

PAUL SINCLAIR
AUTHOR, INVESTIGATOR, ARTIST

1
00:00:03,470 --> 00:00:00,790

[Music]

2
00:00:06,130 --> 00:00:03,480

this is Leslie Kane and you're listening

3
00:00:09,890 --> 00:00:06,140

to that UFO podcast

4
00:00:14,810 --> 00:00:12,350

hi everyone and welcome back to that UFO

5
00:00:17,510 --> 00:00:14,820

podcast my name is Andy and I've got the

6
00:00:19,670 --> 00:00:17,520

first guest of 2023 on with me feeling

7
00:00:21,830 --> 00:00:19,680

re-energized and happy to be back I'd

8
00:00:24,170 --> 00:00:21,840

like to bring in UK based investigator

9
00:00:26,929 --> 00:00:24,180

researcher and author of The ever

10
00:00:28,609 --> 00:00:26,939

popular truth proof series I've got Paul

11
00:00:29,750 --> 00:00:28,619

Sinclair on the podcast with me Paul

12
00:00:31,609 --> 00:00:29,760

welcome

13
00:00:33,650 --> 00:00:31,619

Andy thank you it's been a long time

14

00:00:36,830 --> 00:00:33,660

coming and I'm really happy to be

15

00:00:38,270 --> 00:00:36,840

talking to you today as Paul um Paul was

16

00:00:39,889 --> 00:00:38,280

meant to be on last month but just

17

00:00:41,510 --> 00:00:39,899

because of the excessive fee that he was

18

00:00:43,270 --> 00:00:41,520

asking for we had to negotiate back and

19

00:00:45,470 --> 00:00:43,280

forward then

20

00:00:47,869 --> 00:00:45,480

no not at all I'm not supposed to tell

21

00:00:49,250 --> 00:00:47,879

him that unless it life gets in the way

22

00:00:51,110 --> 00:00:49,260

doesn't it I'd just been on your podcast

23

00:00:54,229 --> 00:00:51,120

a few days before we were due to record

24

00:00:55,910 --> 00:00:54,239

then festive period things moving about

25

00:00:57,410 --> 00:00:55,920

um it's been delayed slightly but I

26

00:00:59,150 --> 00:00:57,420

think good timing to kick off the New

27

00:01:01,490 --> 00:00:59,160

Year Paul with a conversation as well

28

00:01:04,369 --> 00:01:01,500

because I don't get enough UK based

29

00:01:06,050 --> 00:01:04,379

folks on so you and genuinely I I don't

30

00:01:07,850 --> 00:01:06,060

just say this whenever I've put out over

31

00:01:10,609 --> 00:01:07,860

the last year and a half two years of

32

00:01:12,410 --> 00:01:10,619

asking for guest suggestions your name

33

00:01:13,910 --> 00:01:12,420

comes up so often with people saying

34

00:01:15,469 --> 00:01:13,920

Paul Sinclair Paulson clear and that's

35

00:01:17,929 --> 00:01:15,479

from both sides of the pond that's you

36

00:01:19,730 --> 00:01:17,939

know from the US and the UK

37

00:01:22,370 --> 00:01:19,740

um so I was honored to be on your own

38

00:01:24,289 --> 00:01:22,380

podcast back in December 2022 I've put

39

00:01:25,910 --> 00:01:24,299

the link for that in the description if

40

00:01:28,370 --> 00:01:25,920

anyone wants to check out but I've

41

00:01:30,170 --> 00:01:28,380

already talked too much uh in a minute

42

00:01:31,910 --> 00:01:30,180

and a half Paul so listen for any

43

00:01:33,530 --> 00:01:31,920

lessons unfamiliar with you and your

44

00:01:35,030 --> 00:01:33,540

work can you tell us a little bit about

45

00:01:37,850 --> 00:01:35,040

your background

46

00:01:39,890 --> 00:01:37,860

my background before writing the truth

47

00:01:42,050 --> 00:01:39,900

proof books I've been a joiner from 16

48

00:01:44,270 --> 00:01:42,060

to 48 years old

49

00:01:46,670 --> 00:01:44,280

packed in work after working with these

50

00:01:48,830 --> 00:01:46,680

all my life and uh and all of a sudden

51
00:01:51,109 --> 00:01:48,840
the inclination that I'd write her book

52
00:01:52,550 --> 00:01:51,119
about unexplained phenomena due to

53
00:01:54,770 --> 00:01:52,560
things that happened to me in childhood

54
00:01:56,569 --> 00:01:54,780
so it's always been there you know I

55
00:01:59,389 --> 00:01:56,579
mean some people might think oh this

56
00:02:01,249 --> 00:01:59,399
guy's just appeared but I haven't I've

57
00:02:02,870 --> 00:02:01,259
been sort of researching and looking if

58
00:02:04,429 --> 00:02:02,880
researchers they weren't and if I've

59
00:02:06,950 --> 00:02:04,439
been looking into these things

60
00:02:08,809 --> 00:02:06,960
I would have thought as long as I can

61
00:02:12,770 --> 00:02:08,819
remember so I wrote the first book truth

62
00:02:15,050 --> 00:02:12,780
proof book I think 20 2016 and I've done

63
00:02:16,550 --> 00:02:15,060

five books now and that's that's it for

64

00:02:19,369 --> 00:02:16,560

books for now because we're working on

65

00:02:22,369 --> 00:02:19,379

the documentaries and it was just a

66

00:02:24,890 --> 00:02:22,379

combination of uh multi-phenomena

67

00:02:27,650 --> 00:02:24,900

research that's another thing that I'm

68

00:02:29,150 --> 00:02:27,660

always Keen to stress that I'm not a UFO

69

00:02:31,910 --> 00:02:29,160

researcher and I'm not a Cryptid

70

00:02:33,410 --> 00:02:31,920

researcher Poltergeist ghost it's

71

00:02:35,510 --> 00:02:33,420

multi-phenomena

72

00:02:37,490 --> 00:02:35,520

because my own belief it doesn't mean

73

00:02:40,190 --> 00:02:37,500

I'm right but my own belief is all of

74

00:02:43,190 --> 00:02:40,200

this is linked in some inexplicable way

75

00:02:45,589 --> 00:02:43,200

but it's linked even by location because

76
00:02:47,270 --> 00:02:45,599
as many times as you'll know with people

77
00:02:49,309 --> 00:02:47,280
that you've spoken to and work that

78
00:02:51,290 --> 00:02:49,319
you've done you'll find that there'll be

79
00:02:52,250 --> 00:02:51,300
a UFO sighting but if you look into the

80
00:02:53,930 --> 00:02:52,260
area

81
00:02:56,270 --> 00:02:53,940
you find that there's there's an

82
00:02:58,250 --> 00:02:56,280
absolute multitude of other strange

83
00:03:01,009 --> 00:02:58,260
things happen which probably go about

84
00:03:02,990 --> 00:03:01,019
decades and before you know that's just

85
00:03:04,729 --> 00:03:03,000
fascinating if you're you've already

86
00:03:05,869 --> 00:03:04,739
touched on a few things I was going to

87
00:03:07,550 --> 00:03:05,879
get to in the next couple of questions

88
00:03:09,530 --> 00:03:07,560

which is which is good you've lined me

89

00:03:11,149 --> 00:03:09,540

up you mentioned your own experience

90

00:03:12,770 --> 00:03:11,159

he's going back would you like to touch

91

00:03:14,990 --> 00:03:12,780

on some of those like do they go back as

92

00:03:16,309 --> 00:03:15,000

early as childhood oh gosh yeah that I

93

00:03:18,710 --> 00:03:16,319

mean that's where it came from and I

94

00:03:19,430 --> 00:03:18,720

never really spoke about them till I

95

00:03:21,890 --> 00:03:19,440

think

96

00:03:24,850 --> 00:03:21,900

our Fortune I've been I've been doing a

97

00:03:28,850 --> 00:03:24,860

lot of research back in

98

00:03:30,710 --> 00:03:28,860

2002 to 2009 on what we call the world's

99

00:03:32,449 --> 00:03:30,720

life forms these spheres of light that

100

00:03:33,830 --> 00:03:32,459

were appearing on the East Yorkshire

101

00:03:36,229 --> 00:03:33,840

walls and this will relate to what I'm

102

00:03:38,210 --> 00:03:36,239

gonna put your question in a moment and

103

00:03:40,369 --> 00:03:38,220

I've been putting it on the internet and

104

00:03:43,430 --> 00:03:40,379

you if you remember UFO case book and

105

00:03:45,830 --> 00:03:43,440

Brian vykes UFO Reporting Center back

106

00:03:47,869 --> 00:03:45,840

then they were they were prominent sites

107

00:03:49,670 --> 00:03:47,879

well Whitley strieber had seen some of

108

00:03:51,050 --> 00:03:49,680

the stuff I'd been putting on and he

109

00:03:52,610 --> 00:03:51,060

contacted me and said would you like to

110

00:03:56,449 --> 00:03:52,620

speak on Dreamland

111

00:03:58,610 --> 00:03:56,459

about these UFOs this footage that

112

00:04:00,890 --> 00:03:58,620

you've been taking and I didn't feel

113

00:04:02,570 --> 00:04:00,900

ready to do that however when I wrote

114

00:04:04,490 --> 00:04:02,580

the first book I'm thinking right I need

115

00:04:06,589 --> 00:04:04,500

to promote this I need to get get it out

116

00:04:10,789 --> 00:04:06,599

there and I contacted him again

117

00:04:13,070 --> 00:04:10,799

uh 2015 and I said instantly just yeah

118

00:04:15,649 --> 00:04:13,080

sure you can speak about it but we ended

119

00:04:18,770 --> 00:04:15,659

up speaking about my experiences as well

120

00:04:21,170 --> 00:04:18,780

it was like [h__\h] coming off a bottle my

121

00:04:24,350 --> 00:04:21,180

uh my wife knows my children know I'm at

122

00:04:26,510 --> 00:04:24,360

the four girls obviously they've they've

123

00:04:28,430 --> 00:04:26,520

two of them have had strange experiences

124

00:04:31,370 --> 00:04:28,440

and

125

00:04:35,150 --> 00:04:31,380

um yeah I would have thought from 1967

126

00:04:37,550 --> 00:04:35,160

I'm 60 years old so I'd have been I born

127

00:04:39,770 --> 00:04:37,560

in 62 so I'd have been five four five

128

00:04:42,409 --> 00:04:39,780

years old six years old child don't keep

129

00:04:44,210 --> 00:04:42,419

a diary and I always remember my dad we

130

00:04:46,310 --> 00:04:44,220

lived at a place called mexborough uh

131

00:04:48,290 --> 00:04:46,320

old denaby that overlooked a town of

132

00:04:50,870 --> 00:04:48,300

mexborough this is in South Yorkshire

133

00:04:51,710 --> 00:04:50,880

and for any listeners overseas or out of

134

00:04:53,510 --> 00:04:51,720

the area

135

00:04:55,550 --> 00:04:53,520

we've got a power station metro Power

136

00:04:58,749 --> 00:04:55,560

Station my dad were pretty regimen today

137

00:05:01,490 --> 00:04:58,759

they got a better time he said whatever

138

00:05:03,770 --> 00:05:01,500

unusually this night he woke me up

139

00:05:04,490 --> 00:05:03,780

and he wanted to show me this sphere of

140

00:05:06,350 --> 00:05:04,500

light

141

00:05:07,909 --> 00:05:06,360

about halfway up the power station

142

00:05:09,950 --> 00:05:07,919

probably a little bit lower down

143

00:05:12,469 --> 00:05:09,960

actually the power station cooling

144

00:05:15,350 --> 00:05:12,479

towers huge sphere of sort of lemony

145

00:05:16,969 --> 00:05:15,360

white light that looked to be turning

146

00:05:19,310 --> 00:05:16,979

and it went all the way along the

147

00:05:20,450 --> 00:05:19,320

rooftops of mexborough and on towards

148

00:05:22,550 --> 00:05:20,460

Swinton

149

00:05:26,270 --> 00:05:22,560

the book for me I'm not saying that's

150

00:05:27,890 --> 00:05:26,280

where it started but then I've got so I

151
00:05:30,350 --> 00:05:27,900
wrote a book called night people which

152
00:05:31,730 --> 00:05:30,360
is about my own experiences and I I've

153
00:05:33,770 --> 00:05:31,740
not got a

154
00:05:35,390 --> 00:05:33,780
I haven't got an experience that starts

155
00:05:39,050 --> 00:05:35,400
at the beginning and I've got an ending

156
00:05:41,450 --> 00:05:39,060
that they're all cameos of memories and

157
00:05:43,129 --> 00:05:41,460
that's as good as I can get I've not

158
00:05:44,689 --> 00:05:43,139
tried to fill in the bits in between

159
00:05:46,790 --> 00:05:44,699
with what I think might have happened

160
00:05:49,370 --> 00:05:46,800
because I haven't got a clue

161
00:05:50,990 --> 00:05:49,380
but I can remember after looking at this

162
00:05:52,730 --> 00:05:51,000
sphere of light and I don't mean the

163
00:05:54,650 --> 00:05:52,740

next night how would a child remember

164

00:05:56,210 --> 00:05:54,660

but I can remember sort of waking up

165

00:05:58,969 --> 00:05:56,220

back bedroom in this house that

166

00:06:00,529 --> 00:05:58,979

overlooks passages and cows grazing and

167

00:06:02,390 --> 00:06:00,539

then the town of mexborough about three

168

00:06:03,770 --> 00:06:02,400

quarters of a mile in the distance but I

169

00:06:04,850 --> 00:06:03,780

remember my curtains being shut and

170

00:06:07,310 --> 00:06:04,860

looking

171

00:06:08,930 --> 00:06:07,320

and that is the thing it's night time so

172

00:06:11,029 --> 00:06:08,940

how are you how can you even see these

173

00:06:13,189 --> 00:06:11,039

things versus Vivid today as it was then

174

00:06:15,830 --> 00:06:13,199

and seeing what I perceived were cows

175

00:06:18,590 --> 00:06:15,840

eyes in the curtains and these curtains

176

00:06:20,570 --> 00:06:18,600

were a silvery blue color and if anybody

177

00:06:22,850 --> 00:06:20,580

remembers them I'm showing the age here

178

00:06:26,270 --> 00:06:22,860

but people used to buy fiberglass

179

00:06:28,010 --> 00:06:26,280

curtains seriously and that my mom had

180

00:06:29,990 --> 00:06:28,020

got these all over blooming house and

181

00:06:31,730 --> 00:06:30,000

I'm looking at these and only thing a

182

00:06:33,770 --> 00:06:31,740

child can relate to you're looking for

183

00:06:35,870 --> 00:06:33,780

something that you can identify to

184

00:06:37,850 --> 00:06:35,880

assign those eyes to and I thought they

185

00:06:39,950 --> 00:06:37,860

look like cow's eyes

186

00:06:43,909 --> 00:06:39,960

they came out at curtains and they were

187

00:06:45,890 --> 00:06:43,919

beings this is crazy uh honestly and and

188

00:06:49,010 --> 00:06:45,900

I and

189

00:06:51,710 --> 00:06:49,020

on and off throughout childhood to being

190

00:06:53,450 --> 00:06:51,720

14 15 years old

191

00:06:55,189 --> 00:06:53,460

I had this interaction with these things

192

00:06:59,090 --> 00:06:55,199

now and it weren't nice it were never

193

00:07:00,710 --> 00:06:59,100

good nothing good came out out of it and

194

00:07:02,870 --> 00:07:00,720

it sometimes and you wonder if

195

00:07:04,730 --> 00:07:02,880

everything's such a pre-planned in a

196

00:07:07,430 --> 00:07:04,740

person's life because

197

00:07:10,070 --> 00:07:07,440

there's loads of events during that

198

00:07:11,809 --> 00:07:10,080

childhood that happened but then it just

199

00:07:14,710 --> 00:07:11,819

kind of stopped

200

00:07:17,270 --> 00:07:14,720

got married uh

201
00:07:19,670 --> 00:07:17,280
three children moved to where four

202
00:07:23,029 --> 00:07:19,680
children moved to Bridlington in 1993

203
00:07:25,070 --> 00:07:23,039
and it started instantly

204
00:07:26,330 --> 00:07:25,080
I didn't start talking about it this

205
00:07:28,749 --> 00:07:26,340
weren't something oh I'm gonna start

206
00:07:31,309 --> 00:07:28,759
talking about this

207
00:07:33,950 --> 00:07:31,319
in now which have converted to Flats

208
00:07:35,589 --> 00:07:33,960
huge Victorian house came up started

209
00:07:38,749 --> 00:07:35,599
working on it with our eldest daughter

210
00:07:42,409 --> 00:07:38,759
my wife Mary stayed at home and within

211
00:07:45,409 --> 00:07:42,419
the first day two days it happened and

212
00:07:47,270 --> 00:07:45,419
me and Sarah were upstairs we're on the

213
00:07:49,550 --> 00:07:47,280

top floor of this huge Victorian house

214

00:07:51,670 --> 00:07:49,560

big independent staircase that you can

215

00:07:54,430 --> 00:07:51,680

look over either side five meter hallway

216

00:07:57,830 --> 00:07:54,440

three and a half four meters wide

217

00:07:59,089 --> 00:07:57,840

fabulous and why that'll become apparent

218

00:08:00,830 --> 00:07:59,099

in a moment why I've said that I'm not

219

00:08:04,070 --> 00:08:00,840

just boasting about a staircase this

220

00:08:06,350 --> 00:08:04,080

house this else were a wreck

221

00:08:08,210 --> 00:08:06,360

we're on a we're on an old mattress at

222

00:08:09,830 --> 00:08:08,220

the top of the house I'm trying to get

223

00:08:11,689 --> 00:08:09,840

as a job as a joint and I'm just trying

224

00:08:15,050 --> 00:08:11,699

to get it habitable

225

00:08:16,969 --> 00:08:15,060

when I woke up at night and

226

00:08:18,230 --> 00:08:16,979

a picture of a right angle a corner

227

00:08:19,670 --> 00:08:18,240

you've got a door there and all the

228

00:08:21,110 --> 00:08:19,680

doors were painted with what's called

229

00:08:23,270 --> 00:08:21,120

wood grain

230

00:08:24,529 --> 00:08:23,280

the staircase was mahogany real mahogany

231

00:08:26,689 --> 00:08:24,539

but the doors have got this wood grain

232

00:08:27,650 --> 00:08:26,699

they were dark and I think I can see a

233

00:08:29,990 --> 00:08:27,660

figure

234

00:08:31,969 --> 00:08:30,000

stood again the door and in this two

235

00:08:35,870 --> 00:08:31,979

foot recess before the spindles of the

236

00:08:37,670 --> 00:08:35,880

staircase which I'm looking out onto

237

00:08:39,170 --> 00:08:37,680

and it's unusual for me because I didn't

238

00:08:41,630 --> 00:08:39,180

get up and I'm looking at it and it's

239

00:08:43,850 --> 00:08:41,640

tall and I think it's got a hat on and

240

00:08:45,350 --> 00:08:43,860

I'm watching it and watching it and I

241

00:08:48,530 --> 00:08:45,360

remember turning around and looking at

242

00:08:50,750 --> 00:08:48,540

Sarah and she was asleep I was awake

243

00:08:52,190 --> 00:08:50,760

uh you know I don't need I don't say I

244

00:08:54,050 --> 00:08:52,200

don't need that's wrong I'm not looking

245

00:08:55,850 --> 00:08:54,060

for somebody to tell me you know I

246

00:08:58,070 --> 00:08:55,860

dreamed this or you were you doing drugs

247

00:08:59,690 --> 00:08:58,080

had you done alcohol no I hadn't no I

248

00:09:01,009 --> 00:08:59,700

love beer I didn't have a beer then

249

00:09:03,350 --> 00:09:01,019

though I don't think I drank

250

00:09:05,210 --> 00:09:03,360

but so to get to the point suddenly I

251
00:09:08,509 --> 00:09:05,220
realized I'm looking at the spindles you

252
00:09:10,009 --> 00:09:08,519
know this of the staircase and the white

253
00:09:11,930 --> 00:09:10,019
I'm thinking

254
00:09:14,030 --> 00:09:11,940
well painted them white

255
00:09:15,230 --> 00:09:14,040
and this all the stairs was an olive

256
00:09:17,090 --> 00:09:15,240
green

257
00:09:18,550 --> 00:09:17,100
it's night time and I'm looking and

258
00:09:20,810 --> 00:09:18,560
they're getting brighter they're getting

259
00:09:22,310 --> 00:09:20,820
brighter and brighter I forgot about

260
00:09:25,850 --> 00:09:22,320
what I thought I were looking at in that

261
00:09:27,650 --> 00:09:25,860
corner in corner this out curve

262
00:09:29,030 --> 00:09:27,660
and Sarah's asleep and I'm looking at

263
00:09:31,610 --> 00:09:29,040

these spindles and they're getting

264

00:09:33,350 --> 00:09:31,620

whiter and whiter and then up from the

265

00:09:35,449 --> 00:09:33,360

middle of the stairs

266

00:09:38,570 --> 00:09:35,459

this sounds bizarre but

267

00:09:41,030 --> 00:09:38,580

there were beings they were lifting but

268

00:09:43,850 --> 00:09:41,040

it wasn't a nativity scene but that's

269

00:09:45,350 --> 00:09:43,860

what it reminded me of it wasn't it

270

00:09:48,710 --> 00:09:45,360

weren't biblical do you know what I'm

271

00:09:50,870 --> 00:09:48,720

saying it just they sent to be glowing

272

00:09:53,329 --> 00:09:50,880

that they sent to be glowing and the

273

00:09:54,410 --> 00:09:53,339

spindles sort of became like fluorescent

274

00:09:56,210 --> 00:09:54,420

tubes

275

00:09:59,090 --> 00:09:56,220

they were that white and then all of a

276

00:10:01,009 --> 00:09:59,100

sudden Bosch is white out that's end of

277

00:10:02,449 --> 00:10:01,019

it that's all I remember and I woke up

278

00:10:04,190 --> 00:10:02,459

in the morning and I couldn't remember

279

00:10:07,370 --> 00:10:04,200

it

280

00:10:09,590 --> 00:10:07,380

day stretched my arms out and I've got

281

00:10:12,050 --> 00:10:09,600

holes in my arms I've got loads of them

282

00:10:14,210 --> 00:10:12,060

oh they look like somebody had stuck

283

00:10:17,090 --> 00:10:14,220

match

284

00:10:19,970 --> 00:10:17,100

es all of I mean the scad now because

285

00:10:22,550 --> 00:10:19,980

the over the years that it got worse

286

00:10:24,230 --> 00:10:22,560

and uh as soon as I've stretched my arms

287

00:10:26,150 --> 00:10:24,240

out and looked it kind of came back to

288

00:10:29,170 --> 00:10:26,160

me and I and that's all I remember of

289

00:10:32,030 --> 00:10:29,180

that's about the the longest

290

00:10:34,130 --> 00:10:32,040

uh running memory that I've got even

291

00:10:35,030 --> 00:10:34,140

from childhood of that of that happening

292

00:10:36,310 --> 00:10:35,040

then

293

00:10:40,370 --> 00:10:36,320

throughout

294

00:10:42,290 --> 00:10:40,380

1993 to 1998 what intense

295

00:10:44,990 --> 00:10:42,300

woke up with three holes in my back

296

00:10:47,870 --> 00:10:45,000

after seeing them and

297

00:10:49,550 --> 00:10:47,880

we've got the medical records and I've

298

00:10:51,290 --> 00:10:49,560

I've not put them all in night people

299

00:10:53,630 --> 00:10:51,300

but I've put what I needed to put in

300

00:10:55,250 --> 00:10:53,640

where the doctors are saying to skin

301
00:10:56,690 --> 00:10:55,260
Specialists we would like you to have a

302
00:10:58,550 --> 00:10:56,700
look a young man that called me then

303
00:11:00,829 --> 00:10:58,560
obviously we would like you to look at

304
00:11:03,470 --> 00:11:00,839
the punch hole lesions that keep

305
00:11:06,829 --> 00:11:03,480
appearing on this young man's body every

306
00:11:09,949 --> 00:11:06,839
two to three months the doctors at the

307
00:11:11,329 --> 00:11:09,959
surgery are perplexed and quite baffled

308
00:11:13,490 --> 00:11:11,339
in terms of the words and they're in the

309
00:11:17,210 --> 00:11:13,500
book you know and that's what they're

310
00:11:18,949 --> 00:11:17,220
saying and uh they talk about them

311
00:11:21,290 --> 00:11:18,959
healing with giant foreign body scale

312
00:11:23,630 --> 00:11:21,300
cells as though there's been a surgical

313
00:11:27,350 --> 00:11:23,640

procedure done uh is there a history of

314

00:11:29,810 --> 00:11:27,360

trauma uh all sorts of things I knew

315

00:11:32,690 --> 00:11:29,820

what were happening I've sat there

316

00:11:34,970 --> 00:11:32,700

and this is before obviously I became

317

00:11:38,810 --> 00:11:34,980

vocal about it I didn't even speak about

318

00:11:39,850 --> 00:11:38,820

it as I've said until 2014 2015 with to

319

00:11:44,150 --> 00:11:39,860

Whitley

320

00:11:48,949 --> 00:11:44,160

publicly and uh I knew and you think how

321

00:11:51,470 --> 00:11:48,959

do you talk about this how how is this

322

00:11:52,790 --> 00:11:51,480

it's a no-win situation I've written

323

00:11:55,610 --> 00:11:52,800

night people now I've got it out of that

324

00:11:58,009 --> 00:11:55,620

way I'm I'm pleased I've written it and

325

00:12:00,110 --> 00:11:58,019

and I'm gonna speak about

326

00:12:03,350 --> 00:12:00,120

what we've called the night people at

327

00:12:04,910 --> 00:12:03,360

the Awakening but later this year and so

328

00:12:06,949 --> 00:12:04,920

that first time I've ever spoke about

329

00:12:08,269 --> 00:12:06,959

them apart from on that Whitley strieber

330

00:12:11,690 --> 00:12:08,279

show and I'm talking to you a little bit

331

00:12:14,810 --> 00:12:11,700

now and so it's been ongoing basically a

332

00:12:16,730 --> 00:12:14,820

long-winded answer to a short question

333

00:12:18,590 --> 00:12:16,740

know about some fascinating stuff in

334

00:12:20,690 --> 00:12:18,600

there and I appreciate anyone sharing

335

00:12:22,550 --> 00:12:20,700

any type of experience especially like

336

00:12:25,310 --> 00:12:22,560

intimate ones where you know you're

337

00:12:27,410 --> 00:12:25,320

waking up with mocks and you know

338

00:12:29,750 --> 00:12:27,420

that's unexplained and it's so many

339

00:12:31,250 --> 00:12:29,760

experiences talk about those not just

340

00:12:33,290 --> 00:12:31,260

the incidents but also them being

341

00:12:36,410 --> 00:12:33,300

uncomfortable being difficult to live

342

00:12:39,710 --> 00:12:36,420

with but then it's the going forward how

343

00:12:42,110 --> 00:12:39,720

do you how did you find living with

344

00:12:44,269 --> 00:12:42,120

those experiences not only reoccurring

345

00:12:45,829 --> 00:12:44,279

but you're then seeking medical advice

346

00:12:47,329 --> 00:12:45,839

which some experiences don't because

347

00:12:49,069 --> 00:12:47,339

they don't know where to turn and then

348

00:12:50,930 --> 00:12:49,079

obviously there's the potential ridicule

349

00:12:53,470 --> 00:12:50,940

Factor off the back of that as well well

350

00:12:57,230 --> 00:12:53,480

you're right and but I need to stress

351

00:13:00,530 --> 00:12:57,240

Andy from 96 to 98 they weren't just

352

00:13:04,069 --> 00:13:00,540

marks that healed they've left scars big

353

00:13:05,870 --> 00:13:04,079

white scars and the ones in my back I

354

00:13:07,730 --> 00:13:05,880

had to seek medical attention are really

355

00:13:10,550 --> 00:13:07,740

worried because

356

00:13:11,810 --> 00:13:10,560

I I well I saw them I saw swirling

357

00:13:13,250 --> 00:13:11,820

lights in the bedroom on the bedroom

358

00:13:15,230 --> 00:13:13,260

wall and there's nothing at the back of

359

00:13:16,970 --> 00:13:15,240

this property uh that well there's

360

00:13:18,290 --> 00:13:16,980

terrorist houses well the curtains are

361

00:13:20,090 --> 00:13:18,300

shut but there's nothing there it's

362

00:13:21,650 --> 00:13:20,100

quite a long Garden I can see these

363

00:13:24,290 --> 00:13:21,660

lights and then I could see them in the

364

00:13:26,230 --> 00:13:24,300

lights then all of a sudden it felt like

365

00:13:29,210 --> 00:13:26,240

a corkscrew were turning in my back

366

00:13:30,829 --> 00:13:29,220

literally that's what it felt like and

367

00:13:33,550 --> 00:13:30,839

they're telling me

368

00:13:35,870 --> 00:13:33,560

it's a bed spring

369

00:13:37,250 --> 00:13:35,880

I don't know what they're doing I don't

370

00:13:38,269 --> 00:13:37,260

know how it happened because I think I'm

371

00:13:40,850 --> 00:13:38,279

on my back

372

00:13:42,650 --> 00:13:40,860

so I'll come to do anything to my back I

373

00:13:44,750 --> 00:13:42,660

find that perplexing I think I'm in bed

374

00:13:46,850 --> 00:13:44,760

Mary's in bed at side I mean she's no

375

00:13:49,430 --> 00:13:46,860

idea although she's woke up and seen

376

00:13:52,310 --> 00:13:49,440

misting room and small beings once that

377

00:13:54,650 --> 00:13:52,320

she told me about but the next morning I

378

00:13:55,970 --> 00:13:54,660

sit up on side at bed no clothes on I'm

379

00:13:57,350 --> 00:13:55,980

married says to me I don't believe it

380

00:13:58,009 --> 00:13:57,360

says what she's got three holes in your

381

00:14:00,170 --> 00:13:58,019

back

382

00:14:04,310 --> 00:14:00,180

we're not talking Mark Sandy these were

383

00:14:06,949 --> 00:14:04,320

holes but you know and uh so that's the

384

00:14:12,350 --> 00:14:06,959

reason I was seeking Medical

385

00:14:14,449 --> 00:14:12,360

help uh perhaps 19 I think 1996 to 98

386

00:14:17,210 --> 00:14:14,459

but I didn't tell him

387

00:14:19,670 --> 00:14:17,220

because I just don't but when you apply

388

00:14:21,050 --> 00:14:19,680

for it was Whitley again that said apply

389

00:14:21,949 --> 00:14:21,060

for your medical records see what see

390

00:14:24,290 --> 00:14:21,959

what they say you might find it

391

00:14:26,690 --> 00:14:24,300

interesting and this they've done

392

00:14:28,550 --> 00:14:26,700

drawings the doctor I've took a picture

393

00:14:30,370 --> 00:14:28,560

or my wife took a picture of the holes

394

00:14:33,290 --> 00:14:30,380

on my back which we put in night people

395

00:14:35,090 --> 00:14:33,300

and and the doctor we didn't know has

396

00:14:36,769 --> 00:14:35,100

done drawings and this kind of match up

397

00:14:38,629 --> 00:14:36,779

and do you know what I mean so you've

398

00:14:40,850 --> 00:14:38,639

got three punch hole lesions that travel

399

00:14:44,509 --> 00:14:40,860

deep into the dermis that's what they

400

00:14:45,949 --> 00:14:44,519

say about that you know and uh the

401
00:14:48,530 --> 00:14:45,959
thinking a medical procedure has been

402
00:14:50,329 --> 00:14:48,540
been done well I don't know what we're

403
00:14:51,650 --> 00:14:50,339
done all I know is that these things

404
00:14:53,210 --> 00:14:51,660
were telling me what a bed Spring

405
00:14:56,150 --> 00:14:53,220
Turning in my back

406
00:14:59,689 --> 00:14:56,160
is that what about the end of it 1998 it

407
00:15:00,769 --> 00:14:59,699
stopped and can I just ask Paul I hate

408
00:15:03,230 --> 00:15:00,779
interrupting but I just want to get

409
00:15:04,970 --> 00:15:03,240
another screen there because that

410
00:15:07,250 --> 00:15:04,980
conversation you've had with a doctor

411
00:15:08,689 --> 00:15:07,260
you've taken those steps further to say

412
00:15:10,009 --> 00:15:08,699
look this is happening to me I'm not

413
00:15:11,870 --> 00:15:10,019

just keeping it secret I'm not keeping

414

00:15:13,610 --> 00:15:11,880

it to myself and my family the doctors

415

00:15:15,170 --> 00:15:13,620

looked at it they're perplexed they're

416

00:15:17,150 --> 00:15:15,180

saying that your skin you know they dare

417

00:15:19,310 --> 00:15:17,160

Miss it's got It's layers and it's gone

418

00:15:21,590 --> 00:15:19,320

these holes are going down is that as

419

00:15:23,629 --> 00:15:21,600

far as it went was there was there any

420

00:15:25,189 --> 00:15:23,639

chance of following things up was there

421

00:15:27,889 --> 00:15:25,199

anyone who got in touch with you to look

422

00:15:31,370 --> 00:15:27,899

it into this further well what they did

423

00:15:32,930 --> 00:15:31,380

and they they left an open appointment

424

00:15:34,370 --> 00:15:32,940

they tested me for everything they could

425

00:15:35,629 --> 00:15:34,380

only find they were allergic to Grass

426

00:15:38,090 --> 00:15:35,639

pollen

427

00:15:40,129 --> 00:15:38,100

seriously they did they just I haven't

428

00:15:41,990 --> 00:15:40,139

got a clue on the the last letter and

429

00:15:43,430 --> 00:15:42,000

I'm sure we put it in there says I'm

430

00:15:45,949 --> 00:15:43,440

afraid we're going to have to their

431

00:15:47,269 --> 00:15:45,959

words draw blank with Mr Sinclair's

432

00:15:49,129 --> 00:15:47,279

lesions

433

00:15:51,230 --> 00:15:49,139

and and that were the last and we've

434

00:15:52,610 --> 00:15:51,240

left an open appointment should he need

435

00:15:55,189 --> 00:15:52,620

to come in and see us again and I

436

00:15:58,970 --> 00:15:55,199

haven't done I haven't needed to uh it's

437

00:16:00,350 --> 00:15:58,980

you know for me apart from seeing odd

438

00:16:01,610 --> 00:16:00,360

strange things and odd things happening

439

00:16:02,870 --> 00:16:01,620

in the house

440

00:16:04,670 --> 00:16:02,880

which I think everybody probably

441

00:16:06,050 --> 00:16:04,680

experiences and most of the time it goes

442

00:16:08,449 --> 00:16:06,060

over people's heads because they're not

443

00:16:11,329 --> 00:16:08,459

actually looking for something uh it

444

00:16:12,889 --> 00:16:11,339

stopped in 1998 and I'm really pleased

445

00:16:15,470 --> 00:16:12,899

it did

446

00:16:18,170 --> 00:16:15,480

so what was the moment for you that you

447

00:16:19,670 --> 00:16:18,180

decided to to put this down on paper and

448

00:16:22,129 --> 00:16:19,680

obviously this would be the truth proof

449

00:16:24,470 --> 00:16:22,139

series you know book one what was that

450

00:16:27,110 --> 00:16:24,480

spark was it a day a moment or was it a

451
00:16:29,329 --> 00:16:27,120
accumulation well that was I didn't put

452
00:16:33,230 --> 00:16:29,339
night people down on paper until

453
00:16:36,769 --> 00:16:33,240
probably 2020. uh actually writing the

454
00:16:38,509 --> 00:16:36,779
first book no no I've finished work and

455
00:16:40,189 --> 00:16:38,519
uh I'm always Keen to stress I don't

456
00:16:42,230 --> 00:16:40,199
have loads of money but I've worked hard

457
00:16:44,870 --> 00:16:42,240
and we sort of got ourselves into a

458
00:16:47,990 --> 00:16:44,880
position uh where I could finish work

459
00:16:50,990 --> 00:16:48,000
and I wanted to just do this full time I

460
00:16:54,170 --> 00:16:51,000
wanted to research full time and I'd

461
00:16:56,569 --> 00:16:54,180
over the years I'd collected loads and

462
00:16:58,310 --> 00:16:56,579
loads of accounts because the true proof

463
00:17:01,009 --> 00:16:58,320

one two three and four

464

00:17:03,889 --> 00:17:01,019

uh there might be odd thing that's that

465

00:17:07,010 --> 00:17:03,899

I've witnessed with Witnesses but the

466

00:17:09,710 --> 00:17:07,020

books primarily I would say 99.9 are

467

00:17:11,210 --> 00:17:09,720

about first-hand witness accounts and I

468

00:17:14,329 --> 00:17:11,220

just wanted to get them down on paper

469

00:17:16,909 --> 00:17:14,339

and do the witness Justice because

470

00:17:19,730 --> 00:17:16,919

I get loads and loads of people sending

471

00:17:22,370 --> 00:17:19,740

me information and some of it not out of

472

00:17:24,110 --> 00:17:22,380

rudeness I disregard because it's a

473

00:17:26,569 --> 00:17:24,120

friend of a friend told me oh it's a

474

00:17:29,049 --> 00:17:26,579

little bit vague and you just get a feel

475

00:17:32,150 --> 00:17:29,059

for it not being right but I like to

476
00:17:34,610 --> 00:17:32,160
meet the person face to face go to the

477
00:17:37,029 --> 00:17:34,620
location whenever possible and and just

478
00:17:40,250 --> 00:17:37,039
just spend some time just

479
00:17:41,750 --> 00:17:40,260
we sort of winking the story out to

480
00:17:44,150 --> 00:17:41,760
people you know what I mean it's it's

481
00:17:46,010 --> 00:17:44,160
full time it's it's more than

482
00:17:48,110 --> 00:17:46,020
it's more than a normal eight to five

483
00:17:50,210 --> 00:17:48,120
job kind of thing

484
00:17:52,130 --> 00:17:50,220
so the title of the book I said here

485
00:17:55,190 --> 00:17:52,140
before we recorded is our glass Region's

486
00:17:57,650 --> 00:17:55,200
nightmare to pronounce so the the full

487
00:17:59,690 --> 00:17:57,660
title is truth proof the truth that

488
00:18:01,130 --> 00:17:59,700

leaves no proof now that sounds like

489

00:18:05,409 --> 00:18:01,140

something someone would ask me to repeat

490

00:18:10,610 --> 00:18:08,029

in the description it's it is Andy

491

00:18:13,430 --> 00:18:10,620

though it is a truth that leaves no

492

00:18:16,310 --> 00:18:13,440

proof because whether you're a skeptic

493

00:18:19,190 --> 00:18:16,320

uh or whatever whatever you want to term

494

00:18:21,169 --> 00:18:19,200

yourself as I think I think that the

495

00:18:24,169 --> 00:18:21,179

proof of what people are seeing and

496

00:18:27,409 --> 00:18:24,179

Reporting is overwhelming even if most

497

00:18:29,810 --> 00:18:27,419

of it is anecdotal it's overwhelming and

498

00:18:33,049 --> 00:18:29,820

there's that there's so many repetitive

499

00:18:36,710 --> 00:18:33,059

patterns that come through Within

500

00:18:40,669 --> 00:18:36,720

the the accounts and it's diverse a

501

00:18:44,390 --> 00:18:40,679

diverse population diverse religious

502

00:18:46,250 --> 00:18:44,400

beliefs but fundamentally they're all re

503

00:18:48,350 --> 00:18:46,260

most of them are all reporting something

504

00:18:51,049 --> 00:18:48,360

very similar there's a similar thread

505

00:18:54,590 --> 00:18:51,059

running through them even stepping away

506

00:18:56,150 --> 00:18:54,600

from the the UFOs and to the Cryptids to

507

00:18:58,010 --> 00:18:56,160

other parts of this unexplained

508

00:19:00,230 --> 00:18:58,020

phenomenon we've got this strange what I

509

00:19:04,010 --> 00:19:00,240

call the lower silence this descent into

510

00:19:06,890 --> 00:19:04,020

this kind of disjointed reality when not

511

00:19:09,049 --> 00:19:06,900

every time but when quite a lot of the

512

00:19:10,970 --> 00:19:09,059

time we're in a true event of

513

00:19:14,210 --> 00:19:10,980

unexplained phenomena

514

00:19:16,909 --> 00:19:14,220

everything around you the changes you

515

00:19:18,830 --> 00:19:16,919

know it it just becomes surreal and I

516

00:19:20,810 --> 00:19:18,840

often wonder I don't know whether I

517

00:19:23,750 --> 00:19:20,820

don't know whether that's the phenomena

518

00:19:27,830 --> 00:19:23,760

we're in the phenomena's environment

519

00:19:29,690 --> 00:19:27,840

yeah or whether the the actual phenomena

520

00:19:33,110 --> 00:19:29,700

is is

521

00:19:35,630 --> 00:19:33,120

placing that feeling on us I I don't

522

00:19:37,490 --> 00:19:35,640

know I've just sort of throwing Ox out

523

00:19:39,770 --> 00:19:37,500

and seeing what people think are for the

524

00:19:41,450 --> 00:19:39,780

time you know when I've when I've heard

525

00:19:43,430 --> 00:19:41,460

about those sorts of moments or you know

526

00:19:45,650 --> 00:19:43,440

things going quiet you know things just

527

00:19:48,169 --> 00:19:45,660

seeming off sounding odd it sounds like

528

00:19:50,270 --> 00:19:48,179

those places on Earth like horrible

529

00:19:52,070 --> 00:19:50,280

places like Auschwitz or something evil

530

00:19:54,230 --> 00:19:52,080

has happened and people report there's

531

00:19:55,850 --> 00:19:54,240

no bikes for Miles you know no animals

532

00:19:57,470 --> 00:19:55,860

round about there's an odd feeling an

533

00:19:59,390 --> 00:19:57,480

odd setting yeah as if there's a

534

00:20:00,590 --> 00:19:59,400

presence there and that that's what it

535

00:20:03,230 --> 00:20:00,600

sort of sounds like when people have

536

00:20:05,570 --> 00:20:03,240

these these experiences as a you know

537

00:20:07,610 --> 00:20:05,580

time slowing down around them like you

538

00:20:08,690 --> 00:20:07,620

say is an effect that's being put upon

539

00:20:10,490 --> 00:20:08,700

the incident

540

00:20:12,289 --> 00:20:10,500

no one actually knows but there's

541

00:20:13,490 --> 00:20:12,299

there's an odd sensation an odd feeling

542

00:20:15,409 --> 00:20:13,500

to that is that something you've

543

00:20:17,870 --> 00:20:15,419

experienced yourself or something you've

544

00:20:19,669 --> 00:20:17,880

read more about or researched more than

545

00:20:20,750 --> 00:20:19,679

from others in the experiences in

546

00:20:23,570 --> 00:20:20,760

childhood that's something I've

547

00:20:25,970 --> 00:20:23,580

experienced myself and I'd I had I've

548

00:20:28,070 --> 00:20:25,980

said because you're not processing these

549

00:20:30,049 --> 00:20:28,080

things as a child you don't even know

550

00:20:32,590 --> 00:20:30,059

that it's not normal you just know that

551
00:20:36,710 --> 00:20:32,600
you're not really gonna my dad were

552
00:20:38,390 --> 00:20:36,720
ex-military uh real regimented kind of

553
00:20:40,610 --> 00:20:38,400
guy kind of guy would hit first and ask

554
00:20:42,650 --> 00:20:40,620
questions later which is totally

555
00:20:44,029 --> 00:20:42,660
opposite I'm not like that at all do you

556
00:20:46,610 --> 00:20:44,039
know what I mean I don't know whether

557
00:20:48,169 --> 00:20:46,620
that's made me that way but you know we

558
00:20:51,409 --> 00:20:48,179
kind of Don't Take No Nonsense but we're

559
00:20:53,570 --> 00:20:51,419
not like you were but

560
00:20:56,270 --> 00:20:53,580
where am I going with this

561
00:20:59,090 --> 00:20:56,280
when you when you'd when you're

562
00:21:00,590 --> 00:20:59,100
experiencing oh I I mentioned him

563
00:21:02,810 --> 00:21:00,600

because I never spoke about it I

564

00:21:04,370 --> 00:21:02,820

wouldn't have I never even thought to

565

00:21:06,470 --> 00:21:04,380

bring what was happening in the night

566

00:21:07,310 --> 00:21:06,480

and we're on in a three-bedroom Council

567

00:21:11,029 --> 00:21:07,320

house

568

00:21:13,250 --> 00:21:11,039

it's only in it while we're three

569

00:21:14,090 --> 00:21:13,260

between wall between us do you know do

570

00:21:15,350 --> 00:21:14,100

you know what I'm saying and

571

00:21:17,210 --> 00:21:15,360

plasterboard

572

00:21:19,610 --> 00:21:17,220

and

573

00:21:22,549 --> 00:21:19,620

I want to DARE mention it I I just don't

574

00:21:24,049 --> 00:21:22,559

think I would have dared but every night

575

00:21:25,250 --> 00:21:24,059

when you've had something traumatic

576

00:21:27,350 --> 00:21:25,260

happen to you like that and it don't

577

00:21:29,510 --> 00:21:27,360

have to be UFO alien related something

578

00:21:30,830 --> 00:21:29,520

traumatic um and we don't even have to

579

00:21:32,990 --> 00:21:30,840

say the words but there are things that

580

00:21:34,970 --> 00:21:33,000

happen you you you're you're listening

581

00:21:37,370 --> 00:21:34,980

for it you're watching for it all the

582

00:21:40,010 --> 00:21:37,380

time you can't but when it comes with

583

00:21:41,270 --> 00:21:40,020

this UFO phenomena this alien type

584

00:21:44,690 --> 00:21:41,280

phenomena

585

00:21:46,450 --> 00:21:44,700

it's it's happening and it's over before

586

00:21:50,149 --> 00:21:46,460

you've actually realized it's happened

587

00:21:52,549 --> 00:21:50,159

because you never ever ready for it

588

00:21:54,710 --> 00:21:52,559

never I thought every night as a child

589

00:21:56,450 --> 00:21:54,720

because it didn't happen

590

00:21:58,010 --> 00:21:56,460

I wrote truth proof I've just got I

591

00:22:00,470 --> 00:21:58,020

don't know

592

00:22:02,450 --> 00:22:00,480

20 events through childhood so it's not

593

00:22:05,390 --> 00:22:02,460

every night here and they're they're all

594

00:22:08,029 --> 00:22:05,400

I can remember but but one of them is

595

00:22:10,730 --> 00:22:08,039

enough to make you be on be rocking all

596

00:22:13,190 --> 00:22:10,740

the time and on edge all the time but

597

00:22:15,649 --> 00:22:13,200

for some reason you're in the moment and

598

00:22:19,070 --> 00:22:15,659

it's it's it's it's it's taken over

599

00:22:20,870 --> 00:22:19,080

before you even realize and you know the

600

00:22:21,950 --> 00:22:20,880

event is over before you've realized

601
00:22:24,110 --> 00:22:21,960
that you've actually been become

602
00:22:25,669 --> 00:22:24,120
absorbed into it it's it's such a

603
00:22:28,310 --> 00:22:25,679
strange thing

604
00:22:29,990 --> 00:22:28,320
I ain't got answers for it no and and

605
00:22:31,909 --> 00:22:30,000
many folks don't we've got a lot of

606
00:22:33,470 --> 00:22:31,919
questions about a lack of answers you've

607
00:22:36,049 --> 00:22:33,480
mentioned through the the book series

608
00:22:38,390 --> 00:22:36,059
tell night people that largely other

609
00:22:40,190 --> 00:22:38,400
people's accounts the testimony you know

610
00:22:43,250 --> 00:22:40,200
the stories that people have experienced

611
00:22:45,350 --> 00:22:43,260
or seen what did you start to learn as

612
00:22:47,090 --> 00:22:45,360
you put these books together and you've

613
00:22:48,830 --> 00:22:47,100

researched and spoken to hundreds of

614

00:22:50,149 --> 00:22:48,840

different people was there any Common

615

00:22:52,250 --> 00:22:50,159

Thread that would go through those

616

00:22:54,289 --> 00:22:52,260

experiences like you say not just UFOs

617

00:22:57,110 --> 00:22:54,299

but Cryptids and other such things as

618

00:22:58,970 --> 00:22:57,120

well a Common Thread

619

00:23:00,950 --> 00:22:58,980

I think for a lot of places around the

620

00:23:03,890 --> 00:23:00,960

United Kingdom is location

621

00:23:06,789 --> 00:23:03,900

uh if if that's kind of thing you'll you

622

00:23:09,890 --> 00:23:06,799

you're asking I mean there seems to be

623

00:23:12,649 --> 00:23:09,900

concentrated areas where more

624

00:23:14,210 --> 00:23:12,659

unexplained phenomena take place I mean

625

00:23:16,310 --> 00:23:14,220

I've had people ask me you know what

626

00:23:17,870 --> 00:23:16,320

you're a really involved in subject Paul

627

00:23:19,789 --> 00:23:17,880

and how come you're seeing stuff around

628

00:23:21,470 --> 00:23:19,799

Eastern North Yorkshire I don't think

629

00:23:24,409 --> 00:23:21,480

it's because I'm heavily involved in it

630

00:23:26,270 --> 00:23:24,419

I think that the the the location itself

631

00:23:29,090 --> 00:23:26,280

you've only got the look let's go about

632

00:23:31,789 --> 00:23:29,100

decade after decade go back to Folklore

633

00:23:34,430 --> 00:23:31,799

and go back and and

634

00:23:36,649 --> 00:23:34,440

it's all there we know that stories may

635

00:23:38,450 --> 00:23:36,659

get embellished throughout time and well

636

00:23:40,370 --> 00:23:38,460

they will do and folklore but there's a

637

00:23:42,049 --> 00:23:40,380

grain of Truth in these things and what

638

00:23:45,169 --> 00:23:42,059

we've been doing with our documentary

639

00:23:47,390 --> 00:23:45,179

wolfland and this self-illuminating eyes

640

00:23:49,730 --> 00:23:47,400

if you go back in folklore

641

00:23:52,130 --> 00:23:49,740

we've got Phantom hounds with glowing

642

00:23:54,710 --> 00:23:52,140

eyes appearing on the cliff tops and a

643

00:23:57,230 --> 00:23:54,720

player in the forests of east of North

644

00:23:59,270 --> 00:23:57,240

Yorkshire yep present day we're getting

645

00:24:00,830 --> 00:23:59,280

these things reported now

646

00:24:02,090 --> 00:24:00,840

do you know and the people it's not

647

00:24:03,950 --> 00:24:02,100

people are trying to make a name for

648

00:24:06,110 --> 00:24:03,960

themselves I've had to really

649

00:24:08,090 --> 00:24:06,120

pardoned upon about to Hound a lot of

650

00:24:11,049 --> 00:24:08,100

these people to get

651
00:24:13,610 --> 00:24:11,059
to get this information and and

652
00:24:16,789 --> 00:24:13,620
you know get them to come on camera and

653
00:24:18,890 --> 00:24:16,799
I I applaud them you know to actually

654
00:24:20,330 --> 00:24:18,900
put these traumatic events what they've

655
00:24:22,130 --> 00:24:20,340
experienced

656
00:24:24,830 --> 00:24:22,140
and sit in front of a camera and talk to

657
00:24:27,350 --> 00:24:24,840
us but I think I think it's I think it's

658
00:24:30,529 --> 00:24:27,360
a common a lot of the common threads are

659
00:24:32,810 --> 00:24:30,539
there you know you know even by date you

660
00:24:36,950 --> 00:24:32,820
know for some reason 15th of June and

661
00:24:39,289 --> 00:24:36,960
the month of June seems to throw up

662
00:24:43,130 --> 00:24:39,299
particularly in flamber and Benton

663
00:24:45,710 --> 00:24:43,140

traumatic and strange events and could

664

00:24:51,110 --> 00:24:45,720

be coincidence Andy you know 15th of

665

00:24:53,210 --> 00:24:51,120

June uh 1998 tornado tornado ze723

666

00:24:55,010 --> 00:24:53,220

vanishes from radar 15 miles off

667

00:24:57,350 --> 00:24:55,020

flambehead which just happens to be an

668

00:24:59,029 --> 00:24:57,360

area where the magnetic anomaly is uh

669

00:25:01,250 --> 00:24:59,039

where the fishermen experienced lots of

670

00:25:03,830 --> 00:25:01,260

strange things not exactly you know but

671

00:25:05,210 --> 00:25:03,840

in that area we can't say that's exactly

672

00:25:08,029 --> 00:25:05,220

where it is

673

00:25:10,070 --> 00:25:08,039

uh at the time I went researching it at

674

00:25:12,370 --> 00:25:10,080

the time but the UFO investigators of

675

00:25:16,789 --> 00:25:12,380

the day thought this were UFO related

676
00:25:19,250 --> 00:25:16,799
15th of June 2020 the American uh uh

677
00:25:23,330 --> 00:25:19,260
seagull F-15 seagull vanishes similar

678
00:25:26,149 --> 00:25:23,340
area of flambre head 15th of June uh

679
00:25:28,669 --> 00:25:26,159
2011.

680
00:25:31,130 --> 00:25:28,679
few miles away

681
00:25:32,690 --> 00:25:31,140
the wallabies at sober the wallabies we

682
00:25:36,549 --> 00:25:32,700
go into something totally different but

683
00:25:39,409 --> 00:25:36,559
sorby Hall Zoo were decapitated

684
00:25:41,149 --> 00:25:39,419
within their enclosures I mean it's a

685
00:25:43,909 --> 00:25:41,159
strange one and it's a I could actually

686
00:25:45,529 --> 00:25:43,919
talk for an hour and I did on I actually

687
00:25:47,390 --> 00:25:45,539
did on midnight in the desert just about

688
00:25:48,590 --> 00:25:47,400

the wallabies because it was such a

689

00:25:51,649 --> 00:25:48,600

strange thing there were a lot of animal

690

00:25:54,110 --> 00:25:51,659

mutilations uh in the month of June and

691

00:25:57,529 --> 00:25:54,120

just after June in and around this area

692

00:25:59,750 --> 00:25:57,539

start it started with one wallaby and

693

00:26:01,490 --> 00:25:59,760

then if you look further I probably

694

00:26:03,049 --> 00:26:01,500

never thought we were going to jump to

695

00:26:04,730 --> 00:26:03,059

wallabies Andy there you go I got a

696

00:26:07,010 --> 00:26:04,740

little joke in there guys but we never

697

00:26:08,630 --> 00:26:07,020

thought that but but what I'm saying is

698

00:26:12,230 --> 00:26:08,640

if you look then

699

00:26:14,450 --> 00:26:12,240

you find that wallabies and please

700

00:26:16,549 --> 00:26:14,460

forgive me if I've got 2011 wrong and it

701
00:26:18,230 --> 00:26:16,559
were nine but I think it were 11 but all

702
00:26:20,810 --> 00:26:18,240
over the United Kingdom

703
00:26:24,470 --> 00:26:20,820
wallabies were being decapitated

704
00:26:27,169 --> 00:26:24,480
in small animal parks how does that work

705
00:26:29,090 --> 00:26:27,179
how does that add up so then if you go

706
00:26:30,590 --> 00:26:29,100
further afield you go to the cough's

707
00:26:32,210 --> 00:26:30,600
coast and you go to the Emerald Coast in

708
00:26:34,970 --> 00:26:32,220
Australia

709
00:26:36,230 --> 00:26:34,980
they'll say months wallabies were being

710
00:26:39,890 --> 00:26:36,240
decapitated

711
00:26:42,169 --> 00:26:39,900
and you know as I spoke to a professor

712
00:26:44,090 --> 00:26:42,179
uh Allenby

713
00:26:47,269 --> 00:26:44,100

I think it was at Warwick University he

714

00:26:50,390 --> 00:26:47,279

will he were interested in uh the

715

00:26:52,430 --> 00:26:50,400

potential for alien big cats to be at

716

00:26:54,169 --> 00:26:52,440

large in the United Kingdom and I sent

717

00:26:55,970 --> 00:26:54,179

him this information about the wallabies

718

00:26:57,409 --> 00:26:55,980

which he found fascinating and the guy

719

00:26:59,630 --> 00:26:57,419

were really

720

00:27:01,490 --> 00:26:59,640

quite positive but he believed it was a

721

00:27:04,310 --> 00:27:01,500

human thing he thought that people were

722

00:27:11,350 --> 00:27:04,320

doing it and it's sort of some kind of

723

00:27:16,730 --> 00:27:14,149

yeah but I think that's like I don't

724

00:27:19,190 --> 00:27:16,740

think it's possible uh I've Just Seen

725

00:27:21,169 --> 00:27:19,200

speed these things move so we've got

726

00:27:23,090 --> 00:27:21,179

first I will be brought to my attention

727

00:27:25,610 --> 00:27:23,100

with the wallabies at Subway Hall Zoo

728

00:27:28,070 --> 00:27:25,620

when I started looking further afield in

729

00:27:29,810 --> 00:27:28,080

the Cotswolds handwell bunny Park all

730

00:27:31,730 --> 00:27:29,820

over the United Kingdom

731

00:27:34,070 --> 00:27:31,740

similar time span they're getting

732

00:27:36,289 --> 00:27:34,080

decapitated it's crazy

733

00:27:38,149 --> 00:27:36,299

Australia they're getting decapitated I

734

00:27:40,010 --> 00:27:38,159

know we've jumped about here people and

735

00:27:41,930 --> 00:27:40,020

I didn't you know you know you didn't

736

00:27:43,549 --> 00:27:41,940

start with that question but it it led

737

00:27:44,810 --> 00:27:43,559

to it Andy I do apologize for talking

738

00:27:45,890 --> 00:27:44,820

about someone you probably didn't want

739

00:27:48,710 --> 00:27:45,900

to talk about

740

00:27:50,149 --> 00:27:48,720

no no but it's linked and that's really

741

00:27:51,590 --> 00:27:50,159

interesting and it's something that you

742

00:27:53,330 --> 00:27:51,600

don't necessarily Hate About You Know

743

00:27:55,490 --> 00:27:53,340

wallabies we're so used to cattle

744

00:27:56,890 --> 00:27:55,500

mutilations you know yeah other animals

745

00:28:00,730 --> 00:27:56,900

other species

746

00:28:05,870 --> 00:28:00,740

have had these kind of incidents 2017.

747

00:28:07,430 --> 00:28:05,880

uh our contacted by a farmer uh I went

748

00:28:10,430 --> 00:28:07,440

to speak to him I asked

749

00:28:13,430 --> 00:28:10,440

um he agreed to let me look into the

750

00:28:16,070 --> 00:28:13,440

sheep mutilations that he'd been having

751

00:28:18,289 --> 00:28:16,080

on a farm not far from where I am now

752

00:28:20,450 --> 00:28:18,299

and how did I get out to know about this

753

00:28:22,549 --> 00:28:20,460

I went to they were a vagrant living in

754

00:28:24,710 --> 00:28:22,559

Dane's neck he's been there he left this

755

00:28:26,630 --> 00:28:24,720

year actually the re-homed him we've

756

00:28:28,090 --> 00:28:26,640

been there 13 years we took him some 40

757

00:28:31,250 --> 00:28:28,100

on New Year's Day

758

00:28:32,510 --> 00:28:31,260

2017. and he told me the police had just

759

00:28:34,490 --> 00:28:32,520

been to see him and they'd asked him if

760

00:28:36,830 --> 00:28:34,500

he'd seen anything unusual because an

761

00:28:38,930 --> 00:28:36,840

unusual dog has has been seen killing

762

00:28:40,370 --> 00:28:38,940

sheep and that's all he told me so I've

763

00:28:42,890 --> 00:28:40,380

been a did a bit of digging I'd located

764

00:28:44,750 --> 00:28:42,900

the farm I went and spoke to him

765

00:28:46,130 --> 00:28:44,760

so we can keep unexplained phenomena out

766

00:28:49,370 --> 00:28:46,140

of this I'd love to look into it for you

767

00:28:52,490 --> 00:28:49,380

so I spent two years on on these fields

768

00:28:54,409 --> 00:28:52,500

in Woodlands in between 4 30 and 5 30 in

769

00:28:55,909 --> 00:28:54,419

the morning three or four days a week me

770

00:28:58,909 --> 00:28:55,919

and that little dog in braver the mate

771

00:29:01,909 --> 00:28:58,919

dog I think candy you know and uh

772

00:29:04,250 --> 00:29:01,919

it lost I think he lost 28 sheep when he

773

00:29:08,570 --> 00:29:04,260

contacted me and when it finished in

774

00:29:10,430 --> 00:29:08,580

2019 it lost over 50 sheep and I'd were

775

00:29:13,250 --> 00:29:10,440

finding them and I were finding roe deer

776

00:29:15,830 --> 00:29:13,260

I will find him Badger and fox

777

00:29:17,570 --> 00:29:15,840

faces stripped of skin in most cases

778

00:29:19,850 --> 00:29:17,580

eyes removed and while we're going at

779

00:29:21,529 --> 00:29:19,860

that time in the morning because of the

780

00:29:23,990 --> 00:29:21,539

people that say well crows will have

781

00:29:26,149 --> 00:29:24,000

took eyes uh only other animals that are

782

00:29:28,010 --> 00:29:26,159

predated on them that's why the so I

783

00:29:30,470 --> 00:29:28,020

will get in there in some cases these

784

00:29:32,930 --> 00:29:30,480

animals are still warm and I really were

785

00:29:34,970 --> 00:29:32,940

there at that time in the morning

786

00:29:37,310 --> 00:29:34,980

hundreds and hundreds of photographs of

787

00:29:39,649 --> 00:29:37,320

shape with ears removed eyes remove

788

00:29:42,830 --> 00:29:39,659

front left leg for some reason God Knows

789

00:29:44,810 --> 00:29:42,840

Why and uh

790

00:29:47,570 --> 00:29:44,820

when I first started talking to him

791

00:29:49,070 --> 00:29:47,580

because I have the I read book here this

792

00:29:51,169 --> 00:29:49,080

is the book I had at the time I don't

793

00:29:54,409 --> 00:29:51,179

use it now but I had this book and I

794

00:29:55,990 --> 00:29:54,419

write all sorts down and I wrote down a

795

00:29:58,070 --> 00:29:56,000

guy called Peter who

796

00:30:00,470 --> 00:29:58,080

were walking on Cliff Lane and he

797

00:30:02,930 --> 00:30:00,480

founded a road here with a three-inch

798

00:30:05,510 --> 00:30:02,940

hole through each side we likened it too

799

00:30:07,250 --> 00:30:05,520

you know the hole on a boiler a gas flue

800

00:30:08,750 --> 00:30:07,260

pipe it looked like it had just gone

801
00:30:12,529 --> 00:30:08,760
straight through it a lovely clean hole

802
00:30:15,889 --> 00:30:12,539
if that can don't sound tools sick and

803
00:30:18,409 --> 00:30:15,899
um 28th of June 2017. so I'm talking to

804
00:30:19,970 --> 00:30:18,419
this farmer and I mean he's come in sat

805
00:30:22,070 --> 00:30:19,980
in his living room

806
00:30:24,350 --> 00:30:22,080
and he's got his diary out and he says

807
00:30:26,389 --> 00:30:24,360
to me he said I've I first realized

808
00:30:28,370 --> 00:30:26,399
something strange was happening he said

809
00:30:30,409 --> 00:30:28,380
because there were 400 sheep on this

810
00:30:31,850 --> 00:30:30,419
field he says I've two dogs he says and

811
00:30:34,310 --> 00:30:31,860
the hate the eight going through all

812
00:30:35,750 --> 00:30:34,320
these troughs to treat the feet it must

813
00:30:37,549 --> 00:30:35,760

be someone that's really painful he said

814

00:30:40,070 --> 00:30:37,559

and they know like stings the feet this

815

00:30:41,870 --> 00:30:40,080

liquid it's just so we funnel them in he

816

00:30:43,970 --> 00:30:41,880

says are my two dogs struggle he says I

817

00:30:45,769 --> 00:30:43,980

get some of the pens one morning he's

818

00:30:47,870 --> 00:30:45,779

telling me this story

819

00:30:50,210 --> 00:30:47,880

he said and uh I can't believe what I'm

820

00:30:52,789 --> 00:30:50,220

looking at he says these corrugated run

821

00:30:55,010 --> 00:30:52,799

which probably should take six to seven

822

00:30:56,690 --> 00:30:55,020

sheep in length

823

00:31:00,049 --> 00:30:56,700

and then they go through into other side

824

00:31:02,990 --> 00:31:00,059

he said it's got 30 sheep in it not 25

825

00:31:04,490 --> 00:31:03,000

not 29 30 sheep in it it says they're

826

00:31:05,990 --> 00:31:04,500

all piled on top of one another they're

827

00:31:07,730 --> 00:31:06,000

on over its sides

828

00:31:10,549 --> 00:31:07,740

he says that's happened at night he says

829

00:31:12,350 --> 00:31:10,559

I can't understand it it's a soyung peg

830

00:31:14,570 --> 00:31:12,360

these things he says we're straight and

831

00:31:16,490 --> 00:31:14,580

sheep out he says there's three dead not

832

00:31:18,889 --> 00:31:16,500

through mutilation just through heat

833

00:31:20,990 --> 00:31:18,899

exhaustion and fear he said and I said

834

00:31:23,210 --> 00:31:21,000

what date were that

835

00:31:25,730 --> 00:31:23,220

and he went let's have a look he went

836

00:31:27,230 --> 00:31:25,740

28th of June I says wait there and I

837

00:31:28,789 --> 00:31:27,240

opened this book up I says because I

838

00:31:31,310 --> 00:31:28,799

don't want you to see that I'm writing

839

00:31:34,070 --> 00:31:31,320

it afterwards and I've got it down there

840

00:31:36,110 --> 00:31:34,080

28th of June deal dear with three inch

841

00:31:37,909 --> 00:31:36,120

hole all in its side Cliff Lane

842

00:31:39,710 --> 00:31:37,919

literally

843

00:31:43,130 --> 00:31:39,720

I'm not going to say aware because it'll

844

00:31:45,950 --> 00:31:43,140

locate the farm but very close very

845

00:31:47,870 --> 00:31:45,960

close and uh

846

00:31:50,470 --> 00:31:47,880

there's something strange going on

847

00:31:53,210 --> 00:31:50,480

something really strange was happening

848

00:31:56,750 --> 00:31:53,220

2019 if we've got time I'll just stay

849

00:31:58,970 --> 00:31:56,760

with us for a moment yeah I I I did my

850

00:32:01,310 --> 00:31:58,980

usual I got to Fields early I used to

851
00:32:03,110 --> 00:32:01,320
pull up with our headlights on so I

852
00:32:05,389 --> 00:32:03,120
didn't wake him up farmer and his family

853
00:32:07,070 --> 00:32:05,399
but I were welcome there but you know I

854
00:32:09,169 --> 00:32:07,080
didn't I didn't want to walk the field

855
00:32:10,909 --> 00:32:09,179
it's just getting light

856
00:32:14,269 --> 00:32:10,919
and

857
00:32:16,850 --> 00:32:14,279
fence between them a big gate between

858
00:32:19,970 --> 00:32:16,860
them and field cheaper in bottom field

859
00:32:21,649 --> 00:32:19,980
well I opened big go through it and I

860
00:32:23,510 --> 00:32:21,659
look up field and it's just it's just

861
00:32:25,070 --> 00:32:23,520
got a sheep new mate I've been going up

862
00:32:26,990 --> 00:32:25,080
for years and they didn't run away they

863
00:32:28,669 --> 00:32:27,000

weren't bothered about my little dog but

864

00:32:30,830 --> 00:32:28,679

there's not there's nothing untoward I

865

00:32:31,789 --> 00:32:30,840

do it like a grid of the field drop into

866

00:32:33,769 --> 00:32:31,799

this wood

867

00:32:35,510 --> 00:32:33,779

come out of the wood don't bother

868

00:32:37,370 --> 00:32:35,520

looking up field

869

00:32:39,110 --> 00:32:37,380

come out shut the gate there's a

870

00:32:41,570 --> 00:32:39,120

shotgate a lot

871

00:32:45,169 --> 00:32:41,580

there's a lamb about size of a Labrador

872

00:32:47,149 --> 00:32:45,179

no it's not a fully grown you or Ram

873

00:32:49,250 --> 00:32:47,159

LED there I know it's dead I thought it

874

00:32:50,510 --> 00:32:49,260

weren't there when I arrived like two

875

00:32:51,649 --> 00:32:50,520

hours before an hour and a half two

876

00:32:54,289 --> 00:32:51,659

hours before

877

00:32:56,389 --> 00:32:54,299

I'm doing instantly what it was so I

878

00:32:58,070 --> 00:32:56,399

walked up to it now and what I should

879

00:33:00,110 --> 00:32:58,080

have said earlier was the farmer said to

880

00:33:02,210 --> 00:33:00,120

me uh are you gonna go up on what day

881

00:33:04,549 --> 00:33:02,220

you're going up on field I said I should

882

00:33:06,710 --> 00:33:04,559

probably go up Tuesday or whatever I've

883

00:33:08,269 --> 00:33:06,720

wrote about it until till three he says

884

00:33:10,909 --> 00:33:08,279

when I woke up on Sunday he says I've

885

00:33:13,009 --> 00:33:10,919

lost one of my one of my Lambs

886

00:33:15,250 --> 00:33:13,019

it says and we'll call it number 53.

887

00:33:18,110 --> 00:33:15,260

they're all sprayed we're number yeah

888

00:33:20,210 --> 00:33:18,120

and uh that might a bit number it worked

889

00:33:22,190 --> 00:33:20,220

someone tells me it was 37 but anyway he

890

00:33:24,710 --> 00:33:22,200

says I've lost it he says I've been all

891

00:33:26,690 --> 00:33:24,720

around field in my far before my dogs

892

00:33:28,009 --> 00:33:26,700

I've walked feel he says it's gone I

893

00:33:30,169 --> 00:33:28,019

said I said oh I'm sorry to hear that

894

00:33:32,110 --> 00:33:30,179

mate and that was that so that was

895

00:33:34,070 --> 00:33:32,120

Sunday and there I think on Tuesday

896

00:33:35,810 --> 00:33:34,080

Burning Man it weren't there when I

897

00:33:38,450 --> 00:33:35,820

walked on field earlier and I walk off

898

00:33:39,470 --> 00:33:38,460

so I woke up I knew it was going to be

899

00:33:42,409 --> 00:33:39,480

that one

900

00:33:45,409 --> 00:33:42,419

looked at it it's not bloated it's not

901
00:33:47,810 --> 00:33:45,419
been opened up by any predators

902
00:33:49,549 --> 00:33:47,820
eyes are missing ears are missing front

903
00:33:51,649 --> 00:33:49,559
left legs missing

904
00:33:53,930 --> 00:33:51,659
touched it it's clap cold but it's not

905
00:33:56,630 --> 00:33:53,940
swollen with gases inside it like it's

906
00:33:59,389 --> 00:33:56,640
been dead a long time so I rang him up

907
00:34:01,549 --> 00:33:59,399
said what not number of that lamb that

908
00:34:04,730 --> 00:34:01,559
you lost and he went to

909
00:34:06,409 --> 00:34:04,740
I said number 53 and I said it's here

910
00:34:10,490 --> 00:34:06,419
that's a bit weren't here this morning

911
00:34:12,230 --> 00:34:10,500
when I arrived that and that what is

912
00:34:14,750 --> 00:34:12,240
that have we got some human intervention

913
00:34:16,550 --> 00:34:14,760

because we're in middle of nowhere Andy

914

00:34:18,770 --> 00:34:16,560

we're literally in the middle of nowhere

915

00:34:21,290 --> 00:34:18,780

I'm on a private road I've drove a mile

916

00:34:23,270 --> 00:34:21,300

to get to this Farm up a private road

917

00:34:25,250 --> 00:34:23,280

there's Woods at the back there's

918

00:34:28,669 --> 00:34:25,260

there's nothing

919

00:34:29,869 --> 00:34:28,679

and that that really it's unnerving when

920

00:34:31,970 --> 00:34:29,879

you when something like that happens

921

00:34:33,649 --> 00:34:31,980

it's like well that place there to make

922

00:34:36,050 --> 00:34:33,659

me realize I don't know is someone

923

00:34:37,669 --> 00:34:36,060

playing with us

924

00:34:39,530 --> 00:34:37,679

I don't know a lot of that that's this

925

00:34:40,849 --> 00:34:39,540

no it's fascinating a lot of that starts

926
00:34:42,770 --> 00:34:40,859
to sound like incidents we've had

927
00:34:44,629 --> 00:34:42,780
happened in places like Skinwalker Ranch

928
00:34:46,909 --> 00:34:44,639
you know when you mention those sheep

929
00:34:49,490 --> 00:34:46,919
being stored almost in a very tight

930
00:34:51,829 --> 00:34:49,500
contained area in a very unnatural way

931
00:34:54,129 --> 00:34:51,839
that something had to have picked them

932
00:34:56,450 --> 00:34:54,139
up and placed them on top of each other

933
00:34:59,030 --> 00:34:56,460
yeah you hear about those cows that were

934
00:35:00,589 --> 00:34:59,040
basically put inside a cabin a port a

935
00:35:01,790 --> 00:35:00,599
cabin and skin marker Ranch and then

936
00:35:03,589 --> 00:35:01,800
they burst out of it and they were

937
00:35:06,410 --> 00:35:03,599
catatonic apparently we never found

938
00:35:08,570 --> 00:35:06,420

that's like you say why would someone or

939

00:35:10,130 --> 00:35:08,580

how could someone even do that it's a

940

00:35:12,230 --> 00:35:10,140

very difficult thing to do isn't it

941

00:35:13,490 --> 00:35:12,240

believe it Andy he just said he said

942

00:35:16,730 --> 00:35:13,500

that's when I realized something strange

943

00:35:18,589 --> 00:35:16,740

were going on although then is and

944

00:35:20,810 --> 00:35:18,599

rightly so we should all rationalize and

945

00:35:22,730 --> 00:35:20,820

look for the look for what an Earthly

946

00:35:24,170 --> 00:35:22,740

explanation should we say because when I

947

00:35:26,030 --> 00:35:24,180

told him he went well maybe a fox has

948

00:35:27,470 --> 00:35:26,040

brought it back and I just thought it

949

00:35:29,210 --> 00:35:27,480

were a ridiculous thing to say because

950

00:35:32,690 --> 00:35:29,220

it hadn't been predated on apart from

951
00:35:34,970 --> 00:35:32,700
from left leg which were gone do you

952
00:35:38,030 --> 00:35:34,980
know and yeah there's there are a lot of

953
00:35:40,609 --> 00:35:38,040
similarities to the things I mean I've

954
00:35:41,750 --> 00:35:40,619
spoke to George Knapp about this a few

955
00:35:43,790 --> 00:35:41,760
times and there are a lot of

956
00:35:45,589 --> 00:35:43,800
similarities to the things that have

957
00:35:48,170 --> 00:35:45,599
been reported there that have been

958
00:35:50,630 --> 00:35:48,180
reported particularly at Benton and

959
00:35:54,230 --> 00:35:50,640
speedon and but I don't think these

960
00:35:57,290 --> 00:35:54,240
places are unique I think that probably

961
00:35:59,630 --> 00:35:57,300
they probably need somebody looking at

962
00:36:01,609 --> 00:35:59,640
areas of areas where things of an

963
00:36:02,930 --> 00:36:01,619

unexplained nature are happening with a

964

00:36:05,690 --> 00:36:02,940

lot of intensity and I think you're

965

00:36:08,089 --> 00:36:05,700

probably unearth a lot more stuff

966

00:36:10,010 --> 00:36:08,099

so the series itself and I've touched on

967

00:36:11,750 --> 00:36:10,020

this doesn't just look at UFOs we talk

968

00:36:14,630 --> 00:36:11,760

about all sorts of high strangeness

969

00:36:17,630 --> 00:36:14,640

going throughout the series orbs we

970

00:36:19,490 --> 00:36:17,640

mentioned missing people night people

971

00:36:20,990 --> 00:36:19,500

have you always thought this phenomena

972

00:36:23,690 --> 00:36:21,000

were linked I like your actual phrase

973

00:36:28,190 --> 00:36:23,700

multi multi multi phenomena research

974

00:36:29,930 --> 00:36:28,200

yeah and it's it's good I I wanted to

975

00:36:31,550 --> 00:36:29,940

coin myself that at the Awakening that I

976
00:36:32,690 --> 00:36:31,560
spoke last year and that it kind of

977
00:36:35,150 --> 00:36:32,700
stuck with it because I think that's

978
00:36:37,609 --> 00:36:35,160
what we we all ought to be ultimately

979
00:36:40,069 --> 00:36:37,619
ought to be striving towards instead of

980
00:36:42,410 --> 00:36:40,079
pigeon all in ourselves and I'm a UFO

981
00:36:43,970 --> 00:36:42,420
researcher I am a Cryptid researcher

982
00:36:46,849 --> 00:36:43,980
because there's so much we could learn

983
00:36:49,310 --> 00:36:46,859
from each other uh and I've lost the

984
00:36:51,530 --> 00:36:49,320
question give me what

985
00:36:53,030 --> 00:36:51,540
no just about that that's being linked

986
00:36:55,609 --> 00:36:53,040
in it being your own multi-phenomena

987
00:36:58,730 --> 00:36:55,619
research yeah it is it is ultimately

988
00:37:01,670 --> 00:36:58,740

linked we might not know why uh I do

989

00:37:05,630 --> 00:37:01,680

understand that you know in on February

990

00:37:07,190 --> 00:37:05,640

the 7th 2019 two military guys claimed

991

00:37:09,230 --> 00:37:07,200

to have seen something that we can only

992

00:37:12,349 --> 00:37:09,240

describe as a werewolf

993

00:37:14,630 --> 00:37:12,359

on the cliff tops at Benton uh they were

994

00:37:17,930 --> 00:37:14,640

wild camping they came across this thing

995

00:37:20,030 --> 00:37:17,940

so they tell me on on February the 7th

996

00:37:22,310 --> 00:37:20,040

we think it rolled into February the 8th

997

00:37:26,270 --> 00:37:22,320

he arrived at 20 then they were in early

998

00:37:27,890 --> 00:37:26,280

hours at morning and uh excuse me what I

999

00:37:33,050 --> 00:37:27,900

find fascinating

1000

00:37:35,569 --> 00:37:33,060

is that on February the 8th 2020

1001

00:37:38,569 --> 00:37:35,579

myself Bob Brown

1002

00:37:40,430 --> 00:37:38,579

and one of my daughters Gemma went to

1003

00:37:42,710 --> 00:37:40,440

the cliff tops we didn't we didn't think

1004

00:37:44,510 --> 00:37:42,720

oh we'll we'll go on the anniversary of

1005

00:37:46,609 --> 00:37:44,520

this happening we're all us up there

1006

00:37:49,310 --> 00:37:46,619

Gemma not particular she will stay in

1007

00:37:51,530 --> 00:37:49,320

wheels for a few weeks uh I was a Gemini

1008

00:37:53,329 --> 00:37:51,540

she's 38 but it's in between moving and

1009

00:37:54,770 --> 00:37:53,339

she'll stay in wheels and it was a

1010

00:37:56,750 --> 00:37:54,780

toss-up between sitting at home and

1011

00:37:58,609 --> 00:37:56,760

watching TV soaps or coming and having a

1012

00:38:00,410 --> 00:37:58,619

look at Cliff tops with me so she

1013

00:38:02,569 --> 00:38:00,420

thought she would and that's what she

1014

00:38:05,210 --> 00:38:02,579

did she's not really into the subject as

1015

00:38:07,069 --> 00:38:05,220

such so anyway February the 8th this is

1016

00:38:08,750 --> 00:38:07,079

a year later or a year and a day

1017

00:38:10,370 --> 00:38:08,760

depending on what what these military

1018

00:38:12,349 --> 00:38:10,380

guys are when they saw it whether it

1019

00:38:14,870 --> 00:38:12,359

will be 4 12 or after

1020

00:38:16,849 --> 00:38:14,880

what am I going with so I'm setting a

1021

00:38:18,829 --> 00:38:16,859

camera up on Cliff tops at a place

1022

00:38:20,530 --> 00:38:18,839

called I think a braille nuke it's like

1023

00:38:23,270 --> 00:38:20,540

a lookout

1024

00:38:24,710 --> 00:38:23,280

in front of these uh two to three

1025

00:38:26,150 --> 00:38:24,720

hundred foot Cliffs that which year

1026

00:38:28,130 --> 00:38:26,160

dropped at North Sea and at the back of

1027

00:38:30,650 --> 00:38:28,140

us we've got this hill and when I talked

1028

00:38:32,930 --> 00:38:30,660

about areas concentrated areas within

1029

00:38:35,870 --> 00:38:32,940

the areas of eye strangeness this place

1030

00:38:38,750 --> 00:38:35,880

is what I would call a concentrated area

1031

00:38:40,490 --> 00:38:38,760

and gemma's got a big torch she's picked

1032

00:38:42,890 --> 00:38:40,500

up and she's shining it and she says

1033

00:38:44,210 --> 00:38:42,900

what's that white square there Bob I can

1034

00:38:47,089 --> 00:38:44,220

hear them they're just it's just chatter

1035

00:38:49,849 --> 00:38:47,099

to me I'm setting a camera up but once I

1036

00:38:51,589 --> 00:38:49,859

think it's bored on a fence post

1037

00:38:53,150 --> 00:38:51,599

well Bob's been up here that many times

1038

00:38:54,710 --> 00:38:53,160

he instantly remember realized not

1039

00:38:56,870 --> 00:38:54,720

remembered that there's no boards on

1040

00:38:58,609 --> 00:38:56,880

fence posts there's no fence so he put

1041

00:39:01,370 --> 00:38:58,619

his torch on it and this white square

1042

00:39:03,050 --> 00:39:01,380

literally dropped to the floor and

1043

00:39:06,109 --> 00:39:03,060

disappeared

1044

00:39:07,609 --> 00:39:06,119

don't sound like anything that conforms

1045

00:39:09,829 --> 00:39:07,619

with unexplained phenomena a white

1046

00:39:11,390 --> 00:39:09,839

square we immediately went to area there

1047

00:39:14,569 --> 00:39:11,400

was nothing there

1048

00:39:16,970 --> 00:39:14,579

now it doesn't finish there

1049

00:39:20,150 --> 00:39:16,980

we went home that night

1050

00:39:22,010 --> 00:39:20,160

and there's a there's a because I've

1051

00:39:23,630 --> 00:39:22,020

converted these Flats I've we've got

1052

00:39:25,370 --> 00:39:23,640

like a little TV room and then you've

1053

00:39:27,829 --> 00:39:25,380

got a big living room and a hallway down

1054

00:39:30,890 --> 00:39:27,839

to a big extension me and Mary go to bed

1055

00:39:32,990 --> 00:39:30,900

Gemma stays up watching TV behind the

1056

00:39:34,370 --> 00:39:33,000

sofa where she's sat and it's in like a

1057

00:39:36,109 --> 00:39:34,380

little alcove

1058

00:39:38,690 --> 00:39:36,119

is a brick wall

1059

00:39:41,210 --> 00:39:38,700

and behind that is a an all way to our

1060

00:39:42,710 --> 00:39:41,220

property so there's nobody in the

1061

00:39:45,230 --> 00:39:42,720

property and there's another brick wall

1062

00:39:48,109 --> 00:39:45,240

then behind that and above is a flat

1063

00:39:49,370 --> 00:39:48,119

which is unoccupied the the Bob was in

1064

00:39:51,829 --> 00:39:49,380

the top flat but the middle one was

1065

00:39:53,690 --> 00:39:51,839

unoccupied I just need to stress this in

1066

00:39:56,870 --> 00:39:53,700

case anybody thinks it's loud music so

1067

00:39:59,089 --> 00:39:56,880

Gemma said I'm watching TV

1068

00:40:00,530 --> 00:39:59,099

just got a little side light on

1069

00:40:02,349 --> 00:40:00,540

and I hear a noise and I think it's

1070

00:40:04,089 --> 00:40:02,359

Thunder

1071

00:40:10,010 --> 00:40:04,099

and

1072

00:40:12,589 --> 00:40:10,020

realized there's a growling behind me

1073

00:40:14,990 --> 00:40:12,599

and she said that is it was so loud it

1074

00:40:19,430 --> 00:40:15,000

would kind of vibrate in my insides so

1075

00:40:20,810 --> 00:40:19,440

he absolutely frightened me to death now

1076

00:40:22,069 --> 00:40:20,820

anybody could say well that's his

1077

00:40:23,750 --> 00:40:22,079

daughter she's just telling him a story

1078

00:40:26,030 --> 00:40:23,760

or he's just saying this I've wrote

1079

00:40:28,010 --> 00:40:26,040

night people we've got four girls the

1080

00:40:30,530 --> 00:40:28,020

only person with nothing to say

1081

00:40:32,569 --> 00:40:30,540

about any weird experiences throughout

1082

00:40:34,310 --> 00:40:32,579

childhood and throughout adulthood

1083

00:40:36,829 --> 00:40:34,320

and believe me I'd have put it in night

1084

00:40:39,770 --> 00:40:36,839

people it's Gemma that's the first thing

1085

00:40:42,230 --> 00:40:39,780

she's ever come out with now we you

1086

00:40:44,810 --> 00:40:42,240

touched on Skinwalker and you we talk

1087

00:40:47,450 --> 00:40:44,820

about the the the phrase that they came

1088

00:40:50,690 --> 00:40:47,460

to you they're calling it The Hitchhiker

1089

00:40:53,030 --> 00:40:50,700

uh yeah uh I don't know effect yeah

1090

00:40:54,470 --> 00:40:53,040

effect yeah where where people have been

1091

00:40:56,510 --> 00:40:54,480

to the location and they're taking

1092

00:40:58,370 --> 00:40:56,520

something of the phenomena back with

1093

00:41:01,310 --> 00:40:58,380

them and I'm wondering if that happened

1094

00:41:03,950 --> 00:41:01,320

there do you know there's a guy who

1095

00:41:06,290 --> 00:41:03,960

comes in our live stream called Rob and

1096

00:41:09,170 --> 00:41:06,300

he went up to the old RAF base and he

1097

00:41:11,450 --> 00:41:09,180

swears that happened to him there uh you

1098

00:41:15,109 --> 00:41:11,460

know and I want to speak to Rob Moore

1099

00:41:17,690 --> 00:41:15,119

like he's he's his code name is his name

1100

00:41:19,790 --> 00:41:17,700

in the little chat in the live stream is

1101
00:41:22,550 --> 00:41:19,800
blue shift so if anybody wanted to ask

1102
00:41:24,890 --> 00:41:22,560
him just ask it's not a secret he's

1103
00:41:26,930 --> 00:41:24,900
convinced that something came back with

1104
00:41:28,550 --> 00:41:26,940
him when he went to Benton and went up

1105
00:41:30,290 --> 00:41:28,560
around the old RAF base which I don't

1106
00:41:32,630 --> 00:41:30,300
recommend anybody going on the RAF Base

1107
00:41:34,910 --> 00:41:32,640
by the way people it's out of bounds but

1108
00:41:37,250 --> 00:41:34,920
uh you believe something came back with

1109
00:41:40,010 --> 00:41:37,260
him so I don't know where we're going

1110
00:41:41,329 --> 00:41:40,020
with that one now Andy no no you

1111
00:41:43,370 --> 00:41:41,339
mentioned hatchaker effect and you

1112
00:41:44,990 --> 00:41:43,380
mentioned George Knapp Jordan app has

1113
00:41:48,109 --> 00:41:45,000

said he's had the same thing happening

1114

00:41:49,790 --> 00:41:48,119

to detail with it but he told me on on

1115

00:41:51,230 --> 00:41:49,800

the podcast I've done with him last year

1116

00:41:53,870 --> 00:41:51,240

or the year before he's been on a few

1117

00:41:55,910 --> 00:41:53,880

times that his wife had effects from

1118

00:41:57,950 --> 00:41:55,920

something coming back with him Thomas

1119

00:42:00,230 --> 00:41:57,960

Winterton the ranch superintendent has

1120

00:42:02,569 --> 00:42:00,240

said the same thing his family have had

1121

00:42:04,490 --> 00:42:02,579

incidents happen back at their home and

1122

00:42:07,010 --> 00:42:04,500

him have heard from Brandon Frugal and

1123

00:42:09,230 --> 00:42:07,020

others that it's happened to countless

1124

00:42:11,030 --> 00:42:09,240

officials and other people who have who

1125

00:42:12,829 --> 00:42:11,040

have dealt with the property as well and

1126

00:42:15,230 --> 00:42:12,839

this this must happen all around the

1127

00:42:16,550 --> 00:42:15,240

planet what I would like to know and

1128

00:42:18,410 --> 00:42:16,560

what I'm going to do I'm going to wrap

1129

00:42:20,089 --> 00:42:18,420

up here for part one and part two will

1130

00:42:21,410 --> 00:42:20,099

be released in a few days time folks so

1131

00:42:23,930 --> 00:42:21,420

if you hear the Bell coming in a second

1132

00:42:25,490 --> 00:42:23,940

or that UFO sound bite thanks very much

1133

00:42:27,710 --> 00:42:25,500

for listening to part one make sure you

1134

00:42:29,089 --> 00:42:27,720

tune in again for part two the question

1135

00:42:30,170 --> 00:42:29,099

that's going to lead into part two

1136

00:42:33,230 --> 00:42:30,180

though is

1137

00:42:35,650 --> 00:42:33,240

and this time have you had during your

1138

00:42:38,750 --> 00:42:35,660

research anyone in an official capacity

1139

00:42:41,270 --> 00:42:38,760

whether that was police military or

1140

00:42:43,609 --> 00:42:41,280

government get in touch with you about

1141

00:42:47,150 --> 00:42:43,619

your research or what you are doing

1142

00:42:49,910 --> 00:42:47,160

yes I have yeah yeah uh Coast Guard and

1143

00:42:52,970 --> 00:42:49,920

police police have have spoken to me

1144

00:42:56,390 --> 00:42:52,980

regarding the missing people

1145

00:42:59,030 --> 00:42:56,400

and uh Coast Guard

1146

00:43:02,930 --> 00:42:59,040

off the Record have spoke to me about

1147

00:43:04,970 --> 00:43:02,940

UFO related events and uh there's

1148

00:43:06,650 --> 00:43:04,980

probably more if you because obviously

1149

00:43:10,130 --> 00:43:06,660

we haven't pre-planned these questions

1150

00:43:12,230 --> 00:43:10,140

so up top of my head and I've got police

1151

00:43:13,790 --> 00:43:12,240

officers who come out onto the cliff

1152

00:43:17,750 --> 00:43:13,800

tops with me and go into the forests

1153

00:43:19,910 --> 00:43:17,760

with me uh or interested but as regards

1154

00:43:21,470 --> 00:43:19,920

military personnel

1155

00:43:23,089 --> 00:43:21,480

no and I'm probably going to kick myself

1156

00:43:24,710 --> 00:43:23,099

someone will come into me and afterwards

1157

00:43:27,050 --> 00:43:24,720

but uh and there's nothing that spring

1158

00:43:29,210 --> 00:43:27,060

into mind so there's never been any sort

1159

00:43:30,650 --> 00:43:29,220

of Men In Black type scenario or any

1160

00:43:33,410 --> 00:43:30,660

kind of suited officials it's always

1161

00:43:34,670 --> 00:43:33,420

been above board oh you make a good

1162

00:43:36,730 --> 00:43:34,680

point

1163

00:43:38,829 --> 00:43:36,740

um whilst looking whilst looking into

1164

00:43:42,650 --> 00:43:38,839

the animal

1165

00:43:45,230 --> 00:43:42,660

mutilations back in 2017 to 19. Bob

1166

00:43:46,690 --> 00:43:45,240

Brown was in it was in our one on our

1167

00:43:51,290 --> 00:43:46,700

properties the top flat weren't living

1168

00:43:53,089 --> 00:43:51,300

in that property at the time and

1169

00:43:54,470 --> 00:43:53,099

it was coming out with me on a regular

1170

00:43:56,990 --> 00:43:54,480

basis

1171

00:43:59,270 --> 00:43:57,000

he told me one morning he works he works

1172

00:44:01,490 --> 00:43:59,280

Bob 75 now so he'd have been in well it

1173

00:44:02,990 --> 00:44:01,500

had been his 70 and he works at a

1174

00:44:04,309 --> 00:44:03,000

charity shop every day so I think that

1175

00:44:07,430 --> 00:44:04,319

tells you something about character look

1176

00:44:10,069 --> 00:44:07,440

guy uh he used to walk into work on the

1177

00:44:12,589 --> 00:44:10,079

morning he says he said he'd seen a UFO

1178

00:44:14,030 --> 00:44:12,599

it was staying at a house on a place

1179

00:44:15,950 --> 00:44:14,040

called cardigan Road in Bridlington

1180

00:44:18,349 --> 00:44:15,960

they're quite affluent houses they were

1181

00:44:19,609 --> 00:44:18,359

dog sitting for this this guy who'd gone

1182

00:44:21,349 --> 00:44:19,619

away

1183

00:44:23,329 --> 00:44:21,359

and he used to take the dog for a walk

1184

00:44:25,010 --> 00:44:23,339

on the beach on a morning

1185

00:44:26,809 --> 00:44:25,020

and

1186

00:44:29,150 --> 00:44:26,819

I don't know which came first because I

1187

00:44:31,670 --> 00:44:29,160

wrote about it in Truth or all three the

1188

00:44:34,490 --> 00:44:31,680

big big enclosed back garden and this

1189

00:44:36,890 --> 00:44:34,500

this collie dog he said we sat watching

1190

00:44:38,569 --> 00:44:36,900

TV one one evening with the lights off

1191

00:44:41,630 --> 00:44:38,579

and there's a small Conservatory in

1192

00:44:43,970 --> 00:44:41,640

front of some a window with the door

1193

00:44:45,230 --> 00:44:43,980

he says the dog suddenly looks up we'll

1194

00:44:46,309 --> 00:44:45,240

get to the beach in a minute Andy

1195

00:44:48,349 --> 00:44:46,319

because I don't know which one came

1196

00:44:50,510 --> 00:44:48,359

first I can't remember now it says now

1197

00:44:51,829 --> 00:44:50,520

often there's a bloke he says that looks

1198

00:44:55,309 --> 00:44:51,839

like Zorro

1199

00:44:56,870 --> 00:44:55,319

a picture of the hat and that I can see

1200

00:44:59,390 --> 00:44:56,880

the outline of him he says the dog's

1201
00:45:00,829 --> 00:44:59,400
going mad he said so I got up let the

1202
00:45:02,510 --> 00:45:00,839
dog out the dog's just running around

1203
00:45:04,190 --> 00:45:02,520
the garden barking

1204
00:45:07,010 --> 00:45:04,200
there's nobody there it's a big Walled

1205
00:45:09,349 --> 00:45:07,020
Garden fenced Gardens apologies fenced

1206
00:45:13,069 --> 00:45:09,359
Garden uh with other properties at the

1207
00:45:16,010 --> 00:45:13,079
back uh but as I say big affluent houses

1208
00:45:17,630 --> 00:45:16,020
and uh

1209
00:45:19,309 --> 00:45:17,640
then he said I took the dog on the beach

1210
00:45:22,190 --> 00:45:19,319
one morning and I don't know which one

1211
00:45:25,010 --> 00:45:22,200
came first I think the UFO came first

1212
00:45:28,370 --> 00:45:25,020
he said and there's a silver ball over

1213
00:45:29,690 --> 00:45:28,380

the sea I'm looking at this thing

1214

00:45:31,970 --> 00:45:29,700

can't believe I'm looking at it it's

1215

00:45:34,490 --> 00:45:31,980

just because I like I love the subject

1216

00:45:36,950 --> 00:45:34,500

of UFOs and all this how he says he told

1217

00:45:39,410 --> 00:45:36,960

me all about it and then things started

1218

00:45:40,910 --> 00:45:39,420

to happen for him he said I'm walking to

1219

00:45:42,829 --> 00:45:40,920

work on a morning and there's a big

1220

00:45:45,109 --> 00:45:42,839

black car past me

1221

00:45:47,030 --> 00:45:45,119

and these were just these were just

1222

00:45:48,829 --> 00:45:47,040

casual observations I mean the the

1223

00:45:51,109 --> 00:45:48,839

silver ball they told me about weren't

1224

00:45:53,329 --> 00:45:51,119

linked to this figure that he'd seen at

1225

00:45:54,950 --> 00:45:53,339

the door at the time and this black cab

1226

00:45:56,390 --> 00:45:54,960

they said it were a big American style

1227

00:45:58,970 --> 00:45:56,400

black car passed him and then when he's

1228

00:46:00,290 --> 00:45:58,980

walking home it passes him again

1229

00:46:01,849 --> 00:46:00,300

so

1230

00:46:03,589 --> 00:46:01,859

I can't remember exact date where

1231

00:46:05,750 --> 00:46:03,599

anybody who wants to sort of Google the

1232

00:46:08,890 --> 00:46:05,760

world's dart championships it was that

1233

00:46:13,309 --> 00:46:08,900

year and it were held in Bridlington

1234

00:46:16,550 --> 00:46:13,319

I think we're looking at 2017. and so

1235

00:46:17,990 --> 00:46:16,560

is in this house daylight he said

1236

00:46:21,349 --> 00:46:18,000

there's a knock at the door the front

1237

00:46:23,210 --> 00:46:21,359

door and there's a small porch where the

1238

00:46:24,829 --> 00:46:23,220

people took the boots off I'm only about

1239

00:46:27,050 --> 00:46:24,839

two or three foot wide so you've got

1240

00:46:28,790 --> 00:46:27,060

obscure glass

1241

00:46:30,170 --> 00:46:28,800

into the property but clear glass

1242

00:46:31,790 --> 00:46:30,180

outside he says nothing's looking

1243

00:46:34,430 --> 00:46:31,800

through all this frosted glass and I can

1244

00:46:36,890 --> 00:46:34,440

see the shape of two suit what looked

1245

00:46:38,089 --> 00:46:36,900

like suited men with hats on it says may

1246

00:46:39,890 --> 00:46:38,099

open the door

1247

00:46:42,349 --> 00:46:39,900

and the stud there he said they're very

1248

00:46:44,990 --> 00:46:42,359

tall well Bob's I'm only five foot to

1249

00:46:46,250 --> 00:46:45,000

six Bob's about five foot two so they're

1250

00:46:48,290 --> 00:46:46,260

gonna look tall to Bobby said but

1251
00:46:50,210 --> 00:46:48,300
they're very tall very thin really white

1252
00:46:52,730 --> 00:46:50,220
faces

1253
00:46:54,230 --> 00:46:52,740
he says and I went can I help you he

1254
00:46:56,089 --> 00:46:54,240
says just open the door but he says

1255
00:46:56,990 --> 00:46:56,099
you've seen something you shouldn't have

1256
00:46:58,430 --> 00:46:57,000
seen

1257
00:46:59,930 --> 00:46:58,440
he said what do you mean he said and

1258
00:47:01,910 --> 00:46:59,940
then they said some more things to him

1259
00:47:03,530 --> 00:47:01,920
that he can't remember

1260
00:47:05,390 --> 00:47:03,540
he said and in the end he says I became

1261
00:47:07,609 --> 00:47:05,400
a bit frightened I slammed the door shut

1262
00:47:10,130 --> 00:47:07,619
the other door he'd already put the dog

1263
00:47:11,990 --> 00:47:10,140

outside in the garden before as they

1264

00:47:14,210 --> 00:47:12,000

were knocking it was when they knocked

1265

00:47:16,609 --> 00:47:14,220

because the dog were going mad

1266

00:47:18,589 --> 00:47:16,619

he says and I ran upstairs

1267

00:47:21,349 --> 00:47:18,599

I could picture Bob running he didn't

1268

00:47:22,790 --> 00:47:21,359

run but that's what he said uh upstairs

1269

00:47:25,309 --> 00:47:22,800

to have a look out of the front window

1270

00:47:27,349 --> 00:47:25,319

to see where they'd gone

1271

00:47:29,870 --> 00:47:27,359

tonight

1272

00:47:32,150 --> 00:47:29,880

it will light when they came but it's

1273

00:47:34,730 --> 00:47:32,160

night time do you know he'd not even

1274

00:47:36,290 --> 00:47:34,740

picked up on it until we got talking do

1275

00:47:37,609 --> 00:47:36,300

you know what I mean said I looked up

1276

00:47:41,210 --> 00:47:37,619

and down the street and street lights

1277

00:47:43,069 --> 00:47:41,220

are on said Bob you saw him in daylight

1278

00:47:44,270 --> 00:47:43,079

and that kind of give him a bit of a

1279

00:47:46,010 --> 00:47:44,280

chill he didn't want to stay at property

1280

00:47:48,530 --> 00:47:46,020

after that I know that's not my

1281

00:47:51,050 --> 00:47:48,540

experience Andy that's just is it a Men

1282

00:47:52,430 --> 00:47:51,060

In Black experience I don't know do you

1283

00:47:54,589 --> 00:47:52,440

know the

1284

00:47:57,770 --> 00:47:54,599

I really don't know I mean I've spoken

1285

00:48:00,170 --> 00:47:57,780

to Coast Guard or a one particular Coast

1286

00:48:01,250 --> 00:48:00,180

Guard it was very high up within the

1287

00:48:04,130 --> 00:48:01,260

service

1288

00:48:06,109 --> 00:48:04,140

and he's his words to me and I I wrote

1289

00:48:09,349 --> 00:48:06,119

it all down at one time we said you will

1290

00:48:13,030 --> 00:48:09,359

never find a document anything worded in

1291

00:48:17,750 --> 00:48:13,040

any any report that allows to

1292

00:48:19,309 --> 00:48:17,760

unexplained phenomena or likes or UFOs I

1293

00:48:21,770 --> 00:48:19,319

know for a fact that they've invested

1294

00:48:25,130 --> 00:48:21,780

the the the they've been involved in

1295

00:48:28,970 --> 00:48:25,140

what they've called UFO incidents

1296

00:48:30,470 --> 00:48:28,980

and it's all been suppressed I get the

1297

00:48:32,329 --> 00:48:30,480

information via freedom information

1298

00:48:34,309 --> 00:48:32,339

request if I get a first-time witness

1299

00:48:35,750 --> 00:48:34,319

then I've got an actual date and I can

1300

00:48:41,089 --> 00:48:35,760

throw it at them

1301
00:48:43,790 --> 00:48:41,099
will stop September the 15th 2009 an old

1302
00:48:47,450 --> 00:48:43,800
lady on in these Flats at will stop

1303
00:48:49,190 --> 00:48:47,460
the 16 Flats just literally a stone's

1304
00:48:51,829 --> 00:48:49,200
throw literally into the North Sea

1305
00:48:54,170 --> 00:48:51,839
nothing either side of them for a few

1306
00:48:56,630 --> 00:48:54,180
miles and just Farmland at the back they

1307
00:48:59,630 --> 00:48:56,640
were built in 1935 and there's just

1308
00:49:01,730 --> 00:48:59,640
these 16 Flats in blocks of four quite

1309
00:49:05,930 --> 00:49:01,740
quite isolated an old lady saw claimed

1310
00:49:08,150 --> 00:49:05,940
she saw a circle of UFOs over the sea it

1311
00:49:09,710 --> 00:49:08,160
will stop in 2009 and I've got

1312
00:49:13,790 --> 00:49:09,720
absolutely

1313
00:49:15,589 --> 00:49:13,800

the richest array of reports from 2009

1314

00:49:16,970 --> 00:49:15,599

around that area that I've ever had and

1315

00:49:18,530 --> 00:49:16,980

ever researched

1316

00:49:22,849 --> 00:49:18,540

and

1317

00:49:26,270 --> 00:49:22,859

the the military when the military came

1318

00:49:28,370 --> 00:49:26,280

the day after what she said to me was

1319

00:49:30,829 --> 00:49:28,380

the next day after I'd seen these

1320

00:49:32,870 --> 00:49:30,839

objects her husband saw him as well uh

1321

00:49:34,250 --> 00:49:32,880

he was terrified he went he went to bed

1322

00:49:36,109 --> 00:49:34,260

he said I put my head on the pillar I

1323

00:49:38,390 --> 00:49:36,119

didn't want to look out till morning she

1324

00:49:40,970 --> 00:49:38,400

watched them for over an hour sorry just

1325

00:49:43,550 --> 00:49:40,980

under an hour she went out she went to

1326

00:49:45,829 --> 00:49:43,560

shut up late at night the flats have a

1327

00:49:47,750 --> 00:49:45,839

communal outside light anybody can put

1328

00:49:50,329 --> 00:49:47,760

theirs on or it's the same light she

1329

00:49:53,329 --> 00:49:50,339

thought next door the light on opened

1330

00:49:55,309 --> 00:49:53,339

the porch looked in she said lightint on

1331

00:49:57,349 --> 00:49:55,319

but it's somehow it's illuminated

1332

00:50:00,470 --> 00:49:57,359

so I turned back around and go into the

1333

00:50:02,390 --> 00:50:00,480

living room and a voice said to her go

1334

00:50:05,089 --> 00:50:02,400

back and have another look

1335

00:50:06,710 --> 00:50:05,099

so she did she said no when I looked

1336

00:50:08,270 --> 00:50:06,720

she said I thought oh my God she said

1337

00:50:10,910 --> 00:50:08,280

there's just a circle of these things

1338

00:50:13,130 --> 00:50:10,920

over the sea and the sea is boiling she

1339

00:50:15,349 --> 00:50:13,140

shouted her husband he came and looked

1340

00:50:17,089 --> 00:50:15,359

uh each seen enough he said to me that

1341

00:50:18,650 --> 00:50:17,099

you frightened him she watched it for

1342

00:50:20,809 --> 00:50:18,660

just under an hour they were moving away

1343

00:50:22,130 --> 00:50:20,819

in tools she said then the next day the

1344

00:50:25,069 --> 00:50:22,140

military came

1345

00:50:27,109 --> 00:50:25,079

uh and they've got big search lights on

1346

00:50:29,569 --> 00:50:27,119

C because a lot of these flat Sandy

1347

00:50:30,890 --> 00:50:29,579

they're not they're not occupied year

1348

00:50:33,109 --> 00:50:30,900

round a lot of them are used for Holiday

1349

00:50:34,370 --> 00:50:33,119

Flats there's about three people that

1350

00:50:37,370 --> 00:50:34,380

live in them and they've lived them all

1351

00:50:39,170 --> 00:50:37,380

like not all the life but 20 30 years

1352

00:50:40,910 --> 00:50:39,180

so I thought where do I go with this she

1353

00:50:43,010 --> 00:50:40,920

can't remember a date

1354

00:50:45,650 --> 00:50:43,020

and but with a rough idea it went

1355

00:50:47,210 --> 00:50:45,660

between 2008 and 2011 so I'm going

1356

00:50:48,470 --> 00:50:47,220

through archives and I thought I found a

1357

00:50:50,950 --> 00:50:48,480

big cat report

1358

00:50:53,270 --> 00:50:50,960

it said uh

1359

00:50:55,430 --> 00:50:53,280

visitors see links

1360

00:50:58,010 --> 00:50:55,440

so when I read it it's Link's helicopter

1361

00:50:59,690 --> 00:50:58,020

so quite unexpectedly two links

1362

00:51:03,530 --> 00:50:59,700

helicopters arrive on the 15th of

1363

00:51:05,329 --> 00:51:03,540

September two Chinooks army vehicles

1364

00:51:08,089 --> 00:51:05,339

and the setup camp

1365

00:51:11,210 --> 00:51:08,099

side of the flats so we know this is the

1366

00:51:13,190 --> 00:51:11,220

night after uh all these things are

1367

00:51:14,390 --> 00:51:13,200

supposed to be pre-arranged and done in

1368

00:51:16,970 --> 00:51:14,400

advance

1369

00:51:19,549 --> 00:51:16,980

the requisition the cabin at the yacht

1370

00:51:21,589 --> 00:51:19,559

club which is it sounds a bit more

1371

00:51:24,650 --> 00:51:21,599

exotic than it is outside of these Flats

1372

00:51:27,770 --> 00:51:24,660

it's just catamarans a tractor and a a

1373

00:51:29,809 --> 00:51:27,780

big sort of Porter cabin yeah Yacht Club

1374

00:51:31,309 --> 00:51:29,819

had no idea they were coming I know that

1375

00:51:33,890 --> 00:51:31,319

because my son-in-law has a catamarang

1376

00:51:35,569 --> 00:51:33,900

there he got moved off so none of it

1377

00:51:39,230 --> 00:51:35,579

nothing was planned they just arrived

1378

00:51:41,510 --> 00:51:39,240

they stayed for two days uh the the the

1379

00:51:43,849 --> 00:51:41,520

so that's where I got the dates I put

1380

00:51:45,170 --> 00:51:43,859

the freedom information request in uh

1381

00:51:46,250 --> 00:51:45,180

they couldn't deny that they'd been

1382

00:51:48,470 --> 00:51:46,260

there they're not going to say it's a

1383

00:51:50,390 --> 00:51:48,480

UFO related event obviously and I've

1384

00:51:51,849 --> 00:51:50,400

only got this first-hand account from

1385

00:51:54,770 --> 00:51:51,859

this lady we know that there's another

1386

00:51:57,170 --> 00:51:54,780

sighting that same night that went to

1387

00:51:58,670 --> 00:51:57,180

Coast Guard but can I get it no I cannot

1388

00:51:59,870 --> 00:51:58,680

get hold of it and we know that a

1389

00:52:02,450 --> 00:51:59,880

witness

1390

00:52:04,849 --> 00:52:02,460

said that she saw orange spheres of

1391

00:52:06,349 --> 00:52:04,859

light coming from the the right hand

1392

00:52:09,470 --> 00:52:06,359

side an orange space of light coming

1393

00:52:11,450 --> 00:52:09,480

from the left to what towards or merging

1394

00:52:13,910 --> 00:52:11,460

into what looked like a large black

1395

00:52:15,710 --> 00:52:13,920

yacht sail over the sea

1396

00:52:17,450 --> 00:52:15,720

it's triangle in it you know that's what

1397

00:52:20,270 --> 00:52:17,460

it sounds like to me and they don't mean

1398

00:52:22,190 --> 00:52:20,280

on surfaces either mean in the air I

1399

00:52:25,190 --> 00:52:22,200

know this do I how do I know this report

1400

00:52:27,710 --> 00:52:25,200

exists because the Coast Guard

1401
00:52:30,230 --> 00:52:27,720
has had a look and told me but it don't

1402
00:52:33,230 --> 00:52:30,240
exist if you ask do you know what I mean

1403
00:52:36,349 --> 00:52:33,240
yeah but it's there the information is

1404
00:52:39,410 --> 00:52:36,359
there uh there's another one

1405
00:52:41,569 --> 00:52:39,420
well there's quite a few there's he's

1406
00:52:43,010 --> 00:52:41,579
he's fascinating let's just say there's

1407
00:52:45,470 --> 00:52:43,020
there's quite a lot of stuff that I've

1408
00:52:47,150 --> 00:52:45,480
managed to obtain just by having as you

1409
00:52:49,010 --> 00:52:47,160
know you've got to put the right wording

1410
00:52:50,690 --> 00:52:49,020
in and the correct year and everything

1411
00:52:51,890 --> 00:52:50,700
otherwise oh you could if you've got a

1412
00:52:53,150 --> 00:52:51,900
day out and they didn't want to get

1413
00:52:55,690 --> 00:52:53,160

information they're not going to tell

1414

00:52:57,950 --> 00:52:55,700

you uh yeah

1415

00:52:59,510 --> 00:52:57,960

the folks who put that kind of work in

1416

00:53:01,609 --> 00:52:59,520

you know there's Grant lavac there's a

1417

00:53:03,530 --> 00:53:01,619

listener who is in Australia and you've

1418

00:53:05,329 --> 00:53:03,540

got John Greenwald and others in the US

1419

00:53:07,250 --> 00:53:05,339

officer John Greenwald makes a living

1420

00:53:09,349 --> 00:53:07,260

from it quite rightly he's very good at

1421

00:53:11,809 --> 00:53:09,359

what he does and he reports that I know

1422

00:53:13,490 --> 00:53:11,819

I've spoken to the Jazz Shaw journalist

1423

00:53:15,589 --> 00:53:13,500

as well and he's talked about fire

1424

00:53:17,930 --> 00:53:15,599

putting in fire requests for documents

1425

00:53:19,849 --> 00:53:17,940

he actually had and being told the

1426

00:53:21,349 --> 00:53:19,859

document didn't exist and he had the

1427

00:53:22,730 --> 00:53:21,359

document already and it's just that's

1428

00:53:24,410 --> 00:53:22,740

that like you say it can be the person

1429

00:53:25,910 --> 00:53:24,420

the date if they don't want you to have

1430

00:53:27,710 --> 00:53:25,920

it you're not going to get it well I'll

1431

00:53:31,569 --> 00:53:27,720

give you an example

1432

00:53:34,490 --> 00:53:31,579

um if I can think right June the 15th

1433

00:53:37,250 --> 00:53:34,500

tornadoes at e723 disappears from radar

1434

00:53:39,710 --> 00:53:37,260

over the North Sea

1435

00:53:41,390 --> 00:53:39,720

the time I was very

1436

00:53:44,150 --> 00:53:41,400

I were always going into the Lifeboat

1437

00:53:45,589 --> 00:53:44,160

station at uh at Bridlington a very good

1438

00:53:47,450 --> 00:53:45,599

with me a lot of Lifeboat stations where

1439

00:53:51,049 --> 00:53:47,460

let me look through logs

1440

00:53:52,730 --> 00:53:51,059

and uh we're also looking on system the

1441

00:53:55,190 --> 00:53:52,740

guy's not doing anything untoward he's

1442

00:53:57,349 --> 00:53:55,200

I'm just asking him for information I'm

1443

00:53:58,910 --> 00:53:57,359

not asking for anything Secret

1444

00:54:01,250 --> 00:53:58,920

and I come across this thing that said

1445

00:54:04,069 --> 00:54:01,260

this is on a Lifeboat log not a call

1446

00:54:06,770 --> 00:54:04,079

schedule and it said object

1447

00:54:08,690 --> 00:54:06,780

so this is roughly the time that the

1448

00:54:10,849 --> 00:54:08,700

tornado vanished I think it was a few

1449

00:54:14,450 --> 00:54:10,859

days before and it said

1450

00:54:17,030 --> 00:54:14,460

large black object seemed to fall from

1451
00:54:19,670 --> 00:54:17,040
the sky land on the surface of the sea

1452
00:54:22,730 --> 00:54:19,680
seen by hornsey and wither and see

1453
00:54:24,410 --> 00:54:22,740
fishermen Lifeboat deployed nothing to

1454
00:54:26,390 --> 00:54:24,420
be seen object

1455
00:54:27,770 --> 00:54:26,400
so I thought right I'm gonna request

1456
00:54:30,950 --> 00:54:27,780
freedom information requesting to Coast

1457
00:54:32,630 --> 00:54:30,960
Guard we've got the date I've seen it on

1458
00:54:34,910 --> 00:54:32,640
the live bolt log

1459
00:54:36,770 --> 00:54:34,920
I've actually got it I've got it now

1460
00:54:38,569 --> 00:54:36,780
I've bought the guys gave it me uh you

1461
00:54:40,790 --> 00:54:38,579
know I put a request into Lifeboat and

1462
00:54:42,950 --> 00:54:40,800
they sent it me they'd redacted the word

1463
00:54:45,049 --> 00:54:42,960

object but they were too late I'd seen

1464

00:54:47,150 --> 00:54:45,059

it so I'm not gonna it was there even if

1465

00:54:49,130 --> 00:54:47,160

it's not on report now it did say object

1466

00:54:50,870 --> 00:54:49,140

that's exactly what it was called but

1467

00:54:53,030 --> 00:54:50,880

when I put it into Coast Guard with the

1468

00:54:54,650 --> 00:54:53,040

exact details the exact times

1469

00:54:58,970 --> 00:54:54,660

no knowledge of it

1470

00:55:00,530 --> 00:54:58,980

Guard that rang Lifeboat to go out so I

1471

00:55:02,390 --> 00:55:00,540

know exactly what you're saying there

1472

00:55:03,710 --> 00:55:02,400

under and we call you Andrew or Sunday

1473

00:55:06,410 --> 00:55:03,720

down there

1474

00:55:08,329 --> 00:55:06,420

uh send it in get me in trouble I was

1475

00:55:10,370 --> 00:55:08,339

wondering through through your years of

1476
00:55:11,270 --> 00:55:10,380
research not to keep you know saying

1477
00:55:12,770 --> 00:55:11,280
you've been doing this for a long time

1478
00:55:15,049 --> 00:55:12,780
but you have and you've put a lot of

1479
00:55:17,390 --> 00:55:15,059
work in over that time is there any one

1480
00:55:19,670 --> 00:55:17,400
or maybe a couple of opinions you've had

1481
00:55:20,809 --> 00:55:19,680
from the early days that just do the

1482
00:55:22,430 --> 00:55:20,819
work you've put in and the

1483
00:55:24,770 --> 00:55:22,440
investigations have changed

1484
00:55:28,130 --> 00:55:24,780
substantially over that time

1485
00:55:33,890 --> 00:55:31,190
I would think that the Cryptid related

1486
00:55:36,770 --> 00:55:33,900
part of the subject never thought I

1487
00:55:38,990 --> 00:55:36,780
would even be remotely interested about

1488
00:55:41,390 --> 00:55:39,000

from as a teenager looking at

1489

00:55:43,370 --> 00:55:41,400

horror films and things thinking Christ

1490

00:55:46,370 --> 00:55:43,380

This is a bit spooky it gets you on edge

1491

00:55:49,790 --> 00:55:46,380

I didn't really place any great value on

1492

00:55:51,770 --> 00:55:49,800

on the Cryptid related reports and then

1493

00:55:52,910 --> 00:55:51,780

do me a favor Paul some some listeners

1494

00:55:54,530 --> 00:55:52,920

might be listening to this and I've

1495

00:55:55,849 --> 00:55:54,540

talked about it on some podcasts but

1496

00:55:58,190 --> 00:55:55,859

depending when they come into different

1497

00:56:01,609 --> 00:55:58,200

interviews what do you mean by encrypted

1498

00:56:03,370 --> 00:56:01,619

Cryptid Bigfoot type reports people

1499

00:56:07,730 --> 00:56:03,380

claiming to have actually seen something

1500

00:56:09,770 --> 00:56:07,740

akin to a werewolf yeah and

1501
00:56:12,109 --> 00:56:09,780
Paul Sinclair never thought it would be

1502
00:56:13,609 --> 00:56:12,119
looking into anything like that but you

1503
00:56:15,710 --> 00:56:13,619
know when writing the first book I got

1504
00:56:17,750 --> 00:56:15,720
her a few reports from Dane's Dyke which

1505
00:56:20,150 --> 00:56:17,760
is about three miles from me and a place

1506
00:56:22,490 --> 00:56:20,160
called flixton in North Yorkshire which

1507
00:56:24,829 --> 00:56:22,500
is 11 miles from me flexton has the

1508
00:56:27,410 --> 00:56:24,839
oldest report of a werewolf probably in

1509
00:56:29,990 --> 00:56:27,420
the world the flixton werewolf and up

1510
00:56:32,030 --> 00:56:30,000
and I don't think anybody's written more

1511
00:56:33,589 --> 00:56:32,040
about it than myself I mean people talk

1512
00:56:36,230 --> 00:56:33,599
about you might have heard about old

1513
00:56:38,450 --> 00:56:36,240

stinker the the werewolf that is said to

1514

00:56:40,250 --> 00:56:38,460

exist on the bamston drain all the I

1515

00:56:42,890 --> 00:56:40,260

would say oh but a lot of the reports

1516

00:56:45,770 --> 00:56:42,900

associated with that story come from

1517

00:56:47,510 --> 00:56:45,780

flixtan 45 miles away uh that they've

1518

00:56:49,190 --> 00:56:47,520

just attached themselves to to that

1519

00:56:51,589 --> 00:56:49,200

story to add a bit more Credence to it

1520

00:56:54,650 --> 00:56:51,599

but the flickstone werewolf I've got

1521

00:56:57,410 --> 00:56:54,660

reports going back to the 1930s I've got

1522

00:57:00,049 --> 00:56:57,420

reports from present day of this this

1523

00:57:01,430 --> 00:57:00,059

bipedal fur covered creature that's said

1524

00:57:03,950 --> 00:57:01,440

to exist

1525

00:57:05,990 --> 00:57:03,960

be intermittently around the area and I

1526

00:57:08,210 --> 00:57:06,000

do not think for one second that we have

1527

00:57:11,329 --> 00:57:08,220

something living and breathing that's

1528

00:57:14,650 --> 00:57:11,339

managing to forge an existence in these

1529

00:57:17,329 --> 00:57:14,660

locations it's something else

1530

00:57:20,750 --> 00:57:17,339

you know it's it's it is there is an

1531

00:57:22,430 --> 00:57:20,760

unexplained aspect to things that of

1532

00:57:23,990 --> 00:57:22,440

this nature that people are reporting

1533

00:57:27,890 --> 00:57:24,000

you know

1534

00:57:29,809 --> 00:57:27,900

if we go back to 937 A.D that's well

1535

00:57:32,569 --> 00:57:29,819

over a thousand years ago

1536

00:57:36,589 --> 00:57:32,579

uh you've you've got the the then King

1537

00:57:40,490 --> 00:57:36,599

athleston who in his writings writes

1538

00:57:42,770 --> 00:57:40,500

that he wants a refuge built at flixton

1539

00:57:45,230 --> 00:57:42,780

for the protection of travelers from

1540

00:57:46,970 --> 00:57:45,240

wolves now we all know that wolves would

1541

00:57:48,290 --> 00:57:46,980

have been prevalent on the East and

1542

00:57:51,130 --> 00:57:48,300

North Yorkshire all over the United

1543

00:57:53,470 --> 00:57:51,140

Kingdom in 937 A.D

1544

00:57:57,290 --> 00:57:53,480

1034 years ago

1545

00:57:59,930 --> 00:57:57,300

Bears wouldn't have been they they died

1546

00:58:02,270 --> 00:57:59,940

out long before so why did I say Bears

1547

00:58:05,690 --> 00:58:02,280

because the writing says from wolves and

1548

00:58:07,549 --> 00:58:05,700

an infestation of savage beasts

1549

00:58:09,650 --> 00:58:07,559

even back then well it's not said

1550

00:58:11,510 --> 00:58:09,660

werewolf is but even that back then

1551

00:58:13,730 --> 00:58:11,520

you've got this that little weird little

1552

00:58:16,010 --> 00:58:13,740

tagline then you go three miles away and

1553

00:58:19,069 --> 00:58:16,020

you've got a place called East ayton and

1554

00:58:22,430 --> 00:58:19,079

folklore tells a writer called Howard

1555

00:58:25,190 --> 00:58:22,440

Braley 121 years ago wrote about the bar

1556

00:58:28,670 --> 00:58:25,200

guest of East Eton which the bar guest

1557

00:58:31,130 --> 00:58:28,680

was a huge fearsome Hound that was sent

1558

00:58:34,069 --> 00:58:31,140

to haunt the forests and Moors of that

1559

00:58:36,770 --> 00:58:34,079

area it's about seven miles away

1560

00:58:39,470 --> 00:58:36,780

but we've been doing the documentary now

1561

00:58:40,910 --> 00:58:39,480

for three years called wolf lands we've

1562

00:58:42,890 --> 00:58:40,920

got witnesses who were in a forest

1563

00:58:46,190 --> 00:58:42,900

called broxa Forest which is literally

1564

00:58:48,109 --> 00:58:46,200

two miles from East Dayton or claimed to

1565

00:58:50,569 --> 00:58:48,119

have seen something like that we've got

1566

00:58:52,609 --> 00:58:50,579

gamekeepers seven miles away at cropton

1567

00:58:55,190 --> 00:58:52,619

Forest or claimed to have seen something

1568

00:58:57,770 --> 00:58:55,200

exactly the same none of these people

1569

00:59:01,430 --> 00:58:57,780

know each other we've got about

1570

00:59:05,770 --> 00:59:01,440

12 uh yeah 12 Witnesses in wolflands

1571

00:59:09,289 --> 00:59:05,780

first hand accounts diversity of people

1572

00:59:11,390 --> 00:59:09,299

unrelated unconnected all claiming to

1573

00:59:13,849 --> 00:59:11,400

have seen something very similar within

1574

00:59:16,069 --> 00:59:13,859

this concentrated location

1575

00:59:18,770 --> 00:59:16,079

uh you know the gamekeeper

1576

00:59:20,630 --> 00:59:18,780

took believer in all this but what's

1577

00:59:23,809 --> 00:59:20,640

interesting it started with light form

1578

00:59:25,370 --> 00:59:23,819

phenomena he's walking back to he was he

1579

00:59:26,990 --> 00:59:25,380

was he's in his own words he said I'd

1580

00:59:28,789 --> 00:59:27,000

gone a little bit feral

1581

00:59:31,370 --> 00:59:28,799

he said and I was living in a caravan at

1582

00:59:33,410 --> 00:59:31,380

first as a Game Keeper in 2002 at a

1583

00:59:35,450 --> 00:59:33,420

place called stape in North Yorkshire

1584

00:59:37,670 --> 00:59:35,460

close to cropton Forest

1585

00:59:39,410 --> 00:59:37,680

six or seven miles from baroxa forest

1586

00:59:43,130 --> 00:59:39,420

where the Rotherham Witnesses had their

1587

00:59:45,589 --> 00:59:43,140

encounter in 2018. he said I found a he

1588

00:59:47,750 --> 00:59:45,599

says you can walk these paths all over

1589

00:59:50,510 --> 00:59:47,760

the place in these forests there's 525

1590

00:59:52,430 --> 00:59:50,520

square miles of forest and more so

1591

00:59:55,430 --> 00:59:52,440

there's and a lot of it's never trodden

1592

00:59:58,430 --> 00:59:55,440

on he said but you very rarely go off

1593

00:59:59,930 --> 00:59:58,440

off path into the forest he says in this

1594

01:00:01,069 --> 00:59:59,940

particular day I just ventured in I'd

1595

01:00:02,890 --> 01:00:01,079

been working there a couple of years

1596

01:00:06,049 --> 01:00:02,900

there's a farmhouse

1597

01:00:08,809 --> 01:00:06,059

abandoned abandoned since 1956 he found

1598

01:00:11,150 --> 01:00:08,819

out says there's Tall Pines 40 foot

1599

01:00:12,829 --> 01:00:11,160

pounds tied up to the sides of it at the

1600

01:00:15,289 --> 01:00:12,839

back of it and about 30 foot in front

1601

01:00:17,990 --> 01:00:15,299

that's clear a bit of clear felon then

1602

01:00:19,430 --> 01:00:18,000

more Pines I used it as a base he said I

1603

01:00:21,530 --> 01:00:19,440

thought this is about a caravan there's

1604

01:00:23,450 --> 01:00:21,540

a well there's a fire

1605

01:00:24,950 --> 01:00:23,460

said so that's where that's I set up

1606

01:00:27,170 --> 01:00:24,960

base he said and I've been there a while

1607

01:00:28,789 --> 01:00:27,180

my cousin came to stay with me for a few

1608

01:00:30,770 --> 01:00:28,799

days

1609

01:00:32,150 --> 01:00:30,780

it says and we're walking back along the

1610

01:00:35,270 --> 01:00:32,160

Logging Road

1611

01:00:37,130 --> 01:00:35,280

and his ex-marine this guy this is

1612

01:00:38,510 --> 01:00:37,140

that'll make sense in a moment he says

1613

01:00:41,569 --> 01:00:38,520

suddenly

1614

01:00:43,670 --> 01:00:41,579

a light to silence baseball-sized light

1615

01:00:45,710 --> 01:00:43,680

just shoots up at the side of him he

1616

01:00:48,049 --> 01:00:45,720

says I dropped my cousin mad Danny to

1617

01:00:49,670 --> 01:00:48,059

the deck and I expected Squad is to come

1618

01:00:52,490 --> 01:00:49,680

out because we're very close to filing

1619

01:00:54,410 --> 01:00:52,500

Nails RF filing Dales uh but two miles

1620

01:00:55,730 --> 01:00:54,420

away says I expected Squad is to come

1621

01:00:56,809 --> 01:00:55,740

out I thought we'd caught a trip by a

1622

01:00:58,069 --> 01:00:56,819

flare

1623

01:01:00,530 --> 01:00:58,079

nothing

1624

01:01:02,990 --> 01:01:00,540

it says I came back the next day

1625

01:01:05,270 --> 01:01:03,000

there's there's no magnesium Burns

1626
01:01:06,829 --> 01:01:05,280
there's nothing he said but then he said

1627
01:01:08,390 --> 01:01:06,839
my cousin went home that next day he

1628
01:01:10,849 --> 01:01:08,400
said but then

1629
01:01:13,010 --> 01:01:10,859
with the other Game Keeper we started to

1630
01:01:16,430 --> 01:01:13,020
hear a baby crying in forest

1631
01:01:18,170 --> 01:01:16,440
and uh he said whenever we went to where

1632
01:01:20,569 --> 01:01:18,180
we thought we'd heard this baby

1633
01:01:23,030 --> 01:01:20,579
it stopped and it's a good it appeared

1634
01:01:24,470 --> 01:01:23,040
to start again deeper in don't forget

1635
01:01:26,630 --> 01:01:24,480
these are game Keepers they're not

1636
01:01:28,670 --> 01:01:26,640
they're not listening to a a fox or a

1637
01:01:30,650 --> 01:01:28,680
cat or an Hedgehog that's been caught by

1638
01:01:32,210 --> 01:01:30,660

you know because I've never done some

1639

01:01:34,130 --> 01:01:32,220

Macabre people but I've brought me right

1640

01:01:36,349 --> 01:01:34,140

up in country and an adult sounds

1641

01:01:39,230 --> 01:01:36,359

uncannonly like an infant if it's been

1642

01:01:41,210 --> 01:01:39,240

attacked you know they do cry which is

1643

01:01:42,589 --> 01:01:41,220

not nice but anyway it didn't know what

1644

01:01:44,690 --> 01:01:42,599

it was

1645

01:01:45,829 --> 01:01:44,700

few days past is in The Farmhouse he

1646

01:01:47,390 --> 01:01:45,839

said it does all it feels like there's

1647

01:01:48,589 --> 01:01:47,400

somebody watching him at all times and

1648

01:01:49,730 --> 01:01:48,599

right onto his shoulder he said it's

1649

01:01:51,589 --> 01:01:49,740

weird

1650

01:01:53,089 --> 01:01:51,599

so I'm late in The Farmhouse he says the

1651

01:01:54,770 --> 01:01:53,099

front door's bolted up the back door's

1652

01:01:56,870 --> 01:01:54,780

barricaded up and I've got a fire going

1653

01:01:59,210 --> 01:01:56,880

and I'm in my sleeping bag

1654

01:02:00,650 --> 01:01:59,220

and I don't know what time it wobbly

1655

01:02:03,589 --> 01:02:00,660

woke up and he looked up at this window

1656

01:02:05,750 --> 01:02:03,599

of the Square Windows no curtains

1657

01:02:07,490 --> 01:02:05,760

nothing is in middle of nowhere it says

1658

01:02:10,490 --> 01:02:07,500

and this thing just come to window he

1659

01:02:12,230 --> 01:02:10,500

says and it filled the window it says

1660

01:02:13,670 --> 01:02:12,240

and it's stopping down looking in we've

1661

01:02:15,230 --> 01:02:13,680

been back we've measured it well over

1662

01:02:16,490 --> 01:02:15,240

seven foot tall he said he had a

1663

01:02:19,130 --> 01:02:16,500

monstrous head

1664

01:02:20,750 --> 01:02:19,140

great big deltoids as he's saying and

1665

01:02:23,390 --> 01:02:20,760

it's looking in and

1666

01:02:24,950 --> 01:02:23,400

he says the the glowing Embers of the

1667

01:02:26,390 --> 01:02:24,960

fire he says I don't know if he can see

1668

01:02:28,910 --> 01:02:26,400

me but it's looking down I don't see

1669

01:02:30,530 --> 01:02:28,920

eyes I don't see teeth I just see this

1670

01:02:33,289 --> 01:02:30,540

monstrous outline

1671

01:02:36,049 --> 01:02:33,299

he said so the next night

1672

01:02:37,730 --> 01:02:36,059

he said I decided in his word to get the

1673

01:02:39,470 --> 01:02:37,740

drop on it

1674

01:02:41,089 --> 01:02:39,480

and it's not they don't mean he's going

1675

01:02:42,230 --> 01:02:41,099

to attack this thing or try and shoot it

1676

01:02:44,690 --> 01:02:42,240

he said but

1677

01:02:47,569 --> 01:02:44,700

if in the clearing where the pine trees

1678

01:02:48,289 --> 01:02:47,579

go about 30 foot away says I put a tarp

1679

01:02:50,390 --> 01:02:48,299

down

1680

01:02:51,770 --> 01:02:50,400

I got settled in he says because I just

1681

01:02:53,870 --> 01:02:51,780

couldn't settle I felt like I've been

1682

01:02:55,970 --> 01:02:53,880

watched everywhere I went before I'd

1683

01:02:58,010 --> 01:02:55,980

even seen this thing he says and

1684

01:03:01,130 --> 01:02:58,020

sometime in early hours he says it came

1685

01:03:02,690 --> 01:03:01,140

out of the forest and it arrived this is

1686

01:03:04,910 --> 01:03:02,700

another unusual aspect to these

1687

01:03:07,130 --> 01:03:04,920

sightings it didn't work he said he

1688

01:03:10,069 --> 01:03:07,140

arrived he said he said he said what

1689

01:03:12,170 --> 01:03:10,079

just above the gutter he said he knew

1690

01:03:13,910 --> 01:03:12,180

just where it were going and it turned

1691

01:03:16,370 --> 01:03:13,920

and it looked in the window

1692

01:03:18,049 --> 01:03:16,380

he says now I'm watching this thing

1693

01:03:20,510 --> 01:03:18,059

and it thinks and I've put a sleeping

1694

01:03:23,150 --> 01:03:20,520

bag in The Farmhouse packed with

1695

01:03:26,270 --> 01:03:23,160

clothing he says so I'm watching it

1696

01:03:27,770 --> 01:03:26,280

watching it thinks he's watching me

1697

01:03:29,210 --> 01:03:27,780

he said and it's just stood there and I

1698

01:03:31,670 --> 01:03:29,220

can see this Shield shoulders I don't

1699

01:03:34,549 --> 01:03:31,680

remember even seeing his legs

1700

01:03:36,470 --> 01:03:34,559

he said there's Tufts of grass and seeds

1701
01:03:38,630 --> 01:03:36,480
he said you'd think you'd see some kind

1702
01:03:42,410 --> 01:03:38,640
of body movement he said but it more

1703
01:03:45,109 --> 01:03:42,420
just smoothly just the spot he said and

1704
01:03:47,809 --> 01:03:45,119
suddenly I realized that

1705
01:03:50,030 --> 01:03:47,819
I kind of knew it knew I were there

1706
01:03:51,710 --> 01:03:50,040
he said I can't explain how either that

1707
01:03:53,569 --> 01:03:51,720
or there were another one watching me he

1708
01:03:55,069 --> 01:03:53,579
said I don't it were weird he said after

1709
01:03:57,530 --> 01:03:55,079
five or ten minutes he turned and went

1710
01:03:59,690 --> 01:03:57,540
back in the forest

1711
01:04:01,490 --> 01:03:59,700
he says I sat there then another 20 25

1712
01:04:03,890 --> 01:04:01,500
minutes he said and I went round the

1713
01:04:05,210 --> 01:04:03,900

back of the Farmhouse and in I would

1714

01:04:07,309 --> 01:04:05,220

have been terrified I don't know what

1715

01:04:09,650 --> 01:04:07,319

I'd have done you know I I really would

1716

01:04:12,410 --> 01:04:09,660

I think I'd have stayed where I was but

1717

01:04:13,849 --> 01:04:12,420

he went in the next day he packed his

1718

01:04:15,950 --> 01:04:13,859

things up and he'd never been back until

1719

01:04:17,809 --> 01:04:15,960

he came back in forest with us it had

1720

01:04:21,049 --> 01:04:17,819

been about several times actually over

1721

01:04:23,990 --> 01:04:21,059

years I think the cell guns that took

1722

01:04:25,670 --> 01:04:24,000

place a few miles away so he's still

1723

01:04:28,130 --> 01:04:25,680

into his his hunting and he's shooting

1724

01:04:29,569 --> 01:04:28,140

so he's been back for that but but we've

1725

01:04:31,670 --> 01:04:29,579

actually been back and spent nights in

1726

01:04:34,430 --> 01:04:31,680

Forest now so

1727

01:04:37,250 --> 01:04:34,440

you know he

1728

01:04:38,690 --> 01:04:37,260

it's just it's a fabulous story what's

1729

01:04:40,430 --> 01:04:38,700

interesting and we've not got this in

1730

01:04:41,870 --> 01:04:40,440

Wolf lands Andy because it's only is

1731

01:04:45,289 --> 01:04:41,880

this is troubled him it's only just come

1732

01:04:47,329 --> 01:04:45,299

back to him literally this last two

1733

01:04:48,950 --> 01:04:47,339

weeks and it's too late now for us to

1734

01:04:50,750 --> 01:04:48,960

add to Wolf lands

1735

01:04:53,089 --> 01:04:50,760

the night that they found the sphere of

1736

01:04:55,490 --> 01:04:53,099

the the sphere of light burst up from

1737

01:04:58,549 --> 01:04:55,500

the ground at the side of them

1738

01:05:00,109 --> 01:04:58,559

they couldn't find The Farmhouse

1739

01:05:02,150 --> 01:05:00,119

he said I don't know why I've never

1740

01:05:04,130 --> 01:05:02,160

remembered it to this time to this day

1741

01:05:06,890 --> 01:05:04,140

he said but we couldn't find The

1742

01:05:08,990 --> 01:05:06,900

Farmhouse we had to sleep outside we had

1743

01:05:11,150 --> 01:05:09,000

to build a fire and sleep outside all

1744

01:05:13,130 --> 01:05:11,160

night which is impossible because I know

1745

01:05:15,109 --> 01:05:13,140

where this sort sphere of light and

1746

01:05:17,809 --> 01:05:15,119

although it were forested then

1747

01:05:20,270 --> 01:05:17,819

it's still only 200 yards away in a

1748

01:05:22,430 --> 01:05:20,280

direct line strange but you've got

1749

01:05:25,069 --> 01:05:22,440

you've got this strange there's so many

1750

01:05:26,750 --> 01:05:25,079

things that take these these these

1751

01:05:28,250 --> 01:05:26,760

creatures

1752

01:05:29,809 --> 01:05:28,260

for once of a better word and do I

1753

01:05:31,309 --> 01:05:29,819

believe they exist yet I do believe they

1754

01:05:35,150 --> 01:05:31,319

exist would I have said that four or

1755

01:05:37,010 --> 01:05:35,160

five years ago definitely not uh but too

1756

01:05:38,630 --> 01:05:37,020

many people good people telling me these

1757

01:05:40,370 --> 01:05:38,640

incredible stories but there's so many

1758

01:05:42,770 --> 01:05:40,380

things that take them away from a normal

1759

01:05:44,930 --> 01:05:42,780

Flesh and Blood creature

1760

01:05:46,970 --> 01:05:44,940

I've said before Paul and for some

1761

01:05:49,309 --> 01:05:46,980

strange reason maybe it's years of being

1762

01:05:51,410 --> 01:05:49,319

brought upon Hollywood movies I struggle

1763

01:05:53,150 --> 01:05:51,420

to associate the same levels of activity

1764

01:05:55,670 --> 01:05:53,160

that are reported in other parts of the

1765

01:05:57,170 --> 01:05:55,680

world is is happening in the UK the same

1766

01:05:58,609 --> 01:05:57,180

way if I go and watch a film and

1767

01:06:00,829 --> 01:05:58,619

someone's Scottish is on the screen

1768

01:06:02,150 --> 01:06:00,839

that's like oh it takes it takes me out

1769

01:06:04,609 --> 01:06:02,160

it slightly

1770

01:06:07,250 --> 01:06:04,619

um for you though is the UK as

1771

01:06:09,650 --> 01:06:07,260

interesting uh a multi-phenomena hot

1772

01:06:11,809 --> 01:06:09,660

spot as anywhere else in the world I

1773

01:06:13,190 --> 01:06:11,819

would think so uh but I would also say

1774

01:06:14,690 --> 01:06:13,200

that there'll be other places all over

1775

01:06:17,930 --> 01:06:14,700

the world that probably aren't even got

1776

01:06:20,450 --> 01:06:17,940

a name that we'd know that are just as

1777

01:06:22,250 --> 01:06:20,460

active do you know I mean an american

1778

01:06:24,230 --> 01:06:22,260

guy came through to see me a few years

1779

01:06:26,210 --> 01:06:24,240

ago and he'd been to skinwalker

1780

01:06:28,130 --> 01:06:26,220

he'd been to the is it the hayabaku

1781

01:06:30,410 --> 01:06:28,140

forest in is it Romania that's supposed

1782

01:06:32,390 --> 01:06:30,420

to be uh highly charged area for

1783

01:06:34,730 --> 01:06:32,400

unexplained phenomena and he wanted to

1784

01:06:36,349 --> 01:06:34,740

try Benton the only place that he had an

1785

01:06:38,089 --> 01:06:36,359

experience Wilmington

1786

01:06:40,250 --> 01:06:38,099

and it's not it weren't something

1787

01:06:42,529 --> 01:06:40,260

life-changing they said that he's

1788

01:06:43,549 --> 01:06:42,539

camping on the cliff tops he went for a

1789

01:06:45,410 --> 01:06:43,559

walk

1790

01:06:47,510 --> 01:06:45,420

early hours at morning

1791

01:06:48,950 --> 01:06:47,520

and we've experienced this what is what

1792

01:06:50,390 --> 01:06:48,960

he were talking about I knew what he was

1793

01:06:52,549 --> 01:06:50,400

going to say well somebody said the

1794

01:06:54,049 --> 01:06:52,559

noise he says as I walked he said he

1795

01:06:56,529 --> 01:06:54,059

said and he's very close to where these

1796

01:06:59,870 --> 01:06:56,539

sheep were being

1797

01:07:02,150 --> 01:06:59,880

mutilated uh he says I'm walking along

1798

01:07:04,910 --> 01:07:02,160

Cliff tops he said suddenly I walk into

1799

01:07:09,410 --> 01:07:07,309

high-pitched sound in my ear

1800

01:07:12,589 --> 01:07:09,420

so stop step back

1801

01:07:14,569 --> 01:07:12,599

it's gone step forward it's there step

1802

01:07:18,289 --> 01:07:14,579

forward again it's gone

1803

01:07:20,569 --> 01:07:18,299

step back it's there and we've heard it

1804

01:07:21,770 --> 01:07:20,579

we I've only heard it once I'm not gonna

1805

01:07:23,510 --> 01:07:21,780

say I've heard it lots of times I've

1806

01:07:25,390 --> 01:07:23,520

heard it once there's numerous people

1807

01:07:28,069 --> 01:07:25,400

being up onto the cliff tops and

1808

01:07:29,750 --> 01:07:28,079

experienced it I went I went to the time

1809

01:07:32,750 --> 01:07:29,760

I heard it tell a guy called Steve

1810

01:07:34,250 --> 01:07:32,760

ashbridge and and the lady called an

1811

01:07:36,170 --> 01:07:34,260

actress called kelly Hollis I don't know

1812

01:07:39,109 --> 01:07:36,180

if you know from Shameless

1813

01:07:41,930 --> 01:07:39,119

uh yes yeah yeah yeah well just

1814

01:07:44,630 --> 01:07:41,940

at that time Kelly and Steve were

1815

01:07:47,029 --> 01:07:44,640

in a relationship should we say and

1816

01:07:49,309 --> 01:07:47,039

Steve's one of my best friends and I

1817

01:07:50,990 --> 01:07:49,319

just suddenly went I don't know if you

1818

01:07:53,270 --> 01:07:51,000

can hear this but there's a strange

1819

01:07:54,890 --> 01:07:53,280

high-pitched noise shazakhan can hear it

1820

01:07:57,109 --> 01:07:54,900

Steve couldn't hear it

1821

01:07:59,990 --> 01:07:57,119

and she'd got her hands over her ears in

1822

01:08:01,970 --> 01:08:00,000

the end and uh yeah really really

1823

01:08:02,690 --> 01:08:01,980

strange and she said if it carries on

1824

01:08:05,390 --> 01:08:02,700

we're gonna have to go it's

1825

01:08:08,390 --> 01:08:05,400

uncomfortable but he stopped the the

1826

01:08:11,150 --> 01:08:08,400

noise stopped whatever that noise was

1827

01:08:13,670 --> 01:08:11,160

see off the coast of the US people will

1828

01:08:15,170 --> 01:08:13,680

report that these objects may have bases

1829

01:08:16,490 --> 01:08:15,180

and you'll be well aware of those sorts

1830

01:08:18,590 --> 01:08:16,500

of reports

1831

01:08:20,090 --> 01:08:18,600

um the famous recently famous cases

1832

01:08:22,550 --> 01:08:20,100

being the Nimitz you know incident

1833

01:08:24,530 --> 01:08:22,560

people say off the coast of Catalina uh

1834

01:08:26,930 --> 01:08:24,540

those islands that are potentially bases

1835

01:08:28,490 --> 01:08:26,940

these objects may be kept given the

1836

01:08:30,289 --> 01:08:28,500

activity you've witnessed and you've

1837

01:08:32,630 --> 01:08:30,299

talked about in the localities and and

1838

01:08:36,169 --> 01:08:32,640

the northeast of England do you think

1839

01:08:38,390 --> 01:08:36,179

we've potentially got bases or potential

1840

01:08:41,829 --> 01:08:38,400

evidence for bases underwater around the

1841

01:08:44,630 --> 01:08:41,839

UK I think it's possible you know I mean

1842

01:08:46,490 --> 01:08:44,640

I've personally witnessed

1843

01:08:48,709 --> 01:08:46,500

spheres of light under the water once a

1844

01:08:51,289 --> 01:08:48,719

sphere circular Lights under the water

1845

01:08:53,570 --> 01:08:51,299

with Bob Brown I've got lots of reports

1846

01:08:56,090 --> 01:08:53,580

of Lights under the water and there's

1847

01:08:57,829 --> 01:08:56,100

it's interesting because what you've got

1848

01:09:00,709 --> 01:08:57,839

on Old maps and this will get back to

1849

01:09:03,410 --> 01:09:00,719

the bases uh in a certain area about 10

1850

01:09:05,689 --> 01:09:03,420

to 15 miles off Benton and flambora it's

1851
01:09:07,490 --> 01:09:05,699
they say a magnetic anomaly is said to

1852
01:09:10,130 --> 01:09:07,500
exist in this location

1853
01:09:11,809 --> 01:09:10,140
and you've got fisherman who fished the

1854
01:09:13,490 --> 01:09:11,819
area for 10 years 15 years 20 years

1855
01:09:14,630 --> 01:09:13,500
never come across anything and then

1856
01:09:16,729 --> 01:09:14,640
they'll tell you that this particular

1857
01:09:18,709 --> 01:09:16,739
day they're steaming out as they say

1858
01:09:20,689 --> 01:09:18,719
suddenly it compasses just doing what it

1859
01:09:23,150 --> 01:09:20,699
wants we know where we ask us with

1860
01:09:24,650 --> 01:09:23,160
seasoned fishermen uh but they're going

1861
01:09:26,630 --> 01:09:24,660
out to their fishing grounds but in that

1862
01:09:28,849 --> 01:09:26,640
area as well there's an area where you

1863
01:09:31,689 --> 01:09:28,859

can nobody can fish and it's a submarine

1864

01:09:33,890 --> 01:09:31,699

training ground which is very

1865

01:09:34,910 --> 01:09:33,900

there's very little known about it do

1866

01:09:36,950 --> 01:09:34,920

you know what I mean and you've got a

1867

01:09:40,130 --> 01:09:36,960

crater there huge impact traitor called

1868

01:09:41,510 --> 01:09:40,140

the silver pit crater and so there's a

1869

01:09:42,410 --> 01:09:41,520

lot of people suggested that there could

1870

01:09:45,050 --> 01:09:42,420

be

1871

01:09:46,849 --> 01:09:45,060

underwater activity underwater bases I

1872

01:09:49,309 --> 01:09:46,859

mean I'm not in a position to say yes

1873

01:09:51,470 --> 01:09:49,319

there is we've got reports of UFOs

1874

01:09:53,090 --> 01:09:51,480

coming out of the water I've never

1875

01:09:54,410 --> 01:09:53,100

personally seen anything coming out of

1876

01:09:56,450 --> 01:09:54,420

the water but I've got

1877

01:09:58,790 --> 01:09:56,460

more than one report I've probably got

1878

01:10:01,669 --> 01:09:58,800

five or six reports and it's always in

1879

01:10:04,370 --> 01:10:01,679

the similar location it's always off the

1880

01:10:06,530 --> 01:10:04,380

point of flamber and Benton about 10 to

1881

01:10:09,830 --> 01:10:06,540

15 miles out that these things are seen

1882

01:10:12,229 --> 01:10:09,840

so I suppose there's a possibility

1883

01:10:14,630 --> 01:10:12,239

outside of the UK right now I mentioned

1884

01:10:16,910 --> 01:10:14,640

the US that our bills in motion where

1885

01:10:19,130 --> 01:10:16,920

potentially we may see individuals

1886

01:10:21,890 --> 01:10:19,140

coming forward to testify to Congress

1887

01:10:23,510 --> 01:10:21,900

about various aspects of the UFO topic

1888

01:10:25,310 --> 01:10:23,520

how much do you keep up to date with

1889

01:10:27,169 --> 01:10:25,320

what's going on across the water

1890

01:10:29,510 --> 01:10:27,179

uh I don't

1891

01:10:31,130 --> 01:10:29,520

no seriously and maybe I should but I

1892

01:10:32,510 --> 01:10:31,140

don't I find I'm that immersed in what

1893

01:10:34,250 --> 01:10:32,520

I'm doing

1894

01:10:35,689 --> 01:10:34,260

um and and that's not that's not to say

1895

01:10:36,830 --> 01:10:35,699

that there aren't some absolutely

1896

01:10:39,050 --> 01:10:36,840

incredible

1897

01:10:40,610 --> 01:10:39,060

pieces of information out there but

1898

01:10:42,290 --> 01:10:40,620

that's something I noticed with you Andy

1899

01:10:44,270 --> 01:10:42,300

when you know when you were talking on

1900

01:10:47,270 --> 01:10:44,280

on Truth proof live stream our live

1901

01:10:49,550 --> 01:10:47,280

stream you're very

1902

01:10:51,470 --> 01:10:49,560

you're very entrenched in in the

1903

01:10:54,350 --> 01:10:51,480

up-to-date news you know what's

1904

01:10:56,510 --> 01:10:54,360

happening and I don't I I re I've really

1905

01:10:58,870 --> 01:10:56,520

got no idea out of what's Happening

1906

01:11:01,910 --> 01:10:58,880

really outside of my little world

1907

01:11:03,530 --> 01:11:01,920

you know no I I don't blame you but I'd

1908

01:11:05,990 --> 01:11:03,540

love your opinion on this then so just

1909

01:11:08,270 --> 01:11:06,000

now they've passed in their defense fill

1910

01:11:09,890 --> 01:11:08,280

some language which is basically opening

1911

01:11:12,470 --> 01:11:09,900

the doors for people who may have

1912

01:11:14,810 --> 01:11:12,480

knowledge of special access programs

1913

01:11:16,910 --> 01:11:14,820

maybe crash retrieval programs any sort

1914

01:11:19,910 --> 01:11:16,920

of UFO knowledge essentially to come

1915

01:11:21,830 --> 01:11:19,920

forward to maybe under NDA or feel

1916

01:11:23,630 --> 01:11:21,840

threatened about coming forward to talk

1917

01:11:25,610 --> 01:11:23,640

about the UFO subject in a really

1918

01:11:27,649 --> 01:11:25,620

serious mainstream way

1919

01:11:29,570 --> 01:11:27,659

um and I just wonder if that does happen

1920

01:11:31,970 --> 01:11:29,580

in the US and they talk about it

1921

01:11:34,850 --> 01:11:31,980

politically and in a more open Forum

1922

01:11:37,310 --> 01:11:34,860

potentially still behind closed doors do

1923

01:11:40,070 --> 01:11:37,320

you think we could see any

1924

01:11:42,649 --> 01:11:40,080

impact in the UK from that that if

1925

01:11:44,149 --> 01:11:42,659

things do open up more in the US that

1926

01:11:46,550 --> 01:11:44,159

you you'll know better than anyone Paul

1927

01:11:48,169 --> 01:11:46,560

in the UK it's just not talked about in

1928

01:11:50,330 --> 01:11:48,179

a political Arena it's laughed about

1929

01:11:51,950 --> 01:11:50,340

still it's just a joke you'll be in the

1930

01:11:54,470 --> 01:11:51,960

newspaper do you think that could help

1931

01:11:56,270 --> 01:11:54,480

us I think it could help us immensely

1932

01:11:57,290 --> 01:11:56,280

you know there's only so long that you

1933

01:12:03,290 --> 01:11:57,300

can keep

1934

01:12:04,910 --> 01:12:03,300

denial do you know I think the internet

1935

01:12:07,430 --> 01:12:04,920

in a lot of ways has been a great thing

1936

01:12:09,470 --> 01:12:07,440

because it's it's just absolutely showed

1937

01:12:11,209 --> 01:12:09,480

the diversity and the the enormity of

1938

01:12:15,530 --> 01:12:11,219

what what people are actually seeing

1939

01:12:17,209 --> 01:12:15,540

witnessing experiencing and if if

1940

01:12:20,510 --> 01:12:17,219

they're going to have open debate in

1941

01:12:24,110 --> 01:12:20,520

America by people in official them

1942

01:12:26,450 --> 01:12:24,120

I think it can only it can only sort of

1943

01:12:29,990 --> 01:12:26,460

pushed the cause further further forward

1944

01:12:31,910 --> 01:12:30,000

in favor of more open debate for people

1945

01:12:34,010 --> 01:12:31,920

within the United Kingdom it's a

1946

01:12:35,450 --> 01:12:34,020

snowball it just gathers Pace I think it

1947

01:12:37,250 --> 01:12:35,460

will yeah

1948

01:12:38,570 --> 01:12:37,260

I hope so listen I want to get to listen

1949

01:12:40,669 --> 01:12:38,580

our questions Paul because you've been

1950

01:12:42,649 --> 01:12:40,679

very generous with your time already and

1951

01:12:44,149 --> 01:12:42,659

we've talked a lot about the books and

1952

01:12:46,189 --> 01:12:44,159

we're going to get to will flange have

1953

01:12:47,689 --> 01:12:46,199

mentioned a few times as well before we

1954

01:12:49,490 --> 01:12:47,699

finish up but we've got lots of lesson

1955

01:12:51,110 --> 01:12:49,500

our questions for you thanks to everyone

1956

01:12:53,510 --> 01:12:51,120

who sent them in I've had to leave off

1957

01:12:54,830 --> 01:12:53,520

more than half of them hopefully some of

1958

01:12:56,209 --> 01:12:54,840

your questions have been answered in the

1959

01:12:58,189 --> 01:12:56,219

body of the interview but I'd love to

1960

01:12:59,450 --> 01:12:58,199

have Paul back on again in the near

1961

01:13:00,830 --> 01:12:59,460

future in any way to get through some

1962

01:13:02,810 --> 01:13:00,840

more otherwise

1963

01:13:05,810 --> 01:13:02,820

um so first up Paul a question from Matt

1964

01:13:07,370 --> 01:13:05,820

Melvin over on patreon Matt asks did

1965

01:13:09,110 --> 01:13:07,380

Paul ever get to have a conversation

1966

01:13:11,750 --> 01:13:09,120

with Brandon Frugal about the

1967

01:13:14,030 --> 01:13:11,760

similarities between his experiences and

1968

01:13:15,590 --> 01:13:14,040

those on Skinwalker Ranch Matt said to

1969

01:13:18,709 --> 01:13:15,600

me he tried to connect you both back in

1970

01:13:22,550 --> 01:13:18,719

early 2021 I remember this guy trying to

1971

01:13:24,350 --> 01:13:22,560

connect to Noah I never did uh and I

1972

01:13:26,649 --> 01:13:24,360

still would Mark I still would like to

1973

01:13:30,290 --> 01:13:26,659

if you if you've still got those

1974

01:13:32,270 --> 01:13:30,300

those those links and uh the potential

1975

01:13:33,649 --> 01:13:32,280

to connect me up please do yeah I would

1976

01:13:36,350 --> 01:13:33,659

like to

1977

01:13:37,550 --> 01:13:36,360

I can give you um some some of that

1978

01:13:39,470 --> 01:13:37,560

stuff you need to spell if you want to

1979

01:13:41,330 --> 01:13:39,480

get in touch with Brandon um so yeah

1980

01:13:44,750 --> 01:13:41,340

hard guy to get a hold of don't expect

1981

01:13:46,250 --> 01:13:44,760

to apply necessarily instantly it would

1982

01:13:47,630 --> 01:13:46,260

be fascinating I'll tell you what I

1983

01:13:49,330 --> 01:13:47,640

think

1984

01:13:52,070 --> 01:13:49,340

Andy

1985

01:13:53,570 --> 01:13:52,080

researchers and I use that term loosely

1986

01:13:55,490 --> 01:13:53,580

because I think we're all researchers if

1987

01:13:57,050 --> 01:13:55,500

we're involved in the subject so it

1988

01:13:58,729 --> 01:13:57,060

depends how much time you want to devote

1989

01:14:01,010 --> 01:13:58,739

to it but everybody that's got an

1990

01:14:02,930 --> 01:14:01,020

interest is a researcher to some degree

1991

01:14:06,430 --> 01:14:02,940

so I don't think I'm special in that in

1992

01:14:08,689 --> 01:14:06,440

that way but these places where

1993

01:14:10,490 --> 01:14:08,699

purportedly the things of high strangers

1994

01:14:12,950 --> 01:14:10,500

are occurring we should be getting

1995

01:14:14,810 --> 01:14:12,960

together where you know if I got

1996

01:14:17,510 --> 01:14:14,820

something fabulous or incredible that

1997

01:14:19,189 --> 01:14:17,520

that happened up around this location it

1998

01:14:21,530 --> 01:14:19,199

would be good to be able to contact the

1999

01:14:23,330 --> 01:14:21,540

people in in other parts of the world

2000

01:14:25,189 --> 01:14:23,340

and say look this has just happened

2001

01:14:27,169 --> 01:14:25,199

because

2002

01:14:29,090 --> 01:14:27,179

they might be getting the similar things

2003

01:14:32,330 --> 01:14:29,100

might be happening there do you know

2004

01:14:34,250 --> 01:14:32,340

what I mean we need to be sharing this

2005

01:14:36,830 --> 01:14:34,260

information that everybody's too guarded

2006

01:14:38,930 --> 01:14:36,840

with the information and and I can see

2007

01:14:40,610 --> 01:14:38,940

in some instances why I mean I've I've

2008

01:14:41,689 --> 01:14:40,620

coined phrases on I'll get to your

2009

01:14:43,729 --> 01:14:41,699

questions in a moment I've coined

2010

01:14:45,290 --> 01:14:43,739

phrases in the past and I see all the

2011

01:14:46,910 --> 01:14:45,300

researchers using them and I find that

2012

01:14:48,830 --> 01:14:46,920

frustrating they're only words I don't

2013

01:14:51,950 --> 01:14:48,840

own anybody's words but I talked about

2014

01:14:54,830 --> 01:14:51,960

if intelligent life forms back in 2002

2015

01:14:56,149 --> 01:14:54,840

and people use it now and and not the

2016

01:14:58,130 --> 01:14:56,159

other credits you for it you know the

2017

01:14:59,630 --> 01:14:58,140

lower silence lots and lots of things

2018

01:15:01,430 --> 01:14:59,640

but

2019

01:15:03,169 --> 01:15:01,440

I'm rumbling here I'm going to ask

2020

01:15:05,689 --> 01:15:03,179

myself more questions please

2021

01:15:07,669 --> 01:15:05,699

no that's fine and uh look forward to my

2022

01:15:11,510 --> 01:15:07,679

new lower silence podcast starting next

2023

01:15:14,810 --> 01:15:13,430

um Dave Smith long time listener and I'm

2024

01:15:17,270 --> 01:15:14,820

pretty sure Dave's spoken to you a few

2025

01:15:19,189 --> 01:15:17,280

occasions at various uh

2026

01:15:21,110 --> 01:15:19,199

um conferences and whatnot around the UK

2027

01:15:23,030 --> 01:15:21,120

he was at the same one we were at and

2028

01:15:25,970 --> 01:15:23,040

spoke to each other back in October in

2029

01:15:28,310 --> 01:15:25,980

Manchester uh Dave asks as Paula said

2030

01:15:29,810 --> 01:15:28,320

himself in the UK it's too small to

2031

01:15:31,970 --> 01:15:29,820

support many of the alleged large

2032

01:15:34,070 --> 01:15:31,980

creatures or Cryptids seen by many and

2033

01:15:36,290 --> 01:15:34,080

you said as much earlier oh yeah do you

2034

01:15:38,510 --> 01:15:36,300

think that some of these creatures there

2035

01:15:41,090 --> 01:15:38,520

may be projections that mask the true

2036

01:15:42,649 --> 01:15:41,100

appearance of the entity behind it and

2037

01:15:44,630 --> 01:15:42,659

do you think that they may put in and

2038

01:15:46,910 --> 01:15:44,640

out of a reality I think they're

2039

01:15:48,649 --> 01:15:46,920

definitely and popping in and out of our

2040

01:15:50,930 --> 01:15:48,659

reality is a good way to say in in and

2041

01:15:53,570 --> 01:15:50,940

out of our sphere of existence is what I

2042

01:15:55,430 --> 01:15:53,580

tend to say uh and I definitely think

2043

01:15:57,649 --> 01:15:55,440

that's what's happening I've touched on

2044

01:16:01,189 --> 01:15:57,659

the fact that we've got 525 square miles

2045

01:16:02,209 --> 01:16:01,199

of forest more and and sort of I don't

2046

01:16:04,130 --> 01:16:02,219

know

2047

01:16:07,010 --> 01:16:04,140

farming land on the North Yorkshire

2048

01:16:10,310 --> 01:16:07,020

Moore's National Park huge area could it

2049

01:16:13,490 --> 01:16:10,320

support a breeding population of what

2050

01:16:16,490 --> 01:16:13,500

would be I imagine carnivorous

2051
01:16:19,550 --> 01:16:16,500
three to five hundred pound creatures

2052
01:16:21,649 --> 01:16:19,560
that came to the size of a bear no I

2053
01:16:23,689 --> 01:16:21,659
don't believe for one second it could do

2054
01:16:26,090 --> 01:16:23,699
I believe that these things are real yes

2055
01:16:28,729 --> 01:16:26,100
but the the scene intermittently and the

2056
01:16:30,830 --> 01:16:28,739
scene in places where throughout time

2057
01:16:33,350 --> 01:16:30,840
throughout folklore these things have

2058
01:16:34,370 --> 01:16:33,360
been reported incidentally Brock's a

2059
01:16:36,470 --> 01:16:34,380
forest

2060
01:16:38,930 --> 01:16:36,480
where the three guys from Rotherham saw

2061
01:16:40,610 --> 01:16:38,940
what they believe they called a werewolf

2062
01:16:42,649 --> 01:16:40,620
a broxer

2063
01:16:44,870 --> 01:16:42,659

In some cultures is a shapeshifter

2064

01:16:46,550 --> 01:16:44,880

they're in a forest called named after a

2065

01:16:48,610 --> 01:16:46,560

shape-shifter which is a strange name

2066

01:16:51,410 --> 01:16:48,620

very close to a place called hackness

2067

01:16:53,510 --> 01:16:51,420

literally two miles from hackness which

2068

01:16:55,990 --> 01:16:53,520

in ancient times was called hachanos

2069

01:16:59,390 --> 01:16:56,000

meaning with the whiskers you know

2070

01:17:02,630 --> 01:16:59,400

there's loads of very close to East atom

2071

01:17:05,630 --> 01:17:02,640

and the bar guests of East ayton I'm not

2072

01:17:07,250 --> 01:17:05,640

I'm not reporting anything new I we're

2073

01:17:10,010 --> 01:17:07,260

just we're just Sutter retreading the

2074

01:17:11,930 --> 01:17:10,020

step footsteps of people decades

2075

01:17:14,030 --> 01:17:11,940

probably hundred years of years ago have

2076

01:17:16,130 --> 01:17:14,040

reported these things and they're still

2077

01:17:17,630 --> 01:17:16,140

getting reported in present day do I

2078

01:17:19,430 --> 01:17:17,640

believe that the real yes do I believe

2079

01:17:21,970 --> 01:17:19,440

that there's a breeding population of

2080

01:17:24,649 --> 01:17:21,980

these things no

2081

01:17:26,930 --> 01:17:24,659

next question from Harry thanks to Harry

2082

01:17:28,610 --> 01:17:26,940

for this over in patreon again what are

2083

01:17:30,890 --> 01:17:28,620

your thoughts on the NATO human

2084

01:17:32,510 --> 01:17:30,900

mutilation documentary I don't know if

2085

01:17:36,169 --> 01:17:32,520

you've seen that

2086

01:17:39,229 --> 01:17:36,179

are we talking about Tony Dodd uh UFOs

2087

01:17:41,030 --> 01:17:39,239

and NATO uh and the one that Richard D

2088

01:17:42,770 --> 01:17:41,040

Hall did a bit of work on

2089

01:17:44,450 --> 01:17:42,780

I think so because the rest of the

2090

01:17:46,910 --> 01:17:44,460

question reads in particular the way

2091

01:17:48,709 --> 01:17:46,920

that they talk about UFOs appearing they

2092

01:17:50,570 --> 01:17:48,719

could detect UFOs coming into certain

2093

01:17:52,550 --> 01:17:50,580

areas and then military personnel would

2094

01:17:55,669 --> 01:17:52,560

secure Landing sites until the Americans

2095

01:17:58,250 --> 01:17:55,679

turned up yeah well if the only

2096

01:17:59,270 --> 01:17:58,260

knowledge I've got of that strangely

2097

01:18:01,310 --> 01:17:59,280

enough

2098

01:18:03,530 --> 01:18:01,320

where do you think that if we're talking

2099

01:18:05,330 --> 01:18:03,540

about the UFOs and NATO and the ones I'm

2100

01:18:07,070 --> 01:18:05,340

talking about what Tony Dodd researched

2101

01:18:09,890 --> 01:18:07,080

uh if anybody's not familiar with Tony

2102

01:18:11,870 --> 01:18:09,900

Donnie were prolific UFO researcher I

2103

01:18:15,530 --> 01:18:11,880

think you're a policing police detective

2104

01:18:17,870 --> 01:18:15,540

inspector uh uh back in the 1990s he's

2105

01:18:19,610 --> 01:18:17,880

passed away now Tony and I did exchange

2106

01:18:21,770 --> 01:18:19,620

a lot of Correspondence women regarding

2107

01:18:24,169 --> 01:18:21,780

xs894 the lightning that crashed over

2108

01:18:28,610 --> 01:18:24,179

the North Sea back in September the 8th

2109

01:18:30,890 --> 01:18:28,620

1970. now UFOs and NATO where and the

2110

01:18:32,570 --> 01:18:30,900

the human mutilations where do you think

2111

01:18:35,870 --> 01:18:32,580

the human mutilations were taking place

2112

01:18:37,550 --> 01:18:35,880

in the forests where wolf lands has been

2113

01:18:40,250 --> 01:18:37,560

filmed where the gamekeepers have been

2114

01:18:43,490 --> 01:18:40,260

seeing the Cryptids uh where the the

2115

01:18:45,709 --> 01:18:43,500

broxa forest all very close dalby Forest

2116

01:18:48,470 --> 01:18:45,719

that that's the only knowledge that I've

2117

01:18:51,290 --> 01:18:48,480

got and there's so many similarities to

2118

01:18:52,850 --> 01:18:51,300

a lot of what's happening today with the

2119

01:18:54,110 --> 01:18:52,860

shape mutilations and everything I'm not

2120

01:18:56,030 --> 01:18:54,120

sure I've answered your question

2121

01:18:57,950 --> 01:18:56,040

adequately there because you may have

2122

01:18:58,910 --> 01:18:57,960

been talking about something else but I

2123

01:19:02,390 --> 01:18:58,920

know that there was something done in

2124

01:19:04,430 --> 01:19:02,400

the UK okay UFOs and NATO and the actual

2125

01:19:06,169 --> 01:19:04,440

location where they were doing it is the

2126

01:19:07,970 --> 01:19:06,179

forest where we're filming wolf lands

2127

01:19:10,070 --> 01:19:07,980

and we're not dealing with the Cryptids

2128

01:19:11,450 --> 01:19:10,080

and the UFOs which is uncanny treading

2129

01:19:14,689 --> 01:19:11,460

in other people's footsteps once again

2130

01:19:17,570 --> 01:19:14,699

people I'm not recognizing around how do

2131

01:19:19,550 --> 01:19:17,580

you know to ask them do you still get in

2132

01:19:21,649 --> 01:19:19,560

touch with Richard D Hall

2133

01:19:25,850 --> 01:19:21,659

I haven't spoke to Richard for a few

2134

01:19:29,510 --> 01:19:25,860

years uh so no I'm not I I guess I'm not

2135

01:19:30,890 --> 01:19:29,520

but we were on good terms uh I don't

2136

01:19:32,870 --> 01:19:30,900

know what year it was but when I were

2137

01:19:34,330 --> 01:19:32,880

filming the world's UFOs so probably no

2138

01:19:37,790 --> 01:19:34,340

2007

2139

01:19:39,350 --> 01:19:37,800

a guy that lives up on a staxton wall

2140

01:19:42,350 --> 01:19:39,360

near the RAF base

2141

01:19:44,149 --> 01:19:42,360

a farmer he has a collection of UFO

2142

01:19:46,010 --> 01:19:44,159

videos and I don't think anybody's got

2143

01:19:48,470 --> 01:19:46,020

more UFO related material than this guy

2144

01:19:52,130 --> 01:19:48,480

in the world and he has cameras on cams

2145

01:19:54,050 --> 01:19:52,140

sweeping 24 7 and he contacted me years

2146

01:19:56,870 --> 01:19:54,060

ago and myself and Steve ashbridge met

2147

01:20:00,350 --> 01:19:56,880

him and met him not just several times

2148

01:20:02,689 --> 01:20:00,360

lots of times and looked at his footage

2149

01:20:03,709 --> 01:20:02,699

and he contacted Richard D Hall you're

2150

01:20:05,930 --> 01:20:03,719

probably thinking what's he gone to

2151
01:20:07,189 --> 01:20:05,940
Farmer for and imagine Richard Hill he

2152
01:20:09,290 --> 01:20:07,199
contacted Richard

2153
01:20:10,970 --> 01:20:09,300
and Richard came through to stay for a

2154
01:20:13,189 --> 01:20:10,980
few days and wanted to film this guy I

2155
01:20:14,209 --> 01:20:13,199
wanted to talk about his UFO footage and

2156
01:20:16,910 --> 01:20:14,219
he backed out

2157
01:20:18,290 --> 01:20:16,920
and and this Farm a guy contacted me

2158
01:20:19,910 --> 01:20:18,300
says Paul will you do it because I don't

2159
01:20:21,770 --> 01:20:19,920
want to do it and we're having a walk

2160
01:20:23,450 --> 01:20:21,780
with my wife and my dog in Dane's Dyke

2161
01:20:25,610 --> 01:20:23,460
at the time jumped straight in my van

2162
01:20:26,630 --> 01:20:25,620
and Richard did a documentary off the

2163
01:20:28,550 --> 01:20:26,640

cuff

2164

01:20:30,950 --> 01:20:28,560

everything nothing

2165

01:20:32,810 --> 01:20:30,960

no questions such a pre-warned about

2166

01:20:34,790 --> 01:20:32,820

anything I just arrived and did it so

2167

01:20:37,010 --> 01:20:34,800

there's a documentary out there a short

2168

01:20:38,570 --> 01:20:37,020

documentary around 20 minutes 40 minutes

2169

01:20:40,550 --> 01:20:38,580

I don't know how long it is about the

2170

01:20:42,530 --> 01:20:40,560

world's UFOs and myself and Richard D

2171

01:20:45,709 --> 01:20:42,540

Hall and Richard wanted to do some other

2172

01:20:49,250 --> 01:20:45,719

stuff with me and uh at the time I was

2173

01:20:51,470 --> 01:20:49,260

working and just timed in wouldn't allow

2174

01:20:53,510 --> 01:20:51,480

if you know that's fair uh question from

2175

01:20:57,410 --> 01:20:53,520

Mark Mark asks do you have any more

2176

01:20:58,130 --> 01:20:57,420

updates on the hummingbay incident

2177

01:21:00,110 --> 01:20:58,140

um

2178

01:21:02,990 --> 01:21:00,120

we've got another that's this this this

2179

01:21:05,750 --> 01:21:03,000

is probably as big as Rendell schum it's

2180

01:21:07,610 --> 01:21:05,760

the most incredible UFO event that I've

2181

01:21:08,810 --> 01:21:07,620

ever I've ever looked at and every time

2182

01:21:10,850 --> 01:21:08,820

I talk about it people think it's

2183

01:21:13,070 --> 01:21:10,860

amazing not because Paul's talking just

2184

01:21:15,530 --> 01:21:13,080

because of the the amount of information

2185

01:21:19,390 --> 01:21:15,540

that's there and if you give us a

2186

01:21:21,830 --> 01:21:19,400

summary of what it is 19 1996 97 98

2187

01:21:24,169 --> 01:21:21,840

industrial unit on the outskirts of the

2188

01:21:25,850 --> 01:21:24,179

village of hunmanby Hunnam is featured

2189

01:21:27,709 --> 01:21:25,860

in Wolf lands it means Farmstead of the

2190

01:21:30,229 --> 01:21:27,719

Hound man that's what it means in

2191

01:21:31,490 --> 01:21:30,239

hundman B and that's the village and

2192

01:21:33,050 --> 01:21:31,500

this is the place where people plan to

2193

01:21:35,990 --> 01:21:33,060

be seeing these bipedal creatures for

2194

01:21:37,729 --> 01:21:36,000

hundreds of years it's all right

2195

01:21:41,930 --> 01:21:37,739

industrial unit on the outskirts of

2196

01:21:43,910 --> 01:21:41,940

hummingbay back in 96 97 98 three guys

2197

01:21:46,189 --> 01:21:43,920

are working on this unit the Boston tool

2198

01:21:48,950 --> 01:21:46,199

guys and the the doing the spraying

2199

01:21:51,950 --> 01:21:48,960

high-end Motor Vehicles this restoring

2200

01:21:54,110 --> 01:21:51,960

open top buses Fairground rides

2201
01:21:55,669 --> 01:21:54,120
June July and August June July and

2202
01:21:59,270 --> 01:21:55,679
August 96

2203
01:22:00,950 --> 01:21:59,280
Poltergeist activity starts to happen

2204
01:22:03,950 --> 01:22:00,960
Stones falling from the air not just

2205
01:22:06,290 --> 01:22:03,960
little Pebbles and Falls of stones

2206
01:22:07,490 --> 01:22:06,300
dropping from there there's no Upper

2207
01:22:09,470 --> 01:22:07,500
Floor to this building you can drive

2208
01:22:11,390 --> 01:22:09,480
double decker buses in it huge shutter

2209
01:22:13,189 --> 01:22:11,400
doors at one huge shutter doors at the

2210
01:22:14,689 --> 01:22:13,199
others bottom right hand corner you've

2211
01:22:17,030 --> 01:22:14,699
got a toilet block above that you've got

2212
01:22:19,490 --> 01:22:17,040
his office everything else is open

2213
01:22:20,930 --> 01:22:19,500

washers flying about like steel washers

2214

01:22:23,750 --> 01:22:20,940

it's in the it's in the sides of the

2215

01:22:25,910 --> 01:22:23,760

building lumps of wood falling oh all

2216

01:22:28,970 --> 01:22:25,920

the light bulbs flicker in and the power

2217

01:22:31,130 --> 01:22:28,980

banging off in the in the warehouse and

2218

01:22:32,750 --> 01:22:31,140

the the radio that's plugged in you said

2219

01:22:35,630 --> 01:22:32,760

a brief summary because this is really

2220

01:22:39,290 --> 01:22:35,640

long the radio that's plugged in

2221

01:22:41,810 --> 01:22:39,300

still playing yeah there's no power on

2222

01:22:46,070 --> 01:22:41,820

that that happened June July and August

2223

01:22:48,050 --> 01:22:46,080

96 97 arrives similar things cars with

2224

01:22:49,729 --> 01:22:48,060

no batteries impact up in the compound

2225

01:22:52,490 --> 01:22:49,739

radio's playing

2226

01:22:54,530 --> 01:22:52,500

also all sorts of things the boss locks

2227

01:22:56,149 --> 01:22:54,540

up one night these guys the two guys

2228

01:22:59,270 --> 01:22:56,159

that worked with him had this was a

2229

01:23:01,550 --> 01:22:59,280

second job they had full-time jobs as as

2230

01:23:03,350 --> 01:23:01,560

painters and sprayers one of them one

2231

01:23:04,850 --> 01:23:03,360

was a signwriter in the day and on a

2232

01:23:06,410 --> 01:23:04,860

night back in 98 they're trying to

2233

01:23:07,970 --> 01:23:06,420

afford you live in more money they'd

2234

01:23:09,649 --> 01:23:07,980

come and work with him at the warehouse

2235

01:23:11,689 --> 01:23:09,659

and they'd stay till

2236

01:23:13,430 --> 01:23:11,699

sometimes three in the morning sometimes

2237

01:23:15,770 --> 01:23:13,440

just ten at night do you see they'd go

2238

01:23:18,890 --> 01:23:15,780

to home ability and go up there

2239

01:23:21,050 --> 01:23:18,900

97 similar thing bosses why locking up

2240

01:23:22,610 --> 01:23:21,060

one night turns round there's only a few

2241

01:23:25,070 --> 01:23:22,620

eunuchs on this place at that time

2242

01:23:27,050 --> 01:23:25,080

there's a huge

2243

01:23:29,149 --> 01:23:27,060

this looks like a Bigfoot stood in front

2244

01:23:32,030 --> 01:23:29,159

of him where does that fit in with

2245

01:23:34,250 --> 01:23:32,040

Poltergeist activity he said I backed up

2246

01:23:35,750 --> 01:23:34,260

to fence call took a massive breath and

2247

01:23:37,490 --> 01:23:35,760

it just turned and walked into it down

2248

01:23:38,930 --> 01:23:37,500

and she said once again I only saw this

2249

01:23:41,570 --> 01:23:38,940

huge outline

2250

01:23:44,689 --> 01:23:41,580

so that's an odd one huge footprints on

2251

01:23:46,729 --> 01:23:44,699

the car but no damage to the car all all

2252

01:23:48,830 --> 01:23:46,739

three cars while they're working there

2253

01:23:52,970 --> 01:23:48,840

right we've got to that's that's a brief

2254

01:23:54,229 --> 01:23:52,980

summary of 96 97 get to 98.

2255

01:23:56,209 --> 01:23:54,239

they

2256

01:23:58,490 --> 01:23:56,219

all this has happened it's like this

2257

01:24:00,649 --> 01:23:58,500

Poltergeist activity the coins dropping

2258

01:24:02,810 --> 01:24:00,659

from there jam jars falling from the air

2259

01:24:06,110 --> 01:24:02,820

old money falling as foreign money

2260

01:24:08,570 --> 01:24:06,120

falling Andrew Andrew Asquith one of the

2261

01:24:10,490 --> 01:24:08,580

witnesses the to have spoken see the I

2262

01:24:14,390 --> 01:24:10,500

spoke to all three but one just refuse

2263

01:24:16,850 --> 01:24:14,400

us to to go any further uh

2264

01:24:18,350 --> 01:24:16,860

Angel got cocky with the phenomena as he

2265

01:24:20,390 --> 01:24:18,360

said and they all believe he did as well

2266

01:24:21,770 --> 01:24:20,400

he said he was he was shouting at it and

2267

01:24:24,290 --> 01:24:21,780

asking it to give him lottery numbers

2268

01:24:26,209 --> 01:24:24,300

give me some money I can spend

2269

01:24:28,850 --> 01:24:26,219

he said now just turned around after I'm

2270

01:24:31,850 --> 01:24:28,860

preparing a car and this this circle's

2271

01:24:33,530 --> 01:24:31,860

coming towards me in slow motion and it

2272

01:24:36,410 --> 01:24:33,540

hits me in the middle of the head

2273

01:24:37,370 --> 01:24:36,420

says it hurt like mad he says like

2274

01:24:39,649 --> 01:24:37,380

you're going slow he says and I'm

2275

01:24:41,390 --> 01:24:39,659

spinning round on floor and there's a

2276

01:24:43,010 --> 01:24:41,400

coin stuck to his head other two

2277

01:24:45,470 --> 01:24:43,020

remember it and say it were funny

2278

01:24:47,330 --> 01:24:45,480

because it served him right you know if

2279

01:24:49,130 --> 01:24:47,340

you're all shouting at this what were

2280

01:24:51,530 --> 01:24:49,140

they called the phenomena

2281

01:24:53,090 --> 01:24:51,540

now people are and Andy asked for an

2282

01:24:54,229 --> 01:24:53,100

overview of this I've literally just

2283

01:24:57,350 --> 01:24:54,239

skimmed this

2284

01:25:00,530 --> 01:24:57,360

tons and tons to it but it culminated in

2285

01:25:02,209 --> 01:25:00,540

1998 with a the

2286

01:25:04,310 --> 01:25:02,219

shutter doors at the bottom of the

2287

01:25:05,450 --> 01:25:04,320

compound are open that's about eight

2288

01:25:08,090 --> 01:25:05,460

foot

2289

01:25:10,250 --> 01:25:08,100

and they're working during the night

2290

01:25:12,050 --> 01:25:10,260

and I should have said that the other

2291

01:25:13,610 --> 01:25:12,060

witness Davey's mum and dad used to come

2292

01:25:15,470 --> 01:25:13,620

over the three-year period on a night

2293

01:25:17,570 --> 01:25:15,480

and just sit they probably wanted to see

2294

01:25:19,070 --> 01:25:17,580

their son and they liked having a talk

2295

01:25:22,189 --> 01:25:19,080

to other tool acts and then they'd go

2296

01:25:23,630 --> 01:25:22,199

home and they'd come most nights

2297

01:25:25,910 --> 01:25:23,640

and

2298

01:25:27,590 --> 01:25:25,920

you see this silent story seems now

2299

01:25:29,990 --> 01:25:27,600

disjointed guys because I've not been

2300

01:25:32,390 --> 01:25:30,000

able to go through it but Andrew says I

2301

01:25:33,649 --> 01:25:32,400

walked down to the front of these

2302

01:25:36,530 --> 01:25:33,659

shutters and looked out into the

2303

01:25:38,510 --> 01:25:36,540

compound he said there's a UFO

2304

01:25:40,910 --> 01:25:38,520

he said you can't be real he still says

2305

01:25:42,470 --> 01:25:40,920

he can't be realistic like a film set

2306

01:25:43,850 --> 01:25:42,480

he says I can hear a noise like an

2307

01:25:45,590 --> 01:25:43,860

helicopter but it's not an helicopter

2308

01:25:49,070 --> 01:25:45,600

the summit humming he says well this is

2309

01:25:50,330 --> 01:25:49,080

like a classic 1950s 60s what you'd seen

2310

01:27:08,330 --> 01:25:50,340

a

2311

01:27:10,370 --> 01:27:08,340

but they weren't stubbed together it's

2312

01:27:12,169 --> 01:27:10,380

weird they're all working together in

2313

01:27:14,510 --> 01:27:12,179

uni he said

2314

01:27:15,950 --> 01:27:14,520

I'd see three Dave Dave's about six foot

2315

01:27:17,570 --> 01:27:15,960

six foot one he says a lot taller than

2316

01:27:19,490 --> 01:27:17,580

me he says and they were in tight

2317

01:27:22,189 --> 01:27:19,500

fitting suits that looked like wetsuits

2318

01:27:24,649 --> 01:27:22,199

it says they've got big heads

2319

01:27:26,149 --> 01:27:24,659

he said um the three of them he says I I

2320

01:27:28,250 --> 01:27:26,159

don't know what they were

2321

01:27:30,229 --> 01:27:28,260

he said now what up front of building an

2322

01:27:32,030 --> 01:27:30,239

open side door a military grabbed out of

2323

01:27:34,510 --> 01:27:32,040

me with guns

2324

01:27:37,550 --> 01:27:34,520

real nasty bees

2325

01:27:38,990 --> 01:27:37,560

threatened me and everything and so then

2326

01:27:40,189 --> 01:27:39,000

I get to other one or didn't want to

2327

01:27:43,250 --> 01:27:40,199

tell me much

2328

01:27:44,990 --> 01:27:43,260

and I asked him because the Andrew had

2329

01:27:47,570 --> 01:27:45,000

already said he saw him walking into the

2330

01:27:50,390 --> 01:27:47,580

mist and disappear so I said did you see

2331

01:27:52,189 --> 01:27:50,400

the being did you see anything he says I

2332

01:27:54,709 --> 01:27:52,199

saw one he says but I didn't see he said

2333

01:27:56,870 --> 01:27:54,719

I could see it amongst the Mist so my

2334

01:27:58,370 --> 01:27:56,880

last question to him was

2335

01:27:59,629 --> 01:27:58,380

Andrew said that because he would have

2336

01:28:00,410 --> 01:27:59,639

asked that first I wouldn't have got any

2337

01:28:01,910 --> 01:28:00,420

more

2338

01:28:03,950 --> 01:28:01,920

I said Andrew said he saw you walking

2339

01:28:05,810 --> 01:28:03,960

down the compound into the into this

2340

01:28:07,790 --> 01:28:05,820

Mist they said I don't have no

2341

01:28:09,950 --> 01:28:07,800

recollection of that and that were all I

2342

01:28:12,410 --> 01:28:09,960

got from him but his mom do you know the

2343

01:28:14,570 --> 01:28:12,420

mum and dad who

2344

01:28:17,870 --> 01:28:14,580

I mean there's UFO sightings prior to it

2345

01:28:19,850 --> 01:28:17,880

days before triangles and we've got all

2346

01:28:21,590 --> 01:28:19,860

that this is it's just too big woman but

2347

01:28:23,510 --> 01:28:21,600

it's in truth Pro free and I think it's

2348

01:28:25,729 --> 01:28:23,520

about 12 000 words you could have wrote

2349

01:28:27,169 --> 01:28:25,739

a book about it to be honest with you uh

2350

01:28:29,390 --> 01:28:27,179

mum and dad

2351

01:28:31,610 --> 01:28:29,400

were driving

2352

01:28:33,890 --> 01:28:31,620

to the warehouse

2353

01:28:36,470 --> 01:28:33,900

there's a military roadblock setup

2354

01:28:39,229 --> 01:28:36,480

not not camouflaged Vehicles black

2355

01:28:41,330 --> 01:28:39,239

Vehicles stop their car took them inside

2356

01:28:43,370 --> 01:28:41,340

a van there's do they believe military

2357

01:28:46,370 --> 01:28:43,380

personnel all in black

2358

01:28:48,590 --> 01:28:46,380

and know where we live know everything

2359

01:28:51,350 --> 01:28:48,600

about us just basically threatened old

2360

01:28:52,729 --> 01:28:51,360

man and old woman they weren't old to be

2361

01:28:55,729 --> 01:28:52,739

honest with you then but do you know

2362

01:28:58,970 --> 01:28:55,739

what I mean uh but still alive today and

2363

01:29:01,310 --> 01:28:58,980

and released them and so they they got a

2364

01:29:03,410 --> 01:29:01,320

tilling off now the question was have I

2365

01:29:05,810 --> 01:29:03,420

any more on the honor be incident yes

2366

01:29:08,890 --> 01:29:05,820

we've got a guy that they had a small

2367

01:29:12,169 --> 01:29:08,900

red hatchback car got a guy

2368

01:29:13,430 --> 01:29:12,179

1998 driving home

2369

01:29:15,649 --> 01:29:13,440

excuse me

2370

01:29:17,090 --> 01:29:15,659

sees a small red hatchback car slew

2371

01:29:18,770 --> 01:29:17,100

across the road

2372

01:29:21,590 --> 01:29:18,780

the old couple

2373

01:29:24,110 --> 01:29:21,600

looking up at a big black triangle and

2374

01:29:25,790 --> 01:29:24,120

he's looking at it with them uh just

2375

01:29:28,129 --> 01:29:25,800

before hummingbay now we don't know

2376

01:29:30,709 --> 01:29:28,139

whether they got stopped after that or

2377

01:29:32,689 --> 01:29:30,719

before that there's absolutely tons to

2378

01:29:34,510 --> 01:29:32,699

hummingbree uh just like there is to

2379

01:29:37,189 --> 01:29:34,520

Will's thought and

2380

01:29:38,750 --> 01:29:37,199

1998 that Hillside that we were on about

2381

01:29:41,030 --> 01:29:38,760

at Benton

2382

01:29:43,910 --> 01:29:41,040

Rock Anglers claimed that a UFO landed

2383

01:29:47,030 --> 01:29:43,920

on the hillside they call it a spaceship

2384

01:29:50,030 --> 01:29:47,040

that that's 1998. coast guards at

2385

01:29:51,649 --> 01:29:50,040

hornsey 1998 when we think it's

2386

01:29:53,570 --> 01:29:51,659

connected to home but we haven't got a

2387

01:29:55,850 --> 01:29:53,580

date I've spoke to the actual Coast

2388

01:29:57,110 --> 01:29:55,860

Guard driving into work says that he

2389

01:29:58,729 --> 01:29:57,120

stopped we're a military roadblock

2390

01:30:01,370 --> 01:29:58,739

where's haunted compared to home and be

2391

01:30:03,950 --> 01:30:01,380

about 15 miles away maybe 16 miles away

2392

01:30:05,990 --> 01:30:03,960

as the crow flies and he says there's a

2393

01:30:08,330 --> 01:30:06,000

big triangle hovering in a field that's

2394

01:30:11,330 --> 01:30:08,340

a coast guard retired now and I've spoke

2395

01:30:13,970 --> 01:30:11,340

to him uh

2396

01:30:16,430 --> 01:30:13,980

we think it's it's 1998 but we don't

2397

01:30:18,470 --> 01:30:16,440

know if it's August 1998.

2398

01:30:21,709 --> 01:30:18,480

prolific year for UFO related

2399

01:30:24,410 --> 01:30:21,719

information well on sightings and other

2400

01:30:26,890 --> 01:30:24,420

bits and bats thanks for summarizing

2401

01:30:29,209 --> 01:30:26,900

that I know it's a big story

2402

01:30:31,090 --> 01:30:29,219

two or three hours

2403

01:30:32,870 --> 01:30:31,100

I love the fact though that you got

2404

01:30:35,270 --> 01:30:32,880

two-thirds of the way through it and

2405

01:30:36,830 --> 01:30:35,280

then said and then it gets odd uh given

2406

01:30:38,810 --> 01:30:36,840

what you just talked about beforehand as

2407

01:30:40,729 --> 01:30:38,820

well it's just it's fascinating so yeah

2408

01:30:42,169 --> 01:30:40,739

thanks for that and again people I

2409

01:30:43,910 --> 01:30:42,179

recommend you do pick up the books to

2410

01:30:45,470 --> 01:30:43,920

hear these more and see read these in

2411

01:30:46,790 --> 01:30:45,480

more detail as well

2412

01:30:48,470 --> 01:30:46,800

um a couple of last questions from

2413

01:30:50,090 --> 01:30:48,480

listeners we've got Rachel over on

2414

01:30:52,129 --> 01:30:50,100

YouTube and again thank you to all the

2415

01:30:54,110 --> 01:30:52,139

YouTube viewers so hi because you can

2416

01:30:56,390 --> 01:30:54,120

actually see this and to those that are

2417

01:30:58,729 --> 01:30:56,400

now sending questions through as well

2418

01:31:00,350 --> 01:30:58,739

um could I ask if Paul has ever

2419

01:31:02,149 --> 01:31:00,360

considered hypnotic regression

2420

01:31:04,729 --> 01:31:02,159

concerning his memories of possible

2421

01:31:07,790 --> 01:31:04,739

alien encounters

2422

01:31:10,729 --> 01:31:07,800

no I haven't to be honest uh

2423

01:31:12,649 --> 01:31:10,739

I I well say no and then I contradict

2424

01:31:14,689 --> 01:31:12,659

myself I spoke about it once to a guy

2425

01:31:16,129 --> 01:31:14,699

called Derek Tyler he's I don't know if

2426

01:31:17,149 --> 01:31:16,139

anybody I recommend that you try and get

2427

01:31:18,770 --> 01:31:17,159

him on your show he's really

2428

01:31:23,810 --> 01:31:18,780

knowledgeable really interesting guy

2429

01:31:26,570 --> 01:31:23,820

Derek Tyler American guy his role alien

2430

01:31:28,490 --> 01:31:26,580

paradigm shift and he's wrote Alien

2431

01:31:30,410 --> 01:31:28,500

something the difficult truth I'll get

2432

01:31:32,930 --> 01:31:30,420

you the names Andy and he spoke it

2433

01:31:35,090 --> 01:31:32,940

contacting the desert as well and and

2434

01:31:37,070 --> 01:31:35,100

Derek kind of said something that rang

2435

01:31:38,450 --> 01:31:37,080

rang home to me said well he said you

2436

01:31:40,270 --> 01:31:38,460

know you might not be able to remember

2437

01:31:42,830 --> 01:31:40,280

he said because

2438

01:31:45,229 --> 01:31:42,840

you might not want to remember you might

2439

01:31:47,390 --> 01:31:45,239

not you know you might not need to

2440

01:31:49,370 --> 01:31:47,400

remember the stuff that could come back

2441

01:31:50,990 --> 01:31:49,380

to you but I don't want anything to turn

2442

01:31:53,209 --> 01:31:51,000

to either to a person who asked that

2443

01:31:55,910 --> 01:31:53,219

question because it would have been so

2444

01:31:59,330 --> 01:31:55,920

easy to write write night people and and

2445

01:32:01,070 --> 01:31:59,340

kind of lie and fill in but all I've got

2446

01:32:02,510 --> 01:32:01,080

is my dad waking me up for that first

2447

01:32:04,430 --> 01:32:02,520

account and looking at a spirit of light

2448

01:32:06,110 --> 01:32:04,440

going through along rooftops at

2449

01:32:07,970 --> 01:32:06,120

mexborough I've not said in that night

2450

01:32:10,189 --> 01:32:07,980

then aliens came and stuff like that

2451
01:32:12,169 --> 01:32:10,199
because I haven't sometime after child

2452
01:32:14,990 --> 01:32:12,179
don't write a diary

2453
01:32:18,050 --> 01:32:15,000
as in the curtains you know you know and

2454
01:32:19,550 --> 01:32:18,060
just loads of cameos of events I haven't

2455
01:32:20,930 --> 01:32:19,560
considered that and I don't think I

2456
01:32:23,149 --> 01:32:20,940
would thank you

2457
01:32:24,530 --> 01:32:23,159
no that's that's fair it's it's not a

2458
01:32:26,629 --> 01:32:24,540
nice thing to potentially have to go

2459
01:32:28,970 --> 01:32:26,639
through and you mentioned Whitley stuber

2460
01:32:31,189 --> 01:32:28,980
and his hypnotic regression tapes are

2461
01:32:33,229 --> 01:32:31,199
available on his website and those are

2462
01:32:36,350 --> 01:32:33,239
horrifying just the screams alone that

2463
01:32:37,790 --> 01:32:36,360

come through so it's quite an intimate

2464

01:32:39,430 --> 01:32:37,800

thing and I know we're probably tight

2465

01:32:41,570 --> 01:32:39,440

for time but you know

2466

01:32:42,890 --> 01:32:41,580

lots of the names but both my grand

2467

01:32:44,750 --> 01:32:42,900

grandsons have had some strange

2468

01:32:46,250 --> 01:32:44,760

experiences and my daughters have

2469

01:32:48,050 --> 01:32:46,260

allowed me to record them and they don't

2470

01:32:49,070 --> 01:32:48,060

remember now these are little little

2471

01:32:51,649 --> 01:32:49,080

children

2472

01:32:53,750 --> 01:32:51,659

uh I'll give you an example

2473

01:32:56,930 --> 01:32:53,760

I've got son-in-law and daughter

2474

01:32:57,890 --> 01:32:56,940

teachers no that means bugger all in

2475

01:32:59,290 --> 01:32:57,900

grand scheme of things but the

2476

01:33:01,790 --> 01:32:59,300

responsible jobs

2477

01:33:03,649 --> 01:33:01,800

bedroom floor Bang

2478

01:33:05,810 --> 01:33:03,659

this fell out of bed again

2479

01:33:07,729 --> 01:33:05,820

fell out of bed again the goal will call

2480

01:33:09,410 --> 01:33:07,739

him John I think I've named him in book

2481

01:33:11,570 --> 01:33:09,420

anyway but and they know I've wrote

2482

01:33:13,910 --> 01:33:11,580

about him I did get permission I didn't

2483

01:33:16,430 --> 01:33:13,920

just do it that's fine put him back in

2484

01:33:18,410 --> 01:33:16,440

bed and he gets to Edge at bed

2485

01:33:20,270 --> 01:33:18,420

why don't you sleep in middle of bed

2486

01:33:22,189 --> 01:33:20,280

what's the matter with you where and all

2487

01:33:24,470 --> 01:33:22,199

his toys are lined up on wall along

2488

01:33:26,330 --> 01:33:24,480

beside that bed I used to do this action

2489

01:33:27,950 --> 01:33:26,340

meant everything to stop him

2490

01:33:29,270 --> 01:33:27,960

you don't know any of this he wouldn't

2491

01:33:31,550 --> 01:33:29,280

he wouldn't he wouldn't have even

2492

01:33:34,669 --> 01:33:31,560

watched a film about aliens or anything

2493

01:33:37,129 --> 01:33:34,679

you know the real careful way and they

2494

01:33:38,689 --> 01:33:37,139

asked him why why his dad Nick I says

2495

01:33:40,310 --> 01:33:38,699

why are you why are you sleeping on edge

2496

01:33:41,570 --> 01:33:40,320

at bed you keep falling out it's because

2497

01:33:43,610 --> 01:33:41,580

of the man

2498

01:33:45,410 --> 01:33:43,620

I said what do you mean the man it comes

2499

01:33:47,930 --> 01:33:45,420

through a hole in the wall

2500

01:33:49,970 --> 01:33:47,940

and he picks me up and he tries to eat

2501

01:33:52,129 --> 01:33:49,980

me but he doesn't eat me and we shoot

2502

01:33:54,709 --> 01:33:52,139

down throw the hole in the wall

2503

01:33:56,450 --> 01:33:54,719

this is a little boy we're not five year

2504

01:33:58,669 --> 01:33:56,460

old I think you were about four four

2505

01:34:00,950 --> 01:33:58,679

years old and he's talking about this

2506

01:34:03,050 --> 01:34:00,960

then we've got other one who's shouting

2507

01:34:03,950 --> 01:34:03,060

for his sisters or you know another

2508

01:34:06,530 --> 01:34:03,960

daughter

2509

01:34:07,370 --> 01:34:06,540

it says there's two two blue men in his

2510

01:34:13,070 --> 01:34:07,380

room

2511

01:34:15,229 --> 01:34:13,080

and this happened over a couple of days

2512

01:34:17,209 --> 01:34:15,239

and I spoke to him about it and he said

2513

01:34:19,550 --> 01:34:17,219

they float me I said what do you mean

2514

01:34:21,770 --> 01:34:19,560

they float me they float me and I say on

2515

01:34:24,950 --> 01:34:21,780

this recording and nobody's ever heard

2516

01:34:26,450 --> 01:34:24,960

recordings I say for anybody who's who's

2517

01:34:28,370 --> 01:34:26,460

interested I was listening to this he's

2518

01:34:30,229 --> 01:34:28,380

pointing to the light bulb

2519

01:34:32,510 --> 01:34:30,239

that's an it's saying they float because

2520

01:34:35,570 --> 01:34:32,520

in real sort of

2521

01:34:37,729 --> 01:34:35,580

real poor vocabulary vocabulary this

2522

01:34:40,550 --> 01:34:37,739

little lad uh he likes to play out other

2523

01:34:42,229 --> 01:34:40,560

ones quite switched on he's not Daft but

2524

01:34:43,850 --> 01:34:42,239

he likes to play out in just a boy's

2525

01:34:46,490 --> 01:34:43,860

things you know they float me but these

2526

01:34:48,350 --> 01:34:46,500

were little Lads four-year-old and uh

2527

01:34:50,870 --> 01:34:48,360

there's no there's no memory of it now

2528

01:34:53,209 --> 01:34:50,880

do you know what I mean absolutely no

2529

01:34:54,350 --> 01:34:53,219

memory of it right at all we didn't

2530

01:34:56,570 --> 01:34:54,360

intend to get to that because you're

2531

01:34:58,490 --> 01:34:56,580

asking questions so sorry Andy no no

2532

01:35:00,350 --> 01:34:58,500

that that's that's fair and again see as

2533

01:35:02,149 --> 01:35:00,360

a father like that's that's a terrifying

2534

01:35:04,370 --> 01:35:02,159

thing and to some people and with an

2535

01:35:06,590 --> 01:35:04,380

interest in the UFO subject any sort of

2536

01:35:08,450 --> 01:35:06,600

abduction of experience it's just a

2537

01:35:10,610 --> 01:35:08,460

story and it's it's dismissive and

2538

01:35:12,590 --> 01:35:10,620

that's fine because I saw

2539

01:35:13,790 --> 01:35:12,600

a so little hard concrete evidence

2540

01:35:17,330 --> 01:35:13,800

unless you've gone through it yourself

2541

01:35:19,129 --> 01:35:17,340

so some of his like myself have never

2542

01:35:21,169 --> 01:35:19,139

had those experiences but are happy to

2543

01:35:23,810 --> 01:35:21,179

to take that testimony in the story at

2544

01:35:25,370 --> 01:35:23,820

face value and listen to those and as a

2545

01:35:26,629 --> 01:35:25,380

father that's horrifying to Think You

2546

01:35:28,129 --> 01:35:26,639

Know That Someone's Child could go

2547

01:35:29,990 --> 01:35:28,139

through that let alone a grown a grown

2548

01:35:31,189 --> 01:35:30,000

adult you know so thanks for sharing

2549

01:35:33,229 --> 01:35:31,199

that as well

2550

01:35:35,629 --> 01:35:33,239

um and finally a question from read

2551
01:35:37,729 --> 01:35:35,639
speed over on YouTube Paul and another

2552
01:35:39,950 --> 01:35:37,739
researcher witnessed a light orb or

2553
01:35:41,570 --> 01:35:39,960
plasma phenomena on an operation in the

2554
01:35:43,370 --> 01:35:41,580
UK and I'd like to hear a little bit

2555
01:35:44,629 --> 01:35:43,380
more on your thoughts of what these

2556
01:35:46,729 --> 01:35:44,639
could be

2557
01:35:50,030 --> 01:35:46,739
so we're talking about I believe you're

2558
01:35:52,669 --> 01:35:50,040
talking about the the light yeah the the

2559
01:35:58,310 --> 01:35:52,679
light form that I saw with Lee Haywood

2560
01:36:01,310 --> 01:35:58,320
uh on November the 14th 2019.

2561
01:36:03,430 --> 01:36:01,320
I don't know uh my thoughts what they

2562
01:36:05,750 --> 01:36:03,440
could be it

2563
01:36:07,550 --> 01:36:05,760

some people when I say it's a portal

2564

01:36:09,110 --> 01:36:07,560

this thing was huge it's the most

2565

01:36:12,770 --> 01:36:09,120

spectacular thing I've ever seen on The

2566

01:36:15,350 --> 01:36:12,780

Cliff tops of standby saying it uh Lee

2567

01:36:17,390 --> 01:36:15,360

could be found on social media you could

2568

01:36:19,129 --> 01:36:17,400

ask him he's a real articulate guy so

2569

01:36:21,110 --> 01:36:19,139

you know I'm not I'm not embellishing

2570

01:36:23,270 --> 01:36:21,120

what we saw I'm setting the camera up on

2571

01:36:24,709 --> 01:36:23,280

Cliff tops looking out to see to try and

2572

01:36:27,229 --> 01:36:24,719

film these are what we call the life

2573

01:36:28,790 --> 01:36:27,239

forms intelligent light forms I turn

2574

01:36:31,310 --> 01:36:28,800

around and just in front of the Hill

2575

01:36:33,590 --> 01:36:31,320

that we've just been talking about in

2576

01:36:35,510 --> 01:36:33,600

the field with us is a huge sphere of

2577

01:36:37,430 --> 01:36:35,520

light Lee said the influence that the

2578

01:36:40,310 --> 01:36:37,440

light with giving off was about the size

2579

01:36:42,410 --> 01:36:40,320

of a Volkswagen vehicle it was huge

2580

01:36:43,310 --> 01:36:42,420

and as fast as I'm bringing this camera

2581

01:36:46,250 --> 01:36:43,320

around

2582

01:36:47,870 --> 01:36:46,260

it's just when it's gone

2583

01:36:50,209 --> 01:36:47,880

and uh

2584

01:36:51,830 --> 01:36:50,219

I don't know uh you I mean you touched

2585

01:36:54,229 --> 01:36:51,840

on it earlier I think that I think that

2586

01:36:56,990 --> 01:36:54,239

these things can just enter our sphere

2587

01:36:58,070 --> 01:36:57,000

of existence and exit our sphere of

2588

01:37:01,250 --> 01:36:58,080

existence

2589

01:37:04,490 --> 01:37:01,260

I wouldn't say at will but uh whenever

2590

01:37:05,990 --> 01:37:04,500

they want basically and once again to

2591

01:37:07,970 --> 01:37:06,000

the person who asked the question I do

2592

01:37:09,350 --> 01:37:07,980

apologize because I've I've not answered

2593

01:37:11,689 --> 01:37:09,360

your question adequately I think there's

2594

01:37:14,209 --> 01:37:11,699

loads of people out there you know where

2595

01:37:15,410 --> 01:37:14,219

who do answer the questions adequately

2596

01:37:17,510 --> 01:37:15,420

but I don't think they know what they're

2597

01:37:19,129 --> 01:37:17,520

talking about does that and that's not

2598

01:37:20,810 --> 01:37:19,139

no I'm not throwing insults out at

2599

01:37:23,450 --> 01:37:20,820

people I just think that there's too

2600

01:37:25,189 --> 01:37:23,460

many people will be able to I know

2601

01:37:27,590 --> 01:37:25,199

what's happening I'll tell you what's

2602

01:37:30,649 --> 01:37:27,600

happening I know this and you don't know

2603

01:37:32,930 --> 01:37:30,659

nothing I don't if you did we'd all be

2604

01:37:35,629 --> 01:37:32,940

listening to you today or we'd all be

2605

01:37:37,550 --> 01:37:35,639

sort of dotting on every word you say and

2606

01:37:39,229 --> 01:37:37,560

as I say that I'm not labeling anybody

2607

01:37:41,510 --> 01:37:39,239

in that but a lot of the questions that

2608

01:37:42,770 --> 01:37:41,520

I'm asked I am unable to answer because

2609

01:37:45,890 --> 01:37:42,780

I don't think I've got any more

2610

01:37:47,450 --> 01:37:45,900

knowledge than you guys

2611

01:37:48,770 --> 01:37:47,460

and you know what I think people will

2612

01:37:50,629 --> 01:37:48,780

appreciate the way you're being honest

2613

01:37:51,890 --> 01:37:50,639

rather than you could embellish and you

2614

01:37:53,930 --> 01:37:51,900

could make something up and you could

2615

01:37:55,729 --> 01:37:53,940

you could expand on it but you know that

2616

01:37:56,930 --> 01:37:55,739

give me a message you know what I mean

2617

01:37:58,610 --> 01:37:56,940

some people say when I got this message

2618

01:38:00,169 --> 01:37:58,620

and they've told me where they're from

2619

01:38:01,850 --> 01:38:00,179

but I'd rather not say at this moment

2620

01:38:03,770 --> 01:38:01,860

but they have told me

2621

01:38:06,770 --> 01:38:03,780

yeah that'll be in the next book yeah

2622

01:38:10,370 --> 01:38:08,390

um listen just before we go I want to

2623

01:38:12,110 --> 01:38:10,380

touch on a few things on a quick fire

2624

01:38:13,370 --> 01:38:12,120

round I've not had done this for quite a

2625

01:38:15,950 --> 01:38:13,380

while but I'd like to bring it back for

2626

01:38:17,750 --> 01:38:15,960

2023 it's very popular and I've done a

2627

01:38:19,189 --> 01:38:17,760

quick fire Omnibus for a few folks over

2628

01:38:20,750 --> 01:38:19,199

the last couple of weeks well I've took

2629

01:38:22,850 --> 01:38:20,760

my little break that was very popular as

2630

01:38:24,590 --> 01:38:22,860

well so thanks for all the nice feedback

2631

01:38:26,030 --> 01:38:24,600

on that if you've not heard it go back

2632

01:38:27,950 --> 01:38:26,040

and listen folks because there was a lot

2633

01:38:29,930 --> 01:38:27,960

of old interviewers where guests get to

2634

01:38:31,910 --> 01:38:29,940

fire through a few topics we didn't get

2635

01:38:34,430 --> 01:38:31,920

into in the body of the interview

2636

01:38:35,930 --> 01:38:34,440

um for this Paul is few words or as much

2637

01:38:37,729 --> 01:38:35,940

as you want to say on each of these

2638

01:38:39,229 --> 01:38:37,739

usually a few sentences at most just

2639

01:38:40,610 --> 01:38:39,239

with time constraints

2640

01:38:42,890 --> 01:38:40,620

um the first one being the rendition

2641

01:38:45,050 --> 01:38:42,900

encounter what are your thoughts

2642

01:38:46,510 --> 01:38:45,060

something happened where I doubt I think

2643

01:38:49,850 --> 01:38:46,520

something happened

2644

01:38:52,490 --> 01:38:49,860

I've spoke to Brenda Butler

2645

01:38:53,750 --> 01:38:52,500

on on many occasions I spoke to a

2646

01:38:55,790 --> 01:38:53,760

Lighthouse Keeper who was actually

2647

01:38:58,910 --> 01:38:55,800

working there from flambrehead where I

2648

01:39:00,470 --> 01:38:58,920

am now I've spoke to Colonel Holt quite

2649

01:39:03,110 --> 01:39:00,480

extensively

2650

01:39:04,790 --> 01:39:03,120

they it wasn't a lighthouse that they

2651
01:39:07,310 --> 01:39:04,800
saw flashing through that forest in my

2652
01:39:10,430 --> 01:39:07,320
opinion I've also spoke to a British

2653
01:39:13,010 --> 01:39:10,440
radar operator who was on the base very

2654
01:39:16,490 --> 01:39:13,020
close to I think it was from Watton RAF

2655
01:39:18,950 --> 01:39:16,500
Watton and a face-to-face meeting where

2656
01:39:21,169 --> 01:39:18,960
the Americans he told me came a few days

2657
01:39:23,930 --> 01:39:21,179
after the alleged rendlesham Forest

2658
01:39:25,610 --> 01:39:23,940
encounter and took away their tapes and

2659
01:39:27,350 --> 01:39:25,620
they were told never to speak about what

2660
01:39:29,030 --> 01:39:27,360
they'd witnessed because they'd seen

2661
01:39:30,950 --> 01:39:29,040
these objects as well

2662
01:39:32,450 --> 01:39:30,960
I've tried to line him up with Colonel

2663
01:39:34,550 --> 01:39:32,460

Holt because he were in conjunction when

2664

01:39:36,290 --> 01:39:34,560

Hulk came through to the UK and we both

2665

01:39:38,750 --> 01:39:36,300

spoke at a conference and he wouldn't

2666

01:39:40,550 --> 01:39:38,760

Speak to him but I still think there's a

2667

01:39:42,649 --> 01:39:40,560

possibility that could happen this guy

2668

01:39:44,149 --> 01:39:42,659

had just had a major operation

2669

01:39:46,010 --> 01:39:44,159

and they lived about six miles from me

2670

01:39:48,169 --> 01:39:46,020

which is uncanny you know

2671

01:39:49,669 --> 01:39:48,179

your thoughts on the deck Montwood's

2672

01:39:52,010 --> 01:39:49,679

incident

2673

01:39:54,169 --> 01:39:52,020

once again I know this is Malcolm

2674

01:39:55,669 --> 01:39:54,179

Robinson's uh he's done a lot of

2675

01:39:57,830 --> 01:39:55,679

research on it

2676

01:39:59,390 --> 01:39:57,840

I don't know enough about the deck Mount

2677

01:40:00,770 --> 01:39:59,400

Woods I'm glad you could pronounce that

2678

01:40:03,169 --> 01:40:00,780

because I had said Derma or something

2679

01:40:05,530 --> 01:40:03,179

silly but I don't know enough about it

2680

01:40:08,810 --> 01:40:05,540

but I would imagine that this this

2681

01:40:10,490 --> 01:40:08,820

incident something happened but other

2682

01:40:13,010 --> 01:40:10,500

than just saying that I haven't got

2683

01:40:14,689 --> 01:40:13,020

enough knowledge to to comment I'm sorry

2684

01:40:16,250 --> 01:40:14,699

no that's fine and if anyone wants to

2685

01:40:17,689 --> 01:40:16,260

hear more on that I interviewed Malcolm

2686

01:40:19,370 --> 01:40:17,699

Robinson and we touched on it at that

2687

01:40:21,890 --> 01:40:19,380

time as well and you can go back into

2688

01:40:24,290 --> 01:40:21,900

the archives and the Calvin photograph

2689

01:40:26,570 --> 01:40:24,300

which of course in 2022 we saw the

2690

01:40:28,310 --> 01:40:26,580

original print of the photograph what is

2691

01:40:29,390 --> 01:40:28,320

your thoughts on on what's contained

2692

01:40:31,310 --> 01:40:29,400

within it

2693

01:40:34,010 --> 01:40:31,320

well it's an incredible photograph it's

2694

01:40:35,689 --> 01:40:34,020

just a Pity that the people alleged who

2695

01:40:38,090 --> 01:40:35,699

allegedly took the photograph have not

2696

01:40:39,830 --> 01:40:38,100

come forward to add a bit of validity

2697

01:40:41,629 --> 01:40:39,840

because I know that

2698

01:40:43,490 --> 01:40:41,639

some better thinking Minds than myself

2699

01:40:44,930 --> 01:40:43,500

have said that this is a reflection and

2700

01:40:47,570 --> 01:40:44,940

it doesn't make you pause for thought

2701

01:40:50,090 --> 01:40:47,580

that it's a plum Bob all sorts of

2702

01:40:52,490 --> 01:40:50,100

suggestions to what it could be

2703

01:40:55,010 --> 01:40:52,500

I don't know I don't know not being very

2704

01:40:57,229 --> 01:40:55,020

good here am I no that's fine I'd rather

2705

01:40:59,209 --> 01:40:57,239

get honesty I'll tell you what I'd like

2706

01:41:01,669 --> 01:40:59,219

to say it's a plug for night people

2707

01:41:03,950 --> 01:41:01,679

Malcolm Robinson says that night people

2708

01:41:05,810 --> 01:41:03,960

is the best book on alien abduction he's

2709

01:41:07,970 --> 01:41:05,820

ever read

2710

01:41:09,950 --> 01:41:07,980

and and that's uh that's Hefty praise

2711

01:41:11,930 --> 01:41:09,960

and Malcolm is a good guest as well back

2712

01:41:15,189 --> 01:41:11,940

in the day I think that was 2021 I spoke

2713

01:41:18,709 --> 01:41:17,510

it's like the old for any this is a

2714

01:41:20,390 --> 01:41:18,719

niche reference between the Allen

2715

01:41:22,430 --> 01:41:20,400

Partridge fans but he's got his

2716

01:41:24,110 --> 01:41:22,440

autobiography and he says uh lovely

2717

01:41:27,050 --> 01:41:24,120

stuff not my words the words of shaking

2718

01:41:29,830 --> 01:41:27,060

Stevens so yeah I I don't often get to

2719

01:41:33,050 --> 01:41:29,840

quote Alan Partridge on the podcast

2720

01:41:34,250 --> 01:41:33,060

more often yeah yeah I will I will back

2721

01:41:37,609 --> 01:41:34,260

of the net

2722

01:41:39,770 --> 01:41:37,619

um uh do you prefer the term UFO or UAP

2723

01:41:42,530 --> 01:41:39,780

don't mind we're talking about the same

2724

01:41:44,149 --> 01:41:42,540

thing aren't we uh I probably not not an

2725

01:41:47,510 --> 01:41:44,159

old school but probably because I've

2726

01:41:49,370 --> 01:41:47,520

used UFOs so much I'd still continue to

2727

01:41:51,109 --> 01:41:49,380

use UFO but I've no have nothing against

2728

01:41:53,330 --> 01:41:51,119

it it's a bit like

2729

01:41:55,609 --> 01:41:53,340

werewolf dog man is as though as though

2730

01:41:57,229 --> 01:41:55,619

it as though we have to sort of be in

2731

01:41:59,629 --> 01:41:57,239

one camp or other I think ultimately

2732

01:42:01,189 --> 01:41:59,639

we're dealing with same thing

2733

01:42:04,910 --> 01:42:01,199

and finally what does the word

2734

01:42:11,629 --> 01:42:07,490

not a lot if we're not gonna get it

2735

01:42:16,550 --> 01:42:14,629

I don't know are we gonna get disclosure

2736

01:42:19,490 --> 01:42:16,560

I know we touched on the fact earlier

2737

01:42:21,770 --> 01:42:19,500

you know now that America the American

2738

01:42:24,229 --> 01:42:21,780

powers that we are talking more openly

2739

01:42:25,729 --> 01:42:24,239

about the subjects in the UK will it

2740

01:42:28,070 --> 01:42:25,739

will it snowball and will we get that

2741

01:42:29,990 --> 01:42:28,080

knock on effect will that be disclosure

2742

01:42:31,550 --> 01:42:30,000

will we ever get disclosure I don't know

2743

01:42:33,350 --> 01:42:31,560

I think they just keep moving the goal

2744

01:42:34,790 --> 01:42:33,360

posts I think you know they'll just make

2745

01:42:37,490 --> 01:42:34,800

them a little bit wider they're just

2746

01:42:39,229 --> 01:42:37,500

telling us what we need to know so I

2747

01:42:42,290 --> 01:42:39,239

think depending on what America the

2748

01:42:46,070 --> 01:42:42,300

Americans disclose

2749

01:42:47,090 --> 01:42:46,080

will sort of have a knock-on effect to

2750

01:42:49,850 --> 01:42:47,100

what

2751

01:42:51,410 --> 01:42:49,860

how far we go with the subject uh

2752

01:42:54,530 --> 01:42:51,420

whether we ever get full disclosure I

2753

01:42:56,209 --> 01:42:54,540

don't know do we need full disclosure uh

2754

01:42:58,370 --> 01:42:56,219

you know when when there's enough people

2755

01:43:00,109 --> 01:42:58,380

out there that all know that there's

2756

01:43:02,870 --> 01:43:00,119

some reality to what we're dealing with

2757

01:43:06,050 --> 01:43:02,880

do we actually need a go do I need a

2758

01:43:07,850 --> 01:43:06,060

government an elite power from anywhere

2759

01:43:09,350 --> 01:43:07,860

in the world to tell me what I

2760

01:43:12,770 --> 01:43:09,360

experienced

2761

01:43:15,950 --> 01:43:12,780

or something else or to validate it for

2762

01:43:17,930 --> 01:43:15,960

me as in a way I suppose once again you

2763

01:43:20,270 --> 01:43:17,940

contradict yourself in a way it would it

2764

01:43:22,070 --> 01:43:20,280

would it would help if they did openly

2765

01:43:24,169 --> 01:43:22,080

come out and said you know we do believe

2766

01:43:26,629 --> 01:43:24,179

that people have had these experiences

2767

01:43:28,970 --> 01:43:26,639

for decades and decades and decades and

2768

01:43:31,310 --> 01:43:28,980

we do have proof of that at least

2769

01:43:32,810 --> 01:43:31,320

you know you could sort of what's the

2770

01:43:34,669 --> 01:43:32,820

word hold your head up and think well

2771

01:43:36,350 --> 01:43:34,679

you know when you snared and you left

2772

01:43:38,090 --> 01:43:36,360

and you thought this guy's talking what

2773

01:43:39,590 --> 01:43:38,100

a load of rubbish and you're not gonna

2774

01:43:40,970 --> 01:43:39,600

get it just for that just for myself

2775

01:43:42,830 --> 01:43:40,980

that would be the only way I'd look at

2776

01:43:43,910 --> 01:43:42,840

it whether we get disclosure I don't

2777

01:43:45,350 --> 01:43:43,920

know

2778

01:43:46,970 --> 01:43:45,360

there's a lot of different ways people

2779

01:43:49,370 --> 01:43:46,980

look at it and I thought this was really

2780

01:43:51,169 --> 01:43:49,380

interesting Peter lavender the author uh

2781

01:43:52,970 --> 01:43:51,179

alongside Tom DeLong of the secret

2782

01:43:55,010 --> 01:43:52,980

machines books

2783

01:43:56,830 --> 01:43:55,020

um he put a tweet yesterday to say

2784

01:43:59,510 --> 01:43:56,840

people really need to think about

2785

01:44:02,209 --> 01:43:59,520

disclosure or contact away from being

2786

01:44:03,890 --> 01:44:02,219

the old White House lawn landing and he

2787

01:44:06,169 --> 01:44:03,900

talked about what if one day the whole

2788

01:44:07,609 --> 01:44:06,179

world had the same dream you know some

2789

01:44:09,830 --> 01:44:07,619

intelligence through our Consciousness

2790

01:44:11,629 --> 01:44:09,840

reached in we all woke up and that was

2791

01:44:14,090 --> 01:44:11,639

it that was contact and that's how it

2792

01:44:16,129 --> 01:44:14,100

happened instead of that would be ship

2793

01:44:18,470 --> 01:44:16,139

lands yeah that would be fabulous and

2794

01:44:19,850 --> 01:44:18,480

and why and the White House lawn I know

2795

01:44:24,530 --> 01:44:19,860

that's a scenario that's been thrown out

2796

01:44:27,410 --> 01:44:24,540

lots of times but unless unless some

2797

01:44:29,570 --> 01:44:27,420

Elite empowering within the world know

2798

01:44:30,709 --> 01:44:29,580

the agenda and know exactly what these

2799

01:44:32,930 --> 01:44:30,719

things are

2800

01:44:34,990 --> 01:44:32,940

we've been very very

2801

01:44:38,090 --> 01:44:35,000

sort of I don't know we've been very

2802

01:44:40,370 --> 01:44:38,100

boastful thinking that they'd want to

2803

01:44:42,890 --> 01:44:40,380

land on White House lawn they seem to

2804

01:44:45,290 --> 01:44:42,900

choose the non-descript people why did

2805

01:44:47,990 --> 01:44:45,300

why did they choose a

2806

01:44:51,350 --> 01:44:48,000

uninteresting little boy in Old denaby

2807

01:44:53,270 --> 01:44:51,360

back in 1967. why are they why do they

2808

01:44:56,990 --> 01:44:53,280

choose people driving a lonely road up

2809

01:44:59,810 --> 01:44:57,000

somewhere in Scotland at 3am uh to to

2810

01:45:02,030 --> 01:44:59,820

make their presence known uh why do they

2811

01:45:05,090 --> 01:45:02,040

choose people

2812

01:45:07,250 --> 01:45:05,100

of of no real note and that's not to

2813

01:45:11,629 --> 01:45:07,260

knock the people to be the to be the

2814

01:45:14,810 --> 01:45:11,639

messenger of of to bring forward the

2815

01:45:18,250 --> 01:45:14,820

truth do they actually consider any us

2816

01:45:21,290 --> 01:45:18,260

to be anything other than I don't know

2817

01:45:23,629 --> 01:45:21,300

look upon us with the same kind of uh

2818

01:45:26,149 --> 01:45:23,639

intent as what they'd look on any animal

2819

01:45:28,729 --> 01:45:26,159

within the or insect within the the the

2820

01:45:30,950 --> 01:45:28,739

the the the planet Earth I don't know us

2821

01:45:33,590 --> 01:45:30,960

was that special really we might not be

2822

01:45:34,910 --> 01:45:33,600

we think

2823

01:45:36,410 --> 01:45:34,920

um one thing I want to touch on you've

2824

01:45:37,910 --> 01:45:36,420

mentioned a few times Paul I said we

2825

01:45:40,070 --> 01:45:37,920

would get it in at some point you've

2826

01:45:41,629 --> 01:45:40,080

mentioned wolf lands is a documentary

2827

01:45:42,649 --> 01:45:41,639

that you've been working on yeah can you

2828

01:45:44,510 --> 01:45:42,659

tell the listeners a little bit about

2829

01:45:46,790 --> 01:45:44,520

what that is and when that may be coming

2830

01:45:48,770 --> 01:45:46,800

out wolf lands is finished it's just

2831

01:45:50,209 --> 01:45:48,780

having the music added to it now it's as

2832

01:45:52,550 --> 01:45:50,219

I said it took us three years I know

2833

01:45:54,830 --> 01:45:52,560

kovid knocked it back a bit it's just

2834

01:45:56,990 --> 01:45:54,840

first-hand accounts of people within

2835

01:45:59,870 --> 01:45:57,000

Eastern North Yorkshire that's up as far

2836

01:46:01,550 --> 01:45:59,880

as skinning Grove uh which is on way up

2837

01:46:03,649 --> 01:46:01,560

from North Yorkshire Coastal claimed to

2838

01:46:06,890 --> 01:46:03,659

have seen something looking to a

2839

01:46:08,149 --> 01:46:06,900

werewolf and uh once again I never

2840

01:46:10,310 --> 01:46:08,159

thought I'd been going down this road

2841

01:46:12,410 --> 01:46:10,320

but I think it's Unique I don't think

2842

01:46:13,550 --> 01:46:12,420

there's been I suppose people would say

2843

01:46:15,830 --> 01:46:13,560

that but I've not been bragging about

2844

01:46:17,629 --> 01:46:15,840

the books like that I think wolf lands

2845

01:46:20,450 --> 01:46:17,639

is unique and when you see the amount of

2846

01:46:22,609 --> 01:46:20,460

work that's gone into it it's not just a

2847

01:46:24,470 --> 01:46:22,619

Talking Heads where people sit in a cafe

2848

01:46:25,970 --> 01:46:24,480

saying what they'd seen and then you get

2849

01:46:28,850 --> 01:46:25,980

a flashback to some plastic looking

2850

01:46:31,129 --> 01:46:28,860

monster in in the woods that we've we've

2851
01:46:34,129 --> 01:46:31,139
been in the forests we've tried the

2852
01:46:37,129 --> 01:46:34,139
footsteps of these people and and slept

2853
01:46:39,229 --> 01:46:37,139
nights in the forest with them and we've

2854
01:46:41,570 --> 01:46:39,239
got their accounts warts and all it's

2855
01:46:44,450 --> 01:46:41,580
just fabulous wolf lands is fabulous I'm

2856
01:46:46,070 --> 01:46:44,460
sorry for saying anymore no that's as

2857
01:46:47,390 --> 01:46:46,080
your work it's your it's your baby and

2858
01:46:49,189 --> 01:46:47,400
others that have put the hard work into

2859
01:46:50,390 --> 01:46:49,199
that as well when are we expecting that

2860
01:46:52,669 --> 01:46:50,400
to be released if you've got a rough

2861
01:46:54,410 --> 01:46:52,679
date I should think we're only probably

2862
01:46:57,709 --> 01:46:54,420
about a month away before we start

2863
01:46:59,330 --> 01:46:57,719

pitching it uh you know we'll see what

2864

01:47:00,950 --> 01:46:59,340

we can do with it first see whether we

2865

01:47:03,109 --> 01:47:00,960

don't know whether we'll manage to get

2866

01:47:05,270 --> 01:47:03,119

it on Netflix uh I've got a contact

2867

01:47:08,390 --> 01:47:05,280

that's that might be able to get get us

2868

01:47:09,770 --> 01:47:08,400

in there but we might not as well but

2869

01:47:11,689 --> 01:47:09,780

that's where we're gonna we're gonna

2870

01:47:13,790 --> 01:47:11,699

start there and we'll just we'll just go

2871

01:47:15,530 --> 01:47:13,800

with it but when I say

2872

01:47:17,629 --> 01:47:15,540

unless Drake's filmed wolf lands he's

2873

01:47:19,669 --> 01:47:17,639

been he's been instrumental in filming

2874

01:47:22,250 --> 01:47:19,679

it with me for the last three years so

2875

01:47:24,470 --> 01:47:22,260

it's well he's a it's a 50 50 Venture so

2876

01:47:26,689 --> 01:47:24,480

it's not just Paul Les has got involved

2877

01:47:28,609 --> 01:47:26,699

in it as well as Dre and if anybody

2878

01:47:30,709 --> 01:47:28,619

knowledge here

2879

01:47:31,970 --> 01:47:30,719

The Beatles wasn't just John Lennon and

2880

01:47:34,129 --> 01:47:31,980

Paul McCartney there was George and

2881

01:47:36,109 --> 01:47:34,139

Ringo as well yeah good point yeah

2882

01:47:37,189 --> 01:47:36,119

that's that's fair no lesson Paul you've

2883

01:47:38,510 --> 01:47:37,199

been great with your team this has been

2884

01:47:40,250 --> 01:47:38,520

well worth the wait I'm sure the

2885

01:47:41,990 --> 01:47:40,260

listeners have enjoyed it as well how

2886

01:47:43,629 --> 01:47:42,000

can people follow you how can they

2887

01:47:46,609 --> 01:47:43,639

follow your work and watch your channel

2888

01:47:48,950 --> 01:47:46,619

we've got a Truth uh YouTube channel

2889

01:47:51,050 --> 01:47:48,960

which is truth proof uh that we live

2890

01:47:53,810 --> 01:47:51,060

stream most Thursdays at seven o'clock

2891

01:47:56,330 --> 01:47:53,820

get a good interactive audiences over

2892

01:47:57,830 --> 01:47:56,340

200 in last week uh if anybody's

2893

01:48:00,109 --> 01:47:57,840

interested in the books the paperback

2894

01:48:03,169 --> 01:48:00,119

books can be found on the truthproof.uk

2895

01:48:05,090 --> 01:48:03,179

website the Kindle versions of the books

2896

01:48:07,550 --> 01:48:05,100

are on Amazon and you can also get the

2897

01:48:09,850 --> 01:48:07,560

books on eBay and anybody just wants to

2898

01:48:14,149 --> 01:48:09,860

find me Paul Sinclair

2899

01:48:17,030 --> 01:48:14,159

ilf gmail.com and I'd love to hear about

2900

01:48:19,129 --> 01:48:17,040

any accounts any strange stories if you

2901
01:48:20,689 --> 01:48:19,139
want to remain anonymous I'd still want

2902
01:48:22,070 --> 01:48:20,699
to hear about it if you never want me to

2903
01:48:24,050 --> 01:48:22,080
write about it I still want to hear

2904
01:48:26,030 --> 01:48:24,060
about it this is the nature of the game

2905
01:48:27,590 --> 01:48:26,040
I don't just want to listen to people's

2906
01:48:29,750 --> 01:48:27,600
accounts of the only ones I can write

2907
01:48:31,189 --> 01:48:29,760
about you know there's lots of people

2908
01:48:33,350 --> 01:48:31,199
out there that never want the names

2909
01:48:35,149 --> 01:48:33,360
mentioned or even talked about I'm sat

2910
01:48:38,270 --> 01:48:35,159
on a couple of really interesting cases

2911
01:48:39,950 --> 01:48:38,280
now which I will talk about them if I

2912
01:48:42,310 --> 01:48:39,960
get chance but I've got to have the nod

2913
01:48:44,390 --> 01:48:42,320

to do it foreign

2914

01:48:46,070 --> 01:48:44,400

that's great Paul listen it's been

2915

01:48:47,209 --> 01:48:46,080

wonderful speaking to you and like I

2916

01:48:48,609 --> 01:48:47,219

said I genuinely would love to have you

2917

01:48:51,770 --> 01:48:48,619

back on and in there

2918

01:48:53,629 --> 01:48:51,780

fabulous thank you brilliant that is all

2919

01:48:55,669 --> 01:48:53,639

for this week's show thank you very much

2920

01:48:57,830 --> 01:48:55,679

for listening please remember to leave

2921

01:49:00,590 --> 01:48:57,840

the podcast a review on your chosen

2922

01:49:02,390 --> 01:49:00,600

platform you can like retweet And

2923

01:49:04,490 --> 01:49:02,400

subscribe that would all be very much

2924

01:49:06,590 --> 01:49:04,500

appreciated the shows are being uploaded

2925

01:49:08,750 --> 01:49:06,600

onto YouTube as we speak more and more

2926
01:49:11,570 --> 01:49:08,760
you can sign up at patreon.com forward

2927
01:49:14,030 --> 01:49:11,580
slash that UFO podcast access it shows

2928
01:49:16,310 --> 01:49:14,040
ad free as well please get in touch on

2929
01:49:19,370 --> 01:49:16,320
Twitter Facebook Instagram that UFO

2930
01:49:22,790 --> 01:49:19,380
podcast of course on Twitter it's at UFO

2931
01:49:24,350 --> 01:49:22,800
UAP am and again folks as always keep

2932
01:49:27,229 --> 01:49:24,360
looking up you never know what you might

2933
01:49:27,239 --> 01:49:31,610
foreign

2934
01:50:00,350 --> 01:49:53,080
[Music]

2935
01:50:03,470 --> 01:50:01,609
to the game

2936
01:50:05,330 --> 01:50:03,480
it didn't matter I can't imagine how it

2937
01:50:07,850 --> 01:50:05,340
could have been any better I got to the

2938
01:50:17,570 --> 01:50:07,860

top of stairs like you awake I was not

2939

01:50:17,580 --> 01:50:34,250

myself

2940

01:50:50,290 --> 01:50:41,380

[Music]

2941

01:51:05,290 --> 01:50:52,610

over there

2942

01:51:05,300 --> 01:51:10,790

consider your space

2943

01:51:54,350 --> 01:51:19,910

[Music]

2944

01:51:54,360 --> 01:51:57,470

it's very
