00:00:02,230 --> 00:00:00,490
foreign

2
00:00:05,210 --> 00:00:02,240
[Music]

3
00:00:05,610 --> 00:00:05,220
Cahill and you're listening to that UFO

4
00:00:11,209 --> 00:00:05,620
podcast

5
00:00:15,709 --> 00:00:13,430
hi everyone and welcome to that UFO

6
00:00:17,450 --> 00:00:15,719
podcast as always my name is Andy and

7
00:00:19,010 --> 00:00:17,460
first off I want to say a big thank you

8
00:00:21,050 --> 00:00:19,020
to everyone who's joined up to the new

9
00:00:23,390 --> 00:00:21,060
Apple podcast subscriptions in the last

10
00:00:24,590 --> 00:00:23,400
month if you search the word premium on

11
00:00:26,330 --> 00:00:24,600
there you'll find there's exclusive

12
00:00:29,330 --> 00:00:26,340
content from the likes of Georgiana

13
00:00:31,370 --> 00:00:29,340

Prime bledso David Marler there's an AMA

14

00:00:33,049 --> 00:00:31,380

with myself and Dan and a lot more as

15

00:00:35,510 --> 00:00:33,059

well so do check that out there's a two

16

00:00:37,549 --> 00:00:35,520

week free trial available just now don't

17

00:00:40,190 --> 00:00:37,559

forget you can also get Early Access and

18

00:00:41,810 --> 00:00:40,200

add free listening as well for those not

19

00:00:43,610 --> 00:00:41,820

on Apple subscriptions you can get the

20

00:00:45,889 --> 00:00:43,620

same benefits plus a little bit more by

21

00:00:48,350 --> 00:00:45,899

signing up to patreon.com forward slash

22

00:00:50,270 --> 00:00:48,360

that UFO podcast and this month there is

23

00:00:52,729 --> 00:00:50,280

a deal just for patrons to get hold of a

24

00:00:54,410 --> 00:00:52,739

limited edition that UFO podcast patch

25

00:00:56,630 --> 00:00:54,420

they're being made to order so please

26

00:00:58,310 --> 00:00:56,640

check that out but as always of course

27

00:01:00,229 --> 00:00:58,320

the main thing is you are here you are

28

00:01:02,569 --> 00:01:00,239

listening whether it's through patreon

29

00:01:04,850 --> 00:01:02,579

Apple Spotify Podcast Addict YouTube

30

00:01:06,469 --> 00:01:04,860

thank you very much for joining us my

31

00:01:08,690 --> 00:01:06,479

interview with James Fox has been put

32

00:01:10,070 --> 00:01:08,700

back by one week so I'll be speaking to

33

00:01:12,109 --> 00:01:10,080

James next week that's the week

34

00:01:13,190 --> 00:01:12,119

beginning the 5th of July AI so if

35

00:01:15,710 --> 00:01:13,200

you've sent in your listener questions

36

00:01:17,570 --> 00:01:15,720

I've still got all of those as well this

37

00:01:19,609 --> 00:01:17,580

week though my guest is a name that is

38

00:01:21,289 --> 00:01:19,619

relatively new to me she I recently

39
00:01:23,030 --> 00:01:21,299
watched her on Grant Cameron's YouTube

40
00:01:25,070 --> 00:01:23,040
channel and was fascinated by the

41
00:01:26,810 --> 00:01:25,080
discussion they were having she's also

42
00:01:29,149 --> 00:01:26,820
fresh off of an appearance at this

43
00:01:31,070 --> 00:01:29,159
year's virtual contact in the desert and

44
00:01:33,530 --> 00:01:31,080
a very welcome fresh face to the field

45
00:01:35,149 --> 00:01:33,540
as well Shoma is a lawyer based in

46
00:01:37,010 --> 00:01:35,159
Australia and she was born and raised in

47
00:01:39,050 --> 00:01:37,020
China which I'm very much looking

48
00:01:41,149 --> 00:01:39,060
forward to discussing the China UFO

49
00:01:43,969 --> 00:01:41,159
relationship among many other things

50
00:01:45,890 --> 00:01:43,979
ciao welcome to the podcast hi everyone

51
00:01:47,690 --> 00:01:45,900
my name is Xiao thanks so much for

52
00:01:50,810 --> 00:01:47,700
having me thanks Andy

53
00:01:52,609 --> 00:01:50,820
noise as a real pleasure and um I like

54
00:01:54,830 --> 00:01:52,619
your fresh take on a lot of things and

55
00:01:56,090 --> 00:01:54,840
again you're you're younger in this

56
00:01:57,770 --> 00:01:56,100
field and a lot of people who speak

57
00:01:59,330 --> 00:01:57,780
about the same sort of subjects as you

58
00:02:01,490 --> 00:01:59,340
which is great and it's great to have

59
00:02:03,649 --> 00:02:01,500
fresh faces and new people to talk to as

60
00:02:05,870 --> 00:02:03,659
well and especially coming from a point

61
00:02:07,730 --> 00:02:05,880
of view of having that Chinese Heritage

62
00:02:09,050 --> 00:02:07,740
and background gives you a lot of

63
00:02:11,750 --> 00:02:09,060

perspective that people are very

64

00:02:13,729 --> 00:02:11,760

interested in especially at the minute

65

00:02:15,530 --> 00:02:13,739

um just want you to start off those show

66

00:02:16,970 --> 00:02:15,540

can you start by giving the audience a

67

00:02:19,010 --> 00:02:16,980

little bit about yourself your

68

00:02:20,750 --> 00:02:19,020

background and what got you involved in

69

00:02:25,010 --> 00:02:20,760

the world of you know contact modalities

70

00:02:26,990 --> 00:02:25,020

and UFOs yeah sure so um as you know

71

00:02:30,710 --> 00:02:27,000

that I'm a Chinese I was born in China

72

00:02:32,390 --> 00:02:30,720

Shanghai so and and uh stay in China for

73

00:02:35,650 --> 00:02:32,400

quite a few years and then I went to

74

00:02:38,930 --> 00:02:35,660

Australia uh for high school and in uni

75

00:02:40,550 --> 00:02:38,940

uh graduate from uni then got a

76

00:02:42,910 --> 00:02:40,560

practicing license so now I'm a

77

00:02:46,309 --> 00:02:42,920

practicing lawyer facing Sydney

78

00:02:48,350 --> 00:02:46,319

and how that's that's basically my

79

00:02:51,770 --> 00:02:48,360

single background so my parents are

80

00:02:54,170 --> 00:02:51,780

still in China just by myself

81

00:02:57,710 --> 00:02:54,180

um so how according to this field is

82

00:03:00,470 --> 00:02:57,720

back in 2012 you know I was traveled to

83

00:03:04,009 --> 00:03:00,480

the Brisbane office uh I joined a law

84

00:03:05,509 --> 00:03:04,019

firm so out of my office window I saw a

85

00:03:08,690 --> 00:03:05,519

UFO craft

86

00:03:10,729 --> 00:03:08,700

silvery color round four the most common

87

00:03:14,390 --> 00:03:10,739

one that you normally can see from the

88

00:03:16,910 --> 00:03:14,400

YouTube channels so it's just really

89

00:03:19,550 --> 00:03:16,920
shocked me during that time because you

90

00:03:21,410 --> 00:03:19,560
know I was really newbie in the UFO

91

00:03:24,890 --> 00:03:21,420
Community it's like what's this what's

92

00:03:28,729 --> 00:03:24,900
this all about so this really the UFO

93

00:03:31,670 --> 00:03:28,739
sighting really challenged my Paradigm

94

00:03:35,270 --> 00:03:31,680
in terms of uh whether or not we really

95

00:03:37,250 --> 00:03:35,280
live in these 3D realities

96

00:03:41,869 --> 00:03:37,260
um and then I start to look into the

97

00:03:43,850 --> 00:03:41,879
topic about UFOs aliens and implants and

98

00:03:45,649 --> 00:03:43,860
things like that

99

00:03:48,470 --> 00:03:45,659
um and then I came across a famous

100

00:03:50,990 --> 00:03:48,480
ufologist called Mary rodwell's YouTube

101
00:03:53,350 --> 00:03:51,000
channel and some of you may know that

102
00:03:56,930 --> 00:03:53,360
Mary is actually very famous ufologist

103
00:03:59,210 --> 00:03:56,940
and her message about you know the new

104
00:04:00,649 --> 00:03:59,220
incoming hybrid children's and

105
00:04:03,530 --> 00:04:00,659
everything really

106
00:04:05,750 --> 00:04:03,540
striking me a lot so and then that's

107
00:04:08,270 --> 00:04:05,760
sort of like initiated me into the

108
00:04:10,670 --> 00:04:08,280
ufology community so the first was

109
00:04:12,949 --> 00:04:10,680
through like UFO witnessing you know

110
00:04:15,410 --> 00:04:12,959
witnessing UFO craft and second was

111
00:04:17,569 --> 00:04:15,420
listening to quite a few like uh a

112
00:04:20,270 --> 00:04:17,579
YouTube as a channel and a presenters

113
00:04:23,629 --> 00:04:20,280

like Mary and like your platforms so

114

00:04:26,030 --> 00:04:23,639

that's how I got into it and later on a

115

00:04:28,249 --> 00:04:26,040

few years a mainly based in Australia

116

00:04:31,730 --> 00:04:28,259

you know getting contact with quite a

117

00:04:34,370 --> 00:04:31,740

few uh community members no quality

118

00:04:36,290 --> 00:04:34,380

information and what's funny is because

119

00:04:38,689 --> 00:04:36,300

I can speak Chinese

120

00:04:41,629 --> 00:04:38,699

and now got invited by quite a few

121

00:04:44,290 --> 00:04:41,639

Chinese uh uh like they got a quite a

122

00:04:46,730 --> 00:04:44,300

big uh similar to like a YouTube

123

00:04:48,350 --> 00:04:46,740

platforms you know the the one that you

124

00:04:50,870 --> 00:04:48,360

are having right now and like a great

125

00:04:52,030 --> 00:04:50,880

camera as well so they said look you can

126
00:04:54,830 --> 00:04:52,040
speak Chinese

127
00:04:56,990 --> 00:04:54,840
and we heard all the things about what's

128
00:04:59,749 --> 00:04:57,000
happening in Australia why don't you

129
00:05:02,450 --> 00:04:59,759
jump on my show and talk about it so I

130
00:05:05,390 --> 00:05:02,460
was like yeah for sure and that's how

131
00:05:06,350 --> 00:05:05,400
everything started I uh I did quite a

132
00:05:10,550 --> 00:05:06,360
few

133
00:05:13,310 --> 00:05:10,560
to do interviews in China so I was very

134
00:05:16,930 --> 00:05:13,320
outspoken that time they considered me

135
00:05:20,930 --> 00:05:16,940
I'm talking about and the um back in

136
00:05:23,870 --> 00:05:20,940
2017 they show even earlier so that time

137
00:05:26,510 --> 00:05:23,880
there are not many Chinese people who

138
00:05:30,469 --> 00:05:26,520

willing to come out with a real name

139

00:05:33,050 --> 00:05:30,479

real occupation real address saying that

140

00:05:35,450 --> 00:05:33,060

this has happened to me due to political

141

00:05:38,450 --> 00:05:35,460

control so that time was actually quite

142

00:05:39,950 --> 00:05:38,460

big hit in the Chinese ufology oh my God

143

00:05:41,689 --> 00:05:39,960

it's a Lady based in Sydney she's

144

00:05:44,810 --> 00:05:41,699

actually Chinese she's talking about

145

00:05:46,790 --> 00:05:44,820

this and after that I've received

146

00:05:48,890 --> 00:05:46,800

hundreds of emails from the local

147

00:05:50,990 --> 00:05:48,900

Chinese saying oh my God the message you

148

00:05:53,210 --> 00:05:51,000

talk about is really resonates with me

149

00:05:55,430 --> 00:05:53,220

because the information I share is a

150

00:05:58,010 --> 00:05:55,440

very grass root level you know I uh

151
00:05:59,689 --> 00:05:58,020
witnessing a craft I had lucid dream I

152
00:06:01,550 --> 00:05:59,699
have adult body experience blah blah

153
00:06:03,170 --> 00:06:01,560
blah and things just become a bigger and

154
00:06:04,790 --> 00:06:03,180
bigger so that's basically the

155
00:06:07,909 --> 00:06:04,800
background information about me a

156
00:06:11,270 --> 00:06:07,919
Chinese came to Australia had a UFO

157
00:06:14,689 --> 00:06:11,280
witnessing encounters and gradually into

158
00:06:16,969 --> 00:06:14,699
the field so that's where I'm right now

159
00:06:18,830 --> 00:06:16,979
so yeah

160
00:06:20,870 --> 00:06:18,840
no that's great and we're going to get

161
00:06:22,550 --> 00:06:20,880
to talking about your experiences and

162
00:06:24,290 --> 00:06:22,560
some of that sort of stuff as well I

163
00:06:27,290 --> 00:06:24,300

want to talk though about about China

164

00:06:29,210 --> 00:06:27,300

and and UFOs and ufology

165

00:06:31,430 --> 00:06:29,220

um I I've got a friend who's Chinese and

166

00:06:34,249 --> 00:06:31,440

I asked him a couple of weeks ago just

167

00:06:36,650 --> 00:06:34,259

and he's older uh and I he's in his 50s

168

00:06:38,270 --> 00:06:36,660

and I asked about UFOs and aliens and

169

00:06:40,850 --> 00:06:38,280

you know do you talk about it and it was

170

00:06:43,129 --> 00:06:40,860

like uh not really you know growing up

171

00:06:45,830 --> 00:06:43,139

but they said to win your children you

172

00:06:47,270 --> 00:06:45,840

know you know about aliens and but as

173

00:06:50,570 --> 00:06:47,280

you grow older it's not something the

174

00:06:52,969 --> 00:06:50,580

adults talk about now what does euphorge

175

00:06:55,189 --> 00:06:52,979

look like in China I know I've heard you

176

00:06:57,290 --> 00:06:55,199

say it's it's relatively new and a bit

177

00:07:00,110 --> 00:06:57,300

behind where the West is in terms of

178

00:07:02,510 --> 00:07:00,120

conversation but what is it like growing

179

00:07:04,730 --> 00:07:02,520

up you know as a as a child then as you

180

00:07:06,710 --> 00:07:04,740

hit teenage years and then older how

181

00:07:10,490 --> 00:07:06,720

does that conversation change

182

00:07:13,189 --> 00:07:10,500

thank you so when I was little I always

183

00:07:16,129 --> 00:07:13,199

show the interest into like alternative

184

00:07:17,870 --> 00:07:16,139

signs not just for the ufology I guess

185

00:07:21,050 --> 00:07:17,880

for the younger generation like my age

186

00:07:22,790 --> 00:07:21,060

like 35-ish so when we grow up there are

187

00:07:25,189 --> 00:07:22,800

a lot of younger generation into

188

00:07:28,490 --> 00:07:25,199

alternative science including like

189

00:07:30,770 --> 00:07:28,500

ufology you know like aliens and all

190

00:07:33,830 --> 00:07:30,780

sorts of counter modalities so during

191

00:07:35,409 --> 00:07:33,840

that time talking about back in 80s or

192

00:07:38,330 --> 00:07:35,419

90s

193

00:07:39,890 --> 00:07:38,340

UFO Community is so new I don't think

194

00:07:42,170 --> 00:07:39,900

there's a such thing as a UFO community

195

00:07:44,270 --> 00:07:42,180

that time so how people getting those

196

00:07:46,490 --> 00:07:44,280

information

197

00:07:49,189 --> 00:07:46,500

um it's actually prior to internet you

198

00:07:51,710 --> 00:07:49,199

know period so we normally buy those

199

00:07:54,650 --> 00:07:51,720

like UFO books you know those like books

200

00:07:56,629 --> 00:07:54,660

you can buy and mainly is about UFO

201
00:07:58,490 --> 00:07:56,639
phenomena you know it was like a Philly

202
00:08:00,529 --> 00:07:58,500
mile it was pretty popular that time

203
00:08:03,650 --> 00:08:00,539
with the Pleiadians the Billy Maya

204
00:08:05,270 --> 00:08:03,660
stories and you know Adam I can't

205
00:08:08,029 --> 00:08:05,280
remember Adam's last name but it's a

206
00:08:10,610 --> 00:08:08,039
very popular case about venetians in an

207
00:08:12,469 --> 00:08:10,620
alien from Venus so we normally get

208
00:08:15,710 --> 00:08:12,479
those information not from the internet

209
00:08:18,830 --> 00:08:15,720
that time but from those books and

210
00:08:22,430 --> 00:08:18,840
gradually when the internet sort of you

211
00:08:27,290 --> 00:08:22,440
know became popular around 90ish people

212
00:08:29,990 --> 00:08:27,300
start to get some information about UFO

213
00:08:32,630 --> 00:08:30,000

community in the western world like for

214

00:08:35,570 --> 00:08:32,640

example like your YouTube videos what

215

00:08:38,570 --> 00:08:35,580

they do is they copy it they put in the

216

00:08:41,449 --> 00:08:38,580

Chinese subtitle underneath and they put

217

00:08:43,610 --> 00:08:41,459

in a Chinese sort of like uh a main

218

00:08:45,769 --> 00:08:43,620

internet website so that people can view

219

00:08:47,509 --> 00:08:45,779

it so

220

00:08:52,009 --> 00:08:47,519

a lot of

221

00:08:55,190 --> 00:08:52,019

information are from the Western world

222

00:08:57,410 --> 00:08:55,200

there's a very little information from

223

00:08:59,750 --> 00:08:57,420

China there are quite a few very famous

224

00:09:01,790 --> 00:08:59,760

cases which we are I'm more than happy

225

00:09:04,190 --> 00:09:01,800

to dive into deeply later on regarding

226

00:09:07,850 --> 00:09:04,200

you know a few famous cases in China but

227

00:09:10,790 --> 00:09:07,860

that's about it the true UFO Community

228

00:09:15,470 --> 00:09:10,800

boom was happened like a few years ago I

229

00:09:18,350 --> 00:09:15,480

would say around 2010 to 2020 in those

230

00:09:20,570 --> 00:09:18,360

like 10 years uh where you're ceasing

231

00:09:24,290 --> 00:09:20,580

starting to picking up and even that's

232

00:09:26,990 --> 00:09:24,300

the case China from my perspective are

233

00:09:30,170 --> 00:09:27,000

still at least 30 years behind the

234

00:09:32,269 --> 00:09:30,180

Western ufology Community due to you

235

00:09:34,790 --> 00:09:32,279

know lack of information lack of

236

00:09:38,389 --> 00:09:34,800

disclosure movement especially for the

237

00:09:40,970 --> 00:09:38,399

political control you know so uh that's

238

00:09:42,230 --> 00:09:40,980

the main issue so some of the listeners

239

00:09:44,329 --> 00:09:42,240

might not be aware of the difference

240

00:09:46,070 --> 00:09:44,339

between how the internet works in the

241

00:09:47,930 --> 00:09:46,080

west where it's very much free and

242

00:09:50,329 --> 00:09:47,940

unrestricted and you can just go on any

243

00:09:51,949 --> 00:09:50,339

website you want and China do you want

244

00:09:53,690 --> 00:09:51,959

to talk a little bit a little bit about

245

00:09:55,670 --> 00:09:53,700

how that's very different

246

00:09:57,889 --> 00:09:55,680

yeah so what happened to Chinese for

247

00:10:01,190 --> 00:09:57,899

some people probably doesn't know we

248

00:10:04,150 --> 00:10:01,200

have it's called the internet firewall

249

00:10:06,530 --> 00:10:04,160

between China and the rest of the world

250

00:10:07,190 --> 00:10:06,540

that means

251

00:10:09,829 --> 00:10:07,200

um

252

00:10:12,710 --> 00:10:09,839

you can't use Google you can't use

253

00:10:16,490 --> 00:10:12,720

Facebook no Google no Facebook no

254

00:10:18,710 --> 00:10:16,500

YouTube no WhatsApp no Facebook in China

255

00:10:20,690 --> 00:10:18,720

everything is literally banned so

256

00:10:24,050 --> 00:10:20,700

basically if you carry your iPhone or

257

00:10:27,889 --> 00:10:24,060

laptop to China all those major websites

258

00:10:30,350 --> 00:10:27,899

cannot be used in China instead you need

259

00:10:32,690 --> 00:10:30,360

to download our app called VPN in order

260

00:10:34,790 --> 00:10:32,700

to jump the file but VPN is really

261

00:10:37,310 --> 00:10:34,800

difficult to get right now so what I'm

262

00:10:40,190 --> 00:10:37,320

saying to the people is uh it's it's the

263

00:10:42,470 --> 00:10:40,200

information does not flow freely like

264

00:10:45,170 --> 00:10:42,480

you know you can chip the YouTube in UK

265

00:10:48,650 --> 00:10:45,180

or in Netherlands whatever in China is a

266

00:10:51,410 --> 00:10:48,660

total isolation in terms of uh those

267

00:10:53,449 --> 00:10:51,420

media information but we do have the

268

00:10:55,370 --> 00:10:53,459

equivalent softwares and website like

269

00:10:57,670 --> 00:10:55,380

you know we don't have Facebook but we

270

00:11:00,949 --> 00:10:57,680

have we have a very similar

271

00:11:04,310 --> 00:11:00,959

equivalent sort of Facebook dishes

272

00:11:08,930 --> 00:11:04,320

social media websites and same as can I

273

00:11:10,970 --> 00:11:08,940

just ask are Chinese people aware of the

274

00:11:12,650 --> 00:11:10,980

fact they have these separate softwares

275

00:11:14,930 --> 00:11:12,660

which are very much able to be I'm sure

276

00:11:16,370 --> 00:11:14,940

controlled and monitored I mean let's be

277

00:11:18,050 --> 00:11:16,380

fair I'm sure everything in the west is

278

00:11:19,730 --> 00:11:18,060

exactly the same just to a different

279

00:11:22,730 --> 00:11:19,740

extent it's controlled and monitored

280

00:11:24,530 --> 00:11:22,740

anyway but are people in China okay with

281

00:11:26,509 --> 00:11:24,540

this that they have their own bubble

282

00:11:28,430 --> 00:11:26,519

almost of of social media and

283

00:11:30,829 --> 00:11:28,440

interaction or would they like that

284

00:11:34,370 --> 00:11:30,839

access to what the West has as well

285

00:11:36,650 --> 00:11:34,380

yeah look it's uh it's beyond what we

286

00:11:38,630 --> 00:11:36,660

can control it out of our control as a

287

00:11:41,509 --> 00:11:38,640

civilian level it's like

288

00:11:45,230 --> 00:11:41,519

you just have to come to accept to the

289

00:11:48,110 --> 00:11:45,240

reality that this is what's happening in

290

00:11:50,030 --> 00:11:48,120

China what could you do like to be

291

00:11:51,530 --> 00:11:50,040

honest you know it's in the CCP control

292

00:11:53,810 --> 00:11:51,540

so uh

293

00:11:57,710 --> 00:11:53,820

that's the reality that we have to leave

294

00:11:59,949 --> 00:11:57,720

people fully aware consciously 100 aware

295

00:12:03,410 --> 00:11:59,959

that they can't jump the firewall

296

00:12:05,449 --> 00:12:03,420

uh that's that's that's what they can do

297

00:12:08,690 --> 00:12:05,459

like they just review the Chinese news I

298

00:12:11,090 --> 00:12:08,700

guess a lot of news in China actually

299

00:12:13,069 --> 00:12:11,100

um uh are from the Western world but

300

00:12:15,650 --> 00:12:13,079

certain information can be you know

301
00:12:16,910 --> 00:12:15,660
added to the bid so uh

302
00:12:18,949 --> 00:12:16,920
um that's what's happening in China

303
00:12:20,870 --> 00:12:18,959
right now

304
00:12:22,910 --> 00:12:20,880
and you know what it's the same in the

305
00:12:24,829 --> 00:12:22,920
west as well you can't see that in the

306
00:12:26,449 --> 00:12:24,839
west all the news is truthful and it's

307
00:12:29,150 --> 00:12:26,459
not edited and doesn't have a narrative

308
00:12:30,769 --> 00:12:29,160
so it's it's very much just a similar

309
00:12:32,210 --> 00:12:30,779
theme throughout the world as well but

310
00:12:33,910 --> 00:12:32,220
given what we're going to be talking

311
00:12:36,710 --> 00:12:33,920
about in terms of you know other

312
00:12:39,290 --> 00:12:36,720
dimensions and entities it's it sounds

313
00:12:40,910 --> 00:12:39,300

so petty and silly doesn't it that they

314

00:12:43,069 --> 00:12:40,920

have all these restrictions around the

315

00:12:45,650 --> 00:12:43,079

world and there's the potential to have

316

00:12:46,850 --> 00:12:45,660

so much more as a species and and

317

00:12:48,889 --> 00:12:46,860

hopefully that'll that'll change

318

00:12:51,410 --> 00:12:48,899

eventually I want to know though this is

319

00:12:53,990 --> 00:12:51,420

something that's interested me now I've

320

00:12:56,810 --> 00:12:54,000

heard in in China particularly when it

321

00:12:58,790 --> 00:12:56,820

comes to like Hollywood and movies there

322

00:13:01,730 --> 00:12:58,800

can be some quite strict controls on

323

00:13:03,889 --> 00:13:01,740

those as well including some paranormal

324

00:13:06,050 --> 00:13:03,899

movies if there's an ending in this tell

325

00:13:08,030 --> 00:13:06,060

me if this is true if there's an ending

326

00:13:10,250 --> 00:13:08,040

of a movie that turns out to be it's

327

00:13:11,690 --> 00:13:10,260

paranormal or a ghost that will be

328

00:13:13,610 --> 00:13:11,700

changed and edited for the Chinese

329

00:13:15,650 --> 00:13:13,620

audience is that correct

330

00:13:17,090 --> 00:13:15,660

that's actually quite true you are

331

00:13:19,850 --> 00:13:17,100

correct so what happened is everything

332

00:13:22,370 --> 00:13:19,860

in China you know follow the political

333

00:13:25,970 --> 00:13:22,380

control you know like it's from the um

334

00:13:28,550 --> 00:13:25,980

up to to down sort of like flow so

335

00:13:31,670 --> 00:13:28,560

regarding the movies and all those books

336

00:13:34,030 --> 00:13:31,680

it depends in what period so if we're

337

00:13:39,230 --> 00:13:34,040

talking about back in

338

00:13:41,569 --> 00:13:39,240

2010 to 2015 and it's relatively open so

339

00:13:43,670 --> 00:13:41,579

you get those like a ufology like UFO

340

00:13:46,449 --> 00:13:43,680

aliens and Hollywood movies it's all

341

00:13:48,889 --> 00:13:46,459

good and the ghosts things like that but

342

00:13:52,129 --> 00:13:48,899

especially in the last two to three

343

00:13:54,410 --> 00:13:52,139

years due to political control those

344

00:13:57,410 --> 00:13:54,420

information not be considered as a

345

00:13:59,870 --> 00:13:57,420

sensitive information or even taboo so

346

00:14:02,750 --> 00:13:59,880

that means uh that's what I heard from

347

00:14:05,090 --> 00:14:02,760

inside in the movie industry um I can't

348

00:14:07,730 --> 00:14:05,100

be 100 for sure but I'm pretty sure

349

00:14:10,430 --> 00:14:07,740

that's true so what he say is before you

350

00:14:12,050 --> 00:14:10,440

know you got those like a ghost related

351

00:14:13,550 --> 00:14:12,060

movies or something like a thriller

352

00:14:17,449 --> 00:14:13,560

movie but now those have become

353

00:14:19,550 --> 00:14:17,459

considered as Supernatural so in the

354

00:14:23,870 --> 00:14:19,560

last few years they seems like have a

355

00:14:27,350 --> 00:14:23,880

more tightened screening process for you

356

00:14:29,629 --> 00:14:27,360

know uh Supernaturals or like vampires

357

00:14:31,910 --> 00:14:29,639

or girls and including Alien movies so

358

00:14:33,650 --> 00:14:31,920

you are correct about that but it's only

359

00:14:36,410 --> 00:14:33,660

happening in the last two to three weeks

360

00:14:39,050 --> 00:14:36,420

uh two to three years

361

00:14:40,910 --> 00:14:39,060

sure and what about on the news given

362

00:14:43,310 --> 00:14:40,920

especially in the last year in the

363

00:14:45,410 --> 00:14:43,320

United States the the mainstream media

364

00:14:47,689 --> 00:14:45,420

has really picked up on the UFO topic

365

00:14:50,509 --> 00:14:47,699

just as we speak in the last few days

366

00:14:53,990 --> 00:14:50,519

TMZ has has put a rather mainstream

367

00:14:56,509 --> 00:14:54,000

piece on UFOs Discovery Channel hosted a

368

00:14:59,389 --> 00:14:56,519

live panel last night and in a few weeks

369

00:15:01,850 --> 00:14:59,399

time HBO Max has JJ Abrams famous

370

00:15:05,810 --> 00:15:01,860

director doing a four-part Docker series

371

00:15:09,290 --> 00:15:05,820

on UFOs as well as that kind of content

372

00:15:11,509 --> 00:15:09,300

going to make the news in China that the

373

00:15:14,750 --> 00:15:11,519

US is having this sort of conversation

374

00:15:16,370 --> 00:15:14,760

openly about UFOs especially at a

375

00:15:19,189 --> 00:15:16,380

government level does that does that

376

00:15:26,750 --> 00:15:19,199

resonate in China

377

00:15:30,949 --> 00:15:28,250

City Community

378

00:15:32,750 --> 00:15:30,959

but doesn't really heed the mainstream

379

00:15:34,670 --> 00:15:32,760

media that much

380

00:15:36,710 --> 00:15:34,680

that's what I noticed because I went to

381

00:15:39,710 --> 00:15:36,720

the Chinese website a few days ago to

382

00:15:42,650 --> 00:15:39,720

check the major websites and the

383

00:15:45,230 --> 00:15:42,660

internet and even use they're a bit of

384

00:15:47,449 --> 00:15:45,240

nation but not much but the news

385

00:15:49,850 --> 00:15:47,459

actually spread around in our Chinese

386

00:15:51,710 --> 00:15:49,860

ecology Community really well people

387

00:15:55,069 --> 00:15:51,720

have a high expectation about what's

388

00:15:56,930 --> 00:15:55,079

going to be released so yes and no I

389

00:16:00,470 --> 00:15:56,940

guess not for the mainstream media in

390

00:16:03,889 --> 00:16:00,480

China but it's commonly widely accepted

391

00:16:05,810 --> 00:16:03,899

in the Chinese ufology community

392

00:16:07,970 --> 00:16:05,820

and you know what that makes sense given

393

00:16:09,650 --> 00:16:07,980

you said that you feel that about 30

394

00:16:12,050 --> 00:16:09,660

years behind and having that

395

00:16:14,810 --> 00:16:12,060

conversation that's probably where

396

00:16:16,370 --> 00:16:14,820

things were in the states in the UK and

397

00:16:18,350 --> 00:16:16,380

Europe and the rest of the world 30

398

00:16:21,050 --> 00:16:18,360

years ago that it was just that smaller

399

00:16:23,449 --> 00:16:21,060

community so it it's probably following

400

00:16:25,129 --> 00:16:23,459

a similar timeline but maybe things will

401
00:16:27,110 --> 00:16:25,139
speed up given what's happening I want

402
00:16:30,110 --> 00:16:27,120
to go back out to what you said about

403
00:16:32,329 --> 00:16:30,120
famous cases in China again in the west

404
00:16:35,329 --> 00:16:32,339
Roswell is the case everyone would talk

405
00:16:38,930 --> 00:16:35,339
about first question is Roswell well

406
00:16:41,509 --> 00:16:38,940
known in China as an event and I'll let

407
00:16:43,970 --> 00:16:41,519
you come in on that one first year yes

408
00:16:46,610 --> 00:16:43,980
you're right Andy so Roswell case is

409
00:16:49,490 --> 00:16:46,620
actually very famous in China so for any

410
00:16:52,610 --> 00:16:49,500
Chinese who just got into the ufology

411
00:16:55,009 --> 00:16:52,620
community in China uh literally 99

412
00:16:56,449 --> 00:16:55,019
people heard about that you you know

413
00:16:58,970 --> 00:16:56,459

Roswell case

414

00:17:01,670 --> 00:16:58,980

and that's I would say the most popular

415

00:17:04,370 --> 00:17:01,680

case and also the what's that called the

416

00:17:07,789 --> 00:17:04,380

anybody who sorry maybe called the wrong

417

00:17:14,770 --> 00:17:07,799

name it's a very famous case about uh

418

00:17:20,390 --> 00:17:17,809

is a relative of

419

00:17:23,150 --> 00:17:20,400

um I think one of the uh

420

00:17:24,710 --> 00:17:23,160

there are weaknesses so she may able to

421

00:17:28,189 --> 00:17:24,720

elaborate well that case is actually

422

00:17:30,470 --> 00:17:28,199

quite famous in China too and Billy Maya

423

00:17:33,289 --> 00:17:30,480

used to be really insanely instantly

424

00:17:35,390 --> 00:17:33,299

crazily popular in China especially in

425

00:17:37,070 --> 00:17:35,400

the community everybody following that

426
00:17:39,830 --> 00:17:37,080
news

427
00:17:41,510 --> 00:17:39,840
um but it's died down a bit

428
00:17:43,250 --> 00:17:41,520
so whatever is popular in the western

429
00:17:46,250 --> 00:17:43,260
world and the it's actually quite

430
00:17:50,150 --> 00:17:46,260
popular in China Chinese Community like

431
00:17:51,650 --> 00:17:50,160
you know curry good and you know quite a

432
00:17:53,990 --> 00:17:51,660
few very famous people like a grand

433
00:17:56,510 --> 00:17:54,000
camera or others they all heard about

434
00:17:58,430 --> 00:17:56,520
those major players in the field uh

435
00:18:00,049 --> 00:17:58,440
regardless everybody's view about

436
00:18:01,370 --> 00:18:00,059
certain people you know some people may

437
00:18:03,289 --> 00:18:01,380
like them some people don't like it

438
00:18:04,610 --> 00:18:03,299

though it doesn't matter but those are

439

00:18:08,270 --> 00:18:04,620

the famous figures in the Western

440

00:18:11,810 --> 00:18:08,280

countries but they also very uh well

441

00:18:15,710 --> 00:18:13,909

okay I'm shooting off your listeners

442

00:18:19,370 --> 00:18:15,720

wincing when you said Corey good because

443

00:18:20,990 --> 00:18:19,380

he's very divisive very very divisive

444

00:18:22,909 --> 00:18:21,000

um but like you say some some people

445

00:18:25,850 --> 00:18:22,919

like and that's that's up to them and

446

00:18:28,310 --> 00:18:25,860

but many of us are very wary of of Mr

447

00:18:30,710 --> 00:18:28,320

good and what he he peddles

448

00:18:32,690 --> 00:18:30,720

um but I do want to follow up on you

449

00:18:36,289 --> 00:18:32,700

mentioned there are famous cases within

450

00:18:38,630 --> 00:18:36,299

China what would be China's Roswell if

451
00:18:42,350 --> 00:18:38,640
you have the same sort of case

452
00:18:44,750 --> 00:18:42,360
there are quite a few uh famous cases in

453
00:18:47,750 --> 00:18:44,760
China One That I Want to mention is

454
00:18:49,909 --> 00:18:47,760
called the Phoenix Mountain case I think

455
00:18:51,650 --> 00:18:49,919
happened quite a few years ago so what

456
00:18:55,490 --> 00:18:51,660
happened for the Phoenix Mountain case

457
00:18:57,590 --> 00:18:55,500
in China was that there was a farmer he

458
00:19:00,110 --> 00:18:57,600
went with his friend or something they

459
00:19:03,529 --> 00:19:00,120
went to the con Phoenix mountains or

460
00:19:06,789 --> 00:19:03,539
Phoenix Mountain on top of the hill he

461
00:19:09,529 --> 00:19:06,799
saw a UFO crop landed on that mountain

462
00:19:11,270 --> 00:19:09,539
so and they said what is this so they

463
00:19:13,970 --> 00:19:11,280

try to approach but when they try to

464

00:19:17,210 --> 00:19:13,980

approach the craft they hear those like

465

00:19:18,590 --> 00:19:17,220

very noisy sound or like a low Vibra I

466

00:19:21,710 --> 00:19:18,600

don't know some kind of vibration sound

467

00:19:23,750 --> 00:19:21,720

and he just lost conscious the next

468

00:19:26,570 --> 00:19:23,760

thing he noticed that he's in the craft

469

00:19:28,850 --> 00:19:26,580

and the bean told him that somehow he

470

00:19:30,890 --> 00:19:28,860

had intimacy with a female alien

471

00:19:34,430 --> 00:19:30,900

something like that and the being told

472

00:19:38,029 --> 00:19:34,440

him that 20 years later we will have a

473

00:19:39,250 --> 00:19:38,039

hyper child whose father is a Chinese

474

00:19:43,150 --> 00:19:39,260

farmer

475

00:19:46,370 --> 00:19:43,160

so why this case became very famous

476
00:19:47,409 --> 00:19:46,380
because there was a witness right next

477
00:19:50,510 --> 00:19:47,419
to him

478
00:19:53,690 --> 00:19:50,520
and uh he claimed that he have a hyper

479
00:19:57,350 --> 00:19:53,700
child and there was a UFO landing so

480
00:20:01,730 --> 00:19:57,360
those are the key words he the media UFO

481
00:20:04,070 --> 00:20:01,740
landing aliens and hypertrout with

482
00:20:06,710 --> 00:20:04,080
aliens so that case became very famous

483
00:20:08,750 --> 00:20:06,720
and I I could be wrong I think he

484
00:20:11,330 --> 00:20:08,760
mentioned that he did some kind of lie

485
00:20:14,029 --> 00:20:11,340
like some kind of test and he passed the

486
00:20:16,310 --> 00:20:14,039
test so that makes his words really

487
00:20:19,850 --> 00:20:16,320
credible and even the local Authority

488
00:20:22,370 --> 00:20:19,860

and they did investigation into the

489

00:20:24,830 --> 00:20:22,380

matter and of course without no surprise

490

00:20:26,930 --> 00:20:24,840

they they reticued it it's just it's

491

00:20:29,570 --> 00:20:26,940

it's not you know standard

492

00:20:32,330 --> 00:20:29,580

disinformation but that's one of the

493

00:20:33,470 --> 00:20:32,340

major cases in China but I was going to

494

00:20:35,930 --> 00:20:33,480

say it's really interesting it sounds

495

00:20:38,390 --> 00:20:35,940

very similar to The Calvin Parker case

496

00:20:40,250 --> 00:20:38,400

you know Pascagoula where he had an

497

00:20:42,529 --> 00:20:40,260

abduction experience you know with a

498

00:20:44,390 --> 00:20:42,539

friend and there was no intimacy as such

499

00:20:46,610 --> 00:20:44,400

at that point but they were experimented

500

00:20:48,470 --> 00:20:46,620

on and that has still become a very

501
00:20:50,270 --> 00:20:48,480
famous case to today so that is really

502
00:20:53,090 --> 00:20:50,280
interesting what about is there anything

503
00:20:55,850 --> 00:20:53,100
from a military point of view like crash

504
00:20:57,470 --> 00:20:55,860
retrievals anything like that that comes

505
00:20:58,610 --> 00:20:57,480
up or again anything else you want to

506
00:21:00,890 --> 00:20:58,620
discuss

507
00:21:03,289 --> 00:21:00,900
there is a crush for true it's going to

508
00:21:05,570 --> 00:21:03,299
be related to my second case

509
00:21:07,130 --> 00:21:05,580
for the second case that's what I heard

510
00:21:10,430 --> 00:21:07,140
is

511
00:21:14,029 --> 00:21:10,440
um back in 90s uh there was like a heavy

512
00:21:15,890 --> 00:21:14,039
rainy day and a lightning strike uh a

513
00:21:19,430 --> 00:21:15,900

smaller UFO craft

514

00:21:22,730 --> 00:21:19,440

so according to the weakness the crop

515

00:21:25,789 --> 00:21:22,740

isn't actually not too big sort of like

516

00:21:29,149 --> 00:21:25,799

two meters something bigger than that

517

00:21:33,590 --> 00:21:29,159

really can be smaller craft and the crop

518

00:21:36,590 --> 00:21:33,600

actually crashed into the backyard of

519

00:21:39,830 --> 00:21:36,600

some kind of the military Basin or

520

00:21:42,890 --> 00:21:39,840

something like that and there were two

521

00:21:45,590 --> 00:21:42,900

aliens found one is dead the other was

522

00:21:47,810 --> 00:21:45,600

heavily injured during the midnight when

523

00:21:50,390 --> 00:21:47,820

it happened and they reckon that due to

524

00:21:53,149 --> 00:21:50,400

the lightning strike maybe the UFO loss

525

00:21:55,210 --> 00:21:53,159

kind of control so crashed into the site

526
00:21:58,549 --> 00:21:55,220
and what they found about that

527
00:22:01,370 --> 00:21:58,559
extraterrestrials is that that being is

528
00:22:03,770 --> 00:22:01,380
not very tall like maybe 1.5 meters tall

529
00:22:06,230 --> 00:22:03,780
and they look like a mouse you know

530
00:22:08,770 --> 00:22:06,240
those amounts like they got the fur sort

531
00:22:12,770 --> 00:22:08,780
of looking so it's more like a smaller

532
00:22:15,649 --> 00:22:12,780
animal dish looking beings

533
00:22:17,870 --> 00:22:15,659
um so that's what witness said and then

534
00:22:21,350 --> 00:22:17,880
the government had a you know the craft

535
00:22:24,710 --> 00:22:21,360
retrieval closed down the area told

536
00:22:26,510 --> 00:22:24,720
everyone not to talk about that case

537
00:22:28,250 --> 00:22:26,520
um yeah I still have the contact detail

538
00:22:30,049 --> 00:22:28,260

of those people just for your own info

539

00:22:31,909 --> 00:22:30,059

if you and your viewers will be

540

00:22:34,190 --> 00:22:31,919

interested I'm more than happy to pass

541

00:22:35,930 --> 00:22:34,200

on their contact details to you and

542

00:22:38,029 --> 00:22:35,940

maybe you can interview them too you

543

00:22:41,870 --> 00:22:38,039

know they they can dive into deeper

544

00:22:44,810 --> 00:22:41,880

about what happened in those cases and

545

00:22:46,850 --> 00:22:44,820

how the government reaction towards that

546

00:22:48,830 --> 00:22:46,860

and that's the first time I think I've

547

00:22:52,010 --> 00:22:48,840

heard that description of beings being

548

00:22:54,950 --> 00:22:52,020

most like you hear reptilian and lizards

549

00:22:56,870 --> 00:22:54,960

and you hear the Grays nordics but that

550

00:22:58,669 --> 00:22:56,880

sort of but again it can all be

551
00:23:00,590 --> 00:22:58,679
perception and what they look like at

552
00:23:02,390 --> 00:23:00,600
the time but you know I suppose most

553
00:23:04,669 --> 00:23:02,400
like we still have the big eyes and

554
00:23:06,289 --> 00:23:04,679
those kind of features so yeah really

555
00:23:08,210 --> 00:23:06,299
interesting description as well and I'll

556
00:23:10,970 --> 00:23:08,220
get those details off you too thank you

557
00:23:12,590 --> 00:23:10,980
and you mentioned the the craft being

558
00:23:13,850 --> 00:23:12,600
potentially brought down by a lightning

559
00:23:16,070 --> 00:23:13,860
and we've heard that's been the case

560
00:23:18,010 --> 00:23:16,080
several times potentially especially

561
00:23:21,110 --> 00:23:18,020
with things like Roswell that

562
00:23:23,690 --> 00:23:21,120
electromagnetic storms or EMP policies

563
00:23:25,430 --> 00:23:23,700

can potentially

564

00:23:28,010 --> 00:23:25,440

um bring these crafts down and cause

565

00:23:30,230 --> 00:23:28,020

issues with their systems have you ever

566

00:23:32,210 --> 00:23:30,240

heard of the the Chinese military ever

567

00:23:33,950 --> 00:23:32,220

trying to engage any of these objects

568

00:23:37,850 --> 00:23:33,960

themselves

569

00:23:40,490 --> 00:23:37,860

uh look I won't be surprised that they

570

00:23:43,250 --> 00:23:40,500

have some kind of interaction with those

571

00:23:46,010 --> 00:23:43,260

Beams I don't know which specific type

572

00:23:48,529 --> 00:23:46,020

but your question actually really great

573

00:23:52,190 --> 00:23:48,539

leads to the third case which is my

574

00:23:54,230 --> 00:23:52,200

favorite case it's called the xiaoshan

575

00:23:55,310 --> 00:23:54,240

airport it's actually translated as like

576

00:25:00,890 --> 00:23:55,320

a

577

00:25:03,470 --> 00:25:00,900

colors

578

00:25:05,750 --> 00:25:03,480

um yeah that's that's the crop people

579

00:25:07,730 --> 00:25:05,760

witnessing and according to so many

580

00:25:10,370 --> 00:25:07,740

witnesses because that's just all over

581

00:25:13,970 --> 00:25:10,380

the place during that time and

582

00:25:16,850 --> 00:25:13,980

they measure that crop should have at

583

00:25:19,250 --> 00:25:16,860

least a few hundred meters in lens so

584

00:25:21,590 --> 00:25:19,260

it's actually quite big craft and that

585

00:25:23,990 --> 00:25:21,600

craft there are different layers of you

586

00:25:26,029 --> 00:25:24,000

know the information just for what's

587

00:25:28,490 --> 00:25:26,039

actually released on the newspaper they

588

00:25:31,370 --> 00:25:28,500

see the craft you know hovering around

589

00:25:33,590 --> 00:25:31,380

the airport and cost the entire airport

590

00:25:36,409 --> 00:25:33,600

to shut down that's what's being

591

00:25:38,990 --> 00:25:36,419

released but in fact is the second layers

592

00:25:41,810 --> 00:25:39,000

the second layers is for the people who

593

00:25:43,850 --> 00:25:41,820

actually at the airport at that time

594

00:25:46,029 --> 00:25:43,860

remember there's so many passengers

595

00:25:50,029 --> 00:25:46,039

we're talking about at that airport

596

00:25:53,930 --> 00:25:50,039

according to them the craft as a matter

597

00:25:55,850 --> 00:25:53,940

of fact landed in the airport but that

598

00:25:58,549 --> 00:25:55,860

information was actually classified

599

00:26:00,430 --> 00:25:58,559

confidential information

600

00:26:02,930 --> 00:26:00,440

um only for the people who know you know

601
00:26:04,970 --> 00:26:02,940
that's very interesting but people who

602
00:26:07,549 --> 00:26:04,980
actually know that those information are

603
00:26:08,930 --> 00:26:07,559
very fear to come out because you know

604
00:26:10,370 --> 00:26:08,940
they're based in China they don't want

605
00:26:13,850 --> 00:26:10,380
to cause any trouble

606
00:26:16,010 --> 00:26:13,860
uh what I also heard is a third layer of

607
00:26:18,590 --> 00:26:16,020
the trees which is the really Insider

608
00:26:20,510 --> 00:26:18,600
but I need to be very cautious and about

609
00:26:22,190 --> 00:26:20,520
how much I can discuss because I don't

610
00:26:24,710 --> 00:26:22,200
want to get into trouble you know as I'm

611
00:26:28,130 --> 00:26:24,720
trying to have to watch out

612
00:26:29,830 --> 00:26:28,140
um without getting too too deeply too

613
00:26:32,630 --> 00:26:29,840

much sensitive information

614

00:26:36,169 --> 00:26:32,640

what I heard

615

00:26:39,769 --> 00:26:36,179

um I I tend to believe that not only the

616

00:26:45,169 --> 00:26:39,779

craft landed but also the being my came

617

00:26:48,830 --> 00:26:45,179

out of the crowd and very likely uh uh

618

00:26:50,230 --> 00:26:48,840

they may come to say from my perspective

619

00:26:53,269 --> 00:26:50,240

you know

620

00:26:56,570 --> 00:26:53,279

it might be possible that you have some

621

00:26:59,169 --> 00:26:56,580

kind of treaty with the local government

622

00:27:02,330 --> 00:26:59,179

so I'm saying that

623

00:27:04,310 --> 00:27:02,340

it's not always the U.S and all the news

624

00:27:06,350 --> 00:27:04,320

about U.S think about it if it's Global

625

00:27:08,390 --> 00:27:06,360

phenomena I can't be trying to just do

626
00:27:10,490 --> 00:27:08,400
nothing you know they might have some

627
00:27:12,289 --> 00:27:10,500
kind of like treaty with those opinions

628
00:27:14,930 --> 00:27:12,299
we don't know the specific information

629
00:27:16,490 --> 00:27:14,940
about the Treaty and even if I know I'd

630
00:27:19,250 --> 00:27:16,500
rather not to talk about because I was

631
00:27:22,070 --> 00:27:19,260
getting me into trouble but rather I

632
00:27:25,190 --> 00:27:22,080
would highly encourage those people as

633
00:27:29,090 --> 00:27:25,200
called insiders who actually really know

634
00:27:31,610 --> 00:27:29,100
what's going on to come out to share

635
00:27:35,029 --> 00:27:31,620
with people so that's how much I want to

636
00:27:37,190 --> 00:27:35,039
talk about that case so yeah

637
00:27:38,570 --> 00:27:37,200
yeah that's fascinating and that's one

638
00:27:40,010 --> 00:27:38,580

that I think people love seeing the

639

00:27:41,630 --> 00:27:40,020

picture of but it shows you the craft

640

00:27:43,070 --> 00:27:41,640

and again if you saw it on YouTube I've

641

00:27:44,750 --> 00:27:43,080

done a very quick sketch as you were

642

00:27:47,090 --> 00:27:44,760

talking about it because it's it's one

643

00:27:49,669 --> 00:27:47,100

that's kind of burned into my memory

644

00:27:52,610 --> 00:27:49,679

um I think those beings are very smart

645

00:27:55,549 --> 00:27:52,620

because they are not so secretively

646

00:27:58,430 --> 00:27:55,559

landed in the airport they make all the

647

00:28:00,350 --> 00:27:58,440

news because when they try to land they

648

00:28:02,690 --> 00:28:00,360

try to zoom in you know they got into

649

00:28:04,909 --> 00:28:02,700

the airport but remember there are so

650

00:28:08,690 --> 00:28:04,919

many like in China it's very population

651
00:28:11,510 --> 00:28:08,700
dense area the residents in those

652
00:28:14,210 --> 00:28:11,520
suburbs causes such a huge crowd they

653
00:28:16,010 --> 00:28:14,220
all can see what's in the sky so that's

654
00:28:18,769 --> 00:28:16,020
why they're so hard for the government

655
00:28:21,830 --> 00:28:18,779
to show them down because it's just so

656
00:28:24,110 --> 00:28:21,840
well known so many people Witnesses you

657
00:28:26,990 --> 00:28:24,120
know the case but what people doesn't

658
00:28:29,269 --> 00:28:27,000
know is about what the Insiders could

659
00:28:31,130 --> 00:28:29,279
share but I'm not Insider but I'm saying

660
00:28:33,049 --> 00:28:31,140
I encourage things sellers to come out

661
00:28:35,870 --> 00:28:33,059
so that's how much I can dive into

662
00:28:38,149 --> 00:28:35,880
deeper about that case yeah and you know

663
00:28:40,730 --> 00:28:38,159

what I think of the three superpowers of

664

00:28:42,409 --> 00:28:40,740

Russia China and the US for if something

665

00:28:44,750 --> 00:28:42,419

like that was going to happen on mass

666

00:28:46,370 --> 00:28:44,760

Landing China would be the place that

667

00:28:48,110 --> 00:28:46,380

you're most likely to keep that secret

668

00:28:50,210 --> 00:28:48,120

and locked down and get as little

669

00:28:53,810 --> 00:28:50,220

information out as possible I think the

670

00:28:55,549 --> 00:28:53,820

Russians would be okay with it maybe but

671

00:28:57,409 --> 00:28:55,559

in America that would be that would be

672

00:28:59,510 --> 00:28:57,419

worldwide news I think that would be it

673

00:29:01,909 --> 00:28:59,520

if that happened you couldn't keep that

674

00:29:03,649 --> 00:29:01,919

secret to that level now really

675

00:29:06,350 --> 00:29:03,659

interesting you mentioned obviously

676

00:29:08,690 --> 00:29:06,360

insiders in China having a treaty

677

00:29:10,669 --> 00:29:08,700

potentially very recently China

678

00:29:12,950 --> 00:29:10,679

announced it would like to lead efforts

679

00:29:16,190 --> 00:29:12,960

at the UN to take charge of the

680

00:29:18,289 --> 00:29:16,200

discussion around UFOs what do you think

681

00:29:20,149 --> 00:29:18,299

about that show is that an attempt to

682

00:29:22,730 --> 00:29:20,159

wrestle back some control of the

683

00:29:24,889 --> 00:29:22,740

narrative from the Americans who are

684

00:29:27,590 --> 00:29:24,899

very much leading the way or is it

685

00:29:34,070 --> 00:29:30,950

look a people probably doesn't know that

686

00:29:36,950 --> 00:29:34,080

um back in 1978 there was a U.N

687

00:29:41,210 --> 00:29:36,960

resolution regarding the research into

688

00:29:43,250 --> 00:29:41,220

into extraterrestrials and China is one

689

00:29:46,669 --> 00:29:43,260

of the five permanent members of the UN

690

00:29:48,710 --> 00:29:46,679

they actually voted for years

691

00:29:51,110 --> 00:29:48,720

we're talking about the U.N resolution

692

00:29:52,970 --> 00:29:51,120

back in 1978.

693

00:29:55,669 --> 00:29:52,980

so that shows you the government

694

00:29:57,830 --> 00:29:55,679

attitude towards this topic but even

695

00:30:00,250 --> 00:29:57,840

though they said yes that doesn't mean

696

00:30:04,010 --> 00:30:00,260

they would support the Grassroots

697

00:30:05,630 --> 00:30:04,020

civilians to research into this the

698

00:30:07,850 --> 00:30:05,640

Chinese attitude especially I mean the

699

00:30:09,649 --> 00:30:07,860

the government attitudes they want to do

700

00:30:11,870 --> 00:30:09,659

their own little research just keep

701
00:30:13,909 --> 00:30:11,880
everything for themselves so they don't

702
00:30:16,430 --> 00:30:13,919
want to like encourage the civilians or

703
00:30:19,370 --> 00:30:16,440
the Grassroots like YouTubers and you

704
00:30:21,950 --> 00:30:19,380
know the people in the community to sort

705
00:30:25,070 --> 00:30:21,960
of overly explore that topic everything

706
00:30:26,870 --> 00:30:25,080
is heavily politically controlled so

707
00:30:29,810 --> 00:30:26,880
even though they said yes you know back

708
00:30:32,470 --> 00:30:29,820
in 1978 at the U.N

709
00:30:36,049 --> 00:30:32,480
um they still doesn't really support

710
00:30:38,210 --> 00:30:36,059
that kind of research into the topic but

711
00:30:40,789 --> 00:30:38,220
get back to your question regarding the

712
00:30:42,169 --> 00:30:40,799
race when U.N proposal

713
00:30:45,649 --> 00:30:42,179

um you have to know that there are a lot

714

00:30:47,630 --> 00:30:45,659

of competing interests because I see the

715

00:30:50,510 --> 00:30:47,640

alien

716

00:30:53,750 --> 00:30:50,520

ET topic is the last sort of hidden

717

00:30:55,549 --> 00:30:53,760

truth from the entire public if the U.S

718

00:30:59,090 --> 00:30:55,559

going to release which already released

719

00:31:01,070 --> 00:30:59,100

the report on the 25th of June we would

720

00:31:02,630 --> 00:31:01,080

think that China can't just sit here

721

00:31:05,810 --> 00:31:02,640

doing nothing right they obviously want

722

00:31:09,049 --> 00:31:05,820

to have kind of show some attitude like

723

00:31:11,930 --> 00:31:09,059

have some reaction towards that so they

724

00:31:15,350 --> 00:31:11,940

can't be lagging behind so I think

725

00:31:17,389 --> 00:31:15,360

that's that's one of the sort of like a

726

00:31:20,450 --> 00:31:17,399

chess play they try to show people yes

727

00:31:24,230 --> 00:31:20,460

not only the US and Russia we are also

728

00:31:27,649 --> 00:31:24,240

as a stakeholder in this phenomenon so

729

00:31:30,169 --> 00:31:27,659

we are also looked into this as well and

730

00:31:32,570 --> 00:31:30,179

on top of that and the Manchester as you

731

00:31:34,450 --> 00:31:32,580

can see from the news China in the last

732

00:31:37,370 --> 00:31:34,460

10 years

733

00:31:40,070 --> 00:31:37,380

rapidly try to develop their like a

734

00:31:42,470 --> 00:31:40,080

space Aerospace technology sending the

735

00:31:44,510 --> 00:31:42,480

Rockets into Sky so you can see a lot in

736

00:31:47,090 --> 00:31:44,520

the last three or four years that shows

737

00:31:49,070 --> 00:31:47,100

you that not only the US I try to build

738

00:31:50,990 --> 00:31:49,080

up there like a space is that called a

739

00:31:53,450 --> 00:31:51,000

space army or space force I can't

740

00:31:55,610 --> 00:31:53,460

remember the name Russia will do the

741

00:31:59,870 --> 00:31:55,620

same and China also have a competing

742

00:32:03,289 --> 00:31:59,880

interest in the space so I think that's

743

00:32:06,529 --> 00:32:03,299

it's a politics but also EXO politics

744

00:32:08,990 --> 00:32:06,539

and also the alien beings you know in

745

00:32:12,110 --> 00:32:09,000

the U.S is a backup by you know these

746

00:32:15,289 --> 00:32:12,120

race and that alien race the China may

747

00:32:17,510 --> 00:32:15,299

have a corresponding their alien and

748

00:32:19,909 --> 00:32:17,520

allies as well you know helping them

749

00:32:21,830 --> 00:32:19,919

with certain I don't know technology or

750

00:32:24,110 --> 00:32:21,840

any advancement of I don't know thinking

751
00:32:26,090 --> 00:32:24,120
or something else so they are competing

752
00:32:29,090 --> 00:32:26,100
interests not just around the earthlings

753
00:32:31,909 --> 00:32:29,100
among the governments but also looking

754
00:32:34,730 --> 00:32:31,919
at bigger greatness of the sky to do

755
00:32:36,409 --> 00:32:34,740
with other beings as well so we only

756
00:32:39,230 --> 00:32:36,419
know very little information so I

757
00:32:41,210 --> 00:32:39,240
wouldn't be surprised that China is also

758
00:32:44,990 --> 00:32:41,220
have a treaty or even more trickies with

759
00:32:46,970 --> 00:32:45,000
multiple beings yes now you mentioned

760
00:32:49,490 --> 00:32:46,980
China's rapidly expanding space program

761
00:32:51,470 --> 00:32:49,500
and it just got me thinking that um a

762
00:32:53,930 --> 00:32:51,480
couple of years ago China sent a probe

763
00:32:55,549 --> 00:32:53,940

to the the moon and they wanted to study

764

00:32:57,830 --> 00:32:55,559

the the Dark Side of them and which

765

00:33:00,350 --> 00:32:57,840

obviously we don't see here on Earth a

766

00:33:02,750 --> 00:33:00,360

lot of people talk about beings that may

767

00:33:05,930 --> 00:33:02,760

or may not be based on earth have

768

00:33:08,029 --> 00:33:05,940

potentially structures or objects on the

769

00:33:09,710 --> 00:33:08,039

moon that again if we could see that

770

00:33:11,630 --> 00:33:09,720

with a telescope or you know that was on

771

00:33:13,909 --> 00:33:11,640

NASA's page that would be that would be

772

00:33:15,649 --> 00:33:13,919

huge news and former astronauts have

773

00:33:18,110 --> 00:33:15,659

talked about that as well did you ever

774

00:33:19,789 --> 00:33:18,120

hear anything about China's probe that

775

00:33:21,049 --> 00:33:19,799

was sent up and anything that may or may

776

00:33:24,649 --> 00:33:21,059

not have come back

777

00:33:26,450 --> 00:33:24,659

well I can I can say these are yet to be

778

00:33:28,610 --> 00:33:26,460

verified I haven't really thought the

779

00:33:31,430 --> 00:33:28,620

verification double check yet so what I

780

00:33:34,490 --> 00:33:31,440

heard from my friend is that after China

781

00:33:36,230 --> 00:33:34,500

sent that little like a landing rules or

782

00:33:39,049 --> 00:33:36,240

whatever that little robots in to the

783

00:33:41,750 --> 00:33:39,059

back of the Mask I think that same bit

784

00:33:45,409 --> 00:33:41,760

of like exploration for a few days

785

00:33:46,730 --> 00:33:45,419

and what's interesting is Donald Trump's

786

00:33:48,590 --> 00:33:46,740

reaction

787

00:33:49,850 --> 00:33:48,600

I heard from my friends they show you

788

00:33:52,190 --> 00:33:49,860

better just double check on the Twitter

789

00:33:55,669 --> 00:33:52,200

I said what's going on they say after

790

00:33:56,889 --> 00:33:55,679

China did that Donald Trump sent a

791

00:34:00,710 --> 00:33:56,899

Twitter message

792

00:34:03,950 --> 00:34:00,720

uh drop a line something like now

793

00:34:06,230 --> 00:34:03,960

something on the line like China now

794

00:34:08,210 --> 00:34:06,240

know the truth behind the Momo something

795

00:34:12,050 --> 00:34:08,220

around the line you know I need to check

796

00:34:13,849 --> 00:34:12,060

the Twitter message uh so that sent you

797

00:34:17,570 --> 00:34:13,859

uh

798

00:34:19,730 --> 00:34:17,580

a message that maybe Trump tried to hint

799

00:34:22,010 --> 00:34:19,740

trying to now know what's going on

800

00:34:24,829 --> 00:34:22,020

behind the womb so what's really behind

801
00:34:26,570 --> 00:34:24,839
the moon we don't know you know we we're

802
00:34:28,909 --> 00:34:26,580
waiting for the government to tell us

803
00:34:31,250 --> 00:34:28,919
but uh but we can guess what's behind

804
00:34:34,250 --> 00:34:31,260
them all I think that's that's quite

805
00:34:37,210 --> 00:34:34,260
clear now so and what's interesting is

806
00:34:41,089 --> 00:34:37,220
about the Chinese reaction after that

807
00:34:44,149 --> 00:34:41,099
China all students started to solve this

808
00:34:46,669 --> 00:34:44,159
closure movement so because everything

809
00:34:49,250 --> 00:34:46,679
is so politically controlled so what

810
00:34:52,210 --> 00:34:49,260
they did is after that incident they

811
00:34:55,730 --> 00:34:52,220
tried to let people explore the topic of

812
00:34:58,070 --> 00:34:55,740
Science Fiction so science fiction also

813
00:35:02,570 --> 00:34:58,080

become really popular science fiction

814

00:35:05,030 --> 00:35:02,580

movies science fiction books

815

00:35:08,870 --> 00:35:05,040

um yeah every they really control the

816

00:35:10,490 --> 00:35:08,880

narrative about UFO disclosures

817

00:35:12,530 --> 00:35:10,500

there's some really interesting stuff

818

00:35:13,910 --> 00:35:12,540

there and next time I speak to you go

819

00:35:15,170 --> 00:35:13,920

I'll go into more detail on that but

820

00:35:16,790 --> 00:35:15,180

I've got a few more things I want to

821

00:35:19,310 --> 00:35:16,800

discuss especially that came up within

822

00:35:21,349 --> 00:35:19,320

the listener questions you yourself have

823

00:35:23,810 --> 00:35:21,359

talked about and you mentioned out of

824

00:35:26,750 --> 00:35:23,820

body experiences earlier and you've

825

00:35:28,069 --> 00:35:26,760

talked about uh experiences with ET from

826

00:35:30,170 --> 00:35:28,079

different parts of the universe

827

00:35:33,050 --> 00:35:30,180

different dimensions and you've had

828

00:35:35,650 --> 00:35:33,060

negative and positive experiences when

829

00:35:39,770 --> 00:35:35,660

did these experiences begin for you

830

00:35:43,130 --> 00:35:39,780

uh my experience a very gradual level so

831

00:35:46,250 --> 00:35:43,140

I believe I started when I was you know

832

00:35:49,910 --> 00:35:46,260

adverse but I don't remember anything so

833

00:35:54,410 --> 00:35:49,920

my conscious recall was really happened

834

00:35:56,750 --> 00:35:54,420

after my first UFO side team and then

835

00:35:59,750 --> 00:35:56,760

you know I write out my diary I do

836

00:36:02,810 --> 00:35:59,760

record everything so all the strange

837

00:36:05,150 --> 00:36:02,820

fingers crossed phenomena happened after

838

00:36:07,910 --> 00:36:05,160

the first UFO sighting but it was a very

839

00:36:09,589 --> 00:36:07,920

gradual level it was very distant you

840

00:36:12,050 --> 00:36:09,599

know firstly was like out of body

841

00:36:14,930 --> 00:36:12,060

experience and then lucid dreaming so

842

00:36:17,930 --> 00:36:14,940

those were the non-invasive counter

843

00:36:20,690 --> 00:36:17,940

modalities and it was like you know once

844

00:36:23,829 --> 00:36:20,700

every two months very minor and then

845

00:36:27,530 --> 00:36:23,839

gradually start to became very intense

846

00:36:30,290 --> 00:36:27,540

and very frequent and more sort of

847

00:36:32,089 --> 00:36:30,300

confrontings to the degree that you know

848

00:36:34,010 --> 00:36:32,099

maybe you have a being standing in front

849

00:36:36,470 --> 00:36:34,020

of you you know talking to you you know

850

00:36:38,569 --> 00:36:36,480

something like that so uh yeah it's it's

851

00:36:40,190 --> 00:36:38,579

a very gradual level and also you are

852

00:36:42,410 --> 00:36:40,200

correct about that you know I had a very

853

00:36:44,030 --> 00:36:42,420

positive encounters most of them are

854

00:36:46,069 --> 00:36:44,040

very positive

855

00:36:48,349 --> 00:36:46,079

um some of them are very neutral you

856

00:36:49,730 --> 00:36:48,359

know business like they just wanna you

857

00:36:51,829 --> 00:36:49,740

know check it out see what you're doing

858

00:36:54,470 --> 00:36:51,839

and there are a few could be very

859

00:36:57,849 --> 00:36:54,480

negative you know not very lesson so I

860

00:37:02,329 --> 00:36:57,859

had a very full spectrum of

861

00:37:04,910 --> 00:37:02,339

uh experiences so yeah

862

00:37:06,410 --> 00:37:04,920

why do you think not only you because

863

00:37:08,690 --> 00:37:06,420

it's I think it's very obvious to ask

864

00:37:11,810 --> 00:37:08,700

why are you having these experiences but

865

00:37:14,510 --> 00:37:11,820

also in general why as a species are we

866

00:37:17,390 --> 00:37:14,520

having these experiences or contacts at

867

00:37:22,790 --> 00:37:21,349

um I think they are getting us prepared

868

00:37:25,609 --> 00:37:22,800

coming

869

00:37:29,690 --> 00:37:25,619

because if you don't get those

870

00:37:34,550 --> 00:37:29,700

experiences when the veil is you know

871

00:37:38,030 --> 00:37:34,560

remove or be such a comforting shock to

872

00:37:40,190 --> 00:37:38,040

us so better to do it through gradual

873

00:37:42,589 --> 00:37:40,200

sort of injury you know like you know

874

00:37:44,569 --> 00:37:42,599

have a graduate experience to now you

875

00:37:46,849 --> 00:37:44,579

know if if people tell you Andy you know

876

00:37:48,650 --> 00:37:46,859

this is real this is happening if next

877

00:37:50,690 --> 00:37:48,660

day you really see a physical craft

878

00:37:53,630 --> 00:37:50,700

waiting for you you wouldn't be that

879

00:37:55,970 --> 00:37:53,640

kind of surprised I think it's happening

880

00:37:58,790 --> 00:37:55,980

to everyone

881

00:38:01,910 --> 00:37:58,800

um but I think they are just getting us

882

00:38:04,310 --> 00:38:01,920

prepared for a big event that about to

883

00:38:05,810 --> 00:38:04,320

happen so that's that's that's what I

884

00:38:07,970 --> 00:38:05,820

believe

885

00:38:10,010 --> 00:38:07,980

no I'll ask you this question then okay

886

00:38:11,690 --> 00:38:10,020

just to push a bit deeper and this is me

887

00:38:13,310 --> 00:38:11,700

Playing devil's advocate here and you're

888

00:38:16,550 --> 00:38:13,320

a lawyer you'll be just far far more

889

00:38:19,250 --> 00:38:16,560

used to this than I now if this happens

890

00:38:20,870 --> 00:38:19,260

to you or me or or someone who doesn't

891

00:38:23,390 --> 00:38:20,880

have a platform to speak on you know

892

00:38:24,589 --> 00:38:23,400

just you're I'm your average person on

893

00:38:26,450 --> 00:38:24,599

the street as well but someone who

894

00:38:28,310 --> 00:38:26,460

doesn't have a podcast okay

895

00:38:30,890 --> 00:38:28,320

um like one of those Farmers it happens

896

00:38:32,930 --> 00:38:30,900

to them it's a very isolated experience

897

00:38:35,930 --> 00:38:32,940

because you can only take their word for

898

00:38:38,329 --> 00:38:35,940

it however a few are these beings and

899

00:38:39,730 --> 00:38:38,339

you want to ready people why would they

900

00:38:43,250 --> 00:38:39,740

not go for

901
00:38:45,650 --> 00:38:43,260
presidents and politicians and the heads

902
00:38:48,109 --> 00:38:45,660
of military and give them those

903
00:38:50,630 --> 00:38:48,119
experiences really intense experiences

904
00:38:52,970 --> 00:38:50,640
because surely that would then

905
00:38:55,130 --> 00:38:52,980
ring alarm bells for them to then have

906
00:38:57,170 --> 00:38:55,140
that conversation potentially what do

907
00:38:58,849 --> 00:38:57,180
you think about that

908
00:39:01,069 --> 00:38:58,859
I'd like to thank paperlike for

909
00:39:02,930 --> 00:39:01,079
sponsoring this episode something that's

910
00:39:04,910 --> 00:39:02,940
always held me back from making more use

911
00:39:06,770 --> 00:39:04,920
of my apple pencil for notes is the

912
00:39:08,630 --> 00:39:06,780
feeling across the screen it still felt

913
00:39:10,190 --> 00:39:08,640

like I'm writing on glass especially

914

00:39:12,650 --> 00:39:10,200

when scribbling notes for podcast

915

00:39:14,750 --> 00:39:12,660

episodes paper like have very much

916

00:39:16,270 --> 00:39:14,760

changed how I use my existing iPad and

917

00:39:18,530 --> 00:39:16,280

it's giving it a new lease of life

918

00:39:20,450 --> 00:39:18,540

pay-per-like is perfect for anyone who

919

00:39:22,370 --> 00:39:20,460

draws and writes using an iPad and an

920

00:39:25,010 --> 00:39:22,380

apple pencil the surface of the

921

00:39:26,390 --> 00:39:25,020

paper-like is coated using nanodots tiny

922

00:39:28,190 --> 00:39:26,400

microbeads that are designed to add

923

00:39:30,770 --> 00:39:28,200

Superior stroke Precision when you drag

924

00:39:32,569 --> 00:39:30,780

the apple pencil across the screen every

925

00:39:34,370 --> 00:39:32,579

paper light comes in a set of tools

926
00:39:36,890 --> 00:39:34,380
you'll always have a spare in case you

927
00:39:38,510 --> 00:39:36,900
need I'm not artist either but my kids

928
00:39:40,010 --> 00:39:38,520
certainly approve of using it to draw in

929
00:39:41,329 --> 00:39:40,020
little and I can have peace of mind the

930
00:39:43,670 --> 00:39:41,339
screen underneath is completely

931
00:39:46,550 --> 00:39:43,680
protected to pick up your paper like

932
00:39:49,790 --> 00:39:46,560
head over to paperlike.com forward slash

933
00:39:52,430 --> 00:39:49,800
that UFO click buy paper like and select

934
00:39:54,290 --> 00:39:52,440
your iPad size from now until the end of

935
00:39:56,569 --> 00:39:54,300
January paperlike is also including

936
00:39:58,849 --> 00:39:56,579
their digital Pro planner bundle at no

937
00:40:00,589 --> 00:39:58,859
extra cost with every order placed

938
00:40:03,109 --> 00:40:00,599

through the paper like store plus

939

00:40:05,089 --> 00:40:03,119

shipping is completely free ready to do

940

00:40:08,270 --> 00:40:05,099

more with your iPad then head over to

941

00:40:09,650 --> 00:40:08,280

paperleak.com forward slash that UFO to

942

00:40:11,630 --> 00:40:09,660

get started

943

00:40:13,790 --> 00:40:11,640

I'd like to thank paperlike for

944

00:40:15,650 --> 00:40:13,800

sponsoring this episode something that's

945

00:40:17,630 --> 00:40:15,660

always held me back from making more use

946

00:40:19,430 --> 00:40:17,640

of my apple pencil for notes is the

947

00:40:21,230 --> 00:40:19,440

filling across the screen it still felt

948

00:40:22,849 --> 00:40:21,240

like I'm writing on glass especially

949

00:40:25,250 --> 00:40:22,859

when scribbling notes for podcast

950

00:40:27,349 --> 00:40:25,260

episodes paper like have very much

951
00:40:28,930 --> 00:40:27,359
changed how I use my existing iPad and

952
00:40:31,190 --> 00:40:28,940
it's giving it a new lease of life

953
00:40:33,050 --> 00:40:31,200
pay-per-like is perfect for anyone who

954
00:40:35,150 --> 00:40:33,060
draws and writes using an iPad and an

955
00:40:37,609 --> 00:40:35,160
apple pencil the surface of the paper

956
00:40:39,470 --> 00:40:37,619
like is coated using Nano dots tiny

957
00:40:41,210 --> 00:40:39,480
microbeads are designed to add Superior

958
00:40:43,670 --> 00:40:41,220
stroke Precision when you drag the apple

959
00:40:45,470 --> 00:40:43,680
pencil across the screen every paper

960
00:40:48,109 --> 00:40:45,480
light comes in a set of two so you'll

961
00:40:49,910 --> 00:40:48,119
always have a spare in case you need I'm

962
00:40:51,650 --> 00:40:49,920
not artist either but my kids certainly

963
00:40:52,910 --> 00:40:51,660

approve of using it to draw a little and

964

00:40:55,370 --> 00:40:52,920

I can have peace of mind the screen

965

00:40:57,190 --> 00:40:55,380

underneath is completely protected to

966

00:41:00,109 --> 00:40:57,200

pick up your paper like head over to

967

00:41:02,630 --> 00:41:00,119

paperlike.com forward slash that UFO

968

00:41:05,089 --> 00:41:02,640

click buy paper like and select your

969

00:41:06,950 --> 00:41:05,099

iPad size from now until the end of

970

00:41:09,290 --> 00:41:06,960

January paperlike is also including

971

00:41:11,569 --> 00:41:09,300

their digital Pro planner bundle at no

972

00:41:13,250 --> 00:41:11,579

extra cost with every order placed

973

00:41:15,770 --> 00:41:13,260

through the paper like store plus

974

00:41:17,750 --> 00:41:15,780

shipping is completely free ready to do

975

00:41:20,930 --> 00:41:17,760

more with your iPad then head over to

976
00:41:22,310 --> 00:41:20,940
paperlike.com forward slash that UFO to

977
00:41:26,089 --> 00:41:22,320
get started

978
00:41:30,290 --> 00:41:26,099
that's a great question I mean

979
00:41:33,589 --> 00:41:30,300
I think on some level everyone on this

980
00:41:34,870 --> 00:41:33,599
planet have encountered those beings so

981
00:41:37,069 --> 00:41:34,880
you know extra dimensional

982
00:41:39,349 --> 00:41:37,079
interdimensional different density all

983
00:41:41,930 --> 00:41:39,359
sorts of beings and I do believe it's a

984
00:41:43,010 --> 00:41:41,940
global phenomena happens to everyone but

985
00:41:44,270 --> 00:41:43,020
towards a different degree you know

986
00:41:46,430 --> 00:41:44,280
people may have a really you know

987
00:41:47,870 --> 00:41:46,440
consider them as angel or demon or

988
00:41:50,810 --> 00:41:47,880

whatever you know from the religious

989

00:41:54,470 --> 00:41:50,820

lens but we may see them as just simply

990

00:41:56,990 --> 00:41:54,480

it is so those were leaders from my

991

00:42:00,230 --> 00:41:57,000

opinion according to my opinion I do

992

00:42:02,270 --> 00:42:00,240

believe they have encounters but to

993

00:42:04,730 --> 00:42:02,280

something like some presidents you know

994

00:42:06,710 --> 00:42:04,740

like Obama and those people they make it

995

00:42:09,230 --> 00:42:06,720

a full breathing they know what's going

996

00:42:12,349 --> 00:42:09,240

on precisely they may meet those beings

997

00:42:15,349 --> 00:42:12,359

in person physical handshakes where to

998

00:42:17,349 --> 00:42:15,359

some other key players in the field you

999

00:42:21,589 --> 00:42:17,359

know holding very important positions

1000

00:42:23,810 --> 00:42:21,599

they may not privileged to certain

1001

00:42:25,670 --> 00:42:23,820

information like this

1002

00:42:27,050 --> 00:42:25,680

um just for example I mean just like a

1003

00:42:28,910 --> 00:42:27,060

minister over I don't know like

1004

00:42:31,670 --> 00:42:28,920

education I'm just making that up you

1005

00:42:35,210 --> 00:42:31,680

know he or she may not privilege to that

1006

00:42:37,970 --> 00:42:35,220

level of intelligence but the beings May

1007

00:42:40,670 --> 00:42:37,980

encounter him or her through like dream

1008

00:42:43,310 --> 00:42:40,680

state so I do believe they have some

1009

00:42:46,310 --> 00:42:43,320

level of download but the issue is here

1010

00:42:48,770 --> 00:42:46,320

and the everybody is so different those

1011

00:42:53,089 --> 00:42:48,780

people holding the key positions they

1012

00:42:56,030 --> 00:42:53,099

may not be as nice or conscious as you

1013

00:42:58,250 --> 00:42:56,040

and the viewers so their reaction to

1014

00:43:01,069 --> 00:42:58,260

those beings or how to handle that

1015

00:43:02,750 --> 00:43:01,079

situation could be very different for us

1016

00:43:05,089 --> 00:43:02,760

we can say oh well that's great maybe

1017

00:43:07,910 --> 00:43:05,099

they can teach us and help us for those

1018

00:43:11,510 --> 00:43:07,920

politicians they may see them as a

1019

00:43:15,109 --> 00:43:11,520

threat to you know overturn the

1020

00:43:16,730 --> 00:43:15,119

political sort of regime or whatever so

1021

00:43:19,790 --> 00:43:16,740

they may take a different approach

1022

00:43:23,569 --> 00:43:19,800

towards those beings so for them knowing

1023

00:43:25,970 --> 00:43:23,579

too much may not necessarily benefit the

1024

00:43:27,410 --> 00:43:25,980

humanity as a whole so that's that's why

1025

00:43:29,630 --> 00:43:27,420

what I think

1026

00:43:32,930 --> 00:43:29,640

yeah they do have experience but they

1027

00:43:36,170 --> 00:43:32,940

don't really view those experience as

1028

00:43:38,930 --> 00:43:36,180

beneficial for themselves

1029

00:43:41,390 --> 00:43:38,940

and one of your other areas and you have

1030

00:43:43,130 --> 00:43:41,400

many of expertise as in like ancient

1031

00:43:45,290 --> 00:43:43,140

civilizations that's something you've

1032

00:43:47,270 --> 00:43:45,300

talked about and you did a lecture on

1033

00:43:50,150 --> 00:43:47,280

that uh presentation it contacted the

1034

00:43:53,230 --> 00:43:50,160

desert as well that's currently ongoing

1035

00:43:56,030 --> 00:43:53,240

um now what initially attracted you to

1036

00:43:58,069 --> 00:43:56,040

ancient civilizations as a topic I

1037

00:43:59,930 --> 00:43:58,079

suppose it may go hand in hand with UFOs

1038

00:44:01,490 --> 00:43:59,940

but you've got quite a lot there that

1039

00:44:03,710 --> 00:44:01,500

you're you're fitting into a relatively

1040

00:44:06,589 --> 00:44:03,720

short time as well

1041

00:44:10,069 --> 00:44:06,599

well to be completely honest I was mean

1042

00:44:12,829 --> 00:44:10,079

to talk about Chinese ufology in the

1043

00:44:17,270 --> 00:44:12,839

content in the desert but also being

1044

00:44:18,650 --> 00:44:17,280

friendly told by someone say Xiao you

1045

00:44:20,990 --> 00:44:18,660

need to watch out because your

1046

00:44:22,849 --> 00:44:21,000

background is Chinese we would hope that

1047

00:44:25,569 --> 00:44:22,859

you don't catch too much attention from

1048

00:44:29,030 --> 00:44:25,579

the CCP so just for my safety concern

1049

00:44:31,910 --> 00:44:29,040

and the others that's why I choose one

1050

00:44:34,010 --> 00:44:31,920

of the conservative topics which is you

1051

00:44:35,630 --> 00:44:34,020

know Ancient Aliens

1052

00:44:38,210 --> 00:44:35,640

um it's firstly it's fun it's

1053

00:44:40,730 --> 00:44:38,220

interesting we talk about what the

1054

00:44:42,530 --> 00:44:40,740

ancient Chinese is like you know Trace

1055

00:44:45,470 --> 00:44:42,540

back to the ancient Sumerians and

1056

00:44:47,569 --> 00:44:45,480

ancient Egyptians but also it ties to

1057

00:44:50,030 --> 00:44:47,579

the origin of China you know a

1058

00:44:52,730 --> 00:44:50,040

connection with Orion the Pleiades and

1059

00:44:54,829 --> 00:44:52,740

series and other many other star systems

1060

00:44:59,690 --> 00:44:54,839

too so I think it's it's interesting

1061

00:45:02,809 --> 00:44:59,700

topic but also not overly sensitive that

1062

00:45:04,430 --> 00:45:02,819

could get me into trouble and to be

1063

00:45:06,710 --> 00:45:04,440

completely honest that's one of the

1064

00:45:09,829 --> 00:45:06,720

major reasons of why I choose that topic

1065

00:45:11,690 --> 00:45:09,839

I'm more than happy to share wow like

1066

00:45:14,150 --> 00:45:11,700

big sensitive information with everyone

1067

00:45:15,829 --> 00:45:14,160

but I need to watch out because you

1068

00:45:18,950 --> 00:45:15,839

don't know that I've Been Told off by

1069

00:45:21,109 --> 00:45:18,960

the CCP back in early 2019 they are

1070

00:45:23,150 --> 00:45:21,119

watching me so I need to be very careful

1071

00:45:25,309 --> 00:45:23,160

about what I can say what I can't say to

1072

00:45:27,050 --> 00:45:25,319

be honest so so and you know what that's

1073

00:45:28,069 --> 00:45:27,060

that's totally fair that's very very

1074

00:45:29,329 --> 00:45:28,079

fair

1075

00:45:32,089 --> 00:45:29,339

um we're living in a time right now

1076

00:45:34,670 --> 00:45:32,099

where UFO new APS are a hot topic of

1077

00:45:37,309 --> 00:45:34,680

discussion and no doubt that'll be more

1078

00:45:40,069 --> 00:45:37,319

so a reason that unfortunately you get

1079

00:45:42,109 --> 00:45:40,079

monitored by the CCP and other people

1080

00:45:44,510 --> 00:45:42,119

who who want to do what you do as well

1081

00:45:47,030 --> 00:45:44,520

there's a lot of talk that some of these

1082

00:45:49,069 --> 00:45:47,040

objects may originate from here on our

1083

00:45:51,410 --> 00:45:49,079

planet already and when you talk about

1084

00:45:54,109 --> 00:45:51,420

ancient civilizations do you feel

1085

00:45:56,270 --> 00:45:54,119

there's a real connection between some

1086

00:45:58,130 --> 00:45:56,280

of these objects we see especially from

1087

00:46:00,710 --> 00:45:58,140

the US military videos that are coming

1088

00:46:02,329 --> 00:46:00,720

out that the potentially based here on

1089

00:46:04,730 --> 00:46:02,339

this planet already

1090

00:46:07,250 --> 00:46:04,740

I think so I think there are some memory

1091

00:46:09,170 --> 00:46:07,260

crops uh the one which I just sent to

1092

00:46:12,349 --> 00:46:09,180

Grand Cameron today is actually

1093

00:46:14,990 --> 00:46:12,359

triangular shaped craft hovering on top

1094

00:46:18,890 --> 00:46:15,000

of you know the the called the bond in

1095

00:46:20,630 --> 00:46:18,900

Shanghai which is CBD area huge crop so

1096

00:46:24,829 --> 00:46:20,640

I think that could be a man-made craft

1097

00:46:26,990 --> 00:46:24,839

not necessarily is related to UTIs so

1098

00:46:30,050 --> 00:46:27,000

when we talk about now they call it the

1099

00:46:32,210 --> 00:46:30,060

UAP now not just UFO uh we're talking

1100

00:46:35,450 --> 00:46:32,220

about a crop that could be man-made

1101
00:46:38,569 --> 00:46:35,460
could be an alien technology or could be

1102
00:46:42,790 --> 00:46:38,579
you know some some craft a no material

1103
00:46:46,309 --> 00:46:42,800
in the some crafts are purely sort of

1104
00:46:48,710 --> 00:46:46,319
shaped by you know higher technology

1105
00:46:51,170 --> 00:46:48,720
it's called like a energy just pure

1106
00:46:53,809 --> 00:46:51,180
energy craft and that's very interesting

1107
00:46:56,690 --> 00:46:53,819
it's beyond comprehension

1108
00:46:59,089 --> 00:46:56,700
um yeah yeah I think so

1109
00:47:01,130 --> 00:46:59,099
I'll segue and to listener questions

1110
00:47:02,690 --> 00:47:01,140
because a few things I want to touch on

1111
00:47:03,829 --> 00:47:02,700
are going to be within the body of those

1112
00:47:06,950 --> 00:47:03,839
as well

1113
00:47:09,230 --> 00:47:06,960

um the first one from Dave is why do you

1114

00:47:12,230 --> 00:47:09,240

think the CCP has supported the

1115

00:47:14,329 --> 00:47:12,240

formation of UFO groups and the links

1116

00:47:16,490 --> 00:47:14,339

potentially to government and what is

1117

00:47:18,710 --> 00:47:16,500

the experience of unauthorized Chinese

1118

00:47:22,069 --> 00:47:18,720

ufologists

1119

00:47:24,170 --> 00:47:22,079

yeah so uh at the beginning it was due

1120

00:47:26,390 --> 00:47:24,180

to technology reason you know we're

1121

00:47:30,349 --> 00:47:26,400

talking about back in 90s and people

1122

00:47:32,569 --> 00:47:30,359

read hard copy books more often and 90s

1123

00:47:34,510 --> 00:47:32,579

period that's where the internet start

1124

00:47:39,050 --> 00:47:34,520

to you know

1125

00:47:43,430 --> 00:47:39,060

become popular so but I think the golden

1126

00:47:46,190 --> 00:47:43,440

period for Chinese symphony were 2005

1127

00:47:50,510 --> 00:47:46,200

to 2000

1128

00:47:53,210 --> 00:47:50,520

18 but after 2018 starting from 2019

1129

00:47:55,670 --> 00:47:53,220

everything being shut down so Dave thank

1130

00:47:57,470 --> 00:47:55,680

you so much for your question I mean uh

1131

00:47:59,329 --> 00:47:57,480

everything is a period I think in the

1132

00:48:01,309 --> 00:47:59,339

last two to three years China actually

1133

00:48:03,829 --> 00:48:01,319

CCP have a Crackdown on your 4G

1134

00:48:05,990 --> 00:48:03,839

Community which is quite obvious so I do

1135

00:48:08,270 --> 00:48:06,000

think it's a tighten the control in this

1136

00:48:11,390 --> 00:48:08,280

field in the last two three two three

1137

00:48:13,309 --> 00:48:11,400

two to three years so yeah but prior to

1138

00:48:14,809 --> 00:48:13,319

that was a golden period for Chinese

1139

00:48:18,170 --> 00:48:14,819

mythology

1140

00:48:21,109 --> 00:48:18,180

and what is the experience now of I

1141

00:48:22,849 --> 00:48:21,119

suppose unauthorized ufologists in China

1142

00:48:24,589 --> 00:48:22,859

if they're having a discussion like

1143

00:48:26,569 --> 00:48:24,599

you're having but you're based in

1144

00:48:28,970 --> 00:48:26,579

Australia but you're still getting those

1145

00:48:31,010 --> 00:48:28,980

warnings and monitoring what happens if

1146

00:48:33,890 --> 00:48:31,020

you're trying to do this in China as a

1147

00:48:36,230 --> 00:48:33,900

ufologist as much as you can see let me

1148

00:48:39,670 --> 00:48:36,240

give you a case Dave

1149

00:48:43,270 --> 00:48:39,680

um a few years ago there's a a female

1150

00:48:46,670 --> 00:48:43,280

ufology uh ufologist

1151

00:48:49,250 --> 00:48:46,680

her pen name is love and alight

1152

00:48:51,589 --> 00:48:49,260

she was sharing some light messages from

1153

00:48:53,450 --> 00:48:51,599

Pleiadians you know love and light this

1154

00:48:55,430 --> 00:48:53,460

and that's the stuff you know you see

1155

00:49:00,470 --> 00:48:55,440

everywhere on the YouTubes

1156

00:49:03,530 --> 00:49:00,480

one day she's been caught by the ccpe

1157

00:49:05,329 --> 00:49:03,540

um on based on two grounds one is

1158

00:49:07,730 --> 00:49:05,339

illegal rallies

1159

00:49:09,890 --> 00:49:07,740

because in China if you want to gather

1160

00:49:11,990 --> 00:49:09,900

people for more than 40 people you know

1161

00:49:14,390 --> 00:49:12,000

each service is quite different you have

1162

00:49:16,730 --> 00:49:14,400

to get a special permit or approval from

1163

00:49:18,950 --> 00:49:16,740

the local government otherwise you can't

1164

00:49:21,109 --> 00:49:18,960

have small Gatherings she doesn't have

1165

00:49:23,450 --> 00:49:21,119

the small gathering permit that's why

1166

00:49:25,250 --> 00:49:23,460

the labor was you know prosecute her

1167

00:49:29,150 --> 00:49:25,260

under the ground of

1168

00:49:32,390 --> 00:49:29,160

um illegal rallies second uh call her as

1169

00:49:35,089 --> 00:49:32,400

you know alien count like almost like

1170

00:49:38,690 --> 00:49:35,099

illegal religious cult and then shipping

1171

00:49:41,930 --> 00:49:38,700

sentenced to jail for eight years full

1172

00:49:44,450 --> 00:49:41,940

sentence no uh no profile so that's

1173

00:49:46,970 --> 00:49:44,460

telling you how serious it is in China

1174

00:49:49,190 --> 00:49:46,980

to promote your phonology just so the

1175

00:49:51,170 --> 00:49:49,200

people like her with a pen name of love

1176
00:49:52,849 --> 00:49:51,180
and lie just talking about something you

1177
00:49:55,190 --> 00:49:52,859
know they really stuff all the

1178
00:49:56,630 --> 00:49:55,200
Pleiadians said this and that level line

1179
00:49:59,030 --> 00:49:56,640
you know treat each other like a brother

1180
00:50:00,890 --> 00:49:59,040
and sister just stand the stuff she's

1181
00:50:02,990 --> 00:50:00,900
been sentenced to jail for eight years

1182
00:50:05,089 --> 00:50:03,000
imagine what if I'm actually in China

1183
00:50:06,829 --> 00:50:05,099
now that could be the same fate for me

1184
00:50:09,349 --> 00:50:06,839
so lucky that I'm based in Sydney

1185
00:50:12,950 --> 00:50:09,359
Australia so that's why I want to share

1186
00:50:17,870 --> 00:50:12,960
that the situation for long ufologists

1187
00:50:21,109 --> 00:50:17,880
in China are very uh you sort of quite

1188
00:50:25,190 --> 00:50:21,119

dangerous so you need to be very Mindful

1189

00:50:27,829 --> 00:50:25,200

and articulate about what message you

1190

00:50:30,410 --> 00:50:27,839

can share or not to share like the case

1191

00:50:32,750 --> 00:50:30,420

I share with Andy about you know the

1192

00:50:36,349 --> 00:50:32,760

hondro airport I'm more than happy to

1193

00:50:38,510 --> 00:50:36,359

share more exciting uh interesting info

1194

00:50:40,790 --> 00:50:38,520

but I don't want to get into trouble so

1195

00:50:43,190 --> 00:50:40,800

I can only touch on the keywords and

1196

00:50:46,490 --> 00:50:43,200

leave as it is so yeah

1197

00:50:48,470 --> 00:50:46,500

and next up we had Derek and Derek wants

1198

00:50:50,990 --> 00:50:48,480

to know what are xiao's thoughts on

1199

00:50:53,450 --> 00:50:51,000

Atlantis and did she think it existed

1200

00:50:55,309 --> 00:50:53,460

and that potentially a few survivors

1201
00:50:58,130 --> 00:50:55,319
spread their knowledge to the pyramid

1202
00:50:59,750 --> 00:50:58,140
builders on different continents thank

1203
00:51:03,970 --> 00:50:59,760
you Derek thanks for your question yes

1204
00:51:07,910 --> 00:51:03,980
I'm 100 believed that Atlantis did exist

1205
00:51:10,849 --> 00:51:07,920
and so many of us had an Incarnation as

1206
00:51:12,410 --> 00:51:10,859
antolinium back in those times and I

1207
00:51:15,770 --> 00:51:12,420
even had a lucid dreaming around Italian

1208
00:51:17,450 --> 00:51:15,780
they told me to use crystals

1209
00:51:19,309 --> 00:51:17,460
um I do believe it's a highly of

1210
00:51:22,970 --> 00:51:19,319
advanced symbolization and not only

1211
00:51:26,510 --> 00:51:22,980
Atlantis but also lemurians uh did exist

1212
00:51:29,089 --> 00:51:26,520
back back in old days

1213
00:51:30,710 --> 00:51:29,099

and dedic also follows up with do you

1214

00:51:33,470 --> 00:51:30,720

think they could be living under the

1215

00:51:36,049 --> 00:51:33,480

Antarctic case and operating new APS

1216

00:51:43,490 --> 00:51:38,750

that depends which phrase

1217

00:51:49,190 --> 00:51:45,250

Expressions on this area I believe

1218

00:51:52,130 --> 00:51:49,200

antelantis had quite a few major periods

1219

00:51:54,710 --> 00:51:52,140

in their history so when we talk about

1220

00:51:57,170 --> 00:51:54,720

their uh a location geographical

1221

00:51:59,349 --> 00:51:57,180

location so the early stage to the

1222

00:52:03,970 --> 00:51:59,359

middle stage of Atlanta is spread around

1223

00:52:06,109 --> 00:52:03,980

you know sort of between the um

1224

00:52:08,630 --> 00:52:06,119

atlantisville you call it the eastern

1225

00:52:11,510 --> 00:52:08,640

part of U.S and the western part of

1226
00:52:13,250 --> 00:52:11,520
Europe those those areas is huge and

1227
00:52:15,650 --> 00:52:13,260
then they have some kind of issue and

1228
00:52:18,650 --> 00:52:15,660
then they shrink a bit so it depends

1229
00:52:20,990 --> 00:52:18,660
which phrase of the history that uh

1230
00:52:25,069 --> 00:52:21,000
Derek is referring to but I do believe

1231
00:52:27,230 --> 00:52:25,079
it's sort of around those regions

1232
00:52:28,910 --> 00:52:27,240
and I'll follow up on that as is there

1233
00:52:31,370 --> 00:52:28,920
anything you've done in your research or

1234
00:52:32,990 --> 00:52:31,380
you've heard about Antarctica now it's a

1235
00:52:35,450 --> 00:52:33,000
quite a fascinating place and there's

1236
00:52:37,430 --> 00:52:35,460
lots of stories and rumors about what

1237
00:52:40,430 --> 00:52:37,440
may or may not have gone on there it

1238
00:52:43,130 --> 00:52:40,440

gets as Extreme as you know Nazi basis

1239

00:52:45,530 --> 00:52:43,140

under the ice with alien hybrids and

1240

00:52:47,930 --> 00:52:45,540

Nazis and then the US were there and the

1241

00:52:50,390 --> 00:52:47,940

Russians the Chinese were there what do

1242

00:52:52,849 --> 00:52:50,400

you think is so special about Antarctica

1243

00:52:56,450 --> 00:52:52,859

and and why it has this place within

1244

00:53:00,349 --> 00:52:58,250

um I have a Siri just from my own

1245

00:53:02,690 --> 00:53:00,359

opinion

1246

00:53:05,990 --> 00:53:02,700

um I think there are many interesting

1247

00:53:08,809 --> 00:53:06,000

places hidden underneath of the eyes or

1248

00:53:10,730 --> 00:53:08,819

underground but the reason why in the

1249

00:53:14,410 --> 00:53:10,740

last few days people pay more attention

1250

00:53:17,210 --> 00:53:14,420

to this area is due to deliberate

1251

00:53:20,450 --> 00:53:17,220

narrative control by the intelligence

1252

00:53:23,690 --> 00:53:20,460

Community I do feel there's a push from

1253

00:53:25,730 --> 00:53:23,700

those communities want to want people to

1254

00:53:27,530 --> 00:53:25,740

focus in this area so they give you

1255

00:53:30,530 --> 00:53:27,540

those like a little Drip Drop

1256

00:53:32,270 --> 00:53:30,540

information just like enticing you you

1257

00:53:34,670 --> 00:53:32,280

know look into this but they don't want

1258

00:53:37,910 --> 00:53:34,680

to tell you too much because they see

1259

00:53:39,710 --> 00:53:37,920

the ufology field is quite dangerous for

1260

00:53:43,130 --> 00:53:39,720

them so they want to give you a

1261

00:53:44,089 --> 00:53:43,140

direction where to focus but they also

1262

00:53:46,190 --> 00:53:44,099

don't want to give you too much

1263

00:53:47,870 --> 00:53:46,200

information so I think in the last few

1264

00:53:50,870 --> 00:53:47,880

years they want us to focus on

1265

00:53:52,790 --> 00:53:50,880

Antarctica because you know they might

1266

00:53:54,890 --> 00:53:52,800

have a military base or maybe that's

1267

00:53:58,190 --> 00:53:54,900

where the human species are originally

1268

00:54:00,829 --> 00:53:58,200

came from I don't know but uh at least

1269

00:54:03,770 --> 00:54:00,839

what I want to focus on that question is

1270

00:54:06,290 --> 00:54:03,780

that I do believe it's actually a

1271

00:54:08,089 --> 00:54:06,300

deliberate narrative control by the

1272

00:54:10,670 --> 00:54:08,099

intelligence Community they want us to

1273

00:54:13,790 --> 00:54:10,680

focus in this area by just giving us

1274

00:54:15,010 --> 00:54:13,800

that little information not much just

1275

00:54:17,510 --> 00:54:15,020

enough

1276

00:54:19,910 --> 00:54:17,520

uh yeah

1277

00:54:21,950 --> 00:54:19,920

I always find Antarctica as a place

1278

00:54:23,870 --> 00:54:21,960

fascinating and you hear so many

1279

00:54:26,270 --> 00:54:23,880

different stories and narratives about

1280

00:54:28,309 --> 00:54:26,280

what may or may not be there what may

1281

00:54:29,630 --> 00:54:28,319

have gone on in the past but it's one I

1282

00:54:31,309 --> 00:54:29,640

like to talk about now and again I've

1283

00:54:34,990 --> 00:54:31,319

not done enough so

1284

00:54:37,250 --> 00:54:35,000

um also Derek wants to know right yeah

1285

00:54:38,809 --> 00:54:37,260

there's a one more place people can

1286

00:54:41,089 --> 00:54:38,819

focus on there's so many fascinating

1287

00:54:42,950 --> 00:54:41,099

places so that's why the intelligence

1288

00:54:45,349 --> 00:54:42,960

Community they want us to focus in this

1289

00:54:48,290 --> 00:54:45,359

area because there are more more places

1290

00:54:51,530 --> 00:54:48,300

and more important than Antarctica from

1291

00:54:54,290 --> 00:54:51,540

my perspective you know the biggest the

1292

00:54:56,210 --> 00:54:54,300

biggest the pyramid on this planet what

1293

00:54:57,650 --> 00:54:56,220

I heard from a friend of mines is

1294

00:55:00,290 --> 00:54:57,660

actually in Bolivia

1295

00:55:03,170 --> 00:55:00,300

that's the biggest pyramid

1296

00:55:05,270 --> 00:55:03,180

and what they found in this pyramids are

1297

00:55:07,309 --> 00:55:05,280

fascinating so I think that's more

1298

00:55:09,530 --> 00:55:07,319

interesting for us to focus on that

1299

00:55:11,809 --> 00:55:09,540

people need to dive in like who built

1300

00:55:14,750 --> 00:55:11,819

those pyramids the biggest one on this

1301

00:55:17,510 --> 00:55:14,760

planet and what's actually inside but

1302

00:55:19,849 --> 00:55:17,520

they don't want you know so rather they

1303

00:55:21,290 --> 00:55:19,859

change our direction of focus in

1304

00:55:23,150 --> 00:55:21,300

different areas I mean don't get me

1305

00:55:26,809 --> 00:55:23,160

wrong Antarctica is a very fascinating

1306

00:55:30,170 --> 00:55:26,819

place but I think we also need to keep

1307

00:55:32,049 --> 00:55:30,180

our eyes open for different topics as

1308

00:55:34,490 --> 00:55:32,059

well so yeah

1309

00:55:36,530 --> 00:55:34,500

I mean I'm quite happy to touch on it

1310

00:55:38,930 --> 00:55:36,540

now is there much more you can talk

1311

00:55:41,089 --> 00:55:38,940

about with that pyramid in Bolivia as to

1312

00:55:44,030 --> 00:55:41,099

the contents or or anything you know

1313

00:55:46,730 --> 00:55:44,040

particularly special around it

1314

00:55:50,390 --> 00:55:46,740

yeah um I have a friend of mine who

1315

00:55:54,230 --> 00:55:50,400

actually uh went to that pyramid and she

1316

00:55:56,210 --> 00:55:54,240

said to me that she met the uh the first

1317

00:55:59,750 --> 00:55:56,220

guy who actually discovered the

1318

00:56:01,970 --> 00:55:59,760

Bolivia's pyramid and but that guy's

1319

00:56:04,069 --> 00:56:01,980

being hunted down by the community I

1320

00:56:07,309 --> 00:56:04,079

mean the intelligence can make it really

1321

00:56:09,650 --> 00:56:07,319

you know uh and teaming him ridicued him

1322

00:56:12,410 --> 00:56:09,660

ruined his reputation and everything

1323

00:56:15,410 --> 00:56:12,420

make his life really miserable for the

1324

00:56:17,630 --> 00:56:15,420

purpose of you know crushing so that

1325

00:56:20,150 --> 00:56:17,640

nobody will look into this side anymore

1326
00:56:22,910 --> 00:56:20,160
but that draws me more interest because

1327
00:56:24,710 --> 00:56:22,920
what's really hidden there why don't

1328
00:56:28,069 --> 00:56:24,720
they want people know that there is a

1329
00:56:30,710 --> 00:56:28,079
biggest pyramid in Bolivia what's him

1330
00:56:32,930 --> 00:56:30,720
that what's underneath of it could be

1331
00:56:35,390 --> 00:56:32,940
some real deal stuff that we need to

1332
00:56:38,049 --> 00:56:35,400
focus on do you think if it look if it's

1333
00:56:40,790 --> 00:56:38,059
just a pyramid why pay that much

1334
00:56:42,650 --> 00:56:40,800
emphasis and do so much damage to that

1335
00:56:44,510 --> 00:56:42,660
guy and I do believe that there's

1336
00:56:47,030 --> 00:56:44,520
something for them to hide

1337
00:56:49,849 --> 00:56:47,040
so yeah

1338
00:56:51,290 --> 00:56:49,859

now Graham has a good question and this

1339

00:56:52,849 --> 00:56:51,300

is a quite a sensitive subject

1340

00:56:55,790 --> 00:56:52,859

especially when you want to talk about

1341

00:56:58,670 --> 00:56:55,800

China the CCP and other things are there

1342

00:57:01,370 --> 00:56:58,680

any records of incursions of UFOs around

1343

00:57:03,890 --> 00:57:01,380

Chinese nuclear facilities like you know

1344

00:57:05,870 --> 00:57:03,900

missile silos power plant power plants

1345

00:57:07,490 --> 00:57:05,880

or research facilities

1346

00:57:09,230 --> 00:57:07,500

I don't know

1347

00:57:11,870 --> 00:57:09,240

that's the answer I really don't know

1348

00:57:14,870 --> 00:57:11,880

that much information it's not released

1349

00:57:17,390 --> 00:57:14,880

on the news and I don't really pay much

1350

00:57:19,670 --> 00:57:17,400

attention to those hot spots as well

1351
00:57:21,470 --> 00:57:19,680
because it's quite sensitive so mine

1352
00:57:24,770 --> 00:57:21,480
says I don't know I'm sorry

1353
00:57:26,510 --> 00:57:24,780
no that's okay and from a U.S point of

1354
00:57:28,849 --> 00:57:26,520
view one of the big focuses on the

1355
00:57:31,250 --> 00:57:28,859
conversation is to do with the link

1356
00:57:34,790 --> 00:57:31,260
between these these objects and nuclear

1357
00:57:36,950 --> 00:57:34,800
power so is it just a case of china is

1358
00:57:38,630 --> 00:57:36,960
very very tight-lipped on that side of

1359
00:57:41,630 --> 00:57:38,640
the subject when it comes to nuclear

1360
00:57:43,370 --> 00:57:41,640
weapons yeah absolutely agree with you

1361
00:57:45,890 --> 00:57:43,380
um Andy I think they're very talented

1362
00:57:48,530 --> 00:57:45,900
about that topic and even if that's the

1363
00:57:50,569 --> 00:57:48,540

case you will see these information on

1364

00:57:52,250 --> 00:57:50,579

the news the only people who who

1365

00:57:54,170 --> 00:57:52,260

wouldn't know would be the people who

1366

00:57:55,970 --> 00:57:54,180

actually worked there they will tell you

1367

00:57:58,069 --> 00:57:55,980

you know I saw deciding they shall be

1368

00:57:59,870 --> 00:57:58,079

under this and that but I don't know

1369

00:58:02,450 --> 00:57:59,880

anyone actually worked there so I can't

1370

00:58:05,030 --> 00:58:02,460

really have any information to share but

1371

00:58:07,430 --> 00:58:05,040

just as you know ordinary person my

1372

00:58:10,250 --> 00:58:07,440

guess would be that would be the case

1373

00:58:13,490 --> 00:58:10,260

because those beings doesn't want to see

1374

00:58:15,470 --> 00:58:13,500

a nuclear you know explosion anywhere on

1375

00:58:20,690 --> 00:58:15,480

this planet especially at this time

1376

00:58:22,790 --> 00:58:20,700

right now so I heard that for the UFO uh

1377

00:58:25,370 --> 00:58:22,800

sorry the new nuclear planet in

1378

00:58:27,650 --> 00:58:25,380

different countries they will intend to

1379

00:58:30,530 --> 00:58:27,660

have quite a few you know your you know

1380

00:58:32,750 --> 00:58:30,540

nuclear explosion but didn't happen due

1381

00:58:35,870 --> 00:58:32,760

to you know extraterrestrials

1382

00:58:39,170 --> 00:58:35,880

intervention so I do believe that we are

1383

00:58:41,210 --> 00:58:39,180

protected at this stage

1384

00:58:42,829 --> 00:58:41,220

I'd like to ask you on this and this

1385

00:58:44,390 --> 00:58:42,839

will just be your opinion and it's this

1386

00:58:47,270 --> 00:58:44,400

is just it's not coming from a place of

1387

00:58:49,670 --> 00:58:47,280

any knowledge but a lot of people talk

1388

00:58:51,349 --> 00:58:49,680

about when it comes to to the biological

1389

00:58:53,150 --> 00:58:51,359

nuclear weapons the more advanced

1390

00:58:54,530 --> 00:58:53,160

Weaponry that we have now as a species

1391

00:58:57,109 --> 00:58:54,540

and a human race

1392

00:58:59,390 --> 00:58:57,119

the really devastating stuff people say

1393

00:59:01,309 --> 00:58:59,400

we won't be allowed to use it because

1394

00:59:03,109 --> 00:59:01,319

ETS or other races whether they are

1395

00:59:05,930 --> 00:59:03,119

based on this planet or elsewhere

1396

00:59:08,150 --> 00:59:05,940

wouldn't allow it however we had

1397

00:59:10,789 --> 00:59:08,160

Hiroshima and Nagasaki very close

1398

00:59:13,670 --> 00:59:10,799

together and there is a lot of nuclear

1399

00:59:15,170 --> 00:59:13,680

testing that does go on on the planet at

1400

00:59:18,829 --> 00:59:15,180

any given time

1401

00:59:21,170 --> 00:59:18,839

why do you think those incidents and the

1402

00:59:23,990 --> 00:59:21,180

testing is allowed to happen yet people

1403

00:59:25,430 --> 00:59:24,000

seem quite confident that they won't let

1404

00:59:27,410 --> 00:59:25,440

us have a nuclear war they would just

1405

00:59:29,329 --> 00:59:27,420

turn these things off

1406

00:59:31,549 --> 00:59:29,339

I'd like to thank paperlike for

1407

00:59:33,410 --> 00:59:31,559

sponsoring this episode something that's

1408

00:59:35,390 --> 00:59:33,420

always held me back from making more use

1409

00:59:37,190 --> 00:59:35,400

of my apple pencil for notes is the

1410

00:59:39,049 --> 00:59:37,200

filling across the screen it still felt

1411

00:59:40,609 --> 00:59:39,059

like I'm writing on glass especially

1412

00:59:43,010 --> 00:59:40,619

when scribbling notes for podcast

1413

00:59:45,170 --> 00:59:43,020

episodes paper like have very much

1414

00:59:46,690 --> 00:59:45,180

changed how I use my existing iPad and

1415

00:59:48,950 --> 00:59:46,700

it's giving it a new lease of life

1416

00:59:50,870 --> 00:59:48,960

pay-per-like is perfect for anyone who

1417

00:59:52,910 --> 00:59:50,880

draws in writes using an iPad and an

1418

00:59:55,430 --> 00:59:52,920

apple pencil the surface of the paper

1419

00:59:57,230 --> 00:59:55,440

light is coated using Nano dots tiny

1420

00:59:59,030 --> 00:59:57,240

microbeads are designed to add Superior

1421

01:00:01,430 --> 00:59:59,040

stroke Precision when you drag the apple

1422

01:00:03,230 --> 01:00:01,440

pencil across the screen every paper

1423

01:00:05,750 --> 01:00:03,240

light comes in a set of two so you'll

1424

01:00:07,609 --> 01:00:05,760

always have a spare in case you need I'm

1425

01:00:09,109 --> 01:00:07,619

no artist either but my kids certainly

1426

01:00:10,609 --> 01:00:09,119

approve of using it to draw in little

1427

01:00:13,069 --> 01:00:10,619

and I can have peace of mind the screen

1428

01:00:14,950 --> 01:00:13,079

underneath is completely protected to

1429

01:00:17,930 --> 01:00:14,960

pick up your paper like head over to

1430

01:00:20,450 --> 01:00:17,940

paperlike.com forward slash that UFO

1431

01:00:22,849 --> 01:00:20,460

click buy paper like and select your

1432

01:00:24,710 --> 01:00:22,859

iPad size from now until the end of

1433

01:00:26,930 --> 01:00:24,720

January paperlike is also including

1434

01:00:29,569 --> 01:00:26,940

their digital Pro planner bundle at no

1435

01:00:31,970 --> 01:00:29,579

extra cost to every order placed through

1436

01:00:33,890 --> 01:00:31,980

the paper like store plus shipping is

1437

01:00:35,530 --> 01:00:33,900

completely free ready to do more with

1438

01:00:38,690 --> 01:00:35,540

your iPad then head over to

1439

01:00:40,030 --> 01:00:38,700

paperlike.com forward slash that UFO to

1440

01:00:42,349 --> 01:00:40,040

get started

1441

01:00:44,630 --> 01:00:42,359

that's a brilliant question you know I

1442

01:00:49,190 --> 01:00:44,640

thought about that before

1443

01:00:51,650 --> 01:00:49,200

um my according to my opinion is that

1444

01:00:54,589 --> 01:00:51,660

people can't be too naive that means

1445

01:00:57,829 --> 01:00:54,599

they can't always count down on like a

1446

01:00:59,990 --> 01:00:57,839

fully 100 countdown on those beings

1447

01:01:01,670 --> 01:01:00,000

they may tell you you know one version

1448

01:01:03,109 --> 01:01:01,680

of the story but they do things

1449

01:01:06,230 --> 01:01:03,119

differently I mean

1450

01:01:09,230 --> 01:01:06,240

from my perspective

1451
01:01:11,990 --> 01:01:09,240
whatever happened on this planet those

1452
01:01:14,890 --> 01:01:12,000
beings may have certain control of the

1453
01:01:17,450 --> 01:01:14,900
situation but they can't really

1454
01:01:19,130 --> 01:01:17,460
micromanage others so many different

1455
01:01:22,069 --> 01:01:19,140
situations

1456
01:01:24,829 --> 01:01:22,079
so yes they may have some level of

1457
01:01:27,589 --> 01:01:24,839
interference to try to stop this stop

1458
01:01:30,470 --> 01:01:27,599
that but that doesn't mean they have 100

1459
01:01:32,569 --> 01:01:30,480
full control on the world's major

1460
01:01:35,930 --> 01:01:32,579
governments you know what they can do

1461
01:01:39,109 --> 01:01:35,940
they can't do so they can only mitigate

1462
01:01:41,809 --> 01:01:39,119
I use the word of mitigate the risk for

1463
01:01:45,109 --> 01:01:41,819

Humanity but that doesn't mean they are

1464

01:01:47,630 --> 01:01:45,119

able to stop all the negativity happens

1465

01:01:50,690 --> 01:01:47,640

on this planet right now so people need

1466

01:01:53,329 --> 01:01:50,700

to you know not see the reality show but

1467

01:01:55,010 --> 01:01:53,339

be real you know what alien can do what

1468

01:01:57,470 --> 01:01:55,020

they can't do

1469

01:01:59,450 --> 01:01:57,480

um even my like Spirit guides you know

1470

01:02:01,309 --> 01:01:59,460

they may tell me blah blah blah this and

1471

01:02:04,549 --> 01:02:01,319

that but that doesn't mean everything

1472

01:02:07,130 --> 01:02:04,559

will be fulfilled 100 so you always need

1473

01:02:09,410 --> 01:02:07,140

to do a discernment check you know you

1474

01:02:11,230 --> 01:02:09,420

believe half and you know always give

1475

01:02:14,990 --> 01:02:11,240

yourself you know

1476

01:02:16,549 --> 01:02:15,000

a role to think about it also so yeah

1477

01:02:18,410 --> 01:02:16,559

there were some really good questions

1478

01:02:20,329 --> 01:02:18,420

there I do have a couple more but we'll

1479

01:02:21,829 --> 01:02:20,339

save those for the patreon section that

1480

01:02:24,109 --> 01:02:21,839

I'll go through a show just when we

1481

01:02:25,730 --> 01:02:24,119

finish up show before we wrap up the

1482

01:02:28,010 --> 01:02:25,740

main portion of the program I always

1483

01:02:29,930 --> 01:02:28,020

like to do a quick fire round and just

1484

01:02:31,670 --> 01:02:29,940

ask your opinion just a few words or a

1485

01:02:33,349 --> 01:02:31,680

little bit more if you want on a few

1486

01:02:34,730 --> 01:02:33,359

different topics that we've not talked

1487

01:02:36,650 --> 01:02:34,740

about yet if you don't mind and if you

1488

01:02:38,690 --> 01:02:36,660

don't have any particular opinion we can

1489

01:02:41,210 --> 01:02:38,700

move on from it is that okay

1490

01:02:43,549 --> 01:02:41,220

yeah sure

1491

01:02:45,950 --> 01:02:43,559

um what are your thoughts on ce5 as a

1492

01:02:51,289 --> 01:02:47,510

it's actually it's a very powerful

1493

01:02:53,150 --> 01:02:51,299

initiation uh but the downside about ce5

1494

01:02:55,910 --> 01:02:53,160

is you need to make sure everybody in

1495

01:02:58,670 --> 01:02:55,920

your group have a pure good intention

1496

01:03:00,289 --> 01:02:58,680

without any fear so what I heard is some

1497

01:03:02,510 --> 01:03:00,299

people if they don't reach certain

1498

01:03:05,630 --> 01:03:02,520

Consciousness level or if they are not

1499

01:03:08,150 --> 01:03:05,640

purely positive you may not able to

1500

01:03:10,849 --> 01:03:08,160

summon Accra so making sure that you

1501
01:03:14,270 --> 01:03:10,859
have the proper Gathering so I do really

1502
01:03:16,210 --> 01:03:14,280
support the ce5 activities actually I

1503
01:03:19,870 --> 01:03:16,220
think it's actually a really good way to

1504
01:03:31,130 --> 01:03:19,880
initiate with certain beings yes

1505
01:03:35,150 --> 01:03:33,349
certain politicians will play dumb there

1506
01:03:36,950 --> 01:03:35,160
well what do you mean by UFO but if you

1507
01:03:39,710 --> 01:03:36,960
say UAP they have to answer your

1508
01:03:41,630 --> 01:03:39,720
questions now yes that's a very good

1509
01:03:46,549 --> 01:03:41,640
point yep it's a fairly good point and

1510
01:03:54,650 --> 01:03:50,470
wow that's uh that's a big topic

1511
01:03:57,890 --> 01:03:54,660
disclosure for me is multiple big events

1512
01:04:01,190 --> 01:03:57,900
happening simultaneously on the same day

1513
01:04:02,990 --> 01:04:01,200

this closure means you know we may have

1514

01:04:05,150 --> 01:04:03,000

a Kundalini Awakening means what's

1515

01:04:07,309 --> 01:04:05,160

happening in the past so we recall

1516

01:04:10,430 --> 01:04:07,319

everything happening in our life like a

1517

01:04:13,190 --> 01:04:10,440

quick live review big uh disclosure also

1518

01:04:14,930 --> 01:04:13,200

means once you fully awakened you can

1519

01:04:16,789 --> 01:04:14,940

see through all the that means

1520

01:04:19,549 --> 01:04:16,799

we will see what's going on in the world

1521

01:04:23,150 --> 01:04:19,559

so this closure is actually able to

1522

01:04:26,390 --> 01:04:23,160

trigger quite a few major events uh this

1523

01:04:28,250 --> 01:04:26,400

culture also means that UFO landing for

1524

01:04:31,370 --> 01:04:28,260

disclosure so this culture means quite a

1525

01:04:33,950 --> 01:04:31,380

few things and I do believe in all those

1526

01:04:37,309 --> 01:04:33,960

major events May happen simultaneously

1527

01:04:40,010 --> 01:04:37,319

at the same time at the same day yeah

1528

01:04:42,890 --> 01:04:40,020

so there are two messages that I want to

1529

01:04:44,809 --> 01:04:42,900

share to the viewers we when we talk

1530

01:04:47,450 --> 01:04:44,819

about the ufology because everybody like

1531

01:04:50,750 --> 01:04:47,460

you and I have a different acco is like

1532

01:04:52,849 --> 01:04:50,760

uh like a screenplay or you know how we

1533

01:04:54,589 --> 01:04:52,859

have a blueprint our life what we want

1534

01:04:56,089 --> 01:04:54,599

to experience some people may want to

1535

01:04:58,190 --> 01:04:56,099

have a Content modalities through

1536

01:05:00,109 --> 01:04:58,200

religion you know like us could be

1537

01:05:02,809 --> 01:05:00,119

euphorology other people may have I

1538

01:05:05,630 --> 01:05:02,819

don't know like a shaman experience so

1539

01:05:08,210 --> 01:05:05,640

everybody is quite different so I think

1540

01:05:10,370 --> 01:05:08,220

it's very important for people not to

1541

01:05:12,289 --> 01:05:10,380

just focus on the phenomenon itself you

1542

01:05:14,930 --> 01:05:12,299

know there's a light in the sky with it

1543

01:05:18,410 --> 01:05:14,940

being localized human oil animal like I

1544

01:05:21,049 --> 01:05:18,420

don't care it's it's all all roads leads

1545

01:05:23,510 --> 01:05:21,059

to Rome that call is for people who have

1546

01:05:26,270 --> 01:05:23,520

a Consciousness Awakening so what I've

1547

01:05:29,450 --> 01:05:26,280

been told when I was on a craft they

1548

01:05:32,089 --> 01:05:29,460

also mentioned to me that you know you

1549

01:05:34,730 --> 01:05:32,099

can't just stop evolving you have to

1550

01:05:36,349 --> 01:05:34,740

have life transformation so every time

1551

01:05:38,450 --> 01:05:36,359

when I share with my Chinese view I

1552

01:05:41,450 --> 01:05:38,460

always share the same messages now you

1553

01:05:43,250 --> 01:05:41,460

have no idea how stubborn I was a few

1554

01:05:46,190 --> 01:05:43,260

years ago totally different person

1555

01:05:48,109 --> 01:05:46,200

compared with now so for the people who

1556

01:05:50,630 --> 01:05:48,119

actually in the community I won't let

1557

01:05:53,150 --> 01:05:50,640

you know that whatever you know in this

1558

01:05:55,309 --> 01:05:53,160

entire Community the UF or the craft

1559

01:05:59,030 --> 01:05:55,319

doesn't matter the most important thing

1560

01:06:02,030 --> 01:05:59,040

is how you actually take the message use

1561

01:06:05,690 --> 01:06:02,040

for yourself to have life transformation

1562

01:06:08,329 --> 01:06:05,700

what is ET encounter mean to you that's

1563

01:06:10,970 --> 01:06:08,339

the core how you're going to use that to

1564

01:06:12,650 --> 01:06:10,980

benefit for yourself so I think that's I

1565

01:06:14,450 --> 01:06:12,660

just want to leave as a question for the

1566

01:06:18,049 --> 01:06:14,460

viewer to think about the second message

1567

01:06:20,690 --> 01:06:18,059

I want to share is the Chinese ufology

1568

01:06:24,069 --> 01:06:20,700

Community is very special what actually

1569

01:06:26,990 --> 01:06:24,079

found is how Chinese

1570

01:06:29,450 --> 01:06:27,000

personality traits or characters because

1571

01:06:32,809 --> 01:06:29,460

we are from you know a communist country

1572

01:06:34,730 --> 01:06:32,819

and the so our ideology we are thinking

1573

01:06:36,410 --> 01:06:34,740

and even Japanese I know they are not

1574

01:06:39,049 --> 01:06:36,420

communist country but you know Japanese

1575

01:06:41,270 --> 01:06:39,059

or Koreans or thailands you know the

1576

01:06:42,770 --> 01:06:41,280

Thai people they are very different a

1577

01:06:45,890 --> 01:06:42,780

lot of people just focus on those people

1578

01:06:47,630 --> 01:06:45,900

like how those race because they have a

1579

01:06:49,450 --> 01:06:47,640

different ideology different culture

1580

01:06:53,390 --> 01:06:49,460

background they have a different

1581

01:06:55,670 --> 01:06:53,400

reactions towards their like experiences

1582

01:06:59,569 --> 01:06:55,680

I found this is a very fascinating field

1583

01:07:03,470 --> 01:06:59,579

to dive into and why am I incarnate as a

1584

01:07:05,870 --> 01:07:03,480

Chinese but you incarnate is you know a

1585

01:07:07,789 --> 01:07:05,880

British for example like what's that

1586

01:07:10,190 --> 01:07:07,799

mean for your sojourn it's very

1587

01:07:12,589 --> 01:07:10,200

different because I was you know from my

1588

01:07:15,049 --> 01:07:12,599

past incarnations I was Americans I was

1589

01:07:17,510 --> 01:07:15,059

Africans in this lifetime of Chinese so

1590

01:07:19,970 --> 01:07:17,520

what's that really mean for us us that's

1591

01:07:20,690 --> 01:07:19,980

more philosophical but also it's going

1592

01:07:22,130 --> 01:07:20,700

to

1593

01:07:24,829 --> 01:07:22,140

uh

1594

01:07:26,809 --> 01:07:24,839

have more Awakening awareness for our

1595

01:07:29,089 --> 01:07:26,819

soul level so I hope everybody learn our

1596

01:07:31,730 --> 01:07:29,099

life lessons properly that's the two

1597

01:07:33,170 --> 01:07:31,740

messages I want to share thanks

1598

01:07:35,089 --> 01:07:33,180

absolutely and I think that

1599

01:07:37,130 --> 01:07:35,099

open-mindedness is what people need in

1600

01:07:39,109 --> 01:07:37,140

this subject that you've got to listen

1601
01:07:41,210 --> 01:07:39,119
to everyone and everyone's opinion and

1602
01:07:42,770 --> 01:07:41,220
everyone's stories but you know go on

1603
01:07:45,230 --> 01:07:42,780
your own Journey make up your own mind

1604
01:07:47,210 --> 01:07:45,240
and just be prepared that you know your

1605
01:07:49,309 --> 01:07:47,220
opinion for me should always be fluid in

1606
01:07:50,870 --> 01:07:49,319
the subject as well because we don't

1607
01:07:53,029 --> 01:07:50,880
know everything and like you say as you

1608
01:07:55,250 --> 01:07:53,039
move along whether it's this life or the

1609
01:07:56,809 --> 01:07:55,260
next or whatever happens next it's going

1610
01:08:00,049 --> 01:07:56,819
to be a different experience for you as

1611
01:08:01,609 --> 01:08:00,059
well now how can people follow you and

1612
01:08:04,970 --> 01:08:01,619
get in touch with you

1613
01:08:08,410 --> 01:08:04,980

sure they can add me on Facebook so just

1614

01:08:11,569 --> 01:08:08,420

Facebook search me Xiao ma shouse

1615

01:08:14,089 --> 01:08:11,579

s-h-a-o last name is ma M.A they can

1616

01:08:17,650 --> 01:08:14,099

found me from Facebook at me or just

1617

01:08:24,229 --> 01:08:17,660

email me my email address is shell

1618

01:08:30,590 --> 01:08:26,990

um yeah email me or add me on Facebook I

1619

01:08:32,630 --> 01:08:30,600

can be in touch and feel free to send me

1620

01:08:34,729 --> 01:08:32,640

any questions shout out a few more

1621

01:08:36,410 --> 01:08:34,739

questions for you now first off you

1622

01:08:39,169 --> 01:08:36,420

mentioned earlier some of your your

1623

01:08:42,349 --> 01:08:39,179

favorite cases is there any particular

1624

01:08:45,110 --> 01:08:42,359

piece of evidence or video footage that

1625

01:08:46,789 --> 01:08:45,120

you really like when it comes to to UFOs

1626

01:08:48,349 --> 01:08:46,799

you've obviously had your own experience

1627

01:08:50,930 --> 01:08:48,359

but what's your favorite piece of

1628

01:08:53,030 --> 01:08:50,940

evidence oh my God I wish I could just

1629

01:08:56,090 --> 01:08:53,040

get it so I'm prepared I've got a video

1630

01:08:58,010 --> 01:08:56,100

clip that I want to share and it's just

1631

01:09:00,349 --> 01:08:58,020

so clear could I just send it to you by

1632

01:09:04,070 --> 01:09:00,359

email maybe you can just link that video

1633

01:09:06,229 --> 01:09:04,080

into your podcast or people I will yeah

1634

01:09:08,930 --> 01:09:06,239

I will yeah yeah it's it's a very

1635

01:09:12,590 --> 01:09:08,940

fascinating it's a triangular craft show

1636

01:09:14,329 --> 01:09:12,600

you on top of you know Shanghai CBD uh

1637

01:09:16,970 --> 01:09:14,339

yeah it's a fascinating and in terms of

1638

01:09:19,669 --> 01:09:16,980

cases I mentioned it's the Hondo airport

1639

01:09:22,249 --> 01:09:19,679

case because I do believe those beings

1640

01:09:24,169 --> 01:09:22,259

are landed they may have a treaty with

1641

01:09:26,749 --> 01:09:24,179

Chinese government and we don't the

1642

01:09:29,450 --> 01:09:26,759

detail which even if I know what can be

1643

01:09:31,970 --> 01:09:29,460

Shin or it's very sensitive topic so I

1644

01:09:34,309 --> 01:09:31,980

think people can dive into this and just

1645

01:09:36,050 --> 01:09:34,319

for your own info and the um

1646

01:09:38,450 --> 01:09:36,060

um asks you you know have quite a few

1647

01:09:40,729 --> 01:09:38,460

contacts in China with those ecologists

1648

01:09:44,030 --> 01:09:40,739

and the you know experiences I'm more

1649

01:09:46,309 --> 01:09:44,040

than happy to pass on their contact

1650

01:09:48,769 --> 01:09:46,319

details to you maybe they can be your

1651

01:09:51,650 --> 01:09:48,779

next interview sort of people you know

1652

01:09:53,689 --> 01:09:51,660

you can ask them in details yeah

1653

01:09:55,729 --> 01:09:53,699

please because it's always nice to have

1654

01:09:58,010 --> 01:09:55,739

that breadth of Scorpion here different

1655

01:10:01,250 --> 01:09:58,020

opinions and perspectives as well and

1656

01:10:03,530 --> 01:10:01,260

the the Chinese and the Asian world's

1657

01:10:05,090 --> 01:10:03,540

perspective on UFOs is different to that

1658

01:10:06,890 --> 01:10:05,100

of those in the west and it's

1659

01:10:09,050 --> 01:10:06,900

fascinating to hear that as well so yeah

1660

01:10:11,510 --> 01:10:09,060

please do that that would be good yeah

1661

01:10:14,150 --> 01:10:11,520

like the global phenomenons like jigsaw

1662

01:10:16,970 --> 01:10:14,160

Parcels we have to see each parcels and

1663

01:10:19,970 --> 01:10:16,980

parcel them up and you know I believe

1664

01:10:22,430 --> 01:10:19,980

that the disclosure movement from Asia

1665

01:10:25,310 --> 01:10:22,440

not just China could be Japan Korea

1666

01:10:28,310 --> 01:10:25,320

Thailand Singapore can be the next storm

1667

01:10:30,110 --> 01:10:28,320

of hype in our community because because

1668

01:10:33,110 --> 01:10:30,120

people heard all the news about what's

1669

01:10:35,149 --> 01:10:33,120

happening in North America in the USA so

1670

01:10:36,950 --> 01:10:35,159

people probably interested to know

1671

01:10:39,649 --> 01:10:36,960

what's happening in the Asia continent

1672

01:10:41,689 --> 01:10:39,659

in Africa you know we need to password

1673

01:10:43,729 --> 01:10:41,699

all those information the information

1674

01:10:45,950 --> 01:10:43,739

that going to come out from China and

1675

01:10:47,930 --> 01:10:45,960

the Japan and other places could be more

1676

01:10:50,330 --> 01:10:47,940

fascinating and interesting

1677

01:10:53,990 --> 01:10:50,340

you know could be more related to what's

1678

01:10:56,209 --> 01:10:54,000

going to happen in the next few years so

1679

01:10:58,970 --> 01:10:56,219

I just wish all the folks can pay

1680

01:11:01,189 --> 01:10:58,980

attention to Asia continents yeah

1681

01:11:02,570 --> 01:11:01,199

absolutely a few more less than our

1682

01:11:03,709 --> 01:11:02,580

questions we had then I won't read out

1683

01:11:05,149 --> 01:11:03,719

the names because that we have copied

1684

01:11:06,770 --> 01:11:05,159

and pasted them that they're down here

1685

01:11:07,790 --> 01:11:06,780

but if you're listening you'll know who

1686

01:11:09,770 --> 01:11:07,800

you are

1687

01:11:12,830 --> 01:11:09,780

um so do you have any thoughts on early

1688

01:11:15,110 --> 01:11:12,840

civilized man being wiped out by global

1689

01:11:18,070 --> 01:11:15,120

apocalyptic events

1690

01:11:20,570 --> 01:11:18,080

um man's presence predates our early

1691

01:11:22,850 --> 01:11:20,580

archaeological finds so any thoughts on

1692

01:11:25,430 --> 01:11:22,860

early apocalyptic events you mentioned

1693

01:11:27,530 --> 01:11:25,440

Atlantis so at some point that's that's

1694

01:11:29,270 --> 01:11:27,540

gone or disappeared potentially as we

1695

01:11:30,610 --> 01:11:29,280

know but anything else like that you've

1696

01:11:34,130 --> 01:11:30,620

got thoughts on

1697

01:11:37,850 --> 01:11:34,140

uh yeah I heard about the that you know

1698

01:11:40,729 --> 01:11:37,860

uh prior to Atlantis we had quite a few

1699

01:11:42,649 --> 01:11:40,739

high-level civilizations you know what I

1700

01:11:46,070 --> 01:11:42,659

heard is it will be the first one was

1701

01:11:48,290 --> 01:11:46,080

destroyed by you know uh uh leader right

1702

01:11:50,930 --> 01:11:48,300

you know like dinosaurs and then for

1703

01:11:54,410 --> 01:11:50,940

Atlantis could be a great flood an

1704

01:11:56,810 --> 01:11:54,420

earthquake and that's what I heard but

1705

01:12:00,169 --> 01:11:56,820

again I have to be honest I don't have

1706

01:12:03,410 --> 01:12:00,179

too much research information or inside

1707

01:12:05,510 --> 01:12:03,420

of you about you know Atlantis so I'd

1708

01:12:07,850 --> 01:12:05,520

rather be humble and say what I know

1709

01:12:10,070 --> 01:12:07,860

what I don't know so sorry that's how

1710

01:12:11,450 --> 01:12:10,080

much I can share about Atlantis no

1711

01:12:15,470 --> 01:12:11,460

that's

1712

01:12:17,990 --> 01:12:15,480

experiences that you talked about

1713

01:12:19,910 --> 01:12:18,000

earlier you mentioned um various

1714

01:12:22,550 --> 01:12:19,920

different contacts with different beings

1715

01:12:24,110 --> 01:12:22,560

and realities and entities you touched

1716

01:12:26,630 --> 01:12:24,120

on just before and we hadn't mentioned

1717

01:12:28,010 --> 01:12:26,640

that you're being inside of a craft can

1718

01:12:29,930 --> 01:12:28,020

you talk a little bit about that

1719

01:12:31,010 --> 01:12:29,940

experience what it was like and what you

1720

01:12:33,709 --> 01:12:31,020

remember

1721

01:12:36,830 --> 01:12:33,719

there are so many different beings that

1722

01:12:39,830 --> 01:12:36,840

I have met the biggest lesson I have

1723

01:12:42,950 --> 01:12:39,840

learned is we uh how I see this

1724

01:12:46,310 --> 01:12:42,960

phenomena and Andy is that we're living

1725

01:12:48,410 --> 01:12:46,320

in a galactic Zone you know you got

1726

01:12:51,169 --> 01:12:48,420

earlier you know you know got a humanoid

1727

01:12:53,090 --> 01:12:51,179

looking like you know beings and not

1728

01:12:55,790 --> 01:12:53,100

just like humanoid not just nordics

1729

01:12:59,030 --> 01:12:55,800

there are some Asian lookings you know

1730

01:13:01,669 --> 01:12:59,040

the the African looking beans you know

1731

01:13:03,470 --> 01:13:01,679

very much like human being look uh and

1732

01:13:06,350 --> 01:13:03,480

also you got you know the tall beings

1733

01:13:09,530 --> 01:13:06,360

you know the animal like or could be you

1734

01:13:12,770 --> 01:13:09,540

know insect toy beans so we really are

1735

01:13:15,470 --> 01:13:12,780

living this Galactic Zoom so uh so I met

1736

01:13:17,689 --> 01:13:15,480

all sorts of beings the biggest lesson

1737

01:13:22,610 --> 01:13:17,699

I've learned is

1738

01:13:25,370 --> 01:13:22,620

we have to open our mind that means they

1739

01:13:28,189 --> 01:13:25,380

are all our teachers they have much

1740

01:13:29,990 --> 01:13:28,199

Advance the way of thinking you know

1741

01:13:32,510 --> 01:13:30,000

technology not just technology they can

1742

01:13:36,410 --> 01:13:32,520

share with us so don't just narrow

1743

01:13:39,770 --> 01:13:36,420

yourself down like I only like pleadians

1744

01:13:42,890 --> 01:13:39,780

the Nordic looking that's too narrow no

1745

01:13:44,510 --> 01:13:42,900

too blocked you need to open up say you

1746

01:13:47,750 --> 01:13:44,520

know I accept the content experience

1747

01:13:50,390 --> 01:13:47,760

from all sorts of being as long as they

1748

01:13:52,850 --> 01:13:50,400

are positive for my highest good and

1749

01:13:55,550 --> 01:13:52,860

that's how we actually can get and the

1750

01:13:57,410 --> 01:13:55,560

more support from those beings so the

1751

01:13:59,770 --> 01:13:57,420

answer is yes I met all sorts of beings

1752

01:14:02,330 --> 01:13:59,780

all sorts of looking you know from

1753

01:14:04,610 --> 01:14:02,340

interdimensional being extra dimensional

1754

01:14:07,970 --> 01:14:04,620

beings that being Beyond enamel space

1755

01:14:10,370 --> 01:14:07,980

the beings are more like Angelic looking

1756

01:14:13,669 --> 01:14:10,380

the positive negative the neutral ones

1757

01:14:17,510 --> 01:14:13,679

but the common messages I've got from

1758

01:14:20,990 --> 01:14:17,520

all those beings is that there is a big

1759

01:14:24,470 --> 01:14:21,000

event due to happen to our not just

1760

01:14:26,630 --> 01:14:24,480

Humanity but to this entire planet and I

1761

01:14:28,790 --> 01:14:26,640

do believe that they are preparing us

1762

01:14:32,630 --> 01:14:28,800

for it according to the latest

1763

01:14:35,090 --> 01:14:32,640

information Andy this event is so

1764

01:14:38,810 --> 01:14:35,100

imminent that might happen in the coming

1765

01:14:41,870 --> 01:14:38,820

months or years so uh just get us

1766

01:14:46,430 --> 01:14:43,729

and it is that to do with the fact that

1767

01:14:49,490 --> 01:14:46,440

we're going to have this initiation into

1768

01:14:51,530 --> 01:14:49,500

this almost Global or Intergalactic

1769

01:14:53,149 --> 01:14:51,540

society that it's an Awakening for

1770

01:14:55,310 --> 01:14:53,159

mankind do you think that's a sort of

1771

01:14:58,490 --> 01:14:55,320

event that they're preparing us for

1772

01:15:00,950 --> 01:14:58,500

I do believe so but I also have a quite

1773

01:15:02,870 --> 01:15:00,960

neutral information for everyone yes I

1774

01:15:05,390 --> 01:15:02,880

do believe that Earth is going through

1775

01:15:07,130 --> 01:15:05,400

the phrase of uh Ascension you know

1776

01:15:09,050 --> 01:15:07,140

people call it you know jumping the

1777

01:15:11,149 --> 01:15:09,060

paradigma people use the word of

1778

01:15:12,950 --> 01:15:11,159

Ascension and different words but you

1779

01:15:16,729 --> 01:15:12,960

know what I mean you know go into the

1780

01:15:20,630 --> 01:15:16,739

newers the the better version of us but

1781

01:15:23,450 --> 01:15:20,640

the message I've got is this not all the

1782

01:15:26,450 --> 01:15:23,460

population of this planet are going to

1783

01:15:29,030 --> 01:15:26,460

make the cut so that means they will

1784

01:15:32,350 --> 01:15:29,040

have for the lack of better word a

1785

01:15:35,510 --> 01:15:32,360

phrasal Purge so only certain population

1786

01:15:37,189 --> 01:15:35,520

can get to the next phrase but for the

1787

01:15:42,050 --> 01:15:37,199

remaining population

1788

01:15:44,990 --> 01:15:42,060

they have to go elsewhere so you know so

1789

01:15:48,169 --> 01:15:45,000

it's it's it's going to take

1790

01:15:49,729 --> 01:15:48,179

uh such an event to happen so we just

1791

01:15:52,370 --> 01:15:49,739

have to make sure that we can make the

1792

01:15:53,990 --> 01:15:52,380

cut and through your experiences what

1793

01:15:56,330 --> 01:15:54,000

have you learned and what do you now

1794

01:15:58,310 --> 01:15:56,340

think about the true nature of reality

1795

01:16:00,590 --> 01:15:58,320

and the nature of time and how it's

1796

01:16:03,590 --> 01:16:00,600

constructed

1797

01:16:05,270 --> 01:16:03,600

time is the interesting topic um what

1798

01:16:07,070 --> 01:16:05,280

I've been told is there's no past

1799

01:16:09,410 --> 01:16:07,080

present in the future everything happens

1800

01:16:13,250 --> 01:16:09,420

simultaneously

1801
01:16:15,530 --> 01:16:13,260
at one point but even said that it's

1802
01:16:18,830 --> 01:16:15,540
that's just what I know but that doesn't

1803
01:16:20,570 --> 01:16:18,840
mean I can fully understand

1804
01:16:22,970 --> 01:16:20,580
um according to my current level of

1805
01:16:25,610 --> 01:16:22,980
understanding of time I found it's hard

1806
01:16:28,630 --> 01:16:25,620
to comprehend that time is not linear

1807
01:16:31,130 --> 01:16:28,640
you know the time everything happens

1808
01:16:33,169 --> 01:16:31,140
to be sure thank you very much for

1809
01:16:36,850 --> 01:16:33,179
listening please remember to leave the

1810
01:16:41,209 --> 01:16:39,350
And subscribe that would all be very

1811
01:16:43,430 --> 01:16:41,219
much appreciated the shows are being

1812
01:16:45,410 --> 01:16:43,440
uploaded onto YouTube as we speak more

1813
01:16:48,050 --> 01:16:45,420

and more you can sign up at patreon.com

1814

01:16:50,570 --> 01:16:48,060

forward slash that UFO podcast access

1815

01:16:52,910 --> 01:16:50,580

shows ad free as well please get in

1816

01:16:55,910 --> 01:16:52,920

touch on Twitter Facebook Instagram that

1817

01:16:59,510 --> 01:16:55,920

UFO podcast of course on Twitter it's at

1818

01:17:01,310 --> 01:16:59,520

UFO UAP am and again folks as always

1819

01:17:06,649 --> 01:17:01,320

keep looking up you never know what you

1820

01:17:06,659 --> 01:17:30,160

champagne

1821

01:17:30,170 --> 01:17:38,689

[Music]

1822

01:17:38,699 --> 01:18:09,230

oh

1823

01:18:40,209 --> 01:18:18,470

[Music]

1824

01:18:40,219 --> 01:18:47,850

consider your eyes

1825

01:18:47,860 --> 01:19:00,490

[Music]

1826

01:19:00,500 --> 01:19:11,150

what's that is saucer

1827

01:19:32,290 --> 01:19:17,370

[Music]

1828

01:19:42,770 --> 01:19:33,360

thank you

1829

01:20:08,100 --> 01:20:06,169

[Music]
