56,160

making it up it was traumatic for them

834

00:36:02,210 --> 00:35:58,980

but the thing on a psychological level

835

00:36:05,630 --> 00:36:02,220

is they had nothing to compare it to

836

00:36:07,370 --> 00:36:05,640

there was nothing there was no you know

837

00:36:10,490 --> 00:36:07,380

Kenneth Arnold was two years later with

838

00:36:12,770 --> 00:36:10,500

flying saucers and uh Roswell was two

839

00:36:15,650 --> 00:36:12,780

years later and there's no magazines and

840

00:36:17,150 --> 00:36:15,660

there's no TV and they just thought it

841

00:36:18,829 --> 00:36:17,160

was a plane crash but it was not an

842

00:36:20,870 --> 00:36:18,839

airplane

843

00:36:23,150 --> 00:36:20,880

I think when it comes to Witnesses just

844

00:36:25,069 --> 00:36:23,160

my personal when it comes to those

845

00:36:26,750 --> 00:36:25,079

little details what I've always got to

846

00:36:28,910 --> 00:36:26,760

say is I've not spoken to any of these

847

00:36:31,010 --> 00:36:28,920

Witnesses for any cases so I don't know

848

00:36:33,349 --> 00:36:31,020

but if you look back at my my wedding

849

00:36:34,970 --> 00:36:33,359

was eight years ago and if you ask me to

850

00:36:37,190 --> 00:36:34,980

recall the day of the wedding I can

851
00:36:39,530 --> 00:36:37,200
remember bits and pieces if you ask my

852
00:36:41,510 --> 00:36:39,540
wife to recall the same wedding she will

853
00:36:43,849 --> 00:36:41,520
remember the same stuff but there might

854
00:36:46,310 --> 00:36:43,859
be little bits and pieces that I think I

855
00:36:48,290 --> 00:36:46,320
done or I remember I gave this cake to

856
00:36:50,210 --> 00:36:48,300
such and such and she would say no I've

857
00:36:51,829 --> 00:36:50,220
done that it's not that we're lying

858
00:36:53,510 --> 00:36:51,839
we're just remembering it slightly

859
00:36:55,550 --> 00:36:53,520
differently because as time passes

860
00:36:57,589 --> 00:36:55,560
that's what happens and that's not to

861
00:36:59,450 --> 00:36:57,599
justify in the past when people have

862
00:37:01,730 --> 00:36:59,460
lied about these things but it's very

863
00:37:04,910 --> 00:37:01,740

easily done and it can happen so that's

864

00:37:07,430 --> 00:37:04,920

why I'm I never poo poo a case based on

865

00:37:09,470 --> 00:37:07,440

a very small detail changing because I

866

00:37:12,470 --> 00:37:09,480

think if anything it's harder to keep

867

00:37:14,690 --> 00:37:12,480

our story straight with so many specific

868

00:37:16,790 --> 00:37:14,700

details it's natural that these things

869

00:37:18,470 --> 00:37:16,800

change very slightly so that's just food

870

00:37:21,530 --> 00:37:18,480

for thought for people yeah but let me

871

00:37:25,089 --> 00:37:21,540

tell you historically this is not a UFO

872

00:37:28,849 --> 00:37:25,099

book this is history book so uh because

873

00:37:30,530 --> 00:37:28,859

Remy at that time had diabetes uh I

874

00:37:32,990 --> 00:37:30,540

could not get film footage but who got

875

00:37:34,910 --> 00:37:33,000

film footage with Swiss television they

876

00:37:37,310 --> 00:37:34,920

went and flew to Gig Harbor High

877

00:37:41,089 --> 00:37:37,320

Definition television interview

878

00:37:45,170 --> 00:37:41,099

so I care that we have two

879

00:37:47,510 --> 00:37:45,180

versions so being you know Italian I

880

00:37:50,450 --> 00:37:47,520

went and spoke I spoke in Northern Italy

881

00:37:52,970 --> 00:37:50,460

and Turin and I got on a pla on a train

882

00:37:54,650 --> 00:37:52,980

in Milano and I went past like come over

883

00:37:57,410 --> 00:37:54,660

George Clooney lives and I went to

884

00:38:00,770 --> 00:37:57,420

Lugano I got the film footage I have it

885

00:38:03,530 --> 00:38:00,780

here anything that we do we have both

886

00:38:05,870 --> 00:38:03,540

Witnesses I cannot do a story with one

887

00:38:08,390 --> 00:38:05,880

witness but that's a lot of trouble for

888

00:38:10,190 --> 00:38:08,400

me and a lot of money out of my pocket

889

00:38:13,730 --> 00:38:10,200

to be able to go traveling to get the

890

00:38:17,150 --> 00:38:13,740

film footage of the original uh other

891

00:38:20,210 --> 00:38:17,160

person because we need both plus rummy

892

00:38:23,810 --> 00:38:20,220

wrote a book called a born at the edge

893

00:38:26,270 --> 00:38:23,820

uh uh uh born in ground zero on the edge

894

00:38:28,910 --> 00:38:26,280

of Area 51 or something that you can't

895

00:38:32,630 --> 00:38:28,920

get anymore so Jacques took that book

896

00:38:35,810 --> 00:38:32,640

his own memories of Remy's own memories

897

00:38:37,910 --> 00:38:35,820

his own words so there is it's like word

898

00:38:40,670 --> 00:38:37,920

for word what these kids said it's not

899

00:38:43,370 --> 00:38:40,680

our interpretation of any of it it's

900

00:38:46,670 --> 00:38:43,380

them it's their story

901
00:38:49,310 --> 00:38:46,680
uh framework around what was going on at

902
00:38:51,130 --> 00:38:49,320
the time I really care that people

903
00:38:53,750 --> 00:38:51,140
understand this is a history book

904
00:38:55,609 --> 00:38:53,760
something happened when the atomic bomb

905
00:38:59,030 --> 00:38:55,619
exploded

906
00:39:01,849 --> 00:38:59,040
it it affected the whole town

907
00:39:06,410 --> 00:39:01,859
but I I feel that it's more of a history

908
00:39:08,630 --> 00:39:06,420
book than a UFO book and because an

909
00:39:11,329 --> 00:39:08,640
incident happened that I think has

910
00:39:14,210 --> 00:39:11,339
extraordinary significance for Humanity

911
00:39:17,030 --> 00:39:14,220
and I care more about that than I do

912
00:39:19,190 --> 00:39:17,040
about like the metal but Jacques cares

913
00:39:22,190 --> 00:39:19,200

about all of it he cares about the metal

914

00:39:23,329 --> 00:39:22,200

too but I care about the statement that

915

00:39:25,310 --> 00:39:23,339

was made

916

00:39:26,750 --> 00:39:25,320

uh you mentioned the children and how

917

00:39:29,390 --> 00:39:26,760

unique that is that and there's an

918

00:39:31,430 --> 00:39:29,400

innocence to a child's recollection of

919

00:39:33,650 --> 00:39:31,440

an event because it tends to be very

920

00:39:36,470 --> 00:39:33,660

truthful and we've got like the aerial

921

00:39:37,849 --> 00:39:36,480

school for phenomena event that happened

922

00:39:40,310 --> 00:39:37,859

and that was documented in the

923

00:39:43,010 --> 00:39:40,320

phenomenon documentary what do you think

924

00:39:45,829 --> 00:39:43,020

the significances of these objects and

925

00:39:47,150 --> 00:39:45,839

beings like this appearing near or next

926
00:39:50,390 --> 00:39:47,160
to children

927
00:39:53,810 --> 00:39:50,400
that's an incredible a question Andy

928
00:39:56,930 --> 00:39:53,820
because every time I see the aerial plus

929
00:40:01,010 --> 00:39:56,940
the West doll and I have James Fox with

930
00:40:03,650 --> 00:40:01,020
that uh uh I I knew James ringnia put

931
00:40:06,589 --> 00:40:03,660
them together he did the Australian case

932
00:40:09,109 --> 00:40:06,599
because of me I I consulted so many

933
00:40:11,930 --> 00:40:09,119
films if you look at even Steven Greer's

934
00:40:14,450 --> 00:40:11,940
films I I do a lot of Consulting for me

935
00:40:15,530 --> 00:40:14,460
the most moving part of those movies are

936
00:40:18,589 --> 00:40:15,540
the kids

937
00:40:21,589 --> 00:40:18,599
I mean the end of uh uh the the the the

938
00:40:23,930 --> 00:40:21,599

aerial case and the phenomena oh my God

939

00:40:27,170 --> 00:40:23,940

I mean those children aren't making

940

00:40:28,130 --> 00:40:27,180

anything up they don't even know how to

941

00:40:29,930 --> 00:40:28,140

get

942

00:40:32,329 --> 00:40:29,940

they don't even know how to express what

943

00:40:34,430 --> 00:40:32,339

they saw poor kids I mean I'm watching

944

00:40:36,890 --> 00:40:34,440

them draw these things like it seems

945

00:40:38,810 --> 00:40:36,900

like they're very honest that's what

946

00:40:41,630 --> 00:40:38,820

they saw they they're gonna draw them

947

00:40:43,849 --> 00:40:41,640

exactly what they saw and this case

948

00:40:46,370 --> 00:40:43,859

their children too and their children

949

00:40:48,710 --> 00:40:46,380

they're going to draw exactly what it

950

00:40:51,470 --> 00:40:48,720

looked like to them even if they are in

951
00:40:55,150 --> 00:40:51,480
their 70s and 80s this is what they saw

952
00:40:58,010 --> 00:40:55,160
no what's that ability to retail

953
00:41:00,470 --> 00:40:58,020
accurately and truthfully we touched

954
00:41:03,050 --> 00:41:00,480
earlier on the potential that these

955
00:41:05,150 --> 00:41:03,060
incidents aren't crashes and that they

956
00:41:07,490 --> 00:41:05,160
may happen deliberately I would just

957
00:41:10,130 --> 00:41:07,500
like you Paula to quickly touch on what

958
00:41:12,170 --> 00:41:10,140
the gifting field is for people that may

959
00:41:14,870 --> 00:41:12,180
or may not have heard of that term

960
00:41:18,230 --> 00:41:14,880
I I don't know what that term is if you

961
00:41:20,450 --> 00:41:18,240
wanted to oh so the field the gift yes

962
00:41:22,370 --> 00:41:20,460
you're the gifting yeah sorry I think

963
00:41:23,450 --> 00:41:22,380

that was my bad Scottish accent yeah no

964

00:41:24,410 --> 00:41:23,460

gifting

965

00:41:26,870 --> 00:41:24,420

um

966

00:41:30,170 --> 00:41:26,880

you know I've been thinking about this a

967

00:41:32,510 --> 00:41:30,180

lot because then you know I sat down and

968

00:41:35,150 --> 00:41:32,520

I said

969

00:41:37,069 --> 00:41:35,160

you know these kids first of all the

970

00:41:39,109 --> 00:41:37,079

first time that story was told was told

971

00:41:41,510 --> 00:41:39,119

to Timothy good it's in Timothy Good's

972

00:41:44,270 --> 00:41:41,520

book and Jacques even mentioned the book

973

00:41:46,550 --> 00:41:44,280

it's in so Timothy good who I consider

974

00:41:49,010 --> 00:41:46,560

one of the best if not the best

975

00:41:51,770 --> 00:41:49,020

researcher on the planet because he does

976
00:41:53,690 --> 00:41:51,780
feel research he goes to the place went

977
00:41:56,930 --> 00:41:53,700
to Gig Harbor Washington and talked to

978
00:41:58,370 --> 00:41:56,940
Remy and it's in his book and he's also

979
00:42:01,130 --> 00:41:58,380
got metal

980
00:42:05,030 --> 00:42:01,140
um uh analysis in his book

981
00:42:08,329 --> 00:42:05,040
and then Ryan wood put it in his book a

982
00:42:10,430 --> 00:42:08,339
magic Eyes Only and then I get there

983
00:42:12,890 --> 00:42:10,440
and then Jack gets there

984
00:42:15,650 --> 00:42:12,900
and I'm thinking to myself do those

985
00:42:21,230 --> 00:42:15,660
beings know what we were gonna do

986
00:42:24,290 --> 00:42:21,240
did those beings know that whatever was

987
00:42:26,810 --> 00:42:24,300
you know that action back and if there

988
00:42:28,630 --> 00:42:26,820

was no time and space did could they

989

00:42:32,329 --> 00:42:28,640

have

990

00:42:34,430 --> 00:42:32,339

known that eventually this would come

991

00:42:35,270 --> 00:42:34,440

out and it would talk about the atomic

992

00:42:39,130 --> 00:42:35,280

bomb

993

00:42:40,930 --> 00:42:39,140

as being one of the

994

00:42:44,089 --> 00:42:40,940

changing

995

00:42:47,630 --> 00:42:44,099

historical events for this planet

996

00:42:50,630 --> 00:42:47,640

and that we ought to look at the damage

997

00:42:53,990 --> 00:42:50,640

that nuclear has done could they have

998

00:42:56,030 --> 00:42:54,000

known that we would do this

999

00:42:57,770 --> 00:42:56,040

that we would do this book because it's

1000

00:43:00,950 --> 00:42:57,780

going to make people think that's for

1001

00:43:03,650 --> 00:43:00,960

sure the idea that we are playing with

1002

00:43:07,069 --> 00:43:03,660

nuclear and playing kind of a chess game

1003

00:43:10,190 --> 00:43:07,079

that no one will win the only way we can

1004

00:43:12,349 --> 00:43:10,200

do these War Games is to checkmate

1005

00:43:13,550 --> 00:43:12,359

you know I got it you got it we

1006

00:43:15,470 --> 00:43:13,560

checkmate

1007

00:43:17,930 --> 00:43:15,480

we can't put the genie back in the

1008

00:43:22,609 --> 00:43:17,940

bottle we can't uninvent and the atomic

1009

00:43:24,589 --> 00:43:22,619

bomb was not as bad as the h-bomb which

1010

00:43:28,130 --> 00:43:24,599

you know when I told you I had those

1011

00:43:30,890 --> 00:43:28,140

problems uh with that story

1012

00:43:33,890 --> 00:43:30,900

and he was French there was 800 each

1013

00:43:36,109 --> 00:43:33,900

bomb tests done in the Pacific 800 and

1014

00:43:40,309 --> 00:43:36,119

we did more America did them in the

1015

00:43:41,870 --> 00:43:40,319

Atlantic this is insanity I'm not

1016

00:43:43,849 --> 00:43:41,880

surprised somebody's flying over the

1017

00:43:45,770 --> 00:43:43,859

h-bomb testing

1018

00:43:47,390 --> 00:43:45,780

because we're killing all the fish and

1019

00:43:49,910 --> 00:43:47,400

all the coral and all the oceans and all

1020

00:43:52,130 --> 00:43:49,920

this stuff I mean there's a message here

1021

00:43:54,650 --> 00:43:52,140

are you people insane

1022

00:43:56,390 --> 00:43:54,660

and and you can't put nuclear back in

1023

00:43:58,370 --> 00:43:56,400

the bottle I mean you can I mean once

1024

00:44:00,530 --> 00:43:58,380

it's out there and everybody will say

1025

00:44:02,990 --> 00:44:00,540

well we needed to do that to stop World

1026

00:44:06,230 --> 00:44:03,000

War II especially Jacques is brilliant

1027

00:44:07,670 --> 00:44:06,240

about talking about the uh Japanese the

1028

00:44:09,890 --> 00:44:07,680

Japan

1029

00:44:11,569 --> 00:44:09,900

um surrender and how we had to do that

1030

00:44:12,950 --> 00:44:11,579

with not because he's brilliant because

1031

00:44:14,990 --> 00:44:12,960

he read all the books and then I would

1032

00:44:16,970 --> 00:44:15,000

read them he'd say did you read children

1033

00:44:19,069 --> 00:44:16,980

of Trinity and I said no and I'd buy it

1034

00:44:20,990 --> 00:44:19,079

and they say did you read this and and

1035

00:44:23,870 --> 00:44:21,000

I'd say no and he got all the details

1036

00:44:26,329 --> 00:44:23,880

and I'd buy the book so that's one I

1037

00:44:28,430 --> 00:44:26,339

want to tell your your viewers this for

1038

00:44:30,950 --> 00:44:28,440

me Isn't a UFO book this is like what

1039

00:44:33,530 --> 00:44:30,960

the heck are we doing on this planet

1040

00:44:36,170 --> 00:44:33,540

and uh what are we doing and it can't

1041

00:44:38,630 --> 00:44:36,180

get any better uh because you know the

1042

00:44:41,930 --> 00:44:38,640

weapons are more sophisticated and

1043

00:44:45,470 --> 00:44:41,940

they're worse and so whatever was

1044

00:44:49,430 --> 00:44:45,480

watching back then is it watching now

1045

00:44:50,809 --> 00:44:49,440

I mean is it watching the insanity now I

1046

00:44:53,870 --> 00:44:50,819

mean

1047

00:44:56,270 --> 00:44:53,880

you know those beings they they actually

1048

00:44:58,910 --> 00:44:56,280

communicated mentally with the kids in

1049

00:45:01,790 --> 00:44:58,920

that they

1050

00:45:04,190 --> 00:45:01,800

you know looked at them for at least an

1051

00:45:06,109 --> 00:45:04,200

hour I mean it isn't like the the

1052

00:45:09,470 --> 00:45:06,119

glimpsed at them they were communicating

1053

00:45:11,569 --> 00:45:09,480

and then those kids consequently come to

1054

00:45:13,010 --> 00:45:11,579

us and we do the story

1055

00:45:14,930 --> 00:45:13,020

I think you've answered what was going

1056

00:45:16,490 --> 00:45:14,940

to be my next question is what do you

1057

00:45:18,770 --> 00:45:16,500

want people to take away from the book

1058

00:45:21,470 --> 00:45:18,780

but what I'd like to ask is what place

1059

00:45:24,770 --> 00:45:21,480

does this event the Trinity event have

1060

00:45:26,690 --> 00:45:24,780

for you now within the UFO lower or

1061

00:45:29,450 --> 00:45:26,700

history as you say

1062

00:45:31,670 --> 00:45:29,460

well it's probably the most complete

1063

00:45:34,670 --> 00:45:31,680

story I've ever done nine years is a

1064

00:45:38,329 --> 00:45:34,680

long time and if Jacques and I if Jack

1065

00:45:40,490 --> 00:45:38,339

hadn't come on board and we had talked

1066

00:45:42,410 --> 00:45:40,500

about it and I really want to encourage

1067

00:45:44,569 --> 00:45:42,420

people to work together

1068

00:45:46,609 --> 00:45:44,579

I mean it would have been nice to follow

1069

00:45:48,530 --> 00:45:46,619

the Roswell researchers will work

1070

00:45:50,630 --> 00:45:48,540

together at a table and put together the

1071

00:45:52,190 --> 00:45:50,640

Mosaic and everybody all the researchers

1072

00:45:54,349 --> 00:45:52,200

will work together

1073

00:45:56,569 --> 00:45:54,359

it wasn't until he came along that I

1074

00:45:59,329 --> 00:45:56,579

even saw what was going on because he

1075

00:46:01,910 --> 00:45:59,339

had the framework he had the framework I

1076

00:46:04,309 --> 00:46:01,920

had the details he had the framework he

1077

00:46:08,390 --> 00:46:04,319

said you you have the the colors and I

1078

00:46:10,309 --> 00:46:08,400

have the canvas and we did it and the if

1079

00:46:12,230 --> 00:46:10,319

I hadn't kept going if we hadn't kept

1080

00:46:14,210 --> 00:46:12,240

going uh

1081

00:46:16,430 --> 00:46:14,220

four months ago I would have never found

1082

00:46:18,470 --> 00:46:16,440

the third witness and it happened by

1083

00:46:22,010 --> 00:46:18,480

accident we were sitting Jacques and I

1084

00:46:24,290 --> 00:46:22,020

were outside sitting at Jose's he has

1085

00:46:26,270 --> 00:46:24,300

like a mobile home and Jose was talking

1086

00:46:28,010 --> 00:46:26,280

about the old days he's got a

1087

00:46:30,530 --> 00:46:28,020

photographic memory he knows everybody

1088

00:46:32,750 --> 00:46:30,540

else name who died and who had five kids

1089

00:46:35,329 --> 00:46:32,760

and all this we're listening to all of

1090

00:46:37,309 --> 00:46:35,339

this and then all at once he says well

1091

00:46:40,250 --> 00:46:37,319

my niece was with my father living with

1092

00:46:41,750 --> 00:46:40,260

my father and mother and she saw the

1093

00:46:45,290 --> 00:46:41,760

fiber optics

1094

00:46:47,750 --> 00:46:45,300

and I said what and where's your niece

1095

00:46:49,550 --> 00:46:47,760

and he said Los Angeles and Jack and I

1096

00:46:51,349 --> 00:46:49,560

looked at each other and we said is she

1097

00:46:53,569 --> 00:46:51,359

still alive and he said yes

1098

00:46:58,130 --> 00:46:53,579

so we flew to Los Angeles to question

1099

00:47:00,230 --> 00:46:58,140

her and she had a story that that even

1100

00:47:03,950 --> 00:47:00,240

Jose didn't know about

1101
00:47:06,349 --> 00:47:03,960
she I mean she was in the house so we

1102
00:47:07,790 --> 00:47:06,359
found out that at seven years old the

1103
00:47:11,089 --> 00:47:07,800
father went back out there and got other

1104
00:47:13,790 --> 00:47:11,099
stuff that Jose didn't know he had done

1105
00:47:15,170 --> 00:47:13,800
so we're going oh my God if we hadn't

1106
00:47:18,290 --> 00:47:15,180
like

1107
00:47:20,690 --> 00:47:18,300
kept going on this story we would have

1108
00:47:22,809 --> 00:47:20,700
never found the third witness so

1109
00:47:25,849 --> 00:47:22,819
research is not one and a half years

1110
00:47:27,770 --> 00:47:25,859
we're a nine year mark here the nine

1111
00:47:30,290 --> 00:47:27,780
year and then Jack keeps saying I said

1112
00:47:33,550 --> 00:47:30,300
well what's over we've written the book

1113
00:47:36,170 --> 00:47:33,560

everything's he goes no no it's not over

1114

00:47:39,650 --> 00:47:36,180

we we don't know what's going to come

1115

00:47:42,290 --> 00:47:39,660

out of the woodwork so research real

1116

00:47:44,329 --> 00:47:42,300

field research not gossip but when

1117

00:47:47,210 --> 00:47:44,339

you're getting here you have to worry

1118

00:47:48,650 --> 00:47:47,220

about snakes we even dug we I mean I

1119

00:47:51,950 --> 00:47:48,660

know can't even tell you how many snakes

1120

00:47:55,130 --> 00:47:51,960

I I mean the whole New Mexico I've been

1121

00:47:57,589 --> 00:47:55,140

to Ground Zero twice it's only open once

1122

00:48:00,470 --> 00:47:57,599

a year and I've been you know I went in

1123

00:48:02,690 --> 00:48:00,480

there there's a a black monolith where

1124

00:48:05,809 --> 00:48:02,700

they exploded the bomb and when I went

1125

00:48:08,630 --> 00:48:05,819

in there for the first time the the sand

1126
00:48:12,230 --> 00:48:08,640
was all green because a green glass

1127
00:48:16,309 --> 00:48:12,240
because it had fused with the power of

1128
00:48:17,510 --> 00:48:16,319
that radiation it became fused it looked

1129
00:48:19,910 --> 00:48:17,520
like

1130
00:48:22,130 --> 00:48:19,920
um emeralds all over the ground the

1131
00:48:23,809 --> 00:48:22,140
second time when I went with Jacques it

1132
00:48:27,410 --> 00:48:23,819
was there wasn't that much of it there

1133
00:48:30,530 --> 00:48:27,420
but you live you live the life of the uh

1134
00:48:33,410 --> 00:48:30,540
Atomic Testing there you'll you can see

1135
00:48:35,329 --> 00:48:33,420
Oppenheimer you can see those scientists

1136
00:48:37,550 --> 00:48:35,339
trying to figure out what's going on you

1137
00:48:39,290 --> 00:48:37,560
can see the the McDonald I think it was

1138
00:48:41,270 --> 00:48:39,300

called the McDonald farm that they put

1139

00:48:43,910 --> 00:48:41,280

there to see how it would blow you can

1140

00:48:45,829 --> 00:48:43,920

feel it in fact at a certain point the

1141

00:48:50,270 --> 00:48:45,839

dust was so heavy and I didn't feel well

1142

00:48:52,670 --> 00:48:50,280

I had to ask to leave but again Andy the

1143

00:48:56,030 --> 00:48:52,680

thing about this book you asked me about

1144

00:48:59,589 --> 00:48:56,040

is I lived this case

1145

00:49:03,829 --> 00:48:59,599

and this case changed the world

1146

00:49:05,750 --> 00:49:03,839

it showed us that somebody is interested

1147

00:49:07,849 --> 00:49:05,760

and I'm not going to say who it is I

1148

00:49:10,849 --> 00:49:07,859

don't know what the story is with ETS or

1149

00:49:14,809 --> 00:49:10,859

anything but somebody was watching so if

1150

00:49:16,970 --> 00:49:14,819

somebody's watching here in 1945 I'm

1151

00:49:18,890 --> 00:49:16,980

convinced somebody's watching

1152

00:49:20,690 --> 00:49:18,900

everywhere

1153

00:49:22,010 --> 00:49:20,700

well listen that probably moves us on

1154

00:49:24,290 --> 00:49:22,020

nicely just before listening our

1155

00:49:26,750 --> 00:49:24,300

questions for me to ask the books came

1156

00:49:28,550 --> 00:49:26,760

out an incredibly opportune time one

1157

00:49:30,829 --> 00:49:28,560

that I doubt you could have predicted

1158

00:49:33,170 --> 00:49:30,839

unless yourself or Jacques had some

1159

00:49:35,089 --> 00:49:33,180

foresight just in the last week or two

1160

00:49:37,849 --> 00:49:35,099

we've had a lot of mainstream media

1161

00:49:40,609 --> 00:49:37,859

coverage of the subject the topic Louise

1162

00:49:43,069 --> 00:49:40,619

Elizondo Chris melon um Alex Dietrich

1163

00:49:46,490 --> 00:49:43,079

David fravor Ryan Graves have been on 60

1164

00:49:48,230 --> 00:49:46,500

Minutes CBS News uh various different

1165

00:49:50,990 --> 00:49:48,240

shows around the world

1166

00:49:54,050 --> 00:49:51,000

how do you feel the book coming out now

1167

00:49:55,730 --> 00:49:54,060

fets in with with what's going on do you

1168

00:49:57,530 --> 00:49:55,740

feel it accompanies and it's coming out

1169

00:49:59,510 --> 00:49:57,540

at a good time or do you feel this has

1170

00:50:01,790 --> 00:49:59,520

its separate place

1171

00:50:04,670 --> 00:50:01,800

well I'd like to deviate from that

1172

00:50:06,950 --> 00:50:04,680

question about I don't understand why

1173

00:50:09,290 --> 00:50:06,960

sightings whether they be next to an

1174

00:50:11,690 --> 00:50:09,300

aircraft carrier or anything

1175

00:50:13,190 --> 00:50:11,700

well we know this is real I don't think

1176

00:50:15,470 --> 00:50:13,200

disclosure needs to come out of any

1177

00:50:16,970 --> 00:50:15,480

government agency

1178

00:50:18,710 --> 00:50:16,980

um especially if you've been in the

1179

00:50:21,109 --> 00:50:18,720

field like 40 years like I have I've

1180

00:50:22,790 --> 00:50:21,119

covered so many stories you name it I've

1181

00:50:25,609 --> 00:50:22,800

been all over the map in Latin America

1182

00:50:26,450 --> 00:50:25,619

for me is the most fertile ground

1183

00:50:28,970 --> 00:50:26,460

um

1184

00:50:31,609 --> 00:50:28,980

60 years ago we had Kenneth Arnold

1185

00:50:33,710 --> 00:50:31,619

seeing you know craft over Mount Rainier

1186

00:50:35,450 --> 00:50:33,720

and everybody took him seriously because

1187

00:50:37,490 --> 00:50:35,460

he was a pilot and the whole world went

1188

00:50:40,250 --> 00:50:37,500

crazy I don't see the difference between

1189

00:50:42,770 --> 00:50:40,260

60 years ago no

1190

00:50:45,410 --> 00:50:42,780

so if he sees craft and we think he's

1191

00:50:48,049 --> 00:50:45,420

and we and he is he's credible because

1192

00:50:51,049 --> 00:50:48,059

he's a pilot and then the whole world is

1193

00:50:53,329 --> 00:50:51,059

you know front page their UFOs are real

1194

00:50:56,569 --> 00:50:53,339

over Mount Rainier what's the difference

1195

00:50:57,910 --> 00:50:56,579

between that and you know the only

1196

00:51:01,370 --> 00:50:57,920

difference is that the New York Times

1197

00:51:03,650 --> 00:51:01,380

covers it now and mainstream media will

1198

00:51:04,670 --> 00:51:03,660

cover it but we're still at the sighting

1199

00:51:06,829 --> 00:51:04,680

stage

1200

00:51:09,230 --> 00:51:06,839

we're still at we don't know where it is

1201

00:51:12,230 --> 00:51:09,240

why they're there you know

1202

00:51:14,089 --> 00:51:12,240

so far nobody's bombed anybody but again

1203

00:51:16,670 --> 00:51:14,099

I'm going to present a question to your

1204

00:51:19,190 --> 00:51:16,680

audience Somebody's Watching what are

1205

00:51:20,569 --> 00:51:19,200

they watching nobody's bummed anybody I

1206

00:51:22,490 --> 00:51:20,579

mean are you kidding if they were going

1207

00:51:24,670 --> 00:51:22,500

to kill us they should have done it back

1208

00:51:28,849 --> 00:51:24,680

in ground zero

1209

00:51:30,770 --> 00:51:28,859

150 mile radius of radiation 70 000

1210

00:51:33,710 --> 00:51:30,780

people were affected

1211

00:51:35,990 --> 00:51:33,720

you know if if they thought we were

1212

00:51:37,670 --> 00:51:36,000

insane it could have happened back then

1213

00:51:40,790 --> 00:51:37,680

why in the world would it happen now I

1214

00:51:43,309 --> 00:51:40,800

mean what's the difference 60 70 years

1215

00:51:45,890 --> 00:51:43,319

have passed I don't think this is a

1216

00:51:48,650 --> 00:51:45,900

national threat but you have to look at

1217

00:51:51,589 --> 00:51:48,660

the agenda it's still sightings

1218

00:51:54,410 --> 00:51:51,599

it's still yeah and I and I predict I'm

1219

00:51:57,170 --> 00:51:54,420

gonna go on your show predict that the

1220

00:51:59,630 --> 00:51:57,180

conflict between Israel and Palestine

1221

00:52:02,569 --> 00:51:59,640

there's going to be sightings

1222

00:52:05,450 --> 00:52:02,579

and during Vietnam that's when Clifford

1223

00:52:07,670 --> 00:52:05,460

Stone said they had the most activity

1224

00:52:08,990 --> 00:52:07,680

three of his retrieval cases were in

1225

00:52:13,930 --> 00:52:09,000

Vietnam

1226
00:52:19,069 --> 00:52:17,390
New Mexico they decided to go and see

1227
00:52:21,230 --> 00:52:19,079
this planet we're going to New Mexico

1228
00:52:24,710 --> 00:52:21,240
we're going to Vietnam we're going to

1229
00:52:27,170 --> 00:52:24,720
Russia we're going you know it's just

1230
00:52:31,970 --> 00:52:27,180
logic it's logic whatever is happening

1231
00:52:35,450 --> 00:52:31,980
is happening to get our attention and I

1232
00:52:37,790 --> 00:52:35,460
don't necessarily feel like that's a

1233
00:52:40,670 --> 00:52:37,800
huge story when disclosure doesn't

1234
00:52:44,390 --> 00:52:40,680
necessarily come out that way it comes

1235
00:52:47,089 --> 00:52:44,400
out from meticulous research reading

1236
00:52:50,450 --> 00:52:47,099
some books not all YouTube but reading

1237
00:52:51,890 --> 00:52:50,460
some books looking at the scenario and

1238
00:52:54,410 --> 00:52:51,900

I'm going to finish by saying put

1239

00:52:56,690 --> 00:52:54,420

together the puzzle the Mosaic there is

1240

00:53:00,170 --> 00:52:56,700

a mosaic here and it is not an American

1241

00:53:03,309 --> 00:53:00,180

Mosaic it's a universal Mosaic because

1242

00:53:05,450 --> 00:53:03,319

even Russia has had some incidents

1243

00:53:07,609 --> 00:53:05,460

potentially it's a multi-universal

1244

00:53:10,010 --> 00:53:07,619

mosaic yeah but what I would ask then

1245

00:53:11,990 --> 00:53:10,020

because one thing one thing that and I

1246

00:53:14,450 --> 00:53:12,000

agree that throughout different periods

1247

00:53:16,970 --> 00:53:14,460

of history and I'm 35 so I've only seen

1248

00:53:18,530 --> 00:53:16,980

so much of it and I'm I'm far newer and

1249

00:53:21,109 --> 00:53:18,540

what I do in this topic than your people

1250

00:53:22,790 --> 00:53:21,119

like yourself and Jack but one thing

1251
00:53:24,410 --> 00:53:22,800
that is happening in the background just

1252
00:53:26,690 --> 00:53:24,420
now that hasn't been happening in the

1253
00:53:28,970 --> 00:53:26,700
past is we've got the Senate task force

1254
00:53:30,770 --> 00:53:28,980
report potentially about to come out do

1255
00:53:32,569 --> 00:53:30,780
you feel that's going to move anything

1256
00:53:33,710 --> 00:53:32,579
forward at all in terms of the

1257
00:53:35,750 --> 00:53:33,720
conversation

1258
00:53:37,549 --> 00:53:35,760
well for who we're having the

1259
00:53:39,410 --> 00:53:37,559
conversation anyway you and me are

1260
00:53:41,329 --> 00:53:39,420
having a conversation everybody's having

1261
00:53:42,890 --> 00:53:41,339
a conversation my kids are having a

1262
00:53:46,069 --> 00:53:42,900
conversation New York Times having a

1263
00:53:47,750 --> 00:53:46,079

conversation if there's a task force

1264

00:53:50,210 --> 00:53:47,760

what I'm most worried about is the

1265

00:53:53,270 --> 00:53:50,220

agenda I mean why so that we can get

1266

00:53:55,190 --> 00:53:53,280

Appropriations for some kind of exotic

1267

00:53:57,829 --> 00:53:55,200

weapons to shoot at them

1268

00:54:00,410 --> 00:53:57,839

what is the agenda here it isn't to tell

1269

00:54:01,910 --> 00:54:00,420

the people I don't think it isn't like

1270

00:54:04,809 --> 00:54:01,920

okay we're going to tell the truth

1271

00:54:08,390 --> 00:54:04,819

finally all these years

1272

00:54:11,410 --> 00:54:08,400

we've not told the truth so we have a

1273

00:54:14,809 --> 00:54:11,420

guilty conscience no there is an agenda

1274

00:54:19,030 --> 00:54:14,819

when people please get a clue nobody

1275

00:54:21,890 --> 00:54:19,040

does anything without an agenda I mean

1276

00:54:25,549 --> 00:54:21,900

and if the agenda

1277

00:54:27,170 --> 00:54:25,559

is one where it becomes a national

1278

00:54:30,770 --> 00:54:27,180

threat

1279

00:54:32,510 --> 00:54:30,780

so that we can get Appropriations

1280

00:54:34,849 --> 00:54:32,520

you know that's what we did with our

1281

00:54:37,010 --> 00:54:34,859

Wars you know I I just talked to Carol

1282

00:54:39,589 --> 00:54:37,020

rosin who said Verna Von Braun said this

1283

00:54:41,569 --> 00:54:39,599

is the last card well it'd be stupid

1284

00:54:42,770 --> 00:54:41,579

because these beings have been around

1285

00:54:45,410 --> 00:54:42,780

forever and they haven't done anything

1286

00:54:46,309 --> 00:54:45,420

so what 2021 they're going to do

1287

00:54:50,150 --> 00:54:46,319

something

1288

00:54:50,990 --> 00:54:50,160

you know it's we need to use our brains

1289

00:54:58,370 --> 00:54:51,000

here

1290

00:55:00,410 --> 00:54:58,380

not aware of what it is but I'm

1291

00:55:01,970 --> 00:55:00,420

certainly not thinking this is any kind

1292

00:55:04,309 --> 00:55:01,980

of disclosure

1293

00:55:06,410 --> 00:55:04,319

like what they just decide they're going

1294

00:55:08,569 --> 00:55:06,420

to tell the truth I mean we already know

1295

00:55:11,450 --> 00:55:08,579

we talk to everybody I've talked to

1296

00:55:12,410 --> 00:55:11,460

Colonel Corso was my main

1297

00:55:14,390 --> 00:55:12,420

um

1298

00:55:15,829 --> 00:55:14,400

probably the big story I ever did

1299

00:55:17,270 --> 00:55:15,839

because I brought Colonel courts to

1300

00:55:19,670 --> 00:55:17,280

Italy because he couldn't speak here

1301

00:55:21,770 --> 00:55:19,680

there was a lawsuit against his book

1302

00:55:24,410 --> 00:55:21,780

so spending a lot of time with Colonel

1303

00:55:26,750 --> 00:55:24,420

Phil of course I realized and he was you

1304

00:55:28,970 --> 00:55:26,760

know Pentagon research and development

1305

00:55:32,170 --> 00:55:28,980

that the real secret was being secret

1306

00:55:34,910 --> 00:55:32,180

because of the the the the technology

1307

00:55:38,210 --> 00:55:34,920

nobody cares about the CR the creatures

1308

00:55:40,549 --> 00:55:38,220

the inside he was in there or why

1309

00:55:44,270 --> 00:55:40,559

they're here the technology the

1310

00:55:46,670 --> 00:55:44,280

technology is the secret so if Colonel

1311

00:55:49,490 --> 00:55:46,680

course is telling the truth in 1998 what

1312

00:55:52,490 --> 00:55:49,500

are we doing in 2021 thinking it's real

1313

00:55:53,990 --> 00:55:52,500

he told the truth and and the day after

1314

00:55:56,930 --> 00:55:54,000

Roswell

1315

00:55:58,910 --> 00:55:56,940

um you know I've dealt with the former

1316

00:56:00,950 --> 00:55:58,920

Defense Minister of Canada who who

1317

00:56:04,549 --> 00:56:00,960

called about Corso's book at Clifford

1318

00:56:05,870 --> 00:56:04,559

Stone I mean so many uh Dr Edgar

1319

00:56:07,690 --> 00:56:05,880

Mitchell the astronaut was my good

1320

00:56:10,670 --> 00:56:07,700

friend we we had a long conversations

1321

00:56:12,470 --> 00:56:10,680

for Me Disclosure is for him talking

1322

00:56:14,690 --> 00:56:12,480

about this what about Gordon Cooper

1323

00:56:17,030 --> 00:56:14,700

that's disclosure

1324

00:56:19,010 --> 00:56:17,040

Gordon Cooper said he saw a landing

1325

00:56:20,329 --> 00:56:19,020

during a test well you mean the only

1326

00:56:23,690 --> 00:56:20,339

kind of disclosure we think is

1327

00:56:24,890 --> 00:56:23,700

disclosure is is one we see gun camera

1328

00:56:27,650 --> 00:56:24,900

footage

1329

00:56:30,530 --> 00:56:27,660

you know people that have been following

1330

00:56:32,569 --> 00:56:30,540

this know that we have had some brave

1331

00:56:34,790 --> 00:56:32,579

people tell the truth I don't think

1332

00:56:37,730 --> 00:56:34,800

they're going to make a statement now

1333

00:56:39,770 --> 00:56:37,740

they can you can get some reports and

1334

00:56:43,370 --> 00:56:39,780

you get a batch of reports saying you

1335

00:56:47,210 --> 00:56:43,380

know we've had these vehicles around us

1336

00:56:50,030 --> 00:56:47,220

yeah forever yet but again

1337

00:56:51,530 --> 00:56:50,040

I just uh painted you a scenario of

1338

00:56:55,730 --> 00:56:51,540

who's watching

1339

00:56:57,650 --> 00:56:55,740

they're not on vacation

1340

00:56:59,210 --> 00:56:57,660

there's a lot I could go into and talk

1341

00:57:01,130 --> 00:56:59,220

about but that would be selfish because

1342

00:57:03,770 --> 00:57:01,140

I have a ton of listener questions here

1343

00:57:05,329 --> 00:57:03,780

and I know we're short on time so if we

1344

00:57:07,069 --> 00:57:05,339

could get through as many as with your

1345

00:57:09,049 --> 00:57:07,079

answers being as quick as possible that

1346

00:57:10,069 --> 00:57:09,059

would be great for the listeners Paula

1347

00:57:12,470 --> 00:57:10,079

um a lot of really good stuff there

1348

00:57:15,710 --> 00:57:12,480

though thank you uh first question was

1349

00:57:17,809 --> 00:57:15,720

from Tyler he asks uh Paula yourself and

1350

00:57:20,030 --> 00:57:17,819

Jack had purchased a piece of metal from

1351

00:57:22,010 --> 00:57:20,040

the craft from another person how did

1352

00:57:24,170 --> 00:57:22,020

that person obtain the metal and how did

1353

00:57:25,730 --> 00:57:24,180

you verify that the piece of metal was

1354

00:57:26,450 --> 00:57:25,740

the same piece the kids took from The

1355

00:57:29,089 --> 00:57:26,460

Craft

1356

00:57:30,470 --> 00:57:29,099

we never purchased anything nobody sold

1357

00:57:32,270 --> 00:57:30,480

anything

1358

00:57:33,890 --> 00:57:32,280

first of all you got to get off of that

1359

00:57:36,829 --> 00:57:33,900

I mean there's a lot of you know

1360

00:57:39,470 --> 00:57:36,839

misinformation when Remy was alive he

1361

00:57:41,510 --> 00:57:39,480

wanted to sell it he never sold it he

1362

00:57:45,829 --> 00:57:41,520

hung on to it and then Jose got it and

1363

00:57:48,829 --> 00:57:45,839

Jose gifted it to me he gifted it I put

1364

00:57:51,650 --> 00:57:48,839

it in my safe deposit box for two years

1365

00:57:54,170 --> 00:57:51,660

uh this is not about making money I I

1366

00:57:55,609 --> 00:57:54,180

didn't know so there was no cash yeah no

1367

00:57:57,410 --> 00:57:55,619

I didn't know what to do with that I

1368

00:57:59,569 --> 00:57:57,420

thought oh that's there what am I gonna

1369

00:58:01,490 --> 00:57:59,579

do I don't know what to do with it and

1370

00:58:05,690 --> 00:58:01,500

then Jacques came along and he said I

1371

00:58:08,510 --> 00:58:05,700

have I have a lab I have some labs

1372

00:58:10,630 --> 00:58:08,520

uh that'll and we had cut a piece off

1373

00:58:14,210 --> 00:58:10,640

and given it to Jaime al-san in Mexico

1374

00:58:16,010 --> 00:58:14,220

so he had had it and James rigney took

1375

00:58:18,349 --> 00:58:16,020

it back to Australia to cut some pieces

1376

00:58:21,170 --> 00:58:18,359

off nobody we didn't buy anything from

1377

00:58:23,870 --> 00:58:21,180

anybody it so where is it now at a

1378

00:58:26,630 --> 00:58:23,880

university it will be seen by the

1379

00:58:29,890 --> 00:58:26,640

general public in 10 years after we're

1380

00:58:32,630 --> 00:58:29,900

gone and it is gifted to a university

1381

00:58:34,790 --> 00:58:32,640

nobody's buying this stuff this is for

1382

00:58:37,789 --> 00:58:34,800

them this is for the people the whole

1383

00:58:43,690 --> 00:58:37,799

story is not ours it's the people's

1384

00:58:49,430 --> 00:58:46,789

because they hit it they hit it I mean

1385

00:58:51,650 --> 00:58:49,440

they hit it I mean

1386

00:58:53,569 --> 00:58:51,660

when I talked to Sabrina she told me

1387

00:58:55,970 --> 00:58:53,579

where they had it she watched them hide

1388

00:58:58,130 --> 00:58:55,980

it and she goes they went behind the

1389

00:59:00,589 --> 00:58:58,140

bunk house and they made this hole and

1390

00:59:02,809 --> 00:59:00,599

they hit it and I knew this is a third

1391

00:59:05,630 --> 00:59:02,819

winner she said I was watching them and

1392

00:59:08,329 --> 00:59:05,640

they hit it and they hit it but they

1393

00:59:09,109 --> 00:59:08,339

didn't talk about it because they took

1394

00:59:10,849 --> 00:59:09,119

it

1395

00:59:14,990 --> 00:59:10,859

you're not supposed to take anything

1396

00:59:18,349 --> 00:59:15,000

from the inside of a craft you know that

1397

00:59:20,750 --> 00:59:18,359

that's going oh my God you know we still

1398

00:59:23,329 --> 00:59:20,760

they didn't steal it they just took it

1399

00:59:25,549 --> 00:59:23,339

okay they took it

1400

00:59:27,410 --> 00:59:25,559

so the next question from Craig and I

1401

00:59:29,870 --> 00:59:27,420

feel this is a a question that's really

1402

00:59:31,910 --> 00:59:29,880

pertinent for yourself as well how did

1403

00:59:34,430 --> 00:59:31,920

you feel about the community response

1404

00:59:36,950 --> 00:59:34,440

when the book was being announced a few

1405

00:59:38,930 --> 00:59:36,960

weeks ago and a lot of the the comments

1406

00:59:40,670 --> 00:59:38,940

Paula were aimed at yourself because

1407

00:59:44,210 --> 00:59:40,680

your name suddenly became attached to

1408

00:59:46,910 --> 00:59:44,220

that did you feel any attack from when

1409

00:59:49,250 --> 00:59:46,920

things seem to change for people

1410

00:59:51,650 --> 00:59:49,260

that's this a personal question I've

1411

00:59:55,069 --> 00:59:51,660

been attacked uh and I'm kind of hurt

1412

00:59:57,710 --> 00:59:55,079

because I've been working for 40 years

1413

01:00:01,910 --> 00:59:57,720

with the top level people I've written

1414

01:00:04,910 --> 01:00:01,920

five books all witness testimony

1415

01:00:06,589 --> 01:00:04,920

um and done a good job I don't know

1416

01:00:10,069 --> 01:00:06,599

what's going on so I can't give you any

1417

01:00:12,829 --> 01:00:10,079

hypothesis but I did my job and what

1418

01:00:15,829 --> 01:00:12,839

came out was you know that I needed jog

1419

01:00:19,010 --> 01:00:15,839

valet to verify my work and that you

1420

01:00:20,809 --> 01:00:19,020

know that I you know that I need all

1421

01:00:24,049 --> 01:00:20,819

these things that I was a piece of a

1422

01:00:26,150 --> 01:00:24,059

windmill that I was peddling a story and

1423

01:00:28,190 --> 01:00:26,160

these are all jealous

1424

01:00:30,890 --> 01:00:28,200

cruel people

1425

01:00:32,690 --> 01:00:30,900

that are out there and unfortunately I

1426

01:00:37,250 --> 01:00:32,700

brought a lot of them to the crash site

1427

01:00:40,670 --> 01:00:37,260

before a magic and people you know are

1428

01:00:43,370 --> 01:00:40,680

not nice I find the UFO Community is not

1429

01:00:45,890 --> 01:00:43,380

nice they're not nice Jacques didn't

1430

01:00:49,789 --> 01:00:45,900

want to say anything until we got the

1431

01:00:53,089 --> 01:00:49,799

cover the real cover and he was no he

1432

01:00:54,950 --> 01:00:53,099

was nervous that if we put that out

1433

01:00:57,230 --> 01:00:54,960

there that everybody rushed there

1434

01:00:59,569 --> 01:00:57,240

without even reading the book because

1435

01:01:02,210 --> 01:00:59,579

the cover has a map on it

1436

01:01:03,710 --> 01:01:02,220

so I agreed with him that he would put

1437

01:01:06,410 --> 01:01:03,720

his his

1438

01:01:09,170 --> 01:01:06,420

but I was always involved I was always

1439

01:01:11,030 --> 01:01:09,180

involved from gray one from day one he

1440

01:01:14,329 --> 01:01:11,040

just did The Joe Rogan show with that

1441

01:01:16,250 --> 01:01:14,339

but afterwards you know he he told the

1442

01:01:19,370 --> 01:01:16,260

world that it was both of our stories

1443

01:01:20,690 --> 01:01:19,380

what I didn't like is that people who

1444

01:01:22,730 --> 01:01:20,700

are ignorant

1445

01:01:25,309 --> 01:01:22,740

actually Jacques delay came to me he

1446

01:01:27,230 --> 01:01:25,319

wrote to me I didn't I didn't I started

1447

01:01:30,349 --> 01:01:27,240

working with Alan heinig for six years

1448

01:01:32,690 --> 01:01:30,359

and after he died I saw uh you know

1449

01:01:34,970 --> 01:01:32,700

because I really suffered I suffered

1450

01:01:38,030 --> 01:01:34,980

When Alan heineck died I had never met

1451

01:01:41,270 --> 01:01:38,040

Jacqueline in my later years I never met

1452

01:01:42,829 --> 01:01:41,280

him I didn't even look for him uh out of

1453

01:01:44,329 --> 01:01:42,839

the Clear Blue Sky he writes about the

1454

01:01:46,670 --> 01:01:44,339

metal he wants to know about the metal

1455

01:01:49,190 --> 01:01:46,680

so that's how I connected with Jacques

1456

01:01:50,630 --> 01:01:49,200

ballet he wrote to me uh he didn't even

1457

01:01:55,730 --> 01:01:50,640

know I worked for Ellen I don't think

1458

01:01:56,990 --> 01:01:55,740

but uh you know so that it's hurtful to

1459

01:02:00,049 --> 01:01:57,000

have gossip

1460

01:02:02,390 --> 01:02:00,059

and then insinuate that that the only

1461

01:02:05,569 --> 01:02:02,400

way to get story out is by hooking up

1462

01:02:08,510 --> 01:02:05,579

with Jacques this was a kind of thing I

1463

01:02:10,910 --> 01:02:08,520

think the ETS knew that we the only way

1464

01:02:12,470 --> 01:02:10,920

we could tell the story is to have the

1465

01:02:14,690 --> 01:02:12,480

framework of the atomic bomb and

1466

01:02:17,089 --> 01:02:14,700

everything around it and the analysis of

1467

01:02:18,829 --> 01:02:17,099

the metal had to be complete so yeah

1468

01:02:20,870 --> 01:02:18,839

that was a very personal question I

1469

01:02:23,210 --> 01:02:20,880

don't like the that's one of the reasons

1470

01:02:26,210 --> 01:02:23,220

Andy I don't like doing

1471

01:02:28,609 --> 01:02:26,220

um the UFO sphere I mean it's not very

1472

01:02:31,730 --> 01:02:28,619

nice sometimes and I'm extremely

1473

01:02:34,970 --> 01:02:31,740

professional I am not a media star I do

1474

01:02:37,849 --> 01:02:34,980

not go on television I am not paid you

1475

01:02:39,890 --> 01:02:37,859

know but I love the investigative part

1476

01:02:42,890 --> 01:02:39,900

somebody says what do you love about

1477

01:02:45,950 --> 01:02:42,900

this it's like a detective I mean I just

1478

01:02:49,970 --> 01:02:45,960

found a witness about six months ago I'm

1479

01:02:54,230 --> 01:02:49,980

so excited I love doing the work

1480

01:02:56,089 --> 01:02:54,240

and there is no uh support I've never

1481

01:02:58,010 --> 01:02:56,099

had anybody support it

1482

01:02:59,750 --> 01:02:58,020

it's come out of my pocket my children

1483

01:03:02,329 --> 01:02:59,760

are angry they want me to go to the

1484

01:03:04,309 --> 01:03:02,339

Bahamas and sit in a hotel and drink my

1485

01:03:06,950 --> 01:03:04,319

ties and they say you're out of your

1486

01:03:08,329 --> 01:03:06,960

mind Mom and I say no this is so

1487

01:03:10,069 --> 01:03:08,339

interesting

1488

01:03:12,470 --> 01:03:10,079

well thank you for answering that one

1489

01:03:15,530 --> 01:03:12,480

the next one from Stephen is uh could

1490

01:03:17,089 --> 01:03:15,540

you ask uh Paula if the crash site and

1491

01:03:19,190 --> 01:03:17,099

the new book is the same as the one

1492

01:03:20,809 --> 01:03:19,200

Diana pasilka referenced and her

1493

01:03:23,270 --> 01:03:20,819

Dominican Cosmic

1494

01:03:26,510 --> 01:03:23,280

she was on the one in battle

1495

01:03:28,190 --> 01:03:26,520

you know and she was and Jacques had

1496

01:03:30,530 --> 01:03:28,200

been working on that too that was in

1497

01:03:33,890 --> 01:03:30,540

battle no no that's a whole other City

1498

01:03:35,870 --> 01:03:33,900

no no and this is much more detailed

1499

01:03:38,329 --> 01:03:35,880

than Diana she went down there

1500

01:03:41,930 --> 01:03:38,339

blindfolded one time this is nine years

1501

01:03:44,589 --> 01:03:41,940

of going down there it's like sleeping

1502

01:03:47,569 --> 01:03:44,599

in you know the Holiday Inn or whatever

1503

01:03:50,510 --> 01:03:47,579

having dinner at the same place knowing

1504

01:03:52,490 --> 01:03:50,520

all these people no no that was a very

1505

01:03:55,670 --> 01:03:52,500

uh superficial kind of thing and it was

1506

01:03:58,490 --> 01:03:55,680

in battle this is somewhere this is this

1507

01:04:01,609 --> 01:03:58,500

is San Antonio we said where it was

1508

01:04:03,410 --> 01:04:01,619

next up from Graham how do you reconcile

1509

01:04:05,750 --> 01:04:03,420

your nuts and bolts approach to the

1510

01:04:07,549 --> 01:04:05,760

Phenomenon with that of Jacques Valley

1511

01:04:09,410 --> 01:04:07,559

approaching from a Consciousness point

1512

01:04:11,150 --> 01:04:09,420

of view how was that between both of you

1513

01:04:13,549 --> 01:04:11,160

is that something you discussed a lot or

1514

01:04:15,109 --> 01:04:13,559

you're different no it's the other way I

1515

01:04:20,410 --> 01:04:15,119

think Jack has gotten more nuts and

1516

01:04:25,130 --> 01:04:23,089

calmed down calmed down I said but

1517

01:04:28,250 --> 01:04:25,140

Consciousness what if it's you know like

1518

01:04:31,190 --> 01:04:28,260

a manifestation calm down let's analyze

1519

01:04:34,069 --> 01:04:31,200

the model because you know it's more the

1520

01:04:36,710 --> 01:04:34,079

other way it's more the other way I have

1521

01:04:40,849 --> 01:04:36,720

that's why I work in Latin America now I

1522

01:04:43,309 --> 01:04:40,859

don't work in the states uh I am very

1523

01:04:45,829 --> 01:04:43,319

much a fan of Grant Cameron's and he and

1524

01:04:47,329 --> 01:04:45,839

I are walking the same path I started

1525

01:04:49,910 --> 01:04:47,339

with the you couldn't start with more

1526

01:04:52,250 --> 01:04:49,920

nuts and bolts and jam a jail and heinek

1527

01:04:55,309 --> 01:04:52,260

you couldn't stop that was like putting

1528

01:04:57,410 --> 01:04:55,319

pins and maps and not only that but the

1529

01:04:59,630 --> 01:04:57,420

the case and Jacques told me there's the

1530

01:05:02,510 --> 01:04:59,640

changed heinek's mind was is more a case

1531

01:05:05,690 --> 01:05:02,520

because there was you know Footprints

1532

01:05:09,430 --> 01:05:05,700

and you know the thing you know made an

1533

01:05:14,990 --> 01:05:09,440

indentation and all that so

1534

01:05:18,170 --> 01:05:15,000

I had to shift my thinking and I am now

1535

01:05:20,870 --> 01:05:18,180

thinking of what I keep reminding Jacob

1536

01:05:22,370 --> 01:05:20,880

I said Jack don't you remember you said

1537

01:05:24,829 --> 01:05:22,380

this was a manifestation of

1538

01:05:26,690 --> 01:05:24,839

Consciousness to teach us a lesson and

1539

01:05:30,049 --> 01:05:26,700

then it goes back to the metal I'm going

1540

01:05:33,710 --> 01:05:30,059

up it's like okay can you but we're both

1541

01:05:37,069 --> 01:05:33,720

on Consciousness but he is a scientist

1542

01:05:38,690 --> 01:05:37,079

this is a scientific book he wants a

1543

01:05:43,789 --> 01:05:38,700

scientific Community to look at the

1544

01:05:47,089 --> 01:05:43,799

method of research he is very very uh

1545

01:05:50,329 --> 01:05:47,099

serious about science he's good at it

1546

01:05:52,549 --> 01:05:50,339

I've look he was driving me nuts with

1547

01:05:55,190 --> 01:05:52,559

the parts of it where he'd call me and

1548

01:05:58,250 --> 01:05:55,200

say okay now call Jose and see how many

1549

01:06:00,109 --> 01:05:58,260

wheels the the the flatbed was and I

1550

01:06:02,569 --> 01:06:00,119

said what difference does that make and

1551
01:06:04,849 --> 01:06:02,579
he'd go I have to get the ton how many

1552
01:06:07,190 --> 01:06:04,859
tons it was and things like I would

1553
01:06:10,190 --> 01:06:07,200
never do that that that's the scientific

1554
01:06:12,770 --> 01:06:10,200
part so I said who cares about how how

1555
01:06:14,990 --> 01:06:12,780
many wheels a thing had of course Jose

1556
01:06:17,390 --> 01:06:15,000
who's watching the whole recovery for a

1557
01:06:20,630 --> 01:06:17,400
week remembers everything

1558
01:06:23,329 --> 01:06:20,640
so it was a joy a collaboration to work

1559
01:06:25,370 --> 01:06:23,339
with a scientist Jacques valet is a

1560
01:06:28,130 --> 01:06:25,380
consummate scientist

1561
01:06:29,930 --> 01:06:28,140
final question from David Mesa Loadout

1562
01:06:31,490 --> 01:06:29,940
just give him a running out of time

1563
01:06:33,650 --> 01:06:31,500

um you've spent a lot of time with

1564

01:06:36,230 --> 01:06:33,660

Colonel Philip corso and Jack Valley

1565

01:06:38,089 --> 01:06:36,240

have either of them ever alluded to how

1566

01:06:40,430 --> 01:06:38,099

many crash events have occurred outside

1567

01:06:41,750 --> 01:06:40,440

of the US from which materials have been

1568

01:06:44,690 --> 01:06:41,760

obtained

1569

01:06:47,630 --> 01:06:44,700

no but can I encourage people to get

1570

01:06:51,529 --> 01:06:47,640

Ryan Wood's book it's called Magic Eyes

1571

01:06:52,910 --> 01:06:51,539

Only it has 93 crashes and and you have

1572

01:06:56,390 --> 01:06:52,920

to start reading I don't understand

1573

01:06:59,990 --> 01:06:56,400

people I read all kinds of material to

1574

01:07:02,809 --> 01:07:00,000

to get this uh he's got enumerated he's

1575

01:07:05,029 --> 01:07:02,819

got the 1945 crash in there

1576

01:07:07,309 --> 01:07:05,039

um he even has the Kingman Arizona crash

1577

01:07:09,950 --> 01:07:07,319

which is referred to with Dan burriss

1578

01:07:12,109 --> 01:07:09,960

you know he has everything in there in

1579

01:07:14,029 --> 01:07:12,119

that book uh I don't know if you can get

1580

01:07:17,270 --> 01:07:14,039

it anymore but

1581

01:07:20,450 --> 01:07:17,280

um there have been crashes in other

1582

01:07:23,329 --> 01:07:20,460

places of the world and the one in

1583

01:07:25,370 --> 01:07:23,339

Virginia for me is one of the most

1584

01:07:27,890 --> 01:07:25,380

interesting that's Virginia Brazil

1585

01:07:30,589 --> 01:07:27,900

because the little beings were not like

1586

01:07:33,770 --> 01:07:30,599

we shove people Grays nordics and

1587

01:07:37,010 --> 01:07:33,780

reptilians the little the ignorance of

1588

01:07:40,849 --> 01:07:37,020

our way of of researching is incredible

1589

01:07:44,450 --> 01:07:40,859

the Virginia case and I did the the work

1590

01:07:46,130 --> 01:07:44,460

with Victoria pacaccini who who came to

1591

01:07:48,890 --> 01:07:46,140

the United States and we talked about it

1592

01:07:52,130 --> 01:07:48,900

extensively in 1997

1593

01:07:54,529 --> 01:07:52,140

is a little red is he's he was look like

1594

01:07:57,049 --> 01:07:54,539

he had three protubin says he almost

1595

01:08:00,109 --> 01:07:57,059

look like the devil he had red skin they

1596

01:08:03,289 --> 01:08:00,119

had red skin they were little and

1597

01:08:05,690 --> 01:08:03,299

um when they went to recover him the

1598

01:08:07,789 --> 01:08:05,700

Americans had taken out the craft but

1599

01:08:10,309 --> 01:08:07,799

the little being was covering against

1600

01:08:12,470 --> 01:08:10,319

the wall and that's when the uh the

1601
01:08:15,170 --> 01:08:12,480
policeman Marco Charisse put him on it

1602
01:08:17,390 --> 01:08:15,180
on his lap took him to the hospital and

1603
01:08:19,309 --> 01:08:17,400
Marco Charisse died two weeks later of

1604
01:08:21,769 --> 01:08:19,319
tumors because you can't just pick up a

1605
01:08:24,349 --> 01:08:21,779
little being who might have some kind of

1606
01:08:27,050 --> 01:08:24,359
biological different if people would

1607
01:08:29,510 --> 01:08:27,060
read the Virginia case that the

1608
01:08:32,510 --> 01:08:29,520
Americans took out the craft because I

1609
01:08:34,610 --> 01:08:32,520
think the deal is that that there is a

1610
01:08:36,769 --> 01:08:34,620
deal where American America is the first

1611
01:08:39,410 --> 01:08:36,779
one to do the crash retrieval don't ask

1612
01:08:41,930 --> 01:08:39,420
me where the craft went or who what or

1613
01:08:43,669 --> 01:08:41,940

who's dealing with this right now but

1614

01:08:45,530 --> 01:08:43,679

when I was talking to Clifford Stone he

1615

01:08:48,110 --> 01:08:45,540

told me that one of the last crashes was

1616

01:08:50,329 --> 01:08:48,120

in Georgia you know the state of Georgia

1617

01:08:53,870 --> 01:08:50,339

and I was going you can't getting and he

1618

01:08:56,090 --> 01:08:53,880

goes no he says and and do they then the

1619

01:08:59,269 --> 01:08:56,100

next question is why do they crash well

1620

01:09:01,669 --> 01:08:59,279

who knows are they even like ours or

1621

01:09:05,209 --> 01:09:01,679

theirs and then you really get into it

1622

01:09:08,229 --> 01:09:05,219

you know who is in there and who made it

1623

01:09:11,269 --> 01:09:08,239

and all this I have no definitive

1624

01:09:14,090 --> 01:09:11,279

answers but will people start using

1625

01:09:16,669 --> 01:09:14,100

their brains and do some research

1626

01:09:18,289 --> 01:09:16,679

okay Paula will finish off with a

1627

01:09:20,269 --> 01:09:18,299

quackfire round I've got a few things I

1628

01:09:22,550 --> 01:09:20,279

would like you to touch on a shot at as

1629

01:09:25,249 --> 01:09:22,560

long on each one as you want the first

1630

01:09:27,349 --> 01:09:25,259

one is your thoughts on Steven Greer

1631

01:09:29,329 --> 01:09:27,359

he's the only one who walks his talk he

1632

01:09:32,269 --> 01:09:29,339

did the disclosure project his heart is

1633

01:09:36,169 --> 01:09:32,279

in the right place uh I helped him with

1634

01:09:37,789 --> 01:09:36,179

the ali uh the military people in Italy

1635

01:09:40,970 --> 01:09:37,799

um the disclosure project to open the

1636

01:09:44,450 --> 01:09:40,980

doors uh and then I have been with him

1637

01:09:46,249 --> 01:09:44,460

on the ce5s and uh I think his heart is

1638

01:09:48,289 --> 01:09:46,259

in the right place however there's a lot

1639

01:09:51,590 --> 01:09:48,299

of controversy there

1640

01:09:54,350 --> 01:09:51,600

do you think he has ever faked any of

1641

01:09:57,229 --> 01:09:54,360

those ce5 events no no I've been on four

1642

01:10:01,189 --> 01:09:57,239

of them oh my God I mean watch the movie

1643

01:10:03,290 --> 01:10:01,199

serious we were in crestone in this huge

1644

01:10:05,930 --> 01:10:03,300

crestone is the darkest place on Earth

1645

01:10:07,610 --> 01:10:05,940

in Colorado there's this huge UFO that

1646

01:10:09,709 --> 01:10:07,620

came over and we were that's the only

1647

01:10:11,570 --> 01:10:09,719

time I've ever cried actually it was

1648

01:10:13,550 --> 01:10:11,580

over our heads and stayed there for a

1649

01:10:15,590 --> 01:10:13,560

few minutes I mean this is after like an

1650

01:10:18,650 --> 01:10:15,600

hour and a half of meditation and then

1651

01:10:21,470 --> 01:10:18,660

two f-16s came and chased it away it

1652

01:10:23,330 --> 01:10:21,480

just it just went zip

1653

01:10:26,270 --> 01:10:23,340

and it's in the beginning of the film

1654

01:10:27,950 --> 01:10:26,280

Sirius it's in the beginning the very

1655

01:10:30,950 --> 01:10:27,960

beginning you see it then you see the

1656

01:10:34,010 --> 01:10:30,960

f-16s come in I don't think those Pilots

1657

01:10:37,070 --> 01:10:34,020

knew knew that they were going after a

1658

01:10:40,910 --> 01:10:37,080

UFO they were given coordinates

1659

01:10:42,770 --> 01:10:40,920

uh the next one is Skinwalker Ranch

1660

01:10:44,030 --> 01:10:42,780

yeah that's a paranormal that should be

1661

01:10:45,890 --> 01:10:44,040

studied

1662

01:10:47,930 --> 01:10:45,900

the your thoughts on the Wilson Davis

1663

01:10:49,189 --> 01:10:47,940

documents I don't know anything about

1664

01:10:50,870 --> 01:10:49,199

them

1665

01:10:53,270 --> 01:10:50,880

do you believe they're real

1666

01:10:55,610 --> 01:10:53,280

how can I say that when I haven't read

1667

01:10:57,890 --> 01:10:55,620

them don't know anything about them I

1668

01:11:02,090 --> 01:10:57,900

don't know anything about them

1669

01:11:06,050 --> 01:11:02,100

uh do you prefer the term UFO or UAP

1670

01:11:10,729 --> 01:11:09,169

you can name 50 million different uh you

1671

01:11:16,250 --> 01:11:10,739

know

1672

01:11:19,790 --> 01:11:16,260

names for aerial phenomena uh

1673

01:11:23,890 --> 01:11:19,800

I don't use UFO very often what do you

1674

01:11:27,189 --> 01:11:23,900

like are you AP I you know just craft

1675

01:11:29,750 --> 01:11:27,199

just craft I mean well I don't anymore

1676

01:11:30,770 --> 01:11:29,760

Andy we can't tell if it's ours or

1677

01:11:33,890 --> 01:11:30,780

theirs

1678

01:11:36,050 --> 01:11:33,900

so it's just craft I don't know whose it

1679

01:11:38,330 --> 01:11:36,060

is anymore

1680

01:11:41,330 --> 01:11:38,340

and the last one Paula is what does

1681

01:11:43,970 --> 01:11:41,340

disclosure mean to you

1682

01:11:47,390 --> 01:11:43,980

well because I have a master's in

1683

01:11:50,870 --> 01:11:47,400

education I'd like it to be uh the study

1684

01:11:53,510 --> 01:11:50,880

of uh of the visitation on planet Earth

1685

01:11:56,770 --> 01:11:53,520

and not call it disclosure I mean

1686

01:12:00,050 --> 01:11:56,780

disclosure happened way back when I I

1687

01:12:02,390 --> 01:12:00,060

I've talked to the people not only in

1688

01:12:05,390 --> 01:12:02,400

the 1945 case but when they were alive

1689

01:12:07,970 --> 01:12:05,400

Walter hot I spoke to Walter hot I spoke

1690

01:12:09,830 --> 01:12:07,980

to Glenn Dennis who was a mortician so

1691

01:12:12,169 --> 01:12:09,840

people are telling the truth where you

1692

01:12:14,090 --> 01:12:12,179

know I if you bother to do it it's not

1693

01:12:16,850 --> 01:12:14,100

your opinion it shouldn't be your

1694

01:12:18,470 --> 01:12:16,860

opinion based on nothing it should be a

1695

01:12:20,870 --> 01:12:18,480

study where you go down and speak to the

1696

01:12:24,410 --> 01:12:20,880

people or you should read the original

1697

01:12:27,229 --> 01:12:24,420

uh material from The Source read the

1698

01:12:29,209 --> 01:12:27,239

original material a source material as a

1699

01:12:31,790 --> 01:12:29,219

teacher if you gave me a paper and you

1700

01:12:34,490 --> 01:12:31,800

were quoting YouTube I give you a D

1701

01:12:36,229 --> 01:12:34,500

minus minus minus you got to read

1702

01:12:38,390 --> 01:12:36,239

something you got to talk to somebody

1703

01:12:40,610 --> 01:12:38,400

I'd say pick up a phone when anybody

1704

01:12:41,870 --> 01:12:40,620

ever asks me about a case I say pick up

1705

01:12:44,630 --> 01:12:41,880

the phone

1706

01:12:46,310 --> 01:12:44,640

talk to them go down there

1707

01:12:47,810 --> 01:12:46,320

Paula it's been great speaking with you

1708

01:12:49,669 --> 01:12:47,820

I'll just let everyone know that Trinity

1709

01:12:51,050 --> 01:12:49,679

the best kept secret co-authored by

1710

01:12:52,910 --> 01:12:51,060

yourself and Jacque Valley is available

1711

01:12:54,590 --> 01:12:52,920

now and I would just ask people if

1712

01:12:56,450 --> 01:12:54,600

you're picking up consider supporting

1713

01:12:58,010 --> 01:12:56,460

your local bookstores because they are

1714

01:12:59,810 --> 01:12:58,020

obviously struggling during the pandemic

1715

01:13:01,070 --> 01:12:59,820

and everything as well but you all know

1716

01:13:03,050 --> 01:13:01,080

when it's available and I'll put some

1717

01:13:04,970 --> 01:13:03,060

links on the description as well thanks

1718

01:13:06,950 --> 01:13:04,980

very much for your time Paula thank you

1719

01:13:09,410 --> 01:13:06,960

and it's available on Amazon now so you

1720

01:13:12,470 --> 01:13:09,420

can get it oh that'll be in the likes

1721

01:13:14,450 --> 01:13:12,480

books cheers Paula all right Folks at

1722

01:13:16,430 --> 01:13:14,460

the start of this year I got a bit of a

1723

01:13:18,410 --> 01:13:16,440

health scare and it kick-started me to

1724

01:13:21,169 --> 01:13:18,420

getting fitter healthier and generally

1725

01:13:23,330 --> 01:13:21,179

looking after myself better a healthier

1726

01:13:26,149 --> 01:13:23,340

breakfast was high on my priority list

1727

01:13:27,950 --> 01:13:26,159

and it should be for you too magic spoon

1728

01:13:30,169 --> 01:13:27,960

is the perfect way to get in your

1729

01:13:31,729 --> 01:13:30,179

morning protein eating cereal that

1730

01:13:33,950 --> 01:13:31,739

tastes like it did when you were a kid

1731

01:13:35,990 --> 01:13:33,960

without all the bad stuff I can promise

1732

01:13:38,209 --> 01:13:36,000

you there is nothing unidentified in

1733

01:13:40,970 --> 01:13:38,219

this cereal the variety pack has four

1734

01:13:43,610 --> 01:13:40,980

flavors including cocoa fruity frosted

1735

01:13:46,669 --> 01:13:43,620

and peanut butter this pack has zero

1736

01:13:49,669 --> 01:13:46,679

grams of sugar 13 to 14 grams of protein

1737

01:13:52,910 --> 01:13:49,679

and only 4 net grams of carbs that are

1738

01:13:55,430 --> 01:13:52,920

only 140 calories per serving it's keto

1739

podcast of course on Twitter it's at UFO

1770

01:15:12,709 --> 01:15:11,159

UAP am and again folks as always keep

1771

01:15:14,420 --> 01:15:12,719

looking up you never know what you might

1772

01:15:28,149 --> 01:15:14,430

see

1773

01:15:41,480 --> 01:15:31,189

like Alice was playing

1774

01:15:41,490 --> 01:15:49,990

[Music]

1775

01:15:50,000 --> 01:16:04,370

I can't imagine

1776
01:16:04,380 --> 01:16:20,550
foreign

1777
01:17:11,770 --> 01:16:29,800
[Music]

1778
01:17:11,780 --> 01:17:19,560
what's that is saucer

1779
01:17:40,070 --> 01:17:28,730
[Music]

1780
01:17:44,680 --> 01:17:42,590
foreign

1781
01:17:53,600 --> 01:17:44,690
much better

1782
01:17:53,610 --> 01:18:15,229
[Music]
