

APRIL PREVIEW

1
00:00:06,220 --> 00:00:04,190
this is David Marler UFO researcher and

2
00:00:12,230 --> 00:00:06,230
you're listening to that UFO podcast

3
00:00:17,330 --> 00:00:14,330
hi everyone and welcome back to that

4
00:00:21,109 --> 00:00:17,340
uafo podcast Andy here with your April

5
00:00:23,210 --> 00:00:21,119
2023 preview show this is a chance for

6
00:00:24,830 --> 00:00:23,220
those of you not on social media or for

7
00:00:26,630 --> 00:00:24,840
anyone who likes to catch up with what's

8
00:00:29,810 --> 00:00:26,640
coming up on the podcast this month

9
00:00:32,510 --> 00:00:29,820
including the latest guest news so

10
00:00:34,130 --> 00:00:32,520
without further Ado April is said by

11
00:00:36,950 --> 00:00:34,140
some to be potentially a very

12
00:00:39,530 --> 00:00:36,960
interesting month after what was quite a

13
00:00:41,389 --> 00:00:39,540

quiet March maybe they can before the

14

00:00:43,850 --> 00:00:41,399

storm who knows am I being too

15

00:00:46,069 --> 00:00:43,860

optimistic but time will certainly tell

16

00:00:47,810 --> 00:00:46,079

as always if there is any breaking

17

00:00:50,389 --> 00:00:47,820

newsworthy discussion you'll hear it

18

00:00:52,490 --> 00:00:50,399

here first and over the other shows out

19

00:00:55,610 --> 00:00:52,500

there in the worldwide interweb of

20

00:00:57,290 --> 00:00:55,620

course as well in the next 48 hours Dan

21

00:00:59,450 --> 00:00:57,300

is going to join me before he starts

22

00:01:01,369 --> 00:00:59,460

filming with the phenomenology crew out

23

00:01:03,650 --> 00:01:01,379

in Colombia and we're going to round up

24

00:01:05,630 --> 00:01:03,660

some of the UFO news from the last month

25

00:01:07,310 --> 00:01:05,640

or so there wasn't a whole lot to talk

26

00:01:08,750 --> 00:01:07,320

about and with both of us being busy

27

00:01:11,210 --> 00:01:08,760

there was a lack of breakdown so we'll

28

00:01:13,070 --> 00:01:11,220

put it all into one show as part of that

29

00:01:14,570 --> 00:01:13,080

we're also happy to answer any questions

30

00:01:16,609 --> 00:01:14,580

you might have even if it's just our

31

00:01:18,469 --> 00:01:16,619

opinion on something feel free to fire

32

00:01:22,010 --> 00:01:18,479

us over a couple of questions don't

33

00:01:25,850 --> 00:01:22,020

leave us hanging folks email UFO UAP am

34

00:01:27,890 --> 00:01:25,860

at gmail.com this month when it comes to

35

00:01:31,310 --> 00:01:27,900

guests I'm going to be covering a lot of

36

00:01:33,289 --> 00:01:31,320

bases in the UFO conversation first up

37

00:01:35,630 --> 00:01:33,299

it's a double header for me this week as

38

00:01:38,870 --> 00:01:35,640

two shows rescheduled from late March

39

00:01:41,030 --> 00:01:38,880

are due first off Graham Randall joins

40

00:01:43,130 --> 00:01:41,040

me to delve back into the history of the

41

00:01:45,170 --> 00:01:43,140

UFO conversation we're going to be

42

00:01:48,469 --> 00:01:45,180

discussing his recent books charting the

43

00:01:50,450 --> 00:01:48,479

sightings of the 40s and 50s a lot of

44

00:01:52,429 --> 00:01:50,460

people see the history of UFOs as being

45

00:01:54,830 --> 00:01:52,439

key to solving the mysteries of modern

46

00:01:57,289 --> 00:01:54,840

day and Graham is a wealth of knowledge

47

00:01:59,510 --> 00:01:57,299

on both the past and the present of the

48

00:02:01,670 --> 00:01:59,520

UFO subject so be sure to check that one

49

00:02:03,889 --> 00:02:01,680

one out that one out I'll leave that one

50

00:02:06,410 --> 00:02:03,899

in I'll stop seeing one and make sure

51
00:02:08,330 --> 00:02:06,420
you pick up one of her series of books

52
00:02:09,830 --> 00:02:08,340
if you can as well at least look forward

53
00:02:12,949 --> 00:02:09,840
to speaking to Graham he's a good friend

54
00:02:15,350 --> 00:02:12,959
of mine as well and if you I've also

55
00:02:17,449 --> 00:02:15,360
wanted for quite a while is up next with

56
00:02:19,670 --> 00:02:17,459
the next guest he doesn't tend to do

57
00:02:21,410 --> 00:02:19,680
many interviews at all and if you're on

58
00:02:23,990 --> 00:02:21,420
social media you'll likely be familiar

59
00:02:25,790 --> 00:02:24,000
with tiny Klaus for me I noticed close

60
00:02:28,190 --> 00:02:25,800
bringing up lots of excellent pieces of

61
00:02:30,170 --> 00:02:28,200
info from old interviewers articles and

62
00:02:32,510 --> 00:02:30,180
books to give context to conversations

63
00:02:34,670 --> 00:02:32,520

or statements being made in the now

64

00:02:37,850 --> 00:02:34,680

whether it was Tom DeLong Travis Taylor

65

00:02:39,170 --> 00:02:37,860

avilae blue Elizondo or others it's a

66

00:02:41,809 --> 00:02:39,180

real big help when you've got a podcast

67

00:02:43,910 --> 00:02:41,819

I can assure you I'm a subscriber to his

68

00:02:45,830 --> 00:02:43,920

sub stack articles and really enjoy

69

00:02:48,050 --> 00:02:45,840

reading klaus's thoughts and opinions on

70

00:02:50,449 --> 00:02:48,060

a whole range of ideas around the UFO

71

00:02:52,250 --> 00:02:50,459

conversation it captures things from

72

00:02:54,830 --> 00:02:52,260

across the range of you know nuts and

73

00:02:57,170 --> 00:02:54,840

bolts spiritual crypto terrestrial and a

74

00:02:59,089 --> 00:02:57,180

whole lot more earned a follow for him

75

00:03:01,309 --> 00:02:59,099

from Tom DeLonge and Tom DeLong as

76
00:03:02,990 --> 00:03:01,319
retweet some of his stuff as well so you

77
00:03:05,570 --> 00:03:03,000
know he knows what he's talking about at

78
00:03:07,610 --> 00:03:05,580
least that that much is true already one

79
00:03:09,170 --> 00:03:07,620
I've had a ton of questions for and if

80
00:03:11,750 --> 00:03:09,180
you're not familiar with their close

81
00:03:14,030 --> 00:03:11,760
tiny close then that is one you will

82
00:03:16,850 --> 00:03:14,040
want to listen to a fantastic uh

83
00:03:18,410 --> 00:03:16,860
fantastic ideas fantastic opinion and I

84
00:03:19,970 --> 00:03:18,420
promise you that'll be that'll be a

85
00:03:21,830 --> 00:03:19,980
sleeper if you're if you're not familiar

86
00:03:24,170 --> 00:03:21,840
with the social media world

87
00:03:25,490 --> 00:03:24,180
then in no particular order for the rest

88
00:03:27,470 --> 00:03:25,500

of the month as I'm waiting on a few

89

00:03:30,170 --> 00:03:27,480

dates for April's interviews to settle

90

00:03:32,509 --> 00:03:30,180

down David Marler the executive director

91

00:03:34,970 --> 00:03:32,519

of the National UFO historical records

92

00:03:38,449 --> 00:03:34,980

Center and probably the world's foremost

93

00:03:40,550 --> 00:03:38,459

expert on black triangular UFOs joins me

94

00:03:42,410 --> 00:03:40,560

along with the creators of the estimate

95

00:03:45,830 --> 00:03:42,420

of the situation graphic novel series

96

00:03:47,930 --> 00:03:45,840

Tom orzakovsky and John zeitis to

97

00:03:50,030 --> 00:03:47,940

discuss the new work being done at the

98

00:03:52,850 --> 00:03:50,040

center to both record and preserve

99

00:03:55,369 --> 00:03:52,860

historical UFO documents that was a long

100

00:03:56,869 --> 00:03:55,379

sentence for me to say apologies you may

101
00:03:59,390 --> 00:03:56,879
know David Mahler has been receiving

102
00:04:00,770 --> 00:03:59,400
information and boxes of documents from

103
00:04:03,170 --> 00:04:00,780
around the globe which are being

104
00:04:05,630 --> 00:04:03,180
digitized and stored for safekeeping at

105
00:04:08,030 --> 00:04:05,640
the record Center new work being done by

106
00:04:09,530 --> 00:04:08,040
David alongside Tom and John is being

107
00:04:11,750 --> 00:04:09,540
released in the coming weeks and they'll

108
00:04:13,550 --> 00:04:11,760
be on to tell me about this as well as

109
00:04:15,350 --> 00:04:13,560
well as what they've been discovering in

110
00:04:17,810 --> 00:04:15,360
their research and they are three

111
00:04:19,610 --> 00:04:17,820
fantastic researchers as well should it

112
00:04:21,590 --> 00:04:19,620
be a fascinating one of course let me

113
00:04:27,350 --> 00:04:21,600

know if you have any questions at UFO

114

00:04:29,570 --> 00:04:27,360

you UAP am gmail.com for The Gents

115

00:04:31,490 --> 00:04:29,580

three years into this podcast and I'm

116

00:04:34,430 --> 00:04:31,500

finally now getting around to recording

117

00:04:36,469 --> 00:04:34,440

a show on crop circles Karen Alexander

118

00:04:38,090 --> 00:04:36,479

and Gary King from the UK are going to

119

00:04:39,830 --> 00:04:38,100

be joining me to discuss their years of

120

00:04:42,710 --> 00:04:39,840

work and research on this incredible

121

00:04:45,170 --> 00:04:42,720

phenomenon associated with UFOs I've

122

00:04:47,510 --> 00:04:45,180

never fully dedicated a show to this yet

123

00:04:48,890 --> 00:04:47,520

like I say and I'm really intrigued if

124

00:04:50,629 --> 00:04:48,900

you could get your questions and

125

00:04:52,129 --> 00:04:50,639

thoughts over to me and not just asking

126

00:04:54,290 --> 00:04:52,139

you to send me stuff I'm really really

127

00:04:55,730 --> 00:04:54,300

intrigued on this one whether you're

128

00:04:57,409 --> 00:04:55,740

skeptical about the crop circle

129

00:04:59,510 --> 00:04:57,419

phenomenon whether you're a firm

130

00:05:01,249 --> 00:04:59,520

believer whether you sit somewhere in

131

00:05:03,170 --> 00:05:01,259

the middle what is it what do you think

132

00:05:04,909 --> 00:05:03,180

it is what would you like to know you

133

00:05:06,469 --> 00:05:04,919

know what what's the difference between

134

00:05:08,510 --> 00:05:06,479

you know something that's man-made and

135

00:05:11,810 --> 00:05:08,520

I've seen some incredible man-made ones

136

00:05:13,610 --> 00:05:11,820

to something that really is that other

137

00:05:16,129 --> 00:05:13,620

that's something else that intangible

138

00:05:17,450 --> 00:05:16,139

that makes it inexplicable that's what

139

00:05:18,890 --> 00:05:17,460

I'm looking forward to discussing with

140

00:05:21,110 --> 00:05:18,900

Karen and Gary a really honest

141

00:05:22,790 --> 00:05:21,120

conversation because I I still go back

142

00:05:23,749 --> 00:05:22,800

and forward on crop circles and I really

143

00:05:25,370 --> 00:05:23,759

don't know

144

00:05:27,350 --> 00:05:25,380

um so yeah please get your questions and

145

00:05:29,090 --> 00:05:27,360

thoughts over for that one too crap

146

00:05:31,129 --> 00:05:29,100

circles finally it will be getting

147

00:05:33,290 --> 00:05:31,139

discussed on the podcast

148

00:05:35,629 --> 00:05:33,300

I'm also hoping to have a guest on from

149

00:05:37,550 --> 00:05:35,639

Skinwalker Ranch this month I'm going to

150

00:05:39,350 --> 00:05:37,560

hold off seeing who it should be I'm

151

00:05:41,210 --> 00:05:39,360

just waiting on the network clearing

152

00:05:43,310 --> 00:05:41,220

them in the diary and as soon as I

153

00:05:45,469 --> 00:05:43,320

confirm I'll let you know I'll just say

154

00:05:47,390 --> 00:05:45,479

it should be a guest that I've not had

155

00:05:50,090 --> 00:05:47,400

on before but let me just leave that

156

00:05:52,370 --> 00:05:50,100

there apologies for being vague but it's

157

00:05:55,070 --> 00:05:52,380

the UFO topic after all and I try not to

158

00:05:56,870 --> 00:05:55,080

do it that often but yeah as well as

159

00:05:58,430 --> 00:05:56,880

that and thank you for all the great

160

00:06:00,650 --> 00:05:58,440

feedback throughout March well it's been

161

00:06:03,110 --> 00:06:00,660

a quieter month on the UFO news front

162

00:06:05,390 --> 00:06:03,120

the shows have hopefully kept you informed

163

00:06:06,890 --> 00:06:05,400

and entertained I would have liked to

164

00:06:08,990 --> 00:06:06,900

have done a few more and to be honest

165

00:06:11,450 --> 00:06:09,000

with you sincerely I would have liked to

166

00:06:13,610 --> 00:06:11,460

have reached a few more shows in 2023

167

00:06:16,310 --> 00:06:13,620

but between work and just generally

168

00:06:18,290 --> 00:06:16,320

being really busy and the kids have had

169

00:06:20,210 --> 00:06:18,300

boats of illnesses and all that kind of

170

00:06:21,950 --> 00:06:20,220

stuff that life throws at you it's just

171

00:06:23,590 --> 00:06:21,960

not been possible but hopefully having a

172

00:06:26,450 --> 00:06:23,600

couple of shows a week has kept you

173

00:06:27,830 --> 00:06:26,460

informed and attained you know whatever

174

00:06:29,689 --> 00:06:27,840

you want to get from this hopefully

175

00:06:30,950 --> 00:06:29,699

you've got that with the shows that have

176

00:06:33,529 --> 00:06:30,960

been released I'll make that up to you

177

00:06:35,330 --> 00:06:33,539

during April with a few bonus shows

178

00:06:37,790 --> 00:06:35,340

along the way I've got a few good ideas

179

00:06:39,890 --> 00:06:37,800

so look forward to those coming out too

180

00:06:41,809 --> 00:06:39,900

I've already got a few guests lined up

181

00:06:44,029 --> 00:06:41,819

for me you'll hear about those in the

182

00:06:45,469 --> 00:06:44,039

May preview pod but I'll hang fire on

183

00:06:48,110 --> 00:06:45,479

those those have been in the diary now

184

00:06:50,150 --> 00:06:48,120

for quite a while once again thank you

185

00:06:52,490 --> 00:06:50,160

to everyone who has supported the Pod

186

00:06:54,950 --> 00:06:52,500

through the paid platforms Patriot Apple

187

00:06:58,010 --> 00:06:54,960

Spotify YouTube It's wildly appreciated

188

00:07:00,170 --> 00:06:58,020

and also thank you to you anyone who

189

00:07:01,969 --> 00:07:00,180

listens on the free platforms you

190

00:07:03,890 --> 00:07:01,979

whether you like you share you engage

191

00:07:05,809 --> 00:07:03,900

and remember if you can drop over a

192

00:07:08,629 --> 00:07:05,819

review for me on your chosen platform

193

00:07:11,029 --> 00:07:08,639

that would be massively appreciated as

194

00:07:13,010 --> 00:07:11,039

well it helps get the podcast visible on

195

00:07:14,749 --> 00:07:13,020

the charts those unfortunately aren't

196

00:07:16,550 --> 00:07:14,759

just about downloads and you know

197

00:07:17,990 --> 00:07:16,560

reviews and how often it's reviewed

198

00:07:19,790 --> 00:07:18,000

makes a big big difference so if you've

199

00:07:21,529 --> 00:07:19,800

never done it yet please think about

200

00:07:24,050 --> 00:07:21,539

doing it it would be hugely appreciated

201
00:07:25,790 --> 00:07:24,060
that's all from me today enjoy the

202
00:07:27,710 --> 00:07:25,800
upcoming shows and don't forget just to

203
00:07:29,870 --> 00:07:27,720
drop me over an email or DM on any

204
00:07:31,850 --> 00:07:29,880
platform of social media if you haven't

205
00:07:34,010 --> 00:07:31,860
before just to say hello and how you

206
00:07:35,930 --> 00:07:34,020
found a podcast I always do love reading

207
00:07:37,430 --> 00:07:35,940
those as well look forward to those

208
00:07:39,290 --> 00:07:37,440
interviews coming up this week look

209
00:07:41,390 --> 00:07:39,300
forward to speaking with Dan after a few

210
00:07:43,370 --> 00:07:41,400
weeks of not having a chat about any UFO

211
00:07:45,890 --> 00:07:43,380
news and look forward to you listening

212
00:07:47,990 --> 00:07:45,900
to that as well speak soon folks that is

213
00:07:50,089 --> 00:07:48,000

all for this week's show thank you very

214

00:07:51,950 --> 00:07:50,099

much for listening please remember to

215

00:07:55,189 --> 00:07:51,960

leave the podcast a review on your

216

00:07:56,870 --> 00:07:55,199

chosen platform you can like retweet And

217

00:07:59,029 --> 00:07:56,880

subscribe that would all be very much

218

00:08:01,129 --> 00:07:59,039

appreciated the shows are being uploaded

219

00:08:03,290 --> 00:08:01,139

onto YouTube as we speak more and more

220

00:08:05,809 --> 00:08:03,300

you can sign up at [patreon.com](https://www.patreon.com) forward

221

00:08:07,909 --> 00:08:05,819

slash that UFO podcast to access it

222

00:08:10,249 --> 00:08:07,919

shows ad free as well please get in

223

00:08:13,309 --> 00:08:10,259

touch on Twitter Facebook Instagram that

224

00:08:16,850 --> 00:08:13,319

UFO podcast of course on Twitter it's at

225

00:08:18,710 --> 00:08:16,860

UFO UAP am and again folks as always

226
00:08:20,450 --> 00:08:18,720
keep looking up you never know what you

227
00:08:47,580 --> 00:08:20,460
might see

228
00:09:59,829 --> 00:08:54,829
[Music]

229
00:09:59,839 --> 00:10:05,080
consider your space

230
00:10:16,970 --> 00:10:15,070
[Music]

231
00:10:18,250 --> 00:10:16,980
not quite

232
00:10:39,060 --> 00:10:18,260
sure

233
00:11:05,860 --> 00:10:59,690
[Music]

234
00:11:26,970 --> 00:11:05,870
thank you
