ROSS COULTHART
ANSWERS YOUR QUESTIONS

1
00:00:03,110 --> 00:00:01,309
are people in the defense and

2
00:00:05,329 --> 00:00:03,120
intelligence Community have forgotten in

3
00:00:06,710 --> 00:00:05,339
America that it's not the bloody

4
00:00:09,290 --> 00:00:06,720
intelligence community and defense

5
00:00:12,530 --> 00:00:09,300
community that run America it's Congress

6
00:00:15,950 --> 00:00:12,540
and make Congress has found its balls

7
00:00:19,070 --> 00:00:15,960
believe me the oversight committees have

8
00:00:21,290 --> 00:00:19,080
got teeth and they're using it because

9
00:00:23,090 --> 00:00:21,300
they realize they've been lied to I've

10
00:00:26,390 --> 00:00:23,100
actually had conversations with people

11
00:00:28,849 --> 00:00:26,400
in Congress who've told me they're aware

12
00:00:30,890 --> 00:00:28,859
now that they've been misled and they

13
00:00:33,709 --> 00:00:30,900

are determined to get to the truth of

14

00:00:35,810 --> 00:00:33,719

this and people like Kirkpatrick know

15

00:00:38,770 --> 00:00:35,820

where history is going

16

00:00:42,470 --> 00:00:38,780

he's leading a unit which has been

17

00:00:46,970 --> 00:00:42,480

legislatively mandated to tell the truth

18

00:00:47,869 --> 00:00:46,980

about uaps the Congress has made an

19

00:00:50,090 --> 00:00:47,879

order

20

00:00:52,190 --> 00:00:50,100

and yeah okay you know you can have the

21

00:00:54,889 --> 00:00:52,200

disingenuous briefings from Susan Goff

22

00:00:57,290 --> 00:00:54,899

of Pentagon PR as much as you like to

23

00:00:59,810 --> 00:00:57,300

certain individuals who then parrot what

24

00:01:01,910 --> 00:00:59,820

the Pentagon want them to say but no

25

00:01:04,070 --> 00:01:01,920

amount of pity sniping from the

26

00:01:06,830 --> 00:01:04,080

sidelines is going to deter the Congress

27

00:01:08,390 --> 00:01:06,840

from asking the hard questions and

28

00:01:10,670 --> 00:01:08,400

that's what I'm really heartened about a

29

00:01:12,950 --> 00:01:10,680

lot of the people I talk to are in those

30

00:01:14,870 --> 00:01:12,960

committees those key oversight

31

00:01:17,570 --> 00:01:14,880

committees the armed services committee

32

00:01:20,929 --> 00:01:17,580

and the intelligence committees and boy

33

00:01:22,609 --> 00:01:20,939

they are they are aware especially since

34

00:01:24,649 --> 00:01:22,619

the shutdown incidents that they've

35

00:01:26,870 --> 00:01:24,659

been being bullshitted to that a lot of

36

00:01:28,609 --> 00:01:26,880

the assurances that they were given by

37

00:01:30,950 --> 00:01:28,619

the intelligence community and the

38

00:01:34,010 --> 00:01:30,960

defense department are eerily evocative

39

00:01:36,530 --> 00:01:34,020
of what was said towards the 911

40

00:01:39,350 --> 00:01:36,540
Commission in the in the wash-up the

41

00:01:41,149 --> 00:01:39,360
post-mortem after that awful disaster

42

00:01:44,630 --> 00:01:41,159
where so many thousands of Americans

43

00:01:46,789 --> 00:01:44,640
died in the 9 11 attack they don't want

44

00:01:48,950 --> 00:01:46,799
this to happen again and you have to

45

00:01:51,410 --> 00:01:48,960
understand that what's happened as a

46

00:01:54,289 --> 00:01:51,420
result of the Chinese balloon and

47

00:01:56,630 --> 00:01:54,299
mystery shootdowns in incidents is that

48

00:01:59,990 --> 00:01:56,640
an issue that was previously very much

49

00:02:01,789 --> 00:02:00,000
On The Fringe uaps you know anomalous

50

00:02:05,149 --> 00:02:01,799
aerial phenomena

51
00:02:08,330 --> 00:02:05,159
all of a sudden it's become almost by

52
00:02:10,550 --> 00:02:08,340
accident a huge concern to the Congress

53
00:02:12,910 --> 00:02:10,560
because one of the things that started

54
00:02:19,850 --> 00:02:12,920
happening was people like Marco Rubio

55
00:02:23,570 --> 00:02:19,860
people like um uh John uh Kennedy the um

56
00:02:25,550 --> 00:02:23,580
uh the guy from Woody from Louisiana

57
00:02:28,430 --> 00:02:25,560
um all of a sudden people started

58
00:02:30,170 --> 00:02:28,440
conflating the issue of unidentified

59
00:02:33,650 --> 00:02:30,180
objects that have strayed into American

60
00:02:36,470 --> 00:02:33,660
airspace with the broader issue of how

61
00:02:39,410 --> 00:02:36,480
the Congress is aware from private skiff

62
00:02:42,470 --> 00:02:39,420
briefings of unidentified anomalous

63
00:02:45,290 --> 00:02:42,480

phenomena that's still to this day being

64

00:02:48,229 --> 00:02:45,300

seen in American airspace and remains

65

00:02:49,210 --> 00:02:48,239

unexplained and so those two issues have

66

00:02:57,170 --> 00:02:49,220

now

67

00:02:58,670 --> 00:02:57,180

this both sides of the Congress it's

68

00:03:01,130 --> 00:02:58,680

almost like they're trying to outdo each

69

00:03:03,470 --> 00:03:01,140

other because as soon as you get senator

70

00:03:05,630 --> 00:03:03,480

gillibrand from the Democrats basically

71

00:03:08,449 --> 00:03:05,640

saying you know she's doing her doing

72

00:03:11,750 --> 00:03:08,459

her level best to ensure that Arrow gets

73

00:03:14,390 --> 00:03:11,760

funding a Bob's uh Timber Chet and Matt

74

00:03:16,610 --> 00:03:14,400

gates from Florida basically saying

75

00:03:18,290 --> 00:03:16,620

they've just had a secret briefing in

76

00:03:21,350 --> 00:03:18,300

Florida about

77

00:03:23,930 --> 00:03:21,360

um uh video or some kind of imagery that

78

00:03:27,229 --> 00:03:23,940

they were shown by the Commanding

79

00:03:29,930 --> 00:03:27,239

General of a base and that's totally

80

00:03:31,970 --> 00:03:29,940

escaped the Legacy media's attention but

81

00:03:34,610 --> 00:03:31,980

it's been rightly picked up by good

82

00:03:37,309 --> 00:03:34,620

people on social media who saw the

83

00:03:38,809 --> 00:03:37,319

interview firstly on Newsmax and then um

84

00:03:42,410 --> 00:03:38,819

I think there was also an interview in

85

00:03:44,390 --> 00:03:42,420

Newsweek and Tucker Carlson also added

86

00:03:46,729 --> 00:03:44,400

what he said and by putting all of those

87

00:03:50,270 --> 00:03:46,739

three of her interviews together it's

88

00:03:53,210 --> 00:03:50,280

clear that two Republican congressmen

89

00:03:56,330 --> 00:03:53,220

both sitting on key oversight committees

90

00:03:59,210 --> 00:03:56,340

have been given a very sensitive top

91

00:04:01,190 --> 00:03:59,220

secret briefing where they were shown in

92

00:04:04,789 --> 00:04:01,200

controvertible evidence of anomalous

93

00:04:07,009 --> 00:04:04,799

craft four anomalous craft flying very

94

00:04:09,350 --> 00:04:07,019

close to U.S aircraft

95

00:04:11,030 --> 00:04:09,360

now the big issue that you need to

96

00:04:13,789 --> 00:04:11,040

understand and your audience needs to

97

00:04:16,310 --> 00:04:13,799

understand is what Sean Kirkpatrick

98

00:04:19,430 --> 00:04:16,320

thinks about this is utterly irrelevant

99

00:04:22,430 --> 00:04:19,440

because he's just a little bureaucrat in

100

00:04:24,350 --> 00:04:22,440

the machine who will do he will bloody

101

00:04:26,870 --> 00:04:24,360

well do what the Congress does for

102

00:04:29,930 --> 00:04:26,880

demands from him because if he doesn't

103

00:04:32,210 --> 00:04:29,940

he'll be out on his ear and the whole
