this podcast and hear them share some

8
00:00:24,109 --> 00:00:21,660

incredible experiences Calvin Parker Jim

9
00:00:26,330 --> 00:00:24,119

semivan members of the experienter group

10
00:00:28,730 --> 00:00:26,340

and Whitley strieber among many others

11
00:00:31,490 --> 00:00:28,740

my guest today is a former United States

12
00:00:33,350 --> 00:00:31,500

Air Force medic and EMT his academic

13
00:00:35,870 --> 00:00:33,360

achievements include a bachelor's degree

14

00:00:38,150 --> 00:00:35,880

in Psychology from Park University and a

15

00:00:40,310 --> 00:00:38,160

Juris doctor from Western Michigan as

16

00:00:42,350 --> 00:00:40,320

well as this he has a retired lawyer and

17

00:00:44,090 --> 00:00:42,360

former Assistant Attorney General I

18

00:00:46,010 --> 00:00:44,100

think I've covered the bases so I'd like

19

00:00:48,770 --> 00:00:46,020

to welcome podcasts through the podcast

20

00:00:50,869 --> 00:00:48,780

author and researcher Terry Lovelace

21

00:00:53,150 --> 00:00:50,879

Terry welcome to the podcast thank you

22

00:00:54,950 --> 00:00:53,160

Andy it's a real pleasure to be here

23

00:00:56,990 --> 00:00:54,960

now that's quite the background you've

24

00:00:58,549 --> 00:00:57,000

got which makes the story all the more

25

00:01:00,590 --> 00:00:58,559

incredible I think

26

00:01:03,170 --> 00:01:00,600

um so I want to ask you Terry does your

27

00:01:06,469 --> 00:01:03,180

story with the UFO phenomenon begin in

28

00:01:08,390 --> 00:01:06,479

1977 or does it go back further

29

00:01:10,310 --> 00:01:08,400

you know it really goes back to early

30

00:01:12,469 --> 00:01:10,320

childhood

31

00:01:14,750 --> 00:01:12,479

and that that seems to be uh common

32

00:01:17,990 --> 00:01:14,760

among a lot of the experiences that I

33

00:01:22,070 --> 00:01:18,000

talk to uh I had experiences at age four

34

00:01:24,289 --> 00:01:22,080

five six all the way through about seven

35

00:01:28,010 --> 00:01:24,299

um but the the real the real big event

36

00:01:29,870 --> 00:01:28,020

in my life happened in 1977 while I was

37

00:01:31,670 --> 00:01:29,880

on active duty in the United States Air

38

00:01:33,410 --> 00:01:31,680

Force

39

00:01:35,090 --> 00:01:33,420

so let's talk about that then and we'll

40

00:01:37,789 --> 00:01:35,100

Circle back later to some of those those

41

00:01:39,649 --> 00:01:37,799

childhood incidents and of course you're

42

00:01:42,170 --> 00:01:39,659

famous for your book and the event the

43

00:01:44,149 --> 00:01:42,180

incident at Devil's Den can you just

44

00:01:47,030 --> 00:01:44,159

tell me first whereas the devil is dead

45

00:01:49,069 --> 00:01:47,040

it sounds very ominous and what was it

46

00:01:51,649 --> 00:01:49,079

that brought you to being there you know

47

00:01:53,149 --> 00:01:51,659

it is ominous that that's the right word

48

00:01:55,249 --> 00:01:53,159

to use

49

00:01:58,190 --> 00:01:55,259

um I spent six years on active duty in

50

00:02:01,490 --> 00:01:58,200

the Air Force I worked as an EMT in an

51
00:02:05,149 --> 00:02:01,500
emergency room and my uh co-worker and

52
00:02:06,469 --> 00:02:05,159
my best friend uh Tobias and I

53
00:02:08,570 --> 00:02:06,479
uh

54
00:02:09,830 --> 00:02:08,580
we were both City kids I grew up in St

55
00:02:12,589 --> 00:02:09,840
Louis Missouri he grew up in Detroit

56
00:02:15,589 --> 00:02:12,599
Michigan and uh

57
00:02:17,030 --> 00:02:15,599
we worked the midnight shift 11 P.M to 8

58
00:02:19,010 --> 00:02:17,040
A.M in the morning

59
00:02:21,770 --> 00:02:19,020
and one night he says you know he says

60
00:02:23,570 --> 00:02:21,780
hey man I got an idea let's go camping

61
00:02:25,010 --> 00:02:23,580
and I'm like camping you know what what

62
00:02:26,570 --> 00:02:25,020
do I know about camping I've never been

63
00:02:28,130 --> 00:02:26,580

camping in my life and I knew he'd never

64

00:02:30,110 --> 00:02:28,140

been camping in his life

65

00:02:31,910 --> 00:02:30,120

and he's like no no think about it it'd

66

00:02:33,350 --> 00:02:31,920

be fun you know it'd be out we'll be in

67

00:02:35,750 --> 00:02:33,360

the outdoors we'll get some fresh air

68

00:02:37,490 --> 00:02:35,760

it'll be uh it'll be a blast he says I

69

00:02:39,350 --> 00:02:37,500

got the perfect place to go

70

00:02:41,270 --> 00:02:39,360

he spoke with someone who was a

71

00:02:43,670 --> 00:02:41,280

fisherman who told him about this place

72

00:02:47,089 --> 00:02:43,680

called Devil's Den State Park

73

00:02:50,509 --> 00:02:47,099

and uh real quick I did some research on

74

00:02:53,150 --> 00:02:50,519

it when I wrote the book in 2017.

75

00:02:54,949 --> 00:02:53,160

and Devil's Den because I wanted to find

76
00:02:57,650 --> 00:02:54,959
out where did they get the name devil

77
00:03:01,130 --> 00:02:57,660
how did that negative that diabolic

78
00:03:04,130 --> 00:03:01,140
connotation get attached to this park

79
00:03:05,449 --> 00:03:04,140
and I went back as far as I could go and

80
00:03:09,050 --> 00:03:05,459
I found that there were two Native

81
00:03:11,149 --> 00:03:09,060
American tribes that owned the land

82
00:03:12,369 --> 00:03:11,159
one owned half the other on the other

83
00:03:15,949 --> 00:03:12,379
half

84
00:03:20,750 --> 00:03:15,959
and I contacted a Medicine Woman

85
00:03:23,449 --> 00:03:20,760
from Nakato c-a-t-o Canto tribe

86
00:03:25,490 --> 00:03:23,459
in uh

87
00:03:26,690 --> 00:03:25,500
in Northwest Arkansas I forget the name

88
00:03:28,490 --> 00:03:26,700

of the little town

89

00:03:30,350 --> 00:03:28,500

and ask her if she'd talk to me and she

90

00:03:31,009 --> 00:03:30,360

didn't she gave me

91

00:03:33,649 --> 00:03:31,019

um

92

00:03:36,170 --> 00:03:33,659

a brief history of

93

00:03:38,570 --> 00:03:36,180

Devil's Den as far as their people are

94

00:03:40,729 --> 00:03:38,580

concerned and she told me that as far

95

00:03:42,530 --> 00:03:40,739

back as they don't have Britain they

96

00:03:44,449 --> 00:03:42,540

only have oral Traditions as far back as

97

00:03:46,610 --> 00:03:44,459

oral tradition will take them

98

00:03:50,390 --> 00:03:46,620

at Devil's Den State Park has always

99

00:03:52,610 --> 00:03:50,400

been cursed ground that it was a place

100

00:03:54,830 --> 00:03:52,620

where they would Transit through to get

101
00:03:57,229 --> 00:03:54,840
from point A to point B but they never

102
00:03:59,149 --> 00:03:57,239
camped there never hunted there never

103
00:04:00,050 --> 00:03:59,159
fished there

104
00:04:03,710 --> 00:04:00,060
um

105
00:04:06,470 --> 00:04:03,720
she said it was cursed ground I uh

106
00:04:09,830 --> 00:04:06,480
I Then followed up I had a friend with

107
00:04:12,289 --> 00:04:09,840
the who from University of Michigan in

108
00:04:14,890 --> 00:04:12,299
Ann Arbor who had a friend through a

109
00:04:17,509 --> 00:04:14,900
connection to the University of Arkansas

110
00:04:20,270 --> 00:04:17,519
uh and it spoke to the anthropology

111
00:04:23,090 --> 00:04:20,280
department and an archaeologist who had

112
00:04:25,550 --> 00:04:23,100
done excavations all around the area

113
00:04:29,890 --> 00:04:25,560

and

114

00:04:33,830 --> 00:04:29,900

she told me that they had done

115

00:04:35,510 --> 00:04:33,840

excavations all around the area

116

00:04:38,450 --> 00:04:35,520

um but she said it was very unique

117

00:04:40,610 --> 00:04:38,460

inside Devil's Den

118

00:04:43,490 --> 00:04:40,620

they've never found a single artifact

119

00:04:45,469 --> 00:04:43,500

not a single Flint tool not that

120

00:04:47,330 --> 00:04:45,479

evidence of burnt charcoal there's

121

00:04:51,350 --> 00:04:47,340

absolutely no evidence of any human

122

00:04:54,110 --> 00:04:51,360

habitation inside that Park area and all

123

00:04:55,850 --> 00:04:54,120

around it there's there's evidence uh

124

00:05:00,590 --> 00:04:55,860

going back thousands of years

125

00:05:02,710 --> 00:05:00,600

so uh she said it's it's a unique place

126

00:05:06,409 --> 00:05:02,720

and there have been a lot of people

127

00:05:08,469 --> 00:05:06,419

disappear uh mysteriously from Devil's

128

00:05:11,030 --> 00:05:08,479

Den State Park

129

00:05:13,370 --> 00:05:11,040

I can give you two real quick examples

130

00:05:15,230 --> 00:05:13,380

of the kind of set the stage one one

131

00:05:17,930 --> 00:05:15,240

happened the first one I found happened

132

00:05:20,689 --> 00:05:17,940

in 1947 and it was a little girl seven

133

00:05:22,010 --> 00:05:20,699

years of age named Catherine Vanoss and

134

00:05:23,510 --> 00:05:22,020

her family was from Pittsburgh

135

00:05:26,689 --> 00:05:23,520

Pennsylvania

136

00:05:28,370 --> 00:05:26,699

and they took a trip in a camper uh

137

00:05:30,650 --> 00:05:28,380

shortly after World War II there was a

138

00:05:31,969 --> 00:05:30,660

kind of a camping craze that went

139

00:05:34,249 --> 00:05:31,979

through the United States and people

140

00:05:38,590 --> 00:05:34,259

were buying these pull behind campers

141

00:05:41,570 --> 00:05:38,600

and the family it was the mother father

142

00:05:44,390 --> 00:05:41,580

uh two younger siblings and then

143

00:05:47,270 --> 00:05:44,400

Catherine van allst as I said age seven

144

00:05:49,629 --> 00:05:47,280

and they drove and they plotted their

145

00:05:52,730 --> 00:05:49,639

trip on their way south to El Paso Texas

146

00:05:54,890 --> 00:05:52,740

to spend they were spend two nights in

147

00:05:56,749 --> 00:05:54,900

the campgrounds at Devil's Den State

148

00:06:00,650 --> 00:05:56,759

Park

149

00:06:04,249 --> 00:06:00,660

so they got to the campground

150

00:06:06,770 --> 00:06:04,259

have a fine time get all set up had a uh

151

00:06:09,710 --> 00:06:06,780

an uneventful night and then the

152

00:06:10,909 --> 00:06:09,720

following morning of their second day

153

00:06:15,290 --> 00:06:10,919

um

154

00:06:16,909 --> 00:06:15,300

the mother is putting breakfast on on a

155

00:06:19,610 --> 00:06:16,919

picnic table

156

00:06:21,710 --> 00:06:19,620

and at the Camp's Campground

157

00:06:23,510 --> 00:06:21,720

and the two boys are running around the

158

00:06:25,610 --> 00:06:23,520

camper and uh

159

00:06:27,529 --> 00:06:25,620

the mother looks over and says boys

160

00:06:29,029 --> 00:06:27,539

where's your sister

161

00:06:31,249 --> 00:06:29,039

and they're like well she's right here

162

00:06:33,170 --> 00:06:31,259

well she wasn't

163

00:06:35,270 --> 00:06:33,180

and they said we swear she was right

164

00:06:37,370 --> 00:06:35,280

here and you know mother is annoyed but

165

00:06:39,710 --> 00:06:37,380

not not too freaked out she says go find

166

00:06:41,629 --> 00:06:39,720

your sister so of course they run to the

167

00:06:43,550 --> 00:06:41,639

restrooms and they run to the kiosk in

168

00:06:45,050 --> 00:06:43,560

the ranger station and they're they're

169

00:06:47,090 --> 00:06:45,060

looking all over for their sister and

170

00:06:48,529 --> 00:06:47,100

they come back in there there they're

171

00:06:50,150 --> 00:06:48,539

freaked out they're like we can't we

172

00:06:53,809 --> 00:06:50,160

can't find her

173

00:06:56,510 --> 00:06:53,819

so this commotion gets Dad involved and

174

00:06:58,610 --> 00:06:56,520

he comes out and uh

175

00:06:59,390 --> 00:06:58,620

he's half panicked he's like let's find

176
00:07:01,129 --> 00:06:59,400
her

177
00:07:03,350 --> 00:07:01,139
because this Campground is in the middle

178
00:07:05,749 --> 00:07:03,360
of very thick forest extremely thick

179
00:07:07,249 --> 00:07:05,759
forest all the way around High Rocky

180
00:07:07,969 --> 00:07:07,259
terrain

181
00:07:10,129 --> 00:07:07,979
um

182
00:07:13,370 --> 00:07:10,139
it'd be difficult for her to manage she

183
00:07:14,629 --> 00:07:13,380
was in a swimsuit with uh like flip-flop

184
00:07:16,969 --> 00:07:14,639
sandals

185
00:07:20,150 --> 00:07:16,979
and it'd be uh it'd be very difficult

186
00:07:21,050 --> 00:07:20,160
terrain for her to get around in

187
00:07:22,969 --> 00:07:21,060
um

188
00:07:24,950 --> 00:07:22,979

but they get other campers involved

189

00:07:27,290 --> 00:07:24,960

can't find her they're calling her name

190

00:07:30,290 --> 00:07:27,300

they get Park Rangers involved they're

191

00:07:33,110 --> 00:07:30,300

calling her can't find her uh the search

192

00:07:36,290 --> 00:07:33,120

expands that this is a state park and

193

00:07:39,290 --> 00:07:36,300

there is a uh a federal Park

194

00:07:42,350 --> 00:07:39,300

on the other side on the east side uh

195

00:07:45,529 --> 00:07:42,360

and a larger Park called Ozark national

196

00:07:47,749 --> 00:07:45,539

forest and there were a lot of Park

197

00:07:50,510 --> 00:07:47,759

Rangers assigned there and they came

198

00:07:53,210 --> 00:07:50,520

over they got involved in this hunt and

199

00:07:55,370 --> 00:07:53,220

then first night passes no Catherine's

200

00:07:57,469 --> 00:07:55,380

second night passes and the search is

201
00:08:01,129 --> 00:07:57,479
set up the last seven days on the

202
00:08:03,589 --> 00:08:01,139
seventh day it'll it'll it'll shift from

203
00:08:06,710 --> 00:08:03,599
a rescue to a recovery and of course

204
00:08:08,749 --> 00:08:06,720
that'll knock down the urgency and uh

205
00:08:11,510 --> 00:08:08,759
she'll be a lost little girl

206
00:08:13,670 --> 00:08:11,520
on the seventh day

207
00:08:15,890 --> 00:08:13,680
there was a

208
00:08:17,390 --> 00:08:15,900
a group of students there were student

209
00:08:20,330 --> 00:08:17,400
volunteers from the University of

210
00:08:22,010 --> 00:08:20,340
Arkansas who came in by The busloads Who

211
00:08:23,390 --> 00:08:22,020
were out helping hunt for this little

212
00:08:30,950 --> 00:08:23,400
girl

213
00:08:37,730 --> 00:08:34,610

Porter Chadwick what's his name Porter

214

00:08:40,850 --> 00:08:37,740

Chadwick is walked up on a high

215

00:08:44,389 --> 00:08:40,860

elevation a bluff

216

00:08:45,710 --> 00:08:44,399

and is yelling for Catherine

217

00:09:03,550 --> 00:08:45,720

and

218

00:09:08,090 --> 00:09:03,560

elevation of about

219

00:09:10,250 --> 00:09:08,100

760 feet above the campground and the

220

00:09:11,769 --> 00:09:10,260

terrain was so Steep and Rocky that it's

221

00:09:14,090 --> 00:09:11,779

a zigzag

222

00:09:16,850 --> 00:09:14,100

Switchback trail that you have to walk

223

00:09:20,389 --> 00:09:16,860

through to get up there no idea how she

224

00:09:23,269 --> 00:09:20,399

did that in in sandals so he carries you

225

00:09:27,889 --> 00:09:23,279

down to the campground little girls been

226

00:09:30,290 --> 00:09:27,899

missing for six nights seven days

227

00:09:32,389 --> 00:09:30,300

back at the campground they have a

228

00:09:35,329 --> 00:09:32,399

doctor there

229

00:09:37,630 --> 00:09:35,339

she is a hundred percent hydrated

230

00:09:40,130 --> 00:09:37,640

she has not lost an ounce of weight

231

00:09:42,650 --> 00:09:40,140

according to her mother her mother said

232

00:09:44,990 --> 00:09:42,660

quote that her her hair smelled clean

233

00:09:46,910 --> 00:09:45,000

she had washed it the evening before she

234

00:09:50,269 --> 00:09:46,920

went missing

235

00:09:52,850 --> 00:09:50,279

and they asked her they said well you

236

00:09:56,210 --> 00:09:52,860

know Catherine where have you been

237

00:09:58,910 --> 00:09:56,220

and she said I don't know I just heard

238

00:10:01,670 --> 00:09:58,920

somebody call my name and I thought you

239

00:10:03,769 --> 00:10:01,680

sent them to get me and they asked her

240

00:10:05,750 --> 00:10:03,779

how did you get up here

241

00:10:08,389 --> 00:10:05,760

and she said I don't know

242

00:10:09,910 --> 00:10:08,399

I I tried to find her I had no luck of

243

00:10:12,889 --> 00:10:09,920

course she may have had a married name

244

00:10:14,769 --> 00:10:12,899

1947's a long time ago uh God I would

245

00:10:17,150 --> 00:10:14,779

love to have talked to her

246

00:10:20,210 --> 00:10:17,160

likewise Porter Chadwick I couldn't find

247

00:10:21,949 --> 00:10:20,220

him either but it's well documented in

248

00:10:25,970 --> 00:10:21,959

our newspaper articles both in Kansas

249

00:10:29,150 --> 00:10:25,980

City Star and the Pittsburgh Press

250

00:10:31,730 --> 00:10:29,160

so it's just an amazing creepy story

251

00:10:33,590 --> 00:10:31,740

uh yeah and as a father I'm glad the

252

00:10:37,070 --> 00:10:33,600

little girl gets found to hit that there

253

00:10:39,110 --> 00:10:37,080

at the end I can't imagine yeah yeah

254

00:10:41,449 --> 00:10:39,120

it's got so many Hallmarks of different

255

00:10:43,250 --> 00:10:41,459

classic cases of abduction but then

256

00:10:45,590 --> 00:10:43,260

returning you know messing time is

257

00:10:47,090 --> 00:10:45,600

assumed within that and like you say

258

00:10:49,310 --> 00:10:47,100

it's one of those it's a shame that it

259

00:10:51,410 --> 00:10:49,320

was so long ago the little girl was left

260

00:10:53,269 --> 00:10:51,420

a full life I hope and it's potentially

261

00:10:55,370 --> 00:10:53,279

still with us or passed on at this time

262

00:10:58,190 --> 00:10:55,380

and same with the student who found her

263

00:11:00,110 --> 00:10:58,200

but yeah and obviously we're going to

264

00:11:02,030 --> 00:11:00,120

get one to talk about your case you said

265

00:11:03,829 --> 00:11:02,040

there was a second case as well

266

00:11:05,990 --> 00:11:03,839

that there was I'll mention that just

267

00:11:08,449 --> 00:11:06,000

briefly when I was researching uh

268

00:11:13,850 --> 00:11:08,459

Devil's Den for my book

269

00:11:15,530 --> 00:11:13,860

um coincidentally in August of 2017

270

00:11:18,050 --> 00:11:15,540

um there was a young man from

271

00:11:21,350 --> 00:11:18,060

Bartlesville Oklahoma

272

00:11:23,269 --> 00:11:21,360

uh and his name was Rodney Letterman

273

00:11:25,370 --> 00:11:23,279

and this has turned into kind of a

274

00:11:27,050 --> 00:11:25,380

famous case I'm right in the middle of

275

00:11:28,850 --> 00:11:27,060

writing this book and I'm paying

276

00:11:31,250 --> 00:11:28,860

attention to the local press down there

277

00:11:33,410 --> 00:11:31,260

to trying to collect as many of these

278

00:11:35,630 --> 00:11:33,420

odd stories as I can find

279

00:11:37,850 --> 00:11:35,640

this Rodney Letterman and his friend

280

00:11:40,610 --> 00:11:37,860

from Bartlesville Oklahoma drive down to

281

00:11:42,050 --> 00:11:40,620

Arkansas to go to the state park but the

282

00:11:44,389 --> 00:11:42,060

idea that they were going to walk across

283

00:11:47,630 --> 00:11:44,399

What's called the Butterfield Trail the

284

00:11:49,790 --> 00:11:47,640

Butterfield Trail is uh mostly paved

285

00:11:51,949 --> 00:11:49,800

it's an easy walk it cuts through the

286

00:11:54,350 --> 00:11:51,959

park it gets its name from the

287

00:11:58,850 --> 00:11:54,360

Butterfield Stagecoach line which ran

288

00:12:00,530 --> 00:11:58,860

through there until 1859 when the uh uh

289

00:12:01,610 --> 00:12:00,540

war between the states or the Civil War

290

00:12:03,710 --> 00:12:01,620

depending on

291

00:12:07,490 --> 00:12:03,720

where you're from

292

00:12:09,410 --> 00:12:07,500

um started and uh

293

00:12:11,329 --> 00:12:09,420

their their plan was to just walk the

294

00:12:13,610 --> 00:12:11,339

trail now Rodney Letterman had asthma

295

00:12:15,170 --> 00:12:13,620

and he carried an inhaler with him

296

00:12:16,790 --> 00:12:15,180

normally because he'd have an asthma

297

00:12:18,490 --> 00:12:16,800

attack and he'd need the inhaler to

298

00:12:22,430 --> 00:12:18,500

breathe

299

00:12:23,569 --> 00:12:22,440

so they're into their walk and he says

300

00:12:25,970 --> 00:12:23,579

to his friend

301
00:12:27,769 --> 00:12:25,980
you know I'm I'm short of breath I left

302
00:12:29,449 --> 00:12:27,779
my inhaler in the truck could you run

303
00:12:31,430 --> 00:12:29,459
get it for me

304
00:12:34,190 --> 00:12:31,440
and his friends like sure no no worries

305
00:12:36,410 --> 00:12:34,200
man friend runs back to the parking lot

306
00:12:39,430 --> 00:12:36,420
maybe a half mile

307
00:12:42,710 --> 00:12:39,440
grabs uh Rodney's inhaler from the truck

308
00:12:44,690 --> 00:12:42,720
runs back gets back

309
00:12:46,910 --> 00:12:44,700
and there's no Rodney Letterman he's

310
00:12:47,930 --> 00:12:46,920
gone his cell phone is lying on the

311
00:12:49,550 --> 00:12:47,940
ground

312
00:12:51,530 --> 00:12:49,560
now I don't know about you but my cell

313
00:12:53,269 --> 00:12:51,540

phone's either in front of me or it's in

314

00:12:55,490 --> 00:12:53,279

my pocket but I wouldn't I wouldn't

315

00:12:58,910 --> 00:12:55,500

leave it on the on the ground

316

00:13:02,449 --> 00:12:58,920

and just just like with um

317

00:13:04,310 --> 00:13:02,459

just like with uh Catherine Vanoss on

318

00:13:07,610 --> 00:13:04,320

either side of this Trail the terrain is

319

00:13:10,190 --> 00:13:07,620

Rocky and rough elevated uh thick

320

00:13:13,250 --> 00:13:10,200

vegetation so a guy having an asthma

321

00:13:15,170 --> 00:13:13,260

attack you know might step off the trail

322

00:13:17,990 --> 00:13:15,180

for a few feet to relieve himself but

323

00:13:19,009 --> 00:13:18,000

he's not physically capable of taking a

324

00:13:24,170 --> 00:13:19,019

hike

325

00:13:25,430 --> 00:13:24,180

uh so curiously the park rangers reacted

326

00:13:26,990 --> 00:13:25,440

immediately

327

00:13:28,910 --> 00:13:27,000

they weren't like oh your friends

328

00:13:30,170 --> 00:13:28,920

probably just want to walk don't worry

329

00:13:32,090 --> 00:13:30,180

about it there was none of that they

330

00:13:34,610 --> 00:13:32,100

didn't minimize it

331

00:13:37,430 --> 00:13:34,620

um they took it very seriously and they

332

00:13:39,889 --> 00:13:37,440

organized the search immediately

333

00:13:41,990 --> 00:13:39,899

and just like Catherine van alst I guess

334

00:13:47,090 --> 00:13:42,000

the standard is to run the search for

335

00:13:49,490 --> 00:13:47,100

seven days uh and in 2017 technology had

336

00:13:51,710 --> 00:13:49,500

improved they had you know helicopters

337

00:13:53,389 --> 00:13:51,720

with flear the forward-looking infrared

338

00:13:56,269 --> 00:13:53,399

radar where they could grab a heat

339

00:13:58,790 --> 00:13:56,279

signature off of a human being walking

340

00:14:01,310 --> 00:13:58,800

at night or in the daytime

341

00:14:03,050 --> 00:14:01,320

so they had a lot of resources and they

342

00:14:05,509 --> 00:14:03,060

devoted all of their resources to

343

00:14:07,970 --> 00:14:05,519

finding Rodney Letterman

344

00:14:10,250 --> 00:14:07,980

and in the beginning in the prologue of

345

00:14:13,550 --> 00:14:10,260

incident at Devil's Den I wrote this is

346

00:14:16,550 --> 00:14:13,560

all I know is that he is missing and the

347

00:14:19,250 --> 00:14:16,560

family paid a private firm to search for

348

00:14:21,769 --> 00:14:19,260

him in October of 20 up through the end

349

00:14:24,829 --> 00:14:21,779

of October in 2017 and then the money

350

00:14:26,150 --> 00:14:24,839

ran out and and Rodney was just gone

351
00:14:28,730 --> 00:14:26,160
yeah

352
00:14:31,730 --> 00:14:28,740
so I I promised the readers that I would

353
00:14:34,910 --> 00:14:31,740
let them know if uh if there was an

354
00:14:35,810 --> 00:14:34,920
update and there there was an update in

355
00:14:38,949 --> 00:14:35,820
uh

356
00:14:41,449 --> 00:14:38,959
February of 2019

357
00:14:44,350 --> 00:14:41,459
there was a young couple walking up the

358
00:14:46,910 --> 00:14:44,360
Butterfield Trail a man and a woman

359
00:14:48,590 --> 00:14:46,920
early 20s

360
00:14:51,410 --> 00:14:48,600
and

361
00:14:53,449 --> 00:14:51,420
there's a log on the side of the road

362
00:14:56,150 --> 00:14:53,459
that kind of

363
00:14:58,069 --> 00:14:56,160

differentiates where the path is from

364

00:15:01,850 --> 00:14:58,079

the forest they have these logs lying

365

00:15:05,689 --> 00:15:01,860

around just to create a pathway

366

00:15:06,949 --> 00:15:05,699

and sitting on top of this log in dead

367

00:15:11,389 --> 00:15:06,959

center

368

00:15:14,210 --> 00:15:11,399

the girl says is that an albino turtle

369

00:15:16,250 --> 00:15:14,220

and a friend is like what and he looks

370

00:15:18,350 --> 00:15:16,260

and um

371

00:15:21,110 --> 00:15:18,360

walks over to the log

372

00:15:21,889 --> 00:15:21,120

and dead center of the log right in the

373

00:15:26,090 --> 00:15:21,899

middle

374

00:15:28,850 --> 00:15:26,100

there is a diamond-shaped object

375

00:15:31,970 --> 00:15:28,860

that looks like bone

376

00:15:34,370 --> 00:15:31,980

and he walks over and he picks it up and

377

00:15:36,290 --> 00:15:34,380

he looks at it and he says I think this

378

00:15:38,269 --> 00:15:36,300

is I think this is human I think this is

379

00:15:41,030 --> 00:15:38,279

part of the skull

380

00:15:41,870 --> 00:15:41,040

now but now when I read this

381

00:15:44,389 --> 00:15:41,880

um

382

00:15:45,829 --> 00:15:44,399

out of the Bartlesville examiner my

383

00:15:48,470 --> 00:15:45,839

first thought was

384

00:15:50,689 --> 00:15:48,480

that that's a staged crime scene I mean

385

00:15:54,170 --> 00:15:50,699

back to my days as a felony prosecutor

386

00:15:55,430 --> 00:15:54,180

uh I I think how would

387

00:15:59,030 --> 00:15:55,440

How would

388

00:16:01,129 --> 00:15:59,040

part of someone's skull uh reached white

389

00:16:03,949 --> 00:16:01,139

from the Sun how would that suddenly end

390

00:16:07,069 --> 00:16:03,959

up on this Trail where thousands of

391

00:16:08,990 --> 00:16:07,079

people walk on a weekly basis and no one

392

00:16:11,210 --> 00:16:09,000

saw or noticed it park rangers are

393

00:16:12,650 --> 00:16:11,220

through there all the time so this just

394

00:16:15,470 --> 00:16:12,660

appeared

395

00:16:17,569 --> 00:16:15,480

uh and the park rangers

396

00:16:20,150 --> 00:16:17,579

uh did the correct thing they treated it

397

00:16:22,790 --> 00:16:20,160

with a forensic protocol they collected

398

00:16:24,590 --> 00:16:22,800

it they sent it to on a hunch they sent

399

00:16:27,889 --> 00:16:24,600

it to the Bartlesville Oklahoma medical

400

00:16:30,230 --> 00:16:27,899

examiner who conducted a DNA test and

401
00:16:32,930 --> 00:16:30,240
verified that it was indeed the skull

402
00:16:34,129 --> 00:16:32,940
cap the very top of Rodney Letterman's

403
00:16:36,290 --> 00:16:34,139
skull

404
00:16:38,629 --> 00:16:36,300
and that is all that's ever been found

405
00:16:40,430 --> 00:16:38,639
of Rodney Letterman not a stitch of

406
00:16:42,230 --> 00:16:40,440
clothing or

407
00:16:47,090 --> 00:16:42,240
anyhow

408
00:16:50,329 --> 00:16:47,100
so just another example of

409
00:16:51,829 --> 00:16:50,339
of the weirdness that goes on there also

410
00:16:56,990 --> 00:16:51,839
and also while I'm writing the book in

411
00:16:57,829 --> 00:16:57,000
2017 a young woman in her late 20s

412
00:16:59,990 --> 00:16:57,839
um

413
00:17:01,790 --> 00:17:00,000

was in the park and came up missing and

414

00:17:04,549 --> 00:17:01,800

they found her at the base of a 100 foot

415

00:17:05,350 --> 00:17:04,559

tall Cliff young woman little kids at

416

00:17:07,730 --> 00:17:05,360

home

417

00:17:10,189 --> 00:17:07,740

and they called her to Suicide the

418

00:17:11,990 --> 00:17:10,199

medical examiner said it was a suicide

419

00:17:13,010 --> 00:17:12,000

the mother claimed her daughter had not

420

00:17:15,010 --> 00:17:13,020

been depressed didn't take any

421

00:17:18,049 --> 00:17:15,020

medication for depression

422

00:17:20,270 --> 00:17:18,059

so there were you know two deaths

423

00:17:21,770 --> 00:17:20,280

attributable to Devil's Den in the year

424

00:17:24,730 --> 00:17:21,780

2017.

425

00:17:28,250 --> 00:17:24,740

so uh

426

00:17:31,430 --> 00:17:28,260

yeah are you familiar with David polides

427

00:17:33,650 --> 00:17:31,440

and is missing 4-1-1 work as well

428

00:17:35,690 --> 00:17:33,660

yeah much of that I've just watched the

429

00:17:37,610 --> 00:17:35,700

UFO connection before Christmas again

430

00:17:40,490 --> 00:17:37,620

just after and I'd watched his missing

431

00:17:42,470 --> 00:17:40,500

4-1-1 the hunted and so many again of

432

00:17:45,590 --> 00:17:42,480

those Hallmarks people missing no

433

00:17:47,630 --> 00:17:45,600

clothing turning up odd Parts again

434

00:17:50,630 --> 00:17:47,640

showing up far later where they had

435

00:17:52,010 --> 00:17:50,640

already searched areas and there's a lot

436

00:17:55,250 --> 00:17:52,020

of things here that are very difficult

437

00:17:57,529 --> 00:17:55,260

to attribute to a bear attack or some

438

00:17:59,510 --> 00:17:57,539

kind of wolf attack you know

439

00:18:01,610 --> 00:17:59,520

um it just doesn't always add up does it

440

00:18:03,590 --> 00:18:01,620

and obviously we're we're getting at is

441

00:18:06,169 --> 00:18:03,600

there and I hate to say this because

442

00:18:08,270 --> 00:18:06,179

we're dealing with a serious subject and

443

00:18:10,970 --> 00:18:08,280

there's there's a mother and you know a

444

00:18:14,029 --> 00:18:10,980

son and children going missing and many

445

00:18:15,830 --> 00:18:14,039

times these people don't return and to

446

00:18:18,350 --> 00:18:15,840

to then have a conversation about

447

00:18:20,330 --> 00:18:18,360

potential alien abduction

448

00:18:22,010 --> 00:18:20,340

it's very difficult to have that isn't

449

00:18:23,150 --> 00:18:22,020

it and put that in there as a potential

450

00:18:25,370 --> 00:18:23,160

outcome when you're dealing with

451
00:18:28,130 --> 00:18:25,380
something so serious but someone like

452
00:18:30,350 --> 00:18:28,140
yourself knows all too well the the

453
00:18:31,730 --> 00:18:30,360
subject of alien abduction as itself a

454
00:18:33,590 --> 00:18:31,740
serious one

455
00:18:36,890 --> 00:18:33,600
yeah you know I I spoke with David

456
00:18:40,070 --> 00:18:36,900
politis uh and in his missing 4-1-1

457
00:18:43,010 --> 00:18:40,080
series the fourth book in the series is

458
00:18:44,810 --> 00:18:43,020
entitled The Devil is in details

459
00:18:46,850 --> 00:18:44,820
and that's a really interesting read

460
00:18:48,770 --> 00:18:46,860
because uh David Pilates is a

461
00:18:52,070 --> 00:18:48,780
data-driven kind of guy kind of like

462
00:18:55,190 --> 00:18:52,080
myself in some ways and um

463
00:18:59,750 --> 00:18:55,200

he's big on demographics and statistics

464

00:19:03,350 --> 00:18:59,760

and he found that parks and nature

465

00:19:06,169 --> 00:19:03,360

preserves and uh uh

466

00:19:07,970 --> 00:19:06,179

you know open area under the under the

467

00:19:10,010 --> 00:19:07,980

purview of the Bureau of Land Management

468

00:19:13,130 --> 00:19:10,020

managed by the US government but not

469

00:19:16,490 --> 00:19:13,140

really these kind of places

470

00:19:18,950 --> 00:19:16,500

if they have the name devil Diablo some

471

00:19:21,590 --> 00:19:18,960

type of reference to the devil in the

472

00:19:22,730 --> 00:19:21,600

name seem to have a much higher

473

00:19:24,710 --> 00:19:22,740

occurrence

474

00:19:26,210 --> 00:19:24,720

of people going missing

475

00:19:28,850 --> 00:19:26,220

and you know there's a Devil's Pond

476

00:19:31,010 --> 00:19:28,860

Devil's Tower devil's cave the name is

477

00:19:34,610 --> 00:19:31,020

there's literally hundreds of

478

00:19:36,950 --> 00:19:34,620

iterations of uh the name devil

479

00:19:38,870 --> 00:19:36,960

um but yeah I thought that that was that

480

00:19:40,549 --> 00:19:38,880

was fascinating research to find that

481

00:19:42,529 --> 00:19:40,559

out I don't what's the connection who

482

00:19:44,150 --> 00:19:42,539

knows maybe coincidental

483

00:19:46,630 --> 00:19:44,160

I don't know

484

00:19:50,510 --> 00:19:46,640

as far as the UFO connection goes

485

00:19:53,210 --> 00:19:50,520

obviously I have my thoughts on that and

486

00:19:57,890 --> 00:19:53,220

my convictions are pretty strong

487

00:20:02,510 --> 00:20:00,289

and private will allude to that

488

00:20:05,090 --> 00:20:02,520

but I don't think he wants to come out

489

00:20:08,210 --> 00:20:05,100

and and and make that statement that

490

00:20:09,529 --> 00:20:08,220

that's a real possibility and I think

491

00:20:11,510 --> 00:20:09,539

he's concerned and it's probably a

492

00:20:13,490 --> 00:20:11,520

legitimate concern because he's a data

493

00:20:16,730 --> 00:20:13,500

driven guy he likes he likes proof he

494

00:20:19,190 --> 00:20:16,740

likes empirical proof yeah um and and

495

00:20:20,810 --> 00:20:19,200

obviously no one has that yet

496

00:20:23,510 --> 00:20:20,820

and uh

497

00:20:26,029 --> 00:20:23,520

but you know it's a strange Place weird

498

00:20:27,650 --> 00:20:26,039

stuff happens there uh

499

00:20:30,770 --> 00:20:27,660

well when you say that there's that lack

500

00:20:32,930 --> 00:20:30,780

of proof living that experience for you

501
00:20:35,029 --> 00:20:32,940
is obviously all the proof you need then

502
00:20:36,590 --> 00:20:35,039
that's what obviously you're best known

503
00:20:38,390 --> 00:20:36,600
for as well and I think you've set up

504
00:20:40,730 --> 00:20:38,400
incredibly well because those are a

505
00:20:43,250 --> 00:20:40,740
couple of fascinating cases of a very

506
00:20:45,770 --> 00:20:43,260
strange area and again you have

507
00:20:47,630 --> 00:20:45,780
potentially or goes without saying the

508
00:20:50,870 --> 00:20:47,640
most famous one of all if you want to

509
00:20:53,150 --> 00:20:50,880
get us back to 1977 let's talk through

510
00:20:55,970 --> 00:20:53,160
your own experience Terry at Devil's Den

511
00:20:58,669 --> 00:20:55,980
yes let me let me um

512
00:21:01,070 --> 00:20:58,679
we uh

513
00:21:03,529 --> 00:21:01,080

we plan a four day weekend we got to

514

00:21:05,570 --> 00:21:03,539

clear it with our employer the Air Force

515

00:21:07,490 --> 00:21:05,580

and uh

516

00:21:09,590 --> 00:21:07,500

we left we were both stationed at

517

00:21:12,950 --> 00:21:09,600

Whiteman Air Force Base it's still there

518

00:21:17,029 --> 00:21:15,650

and we uh drove six and a half hours

519

00:21:20,090 --> 00:21:17,039

south

520

00:21:22,850 --> 00:21:20,100

to the Missouri Arkansas border Devil's

521

00:21:25,070 --> 00:21:22,860

Den State Park a bus right up next to

522

00:21:27,470 --> 00:21:25,080

the Ozark National Forest

523

00:21:31,250 --> 00:21:27,480

both of these Parks were they're huge

524

00:21:33,950 --> 00:21:31,260

they're just consume a big chunk of

525

00:21:35,870 --> 00:21:33,960

Northwest Arkansas

526
00:21:37,970 --> 00:21:35,880
and uh

527
00:21:40,070 --> 00:21:37,980
we drove down there with the intention

528
00:21:42,470 --> 00:21:40,080
that we weren't going to stay

529
00:21:44,570 --> 00:21:42,480
in the campgrounds

530
00:21:45,950 --> 00:21:44,580
now I didn't understand that at first I

531
00:21:47,630 --> 00:21:45,960
told my friend you know I was staying a

532
00:21:50,570 --> 00:21:47,640
campground we got hot showers we got

533
00:21:51,710 --> 00:21:50,580
water we got Electric hookup and you

534
00:21:53,029 --> 00:21:51,720
know and they made the point you know

535
00:21:54,169 --> 00:21:53,039
look if we're gonna if we're gonna do

536
00:21:56,570 --> 00:21:54,179
that we're gonna have people to the

537
00:21:57,770 --> 00:21:56,580
right of us people to the left of us uh

538
00:21:59,870 --> 00:21:57,780

he said you know you might as well camp

539

00:22:02,090 --> 00:21:59,880

in you know Walmart's parking lot or

540

00:22:04,549 --> 00:22:02,100

something he says you know let's be real

541

00:22:07,430 --> 00:22:04,559

Outdoorsman you know here are two guys I

542

00:22:09,409 --> 00:22:07,440

was 22 at the time

543

00:22:11,570 --> 00:22:09,419

Toby was 23

544

00:22:12,710 --> 00:22:11,580

neither of us have ever been camping a

545

00:22:15,350 --> 00:22:12,720

day in our life and here we're gonna

546

00:22:17,630 --> 00:22:15,360

we're gonna be real Outdoors we're gonna

547

00:22:18,590 --> 00:22:17,640

we're gonna go find our own place to

548

00:22:21,649 --> 00:22:18,600

camp

549

00:22:23,390 --> 00:22:21,659

so we Dodge the ranger station and we

550

00:22:24,169 --> 00:22:23,400

took a road

551
00:22:26,570 --> 00:22:24,179
um

552
00:22:28,549 --> 00:22:26,580
and it's still kind of

553
00:22:30,590 --> 00:22:28,559
I don't understand how we found this

554
00:22:34,250 --> 00:22:30,600
place but we did

555
00:22:36,710 --> 00:22:34,260
by happenstance we we took a paved road

556
00:22:39,110 --> 00:22:36,720
to turn to gravel to turn to dirt and we

557
00:22:41,630 --> 00:22:39,120
came to a chain across the road that

558
00:22:44,270 --> 00:22:41,640
prevented us from entering and we were

559
00:22:47,270 --> 00:22:44,280
able to get around the chain it was

560
00:22:48,890 --> 00:22:47,280
really just there was a lock looped

561
00:22:50,990 --> 00:22:48,900
around the end of it to form like a

562
00:22:52,850 --> 00:22:51,000
noose and it was draped over a nail and

563
00:22:55,549 --> 00:22:52,860

opposing post

564

00:22:57,409 --> 00:22:55,559

and uh there were warning signs you know

565

00:22:58,970 --> 00:22:57,419

no it didn't keep out no honey no

566

00:23:00,770 --> 00:22:58,980

camping no fishing

567

00:23:01,789 --> 00:23:00,780

I thought it was some kind of Nature

568

00:23:04,310 --> 00:23:01,799

Preserve

569

00:23:06,710 --> 00:23:04,320

I found out in 2017

570

00:23:08,090 --> 00:23:06,720

we weren't actually in Devil's Den State

571

00:23:10,549 --> 00:23:08,100

Park

572

00:23:12,289 --> 00:23:10,559

that that area is owned by the Bureau of

573

00:23:14,630 --> 00:23:12,299

Land Management

574

00:23:17,230 --> 00:23:14,640

and I may have sent you some photographs

575

00:23:20,330 --> 00:23:17,240

of Devil's Den it's an elevated

576

00:23:21,770 --> 00:23:20,340

plateau-like uh and the top of this

577

00:23:25,610 --> 00:23:21,780

plateau

578

00:23:27,529 --> 00:23:25,620

is is clear-cut now I didn't bother

579

00:23:28,730 --> 00:23:27,539

looking for it on Google Maps because I

580

00:23:30,649 --> 00:23:28,740

thought you know this place has to be

581

00:23:31,430 --> 00:23:30,659

covered by 40 year old mature trees by

582

00:23:33,950 --> 00:23:31,440

now

583

00:23:36,049 --> 00:23:33,960

and it's not

584

00:23:38,270 --> 00:23:36,059

um there's still just a dirt road that

585

00:23:40,730 --> 00:23:38,280

goes straight up it uh and when you're

586

00:23:42,770 --> 00:23:40,740

on the top of this Plateau you are level

587

00:23:47,450 --> 00:23:42,780

with the Treetops of the surrounding

588

00:23:52,970 --> 00:23:50,630

but the U.S government spends taxpayer

589

00:23:56,270 --> 00:23:52,980

dollars to send a guy up there with a

590

00:23:57,970 --> 00:23:56,280

tractor to clear cut the top of this of

591

00:24:00,350 --> 00:23:57,980

this plateau

592

00:24:03,830 --> 00:24:00,360

uh so there's nothing growing up there

593

00:24:05,750 --> 00:24:03,840

and my guess my question is why

594

00:24:08,450 --> 00:24:05,760

um but that that's what's done

595

00:24:10,010 --> 00:24:08,460

have you ever had a a good reason as to

596

00:24:11,810 --> 00:24:10,020

why they may do that has anyone ever

597

00:24:14,029 --> 00:24:11,820

came back to you to say actually here's

598

00:24:16,250 --> 00:24:14,039

a justification to spend that money and

599

00:24:17,390 --> 00:24:16,260

clear it or is that still a mystery well

600

00:24:19,070 --> 00:24:17,400

it's owned by the Bureau of Land

601
00:24:21,950 --> 00:24:19,080
Management nobody there is taking

602
00:24:23,690 --> 00:24:21,960
questions so okay you know they're

603
00:24:27,110 --> 00:24:23,700
they're

604
00:24:29,330 --> 00:24:27,120
I'm sure that there has to be a reason

605
00:24:31,130 --> 00:24:29,340
um other than to burn gasoline there has

606
00:24:32,870 --> 00:24:31,140
to be a reason

607
00:24:37,789 --> 00:24:32,880
um

608
00:24:41,690 --> 00:24:37,799
but uh

609
00:24:44,630 --> 00:24:41,700
I'm left with the assumption that uh

610
00:24:46,909 --> 00:24:44,640
E.T comes and goes from there

611
00:24:48,470 --> 00:24:46,919
I mean what what other reason can I can

612
00:24:50,870 --> 00:24:48,480
I think of

613
00:24:53,270 --> 00:24:50,880

um I think it's a landing spot

614

00:24:55,850 --> 00:24:53,280

so okay again that's just just

615

00:24:57,470 --> 00:24:55,860

assumption on my part but

616

00:25:00,110 --> 00:24:57,480

um

617

00:25:01,730 --> 00:25:00,120

we we found this place we drove up we

618

00:25:04,130 --> 00:25:01,740

thought it was perfect I mean it was a

619

00:25:07,070 --> 00:25:04,140

it's a it was a beautiful place you know

620

00:25:09,049 --> 00:25:07,080

there was about six inches of grass you

621

00:25:11,810 --> 00:25:09,059

know wildflowers all over the place it

622

00:25:14,570 --> 00:25:11,820

was gorgeous just a really pretty place

623

00:25:16,990 --> 00:25:14,580

and uh the view was fantastic we could

624

00:25:19,490 --> 00:25:17,000

see all the way around us 360 degrees

625

00:25:21,950 --> 00:25:19,500

and there was I mean there was other

626

00:25:23,990 --> 00:25:21,960

than other than Forest there there was

627

00:25:25,370 --> 00:25:24,000

nothing I mean it's there there were no

628

00:25:26,570 --> 00:25:25,380

houses

629

00:25:29,570 --> 00:25:26,580

um

630

00:25:32,450 --> 00:25:29,580

that was back in 1977 I think there are

631

00:25:35,870 --> 00:25:32,460

some uh garages that you can see in the

632

00:25:37,850 --> 00:25:35,880

distance off the Google Earth image

633

00:25:40,250 --> 00:25:37,860

but I think that those I'm guessing

634

00:25:41,930 --> 00:25:40,260

those are probably the house the tractor

635

00:25:43,549 --> 00:25:41,940

and whatever they used to clear cut the

636

00:25:44,630 --> 00:25:43,559

top of that

637

00:25:46,730 --> 00:25:44,640

um

638

00:25:49,610 --> 00:25:46,740

so we set up a campground we set up a

639

00:25:51,169 --> 00:25:49,620

little Campground we uh all kind of cut

640

00:25:52,669 --> 00:25:51,179

through to the chase here we did all the

641

00:25:54,470 --> 00:25:52,679

fun stuff you do when you go camping

642

00:25:57,470 --> 00:25:54,480

because it was all new to us we'd never

643

00:26:00,710 --> 00:25:57,480

done it before yeah built a nice bonfire

644

00:26:02,090 --> 00:26:00,720

we um barbecue hot dogs were sitting

645

00:26:04,610 --> 00:26:02,100

back

646

00:26:07,789 --> 00:26:04,620

um we're on these air mattresses

647

00:26:08,810 --> 00:26:07,799

and we have a campfire between us and we

648

00:26:12,230 --> 00:26:08,820

have a tent

649

00:26:14,630 --> 00:26:12,240

you know just a ten dollar cheap tent uh

650

00:26:16,909 --> 00:26:14,640

we bought for that purpose set up in

651
00:26:18,590 --> 00:26:16,919
back of us

652
00:26:21,710 --> 00:26:18,600
and uh

653
00:26:22,789 --> 00:26:21,720
it's getting on to 9 00 p.m maybe a

654
00:26:24,590 --> 00:26:22,799
little later

655
00:26:26,570 --> 00:26:24,600
and we're carrying on this conversation

656
00:26:29,269 --> 00:26:26,580
and just having a good time

657
00:26:32,330 --> 00:26:29,279
and it was pleasant out and that it was

658
00:26:33,769 --> 00:26:32,340
a warm day in June uh but there was a

659
00:26:37,010 --> 00:26:33,779
nice breeze

660
00:26:39,529 --> 00:26:37,020
and there were all the uh

661
00:26:41,930 --> 00:26:39,539
things in the forest that make noise you

662
00:26:44,950 --> 00:26:41,940
know crickets tree frogs

663
00:26:47,510 --> 00:26:44,960

bugs I don't know but yeah you know

664

00:26:49,190 --> 00:26:47,520

and they were fairly loud they were loud

665

00:26:51,470 --> 00:26:49,200

enough that we had difficulty carrying

666

00:26:54,350 --> 00:26:51,480

on a conversation across the spawn fire

667

00:26:57,950 --> 00:26:54,360

or this campfire that we had

668

00:26:59,450 --> 00:26:57,960

and uh I I'm sitting back and and we're

669

00:27:01,850 --> 00:26:59,460

just uh

670

00:27:03,950 --> 00:27:01,860

talking and I noticed that it abruptly

671

00:27:06,710 --> 00:27:03,960

went quiet

672

00:27:07,909 --> 00:27:06,720

and not only did it go quiet it went

673

00:27:10,010 --> 00:27:07,919

still

674

00:27:12,890 --> 00:27:10,020

where we had enjoyed a nice breeze

675

00:27:15,830 --> 00:27:12,900

beforehand uh there was there was

676

00:27:18,409 --> 00:27:15,840

nothing the breeze was stopped uh

677

00:27:20,090 --> 00:27:18,419

I could see the fire I the fire was the

678

00:27:23,390 --> 00:27:20,100

only thing that made noise

679

00:27:25,870 --> 00:27:23,400

and it unnerved me because it didn't

680

00:27:28,190 --> 00:27:25,880

seem natural

681

00:27:31,370 --> 00:27:28,200

and I asked my friend of course like

682

00:27:33,710 --> 00:27:31,380

he's gonna know but I asked him anyway

683

00:27:35,390 --> 00:27:33,720

it got awful quiet out here what what's

684

00:27:37,130 --> 00:27:35,400

up with that Toby

685

00:27:38,510 --> 00:27:37,140

and he's like ah you know he kind of

686

00:27:40,190 --> 00:27:38,520

blows it off says don't worry about the

687

00:27:41,570 --> 00:27:40,200

bugs the bugs will come back the frogs

688

00:27:43,070 --> 00:27:41,580

will come back don't worry about it we

689

00:27:45,890 --> 00:27:43,080

made you know we've been laughing and

690

00:27:48,409 --> 00:27:45,900

cutting up and we just quieted them

691

00:27:49,610 --> 00:27:48,419

they'll be back

692

00:27:52,250 --> 00:27:49,620

um

693

00:27:54,590 --> 00:27:52,260

and uh we kind of picked up our

694

00:27:56,690 --> 00:27:54,600

conversation

695

00:27:57,769 --> 00:27:56,700

and my friend had his head toward toward

696

00:28:00,830 --> 00:27:57,779

the west

697

00:28:02,210 --> 00:28:00,840

and he's fixated on something

698

00:28:03,649 --> 00:28:02,220

and I'm like hey man what are you

699

00:28:05,750 --> 00:28:03,659

looking at

700

00:28:07,850 --> 00:28:05,760

and he says Terry were those lights

701
00:28:10,070 --> 00:28:07,860
there before

702
00:28:11,890 --> 00:28:10,080
and there was nothing out there there

703
00:28:15,289 --> 00:28:11,900
were no lights no

704
00:28:16,970 --> 00:28:15,299
lights anywhere and I said what lights I

705
00:28:19,010 --> 00:28:16,980
I couldn't see them because from where

706
00:28:20,870 --> 00:28:19,020
he was sitting his torso was in the way

707
00:28:23,570 --> 00:28:20,880
of what he was looking at so I had to

708
00:28:25,730 --> 00:28:23,580
stand up and take a step back

709
00:28:28,549 --> 00:28:25,740
and on the horizon on the western

710
00:28:32,029 --> 00:28:28,559
Horizon just above the horizon

711
00:28:33,950 --> 00:28:32,039
there were these three Bright Stars

712
00:28:35,870 --> 00:28:33,960
they were all the same brightness same

713
00:28:39,590 --> 00:28:35,880

Luminosity

714

00:28:41,930 --> 00:28:39,600

um and they formed a little triangle

715

00:28:45,649 --> 00:28:41,940

and they were too high off the Horizon

716

00:28:50,149 --> 00:28:45,659

to have been lights from a distant

717

00:28:54,950 --> 00:28:50,159

train or uh you know a parking uh a car

718

00:28:59,090 --> 00:28:56,690

and I said no I don't I don't remember

719

00:29:01,010 --> 00:28:59,100

those lights there at all and we're

720

00:29:03,590 --> 00:29:01,020

watching them and while we watch them

721

00:29:05,930 --> 00:29:03,600

they rotated they rotated like they

722

00:29:08,450 --> 00:29:05,940

turned like they were on an axis and did

723

00:29:09,830 --> 00:29:08,460

about 120 degree turn

724

00:29:11,930 --> 00:29:09,840

uh

725

00:29:14,510 --> 00:29:11,940

and if you look at the base of the

726

00:29:17,450 --> 00:29:14,520

triangle the base of the triangle lined

727

00:29:20,450 --> 00:29:17,460

up uh parallel with the Horizon so there

728

00:29:22,970 --> 00:29:20,460

was an apex pointing up

729

00:29:25,789 --> 00:29:22,980

and uh

730

00:29:28,130 --> 00:29:25,799

it was strange because

731

00:29:30,529 --> 00:29:28,140

our emotions and our reactions were

732

00:29:32,930 --> 00:29:30,539

muted they weren't they weren't

733

00:29:34,850 --> 00:29:32,940

we should have been we should have been

734

00:29:37,010 --> 00:29:34,860

freaked out we should have been

735

00:29:39,110 --> 00:29:37,020

asking each other questions like human

736

00:29:41,330 --> 00:29:39,120

beings would do hey what are you seeing

737

00:29:43,850 --> 00:29:41,340

and validate what I'm looking at you

738

00:29:46,730 --> 00:29:43,860

seeing what I'm seeing you know what is

739

00:29:50,630 --> 00:29:46,740

this thing but there was none of that

740

00:29:52,850 --> 00:29:50,640

and the things started to go while we're

741

00:29:55,010 --> 00:29:52,860

watching it after it realigned itself

742

00:29:56,450 --> 00:29:55,020

and pointed up it started to travel

743

00:29:58,850 --> 00:29:56,460

upward

744

00:30:03,049 --> 00:29:58,860

and as soon as that happened

745

00:30:05,750 --> 00:30:03,059

I felt a wave of calm wash over me

746

00:30:07,970 --> 00:30:05,760

um almost like sedation

747

00:30:10,430 --> 00:30:07,980

and all that

748

00:30:13,370 --> 00:30:10,440

all that feeling of nervousness that

749

00:30:14,810 --> 00:30:13,380

anxiety that I experienced earlier was

750

00:30:18,289 --> 00:30:14,820

gone

751
00:30:20,870 --> 00:30:18,299
and it was an odd experience I've not

752
00:30:23,029 --> 00:30:20,880
experienced anything like it since it

753
00:30:26,090 --> 00:30:23,039
was a

754
00:30:29,930 --> 00:30:26,100
Sensation that I was more of an observer

755
00:30:32,450 --> 00:30:29,940
I felt detached from it somehow

756
00:30:35,090 --> 00:30:32,460
rather than a participant in it

757
00:30:36,769 --> 00:30:35,100
I know yeah but that's the best no no I

758
00:30:38,510 --> 00:30:36,779
can explain it that's that's exactly

759
00:30:41,090 --> 00:30:38,520
what I was going to ask you do you feel

760
00:30:44,269 --> 00:30:41,100
the triangle at this point was aware of

761
00:30:46,010 --> 00:30:44,279
you and your friend or again was it just

762
00:30:47,870 --> 00:30:46,020
that you were observing and it was

763
00:30:50,510 --> 00:30:47,880

something that was happening elsewhere

764

00:30:52,909 --> 00:30:50,520

and you weren't anything to do with it

765

00:30:56,570 --> 00:30:52,919

I was observing and I felt like I wasn't

766

00:30:59,990 --> 00:30:56,580

a participant an active participant

767

00:31:04,130 --> 00:31:00,000

but I absolutely felt like

768

00:31:08,289 --> 00:31:06,169

being there was like we were keeping an

769

00:31:11,330 --> 00:31:08,299

appointment

770

00:31:12,769 --> 00:31:11,340

and what was playing out in front of us

771

00:31:15,169 --> 00:31:12,779

uh

772

00:31:18,289 --> 00:31:15,179

when I say I wasn't a participant I had

773

00:31:20,330 --> 00:31:18,299

no I mean that I had no uh

774

00:31:22,850 --> 00:31:20,340

control over anything

775

00:31:24,830 --> 00:31:22,860

I was just there along for the ride

776

00:31:27,889 --> 00:31:24,840

and

777

00:31:30,889 --> 00:31:27,899

just just to watch this thing play out

778

00:31:33,830 --> 00:31:30,899

wrong place at the right time

779

00:31:36,590 --> 00:31:33,840

I'm sorry was it the wrong place but the

780

00:31:38,210 --> 00:31:36,600

right time yeah pretty much

781

00:31:42,350 --> 00:31:38,220

pretty much

782

00:31:44,750 --> 00:31:42,360

yeah you know I I

783

00:31:46,730 --> 00:31:44,760

again I think it speaks to the level of

784

00:31:50,389 --> 00:31:46,740

influence that these things can have

785

00:31:54,049 --> 00:31:50,399

over us because uh our emotions were so

786

00:31:57,409 --> 00:31:54,059

inappropriate to what was going on

787

00:31:59,510 --> 00:31:57,419

and we watched these three stars climb

788

00:32:01,789 --> 00:31:59,520

into the sky

789

00:32:04,070 --> 00:32:01,799

and uh

790

00:32:05,690 --> 00:32:04,080

they reached what I would call a ceiling

791

00:32:07,909 --> 00:32:05,700

and I had no

792

00:32:09,590 --> 00:32:07,919

no point of reference it was pitch dark

793

00:32:10,789 --> 00:32:09,600

so I have no point of reference how high

794

00:32:12,350 --> 00:32:10,799

that was

795

00:32:14,570 --> 00:32:12,360

but uh

796

00:32:17,210 --> 00:32:14,580

they were high in the sky I can say that

797

00:32:18,950 --> 00:32:17,220

because the points were

798

00:32:20,269 --> 00:32:18,960

three the three stars were close

799

00:32:23,090 --> 00:32:20,279

together

800

00:32:26,210 --> 00:32:23,100

and it stopped moving

801
00:32:31,130 --> 00:32:26,220
and once it reached this ceiling it

802
00:32:34,010 --> 00:32:31,140
reoriented itself and moved like this

803
00:32:36,649 --> 00:32:34,020
so that instead of going up the triangle

804
00:32:38,870 --> 00:32:36,659
was now pointed in our Direction because

805
00:32:41,870 --> 00:32:38,880
instead of seeing a triangle we now saw

806
00:32:44,090 --> 00:32:41,880
a line of three lights you know the

807
00:32:47,630 --> 00:32:44,100
center light and the two two lights on

808
00:32:50,570 --> 00:32:47,640
either end so it was pointed directly in

809
00:32:55,310 --> 00:32:50,580
our Direction it was

810
00:32:58,610 --> 00:32:55,320
it was coming toward us and it did

811
00:33:02,289 --> 00:32:58,620
it wasn't fast it did a slow like a

812
00:33:05,930 --> 00:33:02,299
Glide plane like um just a slow descent

813
00:33:07,430 --> 00:33:05,940

but steadily in our Direction

814

00:33:11,450 --> 00:33:07,440

and it must have been high because this

815

00:33:15,649 --> 00:33:11,460

took some some minutes for it to happen

816

00:33:19,130 --> 00:33:15,659

it did a somersault thing where the tip

817

00:33:21,350 --> 00:33:19,140

the apex of the triangle dipped down and

818

00:33:23,269 --> 00:33:21,360

the thing flipped completely over and

819

00:33:25,370 --> 00:33:23,279

then reoriented itself and it did that

820

00:33:27,529 --> 00:33:25,380

at least twice

821

00:33:28,970 --> 00:33:27,539

and I had the feeling that that was done

822

00:33:31,370 --> 00:33:28,980

for our benefit

823

00:33:34,190 --> 00:33:31,380

that that was this thing's way of

824

00:33:36,350 --> 00:33:34,200

letting us know that

825

00:33:38,630 --> 00:33:36,360

it's under control

826

00:33:42,409 --> 00:33:38,640

you know it's like somebody's driving

827

00:33:47,810 --> 00:33:42,419

this thing and uh uh I I just had a

828

00:33:53,509 --> 00:33:51,049

and it it came toward us and as it got

829

00:33:56,230 --> 00:33:53,519

lower it got probably was that I'm

830

00:33:59,750 --> 00:33:56,240

guessing five thousand feet

831

00:34:01,669 --> 00:33:59,760

and there were points on the tip of each

832

00:34:04,610 --> 00:34:01,679

of the triangle with white lights and

833

00:34:07,190 --> 00:34:04,620

those dimmed somewhat

834

00:34:09,409 --> 00:34:07,200

and it came in it it stopped directly

835

00:34:11,690 --> 00:34:09,419

over our campsite

836

00:34:13,849 --> 00:34:11,700

uh actually we weren't it we weren't

837

00:34:16,070 --> 00:34:13,859

directly underneath it we had camped

838

00:34:17,990 --> 00:34:16,080

kind of off to the side

839

00:34:20,690 --> 00:34:18,000

so that this thing wasn't exactly

840

00:34:23,089 --> 00:34:20,700

underneath us which I was grateful for

841

00:34:26,349 --> 00:34:23,099

and also by being off to the side we

842

00:34:30,169 --> 00:34:26,359

could kind of see the side of the thing

843

00:34:32,510 --> 00:34:30,179

and it was big it was enormous uh it was

844

00:34:37,750 --> 00:34:32,520

like a

845

00:34:40,369 --> 00:34:37,760

a medical building or a large shopping

846

00:34:43,369 --> 00:34:40,379

uh Center or something

847

00:34:47,149 --> 00:34:43,379

uh but it was on the order of that

848

00:34:49,369 --> 00:34:47,159

magnitude size wise it was big

849

00:34:52,970 --> 00:34:49,379

heard no noise

850

00:34:53,690 --> 00:34:52,980

felt no anxiety whatsoever

851
00:34:55,609 --> 00:34:53,700
um

852
00:34:56,450 --> 00:34:55,619
and we really had no conversation about

853
00:34:58,910 --> 00:34:56,460
it

854
00:35:02,630 --> 00:34:58,920
we were just there

855
00:35:04,790 --> 00:35:02,640
and shortly after it came to a stop

856
00:35:08,329 --> 00:35:04,800
directly from underneath and in the

857
00:35:10,609 --> 00:35:08,339
center of the triangle there came a

858
00:35:13,730 --> 00:35:10,619
a laser type of light

859
00:35:16,849 --> 00:35:13,740
and it was a a white light

860
00:35:20,329 --> 00:35:16,859
that had a milky white quality to it

861
00:35:23,450 --> 00:35:20,339
and it was about six inches in diameter

862
00:35:25,310 --> 00:35:23,460
and it just like someone hit a switch

863
00:35:27,650 --> 00:35:25,320

clicked on

864

00:35:30,170 --> 00:35:27,660

and landed directly in the center of our

865

00:35:36,829 --> 00:35:34,849

and uh we both looked at it and it was

866

00:35:38,329 --> 00:35:36,839

odd I mean there was no fog it was a

867

00:35:41,810 --> 00:35:38,339

clear night

868

00:35:44,930 --> 00:35:41,820

but this light beam had that quality of

869

00:35:48,109 --> 00:35:44,940

a like a high powered Searchlight or

870

00:35:50,690 --> 00:35:48,119

a nautical navigational light so it's

871

00:35:54,650 --> 00:35:50,700

like the cuts through fog you can see a

872

00:35:56,630 --> 00:35:54,660

visible it had that quality to it

873

00:35:58,609 --> 00:35:56,640

and we both looked at it and I don't

874

00:36:00,950 --> 00:35:58,619

think we said a word

875

00:36:04,250 --> 00:36:00,960

and we could visually follow it up to

876

00:36:05,930 --> 00:36:04,260

the center underneath of this triangle

877

00:36:09,170 --> 00:36:05,940

and uh

878

00:36:11,810 --> 00:36:09,180

then that just boom shut off

879

00:36:13,010 --> 00:36:11,820

and the second that it shut off

880

00:36:15,950 --> 00:36:13,020

um

881

00:36:18,770 --> 00:36:15,960

it shot from the same spot a laser beam

882

00:36:21,290 --> 00:36:18,780

in our Direction now laser beams were

883

00:36:22,910 --> 00:36:21,300

brand new in 1977 I'd seen them on

884

00:36:24,290 --> 00:36:22,920

television but I'd never seen one in

885

00:36:26,329 --> 00:36:24,300

real life before

886

00:36:30,730 --> 00:36:26,339

yeah and this one was a

887

00:36:33,349 --> 00:36:30,740

about the diameter of a of a lead pencil

888

00:36:36,710 --> 00:36:33,359

and it was um

889

00:36:39,829 --> 00:36:36,720

red reddish purple in color

890

00:36:42,650 --> 00:36:39,839

and what it would do is it would land

891

00:36:44,930 --> 00:36:42,660

in our campsite on something

892

00:36:46,670 --> 00:36:44,940

and stay there for literally a

893

00:36:49,490 --> 00:36:46,680

millisecond

894

00:36:52,670 --> 00:36:49,500

and then reappear somewhere else

895

00:36:54,890 --> 00:36:52,680

so it like it struck my car it struck

896

00:36:58,010 --> 00:36:54,900

our tent it struck me at least three

897

00:37:00,829 --> 00:36:58,020

times in my chest never felt a thing

898

00:37:03,410 --> 00:37:00,839

it hit my friend our campfire hid his

899

00:37:05,329 --> 00:37:03,420

backpack all the things that we bought

900

00:37:08,210 --> 00:37:05,339

brought with us

901
00:37:11,390 --> 00:37:08,220
that really didn't belong up there until

902
00:37:14,329 --> 00:37:11,400
we brought them uh it focused on those

903
00:37:17,270 --> 00:37:16,370
had the idea this thing's checking us

904
00:37:19,250 --> 00:37:17,280
out

905
00:37:21,050 --> 00:37:19,260
and that's all I could that's all I

906
00:37:22,970 --> 00:37:21,060
could think of it was doing because it

907
00:37:24,650 --> 00:37:22,980
was just and it was I that gave the

908
00:37:26,210 --> 00:37:24,660
solution that it was dancing all over

909
00:37:28,430 --> 00:37:26,220
the campsite

910
00:37:30,710 --> 00:37:28,440
yeah my friend it struck him several

911
00:37:32,990 --> 00:37:30,720
times he would later admit he didn't he

912
00:37:34,670 --> 00:37:33,000
never felt a thing either

913
00:37:37,430 --> 00:37:34,680

so

914

00:37:40,310 --> 00:37:37,440

that that shut off after

915

00:37:42,950 --> 00:37:40,320

you know time is difficult to estimate

916

00:37:45,770 --> 00:37:42,960

it seemed like about 90 seconds could

917

00:37:48,710 --> 00:37:45,780

have been 30 to could have been uh 120

918

00:37:50,870 --> 00:37:48,720

but in that range is how long this this

919

00:37:53,810 --> 00:37:50,880

event lasted

920

00:37:55,970 --> 00:37:53,820

and uh

921

00:37:57,950 --> 00:37:55,980

as soon as the as soon as that light

922

00:38:00,290 --> 00:37:57,960

shut off

923

00:38:02,329 --> 00:38:00,300

um no

924

00:38:04,609 --> 00:38:02,339

remember I said earlier when they when

925

00:38:08,210 --> 00:38:04,619

we first saw this thing I felt that wave

926
00:38:10,970 --> 00:38:08,220
of sedation of calm wash over me

927
00:38:17,089 --> 00:38:13,849
I felt that sedation

928
00:38:19,430 --> 00:38:17,099
transitioned to sleepy

929
00:38:22,130 --> 00:38:19,440
and because there's a distinct

930
00:38:24,109 --> 00:38:22,140
difference between the two

931
00:38:25,970 --> 00:38:24,119
and I mean I was you know in good shape

932
00:38:27,530 --> 00:38:25,980
22 years old I had no reason to be

933
00:38:30,290 --> 00:38:27,540
sleepy I was used to working a night

934
00:38:33,050 --> 00:38:30,300
shift it's no big deal I should not have

935
00:38:34,970 --> 00:38:33,060
been sleepy

936
00:38:36,829 --> 00:38:34,980
um but all I wanted to do

937
00:38:40,370 --> 00:38:36,839
was going to tent lay down and go to

938
00:38:44,510 --> 00:38:40,380

sleep that's all I wanted to do

939

00:38:49,730 --> 00:38:44,520

and my friend had the same idea

940

00:38:52,250 --> 00:38:49,740

and he stood up and he said shows over

941

00:38:54,760 --> 00:38:52,260

and that's that's I think the only two

942

00:38:55,250 --> 00:38:54,770

words that we exchanged

943

00:38:55,910 --> 00:38:55,260

[Music]

944

00:38:57,829 --> 00:38:55,920

um

945

00:38:59,810 --> 00:38:57,839

during this encounter

946

00:39:01,490 --> 00:38:59,820

he picked up his air mattress and he

947

00:39:03,589 --> 00:39:01,500

went over to the tent and threw it in

948

00:39:06,410 --> 00:39:03,599

and climbed in on top of it and found

949

00:39:08,390 --> 00:39:06,420

out and just was out like that

950

00:39:10,190 --> 00:39:08,400

and then as soon as he was situated a

951
00:39:11,930 --> 00:39:10,200
small test soon as he was situated I

952
00:39:16,310 --> 00:39:11,940
threw my air mattress in on the left

953
00:39:19,069 --> 00:39:16,320
side I climbed in and uh fell on top of

954
00:39:21,410 --> 00:39:19,079
the mattress and my last thought before

955
00:39:24,170 --> 00:39:21,420
I passed out was

956
00:39:26,210 --> 00:39:24,180
that Toby had been wrong because the The

957
00:39:31,450 --> 00:39:26,220
Crickets the tree frogs never did return

958
00:39:34,310 --> 00:39:31,460
it was still dead quiet and I was out

959
00:39:36,589 --> 00:39:34,320
I didn't bother to take off my shirt my

960
00:39:39,109 --> 00:39:36,599
boots anything I just

961
00:39:42,349 --> 00:39:39,119
fell on top of their American air

962
00:39:45,050 --> 00:39:42,359
mattress and I was out

963
00:39:48,650 --> 00:39:45,060

some time passed I had no recollection

964

00:39:50,270 --> 00:39:48,660

of having any dreams uh it just almost

965

00:39:52,310 --> 00:39:50,280

like being uh

966

00:39:53,810 --> 00:39:52,320

under medical Anesthesia where you know

967

00:39:56,030 --> 00:39:53,820

you just close your eyes you wake up

968

00:39:58,670 --> 00:39:56,040

there's nothing in between

969

00:40:01,609 --> 00:39:58,680

um and I woke up to these yellow lights

970

00:40:04,370 --> 00:40:01,619

yellow flashing lights coming through

971

00:40:07,130 --> 00:40:04,380

the canvas of the tent

972

00:40:10,790 --> 00:40:07,140

um in front of me into my left apartment

973

00:40:13,010 --> 00:40:10,800

to my right and these flashes of light

974

00:40:15,470 --> 00:40:13,020

are at odd intervals and they're

975

00:40:20,390 --> 00:40:15,480

incredibly bright I mean Bright Like An

976

00:40:23,150 --> 00:40:20,400

Old School flash bulb just brilliant uh

977

00:40:24,650 --> 00:40:23,160

and in that fraction of a second it

978

00:40:28,310 --> 00:40:24,660

would light up the inside of that temp

979

00:40:30,650 --> 00:40:28,320

like like crazy like daytime

980

00:40:32,390 --> 00:40:30,660

and I wake up and I don't I don't have

981

00:40:34,910 --> 00:40:32,400

my wits about me

982

00:40:36,230 --> 00:40:34,920

and I'm thinking you know what is this

983

00:40:37,970 --> 00:40:36,240

what

984

00:40:40,370 --> 00:40:37,980

and then I'm trying to think of some

985

00:40:41,990 --> 00:40:40,380

rational explanation and what I came up

986

00:40:44,030 --> 00:40:42,000

with that these must be the overhead

987

00:40:46,069 --> 00:40:44,040

flashing lights of a park ranger's truck

988

00:40:47,450 --> 00:40:46,079

there to kick us out

989

00:40:49,550 --> 00:40:47,460

that was the only thing I could think of

990

00:40:52,849 --> 00:40:49,560

that made sense

991

00:40:54,650 --> 00:40:52,859

and I sat up and uh I wasn't worried

992

00:40:56,089 --> 00:40:54,660

about the park rangers I you know I'd

993

00:40:58,970 --> 00:40:56,099

throw us out of the park I didn't expect

994

00:41:01,970 --> 00:40:58,980

to be you know any consequence other

995

00:41:04,670 --> 00:41:01,980

than that and uh

996

00:41:07,190 --> 00:41:04,680

I sat up and I noticed that my

997

00:41:08,329 --> 00:41:07,200

I wore my combat boots blue jeans and a

998

00:41:10,970 --> 00:41:08,339

t-shirt

999

00:41:13,069 --> 00:41:10,980

and my boots had been unlaced almost all

1000

00:41:15,170 --> 00:41:13,079

the way down

1001
00:41:17,510 --> 00:41:15,180
and that

1002
00:41:20,870 --> 00:41:17,520
I guess annoyed is right that annoyed me

1003
00:41:22,130 --> 00:41:20,880
because I knew I I didn't put them on

1004
00:41:24,170 --> 00:41:22,140
like that

1005
00:41:26,150 --> 00:41:24,180
I mean I I would have either I would

1006
00:41:27,650 --> 00:41:26,160
have either left them laced up or I'd

1007
00:41:30,589 --> 00:41:27,660
have taken them off but I wouldn't have

1008
00:41:32,390 --> 00:41:30,599
left my boots untied I mean it's a trip

1009
00:41:33,829 --> 00:41:32,400
Hazard it doesn't make sense I would not

1010
00:41:36,410 --> 00:41:33,839
have done that

1011
00:41:38,510 --> 00:41:36,420
and uh

1012
00:41:41,270 --> 00:41:38,520
I think I gave that my immediate

1013
00:41:44,150 --> 00:41:41,280

attention I pulled off my boot

1014

00:41:46,490 --> 00:41:44,160

um and my socks were on Sideways

1015

00:41:47,990 --> 00:41:46,500

and that really confused me and it

1016

00:41:50,390 --> 00:41:48,000

didn't hit me yet that we'd been

1017

00:41:52,609 --> 00:41:50,400

undressed and redressed is the reason

1018

00:41:53,329 --> 00:41:52,619

for this yeah

1019

00:41:55,670 --> 00:41:53,339

um

1020

00:41:58,609 --> 00:41:55,680

but I I was annoyed and I put them on

1021

00:42:01,790 --> 00:41:58,619

properly and I laced my boots up

1022

00:42:05,030 --> 00:42:01,800

um and the lights are still flashing

1023

00:42:07,609 --> 00:42:05,040

and I in in one of these flashes of

1024

00:42:11,210 --> 00:42:07,619

light I can see my friend Toby is on his

1025

00:42:14,450 --> 00:42:11,220

knees and he is peeking out through a

1026

00:42:16,609 --> 00:42:14,460

flap on his side of the tent

1027

00:42:18,589 --> 00:42:16,619

and this all happened pretty quick and I

1028

00:42:20,089 --> 00:42:18,599

I say Toby man what are you looking at

1029

00:42:21,829 --> 00:42:20,099

what's out there is IT Park Rangers

1030

00:42:25,310 --> 00:42:21,839

what's out there

1031

00:42:30,890 --> 00:42:27,890

and in one of these flashes of light

1032

00:42:33,650 --> 00:42:30,900

I could see tracks of tears down the

1033

00:42:35,750 --> 00:42:33,660

right side of his face

1034

00:42:38,270 --> 00:42:35,760

and that scared me that was really the

1035

00:42:41,930 --> 00:42:38,280

first fear that I felt the first real

1036

00:42:43,190 --> 00:42:41,940

fear that I felt in this whole encounter

1037

00:42:46,609 --> 00:42:43,200

because I couldn't imagine what would

1038

00:42:50,210 --> 00:42:46,619

make this guy cry and it made no sense

1039

00:42:52,190 --> 00:42:50,220

and uh I asked him again Toby what's out

1040

00:42:53,810 --> 00:42:52,200

there and he doesn't he doesn't give me

1041

00:42:56,329 --> 00:42:53,820

a coherent answer

1042

00:42:58,970 --> 00:42:56,339

and I got to my knees and I looked out

1043

00:43:01,430 --> 00:42:58,980

the flap on my side of the tent and this

1044

00:43:03,950 --> 00:43:01,440

thing that had been

1045

00:43:05,630 --> 00:43:03,960

somewhere around 3 000 feet I'm guessing

1046

00:43:06,650 --> 00:43:05,640

over our heads

1047

00:43:08,569 --> 00:43:06,660

um

1048

00:43:11,510 --> 00:43:08,579

when we went to bed

1049

00:43:14,210 --> 00:43:11,520

had descended and it was now just 30

1050

00:43:17,990 --> 00:43:14,220

feet over the floor of this Meadow

1051
00:43:19,430 --> 00:43:18,000
so it was I say I was grateful that we

1052
00:43:21,290 --> 00:43:19,440
had camped off to the side because

1053
00:43:23,270 --> 00:43:21,300
otherwise they'd been felt like right on

1054
00:43:25,910 --> 00:43:23,280
top of us and that was the reason these

1055
00:43:28,730 --> 00:43:25,920
lights were so bright was we were near

1056
00:43:32,930 --> 00:43:28,740
one of those points and the flashing

1057
00:43:35,030 --> 00:43:32,940
light was in our Direction and uh

1058
00:43:36,829 --> 00:43:35,040
it was pitch dark except for when these

1059
00:43:38,450 --> 00:43:36,839
when these lights would flash [\h__\h] out

1060
00:43:40,490 --> 00:43:38,460
intervals

1061
00:43:42,829 --> 00:43:40,500
and um

1062
00:43:44,870 --> 00:43:42,839
I'm looking and in one of these flashes

1063
00:43:46,609 --> 00:43:44,880

of light I can see what I first took to

1064

00:43:49,430 --> 00:43:46,619

be children

1065

00:43:51,710 --> 00:43:49,440

somewhere between a dozen maybe 15 I

1066

00:43:54,950 --> 00:43:51,720

didn't count them

1067

00:43:56,030 --> 00:43:54,960

but children three foot tall maybe a tad

1068

00:43:58,670 --> 00:43:56,040

less

1069

00:44:02,030 --> 00:43:58,680

walking around this Meadow and they're

1070

00:44:05,690 --> 00:44:02,040

all paired up in twos and threes

1071

00:44:07,849 --> 00:44:05,700

and they're walking around like uh

1072

00:44:09,349 --> 00:44:07,859

like tourist or something they're just

1073

00:44:11,329 --> 00:44:09,359

walking around checking things out

1074

00:44:11,990 --> 00:44:11,339

looking around

1075

00:44:14,450 --> 00:44:12,000

um

1076

00:44:16,910 --> 00:44:14,460

they're walking leisurely

1077

00:44:19,609 --> 00:44:16,920

they had an odd gate they walked with a

1078

00:44:21,410 --> 00:44:19,619

bit of a limp their gate wasn't

1079

00:44:24,170 --> 00:44:21,420

the way you or I

1080

00:44:25,990 --> 00:44:24,180

would walk something about their gate

1081

00:44:29,030 --> 00:44:26,000

was off

1082

00:44:31,010 --> 00:44:29,040

and I'm confused and I'm like Toby man

1083

00:44:32,150 --> 00:44:31,020

what what the hell what are these kids

1084

00:44:35,809 --> 00:44:32,160

doing out here in the middle of the

1085

00:44:38,270 --> 00:44:35,819

night you know in the middle of nowhere

1086

00:44:39,890 --> 00:44:38,280

and he said Terry man look at him those

1087

00:44:42,050 --> 00:44:39,900

ain't little kids look at them they're

1088

00:44:45,530 --> 00:44:42,060

not human beings

1089

00:44:47,750 --> 00:44:45,540

and when he said that I looked again

1090

00:44:49,430 --> 00:44:47,760

and I could see that their torsos their

1091

00:44:52,190 --> 00:44:49,440

limbs were disproportionate to their

1092

00:44:55,430 --> 00:44:52,200

body their heads were larger than they

1093

00:44:57,109 --> 00:44:55,440

should have been and they were all uh

1094

00:44:58,790 --> 00:44:57,119

they were all the same they were all

1095

00:45:02,450 --> 00:44:58,800

uniform

1096

00:45:03,829 --> 00:45:02,460

and I have a theory about you know I and

1097

00:45:06,290 --> 00:45:03,839

there may be a hundred different

1098

00:45:08,329 --> 00:45:06,300

varieties of Grays I mean

1099

00:45:10,250 --> 00:45:08,339

because I I say this and I have people

1100

00:45:12,410 --> 00:45:10,260

email me and said no that's not right

1101
00:45:14,150 --> 00:45:12,420
grades are this or Grazer that but I can

1102
00:45:16,190 --> 00:45:14,160
only tell you what I saw

1103
00:45:19,550 --> 00:45:16,200
and what I saw gave me the impression

1104
00:45:22,250 --> 00:45:19,560
that these things were manufactured

1105
00:45:23,750 --> 00:45:22,260
maybe intuitively somehow I knew that

1106
00:45:25,790 --> 00:45:23,760
these weren't living they weren't

1107
00:45:29,630 --> 00:45:25,800
sentient beings in the way that you and

1108
00:45:32,270 --> 00:45:29,640
I are you know conscious self-aware uh

1109
00:45:34,089 --> 00:45:32,280
you know you mentioned Calvin Parker uh

1110
00:45:37,490 --> 00:45:34,099
who's a friend and

1111
00:45:41,150 --> 00:45:37,500
Calvin and I had this uh conversation

1112
00:45:42,410 --> 00:45:41,160
and he describes to them as quote little

1113
00:45:44,990 --> 00:45:42,420

robots

1114

00:45:47,510 --> 00:45:45,000

yeah and I had I had that same I had

1115

00:45:49,010 --> 00:45:47,520

that same feeling that they felt like

1116

00:45:50,450 --> 00:45:49,020

something that was manufactured they

1117

00:45:52,550 --> 00:45:50,460

didn't seem real

1118

00:45:55,069 --> 00:45:52,560

or not they were they were definitely

1119

00:45:56,569 --> 00:45:55,079

real but they weren't sentient living

1120

00:45:58,370 --> 00:45:56,579

so

1121

00:45:59,870 --> 00:45:58,380

we're watching them and we're terrified

1122

00:46:01,910 --> 00:45:59,880

we're scared to death that we're gonna

1123

00:46:03,950 --> 00:46:01,920

sneeze or cough or make some noise and

1124

00:46:06,950 --> 00:46:03,960

draw their attention and of course they

1125

00:46:09,170 --> 00:46:06,960

were long done with us so uh whatever

1126

00:46:10,670 --> 00:46:09,180

they were doing and while we were

1127

00:46:12,410 --> 00:46:10,680

watching from underneath this thing

1128

00:46:16,309 --> 00:46:12,420

there came a column of light that came

1129

00:46:18,410 --> 00:46:16,319

on boom just like all of a sudden

1130

00:46:21,530 --> 00:46:18,420

and it was about 30 feet in diameter

1131

00:46:23,990 --> 00:46:21,540

because it was about the same diameter

1132

00:46:25,190 --> 00:46:24,000

as this thing was tall off the floor of

1133

00:46:27,829 --> 00:46:25,200

the meadow

1134

00:46:29,990 --> 00:46:27,839

so I'm guessing 30 feet and it was a

1135

00:46:32,450 --> 00:46:30,000

column of white light and it had that

1136

00:46:33,530 --> 00:46:32,460

milky white quality to it that that bean

1137

00:46:35,630 --> 00:46:33,540

had

1138

00:46:37,130 --> 00:46:35,640

that looked like a Searchlight cutting

1139

00:46:40,190 --> 00:46:37,140

through fog

1140

00:46:41,990 --> 00:46:40,200

and the second this thing turned on

1141

00:46:43,670 --> 00:46:42,000

all of these little guys turned their

1142

00:46:46,430 --> 00:46:43,680

attention toward it

1143

00:46:47,809 --> 00:46:46,440

and they start walking toward it and

1144

00:46:50,089 --> 00:46:47,819

they're they're not rushed they're not

1145

00:46:51,589 --> 00:46:50,099

in a hurry they're taking their time but

1146

00:46:53,390 --> 00:46:51,599

they're making their way toward this

1147

00:46:55,970 --> 00:46:53,400

light

1148

00:46:57,650 --> 00:46:55,980

and they're kind of farming up a queue

1149

00:47:00,470 --> 00:46:57,660

and

1150

00:47:02,870 --> 00:47:00,480

the first two step into the light

1151
00:47:05,630 --> 00:47:02,880
and over the course of about 30 seconds

1152
00:47:07,670 --> 00:47:05,640
maybe a little less they would pixelate

1153
00:47:08,390 --> 00:47:07,680
out

1154
00:47:11,809 --> 00:47:08,400
um

1155
00:47:13,870 --> 00:47:11,819
there was the original Star Trek series

1156
00:47:18,530 --> 00:47:13,880
which I'm sure aired

1157
00:47:21,829 --> 00:47:18,540
aired in in in Britain oh yeah back in

1158
00:47:23,630 --> 00:47:21,839
the 60s and there was a um thing they

1159
00:47:25,370 --> 00:47:23,640
called the transponder transporter so

1160
00:47:28,430 --> 00:47:25,380
I'm not a Sci-Fi fan at all the

1161
00:47:30,770 --> 00:47:28,440
transport or yeah that's it and they

1162
00:47:32,990 --> 00:47:30,780
would stand on this little platform and

1163
00:47:36,230 --> 00:47:33,000

they would just pixelate out

1164

00:47:38,450 --> 00:47:36,240

and uh that's what these things did they

1165

00:47:40,670 --> 00:47:38,460

they stood they pixelated out and they

1166

00:47:43,250 --> 00:47:40,680

were gone and as soon as they vanished

1167

00:47:46,430 --> 00:47:43,260

then the next two or three would step

1168

00:47:49,490 --> 00:47:46,440

into the light and in that order they

1169

00:47:51,530 --> 00:47:49,500

eventually the last couple ticks laid

1170

00:47:54,829 --> 00:47:51,540

out and they're gone the second that

1171

00:47:58,790 --> 00:47:54,839

they're gone that light turns off

1172

00:48:02,270 --> 00:47:59,450

um

1173

00:48:04,309 --> 00:48:02,280

the lights on the points of the triangle

1174

00:48:05,990 --> 00:48:04,319

changed intensity

1175

00:48:10,190 --> 00:48:06,000

uh and they went from being

1176

00:48:14,630 --> 00:48:12,290

and uh

1177

00:48:17,150 --> 00:48:14,640

this thing lifted off and it didn't lift

1178

00:48:22,250 --> 00:48:17,160

off like a

1179

00:48:26,630 --> 00:48:22,260

balloon

1180

00:48:29,630 --> 00:48:26,640

it just kind of rose and um

1181

00:48:30,890 --> 00:48:29,640

I have a hand-drawn picture of it that I

1182

00:48:35,030 --> 00:48:30,900

should have sent you and did and I

1183

00:48:39,290 --> 00:48:37,730

um I have a hand-drawn picture that I

1184

00:48:40,130 --> 00:48:39,300

drew kind of contemporaneous with the

1185

00:48:43,490 --> 00:48:40,140

event

1186

00:48:45,170 --> 00:48:43,500

I I redrew for inclusion into my book

1187

00:48:47,690 --> 00:48:45,180

and that's a pretty good representation

1188

00:48:49,609 --> 00:48:47,700

of what we saw

1189

00:48:51,109 --> 00:48:49,619

that link for the website will be in the

1190

00:48:52,670 --> 00:48:51,119

description to the podcast so if

1191

00:48:54,530 --> 00:48:52,680

anyone's listening they can click on

1192

00:48:56,510 --> 00:48:54,540

that and or head to terrylovelist.com

1193

00:48:57,829 --> 00:48:56,520

and they'll be able to see that which I

1194

00:48:59,569 --> 00:48:57,839

suggest they do

1195

00:49:01,609 --> 00:48:59,579

sure

1196

00:49:04,069 --> 00:49:01,619

so I want to ask you teddy just just

1197

00:49:05,630 --> 00:49:04,079

before you carry on yes that's a good

1198

00:49:06,950 --> 00:49:05,640

place just to ask you a quick question I

1199

00:49:08,630 --> 00:49:06,960

don't want to break up the story too

1200

00:49:11,690 --> 00:49:08,640

much because it's amazing to listen to

1201
00:49:14,930 --> 00:49:11,700
you mentioned the the Grays these small

1202
00:49:17,450 --> 00:49:14,940
robot type you know AI potentially we

1203
00:49:20,329 --> 00:49:17,460
hear about third generation AI are they

1204
00:49:22,190 --> 00:49:20,339
really intelligent clones or robots and

1205
00:49:24,349 --> 00:49:22,200
you mentioned that scene and it makes me

1206
00:49:27,410 --> 00:49:24,359
think of Close Encounters the Third Kind

1207
00:49:28,970 --> 00:49:27,420
when the little gray aliens come out the

1208
00:49:30,890 --> 00:49:28,980
craft and they're all standing in the

1209
00:49:32,450 --> 00:49:30,900
light and there's again they were played

1210
00:49:34,370 --> 00:49:32,460
by little children in the movie and

1211
00:49:37,430 --> 00:49:34,380
they're in that kind of mass at Sea of

1212
00:49:40,849 --> 00:49:37,440
sea of beings do you have any thoughts

1213
00:49:43,730 --> 00:49:40,859

then or over time as to

1214

00:49:46,190 --> 00:49:43,740

the source of these beings if they're

1215

00:49:48,290 --> 00:49:46,200

being created or manufactured

1216

00:49:50,089 --> 00:49:48,300

have you ever thought about why or by

1217

00:49:52,730 --> 00:49:50,099

who

1218

00:49:56,270 --> 00:49:52,740

I have and you know I I I'm glad you

1219

00:49:58,849 --> 00:49:56,280

asked that question because uh I uh I

1220

00:50:01,250 --> 00:49:58,859

don't watch Sci-Fi movies I don't watch

1221

00:50:03,230 --> 00:50:01,260

outer space movies

1222

00:50:06,170 --> 00:50:03,240

um very very rarely

1223

00:50:07,490 --> 00:50:06,180

and uh encouragement from my wife and my

1224

00:50:09,349 --> 00:50:07,500

kids are like come on you got to see

1225

00:50:11,630 --> 00:50:09,359

this it's a great movie you'll love it

1226

00:50:15,230 --> 00:50:11,640

uh

1227

00:50:17,690 --> 00:50:15,240

and I did enjoy it until that scene

1228

00:50:19,849 --> 00:50:17,700

and that scene where if I recall there's

1229

00:50:23,270 --> 00:50:19,859

a ramp that comes down there's a thick

1230

00:50:27,710 --> 00:50:23,280

fog or mist and the little gray guy step

1231

00:50:28,609 --> 00:50:27,720

out of it yep and um I had a panic

1232

00:50:33,370 --> 00:50:28,619

attack

1233

00:50:36,710 --> 00:50:33,380

I I flipped out and and left the theater

1234

00:50:38,809 --> 00:50:36,720

and uh waited outside for my family and

1235

00:50:40,910 --> 00:50:38,819

I said I

1236

00:50:44,089 --> 00:50:40,920

I I can't go back there but not right

1237

00:50:45,589 --> 00:50:44,099

now I I just needed to get away from

1238

00:50:48,829 --> 00:50:45,599

that

1239

00:50:50,089 --> 00:50:48,839

um I have some PTSD like symptoms and

1240

00:50:52,010 --> 00:50:50,099

I'll answer the rest of your question

1241

00:50:54,950 --> 00:50:52,020

but I want to interject with this if I

1242

00:50:56,990 --> 00:50:54,960

could sure yeah you know I had that

1243

00:50:58,730 --> 00:50:57,000

that uh panic attack and anyone who's

1244

00:51:01,309 --> 00:50:58,740

ever had a genuine panic attack knows

1245

00:51:03,349 --> 00:51:01,319

how unpleasant that really is

1246

00:51:07,069 --> 00:51:03,359

and I was in a shopping mall with my

1247

00:51:08,930 --> 00:51:07,079

wife in 1987 around Christmas time and I

1248

00:51:11,690 --> 00:51:08,940

walked around a corner and there was a

1249

00:51:14,569 --> 00:51:11,700

store that was set up with a long table

1250

00:51:17,089 --> 00:51:14,579

and it had these uh female mannequins

1251

00:51:20,230 --> 00:51:17,099

they were just from the waist up

1252

00:51:22,730 --> 00:51:20,240

and their arms they weren't dressed

1253

00:51:25,430 --> 00:51:22,740

they had heads but there was no hair

1254

00:51:28,069 --> 00:51:25,440

there were no facial facial features and

1255

00:51:29,990 --> 00:51:28,079

just arms extended

1256

00:51:31,549 --> 00:51:30,000

um and I

1257

00:51:33,770 --> 00:51:31,559

walking through the mall turned around

1258

00:51:35,990 --> 00:51:33,780

and I I looked at this

1259

00:51:38,270 --> 00:51:36,000

and something about there were four

1260

00:51:41,390 --> 00:51:38,280

mannequins set up on that table these

1261

00:51:43,250 --> 00:51:41,400

mannequins I flipped out I absolutely

1262

00:51:44,210 --> 00:51:43,260

flipped out and

1263

00:51:46,370 --> 00:51:44,220

um

1264

00:51:48,109 --> 00:51:46,380

had nightmares about mannequins for

1265

00:51:50,210 --> 00:51:48,119

weeks

1266

00:51:52,010 --> 00:51:50,220

you know also and lastly I'll get back

1267

00:51:52,730 --> 00:51:52,020

to answering your question

1268

00:51:55,790 --> 00:51:52,740

um

1269

00:51:57,950 --> 00:51:55,800

I can't cut across an open field

1270

00:51:59,870 --> 00:51:57,960

now I'll walk a mile and a half to get

1271

00:52:03,829 --> 00:51:59,880

around it but I can't walk out in Open

1272

00:52:06,950 --> 00:52:04,730

um

1273

00:52:09,470 --> 00:52:06,960

then I have some other pts like symptoms

1274

00:52:11,690 --> 00:52:09,480

that from people that I've talked to I'm

1275

00:52:13,790 --> 00:52:11,700

not alone they they this is this is

1276

00:52:15,589 --> 00:52:13,800

pretty common stuff

1277

00:52:17,390 --> 00:52:15,599

and your question was did I have a

1278

00:52:19,250 --> 00:52:17,400

feeling uh

1279

00:52:20,450 --> 00:52:19,260

or an intuition about where these things

1280

00:52:22,730 --> 00:52:20,460

come from

1281

00:52:24,890 --> 00:52:22,740

yeah either at the time which may be

1282

00:52:28,130 --> 00:52:24,900

difficult or or since then you know a

1283

00:52:31,130 --> 00:52:30,049

yeah I had that sense that they were

1284

00:52:32,809 --> 00:52:31,140

meant like I said that they were

1285

00:52:35,030 --> 00:52:32,819

manufactured and that they were

1286

00:52:37,130 --> 00:52:35,040

manufactured by whatever it is that that

1287

00:52:38,870 --> 00:52:37,140

manufactured

1288

00:52:41,930 --> 00:52:38,880

this craft

1289

00:52:43,549 --> 00:52:41,940

because this thing that I'm looking at

1290

00:52:45,589 --> 00:52:43,559

um

1291

00:52:47,329 --> 00:52:45,599

it was a nuts and bolts put together

1292

00:52:49,430 --> 00:52:47,339

kind of thing

1293

00:52:54,530 --> 00:52:49,440

and I've been through this in my mind

1294

00:52:56,150 --> 00:52:54,540

many times over over 45 years and

1295

00:52:58,190 --> 00:52:56,160

this thing had to be put together in a

1296

00:53:00,770 --> 00:52:58,200

factory by beings

1297

00:53:03,530 --> 00:53:00,780

that you know went to work in some

1298

00:53:06,049 --> 00:53:03,540

Factory that probably had job this was

1299

00:53:08,210 --> 00:53:06,059

their job and got a paycheck and went

1300

00:53:10,250 --> 00:53:08,220

home at the end of the day had their own

1301
00:53:12,950 --> 00:53:10,260
families uh

1302
00:53:14,870 --> 00:53:12,960
just not human and not from here because

1303
00:53:17,569 --> 00:53:14,880
whatever I saw I don't think originated

1304
00:53:22,490 --> 00:53:19,670
and I saw some other things too that

1305
00:53:23,510 --> 00:53:22,500
that left me with that impression

1306
00:53:26,870 --> 00:53:23,520
um

1307
00:53:30,049 --> 00:53:26,880
they they weren't they weren't from here

1308
00:53:31,670 --> 00:53:30,059
what else gave you that impression

1309
00:53:34,730 --> 00:53:31,680
I don't have

1310
00:53:38,569 --> 00:53:34,740
and never have had a clear linear memory

1311
00:53:41,569 --> 00:53:38,579
of what happened to us inside that ship

1312
00:53:43,490 --> 00:53:41,579
but I have flashes I had bits and pieces

1313
00:53:45,170 --> 00:53:43,500

of memory

1314

00:53:47,030 --> 00:53:45,180

and uh

1315

00:53:49,069 --> 00:53:47,040

I can run through a couple of those for

1316

00:53:52,430 --> 00:53:49,079

you because I say there aren't that many

1317

00:53:53,569 --> 00:53:52,440

because I don't have that many memories

1318

00:53:55,790 --> 00:53:53,579

um

1319

00:53:57,890 --> 00:53:55,800

is that relevant now do you do you

1320

00:53:59,510 --> 00:53:57,900

remember that from that moment I don't

1321

00:54:01,010 --> 00:53:59,520

want to take out the story and the the

1322

00:54:04,670 --> 00:54:01,020

chronological order you're telling it

1323

00:54:06,530 --> 00:54:04,680

but at the point the the object's gone

1324

00:54:08,329 --> 00:54:06,540

is did you still remember what had

1325

00:54:11,930 --> 00:54:08,339

happened at that point or did that come

1326
00:54:14,930 --> 00:54:11,940
later well you both uh immediately after

1327
00:54:16,690 --> 00:54:14,940
the event I recalled some things there

1328
00:54:20,450 --> 00:54:16,700
were some things that were a little more

1329
00:54:22,790 --> 00:54:20,460
uh frightening that that came back in

1330
00:54:25,069 --> 00:54:22,800
the form and I think they're genuine uh

1331
00:54:27,530 --> 00:54:25,079
memories I don't think these are are you

1332
00:54:29,569 --> 00:54:27,540
know they're not uh they're not Dreams

1333
00:54:33,290 --> 00:54:29,579
they're not they're they're genuine

1334
00:54:34,309 --> 00:54:33,300
memories uh so a little bit of both uh I

1335
00:54:39,349 --> 00:54:34,319
remember

1336
00:54:41,630 --> 00:54:39,359
I was conscious of being inside this

1337
00:54:45,589 --> 00:54:41,640
thing and the Curious thing is I don't

1338
00:54:47,690 --> 00:54:45,599

know if they took us someplace else

1339

00:54:49,130 --> 00:54:47,700

or if we were just inside the ship and

1340

00:54:51,530 --> 00:54:49,140

the reason I questioned that is because

1341

00:54:53,809 --> 00:54:51,540

the interior of the ship

1342

00:54:55,490 --> 00:54:53,819

was way bigger

1343

00:54:58,069 --> 00:54:55,500

than the thing we were looking at the

1344

00:55:00,470 --> 00:54:58,079

thing we were looking at was big

1345

00:55:02,210 --> 00:55:00,480

um but like if if

1346

00:55:04,670 --> 00:55:02,220

I'm comparing this thing to a medical

1347

00:55:06,890 --> 00:55:04,680

building from the outside while we were

1348

00:55:08,750 --> 00:55:06,900

inside it if that's where we were I

1349

00:55:09,589 --> 00:55:08,760

don't know

1350

00:55:15,049 --> 00:55:09,599

um

1351

00:55:16,309 --> 00:55:15,059

kind of sure

1352

00:55:19,849 --> 00:55:16,319

so

1353

00:55:22,130 --> 00:55:19,859

it was incredibly bright inside it was

1354

00:55:24,950 --> 00:55:22,140

just lit up like crazy

1355

00:55:26,809 --> 00:55:24,960

and both of us had Burns to the cornea

1356

00:55:29,089 --> 00:55:26,819

of our eyes they're called flashbirds

1357

00:55:31,430 --> 00:55:29,099

it's like it's like a welder would get

1358

00:55:34,190 --> 00:55:31,440

if they didn't wear that that mask with

1359

00:55:37,730 --> 00:55:34,200

the tinted glass to protect their eyes

1360

00:55:41,150 --> 00:55:37,740

uh so this place was insanely lit

1361

00:55:43,190 --> 00:55:41,160

I opened my eyes they had undressed us I

1362

00:55:44,569 --> 00:55:43,200

had my boots and my clothing in my hands

1363

00:55:46,970 --> 00:55:44,579

like this

1364

00:55:49,010 --> 00:55:46,980

and I could sense that Toby was next to

1365

00:55:52,549 --> 00:55:49,020

me to my left

1366

00:55:55,490 --> 00:55:52,559

and there were I'm doing the only thing

1367

00:55:58,730 --> 00:55:55,500

I can move is my eyeballs

1368

00:56:01,370 --> 00:55:58,740

I can roll my eyes and I can look

1369

00:56:03,950 --> 00:56:01,380

but I can't see what's behind me I can't

1370

00:56:08,030 --> 00:56:03,960

turn my head to the left or to the right

1371

00:56:10,630 --> 00:56:08,040

so that's that's my field of vision it's

1372

00:56:14,150 --> 00:56:10,640

just what I can see by moving my eyes

1373

00:56:14,930 --> 00:56:14,160

and I was paralyzed otherwise

1374

00:56:16,910 --> 00:56:14,940

um

1375

00:56:18,410 --> 00:56:16,920

and you know what we talked about Calvin

1376

00:56:20,569 --> 00:56:18,420

Parker I think Calvin had the same

1377

00:56:23,210 --> 00:56:20,579

experience where he the only thing he

1378

00:56:26,030 --> 00:56:23,220

could move was his eyes

1379

00:56:28,549 --> 00:56:26,040

um and while I'm

1380

00:56:31,430 --> 00:56:28,559

I remember taking in that this place was

1381

00:56:32,990 --> 00:56:31,440

huge the little gray guys were running

1382

00:56:34,609 --> 00:56:33,000

all over the place

1383

00:56:36,770 --> 00:56:34,619

and when I say running all over the

1384

00:56:39,530 --> 00:56:36,780

place I mean they were moving with um

1385

00:56:40,910 --> 00:56:39,540

intent with purpose you know they

1386

00:56:42,589 --> 00:56:40,920

weren't uh

1387

00:56:43,970 --> 00:56:42,599

there weren't any Slackers you know

1388

00:56:47,450 --> 00:56:43,980

there was nobody taking a smoke break

1389

00:56:49,430 --> 00:56:47,460

everybody was doing something uh with a

1390

00:56:51,530 --> 00:56:49,440

purpose

1391

00:56:53,329 --> 00:56:51,540

and then

1392

00:56:56,569 --> 00:56:53,339

this was probably the most frightening

1393

00:56:58,910 --> 00:56:56,579

thing that that happened to me

1394

00:57:02,210 --> 00:56:58,920

and that was

1395

00:57:05,390 --> 00:57:02,220

I was aware of

1396

00:57:08,390 --> 00:57:05,400

a being about six foot tall

1397

00:57:10,549 --> 00:57:08,400

you know almost twice as tall you know

1398

00:57:12,230 --> 00:57:10,559

two meters tall

1399

00:57:13,970 --> 00:57:12,240

to my right

1400

00:57:18,109 --> 00:57:13,980

and um

1401
00:57:21,230 --> 00:57:18,119
he was dressed in a like a gray uniform

1402
00:57:23,750 --> 00:57:21,240
with a v-neck I saw I didn't see any

1403
00:57:26,089 --> 00:57:23,760
Insignia of rank or name tag or anything

1404
00:57:27,650 --> 00:57:26,099
like that but this thing was like a

1405
00:57:30,770 --> 00:57:27,660
sweater

1406
00:57:32,569 --> 00:57:30,780
and uh he

1407
00:57:36,470 --> 00:57:32,579
wasn't a human being

1408
00:57:38,270 --> 00:57:36,480
uh he wasn't great his complexion was a

1409
00:57:41,030 --> 00:57:38,280
like a pinkish color

1410
00:57:44,510 --> 00:57:41,040
it's odd it it wasn't but it wasn't he

1411
00:57:45,710 --> 00:57:44,520
was not human he had um just two

1412
00:57:48,829 --> 00:57:45,720
nostrils

1413
00:57:50,089 --> 00:57:48,839

uh a slit for a mouth no discernible

1414

00:57:52,430 --> 00:57:50,099

ears

1415

00:57:54,650 --> 00:57:52,440

there was no hair that I could see only

1416

00:57:56,630 --> 00:57:54,660

some very sparse you know kind of like

1417

00:57:59,150 --> 00:57:56,640

what I got very sparse hair

1418

00:58:03,650 --> 00:57:59,160

and um

1419

00:58:06,170 --> 00:58:03,660

his eyes his eyes weren't

1420

00:58:09,710 --> 00:58:06,180

as big as what the Grays had I mean they

1421

00:58:12,410 --> 00:58:09,720

weren't like Motion Picture kind of huge

1422

00:58:15,230 --> 00:58:12,420

they were almond shaped but they were

1423

00:58:18,890 --> 00:58:15,240

about the size of a pair of Ray-Bans

1424

00:58:21,049 --> 00:58:18,900

you know uh and they were they were jet

1425

00:58:23,750 --> 00:58:21,059

black and kind of wrapped around

1426
00:58:29,089 --> 00:58:26,329
this guy walks across my field of vision

1427
00:58:31,010 --> 00:58:29,099
from my left to my right

1428
00:58:32,870 --> 00:58:31,020
and

1429
00:58:34,730 --> 00:58:32,880
I you know I pay attention to the way

1430
00:58:37,370 --> 00:58:34,740
people carry themselves I always have

1431
00:58:40,789 --> 00:58:37,380
and this guy carried himself like an

1432
00:58:43,970 --> 00:58:40,799
officer or someone an authority

1433
00:58:46,250 --> 00:58:43,980
and uh he didn't look in my direction

1434
00:58:49,430 --> 00:58:46,260
but he walked past me

1435
00:58:52,370 --> 00:58:49,440
and he is somewhere to my left and I'm

1436
00:58:55,010 --> 00:58:52,380
straining my eyes as hard as I can to my

1437
00:58:58,069 --> 00:58:55,020
left to look at this guy

1438
00:59:00,650 --> 00:58:58,079

and as I'm doing that he turned and I

1439

00:59:05,030 --> 00:59:00,660

think just by chance by happenstance he

1440

00:59:09,470 --> 00:59:07,190

and I don't have a better way to explain

1441

00:59:11,690 --> 00:59:09,480

this other than to say that this guy was

1442

00:59:15,530 --> 00:59:11,700

in my head

1443

00:59:17,990 --> 00:59:15,540

uh I mean he knew me he knew my plans he

1444

00:59:21,650 --> 00:59:18,000

knew my wife you knew my dreams he knew

1445

00:59:23,510 --> 00:59:21,660

my secrets he knew everything about me

1446

00:59:25,970 --> 00:59:23,520

um and I guess they would call that a

1447

00:59:30,589 --> 00:59:25,980

download that he downloaded my mind but

1448

00:59:32,990 --> 00:59:30,599

I felt like he was just in my head

1449

00:59:35,750 --> 00:59:33,000

and what I got

1450

00:59:38,329 --> 00:59:35,760

what I got back from those eyes

1451

00:59:39,289 --> 00:59:38,339

was just intellect

1452

00:59:43,609 --> 00:59:39,299

um

1453

00:59:45,349 --> 00:59:43,619

I felt inferior to this thing

1454

00:59:48,950 --> 00:59:45,359

I felt inferior intellectually

1455

00:59:51,470 --> 00:59:48,960

emotionally physically every way you can

1456

00:59:55,370 --> 00:59:51,480

you can think about it matter of fact I

1457

00:59:58,010 --> 00:59:55,380

use the analogy I have a cat who's

1458

01:00:00,770 --> 00:59:58,020

being kind of difficult right now I have

1459

01:00:02,809 --> 01:00:00,780

a house all right we'll come over

1460

01:00:06,289 --> 01:00:02,819

you know and I'll pet her and she'll

1461

01:00:06,950 --> 01:00:06,299

look at me you know with those eyes and

1462

01:00:10,490 --> 01:00:06,960

um

1463

01:00:13,030 --> 01:00:10,500

I she knows that I'm the food provider

1464

01:00:16,849 --> 01:00:13,040

and in that regard as much as a cat can

1465

01:00:18,710 --> 01:00:16,859

I'm the alpha in the equation and I

1466

01:00:21,349 --> 01:00:18,720

think she knows that and we each have

1467

01:00:23,630 --> 01:00:21,359

our respective roles

1468

01:00:25,910 --> 01:00:23,640

and when I saw this guy I felt like I

1469

01:00:29,089 --> 01:00:25,920

was the calf

1470

01:00:31,970 --> 01:00:29,099

in the equation I felt that inferior as

1471

01:00:35,630 --> 01:00:34,010

and that was frightening because I had

1472

01:00:37,549 --> 01:00:35,640

never considered

1473

01:00:39,170 --> 01:00:37,559

that there were other sentient beings

1474

01:00:41,510 --> 01:00:39,180

out there

1475

01:00:44,690 --> 01:00:41,520

that weren't our equals they were they

1476

01:00:48,230 --> 01:00:44,700

were above us and uh that was an

1477

01:00:49,490 --> 01:00:48,240

epiphany that was a frightening epiphany

1478

01:00:51,710 --> 01:00:49,500

so

1479

01:00:54,230 --> 01:00:51,720

but you're still feeding fear at this

1480

01:00:56,750 --> 01:00:54,240

point what was the you've had the

1481

01:00:58,849 --> 01:00:56,760

sedation the sleepiness the fear now

1482

01:01:01,430 --> 01:00:58,859

you've got this this memory of being on

1483

01:01:04,069 --> 01:01:01,440

board and this this other entity locks

1484

01:01:07,130 --> 01:01:04,079

eyes do you remember feeling scared did

1485

01:01:11,329 --> 01:01:09,770

you're asking about my level of fear if

1486

01:01:13,370 --> 01:01:11,339

I'm understanding yeah do you remember

1487

01:01:15,049 --> 01:01:13,380

was there still a feeling of sedation at

1488

01:01:18,049 --> 01:01:15,059

this point or

1489

01:01:20,210 --> 01:01:18,059

no no unfortunately the sedation was all

1490

01:01:23,329 --> 01:01:20,220

gone I would have loved to have had some

1491

01:01:25,849 --> 01:01:23,339

sedation I was absolutely terrified I I

1492

01:01:28,549 --> 01:01:25,859

absolutely was the most afraid I'd ever

1493

01:01:32,329 --> 01:01:28,559

been in my life

1494

01:01:34,849 --> 01:01:32,339

I didn't know their intention

1495

01:01:38,270 --> 01:01:34,859

had they given me some slight bit of

1496

01:01:41,210 --> 01:01:38,280

intention like you know relax uh you're

1497

01:01:43,069 --> 01:01:41,220

here we're just doing some studying uh

1498

01:01:45,950 --> 01:01:43,079

you know we'll be done with you shortly

1499

01:01:47,809 --> 01:01:45,960

and uh we'll get you on your way and who

1500

01:01:49,549 --> 01:01:47,819

knows they may have told me that and I

1501

01:01:52,069 --> 01:01:49,559

just have no memory of it

1502

01:01:54,710 --> 01:01:52,079

but at the time I saw this guy walk

1503

01:01:56,870 --> 01:01:54,720

across my field of vision I had no idea

1504

01:02:00,230 --> 01:01:56,880

what I was there for I had no idea if

1505

01:02:02,870 --> 01:02:00,240

they were going to dissect us eat us I

1506

01:02:06,410 --> 01:02:02,880

had no idea what was going on so I was

1507

01:02:08,329 --> 01:02:06,420

absolutely uh absolutely terrified

1508

01:02:10,250 --> 01:02:08,339

and one more thing before you move on

1509

01:02:12,230 --> 01:02:10,260

again continue

1510

01:02:14,150 --> 01:02:12,240

because that is really important I think

1511

01:02:16,730 --> 01:02:14,160

many people when discussing abduction

1512

01:02:18,950 --> 01:02:16,740

experiences will tell you that the

1513

01:02:21,109 --> 01:02:18,960

beings are very reassuring that they

1514

01:02:24,650 --> 01:02:21,119

have that over overwhelming sense of

1515

01:02:27,470 --> 01:02:24,660

calm that it's a very almost pleasant

1516

01:02:29,329 --> 01:02:27,480

experience yet you hear other

1517

01:02:30,890 --> 01:02:29,339

experiences like you say you might not

1518

01:02:33,530 --> 01:02:30,900

remember but people like Whitley

1519

01:02:35,390 --> 01:02:33,540

strieber Calvin Parker don't have

1520

01:02:37,370 --> 01:02:35,400

pleasant experiences it's very much

1521

01:02:39,170 --> 01:02:37,380

against their will they're scared

1522

01:02:42,829 --> 01:02:39,180

they're frightened they're anxious they

1523

01:02:45,349 --> 01:02:42,839

have they have ex procedures carried out

1524

01:02:46,970 --> 01:02:45,359

on them which they did not want

1525

01:02:49,089 --> 01:02:46,980

and

1526

01:02:51,890 --> 01:02:49,099

why do you think those experience

1527

01:02:52,789 --> 01:02:51,900

experiences can differ from person to

1528

01:02:54,289 --> 01:02:52,799

person

1529

01:02:57,049 --> 01:02:54,299

you know that's a great question because

1530

01:02:59,930 --> 01:02:57,059

it does experiences differ from person

1531

01:03:01,730 --> 01:02:59,940

to person it'd be a lot more helpful if

1532

01:03:03,589 --> 01:03:01,740

we all had the same story

1533

01:03:05,270 --> 01:03:03,599

because we could all bolster one

1534

01:03:06,829 --> 01:03:05,280

another's experience

1535

01:03:09,470 --> 01:03:06,839

but that doesn't seem to be the case

1536

01:03:11,990 --> 01:03:09,480

everybody has a little bit everybody has

1537

01:03:13,370 --> 01:03:12,000

a different experience the reason that I

1538

01:03:16,309 --> 01:03:13,380

think that they

1539

01:03:16,910 --> 01:03:16,319

had us sedated

1540

01:03:20,390 --> 01:03:16,920

um

1541

01:03:23,510 --> 01:03:20,400

initially well I don't know but the

1542

01:03:26,930 --> 01:03:23,520

reason for that wasn't for our comfort

1543

01:03:30,430 --> 01:03:26,940

it was for their ease in handling us

1544

01:03:35,510 --> 01:03:30,440

that that's what I believe so it wasn't

1545

01:03:37,490 --> 01:03:35,520

it wasn't for our comfort it was done uh

1546

01:03:39,890 --> 01:03:37,500

they struck me as being you know very

1547

01:03:42,470 --> 01:03:39,900

pragmatic uh

1548

01:03:46,190 --> 01:03:42,480

and I and I well I didn't see them go

1549

01:03:48,250 --> 01:03:46,200

out of their way to be malicious uh to

1550

01:03:53,510 --> 01:03:48,260

worry me

1551

01:03:59,450 --> 01:03:56,030

they were benign

1552

01:04:02,390 --> 01:03:59,460

and what we ex what we experienced pain

1553

01:04:05,210 --> 01:04:02,400

wise and fear wise was

1554

01:04:07,849 --> 01:04:05,220

what I call collateral damage it was

1555

01:04:10,069 --> 01:04:07,859

unintentional but it uh it happened

1556

01:04:11,990 --> 01:04:10,079

nonetheless you know I had a lot of

1557

01:04:13,730 --> 01:04:12,000

anger and a lot of resentment toward

1558

01:04:15,650 --> 01:04:13,740

these things

1559

01:04:18,289 --> 01:04:15,660

after the event

1560

01:04:20,510 --> 01:04:18,299

and uh

1561

01:04:22,870 --> 01:04:20,520

but you know it's been so long ago it's

1562

01:04:26,030 --> 01:04:22,880

been part of my life for 40 years

1563

01:04:30,230 --> 01:04:26,040

I've come to accept what had happened to

1564

01:04:32,690 --> 01:04:30,240

me it helps uh I had no idea until 2018

1565

01:04:34,309 --> 01:04:32,700

when I wrote this book and published it

1566

01:04:36,650 --> 01:04:34,319

that there were so many people that have

1567

01:04:38,690 --> 01:04:36,660

had similar experiences it's very

1568

01:04:41,030 --> 01:04:38,700

helpful to know that I'm not alone that

1569

01:04:43,190 --> 01:04:41,040

there are others out there who who had

1570

01:04:45,170 --> 01:04:43,200

their experience too do you think it

1571

01:04:46,910 --> 01:04:45,180

points to there being a range of beings

1572

01:04:48,950 --> 01:04:46,920

or entities carrying out these

1573

01:04:51,650 --> 01:04:48,960

abductions when you have some people

1574

01:04:53,630 --> 01:04:51,660

like I say having Pleasant experiences

1575

01:04:56,390 --> 01:04:53,640

and other people having less Pleasant

1576

01:04:58,910 --> 01:04:56,400

experiences but it makes sense that you

1577

01:05:01,309 --> 01:04:58,920

have one set of beings who are nicer and

1578

01:05:03,049 --> 01:05:01,319

one set of beings who are not as nice

1579

01:05:05,510 --> 01:05:03,059

shall we say

1580

01:05:08,990 --> 01:05:05,520

yeah no that makes sense to me that that

1581

01:05:11,270 --> 01:05:09,000

makes sense I I think that there are who

1582

01:05:13,250 --> 01:05:11,280

knows dozens hundreds thousands who

1583

01:05:17,510 --> 01:05:13,260

knows how we have no way to know

1584

01:05:18,410 --> 01:05:17,520

of different races species of entities

1585

01:05:24,770 --> 01:05:18,420

um

1586

01:05:29,210 --> 01:05:24,780

come to us with all kinds of intentions

1587

01:05:33,109 --> 01:05:29,220

now I I know uh Linda Moulton Howe

1588

01:05:35,870 --> 01:05:33,119

who did a lot of research in regard to

1589

01:05:37,430 --> 01:05:35,880

cattle mutilations from western part of

1590

01:05:39,530 --> 01:05:37,440

the United States

1591

01:05:42,230 --> 01:05:39,540

and uh

1592

01:05:44,510 --> 01:05:42,240

she has some frightening stories of what

1593

01:05:48,170 --> 01:05:44,520

these poor animals were subjected to

1594

01:05:51,289 --> 01:05:48,180

and the amount of

1595

01:05:56,270 --> 01:05:51,299

the number of cattle abductions

1596

01:05:58,370 --> 01:05:56,280

just is in incredible and and it how you

1597

01:06:00,289 --> 01:05:58,380

wonder how could this happen how can

1598

01:06:01,730 --> 01:06:00,299

this how could this possibly happen but

1599

01:06:03,470 --> 01:06:01,740

but it does

1600

01:06:06,650 --> 01:06:03,480

and it's the same with human beings

1601

01:06:09,349 --> 01:06:06,660

human beings disappear

1602

01:06:11,510 --> 01:06:09,359

way more often than they should hundreds

1603

01:06:13,490 --> 01:06:11,520

you know they're like lots of people

1604

01:06:16,010 --> 01:06:13,500

like Rodney Letterman go out for a walk

1605

01:06:18,470 --> 01:06:16,020

in a in a state or national forest and

1606

01:06:21,410 --> 01:06:18,480

they're just they're just gone

1607

01:06:24,410 --> 01:06:21,420

and and our government keeps those

1608

01:06:25,730 --> 01:06:24,420

numbers secret as David Pilates will

1609

01:06:28,970 --> 01:06:25,740

tell you

1610

01:06:31,309 --> 01:06:28,980

um there there is you can't go and get a

1611

01:06:34,309 --> 01:06:31,319

list of who's missing uh they won't

1612

01:06:36,589 --> 01:06:34,319

share that information with you if you

1613

01:06:38,410 --> 01:06:36,599

try to file a Freedom of Information Act

1614

01:06:40,730 --> 01:06:38,420

and get information

1615

01:06:42,650 --> 01:06:40,740

they will um

1616

01:06:45,109 --> 01:06:42,660

so sure we can help you out but there's

1617

01:06:47,329 --> 01:06:45,119

going to be a bill for that and and the

1618

01:06:51,410 --> 01:06:47,339

wrong the law is written where they can

1619

01:06:55,430 --> 01:06:51,420

they can charge reasonable uh

1620

01:06:57,589 --> 01:06:55,440

uh charges for cost of reproducing the

1621

01:06:58,329 --> 01:06:57,599

documents and Postage and that and the

1622

01:07:00,470 --> 01:06:58,339

like

1623

01:07:02,270 --> 01:07:00,480

but they came back and told David

1624

01:07:05,510 --> 01:07:02,280

Pilates yeah we can send you the file

1625

01:07:07,250 --> 01:07:05,520

it'd be about seventeen thousand dollars

1626

01:07:10,309 --> 01:07:07,260

um and just

1627

01:07:12,529 --> 01:07:10,319

you know did everything they did

1628

01:07:14,569 --> 01:07:12,539

to kind of go through looking like

1629

01:07:17,329 --> 01:07:14,579

they're trying to comply but there was

1630

01:07:20,870 --> 01:07:17,339

no genuine compliance there whatsoever

1631

01:07:23,450 --> 01:07:20,880

so uh somebody at some level knows

1632

01:07:25,430 --> 01:07:23,460

what's going on

1633

01:07:27,529 --> 01:07:25,440

or at least they know that this is going

1634

01:07:28,849 --> 01:07:27,539

on they may not know the backstory

1635

01:07:29,510 --> 01:07:28,859

but

1636

01:07:30,890 --> 01:07:29,520

um

1637

01:07:33,230 --> 01:07:30,900

well I think we're going to get there

1638

01:07:35,870 --> 01:07:33,240

with your story too because the office

1639

01:07:37,190 --> 01:07:35,880

of special investigations comes in but

1640

01:07:39,230 --> 01:07:37,200

there was probably a little bit more

1641

01:07:40,789 --> 01:07:39,240

before we get there so you're on board

1642

01:07:43,789 --> 01:07:40,799

the craft and you're straining you've

1643

01:07:45,650 --> 01:07:43,799

locked eyes you feel you're getting a

1644

01:07:47,630 --> 01:07:45,660

connection with this other entity he's

1645

01:07:48,410 --> 01:07:47,640

inside your head or it's inside your

1646

01:07:51,049 --> 01:07:48,420

head

1647

01:07:54,410 --> 01:07:51,059

yes what happens from that point

1648

01:07:58,309 --> 01:07:54,420

I I don't have a memory of what happened

1649

01:08:00,529 --> 01:07:58,319

uh I just have little vignettes uh and

1650

01:08:02,450 --> 01:08:00,539

so there's a gap and then I have a

1651

01:08:06,589 --> 01:08:02,460

vignette of um

1652

01:08:08,750 --> 01:08:06,599

a scene of scene and this confused me

1653

01:08:12,170 --> 01:08:08,760

about um

1654

01:08:14,630 --> 01:08:12,180

about eight people uh they were young

1655

01:08:17,450 --> 01:08:14,640

they were our age they were 18 to 22

1656

01:08:19,430 --> 01:08:17,460

years of age they were dressed in tan

1657

01:08:21,829 --> 01:08:19,440

colored flight suits

1658

01:08:24,130 --> 01:08:21,839

they had combat boots that looked an

1659

01:08:26,570 --> 01:08:24,140

awful lot like mine

1660

01:08:27,890 --> 01:08:26,580

they're a fair distance away so they're

1661

01:08:29,990 --> 01:08:27,900

not close enough that I can get a great

1662

01:08:33,530 --> 01:08:30,000

look at them but these are absolutely

1663

01:08:35,510 --> 01:08:33,540

human beings I mean by all appearance

1664

01:08:38,390 --> 01:08:35,520

these are human beings

1665

01:08:41,749 --> 01:08:38,400

and They Carried themselves like they

1666

01:08:45,769 --> 01:08:41,759

were crew members like they belong there

1667

01:08:46,910 --> 01:08:45,779

um there were seven men and one woman

1668

01:08:51,890 --> 01:08:46,920

um

1669

01:08:53,289 --> 01:08:51,900

they all wore short military style

1670

01:08:56,090 --> 01:08:53,299

haircuts

1671

01:08:57,950 --> 01:08:56,100

the woman had her hair pulled back in a

1672

01:09:01,010 --> 01:08:57,960

ponytail

1673

01:09:03,470 --> 01:09:01,020

and there was a red patch on the

1674

01:09:07,010 --> 01:09:03,480

shoulder left shoulder of their uniforms

1675

01:09:09,650 --> 01:09:07,020

a round patch with uh that was I said

1676

01:09:11,870 --> 01:09:09,660

red it was more of an orange color with

1677

01:09:15,169 --> 01:09:11,880

white writing on it that I couldn't

1678

01:09:17,570 --> 01:09:15,179

discern I was too far away to see it I

1679

01:09:21,950 --> 01:09:17,580

went as far as to uh

1680

01:09:25,970 --> 01:09:21,960

my my good friend is a psychiatrist

1681

01:09:28,849 --> 01:09:25,980

uh a medical doctor and uh

1682

01:09:31,910 --> 01:09:28,859

he knows my story and he asked me if I'd

1683

01:09:34,550 --> 01:09:31,920

care to be hypnotized to see if I could

1684

01:09:36,370 --> 01:09:34,560

read or describe or draw what was on

1685

01:09:40,010 --> 01:09:36,380

those patches

1686

01:09:43,010 --> 01:09:40,020

and I said that I didn't want to be

1687

01:09:45,709 --> 01:09:43,020

I didn't want to relive the entire thing

1688

01:09:47,570 --> 01:09:45,719

but if we could very narrow in scope try

1689

01:09:49,789 --> 01:09:47,580

to take me back where I could read those

1690

01:09:53,749 --> 01:09:49,799

patches

1691

01:09:56,510 --> 01:09:53,759

I I wouldn't mind doing that so it took

1692

01:09:58,310 --> 01:09:56,520

a couple attempts but he finally I got

1693

01:10:00,410 --> 01:09:58,320

relaxed and I think that I was in that

1694

01:10:03,050 --> 01:10:00,420

meditative state

1695

01:10:04,669 --> 01:10:03,060

um but they were just too far away I I

1696

01:10:09,110 --> 01:10:04,679

couldn't tell you what was what was on

1697

01:10:12,770 --> 01:10:10,970

at least you attempted that though and

1698

01:10:15,050 --> 01:10:12,780

that's something that again we've seen

1699

01:10:18,169 --> 01:10:15,060

Whitley strieber and his regression

1700

01:10:20,570 --> 01:10:18,179

tapes that have been played in the the

1701

01:10:22,910 --> 01:10:20,580

harrowing screams that that come out of

1702

01:10:23,930 --> 01:10:22,920

them are just star almost inhuman and

1703

01:10:25,490 --> 01:10:23,940

that's something that people haven't

1704

01:10:27,350 --> 01:10:25,500

heard it's on it's on various

1705

01:10:28,610 --> 01:10:27,360

documentaries but also on his website I

1706

01:10:30,110 --> 01:10:28,620

believe as well

1707

01:10:31,610 --> 01:10:30,120

um it's not a pleasant thing to have to

1708

01:10:33,890 --> 01:10:31,620

go back and relive

1709

01:10:35,450 --> 01:10:33,900

were there any other of these can I I'm

1710

01:10:37,370 --> 01:10:35,460

thinking in modern terms it's like

1711

01:10:39,709 --> 01:10:37,380

YouTube shorts or vignettes as you call

1712

01:10:40,610 --> 01:10:39,719

them these these short busts or clips of

1713

01:10:42,530 --> 01:10:40,620

memories

1714

01:10:44,209 --> 01:10:42,540

what else do you remember or is it a

1715

01:10:46,310 --> 01:10:44,219

case of then you're you're kind of back

1716

01:10:47,689 --> 01:10:46,320

in the tent yeah there's a there's a

1717

01:10:49,250 --> 01:10:47,699

couple things I should include real

1718

01:10:49,910 --> 01:10:49,260

quick they're short

1719

01:10:51,530 --> 01:10:49,920

um

1720

01:10:54,530 --> 01:10:51,540

I forgot to mention it while I was

1721

01:10:56,990 --> 01:10:54,540

holding on to my clothing before this

1722

01:10:59,330 --> 01:10:57,000

personal walk or this entity walked past

1723

01:11:03,169 --> 01:10:59,340

me and got my attention I'm holding on

1724

01:11:07,490 --> 01:11:03,179

I'm looking around and there were on my

1725

01:11:11,570 --> 01:11:07,500

left there were a row of flying discs uh

1726

01:11:13,010 --> 01:11:11,580

uh metallic aluminum like disc lined up

1727

01:11:16,010 --> 01:11:13,020

like you know like

1728

01:11:18,950 --> 01:11:16,020

airplanes on a underneath the carrier

1729

01:11:20,390 --> 01:11:18,960

you know and a hanger they they were

1730

01:11:22,490 --> 01:11:20,400

lined up and there were these huge

1731

01:11:26,209 --> 01:11:22,500

garage door looking things

1732

01:11:27,110 --> 01:11:26,219

uh that I guess that they use to go in

1733

01:11:29,510 --> 01:11:27,120

common

1734

01:11:31,250 --> 01:11:29,520

uh the other thing that I saw where

1735

01:11:32,930 --> 01:11:31,260

there were multiple levels this thing

1736

01:11:34,669 --> 01:11:32,940

was very high I could not see the

1737

01:11:37,610 --> 01:11:34,679

ceiling because I could not tip my head

1738

01:11:39,950 --> 01:11:37,620

back but there were multiple levels of

1739

01:11:42,169 --> 01:11:39,960

rails all around this thing so it was

1740

01:11:45,530 --> 01:11:42,179

huge it was enormous

1741

01:11:47,209 --> 01:11:45,540

uh I saw a vehicle that looked like a

1742

01:11:49,910 --> 01:11:47,219

golf cart

1743

01:11:51,410 --> 01:11:49,920

uh that had no wheels I could see no

1744

01:11:54,590 --> 01:11:51,420

visible

1745

01:11:57,290 --> 01:11:54,600

way for it to move but it moved and it

1746

01:11:59,450 --> 01:11:57,300

was carrying some gray guys in it and

1747

01:12:01,610 --> 01:11:59,460

they were just moving along I didn't

1748

01:12:04,070 --> 01:12:01,620

make any noise

1749

01:12:06,169 --> 01:12:04,080

um to my right

1750

01:12:08,270 --> 01:12:06,179

I saw

1751

01:12:11,689 --> 01:12:08,280

I don't know how many there were because

1752

01:12:15,050 --> 01:12:11,699

I could only see the first row

1753

01:12:18,229 --> 01:12:15,060

uh maybe a dozen human beings

1754

01:12:20,149 --> 01:12:18,239

like us only these weren't

1755

01:12:21,770 --> 01:12:20,159

these were a mix of men women and

1756

01:12:24,590 --> 01:12:21,780

children

1757

01:12:25,850 --> 01:12:24,600

and I have no idea who they were or how

1758

01:12:29,330 --> 01:12:25,860

they got there

1759

01:12:32,149 --> 01:12:29,340

uh and they my first thought was I'm

1760

01:12:35,090 --> 01:12:32,159

glad I'm not part of their party I'm

1761

01:12:39,169 --> 01:12:35,100

glad we're they we were segregated off

1762

01:12:45,130 --> 01:12:42,350

these people were in distress they were

1763

01:12:48,530 --> 01:12:45,140

paralyzed but they were in distress

1764

01:12:50,090 --> 01:12:48,540

their eyes were all moving all over the

1765

01:12:52,669 --> 01:12:50,100

place because they're trying to drink in

1766

01:12:54,649 --> 01:12:52,679

their surroundings just like I was and

1767

01:12:58,910 --> 01:12:54,659

they're all crying every single one of

1768

01:13:00,110 --> 01:12:58,920

them is crying I was probably crying but

1769

01:13:03,470 --> 01:13:00,120

these people look like they were in

1770

01:13:04,910 --> 01:13:03,480

distress and I don't know

1771

01:13:07,729 --> 01:13:04,920

you know there could have been a hundred

1772

01:13:09,470 --> 01:13:07,739

people in queue and back of them or it

1773

01:13:11,450 --> 01:13:09,480

could have just been the dozen or so

1774

01:13:14,330 --> 01:13:11,460

that I could see I have no idea how many

1775

01:13:15,169 --> 01:13:14,340

people there were but I know this those

1776

01:13:17,270 --> 01:13:15,179

people

1777

01:13:19,610 --> 01:13:17,280

must have been there when they took us

1778

01:13:21,890 --> 01:13:19,620

on board

1779

01:13:22,850 --> 01:13:21,900

and I don't know where those people came

1780

01:13:25,430 --> 01:13:22,860

from

1781

01:13:30,110 --> 01:13:25,440

and I don't know where they went but

1782

01:13:35,689 --> 01:13:32,630

and that's that's troubled me to this

1783

01:13:38,450 --> 01:13:35,699

day is I guess Survivor guilt or or

1784

01:13:41,570 --> 01:13:38,460

whatever and I just

1785

01:13:43,729 --> 01:13:41,580

wonder what happened to those people

1786

01:13:45,350 --> 01:13:43,739

so have you ever had a case where

1787

01:13:47,810 --> 01:13:45,360

someone has had an abduction and I

1788

01:13:50,149 --> 01:13:47,820

wonder even yourself where they've then

1789

01:13:52,669 --> 01:13:50,159

heard of someone else being abducted on

1790

01:13:54,649 --> 01:13:52,679

the same date the same place wouldn't

1791

01:13:57,350 --> 01:13:54,659

necessarily matter because that could

1792

01:13:59,930 --> 01:13:57,360

have been a family from Brazil or you

1793

01:14:02,270 --> 01:13:59,940

know God I'm just Japan somewhere else

1794

01:14:04,189 --> 01:14:02,280

on the planet and you just happen to be

1795

01:14:07,070 --> 01:14:04,199

on the same craft as them which then in

1796

01:14:09,649 --> 01:14:07,080

a later time you meet and yeah we were

1797

01:14:11,630 --> 01:14:09,659

abducted on the same day same time

1798

01:14:13,790 --> 01:14:11,640

anything that happened

1799

01:14:15,290 --> 01:14:13,800

I I think that's right you know what I

1800

01:14:17,750 --> 01:14:15,300

did was in the back of incident at

1801
01:14:20,090 --> 01:14:17,760
Devil's Den I put my email address you

1802
01:14:22,310 --> 01:14:20,100
know terrylovely said yahoo.com you want

1803
01:14:23,810 --> 01:14:22,320
to email me and you know I return all my

1804
01:14:25,729 --> 01:14:23,820
emails

1805
01:14:27,890 --> 01:14:25,739
um

1806
01:14:30,050 --> 01:14:27,900
I ask if you've had an experience and

1807
01:14:31,790 --> 01:14:30,060
you want to share it you know

1808
01:14:34,910 --> 01:14:31,800
write to me

1809
01:14:36,050 --> 01:14:34,920
and I've had now over 4 000 people write

1810
01:14:37,669 --> 01:14:36,060
to me

1811
01:14:39,709 --> 01:14:37,679
uh you shouldn't sharing their

1812
01:14:43,490 --> 01:14:39,719
experience and

1813
01:14:44,870 --> 01:14:43,500

I I did a spreadsheet looking for

1814

01:14:49,430 --> 01:14:44,880

commonalities

1815

01:14:52,310 --> 01:14:49,440

noticed was you mentioned families being

1816

01:14:54,590 --> 01:14:52,320

abducted I had a lot of people write to

1817

01:14:56,810 --> 01:14:54,600

me and say you know

1818

01:14:59,810 --> 01:14:56,820

we were one of the ones that sticks out

1819

01:15:01,610 --> 01:14:59,820

is a family that was on vacation they're

1820

01:15:04,490 --> 01:15:01,620

in a car park they're

1821

01:15:04,970 --> 01:15:04,500

going they're either going or coming and

1822

01:15:05,870 --> 01:15:04,980

[Music]

1823

01:15:08,689 --> 01:15:05,880

um

1824

01:15:10,850 --> 01:15:08,699

they recall seeing a thing in the sky

1825

01:15:11,930 --> 01:15:10,860

they recall seeing a silver disc in the

1826

01:15:14,330 --> 01:15:11,940

sky

1827

01:15:17,030 --> 01:15:14,340

and it was parked and they were all just

1828

01:15:18,770 --> 01:15:17,040

kind of like look at that

1829

01:15:24,169 --> 01:15:18,780

and then

1830

01:15:26,030 --> 01:15:24,179

because it was just getting Dusk and

1831

01:15:28,550 --> 01:15:26,040

then suddenly it was night time

1832

01:15:30,830 --> 01:15:28,560

hmm and they all went back to their room

1833

01:15:32,689 --> 01:15:30,840

and they went right to sleep

1834

01:15:35,030 --> 01:15:32,699

and um

1835

01:15:37,689 --> 01:15:35,040

whatever happened happened to all of

1836

01:15:41,810 --> 01:15:37,699

them I think there were six in total

1837

01:15:43,729 --> 01:15:41,820

but this this was very common I had

1838

01:15:46,669 --> 01:15:43,739

people tell me that in in these

1839

01:15:48,890 --> 01:15:46,679

abductions just like

1840

01:15:51,530 --> 01:15:48,900

my relationship with my friend Toby

1841

01:15:53,330 --> 01:15:51,540

changed after this event

1842

01:15:55,250 --> 01:15:53,340

where this guy was my best friend in the

1843

01:15:57,410 --> 01:15:55,260

world I really didn't care to be around

1844

01:16:00,410 --> 01:15:57,420

him I did not want to talk to him about

1845

01:16:05,390 --> 01:16:03,470

and and that's real common uh this one

1846

01:16:08,030 --> 01:16:05,400

family like I said had the six of them

1847

01:16:11,030 --> 01:16:08,040

had this experience and

1848

01:16:14,930 --> 01:16:11,040

um they were at a a dinner some kind of

1849

01:16:17,090 --> 01:16:14,940

uh holiday dinner and uh you know Uncle

1850

01:16:20,390 --> 01:16:17,100

Joe everybody's got an Uncle Joe right

1851

01:16:21,890 --> 01:16:20,400

Uncle Joe speaks up and says uh hey any

1852

01:16:23,689 --> 01:16:21,900

of you guys remember when we were on

1853

01:16:25,370 --> 01:16:23,699

vacation in that parking lot we saw that

1854

01:16:29,689 --> 01:16:25,380

thing in the sky

1855

01:16:31,070 --> 01:16:29,699

and everybody at the table stopped it

1856

01:16:34,610 --> 01:16:31,080

was just silence

1857

01:16:36,830 --> 01:16:34,620

a couple people excused themselves

1858

01:16:38,930 --> 01:16:36,840

um you know Uncle Joe was the only one

1859

01:16:41,510 --> 01:16:38,940

that had any appetite after that

1860

01:16:42,830 --> 01:16:41,520

uh but people are just reticent they're

1861

01:16:44,750 --> 01:16:42,840

reluctant they don't want to talk about

1862

01:16:46,189 --> 01:16:44,760

it and again I think it speaks to the

1863

01:16:49,430 --> 01:16:46,199

level of influence that these things

1864

01:16:53,270 --> 01:16:51,169

well let's Carry On from there Teddy

1865

01:16:54,410 --> 01:16:53,280

your thanks for letting me Sidetrack you

1866

01:16:55,850 --> 01:16:54,420

for a few minutes with some of those

1867

01:16:58,790 --> 01:16:55,860

questions but I felt it was a good place

1868

01:17:01,310 --> 01:16:58,800

to ask them what happens next in your

1869

01:17:04,010 --> 01:17:01,320

own experience

1870

01:17:06,169 --> 01:17:04,020

the last again I called it a vignette

1871

01:17:09,470 --> 01:17:06,179

the last thing I remember

1872

01:17:10,370 --> 01:17:09,480

was we were taken

1873

01:17:12,470 --> 01:17:10,380

um

1874

01:17:14,390 --> 01:17:12,480

they came the little gray guys came and

1875

01:17:16,669 --> 01:17:14,400

they took Toby

1876

01:17:18,830 --> 01:17:16,679

um one of them took his belongings

1877

01:17:20,149 --> 01:17:18,840

clothing and shoes I don't know what

1878

01:17:22,010 --> 01:17:20,159

their boots I don't know what they did

1879

01:17:25,130 --> 01:17:22,020

with them but took them from him

1880

01:17:27,830 --> 01:17:25,140

and then he was

1881

01:17:30,169 --> 01:17:27,840

they rolled him like he was it was like

1882

01:17:33,169 --> 01:17:30,179

he had you know skates on or something

1883

01:17:37,250 --> 01:17:33,179

they rolled him across the flooring and

1884

01:17:42,530 --> 01:17:37,260

uh he went somewhere down the hallway

1885

01:17:45,290 --> 01:17:42,540

and some while later I heard him scream

1886

01:17:49,729 --> 01:17:45,300

and recognized his voice and he said no

1887

01:17:52,010 --> 01:17:49,739

no no no no no and then he screamed

1888

01:17:54,350 --> 01:17:52,020

and um

1889

01:17:55,070 --> 01:17:54,360

and I was that was just over the top for

1890

01:17:56,630 --> 01:17:55,080

me

1891

01:17:58,130 --> 01:17:56,640

and I

1892

01:18:00,470 --> 01:17:58,140

because I knew it was going to be my

1893

01:18:02,750 --> 01:18:00,480

turn next and sure enough it was and

1894

01:18:04,790 --> 01:18:02,760

they came and they took my belongings

1895

01:18:07,370 --> 01:18:04,800

and um

1896

01:18:09,290 --> 01:18:07,380

I couldn't feel the soles of my feet

1897

01:18:11,450 --> 01:18:09,300

against the floor

1898

01:18:12,470 --> 01:18:11,460

it was like a cushion of air or

1899

01:18:16,970 --> 01:18:12,480

something

1900

01:18:19,610 --> 01:18:16,980

and they just glided me down down toward

1901

01:18:22,610 --> 01:18:19,620

a hallway that went to the left and I

1902

01:18:29,030 --> 01:18:25,910

and on my right again I can only move my

1903

01:18:32,450 --> 01:18:29,040

eyes on my right I could see what looked

1904

01:18:36,050 --> 01:18:32,460

like uh fish aquariums

1905

01:18:38,510 --> 01:18:36,060

in varying sizes from

1906

01:18:40,850 --> 01:18:38,520

small to big enough for a human being to

1907

01:18:49,130 --> 01:18:45,649

and in one of these aquariums was what I

1908

01:18:51,770 --> 01:18:49,140

took to be a puppy it looked like a

1909

01:18:54,970 --> 01:18:51,780

puppy it had how you know how newborn

1910

01:18:58,550 --> 01:18:54,980

puppies have the wrinkles rules of skin

1911

01:19:00,709 --> 01:18:58,560

it had that the water was Pink There was

1912

01:19:02,830 --> 01:19:00,719

an umbilical cord

1913

01:19:05,870 --> 01:19:02,840

floating in the water

1914

01:19:08,870 --> 01:19:05,880

and as they're rolling me down this

1915

01:19:12,830 --> 01:19:08,880

hallway I'm looking at this thing

1916

01:19:16,370 --> 01:19:12,840

thinking what is it and it opened an eye

1917

01:19:18,229 --> 01:19:16,380

and uh I could see it was a an eye there

1918

01:19:21,470 --> 01:19:18,239

was a sclera the white part of the eye

1919

01:19:23,390 --> 01:19:21,480

an iris and a pupil it was a uh but it

1920

01:19:24,890 --> 01:19:23,400

wasn't a human eye it was an animal like

1921

01:19:26,209 --> 01:19:24,900

I

1922

01:19:28,669 --> 01:19:26,219

yeah

1923

01:19:29,870 --> 01:19:28,679

at the end of this hallway was an arch

1924

01:19:34,030 --> 01:19:29,880

door

1925

01:19:37,310 --> 01:19:34,040

and I went into this room and it had a

1926

01:19:38,750 --> 01:19:37,320

domed ceiling everything was white most

1927

01:19:42,770 --> 01:19:38,760

everything in this thing was either

1928

01:19:45,410 --> 01:19:42,780

stainless steel white or gray in color

1929

01:19:48,470 --> 01:19:45,420

and there was an exam table there

1930

01:19:51,229 --> 01:19:48,480

and they picked me up

1931

01:19:53,990 --> 01:19:51,239

levitated me somehow horizontal and I'm

1932

01:19:57,050 --> 01:19:54,000

on this exam table

1933

01:20:00,350 --> 01:19:57,060

and I I want to make it clear that as

1934

01:20:07,370 --> 01:20:03,890

I got this genuine medical clinical vibe

1935

01:20:10,010 --> 01:20:07,380

to it it wasn't uh I wasn't expecting a

1936

01:20:16,450 --> 01:20:10,020

torture session like I say there was

1937

01:20:20,870 --> 01:20:16,460

some kind of medical clinical sterile uh

1938

01:20:22,790 --> 01:20:20,880

procedural vibe to it that um

1939

01:20:24,350 --> 01:20:22,800

you know

1940

01:20:25,850 --> 01:20:24,360

I think if

1941

01:20:27,350 --> 01:20:25,860

if I could have gotten to answer my

1942

01:20:30,169 --> 01:20:27,360

questions I think they'd say you know

1943

01:20:32,450 --> 01:20:30,179

just doing my job man I mean it had that

1944

01:20:34,970 --> 01:20:32,460

yeah it was professional it was skilled

1945

01:20:37,610 --> 01:20:34,980

yes yes

1946

01:20:39,709 --> 01:20:37,620

and uh

1947

01:20:42,410 --> 01:20:39,719

they whatever they did they did

1948

01:20:45,290 --> 01:20:42,420

something to my lower back

1949

01:20:48,110 --> 01:20:45,300

and it hurt a lot

1950

01:20:52,370 --> 01:20:48,120

and through clenched teeth because I

1951

01:20:59,270 --> 01:20:55,910

the things that were working on me

1952

01:21:01,370 --> 01:20:59,280

are they look like a praying mantis

1953

01:21:04,330 --> 01:21:01,380

eight nine feet tall I can't tell

1954

01:21:08,149 --> 01:21:04,340

because I'm on a table but they're big

1955

01:21:10,850 --> 01:21:08,159

and they have insectoid like hands

1956

01:21:13,130 --> 01:21:10,860

and they have digits that come off their

1957

01:21:16,010 --> 01:21:13,140

arms and they're manipulating multiple

1958

01:21:17,810 --> 01:21:16,020

stainless steel objects

1959

01:21:19,330 --> 01:21:17,820

and there are objects that are just

1960

01:21:23,030 --> 01:21:19,340

hanging in the air

1961

01:21:24,590 --> 01:21:23,040

there are tools of some kind

1962

01:21:28,189 --> 01:21:24,600

and they're doing something to my lower

1963

01:21:31,910 --> 01:21:28,199

back and again it hurt and I'm screaming

1964

01:21:33,590 --> 01:21:31,920

and I think that I annoyed this thing

1965

01:21:36,050 --> 01:21:33,600

uh

1966

01:21:37,970 --> 01:21:36,060

and and I get I get a lot of flack about

1967

01:21:40,550 --> 01:21:37,980

this because people say oh no they don't

1968

01:21:42,649 --> 01:21:40,560

do that well they do do that they did it

1969

01:21:45,410 --> 01:21:42,659

to me this

1970

01:21:48,790 --> 01:21:45,420

this insectoid thing that had a large

1971

01:21:51,410 --> 01:21:48,800

triangular shaped head with a multi-lens

1972

01:21:54,530 --> 01:21:51,420

multifaceted eyes

1973

01:21:57,590 --> 01:21:54,540

turned its head toward me and it spoke

1974

01:21:59,510 --> 01:21:57,600

to me telepathically and I Heard It In

1975

01:22:02,689 --> 01:21:59,520

My Head

1976

01:22:05,090 --> 01:22:02,699

and it said why are you screaming

1977

01:22:07,490 --> 01:22:05,100

stop screaming you know we don't hurt

1978

01:22:08,930 --> 01:22:07,500

you you know we take you back now stop

1979

01:22:10,790 --> 01:22:08,940

screaming

1980

01:22:14,510 --> 01:22:10,800

and he reached over and tapped me on the

1981

01:22:16,250 --> 01:22:14,520

forehead with the green digit and

1982

01:22:17,510 --> 01:22:16,260

I was out

1983

01:22:20,330 --> 01:22:17,520

I don't know why they couldn't have done

1984

01:22:21,350 --> 01:22:20,340

that to start with you know but but they

1985

01:22:24,250 --> 01:22:21,360

didn't

1986

01:22:27,830 --> 01:22:24,260

and then the final memory that I had was

1987

01:22:31,370 --> 01:22:27,840

uh I'm semi-conscious I'm aware that

1988

01:22:33,590 --> 01:22:31,380

Toby is to my side we're in the grass

1989

01:22:35,689 --> 01:22:33,600

we're in the field somewhere

1990

01:22:37,970 --> 01:22:35,699

and I had the thought they screwed up

1991

01:22:40,430 --> 01:22:37,980

they should have put us back in our tent

1992

01:22:42,470 --> 01:22:40,440

and I no sooner had that thought than

1993

01:22:45,169 --> 01:22:42,480

little gray guys came and they picked us

1994

01:22:47,149 --> 01:22:45,179

up and I lost Consciousness again and

1995

01:22:50,149 --> 01:22:47,159

they threw us back in the tent

1996

01:22:51,830 --> 01:22:50,159

and then my next memory from that was

1997

01:22:55,970 --> 01:22:51,840

waking up to the flashing lights and

1998

01:23:01,130 --> 01:22:58,850

so from this point the abduction

1999

01:23:02,450 --> 01:23:01,140

experience has ended

2000

01:23:04,610 --> 01:23:02,460

is it now

2001

01:23:06,950 --> 01:23:04,620

is it morning is a light coming up yet

2002

01:23:09,890 --> 01:23:06,960

and it's you and Toby awake

2003

01:23:13,250 --> 01:23:09,900

you know we both wore wind-up mechanical

2004

01:23:16,550 --> 01:23:13,260

watches as EMTs we needed it to take a

2005

01:23:19,070 --> 01:23:16,560

pulse or uh you know measure

2006

01:23:23,810 --> 01:23:19,080

respirations it was kind of

2007

01:23:26,689 --> 01:23:23,820

um integral to the job uh and in 1977

2008

01:23:29,270 --> 01:23:26,699

the Really Work battery operated watches

2009

01:23:31,550 --> 01:23:29,280

or very very many we had nice wind-up

2010

01:23:34,370 --> 01:23:31,560

mechanical watches uh but they were good

2011

01:23:37,189 --> 01:23:34,380

quality both of our watches had stopped

2012

01:23:39,110 --> 01:23:37,199

at 240 you know two my own was at 240

2013

01:23:41,270 --> 01:23:39,120

his might have been 242 they stopped it

2014

01:23:43,910 --> 01:23:41,280

within minutes of one another

2015

01:23:46,669 --> 01:23:43,920

those watches never worked again

2016

01:23:48,590 --> 01:23:46,679

so when we woke up it was dark outside

2017

01:23:51,649 --> 01:23:48,600

uh

2018

01:23:53,270 --> 01:23:51,659

we were able to figure out later on that

2019

01:23:55,970 --> 01:23:53,280

it was right before Dawn because it

2020

01:23:58,189 --> 01:23:55,980

wasn't that long that the sun came up

2021

01:24:00,890 --> 01:23:58,199

and uh

2022

01:24:02,689 --> 01:24:00,900

so we had no idea what time it was and

2023

01:24:04,310 --> 01:24:02,699

we were sitting in the tent like I say

2024

01:24:07,250 --> 01:24:04,320

we watched the little guys go into the

2025

01:24:08,630 --> 01:24:07,260

light we watched this thing take off

2026

01:24:10,490 --> 01:24:08,640

um again scared to death they're going

2027

01:24:12,770 --> 01:24:10,500

to come back

2028

01:24:14,330 --> 01:24:12,780

I was so terrified I didn't want to

2029

01:24:15,590 --> 01:24:14,340

leave the tent until it was fully

2030

01:24:18,110 --> 01:24:15,600

daylight

2031

01:24:20,450 --> 01:24:18,120

I mean all I had over my head was a

2032

01:24:21,729 --> 01:24:20,460

piece of canvas but I felt like it gave

2033

01:24:24,890 --> 01:24:21,739

me cover

2034

01:24:26,149 --> 01:24:24,900

in a military sense it gave me I was

2035

01:24:29,209 --> 01:24:26,159

felt hidden

2036

01:24:31,610 --> 01:24:29,219

and uh I didn't want to be exposed I

2037

01:24:33,530 --> 01:24:31,620

think that's where that that that dread

2038

01:24:37,370 --> 01:24:33,540

that I have of being in Open Spaces I

2039

01:24:42,890 --> 01:24:40,010

my friend Toby's like no man let's go

2040

01:24:44,990 --> 01:24:42,900

now let's get out of here

2041

01:24:48,410 --> 01:24:45,000

and I acquiesced and said all right

2042

01:24:51,050 --> 01:24:48,420

let's go and I grabbed my car keys and

2043

01:24:53,930 --> 01:24:51,060

my wallet and he grabbed the flashlight

2044

01:24:55,490 --> 01:24:53,940

I think in his wallet and we darted from

2045

01:24:59,209 --> 01:24:55,500

my car

2046

01:25:01,490 --> 01:24:59,219

and it started right up we had to turn

2047

01:25:03,410 --> 01:25:01,500

the dome light on and

2048

01:25:04,790 --> 01:25:03,420

we had to look all in the car we were

2049

01:25:08,510 --> 01:25:04,800

paranoid something might be waiting in

2050

01:25:10,490 --> 01:25:08,520

the car for us yeah and there wasn't of

2051

01:25:12,410 --> 01:25:10,500

course and we left and we left

2052

01:25:14,209 --> 01:25:12,420

everything there we left my friend's

2053

01:25:16,610 --> 01:25:14,219

backpack with all this stuff his camera

2054

01:25:20,149 --> 01:25:16,620

in it uh clothing I left my clothing

2055

01:25:22,070 --> 01:25:20,159

there uh you know the tent you know the

2056

01:25:25,550 --> 01:25:22,080

blow up air mattresses uh my friends

2057

01:25:27,470 --> 01:25:25,560

really nice Coleman cooler uh

2058

01:25:29,330 --> 01:25:27,480

we didn't care

2059

01:25:31,070 --> 01:25:29,340

we were just grateful to be out of there

2060

01:25:33,350 --> 01:25:31,080

with our lives

2061

01:25:34,790 --> 01:25:33,360

and uh and was there much conversation

2062

01:25:36,530 --> 01:25:34,800

between you at this point when you're in

2063

01:25:38,990 --> 01:25:36,540

the car beside each other

2064

01:25:41,390 --> 01:25:39,000

it's a great question because it's weird

2065

01:25:43,850 --> 01:25:41,400

uh what's weird is that there was

2066

01:25:46,070 --> 01:25:43,860

minimal conversation

2067

01:25:48,410 --> 01:25:46,080

because I needed my friends to he had an

2068

01:25:49,870 --> 01:25:48,420

excellent unerring sense of direction I

2069

01:25:52,970 --> 01:25:49,880

had none

2070

01:25:56,270 --> 01:25:52,980

and he was able to guide us back to

2071

01:25:57,709 --> 01:25:56,280

blacktop and get us out of the park

2072

01:25:59,510 --> 01:25:57,719

um in the dark

2073

01:26:01,310 --> 01:25:59,520

and I don't know how he did that but he

2074

01:26:03,530 --> 01:26:01,320

managed that all I could see on either

2075

01:26:04,729 --> 01:26:03,540

side of us were just trees but he knew

2076

01:26:06,890 --> 01:26:04,739

where to turn

2077

01:26:10,370 --> 01:26:06,900

and

2078

01:26:12,830 --> 01:26:10,380

we were both hurting the sun came up

2079

01:26:15,590 --> 01:26:12,840

shortly thereafter and we were very

2080

01:26:17,810 --> 01:26:15,600

photophobic we had those Burns to the

2081

01:26:20,930 --> 01:26:17,820

cornea of our eye I think from being

2082

01:26:23,450 --> 01:26:20,940

inside this thing and our her eyes hurt

2083

01:26:26,270 --> 01:26:23,460

and we had body aches all over we both

2084

01:26:30,290 --> 01:26:26,280

had we both had high fevers

2085

01:26:35,030 --> 01:26:32,689

and we uh

2086

01:26:37,790 --> 01:26:35,040

we made a pact

2087

01:26:41,689 --> 01:26:37,800

we made an agreement where neither one

2088

01:26:44,330 --> 01:26:41,699

of us would tell anyone what we saw

2089

01:26:47,090 --> 01:26:44,340

you know uh we didn't want to lie we had

2090

01:26:49,010 --> 01:26:47,100

some ethics about us still do and we we

2091

01:26:51,950 --> 01:26:49,020

didn't want to lie so we said our story

2092

01:26:55,310 --> 01:26:51,960

would be truthful we went down there we

2093

01:26:57,470 --> 01:26:55,320

set up a campground we woke up we felt

2094

01:27:00,169 --> 01:26:57,480

sick which is true

2095

01:27:01,610 --> 01:27:00,179

we left we left everything there because

2096

01:27:04,129 --> 01:27:01,620

we didn't care

2097

01:27:06,530 --> 01:27:04,139

we felt ill and we just wanted to go

2098

01:27:13,310 --> 01:27:09,590

so that was the story that we told and

2099

01:27:17,510 --> 01:27:15,470

how do we then get to the point where

2100

01:27:21,110 --> 01:27:17,520

the office of special investigation that

2101

01:27:23,750 --> 01:27:21,120

involved and again from there it's not

2102

01:27:26,209 --> 01:27:23,760

the most pleasant experience is it

2103

01:27:27,950 --> 01:27:26,219

you know that was uh I spent three

2104

01:27:30,649 --> 01:27:27,960

nights in the hospital and they they

2105

01:27:32,270 --> 01:27:30,659

separated us

2106

01:27:34,790 --> 01:27:32,280

um you know Toby and I could have no

2107

01:27:37,010 --> 01:27:34,800

contact with one another

2108

01:27:39,470 --> 01:27:37,020

um there's a guy named Robert Hastings

2109

01:27:41,870 --> 01:27:39,480

who wrote a famous book called UFOs and

2110

01:27:44,510 --> 01:27:41,880

nukes yeah and uh Robert's a friend of

2111

01:27:46,910 --> 01:27:44,520

mine and uh he tells me that that's

2112

01:27:48,470 --> 01:27:46,920

absolutely common you know you have two

2113

01:27:50,990 --> 01:27:48,480

or three active duty military people

2114

01:27:52,189 --> 01:27:51,000

witness something they bust them up they

2115

01:27:53,990 --> 01:27:52,199

take them they send them to different

2116

01:27:55,669 --> 01:27:54,000

parts of the world they do everything

2117

01:27:57,169 --> 01:27:55,679

they can to make sure these guys don't

2118

01:27:59,270 --> 01:27:57,179

reconnect because

2119

01:28:03,110 --> 01:27:59,280

two people having the same experience

2120

01:28:06,790 --> 01:28:03,120

one bolsters the other and they didn't

2121

01:28:10,729 --> 01:28:08,930

what sort of questions are you being

2122

01:28:13,310 --> 01:28:10,739

asked you're both in the hospital you're

2123

01:28:14,990 --> 01:28:13,320

under observation what's happening what

2124

01:28:17,990 --> 01:28:15,000

why are you being asked questions in the

2125

01:28:19,970 --> 01:28:18,000

first place yes the OSI there were two

2126

01:28:22,669 --> 01:28:19,980

OSI agents

2127

01:28:24,470 --> 01:28:22,679

um it was my last evening there

2128

01:28:26,270 --> 01:28:24,480

and a nurse had come in to give me an

2129

01:28:28,250 --> 01:28:26,280

injection for sleep

2130

01:28:30,830 --> 01:28:28,260

and they had they kept the lights turned

2131

01:28:33,050 --> 01:28:30,840

off because my eyes were so photophobic

2132

01:28:35,689 --> 01:28:33,060

and these two guys followed the nurse in

2133

01:28:37,729 --> 01:28:35,699

and

2134

01:28:39,590 --> 01:28:37,739

I don't want to stereotype people I have

2135

01:28:41,470 --> 01:28:39,600

respect for law enforcement as a former

2136

01:28:44,750 --> 01:28:41,480

prosecutor I worked with law enforcement

2137

01:28:46,550 --> 01:28:44,760

uh but these guys were cops I mean you

2138

01:28:48,770 --> 01:28:46,560

could just tell they were cops they The

2139

01:28:51,470 --> 01:28:48,780

Way They Carried themselves

2140

01:28:54,649 --> 01:28:51,480

um you know they had the they wore blue

2141

01:28:55,970 --> 01:28:54,659

suits they had their uh suit coats

2142

01:28:58,070 --> 01:28:55,980

unbuttoned and you could see the

2143

01:29:01,070 --> 01:28:58,080

shoulder holster with a weapon

2144

01:29:04,010 --> 01:29:01,080

and um one was about 50 years of age one

2145

01:29:07,189 --> 01:29:04,020

was about 30. and they came in and just

2146

01:29:09,050 --> 01:29:07,199

intimidated me to no end

2147

01:29:11,689 --> 01:29:09,060

and um

2148

01:29:16,250 --> 01:29:11,699

the one guy had a Southern accent

2149

01:29:19,729 --> 01:29:16,260

um much like Calvin Parker and uh he he

2150

01:29:22,250 --> 01:29:19,739

said he wanted to know he said the park

2151
01:29:24,290 --> 01:29:22,260
rangers found your little campsite

2152
01:29:25,669 --> 01:29:24,300
and it looks like you boys were set up

2153
01:29:28,729 --> 01:29:25,679
to go back

2154
01:29:30,830 --> 01:29:28,739
uh what were you doing down there

2155
01:29:32,810 --> 01:29:30,840
I said sir we just went down there we

2156
01:29:34,490 --> 01:29:32,820
went camping and we got we woke up we

2157
01:29:36,169 --> 01:29:34,500
were sick and we came home

2158
01:29:38,270 --> 01:29:36,179
and he says then you left all your stuff

2159
01:29:40,610 --> 01:29:38,280
I said yes sir that's right we left all

2160
01:29:42,110 --> 01:29:40,620
our stuff we didn't care about it

2161
01:29:43,490 --> 01:29:42,120
and he says you know what I think he

2162
01:29:45,290 --> 01:29:43,500
says I think you boys might have a

2163
01:29:48,110 --> 01:29:45,300

little marijuana plot growing down there

2164

01:29:50,450 --> 01:29:48,120

is that what this is all about uh you

2165

01:29:53,270 --> 01:29:50,460

know that's kind of comical today but I

2166

01:29:55,189 --> 01:29:53,280

got to tell you 1977 to be on active

2167

01:29:58,010 --> 01:29:55,199

duty that would have been a dishonorable

2168

01:30:00,649 --> 01:29:58,020

discharge uh and and probably some jail

2169

01:30:04,310 --> 01:30:00,659

time and Leavenworth penitentiary uh

2170

01:30:09,290 --> 01:30:06,290

um so that that that scared me they had

2171

01:30:10,610 --> 01:30:09,300

me thoroughly intimidated

2172

01:30:14,629 --> 01:30:10,620

um

2173

01:30:16,669 --> 01:30:14,639

and uh they kind of offhand asked did

2174

01:30:17,629 --> 01:30:16,679

you see anything unusual when he was

2175

01:30:20,870 --> 01:30:17,639

down there

2176

01:30:23,930 --> 01:30:20,880

no sir no sir

2177

01:30:27,729 --> 01:30:23,940

um then I had a second interaction with

2178

01:30:31,250 --> 01:30:27,739

the OSI and that happened uh

2179

01:30:33,290 --> 01:30:31,260

six maybe eight weeks afterward Toby had

2180

01:30:35,930 --> 01:30:33,300

already PCS he'd over he'd already been

2181

01:30:38,090 --> 01:30:35,940

shipped out to Japan

2182

01:30:39,950 --> 01:30:38,100

and they called they summoned me to the

2183

01:30:42,110 --> 01:30:39,960

OSI headquarters

2184

01:30:46,430 --> 01:30:42,120

and they took me into an interrogation

2185

01:30:47,750 --> 01:30:46,440

room and they um they hypnotized me and

2186

01:30:49,790 --> 01:30:47,760

they gave me a drug

2187

01:30:53,229 --> 01:30:49,800

the drug they gave me was called sodium

2188

01:30:56,090 --> 01:30:53,239

amitol it's a short-acting hypnotic

2189

01:30:58,790 --> 01:30:56,100

OSI used it on hundreds of people back

2190

01:31:02,510 --> 01:30:58,800

in the 60s and 70s

2191

01:31:05,810 --> 01:31:02,520

and it's like sodium penitol it'll um

2192

01:31:08,629 --> 01:31:05,820

they'll put you in a weird place

2193

01:31:13,070 --> 01:31:08,639

now I knew that I couldn't be hypnotized

2194

01:31:15,110 --> 01:31:13,080

against my will I felt confident of that

2195

01:31:17,629 --> 01:31:15,120

so but I also knew that they wouldn't

2196

01:31:19,910 --> 01:31:17,639

allow me to resist so I covertly

2197

01:31:23,390 --> 01:31:19,920

resisted the hypnosis

2198

01:31:26,870 --> 01:31:23,400

by uh he did the progress the hypnotist

2199

01:31:29,450 --> 01:31:26,880

did the hip the the typical uh

2200

01:31:31,070 --> 01:31:29,460

regression thing where you know you're

2201
01:31:33,050 --> 01:31:31,080
gonna we're gonna go down a flight of

2202
01:31:34,669 --> 01:31:33,060
stairs now take that first step and he

2203
01:31:37,189 --> 01:31:34,679
had that voice like that real smooth

2204
01:31:40,070 --> 01:31:37,199
voice you know take that first step

2205
01:31:42,590 --> 01:31:40,080
feeling calm feeling relaxed relaxed and

2206
01:31:44,629 --> 01:31:42,600
calm take the second step now twice as

2207
01:31:47,450 --> 01:31:44,639
relaxed and it takes you through this

2208
01:31:50,510 --> 01:31:47,460
Progressive relaxation thing

2209
01:31:54,590 --> 01:31:50,520
and I tried to do the opposite I tried

2210
01:31:57,649 --> 01:31:54,600
to covertly tense my muscles uh rather

2211
01:31:59,090 --> 01:31:57,659
than focus on his questions I tried to

2212
01:32:00,950 --> 01:31:59,100
uh

2213
01:32:03,649 --> 01:32:00,960

give him no more than half of my

2214

01:32:06,530 --> 01:32:03,659

unconscious mind and in the other half I

2215

01:32:09,410 --> 01:32:06,540

was playing you know Beetle music uh

2216

01:32:11,330 --> 01:32:09,420

lyrics to Rolling Stones I would do a

2217

01:32:13,310 --> 01:32:11,340

multiplication tables I was doing

2218

01:32:14,689 --> 01:32:13,320

everything that I could think of in my

2219

01:32:21,709 --> 01:32:14,699

mind

2220

01:32:25,910 --> 01:32:21,719

uh but the drug I had no I had no uh

2221

01:32:30,470 --> 01:32:28,189

I take it you gave them all the

2222

01:32:32,149 --> 01:32:30,480

information at that point because of the

2223

01:32:35,330 --> 01:32:32,159

drug anything they asked you you would

2224

01:32:37,370 --> 01:32:35,340

have spilled the beans as such they did

2225

01:32:40,010 --> 01:32:37,380

and I

2226

01:32:43,430 --> 01:32:40,020

I have more memories of what happened to

2227

01:32:45,169 --> 01:32:43,440

me today because of that you know I say

2228

01:32:49,129 --> 01:32:45,179

that I had these Snippets well this

2229

01:32:50,930 --> 01:32:49,139

brought back more detail more more Vivid

2230

01:32:53,390 --> 01:32:50,940

color I could see these things in my

2231

01:32:56,530 --> 01:32:53,400

mind's eye in my head uh and actually

2232

01:33:00,470 --> 01:32:56,540

reliving it like the memory that it was

2233

01:33:01,970 --> 01:33:00,480

I could see things in much better detail

2234

01:33:03,770 --> 01:33:01,980

why would they ask any of these

2235

01:33:06,350 --> 01:33:03,780

questions to what end was it just to

2236

01:33:08,390 --> 01:33:06,360

find out exactly what happened they

2237

01:33:11,209 --> 01:33:08,400

clearly had an idea that something

2238

01:33:14,330 --> 01:33:11,219

otherworldly had happened to you

2239

01:33:16,970 --> 01:33:14,340

why what was their end game

2240

01:33:19,070 --> 01:33:16,980

I had a reputation as a as an amateur

2241

01:33:21,169 --> 01:33:19,080

photographer

2242

01:33:22,250 --> 01:33:21,179

and I had a little dark room set up in

2243

01:33:25,250 --> 01:33:22,260

my house

2244

01:33:27,350 --> 01:33:25,260

and uh if you know anybody

2245

01:33:29,390 --> 01:33:27,360

who has the hobby of Photography you

2246

01:33:30,770 --> 01:33:29,400

know how irritating they can be because

2247

01:33:32,330 --> 01:33:30,780

they always have a camera and they're

2248

01:33:33,410 --> 01:33:32,340

always taking pictures of stuff and I

2249

01:33:35,209 --> 01:33:33,420

was that guy

2250

01:33:36,830 --> 01:33:35,219

so I had a reputation of being a

2251

01:33:39,530 --> 01:33:36,840

photographer

2252

01:33:40,610 --> 01:33:39,540

the whole purpose of this exercise I

2253

01:33:43,729 --> 01:33:40,620

believe

2254

01:33:45,229 --> 01:33:43,739

I think they knew exactly what I saw I I

2255

01:33:47,270 --> 01:33:45,239

don't think for a minute that that was

2256

01:33:50,629 --> 01:33:47,280

that they were surprised by that at all

2257

01:33:52,610 --> 01:33:50,639

I think that that was just routine

2258

01:33:55,070 --> 01:33:52,620

the purpose of this exercise was to

2259

01:33:56,750 --> 01:33:55,080

determine did I have a 36 exposure roll

2260

01:33:58,250 --> 01:33:56,760

of film

2261

01:34:02,030 --> 01:33:58,260

of this thing

2262

01:34:04,250 --> 01:34:02,040

I wish I had God I wish I had

2263

01:34:06,830 --> 01:34:04,260

but you know and again speaks to the

2264

01:34:08,390 --> 01:34:06,840

power of these things their control over

2265

01:34:11,270 --> 01:34:08,400

us

2266

01:34:13,189 --> 01:34:11,280

as much as I love photography

2267

01:34:14,750 --> 01:34:13,199

through the entire process the thought

2268

01:34:16,790 --> 01:34:14,760

of picking up a camera

2269

01:34:18,229 --> 01:34:16,800

and taking a photograph never crossed my

2270

01:34:21,110 --> 01:34:18,239

mind

2271

01:34:23,330 --> 01:34:21,120

I actually left my camera at home but

2272

01:34:25,910 --> 01:34:23,340

Toby brought his Toby brought his camera

2273

01:34:28,250 --> 01:34:25,920

and it was in a backpack not a foot away

2274

01:34:30,410 --> 01:34:28,260

from where he was lying he could have

2275

01:34:31,970 --> 01:34:30,420

picked that up anytime and and taken

2276

01:34:33,169 --> 01:34:31,980

pictures of this thing neither one of us

2277

01:34:34,669 --> 01:34:33,179

thought of it

2278

01:34:36,890 --> 01:34:34,679

and I've heard that from other people

2279

01:34:38,209 --> 01:34:36,900

say you know I had my phone in my pocket

2280

01:34:41,209 --> 01:34:38,219

I could have taken a picture of this and

2281

01:34:43,850 --> 01:34:41,219

it never crossed my mind yeah

2282

01:34:45,649 --> 01:34:43,860

so that that I think was the object of

2283

01:34:49,010 --> 01:34:45,659

the exercise to make sure I didn't have

2284

01:34:53,149 --> 01:34:50,990

so there was no proof no evidence left

2285

01:34:55,070 --> 01:34:53,159

over afterwards that it was very much an

2286

01:34:57,110 --> 01:34:55,080

experience that you had with with your

2287

01:34:59,689 --> 01:34:57,120

friend and I'll just say give my friend

2288

01:35:01,310 --> 01:34:59,699

a mention Gareth scorer he's a

2289

01:35:04,070 --> 01:35:01,320

photographer so if anyone's looking for

2290

01:35:05,689 --> 01:35:04,080

a photographer in the in the UK he is

2291

01:35:07,430 --> 01:35:05,699

that guy that's always got the camera on

2292

01:35:09,530 --> 01:35:07,440

him so maybe one day he'll have that

2293

01:35:11,510 --> 01:35:09,540

experience or sighting and have that

2294

01:35:14,390 --> 01:35:11,520

very very good expensive camera with a

2295

01:35:17,270 --> 01:35:14,400

nice lens to take a picture of it

2296

01:35:18,770 --> 01:35:17,280

um how did this then have an impact on

2297

01:35:20,990 --> 01:35:18,780

your life where we're at that point

2298

01:35:23,750 --> 01:35:21,000

eight weeks out from the incident you

2299

01:35:26,270 --> 01:35:23,760

mentioned Toby's been shipped away to

2300

01:35:28,390 --> 01:35:26,280

Japan your relationship with him sort of

2301

01:35:32,209 --> 01:35:28,400

ended after that experience didn't it it

2302

01:35:36,530 --> 01:35:32,219

changed things for you and then how did

2303

01:35:41,330 --> 01:35:38,209

um real quick let me go through the last

2304

01:35:43,550 --> 01:35:41,340

time I saw Toby and that was

2305

01:35:46,250 --> 01:35:43,560

um we had a no contact order but we both

2306

01:35:48,709 --> 01:35:46,260

lived in NCO housing on the base

2307

01:35:52,250 --> 01:35:48,719

and uh

2308

01:35:54,590 --> 01:35:52,260

I really didn't want to talk to the guy

2309

01:35:56,930 --> 01:35:54,600

but I felt like I owed him

2310

01:35:58,850 --> 01:35:56,940

goodbye best wishes nice working with

2311

01:36:00,550 --> 01:35:58,860

you shake his hand I felt like I owed

2312

01:36:02,810 --> 01:36:00,560

him that for some reason

2313

01:36:04,370 --> 01:36:02,820

and I also in the back of my mind

2314

01:36:06,530 --> 01:36:04,380

thought you know if I could just see

2315

01:36:08,330 --> 01:36:06,540

Toby again

2316

01:36:10,669 --> 01:36:08,340

have a couple words with them maybe we

2317

01:36:12,649 --> 01:36:10,679

maybe I could put this to bed in my mind

2318

01:36:14,270 --> 01:36:12,659

maybe I could come away from this

2319

01:36:15,890 --> 01:36:14,280

feeling better maybe it would help me

2320

01:36:18,470 --> 01:36:15,900

heal

2321

01:36:22,070 --> 01:36:18,480

um because I came I came away from this

2322

01:36:23,810 --> 01:36:22,080

fractured on on many levels and so did

2323

01:36:26,930 --> 01:36:23,820

my friend

2324

01:36:29,390 --> 01:36:26,940

so I stopped by his house

2325

01:36:31,010 --> 01:36:29,400

I went up to this door same door had

2326

01:36:33,590 --> 01:36:31,020

been through a hundred times knocked on

2327

01:36:35,930 --> 01:36:33,600

it like I always did open the door and

2328

01:36:37,790 --> 01:36:35,940

say hey guys it's me

2329

01:36:38,810 --> 01:36:37,800

um I saw his wife first they were

2330

01:36:40,970 --> 01:36:38,820

packing

2331

01:36:43,070 --> 01:36:40,980

and she was rude she said you're not

2332

01:36:45,169 --> 01:36:43,080

supposed to be here

2333

01:36:46,669 --> 01:36:45,179

and I said I know I'm just here I just

2334

01:36:47,629 --> 01:36:46,679

want to say goodbye to you guys wish you

2335

01:36:49,729 --> 01:36:47,639

well

2336

01:36:52,070 --> 01:36:49,739

Toby must have heard me because he came

2337

01:36:54,229 --> 01:36:52,080

walking around a corner from the bedroom

2338

01:36:56,810 --> 01:36:54,239

to a long hallway that read to the

2339

01:36:59,990 --> 01:36:56,820

vestibule of their house

2340

01:37:01,610 --> 01:37:00,000

and Toby was just he was one of these

2341

01:37:03,470 --> 01:37:01,620

guys he was real meticulous about his

2342

01:37:05,750 --> 01:37:03,480

appearance I mean he always had a good

2343

01:37:07,490 --> 01:37:05,760

haircut he always had nice clothing he

2344

01:37:08,810 --> 01:37:07,500

you know he always looked good even if

2345

01:37:10,729 --> 01:37:08,820

you're just playing volleyball or

2346

01:37:12,890 --> 01:37:10,739

something he always you know kept a good

2347

01:37:14,450 --> 01:37:12,900

appearance and he walked around the

2348

01:37:16,550 --> 01:37:14,460

corner and I mean I cut up some slack he

2349

01:37:19,370 --> 01:37:16,560

was in the middle of moving

2350

01:37:22,070 --> 01:37:19,380

um but he looked like hell he just

2351

01:37:25,129 --> 01:37:22,080

his hair was all wonky and he hadn't

2352

01:37:27,530 --> 01:37:25,139

shaved and he was wearing a dirty

2353

01:37:30,350 --> 01:37:27,540

t-shirt and jeans he was barefoot and I

2354

01:37:33,709 --> 01:37:30,360

just never had seen him like that

2355

01:37:35,570 --> 01:37:33,719

and he kind of walked up to make subdued

2356

01:37:38,450 --> 01:37:35,580

and uh

2357

01:37:41,629 --> 01:37:38,460

we're about two feet apart

2358

01:37:43,370 --> 01:37:41,639

and I it was awkward I held my hand out

2359

01:37:45,770 --> 01:37:43,380

to shake his hand and we missed each

2360

01:37:48,229 --> 01:37:45,780

other and then managed this awkward

2361

01:37:50,930 --> 01:37:48,239

handshake

2362

01:37:52,490 --> 01:37:50,940

and I said hell hey man I just uh want

2363

01:37:54,890 --> 01:37:52,500

to wish her well I know you're going to

2364

01:37:55,810 --> 01:37:54,900

Japan I just uh appreciate working with

2365

01:37:58,970 --> 01:37:55,820

you

2366

01:38:01,610 --> 01:37:58,980

and that was about all I said

2367

01:38:05,450 --> 01:38:01,620

he um

2368

01:38:07,850 --> 01:38:05,460

I'm six foot even he's about five eight

2369

01:38:12,590 --> 01:38:07,860

and he looked up at me

2370

01:38:14,450 --> 01:38:12,600

and he said it happened didn't it Terry

2371

01:38:17,990 --> 01:38:14,460

and I said yes my brother it happened

2372

01:38:22,610 --> 01:38:18,000

you're not losing your mind it happened

2373

01:38:26,990 --> 01:38:22,620

and he said yeah but why us

2374

01:38:30,830 --> 01:38:27,000

and I said man I don't I don't have a

2375

01:38:33,050 --> 01:38:30,840

expletive I don't have a clue

2376

01:38:37,010 --> 01:38:33,060

and I ran out of there

2377

01:38:40,010 --> 01:38:37,020

ran back to the car and went home and uh

2378

01:38:42,229 --> 01:38:40,020

while I hope to get some peace by

2379

01:38:44,570 --> 01:38:42,239

shaking his hand and telling him goodbye

2380

01:38:48,169 --> 01:38:44,580

I I didn't get that at all it was quite

2381

01:38:49,490 --> 01:38:48,179

the opposite it was anxiety

2382

01:38:51,290 --> 01:38:49,500

so

2383

01:38:53,810 --> 01:38:51,300

that was uh

2384

01:38:56,330 --> 01:38:53,820

uh and we were we were good friends but

2385

01:38:58,669 --> 01:38:56,340

I was I was glad to see him go

2386

01:39:00,290 --> 01:38:58,679

and I don't I don't I don't know how to

2387

01:39:02,209 --> 01:39:00,300

process that I have trouble with that

2388

01:39:05,149 --> 01:39:02,219

today but that was that was my feeling

2389

01:39:07,310 --> 01:39:05,159

that was the emotions that I experienced

2390

01:39:09,649 --> 01:39:07,320

do you feel that separation from you

2391

01:39:11,450 --> 01:39:09,659

both was going to help you potentially

2392

01:39:14,090 --> 01:39:11,460

move on from the incident did you want

2393

01:39:17,629 --> 01:39:14,100

to forget it move past it and just get

2394

01:39:22,790 --> 01:39:19,310

I don't think it was again I don't think

2395

01:39:26,689 --> 01:39:24,770

um

2396

01:39:29,270 --> 01:39:26,699

I don't think that they wanted us

2397

01:39:31,490 --> 01:39:29,280

together to bolster each other's story

2398

01:39:33,470 --> 01:39:31,500

and have that conversation did you see

2399

01:39:35,510 --> 01:39:33,480

what I saw yeah well let's draw it let's

2400

01:39:37,490 --> 01:39:35,520

compare drawings let's see

2401

01:39:38,510 --> 01:39:37,500

I don't think they they wanted that to

2402

01:39:41,450 --> 01:39:38,520

happen

2403

01:39:43,310 --> 01:39:41,460

and uh you know I have I mean I have a

2404

01:39:46,010 --> 01:39:43,320

theory these things either work arm and

2405

01:39:48,229 --> 01:39:46,020

arm with our Armed Forces

2406

01:39:50,990 --> 01:39:48,239

which I think is highly likely

2407

01:39:53,890 --> 01:39:51,000

work together towards some shared goal

2408

01:39:57,649 --> 01:39:53,900

or maybe these things just come and go

2409

01:40:00,050 --> 01:39:57,659

and our government can't do a move

2410

01:40:02,709 --> 01:40:00,060

anything about it and they take people

2411

01:40:05,209 --> 01:40:02,719

and they take cattle and do as they will

2412

01:40:08,810 --> 01:40:05,219

and uh

2413

01:40:10,790 --> 01:40:08,820

that's just the way it is

2414

01:40:13,850 --> 01:40:10,800

one of the one of those two I think is

2415

01:40:16,010 --> 01:40:13,860

is the truth but I don't know which one

2416

01:40:17,229 --> 01:40:16,020

as we start to get towards more modern

2417

01:40:20,930 --> 01:40:17,239

day

2418

01:40:23,990 --> 01:40:20,940

you you wait until 2018 to write the

2419

01:40:26,930 --> 01:40:24,000

book what what happened at that point

2420

01:40:30,229 --> 01:40:26,940

that for you it was time to put down the

2421

01:40:34,010 --> 01:40:30,239

story oh I in 2012

2422

01:40:36,590 --> 01:40:34,020

I retired early I retired in 2012 and

2423

01:40:39,410 --> 01:40:36,600

moved to Dallas we got kids grandkids

2424

01:40:41,570 --> 01:40:39,420

here and uh got up one morning I

2425

01:40:44,930 --> 01:40:41,580

couldn't bear weight on my right knee

2426
01:40:46,310 --> 01:40:44,940
and uh I went to the VA hospital I get

2427
01:40:47,629 --> 01:40:46,320
all my medical care for the veterans

2428
01:40:51,229 --> 01:40:47,639
administration

2429
01:40:54,110 --> 01:40:51,239
and they x-rayed my knee

2430
01:40:56,209 --> 01:40:54,120
and when they did they found a foreign

2431
01:40:58,910 --> 01:40:56,219
object in my name

2432
01:41:00,950 --> 01:40:58,920
there's an object a square object about

2433
01:41:02,629 --> 01:41:00,960
the size of a fingernail with two wires

2434
01:41:05,750 --> 01:41:02,639
attached

2435
01:41:07,910 --> 01:41:05,760
uh that's above my right knee and then

2436
01:41:11,750 --> 01:41:07,920
below my right knee in my calf muscle

2437
01:41:16,070 --> 01:41:11,760
was a collection of bones in a floret

2438
01:41:21,530 --> 01:41:19,550

and the radiologist had no idea what

2439

01:41:23,570 --> 01:41:21,540

those were

2440

01:41:25,310 --> 01:41:23,580

and uh

2441

01:41:27,830 --> 01:41:25,320

he said you know you had to be in some

2442

01:41:29,510 --> 01:41:27,840

kind of accident you know you can to get

2443

01:41:30,830 --> 01:41:29,520

this for an object above your knee I

2444

01:41:33,410 --> 01:41:30,840

don't know how that got into your body

2445

01:41:34,850 --> 01:41:33,420

there has to be a scar and we got into

2446

01:41:36,350 --> 01:41:34,860

this back and forth because I told him

2447

01:41:38,390 --> 01:41:36,360

doctor I don't have a scar I've never

2448

01:41:41,629 --> 01:41:38,400

injured that knee other than skinny as a

2449

01:41:45,950 --> 01:41:41,639

kid and he examined my knee and there is

2450

01:41:49,669 --> 01:41:45,960

no Scar and he looked

2451

01:41:51,410 --> 01:41:49,679

confounded he looked stunned and I said

2452

01:41:53,570 --> 01:41:51,420

well doctor let me ask you how often is

2453

01:41:55,070 --> 01:41:53,580

it that you see someone with a foreign

2454

01:41:58,070 --> 01:41:55,080

object like this in their body and

2455

01:41:59,689 --> 01:41:58,080

they're not b a corresponding scar

2456

01:42:02,149 --> 01:41:59,699

it's never he said I've been a

2457

01:42:04,010 --> 01:42:02,159

radiologist for 23 years he says I have

2458

01:42:06,590 --> 01:42:04,020

no idea how this thing got into your

2459

01:42:10,010 --> 01:42:08,030

so

2460

01:42:11,870 --> 01:42:10,020

I asked him to show me the x-rays he

2461

01:42:16,370 --> 01:42:11,880

showed me the x-rays

2462

01:42:19,490 --> 01:42:16,380

and I was just absolutely devastated

2463

01:42:22,430 --> 01:42:19,500

um because I was trying to I thought

2464

01:42:26,209 --> 01:42:22,440

that I had lived this all out

2465

01:42:26,870 --> 01:42:26,219

and it was for the most part over with

2466

01:42:28,669 --> 01:42:26,880

um

2467

01:42:30,109 --> 01:42:28,679

I had no intentions of telling anybody

2468

01:42:32,270 --> 01:42:30,119

anything

2469

01:42:34,550 --> 01:42:32,280

but seeing these things just validated

2470

01:42:38,030 --> 01:42:34,560

that they put their hands on me these

2471

01:42:39,770 --> 01:42:38,040

things put their hands on me uh that it

2472

01:42:41,510 --> 01:42:39,780

wasn't just a sighting I just didn't

2473

01:42:42,830 --> 01:42:41,520

just see a flying saucer there was

2474

01:42:44,209 --> 01:42:42,840

something more intimate to this

2475

01:42:46,790 --> 01:42:44,219

encounter

2476
01:42:48,229 --> 01:42:46,800
and uh

2477
01:42:58,070 --> 01:42:48,239
I

2478
01:43:00,229 --> 01:42:58,080
to tell people what happened to me

2479
01:43:02,629 --> 01:43:00,239
and I I couldn't do that if I were

2480
01:43:05,450 --> 01:43:02,639
working for the government I mean and my

2481
01:43:07,370 --> 01:43:05,460
peers in the legal community

2482
01:43:09,169 --> 01:43:07,380
you know it was interesting a couple of

2483
01:43:10,669 --> 01:43:09,179
them were supportive of me

2484
01:43:12,590 --> 01:43:10,679
you know I believe you you know you're

2485
01:43:14,990 --> 01:43:12,600
not the kind of guy to tell

2486
01:43:18,410 --> 01:43:15,000
tail

2487
01:43:19,910 --> 01:43:18,420
but I had a lot of my friends emailed me

2488
01:43:21,530 --> 01:43:19,920

like what is wrong with you have you

2489

01:43:23,510 --> 01:43:21,540

lost your mind

2490

01:43:25,550 --> 01:43:23,520

if this really happened to you why would

2491

01:43:27,410 --> 01:43:25,560

you come out and say such a thing you

2492

01:43:30,709 --> 01:43:27,420

know people think you're crazy blah blah

2493

01:43:33,709 --> 01:43:30,719

blah well you know so be it you know

2494

01:43:36,229 --> 01:43:33,719

Find Out Who Your Friends really are

2495

01:43:38,330 --> 01:43:36,239

uh but I'm glad I came forward I I'm

2496

01:43:41,209 --> 01:43:38,340

shocked that

2497

01:43:42,890 --> 01:43:41,219

I expected to sell a hundred books you

2498

01:43:45,109 --> 01:43:42,900

know and have a box of 50 in my garage

2499

01:43:47,689 --> 01:43:45,119

or something I expected it to be a

2500

01:43:50,629 --> 01:43:47,699

cathartic experience which it was

2501

01:43:53,570 --> 01:43:50,639

what I didn't expect was to sell tens of

2502

01:43:55,790 --> 01:43:53,580

thousands of copies in 13 countries and

2503

01:43:57,530 --> 01:43:55,800

had all of these people email me

2504

01:43:59,870 --> 01:43:57,540

uh

2505

01:44:01,370 --> 01:43:59,880

with these stories and you know pour

2506

01:44:03,229 --> 01:44:01,380

their heart out to me and say I've never

2507

01:44:05,270 --> 01:44:03,239

told this to another human being and

2508

01:44:08,149 --> 01:44:05,280

they tell me their story

2509

01:44:10,609 --> 01:44:08,159

and uh that's a privilege

2510

01:44:12,590 --> 01:44:10,619

to have people share that with you

2511

01:44:15,109 --> 01:44:12,600

so and

2512

01:44:17,149 --> 01:44:15,119

this was all unacceptable

2513

01:44:19,729 --> 01:44:17,159

I think for many people

2514

01:44:21,530 --> 01:44:19,739

you're one of those ten thousand aren't

2515

01:44:23,270 --> 01:44:21,540

you because they've had a similar

2516

01:44:26,390 --> 01:44:23,280

experience to you

2517

01:44:28,790 --> 01:44:26,400

uh unique to them but they've not had

2518

01:44:30,350 --> 01:44:28,800

the time the ability the capability or

2519

01:44:32,270 --> 01:44:30,360

the will to write it down and you've

2520

01:44:34,250 --> 01:44:32,280

done that for them and I think when they

2521

01:44:36,169 --> 01:44:34,260

see those words on paper that resonates

2522

01:44:37,609 --> 01:44:36,179

with them people like Whitley strieber

2523

01:44:40,250 --> 01:44:37,619

when they come out and tell their story

2524

01:44:41,870 --> 01:44:40,260

when far less well-known people like

2525

01:44:43,970 --> 01:44:41,880

members of the experience or group

2526

01:44:45,830 --> 01:44:43,980

shared our story it resonates with a lot

2527

01:44:47,689 --> 01:44:45,840

of people there are many people who on

2528

01:44:50,930 --> 01:44:47,699

this podcast I try and cover the ranger

2529

01:44:52,729 --> 01:44:50,940

UFOs the UFO topic some people are very

2530

01:44:54,890 --> 01:44:52,739

nuts and bolts and don't really have an

2531

01:44:56,649 --> 01:44:54,900

interest in the abduction phenomena and

2532

01:44:59,030 --> 01:44:56,659

we'll still say well they believe in

2533

01:45:01,850 --> 01:44:59,040

extraterrestrials or or whatever that

2534

01:45:05,510 --> 01:45:01,860

may entail the abduction experience is

2535

01:45:07,370 --> 01:45:05,520

largely made up yeah there are less huge

2536

01:45:09,770 --> 01:45:07,380

number of people it's not a minority

2537

01:45:11,390 --> 01:45:09,780

it's a big number who claim that it's

2538

01:45:13,609 --> 01:45:11,400

very real and not only that but it's

2539

01:45:15,470 --> 01:45:13,619

happened to them as well so I think it

2540

01:45:17,450 --> 01:45:15,480

means a lot when people say something

2541

01:45:19,629 --> 01:45:17,460

like yours and it resonates with them it

2542

01:45:22,729 --> 01:45:19,639

picks up and it takes a life of its own

2543

01:45:25,010 --> 01:45:22,739

and has that helped you since the book

2544

01:45:27,590 --> 01:45:25,020

was published deal with the incident

2545

01:45:29,810 --> 01:45:27,600

better knowing there are so many more

2546

01:45:31,910 --> 01:45:29,820

folks like you out there oh it's

2547

01:45:34,669 --> 01:45:31,920

unbelievably helpful and you know what I

2548

01:45:38,510 --> 01:45:34,679

did is I I wrote a second book

2549

01:45:41,149 --> 01:45:38,520

uh called the Reckoning and uh

2550

01:45:43,850 --> 01:45:41,159

I had all of these stories I I boiled

2551
01:45:44,990 --> 01:45:43,860
them down to about 400 that were just

2552
01:45:48,649 --> 01:45:45,000
credible

2553
01:45:49,790 --> 01:45:48,659
stories from people that uh uh I felt

2554
01:45:52,790 --> 01:45:49,800
were truthful

2555
01:45:54,410 --> 01:45:52,800
and uh I chose 25 of what I thought were

2556
01:45:55,910 --> 01:45:54,420
the best stories and I put them in the

2557
01:45:58,189 --> 01:45:55,920
book

2558
01:46:00,890 --> 01:45:58,199
um some some has to be anonymous some

2559
01:46:03,590 --> 01:46:00,900
said use my name I don't care

2560
01:46:05,990 --> 01:46:03,600
um but there are some incredible stories

2561
01:46:07,490 --> 01:46:06,000
out there because uh the stuff is

2562
01:46:09,169 --> 01:46:07,500
happening and it's happening more than

2563
01:46:11,149 --> 01:46:09,179

we know

2564

01:46:14,209 --> 01:46:11,159

because I think a lot of people don't

2565

01:46:16,250 --> 01:46:14,219

remember can't remember uh maybe have no

2566

01:46:18,169 --> 01:46:16,260

recall of it until they're in their 60s

2567

01:46:20,810 --> 01:46:18,179

and then suddenly it's like boom

2568

01:46:22,669 --> 01:46:20,820

something snaps and like oh yeah that

2569

01:46:25,430 --> 01:46:22,679

camping trip I remember

2570

01:46:28,129 --> 01:46:25,440

I think that that happens

2571

01:46:29,689 --> 01:46:28,139

so one of the people you were connected

2572

01:46:31,850 --> 01:46:29,699

with in the last few years was Tom

2573

01:46:34,189 --> 01:46:31,860

Delong am I correct on that one

2574

01:46:37,250 --> 01:46:34,199

yes

2575

01:46:38,270 --> 01:46:37,260

Elizondo Jim cinnaman

2576

01:46:41,169 --> 01:46:38,280

um

2577

01:46:44,750 --> 01:46:41,179

the whole crew from to the Stars Academy

2578

01:46:47,629 --> 01:46:44,760

my book had been published for 60 days

2579

01:46:49,310 --> 01:46:47,639

and I got a call from Tom DeLonge and

2580

01:46:52,070 --> 01:46:49,320

I'm embarrassed to say I I didn't know

2581

01:46:54,709 --> 01:46:52,080

who he was I answered the phone and he

2582

01:46:56,510 --> 01:46:54,719

said hi Terry it's time to learn you

2583

01:46:58,850 --> 01:46:56,520

know like you know I saw my phone had

2584

01:46:59,629 --> 01:46:58,860

said LA and I got friends in L.A and I'm

2585

01:47:02,810 --> 01:46:59,639

like

2586

01:47:04,609 --> 01:47:02,820

well how you doing Tom and uh

2587

01:47:07,669 --> 01:47:04,619

and he said um

2588

01:47:09,649 --> 01:47:07,679

yeah I got uh some people here with me

2589

01:47:12,530 --> 01:47:09,659

and uh Lou Elizondo and we'd like to

2590

01:47:17,270 --> 01:47:12,540

talk to you about your book

2591

01:47:19,790 --> 01:47:17,280

um and they were very kind to me and um

2592

01:47:23,090 --> 01:47:19,800

Lu Elizondo came and spent two days in

2593

01:47:28,790 --> 01:47:26,209

talking about this and there was another

2594

01:47:31,070 --> 01:47:28,800

member of their team I that asked me not

2595

01:47:33,649 --> 01:47:31,080

to use his name so I won't

2596

01:47:36,070 --> 01:47:33,659

um who came and reviewed some medical

2597

01:47:40,070 --> 01:47:36,080

things with me

2598

01:47:44,930 --> 01:47:40,080

so Tom DeLonge and his crew

2599

01:47:51,770 --> 01:47:48,770

were very kind and uh

2600

01:47:54,250 --> 01:47:51,780

I think I think we'll be hearing from

2601

01:47:57,229 --> 01:47:54,260

them soon

2602

01:47:58,790 --> 01:47:57,239

well to the Stars Academy went their

2603

01:48:02,149 --> 01:47:58,800

separate ways in the sense obviously

2604

01:48:04,370 --> 01:48:02,159

that Lewis left Chris melon left and uh

2605

01:48:06,109 --> 01:48:04,380

James still stayed on board with Tom

2606

01:48:09,109 --> 01:48:06,119

DeLong

2607

01:48:11,870 --> 01:48:09,119

um hopefully they continue to make some

2608

01:48:14,270 --> 01:48:11,880

progress in the UFO field I know Tom and

2609

01:48:16,609 --> 01:48:14,280

Jim are now focusing largely on the

2610

01:48:19,129 --> 01:48:16,619

entertainment side of the company but

2611

01:48:21,050 --> 01:48:19,139

with a view to still get the UFO message

2612

01:48:23,689 --> 01:48:21,060

out there through books through movies

2613

01:48:25,910 --> 01:48:23,699

through TV series and that's still on

2614

01:48:27,770 --> 01:48:25,920

the horizon so that's good to know

2615

01:48:29,689 --> 01:48:27,780

though that they did help and obviously

2616

01:48:33,709 --> 01:48:29,699

Lou has his own book coming out

2617

01:48:36,770 --> 01:48:33,719

hopefully late in 2023 is still the the

2618

01:48:38,810 --> 01:48:36,780

the publishing aspirational date I

2619

01:48:40,250 --> 01:48:38,820

believe I think I can say that not that

2620

01:48:42,109 --> 01:48:40,260

it's a secret but I think that's just

2621

01:48:43,609 --> 01:48:42,119

what they're working towards

2622

01:48:45,709 --> 01:48:43,619

um and that's that's one that should be

2623

01:48:48,649 --> 01:48:45,719

interesting as well and we know Lewis

2624

01:48:50,689 --> 01:48:48,659

spoken to people like yourself to the

2625

01:48:52,910 --> 01:48:50,699

bledsos you know the relationship with

2626

01:48:55,609 --> 01:48:52,920

Tom DeLong Chris Merlin and his work so

2627

01:48:56,930 --> 01:48:55,619

that's one to look forward to uh listen

2628

01:48:58,430 --> 01:48:56,940

Terry you've been great with your time

2629

01:49:00,530 --> 01:48:58,440

and I've got a few listener questions I

2630

01:49:02,390 --> 01:49:00,540

want to get to I'd love to ask you one

2631

01:49:04,189 --> 01:49:02,400

more question from myself before we get

2632

01:49:06,470 --> 01:49:04,199

to those listener questions

2633

01:49:08,270 --> 01:49:06,480

what do you say to anyone listening to

2634

01:49:10,189 --> 01:49:08,280

this now who

2635

01:49:12,709 --> 01:49:10,199

like you has had an incredible

2636

01:49:14,930 --> 01:49:12,719

experience that they can't quantify they

2637

01:49:17,450 --> 01:49:14,940

don't know who to talk to about it what

2638

01:49:20,030 --> 01:49:17,460

would you recommend they do

2639

01:49:23,750 --> 01:49:20,040

they find someone to talk to

2640

01:49:25,430 --> 01:49:23,760

I I know that that's a vague answer

2641

01:49:28,310 --> 01:49:25,440

um in the United States I know that

2642

01:49:29,810 --> 01:49:28,320

there is a group called mufan Mutual UFO

2643

01:49:30,590 --> 01:49:29,820

Network

2644

01:49:33,090 --> 01:49:30,600

um

2645

01:49:35,450 --> 01:49:33,100

it had some controversy

2646

01:49:38,990 --> 01:49:35,460

[Music]

2647

01:49:40,189 --> 01:49:39,000

but you can usually find good people at

2648

01:49:43,370 --> 01:49:40,199

uh

2649

01:49:46,070 --> 01:49:43,380

at one of those meetings I I spoke at

2650

01:49:49,070 --> 01:49:46,080

the move on

2651
01:49:51,470 --> 01:49:49,080
uh meeting in Dallas and that's where I

2652
01:49:53,209 --> 01:49:51,480
met my friend who's the psychiatrist

2653
01:49:55,430 --> 01:49:53,219
you know and I ask him I said what's a

2654
01:49:56,750 --> 01:49:55,440
psychiatrist doing at this move-on

2655
01:49:58,310 --> 01:49:56,760
meeting

2656
01:49:59,510 --> 01:49:58,320
and he says well you know when I was in

2657
01:50:02,270 --> 01:49:59,520
medical school they taught me that

2658
01:50:04,189 --> 01:50:02,280
people that see UFOs are delusional

2659
01:50:06,770 --> 01:50:04,199
and he says but I've been practicing

2660
01:50:08,689 --> 01:50:06,780
medicine for 30 years and he said I

2661
01:50:10,430 --> 01:50:08,699
found that in my psychiatric practice

2662
01:50:11,990 --> 01:50:10,440
that I have a lot of people come to me

2663
01:50:14,390 --> 01:50:12,000

that are

2664

01:50:16,669 --> 01:50:14,400

they may have depression they may have

2665

01:50:18,290 --> 01:50:16,679

some type of mental issue that needs

2666

01:50:20,209 --> 01:50:18,300

addressing but they're not delusional

2667

01:50:24,410 --> 01:50:20,219

they're not people that are going to

2668

01:50:28,550 --> 01:50:24,420

have hallucinations there are as sane

2669

01:50:30,229 --> 01:50:28,560

as you or I and he says it just now I I

2670

01:50:31,490 --> 01:50:30,239

believe there has to be something to

2671

01:50:33,109 --> 01:50:31,500

this stuff

2672

01:50:36,709 --> 01:50:33,119

so uh

2673

01:50:40,550 --> 01:50:36,719

you know talk talk to somebody uh email

2674

01:50:42,530 --> 01:50:40,560

me you know uh re read some books uh

2675

01:50:45,050 --> 01:50:42,540

email people get out get out there and

2676
01:50:47,450 --> 01:50:45,060
talk to people uh and know that you for

2677
01:50:49,910 --> 01:50:47,460
God's sake you're not alone uh don't

2678
01:50:52,010 --> 01:50:49,920
don't don't fret that you're uh

2679
01:50:54,530 --> 01:50:52,020
uh yeah some people might say I think

2680
01:50:56,330 --> 01:50:54,540
you're crazy but so what

2681
01:50:58,790 --> 01:50:56,340
so what

2682
01:51:00,410 --> 01:50:58,800
no it's good advice listen let's get to

2683
01:51:01,850 --> 01:51:00,420
a few questions in Teddy but like I say

2684
01:51:03,410 --> 01:51:01,860
you've been wonderful with your time and

2685
01:51:05,510 --> 01:51:03,420
people will never know this but we had

2686
01:51:07,129 --> 01:51:05,520
some tech issues at the start so we were

2687
01:51:09,109 --> 01:51:07,139
on with each other for almost 30 minutes

2688
01:51:09,950 --> 01:51:09,119

before we hit record so I do appreciate

2689

01:51:11,990 --> 01:51:09,960

it

2690

01:51:14,750 --> 01:51:12,000

um listen uh first question from long

2691

01:51:17,270 --> 01:51:14,760

time listener Dave smethurst does Terry

2692

01:51:19,550 --> 01:51:17,280

think what he saw in the craft in terms

2693

01:51:21,649 --> 01:51:19,560

of body parts and such you mentioned

2694

01:51:23,930 --> 01:51:21,659

obviously the animal you saw were they

2695

01:51:26,330 --> 01:51:23,940

real or potentially generated illusions

2696

01:51:28,070 --> 01:51:26,340

for you and what do you think that

2697

01:51:31,910 --> 01:51:28,080

others are potentially doing with these

2698

01:51:35,990 --> 01:51:33,530

you know that's an interesting question

2699

01:51:38,510 --> 01:51:36,000

I went back and forth with that for a

2700

01:51:41,330 --> 01:51:38,520

long time thinking

2701

01:51:43,850 --> 01:51:41,340

did this really happen to me

2702

01:51:46,729 --> 01:51:43,860

or was this a delusion that was planted

2703

01:51:48,590 --> 01:51:46,739

in my mind maybe by maybe by the Air

2704

01:51:49,129 --> 01:51:48,600

Force

2705

01:51:51,470 --> 01:51:49,139

um

2706

01:51:53,750 --> 01:51:51,480

you know I had the feeling that this

2707

01:51:56,030 --> 01:51:53,760

camping trip

2708

01:51:58,490 --> 01:51:56,040

was somehow orchestrated

2709

01:52:01,490 --> 01:51:58,500

you know I got nothing to point to that

2710

01:52:03,050 --> 01:52:01,500

to verify that as fact but

2711

01:52:04,910 --> 01:52:03,060

um

2712

01:52:09,169 --> 01:52:04,920

I've often wondered could what I have

2713

01:52:09,770 --> 01:52:09,179

seen have been all all a delusion all

2714

01:52:13,370 --> 01:52:09,780

um

2715

01:52:17,870 --> 01:52:15,169

so I guess that that's

2716

01:52:19,729 --> 01:52:17,880

possible I keep referring to the level

2717

01:52:22,070 --> 01:52:19,739

of influence that these things have over

2718

01:52:25,490 --> 01:52:22,080

us I think they can make us see whatever

2719

01:52:30,590 --> 01:52:27,950

uh follow up from Dave same same

2720

01:52:32,450 --> 01:52:30,600

listener has anyone from the military or

2721

01:52:35,090 --> 01:52:32,460

intelligence Community reached out to

2722

01:52:37,070 --> 01:52:35,100

you and given you any off the Record any

2723

01:52:39,530 --> 01:52:37,080

information off the Record about your

2724

01:52:41,149 --> 01:52:39,540

experience

2725

01:52:44,209 --> 01:52:41,159

yes

2726
01:52:46,189 --> 01:52:44,219
and no

2727
01:52:47,930 --> 01:52:46,199
okay obviously we've just mentioned that

2728
01:52:49,490 --> 01:52:47,940
you've spoken to Tom DeLong spent some

2729
01:52:51,530 --> 01:52:49,500
time with Louis zondo and some of his

2730
01:52:52,729 --> 01:52:51,540
colleagues those are probably some of

2731
01:52:53,930 --> 01:52:52,739
the people that you would want to be

2732
01:52:57,590 --> 01:52:53,940
talking to about these kind of

2733
01:53:00,490 --> 01:52:57,600
experiences absolutely but other people

2734
01:53:03,830 --> 01:53:00,500
from other agencies

2735
01:53:06,609 --> 01:53:03,840
have knocked on my door and uh

2736
01:53:09,109 --> 01:53:06,619
expressed interest in talking to me

2737
01:53:11,149 --> 01:53:09,119
I've had some crazy things happen I've

2738
01:53:14,810 --> 01:53:11,159

had you know a flurry of helicopters

2739

01:53:18,470 --> 01:53:14,820

over my house weird I mean it's just

2740

01:53:22,550 --> 01:53:20,209

I'll just I'll just leave it there but

2741

01:53:25,430 --> 01:53:22,560

yeah

2742

01:53:27,290 --> 01:53:25,440

question from Ryan Teddy Ryan asks when

2743

01:53:28,970 --> 01:53:27,300

you are in the hospital and the officer

2744

01:53:31,729 --> 01:53:28,980

came in to talk to you about the event

2745

01:53:33,830 --> 01:53:31,739

how do you think he had found you and

2746

01:53:36,470 --> 01:53:33,840

how did he know about your particular

2747

01:53:39,290 --> 01:53:36,480

experience

2748

01:53:42,109 --> 01:53:39,300

he actually answered that question he

2749

01:53:44,570 --> 01:53:42,119

said that Toby had a backpack

2750

01:53:46,970 --> 01:53:44,580

and inside that backpack he had taken a

2751
01:53:49,250 --> 01:53:46,980
permanent marker that wrote his name and

2752
01:53:50,930 --> 01:53:49,260
his address his address was Whiteman Air

2753
01:53:53,689 --> 01:53:50,940
Force Base that's where we lived we were

2754
01:54:00,290 --> 01:53:53,699
living in NCO housing on the base

2755
01:54:01,729 --> 01:54:00,300
and uh the park rangers quote found our

2756
01:54:05,030 --> 01:54:01,739
little campsite

2757
01:54:07,189 --> 01:54:05,040
uh and then track down you know Toby's

2758
01:54:11,330 --> 01:54:07,199
uh backpack with the phone number in it

2759
01:54:13,790 --> 01:54:11,340
called the base and uh

2760
01:54:15,290 --> 01:54:13,800
base commander got involved OSI got

2761
01:54:18,590 --> 01:54:15,300
involved and that's the way the whole

2762
01:54:18,600 --> 01:54:21,550
do you think

2763
01:54:25,129 --> 01:54:23,689

that backpack they may have never found

2764

01:54:27,649 --> 01:54:25,139

us but I think they would have anyway

2765

01:54:29,570 --> 01:54:27,659

right I think that there was no

2766

01:54:31,790 --> 01:54:29,580

escaping

2767

01:54:33,530 --> 01:54:31,800

I wondered Israel and also alluding to

2768

01:54:35,090 --> 01:54:33,540

and I'd be curious to know do you think

2769

01:54:37,490 --> 01:54:35,100

they had any direct or indirect

2770

01:54:40,270 --> 01:54:37,500

knowledge of their being an alien

2771

01:54:43,370 --> 01:54:40,280

abduction or some sort of encounter

2772

01:54:45,530 --> 01:54:43,380

based off of any military equipment they

2773

01:54:48,530 --> 01:54:45,540

had any monitoring they were doing or

2774

01:54:53,090 --> 01:54:48,540

even directly witnessing it themselves

2775

01:54:57,830 --> 01:54:55,970

when these two OSI agents came into my

2776

01:55:00,649 --> 01:54:57,840

hospital room

2777

01:55:03,290 --> 01:55:00,659

and started talking to me there's no

2778

01:55:05,510 --> 01:55:03,300

doubt in my mind these guys knew what I

2779

01:55:07,550 --> 01:55:05,520

saw

2780

01:55:10,189 --> 01:55:07,560

you know

2781

01:55:13,070 --> 01:55:10,199

at the end of their interrogation the

2782

01:55:17,030 --> 01:55:13,080

younger officer the captain left

2783

01:55:18,250 --> 01:55:17,040

and uh it was just me and this major in

2784

01:55:21,290 --> 01:55:18,260

the room

2785

01:55:23,629 --> 01:55:21,300

and he had turned the lights on during

2786

01:55:25,609 --> 01:55:23,639

the interrogation which really hurt my

2787

01:55:27,290 --> 01:55:25,619

eyes he reached over and turned the

2788

01:55:30,950 --> 01:55:27,300

lights off

2789

01:55:34,609 --> 01:55:30,960

and the head of my bed was near the door

2790

01:55:36,649 --> 01:55:34,619

and he had his hand against the door so

2791

01:55:38,629 --> 01:55:36,659

he would feel it if somebody started to

2792

01:55:40,850 --> 01:55:38,639

come in

2793

01:55:46,010 --> 01:55:40,860

and he got down next to my ear and he

2794

01:55:46,020 --> 01:55:50,030

I know what you saw

2795

01:55:55,129 --> 01:55:52,010

and I know you saw something and I think

2796

01:55:58,250 --> 01:55:56,450

and I

2797

01:56:00,830 --> 01:55:58,260

didn't know how to answer

2798

01:56:02,810 --> 01:56:00,840

and I didn't answer

2799

01:56:05,270 --> 01:56:02,820

and he says oh yeah he says I think you

2800

01:56:07,669 --> 01:56:05,280

know what I'm talking about

2801
01:56:09,649 --> 01:56:07,679
and he says all I want to know is how

2802
01:56:12,050 --> 01:56:09,659
many pictures you took of it

2803
01:56:14,510 --> 01:56:12,060
and you know without thinking

2804
01:56:16,490 --> 01:56:14,520
I blurted out I never took a single

2805
01:56:19,129 --> 01:56:16,500
photograph

2806
01:56:22,550 --> 01:56:19,139
and he just smiled because he just got

2807
01:56:27,169 --> 01:56:25,070
and uh

2808
01:56:29,090 --> 01:56:27,179
he seemed very satisfied with that no I

2809
01:56:31,070 --> 01:56:29,100
think they knew they knew everything I

2810
01:56:33,410 --> 01:56:31,080
don't know how they knew it

2811
01:56:35,450 --> 01:56:33,420
but they knew everything

2812
01:56:37,250 --> 01:56:35,460
and a final question that I think

2813
01:56:39,410 --> 01:56:37,260

follows on nicely from that and it's a

2814

01:56:42,709 --> 01:56:39,420

nice way to wrap up uh from Newman

2815

01:56:44,750 --> 01:56:42,719

Newman asks how far does Terry think uh

2816

01:56:47,810 --> 01:56:44,760

a potential cooperation between the US

2817

01:56:49,790 --> 01:56:47,820

government and ETS could go and even

2818

01:56:51,890 --> 01:56:49,800

further than that do you think there are

2819

01:56:54,169 --> 01:56:51,900

any Credence to the claims that there

2820

01:56:58,970 --> 01:56:54,179

are secret treaties and agreements in

2821

01:57:02,270 --> 01:57:01,310

you know there are three possibilities

2822

01:57:04,850 --> 01:57:02,280

here

2823

01:57:07,669 --> 01:57:04,860

and that is like I said earlier that

2824

01:57:12,770 --> 01:57:07,679

we're working hand in hand

2825

01:57:16,189 --> 01:57:12,780

with E.T towards some shared goal

2826

01:57:20,930 --> 01:57:16,199

you know and maybe we're trading uh

2827

01:57:26,750 --> 01:57:23,510

engineering secrets

2828

01:57:33,770 --> 01:57:31,430

uh and number two is that we could be

2829

01:57:35,810 --> 01:57:33,780

working under a written treaty

2830

01:57:38,570 --> 01:57:35,820

that defines the parameters of their

2831

01:57:40,070 --> 01:57:38,580

behavior and our Behavior we don't shoot

2832

01:57:43,250 --> 01:57:40,080

them down

2833

01:57:45,649 --> 01:57:43,260

you know they get to take uh

2834

01:57:48,169 --> 01:57:45,659

50 people a year from this park and 20

2835

01:57:50,030 --> 01:57:48,179

people from this park and it's all laid

2836

01:57:53,089 --> 01:57:50,040

out in a written agreement

2837

01:57:55,550 --> 01:57:53,099

and handshake and that's what that's

2838

01:57:59,209 --> 01:57:55,560

there's a controlling document that

2839

01:58:04,729 --> 01:58:02,870

third possibility is that they have the

2840

01:58:07,550 --> 01:58:04,739

ability to do what they want when they

2841

01:58:10,970 --> 01:58:07,560

want at any time

2842

01:58:13,430 --> 01:58:10,980

they may have spoke with our government

2843

01:58:15,290 --> 01:58:13,440

and said

2844

01:58:17,270 --> 01:58:15,300

we're in control we're going to do what

2845

01:58:19,669 --> 01:58:17,280

we want

2846

01:58:21,410 --> 01:58:19,679

don't mess with us

2847

01:58:24,770 --> 01:58:21,420

and uh

2848

01:58:25,970 --> 01:58:24,780

and they do that they do what they want

2849

01:58:28,490 --> 01:58:25,980

and

2850

01:58:30,649 --> 01:58:28,500

any one of those three possibilities are

2851
01:58:32,629 --> 01:58:30,659
as plausible as the other

2852
01:58:34,850 --> 01:58:32,639
but I

2853
01:58:37,850 --> 01:58:34,860
my gut tells me

2854
01:58:40,310 --> 01:58:37,860
that they do what they want because they

2855
01:58:44,149 --> 01:58:41,990
because I think they're that high above

2856
01:58:45,589 --> 01:58:44,159
us because of that thing that I had that

2857
01:58:47,470 --> 01:58:45,599
interaction with for a moment just

2858
01:58:52,729 --> 01:58:47,480
momentarily

2859
01:59:00,410 --> 01:58:57,410
it's it's ridiculous it's almost like

2860
01:59:01,970 --> 01:59:00,420
why would they bother to negotiate with

2861
01:59:04,910 --> 01:59:01,980
you know if you're gonna if you're going

2862
01:59:07,310 --> 01:59:04,920
to take a a lion off the Serengeti plane

2863
01:59:09,530 --> 01:59:07,320

and and plant them with a tracking

2864

01:59:11,870 --> 01:59:09,540

device and uh you know give them a

2865

01:59:13,790 --> 01:59:11,880

medical examination you know do you do

2866

01:59:16,550 --> 01:59:13,800

you communicate with them first no you

2867

01:59:18,649 --> 01:59:16,560

don't you just do it you just do it

2868

01:59:20,390 --> 01:59:18,659

you know and there's that disparity of

2869

01:59:22,910 --> 01:59:20,400

intellect that that the spirit of

2870

01:59:25,250 --> 01:59:22,920

intellect is huge think about this we've

2871

01:59:27,350 --> 01:59:25,260

been human sentient beings in our

2872

01:59:29,930 --> 01:59:27,360

current form for

2873

01:59:32,330 --> 01:59:29,940

say 200 000 years the numbers are all

2874

01:59:35,750 --> 01:59:32,340

over the place but in 200 000 years

2875

01:59:41,030 --> 01:59:35,760

we've domesticated dogs and cats cattle

2876

01:59:41,990 --> 01:59:41,040

sheep uh but like you know my cat

2877

01:59:45,649 --> 01:59:42,000

um

2878

01:59:48,709 --> 01:59:45,659

we have a relationship but after 2000

2879

01:59:52,729 --> 01:59:48,719

probably after 200 000 years

2880

01:59:55,310 --> 01:59:52,739

of domesticating animals we still can't

2881

01:59:56,209 --> 01:59:55,320

communicate with them I can walk in and

2882

01:59:59,030 --> 01:59:56,219

say

2883

02:00:01,129 --> 01:59:59,040

food served my cat will immediately know

2884

02:00:04,129 --> 02:00:01,139

what I'm talking about that's more of a

2885

02:00:07,250 --> 02:00:04,139

pavlovian response but I can't walk in

2886

02:00:08,330 --> 02:00:07,260

and say hey pal how was your day what'd

2887

02:00:11,450 --> 02:00:08,340

you do today

2888

02:00:14,990 --> 02:00:11,460

there's no communication at that level

2889

02:00:17,930 --> 02:00:15,000

and these things may be that high above

2890

02:00:20,270 --> 02:00:17,940

us that that that's the right analogy

2891

02:00:23,030 --> 02:00:20,280

because we can't tell them how our day

2892

02:00:25,850 --> 02:00:23,040

went because we don't have

2893

02:00:30,169 --> 02:00:27,830

that's a nice way to I think to to round

2894

02:00:31,910 --> 02:00:30,179

off Teddy just before we go you did

2895

02:00:35,750 --> 02:00:31,920

mention you wanted to give a little

2896

02:00:39,109 --> 02:00:35,760

shout out to a professor well I did uh

2897

02:00:41,209 --> 02:00:39,119

Professor Peter Cobble of University of

2898

02:00:44,750 --> 02:00:41,219

Liverpool uh sent me a nice email today

2899

02:00:46,070 --> 02:00:44,760

I I got to sit down and return his email

2900

02:00:48,770 --> 02:00:46,080

um so

2901
02:00:51,410 --> 02:00:48,780
yeah so I have quite a few friends over

2902
02:00:53,750 --> 02:00:51,420
there on that side of the world and uh

2903
02:00:56,330 --> 02:00:53,760
you know my best wishes to everyone and

2904
02:00:58,910 --> 02:00:56,340
uh thank you for being a a great host I

2905
02:01:00,770 --> 02:00:58,920
appreciate it no hopefully I've done

2906
02:01:02,510 --> 02:01:00,780
what I can to let you tell your story

2907
02:01:04,430 --> 02:01:02,520
not interrupt too much but there are so

2908
02:01:05,629 --> 02:01:04,440
many questions that I wanted to get to

2909
02:01:06,830 --> 02:01:05,639
and try and get to them at the right

2910
02:01:08,209 --> 02:01:06,840
times as well

2911
02:01:10,250 --> 02:01:08,219
um I'd love to have you back on to

2912
02:01:11,930 --> 02:01:10,260
discuss obviously the follow-up where

2913
02:01:13,609 --> 02:01:11,940

you're more generally talking about

2914

02:01:15,589 --> 02:01:13,619

other folk subductions I think there'll

2915

02:01:17,510 --> 02:01:15,599

be a great conversation there and room

2916

02:01:19,790 --> 02:01:17,520

for some speculation and some sharing

2917

02:01:21,649 --> 02:01:19,800

some stories as well that would be great

2918

02:01:23,330 --> 02:01:21,659

um how do you want people to best find

2919

02:01:25,790 --> 02:01:23,340

your work Terry is it through the

2920
