# UFO OF GOD

The Extraordinary True Story of Chris Bledsoe

CLIPS

CHRIS BLEDSOE  
UFO OF GOD

A spiritual journey of missing time, healings, and hitchhikers.

1  
00:00:05,269 --> 00:00:02,389  
one of the stories that's touched on in

2  
00:00:06,889 --> 00:00:05,279  
the book I spoke to chase klitsky

3  
00:00:10,310 --> 00:00:06,899  
um back in the early days of the podcast

4  
00:00:11,870 --> 00:00:10,320  
in 2020 and at the time a listener had

5  
00:00:14,089 --> 00:00:11,880  
uh shared a story with me which you

6  
00:00:17,689 --> 00:00:14,099  
included within the book and essentially

7  
00:00:20,210 --> 00:00:17,699  
Chase and her husband was with her and a

8  
00:00:22,429 --> 00:00:20,220  
few other folks and you experience

9  
00:00:24,650 --> 00:00:22,439  
missing Time Crossing a section of a

10  
00:00:26,269 --> 00:00:24,660  
field that you're you're all well aware

11  
00:00:28,910 --> 00:00:26,279  
should only take a few minutes and it

12  
00:00:30,830 --> 00:00:28,920  
takes much longer during that encounter

13  
00:00:34,069 --> 00:00:30,840

The Listener asked me given something

14

00:00:36,889 --> 00:00:34,079

they had heard that you had been taken

15

00:00:38,389 --> 00:00:36,899

off Planet during that experience and I

16

00:00:41,090 --> 00:00:38,399

wonder if that's something you would

17

00:00:43,790 --> 00:00:41,100

confirm if that has ever happened to you

18

00:00:45,950 --> 00:00:43,800

or anyone with you I asked Chase and at

19

00:00:49,369 --> 00:00:45,960

the time she didn't want to comment

20

00:00:49,970 --> 00:00:49,379

well I write about chasing the book and

21

00:00:53,869 --> 00:00:49,980

um

22

00:00:56,810 --> 00:00:53,879

a little short her husband is a U.S

23

00:00:59,569 --> 00:00:56,820

naval sub Commander right Carrie secret

24

00:01:01,970 --> 00:00:59,579

Clarence says he's a big guy he

25

00:01:05,810 --> 00:01:01,980

navigates the world underneath the water

26  
00:01:07,670 --> 00:01:05,820  
and has a watched navigation watched I

27  
00:01:11,390 --> 00:01:07,680  
mean a high-text thing

28  
00:01:14,990 --> 00:01:11,400  
and what it was was a

29  
00:01:18,469 --> 00:01:15,000  
um a group of people from a ghost

30  
00:01:22,249 --> 00:01:18,479  
hunting outfit in Wilmington North

31  
00:01:24,230 --> 00:01:22,259  
Carolina was in my little Hometown where

32  
00:01:26,030 --> 00:01:24,240  
my mother was born and I was kind of

33  
00:01:27,770 --> 00:01:26,040  
reared up little town called Saint

34  
00:01:30,289 --> 00:01:27,780  
Paul's

35  
00:01:32,149 --> 00:01:30,299  
my grandfather's buried there my

36  
00:01:34,130 --> 00:01:32,159  
family's bare and it's only 20 minutes

37  
00:01:37,190 --> 00:01:34,140  
from where I live now

38  
00:01:40,609 --> 00:01:37,200

but Chase calls me on a Sunday night and

39  
00:01:42,890 --> 00:01:40,619  
says uh Monday night and says Chris have

40  
00:01:45,710 --> 00:01:42,900  
you ever heard of Saint Paul's

41  
00:01:47,390 --> 00:01:45,720  
I said hold on don't tell me yes I've

42  
00:01:49,249 --> 00:01:47,400  
heard of Saint Paul's I was raised there

43  
00:01:50,450 --> 00:01:49,259  
I said but don't tell me I want to tell

44  
00:01:52,249 --> 00:01:50,460  
you first

45  
00:01:54,889 --> 00:01:52,259  
so I began to tell her about Saturday

46  
00:01:57,050 --> 00:01:54,899  
night I walk outside I sit down on the

47  
00:02:00,530 --> 00:01:57,060  
patio got a fire going

48  
00:02:02,510 --> 00:02:00,540  
and um I'm laid back looking straight up

49  
00:02:04,789 --> 00:02:02,520  
at the sky just meditating and suddenly

50  
00:02:07,910 --> 00:02:04,799  
two orange organs appear

51  
00:02:10,010 --> 00:02:07,920  
way up and they came all the way down to

52  
00:02:11,869 --> 00:02:10,020  
the top of the trees and sat there in

53  
00:02:14,630 --> 00:02:11,879  
the back of my property hovering over

54  
00:02:17,210 --> 00:02:14,640  
the trees two great big orange doors

55  
00:02:20,150 --> 00:02:17,220  
when they left they shot off towards

56  
00:02:22,190 --> 00:02:20,160  
Saint Paul's so I told her this story

57  
00:02:24,410 --> 00:02:22,200  
and then she tells me about these Ghost

58  
00:02:26,330 --> 00:02:24,420  
Hunters

59  
00:02:28,850 --> 00:02:26,340  
um that they had walked out of the house

60  
00:02:31,309 --> 00:02:28,860  
and into the forest and

61  
00:02:33,770 --> 00:02:31,319  
these orange streaks went right over

62  
00:02:36,470 --> 00:02:33,780  
their head and two hours later

63  
00:02:39,589 --> 00:02:36,480

uh they lost two hours of time so she

64

00:02:41,809 --> 00:02:39,599

asked if I would be interested in

65

00:02:44,630 --> 00:02:41,819

investigating it with her because she

66

00:02:45,650 --> 00:02:44,640

was coming to our area and so a week

67

00:02:49,910 --> 00:02:45,660

later

68

00:02:53,330 --> 00:02:49,920

I call a friend from NASA he flies in

69

00:02:55,610 --> 00:02:53,340

um for the day I pick him up and that's

70

00:02:58,790 --> 00:02:55,620

the famous Timothy Taylor you hear Diana

71

00:03:01,610 --> 00:02:58,800

silk talk about I introduced him to

72

00:03:03,949 --> 00:03:01,620

Diana by the way she uh

73

00:03:06,770 --> 00:03:03,959

she met him a couple years three years

74

00:03:07,970 --> 00:03:06,780

after I did or so

75

00:03:11,089 --> 00:03:07,980

um but

76

00:03:13,009 --> 00:03:11,099

we were all there and and that night

77

00:03:15,589 --> 00:03:13,019

they invited me back for a ghost hunt

78

00:03:17,750 --> 00:03:15,599

they wanted to recreate the thing

79

00:03:19,910 --> 00:03:17,760

so I dropped Tim back off at the airport

80

00:03:22,309 --> 00:03:19,920

and he goes home to Huntsville

81

00:03:24,530 --> 00:03:22,319

I went back over there and met with them

82

00:03:27,229 --> 00:03:24,540

and they did their thing in the house

83

00:03:29,270 --> 00:03:27,239

with their EVPs and I sat outside I

84

00:03:31,369 --> 00:03:29,280

wasn't interested in that

85

00:03:33,110 --> 00:03:31,379

but the where they missed time was

86

00:03:34,790 --> 00:03:33,120

behind the house

87

00:03:37,610 --> 00:03:34,800

there's a cabin in the edge of the

88

00:03:39,770 --> 00:03:37,620

forest behind a kind of across the field

89

00:03:42,410 --> 00:03:39,780

so you walk out the back door of this

90

00:03:43,910 --> 00:03:42,420

plantation house was a big field go to

91

00:03:46,309 --> 00:03:43,920

the other side of the field and inside

92

00:03:47,690 --> 00:03:46,319

the trees just in the woods is this

93

00:03:49,670 --> 00:03:47,700

cabin

94

00:03:52,670 --> 00:03:49,680

so we go over there

95

00:03:57,289 --> 00:03:52,680

and we take off through the forest

96

00:03:59,509 --> 00:03:57,299

behind the cabin and 15 minutes walk we

97

00:04:02,030 --> 00:03:59,519

come out on a power line a big high

98

00:04:03,949 --> 00:04:02,040

tension power line just just a clear

99

00:04:05,210 --> 00:04:03,959

Lane you know you can see their way of

100

00:04:07,490 --> 00:04:05,220

mine

101  
00:04:10,610 --> 00:04:07,500  
but it's 15 minutes across these heads

102  
00:04:13,009 --> 00:04:10,620  
of woods but here's the key behind that

103  
00:04:15,890 --> 00:04:13,019  
cabin is a dish 10 feet from the back

104  
00:04:18,289 --> 00:04:15,900  
steps is a big ditch so we all had to go

105  
00:04:19,789 --> 00:04:18,299  
in the ditch it's dry trees growing up

106  
00:04:23,330 --> 00:04:19,799  
in a thick forest

107  
00:04:25,670 --> 00:04:23,340  
and then 15 minutes to the power line

108  
00:04:27,710 --> 00:04:25,680  
so when it was time to go back to the

109  
00:04:29,990 --> 00:04:27,720  
cabin we made it through the woods got

110  
00:04:31,810 --> 00:04:30,000  
over there looked around and on our way

111  
00:04:34,670 --> 00:04:31,820  
back

112  
00:04:37,310 --> 00:04:34,680  
when we started Peach like I'll do the

113  
00:04:39,170 --> 00:04:37,320

navigation we need to take this heading

114

00:04:41,629 --> 00:04:39,180

we're going to come right out at the car

115

00:04:44,689 --> 00:04:41,639

where the cabin is

116

00:04:46,490 --> 00:04:44,699

so eight of us in that group I was the

117

00:04:48,890 --> 00:04:46,500

number eight in line I was in the back

118

00:04:51,590 --> 00:04:48,900

Chase was in front of me so we were

119

00:04:53,810 --> 00:04:51,600

bringing up the tail end peace in the

120

00:04:57,469 --> 00:04:53,820

front got it

121

00:05:00,350 --> 00:04:57,479

when we get to the ditch handy

122

00:05:03,890 --> 00:05:00,360

I'd never seen anything like this

123

00:05:08,030 --> 00:05:03,900

especially when I saw Pete and what it

124

00:05:11,469 --> 00:05:08,040

did to him this guy's six foot five or

125

00:05:15,950 --> 00:05:11,479

six and he's you know he's a he's a

126

00:05:18,650 --> 00:05:15,960

model maybe sealed just a big honking

127

00:05:22,610 --> 00:05:18,660

he's a teddy bear right but he's still

128

00:05:24,950 --> 00:05:22,620

uh very smart guy so when we got to the

129

00:05:27,590 --> 00:05:24,960

dish and we walked down in the ditch and

130

00:05:29,810 --> 00:05:27,600

out on the other side we walked back out

131

00:05:31,610 --> 00:05:29,820

on the power line

132

00:05:33,409 --> 00:05:31,620

there is no dictionary the power line

133

00:05:36,110 --> 00:05:33,419

it's behind that cabin

134

00:05:38,930 --> 00:05:36,120

and when we did that everybody said oh

135

00:05:41,689 --> 00:05:38,940

my God and I didn't I knew what happened

136

00:05:44,629 --> 00:05:41,699

because I was meditating I was singing a

137

00:05:47,270 --> 00:05:44,639

song the whole way across there

138

00:05:50,270 --> 00:05:47,280

and it messed everybody up really bad

139

00:05:52,790 --> 00:05:50,280

and we went turned around and walked

140

00:05:55,310 --> 00:05:52,800

back the other way towards the power

141

00:05:57,890 --> 00:05:55,320

line we thought and we came to the ditch

142

00:05:59,390 --> 00:05:57,900

again and walked through the ditch up to

143

00:06:02,029 --> 00:05:59,400

the cabin

144

00:06:04,310 --> 00:06:02,039

and it just blew the whole group's mind

145

00:06:05,570 --> 00:06:04,320

and I told him I said we lost 15 minutes

146

00:06:07,850 --> 00:06:05,580

of time

147

00:06:09,950 --> 00:06:07,860

well and so they went home and they were

148

00:06:12,230 --> 00:06:09,960

they had helmet cams and recording

149

00:06:14,749 --> 00:06:12,240

devices and you know

150

00:06:17,570 --> 00:06:14,759

they had all kinds of equipment they'd

151  
00:06:20,870 --> 00:06:17,580  
started a timer in the car

152  
00:06:23,570 --> 00:06:20,880  
and she calls me on

153  
00:06:25,430 --> 00:06:23,580  
the following Monday or Tuesday after

154  
00:06:26,749 --> 00:06:25,440  
they reviewed the evidence and she said

155  
00:06:29,450 --> 00:06:26,759  
you're never going to believe what

156  
00:06:30,590 --> 00:06:29,460  
happened I said yeah we lost 15 minutes

157  
00:06:32,629 --> 00:06:30,600  
of time

158  
00:06:35,510 --> 00:06:32,639  
she said how did you know

159  
00:06:37,670 --> 00:06:35,520  
I said because I witnessed it it takes

160  
00:06:38,570 --> 00:06:37,680  
15 minutes to go across that head of

161  
00:06:41,870 --> 00:06:38,580  
woods

162  
00:06:42,710 --> 00:06:41,880  
and one trip across it is when they took

163  
00:06:45,290 --> 00:06:42,720

us

164

00:06:47,629 --> 00:06:45,300

and um

165

00:06:50,570 --> 00:06:47,639

so anyhow yeah I write about this story

166

00:06:52,909 --> 00:06:50,580

and it is a lot more to it

167

00:06:54,230 --> 00:06:52,919

and um

168

00:06:56,150 --> 00:06:54,240

yeah

169

00:06:58,189 --> 00:06:56,160

so that's not the only person I've had

170

00:07:00,830 --> 00:06:58,199

scientists from the government to lose

171

00:07:04,730 --> 00:07:00,840

as much as two hours of time on my

172

00:07:10,909 --> 00:07:07,550

and I wonder how many times do you

173

00:07:12,290 --> 00:07:10,919

remember potentially being taken off

174

00:07:15,490 --> 00:07:12,300

planet

175

00:07:19,909 --> 00:07:18,409

any of the others such as and I know

176

00:07:20,870 --> 00:07:19,919

Chase didn't want to talk about it at

177

00:07:22,550 --> 00:07:20,880

the time

178

00:07:24,710 --> 00:07:22,560

um but any of those scientists or

179

00:07:27,409 --> 00:07:24,720

officials if they have that messing time

180

00:07:29,330 --> 00:07:27,419

experience do any of them recall what

181

00:07:31,909 --> 00:07:29,340

happened to them or does it tend to be

182

00:07:34,909 --> 00:07:31,919

just missing for them it it tends to

183

00:07:38,089 --> 00:07:34,919

mess with her memories I can't remember

184

00:07:41,510 --> 00:07:38,099

what happened during that time and I

185

00:07:44,990 --> 00:07:41,520

don't think we ever will no because they

186

00:07:47,870 --> 00:07:45,000

have a good way of erasing your memory

187

00:07:50,830 --> 00:07:47,880

we tend to get regressions and all that

188

00:07:55,189 --> 00:07:50,840

hoping you find Clues but

189

00:07:57,409 --> 00:07:55,199

you can remember bits and pieces of it

190

00:08:00,350 --> 00:07:57,419

it's almost impossible like the four

191

00:08:02,990 --> 00:08:00,360

hours on the river I have plain memories

192

00:08:07,029 --> 00:08:03,000

about being over Egypt

193

00:08:11,210 --> 00:08:07,039

of all that night of the grueling

194

00:08:13,850 --> 00:08:11,220

uh it was just it was a a big thing

195

00:08:17,510 --> 00:08:13,860

scared us all to death and four hours

196

00:08:20,629 --> 00:08:17,520

seemed like four years in that world

197

00:08:22,129 --> 00:08:20,639

and I have lots of memories but the

198

00:08:24,830 --> 00:08:22,139

Egypt

199

00:08:28,730 --> 00:08:24,840

the temple of hathor

200

00:08:31,129 --> 00:08:28,740

the pyramids and the Spanx it's just

201

00:08:32,750 --> 00:08:31,139

reverberates through my brain and it did
