FILM MAKER, MOMENT OF CONTACT

1
00:00:07,249 --> 00:00:03,050
I I was contacted by

2
00:00:09,950 --> 00:00:07,259
um a a pretty prominent uh news

3
00:00:12,410 --> 00:00:09,960
organization I think it was it was

4
00:00:13,730 --> 00:00:12,420
probably yesterday and

5
00:00:16,910 --> 00:00:13,740
um they

6
00:00:18,290 --> 00:00:16,920
cautioned me on because all I'm thinking

7
00:00:21,109 --> 00:00:18,300
quite honestly is I just want to get my

8
00:00:22,550 --> 00:00:21,119
hands on it I've spoken to two people uh

9
00:00:23,810 --> 00:00:22,560
two people have seen the videotaped

10
00:00:26,810 --> 00:00:23,820
evidence and one person that's

11
00:00:27,890 --> 00:00:26,820
personally me personally okay and one

12
00:00:29,689 --> 00:00:27,900
person that's seen and I actually

13
00:00:32,030 --> 00:00:29,699

believe them they did not come to me we

14
00:00:34,190 --> 00:00:32,040
came to them we hunted them down and we

15
00:00:36,410 --> 00:00:34,200
spent years and years doing it

16
00:00:39,290 --> 00:00:36,420
especially Marco layhouse had boots on

17
00:00:41,810 --> 00:00:39,300
the ground for you know 15 to

18
00:00:43,010 --> 00:00:41,820
17 years

19
00:00:45,530 --> 00:00:43,020
um

20
00:00:47,810 --> 00:00:45,540
uh

21
00:00:49,729 --> 00:00:47,820
this news organization contacted me and

22
00:00:51,049 --> 00:00:49,739
said look you know if you guys do manage

23
00:00:53,150 --> 00:00:51,059
to get your hands on it you need to

24
00:00:55,130 --> 00:00:53,160
strategize on how how you're going to

25
00:00:57,590 --> 00:00:55,140
release it to the world don't just put

26

00:00:59,569 --> 00:00:57,600

it on you know YouTube it needs to be

27

00:01:01,130 --> 00:00:59,579

strategic you need to have a news

28

00:01:02,389 --> 00:01:01,140

organization behind you they could do

29

00:01:03,789 --> 00:01:02,399

due diligence

30

00:01:05,950 --> 00:01:03,799

contact

31

00:01:11,390 --> 00:01:05,960

the um

32

00:01:13,490 --> 00:01:11,400

the source uh and so I promise that that

33

00:01:16,310 --> 00:01:13,500

organization that that we would do that

34

00:01:18,350 --> 00:01:16,320

and we would be uh strategic on how we

35

00:01:19,969 --> 00:01:18,360

on how we did it I mean ultimately I

36

00:01:22,249 --> 00:01:19,979

would probably because I'd be borrowing

37

00:01:23,749 --> 00:01:22,259

the money I have a guy who's poised to

38

00:01:26,330 --> 00:01:23,759

lend it to me

39

00:01:28,130 --> 00:01:26,340

um and so I might maybe uh make a

40

00:01:30,109 --> 00:01:28,140

director's cut and and re-release the

41

00:01:31,789 --> 00:01:30,119

film and and also have a news

42

00:01:34,730 --> 00:01:31,799

organization reporting on it probably

43

00:01:37,069 --> 00:01:34,740

but again that that decision has yet yet
