# UFO OF GOD

The Extraordinary True Story of Chris Bledsoe

CLIPS

CHRIS BLEDSOE  
UFO OF GOD

*A spiritual journey of missing time, healings, and hitchhikers.*

1  
00:00:06,410 --> 00:00:05,210  
it was Easter of 2021 Friday night Good

2  
00:00:09,110 --> 00:00:06,420  
Friday

3  
00:00:12,169 --> 00:00:09,120  
which is a special day I don't care

4  
00:00:14,450 --> 00:00:12,179  
every Farmer in the world knows that

5  
00:00:17,150 --> 00:00:14,460  
Easter Friday Good Friday

6  
00:00:20,450 --> 00:00:17,160  
is a special day for planting

7  
00:00:22,730 --> 00:00:20,460  
you plant corn on Friday and it'll Bloom

8  
00:00:25,250 --> 00:00:22,740  
that you planted on Monday it will

9  
00:00:27,429 --> 00:00:25,260  
probably fail if you get your best crops

10  
00:00:29,750 --> 00:00:27,439  
that time of year it's

11  
00:00:31,849 --> 00:00:29,760  
just an old

12  
00:00:34,850 --> 00:00:31,859  
dang but long story short I'm standing

13  
00:00:36,410 --> 00:00:34,860

there by myself you know 10 feet from

14

00:00:38,389 --> 00:00:36,420

where I'm recording this is my little

15

00:00:42,350 --> 00:00:38,399

workshop

16

00:00:44,389 --> 00:00:42,360

and we live on 15 Acres with a pond a

17

00:00:46,729 --> 00:00:44,399

little cabin sitting on the ponds very

18

00:00:52,250 --> 00:00:49,549

and I just look up at the sky and I said

19

00:00:55,209 --> 00:00:52,260

is this what you want me to do should I

20

00:00:58,069 --> 00:00:55,219

do this should I write this book

21

00:00:59,869 --> 00:00:58,079

and I really didn't know I I always

22

00:01:03,349 --> 00:00:59,879

reached out to the Heavens For answers

23

00:01:06,070 --> 00:01:03,359

and I did and as soon as I did

24

00:01:09,230 --> 00:01:06,080

uh the Zorb appears over my palm

25

00:01:11,510 --> 00:01:09,240

immediately I mean it didn't wait when I

26

00:01:14,570 --> 00:01:11,520

finished saying what I had to say

27

00:01:17,090 --> 00:01:14,580

uh questioning the phenomenon should I

28

00:01:20,270 --> 00:01:17,100

do this and it appeared instantly

29

00:01:22,370 --> 00:01:20,280

but here's what was really cool

30

00:01:24,289 --> 00:01:22,380

as I'm

31

00:01:25,910 --> 00:01:24,299

I'm Take My Little Sirens cameras

32

00:01:29,030 --> 00:01:25,920

hanging on my neck right on a little

33

00:01:31,070 --> 00:01:29,040

lanyard and it's only four inches five

34

00:01:33,410 --> 00:01:31,080

inches long and about a big it's a

35

00:01:37,370 --> 00:01:33,420

monocular night vision

36

00:01:39,289 --> 00:01:37,380

it's color night vision low resolution

37

00:01:42,109 --> 00:01:39,299

well it was the greatest technology they

38

00:01:44,630 --> 00:01:42,119

had when when it came out

39

00:01:46,789 --> 00:01:44,640

that company so I throw the camera up

40

00:01:49,490 --> 00:01:46,799

and I've got it on this orb and I'm just

41

00:01:51,590 --> 00:01:49,500

knowing that that was the answer I was

42

00:01:53,210 --> 00:01:51,600

looking for because we talk I ask

43

00:01:55,910 --> 00:01:53,220

questions they answered me right away

44

00:01:57,109 --> 00:01:55,920

usually I mean it's not like a delay it

45

00:01:59,090 --> 00:01:57,119

happens

46

00:02:01,249 --> 00:01:59,100

there's a connection here that most

47

00:02:03,350 --> 00:02:01,259

people can't imagine that's what I say

48

00:02:05,090 --> 00:02:03,360

on History Channel you might get to see

49

00:02:08,150 --> 00:02:05,100

that

50

00:02:09,529 --> 00:02:08,160

but as soon as I started filming this

51

00:02:12,589 --> 00:02:09,539

orb

52

00:02:14,449 --> 00:02:12,599

I look you know I instead of holding it

53

00:02:16,190 --> 00:02:14,459

to my eye get it on and I just hold the

54

00:02:18,410 --> 00:02:16,200

camera there and I'm looking around for

55

00:02:21,970 --> 00:02:18,420

more that might appear and as soon as I

56

00:02:25,850 --> 00:02:21,980

did that up Beyond this orb

57

00:02:29,390 --> 00:02:25,860

way up in the heavens you know where the

58

00:02:31,550 --> 00:02:29,400

the stars are I see something coming

59

00:02:33,589 --> 00:02:31,560

and it's coming towards me and it's

60

00:02:35,690 --> 00:02:33,599

coming from way high and it's coming

61

00:02:38,690 --> 00:02:35,700

down as it gets closer

62

00:02:40,309 --> 00:02:38,700

you hear me on the video say what is

63

00:02:41,990 --> 00:02:40,319

that

64

00:02:44,150 --> 00:02:42,000

planet's day

65

00:02:45,830 --> 00:02:44,160

and I filmed the whole thing and as it

66

00:02:48,290 --> 00:02:45,840

starts getting closer it's glowing

67

00:02:50,809 --> 00:02:48,300

orange red

68

00:02:53,030 --> 00:02:50,819

it's really glowing

69

00:02:55,790 --> 00:02:53,040

and suddenly

70

00:02:57,290 --> 00:02:55,800

um it gets close enough I see these huge

71

00:02:59,750 --> 00:02:57,300

wings

72

00:03:01,250 --> 00:02:59,760

and they start doing this and this thing

73

00:03:06,589 --> 00:03:01,260

as big as uh

74

00:03:09,410 --> 00:03:06,599

uh said citation 5 jet or 737.

75

00:03:12,110 --> 00:03:09,420

it's not little it's huge and it's got

76

00:03:14,449 --> 00:03:12,120

wings that are flapping and it's glowing

77

00:03:16,850 --> 00:03:14,459

orange and it comes right down and comes

78

00:03:19,130 --> 00:03:16,860

over my head it's pretty high up but it

79

00:03:21,589 --> 00:03:19,140

levels out flies over my head and it

80

00:03:25,369 --> 00:03:21,599

changes to glowing White

81

00:03:28,250 --> 00:03:25,379

and it makes it turn 90 degree turn big

82

00:03:30,110 --> 00:03:28,260

huge wings that the tips sweep forward

83

00:03:32,509 --> 00:03:30,120

like so

84

00:03:34,309 --> 00:03:32,519

and it makes a turn to the South and it

85

00:03:37,070 --> 00:03:34,319

flies out of sight

86

00:03:40,070 --> 00:03:37,080

and I would say I got the answer I was

87

00:03:42,110 --> 00:03:40,080

looking for I agreed to make this book

88

00:03:44,630 --> 00:03:42,120

and here we are today

89

00:03:46,729 --> 00:03:44,640

and that was last April

90

00:03:48,530 --> 00:03:46,739

and that was um

91

00:03:50,869 --> 00:03:48,540

that's uh

92

00:03:54,050 --> 00:03:50,879

I haven't never shared that and I have a

93

00:03:57,949 --> 00:03:54,060

lot of other things entities walking

94

00:03:59,630 --> 00:03:57,959

uh entities coming out of orbs orbs four

95

00:04:01,670 --> 00:03:59,640

or five feet away

96

00:04:03,530 --> 00:04:01,680

I posted one on Instagram last night
