

CHRIS BLEDSOE
UFO OF GOD

1
00:00:09,770 --> 00:00:02,869
this is Jim semivan and you are

2
00:00:15,169 --> 00:00:12,770
hi everyone and welcome back to that UFO

3
00:00:17,029 --> 00:00:15,179
podcast my name is Andy and my guest

4
00:00:19,970 --> 00:00:17,039
today is one of the most well-known

5
00:00:22,849 --> 00:00:19,980
experiences of UFO unrelated phenomena

6
00:00:25,849 --> 00:00:22,859
on the planet his story is a complex one

7
00:00:28,310 --> 00:00:25,859
involving healing entities orbs and

8
00:00:30,290 --> 00:00:28,320
almost any aspect of the UFO phenomenon

9
00:00:32,990 --> 00:00:30,300
you could imagine I'd like to welcome to

10
00:00:35,569 --> 00:00:33,000
the podcast author of the book UFO of

11
00:00:38,330 --> 00:00:35,579
God Mr Chris bledso Chris welcome to the

12
00:00:40,610 --> 00:00:38,340
podcast thank you Andy I am honored to

13
00:00:42,470 --> 00:00:40,620

be here it's very good to have you

14

00:00:45,229 --> 00:00:42,480

you've been a guest that I've been after

15

00:00:47,450 --> 00:00:45,239

for some time as many people have for

16

00:00:49,250 --> 00:00:47,460

your time and a lot of listeners have

17

00:00:51,110 --> 00:00:49,260

wanted to hear from you

18

00:00:53,090 --> 00:00:51,120

um some listeners Chris might be a

19

00:00:55,610 --> 00:00:53,100

little bit less familiar with your story

20

00:00:57,290 --> 00:00:55,620

than others and before we get into the

21

00:00:59,930 --> 00:00:57,300

body of the interview could you

22

00:01:02,090 --> 00:00:59,940

summarize for us your initial experience

23

00:01:04,609 --> 00:01:02,100

as best you can that started you along

24

00:01:07,429 --> 00:01:04,619

the road to the UFO experiences you've

25

00:01:08,350 --> 00:01:07,439

had yes I'll do my best

26

00:01:15,050 --> 00:01:08,360

um

27

00:01:17,690 --> 00:01:15,060

in uh 2007 January the 8th of 07. is

28

00:01:20,510 --> 00:01:17,700

when it really

29

00:01:22,609 --> 00:01:20,520

um the main incident happened that was

30

00:01:24,050 --> 00:01:22,619

on the Cape Fear River the bank of the

31

00:01:24,830 --> 00:01:24,060

Cape Fear River

32

00:01:27,289 --> 00:01:24,840

um

33

00:01:29,749 --> 00:01:27,299

in North Carolina eastern North Carolina

34

00:01:33,530 --> 00:01:29,759

we're about 60 miles by air from the

35

00:01:35,749 --> 00:01:33,540

coast and the river empties into the

36

00:01:37,310 --> 00:01:35,759

Atlantic Ocean so we were Upstream about

37

00:01:39,530 --> 00:01:37,320

60 miles

38

00:01:40,270 --> 00:01:39,540

and for

39

00:01:43,969 --> 00:01:40,280

um

40

00:01:46,490 --> 00:01:43,979

to kind of understand in those days the

41

00:01:48,830 --> 00:01:46,500

military the Navy out of Norfolk and

42

00:01:50,270 --> 00:01:48,840

wherever they're from were patrolling up

43

00:01:51,590 --> 00:01:50,280

and down the North and South Carolina

44

00:01:54,410 --> 00:01:51,600

coast

45

00:01:56,350 --> 00:01:54,420

and that's when they were really seeing

46

00:01:58,969 --> 00:01:56,360

this what they called the Tic Tac right

47

00:02:01,670 --> 00:01:58,979

I just had to throw that in there so you

48

00:02:04,069 --> 00:02:01,680

can understand why they took so much

49

00:02:05,230 --> 00:02:04,079

interest in me the government at right

50

00:02:08,449 --> 00:02:05,240

away

51
00:02:11,029 --> 00:02:08,459
so their pilots were seeing it and it

52
00:02:13,729 --> 00:02:11,039
was playing cat and mouse with them and

53
00:02:15,710 --> 00:02:13,739
uh they just could witness it right

54
00:02:16,610 --> 00:02:15,720
but on that night

55
00:02:19,130 --> 00:02:16,620
um

56
00:02:20,930 --> 00:02:19,140
it's a long story and the book gets into

57
00:02:21,770 --> 00:02:20,940
this

58
00:02:26,150 --> 00:02:21,780
um

59
00:02:28,970 --> 00:02:26,160
I was I was at the end of my rope I felt

60
00:02:33,650 --> 00:02:28,980
that so strongly because

61
00:02:36,710 --> 00:02:33,660
the the financial crisis in 2007

62
00:02:40,250 --> 00:02:36,720
uh just really put an end to my building

63
00:02:42,170 --> 00:02:40,260

career it started when 9-1-1 happened

64

00:02:44,570 --> 00:02:42,180

when they destroyed the World Trade

65

00:02:45,290 --> 00:02:44,580

Center whoever did it

66

00:02:48,650 --> 00:02:45,300

um

67

00:02:51,110 --> 00:02:48,660

for whatever reason it destroyed the

68

00:02:53,990 --> 00:02:51,120

market in in Fayetteville where I live

69

00:02:57,130 --> 00:02:54,000

and that's the home of Fort Bragg so you

70

00:03:00,589 --> 00:02:57,140

can imagine it's a mostly a VA town

71

00:03:03,170 --> 00:03:00,599

and and everybody would just quit buying

72

00:03:04,729 --> 00:03:03,180

homes and I had 72 houses under

73

00:03:06,710 --> 00:03:04,739

construction and

74

00:03:09,350 --> 00:03:06,720

interest rates were eight percent in

75

00:03:11,930 --> 00:03:09,360

those days on on uh commercial money

76

00:03:13,910 --> 00:03:11,940

which is absolutely unfair to where it

77

00:03:15,490 --> 00:03:13,920

is today it's only a couple one or two

78

00:03:17,990 --> 00:03:15,500

percent

79

00:03:20,690 --> 00:03:18,000

but that was the

80

00:03:23,390 --> 00:03:20,700

that was the Beast and

81

00:03:24,410 --> 00:03:23,400

I was afflicted with crohn's disease it

82

00:03:28,430 --> 00:03:24,420

had

83

00:03:31,670 --> 00:03:28,440

started out you know minor and it grew

84

00:03:35,390 --> 00:03:31,680

into a monster the worse I worried the

85

00:03:39,170 --> 00:03:35,400

the worse it got and um

86

00:03:42,289 --> 00:03:39,180

so by 2005 I had suffered a near-death

87

00:03:43,910 --> 00:03:42,299

experience from this and it said there's

88

00:03:46,309 --> 00:03:43,920

a lot of detail in the book about that

89

00:03:50,390 --> 00:03:46,319

and it wasn't my fault it was

90

00:03:52,789 --> 00:03:50,400

that I was basically poisoned by

91

00:03:54,309 --> 00:03:52,799

um toxic poisoning from the medication

92

00:03:56,690 --> 00:03:54,319

they had me on

93

00:04:00,589 --> 00:03:56,700

and so

94

00:04:02,270 --> 00:04:00,599

here I am at 46 years old with four

95

00:04:04,550 --> 00:04:02,280

children

96

00:04:06,170 --> 00:04:04,560

my youngest daughter my young I only

97

00:04:08,750 --> 00:04:06,180

have one girl and three boys but the

98

00:04:12,770 --> 00:04:08,760

youngest was was Emily and she was only

99

00:04:19,009 --> 00:04:16,550

um I'm faced with moving out of a huge

100

00:04:22,610 --> 00:04:19,019

home with a pool in the back and 20

101
00:04:25,249 --> 00:04:22,620
years of business experience and now I'm

102
00:04:27,710 --> 00:04:25,259
starting over again but I'm sick and I

103
00:04:31,550 --> 00:04:27,720
couldn't work it was just so

104
00:04:34,610 --> 00:04:31,560
debilitating so I'm on my son Chris Jr

105
00:04:38,030 --> 00:04:34,620
he was 17 the oldest boy

106
00:04:41,629 --> 00:04:38,040
and three guys that worked for my dad

107
00:04:43,550 --> 00:04:41,639
uh had just finished a project and they

108
00:04:44,810 --> 00:04:43,560
wanted to go celebrate fishing that day

109
00:04:48,710 --> 00:04:44,820
and so we did

110
00:04:51,409 --> 00:04:48,720
and without getting too many details I

111
00:04:53,570 --> 00:04:51,419
wasn't into fishing I was I was reaching

112
00:04:55,370 --> 00:04:53,580
out to the heavens somebody help me

113
00:04:57,770 --> 00:04:55,380

whoever's up there

114

00:05:00,350 --> 00:04:57,780

I was born and raised the Baptist I

115

00:05:03,350 --> 00:05:00,360

married a Pentecostal Holiness girl

116

00:05:06,290 --> 00:05:03,360

became a deacon in the church

117

00:05:08,090 --> 00:05:06,300

um I always you know was a spiritual guy

118

00:05:11,629 --> 00:05:08,100

from Tiny

119

00:05:15,110 --> 00:05:11,639

and I had uh you know praying hard I had

120

00:05:17,689 --> 00:05:15,120

been for weeks and I felt like that was

121

00:05:19,969 --> 00:05:17,699

falling on silent ears like you know

122

00:05:23,749 --> 00:05:19,979

it's just the way the nature of it

123

00:05:26,090 --> 00:05:23,759

but for that night that evening about 10

124

00:05:29,270 --> 00:05:26,100

after five I walked across I walked away

125

00:05:30,050 --> 00:05:29,280

from the group my son and his these

126

00:05:32,450 --> 00:05:30,060

friends

127

00:05:35,210 --> 00:05:32,460

I left them fishing on the bank it was

128

00:05:37,310 --> 00:05:35,220

it was in January the sun sets early you

129

00:05:38,650 --> 00:05:37,320

know 5 30 the sun's down behind the

130

00:05:43,010 --> 00:05:38,660

trees

131

00:05:45,350 --> 00:05:43,020

I told them I'm going to walk up to the

132

00:05:49,010 --> 00:05:45,360

the way we came in so if you can imagine

133

00:05:53,029 --> 00:05:49,020

a a paved Road and you look to your left

134

00:05:54,890 --> 00:05:53,039

and there's a 200 yard field cornfield

135

00:05:57,170 --> 00:05:54,900

and at the back of the field is the

136

00:05:59,450 --> 00:05:57,180

Woodline well you cross that field you

137

00:06:02,270 --> 00:05:59,460

get to the trees and you go down a path

138

00:06:04,010 --> 00:06:02,280

to the river down in a about a hundred

139

00:06:05,210 --> 00:06:04,020

foot elevation change to the river

140

00:06:11,450 --> 00:06:05,220

bottom

141

00:06:14,450 --> 00:06:11,460

to the field I told them I was going to

142

00:06:16,790 --> 00:06:14,460

go look for wildlife deer or turkey but

143

00:06:19,490 --> 00:06:16,800

I was really struggling emotionally bad

144

00:06:22,010 --> 00:06:19,500

crying out and

145

00:06:23,990 --> 00:06:22,020

um as I got near the top of that hill to

146

00:06:26,809 --> 00:06:24,000

where I could see the field

147

00:06:28,850 --> 00:06:26,819

I saw what looked like the sun setting

148

00:06:31,210 --> 00:06:28,860

and I didn't think about it for a second

149

00:06:34,249 --> 00:06:31,220

it looked a bit strange and big

150

00:06:36,170 --> 00:06:34,259

that tangerine orange color

151
00:06:38,210 --> 00:06:36,180
so I looked down and take a few more

152
00:06:40,909 --> 00:06:38,220
steps and I got a little higher up on

153
00:06:43,790 --> 00:06:40,919
the hill and there's two of them and

154
00:06:47,749 --> 00:06:43,800
that's when I immediately dropped down

155
00:06:49,790 --> 00:06:47,759
to my knees hiding myself between the

156
00:06:51,350 --> 00:06:49,800
hill the top of the hill you know and

157
00:06:55,430 --> 00:06:51,360
what I was seeing

158
00:06:57,529 --> 00:06:55,440
being a commercial rated pilot I knew

159
00:06:59,870 --> 00:06:57,539
right away what I was looking at was

160
00:07:01,850 --> 00:06:59,880
nothing from the military base or

161
00:07:05,270 --> 00:07:01,860
anywhere known

162
00:07:08,029 --> 00:07:05,280
and I became curious and I wanted to see

163
00:07:09,770 --> 00:07:08,039

it I wanted to see it bad but fear set

164

00:07:16,930 --> 00:07:09,780

in

165

00:07:20,089 --> 00:07:16,940

Reeds we call them which is uh

166

00:07:24,469 --> 00:07:20,099

swampland grass they call it it's like

167

00:07:26,870 --> 00:07:24,479

cane River cane so I was hiding thinking

168

00:07:28,969 --> 00:07:26,880

I was hiding right I was I was down in

169

00:07:32,150 --> 00:07:28,979

this stuff and I peep up over the hill

170

00:07:37,070 --> 00:07:32,160

and I'd go oh my Lord what is that and

171

00:07:39,770 --> 00:07:37,080

finally fear got so much to me that I I

172

00:07:42,469 --> 00:07:39,780

said to myself I've got to run I'm going

173

00:07:44,390 --> 00:07:42,479

down that Hill back to my child that's

174

00:07:47,330 --> 00:07:44,400

all I could think about

175

00:07:50,210 --> 00:07:47,340

and so when I made the conscious

176

00:07:53,270 --> 00:07:50,220

decision to run I had to look back one

177

00:07:56,930 --> 00:07:53,280

more time and I raised up and I'm going

178

00:07:57,890 --> 00:07:56,940

to run and when I look suddenly a third

179

00:07:59,749 --> 00:07:57,900

one

180

00:08:02,930 --> 00:07:59,759

up above me

181

00:08:05,510 --> 00:08:02,940

and outer ways in full view of these two

182

00:08:08,510 --> 00:08:05,520

here's a third one appears

183

00:08:11,210 --> 00:08:08,520

and it shot down within a second to

184

00:08:14,150 --> 00:08:11,220

beside the other two so now I got three

185

00:08:18,170 --> 00:08:14,160

of these huge 50-foot round Balls of

186

00:08:20,330 --> 00:08:18,180

Fire orange fire reddish orange and it

187

00:08:22,490 --> 00:08:20,340

was swirling and Flames were shooting

188

00:08:25,850 --> 00:08:22,500

off the tips of the fire

189

00:08:27,790 --> 00:08:25,860

and so I've got three setting Sons well

190

00:08:31,309 --> 00:08:27,800

that description alone got the attention

191

00:08:33,829 --> 00:08:31,319

of those who study Fatima

192

00:08:34,850 --> 00:08:33,839

that that I just had to throw that in

193

00:08:37,909 --> 00:08:34,860

there

194

00:08:39,529 --> 00:08:37,919

so I took off running and when I got

195

00:08:42,649 --> 00:08:39,539

back to the fire

196

00:08:44,870 --> 00:08:42,659

four hours had passed and I only thought

197

00:08:47,509 --> 00:08:44,880

20 minutes had passed

198

00:08:51,110 --> 00:08:47,519

that crew had been looking me all night

199

00:08:54,050 --> 00:08:51,120

my son had gone looking for me he was

200

00:08:57,050 --> 00:08:54,060

missing I had to go on a hunt for him

201
00:09:00,050 --> 00:08:57,060
and when I found him and got him back to

202
00:09:03,310 --> 00:09:00,060
where the fire was

203
00:09:06,170 --> 00:09:03,320
um suddenly this guy became alive with

204
00:09:08,750 --> 00:09:06,180
stars that looked just like Venus or the

205
00:09:10,850 --> 00:09:08,760
brightest star you'd see in the sky uh

206
00:09:12,889 --> 00:09:10,860
it was eight or nine of them above us

207
00:09:15,230 --> 00:09:12,899
just started coming from different

208
00:09:18,050 --> 00:09:15,240
directions and they came together in a

209
00:09:20,449 --> 00:09:18,060
circle and they went around like they

210
00:09:22,370 --> 00:09:20,459
were just choreographed they went back

211
00:09:25,490 --> 00:09:22,380
out from one another and they came back

212
00:09:28,670 --> 00:09:25,500
together and three of them landed in

213
00:09:30,410 --> 00:09:28,680

front of us 75 yards away which was the

214

00:09:34,370 --> 00:09:30,420

other side of the river

215

00:09:36,769 --> 00:09:34,380

and pandemonium set in and we flew up

216

00:09:40,670 --> 00:09:36,779

out of there with my truck uh best we

217

00:09:42,769 --> 00:09:40,680

could got up the hill and got uh those

218

00:09:44,030 --> 00:09:42,779

three that were up the hill that the one

219

00:09:47,570 --> 00:09:44,040

that took me

220

00:09:49,130 --> 00:09:47,580

is now not a big ball of fire but it's

221

00:09:52,730 --> 00:09:49,140

an egg shape

222

00:09:54,250 --> 00:09:52,740

or maybe Tic Tac shape

223

00:09:58,490 --> 00:09:54,260

um

224

00:10:01,870 --> 00:09:58,500

glowing white brilliant light sitting in

225

00:10:04,070 --> 00:10:01,880

front of us about 150 yards away

226

00:10:06,290 --> 00:10:04,080

Crossways of the roads so we were

227

00:10:08,570 --> 00:10:06,300

blocked we couldn't go forward

228

00:10:09,949 --> 00:10:08,580

and that description

229

00:10:11,570 --> 00:10:09,959

really

230

00:10:13,730 --> 00:10:11,580

got the attention of the government

231

00:10:16,190 --> 00:10:13,740

because they were chasing that thing

232

00:10:18,889 --> 00:10:16,200

around the Atlantic Ocean for two or

233

00:10:19,930 --> 00:10:18,899

three years of four I think is when it

234

00:10:23,210 --> 00:10:19,940

started

235

00:10:26,509 --> 00:10:23,220

and uh they when I reported it

236

00:10:29,030 --> 00:10:26,519

immediately it went straight to the CIA

237

00:10:31,009 --> 00:10:29,040

and they told me this and they said

238

00:10:33,710 --> 00:10:31,019

Bingo there's a man

239

00:10:36,230 --> 00:10:33,720

he's describing the Tic Tac now here

240

00:10:38,870 --> 00:10:36,240

they've been seeing it but here's a guy

241

00:10:41,509 --> 00:10:38,880

that is just England from the Atlantic

242

00:10:43,070 --> 00:10:41,519

Ocean on that River they knew it was up

243

00:10:45,530 --> 00:10:43,080

and down that area

244

00:10:47,810 --> 00:10:45,540

but now there's a guy been taken from it

245

00:10:50,269 --> 00:10:47,820

so buy it

246

00:10:51,290 --> 00:10:50,279

so that's what started it all that's

247

00:10:55,569 --> 00:10:51,300

what

248

00:10:58,389 --> 00:10:55,579

um began a 15-year process of me

249

00:11:00,410 --> 00:10:58,399

working with different intelligence

250

00:11:05,329 --> 00:11:00,420

agencies from

251
00:11:08,990 --> 00:11:05,339
the NASA to the the CIA to the National

252
00:11:11,030 --> 00:11:09,000
reconnaissance office even to the

253
00:11:14,030 --> 00:11:11,040
ministry of British Ministry of Defense

254
00:11:17,990 --> 00:11:14,040
people have contacted me and the

255
00:11:21,530 --> 00:11:18,000
Australian DOD the DIA

256
00:11:25,190 --> 00:11:21,540
the dod just a whole you can't imagine

257
00:11:27,230 --> 00:11:25,200
how many people have uh worked with us

258
00:11:29,509 --> 00:11:27,240
and studied this thing

259
00:11:32,569 --> 00:11:29,519
yeah and as someone like myself who's

260
00:11:34,069 --> 00:11:32,579
very familiar the list is extensive of

261
00:11:35,750 --> 00:11:34,079
officials who have reached out and will

262
00:11:37,670 --> 00:11:35,760
touch on some others no doubt as we

263
00:11:39,470 --> 00:11:37,680

discuss thank you for sharing the story

264

00:11:41,690 --> 00:11:39,480

and summarizing it it's a fascinating

265

00:11:43,670 --> 00:11:41,700

story and I think it would take up a

266

00:11:46,490 --> 00:11:43,680

couple of hours worth of the podcast if

267

00:11:47,990 --> 00:11:46,500

we were into details so apology to those

268

00:11:50,030 --> 00:11:48,000

who haven't heard the full thing but you

269

00:11:52,310 --> 00:11:50,040

will read more of it in the book or hear

270

00:11:55,610 --> 00:11:52,320

it in previous interviews I just want to

271

00:11:58,610 --> 00:11:55,620

ask one thing as a as a spiritual man as

272

00:12:01,790 --> 00:11:58,620

a religious man how do you process what

273

00:12:04,250 --> 00:12:01,800

you're seeing do your thoughts go to the

274

00:12:07,009 --> 00:12:04,260

they connect prayer and the reaching out

275

00:12:10,430 --> 00:12:07,019

for help to these events as something

276

00:12:12,769 --> 00:12:10,440

spiritual or do you not connect them

277

00:12:15,470 --> 00:12:12,779

straight away as this is something

278

00:12:16,730 --> 00:12:15,480

you've said straight away you don't you

279

00:12:18,949 --> 00:12:16,740

didn't get the feeling they were from

280

00:12:20,090 --> 00:12:18,959

the military base so you're telling me

281

00:12:22,490 --> 00:12:20,100

you didn't get the feeling these were

282

00:12:23,990 --> 00:12:22,500

human entities straight away so what are

283

00:12:26,530 --> 00:12:24,000

you thinking in the moment

284

00:12:30,110 --> 00:12:26,540

well from the very beginning

285

00:12:32,690 --> 00:12:30,120

uh and this is in the book

286

00:12:35,329 --> 00:12:32,700

uh and there's so much in this book that

287

00:12:38,090 --> 00:12:35,339

I've never revealed over 16 years and

288

00:12:41,389 --> 00:12:38,100

I've been quiet for the most part not

289

00:12:43,970 --> 00:12:41,399

public because that was just what I was

290

00:12:46,129 --> 00:12:43,980

doing that to be involved with

291

00:12:48,889 --> 00:12:46,139

government agencies we just didn't talk

292

00:12:51,829 --> 00:12:48,899

about it you know but now we are but

293

00:12:53,990 --> 00:12:51,839

from the very beginning the very day I

294

00:12:57,110 --> 00:12:54,000

reported this to move on

295

00:12:59,810 --> 00:12:57,120

I told them I thought they were angels

296

00:13:03,590 --> 00:12:59,820

because of my extensive knowledge of the

297

00:13:05,690 --> 00:13:03,600

book The Bible and studying it and you

298

00:13:07,910 --> 00:13:05,700

know they had these fiery chariots you

299

00:13:12,350 --> 00:13:07,920

hear them talking about in the Bible

300

00:13:16,730 --> 00:13:12,360

and to me I didn't see a flying saucer I

301

00:13:20,269 --> 00:13:16,740

saw a fire balls of fire and what nailed

302

00:13:22,790 --> 00:13:20,279

it was the Crohn's disease the suffering

303

00:13:24,850 --> 00:13:22,800

from that from going to the restroom 20

304

00:13:28,730 --> 00:13:24,860

times a day

305

00:13:32,269 --> 00:13:28,740

debilitating illness to immediately it

306

00:13:34,730 --> 00:13:32,279

was gone I had no more symptoms ever

307

00:13:37,250 --> 00:13:34,740

since then of that disease I took

308

00:13:39,530 --> 00:13:37,260

medication 17 and a half years

309

00:13:43,430 --> 00:13:39,540

and now I'm free but here's the problem

310

00:13:46,009 --> 00:13:43,440

I come home to tell my family and the

311

00:13:47,710 --> 00:13:46,019

community how beautiful this experience

312

00:13:51,230 --> 00:13:47,720

was what happened

313

00:13:54,829 --> 00:13:51,240

and you would have thought that I had

314

00:13:57,889 --> 00:13:54,839

gotten in bed with the devil because the

315

00:14:00,949 --> 00:13:57,899

church ostracized me my family friends

316

00:14:02,210 --> 00:14:00,959

and neighbors and community did

317

00:14:11,930 --> 00:14:02,220

and

318

00:14:14,150 --> 00:14:11,940

beginning it was not dark or Sinister

319

00:14:17,150 --> 00:14:14,160

why else would they come

320

00:14:19,490 --> 00:14:17,160

you know why would they help me and so

321

00:14:23,629 --> 00:14:19,500

that's that's been from the various

322

00:14:25,310 --> 00:14:23,639

onset of course I don't know Andy I

323

00:14:27,829 --> 00:14:25,320

can't um I don't want to influence

324

00:14:29,030 --> 00:14:27,839

anybody's thought on what this is or

325

00:14:31,970 --> 00:14:29,040

isn't

326

00:14:34,310 --> 00:14:31,980

I just simply wrote a story that

327

00:14:36,350 --> 00:14:34,320

um that would tell you what's happened

328

00:14:38,090 --> 00:14:36,360

over 16 years

329

00:14:39,470 --> 00:14:38,100

and of course early on in my life

330

00:14:40,790 --> 00:14:39,480

because there's a lot of things that's

331

00:14:43,310 --> 00:14:40,800

happened to me

332

00:14:45,590 --> 00:14:43,320

from being gunshot I was shot in the

333

00:14:47,170 --> 00:14:45,600

back of 10 years old from six foot away

334

00:14:50,870 --> 00:14:47,180

with a shotgun

335

00:14:53,090 --> 00:14:50,880

350 pellets right in my back right in

336

00:14:53,870 --> 00:14:53,100

line with my heart and something stopped

337

00:14:56,689 --> 00:14:53,880

it

338

00:14:59,870 --> 00:14:56,699

I have led all around in here

339

00:15:01,670 --> 00:14:59,880

and I even when I go to TSA they pat me

340

00:15:03,530 --> 00:15:01,680

down because the electronic machine

341

00:15:08,689 --> 00:15:03,540

finds it

342

00:15:09,650 --> 00:15:08,699

and um so yeah there's so much

343

00:15:12,949 --> 00:15:09,660

um

344

00:15:15,710 --> 00:15:12,959

stuff in this book that uh

345

00:15:19,129 --> 00:15:15,720

that actually if you read it

346

00:15:20,810 --> 00:15:19,139

I think you can help develop an idea of

347

00:15:23,750 --> 00:15:20,820

what has happened

348

00:15:25,310 --> 00:15:23,760

and what it might be that's that's I

349

00:15:27,889 --> 00:15:25,320

don't want to label it I just want the

350

00:15:29,810 --> 00:15:27,899

reader to decide from themselves

351

00:15:31,430 --> 00:15:29,820

no one that's that's very fair and I

352

00:15:33,710 --> 00:15:31,440

think that comes across in the book as

353

00:15:35,569 --> 00:15:33,720

well and all the while as still your

354

00:15:38,389 --> 00:15:35,579

story and your story to tell and you've

355

00:15:40,129 --> 00:15:38,399

got to be be true to that and for anyone

356

00:15:42,530 --> 00:15:40,139

who's unsure of Crohn's Disease I've got

357

00:15:44,569 --> 00:15:42,540

a few friends with it and it's not a

358

00:15:46,189 --> 00:15:44,579

nice illness or disease at all and even

359

00:15:49,189 --> 00:15:46,199

at the best of times can be very

360

00:15:52,250 --> 00:15:49,199

difficult to manage and live a daily

361

00:15:54,650 --> 00:15:52,260

normal life you know School runs work

362

00:15:56,930 --> 00:15:54,660

you know any social activities it can be

363

00:15:59,090 --> 00:15:56,940

horrible so that doesn't just clear up

364

00:16:00,470 --> 00:15:59,100

with it with a short notice like that at

365

00:16:03,290 --> 00:16:00,480

all does it

366

00:16:05,509 --> 00:16:03,300

um I want to ask Chris you've said in an

367

00:16:08,210 --> 00:16:05,519

interview recently touching on you feel

368

00:16:10,970 --> 00:16:08,220

these entities these Balls of Fire where

369

00:16:13,370 --> 00:16:10,980

we're spiritual and benevolent and with

370

00:16:15,590 --> 00:16:13,380

Jimmy Church on Fade to Black When you

371

00:16:17,210 --> 00:16:15,600

mention that you also added you said you

372

00:16:18,769 --> 00:16:17,220

felt they were spiritual and benevolent

373

00:16:20,750 --> 00:16:18,779

to you

374

00:16:22,850 --> 00:16:20,760

what are your thoughts on the

375

00:16:24,829 --> 00:16:22,860

experiences of others such as Jim

376

00:16:27,230 --> 00:16:24,839

semivan who wrote the forward to your

377

00:16:29,870 --> 00:16:27,240

book and he's been on the podcast or or

378

00:16:31,730 --> 00:16:29,880

Whitley Street bar and they claim far

379

00:16:34,189 --> 00:16:31,740

more unpleasant or unsettling

380

00:16:36,170 --> 00:16:34,199

experiences with similar types of

381

00:16:38,870 --> 00:16:36,180

entities right do you feel these

382

00:16:41,389 --> 00:16:38,880

entities are connected why do you think

383

00:16:43,249 --> 00:16:41,399

people have such a strange you know

384

00:16:45,350 --> 00:16:43,259

difference in how these interact with

385

00:16:47,150 --> 00:16:45,360

them well I think for the most part

386

00:16:49,249 --> 00:16:47,160

these people you're talking about and

387

00:16:50,689 --> 00:16:49,259

Jim I just love Jim he's a great friend

388

00:16:53,389 --> 00:16:50,699

of this family

389

00:16:55,790 --> 00:16:53,399

uh and he even recently

390

00:16:58,610 --> 00:16:55,800

spoke about he believed that there was a

391

00:17:01,850 --> 00:16:58,620

guardian aspect to it

392

00:17:05,510 --> 00:17:01,860

um I really think that a one time you

393

00:17:07,970 --> 00:17:05,520

experience something maybe twice over 30

394

00:17:10,250 --> 00:17:07,980

or 35 years you don't have enough

395

00:17:11,929 --> 00:17:10,260

information to understand

396

00:17:17,449 --> 00:17:11,939

the difference here

397

00:17:21,169 --> 00:17:17,459

is I I interact with it every single day

398

00:17:24,350 --> 00:17:21,179

just about of my life if I go outside

399

00:17:26,809 --> 00:17:24,360

here they come and I document it with

400

00:17:30,530 --> 00:17:26,819

film and with Witnesses and with camera

401
00:17:33,530 --> 00:17:30,540
I have over 2 000 videos on my cell

402
00:17:34,490 --> 00:17:33,540
phone taken by night vision or cell

403
00:17:37,250 --> 00:17:34,500
phone

404
00:17:39,890 --> 00:17:37,260
in the last year and a half alone

405
00:17:42,950 --> 00:17:39,900
and many many many witnesses and people

406
00:17:46,130 --> 00:17:42,960
who have been healed from Cancers and

407
00:17:47,870 --> 00:17:46,140
other things that have experienced this

408
00:17:49,669 --> 00:17:47,880
wonderful thing if they were going to

409
00:17:52,430 --> 00:17:49,679
eat me they would have done it many

410
00:17:54,250 --> 00:17:52,440
years ago instead

411
00:17:59,570 --> 00:17:54,260
um

412
00:18:01,909 --> 00:17:59,580
History Channel series coming out a

413
00:18:04,850 --> 00:18:01,919

brand new one I can't say what it is

414

00:18:07,130 --> 00:18:04,860

because I'm not allowed to

415

00:18:09,770 --> 00:18:07,140

but they're featuring

416

00:18:13,190 --> 00:18:09,780

um myself and three of my children

417

00:18:16,029 --> 00:18:13,200

in in part of this thing and I believe

418

00:18:19,669 --> 00:18:16,039

it's going to be a huge

419

00:18:21,230 --> 00:18:19,679

huge eye-opener for everyone that sees

420

00:18:24,230 --> 00:18:21,240

it because

421

00:18:26,210 --> 00:18:24,240

we actually I can't really say anymore I

422

00:18:28,430 --> 00:18:26,220

just said it's a must-watch for anybody

423

00:18:30,409 --> 00:18:28,440

enthused about this subject they should

424

00:18:33,230 --> 00:18:30,419

watch it read the book

425

00:18:34,970 --> 00:18:33,240

and watch this and you'll learn you'll

426

00:18:37,190 --> 00:18:34,980

get a better idea of what it is I

427

00:18:39,350 --> 00:18:37,200

believe well I was going to ask this

428

00:18:41,330 --> 00:18:39,360

question a little bit later and I

429

00:18:43,250 --> 00:18:41,340

interviewed Ryan your son your Ryan

430

00:18:45,169 --> 00:18:43,260

Bledsoe for those who don't know he also

431

00:18:46,909 --> 00:18:45,179

has his own podcast Bledsoe said so if

432

00:18:48,710 --> 00:18:46,919

people haven't checked that out yet

433

00:18:51,230 --> 00:18:48,720

um Ryan was fantastic with me and

434

00:18:52,970 --> 00:18:51,240

answered all my questions and I asked

435

00:18:55,430 --> 00:18:52,980

him a similar one when he came on the

436

00:18:57,710 --> 00:18:55,440

podcast and I'll ask you now shows like

437

00:18:59,810 --> 00:18:57,720

the secret of Skinwalker Ranch or a big

438

00:19:01,549 --> 00:18:59,820

hit on the History Channel

439

00:19:03,409 --> 00:19:01,559

um and they have a sizable audience and

440

00:19:05,930 --> 00:19:03,419

what they're doing is exposing uh

441

00:19:07,669 --> 00:19:05,940

scientific investigation of the

442

00:19:09,350 --> 00:19:07,679

phenomenon including UFOs to a

443

00:19:10,789 --> 00:19:09,360

mainstream audience

444

00:19:11,870 --> 00:19:10,799

um you've mentioned the show that's

445

00:19:14,750 --> 00:19:11,880

going to be coming out in the summer

446

00:19:17,510 --> 00:19:14,760

will feature your family in part in some

447

00:19:20,350 --> 00:19:17,520

way would you consider allowing cameras

448

00:19:23,390 --> 00:19:20,360

onto your property on a prolonged basis

449

00:19:25,610 --> 00:19:23,400

say for several months to film a

450

00:19:26,450 --> 00:19:25,620

documentary or an episodic show like

451
00:19:29,570 --> 00:19:26,460
that

452
00:19:31,850 --> 00:19:29,580
well you won't need them for about a day

453
00:19:33,049 --> 00:19:31,860
you don't need them for much when they

454
00:19:35,930 --> 00:19:33,059
come here

455
00:19:38,510 --> 00:19:35,940
let's just say there were there were 15

456
00:19:42,950 --> 00:19:38,520
people here

457
00:19:45,590 --> 00:19:42,960
um on a team a month ago and um

458
00:19:49,430 --> 00:19:45,600
we filmed for six nights and the very

459
00:19:52,490 --> 00:19:49,440
first night they pulled the camera out

460
00:19:55,789 --> 00:19:52,500
um there were 35 objects set up there

461
00:19:58,130 --> 00:19:55,799
and summoned the trees next to us and

462
00:20:02,570 --> 00:19:58,140
with the latest artificial intelligence

463
00:20:05,270 --> 00:20:02,580

machines it rang them all true UFOs or

464

00:20:07,669 --> 00:20:05,280

unknown so it's not like you need to

465

00:20:09,830 --> 00:20:07,679

leave a camera on a pole it's not

466

00:20:13,250 --> 00:20:09,840

connected to the land it's connected

467

00:20:15,650 --> 00:20:13,260

straight to my Consciousness or

468

00:20:19,549 --> 00:20:15,660

or thoughts you know it was conscience

469

00:20:22,490 --> 00:20:19,559

based and yeah I mean if you were to

470

00:20:24,650 --> 00:20:22,500

come here tonight you and I you would

471

00:20:28,430 --> 00:20:24,660

get a witness it

472

00:20:30,830 --> 00:20:28,440

right away it wouldn't be no doubts left

473

00:20:33,049 --> 00:20:30,840

when you leave from here

474

00:20:34,130 --> 00:20:33,059

and I'm saying that out of confidence

475

00:20:36,529 --> 00:20:34,140

because

476

00:20:39,529 --> 00:20:36,539

it's totally up to the phenomenon if it

477

00:20:41,990 --> 00:20:39,539

shows or not all I can do is ask

478

00:20:46,210 --> 00:20:42,000

but very often when I walk out like two

479

00:20:49,250 --> 00:20:46,220

nights ago last night it was cloudy but

480

00:20:51,610 --> 00:20:49,260

the night before I walk outside and as

481

00:20:54,230 --> 00:20:51,620

soon as I open the door here they come

482

00:20:56,210 --> 00:20:54,240

flashing and flashing and different

483

00:20:58,610 --> 00:20:56,220

parts of this guy and they just converge

484

00:21:00,529 --> 00:20:58,620

it's like they're waiting for me

485

00:21:02,810 --> 00:21:00,539

and this is why the government's been so

486

00:21:04,610 --> 00:21:02,820

hot and heavy on my Hills for 15 years

487

00:21:06,950 --> 00:21:04,620

because they know it they've seen it

488

00:21:09,950 --> 00:21:06,960

they've witnessed it they've filmed it

489

00:21:12,529 --> 00:21:09,960

they've investigated it and it's ongoing

490

00:21:15,830 --> 00:21:12,539

it's just it's grown exponentially

491

00:21:18,110 --> 00:21:15,840

greater now than ever has been

492

00:21:20,570 --> 00:21:18,120

have you ever had other individuals

493

00:21:23,169 --> 00:21:20,580

either from the United States or further

494

00:21:26,510 --> 00:21:23,179

afield reach out to you with their own

495

00:21:30,409 --> 00:21:26,520

similar consistent prolonged experiences

496

00:21:32,210 --> 00:21:30,419

like you have had and never really have

497

00:21:34,190 --> 00:21:32,220

I've had a lot of people reach out to

498

00:21:36,289 --> 00:21:34,200

say they've seen things or

499

00:21:39,770 --> 00:21:36,299

but they're curious to what happened to

500

00:21:43,190 --> 00:21:39,780

them but one thing I'll say

501
00:21:44,810 --> 00:21:43,200
is when this first happened in 07 the

502
00:21:47,750 --> 00:21:44,820
very first people to knock on my door

503
00:21:50,390 --> 00:21:47,760
was NASA scientists I mean they drove

504
00:21:53,990 --> 00:21:50,400
from Cape Canaveral Florida 13 hours to

505
00:21:56,570 --> 00:21:54,000
my house I was at home and Ryan you know

506
00:21:59,510 --> 00:21:56,580
Ryan he answered the door and it was a

507
00:22:02,210 --> 00:21:59,520
six foot five huge guy standing there

508
00:22:04,190 --> 00:22:02,220
and he said is your dad home or does

509
00:22:07,669 --> 00:22:04,200
Chris Bledsoe live here he said yeah he

510
00:22:10,070 --> 00:22:07,679
lives here he said I'm from NASA can I

511
00:22:13,070 --> 00:22:10,080
meet your dad Ryan calls me on the phone

512
00:22:15,590 --> 00:22:13,080
yeah some huge guys here from NASA you

513
00:22:17,810 --> 00:22:15,600

know Ryan's like 12 13 years old

514

00:22:19,430 --> 00:22:17,820

and I said well if he wants to see me

515

00:22:20,330 --> 00:22:19,440

tell him to hang around I'll be home in

516

00:22:22,730 --> 00:22:20,340

an hour

517

00:22:25,490 --> 00:22:22,740

and when I got there

518

00:22:28,610 --> 00:22:25,500

um that started a relationship

519

00:22:32,870 --> 00:22:28,620

that my children over 11 years until he

520

00:22:34,909 --> 00:22:32,880

died he was with NASA in 1956 before it

521

00:22:39,230 --> 00:22:34,919

was NASA worked with one of them Brown

522

00:22:41,570 --> 00:22:39,240

his three phds brilliant rocket

523

00:22:43,130 --> 00:22:41,580

scientist astrophysicist all this

524

00:22:45,350 --> 00:22:43,140

combined

525

00:22:47,690 --> 00:22:45,360

and um

526

00:22:50,330 --> 00:22:47,700

yeah he went to my daughter's College

527

00:22:52,789 --> 00:22:50,340

graduations I mean he would drive all

528

00:22:54,470 --> 00:22:52,799

the way down he and his wife in fact my

529

00:22:57,890 --> 00:22:54,480

daughter's going to Florida next week

530

00:23:00,289 --> 00:22:57,900

and she's going to stay with Katie is is

531

00:23:03,490 --> 00:23:00,299

with a

532

00:23:05,810 --> 00:23:03,500

um but yeah it's just

533

00:23:08,029 --> 00:23:05,820

you know I kind of got sidetracked there

534

00:23:09,590 --> 00:23:08,039

so no no that's okay I want to follow on

535

00:23:11,149 --> 00:23:09,600

that because obviously with throughout

536

00:23:13,730 --> 00:23:11,159

the book you mentioned many of these

537

00:23:15,830 --> 00:23:13,740

individuals some are named and at times

538

00:23:17,870 --> 00:23:15,840

I understand in the past and going

539

00:23:19,850 --> 00:23:17,880

forward you can't name other people and

540

00:23:22,549 --> 00:23:19,860

you would just say officials from such

541

00:23:24,950 --> 00:23:22,559

and such organization but I wonder are

542

00:23:27,470 --> 00:23:24,960

they coming to you in an official

543

00:23:29,390 --> 00:23:27,480

capacity all the time or do you have

544

00:23:31,430 --> 00:23:29,400

people for example coming from NASA

545

00:23:34,730 --> 00:23:31,440

where it's more of a personal interest

546

00:23:36,950 --> 00:23:34,740

and there's no official involvement

547

00:23:39,470 --> 00:23:36,960

well I'm sure there's some of that for

548

00:23:40,850 --> 00:23:39,480

sure but this is straight up government

549

00:23:41,510 --> 00:23:40,860

people

550

00:23:44,990 --> 00:23:41,520

um

551
00:23:48,049 --> 00:23:45,000
I mean I have my manager's federal

552
00:23:52,010 --> 00:23:48,059
government if that says anything yeah

553
00:23:53,090 --> 00:23:52,020
and um yeah it's always been a great

554
00:23:55,789 --> 00:23:53,100
thing

555
00:23:58,070 --> 00:23:55,799
let's just say this when when the

556
00:24:01,190 --> 00:23:58,080
community turned on me and the schools

557
00:24:03,830 --> 00:24:01,200
were picking on my children and in The

558
00:24:07,850 --> 00:24:03,840
Darkest Hours it was these individuals

559
00:24:10,610 --> 00:24:07,860
that came and made the most sense and

560
00:24:13,010 --> 00:24:10,620
went about telling my family my mother

561
00:24:15,350 --> 00:24:13,020
and Dad pulled out these credentials

562
00:24:18,590 --> 00:24:15,360
from NASA and said you need to believe

563
00:24:20,870 --> 00:24:18,600

your son he's telling you the truth

564

00:24:23,090 --> 00:24:20,880

they didn't have to do that but they did

565

00:24:26,090 --> 00:24:23,100

and they brought about

566

00:24:27,770 --> 00:24:26,100

um they brought her about sense to us to

567

00:24:31,250 --> 00:24:27,780

my children they were getting picked on

568

00:24:33,590 --> 00:24:31,260

at school made fun of laughed your dad's

569

00:24:35,750 --> 00:24:33,600

crazy in the hallway they'd come my

570

00:24:39,470 --> 00:24:35,760

little girl come home with tears

571

00:24:41,149 --> 00:24:39,480

and in 2016 Jim Simi van drove from DC

572

00:24:44,149 --> 00:24:41,159

he and Debbie

573

00:24:48,169 --> 00:24:44,159

to celebrate my birthday party uh

574

00:24:52,549 --> 00:24:48,179

birthday in October 15th of 2016.

575

00:24:55,430 --> 00:24:52,559

and um my middle son Jeremy

576

00:24:58,010 --> 00:24:55,440

he was at the tender age of 15 when this

577

00:25:00,409 --> 00:24:58,020

happened and he took it the worst and he

578

00:25:02,990 --> 00:25:00,419

was interested in girls and all this and

579

00:25:04,909 --> 00:25:03,000

all this laughter at school it nearly

580

00:25:07,130 --> 00:25:04,919

run this child

581

00:25:09,529 --> 00:25:07,140

and he went to college and didn't want

582

00:25:12,590 --> 00:25:09,539

to come home he wanted to hide from it

583

00:25:14,510 --> 00:25:12,600

all to try to to run from it to have

584

00:25:16,850 --> 00:25:14,520

somewhat of a normal life and Jim

585

00:25:19,730 --> 00:25:16,860

grabbed him and said Jeremy why are you

586

00:25:21,110 --> 00:25:19,740

avoiding your father what what what's

587

00:25:25,490 --> 00:25:21,120

going on

588

00:25:27,830 --> 00:25:25,500

and it wasn't long before he said uh he

589

00:25:30,529 --> 00:25:27,840

said we're going to have a fire in the

590

00:25:32,750 --> 00:25:30,539

backyard at your house tonight told all

591

00:25:35,330 --> 00:25:32,760

my kids he said invite everybody that

592

00:25:38,269 --> 00:25:35,340

ever doubted you get him there tonight

593

00:25:40,789 --> 00:25:38,279

and there was a whole a whole crowd of

594

00:25:43,190 --> 00:25:40,799

young people that come to the house and

595

00:25:46,310 --> 00:25:43,200

I just walked away to let him have his

596

00:25:48,890 --> 00:25:46,320

time but he when he got through my

597

00:25:52,909 --> 00:25:48,900

children felt Mighty special because he

598

00:25:56,690 --> 00:25:52,919

told them all you have no idea how

599

00:25:57,830 --> 00:25:56,700

what level of people are behind your

600

00:26:01,130 --> 00:25:57,840

father

601
00:26:04,370 --> 00:26:01,140
and know about this and support him so

602
00:26:05,950 --> 00:26:04,380
that's been my experience with officials

603
00:26:08,810 --> 00:26:05,960
from the government the very personal

604
00:26:12,710 --> 00:26:08,820
for the most part

605
00:26:15,830 --> 00:26:12,720
let me ask why do you feel there's such

606
00:26:18,289 --> 00:26:15,840
an intense interest in you particularly

607
00:26:21,409 --> 00:26:18,299
because again there are so many out

608
00:26:24,289 --> 00:26:21,419
there famous people with abduction

609
00:26:26,630 --> 00:26:24,299
stories experience or stories Calvin

610
00:26:29,990 --> 00:26:26,640
Parker Whitley Street bar to name a few

611
00:26:33,890 --> 00:26:30,000
but you seem to have had such an intense

612
00:26:37,669 --> 00:26:33,900
piling on of official dumb and

613
00:26:40,130 --> 00:26:37,679

everything that came with that why you

614

00:26:42,049 --> 00:26:40,140

well because I walk outside and here it

615

00:26:44,210 --> 00:26:42,059

comes and they can see it

616

00:26:46,430 --> 00:26:44,220

a lot of people talk about it but they

617

00:26:49,010 --> 00:26:46,440

have no proof of it no I'm not one photo

618

00:26:52,730 --> 00:26:49,020

not one video they have great big

619

00:26:54,909 --> 00:26:52,740

stories but there's really no evidence

620

00:26:57,710 --> 00:26:54,919

there well here

621

00:27:00,049 --> 00:26:57,720

they can come and they can pull out

622

00:27:02,690 --> 00:27:00,059

their machines and their artificial

623

00:27:05,330 --> 00:27:02,700

intelligence machines and their sensors

624

00:27:08,149 --> 00:27:05,340

we were in the Monroe Institute last

625

00:27:10,870 --> 00:27:08,159

summer in June

626
00:27:13,789 --> 00:27:10,880
um and it's in the book the last chapter

627
00:27:15,789 --> 00:27:13,799
and there were 24 of us mostly

628
00:27:21,130 --> 00:27:15,799
scientists

629
00:27:23,510 --> 00:27:21,140
to film The phenomena

630
00:27:26,350 --> 00:27:23,520
and so

631
00:27:29,510 --> 00:27:26,360
um they wired me up with all kinds of

632
00:27:31,490 --> 00:27:29,520
brain scan machine I defeated two of

633
00:27:34,430 --> 00:27:31,500
their machines their best machines would

634
00:27:35,510 --> 00:27:34,440
not work with me blew them away it's in

635
00:27:38,210 --> 00:27:35,520
the book

636
00:27:41,330 --> 00:27:38,220
but the phenomena just appeared I walk

637
00:27:44,210 --> 00:27:41,340
out and I drove my hands up and I do

638
00:27:46,370 --> 00:27:44,220

what I do I don't project it out loud

639

00:27:49,430 --> 00:27:46,380

unless I'm by myself

640

00:27:51,350 --> 00:27:49,440

but when I asked immediately flash here

641

00:27:53,750 --> 00:27:51,360

goes a flash over the mountain and it

642

00:27:55,190 --> 00:27:53,760

just starts right at us flashing it went

643

00:27:58,130 --> 00:27:55,200

right over our head

644

00:28:00,950 --> 00:27:58,140

and everybody's oh my God you know all

645

00:28:03,649 --> 00:28:00,960

these people there the Monroe people

646

00:28:06,470 --> 00:28:03,659

and that happened four nights in a row

647

00:28:09,470 --> 00:28:06,480

it wasn't like I had to beg for it to

648

00:28:11,149 --> 00:28:09,480

come this is this is the difference you

649

00:28:12,529 --> 00:28:11,159

know they want to see it they can see it

650

00:28:15,169 --> 00:28:12,539

here

651
00:28:17,149 --> 00:28:15,179
and Chris I've seen personally many of

652
00:28:19,850 --> 00:28:17,159
the images you've posted online on

653
00:28:22,010 --> 00:28:19,860
Facebook or the videos you've posted is

654
00:28:24,649 --> 00:28:22,020
there ever any evidence you've taken

655
00:28:26,750 --> 00:28:24,659
that for whatever reason you haven't

656
00:28:29,450 --> 00:28:26,760
published to the public either you were

657
00:28:30,830 --> 00:28:29,460
told not to or it was it was maybe too

658
00:28:33,110 --> 00:28:30,840
much

659
00:28:35,690 --> 00:28:33,120
well yeah I have quite a bit I've never

660
00:28:37,490 --> 00:28:35,700
posted I've probably posted 50 out of

661
00:28:40,190 --> 00:28:37,500
2000 videos

662
00:28:43,669 --> 00:28:40,200
let's just say I have one

663
00:28:45,950 --> 00:28:43,679

that I'm just starting to talk about it

664

00:28:47,330 --> 00:28:45,960

um nobody's seen this but government

665

00:28:48,769 --> 00:28:47,340

officials

666

00:28:50,810 --> 00:28:48,779

and

667

00:28:53,149 --> 00:28:50,820

um my immediate family

668

00:28:55,130 --> 00:28:53,159

and a couple people from Hollywood uh

669

00:28:57,590 --> 00:28:55,140

just showed it to him and that was it

670

00:29:01,250 --> 00:28:57,600

but last Easter

671

00:29:02,630 --> 00:29:01,260

when I was deciding to write this book I

672

00:29:06,110 --> 00:29:02,640

had an offer

673

00:29:10,070 --> 00:29:06,120

uh my best friend and Manager David you

674

00:29:11,750 --> 00:29:10,080

met David he he was uh encouraging me

675

00:29:13,610 --> 00:29:11,760

you got to write this book you got to

676
00:29:15,590 --> 00:29:13,620
leave you know the world needs to hear

677
00:29:17,450 --> 00:29:15,600
about this you've got to do it and I

678
00:29:20,210 --> 00:29:17,460
wasn't into it I've been suffering from

679
00:29:23,750 --> 00:29:20,220
rheumatoid arthritis and

680
00:29:27,110 --> 00:29:23,760
started getting better and anyhow Dave

681
00:29:31,070 --> 00:29:27,120
is pretty persistent and he won me over

682
00:29:34,549 --> 00:29:31,080
and at Easter he proposed

683
00:29:37,450 --> 00:29:34,559
this to help me with the story to help

684
00:29:40,370 --> 00:29:37,460
me all the way through it to get it

685
00:29:42,470 --> 00:29:40,380
published if I would write it in which I

686
00:29:43,669 --> 00:29:42,480
did I wrote it

687
00:29:46,250 --> 00:29:43,679
um

688
00:29:48,889 --> 00:29:46,260

you know a lot more than we published

689

00:29:52,310 --> 00:29:48,899

because we just had we had a window we

690

00:29:54,649 --> 00:29:52,320

could only do 90 000 words

691

00:29:57,769 --> 00:29:54,659

um because you get books too thick they

692

00:30:01,610 --> 00:29:57,779

don't sell as well and and some of that

693

00:30:03,889 --> 00:30:01,620

was just not needed to be out it would

694

00:30:09,230 --> 00:30:03,899

we got what we needed

695

00:30:11,269 --> 00:30:09,240

but um it was Easter of 2021 Friday

696

00:30:13,909 --> 00:30:11,279

night Good Friday

697

00:30:17,029 --> 00:30:13,919

which is a special day I don't care

698

00:30:19,250 --> 00:30:17,039

every Farmer in the world knows that

699

00:30:22,070 --> 00:30:19,260

Easter Friday Good Friday

700

00:30:25,370 --> 00:30:22,080

is a special day for planting

701
00:30:27,649 --> 00:30:25,380
you plant corn on Friday and it'll Bloom

702
00:30:30,110 --> 00:30:27,659
that you planted on Monday it will

703
00:30:34,610 --> 00:30:30,120
probably fail you get your best crops

704
00:30:36,649 --> 00:30:34,620
that time of year it's it's just an old

705
00:30:39,649 --> 00:30:36,659
thing but long story short I'm standing

706
00:30:41,269 --> 00:30:39,659
there by myself you know 10 feet from

707
00:30:43,250 --> 00:30:41,279
where I'm recording this is my little

708
00:30:47,210 --> 00:30:43,260
workshop

709
00:30:49,310 --> 00:30:47,220
and we live on 15 Acres with a pond a

710
00:30:51,649 --> 00:30:49,320
little cabin sitting on the ponds very

711
00:30:57,169 --> 00:30:54,529
and I just look up at the sky and I said

712
00:31:00,130 --> 00:30:57,179
is this what you want me to do should I

713
00:31:02,990 --> 00:31:00,140

do this should I write this book

714

00:31:05,149 --> 00:31:03,000

and I really didn't know I I always

715

00:31:08,149 --> 00:31:05,159

reach out to the Heavens For answers and

716

00:31:10,930 --> 00:31:08,159

I did and as soon as I did

717

00:31:14,090 --> 00:31:10,940

uh this orb appears over my palm

718

00:31:16,430 --> 00:31:14,100

immediately I mean it didn't wait when I

719

00:31:19,310 --> 00:31:16,440

finished saying what I had to say

720

00:31:21,950 --> 00:31:19,320

uh questioning the phenomenon should I

721

00:31:25,130 --> 00:31:21,960

do this and it appeared instantly

722

00:31:27,230 --> 00:31:25,140

but here's what was really cool

723

00:31:29,690 --> 00:31:27,240

as I'm

724

00:31:32,510 --> 00:31:29,700

Take My Little Sirens cameras hanging on

725

00:31:34,789 --> 00:31:32,520

my neck riding a little lanyard and it's

726

00:31:37,310 --> 00:31:34,799

only four inches five inches long and

727

00:31:40,370 --> 00:31:37,320

about a big it's a binocular night

728

00:31:42,169 --> 00:31:40,380

vision so color night vision low

729

00:31:44,269 --> 00:31:42,179

resolution

730

00:31:46,970 --> 00:31:44,279

it was the greatest technology they had

731

00:31:49,549 --> 00:31:46,980

when when it came out

732

00:31:51,710 --> 00:31:49,559

that company so I throw the camera up

733

00:31:54,289 --> 00:31:51,720

and I've got it on this orb and I'm just

734

00:31:56,450 --> 00:31:54,299

knowing that that was the answer I was

735

00:31:58,130 --> 00:31:56,460

looking for because we talk I ask

736

00:32:00,769 --> 00:31:58,140

questions they answer me right away

737

00:32:01,970 --> 00:32:00,779

usually I mean it's not like a delay it

738

00:32:03,950 --> 00:32:01,980

happens

739

00:32:06,169 --> 00:32:03,960

there's a connection here that most

740

00:32:08,090 --> 00:32:06,179

people can't imagine that's what I say

741

00:32:10,010 --> 00:32:08,100

on the History Channel you might get to

742

00:32:13,070 --> 00:32:10,020

see that

743

00:32:14,450 --> 00:32:13,080

but as soon as I started filming this

744

00:32:17,510 --> 00:32:14,460

orb

745

00:32:19,370 --> 00:32:17,520

I look you know I instead of holding it

746

00:32:21,169 --> 00:32:19,380

to my eye get it on and I just hold the

747

00:32:23,330 --> 00:32:21,179

camera there and I'm looking around for

748

00:32:26,830 --> 00:32:23,340

more that might appear and as soon as I

749

00:32:30,710 --> 00:32:26,840

did that up Beyond this orb

750

00:32:34,250 --> 00:32:30,720

way up in the heavens you know where the

751
00:32:36,409 --> 00:32:34,260
the stars are I see something coming

752
00:32:38,389 --> 00:32:36,419
and it's coming towards me and it's

753
00:32:40,610 --> 00:32:38,399
coming from way high and it's coming

754
00:32:43,610 --> 00:32:40,620
down as it gets closer

755
00:32:45,169 --> 00:32:43,620
you hear me on the video say what is

756
00:32:46,850 --> 00:32:45,179
that

757
00:32:49,010 --> 00:32:46,860
planet's day

758
00:32:50,750 --> 00:32:49,020
I filmed the whole thing and as it

759
00:32:53,149 --> 00:32:50,760
starts getting closer it's glowing

760
00:32:55,669 --> 00:32:53,159
orange red

761
00:32:57,889 --> 00:32:55,679
it's really glowing

762
00:33:00,710 --> 00:32:57,899
and suddenly

763
00:33:02,210 --> 00:33:00,720

um it gets close enough I see these huge

764

00:33:04,610 --> 00:33:02,220

wings

765

00:33:06,110 --> 00:33:04,620

and they start doing this and this thing

766

00:33:11,450 --> 00:33:06,120

as big as uh

767

00:33:14,269 --> 00:33:11,460

uh said citation 5 jet or 737.

768

00:33:16,970 --> 00:33:14,279

it's not little it's huge and it's got

769

00:33:19,310 --> 00:33:16,980

wings that are flapping and it's glowing

770

00:33:21,710 --> 00:33:19,320

orange and it comes right down and comes

771

00:33:23,990 --> 00:33:21,720

over my head it's pretty high up but it

772

00:33:26,450 --> 00:33:24,000

levels out flies over my head and it

773

00:33:30,230 --> 00:33:26,460

changes to glowing White

774

00:33:33,110 --> 00:33:30,240

and it makes it turn 90 degree turn big

775

00:33:34,970 --> 00:33:33,120

huge wings that the tips sweep forward

776

00:33:37,370 --> 00:33:34,980

like so

777

00:33:39,169 --> 00:33:37,380

and it makes a turn to the South and it

778

00:33:41,990 --> 00:33:39,179

flies out of sight

779

00:33:44,930 --> 00:33:42,000

and I would say I got the answer I was

780

00:33:46,970 --> 00:33:44,940

looking for I agreed to make this book

781

00:33:49,549 --> 00:33:46,980

and here we are today

782

00:33:51,590 --> 00:33:49,559

and that was last April

783

00:33:53,450 --> 00:33:51,600

and that was um

784

00:33:55,789 --> 00:33:53,460

that's uh

785

00:33:58,970 --> 00:33:55,799

I haven't never shared that and I have a

786

00:34:02,810 --> 00:33:58,980

lot of other things entities walking

787

00:34:04,549 --> 00:34:02,820

uh entities coming out of orbs orbs four

788

00:34:06,529 --> 00:34:04,559

or five feet away

789

00:34:08,389 --> 00:34:06,539

I posted one on Instagram last night

790

00:34:11,409 --> 00:34:08,399

that was 20 feet away there were two of

791

00:34:13,970 --> 00:34:11,419

them right beside me

792

00:34:16,010 --> 00:34:13,980

yeah plain to see

793

00:34:17,149 --> 00:34:16,020

have you ever felt deceived by the

794

00:34:20,629 --> 00:34:17,159

phenomenon

795

00:34:22,849 --> 00:34:20,639

no no none whatsoever

796

00:34:24,290 --> 00:34:22,859

and what about the officials who have

797

00:34:26,149 --> 00:34:24,300

been involved and obviously that's a

798

00:34:28,369 --> 00:34:26,159

much more human element to this the the

799

00:34:30,649 --> 00:34:28,379

other side of your experiences the human

800

00:34:32,869 --> 00:34:30,659

element have you ever felt deceived by

801
00:34:36,770 --> 00:34:32,879
any of those

802
00:34:39,050 --> 00:34:36,780
um not from the officials I have

803
00:34:40,970 --> 00:34:39,060
um in fact we've changed their lives

804
00:34:43,849 --> 00:34:40,980
there's a story in the book about a

805
00:34:45,889 --> 00:34:43,859
scientist from Virginia Tech's Hume

806
00:34:48,950 --> 00:34:45,899
Center for National technology

807
00:34:50,889 --> 00:34:48,960
and he retires you know ordinarily these

808
00:34:53,210 --> 00:34:50,899
guys uh

809
00:34:55,070 --> 00:34:53,220
they'll wait till they retire to they

810
00:34:56,510 --> 00:34:55,080
get involved in this subject they just

811
00:34:58,490 --> 00:34:56,520
can't do it while they're working but he

812
00:35:00,050 --> 00:34:58,500
was all about trying to come here and

813
00:35:02,270 --> 00:35:00,060

see it and he did

814

00:35:04,310 --> 00:35:02,280

and the first night we walked out within

815

00:35:07,250 --> 00:35:04,320

five minutes here the orbs come

816

00:35:09,710 --> 00:35:07,260

and they were over my head just above me

817

00:35:12,950 --> 00:35:09,720

flashing on and off right over my head

818

00:35:15,170 --> 00:35:12,960

in this purple Aura appeared and anyhow

819

00:35:16,790 --> 00:35:15,180

it I told him I said Bob it's going to

820

00:35:18,890 --> 00:35:16,800

go home with you you're going to see it

821

00:35:20,569 --> 00:35:18,900

when you get home don't be afraid I knew

822

00:35:22,010 --> 00:35:20,579

it because it told me that and I told

823

00:35:24,589 --> 00:35:22,020

him

824

00:35:27,890 --> 00:35:24,599

two weeks later he's writing me calling

825

00:35:30,710 --> 00:35:27,900

me frantic that water was raining inside

826

00:35:33,650 --> 00:35:30,720

his house in different places where he'd

827

00:35:35,690 --> 00:35:33,660

be in the bed and all of a sudden water

828

00:35:37,970 --> 00:35:35,700

just sprinkles all over him and his wife

829

00:35:39,530 --> 00:35:37,980

or he's in the den and his big puddle of

830

00:35:41,630 --> 00:35:39,540

water on the floor

831

00:35:43,790 --> 00:35:41,640

he said I just put a new roof on this

832

00:35:45,109 --> 00:35:43,800

house and you know it's a beach house in

833

00:35:47,210 --> 00:35:45,119

Alabama

834

00:35:49,670 --> 00:35:47,220

I said don't be afraid Bob I told you

835

00:35:51,650 --> 00:35:49,680

this is going to happen well within a

836

00:35:53,690 --> 00:35:51,660

week or so his wife

837

00:35:56,690 --> 00:35:53,700

who had a stroke

838

00:35:58,130 --> 00:35:56,700

is now no longer showing any symptoms of

839

00:36:02,089 --> 00:35:58,140

Australia

840

00:36:04,310 --> 00:36:02,099

so this is a story that permeates

841

00:36:05,150 --> 00:36:04,320

throughout this book many stories like

842

00:36:08,450 --> 00:36:05,160

that

843

00:36:11,450 --> 00:36:08,460

nothing negative has never been negative

844

00:36:13,430 --> 00:36:11,460

and um I'm sorry for anyone that's had

845

00:36:15,410 --> 00:36:13,440

negative experiences but that's not been

846

00:36:18,349 --> 00:36:15,420

mine none whatsoever

847

00:36:20,630 --> 00:36:18,359

and get back to spin the opposite

848

00:36:23,810 --> 00:36:20,640

one of the stories that's touched on in

849

00:36:25,310 --> 00:36:23,820

the book I spoke to chase klutzky

850

00:36:28,910 --> 00:36:25,320

um back in the early days of the podcast

851
00:36:30,349 --> 00:36:28,920
in 2020 and at the time a listener had a

852
00:36:32,589 --> 00:36:30,359
shared a story with me which you

853
00:36:36,170 --> 00:36:32,599
included within the book and essentially

854
00:36:38,750 --> 00:36:36,180
chess and her husband was with her and a

855
00:36:40,910 --> 00:36:38,760
few other folks and you experienced

856
00:36:43,069 --> 00:36:40,920
messing time crossing our section of a

857
00:36:44,690 --> 00:36:43,079
field that you're you're all well aware

858
00:36:47,390 --> 00:36:44,700
I should only take a few minutes and it

859
00:36:49,310 --> 00:36:47,400
takes much longer during that encounter

860
00:36:52,490 --> 00:36:49,320
The Listener asked me given something

861
00:36:55,370 --> 00:36:52,500
they had heard that you had been taken

862
00:36:56,810 --> 00:36:55,380
off Planet during that experience and I

863
00:36:59,510 --> 00:36:56,820

wonder if that's something you would

864

00:37:02,210 --> 00:36:59,520

confirm if that has ever happened to you

865

00:37:04,430 --> 00:37:02,220

or anyone with you I asked Chase and at

866

00:37:07,849 --> 00:37:04,440

the time she didn't want to comment

867

00:37:08,450 --> 00:37:07,859

well I write about chasing the book and

868

00:37:12,349 --> 00:37:08,460

um

869

00:37:15,290 --> 00:37:12,359

a little short her husband is a U.S

870

00:37:18,050 --> 00:37:15,300

naval sub Commander right Carrie secret

871

00:37:20,450 --> 00:37:18,060

Clarence says he's this big guy he

872

00:37:24,230 --> 00:37:20,460

navigates the world underneath the water

873

00:37:26,089 --> 00:37:24,240

and has a watched navigation watched I

874

00:37:29,930 --> 00:37:26,099

mean High texting

875

00:37:33,410 --> 00:37:29,940

and what it was was is a

876

00:37:36,890 --> 00:37:33,420

a group of people uh from a ghost

877

00:37:40,609 --> 00:37:36,900

hunting outfit in Wilmington North

878

00:37:42,710 --> 00:37:40,619

Carolina was in my little Hometown where

879

00:37:44,569 --> 00:37:42,720

my mother was born and I was kind of

880

00:37:46,310 --> 00:37:44,579

reared up little town called Saint

881

00:37:49,010 --> 00:37:46,320

Paul's

882

00:37:50,930 --> 00:37:49,020

my grandfather's buried there my family

883

00:37:52,550 --> 00:37:50,940

is buried and it's only 20 minutes from

884

00:37:55,670 --> 00:37:52,560

where I live now

885

00:37:59,030 --> 00:37:55,680

but Chase calls me on a Sunday night and

886

00:38:01,310 --> 00:37:59,040

says oh Monday night and says Chris have

887

00:38:04,069 --> 00:38:01,320

you ever heard of Saint Paul's

888

00:38:05,690 --> 00:38:04,079

I said hold on don't tell me yes I've

889

00:38:07,550 --> 00:38:05,700

heard of Saint Paul's I was raised there

890

00:38:08,870 --> 00:38:07,560

I said but don't tell me I want to tell

891

00:38:10,730 --> 00:38:08,880

you first

892

00:38:13,370 --> 00:38:10,740

so I began to tell her about Saturday

893

00:38:15,530 --> 00:38:13,380

night I walk outside I sit down on the

894

00:38:19,010 --> 00:38:15,540

patio got a fire going

895

00:38:21,050 --> 00:38:19,020

and um I'm laid back looking straight up

896

00:38:23,270 --> 00:38:21,060

at the sky just meditating and suddenly

897

00:38:26,450 --> 00:38:23,280

two orange orbs appear

898

00:38:28,550 --> 00:38:26,460

way up and they came all the way down to

899

00:38:30,349 --> 00:38:28,560

the top of the trees and sat there in

900

00:38:33,109 --> 00:38:30,359

the back of my property hovering over

901
00:38:35,569 --> 00:38:33,119
the trees two great big orange doors

902
00:38:38,569 --> 00:38:35,579
when they left they shot off towards

903
00:38:40,730 --> 00:38:38,579
Saint Paul's so I told her this story

904
00:38:42,710 --> 00:38:40,740
and then she tells me about these Ghost

905
00:38:44,810 --> 00:38:42,720
Hunters

906
00:38:47,329 --> 00:38:44,820
um that they had walked out of the house

907
00:38:49,730 --> 00:38:47,339
and into the forest and

908
00:38:52,190 --> 00:38:49,740
these orange streaks went right over

909
00:38:54,890 --> 00:38:52,200
their head and two hours later

910
00:38:58,010 --> 00:38:54,900
uh they lost two hours of time so she

911
00:39:00,230 --> 00:38:58,020
asked if I would be in interested in

912
00:39:03,050 --> 00:39:00,240
investigating it with her because she

913
00:39:04,130 --> 00:39:03,060

was coming to our area and so a week

914

00:39:08,329 --> 00:39:04,140

later

915

00:39:10,849 --> 00:39:08,339

I call a friend from NASA he flies in

916

00:39:13,430 --> 00:39:10,859

um for the day I pick him up and

917

00:39:16,609 --> 00:39:13,440

that's the famous Timothy Taylor you

918

00:39:20,030 --> 00:39:16,619

hear Diana silk talk about I introduced

919

00:39:22,430 --> 00:39:20,040

him to Diana by the way she uh

920

00:39:25,190 --> 00:39:22,440

she met him a couple years three years

921

00:39:26,450 --> 00:39:25,200

after I did or so

922

00:39:29,569 --> 00:39:26,460

um but

923

00:39:31,490 --> 00:39:29,579

we were all there and and that night

924

00:39:33,950 --> 00:39:31,500

they invited me back for a ghost hunt

925

00:39:36,170 --> 00:39:33,960

they wanted to recreate the thing

926

00:39:38,390 --> 00:39:36,180

so I dropped Tim back off at the airport

927

00:39:40,790 --> 00:39:38,400

and he goes home to Huntsville

928

00:39:43,010 --> 00:39:40,800

I went back over there and met with them

929

00:39:45,710 --> 00:39:43,020

and they did their thing in the house

930

00:39:47,690 --> 00:39:45,720

with their EVPs and I sat outside I

931

00:39:49,730 --> 00:39:47,700

wasn't interested in that

932

00:39:51,530 --> 00:39:49,740

but the where they missed time was

933

00:39:53,329 --> 00:39:51,540

behind the house

934

00:39:56,150 --> 00:39:53,339

there's a cabin in the edge of the

935

00:39:58,250 --> 00:39:56,160

forest behind a kind of across the field

936

00:40:00,890 --> 00:39:58,260

so you walk out the back door of this

937

00:40:02,329 --> 00:40:00,900

plantation house is a Big Field go to

938

00:40:04,790 --> 00:40:02,339

the other side of the field and inside

939

00:40:06,170 --> 00:40:04,800

the trees just in the woods is this

940

00:40:08,210 --> 00:40:06,180

cabin

941

00:40:11,030 --> 00:40:08,220

so we go over there

942

00:40:15,710 --> 00:40:11,040

and we take off through the forest

943

00:40:17,930 --> 00:40:15,720

behind the cabin and 15 minutes walk we

944

00:40:20,510 --> 00:40:17,940

come out on a power line a big high

945

00:40:22,430 --> 00:40:20,520

tension power line just just a clear

946

00:40:23,690 --> 00:40:22,440

Lane you know you can see their way of

947

00:40:25,970 --> 00:40:23,700

mine

948

00:40:29,089 --> 00:40:25,980

but it's 15 minutes across these heads

949

00:40:31,490 --> 00:40:29,099

of woods but here's the key behind that

950

00:40:34,370 --> 00:40:31,500

cabin is a dish 10 feet from the back

951
00:40:36,770 --> 00:40:34,380
steps is a big ditch so we all had to go

952
00:40:38,210 --> 00:40:36,780
in the ditch it's dry trees growing up

953
00:40:40,310 --> 00:40:38,220
in a thick forest

954
00:40:41,750 --> 00:40:40,320
and then with the 10 minutes to the

955
00:40:44,089 --> 00:40:41,760
power line

956
00:40:46,130 --> 00:40:44,099
so when it was time to go back to the

957
00:40:48,410 --> 00:40:46,140
cabin we made it through the woods got

958
00:40:50,270 --> 00:40:48,420
over there looked around and on our way

959
00:40:50,810 --> 00:40:50,280
back

960
00:40:53,270 --> 00:40:50,820
um

961
00:40:55,790 --> 00:40:53,280
when we started piece like I'll do the

962
00:40:57,650 --> 00:40:55,800
navigation we need to take this heading

963
00:41:00,170 --> 00:40:57,660

we're going to come right out at the car

964

00:41:03,109 --> 00:41:00,180

where the cabin is

965

00:41:04,910 --> 00:41:03,119

so eight of us in that group I was the

966

00:41:07,370 --> 00:41:04,920

number Eighth in line I was in the back

967

00:41:10,010 --> 00:41:07,380

Chase was in front of me so we were

968

00:41:12,230 --> 00:41:10,020

bringing up the tail end peace in the

969

00:41:15,950 --> 00:41:12,240

front God

970

00:41:18,710 --> 00:41:15,960

when we get to the ditch Andy

971

00:41:22,250 --> 00:41:18,720

I'd never seen anything like this

972

00:41:26,329 --> 00:41:22,260

especially when I saw Pete and what it

973

00:41:29,950 --> 00:41:26,339

did to him this guy's six foot five or

974

00:41:34,370 --> 00:41:29,960

six and he's you know he's a he's a

975

00:41:37,130 --> 00:41:34,380

model maybe sealed just a big honking

976

00:41:41,089 --> 00:41:37,140

he's a teddy bear right but he's still

977

00:41:43,430 --> 00:41:41,099

a very smart guy so when we got to the

978

00:41:46,069 --> 00:41:43,440

dish and we walked down in a ditch and

979

00:41:48,290 --> 00:41:46,079

out on the other side we walked back out

980

00:41:49,970 --> 00:41:48,300

on the power line

981

00:41:51,829 --> 00:41:49,980

there is no ditch near the power line

982

00:41:54,530 --> 00:41:51,839

it's behind that cabin

983

00:41:57,410 --> 00:41:54,540

and when we did that everybody said oh

984

00:42:00,170 --> 00:41:57,420

my God and I didn't I knew what happened

985

00:42:03,109 --> 00:42:00,180

because I was meditating I was singing a

986

00:42:05,810 --> 00:42:03,119

song the whole way across there

987

00:42:08,810 --> 00:42:05,820

and it messed everybody up really bad

988

00:42:11,270 --> 00:42:08,820

and we went turned around and walked

989

00:42:13,670 --> 00:42:11,280

back the other way towards the power

990

00:42:16,370 --> 00:42:13,680

line we thought and we came to the ditch

991

00:42:17,810 --> 00:42:16,380

again and walked through the ditch up to

992

00:42:20,329 --> 00:42:17,820

the cabin

993

00:42:22,670 --> 00:42:20,339

and it just blew the whole group's mind

994

00:42:24,050 --> 00:42:22,680

and I told him I said we lost 15 minutes

995

00:42:26,390 --> 00:42:24,060

of time

996

00:42:28,490 --> 00:42:26,400

well and so they went home and they were

997

00:42:30,770 --> 00:42:28,500

they had helmet cams and recording

998

00:42:33,109 --> 00:42:30,780

devices and you know

999

00:42:36,050 --> 00:42:33,119

they had all kinds of equipment they had

1000

00:42:39,349 --> 00:42:36,060

started a timer in the car

1001
00:42:40,790 --> 00:42:39,359
and she calls me on

1002
00:42:42,710 --> 00:42:40,800
the following

1003
00:42:44,329 --> 00:42:42,720
um Monday or Tuesday after they reviewed

1004
00:42:46,010 --> 00:42:44,339
the evidence and she said you're never

1005
00:42:49,010 --> 00:42:46,020
going to believe what happened I said

1006
00:42:51,050 --> 00:42:49,020
yeah we lost 15 minutes of time

1007
00:42:54,109 --> 00:42:51,060
she said how did you know

1008
00:42:56,210 --> 00:42:54,119
I said because I witnessed it it takes

1009
00:42:56,990 --> 00:42:56,220
15 minutes to go across that head of

1010
00:42:59,990 --> 00:42:57,000
words

1011
00:43:01,130 --> 00:43:00,000
and one trip across that is when they

1012
00:43:03,770 --> 00:43:01,140
took us

1013
00:43:05,990 --> 00:43:03,780

and um

1014

00:43:08,990 --> 00:43:06,000

see anyhow yeah I write about this story

1015

00:43:11,450 --> 00:43:09,000

and it is a lot more to it

1016

00:43:12,710 --> 00:43:11,460

and um

1017

00:43:14,630 --> 00:43:12,720

yeah

1018

00:43:16,849 --> 00:43:14,640

so that's not the only person I've had

1019

00:43:19,730 --> 00:43:16,859

scientists from the government lose as

1020

00:43:23,210 --> 00:43:19,740

much as two hours of time on my property

1021

00:43:29,390 --> 00:43:26,030

and I wonder how many times do you

1022

00:43:30,710 --> 00:43:29,400

remember potentially being taken off

1023

00:43:32,750 --> 00:43:30,720

planet

1024

00:43:36,290 --> 00:43:32,760

quite a few

1025

00:43:37,849 --> 00:43:36,300

right and the any of the others such as

1026

00:43:39,349 --> 00:43:37,859

and I know Chase didn't want to talk

1027

00:43:41,030 --> 00:43:39,359

about it at the time

1028

00:43:43,190 --> 00:43:41,040

um but any of those scientists or

1029

00:43:45,890 --> 00:43:43,200

officials if they have that messing time

1030

00:43:47,809 --> 00:43:45,900

experience do any of them recall what

1031

00:43:50,569 --> 00:43:47,819

happened to them or does it tend to be

1032

00:43:53,450 --> 00:43:50,579

just missing for them it tends to mess

1033

00:43:56,569 --> 00:43:53,460

with their memories I can't remember

1034

00:43:59,990 --> 00:43:56,579

what happened during that time and I

1035

00:44:02,089 --> 00:44:00,000

don't think we ever will no because they

1036

00:44:03,470 --> 00:44:02,099

have a good way of erasing your memory

1037

00:44:09,589 --> 00:44:03,480

and

1038

00:44:11,809 --> 00:44:09,599

hoping you find Clues but

1039

00:44:13,670 --> 00:44:11,819

um you can remember bits and pieces of

1040

00:44:18,829 --> 00:44:13,680

it

1041

00:44:21,470 --> 00:44:18,839

hours on the river I have plain memories

1042

00:44:25,450 --> 00:44:21,480

about being over Egypt

1043

00:44:29,630 --> 00:44:25,460

of all that night of the grueling

1044

00:44:32,210 --> 00:44:29,640

uh it was just it was a a big thing

1045

00:44:35,990 --> 00:44:32,220

scared us all to death and four hours

1046

00:44:39,050 --> 00:44:36,000

seemed like four years in that world

1047

00:44:40,609 --> 00:44:39,060

and I have lots of memories but the

1048

00:44:43,309 --> 00:44:40,619

Egypt

1049

00:44:47,210 --> 00:44:43,319

the Temple of hath Thor

1050

00:44:49,609 --> 00:44:47,220

the pyramids and the Spanx it's just

1051
00:44:51,170 --> 00:44:49,619
reverberates through my brain and it did

1052
00:44:54,410 --> 00:44:51,180
from the verb again

1053
00:44:56,750 --> 00:44:54,420
this it's a clue and it's in the book

1054
00:44:57,950 --> 00:44:56,760
there are many more stories like that in

1055
00:44:59,210 --> 00:44:57,960
the book and obviously I don't want to

1056
00:45:01,130 --> 00:44:59,220
go through them all because that would

1057
00:45:02,329 --> 00:45:01,140
defeat the purpose of of you writing a

1058
00:45:04,490 --> 00:45:02,339
book you could have just came on this

1059
00:45:06,470 --> 00:45:04,500
podcast and told them all so I'll I'll

1060
00:45:08,569 --> 00:45:06,480
not tell any more stories what I want to

1061
00:45:10,609 --> 00:45:08,579
do though Chris is I had a fantastic

1062
00:45:12,950 --> 00:45:10,619
response from listeners getting in touch

1063
00:45:14,690 --> 00:45:12,960

to ask questions so I would love to go

1064

00:45:15,950 --> 00:45:14,700

through some of those and I've got a

1065

00:45:17,930 --> 00:45:15,960

really good one to start off with

1066

00:45:20,450 --> 00:45:17,940

because you've just mentioned uh the

1067

00:45:23,450 --> 00:45:20,460

Egyptian goddess hathor and Egypt so

1068

00:45:26,329 --> 00:45:23,460

this question from Joe asks does Chris

1069

00:45:28,309 --> 00:45:26,339

believe that the lady is the same entity

1070

00:45:31,550 --> 00:45:28,319

that appeared to the three children at

1071

00:45:33,950 --> 00:45:31,560

Fatima in Portugal on Ryan bledsoe's

1072

00:45:36,410 --> 00:45:33,960

podcast Ryan mentioned that the lady had

1073

00:45:38,630 --> 00:45:36,420

identified herself as author of the

1074

00:45:42,650 --> 00:45:38,640

Egyptian goddess can Chris share his

1075

00:45:44,569 --> 00:45:42,660

thoughts on this yeah absolutely uh a

1076

00:45:46,550 --> 00:45:44,579

hundred percent believe that and

1077

00:45:48,589 --> 00:45:46,560

everybody that's investigated include

1078

00:45:52,069 --> 00:45:48,599

the Vatican um

1079

00:45:55,609 --> 00:45:52,079

does as well whether they admit it

1080

00:45:58,390 --> 00:45:55,619

publicly I'm not a Catholic right so how

1081

00:46:00,710 --> 00:45:58,400

can a Baptist guy in North Carolina

1082

00:46:02,870 --> 00:46:00,720

meet the lady

1083

00:46:05,750 --> 00:46:02,880

but what got their attention is the

1084

00:46:08,210 --> 00:46:05,760

details that I told the details like the

1085

00:46:09,670 --> 00:46:08,220

settings on the little children of

1086

00:46:13,190 --> 00:46:09,680

Fatima

1087

00:46:15,589 --> 00:46:13,200

I think the official story is the sun

1088

00:46:18,950 --> 00:46:15,599

seemed to spin around and around and

1089

00:46:22,609 --> 00:46:18,960

kind of wobble but no that's the real

1090

00:46:24,650 --> 00:46:22,619

story is that a Setting Sun that looked

1091

00:46:26,690 --> 00:46:24,660

like the Setting Sun appeared and it

1092

00:46:28,790 --> 00:46:26,700

could come down out of the sky it got so

1093

00:46:30,950 --> 00:46:28,800

close it dried their clothes out had

1094

00:46:32,390 --> 00:46:30,960

rained previously and it dried them all

1095

00:46:34,790 --> 00:46:32,400

out and

1096

00:46:38,230 --> 00:46:34,800

orbs were flying everywhere they were

1097

00:46:40,970 --> 00:46:38,240

going around and this this

1098

00:46:43,430 --> 00:46:40,980

like what you would call a flying saucer

1099

00:46:44,930 --> 00:46:43,440

but a disc appears way up high and it

1100

00:46:46,910 --> 00:46:44,940

drops down through the clouds and it's

1101
00:46:49,490 --> 00:46:46,920
got lights going around it and orbs

1102
00:46:50,390 --> 00:46:49,500
going everywhere this was all witnessed

1103
00:46:54,770 --> 00:46:50,400
by

1104
00:46:57,250 --> 00:46:54,780
uh probably 70 or 80 000 people and a

1105
00:47:00,650 --> 00:46:57,260
lot of them put it in in writing

1106
00:47:04,069 --> 00:47:00,660
so if you investigate that you'll see

1107
00:47:06,950 --> 00:47:04,079
the uh the lady that I described was

1108
00:47:08,630 --> 00:47:06,960
just like the lady in that the children

1109
00:47:11,510 --> 00:47:08,640
described

1110
00:47:13,430 --> 00:47:11,520
and there's a lot out there about she

1111
00:47:15,349 --> 00:47:13,440
was a little tiny lady she was only like

1112
00:47:17,930 --> 00:47:15,359
three or four feet tall

1113
00:47:19,250 --> 00:47:17,940

and had a skirt on

1114

00:47:21,650 --> 00:47:19,260

you know

1115

00:47:22,790 --> 00:47:21,660

so there's a lot uh yeah I think it was

1116

00:47:25,609 --> 00:47:22,800

the same one

1117

00:47:27,770 --> 00:47:25,619

who is that I think is she's connected

1118

00:47:32,390 --> 00:47:27,780

to hathon

1119

00:47:36,410 --> 00:47:32,400

and probably in every on every continent

1120

00:47:40,309 --> 00:47:36,420

in every country they have stories of a

1121

00:47:41,210 --> 00:47:40,319

female Divine female the feminine the

1122

00:47:44,150 --> 00:47:41,220

lady

1123

00:47:48,430 --> 00:47:44,160

uh in their in their history and it's

1124

00:47:53,510 --> 00:47:48,440

not by accident you got Diana Demeter

1125

00:47:57,050 --> 00:47:53,520

Hera hath Thor Isis

1126

00:47:59,390 --> 00:47:57,060

um Sheba or you know

1127

00:48:03,710 --> 00:47:59,400

just it's

1128

00:48:07,130 --> 00:48:03,720

the oldest depiction of God the oldest

1129

00:48:09,790 --> 00:48:07,140

is the ellucian figure according to Dr

1130

00:48:13,130 --> 00:48:09,800

George zervos he gave me a replica of it

1131

00:48:14,870 --> 00:48:13,140

some human nearly three-quarters of a

1132

00:48:18,650 --> 00:48:14,880

million years ago

1133

00:48:22,309 --> 00:48:18,660

a human decided to model

1134

00:48:24,650 --> 00:48:22,319

a figure of God and they dug this up by

1135

00:48:26,510 --> 00:48:24,660

the ground in a civil woman of course

1136

00:48:28,970 --> 00:48:26,520

her face is hidden it's got like a

1137

00:48:32,030 --> 00:48:28,980

beehive over her face but it's clearly a

1138

00:48:34,069 --> 00:48:32,040

woman and it's what they were worshipping

1139

00:48:37,250 --> 00:48:34,079

nearly three quarters of a million years

1140

00:48:40,010 --> 00:48:37,260

ago the ulendorf figure come from

1141

00:48:41,450 --> 00:48:40,020

Germany is 50 000 years old a little

1142

00:48:44,510 --> 00:48:41,460

metal figure

1143

00:48:46,670 --> 00:48:44,520

and uh is of the same lady with a

1144

00:48:50,569 --> 00:48:46,680

beehive on her head and you know women

1145

00:48:52,430 --> 00:48:50,579

features and he was a mother goddess

1146

00:48:54,890 --> 00:48:52,440

so

1147

00:48:58,849 --> 00:48:54,900

um it's just my belief that's who she

1148

00:49:00,410 --> 00:48:58,859

may be but I'll stop short of

1149

00:49:02,930 --> 00:49:00,420

of

1150

00:49:07,089 --> 00:49:02,940

making claims I think we just all should

1151

00:49:08,990 --> 00:49:07,099

read the book If you really want a

1152

00:49:12,890 --> 00:49:09,000

more

1153

00:49:15,410 --> 00:49:12,900

I take it all matters the whole story to

1154

00:49:17,270 --> 00:49:15,420

help come to that conclusion of what

1155

00:49:19,609 --> 00:49:17,280

these are

1156

00:49:22,609 --> 00:49:19,619

well I'll ask you the the next question

1157

00:49:24,349 --> 00:49:22,619

from Kendra Kendra asks she would love

1158

00:49:26,450 --> 00:49:24,359

to know your thoughts on whether you

1159

00:49:28,990 --> 00:49:26,460

believe your experiences could be

1160

00:49:32,210 --> 00:49:29,000

spiritual evidence that these beings are

1161

00:49:33,589 --> 00:49:32,220

angels nephilims or our creators slash

1162

00:49:36,710 --> 00:49:33,599

gods

1163

00:49:40,430 --> 00:49:36,720

well uh one thing I'd like to clarify

1164

00:49:43,970 --> 00:49:40,440

is the the word Nephilim now that's been

1165

00:49:46,609 --> 00:49:43,980

misconstrued a billion percent if you

1166

00:49:50,210 --> 00:49:46,619

read the Genesis 6

1167

00:49:54,050 --> 00:49:50,220

and it says and let me see how of course

1168

00:49:55,069 --> 00:49:54,060

exactly or as close as I can get it and

1169

00:49:56,329 --> 00:49:55,079

it said

1170

00:49:58,690 --> 00:49:56,339

um

1171

00:50:01,190 --> 00:49:58,700

that

1172

00:50:03,849 --> 00:50:01,200

shoot I got brain blocked I'd have to

1173

00:50:07,490 --> 00:50:03,859

find it but it talks about in those days

1174

00:50:09,890 --> 00:50:07,500

the Nephilim were here

1175

00:50:12,290 --> 00:50:09,900

before

1176
00:50:14,450 --> 00:50:12,300
and after

1177
00:50:16,069 --> 00:50:14,460
the sons of God

1178
00:50:19,910 --> 00:50:16,079
came down

1179
00:50:23,569 --> 00:50:19,920
and cohabited with the daughters of man

1180
00:50:24,710 --> 00:50:23,579
the sons of God were here before and

1181
00:50:28,790 --> 00:50:24,720
after

1182
00:50:33,170 --> 00:50:28,800
and that the children of this Union were

1183
00:50:34,970 --> 00:50:33,180
men of great Renown it never says that

1184
00:50:38,109 --> 00:50:34,980
the Nephilim were the children of the

1185
00:50:41,150 --> 00:50:38,119
Fallen Angels not true

1186
00:50:43,730 --> 00:50:41,160
it says that they were here before and

1187
00:50:47,390 --> 00:50:43,740
after it's plain to read just read that

1188
00:50:50,030 --> 00:50:47,400

anybody can so it's there that's a

1189

00:50:51,890 --> 00:50:50,040

different interpretation so people take

1190

00:50:54,290 --> 00:50:51,900

one or two words in the Bible and make

1191

00:50:56,809 --> 00:50:54,300

this humongous story

1192

00:50:59,450 --> 00:50:56,819

that where do they get this from it's

1193

00:51:01,849 --> 00:50:59,460

all out of their you know just out of

1194

00:51:04,069 --> 00:51:01,859

two or three little words there's not a

1195

00:51:07,910 --> 00:51:04,079

whole lot in the Bible about it

1196

00:51:10,190 --> 00:51:07,920

so I will say when I reported it

1197

00:51:12,170 --> 00:51:10,200

16 years ago

1198

00:51:14,089 --> 00:51:12,180

to move on

1199

00:51:16,430 --> 00:51:14,099

when they were interviewing my whole

1200

00:51:20,630 --> 00:51:16,440

family and we were standing out by the

1201
00:51:22,970 --> 00:51:20,640
tree that uh the bin was up under and it

1202
00:51:24,829 --> 00:51:22,980
killed the tree the limbs just fell off

1203
00:51:28,010 --> 00:51:24,839
of it and they took samples and found

1204
00:51:29,930 --> 00:51:28,020
this unusual radiation background and

1205
00:51:31,910 --> 00:51:29,940
stuff from this tree

1206
00:51:33,890 --> 00:51:31,920
I just told him straight up they said

1207
00:51:36,470 --> 00:51:33,900
what do you think happened I said I

1208
00:51:38,630 --> 00:51:36,480
believe they were angels

1209
00:51:42,290 --> 00:51:38,640
I believe that then and I believe it now

1210
00:51:44,530 --> 00:51:42,300
but I'm still not sure right because

1211
00:51:48,290 --> 00:51:44,540
how do you know for sure

1212
00:51:52,250 --> 00:51:48,300
other than they my interaction with them

1213
00:51:54,710 --> 00:51:52,260

tends to tell me that's who I'm involved

1214

00:51:57,349 --> 00:51:54,720

with I think there's a

1215

00:51:59,690 --> 00:51:57,359

there's good and evil I think weather is

1216

00:52:02,510 --> 00:51:59,700

good there's Darkness there may be

1217

00:52:03,589 --> 00:52:02,520

aliens out there I I don't know I can't

1218

00:52:07,309 --> 00:52:03,599

say

1219

00:52:09,049 --> 00:52:07,319

positive

1220

00:52:11,510 --> 00:52:09,059

and it's got the attention of the

1221

00:52:13,069 --> 00:52:11,520

federal government for sure it certainly

1222

00:52:14,809 --> 00:52:13,079

has and I'm going to get to that in the

1223

00:52:17,089 --> 00:52:14,819

follow-up at Kendra I had one more point

1224

00:52:20,809 --> 00:52:17,099

to ask she wonders giving you the

1225

00:52:23,809 --> 00:52:20,819

experiences do you have any

1226

00:52:26,510 --> 00:52:23,819

idea what you think the point of life

1227

00:52:28,309 --> 00:52:26,520

and our Human Experience is has that

1228

00:52:31,190 --> 00:52:28,319

shaped it at all

1229

00:52:33,410 --> 00:52:31,200

uh yeah in fact I'm on the record for

1230

00:52:36,410 --> 00:52:33,420

years talking about where we are I

1231

00:52:39,349 --> 00:52:36,420

believe that the real world is the

1232

00:52:41,870 --> 00:52:39,359

Eternal world around us uh but any

1233

00:52:45,290 --> 00:52:41,880

reason I say that is I have so much so

1234

00:52:48,650 --> 00:52:45,300

many photos of orbs

1235

00:52:51,290 --> 00:52:48,660

with my dog in the orb I lost a labrador

1236

00:52:54,049 --> 00:52:51,300

I was at Mission Control at Cape

1237

00:52:56,990 --> 00:52:54,059

Canaveral came home been there almost a

1238

00:52:58,670 --> 00:52:57,000

week drove home unexpectedly on a

1239

00:53:01,190 --> 00:52:58,680

Saturday night I got home at eight

1240

00:53:03,230 --> 00:53:01,200

o'clock in the morning and there's I

1241

00:53:05,030 --> 00:53:03,240

knew when I turned off the road into my

1242

00:53:06,950 --> 00:53:05,040

driveway she was dead because when I

1243

00:53:10,069 --> 00:53:06,960

opened the door my wife and I were there

1244

00:53:12,770 --> 00:53:10,079

I said how did my dog die blew him away

1245

00:53:15,349 --> 00:53:12,780

that was the first question I asked

1246

00:53:17,930 --> 00:53:15,359

so I went out to a grave

1247

00:53:21,410 --> 00:53:17,940

they buried her in the backyard

1248

00:53:23,450 --> 00:53:21,420

and I went out there and here this ball

1249

00:53:25,849 --> 00:53:23,460

of light comes up out of the grave and I

1250

00:53:29,089 --> 00:53:25,859

took a picture and anybody can you can't

1251
00:53:32,329 --> 00:53:29,099
unsee it you see my lab in that ball of

1252
00:53:35,510 --> 00:53:32,339
life and I have children and I have all

1253
00:53:37,609 --> 00:53:35,520
kinds of life in these orbs multiple

1254
00:53:42,049 --> 00:53:37,619
people and some of them

1255
00:53:43,609 --> 00:53:42,059
so what it tells me is there the you

1256
00:53:45,410 --> 00:53:43,619
don't go anywhere

1257
00:53:47,750 --> 00:53:45,420
that you read the Bible they teach you

1258
00:53:50,569 --> 00:53:47,760
that when you die you go somewhere way

1259
00:53:52,609 --> 00:53:50,579
out there way away well I don't believe

1260
00:53:53,690 --> 00:53:52,619
that I think when you die you just stay

1261
00:53:56,390 --> 00:53:53,700
here

1262
00:53:59,030 --> 00:53:56,400
and they're all around us watching us go

1263
00:54:01,309 --> 00:53:59,040

through this simulation much like a

1264

00:54:03,589 --> 00:54:01,319

video game when when we create a false

1265

00:54:05,210 --> 00:54:03,599

reality kids get in it and they they

1266

00:54:07,190 --> 00:54:05,220

become some of them so hooked they don't

1267

00:54:10,010 --> 00:54:07,200

come out of their basement they live in

1268

00:54:12,109 --> 00:54:10,020

a fake world right playing

1269

00:54:16,069 --> 00:54:12,119

well I think we're somewhat like that

1270

00:54:18,730 --> 00:54:16,079

that these beings are able to create a

1271

00:54:22,130 --> 00:54:18,740

biological

1272

00:54:25,130 --> 00:54:22,140

simulation and it is something we must

1273

00:54:28,210 --> 00:54:25,140

experience the happiness and the pain

1274

00:54:31,010 --> 00:54:28,220

and the suffering and the sadness and

1275

00:54:33,650 --> 00:54:31,020

but when we leave from here we go back

1276
00:54:36,530 --> 00:54:33,660
to our family that's waiting for us I

1277
00:54:40,370 --> 00:54:36,540
think if your mama or your grandma's

1278
00:54:43,730 --> 00:54:40,380
passed away she's right beside you

1279
00:54:45,290 --> 00:54:43,740
watching cheering you on hoping you make

1280
00:54:47,870 --> 00:54:45,300
the right decisions

1281
00:54:50,089 --> 00:54:47,880
that's my thoughts on the matter

1282
00:54:52,370 --> 00:54:50,099
no thanks for that answer the next

1283
00:54:54,410 --> 00:54:52,380
question was from Casey in case it asks

1284
00:54:56,870 --> 00:54:54,420
it seems like Chris has been surrounded

1285
00:54:59,089 --> 00:54:56,880
by Deep internal contacts now for some

1286
00:55:01,910 --> 00:54:59,099
time and you've mentioned that's what 16

1287
00:55:03,890 --> 00:55:01,920
years now some of those agencies have a

1288
00:55:06,410 --> 00:55:03,900

less than Stellar track record of

1289

00:55:08,510 --> 00:55:06,420

telling the truth how do you keep things

1290

00:55:10,130 --> 00:55:08,520

straight when you interact with these

1291

00:55:13,849 --> 00:55:10,140

folks and how do you know you're not

1292

00:55:17,270 --> 00:55:13,859

being told lies or LED astray by these

1293

00:55:19,609 --> 00:55:17,280

folks well they don't and they don't

1294

00:55:21,770 --> 00:55:19,619

um I don't have that problem because

1295

00:55:23,809 --> 00:55:21,780

when they come here they're not coming

1296

00:55:25,549 --> 00:55:23,819

to tell me anything they're coming to

1297

00:55:27,829 --> 00:55:25,559

study the phenomena

1298

00:55:29,809 --> 00:55:27,839

that's a big difference they know it's

1299

00:55:32,150 --> 00:55:29,819

here they know it's around me they know

1300

00:55:34,730 --> 00:55:32,160

I'm connected to it it's like NASA it's

1301
00:55:37,910 --> 00:55:34,740
in the book right away when they came to

1302
00:55:40,430 --> 00:55:37,920
my house they flew they took me down to

1303
00:55:43,069 --> 00:55:40,440
the to the most secured facilities on

1304
00:55:45,049 --> 00:55:43,079
Earth machine guns pointing at you as I

1305
00:55:47,210 --> 00:55:45,059
walked in these doors had to have a

1306
00:55:51,589 --> 00:55:47,220
security clearance to get in there

1307
00:55:54,410 --> 00:55:51,599
and um I asked them I said why am

1308
00:55:55,910 --> 00:55:54,420
worried about me what what good am I to

1309
00:55:58,730 --> 00:55:55,920
you guys you've got the biggest

1310
00:56:02,270 --> 00:55:58,740
telescope she got the best cameras on

1311
00:56:06,609 --> 00:56:02,280
Earth you got all the money in the world

1312
00:56:09,230 --> 00:56:06,619
you got space rockets and space stations

1313
00:56:12,230 --> 00:56:09,240

why do you care about me some little

1314

00:56:16,130 --> 00:56:12,240

country guy from North Carolina

1315

00:56:18,410 --> 00:56:16,140

and and Tim Taylor is who I asked that

1316

00:56:20,089 --> 00:56:18,420

to he looks at me

1317

00:56:23,150 --> 00:56:20,099

and said Chris

1318

00:56:26,870 --> 00:56:23,160

we know it's there we see it but it has

1319

00:56:29,770 --> 00:56:26,880

absolutely nothing to do with us none

1320

00:56:32,329 --> 00:56:29,780

but we know it likes you for some reason

1321

00:56:34,370 --> 00:56:32,339

and we'd just like to be a part of that

1322

00:56:37,309 --> 00:56:34,380

we'd like to study it and he told me

1323

00:56:38,950 --> 00:56:37,319

then he said don't ever go to any

1324

00:56:42,589 --> 00:56:38,960

conferences

1325

00:56:44,930 --> 00:56:42,599

uh not for now stay away from others

1326

00:56:47,329 --> 00:56:44,940

that experience things don't listen to

1327

00:56:50,270 --> 00:56:47,339

it because we'd like your experience to

1328

00:56:51,290 --> 00:56:50,280

be yours so when you tend to go to these

1329

00:56:54,049 --> 00:56:51,300

places

1330

00:56:56,390 --> 00:56:54,059

people are left with these uh what

1331

00:56:58,190 --> 00:56:56,400

happened to me and suddenly you're

1332

00:57:01,430 --> 00:56:58,200

beginning to believe what happened to

1333

00:57:04,730 --> 00:57:01,440

them happened to you and then all of a

1334

00:57:07,970 --> 00:57:04,740

sudden it's a pleiadian or a Galactic

1335

00:57:10,730 --> 00:57:07,980

Federation or something that that

1336

00:57:12,190 --> 00:57:10,740

becomes your story so I've stayed away

1337

00:57:14,870 --> 00:57:12,200

from others

1338

00:57:17,750 --> 00:57:14,880

intentionally for all these years not

1339

00:57:20,990 --> 00:57:17,760

going to these things so my experience

1340

00:57:22,069 --> 00:57:21,000

is mine and that's that's where it all

1341

00:57:24,410 --> 00:57:22,079

started

1342

00:57:26,630 --> 00:57:24,420

and it passed around through the

1343

00:57:28,329 --> 00:57:26,640

agencies and different people

1344

00:57:31,190 --> 00:57:28,339

from different

1345

00:57:34,250 --> 00:57:31,200

three-letter agencies or four came here

1346

00:57:35,870 --> 00:57:34,260

and still come here and they surrounded

1347

00:57:38,569 --> 00:57:35,880

their wagons around me because they can

1348

00:57:41,930 --> 00:57:38,579

study it here that's why

1349

00:57:42,890 --> 00:57:41,940

Java cat asks do you ever regret going

1350

00:57:44,569 --> 00:57:42,900

public

1351

00:57:46,190 --> 00:57:44,579

not at all

1352

00:57:48,349 --> 00:57:46,200

I used to

1353

00:57:50,210 --> 00:57:48,359

if you read the book you'll see the

1354

00:57:53,210 --> 00:57:50,220

struggle I had with that

1355

00:57:55,370 --> 00:57:53,220

there's so much in the book that that

1356

00:57:57,829 --> 00:57:55,380

will

1357

00:58:00,829 --> 00:57:57,839

it shows you the ups and downs and the

1358

00:58:04,250 --> 00:58:00,839

heartaches and the joy and me being here

1359

00:58:07,430 --> 00:58:04,260

I am working on stem cell research for

1360

00:58:10,730 --> 00:58:07,440

NASA right with NASA

1361

00:58:12,710 --> 00:58:10,740

I have no college education I couldn't

1362

00:58:15,589 --> 00:58:12,720

afford it when I was young I family

1363

00:58:17,270 --> 00:58:15,599

couldn't we were just you know poor

1364

00:58:19,549 --> 00:58:17,280

folks

1365

00:58:21,950 --> 00:58:19,559

but here I am suddenly working on the

1366

00:58:25,430 --> 00:58:21,960

first stem cell transplant in history

1367

00:58:27,710 --> 00:58:25,440

and it was a very successful case and I

1368

00:58:30,470 --> 00:58:27,720

got all these people online in the

1369

00:58:32,870 --> 00:58:30,480

community dogging me how crazy you are

1370

00:58:35,569 --> 00:58:32,880

and I wanted to shout to the top of the

1371

00:58:37,670 --> 00:58:35,579

roof if you only knew look at this you

1372

00:58:39,410 --> 00:58:37,680

know I'm in Mission Control if you only

1373

00:58:42,829 --> 00:58:39,420

knew what I'm doing

1374

00:58:47,150 --> 00:58:42,839

but yet I couldn't talk about it because

1375

00:58:49,549 --> 00:58:47,160

I agreed to to work and be and study

1376
00:58:50,329 --> 00:58:49,559
this because I wanted to know just like

1377
00:58:52,210 --> 00:58:50,339
that

1378
00:58:55,069 --> 00:58:52,220
honestly I don't think the government

1379
00:58:58,190 --> 00:58:55,079
understands I know they don't they

1380
00:58:59,930 --> 00:58:58,200
absolutely don't know what it is I can

1381
00:59:01,490 --> 00:58:59,940
tell you they don't

1382
00:59:03,770 --> 00:59:01,500
and they don't know how to tell it

1383
00:59:06,710 --> 00:59:03,780
because it's conscience based it's far

1384
00:59:09,950 --> 00:59:06,720
more complex than any of us can imagine

1385
00:59:11,750 --> 00:59:09,960
and so I'm telling what they don't know

1386
00:59:14,150 --> 00:59:11,760
how to tell

1387
00:59:16,370 --> 00:59:14,160
and they're that's why they wrote the

1388
00:59:18,170 --> 00:59:16,380

forwards and all this in my book and the

1389

00:59:19,789 --> 00:59:18,180

introductions and they've been around me

1390

00:59:21,650 --> 00:59:19,799

they would love for me to tell it

1391

00:59:26,089 --> 00:59:21,660

because they don't know how

1392

00:59:27,829 --> 00:59:26,099

a shoe complex you know

1393

00:59:29,630 --> 00:59:27,839

oh crash I've only got a couple of

1394

00:59:31,609 --> 00:59:29,640

questions left the really interesting

1395

00:59:33,289 --> 00:59:31,619

one for you from the Tree of Life who

1396

00:59:35,870 --> 00:59:33,299

sends in some wonderful questions for

1397

00:59:37,849 --> 00:59:35,880

guests does Chris feel the trauma he

1398

00:59:40,910 --> 00:59:37,859

suffered earlier in his life was a

1399

00:59:43,190 --> 00:59:40,920

prerequisite for his experiences or do

1400

00:59:45,770 --> 00:59:43,200

you think you were chosen because you

1401
00:59:47,990 --> 00:59:45,780
suffered or did you suffer because they

1402
00:59:50,329 --> 00:59:48,000
chose you and had a plan for you

1403
00:59:52,309 --> 00:59:50,339
well and you know I've thought about

1404
00:59:53,809 --> 00:59:52,319
this a million times

1405
00:59:56,450 --> 00:59:53,819
but

1406
00:59:57,410 --> 00:59:56,460
um I'm pretty sure that it's been from

1407
00:59:59,390 --> 00:59:57,420
birth

1408
01:00:01,970 --> 00:59:59,400
because you and you and I think there

1409
01:00:05,390 --> 01:00:01,980
was a dark aspect that didn't want me to

1410
01:00:07,910 --> 01:00:05,400
be here today or else all these weird

1411
01:00:11,390 --> 01:00:07,920
things wouldn't happen to me

1412
01:00:12,410 --> 01:00:11,400
um but I think there was a battle

1413
01:00:14,809 --> 01:00:12,420

um

1414

01:00:16,430 --> 01:00:14,819

I think they they brought me here just

1415

01:00:18,289 --> 01:00:16,440

like they brought all of us here for

1416

01:00:21,470 --> 01:00:18,299

whatever reason

1417

01:00:23,329 --> 01:00:21,480

but it's been from early on it it wasn't

1418

01:00:26,870 --> 01:00:23,339

uh

1419

01:00:30,289 --> 01:00:26,880

you know I think suffering

1420

01:00:32,170 --> 01:00:30,299

brings us closer to to knowledge into

1421

01:00:33,890 --> 01:00:32,180

the truth and

1422

01:00:36,829 --> 01:00:33,900

you know

1423

01:00:38,630 --> 01:00:36,839

this is a hard question to answer there

1424

01:00:40,730 --> 01:00:38,640

but I think it's been since I was a

1425

01:00:43,190 --> 01:00:40,740

little boy

1426

01:00:45,289 --> 01:00:43,200

um Chris a question from Xander he asks

1427

01:00:47,390 --> 01:00:45,299

last year there were many prominent

1428

01:00:50,089 --> 01:00:47,400

names in the UFO topic discussing

1429

01:00:51,710 --> 01:00:50,099

potential cataclysms and rumors of

1430

01:00:53,809 --> 01:00:51,720

cataclysms that were potentially coming

1431

01:00:55,849 --> 01:00:53,819

up for the planet or or the human

1432

01:00:57,589 --> 01:00:55,859

species have you heard anything about

1433

01:00:58,730 --> 01:00:57,599

that or do you have any assessment on

1434

01:01:01,130 --> 01:00:58,740

that

1435

01:01:04,250 --> 01:01:01,140

well I was shown a whole lot of stuff

1436

01:01:08,390 --> 01:01:04,260

and um but I'll just say this

1437

01:01:11,690 --> 01:01:08,400

I despise negativity I will not talk

1438

01:01:14,030 --> 01:01:11,700

about anything negative I was showing

1439

01:01:17,089 --> 01:01:14,040

um but I was showing something even

1440

01:01:19,370 --> 01:01:17,099

greater this the lady when she came she

1441

01:01:22,730 --> 01:01:19,380

came at Easter 2012.

1442

01:01:25,370 --> 01:01:22,740

uh the Lady of Fatima saying lady I

1443

01:01:28,490 --> 01:01:25,380

assume or Guadalupe or Lourdes France

1444

01:01:30,890 --> 01:01:28,500

and same as The White Buffalo Calf lady

1445

01:01:34,609 --> 01:01:30,900

the Indians the Native Americans in the

1446

01:01:38,390 --> 01:01:34,619

in this country have a history Rich

1447

01:01:40,910 --> 01:01:38,400

about this this glowing white lady that

1448

01:01:43,430 --> 01:01:40,920

called it a White Buffalo Calf lady

1449

01:01:46,069 --> 01:01:43,440

that would appear and save troubles on

1450

01:01:47,930 --> 01:01:46,079

the way and and warn the people in

1451
01:01:49,970 --> 01:01:47,940
advance and

1452
01:01:52,609 --> 01:01:49,980
but she told me

1453
01:01:55,430 --> 01:01:52,619
that um

1454
01:01:56,630 --> 01:01:55,440
that peace was going to come after some

1455
01:02:00,010 --> 01:01:56,640
trouble

1456
01:02:04,910 --> 01:02:00,020
but there's going to be a rain the the

1457
01:02:07,609 --> 01:02:04,920
divine feminine the the mother is coming

1458
01:02:10,130 --> 01:02:07,619
back there's a shift in heaven has

1459
01:02:13,430 --> 01:02:10,140
occurred and that peace will eventually

1460
01:02:14,329 --> 01:02:13,440
come so whatever happens between now and

1461
01:02:17,089 --> 01:02:14,339
then

1462
01:02:18,950 --> 01:02:17,099
um I don't I don't focus on I don't want

1463
01:02:20,750 --> 01:02:18,960

to worry about it I don't watch the news

1464

01:02:22,069 --> 01:02:20,760

if I got up in the morning and they're

1465

01:02:24,650 --> 01:02:22,079

talking about

1466

01:02:26,329 --> 01:02:24,660

fighting and and I'll turn it off I

1467

01:02:28,490 --> 01:02:26,339

don't want to see it I don't have TV

1468

01:02:30,710 --> 01:02:28,500

anyhow I had in 10 years because I don't

1469

01:02:33,589 --> 01:02:30,720

want to hear it whatever enters your

1470

01:02:34,670 --> 01:02:33,599

eyes and your ears can mess you up and

1471

01:02:37,490 --> 01:02:34,680

keep you

1472

01:02:41,030 --> 01:02:37,500

from making contact to that Divine

1473

01:02:44,390 --> 01:02:41,040

source so I try to stay as away from

1474

01:02:47,690 --> 01:02:44,400

that and as positive as as I can and I'm

1475

01:02:50,690 --> 01:02:47,700

looking for that beautiful day the lady

1476

01:02:52,750 --> 01:02:50,700

talks about it that is coming and so I'm

1477

01:02:54,589 --> 01:02:52,760

excited for that day

1478

01:02:58,430 --> 01:02:54,599

and um

1479

01:03:01,069 --> 01:02:58,440

yeah final question from Dave smithhurst

1480

01:03:02,809 --> 01:03:01,079

you have been in touch with many people

1481

01:03:04,549 --> 01:03:02,819

we've talked about from the intelligence

1482

01:03:07,010 --> 01:03:04,559

community and I know Chris you don't

1483

01:03:08,990 --> 01:03:07,020

like to to give your opinion or or put

1484

01:03:11,809 --> 01:03:09,000

upon folks what you think all of this

1485

01:03:14,390 --> 01:03:11,819

might be but Dave wants to know do the

1486

01:03:16,370 --> 01:03:14,400

officials from the NSA NASA the

1487

01:03:18,589 --> 01:03:16,380

government do they often share with you

1488

01:03:20,569 --> 01:03:18,599

what they think it is is it is it

1489

01:03:22,069 --> 01:03:20,579

extraterrestrial in their opinion or

1490

01:03:23,450 --> 01:03:22,079

something that's maybe been here for a

1491

01:03:25,309 --> 01:03:23,460

long time

1492

01:03:28,309 --> 01:03:25,319

um yeah I've heard many

1493

01:03:29,809 --> 01:03:28,319

um of that a lot of that yeah we have

1494

01:03:34,309 --> 01:03:29,819

unofficially

1495

01:03:36,950 --> 01:03:34,319

we talk over a cup of coffee or you know

1496

01:03:39,289 --> 01:03:36,960

I travel with them sometimes and a lot

1497

01:03:41,990 --> 01:03:39,299

of them won't say anything because they

1498

01:03:44,870 --> 01:03:42,000

have clearances but I can honestly tell

1499

01:03:48,470 --> 01:03:44,880

you they don't know they really don't

1500

01:03:50,870 --> 01:03:48,480

know what the people in this world think

1501

01:03:53,210 --> 01:03:50,880

that they know

1502

01:03:54,230 --> 01:03:53,220

um or else I wouldn't be involved with

1503

01:03:56,569 --> 01:03:54,240

them

1504

01:03:58,730 --> 01:03:56,579

um like like we are they're trying to

1505

01:04:01,549 --> 01:03:58,740

find out just themselves this is

1506

01:04:04,130 --> 01:04:01,559

conscience based it knows what you're

1507

01:04:05,990 --> 01:04:04,140

thinking before you can think it it

1508

01:04:08,569 --> 01:04:06,000

knows every move you're going to make

1509

01:04:10,250 --> 01:04:08,579

and it knows your reaction when it

1510

01:04:13,069 --> 01:04:10,260

appears to you it knows how you're going

1511

01:04:15,049 --> 01:04:13,079

to react if it if it and it don't want

1512

01:04:16,490 --> 01:04:15,059

to go against our free will

1513

01:04:18,530 --> 01:04:16,500

that's a fact

1514

01:04:21,349 --> 01:04:18,540

if you'll accept it

1515

01:04:23,510 --> 01:04:21,359

and you I put it in the book seek and

1516

01:04:25,849 --> 01:04:23,520

you'll find knock and the door will be

1517

01:04:28,430 --> 01:04:25,859

open you've got to want to see it you

1518

01:04:30,890 --> 01:04:28,440

got to believe and you got to accept it

1519

01:04:33,530 --> 01:04:30,900

tell them you're not afraid

1520

01:04:35,930 --> 01:04:33,540

and then you may develop a relationship

1521

01:04:38,089 --> 01:04:35,940

with something from the spiritual realm

1522

01:04:40,430 --> 01:04:38,099

but you got to be real careful because

1523

01:04:42,230 --> 01:04:40,440

if you're not grounded and and you're a

1524

01:04:43,130 --> 01:04:42,240

negative person you may get the wrong

1525

01:04:46,730 --> 01:04:43,140

thing

1526

01:04:48,770 --> 01:04:46,740

it's just very it's a fine line you have

1527

01:04:50,870 --> 01:04:48,780

to walk there

1528

01:04:52,370 --> 01:04:50,880

well Chris you've been wonderful with

1529

01:04:53,750 --> 01:04:52,380

your time and you've written the book

1530

01:04:56,329 --> 01:04:53,760

it's out there now for public

1531

01:04:58,370 --> 01:04:56,339

consumption it's doing incredibly well I

1532

01:05:00,950 --> 01:04:58,380

wonder what do you think ultimately will

1533

01:05:02,750 --> 01:05:00,960

be the final chapter for your story with

1534

01:05:05,089 --> 01:05:02,760

the phenomenon

1535

01:05:08,329 --> 01:05:05,099

well um

1536

01:05:11,450 --> 01:05:08,339

I I have no way of knowing uh I know

1537

01:05:13,910 --> 01:05:11,460

that the the book is touching a lot of

1538

01:05:16,490 --> 01:05:13,920

lives and it's got some incredible

1539

01:05:18,829 --> 01:05:16,500

reviews I've had hundreds and hundreds

1540

01:05:20,930 --> 01:05:18,839

of people writing and saying I read the

1541

01:05:23,210 --> 01:05:20,940

story and you changed my life I cried

1542

01:05:25,670 --> 01:05:23,220

the whole time

1543

01:05:27,710 --> 01:05:25,680

um just really making an impact and it's

1544

01:05:31,010 --> 01:05:27,720

it's like number one bestseller and four

1545

01:05:33,230 --> 01:05:31,020

five six categories and I never expected

1546

01:05:35,990 --> 01:05:33,240

that I just

1547

01:05:38,150 --> 01:05:36,000

I tried to stay neutral and not put my

1548

01:05:40,549 --> 01:05:38,160

opinion on what's out there I'll let the

1549

01:05:42,950 --> 01:05:40,559

reader decide for themselves

1550

01:05:46,309 --> 01:05:42,960

and um

1551

01:05:49,190 --> 01:05:46,319

I suspect that uh

1552

01:05:52,970 --> 01:05:49,200

I really don't know Andy it's a hard

1553

01:05:55,130 --> 01:05:52,980

question to to answer there but

1554

01:05:56,750 --> 01:05:55,140

maybe sometimes it's better not knowing

1555

01:05:58,190 --> 01:05:56,760

and like you've said I think throughout

1556

01:06:00,589 --> 01:05:58,200

and through the book it's just an

1557

01:06:03,289 --> 01:06:00,599

experience to to go along with and and

1558

01:06:07,430 --> 01:06:03,299

just that experience it

1559

01:06:09,650 --> 01:06:07,440

yeah yeah to yeah it's definitely an

1560

01:06:12,230 --> 01:06:09,660

ongoing experience

1561

01:06:14,089 --> 01:06:12,240

and it's a joyful thing to me when I

1562

01:06:17,930 --> 01:06:14,099

walk outside at night I'm full of

1563

01:06:18,770 --> 01:06:17,940

happiness and joy and I expect them to

1564

01:06:21,589 --> 01:06:18,780

come

1565

01:06:24,289 --> 01:06:21,599

I know they're there they're in my house

1566

01:06:25,970 --> 01:06:24,299

quite often just two or three weeks ago

1567

01:06:27,109 --> 01:06:25,980

I was sitting in my chair in my little

1568

01:06:29,690 --> 01:06:27,119

cabin

1569

01:06:33,289 --> 01:06:29,700

and I my wife knows I go out every night

1570

01:06:37,010 --> 01:06:33,299

to to look at the stars I don't have TV

1571

01:06:39,349 --> 01:06:37,020

that's my television it's the heavens so

1572

01:06:42,109 --> 01:06:39,359

I go out and it's cloudy five minutes

1573

01:06:44,630 --> 01:06:42,119

later I walk in and my wife is there's

1574

01:06:46,849 --> 01:06:44,640

so decent attached from this it was like

1575

01:06:49,490 --> 01:06:46,859

she looks up and says well

1576

01:06:52,190 --> 01:06:49,500

when you got up went outside within a

1577

01:06:55,010 --> 01:06:52,200

minute an orb appeared over your chair a

1578

01:06:56,990 --> 01:06:55,020

green one about yeah big around bright

1579

01:06:59,930 --> 01:06:57,000

green lime green

1580

01:07:01,809 --> 01:06:59,940

and it's sitting there sizzling sizzling

1581

01:07:05,329 --> 01:07:01,819

making an electrical

1582

01:07:07,069 --> 01:07:05,339

and it's only eight feet from her she

1583

01:07:09,049 --> 01:07:07,079

never got out of a chair she's sitting

1584

01:07:13,010 --> 01:07:09,059

there looking at it and suddenly it

1585

01:07:15,349 --> 01:07:13,020

popped boom and it just popped and the

1586

01:07:17,809 --> 01:07:15,359

whole room flashed with green light and

1587

01:07:19,849 --> 01:07:17,819

she's telling me this um

1588

01:07:22,309 --> 01:07:19,859

which we see this kind of stuff very

1589

01:07:24,170 --> 01:07:22,319

often it was like four or five different

1590

01:07:26,690 --> 01:07:24,180

orbs in the house in the last month

1591

01:07:29,329 --> 01:07:26,700

inside the house

1592

01:07:30,589 --> 01:07:29,339

not just up in the sky or in the forest

1593

01:07:32,690 --> 01:07:30,599

so

1594

01:07:34,250 --> 01:07:32,700

Chris I've not written that stone but I

1595

01:07:36,170 --> 01:07:34,260

just want to ask you one more thing just

1596

01:07:38,210 --> 01:07:36,180

that we have spoken about the phenomenon

1597

01:07:41,750 --> 01:07:38,220

throughout the interview it's very much

1598

01:07:44,150 --> 01:07:41,760

a part of your life I wonder if if you

1599

01:07:45,289 --> 01:07:44,160

stepped outside tomorrow and it all

1600

01:07:47,569 --> 01:07:45,299

stopped

1601

01:07:50,329 --> 01:07:47,579

how would you feel

1602

01:07:52,309 --> 01:07:50,339

uh well I would have to accept it

1603

01:07:52,990 --> 01:07:52,319

because

1604

01:07:55,789 --> 01:07:53,000

um

1605

01:07:58,069 --> 01:07:55,799

it's totally up to them it's not up to

1606

01:08:00,950 --> 01:07:58,079

me and I'll be thankful on my knees

1607

01:08:02,930 --> 01:08:00,960

thanking them for every experience and I

1608

01:08:06,289 --> 01:08:02,940

ever had with them thanking them for

1609

01:08:10,069 --> 01:08:06,299

what they did to my family to uh the

1610

01:08:11,930 --> 01:08:10,079

blessings that came and uh and I know

1611

01:08:13,990 --> 01:08:11,940

they're in total control

1612

01:08:17,269 --> 01:08:14,000

but I don't think that will happen

1613

01:08:19,090 --> 01:08:17,279

because it's only gotten sweeter and

1614

01:08:24,590 --> 01:08:19,100

stronger

1615

01:08:27,050 --> 01:08:24,600

is growing and and I I ask them

1616

01:08:28,729 --> 01:08:27,060

questions and they answer me I hear them

1617

01:08:31,249 --> 01:08:28,739

telepathically

1618

01:08:33,650 --> 01:08:31,259

and John Alexander Colonel John

1619

01:08:36,590 --> 01:08:33,660

Alexander

1620

01:08:39,709 --> 01:08:36,600

writes about that his experience with me

1621

01:08:42,110 --> 01:08:39,719

and his book reality denied the second

1622

01:08:45,650 --> 01:08:42,120

chapter is about he and I walk in the

1623

01:08:47,150 --> 01:08:45,660

banks of the Cape Fear River and my

1624

01:08:49,430 --> 01:08:47,160

daughter Emily was there and his wife

1625

01:08:51,950 --> 01:08:49,440

Victoria and we're standing against the

1626
01:08:53,269 --> 01:08:51,960
car of the Senate sat and the stars were

1627
01:08:55,309 --> 01:08:53,279
coming out and

1628
01:08:57,769 --> 01:08:55,319
I looked over at John I said John

1629
01:09:00,950 --> 01:08:57,779
they're here right now and I pointed up

1630
01:09:03,950 --> 01:09:00,960
and when I did it appeared above us a

1631
01:09:06,110 --> 01:09:03,960
huge ball of light and it sat there a

1632
01:09:08,749 --> 01:09:06,120
second flashing and then shut off to the

1633
01:09:11,990 --> 01:09:08,759
South it didn't fly over it appeared

1634
01:09:14,090 --> 01:09:12,000
and that changed his life and you know

1635
01:09:15,470 --> 01:09:14,100
he's a high level government official he

1636
01:09:17,990 --> 01:09:15,480
was calling senators and everything

1637
01:09:20,329 --> 01:09:18,000
before he left them there it's like oh

1638
01:09:25,189 --> 01:09:20,339

my God you won't believe what happened

1639

01:09:26,150 --> 01:09:25,199

but read that book reality denied and

1640

01:09:29,510 --> 01:09:26,160

um

1641

01:09:32,689 --> 01:09:29,520

I'm just grateful for what's happening

1642

01:09:34,970 --> 01:09:32,699

and it's not one bit negative to me I

1643

01:09:37,249 --> 01:09:34,980

don't listen to the negative stuff I

1644

01:09:39,709 --> 01:09:37,259

don't allow it in my life I try to stay

1645

01:09:42,050 --> 01:09:39,719

as positive as I can and

1646

01:09:43,550 --> 01:09:42,060

and I believe good things are coming

1647

01:09:45,110 --> 01:09:43,560

for us all

1648

01:09:47,209 --> 01:09:45,120

I really do

1649

01:09:49,610 --> 01:09:47,219

well I would encourage folks to pack up

1650

01:09:51,890 --> 01:09:49,620

the book a UFO of God the extraordinary

1651

01:09:53,689 --> 01:09:51,900

true story of Chris Bledsoe available on

1652

01:09:56,630 --> 01:09:53,699

Amazon and other Publishers you can get

1653

01:09:59,630 --> 01:09:56,640

audiobook and you can get the paperback

1654

01:10:01,610 --> 01:09:59,640

or you can get it on Kindle as well and

1655

01:10:03,830 --> 01:10:01,620

very much like Chris has said Don't

1656

01:10:05,990 --> 01:10:03,840

listen to Chris or myself read the book

1657

01:10:07,970 --> 01:10:06,000

and make up your own mind as to what you

1658

01:10:10,250 --> 01:10:07,980

think of Chris's story and and the

1659

01:10:11,810 --> 01:10:10,260

phenomenon that's going on itself

1660

01:10:13,610 --> 01:10:11,820

um Chris you've been wonderful with your

1661

01:10:16,010 --> 01:10:13,620

time I've very much appreciated it thank

1662

01:10:20,090 --> 01:10:16,020

you very much uh thank you and one thing

1663

01:10:21,709 --> 01:10:20,100

I'd like to add is my website is UFO of

1664

01:10:23,810 --> 01:10:21,719

god.com

1665

01:10:26,810 --> 01:10:23,820

and on there there's a link to Amazon

1666

01:10:29,330 --> 01:10:26,820

where you can buy it but there is uh if

1667

01:10:32,870 --> 01:10:29,340

you want to reach out to my team or

1668

01:10:35,689 --> 01:10:32,880

myself there's a contact tab you can you

1669

01:10:40,010 --> 01:10:35,699

can send an email that way it's an email

1670

01:10:42,590 --> 01:10:40,020

tab it goes to myself and my manager

1671

01:10:45,649 --> 01:10:42,600

but there are a lot of testimonials on

1672

01:10:47,750 --> 01:10:45,659

there from college professors that been

1673

01:10:49,270 --> 01:10:47,760

here and witnessed it to

1674

01:10:52,850 --> 01:10:49,280

to

1675

01:10:55,490 --> 01:10:52,860

film uh people that film it with me and

1676

01:10:58,189 --> 01:10:55,500

others so it's pretty cool

1677

01:11:00,169 --> 01:10:58,199

and we'll be posting a lot more stuff on

1678

01:11:02,870 --> 01:11:00,179

that website as time goes on Maybe

1679

01:11:04,550 --> 01:11:02,880

videos and so on so

1680

01:11:06,410 --> 01:11:04,560

it's really cool

1681

01:11:08,149 --> 01:11:06,420

I'll make sure all of those links are

1682

01:11:09,709 --> 01:11:08,159

also in the description so you can click

1683

01:11:11,689 --> 01:11:09,719

on those or you can type them in if

1684

01:11:13,910 --> 01:11:11,699

you're not lazy like me so uh there you

1685

01:11:16,130 --> 01:11:13,920

go that is all for this week's show

1686

01:11:18,110 --> 01:11:16,140

thank you very much for listening please

1687

01:11:20,689 --> 01:11:18,120

remember to leave the podcast out of you

1688

01:11:23,209 --> 01:11:20,699

on your chosen platform you can like

1689

01:11:25,130 --> 01:11:23,219

retweet And subscribe that would all be

1690

01:11:27,229 --> 01:11:25,140

very much appreciated the shows are

1691

01:11:28,790 --> 01:11:27,239

being uploaded onto YouTube as we speak

1692

01:11:31,310 --> 01:11:28,800

more and more you can sign up at

1693

01:11:33,590 --> 01:11:31,320

patreon.com forward slash that UFO

1694

01:11:35,990 --> 01:11:33,600

podcast access it shows ad free as well

1695

01:11:39,050 --> 01:11:36,000

please get in touch on Twitter Facebook

1696

01:11:42,649 --> 01:11:39,060

Instagram that UFO podcast of course on

1697

01:11:44,750 --> 01:11:42,659

Twitter it's at UFO UAP am and again

1698

01:11:47,070 --> 01:11:44,760

folks as always keep looking up you

1699

01:12:07,330 --> 01:11:47,080

never know what you might see

1700

01:12:47,890 --> 01:12:17,050

[Music]

1701

01:12:47,900 --> 01:12:57,020

they thought this was noise

1702

01:13:26,530 --> 01:13:02,580

[Music]

1703

01:13:26,540 --> 01:13:32,770

consider your space

1704

01:13:43,630 --> 01:13:41,149

[Music]

1705

01:14:05,750 --> 01:13:43,640

quite a disaster

1706

01:14:53,640 --> 01:14:27,890

[Music]

1707

01:14:55,669 --> 01:14:53,650

thank you
