

WHISTLEBLOWERS AND UFOs

LUIS
ELIZONDO
PART ONE

1
00:00:04,470 --> 00:00:02,550
luis elisondo is a former u.s army

2
00:00:05,990 --> 00:00:04,480
counterintelligence special agent who's

3
00:00:08,470 --> 00:00:06,000
gained notoriety now for being the

4
00:00:10,230 --> 00:00:08,480
director of the now defunct atip program

5
00:00:12,230 --> 00:00:10,240
which was a program initiated by the

6
00:00:14,629 --> 00:00:12,240
defense intelligence agency in order to

7
00:00:16,950 --> 00:00:14,639
study unidentified aerial phenomenon

8
00:00:19,349 --> 00:00:16,960
also known as ufos for those new to this

9
00:00:20,710 --> 00:00:19,359
channel my name is kurt jaimungal i'm a

10
00:00:23,189 --> 00:00:20,720
filmmaker with a background in

11
00:00:25,349 --> 00:00:23,199
mathematical physics dedicated to the

12
00:00:27,670 --> 00:00:25,359
explication of what are called theories

13
00:00:30,070 --> 00:00:27,680

of everything from a theoretical physics

14

00:00:31,750 --> 00:00:30,080

perspective clearly but also exploring

15

00:00:34,069 --> 00:00:31,760

the potential connection consciousness

16

00:00:35,990 --> 00:00:34,079

has to the fundamental laws of nature if

17

00:00:38,389 --> 00:00:36,000

those fundamental laws exist at all the

18

00:00:40,069 --> 00:00:38,399

ufo phenomenon may seem tangential but

19

00:00:41,990 --> 00:00:40,079

if you watch the podcast with kevin

20

00:00:43,430 --> 00:00:42,000

knuth linked below you'll see that there

21

00:00:45,110 --> 00:00:43,440

seems to be an intimate connection

22

00:00:47,750 --> 00:00:45,120

between some of the deep mysteries of

23

00:00:49,510 --> 00:00:47,760

the universe and this phenomenon thus

24

00:00:51,830 --> 00:00:49,520

i'm interested and i don't view this

25

00:00:53,510 --> 00:00:51,840

enigma with a stigma i'm not averse to

26

00:00:56,069 --> 00:00:53,520

it like much of the scientific community

27

00:00:58,069 --> 00:00:56,079

is lou has revealed more in this podcast

28

00:00:59,830 --> 00:00:58,079

than in almost any other interview and

29

00:01:02,549 --> 00:00:59,840

that's due to the exquisite questions

30

00:01:05,830 --> 00:01:02,559

provided to me by you as this was an ask

31

00:01:07,750 --> 00:01:05,840

me anything in fact it was a live ama so

32

00:01:10,070 --> 00:01:07,760

lou and i both thank you for that each

33

00:01:11,350 --> 00:01:10,080

podcast on this channel is punctiliously

34

00:01:12,950 --> 00:01:11,360

time stamped just look at the

35

00:01:14,230 --> 00:01:12,960

description and you can navigate to

36

00:01:15,749 --> 00:01:14,240

whichever question you'd like to

37

00:01:18,230 --> 00:01:15,759

directly there are a couple sponsors of

38

00:01:20,149 --> 00:01:18,240

today's podcast algo is an end-to-end

operations planning to avoid stockouts

43

00:01:30,710 --> 00:01:28,159

reduce returns and inventory write-downs

44

00:01:33,830 --> 00:01:30,720

while reducing inventory investment it's

45

00:01:35,590 --> 00:01:33,840

a supply chain ai that drives smart roi

46

00:01:37,670 --> 00:01:35,600

headed by a bright individual by the

name of amjad hussein who's been a huge

00:01:41,749 --> 00:01:39,680

supporter of this podcast from its early

49

00:01:43,670 --> 00:01:41,759

days in fact amjad contributed some

50

00:01:47,270 --> 00:01:43,680

questions to today's ama and you can

00:02:01,030 --> 00:01:58,960
shape our world elevating math and

58
00:02:02,630 --> 00:02:01,040
science from something to be feared to a

59
00:02:04,950 --> 00:02:02,640
delightful experience of guided

60
00:02:06,550 --> 00:02:04,960
discovery more on them later if you'd

you can each dollar helps tremendously

65

00:02:17,510 --> 00:02:16,239

there's also a crypto and a paypal

00:02:20,710 --> 00:02:19,120

recently in case donations there are

68

00:02:22,470 --> 00:02:20,720

more in line with what you'd like to use

69

00:02:24,150 --> 00:02:22,480

in a couple weeks i'm speaking to chris

70

00:02:26,470 --> 00:02:24,160

langan who's famous for having the

71

00:02:27,910 --> 00:02:26,480

highest recorded iq in america on his

72

00:02:29,910 --> 00:02:27,920

cognitive theoretic model of the

73

00:02:31,589 --> 00:02:29,920

universe which is a theory of everything

74

00:02:33,110 --> 00:02:31,599

tomorrow i'm also speaking to jeremy

75

00:02:34,550 --> 00:02:33,120

corbell there's plenty more to be

76

00:02:36,550 --> 00:02:34,560

announced and again if you'd like to

77

00:02:38,630 --> 00:02:36,560

support this podcast if you'd like it to

78

00:02:40,710 --> 00:02:38,640

stay at a technical level which requires

79

00:02:42,869 --> 00:02:40,720

plenty of preparation then please do

80

00:02:45,190 --> 00:02:42,879

consider becoming a patron or donating

81

00:02:48,070 --> 00:02:45,200

in some other way shape or form

82

00:02:49,430 --> 00:02:48,080

thank you so much and enjoy so first i'm

83

00:02:51,350 --> 00:02:49,440

going to get to a question that i had

84

00:02:54,070 --> 00:02:51,360

which is is there a correlation between

85

00:02:56,470 --> 00:02:54,080

any of the characteristics of these uaps

86

00:02:58,149 --> 00:02:56,480

ufos and some other characteristic for

87

00:03:00,550 --> 00:02:58,159

example let's say that the

88

00:03:02,869 --> 00:03:00,560

tic-tac-shaped ones are more violent or

89

00:03:04,630 --> 00:03:02,879

the pyramidal shaped ones are faster is

90

00:03:06,229 --> 00:03:04,640

there a classification of them and do

91

00:03:07,990 --> 00:03:06,239

they have some other characteristic

92

00:03:10,790 --> 00:03:08,000

associated with them

93

00:03:13,589 --> 00:03:10,800

so the the the characterizations that we

94

00:03:16,949 --> 00:03:13,599

have we have seen today really is a

95

00:03:19,270 --> 00:03:16,959

result uh of size believe it or not so

96

00:03:22,229 --> 00:03:19,280

and this is by no means

97

00:03:23,190 --> 00:03:22,239

comprehensive but what we tend to see

98

00:03:26,149 --> 00:03:23,200

are

99

00:03:28,630 --> 00:03:26,159

the the smaller vehicles tend to be

100

00:03:32,789 --> 00:03:28,640

uh think of a sports car are your are

101
00:03:33,589 --> 00:03:32,799
your uh saucer shaped vehicles whereas

102
00:03:35,430 --> 00:03:33,599
the

103
00:03:38,070 --> 00:03:35,440
larger vehicles let's say a school bus

104
00:03:39,990 --> 00:03:38,080
size is that of a of a cylindrical

105
00:03:42,470 --> 00:03:40,000
object or roughly that of a tic tac or

106
00:03:43,350 --> 00:03:42,480
even sometimes described as a telephone

107
00:03:45,750 --> 00:03:43,360
pole

108
00:03:48,869 --> 00:03:45,760
and then in shape so cylindrical and

109
00:03:50,869 --> 00:03:48,879
then the the tend to be the large ones

110
00:03:53,270 --> 00:03:50,879
really large ones tend to be

111
00:03:56,070 --> 00:03:53,280
uh not always but almost exclusively

112
00:03:59,509 --> 00:03:56,080
either triangular shape or boomerang

113
00:04:02,630 --> 00:03:59,519

shape now there are some some some

114

00:04:04,710 --> 00:04:02,640

anecdotal uh if you will reports of of

115

00:04:06,789 --> 00:04:04,720

large saucers as well and some shapes

116

00:04:09,509 --> 00:04:06,799

looking like a dumbbell but the three

117

00:04:10,949 --> 00:04:09,519

primary categories tend to be uh that we

118

00:04:13,030 --> 00:04:10,959

saw in each of were

119

00:04:14,710 --> 00:04:13,040

disc shape and then you have uh the

120

00:04:17,270 --> 00:04:14,720

longer cylindrical shape and then

121

00:04:19,670 --> 00:04:17,280

finally a large large triangular shape

122

00:04:23,189 --> 00:04:19,680

vehicle the triangle vehicles are often

123

00:04:27,510 --> 00:04:23,199

described as flying uh very

124

00:04:30,870 --> 00:04:27,520

close to the ground and very very

125

00:04:32,710 --> 00:04:30,880

very quiet silent and seem to kind of

126

00:04:35,189 --> 00:04:32,720

lumber if you will

127

00:04:37,350 --> 00:04:35,199

from place to place very slow

128

00:04:39,909 --> 00:04:37,360

uh almost like you would imagine a large

129

00:04:43,270 --> 00:04:39,919

durable perhaps just kind of floating

130

00:04:44,790 --> 00:04:43,280

there silently the the apex of those

131

00:04:46,790 --> 00:04:44,800

triangles are often described with

132

00:04:49,830 --> 00:04:46,800

lights of some sort or emitting some

133

00:04:53,189 --> 00:04:49,840

sort of of radiation in the in the

134

00:04:56,070 --> 00:04:53,199

visible light spectrum which uh

135

00:04:57,590 --> 00:04:56,080

to a lot of the the the if you will the

136

00:05:00,310 --> 00:04:57,600

people who reported this information to

137

00:05:02,870 --> 00:05:00,320

include first responders um we'll often

138

00:05:04,790 --> 00:05:02,880

see the lights changing color and uh

139

00:05:06,469 --> 00:05:04,800

maybe maybe a result of some sort of

140

00:05:07,670 --> 00:05:06,479

doppler shift that's occurring red blue

141

00:05:08,790 --> 00:05:07,680

doppler ship

142

00:05:11,189 --> 00:05:08,800

um

143

00:05:13,510 --> 00:05:11,199

but uh that's in essence the the three

144

00:05:14,629 --> 00:05:13,520

primary shapes that that we we have had

145

00:05:16,310 --> 00:05:14,639

reported

146

00:05:18,230 --> 00:05:16,320

and are these shapes associated with any

147

00:05:21,029 --> 00:05:18,240

other characteristics for example

148

00:05:23,430 --> 00:05:21,039

violence or non-violence or

149

00:05:24,790 --> 00:05:23,440

the shutting down of nuclear missiles

150

00:05:27,029 --> 00:05:24,800

yeah kurt that's a great question you

151
00:05:28,469 --> 00:05:27,039
know so there's a difference between

152
00:05:29,430 --> 00:05:28,479
when we say something's a potential

153
00:05:31,430 --> 00:05:29,440
threat

154
00:05:33,990 --> 00:05:31,440
and and hostile intent and i think

155
00:05:35,830 --> 00:05:34,000
people have confused the term potential

156
00:05:38,870 --> 00:05:35,840
threat when we say potential threat you

157
00:05:40,870 --> 00:05:38,880
know as a physicist um

158
00:05:42,710 --> 00:05:40,880
there's a lot of things in nature that

159
00:05:44,629 --> 00:05:42,720
are potential threats but don't need to

160
00:05:46,390 --> 00:05:44,639
harm you right it's just it's for

161
00:05:47,430 --> 00:05:46,400
example i've often said if i go to an

162
00:05:49,670 --> 00:05:47,440
airport

163
00:05:52,550 --> 00:05:49,680

and i get on a 737 there's no real

164

00:05:55,510 --> 00:05:52,560

threat there but if i were to jump off

165

00:05:57,670 --> 00:05:55,520

and run along the runway the tarmac and

166

00:05:59,590 --> 00:05:57,680

i i happen to get too close to one of

167

00:06:00,950 --> 00:05:59,600

these jet engines as it's you know going

168

00:06:02,870 --> 00:06:00,960

down the runway chances are there's

169

00:06:04,150 --> 00:06:02,880

going to be some sort of biological

170

00:06:06,150 --> 00:06:04,160

consequence there's there's an

171

00:06:07,749 --> 00:06:06,160

environmental threat i'm probably going

172

00:06:09,189 --> 00:06:07,759

to lose some hearing

173

00:06:10,629 --> 00:06:09,199

i'm probably going to get burned by the

174

00:06:12,390 --> 00:06:10,639

jet exhaust

175

00:06:15,270 --> 00:06:12,400

it's not necessarily an intended

176
00:06:17,430 --> 00:06:15,280
consequence of the jet engine to harm me

177
00:06:18,469 --> 00:06:17,440
and so anytime you're dealing with with

178
00:06:20,870 --> 00:06:18,479
physics

179
00:06:22,629 --> 00:06:20,880
and i think this topic of uap certainly

180
00:06:25,430 --> 00:06:22,639
nests well within the the realm of

181
00:06:27,909 --> 00:06:25,440
physics there's always potential threat

182
00:06:29,990 --> 00:06:27,919
um and that's just the way it works if

183
00:06:33,590 --> 00:06:30,000
you ever go to the cern the large hadron

184
00:06:35,670 --> 00:06:33,600
collider uh you're talking about a a

185
00:06:37,590 --> 00:06:35,680
massive machine that the world's largest

186
00:06:39,830 --> 00:06:37,600
machine in fact ever built

187
00:06:41,590 --> 00:06:39,840
um and it's it's hurtling some of the

188
00:06:43,189 --> 00:06:41,600

smallest particles around nearly the

189

00:06:44,390 --> 00:06:43,199

speed of light and if you look at the

190

00:06:48,390 --> 00:06:44,400

shielding

191

00:06:50,230 --> 00:06:48,400

that is around the the accelerator it's

192

00:06:52,629 --> 00:06:50,240

massive uh if you would think for

193

00:06:54,950 --> 00:06:52,639

something so so tiny and infinitesimally

194

00:06:56,950 --> 00:06:54,960

small uh why do you need such a big

195

00:06:59,670 --> 00:06:56,960

machine well it turns out that you know

196

00:07:01,510 --> 00:06:59,680

there's there's potential consequences

197

00:07:02,870 --> 00:07:01,520

when you're taking a particle of matter

198

00:07:04,550 --> 00:07:02,880

and you're accelerating it to the speed

199

00:07:07,270 --> 00:07:04,560

of light almost the speed of light

200

00:07:10,309 --> 00:07:07,280

correct me uh correction um so

201

00:07:12,469 --> 00:07:10,319

uh it's i think it's it's

202

00:07:14,390 --> 00:07:12,479

i think we need to be careful when we go

203

00:07:16,150 --> 00:07:14,400

down that rabbit hole and say something

204

00:07:18,710 --> 00:07:16,160

is is you know

205

00:07:20,230 --> 00:07:18,720

threat versus hostile intent you said uh

206

00:07:22,070 --> 00:07:20,240

is there any any

207

00:07:23,830 --> 00:07:22,080

signs that these things are displaying

208

00:07:26,230 --> 00:07:23,840

some sort of you know over hostility

209

00:07:30,309 --> 00:07:26,240

towards us or violence i think you said

210

00:07:33,510 --> 00:07:30,319

um you know we in in atyp didn't see any

211

00:07:35,589 --> 00:07:33,520

over signs of as you say violence

212

00:07:39,110 --> 00:07:35,599

uh but you know there are individuals

213

00:07:41,830 --> 00:07:39,120

who have reported that they've had um

214

00:07:43,670 --> 00:07:41,840

contact and whatever that contact is

215

00:07:45,510 --> 00:07:43,680

it's not always been pleasant according

216

00:07:47,350 --> 00:07:45,520

to some of the eyewitnesses now the

217

00:07:49,749 --> 00:07:47,360

question is have those eyewitnesses

218

00:07:51,909 --> 00:07:49,759

really had a close and personal

219

00:07:54,150 --> 00:07:51,919

interaction with this or is it some sort

220

00:07:57,350 --> 00:07:54,160

of psychological manifestation

221

00:07:59,749 --> 00:07:57,360

uh that is occurring uh

222

00:08:02,550 --> 00:07:59,759

we we simply don't know for that reason

223

00:08:05,029 --> 00:08:02,560

we were very careful not to to stipulate

224

00:08:06,550 --> 00:08:05,039

any type of uh intent behind these

225

00:08:08,550 --> 00:08:06,560

things and we focused the only two

226

00:08:11,350 --> 00:08:08,560

things we really focused on in atep was

227

00:08:13,110 --> 00:08:11,360

what is it and how does it work uh we we

228

00:08:14,790 --> 00:08:13,120

were nowhere near getting to the point

229

00:08:16,790 --> 00:08:14,800

where we understood its intentions or

230

00:08:18,469 --> 00:08:16,800

who was behind the wheel or

231

00:08:20,469 --> 00:08:18,479

the origins of these things it was

232

00:08:22,390 --> 00:08:20,479

simply just as you can appreciate a

233

00:08:23,670 --> 00:08:22,400

scientific approach what is it and how

234

00:08:25,909 --> 00:08:23,680

does it work and if we could answer

235

00:08:27,110 --> 00:08:25,919

those questions maybe we'd have a better

236

00:08:28,390 --> 00:08:27,120

chance of answering some of the other

237

00:08:30,469 --> 00:08:28,400

ones

238

00:08:32,709 --> 00:08:30,479

you also mentioned that the june report

239

00:08:35,269 --> 00:08:32,719

may be a whole lot a quotation a whole

240

00:08:37,029 --> 00:08:35,279

lot of nothing now why do you say that

241

00:08:38,389 --> 00:08:37,039

and why do you think that is and have

242

00:08:40,310 --> 00:08:38,399

you been briefed as to what's going to

243

00:08:41,829 --> 00:08:40,320

come out in the news report yeah i mean

244

00:08:43,509 --> 00:08:41,839

let me let me turn that question right

245

00:08:46,550 --> 00:08:43,519

back around kurt and ask you a question

246

00:08:49,750 --> 00:08:46,560

you know if i were to write a 74-page uh

247

00:08:51,350 --> 00:08:49,760

dissertation about a black hole um today

248

00:08:53,110 --> 00:08:51,360

i probably it'd probably be a lot more

249

00:08:55,190 --> 00:08:53,120

comprehensive than if i were to write a

250

00:08:57,190 --> 00:08:55,200

74-page dissertation about a black hole

251

00:08:58,470 --> 00:08:57,200

back in 1965

252

00:09:00,470 --> 00:08:58,480

because at the time these were

253

00:09:02,710 --> 00:09:00,480

theoretical objects that we weren't even

254

00:09:04,150 --> 00:09:02,720

sure if existed some scientists believe

255

00:09:06,070 --> 00:09:04,160

that they couldn't exist that these were

256

00:09:08,630 --> 00:09:06,080

just some sort of anomaly within

257

00:09:10,790 --> 00:09:08,640

einstein's calculations so

258

00:09:12,710 --> 00:09:10,800

we we don't have a really good firm

259

00:09:14,310 --> 00:09:12,720

understanding of these things and so you

260

00:09:15,829 --> 00:09:14,320

know what

261

00:09:17,590 --> 00:09:15,839

what are we going to provide to congress

262

00:09:19,910 --> 00:09:17,600

well we know that they're not u.s

263

00:09:22,550 --> 00:09:19,920

technology okay that's that's that's a

264

00:09:24,389 --> 00:09:22,560

pretty big big step forward but other

265

00:09:26,150 --> 00:09:24,399

than that you know we're still at the

266

00:09:27,670 --> 00:09:26,160

point where we don't know if these

267

00:09:29,430 --> 00:09:27,680

things are some sort of foreign

268

00:09:30,949 --> 00:09:29,440

adversarial technology which it looks

269

00:09:32,070 --> 00:09:30,959

like they're probably not or there's

270

00:09:34,310 --> 00:09:32,080

something else

271

00:09:35,670 --> 00:09:34,320

um so you know there's not a whole lot

272

00:09:38,949 --> 00:09:35,680

you can say about that you can say look

273

00:09:40,949 --> 00:09:38,959

there were you know 170 some incidents

274

00:09:42,870 --> 00:09:40,959

of these incidents uh they performed in

275

00:09:44,949 --> 00:09:42,880

this way these were the organizations

276

00:09:47,030 --> 00:09:44,959

involved these were the people involved

277

00:09:49,110 --> 00:09:47,040

this is the radar this is the video

278

00:09:51,829 --> 00:09:49,120

here's photographs here's the eyewitness

279

00:09:53,350 --> 00:09:51,839

testimonial reports um

280

00:09:54,230 --> 00:09:53,360

but at the end of the day

281

00:09:55,430 --> 00:09:54,240

you know

282

00:09:58,230 --> 00:09:55,440

we still don't know what we're dealing

283

00:10:00,470 --> 00:09:58,240

with so i i'm not sure

284

00:10:01,430 --> 00:10:00,480

we're going to be able to in a 74-page

285

00:10:04,310 --> 00:10:01,440

document

286

00:10:05,910 --> 00:10:04,320

conclusively state uh and satisf what it

287

00:10:08,949 --> 00:10:05,920

would find something is and satisfies

288

00:10:11,110 --> 00:10:08,959

people satisfy people's curiosity

289

00:10:14,150 --> 00:10:11,120

i think as time goes on and we

290

00:10:15,910 --> 00:10:14,160

continue to look at this this enigma and

291

00:10:18,150 --> 00:10:15,920

perhaps create a whole government

292

00:10:21,030 --> 00:10:18,160

approach hopefully those reports each

293

00:10:21,910 --> 00:10:21,040

year will become increasingly uh more

294

00:10:24,470 --> 00:10:21,920

more

295

00:10:26,710 --> 00:10:24,480

uh forthcoming and we'll have additional

296

00:10:28,310 --> 00:10:26,720

details and fidelity but i think it's

297

00:10:30,230 --> 00:10:28,320

just too early right now look we just

298

00:10:31,670 --> 00:10:30,240

got to the point where congress and the

299

00:10:33,030 --> 00:10:31,680

american government agree that these

300

00:10:33,910 --> 00:10:33,040

things are real

301
00:10:36,150 --> 00:10:33,920
so

302
00:10:37,430 --> 00:10:36,160
how much can you possibly expect an

303
00:10:39,750 --> 00:10:37,440
organization

304
00:10:41,829 --> 00:10:39,760
uh in 180 days and by the way let's not

305
00:10:43,190 --> 00:10:41,839
forget that that the covet restrictions

306
00:10:44,069 --> 00:10:43,200
most of these people could even go to

307
00:10:44,949 --> 00:10:44,079
work

308
00:10:48,630 --> 00:10:44,959
um

309
00:10:51,990 --> 00:10:48,640
you know i i i try to be realistic

310
00:10:55,110 --> 00:10:52,000
well to be fair some of your interviews

311
00:10:57,030 --> 00:10:55,120
what i glean from them in an hour is

312
00:10:58,710 --> 00:10:57,040
quite substantial so i can imagine that

313
00:11:00,470 --> 00:10:58,720

if someone's given a team of people are

314

00:11:02,630 --> 00:11:00,480

given 180 days they can come up with

315

00:11:04,310 --> 00:11:02,640

what could shock people that's you just

316

00:11:06,470 --> 00:11:04,320

said it if you if you have a team of

317

00:11:09,110 --> 00:11:06,480

people we they didn't have that the uap

318

00:11:10,550 --> 00:11:09,120

task force was minimally manned they had

319

00:11:13,670 --> 00:11:10,560

two people and they were only part-time

320

00:11:14,790 --> 00:11:13,680

assigned so so that part of the argument

321

00:11:16,870 --> 00:11:14,800

isn't you know it hasn't been

322

00:11:17,750 --> 00:11:16,880

substantiated and the other part is 180

323

00:11:19,269 --> 00:11:17,760

days

324

00:11:21,190 --> 00:11:19,279

i would submit to you it takes as i've

325

00:11:24,470 --> 00:11:21,200

said before longer to remodel a kitchen

326

00:11:26,550 --> 00:11:24,480

sometimes than 180 days you you're

327

00:11:29,190 --> 00:11:26,560

asking the entire intelligence community

328

00:11:31,670 --> 00:11:29,200

and the department of defense to collect

329

00:11:34,470 --> 00:11:31,680

the data synthesize the data process the

330

00:11:36,310 --> 00:11:34,480

data and then and then author the data

331

00:11:38,310 --> 00:11:36,320

and then coordinate that data through

332

00:11:40,069 --> 00:11:38,320

all 18 agencies of the intelligence

333

00:11:41,269 --> 00:11:40,079

community have it reviewed by the

334

00:11:42,870 --> 00:11:41,279

lawyers have it signed sealed and

335

00:11:44,230 --> 00:11:42,880

delivered by the secretary of defense

336

00:11:45,990 --> 00:11:44,240

then to the director of national

337

00:11:47,030 --> 00:11:46,000

intelligence and then finally on to

338

00:11:49,350 --> 00:11:47,040

congress

339

00:11:50,870 --> 00:11:49,360

uh and oh by the way there's you know

340

00:11:52,550 --> 00:11:50,880

covid we got to deal with so anything

341

00:11:53,910 --> 00:11:52,560

classified which most of this report is

342

00:11:55,350 --> 00:11:53,920

classified

343

00:11:58,550 --> 00:11:55,360

you can't do it until you get to go to

344

00:12:00,470 --> 00:11:58,560

work right so it's i i think you know

345

00:12:03,750 --> 00:12:00,480

we're really expecting a lot it's almost

346

00:12:06,629 --> 00:12:03,760

like like expecting mike tyson to to to

347

00:12:08,790 --> 00:12:06,639

fight in in a boxing ring with with you

348

00:12:11,910 --> 00:12:08,800

know both hands tied behind his back

349

00:12:13,750 --> 00:12:11,920

um it's it's it's just not i don't see

350

00:12:15,590 --> 00:12:13,760

how that's that's reasonable he would

351
00:12:17,750 --> 00:12:15,600
still defeat me

352
00:12:19,590 --> 00:12:17,760
okay oh me too i'm sure

353
00:12:20,870 --> 00:12:19,600
as for the fidel you mentioned fidelity

354
00:12:22,710 --> 00:12:20,880
and a question that's been brought up by

355
00:12:26,150 --> 00:12:22,720
quite a few people i don't have a single

356
00:12:27,829 --> 00:12:26,160
username to single out is are there

357
00:12:30,949 --> 00:12:27,839
videos pictures that you've seen that

358
00:12:32,550 --> 00:12:30,959
are not so grainy not so far away but

359
00:12:35,430 --> 00:12:32,560
instead up close

360
00:12:37,110 --> 00:12:35,440
exact let's say such that someone who is

361
00:12:39,190 --> 00:12:37,120
on the fence about this issue would no

362
00:12:40,230 --> 00:12:39,200
longer be on the fence

363
00:12:42,389 --> 00:12:40,240

yeah and i think you're seeing that with

364

00:12:43,990 --> 00:12:42,399

congress i mean there's there's videos

365

00:12:45,590 --> 00:12:44,000

and photographs and reporting that i've

366

00:12:47,110 --> 00:12:45,600

been privy to

367

00:12:48,470 --> 00:12:47,120

that are extremely compelling i've said

368

00:12:49,990 --> 00:12:48,480

for the record that the three videos

369

00:12:50,949 --> 00:12:50,000

that have come out as interesting as

370

00:12:52,790 --> 00:12:50,959

they are they're probably the least

371

00:12:55,430 --> 00:12:52,800

compelling of the ones that that you

372

00:12:56,949 --> 00:12:55,440

know we we had and and this is why i'm

373

00:12:59,269 --> 00:12:56,959

so concerned about now the recent

374

00:13:01,750 --> 00:12:59,279

revelations that the pentagon has

375

00:13:04,150 --> 00:13:01,760

deleted or destroyed my emails and my my

376

00:13:05,910 --> 00:13:04,160

my files because there were documents on

377

00:13:07,110 --> 00:13:05,920

in a very comprehensive shared folder

378

00:13:09,990 --> 00:13:07,120

that we had

379

00:13:12,389 --> 00:13:10,000

that was was that was you know

380

00:13:14,710 --> 00:13:12,399

pretty incredible i mean there was some

381

00:13:16,150 --> 00:13:14,720

some very high definition high fidelity

382

00:13:18,790 --> 00:13:16,160

videos in there that when you looked at

383

00:13:20,710 --> 00:13:18,800

it you realize hey you know that's

384

00:13:22,230 --> 00:13:20,720

that's not one of our aircraft many in

385

00:13:24,710 --> 00:13:22,240

the audience had one more question with

386

00:13:26,150 --> 00:13:24,720

regard to this issue which is why now

387

00:13:28,069 --> 00:13:26,160

why all these revelations from the

388

00:13:29,350 --> 00:13:28,079

government all of a sudden because we

389

00:13:30,870 --> 00:13:29,360

weren't able to get to it over the

390

00:13:33,030 --> 00:13:30,880

livestream i emailed him and his

391

00:13:35,350 --> 00:13:33,040

assistant got back saying

392

00:13:36,949 --> 00:13:35,360

as for your question why now why not now

393

00:13:38,710 --> 00:13:36,959

nothing will ever change

394

00:13:40,550 --> 00:13:38,720

nothing will change if a few brave men

395

00:13:42,069 --> 00:13:40,560

and women don't stand up to speak out

396

00:13:44,310 --> 00:13:42,079

about what they know lew has talked

397

00:13:45,750 --> 00:13:44,320

about this many times in many interviews

398

00:13:46,949 --> 00:13:45,760

he was trying to raise the alarm about

399

00:13:48,550 --> 00:13:46,959

this issue but it wasn't getting

400

00:13:50,389 --> 00:13:48,560

reported up the chain of command to the

401
00:13:52,310 --> 00:13:50,399
secretary of defense

402
00:13:54,230 --> 00:13:52,320
in the u.s defense community if someone

403
00:13:55,750 --> 00:13:54,240
is frustrated with bureaucracy there is

404
00:13:57,590 --> 00:13:55,760
no way to circumvent the chain of

405
00:13:59,189 --> 00:13:57,600
command so it's typical for those people

406
00:14:00,870 --> 00:13:59,199
to resign and then it's often the

407
00:14:02,710 --> 00:14:00,880
resignation letter which finally makes

408
00:14:04,230 --> 00:14:02,720
its way up the chain to effect change

409
00:14:06,069 --> 00:14:04,240
that's exactly what happened in lou's

410
00:14:07,509 --> 00:14:06,079
case feel free to reference previous

411
00:14:09,430 --> 00:14:07,519
interviews that he's given where he's

412
00:14:11,509 --> 00:14:09,440
answered this question have there been

413
00:14:13,990 --> 00:14:11,519

any investigations as to the connection

414

00:14:16,069 --> 00:14:14,000

between remote viewing and uap so you

415

00:14:19,350 --> 00:14:16,079

can interpret that the way you'd like

416

00:14:21,110 --> 00:14:19,360

wow great question for um

417

00:14:23,350 --> 00:14:21,120

historically yeah that there was there

418

00:14:25,430 --> 00:14:23,360

was some effort particularly in the in

419

00:14:27,030 --> 00:14:25,440

the 70s and the 80s

420

00:14:29,430 --> 00:14:27,040

during a program that one of my

421

00:14:31,430 --> 00:14:29,440

colleagues was responsible for uh the

422

00:14:33,030 --> 00:14:31,440

stargate program and before that it was

423

00:14:35,189 --> 00:14:33,040

real flame and before that a bunch of

424

00:14:36,629 --> 00:14:35,199

other names but uh dr

425

00:14:38,550 --> 00:14:36,639

harold fudov

426

00:14:40,470 --> 00:14:38,560

can probably give you some more

427

00:14:42,389 --> 00:14:40,480

information on that during our time in a

428

00:14:44,629 --> 00:14:42,399

tip we didn't really focus on that we

429

00:14:46,949 --> 00:14:44,639

were more focused on the nuts and bolts

430

00:14:49,110 --> 00:14:46,959

but yeah there was you know there was

431

00:14:51,590 --> 00:14:49,120

some some interesting information

432

00:14:53,670 --> 00:14:51,600

that was put out uh in the past about

433

00:14:55,829 --> 00:14:53,680

about that about the the connection

434

00:14:58,310 --> 00:14:55,839

between remote viewing and potential uap

435

00:15:01,189 --> 00:14:58,320

activity there was one uh i think

436

00:15:03,430 --> 00:15:01,199

alleged uh remote viewing session where

437

00:15:05,750 --> 00:15:03,440

they were remote viewing a particular

438

00:15:08,069 --> 00:15:05,760

enemy target uh

439

00:15:09,670 --> 00:15:08,079

c seabourn a c based target i'm not

440

00:15:11,030 --> 00:15:09,680

going to go into more detail with that i

441

00:15:12,790 --> 00:15:11,040

don't know if i can

442

00:15:15,269 --> 00:15:12,800

but apparently there was some sort of

443

00:15:16,470 --> 00:15:15,279

uap activity associated with that

444

00:15:19,189 --> 00:15:16,480

the problem is when you're talking about

445

00:15:21,590 --> 00:15:19,199

remote viewing it's it's very subjective

446

00:15:23,590 --> 00:15:21,600

and so you have to be very careful

447

00:15:25,829 --> 00:15:23,600

uh when when you're dealing with data

448

00:15:27,910 --> 00:15:25,839

like that because um

449

00:15:29,749 --> 00:15:27,920

it's at the end of the day

450

00:15:31,590 --> 00:15:29,759

you need more information uh you need

451
00:15:33,829 --> 00:15:31,600
information to substantiate that's that

452
00:15:35,590 --> 00:15:33,839
may be one piece of the puzzle but by no

453
00:15:38,150 --> 00:15:35,600
means can you put together the entire

454
00:15:40,470 --> 00:15:38,160
mosaic with just one piece of the puzzle

455
00:15:42,310 --> 00:15:40,480
you need all the pieces to really really

456
00:15:44,870 --> 00:15:42,320
you know understand what you're looking

457
00:15:47,509 --> 00:15:44,880
at you mentioned someone's name about a

458
00:15:49,670 --> 00:15:47,519
minute ago harold what was his last name

459
00:15:51,430 --> 00:15:49,680
kutov okay yeah i have a question about

460
00:15:53,590 --> 00:15:51,440
that from jeremy riss of the channel

461
00:15:54,870 --> 00:15:53,600
alien scientist he wants to know have

462
00:15:56,710 --> 00:15:54,880
you ever heard of something called the

463
00:15:58,230 --> 00:15:56,720

invisible college and then as a

464

00:16:00,230 --> 00:15:58,240

secondary question

465

00:16:01,749 --> 00:16:00,240

was this theoretical physicist who

466

00:16:02,870 --> 00:16:01,759

brought you into the program you

467

00:16:04,949 --> 00:16:02,880

mentioned this before that someone

468

00:16:06,310 --> 00:16:04,959

brought you in to atip was it hal put

469

00:16:09,110 --> 00:16:06,320

off

470

00:16:10,710 --> 00:16:09,120

i'm very well aware of the the term

471

00:16:13,590 --> 00:16:10,720

invisible college

472

00:16:15,670 --> 00:16:13,600

uh i am also very well aware of how hal

473

00:16:18,310 --> 00:16:15,680

is a dear friend of mine he did not

474

00:16:21,030 --> 00:16:18,320

bring me into this program uh but we

475

00:16:22,949 --> 00:16:21,040

wound up working as as colleagues

476

00:16:25,590 --> 00:16:22,959

he's an incredible human being him

477

00:16:27,670 --> 00:16:25,600

another individual named dr kit green

478

00:16:29,509 --> 00:16:27,680

uh another fantastic human being an

479

00:16:32,150 --> 00:16:29,519

absolute american treasure

480

00:16:34,710 --> 00:16:32,160

um and there's a couple others dr eric

481

00:16:36,949 --> 00:16:34,720

davis there's another one i really was

482

00:16:38,710 --> 00:16:36,959

very fortunate i had the opportunity to

483

00:16:41,990 --> 00:16:38,720

to truly stand on the shoulders of

484

00:16:43,749 --> 00:16:42,000

giants um it was an incredible honor

485

00:16:45,749 --> 00:16:43,759

and there's many others that i i won't

486

00:16:47,269 --> 00:16:45,759

mention right now but dr colin keller

487

00:16:49,269 --> 00:16:47,279

and a bunch of others that were you know

488

00:16:52,150 --> 00:16:49,279

really really helpful

489

00:16:53,590 --> 00:16:52,160

uh in the early days of this effort

490

00:16:55,269 --> 00:16:53,600

what is it that you've heard about the

491

00:16:57,269 --> 00:16:55,279

invisible college that you can reveal

492

00:16:59,430 --> 00:16:57,279

that you feel like is credible

493

00:17:01,509 --> 00:16:59,440

i just heard the term yesterday

494

00:17:04,069 --> 00:17:01,519

i mean uh it's you know it's a loose

495

00:17:05,750 --> 00:17:04,079

affiliation of individuals um you know

496

00:17:07,350 --> 00:17:05,760

that's the term invisible

497

00:17:09,510 --> 00:17:07,360

uh college being that these are

498

00:17:12,630 --> 00:17:09,520

individuals who obviously have a high uh

499

00:17:15,510 --> 00:17:12,640

academic beta uh to their name

500

00:17:19,029 --> 00:17:15,520

um you know it's it's more of a loose

501
00:17:21,909 --> 00:17:19,039
affiliation necessarily than a uh

502
00:17:23,189 --> 00:17:21,919
you know a formalized uh

503
00:17:24,470 --> 00:17:23,199
corporation

504
00:17:25,990 --> 00:17:24,480
um

505
00:17:27,829 --> 00:17:26,000
you know it's that you might also hear

506
00:17:29,430 --> 00:17:27,839
terms like the aviary

507
00:17:31,029 --> 00:17:29,440
which uh you know there's there's some

508
00:17:33,510 --> 00:17:31,039
truth to that there are some individuals

509
00:17:37,430 --> 00:17:33,520
that belonged to an organization

510
00:17:39,909 --> 00:17:37,440
and uh to to to remain anonymous uh they

511
00:17:42,150 --> 00:17:39,919
had uh names of birds associated with

512
00:17:44,230 --> 00:17:42,160
them names of birds

513
00:17:45,909 --> 00:17:44,240

birds right that's the term aviary and

514

00:17:47,510 --> 00:17:45,919

what it did is it gave them an extra

515

00:17:50,630 --> 00:17:47,520

degree of anonymity

516

00:17:52,710 --> 00:17:50,640

uh when when having discussions uh you

517

00:17:54,630 --> 00:17:52,720

know especially over open lines or the

518

00:17:57,669 --> 00:17:54,640

email unsecured email

519

00:17:59,270 --> 00:17:57,679

um you know that that that's it's just a

520

00:18:00,789 --> 00:17:59,280

layer extra layer of operation what we

521

00:18:02,710 --> 00:18:00,799

call opsec

522

00:18:04,310 --> 00:18:02,720

speaking of academia this question comes

523

00:18:06,789 --> 00:18:04,320

from professor

524

00:18:08,950 --> 00:18:06,799

of astronomy brian keating who runs the

525

00:18:10,789 --> 00:18:08,960

into the impossible podcast is there any

526

00:18:13,990 --> 00:18:10,799

test or data that would convince you

527

00:18:16,710 --> 00:18:14,000

that every uap sighting has a prosaic

528

00:18:17,990 --> 00:18:16,720

natural or scientific explanation i.e

529

00:18:19,510 --> 00:18:18,000

anything that could falsify the

530

00:18:21,350 --> 00:18:19,520

narrative that alien technology is

531

00:18:22,630 --> 00:18:21,360

visiting the earth now i know

532

00:18:23,909 --> 00:18:22,640

we can

533

00:18:25,029 --> 00:18:23,919

put a clause to that and say whether or

534

00:18:27,909 --> 00:18:25,039

not they're visiting or whether or not

535

00:18:29,909 --> 00:18:27,919

they're from a dimension that is

536

00:18:31,029 --> 00:18:29,919

you me may not like the term dimension

537

00:18:33,110 --> 00:18:31,039

in the way that it's used in common

538

00:18:34,150 --> 00:18:33,120

parlance but

539

00:18:35,750 --> 00:18:34,160

we can couch whether or not it's

540

00:18:37,510 --> 00:18:35,760

visiting you understand what's meant by

541

00:18:40,070 --> 00:18:37,520

the term yeah i do so kurt i'm going to

542

00:18:42,630 --> 00:18:40,080

ask you a favor to repeat that question

543

00:18:44,549 --> 00:18:42,640

one more time because there's there's a

544

00:18:46,070 --> 00:18:44,559

bit of a contradiction in there sure

545

00:18:47,990 --> 00:18:46,080

sure great great great this comes from

546

00:18:49,669 --> 00:18:48,000

professor of astronomy brian keating who

547

00:18:51,190 --> 00:18:49,679

runs the into the impossible podcast

548

00:18:53,510 --> 00:18:51,200

which i recommend you all check out and

549

00:18:55,830 --> 00:18:53,520

subscribe to is there any test or data

550

00:18:57,750 --> 00:18:55,840

that would convince you that every uap

551
00:19:00,789 --> 00:18:57,760
sighting has a prosaic natural or

552
00:19:02,630 --> 00:19:00,799
scientific explanation i.e anything that

553
00:19:05,669 --> 00:19:02,640
could falsify the narrative that alien

554
00:19:09,590 --> 00:19:05,679
technology is visiting the earth

555
00:19:11,830 --> 00:19:09,600
so interesting natural or scientific

556
00:19:14,070 --> 00:19:11,840
prosaic explanation and then turns

557
00:19:16,870 --> 00:19:14,080
around and says i.e

558
00:19:17,830 --> 00:19:16,880
disproves some sort of alien visitation

559
00:19:19,270 --> 00:19:17,840
um

560
00:19:21,990 --> 00:19:19,280
i'm not sure the two are mutually

561
00:19:23,430 --> 00:19:22,000
exclusive i i think

562
00:19:25,029 --> 00:19:23,440
you know

563
00:19:26,630 --> 00:19:25,039

i i think you can have a discussion

564

00:19:28,390 --> 00:19:26,640
about alien life and still remain

565

00:19:30,630 --> 00:19:28,400
scientific we're doing it now with nasa

566

00:19:32,310 --> 00:19:30,640
looking for microbial life on mars

567

00:19:34,310 --> 00:19:32,320
they're not exclusive you can't say in

568

00:19:35,510 --> 00:19:34,320
one hand you know there's a scientific

569

00:19:38,230 --> 00:19:35,520
explanation

570

00:19:40,470 --> 00:19:38,240
but it's not but it disproves alien life

571

00:19:42,630 --> 00:19:40,480
scientific explanation may wind up

572

00:19:45,830 --> 00:19:42,640
actually proving alienware if there is

573

00:19:47,669 --> 00:19:45,840
so so i i i think that's f i think that

574

00:19:48,950 --> 00:19:47,679
all with all due respect i think that's

575

00:19:50,950 --> 00:19:48,960
false logic

576

00:19:54,310 --> 00:19:50,960

uh i don't i don't know against mr

577

00:19:56,070 --> 00:19:54,320

keating at all i'm sure uh you know he

578

00:19:57,510 --> 00:19:56,080

wants a thorough answer which i'm going

579

00:20:00,230 --> 00:19:57,520

to try to do my best

580

00:20:03,110 --> 00:20:00,240

but the very notion that an alien

581

00:20:05,270 --> 00:20:03,120

life form can't be scientific look

582

00:20:07,270 --> 00:20:05,280

this planet is probably the greatest ufo

583

00:20:09,190 --> 00:20:07,280

that we know of right this ball called

584

00:20:12,630 --> 00:20:09,200

earth hurtling through deep space around

585

00:20:14,950 --> 00:20:12,640

a you know obscure star we call the sun

586

00:20:16,789 --> 00:20:14,960

an obscure part of the milky way has got

587

00:20:19,110 --> 00:20:16,799

life all over the place in fact the

588

00:20:22,070 --> 00:20:19,120

birth of science was right here

589

00:20:24,789 --> 00:20:22,080

uh and it was it was the study of of of

590

00:20:25,909 --> 00:20:24,799

other living organisms look at darwin

591

00:20:27,350 --> 00:20:25,919

right so

592

00:20:29,430 --> 00:20:27,360

so i

593

00:20:31,510 --> 00:20:29,440

i think we need to be careful when we

594

00:20:33,110 --> 00:20:31,520

subscribe to the fact that if it's alien

595

00:20:34,870 --> 00:20:33,120

it can't be scientific or if it's

596

00:20:37,110 --> 00:20:34,880

scientific it can't be alien i don't

597

00:20:38,090 --> 00:20:37,120

think the two are mutually exclusive

598

00:20:39,270 --> 00:20:38,100

i think

599

00:20:42,070 --> 00:20:39,280

[Music]

600

00:20:44,470 --> 00:20:42,080

we we realize now with with the

601
00:20:47,750 --> 00:20:44,480
understanding of extremophiles

602
00:20:49,830 --> 00:20:47,760
that life can defy a lot of our our our

603
00:20:51,110 --> 00:20:49,840
definitions and continues to define our

604
00:20:53,110 --> 00:20:51,120
definition so we have to keep

605
00:20:54,470 --> 00:20:53,120
reinventing new definitions of what a

606
00:20:55,909 --> 00:20:54,480
life form is

607
00:20:58,390 --> 00:20:55,919
you know initially we thought all life

608
00:21:00,710 --> 00:20:58,400
forms were or something that were based

609
00:21:02,870 --> 00:21:00,720
on on ultimately on the building blocks

610
00:21:04,470 --> 00:21:02,880
of photosynthesis we now realize that's

611
00:21:07,029 --> 00:21:04,480
not true there are extremophiles that

612
00:21:08,710 --> 00:21:07,039
live in and survive of chemosynthesis in

613
00:21:10,230 --> 00:21:08,720

the deepest parts of our ocean a

614

00:21:11,990 --> 00:21:10,240

completely different

615

00:21:14,870 --> 00:21:12,000

way of obtaining nutrients from its

616

00:21:16,470 --> 00:21:14,880

environment we also realize that the the

617

00:21:18,710 --> 00:21:16,480

understanding that life form must have

618

00:21:20,950 --> 00:21:18,720

dna we now realize may not be true also

619

00:21:22,870 --> 00:21:20,960

in the world of virology we see all the

620

00:21:25,029 --> 00:21:22,880

time viruses which can replicate and

621

00:21:28,149 --> 00:21:25,039

behave very much like a living thing and

622

00:21:29,110 --> 00:21:28,159

yet have no dna associated they have rna

623

00:21:31,510 --> 00:21:29,120

so

624

00:21:33,909 --> 00:21:31,520

uh i think we have to be careful

625

00:21:35,110 --> 00:21:33,919

when we ask questions especially as

626
00:21:37,590 --> 00:21:35,120
scientists

627
00:21:38,950 --> 00:21:37,600
we have to make sure

628
00:21:41,990 --> 00:21:38,960
that we

629
00:21:43,990 --> 00:21:42,000
to really embody the essence of science

630
00:21:45,669 --> 00:21:44,000
we have to be willing to ask the hard

631
00:21:47,990 --> 00:21:45,679
questions because that's the only way

632
00:21:49,830 --> 00:21:48,000
science really advances

633
00:21:51,270 --> 00:21:49,840
otherwise we would be stuck thinking

634
00:21:53,750 --> 00:21:51,280
that the four elements of the earth are

635
00:21:55,430 --> 00:21:53,760
earth wind fire and water you know

636
00:21:57,430 --> 00:21:55,440
we've now realized this thing called the

637
00:22:00,390 --> 00:21:57,440
periodic table we now realize this thing

638
00:22:02,470 --> 00:22:00,400

called salt you know uh the subatomic

639

00:22:04,549 --> 00:22:02,480

particles and quantum physics had we

640

00:22:06,549 --> 00:22:04,559

have just stuck to that as being science

641

00:22:08,470 --> 00:22:06,559

and not challenging the ecosystem of

642

00:22:09,830 --> 00:22:08,480

science at the time we never would be

643

00:22:11,430 --> 00:22:09,840

here we never would have had newtonian

644

00:22:12,870 --> 00:22:11,440

physics we never would have einstein's

645

00:22:16,310 --> 00:22:12,880

relativity we wouldn't have quantum

646

00:22:17,669 --> 00:22:16,320

physics so again i caution one more time

647

00:22:20,549 --> 00:22:17,679

against uh

648

00:22:22,870 --> 00:22:20,559

the idea that that the science is that

649

00:22:24,310 --> 00:22:22,880

science and that a science a

650

00:22:25,990 --> 00:22:24,320

scientific explanation will

651
00:22:28,870 --> 00:22:26,000
automatically rule out something alien

652
00:22:31,430 --> 00:22:28,880
now i think what he was trying to say uh

653
00:22:32,950 --> 00:22:31,440
your friend mr keating and i and i

654
00:22:34,789 --> 00:22:32,960
forgive you through going this long with

655
00:22:36,470 --> 00:22:34,799
you sure go ahead and i appreciate how

656
00:22:38,470 --> 00:22:36,480
you're taking notes i appreciate the

657
00:22:40,149 --> 00:22:38,480
seriousness to what you're answering

658
00:22:42,870 --> 00:22:40,159
these questions i think what he's

659
00:22:45,350 --> 00:22:42,880
probably saying asking me is hey lou

660
00:22:46,310 --> 00:22:45,360
is is there any examples that you can

661
00:22:47,350 --> 00:22:46,320
say

662
00:22:49,510 --> 00:22:47,360
that

663
00:22:51,190 --> 00:22:49,520

a you have found a prosaic explanation

664

00:22:53,270 --> 00:22:51,200

for something that initially seemed

665

00:22:54,789 --> 00:22:53,280

unidentified or perhaps you know

666

00:22:56,789 --> 00:22:54,799

extraordinary the answer is absolutely

667

00:22:58,390 --> 00:22:56,799

yes we have in fact that was the

668

00:23:00,870 --> 00:22:58,400

intensive agent to go into something

669

00:23:02,390 --> 00:23:00,880

trying to find is this a drone is this

670

00:23:04,070 --> 00:23:02,400

some sort of cruise missile is this some

671

00:23:06,870 --> 00:23:04,080

sort of new type of aircraft or

672

00:23:08,789 --> 00:23:06,880

helicopter or blimp or durable you know

673

00:23:09,990 --> 00:23:08,799

you know atmospheric anomaly you name it

674

00:23:12,070 --> 00:23:10,000

fill in the blank

675

00:23:13,830 --> 00:23:12,080

is there a checklist by the way that one

676

00:23:15,990 --> 00:23:13,840

goes through like is it a lens flare is

677

00:23:17,510 --> 00:23:16,000

it a drone yeah there's absolutely and

678

00:23:19,190 --> 00:23:17,520

you have when you have the experts that

679

00:23:21,590 --> 00:23:19,200

are you know experts in in those

680

00:23:23,350 --> 00:23:21,600

particular fields such as photography or

681

00:23:25,270 --> 00:23:23,360

video or whatever they're going through

682

00:23:27,909 --> 00:23:25,280

that mental checklist is an artifact

683

00:23:30,630 --> 00:23:27,919

right uh so it is a software glitch is

684

00:23:32,310 --> 00:23:30,640

it a lens flare is it a a scratch on the

685

00:23:34,549 --> 00:23:32,320

lens that now is being uh hyper

686

00:23:37,110 --> 00:23:34,559

magnified and so you get you know this

687

00:23:38,230 --> 00:23:37,120

weird uh uh scattering of light effect

688

00:23:40,310 --> 00:23:38,240

it looks like you have a real object

689

00:23:41,430 --> 00:23:40,320

there when you don't right uh and so

690

00:23:42,950 --> 00:23:41,440

that's when you compare it to the

691

00:23:44,390 --> 00:23:42,960

infrared that's when you compare it also

692

00:23:46,789 --> 00:23:44,400

to the radar when you compare it to the

693

00:23:49,269 --> 00:23:46,799

eyewitnesses right because you know

694

00:23:53,190 --> 00:23:49,279

there's a when you have that

695

00:23:55,750 --> 00:23:53,200

that amount of information now all

696

00:23:57,110 --> 00:23:55,760

verifying that something is real then

697

00:23:58,950 --> 00:23:57,120

you know you can start scratching up the

698

00:24:01,350 --> 00:23:58,960

fact that it's some sort of artifact or

699

00:24:02,310 --> 00:24:01,360

you know lens flare etc etc

700

00:24:03,909 --> 00:24:02,320

um

701
00:24:05,590 --> 00:24:03,919
you know that there were times where we

702
00:24:06,950 --> 00:24:05,600
were able to do that and said it's a bit

703
00:24:09,029 --> 00:24:06,960
satisfying because you can kind of take

704
00:24:10,870 --> 00:24:09,039
it off the list what what for us was so

705
00:24:11,990 --> 00:24:10,880
difficult were the ones that fell so far

706
00:24:13,590 --> 00:24:12,000
beyond

707
00:24:15,510 --> 00:24:13,600
what we would normally presume as

708
00:24:17,190 --> 00:24:15,520
capable capabilities that we have in our

709
00:24:19,909 --> 00:24:17,200
inventory again the instantaneous

710
00:24:23,669 --> 00:24:19,919
acceleration hypersonic velocities uh

711
00:24:25,430 --> 00:24:23,679
trans-medium travel and you know

712
00:24:27,510 --> 00:24:25,440
seemingly anti-gravity without

713
00:24:30,310 --> 00:24:27,520

associated technologies no wings control

714

00:24:32,710 --> 00:24:30,320

surfaces no obvious signs of propulsion

715

00:24:35,190 --> 00:24:32,720

uh no heat signature and yet the things

716

00:24:37,430 --> 00:24:35,200

you're able to define you know are the

717

00:24:38,789 --> 00:24:37,440

natural effects of earth's gravity

718

00:24:40,470 --> 00:24:38,799

those are the ones where you say okay

719

00:24:42,070 --> 00:24:40,480

now we're not probably dealing with you

720

00:24:43,510 --> 00:24:42,080

know a helicopter we're not dealing

721

00:24:45,350 --> 00:24:43,520

there's no rotor wash there's no heat

722

00:24:46,630 --> 00:24:45,360

signature there's nothing at all

723

00:24:49,029 --> 00:24:46,640

that that

724

00:24:50,630 --> 00:24:49,039

that we can look at with the multiple

725

00:24:52,630 --> 00:24:50,640

sensors that we're looking at something

726

00:24:54,470 --> 00:24:52,640

and say yeah that that fits within the

727

00:24:57,430 --> 00:24:54,480

paradigm of you know

728

00:24:58,549 --> 00:24:57,440

our existing aviation technology

729

00:24:59,909 --> 00:24:58,559

um

730

00:25:01,909 --> 00:24:59,919

so there you have it i didn't mean to

731

00:25:03,590 --> 00:25:01,919

again go into a long-winded conversation

732

00:25:05,750 --> 00:25:03,600

very long-winded man i'm a meticulous

733

00:25:07,269 --> 00:25:05,760

person i also noted that you said mental

734

00:25:09,510 --> 00:25:07,279

checklists is what they go through and i

735

00:25:11,909 --> 00:25:09,520

was curious if due diligence is a

736

00:25:13,510 --> 00:25:11,919

physical checklist or a standardized one

737

00:25:16,230 --> 00:25:13,520

a formalized one

738

00:25:18,390 --> 00:25:16,240

yes but but those depending on where

739

00:25:20,950 --> 00:25:18,400

that expertise resides so if you're

740

00:25:21,910 --> 00:25:20,960

asking for example a cia analyst who's

741

00:25:23,190 --> 00:25:21,920

an expert in

742

00:25:25,190 --> 00:25:23,200

[Music]

743

00:25:28,070 --> 00:25:25,200

optics they're going to go through their

744

00:25:30,549 --> 00:25:28,080

own checklist differently than a radar

745

00:25:32,230 --> 00:25:30,559

person who's an expert in radar uh and

746

00:25:34,549 --> 00:25:32,240

telemetry who's gonna go through their

747

00:25:36,310 --> 00:25:34,559

checklist so you know there's not one

748

00:25:38,070 --> 00:25:36,320

single checklist because depending on

749

00:25:39,830 --> 00:25:38,080

the expertise that's being used and

750

00:25:41,909 --> 00:25:39,840

leveraged it's like considered talking

751
00:25:44,070 --> 00:25:41,919
to a cardiologist versus a radiologist

752
00:25:45,190 --> 00:25:44,080
right right right right medical doctors

753
00:25:47,590 --> 00:25:45,200
but they're not going to go through the

754
00:25:49,590 --> 00:25:47,600
same checklist you know when looking at

755
00:25:51,510 --> 00:25:49,600
someone's heart you know one's looking

756
00:25:53,110 --> 00:25:51,520
at it from from a x-ray perspective

757
00:25:55,590 --> 00:25:53,120
one's looking at it you know maybe from

758
00:25:58,230 --> 00:25:55,600
a from a more from a biological and

759
00:26:00,149 --> 00:25:58,240
metabolic process perspective so

760
00:26:02,870 --> 00:26:00,159
those checklists exist but they're not

761
00:26:05,669 --> 00:26:02,880
consistent across the board

762
00:26:07,510 --> 00:26:05,679
you mentioned trans medium as well

763
00:26:10,630 --> 00:26:07,520

i'm curious if you've seen any footage

764

00:26:12,870 --> 00:26:10,640

where a uap goes from air to water and

765

00:26:15,510 --> 00:26:12,880

is there a splash involved or do they

766

00:26:17,590 --> 00:26:15,520

just submerge as if it's an illusion

767

00:26:18,950 --> 00:26:17,600

let's say or an artifact of light not

768

00:26:20,310 --> 00:26:18,960

saying that they are artifacts of light

769

00:26:22,950 --> 00:26:20,320

i'm just curious if they displace the

770

00:26:24,390 --> 00:26:22,960

water in any formidable fashion yeah

771

00:26:26,470 --> 00:26:24,400

well kurt there seems to be some sort of

772

00:26:28,310 --> 00:26:26,480

interaction i will i will state that

773

00:26:30,149 --> 00:26:28,320

there's been plenty of reports that we

774

00:26:32,390 --> 00:26:30,159

have where the water seems to be

775

00:26:33,750 --> 00:26:32,400

determined that there is a disturbance

776

00:26:37,430 --> 00:26:33,760

over the water

777

00:26:39,669 --> 00:26:37,440

uh and there's several hypotheses

778

00:26:41,669 --> 00:26:39,679

that had been proposed before that

779

00:26:43,350 --> 00:26:41,679

um no different than when you have a

780

00:26:44,950 --> 00:26:43,360

helicopter hovering over the water you

781

00:26:47,110 --> 00:26:44,960

can see the water being a bit determined

782

00:26:49,190 --> 00:26:47,120

from the rotor wash uh yet these don't

783

00:26:51,830 --> 00:26:49,200

have rotor wash but but the water seems

784

00:26:53,350 --> 00:26:51,840

to be perturbed roiling if you will and

785

00:26:55,190 --> 00:26:53,360

we've seen that over and over again not

786

00:26:57,029 --> 00:26:55,200

just with the nimitz instinct there's

787

00:26:58,549 --> 00:26:57,039

some incidents near near upper coast of

788

00:27:00,149 --> 00:26:58,559

puerto rico there's been some other

789

00:27:01,029 --> 00:27:00,159

incidents as well where

790

00:27:02,710 --> 00:27:01,039

where

791

00:27:04,230 --> 00:27:02,720

the the reporting by government

792

00:27:06,390 --> 00:27:04,240

officials has been that there is some

793

00:27:07,990 --> 00:27:06,400

sort of disturbance in the water

794

00:27:10,149 --> 00:27:08,000

the question is what is causing those

795

00:27:12,149 --> 00:27:10,159

disturbances if you look at biology for

796

00:27:13,750 --> 00:27:12,159

example look at an alligator we just now

797

00:27:14,710 --> 00:27:13,760

realized over the last maybe decade or

798

00:27:16,710 --> 00:27:14,720

two

799

00:27:19,350 --> 00:27:16,720

that there are ulfs ultra low

800

00:27:21,590 --> 00:27:19,360

frequencies acoustic signatures that are

801
00:27:24,070 --> 00:27:21,600
emitted by alligators when they are in

802
00:27:26,389 --> 00:27:24,080
mating season in the rivers and the

803
00:27:27,669 --> 00:27:26,399
lakes and you can actually see as they

804
00:27:29,350 --> 00:27:27,679
put their head up

805
00:27:31,669 --> 00:27:29,360
you can't hear it

806
00:27:33,990 --> 00:27:31,679
but the water begins to what looks like

807
00:27:35,750 --> 00:27:34,000
a dance around around them and what's

808
00:27:38,230 --> 00:27:35,760
happening is these ultra low frequencies

809
00:27:40,549 --> 00:27:38,240
acoustic frequencies are perturbing the

810
00:27:41,669 --> 00:27:40,559
water disturbing the water and

811
00:27:44,710 --> 00:27:41,679
the metrics

812
00:27:48,789 --> 00:27:44,720
that the matrix of the water is is

813
00:27:50,389 --> 00:27:48,799

part of and so it begins to to to roil

814

00:27:51,830 --> 00:27:50,399

you know is this something similar it

815

00:27:52,950 --> 00:27:51,840

could be we don't we don't know yet

816

00:27:55,190 --> 00:27:52,960

because we don't understand the

817

00:27:57,750 --> 00:27:55,200

technology before you know but we we

818

00:28:00,950 --> 00:27:57,760

suspect that this this disturbance in

819

00:28:02,950 --> 00:28:00,960

the water could be a

820

00:28:05,590 --> 00:28:02,960

well you know it could be a result of of

821

00:28:07,269 --> 00:28:05,600

the technology being being utilized

822

00:28:09,510 --> 00:28:07,279

uh you know no different than a

823

00:28:10,870 --> 00:28:09,520

helicopter perhaps with its rotor wash

824

00:28:12,549 --> 00:28:10,880

perturbing the water but rather than

825

00:28:14,630 --> 00:28:12,559

being a physical or mechanical

826

00:28:17,269 --> 00:28:14,640

disturbance it might be due to some sort

827

00:28:18,710 --> 00:28:17,279

of electromagnetic interference

828

00:28:20,950 --> 00:28:18,720

right

829

00:28:23,190 --> 00:28:20,960

lou i wanted to thank you for how open

830

00:28:24,789 --> 00:28:23,200

you are how frank you are i'm not

831

00:28:26,230 --> 00:28:24,799

actually i'm not used to that when when

832

00:28:28,230 --> 00:28:26,240

i speak to people

833

00:28:29,269 --> 00:28:28,240

about this topic so firstly thank you

834

00:28:30,470 --> 00:28:29,279

about that

835

00:28:31,990 --> 00:28:30,480

well i look kurt i don't have all the

836

00:28:33,190 --> 00:28:32,000

answers and i'm going to tell you that

837

00:28:34,549 --> 00:28:33,200

you know you're asking me direct

838

00:28:36,630 --> 00:28:34,559

questions i'll give you direct answers

839

00:28:39,269 --> 00:28:36,640

i'll do that i'll do the best that i can

840

00:28:40,870 --> 00:28:39,279

uh but you know i i don't have all the

841

00:28:42,549 --> 00:28:40,880

answers and i'm not i'm not afraid to

842

00:28:45,190 --> 00:28:42,559

say that i'm not afraid and some are

843

00:28:47,190 --> 00:28:45,200

classified as well yeah and some details

844

00:28:49,110 --> 00:28:47,200

are definitely are you know since you

845

00:28:50,389 --> 00:28:49,120

can't get out right and for the people

846

00:28:51,590 --> 00:28:50,399

watching in the chat if i don't get to

847

00:28:53,510 --> 00:28:51,600

your question please it's because i'm in

848

00:28:55,350 --> 00:28:53,520

the moment with lou i don't want to keep

849

00:28:57,110 --> 00:28:55,360

switching tabs i want to listen to louis

850

00:28:59,190 --> 00:28:57,120

answer and ask pertinent follow-up

851
00:29:01,510 --> 00:28:59,200
questions okay by the way for the record

852
00:29:03,350 --> 00:29:01,520
if i can just real quick let me go back

853
00:29:05,350 --> 00:29:03,360
your friend mr keating i i didn't mean

854
00:29:07,669 --> 00:29:05,360
any disrespect by that please make sure

855
00:29:09,590 --> 00:29:07,679
he knows that i just wanted to answer

856
00:29:11,029 --> 00:29:09,600
his question to the best of my ability i

857
00:29:13,830 --> 00:29:11,039
wasn't trying to

858
00:29:15,990 --> 00:29:13,840
to this wasn't a slam in any way i just

859
00:29:19,190 --> 00:29:16,000
uh i just wanted to be as accurate as

860
00:29:20,389 --> 00:29:19,200
possible for sure for sure manny ortez

861
00:29:22,549 --> 00:29:20,399
asks

862
00:29:23,990 --> 00:29:22,559
lou once said on a podcast that someone

863
00:29:27,269 --> 00:29:24,000

from the pentagon told them that they

864

00:29:28,310 --> 00:29:27,279

knew that these that this phenomenon are

865

00:29:29,750 --> 00:29:28,320

demons

866

00:29:30,789 --> 00:29:29,760

although lou didn't seem to believe it i

867

00:29:34,710 --> 00:29:30,799

would love for

868

00:29:37,430 --> 00:29:34,720

lou to expand on that

869

00:29:38,870 --> 00:29:37,440

well kurt let me ask you this um

870

00:29:40,950 --> 00:29:38,880

you know what

871

00:29:42,870 --> 00:29:40,960

what is a demon right i think most

872

00:29:46,230 --> 00:29:42,880

people would would submit to you that a

873

00:29:48,549 --> 00:29:46,240

demon is some sort of supernatural being

874

00:29:50,870 --> 00:29:48,559

that is based in some sort of religious

875

00:29:52,870 --> 00:29:50,880

doctrine uh and is usually you know

876

00:29:55,750 --> 00:29:52,880

malevolent to some degree

877

00:29:58,070 --> 00:29:55,760

um but you know let's let's look at this

878

00:30:01,110 --> 00:29:58,080

from scientific perspective all things

879

00:30:02,630 --> 00:30:01,120

by definition are supernatural until

880

00:30:04,789 --> 00:30:02,640

they're they're explained so they're

881

00:30:07,029 --> 00:30:04,799

normal right this cellular telephone i'm

882

00:30:08,950 --> 00:30:07,039

speaking to you on this the wi-fi

883

00:30:11,190 --> 00:30:08,960

signals a hundred years ago would be

884

00:30:12,789 --> 00:30:11,200

completely supernatural and yet in some

885

00:30:14,789 --> 00:30:12,799

parts of the world actually if i show a

886

00:30:16,310 --> 00:30:14,799

picture you know of somebody then that's

887

00:30:18,630 --> 00:30:16,320

still supernatural they think the soul

888

00:30:22,310 --> 00:30:18,640

is is locked in the photograph

889

00:30:23,669 --> 00:30:22,320

everything is is is paranormal until it

890

00:30:26,149 --> 00:30:23,679

becomes normal everything is

891

00:30:28,230 --> 00:30:26,159

supernatural until it becomes natural

892

00:30:30,389 --> 00:30:28,240

and that is that is the definition of it

893

00:30:31,510 --> 00:30:30,399

it just means beyond our understanding

894

00:30:32,789 --> 00:30:31,520

of

895

00:30:34,230 --> 00:30:32,799

you know what

896

00:30:35,750 --> 00:30:34,240

what's before us

897

00:30:38,149 --> 00:30:35,760

um

898

00:30:39,830 --> 00:30:38,159

i can't you know i can't tell anybody

899

00:30:41,510 --> 00:30:39,840

with a straight face that something is

900

00:30:42,870 --> 00:30:41,520

or is not demonic

901
00:30:45,029 --> 00:30:42,880
because it really depends on what is

902
00:30:47,029 --> 00:30:45,039
your definition of a demon and at the

903
00:30:49,110 --> 00:30:47,039
end of the day you know i've seen enough

904
00:30:50,870 --> 00:30:49,120
demons in my life in combat and warfare

905
00:30:53,350 --> 00:30:50,880
to know that you know there really is

906
00:30:54,549 --> 00:30:53,360
true evil in this world a lot of it is

907
00:30:56,710 --> 00:30:54,559
man-made

908
00:30:59,669 --> 00:30:56,720
but um you know

909
00:31:02,789 --> 00:30:59,679
i uh i can't i can't discount that i i

910
00:31:03,590 --> 00:31:02,799
don't personally believe that myself

911
00:31:05,830 --> 00:31:03,600
but

912
00:31:07,750 --> 00:31:05,840
you know i'm a big firm believer of know

913
00:31:10,549 --> 00:31:07,760

thy enemy if it turns out that these

914

00:31:13,110 --> 00:31:10,559

things are demonic at least we know

915

00:31:14,070 --> 00:31:13,120

you know i'd rather know than than to

916

00:31:16,230 --> 00:31:14,080

guess

917

00:31:18,630 --> 00:31:16,240

um you know do i subscribe to that line

918

00:31:20,470 --> 00:31:18,640

of thinking that these are demons

919

00:31:22,870 --> 00:31:20,480

no not particularly

920

00:31:24,549 --> 00:31:22,880

what about angels

921

00:31:25,590 --> 00:31:24,559

great question saying it's exactly the

922

00:31:27,909 --> 00:31:25,600

same thing

923

00:31:30,710 --> 00:31:27,919

angels and demons you know supernatural

924

00:31:33,509 --> 00:31:30,720

beings that that that we can't explain

925

00:31:36,389 --> 00:31:33,519

that that seem to to to

926

00:31:38,470 --> 00:31:36,399

fall outside of the realm of of of what

927

00:31:40,630 --> 00:31:38,480

we consider being normal human behavior

928

00:31:41,750 --> 00:31:40,640

and normal human capabilities

929

00:31:43,350 --> 00:31:41,760

um

930

00:31:44,950 --> 00:31:43,360

okay let me steal man the question let

931

00:31:46,070 --> 00:31:44,960

me steal a minute when i say steel man

932

00:31:47,750 --> 00:31:46,080

hopefully you're familiar with the term

933

00:31:49,509 --> 00:31:47,760

what i'm i think what the person is

934

00:31:50,870 --> 00:31:49,519

getting at is that let's imagine let's

935

00:31:52,230 --> 00:31:50,880

presuppose

936

00:31:54,230 --> 00:31:52,240

in a certain world view that there's a

937

00:31:56,870 --> 00:31:54,240

deity that created the universe with

938

00:31:59,190 --> 00:31:56,880

intent and one of the first creatures

939

00:32:01,590 --> 00:31:59,200

they created were powerful beings that

940

00:32:04,310 --> 00:32:01,600

have divine powers some of those are

941

00:32:05,990 --> 00:32:04,320

angels some of those are demons and then

942

00:32:07,590 --> 00:32:06,000

humans were created or let's say the big

943

00:32:10,389 --> 00:32:07,600

bang was set off and then humans were

944

00:32:11,990 --> 00:32:10,399

created via the process of evolution so

945

00:32:14,549 --> 00:32:12,000

do you see or

946

00:32:16,950 --> 00:32:14,559

do you see evidence or do you

947

00:32:18,149 --> 00:32:16,960

have friends with an atip who believe

948

00:32:20,310 --> 00:32:18,159

that those are

949

00:32:22,950 --> 00:32:20,320

demons in that sense or angels in that

950

00:32:26,149 --> 00:32:23,830

um

951
00:32:27,110 --> 00:32:26,159
i didn't see that in eight

952
00:32:30,549 --> 00:32:27,120
um

953
00:32:32,389 --> 00:32:30,559
but i did see it in dod leadership

954
00:32:35,509 --> 00:32:32,399
um

955
00:32:37,269 --> 00:32:35,519
you know i i i certainly am not going to

956
00:32:38,630 --> 00:32:37,279
confront someone's spiritual beliefs

957
00:32:39,990 --> 00:32:38,640
about something

958
00:32:43,190 --> 00:32:40,000
you know the word

959
00:32:46,230 --> 00:32:43,200
angel comes from the word angelios

960
00:32:48,149 --> 00:32:46,240
of of light of fire think of helios the

961
00:32:49,190 --> 00:32:48,159
sun right or something

962
00:32:51,110 --> 00:32:49,200
um

963
00:32:54,310 --> 00:32:51,120

these are terms that that that have been

964

00:32:56,950 --> 00:32:54,320

given to to to

965

00:32:59,110 --> 00:32:56,960

explain supernatural beings and

966

00:33:01,110 --> 00:32:59,120

occurrences in in

967

00:33:02,310 --> 00:33:01,120

you know during our existence

968

00:33:04,549 --> 00:33:02,320

um

969

00:33:07,110 --> 00:33:04,559

you know i i am for what i i

970

00:33:08,789 --> 00:33:07,120

despite being a scientific man i am i am

971

00:33:11,350 --> 00:33:08,799

a very much spiritual

972

00:33:15,509 --> 00:33:11,360

um i don't wear my religion on my sleeve

973

00:33:18,389 --> 00:33:15,519

but i don't think that the topic of uaps

974

00:33:20,630 --> 00:33:18,399

or even potentially extraterrestrials

975

00:33:23,269 --> 00:33:20,640

is necessarily against

976

00:33:26,310 --> 00:33:23,279

the idea of organized religion when i

977

00:33:27,669 --> 00:33:26,320

went to rome not too long ago a year and

978

00:33:29,350 --> 00:33:27,679

a half ago maybe

979

00:33:31,430 --> 00:33:29,360

uh and spoke to some

980

00:33:33,269 --> 00:33:31,440

very senior academics in the vatican

981

00:33:36,070 --> 00:33:33,279

they they told me

982

00:33:38,310 --> 00:33:36,080

that that in the 1600s had you have told

983

00:33:40,389 --> 00:33:38,320

people there was no such thing as aliens

984

00:33:43,029 --> 00:33:40,399

that would be considered heresy

985

00:33:45,590 --> 00:33:43,039

because there is no there is no limit to

986

00:33:47,830 --> 00:33:45,600

the dominion of god or the notion of god

987

00:33:49,430 --> 00:33:47,840

and it's only been in relative recent

988

00:33:51,590 --> 00:33:49,440

history that we have put these

989

00:33:52,549 --> 00:33:51,600

limitations on what god can and can't do

990

00:33:54,070 --> 00:33:52,559

you know

991

00:33:55,990 --> 00:33:54,080

there can't be aliens because we have to

992

00:33:58,230 --> 00:33:56,000

be the most you know the divine

993

00:33:59,110 --> 00:33:58,240

most divine representation of god

994

00:34:01,750 --> 00:33:59,120

um

995

00:34:03,750 --> 00:34:01,760

you know so i i i find that topic

996

00:34:05,750 --> 00:34:03,760

fascinating especially as it relates to

997

00:34:08,149 --> 00:34:05,760

theology and philosophy and even

998

00:34:09,109 --> 00:34:08,159

sociology our reaction to it as a

999

00:34:12,389 --> 00:34:09,119

species

1000

00:34:14,869 --> 00:34:12,399

um but i i i did not come into contact

1001

00:34:17,829 --> 00:34:14,879

with that and if and if it was an a tip

1002

00:34:19,270 --> 00:34:17,839

it was kept hidden from from us no one

1003

00:34:22,069 --> 00:34:19,280

no one talked about that no one seemed

1004

00:34:23,909 --> 00:34:22,079

to have any type of religious aversion

1005

00:34:25,349 --> 00:34:23,919

looking into this topic

1006

00:34:27,669 --> 00:34:25,359

all right the next question comes from

1007

00:34:30,230 --> 00:34:27,679

bisect docs have we intercepted

1008

00:34:32,829 --> 00:34:30,240

communication between uaps and or has

1009

00:34:35,430 --> 00:34:32,839

there been communication with

1010

00:34:39,349 --> 00:34:35,440

uaps i'm not aware of any uh

1011

00:34:41,750 --> 00:34:39,359

interception of communications with uaps

1012

00:34:43,909 --> 00:34:41,760

as far as communication with uaps you

1013

00:34:45,270 --> 00:34:43,919

know once again i kind of hate to split

1014

00:34:47,349 --> 00:34:45,280

hairs here i don't want to upset anybody

1015

00:34:48,790 --> 00:34:47,359

but let's let's be specific what is

1016

00:34:50,389 --> 00:34:48,800

communicating i mean you and i are

1017

00:34:52,550 --> 00:34:50,399

having a conversation in english and

1018

00:34:56,389 --> 00:34:52,560

we're communicating but if i stand

1019

00:34:58,630 --> 00:34:56,399

behind uh a wall and i i i aim an

1020

00:35:00,550 --> 00:34:58,640

assault rifle at you am i communicating

1021

00:35:03,750 --> 00:35:00,560

with you yeah i am i'm communicating an

1022

00:35:06,230 --> 00:35:03,760

intent or a threat right if a dog growls

1023

00:35:07,910 --> 00:35:06,240

and shows its teeth to you uh as you try

1024

00:35:09,670 --> 00:35:07,920

to kneel down and pet it is it

1025

00:35:11,270 --> 00:35:09,680

communicating yeah it's communicating

1026

00:35:12,870 --> 00:35:11,280

it's telling you hey you know i don't

1027

00:35:14,470 --> 00:35:12,880

want to be pet right now i don't don't

1028

00:35:16,710 --> 00:35:14,480

don't don't touch me

1029

00:35:20,710 --> 00:35:16,720

so you know um

1030

00:35:22,710 --> 00:35:20,720

if if a uap is is uh behaving in a

1031

00:35:25,670 --> 00:35:22,720

provocative manner meaning it's it's

1032

00:35:27,589 --> 00:35:25,680

it's uh um obviously knows that where or

1033

00:35:30,150 --> 00:35:27,599

are aware that it is there

1034

00:35:32,310 --> 00:35:30,160

and doesn't seem to mind doesn't seem to

1035

00:35:33,670 --> 00:35:32,320

try to hide itself in some cases it's

1036

00:35:36,710 --> 00:35:33,680

been perhaps

1037

00:35:38,390 --> 00:35:36,720

uh hovering uh over over you know one of

1038

00:35:40,069 --> 00:35:38,400

our military equities for for a

1039

00:35:41,510 --> 00:35:40,079

prolonged period of time

1040

00:35:42,710 --> 00:35:41,520

is that communication well i would

1041

00:35:43,990 --> 00:35:42,720

submit to yes it's probably

1042

00:35:46,310 --> 00:35:44,000

communication it's not verbal

1043

00:35:48,550 --> 00:35:46,320

communication but but it's signaling

1044

00:35:50,790 --> 00:35:48,560

some sort of intent yes i know you're

1045

00:35:51,670 --> 00:35:50,800

there and yes i know you know that i'm

1046

00:35:54,390 --> 00:35:51,680

here

1047

00:35:57,589 --> 00:35:54,400

and i'm okay with that and now i want

1048

00:35:58,870 --> 00:35:57,599

you to know that i'm here now

1049

00:36:00,870 --> 00:35:58,880

what's the rationale what's the

1050

00:36:03,109 --> 00:36:00,880

reasoning intent behind it we don't know

1051

00:36:05,910 --> 00:36:03,119

but that is communication if you know

1052

00:36:08,950 --> 00:36:05,920

when when we when we do a show of force

1053

00:36:10,870 --> 00:36:08,960

uh and if you know we fly an sr-71 at

1054

00:36:13,349 --> 00:36:10,880

100 000 feet and we don't want the enemy

1055

00:36:15,349 --> 00:36:13,359

to see us but if i take a couple f-22

1056

00:36:17,910 --> 00:36:15,359

raptors and i fly off the coast of let's

1057

00:36:20,390 --> 00:36:17,920

say uh uh disputed territory in the

1058

00:36:21,670 --> 00:36:20,400

south china sea i'm communicating with

1059

00:36:23,670 --> 00:36:21,680

with a country

1060

00:36:25,990 --> 00:36:23,680

it may not be through dialogue but make

1061

00:36:28,230 --> 00:36:26,000

no mistake i'm i'm communicating very

1062

00:36:31,349 --> 00:36:28,240

clearly and very effectively my intent

1063

00:36:32,310 --> 00:36:31,359

um to to another to another party and so

1064

00:36:34,390 --> 00:36:32,320

um

1065

00:36:36,230 --> 00:36:34,400

i think there lies the question are

1066

00:36:37,750 --> 00:36:36,240

these things trying to communicate with

1067

00:36:38,870 --> 00:36:37,760

us and if so

1068

00:36:41,109 --> 00:36:38,880

uh

1069

00:36:44,069 --> 00:36:41,119

do will we be smart enough to recognize

1070

00:36:47,190 --> 00:36:44,079

it as as as some sort of communication

1071

00:36:50,230 --> 00:36:47,200

uh versus just you know uh two ships

1072

00:36:52,829 --> 00:36:50,240

passing the night i i do think that the

1073

00:36:55,109 --> 00:36:52,839

more brazen that these these incidents

1074

00:36:57,910 --> 00:36:55,119

become the more there may be an attempt

1075

00:36:59,030 --> 00:36:57,920

to try to communicate

1076

00:37:01,829 --> 00:36:59,040

obviously

1077

00:37:03,670 --> 00:37:01,839

whatever it is is aware that we are

1078

00:37:05,270 --> 00:37:03,680

there and we are aware that they're

1079

00:37:07,829 --> 00:37:05,280

there

1080

00:37:09,750 --> 00:37:07,839

are you aware of any more or of any less

1081

00:37:11,109 --> 00:37:09,760

coarse-grained communication

1082

00:37:12,470 --> 00:37:11,119

for example we can communicate with the

1083

00:37:14,870 --> 00:37:12,480

cheetah like you mentioned we can point

1084

00:37:16,470 --> 00:37:14,880

a gun at it or we can show our hostility

1085

00:37:17,510 --> 00:37:16,480

or our civility

1086

00:37:19,030 --> 00:37:17,520

is there

1087

00:37:21,109 --> 00:37:19,040

verbal as far as you know has there been

1088

00:37:23,109 --> 00:37:21,119

any verbal or even telepathic direct

1089

00:37:25,190 --> 00:37:23,119

communication

1090

00:37:27,030 --> 00:37:25,200

i'm sorry my audio just caught up has

1091

00:37:28,630 --> 00:37:27,040

there been any verbal or telepathic

1092

00:37:31,829 --> 00:37:28,640

communication i know that there's a

1093

00:37:33,430 --> 00:37:31,839

story about i think zimbabwe africa with

1094

00:37:34,870 --> 00:37:33,440

aliens communicating with some children

1095

00:37:36,870 --> 00:37:34,880

there's certainly reports of it doesn't

1096

00:37:39,270 --> 00:37:36,880

mean that it's it's it's see the problem

1097

00:37:41,270 --> 00:37:39,280

is subjective we don't know for sure

1098

00:37:42,550 --> 00:37:41,280

it's it's the humans interpretation of

1099

00:37:44,550 --> 00:37:42,560

what's going on

1100

00:37:46,150 --> 00:37:44,560

and and here is why we have to be so

1101
00:37:48,230 --> 00:37:46,160
careful as you know in a scientific

1102
00:37:51,109 --> 00:37:48,240
experiment and in a closed system

1103
00:37:53,670 --> 00:37:51,119
you know the the the the

1104
00:37:56,470 --> 00:37:53,680
the likelihood of human error is

1105
00:37:59,030 --> 00:37:56,480
increased significantly and so uh you

1106
00:37:59,990 --> 00:37:59,040
know we have to be cognizant of that

1107
00:38:01,990 --> 00:38:00,000
um

1108
00:38:03,750 --> 00:38:02,000
is there some sort of real communication

1109
00:38:06,870 --> 00:38:03,760
as you say telepathic communication

1110
00:38:08,950 --> 00:38:06,880
occurring or is it a

1111
00:38:11,109 --> 00:38:08,960
a similar effect to let's say taking a

1112
00:38:13,829 --> 00:38:11,119
hallucinogenic

1113
00:38:16,790 --> 00:38:13,839

drug and having some sort of experience

1114

00:38:19,190 --> 00:38:16,800

right mental experience i don't know the

1115

00:38:21,270 --> 00:38:19,200

answer to that the answer could be yes

1116

00:38:23,750 --> 00:38:21,280

or both or none it could be that they're

1117

00:38:25,349 --> 00:38:23,760

there there is it's just our

1118

00:38:27,670 --> 00:38:25,359

it's uh our impression of what's going

1119

00:38:29,270 --> 00:38:27,680

on uh and it's not real right like the

1120

00:38:30,790 --> 00:38:29,280

near-death experience a lot of people

1121

00:38:32,630 --> 00:38:30,800

report it being real a lot of people say

1122

00:38:34,310 --> 00:38:32,640

no it's just parts of the mind that are

1123

00:38:36,150 --> 00:38:34,320

beginning to shut down and you start you

1124

00:38:38,069 --> 00:38:36,160

know having these experiences i don't

1125

00:38:39,349 --> 00:38:38,079

think anybody really knows for sure

1126

00:38:41,349 --> 00:38:39,359

other than the people who actually

1127

00:38:42,630 --> 00:38:41,359

experienced it when you talk to them

1128

00:38:44,630 --> 00:38:42,640

they feel very compelled that they've

1129

00:38:46,150 --> 00:38:44,640

had a real event and i'm not i don't

1130

00:38:47,829 --> 00:38:46,160

doubt for one minute they actually

1131

00:38:49,589 --> 00:38:47,839

believe they've had some sort of

1132

00:38:50,710 --> 00:38:49,599

communication and by the way that could

1133

00:38:52,069 --> 00:38:50,720

be the case

1134

00:38:55,030 --> 00:38:52,079

right again there's no way to prove it

1135

00:38:57,829 --> 00:38:55,040

or disprove it so it's it's interesting

1136

00:39:00,470 --> 00:38:57,839

um but we didn't focus that on about

1137

00:39:02,630 --> 00:39:00,480

that part of it because it's it's it's

1138

00:39:04,310 --> 00:39:02,640

too subjective you can't quantify and

1139

00:39:07,030 --> 00:39:04,320

qualify that data like you can with

1140

00:39:09,349 --> 00:39:07,040

radar data and photographic evidence etc

1141

00:39:11,670 --> 00:39:09,359

so uh it wasn't it wasn't particularly

1142

00:39:13,349 --> 00:39:11,680

useful i'm saying it's not interesting

1143

00:39:15,190 --> 00:39:13,359

it just wasn't useful for for our

1144

00:39:17,190 --> 00:39:15,200

calculus as to the connection between

1145

00:39:19,910 --> 00:39:17,200

psychedelics and aliens or psychedelics

1146

00:39:23,510 --> 00:39:19,920

and uaps you're unaware of any credible

1147

00:39:25,030 --> 00:39:23,520

verifiable falsifiable data

1148

00:39:26,150 --> 00:39:25,040

well look i mean

1149

00:39:27,430 --> 00:39:26,160

now we're getting into the world of

1150

00:39:28,870 --> 00:39:27,440

consciousness

1151

00:39:33,190 --> 00:39:28,880

you know and i would submit to you it's

1152

00:39:36,069 --> 00:39:33,200

not everything we do a result of of of a

1153

00:39:38,150 --> 00:39:36,079

conscious process occurring in our brain

1154

00:39:40,870 --> 00:39:38,160

um you know by very definition

1155

00:39:43,910 --> 00:39:40,880

everything i do in life is a result of

1156

00:39:45,510 --> 00:39:43,920

some sort of willful intent based upon a

1157

00:39:48,150 --> 00:39:45,520

consciousness process occurring in my

1158

00:39:51,349 --> 00:39:48,160

brain just like you and everybody else

1159

00:39:53,670 --> 00:39:51,359

so um you know we realize that that

1160

00:39:56,310 --> 00:39:53,680

human consciousness is is an area that

1161

00:39:58,630 --> 00:39:56,320

we're just now beginning to explore and

1162

00:40:00,470 --> 00:39:58,640

and we understand even less

1163

00:40:02,710 --> 00:40:00,480

is it possible that human consciousness

1164

00:40:05,270 --> 00:40:02,720

is part of a universal consciousness

1165

00:40:07,750 --> 00:40:05,280

and that we can tap into this is it's

1166

00:40:10,390 --> 00:40:07,760

not it's not human consciousness is not

1167

00:40:11,829 --> 00:40:10,400

only for humans possibly i mean there's

1168

00:40:13,990 --> 00:40:11,839

people out there who have pet cats and

1169

00:40:15,510 --> 00:40:14,000

dogs on one of them where you know you

1170

00:40:16,630 --> 00:40:15,520

have a connection with your pet not

1171

00:40:19,109 --> 00:40:16,640

because it's

1172

00:40:21,750 --> 00:40:19,119

just a cat or a dog but because you

1173

00:40:23,670 --> 00:40:21,760

there's something deeper that you are

1174

00:40:25,910 --> 00:40:23,680

you are connecting with something far

1175

00:40:27,750 --> 00:40:25,920

more intimate something far more sacred

1176

00:40:30,150 --> 00:40:27,760

than just a you know a furry little bag

1177

00:40:31,910 --> 00:40:30,160

of skin and you know hair balls there's

1178

00:40:34,230 --> 00:40:31,920

there's there's something

1179

00:40:36,069 --> 00:40:34,240

and by the way that life form recognizes

1180

00:40:38,390 --> 00:40:36,079

you as well as a sentient being there's

1181

00:40:40,069 --> 00:40:38,400

this appreciation that hey

1182

00:40:41,670 --> 00:40:40,079

we're on the safe wavelength i may not

1183

00:40:43,670 --> 00:40:41,680

look like you i mean i'll act like you

1184

00:40:46,470 --> 00:40:43,680

were talk like you but we're kind of the

1185

00:40:48,390 --> 00:40:46,480

same thing we're both conscious sentient

1186

00:40:49,190 --> 00:40:48,400

beings and we recognize that in each

1187

00:40:50,230 --> 00:40:49,200

other

1188

00:40:51,829 --> 00:40:50,240

um

1189

00:40:56,309 --> 00:40:51,839

you know and it's that they also may

1190

00:40:58,230 --> 00:40:56,319

explain uh human interactions as well so

1191

00:41:01,349 --> 00:40:58,240

consciousness may not be

1192

00:41:02,309 --> 00:41:01,359

um something that is that is only uh you

1193

00:41:05,190 --> 00:41:02,319

know

1194

00:41:06,710 --> 00:41:05,200

owned and defined by the human species

1195

00:41:08,790 --> 00:41:06,720

is it possible there's other things if

1196

00:41:11,750 --> 00:41:08,800

we can communicate with dolphins and

1197

00:41:13,510 --> 00:41:11,760

cats and dogs and birds and you know

1198

00:41:15,270 --> 00:41:13,520

gorillas

1199

00:41:16,710 --> 00:41:15,280

maybe human consciousness isn't quite so

1200

00:41:18,069 --> 00:41:16,720

maybe it's not so special maybe it's

1201

00:41:20,309 --> 00:41:18,079

indelible maybe it's something that's

1202

00:41:21,829 --> 00:41:20,319

part of part of all of nature and when i

1203

00:41:23,910 --> 00:41:21,839

say all the nature even beyond this

1204

00:41:26,630 --> 00:41:23,920

planet perhaps

1205

00:41:30,069 --> 00:41:26,640

the next question comes from mick west

1206

00:41:31,670 --> 00:41:30,079

i'd like to ask lou elisondo does

1207

00:41:33,510 --> 00:41:31,680

i'll just read this verbatim if he

1208

00:41:35,190 --> 00:41:33,520

really thinks this is non-human

1209

00:41:36,550 --> 00:41:35,200

technology that can revolutionize the

1210

00:41:37,990 --> 00:41:36,560

world and maybe

1211

00:41:39,750 --> 00:41:38,000

include contact with aliens and

1212

00:41:42,950 --> 00:41:39,760

extra-dimensional beings and so on why

1213

00:41:44,470 --> 00:41:42,960

is he so concerned with ndas surely for

1214

00:41:46,950 --> 00:41:44,480

the good of humanity he should release

1215

00:41:48,710 --> 00:41:46,960

the evidence that he has

1216

00:41:50,630 --> 00:41:48,720

ah surely for the good of humanity and

1217

00:41:52,309 --> 00:41:50,640

then he can go ahead and pay for my

1218

00:41:53,829 --> 00:41:52,319

mortgage he can put my kids through

1219

00:41:55,750 --> 00:41:53,839

school he can come visit me every day

1220

00:41:57,990 --> 00:41:55,760

and give me soup while i'm behind bars

1221

00:41:58,950 --> 00:41:58,000

spending the next 40 years of my life

1222

00:42:01,030 --> 00:41:58,960

uh

1223

00:42:02,630 --> 00:42:01,040

you know doing a service for

1224

00:42:03,910 --> 00:42:02,640

for somebody else i've already put my

1225

00:42:06,870 --> 00:42:03,920

neck on the line

1226

00:42:08,390 --> 00:42:06,880

uh so i'll do respect mr west um

1227

00:42:09,910 --> 00:42:08,400

you know uh if

1228

00:42:11,910 --> 00:42:09,920

why don't you there's nothing stopping

1229

00:42:14,550 --> 00:42:11,920

you why don't you do it you know i've

1230

00:42:16,230 --> 00:42:14,560

already put my career my my reputation

1231

00:42:18,790 --> 00:42:16,240

and credibility on the line i've already

1232

00:42:20,790 --> 00:42:18,800

forgotten my my retirement

1233

00:42:22,309 --> 00:42:20,800

and my pension how much more else do you

1234

00:42:24,069 --> 00:42:22,319

expect me to sacrifice you want me to

1235

00:42:26,870 --> 00:42:24,079

put myself up on a cross and nail myself

1236

00:42:28,710 --> 00:42:26,880

to it just just because

1237

00:42:31,030 --> 00:42:28,720

you know i think we've come pretty far

1238

00:42:32,790 --> 00:42:31,040

so far i think i think i haven't had to

1239

00:42:34,630 --> 00:42:32,800

go to jail and we've come pretty damn

1240

00:42:36,470 --> 00:42:34,640

far in the last three years

1241

00:42:37,589 --> 00:42:36,480

you know so i guess a simple you're

1242

00:42:38,390 --> 00:42:37,599

welcome

1243

00:42:40,550 --> 00:42:38,400

uh

1244

00:42:42,470 --> 00:42:40,560

is probably you know would be my

1245

00:42:44,390 --> 00:42:42,480

response are there whistleblower

1246

00:42:46,150 --> 00:42:44,400

protection acts that you could reveal

1247

00:42:48,390 --> 00:42:46,160

information under

1248

00:42:50,950 --> 00:42:48,400

oh this is part of the ig process

1249

00:42:52,550 --> 00:42:50,960

this is part of of congress you know

1250

00:42:54,390 --> 00:42:52,560

there are people that i can speak with

1251
00:42:56,150 --> 00:42:54,400
without violating my non-disclosure

1252
00:42:57,589 --> 00:42:56,160
agreement that can further the

1253
00:42:58,950 --> 00:42:57,599
conversation

1254
00:43:00,710 --> 00:42:58,960
you know and this is what we're trying

1255
00:43:02,550 --> 00:43:00,720
to exercise i mean i

1256
00:43:04,230 --> 00:43:02,560
i've tried to be as clear as i can with

1257
00:43:06,710 --> 00:43:04,240
our roadmap moving forward without

1258
00:43:08,630 --> 00:43:06,720
jeopardizing it but if people notice one

1259
00:43:10,309 --> 00:43:08,640
thing about me is that we're you know

1260
00:43:12,550 --> 00:43:10,319
i'm deliberate i don't do anything

1261
00:43:14,309 --> 00:43:12,560
haphazard so all the stuff that people

1262
00:43:16,630 --> 00:43:14,319
are now seeing with conversations and

1263
00:43:18,150 --> 00:43:16,640

congress and ig

1264

00:43:20,150 --> 00:43:18,160

do people honestly think that's just

1265

00:43:21,109 --> 00:43:20,160

some sort of coincidence

1266

00:43:22,150 --> 00:43:21,119

i mean

1267

00:43:23,270 --> 00:43:22,160

guys look

1268

00:43:24,790 --> 00:43:23,280

if you look at what i've been saying the

1269

00:43:27,109 --> 00:43:24,800

last three years you're going to see a

1270

00:43:28,550 --> 00:43:27,119

pattern it's very clear

1271

00:43:30,950 --> 00:43:28,560

you guys everything i've said has come

1272

00:43:33,030 --> 00:43:30,960

to fruition lock stock and barrel

1273

00:43:35,030 --> 00:43:33,040

you know this is we're trying to do this

1274

00:43:36,150 --> 00:43:35,040

the right way and as i said before

1275

00:43:38,470 --> 00:43:36,160

there's a difference between doing

1276

00:43:40,550 --> 00:43:38,480

things right and right now and i prefer

1277

00:43:42,630 --> 00:43:40,560

to do things right you know this is a

1278

00:43:43,829 --> 00:43:42,640

process i told people from day one you

1279

00:43:45,910 --> 00:43:43,839

know if you're expecting instant

1280

00:43:47,349 --> 00:43:45,920

gratification then you know go go take

1281

00:43:49,750 --> 00:43:47,359

up something else go take a finger

1282

00:43:52,550 --> 00:43:49,760

painting don't don't do this because

1283

00:43:55,430 --> 00:43:52,560

this this is going to be a long

1284

00:43:56,870 --> 00:43:55,440

term effort and and and it's it's every

1285

00:43:58,309 --> 00:43:56,880

day the due diligence of what we're

1286

00:43:59,510 --> 00:43:58,319

doing but it's making a difference just

1287

00:44:00,630 --> 00:43:59,520

look at the last three years how far

1288

00:44:02,470 --> 00:44:00,640

we've come

1289

00:44:03,910 --> 00:44:02,480

we have an official uap task force we

1290

00:44:05,750 --> 00:44:03,920

have the government admitting that ufos

1291

00:44:06,870 --> 00:44:05,760

are real we have congress being briefed

1292

00:44:08,470 --> 00:44:06,880

at the classified level they're all

1293

00:44:10,309 --> 00:44:08,480

coming out saying this is important

1294

00:44:11,990 --> 00:44:10,319

we actually have the task force now

1295

00:44:13,990 --> 00:44:12,000

providing information to congress and

1296

00:44:15,510 --> 00:44:14,000

180-day report we have other countries

1297

00:44:16,790 --> 00:44:15,520

like japan coming out and reaching out

1298

00:44:18,950 --> 00:44:16,800

and wanting to to share their

1299

00:44:21,430 --> 00:44:18,960

information with us i mean man how much

1300

00:44:23,109 --> 00:44:21,440

more do you want in three years you know

1301

00:44:24,230 --> 00:44:23,119

so again forgive me for being a little

1302

00:44:25,990 --> 00:44:24,240

bit

1303

00:44:27,430 --> 00:44:26,000

you know testy about this

1304

00:44:29,190 --> 00:44:27,440

questions like that annoy you do you get

1305

00:44:30,710 --> 00:44:29,200

them frequently and you're tired of them

1306

00:44:32,630 --> 00:44:30,720

well you know what it's it's armchair

1307

00:44:34,069 --> 00:44:32,640

quarterbacking it's it's easy for people

1308

00:44:35,589 --> 00:44:34,079

to sit back i see it all the time on

1309

00:44:37,750 --> 00:44:35,599

social media just violate your nda

1310

00:44:39,589 --> 00:44:37,760

leader it's okay you you go to jail for

1311

00:44:42,309 --> 00:44:39,599

us it's okay but they're not willing to

1312

00:44:44,309 --> 00:44:42,319

do you know one-tenth of that sacrifice

1313

00:44:46,309 --> 00:44:44,319

for this effort if you ask them hey get

1314

00:44:48,470 --> 00:44:46,319

off your ass and go talk to your

1315

00:44:51,030 --> 00:44:48,480

congressman or you know start start

1316

00:44:52,390 --> 00:44:51,040

doing research and start going out and

1317

00:44:54,870 --> 00:44:52,400

and and

1318

00:44:57,829 --> 00:44:54,880

being a a force multiplier for this

1319

00:44:59,349 --> 00:44:57,839

effort they want i'm too tired i got too

1320

00:45:01,670 --> 00:44:59,359

much to go i'm too busy well i got my

1321

00:45:02,790 --> 00:45:01,680

family to take care of well so do i i'm

1322

00:45:04,950 --> 00:45:02,800

not different

1323

00:45:06,950 --> 00:45:04,960

why why am i being held to a different

1324

00:45:09,109 --> 00:45:06,960

standard why am i have to be you know

1325

00:45:11,510 --> 00:45:09,119

the person coming out there and just say

1326

00:45:13,829 --> 00:45:11,520

hell to everybody and wind up having to

1327

00:45:15,510 --> 00:45:13,839

go run and hide in some foreign country

1328

00:45:17,990 --> 00:45:15,520

and never come back to my country i love

1329

00:45:19,910 --> 00:45:18,000

my country by the way my non-disclosure

1330

00:45:22,309 --> 00:45:19,920

agreement i took was a promise i made to

1331

00:45:24,550 --> 00:45:22,319

the american people not my government

1332

00:45:25,670 --> 00:45:24,560

and so i think it's really disingenuous

1333

00:45:27,510 --> 00:45:25,680

to say well you can just break your

1334

00:45:29,910 --> 00:45:27,520

promise this time

1335

00:45:31,109 --> 00:45:29,920

to for the for the truth no i can't

1336

00:45:33,910 --> 00:45:31,119

that's why i said well you can cheat on

1337

00:45:35,589 --> 00:45:33,920

your wife this only this time or or you

1338

00:45:37,750 --> 00:45:35,599

know you can you can cheat on your

1339

00:45:39,270 --> 00:45:37,760

family this time it won't matter yes it

1340

00:45:40,870 --> 00:45:39,280

does matter every time matters it's a

1341

00:45:42,550 --> 00:45:40,880

promise that's what a promise is either

1342

00:45:44,309 --> 00:45:42,560

either you're a man of your word or a

1343

00:45:46,309 --> 00:45:44,319

woman of your word or you're not

1344

00:45:48,069 --> 00:45:46,319

otherwise they're called principles and

1345

00:45:50,230 --> 00:45:48,079

and people fight and die for those

1346

00:45:52,230 --> 00:45:50,240

principles and you know i've seen people

1347

00:45:53,510 --> 00:45:52,240

fight and die for those principles

1348

00:45:55,430 --> 00:45:53,520

you know they're not just something that

1349

00:45:56,630 --> 00:45:55,440

you conveniently throw around i promise

1350

00:45:58,309 --> 00:45:56,640

to do this and then really they don't

1351

00:45:59,190 --> 00:45:58,319

say no i don't really promise

1352

00:46:01,349 --> 00:45:59,200

you know

1353

00:46:02,550 --> 00:46:01,359

that's that's not the way promises work

1354

00:46:04,790 --> 00:46:02,560

those are the kind of people that don't

1355

00:46:06,390 --> 00:46:04,800

survive in combat because

1356

00:46:08,710 --> 00:46:06,400

people have your back

1357

00:46:10,950 --> 00:46:08,720

you know you you you swear an oath of an

1358

00:46:12,870 --> 00:46:10,960

allegiance to do the right thing that's

1359

00:46:14,870 --> 00:46:12,880

that's what this is about

1360

00:46:17,430 --> 00:46:14,880

you know i i don't understand people who

1361

00:46:18,470 --> 00:46:17,440

can just say hey go ahead and break your

1362

00:46:20,150 --> 00:46:18,480

promise

1363

00:46:21,190 --> 00:46:20,160

this one time

1364

00:46:22,870 --> 00:46:21,200

i mean

1365

00:46:25,190 --> 00:46:22,880

what are you talking about

1366

00:46:27,030 --> 00:46:25,200

you'd never trust me again i can't break

1367

00:46:29,109 --> 00:46:27,040

this one time because the one time i do

1368

00:46:30,870 --> 00:46:29,119

then i could do it a thousand times and

1369

00:46:31,910 --> 00:46:30,880

at that point i might as well throw in

1370

00:46:32,950 --> 00:46:31,920

the towel

1371

00:46:34,069 --> 00:46:32,960

so

1372

00:46:36,069 --> 00:46:34,079

anyways

1373

00:46:37,510 --> 00:46:36,079

let me let me push back i'm like i'm on

1374

00:46:39,829 --> 00:46:37,520

your account i'm on your side man so let

1375

00:46:41,750 --> 00:46:39,839

me just be friendly and push back

1376
00:46:43,510 --> 00:46:41,760
with regard to breaking a promise to me

1377
00:46:45,030 --> 00:46:43,520
this seems like the difference between

1378
00:46:47,670 --> 00:46:45,040
as jesus said the spirit of the law

1379
00:46:49,430 --> 00:46:47,680
versus the text of the law so do you

1380
00:46:50,309 --> 00:46:49,440
see an obligation to the spirit of the

1381
00:46:51,910 --> 00:46:50,319
law

1382
00:46:53,990 --> 00:46:51,920
rather than the text so the text says

1383
00:46:55,670 --> 00:46:54,000
you have to obey this promise well he

1384
00:46:57,510 --> 00:46:55,680
also said follow the law of the land too

1385
00:46:59,430 --> 00:46:57,520
didn't he and so you know the law of the

1386
00:47:01,349 --> 00:46:59,440
land here is that he took an oath and a

1387
00:47:03,510 --> 00:47:01,359
promise to the american people and i'm

1388
00:47:05,510 --> 00:47:03,520

not going to violate that promise

1389

00:47:06,950 --> 00:47:05,520

it's you can't break a promise to

1390

00:47:08,470 --> 00:47:06,960

fulfill a promise

1391

00:47:09,589 --> 00:47:08,480

it doesn't work that way please let me

1392

00:47:10,550 --> 00:47:09,599

push back

1393

00:47:11,829 --> 00:47:10,560

gently

1394

00:47:12,790 --> 00:47:11,839

okay

1395

00:47:16,550 --> 00:47:12,800

this is something i've been thinking

1396

00:47:18,870 --> 00:47:16,560

about sometimes trust needs to be broken

1397

00:47:20,549 --> 00:47:18,880

in order for it to be regained in the

1398

00:47:23,349 --> 00:47:20,559

long term stronger so for example you

1399

00:47:25,270 --> 00:47:23,359

mentioned cheating on a spouse sometimes

1400

00:47:27,270 --> 00:47:25,280

one has to come clean and say i did

1401
00:47:28,950 --> 00:47:27,280
cheat in order for the relationship to

1402
00:47:30,309 --> 00:47:28,960
eventually be repaired even though that

1403
00:47:31,750 --> 00:47:30,319
in the short run is going to be far

1404
00:47:33,030 --> 00:47:31,760
worse

1405
00:47:35,109 --> 00:47:33,040
wouldn't it be better not to cheat at

1406
00:47:36,710 --> 00:47:35,119
all and not have to do that

1407
00:47:38,870 --> 00:47:36,720
yeah you're right

1408
00:47:41,030 --> 00:47:38,880
you need to if you cheat you need to you

1409
00:47:42,710 --> 00:47:41,040
need to admit you cheated but but isn't

1410
00:47:44,230 --> 00:47:42,720
it better just not to cheat and you

1411
00:47:45,990 --> 00:47:44,240
don't have to worry about that

1412
00:47:48,630 --> 00:47:46,000
i agree okay so in this analogy in this

1413
00:47:50,069 --> 00:47:48,640

analogy the cheating would be let's say

1414

00:47:52,470 --> 00:47:50,079

let's say you had some piece of

1415

00:47:54,390 --> 00:47:52,480

information that says that our world is

1416

00:47:55,430 --> 00:47:54,400

vastly different and potentially even

1417

00:47:57,270 --> 00:47:55,440

dangerous

1418

00:47:59,109 --> 00:47:57,280

or wasteful on behalf of the government

1419

00:48:02,470 --> 00:47:59,119

do you see a sense of duty to the

1420

00:48:03,990 --> 00:48:02,480

citizens to break your oath

1421

00:48:05,510 --> 00:48:04,000

i know you say that it's the oath with

1422

00:48:07,030 --> 00:48:05,520

the citizens themselves but you

1423

00:48:08,950 --> 00:48:07,040

understand where i'm going with this but

1424

00:48:11,190 --> 00:48:08,960

you don't have to there are mechanisms

1425

00:48:13,990 --> 00:48:11,200

in place that that you don't have to

1426

00:48:15,190 --> 00:48:14,000

break that oath to fulfill a promise

1427

00:48:16,790 --> 00:48:15,200

that's what i'm trying to say here it's

1428

00:48:18,230 --> 00:48:16,800

not either or

1429

00:48:20,470 --> 00:48:18,240

it just takes more time by the way it's

1430

00:48:22,630 --> 00:48:20,480

a lot more yeah it takes more time

1431

00:48:24,950 --> 00:48:22,640

but but it's the right way to do it

1432

00:48:29,030 --> 00:48:24,960

that's that's that is the correct way to

1433

00:48:31,030 --> 00:48:29,040

do it than just going ahead and and you

1434

00:48:32,950 --> 00:48:31,040

know i i i can't i won't be able to live

1435

00:48:34,870 --> 00:48:32,960

with myself doing that no one will ever

1436

00:48:36,390 --> 00:48:34,880

take me seriously again nobody could

1437

00:48:38,630 --> 00:48:36,400

ever trust me if i break that promise

1438

00:48:39,510 --> 00:48:38,640

just that one time that's not the way it

1439

00:48:41,270 --> 00:48:39,520

works

1440

00:48:43,589 --> 00:48:41,280

so you know i i think the proof is in

1441

00:48:44,950 --> 00:48:43,599

the pudding and you know honestly i'm

1442

00:48:46,710 --> 00:48:44,960

look otherwise i'm not gonna break it so

1443

00:48:48,790 --> 00:48:46,720

people can keep asking me all day long

1444

00:48:50,150 --> 00:48:48,800

and they're they're wasting their oxygen

1445

00:48:52,230 --> 00:48:50,160

because i'm not going to break that

1446

00:48:54,549 --> 00:48:52,240

promise i will not violate my

1447

00:48:56,150 --> 00:48:54,559

non-dispute disclosure agreement got it

1448

00:48:57,750 --> 00:48:56,160

and by the way i'll tell you if it comes

1449

00:48:59,190 --> 00:48:57,760

to the point where i have to actually

1450

00:49:01,750 --> 00:48:59,200

stop doing this

1451

00:49:03,510 --> 00:49:01,760

to maintain my promise i will

1452

00:49:05,910 --> 00:49:03,520

i will disappear you'll never hear from

1453

00:49:08,309 --> 00:49:05,920

lou again if the option in between comes

1454

00:49:10,390 --> 00:49:08,319

down to me having to speak or having to

1455

00:49:12,230 --> 00:49:10,400

and break my promise or being quiet i

1456

00:49:14,150 --> 00:49:12,240

will be quiet i will not break my

1457

00:49:16,870 --> 00:49:14,160

promise and if people can't accept that

1458

00:49:18,069 --> 00:49:16,880

then you know fi talk to somebody else i

1459

00:49:19,750 --> 00:49:18,079

don't know what to tell you well i'm

1460

00:49:21,510 --> 00:49:19,760

grateful that you're not quite right now

1461

00:49:24,069 --> 00:49:21,520

and thank you for speaking with me

1462

00:49:25,670 --> 00:49:24,079

lonesome space cowboy asks i just have

1463

00:49:27,430 --> 00:49:25,680

one question pretty subjective but i'd

1464

00:49:29,670 --> 00:49:27,440

like to hear his take if the general

1465

00:49:31,910 --> 00:49:29,680

public knew and saw what lewis knows and

1466

00:49:33,829 --> 00:49:31,920

has seen what would the world look like

1467

00:49:36,069 --> 00:49:33,839

for the next week after that how would

1468

00:49:37,910 --> 00:49:36,079

the public react so this is you can

1469

00:49:40,630 --> 00:49:37,920

surmise

1470

00:49:40,640 --> 00:49:45,670

what a thoughtful question um

1471

00:49:52,150 --> 00:49:48,710

boy i have no idea kurt that that that's

1472

00:49:55,589 --> 00:49:53,910

i would need to think about that okay we

1473

00:49:56,790 --> 00:49:55,599

can get back to that question

1474

00:49:58,390 --> 00:49:56,800

oh yeah i mean that's such a good

1475

00:49:59,910 --> 00:49:58,400

question i don't i don't want to just

1476

00:50:02,470 --> 00:49:59,920

throw out an answer

1477

00:50:04,150 --> 00:50:02,480

right i i want to think about that and i

1478

00:50:06,150 --> 00:50:04,160

might need i might need even a little

1479

00:50:08,309 --> 00:50:06,160

bit more time i will for sure get back

1480

00:50:10,230 --> 00:50:08,319

to you on that but um

1481

00:50:12,069 --> 00:50:10,240

that's going to take some thought

1482

00:50:13,270 --> 00:50:12,079

great great

1483

00:50:16,069 --> 00:50:13,280

i'm going to take a question from the

1484

00:50:17,589 --> 00:50:16,079

audience so jenshin says tom delong says

1485

00:50:19,990 --> 00:50:17,599

that the occupants of the uaps are

1486

00:50:23,349 --> 00:50:20,000

called the others in quotation

1487

00:50:24,829 --> 00:50:23,359

do you know anything about this

1488

00:50:26,630 --> 00:50:24,839

that's what you want to name

1489

00:50:27,430 --> 00:50:26,640

them but

1490

00:50:29,670 --> 00:50:27,440

i got

1491

00:50:31,270 --> 00:50:29,680

my german shepherd is named hercules you

1492

00:50:32,470 --> 00:50:31,280

know but you can call them whatever you

1493

00:50:33,750 --> 00:50:32,480

want i mean

1494

00:50:35,190 --> 00:50:33,760

it's a name right

1495

00:50:38,230 --> 00:50:35,200

you can

1496

00:50:40,390 --> 00:50:38,240

is he calling him the others do the

1497

00:50:42,790 --> 00:50:40,400

others call themselves others or

1498

00:50:43,750 --> 00:50:42,800

you know it

1499

00:50:45,829 --> 00:50:43,760

it

1500

00:50:47,990 --> 00:50:45,839

i i would probably ask tom that question

1501
00:50:49,589 --> 00:50:48,000
i i i

1502
00:50:51,030 --> 00:50:49,599
here's something i heard when i was

1503
00:50:53,190 --> 00:50:51,040
looking up some interviews with bob

1504
00:50:54,710 --> 00:50:53,200
lazar that the aliens refer to us as

1505
00:50:56,549 --> 00:50:54,720
containers or at least he read that he

1506
00:50:58,069 --> 00:50:56,559
can't substantiate it

1507
00:50:59,430 --> 00:50:58,079
have you heard this and what do you make

1508
00:51:01,030 --> 00:50:59,440
of it

1509
00:51:02,790 --> 00:51:01,040
not a clue and

1510
00:51:03,829 --> 00:51:02,800
who was that you said was that bob lazar

1511
00:51:06,069 --> 00:51:03,839
you said

1512
00:51:07,910 --> 00:51:06,079
yeah i i can't speak for mr lazar i

1513
00:51:08,790 --> 00:51:07,920

never met the man don't know he was not

1514

00:51:09,750 --> 00:51:08,800

part of the

1515

00:51:11,670 --> 00:51:09,760

effort

1516

00:51:13,349 --> 00:51:11,680

and therefore i can't i can't expound

1517

00:51:15,670 --> 00:51:13,359

upon that i wouldn't even know where to

1518

00:51:17,829 --> 00:51:15,680

begin with that i have no idea

1519

00:51:19,349 --> 00:51:17,839

between you and i this is like a foray

1520

00:51:20,710 --> 00:51:19,359

for me because my background is in

1521

00:51:23,030 --> 00:51:20,720

physics and math

1522

00:51:24,950 --> 00:51:23,040

and i had no idea that people were so

1523

00:51:27,829 --> 00:51:24,960

divisive when it comes to bob lazar and

1524

00:51:29,670 --> 00:51:27,839

just individuals in this ufo community

1525

00:51:31,030 --> 00:51:29,680

in general that if you say you believe

1526

00:51:32,230 --> 00:51:31,040

them then you're ostracized or if you

1527

00:51:35,510 --> 00:51:32,240

say that you don't believe them you're

1528

00:51:38,069 --> 00:51:35,520

also ostracized by a certain subset

1529

00:51:39,589 --> 00:51:38,079

do you have views on bob lazar whether

1530

00:51:41,190 --> 00:51:39,599

you find him incredible

1531

00:51:43,349 --> 00:51:41,200

i've never met him i don't know his

1532

00:51:46,069 --> 00:51:43,359

background i don't know his story i do

1533

00:51:48,790 --> 00:51:46,079

know george knapp he's very credible uh

1534

00:51:50,790 --> 00:51:48,800

i i don't know anything more than i

1535

00:51:53,270 --> 00:51:50,800

guess george knapp had may have helped

1536

00:51:55,190 --> 00:51:53,280

break the story at one point um but i i

1537

00:51:57,190 --> 00:51:55,200

don't know mr lazar and out of due

1538

00:51:58,069 --> 00:51:57,200

respect for mr lazar and his family and

1539

00:52:02,630 --> 00:51:58,079

those

1540

00:52:05,030 --> 00:52:02,640

um i i don't have a comment you know

1541

00:52:06,230 --> 00:52:05,040

it's it's that's part of the problem

1542

00:52:09,349 --> 00:52:06,240

people

1543

00:52:11,190 --> 00:52:09,359

instead of what they know and so when

1544

00:52:13,670 --> 00:52:11,200

you mention someone like that

1545

00:52:16,390 --> 00:52:13,680

uh people automatically you know well i

1546

00:52:18,630 --> 00:52:16,400

think this i think that well okay i

1547

00:52:20,549 --> 00:52:18,640

respect that but the question is what do

1548

00:52:22,710 --> 00:52:20,559

we know and right now i don't know a

1549

00:52:24,470 --> 00:52:22,720

whole lot about mr bazar so it's it's

1550

00:52:26,390 --> 00:52:24,480

not fair for me to really

1551
00:52:28,390 --> 00:52:26,400
provide any any type of opinion one way

1552
00:52:29,589 --> 00:52:28,400
or the other

1553
00:52:31,510 --> 00:52:29,599
you're watching this channel because

1554
00:52:33,270 --> 00:52:31,520
you're interested in theoretical physics

1555
00:52:34,710 --> 00:52:33,280
consciousness and the ostensible

1556
00:52:36,150 --> 00:52:34,720
connection between the two what's

1557
00:52:38,230 --> 00:52:36,160
required to follow some of these

1558
00:52:40,470 --> 00:52:38,240
arguments is facility with mathematics

1559
00:52:42,230 --> 00:52:40,480
as well as discernment of the underlying

1560
00:52:43,990 --> 00:52:42,240
physical laws and you may think that

1561
00:52:46,309 --> 00:52:44,000
this is beyond you but that's false

1562
00:52:48,710 --> 00:52:46,319
brilliant provides pelucid explanations

1563
00:52:50,950 --> 00:52:48,720

of abstruse phenomenon such as quantum

1564

00:52:52,470 --> 00:52:50,960

computing general relativity and even

1565

00:52:54,870 --> 00:52:52,480

group theory when you hear that the

1566

00:52:56,950 --> 00:52:54,880

standard model is based on u_1 cross su_2

1567

00:52:58,549 --> 00:52:56,960

cross su_3 that's group theory for

1568

00:53:01,030 --> 00:52:58,559

example now this isn't just for

1569

00:53:02,710 --> 00:53:01,040

neophytes either for example i have a

1570

00:53:04,710 --> 00:53:02,720

degree in math and physics and i still

1571

00:53:06,710 --> 00:53:04,720

found some of the intuitions given in

1572

00:53:08,790 --> 00:53:06,720

these lessons to vastly aid my

1573

00:53:10,710 --> 00:53:08,800

penetration into these subjects for

1574

00:53:12,790 --> 00:53:10,720

example electricity and magnetism sign

1575

00:53:15,910 --> 00:53:12,800

up today at brilliant.org

1576

00:53:17,750 --> 00:53:15,920

toe that is t-o-e for free you'll also

1577

00:53:19,829 --> 00:53:17,760

get 20 off the annual premium

1578

00:53:22,630 --> 00:53:19,839

subscription try four of the lessons at

1579

00:53:24,790 --> 00:53:22,640

least don't stop before four and i think

1580

00:53:26,390 --> 00:53:24,800

you'll be greatly surprised at the ease

1581

00:53:28,630 --> 00:53:26,400

at which you comprehend subjects you

1582

00:53:31,030 --> 00:53:28,640

previously had trouble grocking links

1583

00:53:33,270 --> 00:53:31,040

are in the description

1584

00:53:35,270 --> 00:53:33,280

pulsating shadow asks how frequently do

1585

00:53:37,030 --> 00:53:35,280

abductions happen among civilians

1586

00:53:38,710 --> 00:53:37,040

military personnel and is there

1587

00:53:40,870 --> 00:53:38,720

substance to the rumor of human

1588

00:53:43,430 --> 00:53:40,880

mutilation i also want to ask you about

1589

00:53:45,990 --> 00:53:43,440

cattle mutilation at some point but

1590

00:53:48,710 --> 00:53:46,000

that's that um

1591

00:53:51,910 --> 00:53:48,720

well uh you know abductions is something

1592

00:53:55,349 --> 00:53:53,510

because it's again too subjective we're

1593

00:53:58,309 --> 00:53:55,359

relying on the human being

1594

00:53:59,910 --> 00:53:58,319

to give us data uh with without anything

1595

00:54:02,549 --> 00:53:59,920

else really substantiating that other

1596

00:54:03,430 --> 00:54:02,559

like unlike radar data and gun camera

1597

00:54:05,910 --> 00:54:03,440

footage

1598

00:54:07,750 --> 00:54:05,920

um i'm aware of a lot of those reports

1599

00:54:11,109 --> 00:54:07,760

but but i don't have a comment either

1600

00:54:12,630 --> 00:54:11,119

way i simply don't know um and as

1601

00:54:14,309 --> 00:54:12,640

interesting as it may be it's not it

1602

00:54:16,710 --> 00:54:14,319

wasn't overly helpful

1603

00:54:18,630 --> 00:54:16,720

to the perspective of of our efforts

1604

00:54:19,990 --> 00:54:18,640

native to to the specific calculus we

1605

00:54:21,190 --> 00:54:20,000

were working on remember what is it and

1606

00:54:22,309 --> 00:54:21,200

how does it work

1607

00:54:25,670 --> 00:54:22,319

um

1608

00:54:26,950 --> 00:54:25,680

that really didn't come into play

1609

00:54:29,510 --> 00:54:26,960

now as far as

1610

00:54:31,670 --> 00:54:29,520

human mutilation um that's another topic

1611

00:54:34,230 --> 00:54:31,680

that i'm completely unqualified

1612

00:54:36,870 --> 00:54:34,240

to to to discuss because i simply don't

1613

00:54:38,390 --> 00:54:36,880

know um certainly if that is the case

1614

00:54:40,630 --> 00:54:38,400

then then we are dealing with a

1615

00:54:42,150 --> 00:54:40,640

potential threat possibly hostile intent

1616

00:54:44,390 --> 00:54:42,160

because from where i come from as a

1617

00:54:45,990 --> 00:54:44,400

former investigator and special agent

1618

00:54:48,549 --> 00:54:46,000

that's a crime first of all it's called

1619

00:54:51,589 --> 00:54:48,559

kidnapping second of call second of all

1620

00:54:53,349 --> 00:54:51,599

is called assault uh you know and and

1621

00:54:54,870 --> 00:54:53,359

third of all that may even be

1622

00:54:56,470 --> 00:54:54,880

in an extreme case it could be

1623

00:54:59,829 --> 00:54:56,480

considered you know first-degree

1624

00:55:02,309 --> 00:54:59,839

premeditated murder so you know i i i

1625

00:55:04,390 --> 00:55:02,319

don't know anything about that really um

1626
00:55:05,670 --> 00:55:04,400
you know i am aware of the cattle

1627
00:55:07,829 --> 00:55:05,680
mutilations a little bit more because

1628
00:55:09,109 --> 00:55:07,839
i've spoken to some veterinarians and

1629
00:55:10,309 --> 00:55:09,119
some doctors

1630
00:55:11,589 --> 00:55:10,319
um

1631
00:55:13,589 --> 00:55:11,599
you know there's a lot of prosaic

1632
00:55:15,670 --> 00:55:13,599
explanations i think it's fascinating

1633
00:55:18,230 --> 00:55:15,680
it's interesting

1634
00:55:21,109 --> 00:55:18,240
but i'm not a certified medical doctor

1635
00:55:22,630 --> 00:55:21,119
nor coroner so i can't i can't look at a

1636
00:55:23,990 --> 00:55:22,640
cadaver of a

1637
00:55:26,710 --> 00:55:24,000
bovine of

1638
00:55:28,789 --> 00:55:26,720

a cow and say uh the lips were removed

1639

00:55:31,670 --> 00:55:28,799

with a surgical precision without any

1640

00:55:33,829 --> 00:55:31,680

type of heat ablation or authorization

1641

00:55:36,789 --> 00:55:33,839

uh and yet you know it was it was a

1642

00:55:38,309 --> 00:55:36,799

perfect clean cut there's no bleeding i

1643

00:55:40,150 --> 00:55:38,319

i don't know what can cause that i don't

1644

00:55:42,549 --> 00:55:40,160

know if there's a natural process i can

1645

00:55:44,789 --> 00:55:42,559

explain that i haven't seen one but

1646

00:55:47,510 --> 00:55:44,799

maybe there is could it be predatory

1647

00:55:49,430 --> 00:55:47,520

behavior of coyotes uh eating that part

1648

00:55:52,549 --> 00:55:49,440

of the meat that is

1649

00:55:55,109 --> 00:55:52,559

most rich in nutrients are accessible

1650

00:55:56,789 --> 00:55:55,119

i i don't i don't know the answer um or

1651
00:55:58,150 --> 00:55:56,799
is it something else you know there's

1652
00:55:58,950 --> 00:55:58,160
there's a lot of people who say there's

1653
00:56:01,349 --> 00:55:58,960
there's

1654
00:56:03,990 --> 00:56:01,359
perhaps something else to it

1655
00:56:06,470 --> 00:56:04,000
again i i don't really know

1656
00:56:08,069 --> 00:56:06,480
this one comes from lady schar reacts mr

1657
00:56:09,510 --> 00:56:08,079
elizondo do you think there was another

1658
00:56:11,750 --> 00:56:09,520
craft under the water but that was

1659
00:56:14,150 --> 00:56:11,760
causing the uap disturbance that

1660
00:56:15,910 --> 00:56:14,160
commander fravor reported

1661
00:56:17,270 --> 00:56:15,920
great question that's exactly what we're

1662
00:56:18,470 --> 00:56:17,280
trying to figure out what there's some

1663
00:56:20,390 --> 00:56:18,480

other stories that are going to come to

1664

00:56:22,069 --> 00:56:20,400

light from other incidents that are

1665

00:56:24,630 --> 00:56:22,079

going to be i think fairly riveting when

1666

00:56:26,069 --> 00:56:24,640

people find out uh you know

1667

00:56:27,829 --> 00:56:26,079

that

1668

00:56:29,190 --> 00:56:27,839

what's occurred uh

1669

00:56:30,470 --> 00:56:29,200

in and around some of our military

1670

00:56:31,589 --> 00:56:30,480

operations

1671

00:56:33,030 --> 00:56:31,599

um

1672

00:56:34,710 --> 00:56:33,040

it's it's possible there could be

1673

00:56:35,990 --> 00:56:34,720

something underneath the water it could

1674

00:56:38,390 --> 00:56:36,000

also be

1675

00:56:40,870 --> 00:56:38,400

a uh like i said a reaction to the to

1676

00:56:43,030 --> 00:56:40,880

the technology being employed uh by

1677

00:56:45,910 --> 00:56:43,040

whatever on top of the water we we don't

1678

00:56:47,589 --> 00:56:45,920

know yet um i think we're getting

1679

00:56:49,349 --> 00:56:47,599

a little bit closer to answering that of

1680

00:56:50,309 --> 00:56:49,359

course if we can get some some sonar

1681

00:56:52,710 --> 00:56:50,319

data

1682

00:56:54,230 --> 00:56:52,720

uh to validate maybe there's some

1683

00:56:55,990 --> 00:56:54,240

something in the water at the same time

1684

00:56:57,670 --> 00:56:56,000

as we see something in the air that

1685

00:56:59,109 --> 00:56:57,680

would be very helpful in substantiating

1686

00:57:02,150 --> 00:56:59,119

that

1687

00:57:04,630 --> 00:57:02,160

amjad hussain who actually sponsors the

1688

00:57:07,589 --> 00:57:04,640

podcast with his company algo

1689

00:57:10,069 --> 00:57:07,599

asks are any alien bodies in possession

1690

00:57:12,470 --> 00:57:10,079

of the us government

1691

00:57:13,750 --> 00:57:12,480

so mr hussein again great question uh

1692

00:57:15,030 --> 00:57:13,760

it's a question a lot of people want to

1693

00:57:16,950 --> 00:57:15,040

know and it's a question that i can't

1694

00:57:17,750 --> 00:57:16,960

answer because i i haven't been privy to

1695

00:57:19,030 --> 00:57:17,760

that

1696

00:57:21,750 --> 00:57:19,040

i do not know if there's any type of

1697

00:57:23,910 --> 00:57:21,760

biological organisms that uh that are in

1698

00:57:25,190 --> 00:57:23,920

possession of the us government i i do

1699

00:57:26,470 --> 00:57:25,200

believe as i've said before for the

1700

00:57:27,510 --> 00:57:26,480

record that we are in possession of

1701

00:57:29,190 --> 00:57:27,520

material

1702

00:57:30,230 --> 00:57:29,200

and we'll go i will elaborate into more

1703

00:57:31,270 --> 00:57:30,240

than that

1704

00:57:32,950 --> 00:57:31,280

um

1705

00:57:35,349 --> 00:57:32,960

but as far as having biological

1706

00:57:36,950 --> 00:57:35,359

specimens it's something that i i can't

1707

00:57:38,309 --> 00:57:36,960

answer and i don't want to mislead

1708

00:57:40,069 --> 00:57:38,319

anybody i don't want to say

1709

00:57:43,829 --> 00:57:40,079

i think because it doesn't matter what i

1710

00:57:44,630 --> 00:57:43,839

think what matters is what the facts say

1711

00:57:50,309 --> 00:57:44,640

so

1712

00:57:52,710 --> 00:57:50,319

much i've been burning the midnight oil

1713

00:57:54,549 --> 00:57:52,720

man so i do apologize well

1714

00:57:56,870 --> 00:57:54,559

i know you have a hugely busy schedule

1715

00:57:59,349 --> 00:57:56,880

and so even for a modicum of your time

1716

00:58:01,030 --> 00:57:59,359

i'm immensely grateful and personally

1717

00:58:03,349 --> 00:58:01,040

i'm curious if

1718

00:58:05,670 --> 00:58:03,359

what's going on at skinwalker did atip

1719

00:58:07,829 --> 00:58:05,680

study that and

1720

00:58:10,309 --> 00:58:07,839

i know you don't like to espouse but

1721

00:58:12,150 --> 00:58:10,319

what do you what do you think is going

1722

00:58:13,829 --> 00:58:12,160

on there

1723

00:58:15,750 --> 00:58:13,839

sub question let me say before i forget

1724

00:58:17,109 --> 00:58:15,760

it and then i wanted to know what is

1725

00:58:18,789 --> 00:58:17,119

there a connection between bigfoot and

1726

00:58:20,390 --> 00:58:18,799

ufos because there seems to be a

1727

00:58:22,069 --> 00:58:20,400

confluence of that at skinwalker at

1728

00:58:23,910 --> 00:58:22,079

least

1729

00:58:25,670 --> 00:58:23,920

so uh

1730

00:58:27,589 --> 00:58:25,680

i i worked with colleagues that were

1731

00:58:29,030 --> 00:58:27,599

focused on the awesome and the skin

1732

00:58:30,710 --> 00:58:29,040

walker

1733

00:58:33,750 --> 00:58:30,720

phenomena

1734

00:58:36,150 --> 00:58:33,760

what i what i can say is that they are

1735

00:58:37,670 --> 00:58:36,160

very convinced and and i think i am too

1736

00:58:39,589 --> 00:58:37,680

that there are things that probably go

1737

00:58:42,710 --> 00:58:39,599

bump in the night that probably need

1738

00:58:44,549 --> 00:58:42,720

further explanation uh but but that is

1739

00:58:46,470 --> 00:58:44,559

that was not my portfolio and i don't

1740

00:58:48,870 --> 00:58:46,480

want to speak to that because i simply

1741

00:58:50,710 --> 00:58:48,880

don't know um that was done at a time

1742

00:58:53,670 --> 00:58:50,720

with with the tremendous efforts of mr

1743

00:58:56,789 --> 00:58:53,680

bigelow and and the former director uh

1744

00:58:59,109 --> 00:58:56,799

asap director uh and a lot of folks uh

1745

00:59:00,549 --> 00:58:59,119

from from bigelow aerospace

1746

00:59:02,470 --> 00:59:00,559

and you know the data was very

1747

00:59:04,069 --> 00:59:02,480

compelling i'll say that it was

1748

00:59:06,069 --> 00:59:04,079

absolutely compelling and i think mr

1749

00:59:07,670 --> 00:59:06,079

brandon fogle now and others have

1750

00:59:10,470 --> 00:59:07,680

recognized

1751

00:59:12,549 --> 00:59:10,480

the validity of some of that data um

1752

00:59:14,150 --> 00:59:12,559

but uh that's that's all i'm prepared to

1753

00:59:16,230 --> 00:59:14,160

say about that as far as bigfoot i'm

1754

00:59:18,230 --> 00:59:16,240

gonna share something with you and i

1755

00:59:19,750 --> 00:59:18,240

hope i hope that this doesn't turn

1756

00:59:23,589 --> 00:59:19,760

anybody off

1757

00:59:28,789 --> 00:59:25,990

um i had the great honor and privilege

1758

00:59:30,950 --> 00:59:28,799

of speaking with some people from the

1759

00:59:32,870 --> 00:59:30,960

first nations saskatchewan indigenous

1760

00:59:35,990 --> 00:59:32,880

people uh

1761

00:59:38,789 --> 00:59:36,000

the lakota and dakota bands

1762

00:59:42,150 --> 00:59:38,799

these are individuals who are fiercely

1763

00:59:43,670 --> 00:59:42,160

proud uh have an incredible heritage

1764

00:59:45,990 --> 00:59:43,680

and um

1765

00:59:49,589 --> 00:59:46,000

have nearly ten thousand years of oral

1766

00:59:50,950 --> 00:59:49,599

tradition okay in in this continent

1767

00:59:53,589 --> 00:59:50,960

uh and they have an incredible

1768

00:59:57,190 --> 00:59:53,599

connection to the land and uh i was

1769

00:59:58,630 --> 00:59:57,200

asked by by someone there uh and i'm not

1770

01:00:00,549 --> 00:59:58,640

going to say who it was but a very

1771

01:00:03,910 --> 01:00:00,559

senior individual who was associated

1772

01:00:05,349 --> 01:00:03,920

with the first nations people

1773

01:00:07,270 --> 01:00:05,359

and he asked me he said i want to ask

1774

01:00:09,589 --> 01:00:07,280

you a question lou have you ever seen

1775

01:00:11,510 --> 01:00:09,599

sasquatch

1776

01:00:12,710 --> 01:00:11,520

i said

1777

01:00:14,150 --> 01:00:12,720

no sir

1778

01:00:15,910 --> 01:00:14,160

so i'm going to ask you one more time

1779

01:00:17,270 --> 01:00:15,920

are you sure you've never seen sasquatch

1780

01:00:18,789 --> 01:00:17,280

sir

1781

01:00:19,990 --> 01:00:18,799

i've never seen scene scout for

1782

01:00:22,230 --> 01:00:20,000

sasquatch

1783

01:00:24,390 --> 01:00:22,240

and he said well that's good

1784

01:00:27,190 --> 01:00:24,400

because from my people's perspective

1785

01:00:28,710 --> 01:00:27,200

sasquatch is a spirit that protects our

1786

01:00:31,030 --> 01:00:28,720

women and children

1787

01:00:33,109 --> 01:00:31,040

and a spirit of the forest and if you

1788

01:00:35,109 --> 01:00:33,119

see a man see sasquatch it means your

1789

01:00:37,670 --> 01:00:35,119

heart isn't pure

1790

01:00:40,069 --> 01:00:37,680

and i wasn't prepared for that i was

1791

01:00:40,829 --> 01:00:40,079

like holy smokes you're glad i haven't

1792

01:00:43,510 --> 01:00:40,839

seen

1793

01:00:46,390 --> 01:00:43,520

sasquatch uh interesting but yeah that

1794

01:00:48,309 --> 01:00:46,400

was their their was their take uh very

1795

01:00:49,910 --> 01:00:48,319

very interesting but who among us have

1796

01:00:51,510 --> 01:00:49,920

pure hearts

1797

01:00:52,870 --> 01:00:51,520

well that's that's a whole other

1798

01:00:55,030 --> 01:00:52,880

question right i don't think any of us

1799

01:00:57,589 --> 01:00:55,040

really do have pure hearts but but the

1800

01:01:00,789 --> 01:00:57,599

fact that that they see it that way

1801
01:01:03,109 --> 01:01:00,799
uh i found very very interesting um it's

1802
01:01:04,789 --> 01:01:03,119
it's very unique perspective and i think

1803
01:01:05,829 --> 01:01:04,799
if anybody has a

1804
01:01:09,430 --> 01:01:05,839
has a

1805
01:01:11,270 --> 01:01:09,440
sasquatch it's certainly indigenous

1806
01:01:13,910 --> 01:01:11,280
people

1807
01:01:15,270 --> 01:01:13,920
so i i found that again i i can't tell

1808
01:01:17,589 --> 01:01:15,280
you whether or not that's true i can

1809
01:01:19,109 --> 01:01:17,599
just tell you what was told to me

1810
01:01:20,870 --> 01:01:19,119
but um

1811
01:01:22,950 --> 01:01:20,880
you know there you have it as for

1812
01:01:24,549 --> 01:01:22,960
skinwalker in general you just think

1813
01:01:25,750 --> 01:01:24,559

your statement is there is something

1814

01:01:28,309 --> 01:01:25,760

that's going bump in the night or you

1815

01:01:33,510 --> 01:01:29,910

nothing more can be said about that i'm

1816

01:01:39,829 --> 01:01:38,069

you know uh current at some point

1817

01:01:41,990 --> 01:01:39,839

more is to be revealed

1818

01:01:43,589 --> 01:01:42,000

yeah you know i it's

1819

01:01:46,870 --> 01:01:43,599

i i don't want to go down any rabbit

1820

01:01:49,030 --> 01:01:46,880

holes prematurely um

1821

01:01:52,789 --> 01:01:49,040

you know this this is a very

1822

01:01:54,789 --> 01:01:52,799

this is a very complex universe we live

1823

01:01:56,230 --> 01:01:54,799

and it's a system

1824

01:01:58,630 --> 01:01:56,240

and uh

1825

01:02:01,829 --> 01:01:58,640

we're learning more and more about the

1826

01:02:04,069 --> 01:02:01,839

reality of life and

1827

01:02:06,710 --> 01:02:04,079

the transition of what birth means in

1828

01:02:08,630 --> 01:02:06,720

the transition of what death means

1829

01:02:11,910 --> 01:02:08,640

and uh you know

1830

01:02:13,029 --> 01:02:11,920

human consciousness and human spirit

1831

01:02:15,910 --> 01:02:13,039

um

1832

01:02:17,670 --> 01:02:15,920

and you know suffice it to say i

1833

01:02:21,190 --> 01:02:17,680

we we probably really don't have a very

1834

01:02:23,750 --> 01:02:21,200

good handle right now on understanding

1835

01:02:24,950 --> 01:02:23,760

um what lies beyond our five senses i've

1836

01:02:27,190 --> 01:02:24,960

said this before we have five

1837

01:02:28,870 --> 01:02:27,200

fundamental senses for which we we judge

1838

01:02:30,309 --> 01:02:28,880

our environment and if you can't touch

1839

01:02:31,750 --> 01:02:30,319

it taste it here and smell it or you

1840

01:02:33,190 --> 01:02:31,760

know feel whatever

1841

01:02:35,109 --> 01:02:33,200

uh it

1842

01:02:37,510 --> 01:02:35,119

it doesn't exist and yet the reality is

1843

01:02:39,990 --> 01:02:37,520

99.9 of the universe

1844

01:02:42,069 --> 01:02:40,000

lies well beyond our our ability to

1845

01:02:43,510 --> 01:02:42,079

sense these things we have wi-fi signals

1846

01:02:45,029 --> 01:02:43,520

coursing through your body every moment

1847

01:02:46,870 --> 01:02:45,039

of every day we have cosmic radiation

1848

01:02:48,390 --> 01:02:46,880

coming from the cosmos we've got

1849

01:02:49,910 --> 01:02:48,400

neutrinos that are flooding your body

1850

01:02:51,670 --> 01:02:49,920

from the sun and we've got cellular

1851

01:02:53,829 --> 01:02:51,680

signals and radar signatures

1852

01:02:55,109 --> 01:02:53,839

the local airport and all these are real

1853

01:02:56,470 --> 01:02:55,119

and i tell people if you want to know

1854

01:02:57,990 --> 01:02:56,480

the reality of the universe look at the

1855

01:02:59,990 --> 01:02:58,000

night sky one night and look how pretty

1856

01:03:01,510 --> 01:03:00,000

it is now take a radio telescope and

1857

01:03:03,190 --> 01:03:01,520

look at that same night sky look at it

1858

01:03:04,950 --> 01:03:03,200

through infrared look at it through

1859

01:03:06,870 --> 01:03:04,960

ultraviolet and you're going to see

1860

01:03:10,789 --> 01:03:06,880

things you've never seen before

1861

01:03:12,470 --> 01:03:10,799

and so by definition 99 of our our noble

1862

01:03:13,589 --> 01:03:12,480

universe we can't even perceive and then

1863

01:03:15,670 --> 01:03:13,599

when you look at the scale of the

1864

01:03:17,829 --> 01:03:15,680

universe i've said this before if you

1865

01:03:19,670 --> 01:03:17,839

look at you know the group

1866

01:03:21,430 --> 01:03:19,680

i was corrected recently that the

1867

01:03:23,990 --> 01:03:21,440

visible galaxy that bills

1868

01:03:24,789 --> 01:03:24,000

the visible known universe is about 90

1869

01:03:27,029 --> 01:03:24,799

some

1870

01:03:29,109 --> 01:03:27,039

uh billion light years across even

1871

01:03:31,270 --> 01:03:29,119

though it's only been around 13.7

1872

01:03:33,910 --> 01:03:31,280

billion light years we think uh that the

1873

01:03:36,630 --> 01:03:33,920

actual for the the seeable universe

1874

01:03:39,109 --> 01:03:36,640

right now around us is about 97 billion

1875

01:03:41,029 --> 01:03:39,119

light years and as big as that is in

1876

01:03:43,670 --> 01:03:41,039

terms of us being this little tiny

1877

01:03:45,750 --> 01:03:43,680

minute thing stuck in the middle of it

1878

01:03:47,750 --> 01:03:45,760

there is equally that amount of space

1879

01:03:49,349 --> 01:03:47,760

relative space inside every one of us if

1880

01:03:51,910 --> 01:03:49,359

you look at an atom which is 1 times 10

1881

01:03:54,789 --> 01:03:51,920

to the minus 26 the size the mole

1882

01:03:57,510 --> 01:03:54,799

compare that to to the human body

1883

01:03:58,950 --> 01:03:57,520

we have that same that same amount of

1884

01:04:00,870 --> 01:03:58,960

space inside every one of us there's a

1885

01:04:01,670 --> 01:04:00,880

whole universe inside of us and so

1886

01:04:03,349 --> 01:04:01,680

so

1887

01:04:04,870 --> 01:04:03,359

the scale in which we live unless

1888

01:04:06,950 --> 01:04:04,880

something is 50 feet in front of our

1889

01:04:08,870 --> 01:04:06,960

face we'll never be able to interact

1890

01:04:11,029 --> 01:04:08,880

with anything that is an order of

1891

01:04:12,470 --> 01:04:11,039

magnitude above us or below us we can't

1892

01:04:14,710 --> 01:04:12,480

even see the cells in our bodies without

1893

01:04:17,190 --> 01:04:14,720

a microscope so so there are these

1894

01:04:18,950 --> 01:04:17,200

realities all around us that constantly

1895

01:04:21,510 --> 01:04:18,960

that that exists and that we are part of

1896

01:04:23,069 --> 01:04:21,520

and yet we cannot interact with and by

1897

01:04:25,510 --> 01:04:23,079

that definition

1898

01:04:26,950 --> 01:04:25,520

99.9 of the universe

1899

01:04:29,349 --> 01:04:26,960

falls outside of the realm of our

1900

01:04:31,190 --> 01:04:29,359

perception so who's to say that

1901

01:04:33,029 --> 01:04:31,200

that all of reality

1902

01:04:34,870 --> 01:04:33,039

needs to fit neatly within the very

1903

01:04:36,470 --> 01:04:34,880

narrow spectrum of the electro optical

1904

01:04:38,630 --> 01:04:36,480

electro-optical frequency that we call

1905

01:04:40,470 --> 01:04:38,640

visible light when we know that that's

1906

01:04:41,990 --> 01:04:40,480

not true same thing with acoustic same

1907

01:04:43,109 --> 01:04:42,000

thing with electromagnetics same thing

1908

01:04:45,109 --> 01:04:43,119

with everything

1909

01:04:47,589 --> 01:04:45,119

and i think it's foolhardy for science

1910

01:04:49,190 --> 01:04:47,599

to presume that that everything can be

1911

01:04:50,789 --> 01:04:49,200

explained

1912

01:04:52,150 --> 01:04:50,799

through the fundamental five senses in

1913

01:04:54,069 --> 01:04:52,160

the scale in which we live because we

1914

01:04:55,510 --> 01:04:54,079

know that's not true look at dark energy

1915

01:04:57,430 --> 01:04:55,520

and dark matter

1916

01:04:59,589 --> 01:04:57,440

most of the universe can't even be seen

1917

01:05:00,950 --> 01:04:59,599

all right even the fundamental forces

1918

01:05:02,950 --> 01:05:00,960

who knows

1919

01:05:06,069 --> 01:05:02,960

right right strong force weak force

1920

01:05:08,069 --> 01:05:06,079

electromagnetism right so so you know i

1921

01:05:10,549 --> 01:05:08,079

i think we need to remember if you are

1922

01:05:13,109 --> 01:05:10,559

truly a scientist we must remain open to

1923

01:05:16,150 --> 01:05:13,119

the fact that that we are judging our

1924

01:05:17,270 --> 01:05:16,160

environment through a very very narrow

1925

01:05:19,990 --> 01:05:17,280

lens

1926

01:05:22,390 --> 01:05:20,000

uh it's like watching a sitting up on

1927

01:05:23,829 --> 01:05:22,400

the bleachers watching a football game

1928

01:05:25,029 --> 01:05:23,839

at the very very highest part of the

1929

01:05:26,630 --> 01:05:25,039

bleachers and watching the whole game

1930

01:05:28,950 --> 01:05:26,640

through a soda straw

1931

01:05:31,349 --> 01:05:28,960

you're going to miss most of it you know

1932

01:05:32,870 --> 01:05:31,359

so that would be my

1933

01:05:35,829 --> 01:05:32,880

that'd be my uh

1934

01:05:37,430 --> 01:05:35,839

my two cents emil esses thanks thank

1935

01:05:39,270 --> 01:05:37,440

louis for me without him we wouldn't be

1936

01:05:41,270 --> 01:05:39,280

where we are today with regard to this

1937

01:05:43,670 --> 01:05:41,280

matter and mr roboto also says thank you

1938

01:05:45,349 --> 01:05:43,680

mr elisando for the service for your

1939

01:05:47,589 --> 01:05:45,359

service to this country

1940

01:05:49,349 --> 01:05:47,599

oh my pleasure you know what everybody

1941

01:05:51,670 --> 01:05:49,359

serves in their own way

1942

01:05:53,430 --> 01:05:51,680

uh if you're a taxpayer you're serving

1943

01:05:55,029 --> 01:05:53,440

if you are a school teacher you're

1944

01:05:56,630 --> 01:05:55,039

serving if you're a nurse you're serving

1945

01:05:59,109 --> 01:05:56,640

if you're a police officer

1946

01:06:01,270 --> 01:05:59,119

you're you're a person military uniform

1947

01:06:03,190 --> 01:06:01,280

you know if you're a lawyer and and you

1948

01:06:04,549 --> 01:06:03,200

decide to take a case pro bono because

1949

01:06:05,990 --> 01:06:04,559

it's the right thing to do guess what

1950

01:06:07,910 --> 01:06:06,000

you're serving so

1951

01:06:09,589 --> 01:06:07,920

so thank you for

1952

01:06:12,390 --> 01:06:09,599

for all those out there who continue to

1953

01:06:14,069 --> 01:06:12,400

serve no uh it's a great honor and

1954

01:06:16,710 --> 01:06:14,079

privilege to be to be speaking with you

1955

01:06:18,390 --> 01:06:16,720

here today thank you man andreas says

1956

01:06:20,309 --> 01:06:18,400

hey lou are there questions you think

1957

01:06:25,430 --> 01:06:20,319

that the public hasn't been asking that

1958

01:06:28,630 --> 01:06:26,630

i'm just going to be flipping for a

1959

01:06:32,390 --> 01:06:28,640

second but now let's go go ahead go

1960

01:06:32,400 --> 01:06:34,950

um

1961

01:06:37,430 --> 01:06:36,390

no i think you're on the right track i

1962

01:06:40,789 --> 01:06:37,440

think people are asking the right

1963

01:06:42,950 --> 01:06:40,799

questions um i i do i think people are i

1964

01:06:46,950 --> 01:06:42,960

think i think people are coming around

1965

01:06:49,270 --> 01:06:46,960

to to reality of this new paradigm

1966

01:06:50,230 --> 01:06:49,280

and that's good that's okay that's a

1967

01:06:51,829 --> 01:06:50,240

good thing

1968

01:06:54,870 --> 01:06:51,839

you know otherwise we stagnate as

1969

01:07:00,150 --> 01:06:57,910

jen hageny asks on april 30th i believe

1970

01:07:02,309 --> 01:07:00,160

of this year in the basement office

1971

01:07:04,230 --> 01:07:02,319

interview

1972

01:07:05,349 --> 01:07:04,240

lou said watch out for the next 30 days

1973

01:07:06,390 --> 01:07:05,359

now what

1974

01:07:09,109 --> 01:07:06,400

was he

1975

01:07:13,750 --> 01:07:10,789

all of it

1976

01:07:15,109 --> 01:07:13,760

a lot has happened in the 30 days

1977

01:07:16,870 --> 01:07:15,119

why don't you give a breakdown for the

1978

01:07:17,990 --> 01:07:16,880

people like myself who are new to this

1979

01:07:19,990 --> 01:07:18,000

field that

1980

01:07:24,069 --> 01:07:20,000

have little clue imagine i'm clueless

1981

01:07:26,549 --> 01:07:24,079

which i am sure uh you have uh

1982

01:07:28,470 --> 01:07:26,559

very senior level briefings happening to

1983

01:07:30,950 --> 01:07:28,480

congress you have congress wanting

1984

01:07:34,870 --> 01:07:30,960

potentially to do open hearings

1985

01:07:36,390 --> 01:07:34,880

uh you have an ig evaluation underway

1986

01:07:38,309 --> 01:07:36,400

uh to look at how the government's been

1987

01:07:39,430 --> 01:07:38,319

handling this topic over the last three

1988

01:07:40,549 --> 01:07:39,440

years

1989

01:07:41,750 --> 01:07:40,559

you have

1990

01:07:43,349 --> 01:07:41,760

you've got quite a bit of things

1991

01:07:44,789 --> 01:07:43,359

happening right now we've got foreign

1992

01:07:46,150 --> 01:07:44,799

governments that haven't quite come out

1993

01:07:47,349 --> 01:07:46,160

yet that are beginning to engage the

1994

01:07:50,630 --> 01:07:47,359

united states

1995

01:07:52,870 --> 01:07:50,640

uh you have uh discussions on creating a

1996

01:07:56,710 --> 01:07:52,880

a long-term enduring capability to look

1997

01:07:57,990 --> 01:07:56,720

at the separate government approach um

1998

01:08:00,309 --> 01:07:58,000

oh okay speaking about the world

1999

01:08:02,150 --> 01:08:00,319

government not that there is one but by

2000

01:08:04,470 --> 01:08:02,160

the way i'm being told right now i've

2001

01:08:06,390 --> 01:08:04,480

got i've got just about a couple few

2002

01:08:08,710 --> 01:08:06,400

more minutes because my i have another

2003

01:08:11,029 --> 01:08:08,720

unfortunately one more engagement that i

2004

01:08:13,430 --> 01:08:11,039

have to do that that's no problem man

2005

01:08:15,190 --> 01:08:13,440

okay apologies no no no no problem i

2006

01:08:16,950 --> 01:08:15,200

appreciate the time that you've given so

2007

01:08:18,950 --> 01:08:16,960

blind arise asks all of this recent

2008

01:08:20,550 --> 01:08:18,960

disclosure and activity has been very us

2009

01:08:22,229 --> 01:08:20,560

focused it would be interesting to know

2010

01:08:24,550 --> 01:08:22,239

if other countries are working on this

2011

01:08:26,630 --> 01:08:24,560

stuff too or are cooperating at some

2012

01:08:28,550 --> 01:08:26,640

level the implication is that whoever

2013

01:08:31,430 --> 01:08:28,560

can reverse engineer this tech first

2014

01:08:33,110 --> 01:08:31,440

wins but isn't our chance

2015

01:08:34,550 --> 01:08:33,120

isn't it best to give our chance to all

2016

01:08:38,149 --> 01:08:34,560

humans

2017

01:08:39,030 --> 01:08:38,159

yes yes yes and yes yes on all four

2018

01:08:40,709 --> 01:08:39,040

parts

2019

01:08:42,709 --> 01:08:40,719

yes uh

2020

01:08:44,470 --> 01:08:42,719

uh you know there are other countries

2021

01:08:45,590 --> 01:08:44,480

working on this yes there are other

2022

01:08:46,709 --> 01:08:45,600

governments that are reaching out to

2023

01:08:50,390 --> 01:08:46,719

work with us

2024

01:08:52,070 --> 01:08:50,400

uh yes that uh he who who

2025

01:08:53,910 --> 01:08:52,080

reveals the secret first has the

2026

01:08:55,269 --> 01:08:53,920

advantage and yes this would be better

2027

01:08:57,829 --> 01:08:55,279

for your humanity if we worked it all

2028

01:09:00,149 --> 01:08:57,839

together mikhail mahal asks did atip

2029

01:09:01,829 --> 01:09:00,159

look into the uss trapang photos from

2030

01:09:04,390 --> 01:09:01,839

1971

2031

01:09:06,070 --> 01:09:04,400

negative we did not

2032

01:09:07,669 --> 01:09:06,080

neon dagger has lewis ever had a

2033

01:09:09,349 --> 01:09:07,679

personal encounter whether it was close

2034

01:09:11,669 --> 01:09:09,359

up or at a distance

2035

01:09:13,110 --> 01:09:11,679

with an intelligence or some kind of or

2036

01:09:14,630 --> 01:09:13,120

some kind of machine i assume they're

2037

01:09:16,950 --> 01:09:14,640

referring to the uaps

2038

01:09:18,630 --> 01:09:16,960

that will be for another discussion

2039

01:09:23,269 --> 01:09:18,640

okay and i'll get to just two more quick

2040

01:09:28,229 --> 01:09:26,149

okay paul sawford asks i would like his

2041

01:09:29,349 --> 01:09:28,239

take on the tic tac movements at sea

2042

01:09:34,070 --> 01:09:29,359

level actually forget that question

2043

01:09:38,950 --> 01:09:35,430

don't feel bad paul i would have

2044

01:09:43,430 --> 01:09:41,349

okay reyson carlos asks could you ask

2045

01:09:44,709 --> 01:09:43,440

him about the nimitz case david fravors

2046

01:09:47,110 --> 01:09:44,719

said that david fravor said that the

2047

01:09:48,709 --> 01:09:47,120

tic-tac-shaped ufo after disappearing

2048

01:09:51,749 --> 01:09:48,719

from his view it appeared to the radar

2049

01:09:53,910 --> 01:09:51,759

operator at his quote unquote cap point

2050

01:09:55,669 --> 01:09:53,920

what does this represent how on earth

2051

01:09:57,110 --> 01:09:55,679

did the ufo know the cap point

2052

01:09:59,590 --> 01:09:57,120

beforehand

2053

01:10:01,189 --> 01:09:59,600

great question uh we don't know how it

2054

01:10:02,470 --> 01:10:01,199

knew either that earth one hell of a

2055

01:10:05,030 --> 01:10:02,480

coincidence the cap point is a

2056

01:10:07,750 --> 01:10:05,040

rendezvous point that is uh input into

2057

01:10:10,390 --> 01:10:07,760

the flight plan of the pilots and the uh

2058

01:10:12,310 --> 01:10:10,400

and the avionics systems of the aircraft

2059

01:10:14,630 --> 01:10:12,320

uh in this case it was about 60 miles

2060

01:10:16,310 --> 01:10:14,640

away from their their location

2061

01:10:17,910 --> 01:10:16,320

uh where they encountered the tic tac

2062

01:10:19,590 --> 01:10:17,920

and within five seconds this thing

2063

01:10:21,750 --> 01:10:19,600

appeared over their cat point uh

2064

01:10:23,910 --> 01:10:21,760

seemingly uh anticipating where they

2065

01:10:26,149 --> 01:10:23,920

were supposed to go and waiting for that

2066

01:10:28,390 --> 01:10:26,159

great question that uh is this some sort

2067

01:10:30,630 --> 01:10:28,400

of active exploitation of the avionics

2068

01:10:32,390 --> 01:10:30,640

uh or is this some sort of uh

2069

01:10:34,310 --> 01:10:32,400

predetermination understanding where the

2070

01:10:35,830 --> 01:10:34,320

plane was going to go because somehow it

2071

01:10:38,390 --> 01:10:35,840

understands space time in a different

2072

01:10:40,870 --> 01:10:38,400

way that we do or was it just a pure

2073

01:10:42,390 --> 01:10:40,880

coincidence we simply don't know

2074

01:10:43,830 --> 01:10:42,400

and the last question i asked you before

2075

01:10:45,270 --> 01:10:43,840

which i'm going to get back to actually

2076

01:10:47,270 --> 01:10:45,280

hunting hair says sam harris said that

2077

01:10:49,110 --> 01:10:47,280

he was contacted by the former dod slash

2078

01:10:51,669 --> 01:10:49,120

intelligence officials about some

2079

01:10:54,709 --> 01:10:51,679

possible form of disclosure was it lou

2080

01:10:58,790 --> 01:10:56,550

i'm sorry can you repeat that okay so

2081

01:11:01,110 --> 01:10:58,800

sam harris recently said that he was

2082

01:11:03,350 --> 01:11:01,120

contacted by someone from the former dod

2083

01:11:05,189 --> 01:11:03,360

intelligence and he wants to know and

2084

01:11:07,030 --> 01:11:05,199

sam harris was talking about a possible

2085

01:11:09,189 --> 01:11:07,040

form of disclosure

2086

01:11:14,229 --> 01:11:09,199

was this person who contacted sam harris

2087

01:11:17,590 --> 01:11:15,430

and then i know you got to get going the

2088

01:11:18,790 --> 01:11:17,600

lonesome space cowboy remember that last

2089

01:11:20,790 --> 01:11:18,800

question that you couldn't get to which

2090

01:11:22,709 --> 01:11:20,800

was if the general public knew or saw

2091

01:11:24,070 --> 01:11:22,719

what you saw how would they what would

2092

01:11:30,070 --> 01:11:24,080

the next week look like how would the

2093

01:11:30,080 --> 01:11:32,630

somber

2094

01:11:37,350 --> 01:11:34,870

uh

2095

01:11:39,030 --> 01:11:37,360

i think there would be this

2096

01:11:41,910 --> 01:11:39,040

uh

2097

01:11:47,350 --> 01:11:43,910

for about a day

2098

01:11:49,669 --> 01:11:47,360

and then this uh turning inward and

2099

01:11:52,830 --> 01:11:49,679

trying to reflect on what this means to

2100

01:11:56,470 --> 01:11:52,840

us and our species and ourselves

2101

01:11:58,229 --> 01:11:56,480

uh i think uh somber sorry like a sigh

2102

01:12:01,270 --> 01:11:58,239

of relief

2103

01:12:02,790 --> 01:12:01,280

somber meaning serious

2104

01:12:04,630 --> 01:12:02,800

not not

2105

01:12:07,510 --> 01:12:04,640

like hollywood portrays people partying

2106

01:12:08,709 --> 01:12:07,520

in the streets and silliness with that

2107

01:12:11,669 --> 01:12:08,719

um

2108

01:12:14,790 --> 01:12:11,679

i think you would have uh some people

2109

01:12:16,229 --> 01:12:14,800

perhaps turning to religion more so

2110

01:12:17,910 --> 01:12:16,239

you might have some people turning away

2111

01:12:20,630 --> 01:12:17,920

from

2112

01:12:22,630 --> 01:12:20,640

i think you're going to have

2113

01:12:24,950 --> 01:12:22,640

at that point the the philosophical and

2114

01:12:26,070 --> 01:12:24,960

theological uh

2115

01:12:28,390 --> 01:12:26,080

questions

2116

01:12:30,149 --> 01:12:28,400

will be raised and and people will have

2117

01:12:32,149 --> 01:12:30,159

some serious soul-searching to do no pun

2118

01:12:33,110 --> 01:12:32,159

intended and i don't think that's bad by

2119

01:12:34,149 --> 01:12:33,120

the way

2120

01:12:36,550 --> 01:12:34,159

um

2121

01:12:38,390 --> 01:12:36,560

i think uh a lot of folks that have

2122

01:12:40,470 --> 01:12:38,400

spent their times in this community

2123

01:12:42,630 --> 01:12:40,480

being charlatans will have been exposed

2124

01:12:44,070 --> 01:12:42,640

and uh they will be probably unemployed

2125

01:12:44,950 --> 01:12:44,080

and probably have to change their names

2126

01:12:46,390 --> 01:12:44,960

because

2127

01:12:48,149 --> 01:12:46,400

you know

2128

01:12:50,870 --> 01:12:48,159

the rest of society will look at them in

2129

01:12:53,430 --> 01:12:50,880

an unfavorable light um

2130

01:12:56,070 --> 01:12:53,440

i think um there are some unsung heroes

2131

01:12:58,070 --> 01:12:56,080

that will probably come to light

2132

01:13:01,110 --> 01:12:58,080

and uh the world will appreciate their

2133

01:13:03,110 --> 01:13:01,120

contributions to this topic

2134

01:13:05,430 --> 01:13:03,120

i think the scene typically academic

2135

01:13:06,550 --> 01:13:05,440

communities no i can't give those names

2136

01:13:07,830 --> 01:13:06,560

i know what i was going to say is names

2137

01:13:09,990 --> 01:13:07,840

that have been announced before when you

2138

01:13:11,990 --> 01:13:10,000

say the unsung heroes or new names

2139

01:13:13,990 --> 01:13:12,000

haven't been announced before okay

2140

01:13:15,189 --> 01:13:14,000

uh i think the scientific and academic

2141

01:13:17,189 --> 01:13:15,199

community is going to have to take a

2142

01:13:19,669 --> 01:13:17,199

real hard look at itself

2143

01:13:21,590 --> 01:13:19,679

uh and and uh see

2144

01:13:23,750 --> 01:13:21,600

why it repeated the same mistakes it did

2145

01:13:25,270 --> 01:13:23,760

when galileo first proposed that the

2146

01:13:26,390 --> 01:13:25,280

earth was not the center of the solar

2147

01:13:28,870 --> 01:13:26,400

system

2148

01:13:33,270 --> 01:13:28,880

uh you know

2149

01:13:35,030 --> 01:13:33,280

hubris is is is a big part of that um

2150

01:13:36,709 --> 01:13:35,040

and then i think you know maybe we start

2151
01:13:38,470 --> 01:13:36,719
the international conversation say okay

2152
01:13:40,149 --> 01:13:38,480
we realize that this there's there's

2153
01:13:42,070 --> 01:13:40,159
things out there that are probably well

2154
01:13:43,350 --> 01:13:42,080
beyond our petty discrepancies we have

2155
01:13:45,270 --> 01:13:43,360
with each other

2156
01:13:46,870 --> 01:13:45,280
um maybe we really need to start working

2157
01:13:48,390 --> 01:13:46,880
together on this

2158
01:13:49,510 --> 01:13:48,400
realize that we are really a global

2159
01:13:51,669 --> 01:13:49,520
family

2160
01:13:53,750 --> 01:13:51,679
it doesn't matter where you're from it

2161
01:13:57,270 --> 01:13:53,760
doesn't matter what your religion is or

2162
01:13:59,270 --> 01:13:57,280
culture or your color or anything else

2163
01:14:00,950 --> 01:13:59,280

we are we are all

2164

01:14:03,270 --> 01:14:00,960

we're all brothers and sisters on this

2165

01:14:05,350 --> 01:14:03,280

tiny little rock car you know this pale

2166

01:14:06,790 --> 01:14:05,360

blue dot that's hurtling

2167

01:14:08,229 --> 01:14:06,800

through space

2168

01:14:11,030 --> 01:14:08,239

um

2169

01:14:13,669 --> 01:14:11,040

it may unify us

2170

01:14:18,470 --> 01:14:13,679

well i would certainly hope so unless we

2171

01:14:23,830 --> 01:14:20,950

poor nature to to interfere and we look

2172

01:14:25,189 --> 01:14:23,840

at this as as opportunities to subjugate

2173

01:14:26,229 --> 01:14:25,199

each other

2174

01:14:31,270 --> 01:14:26,239

i would hope

2175

01:14:32,870 --> 01:14:31,280

vu thank you so much

2176

01:14:34,870 --> 01:14:32,880

do you have any advice for me as someone

2177

01:14:36,870 --> 01:14:34,880

investigating this topic somewhat anew

2178

01:14:38,630 --> 01:14:36,880

and somewhat keep pushing keep pushing

2179

01:14:41,110 --> 01:14:38,640

keep asking the questions and and be

2180

01:14:43,430 --> 01:14:41,120

fearless um you know that is the true

2181

01:14:45,510 --> 01:14:43,440

scientific pioneering spirit the ability

2182

01:14:49,110 --> 01:14:45,520

to challenge the status quo

2183

01:14:50,550 --> 01:14:49,120

uh and and be able to do so uh in in a

2184

01:14:53,189 --> 01:14:50,560

courageous way

2185

01:14:55,110 --> 01:14:53,199

and in a well-meaning way um

2186

01:14:56,709 --> 01:14:55,120

the true enemy of science is is

2187

01:14:58,470 --> 01:14:56,719

stagnation

2188

01:15:00,390 --> 01:14:58,480

is acceptance of the norms because we

2189

01:15:01,910 --> 01:15:00,400

know that's not

2190

01:15:03,350 --> 01:15:01,920

real science changes

2191

01:15:05,030 --> 01:15:03,360

our understanding changes because we're

2192

01:15:05,910 --> 01:15:05,040

human humans change

2193

01:15:07,750 --> 01:15:05,920

so

2194

01:15:09,750 --> 01:15:07,760

uh you know we need to continue to

2195

01:15:10,390 --> 01:15:09,760

pursue the truth wherever that truth may

2196

01:15:12,630 --> 01:15:10,400

be

2197

01:15:14,630 --> 01:15:12,640

we need to continue to pursue it

2198

01:15:16,630 --> 01:15:14,640

so if that'd be my advice

2199

01:15:17,750 --> 01:15:16,640

thank you sir i appreciate it what do

2200

01:15:19,030 --> 01:15:17,760

you have to promote where can the

2201
01:15:20,149 --> 01:15:19,040
audience find out more about you what's

2202
01:15:22,390 --> 01:15:20,159
next for you

2203
01:15:24,630 --> 01:15:22,400
oh kurt i hate self-promoting man i i'm

2204
01:15:26,470 --> 01:15:24,640
not that guy you know i i hate even

2205
01:15:28,390 --> 01:15:26,480
tweeting i do it because i want to keep

2206
01:15:30,550 --> 01:15:28,400
people engaged because i i really

2207
01:15:34,229 --> 01:15:30,560
appreciate everybody's perspectives

2208
01:15:36,229 --> 01:15:34,239
um but uh you know i just want to

2209
01:15:38,470 --> 01:15:36,239
promote the truth wherever that truth is

2210
01:15:40,630 --> 01:15:38,480
a lot of people don't realize i don't

2211
01:15:42,550 --> 01:15:40,640
i don't get paid for these these type of

2212
01:15:44,310 --> 01:15:42,560
things i'm actually taking off work to

2213
01:15:45,590 --> 01:15:44,320

do it because i believe in it so much

2214

01:15:47,030 --> 01:15:45,600

you're not paid by the government to

2215

01:15:48,310 --> 01:15:47,040

spread misinformation is that what you

2216

01:15:50,229 --> 01:15:48,320

say

2217

01:15:51,990 --> 01:15:50,239

oh yeah every day sure yeah i mean if

2218

01:15:53,430 --> 01:15:52,000

that's that's what what certainly these

2219

01:15:55,910 --> 01:15:53,440

conspiracy theorists like to believe

2220

01:15:57,270 --> 01:15:55,920

anyways you know uh by the way if that's

2221

01:15:58,470 --> 01:15:57,280

the case i'm sure not making a whole lot

2222

01:16:01,189 --> 01:15:58,480

of money doing it

2223

01:16:08,229 --> 01:16:01,199

um but uh you know

2224

01:16:11,110 --> 01:16:09,830

you know still wearing my counter

2225

01:16:12,630 --> 01:16:11,120

intelligence hat and i'm trying to

2226

01:16:15,189 --> 01:16:12,640

deceive the american public and it's

2227

01:16:17,189 --> 01:16:15,199

just that's

2228

01:16:18,709 --> 01:16:17,199

that's just nonsense that's that same

2229

01:16:21,270 --> 01:16:18,719

crap that has held that conspiracy

2230

01:16:22,229 --> 01:16:21,280

theory that's help kept the ufology

2231

01:16:25,110 --> 01:16:22,239

uh

2232

01:16:27,350 --> 01:16:25,120

community behind for for 70 years you

2233

01:16:29,030 --> 01:16:27,360

know it's time to grow up you know wake

2234

01:16:31,430 --> 01:16:29,040

up and stop

2235

01:16:32,950 --> 01:16:31,440

stop uh thinking everybody's out to get

2236

01:16:34,709 --> 01:16:32,960

you you know yeah there's been some

2237

01:16:36,310 --> 01:16:34,719

mistakes done in the past but you know

2238

01:16:37,430 --> 01:16:36,320

people or some people that actually want

2239

01:16:41,910 --> 01:16:37,440

to see

2240

01:16:44,470 --> 01:16:43,430

one of those guys

2241

01:16:45,669 --> 01:16:44,480

if you don't like what i have to say

2242

01:16:47,270 --> 01:16:45,679

then don't listen you know i'm not

2243

01:16:49,110 --> 01:16:47,280

forcing anybody to tune in and listen

2244

01:16:51,669 --> 01:16:49,120

i'm not you know

2245

01:16:52,709 --> 01:16:51,679

forcing you to sit down on a couch

2246

01:16:54,470 --> 01:16:52,719

you know if you don't like what i have

2247

01:16:57,430 --> 01:16:54,480

to say this is a free country thank god

2248

01:16:59,430 --> 01:16:57,440

you know go tune into something else

2249

01:17:00,870 --> 01:16:59,440

well i listen to you and hopefully once

2250

01:17:02,790 --> 01:17:00,880

the dust settles we can have a longer

2251

01:17:04,229 --> 01:17:02,800

conversation perhaps even in person once

2252

01:17:06,070 --> 01:17:04,239

covet is over

2253

01:17:07,750 --> 01:17:06,080

i would love that kurt any time you want

2254

01:17:09,110 --> 01:17:07,760

would be on my honor approval thank you

2255

01:17:11,189 --> 01:17:09,120

man

2256

01:17:12,630 --> 01:17:11,199

you make me feel giddy by by saying that

2257

01:17:14,149 --> 01:17:12,640

even if it's just politeness thank you

2258

01:17:15,830 --> 01:17:14,159

so much no i

2259

01:17:18,870 --> 01:17:15,840

listen people know me personally i am

2260

01:17:20,870 --> 01:17:18,880

that guy i i i say what i mean if i say

2261

01:17:22,630 --> 01:17:20,880

that we're going to do coffee we will

2262

01:17:24,630 --> 01:17:22,640

get damn sure we're going to do coffee

2263

01:17:25,830 --> 01:17:24,640

at some point so i don't say these

2264

01:17:27,669 --> 01:17:25,840

things like

2265

01:17:29,590 --> 01:17:27,679

i mean what i say

2266

01:17:31,430 --> 01:17:29,600

thank you lou have a great one i

2267

01:17:33,270 --> 01:17:31,440

apologize for taking you over time thank

2268

01:17:34,950 --> 01:17:33,280

you and just say hi to everyone they're

2269

01:17:36,310 --> 01:17:34,960

so happy to see you there's

2270

01:17:38,630 --> 01:17:36,320

let's see how many thank you to your

2271

01:17:40,630 --> 01:17:38,640

audience i hope i didn't offend anybody

2272

01:17:43,910 --> 01:17:40,640

that wasn't my intent uh there are

2273

01:17:45,590 --> 01:17:43,920

almost 3 000 people watching right now

2274

01:17:47,030 --> 01:17:45,600

wow that's great

2275

01:17:49,350 --> 01:17:47,040

well you know i've like i said i've

2276

01:17:52,070 --> 01:17:49,360

always told people i'm latin uh i've got

2277

01:17:53,750 --> 01:17:52,080

to have my coffee there's a few things

2278

01:17:55,110 --> 01:17:53,760

that we come out of the womb having to

2279

01:17:57,110 --> 01:17:55,120

to do and

2280

01:17:59,669 --> 01:17:57,120

strong coffee is one of them so i

2281

01:18:01,750 --> 01:17:59,679

apologize if i was a little bit uh a

2282

01:18:03,270 --> 01:18:01,760

little bit uh ornery today that wasn't

2283

01:18:05,350 --> 01:18:03,280

my intent but i'm gonna go get some

2284

01:18:06,470 --> 01:18:05,360

coffee i'll i'll fix myself right now

2285

01:18:08,630 --> 01:18:06,480

all right man

2286

01:18:10,470 --> 01:18:08,640

get to it take care yes sir take care

2287

01:18:12,390 --> 01:18:10,480

everybody thank you so much and god

2288

01:18:16,070 --> 01:18:12,400

bless everybody

2289

01:18:17,669 --> 01:18:16,080

okay thank you all for attending

2290

01:18:19,030 --> 01:18:17,679

i'm going to go through some of the chat

2291

01:18:20,229 --> 01:18:19,040

i wasn't able to get to everyone's

2292

01:18:21,910 --> 01:18:20,239

questions

2293

01:18:24,070 --> 01:18:21,920

again for those who are new to this

2294

01:18:25,669 --> 01:18:24,080

channel this is not a ufo channel

2295

01:18:26,950 --> 01:18:25,679

per se i'm interested in something

2296

01:18:28,950 --> 01:18:26,960

called

2297

01:18:31,030 --> 01:18:28,960

the theory of everything which is is an

2298

01:18:33,189 --> 01:18:31,040

approach in physics that tries to unify

2299

01:18:35,750 --> 01:18:33,199

all the fundamental forces and find the

2300

01:18:37,430 --> 01:18:35,760

laws of the universe what governs us and

2301

01:18:38,790 --> 01:18:37,440

i'm broadly interested in that which

2302

01:18:41,110 --> 01:18:38,800

means i'm interested in it from a

2303

01:18:42,790 --> 01:18:41,120

theoretical physics perspective as well

2304

01:18:45,110 --> 01:18:42,800

as from a philosophical perspective

2305

01:18:47,510 --> 01:18:45,120

perhaps even a psychological perspective

2306

01:18:49,350 --> 01:18:47,520

though that one has only been explored

2307

01:18:50,870 --> 01:18:49,360

with someone named john vervicky on this

2308

01:18:52,229 --> 01:18:50,880

channel

2309

01:18:54,790 --> 01:18:52,239

thank you all thank you all there's so

2310

01:18:56,470 --> 01:18:54,800

many names i can't say thank you to

2311

01:18:58,630 --> 01:18:56,480

all of you and i appreciate it if you

2312

01:19:01,189 --> 01:18:58,640

all would like to see more conversations

2313

01:19:02,709 --> 01:19:01,199

like this on a regular basis longer

2314

01:19:04,550 --> 01:19:02,719

conversations like this more intense

2315

01:19:07,030 --> 01:19:04,560

conversations like this i try to keep it

2316

01:19:09,189 --> 01:19:07,040

technical because

2317

01:19:11,669 --> 01:19:09,199

partially that's how my mind works and

2318

01:19:14,070 --> 01:19:11,679

also because i think that

2319

01:19:16,149 --> 01:19:14,080

to get to some of these truths as louis

2320

01:19:19,030 --> 01:19:16,159

elissando says

2321

01:19:21,270 --> 01:19:19,040

a specific exact rigorous approach is

2322

01:19:23,510 --> 01:19:21,280

necessary there's plenty of

2323

01:19:25,590 --> 01:19:23,520

broad interviews fluff which i don't

2324

01:19:27,030 --> 01:19:25,600

demean at all because they're great for

2325

01:19:29,189 --> 01:19:27,040

getting an over

2326

01:19:30,790 --> 01:19:29,199

arching view but i like to get down into

2327

01:19:32,950 --> 01:19:30,800

the weeds if you'd like to see more of

2328

01:19:35,590 --> 01:19:32,960

that please consider going to patreon

2329

01:19:37,430 --> 01:19:35,600

dot com slash curt

2330

01:19:39,189 --> 01:19:37,440

the link is in the description of this

2331

01:19:41,510 --> 01:19:39,199

the link is also pinned

2332

01:19:42,790 --> 01:19:41,520

each dollar genuinely genuinely helps so

2333

01:19:44,229 --> 01:19:42,800

for example right now i'm standing

2334

01:19:46,470 --> 01:19:44,239

because i was able to afford a standing

2335

01:19:50,630 --> 01:19:46,480

desk sounds like a minor treat but it's

2336

01:19:50,640 --> 01:19:54,709

it also helps me do this full time

2337

01:19:59,189 --> 01:19:56,630

as for chris langan someone mentioned

2338

01:20:03,189 --> 01:19:59,199

chris langan

2339

01:20:06,070 --> 01:20:03,199

a cognitive theoretic model of the

2340

01:20:09,030 --> 01:20:06,080

universe i have some of his papers

2341

01:20:13,669 --> 01:20:11,030

going through that meticulously that

2342

01:20:19,510 --> 01:20:13,679

will take about

2343

01:20:25,270 --> 01:20:22,629

okay as for eric weinstein yes i will be

2344

01:20:26,870 --> 01:20:25,280

talking to eric weinstein in a

2345

01:20:29,189 --> 01:20:26,880

about a month or two months when i've

2346

01:20:30,870 --> 01:20:29,199

had a chance to go through his theory of

2347

01:20:37,189 --> 01:20:30,880

everything that's provided that he's
