

QUICKFIRE OMNIBUS

1
00:00:03,470 --> 00:00:00,790

[Music]

2
00:00:06,130 --> 00:00:03,480

this is Leslie Kane and you're listening

3
00:00:09,650 --> 00:00:06,140

to that UFO podcast

4
00:00:15,110 --> 00:00:11,930

hi everyone and welcome back to that

5
00:00:16,790 --> 00:00:15,120

uefo podcast Andy here and I am taking a

6
00:00:20,029 --> 00:00:16,800

well-earned break over this Christmas

7
00:00:22,490 --> 00:00:20,039

festive New Year period but in that time

8
00:00:24,529 --> 00:00:22,500

to keep the content coming I've dipped

9
00:00:27,109 --> 00:00:24,539

right back into the archives and I mean

10
00:00:29,509 --> 00:00:27,119

the very early shows of that UFO podcast

11
00:00:32,030 --> 00:00:29,519

if you've been with the podcast from the

12
00:00:33,889 --> 00:00:32,040

beginning or when you joined you dipped

13
00:00:36,290 --> 00:00:33,899

back and checked out those very early

14

00:00:38,150 --> 00:00:36,300

episodes you'll have heard some of these

15

00:00:40,310 --> 00:00:38,160

clips already but I think for many of

16

00:00:42,049 --> 00:00:40,320

you these these will be pretty new I

17

00:00:44,150 --> 00:00:42,059

used to finish every episode every

18

00:00:46,130 --> 00:00:44,160

interview with a quick fire round that

19

00:00:47,630 --> 00:00:46,140

has still happened sometimes but not all

20

00:00:49,790 --> 00:00:47,640

the time depending on guests

21

00:00:51,770 --> 00:00:49,800

availability and timing as well and

22

00:00:54,170 --> 00:00:51,780

sometimes just relevance but in those

23

00:00:55,729 --> 00:00:54,180

early episodes speaking to guests we

24

00:00:58,010 --> 00:00:55,739

covered topics at the end of each

25

00:01:01,930 --> 00:00:58,020

interview including Skinwalker Ranch

26
00:01:05,329 --> 00:01:01,940
Roswell famous names and ufology ce5

27
00:01:07,130 --> 00:01:05,339
disclosure and much much more so this

28
00:01:09,109 --> 00:01:07,140
part one is going to be followed by a

29
00:01:11,390 --> 00:01:09,119
few more parts over the next week to 10

30
00:01:13,310 --> 00:01:11,400
days just to give myself a bit of a

31
00:01:15,350 --> 00:01:13,320
break but rest assured in the New Year

32
00:01:17,330 --> 00:01:15,360
there will be fresh interviews released

33
00:01:19,310 --> 00:01:17,340
which are already being recorded when

34
00:01:22,609 --> 00:01:19,320
you listen to this some of them may have

35
00:01:25,310 --> 00:01:22,619
actually been recorded anyway but I

36
00:01:27,770 --> 00:01:25,320
think after 300 releases I'm due a week

37
00:01:30,050 --> 00:01:27,780
off so please don't Grudge me and my

38
00:01:32,330 --> 00:01:30,060

wife and kids will probably thank you

39

00:01:35,030 --> 00:01:32,340

for it as well I've enjoyed going back

40

00:01:37,069 --> 00:01:35,040

and checking out some of these clips uh

41

00:01:39,770 --> 00:01:37,079

I think I've improved ever so slightly

42

00:01:41,870 --> 00:01:39,780

in terms of interviewing and the quality

43

00:01:44,149 --> 00:01:41,880

of the sound as well so this sounds

44

00:01:46,670 --> 00:01:44,159

almost like Old School radio at times

45

00:01:49,670 --> 00:01:46,680

but I'd like to thank those early guests

46

00:01:53,990 --> 00:01:49,680

once again Gary Voorhees Sean Cahill

47

00:01:56,270 --> 00:01:54,000

Jason gleaves Tim McMillan and MJ benais

48

00:01:58,730 --> 00:01:56,280

all of them have made multiple

49

00:02:00,710 --> 00:01:58,740

appearances on the podcast or played a

50

00:02:02,929 --> 00:02:00,720

big part in the podcast over its time as

51
00:02:05,990 --> 00:02:02,939
well so thank you to them I hope you The

52
00:02:08,029 --> 00:02:06,000
Listener has a wonderful festive period

53
00:02:09,830 --> 00:02:08,039
please keep listening keep tuning in

54
00:02:12,229 --> 00:02:09,840
keep sharing the show keep getting in

55
00:02:14,570 --> 00:02:12,239
touch it's been an incredible year thank

56
00:02:16,850 --> 00:02:14,580
you so much to everyone who has bothered

57
00:02:18,830 --> 00:02:16,860
to listen I really do appreciate it it

58
00:02:20,809 --> 00:02:18,840
is ridiculous how many of you choose to

59
00:02:22,369 --> 00:02:20,819
listen week in and week out thanks to

60
00:02:24,589 --> 00:02:22,379
everyone who helps with the show thanks

61
00:02:26,089 --> 00:02:24,599
to Dan for his part in the show his

62
00:02:28,010 --> 00:02:26,099
analysis thanks for putting those

63
00:02:29,990 --> 00:02:28,020

YouTube videos together for me as well

64

00:02:32,030 --> 00:02:30,000

and for the graphics thanks to all the

65

00:02:33,530 --> 00:02:32,040

guys at UAP media for the work that they

66

00:02:35,750 --> 00:02:33,540

have done over the course of the Year

67

00:02:37,550 --> 00:02:35,760

especially some incredible incredible

68

00:02:39,949 --> 00:02:37,560

efforts on the research front from them

69

00:02:41,630 --> 00:02:39,959

and just in general thanks to anyone who

70

00:02:44,449 --> 00:02:41,640

bothers to come onto the show to talk to

71

00:02:46,070 --> 00:02:44,459

me or for any of you who choose to

72

00:02:48,589 --> 00:02:46,080

listen but listen enough about this

73

00:02:50,570 --> 00:02:48,599

let's get back to you who wants to check

74

00:02:53,809 --> 00:02:50,580

out those early quick fire rounds

75

00:02:56,089 --> 00:02:53,819

kicking off with Gary verhis

76

00:02:57,770 --> 00:02:56,099

first off just a few words or a few

77

00:02:59,150 --> 00:02:57,780

sentences what comes to mind and if

78

00:03:01,430 --> 00:02:59,160

nothing does we can move on in the next

79

00:03:03,229 --> 00:03:01,440

one okay and so the first one you can

80

00:03:04,850 --> 00:03:03,239

attached on earlier but just to come

81

00:03:09,470 --> 00:03:04,860

back because it's really important that

82

00:03:12,170 --> 00:03:09,480

the D1 disclosure talking about that

83

00:03:14,570 --> 00:03:12,180

well who comes to mind is is that uh

84

00:03:17,570 --> 00:03:14,580

like I said I I don't ever think that it

85

00:03:20,030 --> 00:03:17,580

it can come out um disclosure gets too

86

00:03:22,369 --> 00:03:20,040

close to National Security

87

00:03:24,229 --> 00:03:22,379

um even even to the people that would

88

00:03:25,369 --> 00:03:24,239

love to tell you uh you know that's the

89

00:03:26,930 --> 00:03:25,379

reason why I think that when these

90

00:03:28,369 --> 00:03:26,940

presidents are running for for office

91

00:03:29,750 --> 00:03:28,379

and they say you know what I'm going to

92

00:03:32,210 --> 00:03:29,760

get to the bottom of this alien

93

00:03:33,830 --> 00:03:32,220

situation and then they find out and

94

00:03:35,990 --> 00:03:33,840

then they're just like well you

95

00:03:37,970 --> 00:03:36,000

know I can't say that I can't even talk

96

00:03:40,490 --> 00:03:37,980

about that you know you know when they

97

00:03:43,309 --> 00:03:40,500

truly find out you know what's going on

98

00:03:45,110 --> 00:03:43,319

I got a feeling that you know they just

99

00:03:47,330 --> 00:03:45,120

can't talk about it and you know whether

100

00:03:50,149 --> 00:03:47,340

it's a you know stability of our economy

101
00:03:52,009 --> 00:03:50,159
or stability of our security you know

102
00:03:54,289 --> 00:03:52,019
there's no country is going to admit

103
00:03:56,869 --> 00:03:54,299
that they can't provide a hundred

104
00:04:00,649 --> 00:03:56,879
percent security to their country and

105
00:04:03,170 --> 00:04:00,659
that starts and stops with classifying

106
00:04:05,630 --> 00:04:03,180
any information that is to the contrary

107
00:04:07,670 --> 00:04:05,640
to that yeah and I suppose we're seeing

108
00:04:09,530 --> 00:04:07,680
a bit of a taste in that um with a virus

109
00:04:11,149 --> 00:04:09,540
at the minute as it's kind of going

110
00:04:13,309 --> 00:04:11,159
throughout the world that people often

111
00:04:15,050 --> 00:04:13,319
stockpiling toilet paper

112
00:04:16,729 --> 00:04:15,060
um taking a combat this so the way

113
00:04:18,409 --> 00:04:16,739

they've reacted to this probably shows

114

00:04:21,289 --> 00:04:18,419

you that something like that coming out

115

00:04:23,150 --> 00:04:21,299

which let's be honest is probably the

116

00:04:26,210 --> 00:04:23,160

biggest single biggest story of all time

117

00:04:28,189 --> 00:04:26,220

they're not going to react well to it so

118

00:04:28,969 --> 00:04:28,199

they want regular to it apparently we

119

00:04:31,909 --> 00:04:28,979

thought they were going to shoot

120

00:04:33,350 --> 00:04:31,919

themselves to death yeah yeah that was

121

00:04:34,850 --> 00:04:33,360

that was at least that people's problems

122

00:04:35,870 --> 00:04:34,860

but yeah the toilet paper went pretty

123

00:04:37,850 --> 00:04:35,880

quickly

124

00:04:40,070 --> 00:04:37,860

um next one I want to ask you uh Lou

125

00:04:42,650 --> 00:04:40,080

Elizondo

126
00:04:44,330 --> 00:04:42,660
any thoughts

127
00:04:46,670 --> 00:04:44,340
um

128
00:04:48,650 --> 00:04:46,680
I think he's legit

129
00:04:50,330 --> 00:04:48,660
I think that he's been where he says he

130
00:04:51,830 --> 00:04:50,340
has and he's done what he says he has

131
00:04:54,969 --> 00:04:51,840
done

132
00:04:59,570 --> 00:04:57,469
he's you know he talks exactly like

133
00:05:02,210 --> 00:04:59,580
somebody that

134
00:05:03,890 --> 00:05:02,220
would be in that situation where he

135
00:05:06,050 --> 00:05:03,900
wants to be on the mainstream with it

136
00:05:08,030 --> 00:05:06,060
but there's just stuff he can't talk

137
00:05:10,129 --> 00:05:08,040
about so he has to prove it instead he

138
00:05:11,510 --> 00:05:10,139

has to come back you know it's like uh

139

00:05:12,950 --> 00:05:11,520

you know if I want to talk about

140

00:05:15,830 --> 00:05:12,960

something about my system or something

141

00:05:17,570 --> 00:05:15,840

like that I actually will Google

142

00:05:20,150 --> 00:05:17,580

whatever I want to talk about to see

143

00:05:22,550 --> 00:05:20,160

whether or not it's already out there

144

00:05:25,189 --> 00:05:22,560

and then if it's already out there I'll

145

00:05:26,749 --> 00:05:25,199

talk about it and and I have to just

146

00:05:29,210 --> 00:05:26,759

double check to make sure it's not

147

00:05:31,969 --> 00:05:29,220

classified but luckily for me all my

148

00:05:34,070 --> 00:05:31,979

stuff was from 16 plus years ago so most

149

00:05:38,090 --> 00:05:34,080

of that stuff is has already been sold

150

00:05:40,129 --> 00:05:38,100

off to other countries okay so so yeah

151

00:05:41,629 --> 00:05:40,139

so I'm good with talking about some of

152

00:05:43,850 --> 00:05:41,639

the systems but there's some some system

153

00:05:46,490 --> 00:05:43,860

specifications like frequencies and

154

00:05:48,170 --> 00:05:46,500

events and times things like that but

155

00:05:50,629 --> 00:05:48,180

not related to

156

00:05:51,350 --> 00:05:50,639

this incident and I I still can't talk

157

00:05:53,210 --> 00:05:51,360

about

158

00:05:54,650 --> 00:05:53,220

but

159

00:05:58,249 --> 00:05:54,660

and that's what people don't understand

160

00:06:00,050 --> 00:05:58,259

and the way he talks it's it's it's kind

161

00:06:02,689 --> 00:06:00,060

of I kind of kind of feel the feeling

162

00:06:04,490 --> 00:06:02,699

when it comes to that stuff because you

163

00:06:06,170 --> 00:06:04,500

know if he really was working hand in

164

00:06:08,090 --> 00:06:06,180

hand with that stuff you know it's like

165

00:06:10,189 --> 00:06:08,100

uh you know I had a buddy that was a

166

00:06:12,770 --> 00:06:10,199

spook which is basically an intelligence

167

00:06:13,969 --> 00:06:12,780

guy you know he you know great guy and

168

00:06:15,529 --> 00:06:13,979

everything like that and when he asked

169

00:06:17,629 --> 00:06:15,539

him what he did he say yeah I'm a spoon

170

00:06:21,770 --> 00:06:17,639

and you go what did you do he goes well

171

00:06:23,689 --> 00:06:21,780

I do spook stuff yeah he goes you know

172

00:06:26,870 --> 00:06:23,699

what I do I go I know what you do I go

173

00:06:28,490 --> 00:06:26,880

can you tell me about it no you know so

174

00:06:30,890 --> 00:06:28,500

it's you know it's kind of that type of

175

00:06:32,689 --> 00:06:30,900

situation so if he can actually come up

176

00:06:34,850 --> 00:06:32,699

with the actual evidence in the civilian

177

00:06:38,210 --> 00:06:34,860

world for what he already knows

178

00:06:40,730 --> 00:06:38,220

he'll then you know then he can move on

179

00:06:42,350 --> 00:06:40,740

and actually talk about it but until he

180

00:06:44,629 --> 00:06:42,360

does that you know I don't think he can

181

00:06:46,370 --> 00:06:44,639

really talk about it and plus if he you

182

00:06:48,469 --> 00:06:46,380

know you know people that are stressing

183

00:06:50,510 --> 00:06:48,479

him about you know wanting solid records

184

00:06:53,029 --> 00:06:50,520

about you know him his involvement with

185

00:06:54,710 --> 00:06:53,039

atip and things like that and you know

186

00:06:56,570 --> 00:06:54,720

here's here's a program that literally

187

00:06:59,210 --> 00:06:56,580

didn't exist until

188

00:07:01,790 --> 00:06:59,220

a couple years ago

189

00:07:03,590 --> 00:07:01,800

I mean it existed but it didn't exist

190

00:07:05,510 --> 00:07:03,600

yeah you know so you know they're not

191

00:07:07,309 --> 00:07:05,520

gonna they're gonna have their roster or

192

00:07:09,050 --> 00:07:07,319

record of their who worked there you

193

00:07:11,330 --> 00:07:09,060

know they're not gonna yeah I mean it's

194

00:07:13,070 --> 00:07:11,340

just it's just illogical for me to think

195

00:07:14,809 --> 00:07:13,080

that the government would admit that you

196

00:07:16,249 --> 00:07:14,819

know who worked on what projects and

197

00:07:18,830 --> 00:07:16,259

stuff like that and start being able to

198

00:07:21,050 --> 00:07:18,840

throw uh tracers for people to actually

199

00:07:23,570 --> 00:07:21,060

Trace down these track down these people

200

00:07:27,050 --> 00:07:23,580

that worked in these projects and you

201
00:07:28,790 --> 00:07:27,060
know you know poor Lou I mean no matter

202
00:07:31,010 --> 00:07:28,800
what he does whether he's telling the

203
00:07:33,290 --> 00:07:31,020
truth or not

204
00:07:34,909 --> 00:07:33,300
you know he's stuck between a rock and a

205
00:07:37,249 --> 00:07:34,919
hard place the only difference is he's

206
00:07:39,770 --> 00:07:37,259
not making he's not making crazy

207
00:07:41,629 --> 00:07:39,780
outrageous claims and maybe not like

208
00:07:44,870 --> 00:07:41,639
other people in that organization but

209
00:07:47,270 --> 00:07:44,880
you know he he just got kind of stuck in

210
00:07:49,430 --> 00:07:47,280
that Crossfire there and you know him

211
00:07:51,409 --> 00:07:49,440
and Chris Mellon uh they're upstanding

212
00:07:52,730 --> 00:07:51,419
guys I mean very intelligent guys I mean

213
00:07:54,770 --> 00:07:52,740

you could see it right in their eyes

214

00:07:56,689 --> 00:07:54,780

when they talk to you you know I mean

215

00:07:58,430 --> 00:07:56,699

I'm not talking about that corny

216

00:08:01,249 --> 00:07:58,440

that you saw on TV you know when you

217

00:08:04,249 --> 00:08:01,259

actually talk to them you know they they

218

00:08:06,770 --> 00:08:04,259

come off as is very intelligent people

219

00:08:08,629 --> 00:08:06,780

very you know very calculated very you

220

00:08:10,790 --> 00:08:08,639

know like they know more about what's

221

00:08:12,710 --> 00:08:10,800

going on in your room than you do

222

00:08:13,969 --> 00:08:12,720

yeah you know so it's like all right

223

00:08:16,550 --> 00:08:13,979

well I'm just gonna go and tell you

224

00:08:19,309 --> 00:08:16,560

exactly what I know to be true to myself

225

00:08:21,350 --> 00:08:19,319

and that's it yeah because you probably

226

00:08:24,170 --> 00:08:21,360

already know more than I do you know you

227

00:08:26,089 --> 00:08:24,180

probably investigated this situation I

228

00:08:28,550 --> 00:08:26,099

can totally get what you come from like

229

00:08:30,529 --> 00:08:28,560

a guy like Louis zondo like it can talk

230

00:08:33,170 --> 00:08:30,539

forever so I watched one of his YouTube

231

00:08:35,029 --> 00:08:33,180

videos well not one of his but some from

232

00:08:36,589 --> 00:08:35,039

some conference he'd done last year and

233

00:08:38,630 --> 00:08:36,599

it's him standing at a PowerPoint for

234

00:08:40,610 --> 00:08:38,640

about two and a half hours and at the

235

00:08:42,469 --> 00:08:40,620

end of it it tells you nothing but it

236

00:08:43,969 --> 00:08:42,479

says quite a lot and it keeps you

237

00:08:46,550 --> 00:08:43,979

interested and intrigued the whole time

238

00:08:48,650 --> 00:08:46,560

and I think if Loyola zondo had a slogan

239

00:08:50,750 --> 00:08:48,660

on a tee shot it would be look at the

240

00:08:52,790 --> 00:08:50,760

data because all it tells you is look at

241

00:08:54,710 --> 00:08:52,800

the data look at the data and he's

242

00:08:56,690 --> 00:08:54,720

trying to tell you as much as he can I

243

00:08:58,910 --> 00:08:56,700

see what you mean without coming out and

244

00:09:00,650 --> 00:08:58,920

saying yes these things are alien yes

245

00:09:03,290 --> 00:09:00,660

they come from here yes they do this

246

00:09:05,570 --> 00:09:03,300

it's like it is it not it's almost from

247

00:09:07,490 --> 00:09:05,580

an area a place of frustration that are

248

00:09:10,250 --> 00:09:07,500

these things not fascinating enough just

249

00:09:13,009 --> 00:09:10,260

with this sample of data that you can't

250

00:09:14,870 --> 00:09:13,019

find that big enough to take on uh just

251
00:09:16,730 --> 00:09:14,880
like when I hear people say that uh you

252
00:09:18,170 --> 00:09:16,740
know enough with the the limiting

253
00:09:19,910 --> 00:09:18,180
counter and stuff like that and I go

254
00:09:21,769 --> 00:09:19,920
well you know that's that's fine if

255
00:09:23,630 --> 00:09:21,779
you're bored with that but I mean it's

256
00:09:25,490 --> 00:09:23,640
still the first time in human history

257
00:09:27,769 --> 00:09:25,500
that the United States government in any

258
00:09:29,449 --> 00:09:27,779
capacity has admitted that there are

259
00:09:32,269 --> 00:09:29,459
unknown objects that they track on a

260
00:09:34,550 --> 00:09:32,279
regular basis absolutely you know I mean

261
00:09:37,009 --> 00:09:34,560
that in itself I mean if you knew

262
00:09:38,930 --> 00:09:37,019
nothing about the situation that in

263
00:09:40,610 --> 00:09:38,940

itself is

264

00:09:43,250 --> 00:09:40,620

one of the most amazing pieces of

265

00:09:45,530 --> 00:09:43,260

information that you know you know 20

266

00:09:46,670 --> 00:09:45,540

years ago people doing these research if

267

00:09:48,530 --> 00:09:46,680

they had gotten that they would be like

268

00:09:52,070 --> 00:09:48,540

oh my God you know that would have been

269

00:09:53,690 --> 00:09:52,080

disclosure for them yeah if someone told

270

00:09:56,509 --> 00:09:53,700

you before this happened that that was

271

00:09:58,910 --> 00:09:56,519

going to happen on your mind that that

272

00:10:00,110 --> 00:09:58,920

now that's that's too much but the only

273

00:10:02,690 --> 00:10:00,120

people that aren't happy are the ones

274

00:10:05,690 --> 00:10:02,700

that actually want to uh you know see

275

00:10:07,670 --> 00:10:05,700

and visit and travel with aliens if you

276

00:10:09,829 --> 00:10:07,680

get any thoughts on Ultra terrestrials

277

00:10:12,350 --> 00:10:09,839

and that concept of theory is something

278

00:10:13,430 --> 00:10:12,360

that Tom delongs talked about now is it

279

00:10:14,990 --> 00:10:13,440

the theory that they're coming from

280

00:10:17,509 --> 00:10:15,000

different dimensions

281

00:10:19,009 --> 00:10:17,519

yeah potentially this planet but

282

00:10:22,310 --> 00:10:19,019

different dimensions or that there's

283

00:10:24,650 --> 00:10:22,320

another potential older race that are on

284

00:10:26,150 --> 00:10:24,660

this planet you know I think it's been

285

00:10:28,670 --> 00:10:26,160

described as a little bit like wakanda

286

00:10:30,230 --> 00:10:28,680

and black panther yeah that could be

287

00:10:33,470 --> 00:10:30,240

like that whole hidden civilization

288

00:10:35,090 --> 00:10:33,480

that's here something like that I think

289

00:10:36,889 --> 00:10:35,100

that if their technology was Advanced

290

00:10:40,370 --> 00:10:36,899

enough that they definitely could hide

291

00:10:42,230 --> 00:10:40,380

in plain sight relatively easy from us

292

00:10:45,170 --> 00:10:42,240

um because they would probably have

293

00:10:47,030 --> 00:10:45,180

techniques to you know alter memory and

294

00:10:48,350 --> 00:10:47,040

things like that so I mean they could

295

00:10:49,670 --> 00:10:48,360

literally just run a whole operation

296

00:10:50,630 --> 00:10:49,680

here on the planet nobody would ever

297

00:10:53,810 --> 00:10:50,640

know

298

00:10:55,430 --> 00:10:53,820

um so I mean by that ex by that then I I

299

00:10:57,050 --> 00:10:55,440

think that you know there's a

300

00:10:58,730 --> 00:10:57,060

possibility of that

301

00:11:00,949 --> 00:10:58,740

um I've thrown around that idea I've

302

00:11:02,990 --> 00:11:00,959

even thrown around the idea that uh you

303

00:11:04,970 --> 00:11:03,000

know there has been ancient you know

304

00:11:06,590 --> 00:11:04,980

this and a whole other massively

305

00:11:10,610 --> 00:11:06,600

Advanced civilizations on this very

306

00:11:14,930 --> 00:11:10,620

Planet before we ever evolved you know

307

00:11:20,509 --> 00:11:14,940

um yeah there's and then of course uh

308

00:11:25,250 --> 00:11:20,519

the I'm a crazy novice in physics but it

309

00:11:27,290 --> 00:11:25,260

it honestly I love physics and one of

310

00:11:29,329 --> 00:11:27,300

the things that has caught my interest

311

00:11:31,790 --> 00:11:29,339

is a lot of the advances in quantum

312

00:11:34,009 --> 00:11:31,800

physics lately and

313

00:11:36,410 --> 00:11:34,019

you know uh for for the people that

314

00:11:39,230 --> 00:11:36,420

aren't familiar with you know quantum

315

00:11:42,470 --> 00:11:39,240

physics and regular physics they're not

316

00:11:44,150 --> 00:11:42,480

two different physics uh it's just that

317

00:11:46,250 --> 00:11:44,160

and they've been around forever quantum

318

00:11:48,290 --> 00:11:46,260

physics has been around forever uh you

319

00:11:50,030 --> 00:11:48,300

know during Einstein's time they knew

320

00:11:52,670 --> 00:11:50,040

about it they just didn't use it because

321

00:11:54,769 --> 00:11:52,680

it wasn't as handy

322

00:11:56,389 --> 00:11:54,779

um basically if you're using you know

323

00:11:59,389 --> 00:11:56,399

regular standard stuff I'm trying to

324

00:12:00,949 --> 00:11:59,399

figure out how this ball drops and goes

325

00:12:03,230 --> 00:12:00,959

across my yard I'm going to use a

326

00:12:05,990 --> 00:12:03,240

standard model physics because it all

327

00:12:08,509 --> 00:12:06,000

works but if I'm gonna try to figure out

328

00:12:11,150 --> 00:12:08,519

every air molecule that moved off of

329

00:12:13,670 --> 00:12:11,160

that ball and then interacted with every

330

00:12:16,130 --> 00:12:13,680

Quark that reactivated every neon and

331

00:12:18,650 --> 00:12:16,140

every particle every like particle and

332

00:12:20,030 --> 00:12:18,660

stuff like that that while that ball is

333

00:12:22,490 --> 00:12:20,040

moving through and then trying to

334

00:12:26,269 --> 00:12:22,500

calculate you know everything else like

335

00:12:32,509 --> 00:12:29,329

so it gets more it's more of quantifying

336

00:12:34,190 --> 00:12:32,519

the small rather than the big

337

00:12:36,110 --> 00:12:34,200

awesome what about the fam

338

00:12:37,550 --> 00:12:36,120

extraterrestrial

339

00:12:39,470 --> 00:12:37,560

where does that sit with you in this

340

00:12:42,350 --> 00:12:39,480

whole thing so now the ultra terrestrial

341

00:12:45,829 --> 00:12:42,360

uh seems plausible for me because of my

342

00:12:48,590 --> 00:12:45,839

uh thoughts on on how the universe

343

00:12:50,569 --> 00:12:48,600

started and that uh when when trying to

344

00:12:53,690 --> 00:12:50,579

look back on trying to figure out doing

345

00:12:55,490 --> 00:12:53,700

uh thought experiments on like how the

346

00:12:56,629 --> 00:12:55,500

universe came in to be with the big bang

347

00:12:58,970 --> 00:12:56,639

you know

348

00:13:00,769 --> 00:12:58,980

um and I had heard a heard a statement

349

00:13:03,290 --> 00:13:00,779

from a physicist saying that you know

350

00:13:05,569 --> 00:13:03,300

it's it's it's it's it could be possible

351
00:13:07,430 --> 00:13:05,579
that the Big Bang was basically the back

352
00:13:09,290 --> 00:13:07,440
side of a black hole

353
00:13:11,629 --> 00:13:09,300
you know basically they're saying that

354
00:13:13,069 --> 00:13:11,639
in another dimension that enough

355
00:13:15,949 --> 00:13:13,079
material

356
00:13:18,590 --> 00:13:15,959
got pulled into a black hole in that

357
00:13:21,230 --> 00:13:18,600
Dimension that it actually burst into

358
00:13:22,569 --> 00:13:21,240
our Dimension causing a big bang of

359
00:13:25,069 --> 00:13:22,579
material

360
00:13:26,750 --> 00:13:25,079
and then at the very moment that that

361
00:13:29,030 --> 00:13:26,760
material started to move through this

362
00:13:30,650 --> 00:13:29,040
Dimension that it actually created the

363
00:13:34,910 --> 00:13:30,660

dimension itself

364

00:13:37,129 --> 00:13:34,920

now for every possible

365

00:13:39,290 --> 00:13:37,139

direction that the that this material

366

00:13:41,870 --> 00:13:39,300

could have moved in that's a different

367

00:13:44,870 --> 00:13:41,880

dimension that would have been created

368

00:13:46,670 --> 00:13:44,880

and then not on top of that or not

369

00:13:47,930 --> 00:13:46,680

on top of that you're going to actually

370

00:13:49,790 --> 00:13:47,940

have

371

00:13:52,730 --> 00:13:49,800

or not Dimensions but you're going to

372

00:13:54,949 --> 00:13:52,740

have a parallel existences to this one

373

00:13:57,350 --> 00:13:54,959

so it's not only different dimensions

374

00:13:59,509 --> 00:13:57,360

but parallel existences too you know

375

00:14:01,850 --> 00:13:59,519

basically the ups and the Downs you know

376

00:14:03,350 --> 00:14:01,860

you get your your first second or your

377

00:14:04,670 --> 00:14:03,360

first second third all the way up to

378

00:14:07,790 --> 00:14:04,680

seventh Dimension I think they've

379

00:14:10,310 --> 00:14:07,800

they've mathematically proven exists or

380

00:14:12,530 --> 00:14:10,320

you know and I'll figure what on that

381

00:14:15,170 --> 00:14:12,540

one yet well I I you know I've only read

382

00:14:18,829 --> 00:14:15,180

a couple of things on that right now and

383

00:14:22,030 --> 00:14:18,839

then of course uh yeah there's a there's

384

00:14:26,150 --> 00:14:22,040

a theory that there's multiple

385

00:14:28,790 --> 00:14:26,160

existences too multiple realities

386

00:14:30,650 --> 00:14:28,800

and I think that those realities come

387

00:14:32,389 --> 00:14:30,660

into play whenever there's a choice

388

00:14:33,949 --> 00:14:32,399

whether you whether you blinked that

389

00:14:36,350 --> 00:14:33,959

moment or you didn't blink that moment

390

00:14:38,569 --> 00:14:36,360

now you have two different realities so

391

00:14:41,210 --> 00:14:38,579

forever so for every for every micro

392

00:14:42,889 --> 00:14:41,220

thought and every every every micro

393

00:14:44,210 --> 00:14:42,899

inflection on your face there was always

394

00:14:45,710 --> 00:14:44,220

something different you could have done

395

00:14:47,389 --> 00:14:45,720

and there was an infinite amount of

396

00:14:48,889 --> 00:14:47,399

universes that were created at that one

397

00:14:51,949 --> 00:14:48,899

moment

398

00:14:54,290 --> 00:14:51,959

so it's uh yeah I've thought a little

399

00:14:57,470 --> 00:14:54,300

too far into all this so we won't go too

400

00:14:59,269 --> 00:14:57,480

far but from what I think uh could

401
00:15:02,090 --> 00:14:59,279
technically be possible with physics

402
00:15:03,889 --> 00:15:02,100
that there's very very real possibility

403
00:15:06,710 --> 00:15:03,899
that these could come from another

404
00:15:09,470 --> 00:15:06,720
dimension or even a

405
00:15:11,269 --> 00:15:09,480
a parallel universe

406
00:15:14,329 --> 00:15:11,279
so you would say less likely to be

407
00:15:17,569 --> 00:15:14,339
another planet more likely dimensional

408
00:15:18,769 --> 00:15:17,579
um due due to due to the amount of time

409
00:15:20,990 --> 00:15:18,779
that it would take to move around

410
00:15:23,569 --> 00:15:21,000
because all right say somebody somebody

411
00:15:25,500 --> 00:15:23,579
say somebody did visit our planet and

412
00:15:26,030 --> 00:15:25,510
they were just uh

413
00:15:27,350 --> 00:15:26,040

[Music]

414

00:15:29,269 --> 00:15:27,360

um

415

00:15:31,370 --> 00:15:29,279

uh there's there's a there's a scientist

416

00:15:35,150 --> 00:15:31,380

Kevin Knute that's in part of my the

417

00:15:37,129 --> 00:15:35,160

uapx uh organization and he actually

418

00:15:40,430 --> 00:15:37,139

summed it up really well in one of his

419

00:15:42,290 --> 00:15:40,440

lectures uh say I visit your planet and

420

00:15:47,090 --> 00:15:42,300

I leave

421

00:15:48,650 --> 00:15:47,100

planet it could be 10 000 years before I

422

00:15:50,150 --> 00:15:48,660

even get back to your planet but for me

423

00:15:52,910 --> 00:15:50,160

it could have only been

424

00:15:54,590 --> 00:15:52,920

you know a Dozen Years

425

00:15:56,629 --> 00:15:54,600

you know I come back and you know

426

00:15:59,689 --> 00:15:56,639

Evolution's taking a turn for its work

427

00:16:01,430 --> 00:15:59,699

for the worst okay or you know if I come

428

00:16:04,430 --> 00:16:01,440

here I could have just set up

429

00:16:06,650 --> 00:16:04,440

set up camp with remote operations and

430

00:16:08,389 --> 00:16:06,660

then moved on to the next planet never

431

00:16:11,569 --> 00:16:08,399

to come back here but now you see the

432

00:16:14,090 --> 00:16:11,579

remnants of me because I left a bunch of

433

00:16:16,730 --> 00:16:14,100

you know remote operated vehicles to

434

00:16:19,490 --> 00:16:16,740

track and maintain uh what's going on

435

00:16:21,470 --> 00:16:19,500

here I left a bunch of tech tacks off

436

00:16:23,150 --> 00:16:21,480

the California coast depositing about

437

00:16:25,129 --> 00:16:23,160

yeah and those are different cardio

438

00:16:27,110 --> 00:16:25,139

groups now those are the more fantastic

439

00:16:28,189 --> 00:16:27,120

ideas that I've come up with and of

440

00:16:31,430 --> 00:16:28,199

course those are the ones that people

441

00:16:34,970 --> 00:16:31,440

want to hear the real reality of the

442

00:16:37,490 --> 00:16:34,980

situation is is it very well could be

443

00:16:38,689 --> 00:16:37,500

just our own technology that's been

444

00:16:41,449 --> 00:16:38,699

curtailed

445

00:16:42,949 --> 00:16:41,459

our own you know our own people because

446

00:16:44,930 --> 00:16:42,959

when it comes down to it we've seen it

447

00:16:46,990 --> 00:16:44,940

happen with oil we've seen it happen

448

00:16:49,730 --> 00:16:47,000

with diamonds we've seen it happen with

449

00:16:51,769 --> 00:16:49,740

every natural resource on this planet

450

00:16:52,790 --> 00:16:51,779

it's you know for me for the people to

451
00:16:53,990 --> 00:16:52,800
say that it doesn't happen with

452
00:16:56,629 --> 00:16:54,000
technology

453
00:16:58,189 --> 00:16:56,639
well I'm I'm sad to say that there's a

454
00:16:59,329 --> 00:16:58,199
lot of tech I've seen that it still

455
00:17:01,490 --> 00:16:59,339
hasn't even hit the market nothing

456
00:17:03,290 --> 00:17:01,500
fantastic just you know it's like I

457
00:17:05,750 --> 00:17:03,300
remember when oleds finally hit the

458
00:17:07,789 --> 00:17:05,760
market I saw that like 30 years

459
00:17:09,590 --> 00:17:07,799
prior so that's a great one I've got

460
00:17:11,270 --> 00:17:09,600
another couple of words to throw at you

461
00:17:14,650 --> 00:17:11,280
then I cannot finish up

462
00:17:19,010 --> 00:17:14,660
um any thoughts on Bob Lazar

463
00:17:20,030 --> 00:17:19,020

I think that there's truth there that

464

00:17:22,789 --> 00:17:20,040

got

465

00:17:25,370 --> 00:17:22,799

corrupted by a media

466

00:17:28,730 --> 00:17:25,380

okay and that corrupted in a way that

467

00:17:31,250 --> 00:17:28,740

that like they Twisted it but I have a

468

00:17:33,890 --> 00:17:31,260

feeling that the guy had a fantastic

469

00:17:35,750 --> 00:17:33,900

story to begin with that got

470

00:17:38,390 --> 00:17:35,760

just

471

00:17:40,310 --> 00:17:38,400

blown up to a proportion that it didn't

472

00:17:41,990 --> 00:17:40,320

need to be and I think the guy kind of

473

00:17:43,789 --> 00:17:42,000

felt like he had to keep up with it and

474

00:17:45,770 --> 00:17:43,799

something new all the time you know I I

475

00:17:49,430 --> 00:17:45,780

see I see a guy with something fantastic

476
00:17:53,390 --> 00:17:49,440
happened to that it just got turned and

477
00:17:55,130 --> 00:17:53,400
twisted and change into an animal that

478
00:17:56,450 --> 00:17:55,140
he couldn't control anymore and I think

479
00:17:58,310 --> 00:17:56,460
that's really why you kind of went off

480
00:17:59,750 --> 00:17:58,320
the grid for so long because he just

481
00:18:01,669 --> 00:17:59,760
couldn't control the narrative anymore

482
00:18:03,169 --> 00:18:01,679
he couldn't control the story it was

483
00:18:05,270 --> 00:18:03,179
just kind of had a might of its own

484
00:18:06,710 --> 00:18:05,280
after a certain point

485
00:18:08,510 --> 00:18:06,720
totally fair

486
00:18:10,850 --> 00:18:08,520
um and I want to ask you to kind of

487
00:18:13,610 --> 00:18:10,860
summarize a little bit where do you see

488
00:18:16,669 --> 00:18:13,620

things as related to this topic in the

489

00:18:21,669 --> 00:18:19,430

I see all of us still craving for more

490

00:18:24,289 --> 00:18:21,679

knowledge

491

00:18:26,930 --> 00:18:24,299

unfortunately but all of us waiting for

492

00:18:29,049 --> 00:18:26,940

the next Tic Tac incident

493

00:18:31,490 --> 00:18:29,059

do you see anything else coming out like

494

00:18:34,370 --> 00:18:31,500

not that as you say that the Princeton

495

00:18:35,630 --> 00:18:34,380

limits not that it's amazing but do you

496

00:18:36,950 --> 00:18:35,640

think we'll get more release to have

497

00:18:38,990 --> 00:18:36,960

happened more recently because a lot

498

00:18:41,390 --> 00:18:39,000

came out that potentially we know

499

00:18:42,590 --> 00:18:41,400

there's been more incidents but do you

500

00:18:44,570 --> 00:18:42,600

think it will come out

501

00:18:47,630 --> 00:18:44,580

well I think that it definitely will

502

00:18:49,970 --> 00:18:47,640

become uh more commonplace I think that

503

00:18:51,890 --> 00:18:49,980

with the Nimitz incident that it's now

504

00:18:54,409 --> 00:18:51,900

going to be a little bit more mainstream

505

00:18:56,270 --> 00:18:54,419

so there's been some really good push

506

00:18:58,970 --> 00:18:56,280

forward for this to be a mainstream

507

00:19:01,850 --> 00:18:58,980

topic and what I'm really hoping for the

508

00:19:03,110 --> 00:19:01,860

future is real science real scientists

509

00:19:05,450 --> 00:19:03,120

you know people that would have just

510

00:19:06,710 --> 00:19:05,460

scoffed at this years ago hopping on

511

00:19:08,330 --> 00:19:06,720

that bandwagon kind of like when

512

00:19:10,909 --> 00:19:08,340

Einstein was trying to say the time was

513

00:19:13,010 --> 00:19:10,919

relative and that uh you know oh you're

514

00:19:14,150 --> 00:19:13,020

you're nuts you know and then all of

515

00:19:15,590 --> 00:19:14,160

a sudden he was proven right and

516

00:19:17,690 --> 00:19:15,600

everybody jumps on that bandwagon and

517

00:19:21,190 --> 00:19:17,700

starts riding uh you know doing the uh

518

00:19:24,049 --> 00:19:21,200

doing the trip to Oregon yeah

519

00:19:26,330 --> 00:19:24,059

you know so I'm really hoping that it

520

00:19:28,909 --> 00:19:26,340

becomes even more mainstream

521

00:19:30,770 --> 00:19:28,919

um I'm you know I'm hoping that uh you

522

00:19:32,750 --> 00:19:30,780

know colleges that instead of will have

523

00:19:35,510 --> 00:19:32,760

instead of having this under their their

524

00:19:37,250 --> 00:19:35,520

paranormal uh you know the few colleges

525

00:19:40,450 --> 00:19:37,260

that have degrees in paranormal

526

00:19:44,330 --> 00:19:40,460

psychology or paranormal uh or

527

00:19:47,330 --> 00:19:44,340

paranormal studies uh I hope that it

528

00:19:51,230 --> 00:19:47,340

becomes a topic that is well researched

529

00:19:53,450 --> 00:19:51,240

and actually it brings in some you know

530

00:19:56,390 --> 00:19:53,460

more Brilliant Minds like uh you know

531

00:20:00,289 --> 00:19:56,400

like deep the Deep facade and uh Kevin

532

00:20:01,970 --> 00:20:00,299

knuth and uh you know uh people of that

533

00:20:03,890 --> 00:20:01,980

nature where they're just absolutely

534

00:20:05,810 --> 00:20:03,900

brilliant people that have had this

535

00:20:07,549 --> 00:20:05,820

education that we can all wish that we

536

00:20:10,130 --> 00:20:07,559

had I don't know what your education is

537

00:20:12,710 --> 00:20:10,140

but mine is is not as good as I'd love

538

00:20:14,630 --> 00:20:12,720

it to be and then uh I've actually vowed

539

00:20:18,350 --> 00:20:14,640

to get my doctorate before my daughter

540

00:20:20,630 --> 00:20:18,360

graduates high school so uh

541

00:20:22,730 --> 00:20:20,640

so Gary and that's all we've got time

542

00:20:25,070 --> 00:20:22,740

for but thank you very much

543

00:20:26,870 --> 00:20:25,080

awesome so that moves as nicely and they

544

00:20:28,730 --> 00:20:26,880

can award Association I've done this

545

00:20:30,409 --> 00:20:28,740

with Gary on the last episode it was

546

00:20:31,850 --> 00:20:30,419

really good so it can be a couple of

547

00:20:33,710 --> 00:20:31,860

words first thing that comes in your

548

00:20:35,870 --> 00:20:33,720

mind or a few sentences or if you want

549

00:20:37,070 --> 00:20:35,880

to go in a bit more you can but I'll

550

00:20:39,230 --> 00:20:37,080

change it about a little bit because

551
00:20:42,470 --> 00:20:39,240
like you've touched on meditation uh

552
00:20:44,870 --> 00:20:42,480
interested in your thoughts so on ce5

553
00:20:48,070 --> 00:20:44,880
and Stephen Greer obviously haven't

554
00:20:51,890 --> 00:20:48,080
really recently released a documentary

555
00:20:53,870 --> 00:20:51,900
well ce5 in general to me is just to me

556
00:20:55,730 --> 00:20:53,880
personally it's a simplification and

557
00:20:57,529 --> 00:20:55,740
rebranding of what a lot of people call

558
00:20:59,450 --> 00:20:57,539
channeling or mediumship

559
00:21:01,970 --> 00:20:59,460
and I think that if people are

560
00:21:04,370 --> 00:21:01,980
interested in ce5 they should also do a

561
00:21:06,650 --> 00:21:04,380
little bit of research uh into

562
00:21:08,570 --> 00:21:06,660
mediumship and channeling

563
00:21:10,669 --> 00:21:08,580

because if they have trepidation about

564

00:21:13,850 --> 00:21:10,679

it based on what it's named they should

565

00:21:16,010 --> 00:21:13,860

they should just take it a little easy

566

00:21:17,330 --> 00:21:16,020

um as far as Dr Greer goes I acknowledge

567

00:21:19,310 --> 00:21:17,340

his incredible

568

00:21:20,810 --> 00:21:19,320

um wealth of knowledge and his

569

00:21:22,610 --> 00:21:20,820

incredible catalog

570

00:21:25,909 --> 00:21:22,620

of uh

571

00:21:29,029 --> 00:21:25,919

of of evidence that he's brought forth

572

00:21:31,310 --> 00:21:29,039

to people the disclosure project Etc

573

00:21:35,029 --> 00:21:31,320

um I'm not a fan of branding of any kind

574

00:21:38,029 --> 00:21:35,039

in regards to this so

575

00:21:40,010 --> 00:21:38,039

I also my feelings also stem stemming

576

00:21:43,130 --> 00:21:40,020

from meditation are that people be

577

00:21:44,630 --> 00:21:43,140

careful when involving very strong

578

00:21:47,930 --> 00:21:44,640

emotions

579

00:21:50,210 --> 00:21:47,940

and expectations and things like that

580

00:21:52,669 --> 00:21:50,220

because we can mislead ourselves I'm not

581

00:21:55,070 --> 00:21:52,679

I'm not debunking anything I'm not

582

00:21:57,590 --> 00:21:55,080

saying that that any any of these

583

00:22:00,169 --> 00:21:57,600

um protocols that people

584

00:22:04,070 --> 00:22:00,179

uh represent or that they may be selling

585

00:22:04,789 --> 00:22:04,080

whether they have validity or not

586

00:22:06,529 --> 00:22:04,799

um

587

00:22:08,330 --> 00:22:06,539

I'm just saying that I think people need

588

00:22:10,909 --> 00:22:08,340

to be their own advocates

589

00:22:13,730 --> 00:22:10,919

and if they they just need to be careful

590

00:22:15,770 --> 00:22:13,740

be careful of

591

00:22:18,649 --> 00:22:15,780

personalities leading your spiritual

592

00:22:21,470 --> 00:22:18,659

journey rather than your own heart

593

00:22:23,450 --> 00:22:21,480

so on the scale of the unidentified to

594

00:22:26,210 --> 00:22:23,460

Ancient Aliens you would say that falls

595

00:22:27,409 --> 00:22:26,220

more towards the Ancient Aliens side of

596

00:22:29,690 --> 00:22:27,419

things

597

00:22:32,210 --> 00:22:29,700

well I don't I don't I don't have I

598

00:22:34,370 --> 00:22:32,220

don't have evidentiary efficacy for the

599

00:22:36,649 --> 00:22:34,380

claims that are being made

600

00:22:39,409 --> 00:22:36,659

so I have to place it more into

601
00:22:41,270 --> 00:22:39,419
underneath a umbrella of entertainment

602
00:22:42,649 --> 00:22:41,280
until I see that now I know that there's

603
00:22:44,930 --> 00:22:42,659
people that will say well you haven't

604
00:22:46,669 --> 00:22:44,940
the data is here the data is there and

605
00:22:49,430 --> 00:22:46,679
it may be and and my investigation

606
00:22:51,590 --> 00:22:49,440
hasn't led me to a point where I have

607
00:22:56,330 --> 00:22:51,600
where I have really tried to put any

608
00:22:58,430 --> 00:22:56,340
kind of um any kind of weight behind ce5

609
00:23:00,230 --> 00:22:58,440
um I've had my own personal experience

610
00:23:02,570 --> 00:23:00,240
with it and frankly that's what leads me

611
00:23:04,310 --> 00:23:02,580
to tell people to be careful I know that

612
00:23:05,630 --> 00:23:04,320
people will say that that

613
00:23:07,490 --> 00:23:05,640

um there's a lot of people out there

614

00:23:09,409 --> 00:23:07,500

that like to immediately say well that's

615

00:23:11,270 --> 00:23:09,419

all you there's no bad guys out there

616

00:23:13,730 --> 00:23:11,280

there's nothing negative to this

617

00:23:15,289 --> 00:23:13,740

whatsoever and I I personally cannot

618

00:23:17,810 --> 00:23:15,299

believe

619

00:23:19,490 --> 00:23:17,820

that all agendas out there have my best

620

00:23:22,190 --> 00:23:19,500

interest at heart because if there's

621

00:23:25,789 --> 00:23:22,200

more than one that's impossible

622

00:23:29,210 --> 00:23:25,799

yeah so so I'm I'm I'm not in the I'm

623

00:23:32,090 --> 00:23:29,220

not in the game of following uh agendas

624

00:23:36,350 --> 00:23:32,100

um I like to make my own distinctions

625

00:23:38,390 --> 00:23:36,360

um you know I I intend to to Lou and I

626

00:23:39,770 --> 00:23:38,400

intend to work together in the future

627

00:23:41,270 --> 00:23:39,780

um we have other projects that we're

628

00:23:43,669 --> 00:23:41,280

working on together

629

00:23:46,250 --> 00:23:43,679

and he knows that the number one

630

00:23:48,649 --> 00:23:46,260

important thing to me is authenticity

631

00:23:52,010 --> 00:23:48,659

um I don't want any BS in this you know

632

00:23:54,830 --> 00:23:52,020

I I do like to speculate for fun but

633

00:23:57,470 --> 00:23:54,840

I'll be darned if I claim to know what

634

00:23:59,330 --> 00:23:57,480

what any of these things are so

635

00:24:01,909 --> 00:23:59,340

um that authenticity piece is real

636

00:24:03,710 --> 00:24:01,919

important to me awesome so I'll get a

637

00:24:05,990 --> 00:24:03,720

few more uh what associations if you

638

00:24:08,930 --> 00:24:06,000

don't mind uh Tom DeLong

639

00:24:11,450 --> 00:24:08,940

uh genius

640

00:24:12,710 --> 00:24:11,460

fan of his music as well you know it's

641

00:24:14,810 --> 00:24:12,720

it's funny

642

00:24:16,730 --> 00:24:14,820

um I like a lot of his music but I had a

643

00:24:19,130 --> 00:24:16,740

roommate when I was in Guam for a few

644

00:24:21,049 --> 00:24:19,140

years who incessantly played Blink 182

645

00:24:23,930 --> 00:24:21,059

when they first when they first came out

646

00:24:26,570 --> 00:24:23,940

to a point that it was the only I think

647

00:24:27,950 --> 00:24:26,580

heavy petting zoo was the only um I

648

00:24:30,830 --> 00:24:27,960

think that was the record but it was the

649

00:24:32,870 --> 00:24:30,840

only one that he played and so it took

650

00:24:34,789 --> 00:24:32,880

me a long time to come to to get back to

651

00:24:36,049 --> 00:24:34,799

it but yeah I do like Tom's music

652

00:24:38,870 --> 00:24:36,059

um and angels and Airlines it's funny

653

00:24:40,430 --> 00:24:38,880

yeah yeah he's had some really good

654

00:24:42,350 --> 00:24:40,440

stuff uh it's funny how these things

655

00:24:44,330 --> 00:24:42,360

come through circularly

656

00:24:45,289 --> 00:24:44,340

um what about Chris melon Christopher

657

00:24:49,190 --> 00:24:45,299

melon

658

00:24:51,529 --> 00:24:49,200

uh gravitas is the word that I think

659

00:24:54,529 --> 00:24:51,539

um stands behind Chris melon

660

00:24:58,310 --> 00:24:54,539

um for people who don't know who Chris

661

00:25:01,250 --> 00:24:58,320

Mellon is uh the positions he's held and

662

00:25:04,430 --> 00:25:01,260

and his family Etc the idea that he's

663

00:25:07,430 --> 00:25:04,440

taking that he has taken such a serious

664

00:25:10,010 --> 00:25:07,440

interest in this especially given um the

665

00:25:11,810 --> 00:25:10,020

assumptions of what uh Mr mellon's Been

666

00:25:16,610 --> 00:25:11,820

briefed on

667

00:25:21,950 --> 00:25:19,190

Chris and Lou together

668

00:25:24,230 --> 00:25:21,960

um on TV is is almost an Unstoppable

669

00:25:26,330 --> 00:25:24,240

force uh

670

00:25:27,950 --> 00:25:26,340

Chris melon is one of those people that

671

00:25:30,409 --> 00:25:27,960

I I get a little I get a little

672

00:25:32,570 --> 00:25:30,419

tongue-tied when I'm a when uh the

673

00:25:33,950 --> 00:25:32,580

subject of him comes up um actually to

674

00:25:35,690 --> 00:25:33,960

be honest with you a lot of the team at

675

00:25:37,549 --> 00:25:35,700

ttsa gets me a little tongue-tied and

676

00:25:40,610 --> 00:25:37,559

I'm not a fanboy it's

677

00:25:43,610 --> 00:25:40,620

I've looked into their pedigrees

678

00:25:45,590 --> 00:25:43,620

and these people made a lot of phone

679

00:25:47,690 --> 00:25:45,600

calls to each other before any of this

680

00:25:50,390 --> 00:25:47,700

stuff happened and before they they just

681

00:25:51,710 --> 00:25:50,400

they said let's risk our reputations to

682

00:25:56,090 --> 00:25:51,720

take this forward

683

00:25:58,190 --> 00:25:56,100

so um yeah I'm Blown Away

684

00:25:59,990 --> 00:25:58,200

I think earlier when we talked about the

685

00:26:02,690 --> 00:26:00,000

the weight behind the evidence that's

686

00:26:04,430 --> 00:26:02,700

Chris melon's name jumps out at what

687

00:26:06,169 --> 00:26:04,440

he's done in the levels like you say and

688

00:26:07,730 --> 00:26:06,179

those assumptive briefings you talked

689

00:26:10,370 --> 00:26:07,740

about the things this man has been privy

690

00:26:14,690 --> 00:26:10,380

to and must know and is incredible

691

00:26:17,330 --> 00:26:16,190

you know

692

00:26:19,549 --> 00:26:17,340

um

693

00:26:21,529 --> 00:26:19,559

as I don't have a I don't have any

694

00:26:24,350 --> 00:26:21,539

personal views on Bob

695

00:26:25,010 --> 00:26:24,360

but I feel that Bob

696

00:26:28,310 --> 00:26:25,020

um

697

00:26:31,310 --> 00:26:28,320

Bob always has seemed to have a little

698

00:26:32,630 --> 00:26:31,320

bit of an aura around him that makes me

699

00:26:35,570 --> 00:26:32,640

nervous because of the way he was

700

00:26:37,430 --> 00:26:35,580

treated when he first appeared

701
00:26:40,549 --> 00:26:37,440
um now given that the time that that's

702
00:26:42,230 --> 00:26:40,559
since when Bob first spoke up when we

703
00:26:44,630 --> 00:26:42,240
first learned of him years ago to now

704
00:26:46,250 --> 00:26:44,640
we've also learned that to an extent

705
00:26:48,169 --> 00:26:46,260
that there that there's been a certain

706
00:26:49,909 --> 00:26:48,179
acknowledgment of disinformation that

707
00:26:51,590 --> 00:26:49,919
occurred

708
00:26:54,649 --> 00:26:51,600
um there's been a certain acknowledgment

709
00:26:57,289 --> 00:26:54,659
that um that these secrets were that

710
00:26:59,210 --> 00:26:57,299
certain secrets were being kept so we

711
00:27:01,250 --> 00:26:59,220
know that those Secrets existed now so

712
00:27:03,049 --> 00:27:01,260
we have to take the things that were

713
00:27:06,049 --> 00:27:03,059

said about Bob Lazar with a grain of

714

00:27:08,090 --> 00:27:06,059

salt and we also have to give Credence

715

00:27:10,789 --> 00:27:08,100

to the fact that Bob's back

716

00:27:12,950 --> 00:27:10,799

and Bob's got a lot of the same names

717

00:27:14,330 --> 00:27:12,960

are standing right behind him and and if

718

00:27:15,710 --> 00:27:14,340

they're not right behind him and in the

719

00:27:17,510 --> 00:27:15,720

credits they're they're off to the side

720

00:27:19,070 --> 00:27:17,520

giving the thumbs up and saying yeah do

721

00:27:21,110 --> 00:27:19,080

this thing

722

00:27:23,570 --> 00:27:21,120

um so so that says a lot now whether

723

00:27:25,310 --> 00:27:23,580

whether Bob has the whole truth and

724

00:27:26,990 --> 00:27:25,320

nothing but the truth again I don't I

725

00:27:28,850 --> 00:27:27,000

haven't seen anybody who's holding on to

726

00:27:31,850 --> 00:27:28,860

the whole truth yet and I don't know it

727

00:27:33,470 --> 00:27:31,860

either but my instincts tell me we've

728

00:27:35,149 --> 00:27:33,480

got a lot of people holding a lot of

729

00:27:36,649 --> 00:27:35,159

different pieces of it

730

00:27:39,049 --> 00:27:36,659

okay

731

00:27:41,630 --> 00:27:39,059

um a phrase that has changed in

732

00:27:43,010 --> 00:27:41,640

definition a lot even in in recent weeks

733

00:27:45,890 --> 00:27:43,020

rather than recent decades but

734

00:27:47,990 --> 00:27:45,900

extraterrestrial

735

00:27:49,330 --> 00:27:48,000

um I think that we need to loosen up on

736

00:27:51,769 --> 00:27:49,340

a lot of our definitions

737

00:27:53,690 --> 00:27:51,779

extraterrestrial extra more terrestrial

738

00:27:55,669 --> 00:27:53,700

Earth

739

00:27:59,510 --> 00:27:55,679

um I think you know in even the word

740

00:28:01,430 --> 00:27:59,520

alien Etc whatever this is I don't think

741

00:28:03,649 --> 00:28:01,440

it's your neighbor

742

00:28:06,110 --> 00:28:03,659

I don't think he's going down to the top

743

00:28:08,029 --> 00:28:06,120

secret facility in the morning and

744

00:28:11,769 --> 00:28:08,039

zipping off in his spaceships and doing

745

00:28:16,130 --> 00:28:11,779

these things so whatever whatever fits

746

00:28:17,810 --> 00:28:16,140

extraterrestrial ultra-terrestrial alien

747

00:28:19,490 --> 00:28:17,820

um it doesn't bother me but I think we

748

00:28:21,890 --> 00:28:19,500

need to be ready to Pivot once we

749

00:28:23,750 --> 00:28:21,900

actually find one that we can agree is

750

00:28:25,930 --> 00:28:23,760

one

751
00:28:31,310 --> 00:28:25,940
hopefully alive

752
00:28:34,370 --> 00:28:32,990
fundamental

753
00:28:36,049 --> 00:28:34,380
um

754
00:28:37,490 --> 00:28:36,059
one thing the only thing that all of us

755
00:28:40,730 --> 00:28:37,500
can know is that our Consciousness

756
00:28:42,110 --> 00:28:40,740
exists I'm I'm taking it on the only

757
00:28:44,690 --> 00:28:42,120
thing I take on faith is that you're

758
00:28:46,669 --> 00:28:44,700
real too because I can't I can't I can't

759
00:28:48,710 --> 00:28:46,679
prove it

760
00:28:50,810 --> 00:28:48,720
um so our Consciousness and how we

761
00:28:54,649 --> 00:28:50,820
curate our own personal Consciousness

762
00:28:57,230 --> 00:28:54,659
what we allow into it how we express it

763
00:28:58,909 --> 00:28:57,240

um and our interior State I think are

764

00:29:00,649 --> 00:28:58,919

the most important things in our lives

765

00:29:02,810 --> 00:29:00,659

period

766

00:29:06,350 --> 00:29:02,820

awesome and two more if you don't mind

767

00:29:08,210 --> 00:29:06,360

so I'm going to say Mars and I'm in the

768

00:29:10,850 --> 00:29:08,220

planet not the chocolate bar but is

769

00:29:12,649 --> 00:29:10,860

there anything to that

770

00:29:14,330 --> 00:29:12,659

I think it's definitely worthy of

771

00:29:16,669 --> 00:29:14,340

further study but if we're talking about

772

00:29:19,430 --> 00:29:16,679

in regards to this phenomenon there is

773

00:29:21,529 --> 00:29:19,440

there's there are anomalies that need to

774

00:29:25,010 --> 00:29:21,539

be looked at and again there are lines

775

00:29:27,649 --> 00:29:25,020

from those anomalies that we can see

776

00:29:30,529 --> 00:29:27,659

that can be drawn to some of the

777

00:29:33,409 --> 00:29:30,539

intelligence data gathered

778

00:29:35,149 --> 00:29:33,419

uh casually by the same remote viewers

779

00:29:37,310 --> 00:29:35,159

that were being utilized by the

780

00:29:40,010 --> 00:29:37,320

government to do real life intelligence

781

00:29:42,830 --> 00:29:40,020

work that people's lives depended on so

782

00:29:44,269 --> 00:29:42,840

it's an easy thing to throw water on but

783

00:29:46,250 --> 00:29:44,279

this again the same folks that we're

784

00:29:49,010 --> 00:29:46,260

finding the downed aircraft

785

00:29:51,830 --> 00:29:49,020

we're finding a previous

786

00:29:54,049 --> 00:29:51,840

human history piece

787

00:29:55,490 --> 00:29:54,059

to Mars I can't say whether it was real

788

00:29:57,830 --> 00:29:55,500

or not

789

00:30:00,470 --> 00:29:57,840

but again we all have to consider that

790

00:30:02,269 --> 00:30:00,480

if if you're able to find a jet that's

791

00:30:03,830 --> 00:30:02,279

that's crashed

792

00:30:06,110 --> 00:30:03,840

and then you're saying there's something

793

00:30:08,090 --> 00:30:06,120

really interesting on another body in

794

00:30:09,529 --> 00:30:08,100

the solar system perhaps it deserves a a

795

00:30:11,810 --> 00:30:09,539

bit better look

796

00:30:13,549 --> 00:30:11,820

absolutely and I wanted to see a remote

797

00:30:15,590 --> 00:30:13,559

viewing is a topic that fascinates me

798

00:30:17,810 --> 00:30:15,600

and uh again I'd love to speak to again

799

00:30:19,789 --> 00:30:17,820

modern future but that that's something

800

00:30:21,289 --> 00:30:19,799

I'd love to have someone on who's had

801
00:30:23,990 --> 00:30:21,299
experiences in remote viewing like that

802
00:30:25,850 --> 00:30:24,000
and in one of the early episodes and the

803
00:30:27,769 --> 00:30:25,860
last one because for me this is a really

804
00:30:29,210 --> 00:30:27,779
under discussed topic and something I

805
00:30:31,730 --> 00:30:29,220
would I would love to see come to

806
00:30:33,769 --> 00:30:31,740
prominence and and times coming up but

807
00:30:36,590 --> 00:30:33,779
the Phoenix Lights incident

808
00:30:38,269 --> 00:30:36,600
famously from 1994. have you any

809
00:30:40,070 --> 00:30:38,279
thoughts on that

810
00:30:41,810 --> 00:30:40,080
you know it's it's there's a lot of

811
00:30:44,630 --> 00:30:41,820
people have very

812
00:30:47,269 --> 00:30:44,640
um very strong beliefs and emotions

813
00:30:50,330 --> 00:30:47,279

around the Phoenix Lights so it's become

814

00:30:52,370 --> 00:30:50,340

one of the one of the incidents that

815

00:30:54,950 --> 00:30:52,380

unfortunately

816

00:30:56,570 --> 00:30:54,960

um I haven't formed a very solid opinion

817

00:30:59,990 --> 00:30:56,580

on I've talked to some people who I

818

00:31:03,350 --> 00:31:00,000

consider to be very uh

819

00:31:05,930 --> 00:31:03,360

very worthy of providing an opinion

820

00:31:08,810 --> 00:31:05,940

for me in the interim and they believed

821

00:31:11,149 --> 00:31:08,820

that it was something uh unusual

822

00:31:13,669 --> 00:31:11,159

that it wasn't military flares or or

823

00:31:15,409 --> 00:31:13,679

simple aircraft in line or birds or

824

00:31:16,970 --> 00:31:15,419

anything like that

825

00:31:19,010 --> 00:31:16,980

um but I don't have that I don't have

826

00:31:21,529 --> 00:31:19,020

the personal level of knowledge on the

827

00:31:23,110 --> 00:31:21,539

incident that I could say one way or the

828

00:31:25,310 --> 00:31:23,120

other

829

00:31:26,930 --> 00:31:25,320

Association for you some of the things

830

00:31:29,269 --> 00:31:26,940

you've mentioned within the conversation

831

00:31:30,649 --> 00:31:29,279

and again summarize or just your

832

00:31:33,169 --> 00:31:30,659

thoughts and if you have no thoughts on

833

00:31:36,610 --> 00:31:33,179

them we can move on so yeah first one um

834

00:31:39,610 --> 00:31:36,620

is the term UFO

835

00:31:42,409 --> 00:31:39,620

it's slightly um

836

00:31:46,190 --> 00:31:42,419

undermined what it actually means

837

00:31:49,370 --> 00:31:46,200

um people nowadays when you hear that

838

00:31:52,570 --> 00:31:49,380

phrase those three letters UFO

839

00:31:55,210 --> 00:31:52,580

it's it's wrongly thought of people

840

00:31:59,389 --> 00:31:55,220

automatically assumed that it's

841

00:32:02,029 --> 00:31:59,399

extraterrestrial in origin or nature and

842

00:32:04,669 --> 00:32:02,039

it's not UFO is what it actually means

843

00:32:07,250 --> 00:32:04,679

unidentified flying object

844

00:32:09,529 --> 00:32:07,260

you know until you identify what that

845

00:32:11,450 --> 00:32:09,539

object is it is always going to be an

846

00:32:13,430 --> 00:32:11,460

unidentified but it's not always

847

00:32:15,769 --> 00:32:13,440

extraterrestrial

848

00:32:18,350 --> 00:32:15,779

absolutely and following on from that

849

00:32:21,350 --> 00:32:18,360

slightly I don't know if you've seen in

850

00:32:23,210 --> 00:32:21,360

the last week the Magi UFO hashtag

851
00:32:25,730 --> 00:32:23,220
that's been trending with the incident

852
00:32:28,789 --> 00:32:25,740
that's happened potentially in Brazil

853
00:32:31,549 --> 00:32:28,799
yeah um I'm still researching into that

854
00:32:34,070 --> 00:32:31,559
one again there's not an awful lot of

855
00:32:36,710 --> 00:32:34,080
information out there um until I've

856
00:32:39,049 --> 00:32:36,720
actually got more information on it

857
00:32:40,190 --> 00:32:39,059
um I would probably not comment much on

858
00:32:41,930 --> 00:32:40,200
it because

859
00:32:44,389 --> 00:32:41,940
whether you know you can actually

860
00:32:46,669 --> 00:32:44,399
believe it or not believe it

861
00:32:49,850 --> 00:32:46,679
um I like to get more facts before I

862
00:32:51,830 --> 00:32:49,860
actually say more on that one absolutely

863
00:32:53,450 --> 00:32:51,840

um just as a bit of a heads up what one

864

00:32:55,909 --> 00:32:53,460

of the the guys on Twitter I don't know

865

00:32:57,889 --> 00:32:55,919

if you follow Arthur Iglesias

866

00:32:59,510 --> 00:32:57,899

um he's a Brazilian native who lives in

867

00:33:00,950 --> 00:32:59,520

Liverpool like yourself where you're

868

00:33:02,630 --> 00:33:00,960

from funnily enough

869

00:33:05,149 --> 00:33:02,640

um he's been doing a lot of retweets to

870

00:33:06,950 --> 00:33:05,159

the videos and really really kindly has

871

00:33:09,049 --> 00:33:06,960

been doing some translating the language

872

00:33:10,370 --> 00:33:09,059

and just what's being said so if you're

873

00:33:12,289 --> 00:33:10,380

doing some research on that that's

874

00:33:13,970 --> 00:33:12,299

something I I looked into quite a lot

875

00:33:15,950 --> 00:33:13,980

and he might be worth kind of following

876

00:33:17,450 --> 00:33:15,960

on Twitter and getting in touch I don't

877

00:33:19,669 --> 00:33:17,460

know about a 10-minute Roundup show last

878

00:33:21,590 --> 00:33:19,679

night on it again there isn't really

879

00:33:23,330 --> 00:33:21,600

enough to go with what has happened it

880

00:33:26,450 --> 00:33:23,340

looks like something has definitely gone

881

00:33:29,330 --> 00:33:26,460

on but what is very very difficult to

882

00:33:31,669 --> 00:33:29,340

pinpoint this kind of what's out there

883

00:33:34,909 --> 00:33:31,679

um neck pop

884

00:33:38,750 --> 00:33:34,919

yeah well Nick actually came out the day

885

00:33:40,730 --> 00:33:38,760

after the site in the RAF cosford

886

00:33:42,529 --> 00:33:40,740

um and I know Nick quite well

887

00:33:45,350 --> 00:33:42,539

um You Know spoken to him numerous

888

00:33:48,230 --> 00:33:45,360

occasions and he's kindly wrote a nice

889

00:33:51,590 --> 00:33:48,240

piece in the in the the first book UFO

890

00:33:55,190 --> 00:33:51,600

photo on the aftermath of what he went

891

00:33:57,409 --> 00:33:55,200

through through the March 1993 RAF

892

00:34:00,049 --> 00:33:57,419

crossford incident

893

00:34:01,909 --> 00:34:00,059

Nexa a fascinating character for for

894

00:34:04,250 --> 00:34:01,919

anyone in the US he's pretty well known

895

00:34:05,630 --> 00:34:04,260

overseas now with his appearances on a

896

00:34:07,490 --> 00:34:05,640

lot of TV shows

897

00:34:09,530 --> 00:34:07,500

um next someone I'd love to speak to on

898

00:34:13,129 --> 00:34:09,540

the show down the line I attended a

899

00:34:14,270 --> 00:34:13,139

lecture in Berwick of his in 2014 that

900

00:34:15,589 --> 00:34:14,280

he put together

901
00:34:16,730 --> 00:34:15,599
um I believe about last minute he was

902
00:34:18,530 --> 00:34:16,740
coming over at the visit and it was

903
00:34:20,030 --> 00:34:18,540
really well attended and you could

904
00:34:22,430 --> 00:34:20,040
listen to him talk all night he's

905
00:34:23,990 --> 00:34:22,440
fascinating in what he says

906
00:34:25,550 --> 00:34:24,000
um what's your thoughts on Project Blue

907
00:34:28,430 --> 00:34:25,560
Book that's something that's discussed

908
00:34:31,430 --> 00:34:28,440
especially in book two yeah that's a

909
00:34:33,770 --> 00:34:31,440
high neck isn't it um going through you

910
00:34:36,169 --> 00:34:33,780
obviously had the the different uh

911
00:34:39,409 --> 00:34:36,179
projects at the time

912
00:34:41,869 --> 00:34:39,419
um Dr uh Alan heineck

913
00:34:45,470 --> 00:34:41,879

um the astronomer

914

00:34:47,869 --> 00:34:45,480

um again Project Blue Book

915

00:34:49,669 --> 00:34:47,879

was the the last of three books

916

00:34:54,409 --> 00:34:49,679

obviously the first book was Project

917

00:34:57,710 --> 00:34:54,419

sign which is 1947 then 1949 your

918

00:35:01,089 --> 00:34:57,720

project Grudge and Project Blue Book was

919

00:35:07,070 --> 00:35:01,099

really uh Dr heineck was brought into

920

00:35:08,710 --> 00:35:07,080

play to uh debunk UFOs on behalf of the

921

00:35:12,410 --> 00:35:08,720

US government

922

00:35:13,970 --> 00:35:12,420

and he actually did a turnco and

923

00:35:20,390 --> 00:35:13,980

actually

924

00:35:23,510 --> 00:35:20,400

researching and analyzing and he went on

925

00:35:26,510 --> 00:35:23,520

obviously to um write books and even add

926

00:35:28,849 --> 00:35:26,520

a cameo role in the um

927

00:35:31,790 --> 00:35:28,859

Close Encounters of the Third Kind the

928

00:35:34,190 --> 00:35:31,800

Steven Spielberg movie so you know and

929

00:35:37,550 --> 00:35:34,200

again there's the new TV show which I I

930

00:35:39,710 --> 00:35:37,560

quite like things are different to what

931

00:35:42,109 --> 00:35:39,720

are in the book and stuff but it is TV

932

00:35:44,329 --> 00:35:42,119

drama but I think it was done really

933

00:35:46,670 --> 00:35:44,339

well I advise anyone to watch that you

934

00:35:49,490 --> 00:35:46,680

know and it goes into really how he got

935

00:35:51,410 --> 00:35:49,500

into their Project Blue Book

936

00:35:53,530 --> 00:35:51,420

and I will second that I thought that

937

00:35:57,589 --> 00:35:53,540

the TV series was excellent it was a

938

00:35:59,870 --> 00:35:57,599

very X-Files in nature but with as you

939

00:36:01,910 --> 00:35:59,880

see it's got the Hollywood touch but the

940

00:36:04,130 --> 00:36:01,920

storylines were good and to bring in so

941

00:36:05,870 --> 00:36:04,140

many real cases and have that woven

942

00:36:06,950 --> 00:36:05,880

throughout I think was was what was

943

00:36:09,470 --> 00:36:06,960

needed for that type of audience

944

00:36:11,450 --> 00:36:09,480

unfortunately the History Channel in the

945

00:36:12,829 --> 00:36:11,460

US having greenlit a second series

946

00:36:15,230 --> 00:36:12,839

because they're moving a different

947

00:36:17,450 --> 00:36:15,240

direction and it's currently on Hiatus

948

00:36:19,190 --> 00:36:17,460

as it looks for a new home so there is a

949

00:36:20,750 --> 00:36:19,200

petition online if anyone wants to go

950

00:36:23,210 --> 00:36:20,760

and get that signed to get it moved but

951
00:36:25,849 --> 00:36:23,220
in the UK it was on sci-fi and yeah I

952
00:36:26,870 --> 00:36:25,859
thought it was fantastic as well and uh

953
00:36:29,290 --> 00:36:26,880
the last one I'd like to get your

954
00:36:31,970 --> 00:36:29,300
thoughts on is a sighting from from

955
00:36:33,890 --> 00:36:31,980
1997 I believe if I get the year correct

956
00:36:35,690 --> 00:36:33,900
and I wonder if you've done any research

957
00:36:37,970 --> 00:36:35,700
on it but it's one of my my favorite

958
00:36:40,490 --> 00:36:37,980
Topics in neurology is the Phoenix

959
00:36:42,530 --> 00:36:40,500
Lights incident

960
00:36:43,849 --> 00:36:42,540
um yeah I actually had a look at the the

961
00:36:46,670 --> 00:36:43,859
images

962
00:36:49,190 --> 00:36:46,680
um there was somebody else I can't put

963
00:36:51,290 --> 00:36:49,200

the top of me top of my head I can't

964

00:36:53,390 --> 00:36:51,300

actually remember his name but he

965

00:36:56,050 --> 00:36:53,400

actually had a sighting

966

00:36:59,810 --> 00:36:56,060

at the time as well of a similar

967

00:37:03,650 --> 00:36:59,820

v-shaped uh craft I mean this one at

968

00:37:05,510 --> 00:37:03,660

Phoenix light was a huge craft and

969

00:37:07,670 --> 00:37:05,520

people could just see the lights in a

970

00:37:10,670 --> 00:37:07,680

v-shape that appeared and I think there

971

00:37:12,950 --> 00:37:10,680

was 20 000 people saw this you know

972

00:37:14,930 --> 00:37:12,960

actual View

973

00:37:18,170 --> 00:37:14,940

um of this object over over the

974

00:37:20,810 --> 00:37:18,180

nighttime sky it was tried tried to be

975

00:37:23,930 --> 00:37:20,820

debunked saying it was aircraft flares

976

00:37:26,089 --> 00:37:23,940

and all the usual types of things

977

00:37:29,690 --> 00:37:26,099

um but another good thing in relation to

978

00:37:31,910 --> 00:37:29,700

that case recently on the one show here

979

00:37:35,450 --> 00:37:31,920

in the UK

980

00:37:36,349 --> 00:37:35,460

um uh Kurt Russell was a guest on the

981

00:37:39,530 --> 00:37:36,359

show

982

00:37:42,230 --> 00:37:39,540

um yeah yeah it was the time he was he

983

00:37:45,470 --> 00:37:42,240

was his new film wasn't it Guardians of

984

00:37:48,050 --> 00:37:45,480

the Galaxy yeah I believe so yeah

985

00:37:50,450 --> 00:37:48,060

um and he was sat there and they they

986

00:37:53,810 --> 00:37:50,460

brought up I think it was quite

987

00:37:56,390 --> 00:37:53,820

it was so planned in a way the more I

988

00:37:58,550 --> 00:37:56,400

read into it anyway he was sat there the

989

00:38:00,109 --> 00:37:58,560

the one of the presenters next to him

990

00:38:02,390 --> 00:38:00,119

actually went on about the Phoenix

991

00:38:04,910 --> 00:38:02,400

Lights he brought it up

992

00:38:07,130 --> 00:38:04,920

um in in the conversation

993

00:38:09,650 --> 00:38:07,140

um and long story short there was a

994

00:38:12,050 --> 00:38:09,660

civilian pilot that actually witnessed

995

00:38:14,990 --> 00:38:12,060

the Phoenix Lights as he was coming into

996

00:38:16,730 --> 00:38:15,000

land uh at the airport there the local

997

00:38:18,589 --> 00:38:16,740

airport

998

00:38:20,810 --> 00:38:18,599

um obviously a different view to the

999

00:38:22,370 --> 00:38:20,820

people on the ground saw

1000

00:38:24,290 --> 00:38:22,380

um he just saw the lights on a

1001

00:38:26,630 --> 00:38:24,300

horizontal rather than looking up at

1002

00:38:29,810 --> 00:38:26,640

them from the ground anyway

1003

00:38:31,970 --> 00:38:29,820

um as it was being mentioned on the show

1004

00:38:34,430 --> 00:38:31,980

he he said

1005

00:38:38,210 --> 00:38:34,440

he sort of perked up in the conversation

1006

00:38:42,109 --> 00:38:38,220

and said yeah I was that um I was that

1007

00:38:44,329 --> 00:38:42,119

pilot who saw the the Phoenix Lights

1008

00:38:46,730 --> 00:38:44,339

um and he long story short again he said

1009

00:38:48,829 --> 00:38:46,740

he was sat home with his wife as a

1010

00:38:52,069 --> 00:38:48,839

Goldie Goldie Hawn

1011

00:38:54,710 --> 00:38:52,079

um and they were watching the UFO show

1012

00:38:55,849 --> 00:38:54,720

um he said he'd completely forgotten

1013

00:38:58,490 --> 00:38:55,859

about it

1014

00:39:00,410 --> 00:38:58,500

and it came up in in the conversation

1015

00:39:02,990 --> 00:39:00,420

with with Goldie when they were talking

1016

00:39:05,329 --> 00:39:03,000

about the UFOs Etc

1017

00:39:08,150 --> 00:39:05,339

um and she said to him weren't you

1018

00:39:11,510 --> 00:39:08,160

taking one of our um

1019

00:39:13,310 --> 00:39:11,520

children to you know whatever it was fly

1020

00:39:14,510 --> 00:39:13,320

them into the airport you know at the

1021

00:39:16,430 --> 00:39:14,520

time

1022

00:39:19,630 --> 00:39:16,440

um and he said yeah and he said we saw

1023

00:39:23,030 --> 00:39:19,640

it we landed refueled and then came home

1024

00:39:24,770 --> 00:39:23,040

so you know a bit of synchronicity there

1025

00:39:26,750 --> 00:39:24,780

you know the way it all linked up and

1026

00:39:29,930 --> 00:39:26,760

everything but yeah with the Phoenix

1027

00:39:30,910 --> 00:39:29,940

Lights it sort of gave another

1028

00:39:33,530 --> 00:39:30,920

um

1029

00:39:34,790 --> 00:39:33,540

backbone to the the story if you know

1030

00:39:35,329 --> 00:39:34,800

what I mean another

1031

00:39:37,069 --> 00:39:35,339

um

1032

00:39:38,810 --> 00:39:37,079

Step Up

1033

00:39:40,849 --> 00:39:38,820

and you said yourself there's no such

1034

00:39:42,650 --> 00:39:40,859

thing as a coincidence so if that's

1035

00:39:44,089 --> 00:39:42,660

another potential drip feeding back into

1036

00:39:46,250 --> 00:39:44,099

my interesting media that's the world

1037

00:39:48,230 --> 00:39:46,260

for that that's it yeah

1038

00:39:50,089 --> 00:39:48,240

it's a lovely summary and what I'll do

1039

00:39:52,370 --> 00:39:50,099

to him just before we wrap up is just

1040

00:39:55,190 --> 00:39:52,380

run through some uh quick fire I've got

1041

00:39:57,050 --> 00:39:55,200

a few people a few events uh and just a

1042

00:39:58,250 --> 00:39:57,060

phrase or two and I just want either a

1043

00:40:00,230 --> 00:39:58,260

couple of ones or if you want to

1044

00:40:02,030 --> 00:40:00,240

elaborate on it you can and some things

1045

00:40:06,410 --> 00:40:02,040

you've touched on already and so the

1046

00:40:11,690 --> 00:40:09,349

um okay so if I were around

1047

00:40:16,370 --> 00:40:12,430

um

1048

00:40:17,770 --> 00:40:16,380

rebelliously curious entrepreneur

1049

00:40:21,470 --> 00:40:17,780

uh

1050

00:40:23,329 --> 00:40:21,480

that I'd love to know why he um he says

1051

00:40:25,130 --> 00:40:23,339

Beyond any reasonable doubt that he

1052

00:40:27,290 --> 00:40:25,140

doesn't give a damn what anybody says

1053

00:40:29,930 --> 00:40:27,300

aliens are here and so I don't know I'd

1054

00:40:31,870 --> 00:40:29,940

love to know that but uh I'll give him

1055

00:40:34,670 --> 00:40:31,880

credit like I said he's been willing to

1056

00:40:38,390 --> 00:40:34,680

invest his time energy effort and money

1057

00:40:42,530 --> 00:40:38,400

into it uh so rebelliously curious it

1058

00:40:44,810 --> 00:40:42,540

would be my fire round answer okay the

1059

00:40:46,190 --> 00:40:44,820

next one's on a recent event that I'm

1060

00:40:48,589 --> 00:40:46,200

sure you've seen at least a little bit

1061

00:40:49,970 --> 00:40:48,599

about is the major UFO uh instant in

1062

00:40:53,210 --> 00:40:49,980

Brazil

1063

00:40:55,849 --> 00:40:53,220

yeah I I've only just seen a little bit

1064

00:40:58,310 --> 00:40:55,859

I think from what I've heard is it was

1065

00:41:00,230 --> 00:40:58,320

more hoax than real that's just at least

1066

00:41:03,530 --> 00:41:00,240

what I've heard

1067

00:41:04,670 --> 00:41:03,540

um is it still debated yeah it's there

1068

00:41:06,829 --> 00:41:04,680

was something else that's happened quick

1069

00:41:09,770 --> 00:41:06,839

it seems to be honest now around about

1070

00:41:10,910 --> 00:41:09,780

12 to 15 days worth of incidents of now

1071

00:41:12,530 --> 00:41:10,920

going on

1072

00:41:14,810 --> 00:41:12,540

um with lights in the sky in different

1073

00:41:17,150 --> 00:41:14,820

parts of Brazil and again I point out to

1074

00:41:18,710 --> 00:41:17,160

Arthur Iglesias on Twitter who's a UK

1075

00:41:20,870 --> 00:41:18,720

native but he's a Brazilian native

1076
00:41:22,910 --> 00:41:20,880
living in Liverpool in the UK who's done

1077
00:41:24,050 --> 00:41:22,920
some great translations on a lot of the

1078
00:41:26,930 --> 00:41:24,060
civilian

1079
00:41:28,250 --> 00:41:26,940
um videos and there is genuine panic in

1080
00:41:29,870 --> 00:41:28,260
these people's voices they are

1081
00:41:32,089 --> 00:41:29,880
definitely seeing something up in the

1082
00:41:33,530 --> 00:41:32,099
sky there are different light patterns

1083
00:41:35,450 --> 00:41:33,540
appearing similar to some of the things

1084
00:41:37,670 --> 00:41:35,460
you said you saw on your your sighting

1085
00:41:40,250 --> 00:41:37,680
with the sea lights blinking on and off

1086
00:41:42,589 --> 00:41:40,260
so there seems to be something to it

1087
00:41:44,750 --> 00:41:42,599
where we can struggle is does a real

1088
00:41:46,370 --> 00:41:44,760

lack of tangible evidence that there are

1089

00:41:47,690 --> 00:41:46,380

videos of kind of smoke coming from the

1090

00:41:49,490 --> 00:41:47,700

mountains

1091

00:41:51,710 --> 00:41:49,500

um there's a few fake videos thrown in

1092

00:41:53,089 --> 00:41:51,720

there of older drone shows and whatnot

1093

00:41:55,910 --> 00:41:53,099

that are absolutely nothing to do with

1094

00:41:57,589 --> 00:41:55,920

the incident if I had to summarize and

1095

00:42:00,290 --> 00:41:57,599

I'd done a very quick bonus episode of

1096

00:42:01,150 --> 00:42:00,300

that episode I called it 2.5

1097

00:42:04,430 --> 00:42:01,160

um

1098

00:42:07,970 --> 00:42:04,440

Something's Happened what it's really

1099

00:42:09,230 --> 00:42:07,980

unclear and people have seen something

1100

00:42:11,589 --> 00:42:09,240

um but

1101

00:42:14,750 --> 00:42:11,599

yeah there's a lot of military activity

1102

00:42:17,270 --> 00:42:14,760

happenstance that goes on around our an

1103

00:42:19,430 --> 00:42:17,280

industrial military complex but a lot of

1104

00:42:21,530 --> 00:42:19,440

people coming up with that that the

1105

00:42:23,089 --> 00:42:21,540

place does make ammunition and never has

1106

00:42:25,730 --> 00:42:23,099

the level of activity that it has seen

1107

00:42:27,650 --> 00:42:25,740

recently so yeah but it seems that

1108

00:42:29,450 --> 00:42:27,660

there's maybe something worth digging

1109

00:42:31,069 --> 00:42:29,460

into but it could absolutely very

1110

00:42:33,230 --> 00:42:31,079

quickly lead to nothing

1111

00:42:35,150 --> 00:42:33,240

I'd be fascinated by it because that's

1112

00:42:37,250 --> 00:42:35,160

one of the things that I think gets gets

1113

00:42:39,950 --> 00:42:37,260

lumped in too much is that the UFOs

1114

00:42:43,430 --> 00:42:39,960

become either an American or a western

1115

00:42:45,290 --> 00:42:43,440

kind of phenomena and uh you know just

1116

00:42:47,450 --> 00:42:45,300

the other day I was saying I in a

1117

00:42:49,609 --> 00:42:47,460

perfect world and maybe someday someday

1118

00:42:51,530 --> 00:42:49,619

sooner rather than later I will is you

1119

00:42:53,030 --> 00:42:51,540

know like I'd like to go to Africa and

1120

00:42:54,349 --> 00:42:53,040

start asking people yeah you see

1121

00:42:56,329 --> 00:42:54,359

anything weird in this guy you know

1122

00:42:57,890 --> 00:42:56,339

there's like these disconnected regions

1123

00:43:01,190 --> 00:42:57,900

either because a language culture or

1124

00:43:03,710 --> 00:43:01,200

whatever that we just have zero data out

1125

00:43:05,690 --> 00:43:03,720

of and but they also are not corrupted

1126

00:43:07,490 --> 00:43:05,700

by all the other you know I'm not going

1127

00:43:09,230 --> 00:43:07,500

to go to Zimbabwe and they go yeah we

1128

00:43:10,490 --> 00:43:09,240

saw it and you know that's the Roswell

1129

00:43:14,329 --> 00:43:10,500

crash because they don't they don't know

1130

00:43:16,609 --> 00:43:14,339

about that so I would love to hear from

1131

00:43:17,990 --> 00:43:16,619

some of these areas and South America is

1132

00:43:20,510 --> 00:43:18,000

a very intriguing spot to me in general

1133

00:43:22,069 --> 00:43:20,520

another one on the list perfect world I

1134

00:43:24,050 --> 00:43:22,079

want to go down there

1135

00:43:25,849 --> 00:43:24,060

um definite hot bed hot bed just now

1136

00:43:28,250 --> 00:43:25,859

there's so much cavity going on but it's

1137

00:43:30,109 --> 00:43:28,260

definitely worth looking into my next

1138

00:43:32,050 --> 00:43:30,119

one would be extraterrestrial what does

1139

00:43:34,270 --> 00:43:32,060

that mean to you

1140

00:43:37,190 --> 00:43:34,280

uh you know

1141

00:43:39,829 --> 00:43:37,200

extraterrestrial uh in context of the

1142

00:43:41,569 --> 00:43:39,839

UFO thing I think uh I summarize it

1143

00:43:43,910 --> 00:43:41,579

basically as anything that's not human

1144

00:43:46,790 --> 00:43:43,920

being and so you kind of heard me say

1145

00:43:48,890 --> 00:43:46,800

earlier that uh I'm not totally adverse

1146

00:43:51,410 --> 00:43:48,900

to this idea this interdimensional

1147

00:43:53,870 --> 00:43:51,420

theory that you hear people say

1148

00:43:57,650 --> 00:43:53,880

um in addition to

1149

00:43:59,390 --> 00:43:57,660

uh Alien distant world theory there's

1150

00:44:01,609 --> 00:43:59,400

and this is the part where it gets deep

1151
00:44:04,550 --> 00:44:01,619
in the weeds is he just brought up a

1152
00:44:06,770 --> 00:44:04,560
great Point here is there is some

1153
00:44:09,230 --> 00:44:06,780
serious uh scientific and even

1154
00:44:11,569 --> 00:44:09,240
philosophical questions that even exist

1155
00:44:14,210 --> 00:44:11,579
there in terms of being able to travel

1156
00:44:17,390 --> 00:44:14,220
from a different distant star system and

1157
00:44:19,130 --> 00:44:17,400
reality you know if you because of time

1158
00:44:22,190 --> 00:44:19,140
dilation if you were able to travel all

1159
00:44:24,650 --> 00:44:22,200
the way to to another distant distant

1160
00:44:26,089 --> 00:44:24,660
Galaxy when you're looking back from

1161
00:44:28,250 --> 00:44:26,099
that point because time space is

1162
00:44:30,230 --> 00:44:28,260
dependent what if when you're looking

1163
00:44:32,569 --> 00:44:30,240

back like you're technically looking

1164

00:44:34,430 --> 00:44:32,579

back X number thousands or millions of

1165

00:44:35,809 --> 00:44:34,440

years in Earth's future Earth has wiped

1166

00:44:37,910 --> 00:44:35,819

itself out and there's no human beings

1167

00:44:40,250 --> 00:44:37,920

and so it's like well if there's no

1168

00:44:43,069 --> 00:44:40,260

human beings or you've gone the other

1169

00:44:45,530 --> 00:44:43,079

side and human beings don't exist do you

1170

00:44:48,290 --> 00:44:45,540

exist type thing and so that's why I

1171

00:44:49,849 --> 00:44:48,300

wonder that would it seems almost too

1172

00:44:51,650 --> 00:44:49,859

simplistic to believe it's some some

1173

00:44:53,450 --> 00:44:51,660

aliens who hop on a ship and you know

1174

00:44:55,270 --> 00:44:53,460

just happen to travel fast from their

1175

00:44:59,050 --> 00:44:55,280

planet and so

1176

00:45:03,470 --> 00:44:59,060

uh extraterrestrial am I would be

1177

00:45:06,230 --> 00:45:03,480

anything that's not us where Destination

1178

00:45:10,370 --> 00:45:08,510

I agree that it's too simplistic because

1179

00:45:13,670 --> 00:45:10,380

it's aliens hopping on a spaceship from

1180

00:45:15,170 --> 00:45:13,680

Marsden coming down uh something I

1181

00:45:16,670 --> 00:45:15,180

really wanted to talk about today but

1182

00:45:18,589 --> 00:45:16,680

just in doing the research for the show

1183

00:45:19,910 --> 00:45:18,599

uh I found there was so much I could

1184

00:45:21,109 --> 00:45:19,920

have spoke to you about uh and it's

1185

00:45:25,309 --> 00:45:21,119

definitely something I'd love to come

1186

00:45:32,930 --> 00:45:29,390

um I I do not believe Bob Lazar I don't

1187

00:45:34,970 --> 00:45:32,940

uh there's a considerable amount of

1188

00:45:36,890 --> 00:45:34,980

information that has either been made

1189

00:45:39,109 --> 00:45:36,900

public or I haven't just haven't had a

1190

00:45:40,430 --> 00:45:39,119

time to make public because I'll tell

1191

00:45:42,890 --> 00:45:40,440

people

1192

00:45:44,930 --> 00:45:42,900

um I try to really focus on things that

1193

00:45:46,670 --> 00:45:44,940

I think are tangible real and could

1194

00:45:48,589 --> 00:45:46,680

provide realistic results and I don't

1195

00:45:51,170 --> 00:45:48,599

see anything there

1196

00:45:53,990 --> 00:45:51,180

um but yeah no I mean I I going back to

1197

00:45:57,050 --> 00:45:54,000

people that was in his purview and in

1198

00:45:59,569 --> 00:45:57,060

his space in the 1980s up to when he

1199

00:46:01,309 --> 00:45:59,579

supposedly said and all this stuff who

1200

00:46:03,890 --> 00:46:01,319

have told me yeah no he's full of

1201
00:46:06,890 --> 00:46:03,900
and so I

1202
00:46:10,370 --> 00:46:06,900
I am totally open and willing to there

1203
00:46:12,050 --> 00:46:10,380
being the a new evidence presented that

1204
00:46:13,609 --> 00:46:12,060
that says I'm wrong and I'll be the

1205
00:46:16,010 --> 00:46:13,619
first to say I'm wrong but based on the

1206
00:46:18,109 --> 00:46:16,020
prepondence of evidence that I'm have

1207
00:46:22,849 --> 00:46:18,119
gathered and I'm aware of I I don't

1208
00:46:25,270 --> 00:46:22,859
believe uh Bob lazar's story at all so

1209
00:46:28,370 --> 00:46:25,280
that's a good story

1210
00:46:33,210 --> 00:46:28,380
yeah awesome and the last one that we've

1211
00:46:35,030 --> 00:46:33,220
touched on um for you what is disclosure

1212
00:46:37,069 --> 00:46:35,040
[Applause]

1213
00:46:39,829 --> 00:46:37,079

disclosure you know and it does it more

1214

00:46:41,630 --> 00:46:39,839

surround I think disclosure for me would

1215

00:46:44,750 --> 00:46:41,640

be just what we talked about earlier it

1216

00:46:47,750 --> 00:46:44,760

would be that kind of acknowledgment and

1217

00:46:51,349 --> 00:46:47,760

supported by supporting evidence uh

1218

00:46:55,250 --> 00:46:51,359

showing that there is indeed something

1219

00:46:57,290 --> 00:46:55,260

uh that is undefined unknown it is not

1220

00:46:59,950 --> 00:46:57,300

human technology it is not foreign

1221

00:47:04,609 --> 00:46:59,960

technology it's not our technology

1222

00:47:06,710 --> 00:47:04,619

being disclosed to the point where uh my

1223

00:47:09,170 --> 00:47:06,720

my version of disclosure is when enough

1224

00:47:11,809 --> 00:47:09,180

information comes out that that somebody

1225

00:47:14,210 --> 00:47:11,819

like Nick West goes well holy okay

1226

00:47:16,069 --> 00:47:14,220

that's interesting guys let's let's try

1227

00:47:20,030 --> 00:47:16,079

to tackle this problem now instead of

1228

00:47:23,690 --> 00:47:20,040

debunking it and so to me that's that is

1229

00:47:25,490 --> 00:47:23,700

disclosure it's not um I just simply

1230

00:47:27,530 --> 00:47:25,500

have never seen any evidence that

1231

00:47:29,690 --> 00:47:27,540

disclosure is going to be Wheeling the

1232

00:47:31,910 --> 00:47:29,700

bodies out from Roswell or something I

1233

00:47:34,069 --> 00:47:31,920

don't maybe they do have them that would

1234

00:47:36,290 --> 00:47:34,079

be interesting that'd be super cool but

1235

00:47:39,710 --> 00:47:36,300

I don't know that that's real but who

1236

00:47:41,510 --> 00:47:39,720

knows hey but then would it be still

1237

00:47:44,690 --> 00:47:41,520

with that shrug that Matthew Harris

1238

00:47:45,430 --> 00:47:44,700

mentioned I don't know that would be I

1239

00:47:48,170 --> 00:47:45,440

mean

1240

00:47:50,510 --> 00:47:48,180

if the if the president or somebody on

1241

00:47:52,430 --> 00:47:50,520

TV wheeled out the bodies and you know

1242

00:47:54,470 --> 00:47:52,440

you got a tour of the the secret

1243

00:47:56,930 --> 00:47:54,480

underground facilities if that was true

1244

00:47:58,670 --> 00:47:56,940

I don't know that one I I would hope if

1245

00:48:00,770 --> 00:47:58,680

that was met with a shrug then I'm just

1246

00:48:02,329 --> 00:48:00,780

gonna you know I'm gonna go ahead and go

1247

00:48:05,630 --> 00:48:02,339

outside and welcome the apocalypse

1248

00:48:10,250 --> 00:48:08,270

yeah I mean that would I think very

1249

00:48:13,010 --> 00:48:10,260

rightly so and that's why I try to be

1250

00:48:15,290 --> 00:48:13,020

very serious about this topic is because

1251
00:48:18,410 --> 00:48:15,300
at its heart what we're talking about

1252
00:48:20,690 --> 00:48:18,420
could be the most significant it is the

1253
00:48:22,430 --> 00:48:20,700
most significant thing next to the

1254
00:48:24,829 --> 00:48:22,440
development of language in human beings

1255
00:48:26,630 --> 00:48:24,839
and and so it should be treated

1256
00:48:30,109 --> 00:48:26,640
seriously I mean why shouldn't it be

1257
00:48:33,770 --> 00:48:30,119
both scrutiny and and open-mindedness

1258
00:48:36,050 --> 00:48:33,780
um so yeah I don't know I I hope that uh

1259
00:48:38,450 --> 00:48:36,060
I agree with Dr Hirsch I I really he

1260
00:48:40,010 --> 00:48:38,460
because that he gave such great comments

1261
00:48:42,410 --> 00:48:40,020
and everything and and

1262
00:48:44,450 --> 00:48:42,420
our conversation there was explicitly

1263
00:48:47,210 --> 00:48:44,460

just kind of focused in on the idea that

1264

00:48:49,069 --> 00:48:47,220

the government did like encounter some

1265

00:48:51,589 --> 00:48:49,079

technology and it didn't understand it

1266

00:48:52,370 --> 00:48:51,599

so they hid it from people

1267

00:48:56,390 --> 00:48:52,380

um

1268

00:48:58,069 --> 00:48:56,400

and so you know I in actuality you know

1269

00:48:59,930 --> 00:48:58,079

to some extent I think if they came out

1270

00:49:02,630 --> 00:48:59,940

and that was true and they they rolled

1271

00:49:04,309 --> 00:49:02,640

out the Roswell wreckage I think he's

1272

00:49:07,790 --> 00:49:04,319

right in that a lot of people would be

1273

00:49:10,670 --> 00:49:07,800

like well duh you know we've known that

1274

00:49:11,450 --> 00:49:10,680

you know thanks for telling us

1275

00:49:15,190 --> 00:49:11,460

um

1276

00:49:19,490 --> 00:49:15,200

yeah I don't know it would be it would

1277

00:49:21,829 --> 00:49:19,500

sadly I think what you'd see is not

1278

00:49:24,130 --> 00:49:21,839

enough focus on that in and of itself

1279

00:49:26,630 --> 00:49:24,140

you would see mainstream news being like

1280

00:49:28,010 --> 00:49:26,640

see you know the current presidential

1281

00:49:29,930 --> 00:49:28,020

Administration or the past president

1282

00:49:32,329 --> 00:49:29,940

they're all pieces of and they've

1283

00:49:33,349 --> 00:49:32,339

been lying and I want to impeach or I

1284

00:49:36,050 --> 00:49:33,359

want to charge them with a crime

1285

00:49:38,150 --> 00:49:36,060

unfortunately I just based on what we

1286

00:49:40,250 --> 00:49:38,160

see recently politics would jump in and

1287

00:49:42,589 --> 00:49:40,260

everybody would want to blame whatever

1288

00:49:45,770 --> 00:49:42,599

partisan party they liked or didn't like

1289

00:49:47,270 --> 00:49:45,780

and uh meanwhile you know there'd be

1290

00:49:49,309 --> 00:49:47,280

some people like us it'd be going well

1291

00:49:52,150 --> 00:49:49,319

can we ask you a little more about those

1292

00:49:54,530 --> 00:49:52,160

alien things

1293

00:49:56,930 --> 00:49:54,540

the body for surgery just thought on

1294

00:50:00,890 --> 00:49:56,940

that yeah right can we talk about that a

1295

00:50:02,809 --> 00:50:00,900

little bit uh yeah and so I I don't know

1296

00:50:04,550 --> 00:50:02,819

maybe it would be maybe that's what

1297

00:50:06,589 --> 00:50:04,560

people need to an extent maybe that

1298

00:50:08,329 --> 00:50:06,599

would end some of the partisan BS maybe

1299

00:50:09,890 --> 00:50:08,339

if we got knocked off our high horse a

1300

00:50:12,890 --> 00:50:09,900

little bit and didn't think that we were

1301

00:50:14,870 --> 00:50:12,900

all in charge and we collectively had a

1302

00:50:18,650 --> 00:50:14,880

new mystery that maybe that would change

1303

00:50:20,210 --> 00:50:18,660

things maybe who knows the famous Ronald

1304

00:50:23,030 --> 00:50:20,220

Reagan quote to the was it the United

1305

00:50:25,190 --> 00:50:23,040

Nations about uh an extraterrestrial

1306

00:50:27,050 --> 00:50:25,200

threat from outside our world and how it

1307

00:50:28,490 --> 00:50:27,060

would unite everyone and Petty

1308

00:50:30,589 --> 00:50:28,500

differences and you know what in a

1309

00:50:32,270 --> 00:50:30,599

couple of days time there's a SpaceX

1310

00:50:33,950 --> 00:50:32,280

launch with two astronauts going on the

1311

00:50:35,510 --> 00:50:33,960

new rock up to the space station as well

1312

00:50:37,190 --> 00:50:35,520

and it's little things like that they

1313

00:50:38,990 --> 00:50:37,200

give you a little bit of Hope for for

1314

00:50:41,930 --> 00:50:39,000

things going forward and you know it's

1315

00:50:43,670 --> 00:50:41,940

uh again one small step for a man but

1316

00:50:44,569 --> 00:50:43,680

you know we'll see what comes of it this

1317

00:50:48,650 --> 00:50:44,579

time

1318

00:50:52,010 --> 00:50:48,660

is it whether people realize it or not

1319

00:50:53,870 --> 00:50:52,020

is with the development advances in in

1320

00:50:58,130 --> 00:50:53,880

artificial intelligence and that being a

1321

00:51:00,370 --> 00:50:58,140

big push or uh the space force or NASA's

1322

00:51:02,990 --> 00:51:00,380

pledge to go to Mars I think we're

1323

00:51:04,790 --> 00:51:03,000

re-entering that time frame we saw back

1324

00:51:08,089 --> 00:51:04,800

in maybe the 50s and everything we're

1325

00:51:10,730 --> 00:51:08,099

now uh human exploration is being

1326

00:51:13,790 --> 00:51:10,740

encouraged again uh in the United States

1327

00:51:15,530 --> 00:51:13,800

you have uh Common Core math which is

1328

00:51:16,609 --> 00:51:15,540

being put to the schools people complain

1329

00:51:18,589 --> 00:51:16,619

about it and everything but they don't

1330

00:51:20,270 --> 00:51:18,599

realize the basis behind that and that's

1331

00:51:23,690 --> 00:51:20,280

training kids to be good at computer

1332

00:51:26,930 --> 00:51:23,700

math it's math modeling and modular

1333

00:51:30,290 --> 00:51:26,940

arithmetic and so we're kind of

1334

00:51:32,270 --> 00:51:30,300

refocusing where we can get a glimpse

1335

00:51:34,910 --> 00:51:32,280

into where future's going and it's going

1336

00:51:37,730 --> 00:51:34,920

into the unknown and these

1337

00:51:39,770 --> 00:51:37,740

yeah I talked to people who work at uh

1338

00:51:41,210 --> 00:51:39,780

you know places like Lockheed or

1339

00:51:45,470 --> 00:51:41,220

whatever and the things that they're

1340

00:51:48,109 --> 00:51:45,480

examining sound crazy sci-fi but no I

1341

00:51:50,809 --> 00:51:48,119

think there is more of a push for that

1342

00:51:52,490 --> 00:51:50,819

so it's a good time for that maybe it's

1343

00:51:55,970 --> 00:51:52,500

a good time for them to roll out the

1344

00:51:57,490 --> 00:51:55,980

bodies you know because that again I

1345

00:52:00,650 --> 00:51:57,500

think you do that

1346

00:52:02,510 --> 00:52:00,660

once people know

1347

00:52:05,150 --> 00:52:02,520

um and I can say this because you're

1348

00:52:07,490 --> 00:52:05,160

Scottish but that was my my good buddy

1349

00:52:09,410 --> 00:52:07,500

Nick cook very good very good friend of

1350

00:52:11,329 --> 00:52:09,420

mine author of hunt for zero point

1351
00:52:13,790 --> 00:52:11,339
Former Defense Center of chance we talk

1352
00:52:16,849 --> 00:52:13,800
all the time you know he's English and

1353
00:52:18,410 --> 00:52:16,859
and you know he said I I think that at

1354
00:52:20,510 --> 00:52:18,420
least for Americans they'd end up

1355
00:52:22,549 --> 00:52:20,520
developing it he said because Americans

1356
00:52:24,349 --> 00:52:22,559
seem to be like ah screw it let's build

1357
00:52:26,150 --> 00:52:24,359
some stuff he's like we here in England

1358
00:52:27,530 --> 00:52:26,160
seem to be like yeah we're kind of lazy

1359
00:52:29,030 --> 00:52:27,540
let's not do it I don't know whether

1360
00:52:33,950 --> 00:52:29,040
that's true or not I don't want to make

1361
00:52:35,390 --> 00:52:33,960
that assertion I love England but uh I

1362
00:52:38,210 --> 00:52:35,400
think that if

1363
00:52:40,250 --> 00:52:38,220

I believe that if rolling anything out

1364

00:52:42,770 --> 00:52:40,260

and saying hey there is something super

1365

00:52:45,049 --> 00:52:42,780

Advanced here uh

1366

00:52:46,609 --> 00:52:45,059

I think it would encourage a lot of a

1367

00:52:49,190 --> 00:52:46,619

lot of people I think the kids that are

1368

00:52:50,690 --> 00:52:49,200

in school would even go this is cool you

1369

00:52:52,010 --> 00:52:50,700

know our next Generation the people are

1370

00:52:53,930 --> 00:52:52,020

going to figure out how to actually

1371

00:52:56,089 --> 00:52:53,940

build those they're probably in high

1372

00:52:59,150 --> 00:52:56,099

school right now or in middle school and

1373

00:53:02,210 --> 00:52:59,160

so I would only see a positive effect if

1374

00:53:04,849 --> 00:53:02,220

it was you know real if it was made real

1375

00:53:06,650 --> 00:53:04,859

yeah currently hope that can Inspire us

1376
00:53:08,450 --> 00:53:06,660
at the Next Generation and things have

1377
00:53:10,849 --> 00:53:08,460
just been imagination previously just

1378
00:53:12,950 --> 00:53:10,859
become from science fact science fiction

1379
00:53:15,410 --> 00:53:12,960
to science fact doesn't it look

1380
00:53:17,809 --> 00:53:15,420
sure don't we all want I mean I mean a

1381
00:53:19,370 --> 00:53:17,819
part of me would think you know it'd be

1382
00:53:21,109 --> 00:53:19,380
cool to to get a lightsaber and

1383
00:53:23,650 --> 00:53:21,119
want it to sail around the Galactic

1384
00:53:26,150 --> 00:53:23,660
Federation and you know I'm fighting the

1385
00:53:28,549 --> 00:53:26,160
Darth Vader I mean you know that that

1386
00:53:30,950 --> 00:53:28,559
would be cool but uh

1387
00:53:32,870 --> 00:53:30,960
you know we we gotta we gotta crawl

1388
00:53:34,970 --> 00:53:32,880

before we can walk type thing but it

1389

00:53:36,290 --> 00:53:34,980

would be very cool it

1390

00:53:39,410 --> 00:53:36,300

um

1391

00:53:41,329 --> 00:53:39,420

I I hope uh this again goes straight in

1392

00:53:42,589 --> 00:53:41,339

an opinion and esoterica but uh you know

1393

00:53:44,450 --> 00:53:42,599

it's one of these things that I hope

1394

00:53:46,910 --> 00:53:44,460

that no matter what at some point we all

1395

00:53:48,829 --> 00:53:46,920

get the answer and even you know the

1396

00:53:50,750 --> 00:53:48,839

late great Stanton Freeman I truly hope

1397

00:53:52,190 --> 00:53:50,760

he has all the answers now and I hope

1398

00:53:52,849 --> 00:53:52,200

that this one of these things that you

1399

00:53:54,829 --> 00:53:52,859

know

1400

00:53:56,990 --> 00:53:54,839

whether it's in this lifetime or

1401
00:53:59,870 --> 00:53:57,000
whatever comes next I hope that we kind

1402
00:54:02,150 --> 00:53:59,880
of do figure it out and uh

1403
00:54:04,970 --> 00:54:02,160
maybe we figure out that just things are

1404
00:54:07,010 --> 00:54:04,980
a lot weirder than me aliens would be so

1405
00:54:09,589 --> 00:54:07,020
easy but things are just weird life's

1406
00:54:11,089 --> 00:54:09,599
weird that's okay though

1407
00:54:12,710 --> 00:54:11,099
um before you finish up we'll move on to

1408
00:54:15,049 --> 00:54:12,720
the quick fire so I've got a few names

1409
00:54:18,109 --> 00:54:15,059
incidents topics you can see as little

1410
00:54:19,549 --> 00:54:18,119
as much as you want uh and that's the

1411
00:54:21,530 --> 00:54:19,559
the connection we'll finish in our poke

1412
00:54:23,089 --> 00:54:21,540
so you've been connected to us into MJ

1413
00:54:24,770 --> 00:54:23,099

as well so thank you very much I'm sure

1414

00:54:26,630 --> 00:54:24,780

people are going to love it so the first

1415

00:54:28,970 --> 00:54:26,640

one um you also wrote an article on this

1416

00:54:31,970 --> 00:54:28,980

would be the recent magic UFO incident

1417

00:54:37,609 --> 00:54:34,790

um it was most likely just a prosaic

1418

00:54:39,049 --> 00:54:37,619

series of drones and skydivers with

1419

00:54:40,970 --> 00:54:39,059

pyrotechnics

1420

00:54:42,829 --> 00:54:40,980

um I'm gonna go with nothing interesting

1421

00:54:45,770 --> 00:54:42,839

happened

1422

00:54:47,150 --> 00:54:45,780

fair enough Linda Moulton Howe again

1423

00:54:50,150 --> 00:54:47,160

someone you wrote about in one of your

1424

00:54:52,549 --> 00:54:50,160

articles about selling the the piece of

1425

00:54:54,589 --> 00:54:52,559

potential wedged UFO for thirty five

1426

00:54:56,329 --> 00:54:54,599

thousand dollars to tsa so Linda

1427

00:55:01,190 --> 00:54:56,339

Moulton Howe

1428

00:55:01,790 --> 00:55:01,200

um Linda's a wonderful kind person

1429

00:55:08,210 --> 00:55:01,800

um

1430

00:55:10,309 --> 00:55:08,220

some of the information she presents

1431

00:55:13,730 --> 00:55:10,319

um I think as a journalist

1432

00:55:16,490 --> 00:55:13,740

um I think she she

1433

00:55:19,309 --> 00:55:16,500

gives Credence maybe to ideas that

1434

00:55:22,970 --> 00:55:19,319

aren't necessarily legitimate

1435

00:55:25,609 --> 00:55:22,980

um and I'm not sure why so that's all I

1436

00:55:31,549 --> 00:55:25,619

can say about that

1437

00:55:33,770 --> 00:55:32,870

man

1438

00:55:36,410 --> 00:55:33,780

um

1439

00:55:38,450 --> 00:55:36,420

interesting guy I'd love to sit down and

1440

00:55:40,549 --> 00:55:38,460

have a beer with him

1441

00:55:42,349 --> 00:55:40,559

um again me too not too sure where his

1442

00:55:45,530 --> 00:55:42,359

head at is all the time

1443

00:55:47,690 --> 00:55:45,540

but um I give him

1444

00:55:51,230 --> 00:55:47,700

I give him all the props in the world

1445

00:55:55,190 --> 00:55:51,240

for finding guys like Luis Elizondo and

1446

00:55:57,650 --> 00:55:55,200

Chris Mellon and and assembling that

1447

00:55:58,910 --> 00:55:57,660

um so for all the people that that sort

1448

00:56:01,370 --> 00:55:58,920

of hate on him

1449

00:56:03,290 --> 00:56:01,380

um you know I I would sort of say they

1450

00:56:04,970 --> 00:56:03,300

should be able to you know do better

1451

00:56:06,470 --> 00:56:04,980

um but you know again I don't

1452

00:56:09,230 --> 00:56:06,480

necessarily agree with everything he he

1453

00:56:10,490 --> 00:56:09,240

says or believes in um but that's okay I

1454

00:56:12,470 --> 00:56:10,500

don't have to agree with you

1455

00:56:14,150 --> 00:56:12,480

no I think it would be right it could it

1456

00:56:16,309 --> 00:56:14,160

could be wrong yeah

1457

00:56:19,849 --> 00:56:16,319

um so the next one is all this strange

1458

00:56:22,910 --> 00:56:19,859

and the recent virtual Expo

1459

00:56:25,069 --> 00:56:22,920

oh that was that was fun I I I will be

1460

00:56:27,170 --> 00:56:25,079

totally honest I watched Micah hanks's

1461

00:56:29,750 --> 00:56:27,180

and I watched mine and then I had to be

1462

00:56:30,770 --> 00:56:29,760

a dad so I was um unable to kind of

1463

00:56:32,690 --> 00:56:30,780

finish it

1464

00:56:34,849 --> 00:56:32,700

um I know Jason's slowly releasing them

1465

00:56:36,829 --> 00:56:34,859

uh online so I'm going to kind of

1466

00:56:38,450 --> 00:56:36,839

consume them all

1467

00:56:40,010 --> 00:56:38,460

um but I was only able to kind of be

1468

00:56:41,450 --> 00:56:40,020

free for the morning and then

1469

00:56:43,490 --> 00:56:41,460

um my two-year-old and my four-year-old

1470

00:56:45,890 --> 00:56:43,500

were suddenly like crawling on me so I

1471

00:56:48,170 --> 00:56:45,900

had to go deal with them uh so yeah it

1472

00:56:49,970 --> 00:56:48,180

was a fun time I really enjoyed it

1473

00:56:52,309 --> 00:56:49,980

um I thought it was a cool idea

1474

00:56:53,630 --> 00:56:52,319

it was and I just wanted to get that in

1475

00:56:55,069 --> 00:56:53,640

there because I had some issues logging

1476
00:56:57,290 --> 00:56:55,079
in on the morning and then with it being

1477
00:56:58,670 --> 00:56:57,300
UK time and whatnot like yourself I'm

1478
00:57:00,950 --> 00:56:58,680
kind of going back and watching them as

1479
00:57:02,870 --> 00:57:00,960
they come out so yeah MJS is awesome

1480
00:57:04,370 --> 00:57:02,880
definitely recommend watching that and

1481
00:57:06,049 --> 00:57:04,380
then make sure you go in and maybe

1482
00:57:07,490 --> 00:57:06,059
that's the future of it exposure be

1483
00:57:09,049 --> 00:57:07,500
great to get together again one day but

1484
00:57:10,970 --> 00:57:09,059
well we can't do that kind of thing this

1485
00:57:13,250 --> 00:57:10,980
was definitely something new and it was

1486
00:57:14,930 --> 00:57:13,260
a good I like that someone's tried a new

1487
00:57:17,990 --> 00:57:14,940
type of medium for an expo and I think

1488
00:57:21,490 --> 00:57:18,000

it was a really good cool idea

1489

00:57:27,410 --> 00:57:21,500

three more things MJ uh

1490

00:57:31,250 --> 00:57:28,370

um

1491

00:57:33,230 --> 00:57:31,260

well I mean I I feel that the Nimitz

1492

00:57:34,670 --> 00:57:33,240

cases is really compelling for a UFO

1493

00:57:35,329 --> 00:57:34,680

case

1494

00:57:38,930 --> 00:57:35,339

um

1495

00:57:40,730 --> 00:57:38,940

I think that here like everything you

1496

00:57:43,010 --> 00:57:40,740

feel logical right the Tic Tac has kind

1497

00:57:46,790 --> 00:57:43,020

of Taken eye on its own mythology

1498

00:57:48,829 --> 00:57:46,800

um so it's like Roswell right um

1499

00:57:51,109 --> 00:57:48,839

you know something happened at Roswell

1500

00:57:52,910 --> 00:57:51,119

unfortunately everything we have

1501
00:57:54,950 --> 00:57:52,920
information on in regards to Roswell's

1502
00:57:57,109 --> 00:57:54,960
is like mythological noun we just can't

1503
00:57:59,450 --> 00:57:57,119
figure out what it actually was

1504
00:58:01,130 --> 00:57:59,460
um which is why I don't study Roswell

1505
00:58:03,349 --> 00:58:01,140
um but I think the Tic Tac is kind of

1506
00:58:05,390 --> 00:58:03,359
that it's this it's this curious we're

1507
00:58:06,950 --> 00:58:05,400
watching mythology occur in real time

1508
00:58:09,650 --> 00:58:06,960
here we're watching this kind of lore

1509
00:58:11,109 --> 00:58:09,660
and Legend build around this

1510
00:58:14,089 --> 00:58:11,119
this this

1511
00:58:17,750 --> 00:58:14,099
curious little incident

1512
00:58:19,730 --> 00:58:17,760
um so so I think the Tic Tac UFO concept

1513
00:58:22,790 --> 00:58:19,740

I think it's compelling

1514

00:58:24,109 --> 00:58:22,800

um I think the incidence around it are

1515

00:58:25,609 --> 00:58:24,119

compelling

1516

00:58:26,390 --> 00:58:25,619

um I think that we're also going to see

1517

00:58:28,849 --> 00:58:26,400

though

1518

00:58:31,549 --> 00:58:28,859

um this mythological

1519

00:58:34,730 --> 00:58:31,559

framework built around it to include a

1520

00:58:37,069 --> 00:58:34,740

whole host of weird explanations

1521

00:58:40,390 --> 00:58:37,079

um that that will sometimes make sense

1522

00:58:43,309 --> 00:58:40,400

and often not make sense so yeah

1523

00:58:45,589 --> 00:58:43,319

mythology and reality merging

1524

00:58:48,230 --> 00:58:45,599

um right now as we speak

1525

00:58:49,670 --> 00:58:48,240

I like that and the last one and this is

1526
00:58:51,170 --> 00:58:49,680
very much what this means to you I like

1527
00:58:53,210 --> 00:58:51,180
to ask all the guests to finish off

1528
00:58:54,589 --> 00:58:53,220
disclosure

1529
00:58:55,309 --> 00:58:54,599
oh god

1530
00:58:58,130 --> 00:58:55,319
um

1531
00:58:59,750 --> 00:58:58,140
yeah yeah just my favorite word in the

1532
00:59:03,289 --> 00:58:59,760
UFO lexicon

1533
00:59:05,210 --> 00:59:03,299
um yeah what are we disclosing can I can

1534
00:59:07,250 --> 00:59:05,220
I caveat the question with what exactly

1535
00:59:09,589 --> 00:59:07,260
is being disclosed

1536
00:59:10,910 --> 00:59:09,599
or is it just no I'd have to just answer

1537
00:59:12,430 --> 00:59:10,920
okay

1538
00:59:14,870 --> 00:59:12,440

um

1539

00:59:21,650 --> 00:59:14,880

disclosure that

1540

00:59:25,210 --> 00:59:21,660

strange things make incursions into

1541

00:59:29,990 --> 00:59:25,220

American airspace and and and land or

1542

00:59:32,589 --> 00:59:30,000

sea area like like I'll restate it's

1543

00:59:36,410 --> 00:59:32,599

we're finally having um more let's say

1544

00:59:37,910 --> 00:59:36,420

transparency that objects make

1545

00:59:39,890 --> 00:59:37,920

incursions

1546

00:59:41,750 --> 00:59:39,900

um into territory that is the United

1547

00:59:43,549 --> 00:59:41,760

States of America and potentially other

1548

00:59:45,710 --> 00:59:43,559

countries as well

1549

00:59:47,390 --> 00:59:45,720

what we're don't have and I don't think

1550

00:59:48,470 --> 00:59:47,400

what we are going to have is disclosure

1551

00:59:50,030 --> 00:59:48,480

that you know the United States

1552

00:59:53,030 --> 00:59:50,040

government has been colluding with

1553

00:59:55,069 --> 00:59:53,040

aliens uh or or interdimensional beings

1554

00:59:59,089 --> 00:59:55,079

or time traveling humans I I don't think

1555

01:00:01,309 --> 00:59:59,099

we're gonna get that uh anytime ever

1556

01:00:03,349 --> 01:00:01,319

um so so when we talk about the

1557

01:00:05,750 --> 01:00:03,359

disclosure movement or the disclosure

1558

01:00:06,410 --> 01:00:05,760

Community or whatever

1559

01:00:08,270 --> 01:00:06,420

um

1560

01:00:10,670 --> 01:00:08,280

I want to burst the bubble of people

1561

01:00:12,410 --> 01:00:10,680

that think that you know yep the United

1562

01:00:13,970 --> 01:00:12,420

States has a handshake arrangement with

1563

01:00:15,170 --> 01:00:13,980

the aliens and they're visiting us and

1564

01:00:17,870 --> 01:00:15,180

they're walking Among Us and they're

1565

01:00:20,930 --> 01:00:17,880

they're abducting Us in exchange for for

1566

01:00:22,670 --> 01:00:20,940

technology and and reverse engineered

1567

01:00:24,710 --> 01:00:22,680

ships and and all that stuff

1568

01:00:26,569 --> 01:00:24,720

um or that there's flying saucers in a

1569

01:00:29,089 --> 01:00:26,579

bunker somewhere that are weren't made

1570

01:00:33,410 --> 01:00:29,099

here I'm going to say that is not true

1571

01:00:35,930 --> 01:00:33,420

and that's just part of the UFO Mythos

1572

01:00:39,049 --> 01:00:35,940

um but disclosure that the United States

1573

01:00:41,630 --> 01:00:39,059

has an active research program into

1574

01:00:44,150 --> 01:00:41,640

unidentified aerial phenomena uh

1575

01:00:45,950 --> 01:00:44,160

disclosure that you know they don't know

1576

01:00:49,250 --> 01:00:45,960

what's going on in the skies all the

1577

01:00:51,530 --> 01:00:49,260

time definitely the case

1578

01:00:53,450 --> 01:00:51,540
