

FEB / MARCH
HIGHLIGHTS

1
00:00:06,080 --> 00:00:02,629
this is Ross coulthart and you are

2
00:00:12,410 --> 00:00:06,090
listening to that UFO podcast

3
00:00:16,910 --> 00:00:14,930
hi everyone and welcome back to that UFO

4
00:00:18,590 --> 00:00:16,920
podcast my name is Andy and it's good to

5
00:00:20,929 --> 00:00:18,600
be recording again after what's been

6
00:00:22,490 --> 00:00:20,939
about a week or so delay for me you

7
00:00:24,470 --> 00:00:22,500
might not have noticed depending on when

8
00:00:26,210 --> 00:00:24,480
you listen to the podcast but due to

9
00:00:27,650 --> 00:00:26,220
some illness in the house and you know

10
00:00:29,630 --> 00:00:27,660
three young kids and that kind of goes

11
00:00:31,250 --> 00:00:29,640
around in a cycle I've had to have a

12
00:00:33,110 --> 00:00:31,260
little bit of a break so there's been no

13
00:00:34,430 --> 00:00:33,120

shows out earlier in the week when I

14

00:00:36,410 --> 00:00:34,440

would have liked so what I've put

15

00:00:38,690 --> 00:00:36,420

together for you before I get back into

16

00:00:41,090 --> 00:00:38,700

the recording swing of things is a bit

17

00:00:43,549 --> 00:00:41,100

of a mishmash of February and March's

18

00:00:45,229 --> 00:00:43,559

highlights from some of the guests there

19

00:00:46,610 --> 00:00:45,239

were so many big talking points and

20

00:00:49,190 --> 00:00:46,620

highlights from me personally in the

21

00:00:52,549 --> 00:00:49,200

last few months from guests such as

22

00:00:55,130 --> 00:00:52,559

Terry Loveless Bryce Sable Chris Bledso

23

00:00:57,889 --> 00:00:55,140

Roscoe are among others I've picked four

24

00:00:59,450 --> 00:00:57,899

of those big clips for you as well so if

25

00:01:01,010 --> 00:00:59,460

there are any interviews you missed out

26

00:01:02,569 --> 00:01:01,020

on our past on that you've not had a

27

00:01:04,490 --> 00:01:02,579

chance to listen to yet or weren't sure

28

00:01:06,590 --> 00:01:04,500

if it was quite for you I've got some

29

00:01:08,810 --> 00:01:06,600

clips in there I've got Terry Loveless

30

00:01:10,490 --> 00:01:08,820

talking about some other incidents from

31

00:01:13,250 --> 00:01:10,500

Devil's Den that weren't involving him

32

00:01:15,350 --> 00:01:13,260

but have Edie missing 4-1-1 one Vibes

33

00:01:17,990 --> 00:01:15,360

I've got Bryce Sable talking about the

34

00:01:20,090 --> 00:01:18,000

clintons and disclosure Chris Bledsoe

35

00:01:22,310 --> 00:01:20,100

elaborates on a story about being taken

36

00:01:24,710 --> 00:01:22,320

off Planet during a miffon investigation

37

00:01:26,630 --> 00:01:24,720

and finally Ross Coulter talking about

38

00:01:30,289 --> 00:01:26,640

who may be calling his shots when it

39

00:01:31,789 --> 00:01:30,299

comes to UFO recovery programs in the

40

00:01:33,770 --> 00:01:31,799

next couple of days there will also be a

41

00:01:35,270 --> 00:01:33,780

preview pod dropping for April I've

42

00:01:36,710 --> 00:01:35,280

spent this week getting in touch with

43

00:01:39,410 --> 00:01:36,720

some guests who are going to be coming

44

00:01:41,630 --> 00:01:39,420

on the podcast in the next month one of

45

00:01:43,609 --> 00:01:41,640

them is one of the Skinwalker Ranch crew

46

00:01:46,010 --> 00:01:43,619

that I've not had on before fingers

47

00:01:48,050 --> 00:01:46,020

crossed and I just need to wait I can

48

00:01:49,310 --> 00:01:48,060

confirm the guest schedule before I can

49

00:01:50,690 --> 00:01:49,320

see who it is because I've done that

50

00:01:52,789 --> 00:01:50,700

before and then they don't manage to

51
00:01:54,770 --> 00:01:52,799
come on that kind of stuff happens but

52
00:01:56,749 --> 00:01:54,780
everyone else is lined up so with that

53
00:01:58,429 --> 00:01:56,759
I'll announce those names in the preview

54
00:02:00,170 --> 00:01:58,439
pod that's always a short one look out

55
00:02:02,030 --> 00:02:00,180
for that in a couple of days time we

56
00:02:03,710 --> 00:02:02,040
will speak soon and here is Terry

57
00:02:06,469 --> 00:02:03,720
Loveless

58
00:02:08,510 --> 00:02:06,479
I am George Knapp listening to that UFO

59
00:02:09,770 --> 00:02:08,520
podcast and having one hell of a good

60
00:02:11,570 --> 00:02:09,780
time

61
00:02:13,250 --> 00:02:11,580
so let's talk about that then and we'll

62
00:02:14,930 --> 00:02:13,260
Circle back later to some of those those

63
00:02:16,970 --> 00:02:14,940

childhood incidents

64

00:02:18,949 --> 00:02:16,980

um of course you're famous for your book

65

00:02:21,589 --> 00:02:18,959

and the event the incident at Devil's

66

00:02:23,470 --> 00:02:21,599

Den can you just tell me first whereas

67

00:02:25,850 --> 00:02:23,480

the devil is Den it sounds very ominous

68

00:02:26,930 --> 00:02:25,860

and what was it that brought you to

69

00:02:29,330 --> 00:02:26,940

being there

70

00:02:31,670 --> 00:02:29,340

you know you know it is ominous and that

71

00:02:33,710 --> 00:02:31,680

that's the right word to use

72

00:02:36,710 --> 00:02:33,720

um I spent six years on active duty in

73

00:02:39,949 --> 00:02:36,720

the Air Force I worked as an EMT in an

74

00:02:44,330 --> 00:02:39,959

emergency room and my uh co-worker and

75

00:02:46,790 --> 00:02:44,340

my best friend uh Tobias and I

76

00:02:48,229 --> 00:02:46,800

um we were both City kids I grew up in

77

00:02:51,110 --> 00:02:48,239

St Louis Missouri he grew up in Detroit

78

00:02:54,050 --> 00:02:51,120

Michigan and uh

79

00:02:55,490 --> 00:02:54,060

we worked a midnight shift 11 P.M to 8

80

00:02:57,650 --> 00:02:55,500

A.M in the morning

81

00:03:00,290 --> 00:02:57,660

and one night he says you know he says

82

00:03:02,089 --> 00:03:00,300

hey man I got an idea let's go camping

83

00:03:03,470 --> 00:03:02,099

and I'm like camping you know what what

84

00:03:05,030 --> 00:03:03,480

do I know about camping I've never been

85

00:03:07,250 --> 00:03:05,040

camping in my life and I knew he'd never

86

00:03:08,990 --> 00:03:07,260

been camping in his life and he's like

87

00:03:10,309 --> 00:03:09,000

no no think about it it'd be fun you

88

00:03:12,530 --> 00:03:10,319

know it'd be out we'll be in the

89

00:03:14,390 --> 00:03:12,540

outdoors we'll get some fresh air it'll

90

00:03:15,949 --> 00:03:14,400

be uh it'll be a blast he says I got the

91

00:03:17,750 --> 00:03:15,959

perfect place to go

92

00:03:19,729 --> 00:03:17,760

he spoke with someone who was a

93

00:03:22,130 --> 00:03:19,739

fisherman who told him about this place

94

00:03:23,750 --> 00:03:22,140

called Devil's Den State Park

95

00:03:25,790 --> 00:03:23,760

and uh

96

00:03:28,910 --> 00:03:25,800

real quick I did some research on it

97

00:03:31,610 --> 00:03:28,920

when I wrote the book in 2017.

98

00:03:33,410 --> 00:03:31,620

and Devil's Den because I wanted to find

99

00:03:36,110 --> 00:03:33,420

out where did they get the name devil

100

00:03:39,530 --> 00:03:36,120

how did that negative that diabolic

101
00:03:42,649 --> 00:03:39,540
connotation get attached to this park

102
00:03:43,970 --> 00:03:42,659
and I went back as far as I could go and

103
00:03:47,270 --> 00:03:43,980
I found that there were two Native

104
00:03:49,610 --> 00:03:47,280
American tribes that owned the land

105
00:03:50,949 --> 00:03:49,620
um one owned half the other on the other

106
00:03:54,410 --> 00:03:50,959
half

107
00:03:59,270 --> 00:03:54,420
and I contacted a Medicine Woman

108
00:04:01,910 --> 00:03:59,280
uh from Nakato c-a-t-o Canto uh tribe

109
00:04:03,830 --> 00:04:01,920
in uh

110
00:04:05,149 --> 00:04:03,840
in Northwest Arkansas I forget the name

111
00:04:07,070 --> 00:04:05,159
of the little town

112
00:04:09,110 --> 00:04:07,080
and ask her if she talked to me and she

113
00:04:12,110 --> 00:04:09,120

didn't she gave me

114

00:04:14,630 --> 00:04:12,120

um a brief history of

115

00:04:17,090 --> 00:04:14,640

Devil's Den as far as their people are

116

00:04:19,189 --> 00:04:17,100

concerned and she told me that as far

117

00:04:20,990 --> 00:04:19,199

back as they don't have written they

118

00:04:22,909 --> 00:04:21,000

only have oral Traditions as far back as

119

00:04:24,950 --> 00:04:22,919

oral tradition will take them

120

00:04:28,730 --> 00:04:24,960

at Devil's Den State Park has always

121

00:04:31,010 --> 00:04:28,740

been cursed ground that it was a place

122

00:04:33,230 --> 00:04:31,020

where they would Transit through to get

123

00:04:35,689 --> 00:04:33,240

from point A to point B but they never

124

00:04:37,550 --> 00:04:35,699

camped there never hunted there never

125

00:04:38,930 --> 00:04:37,560

fished there

126

00:04:42,230 --> 00:04:38,940

um

127

00:04:44,930 --> 00:04:42,240

she said it was cursed ground I uh

128

00:04:48,290 --> 00:04:44,940

I Then followed up I had a friend with

129

00:04:50,749 --> 00:04:48,300

the who from University of Michigan in

130

00:04:53,330 --> 00:04:50,759

Ann Arbor who had a friend through a

131

00:04:56,030 --> 00:04:53,340

connection to the University of Arkansas

132

00:04:58,790 --> 00:04:56,040

uh and it spoke to the anthropology

133

00:05:01,610 --> 00:04:58,800

department and an archaeologist who had

134

00:05:04,010 --> 00:05:01,620

done excavations all around the area

135

00:05:08,350 --> 00:05:04,020

and

136

00:05:11,650 --> 00:05:08,360

she told me that they had done

137

00:05:14,629 --> 00:05:11,660

excavations all around the area

138

00:05:16,850 --> 00:05:14,639

but she said it was very unique inside

139

00:05:19,070 --> 00:05:16,860

Devil's Den

140

00:05:21,950 --> 00:05:19,080

they've never found a single artifact

141

00:05:23,930 --> 00:05:21,960

not a single Flint tool not that

142

00:05:25,730 --> 00:05:23,940

evidence of burnt charcoal there's

143

00:05:29,749 --> 00:05:25,740

absolutely no evidence of any human

144

00:05:32,510 --> 00:05:29,759

habitation inside that Park area and all

145

00:05:36,110 --> 00:05:32,520

around it there's there's evidence uh

146

00:05:39,050 --> 00:05:36,120

going back thousands of years so she

147

00:05:41,230 --> 00:05:39,060

said it's it's a unique place

148

00:05:43,210 --> 00:05:41,240

and there have been a lot of people

149

00:05:46,870 --> 00:05:43,220

disappear

150

00:05:49,490 --> 00:05:46,880

mysteriously from Devil's Den State Park

151
00:05:52,249 --> 00:05:49,500
I could give you two real quick examples

152
00:05:54,770 --> 00:05:52,259
yeah it's at the stage one what happened

153
00:05:56,749 --> 00:05:54,780
the first one I found happened in 1947

154
00:05:59,330 --> 00:05:56,759
and it was a little girl seven years of

155
00:06:01,969 --> 00:05:59,340
age named Catherine van alst and her

156
00:06:05,029 --> 00:06:01,979
family was from Pittsburgh Pennsylvania

157
00:06:06,770 --> 00:06:05,039
and they took a trip in a camper uh

158
00:06:09,050 --> 00:06:06,780
shortly after World War II there was a

159
00:06:10,310 --> 00:06:09,060
kind of a camping craze that went

160
00:06:12,710 --> 00:06:10,320
through the United States and people

161
00:06:16,550 --> 00:06:12,720
were buying these pull behind campers

162
00:06:20,090 --> 00:06:16,560
and the family it was uh the mother

163
00:06:22,850 --> 00:06:20,100

father uh two younger siblings and then

164

00:06:25,730 --> 00:06:22,860

Catherine Vanoss says I said age seven

165

00:06:28,090 --> 00:06:25,740

and they drove and they plotted their

166

00:06:31,189 --> 00:06:28,100

trip on their way south to El Paso Texas

167

00:06:33,350 --> 00:06:31,199

to spend they were spent two nights in

168

00:06:35,270 --> 00:06:33,360

the campgrounds at Devil's Den State

169

00:06:39,110 --> 00:06:35,280

Park

170

00:06:43,070 --> 00:06:39,120

so uh they got to the campground

171

00:06:45,650 --> 00:06:43,080

have a fine time get all set up had a an

172

00:06:48,170 --> 00:06:45,660

uneventful night and then the following

173

00:06:49,370 --> 00:06:48,180

morning of their second day

174

00:06:51,529 --> 00:06:49,380

um

175

00:06:55,370 --> 00:06:51,539

the mother is putting

176

00:06:58,010 --> 00:06:55,380

breakfast on on a picnic table

177

00:07:00,170 --> 00:06:58,020

and at the camps Campground

178

00:07:02,029 --> 00:07:00,180

and the two boys are running around the

179

00:07:04,129 --> 00:07:02,039

camper and uh

180

00:07:05,930 --> 00:07:04,139

the mother looks over and says boys

181

00:07:07,550 --> 00:07:05,940

where's your sister

182

00:07:09,770 --> 00:07:07,560

and they're like well she's right here

183

00:07:11,749 --> 00:07:09,780

well she wasn't

184

00:07:13,850 --> 00:07:11,759

and they said we swear she was right

185

00:07:15,890 --> 00:07:13,860

here and you know mother was annoyed but

186

00:07:18,230 --> 00:07:15,900

not not too freaked out she says go find

187

00:07:20,150 --> 00:07:18,240

your sister so of course they run to the

188

00:07:22,070 --> 00:07:20,160

restrooms and they run to the kiosk in

189

00:07:23,570 --> 00:07:22,080

the ranger station and they're they're

190

00:07:25,550 --> 00:07:23,580

looking all over for their sister and

191

00:07:27,050 --> 00:07:25,560

they come back and they're there they're

192

00:07:28,670 --> 00:07:27,060

freaked out they're like we can't we

193

00:07:32,330 --> 00:07:28,680

can't find her

194

00:07:34,909 --> 00:07:32,340

so this commotion gets Dad involved and

195

00:07:37,070 --> 00:07:34,919

he comes out and uh

196

00:07:37,850 --> 00:07:37,080

he's half panicked he's like let's find

197

00:07:39,589 --> 00:07:37,860

her

198

00:07:41,749 --> 00:07:39,599

because this Campground is in the middle

199

00:07:44,210 --> 00:07:41,759

of very thick forest extremely thick

200

00:07:45,710 --> 00:07:44,220

forest all the way around High Rocky

201
00:07:46,490 --> 00:07:45,720
terrain

202
00:07:48,650 --> 00:07:46,500
um

203
00:07:51,890 --> 00:07:48,660
it'd be difficult for her to manage she

204
00:07:53,089 --> 00:07:51,900
was in a swimsuit with uh like flip-flop

205
00:07:55,430 --> 00:07:53,099
sandals

206
00:07:58,129 --> 00:07:55,440
and it'd be uh it'd be a very difficult

207
00:07:59,570 --> 00:07:58,139
terrain for her to get around in

208
00:08:01,430 --> 00:07:59,580
uh

209
00:08:03,409 --> 00:08:01,440
but they get other campers involved

210
00:08:05,749 --> 00:08:03,419
can't find her they're calling her name

211
00:08:08,689 --> 00:08:05,759
they get Park Rangers involved they're

212
00:08:11,629 --> 00:08:08,699
calling her can't find her uh the search

213
00:08:13,129 --> 00:08:11,639

expands that this is a state park and

214

00:08:14,749 --> 00:08:13,139

there is a

215

00:08:17,749 --> 00:08:14,759

um a federal Park

216

00:08:20,809 --> 00:08:17,759

on the other side on the east side uh

217

00:08:23,990 --> 00:08:20,819

and a larger Park called Ozark national

218

00:08:26,210 --> 00:08:24,000

forest and there were a lot of Park

219

00:08:28,969 --> 00:08:26,220

Rangers assigned there and they came

220

00:08:31,490 --> 00:08:28,979

over they got involved in this hunt and

221

00:08:33,829 --> 00:08:31,500

then first night passes no Catherine

222

00:08:36,230 --> 00:08:33,839

second night passes and the search is

223

00:08:39,769 --> 00:08:36,240

set up to last seven days on the seventh

224

00:08:42,110 --> 00:08:39,779

day it'll it'll it'll shift from a

225

00:08:45,290 --> 00:08:42,120

rescue to a recovery and of course

226

00:08:47,150 --> 00:08:45,300

that'll knock down the urgency and uh

227

00:08:49,910 --> 00:08:47,160

she'll be a lost little girl

228

00:08:52,130 --> 00:08:49,920

on the seventh day

229

00:08:54,350 --> 00:08:52,140

there was a um

230

00:08:55,910 --> 00:08:54,360

a group of students there were student

231

00:08:58,790 --> 00:08:55,920

volunteers from the University of

232

00:09:00,470 --> 00:08:58,800

Arkansas who came in by The busloads Who

233

00:09:01,910 --> 00:09:00,480

were out helping hunt for this little

234

00:09:09,410 --> 00:09:01,920

girl

235

00:09:16,070 --> 00:09:12,949

Porter Chadwick what's his name Porter

236

00:09:19,310 --> 00:09:16,080

Chadwick is walked up on a high

237

00:09:22,910 --> 00:09:19,320

elevation a bluff

238

00:09:24,110 --> 00:09:22,920

and is yelling for Catherine

239

00:09:52,550 --> 00:09:24,120

and

240

00:09:55,190 --> 00:09:52,560

Switchback trail that you have to walk

241

00:09:58,790 --> 00:09:55,200

through to get up there no idea how she

242

00:10:01,490 --> 00:09:58,800

did that in in sandals so he carries you

243

00:10:06,350 --> 00:10:01,500

down to the campground little girl's

244

00:10:08,930 --> 00:10:06,360

been missing for six nights seven days

245

00:10:11,030 --> 00:10:08,940

back at the campground they have a

246

00:10:13,670 --> 00:10:11,040

doctor there

247

00:10:16,150 --> 00:10:13,680

she is a hundred percent hydrated

248

00:10:18,590 --> 00:10:16,160

she has not lost an ounce of weight

249

00:10:21,110 --> 00:10:18,600

according to her mother her mother said

250

00:10:23,449 --> 00:10:21,120

quote that her her hair smelled clean

251
00:10:25,430 --> 00:10:23,459
she had washed it the evening before she

252
00:10:28,670 --> 00:10:25,440
went missing

253
00:10:31,310 --> 00:10:28,680
and they asked her they said well you

254
00:10:34,670 --> 00:10:31,320
know Catherine where have you been

255
00:10:37,430 --> 00:10:34,680
and she said I don't know I just heard

256
00:10:40,190 --> 00:10:37,440
somebody call my name and I thought you

257
00:10:42,170 --> 00:10:40,200
sent them to get me and they asked her

258
00:10:44,210 --> 00:10:42,180
how did you get up here

259
00:10:46,970 --> 00:10:44,220
and she said I don't know

260
00:10:48,430 --> 00:10:46,980
I I tried to find her I had no luck of

261
00:10:51,470 --> 00:10:48,440
course she may have had a married name

262
00:10:53,110 --> 00:10:51,480
1947's a long time ago uh God I would

263
00:10:55,490 --> 00:10:53,120

love to have talked to her

264

00:10:57,050 --> 00:10:55,500

likewise Porter Chadwick I couldn't find

265

00:10:58,730 --> 00:10:57,060

him either

266

00:11:00,350 --> 00:10:58,740

um but it's well documented in our

267

00:11:04,430 --> 00:11:00,360

newspaper articles both in the Kansas

268

00:11:07,269 --> 00:11:04,440

City Star and the Pittsburgh Press uh

269

00:11:10,009 --> 00:11:07,279

so it's just an amazing creepy story

270

00:11:12,590 --> 00:11:10,019

yeah and as a father I'm glad the little

271

00:11:13,490 --> 00:11:12,600

girl gets found to hit that there at the

272

00:11:16,009 --> 00:11:13,500

end

273

00:11:17,990 --> 00:11:16,019

um I can't imagine yeah yeah it's got so

274

00:11:20,030 --> 00:11:18,000

many Hallmarks of different classic

275

00:11:22,370 --> 00:11:20,040

cases of abduction but then returning

276

00:11:24,230 --> 00:11:22,380

you know messing time is assumed within

277

00:11:26,509 --> 00:11:24,240

that and like you say it's one of those

278

00:11:28,310 --> 00:11:26,519

it's a shame that it was so long ago the

279

00:11:30,350 --> 00:11:28,320

little ghettos loved a full life are

280

00:11:32,569 --> 00:11:30,360

hoping it's potentially still with us or

281

00:11:35,449 --> 00:11:32,579

passed on at this time and same with the

282

00:11:36,889 --> 00:11:35,459

student who found her but yeah and

283

00:11:38,630 --> 00:11:36,899

obviously we're going to get on to talk

284

00:11:40,310 --> 00:11:38,640

about your case you said there was a

285

00:11:41,750 --> 00:11:40,320

second case as well

286

00:11:44,509 --> 00:11:41,760

I want to know a little bit more though

287

00:11:46,850 --> 00:11:44,519

on on Hillary Clinton if she had beaten

288

00:11:48,350 --> 00:11:46,860

Trump as everyone sort of expected you

289

00:11:50,870 --> 00:11:48,360

know other than Trump supporters and

290

00:11:53,150 --> 00:11:50,880

they got in from the UK we were pretty

291

00:11:54,769 --> 00:11:53,160

shocked when Trump won if it had been

292

00:11:56,150 --> 00:11:54,779

you know sliding doors moment holiday

293

00:11:59,630 --> 00:11:56,160

gets in

294

00:12:02,030 --> 00:11:59,640

do you think she gets to to make that

295

00:12:04,190 --> 00:12:02,040

discovery that announcement or do you

296

00:12:05,449 --> 00:12:04,200

think it gets obfuscated and hidden away

297

00:12:08,269 --> 00:12:05,459

and

298

00:12:11,509 --> 00:12:08,279

can you see it really playing out I can

299

00:12:14,269 --> 00:12:11,519

uh I could also see her being killed

300

00:12:17,150 --> 00:12:14,279

you know really well I mean

301
00:12:19,970 --> 00:12:17,160
yeah I mean if it depends on how the

302
00:12:21,889 --> 00:12:19,980
people that are curating the secret

303
00:12:24,769 --> 00:12:21,899
you know what how desperate they think

304
00:12:25,790 --> 00:12:24,779
it is to keep it not out there uh

305
00:12:28,970 --> 00:12:25,800
anything could have happened it's

306
00:12:31,190 --> 00:12:28,980
interesting I've uh outside of my UFO

307
00:12:32,569 --> 00:12:31,200
stuff I've written a couple of uh what

308
00:12:35,210 --> 00:12:32,579
if books

309
00:12:37,130 --> 00:12:35,220
um that have both one uh the sidewise

310
00:12:40,069 --> 00:12:37,140
award for alternate history one of them

311
00:12:41,509 --> 00:12:40,079
was about what if JFK survived Dallas

312
00:12:42,889 --> 00:12:41,519
and the other was what if the Beatles

313
00:12:46,610 --> 00:12:42,899

stayed together so they weren't

314

00:12:50,329 --> 00:12:46,620

necessarily UFO uh books although both

315

00:12:52,490 --> 00:12:50,339

have a UFO connection JFK supposedly did

316

00:12:54,590 --> 00:12:52,500

know something about UFOs and was

317

00:12:58,069 --> 00:12:54,600

interested and certainly The Beatles had

318

00:13:00,590 --> 00:12:58,079

John Lennon's UFO sighting back in 1974

319

00:13:02,750 --> 00:13:00,600

but my point is

320

00:13:04,610 --> 00:13:02,760

what I was looking for in those books

321

00:13:06,829 --> 00:13:04,620

was a great what if one where you could

322

00:13:08,509 --> 00:13:06,839

see wow history was really cleave in a

323

00:13:10,069 --> 00:13:08,519

different direction well think about

324

00:13:12,110 --> 00:13:10,079

that with Hillary Clinton I could write

325

00:13:14,509 --> 00:13:12,120

a great third book on that if I had the

326

00:13:16,370 --> 00:13:14,519

time where it'd be Hillary Clinton gets

327

00:13:19,310 --> 00:13:16,380

in instead of trump

328

00:13:21,410 --> 00:13:19,320

what happens to the UFO issue I think

329

00:13:23,629 --> 00:13:21,420

that it would have been her intent it

330

00:13:28,250 --> 00:13:23,639

seems clear now it would have been her

331

00:13:31,310 --> 00:13:28,260

intent to uh Usher in uh an era of

332

00:13:33,350 --> 00:13:31,320

some extra transparency on the issue I

333

00:13:35,030 --> 00:13:33,360

don't know that she would have I doubt

334

00:13:36,949 --> 00:13:35,040

that she would have given every reporter

335

00:13:39,590 --> 00:13:36,959

in the nation a hard drive with

336

00:13:41,990 --> 00:13:39,600

terabytes of photos or anything but I

337

00:13:44,269 --> 00:13:42,000

think she might have acknowledged

338

00:13:47,569 --> 00:13:44,279

um there are things in the sky we don't

339

00:13:49,370 --> 00:13:47,579

know what they are I'm looking into it

340

00:13:51,410 --> 00:13:49,380

um the the government's going to look

341

00:13:53,329 --> 00:13:51,420

into it and we're all in this together

342

00:13:54,410 --> 00:13:53,339

uh she might have said something like

343

00:14:02,509 --> 00:13:54,420

that

344

00:14:05,569 --> 00:14:02,519

intent and and and we both know Steve

345

00:14:09,230 --> 00:14:05,579

Bassett the political activist on the

346

00:14:11,509 --> 00:14:09,240

UFO issue he certainly thinks that's

347

00:14:13,850 --> 00:14:11,519

the absolute truth

348

00:14:15,590 --> 00:14:13,860

you mentioned uh previous presidents

349

00:14:17,150 --> 00:14:15,600

obviously the bushes both were in

350

00:14:18,530 --> 00:14:17,160

administration one of the listeners had

351

00:14:19,550 --> 00:14:18,540

sent me over a question I want to try

352

00:14:21,530 --> 00:14:19,560

and ask

353

00:14:23,810 --> 00:14:21,540

um Bryce you've previously recounted

354

00:14:25,430 --> 00:14:23,820

this is from Dave Smithers um that a

355

00:14:27,590 --> 00:14:25,440

senior politician who was in the bush

356

00:14:29,690 --> 00:14:27,600

cabinet told you when you were younger

357

00:14:32,509 --> 00:14:29,700

that the truth about UFOs and others was

358

00:14:34,370 --> 00:14:32,519

existentially shocking do you often

359

00:14:36,590 --> 00:14:34,380

think about what he meant by that and

360

00:14:39,290 --> 00:14:36,600

does that still worry you well I tell

361

00:14:41,930 --> 00:14:39,300

you it certainly

362

00:14:44,329 --> 00:14:41,940

to do justice to that story

363

00:14:47,889 --> 00:14:44,339

would hijack the rest of our time

364

00:14:50,689 --> 00:14:47,899

together so I I give you a very short

365

00:14:52,009 --> 00:14:50,699

version of it and and I guess we kind of

366

00:14:54,230 --> 00:14:52,019

move on

367

00:14:56,750 --> 00:14:54,240

um prior to um

368

00:14:59,569 --> 00:14:56,760

creating Dark Skies I met with my

369

00:15:01,009 --> 00:14:59,579

partner Brent Friedman and I didn't know

370

00:15:03,410 --> 00:15:01,019

him at the time and he told me a story

371

00:15:05,990 --> 00:15:03,420

about when he was an 18 year old and he

372

00:15:08,030 --> 00:15:06,000

had been hired to drive a car across the

373

00:15:11,090 --> 00:15:08,040

United States to deliver it to someone

374

00:15:13,069 --> 00:15:11,100

who was in Reagan's cabinet who lived in

375

00:15:16,009 --> 00:15:13,079

the neighborhood he was at and was a

376

00:15:19,189 --> 00:15:16,019

family friend and that this person

377

00:15:21,350 --> 00:15:19,199

um was the under Secretary of the Navy

378

00:15:23,509 --> 00:15:21,360

in the first term in Secretary of Energy

379

00:15:25,550 --> 00:15:23,519

in the second term and that he told

380

00:15:26,870 --> 00:15:25,560

Brent some harrowing things which I'm

381

00:15:29,210 --> 00:15:26,880

just not going to get into right now

382

00:15:33,410 --> 00:15:29,220

it's too long of a story but suffice it

383

00:15:35,509 --> 00:15:33,420

to say this person felt that his very

384

00:15:37,850 --> 00:15:35,519

basis of reality had been challenged

385

00:15:39,889 --> 00:15:37,860

that he had been briefed and the

386

00:15:42,650 --> 00:15:39,899

briefing wasn't so good and I'll just

387

00:15:44,569 --> 00:15:42,660

I'll just give you the one quote

388

00:15:46,310 --> 00:15:44,579

um he said he cried himself to sleep

389

00:15:48,590 --> 00:15:46,320

every night during the briefing period

390

00:15:51,530 --> 00:15:48,600

which apparently was six to eight weeks

391

00:15:53,870 --> 00:15:51,540

and uh Brett asked him why and he said

392

00:15:56,030 --> 00:15:53,880

because I have I have daughters and this

393

00:15:57,170 --> 00:15:56,040

is the world they're going to live in

394

00:15:59,889 --> 00:15:57,180

and

395

00:16:04,430 --> 00:15:59,899

that is kind of existentially

396

00:16:06,530 --> 00:16:04,440

disquieting right so I you know I

397

00:16:08,449 --> 00:16:06,540

actually believe that story to be true I

398

00:16:09,949 --> 00:16:08,459

mean I've looked into it and and I know

399

00:16:12,350 --> 00:16:09,959

Brent's

400

00:16:13,970 --> 00:16:12,360

um truthfulness so I think there is a

401
00:16:15,710 --> 00:16:13,980
darker side to this it doesn't mean

402
00:16:18,350 --> 00:16:15,720
there isn't a lighter side I have not

403
00:16:20,629 --> 00:16:18,360
heard uh the lighter side in the same

404
00:16:22,490 --> 00:16:20,639
kind of graphic relief that I I heard

405
00:16:23,750 --> 00:16:22,500
about the darker side

406
00:16:25,370 --> 00:16:23,760
um I don't know if that what the

407
00:16:27,590 --> 00:16:25,380
question was

408
00:16:31,129 --> 00:16:29,569
where am I going with this just what

409
00:16:32,150 --> 00:16:31,139
what do you think came in and does it

410
00:16:34,490 --> 00:16:32,160
what do you which I think you've

411
00:16:36,530 --> 00:16:34,500
answered within that yeah I I I just

412
00:16:38,150 --> 00:16:36,540
think that this person and by the way

413
00:16:39,949 --> 00:16:38,160

Ross and I are looking into this story

414

00:16:41,930 --> 00:16:39,959

so you'll hear more about it in the

415

00:16:43,850 --> 00:16:41,940

future and also I'm writing a book right

416

00:16:44,870 --> 00:16:43,860

now uh where I'm going to try to lay out

417

00:16:46,670 --> 00:16:44,880

the whole thing because I just think

418

00:16:48,530 --> 00:16:46,680

it's part of the historical record now

419

00:16:50,269 --> 00:16:48,540

when we were doing Dark Skies I didn't

420

00:16:52,249 --> 00:16:50,279

think of it that way I thought well

421

00:16:53,870 --> 00:16:52,259

that's a great story now let's go do a

422

00:16:56,930 --> 00:16:53,880

TV series

423

00:16:59,329 --> 00:16:56,940

um but now that I'm thinking of this in

424

00:17:00,889 --> 00:16:59,339

an equally journalistic way

425

00:17:02,449 --> 00:17:00,899

I think it's an important part of

426

00:17:05,630 --> 00:17:02,459

history that should be preserved in fact

427

00:17:08,569 --> 00:17:05,640

I urge everyone who's ever seen anything

428

00:17:10,730 --> 00:17:08,579

or heard anything uh you know this is

429

00:17:13,549 --> 00:17:10,740

the time to write it down this is the

430

00:17:16,549 --> 00:17:13,559

time to to make sure that the the

431

00:17:19,429 --> 00:17:16,559

historical record for future historians

432

00:17:21,470 --> 00:17:19,439

to to find needs to be as clear as

433

00:17:23,689 --> 00:17:21,480

possible so if you've got a story that

434

00:17:26,449 --> 00:17:23,699

never got told or even if you it was

435

00:17:28,549 --> 00:17:26,459

told write it down in as much

436

00:17:29,990 --> 00:17:28,559

specificity as possible and share it

437

00:17:30,890 --> 00:17:30,000

because

438

00:17:32,810 --> 00:17:30,900

um

439

00:17:35,090 --> 00:17:32,820

because we obviously know there's a

440

00:17:36,890 --> 00:17:35,100

phenomenon and we need to get our our

441

00:17:38,210 --> 00:17:36,900

arms around it and figure out what it

442

00:17:40,610 --> 00:17:38,220

means to us

443

00:17:43,549 --> 00:17:40,620

one of the stories that's touched on in

444

00:17:45,110 --> 00:17:43,559

the book uh I spoke to chase klutzky

445

00:17:48,590 --> 00:17:45,120

um back in the early days of the podcast

446

00:17:50,210 --> 00:17:48,600

in 2020 and at the time a listener had

447

00:17:52,430 --> 00:17:50,220

uh shared a story with me which you

448

00:17:56,029 --> 00:17:52,440

included within the book and essentially

449

00:17:58,610 --> 00:17:56,039

Chase and her husband was with her and a

450

00:18:00,830 --> 00:17:58,620

few other folks and you experienced

451
00:18:02,930 --> 00:18:00,840
missing Time Crossing a section of a

452
00:18:04,549 --> 00:18:02,940
field that you're you're all well aware

453
00:18:07,190 --> 00:18:04,559
I should only take a few minutes and it

454
00:18:09,169 --> 00:18:07,200
takes much longer during that encounter

455
00:18:12,409 --> 00:18:09,179
The Listener asked me given something

456
00:18:15,230 --> 00:18:12,419
they had heard that you had been taken

457
00:18:16,669 --> 00:18:15,240
off Planet during that experience and I

458
00:18:19,370 --> 00:18:16,679
wonder if that's something you would

459
00:18:22,130 --> 00:18:19,380
confirm if that has ever happened to you

460
00:18:24,289 --> 00:18:22,140
or anyone with you I asked Chase and at

461
00:18:27,770 --> 00:18:24,299
the time she didn't want to comment

462
00:18:28,310 --> 00:18:27,780
well I write about chasing the book and

463
00:18:30,130 --> 00:18:28,320

um

464

00:18:33,529 --> 00:18:30,140

a little short

465

00:18:36,350 --> 00:18:33,539

her husband is a U.S naval sub Commander

466

00:18:38,930 --> 00:18:36,360

right Carrie secret Clarence says he's

467

00:18:41,930 --> 00:18:38,940

this big guy he navigates the world

468

00:18:46,010 --> 00:18:41,940

underneath the water and has a watched

469

00:18:49,610 --> 00:18:46,020

navigation watched I mean High texting

470

00:18:53,330 --> 00:18:49,620

and what it was was a

471

00:18:56,810 --> 00:18:53,340

um a group of people uh from a ghost

472

00:19:00,470 --> 00:18:56,820

hunting outfit in Wilmington North

473

00:19:02,630 --> 00:19:00,480

Carolina was in my little Hometown where

474

00:19:04,430 --> 00:19:02,640

my mother was born and I was kind of

475

00:19:06,169 --> 00:19:04,440

reared up a little town called Saint

476

00:19:08,930 --> 00:19:06,179

Paul's

477

00:19:10,789 --> 00:19:08,940

my grandfather's buried there my family

478

00:19:12,409 --> 00:19:10,799

is buried and it's only 20 minutes from

479

00:19:15,529 --> 00:19:12,419

where I live now

480

00:19:18,950 --> 00:19:15,539

but Chase calls me on a Sunday night and

481

00:19:21,230 --> 00:19:18,960

says oh Monday night and says Chris have

482

00:19:23,990 --> 00:19:21,240

you ever heard of Saint Paul's

483

00:19:25,610 --> 00:19:24,000

I said hold on don't tell me yes I've

484

00:19:27,470 --> 00:19:25,620

heard of Saint Paul's I was raised there

485

00:19:28,669 --> 00:19:27,480

I said but don't tell me I want to tell

486

00:19:30,590 --> 00:19:28,679

you first

487

00:19:33,230 --> 00:19:30,600

so I began to tell her about Saturday

488

00:19:35,390 --> 00:19:33,240

night I walk outside I sit down on the

489

00:19:38,870 --> 00:19:35,400

patio got a fire going

490

00:19:40,909 --> 00:19:38,880

and um I'm laid back looking straight up

491

00:19:43,070 --> 00:19:40,919

at the sky just meditating and suddenly

492

00:19:46,310 --> 00:19:43,080

two orange organs appear

493

00:19:48,350 --> 00:19:46,320

way up and they came all the way down to

494

00:19:50,210 --> 00:19:48,360

the top of the trees and sat there in

495

00:19:52,970 --> 00:19:50,220

the back of my property hovering over

496

00:19:55,430 --> 00:19:52,980

the trees two great big orange doors

497

00:19:58,490 --> 00:19:55,440

when they left they shot off towards

498

00:20:00,650 --> 00:19:58,500

Saint Paul's so I told her this story

499

00:20:02,570 --> 00:20:00,660

and then she tells me about these Ghost

500

00:20:04,549 --> 00:20:02,580

Hunters

501
00:20:07,250 --> 00:20:04,559
um that they had walked out of the house

502
00:20:09,650 --> 00:20:07,260
and into the forest and

503
00:20:12,110 --> 00:20:09,660
these orange streaks went right over

504
00:20:14,810 --> 00:20:12,120
their head and two hours later

505
00:20:17,930 --> 00:20:14,820
uh they lost two hours of time so she

506
00:20:20,150 --> 00:20:17,940
asked if I would be in interested in

507
00:20:22,970 --> 00:20:20,160
investigating it with her because she

508
00:20:23,990 --> 00:20:22,980
was coming to our area and so a week

509
00:20:27,669 --> 00:20:24,000
later

510
00:20:31,850 --> 00:20:27,679
I call a friend from NASA he flies in

511
00:20:33,890 --> 00:20:31,860
for the day I pick him up and that's the

512
00:20:37,070 --> 00:20:33,900
famous Timothy Taylor you hear Diana

513
00:20:39,950 --> 00:20:37,080

silk talk about I introduced him to

514

00:20:42,289 --> 00:20:39,960

Diana by the way she uh

515

00:20:45,110 --> 00:20:42,299

she met him a couple years three years

516

00:20:46,310 --> 00:20:45,120

after I did or so

517

00:20:49,430 --> 00:20:46,320

um but

518

00:20:51,409 --> 00:20:49,440

we were all there and and that night

519

00:20:53,930 --> 00:20:51,419

they invited me back for a ghost hunt

520

00:20:55,970 --> 00:20:53,940

they wanted to recreate the thing

521

00:20:58,850 --> 00:20:55,980

should I dropped Tim back off at the

522

00:21:00,710 --> 00:20:58,860

airport and he goes home to Huntsville I

523

00:21:02,930 --> 00:21:00,720

went back over there and met with them

524

00:21:05,630 --> 00:21:02,940

and they did their thing in the house

525

00:21:07,549 --> 00:21:05,640

with their EVPs and I sat outside I

526
00:21:09,650 --> 00:21:07,559
wasn't interested in that

527
00:21:11,390 --> 00:21:09,660
but the where they missed time was

528
00:21:13,250 --> 00:21:11,400
behind the house

529
00:21:16,010 --> 00:21:13,260
there's a cabin in the edge of the

530
00:21:18,169 --> 00:21:16,020
forest behind a kind of across the field

531
00:21:20,810 --> 00:21:18,179
so you walk out the back door of this

532
00:21:22,250 --> 00:21:20,820
plantation house is a Big Field go to

533
00:21:24,650 --> 00:21:22,260
the other side of the field and inside

534
00:21:26,029 --> 00:21:24,660
the trees just in the woods is this

535
00:21:28,070 --> 00:21:26,039
cabin

536
00:21:30,890 --> 00:21:28,080
so we go over there

537
00:21:35,570 --> 00:21:30,900
and we take off through the forest

538
00:21:37,850 --> 00:21:35,580

behind the cabin and 15 minutes walk we

539

00:21:40,370 --> 00:21:37,860

come out on a power line a big high

540

00:21:42,350 --> 00:21:40,380

tension power line just just a clear

541

00:21:43,490 --> 00:21:42,360

Lane you know you can see their way of

542

00:21:45,830 --> 00:21:43,500

mild

543

00:21:48,950 --> 00:21:45,840

but it's 15 minutes across these heads

544

00:21:51,350 --> 00:21:48,960

of woods but here's the key behind that

545

00:21:54,230 --> 00:21:51,360

cabin is a dish 10 feet from the back

546

00:21:56,630 --> 00:21:54,240

steps is a big ditch so we all had to go

547

00:21:58,070 --> 00:21:56,640

in the ditch it's dry trees growing up

548

00:22:00,169 --> 00:21:58,080

in a thick forest

549

00:22:01,610 --> 00:22:00,179

and then with the 10 minutes to the

550

00:22:03,950 --> 00:22:01,620

power line

551
00:22:05,990 --> 00:22:03,960
so when it was time to go back to the

552
00:22:08,270 --> 00:22:06,000
cabin we made it through the woods got

553
00:22:10,430 --> 00:22:08,280
over there looked around and on our way

554
00:22:12,890 --> 00:22:10,440
back

555
00:22:15,350 --> 00:22:12,900
um when we started Pete's like I'll do

556
00:22:17,210 --> 00:22:15,360
the navigation we need to take this

557
00:22:20,090 --> 00:22:17,220
heading we're going to come right out at

558
00:22:23,029 --> 00:22:20,100
the car where the cabin is

559
00:22:24,830 --> 00:22:23,039
so eight of us in that group I was the

560
00:22:27,230 --> 00:22:24,840
number eight in line I was in the back

561
00:22:29,870 --> 00:22:27,240
Chase was in front of me so we were

562
00:22:32,090 --> 00:22:29,880
bringing up the tail end peace in the

563
00:22:35,810 --> 00:22:32,100

front God

564

00:22:38,570 --> 00:22:35,820

when we get to the ditch handy

565

00:22:42,169 --> 00:22:38,580

I'd never seen anything like this

566

00:22:45,950 --> 00:22:42,179

especially when I saw Pete and what it

567

00:22:49,870 --> 00:22:45,960

did to him and this guy's six foot five

568

00:22:54,230 --> 00:22:49,880

or six and he's you know he's a he's a

569

00:22:56,990 --> 00:22:54,240

model Navy sealed just a big honking

570

00:23:00,950 --> 00:22:57,000

he's a teddy bear right but he's still

571

00:23:03,289 --> 00:23:00,960

a very smart guy so when we got to the

572

00:23:05,930 --> 00:23:03,299

dish and we walked down in a ditch and

573

00:23:08,210 --> 00:23:05,940

out on the other side we walked back out

574

00:23:09,890 --> 00:23:08,220

on the power line

575

00:23:11,750 --> 00:23:09,900

there is no dictionary the power line

576

00:23:14,390 --> 00:23:11,760

it's behind that cabin

577

00:23:17,270 --> 00:23:14,400

and when we did that everybody said oh

578

00:23:20,029 --> 00:23:17,280

my God and I didn't I knew what happened

579

00:23:22,970 --> 00:23:20,039

because I was meditating I was singing a

580

00:23:25,669 --> 00:23:22,980

song the whole way across there

581

00:23:28,669 --> 00:23:25,679

and it messed everybody up really bad

582

00:23:31,130 --> 00:23:28,679

and we went turned around and walked

583

00:23:33,649 --> 00:23:31,140

back the other way towards the power

584

00:23:36,169 --> 00:23:33,659

line we thought and we came to the ditch

585

00:23:37,669 --> 00:23:36,179

again and walked through the ditch up to

586

00:23:40,250 --> 00:23:37,679

the cabin

587

00:23:42,590 --> 00:23:40,260

and it just blew the whole group's mind

588

00:23:43,909 --> 00:23:42,600

and I told him I said we lost 15 minutes

589

00:23:46,130 --> 00:23:43,919

of time

590

00:23:48,350 --> 00:23:46,140

well how and so they went home and they

591

00:23:51,770 --> 00:23:48,360

were they had helmet cams and recording

592

00:23:54,289 --> 00:23:51,780

devices and you know they had all kinds

593

00:23:55,970 --> 00:23:54,299

of equipment they had started a timer in

594

00:23:59,210 --> 00:23:55,980

the car

595

00:24:00,649 --> 00:23:59,220

and she calls me on

596

00:24:02,570 --> 00:24:00,659

the following

597

00:24:04,190 --> 00:24:02,580

um Monday or Tuesday after they reviewed

598

00:24:05,870 --> 00:24:04,200

the evidence and she said you're never

599

00:24:08,870 --> 00:24:05,880

going to believe what happened I said

600

00:24:10,970 --> 00:24:08,880

yeah we lost 15 minutes of time

601
00:24:14,029 --> 00:24:10,980
she said how did you know

602
00:24:16,190 --> 00:24:14,039
I said because I witnessed it it takes

603
00:24:19,730 --> 00:24:16,200
15 minutes to go across that head of

604
00:24:21,049 --> 00:24:19,740
words and one trip across that is when

605
00:24:23,630 --> 00:24:21,059
they took us

606
00:24:25,850 --> 00:24:23,640
and um

607
00:24:28,909 --> 00:24:25,860
see anyhow yeah I write about this story

608
00:24:31,250 --> 00:24:28,919
and it is a lot more to it

609
00:24:32,630 --> 00:24:31,260
and um

610
00:24:34,549 --> 00:24:32,640
yeah

611
00:24:36,770 --> 00:24:34,559
so that's not the only person I've had

612
00:24:39,649 --> 00:24:36,780
scientists from the government lose as

613
00:24:43,010 --> 00:24:39,659

much as two hours of time on my property

614

00:24:45,890 --> 00:24:43,020

along with me

615

00:24:49,250 --> 00:24:45,900

and I wonder how many times do you

616

00:24:50,630 --> 00:24:49,260

remember potentially being taken off

617

00:24:52,549 --> 00:24:50,640

planet

618

00:24:55,909 --> 00:24:52,559

quite a few

619

00:24:57,710 --> 00:24:55,919

right and it to any of the others such

620

00:24:59,210 --> 00:24:57,720

as and I know Chase didn't want to talk

621

00:25:00,890 --> 00:24:59,220

about it at the time

622

00:25:02,990 --> 00:25:00,900

um but any of those scientists or

623

00:25:05,750 --> 00:25:03,000

officials if they have that messing time

624

00:25:07,669 --> 00:25:05,760

experience do any of them recall what

625

00:25:10,430 --> 00:25:07,679

happened to them or does it tend to be

626

00:25:13,850 --> 00:25:10,440

just missing for them it tends to mess

627

00:25:16,549 --> 00:25:13,860

with the memories I can't remember what

628

00:25:20,029 --> 00:25:16,559

happened during that time and I don't

629

00:25:23,930 --> 00:25:20,039

think we ever will no because they have

630

00:25:26,210 --> 00:25:23,940

a good way of erasing your memory and

631

00:25:29,230 --> 00:25:26,220

we tend to get regressions and all that

632

00:25:33,529 --> 00:25:29,240

hoping you find Clues but

633

00:25:35,750 --> 00:25:33,539

you can remember bits and pieces of it

634

00:25:38,690 --> 00:25:35,760

it's almost impossible like the four

635

00:25:41,330 --> 00:25:38,700

hours on the river I have plain memories

636

00:25:45,529 --> 00:25:41,340

about being over Egypt

637

00:25:49,549 --> 00:25:45,539

of all that night of the grueling

638

00:25:52,130 --> 00:25:49,559

uh it was just it was a a big thing

639

00:25:55,850 --> 00:25:52,140

scared us all to death and four hours

640

00:25:58,970 --> 00:25:55,860

seemed like four years in that world

641

00:26:00,470 --> 00:25:58,980

and I have lots of memories but the

642

00:26:03,169 --> 00:26:00,480

Egypt

643

00:26:07,070 --> 00:26:03,179

the Temple of hath Thor

644

00:26:09,409 --> 00:26:07,080

the pyramids and the Spanx it's just

645

00:26:11,029 --> 00:26:09,419

reverberates through my brain and it did

646

00:26:13,730 --> 00:26:11,039

from the verb again

647

00:26:16,190 --> 00:26:13,740

this it's a clue and it's in the book

648

00:26:17,630 --> 00:26:16,200

well there are many more stories like

649

00:26:18,890 --> 00:26:17,640

that in the book and obviously I don't

650

00:26:20,570 --> 00:26:18,900

want to go through them all because that

651
00:26:21,830 --> 00:26:20,580
would defeat the purpose of of you

652
00:26:25,490 --> 00:26:21,840
writing a book you could have just came

653
00:26:30,169 --> 00:26:27,830
what I'd like to know is on and this is

654
00:26:32,630 --> 00:26:30,179
from Mike do you have any idea who

655
00:26:35,269 --> 00:26:32,640
specifically might be in charge of their

656
00:26:37,010 --> 00:26:35,279
secret UFO recovery program makes under

657
00:26:39,350 --> 00:26:37,020
the impression that someone or one

658
00:26:40,970 --> 00:26:39,360
individual group is calling the shots is

659
00:26:43,070 --> 00:26:40,980
that your understanding or is this

660
00:26:45,470 --> 00:26:43,080
spread over a larger area

661
00:26:47,990 --> 00:26:45,480
I'm going to use a word

662
00:26:50,690 --> 00:26:48,000
actually I'm going to use two words

663
00:26:53,390 --> 00:26:50,700

Group K

664

00:26:56,029 --> 00:26:53,400

remember that

665

00:26:58,490 --> 00:26:56,039

Group K

666

00:27:00,409 --> 00:26:58,500

and I hope it's causing a minor coronary

667

00:27:02,090 --> 00:27:00,419

infarction for somebody in the Pentagon

668

00:27:04,850 --> 00:27:02,100

right now

669

00:27:08,090 --> 00:27:04,860

that's all I'm going to say

670

00:27:09,649 --> 00:27:08,100

but that group is very important if

671

00:27:13,190 --> 00:27:09,659

there is

672

00:27:14,570 --> 00:27:13,200

an organization that is gatekeeping and

673

00:27:16,430 --> 00:27:14,580

if there is

674

00:27:19,210 --> 00:27:16,440

and I suspect there is that is

675

00:27:22,010 --> 00:27:19,220

gatekeeping access to information on

676

00:27:24,890 --> 00:27:22,020

uaps possibly crash retrievals and

677

00:27:27,769 --> 00:27:24,900

possibly reverse engineering programs

678

00:27:29,870 --> 00:27:27,779

a good starting point is the special

679

00:27:32,330 --> 00:27:29,880

Access program oversight committee

680

00:27:33,289 --> 00:27:32,340

membership of the United States defense

681

00:27:35,390 --> 00:27:33,299

department

682

00:27:37,549 --> 00:27:35,400

and they're listed members

683

00:27:40,490 --> 00:27:37,559

I've approached a few of them myself

684

00:27:43,430 --> 00:27:40,500

over the years to no great shakes

685

00:27:48,769 --> 00:27:43,440

another one is as well as the sepok

686

00:27:52,250 --> 00:27:48,779

there's the srg the senior review group

687

00:27:53,990 --> 00:27:52,260

and these are the people who review the

688

00:27:56,450 --> 00:27:54,000

most sensitive secrets in the US

689

00:28:00,769 --> 00:27:59,269

the waived unacknowledged special access

690

00:28:04,130 --> 00:28:00,779

programs

691

00:28:06,110 --> 00:28:04,140

if anyone knows they do

692

00:28:07,850 --> 00:28:06,120

and look frankly there's a hell of a lot

693

00:28:10,149 --> 00:28:07,860

that's on the public record I just

694

00:28:12,950 --> 00:28:10,159

noticed today for example that

695

00:28:14,769 --> 00:28:12,960

it was flying around social media that

696

00:28:17,510 --> 00:28:14,779

Eric Davis God bless him yet again

697

00:28:20,630 --> 00:28:17,520

Jacques valet's Diaries have provided

698

00:28:23,990 --> 00:28:20,640

more information about an incident where

699

00:28:26,990 --> 00:28:24,000

Jacques was informed by Hal putoff Eric

700

00:28:29,269 --> 00:28:27,000

Davis's thin boss at the time that Eric

701

00:28:31,490 --> 00:28:29,279

had met no no less than the former

702

00:28:34,070 --> 00:28:31,500

President George Bush Senior

703

00:28:38,570 --> 00:28:34,080

and that Bush was giving Eric advice

704

00:28:41,870 --> 00:28:38,580

about the um uh intelligence community

705

00:28:44,930 --> 00:28:41,880

and Eric not unsurprisingly asked

706

00:28:47,090 --> 00:28:44,940

questions about General Corso could

707

00:28:49,430 --> 00:28:47,100

Corso have been mistaken in dealing with

708

00:28:51,649 --> 00:28:49,440

the material he was handling could that

709

00:28:54,649 --> 00:28:51,659

have been Nazi Hardware Eric asked

710

00:28:55,850 --> 00:28:54,659

George Bush Senior impossible replied

711

00:28:58,610 --> 00:28:55,860

bush

712

00:29:01,190 --> 00:28:58,620

he then remembered General Trudeau who

713

00:29:02,870 --> 00:29:01,200

showed interest he asked

714

00:29:05,750 --> 00:29:02,880

um

715

00:29:07,970 --> 00:29:05,760

uh okay we'll move on he asked about the

716

00:29:10,070 --> 00:29:07,980

Holloman film which is the alleged

717

00:29:11,690 --> 00:29:10,080

Landing of an alien spacecraft at the

718

00:29:13,970 --> 00:29:11,700

Holloman Air Force Base which frankly

719

00:29:14,990 --> 00:29:13,980

I've always thought was just a specious

720

00:29:18,230 --> 00:29:15,000

story

721

00:29:20,510 --> 00:29:18,240

and the former president was aware of it

722

00:29:21,529 --> 00:29:20,520

was it a training film a special ops

723

00:29:26,149 --> 00:29:21,539

exercise

724

00:29:29,450 --> 00:29:26,159

no George Bush Senior replied it was the

725

00:29:33,769 --> 00:29:29,460

real thing there was a secret project

726

00:29:36,409 --> 00:29:33,779

and the security was obscene

727

00:29:37,850 --> 00:29:36,419

now little tidbits like that appear in

728

00:29:41,149 --> 00:29:37,860

Jacques filet's Forbidden Science

729

00:29:43,450 --> 00:29:41,159

Diaries time and time again there was a

730

00:29:45,289 --> 00:29:43,460

mention just the other day of a former

731

00:29:47,330 --> 00:29:45,299

senior member of the government

732

00:29:49,370 --> 00:29:47,340

Accounting Office that was involved in

733

00:29:52,190 --> 00:29:49,380

an audit investigation that allegedly

734

00:29:54,529 --> 00:29:52,200

uncovered monies leading to the program

735

00:29:55,730 --> 00:29:54,539

I think his name was General bowder from

736

00:29:58,490 --> 00:29:55,740

memory

737

00:30:01,789 --> 00:29:58,500

there are trails to follow

738

00:30:05,570 --> 00:30:01,799

and if I was a member of that gatekeeper

739

00:30:07,669 --> 00:30:05,580

group who are hiding the

740

00:30:10,070 --> 00:30:07,679

evidence that a lot of people suspect

741

00:30:12,049 --> 00:30:10,080

that they are hiding I'd be getting very

742

00:30:14,450 --> 00:30:12,059

nervous right now because the Congress

743

00:30:17,810 --> 00:30:14,460

has mandated that this information be

744

00:30:20,389 --> 00:30:17,820

provided to the Congress through Arrow

745

00:30:23,510 --> 00:30:20,399

and the stipulation is that if it hasn't

746

00:30:26,090 --> 00:30:23,520

been properly accounted for through the

747

00:30:29,149 --> 00:30:26,100

normal oversight procedures to the

748

00:30:30,769 --> 00:30:29,159

Congress it has to be reported within a

749

00:30:33,590 --> 00:30:30,779

very short period of time I think the

750

00:30:34,730 --> 00:30:33,600

time is 72 hours to those oversight

751
00:30:37,789 --> 00:30:34,740
committees

752
00:30:40,310 --> 00:30:37,799
and I just wonder whether that mandate

753
00:30:42,710 --> 00:30:40,320
has been triggered yet because boy I'm

754
00:30:44,149 --> 00:30:42,720
hearing some amazing stuff from sources

755
00:30:46,070 --> 00:30:44,159
including

756
00:30:48,769 --> 00:30:46,080
sources who've told me that they've

757
00:30:52,010 --> 00:30:48,779
approached the congress with information

758
00:30:54,590 --> 00:30:52,020
about the program

759
00:30:57,409 --> 00:30:54,600
and I'm just hoping people are being

760
00:30:59,510 --> 00:30:57,419
named and shamed because even if there

761
00:31:01,789 --> 00:30:59,520
is let's just hypothetically assume Andy

762
00:31:04,070 --> 00:31:01,799
that the say a presidential executive

763
00:31:06,289 --> 00:31:04,080

order that mandated all of this be kept

764

00:31:10,549 --> 00:31:06,299

secret right back in sale I don't know

765

00:31:12,889 --> 00:31:10,559

19 18 1940s 47 perhaps

766

00:31:15,889 --> 00:31:12,899

um let's just say that that's the case

767

00:31:18,110 --> 00:31:15,899

is it legal has anybody ever really

768

00:31:20,870 --> 00:31:18,120

tested the legality of such a a

769

00:31:23,630 --> 00:31:20,880

declaration why haven't presidents been

770

00:31:26,810 --> 00:31:23,640

briefed and moreover why was President

771

00:31:29,510 --> 00:31:26,820

Obama briefed post his presidency and

772

00:31:31,549 --> 00:31:29,520

why has his attitude hardened to

773

00:31:34,310 --> 00:31:31,559

suggesting that there just might be

774

00:31:36,590 --> 00:31:34,320

something to this UAP issue

775

00:31:39,350 --> 00:31:36,600

so the the evidence is there an answer

776

00:31:41,510 --> 00:31:39,360

to your um your questioner

777

00:31:44,029 --> 00:31:41,520

um I do think that there are an

778

00:31:46,370 --> 00:31:44,039

abundance of names that can be pursued

779

00:31:48,470 --> 00:31:46,380

and investigated all the Congress needs

780

00:31:51,590 --> 00:31:48,480

to do is call them

781

00:31:53,630 --> 00:31:51,600

and they can be called involuntarily

782

00:31:55,010 --> 00:31:53,640

the big issue my friend and this is

783

00:31:57,110 --> 00:31:55,020

where the pushback's happening is

784

00:31:59,330 --> 00:31:57,120

whether you and I the general public

785

00:32:01,430 --> 00:31:59,340

will get told about it

786

00:32:04,490 --> 00:32:01,440

because don't forget that the only thing

787

00:32:07,210 --> 00:32:04,500

the legislation does is mandate that

788

00:32:10,190 --> 00:32:07,220

proper oversight and accountability be

789

00:32:13,250 --> 00:32:10,200

reinstated on every program involved

790

00:32:16,190 --> 00:32:13,260

with uaps because there's a clear belief

791

00:32:18,409 --> 00:32:16,200

in the legislation it's quite clear the

792

00:32:22,310 --> 00:32:18,419

purpose of the legislation is to bring

793

00:32:24,110 --> 00:32:22,320

these UAP programs back within the

794

00:32:25,909 --> 00:32:24,120

control and oversight of the proper

795

00:32:28,370 --> 00:32:25,919

procedures of Congress

796

00:32:30,169 --> 00:32:28,380

there's no requirement that the public

797

00:32:32,690 --> 00:32:30,179

be told

798

00:32:34,010 --> 00:32:32,700

and if I was the U.S frankly mate I can

799

00:32:36,409 --> 00:32:34,020

see there's a bloody good argument if

800

00:32:37,970 --> 00:32:36,419

I've recovered alien technology and I'm

801
00:32:39,830 --> 00:32:37,980
in a battle with the Russians and the

802
00:32:42,110 --> 00:32:39,840
Chinese to develop let's say

803
00:32:45,710 --> 00:32:42,120
anti-gravity or propulsion systems or

804
00:32:46,970 --> 00:32:45,720
Weapons Systems stealth technology I

805
00:32:49,549 --> 00:32:46,980
sure as hell wouldn't be telling the

806
00:32:51,470 --> 00:32:49,559
public about it and that's the issue

807
00:32:53,570 --> 00:32:51,480
is the Congress going to be told about

808
00:32:55,490 --> 00:32:53,580
this and is there a possibility that if

809
00:33:00,350 --> 00:32:55,500
the Congress could get told about it in

810
00:33:04,070 --> 00:33:02,269
final question then from Newman because

811
00:33:06,110 --> 00:33:04,080
we're running out of time Newman asked

812
00:33:09,049 --> 00:33:06,120
is there any news on evidence of our

813
00:33:10,730 --> 00:33:09,059

sensor systems in space having picked up

814

00:33:12,409 --> 00:33:10,740

on new APS

815

00:33:14,630 --> 00:33:12,419

well Christopher Millen wrote a

816

00:33:16,850 --> 00:33:14,640

fantastic piece about this about a year

817

00:33:19,009 --> 00:33:16,860

and a half ago which I really commend to

818

00:33:20,810 --> 00:33:19,019

people where he's summarized the

819

00:33:22,430 --> 00:33:20,820

capabilities of all of the different

820

00:33:24,590 --> 00:33:22,440

satellites and all of the different

821

00:33:28,190 --> 00:33:24,600

agencies that the um

822

00:33:30,350 --> 00:33:28,200

that the US has I started up my research

823

00:33:33,710 --> 00:33:30,360

I I knew a guy before he passed called

824

00:33:36,049 --> 00:33:33,720

Jeff Richardson who did a fantastic book

825

00:33:38,149 --> 00:33:36,059

that I've got on my shelf that talked

826

00:33:39,769 --> 00:33:38,159

about the DSP satellites the defense

827

00:33:42,289 --> 00:33:39,779

Support Program satellites that

828

00:33:47,509 --> 00:33:42,299

essentially looked for flares of rockets

829

00:33:50,570 --> 00:33:47,519

in on the planet below and um boy was my

830

00:33:53,210 --> 00:33:50,580

world shook when I received a very very

831

00:33:55,789 --> 00:33:53,220

confidential briefing from sources who

832

00:33:57,590 --> 00:33:55,799

told me about the technologies that the

833

00:34:01,070 --> 00:33:57,600

geospatial agency the national

834

00:34:03,529 --> 00:34:01,080

reconnaissance agency the NSA and the

835

00:34:05,750 --> 00:34:03,539

dod more broadly in the United States

836

00:34:08,930 --> 00:34:05,760

have got that that essentially send

837

00:34:11,690 --> 00:34:08,940

Telemetry data done through Australia's

838

00:34:14,109 --> 00:34:11,700

Pine Gap base back to the United States

839

00:34:17,510 --> 00:34:14,119

on a on a secure terminal

840

00:34:19,250 --> 00:34:17,520

it's mind-blowing the capabilities that

841

00:34:23,149 --> 00:34:19,260

they've got they're not just looking at

842

00:34:25,129 --> 00:34:23,159

Earth they're looking out towards space

843

00:34:28,790 --> 00:34:25,139

and don't forget also my friend the

844

00:34:31,250 --> 00:34:28,800

James Webb Telescope I mean wow you know

845

00:34:33,530 --> 00:34:31,260

you've got a purpose-built platform now

846

00:34:35,510 --> 00:34:33,540

on the other side of the moon that is

847

00:34:37,129 --> 00:34:35,520

able to look at the universe in ways

848

00:34:40,609 --> 00:34:37,139

we've never been able to look at before

849

00:34:42,230 --> 00:34:40,619

it's actually really exciting and time

850

00:34:44,869 --> 00:34:42,240

and time again people like Christopher

851
00:34:47,270 --> 00:34:44,879
melon that gentleman whose name

852
00:34:49,310 --> 00:34:47,280
momentarily escapes me who's the former

853
00:34:51,470 --> 00:34:49,320
deputy head of the Coast Guard who um

854
00:34:54,109 --> 00:34:51,480
Jay from Project unity's head on a few

855
00:34:57,349 --> 00:34:54,119
times Gallade I think his name is he's

856
00:35:01,070 --> 00:34:57,359
talked about the importance of data held

857
00:35:02,210 --> 00:35:01,080
I think by the geospatial agency and the

858
00:35:06,230 --> 00:35:02,220
nro

859
00:35:08,329 --> 00:35:06,240
it's quite clear that there is a vast

860
00:35:10,609 --> 00:35:08,339
amount of data I think the biggest

861
00:35:13,670 --> 00:35:10,619
repository of a lot of this data though

862
00:35:16,550 --> 00:35:13,680
is the Department of energy

863
00:35:19,069 --> 00:35:16,560

it goes right back to 1947 when the

864

00:35:21,589 --> 00:35:19,079

department of energy was involved in the

865

00:35:23,690 --> 00:35:21,599

um Los Alamos testing and when a lot of

866

00:35:27,109 --> 00:35:23,700

strange objects were coming down in the

867

00:35:29,390 --> 00:35:27,119

Nevada desert and more by accident and

868

00:35:30,849 --> 00:35:29,400

historical happenstance by then by

869

00:35:33,890 --> 00:35:30,859

Design

870

00:35:37,609 --> 00:35:33,900

Los Alamos the department of energy

871

00:35:40,250 --> 00:35:37,619

became I think a major point for

872

00:35:43,430 --> 00:35:40,260

where a lot of this data went

873

00:35:45,650 --> 00:35:43,440

and it's not a coincidence my friend the

874

00:35:47,750 --> 00:35:45,660

department of energy is excluded from

875

00:35:49,069 --> 00:35:47,760

Freedom of Information laws

876

00:35:51,530 --> 00:35:49,079

go figure

877

00:35:53,390 --> 00:35:51,540

that is all for this week's show thank
