delighted to finally be joined by a

5
00:00:20,210 --> 00:00:17,640
guest that I've wanted on the podcast

6
00:00:21,890 --> 00:00:20,220
for some time now among many of his

7
00:00:24,290 --> 00:00:21,900
accomplishments he is a writer and

8
00:00:26,990 --> 00:00:24,300
producer of many Fantastic TV series

9
00:00:29,150 --> 00:00:27,000
including the wonderful Dark Skies he is

10
00:00:31,370 --> 00:00:29,160
an author and now co-host with Ross

11
00:00:33,770 --> 00:00:31,380
kiltat on excellent need to know podcast

12
00:00:36,049 --> 00:00:33,780
I'd like to welcome Bryce Sable Bryce

13
00:00:38,090 --> 00:00:36,059

welcome hey thanks Annie it's a pleasure

14

00:00:40,430 --> 00:00:38,100

to be with you and and boy what

15

00:00:43,010 --> 00:00:40,440

interesting times we are living in huh

16

00:00:44,990 --> 00:00:43,020

is absolutely wild and a bit hard to

17

00:00:47,630 --> 00:00:45,000

keep up and my worry brace this is going

18

00:00:49,910 --> 00:00:47,640

to go on Monday the 20th of February for

19

00:00:52,010 --> 00:00:49,920

all the free platforms and I'm thinking

20

00:00:54,229 --> 00:00:52,020

in the next four days we could have full

21

00:00:57,250 --> 00:00:54,239

disclosure UFOs on the White House lawn

22

00:01:00,770 --> 00:00:57,260

and everything that entails you know

23

00:01:02,990 --> 00:01:00,780

we could I mean the thing is uh I

24

00:01:04,969 --> 00:01:03,000

remember when Richard Dolan and I were

25

00:01:07,250 --> 00:01:04,979

writing this book A.D after disclosure

26

00:01:08,990 --> 00:01:07,260

we would sit around well we basically

27

00:01:10,730 --> 00:01:09,000

had a whole year where we asked

28

00:01:12,410 --> 00:01:10,740

ourselves well what do you think might

29

00:01:14,810 --> 00:01:12,420

happen could this happen could that

30

00:01:17,690 --> 00:01:14,820

happen let me tell you the idea that we

31

00:01:21,530 --> 00:01:17,700

would shoot down four balloons or and or

32

00:01:23,570 --> 00:01:21,540

UAP in a row three of them on successive

33

00:01:26,030 --> 00:01:23,580

days that never came up in our

34

00:01:27,950 --> 00:01:26,040

conversations that that was a surprise

35

00:01:29,510 --> 00:01:27,960

and I think I think everybody in the

36

00:01:33,350 --> 00:01:29,520

world's been a little surprised by it

37

00:01:35,450 --> 00:01:33,360

it's just historic and weird and and the

38

00:01:36,950 --> 00:01:35,460

fact that it went unacknowledged sort of

39

00:01:40,010 --> 00:01:36,960

in a in a

40

00:01:42,289 --> 00:01:40,020

you know a public transparent way uh for

41

00:01:44,330 --> 00:01:42,299

even a little while was very strange

42

00:01:45,770 --> 00:01:44,340

well Bryce we'll we'll do this Topsy

43

00:01:47,210 --> 00:01:45,780

Turvy from the way I've written it we'll

44

00:01:49,010 --> 00:01:47,220

see if we get to some of the president's

45

00:01:50,990 --> 00:01:49,020

stuff just before we talk about modern

46

00:01:53,149 --> 00:01:51,000

day let's briefly tell some of the

47

00:01:55,370 --> 00:01:53,159

listeners who may be unfamiliar with

48

00:01:56,810 --> 00:01:55,380

yourself what's your background and how

49

00:01:59,149 --> 00:01:56,820

have you come to the point you've been

50

00:02:01,910 --> 00:01:59,159

so involved now in the UFO topic for for

51
00:02:04,850 --> 00:02:01,920
almost 30 years yeah well they pull you

52
00:02:07,310 --> 00:02:04,860
in don't they uh listen I started as a

53
00:02:09,290 --> 00:02:07,320
journalist I my my degree from the

54
00:02:12,410 --> 00:02:09,300
University of Oregon is in broadcast uh

55
00:02:14,089 --> 00:02:12,420
journalism and I work in television as

56
00:02:15,410 --> 00:02:14,099
an anchor and a reporter for a number of

57
00:02:17,690 --> 00:02:15,420
years including

58
00:02:19,610 --> 00:02:17,700
um CNN where I was a correspondent then

59
00:02:21,290 --> 00:02:19,620
I was an investigative reporter for a

60
00:02:24,589 --> 00:02:21,300
PBS show

61
00:02:26,809 --> 00:02:24,599
and um then because I was working in Los

62
00:02:28,369 --> 00:02:26,819
Angeles when that show got canceled I

63
00:02:30,710 --> 00:02:28,379

was thinking well I guess I'm gonna have

64

00:02:32,690 --> 00:02:30,720

to move I I guess I'll have to go get a

65

00:02:35,270 --> 00:02:32,700

gig somewhere else where they'll they'll

66

00:02:36,710 --> 00:02:35,280

hire me and my wife I wasn't married at

67

00:02:38,570 --> 00:02:36,720

the time said well maybe you should try

68

00:02:41,449 --> 00:02:38,580

writing so

69

00:02:43,490 --> 00:02:41,459

I tried writing a screenplay and it sold

70

00:02:45,229 --> 00:02:43,500

and they made 100 episodes of it up in

71

00:02:47,930 --> 00:02:45,239

Canada so I thought I will keep doing

72

00:02:50,330 --> 00:02:47,940

this as long as they keep paying me and

73

00:02:53,030 --> 00:02:50,340

here I am years later

74

00:02:55,970 --> 00:02:53,040

um the and and of course now I'm it's

75

00:02:59,509 --> 00:02:55,980

kind of strange because I've had all

76

00:03:02,449 --> 00:02:59,519

this television and film projects that

77

00:03:05,089 --> 00:03:02,459

are basically dramatic projects and now

78

00:03:07,790 --> 00:03:05,099

suddenly I'm doing this need to know uh

79

00:03:10,130 --> 00:03:07,800

broadcast with Ross coldheart which is

80

00:03:13,369 --> 00:03:10,140

basically journalism

81

00:03:15,890 --> 00:03:13,379

um and so I you know the pendulum swings

82

00:03:18,770 --> 00:03:15,900

here I am again and and I'm enjoying it

83

00:03:20,390 --> 00:03:18,780

I I and I and you know what we live in a

84

00:03:22,130 --> 00:03:20,400

time where you can do whatever you want

85

00:03:23,750 --> 00:03:22,140

to do you don't have to follow you don't

86

00:03:27,110 --> 00:03:23,760

have to say well this is the only path

87

00:03:29,030 --> 00:03:27,120

so yeah I'm still working on uh all of

88

00:03:32,270 --> 00:03:29,040

my dramatic projects and some of them

89

00:03:34,670 --> 00:03:32,280

many of them are UFO related and I'm

90

00:03:38,030 --> 00:03:34,680

enjoying them a lot but I I enjoy the

91

00:03:40,550 --> 00:03:38,040

the kind of uh journalistic uh kick that

92

00:03:43,550 --> 00:03:40,560

you get uh by being live I mean Ross and

93

00:03:46,789 --> 00:03:43,560

I did our our first live show last night

94

00:03:48,649 --> 00:03:46,799

yesterday and it was a little tense uh

95

00:03:51,229 --> 00:03:48,659

because you don't want to screw it up

96

00:03:52,850 --> 00:03:51,239

technically you've got people waiting to

97

00:03:55,369 --> 00:03:52,860

hear from you but it went pretty much

98

00:03:57,530 --> 00:03:55,379

without too many hitches and uh may do

99

00:04:00,530 --> 00:03:57,540

it again I there's just something about

100

00:04:02,570 --> 00:04:00,540

when uh when I started in in

101
00:04:04,430 --> 00:04:02,580
broadcasting I was an Anchorman well

102
00:04:06,229 --> 00:04:04,440
that's all live I mean you can record

103
00:04:07,729 --> 00:04:06,239
things in the field and come and edit

104
00:04:10,190 --> 00:04:07,739
them but if you're the anchor in the

105
00:04:13,550 --> 00:04:10,200
studio that's live TV baby you know and

106
00:04:15,289 --> 00:04:13,560
you you got to be able to hold forth and

107
00:04:17,210 --> 00:04:15,299
and and Ross of course has that same

108
00:04:18,409 --> 00:04:17,220
background so we kind of enjoyed just

109
00:04:20,330 --> 00:04:18,419
kicking it around we're a little

110
00:04:22,490 --> 00:04:20,340
unstructured but we try to get all the

111
00:04:24,530 --> 00:04:22,500
information and enjoy it so that's kind

112
00:04:26,810 --> 00:04:24,540
of my background now oh but just to

113
00:04:29,150 --> 00:04:26,820

throw in the a couple of the projects

114

00:04:31,070 --> 00:04:29,160

the first thing I ever wrote uh on this

115

00:04:32,870 --> 00:04:31,080

topic was called official denial and it

116

00:04:34,790 --> 00:04:32,880

became the Sci-Fi Channel's first

117

00:04:37,730 --> 00:04:34,800

original film and that was about an

118

00:04:41,629 --> 00:04:37,740

abductee and and frankly was a movie

119

00:04:43,430 --> 00:04:41,639

about shooting down a UFO and um and

120

00:04:45,170 --> 00:04:43,440

then the dark sky series you mentioned

121

00:04:47,030 --> 00:04:45,180

the first episode

122

00:04:49,010 --> 00:04:47,040

um or the second episode really was set

123

00:04:52,249 --> 00:04:49,020

at Roswell and it was about shooting

124

00:04:54,230 --> 00:04:52,259

down the Roswell UFO so I I the idea

125

00:04:56,090 --> 00:04:54,240

that the government and the military

126

00:04:57,650 --> 00:04:56,100

might try to bring one of them down is

127

00:04:59,870 --> 00:04:57,660

something I've been thinking about for

128

00:05:03,050 --> 00:04:59,880

as you mentioned a long time

129

00:05:05,090 --> 00:05:03,060

what's kept your interest so strong and

130

00:05:07,430 --> 00:05:05,100

your UFO connection because you've

131

00:05:10,550 --> 00:05:07,440

you've got a storied past in news

132

00:05:12,650 --> 00:05:10,560

journalism and then television and the

133

00:05:15,230 --> 00:05:12,660

stigma in the UFO topic must be massive

134

00:05:17,990 --> 00:05:15,240

even in those Industries still oh what's

135

00:05:21,230 --> 00:05:18,000

what's kept you so so involved well

136

00:05:23,689 --> 00:05:21,240

there is stigma uh and and the the thing

137

00:05:25,730 --> 00:05:23,699

I always say to people is when I began

138

00:05:27,469 --> 00:05:25,740

getting interested in this I was uh in

139

00:05:29,270 --> 00:05:27,479

my friends and family always treated me

140

00:05:32,029 --> 00:05:29,280

like the drunk uncle at the wedding it's

141

00:05:35,689 --> 00:05:32,039

like don't talk to you about UFOs to

142

00:05:37,310 --> 00:05:35,699

Bryce he'll go and uh that part I think

143

00:05:39,350 --> 00:05:37,320

is largely gone

144

00:05:40,670 --> 00:05:39,360

um I do find though that there are a lot

145

00:05:42,950 --> 00:05:40,680

of people that just don't want to talk

146

00:05:45,770 --> 00:05:42,960

about it it makes them uncomfortable my

147

00:05:48,050 --> 00:05:45,780

family my wife my my kids they all

148

00:05:50,450 --> 00:05:48,060

believe that this is a true and and

149

00:05:52,249 --> 00:05:50,460

authentic phenomena they just don't want

150

00:05:54,430 --> 00:05:52,259

to talk about it it makes them

151

00:05:57,590 --> 00:05:54,440

uncomfortable and I find that's that's

152

00:06:00,529 --> 00:05:57,600

common but you know to go to your

153

00:06:03,469 --> 00:06:00,539

question what's kept me in it what got

154

00:06:05,749 --> 00:06:03,479

me in it it's a giant mystery if if uh

155

00:06:07,310 --> 00:06:05,759

20 years ago the mystery had been solved

156

00:06:10,730 --> 00:06:07,320

I probably wouldn't be doing it right

157

00:06:13,430 --> 00:06:10,740

now but the mystery just keeps deepening

158

00:06:15,770 --> 00:06:13,440

the more I read the more questions I

159

00:06:17,990 --> 00:06:15,780

have the more people I talk to the more

160

00:06:20,270 --> 00:06:18,000

I need to call up somebody else and I've

161

00:06:22,490 --> 00:06:20,280

been trying uh for literally 30 years

162

00:06:24,050 --> 00:06:22,500

now trying to get my arms around this

163

00:06:27,290 --> 00:06:24,060

thing and understand it I mean one of

164

00:06:29,330 --> 00:06:27,300

the things that my co-creator Brent

165

00:06:32,210 --> 00:06:29,340

Friedman and I did on Dark Skies was we

166

00:06:33,830 --> 00:06:32,220

tried to be the unified field theory if

167

00:06:35,450 --> 00:06:33,840

you will of you followed you we were

168

00:06:37,909 --> 00:06:35,460

saying how can all this stuff be

169

00:06:41,270 --> 00:06:37,919

reconciled uh how can there be crop

170

00:06:43,730 --> 00:06:41,280

circles and animal mutilations and and

171

00:06:47,590 --> 00:06:43,740

you know and now these days how can we

172

00:06:50,210 --> 00:06:47,600

have uh hitchhikers and Skin Walkers and

173

00:06:53,150 --> 00:06:50,220

what is going on

174

00:06:54,770 --> 00:06:53,160

um I know enough now to be dangerous in

175

00:06:57,230 --> 00:06:54,780

speculation but I don't know the truth

176

00:06:58,909 --> 00:06:57,240

and I don't think very many people do

177

00:07:00,950 --> 00:06:58,919

well let's look at the last couple of

178

00:07:03,469 --> 00:07:00,960

weeks in to bring things up today

179

00:07:05,270 --> 00:07:03,479

um I doubt many people listening by now

180

00:07:07,189 --> 00:07:05,280

would know what's been going on it's

181

00:07:09,710 --> 00:07:07,199

made international news and that's not

182

00:07:11,570 --> 00:07:09,720

me overstating it it has a Chinese Bible

183

00:07:13,309 --> 00:07:11,580

and was downed and then there are

184

00:07:16,010 --> 00:07:13,319

reports that three other objects were

185

00:07:18,469 --> 00:07:16,020

shot down auditley shot at of various

186

00:07:20,330 --> 00:07:18,479

shapes and sizes first off why do you

187

00:07:21,710 --> 00:07:20,340

think Bryce this has played out so

188

00:07:25,070 --> 00:07:21,720

publicly

189

00:07:27,950 --> 00:07:25,080

that is I actually Annie that is one of

190

00:07:29,689 --> 00:07:27,960

the greatest questions because uh you

191

00:07:31,969 --> 00:07:29,699

could imagine that this might have

192

00:07:34,550 --> 00:07:31,979

happened before but the the government

193

00:07:36,110 --> 00:07:34,560

or the military might have thought well

194

00:07:38,749 --> 00:07:36,120

there's no reason anyone needs to know

195

00:07:40,969 --> 00:07:38,759

about this so we'll it's it's classified

196

00:07:43,610 --> 00:07:40,979

so you're right what is so different

197

00:07:45,650 --> 00:07:43,620

about this one I think it is clearly one

198

00:07:48,589 --> 00:07:45,660

of the

199

00:07:50,809 --> 00:07:48,599

first shoot Downs if not if not the

200

00:07:53,809 --> 00:07:50,819

shoot downs but the fact that they came

201

00:07:56,990 --> 00:07:53,819

day after day with no warning

202

00:07:59,210 --> 00:07:57,000

why uh why so public

203

00:08:01,610 --> 00:07:59,220

I haven't figured that one out yet I I

204

00:08:04,610 --> 00:08:01,620

could you know we can speculate I'm not

205

00:08:06,770 --> 00:08:04,620

really sure and I know uh as you said uh

206

00:08:10,189 --> 00:08:06,780

this show made air a little later than

207

00:08:11,990 --> 00:08:10,199

we're recording it uh as we recorded uh

208

00:08:15,469 --> 00:08:12,000

President Biden is scheduled to speak

209

00:08:17,510 --> 00:08:15,479

about it today I'm not overly optimistic

210

00:08:19,730 --> 00:08:17,520

that he's going to lay out anything that

211

00:08:21,529 --> 00:08:19,740

we don't know already I think he will

212

00:08:24,050 --> 00:08:21,539

pretty well lay out the the government

213

00:08:27,110 --> 00:08:24,060

line and um

214

00:08:29,570 --> 00:08:27,120

and and I I wish it was more I wish that

215

00:08:32,750 --> 00:08:29,580

he would use that opportunity the focus

216

00:08:35,570 --> 00:08:32,760

people have right now on the UAP issue

217

00:08:37,730 --> 00:08:35,580

and instead of saying yeah well it was

218

00:08:39,709 --> 00:08:37,740

Chinese and and other surveillance

219

00:08:41,690 --> 00:08:39,719

platforms and nothing to see here let's

220

00:08:43,730 --> 00:08:41,700

all just move on and know that we're

221

00:08:46,370 --> 00:08:43,740

working on it I mean this is an

222

00:08:49,550 --> 00:08:46,380

opportunity to expand uh the the

223

00:08:52,850 --> 00:08:49,560

dialogue I mean clearly UAP is not

224

00:08:55,370 --> 00:08:52,860

limited to Chinese balloons it is uh

225

00:08:59,389 --> 00:08:55,380

something that's been going on for a

226

00:09:03,470 --> 00:08:59,399

long long time and in modern times uh in

227

00:09:05,930 --> 00:09:03,480

great numbers since the 1940s so yeah

228

00:09:06,970 --> 00:09:05,940

why would they shoot these things down

229

00:09:13,250 --> 00:09:06,980

now

230

00:09:15,110 --> 00:09:13,260

ascribe a sort of a conspiratorial

231

00:09:16,910 --> 00:09:15,120

theory to it well they're doing it

232

00:09:18,710 --> 00:09:16,920

because they're trying to shift it or

233

00:09:21,590 --> 00:09:18,720

any any of those kind of descriptions

234

00:09:23,449 --> 00:09:21,600

you also have to say they did it because

235

00:09:25,730 --> 00:09:23,459

it was just dumb luck the way it went

236

00:09:28,730 --> 00:09:25,740

down that that they shot down that

237

00:09:30,889 --> 00:09:28,740

Chinese balloon first and then because

238

00:09:33,590 --> 00:09:30,899

the administration took some heat for

239

00:09:35,930 --> 00:09:33,600

not shooting it down earlier

240

00:09:37,430 --> 00:09:35,940

somebody said well there's a lot of

241

00:09:39,050 --> 00:09:37,440

these things out there let's let's shoot

242

00:09:41,810 --> 00:09:39,060

a few of them down and show people how

243

00:09:44,090 --> 00:09:41,820

tough we are I don't know I'm curious

244

00:09:46,310 --> 00:09:44,100

what is your take what do you think

245

00:09:48,170 --> 00:09:46,320

I think if it hadn't been caught on

246

00:09:50,630 --> 00:09:48,180

camera by members of the public that

247

00:09:52,430 --> 00:09:50,640

that balloon on the camera phones uh I

248

00:09:55,190 --> 00:09:52,440

don't think this story necessarily comes

249

00:09:58,750 --> 00:09:55,200

out because it was something they then

250

00:10:01,610 --> 00:09:58,760

had to address and I don't know I think

251
00:10:03,290 --> 00:10:01,620
if that had happened in the UK I don't

252
00:10:04,130 --> 00:10:03,300
think it plays out at all that way at

253
00:10:07,370 --> 00:10:04,140
all

254
00:10:09,470 --> 00:10:07,380
um I think because it's the US and it's

255
00:10:11,570 --> 00:10:09,480
very American that you know even I I

256
00:10:13,970 --> 00:10:11,580
remember in in college I done a

257
00:10:16,009 --> 00:10:13,980
journalism course and one of my

258
00:10:19,130 --> 00:10:16,019
presentations was about how the American

259
00:10:21,829 --> 00:10:19,140
Media dramatized war and I used to play

260
00:10:23,810 --> 00:10:21,839
Clips comparing how the BBC would report

261
00:10:26,690 --> 00:10:23,820
on the war in Iraq and Afghanistan

262
00:10:29,870 --> 00:10:26,700
compared to how Fox and CNN and it was

263
00:10:31,970 --> 00:10:29,880

almost like a show you know it was it

264

00:10:33,050 --> 00:10:31,980

was Grand it was grandized and it was

265

00:10:35,810 --> 00:10:33,060

huge and it looked like there was

266

00:10:37,130 --> 00:10:35,820

Fanfare around these these events and I

267

00:10:38,690 --> 00:10:37,140

think it's just something that made the

268

00:10:41,030 --> 00:10:38,700

mainstream media in the US has picked up

269

00:10:42,470 --> 00:10:41,040

on and and they've ran with it but what

270

00:10:44,269 --> 00:10:42,480

I wondered is they've used a lot of

271

00:10:47,090 --> 00:10:44,279

interesting language we've heard ET

272

00:10:48,170 --> 00:10:47,100

mentioned at one point you know jokingly

273

00:10:51,590 --> 00:10:48,180

or not

274

00:10:54,290 --> 00:10:51,600

um as this is simple though as as for an

275

00:10:56,870 --> 00:10:54,300

adversarial technology it's Chinese or

276

00:10:58,610 --> 00:10:56,880

another state actor right or is there a

277

00:11:01,250 --> 00:10:58,620

potential that in amongst all of this

278

00:11:04,250 --> 00:11:01,260

there is at least some part of it that

279

00:11:06,410 --> 00:11:04,260

is that other non-human aspect

280

00:11:09,290 --> 00:11:06,420

potentially

281

00:11:11,449 --> 00:11:09,300

I I think

282

00:11:15,650 --> 00:11:11,459

I think that is the the rest of the

283

00:11:18,710 --> 00:11:15,660

story I I you know people want to say uh

284

00:11:21,230 --> 00:11:18,720

jump to extraterrestrial or alien I I

285

00:11:23,690 --> 00:11:21,240

don't jump there yet because

286

00:11:25,730 --> 00:11:23,700

I don't really know I have some theories

287

00:11:27,530 --> 00:11:25,740

I have you have theories your listeners

288

00:11:29,870 --> 00:11:27,540

have theories

289

00:11:33,290 --> 00:11:29,880

um I just don't think that all of them

290

00:11:34,610 --> 00:11:33,300

can be explained the easy way and that

291

00:11:36,470 --> 00:11:34,620

some of them

292

00:11:38,990 --> 00:11:36,480

um that have been flying around are

293

00:11:40,190 --> 00:11:39,000

being flown about by somebody who's not

294

00:11:43,870 --> 00:11:40,200

us

295

00:11:47,030 --> 00:11:43,880

um from some place that isn't here and

296

00:11:48,889 --> 00:11:47,040

what the specifics of that are I'm very

297

00:11:52,670 --> 00:11:48,899

interested in knowing and particularly

298

00:11:54,889 --> 00:11:52,680

since the move in um in DC these days is

299

00:11:57,530 --> 00:11:54,899

to bring in whistleblowers

300

00:12:00,470 --> 00:11:57,540

um to talk in classified hearings about

301
00:12:02,150 --> 00:12:00,480
Legacy programs I guess my only thing is

302
00:12:03,710 --> 00:12:02,160
okay let's get that phase over with

303
00:12:05,569 --> 00:12:03,720
because it's time to get to some public

304
00:12:09,050 --> 00:12:05,579
hearings or at least some public

305
00:12:11,210 --> 00:12:09,060
admissions about what what what programs

306
00:12:13,670 --> 00:12:11,220
have existed and in fact I mean let's

307
00:12:15,590 --> 00:12:13,680
face it if anybody were to admit there's

308
00:12:17,930 --> 00:12:15,600
a legacy program out there that dealt

309
00:12:20,210 --> 00:12:17,940
with a UFO crash wreckage that's almost

310
00:12:22,069 --> 00:12:20,220
game over in the disclosure game I mean

311
00:12:24,889 --> 00:12:22,079
once once you admit it's something like

312
00:12:26,750 --> 00:12:24,899
that then you're into a new world and I

313
00:12:27,829 --> 00:12:26,760

keep thinking we are close to that world

314

00:12:30,290 --> 00:12:27,839

now

315

00:12:31,730 --> 00:12:30,300

there are people out there who think and

316

00:12:33,769 --> 00:12:31,740

I don't think it's too unfair at the

317

00:12:36,350 --> 00:12:33,779

moment that this is one of those slow

318

00:12:38,990 --> 00:12:36,360

drips toward that disclosure with the

319

00:12:40,670 --> 00:12:39,000

capital D and thinking of someone like

320

00:12:42,710 --> 00:12:40,680

yourself who's written many a screenplay

321

00:12:44,629 --> 00:12:42,720

this plays out like the start of an

322

00:12:46,610 --> 00:12:44,639

independence day or what of the worlds

323

00:12:48,769 --> 00:12:46,620

where the US government are encountering

324

00:12:50,629 --> 00:12:48,779

objects in the sky oh it's a balloon oh

325

00:12:52,970 --> 00:12:50,639

it's a foreign drone but then all of a

326

00:12:54,829 --> 00:12:52,980

sudden ah one of them isn't and China

327

00:12:56,990 --> 00:12:54,839

comes out and denies it Russia comes out

328

00:12:58,670 --> 00:12:57,000

and denies it and the next thing Russia

329

00:12:59,990 --> 00:12:58,680

shut them down China shutting them down

330

00:13:01,670 --> 00:13:00,000

and then we get the you know the full

331

00:13:02,509 --> 00:13:01,680

scale Invasion as Hollywood would make

332

00:13:04,850 --> 00:13:02,519

it out

333

00:13:06,590 --> 00:13:04,860

do you think there's anything like that

334

00:13:08,810 --> 00:13:06,600

to this situation that it's been

335

00:13:10,910 --> 00:13:08,820

engineered in a way for that to happen

336

00:13:14,389 --> 00:13:10,920

or is that at the minute too much of a

337

00:13:16,790 --> 00:13:14,399

stretch well I I don't think we have the

338

00:13:19,009 --> 00:13:16,800

the evidence to support it but we don't

339

00:13:19,850 --> 00:13:19,019

have the evidence to say it's not true I

340

00:13:22,370 --> 00:13:19,860

mean

341

00:13:23,990 --> 00:13:22,380

there tends to be reasons for things and

342

00:13:27,110 --> 00:13:24,000

if this thing happened the way it did

343

00:13:28,430 --> 00:13:27,120

then potentially there's uh there's some

344

00:13:30,350 --> 00:13:28,440

possibilities that we should be talking

345

00:13:32,389 --> 00:13:30,360

about but you're right it's a Hollywood

346

00:13:34,730 --> 00:13:32,399

dramatist I look at what just happened

347

00:13:36,530 --> 00:13:34,740

and I'm like okay this is good let's get

348

00:13:38,870 --> 00:13:36,540

to work because like I'll give you an

349

00:13:41,329 --> 00:13:38,880

example what is the thing that they've

350

00:13:44,389 --> 00:13:41,339

talked about the most in this thing it's

351

00:13:46,550 --> 00:13:44,399

a safety of flight issue yeah right

352

00:13:48,650 --> 00:13:46,560

that's what the hook has been it's like

353

00:13:50,449 --> 00:13:48,660

okay we're going to pay attention to

354

00:13:52,370 --> 00:13:50,459

this because they were flying too low

355

00:13:54,350 --> 00:13:52,380

they were flying at forty thousand feet

356

00:13:56,449 --> 00:13:54,360

these other objects or twenty thousand

357

00:13:58,490 --> 00:13:56,459

feet and so therefore

358

00:14:00,949 --> 00:13:58,500

um it's a flight safety issue we have to

359

00:14:03,710 --> 00:14:00,959

look into it so I kind of ran with that

360

00:14:05,810 --> 00:14:03,720

I have a podcast scripted podcast not

361

00:14:07,910 --> 00:14:05,820

the need to know podcast but I've been

362

00:14:10,190 --> 00:14:07,920

hired to write a scripted podcast and

363

00:14:13,970 --> 00:14:10,200

it's called undeniable and it literally

364

00:14:17,329 --> 00:14:13,980

is about a a mid-air collision between a

365

00:14:19,550 --> 00:14:17,339

UAP and a commercial jet and uh and it's

366

00:14:22,009 --> 00:14:19,560

told through the news and it's it's

367

00:14:24,290 --> 00:14:22,019

pretty riveting and exciting I think

368

00:14:26,750 --> 00:14:24,300

people will like it but

369

00:14:28,370 --> 00:14:26,760

what's interesting about it is it's not

370

00:14:30,470 --> 00:14:28,380

too far from those headlines that you

371

00:14:32,329 --> 00:14:30,480

were talking about once once you admit

372

00:14:34,190 --> 00:14:32,339

something is a safety a flight issue

373

00:14:37,190 --> 00:14:34,200

well then it's not a big stretch for the

374

00:14:38,870 --> 00:14:37,200

dramatists to say okay well let's crash

375

00:14:41,689 --> 00:14:38,880

a couple of them let's see what happens

376

00:14:44,930 --> 00:14:41,699

so yeah it's uh some of this is a field

377

00:14:47,269 --> 00:14:44,940

day for for dramatists but

378

00:14:49,910 --> 00:14:47,279

um I think in the end we may soon find

379

00:14:52,430 --> 00:14:49,920

out uh well I don't know how soon but we

380

00:14:54,410 --> 00:14:52,440

will ultimately find out that the truth

381

00:14:56,750 --> 00:14:54,420

was probably Stranger Than the fiction

382

00:14:58,550 --> 00:14:56,760

that we've been creating and that may

383

00:15:01,129 --> 00:14:58,560

explain uh

384

00:15:03,590 --> 00:15:01,139

80 years of secrecy

385

00:15:05,930 --> 00:15:03,600

well as we're still waiting on President

386

00:15:07,250 --> 00:15:05,940

Biden making that statement and I I

387

00:15:09,009 --> 00:15:07,260

agree with you I think it's going to

388

00:15:12,410 --> 00:15:09,019

heavily focus on National Security

389

00:15:14,150 --> 00:15:12,420

Aviation safety I don't think I'd expect

390

00:15:17,389 --> 00:15:14,160

to hear anything about non-humans

391

00:15:18,949 --> 00:15:17,399

entities or or aliens or UFOs unless

392

00:15:21,290 --> 00:15:18,959

it's been said with a smuck and I don't

393

00:15:22,790 --> 00:15:21,300

think that's ever been Biden's way when

394

00:15:24,110 --> 00:15:22,800

I haven't whenever I have seen a talk

395

00:15:26,629 --> 00:15:24,120

anyway

396

00:15:29,269 --> 00:15:26,639

um but do you think this could be an

397

00:15:31,370 --> 00:15:29,279

address that if the media who are

398

00:15:34,250 --> 00:15:31,380

present get the opportunity to ask

399

00:15:36,650 --> 00:15:34,260

questions or follow up these sorts of

400

00:15:38,870 --> 00:15:36,660

addresses could become more and more the

401
00:15:41,509 --> 00:15:38,880
norm but we do get the opportunity here

402
00:15:43,550 --> 00:15:41,519
to hear generals and presidents talk

403
00:15:45,290 --> 00:15:43,560
about the UFO issue in a serious way

404
00:15:47,030 --> 00:15:45,300
because we're still hearing that

405
00:15:51,230 --> 00:15:47,040
background laughter track at times on

406
00:15:53,449 --> 00:15:51,240
this yeah I honestly I felt like we took

407
00:15:57,230 --> 00:15:53,459
a step backward as I sat and watched the

408
00:15:59,870 --> 00:15:57,240
news over the last week or 10 days uh I

409
00:16:02,030 --> 00:15:59,880
was hoping for more I was hoping that

410
00:16:04,610 --> 00:16:02,040
most reporters who would be able to put

411
00:16:07,370 --> 00:16:04,620
one and one together and get two the the

412
00:16:09,949 --> 00:16:07,380
first one is okay reports are coming

413
00:16:12,889 --> 00:16:09,959

about out about UAP and the government

414

00:16:14,629 --> 00:16:12,899

has submitted they're real and uh they

415

00:16:16,550 --> 00:16:14,639

have performance characteristics that

416

00:16:18,530 --> 00:16:16,560

don't seem to make sense uh by

417

00:16:20,509 --> 00:16:18,540

conventional aircraft so that's one and

418

00:16:22,370 --> 00:16:20,519

then the other is okay now we've got

419

00:16:24,170 --> 00:16:22,380

some out there that we're tracking and

420

00:16:25,670 --> 00:16:24,180

we're shooting some of them down you

421

00:16:28,610 --> 00:16:25,680

would think that the reporters would

422

00:16:33,230 --> 00:16:28,620

contextualize that and say well these

423

00:16:35,750 --> 00:16:33,240

may not be the the uh anomalous craft uh

424

00:16:37,490 --> 00:16:35,760

maybe they are surveillance platforms

425

00:16:42,530 --> 00:16:37,500

but

426

00:16:46,610 --> 00:16:42,540

to do that I I agree with you I still

427

00:16:48,769 --> 00:16:46,620

heard people smile and Snicker and and

428

00:16:50,569 --> 00:16:48,779

um you know I'm saying that I I wrote

429

00:16:52,970 --> 00:16:50,579

something down I guess I don't have it

430

00:16:54,290 --> 00:16:52,980

here on my desk let me just see

431

00:16:56,449 --> 00:16:54,300

um

432

00:16:59,569 --> 00:16:56,459

can't find it but I watched a lot of

433

00:17:02,090 --> 00:16:59,579

stuff where I just thought you know you

434

00:17:06,829 --> 00:17:02,100

have an opportunity with your platform

435

00:17:09,710 --> 00:17:06,839

whether you're a CNN anchor or or a

436

00:17:11,929 --> 00:17:09,720

field reporter to contextualize this and

437

00:17:14,169 --> 00:17:11,939

and people didn't they still fell back

438

00:17:17,929 --> 00:17:14,179

on if I'm going to mention

439

00:17:20,929 --> 00:17:17,939

UFOs I'm talking about tinfoil hats and

440

00:17:25,130 --> 00:17:20,939

Little Green Men and I'm using phrases

441

00:17:27,530 --> 00:17:25,140

like UFO buff or UFO Enthusiast and I'm

442

00:17:31,010 --> 00:17:27,540

just so sick to death of that these

443

00:17:32,870 --> 00:17:31,020

stereotypes weren't good weren't valid

444

00:17:36,230 --> 00:17:32,880

when they were first being trotted out

445

00:17:37,490 --> 00:17:36,240

in the 50s and 60s and Believe Me Andy I

446

00:17:40,669 --> 00:17:37,500

don't think they've gotten better with

447

00:17:43,370 --> 00:17:40,679

age and I so yeah I was rather

448

00:17:45,409 --> 00:17:43,380

disappointed because we'd been moving in

449

00:17:48,169 --> 00:17:45,419

a direction when people talked about UAP

450

00:17:50,090 --> 00:17:48,179

they were actually taking it seriously

451
00:17:51,710 --> 00:17:50,100
and talking about the unknowns and then

452
00:17:53,690 --> 00:17:51,720
suddenly during the coverage of this

453
00:17:55,010 --> 00:17:53,700
event it went from well we're not really

454
00:17:56,810 --> 00:17:55,020
talking about the unknowns these are

455
00:17:58,970 --> 00:17:56,820
easy to know we got a Chinese balloon

456
00:18:01,549 --> 00:17:58,980
and the others they're easy to know so I

457
00:18:03,890 --> 00:18:01,559
guess the the whole UAP issue has been

458
00:18:05,930 --> 00:18:03,900
overblown and and doesn't really we've

459
00:18:08,210 --> 00:18:05,940
identified all of them to hear a lot of

460
00:18:10,970 --> 00:18:08,220
reporters and anchors talk about it they

461
00:18:14,810 --> 00:18:10,980
acted like if we could identify these

462
00:18:17,330 --> 00:18:14,820
four shoot down objects then the problem

463
00:18:19,310 --> 00:18:17,340

was solved and there there weren't and

464

00:18:20,810 --> 00:18:19,320

the the government report was says well

465

00:18:21,890 --> 00:18:20,820

they haven't identified them all but

466

00:18:23,270 --> 00:18:21,900

they will

467

00:18:25,310 --> 00:18:23,280

and I didn't

468

00:18:27,770 --> 00:18:25,320

no I agree in the last couple of years

469

00:18:29,270 --> 00:18:27,780

as as the conversation like you say has

470

00:18:31,190 --> 00:18:29,280

become more serious and we've seen

471

00:18:33,890 --> 00:18:31,200

journalists asking some really pertinent

472

00:18:36,470 --> 00:18:33,900

questions around the UFO reports the UAP

473

00:18:37,970 --> 00:18:36,480

report and just actually raising an

474

00:18:40,370 --> 00:18:37,980

eyebrow and saying is there something to

475

00:18:43,610 --> 00:18:40,380

this that's still been relatively small

476
00:18:45,169 --> 00:18:43,620
scale it's not become national news and

477
00:18:46,610 --> 00:18:45,179
not been an international Focus like

478
00:18:48,770 --> 00:18:46,620
we've had and I've tried to say to

479
00:18:51,710 --> 00:18:48,780
people online including a number of you

480
00:18:53,570 --> 00:18:51,720
know UFO influencers not to get too

481
00:18:54,950 --> 00:18:53,580
excited that oh this means disclosure is

482
00:18:56,750 --> 00:18:54,960
coming because a journalist asked a

483
00:18:58,850 --> 00:18:56,760
question at a White House Press briefing

484
00:19:02,690 --> 00:18:58,860
because what we've seen now like you say

485
00:19:05,210 --> 00:19:02,700
is a truly International UFO incident as

486
00:19:07,190 --> 00:19:05,220
best we've had right and we've reverted

487
00:19:09,409 --> 00:19:07,200
back to there's your large-scale press

488
00:19:12,289 --> 00:19:09,419

presence yes and they're laughing about

489

00:19:13,730 --> 00:19:12,299

it and and even in the UK we have picked

490

00:19:15,230 --> 00:19:13,740

up on the story which never really

491

00:19:18,110 --> 00:19:15,240

happens in the last couple of years with

492

00:19:20,630 --> 00:19:18,120

the UFO task force reports and it's

493

00:19:23,270 --> 00:19:20,640

largely being mocked again and laughed

494

00:19:26,510 --> 00:19:23,280

at I agree with you but I will say I see

495

00:19:28,190 --> 00:19:26,520

a reason for optimism not because I

496

00:19:29,450 --> 00:19:28,200

believe Human Nature has changed and

497

00:19:32,210 --> 00:19:29,460

people are going to do the right thing

498

00:19:35,510 --> 00:19:32,220

but here's my reason for optimism

499

00:19:37,610 --> 00:19:35,520

if you if you just sort of take aside

500

00:19:41,090 --> 00:19:37,620

the silly news coverage and subtract

501
00:19:44,029 --> 00:19:41,100
that and go deeper you do see a number

502
00:19:47,150 --> 00:19:44,039
of Senators and congressmen and women in

503
00:19:49,610 --> 00:19:47,160
in the U.S saying this is not good it's

504
00:19:51,830 --> 00:19:49,620
not acceptable that we didn't know what

505
00:19:53,390 --> 00:19:51,840
these things were and that we shot them

506
00:19:55,909 --> 00:19:53,400
down and we don't know what the rules

507
00:19:58,130 --> 00:19:55,919
are and we need answers you hear that

508
00:20:00,110 --> 00:19:58,140
refrain over and over and over now what

509
00:20:01,430 --> 00:20:00,120
most of them are talking about is you

510
00:20:02,990 --> 00:20:01,440
know I want to know what the Chinese are

511
00:20:04,669 --> 00:20:03,000
up to I want to know if the Russians are

512
00:20:06,830 --> 00:20:04,679
sending these I want to know if other

513
00:20:08,870 --> 00:20:06,840

state actors are doing it that's fine

514

00:20:12,830 --> 00:20:08,880

but they're talking about commissions

515

00:20:15,409 --> 00:20:12,840

and committees and hearings and here's

516

00:20:17,810 --> 00:20:15,419

how I look at this you can start a

517

00:20:19,730 --> 00:20:17,820

hearing and say this is a hearing to get

518

00:20:21,110 --> 00:20:19,740

to the bottom of the UAP issue and

519

00:20:23,510 --> 00:20:21,120

you're going to start talking to people

520

00:20:25,310 --> 00:20:23,520

about Chinese balloons

521

00:20:27,230 --> 00:20:25,320

and then you're going to ask other

522

00:20:29,210 --> 00:20:27,240

questions and you're going to pull out

523

00:20:30,890 --> 00:20:29,220

that UAP report that the government put

524

00:20:33,409 --> 00:20:30,900

out and you're going to say well wait a

525

00:20:36,590 --> 00:20:33,419

minute if there were if there's still

526

00:20:38,090 --> 00:20:36,600

300 unidentified ones of the ones that

527

00:20:40,250 --> 00:20:38,100

you were looking at

528

00:20:41,990 --> 00:20:40,260

do you think they're all balloons and

529

00:20:44,090 --> 00:20:42,000

the answer would be no well then what do

530

00:20:46,370 --> 00:20:44,100

you think they are well they're unknown

531

00:20:50,570 --> 00:20:46,380

I got to tell you I think there's the

532

00:20:52,850 --> 00:20:50,580

possibility for any uh commission and or

533

00:20:55,310 --> 00:20:52,860

committee to sort of spiral toward the

534

00:20:57,230 --> 00:20:55,320

truth you start kicking over one rock

535

00:20:59,029 --> 00:20:57,240

after another let's kick over that China

536

00:21:01,250 --> 00:20:59,039

Rock let's kick over that Russia Rock

537

00:21:04,330 --> 00:21:01,260

and then you get those rocks kicked over

538

00:21:06,529 --> 00:21:04,340

and you say well what does that leave

539

00:21:08,690 --> 00:21:06,539

you are going to ask some uncomfortable

540

00:21:11,450 --> 00:21:08,700

questions and remember there's already

541

00:21:13,750 --> 00:21:11,460

people in Congress that

542

00:21:18,169 --> 00:21:13,760

even though they don't talk about it

543

00:21:21,049 --> 00:21:18,179

often you know that they know the

544

00:21:22,850 --> 00:21:21,059

anomalous sightings have a very real

545

00:21:25,730 --> 00:21:22,860

possibility of turning out to be

546

00:21:27,950 --> 00:21:25,740

non-human I mean you've heard it in the

547

00:21:31,130 --> 00:21:27,960

statements made by people from Marco

548

00:21:34,190 --> 00:21:31,140

Rubio to Mitt Romney to uh Kirsten

549

00:21:36,950 --> 00:21:34,200

gillibrand uh you you hear and you know

550

00:21:39,590 --> 00:21:36,960

what they're thinking and also uh on on

551
00:21:41,149 --> 00:21:39,600
our need to know show Ross coltard and I

552
00:21:44,230 --> 00:21:41,159
have been contacted by a number of

553
00:21:47,210 --> 00:21:44,240
sources who

554
00:21:49,190 --> 00:21:47,220
are I guess they were a little befuddled

555
00:21:51,830 --> 00:21:49,200
by this whole shooting down you know to

556
00:21:54,169 --> 00:21:51,840
hear them tell it we we would say well

557
00:21:56,810 --> 00:21:54,179
what do you think is going on and and

558
00:21:58,789 --> 00:21:56,820
normally an Insider Source would say

559
00:22:00,350 --> 00:21:58,799
well this is what's going on but you

560
00:22:02,450 --> 00:22:00,360
won't hear that from me and you won't

561
00:22:03,710 --> 00:22:02,460
hear that from anybody else but a lot of

562
00:22:05,990 --> 00:22:03,720
the people we talked to when this

563
00:22:07,850 --> 00:22:06,000

started were saying things like I don't

564

00:22:12,950 --> 00:22:07,860

know I don't know what they're doing

565

00:22:14,990 --> 00:22:12,960

here I don't get it and um and so we

566

00:22:16,549 --> 00:22:15,000

have entered into a new phase that's all

567

00:22:18,770 --> 00:22:16,559

I can tell and and when the history

568

00:22:21,770 --> 00:22:18,780

books there will be history books

569

00:22:24,350 --> 00:22:21,780

written about UFOs that are serious and

570

00:22:26,090 --> 00:22:24,360

sober accounts and those history books

571

00:22:28,970 --> 00:22:26,100

are going to have a chapter about the

572

00:22:31,250 --> 00:22:28,980

days that we're living in and uh and we

573

00:22:32,870 --> 00:22:31,260

may be closer to the end game than we've

574

00:22:34,730 --> 00:22:32,880

ever been before

575

00:22:37,010 --> 00:22:34,740

but you've mentioned the need to know

576

00:22:38,570 --> 00:22:37,020

podcast you done yesterday as we record

577

00:22:40,970 --> 00:22:38,580

this the 15th of February it was your

578

00:22:42,409 --> 00:22:40,980

first live with yourself and Ross Ross

579

00:22:44,270 --> 00:22:42,419

mentioned that there's a real disconnect

580

00:22:46,370 --> 00:22:44,280

between the Air Force and the White

581

00:22:48,110 --> 00:22:46,380

House on this topic and subject and I

582

00:22:50,630 --> 00:22:48,120

don't think that will shock many

583

00:22:52,789 --> 00:22:50,640

who holds the cards here when it comes

584

00:22:54,830 --> 00:22:52,799

to the UFO discussion in the U.S

585

00:22:57,409 --> 00:22:54,840

government

586

00:22:58,730 --> 00:22:57,419

well that is to be determined isn't it I

587

00:23:00,409 --> 00:22:58,740

think uh the president of the United

588

00:23:02,630 --> 00:23:00,419

States is finding himself in the middle

589

00:23:05,029 --> 00:23:02,640

of that little tug of war as well just

590

00:23:06,950 --> 00:23:05,039

to bring your um listeners and viewers

591

00:23:10,669 --> 00:23:06,960

up to speed here

592

00:23:13,490 --> 00:23:10,679

um it has been historic that the Air

593

00:23:15,710 --> 00:23:13,500

Force was sort of in the early days of

594

00:23:17,390 --> 00:23:15,720

this the historical perspective was well

595

00:23:19,370 --> 00:23:17,400

these things are flying around in the

596

00:23:21,350 --> 00:23:19,380

sky I guess we should call the Air Force

597

00:23:23,330 --> 00:23:21,360

in and that's what got you Project Blue

598

00:23:25,909 --> 00:23:23,340

Book and and all the other ones project

599

00:23:28,010 --> 00:23:25,919

sign project Grudge and and uh the those

600

00:23:31,190 --> 00:23:28,020

were Air Force investigations but

601
00:23:34,070 --> 00:23:31,200
remember one thing if you study your UFO

602
00:23:36,470 --> 00:23:34,080
history you'll find that even while all

603
00:23:39,110 --> 00:23:36,480
these sightings in the air were being

604
00:23:40,730 --> 00:23:39,120
reported there was always a constant

605
00:23:45,770 --> 00:23:40,740
undercurrent

606
00:23:49,490 --> 00:23:45,780
from the sea where where there were

607
00:23:52,010 --> 00:23:49,500
sightings in the sea and so the Navy was

608
00:23:54,289 --> 00:23:52,020
always interested in it uh they just

609
00:23:56,390 --> 00:23:54,299
didn't get the starring role when we did

610
00:23:58,610 --> 00:23:56,400
Dark Skies uh one of the things that

611
00:24:01,610 --> 00:23:58,620
Brent Friedman and I did is we had

612
00:24:03,590 --> 00:24:01,620
Majestic 12 as as kind of the backdrop

613
00:24:05,870 --> 00:24:03,600

to the whole thing and that's a whole

614

00:24:08,090 --> 00:24:05,880

nother discussion but the person we put

615

00:24:10,669 --> 00:24:08,100

in charge was someone who was from The

616

00:24:12,590 --> 00:24:10,679

Office of Naval intelligence and uh so

617

00:24:14,990 --> 00:24:12,600

we didn't put an Air Force off officer

618

00:24:16,750 --> 00:24:15,000

in now where are we right now we're in a

619

00:24:19,549 --> 00:24:16,760

situation where

620

00:24:22,310 --> 00:24:19,559

uh don't just take my word for it Chris

621

00:24:23,090 --> 00:24:22,320

mellon's written about this extensively

622

00:24:24,470 --> 00:24:23,100

um

623

00:24:27,770 --> 00:24:24,480

but

624

00:24:29,810 --> 00:24:27,780

the Air Force was not helpful as they

625

00:24:32,750 --> 00:24:29,820

should have been in the preparation of

626

00:24:35,029 --> 00:24:32,760

those reports and the Navy was I mean

627

00:24:37,970 --> 00:24:35,039

clearly you have a division of some kind

628

00:24:40,250 --> 00:24:37,980

going on where people in the Air Force

629

00:24:42,470 --> 00:24:40,260

would rather we just keep all this

630

00:24:44,750 --> 00:24:42,480

buttoned up and let's not let's not go

631

00:24:46,789 --> 00:24:44,760

crazy here and people in the Navy seem

632

00:24:49,130 --> 00:24:46,799

almost a little fed up because their

633

00:24:51,649 --> 00:24:49,140

pilots are encountering this stuff and

634

00:24:54,350 --> 00:24:51,659

they'd like answers so

635

00:24:59,090 --> 00:24:54,360

um what Ross was saying on the show is

636

00:25:03,529 --> 00:24:59,100

that we have developed a source who has

637

00:25:06,529 --> 00:25:03,539

told us that a high-level officer in the

638

00:25:08,990 --> 00:25:06,539

Navy has literally gone to the White

639

00:25:11,210 --> 00:25:09,000

House to say that the Air Force is lying

640

00:25:13,310 --> 00:25:11,220

to you about what's going on

641

00:25:16,250 --> 00:25:13,320

and if

642

00:25:19,490 --> 00:25:16,260

if that bears fruit and turns out to be

643

00:25:22,010 --> 00:25:19,500

true and we think it is then that means

644

00:25:23,870 --> 00:25:22,020

that this issue has escalated Beyond

645

00:25:26,029 --> 00:25:23,880

just something you and I Andy might talk

646

00:25:28,610 --> 00:25:26,039

about and and kick around with our

647

00:25:31,970 --> 00:25:28,620

friends at a party and is now something

648

00:25:34,310 --> 00:25:31,980

that because Congress is interested we

649

00:25:36,350 --> 00:25:34,320

passed that whistleblower legislation

650

00:25:38,450 --> 00:25:36,360

with the new National Defense

651
00:25:41,810 --> 00:25:38,460
authorization Act

652
00:25:43,669 --> 00:25:41,820
there are a lot of moving pieces and I

653
00:25:46,070 --> 00:25:43,679
guess the only way I could sell say it

654
00:25:48,110 --> 00:25:46,080
is some of them are rein are re

655
00:25:50,690 --> 00:25:48,120
reinforcing

656
00:25:53,510 --> 00:25:50,700
behavior and taking away from Behavior

657
00:25:55,310 --> 00:25:53,520
the whole way that this has been dealt

658
00:25:59,630 --> 00:25:55,320
with over the years appears to be

659
00:26:01,310 --> 00:25:59,640
changing and and yes uh the essence of

660
00:26:03,769 --> 00:26:01,320
your question is do we have a division

661
00:26:05,510 --> 00:26:03,779
it looks like we do

662
00:26:07,730 --> 00:26:05,520
um and let's face it what's something

663
00:26:09,110 --> 00:26:07,740

that Washington could do that could

664

00:26:11,570 --> 00:26:09,120

happen in Washington right now that

665

00:26:13,850 --> 00:26:11,580

would change the game immediately leaks

666

00:26:16,669 --> 00:26:13,860

I mean you know Ross and I are

667

00:26:19,669 --> 00:26:16,679

journalists we leaks are how you find

668

00:26:20,390 --> 00:26:19,679

things uh people uh who want the truth

669

00:26:22,430 --> 00:26:20,400

out

670

00:26:25,010 --> 00:26:22,440

talk to journalists and journalists

671

00:26:27,529 --> 00:26:25,020

print it and then people react to it so

672

00:26:28,490 --> 00:26:27,539

I think we are also getting to the place

673

00:26:31,130 --> 00:26:28,500

where

674

00:26:33,289 --> 00:26:31,140

the idea that there's a a kind of a

675

00:26:35,149 --> 00:26:33,299

conflict between the Air Force and the

676
00:26:37,850 --> 00:26:35,159
Navy which has historically as we said

677
00:26:39,769 --> 00:26:37,860
existed a long time now may be coming

678
00:26:42,169 --> 00:26:39,779
into the open because the the

679
00:26:43,669 --> 00:26:42,179
Congressional committee people seem to

680
00:26:45,890 --> 00:26:43,679
be saying we want to look into these

681
00:26:49,010 --> 00:26:45,900
Legacy programs and by Legacy programs

682
00:26:51,769 --> 00:26:49,020
they mean programs designed to reverse

683
00:26:53,450 --> 00:26:51,779
engineering captured craft so you know

684
00:26:55,430 --> 00:26:53,460
all I can say to your listeners and

685
00:26:57,409 --> 00:26:55,440
viewers fasten your seat belts folks

686
00:26:59,990 --> 00:26:57,419
it's about to get crazy

687
00:27:01,430 --> 00:27:00,000
interesting you mentioned that the leaks

688
00:27:03,950 --> 00:27:01,440

you know the potential for that and I

689

00:27:05,690 --> 00:27:03,960

wonder if this was a family if you'd the

690

00:27:07,970 --> 00:27:05,700

the bastard headed the bastard

691

00:27:10,190 --> 00:27:07,980

ginger-headed stepchild even of the the

692

00:27:11,810 --> 00:27:10,200

family would be Arrow which is the

693

00:27:14,450 --> 00:27:11,820

office that was set up to investigate

694

00:27:16,430 --> 00:27:14,460

all of this and it's incredible how how

695

00:27:18,110 --> 00:27:16,440

little they're being mentioned within

696

00:27:20,210 --> 00:27:18,120

all of this over the last week or so and

697

00:27:22,730 --> 00:27:20,220

I wonder is this not their opportunity

698

00:27:25,610 --> 00:27:22,740

to take charge and get a piece of

699

00:27:27,549 --> 00:27:25,620

footage or a photograph out to say okay

700

00:27:30,289 --> 00:27:27,559

all this is going on and there may be

701
00:27:32,149 --> 00:27:30,299
surveillance spy Tech secret Tech that

702
00:27:34,730 --> 00:27:32,159
we can't talk about and all that kind of

703
00:27:36,289 --> 00:27:34,740
stuff however there are things that we

704
00:27:38,330 --> 00:27:36,299
don't know what they truly are and

705
00:27:40,190 --> 00:27:38,340
appear to be anomalous and here's

706
00:27:42,110 --> 00:27:40,200
something and Akin to the gimbal footage

707
00:27:43,730 --> 00:27:42,120
for example right or the extended

708
00:27:46,190 --> 00:27:43,740
version of the gimbal footage that we

709
00:27:47,990 --> 00:27:46,200
know is out there to then wrestle back

710
00:27:49,190 --> 00:27:48,000
control of this a little bit and stamp

711
00:27:53,450 --> 00:27:49,200
some Authority

712
00:27:55,850 --> 00:27:53,460
well again there if I look at the China

713
00:27:57,769 --> 00:27:55,860

situation and the

714

00:28:00,529 --> 00:27:57,779

it's not all China we don't we don't

715

00:28:03,049 --> 00:28:00,539

know but the four shootdowns I look at

716

00:28:05,210 --> 00:28:03,059

that uh I guess the phrase I I don't

717

00:28:07,310 --> 00:28:05,220

know if I've coined it but I this is how

718

00:28:10,310 --> 00:28:07,320

I see it it's like the gateway drug to

719

00:28:13,250 --> 00:28:10,320

disclosure all right because what is

720

00:28:15,110 --> 00:28:13,260

happening is they're not all Chinese

721

00:28:17,029 --> 00:28:15,120

drones and they certainly aren't all

722

00:28:19,250 --> 00:28:17,039

Chinese drones going back to the 40s

723

00:28:21,409 --> 00:28:19,260

right I mean I don't think China had an

724

00:28:23,630 --> 00:28:21,419

Air Force in the 40s so they certainly

725

00:28:26,930 --> 00:28:23,640

didn't have drones flying around and and

726

00:28:28,669 --> 00:28:26,940

you know these so uh I almost forgot

727

00:28:34,269 --> 00:28:28,679

what the question was the question is

728

00:28:41,690 --> 00:28:34,279

what that can Otto take advantage here

729

00:28:47,330 --> 00:28:45,470

harder to say but actually they by

730

00:28:48,830 --> 00:28:47,340

naming the organization Arrow it's at

731

00:28:51,470 --> 00:28:48,840

least easier to say that than the

732

00:28:53,090 --> 00:28:51,480

previous name aimsog so I look at Arrow

733

00:28:55,070 --> 00:28:53,100

as an improvement

734

00:28:57,350 --> 00:28:55,080

I am a little

735

00:29:00,409 --> 00:28:57,360

uh

736

00:29:03,529 --> 00:29:00,419

shocked that Arrow which was set up

737

00:29:05,750 --> 00:29:03,539

specifically for all domain anomaly

738

00:29:08,570 --> 00:29:05,760

resolution office why weren't they

739

00:29:10,549 --> 00:29:08,580

heavily involved in what just happened

740

00:29:13,669 --> 00:29:10,559

in the last week aren't those anomalies

741

00:29:14,750 --> 00:29:13,679

that need resolution I mean so by

742

00:29:17,149 --> 00:29:14,760

definition they should have been

743

00:29:19,370 --> 00:29:17,159

involved and I think the answer is

744

00:29:21,830 --> 00:29:19,380

they have hardly anybody hired there yet

745

00:29:25,190 --> 00:29:21,840

so they didn't have the ability to but

746

00:29:26,870 --> 00:29:25,200

that's what Arrow should do and if Biden

747

00:29:30,529 --> 00:29:26,880

said anything I wish he would just say

748

00:29:32,450 --> 00:29:30,539

you know we've created Congress has has

749

00:29:35,930 --> 00:29:32,460

asked for the creation of the arrow

750

00:29:37,190 --> 00:29:35,940

office I've signed it into law and uh I

751

00:29:40,789 --> 00:29:37,200

think we need to make sure they're

752

00:29:42,950 --> 00:29:40,799

funded and we need to to get answers

753

00:29:45,289 --> 00:29:42,960

um I tend to believe

754

00:29:47,389 --> 00:29:45,299

um Kamala Harris was on the Senate Intel

755

00:29:49,130 --> 00:29:47,399

committee and Biden was I believe a

756

00:29:51,830 --> 00:29:49,140

member of the gang of eight uh in

757

00:29:54,470 --> 00:29:51,840

security for years these people know

758

00:29:57,049 --> 00:29:54,480

what's going on in the UAP and UFO world

759

00:29:58,730 --> 00:29:57,059

but they probably don't want to be the

760

00:30:01,130 --> 00:29:58,740

first people to talk about it publicly

761

00:30:03,950 --> 00:30:01,140

at a presidential and vice presidential

762

00:30:05,510 --> 00:30:03,960

level so I think they would prefer

763

00:30:07,610 --> 00:30:05,520

to use what you were talking about

764

00:30:09,529 --> 00:30:07,620

earlier in this conversation to sort of

765

00:30:12,590 --> 00:30:09,539

leak get it out a little bit at a time

766

00:30:14,210 --> 00:30:12,600

dribs and drabs and so the best thing to

767

00:30:15,110 --> 00:30:14,220

do would be to turn it over to arrow and

768

00:30:17,930 --> 00:30:15,120

let them

769

00:30:19,669 --> 00:30:17,940

start talking to people in a in a honest

770

00:30:22,430 --> 00:30:19,679

and effective way

771

00:30:24,529 --> 00:30:22,440

do you think President Joe Biden is the

772

00:30:26,029 --> 00:30:24,539

guy who's going to give the statement

773

00:30:28,789 --> 00:30:26,039

one day to say

774

00:30:32,149 --> 00:30:28,799

only if he has to only if he has to I

775

00:30:34,669 --> 00:30:32,159

don't you know let me put it this way

776

00:30:36,250 --> 00:30:34,679

either of the Clintons Bill Clinton or

777

00:30:38,690 --> 00:30:36,260

Hillary Clinton

778

00:30:40,549 --> 00:30:38,700

Bill Clinton if he could have gotten the

779

00:30:43,250 --> 00:30:40,559

information would have put it out

780

00:30:45,409 --> 00:30:43,260

Hillary Clinton felt that she did have

781

00:30:47,330 --> 00:30:45,419

the information and she wanted to be the

782

00:30:49,130 --> 00:30:47,340

the disclosure president she just didn't

783

00:30:51,529 --> 00:30:49,140

get elected

784

00:30:53,149 --> 00:30:51,539

um Trump never really took it that

785

00:30:56,029 --> 00:30:53,159

seriously he talked about it a couple of

786

00:30:59,029 --> 00:30:56,039

times but yeah it wasn't a focus of his

787

00:31:01,549 --> 00:30:59,039

and Obama for example

788

00:31:02,630 --> 00:31:01,559

um is a very interesting case right now

789

00:31:04,850 --> 00:31:02,640

because

790

00:31:07,310 --> 00:31:04,860

Obama never was comfortable talking

791

00:31:11,330 --> 00:31:07,320

about this while he was President I mean

792

00:31:14,269 --> 00:31:11,340

he made jokes about it he deflected it

793

00:31:17,690 --> 00:31:14,279

he never brought it up he was not into

794

00:31:18,889 --> 00:31:17,700

talking about UAP yeah just no question

795

00:31:20,930 --> 00:31:18,899

whatsoever

796

00:31:23,210 --> 00:31:20,940

but in the last year

797

00:31:25,789 --> 00:31:23,220

uh starting with his appearance on of

798

00:31:27,529 --> 00:31:25,799

all people the Jimmy Kimmel show he

799

00:31:29,330 --> 00:31:27,539

basically said what the report said he

800

00:31:30,769 --> 00:31:29,340

goes yep there are things flying around

801
00:31:33,409 --> 00:31:30,779
out there and we don't particularly know

802
00:31:37,130 --> 00:31:33,419
how they work and he confirmed the

803
00:31:38,870 --> 00:31:37,140
reality of anomalous uh aircraft okay

804
00:31:42,470 --> 00:31:38,880
and

805
00:31:45,710 --> 00:31:42,480
I think it is you know he would have

806
00:31:48,409 --> 00:31:45,720
been of the mental state to be able to

807
00:31:50,210 --> 00:31:48,419
do it Biden I just think Biden is not

808
00:31:54,529 --> 00:31:50,220
going to be the guy that wants to do it

809
00:31:56,930 --> 00:31:54,539
he will do it if if uh Kraft lands on

810
00:31:59,210 --> 00:31:56,940
the White House lawn to use the cliché

811
00:32:02,810 --> 00:31:59,220
Biden will go out there and shake their

812
00:32:05,630 --> 00:32:02,820
hands you know but if they have hands

813
00:32:07,970 --> 00:32:05,640

um but Biden is not going to be the guy

814

00:32:09,590 --> 00:32:07,980

who's calling his cabinet together and

815

00:32:11,269 --> 00:32:09,600

saying we got to figure out how to get

816

00:32:12,710 --> 00:32:11,279

the truth out about this that's not

817

00:32:14,450 --> 00:32:12,720

going to be him it's going to be

818

00:32:16,370 --> 00:32:14,460

somebody else

819

00:32:17,810 --> 00:32:16,380

before we then look back to look at some

820

00:32:19,250 --> 00:32:17,820

of those past presidents and I think

821

00:32:21,230 --> 00:32:19,260

there's an interesting conversation

822

00:32:22,730 --> 00:32:21,240

around the clintons the podesta was

823

00:32:24,529 --> 00:32:22,740

involved in that and going back a little

824

00:32:25,970 --> 00:32:24,539

bit further that was the original plan

825

00:32:28,730 --> 00:32:25,980

for this recording before all this

826
00:32:31,190 --> 00:32:28,740
happened I wonder how do you see the

827
00:32:34,190 --> 00:32:31,200
next couple of days and weeks playing

828
00:32:35,990 --> 00:32:34,200
out does this story just fuzzle out or

829
00:32:37,730 --> 00:32:36,000
do you think this is one that catches

830
00:32:41,269 --> 00:32:37,740
fire

831
00:32:44,269 --> 00:32:41,279
I think the St well the story has

832
00:32:46,789 --> 00:32:44,279
already fizzled out as a as a daily

833
00:32:49,130 --> 00:32:46,799
story uh one of the things I noticed I I

834
00:32:51,310 --> 00:32:49,140
always every morning go you know go on

835
00:32:54,350 --> 00:32:51,320
my computer and I check various news

836
00:32:57,769 --> 00:32:54,360
sources you know yeah wide variety I am

837
00:33:01,730 --> 00:32:57,779
not you know I I'll check Fox I'll check

838
00:33:04,490 --> 00:33:01,740

CNN I'll check NBC I also checked NPR

839

00:33:07,190 --> 00:33:04,500

National Public Radio here and I noticed

840

00:33:09,350 --> 00:33:07,200

this is just two days ago they had 21

841

00:33:11,930 --> 00:33:09,360

stories that were listed on their

842

00:33:13,430 --> 00:33:11,940

website of stories that they felt were

843

00:33:15,529 --> 00:33:13,440

important enough in the news to follow

844

00:33:18,049 --> 00:33:15,539

and not a single one of them had

845

00:33:20,690 --> 00:33:18,059

anything to do with the shoot Downs okay

846

00:33:22,070 --> 00:33:20,700

that was just two days ago so I think

847

00:33:28,070 --> 00:33:22,080

the story

848

00:33:32,690 --> 00:33:30,049

it's acute

849

00:33:35,690 --> 00:33:32,700

imminent we have to deal with it now

850

00:33:38,090 --> 00:33:35,700

status has gone away and it it it's

851
00:33:41,810 --> 00:33:38,100
tailing out and there'll still be a lot

852
00:33:43,549 --> 00:33:41,820
of conversations about what it meant but

853
00:33:47,330 --> 00:33:43,559
not all of them are going to make it as

854
00:33:50,769 --> 00:33:47,340
breaking news so I I don't think that

855
00:33:53,870 --> 00:33:50,779
this the story like that is going to

856
00:33:57,289 --> 00:33:53,880
widen I do think though

857
00:34:00,649 --> 00:33:57,299
um that people are talking now before

858
00:34:02,269 --> 00:34:00,659
things go public in a in a

859
00:34:04,370 --> 00:34:02,279
well I mean let's face it the United

860
00:34:06,710 --> 00:34:04,380
States as the biggest military in the

861
00:34:08,869 --> 00:34:06,720
world and the and more classification of

862
00:34:10,430 --> 00:34:08,879
more documents and things than anybody

863
00:34:12,530 --> 00:34:10,440

else in history it's a lot of

864

00:34:14,869 --> 00:34:12,540

classification here

865

00:34:16,550 --> 00:34:14,879

um so before things get announced

866

00:34:17,869 --> 00:34:16,560

publicly they have to be talked about

867

00:34:20,629 --> 00:34:17,879

privately

868

00:34:23,450 --> 00:34:20,639

so that's why I don't get too upset

869

00:34:25,129 --> 00:34:23,460

about you know I don't think anyone's

870

00:34:27,950 --> 00:34:25,139

putting the toothpaste back in the tube

871

00:34:29,990 --> 00:34:27,960

uh we're not going back to where we were

872

00:34:30,889 --> 00:34:30,000

in the 50s and the 60s we're moving

873

00:34:32,210 --> 00:34:30,899

forward

874

00:34:37,070 --> 00:34:32,220

I'm

875

00:34:40,010 --> 00:34:37,080

this in classified meetings because I

876

00:34:42,109 --> 00:34:40,020

know they also talk to people and people

877

00:34:45,109 --> 00:34:42,119

ask them things and when people are

878

00:34:47,329 --> 00:34:45,119

talking about it privately that's the

879

00:34:50,329 --> 00:34:47,339

first step to where before they can talk

880

00:34:52,970 --> 00:34:50,339

about it publicly we're making progress

881

00:34:54,829 --> 00:34:52,980

I I don't doubt for a moment that

882

00:34:55,609 --> 00:34:54,839

progress is being made on this I really

883

00:34:57,589 --> 00:34:55,619

don't

884

00:34:59,089 --> 00:34:57,599

yeah it means to me a little bit of the

885

00:35:00,589 --> 00:34:59,099

Harry Potter and the gallbladder fire

886

00:35:01,790 --> 00:35:00,599

I've never had a Harry Potter reference

887

00:35:03,890 --> 00:35:01,800

yet here and you know where they've got

888

00:35:05,450 --> 00:35:03,900

they've got it they've got the cop in

889

00:35:07,370 --> 00:35:05,460

the middle of the Maze and we can see

890

00:35:08,930 --> 00:35:07,380

the cup we can see the goal but they've

891

00:35:10,250 --> 00:35:08,940

put the maze up and the Maze is going to

892

00:35:11,690 --> 00:35:10,260

keep shifting and we have to keep

893

00:35:13,310 --> 00:35:11,700

finding our way there we're going to go

894

00:35:15,050 --> 00:35:13,320

back we're going to go sideways and

895

00:35:16,550 --> 00:35:15,060

we're going to get lost but I think

896

00:35:20,450 --> 00:35:16,560

there's the opportunity to still go and

897

00:35:22,069 --> 00:35:20,460

get that that end goal well I do too uh

898

00:35:24,290 --> 00:35:22,079

I you know listen

899

00:35:26,990 --> 00:35:24,300

um one of my favorite quotes comes from

900

00:35:29,210 --> 00:35:27,000

the doctor Strangelove movie and uh the

901
00:35:32,150 --> 00:35:29,220
general played by George C Scott is Buck

902
00:35:34,910 --> 00:35:32,160
turgidson and he's trying to explain to

903
00:35:37,250 --> 00:35:34,920
the president how nuclear war is going

904
00:35:39,109 --> 00:35:37,260
to work and how how being attacked by

905
00:35:41,630 --> 00:35:39,119
the Soviet Union would play out in

906
00:35:43,250 --> 00:35:41,640
America and he says to the president he

907
00:35:44,690 --> 00:35:43,260
goes I'm not saying we're not going to

908
00:35:47,210 --> 00:35:44,700
get our hair must

909
00:35:49,370 --> 00:35:47,220
and I actually think that's pretty

910
00:35:50,270 --> 00:35:49,380
descriptive of what disclosure is going

911
00:35:59,810 --> 00:35:50,280
to be

912
00:36:02,329 --> 00:35:59,820
we're gonna get our hair must uh it it

913
00:36:04,190 --> 00:36:02,339

it's going to be disruptive it is the

914

00:36:06,650 --> 00:36:04,200

ultimate disruption I mean people love

915

00:36:09,230 --> 00:36:06,660

to throw that phrase around oh well I'm

916

00:36:12,050 --> 00:36:09,240

a disrupter baby you're not a disrupter

917

00:36:14,750 --> 00:36:12,060

until you tell people there's aliens or

918

00:36:17,510 --> 00:36:14,760

non-humans flying around the earth then

919

00:36:18,770 --> 00:36:17,520

you're disrupting things now uh so

920

00:36:20,510 --> 00:36:18,780

things are going to come apart a little

921

00:36:22,010 --> 00:36:20,520

bit before they have the potential of

922

00:36:24,710 --> 00:36:22,020

coming back together but here's the

923

00:36:28,609 --> 00:36:24,720

thing as you and I have talked about

924

00:36:31,370 --> 00:36:28,619

we don't know exactly what the truth is

925

00:36:34,849 --> 00:36:31,380

and the truth may be so

926

00:36:36,890 --> 00:36:34,859

hard to get your brain around that that

927

00:36:38,930 --> 00:36:36,900

that may explain half of why we haven't

928

00:36:41,030 --> 00:36:38,940

been told the truth over the years in

929

00:36:42,710 --> 00:36:41,040

other words if you could figure out how

930

00:36:44,930 --> 00:36:42,720

to tell the truth in a way that doesn't

931

00:36:47,930 --> 00:36:44,940

break down the very essence of

932

00:36:49,130 --> 00:36:47,940

government and um and cause people to

933

00:36:51,230 --> 00:36:49,140

have

934

00:36:53,930 --> 00:36:51,240

mental breakdowns or not show up for

935

00:36:58,250 --> 00:36:53,940

work you might tell them but maybe the

936

00:37:02,390 --> 00:36:58,260

truth is so bizarre and so challenging

937

00:37:07,430 --> 00:37:02,400

and maybe it's not it's not a or b or

938

00:37:09,710 --> 00:37:07,440

even C it's like Z I mean it it may be

939

00:37:11,569 --> 00:37:09,720

just something where

940

00:37:14,630 --> 00:37:11,579

you know

941

00:37:16,730 --> 00:37:14,640

somebody who's really in the know might

942

00:37:19,430 --> 00:37:16,740

have a hard time explaining it exactly

943

00:37:21,589 --> 00:37:19,440

to to you and me you know we we'd be

944

00:37:23,210 --> 00:37:21,599

listening we'd want to understand it but

945

00:37:25,010 --> 00:37:23,220

they might say you know what I'm going

946

00:37:26,690 --> 00:37:25,020

to have to get a team of scientist to

947

00:37:28,730 --> 00:37:26,700

come here to explain it to you because

948

00:37:30,890 --> 00:37:28,740

I'm not doing very well and that's kind

949

00:37:33,170 --> 00:37:30,900

of how I feel it's going to come down

950

00:37:34,790 --> 00:37:33,180

which is why I'm not the young man I

951
00:37:38,270 --> 00:37:34,800
used to be and I would like to see this

952
00:37:40,430 --> 00:37:38,280
issue uh resolved in my lifetime but I

953
00:37:43,010 --> 00:37:40,440
don't think and I and I guess now I'm

954
00:37:45,230 --> 00:37:43,020
I've come down to the idea that there

955
00:37:47,109 --> 00:37:45,240
will be some form of acknowledgment I

956
00:37:50,210 --> 00:37:47,119
would call it confirmation

957
00:37:52,970 --> 00:37:50,220
but I don't think in my lifetime I'm

958
00:37:54,170 --> 00:37:52,980
going to know exactly what the truth is

959
00:37:57,170 --> 00:37:54,180
because

960
00:37:59,870 --> 00:37:57,180
that will be a developing story and as

961
00:38:03,109 --> 00:37:59,880
opposed to Chinese balloons uh the

962
00:38:06,170 --> 00:38:03,119
actual disclosure or confirmation of a

963
00:38:09,109 --> 00:38:06,180

non-human reality is is going to be the

964

00:38:11,630 --> 00:38:09,119

story that never stops giving I mean if

965

00:38:13,010 --> 00:38:11,640

you're a reporter I mean you know Ross

966

00:38:15,050 --> 00:38:13,020

and I've talked about it we're like well

967

00:38:16,910 --> 00:38:15,060

what happens if they disclose do we shut

968

00:38:19,370 --> 00:38:16,920

the show down you know and the answer is

969

00:38:21,349 --> 00:38:19,380

hell no I mean you don't shut the show

970

00:38:23,210 --> 00:38:21,359

down and you're going to be doing shows

971

00:38:25,670 --> 00:38:23,220

you're gonna have to go from weekly to

972

00:38:28,430 --> 00:38:25,680

daily uh you know when this happens

973

00:38:31,790 --> 00:38:28,440

because there's just there's so many

974

00:38:33,410 --> 00:38:31,800

permutations to the story so I just am

975

00:38:35,450 --> 00:38:33,420

hopeful that we can get past the

976

00:38:38,810 --> 00:38:35,460

confirmation phase and get into the

977

00:38:40,430 --> 00:38:38,820

coverage phase sooner than later

978

00:38:41,930 --> 00:38:40,440

excellent nice little round up there and

979

00:38:43,790 --> 00:38:41,940

I'll give a shout out to my friend long

980

00:38:45,290 --> 00:38:43,800

time friend gav who's a massive fan of

981

00:38:46,970 --> 00:38:45,300

the Doctor Strange Love movie you

982

00:38:49,310 --> 00:38:46,980

mentioned that so I remember I'm being

983

00:38:50,690 --> 00:38:49,320

obsessed with a DVD back in the day

984

00:38:52,490 --> 00:38:50,700

um even though that movie came out long

985

00:38:54,890 --> 00:38:52,500

before DVDs

986

00:38:56,690 --> 00:38:54,900

um listen it's uh Monday 20th of

987

00:38:58,609 --> 00:38:56,700

February is President's Day in the

988

00:39:00,710 --> 00:38:58,619

United States do you mean just giving

989

00:39:02,810 --> 00:39:00,720

the listeners who are listening or the

990

00:39:04,490 --> 00:39:02,820

viewers not from the states an idea of

991

00:39:08,089 --> 00:39:04,500

what President's Day is

992

00:39:10,250 --> 00:39:08,099

oh sure you know um I actually don't

993

00:39:12,050 --> 00:39:10,260

know when they first started it it may

994

00:39:16,190 --> 00:39:12,060

have

995

00:39:19,010 --> 00:39:16,200

birthday or something that later got

996

00:39:20,510 --> 00:39:19,020

turned into President's Day the main

997

00:39:23,030 --> 00:39:20,520

reason we have holidays in the United

998

00:39:24,589 --> 00:39:23,040

States is to give people a day off right

999

00:39:27,170 --> 00:39:24,599

yeah it's not that we're you know people

1000

00:39:30,950 --> 00:39:27,180

are not solemnly huddled and uh you know

1001

00:39:33,230 --> 00:39:30,960

uh their community centers to observe

1002

00:39:35,210 --> 00:39:33,240

and venerate our presidents that's not

1003

00:39:37,910 --> 00:39:35,220

happening people just say oh great it's

1004

00:39:41,270 --> 00:39:37,920

President's Day let's go to the mall uh

1005

00:39:42,829 --> 00:39:41,280

we should have some sales so President's

1006

00:39:44,210 --> 00:39:42,839

Day doesn't mean anything in that regard

1007

00:39:48,230 --> 00:39:44,220

but

1008

00:39:52,069 --> 00:39:48,240

think about President's Day in the

1009

00:39:54,010 --> 00:39:52,079

context of the UFO UAP issue though uh

1010

00:39:57,109 --> 00:39:54,020

as one that um

1011

00:39:59,030 --> 00:39:57,119

where when the truth is actually

1012

00:40:01,010 --> 00:39:59,040

discussed it's going to put the

1013

00:40:03,109 --> 00:40:01,020

president's Center Stage some of them

1014

00:40:04,730 --> 00:40:03,119

will have known more than others

1015

00:40:06,890 --> 00:40:04,740

um some of them might have known nothing

1016

00:40:10,069 --> 00:40:06,900

some of them might have known everything

1017

00:40:11,930 --> 00:40:10,079

there was to know and you could probably

1018

00:40:13,790 --> 00:40:11,940

write a book about the presidents at

1019

00:40:17,990 --> 00:40:13,800

that point when the when the truth comes

1020

00:40:20,569 --> 00:40:18,000

out because uh clearly no matter whether

1021

00:40:22,550 --> 00:40:20,579

they knew everything or knew nothing the

1022

00:40:24,290 --> 00:40:22,560

behavior has been roughly the same which

1023

00:40:27,230 --> 00:40:24,300

is we're not going to tell anybody about

1024

00:40:27,829 --> 00:40:27,240

it at some now you do get

1025

00:40:29,690 --> 00:40:27,839

um

1026
00:40:31,490 --> 00:40:29,700
from time to time people will make the

1027
00:40:32,870 --> 00:40:31,500
argument they'll they'll say well why

1028
00:40:35,089 --> 00:40:32,880
would the presidents be told anything

1029
00:40:37,130 --> 00:40:35,099
they're just an employee they're there

1030
00:40:40,609 --> 00:40:37,140
as a short timer they're there for eight

1031
00:40:42,109 --> 00:40:40,619
years Max maybe four years and uh you

1032
00:40:45,650 --> 00:40:42,119
know the people who are managing the

1033
00:40:47,870 --> 00:40:45,660
secret uh Take the Long View I I don't

1034
00:40:50,270 --> 00:40:47,880
know that I particularly buy that I

1035
00:40:52,730 --> 00:40:50,280
think a president that wants to know can

1036
00:40:54,530 --> 00:40:52,740
make waves although

1037
00:40:56,750 --> 00:40:54,540
let's look at the Clinton example

1038
00:40:58,670 --> 00:40:56,760

Clinton got into office Bill Clinton

1039

00:41:02,030 --> 00:40:58,680

1993

1040

00:41:05,089 --> 00:41:02,040

uh went to his attorney Webster Hubble

1041

00:41:07,069 --> 00:41:05,099

and said uh Webster listen I want you to

1042

00:41:09,410 --> 00:41:07,079

go find out two things for me

1043

00:41:11,930 --> 00:41:09,420

I want you to find out who killed JFK

1044

00:41:14,810 --> 00:41:11,940

and I want you to tell me what's going

1045

00:41:17,450 --> 00:41:14,820

on with UFOs and basically Hubble went

1046

00:41:19,490 --> 00:41:17,460

out for a couple three months and asked

1047

00:41:22,430 --> 00:41:19,500

around and came back to Clinton and said

1048

00:41:26,089 --> 00:41:22,440

I can't get anything on either of them

1049

00:41:28,910 --> 00:41:26,099

so sometimes presidents don't get told

1050

00:41:31,130 --> 00:41:28,920

let me sidestep that quick or not

1051
00:41:33,530 --> 00:41:31,140
Sidetrack it even how does Tom DeLong

1052
00:41:35,450 --> 00:41:33,540
manage to get around that then and get

1053
00:41:38,870 --> 00:41:35,460
to the point he did when Clinton

1054
00:41:41,089 --> 00:41:38,880
couldn't well okay Tom DeLong is

1055
00:41:44,089 --> 00:41:41,099
deniable right

1056
00:41:46,849 --> 00:41:44,099
um You can say about Tom DeLong what

1057
00:41:48,589 --> 00:41:46,859
would he know he's a rock musician he's

1058
00:41:51,290 --> 00:41:48,599
probably making it all up which by the

1059
00:41:53,569 --> 00:41:51,300
way uh Ross and I do not believe he's

1060
00:41:56,390 --> 00:41:53,579
making it all up I mean clearly he has

1061
00:41:58,490 --> 00:41:56,400
had the conversations the these these

1062
00:42:01,430 --> 00:41:58,500
the Clinton emails that were released

1063
00:42:03,589 --> 00:42:01,440

actually proved that podesta uh John

1064

00:42:05,810 --> 00:42:03,599

podesta and and DeLong had had

1065

00:42:08,450 --> 00:42:05,820

conversations so

1066

00:42:10,490 --> 00:42:08,460

but but he's more deniable whereas

1067

00:42:11,870 --> 00:42:10,500

Clinton a president I mean if a

1068

00:42:13,609 --> 00:42:11,880

president starts

1069

00:42:16,550 --> 00:42:13,619

let me put it this way

1070

00:42:19,849 --> 00:42:16,560

if Bill Clinton had gone on a show like

1071

00:42:23,690 --> 00:42:19,859

The Joe Rogan show and expounded for two

1072

00:42:26,510 --> 00:42:23,700

hours about aliens and and Ancient

1073

00:42:28,490 --> 00:42:26,520

Aliens and all the things Tom DeLonge

1074

00:42:30,589 --> 00:42:28,500

talks about that would have been a story

1075

00:42:32,990 --> 00:42:30,599

that would have mesmerized the world and

1076
00:42:35,150 --> 00:42:33,000
changed the world overnight Tom DeLong

1077
00:42:37,010 --> 00:42:35,160
does the same thing and we go that's

1078
00:42:40,190 --> 00:42:37,020
interesting uh what you want to get

1079
00:42:41,930 --> 00:42:40,200
breakfast uh it's it's like they're just

1080
00:42:44,390 --> 00:42:41,940
different things

1081
00:42:46,130 --> 00:42:44,400
um it doesn't mean by the way that

1082
00:42:48,770 --> 00:42:46,140
delong's a liar

1083
00:42:53,150 --> 00:42:48,780
it just means that he wasn't president

1084
00:42:56,210 --> 00:42:53,160
he was a rock star and uh it's and and

1085
00:42:57,650 --> 00:42:56,220
again uh the one thing that Richard

1086
00:43:00,470 --> 00:42:57,660
Dolan and I always thought well

1087
00:43:02,510 --> 00:43:00,480
researching after disclosure is there's

1088
00:43:04,609 --> 00:43:02,520

got to be somebody

1089

00:43:06,470 --> 00:43:04,619

if if you've had a 80-year secret

1090

00:43:08,930 --> 00:43:06,480

there's got to be some and and you've

1091

00:43:10,670 --> 00:43:08,940

spent trillions of dollars on it not

1092

00:43:12,109 --> 00:43:10,680

just doing the research but covering it

1093

00:43:20,930 --> 00:43:12,119

up

1094

00:43:23,030 --> 00:43:20,940

to go now maybe they keep uh innovating

1095

00:43:25,670 --> 00:43:23,040

on the plan but the plan obviously

1096

00:43:28,130 --> 00:43:25,680

included something that involved Tom

1097

00:43:30,410 --> 00:43:28,140

DeLonge and it may have been a trial

1098

00:43:32,930 --> 00:43:30,420

balloon again not no irony with the

1099

00:43:35,750 --> 00:43:32,940

balloon thing but it it may have simply

1100

00:43:38,690 --> 00:43:35,760

been okay let's try this thing with the

1101
00:43:41,809 --> 00:43:38,700
long and see if that works and probably

1102
00:43:44,870 --> 00:43:41,819
by now uh if you were an Insider you'd

1103
00:43:47,809 --> 00:43:44,880
say it worked as well as we could expect

1104
00:43:49,550 --> 00:43:47,819
it got tssa out there it got some of

1105
00:43:51,470 --> 00:43:49,560
these people well known and now we're

1106
00:43:54,589 --> 00:43:51,480
moving into a new phase and the people

1107
00:43:56,990 --> 00:43:54,599
who are pressing for further disclosures

1108
00:43:58,250 --> 00:43:57,000
uh are probably reasonably happy with

1109
00:44:00,109 --> 00:43:58,260
what happened

1110
00:44:03,410 --> 00:44:00,119
what do you think changed from Bill

1111
00:44:05,809 --> 00:44:03,420
Clinton to Hillary Clinton that

1112
00:44:07,309 --> 00:44:05,819
Tom DeLong got with the podesta team and

1113
00:44:08,930 --> 00:44:07,319

there was going to be a team a that

1114

00:44:10,550 --> 00:44:08,940

wouldn't have been Loyola zondo Chris

1115

00:44:12,230 --> 00:44:10,560

Mill and Jim Zimmerman it would have

1116

00:44:14,569 --> 00:44:12,240

been a different group we know that now

1117

00:44:16,550 --> 00:44:14,579

but do you have any idea or can you

1118

00:44:18,650 --> 00:44:16,560

speculate on what changed in that time

1119

00:44:20,690 --> 00:44:18,660

that if she had got into the office she

1120

00:44:23,690 --> 00:44:20,700

could have been the disclosure president

1121

00:44:27,349 --> 00:44:23,700

uh a couple of things um I think John

1122

00:44:29,390 --> 00:44:27,359

podesta uh probably knew less when he

1123

00:44:31,190 --> 00:44:29,400

was working with Bill than he did in the

1124

00:44:33,050 --> 00:44:31,200

years after because he's had a lifetime

1125

00:44:35,630 --> 00:44:33,060

interest in this and so he's probably

1126

00:44:38,510 --> 00:44:35,640

had talked to a lot of people and I also

1127

00:44:41,750 --> 00:44:38,520

believe the Clintons uh I clearly Bill

1128

00:44:43,010 --> 00:44:41,760

realized he'd been snowed by somebody I

1129

00:44:44,690 --> 00:44:43,020

mean he was the president and he

1130

00:44:46,490 --> 00:44:44,700

couldn't get all the answers that he

1131

00:44:48,770 --> 00:44:46,500

wanted so

1132

00:44:51,650 --> 00:44:48,780

um he and Hillary probably said to

1133

00:44:53,870 --> 00:44:51,660

themselves there's a this story

1134

00:44:55,430 --> 00:44:53,880

isn't as crazy as you'd think because

1135

00:44:59,750 --> 00:44:55,440

they don't want to talk to you about it

1136

00:45:03,430 --> 00:44:59,760

so they probably did research and uh it

1137

00:45:06,170 --> 00:45:03,440

seems clear that Hillary thought she

1138

00:45:09,589 --> 00:45:06,180

would be able to wield the levers of

1139

00:45:12,109 --> 00:45:09,599

power to to get some kind of disclosure

1140

00:45:13,190 --> 00:45:12,119

going that's what I think changed number

1141

00:45:16,010 --> 00:45:13,200

one

1142

00:45:18,890 --> 00:45:16,020

um that they had internal circumstances

1143

00:45:20,990 --> 00:45:18,900

that changed but I think externally just

1144

00:45:24,710 --> 00:45:21,000

take a look Clinton leaves office in

1145

00:45:28,790 --> 00:45:24,720

2001 well just think how The public's

1146

00:45:31,970 --> 00:45:28,800

opinion about UFOs was changing rapidly

1147

00:45:34,430 --> 00:45:31,980

from 2001 through uh when Hillary is

1148

00:45:37,670 --> 00:45:34,440

running in 2016. those are pretty big

1149

00:45:39,890 --> 00:45:37,680

years for people to start to say

1150

00:45:41,630 --> 00:45:39,900

you know something

1151

00:45:43,849 --> 00:45:41,640

is not quite right

1152

00:45:46,430 --> 00:45:43,859

we all know it we know something's not

1153

00:45:49,010 --> 00:45:46,440

quite right on this issue and like I

1154

00:45:50,809 --> 00:45:49,020

said the the thing that has helped to

1155

00:45:52,130 --> 00:45:50,819

keep the secret over the years has been

1156

00:45:53,569 --> 00:45:52,140

a lot of people that know that

1157

00:45:55,970 --> 00:45:53,579

something's not quite right just still

1158

00:45:58,430 --> 00:45:55,980

don't want to talk about it right that

1159

00:46:00,349 --> 00:45:58,440

but then there's people like you Andy

1160

00:46:02,329 --> 00:46:00,359

and people like me and people like your

1161

00:46:04,569 --> 00:46:02,339

listeners and viewers who do want to

1162

00:46:07,490 --> 00:46:04,579

talk about it and

1163

00:46:10,970 --> 00:46:07,500

we have found each other

1164

00:46:12,890 --> 00:46:10,980

in the years from 2001 through 2016 if

1165

00:46:15,770 --> 00:46:12,900

you will through the internet

1166

00:46:17,510 --> 00:46:15,780

and and so I guess my second part of it

1167

00:46:19,910 --> 00:46:17,520

is the first is the clintons got

1168

00:46:22,670 --> 00:46:19,920

interested and and they had podesta's

1169

00:46:23,930 --> 00:46:22,680

now I and the second is the public had

1170

00:46:26,569 --> 00:46:23,940

the internet

1171

00:46:28,309 --> 00:46:26,579

in a big way and they could start to

1172

00:46:30,710 --> 00:46:28,319

talk to each other and people like you

1173

00:46:32,270 --> 00:46:30,720

and me realized oh we're not alone

1174

00:46:34,670 --> 00:46:32,280

no I don't mean not alone in the

1175

00:46:36,589 --> 00:46:34,680

universe we're not alone on Earth uh

1176

00:46:40,069 --> 00:46:36,599

being able to find people that want to

1177

00:46:42,410 --> 00:46:40,079

talk about this with us and um now you

1178

00:46:45,230 --> 00:46:42,420

know there's a hundred or 200 or 300

1179

00:46:47,450 --> 00:46:45,240

podcasts about talking about this you've

1180

00:46:48,950 --> 00:46:47,460

got one I've got one I mean it's almost

1181

00:46:50,630 --> 00:46:48,960

like you can't get viewers for your

1182

00:46:52,490 --> 00:46:50,640

podcast for listeners for your podcast

1183

00:46:55,309 --> 00:46:52,500

because everyone's doing their own

1184

00:46:57,829 --> 00:46:55,319

podcast I mean that's how

1185

00:46:59,750 --> 00:46:57,839

you know it's it's so ironic this is a

1186

00:47:01,309 --> 00:46:59,760

secret that's not much of a secret

1187

00:47:03,470 --> 00:47:01,319

yeah

1188

00:47:05,930 --> 00:47:03,480

as Ross would say it said in plain sight

1189

00:47:07,609 --> 00:47:05,940

isn't it so yeah obviously he's put his

1190

00:47:09,410 --> 00:47:07,619

books there I see that thank you I'll

1191

00:47:12,470 --> 00:47:09,420

tell he'll be very happy to see that by

1192

00:47:13,910 --> 00:47:12,480

the way uh if people are interested to

1193

00:47:15,950 --> 00:47:13,920

know a little bit more about this need

1194

00:47:18,109 --> 00:47:15,960

to know thing just go to need to know

1195

00:47:20,230 --> 00:47:18,119

dot today it's as simple as we could

1196

00:47:23,089 --> 00:47:20,240

make it need to know run it all together

1197

00:47:25,309 --> 00:47:23,099

dot today and that'll take you to a site

1198

00:47:26,809 --> 00:47:25,319

where you can get all that stuff and all

1199

00:47:28,030 --> 00:47:26,819

of those links for need to know will be

1200

00:47:29,870 --> 00:47:28,040

in the description

1201
00:47:31,490 --> 00:47:29,880
I know it'll take them straight there

1202
00:47:33,290 --> 00:47:31,500
I'll listen to it and watch it as well I

1203
00:47:35,390 --> 00:47:33,300
prefer listening to it I'm an audio guy

1204
00:47:38,450 --> 00:47:35,400
I've always said that's interesting good

1205
00:47:39,829 --> 00:47:38,460
good oh I'm a purist a radio guy

1206
00:47:42,230 --> 00:47:39,839
um I want to know a little bit more

1207
00:47:44,150 --> 00:47:42,240
though on on Hillary Clinton if she had

1208
00:47:45,950 --> 00:47:44,160
beaten Trump as everyone sort of

1209
00:47:48,829 --> 00:47:45,960
expected you know other than Trump

1210
00:47:51,109 --> 00:47:48,839
supporters and they go in from the UK we

1211
00:47:52,849 --> 00:47:51,119
were pretty shocked when Trump won if it

1212
00:47:54,470 --> 00:47:52,859
had been you know sliding doors moment

1213
00:47:58,010 --> 00:47:54,480

holiday gets in

1214

00:48:00,349 --> 00:47:58,020

do you think she gets to to make that

1215

00:48:02,510 --> 00:48:00,359

discovery that announcement or do you

1216

00:48:03,650 --> 00:48:02,520

think it gets obfuscated and hidden away

1217

00:48:06,470 --> 00:48:03,660

and

1218

00:48:09,770 --> 00:48:06,480

can you see it really playing out I can

1219

00:48:12,530 --> 00:48:09,780

uh I could also see her being killed

1220

00:48:15,470 --> 00:48:12,540

you know really well I mean

1221

00:48:18,290 --> 00:48:15,480

yeah I mean if it depends on how the

1222

00:48:20,089 --> 00:48:18,300

people that are curating the secret

1223

00:48:22,970 --> 00:48:20,099

you know what how desperate they think

1224

00:48:23,990 --> 00:48:22,980

it is to keep it not out there uh

1225

00:48:27,170 --> 00:48:24,000

anything could have happened it's

1226

00:48:29,390 --> 00:48:27,180

interesting I've uh outside of my UFO

1227

00:48:30,710 --> 00:48:29,400

stuff I've written a couple of uh what

1228

00:48:33,109 --> 00:48:30,720

if books

1229

00:48:35,150 --> 00:48:33,119

um yeah that have both won uh the

1230

00:48:38,210 --> 00:48:35,160

sidewise award for alternate history one

1231

00:48:39,650 --> 00:48:38,220

of them was about what if JFK survived

1232

00:48:41,150 --> 00:48:39,660

Dallas and the other was what if the

1233

00:48:44,930 --> 00:48:41,160

Beatles stayed together so they weren't

1234

00:48:48,589 --> 00:48:44,940

necessarily UFO uh books although both

1235

00:48:50,750 --> 00:48:48,599

have a UFO connection JFK supposedly did

1236

00:48:52,849 --> 00:48:50,760

know something about UFOs and was

1237

00:48:56,329 --> 00:48:52,859

interested and certainly The Beatles had

1238

00:48:58,849 --> 00:48:56,339

John Lennon's UFO sighting back in 1974

1239

00:49:01,010 --> 00:48:58,859

but my point is

1240

00:49:02,870 --> 00:49:01,020

what I was looking for in those books

1241

00:49:05,089 --> 00:49:02,880

was a great what if one where you could

1242

00:49:06,770 --> 00:49:05,099

see wow history would really cleave in a

1243

00:49:08,329 --> 00:49:06,780

different direction well think about

1244

00:49:10,370 --> 00:49:08,339

that with Hillary Clinton I could write

1245

00:49:12,770 --> 00:49:10,380

a great third book on that if I had the

1246

00:49:14,569 --> 00:49:12,780

time where it'd be Hillary Clinton gets

1247

00:49:17,630 --> 00:49:14,579

in instead of trump

1248

00:49:19,730 --> 00:49:17,640

what happens to the UFO issue I think

1249

00:49:21,890 --> 00:49:19,740

that it would have been her intent it

1250

00:49:26,510 --> 00:49:21,900

seems clear now it would have been her

1251
00:49:29,510 --> 00:49:26,520
intent to uh Usher in uh an era of

1252
00:49:31,309 --> 00:49:29,520
some extra transparency on the issue I

1253
00:49:32,750 --> 00:49:31,319
don't know that she would have um I

1254
00:49:35,270 --> 00:49:32,760
doubt that she would have given every

1255
00:49:37,849 --> 00:49:35,280
reporter in the nation a hard drive with

1256
00:49:40,430 --> 00:49:37,859
terabytes of photos or anything but I

1257
00:49:42,470 --> 00:49:40,440
think she might have acknowledged

1258
00:49:45,770 --> 00:49:42,480
um there are things in the sky we don't

1259
00:49:47,630 --> 00:49:45,780
know what they are I'm looking into it

1260
00:49:49,670 --> 00:49:47,640
um that the government's going to look

1261
00:49:52,730 --> 00:49:49,680
into it and we're all in this together

1262
00:49:55,670 --> 00:49:52,740
she might have said something like that

1263
00:49:57,890 --> 00:49:55,680

um but I don't know uh

1264

00:50:00,290 --> 00:49:57,900

clearly that was her intent though I do

1265

00:50:02,809 --> 00:50:00,300

think that's her intent and and and we

1266

00:50:05,809 --> 00:50:02,819

both know Steve bass at the political

1267

00:50:07,430 --> 00:50:05,819

activist on the UFO issue he certainly

1268

00:50:09,770 --> 00:50:07,440

thinks that's

1269

00:50:11,990 --> 00:50:09,780

the absolute truth

1270

00:50:13,790 --> 00:50:12,000

you mentioned uh previous presidents

1271

00:50:15,410 --> 00:50:13,800

obviously the bushes both were in

1272

00:50:16,790 --> 00:50:15,420

administration one that a listeners had

1273

00:50:17,809 --> 00:50:16,800

sent me over a question I want to try

1274

00:50:19,790 --> 00:50:17,819

and ask

1275

00:50:22,010 --> 00:50:19,800

um Bryce you've previously recounted

1276

00:50:23,750 --> 00:50:22,020

this is from Dave Smithers um that

1277

00:50:25,849 --> 00:50:23,760

senior politician who was in the bush

1278

00:50:27,950 --> 00:50:25,859

cabinet told you when you were younger

1279

00:50:30,890 --> 00:50:27,960

that the truth about UFOs and others was

1280

00:50:32,750 --> 00:50:30,900

existentially shocking do you often

1281

00:50:34,849 --> 00:50:32,760

think about what he meant by that and

1282

00:50:36,890 --> 00:50:34,859

does that still worry you well I tell

1283

00:50:40,370 --> 00:50:36,900

you it certainly

1284

00:50:42,470 --> 00:50:40,380

I to do justice to that story

1285

00:50:46,089 --> 00:50:42,480

would hijack the rest of our time

1286

00:50:48,950 --> 00:50:46,099

together so I I give you a very short

1287

00:50:50,270 --> 00:50:48,960

version of it and and I guess we kind of

1288

00:50:51,710 --> 00:50:50,280

move on

1289

00:50:52,549 --> 00:50:51,720

um prior to

1290

00:50:54,890 --> 00:50:52,559

um

1291

00:50:57,770 --> 00:50:54,900

creating Dark Skies I met with my

1292

00:50:59,270 --> 00:50:57,780

partner Brent Friedman and I didn't know

1293

00:51:01,609 --> 00:50:59,280

him at the time and he told me a story

1294

00:51:04,250 --> 00:51:01,619

about when he was an 18 year old and he

1295

00:51:06,349 --> 00:51:04,260

had been hired to drive a car across the

1296

00:51:09,349 --> 00:51:06,359

United States to deliver it to someone

1297

00:51:11,329 --> 00:51:09,359

who is in Reagan's cabinet who lived in

1298

00:51:14,329 --> 00:51:11,339

the neighborhood he was at and was a

1299

00:51:17,450 --> 00:51:14,339

family friend and that this person

1300

00:51:19,670 --> 00:51:17,460

um was the under Secretary of the Navy

1301
00:51:21,770 --> 00:51:19,680
in the first term in Secretary of Energy

1302
00:51:23,809 --> 00:51:21,780
in the second term and that he told

1303
00:51:25,130 --> 00:51:23,819
Brent some harrowing things which I'm

1304
00:51:27,470 --> 00:51:25,140
just not going to get into right now

1305
00:51:31,670 --> 00:51:27,480
it's too long of a story but suffice it

1306
00:51:33,770 --> 00:51:31,680
to say this person felt that his very

1307
00:51:36,109 --> 00:51:33,780
basis of reality had been challenged

1308
00:51:38,150 --> 00:51:36,119
that he had been briefed and the

1309
00:51:40,910 --> 00:51:38,160
briefing wasn't so good and I'll just

1310
00:51:42,829 --> 00:51:40,920
I'll just give you the one quote

1311
00:51:44,569 --> 00:51:42,839
um he said he cried himself to sleep

1312
00:51:46,849 --> 00:51:44,579
every night during the briefing period

1313
00:51:49,849 --> 00:51:46,859

which apparently was six to eight weeks

1314

00:51:52,130 --> 00:51:49,859

and uh Brett asked him why and he said

1315

00:51:54,230 --> 00:51:52,140

because I have I have daughters and this

1316

00:51:58,150 --> 00:51:54,240

is the world they're going to live in

1317

00:52:02,150 --> 00:51:58,160

and that is kind of existentially

1318

00:52:04,730 --> 00:52:02,160

disquieting right so I you know I

1319

00:52:06,589 --> 00:52:04,740

actually believe that story to be true I

1320

00:52:08,030 --> 00:52:06,599

mean I've looked into it and and I know

1321

00:52:10,549 --> 00:52:08,040

Brent's

1322

00:52:12,230 --> 00:52:10,559

um truthfulness so I think there is a

1323

00:52:13,910 --> 00:52:12,240

darker side to this it doesn't mean

1324

00:52:16,609 --> 00:52:13,920

there isn't a lighter side I have not

1325

00:52:18,890 --> 00:52:16,619

heard uh the lighter side in the same

1326
00:52:20,750 --> 00:52:18,900
kind of graphic relief that I I heard

1327
00:52:21,950 --> 00:52:20,760
about the darker side

1328
00:52:23,569 --> 00:52:21,960
um I don't know if that what the

1329
00:52:25,849 --> 00:52:23,579
question was

1330
00:52:29,210 --> 00:52:27,470
where am I going with this just yeah

1331
00:52:30,290 --> 00:52:29,220
what what do you think you meant and

1332
00:52:32,210 --> 00:52:30,300
does it what are you which I think

1333
00:52:34,730 --> 00:52:32,220
you've answered within that yeah I I I

1334
00:52:36,230 --> 00:52:34,740
just think that this person and by the

1335
00:52:38,089 --> 00:52:36,240
way Ross and I are looking into this

1336
00:52:39,829 --> 00:52:38,099
story so you'll hear more about it in

1337
00:52:41,809 --> 00:52:39,839
the future and also I'm writing a book

1338
00:52:43,010 --> 00:52:41,819

right now uh where I'm going to try to

1339

00:52:44,569 --> 00:52:43,020

lay out the whole thing because I just

1340

00:52:46,670 --> 00:52:44,579

think it's part of the historical record

1341

00:52:48,290 --> 00:52:46,680

now when we were doing Dark Skies I

1342

00:52:50,030 --> 00:52:48,300

didn't think of it that way I thought

1343

00:52:52,130 --> 00:52:50,040

well that's a great story now let's go

1344

00:52:55,190 --> 00:52:52,140

do a TV series

1345

00:52:57,589 --> 00:52:55,200

um but now that I'm thinking of this in

1346

00:52:59,150 --> 00:52:57,599

an equally journalistic way

1347

00:53:00,710 --> 00:52:59,160

I think it's an important part of

1348

00:53:03,890 --> 00:53:00,720

history that should be preserved in fact

1349

00:53:06,829 --> 00:53:03,900

I urge everyone who's ever seen anything

1350

00:53:08,990 --> 00:53:06,839

or heard anything uh you know this is

1351
00:53:11,870 --> 00:53:09,000
the time to write it down this is the

1352
00:53:14,809 --> 00:53:11,880
time to to make sure that the the

1353
00:53:17,630 --> 00:53:14,819
historical record for future historians

1354
00:53:19,730 --> 00:53:17,640
to to find needs to be as clear as

1355
00:53:21,950 --> 00:53:19,740
possible so if you've got a story that

1356
00:53:24,710 --> 00:53:21,960
never got told or even if you it was

1357
00:53:26,809 --> 00:53:24,720
told write it down in as much

1358
00:53:28,309 --> 00:53:26,819
specificity as possible and share it

1359
00:53:29,210 --> 00:53:28,319
because

1360
00:53:31,010 --> 00:53:29,220
um

1361
00:53:33,349 --> 00:53:31,020
because we obviously know there's a

1362
00:53:35,150 --> 00:53:33,359
phenomenon and we need to get our our

1363
00:53:36,530 --> 00:53:35,160

arms around it and figure out what it

1364

00:53:38,569 --> 00:53:36,540

means to us

1365

00:53:41,030 --> 00:53:38,579

on your latest episode Bryce yourself

1366

00:53:43,130 --> 00:53:41,040

and Ross have said that uh this is the

1367

00:53:45,470 --> 00:53:43,140

time that listeners and viewers to

1368

00:53:47,690 --> 00:53:45,480

podcasts and shows like these need to

1369

00:53:49,069 --> 00:53:47,700

Rattle the cages of Representatives and

1370

00:53:50,870 --> 00:53:49,079

for me I would say regardless of

1371

00:53:52,910 --> 00:53:50,880

whatever country you're in because the

1372

00:53:54,710 --> 00:53:52,920

subject is being put under the spotlight

1373

00:53:57,410 --> 00:53:54,720

right now whether that's under the

1374

00:53:59,510 --> 00:53:57,420

auspices of spy technology balloons or

1375

00:54:00,770 --> 00:53:59,520

whatever that may entail I think this is

1376

00:54:02,569 --> 00:54:00,780

the chance now isn't it to take

1377

00:54:04,010 --> 00:54:02,579

advantage and make sure your voice is

1378

00:54:07,970 --> 00:54:04,020

heard how do you think people should

1379

00:54:10,370 --> 00:54:07,980

best do that well I listen I

1380

00:54:12,410 --> 00:54:10,380

I literally one time came up with 20

1381

00:54:14,870 --> 00:54:12,420

things I thought people should do to try

1382

00:54:17,450 --> 00:54:14,880

to increase the chance of disclosure and

1383

00:54:19,730 --> 00:54:17,460

they were really granular they included

1384

00:54:21,650 --> 00:54:19,740

when you find a great UFO book buy three

1385

00:54:24,109 --> 00:54:21,660

copies of it and give to them away to

1386

00:54:25,250 --> 00:54:24,119

your friends and uh tell them to read

1387

00:54:26,569 --> 00:54:25,260

them and when they're done reading them

1388

00:54:29,329 --> 00:54:26,579

tell them to give them to friends

1389

00:54:33,170 --> 00:54:29,339

because we they know that it needs to

1390

00:54:35,870 --> 00:54:33,180

get out there but um I

1391

00:54:38,270 --> 00:54:35,880

I you know listen it never hurts to

1392

00:54:39,829 --> 00:54:38,280

consult with your representatives and

1393

00:54:42,109 --> 00:54:39,839

tell them that you want more openness

1394

00:54:44,690 --> 00:54:42,119

I'm I'm in favor of that

1395

00:54:46,309 --> 00:54:44,700

um and and people should do that I do

1396

00:54:49,549 --> 00:54:46,319

think though you raise a larger question

1397

00:54:51,770 --> 00:54:49,559

which is something we should Clearly say

1398

00:54:53,329 --> 00:54:51,780

on your podcast and that Ross and I say

1399

00:54:57,170 --> 00:54:53,339

all the time he's from Australia I'm

1400

00:54:59,930 --> 00:54:57,180

from the U.S this is not a United States

1401
00:55:02,750 --> 00:54:59,940
only issue it is not a United States

1402
00:55:05,390 --> 00:55:02,760
only problem it's a global issue and a

1403
00:55:08,450 --> 00:55:05,400
global problem and

1404
00:55:10,670 --> 00:55:08,460
when we talk about disclosure it doesn't

1405
00:55:12,829 --> 00:55:10,680
have to come from the United States I've

1406
00:55:16,010 --> 00:55:12,839
actually heard that there are several

1407
00:55:18,410 --> 00:55:16,020
countries that are have been waiting for

1408
00:55:19,549 --> 00:55:18,420
the United States to make its move and

1409
00:55:22,790 --> 00:55:19,559
if it doesn't they're going to make

1410
00:55:24,770 --> 00:55:22,800
their move and uh we could end up in a

1411
00:55:27,049 --> 00:55:24,780
disclosure race I mean let's imagine you

1412
00:55:29,510 --> 00:55:27,059
were talking about Joe Biden let's

1413
00:55:33,290 --> 00:55:29,520

imagine that Joe Biden is getting his

1414

00:55:36,770 --> 00:55:33,300

presidential daily briefing and his

1415

00:55:38,569 --> 00:55:36,780

advisors say it looks like the UK is

1416

00:55:40,870 --> 00:55:38,579

going to own up to this and they're

1417

00:55:43,790 --> 00:55:40,880

going to release photos and or whatever

1418

00:55:45,589 --> 00:55:43,800

you know whatever I'm not saying I've

1419

00:55:48,530 --> 00:55:45,599

heard that about the UK I'm just saying

1420

00:55:50,750 --> 00:55:48,540

as an example uh wouldn't the president

1421

00:55:52,910 --> 00:55:50,760

of the United States well he'd probably

1422

00:55:54,770 --> 00:55:52,920

first get on the phone and and ask the

1423

00:55:56,510 --> 00:55:54,780

Prime Minister are you crazy why are you

1424

00:55:58,309 --> 00:55:56,520

doing this but if you found out that

1425

00:56:00,349 --> 00:55:58,319

they were going to do it anyway the

1426
00:56:02,569 --> 00:56:00,359
United States would have an interest in

1427
00:56:04,130 --> 00:56:02,579
not being scooped on their own story

1428
00:56:06,170 --> 00:56:04,140
there I mean if they've got crash

1429
00:56:07,670 --> 00:56:06,180
wreckage and and and have been looking

1430
00:56:09,530 --> 00:56:07,680
into it that would be the time to come

1431
00:56:13,130 --> 00:56:09,540
clean about it so there's a lot of

1432
00:56:15,170 --> 00:56:13,140
levers and triggers for uh for things to

1433
00:56:18,049 --> 00:56:15,180
be changed and the one thing that I

1434
00:56:21,049 --> 00:56:18,059
think we can all agree on is the

1435
00:56:22,730 --> 00:56:21,059
possibility of surprise not one of us

1436
00:56:25,670 --> 00:56:22,740
two weeks ago thought there were going

1437
00:56:30,049 --> 00:56:25,680
to be four UAP shot down in a week

1438
00:56:31,250 --> 00:56:30,059

nobody right and it just happened so it

1439

00:56:32,870 --> 00:56:31,260

could have something else could happen

1440

00:56:35,569 --> 00:56:32,880

and in fact that podcast that I'm

1441

00:56:37,309 --> 00:56:35,579

working on the the scripted one is

1442

00:56:39,170 --> 00:56:37,319

literally about that you know you just

1443

00:56:42,230 --> 00:56:39,180

you're cruising along and then something

1444

00:56:43,970 --> 00:56:42,240

happens in the news that opens up the

1445

00:56:45,829 --> 00:56:43,980

curtains and says there's a whole world

1446

00:56:48,230 --> 00:56:45,839

you weren't even seeing out there it's

1447

00:56:49,970 --> 00:56:48,240

like the Matrix if you will

1448

00:56:51,710 --> 00:56:49,980

well Bryce to wrap up because you've

1449

00:56:53,150 --> 00:56:51,720

been great with your time and I do need

1450

00:56:54,770 --> 00:56:53,160

to hold you to get you back on at some

1451
00:56:56,829 --> 00:56:54,780
point because I have three pages of

1452
00:57:00,049 --> 00:56:56,839
listener questions

1453
00:57:01,790 --> 00:57:00,059
I thank you I'll drink to my a w with

1454
00:57:02,990 --> 00:57:01,800
you yeah hopefully there's a few of them

1455
00:57:04,790 --> 00:57:03,000
answered within the body of the

1456
00:57:06,950 --> 00:57:04,800
interview about uh Bryce just to recap

1457
00:57:08,270 --> 00:57:06,960
how can people find you and also how can

1458
00:57:10,130 --> 00:57:08,280
they find your what

1459
00:57:11,809 --> 00:57:10,140
yeah okay listen

1460
00:57:14,990 --> 00:57:11,819
I think we're all encouraging that

1461
00:57:17,270 --> 00:57:15,000
dialogue so yes we are again uh for the

1462
00:57:20,210 --> 00:57:17,280
need to know podcast need to know dot

1463
00:57:21,530 --> 00:57:20,220

today no problem uh Ross and I

1464

00:57:23,510 --> 00:57:21,540
maintained a fairly active Twitter

1465

00:57:26,150 --> 00:57:23,520
presence not everybody's on there these

1466

00:57:28,990 --> 00:57:26,160
days but uh I have two Twitter accounts

1467

00:57:31,190 --> 00:57:29,000
one is at Bryce zable

1468

00:57:32,990 --> 00:57:31,200
b-r-y-c-e-z-a-b-e-l the other is at

1469

00:57:34,609 --> 00:57:33,000
Hollywood UFOs

1470

00:57:37,490 --> 00:57:34,619
um because they're a little different

1471

00:57:40,790 --> 00:57:37,500
Ross is at Ross Colt art uh on Twitter

1472

00:57:42,589 --> 00:57:40,800
and um you know when you go to our site

1473

00:57:44,809 --> 00:57:42,599
there's even a place where you can write

1474

00:57:46,549 --> 00:57:44,819
us so you know people can write us when

1475

00:57:48,950 --> 00:57:46,559
they want we don't get to answer

1476

00:57:50,630 --> 00:57:48,960

everything because literally that's I

1477

00:57:54,530 --> 00:57:50,640

just have to tell you this because I

1478

00:57:56,510 --> 00:57:54,540

think it's so revealing of what we're

1479

00:57:58,670 --> 00:57:56,520

dealing with here Ross and I did that

1480

00:58:00,170 --> 00:57:58,680

first live show uh yesterday that you

1481

00:58:02,450 --> 00:58:00,180

were kind enough to listen to and thank

1482

00:58:03,410 --> 00:58:02,460

you so much and when we were done with

1483

00:58:06,170 --> 00:58:03,420

it

1484

00:58:07,790 --> 00:58:06,180

in the next hour Ross received 700

1485

00:58:10,190 --> 00:58:07,800

emails

1486

00:58:12,770 --> 00:58:10,200

now how is he supposed to deal with that

1487

00:58:14,210 --> 00:58:12,780

he's one person you know you know you've

1488

00:58:17,210 --> 00:58:14,220

been caught in an email thread that

1489

00:58:19,430 --> 00:58:17,220

generates 20 emails right yeah it's very

1490

00:58:22,069 --> 00:58:19,440

hard but what it tells me is that people

1491

00:58:24,049 --> 00:58:22,079

are hungry for this dialogue and what

1492

00:58:26,089 --> 00:58:24,059

you and I are doing is the is the right

1493

00:58:27,770 --> 00:58:26,099

thing right now and what your listeners

1494

00:58:30,890 --> 00:58:27,780

are doing is the right thing so I would

1495

00:58:33,650 --> 00:58:30,900

say to them get in contact

1496

00:58:35,750 --> 00:58:33,660

um and I I guess one horse that I ride

1497

00:58:38,510 --> 00:58:35,760

on this issue is don't just listen to

1498

00:58:41,030 --> 00:58:38,520

your fine podcast or our fine podcast or

1499

00:58:43,309 --> 00:58:41,040

or anyone else's you know when we talk

1500

00:58:45,710 --> 00:58:43,319

about say the government report that got

1501
00:58:47,030 --> 00:58:45,720
put out uh the preliminary report you

1502
00:58:49,490 --> 00:58:47,040
don't have to just take our word for it

1503
00:58:51,950 --> 00:58:49,500
it's it's on the internet read it you

1504
00:58:54,170 --> 00:58:51,960
know start reading uh The more I've

1505
00:58:55,250 --> 00:58:54,180
learned the more critical I am of the

1506
00:58:57,049 --> 00:58:55,260
reporting

1507
00:58:58,789 --> 00:58:57,059
I think that's why Ross and I are doing

1508
00:59:01,150 --> 00:58:58,799
what we're doing because we just weren't

1509
00:59:03,650 --> 00:59:01,160
saying that anybody else was doing it

1510
00:59:05,150 --> 00:59:03,660
well Bryce I'll leave you with this and

1511
00:59:07,069 --> 00:59:05,160
I'll say thank you because uh whenever

1512
00:59:09,109 --> 00:59:07,079
I've hosted your colleague Ross Coulter

1513
00:59:12,410 --> 00:59:09,119

I have to tick the explicit content

1514

00:59:14,030 --> 00:59:12,420

button on Apple podcasts and yeah and

1515

00:59:15,829 --> 00:59:14,040

I've not had to do that by yourself so

1516

00:59:17,329 --> 00:59:15,839

uh thanks very much for your time and I

1517

00:59:19,670 --> 00:59:17,339

look forward to having you back on I

1518

00:59:21,829 --> 00:59:19,680
