

**TRAVIS
WALTON**

**SAVED BY
ALIENS**

1
00:00:04,230 --> 00:00:02,310
travis walton is a purported ufo

2
00:00:06,389 --> 00:00:04,240
abductee he's widely considered in the

3
00:00:08,710 --> 00:00:06,399
ufo community to have one of the most

4
00:00:10,629 --> 00:00:08,720
credible stories of ufo abduction though

5
00:00:13,030 --> 00:00:10,639
this is of course a contentious issue

6
00:00:14,390 --> 00:00:13,040
the incident happened in 1975 where him

7
00:00:17,269 --> 00:00:14,400
and his colleagues were working in the

8
00:00:19,510 --> 00:00:17,279
woods in arizona when a ufo came shawn

9
00:00:22,390 --> 00:00:19,520
light down terrifying everyone and

10
00:00:24,550 --> 00:00:22,400
everyone except travis managed to escape

11
00:00:26,630 --> 00:00:24,560
he was found five days later a few days

12
00:00:28,870 --> 00:00:26,640
ago i was lucky enough to host an ask me

13
00:00:30,550 --> 00:00:28,880

anything live stream with travis where i

14

00:00:32,709 --> 00:00:30,560

asked questions from the audience as

15

00:00:34,549 --> 00:00:32,719

well as soliciting questions from reddit

16

00:00:37,030 --> 00:00:34,559

for those new to this channel my name is

17

00:00:39,430 --> 00:00:37,040

kurt j mungle i'm a filmmaker with a

18

00:00:41,510 --> 00:00:39,440

background in mathematical physics

19

00:00:43,430 --> 00:00:41,520

particularly on the theoretical ends and

20

00:00:45,590 --> 00:00:43,440

i'm interested in what's called a theory

21

00:00:47,510 --> 00:00:45,600

of everything or theories of everything

22

00:00:49,590 --> 00:00:47,520

in general now that means the

23

00:00:51,270 --> 00:00:49,600

investigation into the fundamental laws

24

00:00:53,189 --> 00:00:51,280

of the universe there seems to be a

25

00:00:55,830 --> 00:00:53,199

connection there between consciousness

26
00:00:58,069 --> 00:00:55,840
free will god even and theoretical

27
00:01:00,229 --> 00:00:58,079
physics there aren't many scientists who

28
00:01:02,790 --> 00:01:00,239
are interested in exploring the ufo

29
00:01:04,789 --> 00:01:02,800
topic at least publicly unless it's to

30
00:01:07,510 --> 00:01:04,799
dismiss that they're genuine craft from

31
00:01:09,350 --> 00:01:07,520
a non-tellurian source or at least to

32
00:01:10,870 --> 00:01:09,360
lurian in the sense that we understand

33
00:01:12,469 --> 00:01:10,880
it so let's say the inhabitants of the

34
00:01:14,230 --> 00:01:12,479
countries as far as we know there are

35
00:01:16,149 --> 00:01:14,240
some people like richard dolan who think

36
00:01:17,910 --> 00:01:16,159
perhaps it's a breakaway civilization

37
00:01:20,149 --> 00:01:17,920
but that's beside the point it's

38
00:01:22,070 --> 00:01:20,159

flattering and humbling that even though

39

00:01:24,390 --> 00:01:22,080

i'm a fledgling in this topic the

40

00:01:26,710 --> 00:01:24,400

community has been extremely kind to me

41

00:01:28,310 --> 00:01:26,720

the ufo community so for example the

42

00:01:30,550 --> 00:01:28,320

reddit community including people like

43

00:01:32,550 --> 00:01:30,560

jeremy riss from alien scientist or

44

00:01:34,469 --> 00:01:32,560

stephen cambion from truth seekers

45

00:01:37,350 --> 00:01:34,479

they're far more knowledgeable than i am

46

00:01:39,830 --> 00:01:37,360

and i cared like clay in comparison to

47

00:01:41,590 --> 00:01:39,840

their nuance and specificity as far as

48

00:01:43,510 --> 00:01:41,600

actual scientific professors

49

00:01:45,190 --> 00:01:43,520

investigating this topic publicly

50

00:01:47,109 --> 00:01:45,200

there's only one and that's my friend

51
00:01:48,870 --> 00:01:47,119
professor brian keating who sponsored

52
00:01:50,789 --> 00:01:48,880
today's video brian's into the

53
00:01:52,630 --> 00:01:50,799
impossible podcast is the only other

54
00:01:54,870 --> 00:01:52,640
place where you can consistently find

55
00:01:56,870 --> 00:01:54,880
rigorous interviews with nobel laureates

56
00:01:58,870 --> 00:01:56,880
on the topic of experimental physics as

57
00:02:01,510 --> 00:01:58,880
well as recently on the topic of ufo

58
00:02:03,350 --> 00:02:01,520
slash uaps he's a member of avilob's

59
00:02:05,429 --> 00:02:03,360
galileo project in search of

60
00:02:07,510 --> 00:02:05,439
technological signatures of alien life

61
00:02:09,109 --> 00:02:07,520
throughout the cosmos and soon brian

62
00:02:11,589 --> 00:02:09,119
keating and i will be speaking to tom

63
00:02:13,990 --> 00:02:11,599

delong on brian's podcast it will be a

64

00:02:15,990 --> 00:02:14,000

live stream ama as well so make sure to

65

00:02:17,430 --> 00:02:16,000

subscribe to brian's podcast links are

66

00:02:19,750 --> 00:02:17,440

in the description if you want to see

67

00:02:21,830 --> 00:02:19,760

that the next sponsor is algo which is

68

00:02:24,070 --> 00:02:21,840

an end-to-end supply chain optimization

69

00:02:25,670 --> 00:02:24,080

software company headed by amjad hussein

70

00:02:27,830 --> 00:02:25,680

who i've mentioned frequently on this

71

00:02:30,949 --> 00:02:27,840

podcast as one of the first if not the

72

00:02:32,229 --> 00:02:30,959

first supporter of the podcast i thought

73

00:02:33,830 --> 00:02:32,239

it'd be great if you all could get to

74

00:02:35,830 --> 00:02:33,840

know him in the same way that i do given

75

00:02:37,589 --> 00:02:35,840

this i interviewed amjad and i'm going

76

00:02:39,589 --> 00:02:37,599

to be including little five-minute

77

00:02:41,270 --> 00:02:39,599

snippets into the ends of several

78

00:02:42,790 --> 00:02:41,280

episodes including this one stick all

79

00:02:45,270 --> 00:02:42,800

the way to the end if you want to hear a

80

00:02:48,309 --> 00:02:45,280

conversation between amjad and myself

81

00:02:50,470 --> 00:02:48,319

about ufos the last sponsor is brilliant

82

00:02:51,990 --> 00:02:50,480

brilliant illuminates the soul of math

83

00:02:53,509 --> 00:02:52,000

science and engineering through

84

00:02:55,910 --> 00:02:53,519

bite-sized interactive learning

85

00:02:57,910 --> 00:02:55,920

experiences brilliance courses explore

86

00:02:59,350 --> 00:02:57,920

the laws that shape our world elevating

87

00:03:01,270 --> 00:02:59,360

math and science from something to be

88

00:03:04,229 --> 00:03:01,280

feared to a delightful experience of

89

00:03:07,110 --> 00:03:04,239

guided discovery more on them later

90

00:03:10,470 --> 00:03:07,120

thank you and enjoy

91

00:03:14,949 --> 00:03:10,480

okay if you can see this type bulbasaur

92

00:03:17,670 --> 00:03:16,309

say again

93

00:03:19,350 --> 00:03:17,680

no not you

94

00:03:20,869 --> 00:03:19,360

the audience i'm just making sure that

95

00:03:22,790 --> 00:03:20,879

it's live streaming now so that i don't

96

00:03:24,390 --> 00:03:22,800

have technical difficulties on my end

97

00:03:26,710 --> 00:03:24,400

okay travis we'll start with how are you

98

00:03:30,149 --> 00:03:26,720

doing man how was your day

99

00:03:32,229 --> 00:03:30,159

i'm doing okay it's a we've had a huge

100

00:03:34,630 --> 00:03:32,239

rainstorm here is kind of flooding the

101
00:03:37,910 --> 00:03:34,640
street but

102
00:03:40,229 --> 00:03:37,920
all i got was wet feet

103
00:03:41,910 --> 00:03:40,239
the first question is

104
00:03:44,470 --> 00:03:41,920
why is it that you think you've seen so

105
00:03:46,390 --> 00:03:44,480
many ufos because most people go their

106
00:03:47,830 --> 00:03:46,400
entire life without seeing a single one

107
00:03:51,750 --> 00:03:47,840
do you think you're tracked all right

108
00:03:57,830 --> 00:03:55,589
it i think it has to do with um

109
00:03:59,509 --> 00:03:57,840
living in a

110
00:04:02,710 --> 00:03:59,519
remote area

111
00:04:03,990 --> 00:04:02,720
living an outdoor lifestyle

112
00:04:06,869 --> 00:04:04,000
uh

113
00:04:08,789 --> 00:04:06,879

clear skies the weather's ideal for

114

00:04:10,390 --> 00:04:08,799

seeing whatever's up there so many

115

00:04:11,990 --> 00:04:10,400

people say oh i've never seen anything

116

00:04:14,789 --> 00:04:12,000

like that and i say well have you ever

117

00:04:18,430 --> 00:04:14,799

looked up and they kind of him and hall

118

00:04:21,909 --> 00:04:18,440

about that but i mean i see a wonderful

119

00:04:27,030 --> 00:04:21,919

panorama of stars every every night when

120

00:04:33,189 --> 00:04:30,310

i i would never want to imply that they

121

00:04:35,110 --> 00:04:33,199

have an interest in me or or something

122

00:04:36,710 --> 00:04:35,120

like that but uh

123

00:04:39,590 --> 00:04:36,720

um

124

00:04:40,830 --> 00:04:39,600

i i really don't think that uh

125

00:04:43,030 --> 00:04:40,840

multiple

126

00:04:45,749 --> 00:04:43,040

sightings are that

127

00:04:48,230 --> 00:04:45,759

rare when i look around and you know

128

00:04:51,430 --> 00:04:48,240

just inquire with casual people people

129

00:04:52,469 --> 00:04:51,440

who aren't into this paranormal or ufos

130

00:04:53,350 --> 00:04:52,479

or anything

131

00:04:57,350 --> 00:04:53,360

and

132

00:05:00,310 --> 00:04:57,360

seems like everybody's had sightings

133

00:05:03,029 --> 00:05:00,320

not everybody reports them but

134

00:05:06,390 --> 00:05:03,039

it's not that uncommon

135

00:05:07,990 --> 00:05:06,400

this question comes from sa keeb ali he

136

00:05:09,590 --> 00:05:08,000

wants to know what is one thing about

137

00:05:11,350 --> 00:05:09,600

the incident that you haven't talked

138

00:05:15,350 --> 00:05:11,360

about because you don't like talking

139

00:05:19,909 --> 00:05:18,629

well there's a number of things that um

140

00:05:28,950 --> 00:05:19,919

i

141

00:05:30,870 --> 00:05:28,960

naturally

142

00:05:33,029 --> 00:05:30,880

uh those are the parts

143

00:05:35,430 --> 00:05:33,039

uh you know to actually recount what i

144

00:05:37,590 --> 00:05:35,440

was feeling at that time

145

00:05:40,390 --> 00:05:37,600

after 45 years

146

00:05:43,830 --> 00:05:40,400

i still rather not go there

147

00:05:46,469 --> 00:05:43,840

do you have ptsd from it

148

00:05:48,550 --> 00:05:46,479

i think so yeah i was surprised to the

149

00:05:49,430 --> 00:05:48,560

the degree to which i do

150

00:05:50,870 --> 00:05:49,440

you know

151
00:05:53,749 --> 00:05:50,880
having this

152
00:05:56,230 --> 00:05:53,759
other siding that we sort of

153
00:05:57,830 --> 00:05:56,240
uh alluded to earlier

154
00:06:02,309 --> 00:05:57,840
uh

155
00:06:07,670 --> 00:06:06,469
a mufon meeting in burbank california

156
00:06:09,189 --> 00:06:07,680
um

157
00:06:12,309 --> 00:06:09,199
heading up to five

158
00:06:15,749 --> 00:06:12,319
this giant black triangle came stopped

159
00:06:22,150 --> 00:06:19,029
turned and headed off to the west

160
00:06:23,749 --> 00:06:22,160
incredible uh ability to decelerate and

161
00:06:27,189 --> 00:06:23,759
accelerate

162
00:06:27,199 --> 00:06:30,710
it um

163
00:06:35,029 --> 00:06:32,629

it was still something that i wouldn't

164

00:06:37,909 --> 00:06:35,039

have ever brought up in an interview or

165

00:06:42,469 --> 00:06:37,919

anything like that except that uh i was

166

00:06:46,230 --> 00:06:44,150

seen by

167

00:06:48,950 --> 00:06:46,240

about 15 other people

168

00:06:50,390 --> 00:06:48,960

or at least reported by that many people

169

00:06:52,469 --> 00:06:50,400

by the next morning

170

00:06:56,150 --> 00:06:52,479

so certainly over

171

00:06:58,469 --> 00:06:56,160

uh a highly populated area like that

172

00:07:00,070 --> 00:06:58,479

um there were many many more people who

173

00:07:03,510 --> 00:07:00,080

saw it but uh

174

00:07:06,150 --> 00:07:03,520

just didn't know where to report it

175

00:07:08,150 --> 00:07:06,160

i recall that you have had an experience

176

00:07:12,230 --> 00:07:08,160

with a ufo somewhere on

177

00:07:13,990 --> 00:07:12,240

route i5 or road i5 or highway i5

178

00:07:16,629 --> 00:07:14,000

and it had to do with a pregnant

179

00:07:18,629 --> 00:07:16,639

girlfriend at the time

180

00:07:20,950 --> 00:07:18,639

do you mind recounting that

181

00:07:22,070 --> 00:07:20,960

yeah it's the same sighting and uh yes

182

00:07:24,550 --> 00:07:22,080

so

183

00:07:30,550 --> 00:07:24,560

um she was with me she was

184

00:07:30,560 --> 00:07:34,550

well um

185

00:07:40,790 --> 00:07:37,670

it's in her estimation uh there was um

186

00:07:43,189 --> 00:07:40,800

missing time uh you know it seemed to

187

00:07:46,150 --> 00:07:43,199

take a lot longer

188

00:07:48,309 --> 00:07:46,160

uh to get home than it should have uh

189

00:07:49,430 --> 00:07:48,319

you know accounting for time differences

190

00:07:51,909 --> 00:07:49,440

and whole

191

00:07:56,230 --> 00:07:51,919

the whole thing but uh

192

00:07:59,189 --> 00:07:56,240

again i've always uh tried to avoid

193

00:08:00,790 --> 00:07:59,199

reporting things uh i can't corroborate

194

00:08:02,710 --> 00:08:00,800

everything has to be done they're

195

00:08:03,990 --> 00:08:02,720

missing time on your part or only she

196

00:08:06,309 --> 00:08:04,000

reported that

197

00:08:08,390 --> 00:08:06,319

to you

198

00:08:10,790 --> 00:08:08,400

well i agree with her you know

199

00:08:11,909 --> 00:08:10,800

her estimations and comments about it

200

00:08:13,110 --> 00:08:11,919

but

201
00:08:15,909 --> 00:08:13,120
um

202
00:08:18,390 --> 00:08:15,919
by itself it doesn't constitute proof

203
00:08:20,790 --> 00:08:18,400
and it's just something we

204
00:08:22,950 --> 00:08:20,800
find very interesting and your son

205
00:08:25,510 --> 00:08:22,960
also experienced missing time or time

206
00:08:29,990 --> 00:08:27,510
um

207
00:08:32,469 --> 00:08:30,000
he doesn't disagree he's just you know

208
00:08:34,550 --> 00:08:32,479
how would you know you know on a long

209
00:08:36,709 --> 00:08:34,560
drive like that all the way from burbank

210
00:08:38,230 --> 00:08:36,719
to north lake arizona

211
00:08:40,550 --> 00:08:38,240
um

212
00:08:42,389 --> 00:08:40,560
how do you know for sure was there

213
00:08:44,230 --> 00:08:42,399

something about your girlfriend at the

214

00:08:46,710 --> 00:08:44,240

time was pregnant and then after the

215

00:08:48,790 --> 00:08:46,720

sighting she became not pregnant and it

216

00:08:50,949 --> 00:08:48,800

was because of alien interference i

217

00:08:53,030 --> 00:08:50,959

don't know if i'm reading that from by

218

00:08:56,310 --> 00:08:53,040

surmising from the questions or if i've

219

00:09:00,630 --> 00:08:58,550

well boy that is something i i don't

220

00:09:03,110 --> 00:09:00,640

really bring out that much because you

221

00:09:08,710 --> 00:09:05,030

she works in a

222

00:09:12,470 --> 00:09:08,720

government facility and um

223

00:09:13,430 --> 00:09:12,480

you know has a security clearance and uh

224

00:09:15,190 --> 00:09:13,440

um

225

00:09:17,990 --> 00:09:15,200

i really don't have her permission to

226
00:09:19,670 --> 00:09:18,000
talk about that or name her or whatever

227
00:09:21,670 --> 00:09:19,680
but yeah

228
00:09:25,110 --> 00:09:21,680
um

229
00:09:27,030 --> 00:09:25,120
she had a mark across her stomach i went

230
00:09:29,590 --> 00:09:27,040
into the

231
00:09:32,550 --> 00:09:29,600
gynecologist's office with her i

232
00:09:34,949 --> 00:09:32,560
observed on the ultrasound

233
00:09:40,070 --> 00:09:37,269
that um

234
00:09:40,949 --> 00:09:40,080
there was a placenta a cord

235
00:09:43,829 --> 00:09:40,959
and the

236
00:09:47,269 --> 00:09:43,839
fetus said just disappear

237
00:09:52,389 --> 00:09:48,870
i don't know

238
00:09:53,829 --> 00:09:52,399

um the one speculation of is obviously

239

00:09:56,550 --> 00:09:53,839

that uh

240

00:10:00,710 --> 00:09:56,560

the the baby was taken by you know some

241

00:10:03,430 --> 00:10:00,720

alien technology another alternative

242

00:10:06,790 --> 00:10:03,440

is uh medically speaking

243

00:10:09,910 --> 00:10:06,800

some kind of a thing where they claim

244

00:10:11,910 --> 00:10:09,920

that a baby can be reabsorbed but if

245

00:10:14,150 --> 00:10:11,920

that were really true you would think it

246

00:10:15,430 --> 00:10:14,160

would affect the cord and a placenta too

247

00:10:16,790 --> 00:10:15,440

but

248

00:10:19,350 --> 00:10:16,800

it didn't

249

00:10:20,949 --> 00:10:19,360

i know that you have intuitions or

250

00:10:24,550 --> 00:10:20,959

feelings that these

251
00:10:27,269 --> 00:10:24,560
beings were being helpful toward you

252
00:10:28,470 --> 00:10:27,279
given that do you think yes

253
00:10:29,750 --> 00:10:28,480
i'm wondering

254
00:10:32,710 --> 00:10:29,760
i think

255
00:10:35,350 --> 00:10:32,720
go ahead yeah i'm just wondering okay

256
00:10:36,790 --> 00:10:35,360
how was the removal of a fetus

257
00:10:38,790 --> 00:10:36,800
positive unless

258
00:10:40,150 --> 00:10:38,800
maybe the baby would have been born

259
00:10:41,670 --> 00:10:40,160
cancerous or

260
00:10:43,829 --> 00:10:41,680
have some other issue

261
00:10:45,110 --> 00:10:43,839
so i'm curious if you don't mind

262
00:10:46,389 --> 00:10:45,120
i'm sure you've thought about this do

263
00:10:48,790 --> 00:10:46,399

you mind letting us know your

264

00:10:51,910 --> 00:10:48,800

speculations well uh obviously the

265

00:10:55,030 --> 00:10:51,920

theory is uh you know that uh

266

00:10:57,990 --> 00:10:55,040

we conjecture that the baby is alive

267

00:11:02,069 --> 00:10:58,000

somewhere it was just taken

268

00:11:03,430 --> 00:11:02,079

uh for a more nurturing

269

00:11:06,069 --> 00:11:03,440

environment

270

00:11:08,630 --> 00:11:06,079

uh with really super super high tech i

271

00:11:10,949 --> 00:11:08,640

guess uh the woman's body is not

272

00:11:13,590 --> 00:11:10,959

absolutely necessary

273

00:11:16,710 --> 00:11:13,600

um that's the theory how far along was

274

00:11:19,430 --> 00:11:18,069

um

275

00:11:26,470 --> 00:11:19,440

i i

276

00:11:28,069 --> 00:11:26,480

tongue

277

00:11:29,269 --> 00:11:28,079

was it within a month or was it within

278

00:11:31,670 --> 00:11:29,279

six months

279

00:11:37,430 --> 00:11:31,680

plus or minus a month or you have no

280

00:11:42,230 --> 00:11:40,470

amount of development you know

281

00:11:46,389 --> 00:11:42,240

lose clothing she probably could have

282

00:11:51,509 --> 00:11:48,790

do you regret that the abduction

283

00:11:54,310 --> 00:11:51,519

happened do you wish it didn't

284

00:11:55,990 --> 00:11:54,320

absolutely oh i wish

285

00:11:57,750 --> 00:11:56,000

i wish i'd never gotten out of that

286

00:11:59,670 --> 00:11:57,760

truck uh

287

00:12:02,949 --> 00:11:59,680

just

288

00:12:05,110 --> 00:12:02,959

not not a big positive in my life

289

00:12:08,550 --> 00:12:05,120

or even in those

290

00:12:13,670 --> 00:12:10,790

not positive with respect to the press

291

00:12:17,190 --> 00:12:13,680

and the accusations or

292

00:12:22,870 --> 00:12:20,069

all of the above including just that uh

293

00:12:25,750 --> 00:12:22,880

the topic never escapes you know

294

00:12:28,389 --> 00:12:25,760

it's just to live a normal life react to

295

00:12:30,470 --> 00:12:28,399

normal things be interested in things

296

00:12:32,949 --> 00:12:30,480

um

297

00:12:35,910 --> 00:12:32,959

it's even hard to be

298

00:12:38,949 --> 00:12:35,920

too under the weather now

299

00:12:39,829 --> 00:12:38,959

under the radar uh what i mean was

300

00:12:42,550 --> 00:12:39,839

that

301

00:12:44,230 --> 00:12:42,560

to be recognized everywhere you go is

302

00:12:45,509 --> 00:12:44,240

some people think would be pretty cool

303

00:12:47,670 --> 00:12:45,519

but uh

304

00:12:50,470 --> 00:12:47,680

not really do people come up and try to

305

00:12:53,190 --> 00:12:50,480

take pictures with you

306

00:12:54,389 --> 00:12:53,200

all the time i get people knock on my

307

00:12:56,310 --> 00:12:54,399

door

308

00:12:57,910 --> 00:12:56,320

hello i'm in town

309

00:13:00,870 --> 00:12:57,920

i know you live here

310

00:13:02,949 --> 00:13:00,880

could i trouble you for

311

00:13:05,190 --> 00:13:02,959

an autograph and a picture

312

00:13:06,629 --> 00:13:05,200

is this okay so right now i'm sure

313

00:13:08,870 --> 00:13:06,639

you're considered

314

00:13:10,629 --> 00:13:08,880

your identity as the ufo person at least

315

00:13:12,389 --> 00:13:10,639

as far as other people are concerned is

316

00:13:13,509 --> 00:13:12,399

there something else you'd like to be

317

00:13:16,790 --> 00:13:13,519

known for

318

00:13:20,629 --> 00:13:16,800

do you have another hobby no just

319

00:13:20,639 --> 00:13:25,030

uh something other than that guy

320

00:13:29,269 --> 00:13:27,269

okay high priest of galvin of gavin

321

00:13:31,509 --> 00:13:29,279

almighty asks

322

00:13:33,670 --> 00:13:31,519

has he ever done dmt and how does that

323

00:13:37,110 --> 00:13:33,680

compare to his experience in the 80s

324

00:13:42,389 --> 00:13:39,750

what's what's dmt it's a psychedelic oh

325

00:13:45,590 --> 00:13:42,399

oh oh yeah that's a chemical

326

00:13:46,550 --> 00:13:45,600

spirit molecule no never

327

00:13:48,550 --> 00:13:46,560

any

328

00:13:51,590 --> 00:13:48,560

psychoactive substances like let's say

329

00:13:54,470 --> 00:13:51,600

cannabis or lsd

330

00:13:59,189 --> 00:13:54,480

or mushrooms um

331

00:14:01,829 --> 00:13:59,199

50 years ago um about a handful of times

332

00:14:05,269 --> 00:14:01,839

okay 50 years ago was about the 70s was

333

00:14:14,150 --> 00:14:10,389

no uh it would be in in the late 60s uh

334

00:14:18,470 --> 00:14:16,150

it was just uh

335

00:14:23,750 --> 00:14:18,480

altered states were not

336

00:14:30,550 --> 00:14:27,430

is uh you know i i always strive for the

337

00:14:32,310 --> 00:14:30,560

greatest reality the greatest

338

00:14:35,030 --> 00:14:32,320

here and now

339

00:14:37,750 --> 00:14:35,040

rather than altered states it's just

340

00:14:39,430 --> 00:14:37,760

it's a preference of mine i don't i

341

00:14:41,590 --> 00:14:39,440

i'm such a stick in the mud i don't

342

00:14:43,590 --> 00:14:41,600

really even enjoy alcohol you know it's

343

00:14:46,949 --> 00:14:43,600

just

344

00:14:49,110 --> 00:14:46,959

same i don't drink at all actually

345

00:14:51,110 --> 00:14:49,120

when it comes to psychedelics

346

00:14:53,110 --> 00:14:51,120

there's obviously a connection between

347

00:14:56,069 --> 00:14:53,120

psychedelics and consciousness and there

348

00:14:58,710 --> 00:14:56,079

seems to be some tenuous or maybe even

349

00:15:01,030 --> 00:14:58,720

direct connection between consciousness

350

00:15:03,829 --> 00:15:01,040

and these entities whatever we want to

351
00:15:05,750 --> 00:15:03,839
call them aliens or whatever

352
00:15:08,389 --> 00:15:05,760
do you see that and if so

353
00:15:10,829 --> 00:15:08,399
what is that connection

354
00:15:14,069 --> 00:15:10,839
i think it's just basically simple

355
00:15:17,509 --> 00:15:14,079
telepathy it's inevitably where

356
00:15:18,710 --> 00:15:17,519
uh communication will go for humans

357
00:15:21,509 --> 00:15:18,720
i think

358
00:15:23,670 --> 00:15:21,519
uh to to a great extent people already

359
00:15:26,629 --> 00:15:23,680
experience this phenomenon

360
00:15:28,389 --> 00:15:26,639
some in a much more highly developed

361
00:15:31,829 --> 00:15:28,399
way than others

362
00:15:33,990 --> 00:15:31,839
and i think for beings that are

363
00:15:37,110 --> 00:15:34,000

always being described as being

364

00:15:40,790 --> 00:15:37,120

emotionless and cold

365

00:15:43,269 --> 00:15:40,800

to me that is merely a sign that facial

366

00:15:45,269 --> 00:15:43,279

expressions have become obsolete for

367

00:15:47,910 --> 00:15:45,279

them uh they're they're going to

368

00:15:48,949 --> 00:15:47,920

communicate a greater richness of what

369

00:15:52,550 --> 00:15:48,959

they mean

370

00:15:54,550 --> 00:15:52,560

inflections and emotion and all that and

371

00:15:57,030 --> 00:15:54,560

no need to have

372

00:15:58,310 --> 00:15:57,040

anything represented by

373

00:16:00,710 --> 00:15:58,320

uh

374

00:16:02,949 --> 00:16:00,720

muscles on their face contorting in

375

00:16:05,749 --> 00:16:02,959

certain ways it really is kind of an

376

00:16:08,710 --> 00:16:05,759

unusual thing because i think humans are

377

00:16:10,710 --> 00:16:08,720

pretty much the only critters that

378

00:16:13,350 --> 00:16:10,720

communicate that way there's all kinds

379

00:16:17,110 --> 00:16:13,360

of things that animals

380

00:16:18,389 --> 00:16:17,120

do to communicate in terms of

381

00:16:20,949 --> 00:16:18,399

sounds and

382

00:16:23,509 --> 00:16:20,959

posture and sorts of things but i think

383

00:16:24,310 --> 00:16:23,519

for advanced consciousness

384

00:16:28,470 --> 00:16:24,320

uh

385

00:16:32,710 --> 00:16:30,069

johnny 80 asks

386

00:16:34,710 --> 00:16:32,720

the abduction happened around 1975 and

387

00:16:36,949 --> 00:16:34,720

our technology was still primitive at

388

00:16:39,269 --> 00:16:36,959

the time during your time inside the

389

00:16:41,269 --> 00:16:39,279

ship what kind of devices or interfaces

390

00:16:43,829 --> 00:16:41,279

got your attention what did the light

391

00:16:44,870 --> 00:16:43,839

sources look like were there any screen

392

00:16:48,949 --> 00:16:44,880

or any

393

00:16:54,949 --> 00:16:52,389

oh yeah there was a great deal of uh

394

00:16:55,910 --> 00:16:54,959

of that sort of thing that i wasn't

395

00:16:59,430 --> 00:16:55,920

there

396

00:17:01,269 --> 00:16:59,440

uh gee whiz wow this is amazing i was

397

00:17:03,430 --> 00:17:01,279

terrified it was out of my mind how do i

398

00:17:05,510 --> 00:17:03,440

get out of this thing how do i escape

399

00:17:07,510 --> 00:17:05,520

was my main focus so

400

00:17:09,510 --> 00:17:07,520

so

401
00:17:13,429 --> 00:17:09,520
most of the um

402
00:17:16,949 --> 00:17:14,470
um

403
00:17:19,110 --> 00:17:16,959
interest in these kinds of things

404
00:17:20,230 --> 00:17:19,120
occurred in retrospect you know looking

405
00:17:21,829 --> 00:17:20,240
back on

406
00:17:25,189 --> 00:17:21,839
uh

407
00:17:26,949 --> 00:17:25,199
things i saw and interpreting them

408
00:17:28,950 --> 00:17:26,959
the best i could

409
00:17:30,549 --> 00:17:28,960
is there anything now that

410
00:17:33,029 --> 00:17:30,559
much technology has been developed in

411
00:17:34,549 --> 00:17:33,039
the past 40 years

412
00:17:36,230 --> 00:17:34,559
whereas before you wouldn't recognize

413
00:17:37,990 --> 00:17:36,240

what a cell phone was

414

00:17:40,230 --> 00:17:38,000

maybe it wouldn't be conspicuous to you

415

00:17:42,549 --> 00:17:40,240

or just wouldn't register but now you

416

00:17:44,150 --> 00:17:42,559

have that so now thinking back given our

417

00:17:46,150 --> 00:17:44,160

technology is there something that you

418

00:17:48,310 --> 00:17:46,160

recognize that when you were there you

419

00:17:52,710 --> 00:17:48,320

didn't but now you have this linguistic

420

00:17:58,230 --> 00:17:55,909

yeah um and maybe things beyond still

421

00:18:02,470 --> 00:17:58,240

where we are you know

422

00:18:05,430 --> 00:18:02,480

what was i described as a screen

423

00:18:08,630 --> 00:18:05,440

had intersecting lines

424

00:18:10,390 --> 00:18:08,640

but no characters and that's really

425

00:18:12,830 --> 00:18:10,400

strange how would they know what was

426

00:18:17,590 --> 00:18:12,840

what as far as these

427

00:18:19,029 --> 00:18:17,600

gradations meant it's all speculation

428

00:18:23,590 --> 00:18:19,039

is it all right if i ask you some

429

00:18:25,669 --> 00:18:24,549

well

430

00:18:29,909 --> 00:18:25,679

like

431

00:18:32,310 --> 00:18:29,919

desperate to find a way to open the door

432

00:18:34,710 --> 00:18:32,320

and escape this thing uh

433

00:18:37,430 --> 00:18:34,720

i wasn't musing about what this means it

434

00:18:40,630 --> 00:18:38,549

just

435

00:18:42,470 --> 00:18:40,640

a glowing surface kind of like a

436

00:18:44,150 --> 00:18:42,480

computer but um

437

00:18:45,669 --> 00:18:44,160

black lines

438

00:18:47,669 --> 00:18:45,679

with little

439

00:18:50,310 --> 00:18:47,679

short

440

00:18:51,830 --> 00:18:50,320

black lines on each of those but at

441

00:18:53,190 --> 00:18:51,840

angles

442

00:18:55,990 --> 00:18:53,200

and these

443

00:18:57,669 --> 00:18:56,000

angles would change and they would slide

444

00:19:00,950 --> 00:18:57,679

in response to

445

00:19:03,990 --> 00:19:00,960

me touching this uh surface

446

00:19:07,510 --> 00:19:04,000

i i took to be buttons it was some

447

00:19:09,029 --> 00:19:07,520

colored areas on the surface

448

00:19:10,789 --> 00:19:09,039

i don't remember have you ever mentioned

449

00:19:14,310 --> 00:19:10,799

this before i was looking at some of

450

00:19:18,310 --> 00:19:15,830

well i might have just referred to them

451
00:19:19,990 --> 00:19:18,320
as buttons of your this is much more in

452
00:19:21,510 --> 00:19:20,000
depth in that area than i've ever

453
00:19:25,590 --> 00:19:21,520
encountered

454
00:19:27,669 --> 00:19:26,470
um

455
00:19:32,230 --> 00:19:27,679
no

456
00:19:37,110 --> 00:19:35,110
gave a more distant shot

457
00:19:39,510 --> 00:19:37,120
angle of um

458
00:19:42,470 --> 00:19:39,520
um you know like from the door from a

459
00:19:45,430 --> 00:19:43,750
okay so

460
00:19:48,870 --> 00:19:45,440
am i to understand at this point you

461
00:19:51,590 --> 00:19:48,880
were lying down when you saw the screen

462
00:19:55,990 --> 00:19:51,600
no no i was wandering around

463
00:19:57,830 --> 00:19:56,000

desperately seeking a way out

464

00:19:59,830 --> 00:19:57,840

okay so from what i understand just

465

00:20:01,110 --> 00:19:59,840

correct me if i'm wrong you were you

466

00:20:01,990 --> 00:20:01,120

woke up

467

00:20:03,909 --> 00:20:02,000

being

468

00:20:05,350 --> 00:20:03,919

finding it difficult to breathe someone

469

00:20:07,669 --> 00:20:05,360

put a mask on you that didn't seem to be

470

00:20:09,909 --> 00:20:07,679

attached to anything it also calmed you

471

00:20:11,590 --> 00:20:09,919

at some point someone who looked human

472

00:20:13,750 --> 00:20:11,600

appeared to you

473

00:20:15,669 --> 00:20:13,760

and i believe they started taking you

474

00:20:18,070 --> 00:20:15,679

out of this smaller room into a larger

475

00:20:18,830 --> 00:20:18,080

one is that correct

476

00:20:20,789 --> 00:20:18,840

oh

477

00:20:23,190 --> 00:20:20,799

well no

478

00:20:26,470 --> 00:20:23,200

that's pretty all jumbled together you

479

00:20:28,149 --> 00:20:26,480

know i woke up um

480

00:20:29,990 --> 00:20:28,159

and very

481

00:20:32,630 --> 00:20:30,000

great deal of pain

482

00:20:37,270 --> 00:20:35,029

when i could finally focus and see these

483

00:20:38,070 --> 00:20:37,280

creatures standing over me i realized no

484

00:20:42,230 --> 00:20:38,080

i

485

00:20:45,190 --> 00:20:42,240

but uh

486

00:20:47,029 --> 00:20:45,200

i was taken out of this craft by

487

00:20:49,830 --> 00:20:47,039

human-looking beings

488

00:20:51,669 --> 00:20:49,840

to this larger room and

489

00:20:53,510 --> 00:20:51,679

smaller room off of that

490

00:20:55,830 --> 00:20:53,520

um

491

00:20:59,350 --> 00:20:55,840

that's where the mask was applied but

492

00:21:02,310 --> 00:20:59,360

that was basically just designed to uh

493

00:21:04,070 --> 00:21:02,320

put me out make render me unconscious

494

00:21:05,830 --> 00:21:04,080

there are three rooms in total there's

495

00:21:07,270 --> 00:21:05,840

the one that you were initially in the

496

00:21:08,470 --> 00:21:07,280

one that you exited and it was much

497

00:21:09,909 --> 00:21:08,480

larger and you said there was an

498

00:21:12,070 --> 00:21:09,919

algorithm that's a vast over

499

00:21:15,029 --> 00:21:12,080

simplification i was inside the craft

500

00:21:17,750 --> 00:21:15,039

when i finally exited that it was at

501
00:21:19,669 --> 00:21:17,760
that point parked inside of this huge

502
00:21:22,789 --> 00:21:19,679
we'll call it a room it could be a

503
00:21:26,070 --> 00:21:22,799
building or part of a larger craft

504
00:21:27,990 --> 00:21:26,080
and then taken out of this big huge

505
00:21:31,190 --> 00:21:28,000
hangar-like area

506
00:21:34,950 --> 00:21:31,200
uh down a hallway to the room where i

507
00:21:38,470 --> 00:21:36,870
were you able to see outside the craft

508
00:21:40,310 --> 00:21:38,480
what color were the walls if there were

509
00:21:42,149 --> 00:21:40,320
walls

510
00:21:42,870 --> 00:21:42,159
um the

511
00:21:45,350 --> 00:21:42,880
i

512
00:21:47,190 --> 00:21:45,360
um

513
00:21:50,310 --> 00:21:47,200

lighted areas

514

00:21:52,710 --> 00:21:50,320

in the big hanger-like area to be

515

00:21:55,350 --> 00:21:52,720

sunlight being filtered through some

516

00:21:58,149 --> 00:21:55,360

kind of uh

517

00:21:59,830 --> 00:21:58,159

frosted surface but it also could have

518

00:22:02,310 --> 00:21:59,840

been um

519

00:22:05,029 --> 00:22:02,320

synthetically or you know

520

00:22:08,310 --> 00:22:05,039

produced artificially produced uh

521

00:22:10,470 --> 00:22:08,320

something to duplicate sunlight

522

00:22:12,310 --> 00:22:10,480

just uh

523

00:22:14,470 --> 00:22:12,320

not super intense but you just have to

524

00:22:15,750 --> 00:22:14,480

light the area

525

00:22:17,590 --> 00:22:15,760

you also just mentioned that you were

526

00:22:19,430 --> 00:22:17,600

working with an artist

527

00:22:21,110 --> 00:22:19,440

did the artist draw those lines on the

528

00:22:23,590 --> 00:22:21,120

screen that you were referring to about

529

00:22:26,390 --> 00:22:23,600

five minutes ago

530

00:22:28,950 --> 00:22:26,400

well i described it to him but uh the

531

00:22:30,070 --> 00:22:28,960

overall lay of the room and

532

00:22:33,590 --> 00:22:30,080

you know

533

00:22:36,630 --> 00:22:33,600

the the the screen and the surfaces that

534

00:22:38,830 --> 00:22:36,640

it was mounted on all that was

535

00:22:43,110 --> 00:22:38,840

you know a

536

00:22:45,029 --> 00:22:43,120

a 20 feet away sort of perspective not

537

00:22:46,470 --> 00:22:45,039

down over my shoulder watching my hand

538

00:22:48,950 --> 00:22:46,480

kind of perspective that's what i was

539

00:22:51,430 --> 00:22:48,960

trying to tell you

540

00:22:53,510 --> 00:22:51,440

okay we have a question here from

541

00:22:56,230 --> 00:22:53,520

steve cambion

542

00:23:00,710 --> 00:22:56,240

he wants to know have you ever had an

543

00:23:06,789 --> 00:23:02,070

yes i i

544

00:23:11,190 --> 00:23:09,270

considered him a friend he's no longer

545

00:23:14,470 --> 00:23:11,200

with us but

546

00:23:15,830 --> 00:23:14,480

uh i did not do any work in terms of

547

00:23:19,270 --> 00:23:15,840

searching for

548

00:23:21,990 --> 00:23:19,280

the kind of work he specialized in

549

00:23:22,950 --> 00:23:22,000

uh and that being because i'd already

550

00:23:24,149 --> 00:23:22,960

had

551
00:23:26,549 --> 00:23:24,159
um

552
00:23:28,470 --> 00:23:26,559
upper body x-rays uh

553
00:23:31,110 --> 00:23:28,480
from uh

554
00:23:33,830 --> 00:23:31,120
dr kandel

555
00:23:38,630 --> 00:23:33,840
and enough nothing was um

556
00:23:43,590 --> 00:23:41,190
a tiny dot in one lung they called it a

557
00:23:46,710 --> 00:23:43,600
granuloma but uh

558
00:23:49,269 --> 00:23:46,720
it probably was just a granuloma

559
00:23:52,789 --> 00:23:49,279
i've had other chest x-rays since then

560
00:23:55,350 --> 00:23:52,799
that didn't comment on such a thing but

561
00:23:58,549 --> 00:23:55,360
at the time there could have been some

562
00:24:03,669 --> 00:24:00,630
um

563
00:24:05,190 --> 00:24:03,679

resolving effect from you know a prior

564

00:24:07,830 --> 00:24:05,200

uh

565

00:24:10,310 --> 00:24:07,840

respiratory infection or something

566

00:24:11,990 --> 00:24:10,320

it wasn't considered real significant at

567

00:24:13,990 --> 00:24:12,000

the time

568

00:24:17,430 --> 00:24:14,000

do you recall the state of your clothes

569

00:24:19,990 --> 00:24:17,440

when you came to and you were found

570

00:24:23,110 --> 00:24:20,000

i believe it was near to the location

571

00:24:28,230 --> 00:24:26,070

yeah um my clothing looked pretty much

572

00:24:30,070 --> 00:24:28,240

the way it did at the time being hit

573

00:24:33,190 --> 00:24:30,080

with that blast of energy the first

574

00:24:35,029 --> 00:24:33,200

thing that we naturally look for was was

575

00:24:37,029 --> 00:24:35,039

there any burn marks or anything like

576
00:24:40,950 --> 00:24:37,039
that but there wasn't

577
00:24:43,029 --> 00:24:40,960
but uh my brother was uh

578
00:24:46,870 --> 00:24:43,039
he'd had some advice from people who had

579
00:24:49,110 --> 00:24:46,880
uh contacted him at the site

580
00:24:52,230 --> 00:24:49,120
to preserve the clothing if i was

581
00:24:54,870 --> 00:24:52,240
returned so he did have me take that off

582
00:24:57,110 --> 00:24:54,880
i changed my clothes these were placed

583
00:24:58,950 --> 00:24:57,120
in a clean

584
00:25:00,789 --> 00:24:58,960
plastic bag

585
00:25:02,549 --> 00:25:00,799
and sealed up

586
00:25:05,510 --> 00:25:02,559
but uh the

587
00:25:07,350 --> 00:25:05,520
planned uh forensic analysis

588
00:25:09,430 --> 00:25:07,360

kind of went by the way because there

589

00:25:11,269 --> 00:25:09,440

was so much

590

00:25:12,789 --> 00:25:11,279

um

591

00:25:14,950 --> 00:25:12,799

turmoil and

592

00:25:16,950 --> 00:25:14,960

just crazy stuff going on

593

00:25:19,669 --> 00:25:16,960

it was sort of forgotten it was in the

594

00:25:21,990 --> 00:25:19,679

trunk and the bag got uh things thrown

595

00:25:24,230 --> 00:25:22,000

in on top of it toward open

596

00:25:25,350 --> 00:25:24,240

and it was considered contaminated at

597

00:25:27,909 --> 00:25:25,360

that point

598

00:25:29,669 --> 00:25:27,919

and uh it wasn't pursued there was a lot

599

00:25:33,350 --> 00:25:29,679

of other things uh

600

00:25:40,310 --> 00:25:35,669

someone here mike mcdonald said what's

601
00:25:44,470 --> 00:25:42,630
my upper lip

602
00:25:45,590 --> 00:25:44,480
many people here are saying thank you

603
00:25:50,549 --> 00:25:45,600
they

604
00:25:53,350 --> 00:25:50,559
applaud your courage

605
00:25:56,950 --> 00:25:53,360
well i would like something

606
00:25:59,510 --> 00:25:56,960
good to come of it um

607
00:26:02,310 --> 00:25:59,520
working on it you know to begin with i

608
00:26:05,269 --> 00:26:02,320
want people to know that this is uh a

609
00:26:06,950 --> 00:26:05,279
real phenomenon and that i think much of

610
00:26:09,669 --> 00:26:06,960
the fear

611
00:26:11,669 --> 00:26:09,679
or fear-mongering

612
00:26:13,510 --> 00:26:11,679
unnecessary much of what hollywood has

613
00:26:15,510 --> 00:26:13,520

done is um

614

00:26:18,630 --> 00:26:15,520

you know

615

00:26:20,549 --> 00:26:18,640

invading monsters kind of an approach

616

00:26:23,430 --> 00:26:20,559

uh

617

00:26:24,710 --> 00:26:23,440

i encountered beatings that were clothed

618

00:26:26,310 --> 00:26:24,720

and

619

00:26:28,230 --> 00:26:26,320

of course in hollywood they're always

620

00:26:30,549 --> 00:26:28,240

completely unclothed so you can see the

621

00:26:32,789 --> 00:26:30,559

monstrous nature of their of their

622

00:26:34,950 --> 00:26:32,799

physical bodies

623

00:26:37,350 --> 00:26:34,960

speaking of the aliens physical

624

00:26:39,269 --> 00:26:37,360

characteristics roger mobby

625

00:26:43,590 --> 00:26:39,279

or mobby wants to know did the aliens

626

00:26:50,070 --> 00:26:46,390

yes in this case uh i imagine there's

627

00:26:52,870 --> 00:26:50,080

varieties out there but

628

00:26:56,149 --> 00:26:52,880

i would say the nose and the mouth are

629

00:26:59,029 --> 00:26:56,159

probably have similar functions to us

630

00:27:02,630 --> 00:26:59,039

other than perhaps speaking maybe maybe

631

00:27:07,669 --> 00:27:05,350

did you happen to watch the ufo incident

632

00:27:10,470 --> 00:27:07,679

i believe that's a film about barney and

633

00:27:12,390 --> 00:27:10,480

betty hill did you happen to watch that

634

00:27:14,710 --> 00:27:12,400

prior to the

635

00:27:17,750 --> 00:27:14,720

yeah years years later

636

00:27:19,510 --> 00:27:17,760

i i saw a little bit of it you know

637

00:27:20,789 --> 00:27:19,520

not the whole thing but

638

00:27:23,990 --> 00:27:20,799

and i had

639

00:27:28,230 --> 00:27:24,000

was actually introduced to betty hill

640

00:27:29,830 --> 00:27:28,240

on the phone by uh dr harder

641

00:27:32,070 --> 00:27:29,840

what i'm curious about is did you happen

642

00:27:34,630 --> 00:27:32,080

to watch it or see the trailer or know

643

00:27:37,350 --> 00:27:34,640

of it prior to your experience

644

00:27:39,830 --> 00:27:37,360

prior to the abduction no

645

00:27:41,830 --> 00:27:39,840

no i i was not aware of that and you

646

00:27:44,070 --> 00:27:41,840

know of course that was one of the first

647

00:27:46,789 --> 00:27:44,080

things that skeptics want to say is oh

648

00:27:49,269 --> 00:27:46,799

he saw the movie uh or tv show or

649

00:27:51,909 --> 00:27:49,279

whatever it was and was inspired to

650

00:27:53,510 --> 00:27:51,919

reenact it but that's that's not true

651
00:27:54,789 --> 00:27:53,520
okay some of these names i don't know

652
00:27:57,669 --> 00:27:54,799
what they're about so if you don't mind

653
00:28:00,230 --> 00:27:57,679
enlightening me steve cambion from truth

654
00:28:03,190 --> 00:28:00,240
seekers also wants to know in the latest

655
00:28:06,149 --> 00:28:03,200
news with mike rogers confessing a hoax

656
00:28:07,430 --> 00:28:06,159
so i'm unclear who mike rogers is

657
00:28:09,430 --> 00:28:07,440
why has

658
00:28:12,549 --> 00:28:09,440
none of the rest of your crew spoken up

659
00:28:16,789 --> 00:28:15,029
well they they have and they all insist

660
00:28:19,110 --> 00:28:16,799
that you know what we saw

661
00:28:22,549 --> 00:28:19,120
we saw what happened happened

662
00:28:26,070 --> 00:28:22,559
and even mike rogers is uh

663
00:28:29,190 --> 00:28:26,080

in the same supposed quote confession

664

00:28:31,990 --> 00:28:29,200

said there i think there is no way this

665

00:28:33,990 --> 00:28:32,000

could have been a hoax well this is a

666

00:28:36,870 --> 00:28:34,000

narrative that's being pushed by a

667

00:28:38,070 --> 00:28:36,880

filmmaker a wannabe filmmaker

668

00:28:41,669 --> 00:28:38,080

truth is he

669

00:28:43,750 --> 00:28:41,679

has no track record no resume but uh

670

00:28:47,029 --> 00:28:43,760

he's the one that's uh designed this

671

00:28:49,430 --> 00:28:47,039

whole scheme to try to

672

00:28:51,269 --> 00:28:49,440

induce mike to

673

00:28:52,310 --> 00:28:51,279

say things that he could use in this

674

00:28:54,789 --> 00:28:52,320

regard

675

00:28:57,830 --> 00:28:54,799

to support the idea that

676
00:29:00,789 --> 00:28:57,840
the crew didn't really see a craft

677
00:29:02,470 --> 00:29:00,799
in the woods that somehow they wound up

678
00:29:03,269 --> 00:29:02,480
miles away

679
00:29:05,350 --> 00:29:03,279
by

680
00:29:07,430 --> 00:29:05,360
a fire watch tower that the forest

681
00:29:10,470 --> 00:29:07,440
service had and that what they really

682
00:29:14,070 --> 00:29:10,480
saw was this fire tower which is just

683
00:29:16,070 --> 00:29:14,080
totally nonsense it's laughable to see

684
00:29:18,710 --> 00:29:16,080
the picture of that and say oh you're

685
00:29:20,789 --> 00:29:18,720
going to mistake that for a glowing disc

686
00:29:22,310 --> 00:29:20,799
you know this thing is on a

687
00:29:25,430 --> 00:29:22,320
sturdy metal

688
00:29:29,430 --> 00:29:25,440

framework structure holding it up

689

00:29:32,630 --> 00:29:31,269

i was standing underneath this thing

690

00:29:34,710 --> 00:29:32,640

there was no

691

00:29:35,430 --> 00:29:34,720

steel legs or any such thing and it's

692

00:29:38,389 --> 00:29:35,440

just

693

00:29:40,950 --> 00:29:38,399

it's it's a real stretch to try

694

00:29:43,750 --> 00:29:40,960

to to claim this somehow the crew didn't

695

00:29:45,350 --> 00:29:43,760

realize they spent another 15 minutes

696

00:29:46,310 --> 00:29:45,360

driving to where this would be or

697

00:29:48,950 --> 00:29:46,320

something

698

00:29:50,470 --> 00:29:48,960

it's it's laughable when you look at all

699

00:29:51,950 --> 00:29:50,480

of the um

700

00:29:55,029 --> 00:29:51,960

deliberate

701
00:29:56,470 --> 00:29:55,039
misrepresentations that have been made

702
00:29:59,430 --> 00:29:56,480
mike rogers

703
00:30:01,110 --> 00:29:59,440
is being cred a claim that he made a

704
00:30:04,070 --> 00:30:01,120
confession

705
00:30:05,990 --> 00:30:04,080
he says and has said a number of times

706
00:30:07,590 --> 00:30:06,000
since then no

707
00:30:10,470 --> 00:30:07,600
i did not say that

708
00:30:12,789 --> 00:30:10,480
this happened just exactly as we

709
00:30:14,789 --> 00:30:12,799
described it who is mike rogers one of

710
00:30:16,870 --> 00:30:14,799
your friends who was there oh he was the

711
00:30:20,310 --> 00:30:16,880
crew boss he was driving the truck that

712
00:30:22,870 --> 00:30:20,320
night uh taking the whole all seven of

713
00:30:26,149 --> 00:30:22,880

us home that night and you mentioned

714

00:30:28,230 --> 00:30:26,159

that there's a filmmaker involved

715

00:30:31,190 --> 00:30:28,240

oh he calls himself a filmmaker but like

716

00:30:34,830 --> 00:30:31,200

i say he has no no resume no

717

00:30:38,630 --> 00:30:34,840

no history of ever having made a film

718

00:30:39,669 --> 00:30:38,640

um he's really really kind of a strange

719

00:30:40,470 --> 00:30:39,679

character

720

00:30:48,630 --> 00:30:40,480

no

721

00:30:55,590 --> 00:30:51,669

just mysteriously encountered mike at

722

00:30:57,269 --> 00:30:55,600

the site just a wild coincidence

723

00:31:00,070 --> 00:30:57,279

mike was there you know doing something

724

00:31:01,269 --> 00:31:00,080

for mufon and he just happens to run

725

00:31:01,990 --> 00:31:01,279

into mike

726
00:31:04,710 --> 00:31:02,000
but

727
00:31:07,990 --> 00:31:04,720
mike's got some health problems and

728
00:31:09,029 --> 00:31:08,000
struggles with um

729
00:31:13,430 --> 00:31:09,039
um

730
00:31:15,830 --> 00:31:13,440
the site is a couple of thousand feet

731
00:31:19,350 --> 00:31:15,840
higher than where he lives

732
00:31:27,430 --> 00:31:22,630
there's a there's a was a great deal of

733
00:31:29,190 --> 00:31:27,440
uh strain just just being there

734
00:31:30,789 --> 00:31:29,200
on mike rogers

735
00:31:33,830 --> 00:31:30,799
and uh

736
00:31:35,029 --> 00:31:33,840
this supposed confession was

737
00:31:37,509 --> 00:31:35,039
uh

738
00:31:38,630 --> 00:31:37,519

made over a phone

739

00:31:39,830 --> 00:31:38,640

uh

740

00:31:41,789 --> 00:31:39,840

and

741

00:31:43,669 --> 00:31:41,799

leading sorts of

742

00:31:44,549 --> 00:31:43,679

suggestions to

743

00:31:48,149 --> 00:31:44,559

uh

744

00:31:49,430 --> 00:31:48,159

to me it's not clear at all i i would

745

00:31:54,070 --> 00:31:49,440

in

746

00:31:56,470 --> 00:31:54,080

lies that this

747

00:31:58,630 --> 00:31:56,480

supposed filmmaker made

748

00:32:01,750 --> 00:31:58,640

uh in the course of this whole operation

749

00:32:04,230 --> 00:32:01,760

just flat out provable just

750

00:32:08,310 --> 00:32:04,240

concoctions out of thin air

751

00:32:10,070 --> 00:32:08,320

i would uh take mike's uh

752

00:32:12,549 --> 00:32:10,080

description of things

753

00:32:14,470 --> 00:32:12,559

over his in spite of the fact that i've

754

00:32:15,750 --> 00:32:14,480

had quite a falling out with him in

755

00:32:18,070 --> 00:32:15,760

terms of uh

756

00:32:19,190 --> 00:32:18,080

other kinds of uh

757

00:32:21,110 --> 00:32:19,200

um

758

00:32:23,669 --> 00:32:21,120

things that he's uh

759

00:32:26,870 --> 00:32:23,679

come to his spouse in his

760

00:32:29,990 --> 00:32:28,710

you have to elucidate me because i don't

761

00:32:32,549 --> 00:32:30,000

know the relationship between this

762

00:32:34,310 --> 00:32:32,559

filmmaker and you and mike so is this

763

00:32:35,909 --> 00:32:34,320

filmmaker someone who is interested in

764

00:32:37,509 --> 00:32:35,919

doing a documentary or a film on

765

00:32:40,549 --> 00:32:37,519

something comes

766

00:32:42,710 --> 00:32:40,559

well that was that was the supposed uh a

767

00:32:44,549 --> 00:32:42,720

year before all this

768

00:32:47,430 --> 00:32:44,559

um i had

769

00:32:50,230 --> 00:32:47,440

a few conversations with him about

770

00:32:53,029 --> 00:32:50,240

making a documentary

771

00:32:56,630 --> 00:32:53,039

and i told him no i'm not going to do

772

00:32:59,029 --> 00:32:56,640

anything with you and cut it off and i

773

00:33:00,630 --> 00:32:59,039

gave him largely my reason is this

774

00:33:02,149 --> 00:33:00,640

ridiculous

775

00:33:05,430 --> 00:33:02,159

um

776

00:33:06,630 --> 00:33:05,440

fire tower uh theory that he was so

777

00:33:08,630 --> 00:33:06,640

anxious to

778

00:33:11,990 --> 00:33:08,640

uh find support for

779

00:33:12,710 --> 00:33:12,000

but um one lie that he tells is that i

780

00:33:15,509 --> 00:33:12,720

was

781

00:33:18,149 --> 00:33:15,519

in deep discussions with him about

782

00:33:19,750 --> 00:33:18,159

a big budget remake of fire in the sky

783

00:33:21,190 --> 00:33:19,760

i never would have done that that's

784

00:33:23,350 --> 00:33:21,200

ridiculous

785

00:33:25,750 --> 00:33:23,360

uh i have all the

786

00:33:27,990 --> 00:33:25,760

email exchanges at the time and the

787

00:33:30,149 --> 00:33:28,000

nothing of the sort was said

788

00:33:31,909 --> 00:33:30,159

and i've turned down a number of people

789

00:33:34,630 --> 00:33:31,919

you know we just fly by night filmmakers

790

00:33:36,230 --> 00:33:34,640

and say i'll do that i'll do the remake

791

00:33:39,029 --> 00:33:36,240

and uh

792

00:33:41,750 --> 00:33:39,039

i wasn't looking for uh somebody that

793

00:33:43,350 --> 00:33:41,760

wanted to just kind of do something and

794

00:33:45,110 --> 00:33:43,360

capitalize on

795

00:33:47,750 --> 00:33:45,120

the fame of the incident but somebody

796

00:33:49,750 --> 00:33:47,760

who really seriously wanted to do a

797

00:33:52,549 --> 00:33:49,760

better remake

798

00:33:54,789 --> 00:33:52,559

and uh a group of people

799

00:33:56,950 --> 00:33:54,799

who have those qualifications contacted

800

00:33:58,789 --> 00:33:56,960

me recently they called me

801

00:34:01,110 --> 00:33:58,799

uh you know i've put it out there for

802

00:34:03,750 --> 00:34:01,120

quite some time that i would like to see

803

00:34:06,630 --> 00:34:03,760

a remake of the movie but

804

00:34:09,829 --> 00:34:06,640

this wannabe guy uh

805

00:34:11,109 --> 00:34:09,839

concocted a pretty elaborate

806

00:34:13,589 --> 00:34:11,119

scheme

807

00:34:16,389 --> 00:34:13,599

to uh

808

00:34:18,389 --> 00:34:16,399

provoke these things uh

809

00:34:20,950 --> 00:34:18,399

in mike who

810

00:34:23,270 --> 00:34:20,960

you know he's not as good of health as

811

00:34:26,149 --> 00:34:23,280

he has been in the past he was very

812

00:34:28,950 --> 00:34:26,159

vigorous uh high performing it did

813

00:34:31,669 --> 00:34:28,960

you know performed very well in

814

00:34:34,069 --> 00:34:31,679

the logging festivals and those kinds of

815

00:34:37,190 --> 00:34:34,079

things but he's had a couple of strokes

816

00:34:38,389 --> 00:34:37,200

and uh some other medical issues that i

817

00:34:40,069 --> 00:34:38,399

you know

818

00:34:41,589 --> 00:34:40,079

respect his privacy

819

00:34:46,550 --> 00:34:41,599

um

820

00:34:50,790 --> 00:34:46,560

i i i tell him i think he's delusional

821

00:34:53,430 --> 00:34:50,800

uh he angrily rejects that theory but i

822

00:34:54,710 --> 00:34:53,440

think this wannabe guy was taking

823

00:34:55,909 --> 00:34:54,720

advantage

824

00:34:57,589 --> 00:34:55,919

of

825

00:34:58,870 --> 00:34:57,599

mike's um

826
00:35:01,829 --> 00:34:58,880
let's call it

827
00:35:02,630 --> 00:35:01,839
varying states of uh

828
00:35:05,510 --> 00:35:02,640
and

829
00:35:08,630 --> 00:35:05,520
to try to push this narrative because he

830
00:35:11,270 --> 00:35:08,640
wanted to be the guy that was going to

831
00:35:12,230 --> 00:35:11,280
tear it all down because it was really

832
00:35:15,270 --> 00:35:12,240
um

833
00:35:17,510 --> 00:35:15,280
the gentry tower fire lookout uh

834
00:35:19,510 --> 00:35:17,520
miles away from there it's just totally

835
00:35:23,750 --> 00:35:19,520
ridiculous

836
00:35:28,310 --> 00:35:24,550
no

837
00:35:31,109 --> 00:35:29,750
um

838
00:35:34,630 --> 00:35:31,119

why would i want to make him famous

839

00:35:39,190 --> 00:35:36,710

um

840

00:35:39,990 --> 00:35:39,200

i have a nickname for him sure his first

841

00:35:42,310 --> 00:35:40,000

name

842

00:35:44,870 --> 00:35:42,320

rhymes with lion

843

00:35:47,589 --> 00:35:44,880

because he's always lying but other than

844

00:35:49,990 --> 00:35:47,599

that i'm not gonna yeah

845

00:35:51,510 --> 00:35:50,000

okay well i have a question here about

846

00:35:53,750 --> 00:35:51,520

ryan and i assume then it's the same

847

00:35:55,910 --> 00:35:53,760

person the question is in a phone call

848

00:35:57,670 --> 00:35:55,920

with ryan

849

00:35:59,190 --> 00:35:57,680

you said this is what this person is

850

00:35:59,990 --> 00:35:59,200

saying this is what steve campion is

851
00:36:02,230 --> 00:36:00,000

saying

852
00:36:05,030 --> 00:36:02,240

you said someone else was posting on

853
00:36:10,150 --> 00:36:05,040

your facebook on your behalf so who is

854
00:36:15,430 --> 00:36:12,630

well that was just speculation about

855
00:36:17,990 --> 00:36:15,440

people uh going online and pretending to

856
00:36:19,109 --> 00:36:18,000

be me i mean that's ridiculous how often

857
00:36:21,750 --> 00:36:19,119

that happens

858
00:36:23,910 --> 00:36:21,760

imposters that's all i'm not there

859
00:36:28,390 --> 00:36:23,920

wasn't any some particular thing that

860
00:36:30,470 --> 00:36:28,400

was being discussed you know i had

861
00:36:32,790 --> 00:36:30,480

some strange people over the years

862
00:36:35,349 --> 00:36:32,800

people claiming to be

863
00:36:37,829 --> 00:36:35,359

other than who they were

864

00:36:39,109 --> 00:36:37,839

someone claiming to be the sheriff's

865

00:36:42,390 --> 00:36:39,119

nephew

866

00:36:44,710 --> 00:36:42,400

i talked to the sheriff about it and uh

867

00:36:46,870 --> 00:36:44,720

didn't know who this could possibly be

868

00:36:48,150 --> 00:36:46,880

claiming to know my kids and their

869

00:36:50,069 --> 00:36:48,160

cousin

870

00:36:52,950 --> 00:36:50,079

they don't know who it could possibly be

871

00:36:55,510 --> 00:36:52,960

but he was making ridiculous claims

872

00:36:58,069 --> 00:36:55,520

that he had the inside story people do

873

00:37:00,150 --> 00:36:58,079

this all the time there's something big

874

00:37:01,589 --> 00:37:00,160

in the news and i live in this area so

875

00:37:03,349 --> 00:37:01,599

i'll make up some

876

00:37:06,230 --> 00:37:03,359

connection to this

877

00:37:09,190 --> 00:37:06,240

to gain attention so he said when they

878

00:37:12,230 --> 00:37:09,200

recovered my me from the phone booth

879

00:37:13,670 --> 00:37:12,240

that my stomach was covered with dirty

880

00:37:15,670 --> 00:37:13,680

needle marks

881

00:37:17,510 --> 00:37:15,680

this is to suggest that the whole thing

882

00:37:18,630 --> 00:37:17,520

was a drug hallucination

883

00:37:26,870 --> 00:37:18,640

um

884

00:37:29,510 --> 00:37:26,880

examinations

885

00:37:31,109 --> 00:37:29,520

by a number of doctors

886

00:37:33,990 --> 00:37:31,119

right after that

887

00:37:36,710 --> 00:37:34,000

and blood and urine samples were

888

00:37:38,870 --> 00:37:36,720

submitted to the maricopa county medical

889

00:37:41,430 --> 00:37:38,880

examiner's drug screen

890

00:37:45,510 --> 00:37:41,440

showed no trace of any drug

891

00:37:48,310 --> 00:37:45,520

and of course the doctor examined uh my

892

00:37:51,190 --> 00:37:48,320

naked body and there was no such marks

893

00:37:53,349 --> 00:37:51,200

on me it was just a way to claim

894

00:37:55,430 --> 00:37:53,359

uh some connection to something there's

895

00:37:57,510 --> 00:37:55,440

a whole bot a bunch of other stuff that

896

00:37:59,030 --> 00:37:57,520

he was claiming that were just

897

00:38:01,109 --> 00:37:59,040

uh about

898

00:38:02,150 --> 00:38:01,119

where allen lived

899

00:38:04,470 --> 00:38:02,160

you know

900

00:38:06,310 --> 00:38:04,480

that he lived in concho which is a

901
00:38:08,150 --> 00:38:06,320
quarter mile from snowflake

902
00:38:11,270 --> 00:38:08,160
i mean this guy didn't even know the

903
00:38:13,589 --> 00:38:11,280
geography of the area and he's a faking

904
00:38:16,630 --> 00:38:13,599
faking life after life but you know what

905
00:38:18,630 --> 00:38:16,640
so many people online spotted his lies

906
00:38:21,750 --> 00:38:18,640
they were jumping before i even found

907
00:38:25,670 --> 00:38:23,750
but there's other connections other

908
00:38:27,910 --> 00:38:25,680
people that um you know

909
00:38:29,510 --> 00:38:27,920
some some a little bit more benign some

910
00:38:31,030 --> 00:38:29,520
friendly you know there was a guy that i

911
00:38:34,069 --> 00:38:31,040
was friends with

912
00:38:36,390 --> 00:38:34,079
that said because he lived in heber

913
00:38:38,870 --> 00:38:36,400

that when i made that phone call that

914

00:38:41,270 --> 00:38:38,880

night for my family to rescue me

915

00:38:43,990 --> 00:38:41,280

that i called him first and he wasn't

916

00:38:45,190 --> 00:38:44,000

home so then i called my family

917

00:38:47,589 --> 00:38:45,200

um

918

00:38:50,069 --> 00:38:47,599

that's

919

00:38:51,190 --> 00:38:50,079

an impossible set of priorities there

920

00:38:52,550 --> 00:38:51,200

and

921

00:38:57,190 --> 00:38:52,560

it's totally

922

00:39:00,390 --> 00:38:57,200

falsified by the fact that when i called

923

00:39:01,190 --> 00:39:00,400

it was a collect call i had no money on

924

00:39:04,710 --> 00:39:01,200

me

925

00:39:06,790 --> 00:39:04,720

uh the operator listened in on the call

926
00:39:09,270 --> 00:39:06,800
and reported to the sheriff

927
00:39:10,550 --> 00:39:09,280
and the sheriff sent officers over there

928
00:39:11,750 --> 00:39:10,560
that night

929
00:39:15,270 --> 00:39:11,760
so

930
00:39:16,150 --> 00:39:15,280
there was only one call made and it was

931
00:39:18,069 --> 00:39:16,160
just

932
00:39:20,230 --> 00:39:18,079
a kind of a

933
00:39:21,829 --> 00:39:20,240
somebody trying to be important you know

934
00:39:23,829 --> 00:39:21,839
i know this guy and

935
00:39:26,950 --> 00:39:23,839
you know there were another a few other

936
00:39:29,349 --> 00:39:26,960
claims that uh oh here's one

937
00:39:30,390 --> 00:39:29,359
i worked with travis on the loud landing

938
00:39:32,470 --> 00:39:30,400

and

939

00:39:35,589 --> 00:39:32,480

every morning when he'd come in

940

00:39:39,990 --> 00:39:35,599

he'd take off his hard hat and line it

941

00:39:45,030 --> 00:39:42,150

basically saying travis is a tennis oil

942

00:39:46,310 --> 00:39:45,040

hat guy and uh this is totally i never

943

00:39:49,589 --> 00:39:46,320

worked with

944

00:39:53,030 --> 00:39:49,599

this guy on any log landing anywhere and

945

00:39:55,990 --> 00:39:53,040

uh there were never any tinfoil in my

946

00:39:58,390 --> 00:39:56,000

hard hat

947

00:40:00,390 --> 00:39:58,400

a few people here are saying

948

00:40:01,670 --> 00:40:00,400

that i never doubted you travis that's

949

00:40:05,190 --> 00:40:01,680

memo type

950

00:40:08,870 --> 00:40:06,790

well there's many plaudits in the

951
00:40:10,870 --> 00:40:08,880
comments i can't get to them all well i

952
00:40:13,750 --> 00:40:10,880
appreciate that and i i would like to

953
00:40:17,349 --> 00:40:13,760
say thank you to those people

954
00:40:19,430 --> 00:40:17,359
archer emissary of gorgonites asks

955
00:40:22,230 --> 00:40:19,440
is he familiar with the skinny bob

956
00:40:26,630 --> 00:40:22,240
videos the alien leaked footage and if

957
00:40:31,750 --> 00:40:29,430
i have heard that term and uh i

958
00:40:32,950 --> 00:40:31,760
to the best of my knowledge i i don't

959
00:40:35,349 --> 00:40:32,960
think um

960
00:40:37,349 --> 00:40:35,359
that description matches

961
00:40:39,589 --> 00:40:37,359
it's you know people say oh they were

962
00:40:42,230 --> 00:40:39,599
the grays you know

963
00:40:45,349 --> 00:40:42,240

it might be that

964

00:40:47,990 --> 00:40:45,359

sentient humanoids will tend to go in

965

00:40:50,309 --> 00:40:48,000

that direction

966

00:40:51,589 --> 00:40:50,319

it wouldn't surprise me to learn

967

00:40:53,750 --> 00:40:51,599

that

968

00:40:56,790 --> 00:40:53,760

what's called the grays could actually

969

00:40:59,430 --> 00:40:56,800

be separate species you know even coming

970

00:41:00,309 --> 00:40:59,440

from different places

971

00:41:04,390 --> 00:41:00,319

although

972

00:41:06,950 --> 00:41:04,400

you know end up looking very similar

973

00:41:08,950 --> 00:41:06,960

debt wodify wants to know if you recall

974

00:41:11,829 --> 00:41:08,960

any distinctive smells from the

975

00:41:16,630 --> 00:41:13,990

well that's a pretty common question but

976

00:41:19,349 --> 00:41:16,640

um the only thing i remember about odors

977

00:41:22,309 --> 00:41:19,359

especially when i first woke up was um

978

00:41:24,470 --> 00:41:22,319

just the feeling of suffocation i

979

00:41:27,910 --> 00:41:24,480

couldn't get enough air

980

00:41:32,150 --> 00:41:30,230

um the feeling that something was very

981

00:41:33,670 --> 00:41:32,160

wrong inside something

982

00:41:37,750 --> 00:41:33,680

um

983

00:41:39,430 --> 00:41:37,760

i like uh i was suffocating and that the

984

00:41:41,030 --> 00:41:39,440

air was

985

00:41:43,190 --> 00:41:41,040

um

986

00:41:45,270 --> 00:41:43,200

probably less oxygenated but certainly a

987

00:41:47,109 --> 00:41:45,280

lot more humid than

988

00:41:48,790 --> 00:41:47,119

normal

989

00:41:53,270 --> 00:41:48,800

jackson vega wants to know what do you

990

00:41:57,510 --> 00:41:55,349

um never met him

991

00:42:00,829 --> 00:41:57,520

i've even been places where he was also

992

00:42:09,030 --> 00:42:02,390

i

993

00:42:11,430 --> 00:42:09,040

and he never uh

994

00:42:13,589 --> 00:42:11,440

saw me out so never had a conversation

995

00:42:14,710 --> 00:42:13,599

with him

996

00:42:16,870 --> 00:42:14,720

what are some of the people that you

997

00:42:18,470 --> 00:42:16,880

consider to be most credible see for me

998

00:42:20,950 --> 00:42:18,480

i'm a novice in this field and i don't

999

00:42:22,870 --> 00:42:20,960

know who to trust who not to trust so i

1000

00:42:24,710 --> 00:42:22,880

approach each person with an open mind

1001
00:42:26,550 --> 00:42:24,720
and i assume what they're saying is true

1002
00:42:28,309 --> 00:42:26,560
and i just talk to them as if they're

1003
00:42:30,630 --> 00:42:28,319
being honest

1004
00:42:31,589 --> 00:42:30,640
but obviously some people are misleading

1005
00:42:33,910 --> 00:42:31,599
and

1006
00:42:35,910 --> 00:42:33,920
i don't have enough experience i'm

1007
00:42:37,190 --> 00:42:35,920
unclear if you can get enough experience

1008
00:42:39,270 --> 00:42:37,200
to be able to discern what's

1009
00:42:40,950 --> 00:42:39,280
misinformation

1010
00:42:43,109 --> 00:42:40,960
but

1011
00:42:47,270 --> 00:42:43,119
either way who do you consider to be the

1012
00:42:53,430 --> 00:42:50,710
well i agree that not all you hear at

1013
00:42:55,990 --> 00:42:53,440

events or things that are made public

1014

00:42:57,430 --> 00:42:56,000

are on the same

1015

00:42:59,030 --> 00:42:57,440

type of

1016

00:43:00,470 --> 00:42:59,040

plane is what

1017

00:43:03,990 --> 00:43:00,480

we experienced

1018

00:43:09,190 --> 00:43:06,309

i i think in in some cases they're just

1019

00:43:11,670 --> 00:43:09,200

outright lies but in many cases these

1020

00:43:12,470 --> 00:43:11,680

are people who have had some sort of

1021

00:43:16,150 --> 00:43:12,480

very

1022

00:43:16,950 --> 00:43:16,160

vivid experience that they truly believe

1023

00:43:18,950 --> 00:43:16,960

but

1024

00:43:20,069 --> 00:43:18,960

probably didn't actually happen

1025

00:43:22,230 --> 00:43:20,079

but

1026

00:43:24,230 --> 00:43:22,240

i that would be so presumptuous you know

1027

00:43:26,630 --> 00:43:24,240

how many people passed judgment on me

1028

00:43:28,470 --> 00:43:26,640

without having investigated my case

1029

00:43:30,470 --> 00:43:28,480

happens constantly

1030

00:43:33,109 --> 00:43:30,480

they they're they're so poorly versed

1031

00:43:35,349 --> 00:43:33,119

they they jumbled on the on the details

1032

00:43:37,109 --> 00:43:35,359

but yet they're attacking uh they made

1033

00:43:39,750 --> 00:43:37,119

up their minds before they even look at

1034

00:43:41,030 --> 00:43:39,760

the facts so i never wanted to be guilty

1035

00:43:41,910 --> 00:43:41,040

of that to

1036

00:43:44,309 --> 00:43:41,920

um

1037

00:43:47,270 --> 00:43:44,319

say who's authentic and who's not just

1038

00:43:49,349 --> 00:43:47,280

on base of my impression i definitely do

1039

00:43:52,069 --> 00:43:49,359

have those kinds of impressions there

1040

00:43:54,470 --> 00:43:52,079

are some people that i believe have

1041

00:43:55,270 --> 00:43:54,480

definitely had authentic

1042

00:43:57,030 --> 00:43:55,280

they're

1043

00:43:57,910 --> 00:43:57,040

really recounting things that happened

1044

00:43:59,030 --> 00:43:57,920

to them

1045

00:44:01,030 --> 00:43:59,040

and others

1046

00:44:03,510 --> 00:44:01,040

perhaps not but but

1047

00:44:05,750 --> 00:44:03,520

i've made a policy of not pointing to

1048

00:44:10,390 --> 00:44:05,760

which ones are

1049

00:44:12,950 --> 00:44:10,400

what led you to believe that the people

1050

00:44:14,710 --> 00:44:12,960

who are good are good

1051
00:44:16,309 --> 00:44:14,720
like what are you picking up on or is it

1052
00:44:17,589 --> 00:44:16,319
subtle body language is it something

1053
00:44:19,349 --> 00:44:17,599
that they say that's consistent with

1054
00:44:20,790 --> 00:44:19,359
your experience that only those in the

1055
00:44:22,550 --> 00:44:20,800
know

1056
00:44:24,470 --> 00:44:22,560
no many many things

1057
00:44:26,870 --> 00:44:24,480
goes into that you know it's kind of

1058
00:44:28,710 --> 00:44:26,880
just the same way you and i size each

1059
00:44:30,230 --> 00:44:28,720
other up when we have a conversation you

1060
00:44:32,630 --> 00:44:30,240
know um

1061
00:44:37,190 --> 00:44:32,640
there are some people you can tell

1062
00:44:41,750 --> 00:44:39,190
for varicators in a kind of a way they

1063
00:44:42,870 --> 00:44:41,760

look at reality in a way that feeds

1064

00:44:44,790 --> 00:44:42,880

their

1065

00:44:46,150 --> 00:44:44,800

self-esteem

1066

00:44:49,430 --> 00:44:46,160

um

1067

00:44:51,430 --> 00:44:49,440

these people are called narcissists

1068

00:44:54,309 --> 00:44:51,440

a narcissist

1069

00:44:56,390 --> 00:44:54,319

is a form of mental illness

1070

00:44:58,309 --> 00:44:56,400

but it's really quite common and quite

1071

00:45:00,710 --> 00:44:58,319

destructive

1072

00:45:03,109 --> 00:45:00,720

but um when people hear the term

1073

00:45:05,030 --> 00:45:03,119

narcissist they think of

1074

00:45:07,430 --> 00:45:05,040

uh oh well

1075

00:45:09,589 --> 00:45:07,440

the old greek legend or whatever it was

1076

00:45:11,910 --> 00:45:09,599

that where the name came from

1077

00:45:13,349 --> 00:45:11,920

it was supposedly

1078

00:45:15,829 --> 00:45:13,359

um

1079

00:45:18,870 --> 00:45:15,839

some character in mythology who just

1080

00:45:21,030 --> 00:45:18,880

uh was entranced by his own image in in

1081

00:45:24,309 --> 00:45:21,040

the mirror and the reflection

1082

00:45:26,550 --> 00:45:24,319

well no narcissism has is kind of a

1083

00:45:27,589 --> 00:45:26,560

sickness of uh

1084

00:45:30,069 --> 00:45:27,599

uh

1085

00:45:33,030 --> 00:45:30,079

floundering self-esteem

1086

00:45:34,470 --> 00:45:33,040

that can be extremely

1087

00:45:38,710 --> 00:45:34,480

dangerous

1088

00:45:44,790 --> 00:45:42,069

when when you say somebody's delusional

1089

00:45:47,349 --> 00:45:44,800

they think you're talking about somebody

1090

00:45:48,309 --> 00:45:47,359

who sees pink elephants in the room or

1091

00:45:50,550 --> 00:45:48,319

is

1092

00:45:53,270 --> 00:45:50,560

mindlessly jabbering

1093

00:45:55,670 --> 00:45:54,870

incoherently

1094

00:45:57,270 --> 00:45:55,680

but

1095

00:46:01,109 --> 00:45:57,280

no people uh

1096

00:46:02,870 --> 00:46:01,119

that are of an

1097

00:46:04,630 --> 00:46:02,880

mental

1098

00:46:05,910 --> 00:46:04,640

illness of this sort

1099

00:46:08,069 --> 00:46:05,920

uh can be

1100

00:46:09,829 --> 00:46:08,079

very good at um

1101

00:46:12,069 --> 00:46:09,839

making things

1102

00:46:15,670 --> 00:46:12,079

fit the narrative you know

1103

00:46:18,069 --> 00:46:15,680

they they have um

1104

00:46:19,910 --> 00:46:18,079

paranoid delusions that people are

1105

00:46:20,870 --> 00:46:19,920

plotting against them or the things

1106

00:46:23,430 --> 00:46:20,880

occurred

1107

00:46:25,750 --> 00:46:23,440

in the basis of no evidence at all but

1108

00:46:26,870 --> 00:46:25,760

it's uh they're totally convinced by it

1109

00:46:29,430 --> 00:46:26,880

because

1110

00:46:31,510 --> 00:46:29,440

uh they need to believe it for various

1111

00:46:33,829 --> 00:46:31,520

psychological reasons

1112

00:46:36,470 --> 00:46:33,839

and uh

1113

00:46:39,430 --> 00:46:36,480

potentially very harmful uh mental

1114

00:46:45,589 --> 00:46:41,750

travis is there any aspect about the

1115

00:46:47,190 --> 00:46:45,599

1975 case that you can't talk about for

1116

00:46:49,670 --> 00:46:47,200

some reason such as the government told

1117

00:46:51,990 --> 00:46:49,680

you don't talk about this aspect or that

1118

00:46:53,829 --> 00:46:52,000

it breaches confidentiality of a friend

1119

00:46:56,950 --> 00:46:53,839

some reason you can't talk about it

1120

00:46:59,430 --> 00:46:56,960

besides the personal pain

1121

00:47:01,270 --> 00:46:59,440

yes and for that reason i'm not going to

1122

00:47:04,309 --> 00:47:01,280

talk about it but you know i just don't

1123

00:47:07,670 --> 00:47:04,319

want to uh compromise people who are

1124

00:47:08,870 --> 00:47:07,680

supposed to keep secrets that confided

1125

00:47:11,190 --> 00:47:08,880

you know

1126
00:47:13,750 --> 00:47:11,200
that's what the word confided means you

1127
00:47:15,190 --> 00:47:13,760
know i they take me into their

1128
00:47:17,589 --> 00:47:15,200
confidence and

1129
00:47:19,829 --> 00:47:17,599
and i'll i'll try to

1130
00:47:22,950 --> 00:47:19,839
um abide by that

1131
00:47:25,990 --> 00:47:24,630
so what i'm wondering is i'm sure there

1132
00:47:27,750 --> 00:47:26,000
are aspects like you might just mention

1133
00:47:30,150 --> 00:47:27,760
that you can't talk about now one of

1134
00:47:31,750 --> 00:47:30,160
those reasons is because of

1135
00:47:33,190 --> 00:47:31,760
because you made an oath to a friend

1136
00:47:34,630 --> 00:47:33,200
perhaps

1137
00:47:37,510 --> 00:47:34,640
can you talk about why you can't talk

1138
00:47:39,430 --> 00:47:37,520

about it rather than talking about it

1139

00:47:42,790 --> 00:47:39,440

well if they're in a position where

1140

00:47:44,230 --> 00:47:42,800

they're sworn to secrecy if they are um

1141

00:47:50,790 --> 00:47:44,240

uh

1142

00:47:53,670 --> 00:47:52,870

i can't think of the word it starts with

1143

00:47:54,950 --> 00:47:53,680

a c

1144

00:48:00,710 --> 00:47:54,960

um

1145

00:48:03,109 --> 00:48:00,720

take an oath in in the military or some

1146

00:48:04,150 --> 00:48:03,119

other official organization

1147

00:48:05,750 --> 00:48:04,160

um

1148

00:48:07,990 --> 00:48:05,760

certain things or

1149

00:48:08,790 --> 00:48:08,000

some types of information

1150

00:48:10,710 --> 00:48:08,800

are

1151
00:48:13,190 --> 00:48:10,720
off limits and uh there's a word for

1152
00:48:14,870 --> 00:48:13,200
that and i'm just kidding

1153
00:48:16,790 --> 00:48:14,880
by the way anyone who's watching right

1154
00:48:18,549 --> 00:48:16,800
now can you please send me the link to

1155
00:48:21,030 --> 00:48:18,559
the skinny bob video then i'll send it

1156
00:48:22,790 --> 00:48:21,040
to you travis and you can respond over

1157
00:48:26,230 --> 00:48:22,800
email if it looks similar because i

1158
00:48:29,030 --> 00:48:27,510
is that correct that you haven't seen

1159
00:48:30,549 --> 00:48:29,040
this you've only heard about the skinny

1160
00:48:32,390 --> 00:48:30,559
bob video

1161
00:48:34,390 --> 00:48:32,400
are you showing me the video no no no

1162
00:48:35,990 --> 00:48:34,400
i'm asking you have you seen the video

1163
00:48:38,950 --> 00:48:36,000

or have you only heard about the video

1164

00:48:42,390 --> 00:48:38,960

uh i may have but i think it's something

1165

00:48:45,190 --> 00:48:42,400

very vague and not remotely like the the

1166

00:48:46,230 --> 00:48:45,200

small you know three four feet tall

1167

00:48:48,390 --> 00:48:46,240

grays

1168

00:48:50,630 --> 00:48:48,400

that i encountered

1169

00:48:53,430 --> 00:48:50,640

where the term skinny bob came from is a

1170

00:48:56,390 --> 00:48:53,440

strange terminology and oh and the word

1171

00:48:57,829 --> 00:48:56,400

is classified people are saying

1172

00:48:59,349 --> 00:48:57,839

that you were looking for the word that

1173

00:49:01,190 --> 00:48:59,359

starts with c

1174

00:49:02,790 --> 00:49:01,200

has this experience affected your

1175

00:49:04,470 --> 00:49:02,800

outlook on life

1176

00:49:08,710 --> 00:49:04,480

particularly with your relationship to

1177

00:49:12,950 --> 00:49:11,109

definitely definitely affected uh you

1178

00:49:15,750 --> 00:49:12,960

know you've got to come to some sort of

1179

00:49:17,990 --> 00:49:15,760

an understanding that's more universal

1180

00:49:18,990 --> 00:49:18,000

you know the fact that we have

1181

00:49:20,630 --> 00:49:19,000

um

1182

00:49:22,230 --> 00:49:20,640

denominations

1183

00:49:24,549 --> 00:49:22,240

within religions

1184

00:49:26,309 --> 00:49:24,559

and it's it's not just christianity it's

1185

00:49:29,030 --> 00:49:26,319

uh other arab and

1186

00:49:30,710 --> 00:49:29,040

eastern religions that have factions and

1187

00:49:32,069 --> 00:49:30,720

uh

1188

00:49:34,309 --> 00:49:32,079

ultimate truth

1189

00:49:36,710 --> 00:49:34,319

needs to be singular

1190

00:49:39,829 --> 00:49:36,720

to start with you know it's just

1191

00:49:41,990 --> 00:49:39,839

my biased thinking that's my personal

1192

00:49:43,990 --> 00:49:42,000

interpretation of it but uh

1193

00:49:46,309 --> 00:49:44,000

these are profound questions they're

1194

00:49:50,150 --> 00:49:46,319

we're talking about

1195

00:49:52,470 --> 00:49:50,160

all of creation the universe and so um

1196

00:49:54,069 --> 00:49:52,480

definitely needs to be compatible with

1197

00:49:54,870 --> 00:49:54,079

uh

1198

00:49:56,790 --> 00:49:54,880

um

1199

00:50:01,349 --> 00:49:56,800

common sense

1200

00:50:07,670 --> 00:50:04,470

you're seeking truth not just

1201

00:50:07,680 --> 00:50:12,630

back up your your faction

1202

00:50:16,870 --> 00:50:14,390

let's talk about some of the visual

1203

00:50:20,069 --> 00:50:16,880

aspects of what happened when you were

1204

00:50:22,870 --> 00:50:20,079

abducted in 1975 so you mentioned that

1205

00:50:24,870 --> 00:50:22,880

visually they look like humans

1206

00:50:26,390 --> 00:50:24,880

and i believe on joe rogan you describe

1207

00:50:29,109 --> 00:50:26,400

him as wait a minute wait a minute

1208

00:50:31,030 --> 00:50:29,119

humanoid humanoid a humanoid does not

1209

00:50:32,870 --> 00:50:31,040

mean looking like people in that pass on

1210

00:50:35,910 --> 00:50:32,880

the street in

1211

00:50:38,549 --> 00:50:35,920

my town humanoid means two arms two legs

1212

00:50:41,270 --> 00:50:38,559

ahead on top eyes in front uh rather

1213

00:50:43,589 --> 00:50:41,280

than being looking like a large crab or

1214

00:50:48,470 --> 00:50:45,990

cockroach or something of that nature

1215

00:50:50,950 --> 00:50:48,480

so a lot of people have a

1216

00:50:53,190 --> 00:50:50,960

misconception uh but the grays are

1217

00:50:55,670 --> 00:50:53,200

humanoid and then there were other

1218

00:50:59,670 --> 00:50:55,680

beings that are if they were living

1219

00:51:02,710 --> 00:50:59,680

beings that were brought in in order to

1220

00:51:05,190 --> 00:51:02,720

interrupt my combativeness i was uh

1221

00:51:06,950 --> 00:51:05,200

fighting them and i think the effort was

1222

00:51:09,750 --> 00:51:06,960

to complete

1223

00:51:13,270 --> 00:51:09,760

uh healing or repairs that needed to be

1224

00:51:15,270 --> 00:51:13,280

made and i i was so terrified i wasn't

1225

00:51:17,109 --> 00:51:15,280

allowing that

1226

00:51:18,950 --> 00:51:17,119

so those people who were brought in this

1227

00:51:20,549 --> 00:51:18,960

who i'm referring to you said that they

1228

00:51:23,109 --> 00:51:20,559

look like people that would pass as

1229

00:51:24,710 --> 00:51:23,119

regular people just at the

1230

00:51:28,150 --> 00:51:24,720

in a cityscape you wouldn't be able to

1231

00:51:30,150 --> 00:51:28,160

point them out as being different

1232

00:51:32,150 --> 00:51:30,160

right

1233

00:51:33,030 --> 00:51:32,160

yeah and you know that of course would

1234

00:51:35,190 --> 00:51:33,040

uh

1235

00:51:37,190 --> 00:51:35,200

fulfill the purpose of getting me to

1236

00:51:39,510 --> 00:51:37,200

calm down and cooperate

1237

00:51:42,069 --> 00:51:39,520

so that's you thinking perhaps that's

1238

00:51:43,589 --> 00:51:42,079

the reason but you're not 100 sure that

1239

00:51:45,430 --> 00:51:43,599

if they were there

1240

00:51:47,670 --> 00:51:45,440

to be introduced to calm you as an

1241

00:51:50,950 --> 00:51:47,680

anxiolytic well it's possible that there

1242

00:51:54,230 --> 00:51:50,960

was some sort of ongoing

1243

00:51:57,030 --> 00:51:54,240

thing but it definitely changed the

1244

00:51:59,109 --> 00:51:57,040

direction of my efforts because

1245

00:51:59,829 --> 00:51:59,119

i was terrified of these creatures this

1246

00:52:01,829 --> 00:51:59,839

was

1247

00:52:05,910 --> 00:52:01,839

something i viewed as very threatening

1248

00:52:07,270 --> 00:52:05,920

and frightening and i wasn't about to

1249

00:52:08,069 --> 00:52:07,280

cooperate

1250

00:52:10,069 --> 00:52:08,079

now

1251
00:52:14,870 --> 00:52:10,079
um

1252
00:52:17,589 --> 00:52:14,880
stories of encounters with these beings

1253
00:52:19,270 --> 00:52:17,599
describe them as being telepathic or

1254
00:52:21,349 --> 00:52:19,280
being able to

1255
00:52:23,190 --> 00:52:21,359
use mind control

1256
00:52:24,309 --> 00:52:23,200
but i i didn't sense anything of that

1257
00:52:27,349 --> 00:52:24,319
sort

1258
00:52:29,589 --> 00:52:27,359
but um i'm explaining that in my own

1259
00:52:30,630 --> 00:52:29,599
personal theory i can't say for sure of

1260
00:52:32,710 --> 00:52:30,640
course

1261
00:52:33,829 --> 00:52:32,720
is that being hit by that blast of

1262
00:52:36,790 --> 00:52:33,839
energy

1263
00:52:38,309 --> 00:52:36,800

uh impaired that connection you know

1264

00:52:39,510 --> 00:52:38,319

potentially

1265

00:52:41,430 --> 00:52:39,520

you're watching this channel because

1266

00:52:43,190 --> 00:52:41,440

you're interested in theoretical physics

1267

00:52:44,630 --> 00:52:43,200

consciousness and the ostensible

1268

00:52:46,069 --> 00:52:44,640

connection between the two what's

1269

00:52:48,150 --> 00:52:46,079

required to follow some of these

1270

00:52:50,390 --> 00:52:48,160

arguments is facility with mathematics

1271

00:52:52,150 --> 00:52:50,400

as well as discernment of the underlying

1272

00:52:53,910 --> 00:52:52,160

physical laws and you may think that

1273

00:52:56,230 --> 00:52:53,920

this is beyond you but that's false

1274

00:52:58,630 --> 00:52:56,240

brilliant provides pelucid explanations

1275

00:53:00,870 --> 00:52:58,640

of abstruse phenomenon such as quantum

1276
00:53:02,390 --> 00:53:00,880
computing general relativity and even

1277
00:53:04,790 --> 00:53:02,400
group theory when you hear that the

1278
00:53:06,870 --> 00:53:04,800
standard model is based on u_1 cross su_2

1279
00:53:08,470 --> 00:53:06,880
cross su_3 that's group theory for

1280
00:53:10,950 --> 00:53:08,480
example now this isn't just for

1281
00:53:12,630 --> 00:53:10,960
neophytes either for example i have a

1282
00:53:14,630 --> 00:53:12,640
degree in math and physics and i still

1283
00:53:16,630 --> 00:53:14,640
found some of the intuitions given in

1284
00:53:18,710 --> 00:53:16,640
these lessons to vastly aid my

1285
00:53:20,630 --> 00:53:18,720
penetration into these subjects for

1286
00:53:22,710 --> 00:53:20,640
example electricity and magnetism sign

1287
00:53:25,829 --> 00:53:22,720
up today at brilliant.org

1288
00:53:27,670 --> 00:53:25,839

tow that is t-o-e for free you'll also

1289

00:53:29,750 --> 00:53:27,680

get 20 off the annual premium

1290

00:53:32,549 --> 00:53:29,760

subscription try four of the lessons at

1291

00:53:34,710 --> 00:53:32,559

least don't stop before four and i think

1292

00:53:36,309 --> 00:53:34,720

you'll be greatly surprised at the ease

1293

00:53:38,549 --> 00:53:36,319

at which you comprehend subjects you

1294

00:53:39,910 --> 00:53:38,559

previously had trouble grocking links

1295

00:53:42,390 --> 00:53:39,920

are in the description

1296

00:53:44,790 --> 00:53:42,400

do you think that some of the human

1297

00:53:46,390 --> 00:53:44,800

looking alien not humanoid the

1298

00:53:47,670 --> 00:53:46,400

i don't we need to give it a name so

1299

00:53:49,030 --> 00:53:47,680

that when i'm referring to it you know

1300

00:53:50,710 --> 00:53:49,040

what i'm referring to the human ones

1301
00:53:52,870 --> 00:53:50,720
that came in that were there

1302
00:53:55,190 --> 00:53:52,880
supposedly to calm you at least so those

1303
00:53:56,470 --> 00:53:55,200
ones do you think they were the grays

1304
00:53:58,069 --> 00:53:56,480
dressed up do you think they were a

1305
00:54:01,510 --> 00:53:58,079
projection did you get the impression

1306
00:54:06,390 --> 00:54:03,430
well it would probably would have taken

1307
00:54:09,829 --> 00:54:06,400
quite a bit of telepathic manipulation

1308
00:54:12,710 --> 00:54:09,839
to make these smaller creatures appear

1309
00:54:14,309 --> 00:54:12,720
to be the human looking ones so i'm

1310
00:54:17,270 --> 00:54:14,319
thinking um

1311
00:54:18,950 --> 00:54:17,280
they were either really were just earth

1312
00:54:20,150 --> 00:54:18,960
people that were cooperating with this

1313
00:54:23,109 --> 00:54:20,160

species

1314

00:54:25,670 --> 00:54:23,119

or were a creation that they came up

1315

00:54:27,990 --> 00:54:25,680

with in order to

1316

00:54:29,670 --> 00:54:28,000

get me to cooperate

1317

00:54:31,349 --> 00:54:29,680

when they were doing what they did to

1318

00:54:32,870 --> 00:54:31,359

you whatever it was did you get the

1319

00:54:34,950 --> 00:54:32,880

sense that it was routine like they've

1320

00:54:38,150 --> 00:54:34,960

done this many times before and so they

1321

00:54:38,950 --> 00:54:38,160

were cold and distant

1322

00:54:41,829 --> 00:54:38,960

no

1323

00:54:43,430 --> 00:54:41,839

the lack of communication in hindsight i

1324

00:54:44,870 --> 00:54:43,440

think was because

1325

00:54:46,710 --> 00:54:44,880

um

1326
00:54:47,910 --> 00:54:46,720
telepathic communication was not

1327
00:54:49,670 --> 00:54:47,920
possible

1328
00:54:52,789 --> 00:54:49,680
in the um

1329
00:54:54,470 --> 00:54:52,799
injured state of my entire body

1330
00:54:55,510 --> 00:54:54,480
including my brain

1331
00:54:57,750 --> 00:54:55,520
and

1332
00:54:59,829 --> 00:54:57,760
wasn't because they didn't want to it's

1333
00:55:02,710 --> 00:54:59,839
just

1334
00:55:07,430 --> 00:55:04,870
in the position to

1335
00:55:08,309 --> 00:55:07,440
you know receive or

1336
00:55:10,309 --> 00:55:08,319
or

1337
00:55:13,510 --> 00:55:10,319
communicate i was basically screaming

1338
00:55:16,870 --> 00:55:13,520

like a crazy man so um that's nothing

1339

00:55:19,589 --> 00:55:16,880

that encourages conversation

1340

00:55:21,829 --> 00:55:19,599

paul wash asks travis given that you've

1341

00:55:24,069 --> 00:55:21,839

suffered for 45 years of obviously

1342

00:55:26,069 --> 00:55:24,079

difficult trauma what would you say to

1343

00:55:28,710 --> 00:55:26,079

your captors if you were given the

1344

00:55:31,349 --> 00:55:28,720

opportunity to read from a victim impact

1345

00:55:33,349 --> 00:55:31,359

statement lifelong fan by the way so

1346

00:55:34,710 --> 00:55:33,359

that's paul wash basically what would

1347

00:55:36,950 --> 00:55:34,720

you say if you could communicate to the

1348

00:55:39,430 --> 00:55:36,960

aliens

1349

00:55:42,230 --> 00:55:39,440

well i i would say the number one thing

1350

00:55:44,309 --> 00:55:42,240

at the top of the list would be

1351

00:55:46,950 --> 00:55:44,319

why

1352

00:55:48,549 --> 00:55:46,960

you know to have an explanation so much

1353

00:55:51,109 --> 00:55:48,559

of what i'm telling you is my own

1354

00:55:53,910 --> 00:55:51,119

speculation that the kind of conclusions

1355

00:55:56,069 --> 00:55:53,920

i come to to come to terms with this but

1356

00:55:59,109 --> 00:55:56,079

this is you know after 40 some years of

1357

00:56:02,309 --> 00:56:00,589

what's the most recent paranormal

1358

00:56:03,829 --> 00:56:02,319

paranormal-esque event you've

1359

00:56:06,230 --> 00:56:03,839

experienced

1360

00:56:08,150 --> 00:56:06,240

per i'm including ufo sightings as the

1361

00:56:11,430 --> 00:56:08,160

paranormal whether or not you want to

1362

00:56:13,750 --> 00:56:11,440

use that term you understand what i mean

1363

00:56:16,230 --> 00:56:13,760

well

1364

00:56:18,150 --> 00:56:16,240

um

1365

00:56:21,030 --> 00:56:18,160

i try to stick to the things i can

1366

00:56:23,750 --> 00:56:21,829

some

1367

00:56:26,309 --> 00:56:23,760

pretty impressive things in my personal

1368

00:56:32,710 --> 00:56:26,319

life but uh you know without

1369

00:56:36,470 --> 00:56:34,069

i even

1370

00:56:37,829 --> 00:56:36,480

tend to shy away from telling people

1371

00:56:40,470 --> 00:56:37,839

about

1372

00:56:42,630 --> 00:56:40,480

uh extremely unusual

1373

00:56:45,109 --> 00:56:42,640

things i discover in the

1374

00:56:47,430 --> 00:56:45,119

world you know scientific facts a little

1375

00:56:49,670 --> 00:56:47,440

unknown animals and surprising sorts of

1376

00:56:51,829 --> 00:56:49,680

things because

1377

00:56:54,230 --> 00:56:51,839

they think it's attention seeking and

1378

00:56:56,710 --> 00:56:54,240

they think it's just an exaggeration if

1379

00:56:59,030 --> 00:56:56,720

they're the kind of person who doesn't

1380

00:57:00,870 --> 00:56:59,040

want to believe what i have to say don't

1381

00:57:02,549 --> 00:57:00,880

everything's conventional everything's

1382

00:57:05,990 --> 00:57:02,559

normal that's what that's what people

1383

00:57:08,309 --> 00:57:06,000

who say there is no other life outside

1384

00:57:09,589 --> 00:57:08,319

of planet earth that is what they crave

1385

00:57:14,950 --> 00:57:09,599

so

1386

00:57:17,030 --> 00:57:14,960

that we don't have to consider the fact

1387

00:57:18,390 --> 00:57:17,040

that there are literally trillions of

1388

00:57:21,109 --> 00:57:18,400

planets

1389

00:57:23,829 --> 00:57:21,119

in our own solar system

1390

00:57:27,510 --> 00:57:23,839

um certainly billions of them

1391

00:57:29,589 --> 00:57:27,520

are likely to be earth-like and

1392

00:57:31,670 --> 00:57:29,599

i don't know it's it's terrifying for

1393

00:57:33,109 --> 00:57:31,680

some people or maybe they like feeling

1394

00:57:36,309 --> 00:57:33,119

special

1395

00:57:39,150 --> 00:57:36,319

and i've i actually you know

1396

00:57:41,750 --> 00:57:39,160

asked people before so when you go

1397

00:57:43,270 --> 00:57:41,760

outside at night and you look up at the

1398

00:57:44,470 --> 00:57:43,280

sky

1399

00:57:47,910 --> 00:57:44,480

and you see

1400

00:57:49,750 --> 00:57:47,920

all these millions of stars

1401
00:57:52,710 --> 00:57:49,760
you think that the creator just put them

1402
00:57:54,630 --> 00:57:52,720
there to decorate our night sky just

1403
00:57:57,030 --> 00:57:54,640
twinkle at us

1404
00:57:59,190 --> 00:57:57,040
and they uh

1405
00:58:01,270 --> 00:57:59,200
either say

1406
00:58:03,030 --> 00:58:01,280
imply that they actually think that or

1407
00:58:05,109 --> 00:58:03,040
they just duck the question

1408
00:58:06,630 --> 00:58:05,119
i think the claim would be not that i

1409
00:58:08,630 --> 00:58:06,640
believe this but i think the claim would

1410
00:58:10,710 --> 00:58:08,640
be that there exists life on other

1411
00:58:12,150 --> 00:58:10,720
planets but that's a different matter

1412
00:58:14,470 --> 00:58:12,160
that's a different matter than if

1413
00:58:16,870 --> 00:58:14,480

they've come here to inspect us or for

1414

00:58:19,829 --> 00:58:16,880

some other reason

1415

00:58:22,870 --> 00:58:19,839

well certainly and um there's even

1416

00:58:25,270 --> 00:58:22,880

physics claims that you can't travel i

1417

00:58:26,870 --> 00:58:25,280

mean um you look at the nearest star and

1418

00:58:29,510 --> 00:58:26,880

it's so many

1419

00:58:31,589 --> 00:58:29,520

light years away that conventional

1420

00:58:32,870 --> 00:58:31,599

travel would mean that even at the speed

1421

00:58:34,829 --> 00:58:32,880

of light they would have to take that

1422

00:58:37,430 --> 00:58:34,839

many years to get here

1423

00:58:40,470 --> 00:58:37,440

but give me a break

1424

00:58:41,510 --> 00:58:40,480

you know humans are just toddlers on the

1425

00:58:43,589 --> 00:58:41,520

scene

1426

00:58:45,750 --> 00:58:43,599

you go back just a few hundred years and

1427

00:58:47,109 --> 00:58:45,760

the most technological thing we have is

1428

00:58:48,630 --> 00:58:47,119

fire

1429

00:58:51,430 --> 00:58:48,640

and uh

1430

00:58:53,510 --> 00:58:51,440

to presume you know these people can't

1431

00:58:54,870 --> 00:58:53,520

see that now we have cell phones that

1432

00:58:57,990 --> 00:58:54,880

they're probably

1433

00:59:00,390 --> 00:58:58,000

things a lot more unexpected and not

1434

00:59:01,510 --> 00:59:00,400

fitting with conventional thought on the

1435

00:59:02,630 --> 00:59:01,520

subject

1436

00:59:05,829 --> 00:59:02,640

um

1437

00:59:07,270 --> 00:59:05,839

might be in our future

1438

00:59:08,549 --> 00:59:07,280

um

1439

00:59:11,670 --> 00:59:08,559

we talk about

1440

00:59:13,750 --> 00:59:11,680

human history of a few thousand years

1441

00:59:16,470 --> 00:59:13,760

of anything

1442

00:59:20,470 --> 00:59:16,480

very complex

1443

00:59:22,789 --> 00:59:20,480

and uh to presume that in

1444

00:59:24,950 --> 00:59:22,799

a thousand a thousand no two thousand

1445

00:59:27,589 --> 00:59:24,960

ten thousand

1446

00:59:30,549 --> 00:59:27,599

what about half a million

1447

00:59:33,109 --> 00:59:30,559

so the age of these star systems

1448

00:59:35,589 --> 00:59:33,119

the age of these stars and solar systems

1449

00:59:37,430 --> 00:59:35,599

that exist out there

1450

00:59:38,470 --> 00:59:37,440

uh it is so

1451

00:59:39,670 --> 00:59:38,480

great

1452

00:59:41,750 --> 00:59:39,680

that

1453

00:59:43,589 --> 00:59:41,760

the degree to which they're advanced

1454

00:59:44,950 --> 00:59:43,599

over us in terms of physics and

1455

00:59:48,150 --> 00:59:44,960

understanding

1456

00:59:49,670 --> 00:59:48,160

of science uh to make flat

1457

00:59:52,549 --> 00:59:49,680

pronouncements i mean it happened you

1458

00:59:54,309 --> 00:59:52,559

know lord kelvin he uh

1459

00:59:56,470 --> 00:59:54,319

he was the inventor of the kelvin

1460

00:59:58,390 --> 00:59:56,480

temperature scale he was quite uh an

1461

01:00:00,870 --> 00:59:58,400

intellectual respected

1462

01:00:02,549 --> 01:00:00,880

scientist and he

1463

01:00:05,510 --> 01:00:02,559

proclaimed that

1464

01:00:07,670 --> 01:00:05,520

humans would never travel faster than

1465

01:00:09,670 --> 01:00:07,680

i forget 30 miles an hour

1466

01:00:11,589 --> 01:00:09,680

or the uh all the air would be sucked

1467

01:00:14,150 --> 01:00:11,599

out of the conveyance and all the people

1468

01:00:16,390 --> 01:00:14,160

would die so you know he he predicted

1469

01:00:17,670 --> 01:00:16,400

nobody would go any faster than that but

1470

01:00:18,470 --> 01:00:17,680

there's

1471

01:00:20,549 --> 01:00:18,480

uh

1472

01:00:23,190 --> 01:00:20,559

as a matter of fact stan friedman

1473

01:00:24,230 --> 01:00:23,200

prominent uh scientist uh nuclear

1474

01:00:26,470 --> 01:00:24,240

physicist

1475

01:00:28,150 --> 01:00:26,480

wrote a whole book called science was

1476

01:00:30,710 --> 01:00:28,160

wrong

1477

01:00:33,349 --> 01:00:30,720

recording the various pronouncements

1478

01:00:34,789 --> 01:00:33,359

that the experts of the day said this is

1479

01:00:37,589 --> 01:00:34,799

the limit

1480

01:00:40,390 --> 01:00:37,599

and i'm up against that myself so who am

1481

01:00:42,390 --> 01:00:40,400

i i'm not a nuclear physicist

1482

01:00:44,309 --> 01:00:42,400

daniel rayson here says as a witness

1483

01:00:46,549 --> 01:00:44,319

myself i'm glad this man is brave enough

1484

01:00:49,190 --> 01:00:46,559

to take the ridicule for the rest of us

1485

01:00:51,270 --> 01:00:49,200

now tim yousubov says travis you

1486

01:00:53,190 --> 01:00:51,280

described ship controls in some

1487

01:00:57,430 --> 01:00:53,200

interview how did you get to that room

1488

01:01:01,750 --> 01:00:57,440

and how long did you stay there

1489

01:01:04,230 --> 01:01:01,760

i just ran there because of the uh my i

1490

01:01:05,990 --> 01:01:04,240

might resume my combativeness my threats

1491

01:01:09,589 --> 01:01:06,000

towards these creatures

1492

01:01:10,390 --> 01:01:09,599

they left and i just went seeking a way

1493

01:01:12,549 --> 01:01:10,400

out

1494

01:01:15,349 --> 01:01:12,559

so when i entered that area that i only

1495

01:01:17,349 --> 01:01:15,359

presume to be controls

1496

01:01:19,190 --> 01:01:17,359

i have no no

1497

01:01:21,270 --> 01:01:19,200

uh i'd uh

1498

01:01:22,950 --> 01:01:21,280

confirmation that anything i was doing

1499

01:01:24,710 --> 01:01:22,960

was actually moving the ship i didn't

1500

01:01:29,430 --> 01:01:24,720

feel it move

1501

01:01:32,710 --> 01:01:31,270

what was the question again

1502

01:01:33,910 --> 01:01:32,720

sure they want to know how did you get

1503

01:01:36,150 --> 01:01:33,920

there and how long did you stay there

1504

01:01:37,910 --> 01:01:36,160

for in this larger room oh well it was

1505

01:01:41,030 --> 01:01:37,920

just moments

1506

01:01:43,190 --> 01:01:41,040

and perhaps this um button pushing

1507

01:01:45,349 --> 01:01:43,200

attempting to open the door when i

1508

01:01:47,910 --> 01:01:45,359

didn't know where the ship was it was at

1509

01:01:50,710 --> 01:01:47,920

an airless place uh i didn't even know

1510

01:01:52,710 --> 01:01:50,720

but i was in hysterical panic and doing

1511

01:01:54,549 --> 01:01:52,720

things that were probably unwise

1512

01:01:56,309 --> 01:01:54,559

and i was uh

1513

01:01:59,029 --> 01:01:56,319

encountered this human looking being who

1514

01:02:00,069 --> 01:01:59,039

led me out of there so it was only just

1515

01:02:01,829 --> 01:02:00,079

minutes

1516

01:02:03,990 --> 01:02:01,839

you also mentioned you went down a ramp

1517

01:02:06,549 --> 01:02:04,000

to get from the initial room to the to

1518

01:02:09,670 --> 01:02:06,559

the second larger room can you describe

1519

01:02:13,190 --> 01:02:09,680

the ramp was it smooth was it gray were

1520

01:02:17,670 --> 01:02:15,430

this i was mainly concerned with where

1521

01:02:19,589 --> 01:02:17,680

they were taking me so i i was paying

1522

01:02:22,630 --> 01:02:19,599

attention to that and my other

1523

01:02:24,789 --> 01:02:22,640

surroundings but the ramp itself

1524

01:02:27,910 --> 01:02:24,799

was not slippery

1525

01:02:29,670 --> 01:02:27,920

fortunately because it was steeper than

1526

01:02:32,870 --> 01:02:29,680

you would normally

1527

01:02:35,510 --> 01:02:32,880

consider comfortable to be descending

1528

01:02:37,990 --> 01:02:35,520

um

1529

01:02:40,950 --> 01:02:38,000

nothing's special just a ram did it open

1530

01:02:43,829 --> 01:02:40,960

or was it already open

1531

01:02:48,150 --> 01:02:45,750

and

1532

01:02:50,069 --> 01:02:48,160

i like detail so please entertain me for

1533

01:02:52,309 --> 01:02:50,079

this as it's coming down or it was

1534

01:02:54,150 --> 01:02:52,319

already down were there hinges that

1535

01:02:56,069 --> 01:02:54,160

allowed it to come down that you saw or

1536

01:02:57,510 --> 01:02:56,079

was it just i don't know i didn't see it

1537

01:02:58,789 --> 01:02:57,520

in motion but

1538

01:03:03,270 --> 01:02:58,799

1539
01:03:05,910 --> 01:03:03,280
close to open

1540
01:03:07,349 --> 01:03:05,920
um the door that opened would probably

1541
01:03:10,230 --> 01:03:07,359
would have triggered that if if it

1542
01:03:12,870 --> 01:03:10,240
weren't already down it could have been

1543
01:03:14,390 --> 01:03:12,880
a section of the craft that merely

1544
01:03:16,710 --> 01:03:14,400
slid down and

1545
01:03:18,950 --> 01:03:16,720
took a different position

1546
01:03:21,750 --> 01:03:18,960
um i doubt it was something that just

1547
01:03:24,309 --> 01:03:21,760
came out of the floor in the hangar area

1548
01:03:27,829 --> 01:03:24,319
mp wants to know what does travis think

1549
01:03:30,069 --> 01:03:27,839
about the contact event in south africa

1550
01:03:33,510 --> 01:03:30,079
and about the visitors messages about

1551

01:03:36,069 --> 01:03:33,520

the harm and dangers of technology

1552

01:03:38,230 --> 01:03:36,079

have you heard of this

1553

01:03:41,510 --> 01:03:38,240

well i i

1554

01:03:44,630 --> 01:03:41,520

have heard various claims and you know

1555

01:03:45,990 --> 01:03:44,640

they told me to tell you this uh i like

1556

01:03:48,309 --> 01:03:46,000

i say i don't

1557

01:03:49,349 --> 01:03:48,319

evaluate anyone else's

1558

01:03:51,349 --> 01:03:49,359

case

1559

01:03:54,230 --> 01:03:51,359

but it's just

1560

01:03:56,870 --> 01:03:54,240

pure simple wisdom you know that humans

1561

01:03:58,470 --> 01:03:56,880

had better wise up

1562

01:04:00,069 --> 01:03:58,480

we cannot go

1563

01:04:01,670 --> 01:04:00,079

on

1564

01:04:03,510 --> 01:04:01,680

at this rate

1565

01:04:05,910 --> 01:04:03,520

when i was a kid

1566

01:04:08,630 --> 01:04:05,920

uh the population of earth

1567

01:04:12,150 --> 01:04:08,640

was half what it is today

1568

01:04:13,750 --> 01:04:12,160

and do we need to go another uh 40 years

1569

01:04:15,430 --> 01:04:13,760

and double again

1570

01:04:17,510 --> 01:04:15,440

and just keep doubling and doubling and

1571

01:04:19,349 --> 01:04:17,520

doubling um

1572

01:04:21,589 --> 01:04:19,359

there these are limits

1573

01:04:22,470 --> 01:04:21,599

there are limits to growth you can't go

1574

01:04:25,029 --> 01:04:22,480

on

1575

01:04:27,990 --> 01:04:25,039

forever multiplying greater and greater

1576

01:04:30,470 --> 01:04:28,000

and greater there's something

1577

01:04:32,470 --> 01:04:30,480

more conscious and more aware needs to

1578

01:04:34,309 --> 01:04:32,480

be done so much of what's being

1579

01:04:35,589 --> 01:04:34,319

extracted from the earth

1580

01:04:37,910 --> 01:04:35,599

is

1581

01:04:40,150 --> 01:04:37,920

finite

1582

01:04:42,309 --> 01:04:40,160

fossil fuels are fossil i mean are we

1583

01:04:44,710 --> 01:04:42,319

going to go back into a big

1584

01:04:47,190 --> 01:04:44,720

swamp age and and create a whole bunch

1585

01:04:48,870 --> 01:04:47,200

more petroleum under the ground no

1586

01:04:50,150 --> 01:04:48,880

no when they get it all pumped out of

1587

01:04:51,990 --> 01:04:50,160

the ground

1588

01:04:55,510 --> 01:04:52,000

uh they're gonna have to think well now

1589

01:04:57,430 --> 01:04:55,520

what are we gonna uh

1590

01:05:00,069 --> 01:04:57,440

lubricate our skateboards with or

1591

01:05:01,990 --> 01:05:00,079

whatever you know um

1592

01:05:04,470 --> 01:05:02,000

it's um

1593

01:05:06,950 --> 01:05:06,069

and there was a musician when i was a

1594

01:05:09,029 --> 01:05:06,960

kid

1595

01:05:10,630 --> 01:05:09,039

um the sun name of the album was after

1596

01:05:12,230 --> 01:05:10,640

the gold rush

1597

01:05:14,870 --> 01:05:12,240

and that's what

1598

01:05:17,589 --> 01:05:14,880

humanity's expansion across this planet

1599

01:05:19,910 --> 01:05:17,599

has been a gold rush

1600

01:05:22,549 --> 01:05:19,920

you know charging headlong exploiting

1601

01:05:26,150 --> 01:05:22,559

everything right and left and

1602

01:05:28,069 --> 01:05:26,160

it's it's decimated so much of uh

1603

01:05:29,349 --> 01:05:28,079

what was

1604

01:05:32,549 --> 01:05:29,359

abundant and

1605

01:05:37,990 --> 01:05:34,829

we're gonna miss

1606

01:05:39,990 --> 01:05:38,000

it john doe wants to know do you recall

1607

01:05:42,549 --> 01:05:40,000

anything particular about the eyes of

1608

01:05:44,789 --> 01:05:42,559

the beings so both either the humanoid

1609

01:05:46,470 --> 01:05:44,799

ones or the more human-like ones they're

1610

01:05:48,390 --> 01:05:46,480

eye-calling oh yeah there was something

1611

01:05:50,789 --> 01:05:48,400

odd about the human-looking ones in

1612

01:05:53,109 --> 01:05:50,799

terms of their eyes

1613

01:05:55,270 --> 01:05:53,119

and i never quite put my finger on that

1614

01:05:56,710 --> 01:05:55,280

because like i say i wasn't studying

1615

01:05:58,630 --> 01:05:56,720

things out

1616

01:06:00,309 --> 01:05:58,640

something

1617

01:06:01,990 --> 01:06:00,319

unusual

1618

01:06:06,470 --> 01:06:02,000

and

1619

01:06:07,589 --> 01:06:06,480

concerning the grays was um

1620

01:06:08,789 --> 01:06:07,599

um

1621

01:06:11,430 --> 01:06:08,799

the stare

1622

01:06:13,430 --> 01:06:11,440

it seemed to be penetrating in a very

1623

01:06:16,309 --> 01:06:13,440

uncomfortable way

1624

01:06:21,589 --> 01:06:19,349

but there were blinks at times

1625

01:06:23,510 --> 01:06:21,599

and a lot of people report no blinking

1626

01:06:26,390 --> 01:06:23,520

but uh no eyelids but there was

1627

01:06:28,150 --> 01:06:26,400

definitely blinking in this case

1628

01:06:29,670 --> 01:06:28,160

blinking with their own eyelids or with

1629

01:06:32,710 --> 01:06:29,680

the film that came up and then

1630

01:06:35,829 --> 01:06:32,720

disappeared like a lizard

1631

01:06:39,190 --> 01:06:35,839

it was like their own eyelids

1632

01:06:40,710 --> 01:06:39,200

and you know on eyes that size it was

1633

01:06:42,950 --> 01:06:40,720

quite a

1634

01:06:44,150 --> 01:06:42,960

pronounced sort of thing

1635

01:06:46,870 --> 01:06:44,160

their eyes

1636

01:06:48,630 --> 01:06:46,880

is it primarily black or were you able

1637

01:06:52,549 --> 01:06:48,640

to see a direction that they were

1638

01:06:56,069 --> 01:06:54,230

um

1639

01:06:58,789 --> 01:06:56,079

i i didn't see things

1640

01:07:00,230 --> 01:06:58,799

like a pupil or anything like that i

1641

01:07:01,430 --> 01:07:00,240

presume of course that they were looking

1642

01:07:04,470 --> 01:07:01,440

at me because

1643

01:07:07,670 --> 01:07:04,480

their faces were pointed towards me

1644

01:07:08,950 --> 01:07:07,680

fox into bush wants to know

1645

01:07:10,630 --> 01:07:08,960

now that you've been through this

1646

01:07:12,470 --> 01:07:10,640

experience do you have advice in case

1647

01:07:13,670 --> 01:07:12,480

someone else is in this a similar

1648

01:07:15,349 --> 01:07:13,680

situation

1649

01:07:19,109 --> 01:07:15,359

let's take that two ways so one is that

1650

01:07:21,430 --> 01:07:19,119

they're taken aboard okay and then also

1651
01:07:24,789 --> 01:07:21,440
the post abduction

1652
01:07:26,309 --> 01:07:24,799
media frenzy so how

1653
01:07:28,069 --> 01:07:26,319
what advice

1654
01:07:29,190 --> 01:07:28,079
would you give yourself let's say let's

1655
01:07:30,390 --> 01:07:29,200
just take it

1656
01:07:32,230 --> 01:07:30,400
to be you

1657
01:07:35,510 --> 01:07:32,240
what would you do differently in both

1658
01:07:37,190 --> 01:07:35,520
cases on the ship and then afterward

1659
01:07:38,950 --> 01:07:37,200
well those are two completely different

1660
01:07:42,309 --> 01:07:38,960
questions but um

1661
01:07:45,430 --> 01:07:42,319
the um decision to approach

1662
01:07:46,710 --> 01:07:45,440
and therefore you know sort of trigger

1663
01:07:49,109 --> 01:07:46,720

what happened

1664

01:07:50,630 --> 01:07:49,119

uh was something i regret and wish i

1665

01:07:53,109 --> 01:07:50,640

hadn't happened

1666

01:07:54,069 --> 01:07:53,119

uh it's too much to handle

1667

01:07:57,990 --> 01:07:54,079

um

1668

01:08:00,150 --> 01:07:58,000

as far as how to respond to uh

1669

01:08:03,029 --> 01:08:00,160

what happened afterwards

1670

01:08:05,190 --> 01:08:03,039

afterwards it was mostly negative

1671

01:08:07,510 --> 01:08:05,200

and over the years it's

1672

01:08:08,549 --> 01:08:07,520

it's uh evolved there's

1673

01:08:10,950 --> 01:08:08,559

there is

1674

01:08:14,470 --> 01:08:10,960

a lot of more positive

1675

01:08:17,110 --> 01:08:14,480

people recognizing things that they

1676

01:08:21,269 --> 01:08:17,120

have themselves experienced but

1677

01:08:27,749 --> 01:08:24,550

still some negative because people

1678

01:08:30,630 --> 01:08:27,759

who might mistakenly consider it

1679

01:08:32,229 --> 01:08:30,640

a threat to things they already believe

1680

01:08:35,990 --> 01:08:32,239

have you met any people that have had

1681

01:08:39,349 --> 01:08:37,269

yes

1682

01:08:43,510 --> 01:08:39,359

are any of them people who

1683

01:08:45,349 --> 01:08:43,520

have public names that you can reference

1684

01:08:47,430 --> 01:08:45,359

well i think we already went through

1685

01:08:49,910 --> 01:08:47,440

this are there people that i'm going to

1686

01:08:51,269 --> 01:08:49,920

vouch for without having investigated

1687

01:08:53,430 --> 01:08:51,279

their case and

1688

01:08:56,149 --> 01:08:53,440

i'm sorry i'm just not going to do that

1689

01:08:58,390 --> 01:08:56,159

because then all there's many many

1690

01:09:01,189 --> 01:08:58,400

people and some of them are friends

1691

01:09:03,110 --> 01:09:01,199

that uh well why not put me on that list

1692

01:09:04,709 --> 01:09:03,120

you know it's just

1693

01:09:05,990 --> 01:09:04,719

it's way too political okay how about

1694

01:09:07,669 --> 01:09:06,000

this what was similar about the

1695

01:09:09,669 --> 01:09:07,679

experiences and what was different

1696

01:09:11,910 --> 01:09:09,679

without divulging who the people were in

1697

01:09:14,390 --> 01:09:11,920

particular

1698

01:09:16,709 --> 01:09:14,400

well i i would say the idea of being

1699

01:09:20,070 --> 01:09:16,719

blasted by uh some

1700

01:09:22,550 --> 01:09:20,080

form of energy that may have killed me

1701
01:09:25,430 --> 01:09:22,560
would be a unique feature but i've gone

1702
01:09:29,110 --> 01:09:25,440
to a great deal of time to try to

1703
01:09:31,510 --> 01:09:29,120
analyze what that was so much of what

1704
01:09:33,189 --> 01:09:31,520
made them call it an abduction rather

1705
01:09:36,229 --> 01:09:33,199
than the term i

1706
01:09:38,789 --> 01:09:36,239
i now prefer which is ambulance call

1707
01:09:41,269 --> 01:09:38,799
is that this blast of energy was an

1708
01:09:43,030 --> 01:09:41,279
accident took years of research to find

1709
01:09:45,430 --> 01:09:43,040
out that the

1710
01:09:47,749 --> 01:09:45,440
area where we were there

1711
01:09:50,309 --> 01:09:47,759
is one of the highest frequency of

1712
01:09:52,149 --> 01:09:50,319
lightning strikes of any place

1713
01:09:53,749 --> 01:09:52,159

in the united states

1714

01:09:55,830 --> 01:09:53,759

and that this

1715

01:09:58,229 --> 01:09:55,840

the presence of this craft or the field

1716

01:10:00,310 --> 01:09:58,239

it generates may have triggered a

1717

01:10:03,030 --> 01:10:00,320

discharge of energy

1718

01:10:04,870 --> 01:10:03,040

with me as the um

1719

01:10:08,550 --> 01:10:04,880

the ground wire

1720

01:10:10,709 --> 01:10:08,560

uh something kind of unexpected

1721

01:10:12,550 --> 01:10:10,719

and that sort of contributes to what

1722

01:10:16,149 --> 01:10:12,560

were they doing there

1723

01:10:19,350 --> 01:10:16,159

were they there to take one of us one of

1724

01:10:22,870 --> 01:10:19,360

the other crewmen alan dwayne

1725

01:10:26,870 --> 01:10:24,870

um

1726

01:10:29,030 --> 01:10:26,880

no i don't think that was part of the

1727

01:10:31,510 --> 01:10:29,040

deal i think um

1728

01:10:33,430 --> 01:10:31,520

i and this is pure speculation

1729

01:10:36,790 --> 01:10:33,440

that this high frequency of lightning

1730

01:10:39,830 --> 01:10:36,800

strikes has to do with the fact that

1731

01:10:42,470 --> 01:10:39,840

when lightning strikes the earth

1732

01:10:44,310 --> 01:10:42,480

crystals are formed that are not formed

1733

01:10:46,870 --> 01:10:44,320

geologically

1734

01:10:50,470 --> 01:10:46,880

they're rare but quite exotic in terms

1735

01:10:53,830 --> 01:10:50,480

of the properties that they are you know

1736

01:10:57,270 --> 01:10:56,310

and it's called phobia right

1737

01:11:00,229 --> 01:10:57,280

so

1738

01:11:01,910 --> 01:11:00,239

lines of

1739

01:11:02,950 --> 01:11:01,920

um they're

1740

01:11:05,430 --> 01:11:02,960

looking

1741

01:11:06,790 --> 01:11:05,440

prospecting for fault right

1742

01:11:08,149 --> 01:11:06,800

so you think the high density of

1743

01:11:11,910 --> 01:11:08,159

lightning strikes

1744

01:11:14,070 --> 01:11:11,920

is the precipitator of the ufos or that

1745

01:11:16,870 --> 01:11:14,080

the ufos induce the high lightning

1746

01:11:21,830 --> 01:11:20,630

i would say the the first the former uh

1747

01:11:23,270 --> 01:11:21,840

that

1748

01:11:26,310 --> 01:11:23,280

the ufos

1749

01:11:28,550 --> 01:11:26,320

uh may be in that area because of the

1750

01:11:33,430 --> 01:11:28,560

high frequency of lightning and the

1751

01:11:37,510 --> 01:11:35,830

speculation of course uh to understand

1752

01:11:39,110 --> 01:11:37,520

i'm not saying i know that i don't mind

1753

01:11:41,669 --> 01:11:39,120

speculation man i'm a fan of it

1754

01:11:43,669 --> 01:11:41,679

personally so six pool says can travis

1755

01:11:46,550 --> 01:11:43,679

describe what the graves were wearing if

1756

01:11:48,149 --> 01:11:46,560

any what was the material made of can he

1757

01:11:51,030 --> 01:11:48,159

discern any

1758

01:11:55,030 --> 01:11:53,669

well um

1759

01:11:57,669 --> 01:11:55,040

they um

1760

01:11:59,430 --> 01:11:57,679

were wearing coveralls loose fitting

1761

01:12:02,149 --> 01:11:59,440

coveralls

1762

01:12:05,910 --> 01:12:04,070

orangish brown color

1763

01:12:07,510 --> 01:12:05,920

soft velour

1764

01:12:08,550 --> 01:12:07,520

not shiny

1765

01:12:10,470 --> 01:12:08,560

um

1766

01:12:11,910 --> 01:12:10,480

i didn't pick up any details other than

1767

01:12:13,990 --> 01:12:11,920

that

1768

01:12:17,189 --> 01:12:14,000

do you happen to know how long the

1769

01:12:19,590 --> 01:12:17,199

duration is that you remember

1770

01:12:21,110 --> 01:12:19,600

inside the craft like is it you remember

1771

01:12:24,229 --> 01:12:21,120

only a minute that would just be an

1772

01:12:26,070 --> 01:12:24,239

estimation the the conscious period

1773

01:12:27,750 --> 01:12:26,080

was

1774

01:12:29,590 --> 01:12:27,760

um

1775

01:12:32,070 --> 01:12:29,600

you could you could you know take it off

1776

01:12:33,590 --> 01:12:32,080

in terms of you know

1777

01:12:35,590 --> 01:12:33,600

um

1778

01:12:38,229 --> 01:12:35,600

minutes and hours or that sort of thing

1779

01:12:39,750 --> 01:12:38,239

but certainly nothing that fills up five

1780

01:12:41,110 --> 01:12:39,760

days

1781

01:12:43,030 --> 01:12:41,120

and that is

1782

01:12:45,270 --> 01:12:43,040

or was um

1783

01:12:47,270 --> 01:12:45,280

a blank for me for so long what was the

1784

01:12:49,350 --> 01:12:47,280

state of your body because i imagine

1785

01:12:50,550 --> 01:12:49,360

that if you were not eating for five

1786

01:12:52,149 --> 01:12:50,560

days you would look drastically

1787

01:12:53,189 --> 01:12:52,159

different

1788

01:12:57,350 --> 01:12:53,199

were you

1789

01:13:02,630 --> 01:12:59,669

uh must have been according to medical

1790

01:13:05,669 --> 01:13:02,640

tests uh they say that if your body is

1791

01:13:07,990 --> 01:13:05,679

feeding on itself that it generates

1792

01:13:10,229 --> 01:13:08,000

what's called ketones

1793

01:13:11,110 --> 01:13:10,239

and those were absents

1794

01:13:13,990 --> 01:13:11,120

although

1795

01:13:15,830 --> 01:13:14,000

uh there was evidently quite a bit of

1796

01:13:17,110 --> 01:13:15,840

dehydration

1797

01:13:19,510 --> 01:13:17,120

um

1798

01:13:22,870 --> 01:13:19,520

i was weighed

1799

01:13:24,870 --> 01:13:22,880

uh immediately after the incident as

1800

01:13:26,470 --> 01:13:24,880

soon as my brother got me back to my

1801

01:13:28,470 --> 01:13:26,480

mother's house

1802

01:13:30,870 --> 01:13:28,480

and then

1803

01:13:31,830 --> 01:13:30,880

by the time i went into dr kandel's

1804

01:13:34,470 --> 01:13:31,840

office

1805

01:13:36,709 --> 01:13:34,480

bringing those same scales with me

1806

01:13:37,990 --> 01:13:36,719

uh there was a recovery of at least five

1807

01:13:40,709 --> 01:13:38,000

pounds so

1808

01:13:42,790 --> 01:13:40,719

um just from hydration

1809

01:13:44,830 --> 01:13:42,800

just probably hydration i was very

1810

01:13:48,470 --> 01:13:44,840

thirsty that was so

1811

01:13:50,790 --> 01:13:48,480

um major point in

1812

01:13:52,950 --> 01:13:50,800

me describing how i felt a five pound

1813

01:13:55,430 --> 01:13:52,960

difference from when you arrive naked

1814

01:13:57,910 --> 01:13:55,440

you're weighing yourself correct

1815

01:13:59,590 --> 01:13:57,920

i wasn't naked that's hollywood but uh

1816

01:14:00,709 --> 01:13:59,600

from the time i was recovered from the

1817

01:14:03,030 --> 01:14:00,719

phone booth

1818

01:14:05,110 --> 01:14:03,040

uh to the time i was in the doctor's

1819

01:14:07,030 --> 01:14:05,120

office the following money the five

1820

01:14:08,550 --> 01:14:07,040

pounds sounds quite significant so i'm

1821

01:14:10,470 --> 01:14:08,560

wondering if any of that

1822

01:14:12,470 --> 01:14:10,480

difference was because of clothing

1823

01:14:13,590 --> 01:14:12,480

change where was there a difference in

1824

01:14:15,669 --> 01:14:13,600

clothing between your initial

1825

01:14:16,470 --> 01:14:15,679

measurement and then

1826

01:14:26,229 --> 01:14:16,480

well

1827

01:14:29,830 --> 01:14:27,669

so you just said that something was

1828

01:14:32,790 --> 01:14:29,840

hollywood that the naked was

1829

01:14:33,910 --> 01:14:32,800

only an artifact of hollywood

1830

01:14:37,910 --> 01:14:33,920

yeah

1831

01:14:40,390 --> 01:14:37,920

nudity in that movie that didn't get

1832

01:14:42,470 --> 01:14:40,400

used fortunately but uh

1833

01:14:44,470 --> 01:14:42,480

it's just kind of one of those things

1834

01:14:47,189 --> 01:14:44,480

that hollywood tends to do i'm

1835

01:14:51,430 --> 01:14:47,199

interested in a remake that doesn't

1836

01:14:54,870 --> 01:14:53,350

okay so sorry i want to make sure i'm

1837

01:14:58,070 --> 01:14:54,880

understanding this so

1838

01:14:59,750 --> 01:14:58,080

in hollywood they

1839

01:15:02,470 --> 01:14:59,760

falsely presented you as naked on a

1840

01:15:06,310 --> 01:15:04,630

naked on the floor of the phone booth i

1841

01:15:08,830 --> 01:15:06,320

see okay okay but

1842

01:15:13,830 --> 01:15:11,910

naked yes when i came back to the house

1843

01:15:15,830 --> 01:15:13,840

my brother removed the clothes sealed

1844

01:15:16,709 --> 01:15:15,840

them up in a sealed bag

1845

01:15:23,110 --> 01:15:16,719

and

1846

01:15:26,149 --> 01:15:23,120

when you were scanned were there any

1847

01:15:28,070 --> 01:15:26,159

abnormalities someone here is asking if

1848

01:15:30,550 --> 01:15:28,080

you had an x-ray and there was

1849

01:15:32,310 --> 01:15:30,560

a device in you or a small piece you

1850

01:15:36,310 --> 01:15:32,320

mentioned that there was a grain well i

1851
01:15:39,830 --> 01:15:36,320
mentioned the small calcified granuloma

1852
01:15:43,430 --> 01:15:39,840
which is no longer there on any x-rays

1853
01:15:46,070 --> 01:15:43,440
also an actual brainwave scan

1854
01:15:48,070 --> 01:15:46,080
uh barrow's neurological institute is

1855
01:15:51,189 --> 01:15:48,080
where this was done

1856
01:15:53,910 --> 01:15:51,199
and this was where muhammad ali

1857
01:15:55,350 --> 01:15:53,920
moved to phoenix just to be near this

1858
01:15:57,590 --> 01:15:55,360
hospital

1859
01:16:00,149 --> 01:15:57,600
and the technician was not told who i

1860
01:16:03,030 --> 01:16:00,159
was he wasn't attaching any significance

1861
01:16:05,350 --> 01:16:03,040
to a description of what happened i was

1862
01:16:08,550 --> 01:16:05,360
actually put in there under a false name

1863
01:16:10,070 --> 01:16:08,560

so it was a double-blinded uh

1864

01:16:13,350 --> 01:16:10,080

examination

1865

01:16:15,510 --> 01:16:13,360

and they found uh what was described

1866

01:16:16,870 --> 01:16:15,520

i have still have the report

1867

01:16:19,350 --> 01:16:16,880

as a

1868

01:16:21,750 --> 01:16:19,360

bi-synchronous alternating wave

1869

01:16:24,149 --> 01:16:21,760

traveling from front to back

1870

01:16:25,590 --> 01:16:24,159

and i have undergone

1871

01:16:28,390 --> 01:16:25,600

subsequent

1872

01:16:30,630 --> 01:16:28,400

scans that did not show that

1873

01:16:33,750 --> 01:16:30,640

so i'm thinking it could have just been

1874

01:16:35,430 --> 01:16:33,760

an artifact of recent injury that was in

1875

01:16:37,669 --> 01:16:35,440

the process of healing

1876

01:16:39,590 --> 01:16:37,679

what's this wave what is the consequence

1877

01:16:42,870 --> 01:16:39,600

of it what does it mean by synchronous

1878

01:16:44,870 --> 01:16:42,880

alternating so both hemispheres were

1879

01:16:47,430 --> 01:16:44,880

the technician didn't say this this

1880

01:16:50,070 --> 01:16:47,440

shows that he was hit with electricity i

1881

01:16:52,630 --> 01:16:50,080

would love to uh

1882

01:16:53,590 --> 01:16:52,640

see uh scans

1883

01:16:56,149 --> 01:16:53,600

um

1884

01:16:58,229 --> 01:16:56,159

electro encephalograph done on people

1885

01:17:00,310 --> 01:16:58,239

who might have been hit by lightning or

1886

01:17:02,470 --> 01:17:00,320

maybe an electrician who stood up under

1887

01:17:04,870 --> 01:17:02,480

a live wire or something like that at

1888

01:17:07,030 --> 01:17:04,880

least something of that nature to see if

1889

01:17:09,750 --> 01:17:07,040

this kind of a pattern

1890

01:17:11,910 --> 01:17:09,760

is a feature of certain types of injury

1891

01:17:13,990 --> 01:17:11,920

or impact with

1892

01:17:15,910 --> 01:17:14,000

large amounts of energy or force did

1893

01:17:18,070 --> 01:17:15,920

they tell you anything else about that

1894

01:17:19,590 --> 01:17:18,080

particular brainwave pattern here's an

1895

01:17:21,030 --> 01:17:19,600

example there's something called alpha

1896

01:17:22,790 --> 01:17:21,040

waves and then there's theta waves i'm

1897

01:17:24,790 --> 01:17:22,800

sure you've heard of this

1898

01:17:26,229 --> 01:17:24,800

and they correspond to different

1899

01:17:28,790 --> 01:17:26,239

feelings of consciousness or different

1900

01:17:30,470 --> 01:17:28,800

modes like one is a more meditative mode

1901
01:17:31,750 --> 01:17:30,480
another others more cognitive thinking

1902
01:17:34,630 --> 01:17:31,760
creative mode

1903
01:17:37,430 --> 01:17:34,640
so what's the significance of this

1904
01:17:39,750 --> 01:17:37,440
wave that they found on you

1905
01:17:41,430 --> 01:17:39,760
maybe none but uh i'm just telling you

1906
01:17:43,669 --> 01:17:41,440
that you know people say what did the

1907
01:17:46,229 --> 01:17:43,679
test reveal and this is what came out

1908
01:17:48,310 --> 01:17:46,239
this technician

1909
01:17:49,350 --> 01:17:48,320
had no idea what i'd been through and

1910
01:17:56,149 --> 01:17:49,360
what

1911
01:17:58,870 --> 01:17:57,990
being told to look for something of that

1912
01:18:02,870 --> 01:17:58,880
sort

1913
01:18:06,950 --> 01:18:05,510

something that came up and maybe

1914

01:18:09,510 --> 01:18:06,960

insignificant

1915

01:18:12,310 --> 01:18:09,520

um i mean good grief we i don't know

1916

01:18:15,189 --> 01:18:12,320

anything about eegs what if what if just

1917

01:18:19,189 --> 01:18:18,149

um hysterical for five days uh you know

1918

01:18:22,310 --> 01:18:19,199

uh

1919

01:18:24,229 --> 01:18:22,320

could make you have an eeg of a certain

1920

01:18:26,950 --> 01:18:24,239

characteristic

1921

01:18:28,470 --> 01:18:26,960

but uh i don't know

1922

01:18:30,550 --> 01:18:28,480

i'm just saying if there is any

1923

01:18:33,990 --> 01:18:30,560

significance to that i'll have to go

1924

01:18:36,870 --> 01:18:34,000

back and read that eeg again and uh

1925

01:18:38,709 --> 01:18:36,880

see if they were referring to uh theta

1926

01:18:40,390 --> 01:18:38,719

waves alpha waves any of that sort of

1927

01:18:42,790 --> 01:18:40,400

thing do you have a pen and paper in

1928

01:18:44,950 --> 01:18:42,800

front of you

1929

01:18:48,310 --> 01:18:44,960

within arm's reach yeah

1930

01:18:51,189 --> 01:18:48,320

remember i said that i love details

1931

01:18:52,950 --> 01:18:51,199

do you mind showing me some of the

1932

01:18:54,950 --> 01:18:52,960

lines on the screen because as you were

1933

01:18:56,310 --> 01:18:54,960

describing them i can't visualize what

1934

01:18:57,910 --> 01:18:56,320

you're saying you're saying there's some

1935

01:18:59,590 --> 01:18:57,920

lines and lines coming off but there are

1936

01:19:01,990 --> 01:18:59,600

no markings

1937

01:19:06,950 --> 01:19:02,000

to indicate certain positions

1938

01:19:10,550 --> 01:19:08,870

this screen

1939

01:19:12,310 --> 01:19:10,560

you saw it

1940

01:19:15,350 --> 01:19:12,320

where within

1941

01:19:18,630 --> 01:19:17,430

uh it was mounted on the arm of the of a

1942

01:19:19,910 --> 01:19:18,640

chair

1943

01:19:23,189 --> 01:19:19,920

um

1944

01:19:25,110 --> 01:19:23,199

it's just long uh lines

1945

01:19:26,870 --> 01:19:25,120

with short lines

1946

01:19:29,030 --> 01:19:26,880

but they didn't have numbers on each of

1947

01:19:30,550 --> 01:19:29,040

the little

1948

01:19:32,470 --> 01:19:30,560

short lines

1949

01:19:35,669 --> 01:19:32,480

and they would move in response to

1950

01:19:37,669 --> 01:19:35,679

things i did yeah i see it but

1951

01:19:38,790 --> 01:19:37,679

didn't reveal any information to me i

1952

01:19:40,550 --> 01:19:38,800

mean

1953

01:19:42,070 --> 01:19:40,560

so they moved in response to you you

1954

01:19:44,149 --> 01:19:42,080

didn't get the sense that that was a map

1955

01:19:46,870 --> 01:19:44,159

of something else it actually was

1956

01:19:47,910 --> 01:19:46,880

congruent with your emotions so when you

1957

01:19:50,229 --> 01:19:47,920

turned

1958

01:19:53,510 --> 01:19:50,239

the signals changed

1959

01:19:55,590 --> 01:19:53,520

well that's a possibility too

1960

01:19:57,510 --> 01:19:55,600

what else is common between your

1961

01:19:59,990 --> 01:19:57,520

experience and some of the other people

1962

01:20:01,270 --> 01:20:00,000

who you're not going to name but

1963

01:20:02,390 --> 01:20:01,280

the ones that you personally find

1964

01:20:07,990 --> 01:20:02,400

credible you said that there are some

1965

01:20:11,830 --> 01:20:09,590

well um

1966

01:20:14,629 --> 01:20:11,840

i had an experience when i was a small

1967

01:20:20,790 --> 01:20:16,950

i can't document it my brothers and

1968

01:20:22,709 --> 01:20:20,800

sisters remember this i'm telling them

1969

01:20:24,550 --> 01:20:22,719

at the time it happened i was telling

1970

01:20:27,510 --> 01:20:24,560

this happened and they said no it was a

1971

01:20:30,550 --> 01:20:27,520

dream but i never confused any dream

1972

01:20:32,790 --> 01:20:30,560

with reality or any such thing never

1973

01:20:34,950 --> 01:20:32,800

anything of this sort so

1974

01:20:36,550 --> 01:20:34,960

it was a very real experience encounter

1975

01:20:38,390 --> 01:20:36,560

a single being

1976

01:20:39,750 --> 01:20:38,400

um

1977

01:20:41,430 --> 01:20:39,760

that

1978

01:20:43,590 --> 01:20:41,440

was like a gray

1979

01:20:46,149 --> 01:20:43,600

i didn't call it an alien i just said it

1980

01:20:47,590 --> 01:20:46,159

was a little man with the bald head and

1981

01:20:49,430 --> 01:20:47,600

big eyes

1982

01:20:52,310 --> 01:20:49,440

and um

1983

01:20:53,830 --> 01:20:52,320

he was dressed in a black suit

1984

01:20:56,870 --> 01:20:53,840

and i thought that was interesting

1985

01:20:58,870 --> 01:20:56,880

because i found out later that

1986

01:21:01,669 --> 01:20:58,880

betty hills

1987

01:21:05,350 --> 01:21:01,679

beings were dressed in black suits

1988

01:21:08,629 --> 01:21:05,360

it was nighttime where the lights off

1989

01:21:12,070 --> 01:21:08,639

yeah we were all sleeping um

1990

01:21:13,590 --> 01:21:12,080

it was a huge house and um

1991

01:21:15,830 --> 01:21:13,600

in phoenix uh

1992

01:21:19,110 --> 01:21:15,840

cooled by evaporative coolers

1993

01:21:20,149 --> 01:21:19,120

so during the hottest part of the year

1994

01:21:22,709 --> 01:21:20,159

we would

1995

01:21:25,110 --> 01:21:22,719

make bed rolls lay in the hallway where

1996

01:21:28,709 --> 01:21:25,120

this giant cooler came down the hallway

1997

01:21:31,030 --> 01:21:28,719

and cooling us all off and uh so i woke

1998

01:21:34,390 --> 01:21:31,040

up because i felt my

1999

01:21:38,070 --> 01:21:36,709

someone had picked up the bottom of the

2000

01:21:40,550 --> 01:21:38,080

blanket

2001

01:21:43,350 --> 01:21:40,560

and that woke me up it's not like oh i'm

2002

01:21:45,830 --> 01:21:43,360

dreaming an alien is coming no it was a

2003

01:21:47,669 --> 01:21:45,840

small man and i didn't know

2004

01:21:50,310 --> 01:21:47,679

what was lifting me until i looked to

2005

01:21:53,270 --> 01:21:50,320

see what was lifting me in

2006

01:21:57,110 --> 01:21:53,280

this little guy and i started to call

2007

01:21:58,470 --> 01:21:57,120

out and he dropped and ran off

2008

01:22:01,110 --> 01:21:58,480

when you were young you would describe

2009

01:22:03,430 --> 01:22:01,120

it as a little man now thinking back

2010

01:22:05,350 --> 01:22:03,440

is it the same type of entity that you

2011

01:22:06,950 --> 01:22:05,360

saw on this ship

2012

01:22:08,470 --> 01:22:06,960

or do you not have a great recollection

2013

01:22:11,030 --> 01:22:08,480

of it

2014

01:22:13,750 --> 01:22:11,040

i'd say it was very similar if not the

2015

01:22:16,229 --> 01:22:13,760

same as the people on the ship a small

2016

01:22:18,390 --> 01:22:16,239

man bald head very

2017

01:22:21,510 --> 01:22:18,400

pale chalky skin

2018

01:22:22,790 --> 01:22:21,520

uh huge eyes

2019

01:22:25,270 --> 01:22:22,800

and

2020

01:22:28,149 --> 01:22:25,280

dressed in black but i i didn't call it

2021

01:22:28,870 --> 01:22:28,159

an alien never did i just was insisting

2022

01:22:37,189 --> 01:22:28,880

to

2023

01:22:38,709 --> 01:22:37,199

the only time i ever said this really

2024

01:22:41,430 --> 01:22:38,719

happened and they were saying it was a

2025

01:22:43,350 --> 01:22:41,440

dream but see that's that's one of those

2026

01:22:44,550 --> 01:22:43,360

stories that people are going to say oh

2027

01:22:45,990 --> 01:22:44,560

he's just

2028

01:22:47,830 --> 01:22:46,000

uh

2029

01:22:49,350 --> 01:22:47,840

living here you know

2030

01:22:51,189 --> 01:22:49,360

no uh

2031

01:22:52,709 --> 01:22:51,199

i would i i don't have

2032

01:22:54,790 --> 01:22:52,719

um

2033

01:22:56,310 --> 01:22:54,800

20 witnesses here

2034

01:22:57,270 --> 01:22:56,320

it's just something i'm not concerned

2035

01:23:01,110 --> 01:22:57,280

with

2036

01:23:03,189 --> 01:23:01,120

i i want to know

2037

01:23:04,870 --> 01:23:03,199

a bit more about the commonalities we

2038

01:23:07,030 --> 01:23:04,880

were talking about so you just talked

2039

01:23:10,149 --> 01:23:07,040

about your own experience again now when

2040

01:23:12,550 --> 01:23:10,159

you spoke with other people who have had

2041

01:23:15,189 --> 01:23:12,560

similar experiences to yourself what's

2042

01:23:17,189 --> 01:23:15,199

similar is what i'm curious

2043

01:23:18,790 --> 01:23:17,199

about

2044

01:23:21,110 --> 01:23:18,800

is this going to get turned into

2045

01:23:23,350 --> 01:23:21,120

travis's endorsement of some cases and

2046

01:23:26,790 --> 01:23:23,360

rejection of others no you don't have to

2047

01:23:31,910 --> 01:23:29,270

well it still you know it boils down to

2048

01:23:34,390 --> 01:23:31,920

that eventually but uh you know there's

2049

01:23:37,910 --> 01:23:34,400

definitely a connection that

2050

01:23:40,470 --> 01:23:37,920

and a style of presentation and them

2051
01:23:41,189 --> 01:23:40,480
recalling what happened and describing

2052
01:23:43,189 --> 01:23:41,199
it

2053
01:23:45,830 --> 01:23:43,199
um

2054
01:23:47,510 --> 01:23:45,840
other kinds of subtle sorts of things

2055
01:23:48,550 --> 01:23:47,520
and i don't want to give anybody a list

2056
01:23:49,750 --> 01:23:48,560
of things

2057
01:23:52,229 --> 01:23:49,760
to to

2058
01:23:53,590 --> 01:23:52,239
add to their next story but uh

2059
01:23:55,430 --> 01:23:53,600
definitely

2060
01:23:57,430 --> 01:23:55,440
certain things that

2061
01:23:59,030 --> 01:23:57,440
bring a bell

2062
01:24:01,430 --> 01:23:59,040
and uh

2063
01:24:03,510 --> 01:24:01,440

not just in the experience itself not

2064

01:24:04,870 --> 01:24:03,520

just in the experience itself but

2065

01:24:07,030 --> 01:24:04,880

in the way

2066

01:24:08,709 --> 01:24:07,040

they related it to people and the way

2067

01:24:10,870 --> 01:24:08,719

people related to them

2068

01:24:14,229 --> 01:24:10,880

there seems to be a

2069

01:24:18,950 --> 01:24:15,830

what do you mean in the way that they

2070

01:24:21,990 --> 01:24:18,960

relate it is similar what do you mean

2071

01:24:25,830 --> 01:24:22,000

i don't want to go there come on man

2072

01:24:29,910 --> 01:24:25,840

i can't i can't do that to people

2073

01:24:33,350 --> 01:24:29,920

um i was immersed mercilessly um

2074

01:24:36,310 --> 01:24:33,360

parentally read and and criticized and

2075

01:24:37,990 --> 01:24:36,320

uh all this all this stuff uh

2076

01:24:40,790 --> 01:24:38,000

well that that doesn't match this

2077

01:24:41,590 --> 01:24:40,800

doesn't match that and it all come back

2078

01:24:44,070 --> 01:24:41,600

to

2079

01:24:46,310 --> 01:24:44,080

get the facts you don't even you didn't

2080

01:24:49,110 --> 01:24:46,320

even research my case you know people

2081

01:24:51,669 --> 01:24:49,120

are making criticisms and analyzing what

2082

01:24:56,149 --> 01:24:51,679

happened and they don't even know what's

2083

01:25:00,790 --> 01:24:59,030

like you know a debunker who says well

2084

01:25:02,229 --> 01:25:00,800

travis was never at that phone booth he

2085

01:25:05,189 --> 01:25:02,239

was always

2086

01:25:08,390 --> 01:25:05,199

in his mother's cabin or something

2087

01:25:10,149 --> 01:25:08,400

if they do their research duh

2088

01:25:11,750 --> 01:25:10,159

they know

2089

01:25:14,550 --> 01:25:11,760

that the operator listened in on the

2090

01:25:17,350 --> 01:25:14,560

call and notified the sheriff

2091

01:25:18,709 --> 01:25:17,360

he sent up uh people over there to uh

2092

01:25:19,910 --> 01:25:18,719

take

2093

01:25:20,950 --> 01:25:19,920

fingerprints

2094

01:25:23,030 --> 01:25:20,960

so

2095

01:25:25,110 --> 01:25:23,040

there's all kinds of things where oh

2096

01:25:27,510 --> 01:25:25,120

those guys were out there hallucinating

2097

01:25:30,070 --> 01:25:27,520

on drugs no

2098

01:25:32,390 --> 01:25:30,080

a law enforcement entity

2099

01:25:34,550 --> 01:25:32,400

took samples from my body immediately

2100

01:25:37,910 --> 01:25:34,560

afterwards not one trace of any drug

2101
01:25:40,149 --> 01:25:37,920
whatsoever so um these kinds of it's

2102
01:25:41,350 --> 01:25:40,159
easy to just wipe it away with the back

2103
01:25:43,270 --> 01:25:41,360
of your hand

2104
01:25:45,830 --> 01:25:43,280
seven people don't have the same

2105
01:25:46,870 --> 01:25:45,840
hallucination

2106
01:25:53,030 --> 01:25:46,880
detail

2107
01:26:00,229 --> 01:25:56,229
the the idea that it was um

2108
01:26:02,550 --> 01:26:00,239
a hallucination induced by

2109
01:26:04,149 --> 01:26:02,560
earthquake lights you know

2110
01:26:05,510 --> 01:26:04,159
the rim there is a

2111
01:26:08,470 --> 01:26:05,520
is

2112
01:26:09,510 --> 01:26:08,480
a giant fault in the ground so the

2113
01:26:11,750 --> 01:26:09,520

theory

2114

01:26:13,910 --> 01:26:11,760

that people were offering was that

2115

01:26:16,790 --> 01:26:13,920

earthquake lights

2116

01:26:19,350 --> 01:26:16,800

are what generated this blast of energy

2117

01:26:21,350 --> 01:26:19,360

which actually came out of me and went

2118

01:26:24,149 --> 01:26:21,360

right to a craft

2119

01:26:26,790 --> 01:26:24,159

but but anyway that went through my

2120

01:26:30,790 --> 01:26:26,800

brain and made me hallucinate well

2121

01:26:32,070 --> 01:26:30,800

the guys in the truck 90 feet away um

2122

01:26:34,950 --> 01:26:32,080

they didn't

2123

01:26:37,750 --> 01:26:34,960

uh they weren't touching the ground and

2124

01:26:40,149 --> 01:26:37,760

and how could a blast of earthquake

2125

01:26:43,590 --> 01:26:40,159

lights uh affect them

2126
01:26:45,270 --> 01:26:43,600
and more importantly why would all seven

2127
01:26:48,470 --> 01:26:45,280
of us

2128
01:26:52,790 --> 01:26:50,149
people are really reaching when they

2129
01:26:53,830 --> 01:26:52,800
grab for these ways of trying to explain

2130
01:26:56,149 --> 01:26:53,840
it away

2131
01:26:59,510 --> 01:26:56,159
but there's

2132
01:27:02,550 --> 01:26:59,520
quite a variety to them and

2133
01:27:06,229 --> 01:27:04,070
juanita grand

2134
01:27:08,070 --> 01:27:06,239
grand wants to know i recall him talking

2135
01:27:09,990 --> 01:27:08,080
about the temperature and dryness of the

2136
01:27:11,189 --> 01:27:10,000
air inside the craft i would like to

2137
01:27:13,350 --> 01:27:11,199
know if he's noticed anything else

2138
01:27:16,070 --> 01:27:13,360

strange obviously there's plenty strange

2139

01:27:18,470 --> 01:27:16,080

but something else that you haven't

2140

01:27:20,790 --> 01:27:18,480

spoken much about if not at all not

2141

01:27:22,870 --> 01:27:20,800

really just uh

2142

01:27:26,390 --> 01:27:22,880

i was

2143

01:27:28,390 --> 01:27:26,400

feeling injured and so maybe

2144

01:27:29,189 --> 01:27:28,400

the suffocating feeling came from that

2145

01:27:31,590 --> 01:27:29,199

but

2146

01:27:33,270 --> 01:27:31,600

um the the human looking

2147

01:27:36,070 --> 01:27:33,280

being who took me out of there was

2148

01:27:37,189 --> 01:27:36,080

wearing a helmet on his head so that was

2149

01:27:39,270 --> 01:27:37,199

probably

2150

01:27:42,709 --> 01:27:39,280

i would think to protect him from the

2151
01:27:46,310 --> 01:27:44,149
or maybe to

2152
01:27:48,790 --> 01:27:46,320
avoid contaminating the interior of the

2153
01:27:51,110 --> 01:27:48,800
craft i don't know but um it does

2154
01:27:55,990 --> 01:27:51,120
suggest that

2155
01:28:01,030 --> 01:27:58,870
it did feel immediately cooler

2156
01:28:01,990 --> 01:28:01,040
and easier to breathe as soon as we got

2157
01:28:06,310 --> 01:28:02,000
outside

2158
01:28:10,149 --> 01:28:06,320
could still be inside the craft into the

2159
01:28:14,790 --> 01:28:12,390
see to me when i'm visualizing this i

2160
01:28:16,390 --> 01:28:14,800
only think in terms of craft so i think

2161
01:28:17,590 --> 01:28:16,400
in terms of this is a small craft inside

2162
01:28:19,510 --> 01:28:17,600
a larger craft but the way you're

2163
01:28:21,750 --> 01:28:19,520

describing it is this it's as if it's a

2164

01:28:23,750 --> 01:28:21,760

blue or a craft inside of a large

2165

01:28:25,669 --> 01:28:23,760

building somewhere it could be just a

2166

01:28:27,669 --> 01:28:25,679

hanger on the ground somewhere

2167

01:28:29,750 --> 01:28:27,679

if you had to make a guess as to how

2168

01:28:31,750 --> 01:28:29,760

large it was how many feet away could

2169

01:28:33,669 --> 01:28:31,760

you see your meters how large would you

2170

01:28:35,590 --> 01:28:33,679

characterize it well before i quote a

2171

01:28:37,430 --> 01:28:35,600

figure i really ought to get meditate on

2172

01:28:40,629 --> 01:28:37,440

that a bit you know figure out what the

2173

01:28:44,790 --> 01:28:40,639

size would be it was quite a bit larger

2174

01:28:46,390 --> 01:28:44,800

big enough for these things to fly into

2175

01:28:48,550 --> 01:28:46,400

i would assume they flew in there i

2176

01:28:49,990 --> 01:28:48,560

didn't see them flying

2177

01:28:51,510 --> 01:28:50,000

i know you said you need to think about

2178

01:28:53,430 --> 01:28:51,520

it some more

2179

01:28:57,030 --> 01:28:53,440

more than four times the size of the

2180

01:29:00,550 --> 01:28:59,510

is that correct

2181

01:29:02,709 --> 01:29:00,560

yeah

2182

01:29:07,430 --> 01:29:02,719

more

2183

01:29:11,510 --> 01:29:09,270

i would say you know

2184

01:29:13,189 --> 01:29:11,520

got to be bigger than 200 feet you know

2185

01:29:16,070 --> 01:29:13,199

if there's

2186

01:29:17,669 --> 01:29:16,080

a couple of craft in there 40 feet in

2187

01:29:20,390 --> 01:29:17,679

diameter

2188

01:29:22,950 --> 01:29:20,400

um that adds up to 80 but they're spaced

2189

01:29:24,790 --> 01:29:22,960

by maybe 30. you know i'm just off the

2190

01:29:28,470 --> 01:29:24,800

top of my head saying

2191

01:29:33,350 --> 01:29:31,030

mj jumps wants to know before you die

2192

01:29:38,950 --> 01:29:33,360

will you reveal if you've had any other

2193

01:29:43,270 --> 01:29:41,189

well that would be like admitting that i

2194

01:29:45,030 --> 01:29:43,280

had it so

2195

01:29:46,229 --> 01:29:45,040

that's a loaded question sneaky way

2196

01:29:47,750 --> 01:29:46,239

around the question

2197

01:29:50,390 --> 01:29:47,760

how about this is there more to come

2198

01:29:53,270 --> 01:29:50,400

from travis walton

2199

01:29:54,470 --> 01:29:53,280

yes yeah i think so

2200

01:29:56,390 --> 01:29:54,480

someone wants to know about high

2201

01:29:57,910 --> 01:29:56,400

strangeness it's this term that keeps

2202

01:29:59,750 --> 01:29:57,920

coming up over and over which i'm sure

2203

01:30:01,350 --> 01:29:59,760

you're familiar with

2204

01:30:04,470 --> 01:30:01,360

have you experienced any high

2205

01:30:06,950 --> 01:30:04,480

strangeness after your event

2206

01:30:08,470 --> 01:30:06,960

yeah but it wasn't witnessed by multiple

2207

01:30:10,070 --> 01:30:08,480

witnesses so

2208

01:30:12,550 --> 01:30:10,080

well

2209

01:30:13,830 --> 01:30:12,560

now see i could i sense such reservation

2210

01:30:15,430 --> 01:30:13,840

on your part and i imagine that's

2211

01:30:18,070 --> 01:30:15,440

because you've been

2212

01:30:19,350 --> 01:30:18,080

excoriated to such a degree that you

2213

01:30:22,070 --> 01:30:19,360

don't want

2214

01:30:23,990 --> 01:30:22,080

that it hurts you to be criticized even

2215

01:30:26,070 --> 01:30:24,000

a little bit or at least for people to

2216

01:30:27,590 --> 01:30:26,080

look at you with skeptical eyes

2217

01:30:28,790 --> 01:30:27,600

is that the main reason that you don't

2218

01:30:30,950 --> 01:30:28,800

like to talk about what can't be

2219

01:30:34,310 --> 01:30:30,960

corroborated

2220

01:30:36,229 --> 01:30:34,320

yeah i i'm interested in making people

2221

01:30:39,030 --> 01:30:36,239

understand that this is a real

2222

01:30:41,510 --> 01:30:39,040

phenomenon that this really happened in

2223

01:30:44,550 --> 01:30:41,520

anything like what happened to me that

2224

01:30:49,350 --> 01:30:44,560

one night well no one else uh but my

2225

01:30:51,990 --> 01:30:49,360

family knew uh um

2226

01:30:53,830 --> 01:30:52,000

to to people that want to find a reason

2227

01:30:55,990 --> 01:30:53,840

to disbelieve they're going to think of

2228

01:30:58,149 --> 01:30:56,000

that as an embellishment or some sort of

2229

01:31:00,870 --> 01:30:58,159

a an attention getter it's something

2230

01:31:03,110 --> 01:31:00,880

that really happened and

2231

01:31:05,350 --> 01:31:03,120

the family whole family verifies it but

2232

01:31:06,550 --> 01:31:05,360

that's not that's not enough witnesses

2233

01:31:07,830 --> 01:31:06,560

to qualify

2234

01:31:10,310 --> 01:31:07,840

um

2235

01:31:11,750 --> 01:31:10,320

in today's world

2236

01:31:13,270 --> 01:31:11,760

what other items did you see on the

2237

01:31:14,470 --> 01:31:13,280

craft so you mentioned a rod that was a

2238

01:31:16,470 --> 01:31:14,480

glass

2239

01:31:18,550 --> 01:31:16,480

that you took and you started swinging

2240

01:31:20,550 --> 01:31:18,560

well those other instruments were not

2241

01:31:22,790 --> 01:31:20,560

anything i would recognize

2242

01:31:23,910 --> 01:31:22,800

i didn't look like uh i'm familiar with

2243

01:31:26,709 --> 01:31:23,920

tools

2244

01:31:29,189 --> 01:31:26,719

and some medical instruments

2245

01:31:30,709 --> 01:31:29,199

uh i was actually

2246

01:31:35,990 --> 01:31:30,719

eventually

2247

01:31:39,990 --> 01:31:38,709

i took the state test

2248

01:31:42,310 --> 01:31:40,000

on

2249

01:31:46,149 --> 01:31:42,320

midwifery

2250

01:31:47,270 --> 01:31:46,159

and uh it was offered by this state of

2251
01:31:49,750 --> 01:31:47,280
arizona

2252
01:31:52,390 --> 01:31:49,760
to bring all of the

2253
01:31:54,310 --> 01:31:52,400
lay midwives in

2254
01:31:56,310 --> 01:31:54,320
you know many who had been practicing

2255
01:31:59,510 --> 01:31:56,320
under doctors for years

2256
01:32:03,030 --> 01:31:59,520
into an official licensing situation

2257
01:32:04,629 --> 01:32:03,040
so the offer was come in take this test

2258
01:32:06,390 --> 01:32:04,639
and uh

2259
01:32:08,070 --> 01:32:06,400
it was just a spur-of-the-moment thing i

2260
01:32:10,149 --> 01:32:08,080
didn't plan it i only heard about it a

2261
01:32:11,270 --> 01:32:10,159
couple of days before the test

2262
01:32:13,270 --> 01:32:11,280
went in and

2263
01:32:14,790 --> 01:32:13,280

i got the second highest score out of

2264

01:32:17,350 --> 01:32:14,800

the whole group

2265

01:32:21,189 --> 01:32:19,110

maybe it's a

2266

01:32:23,350 --> 01:32:21,199

genetic thing i don't know my father was

2267

01:32:26,390 --> 01:32:23,360

a doctor

2268

01:32:28,790 --> 01:32:26,400

actually an obstetrician

2269

01:32:31,189 --> 01:32:28,800

can you draw some of what you saw in

2270

01:32:33,430 --> 01:32:31,199

terms of the devices that

2271

01:32:36,229 --> 01:32:33,440

you can't recognize or you can't places

2272

01:32:38,149 --> 01:32:36,239

just a comment quick glance what what's

2273

01:32:39,350 --> 01:32:38,159

the biggest thing here what can i use

2274

01:32:41,110 --> 01:32:39,360

for a weapon

2275

01:32:43,669 --> 01:32:41,120

that's all um

2276

01:32:48,870 --> 01:32:43,679

there was a thing that looked

2277

01:32:48,880 --> 01:32:52,070

i'm sorry

2278

01:32:56,229 --> 01:32:54,709

this is that time of day when i get

2279

01:32:58,390 --> 01:32:56,239

robo calls

2280

01:33:02,390 --> 01:32:58,400

do you mind turning off the ringer

2281

01:33:06,709 --> 01:33:04,149

someone okay so cloud in seattle wants

2282

01:33:09,430 --> 01:33:06,719

to know has travis ever tried ce5 since

2283

01:33:10,950 --> 01:33:09,440

the incident and if so what were his

2284

01:33:11,990 --> 01:33:10,960

takeaways

2285

01:33:13,669 --> 01:33:12,000

what is

2286

01:33:16,310 --> 01:33:13,679

what's that i don't know because people

2287

01:33:19,270 --> 01:33:16,320

keep mentioning ce5 so if those in the

2288

01:33:22,310 --> 01:33:19,280

comments can let me know what ce5 is

2289

01:33:24,709 --> 01:33:22,320

then i can i don't know travis know okay

2290

01:33:27,669 --> 01:33:24,719

so i probably didn't try it uh

2291

01:33:29,110 --> 01:33:27,679

is that a type of hypnosis is that uh is

2292

01:33:31,270 --> 01:33:29,120

he the reason why it's taken me a while

2293

01:33:32,390 --> 01:33:31,280

to come up with questions is because

2294

01:33:34,470 --> 01:33:32,400

not only am i reading some of the

2295

01:33:36,390 --> 01:33:34,480

audience questions but i'm

2296

01:33:40,790 --> 01:33:36,400

i want to ask you

2297

01:33:43,750 --> 01:33:40,800

these

2298

01:33:47,910 --> 01:33:43,760

beings but i don't want you to

2299

01:33:50,870 --> 01:33:47,920

be on the defensive because i'm not a

2300

01:33:54,149 --> 01:33:50,880

i'm not a debunker i'm not a skeptic

2301

01:33:56,070 --> 01:33:54,159

i'm on your side or at least

2302

01:33:57,189 --> 01:33:56,080

i'm not against you i appreciate that

2303

01:33:59,669 --> 01:33:57,199

but you know

2304

01:34:01,990 --> 01:33:59,679

the audience is huge and anybody that

2305

01:34:05,510 --> 01:34:02,000

wants to take something and turn it into

2306

01:34:09,590 --> 01:34:07,910

theirs are actually few and far between

2307

01:34:13,110 --> 01:34:09,600

but there's

2308

01:34:17,990 --> 01:34:16,229

do you think that these

2309

01:34:19,590 --> 01:34:18,000

that these people the ones with helmets

2310

01:34:20,709 --> 01:34:19,600

that calmed you

2311

01:34:22,550 --> 01:34:20,719

that were there or at least you think

2312

01:34:24,310 --> 01:34:22,560

were there to calm you do you think that

2313

01:34:28,229 --> 01:34:24,320

they walk among us

2314

01:34:29,830 --> 01:34:28,239

have you seen any strange people

2315

01:34:32,310 --> 01:34:29,840

yeah i actually said that that they

2316

01:34:34,950 --> 01:34:32,320

would pass in a crowd you wouldn't go

2317

01:34:37,510 --> 01:34:34,960

whoa there's that kind of odd looking

2318

01:34:39,270 --> 01:34:37,520

robotic human or something like that

2319

01:34:41,430 --> 01:34:39,280

no i think that they would pass in a

2320

01:34:42,709 --> 01:34:41,440

crowd yeah have you seen any people but

2321

01:34:44,149 --> 01:34:42,719

you said that they gave you a strange

2322

01:34:46,070 --> 01:34:44,159

feeling at least with their eyes it

2323

01:34:47,590 --> 01:34:46,080

wasn't

2324

01:34:49,189 --> 01:34:47,600

there's something not right about their

2325

01:34:51,270 --> 01:34:49,199

eyes

2326
01:34:53,189 --> 01:34:51,280
have you encountered any people like

2327
01:34:55,590 --> 01:34:53,199
that i never could put my finger on

2328
01:34:57,189 --> 01:34:55,600
exactly what it was

2329
01:34:59,590 --> 01:34:57,199
color the way they

2330
01:35:01,270 --> 01:34:59,600
the pupil constricts or whatever i i

2331
01:35:04,229 --> 01:35:01,280
don't know but just something

2332
01:35:06,390 --> 01:35:04,239
a little unusual about that so ce5 is a

2333
01:35:08,149 --> 01:35:06,400
term describing the fifth category of

2334
01:35:10,870 --> 01:35:08,159
close encounters with extraterrestrial

2335
01:35:12,870 --> 01:35:10,880
intelligence characterized by mutual

2336
01:35:15,030 --> 01:35:12,880
bilateral communication rather than

2337
01:35:19,030 --> 01:35:15,040
unilateral contact

2338
01:35:24,550 --> 01:35:21,990

well i stick to the stuff i can document

2339

01:35:29,910 --> 01:35:28,310

nothing to report there

2340

01:35:31,270 --> 01:35:29,920

that's i know that's disappointing

2341

01:35:32,709 --> 01:35:31,280

people love

2342

01:35:34,229 --> 01:35:32,719

there's so many people that have had an

2343

01:35:37,270 --> 01:35:34,239

experience and they'll

2344

01:35:41,270 --> 01:35:37,280

expound on whatever

2345

01:35:44,470 --> 01:35:42,709

how do these alien creatures feed

2346

01:35:46,149 --> 01:35:44,480

themselves have you had any thoughts on

2347

01:35:48,550 --> 01:35:46,159

that now this question comes from henry

2348

01:35:52,070 --> 01:35:49,990

well that's a

2349

01:35:53,990 --> 01:35:52,080

you know an interesting question people

2350

01:35:55,910 --> 01:35:54,000

would love to know that but

2351

01:35:57,109 --> 01:35:55,920

uh i didn't see their kitchen and we

2352

01:35:59,510 --> 01:35:57,119

were

2353

01:36:02,390 --> 01:35:59,520

not in any sort of a situation on how i

2354

01:36:04,709 --> 01:36:02,400

was fed if i was or how they feed

2355

01:36:06,470 --> 01:36:04,719

themselves or don't know

2356

01:36:08,149 --> 01:36:06,480

that's just a

2357

01:36:10,470 --> 01:36:08,159

complete unknown

2358

01:36:12,070 --> 01:36:10,480

okay david reed says

2359

01:36:13,910 --> 01:36:12,080

first of all travis respect you for

2360

01:36:14,950 --> 01:36:13,920

sticking with your story i myself have

2361

01:36:18,629 --> 01:36:14,960

witnessed

2362

01:36:20,390 --> 01:36:18,639

a ufo in majorca in september 1995. i've

2363

01:36:22,550 --> 01:36:20,400

only discussed it with my wife question

2364

01:36:24,550 --> 01:36:22,560

considering how long it took you to come

2365

01:36:26,390 --> 01:36:24,560

to terms with come to terms with your

2366

01:36:28,229 --> 01:36:26,400

experience do you think that the human

2367

01:36:30,070 --> 01:36:28,239

race is ready to accept for some time

2368

01:36:34,390 --> 01:36:30,080

now that we've been observed by

2369

01:36:40,149 --> 01:36:37,430

i do think that uh humans are getting

2370

01:36:42,229 --> 01:36:40,159

closer and closer to that this whole

2371

01:36:46,229 --> 01:36:42,239

big lead up to a big

2372

01:36:48,470 --> 01:36:46,239

release of information from in congress

2373

01:36:51,030 --> 01:36:48,480

was sort of a

2374

01:36:53,590 --> 01:36:51,040

letdown it wasn't uh

2375

01:36:55,590 --> 01:36:53,600

as forthcoming as it was promised but i

2376

01:36:57,590 --> 01:36:55,600
the fact that it existed at all is a

2377

01:37:00,470 --> 01:36:57,600
major step forward

2378

01:37:00,480 --> 01:37:04,470
basically

2379

01:37:09,189 --> 01:37:07,830
to uh have official channels acknowledge

2380

01:37:12,390 --> 01:37:09,199
that there

2381

01:37:14,070 --> 01:37:12,400
is something there that isn't ours and

2382

01:37:15,109 --> 01:37:14,080
uh

2383

01:37:17,189 --> 01:37:15,119
um

2384

01:37:18,790 --> 01:37:17,199
whether they just uh

2385

01:37:21,350 --> 01:37:18,800
their conscience got to them they

2386

01:37:23,109 --> 01:37:21,360
decided to come clean and tell us i i

2387

01:37:25,030 --> 01:37:23,119
don't think that's the case it was just

2388

01:37:27,750 --> 01:37:25,040

a matter of

2389

01:37:30,629 --> 01:37:27,760

the evidence is piling up too high to

2390

01:37:31,990 --> 01:37:30,639

rely on ridicule and dismissing the

2391

01:37:33,350 --> 01:37:32,000

witnesses

2392

01:37:35,270 --> 01:37:33,360

was not

2393

01:37:37,750 --> 01:37:35,280

reducing their credibility it was

2394

01:37:39,030 --> 01:37:37,760

reducing the government's credibility

2395

01:37:41,590 --> 01:37:39,040

so they

2396

01:37:43,669 --> 01:37:41,600

you know finally acknowledge yes there's

2397

01:37:45,830 --> 01:37:43,679

things we can't

2398

01:37:47,350 --> 01:37:45,840

explain in terms of uh

2399

01:37:51,430 --> 01:37:47,360

conventional

2400

01:37:53,189 --> 01:37:51,440

whatever so that was a step forward and

2401
01:37:54,550 --> 01:37:53,199
you know it's interesting it was kind of

2402
01:38:11,189 --> 01:37:54,560
a

2403
01:38:13,830 --> 01:38:11,199
they do

2404
01:38:15,109 --> 01:38:13,840
when um

2405
01:38:18,390 --> 01:38:15,119
they want to

2406
01:38:20,870 --> 01:38:18,400
something to be out there but to get

2407
01:38:23,350 --> 01:38:20,880
a minimum of attention

2408
01:38:25,669 --> 01:38:23,360
uh it sort of gets ignored until the

2409
01:38:27,830 --> 01:38:25,679
next news cycle and by monday there'll

2410
01:38:31,030 --> 01:38:27,840
be a whole pile of other things to

2411
01:38:32,629 --> 01:38:31,040
divert attention so it doesn't

2412
01:38:34,470 --> 01:38:32,639
doesn't uh

2413
01:38:36,470 --> 01:38:34,480

it's a

2414

01:38:38,149 --> 01:38:36,480

a soft bombshell

2415

01:38:40,070 --> 01:38:38,159

going back to your childhood

2416

01:38:41,590 --> 01:38:40,080

you said that there was this alien or at

2417

01:38:43,189 --> 01:38:41,600

least a little man you weren't sure what

2418

01:38:45,189 --> 01:38:43,199

it was at the time

2419

01:38:46,149 --> 01:38:45,199

and it was wearing black

2420

01:38:48,550 --> 01:38:46,159

now

2421

01:38:50,950 --> 01:38:48,560

the ones on this ship were wearing a

2422

01:38:55,270 --> 01:38:50,960

light blue if i recall

2423

01:38:59,270 --> 01:38:57,030

orangish brown

2424

01:39:01,189 --> 01:38:59,280

okay so they're wearing orange

2425

01:39:03,430 --> 01:39:01,199

slash brown

2426

01:39:04,870 --> 01:39:03,440

what type of material is it did could

2427

01:39:06,310 --> 01:39:04,880

you see that they're wearing clothing

2428

01:39:07,990 --> 01:39:06,320

for example with me you could see a bit

2429

01:39:10,149 --> 01:39:08,000

of a shadow from a light it was

2430

01:39:11,350 --> 01:39:10,159

extremely tight fitting

2431

01:39:12,629 --> 01:39:11,360

but you were able to tell it was

2432

01:39:14,950 --> 01:39:12,639

clothing because it was a different it

2433

01:39:17,350 --> 01:39:14,960

was different than their skin color

2434

01:39:20,629 --> 01:39:17,360

it was loose fitting and

2435

01:39:26,470 --> 01:39:20,639

sort of billowy a little bit but um

2436

01:39:33,189 --> 01:39:30,629

grain in a fabric is more like velour

2437

01:39:34,070 --> 01:39:33,199

but uh i was riveted on the eyes i

2438

01:39:36,070 --> 01:39:34,080

wasn't

2439

01:39:37,990 --> 01:39:36,080

thinking about you know

2440

01:39:40,550 --> 01:39:38,000

what are these clothes made out of or

2441

01:39:42,470 --> 01:39:40,560

that kind of thing you know

2442

01:39:44,149 --> 01:39:42,480

all of us think wow if we were in that

2443

01:39:45,990 --> 01:39:44,159

kind of an opportunity

2444

01:39:48,870 --> 01:39:46,000

to you know learn these things that's

2445

01:39:51,109 --> 01:39:48,880

the sort of thing we'd be uh um

2446

01:39:54,470 --> 01:39:51,119

i'm sorry i i tried to turn this thing

2447

01:39:55,430 --> 01:39:54,480

off but it just

2448

01:39:57,430 --> 01:39:55,440

that's all right that's all right that's

2449

01:39:58,950 --> 01:39:57,440

what i said hello moto which is what it

2450

01:40:00,870 --> 01:39:58,960

normally does when i turned off okay

2451
01:40:02,550 --> 01:40:00,880
that's all right vox vesper wanna know

2452
01:40:03,990 --> 01:40:02,560
did you at any point during your oh i'm

2453
01:40:05,830 --> 01:40:04,000
gonna stick this thing under the

2454
01:40:07,990 --> 01:40:05,840
mattress

2455
01:40:09,910 --> 01:40:08,000
sure did you at any point during your

2456
01:40:15,270 --> 01:40:09,920
abduction experience have a feeling of

2457
01:40:26,149 --> 01:40:16,229
no

2458
01:40:30,790 --> 01:40:29,030
trying to enjoy the experience

2459
01:40:32,550 --> 01:40:30,800
tim yousubov wants to know could you

2460
01:40:33,669 --> 01:40:32,560
talk more about what the ship lighting

2461
01:40:35,910 --> 01:40:33,679
was

2462
01:40:39,830 --> 01:40:35,920
at the other facility i assume he means

2463
01:40:39,840 --> 01:40:42,870

well

2464

01:40:47,350 --> 01:40:44,390

looking like

2465

01:40:49,430 --> 01:40:47,360

gentle sunlight

2466

01:40:52,470 --> 01:40:49,440

nothing to describe is just normal

2467

01:40:53,669 --> 01:40:52,480

lighting normal the colors of looking at

2468

01:40:55,830 --> 01:40:53,679

my uh

2469

01:40:57,189 --> 01:40:55,840

you know self and

2470

01:41:01,270 --> 01:40:57,199

things around me

2471

01:41:03,189 --> 01:41:01,280

there wasn't any unusual cast of things

2472

01:41:05,030 --> 01:41:03,199

randall mattel wants to know do you

2473

01:41:12,550 --> 01:41:05,040

think the beings you encountered were

2474

01:41:19,270 --> 01:41:15,350

i'm not sure what the question means

2475

01:41:23,830 --> 01:41:20,870

i i don't i don't understand the

2476
01:41:28,310 --> 01:41:26,229
were the craft generating beings is that

2477
01:41:30,550 --> 01:41:28,320
what they're saying yes like projections

2478
01:41:32,310 --> 01:41:30,560
or perhaps somehow these beings are

2479
01:41:33,750 --> 01:41:32,320
integrated within the craft was there a

2480
01:41:34,950 --> 01:41:33,760
difference between there's obviously a

2481
01:41:36,709 --> 01:41:34,960
difference between the craft and the

2482
01:41:41,910 --> 01:41:36,719
beings but did you get a sense that

2483
01:41:47,109 --> 01:41:44,390
well i didn't i didn't get any feeling

2484
01:41:49,669 --> 01:41:47,119
other than pain and fear uh

2485
01:41:51,430 --> 01:41:49,679
sorry i wasn't wasn't all tuned in and

2486
01:41:53,990 --> 01:41:51,440
spiritual but uh

2487
01:41:57,430 --> 01:41:56,229
all those kinds of things could exist

2488
01:42:00,550 --> 01:41:57,440

but i

2489

01:42:02,310 --> 01:42:00,560

i wasn't experiencing that way

2490

01:42:03,910 --> 01:42:02,320

jason brown wants to know please ask

2491

01:42:06,310 --> 01:42:03,920

travis if there was any physical

2492

01:42:08,229 --> 01:42:06,320

evidence in the area the craft

2493

01:42:11,270 --> 01:42:08,239

interacted with him i recall you talked

2494

01:42:15,350 --> 01:42:11,280

about tree rings but what else

2495

01:42:19,109 --> 01:42:15,360

yes definitely uh there was initially

2496

01:42:21,750 --> 01:42:19,119

magnetic readings that were taken

2497

01:42:23,109 --> 01:42:21,760

scanning across the clearing taking

2498

01:42:26,950 --> 01:42:23,119

measurements

2499

01:42:29,750 --> 01:42:28,629

charting it all out

2500

01:42:32,229 --> 01:42:29,760

and

2501
01:42:34,470 --> 01:42:32,239
the report was that there was a polarity

2502
01:42:36,070 --> 01:42:34,480
reversal in the direction the craft had

2503
01:42:37,510 --> 01:42:36,080
departed

2504
01:42:40,070 --> 01:42:37,520
i uh

2505
01:42:40,830 --> 01:42:40,080
never got to see this evidence i would

2506
01:42:42,629 --> 01:42:40,840
love

2507
01:42:45,109 --> 01:42:42,639
to um

2508
01:42:48,470 --> 01:42:45,119
i believe the the the

2509
01:42:50,870 --> 01:42:48,480
ufologists that were taking the reading

2510
01:42:55,910 --> 01:42:53,669
were from uh something no i i can't say

2511
01:43:00,310 --> 01:42:55,920
for sure who who it was but it was it

2512
01:43:02,229 --> 01:43:00,320
was uh recognizable names in ufology

2513
01:43:05,510 --> 01:43:02,239

but um

2514

01:43:07,350 --> 01:43:05,520

there was also a report later

2515

01:43:23,189 --> 01:43:07,360

that

2516

01:43:26,229 --> 01:43:23,199

taking magnetic readings on the ground

2517

01:43:27,430 --> 01:43:26,239

and she just found that curious because

2518

01:43:29,990 --> 01:43:27,440

normally

2519

01:43:32,229 --> 01:43:30,000

such readings would be

2520

01:43:34,070 --> 01:43:32,239

taken from an instrument suspended under

2521

01:43:36,070 --> 01:43:34,080

an airplane but uh

2522

01:43:38,390 --> 01:43:36,080

they were doing it directly on the

2523

01:43:40,070 --> 01:43:38,400

ground in the area

2524

01:43:43,990 --> 01:43:40,080

um

2525

01:43:49,109 --> 01:43:45,830

she saw the team and

2526

01:43:52,310 --> 01:43:50,790

i could go back and ask her more about

2527

01:43:55,910 --> 01:43:52,320

what they might have told her because

2528

01:43:58,310 --> 01:43:55,920

she was a reporter for the local paper

2529

01:43:59,669 --> 01:43:58,320

if you still are in contact with her be

2530

01:44:02,070 --> 01:43:59,679

great if you could

2531

01:44:05,510 --> 01:44:02,080

and then you could just email me also

2532

01:44:07,750 --> 01:44:05,520

okay dynamite biz quits wants to know

2533

01:44:10,070 --> 01:44:07,760

ask him if the gravity was the same

2534

01:44:11,750 --> 01:44:10,080

or different when you woke up so on the

2535

01:44:15,830 --> 01:44:11,760

craft did you notice that you were able

2536

01:44:18,470 --> 01:44:17,270

good question

2537

01:44:19,510 --> 01:44:18,480

i felt

2538

01:44:21,910 --> 01:44:19,520

heavy

2539

01:44:22,629 --> 01:44:21,920

like i could barely make myself move it

2540

01:44:26,070 --> 01:44:22,639

took

2541

01:44:28,149 --> 01:44:26,080

able to

2542

01:44:29,990 --> 01:44:28,159

do the things i did

2543

01:44:33,350 --> 01:44:30,000

but i took

2544

01:44:35,910 --> 01:44:33,360

mistook or whatever interpreted that

2545

01:44:41,350 --> 01:44:35,920

weakness to be

2546

01:44:46,830 --> 01:44:43,430

the improvement in my energy level and

2547

01:44:50,870 --> 01:44:46,840

everything when i got outside the craft

2548

01:44:53,030 --> 01:44:50,880

um could could uh indicate that there

2549

01:44:54,950 --> 01:44:53,040

was heavier gravity generated inside

2550

01:44:55,830 --> 01:44:54,960

that craft for some reason

2551

01:44:58,870 --> 01:44:55,840

um

2552

01:45:01,750 --> 01:44:58,880

if the beings in their home planet uh

2553

01:45:05,350 --> 01:45:01,760

have a heavier gravity it would also

2554

01:45:08,149 --> 01:45:05,360

contribute to a denser atmosphere

2555

01:45:11,189 --> 01:45:08,159

more my speculation after 40 years a

2556

01:45:13,109 --> 01:45:11,199

denser atmosphere perhaps cutting down

2557

01:45:14,149 --> 01:45:13,119

on the amount of light reaching the

2558

01:45:15,669 --> 01:45:14,159

surface

2559

01:45:17,669 --> 01:45:15,679

of the planet

2560

01:45:20,310 --> 01:45:17,679

which might explain

2561

01:45:21,109 --> 01:45:20,320

the large eyes large eyes have got to

2562

01:45:22,390 --> 01:45:21,119

mean

2563

01:45:24,709 --> 01:45:22,400

either of

2564

01:45:26,790 --> 01:45:24,719

some kind of an environment where light

2565

01:45:28,950 --> 01:45:26,800

is limited i would think

2566

01:45:30,390 --> 01:45:28,960

um are they nocturnal maybe that would

2567

01:45:34,709 --> 01:45:30,400

be the reason but

2568

01:45:38,709 --> 01:45:34,719

if they aren't nocturnal then perhaps

2569

01:45:44,390 --> 01:45:41,590

where the atmosphere is heavy denser and

2570

01:45:46,950 --> 01:45:44,400

less light reaches the surface

2571

01:45:49,030 --> 01:45:46,960

did you notice any strangeness or

2572

01:45:52,229 --> 01:45:49,040

anything abnormal about how the aliens

2573

01:45:54,950 --> 01:45:52,239

walked so firstly did you see the gray's

2574

01:45:59,910 --> 01:45:57,109

yes and it was just a real quick light

2575

01:46:02,550 --> 01:45:59,920

scurrying um they actually so you know

2576

01:46:04,790 --> 01:46:02,560

when i was made contact with one of them

2577

01:46:06,950 --> 01:46:04,800

with the back of my arm

2578

01:46:09,350 --> 01:46:06,960

it was a lot lighter than i expected it

2579

01:46:11,189 --> 01:46:09,360

fell back

2580

01:46:13,030 --> 01:46:11,199

very easily

2581

01:46:15,189 --> 01:46:13,040

so they just scurry i know that some

2582

01:46:16,470 --> 01:46:15,199

people say that they move they shuffle

2583

01:46:21,910 --> 01:46:16,480

like

2584

01:46:23,990 --> 01:46:21,920

did you notice any strange movement i

2585

01:46:25,510 --> 01:46:24,000

didn't get any insects like compressions

2586

01:46:27,350 --> 01:46:25,520

at all was there a difference between

2587

01:46:28,629 --> 01:46:27,360

how the greys moved versus the more

2588

01:46:30,070 --> 01:46:28,639

human-like

2589

01:46:32,310 --> 01:46:30,080

beings

2590

01:46:33,430 --> 01:46:32,320

the human-looking ones moved like humans

2591

01:46:34,310 --> 01:46:33,440

and

2592

01:46:36,709 --> 01:46:34,320

the

2593

01:46:39,270 --> 01:46:36,719

grays just moved like

2594

01:46:41,109 --> 01:46:39,280

very light quick

2595

01:46:42,950 --> 01:46:41,119

beings

2596

01:46:44,310 --> 01:46:42,960

considering the ufo radiation could have

2597

01:46:45,910 --> 01:46:44,320

killed you have you ever thought that

2598

01:46:49,990 --> 01:46:45,920

they grabbed you to heal you this one

2599

01:46:55,189 --> 01:46:52,870

yeah definitely because the evidence of

2600

01:46:57,430 --> 01:46:55,199

radiation in the trees

2601
01:46:58,870 --> 01:46:57,440
would suggest that i

2602
01:47:00,870 --> 01:46:58,880
would

2603
01:47:03,350 --> 01:47:00,880
myself have been exposed to a large

2604
01:47:05,910 --> 01:47:03,360
amount and that could have been part of

2605
01:47:07,830 --> 01:47:05,920
what the treatment was or maybe quite a

2606
01:47:09,189 --> 01:47:07,840
lot of it i don't know

2607
01:47:11,350 --> 01:47:09,199
and

2608
01:47:14,149 --> 01:47:11,360
one other thing is that

2609
01:47:16,390 --> 01:47:14,159
the crewman that was sitting to my left

2610
01:47:17,830 --> 01:47:16,400
when i got out of the truck i left the

2611
01:47:20,390 --> 01:47:17,840
door open

2612
01:47:23,270 --> 01:47:20,400
and he did develop skin cancer on his

2613
01:47:25,669 --> 01:47:23,280

right forearm which

2614

01:47:28,550 --> 01:47:25,679

would be probably the most

2615

01:47:31,270 --> 01:47:28,560

exposed part of his whole anatomy

2616

01:47:32,870 --> 01:47:31,280

but again it could be

2617

01:47:34,149 --> 01:47:32,880

a coincidence

2618

01:47:37,590 --> 01:47:34,159

can you talk some more about how this

2619

01:47:45,030 --> 01:47:37,600

has affected your view on death and god

2620

01:47:45,040 --> 01:47:50,070

well

2621

01:47:55,750 --> 01:47:53,189

if you were a really super highly

2622

01:47:57,590 --> 01:47:55,760

technological

2623

01:48:00,470 --> 01:47:57,600

civilization

2624

01:48:04,629 --> 01:48:03,430

understanding of life prosperous far

2625

01:48:06,950 --> 01:48:04,639

beyond

2626
01:48:09,510 --> 01:48:06,960
anything

2627
01:48:12,229 --> 01:48:09,520
that we have

2628
01:48:16,070 --> 01:48:12,239
you would think one of the

2629
01:48:22,790 --> 01:48:20,310
to eliminate disease especially aging

2630
01:48:24,629 --> 01:48:22,800
so that's a speculation on my part but i

2631
01:48:26,070 --> 01:48:24,639
would think that perhaps that's an

2632
01:48:28,470 --> 01:48:26,080
indication that they're extremely

2633
01:48:31,270 --> 01:48:28,480
long-lived and maybe even

2634
01:48:32,229 --> 01:48:31,280
uh long-lived enough to tolerate

2635
01:48:34,709 --> 01:48:32,239
uh

2636
01:48:37,030 --> 01:48:34,719
years of flight to get here if that were

2637
01:48:39,830 --> 01:48:37,040
necessary

2638
01:48:42,950 --> 01:48:39,840

what do you make of cali waldrip who

2639

01:48:44,550 --> 01:48:42,960

said that you concocted an

2640

01:48:47,109 --> 01:48:44,560

abduction story

2641

01:48:49,350 --> 01:48:47,119

and i'll just read this quote i happened

2642

01:48:50,709 --> 01:48:49,360

across your referring to michael shermer

2643

01:48:53,350 --> 01:48:50,719

your assessment

2644

01:48:56,629 --> 01:48:53,360

of travis walton's alleged abduction

2645

01:48:58,790 --> 01:48:56,639

aboard a ufo in 1975. your suspicion

2646

01:49:00,629 --> 01:48:58,800

that it was a hoax is completely correct

2647

01:49:02,709 --> 01:49:00,639

i know these you can respond to this

2648

01:49:05,430 --> 01:49:02,719

shortly travis and i were in junior high

2649

01:49:07,830 --> 01:49:05,440

school back together

2650

01:49:09,590 --> 01:49:07,840

together back in the early 60s and he

2651
01:49:11,109 --> 01:49:09,600
was constantly dreaming up schemes to

2652
01:49:14,310 --> 01:49:11,119
deceive folks

2653
01:49:16,870 --> 01:49:14,320
that a ufo was visiting

2654
01:49:19,750 --> 01:49:16,880
i haven't seen him in decades and

2655
01:49:21,990 --> 01:49:19,760
i reminded him of that in 2006 via email

2656
01:49:24,470 --> 01:49:22,000
he changed the subject

2657
01:49:26,229 --> 01:49:24,480
i found the online bio

2658
01:49:28,470 --> 01:49:26,239
suggesting that we weren't in the same

2659
01:49:31,910 --> 01:49:28,480
grade school were the same age but his

2660
01:49:33,990 --> 01:49:31,920
bio lists him five so there's various

2661
01:49:37,589 --> 01:49:34,000
assertions there how would you respond

2662
01:49:43,990 --> 01:49:40,629
like i say people who knew you are eager

2663
01:49:45,510 --> 01:49:44,000

to say i've got the inside story

2664

01:49:47,430 --> 01:49:45,520

well

2665

01:49:49,910 --> 01:49:47,440

he's got some

2666

01:49:51,830 --> 01:49:49,920

amazing tales um

2667

01:49:54,070 --> 01:49:51,840

himself

2668

01:49:54,870 --> 01:49:54,080

he was my best friend

2669

01:49:58,629 --> 01:49:54,880

and

2670

01:50:00,629 --> 01:49:58,639

it was actually his idea to

2671

01:50:02,310 --> 01:50:00,639

put up a hot air balloon or something

2672

01:50:05,030 --> 01:50:02,320

but uh

2673

01:50:06,390 --> 01:50:05,040

he became an fbi agent

2674

01:50:08,470 --> 01:50:06,400

and uh

2675

01:50:11,270 --> 01:50:08,480

the only contact i've had with him was

2676
01:50:13,109 --> 01:50:11,280
years ago and he was describing how he

2677
01:50:14,229 --> 01:50:13,119
was basically

2678
01:50:16,070 --> 01:50:14,239
um

2679
01:50:18,470 --> 01:50:16,080
ducking and dodging around the planet to

2680
01:50:21,589 --> 01:50:18,480
avoid being assassinated in connection

2681
01:50:24,070 --> 01:50:21,599
with his previous work his previous job

2682
01:50:25,030 --> 01:50:24,080
well maybe it's true sounds kind of wild

2683
01:50:27,750 --> 01:50:25,040
though

2684
01:50:30,229 --> 01:50:27,760
but uh he's definitely exaggerating

2685
01:50:33,350 --> 01:50:30,239
anything that was said between us

2686
01:50:34,709 --> 01:50:33,360
like i said people love to get attention

2687
01:50:36,790 --> 01:50:34,719
uh

2688
01:50:39,109 --> 01:50:36,800

i know this guy you know i'll tell you

2689

01:50:40,390 --> 01:50:39,119

the inside story

2690

01:50:43,030 --> 01:50:40,400

you know he's not in a position to add

2691

01:50:45,910 --> 01:50:43,040

anything positive so it's great to

2692

01:50:49,510 --> 01:50:45,920

attack your best friend but uh whatever

2693

01:50:55,109 --> 01:50:52,790

no we just um you know i moved

2694

01:50:56,149 --> 01:50:55,119

to a different city you called him your

2695

01:50:59,430 --> 01:50:56,159

best friend

2696

01:51:02,070 --> 01:50:59,440

you mean prior or even now

2697

01:51:03,430 --> 01:51:02,080

during our during our junior high years

2698

01:51:06,070 --> 01:51:03,440

you know we hung out together all the

2699

01:51:09,109 --> 01:51:06,080

time but uh i guarantee you ufos were

2700

01:51:10,470 --> 01:51:09,119

not a constant topic of conversation you

2701
01:51:15,669 --> 01:51:10,480
mentioned something about a hot air

2702
01:51:18,709 --> 01:51:16,629
um

2703
01:51:22,870 --> 01:51:18,719
this is something he's saying

2704
01:51:25,030 --> 01:51:22,880
that i said but uh i only remembered him

2705
01:51:27,669 --> 01:51:25,040
suggesting such a thing

2706
01:51:31,830 --> 01:51:29,669
it's terrible somebody would come out

2707
01:51:34,310 --> 01:51:31,840
there and attack you like that

2708
01:51:38,709 --> 01:51:34,320
do you think that he just wants fame

2709
01:51:43,910 --> 01:51:41,189
well just like i said you know i'm the

2710
01:51:46,070 --> 01:51:43,920
guy that's gonna i got the inside story

2711
01:51:48,070 --> 01:51:46,080
i know this person you know

2712
01:51:51,350 --> 01:51:48,080
it's like the guy who says i called him

2713
01:51:54,070 --> 01:51:51,360

first before i called my family

2714

01:51:57,189 --> 01:51:54,080

it's um in that case not attempting to

2715

01:51:59,109 --> 01:51:57,199

do any harm just to attach yourself

2716

01:52:01,270 --> 01:51:59,119

to something that's got a lot of

2717

01:52:04,950 --> 01:52:01,280

attention i mean there were three or

2718

01:52:07,109 --> 01:52:04,960

four girls that i had dated who had some

2719

01:52:08,870 --> 01:52:07,119

stories to tell when everybody's talking

2720

01:52:10,550 --> 01:52:08,880

about that guy

2721

01:52:12,310 --> 01:52:10,560

and uh

2722

01:52:13,270 --> 01:52:12,320

things that weren't true

2723

01:52:15,189 --> 01:52:13,280

and this

2724

01:52:16,390 --> 01:52:15,199

email communication he references in

2725

01:52:18,390 --> 01:52:16,400

2006

2726

01:52:20,310 --> 01:52:18,400

he said he brought it up to you

2727

01:52:22,470 --> 01:52:20,320

i'm unsure exactly what he's referring

2728

01:52:24,229 --> 01:52:22,480

to i assume he means

2729

01:52:26,390 --> 01:52:24,239

that you were quote-unquote trying to

2730

01:52:27,510 --> 01:52:26,400

deceive and so on but then you change

2731

01:52:28,709 --> 01:52:27,520

the subject do you know what he's

2732

01:52:30,629 --> 01:52:28,719

referring to

2733

01:52:32,550 --> 01:52:30,639

do you recall this

2734

01:52:33,669 --> 01:52:32,560

kelly waldrop

2735

01:52:36,390 --> 01:52:33,679

i'll just give you the quote he said i'm

2736

01:52:38,350 --> 01:52:36,400

actually reminded i reminded him of this

2737

01:52:41,270 --> 01:52:38,360

referring to what we just spoke about in

2738

01:52:43,669 --> 01:52:41,280

2006 via email and he simply changed the

2739

01:52:46,950 --> 01:52:43,679

subject not wanting to crack his golden

2740

01:52:51,669 --> 01:52:49,109

that's what kelly said what i said was i

2741

01:52:53,910 --> 01:52:51,679

don't remember you had an idea like that

2742

01:52:55,270 --> 01:52:53,920

he was accusing me of an idea

2743

01:52:57,589 --> 01:52:55,280

um

2744

01:53:01,109 --> 01:52:59,669

like i say it's the same

2745

01:53:03,830 --> 01:53:01,119

same thing you know

2746

01:53:05,109 --> 01:53:03,840

he's using my prior friendship with him

2747

01:53:07,430 --> 01:53:05,119

to

2748

01:53:08,470 --> 01:53:07,440

elevate himself here

2749

01:53:12,790 --> 01:53:08,480

uh

2750

01:53:15,030 --> 01:53:12,800

does he in any way speak to

2751
01:53:17,270 --> 01:53:15,040
seven people passing police lie detector

2752
01:53:19,350 --> 01:53:17,280
test does he speak to

2753
01:53:22,550 --> 01:53:19,360
the effect of radiation on tree growth

2754
01:53:23,750 --> 01:53:22,560
does he uh you know any of those kinds

2755
01:53:26,470 --> 01:53:23,760
of things

2756
01:53:30,310 --> 01:53:26,480
the guy's an fbi agent or a former fbi

2757
01:53:35,910 --> 01:53:33,030
resort to evidence and

2758
01:53:37,430 --> 01:53:35,920
the facts of the case

2759
01:53:39,350 --> 01:53:37,440
attack

2760
01:53:40,870 --> 01:53:39,360
let's address the facts when you can't

2761
01:53:42,790 --> 01:53:40,880
address the facts

2762
01:53:44,550 --> 01:53:42,800
attack the person so

2763
01:53:46,310 --> 01:53:44,560

that's what's happening does it hurt you

2764

01:53:47,430 --> 01:53:46,320

because he's a former friend of yours i

2765

01:53:49,510 --> 01:53:47,440

imagine that

2766

01:53:51,109 --> 01:53:49,520

if that was me i would be

2767

01:53:52,790 --> 01:53:51,119

not only offended but

2768

01:53:57,830 --> 01:53:52,800

saddened

2769

01:54:00,390 --> 01:53:58,629

well

2770

01:54:02,870 --> 01:54:00,400

of course it's uh

2771

01:54:03,669 --> 01:54:02,880

it's sad you know and i'd always thought

2772

01:54:05,750 --> 01:54:03,679

about

2773

01:54:08,149 --> 01:54:05,760

contacting him

2774

01:54:10,310 --> 01:54:08,159

because i had heard some the story

2775

01:54:13,189 --> 01:54:10,320

second hand from somebody

2776

01:54:15,589 --> 01:54:13,199

that i worked with at the paper mill

2777

01:54:18,950 --> 01:54:15,599

that he had said something like that

2778

01:54:25,270 --> 01:54:22,550

kind of uh fell in him in on the details

2779

01:54:27,510 --> 01:54:25,280

don't be jumping to conclusions guy

2780

01:54:29,990 --> 01:54:27,520

but apparently he has

2781

01:54:32,149 --> 01:54:30,000

to each his own

2782

01:54:34,229 --> 01:54:32,159

eve clancy wants to know do you believe

2783

01:54:38,149 --> 01:54:34,239

yourself to have been abducted more than

2784

01:54:44,870 --> 01:54:41,189

it's possible but you know um

2785

01:54:46,709 --> 01:54:44,880

in any other case it would have been

2786

01:54:48,070 --> 01:54:46,719

something where you know memories are

2787

01:54:51,109 --> 01:54:48,080

blocked or something of that nature

2788

01:54:53,669 --> 01:54:51,119

where you're unconscious

2789

01:54:55,589 --> 01:54:53,679

bilbo baggins wants to know does travis

2790

01:54:57,189 --> 01:54:55,599

think the recent uaps

2791

01:54:59,270 --> 01:54:57,199

are related to the craft in his

2792

01:55:02,390 --> 01:54:59,280

experience or is it maybe a different

2793

01:55:07,030 --> 01:55:02,400

phenomenon so there's been plenty of uap

2794

01:55:10,629 --> 01:55:08,149

there's a question i think that the

2795

01:55:12,629 --> 01:55:10,639

recent uap disclosures the ufos

2796

01:55:14,550 --> 01:55:12,639

associated with them are similar if not

2797

01:55:17,430 --> 01:55:14,560

the same to the one that abducted you or

2798

01:55:18,629 --> 01:55:17,440

the ones that you've seen

2799

01:55:22,229 --> 01:55:18,639

oh um

2800

01:55:25,589 --> 01:55:22,239

as far as you know these various reports

2801
01:55:27,109 --> 01:55:25,599
uh i don't think that the typical flying

2802
01:55:29,910 --> 01:55:27,119
saucer

2803
01:55:32,709 --> 01:55:29,920
uh is necessarily

2804
01:55:35,109 --> 01:55:32,719
the exclusive

2805
01:55:38,470 --> 01:55:35,119
form of these ships

2806
01:55:45,750 --> 01:55:42,070
some are spherical some are triangular

2807
01:55:47,830 --> 01:55:45,760
there's the tic tac shape that the

2808
01:55:49,990 --> 01:55:47,840
navy is filmed

2809
01:55:50,950 --> 01:55:50,000
so there's a variety of shapes there's

2810
01:55:53,270 --> 01:55:50,960
uh

2811
01:55:54,870 --> 01:55:53,280
other other shapes that are more hard to

2812
01:56:03,669 --> 01:55:54,880
describe long

2813
01:56:07,669 --> 01:56:05,270

okay we're going to rap in about five

2814

01:56:09,030 --> 01:56:07,679

minutes so people please as you're

2815

01:56:10,870 --> 01:56:09,040

asking the questions just type in all

2816

01:56:12,550 --> 01:56:10,880

caps and please at me so that i can see

2817

01:56:13,669 --> 01:56:12,560

them easily

2818

01:56:15,990 --> 01:56:13,679

travis

2819

01:56:17,589 --> 01:56:16,000

you also talked about a low rumble as

2820

01:56:18,950 --> 01:56:17,599

well as a high-pitched noise when the

2821

01:56:22,550 --> 01:56:18,960

craft came near you do you mind

2822

01:56:24,390 --> 01:56:22,560

repeating and expanding upon it

2823

01:56:27,030 --> 01:56:24,400

well it was um

2824

01:56:29,910 --> 01:56:27,040

a frequency that's so low

2825

01:56:31,350 --> 01:56:29,920

you you felt it more than uh

2826
01:56:33,270 --> 01:56:31,360
heard it or

2827
01:56:34,229 --> 01:56:33,280
simultaneously

2828
01:56:37,589 --> 01:56:34,239
um

2829
01:56:38,550 --> 01:56:37,599
and then a really high high pitch to it

2830
01:56:39,990 --> 01:56:38,560
that

2831
01:56:41,990 --> 01:56:40,000
and i'm just talking about the ends of

2832
01:56:43,830 --> 01:56:42,000
the frequency of the

2833
01:56:47,109 --> 01:56:43,840
spectrum of sound

2834
01:56:57,510 --> 01:56:48,550
you also mentioned when the craft was

2835
01:57:02,390 --> 01:57:00,470
uh wind yeah the trees were moving as it

2836
01:57:03,669 --> 01:57:02,400
or perhaps it was when the craft went

2837
01:57:06,470 --> 01:57:03,679
away your friends reported that the

2838
01:57:07,270 --> 01:57:06,480

trees oh wow the craft that left me off

2839

01:57:10,070 --> 01:57:07,280

uh

2840

01:57:13,510 --> 01:57:10,080

created a stir in the air as it passed

2841

01:57:15,109 --> 01:57:13,520

some small limbs close by but

2842

01:57:19,990 --> 01:57:15,119

that wasn't what you experienced that's

2843

01:57:23,990 --> 01:57:21,990

oh right but when the craft dropped you

2844

01:57:26,709 --> 01:57:24,000

off you were able to look and see when i

2845

01:57:29,430 --> 01:57:26,719

was dropped off i was the only

2846

01:57:30,790 --> 01:57:29,440

only person there do you well i assume

2847

01:57:31,910 --> 01:57:30,800

your friends may have been in too much

2848

01:57:33,990 --> 01:57:31,920

of a panic

2849

01:57:35,910 --> 01:57:34,000

to know if there was any strange

2850

01:57:38,950 --> 01:57:35,920

activity when the craft left such as

2851
01:57:41,109 --> 01:57:38,960
extreme wind or a special sound but

2852
01:57:43,430 --> 01:57:41,119
there were other witnesses that saw the

2853
01:57:46,390 --> 01:57:43,440
craft depart that reported it to the

2854
01:57:51,270 --> 01:57:48,149
a man who said his

2855
01:57:53,830 --> 01:57:51,280
his job was military intelligence

2856
01:57:55,589 --> 01:57:53,840
deer hunting with his wife

2857
01:57:57,189 --> 01:57:55,599
still have the

2858
01:57:59,270 --> 01:57:57,199
see back in those days we didn't have

2859
01:58:02,149 --> 01:57:59,280
cell phones a lot of this communication

2860
01:58:04,830 --> 01:58:02,159
came in actual physical letters

2861
01:58:08,229 --> 01:58:04,840
and another one that came

2862
01:58:11,189 --> 01:58:08,239
um both to me and the sheriff

2863
01:58:13,990 --> 01:58:11,199

describing seeing the craft depart

2864

01:58:15,030 --> 01:58:14,000

from closer to black canyon lake which

2865

01:58:17,189 --> 01:58:15,040

is

2866

01:58:19,510 --> 01:58:17,199

near turkey springs

2867

01:58:21,830 --> 01:58:19,520

john doe wants to know ask if he thinks

2868

01:58:23,669 --> 01:58:21,840

it's strange that his buddy had the idea

2869

01:58:25,510 --> 01:58:23,679

of making up a ufo story when they were

2870

01:58:26,550 --> 01:58:25,520

young and then it actually happens to

2871

01:58:29,750 --> 01:58:26,560

him

2872

01:58:30,950 --> 01:58:29,760

so how do you respond to that

2873

01:58:32,550 --> 01:58:30,960

do you think it's strange do you think

2874

01:58:35,030 --> 01:58:32,560

it's a coincidence do you think it's not

2875

01:58:37,030 --> 01:58:35,040

coincidental i think it's an opportunity

2876

01:58:39,830 --> 01:58:37,040

it's an opportunity

2877

01:58:42,870 --> 01:58:39,840

now i don't know if he had to go

2878

01:58:45,270 --> 01:58:42,880

hide his name and and travel around the

2879

01:58:47,910 --> 01:58:45,280

world to avoid being assassinated by the

2880

01:58:50,629 --> 01:58:47,920

fbi that sounds like a pretty wild story

2881

01:58:53,350 --> 01:58:50,639

myself you know but uh maybe it's true

2882

01:58:54,470 --> 01:58:53,360

you know uh some of those characters up

2883

01:58:56,550 --> 01:58:54,480

there are

2884

01:58:59,510 --> 01:58:56,560

pretty um

2885

01:58:59,520 --> 01:59:03,510

unethical uh to

2886

01:59:06,870 --> 01:59:05,270

wants to know did it look like the other

2887

01:59:08,950 --> 01:59:06,880

beings were communicating with one

2888

01:59:10,310 --> 01:59:08,960

another in some way such as did they

2889

01:59:12,229 --> 01:59:10,320

look at one another i know they didn't

2890

01:59:13,709 --> 01:59:12,239

speak but did you sense any form of

2891

01:59:15,589 --> 01:59:13,719

talking anymore they did move

2892

01:59:17,669 --> 01:59:15,599

simultaneously

2893

01:59:20,070 --> 01:59:17,679

i didn't see any communication or hand

2894

01:59:22,550 --> 01:59:20,080

signal or anything so

2895

01:59:24,470 --> 01:59:22,560

it was also pretty apparent that i was

2896

01:59:26,310 --> 01:59:24,480

getting ready to attack them

2897

01:59:27,189 --> 01:59:26,320

fight my way past them to get to the

2898

01:59:30,709 --> 01:59:27,199

door

2899

01:59:32,390 --> 01:59:30,719

and so they turned simultaneously

2900

01:59:34,470 --> 01:59:32,400

and departed

2901
01:59:36,310 --> 01:59:34,480
freedom loving fool wants to know travis

2902
01:59:40,149 --> 01:59:36,320
could you see outside the craft could

2903
01:59:42,229 --> 01:59:40,159
you tell if you're underwater or ariel

2904
01:59:44,149 --> 01:59:42,239
no i couldn't tell i could not see

2905
01:59:45,510 --> 01:59:44,159
outside of whether i was underground

2906
01:59:47,270 --> 01:59:45,520
underwater or

2907
01:59:49,750 --> 01:59:47,280
outside the atmosphere

2908
01:59:51,589 --> 01:59:49,760
there was no window of that sort do you

2909
01:59:53,750 --> 01:59:51,599
think the ufo phenomenon has been used

2910
01:59:55,589 --> 01:59:53,760
for psychological warfare

2911
01:59:56,870 --> 01:59:55,599
what do you think of the threat

2912
01:59:58,709 --> 01:59:56,880
narrative that's being pushed in

2913
02:00:01,430 --> 01:59:58,719

mainstream this one comes from freedom

2914

02:00:05,270 --> 02:00:02,870

well i think

2915

02:00:07,430 --> 02:00:05,280

our governments um

2916

02:00:09,510 --> 02:00:07,440

world governments for that matter uh

2917

02:00:11,750 --> 02:00:09,520

take advantage of certain things that

2918

02:00:12,870 --> 02:00:11,760

occur in order to

2919

02:00:14,870 --> 02:00:12,880

shape

2920

02:00:16,070 --> 02:00:14,880

the behavior of populations that's

2921

02:00:18,709 --> 02:00:16,080

pretty common

2922

02:00:22,310 --> 02:00:18,719

and uh in today's world

2923

02:00:23,830 --> 02:00:22,320

they have a wealth of data

2924

02:00:26,550 --> 02:00:23,840

to

2925

02:00:29,510 --> 02:00:26,560

because

2926
02:00:31,510 --> 02:00:29,520
x happens and they almost instantly are

2927
02:00:34,790 --> 02:00:31,520
able to gather

2928
02:00:36,470 --> 02:00:34,800
information on huge numbers of people so

2929
02:00:38,550 --> 02:00:36,480
they can predict

2930
02:00:40,790 --> 02:00:38,560
the the outcome of certain things and

2931
02:00:42,709 --> 02:00:40,800
measure it in ways that gives them a

2932
02:00:44,470 --> 02:00:42,719
power of people who are truly

2933
02:00:46,229 --> 02:00:44,480
underestimating

2934
02:00:47,830 --> 02:00:46,239
do you get many people saying convince

2935
02:00:51,109 --> 02:00:47,840
me convince me of the fact that you were

2936
02:00:55,189 --> 02:00:52,550
i don't care

2937
02:00:57,430 --> 02:00:55,199
you know uh people are willing to listen

2938
02:00:59,350 --> 02:00:57,440

i will give them the facts if they want

2939

02:01:00,709 --> 02:00:59,360

to say oh i don't believe this no matter

2940

02:01:02,470 --> 02:01:00,719

what you know

2941

02:01:12,229 --> 02:01:02,480

uh

2942

02:01:15,589 --> 02:01:12,239

okay fine that totally disqualifies me

2943

02:01:17,430 --> 02:01:15,599

if anybody sees a ufo just say all right

2944

02:01:19,990 --> 02:01:17,440

scratch me up the list

2945

02:01:22,310 --> 02:01:20,000

anything that happens from here on

2946

02:01:25,350 --> 02:01:22,320

no credibility no no nothing and that

2947

02:01:26,310 --> 02:01:25,360

includes not just seeing a ufo anything

2948

02:01:29,109 --> 02:01:26,320

um

2949

02:01:32,149 --> 02:01:29,119

uh seeing a uh beating in the park or

2950

02:01:34,830 --> 02:01:32,159

something of that nature uh well

2951

02:01:37,589 --> 02:01:34,840

oh come on this is a guy who said he saw

2952

02:01:40,310 --> 02:01:37,599

ufo this is a guy who just thinks he saw

2953

02:01:41,910 --> 02:01:40,320

aliens forget him you know

2954

02:01:43,430 --> 02:01:41,920

really there's a part of me that you

2955

02:01:45,430 --> 02:01:43,440

know has

2956

02:01:46,629 --> 02:01:45,440

often thought just walk away from all

2957

02:01:48,629 --> 02:01:46,639

this and just

2958

02:01:50,229 --> 02:01:48,639

you know

2959

02:01:51,589 --> 02:01:50,239

what would you do don't talk about it

2960

02:01:53,109 --> 02:01:51,599

what in your fantasies when you think

2961

02:01:55,430 --> 02:01:53,119

about walking away are you going to an

2962

02:01:58,470 --> 02:01:55,440

island and then drinking from coconuts

2963

02:02:03,669 --> 02:02:01,350

uh just refusing to respond to

2964

02:02:06,790 --> 02:02:03,679

inquiries

2965

02:02:08,470 --> 02:02:06,800

requests for interviews or appearances

2966

02:02:10,070 --> 02:02:08,480

and

2967

02:02:11,589 --> 02:02:10,080

now that should be enough for a while

2968

02:02:14,950 --> 02:02:11,599

that they're not going to get anything

2969

02:02:16,950 --> 02:02:14,960

out of me i got nothing to say

2970

02:02:19,669 --> 02:02:16,960

dynamite biz quits wants to know do any

2971

02:02:21,030 --> 02:02:19,679

pictures that you've seen look like

2972

02:02:22,950 --> 02:02:21,040

what you saw

2973

02:02:24,950 --> 02:02:22,960

so have you seen movies that closely

2974

02:02:28,149 --> 02:02:24,960

resemble the greys or have you seen

2975

02:02:31,350 --> 02:02:28,159

images well yeah generally speaking um

2976
02:02:35,830 --> 02:02:31,360
you know of any resemblances i would

2977
02:02:40,870 --> 02:02:37,109
bazaar

2978
02:02:45,910 --> 02:02:43,030
and

2979
02:02:48,229 --> 02:02:45,920
authorized a model with the plastic

2980
02:02:50,310 --> 02:02:48,239
model with the tear stairs corporation

2981
02:02:52,149 --> 02:02:50,320
is the closest to the craft we

2982
02:02:55,030 --> 02:02:52,159
encountered in the woods

2983
02:02:57,430 --> 02:02:55,040
but um like i said these craft have many

2984
02:02:59,109 --> 02:02:57,440
different shapes and forms and

2985
02:03:01,430 --> 02:02:59,119
if you see more than one you're crazy

2986
02:03:04,310 --> 02:03:01,440
lunatic anyway

2987
02:03:09,030 --> 02:03:04,320
have they done any testing on the

2988
02:03:12,149 --> 02:03:09,830

no

2989

02:03:15,030 --> 02:03:12,159

once the bag got tore open and it was

2990

02:03:16,709 --> 02:03:15,040

considered contaminated that

2991

02:03:18,149 --> 02:03:16,719

i even kept them

2992

02:03:20,070 --> 02:03:18,159

for a while

2993

02:03:23,030 --> 02:03:20,080

in the shed and they got further

2994

02:03:24,310 --> 02:03:23,040

contaminated after that

2995

02:03:26,790 --> 02:03:24,320

so you still have them but they're just

2996

02:03:28,149 --> 02:03:26,800

contaminated

2997

02:03:30,310 --> 02:03:28,159

well i did for a while i don't know

2998

02:03:32,149 --> 02:03:30,320

where they are now

2999

02:03:33,910 --> 02:03:32,159

stefan

3000

02:03:35,430 --> 02:03:33,920

exodus wants to know are you amazed or

3001
02:03:37,109 --> 02:03:35,440
surprised that even after all these

3002
02:03:38,790 --> 02:03:37,119
years and that you've never changed your

3003
02:03:42,470 --> 02:03:38,800
story that people still ask you about

3004
02:03:46,870 --> 02:03:45,109
well it grows and grows and grows you

3005
02:03:48,629 --> 02:03:46,880
know more and more inquiries from

3006
02:03:50,629 --> 02:03:48,639
far-off places

3007
02:03:52,550 --> 02:03:50,639
some i've never heard of some i got to

3008
02:03:55,030 --> 02:03:52,560
check the map to see where that is but

3009
02:03:59,589 --> 02:03:57,350
it's kind of the purpose

3010
02:04:01,589 --> 02:03:59,599
to continue to talk about it is to let

3011
02:04:03,189 --> 02:04:01,599
people know simply

3012
02:04:07,510 --> 02:04:03,199
that it's real

3013
02:04:09,669 --> 02:04:07,520

um these giant black triangles i saw one

3014

02:04:13,189 --> 02:04:09,679

with other witnesses

3015

02:04:14,629 --> 02:04:13,199

15 or 20 actually at least i would love

3016

02:04:16,229 --> 02:04:14,639

to go back and

3017

02:04:18,069 --> 02:04:16,239

get the

3018

02:04:20,069 --> 02:04:18,079

addresses contact information of these

3019

02:04:21,589 --> 02:04:20,079

people and see if any of them took a

3020

02:04:23,750 --> 02:04:21,599

picture

3021

02:04:25,109 --> 02:04:23,760

because my son said dad dad you should

3022

02:04:27,350 --> 02:04:25,119

we pull over and take a picture i go no

3023

02:04:30,069 --> 02:04:27,360

no okay keep going and you know i was

3024

02:04:32,870 --> 02:04:30,079

surprised that i had so much ptsd after

3025

02:04:35,109 --> 02:04:32,880

that much time to to be scared to pull

3026

02:04:38,310 --> 02:04:35,119

over and take a picture i sure wish i

3027

02:04:40,550 --> 02:04:38,320

had but certainly you know 15 20 other

3028

02:04:43,030 --> 02:04:40,560

people reporting in

3029

02:04:45,069 --> 02:04:43,040

to one website

3030

02:04:47,350 --> 02:04:45,079

um

3031

02:04:49,350 --> 02:04:47,360

ufostalker.com i believe is the name of

3032

02:04:52,310 --> 02:04:49,360

it uh they would

3033

02:04:54,390 --> 02:04:52,320

you know get their addresses and see if

3034

02:04:56,470 --> 02:04:54,400

one of them just at least one took a

3035

02:04:58,310 --> 02:04:56,480

photo

3036

02:05:00,390 --> 02:04:58,320

is this the same triangle when you were

3037

02:05:03,669 --> 02:05:00,400

with your wife and your wife had a

3038

02:05:05,350 --> 02:05:03,679

who was pregnant is this the same one

3039

02:05:08,950 --> 02:05:05,360

and

3040

02:05:11,750 --> 02:05:08,960

mispronouncing this name or miss saying

3041

02:05:14,709 --> 02:05:11,760

it rewrite it someone asked a while ago

3042

02:05:15,669 --> 02:05:14,719

did someone name steve

3043

02:05:19,350 --> 02:05:15,679

rear

3044

02:05:23,830 --> 02:05:19,360

not greer steve ride steve reed examine

3045

02:05:30,069 --> 02:05:26,229

i don't know the doctor's name i was in

3046

02:05:31,910 --> 02:05:30,079

the in the room i saw the ultrasound but

3047

02:05:34,629 --> 02:05:31,920

i don't know her doctor's name i'm sure

3048

02:05:35,669 --> 02:05:34,639

she knows has always

3049

02:05:43,910 --> 02:05:35,679

no

3050

02:05:46,069 --> 02:05:43,920

examined her

3051

02:05:49,030 --> 02:05:46,079

he uh

3052

02:05:52,229 --> 02:05:49,040

was involved in researching the case

3053

02:05:58,470 --> 02:05:53,109

but

3054

02:06:04,550 --> 02:06:00,550

when

3055

02:06:07,510 --> 02:06:04,560

she passed the cord and the placenta

3056

02:06:10,069 --> 02:06:07,520

that was um time for the medical people

3057

02:06:12,629 --> 02:06:10,079

the scientists to come in and examine

3058

02:06:14,390 --> 02:06:12,639

and this claim that it was an alien or

3059

02:06:17,669 --> 02:06:14,400

that i said it was an alien it's just a

3060

02:06:20,310 --> 02:06:17,679

damn lie i've never said any such thing

3061

02:06:22,310 --> 02:06:20,320

but see again these are people who are

3062

02:06:24,310 --> 02:06:22,320

in a position to make up a story and

3063

02:06:28,870 --> 02:06:24,320

become an important part of something

3064

02:06:31,030 --> 02:06:28,880

that's worldwide news so yeah he said

3065

02:06:32,790 --> 02:06:31,040

one claim was that i killed the baby

3066

02:06:34,950 --> 02:06:32,800

that i performed an abortion on this

3067

02:06:35,910 --> 02:06:34,960

woman total lie

3068

02:06:36,790 --> 02:06:35,920

you know

3069

02:06:39,189 --> 02:06:36,800

uh

3070

02:06:41,270 --> 02:06:39,199

i am totally anti-abortion i don't care

3071

02:06:44,790 --> 02:06:41,280

who knows it uh

3072

02:06:46,950 --> 02:06:44,800

and i was uh trained as a midwife

3073

02:06:49,990 --> 02:06:46,960

uh as i said

3074

02:06:51,430 --> 02:06:50,000

second highest score out of 40 people

3075

02:06:54,470 --> 02:06:51,440

um

3076

02:06:57,109 --> 02:06:54,480

i would never in this world dream of

3077

02:07:00,390 --> 02:06:57,119

performing an abortion that's just

3078

02:07:01,270 --> 02:07:00,400

uh i've delivered a number of babies

3079

02:07:04,229 --> 02:07:01,280

uh

3080

02:07:06,149 --> 02:07:04,239

the claim that i

3081

02:07:09,430 --> 02:07:06,159

you know killed this baby because it was

3082

02:07:11,270 --> 02:07:09,440

half alien was just a wild claim gets

3083

02:07:12,390 --> 02:07:11,280

attention that's what it's that's what

3084

02:07:15,270 --> 02:07:12,400

it's all about

3085

02:07:17,510 --> 02:07:15,280

something that got the news is out there

3086

02:07:20,470 --> 02:07:17,520

get my two cents worth in look at me

3087

02:07:21,350 --> 02:07:20,480

look at me i knew travis in the past you

3088

02:07:23,669 --> 02:07:21,360

know

3089

02:07:26,390 --> 02:07:23,679

i dated my uh

3090

02:07:27,910 --> 02:07:26,400

with his friend or whatever

3091

02:07:29,669 --> 02:07:27,920

travis where can people find out more

3092

02:07:33,990 --> 02:07:29,679

about you

3093

02:07:34,000 --> 02:07:37,750

what's next for you

3094

02:07:44,950 --> 02:07:41,510

um

3095

02:07:51,109 --> 02:07:48,470

big budget remake of fire in the sky

3096

02:07:53,270 --> 02:07:51,119

it's their idea and i'm all for it

3097

02:07:55,189 --> 02:07:53,280

because i'd love to straighten out a few

3098

02:07:57,910 --> 02:07:55,199

things you know there's some

3099

02:07:58,790 --> 02:07:57,920

misconceptions about what happened

3100

02:08:00,629 --> 02:07:58,800

uh

3101
02:08:02,790 --> 02:08:00,639
people have come to

3102
02:08:03,910 --> 02:08:02,800
um

3103
02:08:06,149 --> 02:08:03,920
based on

3104
02:08:08,790 --> 02:08:06,159
the movie i think the movie was a huge

3105
02:08:11,510 --> 02:08:08,800
accomplishment in terms of breaking down

3106
02:08:13,510 --> 02:08:11,520
people's resistance to the idea that it

3107
02:08:17,270 --> 02:08:13,520
could happen because they were sort of

3108
02:08:19,910 --> 02:08:17,280
vicariously able to live it themselves

3109
02:08:21,830 --> 02:08:19,920
but i always try to warn people don't

3110
02:08:23,189 --> 02:08:21,840
don't treat it as a documentary it was

3111
02:08:24,069 --> 02:08:23,199
entertainment

3112
02:08:27,669 --> 02:08:24,079
and

3113
02:08:29,510 --> 02:08:27,679

hollywood does that sort of thing so

3114

02:08:30,870 --> 02:08:29,520

i'm going to try to keep

3115

02:08:33,750 --> 02:08:30,880

retain

3116

02:08:35,910 --> 02:08:33,760

the script approval this time around

3117

02:08:37,990 --> 02:08:35,920

and tim has one last question travis do

3118

02:08:41,030 --> 02:08:38,000

you recall seeing any symbols signs or

3119

02:08:43,990 --> 02:08:41,040

writings on the walls floor ceilings

3120

02:08:49,510 --> 02:08:47,109

good question but uh no no symbols of

3121

02:08:51,990 --> 02:08:49,520

any kind

3122

02:08:54,470 --> 02:08:52,000

no numbers no letters

3123

02:08:57,350 --> 02:08:54,480

or anything that would

3124

02:08:58,790 --> 02:08:57,360

suggest such a thing

3125

02:09:02,390 --> 02:08:58,800

all right man

3126

02:09:06,790 --> 02:09:04,629

well thank you the discussion with

3127

02:09:08,709 --> 02:09:06,800

travis has now concluded

3128

02:09:10,709 --> 02:09:08,719

and there's a five-minute addendum with

3129

02:09:13,030 --> 02:09:10,719

amjad hussein who has sponsored this

3130

02:09:14,470 --> 02:09:13,040

podcast via his company algo we're

3131

02:09:17,589 --> 02:09:14,480

cutting right into the middle of a

3132

02:09:18,629 --> 02:09:17,599

discussion we had on the topic of ufos i

3133

02:09:20,390 --> 02:09:18,639

wasn't sure

3134

02:09:21,990 --> 02:09:20,400

should i continue going down this path

3135

02:09:24,790 --> 02:09:22,000

and you said that you were interested in

3136

02:09:24,800 --> 02:09:28,149

what's your interest in them

3137

02:09:35,109 --> 02:09:31,830

yeah no first of all uh gary

3138

02:09:36,790 --> 02:09:35,119

one thing that i want to say is that

3139

02:09:40,069 --> 02:09:36,800

the way you

3140

02:09:41,910 --> 02:09:40,079

approach these topics and

3141

02:09:43,589 --> 02:09:41,920

connect with people

3142

02:09:45,510 --> 02:09:43,599

you have a way to

3143

02:09:47,430 --> 02:09:45,520

connect at a deeper

3144

02:09:49,030 --> 02:09:47,440

human level so that

3145

02:09:50,550 --> 02:09:49,040

definitely is a gift

3146

02:09:53,030 --> 02:09:50,560

gift that you have

3147

02:09:53,990 --> 02:09:53,040

uh that is how i got attracted

3148

02:09:57,030 --> 02:09:54,000

uh

3149

02:09:58,790 --> 02:09:57,040

to you and your podcast and

3150

02:10:00,550 --> 02:09:58,800

that genuine

3151

02:10:03,669 --> 02:10:00,560

curiosity

3152

02:10:07,350 --> 02:10:03,679

intellectual honesty and

3153

02:10:08,870 --> 02:10:07,360

and and going deeper and that was

3154

02:10:09,990 --> 02:10:08,880

and remains to be

3155

02:10:11,990 --> 02:10:10,000

my

3156

02:10:14,470 --> 02:10:12,000

excitement about

3157

02:10:17,189 --> 02:10:14,480

you and the brand and the gift i would

3158

02:10:19,430 --> 02:10:17,199

say that you bring up to

3159

02:10:20,950 --> 02:10:19,440

the universe my

3160

02:10:22,069 --> 02:10:20,960

fascination

3161

02:10:24,870 --> 02:10:22,079

uh

3162

02:10:26,830 --> 02:10:24,880

with ufos just come from

3163

02:10:29,030 --> 02:10:26,840

i am

3164

02:10:30,390 --> 02:10:29,040

curious and

3165

02:10:31,990 --> 02:10:30,400

uh

3166

02:10:33,750 --> 02:10:32,000

quite some time ago

3167

02:10:35,830 --> 02:10:33,760

you know uh

3168

02:10:38,390 --> 02:10:35,840

i watched this

3169

02:10:39,990 --> 02:10:38,400

carl sagan movie contact

3170

02:10:42,069 --> 02:10:40,000

and i uh

3171

02:10:43,090 --> 02:10:42,079

since then you know have been thinking

3172

02:10:44,950 --> 02:10:43,100

about that are there

3173

02:10:46,390 --> 02:10:44,960

[Music]

3174

02:10:47,830 --> 02:10:46,400

intelligent life

3175

02:10:49,270 --> 02:10:47,840

elsewhere and

3176

02:10:51,350 --> 02:10:49,280

whatnot

3177

02:10:54,830 --> 02:10:51,360

and then uh

3178

02:10:57,270 --> 02:10:54,840

for a while i was not very serious about

3179

02:11:00,550 --> 02:10:57,280

uh the

3180

02:11:02,470 --> 02:11:00,560

entire ufo phenomenon and whatnot

3181

02:11:05,109 --> 02:11:02,480

but then

3182

02:11:08,149 --> 02:11:05,119

some serious-minded people who have

3183

02:11:11,589 --> 02:11:08,159

other professional lives and careers who

3184

02:11:15,830 --> 02:11:11,599

were not out there hunting for ufos

3185

02:11:18,069 --> 02:11:15,840

like this navy command commander uh dave

3186

02:11:19,270 --> 02:11:18,079

forward i might be pushing his last

3187

02:11:22,229 --> 02:11:19,280

driver

3188

02:11:24,870 --> 02:11:22,239

when he started talking about his

3189

02:11:27,750 --> 02:11:24,880

observations and when they were on those

3190

02:11:29,589 --> 02:11:27,760

missions uh off of the coast of san

3191

02:11:31,830 --> 02:11:29,599

diego

3192

02:11:34,229 --> 02:11:31,840

i started saying to myself that look you

3193

02:11:36,310 --> 02:11:34,239

know there must be something to it he

3194

02:11:40,149 --> 02:11:36,320

has absolutely

3195

02:11:42,629 --> 02:11:40,159

nothing to gain no reasons to lie

3196

02:11:44,229 --> 02:11:42,639

he's so rational minded

3197

02:11:45,990 --> 02:11:44,239

he's a

3198

02:11:47,350 --> 02:11:46,000

trained trained

3199

02:11:50,310 --> 02:11:47,360

navy

3200

02:11:53,589 --> 02:11:50,320

pilot with all the training and he has

3201

02:11:55,990 --> 02:11:53,599

this training to keep his mind together

3202

02:11:58,709 --> 02:11:56,000

in extreme circumstances

3203

02:12:01,430 --> 02:11:58,719

so then for him to observe something

3204

02:12:04,629 --> 02:12:01,440

there must be something to that so that

3205

02:12:07,589 --> 02:12:04,639

is kind of how i got

3206

02:12:10,550 --> 02:12:07,599

started into that and then from there

3207

02:12:11,510 --> 02:12:10,560

i took it upon myself kurt just to

3208

02:12:14,310 --> 02:12:11,520

read

3209

02:12:16,709 --> 02:12:14,320

everything that is out there

3210

02:12:18,870 --> 02:12:16,719

good bad in between

3211

02:12:21,669 --> 02:12:18,880

putting my judgment aside

3212

02:12:23,910 --> 02:12:21,679

um and then i also learned in that

3213

02:12:26,229 --> 02:12:23,920

process that

3214

02:12:27,830 --> 02:12:26,239

in north america

3215

02:12:28,950 --> 02:12:27,840

ufology

3216

02:12:31,270 --> 02:12:28,960

is a

3217

02:12:33,910 --> 02:12:31,280

religion almost a new age religion as

3218

02:12:34,870 --> 02:12:33,920

well where you know

3219

02:12:36,629 --> 02:12:34,880

around

3220

02:12:40,069 --> 02:12:36,639

different phenomena

3221

02:12:41,990 --> 02:12:40,079

uh for different sightings

3222

02:12:42,950 --> 02:12:42,000

people have developed

3223

02:12:45,669 --> 02:12:42,960

you know

3224

02:12:47,669 --> 02:12:45,679

culture and curves and

3225

02:12:50,470 --> 02:12:47,679

rituals and

3226

02:12:52,629 --> 02:12:50,480
communities and societies and

3227

02:12:57,030 --> 02:12:52,639
uh and it seems

3228

02:12:59,430 --> 02:12:57,040
uh very sort of correlated with how

3229

02:13:02,629 --> 02:12:59,440
you know other ideas or

3230

02:13:05,109 --> 02:13:02,639
micro religions or communities develop

3231

02:13:06,229 --> 02:13:05,119
so i just found that very fascinating

3232

02:13:08,550 --> 02:13:06,239
that how

3233

02:13:10,709 --> 02:13:08,560
the ufology community

3234

02:13:12,629 --> 02:13:10,719
is very protective of their ideas and

3235

02:13:14,550 --> 02:13:12,639
how they come together

3236

02:13:17,510 --> 02:13:14,560
quite interestingly and totally

3237

02:13:20,069 --> 02:13:17,520
unrelated to the topic of ufology

3238

02:13:22,310 --> 02:13:20,079

uh there is these days this bitcoin

3239

02:13:25,350 --> 02:13:22,320

community and they are very protective

3240

02:13:27,990 --> 02:13:25,360

of the bitcoin religion and the bitcoin

3241

02:13:32,310 --> 02:13:28,000

ideas and all that stuff and they

3242

02:13:35,350 --> 02:13:32,320

if you ask questions they attack you

3243

02:13:38,149 --> 02:13:35,360

they are very very protective of

3244

02:13:40,470 --> 02:13:38,159

that sort of thing so i just find it

3245

02:13:42,950 --> 02:13:40,480

interesting to see how these communities

3246

02:13:46,069 --> 02:13:42,960

uh develop so there is no like you know

3247

02:13:52,629 --> 02:13:49,589

deep answered as to how i got into ufos

3248

02:13:54,870 --> 02:13:52,639

but i just you know it

3249

02:13:57,830 --> 02:13:54,880

peaks my interest and it would be

3250

02:13:59,830 --> 02:13:57,840

awesome to find out that there are other

3251

02:14:01,270 --> 02:13:59,840

you know

3252

02:14:04,390 --> 02:14:01,280

beings

3253

02:14:05,189 --> 02:14:04,400

you know other forms of consciousness

3254

02:14:07,910 --> 02:14:05,199

and

3255

02:14:10,069 --> 02:14:07,920

can we learn something from them

3256

02:14:12,470 --> 02:14:10,079

those types of things i have heard

3257

02:14:13,830 --> 02:14:12,480

others talk about that

3258

02:14:15,669 --> 02:14:13,840

probably

3259

02:14:18,310 --> 02:14:15,679

if there is a phenomenon there is an

3260

02:14:21,189 --> 02:14:19,750

we are

3261

02:14:23,270 --> 02:14:21,199

encountering

3262

02:14:24,390 --> 02:14:23,280

some alien technology

3263

02:14:27,430 --> 02:14:24,400

or

3264

02:14:29,990 --> 02:14:27,440

their creations versus alien themselves

3265

02:14:32,790 --> 02:14:30,000

and the argument is that

3266

02:14:35,750 --> 02:14:32,800

if we send a probe out there and whatnot

3267

02:14:37,669 --> 02:14:35,760

it's very likely that somebody is going

3268

02:14:39,109 --> 02:14:37,679

to first run into a technology that

3269

02:14:42,790 --> 02:14:39,119

humans send out

3270

02:14:45,669 --> 02:14:42,800

uh or our space junk or you know what

3271

02:14:48,390 --> 02:14:45,679

have you uh but now it was just an

3272

02:14:51,350 --> 02:14:48,400

intellectual curiosity uh

3273

02:14:52,790 --> 02:14:51,360

when i saw those navy folks talking

3274

02:14:55,270 --> 02:14:52,800

about it i said well there must be

3275

02:14:56,950 --> 02:14:55,280

something to it i shouldn't just

3276

02:14:59,430 --> 02:14:56,960

just because i don't know anything about

3277

02:15:02,310 --> 02:14:59,440

it and the topic sounds too fringe to

3278

02:15:04,149 --> 02:15:02,320

absurd let's just totally discount it

3279

02:15:05,350 --> 02:15:04,159

without looking into it so i just

3280

02:15:08,629 --> 02:15:05,360

started

3281

02:15:10,629 --> 02:15:08,639

studying it that was sort of my uh

3282

02:15:13,589 --> 02:15:10,639

uh entry into

3283

02:15:15,350 --> 02:15:13,599

uh studying ufo and then i found that

3284

02:15:16,390 --> 02:15:15,360

all kind of people

3285

02:15:19,750 --> 02:15:16,400

from

3286

02:15:23,109 --> 02:15:19,760

scientists to religious philosophers and

3287

02:15:26,229 --> 02:15:23,119

people in between uh

3288

02:15:27,669 --> 02:15:26,239

you know are part of that are part of

3289

02:15:30,149 --> 02:15:27,679

that community

3290

02:15:32,950 --> 02:15:30,159

so what are your conclusions now

3291

02:15:35,910 --> 02:15:32,960

are you still formulating them

3292

02:15:38,069 --> 02:15:35,920

no there are no there are no conclusions

3293

02:15:40,069 --> 02:15:38,079

i think

3294

02:15:41,109 --> 02:15:40,079

a lot of people would say

3295

02:15:47,910 --> 02:15:41,119

uh

3296

02:15:51,510 --> 02:15:47,920

were talking to

3297

02:15:53,830 --> 02:15:51,520

a few months ago with avi lowe

3298

02:15:56,709 --> 02:15:53,840

and there are many others like avi who

3299

02:16:01,270 --> 02:15:56,719

you know avi is open to ideas of

3300

02:16:03,669 --> 02:16:01,280

hey um probably is you know not uh

3301

02:16:06,229 --> 02:16:03,679

nitrogen frozen nitrogen or some other

3302

02:16:08,310 --> 02:16:06,239

thing it is probably some alien

3303

02:16:10,069 --> 02:16:08,320

junk or alien technology or whatever so

3304

02:16:13,270 --> 02:16:10,079

he's open to i mean he has put his

3305

02:16:15,109 --> 02:16:13,280

career at risk in that sense uh but even

3306

02:16:16,470 --> 02:16:15,119

he said uh

3307

02:16:18,709 --> 02:16:16,480

nah you know when you asked him that

3308

02:16:20,390 --> 02:16:18,719

question regarding ufos he said well you

3309

02:16:22,870 --> 02:16:20,400

know there is no evidence for it you

3310

02:16:24,709 --> 02:16:22,880

know we should scientifically study it

3311

02:16:27,270 --> 02:16:24,719

so people who are a lot more

3312

02:16:29,189 --> 02:16:27,280

scientifically minded even the likes of

3313

02:16:30,830 --> 02:16:29,199

avi

3314

02:16:33,190 --> 02:16:30,840

they are not very

3315

02:16:34,549 --> 02:16:33,200

uh sort of you know

3316

02:16:37,030 --> 02:16:34,559

ufo

3317

02:16:38,150 --> 02:16:37,040

friendly they don't think that the

3318

02:16:40,070 --> 02:16:38,160

evidence

3319

02:16:43,669 --> 02:16:40,080

that is out there

3320

02:16:46,709 --> 02:16:43,679

convinces them enough uh so i always try

3321

02:16:49,030 --> 02:16:46,719

to say well can i you know look at what

3322

02:16:51,910 --> 02:16:49,040

people who are a lot more disciplined

3323

02:16:53,110 --> 02:16:51,920

and smarter about than i am what do they

3324

02:16:55,830 --> 02:16:53,120

think

3325

02:16:59,030 --> 02:16:55,840

so i yet have to find

3326
02:17:01,030 --> 02:16:59,040
real professional career scientists who

3327
02:17:02,950 --> 02:17:01,040
think that

3328
02:17:06,230 --> 02:17:02,960
that is the plausible explanation they

3329
02:17:08,150 --> 02:17:06,240
think other explanations you know are

3330
02:17:09,429 --> 02:17:08,160
plausible and possible and that kind of

3331
02:17:11,030 --> 02:17:09,439
a thing

3332
02:17:12,629 --> 02:17:11,040
so i am still

3333
02:17:16,070 --> 02:17:12,639
looking studying

3334
02:17:18,389 --> 02:17:16,080
uh searching i also heard think about it

3335
02:17:20,469 --> 02:17:18,399
that has it to do something with

3336
02:17:23,190 --> 02:17:20,479
consciousness and

3337
02:17:24,150 --> 02:17:23,200
uh psychedelic type experiences where

3338
02:17:26,230 --> 02:17:24,160

people

3339

02:17:28,230 --> 02:17:26,240

you know when they are under the

3340

02:17:30,389 --> 02:17:28,240

influence of bmt molecules or other

3341

02:17:33,270 --> 02:17:30,399

things like that they say well you know

3342

02:17:36,309 --> 02:17:33,280

i went there and i went here and i met

3343

02:17:37,990 --> 02:17:36,319

so and so and whatnot and uh

3344

02:17:39,030 --> 02:17:38,000

and then you know is there something

3345

02:17:41,669 --> 02:17:39,040

like a

3346

02:17:43,669 --> 02:17:41,679

shared consciousness or something like

3347

02:17:46,389 --> 02:17:43,679

that where there is a

3348

02:17:47,750 --> 02:17:46,399

network uh for conscious beings to come

3349

02:17:50,389 --> 02:17:47,760

together

3350

02:17:53,830 --> 02:17:50,399

uh because physics is physics even in

3351
02:17:55,910 --> 02:17:53,840
the uh uh the u.s navy sort of sightings

3352
02:17:56,790 --> 02:17:55,920
that hey you know

3353
02:17:59,669 --> 02:17:56,800
those

3354
02:18:03,509 --> 02:17:59,679
objects they were defying the

3355
02:18:06,549 --> 02:18:03,519
our physical reality well uh maybe that

3356
02:18:07,349 --> 02:18:06,559
means they you know uh

3357
02:18:10,469 --> 02:18:07,359
are

3358
02:18:13,190 --> 02:18:10,479
holograms or images of some sort or what

3359
02:18:14,230 --> 02:18:13,200
have you there is definitely something

3360
02:18:15,030 --> 02:18:14,240
to it

3361
02:18:17,270 --> 02:18:15,040
uh

3362
02:18:19,669 --> 02:18:17,280
so i think it needs to be just studied a

3363
02:18:22,790 --> 02:18:19,679

lot more and

3364

02:18:25,589 --> 02:18:22,800

that is what i would say so my quest uh

3365

02:18:28,629 --> 02:18:25,599

as a student

3366

02:18:30,549 --> 02:18:28,639

as a layperson

3367

02:18:32,469 --> 02:18:30,559

continues

3368

02:18:34,230 --> 02:18:32,479

thank you so much for watching if you'd

3369

02:18:38,469 --> 02:18:34,240

like to see more videos like this then

3370

02:18:41,030 --> 02:18:38,479

please do consider going to [patreon.com](https://www.patreon.com)

3371

02:18:43,190 --> 02:18:41,040

and supporting this podcast literally

3372

02:18:45,270 --> 02:18:43,200

each dollar helps i'm grateful for

3373

02:18:47,830 --> 02:18:45,280

whatever decision you make there's also

3374

02:18:49,669 --> 02:18:47,840

a paypal and a cryptocurrency option
