

THE BREAKDOWN

1
00:00:02,090 --> 00:00:00,169

[Music]

2
00:00:04,550 --> 00:00:02,100

I have George Knapp listening to that

3
00:00:06,470 --> 00:00:04,560

UFO podcast and having one hell of a

4
00:00:08,509 --> 00:00:06,480

good time that you know that podcast

5
00:00:11,629 --> 00:00:08,519

advertising is way more effective than

6
00:00:14,209 --> 00:00:11,639

display advertising with 67 of listeners

7
00:00:16,310 --> 00:00:14,219

remembering Brands and 63 making a

8
00:00:18,410 --> 00:00:16,320

purchase after hearing them whether you

9
00:00:20,210 --> 00:00:18,420

want to diversify your ad spend add a

10
00:00:22,550 --> 00:00:20,220

new marketing stream or test out podcast

11
00:00:24,290 --> 00:00:22,560

ads zencast does create our Network

12
00:00:26,870 --> 00:00:24,300

makes it easy for Brands to connect with

13
00:00:29,330 --> 00:00:26,880

podcasters sandcaster's mission is to

14
00:00:31,130 --> 00:00:29,340
make podcast advertisements as easy and

15
00:00:34,130 --> 00:00:31,140
accessible to business owners as Google

16
00:00:35,389 --> 00:00:34,140
or Facebook host read ads like this are

17
00:00:37,790 --> 00:00:35,399
the most effective form of podcast

18
00:00:39,650 --> 00:00:37,800
advertising zencaster works with

19
00:00:42,170 --> 00:00:39,660
podcasters to help create unique to them

20
00:00:44,690 --> 00:00:42,180
ad spots that create brand awareness and

21
00:00:46,729 --> 00:00:44,700
conversion zencaster's Creator network

22
00:00:48,590 --> 00:00:46,739
is a perfect place for you to get into

23
00:00:51,529 --> 00:00:48,600
podcast ads and sponsor your favorite

24
00:00:53,090 --> 00:00:51,539
creators like me I've worked with Jen

25
00:00:55,430 --> 00:00:53,100
Castle now for some time and they've

26

00:00:57,049 --> 00:00:55,440

truly put the content creators and the

27

00:00:59,630 --> 00:00:57,059

listeners at the heart of what they do

28

00:01:02,029 --> 00:00:59,640

as a huge fan of podcasts myself and I

29

00:01:03,770 --> 00:01:02,039

really mean that I love podcasts I often

30

00:01:05,750 --> 00:01:03,780

buy products or services that I find

31

00:01:08,210 --> 00:01:05,760

useful to me based on those pods that

32

00:01:09,469 --> 00:01:08,220

I'm listening to it supports them and

33

00:01:11,390 --> 00:01:09,479

there's usually a good discount to go

34

00:01:13,070 --> 00:01:11,400

along with it so if you're interested in

35

00:01:15,490 --> 00:01:13,080

sponsoring this show or another podcast

36

00:01:19,250 --> 00:01:15,500

with adverts for your business go to

37

00:01:21,590 --> 00:01:19,260

zen.ai forward slash that UFO pod one

38

00:01:23,030 --> 00:01:21,600

that's the number one or click the link

39

00:01:24,950 --> 00:01:23,040
in the description and fill out the

40

00:01:26,749 --> 00:01:24,960
contact information so zencaster can

41

00:01:29,149 --> 00:01:26,759
help you bring your business story to

42

00:01:34,310 --> 00:01:31,789
hi everyone and welcome back to that UFO

43

00:01:36,830 --> 00:01:34,320
podcast my name is Andy and it's just me

44

00:01:39,289 --> 00:01:36,840
for a change this is a breakdown bit of

45

00:01:41,270 --> 00:01:39,299
an impromptu breakdown I was hoping to

46

00:01:43,670 --> 00:01:41,280
get out an interview with Mr Grant

47

00:01:45,590 --> 00:01:43,680
Cameron but unfortunately that's been

48

00:01:47,630 --> 00:01:45,600
delayed slightly at the very last minute

49

00:01:49,910 --> 00:01:47,640
so as soon as Grant is available we'll

50

00:01:53,990 --> 00:01:49,920
get that recorded discussing his new

51
00:01:55,789 --> 00:01:54,000
book UFO Sky Pilots AJ Javard Brazilian

52
00:01:58,130 --> 00:01:55,799
researcher was also due to appear

53
00:02:01,670 --> 00:01:58,140
recently and that's had to move to next

54
00:02:04,249 --> 00:02:01,680
month so those will both still happen in

55
00:02:06,590 --> 00:02:04,259
that absence you've got me myself and I

56
00:02:08,630 --> 00:02:06,600
however my next guest should she still

57
00:02:10,550 --> 00:02:08,640
be available to appear will be Leslie

58
00:02:12,470 --> 00:02:10,560
Kane New York Times journalist and

59
00:02:15,290 --> 00:02:12,480
author we've got a lot to discuss that's

60
00:02:17,630 --> 00:02:15,300
being recorded this weekend so with any

61
00:02:19,910 --> 00:02:17,640
luck something drops this week which

62
00:02:22,430 --> 00:02:19,920
gives us a little something extra to

63
00:02:24,470 --> 00:02:22,440

dissect however given the chance I had

64

00:02:26,390 --> 00:02:24,480

some time to the court say aside I

65

00:02:28,309 --> 00:02:26,400

thought I'd speak to you myself and

66

00:02:30,949 --> 00:02:28,319

share my thoughts on some news that's

67

00:02:32,750 --> 00:02:30,959

happened in the last couple of days and

68

00:02:35,030 --> 00:02:32,760

also at the end of this short breakdown

69

00:02:36,890 --> 00:02:35,040

I'll put on my recent interview that's

70

00:02:40,430 --> 00:02:36,900

not been released yet except on premium

71

00:02:43,070 --> 00:02:40,440

platforms with Italian representative of

72

00:02:46,009 --> 00:02:43,080

icer that's International Coalition for

73

00:02:47,869 --> 00:02:46,019

extraterrestrial research Paolo gizzarda

74

00:02:50,030 --> 00:02:47,879

Paolo has been on the podcast before as

75

00:02:52,250 --> 00:02:50,040

a guest and I caught up with him just

76

00:02:53,930 --> 00:02:52,260

last week to find out a little update on

77

00:02:57,229 --> 00:02:53,940

his efforts through the United Nations

78

00:02:59,750 --> 00:02:57,239

and project Titan to bring the UFO topic

79

00:03:02,089 --> 00:02:59,760

to that that forum and platform so

80

00:03:04,190 --> 00:03:02,099

please stick around for that after I

81

00:03:07,130 --> 00:03:04,200

share my thoughts on a few news updates

82

00:03:08,750 --> 00:03:07,140

with you and for this format when other

83

00:03:10,790 --> 00:03:08,760

people aren't available when Dan's not

84

00:03:12,290 --> 00:03:10,800

available then give me a shout do you

85

00:03:13,790 --> 00:03:12,300

like the kind of one-to-one updates when

86

00:03:15,470 --> 00:03:13,800

they're very short and quick and snappy

87

00:03:17,330 --> 00:03:15,480

I wouldn't want to sit and talk to you

88

00:03:19,490 --> 00:03:17,340

like this for for 45 minutes or an hour

89

00:03:21,229 --> 00:03:19,500

but it's nice to have some alone's time

90

00:03:23,690 --> 00:03:21,239

I suppose I need to start with the

91

00:03:26,089 --> 00:03:23,700

delayed report which is still delayed

92

00:03:28,550 --> 00:03:26,099

that was due to Congress on the 31st of

93

00:03:31,369 --> 00:03:28,560

October as I record this that was now 15

94

00:03:33,110 --> 00:03:31,379

days ago I talked about this with Dan on

95

00:03:35,030 --> 00:03:33,120

the last breakdown and since people at

96

00:03:37,190 --> 00:03:35,040

this point on social media seem to have

97

00:03:39,410 --> 00:03:37,200

simmered down from the initial annoyance

98

00:03:41,330 --> 00:03:39,420

at the report's lateness it's prompted

99

00:03:43,789 --> 00:03:41,340

some more civil and reason discussions

100

00:03:45,649 --> 00:03:43,799

which are always nice to see at this

101
00:03:47,690 --> 00:03:45,659
early stage regardless of any rumors

102
00:03:49,550 --> 00:03:47,700
floating around online I think it's safe

103
00:03:52,130 --> 00:03:49,560
to say it's going to be a report that is

104
00:03:54,350 --> 00:03:52,140
very much in its infancy of what these

105
00:03:56,270 --> 00:03:54,360
could eventually be

106
00:03:58,550 --> 00:03:56,280
some of you may be sick of hearing it

107
00:04:00,470 --> 00:03:58,560
but the fact is Dr Sean Kirkpatrick who

108
00:04:02,210 --> 00:04:00,480
is heading up the team has had a very

109
00:04:04,550 --> 00:04:02,220
short amount of time to put this report

110
00:04:06,350 --> 00:04:04,560
together I think it's the equivalent of

111
00:04:08,449 --> 00:04:06,360
starting a four-year University course

112
00:04:10,309 --> 00:04:08,459
and on day one being told you've got six

113
00:04:12,050 --> 00:04:10,319

months to complete it but you can go

114

00:04:14,030 --> 00:04:12,060

find the shutters and the answers to

115

00:04:15,830 --> 00:04:14,040

those questions for yourself before you

116

00:04:18,170 --> 00:04:15,840

even know what most of those questions

117

00:04:19,610 --> 00:04:18,180

are going to be I feel that's the task

118

00:04:22,310 --> 00:04:19,620

that's currently at hand for Dr

119

00:04:24,830 --> 00:04:22,320

Kirkpatrick and others so well we

120

00:04:26,390 --> 00:04:24,840

continue to wait temper expectations and

121

00:04:29,510 --> 00:04:26,400

just hope it gives us a small building

122

00:04:31,790 --> 00:04:29,520

block to use going forward on a related

123

00:04:34,370 --> 00:04:31,800

note Graham Hancock's new Netflix series

124

00:04:36,830 --> 00:04:34,380

ancient apocalypse has prompted quite a

125

00:04:38,810 --> 00:04:36,840

lot of debate online it's an eight part

126
00:04:40,790 --> 00:04:38,820
Series where Graham travels prominent

127
00:04:42,830 --> 00:04:40,800
sites around the globe that add fuel to

128
00:04:45,050 --> 00:04:42,840
the idea there may have been far more

129
00:04:47,050 --> 00:04:45,060
advanced civilizations with perhaps

130
00:04:49,550 --> 00:04:47,060
greater technological capabilities

131
00:04:51,650 --> 00:04:49,560
further back in time than we currently

132
00:04:53,749 --> 00:04:51,660
understand I've only caught the first

133
00:04:55,909 --> 00:04:53,759
two episodes so far but I will be doing

134
00:04:57,830 --> 00:04:55,919
a more thorough of you once I've managed

135
00:04:59,689 --> 00:04:57,840
to finish this series I'd be really

136
00:05:01,550 --> 00:04:59,699
interested in your thoughts if you've

137
00:05:04,310 --> 00:05:01,560
caught the series or just in this

138
00:05:06,530 --> 00:05:04,320

overall area of discussion it may not

139

00:05:08,090 --> 00:05:06,540

directly be UFO related but it's

140

00:05:09,950 --> 00:05:08,100

certainly worth discussing as an

141

00:05:12,110 --> 00:05:09,960

offshoot of the overall conversation

142

00:05:13,850 --> 00:05:12,120

it's something you may have heard me dip

143

00:05:15,890 --> 00:05:13,860

into with guests now and again it's

144

00:05:17,810 --> 00:05:15,900

certainly relevant I definitely feel

145

00:05:19,430 --> 00:05:17,820

from the quarter of the Netflix series

146

00:05:21,830 --> 00:05:19,440

I've managed to watch it's worth your

147

00:05:24,050 --> 00:05:21,840

time it's beautifully short and explore

148

00:05:26,450 --> 00:05:24,060

some incredible areas that more and more

149

00:05:28,370 --> 00:05:26,460

are thrown into the UFO conversation

150

00:05:31,490 --> 00:05:28,380

just in the first two episodes you see

151

00:05:34,490 --> 00:05:31,500

Indonesia and Mexico

152

00:05:36,950 --> 00:05:34,500

um and and those conversations we hear a

153

00:05:39,950 --> 00:05:36,960

lot about about our own past and that

154

00:05:42,290 --> 00:05:39,960

our ancestry we know of may be incorrect

155

00:05:44,629 --> 00:05:42,300

what has been hidden away from us by

156

00:05:46,909 --> 00:05:44,639

governments for by time and natural

157

00:05:49,550 --> 00:05:46,919

disasters over the centuries and

158

00:05:51,590 --> 00:05:49,560

Millennia interestingly enough maybe

159

00:05:53,330 --> 00:05:51,600

linked maybe not I may be throwing a

160

00:05:55,969 --> 00:05:53,340

pretty spurious link together here

161

00:05:57,890 --> 00:05:55,979

Bigelow and Institute for Consciousness

162

00:06:00,650 --> 00:05:57,900

studies sent out a tweet earlier today

163

00:06:02,510 --> 00:06:00,660

which read is Humanity facing an

164

00:06:04,969 --> 00:06:02,520

extinction level event in the near

165

00:06:07,550 --> 00:06:04,979

future an important part of the bics

166

00:06:08,810 --> 00:06:07,560

grants program is to fund research that

167

00:06:10,730 --> 00:06:08,820

considers this problem through

168

00:06:13,010 --> 00:06:10,740

authenticated and corroborated

169

00:06:15,529 --> 00:06:13,020

information that can be shown to come

170

00:06:18,409 --> 00:06:15,539

from senior sources on the quote unquote

171

00:06:20,150 --> 00:06:18,419

other side interesting timing especially

172

00:06:21,710 --> 00:06:20,160

given the popularity of said Netflix

173

00:06:23,510 --> 00:06:21,720

show at the moment it was trending

174

00:06:25,610 --> 00:06:23,520

number one in the UK I know that much

175

00:06:27,469 --> 00:06:25,620

it's something I've discussed with like

176

00:06:30,830 --> 00:06:27,479

I say guests in the past like Frank

177

00:06:32,809 --> 00:06:30,840

Milburn Michael P Masters Ross Coulter

178

00:06:35,510 --> 00:06:32,819

John Ramirez and others talking about

179

00:06:38,809 --> 00:06:35,520

cataclysm past disasters like that one

180

00:06:40,490 --> 00:06:38,819

to definitely keep an eye on Avi Loeb

181

00:06:42,110 --> 00:06:40,500

former guest recently set the cat

182

00:06:44,270 --> 00:06:42,120

amongst the pigeons with his article

183

00:06:46,850 --> 00:06:44,280

that dismissed the idea that reports of

184

00:06:48,409 --> 00:06:46,860

uaps above the skies in Ukraine were

185

00:06:51,110 --> 00:06:48,419

actually nothing more likely than

186

00:06:54,290 --> 00:06:51,120

Fireballs being misidentified citing a

187

00:06:56,510 --> 00:06:54,300

lack of quality data and real evidence

188

00:06:58,610 --> 00:06:56,520

reading his latest debrief article Link

189

00:07:00,650 --> 00:06:58,620

in the description he clears us up quite

190

00:07:02,749 --> 00:07:00,660

fairly I have to say and has now found

191

00:07:05,570 --> 00:07:02,759

himself chastised by both Skeptics

192

00:07:07,610 --> 00:07:05,580

previously and now Believers alike in

193

00:07:09,409 --> 00:07:07,620

the UFO community and I'll read you a

194

00:07:11,990 --> 00:07:09,419

quote from avi's article but you should

195

00:07:13,610 --> 00:07:12,000

check out altogether it was a sobering

196

00:07:15,290 --> 00:07:13,620

Revelation for me to realize that

197

00:07:17,930 --> 00:07:15,300

adopting the agnostic Middle Ground

198

00:07:20,330 --> 00:07:17,940

faces severe scrutiny from both sides of

199

00:07:22,610 --> 00:07:20,340

a polarized Community under such

200

00:07:24,950 --> 00:07:22,620

circumstances progress in our scientific

201
00:07:27,830 --> 00:07:24,960
knowledge is suppressed by both Skeptics

202
00:07:30,230 --> 00:07:27,840
and believers who prefer not to abandon

203
00:07:32,150 --> 00:07:30,240
their premature convictions we often

204
00:07:34,550 --> 00:07:32,160
complain about politics being shaped by

205
00:07:37,309 --> 00:07:34,560
such Tendencies I never imagined the

206
00:07:39,650 --> 00:07:37,319
scientific inquiry suffers from it as

207
00:07:41,809 --> 00:07:39,660
well I think it's fair in what he says

208
00:07:43,550 --> 00:07:41,819
folks many can get stuck on either side

209
00:07:45,589 --> 00:07:43,560
of the UFO argument with their own

210
00:07:47,749 --> 00:07:45,599
viewpoints and while myself from the

211
00:07:50,330 --> 00:07:47,759
beside of the side of a Believer as you

212
00:07:52,550 --> 00:07:50,340
know I want every sighting and report to

213
00:07:54,650 --> 00:07:52,560

be a truly anomalous object that is

214

00:07:56,210 --> 00:07:54,660

never going to be the case though we

215

00:07:58,370 --> 00:07:56,220

need to make sure that in our reactions

216

00:08:01,070 --> 00:07:58,380

we don't drive away serious academics

217

00:08:03,409 --> 00:08:01,080

and scientists from these discussions at

218

00:08:05,089 --> 00:08:03,419

a time when that door is open we really

219

00:08:07,550 --> 00:08:05,099

have pushed that door open to allow

220

00:08:09,710 --> 00:08:07,560

those those minds and different thinkers

221

00:08:11,809 --> 00:08:09,720

in that could make a huge difference to

222

00:08:13,129 --> 00:08:11,819

our discussion and the topic we love so

223

00:08:15,529 --> 00:08:13,139

much and it really could help us

224

00:08:18,050 --> 00:08:15,539

progress let's make sure we welcome new

225

00:08:20,029 --> 00:08:18,060

thoughts and thinking and ideas with an

226

00:08:23,089 --> 00:08:20,039

olive branch of understanding rather

227

00:08:25,309 --> 00:08:23,099

than a baseball bat of defense and just

228

00:08:26,869 --> 00:08:25,319

before I hand over to Paul Logan's Rd I

229

00:08:28,790 --> 00:08:26,879

want to remind folks that virtual

230

00:08:31,730 --> 00:08:28,800

tickets are still available for the next

231

00:08:34,130 --> 00:08:31,740

inquiry into anomalous experiences and

232

00:08:36,709 --> 00:08:34,140

phenomena conference that is being held

233

00:08:39,170 --> 00:08:36,719

in New York City on December 3rd

234

00:08:40,610 --> 00:08:39,180

Saturday December 3rd Dan is going to be

235

00:08:42,589 --> 00:08:40,620

attending along with our friend and

236

00:08:44,990 --> 00:08:42,599

colleague Graham Rendell they'll be

237

00:08:47,750 --> 00:08:45,000

there in person along with hosts James

238

00:08:49,670 --> 00:08:47,760

iandoli J Christopher King Kelly Chase

239

00:08:52,090 --> 00:08:49,680

of the UFO Rabbit Hole podcast and

240

00:08:54,650 --> 00:08:52,100

Priscilla Stone of quantum witch Cafe

241

00:08:56,990 --> 00:08:54,660

definitely check that one out the the

242

00:08:59,269 --> 00:08:57,000

lineup is Stellar Christopher Mellon

243

00:09:01,850 --> 00:08:59,279

headlines with Leslie Kane Jeffrey

244

00:09:04,550 --> 00:09:01,860

Ralph Blumenthal Sharon Hewitt

245

00:09:06,410 --> 00:09:04,560

Rowlett and Whitley strieber and they've

246

00:09:07,910 --> 00:09:06,420

also promised some surprises and amongst

247

00:09:09,829 --> 00:09:07,920

their as well I can only imagine with

248

00:09:11,870 --> 00:09:09,839

the likes of Chris Malin and Leslie Kane

249

00:09:14,150 --> 00:09:11,880

on stage there may be some other

250

00:09:16,370 --> 00:09:14,160

familiar faces in the crowd let alone

251
00:09:18,470 --> 00:09:16,380
Danning Graham so definitely if you've

252
00:09:20,570 --> 00:09:18,480
not got a ticket I believe in person are

253
00:09:22,190 --> 00:09:20,580
now sold out you should definitely check

254
00:09:24,410 --> 00:09:22,200
out the live stream and they will be

255
00:09:27,050 --> 00:09:24,420
taking questions from the live stream

256
00:09:28,910 --> 00:09:27,060
for those guests as well the link to buy

257
00:09:31,430 --> 00:09:28,920
those tickets is also in the description

258
00:09:33,050 --> 00:09:31,440
well that's all from me folks on the

259
00:09:34,910 --> 00:09:33,060
slightly different breakdown let me hand

260
00:09:36,769 --> 00:09:34,920
over to a discussion now I had with

261
00:09:39,590 --> 00:09:36,779
Paolo gizzarda who is the Italian

262
00:09:41,389 --> 00:09:39,600
national representative of icer on his

263
00:09:43,670 --> 00:09:41,399

efforts through San Marino to bring the

264

00:09:45,470 --> 00:09:43,680

UFO topic to the United Nations and

265

00:09:47,990 --> 00:09:45,480

Beyond

266

00:09:49,850 --> 00:09:48,000

Babel is one of today's sponsors and

267

00:09:52,190 --> 00:09:49,860

they are the best way for you to begin

268

00:09:53,810 --> 00:09:52,200

to learn a new language immersing

269

00:09:55,730 --> 00:09:53,820

yourself in the language of your choice

270

00:09:58,370 --> 00:09:55,740

from day one through a whole range of

271

00:10:01,310 --> 00:09:58,380

learning styles including podcasts games

272

00:10:03,889 --> 00:10:01,320

and online classes it's available on

273

00:10:06,769 --> 00:10:03,899

desktop or through their app Babel's

274

00:10:09,769 --> 00:10:06,779

courses are created by didactics experts

275

00:10:11,870 --> 00:10:09,779

and focus on real life situations so if

276

00:10:14,269 --> 00:10:11,880

you're holidaying in France and spot a

277

00:10:16,910 --> 00:10:14,279

UFO you can get locals attention quickly

278

00:10:19,430 --> 00:10:16,920

and efficiently the lessons are as short

279

00:10:22,070 --> 00:10:19,440

as 15 minutes and fit into any schedule

280

00:10:24,530 --> 00:10:22,080

and can be downloaded to work on offline

281

00:10:26,810 --> 00:10:24,540

while on the go with the help of

282

00:10:29,269 --> 00:10:26,820

everyday dialogue exercises and the

283

00:10:31,490 --> 00:10:29,279

speech recognition software Learners can

284

00:10:34,009 --> 00:10:31,500

practice their pronunciation and regular

285

00:10:36,410 --> 00:10:34,019

vocabulary repetition ensures that what

286

00:10:38,870 --> 00:10:36,420

has learned is memorized over the long

287

00:10:40,730 --> 00:10:38,880

term I can already hear some of you

288

00:10:42,350 --> 00:10:40,740

listeners getting in touch to tell me I

289

00:10:43,790 --> 00:10:42,360

should really learn English given my

290

00:10:46,190 --> 00:10:43,800

dodgy accent

291

00:10:48,650 --> 00:10:46,200

when you buy a six-month subscription to

292

00:10:52,750 --> 00:10:48,660

Babel you receive six months extra for

293

00:10:55,790 --> 00:10:52,760

free by using the code audio one that's

294

00:10:58,430 --> 00:10:55,800

a-o-d-i-o-1 the number one pay for six

295

00:11:01,009 --> 00:10:58,440

months and learn for a whole year get

296

00:11:04,250 --> 00:11:01,019

info and redeem the code at babel.com

297

00:11:05,870 --> 00:11:04,260

forward slash audio folks today is the

298

00:11:08,090 --> 00:11:05,880

day you finally decide to make a

299

00:11:10,610 --> 00:11:08,100

life-changing decision and learn that

300

00:11:13,310 --> 00:11:10,620

new language joining me on the breakdown

301
00:11:16,190 --> 00:11:13,320
at this time is former guest he is a

302
00:11:17,750 --> 00:11:16,200
ufologist and Italian representative of

303
00:11:20,389 --> 00:11:17,760
icer which is the International

304
00:11:22,970 --> 00:11:20,399
Coalition for extraterrestrial research

305
00:11:25,490 --> 00:11:22,980
I have Paolo gizzardardi Paolo welcome back

306
00:11:27,710 --> 00:11:25,500
to the podcast thank you and Andy my

307
00:11:30,290 --> 00:11:27,720
pleasure it's very good to have you

308
00:11:32,210 --> 00:11:30,300
again and you've been a busy man I

309
00:11:34,790 --> 00:11:32,220
interviewed you in detail about the

310
00:11:36,829 --> 00:11:34,800
origins of project Titan back in October

311
00:11:39,290 --> 00:11:36,839
of last year it just happens to be it

312
00:11:40,970 --> 00:11:39,300
it's now one year on and I would

313
00:11:42,949 --> 00:11:40,980

encourage people to go back and listen

314

00:11:45,050 --> 00:11:42,959

to that for full details about the

315

00:11:46,670 --> 00:11:45,060

project but for those who have joined us

316

00:11:49,490 --> 00:11:46,680

more recently and don't know about

317

00:11:51,110 --> 00:11:49,500

project Titan could you summarize what

318

00:11:55,250 --> 00:11:51,120

it's all about

319

00:11:58,850 --> 00:11:55,260

sure well in brief project Titan sorry

320

00:12:01,310 --> 00:11:58,860

takes the name from Mount Titan which is

321

00:12:03,050 --> 00:12:01,320

the mountain on which San Marino lies

322

00:12:05,449 --> 00:12:03,060

nowaday and San Marino city lies

323

00:12:09,590 --> 00:12:05,459

nowadays so

324

00:12:12,790 --> 00:12:09,600

um in short it's a way to revive the

325

00:12:17,990 --> 00:12:12,800

original spirits of the Granada

326
00:12:20,269 --> 00:12:18,000
1978 initiative led by Sir Eric Gary who

327
00:12:23,569 --> 00:12:20,279
the first prime minister of this small

328
00:12:25,910 --> 00:12:23,579
Caribbean island so this is the idea I

329
00:12:30,170 --> 00:12:25,920
am the Creator and manager of this

330
00:12:32,990 --> 00:12:30,180
project on behalf of icer and Kun

331
00:12:36,230 --> 00:12:33,000
because I sir and Kun are the two

332
00:12:40,370 --> 00:12:36,240
official proposer of this uh project to

333
00:12:44,810 --> 00:12:40,380
San Marino the project calls for the

334
00:12:46,389 --> 00:12:44,820
create for San Marino which is a full UN

335
00:12:52,250 --> 00:12:46,399
member state

336
00:12:55,850 --> 00:12:52,260
to require to um to submit a proposal to

337
00:12:59,269 --> 00:12:55,860
the United Nations United Nations for

338
00:13:03,110 --> 00:12:59,279

the creation of a new office

339

00:13:07,069 --> 00:13:03,120

a small office which is basically tasked

340

00:13:09,190 --> 00:13:07,079

with the preparation and organization of

341

00:13:13,850 --> 00:13:09,200

the world

342

00:13:17,329 --> 00:13:13,860

UFO UAP conference which is meant to

343

00:13:20,930 --> 00:13:17,339

assess the point of studies and research

344

00:13:25,129 --> 00:13:20,940

on the UFO UAP phenomenon and of course

345

00:13:28,670 --> 00:13:25,139

as uh also as a way to encourage

346

00:13:31,670 --> 00:13:28,680

International cooperation and of course

347

00:13:36,170 --> 00:13:31,680

as a venue for the presentation of new

348

00:13:39,650 --> 00:13:36,180

ideas and so on a meeting point which is

349

00:13:41,690 --> 00:13:39,660

very important to mention uh which could

350

00:13:44,150 --> 00:13:41,700

happen in San Marino which is a neutral

351
00:13:48,370 --> 00:13:44,160
country this is very important so this

352
00:13:53,269 --> 00:13:48,380
is basically what project Titan is for

353
00:13:55,430 --> 00:13:53,279
uh project Titan was set up and I've

354
00:13:58,430 --> 00:13:55,440
prepared project Titan and it was

355
00:14:02,150 --> 00:13:58,440
already almost one year ago when in

356
00:14:05,269 --> 00:14:02,160
September mid-september after the 30th

357
00:14:06,949 --> 00:14:05,279
International UFO Symposium held in San

358
00:14:10,569 --> 00:14:06,959
Marino by the chain trophological

359
00:14:14,150 --> 00:14:10,579
nationale the c-u-n

360
00:14:17,569 --> 00:14:14,160
when it was present it was unofficially

361
00:14:20,150 --> 00:14:17,579
submitted to the a member of the San

362
00:14:23,210 --> 00:14:20,160
Marino government the the Secretary of

363
00:14:26,690 --> 00:14:23,220

State for Public Instruction and

364

00:14:30,889 --> 00:14:26,700

University but but thus we understood

365

00:14:33,590 --> 00:14:30,899

later then it was not the proper way to

366

00:14:37,190 --> 00:14:33,600

go because I mean uh such a project

367

00:14:39,730 --> 00:14:37,200

needed another kind of approach

368

00:14:42,829 --> 00:14:39,740

another kind of

369

00:14:46,129 --> 00:14:42,839

proposing the project to the submarine

370

00:14:50,050 --> 00:14:46,139

authorities so after um as I started

371

00:14:53,930 --> 00:14:50,060

scratching my heads for a while and

372

00:14:58,009 --> 00:14:53,940

considering that we found a good number

373

00:15:01,129 --> 00:14:58,019

of people some citizens of San Marino

374

00:15:04,370 --> 00:15:01,139

who were quite in favor enthusiasts

375

00:15:08,030 --> 00:15:04,380

about about this this project

376

00:15:11,750 --> 00:15:08,040

and also I did some research in the

377

00:15:15,230 --> 00:15:11,760

legal system of San Marino and I have

378

00:15:17,810 --> 00:15:15,240

found that in it exists

379

00:15:20,930 --> 00:15:17,820

um old institution of direct democracy

380

00:15:24,650 --> 00:15:20,940

which is basically a popular petition

381

00:15:28,910 --> 00:15:24,660

it's called istanza daringo

382

00:15:31,790 --> 00:15:28,920

this is the name so this is stanza is a

383

00:15:34,310 --> 00:15:31,800

is a is a popular petition which can be

384

00:15:37,069 --> 00:15:34,320

submitted by just one person one person

385

00:15:41,210 --> 00:15:37,079

but this is the proper way to go

386

00:15:44,930 --> 00:15:41,220

because uh once this is stanza this um

387

00:15:46,610 --> 00:15:44,940

petition is submitted and must be

388

00:15:49,310 --> 00:15:46,620

submitted to the heads of stage

389

00:15:53,629 --> 00:15:49,320

addressed and submitted to the heads of

390

00:15:57,009 --> 00:15:53,639

stage one once that is uh submitted then

391

00:16:00,290 --> 00:15:57,019

the heads of state have first to check

392

00:16:03,650 --> 00:16:00,300

that it's admissible in the sense that

393

00:16:05,889 --> 00:16:03,660

it must be a proposal which has a

394

00:16:10,310 --> 00:16:05,899

specific character of public utility

395

00:16:13,370 --> 00:16:10,320

this is the first requirement once the

396

00:16:17,449 --> 00:16:13,380

two heads of state have verified that

397

00:16:20,230 --> 00:16:17,459

discrete Criterion Criterion is met then

398

00:16:23,810 --> 00:16:20,240

they will forward officially

399

00:16:27,050 --> 00:16:23,820

this petition to the parliament of San

400

00:16:28,730 --> 00:16:27,060

Marino the parliament of San Marino has

401
00:16:32,150 --> 00:16:28,740
to

402
00:16:36,290 --> 00:16:32,160
um debate on this it's not optional it

403
00:16:39,769 --> 00:16:36,300
the parliament has to debate on on this

404
00:16:42,650 --> 00:16:39,779
proposal and at the end of this

405
00:16:44,210 --> 00:16:42,660
debatement it will express its will

406
00:16:47,990 --> 00:16:44,220
through a vote

407
00:16:50,810 --> 00:16:48,000
if this vote is positive then the

408
00:16:53,030 --> 00:16:50,820
parliament will emit a decree will issue

409
00:16:54,069 --> 00:16:53,040
a decree

410
00:16:57,769 --> 00:16:54,079
um

411
00:17:00,769 --> 00:16:57,779
obliging practically obliging the the

412
00:17:04,010 --> 00:17:00,779
government to act in order to fulfill

413
00:17:07,130 --> 00:17:04,020

what was requested in this popular

414

00:17:09,289 --> 00:17:07,140

petition and what was requested in this

415

00:17:12,470 --> 00:17:09,299

popular petition was just one thing very

416

00:17:16,069 --> 00:17:12,480

simple that San Marino accepts to

417

00:17:19,809 --> 00:17:16,079

participate into the action plan of

418

00:17:24,309 --> 00:17:19,819

project Titan so this is a point so now

419

00:17:29,390 --> 00:17:24,319

uh I I recently got the positive new

420

00:17:34,130 --> 00:17:29,400

that news that the capitani rejected the

421

00:17:37,490 --> 00:17:34,140

two heads of state had cleared this

422

00:17:40,490 --> 00:17:37,500

um estanza this popular petition for

423

00:17:42,529 --> 00:17:40,500

debate in Parliament so now there is

424

00:17:47,270 --> 00:17:42,539

just one step

425

00:17:52,549 --> 00:17:47,280

before San Marino can submit can bring

426

00:17:56,810 --> 00:17:52,559

back the discussion on UFOs uaps at the

427

00:17:59,810 --> 00:17:56,820

United Nation and this step is the uh

428

00:18:03,470 --> 00:17:59,820

debate the examination and debate in

429

00:18:06,770 --> 00:18:03,480

Parliament so if this is positive if the

430

00:18:09,470 --> 00:18:06,780

parliament will issue a positive vote

431

00:18:12,669 --> 00:18:09,480

then San Marino will be obliged and San

432

00:18:15,770 --> 00:18:12,679

Marino government will be obliged to

433

00:18:19,190 --> 00:18:15,780

participate in Project Titan

434

00:18:21,830 --> 00:18:19,200

and if that happens what is the impact

435

00:18:24,169 --> 00:18:21,840

going to be or for the UFO subject what

436

00:18:25,920 --> 00:18:24,179

could come of that

437

00:18:27,169 --> 00:18:25,930

well it's

438

00:18:30,529 --> 00:18:27,179

[Music]

439

00:18:33,470 --> 00:18:30,539

it's not easy to say actually what I

440

00:18:37,070 --> 00:18:33,480

mean to give a forecast on this but in

441

00:18:39,350 --> 00:18:37,080

any case the idea on Project Titan as I

442

00:18:41,450 --> 00:18:39,360

told you the basic idea is to revive the

443

00:18:45,789 --> 00:18:41,460

spirit of the grenade initiative that is

444

00:18:49,190 --> 00:18:45,799

uh to put it simply UFOs is a World's

445

00:18:52,310 --> 00:18:49,200

matter and as such it has to be

446

00:18:55,370 --> 00:18:52,320

addressed and has to be brought to the

447

00:18:58,070 --> 00:18:55,380

attention of humanity highest Forum that

448

00:18:59,630 --> 00:18:58,080

is the United Nation so this is the

449

00:19:03,710 --> 00:18:59,640

point

450

00:19:07,430 --> 00:19:03,720

um if this um if everything goes as we

451
00:19:12,350 --> 00:19:07,440
hope then uh if we will we're gonna have

452
00:19:13,630 --> 00:19:12,360
a first world UFO or UAP Conference held

453
00:19:16,310 --> 00:19:13,640
in San Marino

454
00:19:18,830 --> 00:19:16,320
basically according to the project it

455
00:19:22,750 --> 00:19:18,840
will be open to any kind of actor

456
00:19:26,470 --> 00:19:22,760
playing in the uh subject of research

457
00:19:30,409 --> 00:19:26,480
study research on the UFO uip phenomenon

458
00:19:32,289 --> 00:19:30,419
as it can be member states organizations

459
00:19:37,310 --> 00:19:32,299
civil military

460
00:19:40,190 --> 00:19:37,320
un specialized agencies like the um

461
00:19:42,590 --> 00:19:40,200
uh International civil aviation

462
00:19:45,169 --> 00:19:42,600
Organization for instance which is one

463
00:19:49,370 --> 00:19:45,179

of the most interested in this and so on

464

00:19:52,850 --> 00:19:49,380

can be and will be open to ngos

465

00:19:56,690 --> 00:19:52,860

International ngos private organizations

466

00:19:58,850 --> 00:19:56,700

and selected researchers so I mean this

467

00:20:02,650 --> 00:19:58,860

is going to be something totally new

468

00:20:06,890 --> 00:20:02,660

totally new and

469

00:20:10,970 --> 00:20:06,900

I expect that this if everything goes as

470

00:20:12,650 --> 00:20:10,980

we hope of course will be a huge

471

00:20:13,549 --> 00:20:12,660

um how can I say

472

00:20:16,690 --> 00:20:13,559

[Music]

473

00:20:24,529 --> 00:20:21,230

it it will be something that give a good

474

00:20:27,230 --> 00:20:24,539

boost to the credit first of all to The

475

00:20:29,169 --> 00:20:27,240

credibility of the UFO subject because

476

00:20:33,890 --> 00:20:29,179

of course if the un

477

00:20:35,750 --> 00:20:33,900

uh speaks organizes uh organized a UFO

478

00:20:37,750 --> 00:20:35,760

World Conference it means that it's

479

00:20:40,669 --> 00:20:37,760

something important mean I mean

480

00:20:43,430 --> 00:20:40,679

ufologists know this of course but for

481

00:20:46,549 --> 00:20:43,440

the public opinions of the world this is

482

00:20:50,029 --> 00:20:46,559

something very important and and I

483

00:20:53,029 --> 00:20:50,039

suppose that this can I mean maybe the

484

00:20:55,549 --> 00:20:53,039

first conference will be a bit of

485

00:20:58,669 --> 00:20:55,559

interlocutory so to speak in the sense

486

00:21:01,010 --> 00:20:58,679

that we cannot expect a huge results

487

00:21:02,510 --> 00:21:01,020

from the very first conference but in

488

00:21:06,310 --> 00:21:02,520

any case it's going to be something very

489

00:21:09,710 --> 00:21:06,320

important in my in my opinion and and

490

00:21:12,830 --> 00:21:09,720

especially starting from the seconds I

491

00:21:15,430 --> 00:21:12,840

think that we should be starting to see

492

00:21:25,669 --> 00:21:15,440

some

493

00:21:28,490 --> 00:21:25,679

in my least expectation is that this can

494

00:21:32,390 --> 00:21:28,500

serve as a way to

495

00:21:33,230 --> 00:21:32,400

uh once and for all

496

00:21:37,430 --> 00:21:33,240

um

497

00:21:41,870 --> 00:21:37,440

make clear that the UFO subject is

498

00:21:46,070 --> 00:21:41,880

absolutely real is absolutely important

499

00:21:48,289 --> 00:21:46,080

and is a a worldwide matter and this I

500

00:21:52,370 --> 00:21:48,299

think that this is going to be the

501
00:21:54,169 --> 00:21:52,380
the the minimum result results that I

502
00:21:57,649 --> 00:21:54,179
expect from the from this kind of

503
00:22:00,909 --> 00:21:57,659
conference and Andy I forgot to say one

504
00:22:04,850 --> 00:22:00,919
thing that uh concerning the

505
00:22:08,330 --> 00:22:04,860
Parliamentary debate this according to

506
00:22:10,029 --> 00:22:08,340
the law which um regulates the istan

507
00:22:13,610 --> 00:22:10,039
sadarengo

508
00:22:19,430 --> 00:22:13,620
popular petition uh it has to be debated

509
00:22:21,649 --> 00:22:19,440
within six months so so in within March

510
00:22:25,190 --> 00:22:21,659
within the month of March we should have

511
00:22:29,270 --> 00:22:25,200
a definite yes or no result

512
00:22:32,510 --> 00:22:29,280
and if it is yes the timing is right so

513
00:22:35,870 --> 00:22:32,520

that San Marino will be present will be

514

00:22:39,409 --> 00:22:35,880

submitting this proposal to the U.N

515

00:22:41,990 --> 00:22:39,419

Secretary General office in uh just

516

00:22:44,930 --> 00:22:42,000

before the beginning of the general

517

00:22:46,970 --> 00:22:44,940

assembly which is mid-september every

518

00:22:50,210 --> 00:22:46,980

year the general assembly of the United

519

00:22:52,610 --> 00:22:50,220

Nations starts at mid-september so there

520

00:22:54,070 --> 00:22:52,620

is time because you I mean you know uh

521

00:22:57,890 --> 00:22:54,080

again it's not just a matter of

522

00:23:01,730 --> 00:22:57,900

submitting this proposal it's a it's a

523

00:23:03,070 --> 00:23:01,740

matter of preparing uh Paving the way so

524

00:23:07,430 --> 00:23:03,080

to speak

525

00:23:12,710 --> 00:23:07,440

previously with um a sort of um I can

526

00:23:14,750 --> 00:23:12,720

say lumping uh in activity lobbying I

527

00:23:19,450 --> 00:23:14,760

mean in the good sense because normally

528

00:23:25,730 --> 00:23:23,090

no in in this case it must be a I mean a

529

00:23:29,570 --> 00:23:25,740

positive lobbying action in order to

530

00:23:31,789 --> 00:23:29,580

diffuse the new explain the reason of

531

00:23:36,169 --> 00:23:31,799

this proposal because of course you

532

00:23:39,289 --> 00:23:36,179

cannot of course uh I suppose that most

533

00:23:41,409 --> 00:23:39,299

of the of the rep Representatives

534

00:23:45,230 --> 00:23:41,419

diplomatic Representatives

535

00:23:47,950 --> 00:23:45,240

uh of U.N member states in New York the

536

00:23:54,529 --> 00:23:51,649

they would say ah what is this UFO USB

537

00:23:57,190 --> 00:23:54,539

what's that so I mean it is extremely

538

00:23:59,510 --> 00:23:57,200

important in this case to do an action

539

00:24:03,289 --> 00:23:59,520

meant to

540

00:24:06,110 --> 00:24:03,299

um spread the knowledge of the reasons

541

00:24:08,930 --> 00:24:06,120

of this initiative this so I mean the

542

00:24:12,710 --> 00:24:08,940

timing would be right in the sense that

543

00:24:16,450 --> 00:24:12,720

starting from end of uh starting in

544

00:24:20,270 --> 00:24:16,460

April there was going to be uh

545

00:24:23,390 --> 00:24:20,280

almost five months of time which is uh

546

00:24:26,149 --> 00:24:23,400

which is a reasonable reasonable amount

547

00:24:28,850 --> 00:24:26,159

of time to do this this action

548

00:24:32,230 --> 00:24:28,860

let me ask would this situation with

549

00:24:34,430 --> 00:24:32,240

Russia's invasion of Ukraine potentially

550

00:24:36,890 --> 00:24:34,440

diminish the chance of this being

551
00:24:38,210 --> 00:24:36,900
successful if it gets through the San

552
00:24:40,730 --> 00:24:38,220
Marino Parliament and then it's

553
00:24:43,370 --> 00:24:40,740
presented at the U.N like you say people

554
00:24:45,649 --> 00:24:43,380
can look and think oh UFOs UAP this is

555
00:24:47,870 --> 00:24:45,659
nonsense but hopefully the situation

556
00:24:49,789 --> 00:24:47,880
with Russian Ukraine is resolved long

557
00:24:52,310 --> 00:24:49,799
before then you know as soon as possible

558
00:24:54,730 --> 00:24:52,320
but could that have an impact on this

559
00:24:57,649 --> 00:24:54,740
being successful at the U.N

560
00:25:00,049 --> 00:24:57,659
it's difficult honestly speaking is

561
00:25:02,289 --> 00:25:00,059
difficult to say but I mean that

562
00:25:05,810 --> 00:25:02,299
as a rule of thumb

563
00:25:07,909 --> 00:25:05,820

the influence could not be very likely

564

00:25:11,149 --> 00:25:07,919

the influence could not be positive in

565

00:25:12,169 --> 00:25:11,159

the in because you mean there is too

566

00:25:14,029 --> 00:25:12,179

much

567

00:25:16,250 --> 00:25:14,039

um how can I say

568

00:25:18,830 --> 00:25:16,260

uh the environment the international

569

00:25:21,950 --> 00:25:18,840

environment nowadays is very much

570

00:25:24,830 --> 00:25:21,960

polarized very much the the there's a

571

00:25:27,430 --> 00:25:24,840

lot of uh one against the other attitude

572

00:25:32,149 --> 00:25:27,440

you see which I mean

573

00:25:35,330 --> 00:25:32,159

this uh this initiative of project Titan

574

00:25:38,810 --> 00:25:35,340

by the way is something that I mean is

575

00:25:40,450 --> 00:25:38,820

meant to of course is meant to study to

576

00:25:43,970 --> 00:25:40,460

promote the international

577

00:25:48,529 --> 00:25:43,980

Cooperative study on the UFO phenomenon

578

00:25:50,590 --> 00:25:48,539

but but I mean at least in my My Wish

579

00:25:53,269 --> 00:25:50,600

also also

580

00:25:58,810 --> 00:25:53,279

is that can

581

00:26:01,730 --> 00:25:58,820

it could somehow help reduce

582

00:26:04,610 --> 00:26:01,740

this negative attitude which is

583

00:26:08,510 --> 00:26:04,620

prevailing today giving an opportunity

584

00:26:11,090 --> 00:26:08,520

for a confrontation from not not

585

00:26:14,029 --> 00:26:11,100

confrontation in the sense of negative

586

00:26:17,210 --> 00:26:14,039

confrontation I mean of discussion or

587

00:26:20,149 --> 00:26:17,220

giving the possibility of meeting of

588

00:26:23,210 --> 00:26:20,159

talking because it's also a matter of of

589

00:26:25,490 --> 00:26:23,220

persons talking to each other not only

590

00:26:29,090 --> 00:26:25,500

States talking to each other so I mean

591

00:26:30,890 --> 00:26:29,100

but I mean this initiative is really

592

00:26:34,850 --> 00:26:30,900

something that I

593

00:26:39,230 --> 00:26:34,860

I hope could give at least at least a

594

00:26:42,710 --> 00:26:39,240

bit of uh how can I say a fuel to this

595

00:26:46,010 --> 00:26:42,720

possibility of some

596

00:26:48,649 --> 00:26:46,020

uh of of starting

597

00:26:51,350 --> 00:26:48,659

um of going against this this negative

598

00:26:53,810 --> 00:26:51,360

attitude which is prevailing today

599

00:26:56,029 --> 00:26:53,820

well I just want to finish with a line

600

00:26:57,470 --> 00:26:56,039

from your own blog Paolo and I'll put

601
00:26:59,330 --> 00:26:57,480
all your links in social media

602
00:27:00,289 --> 00:26:59,340
descriptions underneath for people to

603
00:27:02,930 --> 00:27:00,299
follow

604
00:27:04,909 --> 00:27:02,940
um but the enchanting neutral setting of

605
00:27:07,970 --> 00:27:04,919
the city of San Marino and its Mount

606
00:27:10,130 --> 00:27:07,980
Titan both UNESCO world heritage sites

607
00:27:12,529 --> 00:27:10,140
could truly become the new Geneva of

608
00:27:14,149 --> 00:27:12,539
UFOs and I truly hope that to be the

609
00:27:16,610 --> 00:27:14,159
case because this is certainly a subject

610
00:27:19,010 --> 00:27:16,620
it could bring Nations and the world

611
00:27:21,110 --> 00:27:19,020
together at a bit of a rocky time so

612
00:27:23,090 --> 00:27:21,120
Paulo thank you very much for your work

613
00:27:26,029 --> 00:27:23,100

and continued efforts and thank you for

614

00:27:28,610 --> 00:27:26,039

your time thank you Andy and I hope to

615

00:27:31,370 --> 00:27:28,620

see you soon with positive news

616

00:27:33,169 --> 00:27:31,380

that is all for this week's show thank

617

00:27:34,970 --> 00:27:33,179

you very much for listening please

618

00:27:37,669 --> 00:27:34,980

remember to leave the podcast a review

619

00:27:40,190 --> 00:27:37,679

on your chosen platform you can like

620

00:27:42,049 --> 00:27:40,200

retweet And subscribe that would all be

621

00:27:44,090 --> 00:27:42,059

very much appreciated the shows are

622

00:27:45,769 --> 00:27:44,100

being uploaded onto YouTube as we speak

623

00:27:48,230 --> 00:27:45,779

more and more you can sign up at

624

00:27:50,390 --> 00:27:48,240

patreon.com forward slash that UFO

625

00:27:52,370 --> 00:27:50,400

podcast to access it shows ad free as

626

00:27:55,549 --> 00:27:52,380

well please get in touch on Twitter

627

00:27:59,390 --> 00:27:55,559

Facebook Instagram that UFO podcast of

628

00:28:01,370 --> 00:27:59,400

course on Twitter it's at UFO UAP am and

629

00:28:05,450 --> 00:28:01,380

again folks as always keep looking up

630

00:28:05,460 --> 00:28:31,250

foreign

631

00:28:31,260 --> 00:28:49,730

[Music]

632

00:28:49,740 --> 00:28:53,800

today

633

00:28:58,190 --> 00:28:55,210

[Music]

634

00:28:59,710 --> 00:28:58,200

jump back nearly kiss myself and I

635

00:29:04,810 --> 00:28:59,720

climbed out the

636

00:29:04,820 --> 00:29:15,010

they thought it was a dream

637

00:29:45,909 --> 00:29:35,070

[Music]

638

00:30:00,630 --> 00:29:48,740

your eyes

639

00:30:12,049 --> 00:30:09,310

[Music]

640

00:30:22,720 --> 00:30:12,059

it wasn't a Tic-Tac and not quite a
