

# THE BREAKDOWN

1  
00:00:06,050 --> 00:00:02,629  
this is Ross coultart and you are

2  
00:00:09,190 --> 00:00:06,060  
listening to that UFO podcast

3  
00:00:11,750 --> 00:00:09,200  
[Music]

4  
00:00:14,089 --> 00:00:11,760  
I'd like to thank Motley Fool For

5  
00:00:15,829 --> 00:00:14,099  
sponsoring this episode I've said before

6  
00:00:18,170 --> 00:00:15,839  
on ads that looking after yourself

7  
00:00:20,510 --> 00:00:18,180  
financially gets harder and harder with

8  
00:00:22,609 --> 00:00:20,520  
the cost of everything going up being a

9  
00:00:24,590 --> 00:00:22,619  
tight Scotsman I use every method I can

10  
00:00:26,689 --> 00:00:24,600  
possible to save a little here or make

11  
00:00:28,790 --> 00:00:26,699  
the most of what I have there Motley

12  
00:00:30,890 --> 00:00:28,800  
Fool is one way that you can definitely

look to maximize your income from

14

00:00:35,090 --> 00:00:33,480

Investments the age of stock picking is

15

00:00:37,130 --> 00:00:35,100

here with touting inflation and

16

00:00:38,870 --> 00:00:37,140

elevating interest rates sticking your

17

00:00:40,670 --> 00:00:38,880

money in a passive Market just isn't

18

00:00:42,110 --> 00:00:40,680

going to get you what it used to but it

19

00:00:43,670 --> 00:00:42,120

doesn't mean you have to abandon the

20

00:00:45,950 --> 00:00:43,680

market there are still ways to invest

21

00:00:48,049 --> 00:00:45,960

for the future you just need to know

price hi everyone and welcome back to

41

00:01:41,030 --> 00:01:38,880

that UFO podcast my name is Andy and

42

00:01:43,789 --> 00:01:41,040

it's been a week since the UFO hearings

43

00:01:45,350 --> 00:01:43,799

in the United States of America and

44

00:01:46,969 --> 00:01:45,360

joining me to discuss that on a

45

00:01:48,890 --> 00:01:46,979

breakdown along with a few other news

46

00:01:51,649 --> 00:01:48,900

stories that have popped up this week is

47

00:01:53,330 --> 00:01:51,659

Dan Dan welcome hello hello my second

48

00:01:56,030 --> 00:01:53,340

show back with a decent microphone it's

49

00:01:58,010 --> 00:01:56,040

uh yeah it's nice

50

00:01:59,690 --> 00:01:58,020

and not a particularly decent internet

51  
00:02:01,910 --> 00:01:59,700  
connection but we'll see how it goes

52  
00:02:03,590 --> 00:02:01,920  
hopefully it doesn't cut off but people

53  
00:02:04,969 --> 00:02:03,600  
out there will never know yeah people

54  
00:02:06,590 --> 00:02:04,979  
like that will never know due to the

55  
00:02:08,029 --> 00:02:06,600  
magic of editing and hitting the record

56  
00:02:09,949 --> 00:02:08,039  
button again

57  
00:02:11,930 --> 00:02:09,959  
um but yeah a few things to discuss the

58  
00:02:13,309 --> 00:02:11,940  
hearings reaction uh John Ramirez on

59  
00:02:14,630 --> 00:02:13,319  
Fade to Black made some interesting

60  
00:02:17,630 --> 00:02:14,640  
comments that have been picked up online

61  
00:02:19,430 --> 00:02:17,640  
today James Fox on Joe Rogan some chat

62  
00:02:21,949 --> 00:02:19,440  
around it anomalies being picked up in

63  
00:02:23,809 --> 00:02:21,959

Skinwalker Ranch and Brazil and a little

64

00:02:25,970 --> 00:02:23,819

bit more sprinkled throughout as well so

65

00:02:28,309 --> 00:02:25,980

let's get straight into the reaction Dan

66

00:02:32,089 --> 00:02:28,319

it's been a week since we talked about

67

00:02:34,070 --> 00:02:32,099

the and the aftermath of the hearings

68

00:02:35,750 --> 00:02:34,080

um mixed reactions from Maine I think

69

00:02:38,030 --> 00:02:35,760

that's probably still been the case

70

00:02:40,070 --> 00:02:38,040

afterwards as well

71

00:02:41,449 --> 00:02:40,080

um I shared at the time just to refresh

72

00:02:43,369 --> 00:02:41,459

folks and I don't think I've changed too

73

00:02:46,270 --> 00:02:43,379

much that I was I was largely

74

00:02:48,490 --> 00:02:46,280

disappointed to uh Senator gillibran's

75

00:02:52,009 --> 00:02:48,500

follow-ups and

76

00:02:55,430 --> 00:02:52,019

lack of Hardline questions to Dr Sean

77

00:02:57,170 --> 00:02:55,440

Kirkpatrick however I'm still hanging my

78

00:02:59,630 --> 00:02:57,180

hat on the fact that the classified

79

00:03:02,750 --> 00:02:59,640

portion of the briefing being first that

80

00:03:05,210 --> 00:03:02,760

apparently was much better attended much

81

00:03:06,830 --> 00:03:05,220

much more well attended God that's awful

82

00:03:08,449 --> 00:03:06,840

grammar insert whatever grammar you want

83

00:03:09,470 --> 00:03:08,459

there but there were more people there

84

00:03:11,509 --> 00:03:09,480

right

85

00:03:13,369 --> 00:03:11,519

um so it seems like it was far better

86

00:03:15,170 --> 00:03:13,379

far better attended I don't know why

87

00:03:17,449 --> 00:03:15,180

that sounds so odd to say

88

00:03:20,990 --> 00:03:17,459

um I'm hoping that she heard enough

89

00:03:23,210 --> 00:03:21,000

there from Sean Kirkpatrick that she

90

00:03:25,550 --> 00:03:23,220

didn't push the questioning in the next

91

00:03:28,250 --> 00:03:25,560

part and it seemed more geared towards

92

00:03:30,470 --> 00:03:28,260

her offering support that he would

93

00:03:35,210 --> 00:03:30,480

require to do the work he wanted to do

94

00:03:36,890 --> 00:03:35,220

even though he seemed less committal to

95

00:03:38,449 --> 00:03:36,900

the UFO side of things than we would

96

00:03:40,369 --> 00:03:38,459

maybe have liked in the UFO Community

97

00:03:42,309 --> 00:03:40,379

whatever you want to call it

98

00:03:46,009 --> 00:03:42,319

um but

99

00:03:48,830 --> 00:03:46,019

yeah slightly disappointed still but not

100

00:03:51,350 --> 00:03:48,840

not you know not devastated and what

101  
00:03:53,990 --> 00:03:51,360  
about uobicon yeah I mean it's been

102  
00:03:55,729 --> 00:03:54,000  
interesting seeing certain people in the

103  
00:03:58,610 --> 00:03:55,739  
community like Tim McMillan geek you

104  
00:03:59,630 --> 00:03:58,620  
know I Richard Dolan cobal judge Knapp

105  
00:04:02,690 --> 00:03:59,640  
kind of

106  
00:04:03,710 --> 00:04:02,700  
see seeing what takes they uh had on

107  
00:04:05,030 --> 00:04:03,720  
this because you know different

108  
00:04:06,229 --> 00:04:05,040  
highlights to us you know everyone's

109  
00:04:07,550 --> 00:04:06,239  
different and that's the nice thing

110  
00:04:08,990 --> 00:04:07,560  
about this subject is we all kind of

111  
00:04:10,429 --> 00:04:09,000  
have a puzzle piece right we see it in

112  
00:04:12,589 --> 00:04:10,439  
different ways

113  
00:04:14,449 --> 00:04:12,599

um for me it's very much uh you know

114

00:04:16,789 --> 00:04:14,459

kind of the same as we were

115

00:04:18,650 --> 00:04:16,799

um ultimately it's kind of Choose Your

116

00:04:21,469 --> 00:04:18,660

Own Adventure you know that that

117

00:04:23,570 --> 00:04:21,479

statement uh of no credible evidence of

118

00:04:25,070 --> 00:04:23,580

ET that seems to have galvanized both

119

00:04:27,530 --> 00:04:25,080

the Believers and the debunkers into

120

00:04:29,629 --> 00:04:27,540

their respective extremes uh you know

121

00:04:31,310 --> 00:04:29,639

for the bunkers that means oh yeah

122

00:04:33,710 --> 00:04:31,320

they're all balloons for believers that

123

00:04:36,230 --> 00:04:33,720

means oh he's part the cover-up and and

124

00:04:38,090 --> 00:04:36,240

he's hiding things from us usually the

125

00:04:40,270 --> 00:04:38,100

truth is somewhere in the middle

126

00:04:43,189 --> 00:04:40,280

um and it certainly seems like

127

00:04:45,110 --> 00:04:43,199

Kirkpatrick kind of enjoys a good chess

128

00:04:46,969 --> 00:04:45,120

game but knows the board is raked I

129

00:04:48,830 --> 00:04:46,979

would say you know uh he's starting to

130

00:04:50,450 --> 00:04:48,840

realize what he's coming up against Tim

131

00:04:51,969 --> 00:04:50,460

McMillan highlighted a few interesting

132

00:04:54,469 --> 00:04:51,979

things

133

00:04:57,550 --> 00:04:54,479

mostly the the thing that I would like

134

00:04:59,810 --> 00:04:57,560

to emphasize is title 10 versus title

135

00:05:01,010 --> 00:04:59,820

50.'s article on the debrief the link

136

00:05:02,689 --> 00:05:01,020

will be in the show notes for that as

137

00:05:04,010 --> 00:05:02,699

well because I haven't seen it yeah

138

00:05:06,710 --> 00:05:04,020

there were a couple of things but

139

00:05:09,830 --> 00:05:06,720

basically title 50 access or information

140

00:05:11,810 --> 00:05:09,840

uh includes covert action and most

141

00:05:14,870 --> 00:05:11,820

intelligence missions carried out by the

142

00:05:16,730 --> 00:05:14,880

CIA nro and GA NSA you know all those

143

00:05:18,890 --> 00:05:16,740

three letter agencies basically all the

144

00:05:21,290 --> 00:05:18,900

good stuff Arrow seems to only have

145

00:05:23,510 --> 00:05:21,300

access to about 20 of the sensors that

146

00:05:25,610 --> 00:05:23,520

they need so when they kind of look at

147

00:05:27,290 --> 00:05:25,620

that orb video for example and they say

148

00:05:28,430 --> 00:05:27,300

there's no way we can solve this there

149

00:05:29,749 --> 00:05:28,440

could be other sensors that we're

150

00:05:31,490 --> 00:05:29,759

looking in that place but they just

151

00:05:33,950 --> 00:05:31,500

don't have access to them

152

00:05:35,210 --> 00:05:33,960

in the hearing Senator LeBron said you

153

00:05:38,330 --> 00:05:35,220

know hey can you help us write the

154

00:05:40,129 --> 00:05:38,340

language that would get you that access

155

00:05:41,629 --> 00:05:40,139

um and Kirkpatrick responded very

156

00:05:42,890 --> 00:05:41,639

politically and you know kind of said

157

00:05:44,570 --> 00:05:42,900

yeah you know what we'll come up with a

158

00:05:48,469 --> 00:05:44,580

plan and kind of sort her out between

159

00:05:50,870 --> 00:05:48,479

Uno ousdi But ultimately it means that

160

00:05:52,550 --> 00:05:50,880

we're gonna need another ndaa to kind of

161

00:05:53,810 --> 00:05:52,560

instill this access and give them this

162

00:05:55,870 --> 00:05:53,820

access

163

00:05:59,570 --> 00:05:55,880

um Corbell went on to say that basically

164

00:06:02,570 --> 00:05:59,580

he uh what was the exact quote I just

165

00:06:04,550 --> 00:06:02,580

don't trust Arrow to do its job yet

166

00:06:06,590 --> 00:06:04,560

so it's interesting that that you know

167

00:06:07,969 --> 00:06:06,600

he was very positive but ultimately he

168

00:06:09,409 --> 00:06:07,979

was like you know the test is in front

169

00:06:10,730 --> 00:06:09,419

of us it remains to be seen whether

170

00:06:12,050 --> 00:06:10,740

they're going to tow the line or whether

171

00:06:13,129 --> 00:06:12,060

they're going to go running into the

172

00:06:15,350 --> 00:06:13,139

these

173

00:06:16,790 --> 00:06:15,360

places where the Legacy programs are

174

00:06:19,189 --> 00:06:16,800

supposedly available

175

00:06:21,110 --> 00:06:19,199

yeah that's interesting the 20 of

176  
00:06:23,270 --> 00:06:21,120  
sensors being available I know people

177  
00:06:25,249 --> 00:06:23,280  
know by now by love and analogy and I'm

178  
00:06:26,629 --> 00:06:25,259  
thinking it's like someone sending you a

179  
00:06:28,070 --> 00:06:26,639  
picture that shows your partner

180  
00:06:30,350 --> 00:06:28,080  
potentially cheating

181  
00:06:32,090 --> 00:06:30,360  
and all you see is like the back of them

182  
00:06:34,490 --> 00:06:32,100  
next to someone and it could be anything

183  
00:06:36,050 --> 00:06:34,500  
but then someone else telling you

184  
00:06:37,730 --> 00:06:36,060  
actually four other people have video

185  
00:06:39,290 --> 00:06:37,740  
from different angles showing the exact

186  
00:06:40,850 --> 00:06:39,300  
same event but we're not going to give

187  
00:06:42,950 --> 00:06:40,860  
you that but you'll need to go off with

188  
00:06:44,390 --> 00:06:42,960

a photograph it's that that kind of lack

189

00:06:46,790 --> 00:06:44,400

of data so you have to kind of make up

190

00:06:48,650 --> 00:06:46,800

your mind based on that photo at an

191

00:06:49,490 --> 00:06:48,660

awkward angle that might not even be

192

00:06:50,809 --> 00:06:49,500

them

193

00:06:52,070 --> 00:06:50,819

um yeah yeah exactly they were just

194

00:06:53,510 --> 00:06:52,080

leaning down to pick something up off

195

00:06:55,370 --> 00:06:53,520

the floor or something and it just looks

196

00:06:56,450 --> 00:06:55,380

dodgy we've all seen American Beauty you

197

00:07:01,370 --> 00:06:56,460

know

198

00:07:02,930 --> 00:07:01,380

leaning over

199

00:07:05,450 --> 00:07:02,940

um I was thinking more standing up

200

00:07:08,390 --> 00:07:05,460

dancing okay okay

201  
00:07:09,650 --> 00:07:08,400  
um yeah two different interpretations of

202  
00:07:12,170 --> 00:07:09,660  
the same situation right there that's

203  
00:07:14,390 --> 00:07:12,180  
exactly what we were absolutely it's all

204  
00:07:16,070 --> 00:07:14,400  
about angles and metal spheres yeah so

205  
00:07:17,510 --> 00:07:16,080  
uh yeah what they ask you though going

206  
00:07:19,189 --> 00:07:17,520  
back to I don't think we talked about

207  
00:07:21,290 --> 00:07:19,199  
this but I did talk about this online

208  
00:07:23,689 --> 00:07:21,300  
afterwards and put a few tweets and

209  
00:07:25,490 --> 00:07:23,699  
stuff out about it I I picked up on

210  
00:07:28,430 --> 00:07:25,500  
quite early on the no credible evidence

211  
00:07:29,990 --> 00:07:28,440  
and I'm in the the hopeful camp with

212  
00:07:31,610 --> 00:07:30,000  
that being the word credible is

213  
00:07:34,670 --> 00:07:31,620

important within that I think I might

214

00:07:36,650 --> 00:07:34,680

have mentioned that but what is to Dr

215

00:07:39,710 --> 00:07:36,660

Sean Kirkpatrick and we need to

216

00:07:42,529 --> 00:07:39,720

speculate what is credible evidence of

217

00:07:44,930 --> 00:07:42,539

extraterrestrial visitation because even

218

00:07:46,870 --> 00:07:44,940

if they could see a craft that for all

219

00:07:49,309 --> 00:07:46,880

intents and purposes completely defied

220

00:07:51,170 --> 00:07:49,319

all known physics

221

00:07:53,089 --> 00:07:51,180

that's still not evidence there was a

222

00:07:55,249 --> 00:07:53,099

lot of extraterrestrial visitation as

223

00:07:58,430 --> 00:07:55,259

much as common sense might say it should

224

00:07:59,990 --> 00:07:58,440

be we don't know what that is so they

225

00:08:01,730 --> 00:08:00,000

could still look at a video that they go

226

00:08:03,290 --> 00:08:01,740

for the love of God they could stand

227

00:08:05,570 --> 00:08:03,300

there with the Russians the Chinese you

228

00:08:07,670 --> 00:08:05,580

know the Germans the Spanish whoever

229

00:08:09,650 --> 00:08:07,680

else the North Koreans and they could

230

00:08:12,230 --> 00:08:09,660

all watch a video and say that's not any

231

00:08:14,089 --> 00:08:12,240

of ours and that's probably technically

232

00:08:16,129 --> 00:08:14,099

still not evidence of extraterrestrial

233

00:08:18,170 --> 00:08:16,139

visitation is it because

234

00:08:19,610 --> 00:08:18,180

what would that look like what is that

235

00:08:21,050 --> 00:08:19,620

if there's no windows and there's no

236

00:08:22,369 --> 00:08:21,060

little beings at the window waving at

237

00:08:24,469 --> 00:08:22,379

them

238

00:08:26,330 --> 00:08:24,479

so there's that whether it's a get out

239

00:08:28,129 --> 00:08:26,340

of jail free card or whether it is just

240

00:08:30,770 --> 00:08:28,139

speaking

241

00:08:33,649 --> 00:08:30,780

factually it's it's not incorrect is it

242

00:08:35,750 --> 00:08:33,659

because is there a checklist you know of

243

00:08:37,190 --> 00:08:35,760

I saw we talk about the five observable

244

00:08:39,050 --> 00:08:37,200

stuff the six observables whatever

245

00:08:41,110 --> 00:08:39,060

people want to go on about

246

00:08:43,850 --> 00:08:41,120

um but what is that chick list for

247

00:08:46,010 --> 00:08:43,860

extraterrestrial visitation or something

248

00:08:48,110 --> 00:08:46,020

that's not human and maybe they maybe

249

00:08:50,990 --> 00:08:48,120

they don't have that

250

00:08:53,090 --> 00:08:51,000

yeah precisely it's really hard to to

251  
00:08:54,410 --> 00:08:53,100  
say like even even if because we've

252  
00:08:55,730 --> 00:08:54,420  
heard that these things kind of mask

253  
00:08:57,650 --> 00:08:55,740  
their signatures right they manage

254  
00:09:00,050 --> 00:08:57,660  
signatures if they were coming from

255  
00:09:02,030 --> 00:09:00,060  
outer space it could be that they just

256  
00:09:03,530 --> 00:09:02,040  
want to look that way so we kind of have

257  
00:09:05,810 --> 00:09:03,540  
to assume that you know there's some

258  
00:09:07,490 --> 00:09:05,820  
trickery going on even if we saw them go

259  
00:09:09,110 --> 00:09:07,500  
to another planet and kind of land there

260  
00:09:10,970 --> 00:09:09,120  
we'd want to see the civilization and

261  
00:09:12,829 --> 00:09:10,980  
the organization and you know all the

262  
00:09:15,230 --> 00:09:12,839  
intelligence apparatus between kind of

263  
00:09:16,670 --> 00:09:15,240

launching that um and saying okay this

264

00:09:18,230 --> 00:09:16,680

is definitely home this isn't a base

265

00:09:20,329 --> 00:09:18,240

that they've outreached to or something

266

00:09:23,329 --> 00:09:20,339

like that so yeah you're totally right

267

00:09:24,470 --> 00:09:23,339

the the term keeps coming up on my

268

00:09:25,850 --> 00:09:24,480

Twitter feed where people are talking

269

00:09:28,070 --> 00:09:25,860

about you know why didn't Kirkpatrick

270

00:09:30,949 --> 00:09:28,080

talk about non-human intelligence and

271

00:09:32,570 --> 00:09:30,959

even even that as a term just leaves so

272

00:09:35,630 --> 00:09:32,580

much room to discuss you know

273

00:09:38,030 --> 00:09:35,640

technically uh uh dolphins whales crows

274

00:09:40,850 --> 00:09:38,040

octopus all these things qualify as

275

00:09:42,470 --> 00:09:40,860

non-human intelligence but um E.T also

276

00:09:44,570 --> 00:09:42,480

falls into that category but you

277

00:09:47,329 --> 00:09:44,580

wouldn't be able to there's no language

278

00:09:49,730 --> 00:09:47,339

we have to definitively State something

279

00:09:53,389 --> 00:09:49,740

other especially when you consider that

280

00:09:55,790 --> 00:09:53,399

Lou said to you Mankind's so we could be

281

00:09:58,850 --> 00:09:55,800

looking at something human in which case

282

00:10:00,829 --> 00:09:58,860

calling it human technology is is you

283

00:10:03,710 --> 00:10:00,839

know a bit disingenuous but you could do

284

00:10:05,990 --> 00:10:03,720

that it's like not humanizing you know

285

00:10:08,329 --> 00:10:06,000

that's that old one so we kind of have

286

00:10:09,650 --> 00:10:08,339

to hold this is why we have to take

287

00:10:11,389 --> 00:10:09,660

things seriously hold things lightly

288

00:10:13,970 --> 00:10:11,399

because you know all of these

289

00:10:17,509 --> 00:10:13,980

definitions and language that we use

290

00:10:19,009 --> 00:10:17,519

um ultimately it all comes from informed

291

00:10:20,810 --> 00:10:19,019

speculation right we were talking about

292

00:10:23,150 --> 00:10:20,820

this before that we started recording

293

00:10:25,070 --> 00:10:23,160

and a lot of this community isn't from

294

00:10:27,530 --> 00:10:25,080

speculation and it's really hard to kind

295

00:10:29,630 --> 00:10:27,540

of find any real data to hold on to so

296

00:10:32,690 --> 00:10:29,640

in a way I can kind of understand why he

297

00:10:35,150 --> 00:10:32,700

said no credible evidence because if

298

00:10:36,470 --> 00:10:35,160

he's hearing single Source testimony and

299

00:10:38,389 --> 00:10:36,480

things like that and doesn't have access

300

00:10:40,250 --> 00:10:38,399

to all those sensor systems and the data

301  
00:10:42,230 --> 00:10:40,260  
they collected then it's really hard to

302  
00:10:43,910 --> 00:10:42,240  
say definitively yes we've seen evidence

303  
00:10:45,530 --> 00:10:43,920  
of aliens

304  
00:10:47,210 --> 00:10:45,540  
um so yeah we just have to kind of let

305  
00:10:47,990 --> 00:10:47,220  
it play out it's going to take time I

306  
00:10:50,389 --> 00:10:48,000  
think

307  
00:10:51,769 --> 00:10:50,399  
what what else could he say and this is

308  
00:10:53,269 --> 00:10:51,779  
one that's probably going to annoy some

309  
00:10:55,069 --> 00:10:53,279  
people some people will agree and other

310  
00:10:57,230 --> 00:10:55,079  
people will be indifferent but just

311  
00:10:59,750 --> 00:10:57,240  
plain devil's advocate for a second if

312  
00:11:01,550 --> 00:10:59,760  
in that moment he said yeah we've got

313  
00:11:04,190 --> 00:11:01,560

we've got some evidence potentially of

314

00:11:06,050 --> 00:11:04,200

it being you know extraterrestrial

315

00:11:07,850 --> 00:11:06,060

he's not going to say that you know in

316

00:11:08,870 --> 00:11:07,860

the room with three people

317

00:11:10,430 --> 00:11:08,880

um and a couple of people in the

318

00:11:11,569 --> 00:11:10,440

audience which maybe I may not get to

319

00:11:12,410 --> 00:11:11,579

talking about

320

00:11:14,150 --> 00:11:12,420

um

321

00:11:16,430 --> 00:11:14,160

is he going to see that in that setting

322

00:11:19,190 --> 00:11:16,440

it's not is it the time and place for it

323

00:11:21,590 --> 00:11:19,200

probably not even though it's a UFO

324

00:11:23,569 --> 00:11:21,600

heading for all intents and purposes is

325

00:11:25,550 --> 00:11:23,579

that really the moment for someone to

326

00:11:26,750 --> 00:11:25,560

come out and say yeah there's some

327

00:11:28,430 --> 00:11:26,760

evidence of something that's not human

328

00:11:31,009 --> 00:11:28,440

but we're going to run a few more tests

329

00:11:32,750 --> 00:11:31,019

you know I I just don't feel that was

330

00:11:34,490 --> 00:11:32,760

the moment for it um and I think that

331

00:11:37,190 --> 00:11:34,500

quickly was picked up by people that

332

00:11:39,650 --> 00:11:37,200

this this hearing is actually do you

333

00:11:41,930 --> 00:11:39,660

know what you said it and others many

334

00:11:43,970 --> 00:11:41,940

others said it beforehand and it was

335

00:11:46,910 --> 00:11:43,980

actually on the the agenda for the

336

00:11:48,949 --> 00:11:46,920

meeting it's not what this was about

337

00:11:51,110 --> 00:11:48,959

was it that was even on the page the

338

00:11:52,850 --> 00:11:51,120

holding page on the this is about you

339

00:11:55,370 --> 00:11:52,860

know Arrow's Mission you know it's how

340

00:11:57,710 --> 00:11:55,380

it's been doing its work etc etc

341

00:11:59,630 --> 00:11:57,720

um is it a little bit like expecting and

342

00:12:01,430 --> 00:11:59,640

we'll get to documentaries later on a

343

00:12:04,550 --> 00:12:01,440

documentary to release smoking on

344

00:12:06,350 --> 00:12:04,560

evidence of you know UFOs or alien life

345

00:12:08,030 --> 00:12:06,360

existing but it's been in production for

346

00:12:09,470 --> 00:12:08,040

six months you would hear about it

347

00:12:11,090 --> 00:12:09,480

before then you know it's not going to

348

00:12:12,949 --> 00:12:11,100

wait for a TV show episode to come out

349

00:12:15,710 --> 00:12:12,959

are we going to wait weeks and weeks and

350

00:12:17,690 --> 00:12:15,720

weeks and months for Dr Sean Kirkpatrick

351  
00:12:19,730 --> 00:12:17,700  
to say actually yeah and some evidence

352  
00:12:21,410 --> 00:12:19,740  
we looked at back in September 2022

353  
00:12:23,269 --> 00:12:21,420  
there was a proof of an extraterrestrial

354  
00:12:25,490 --> 00:12:23,279  
life but we're going to do some more go

355  
00:12:26,870 --> 00:12:25,500  
do some more research into that that

356  
00:12:28,069 --> 00:12:26,880  
that's not going to happen is it we

357  
00:12:30,170 --> 00:12:28,079  
would probably have heard if it was

358  
00:12:31,550 --> 00:12:30,180  
going to come from him maybe something

359  
00:12:32,870 --> 00:12:31,560  
at the time and I could be completely

360  
00:12:34,790 --> 00:12:32,880  
wrong with that that might be my

361  
00:12:37,190 --> 00:12:34,800  
ignorance but just thinking out loud

362  
00:12:38,810 --> 00:12:37,200  
yeah I think that's reasonable we spoke

363  
00:12:40,250 --> 00:12:38,820

I think it was with Nathan and Ryan we

364

00:12:41,870 --> 00:12:40,260

spoke about like who would he even come

365

00:12:44,949 --> 00:12:41,880

from if they were to announce this who

366

00:12:46,910 --> 00:12:44,959

who would people trust you know yeah and

367

00:12:49,190 --> 00:12:46,920

anyone that's kind of done a bit of

368

00:12:52,370 --> 00:12:49,200

research into the subject knows that

369

00:12:54,350 --> 00:12:52,380

it's such a dramatic subject that it's

370

00:12:56,449 --> 00:12:54,360

hard not to say something simple and

371

00:12:58,129 --> 00:12:56,459

come off as Sensational so I understand

372

00:13:00,590 --> 00:12:58,139

the conservative approach I actually

373

00:13:02,150 --> 00:13:00,600

there was a movie made way back when

374

00:13:03,829 --> 00:13:02,160

called Intruders that featured Bud

375

00:13:06,710 --> 00:13:03,839

Hopkins and there was a beating in there

376

00:13:08,870 --> 00:13:06,720

we he met Air Force Major General Thomas

377

00:13:10,069 --> 00:13:08,880

Hanley who kind of was in charge of the

378

00:13:11,690 --> 00:13:10,079

Air Force when Roswell happened

379

00:13:13,790 --> 00:13:11,700

basically

380

00:13:14,990 --> 00:13:13,800

um and he had this little kind of Spiel

381

00:13:16,790 --> 00:13:15,000

I wrote down because I thought it would

382

00:13:19,730 --> 00:13:16,800

be interesting to read to because a lot

383

00:13:21,470 --> 00:13:19,740

of people want this just announced and

384

00:13:23,210 --> 00:13:21,480

when he's talking about Hopkins in the

385

00:13:24,530 --> 00:13:23,220

movie he he says I'm just going to read

386

00:13:27,050 --> 00:13:24,540

this paragraph because I thought it was

387

00:13:28,730 --> 00:13:27,060

powerful and it speaks to kind of the

388

00:13:30,650 --> 00:13:28,740

ultimate Point

389

00:13:32,389 --> 00:13:30,660

um he says let's assume for the sake of

390

00:13:34,129 --> 00:13:32,399

argument that something is happening out

391

00:13:35,870 --> 00:13:34,139

there what would you have us do should

392

00:13:37,970 --> 00:13:35,880

the president of the USA go on national

393

00:13:40,430 --> 00:13:37,980

television and say my fellow Americans

394

00:13:42,230 --> 00:13:40,440

we have evidences for a superior culture

395

00:13:44,150 --> 00:13:42,240

out there they come from God knows where

396

00:13:45,949 --> 00:13:44,160

maybe from outer space Maybe from other

397

00:13:47,449 --> 00:13:45,959

dimension of existence they are

398

00:13:49,550 --> 00:13:47,459

abducting our citizens on a regular

399

00:13:51,590 --> 00:13:49,560

basis conducting experiments on them

400

00:13:53,750 --> 00:13:51,600

collecting specimens of our over our

401  
00:13:55,250 --> 00:13:53,760  
sperm they've been impregnating women

402  
00:13:57,170 --> 00:13:55,260  
and then later invading these women's

403  
00:14:00,350 --> 00:13:57,180  
bodies again and sealing the unborn

404  
00:14:02,210 --> 00:14:00,360  
fetuses for reasons we can only imagine

405  
00:14:03,769 --> 00:14:02,220  
and then he says oh well my friend is

406  
00:14:05,569 --> 00:14:03,779  
based on the premise of a 30-year

407  
00:14:06,889 --> 00:14:05,579  
mortgage you and I can close our eyes

408  
00:14:08,329 --> 00:14:06,899  
and go to sleep at night because we're

409  
00:14:10,069 --> 00:14:08,339  
pretty sure that the world we know today

410  
00:14:11,990 --> 00:14:10,079  
will be there tomorrow and the next day

411  
00:14:13,850 --> 00:14:12,000  
and the week after that so I repeat

412  
00:14:15,710 --> 00:14:13,860  
doctor until the day comes when we know

413  
00:14:17,509 --> 00:14:15,720

exactly what we're dealing with until we

414

00:14:19,190 --> 00:14:17,519

can give solid answers the policy of

415

00:14:20,870 --> 00:14:19,200

this government remains nothing is out

416

00:14:24,410 --> 00:14:20,880

there it's just science fiction the

417

00:14:25,910 --> 00:14:24,420

domain of a very rabid Lunatic Fringe

418

00:14:28,550 --> 00:14:25,920

and I thought that was really powerful

419

00:14:30,050 --> 00:14:28,560

because ultimately the US isn't going to

420

00:14:31,250 --> 00:14:30,060

say anything unless they can provide the

421

00:14:33,530 --> 00:14:31,260

answers and say that people are

422

00:14:35,030 --> 00:14:33,540

protected against it so you have this

423

00:14:37,970 --> 00:14:35,040

weird line being towed where they kind

424

00:14:39,710 --> 00:14:37,980

of have to investigate the unknown and

425

00:14:41,750 --> 00:14:39,720

admit there's an unknown but at the same

426

00:14:43,250 --> 00:14:41,760

time make everyone feel safe in their

427

00:14:45,350 --> 00:14:43,260

houses that the world is going to still

428

00:14:47,150 --> 00:14:45,360

be here tomorrow and I mean that's

429

00:14:49,670 --> 00:14:47,160

that's a hell of a juggling job isn't it

430

00:14:52,370 --> 00:14:49,680

yeah and there's a few things that can

431

00:14:54,170 --> 00:14:52,380

really change the world overnight in

432

00:14:55,970 --> 00:14:54,180

that sense like maybe like covert the

433

00:14:57,170 --> 00:14:55,980

pandemic sort of done that for a lot of

434

00:14:59,269 --> 00:14:57,180

people

435

00:15:01,670 --> 00:14:59,279

um in a lot of different ways you know a

436

00:15:04,790 --> 00:15:01,680

nuclear attack could do that on on you

437

00:15:05,750 --> 00:15:04,800

know on a land of populated Mass

438

00:15:09,050 --> 00:15:05,760

um

439

00:15:11,870 --> 00:15:09,060

Mass Terror attacks do it in a way but

440

00:15:14,810 --> 00:15:11,880

also any world power coming out and

441

00:15:17,689 --> 00:15:14,820

saying we've got proof of ET does that

442

00:15:19,610 --> 00:15:17,699

too and so so yeah no I can get that and

443

00:15:22,310 --> 00:15:19,620

it's an interesting statement and it's

444

00:15:25,069 --> 00:15:22,320

it's sort of how I think the government

445

00:15:26,449 --> 00:15:25,079

of the world do operate even their own

446

00:15:28,730 --> 00:15:26,459

UK government of you know there's

447

00:15:30,470 --> 00:15:28,740

something out there but until we can see

448

00:15:31,910 --> 00:15:30,480

exactly what it is and you know what we

449

00:15:34,069 --> 00:15:31,920

plan to do about it

450

00:15:36,590 --> 00:15:34,079

which right now is pretty much nothing

451  
00:15:38,329 --> 00:15:36,600  
as far as most people are aware yeah

452  
00:15:39,949 --> 00:15:38,339  
totally different conversation though to

453  
00:15:41,870 --> 00:15:39,959  
then go into yeah but what about the

454  
00:15:43,670 --> 00:15:41,880  
back engineer triangles and all that

455  
00:15:45,410 --> 00:15:43,680  
kind of stuff that's

456  
00:15:47,150 --> 00:15:45,420  
again I've talked before Diana but that

457  
00:15:49,009 --> 00:15:47,160  
spider diagram of that subject if you

458  
00:15:50,930 --> 00:15:49,019  
draw in the middle you know UFO and do

459  
00:15:53,329 --> 00:15:50,940  
the lines coming off it ET and

460  
00:15:55,129 --> 00:15:53,339  
unimentional craft you know even though

461  
00:15:56,930 --> 00:15:55,139  
for craft where the craft build how did

462  
00:15:58,310 --> 00:15:56,940  
I build them are they growing you know

463  
00:16:00,350 --> 00:15:58,320

is it nuts and bolts do people

464

00:16:02,210 --> 00:16:00,360

manufacture them there's so many

465

00:16:03,650 --> 00:16:02,220

different Bubbles and everything that

466

00:16:05,810 --> 00:16:03,660

come off it it's just but that's why

467

00:16:07,610 --> 00:16:05,820

people like me and you love this topic

468

00:16:09,170 --> 00:16:07,620

in conversation and it goes in areas

469

00:16:11,689 --> 00:16:09,180

that you don't want to talk about or

470

00:16:13,129 --> 00:16:11,699

maybe don't even like talking about but

471

00:16:14,449 --> 00:16:13,139

you know and that's some of the things

472

00:16:16,490 --> 00:16:14,459

we're going to discuss in this breakdown

473

00:16:19,250 --> 00:16:16,500

is bits and pieces of news that some

474

00:16:21,050 --> 00:16:19,260

folks absolutely hate and despise but

475

00:16:23,870 --> 00:16:21,060

there are other folks within the subject

476

00:16:26,090 --> 00:16:23,880

that treat them very seriously and like

477

00:16:28,370 --> 00:16:26,100

it enjoy it find it entertaining find it

478

00:16:30,170 --> 00:16:28,380

informative or have complete faith in it

479

00:16:31,550 --> 00:16:30,180

and it's it's fascinating to see how

480

00:16:33,470 --> 00:16:31,560

that kind of comes across depending

481

00:16:34,670 --> 00:16:33,480

depending on what you do and I've had

482

00:16:36,410 --> 00:16:34,680

that with some interviews that I've

483

00:16:38,689 --> 00:16:36,420

thought will this go down well with

484

00:16:40,310 --> 00:16:38,699

people and it's massive positive

485

00:16:42,650 --> 00:16:40,320

reaction and then other ones where folks

486

00:16:45,170 --> 00:16:42,660

are like but there's always people on

487

00:16:45,949 --> 00:16:45,180

both sides of the fence just to bring up

488

00:16:47,990 --> 00:16:45,959

Dan

489

00:16:50,389 --> 00:16:48,000

Josh Boswell at the Daily Mail who

490

00:16:52,069 --> 00:16:50,399

writes alongside Chris sharp uh usually

491

00:16:54,650 --> 00:16:52,079

um had an article come out today the

492

00:16:56,509 --> 00:16:54,660

26th of April as we record this and then

493

00:16:58,189 --> 00:16:56,519

we'll put the link in the description

494

00:17:00,769 --> 00:16:58,199

um a couple of talking points from it

495

00:17:02,870 --> 00:17:00,779

was there Danny Sheehan a lawyer who

496

00:17:05,210 --> 00:17:02,880

represents louisando and well-known

497

00:17:06,710 --> 00:17:05,220

lawyer for and you know colleague of

498

00:17:08,569 --> 00:17:06,720

Stephen Greers over the years appeared

499

00:17:10,789 --> 00:17:08,579

in a lot of documentaries as apparently

500

00:17:11,929 --> 00:17:10,799

said he is in contact with six former

501

00:17:14,390 --> 00:17:11,939

government officials or military

502

00:17:16,789 --> 00:17:14,400

contractors who say they worked on UFO

503

00:17:19,490 --> 00:17:16,799

programs these whistleblowers claimed

504

00:17:21,230 --> 00:17:19,500

they worked on Roswell style UFO crash

505

00:17:23,090 --> 00:17:21,240

retrieval programs let me come back to

506

00:17:24,470 --> 00:17:23,100

that and he's also launching a watchdog

507

00:17:26,270 --> 00:17:24,480

charity pushing for a greater

508

00:17:29,330 --> 00:17:26,280

transparency

509

00:17:30,590 --> 00:17:29,340

on that second bullet point that was on

510

00:17:32,630 --> 00:17:30,600

there the whistleblowers claim they

511

00:17:35,090 --> 00:17:32,640

worked on Roswell style UFO crash

512

00:17:38,270 --> 00:17:35,100

retrieval programs to your Dan what what

513

00:17:39,770 --> 00:17:38,280

what comes to mind as Roswell Style

514

00:17:42,169 --> 00:17:39,780

I mean

515

00:17:44,150 --> 00:17:42,179

that that's

516

00:17:45,890 --> 00:17:44,160

phrasing just puts a bunch of question

517

00:17:48,289 --> 00:17:45,900

marks over my head because I'm like we

518

00:17:51,409 --> 00:17:48,299

we haven't definitively identified a

519

00:17:54,590 --> 00:17:51,419

Roswell style crash retrieval program so

520

00:17:56,210 --> 00:17:54,600

it's kind of it's almost meaningless but

521

00:17:58,070 --> 00:17:56,220

for me so I'm asking you though because

522

00:17:59,870 --> 00:17:58,080

it makes I'm only thinking I'm not sure

523

00:18:01,789 --> 00:17:59,880

but straight away I was like so does

524

00:18:03,770 --> 00:18:01,799

that mean people who worked on something

525

00:18:06,350 --> 00:18:03,780

that crashed out in the desert people

526

00:18:08,210 --> 00:18:06,360

that worked on crashed saucers people

527

00:18:10,789 --> 00:18:08,220

that worked on definitive alien

528

00:18:13,250 --> 00:18:10,799

retrieval programs as it just is

529

00:18:15,010 --> 00:18:13,260

something crashed that they didn't know

530

00:18:17,930 --> 00:18:15,020

what it was and had to retrieve It

531

00:18:20,029 --> 00:18:17,940

ultimately that's what I would have to

532

00:18:22,490 --> 00:18:20,039

agree that that means just they don't

533

00:18:24,770 --> 00:18:22,500

know what it was they were sequestering

534

00:18:27,169 --> 00:18:24,780

stuff that they found that crashed that

535

00:18:29,330 --> 00:18:27,179

was Airborne from wherever and they were

536

00:18:32,270 --> 00:18:29,340

working on it whether that's ET or not

537

00:18:33,830 --> 00:18:32,280

that's that's the whole debate right and

538

00:18:35,390 --> 00:18:33,840

that's their goal for people who are

539

00:18:37,010 --> 00:18:35,400

newer to the podcast or haven't heard me

540

00:18:38,330 --> 00:18:37,020

mention it for a while Roswell was

541

00:18:41,210 --> 00:18:38,340

likely

542

00:18:42,590 --> 00:18:41,220

ET crash and yeah I'm all for that but

543

00:18:44,270 --> 00:18:42,600

I'm just I was just curious on

544

00:18:46,669 --> 00:18:44,280

whistleblowers who claim they worked on

545

00:18:48,289 --> 00:18:46,679

Roswell style UFO retrieval programs so

546

00:18:50,210 --> 00:18:48,299

just interesting language

547

00:18:52,190 --> 00:18:50,220

um Danny Sheen's a very interesting

548

00:18:54,289 --> 00:18:52,200

character for the folks who message me

549

00:18:57,049 --> 00:18:54,299

regularly to ask get Danny sheen on I

550

00:18:58,909 --> 00:18:57,059

have tried many different ways maybe

551  
00:19:00,710 --> 00:18:58,919  
it'll happen eventually but he's a hard

552  
00:19:02,990 --> 00:19:00,720  
man to get a hold of

553  
00:19:04,370 --> 00:19:03,000  
um and I'm no doubt he's very very busy

554  
00:19:06,470 --> 00:19:04,380  
as well he has like a legal

555  
00:19:08,690 --> 00:19:06,480  
representative so a little bit inundated

556  
00:19:11,510 --> 00:19:08,700  
with working without um in various

557  
00:19:13,010 --> 00:19:11,520  
different fields but um what were your

558  
00:19:14,450 --> 00:19:13,020  
thoughts on this one Dan you're I got

559  
00:19:16,930 --> 00:19:14,460  
you to read this thing just before you

560  
00:19:19,789 --> 00:19:16,940  
came on it

561  
00:19:22,549 --> 00:19:19,799  
just it just kind of Yang rendered

562  
00:19:25,010 --> 00:19:22,559  
through it it's again these kind of

563  
00:19:27,470 --> 00:19:25,020

whistleblowers who claim you know I'm

564

00:19:29,450 --> 00:19:27,480

kind of like Sean Kirkpatrick here I I'd

565

00:19:30,710 --> 00:19:29,460

love to hear what they have to say

566

00:19:32,810 --> 00:19:30,720

but

567

00:19:34,730 --> 00:19:32,820

just having proof that you worked in

568

00:19:37,190 --> 00:19:34,740

government and saying stuff doesn't mean

569

00:19:39,110 --> 00:19:37,200

that you did that stuff

570

00:19:41,029 --> 00:19:39,120

um you know for that to be credible for

571

00:19:42,470 --> 00:19:41,039

me I would need them to walk me into a

572

00:19:44,090 --> 00:19:42,480

lab I would need them to walk Sean

573

00:19:46,430 --> 00:19:44,100

Kirkpatrick into allow Godzilla brand

574

00:19:47,990 --> 00:19:46,440

into a lab and show them this stuff

575

00:19:50,510 --> 00:19:48,000

um and for it to actually be anomalous

576  
00:19:52,730 --> 00:19:50,520  
not just you know like these we've seen

577  
00:19:54,590 --> 00:19:52,740  
honeycomb structures past offers so this

578  
00:19:56,390 --> 00:19:54,600  
is from an ET craft and it's from a

579  
00:19:59,330 --> 00:19:56,400  
satellite you know

580  
00:20:01,250 --> 00:19:59,340  
um so I I really want someone that was

581  
00:20:03,409 --> 00:20:01,260  
equipped with all the knowledge they

582  
00:20:05,930 --> 00:20:03,419  
needed to actually go in and look at

583  
00:20:07,549 --> 00:20:05,940  
these things uh but then I guess that

584  
00:20:09,350 --> 00:20:07,559  
would be the people themselves that are

585  
00:20:12,770 --> 00:20:09,360  
talking uh we we've heard numbers

586  
00:20:14,510 --> 00:20:12,780  
between 12 six four you know uh the

587  
00:20:17,390 --> 00:20:14,520  
number kind of keeps changing

588  
00:20:20,150 --> 00:20:17,400

it's clear someone's talking but we

589

00:20:22,490 --> 00:20:20,160

don't know who and I would love for for

590

00:20:24,049 --> 00:20:22,500

Arrow to as part of the legislation they

591

00:20:26,570 --> 00:20:24,059

were meant to put on a website how many

592

00:20:28,730 --> 00:20:26,580

people have used the the system to

593

00:20:30,350 --> 00:20:28,740

submit classified information yeah and

594

00:20:31,850 --> 00:20:30,360

thus far the system isn't up and running

595

00:20:33,169 --> 00:20:31,860

you know we heard during the hearing

596

00:20:34,909 --> 00:20:33,179

they submitted around Christmas The

597

00:20:37,850 --> 00:20:34,919

Proposal yeah they still don't have

598

00:20:40,370 --> 00:20:37,860

anything back so the the DB framed it as

599

00:20:42,110 --> 00:20:40,380

a phrased it as administrative terrorism

600

00:20:43,909 --> 00:20:42,120

uh that they're just dragging their

601  
00:20:46,850 --> 00:20:43,919  
heels and making sure Patrick's life

602  
00:20:48,529 --> 00:20:46,860  
harder I I feel like he he's in a good

603  
00:20:50,810 --> 00:20:48,539  
position to kind of separate the wheat

604  
00:20:53,270 --> 00:20:50,820  
from the chaff here give him title 50

605  
00:20:55,070 --> 00:20:53,280  
access let him see all those senses let

606  
00:20:57,169 --> 00:20:55,080  
him see all these historical documents

607  
00:20:59,210 --> 00:20:57,179  
and and actually take the claims of

608  
00:21:01,490 --> 00:20:59,220  
these whistleblowers forward to find out

609  
00:21:04,730 --> 00:21:01,500  
if they're real or not and yeah once

610  
00:21:05,570 --> 00:21:04,740  
once we know he can share it but until

611  
00:21:07,549 --> 00:21:05,580  
then

612  
00:21:09,169 --> 00:21:07,559  
an article in the Daily Mail full of

613  
00:21:11,810 --> 00:21:09,179

possibly maybe

614

00:21:13,010 --> 00:21:11,820

uh doesn't doesn't do much for me I

615

00:21:14,570 --> 00:21:13,020

would say

616

00:21:16,970 --> 00:21:14,580

yeah look out for my article in the

617

00:21:18,710 --> 00:21:16,980

daily mail tomorrow no yeah but listen

618

00:21:20,750 --> 00:21:18,720

it's better to have something there than

619

00:21:23,029 --> 00:21:20,760

nothing there um so thanks to to Josh

620

00:21:25,130 --> 00:21:23,039

for that and also it writes uh normally

621

00:21:28,010 --> 00:21:25,140

request sharp as well so to Kristen the

622

00:21:30,890 --> 00:21:28,020

work he does at Liberation times two

623

00:21:32,450 --> 00:21:30,900

um anything there was uh a really cool

624

00:21:33,649 --> 00:21:32,460

and this is from another interview with

625

00:21:35,570 --> 00:21:33,659

Danny but I always think of it when

626

00:21:38,090 --> 00:21:35,580

Danny comes up he he gave this amazing

627

00:21:39,590 --> 00:21:38,100

story this analogy of when a butterfly

628

00:21:41,149 --> 00:21:39,600

comes out of the Cocoon and there's like

629

00:21:42,649 --> 00:21:41,159

this little strand that kind of holds it

630

00:21:44,390 --> 00:21:42,659

back to it I knew you were going to use

631

00:21:46,610 --> 00:21:44,400

this yeah it's good right it's it's a

632

00:21:48,529 --> 00:21:46,620

memorable one and and he kind of

633

00:21:50,450 --> 00:21:48,539

explains that if you cut that strand for

634

00:21:51,950 --> 00:21:50,460

the butterfly then it won't have the

635

00:21:53,630 --> 00:21:51,960

energy and the power that it needs in

636

00:21:54,890 --> 00:21:53,640

its wings to be able to fly free and do

637

00:21:56,990 --> 00:21:54,900

its thing

638

00:21:58,549 --> 00:21:57,000

um and he used it as an analogy to kind

639

00:22:00,409 --> 00:21:58,559

of say that's where we are as him with

640

00:22:03,169 --> 00:22:00,419

as Humanity with the subjects you know

641

00:22:04,610 --> 00:22:03,179

if if someone comes along and cuts that

642

00:22:06,350 --> 00:22:04,620

string too soon then we're not gonna

643

00:22:07,789 --> 00:22:06,360

have the prowess and the mindfulness we

644

00:22:10,730 --> 00:22:07,799

need to actually tackle this properly

645

00:22:12,350 --> 00:22:10,740

and enjoying what is a bigger kind of

646

00:22:13,130 --> 00:22:12,360

community of species than we currently

647

00:22:15,049 --> 00:22:13,140

know

648

00:22:17,029 --> 00:22:15,059

I think the issue is that there are a

649

00:22:18,590 --> 00:22:17,039

lot of people who think the Air Force

650

00:22:20,690 --> 00:22:18,600

are back inside the butterflies cocoon

651

00:22:22,490 --> 00:22:20,700

hauling The Strand and the Butterfly

652

00:22:24,230 --> 00:22:22,500

background for anyone on YouTube they

653

00:22:28,070 --> 00:22:24,240

can see me doing the overlapping hands

654

00:22:30,590 --> 00:22:28,080

yeah pulling that strand back in um uh

655

00:22:32,330 --> 00:22:30,600

so yeah and Dr Sean Kirkpatrick just

656

00:22:35,210 --> 00:22:32,340

hoping to close the Cocoon back over and

657

00:22:36,110 --> 00:22:35,220

make it SCP someone else's problem as he

658

00:22:38,450 --> 00:22:36,120

said

659

00:22:41,029 --> 00:22:38,460

um so yeah but who knows it's an

660

00:22:43,070 --> 00:22:41,039

interesting one and we are going to see

661

00:22:44,570 --> 00:22:43,080

again what I was glad with the hearings

662

00:22:46,310 --> 00:22:44,580

the announcement came and the hearings

663

00:22:48,830 --> 00:22:46,320

happened within what 10 days there

664

00:22:49,810 --> 00:22:48,840

wasn't a long time to wait uh we've got

665

00:22:56,090 --> 00:22:49,820

the

666

00:22:57,409 --> 00:22:56,100

likely not even see that or know that

667

00:22:59,510 --> 00:22:57,419

it's happened there'll be the

668

00:23:01,490 --> 00:22:59,520

unclassified version due around June

669

00:23:04,070 --> 00:23:01,500

July Dr Sean Kirkpatrick said that he

670

00:23:04,730 --> 00:23:04,080

said was running on time hopefully

671

00:23:07,730 --> 00:23:04,740

um

672

00:23:09,529 --> 00:23:07,740

Angela brand seemed to be all about

673

00:23:11,390 --> 00:23:09,539

supporting his working efforts and

674

00:23:14,210 --> 00:23:11,400

making sure things happened that he

675

00:23:15,529 --> 00:23:14,220

needed to happen and including these uh

676  
00:23:17,210 --> 00:23:15,539  
whistleblowers that we're now hearing

677  
00:23:19,070 --> 00:23:17,220  
are coming forward and are speaking

678  
00:23:20,210 --> 00:23:19,080  
James Fox so we're going to get to in a

679  
00:23:22,370 --> 00:23:20,220  
moment apparently has interviewed

680  
00:23:25,090 --> 00:23:22,380  
whistleblowers in DC when he was

681  
00:23:26,990 --> 00:23:25,100  
visiting there I know there are other

682  
00:23:29,149 --> 00:23:27,000  
officials that people would know well

683  
00:23:31,730 --> 00:23:29,159  
are in DC right now

684  
00:23:34,310 --> 00:23:31,740  
um discussing UAP

685  
00:23:35,390 --> 00:23:34,320  
um so Anonymous sources tell me sorry

686  
00:23:37,610 --> 00:23:35,400  
folks

687  
00:23:39,350 --> 00:23:37,620  
um but trusted sources like there are

688  
00:23:40,490 --> 00:23:39,360

people in DC just now so it's an

689

00:23:41,149 --> 00:23:40,500

interesting one

690

00:23:43,130 --> 00:23:41,159

um

691

00:23:46,070 --> 00:23:43,140

we shoot here within a reasonable time

692

00:23:48,890 --> 00:23:46,080

frame or no if progress is being made

693

00:23:50,990 --> 00:23:48,900

and I think if it comes June July August

694

00:23:52,970 --> 00:23:51,000

September we start getting towards that

695

00:23:55,669 --> 00:23:52,980

Halloween annual report

696

00:23:57,110 --> 00:23:55,679

is it Halloween that was the it was it

697

00:23:59,149 --> 00:23:57,120

was a horrifying report at Halloween

698

00:24:01,970 --> 00:23:59,159

that's right yeah that was the one yeah

699

00:24:03,049 --> 00:24:01,980

scary Treehouse of Horror style for The

700

00:24:04,430 --> 00:24:03,059

Simpsons

701  
00:24:07,250 --> 00:24:04,440  
um we should start to see that if

702  
00:24:09,350 --> 00:24:07,260  
progress is being made or as a star you

703  
00:24:11,330 --> 00:24:09,360  
know the Air Force or others obfuscating

704  
00:24:12,649 --> 00:24:11,340  
things and the Cocoon pulling the Strand

705  
00:24:15,649 --> 00:24:12,659  
back in

706  
00:24:17,750 --> 00:24:15,659  
bottle which we keep seeing or keep

707  
00:24:19,789 --> 00:24:17,760  
hearing won't happen but you know we

708  
00:24:21,710 --> 00:24:19,799  
need to see that more progress is being

709  
00:24:23,990 --> 00:24:21,720  
made because right now it's it's a tough

710  
00:24:26,450 --> 00:24:24,000  
one I think it's a tough one but yeah

711  
00:24:28,010 --> 00:24:26,460  
I'm still hopeful so we'll see

712  
00:24:29,450 --> 00:24:28,020  
um anything else on hearings reaction

713  
00:24:31,549 --> 00:24:29,460

from you then

714

00:24:33,289 --> 00:24:31,559

um in Tim's article at the debrief there

715

00:24:35,330 --> 00:24:33,299

was a little section on what's next that

716

00:24:37,310 --> 00:24:35,340

I thought was you know interesting

717

00:24:39,409 --> 00:24:37,320

um he basically kind of explained that

718

00:24:41,870 --> 00:24:39,419

arrow is going to carefully analyze its

719

00:24:44,450 --> 00:24:41,880

unknown cases or as Kirkpatrick put it

720

00:24:46,070 --> 00:24:44,460

the very small percentage of UAP reports

721

00:24:48,770 --> 00:24:46,080

that display signatures that could be

722

00:24:50,270 --> 00:24:48,780

reasonably described as anomalous that's

723

00:24:51,649 --> 00:24:50,280

a mouthful but it's an exciting

724

00:24:53,750 --> 00:24:51,659

statement you know they're gonna look at

725

00:24:55,490 --> 00:24:53,760

the anomalous stuff the that isn't

726

00:24:57,470 --> 00:24:55,500

somebody else's problem and kind of

727

00:24:59,029 --> 00:24:57,480

tackle that hopefully the title 50

728

00:25:01,370 --> 00:24:59,039

access will come sooner rather than

729

00:25:03,590 --> 00:25:01,380

later so they can you know very robustly

730

00:25:04,730 --> 00:25:03,600

kind of analyze those

731

00:25:07,490 --> 00:25:04,740

um they're going to be putting together

732

00:25:09,950 --> 00:25:07,500

a collection plan probably to gather

733

00:25:12,289 --> 00:25:09,960

their own data as opposed to relying on

734

00:25:13,850 --> 00:25:12,299

just reports so

735

00:25:16,250 --> 00:25:13,860

I imagine that will end up being

736

00:25:18,230 --> 00:25:16,260

somewhat akin to something like the

737

00:25:20,390 --> 00:25:18,240

Galileo project where they'll actually

738

00:25:22,669 --> 00:25:20,400

deploy satellites that you know we've

739

00:25:24,649 --> 00:25:22,679

heard that behind the scenes they've had

740

00:25:27,289 --> 00:25:24,659

satellites that geared towards UAP for

741

00:25:29,390 --> 00:25:27,299

donkey shows but this will kind of be

742

00:25:31,130 --> 00:25:29,400

the first publicly known census that

743

00:25:33,769 --> 00:25:31,140

deployed by the US government to gather

744

00:25:34,970 --> 00:25:33,779

data on UAP and Kirkpatrick you know

745

00:25:36,830 --> 00:25:34,980

that that should be able to feed into

746

00:25:38,649 --> 00:25:36,840

that NASA study and things like that so

747

00:25:43,010 --> 00:25:38,659

we'll see that road coming together

748

00:25:43,970 --> 00:25:43,020

hopefully the OS ousdi issues get sorted

749

00:25:45,169 --> 00:25:43,980

out

750

00:25:47,210 --> 00:25:45,179

um we've heard

751

00:25:49,610 --> 00:25:47,220

often over the years that they kind of

752

00:25:52,310 --> 00:25:49,620

obfuscate things and the people that Lou

753

00:25:54,110 --> 00:25:52,320

Alexander pointed out uh Neil Tipton and

754

00:25:57,110 --> 00:25:54,120

Matt Cummings they're still at the OU

755

00:25:58,970 --> 00:25:57,120

SDI so if they are obfuscating things

756

00:26:01,669 --> 00:25:58,980

those guys are a bit of a roadblock

757

00:26:03,769 --> 00:26:01,679

we've also got can I just before you say

758

00:26:05,029 --> 00:26:03,779

the next one um because I hate when

759

00:26:07,549 --> 00:26:05,039

people use words that I don't know the

760

00:26:09,409 --> 00:26:07,559

meaning of on podcasts Italy and I'm

761

00:26:10,970 --> 00:26:09,419

very aware that I said obfuscate as well

762

00:26:12,409 --> 00:26:10,980

so for anyone who's listening to this

763

00:26:13,909 --> 00:26:12,419

thinking listening to those dicks say

764

00:26:15,350 --> 00:26:13,919

the word obfuscate

765

00:26:16,610 --> 00:26:15,360

um it does just mean make things

766

00:26:17,930 --> 00:26:16,620

difficult

767

00:26:19,909 --> 00:26:17,940

um because I wouldn't have known what it

768

00:26:21,649 --> 00:26:19,919

was before someone said so and anyone

769

00:26:23,330 --> 00:26:21,659

else thinking come on Andy we know what

770

00:26:24,529 --> 00:26:23,340

it means apologies but yeah there'll be

771

00:26:27,289 --> 00:26:24,539

someone sitting there going like that

772

00:26:29,870 --> 00:26:27,299

what but nobody's never left behind I

773

00:26:32,390 --> 00:26:29,880

like it that's it yeah

774

00:26:34,070 --> 00:26:32,400

um then we also have

775

00:26:35,269 --> 00:26:34,080

um and this has kind of gone unmentioned

776

00:26:37,250 --> 00:26:35,279

since it happened but during the whole

777

00:26:39,710 --> 00:26:37,260

Chinese balloon thing uh it was

778

00:26:42,289 --> 00:26:39,720

announced that uh or the

779

00:26:44,390 --> 00:26:42,299

the National Security advisor Jake

780

00:26:46,490 --> 00:26:44,400

Sullivan was tasked with leading the

781

00:26:49,610 --> 00:26:46,500

White House's UAP inquiry which was

782

00:26:50,750 --> 00:26:49,620

meant to be independent interagency so I

783

00:26:52,669 --> 00:26:50,760

would hope that we're going to hear a

784

00:26:55,850 --> 00:26:52,679

little bit more about that soon uh

785

00:26:58,250 --> 00:26:55,860

because that would have access to pretty

786

00:26:59,570 --> 00:26:58,260

much everything they need access to

787

00:27:01,310 --> 00:26:59,580

um you know Jake Sullivan could just

788

00:27:03,830 --> 00:27:01,320

start kicking down doors and taking

789

00:27:05,510 --> 00:27:03,840

names the last President we had that did

790

00:27:07,070 --> 00:27:05,520

something like this was Clinton you know

791

00:27:09,230 --> 00:27:07,080

he said that he tasked podesta and

792

00:27:11,570 --> 00:27:09,240

things like that to go look at the UFO

793

00:27:13,190 --> 00:27:11,580

files but as podesta said one of his

794

00:27:14,870 --> 00:27:13,200

great regrets was not being able to

795

00:27:16,909 --> 00:27:14,880

release those files

796

00:27:17,990 --> 00:27:16,919

um and this was before the days that you

797

00:27:20,210 --> 00:27:18,000

know we're getting the files we're

798

00:27:21,890 --> 00:27:20,220

getting now so yeah really curious what

799

00:27:24,230 --> 00:27:21,900

files he was referring to and what they

800

00:27:27,049 --> 00:27:24,240

did find and and yeah what what like

801  
00:27:29,149 --> 00:27:27,059  
that could shed on the situation

802  
00:27:30,590 --> 00:27:29,159  
back in the days of the X-Files like you

803  
00:27:32,390 --> 00:27:30,600  
know that was all the whole thing wasn't

804  
00:27:35,750 --> 00:27:32,400  
it yeah yeah that's right

805  
00:27:37,190 --> 00:27:35,760  
um so James Fox uh friend of the show I

806  
00:27:38,510 --> 00:27:37,200  
like to say because James Fox has been

807  
00:27:40,490 --> 00:27:38,520  
on a couple of times and we'll be back

808  
00:27:43,010 --> 00:27:40,500  
on again in the coming months uh

809  
00:27:45,590 --> 00:27:43,020  
director of this um the phenomenon

810  
00:27:48,289 --> 00:27:45,600  
documentary director of you know

811  
00:27:51,950 --> 00:27:48,299  
um I know what I saw the Virginia case

812  
00:27:53,990 --> 00:27:51,960  
that was most recent is on Joe Rogan um

813  
00:27:56,330 --> 00:27:54,000

re-recording this on Wednesday the 26th

814

00:27:58,549 --> 00:27:56,340

of April he's due Thursday the 27th of

815

00:28:00,470 --> 00:27:58,559

April and he's already recorded that's

816

00:28:01,970 --> 00:28:00,480

got announced a few days ago

817

00:28:03,710 --> 00:28:01,980

um and he's on there to discuss the

818

00:28:06,289 --> 00:28:03,720

vagina case and no doubt a little bit

819

00:28:07,909 --> 00:28:06,299

more as well there's nothing to say or

820

00:28:09,590 --> 00:28:07,919

it's almost speculation because we don't

821

00:28:11,930 --> 00:28:09,600

know what he said on the podcast but

822

00:28:14,269 --> 00:28:11,940

I'll just get my own two cents or two

823

00:28:18,230 --> 00:28:14,279

pennies depending on your best uh James

824

00:28:19,490 --> 00:28:18,240

Fox lovely guys yeah pesos yeah for yeah

825

00:28:21,529 --> 00:28:19,500

Dan just back

826

00:28:23,210 --> 00:28:21,539

um but yeah James Fox lovely guy he

827

00:28:24,350 --> 00:28:23,220

really looks like my dad um which is

828

00:28:26,570 --> 00:28:24,360

weird

829

00:28:28,190 --> 00:28:26,580

um I think he's so nice to talk to it

830

00:28:29,990 --> 00:28:28,200

comes across incredibly passionate about

831

00:28:32,029 --> 00:28:30,000

the UFO subject

832

00:28:34,190 --> 00:28:32,039

um he's a fan of the topic he doesn't

833

00:28:35,630 --> 00:28:34,200

mind speculating and I always get the

834

00:28:37,610 --> 00:28:35,640

feeling and I've said this before and I

835

00:28:41,269 --> 00:28:37,620

always caveat it by saying in the nicest

836

00:28:43,310 --> 00:28:41,279

way possible if anyone who I respect and

837

00:28:45,830 --> 00:28:43,320

appreciate and and listen to like James

838

00:28:48,350 --> 00:28:45,840

Fox was going to spell more than they

839

00:28:50,029 --> 00:28:48,360

should I think he's the type of guy who

840

00:28:51,830 --> 00:28:50,039

potentially is gonna

841

00:28:53,029 --> 00:28:51,840

listen his tongue a little bit and I

842

00:28:54,890 --> 00:28:53,039

would hope if he's going to do it he's

843

00:28:57,049 --> 00:28:54,900

done on a national stage like Joe Rogan

844

00:28:59,570 --> 00:28:57,059

because um James doesn't have the

845

00:29:01,130 --> 00:28:59,580

attention the phenomenon documentary the

846

00:29:03,169 --> 00:29:01,140

Virginia case

847

00:29:05,390 --> 00:29:03,179

um documentary all deserve to go back up

848

00:29:07,130 --> 00:29:05,400

the charts be seen by more people it's a

849

00:29:09,590 --> 00:29:07,140

type of material that will get more eyes

850

00:29:11,690 --> 00:29:09,600

on the UFO topic and subject

851  
00:29:13,669 --> 00:29:11,700  
um James Fox a wonderful Ambassador for

852  
00:29:16,130 --> 00:29:13,679  
the topic in my opinion and it's great

853  
00:29:17,870 --> 00:29:16,140  
to see someone like him on Joe Rogan I

854  
00:29:19,850 --> 00:29:17,880  
hope Joe Rogan's pressed them in terms

855  
00:29:22,490 --> 00:29:19,860  
of questioning James Fox himself

856  
00:29:24,769 --> 00:29:22,500  
wouldn't mind that and it's good to see

857  
00:29:28,130 --> 00:29:24,779  
Joe Rogan back talking UFOs

858  
00:29:29,389 --> 00:29:28,140  
so Dan you made an interesting uh

859  
00:29:31,549 --> 00:29:29,399  
comment when we mentioned this before

860  
00:29:33,529 --> 00:29:31,559  
hit record but you know oh he should pay

861  
00:29:35,269 --> 00:29:33,539  
for the video and for anyone who who

862  
00:29:37,430 --> 00:29:35,279  
won't know what I mean by that yeah

863  
00:29:40,430 --> 00:29:37,440

James Fox is apparently still as far as

864

00:29:42,769 --> 00:29:40,440

we know trying to get his hands on video

865

00:29:46,549 --> 00:29:42,779

of the the Creature from the Virginia

866

00:29:48,529 --> 00:29:46,559

crash in Brazil that allegedly exists

867

00:29:49,789 --> 00:29:48,539

um someone has it and is looking for you

868

00:29:51,649 --> 00:29:49,799

know a couple hundred thousand dollars

869

00:29:52,970 --> 00:29:51,659

was it or he's offered I think that was

870

00:29:54,710 --> 00:29:52,980

the offer yeah when someone was like

871

00:29:56,210 --> 00:29:54,720

that's a bit low but yeah that was the

872

00:29:58,310 --> 00:29:56,220

offer out there

873

00:29:59,690 --> 00:29:58,320

um if that video is out there you'd said

874

00:30:00,950 --> 00:29:59,700

you know Rogan should just pay for it

875

00:30:03,950 --> 00:30:00,960

and yeah do you know what I'm sure Joe

876

00:30:05,630 --> 00:30:03,960

Rogan for play money has a couple of

877

00:30:07,789 --> 00:30:05,640

million dollars that he can literally go

878

00:30:10,210 --> 00:30:07,799

James if you can get that video Spotify

879

00:30:13,310 --> 00:30:10,220

deal like yeah

880

00:30:15,049 --> 00:30:13,320

and he has a comedy club now that

881

00:30:16,970 --> 00:30:15,059

apparently is doing gangbusters every

882

00:30:19,310 --> 00:30:16,980

night uh every weekend taking you know

883

00:30:22,549 --> 00:30:19,320

tens of thousands uh the mothership in

884

00:30:24,590 --> 00:30:22,559

Texas is so yeah Joe Joe could afford to

885

00:30:26,810 --> 00:30:24,600

just drop that money on the sidewalk and

886

00:30:29,810 --> 00:30:26,820

not even look back so and I'm sure

887

00:30:31,970 --> 00:30:29,820

Spotify will front the money to Rogan

888

00:30:34,730 --> 00:30:31,980

for James Fox if he says you go and get

889

00:30:36,950 --> 00:30:34,740

that video you give me an exclusive I

890

00:30:40,250 --> 00:30:36,960

will play it on my show and we'll talk

891

00:30:42,590 --> 00:30:40,260

about it first here then yeah go and get

892

00:30:44,750 --> 00:30:42,600

it that will pay in itself you know

893

00:30:47,090 --> 00:30:44,760

that's that's that's just good business

894

00:30:49,789 --> 00:30:47,100

if nothing else yeah and it's also a

895

00:30:51,830 --> 00:30:49,799

fantastic way to get uh what is meant to

896

00:30:54,350 --> 00:30:51,840

be a good piece of credible footage out

897

00:30:55,909 --> 00:30:54,360

there or it'll be a good way to

898

00:30:58,909 --> 00:30:55,919

completely propose something that wasn't

899

00:31:01,010 --> 00:30:58,919

worth it either way it's I think that's

900

00:31:02,690 --> 00:31:01,020

that that would just be sensible and I

901  
00:31:04,310 --> 00:31:02,700  
hope to God that comes up on the podcast

902  
00:31:06,470 --> 00:31:04,320  
tomorrow yeah because it's a really fair

903  
00:31:08,389 --> 00:31:06,480  
fingers crossed uh you know Joe seems

904  
00:31:10,130 --> 00:31:08,399  
certainly one of these people that would

905  
00:31:11,450 --> 00:31:10,140  
go for something like that you know he

906  
00:31:12,649 --> 00:31:11,460  
he did that I forget the name of the

907  
00:31:14,930 --> 00:31:12,659  
show now but it was something like Joe

908  
00:31:16,010 --> 00:31:14,940  
Rogan investigates and he went around a

909  
00:31:17,510 --> 00:31:16,020  
bunch of different you know there was an

910  
00:31:19,250 --> 00:31:17,520  
episode on remote viewing episode on

911  
00:31:22,010 --> 00:31:19,260  
Aliens episode on psychics and things

912  
00:31:23,389 --> 00:31:22,020  
like that and he he said after that one

913  
00:31:25,430 --> 00:31:23,399

season he got tired of it because there

914

00:31:27,470 --> 00:31:25,440

was no proof and here is a real

915

00:31:29,570 --> 00:31:27,480

opportunity where he can you know help

916

00:31:31,669 --> 00:31:29,580

draw a line under something

917

00:31:33,529 --> 00:31:31,679

um and really really contribute and like

918

00:31:34,909 --> 00:31:33,539

you said before like while we're at it

919

00:31:37,370 --> 00:31:34,919

let's let's get that truck clock video

920

00:31:40,250 --> 00:31:37,380

yeah I said Chuck Taylor when we

921

00:31:43,029 --> 00:31:40,260

discussed it before yeah yeah Chuck

922

00:31:45,409 --> 00:31:43,039

Taylor's a rock star isn't it um so yeah

923

00:31:46,610 --> 00:31:45,419

the Chuck Clark video again if you

924

00:31:47,990 --> 00:31:46,620

haven't listened into the interviews

925

00:31:50,029 --> 00:31:48,000

with James Fox go back and listen to

926  
00:31:51,529 --> 00:31:50,039  
them and ideally my interview is not Joe

927  
00:31:53,630 --> 00:31:51,539  
Rogan's but hey ho

928  
00:31:55,669 --> 00:31:53,640  
um James Fox has talked about on many

929  
00:31:57,649 --> 00:31:55,679  
different podcasts a video that he has

930  
00:31:59,029 --> 00:31:57,659  
apparently seen where uh two guys

931  
00:32:00,470 --> 00:31:59,039  
backpacking and I'm going to very

932  
00:32:02,710 --> 00:32:00,480  
quickly run through it

933  
00:32:04,669 --> 00:32:02,720  
um ended up in the the

934  
00:32:07,490 --> 00:32:04,679  
mid 90s

935  
00:32:09,350 --> 00:32:07,500  
um filming an alleged UFO above them

936  
00:32:11,450 --> 00:32:09,360  
with a handheld camera apparently the

937  
00:32:14,090 --> 00:32:11,460  
footage is incredible however massively

938  
00:32:17,029 --> 00:32:14,100

degraded to this day

939

00:32:19,370 --> 00:32:17,039

um I don't want it it's not 8K well yeah

940

00:32:21,110 --> 00:32:19,380

and it's not going to be but I would

941

00:32:22,250 --> 00:32:21,120

like well I'm at it I'd be throwing a

942

00:32:23,750 --> 00:32:22,260

couple of hundred grand or do you know

943

00:32:25,730 --> 00:32:23,760

what can we just meet Chuck Clark a

944

00:32:28,010 --> 00:32:25,740

millionaire give him the money go enjoy

945

00:32:31,130 --> 00:32:28,020

your life Chuck give us that video yeah

946

00:32:32,930 --> 00:32:31,140

just just that's money to say we'll keep

947

00:32:35,330 --> 00:32:32,940

your name out of it No One's Gonna cost

948

00:32:39,769 --> 00:32:35,340

you like it is about the material itself

949

00:32:40,850 --> 00:32:39,779

and that's I've just named you yeah but

950

00:32:43,610 --> 00:32:40,860

William said where he lives or anything

951  
00:32:45,409 --> 00:32:43,620  
no one's docks in anyone but yeah that

952  
00:32:47,450 --> 00:32:45,419  
video was apparently phenomenal you know

953  
00:32:49,490 --> 00:32:47,460  
the there are still they exist online of

954  
00:32:52,070 --> 00:32:49,500  
it and it is perfectly reasonable to

955  
00:32:53,450 --> 00:32:52,080  
watch to me you know I jokingly said

956  
00:32:55,070 --> 00:32:53,460  
that AK thing but I really don't care it

957  
00:32:56,750 --> 00:32:55,080  
could be filmed with an old machia for

958  
00:32:58,730 --> 00:32:56,760  
all I care if it shows the phenomena

959  
00:33:00,830 --> 00:32:58,740  
let's get on with it it's probably

960  
00:33:02,630 --> 00:33:00,840  
better being old footage from the mid

961  
00:33:04,850 --> 00:33:02,640  
90s as opposed to something brand new in

962  
00:33:06,289 --> 00:33:04,860  
4k because that whole thing what does

963  
00:33:07,789 --> 00:33:06,299

real look like it's much harder like a

964

00:33:09,049 --> 00:33:07,799

doctor and fake videos back then than it

965

00:33:11,870 --> 00:33:09,059

is now when you can do it on your iPhone

966

00:33:13,669 --> 00:33:11,880

so now you just say chat GPT make me a

967

00:33:16,070 --> 00:33:13,679

video of alien sighting and it's just

968

00:33:17,990 --> 00:33:16,080

there you know yeah what it says

969

00:33:19,669 --> 00:33:18,000

actually some something happened while

970

00:33:22,970 --> 00:33:19,679

we were in Colombia that you might find

971

00:33:25,610 --> 00:33:22,980

interesting basically Ashley was making

972

00:33:27,230 --> 00:33:25,620

something to kind of show

973

00:33:28,970 --> 00:33:27,240

um to show what the Lights On The

974

00:33:31,009 --> 00:33:28,980

Mountain would look like basically and

975

00:33:32,269 --> 00:33:31,019

it was the reported site almost like

976  
00:33:34,549 --> 00:33:32,279  
this light above the mountain that shot

977  
00:33:37,070 --> 00:33:34,559  
up in the air so we animated that and it

978  
00:33:39,169 --> 00:33:37,080  
very clearly has Recreation on it and

979  
00:33:42,230 --> 00:33:39,179  
you know it was presented as such

980  
00:33:45,110 --> 00:33:42,240  
that clip was cut and cropped and ended

981  
00:33:49,669 --> 00:33:47,630  
typically yeah

982  
00:33:51,529 --> 00:33:49,679  
no credit given

983  
00:33:53,149 --> 00:33:51,539  
yeah always credit people Forks always

984  
00:33:54,950 --> 00:33:53,159  
trying and if I ever messed that up by

985  
00:33:56,930 --> 00:33:54,960  
doing it then I apologies but yeah no

986  
00:33:58,970 --> 00:33:56,940  
and you're totally right that

987  
00:34:00,350 --> 00:33:58,980  
I I would be coping we're all gonna

988  
00:34:02,269 --> 00:34:00,360

offer to pay for the video

989

00:34:04,370 --> 00:34:02,279

um unless James already has it in which

990

00:34:05,570 --> 00:34:04,380

case you know good time to announce it

991

00:34:06,769 --> 00:34:05,580

um but yeah so that's something we can

992

00:34:09,290 --> 00:34:06,779

probably talk about next week but look

993

00:34:10,669 --> 00:34:09,300

out for that one um folks Joe Rogan runs

994

00:34:12,470 --> 00:34:10,679

a small podcast himself support

995

00:34:14,990 --> 00:34:12,480

Grassroots podcasting make sure you give

996

00:34:16,550 --> 00:34:15,000

Joe a follow on Spotify rate is show I'm

997

00:34:18,050 --> 00:34:16,560

sure he'll appreciate it

998

00:34:20,030 --> 00:34:18,060

um yeah by some of his merch you know

999

00:34:22,389 --> 00:34:20,040

but you know all pays for the Rogan

1000

00:34:25,129 --> 00:34:22,399

families ballet shoes I'm sure yeah

1001  
00:34:26,089 --> 00:34:25,139  
organs a clever guy whether you like him

1002  
00:34:28,070 --> 00:34:26,099  
or not

1003  
00:34:29,329 --> 00:34:28,080  
very rich very successful it's all good

1004  
00:34:31,250 --> 00:34:29,339  
on them

1005  
00:34:33,649 --> 00:34:31,260  
um speaking of rich and successful Jimmy

1006  
00:34:34,849 --> 00:34:33,659  
church was hosting John Ramirez former

1007  
00:34:37,550 --> 00:34:34,859  
CIA

1008  
00:34:39,409 --> 00:34:37,560  
um former guest of the show on Fade to

1009  
00:34:41,690 --> 00:34:39,419  
Black last night Dan he's going to be on

1010  
00:34:43,310 --> 00:34:41,700  
Vinnie of disclosure team's podcast in

1011  
00:34:45,109 --> 00:34:43,320  
the next couple of days as well folks so

1012  
00:34:46,970 --> 00:34:45,119  
make sure you check that one out

1013  
00:34:48,470 --> 00:34:46,980

um hopefully I'll join on next month as

1014

00:34:50,450 --> 00:34:48,480

well to follow up on some of the

1015

00:34:51,770 --> 00:34:50,460

comments however a couple of things I

1016

00:34:53,629 --> 00:34:51,780

woke up to today including a few

1017

00:34:55,250 --> 00:34:53,639

listeners getting in touch to ask me my

1018

00:34:57,910 --> 00:34:55,260

thoughts on it before I'd even seen it

1019

00:35:00,589 --> 00:34:57,920

as um John Ramirez said

1020

00:35:02,690 --> 00:35:00,599

2027 is a year that he keeps hearing

1021

00:35:03,890 --> 00:35:02,700

being brought up including in Skiffs you

1022

00:35:05,030 --> 00:35:03,900

know closed door briefings he's been

1023

00:35:06,770 --> 00:35:05,040

part of

1024

00:35:10,190 --> 00:35:06,780

um experiencers talking about the year

1025

00:35:11,990 --> 00:35:10,200

2027 being significant and uh John said

1026

00:35:14,270 --> 00:35:12,000

and he did quantify it by saying it's

1027

00:35:17,569 --> 00:35:14,280

just his opinion that he hopes that if

1028

00:35:19,310 --> 00:35:17,579

by 2027 disclosure has happened in the

1029

00:35:21,890 --> 00:35:19,320

way that may with government information

1030

00:35:24,170 --> 00:35:21,900

you know the UAP task force stuff arrow

1031

00:35:27,050 --> 00:35:24,180

and that being's already on the planet

1032

00:35:29,089 --> 00:35:27,060

will be able to announce themselves and

1033

00:35:30,410 --> 00:35:29,099

and a big way or at least come out and

1034

00:35:31,730 --> 00:35:30,420

say you know we're here we have been

1035

00:35:34,190 --> 00:35:31,740

here

1036

00:35:35,930 --> 00:35:34,200

this is this for many people as pure

1037

00:35:38,270 --> 00:35:35,940

speculation territory and I know the

1038

00:35:40,670 --> 00:35:38,280

comments online have already massively

1039

00:35:42,589 --> 00:35:40,680

split down the middle between John's

1040

00:35:44,930 --> 00:35:42,599

jump the shark here completely Jordan's

1041

00:35:47,870 --> 00:35:44,940

just making stuff up to be fair to John

1042

00:35:49,970 --> 00:35:47,880

Ramirez he does say very often even with

1043

00:35:52,130 --> 00:35:49,980

some of the world of speculation and the

1044

00:35:53,810 --> 00:35:52,140

comments that it's much of it is just

1045

00:35:56,150 --> 00:35:53,820

his opinion because of little bits and

1046

00:35:57,589 --> 00:35:56,160

pieces he has heard and I think it's one

1047

00:36:00,950 --> 00:35:57,599

that was if you're a fan of speculation

1048

00:36:03,589 --> 00:36:00,960

you'll love John Ramirez if you need

1049

00:36:05,569 --> 00:36:03,599

named sources dates times facts when

1050

00:36:07,250 --> 00:36:05,579

things happened then you may might not

1051

00:36:09,170 --> 00:36:07,260

not like a lot of it because John will

1052

00:36:11,630 --> 00:36:09,180

tell you I've heard little bits of this

1053

00:36:13,790 --> 00:36:11,640

and off the back of it here's what I

1054

00:36:15,530 --> 00:36:13,800

think and sometimes that can be

1055

00:36:17,810 --> 00:36:15,540

misconstrued in the day and age of

1056

00:36:22,010 --> 00:36:17,820

editing context Clips like you said and

1057

00:36:23,690 --> 00:36:22,020

Ash Kerry made a clip gets cut cropped

1058

00:36:25,190 --> 00:36:23,700

and hide out online somewhere else in

1059

00:36:26,990 --> 00:36:25,200

the new show do you know what I mean

1060

00:36:28,490 --> 00:36:27,000

that's that can happen a lot to John as

1061

00:36:30,470 --> 00:36:28,500

well not to say that it doesn't make a

1062

00:36:32,390 --> 00:36:30,480

lot of kind of kind of weld our comments

1063

00:36:34,670 --> 00:36:32,400

with all due respect um and do enjoy

1064

00:36:37,010 --> 00:36:34,680

enjoy talking to John

1065

00:36:40,069 --> 00:36:37,020

um but yeah it's uh as part and parcel

1066

00:36:42,290 --> 00:36:40,079

of the UFO topic um and some people love

1067

00:36:43,670 --> 00:36:42,300

to hear it some people don't so that was

1068

00:36:45,470 --> 00:36:43,680

the first comment he made Dan I'll ask

1069

00:36:48,770 --> 00:36:45,480

your thoughts on on that when people

1070

00:36:50,210 --> 00:36:48,780

name dates specifically they tend to

1071

00:36:52,310 --> 00:36:50,220

come and go don't they

1072

00:36:53,990 --> 00:36:52,320

yeah they do and and we kind of get

1073

00:36:55,849 --> 00:36:54,000

these prophecies from so many different

1074

00:36:57,410 --> 00:36:55,859

places there's a list somewhere online

1075

00:36:58,849 --> 00:36:57,420

of them you know we should have

1076  
00:37:01,010 --> 00:36:58,859  
experienced a whole bunch of things by

1077  
00:37:02,690 --> 00:37:01,020  
now over the last hundred years but

1078  
00:37:04,670 --> 00:37:02,700  
John's just repeating what he's heard

1079  
00:37:06,710 --> 00:37:04,680  
and and I'm one of these people that

1080  
00:37:08,510 --> 00:37:06,720  
finds what John says really challenging

1081  
00:37:10,849 --> 00:37:08,520  
but I will listen to what he has to say

1082  
00:37:12,470 --> 00:37:10,859  
because he is qualified like he does he

1083  
00:37:13,550 --> 00:37:12,480  
does have the background that he says he

1084  
00:37:15,829 --> 00:37:13,560  
does

1085  
00:37:17,210 --> 00:37:15,839  
um saying in 2027 isn't any more out

1086  
00:37:19,490 --> 00:37:17,220  
there than other stuff he said in

1087  
00:37:21,650 --> 00:37:19,500  
previous interviews as well but the the

1088  
00:37:23,630 --> 00:37:21,660

one thing for me there would be that if

1089

00:37:25,010 --> 00:37:23,640

it's something that said in a skiff that

1090

00:37:26,990 --> 00:37:25,020

means it's something that's really

1091

00:37:29,210 --> 00:37:27,000

protected and something that shouldn't

1092

00:37:30,650 --> 00:37:29,220

be repeated outside said skiff so the

1093

00:37:32,630 --> 00:37:30,660

fact that he's even talking about it for

1094

00:37:34,430 --> 00:37:32,640

me is a little bit of a red flag but

1095

00:37:35,630 --> 00:37:34,440

rather than dismissing it it would be

1096

00:37:37,609 --> 00:37:35,640

the kind of thing that I'd want to say

1097

00:37:39,650 --> 00:37:37,619

to John hey can you elaborate on this a

1098

00:37:40,970 --> 00:37:39,660

little bit because I'm curious right uh

1099

00:37:42,530 --> 00:37:40,980

don't throw the baby out with the bath

1100

00:37:45,349 --> 00:37:42,540

water hold things slightly take this

1101  
00:37:47,630 --> 00:37:45,359  
seriously yeah so interesting and again

1102  
00:37:50,210 --> 00:37:47,640  
like I said he said it is there the

1103  
00:37:53,990 --> 00:37:50,220  
clips are online folks um

1104  
00:37:55,790 --> 00:37:54,000  
done do you remember obviously Anjali

1105  
00:37:57,890 --> 00:37:55,800  
um who who kind of came and went last

1106  
00:37:59,450 --> 00:37:57,900  
year and something I said I was going to

1107  
00:38:01,430 --> 00:37:59,460  
mention to you and not tell you what it

1108  
00:38:03,710 --> 00:38:01,440  
was till we hit record

1109  
00:38:06,410 --> 00:38:03,720  
yeah yeah that is that yeah

1110  
00:38:07,970 --> 00:38:06,420  
um and jolly who for folks who are again

1111  
00:38:09,950 --> 00:38:07,980  
newer to the topic or maybe weren't as

1112  
00:38:12,170 --> 00:38:09,960  
present online last year I think it was

1113  
00:38:13,910 --> 00:38:12,180

damn was it 2022.

1114

00:38:16,190 --> 00:38:13,920

um this this woman came forward and

1115

00:38:18,410 --> 00:38:16,200

jolly who said she previously had a role

1116

00:38:20,930 --> 00:38:18,420

within the US government

1117

00:38:22,490 --> 00:38:20,940

um she I I believe she did from from

1118

00:38:24,050 --> 00:38:22,500

what she's provided and Jimmy Church

1119

00:38:25,790 --> 00:38:24,060

said she'd said having loads of proof

1120

00:38:27,290 --> 00:38:25,800

and all that so take that for what you

1121

00:38:29,270 --> 00:38:27,300

will but um I had no reason to

1122

00:38:31,190 --> 00:38:29,280

disbelieve that she came out and

1123

00:38:33,589 --> 00:38:31,200

basically said she had basically proof

1124

00:38:34,910 --> 00:38:33,599

of ETS being here on the planet that she

1125

00:38:37,010 --> 00:38:34,920

was conversing with with

1126

00:38:38,990 --> 00:38:37,020

extraterrestrial beings or otherworldly

1127

00:38:40,609 --> 00:38:39,000

beings and that they were they were

1128

00:38:42,650 --> 00:38:40,619

based in a cave and I might be

1129

00:38:44,270 --> 00:38:42,660

misremembering some of this but she was

1130

00:38:46,910 --> 00:38:44,280

going to go to the cave and take people

1131

00:38:48,890 --> 00:38:46,920

to the cave and meet these beings and

1132

00:38:50,510 --> 00:38:48,900

the presentation of it was very strange

1133

00:38:52,450 --> 00:38:50,520

because she'd done it was outside the

1134

00:38:54,890 --> 00:38:52,460

Washington Monument um

1135

00:38:56,270 --> 00:38:54,900

he was announced as like a briefing a

1136

00:38:57,829 --> 00:38:56,280

formal briefing but then it was just

1137

00:38:59,690 --> 00:38:57,839

someone on the steps of the Washington

1138

00:39:01,790 --> 00:38:59,700

Monument talking yeah

1139

00:39:03,530 --> 00:39:01,800

and just the whole presentation and

1140

00:39:06,710 --> 00:39:03,540

approach to what she was trying to say

1141

00:39:08,510 --> 00:39:06,720

and execute was extremely poor if what

1142

00:39:10,970 --> 00:39:08,520

she was seeing is legitimate and I think

1143

00:39:12,710 --> 00:39:10,980

this again maybe speaks to when someone

1144

00:39:13,970 --> 00:39:12,720

like a doctor Sean Kirkpatrick could

1145

00:39:16,250 --> 00:39:13,980

come out and say we have proof of

1146

00:39:17,630 --> 00:39:16,260

extraterrestrial life to do it in a

1147

00:39:19,849 --> 00:39:17,640

certain it's got to be done a certain

1148

00:39:21,190 --> 00:39:19,859

way to really catch the attention and be

1149

00:39:23,510 --> 00:39:21,200

the right way to present the information

1150

00:39:26,270 --> 00:39:23,520

and regardless of our previous position

1151  
00:39:28,849 --> 00:39:26,280  
and career that Shamir may not have had

1152  
00:39:31,250 --> 00:39:28,859  
do you remember she also set up an

1153  
00:39:33,290 --> 00:39:31,260  
elimination tournament on social media I

1154  
00:39:35,750 --> 00:39:33,300  
do I was against a dead celebrity I

1155  
00:39:37,490 --> 00:39:35,760  
remember where yeah um and that that

1156  
00:39:38,270 --> 00:39:37,500  
happened folks I'm not making fun of it

1157  
00:39:40,910 --> 00:39:38,280  
but

1158  
00:39:43,970 --> 00:39:40,920  
as a character Jordan Ramirez said sorry

1159  
00:39:45,589 --> 00:39:43,980  
Jordan Ramirez said he has Full Faith

1160  
00:39:48,170 --> 00:39:45,599  
and Angeli in her background and what

1161  
00:39:50,510 --> 00:39:48,180  
she says is being true I personally

1162  
00:39:51,890 --> 00:39:50,520  
don't believe that the Anjali story is

1163  
00:39:54,349 --> 00:39:51,900

is true

1164

00:39:56,630 --> 00:39:54,359

um for whatever reason uh whether she

1165

00:39:58,910 --> 00:39:56,640

thinks it's true and it's not or or

1166

00:40:00,950 --> 00:39:58,920

whatever I just don't see any evidence I

1167

00:40:02,150 --> 00:40:00,960

prefer that whatsoever and it was one of

1168

00:40:04,790 --> 00:40:02,160

those that

1169

00:40:07,069 --> 00:40:04,800

it was such a wild claim that she had

1170

00:40:09,349 --> 00:40:07,079

proof of these beings that it was either

1171

00:40:10,790 --> 00:40:09,359

okay brilliant show people the

1172

00:40:12,710 --> 00:40:10,800

tournament thing was ridiculous because

1173

00:40:14,089 --> 00:40:12,720

Christ I think I was up there with Elon

1174

00:40:16,250 --> 00:40:14,099

Musk at one point and you were voting

1175

00:40:18,109 --> 00:40:16,260

for who you wanted to go and I'm not

1176

00:40:19,609 --> 00:40:18,119

being you know flippant in my comments

1177

00:40:20,810 --> 00:40:19,619

here this is exactly what she done like

1178

00:40:23,390 --> 00:40:20,820

you said and you were up there was a

1179

00:40:25,010 --> 00:40:23,400

Statin Friedman yeah yeah something like

1180

00:40:26,270 --> 00:40:25,020

that yeah and it was like vote for who

1181

00:40:28,550 --> 00:40:26,280

you want to go which was all very

1182

00:40:31,430 --> 00:40:28,560

strange and a weird popularity contest

1183

00:40:33,109 --> 00:40:31,440

in itself and then it all got canceled

1184

00:40:35,210 --> 00:40:33,119

because the beings decided they didn't

1185

00:40:38,089 --> 00:40:35,220

want to be seen and that kind of stuff

1186

00:40:39,790 --> 00:40:38,099

let's say she is being 100 truthful

1187

00:40:42,490 --> 00:40:39,800

doesn't help

1188

00:40:44,630 --> 00:40:42,500

I'm just gonna correct that a little bit

1189

00:40:46,250 --> 00:40:44,640

it wasn't the beans didn't want to be

1190

00:40:49,790 --> 00:40:46,260

seen it's at the farmer that owned the

1191

00:40:51,650 --> 00:40:49,800

property didn't work on that so yeah so

1192

00:40:52,810 --> 00:40:51,660

the beings were up for it but the farmer

1193

00:40:55,970 --> 00:40:52,820

who wasn't it

1194

00:40:57,470 --> 00:40:55,980

yeah yeah sorry that's a Scottish tunnel

1195

00:40:58,250 --> 00:40:57,480

phrase but but yeah

1196

00:41:00,349 --> 00:40:58,260

um

1197

00:41:02,150 --> 00:41:00,359

but yeah that's so again let's go with

1198

00:41:04,310 --> 00:41:02,160

that was all true what she said those

1199

00:41:05,990 --> 00:41:04,320

beings are there in a cave

1200

00:41:07,670 --> 00:41:06,000

doesn't help that's the kind of thing

1201

00:41:09,349 --> 00:41:07,680

that anyone coming to this topic and

1202

00:41:10,849 --> 00:41:09,359

again I'll use an example of any of my

1203

00:41:13,130 --> 00:41:10,859

work colleagues who are interested or

1204

00:41:15,230 --> 00:41:13,140

dip their toe in the UFO topic they see

1205

00:41:18,230 --> 00:41:15,240

that that's the kind of stuff they go

1206

00:41:20,329 --> 00:41:18,240

nah that's just crazy and it's not

1207

00:41:22,849 --> 00:41:20,339

helpful so

1208

00:41:24,470 --> 00:41:22,859

yeah interesting one I'm not a fan of

1209

00:41:25,970 --> 00:41:24,480

the Angelic stuff myself there was a lot

1210

00:41:26,750 --> 00:41:25,980

of weird stuff with that around at the

1211

00:41:30,410 --> 00:41:26,760

time

1212

00:41:31,970 --> 00:41:30,420

were kind of moving on from it a lot of

1213

00:41:34,370 --> 00:41:31,980

people gonna stop following her I know I

1214

00:41:35,870 --> 00:41:34,380

certainly did the best of luck to her

1215

00:41:36,770 --> 00:41:35,880

um she's got a family she's got kids you

1216

00:41:38,750 --> 00:41:36,780

know

1217

00:41:39,890 --> 00:41:38,760

so yeah I hope I hope things are going

1218

00:41:41,870 --> 00:41:39,900

well for her

1219

00:41:43,550 --> 00:41:41,880

um but yeah she's kind of been out the

1220

00:41:44,990 --> 00:41:43,560

UFO topic and I'll just see people be

1221

00:41:46,190 --> 00:41:45,000

respectful with it being brought back up

1222

00:41:47,870 --> 00:41:46,200

and everything because you never know

1223

00:41:50,150 --> 00:41:47,880

kind of what's going on with that that

1224

00:41:51,890 --> 00:41:50,160

whole thing so yeah for sure and and as

1225

00:41:54,829 --> 00:41:51,900

I said at the time it like I'm the same

1226

00:41:57,170 --> 00:41:54,839

as you I don't really believe it but if

1227

00:41:59,270 --> 00:41:57,180

it's an objective fact then I would love

1228

00:42:00,950 --> 00:41:59,280

to be proven wrong you know and and to

1229

00:42:03,349 --> 00:42:00,960

have the privilege of being gone shown

1230

00:42:04,790 --> 00:42:03,359

that cave in that space uh would be

1231

00:42:06,650 --> 00:42:04,800

would be a really interesting and

1232

00:42:09,230 --> 00:42:06,660

curious Adventure I'd be I'd be happy to

1233

00:42:11,750 --> 00:42:09,240

go still if she still wanted to do it

1234

00:42:12,950 --> 00:42:11,760

um yeah and pay for it and pay for it

1235

00:42:14,690 --> 00:42:12,960

yeah

1236

00:42:16,550 --> 00:42:14,700

um but listen and again that's just our

1237

00:42:18,829 --> 00:42:16,560

opinion if you're into the Anjali story

1238

00:42:20,089 --> 00:42:18,839

you know all that entails brilliant

1239

00:42:22,130 --> 00:42:20,099

great because what I'm going to move on

1240

00:42:23,150 --> 00:42:22,140

to next is very similar to that in

1241

00:42:25,670 --> 00:42:23,160

itself

1242

00:42:29,270 --> 00:42:25,680

um just welcome to the UFO topic

1243

00:42:31,609 --> 00:42:29,280

um Skinwalker Ranch uh sent out

1244

00:42:34,310 --> 00:42:31,619

um a kind of press release email and

1245

00:42:36,650 --> 00:42:34,320

they they gave a load of folks

1246

00:42:39,890 --> 00:42:36,660

um access to a clip that I retweet and

1247

00:42:42,050 --> 00:42:39,900

posed the question uh have skin walker

1248

00:42:43,849 --> 00:42:42,060

Ranch season 4 episode 3 that's coming

1249

00:42:46,130 --> 00:42:43,859

out next week have they actually found

1250

00:42:47,690 --> 00:42:46,140

some kind of proof on video of the

1251  
00:42:49,970 --> 00:42:47,700  
anomaly that may be causing some of the

1252  
00:42:51,710 --> 00:42:49,980  
issues on on the ranch the clap showed

1253  
00:42:53,630 --> 00:42:51,720  
Travis Taylor and the other the rest of

1254  
00:42:54,890 --> 00:42:53,640  
the cast basically performing an

1255  
00:42:57,730 --> 00:42:54,900  
experiment where they were shooting a

1256  
00:43:01,190 --> 00:42:57,740  
firework into the air and the video

1257  
00:43:02,870 --> 00:43:01,200  
appeared to capture something

1258  
00:43:04,370 --> 00:43:02,880  
as they well they presented it as

1259  
00:43:05,990 --> 00:43:04,380  
something stopping the firework and

1260  
00:43:06,829 --> 00:43:06,000  
blowing up at a certain height that's

1261  
00:43:07,790 --> 00:43:06,839  
right

1262  
00:43:10,010 --> 00:43:07,800  
um

1263  
00:43:11,990 --> 00:43:10,020

Dan I wouldn't speak for you immediately

1264

00:43:13,130 --> 00:43:12,000

you you shared your thoughts with me of

1265

00:43:14,750 --> 00:43:13,140

what you thought it might be and it

1266

00:43:16,370 --> 00:43:14,760

wasn't dissimilar to what many others

1267

00:43:19,130 --> 00:43:16,380

online thought as well but what were

1268

00:43:21,170 --> 00:43:19,140

your thoughts on the clip just the way I

1269

00:43:22,609 --> 00:43:21,180

mean the the thing shows up in the air

1270

00:43:25,670 --> 00:43:22,619

is the rocket flares up on the ground

1271

00:43:27,230 --> 00:43:25,680

and it's exactly opposite in the image

1272

00:43:29,530 --> 00:43:27,240

and usually that's the kind of thing

1273

00:43:32,030 --> 00:43:29,540

that you get with lens flares on camera

1274

00:43:33,710 --> 00:43:32,040

however you were completely corrected

1275

00:43:35,569 --> 00:43:33,720

kind of saying you know you'd hope you'd

1276

00:43:37,970 --> 00:43:35,579

hope there was more behind it as opposed

1277

00:43:40,370 --> 00:43:37,980

to just this footage uh to be presented

1278

00:43:42,650 --> 00:43:40,380

this way and it's the kind of thing that

1279

00:43:45,410 --> 00:43:42,660

I'd love to follow up with with the guys

1280

00:43:47,450 --> 00:43:45,420

uh that were present because you know

1281

00:43:50,329 --> 00:43:47,460

they for every one experiment we see

1282

00:43:52,550 --> 00:43:50,339

they've done 20 30 days of work on that

1283

00:43:54,530 --> 00:43:52,560

kind of area repeated it and repeated it

1284

00:43:56,630 --> 00:43:54,540

and repeated it so

1285

00:43:58,730 --> 00:43:56,640

I I would love to see the raw data in

1286

00:44:00,470 --> 00:43:58,740

the elaboration on that uh but

1287

00:44:02,690 --> 00:44:00,480

immediately that that little bit of

1288

00:44:04,910 --> 00:44:02,700

footage that little clip uh had me

1289

00:44:06,890 --> 00:44:04,920

raising an eyebrow in in a not so

1290

00:44:08,750 --> 00:44:06,900

positive way I would say

1291

00:44:10,730 --> 00:44:08,760

and you know what that's fair opinion

1292

00:44:12,410 --> 00:44:10,740

and it split a lot of people online and

1293

00:44:14,270 --> 00:44:12,420

I was interested in the comments a lot

1294

00:44:15,950 --> 00:44:14,280

of people were very blunt with the nope

1295

00:44:19,250 --> 00:44:15,960

it shows nothing it's lens flare it's

1296

00:44:21,230 --> 00:44:19,260

just a camera artifact it's it's nothing

1297

00:44:22,370 --> 00:44:21,240

um other folks again and this is

1298

00:44:24,650 --> 00:44:22,380

something that maybe ran through the

1299

00:44:26,450 --> 00:44:24,660

theme of this this breakdown is the the

1300

00:44:28,089 --> 00:44:26,460

differing sides of the UFO topic

1301

00:44:30,589 --> 00:44:28,099

Community what people are interested in

1302

00:44:32,150 --> 00:44:30,599

Skinwalker Ranch has a big fan base and

1303

00:44:34,130 --> 00:44:32,160

the story the lore of the history the

1304

00:44:36,230 --> 00:44:34,140

myth and there's a lot of people who do

1305

00:44:38,569 --> 00:44:36,240

enjoy watching it and they take that at

1306

00:44:41,030 --> 00:44:38,579

face value of they have something

1307

00:44:43,010 --> 00:44:41,040

there's something potentially there and

1308

00:44:44,870 --> 00:44:43,020

I'll I'll go against your point Dan just

1309

00:44:47,870 --> 00:44:44,880

from Devil's Advocate I don't know I I

1310

00:44:49,849 --> 00:44:47,880

don't um particularly have I thought so

1311

00:44:51,349 --> 00:44:49,859

either way on it maybe that's what

1312

00:44:53,030 --> 00:44:51,359

something would look like anyway maybe

1313

00:44:54,950 --> 00:44:53,040

it would look like some kind of lens

1314

00:44:57,530 --> 00:44:54,960

flare just the way it presents itself

1315

00:44:59,870 --> 00:44:57,540

and it could be just coincidence the

1316

00:45:01,250 --> 00:44:59,880

same way a batman-shaped balloon can

1317

00:45:03,470 --> 00:45:01,260

look like a UFO

1318

00:45:05,510 --> 00:45:03,480

you know yeah exactly that just happens

1319

00:45:07,670 --> 00:45:05,520

but like you say if we're going to go

1320

00:45:11,030 --> 00:45:07,680

with common sense and logic it looks

1321

00:45:12,770 --> 00:45:11,040

like it's lens flare for me all I'll see

1322

00:45:14,930 --> 00:45:12,780

is in terms of opinion and you know

1323

00:45:16,670 --> 00:45:14,940

something you think about is I would

1324

00:45:18,770 --> 00:45:16,680

hope a doctor Travis Taylor and Eric

1325

00:45:22,069 --> 00:45:18,780

Bard Thomas Winterton and co-brand and

1326

00:45:23,690 --> 00:45:22,079

Frugal would have the Savvy and the

1327

00:45:25,970 --> 00:45:23,700

common sense very intelligent people

1328

00:45:28,609 --> 00:45:25,980

were talking about to not just present

1329

00:45:30,349 --> 00:45:28,619

something that prosaic as proof because

1330

00:45:32,630 --> 00:45:30,359

that's that's credited credibility

1331

00:45:34,730 --> 00:45:32,640

killing for folks and that is something

1332

00:45:37,970 --> 00:45:34,740

debunkers and Skeptics will jump all

1333

00:45:39,410 --> 00:45:37,980

over and they already have but I hope

1334

00:45:41,690 --> 00:45:39,420

there's data

1335

00:45:42,950 --> 00:45:41,700

yeah that's why for me I think that as

1336

00:45:45,470 --> 00:45:42,960

much as I'm like oh that kind of looks

1337

00:45:46,670 --> 00:45:45,480

like lens flare that's why ultimately

1338

00:45:48,109 --> 00:45:46,680

I'm like you know what these aren't

1339

00:45:50,089 --> 00:45:48,119

stupid guys

1340

00:45:53,030 --> 00:45:50,099

I would normally you spoke to him he's

1341

00:45:54,589 --> 00:45:53,040

so switched on so I've gotta assume that

1342

00:45:55,970 --> 00:45:54,599

they've gone maybe that was lens flare

1343

00:45:57,290 --> 00:45:55,980

let's do it again let's do it from a

1344

00:45:59,150 --> 00:45:57,300

different angle let's raise the camera

1345

00:46:01,970 --> 00:45:59,160

you know there's a whole bunch of work

1346

00:46:03,290 --> 00:46:01,980

there that that goes into it and the one

1347

00:46:06,829 --> 00:46:03,300

of the reasons I'd like to talk to them

1348

00:46:08,630 --> 00:46:06,839

about that is because they they don't

1349

00:46:09,890 --> 00:46:08,640

have control over production right so if

1350

00:46:11,450 --> 00:46:09,900

something like that happened production

1351

00:46:14,030 --> 00:46:11,460

could show it in a certain light and

1352

00:46:16,010 --> 00:46:14,040

then they while that's happening could

1353

00:46:19,190 --> 00:46:16,020

could find out that it's actually XYZ

1354

00:46:21,770 --> 00:46:19,200

and have a more informed opinion of it

1355

00:46:24,589 --> 00:46:21,780

how far that work has gone I I would

1356

00:46:26,210 --> 00:46:24,599

like an update on that to find out but

1357

00:46:28,849 --> 00:46:26,220

um I probably have to sign up to The

1358

00:46:29,990 --> 00:46:28,859

Insider thing for like 6.99 a month to

1359

00:46:32,150 --> 00:46:30,000

do that right

1360

00:46:33,710 --> 00:46:32,160

potentially yeah and I've not seen the

1361

00:46:35,750 --> 00:46:33,720

date on the material yet

1362

00:46:37,970 --> 00:46:35,760

um the episode doesn't come out until

1363

00:46:40,250 --> 00:46:37,980

till next week folks episode two was

1364

00:46:41,930 --> 00:46:40,260

just out last night with the Drone like

1365

00:46:43,430 --> 00:46:41,940

uh grid that looked pretty cool that's

1366

00:46:46,970 --> 00:46:43,440

right um I've not watched that myself

1367

00:46:49,970 --> 00:46:46,980

either yet not had time but the the

1368

00:46:51,589 --> 00:46:49,980

episode was filmed quite a while ago so

1369

00:46:52,910 --> 00:46:51,599

there has been a time period That's

1370

00:46:54,829 --> 00:46:52,920

passed where

1371

00:46:56,390 --> 00:46:54,839

you would hope data has been looked at

1372

00:46:58,490 --> 00:46:56,400

presented and I would hope once that

1373

00:46:59,089 --> 00:46:58,500

episode has actually been

1374

00:47:02,750 --> 00:46:59,099

um

1375

00:47:06,170 --> 00:47:02,760

put out on for for the world to see that

1376

00:47:08,750 --> 00:47:06,180

Brandon Travis Thomas Winterton whoever

1377

00:47:10,670 --> 00:47:08,760

else will will provide some data and

1378

00:47:12,950 --> 00:47:10,680

some some backing up of that as to why

1379

00:47:15,050 --> 00:47:12,960

that was anomalous and not just there's

1380

00:47:16,730 --> 00:47:15,060

the video because it's not all One

1381

00:47:18,589 --> 00:47:16,740

Source thing isn't it but yeah so and

1382

00:47:20,030 --> 00:47:18,599

you know what exactly if it does turn

1383

00:47:21,589 --> 00:47:20,040

out to be

1384

00:47:23,690 --> 00:47:21,599

it was a video

1385

00:47:26,089 --> 00:47:23,700

it's the human element of things

1386

00:47:27,349 --> 00:47:26,099

then find you know mistakes happen and

1387

00:47:29,870 --> 00:47:27,359

it's that's what people aren't

1388

00:47:31,370 --> 00:47:29,880

infallible but that's the opportunity to

1389

00:47:33,530 --> 00:47:31,380

quickly can I quash that stuff as well

1390

00:47:35,089 --> 00:47:33,540

isn't it yeah exactly like for me if

1391

00:47:36,770 --> 00:47:35,099

they came out and said this was actually

1392

00:47:38,270 --> 00:47:36,780

prosaic even though we made a big thing

1393

00:47:41,270 --> 00:47:38,280

of it that would add to their

1394

00:47:43,250 --> 00:47:41,280

credibility for me whereas I know some

1395

00:47:44,930 --> 00:47:43,260

debunkers in the community would use

1396

00:47:46,670 --> 00:47:44,940

that every time they said something was

1397

00:47:49,069 --> 00:47:46,680

anomalous they go oh remember the lens

1398

00:47:50,870 --> 00:47:49,079

for it you know yeah for me that's not

1399

00:47:52,609 --> 00:47:50,880

the case you know one one experiment

1400

00:47:54,589 --> 00:47:52,619

that turns out to be prosaic doesn't

1401  
00:47:57,109 --> 00:47:54,599  
mean that every experiment is prosaic

1402  
00:48:00,770 --> 00:47:57,119  
that's not you gotta take everything on

1403  
00:48:02,870 --> 00:48:00,780  
its own merits yeah 100 and just on a

1404  
00:48:04,790 --> 00:48:02,880  
similar kind of track side note uh

1405  
00:48:06,650 --> 00:48:04,800  
Ronnie Ronnie who's a former guest on

1406  
00:48:08,089 --> 00:48:06,660  
the podcast Brazilian journalist UFO

1407  
00:48:09,890 --> 00:48:08,099  
researcher

1408  
00:48:12,349 --> 00:48:09,900  
um night of the lovely guy he basically

1409  
00:48:14,809 --> 00:48:12,359  
put a tweet saying that there has been a

1410  
00:48:16,370 --> 00:48:14,819  
major findings regarding unidentified

1411  
00:48:18,710 --> 00:48:16,380  
anomalous phenomena scientific

1412  
00:48:19,790 --> 00:48:18,720  
monitoring in Brazil rolls off the

1413  
00:48:21,410 --> 00:48:19,800

tongue

1414

00:48:23,030 --> 00:48:21,420

um you use the phrase earlier than an

1415

00:48:24,829 --> 00:48:23,040

exciting mouthful which I never picked

1416

00:48:27,650 --> 00:48:24,839

up on it but I thought I'd best leave it

1417

00:48:29,930 --> 00:48:27,660

and there's another one

1418

00:48:32,210 --> 00:48:29,940

um he said that last week uh four day

1419

00:48:34,490 --> 00:48:32,220

field immersion it was carried out in a

1420

00:48:36,530 --> 00:48:34,500

hot spot in Brazil uh it was Sarah de

1421

00:48:38,329 --> 00:48:36,540

valeza and Rio de Janeiro to record

1422

00:48:40,430 --> 00:48:38,339

events of anomalous phenomena and their

1423

00:48:43,130 --> 00:48:40,440

signatures on radio microwave infrared

1424

00:48:44,990 --> 00:48:43,140

visible and ionizing spectrums

1425

00:48:46,370 --> 00:48:45,000

um the findings just to very quickly

1426

00:48:48,650 --> 00:48:46,380

touch on similar to the kind of work

1427

00:48:50,930 --> 00:48:48,660

that's on a Skinwalker Ranch there were

1428

00:48:52,490 --> 00:48:50,940

peaks of electromagnetic radiation a few

1429

00:48:54,170 --> 00:48:52,500

minutes before the appearance of

1430

00:48:56,329 --> 00:48:54,180

phenomena with Magnetic and electrical

1431

00:48:58,609 --> 00:48:56,339

field values 30 times greater than the

1432

00:49:00,530 --> 00:48:58,619

background noise and the same window of

1433

00:49:02,450 --> 00:49:00,540

appearance of the phenomena a strong

1434

00:49:04,790 --> 00:49:02,460

electromagnetic signal was detected and

1435

00:49:06,410 --> 00:49:04,800

the microwave range near 1.6 gigahertz

1436

00:49:08,390 --> 00:49:06,420

that's a frequency that's talked about

1437

00:49:09,829 --> 00:49:08,400

quite often in the UFO community and

1438

00:49:11,870 --> 00:49:09,839

topic when it comes to the science and

1439

00:49:14,630 --> 00:49:11,880

understanding of various signals

1440

00:49:16,609 --> 00:49:14,640

crafters objects may put out and also

1441

00:49:18,349 --> 00:49:16,619

there was a response after the emission

1442

00:49:20,450 --> 00:49:18,359

of a laser beam through changes in color

1443

00:49:22,130 --> 00:49:20,460

and intensity as well as blinks

1444

00:49:24,410 --> 00:49:22,140

demonstrating possible intelligence

1445

00:49:26,270 --> 00:49:24,420

Behind These phenomena running followed

1446

00:49:27,770 --> 00:49:26,280

up more data is needed to corroborate

1447

00:49:29,150 --> 00:49:27,780

findings and continuous measurement

1448

00:49:31,250 --> 00:49:29,160

equipment will be installed in the

1449

00:49:33,650 --> 00:49:31,260

coming weeks so that's one that there

1450

00:49:35,569 --> 00:49:33,660

will be follow-up off the back of um

1451

00:49:37,309 --> 00:49:35,579

interesting signs being done there Dan

1452

00:49:40,790 --> 00:49:37,319

nice to see that kind of stuff you know

1453

00:49:42,589 --> 00:49:40,800

being done any initial thoughts yeah I

1454

00:49:44,630 --> 00:49:42,599

mean I I don't know something was there

1455

00:49:46,430 --> 00:49:44,640

something reacted you know like he said

1456

00:49:48,650 --> 00:49:46,440

it was changing colors there seemed to

1457

00:49:50,750 --> 00:49:48,660

be an interaction there to me it sounds

1458

00:49:52,970 --> 00:49:50,760

similar to what we were witnessing in

1459

00:49:54,290 --> 00:49:52,980

Colombia and various other places all

1460

00:49:56,750 --> 00:49:54,300

over the world you know hairstyle and

1461

00:49:58,970 --> 00:49:56,760

things like that so the more the more

1462

00:50:00,650 --> 00:49:58,980

alive Laboratories we can find to study

1463

00:50:02,270 --> 00:50:00,660

this stuff the better and it's so

1464

00:50:03,770 --> 00:50:02,280

encouraging to hear that continuous

1465

00:50:05,390 --> 00:50:03,780

monitoring equipment is going to be

1466

00:50:08,450 --> 00:50:05,400

installed because that's exactly what we

1467

00:50:10,309 --> 00:50:08,460

need the more the merrier yeah and no

1468

00:50:13,069 --> 00:50:10,319

more on that just like I say it's a sign

1469

00:50:16,010 --> 00:50:13,079

to sign so go do science yeah go do

1470

00:50:17,750 --> 00:50:16,020

science yeah and anything from yudan

1471

00:50:19,370 --> 00:50:17,760

finally before we wrap up I think you

1472

00:50:21,170 --> 00:50:19,380

had something else

1473

00:50:22,849 --> 00:50:21,180

um only to I mean I'm touching on the

1474

00:50:26,089 --> 00:50:22,859

hearing stuff again but I realized I

1475

00:50:28,130 --> 00:50:26,099

forgot it earlier that Corbell said he

1476  
00:50:31,609 --> 00:50:28,140  
knows and this was you know definitive

1477  
00:50:34,130 --> 00:50:31,619  
fact he knows that uh people in Congress

1478  
00:50:36,710 --> 00:50:34,140  
have been given the names and the

1479  
00:50:39,710 --> 00:50:36,720  
locations of these Legacy UFO programs

1480  
00:50:42,109 --> 00:50:39,720  
so clearly

1481  
00:50:46,250 --> 00:50:42,119  
they remain to be checked by uh Dr

1482  
00:50:47,870 --> 00:50:46,260  
Kirkpatrick but it seems like all the

1483  
00:50:50,329 --> 00:50:47,880  
right information is get into the right

1484  
00:50:52,190 --> 00:50:50,339  
places or at least starting to so so we

1485  
00:50:54,589 --> 00:50:52,200  
should see some some progress this year

1486  
00:50:56,630 --> 00:50:54,599  
in the ndaa look out for that soon as

1487  
00:50:59,990 --> 00:50:56,640  
soon as it's up I'll post about it

1488  
00:51:01,670 --> 00:51:00,000

um but uh also I touch on there was some

1489

00:51:04,069 --> 00:51:01,680

footage that I saw from around the

1490

00:51:06,230 --> 00:51:04,079

hearings where uh people were handing

1491

00:51:08,150 --> 00:51:06,240

dossiers of information to to Jilla

1492

00:51:09,770 --> 00:51:08,160

brand this is the audience members I may

1493

00:51:12,170 --> 00:51:09,780

have touched on earlier that people may

1494

00:51:13,790 --> 00:51:12,180

not have seen yeah and and some people

1495

00:51:15,710 --> 00:51:13,800

you know they have different opinions of

1496

00:51:18,049 --> 00:51:15,720

what's possibly in that dossier and and

1497

00:51:19,250 --> 00:51:18,059

you know the people presenting it but I

1498

00:51:20,690 --> 00:51:19,260

would just emphasize to people you know

1499

00:51:22,730 --> 00:51:20,700

when you're handing politicians stuff

1500

00:51:24,349 --> 00:51:22,740

like this they're gonna hand it to their

1501

00:51:26,750 --> 00:51:24,359

staffers and their staffers are likely

1502

00:51:28,670 --> 00:51:26,760

dropping it in the bin you know

1503

00:51:31,130 --> 00:51:28,680

good that you're doing it but don't

1504

00:51:33,109 --> 00:51:31,140

don't hope for someone like that to

1505

00:51:34,250 --> 00:51:33,119

follow your every word we almost want

1506

00:51:36,470 --> 00:51:34,260

them to have an independent

1507

00:51:38,270 --> 00:51:36,480

investigation free of all the craft that

1508

00:51:39,470 --> 00:51:38,280

we we've kind of built up

1509

00:51:41,210 --> 00:51:39,480

um you know Jill brand opened the

1510

00:51:42,950 --> 00:51:41,220

hearings by saying that she was informed

1511

00:51:44,270 --> 00:51:42,960

there are Advanced craft in our airspace

1512

00:51:45,829 --> 00:51:44,280

that we don't know who we're operating

1513

00:51:47,930 --> 00:51:45,839

and we're unaware of their capabilities

1514

00:51:49,010 --> 00:51:47,940

that's an encouraging statement and a

1515

00:51:50,990 --> 00:51:49,020

place to battle that's the sound bite

1516

00:51:52,790 --> 00:51:51,000

that that is still the sound bit that

1517

00:51:55,190 --> 00:51:52,800

the military media should pick up on you

1518

00:51:58,309 --> 00:51:55,200

absolutely and gillibrand is going to be

1519

00:52:00,770 --> 00:51:58,319

appearing on May 1st on the good trouble

1520

00:52:02,150 --> 00:52:00,780

show with Matt Ford so expect some you

1521

00:52:03,530 --> 00:52:02,160

know more conversation around that I'm

1522

00:52:04,849 --> 00:52:03,540

sure we can ask her you know why why

1523

00:52:06,829 --> 00:52:04,859

weren't there more hard-hitting

1524

00:52:08,569 --> 00:52:06,839

questions and things like that but I

1525

00:52:10,190 --> 00:52:08,579

just emphasized to people that you know

1526

00:52:13,549 --> 00:52:10,200

the phenomena doesn't care about

1527

00:52:15,290 --> 00:52:13,559

hearings ultimately it's out there so go

1528

00:52:18,170 --> 00:52:15,300

do the science

1529

00:52:19,910 --> 00:52:18,180

go science folks yeah awesome Dan thank

1530

00:52:21,410 --> 00:52:19,920

you very much for joining me um nice to

1531

00:52:22,730 --> 00:52:21,420

have some things to run through

1532

00:52:24,890 --> 00:52:22,740

um should be back next week to break

1533

00:52:26,450 --> 00:52:24,900

down again we'll talk about Fox on Rogan

1534

00:52:27,890 --> 00:52:26,460

what was discussed

1535

00:52:29,690 --> 00:52:27,900

um any further updates from anything

1536

00:52:31,069 --> 00:52:29,700

from this week we should hopefully keep

1537

00:52:33,230 --> 00:52:31,079

hearing more about whistleblowers coming

1538

00:52:34,910 --> 00:52:33,240

forward any of that good stuff

1539

00:52:36,710 --> 00:52:34,920

um and yeah I'm set up for an

1540

00:52:38,870 --> 00:52:36,720

interesting summer hopefully yeah

1541

00:52:40,190 --> 00:52:38,880

definitely the things are moving you

1542

00:52:41,750 --> 00:52:40,200

know things are progressing that that's

1543

00:52:44,150 --> 00:52:41,760

all we ever want is just keep getting

1544

00:52:45,470 --> 00:52:44,160

that ball down the field you know unless

1545

00:52:46,849 --> 00:52:45,480

you're based in the southern hemisphere

1546

00:52:48,530 --> 00:52:46,859

in which case we're set up for an

1547

00:52:49,490 --> 00:52:48,540

interesting winter possibly

1548

00:52:51,230 --> 00:52:49,500

yeah

1549

00:52:52,790 --> 00:52:51,240

well Paul either way we all get to see

1550

00:52:54,410 --> 00:52:52,800

Blink 182 play live now and it's

1551  
00:52:56,329 --> 00:52:54,420  
glorious so

1552  
00:52:59,089 --> 00:52:56,339  
that is true and remember folks aliens

1553  
00:53:01,309 --> 00:52:59,099  
exist that is all for this week's show

1554  
00:53:03,109 --> 00:53:01,319  
thank you very much for listening please

1555  
00:53:05,809 --> 00:53:03,119  
remember to leave the podcast a review

1556  
00:53:08,329 --> 00:53:05,819  
on your chosen platform you can like

1557  
00:53:10,309 --> 00:53:08,339  
retweet And subscribe that would all be

1558  
00:53:12,349 --> 00:53:10,319  
very much appreciated the shows are

1559  
00:53:13,970 --> 00:53:12,359  
being uploaded onto YouTube as we speak

1560  
00:53:16,430 --> 00:53:13,980  
more and more you can sign up at

1561

ufo-u-a-p-a-m and again folks as always

1567

00:53:32,329 --> 00:53:30,599

keep looking up you never know what you

1568

00:53:35,930 --> 00:53:32,339

might see

1569

00:53:58,610 --> 00:53:37,880

sir

1570

00:54:07,970 --> 00:54:06,710

[Music]

1571

00:54:28,670 --> 00:54:07,980

to the game

1572

00:54:39,490 --> 00:54:30,710

there was something on my head and

1573

00:54:48,410 --> 00:54:43,460

because it doesn't really scare me

1574

00:54:48,420 --> 00:54:57,830

foreign
