

INTERDIMENSIONAL

**COLM
KELLEHER**

ENTITIES

**GEORGE
KNAPP**

1
00:00:04,390 --> 00:00:01,990
today's guests are george knapp and

2
00:00:06,550 --> 00:00:04,400
colin kelleher on the topic of ufos the

3
00:00:08,710 --> 00:00:06,560
hitchhiker effect and the recent book

4
00:00:10,950 --> 00:00:08,720
skinwalkers at the pentagon linked in

5
00:00:13,190 --> 00:00:10,960
the description in fact any time a book

6
00:00:15,190 --> 00:00:13,200
an article a video is referenced in the

7
00:00:17,109 --> 00:00:15,200
toe podcast i've most likely placed a

8
00:00:19,029 --> 00:00:17,119
link to it in the description george

9
00:00:21,830 --> 00:00:19,039
knapp is an investigative journalist a

10
00:00:23,750 --> 00:00:21,840
news anchor a talk radio host who has so

11
00:00:25,670 --> 00:00:23,760
many awards that i have to read them

12
00:00:27,429 --> 00:00:25,680
verbatim and this still isn't an

13
00:00:30,070 --> 00:00:27,439

exhaustive list he's been recognized

14

00:00:32,950 --> 00:00:30,080

with the edward r murrow awards peabody

15

00:00:35,670 --> 00:00:32,960

awards and dozens of pacific southwest

16

00:00:38,069 --> 00:00:35,680

regional emmy awards column kelleher is

17

00:00:40,470 --> 00:00:38,079

a biochemist with more than 15 years of

18

00:00:42,549 --> 00:00:40,480

research in cell and molecular biology

19

00:00:44,869 --> 00:00:42,559

for the past eight years calm has been

20

00:00:46,869 --> 00:00:44,879

using forensic science methodologies to

21

00:00:48,950 --> 00:00:46,879

investigate scientific anomalies

22

00:00:50,389 --> 00:00:48,960

associated with the phenomenon click on

23

00:00:52,310 --> 00:00:50,399

the time stamp in the description if

24

00:00:54,470 --> 00:00:52,320

you'd like to skip this intro my name is

25

00:00:56,229 --> 00:00:54,480

kirchey mungle i'm a torontonian

26

00:00:58,549 --> 00:00:56,239

filmmaker with a background in

27

00:01:01,029 --> 00:00:58,559

mathematical physics dedicated to the

28

00:01:02,790 --> 00:01:01,039

explication of the variegated terrain of

29

00:01:04,710 --> 00:01:02,800

theories of everything from a

30

00:01:06,710 --> 00:01:04,720

theoretical physics perspective but as

31

00:01:08,469 --> 00:01:06,720

well as analyzing consciousness and

32

00:01:10,630 --> 00:01:08,479

seeing its potential connection to

33

00:01:12,550 --> 00:01:10,640

fundamental reality whatever that is

34

00:01:15,109 --> 00:01:12,560

essentially this channel is dedicated to

35

00:01:17,109 --> 00:01:15,119

exploring the under nature of reality

36

00:01:18,789 --> 00:01:17,119

the constitutional laws that govern it

37

00:01:21,109 --> 00:01:18,799

provided those laws exist at all and are

38

00:01:23,030 --> 00:01:21,119

even noble to us if you enjoy witnessing

39

00:01:25,830 --> 00:01:23,040

and engaging with others on the topics

40

00:01:27,990 --> 00:01:25,840

of psychology consciousness physics etc

41

00:01:29,670 --> 00:01:28,000

the channels themes then do consider

42

00:01:31,590 --> 00:01:29,680

going to the discord and the subreddit

43

00:01:33,429 --> 00:01:31,600

which are linked in the description

44

00:01:35,109 --> 00:01:33,439

there's also a link to the patreon that

45

00:01:36,870 --> 00:01:35,119

is patreon.com

46

00:01:38,950 --> 00:01:36,880

kurchimongo if you'd like to support

47

00:01:40,789 --> 00:01:38,960

this podcast as the patrons and the

48

00:01:43,190 --> 00:01:40,799

sponsors are the only reasons that i'm

49

00:01:45,109 --> 00:01:43,200

able to have podcasts of this quality

50

00:01:47,350 --> 00:01:45,119

and this depth given that i can do this

51
00:01:49,190 --> 00:01:47,360
now full time thanks to both the patrons

52
00:01:51,510 --> 00:01:49,200
and the sponsors support speaking of

53
00:01:53,429 --> 00:01:51,520
sponsors there are two the first sponsor

54
00:01:54,870 --> 00:01:53,439
is brilliant during the winter break i

55
00:01:56,710 --> 00:01:54,880
decided to brush up on some of the

56
00:01:58,870 --> 00:01:56,720
fundamentals of physics particularly

57
00:02:00,789 --> 00:01:58,880
with regard to information theory as i'd

58
00:02:02,389 --> 00:02:00,799
like to interview chiara marletto on

59
00:02:04,069 --> 00:02:02,399
constructor theory which is heavily

60
00:02:05,749 --> 00:02:04,079
based in information theory now

61
00:02:07,109 --> 00:02:05,759
information theory is predicated on

62
00:02:09,430 --> 00:02:07,119
entropy at least there's a fundamental

63
00:02:11,190 --> 00:02:09,440

formula for entropy so i ended up taking

64

00:02:13,270 --> 00:02:11,200

the brilliant course i challenged myself

65

00:02:15,270 --> 00:02:13,280

to do one lesson per day and i took the

66

00:02:17,589 --> 00:02:15,280

course's random variable distributions

67

00:02:19,190 --> 00:02:17,599

and knowledge slash uncertainty what i

68

00:02:20,949 --> 00:02:19,200

loved is that despite knowing the

69

00:02:23,190 --> 00:02:20,959

formula for entropy which is essentially

70

00:02:25,110 --> 00:02:23,200

hammered into as an undergraduate it

71

00:02:26,949 --> 00:02:25,120

seems like it comes down from the sky

72

00:02:28,630 --> 00:02:26,959

arbitrarily and with brilliant for the

73

00:02:30,229 --> 00:02:28,640

first time i was able to see how the

74

00:02:32,550 --> 00:02:30,239

formula for entropy which you're seeing

75

00:02:34,229 --> 00:02:32,560

right now is actually extremely natural

76

00:02:36,229 --> 00:02:34,239

and it'd be strange to define it in any

77

00:02:37,910 --> 00:02:36,239

other manner there are plenty of courses

78

00:02:39,190 --> 00:02:37,920

and you can even learn group theory

79

00:02:40,630 --> 00:02:39,200

which is what's being referenced when

80

00:02:43,509 --> 00:02:40,640

you hear that the standard model is

81

00:02:45,110 --> 00:02:43,519

predicated on u_1 cross su_2 cross su_3

82

00:02:47,190 --> 00:02:45,120

those are lead groups continuous lead

83

00:02:49,910 --> 00:02:47,200

groups visit brilliant.org

84

00:02:51,589 --> 00:02:49,920

tow t-o-e to get 20 off an annual

85

00:02:53,750 --> 00:02:51,599

subscription and i recommend that you

86

00:02:55,509 --> 00:02:53,760

don't stop before four lessons i think

87

00:02:57,270 --> 00:02:55,519

you'll be greatly surprised at the ease

88

00:02:59,190 --> 00:02:57,280

at which you can now comprehend subjects

89

00:03:01,910 --> 00:02:59,200

you previously had a difficult time

90

00:03:03,990 --> 00:03:01,920

grokking the second sponsor is algo now

91

00:03:05,990 --> 00:03:04,000

algo is an end-to-end supply chain

optimization software company with

93

00:03:10,070 --> 00:03:08,080

software that helps business users

94

00:03:12,229 --> 00:03:10,080

optimize sales and operations planning

95

00:03:14,149 --> 00:03:12,239

to avoid stockouts reduce return and

96

00:03:16,550 --> 00:03:14,159

inventory write-downs while reducing

97

00:03:19,750 --> 00:03:16,560

inventory investment it's a supply chain

98

ai that drives smart roi headed by amjad

99

00:03:24,149 --> 00:03:21,840

hussein who's been a huge supporter of

100

00:03:27,190 --> 00:03:24,159

this podcast since near its inception in

101
00:03:29,110 --> 00:03:27,200
fact amjad has his own podcast on ai and

102
00:03:31,030 --> 00:03:29,120
consciousness and business growth and if

to see amjad's podcast because

106
00:03:39,110 --> 00:03:36,640
subscribing to him or at least visiting

107
00:03:41,990 --> 00:03:39,120
supports the toe podcast indirectly

108
00:03:44,309 --> 00:03:42,000
thank you and enjoy i'm also not feeling

109
00:03:47,190 --> 00:03:44,319
terribly well so if i am not at my

110
00:03:49,190 --> 00:03:47,200
tip-top shape please forgive me okay

111
00:03:52,229 --> 00:03:49,200
it seems like we're live great great

112
00:03:54,070 --> 00:03:52,239
great okay welcome column welcome george

113
00:03:56,149 --> 00:03:54,080

thank you so much for being here

114

00:03:58,070 --> 00:03:56,159

thank you

115

00:03:59,589 --> 00:03:58,080

man okay this is such a pleasure i've

116

00:04:00,789 --> 00:03:59,599

been looking forward to this and many

117

00:04:02,149 --> 00:04:00,799

many many people have been looking

118

00:04:03,589 --> 00:04:02,159

forward to this so we'll get straight to

119

00:04:05,830 --> 00:04:03,599

the questions forget about intros i'll

120

00:04:07,589 --> 00:04:05,840

edit in an intro later

121

00:04:08,949 --> 00:04:07,599

george this one's directed to you why

122

00:04:10,789 --> 00:04:08,959

don't you explain to the people who are

123

00:04:12,949 --> 00:04:10,799

unacquainted what the hitchhiker effect

124

00:04:14,949 --> 00:04:12,959

is

125

00:04:16,870 --> 00:04:14,959

we don't exactly know and i think a

126

00:04:19,110 --> 00:04:16,880

hitchhiker effect should probably be

127

00:04:21,590 --> 00:04:19,120

plural not just a singular form of the

128

00:04:24,150 --> 00:04:21,600

term because there are many effects

129

00:04:25,430 --> 00:04:24,160

the bass team first noticed it in a

130

00:04:27,590 --> 00:04:25,440

correlation of things that happened to

131

00:04:29,350 --> 00:04:27,600

people who visited skinwalker ranch in

132

00:04:30,790 --> 00:04:29,360

particular there were at least five

133

00:04:32,469 --> 00:04:30,800

maybe six

134

00:04:35,510 --> 00:04:32,479

intelligence officials who during the

135

00:04:37,990 --> 00:04:35,520

awsap program uh overseen and funded by

136

00:04:39,590 --> 00:04:38,000

the defense intelligence agency these

137

00:04:41,110 --> 00:04:39,600

intelligence officials visited

138

00:04:43,350 --> 00:04:41,120

skinwalker ranch

139

00:04:45,030 --> 00:04:43,360

had an encounter with something unusual

140

00:04:47,189 --> 00:04:45,040

and then took something home with it we

141

00:04:49,189 --> 00:04:47,199

don't know exactly how it works we don't

142

00:04:50,790 --> 00:04:49,199

know why it happens but it's happened

143

00:04:53,270 --> 00:04:50,800

over and over again it not only happened

144

00:04:55,430 --> 00:04:53,280

to those people during the awsap bass

145

00:04:57,990 --> 00:04:55,440

period but it happened to people who had

146

00:04:59,909 --> 00:04:58,000

visited the ranch uh during the nids era

147

00:05:02,230 --> 00:04:59,919

and and even before then where people

148

00:05:05,510 --> 00:05:02,240

would go to this property encounter

149

00:05:07,350 --> 00:05:05,520

unusual phenomena ufos whatever and then

150

00:05:11,510 --> 00:05:07,360

they would go home and they were visited

151
00:05:13,990 --> 00:05:11,520
at their home by orbs by craft by crypto

152
00:05:15,670 --> 00:05:14,000
type beings poltergeist type activity

153
00:05:17,830 --> 00:05:15,680
broke out in their homes in one

154
00:05:20,310 --> 00:05:17,840
particular instance that we describe in

155
00:05:22,070 --> 00:05:20,320
the book there were these very seasoned

156
00:05:24,870 --> 00:05:22,080
intelligence officials

157
00:05:26,469 --> 00:05:24,880
who as part of the bass asap program

158
00:05:28,150 --> 00:05:26,479
went to the ranch to check it out for

159
00:05:29,909 --> 00:05:28,160
themselves they're walking during the in

160
00:05:32,710 --> 00:05:29,919
the middle homestead

161
00:05:35,029 --> 00:05:32,720
at night it's cold and suddenly gets

162
00:05:36,830 --> 00:05:35,039
much colder they hit a cold spot where

163
00:05:39,430 --> 00:05:36,840

it goes the temperature drops

164

00:05:41,189 --> 00:05:39,440

dramatically in a matter of seconds and

165

00:05:42,629 --> 00:05:41,199

they were sort of on high alert in fact

166

00:05:43,749 --> 00:05:42,639

these guys were on high alert the whole

167

00:05:45,670 --> 00:05:43,759

time they were on the ranch because

168

00:05:48,070 --> 00:05:45,680

they'd read and heard about it

169

00:05:50,310 --> 00:05:48,080

and uh they encountered some sort of a

170

00:05:52,469 --> 00:05:50,320

an intelligence that had a sort of a

171

00:05:54,550 --> 00:05:52,479

menacing presence it sort of froze them

172

00:05:56,469 --> 00:05:54,560

in their tracks they backed off and

173

00:05:58,469 --> 00:05:56,479

later when they went home they had an

174

00:06:01,029 --> 00:05:58,479

eruption of paranormal activity in their

175

00:06:02,710 --> 00:06:01,039

homes it is and generally the way it

176

00:06:03,670 --> 00:06:02,720

works is it spreads to their family

177

00:06:08,550 --> 00:06:03,680

members

178

00:06:11,029 --> 00:06:08,560

these things ahead of time the one

179

00:06:12,230 --> 00:06:11,039

character in our book axelrod not his

180

00:06:14,070 --> 00:06:12,240

real name

181

00:06:15,510 --> 00:06:14,080

we had to change that at the direction

182

00:06:17,830 --> 00:06:15,520

of the pentagon when we submitted the

183

00:06:19,749 --> 00:06:17,840

manuscript he had this explosion of

184

00:06:23,029 --> 00:06:19,759

activity in his home that was seen by

185

00:06:25,749 --> 00:06:23,039

his wife she saw this

186

00:06:27,590 --> 00:06:25,759

standing on two legs a wolf creature a

187

00:06:29,110 --> 00:06:27,600

wolf standing in her yard

188

00:06:30,550 --> 00:06:29,120

its paws

189

00:06:33,029 --> 00:06:30,560

crossed like this

190

00:06:34,390 --> 00:06:33,039

leaning on a tree staring back at her a

191

00:06:36,309 --> 00:06:34,400

couple of days later she didn't tell

192

00:06:38,790 --> 00:06:36,319

anybody about it a couple days later her

193

00:06:40,469 --> 00:06:38,800

kids see it they scream this thing runs

194

00:06:42,550 --> 00:06:40,479

off down the street they can see it's

195

00:06:44,230 --> 00:06:42,560

it's running on two legs

196

00:06:45,749 --> 00:06:44,240

it's kicking up leaves

197

00:06:47,110 --> 00:06:45,759

uh and they didn't know what the hell to

198

00:06:49,510 --> 00:06:47,120

think about it but there were other

199

00:06:51,510 --> 00:06:49,520

things that happened in the home beings

200

00:06:53,350 --> 00:06:51,520

uh shadowy figures seen in the home

201
00:06:55,270 --> 00:06:53,360
things moving around on their own their

202
00:06:57,029 --> 00:06:55,280
pet had been moved they found their dog

203
00:06:59,029 --> 00:06:57,039
up on the roof one day all kinds of

204
00:07:01,430 --> 00:06:59,039
trickster type activity and then it

205
00:07:02,629 --> 00:07:01,440
spread from the kids to their friends in

206
00:07:04,710 --> 00:07:02,639
the neighborhood

207
00:07:07,110 --> 00:07:04,720
uh that has happened a bunch of times it

208
00:07:08,870 --> 00:07:07,120
happened there was a female agent who we

209
00:07:10,950 --> 00:07:08,880
did detail in the book

210
00:07:12,150 --> 00:07:10,960
a very seasoned battle-hardened

211
00:07:13,909 --> 00:07:12,160
professional

212
00:07:14,950 --> 00:07:13,919
who encountered something with column

213
00:07:16,309 --> 00:07:14,960

and he can tell you about it they

214

00:07:18,309 --> 00:07:16,319

encountered some kind of a creature a

215

00:07:20,309 --> 00:07:18,319

crypto creature that people have dubbed

216

00:07:22,629 --> 00:07:20,319

the dino beaver again in the middle

217

00:07:23,589 --> 00:07:22,639

homestead this woman when she goes back

218

00:07:25,350 --> 00:07:23,599

home

219

00:07:27,510 --> 00:07:25,360

is an immediate explosion of what you

220

00:07:29,749 --> 00:07:27,520

call poltergeist type activity not

221

00:07:31,510 --> 00:07:29,759

saying it is poltergeist is just similar

222

00:07:33,830 --> 00:07:31,520

to that kind of activity that's been

223

00:07:36,629 --> 00:07:33,840

reported over the decades by poltergeist

224

00:07:38,950 --> 00:07:36,639

researchers uh her in her home

225

00:07:40,629 --> 00:07:38,960

a wine bottle flies across the room one

226

00:07:42,790 --> 00:07:40,639

from one side of the room smashes on the

227

00:07:44,790 --> 00:07:42,800

wall on the other side there are beings

228

00:07:46,870 --> 00:07:44,800

that she sees and at the side of her bed

229

00:07:49,110 --> 00:07:46,880

things moving around in her home it was

230

00:07:51,350 --> 00:07:49,120

so dramatic that her roommate who was

231

00:07:53,589 --> 00:07:51,360

her fiance moved out ended that

232

00:07:56,070 --> 00:07:53,599

relationship this activity has continued

233

00:07:57,670 --> 00:07:56,080

for years um colin will tell you it's

234

00:07:59,189 --> 00:07:57,680

happened to pretty much all of us who've

235

00:08:01,189 --> 00:07:59,199

spent a lot of time on the ranch

236

00:08:03,589 --> 00:08:01,199

including me i've never seen anything on

237

00:08:05,589 --> 00:08:03,599

skinwalker ranch but my wife has

238

00:08:07,189 --> 00:08:05,599

experienced things at my home column's

239

00:08:09,589 --> 00:08:07,199

wife has experienced things in their

240

00:08:11,670 --> 00:08:09,599

home bob bigelow's wife experienced

241

00:08:13,909 --> 00:08:11,680

things in their home some of it is

242

00:08:15,670 --> 00:08:13,919

benign and interesting and some of it is

243

00:08:16,629 --> 00:08:15,680

downright scary we don't know why it

244

00:08:18,629 --> 00:08:16,639

happens

245

00:08:20,550 --> 00:08:18,639

but column with this biology background

246

00:08:22,150 --> 00:08:20,560

can explain better about sort of the

247

00:08:24,150 --> 00:08:22,160

effect of how it spreads it's like a

248

00:08:26,070 --> 00:08:24,160

virus you mentioned it's benign and

249

00:08:28,390 --> 00:08:26,080

sometimes deleterious is any of it

250

00:08:30,390 --> 00:08:28,400

positive

251
00:08:32,070 --> 00:08:30,400
not that i know of uh maybe column has

252
00:08:33,909 --> 00:08:32,080
heard about that i mean it's positive in

253
00:08:35,430 --> 00:08:33,919
the sense so wow i got to see something

254
00:08:37,589 --> 00:08:35,440
really strange there

255
00:08:38,949 --> 00:08:37,599
it's kind of kind of thrilling my wife

256
00:08:41,350 --> 00:08:38,959
the first time something happened at our

257
00:08:42,790 --> 00:08:41,360
home and i i tried to make this happen

258
00:08:44,389 --> 00:08:42,800
for a long time before i knew about the

259
00:08:46,870 --> 00:08:44,399
hitchhiker effect i would bring things

260
00:08:49,269 --> 00:08:46,880
home from skinwalker ranch to my house

261
00:08:51,509 --> 00:08:49,279
try to engage whatever it was bits of

262
00:08:53,430 --> 00:08:51,519
rocks and scrap and things taken from

263
00:08:55,269 --> 00:08:53,440

the homesteads little tiny bits and

264

00:08:56,630 --> 00:08:55,279

pieces to try to get it going and

265

00:08:59,750 --> 00:08:56,640

finally it happened and it wasn't

266

00:09:02,310 --> 00:08:59,760

pleasant my wife saw these blue orbs uh

267

00:09:03,829 --> 00:09:02,320

floating over our our uh our house at

268

00:09:05,910 --> 00:09:03,839

night she called me to come up and see

269

00:09:07,430 --> 00:09:05,920

him by time i got there they were gone

270

00:09:10,389 --> 00:09:07,440

and then there was an experience in our

271

00:09:12,310 --> 00:09:10,399

bedroom where this uh this thing came in

272

00:09:13,670 --> 00:09:12,320

i'm not going to go into a lot of detail

273

00:09:15,430 --> 00:09:13,680

on that but it was a very frightening

274

00:09:18,070 --> 00:09:15,440

experience for her unpleasant and she

275

00:09:19,750 --> 00:09:18,080

didn't want it to happen again well um

276

00:09:23,030 --> 00:09:19,760

you know the interesting thing about the

277

00:09:25,910 --> 00:09:23,040

uh hitchhiker effect is that it is

278

00:09:28,630 --> 00:09:25,920

very very reproducible you know george

279

00:09:31,190 --> 00:09:28,640

george said that you know back in the

280

00:09:34,150 --> 00:09:31,200

even in the 90s the knits people

281

00:09:36,710 --> 00:09:34,160

were experiencing this effect

282

00:09:37,670 --> 00:09:36,720

but in terms of reproducibility

283

00:09:41,430 --> 00:09:37,680

um

284

00:09:44,949 --> 00:09:41,440

we know that uh going into between the

285

00:09:47,110 --> 00:09:44,959

net zero which ended really in 2003 and

286

00:09:51,030 --> 00:09:47,120

the past era the assap era which

287

00:09:53,829 --> 00:09:51,040

happened really beginning in 2008-2000

288

00:09:55,829 --> 00:09:53,839

multiple security officers were deployed

289

00:09:56,949 --> 00:09:55,839

on the uh on the skidmarker ranch

290

00:09:59,110 --> 00:09:56,959

property

291

00:10:01,190 --> 00:09:59,120

a lot of those people we've personally

292

00:10:03,110 --> 00:10:01,200

interviewed about a dozen of them and a

293

00:10:05,269 --> 00:10:03,120

lot of those people have brought quote

294

00:10:08,150 --> 00:10:05,279

unquote brought something home same kind

295

00:10:10,150 --> 00:10:08,160

of thing um poltergeist activity in the

296

00:10:11,030 --> 00:10:10,160

house sometimes they see orbs in the

297

00:10:14,630 --> 00:10:11,040

house

298

00:10:16,150 --> 00:10:14,640

um and then getting into the asap era

299

00:10:18,870 --> 00:10:16,160

where everything seemed to really

300

00:10:21,350 --> 00:10:18,880

escalate and uh these

301
00:10:23,430 --> 00:10:21,360
these uh five out of five one hundred

302
00:10:26,150 --> 00:10:23,440
percent of the military intelligence

303
00:10:28,550 --> 00:10:26,160
people who were deployed at the request

304
00:10:31,269 --> 00:10:28,560
of the defense intelligence agency onto

305
00:10:33,910 --> 00:10:31,279
skinwalker ranch did as george said

306
00:10:36,630 --> 00:10:33,920
bring something home with them um and

307
00:10:38,630 --> 00:10:36,640
you know even after robert bigelow sold

308
00:10:42,069 --> 00:10:38,640
uh skinwalker ranch

309
00:10:44,550 --> 00:10:42,079
we have a new era of uh brandon fugle

310
00:10:47,110 --> 00:10:44,560
the uh proper property developer from

311
00:10:49,590 --> 00:10:47,120
utah purchased the ranch he installed a

312
00:10:53,030 --> 00:10:49,600
team on the property and lo and behold

313
00:10:54,870 --> 00:10:53,040

we have another set of instances of the

314

00:10:56,550 --> 00:10:54,880

hitchhiker effect

315

00:10:58,350 --> 00:10:56,560

and remember the people who went on

316

00:11:02,069 --> 00:10:58,360

skinwalker ranch in

317

00:11:04,230 --> 00:11:02,079

2016 were very very skeptical and they

318

00:11:06,870 --> 00:11:04,240

were saying this is all you know this is

319

00:11:07,990 --> 00:11:06,880

not absolutely you know this is all

320

00:11:10,069 --> 00:11:08,000

fantasy

321

00:11:11,910 --> 00:11:10,079

and then stuff started erupting in their

322

00:11:14,710 --> 00:11:11,920

homes they brought something home with

323

00:11:16,470 --> 00:11:14,720

them and multiple instances so in terms

324

00:11:19,990 --> 00:11:16,480

of reproducibility

325

00:11:21,910 --> 00:11:20,000

the hitchhiker effect has continuously

326

00:11:25,350 --> 00:11:21,920

affected people

327

00:11:27,509 --> 00:11:25,360

for that we know of for about 25 years

328

00:11:29,750 --> 00:11:27,519

it may be longer on skin marker ranch

329

00:11:33,269 --> 00:11:29,760

and the second point i wanted to make

330

00:11:34,870 --> 00:11:33,279

was that it is not only skinwalker ranch

331

00:11:38,230 --> 00:11:34,880

it is not sort of

332

00:11:40,550 --> 00:11:38,240

only happening on skinwalker ranch but a

333

00:11:42,389 --> 00:11:40,560

lot of ufo

334

00:11:45,190 --> 00:11:42,399

activity

335

00:11:47,750 --> 00:11:45,200

does seem to give rise to the skinwalker

336

00:11:49,990 --> 00:11:47,760

or the uh the hitchhiker effect uh for

337

00:11:53,110 --> 00:11:50,000

people who have never been on skinwalker

338

00:11:54,949 --> 00:11:53,120

ranch and just interact with the the ufo

339

00:11:57,350 --> 00:11:54,959

phenomenon they

340

00:12:00,310 --> 00:11:57,360

themselves in some cases i'm not saying

341

00:12:02,550 --> 00:12:00,320

in all cases but in some cases and

342

00:12:04,389 --> 00:12:02,560

mostly where we have the

343

00:12:07,990 --> 00:12:04,399

luxury of being able to study these

344

00:12:10,470 --> 00:12:08,000

people over many months or many years um

345

00:12:13,430 --> 00:12:10,480

a lot of these people um

346

00:12:16,069 --> 00:12:13,440

you know uh report elements of the

347

00:12:18,069 --> 00:12:16,079

hitchhiker effect you know it's kind of

348

00:12:20,790 --> 00:12:18,079

ironic but going all the way back to

349

00:12:23,030 --> 00:12:20,800

1947 kenneth arnold

350

00:12:25,030 --> 00:12:23,040

when he saw those nine

351

00:12:26,150 --> 00:12:25,040

objects in the sky over the cascade

352

00:12:29,430 --> 00:12:26,160

mountains

353

00:12:32,470 --> 00:12:29,440

uh on june june of 1947.

354

00:12:35,190 --> 00:12:32,480

it's interesting long after he died

355

00:12:35,990 --> 00:12:35,200

his daughter went on a radio show she

356

00:12:37,590 --> 00:12:36,000

was

357

00:12:39,910 --> 00:12:37,600

talking about writing a book about his

358

00:12:43,990 --> 00:12:39,920

life but she started talking about

359

00:12:46,310 --> 00:12:44,000

seeing orbs in the in the arnold home uh

360

00:12:48,949 --> 00:12:46,320

so uh experience various poltergeist

361

00:12:52,389 --> 00:12:48,959

effects uh even kenneth arnold himself

362

00:12:54,710 --> 00:12:52,399

in his book um talks about uh

363

00:12:57,990 --> 00:12:54,720

you know some really weird happenings

364

00:13:02,150 --> 00:12:58,000

that were happening um after the uh june

365

00:13:04,629 --> 00:13:02,160

24 1947. i'm not unambiguously tying

366

00:13:06,629 --> 00:13:04,639

what happened to kenneth arnold to some

367

00:13:09,110 --> 00:13:06,639

form of the hitchhiker effect but i'm

368

00:13:12,389 --> 00:13:09,120

saying that this effect is not just a

369

00:13:14,710 --> 00:13:12,399

skinwalker ranch specific effect it

370

00:13:17,670 --> 00:13:14,720

happens on a much broader scale

371

00:13:19,509 --> 00:13:17,680

you've been researching in this area for

372

00:13:21,509 --> 00:13:19,519

decades or at least plenty of plenty of

373

00:13:24,150 --> 00:13:21,519

years what piece of evidence do you find

374

00:13:25,829 --> 00:13:24,160

most striking most remarkable for

375

00:13:28,389 --> 00:13:25,839

whatever reason so one could be because

376

00:13:31,110 --> 00:13:28,399

it's incontrovertible evidence toward

377

00:13:33,990 --> 00:13:31,120

the existence of x or y or it led to

378

00:13:36,230 --> 00:13:34,000

some new research area

379

00:13:39,829 --> 00:13:36,240

um i think one of the most remarkable

380

00:13:41,990 --> 00:13:39,839

things that uh we found during the asap

381

00:13:45,350 --> 00:13:42,000

program and and again

382

00:13:49,190 --> 00:13:45,360

uh the osap program uh was a 24-month

383

00:13:50,870 --> 00:13:49,200

program that started in 2008 and ended

384

00:13:53,030 --> 00:13:50,880

in 2010

385

00:13:55,750 --> 00:13:53,040

but you know for the first time we had a

386

00:13:58,389 --> 00:13:55,760

large team we had about 50 people who

387

00:14:01,990 --> 00:13:58,399

were employed full-time at awesome and

388

00:14:04,150 --> 00:14:02,000

then we had 22 million dollars allocated

389

00:14:06,069 --> 00:14:04,160

through the defense intelligence agency

390

00:14:09,269 --> 00:14:06,079

for a two-year period so

391

00:14:12,550 --> 00:14:09,279

it's very rare in the ufo uh field to

392

00:14:15,430 --> 00:14:12,560

have the luxury of resources and being

393

00:14:17,430 --> 00:14:15,440

able to study people over long periods

394

00:14:19,590 --> 00:14:17,440

of time after you know they've

395

00:14:21,590 --> 00:14:19,600

encountered ufos so i guess one of the

396

00:14:24,550 --> 00:14:21,600

most remarkable sort of

397

00:14:26,389 --> 00:14:24,560

um discoveries that we made during the

398

00:14:28,949 --> 00:14:26,399

asap program was

399

00:14:31,990 --> 00:14:28,959

the intense medical effects

400

00:14:33,670 --> 00:14:32,000

that that uh that some of these

401
00:14:34,710 --> 00:14:33,680
uh ufo

402
00:14:36,069 --> 00:14:34,720
um

403
00:14:39,030 --> 00:14:36,079
cases

404
00:14:41,350 --> 00:14:39,040
cause in in in some people i'll give you

405
00:14:43,430 --> 00:14:41,360
an example um

406
00:14:46,629 --> 00:14:43,440
one of the one of the sentinel cases

407
00:14:48,949 --> 00:14:46,639
that we actually investigated over

408
00:14:51,750 --> 00:14:48,959
about a year actually and and it went

409
00:14:53,990 --> 00:14:51,760
into almost a two-year investigation

410
00:14:55,990 --> 00:14:54,000
was that this biotechnologist and his

411
00:14:58,550 --> 00:14:56,000
daughter were driving towards bend

412
00:14:59,829 --> 00:14:58,560
oregon in their in their vehicle on

413
00:15:03,110 --> 00:14:59,839

their way home

414

00:15:04,389 --> 00:15:03,120

and the daughter notices three small

415

00:15:06,710 --> 00:15:04,399

ufos

416

00:15:09,910 --> 00:15:06,720

uh bluish colored that were darting

417

00:15:12,230 --> 00:15:09,920

around in the field beside them

418

00:15:14,150 --> 00:15:12,240

once she noticed them they immediately

419

00:15:15,350 --> 00:15:14,160

made a beeline for the vehicle as they

420

00:15:17,670 --> 00:15:15,360

were driving

421

00:15:20,389 --> 00:15:17,680

and uh one of them went right across the

422

00:15:23,509 --> 00:15:20,399

windshield one of them went came into

423

00:15:25,350 --> 00:15:23,519

the car and and went right across uh

424

00:15:27,910 --> 00:15:25,360

both the in their field of view went

425

00:15:30,230 --> 00:15:27,920

right across the uh the windshield

426

00:15:32,150 --> 00:15:30,240

inside the vehicle but the third one

427

00:15:33,910 --> 00:15:32,160

actually went through the left shoulder

428

00:15:37,110 --> 00:15:33,920

of this biotechnologist

429

00:15:39,269 --> 00:15:37,120

went through the upper thoracic cavity

430

00:15:41,590 --> 00:15:39,279

and then emerged from the right shoulder

431

00:15:43,670 --> 00:15:41,600

and then shot out through the uh the

432

00:15:45,910 --> 00:15:43,680

window right in front of the daughter

433

00:15:48,310 --> 00:15:45,920

i mean this was a terrifying episode for

434

00:15:50,949 --> 00:15:48,320

the for the daughter especially uh she

435

00:15:54,389 --> 00:15:50,959

was witnessing all of this

436

00:15:55,829 --> 00:15:54,399

but you know within um i would say 24 to

437

00:15:58,310 --> 00:15:55,839

48 hours

438

00:16:00,629 --> 00:15:58,320

uh this guy woke up the following day

439

00:16:04,150 --> 00:16:00,639

with the let the left side of his face

440

00:16:07,110 --> 00:16:04,160

was all sunburned um his his ear had

441

00:16:09,430 --> 00:16:07,120

started swelling his eye he was started

442

00:16:13,509 --> 00:16:09,440

losing the sight in his left eye

443

00:16:15,910 --> 00:16:13,519

um within a week or or a couple of weeks

444

00:16:17,189 --> 00:16:15,920

he started losing his hair on the left

445

00:16:20,470 --> 00:16:17,199

side of his head

446

00:16:24,629 --> 00:16:20,480

and you know luckily we had on contract

447

00:16:28,230 --> 00:16:24,639

md phd a couple of md phds

448

00:16:31,030 --> 00:16:28,240

um really sort of as as people who could

449

00:16:33,590 --> 00:16:31,040

get deep into medical investigations and

450

00:16:36,470 --> 00:16:33,600

look at medical injuries so we deployed

451
00:16:37,350 --> 00:16:36,480
one of these people uh you know on this

452
00:16:40,230 --> 00:16:37,360
case

453
00:16:42,629 --> 00:16:40,240
and he followed he followed this guy

454
00:16:45,430 --> 00:16:42,639
over many many months but um it turned

455
00:16:48,230 --> 00:16:45,440
out that um a few months after this uh

456
00:16:51,590 --> 00:16:48,240
this event had happened um he came down

457
00:16:54,870 --> 00:16:51,600
with a rare form of ductal carcinoma

458
00:16:57,030 --> 00:16:54,880
that luckily was not metastatic so it

459
00:16:59,430 --> 00:16:57,040
did not metastasize

460
00:17:01,590 --> 00:16:59,440
and over a two-year period went through

461
00:17:02,629 --> 00:17:01,600
a lot of a lot of health

462
00:17:04,470 --> 00:17:02,639
issues

463
00:17:06,870 --> 00:17:04,480

but in terms of being able to document

464

00:17:09,110 --> 00:17:06,880

all of that we were very very fortunate

465

00:17:10,150 --> 00:17:09,120

that we had access to blood samples

466

00:17:12,630 --> 00:17:10,160

taken

467

00:17:14,230 --> 00:17:12,640

from this guy before the incident and

468

00:17:15,590 --> 00:17:14,240

then there were multiple blood samples

469

00:17:17,510 --> 00:17:15,600

taken

470

00:17:19,750 --> 00:17:17,520

after the incident

471

00:17:22,710 --> 00:17:19,760

so we were able to

472

00:17:25,590 --> 00:17:22,720

piece together a medical forensic sort

473

00:17:28,630 --> 00:17:25,600

of picture of what had happened

474

00:17:31,029 --> 00:17:28,640

before and uh and after this incident

475

00:17:33,750 --> 00:17:31,039

and we could document you know

476
00:17:37,110 --> 00:17:33,760
rises and falls of various immune immune

477
00:17:39,110 --> 00:17:37,120
system parameters within this guy uh we

478
00:17:42,230 --> 00:17:39,120
we we saw that there were dramatic

479
00:17:45,110 --> 00:17:42,240
changes in neutrophil lymphocyte ratios

480
00:17:47,110 --> 00:17:45,120
over time and you know this was for from

481
00:17:49,750 --> 00:17:47,120
a an awesome

482
00:17:51,669 --> 00:17:49,760
ufo investigation point of view we think

483
00:17:53,110 --> 00:17:51,679
this was one of the sentinel cases

484
00:17:56,230 --> 00:17:53,120
because it

485
00:17:59,029 --> 00:17:56,240
we we had resources and we were able to

486
00:18:01,669 --> 00:17:59,039
we had the luxury of following this guy

487
00:18:03,830 --> 00:18:01,679
over a year and a half to two years uh

488
00:18:06,070 --> 00:18:03,840

after the incident and as i said we had

489

00:18:08,789 --> 00:18:06,080

blood samples taken before the incident

490

00:18:11,510 --> 00:18:08,799

so we were actually able to

491

00:18:14,789 --> 00:18:11,520

postulate about cause and effect and the

492

00:18:17,110 --> 00:18:14,799

sort of the dramatic increase in adverse

493

00:18:18,070 --> 00:18:17,120

health symptoms that this guy had

494

00:18:21,110 --> 00:18:18,080

uh

495

00:18:23,190 --> 00:18:21,120

suffered um we were able to say with

496

00:18:25,909 --> 00:18:23,200

reasonable confidence that he suffered

497

00:18:28,789 --> 00:18:25,919

pretty well all of those after the uh

498

00:18:30,789 --> 00:18:28,799

close encounter with this uh small blue

499

00:18:32,950 --> 00:18:30,799

orb um so

500

00:18:36,070 --> 00:18:32,960

that that's that was the case and we had

501
00:18:39,750 --> 00:18:36,080
uh several other cases that uh

502
00:18:40,630 --> 00:18:39,760
bass ossop encountered that sort of um

503
00:18:43,029 --> 00:18:40,640
you know

504
00:18:44,950 --> 00:18:43,039
looked at the medical injury aspect and

505
00:18:46,630 --> 00:18:44,960
that was one of the things that really

506
00:18:49,350 --> 00:18:46,640
surprised me

507
00:18:52,390 --> 00:18:49,360
during the mis the niz era we did not

508
00:18:54,630 --> 00:18:52,400
encounter too many of those cases um you

509
00:18:58,230 --> 00:18:54,640
know we were all the time databasing

510
00:19:01,669 --> 00:18:58,240
cases from um you know we had about 1

511
00:19:04,950 --> 00:19:01,679
800 separate ufo investigations under

512
00:19:08,870 --> 00:19:04,960
our belt by the time the nids database

513
00:19:11,510 --> 00:19:08,880

uh went on ice which was about 2003

514

00:19:14,470 --> 00:19:11,520

but we never saw in in terms of boots in

515

00:19:16,710 --> 00:19:14,480

the ground investigations of ufo effects

516

00:19:20,789 --> 00:19:16,720

we never saw the sort of level of

517

00:19:22,789 --> 00:19:20,799

medical injury uh that we saw sort of

518

00:19:25,029 --> 00:19:22,799

you know up close and personal with a

519

00:19:27,110 --> 00:19:25,039

few of these cases so i guess that's one

520

00:19:29,190 --> 00:19:27,120

of the things that really surprised me

521

00:19:31,270 --> 00:19:29,200

from the awesome

522

00:19:32,789 --> 00:19:31,280

series of investigations

523

00:19:34,630 --> 00:19:32,799

did that person feel any burning

524

00:19:37,029 --> 00:19:34,640

sensation or any sensation at all when

525

00:19:39,669 --> 00:19:37,039

the orb went through him well he he

526

00:19:41,750 --> 00:19:39,679

actually did feel a sort of really weird

527

00:19:44,630 --> 00:19:41,760

sort of uncomfortable

528

00:19:48,270 --> 00:19:44,640

um it wasn't painful or or

529

00:19:51,270 --> 00:19:48,280

anything he he felt sort of um

530

00:19:52,950 --> 00:19:51,280

discombobulated and sort of out of sorts

531

00:19:55,990 --> 00:19:52,960

as this thing was traveling through his

532

00:19:58,310 --> 00:19:56,000

body it was almost like um a large it

533

00:20:00,710 --> 00:19:58,320

felt like a very very large bubble that

534

00:20:02,710 --> 00:20:00,720

was moving through his body he actually

535

00:20:04,549 --> 00:20:02,720

did feel the movement but he didn't feel

536

00:20:06,390 --> 00:20:04,559

any pain or he didn't feel any

537

00:20:08,470 --> 00:20:06,400

discomfort he just felt

538

00:20:11,430 --> 00:20:08,480

i i would say it was sort of a version

539

00:20:13,909 --> 00:20:11,440

of mild vertigo

540

00:20:15,510 --> 00:20:13,919

okay george when we first connected you

541

00:20:17,909 --> 00:20:15,520

mentioned to me that there's plenty of

542

00:20:20,390 --> 00:20:17,919

meat on the bone so to speak in the book

543

00:20:22,549 --> 00:20:20,400

skinwalkers at the pentagon which the

544

00:20:24,470 --> 00:20:22,559

link is in the description for those who

545

00:20:25,990 --> 00:20:24,480

would like to check that out now what

546

00:20:27,190 --> 00:20:26,000

are you referring to what specifically

547

00:20:29,190 --> 00:20:27,200

are you referring to that you feel like

548

00:20:31,909 --> 00:20:29,200

people in the media either on podcast

549

00:20:33,750 --> 00:20:31,919

etc haven't picked up on and why do you

550

00:20:35,029 --> 00:20:33,760

think it's so important those pieces of

551

00:20:37,909 --> 00:20:35,039

information this question also comes

552

00:20:39,669 --> 00:20:37,919

from dan from that ufo podcast

553

00:20:40,950 --> 00:20:39,679

yeah well there there are a lot of ways

554

00:20:43,190 --> 00:20:40,960

i could answer that i'll give you sort

555

00:20:45,270 --> 00:20:43,200

of some bullet points one is the

556

00:20:47,669 --> 00:20:45,280

documenting the difference between osap

557

00:20:49,830 --> 00:20:47,679

and atef we're all glad that atip that

558

00:20:52,950 --> 00:20:49,840

story hit the new york times in december

559

00:20:55,350 --> 00:20:52,960

2017 uh but there were multiple errors

560

00:20:58,390 --> 00:20:55,360

of fact in that story that they sort of

561

00:21:00,630 --> 00:20:58,400

conflated awsap with atep awesap is the

562

00:21:03,110 --> 00:21:00,640

program that got 22 million dollars

563

00:21:05,430 --> 00:21:03,120

awesapp was authorized and overseen by

564

00:21:07,590 --> 00:21:05,440

the defense intelligence agency it was

565

00:21:09,669 --> 00:21:07,600

not a small operation as column said it

566

00:21:11,350 --> 00:21:09,679

had 50 full-time employees

567

00:21:13,430 --> 00:21:11,360

working around the clock and then

568

00:21:15,430 --> 00:21:13,440

hundreds of subcontractors it was huge

569

00:21:17,830 --> 00:21:15,440

as far as we know we believe there are

570

00:21:20,070 --> 00:21:17,840

other ufo programs but as far as we know

571

00:21:21,669 --> 00:21:20,080

it was the largest such endeavor ever

572

00:21:24,149 --> 00:21:21,679

funded by the us government bigger than

573

00:21:27,830 --> 00:21:24,159

project blue book uh bigger than uh than

574

00:21:30,070 --> 00:21:27,840

the a than atep by many magnitudes and

575

00:21:32,950 --> 00:21:30,080

um i don't think people get how just how

576

00:21:34,149 --> 00:21:32,960

big it was atip grew out of bossap not

577

00:21:36,149 --> 00:21:34,159

the other way around there were two

578

00:21:38,630 --> 00:21:36,159

distinct efforts and this was huge

579

00:21:40,310 --> 00:21:38,640

number two is the database the database

580

00:21:42,630 --> 00:21:40,320

that was created by these guys is

581

00:21:45,350 --> 00:21:42,640

enormous it's more than 200 000

582

00:21:47,190 --> 00:21:45,360

different ufo cases it incorporates uh

583

00:21:49,750 --> 00:21:47,200

not only project blue book and u.s

584

00:21:51,990 --> 00:21:49,760

government files but also private files

585

00:21:54,230 --> 00:21:52,000

compiled by nids the files of other

586

00:21:56,470 --> 00:21:54,240

governments including brazil

587

00:21:58,789 --> 00:21:56,480

documents reports case files things of

588

00:22:00,390 --> 00:21:58,799

that sort it was enormous and i don't

589

00:22:02,549 --> 00:22:00,400

think there's anything like it anywhere

590

00:22:04,950 --> 00:22:02,559

else in the world and had ossap been

591

00:22:06,950 --> 00:22:04,960

allowed to continue one of the plans was

592

00:22:09,350 --> 00:22:06,960

as envisioned by jacques valet who

593

00:22:11,270 --> 00:22:09,360

created this database or data warehouse

594

00:22:14,630 --> 00:22:11,280

was to put ai

595

00:22:17,510 --> 00:22:14,640

on top of it as a way to filter and

596

00:22:19,510 --> 00:22:17,520

collate uh different cases to look for

597

00:22:21,190 --> 00:22:19,520

patterns if that had been allowed to

598

00:22:23,190 --> 00:22:21,200

continue if ossap had been allowed to

599

00:22:24,549 --> 00:22:23,200

continue we'd be way further down the

600

00:22:26,549 --> 00:22:24,559

road in understanding what this

601
00:22:28,310 --> 00:22:26,559
phenomena is as it is we don't

602
00:22:30,070 --> 00:22:28,320
understand it at all we don't know where

603
00:22:31,669 --> 00:22:30,080
it's from why it's here what its

604
00:22:33,510 --> 00:22:31,679
interest is in us we don't know what the

605
00:22:35,430 --> 00:22:33,520
answers to any of those big questions

606
00:22:36,630 --> 00:22:35,440
but it is possible it it they could have

607
00:22:37,830 --> 00:22:36,640
been achieved they haven't been allowed

608
00:22:40,950 --> 00:22:37,840
to continue

609
00:22:42,950 --> 00:22:40,960
also the specific cases um

610
00:22:45,110 --> 00:22:42,960
tic tac is probably the most famous ufo

611
00:22:47,270 --> 00:22:45,120
case in the world that was an

612
00:22:49,590 --> 00:22:47,280
awesome project they launched that

613
00:22:52,230 --> 00:22:49,600

investigation and although we've seen

614

00:22:54,710 --> 00:22:52,240

bits and pieces of what asap was able to

615

00:22:56,549 --> 00:22:54,720

determine about the tic-tac the bulk of

616

00:22:58,630 --> 00:22:56,559

that information the analysis that was

617

00:23:00,630 --> 00:22:58,640

done with a specific kind of software

618

00:23:02,390 --> 00:23:00,640

has never been made public column could

619

00:23:04,390 --> 00:23:02,400

probably address that a lot better than

620

00:23:06,310 --> 00:23:04,400

i can but let me finish this list and

621

00:23:08,390 --> 00:23:06,320

then there are individual cases things

622

00:23:10,230 --> 00:23:08,400

that happened at skinwalker ranch crypto

623

00:23:11,830 --> 00:23:10,240

creatures the different kinds of crap

624

00:23:13,990 --> 00:23:11,840

that were investigated seen and

625

00:23:15,669 --> 00:23:14,000

investigated by asap at the ranch and

626
00:23:17,830 --> 00:23:15,679
then other places around the country

627
00:23:20,230 --> 00:23:17,840
there's a case in georgia that was

628
00:23:22,630 --> 00:23:20,240
investigated that is a mind-boggling

629
00:23:24,549 --> 00:23:22,640
there's a a men in black type instance

630
00:23:25,990 --> 00:23:24,559
that happened in kentucky that column

631
00:23:27,270 --> 00:23:26,000
can elaborate on there's a southern

632
00:23:29,029 --> 00:23:27,280
california

633
00:23:31,590 --> 00:23:29,039
incident in ventura county where an

634
00:23:33,990 --> 00:23:31,600
entire family had these experiences over

635
00:23:37,110 --> 00:23:34,000
a number of days saw alien beings got

636
00:23:38,789 --> 00:23:37,120
him on camera in fact and um

637
00:23:40,470 --> 00:23:38,799
it had a kind of a trick ending but

638
00:23:42,630 --> 00:23:40,480

those kind of cases i don't think they

639

00:23:46,070 --> 00:23:42,640

have have registered with the general

640

00:23:48,870 --> 00:23:46,080

public or the ufo public at all

641

00:23:51,669 --> 00:23:48,880

colin do you want to add to that

642

00:23:54,710 --> 00:23:51,679

um yeah i i think uh

643

00:23:56,070 --> 00:23:54,720

exactly what uh what george put out is

644

00:23:58,630 --> 00:23:56,080

is the case and

645

00:24:01,430 --> 00:23:58,640

i guess you know we can be sort of

646

00:24:05,110 --> 00:24:01,440

blamed in some way because

647

00:24:07,750 --> 00:24:05,120

we sort of set out to write a fairly

648

00:24:10,950 --> 00:24:07,760

uh a fairly dense book

649

00:24:13,909 --> 00:24:10,960

in uh in in skin workers at the pentagon

650

00:24:15,990 --> 00:24:13,919

and we decided from the get-go that we

651
00:24:18,390 --> 00:24:16,000
we could have added a hundred pages of

652
00:24:21,830 --> 00:24:18,400
filler if we had so chosen but we

653
00:24:25,190 --> 00:24:21,840
decided against that and and so

654
00:24:27,350 --> 00:24:25,200
i think the book is is pretty dense um

655
00:24:29,110 --> 00:24:27,360
there's not a lot of fluff in there in

656
00:24:29,990 --> 00:24:29,120
terms of sort of

657
00:24:32,390 --> 00:24:30,000
um

658
00:24:35,269 --> 00:24:32,400
you know going going beyond what what

659
00:24:37,269 --> 00:24:35,279
the facts were so um i think i think a

660
00:24:39,350 --> 00:24:37,279
lot of people because of that and i

661
00:24:41,190 --> 00:24:39,360
don't blame them personally but

662
00:24:42,710 --> 00:24:41,200
a lot of people have missed some of the

663
00:24:45,430 --> 00:24:42,720

things that are

664

00:24:47,669 --> 00:24:45,440

uh that are in the book and and uh i

665

00:24:50,470 --> 00:24:47,679

think it does probably demand uh more

666

00:24:53,190 --> 00:24:50,480

than one reading uh and you know a lot

667

00:24:56,549 --> 00:24:53,200

of people i've noticed on social media

668

00:24:58,950 --> 00:24:56,559

and and etc have focused and sort of

669

00:25:01,750 --> 00:24:58,960

said that the asap program

670

00:25:03,830 --> 00:25:01,760

was only focused on skinwalker ranch and

671

00:25:07,029 --> 00:25:03,840

it was only focused on

672

00:25:09,430 --> 00:25:07,039

exploring ghosts and what have we

673

00:25:12,789 --> 00:25:09,440

but the fact is you know we submitted

674

00:25:14,390 --> 00:25:12,799

104 separate reports to the defense

675

00:25:17,029 --> 00:25:14,400

intelligence agency

676

00:25:20,310 --> 00:25:17,039

as separate deliverables uh during the

677

00:25:22,630 --> 00:25:20,320

asap program and only a minority of

678

00:25:25,350 --> 00:25:22,640

those uh those reports were focused on

679

00:25:28,950 --> 00:25:25,360

skinwalker ranch the remainder of the

680

00:25:31,909 --> 00:25:28,960

reports focused on you know we we we did

681

00:25:34,710 --> 00:25:31,919

a um a pretty extensive

682

00:25:36,950 --> 00:25:34,720

um engineering analysis of the tic tac

683

00:25:39,430 --> 00:25:36,960

incident and we compiled a report

684

00:25:41,750 --> 00:25:39,440

based on uh ansys

685

00:25:44,710 --> 00:25:41,760

uh multiphysics analysis of the of the

686

00:25:47,110 --> 00:25:44,720

tic tac case um computational fluid

687

00:25:50,149 --> 00:25:47,120

dynamics analysis

688

00:25:51,750 --> 00:25:50,159

that was a 140 plus page report that was

689

00:25:55,029 --> 00:25:51,760

submitted to the defense intelligence

690

00:25:58,310 --> 00:25:55,039

agency that was completely separate from

691

00:26:01,269 --> 00:25:58,320

the report that axelrod submitted on his

692

00:26:03,510 --> 00:26:01,279

investigation and his investigation of

693

00:26:05,990 --> 00:26:03,520

the tic tac effect so

694

00:26:08,230 --> 00:26:06,000

we also had a lot of um

695

00:26:12,549 --> 00:26:08,240

investigations of

696

00:26:14,390 --> 00:26:12,559

um things like uh the russian uh ufo

697

00:26:17,510 --> 00:26:14,400

papers that george knapp brought back

698

00:26:20,630 --> 00:26:17,520

from uh from russia that was completely

699

00:26:22,870 --> 00:26:20,640

independent of skinwalker ranch and uh

700

00:26:26,310 --> 00:26:22,880

we we employed three separate russian

701
00:26:28,710 --> 00:26:26,320
translators we got a lot of the uh the

702
00:26:31,750 --> 00:26:28,720
the documentation we got all of the

703
00:26:34,549 --> 00:26:31,760
documentation translated we had analysts

704
00:26:37,510 --> 00:26:34,559
take a look at it and we i mean we were

705
00:26:40,870 --> 00:26:37,520
it was a mind-boggling array of an

706
00:26:44,870 --> 00:26:40,880
organizational chart in uh russia's

707
00:26:46,789 --> 00:26:44,880
slash soviet union in the early 1990s

708
00:26:49,510 --> 00:26:46,799
which showed that the

709
00:26:52,549 --> 00:26:49,520
the soviet union had this massive

710
00:26:53,750 --> 00:26:52,559
uh program that was focused on gathering

711
00:26:56,950 --> 00:26:53,760
ufo

712
00:26:58,789 --> 00:26:56,960
data nationwide at a national level

713
00:27:00,789 --> 00:26:58,799

government departments were were

714

00:27:02,070 --> 00:27:00,799

involved as well as university

715

00:27:03,430 --> 00:27:02,080

departments

716

00:27:06,590 --> 00:27:03,440

involved

717

00:27:09,990 --> 00:27:06,600

there was also this military unit called

718

00:27:12,710 --> 00:27:10,000

73790 that was involved and it seemed to

719

00:27:14,710 --> 00:27:12,720

be the sort of the linchpin of the

720

00:27:18,390 --> 00:27:14,720

entire investigation and you know

721

00:27:20,549 --> 00:27:18,400

they're being whispers about unit 73790

722

00:27:23,590 --> 00:27:20,559

as being sort of fundamental to the

723

00:27:25,029 --> 00:27:23,600

soviet union and later the russian focus

724

00:27:25,830 --> 00:27:25,039

on the uab

725

00:27:29,510 --> 00:27:25,840

uh

726

00:27:31,990 --> 00:27:29,520

but you know senator reid when he when

727

00:27:35,029 --> 00:27:32,000

he uh was instrumental in forming this

728

00:27:37,990 --> 00:27:35,039

program one of the really sort of

729

00:27:40,870 --> 00:27:38,000

alarming things in his mind was the

730

00:27:43,750 --> 00:27:40,880

prospect that another country would be

731

00:27:45,830 --> 00:27:43,760

gaining traction on the united states

732

00:27:47,110 --> 00:27:45,840

and you know he had in mind russia and

733

00:27:49,510 --> 00:27:47,120

china

734

00:27:51,909 --> 00:27:49,520

but other countries also that they were

735

00:27:54,789 --> 00:27:51,919

gaining a technological edge because

736

00:27:56,789 --> 00:27:54,799

they were actually taking the ufo topic

737

00:27:59,110 --> 00:27:56,799

a lot more seriously

738

00:28:01,750 --> 00:27:59,120

um in in these countries than they were

739

00:28:03,269 --> 00:28:01,760

in the united states uh you know we have

740

00:28:05,350 --> 00:28:03,279

publicly we know

741

00:28:07,990 --> 00:28:05,360

we had project sign we had project

742

00:28:10,389 --> 00:28:08,000

grudge we had project blue book and then

743

00:28:13,110 --> 00:28:10,399

sort of laterally we had this very large

744

00:28:16,630 --> 00:28:13,120

awesome program which unfortunately was

745

00:28:18,630 --> 00:28:16,640

prematurely truncated after two years

746

00:28:21,510 --> 00:28:18,640

just as it was really sort of getting

747

00:28:24,230 --> 00:28:21,520

going and then we had this very small

748

00:28:26,950 --> 00:28:24,240

effort in the pentagon called atip you

749

00:28:29,430 --> 00:28:26,960

know so so in terms of

750

00:28:31,909 --> 00:28:29,440

the publicly available knowledge of how

751
00:28:35,269 --> 00:28:31,919
seriously the united states government

752
00:28:37,350 --> 00:28:35,279
was taking the ufo phenomenon um the the

753
00:28:40,470 --> 00:28:37,360
thread three documents that asap

754
00:28:42,710 --> 00:28:40,480
translated and analyzed shows pretty

755
00:28:45,510 --> 00:28:42,720
unequivocally that the

756
00:28:50,710 --> 00:28:45,520
soviet union slash russia had a much

757
00:28:54,549 --> 00:28:52,630
okay let's talk about the hitchhiker

758
00:28:55,669 --> 00:28:54,559
effect for a little while this question

759
00:28:56,630 --> 00:28:55,679
comes from

760
00:29:00,310 --> 00:28:56,640
arthur

761
00:29:02,710 --> 00:29:00,320
mispronouncing that well forgive me

762
00:29:04,549 --> 00:29:02,720
i believe this comes from twitter and

763
00:29:06,549 --> 00:29:04,559

so i'm going to paraphrase this it seems

764

00:29:08,310 --> 00:29:06,559

like the hitchhiker effect is akin to an

765

00:29:10,789 --> 00:29:08,320

a contagion

766

00:29:13,110 --> 00:29:10,799

and the way that i understand it is that

767

00:29:15,110 --> 00:29:13,120

it must be that it decreases with

768

00:29:16,870 --> 00:29:15,120

severity the more that it's spread from

769

00:29:19,029 --> 00:29:16,880

person to person otherwise we'd all have

770

00:29:20,630 --> 00:29:19,039

it because we're connected so firstly

771

00:29:22,149 --> 00:29:20,640

does it decrease have you found any

772

00:29:24,149 --> 00:29:22,159

evidence that it decreases when it

773

00:29:26,710 --> 00:29:24,159

spreads from person to person well i

774

00:29:30,310 --> 00:29:26,720

would say sort of the poster child for

775

00:29:33,909 --> 00:29:30,320

the uh the hitchhiker effect in terms of

776

00:29:34,870 --> 00:29:33,919

our ability to study it over over time

777

00:29:36,710 --> 00:29:34,880

i think

778

00:29:38,710 --> 00:29:36,720

your listener that's a very good

779

00:29:41,669 --> 00:29:38,720

question actually because

780

00:29:44,549 --> 00:29:41,679

um it does have a lot of implications

781

00:29:47,669 --> 00:29:44,559

um but the poster poster child for this

782

00:29:49,669 --> 00:29:47,679

was the axelrod family so axelrod was

783

00:29:53,269 --> 00:29:49,679

the sort of the primary

784

00:29:56,149 --> 00:29:53,279

primary infectee on on the onskin walker

785

00:29:59,350 --> 00:29:56,159

ranch he flew 2 000 miles back to his

786

00:30:01,909 --> 00:29:59,360

home in in virginia

787

00:30:03,830 --> 00:30:01,919

within a few weeks

788

00:30:06,630 --> 00:30:03,840

both his sons and his wife had

789

00:30:09,350 --> 00:30:06,640

experienced these dramatic effects that

790

00:30:11,190 --> 00:30:09,360

george has alluded to

791

00:30:13,909 --> 00:30:11,200

at the same time

792

00:30:16,230 --> 00:30:13,919

neighbors started uh reporting

793

00:30:19,430 --> 00:30:16,240

um this was like a few months later

794

00:30:21,110 --> 00:30:19,440

neighbors started reporting eruptions of

795

00:30:23,990 --> 00:30:21,120

unusual effects

796

00:30:25,350 --> 00:30:24,000

as school kids that the axle rods

797

00:30:28,549 --> 00:30:25,360

uh knew

798

00:30:30,310 --> 00:30:28,559

uh the axle rod kids knew uh also

799

00:30:32,789 --> 00:30:30,320

started reporting weird creatures

800

00:30:35,909 --> 00:30:32,799

outside their bedrooms and remember

801
00:30:38,470 --> 00:30:35,919
axelrod the axelrod family

802
00:30:40,389 --> 00:30:38,480
that you know the guy in the axelrod

803
00:30:41,590 --> 00:30:40,399
family had top secret security

804
00:30:45,110 --> 00:30:41,600
clearances

805
00:30:46,870 --> 00:30:45,120
um you know was a very high level navy

806
00:30:48,470 --> 00:30:46,880
um

807
00:30:50,870 --> 00:30:48,480
person so

808
00:30:53,590 --> 00:30:50,880
the family were well used to keeping

809
00:30:55,909 --> 00:30:53,600
secrets they were not sort of con sort

810
00:30:58,070 --> 00:30:55,919
of the the kind of kids that went to

811
00:31:00,230 --> 00:30:58,080
school and blabbed about what their you

812
00:31:03,110 --> 00:31:00,240
know their family was doing so they kept

813
00:31:06,149 --> 00:31:03,120

very quiet about this whole thing so

814

00:31:09,750 --> 00:31:06,159

bottom line is that there was a spread

815

00:31:12,789 --> 00:31:09,760

out out into the neighbors and out

816

00:31:15,350 --> 00:31:12,799

out into the school kids

817

00:31:19,350 --> 00:31:15,360

the the real question is how far this

818

00:31:22,070 --> 00:31:19,360

actually spread and and we do not have a

819

00:31:25,590 --> 00:31:22,080

full grasp on exactly how far it's

820

00:31:27,830 --> 00:31:25,600

spread but um i think the questioner is

821

00:31:28,710 --> 00:31:27,840

is really correct because

822

00:31:30,710 --> 00:31:28,720

um

823

00:31:32,389 --> 00:31:30,720

we probably would have picked up

824

00:31:36,070 --> 00:31:32,399

additional cases

825

00:31:38,549 --> 00:31:36,080

um if the uh if this had spread you know

826

00:31:41,669 --> 00:31:38,559

into large areas around the neighbor the

827

00:31:43,990 --> 00:31:41,679

neighborhood uh as as confront you know

828

00:31:44,630 --> 00:31:44,000

as opposed to what we actually did pick

829

00:31:46,870 --> 00:31:44,640

up

830

00:31:47,590 --> 00:31:46,880

in other cases we know that it's spread

831

00:31:51,350 --> 00:31:47,600

through

832

00:31:55,110 --> 00:31:51,360

co-workers

833

00:31:57,909 --> 00:31:55,120

um also uh we're subject to this but we

834

00:31:58,870 --> 00:31:57,919

do not have i would say the n is too

835

00:32:01,350 --> 00:31:58,880

small

836

00:32:04,789 --> 00:32:01,360

um and again this comes back to the fact

837

00:32:08,710 --> 00:32:04,799

that the asap program was prematurely

838

00:32:11,029 --> 00:32:08,720

truncated and you know the original plan

839

00:32:13,509 --> 00:32:11,039

was to have a five-year program

840

00:32:14,389 --> 00:32:13,519

we believe if asap had been allowed to

841

00:32:17,669 --> 00:32:14,399

continue

842

00:32:20,230 --> 00:32:17,679

for the full five years with you know 50

843

00:32:23,110 --> 00:32:20,240

plus full-time employees we would have

844

00:32:25,750 --> 00:32:23,120

made a lot of inroads into answering the

845

00:32:27,509 --> 00:32:25,760

kind of questions about how far the

846

00:32:28,710 --> 00:32:27,519

hitchhiker effect

847

00:32:30,549 --> 00:32:28,720

extends

848

00:32:33,909 --> 00:32:30,559

um you know because

849

00:32:35,110 --> 00:32:33,919

my one of my backgrounds is in virology

850

00:32:36,870 --> 00:32:35,120

um

851
00:32:39,029 --> 00:32:36,880
and sort of it's it's pretty obvious

852
00:32:43,110 --> 00:32:39,039
from the coronavirus

853
00:32:46,310 --> 00:32:43,120
update everybody is familiar with the r_0

854
00:32:51,029 --> 00:32:46,320
concept and the ability of a virus to

855
00:32:53,990 --> 00:32:51,039
uh to infect new hosts so um i the the

856
00:32:56,789 --> 00:32:54,000
the epidemiological analysis of the

857
00:32:57,669 --> 00:32:56,799
hitchhiker effect is crying out to be

858
00:33:01,110 --> 00:32:57,679
done

859
00:33:03,669 --> 00:33:01,120
um if there was a follow-up program uh

860
00:33:05,990 --> 00:33:03,679
for the uh of for awesome that could

861
00:33:08,389 --> 00:33:06,000
document additional cases of the

862
00:33:10,310 --> 00:33:08,399
hitchhiker effect right now we have

863
00:33:14,230 --> 00:33:10,320

probably between two and three dozen

864

00:33:17,750 --> 00:33:14,240

cases um of of the hitchhiker effect um

865

00:33:19,590 --> 00:33:17,760

over the last 20 to 25 years but you

866

00:33:23,509 --> 00:33:19,600

know we need an awful lot more than that

867

00:33:26,070 --> 00:33:23,519

and start in in terms of um documenting

868

00:33:28,870 --> 00:33:26,080

uh the extent of this effect but you

869

00:33:30,070 --> 00:33:28,880

know the tools of epidemiological

870

00:33:32,389 --> 00:33:30,080

analysis

871

00:33:35,830 --> 00:33:32,399

um and modeling are are sort of they're

872

00:33:39,029 --> 00:33:35,840

widespread every other lab

873

00:33:41,750 --> 00:33:39,039

that studies coronavirus has you know

874

00:33:42,870 --> 00:33:41,760

epidemiological modeling

875

00:33:45,029 --> 00:33:42,880

you know

876

00:33:48,070 --> 00:33:45,039

resources at their disposal so this

877

00:33:52,789 --> 00:33:48,080

would be a very easy project to uh

878

00:33:55,830 --> 00:33:52,799

extend all we need is additional cases

879

00:33:57,509 --> 00:33:55,840

george do you have any comments on that

880

00:33:59,110 --> 00:33:57,519

no i just i agree that it was a great

881

00:34:01,669 --> 00:33:59,120

question i haven't really considered it

882

00:34:03,190 --> 00:34:01,679

i know that for us my wife and i we

883

00:34:04,789 --> 00:34:03,200

don't think it to spread any further

884

00:34:06,389 --> 00:34:04,799

than that of course we

885

00:34:08,869 --> 00:34:06,399

we have had no reports from people that

886

00:34:10,869 --> 00:34:08,879

we know we don't have children and we

887

00:34:12,230 --> 00:34:10,879

act we last couple of years we've lived

888

00:34:14,230 --> 00:34:12,240

like hermit so i guess that could

889

00:34:15,829 --> 00:34:14,240

explain part of it but that's a great

890

00:34:18,230 --> 00:34:15,839

question is how far it can spread we

891

00:34:19,909 --> 00:34:18,240

don't know the answer to it

892

00:34:21,510 --> 00:34:19,919

see what i'm wondering is what are some

893

00:34:24,230 --> 00:34:21,520

of the other factors so it seems

894

00:34:26,149 --> 00:34:24,240

proximity spatial proximity is a factor

895

00:34:27,589 --> 00:34:26,159

maybe temporal in oh sorry maybe

896

00:34:29,349 --> 00:34:27,599

temporal length so how long am i

897

00:34:31,510 --> 00:34:29,359

spending with someone what are some of

898

00:34:34,950 --> 00:34:31,520

the other factors

899

00:34:37,430 --> 00:34:34,960

well you know one of the um one of the

900

00:34:38,310 --> 00:34:37,440

sort of questions that i've heard asked

901
00:34:43,829 --> 00:34:38,320
is

902
00:34:46,790 --> 00:34:43,839
series of fantasies that happen in these

903
00:34:49,349 --> 00:34:46,800
people's minds etc but you know there

904
00:34:52,470 --> 00:34:49,359
are indications that for example in the

905
00:34:55,109 --> 00:34:52,480
axelrod family that this creature that

906
00:34:58,470 --> 00:34:55,119
uh that the wife saw independently from

907
00:35:01,990 --> 00:34:58,480
the two kids in their home um left

908
00:35:04,870 --> 00:35:02,000
physical tracks so for example you know

909
00:35:07,270 --> 00:35:04,880
uh there were claw marks on the tree

910
00:35:09,829 --> 00:35:07,280
uh when the axelrod family went out to

911
00:35:11,190 --> 00:35:09,839
investigate after the second incident

912
00:35:14,069 --> 00:35:11,200
with the kids

913
00:35:16,630 --> 00:35:14,079

they found all these really obvious claw

914

00:35:19,430 --> 00:35:16,640

marks on the tree right on the exact

915

00:35:22,710 --> 00:35:19,440

tree that this the wife had seen this

916

00:35:24,710 --> 00:35:22,720

creature uh uh leaning against

917

00:35:27,270 --> 00:35:24,720

that's number one they also saw this

918

00:35:30,310 --> 00:35:27,280

creature throwing up a lot of leaves in

919

00:35:34,069 --> 00:35:30,320

the in the backyard as it was running

920

00:35:36,230 --> 00:35:34,079

one of the axelrod kids got besieged by

921

00:35:40,150 --> 00:35:36,240

orbs one night

922

00:35:43,270 --> 00:35:40,160

in 2011 and woke up with physical marks

923

00:35:45,109 --> 00:35:43,280

on his body or a lot of red

924

00:35:46,630 --> 00:35:45,119

welts on his body

925

00:35:49,510 --> 00:35:46,640

it looked like you know frankly it

926
00:35:51,430 --> 00:35:49,520
looked like he had been beaten up um

927
00:35:53,510 --> 00:35:51,440
after a night

928
00:35:54,470 --> 00:35:53,520
in which there was a lot of this quote

929
00:35:57,270 --> 00:35:54,480
unquote

930
00:35:59,990 --> 00:35:57,280
paranormal activity in his house and in

931
00:36:02,470 --> 00:36:00,000
his bedroom but he had physical marks on

932
00:36:05,430 --> 00:36:02,480
his body um and they they actually

933
00:36:07,589 --> 00:36:05,440
brought him to the er just to check him

934
00:36:10,550 --> 00:36:07,599
out and and make sure that he was at

935
00:36:13,430 --> 00:36:10,560
home from school the following day um he

936
00:36:16,470 --> 00:36:13,440
had like intense influenza-like symptoms

937
00:36:18,470 --> 00:36:16,480
after that too but um you know so this

938
00:36:21,589 --> 00:36:18,480

is not only a

939

00:36:24,630 --> 00:36:21,599

um you know a sort of a a mind

940

00:36:26,470 --> 00:36:24,640

phenomenon it does have physical

941

00:36:28,390 --> 00:36:26,480

effects on the environment

942

00:36:30,390 --> 00:36:28,400

so you know it could be both

943

00:36:32,470 --> 00:36:30,400

but um you know i wanted to emphasize

944

00:36:34,950 --> 00:36:32,480

that there are physical effects

945

00:36:37,670 --> 00:36:34,960

um in the environment as well

946

00:36:39,990 --> 00:36:37,680

and just to add to just a reminder the

947

00:36:42,230 --> 00:36:40,000

health consequences for people who come

948

00:36:44,550 --> 00:36:42,240

into contact with these phenomena not

949

00:36:47,910 --> 00:36:44,560

just at the ranch i mean you can look at

950

00:36:50,230 --> 00:36:47,920

the highly publicized cases where navy

951

00:36:51,910 --> 00:36:50,240

pilots have encountered ufos

952

00:36:53,910 --> 00:36:51,920

without being too specific or giving

953

00:36:56,310 --> 00:36:53,920

away personal information you can bet

954

00:36:58,390 --> 00:36:56,320

that there's a chance that some of those

955

00:36:59,510 --> 00:36:58,400

have had these experiences as well when

956

00:37:01,510 --> 00:36:59,520

they go home

957

00:37:03,589 --> 00:37:01,520

it's not just poltergeist type activity

958

00:37:05,510 --> 00:37:03,599

there are severe health consequences

959

00:37:07,510 --> 00:37:05,520

there are diseases perhaps the your

960

00:37:09,670 --> 00:37:07,520

audience kurt will remember recent

961

00:37:12,870 --> 00:37:09,680

comments by dr gary nolan where he

962

00:37:14,390 --> 00:37:12,880

admits he's was contacted by cia to look

963

00:37:16,470 --> 00:37:14,400

into some of these long-term health

964

00:37:19,030 --> 00:37:16,480

consequences for people who encounter

965

00:37:21,190 --> 00:37:19,040

ufos nothing to do with skinwalker ranch

966

00:37:24,069 --> 00:37:21,200

but people who get too close for too

967

00:37:26,310 --> 00:37:24,079

long to ufos have severe medical and

968

00:37:28,390 --> 00:37:26,320

health consequences that last for a long

969

00:37:30,630 --> 00:37:28,400

time we need to understand that you know

970

00:37:32,550 --> 00:37:30,640

we need to understand how that works

971

00:37:34,230 --> 00:37:32,560

it's not just a weird stuff that they

972

00:37:36,390 --> 00:37:34,240

see in their rooms at night it's

973

00:37:38,790 --> 00:37:36,400

diseases and health consequences that

974

00:37:41,349 --> 00:37:38,800

put their lives in danger kit green

975

00:37:45,030 --> 00:37:41,359

wrote a paper about it before

976

00:37:47,670 --> 00:37:45,040

asap for bass it's one of the 38 durds

977

00:37:51,190 --> 00:37:47,680

the reports that were

978

00:37:53,030 --> 00:37:51,200

funded by bass to establish a sort of a

979

00:37:54,790 --> 00:37:53,040

baseline for different aspects of what

980

00:37:56,230 --> 00:37:54,800

assap was going to study

981

00:37:59,750 --> 00:37:56,240

they contacted these different

982

00:38:02,230 --> 00:37:59,760

professionals professors phd's to look

983

00:38:04,710 --> 00:38:02,240

into specific topics

984

00:38:07,589 --> 00:38:04,720

that was related to their own level of

985

00:38:08,870 --> 00:38:07,599

expertise hypersonics for example uh

986

00:38:10,710 --> 00:38:08,880

most of the people who wrote those

987

00:38:13,670 --> 00:38:10,720

papers didn't know they're writing it as

988

00:38:16,150 --> 00:38:13,680

part of a ufo study funded by dia

989

00:38:19,270 --> 00:38:16,160

but they wrote it anyway projecting what

990

00:38:21,190 --> 00:38:19,280

our state of the art knowledge of in a

991

00:38:24,790 --> 00:38:21,200

particular specialty is

992

00:38:26,470 --> 00:38:24,800

projecting it out over uh 40 or 50 years

993

00:38:28,230 --> 00:38:26,480

one of those papers one of those 38

994

00:38:30,310 --> 00:38:28,240

dirids written by dr kick green

995

00:38:31,589 --> 00:38:30,320

neuroscientist was looking at the

996

00:38:33,190 --> 00:38:31,599

medical effects

997

00:38:35,670 --> 00:38:33,200

that work

998

00:38:37,349 --> 00:38:35,680

has inspired dr gary nolan and others to

999

00:38:38,870 --> 00:38:37,359

take it a little bit further and look at

1000

00:38:41,270 --> 00:38:38,880

what are the health consequences of

1001
00:38:43,589 --> 00:38:41,280
coming into proximity contact with the

1002
00:38:45,030 --> 00:38:43,599
ufo

1003
00:38:47,349 --> 00:38:45,040
i should also let you know that the

1004
00:38:48,630 --> 00:38:47,359
audience for this is so variegated it

1005
00:38:50,790 --> 00:38:48,640
runs the gamut from people who are

1006
00:38:52,390 --> 00:38:50,800
extremely familiar with the ufo space to

1007
00:38:53,510 --> 00:38:52,400
people who are more interested in the

1008
00:38:56,150 --> 00:38:53,520
bread and butter of this channel

1009
00:38:57,109 --> 00:38:56,160
theoretical physics math consciousness

1010
00:38:59,430 --> 00:38:57,119
so

1011
00:39:01,270 --> 00:38:59,440
often there are these acronyms and they

1012
00:39:03,510 --> 00:39:01,280
may be unfamiliar to many people so

1013
00:39:04,790 --> 00:39:03,520

please if you have an acronym just a one

1014

00:39:07,270 --> 00:39:04,800

sentence explanation like what is

1015

00:39:09,030 --> 00:39:07,280

awesome dia et cetera when they come up

1016

00:39:10,390 --> 00:39:09,040

i know it's tedious but there's many

1017

00:39:11,829 --> 00:39:10,400

questions about that

1018

00:39:14,230 --> 00:39:11,839

no that's great that's a good idea

1019

00:39:16,470 --> 00:39:14,240

because we get it does get confusing for

1020

00:39:18,069 --> 00:39:16,480

people uh dia is defense intelligence

1021

00:39:21,349 --> 00:39:18,079

agency it's the pentagon's version of

1022

00:39:23,750 --> 00:39:21,359

the cia ossap is the advanced aerospace

1023

00:39:27,190 --> 00:39:23,760

weapons systems application program that

1024

00:39:29,829 --> 00:39:27,200

was the acronym given to the bas study

1025

00:39:31,990 --> 00:39:29,839

i'll get to bass in a second by the dia

1026
00:39:34,230 --> 00:39:32,000
bass is the bigelow advanced aerospace

1027
00:39:36,550 --> 00:39:34,240
space systems it's an offshoot of

1028
00:39:39,510 --> 00:39:36,560
bigelow aerospace it was the contractor

1029
00:39:40,710 --> 00:39:39,520
that got the contract from dia for assat

1030
00:39:42,550 --> 00:39:40,720
if you've got all those acronyms

1031
00:39:44,550 --> 00:39:42,560
straight and then atip

1032
00:39:46,150 --> 00:39:44,560
which is the advanced aerospace weapon

1033
00:39:47,910 --> 00:39:46,160
no advanced aerospace threat

1034
00:39:50,470 --> 00:39:47,920
identification program

1035
00:39:53,270 --> 00:39:50,480
is sort of the successor to asap it grew

1036
00:39:55,510 --> 00:39:53,280
up out of the the ruins of asap so to

1037
00:39:58,390 --> 00:39:55,520
speak that's the program that was uh

1038
00:39:59,349 --> 00:39:58,400

directed by lou elizondo

1039

00:40:00,550 --> 00:39:59,359

okay

1040

00:40:01,510 --> 00:40:00,560

calm your

1041

00:40:02,950 --> 00:40:01,520

column

1042

00:40:04,630 --> 00:40:02,960

do you look like you're

1043

00:40:10,230 --> 00:40:04,640

chomping at the bit

1044

00:40:13,589 --> 00:40:11,750

something that came up on the screen all

1045

00:40:15,190 --> 00:40:13,599

right okay so this question comes from

1046

00:40:17,190 --> 00:40:15,200

kf and by the way if there's someone in

1047

00:40:19,270 --> 00:40:17,200

the audience who wants to work on a

1048

00:40:21,270 --> 00:40:19,280

legend or a compendium about these

1049

00:40:22,870 --> 00:40:21,280

acronyms so that it can be

1050

00:40:25,349 --> 00:40:22,880

so that someone can easily reference

1051
00:40:27,109 --> 00:40:25,359
them then please contact me okay so kf

1052
00:40:28,710 --> 00:40:27,119
has a question a very serious question

1053
00:40:30,470 --> 00:40:28,720
kurt have they considered testing the

1054
00:40:32,950 --> 00:40:30,480
hitchhiker's syndrome with people who

1055
00:40:41,990 --> 00:40:32,960
are blind or have been blind from birth

1056
00:40:46,390 --> 00:40:43,670
yeah you understand the spirit of the

1057
00:40:49,030 --> 00:40:46,400
question yeah yeah i mean

1058
00:40:50,550 --> 00:40:49,040
you would have to sort of uh sign a lot

1059
00:40:53,349 --> 00:40:50,560
of waivers

1060
00:40:55,990 --> 00:40:53,359
um you know and and and uh you know you

1061
00:40:58,870 --> 00:40:56,000
would have a lot of examination

1062
00:41:01,910 --> 00:40:58,880
from the hipaa that's another acronym

1063
00:41:04,309 --> 00:41:01,920

but health insurance portability

1064

00:41:06,230 --> 00:41:04,319

uh whatever it is act

1065

00:41:07,910 --> 00:41:06,240

in other words medical medical

1066

00:41:11,430 --> 00:41:07,920

confidentiality

1067

00:41:14,790 --> 00:41:11,440

um you would also have to make sure

1068

00:41:16,870 --> 00:41:14,800

that you had institutional review board

1069

00:41:18,870 --> 00:41:16,880

uh you know

1070

00:41:21,109 --> 00:41:18,880

check that box too before you got into

1071

00:41:22,069 --> 00:41:21,119

that kind of research because this is

1072

00:41:26,069 --> 00:41:22,079

human

1073

00:41:28,309 --> 00:41:26,079

extremely uh

1074

00:41:30,790 --> 00:41:28,319

tightly controlled by the national

1075

00:41:32,790 --> 00:41:30,800

institutes of health so once you checked

1076

00:41:34,870 --> 00:41:32,800

all those boxes

1077

00:41:37,349 --> 00:41:34,880

and provided you know all of the

1078

00:41:40,309 --> 00:41:37,359

releases have been signed that it is

1079

00:41:43,510 --> 00:41:40,319

theoretically possible to have people uh

1080

00:41:46,470 --> 00:41:43,520

who are blind you know

1081

00:41:49,430 --> 00:41:46,480

all the way across the uh the spectrum

1082

00:41:50,550 --> 00:41:49,440

um there's a there's a whole series of

1083

00:41:52,550 --> 00:41:50,560

studies

1084

00:41:56,390 --> 00:41:52,560

um that were conducted

1085

00:41:57,349 --> 00:41:56,400

uh by a psychiatrist called kenneth ring

1086

00:41:59,829 --> 00:41:57,359

um

1087

00:42:01,829 --> 00:41:59,839

and and he studied actually

1088

00:42:04,309 --> 00:42:01,839

uh these anomalous

1089

00:42:06,710 --> 00:42:04,319

experiences and blind people

1090

00:42:09,910 --> 00:42:06,720

and found that the uh anomalous

1091

00:42:11,990 --> 00:42:09,920

experiences included um consciousness

1092

00:42:13,190 --> 00:42:12,000

related experiences like near-death

1093

00:42:15,190 --> 00:42:13,200

experiences

1094

00:42:17,030 --> 00:42:15,200

and uh found that the

1095

00:42:18,390 --> 00:42:17,040

blind individuals

1096

00:42:20,630 --> 00:42:18,400

uh were

1097

00:42:23,589 --> 00:42:20,640

absolutely equally

1098

00:42:26,870 --> 00:42:23,599

um capable of seeing near-death

1099

00:42:29,910 --> 00:42:26,880

experiences as they were as as you know

1100

00:42:31,910 --> 00:42:29,920

people with with normal sight now that's

1101
00:42:33,030 --> 00:42:31,920
that's quite a leap between what we're

1102
00:42:35,349 --> 00:42:33,040
discussing

1103
00:42:37,349 --> 00:42:35,359
and uh near-death experiences but i'm

1104
00:42:39,109 --> 00:42:37,359
saying that there is precedent for that

1105
00:42:41,750 --> 00:42:39,119
kind of an analysis

1106
00:42:43,510 --> 00:42:41,760
but it does go back to the question of

1107
00:42:45,670 --> 00:42:43,520
how big is the n

1108
00:42:47,510 --> 00:42:45,680
and uh the n is pretty small with the

1109
00:42:50,630 --> 00:42:47,520
data that we have in hand

1110
00:42:53,829 --> 00:42:50,640
really what we want to see i think

1111
00:42:54,710 --> 00:42:53,839
george and i and jim lakatsky is

1112
00:42:55,430 --> 00:42:54,720
um

1113
00:43:05,270 --> 00:42:55,440

a

1114
00:43:08,150 --> 00:43:05,280
to study the ufo problem

1115
00:43:10,150 --> 00:43:08,160
and not just confine it to

1116
00:43:13,109 --> 00:43:10,160
small sort of

1117
00:43:16,069 --> 00:43:13,119
rifle shot type studies that focus only

1118
00:43:18,309 --> 00:43:16,079
on military pilots um once you start

1119
00:43:21,990 --> 00:43:18,319
looking at uh effects

1120
00:43:24,309 --> 00:43:22,000
of these uh ufo encounters on people

1121
00:43:27,510 --> 00:43:24,319
then you start getting into things like

1122
00:43:30,550 --> 00:43:27,520
the hitchhiker effect and we think that

1123
00:43:32,790 --> 00:43:30,560
there is enough rumor and innuendo

1124
00:43:35,510 --> 00:43:32,800
regarding some of the military pilots

1125
00:43:38,710 --> 00:43:35,520
that have encountered uh these these

1126

00:43:41,349 --> 00:43:38,720

ufos to warrant studies that are

1127

00:43:44,309 --> 00:43:41,359

long-term on human effects as well

1128

00:43:47,510 --> 00:43:44,319

including psychological effects but also

1129

00:43:50,550 --> 00:43:47,520

medical effects um and especially over

1130

00:43:53,349 --> 00:43:50,560

long term um you know the

1131

00:43:55,829 --> 00:43:53,359

the old days of ufo investigations

1132

00:43:57,990 --> 00:43:55,839

occurring on people's own time during

1133

00:44:01,030 --> 00:43:58,000

the weekends you know which is sort of

1134

00:44:04,390 --> 00:44:01,040

the classic model of ufo studies uh that

1135

00:44:07,190 --> 00:44:04,400

the sort of weekend warrior model

1136

00:44:09,030 --> 00:44:07,200

that really does not apply in this case

1137

00:44:11,990 --> 00:44:09,040

you've got to have the resources to be

1138

00:44:14,230 --> 00:44:12,000

able to study these people long term and

1139

00:44:17,190 --> 00:44:14,240

i'm talking months or years in some

1140

00:44:19,430 --> 00:44:17,200

cases in order to fully delineate these

1141

00:44:21,349 --> 00:44:19,440

kinds of effects i mean if you go out on

1142

00:44:23,510 --> 00:44:21,359

a weekend and you interview somebody for

1143

00:44:25,270 --> 00:44:23,520

three or four hours you record that

1144

00:44:27,670 --> 00:44:25,280

interview and you go home

1145

00:44:30,390 --> 00:44:27,680

the chances are you will pick up

1146

00:44:33,270 --> 00:44:30,400

only a very small percent of that

1147

00:44:36,390 --> 00:44:33,280

person's ufo experience you'll you'll

1148

00:44:39,190 --> 00:44:36,400

pick up data on ufo parameters

1149

00:44:42,069 --> 00:44:39,200

performance parameters uh how close it

1150

00:44:44,470 --> 00:44:42,079

was how how fast it did right angle

1151

00:44:47,109 --> 00:44:44,480

turns uh what kind of lights it might

1152

00:44:49,270 --> 00:44:47,119

have had and you can try to sort of

1153

00:44:52,470 --> 00:44:49,280

marry that to theoretical physics

1154

00:44:55,750 --> 00:44:52,480

concepts but really what you need to do

1155

00:44:59,030 --> 00:44:55,760

is to do that but also to look at the

1156

00:45:00,230 --> 00:44:59,040

long-term effects uh on humans because

1157

00:45:02,630 --> 00:45:00,240

without

1158

00:45:05,430 --> 00:45:02,640

you know both sides of that equation i

1159

00:45:08,550 --> 00:45:05,440

think you're looking at a very distorted

1160

00:45:12,390 --> 00:45:10,550

okay speaking of physics this question

1161

00:45:14,390 --> 00:45:12,400

comes from mossy moose

1162

00:45:16,150 --> 00:45:14,400

during the asap program and potentially

1163

00:45:17,990 --> 00:45:16,160

continuing into the present day what

1164

00:45:20,550 --> 00:45:18,000

sorts of energy signatures pass through

1165

00:45:22,950 --> 00:45:20,560

the experiencers of uaps and the

1166

00:45:25,270 --> 00:45:22,960

phenomenon in close proximity and is it

1167

00:45:27,190 --> 00:45:25,280

related to neutrinos does this type of

1168

00:45:29,430 --> 00:45:27,200

detectable and measurable energy

1169

00:45:33,270 --> 00:45:29,440

signature play a role in the hitchhiker

1170

00:45:36,790 --> 00:45:35,190

that's a pretty good question

1171

00:45:39,510 --> 00:45:36,800

i'm not a scientist i don't pretend to

1172

00:45:40,790 --> 00:45:39,520

be a scientist column uh that maybe is a

1173

00:45:42,390 --> 00:45:40,800

better question for him and i don't know

1174

00:45:44,230 --> 00:45:42,400

if they ever got were able to get that

1175

00:45:48,069 --> 00:45:44,240

specific so

1176

00:45:49,349 --> 00:45:48,079

well the the only um the only

1177

00:45:51,510 --> 00:45:49,359

i guess

1178

00:45:53,589 --> 00:45:51,520

uh medical effects that we were able to

1179

00:45:56,069 --> 00:45:53,599

document um

1180

00:45:58,950 --> 00:45:56,079

in involved um

1181

00:46:01,270 --> 00:45:58,960

we think some form of potentially

1182

00:46:02,230 --> 00:46:01,280

non-ionizing radiation

1183

00:46:06,630 --> 00:46:02,240

um

1184

00:46:10,069 --> 00:46:06,640

you know there was another case that

1185

00:46:13,109 --> 00:46:10,079

george uh briefly mentioned and that was

1186

00:46:16,630 --> 00:46:13,119

um and this pertains to what i'm talking

1187

00:46:17,510 --> 00:46:16,640

about uh in in in georgia you know this

1188

00:46:22,150 --> 00:46:17,520

guy

1189

00:46:24,470 --> 00:46:22,160

barking outside and this is a case that

1190

00:46:27,030 --> 00:46:24,480

we investigated you know pretty over a

1191

00:46:30,309 --> 00:46:27,040

long period of time but um he went

1192

00:46:31,910 --> 00:46:30,319

outside his his his young boy and a

1193

00:46:33,430 --> 00:46:31,920

couple of neighbors were in a tent in

1194

00:46:35,430 --> 00:46:33,440

their backyard they were kind of in a

1195

00:46:37,990 --> 00:46:35,440

sleepover he went out to check on them

1196

00:46:41,430 --> 00:46:38,000

and check on the dog and right over his

1197

00:46:44,710 --> 00:46:41,440

property or hovering silently was this

1198

00:46:48,069 --> 00:46:44,720

massive black triangle um this large

1199

00:46:49,750 --> 00:46:48,079

black triangle now it was nighttime so

1200

00:46:53,030 --> 00:46:49,760

he couldn't get a good fix but he

1201
00:46:55,589 --> 00:46:53,040
figured it was very very low um he said

1202
00:46:56,390 --> 00:46:55,599
it was massive the size of a a football

1203
00:46:59,829 --> 00:46:56,400
field

1204
00:47:02,150 --> 00:46:59,839
um so it was right over his uh

1205
00:47:05,349 --> 00:47:02,160
his property so we tried taking cell

1206
00:47:07,829 --> 00:47:05,359
phone photos um and you know all that

1207
00:47:10,069 --> 00:47:07,839
came out was just blackness because he

1208
00:47:12,390 --> 00:47:10,079
could see it silhouetted against the sky

1209
00:47:15,109 --> 00:47:12,400
but the resolution of his iphone camera

1210
00:47:17,750 --> 00:47:15,119
uh was was insufficient to pick it up so

1211
00:47:20,470 --> 00:47:17,760
he went back inside and and pulled out

1212
00:47:22,230 --> 00:47:20,480
um he had a very powerful flashlight so

1213
00:47:24,470 --> 00:47:22,240

we went back outside this thing was

1214

00:47:26,710 --> 00:47:24,480

still hovering above him

1215

00:47:29,349 --> 00:47:26,720

so he shone the flashlight up at it to

1216

00:47:31,510 --> 00:47:29,359

see if he could see any any

1217

00:47:32,630 --> 00:47:31,520

features on the underside of this this

1218

00:47:36,710 --> 00:47:32,640

craft

1219

00:47:38,630 --> 00:47:36,720

and almost immediately this a large

1220

00:47:41,349 --> 00:47:38,640

intense blue ray

1221

00:47:44,790 --> 00:47:41,359

uh came from the the front side of the

1222

00:47:47,510 --> 00:47:44,800

triangle and shot right on him and he

1223

00:47:49,430 --> 00:47:47,520

immediately felt you know a lot of heat

1224

00:47:51,589 --> 00:47:49,440

and a lot he was kind of blinded and

1225

00:47:52,950 --> 00:47:51,599

felt a lot of heat he turned around and

1226

00:47:55,829 --> 00:47:52,960

crouched

1227

00:47:58,870 --> 00:47:55,839

away from this but at that stage he felt

1228

00:48:01,270 --> 00:47:58,880

a lot of heat on his neck and his back

1229

00:48:03,910 --> 00:48:01,280

so he got you know he ran inside because

1230

00:48:06,870 --> 00:48:03,920

he you know he felt he felt threatened

1231

00:48:10,309 --> 00:48:06,880

but this blue light was probably a foot

1232

00:48:11,910 --> 00:48:10,319

in diameter and it seemed to be

1233

00:48:15,190 --> 00:48:11,920

instantaneous

1234

00:48:18,309 --> 00:48:15,200

reaction to him shining the flashlight

1235

00:48:20,790 --> 00:48:18,319

at the underside of this object so um

1236

00:48:23,670 --> 00:48:20,800

he looked at it from the window and uh

1237

00:48:25,910 --> 00:48:23,680

it took off at enormous speeds uh

1238

00:48:27,990 --> 00:48:25,920

heading heading you know up

1239

00:48:28,950 --> 00:48:28,000

in the sky and was gone very very

1240

00:48:32,549 --> 00:48:28,960

quickly

1241

00:48:35,190 --> 00:48:32,559

so he went to bed and sort of um

1242

00:48:36,790 --> 00:48:35,200

woke up with a very strong metallic

1243

00:48:40,230 --> 00:48:36,800

taste in his mouth

1244

00:48:43,030 --> 00:48:40,240

um he had a lot of sunburn on the back

1245

00:48:46,829 --> 00:48:43,040

of his neck um he had a headache

1246

00:48:49,270 --> 00:48:46,839

he did not feel well and sort of uh so

1247

00:48:50,549 --> 00:48:49,280

investigations start we were contacted

1248

00:48:53,910 --> 00:48:50,559

as part of the

1249

00:48:56,870 --> 00:48:53,920

uh the bas mufon mufon is the

1250

00:48:59,109 --> 00:48:56,880

acronym for mutual ufo

1251

00:49:03,430 --> 00:49:01,190

yeah uh so so

1252

00:49:05,510 --> 00:49:03,440

uh we were we were contacted via mufon

1253

00:49:09,270 --> 00:49:05,520

about this case so we sent investigators

1254

00:49:11,270 --> 00:49:09,280

out we photographed this guy um he he

1255

00:49:12,549 --> 00:49:11,280

started losing his hair on the back of

1256

00:49:13,990 --> 00:49:12,559

his head

1257

00:49:17,109 --> 00:49:14,000

and we had one of our physician

1258

00:49:18,390 --> 00:49:17,119

scientists go out and visit him and he

1259

00:49:21,510 --> 00:49:18,400

organized

1260

00:49:25,109 --> 00:49:21,520

a set of medical visits to the local

1261

00:49:27,829 --> 00:49:25,119

clinic that documented him over time he

1262

00:49:31,030 --> 00:49:27,839

had a lot of health effects

1263

00:49:33,990 --> 00:49:31,040

he had intense nausea over over this

1264

00:49:37,270 --> 00:49:34,000

whole case and um so

1265

00:49:38,870 --> 00:49:37,280

you know there was indirect evidence not

1266

00:49:41,990 --> 00:49:38,880

direct evidence but from the

1267

00:49:44,150 --> 00:49:42,000

constellation of medical symptoms

1268

00:49:47,349 --> 00:49:44,160

including sort of strong metallic taste

1269

00:49:50,230 --> 00:49:47,359

in his mouth losing hair um intense

1270

00:49:51,670 --> 00:49:50,240

sunburn on his skin uh and and some

1271

00:49:54,069 --> 00:49:51,680

other features

1272

00:49:56,309 --> 00:49:54,079

yeah one of the hypotheses that we came

1273

00:50:01,030 --> 00:49:56,319

up with for this case and for other

1274

00:50:03,190 --> 00:50:01,040

cases was non-ionizing radiation

1275

00:50:05,670 --> 00:50:03,200

but we were never able to get more

1276

00:50:08,470 --> 00:50:05,680

specific than that it was some form of

1277

00:50:10,670 --> 00:50:08,480

electromagnetic radiation and we did not

1278

00:50:12,950 --> 00:50:10,680

we were not able to pinpoint the

1279

00:50:16,630 --> 00:50:12,960

intensity or we were not able to

1280

00:50:19,670 --> 00:50:16,640

pinpoint exact uh wavelength but we

1281

00:50:21,829 --> 00:50:19,680

there was a hypothesis put forward that

1282

00:50:25,750 --> 00:50:21,839

needs to be validated over time in

1283

00:50:29,430 --> 00:50:25,760

future cases that non-ionizing radiation

1284

00:50:32,470 --> 00:50:29,440

um you know was was used on this guy

1285

00:50:35,030 --> 00:50:32,480

there was a whole plethora of other

1286

00:50:37,430 --> 00:50:35,040

strange effects that this guy went

1287

00:50:39,430 --> 00:50:37,440

through um he had all these bizarre

1288

00:50:41,910 --> 00:50:39,440

electronic interference

1289

00:50:43,109 --> 00:50:41,920

uh phenomena that were erupted in his

1290

00:50:45,190 --> 00:50:43,119

home

1291

00:50:49,270 --> 00:50:45,200

he had as i said a lot of medical

1292

00:50:51,670 --> 00:50:49,280

effects a lot of these um tumor tumors

1293

00:50:53,430 --> 00:50:51,680

started growing in his body luckily they

1294

00:50:54,470 --> 00:50:53,440

turned out to be benign and he was

1295

00:50:57,109 --> 00:50:54,480

diagnosed

1296

00:50:59,750 --> 00:50:57,119

with castleman's disease and uh

1297

00:51:02,790 --> 00:50:59,760

eventually after a couple couple or few

1298

00:51:04,790 --> 00:51:02,800

years he got better and uh you know

1299

00:51:07,829 --> 00:51:04,800

pulled out of it but you know there were

1300

00:51:09,270 --> 00:51:07,839

he was besieged by low-flying black

1301
00:51:11,670 --> 00:51:09,280
helicopters

1302
00:51:15,030 --> 00:51:11,680
um you know at one stage which is

1303
00:51:18,069 --> 00:51:15,040
another sort of feature that that is

1304
00:51:19,670 --> 00:51:18,079
associated with the ufo phenomenon but

1305
00:51:22,309 --> 00:51:19,680
why is it featured

1306
00:51:24,309 --> 00:51:22,319
associated with the ufo phenomenon we

1307
00:51:26,870 --> 00:51:24,319
don't have the answer to that but you

1308
00:51:29,109 --> 00:51:26,880
know one of the things that the lessons

1309
00:51:32,710 --> 00:51:29,119
learned from awesome is

1310
00:51:35,109 --> 00:51:32,720
that we think the template is robust

1311
00:51:37,190 --> 00:51:35,119
the template should be repeated

1312
00:51:40,309 --> 00:51:37,200
and it should be extended beyond the

1313
00:51:42,950 --> 00:51:40,319

two-year program so you know

1314

00:51:45,109 --> 00:51:42,960

the bottom line for for the future

1315

00:51:48,390 --> 00:51:45,119

we think for ufo studies

1316

00:51:50,630 --> 00:51:48,400

is to do a five plus year study

1317

00:51:53,750 --> 00:51:50,640

with the kinds of resources that asap

1318

00:51:57,750 --> 00:51:53,760

had and the kinds of um

1319

00:52:01,109 --> 00:51:57,760

personnel that were devoted exclusively

1320

00:52:03,190 --> 00:52:01,119

to investigating the ufo mystery because

1321

00:52:04,710 --> 00:52:03,200

you know as everybody knows as a lot of

1322

00:52:07,190 --> 00:52:04,720

your listeners know

1323

00:52:10,630 --> 00:52:07,200

we've been looking at this um you know

1324

00:52:12,630 --> 00:52:10,640

in the public eye for 75 years that's an

1325

00:52:15,750 --> 00:52:12,640

awful long time to be

1326
00:52:16,549 --> 00:52:15,760
uh wondering what is this phenomenon you

1327
00:52:18,549 --> 00:52:16,559
know

1328
00:52:20,069 --> 00:52:18,559
one of the things that the asap program

1329
00:52:21,750 --> 00:52:20,079
was tasked to do

1330
00:52:24,790 --> 00:52:21,760
was to

1331
00:52:27,270 --> 00:52:24,800
delineate whether or not this phenomenon

1332
00:52:29,910 --> 00:52:27,280
was a threat to the united states and a

1333
00:52:31,510 --> 00:52:29,920
threat to national security

1334
00:52:34,069 --> 00:52:31,520
bottom line is

1335
00:52:35,589 --> 00:52:34,079
you know there are two aspects of of of

1336
00:52:38,309 --> 00:52:35,599
threat analysis

1337
00:52:40,150 --> 00:52:38,319
one is capability and the other the

1338
00:52:41,030 --> 00:52:40,160

other is intent

1339

00:52:44,390 --> 00:52:41,040

so

1340

00:52:48,069 --> 00:52:44,400

part a was capability and we are our

1341

00:52:50,710 --> 00:52:48,079

data warehouse and databases were full

1342

00:52:53,270 --> 00:52:50,720

of instances where we were able to map

1343

00:52:56,150 --> 00:52:53,280

out the capabilities of the ufo

1344

00:53:00,069 --> 00:52:56,160

phenomenon but in terms of intent is a

1345

00:53:02,710 --> 00:53:00,079

really big question mark after 75 years

1346

00:53:06,230 --> 00:53:02,720

of looking at this ufo phenomenon we

1347

00:53:08,150 --> 00:53:06,240

still have no idea regarding uh whether

1348

00:53:10,549 --> 00:53:08,160

or not what the intent or what the

1349

00:53:11,589 --> 00:53:10,559

agenda of this phenomenon is so

1350

00:53:13,349 --> 00:53:11,599

therefore

1351

00:53:16,470 --> 00:53:13,359

our final report to the defense

1352

00:53:18,870 --> 00:53:16,480

intelligence agency we did not say that

1353

00:53:21,030 --> 00:53:18,880

the ufo phenomenon was a threat to

1354

00:53:23,030 --> 00:53:21,040

national security we said it was a

1355

00:53:25,109 --> 00:53:23,040

threat to human health

1356

00:53:27,910 --> 00:53:25,119

and that's a very very different you

1357

00:53:30,549 --> 00:53:27,920

know parsing of that sort of concept

1358

00:53:32,790 --> 00:53:30,559

it's a very very different thing to say

1359

00:53:37,109 --> 00:53:32,800

it's a bad thing for you for people to

1360

00:53:39,910 --> 00:53:37,119

be close to ufos but we were not able to

1361

00:53:42,630 --> 00:53:39,920

to gather enough data to determine

1362

00:53:44,390 --> 00:53:42,640

whether or not this was a threat to

1363

00:53:46,870 --> 00:53:44,400

national security

1364

00:53:49,510 --> 00:53:46,880

i'd like to add kurt if there's one

1365

00:53:51,190 --> 00:53:49,520

underlying message from our book one

1366

00:53:53,430 --> 00:53:51,200

lesson learned

1367

00:53:54,870 --> 00:53:53,440

from the awsap program it's that you

1368

00:53:57,270 --> 00:53:54,880

need to follow the evidence where it

1369

00:54:00,390 --> 00:53:57,280

leads the defense intelligence agency

1370

00:54:03,109 --> 00:54:00,400

crafted this program as a ufo study that

1371

00:54:06,150 --> 00:54:03,119

was its primary focus is on ufos the

1372

00:54:07,910 --> 00:54:06,160

technology whose is it is it a threat

1373

00:54:10,390 --> 00:54:07,920

can we duplicate it can we figure it out

1374

00:54:12,630 --> 00:54:10,400

and duplicate it but it also had and

1375

00:54:14,870 --> 00:54:12,640

everyone at dia and within bass

1376

00:54:16,870 --> 00:54:14,880

understood that it also was going to

1377

00:54:18,630 --> 00:54:16,880

follow the evidence wherever it lit

1378

00:54:21,109 --> 00:54:18,640

since our book came out and some of the

1379

00:54:23,270 --> 00:54:21,119

the details about osap and bass we've

1380

00:54:25,670 --> 00:54:23,280

had a lot of criticism oh gosh that was

1381

00:54:27,750 --> 00:54:25,680

a silly program it was they were ghost

1382

00:54:29,910 --> 00:54:27,760

hunters they were looking at bigfoot all

1383

00:54:32,230 --> 00:54:29,920

these goofy silly topics paranormal

1384

00:54:34,230 --> 00:54:32,240

stuff that's been discredited well that

1385

00:54:36,309 --> 00:54:34,240

was not entirely true

1386

00:54:37,670 --> 00:54:36,319

it was a ufo program to start but they

1387

00:54:39,829 --> 00:54:37,680

followed the evidence where it led and

1388

00:54:41,750 --> 00:54:39,839

it led into some pretty strange areas

1389

00:54:43,750 --> 00:54:41,760

they didn't set out and didn't want to

1390

00:54:45,190 --> 00:54:43,760

study ghosts or poltergeists and we

1391

00:54:47,430 --> 00:54:45,200

don't even know if that's what they were

1392

00:54:49,990 --> 00:54:47,440

studying but they did study the effects

1393

00:54:51,750 --> 00:54:50,000

that were in proximity to ufo events

1394

00:54:53,510 --> 00:54:51,760

followed the evidence where it led and

1395

00:54:56,390 --> 00:54:53,520

it led into some very uncomfortable

1396

00:54:58,870 --> 00:54:56,400

areas the pentagon of course has has

1397

00:55:01,349 --> 00:54:58,880

been a little less than honest with the

1398

00:55:03,910 --> 00:55:01,359

public about its interest in ufos but

1399

00:55:05,990 --> 00:55:03,920

finally as a result of the atep story

1400

00:55:07,670 --> 00:55:06,000

that was in new york times and uh

1401
00:55:09,750 --> 00:55:07,680
testimony from a lot of the people that

1402
00:55:12,150 --> 00:55:09,760
worked with column at awesome

1403
00:55:14,710 --> 00:55:12,160
behind closed doors congress is finally

1404
00:55:16,549 --> 00:55:14,720
interested in the ufo aspect and more

1405
00:55:18,390 --> 00:55:16,559
power to them we're glad that they took

1406
00:55:20,549 --> 00:55:18,400
the trouble to find out about the

1407
00:55:22,630 --> 00:55:20,559
national security implications

1408
00:55:25,109 --> 00:55:22,640
of these ufo encounters over military

1409
00:55:27,589 --> 00:55:25,119
bases if that is the engine that drove

1410
00:55:30,230 --> 00:55:27,599
the interest in a creating a new program

1411
00:55:32,230 --> 00:55:30,240
which they have done great but you can't

1412
00:55:34,950 --> 00:55:32,240
just stop there again the underlying

1413
00:55:36,950 --> 00:55:34,960

message of ossap bass the book that we

1414

00:55:38,950 --> 00:55:36,960

wrote is you have to follow the evidence

1415

00:55:41,349 --> 00:55:38,960

where it leads you cannot solve this

1416

00:55:44,870 --> 00:55:41,359

mystery or these multiple mysteries by

1417

00:55:47,589 --> 00:55:44,880

just looking at military cases at ufos

1418

00:55:49,750 --> 00:55:47,599

that appear over military bases at ufos

1419

00:55:52,549 --> 00:55:49,760

that are picked up on sensors or on

1420

00:55:53,910 --> 00:55:52,559

thermal images like tic tac like gimbal

1421

00:55:56,069 --> 00:55:53,920

you're never going to solve the big

1422

00:55:57,430 --> 00:55:56,079

picture by only looking at that stuff

1423

00:55:59,030 --> 00:55:57,440

you have to follow the evidence where it

1424

00:56:00,829 --> 00:55:59,040

leads and that takes courage and it

1425

00:56:04,309 --> 00:56:00,839

takes some money too

1426
00:56:06,470 --> 00:56:04,319
so when i was speaking to travis walton

1427
00:56:08,470 --> 00:56:06,480
he was of the opinion that some of these

1428
00:56:10,870 --> 00:56:08,480
beings are benevolent and that they

1429
00:56:12,390 --> 00:56:10,880
would cure cancer potentially someone

1430
00:56:14,390 --> 00:56:12,400
else thought this as well i believe her

1431
00:56:17,030 --> 00:56:14,400
name is angeli she believes that they're

1432
00:56:18,549 --> 00:56:17,040
kind bestowing generous helpful it

1433
00:56:19,349 --> 00:56:18,559
doesn't sound like you all believe that

1434
00:56:23,109 --> 00:56:19,359
but

1435
00:56:25,190 --> 00:56:23,119
please comment on that

1436
00:56:27,109 --> 00:56:25,200
well we we don't even know if that's one

1437
00:56:29,030 --> 00:56:27,119
intelligence or multiple maybe there's

1438
00:56:30,870 --> 00:56:29,040

more than one more than one answer maybe

1439

00:56:32,789 --> 00:56:30,880

they're extraterrestrial

1440

00:56:34,230 --> 00:56:32,799

uh maybe they're interdimensional maybe

1441

00:56:35,910 --> 00:56:34,240

they're time travelers maybe there's

1442

00:56:37,829 --> 00:56:35,920

something else more exotic crypto

1443

00:56:39,589 --> 00:56:37,839

terrestrials ultra-terrestrials we

1444

00:56:41,270 --> 00:56:39,599

really don't know and we don't know that

1445

00:56:43,270 --> 00:56:41,280

it's just one it could be many different

1446

00:56:45,349 --> 00:56:43,280

ones with different kinds of agendas

1447

00:56:47,430 --> 00:56:45,359

yeah there are indications

1448

00:56:49,990 --> 00:56:47,440

call them alien editorials people who

1449

00:56:51,670 --> 00:56:50,000

are contactees abductees over the years

1450

00:56:53,589 --> 00:56:51,680

who say they've been given messages by

1451
00:56:55,430 --> 00:56:53,599
these beings we want you to take care of

1452
00:56:57,829 --> 00:56:55,440
your planet we want you to be kind to

1453
00:56:59,510 --> 00:56:57,839
each other quit blowing up atomic bombs

1454
00:57:01,589 --> 00:56:59,520
pay attention to the environment you're

1455
00:57:03,510 --> 00:57:01,599
polluting your planet they express an

1456
00:57:05,030 --> 00:57:03,520
interest in in human development and

1457
00:57:06,549 --> 00:57:05,040
human health and there are rare

1458
00:57:09,190 --> 00:57:06,559
instances where they've supposedly

1459
00:57:11,349 --> 00:57:09,200
helped humans overcome crippling

1460
00:57:14,710 --> 00:57:11,359
diseases but overall you know there are

1461
00:57:16,710 --> 00:57:14,720
a lot of contrary uh indications as well

1462
00:57:19,030 --> 00:57:16,720
sometimes these intelligences seem to be

1463
00:57:21,270 --> 00:57:19,040

just completely oblivious to us uh they

1464

00:57:23,109 --> 00:57:21,280

don't care whether we see them or not

1465

00:57:25,670 --> 00:57:23,119

they don't seem to want to interact with

1466

00:57:27,510 --> 00:57:25,680

us sometimes they lie to us uh jim

1467

00:57:29,430 --> 00:57:27,520

semavan of cia i interviewed him a

1468

00:57:32,150 --> 00:57:29,440

couple of days ago he says you know

1469

00:57:35,589 --> 00:57:32,160

looking at the databases and the the

1470

00:57:37,510 --> 00:57:35,599

vast uh over arching uh information

1471

00:57:39,829 --> 00:57:37,520

about the subject is that

1472

00:57:41,670 --> 00:57:39,839

we don't know what they're here for or

1473

00:57:43,750 --> 00:57:41,680

what their interest is in us they lie to

1474

00:57:45,750 --> 00:57:43,760

us they trick us they mislead us they

1475

00:57:47,190 --> 00:57:45,760

take on different shapes we don't know

1476
00:57:48,710 --> 00:57:47,200
where they're from we don't know how

1477
00:57:50,309 --> 00:57:48,720
long they've been here i mean we don't

1478
00:57:53,589 --> 00:57:50,319
know any of the answers to the really

1479
00:57:54,309 --> 00:57:53,599
big question so i am reluctant to assign

1480
00:57:58,309 --> 00:57:54,319
a

1481
00:58:01,430 --> 00:57:58,319
different intelligences we don't even

1482
00:58:04,309 --> 00:58:01,440
know how many of them there are

1483
00:58:06,470 --> 00:58:04,319
i would agree with that i i i think the

1484
00:58:08,950 --> 00:58:06,480
um

1485
00:58:11,430 --> 00:58:08,960
the vast majority of the cases that we

1486
00:58:13,670 --> 00:58:11,440
looked at um through the

1487
00:58:16,230 --> 00:58:13,680
uh asap database

1488
00:58:19,109 --> 00:58:16,240

seemed to indicate that

1489

00:58:21,270 --> 00:58:19,119

people were having physiological effects

1490

00:58:23,990 --> 00:58:21,280

and medical effects but there were a

1491

00:58:26,789 --> 00:58:24,000

subset of cases that do directly address

1492

00:58:28,950 --> 00:58:26,799

your listeners question and and you know

1493

00:58:32,710 --> 00:58:28,960

there was a sense of

1494

00:58:35,510 --> 00:58:32,720

uplift uh you know feeling feeling that

1495

00:58:38,630 --> 00:58:35,520

at the end of the day that this was a

1496

00:58:40,549 --> 00:58:38,640

positive effect on on you know they they

1497

00:58:44,069 --> 00:58:40,559

had a life-changing experience as a

1498

00:58:46,470 --> 00:58:44,079

result of interaction with ufos um but

1499

00:58:48,069 --> 00:58:46,480

in general was a positive effect and you

1500

00:58:50,470 --> 00:58:48,079

know as george mentioned there were sort

1501

00:58:54,470 --> 00:58:50,480

of there are sporadic cases

1502

00:58:56,950 --> 00:58:54,480

of of uh these uh where where people are

1503

00:58:59,589 --> 00:58:56,960

healed quote unquote from various

1504

00:59:02,390 --> 00:58:59,599

ailments as a result uh these are

1505

00:59:05,430 --> 00:59:02,400

anecdotal uh you know everything to do

1506

00:59:08,230 --> 00:59:05,440

with ufos is anecdotal unfortunately but

1507

00:59:11,109 --> 00:59:08,240

you know in our database i think that

1508

00:59:13,510 --> 00:59:11,119

the vast majority of the cases uh were

1509

00:59:15,670 --> 00:59:13,520

not this benign subset but there was a

1510

00:59:18,470 --> 00:59:15,680

benign subset

1511

00:59:20,309 --> 00:59:18,480

associated with positive effects i mean

1512

00:59:22,710 --> 00:59:20,319

even going back to

1513

00:59:26,069 --> 00:59:22,720

uh skinwalker ranch

1514

00:59:29,109 --> 00:59:26,079

just after the sherman family

1515

00:59:31,589 --> 00:59:29,119

had sold the property to robert bigelow

1516

00:59:33,829 --> 00:59:31,599

in 1996

1517

00:59:36,309 --> 00:59:33,839

the last thing that they saw

1518

00:59:38,549 --> 00:59:36,319

as as the husband and wife were on the

1519

00:59:41,589 --> 00:59:38,559

property was they lucked up and it was a

1520

00:59:43,910 --> 00:59:41,599

bright sunny day and this disc this

1521

00:59:47,030 --> 00:59:43,920

silver disc came right down

1522

00:59:48,150 --> 00:59:47,040

um and and harvard you know it was in

1523

00:59:52,069 --> 00:59:48,160

the sky

1524

00:59:54,470 --> 00:59:52,079

uh and they felt enormous positive

1525

00:59:56,789 --> 00:59:54,480

uh feelings and sort of you know

1526

00:59:59,349 --> 00:59:56,799

um after the nightmare that just gone

1527

01:00:03,030 --> 00:59:59,359

through over a two-year period this was

1528

01:00:06,630 --> 01:00:03,040

sort of the parting shot from a silver

1529

01:00:07,750 --> 01:00:06,640

disc which was a classic uh ufo uh in

1530

01:00:10,309 --> 01:00:07,760

the sky

1531

01:00:13,990 --> 01:00:10,319

and their overwhelming take-home message

1532

01:00:17,109 --> 01:00:14,000

from that encounter was very positive

1533

01:00:18,069 --> 01:00:17,119

you know very joyful et cetera et cetera

1534

01:00:23,030 --> 01:00:18,079

um

1535

01:00:24,309 --> 01:00:23,040

it was this was this just a random

1536

01:00:26,870 --> 01:00:24,319

occurrence

1537

01:00:30,549 --> 01:00:26,880

but it was a very a positive experience

1538

01:00:33,030 --> 01:00:32,069

speaking of books there are plenty of

1539

01:00:34,950 --> 01:00:33,040

questions

1540

01:00:36,950 --> 01:00:34,960

which reference the book in fact this

1541

01:00:39,349 --> 01:00:36,960

guy arthur who asked a question earlier

1542

01:00:40,870 --> 01:00:39,359

arthur swatalsky he's such a trooper he

1543

01:00:42,950 --> 01:00:40,880

just outlined page number and then a

1544

01:00:46,630 --> 01:00:42,960

question on that page number so on page

1545

01:00:48,870 --> 01:00:46,640

49 he says in regard to lou lou

1546

01:00:51,750 --> 01:00:48,880

elizondo's remote viewing talents has

1547

01:00:54,069 --> 01:00:51,760

lou or anyone else on the team of bass

1548

01:00:54,870 --> 01:00:54,079

used their remote viewing capabilities

1549

01:01:00,069 --> 01:00:54,880

to

1550

01:01:03,910 --> 01:01:00,079

purportedly house crafts slash bodies or

1551

01:01:05,349 --> 01:01:03,920

to communicate with slash locate uaps

1552

01:01:12,710 --> 01:01:05,359

and then they even wrote in bracket this

1553

01:01:17,670 --> 01:01:15,109

spent so much time uh annotating the

1554

01:01:21,349 --> 01:01:17,680

pages because frankly i don't know what

1555

01:01:24,150 --> 01:01:21,359

page 120 says but um

1556

01:01:26,470 --> 01:01:24,160

in terms of remote viewing um bigelow

1557

01:01:29,510 --> 01:01:26,480

aerospace advanced space studies

1558

01:01:32,309 --> 01:01:29,520

uh proposed a remote viewing project to

1559

01:01:35,670 --> 01:01:32,319

defense intelligence agency as part of

1560

01:01:38,470 --> 01:01:35,680

the menu or proposals that we submitted

1561

01:01:41,109 --> 01:01:38,480

in response to the request for proposals

1562

01:01:44,950 --> 01:01:41,119

that dia put out

1563

01:01:46,789 --> 01:01:44,960

dia actually rejected that proposal

1564

01:01:49,109 --> 01:01:46,799

they said we don't want to spend

1565

01:01:51,589 --> 01:01:49,119

enormous amounts of money train training

1566

01:01:53,829 --> 01:01:51,599

remote viewers but they did allow us to

1567

01:01:56,950 --> 01:01:53,839

conduct a pilot program

1568

01:02:01,670 --> 01:01:56,960

on the uh on remote viewing and in the

1569

01:02:04,390 --> 01:02:01,680

book at um we we did a contract with

1570

01:02:08,150 --> 01:02:04,400

uh legendary remote viewer joe mike

1571

01:02:10,870 --> 01:02:08,160

monaco who um we you know

1572

01:02:13,510 --> 01:02:10,880

per the usual method for remote viewing

1573

01:02:15,510 --> 01:02:13,520

we gave him only latitude and long

1574

01:02:17,270 --> 01:02:15,520

longitude coordinates

1575

01:02:20,470 --> 01:02:17,280

and um

1576

01:02:22,710 --> 01:02:20,480

he he produced a report for

1577

01:02:25,670 --> 01:02:22,720

the defense intelligence agency

1578

01:02:28,069 --> 01:02:25,680

ultimately but bass and

1579

01:02:29,670 --> 01:02:28,079

in it he mapped out the property and he

1580

01:02:31,990 --> 01:02:29,680

talked about various beings on the

1581

01:02:35,030 --> 01:02:32,000

property

1582

01:02:37,670 --> 01:02:35,040

in terms of a full-fledged um remote

1583

01:02:39,829 --> 01:02:37,680

viewing exercise uh we were not

1584

01:02:43,430 --> 01:02:39,839

permitted under the

1585

01:02:46,789 --> 01:02:43,440

contract that we were given to

1586

01:02:49,190 --> 01:02:46,799

do a full remote viewing of the uh you

1587

01:02:50,870 --> 01:02:49,200

know during the bass program so we were

1588

01:02:53,910 --> 01:02:50,880

not permitted to do that by the defense

1589

01:02:55,349 --> 01:02:53,920

intelligence agency

1590

01:02:57,829 --> 01:02:55,359

george you have anything to add to that

1591

01:02:59,589 --> 01:02:57,839

yeah i'd add this is that uh column and

1592

01:03:01,349 --> 01:02:59,599

i wrote an earlier book called hunt for

1593

01:03:03,349 --> 01:03:01,359

the skinwalker which was

1594

01:03:05,589 --> 01:03:03,359

mainly focused on nids which is the

1595

01:03:07,829 --> 01:03:05,599

national institute for discovery science

1596

01:03:10,309 --> 01:03:07,839

pardon all the acronyms but nids was an

1597

01:03:12,789 --> 01:03:10,319

organization created by mr bigelow prior

1598

01:03:15,270 --> 01:03:12,799

to him getting a contract for the dia to

1599

01:03:17,190 --> 01:03:15,280

run this other program and nids studied

1600

01:03:19,750 --> 01:03:17,200

among other things skinwalker ranch in

1601

01:03:21,829 --> 01:03:19,760

in utah and just as sort of an

1602

01:03:24,230 --> 01:03:21,839

experiment uh as a side note while

1603

01:03:26,309 --> 01:03:24,240

preparing that book i had tasked a

1604

01:03:27,910 --> 01:03:26,319

remote viewing group here in nevada to

1605

01:03:30,069 --> 01:03:27,920

take a look at the ranch without telling

1606

01:03:32,390 --> 01:03:30,079

them what i was asking and look at they

1607

01:03:34,789 --> 01:03:32,400

found some interesting things they found

1608

01:03:37,109 --> 01:03:34,799

evidence of military surveillance they

1609

01:03:39,349 --> 01:03:37,119

found some indications of underground

1610

01:03:42,069 --> 01:03:39,359

facilities and control rooms so they

1611

01:03:43,829 --> 01:03:42,079

were able to pierce the veil of a sort

1612

01:03:46,549 --> 01:03:43,839

but of course i was never able to

1613

01:03:48,950 --> 01:03:46,559

physically verify what they saw in these

1614

01:03:50,470 --> 01:03:48,960

reviewing visions was actually

1615

01:03:53,349 --> 01:03:50,480

physically there yeah it would be a

1616

01:03:54,950 --> 01:03:53,359

really interesting task and an endeavor

1617

01:03:56,789 --> 01:03:54,960

to try to get remote viewers to take a

1618

01:03:59,990 --> 01:03:56,799

look at not just the ranch but other

1619

01:04:03,430 --> 01:04:00,000

places like area 51 or places where we

1620

01:04:05,430 --> 01:04:03,440

suspect recovered discs or medical medic

1621

01:04:07,589 --> 01:04:05,440

metal pieces bits and pieces from crash

1622

01:04:09,750 --> 01:04:07,599

sites might be stashed we haven't done

1623

01:04:13,750 --> 01:04:11,670

okay this question comes from da

1624

01:04:16,069 --> 01:04:13,760

gummette i'm late to the party but i

1625

01:04:17,270 --> 01:04:16,079

finally read the book sobering is right

1626

01:04:19,270 --> 01:04:17,280

two questions

1627

01:04:21,190 --> 01:04:19,280

number one do other countries have the

1628

01:04:23,510 --> 01:04:21,200

same after effects specifically the

1629

01:04:26,069 --> 01:04:23,520

archetypal beasts as north america

1630

01:04:30,710 --> 01:04:26,079

because it seems culturally specific and

1631

01:04:33,990 --> 01:04:32,230

well for example bigfoot if you talk

1632

01:04:35,589 --> 01:04:34,000

about crypto creatures has been seen

1633

01:04:37,190 --> 01:04:35,599

everywhere in the world i think maybe

1634

01:04:39,029 --> 01:04:37,200

hawaii might be the only place where

1635

01:04:41,670 --> 01:04:39,039

something like it hasn't been seen and i

1636

01:04:43,750 --> 01:04:41,680

could be wrong there um so a lot of the

1637

01:04:47,109 --> 01:04:43,760

crypto type creatures that we see here

1638

01:04:49,029 --> 01:04:47,119

uh dog men wolf men um you know uh

1639

01:04:50,710 --> 01:04:49,039

creatures that are wear creatures

1640

01:04:52,309 --> 01:04:50,720

they've been seen all over the world in

1641

01:04:54,630 --> 01:04:52,319

every culture so there are a lot of

1642

01:04:56,470 --> 01:04:54,640

similarities i think there are specific

1643

01:04:58,549 --> 01:04:56,480

kinds of crypto creatures that are

1644

01:05:01,510 --> 01:04:58,559

unique to different parts of the world

1645

01:05:02,630 --> 01:05:01,520

um we've seen at skinwalker we've seen a

1646

01:05:04,710 --> 01:05:02,640

mix of them

1647

01:05:06,630 --> 01:05:04,720

i mean it almost gets bizarre and

1648

01:05:08,309 --> 01:05:06,640

ridiculous there are creatures that have

1649

01:05:10,309 --> 01:05:08,319

been seen there by the ranchers and

1650

01:05:12,630 --> 01:05:10,319

property owners neighbors that don't

1651
01:05:14,870 --> 01:05:12,640
exist in nature column saw one of them

1652
01:05:17,029 --> 01:05:14,880
column experienced that walking with the

1653
01:05:18,950 --> 01:05:17,039
female intelligence officer in the

1654
01:05:21,510 --> 01:05:18,960
middle homestead at the ranch and they

1655
01:05:24,069 --> 01:05:21,520
saw what uh what people have laughingly

1656
01:05:25,750 --> 01:05:24,079
called a dino beaver uh column maybe you

1657
01:05:27,270 --> 01:05:25,760
want to tell that story what this thing

1658
01:05:30,630 --> 01:05:27,280
looked like

1659
01:05:34,950 --> 01:05:30,640
yeah i was i was on the property uh with

1660
01:05:37,109 --> 01:05:34,960
robert bigelow and uh with um the person

1661
01:05:39,990 --> 01:05:37,119
in the book who was a

1662
01:05:41,750 --> 01:05:40,000
a defense and intelligence analyst her

1663
01:05:42,710 --> 01:05:41,760

name was juliet wit

1664

01:05:43,910 --> 01:05:42,720

and

1665

01:05:46,870 --> 01:05:43,920

you know

1666

01:05:49,829 --> 01:05:46,880

um during the day

1667

01:05:52,470 --> 01:05:49,839

juliette and i had walked the property

1668

01:05:55,430 --> 01:05:52,480

we had done a lot of photography of the

1669

01:05:57,109 --> 01:05:55,440

property i had briefed julia on the

1670

01:05:58,950 --> 01:05:57,119

various um

1671

01:06:01,190 --> 01:05:58,960

incidents that had happened during the

1672

01:06:02,950 --> 01:06:01,200

national institute for discovery science

1673

01:06:05,109 --> 01:06:02,960

program on the ranch

1674

01:06:07,670 --> 01:06:05,119

julia climbed up on top of the

1675

01:06:08,870 --> 01:06:07,680

skidwalker ridge which is the northern

1676

01:06:13,270 --> 01:06:08,880

prop

1677

01:06:16,950 --> 01:06:13,280

the ranch and she took a lot of

1678

01:06:18,789 --> 01:06:16,960

photographs um so that night at about 10

1679

01:06:21,829 --> 01:06:18,799

o'clock

1680

01:06:25,109 --> 01:06:21,839

myself robert bigelow and juliet

1681

01:06:26,950 --> 01:06:25,119

went down to an area near homestead

1682

01:06:30,230 --> 01:06:26,960

number two which is kind of the center

1683

01:06:33,270 --> 01:06:30,240

of the ranch but also the location where

1684

01:06:36,549 --> 01:06:33,280

over the last 25 years there have been

1685

01:06:37,829 --> 01:06:36,559

literally dozens of anomalies reported

1686

01:06:40,470 --> 01:06:37,839

and recorded

1687

01:06:43,270 --> 01:06:40,480

and uh and and witnessed so

1688

01:06:46,630 --> 01:06:43,280

uh what we did was um we had we had

1689

01:06:49,750 --> 01:06:46,640

chairs with us we sat out in the in the

1690

01:06:52,390 --> 01:06:49,760

middle of a pasture uh near homestead 2

1691

01:06:54,630 --> 01:06:52,400

about probably i don't know 50 feet away

1692

01:06:56,150 --> 01:06:54,640

from homestead 2.

1693

01:06:57,670 --> 01:06:56,160

and that the way the chairs were

1694

01:07:00,230 --> 01:06:57,680

oriented where

1695

01:07:03,750 --> 01:07:00,240

we were back to back to back so each one

1696

01:07:05,990 --> 01:07:03,760

of us was facing in a 60 to 60 degree

1697

01:07:09,109 --> 01:07:06,000

angle away from each other so we could

1698

01:07:09,910 --> 01:07:09,119

essentially cover the entire 360 degrees

1699

01:07:12,549 --> 01:07:09,920

so

1700

01:07:15,990 --> 01:07:12,559

um we noticed myself and robert bigelow

1701

01:07:16,950 --> 01:07:16,000

noticed that um juliet was was really

1702

01:07:21,349 --> 01:07:16,960

getting

1703

01:07:22,789 --> 01:07:21,359

because you know it was pretty it was

1704

01:07:24,950 --> 01:07:22,799

very very dark

1705

01:07:27,029 --> 01:07:24,960

uh it was you know you could see the

1706

01:07:29,349 --> 01:07:27,039

faint light of homesteads

1707

01:07:32,150 --> 01:07:29,359

um way in the distance and we were

1708

01:07:35,670 --> 01:07:32,160

sitting out sort of sitting ducks in her

1709

01:07:37,430 --> 01:07:35,680

mind uh and and i guess in our minds too

1710

01:07:39,990 --> 01:07:37,440

sitting ducks for anything that wanted

1711

01:07:42,390 --> 01:07:40,000

to sort of pass by so she was getting

1712

01:07:44,710 --> 01:07:42,400

pretty nervous so robert bigelow sort of

1713

01:07:46,150 --> 01:07:44,720

got up and walked down uh he was

1714

01:07:48,549 --> 01:07:46,160

strolling down

1715

01:07:51,270 --> 01:07:48,559

uh about a hundred yards south

1716

01:07:54,230 --> 01:07:51,280

so i got up to um

1717

01:07:56,390 --> 01:07:54,240

you know to head over to the opposite

1718

01:07:58,549 --> 01:07:56,400

direction in the direction of the

1719

01:08:01,270 --> 01:07:58,559

homestead 2 building which is an

1720

01:08:03,349 --> 01:08:01,280

abandoned homestead about 100 years old

1721

01:08:04,069 --> 01:08:03,359

that's kind of like in ruins

1722

01:08:07,349 --> 01:08:04,079

so

1723

01:08:09,430 --> 01:08:07,359

about 30 feet in front of me i see this

1724

01:08:13,430 --> 01:08:09,440

what looks like a

1725

01:08:16,550 --> 01:08:13,440

maybe somewhere between 100 to 150 pound

1726

01:08:18,550 --> 01:08:16,560

creature that's motoring along the tree

1727

01:08:21,349 --> 01:08:18,560

line in front of me up it's about 30

1728

01:08:23,269 --> 01:08:21,359

feet away i looked over at juliet wit

1729

01:08:25,910 --> 01:08:23,279

and she's looking at it too

1730

01:08:27,990 --> 01:08:25,920

and this thing looked like it had

1731

01:08:28,870 --> 01:08:28,000

um like blocked

1732

01:08:30,470 --> 01:08:28,880

uh

1733

01:08:33,189 --> 01:08:30,480

blocks on the

1734

01:08:35,430 --> 01:08:33,199

spine emanating from the spine

1735

01:08:37,749 --> 01:08:35,440

i guess the nearest equivalent i can

1736

01:08:41,510 --> 01:08:37,759

think of in terms of what what i was

1737

01:08:43,510 --> 01:08:41,520

looking at is a very very small version

1738

01:08:46,149 --> 01:08:43,520

of a stegosaurus

1739

01:08:48,229 --> 01:08:46,159

but i could see also and this was very

1740

01:08:50,789 --> 01:08:48,239

very dim light

1741

01:08:53,430 --> 01:08:50,799

this creature was motoring north

1742

01:08:56,149 --> 01:08:53,440

and it was absolutely silent it had what

1743

01:08:58,070 --> 01:08:56,159

looked like a flat tail uh low to the

1744

01:09:00,470 --> 01:08:58,080

ground and it was a pretty bulky

1745

01:09:03,349 --> 01:09:00,480

creature i mean it was small but it was

1746

01:09:05,749 --> 01:09:03,359

pretty bulky and my estimate you know in

1747

01:09:08,789 --> 01:09:05,759

hindsight is probably somewhere between

1748

01:09:11,510 --> 01:09:08,799

100 and 150 pounds but what the most

1749

01:09:14,149 --> 01:09:11,520

bizarre aspect of this whole thing was

1750

01:09:17,030 --> 01:09:14,159

that it was like a cone of silence had

1751

01:09:19,430 --> 01:09:17,040

descended on the uh you know on this

1752

01:09:20,550 --> 01:09:19,440

whole area and you know even the

1753

01:09:23,189 --> 01:09:20,560

crickets

1754

01:09:25,189 --> 01:09:23,199

you know this kind of ambient noise

1755

01:09:27,030 --> 01:09:25,199

out on the out on skinwalker ranch when

1756

01:09:29,910 --> 01:09:27,040

you're sitting there for hours

1757

01:09:32,789 --> 01:09:29,920

all of that has had stopped there was no

1758

01:09:34,950 --> 01:09:32,799

noise whatsoever and this thing was was

1759

01:09:37,910 --> 01:09:34,960

motoring north it should have been

1760

01:09:40,070 --> 01:09:37,920

rustling and you know leaves and grass

1761

01:09:42,950 --> 01:09:40,080

as it went by was maybe

1762

01:09:45,430 --> 01:09:42,960

i get i'm guessing about 30 maybe 40

1763

01:09:47,910 --> 01:09:45,440

feet away from me it was probably 50

1764

01:09:50,229 --> 01:09:47,920

feet away from juliet so we watched this

1765

01:09:53,829 --> 01:09:50,239

thing it made a beeline for the the

1766

01:09:56,870 --> 01:09:53,839

corner of the abandoned homestead 2 and

1767

01:09:59,270 --> 01:09:56,880

went behind it and it was like you know

1768

01:10:01,990 --> 01:09:59,280

probably a few seconds later myself and

1769

01:10:03,910 --> 01:10:02,000

juliet sort of went right over to try to

1770

01:10:07,270 --> 01:10:03,920

follow this thing to get a better view

1771

01:10:09,510 --> 01:10:07,280

of it and uh we couldn't see any side of

1772

01:10:12,149 --> 01:10:09,520

it we went around the corner of the of

1773

01:10:13,750 --> 01:10:12,159

the building turned right and there

1774

01:10:16,550 --> 01:10:13,760

there's a sort of a gap between the

1775

01:10:19,430 --> 01:10:16,560

corner of the building and as a set of

1776

01:10:21,430 --> 01:10:19,440

trees that eventually ends up on the uh

1777

01:10:23,990 --> 01:10:21,440

on the track that goes east west on

1778

01:10:26,870 --> 01:10:24,000

skinwalker ranch we could not see any

1779

01:10:28,310 --> 01:10:26,880

sign of this creature but you know

1780

01:10:30,390 --> 01:10:28,320

it's kind of like

1781

01:10:33,910 --> 01:10:30,400

the moment in time

1782

01:10:35,830 --> 01:10:33,920

uh was pretty short you know maybe i

1783

01:10:37,830 --> 01:10:35,840

don't know probably less than 30 seconds

1784

01:10:41,270 --> 01:10:37,840

when we were looking at this there was

1785

01:10:43,750 --> 01:10:41,280

absolute silence and it was like uh a

1786

01:10:46,149 --> 01:10:43,760

sort of a version of shock

1787

01:10:48,070 --> 01:10:46,159

when you're seeing something like this

1788

01:10:49,030 --> 01:10:48,080

and then by the time it got behind the

1789

01:10:50,470 --> 01:10:49,040

building

1790

01:10:51,830 --> 01:10:50,480

i mean

1791

01:10:54,550 --> 01:10:51,840

if we had

1792

01:10:57,189 --> 01:10:54,560

had the ultimate sort of planning move

1793

01:11:01,110 --> 01:10:57,199

into high gear instead of being in

1794

01:11:03,350 --> 01:11:01,120

involved with this oz effect um we could

1795

01:11:05,669 --> 01:11:03,360

have got the uh night vision binoculars

1796

01:11:07,350 --> 01:11:05,679

out uh we searched for the creature with

1797

01:11:11,110 --> 01:11:07,360

night vision binoculars but we couldn't

1798

01:11:12,550 --> 01:11:11,120

find anything but this is an example of

1799

01:11:15,590 --> 01:11:12,560

the kind of

1800

01:11:18,390 --> 01:11:15,600

thing that happens on skinwalker ranch

1801
01:11:21,510 --> 01:11:18,400
and yes it is very easy to sit on a

1802
01:11:24,149 --> 01:11:21,520
couch or sit on an armchair and say why

1803
01:11:26,709 --> 01:11:24,159
the hell did you guys you know take your

1804
01:11:29,510 --> 01:11:26,719
night vision binoculars out but

1805
01:11:31,750 --> 01:11:29,520
you had to be there um you know there

1806
01:11:34,709 --> 01:11:31,760
are plenty of instances on skinwalker

1807
01:11:38,149 --> 01:11:34,719
ranch when we have captured photographs

1808
01:11:40,870 --> 01:11:38,159
we have captured videos of fast-moving

1809
01:11:43,270 --> 01:11:40,880
orbs and this kind of thing we have gobs

1810
01:11:46,070 --> 01:11:43,280
of photographs of of these orb-like

1811
01:11:48,470 --> 01:11:46,080
structures on on skin marker ranch but

1812
01:11:51,189 --> 01:11:48,480
that time looking at this creature

1813
01:11:53,189 --> 01:11:51,199

you know i you know uh if i had to do it

1814

01:11:55,590 --> 01:11:53,199

all over again i would have had the

1815

01:11:58,630 --> 01:11:55,600

night vision binoculars a lot more sort

1816

01:12:00,229 --> 01:11:58,640

of prepared in my grasp

1817

01:12:02,229 --> 01:12:00,239

for people who want to see some of those

1818

01:12:04,229 --> 01:12:02,239

images that you recorded or videos where

1819

01:12:07,270 --> 01:12:04,239

did they go

1820

01:12:08,470 --> 01:12:07,280

um they're all in the uh the niz

1821

01:12:12,709 --> 01:12:08,480

repository

1822

01:12:18,229 --> 01:12:15,189

is there a plan to release it

1823

01:12:21,110 --> 01:12:18,239

um that's uh i i don't own that uh that

1824

01:12:24,229 --> 01:12:21,120

data set that would have to be the owner

1825

01:12:27,110 --> 01:12:24,239

of the of the data set and that would be

1826
01:12:29,750 --> 01:12:27,120
uh robert bigelow and niz i mean this is

1827
01:12:31,910 --> 01:12:29,760
a private uh was a private company and

1828
01:12:33,830 --> 01:12:31,920
it was accumulating private

1829
01:12:37,270 --> 01:12:33,840
privately held data

1830
01:12:39,750 --> 01:12:37,280
for analysis now all of the data that

1831
01:12:43,189 --> 01:12:39,760
nid's acquired over time

1832
01:12:45,990 --> 01:12:43,199
um is still on the nid's website there's

1833
01:12:48,950 --> 01:12:46,000
a cached version of the nid's website we

1834
01:12:51,189 --> 01:12:48,960
wrote gobs and gobs of papers that we

1835
01:12:53,910 --> 01:12:51,199
published on the ned's website all you

1836
01:12:56,950 --> 01:12:53,920
need to do is google national institute

1837
01:13:00,229 --> 01:12:56,960
for discovery science wikipedia and you

1838
01:13:02,709 --> 01:13:00,239

will find a full uh cached version of

1839

01:13:05,430 --> 01:13:02,719

the nid's website there are dozens and

1840

01:13:08,310 --> 01:13:05,440

dozens of papers on the nids website

1841

01:13:11,590 --> 01:13:08,320

that the knit scientists

1842

01:13:14,390 --> 01:13:11,600

actually published on that website so in

1843

01:13:16,470 --> 01:13:14,400

terms of our published data it's all

1844

01:13:18,870 --> 01:13:16,480

available you know just happens

1845

01:13:22,390 --> 01:13:18,880

photographs of orbs are not available

1846

01:13:24,149 --> 01:13:22,400

but there is a very large data set of

1847

01:13:27,590 --> 01:13:24,159

published literature

1848

01:13:29,510 --> 01:13:27,600

involving everything from investigations

1849

01:13:33,030 --> 01:13:29,520

of cat mutilations

1850

01:13:35,430 --> 01:13:33,040

to investigations of ufo phenomena and

1851

01:13:38,390 --> 01:13:35,440

they're all written up in the scientific

1852

01:13:40,070 --> 01:13:38,400

vernacular on the needs website and

1853

01:13:42,149 --> 01:13:40,080

actually i looked at this website

1854

01:13:44,870 --> 01:13:42,159

yesterday so it is

1855

01:13:47,830 --> 01:13:44,880

actually available as we speak so if

1856

01:13:50,709 --> 01:13:47,840

people want to look at the raw data as

1857

01:13:53,110 --> 01:13:50,719

published in these uh in these nets

1858

01:13:55,189 --> 01:13:53,120

studies they're all available in this

1859

01:13:57,189 --> 01:13:55,199

cached website

1860

01:13:59,830 --> 01:13:57,199

i should point out the awesome

1861

01:14:01,669 --> 01:13:59,840

information and database is mostly not

1862

01:14:03,830 --> 01:14:01,679

public either we've given in our book

1863

01:14:05,030 --> 01:14:03,840

we've given a glimpse of of what was

1864

01:14:07,110 --> 01:14:05,040

available

1865

01:14:10,390 --> 01:14:07,120

as column mentioned earlier

1866

01:14:12,790 --> 01:14:10,400

bass produced 104 reports that were

1867

01:14:15,270 --> 01:14:12,800

submitted to dia many of them with

1868

01:14:17,430 --> 01:14:15,280

photographs and charts and all kinds of

1869

01:14:20,550 --> 01:14:17,440

evidence uh that information has not

1870

01:14:23,189 --> 01:14:20,560

been made public uh we hope that someday

1871

01:14:25,750 --> 01:14:23,199

it will be you know in writing the book

1872

01:14:28,310 --> 01:14:25,760

uh we told as much of that story as we

1873

01:14:30,229 --> 01:14:28,320

were allowed to tell it took 14 months

1874

01:14:32,149 --> 01:14:30,239

for the pentagon to sign off on our

1875

01:14:34,470 --> 01:14:32,159

manuscript they went through the this

1876

01:14:37,910 --> 01:14:34,480

dobson process we did have to make some

1877

01:14:40,229 --> 01:14:37,920

changes that they mandated specifically

1878

01:14:42,390 --> 01:14:40,239

especially about names of active duty

1879

01:14:44,470 --> 01:14:42,400

personnel we told as much of that story

1880

01:14:46,709 --> 01:14:44,480

as we could but there's a gigantic

1881

01:14:47,910 --> 01:14:46,719

amount of information that was sent to

1882

01:14:50,229 --> 01:14:47,920

dia

1883

01:14:51,430 --> 01:14:50,239

that i know a lot of foia requests have

1884

01:14:53,189 --> 01:14:51,440

been filed

1885

01:14:54,709 --> 01:14:53,199

none of that has been made public yet

1886

01:14:56,950 --> 01:14:54,719

but we think it should all be made

1887

01:14:59,590 --> 01:14:56,960

public eventually

1888

01:15:01,430 --> 01:14:59,600

this question comes from jacksonvega ask

1889

01:15:06,709 --> 01:15:01,440

them what they think of stephen grier's

1890

01:15:11,750 --> 01:15:09,350

well um i think it's worth a try you

1891

01:15:13,350 --> 01:15:11,760

know i i had a chance to interview some

1892

01:15:15,189 --> 01:15:13,360

guys who uh

1893

01:15:17,750 --> 01:15:15,199

they they are sort of like the prophet

1894

01:15:19,830 --> 01:15:17,760

yahweh it's this guy who 20 years ago

1895

01:15:22,790 --> 01:15:19,840

said he could call in ufos and he'd go

1896

01:15:25,270 --> 01:15:22,800

out and meditate and try to draw things

1897

01:15:28,070 --> 01:15:25,280

in and and sometimes it worked and

1898

01:15:30,229 --> 01:15:28,080

sometimes it didn't uh there's a group

1899

01:15:32,790 --> 01:15:30,239

of fellows that i know who have tried

1900

01:15:34,390 --> 01:15:32,800

this picked up the mantle and have been

1901

01:15:36,149 --> 01:15:34,400

had some amazing experiences that

1902

01:15:37,189 --> 01:15:36,159

they've videotaped

1903

01:15:41,990 --> 01:15:37,199

um

1904

01:15:44,550 --> 01:15:42,000

so it it does happen it it can happen

1905

01:15:46,550 --> 01:15:44,560

steven grier who did some really great

1906

01:15:48,149 --> 01:15:46,560

uh early work in getting ufo

1907

01:15:49,990 --> 01:15:48,159

whistleblowers to come forward getting

1908

01:15:52,950 --> 01:15:50,000

their testimony out to

1909

01:15:55,910 --> 01:15:52,960

national um media organizations

1910

01:15:57,510 --> 01:15:55,920

is a champion of this ce5 he charges a

1911

01:15:59,430 --> 01:15:57,520

lot of money for people that go out into

1912

01:16:00,709 --> 01:15:59,440

the desert windham and call in flying

1913

01:16:03,030 --> 01:16:00,719

saucers

1914

01:16:04,950 --> 01:16:03,040

a lot of people are put off by how

1915

01:16:07,189 --> 01:16:04,960

expensive it gets and and where the

1916

01:16:08,630 --> 01:16:07,199

money goes especially since it looks

1917

01:16:10,950 --> 01:16:08,640

like people can do this on their own

1918

01:16:12,630 --> 01:16:10,960

without paying stephen greer to do it i

1919

01:16:14,149 --> 01:16:12,640

you know i don't know if it really works

1920

01:16:15,830 --> 01:16:14,159

uh but what the heck i say it's worth

1921

01:16:17,430 --> 01:16:15,840

giving it a try

1922

01:16:19,750 --> 01:16:17,440

column do you have any thoughts on it

1923

01:16:21,510 --> 01:16:19,760

yeah i would agree i think i think it's

1924

01:16:23,270 --> 01:16:21,520

worth

1925

01:16:24,950 --> 01:16:23,280

you know attempting it

1926

01:16:26,870 --> 01:16:24,960

i know that it's been attempted in

1927

01:16:29,110 --> 01:16:26,880

multiple places

1928

01:16:30,709 --> 01:16:29,120

there's been large programs in south

1929

01:16:35,189 --> 01:16:30,719

america

1930

01:16:37,669 --> 01:16:35,199

associated with uh summoning uh ufos and

1931

01:16:38,870 --> 01:16:37,679

uh from the reports that i've seen

1932

01:16:42,149 --> 01:16:38,880

mostly

1933

01:16:44,790 --> 01:16:42,159

um not scientific reports but books and

1934

01:16:46,950 --> 01:16:44,800

uh and magazine articles that there does

1935

01:16:49,110 --> 01:16:46,960

seem to be a level of success but i

1936

01:16:52,070 --> 01:16:49,120

would inject a note of caution into this

1937

01:16:55,430 --> 01:16:52,080

is be careful what you actually

1938

01:16:57,590 --> 01:16:55,440

uh summon and you know um it

1939

01:17:00,950 --> 01:16:57,600

it it could be that these

1940

01:17:04,070 --> 01:17:00,960

uh objects come in all shapes and sizes

1941

01:17:06,790 --> 01:17:04,080

and like we've said for the last uh

1942

01:17:09,910 --> 01:17:06,800

hours so we don't know what the agenda

1943

01:17:12,790 --> 01:17:09,920

of of these objects are i mean it could

1944

01:17:15,669 --> 01:17:12,800

be some some have a benign agenda and it

1945

01:17:18,070 --> 01:17:15,679

could be that some have uh not a benign

1946

01:17:21,510 --> 01:17:18,080

agenda so i would inject a note of

1947

01:17:24,310 --> 01:17:21,520

caution i personally i would not do that

1948

01:17:27,750 --> 01:17:24,320

because i have too much much respect

1949

01:17:29,350 --> 01:17:27,760

uh and caution regarding this phenomena

1950

01:17:30,390 --> 01:17:29,360

because we know too little about this

1951

01:17:32,550 --> 01:17:30,400

phenomenon

1952

01:17:34,870 --> 01:17:32,560

and uh it's it's a case of be careful

1953

01:17:36,630 --> 01:17:34,880

what you wish for

1954

01:17:38,870 --> 01:17:36,640

yeah i feel exactly the same i've been

1955

01:17:41,030 --> 01:17:38,880

told kurt look into it and perform it

1956

01:17:43,110 --> 01:17:41,040

i'm not i'm not going to at least not

1957

01:17:45,110 --> 01:17:43,120

anytime soon because

1958

01:17:46,870 --> 01:17:45,120

it's playing with fire it's worse than

1959

01:17:48,709 --> 01:17:46,880

playing with fire when i was speaking to

1960

01:17:50,630 --> 01:17:48,719

tom delong he expressed similar

1961

01:17:53,270 --> 01:17:50,640

sentiments saying that you don't know

1962

01:17:54,709 --> 01:17:53,280

what you're dealing with and it's

1963

01:17:58,390 --> 01:17:54,719

it could be extremely extremely

1964

01:18:00,070 --> 01:17:58,400

dangerous so i'm of that same opinion

1965

01:18:02,630 --> 01:18:00,080

yeah i mean i i

1966

01:18:05,590 --> 01:18:02,640

i kind of liken it to i mean if you

1967

01:18:08,149 --> 01:18:05,600

summon anything without uh

1968

01:18:09,030 --> 01:18:08,159

without careful sort of training and all

1969

01:18:11,430 --> 01:18:09,040

of that

1970

01:18:14,229 --> 01:18:11,440

um you you really are opening yourselves

1971

01:18:17,510 --> 01:18:14,239

up i would say the same goes for

1972

01:18:20,149 --> 01:18:17,520

ayahuasca tourism for example and this

1973

01:18:22,550 --> 01:18:20,159

this whole idea of sort of going to

1974

01:18:25,030 --> 01:18:22,560

somebody's place that you don't know who

1975

01:18:29,030 --> 01:18:25,040

they are and taking a bunch of ayahuasca

1976

01:18:31,350 --> 01:18:29,040

or dmt or any of the hallucinogenics um

1977

01:18:34,149 --> 01:18:31,360

again it's be careful what you wish for

1978

01:18:37,189 --> 01:18:34,159

uh i mean the originator of this whole

1979

01:18:39,910 --> 01:18:37,199

dmt phenomenon rick strassmann

1980

01:18:43,189 --> 01:18:39,920

who was actually you know he was

1981

01:18:46,310 --> 01:18:43,199

fundamental in sort of initiating the

1982

01:18:50,149 --> 01:18:46,320

the focus on dmt in the western world

1983

01:18:53,110 --> 01:18:50,159

and he did a an nih sponsored study of

1984

01:18:56,950 --> 01:18:53,120

injecting a whole bunch of volunteers

1985

01:19:00,070 --> 01:18:56,960

under under medical medical supervision

1986

01:19:02,470 --> 01:19:00,080

uh in new mexico and uh there's an

1987

01:19:05,030 --> 01:19:02,480

enormous number of these

1988

01:19:08,470 --> 01:19:05,040

young volunteers

1989

01:19:10,149 --> 01:19:08,480

reported encountering these creatures

1990

01:19:13,590 --> 01:19:10,159

and unusual

1991

01:19:15,110 --> 01:19:13,600

uh you know unusual people in in these

1992

01:19:17,430 --> 01:19:15,120

other realms

1993

01:19:20,390 --> 01:19:17,440

but you know rick strassmann later on

1994

01:19:23,110 --> 01:19:20,400

decided to back away from that research

1995

01:19:25,669 --> 01:19:23,120

because he found that some of these

1996

01:19:28,149 --> 01:19:25,679

uh these young people were having

1997

01:19:29,590 --> 01:19:28,159

long-term psychological effects and

1998

01:19:31,990 --> 01:19:29,600

again you know

1999

01:19:34,470 --> 01:19:32,000

under under control conditions it's all

2000

01:19:36,709 --> 01:19:34,480

very well to do this but you know what

2001

01:19:38,870 --> 01:19:36,719

are the long-term effects uh what are

2002

01:19:41,750 --> 01:19:38,880

what are these entities that people are

2003

01:19:43,270 --> 01:19:41,760

actually needing and conversing with i

2004

01:19:46,229 --> 01:19:43,280

mean do you really get the secrets of

2005

01:19:48,630 --> 01:19:46,239

the universe or do you get something

2006

01:19:50,470 --> 01:19:48,640

that you may not have bargained for and

2007

01:19:52,950 --> 01:19:50,480

that you find very do a lot of

2008

01:19:55,430 --> 01:19:52,960

difficulty in getting rid of and you

2009

01:19:57,910 --> 01:19:55,440

know i mean the list goes on and on

2010

01:19:59,910 --> 01:19:57,920

teenagers playing ouija boards and what

2011

01:20:02,470 --> 01:19:59,920

have we you've got to have a certain

2012

01:20:05,110 --> 01:20:02,480

amount of caution uh when you're

2013

01:20:08,149 --> 01:20:05,120

approaching these kinds of phenomena and

2014

01:20:12,390 --> 01:20:08,159

um especially when we know so little

2015

01:20:16,070 --> 01:20:13,750

this question comes from richard

2016

01:20:18,229 --> 01:20:16,080

brewster i just read skinwalkers at the

2017

01:20:20,070 --> 01:20:18,239

pentagon now with all these research

2018

01:20:22,470 --> 01:20:20,080

with all this research being unable to

2019

01:20:25,750 --> 01:20:22,480

come to a conclusion as to the origins

2020

01:20:28,149 --> 01:20:25,760

or intents of the phenomenon

2021

01:20:30,709 --> 01:20:28,159

does something lead you to speculate in

2022

01:20:33,350 --> 01:20:30,719

one extraterrestrial origin

2023

01:20:35,189 --> 01:20:33,360

direction versus the phenomenon being of

2024

01:20:37,590 --> 01:20:35,199

earth origin i'll just tell you i've

2025

01:20:39,830 --> 01:20:37,600

been as a as an investigative reporter

2026
01:20:42,550 --> 01:20:39,840
i've been chasing this since uh the late

2027
01:20:45,110 --> 01:20:42,560
80s i think the first ufo related

2028
01:20:48,229 --> 01:20:45,120
interview i did was 1987 and i jumped

2029
01:20:50,390 --> 01:20:48,239
into with both feet starting in 1989 and

2030
01:20:53,510 --> 01:20:50,400
the dominant paradigm at that time was

2031
01:20:56,310 --> 01:20:53,520
these are ets within ufo world within

2032
01:20:57,870 --> 01:20:56,320
the the community of ufo researchers

2033
01:21:00,070 --> 01:20:57,880
they generally thought these are

2034
01:21:01,510 --> 01:21:00,080
extraterrestrials or visitors from other

2035
01:21:03,590 --> 01:21:01,520
planets who've been coming here for a

2036
01:21:06,229 --> 01:21:03,600
long time if you look back at the

2037
01:21:08,390 --> 01:21:06,239
history of humanity of recorded history

2038
01:21:10,149 --> 01:21:08,400

these things have been reported in

2039

01:21:11,830 --> 01:21:10,159

every culture on every continent

2040

01:21:13,669 --> 01:21:11,840

throughout human history in one form

2041

01:21:15,750 --> 01:21:13,679

another they've been with us a long time

2042

01:21:17,990 --> 01:21:15,760

maybe been here longer than us but we

2043

01:21:21,110 --> 01:21:18,000

still don't really know what they are uh

2044

01:21:23,590 --> 01:21:21,120

that e.t uh paradigm that which is where

2045

01:21:25,750 --> 01:21:23,600

i started it changed over time you know

2046

01:21:26,870 --> 01:21:25,760

reading dr jacques ballet's

2047

01:21:28,630 --> 01:21:26,880

books

2048

01:21:31,669 --> 01:21:28,640

i i think the first interview i had with

2049

01:21:32,790 --> 01:21:31,679

him in 1990 he said look

2050

01:21:34,630 --> 01:21:32,800

i'll tell you i'm going to be really

2051

01:21:36,630 --> 01:21:34,640

disappointed if it turns out that the

2052

01:21:38,950 --> 01:21:36,640

ultimate answer to the ufo mystery is

2053

01:21:41,110 --> 01:21:38,960

that it's merely visitors from other

2054

01:21:42,870 --> 01:21:41,120

planets because he said the technology

2055

01:21:44,950 --> 01:21:42,880

that we've seen that's been demonstrated

2056

01:21:47,030 --> 01:21:44,960

and documented over the years is they

2057

01:21:49,430 --> 01:21:47,040

control space-time

2058

01:21:51,830 --> 01:21:49,440

somehow they can manipulate gravity and

2059

01:21:53,110 --> 01:21:51,840

time and space in ways that we don't

2060

01:21:55,750 --> 01:21:53,120

understand so they could be

2061

01:21:57,590 --> 01:21:55,760

extraterrestrial and interdimensional

2062

01:21:59,590 --> 01:21:57,600

and time travelers all at once they

2063

01:22:01,510 --> 01:21:59,600

could be something even more exotic that

2064

01:22:04,629 --> 01:22:01,520

we don't understand i think the et

2065

01:22:05,990 --> 01:22:04,639

explanation is one that is possible but

2066

01:22:07,830 --> 01:22:06,000

we really don't know i mean some of

2067

01:22:09,350 --> 01:22:07,840

these beings in their messages to

2068

01:22:11,030 --> 01:22:09,360

contact these they say they're from

2069

01:22:12,629 --> 01:22:11,040

other planets but again i would

2070

01:22:14,629 --> 01:22:12,639

emphasize you can't really trust them

2071

01:22:15,669 --> 01:22:14,639

because they've lied to us over the

2072

01:22:17,750 --> 01:22:15,679

years so

2073

01:22:20,709 --> 01:22:17,760

et is one possibility

2074

01:22:22,790 --> 01:22:20,719

but it's only one and my suspicion is

2075

01:22:24,390 --> 01:22:22,800

it's much more exotic and more

2076

01:22:27,430 --> 01:22:24,400

complicated than that that whatever it

2077

01:22:29,110 --> 01:22:27,440

is has been here with us forever uh

2078

01:22:30,790 --> 01:22:29,120

maybe longer than us

2079

01:22:33,270 --> 01:22:30,800

that it lives here it's not from some

2080

01:22:35,750 --> 01:22:33,280

other place then it lives here and

2081

01:22:36,629 --> 01:22:35,760

that's just a guess we really don't know

2082

01:22:38,070 --> 01:22:36,639

and and

2083

01:22:39,910 --> 01:22:38,080

i'm not going to be the person to figure

2084

01:22:42,070 --> 01:22:39,920

it out somebody's going to win a nobel

2085

01:22:45,270 --> 01:22:42,080

prize someday figuring this out but it's

2086

01:22:47,830 --> 01:22:45,280

obviously not going to be me column

2087

01:22:50,149 --> 01:22:47,840

well i think you know

2088

01:22:53,750 --> 01:22:50,159

i think it's really a shame

2089

01:22:56,550 --> 01:22:53,760

that um for 75 years

2090

01:22:58,149 --> 01:22:56,560

a lot of really smart people have looked

2091

01:23:00,310 --> 01:22:58,159

at this phenomenon

2092

01:23:02,310 --> 01:23:00,320

and um you know there have been stops

2093

01:23:06,709 --> 01:23:02,320

and starts and and

2094

01:23:08,470 --> 01:23:06,719

um small programs large programs but you

2095

01:23:11,990 --> 01:23:08,480

know ultimately

2096

01:23:14,149 --> 01:23:12,000

this requires sort of a level of funding

2097

01:23:15,830 --> 01:23:14,159

from the national science foundation

2098

01:23:17,990 --> 01:23:15,840

from the national institutes of health i

2099

01:23:21,350 --> 01:23:18,000

mean the national institutes of health

2100

01:23:25,110 --> 01:23:21,360

annual budget is 44 billion dollars or

2101

01:23:28,950 --> 01:23:25,120

43 billion dollars in thereabouts um

2102

01:23:30,550 --> 01:23:28,960

even if a small subset of of that were

2103

01:23:34,470 --> 01:23:30,560

devoted to

2104

01:23:36,629 --> 01:23:34,480

um effects long-term effects in terms of

2105

01:23:38,950 --> 01:23:36,639

uh psychological effects

2106

01:23:40,709 --> 01:23:38,960

sociological effects

2107

01:23:43,990 --> 01:23:40,719

physical effects

2108

01:23:46,870 --> 01:23:44,000

medical effects of ufos i think that

2109

01:23:48,709 --> 01:23:46,880

would be a window into this phenomenon

2110

01:23:51,669 --> 01:23:48,719

if the national science

2111

01:23:54,790 --> 01:23:51,679

foundation were able to fund a say a

2112

01:23:56,950 --> 01:23:54,800

10-year program that was would focus on

2113

01:23:57,990 --> 01:23:56,960

you know getting to the heart of what

2114

01:23:59,910 --> 01:23:58,000

this

2115

01:24:02,950 --> 01:23:59,920

ufo performance

2116

01:24:06,149 --> 01:24:02,960

all of the physics associated with uh

2117

01:24:07,270 --> 01:24:06,159

with ufos and come up with a theoretical

2118

01:24:09,830 --> 01:24:07,280

model

2119

01:24:11,750 --> 01:24:09,840

based on actual data

2120

01:24:14,629 --> 01:24:11,760

that is really where where i think this

2121

01:24:16,390 --> 01:24:14,639

whole thing should be going because we

2122

01:24:18,070 --> 01:24:16,400

are unfortunately

2123

01:24:19,510 --> 01:24:18,080

in the situation

2124

01:24:22,390 --> 01:24:19,520

where we've had

2125

01:24:25,189 --> 01:24:22,400

small sort of programs that are trying

2126
01:24:28,229 --> 01:24:25,199
to do something um and then they get

2127
01:24:29,669 --> 01:24:28,239
truncated or aborted and

2128
01:24:31,430 --> 01:24:29,679
you know there's a certain amount of

2129
01:24:33,510 --> 01:24:31,440
data that comes out

2130
01:24:37,590 --> 01:24:33,520
i think all we know at the end of the

2131
01:24:38,950 --> 01:24:37,600
day is that what looks like some kind of

2132
01:24:41,430 --> 01:24:38,960
intelligence

2133
01:24:42,390 --> 01:24:41,440
seems to be interacting with the human

2134
01:24:44,709 --> 01:24:42,400
race

2135
01:24:46,310 --> 01:24:44,719
now is that intelligence living on the

2136
01:24:49,110 --> 01:24:46,320
planet since

2137
01:24:51,669 --> 01:24:49,120
before humans or is it coming from

2138
01:24:54,550 --> 01:24:51,679

another dimension or is it coming from

2139

01:24:57,350 --> 01:24:54,560

another planet um there really is not

2140

01:24:59,750 --> 01:24:57,360

enough data to to come down on either

2141

01:25:03,110 --> 01:24:59,760

side i mean we don't even know

2142

01:25:05,510 --> 01:25:03,120

uh what sort of level of um

2143

01:25:08,070 --> 01:25:05,520

you know um

2144

01:25:09,510 --> 01:25:08,080

i i would guess agenda

2145

01:25:11,189 --> 01:25:09,520

um or

2146

01:25:13,510 --> 01:25:11,199

you know what what this what is going to

2147

01:25:16,550 --> 01:25:13,520

happen with this this phenomenon in the

2148

01:25:19,030 --> 01:25:16,560

future as it continues interacting with

2149

01:25:22,070 --> 01:25:19,040

with humans it seems like over the last

2150

01:25:24,790 --> 01:25:22,080

75 years there seemed to have been sort

2151

01:25:27,030 --> 01:25:24,800

of a set of different waves

2152

01:25:29,110 --> 01:25:27,040

associated with how this uh this

2153

01:25:31,990 --> 01:25:29,120

phenomenon has been interacting with

2154

01:25:35,030 --> 01:25:32,000

humans but again we're looking through

2155

01:25:36,550 --> 01:25:35,040

sort of very sort of distorted

2156

01:25:37,510 --> 01:25:36,560

viewpoints you know i'll give you one

2157

01:25:39,910 --> 01:25:37,520

example

2158

01:25:41,669 --> 01:25:39,920

uh during the asap program we

2159

01:25:44,950 --> 01:25:41,679

interviewed uh

2160

01:25:46,870 --> 01:25:44,960

colonel barry hennessey who is a legend

2161

01:25:48,310 --> 01:25:46,880

at air force office of special

2162

01:25:51,270 --> 01:25:48,320

investigations

2163

01:25:53,189 --> 01:25:51,280

also known as afos ipj

2164

01:25:56,950 --> 01:25:53,199

and one of the things that he said was

2165

01:25:59,430 --> 01:25:56,960

yes of course the air force utilized the

2166

01:26:02,870 --> 01:25:59,440

uh the ufo phenomenon back in the 70s

2167

01:26:05,510 --> 01:26:02,880

and 80s uh to disguise you know some of

2168

01:26:07,750 --> 01:26:05,520

our really advanced technology programs

2169

01:26:11,110 --> 01:26:07,760

you know when when an advanced version

2170

01:26:12,390 --> 01:26:11,120

of a an aircraft crashed in in northern

2171

01:26:15,990 --> 01:26:12,400

new mexico

2172

01:26:18,470 --> 01:26:16,000

in the uh in the 80s you know we did a

2173

01:26:21,030 --> 01:26:18,480

lot of sort of behind the scene

2174

01:26:24,550 --> 01:26:21,040

amplifying the idea that ufos were

2175

01:26:27,350 --> 01:26:24,560

involved in order to cover the tracks of

2176

01:26:29,590 --> 01:26:27,360

a a very advanced part of a special

2177

01:26:31,750 --> 01:26:29,600

access program had crashed in northern

2178

01:26:34,149 --> 01:26:31,760

new mexico so

2179

01:26:36,790 --> 01:26:34,159

we know also from interviewing colonel

2180

01:26:40,310 --> 01:26:36,800

hennessey that some of the so-called

2181

01:26:42,470 --> 01:26:40,320

northern tier intrusions of ufos into

2182

01:26:45,350 --> 01:26:42,480

the northern tier

2183

01:26:47,110 --> 01:26:45,360

air force bases the missile bases that

2184

01:26:48,629 --> 01:26:47,120

dot along the northern part of the

2185

01:26:51,030 --> 01:26:48,639

united states

2186

01:26:52,470 --> 01:26:51,040

near the canadian border some of those

2187

01:26:55,510 --> 01:26:52,480

were actually

2188

01:26:58,709 --> 01:26:55,520

um ours they were they were in intrusion

2189

01:27:01,669 --> 01:26:58,719

detection operations to see how

2190

01:27:04,790 --> 01:27:01,679

ready the uh the air force bases were in

2191

01:27:07,669 --> 01:27:04,800

terms of reacting to unknowns coming

2192

01:27:09,910 --> 01:27:07,679

over but colonel hennessey also told us

2193

01:27:11,270 --> 01:27:09,920

some of the intrusions that happened

2194

01:27:13,750 --> 01:27:11,280

were not ours

2195

01:27:15,750 --> 01:27:13,760

you know it was like we have no idea who

2196

01:27:18,229 --> 01:27:15,760

they were they were certainly not ours

2197

01:27:21,030 --> 01:27:18,239

but we don't know like who they were so

2198

01:27:21,910 --> 01:27:21,040

you have this sort of constant sort of

2199

01:27:24,310 --> 01:27:21,920

um

2200

01:27:27,030 --> 01:27:24,320

ambiguity regarding

2201
01:27:28,470 --> 01:27:27,040
who owns what's what's going on is it

2202
01:27:29,990 --> 01:27:28,480
ours or

2203
01:27:30,790 --> 01:27:30,000
or is it theirs

2204
01:27:33,590 --> 01:27:30,800
i mean

2205
01:27:37,270 --> 01:27:33,600
one of the one of the the analytical

2206
01:27:40,149 --> 01:27:37,280
sort of tools that we've used at uh at

2207
01:27:42,390 --> 01:27:40,159
the end of osap was we we used this sort

2208
01:27:44,310 --> 01:27:42,400
of idea that there was there's two

2209
01:27:45,510 --> 01:27:44,320
levels of deception

2210
01:27:46,790 --> 01:27:45,520
going on

2211
01:27:48,629 --> 01:27:46,800
you know with the with the ufo

2212
01:27:51,030 --> 01:27:48,639
phenomenon what is the level of

2213
01:27:53,669 --> 01:27:51,040

deception where the united states

2214

01:27:57,110 --> 01:27:53,679

government and military is deceiving the

2215

01:27:59,750 --> 01:27:57,120

public in terms of mimicking the ufo uh

2216

01:28:02,470 --> 01:27:59,760

phenomenon for their own purposes in

2217

01:28:04,870 --> 01:28:02,480

terms of operational security and then

2218

01:28:06,950 --> 01:28:04,880

there's the other side of the phenomenon

2219

01:28:09,590 --> 01:28:06,960

where the phenomenon appears to be

2220

01:28:12,310 --> 01:28:09,600

mimicking some of our special access

2221

01:28:14,149 --> 01:28:12,320

programs for example these

2222

01:28:16,950 --> 01:28:14,159

the eruption of the large black

2223

01:28:19,750 --> 01:28:16,960

triangles that happened um throughout

2224

01:28:23,590 --> 01:28:19,760

the united states through europe in many

2225

01:28:27,189 --> 01:28:23,600

places in south america um all of these

2226

01:28:29,910 --> 01:28:27,199

huge triangles um seem to be

2227

01:28:31,990 --> 01:28:29,920

very closely aligned what with a lot of

2228

01:28:33,750 --> 01:28:32,000

people would have imagined were special

2229

01:28:36,390 --> 01:28:33,760

access programs of the united states

2230

01:28:38,629 --> 01:28:36,400

military but at the same time you know

2231

01:28:40,950 --> 01:28:38,639

there were hundreds of cases that were

2232

01:28:43,030 --> 01:28:40,960

mapped and investigated by our our

2233

01:28:46,070 --> 01:28:43,040

organization national institute for

2234

01:28:47,830 --> 01:28:46,080

discovery science and osap

2235

01:28:51,110 --> 01:28:47,840

that documented these large black

2236

01:28:53,750 --> 01:28:51,120

triangles that were floating at very low

2237

01:28:57,510 --> 01:28:53,760

altitudes brightly lit

2238

01:29:00,550 --> 01:28:57,520

over populated areas are down interstate

2239

01:29:03,270 --> 01:29:00,560

highways now why would a special access

2240

01:29:06,310 --> 01:29:03,280

program that was sort of top of the line

2241

01:29:10,470 --> 01:29:06,320

technology by the united states military

2242

01:29:14,149 --> 01:29:10,480

being so foolhardy as to um you know be

2243

01:29:17,270 --> 01:29:14,159

flying over populated areas fully lit uh

2244

01:29:19,990 --> 01:29:17,280

with bright lights um and and sometimes

2245

01:29:22,550 --> 01:29:20,000

altitudes reported by eyewitnesses a

2246

01:29:25,270 --> 01:29:22,560

couple of hundred feet i mean that is a

2247

01:29:28,070 --> 01:29:25,280

gross violation of national security

2248

01:29:29,910 --> 01:29:28,080

parameters of special access programs

2249

01:29:33,030 --> 01:29:29,920

but yet there are hundreds and hundreds

2250

01:29:35,669 --> 01:29:33,040

of cases of these that were very very

2251

01:29:37,590 --> 01:29:35,679

well documented by both national

2252

01:29:39,830 --> 01:29:37,600

institute for discovery science and

2253

01:29:41,270 --> 01:29:39,840

biolsat i mean the case that i talked

2254

01:29:42,950 --> 01:29:41,280

about in um

2255

01:29:45,430 --> 01:29:42,960

in uh uh

2256

01:29:47,430 --> 01:29:45,440

in georgia involving this very large

2257

01:29:49,910 --> 01:29:47,440

black triangle that was literally

2258

01:29:53,430 --> 01:29:49,920

floating over this guy's uh neighborhood

2259

01:29:55,030 --> 01:29:53,440

that happened in 2009 i mean it was you

2260

01:29:57,830 --> 01:29:55,040

know it was not sort of way back in

2261

01:29:59,430 --> 01:29:57,840

history it was relatively recent but we

2262

01:30:01,990 --> 01:29:59,440

have these

2263

01:30:03,189 --> 01:30:02,000

um during the sort of investigative

2264

01:30:06,070 --> 01:30:03,199

process

2265

01:30:08,870 --> 01:30:06,080

uh we have these two layers of deception

2266

01:30:11,510 --> 01:30:08,880

that we always have to look through in

2267

01:30:15,510 --> 01:30:11,520

order to get to the the data regarding

2268

01:30:18,550 --> 01:30:15,520

ufos and that's not like a normal aspect

2269

01:30:19,750 --> 01:30:18,560

of scientific uh you know research or

2270

01:30:22,070 --> 01:30:19,760

analysis

2271

01:30:24,790 --> 01:30:22,080

normally in the field of biology or in

2272

01:30:26,070 --> 01:30:24,800

the field of physics you are not looking

2273

01:30:28,470 --> 01:30:26,080

through data

2274

01:30:31,030 --> 01:30:28,480

or at data through a couple of layers of

2275

01:30:33,270 --> 01:30:31,040

deception i mean it makes a thing it

2276

01:30:36,229 --> 01:30:33,280

makes things very very difficult

2277

01:30:40,310 --> 01:30:36,239

um of applying the scientific method to

2278

01:30:45,910 --> 01:30:43,510

george anything to add to that

2279

01:30:48,629 --> 01:30:45,920

no just uh sort of uh playing off of

2280

01:30:50,470 --> 01:30:48,639

what i i said to begin with is you know

2281

01:30:52,629 --> 01:30:50,480

as a journalist i've tried to get my

2282

01:30:54,149 --> 01:30:52,639

head around this and i've had

2283

01:30:56,390 --> 01:30:54,159

investigated it

2284

01:30:58,709 --> 01:30:56,400

for more than 30 years and i don't have

2285

01:31:00,550 --> 01:30:58,719

the answers to it the best uh the best

2286

01:31:03,270 --> 01:31:00,560

evidence for me what got me interested

2287

01:31:04,950 --> 01:31:03,280

in the subject is the paper trail our

2288

01:31:07,189 --> 01:31:04,960

government has known for a long time

2289

01:31:09,510 --> 01:31:07,199

these things are real and i know the

2290

01:31:11,830 --> 01:31:09,520

scientific community the journalism

2291

01:31:13,590 --> 01:31:11,840

industry have both dismissed it they've

2292

01:31:15,669 --> 01:31:13,600

laughed at it they've disregarded it

2293

01:31:18,149 --> 01:31:15,679

they paid it very little attention over

2294

01:31:20,149 --> 01:31:18,159

many decades but our government our

2295

01:31:21,910 --> 01:31:20,159

military specifically knows this is real

2296

01:31:23,270 --> 01:31:21,920

they've known it for a long time and you

2297

01:31:25,270 --> 01:31:23,280

can trace it

2298

01:31:27,510 --> 01:31:25,280

through this paper trail of documents

2299

01:31:29,350 --> 01:31:27,520

internal reports many of them written

2300

01:31:31,430 --> 01:31:29,360

before the freedom of information act

2301
01:31:34,070 --> 01:31:31,440
exists in which they admit to each other

2302
01:31:36,149 --> 01:31:34,080
candidly in documents that they never

2303
01:31:38,149 --> 01:31:36,159
thought would ever see the light of day

2304
01:31:39,910 --> 01:31:38,159
this is real it's not ours we don't

2305
01:31:42,149 --> 01:31:39,920
think it's russians it can do things we

2306
01:31:43,990 --> 01:31:42,159
can't do we need to figure this out and

2307
01:31:45,750 --> 01:31:44,000
ever since then there have been studies

2308
01:31:47,430 --> 01:31:45,760
of it i have followed that paper trail

2309
01:31:49,030 --> 01:31:47,440
and others have as well

2310
01:31:51,110 --> 01:31:49,040
there's a legitimate mystery here that

2311
01:31:52,950 --> 01:31:51,120
needs to be figured out it hasn't been

2312
01:31:56,390 --> 01:31:52,960
figured out it's been

2313
01:31:59,030 --> 01:31:56,400

dismissed and ridiculed and laughed at

2314

01:32:00,629 --> 01:31:59,040

and now because of some of the

2315

01:32:03,350 --> 01:32:00,639

information that's come forward and been

2316

01:32:06,629 --> 01:32:03,360

made public by the likes of dr collin

2317

01:32:09,430 --> 01:32:06,639

kelleher dr hal put off dr kit green dr

2318

01:32:12,310 --> 01:32:09,440

eric davis jacques ballet edgar mitchell

2319

01:32:14,149 --> 01:32:12,320

serious scientists serious professionals

2320

01:32:15,830 --> 01:32:14,159

who've had the courage to look at this

2321

01:32:16,629 --> 01:32:15,840

and then allowed me to be a fly on the

2322

01:32:18,070 --> 01:32:16,639

wall

2323

01:32:19,030 --> 01:32:18,080

there's a lot of progress that's been

2324

01:32:20,950 --> 01:32:19,040

made

2325

01:32:23,430 --> 01:32:20,960

hopefully that will continue but you

2326

01:32:26,149 --> 01:32:23,440

can't just ignore it and ridicule it um

2327

01:32:28,550 --> 01:32:26,159

your viewers uh kurt the people who

2328

01:32:29,669 --> 01:32:28,560

listen to your program big brain people

2329

01:32:31,510 --> 01:32:29,679

like that

2330

01:32:34,229 --> 01:32:31,520

need to take a look at this it's a

2331

01:32:36,870 --> 01:32:34,239

legitimate mystery it really is going on

2332

01:32:38,550 --> 01:32:36,880

it may be central to human existence uh

2333

01:32:40,629 --> 01:32:38,560

it may be the biggest question we ever

2334

01:32:42,629 --> 01:32:40,639

tackle once we figure it out it will

2335

01:32:44,550 --> 01:32:42,639

change everything we're already

2336

01:32:46,310 --> 01:32:44,560

undergoing some changes because of the

2337

01:32:48,470 --> 01:32:46,320

revelations of the last four years and

2338

01:32:50,229 --> 01:32:48,480

it's a worthwhile endeavor

2339

01:32:51,830 --> 01:32:50,239

we need to fund it it needs to be

2340

01:32:54,709 --> 01:32:51,840

studied we need to figure this out

2341

01:32:56,229 --> 01:32:54,719

that's what i would add you mentioned

2342

01:32:58,149 --> 01:32:56,239

that there are black helicopters that

2343

01:33:00,310 --> 01:32:58,159

follow a ufo sighting

2344

01:33:01,750 --> 01:33:00,320

do you think these helicopters are part

2345

01:33:03,430 --> 01:33:01,760

of the phenomenon or do you think that

2346

01:33:05,189 --> 01:33:03,440

they're government related is the

2347

01:33:06,229 --> 01:33:05,199

government tracking picking up some

2348

01:33:07,750 --> 01:33:06,239

trace

2349

01:33:09,510 --> 01:33:07,760

what is the purpose if you were to

2350

01:33:11,350 --> 01:33:09,520

speculate off obviously when we're

2351

01:33:12,950 --> 01:33:11,360

talking about this topic all of it is

2352

01:33:15,750 --> 01:33:12,960

speculation anyway or most of it is

2353

01:33:17,830 --> 01:33:15,760

speculation my guess is it's both it's

2354

01:33:19,590 --> 01:33:17,840

both the phenomena

2355

01:33:22,229 --> 01:33:19,600

that assumes different shapes these

2356

01:33:24,070 --> 01:33:22,239

things these craft the beings themselves

2357

01:33:26,310 --> 01:33:24,080

are shape shifters we have a lot of

2358

01:33:28,149 --> 01:33:26,320

anecdotal evidence over a long period of

2359

01:33:29,830 --> 01:33:28,159

time that they can change their shape

2360

01:33:32,390 --> 01:33:29,840

and i think some of them appear in the

2361

01:33:34,310 --> 01:33:32,400

sky as black helicopters at the site of

2362

01:33:36,550 --> 01:33:34,320

for example cattle mutilations which is

2363

01:33:38,310 --> 01:33:36,560

a whole other topic we can get into

2364

01:33:39,910 --> 01:33:38,320

and then there are government uh

2365

01:33:42,390 --> 01:33:39,920

operatives who are monitoring the

2366

01:33:45,510 --> 01:33:42,400

phenomena themselves who assume that

2367

01:33:47,189 --> 01:33:45,520

same thing who operate uh and they know

2368

01:33:50,070 --> 01:33:47,199

that it's going to be dismissed to some

2369

01:33:52,390 --> 01:33:50,080

weird conspiracy some ufo-related uh

2370

01:33:53,669 --> 01:33:52,400

sighting they can operate with impunity

2371

01:33:56,070 --> 01:33:53,679

knowing that there won't be any real

2372

01:33:57,910 --> 01:33:56,080

investigation by science or the media

2373

01:34:00,709 --> 01:33:57,920

because it's conspiracy stuff you know

2374

01:34:02,390 --> 01:34:00,719

it's wild wacky conspiracy stories i

2375

01:34:04,550 --> 01:34:02,400

think in many cases the black

2376

01:34:06,310 --> 01:34:04,560

helicopters are both some unknown

2377

01:34:08,310 --> 01:34:06,320

phenomena assuming that shape and our

2378

01:34:10,390 --> 01:34:08,320

government monitoring that phenomenon

2379

01:34:11,910 --> 01:34:10,400

column

2380

01:34:15,270 --> 01:34:11,920

yeah uh

2381

01:34:17,910 --> 01:34:15,280

back in the uh in the nids era

2382

01:34:19,830 --> 01:34:17,920

we we have we were very fortunate to

2383

01:34:21,030 --> 01:34:19,840

meet a guy called captain keith

2384

01:34:23,430 --> 01:34:21,040

wolverton

2385

01:34:25,990 --> 01:34:23,440

um who was stationed in cache county

2386

01:34:29,750 --> 01:34:26,000

just outside milestone air force base

2387

01:34:31,990 --> 01:34:29,760

in the uh in in the 70s and 80s and

2388

01:34:35,189 --> 01:34:32,000

you know monster air force base is

2389

01:34:36,310 --> 01:34:35,199

legendary in the ufo uh

2390

01:34:38,070 --> 01:34:36,320

annals

2391

01:34:41,430 --> 01:34:38,080

because there have been so many

2392

01:34:43,669 --> 01:34:41,440

incidents where um low-flying ufos have

2393

01:34:45,910 --> 01:34:43,679

been documented around marston air force

2394

01:34:50,470 --> 01:34:45,920

base including during the late late

2395

01:34:53,590 --> 01:34:50,480

1960s of of the actual missile launch

2396

01:34:56,149 --> 01:34:53,600

parameters being interfered with by ufos

2397

01:34:57,750 --> 01:34:56,159

all of that is well documented in books

2398

01:35:00,390 --> 01:34:57,760

um but

2399

01:35:02,870 --> 01:35:00,400

what really struck us in talking with uh

2400

01:35:05,590 --> 01:35:02,880

captain keith wolverton was that he

2401

01:35:08,149 --> 01:35:05,600

became uh friendly with the base

2402

01:35:10,709 --> 01:35:08,159

commander at bolster murph over space

2403

01:35:13,189 --> 01:35:10,719

and so he the police force around

2404

01:35:16,790 --> 01:35:13,199

malston air force base began a very

2405

01:35:19,189 --> 01:35:16,800

close level of cooperation between uh

2406

01:35:21,510 --> 01:35:19,199

the police and the um and the military

2407

01:35:24,470 --> 01:35:21,520

people on the air force base so anytime

2408

01:35:27,030 --> 01:35:24,480

a ufo would show up um

2409

01:35:30,149 --> 01:35:27,040

captain keith wolverton knew about it

2410

01:35:32,709 --> 01:35:30,159

and so he was able to document over time

2411

01:35:34,790 --> 01:35:32,719

um there would be sometimes uh jet

2412

01:35:37,910 --> 01:35:34,800

aircraft launched from melson air force

2413

01:35:40,470 --> 01:35:37,920

base to try to intercept these ufos but

2414

01:35:43,590 --> 01:35:40,480

one of the really weird features that

2415

01:35:46,870 --> 01:35:43,600

happened during this wave of ufo

2416

01:35:49,750 --> 01:35:46,880

activity was that side by side

2417

01:35:53,350 --> 01:35:49,760

with this wave of ufo activity it was

2418

01:35:56,310 --> 01:35:53,360

also a wave of helicopters that neither

2419

01:35:58,310 --> 01:35:56,320

the air force based personnel or the

2420

01:35:59,790 --> 01:35:58,320

police force that were tasked with

2421

01:36:04,470 --> 01:35:59,800

investigating

2422

01:36:06,709 --> 01:36:04,480

had had any idea where they were coming

2423

01:36:09,350 --> 01:36:06,719

from now i'm not talking about one or

2424

01:36:12,149 --> 01:36:09,360

two signings of helicopters i'm talking

2425

01:36:14,310 --> 01:36:12,159

about somewhere between 50 and 100

2426

01:36:16,950 --> 01:36:14,320

separate sightings of these

2427

01:36:20,390 --> 01:36:16,960

quote-unquote black helicopters that

2428

01:36:23,830 --> 01:36:20,400

seem to show up in the aftermath of uh

2429

01:36:26,870 --> 01:36:23,840

ufos and layered on top of that

2430

01:36:29,430 --> 01:36:26,880

according to cat captain keith wolverton

2431

01:36:32,550 --> 01:36:29,440

was there was a a literal

2432

01:36:35,110 --> 01:36:32,560

explosion of unusual phenomena in

2433

01:36:38,070 --> 01:36:35,120

people's homes and around the area

2434

01:36:39,990 --> 01:36:38,080

within a 10 20 mile radius of mass from

2435

01:36:42,229 --> 01:36:40,000

air force base but the point i'm trying

2436

01:36:45,109 --> 01:36:42,239

to make is that

2437

01:36:48,629 --> 01:36:45,119

the air force based commander was well

2438

01:36:51,189 --> 01:36:48,639

aware of the of these black helicopters

2439

01:36:53,590 --> 01:36:51,199

and he had the wherewithal to be able to

2440

01:36:56,229 --> 01:36:53,600

track of where these helicopters were

2441

01:36:59,350 --> 01:36:56,239

coming from and he ran into a brick wall

2442

01:37:02,229 --> 01:36:59,360

i mean he simply could not have uh any

2443

01:37:04,790 --> 01:37:02,239

information on why these dozens and

2444

01:37:08,070 --> 01:37:04,800

dozens of black helicopters were showing

2445

01:37:10,550 --> 01:37:08,080

up around uh miles from air force base

2446

01:37:12,950 --> 01:37:10,560

usually in the aftermath of ufo

2447

01:37:15,830 --> 01:37:12,960

sightings and launching fighter aircraft

2448

01:37:18,550 --> 01:37:15,840

to intercept these ufo sightings so

2449

01:37:21,830 --> 01:37:18,560

that's it one example of what what i'm

2450

01:37:23,990 --> 01:37:21,840

talking about so we have these

2451

01:37:26,790 --> 01:37:24,000

um this ambiguity

2452

01:37:29,750 --> 01:37:26,800

um regarding these helicopters

2453

01:37:30,550 --> 01:37:29,760

who owns them who is who is uh flying

2454

01:37:32,709 --> 01:37:30,560

them

2455

01:37:35,030 --> 01:37:32,719

and why are they around i mean some of

2456

01:37:37,109 --> 01:37:35,040

them are obviously united states

2457

01:37:40,790 --> 01:37:37,119

military and some of them actually have

2458

01:37:43,350 --> 01:37:40,800

been tracked to various locations um

2459

01:37:46,550 --> 01:37:43,360

that that they are obviously us military

2460

01:37:49,350 --> 01:37:46,560

uh helicopters but others um are just

2461

01:37:51,910 --> 01:37:49,360

they kind of seem to disappear into the

2462

01:37:54,709 --> 01:37:51,920

into the woodwork and um there is a big

2463

01:37:56,790 --> 01:37:54,719

question mark about about their origins

2464

01:37:57,990 --> 01:37:56,800

so in answer to your question i would

2465

01:38:00,470 --> 01:37:58,000

say both

2466

01:38:03,350 --> 01:38:00,480

they're uh they're they're both united

2467

01:38:05,750 --> 01:38:03,360

states military and they're both

2468

01:38:07,350 --> 01:38:05,760

from somewhere else

2469

01:38:09,590 --> 01:38:07,360

is there any evidence that the cattle

2470

01:38:10,790 --> 01:38:09,600

mutilations are

2471

01:38:14,550 --> 01:38:10,800

because of the government that the

2472

01:38:19,830 --> 01:38:18,629

well that's a long long story i i

2473

01:38:22,629 --> 01:38:19,840

i i mean

2474

01:38:24,709 --> 01:38:22,639

awesome did not do any investigations of

2475

01:38:26,790 --> 01:38:24,719

cattle mutilations there were two

2476

01:38:28,070 --> 01:38:26,800

uh there were two aspects that we

2477

01:38:30,629 --> 01:38:28,080

decided

2478

01:38:33,350 --> 01:38:30,639

um and the defense intelligence agency

2479

01:38:36,070 --> 01:38:33,360

decided we would not spend a lot of time

2480

01:38:37,669 --> 01:38:36,080

and resources actually three of them uh

2481

01:38:39,830 --> 01:38:37,679

one was the remote viewing that i've

2482

01:38:43,109 --> 01:38:39,840

already discussed the second was the

2483

01:38:46,550 --> 01:38:43,119

calamus mutilation phenomenon and the

2484

01:38:49,750 --> 01:38:46,560

third one was we we decided not to

2485

01:38:52,629 --> 01:38:49,760

um recruit a whole team to investigate

2486

01:38:55,109 --> 01:38:52,639

uh ufo of quote-unquote abductions

2487

01:38:58,149 --> 01:38:55,119

because again that required an enormous

2488

01:39:00,390 --> 01:38:58,159

amount of uh resources that i know that

2489

01:39:03,189 --> 01:39:00,400

we knew at the time were not going to be

2490

01:39:07,669 --> 01:39:03,199

available so cattle mutilations were not

2491

01:39:09,750 --> 01:39:07,679

investigated by the uh the osap program

2492

01:39:13,510 --> 01:39:09,760

but um back in the national institute

2493

01:39:16,310 --> 01:39:13,520

for discovery science era we actually

2494

01:39:17,350 --> 01:39:16,320

did a lot of forensic investigations

2495

01:39:20,870 --> 01:39:17,360

of

2496

01:39:23,990 --> 01:39:20,880

cattle mutilations and again i refer to

2497

01:39:24,790 --> 01:39:24,000

the ned's website which you can find

2498

01:39:26,070 --> 01:39:24,800

by

2499

01:39:27,590 --> 01:39:26,080

googling national institute for

2500

01:39:30,790 --> 01:39:27,600

discovery science

2501

01:39:33,350 --> 01:39:30,800

uh on wikipedia

2502

01:39:36,470 --> 01:39:33,360

and there are dozens of reports

2503

01:39:39,189 --> 01:39:36,480

of ned's investigations of calculations

2504

01:39:41,510 --> 01:39:39,199

on i will cut to the chase basically and

2505

01:39:42,709 --> 01:39:41,520

say that

2506

01:39:44,950 --> 01:39:42,719

we

2507

01:39:48,070 --> 01:39:44,960

literally investigated dozens of

2508

01:39:50,390 --> 01:39:48,080

mutilations how do we investigate these

2509

01:39:51,669 --> 01:39:50,400

we actually had full-time veterinarian

2510

01:39:54,229 --> 01:39:51,679

on our staff

2511

01:39:57,669 --> 01:39:54,239

that veterinarian who was also a phd in

2512

01:40:01,189 --> 01:39:57,679

pathology so who was well used to doing

2513

01:40:02,310 --> 01:40:01,199

necropsies uh you know animal autopsies

2514

01:40:05,109 --> 01:40:02,320

and so

2515

01:40:07,030 --> 01:40:05,119

our our sort of bottom line was that

2516

01:40:08,790 --> 01:40:07,040

cattle mutilations

2517

01:40:11,510 --> 01:40:08,800

there was a body

2518

01:40:13,590 --> 01:40:11,520

of evidence that was lying on the ground

2519

01:40:16,870 --> 01:40:13,600

and if we could get to that

2520

01:40:19,750 --> 01:40:16,880

that body quick enough after death that

2521

01:40:22,950 --> 01:40:19,760

we might be able to get some answers

2522

01:40:25,590 --> 01:40:22,960

so we evolved over many years a

2523

01:40:28,310 --> 01:40:25,600

situation where we had a bunch of

2524

01:40:30,790 --> 01:40:28,320

veterinarians who were accredited

2525

01:40:31,990 --> 01:40:30,800

veterinarians on call we had a bunch of

2526

01:40:34,310 --> 01:40:32,000

police

2527

01:40:35,750 --> 01:40:34,320

officers throughout the western states

2528

01:40:39,030 --> 01:40:35,760

in the united states

2529

01:40:41,030 --> 01:40:39,040

also on call so we were able to get um

2530

01:40:43,430 --> 01:40:41,040

reports of calculations

2531

01:40:45,990 --> 01:40:43,440

extremely quickly and the third thing

2532

01:40:47,750 --> 01:40:46,000

that we had was that we had a menu

2533

01:40:50,950 --> 01:40:47,760

of laboratory

2534

01:40:52,870 --> 01:40:50,960

uh analytical laboratories at our on on

2535

01:40:55,910 --> 01:40:52,880

call on speed dial

2536

01:40:57,270 --> 01:40:55,920

so that if we did manage to get samples

2537

01:41:00,070 --> 01:40:57,280

we would we were able to do

2538

01:41:02,550 --> 01:41:00,080

histopathology analysis we were able to

2539

01:41:05,830 --> 01:41:02,560

do chemical analysis biochemical

2540

01:41:07,910 --> 01:41:05,840

analysis and you know uh pretty well all

2541

01:41:10,390 --> 01:41:07,920

of the different analytical frameworks

2542

01:41:12,470 --> 01:41:10,400

so uh we were pretty well equipped at

2543

01:41:14,709 --> 01:41:12,480

the end of ned's to be able to

2544

01:41:17,430 --> 01:41:14,719

investigate cattle mutilations

2545

01:41:19,669 --> 01:41:17,440

and what we found was that there was

2546

01:41:20,950 --> 01:41:19,679

a really two two two types of

2547

01:41:23,590 --> 01:41:20,960

mutilations

2548

01:41:27,350 --> 01:41:23,600

once one was the standard sort of

2549

01:41:31,030 --> 01:41:27,360

mutilation where the uh the eye the ear

2550

01:41:34,149 --> 01:41:31,040

uh the uh sex organs uh were were

2551

01:41:36,310 --> 01:41:34,159

removed from the animal

2552

01:41:38,149 --> 01:41:36,320

and you know during that situat that

2553

01:41:40,229 --> 01:41:38,159

that that uh

2554

01:41:43,430 --> 01:41:40,239

program for for niz

2555

01:41:46,070 --> 01:41:43,440

we did a lot of analytical chemistry we

2556

01:41:48,950 --> 01:41:46,080

did uh elemental analysis of the blood

2557

01:41:51,590 --> 01:41:48,960

from mutilated animals occasionally we

2558

01:41:54,550 --> 01:41:51,600

found what looked like sedatives we used

2559

01:41:56,310 --> 01:41:54,560

gas chromatography mass spectrometry we

2560

01:41:59,910 --> 01:41:56,320

used liquid chromatography mass

2561

01:42:02,310 --> 01:41:59,920

spectrometry we used inductive coupled

2562

01:42:04,790 --> 01:42:02,320

plasma mass spectrometry to german

2563

01:42:07,350 --> 01:42:04,800

elemental analysis so we threw the

2564

01:42:10,390 --> 01:42:07,360

kitchen sink in terms of analytical

2565

01:42:13,669 --> 01:42:10,400

capability at what was in these animals

2566

01:42:15,990 --> 01:42:13,679

following necropsy we also did histology

2567

01:42:18,390 --> 01:42:16,000

analysis and we determined that yes

2568

01:42:21,510 --> 01:42:18,400

sharp instruments were used but some of

2569

01:42:25,910 --> 01:42:21,520

the time we used uh we were able to

2570

01:42:28,950 --> 01:42:25,920

document um compounds like oxandole

2571

01:42:32,229 --> 01:42:28,960

succinal choline which are sedatives

2572

01:42:35,189 --> 01:42:32,239

so that made us suspicious on on other

2573

01:42:39,030 --> 01:42:35,199

occasions including investigations up in

2574

01:42:41,910 --> 01:42:39,040

montana uh we were able to locate

2575

01:42:43,270 --> 01:42:41,920

um you know 10 gauge needles that were

2576

01:42:44,070 --> 01:42:43,280

found under

2577

01:42:49,030 --> 01:42:44,080

the

2578

01:42:52,310 --> 01:42:49,040

were able to find medical paraphernalia

2579

01:42:55,270 --> 01:42:52,320

associated with exsanguinating an animal

2580

01:42:57,990 --> 01:42:55,280

in other words hooking up an animal to

2581

01:43:00,790 --> 01:42:58,000

a large gage needle and removing all the

2582

01:43:02,950 --> 01:43:00,800

blood from the animal so we began to get

2583

01:43:05,669 --> 01:43:02,960

suspicious as time went on that there

2584

01:43:08,229 --> 01:43:05,679

was a pattern associated with some of

2585

01:43:09,590 --> 01:43:08,239

these cases so we we put out the

2586

01:43:12,629 --> 01:43:09,600

hypothesis

2587

01:43:14,709 --> 01:43:12,639

that you know maybe this was part of

2588

01:43:17,109 --> 01:43:14,719

a a case of

2589

01:43:20,470 --> 01:43:17,119

um you know applying sedatives to the

2590

01:43:23,109 --> 01:43:20,480

animals um and then investigating these

2591

01:43:24,790 --> 01:43:23,119

animals for the spread of say an

2592

01:43:27,109 --> 01:43:24,800

infectious disease

2593

01:43:30,070 --> 01:43:27,119

organism and you know a lot of these

2594

01:43:32,950 --> 01:43:30,080

infectious disease could be um through

2595

01:43:36,070 --> 01:43:32,960

the western herds in the united states

2596

01:43:39,109 --> 01:43:36,080

uh we we we investigated or we put out

2597

01:43:41,669 --> 01:43:39,119

the hypothesis that maybe um

2598

01:43:42,950 --> 01:43:41,679

some of these infectious proteins called

2599

01:43:45,669 --> 01:43:42,960

prions

2600

01:43:48,310 --> 01:43:45,679

might have been the source of concern uh

2601
01:43:50,830 --> 01:43:48,320
as they were sort of exploding in the

2602
01:43:53,990 --> 01:43:50,840
united kingdom and europe in the

2603
01:43:56,550 --> 01:43:54,000
1990s um and killing a lot of people who

2604
01:43:58,390 --> 01:43:56,560
were eating contaminated meat so there

2605
01:44:00,470 --> 01:43:58,400
might have been a small

2606
01:44:02,629 --> 01:44:00,480
very very small program all you need is

2607
01:44:05,669 --> 01:44:02,639
a couple of trained veterinarians a

2608
01:44:08,550 --> 01:44:05,679
couple of skill surgeons um a couple of

2609
01:44:10,870 --> 01:44:08,560
helicopters a very small program in

2610
01:44:14,390 --> 01:44:10,880
other words that could monitor

2611
01:44:16,390 --> 01:44:14,400
um the spread of an infectious organism

2612
01:44:18,149 --> 01:44:16,400
through the cattle

2613
01:44:21,030 --> 01:44:18,159

in the wild in the western part of the

2614

01:44:22,310 --> 01:44:21,040

united states why would you want to do

2615

01:44:24,390 --> 01:44:22,320

that

2616

01:44:27,189 --> 01:44:24,400

rather than going to

2617

01:44:29,189 --> 01:44:27,199

say slaughterhouses and abattoirs and

2618

01:44:31,270 --> 01:44:29,199

sampling from there

2619

01:44:33,189 --> 01:44:31,280

the answer to that is you would not get

2620

01:44:34,870 --> 01:44:33,199

the same amount of data

2621

01:44:37,750 --> 01:44:34,880

from sampling avatars and

2622

01:44:40,709 --> 01:44:37,760

slaughterhouses as you would by

2623

01:44:43,830 --> 01:44:40,719

flying in at night and you know

2624

01:44:46,629 --> 01:44:43,840

basically sampling animals within you

2625

01:44:48,709 --> 01:44:46,639

know several hundred miles

2626

01:44:50,709 --> 01:44:48,719

if you were trying to track the spread

2627

01:44:53,750 --> 01:44:50,719

of an infectious organism

2628

01:44:56,709 --> 01:44:53,760

prion is what one can one uh

2629

01:44:58,629 --> 01:44:56,719

one an infectious protein that was

2630

01:44:59,750 --> 01:44:58,639

responsible for

2631

01:45:01,910 --> 01:44:59,760

you know

2632

01:45:03,910 --> 01:45:01,920

destruction of millions of animals in

2633

01:45:07,430 --> 01:45:03,920

the united kingdom and europe and it was

2634

01:45:09,510 --> 01:45:07,440

a source of huge amounts of concern in

2635

01:45:12,950 --> 01:45:09,520

the uh in in the united states in the

2636

01:45:17,189 --> 01:45:12,960

1990s as especially the

2637

01:45:18,550 --> 01:45:17,199

um you know the fda on the the usda

2638

01:45:20,870 --> 01:45:18,560

uh the the

2639

01:45:21,830 --> 01:45:20,880

united states department of agriculture

2640

01:45:23,510 --> 01:45:21,840

um

2641

01:45:25,830 --> 01:45:23,520

we're very concerned about the the

2642

01:45:27,830 --> 01:45:25,840

spread of this so um that was one

2643

01:45:29,750 --> 01:45:27,840

hypothesis we came up with why did we

2644

01:45:32,470 --> 01:45:29,760

come up with this because we use

2645

01:45:34,950 --> 01:45:32,480

forensic analysis to determine that

2646

01:45:37,350 --> 01:45:34,960

somebody was using sharp instruments on

2647

01:45:39,590 --> 01:45:37,360

these animals to cut them open

2648

01:45:42,390 --> 01:45:39,600

we found that unequivocally from the

2649

01:45:44,550 --> 01:45:42,400

histopathology analysis and then we

2650

01:45:45,830 --> 01:45:44,560

found all of these suspicious

2651
01:45:46,790 --> 01:45:45,840
compounds

2652
01:45:49,910 --> 01:45:46,800
through

2653
01:45:52,870 --> 01:45:49,920
standard forensic analytical uh

2654
01:45:54,470 --> 01:45:52,880
chemistry and we also found evidence of

2655
01:45:56,950 --> 01:45:54,480
medical hardware

2656
01:45:58,790 --> 01:45:56,960
underneath an associated with a small

2657
01:45:59,669 --> 01:45:58,800
number of these animals so

2658
01:46:02,149 --> 01:45:59,679
um

2659
01:46:04,550 --> 01:46:02,159
you know that we put out this hypothesis

2660
01:46:06,550 --> 01:46:04,560
and again it's these published papers

2661
01:46:09,350 --> 01:46:06,560
are on the news website if people want

2662
01:46:12,149 --> 01:46:09,360
to take a look at them

2663
01:46:14,229 --> 01:46:12,159

let me add this kurt uh please to boil

2664

01:46:17,109 --> 01:46:14,239

that down so column's

2665

01:46:19,830 --> 01:46:17,119

hypothesis was there are two levels of

2666

01:46:21,350 --> 01:46:19,840

mutilators uh mystery mutilators there's

2667

01:46:23,590 --> 01:46:21,360

the original one that's been carrying

2668

01:46:26,310 --> 01:46:23,600

this out for decades under the cover of

2669

01:46:28,390 --> 01:46:26,320

night carving up animals with surgical

2670

01:46:29,430 --> 01:46:28,400

precision removing the same sort of

2671

01:46:32,070 --> 01:46:29,440

parts

2672

01:46:34,229 --> 01:46:32,080

not leaving behind certain compounds not

2673

01:46:35,910 --> 01:46:34,239

leaving behind medical instruments it's

2674

01:46:37,990 --> 01:46:35,920

a complete mystery how it's carried out

2675

01:46:40,070 --> 01:46:38,000

there were some cases where high heat

2676

01:46:41,910 --> 01:46:40,080

instrumentation was used in these cases

2677

01:46:44,149 --> 01:46:41,920

the classic mutilation stories that

2678

01:46:46,149 --> 01:46:44,159

we've always heard nids investigated

2679

01:46:48,470 --> 01:46:46,159

those and and most of the cases they

2680

01:46:50,709 --> 01:46:48,480

investigated did not show these kind of

2681

01:46:52,550 --> 01:46:50,719

telltale signs of human intervention

2682

01:46:54,629 --> 01:46:52,560

someone mystery mutilators have been

2683

01:46:57,750 --> 01:46:54,639

carrying this out for decades over a

2684

01:46:59,990 --> 01:46:57,760

broad uh part of the united states in

2685

01:47:01,990 --> 01:47:00,000

other parts of the world and then later

2686

01:47:04,310 --> 01:47:02,000

there were an additional level of

2687

01:47:06,790 --> 01:47:04,320

mutilators who came in under the

2688

01:47:09,189 --> 01:47:06,800

umbrella of this seemingly paranormal

2689

01:47:10,709 --> 01:47:09,199

mystery who operated with impunity

2690

01:47:11,910 --> 01:47:10,719

thinking they can get away with it no

2691

01:47:13,830 --> 01:47:11,920

one's really going to seriously

2692

01:47:15,510 --> 01:47:13,840

investigate it because it's the space

2693

01:47:17,750 --> 01:47:15,520

people doing these mysterious

2694

01:47:20,550 --> 01:47:17,760

mutilations there were cases on the

2695

01:47:22,870 --> 01:47:20,560

ranch for example that defy explanation

2696

01:47:24,470 --> 01:47:22,880

i'm thinking of one in particular

2697

01:47:26,870 --> 01:47:24,480

there were something like 14 head of

2698

01:47:28,790 --> 01:47:26,880

cattle that vanished that you'd see the

2699

01:47:30,629 --> 01:47:28,800

tracks lead out into the snow and then

2700

01:47:32,390 --> 01:47:30,639

the cow was gone as if it sucked up into

2701

01:47:34,790 --> 01:47:32,400

the sky there were cases that the

2702

01:47:36,470 --> 01:47:34,800

neighbors reported of cattle that seemed

2703

01:47:38,870 --> 01:47:36,480

to have been dropped from the sky their

2704

01:47:40,790 --> 01:47:38,880

legs were broken um there were cases on

2705

01:47:42,310 --> 01:47:40,800

the ranch one in particular that we

2706

01:47:44,390 --> 01:47:42,320

wrote about in a in the hunt for the

2707

01:47:46,149 --> 01:47:44,400

skinwalker the rancher and his wife had

2708

01:47:48,790 --> 01:47:46,159

had all this bizarre activity on their

2709

01:47:50,790 --> 01:47:48,800

property they'd carry on uh they were

2710

01:47:53,189 --> 01:47:50,800

really financially strapped because of

2711

01:47:55,030 --> 01:47:53,199

the loss of these very expensive animals

2712

01:47:57,189 --> 01:47:55,040

it's a sunday morning it's a bright

2713

01:47:59,750 --> 01:47:57,199

sunny day quiet out there in the country

2714

01:48:01,590 --> 01:47:59,760

they go out to tag the ears of newborn

2715

01:48:02,870 --> 01:48:01,600

cats they had several calves on the on

2716

01:48:05,030 --> 01:48:02,880

their pasture

2717

01:48:06,870 --> 01:48:05,040

they're going to tag the ears which is a

2718

01:48:09,189 --> 01:48:06,880

process that the ranchers do to identify

2719

01:48:11,430 --> 01:48:09,199

these animals there's a calf and it's

2720

01:48:13,430 --> 01:48:11,440

mom 50 yards from the house where they

2721

01:48:15,830 --> 01:48:13,440

live that's the first one they come to

2722

01:48:17,830 --> 01:48:15,840

they tag the ear this newborn calf they

2723

01:48:19,990 --> 01:48:17,840

move off across the property again very

2724

01:48:22,470 --> 01:48:20,000

quiet there's no obstruction the weather

2725

01:48:25,030 --> 01:48:22,480

is calm they go off on the property

2726

01:48:26,629 --> 01:48:25,040

about 30 minutes or so later a dog

2727

01:48:28,229 --> 01:48:26,639

that's traveling with them alerts them

2728

01:48:30,229 --> 01:48:28,239

that something's going on so they look

2729

01:48:31,270 --> 01:48:30,239

back at this calf the first one that

2730

01:48:34,390 --> 01:48:31,280

they had

2731

01:48:36,229 --> 01:48:34,400

tagged and the mom the cow is

2732

01:48:38,470 --> 01:48:36,239

going around in circles its eyes are

2733

01:48:40,950 --> 01:48:38,480

bulging out it's obviously distressed

2734

01:48:42,629 --> 01:48:40,960

it's dragging its leg behind it

2735

01:48:45,189 --> 01:48:42,639

rancher and his wife go back over there

2736

01:48:47,669 --> 01:48:45,199

to where this this calf was this calf is

2737

01:48:49,510 --> 01:48:47,679

completely emaciated it is wiped out it

2738

01:48:52,550 --> 01:48:49,520

is stripped of all its flesh the only

2739

01:48:54,629 --> 01:48:52,560

thing left is bones and high there's no

2740

01:48:55,669 --> 01:48:54,639

blood in the animal there's no blood on

2741

01:48:59,270 --> 01:48:55,679

the ground

2742

01:49:00,950 --> 01:48:59,280

75 pounds of meat gone how did it happen

2743

01:49:02,950 --> 01:49:00,960

why didn't they why weren't they able to

2744

01:49:04,870 --> 01:49:02,960

hear it could a predator what what

2745

01:49:06,550 --> 01:49:04,880

predator comes in and

2746

01:49:08,790 --> 01:49:06,560

wipes out a calf

2747

01:49:10,629 --> 01:49:08,800

and makes no sound and leaves no blood

2748

01:49:12,629 --> 01:49:10,639

uh nid's team brought in a tracker

2749

01:49:13,750 --> 01:49:12,639

professional tracker to look for animal

2750

01:49:18,550 --> 01:49:13,760

tracks

2751

01:49:20,950 --> 01:49:18,560

didn't find it they took samples of that

2752

01:49:22,550 --> 01:49:20,960

set it to two different pathology labs

2753

01:49:24,310 --> 01:49:22,560

the uh the

2754

01:49:25,830 --> 01:49:24,320

investigators figured out that two

2755

01:49:28,149 --> 01:49:25,840

different cutting instruments had been

2756

01:49:29,669 --> 01:49:28,159

used something like a heavy machete to

2757

01:49:31,430 --> 01:49:29,679

whack off chunks of flesh and then

2758

01:49:32,550 --> 01:49:31,440

something with the scalpel type

2759

01:49:34,470 --> 01:49:32,560

precision

2760

01:49:36,070 --> 01:49:34,480

how does that happen how does it happen

2761

01:49:36,790 --> 01:49:36,080

in broad daylight that nobody sees it

2762

01:49:38,390 --> 01:49:36,800

now

2763

01:49:40,870 --> 01:49:38,400

is that the mystery government

2764

01:49:43,669 --> 01:49:40,880

mutilitors a team of commandos comes in

2765

01:49:45,830 --> 01:49:43,679

completely undetected and wipes out this

2766

01:49:48,310 --> 01:49:45,840

cap and leaves it there for people to

2767

01:49:49,990 --> 01:49:48,320

find um or is it something else i i

2768

01:49:53,030 --> 01:49:50,000

think it's probably something else maybe

2769

01:49:54,070 --> 01:49:53,040

column wants to add to that

2770

01:49:57,189 --> 01:49:54,080

well

2771

01:49:59,030 --> 01:49:57,199

you know that it goes back to um

2772

01:50:03,510 --> 01:49:59,040

the idea that

2773

01:50:04,629 --> 01:50:03,520

it's very very easy for a team of people

2774

01:50:08,229 --> 01:50:04,639

who are

2775

01:50:10,390 --> 01:50:08,239

uh sampling carrying out these illegal

2776

01:50:13,109 --> 01:50:10,400

uh killings of cattle

2777

01:50:15,430 --> 01:50:13,119

sampling at night because you've got two

2778

01:50:16,790 --> 01:50:15,440

things that are working for you

2779

01:50:18,550 --> 01:50:16,800

and that is

2780

01:50:21,830 --> 01:50:18,560

number one

2781

01:50:24,470 --> 01:50:21,840

you've got this whole aura of ufos

2782

01:50:26,950 --> 01:50:24,480

associated with cattle mutilations and

2783

01:50:29,590 --> 01:50:26,960

no respectable veterinarian or no

2784

01:50:31,669 --> 01:50:29,600

respectable police officer wants to have

2785

01:50:33,990 --> 01:50:31,679

anything to do with this if there's even

2786

01:50:36,470 --> 01:50:34,000

the taint of quote-unquote aliens

2787

01:50:39,109 --> 01:50:36,480

associated uh with it and the second

2788

01:50:41,350 --> 01:50:39,119

thing that you have going for you is you

2789

01:50:43,510 --> 01:50:41,360

have the decomposition process

2790

01:50:46,070 --> 01:50:43,520

especially in summer i mean the

2791

01:50:49,109 --> 01:50:46,080

decomposition process of a

2792

01:50:50,470 --> 01:50:49,119

cow is extremely rapid because their

2793

01:50:52,790 --> 01:50:50,480

entire

2794

01:50:55,350 --> 01:50:52,800

rumen which is the second or third

2795

01:50:58,390 --> 01:50:55,360

stomach that they have is loaded with

2796

01:51:01,109 --> 01:50:58,400

bacteria and microorganisms

2797

01:51:04,229 --> 01:51:01,119

which actually chew up uh the entire

2798

01:51:07,270 --> 01:51:04,239

flesh extremely quickly so all you have

2799

01:51:09,430 --> 01:51:07,280

to do if you are actually sampling an

2800

01:51:11,750 --> 01:51:09,440

animal on the ground is wait for 48

2801

01:51:14,629 --> 01:51:11,760

hours and pretty well all of the

2802

01:51:16,550 --> 01:51:14,639

evidence is gone by means of mother

2803

01:51:18,870 --> 01:51:16,560

nature you don't even have to cover up

2804

01:51:21,109 --> 01:51:18,880

your tracks all you have to do is is

2805

01:51:23,189 --> 01:51:21,119

take your samples and and get out of

2806

01:51:25,669 --> 01:51:23,199

there but you know what george is saying

2807

01:51:28,390 --> 01:51:25,679

is absolutely true there were a small

2808

01:51:30,950 --> 01:51:28,400

number of these cases that were where

2809

01:51:32,390 --> 01:51:30,960

were we documented and they were

2810

01:51:34,950 --> 01:51:32,400

obviously

2811

01:51:36,709 --> 01:51:34,960

not the uh you know the perpetrators

2812

01:51:39,750 --> 01:51:36,719

that i've been talking about there was

2813

01:51:42,790 --> 01:51:39,760

something else going on um and we we

2814

01:51:46,070 --> 01:51:42,800

documented cases in northern california

2815

01:51:48,310 --> 01:51:46,080

that were they also had this weird um

2816

01:51:50,149 --> 01:51:48,320

effect that that george described of the

2817

01:51:52,470 --> 01:51:50,159

case on in utah

2818

01:51:55,270 --> 01:51:52,480

we documented other cases in california

2819

01:51:59,189 --> 01:51:55,280

too so um there was a small component of

2820

01:52:01,189 --> 01:51:59,199

these that had this um bizarre

2821

01:52:03,830 --> 01:52:01,199

paranormal taint

2822

01:52:05,750 --> 01:52:03,840

to it and then you had this other

2823

01:52:07,669 --> 01:52:05,760

large number of cases

2824

01:52:10,070 --> 01:52:07,679

that were consistent with some kind of a

2825

01:52:12,709 --> 01:52:10,080

sampling exercise and you know it's the

2826

01:52:14,550 --> 01:52:12,719

same kind of thing as the ufo phenomenon

2827

01:52:17,750 --> 01:52:14,560

the united states government used the

2828

01:52:20,790 --> 01:52:17,760

ufo phenomenon as a way of covering up

2829

01:52:24,390 --> 01:52:20,800

their their special access programs so

2830

01:52:27,030 --> 01:52:24,400

maybe some sort of small contractor was

2831

01:52:29,430 --> 01:52:27,040

using the ufo lord associated with with

2832

01:52:32,310 --> 01:52:29,440

cat mutilations to also cover up their

2833

01:52:34,629 --> 01:52:32,320

tracks um you know same kind of thing

2834

01:52:37,669 --> 01:52:34,639

there are levels of deception

2835

01:52:39,910 --> 01:52:37,679

involved in investigating these kinds of

2836

01:52:41,750 --> 01:52:39,920

anomalies

2837

01:52:44,070 --> 01:52:41,760

george and colin i know you both have to

2838

01:52:45,830 --> 01:52:44,080

go so how about i read two questions and

2839

01:52:47,589 --> 01:52:45,840

you can choose one of them

2840

01:52:50,550 --> 01:52:47,599

so this one comes from stephen

2841

01:52:52,149 --> 01:52:50,560

greenstreet and he wants to know

2842

01:52:54,070 --> 01:52:52,159

what is the best piece of evidence of

2843

01:52:55,830 --> 01:52:54,080

something paranormal occurring at

2844

01:52:58,790 --> 01:52:55,840

skinwalker ranch and i'll add an

2845

01:53:00,070 --> 01:52:58,800

addendum best public piece of evidence

2846

01:53:03,350 --> 01:53:00,080

okay then

2847

01:53:05,350 --> 01:53:03,360

the second question is chris123456789

2848

01:53:07,750 --> 01:53:05,360

it says

2849

01:53:10,629 --> 01:53:07,760

and this is a wonderful question okay

2850

01:53:12,790 --> 01:53:10,639

if there were no observer to witness

2851

01:53:15,510 --> 01:53:12,800

these uaps bigfoot cattle mutilations

2852

01:53:17,669 --> 01:53:15,520

dark shadows etc would they still happen

2853

01:53:19,830 --> 01:53:17,679

how much of these phenomena are perhaps

2854

01:53:21,750 --> 01:53:19,840

co-created by a consciousness observing

2855

01:53:23,430 --> 01:53:21,760

them are these phenomena independent

2856

01:53:25,510 --> 01:53:23,440

entities with lives history goals

2857

01:53:27,030 --> 01:53:25,520

instincts of their own or are they

2858

01:53:29,589 --> 01:53:27,040

manifestations

2859

01:53:34,950 --> 01:53:29,599

for the benefit of a conscious observer

2860

01:53:40,390 --> 01:53:38,229

i think you should take that one column

2861

01:53:43,589 --> 01:53:40,400

well i mean you have brought up the sort

2862

01:53:44,390 --> 01:53:43,599

of or your listener that's a very sort

2863

01:53:47,589 --> 01:53:44,400

of

2864

01:53:51,189 --> 01:53:47,599

loaded question um because it does

2865

01:53:55,350 --> 01:53:51,199

it does get into this whole um

2866

01:53:58,870 --> 01:53:55,360

sort of dichotomy between uh observer

2867

01:54:00,550 --> 01:53:58,880

versus observed it gets into sort of the

2868

01:54:03,270 --> 01:54:00,560

the quantum

2869

01:54:05,109 --> 01:54:03,280

these quantum realities of how

2870

01:54:07,430 --> 01:54:05,119

whether or not observers

2871

01:54:09,830 --> 01:54:07,440

interfere with uh with

2872

01:54:12,870 --> 01:54:09,840

uh with experiments at the at the

2873

01:54:16,149 --> 01:54:12,880

quantum level and also it it does sort

2874

01:54:18,950 --> 01:54:16,159

of raise the question of uh what exactly

2875

01:54:20,390 --> 01:54:18,960

is human consciousness and you know one

2876

01:54:23,189 --> 01:54:20,400

of one of what

2877

01:54:26,149 --> 01:54:23,199

that the aspects that has been really

2878

01:54:28,709 --> 01:54:26,159

intriguing me is in the last five to ten

2879

01:54:31,189 --> 01:54:28,719

years there really has been

2880

01:54:33,910 --> 01:54:31,199

a sort of a literal explosion

2881

01:54:37,589 --> 01:54:33,920

of uh new people who are entering the

2882

01:54:39,990 --> 01:54:37,599

field of uh you know the investigation

2883

01:54:41,750 --> 01:54:40,000

of human consciousness

2884

01:54:45,109 --> 01:54:41,760

and and there you know some of these

2885

01:54:47,589 --> 01:54:45,119

people are sort of taking a stance on

2886

01:54:50,310 --> 01:54:47,599

human consciousness that is away from

2887

01:54:52,470 --> 01:54:50,320

the standard dogma that we've had for

2888

01:54:55,510 --> 01:54:52,480

about 100 years which is the

2889

01:54:58,390 --> 01:54:55,520

consciousness arises as a result of

2890

01:55:00,790 --> 01:54:58,400

neurochemical trafficking in the brain

2891

01:55:03,109 --> 01:55:00,800

and some of these people like you know i

2892

01:55:05,990 --> 01:55:03,119

can think of bernardo castro in the

2893

01:55:09,350 --> 01:55:06,000

netherlands and donald hoffman who is a

2894

01:55:12,870 --> 01:55:09,360

private professor at uc irvine

2895

01:55:15,030 --> 01:55:12,880

um federico fajin who is literally

2896

01:55:16,629 --> 01:55:15,040

the in the inventor of the

2897

01:55:19,430 --> 01:55:16,639

microprocessor

2898

01:55:21,830 --> 01:55:19,440

at intel corporation i mean talk about

2899

01:55:24,310 --> 01:55:21,840

hard-nosed materialist but i mean he's

2900

01:55:25,669 --> 01:55:24,320

written a book our two books i think

2901
01:55:27,270 --> 01:55:25,679
recently

2902
01:55:31,030 --> 01:55:27,280
that are basically saying that

2903
01:55:33,350 --> 01:55:31,040
consciousness may not arise as a result

2904
01:55:35,510 --> 01:55:33,360
of neurochemical trafficking in the

2905
01:55:37,830 --> 01:55:35,520
brain we've got people like edward

2906
01:55:39,589 --> 01:55:37,840
professor edward kelly at the division

2907
01:55:42,790 --> 01:55:39,599
of perceptual studies at the university

2908
01:55:46,470 --> 01:55:42,800
of virginia um you know and even in the

2909
01:55:49,189 --> 01:55:46,480
biological arena you've got um professor

2910
01:55:52,310 --> 01:55:49,199
uh robert lanza who's written a couple

2911
01:55:54,390 --> 01:55:52,320
of books on on biocentrism i mean these

2912
01:55:57,270 --> 01:55:54,400
people are also all saying the same

2913
01:56:00,149 --> 01:55:57,280

thing that you know consciousness is

2914

01:56:02,629 --> 01:56:00,159

prime you know consciousness is really

2915

01:56:05,750 --> 01:56:02,639

the sort of the mover and the shaker in

2916

01:56:08,790 --> 01:56:05,760

this whole equation so you know bernardo

2917

01:56:10,629 --> 01:56:08,800

castro especially has sort of uh written

2918

01:56:13,350 --> 01:56:10,639

in some of the blogs that he's written

2919

01:56:15,990 --> 01:56:13,360

for scientific american and uh elsewhere

2920

01:56:18,870 --> 01:56:16,000

he's really reduced it down to

2921

01:56:21,350 --> 01:56:18,880

uh sort of concepts that

2922

01:56:23,990 --> 01:56:21,360

you know even a biologist like myself

2923

01:56:25,910 --> 01:56:24,000

can understand and that is you know he's

2924

01:56:28,629 --> 01:56:25,920

he's put out this concept

2925

01:56:30,629 --> 01:56:28,639

you know of of you know maybe

2926

01:56:32,310 --> 01:56:30,639

maybe our our

2927

01:56:34,229 --> 01:56:32,320

sense of reality

2928

01:56:36,790 --> 01:56:34,239

is is actually

2929

01:56:39,350 --> 01:56:36,800

more like the dashboard of an aircraft

2930

01:56:42,629 --> 01:56:39,360

and that you're flying an aircraft via

2931

01:56:44,870 --> 01:56:42,639

instruments and outside this aircraft

2932

01:56:46,870 --> 01:56:44,880

um there's a sort of a storm and there's

2933

01:56:49,109 --> 01:56:46,880

a whole load of uh different things

2934

01:56:51,750 --> 01:56:49,119

happening but the pilot of the aircraft

2935

01:56:54,870 --> 01:56:51,760

is flying purely by use of this

2936

01:56:57,109 --> 01:56:54,880

instrumentation and so you know human

2937

01:56:59,910 --> 01:56:57,119

that the translation of the metaphor

2938

01:57:02,629 --> 01:56:59,920

into human consciousness is that human

2939

01:57:05,830 --> 01:57:02,639

perception is a function of the

2940

01:57:08,229 --> 01:57:05,840

dashboard and our five senses are are

2941

01:57:10,470 --> 01:57:08,239

essentially the instrumentation that

2942

01:57:13,270 --> 01:57:10,480

we're flying with through life and

2943

01:57:16,070 --> 01:57:13,280

outside these five senses there's a

2944

01:57:18,390 --> 01:57:16,080

whole world that we are not perceiving

2945

01:57:22,870 --> 01:57:18,400

and so one hypothesis of the

2946

01:57:25,030 --> 01:57:22,880

intersection of ufos versus this sort of

2947

01:57:28,390 --> 01:57:25,040

avant-garde way of looking at human

2948

01:57:31,750 --> 01:57:28,400

consciousness is that maybe ufos are

2949

01:57:34,870 --> 01:57:31,760

outside the dashboard um and they they

2950

01:57:37,910 --> 01:57:34,880

seem to appear or disappear at sort of

2951

01:57:40,950 --> 01:57:37,920

uh out of whim or sort of in a very sort

2952

01:57:44,550 --> 01:57:40,960

of fast way um maybe they're outside

2953

01:57:47,669 --> 01:57:44,560

this sort of dashboard and that you know

2954

01:57:51,030 --> 01:57:47,679

people in the future as they attack the

2955

01:57:52,709 --> 01:57:51,040

ufo phenomenon uh we need sort of people

2956

01:57:55,270 --> 01:57:52,719

who are

2957

01:57:57,350 --> 01:57:55,280

part of this vanguard of human

2958

01:57:59,750 --> 01:57:57,360

consciousness research because there may

2959

01:58:02,709 --> 01:57:59,760

be overlaps that we just have not looked

2960

01:58:05,189 --> 01:58:02,719

at and you know the sort of

2961

01:58:09,109 --> 01:58:05,199

the standard way of looking at the ufo

2962

01:58:11,030 --> 01:58:09,119

phenomenon especially sort of

2963

01:58:14,229 --> 01:58:11,040

from the perspective of the military

2964

01:58:16,870 --> 01:58:14,239

intelligence apparatus is we are going

2965

01:58:19,750 --> 01:58:16,880

to study only

2966

01:58:23,030 --> 01:58:19,760

the ufo performance we're going to study

2967

01:58:26,390 --> 01:58:23,040

only the five observables uh or the six

2968

01:58:28,550 --> 01:58:26,400

observables the the parameters of a ufo

2969

01:58:31,669 --> 01:58:28,560

that make it extremely

2970

01:58:33,910 --> 01:58:31,679

um unlikely that um it is you know a

2971

01:58:35,270 --> 01:58:33,920

special access program from the united

2972

01:58:36,629 --> 01:58:35,280

states

2973

01:58:38,470 --> 01:58:36,639

and that's all we're going to do

2974

01:58:41,510 --> 01:58:38,480

everything else is off the table because

2975

01:58:43,669 --> 01:58:41,520

quote unquote it's not a part of the

2976

01:58:47,030 --> 01:58:43,679

mandate from the united states security

2977

01:58:50,550 --> 01:58:47,040

apparatus but guess what you know maybe

2978

01:58:53,030 --> 01:58:50,560

the ufo phenomenon doesn't care at all

2979

01:58:56,070 --> 01:58:53,040

about the uh security parameters of the

2980

01:58:59,189 --> 01:58:56,080

united states on what constitutes

2981

01:59:01,750 --> 01:58:59,199

security parameters and what constitutes

2982

01:59:03,990 --> 01:59:01,760

a viable way of investigating this

2983

01:59:06,790 --> 01:59:04,000

phenomenon maybe the united states

2984

01:59:09,430 --> 01:59:06,800

military is going to investigate using

2985

01:59:11,189 --> 01:59:09,440

this narrow perspective and completely

2986

01:59:14,550 --> 01:59:11,199

miss the boat

2987

01:59:16,950 --> 01:59:14,560

i mean we've seen and heard snippets and

2988

01:59:20,310 --> 01:59:16,960

rumors and innuendo that some of these

2989

01:59:23,189 --> 01:59:20,320

tic-tac-tac pilots had long-term uh

2990

01:59:26,310 --> 01:59:23,199

effects you know that might even include

2991

01:59:28,390 --> 01:59:26,320

long-term effects on their psychology

2992

01:59:31,910 --> 01:59:28,400

and maybe their health or maybe their

2993

01:59:34,470 --> 01:59:31,920

consciousness so i see going forward

2994

01:59:37,750 --> 01:59:34,480

that you know we really need to broaden

2995

01:59:40,229 --> 01:59:37,760

the scope of the ufo investigative

2996

01:59:42,470 --> 01:59:40,239

framework as opposed to

2997

01:59:44,870 --> 01:59:42,480

narrowing it and i don't care what a

2998

01:59:47,910 --> 01:59:44,880

bureaucrat from under secretary of

2999

01:59:51,109 --> 01:59:47,920

defense for intelligence decides to say

3000

01:59:52,310 --> 01:59:51,119

what is part of the united states uh

3001
01:59:55,109 --> 01:59:52,320
military

3002
01:59:56,149 --> 01:59:55,119
uh perspective or not i don't think the

3003
02:00:00,149 --> 01:59:56,159
ufo

3004
02:00:03,109 --> 02:00:02,310
as for the question from stephen about

3005
02:00:07,510 --> 02:00:03,119
the

3006
02:00:09,589 --> 02:00:07,520
paranormal events i'd answered this way

3007
02:00:11,109 --> 02:00:09,599
i mean you know robert bigelow in an

3008
02:00:13,189 --> 02:00:11,119
interview we did

3009
02:00:15,189 --> 02:00:13,199
uh years ago and then another one last

3010
02:00:17,109 --> 02:00:15,199
year you know it's maddening what

3011
02:00:19,990 --> 02:00:17,119
happens at the ranch it's frustrating in

3012
02:00:23,189 --> 02:00:20,000
that whatever the intelligence is that's

3013
02:00:25,589 --> 02:00:23,199

there it calls the shots we get to see

3014

02:00:27,510 --> 02:00:25,599

what it allows us to see the most

3015

02:00:28,950 --> 02:00:27,520

compelling accounts come from

3016

02:00:30,950 --> 02:00:28,960

eyewitnesses the people who've been on

3017

02:00:33,589 --> 02:00:30,960

the property you know bigelow bought the

3018

02:00:36,149 --> 02:00:33,599

ranch in the mid 90s there's been a

3019

02:00:38,629 --> 02:00:36,159

constant presence there since the mid

3020

02:00:41,030 --> 02:00:38,639

study the asap study and then the

3021

02:00:42,709 --> 02:00:41,040

current efforts by brandon fogle and all

3022

02:00:44,709 --> 02:00:42,719

three of those groups have experienced

3023

02:00:46,310 --> 02:00:44,719

the same kinds of things it's never

3024

02:00:48,229 --> 02:00:46,320

exactly the same

3025

02:00:49,750 --> 02:00:48,239

the only thing that's predictable is its

3026

02:00:51,510 --> 02:00:49,760

unpredictability

3027

02:00:52,950 --> 02:00:51,520

a lot of the the accounts the very

3028

02:00:55,270 --> 02:00:52,960

compelling stories are things that

3029

02:00:57,270 --> 02:00:55,280

people see once and then it's gone

3030

02:00:59,109 --> 02:00:57,280

this intelligence and i think it is an

3031

02:01:01,030 --> 02:00:59,119

intelligence plays games it's a

3032

02:01:03,189 --> 02:01:01,040

trickster it messes with your mind it

3033

02:01:05,350 --> 02:01:03,199

always seems to know what you are going

3034

02:01:06,709 --> 02:01:05,360

to do before you do it

3035

02:01:08,790 --> 02:01:06,719

so

3036

02:01:11,189 --> 02:01:08,800

dramatic incidents can happen and

3037

02:01:12,390 --> 02:01:11,199

there's nothing left behind uh to to

3038

02:01:14,709 --> 02:01:12,400

prove that ever happened but

3039

02:01:16,790 --> 02:01:14,719

occasionally it becomes it has a

3040

02:01:18,790 --> 02:01:16,800

physical effect it has physical

3041

02:01:21,270 --> 02:01:18,800

demonstrable measurable effects for

3042

02:01:23,830 --> 02:01:21,280

example what happens to the animals you

3043

02:01:25,830 --> 02:01:23,840

have cattle that are mutilated you have

3044

02:01:28,310 --> 02:01:25,840

cats that are carved up in the middle of

3045

02:01:30,870 --> 02:01:28,320

the night in a snowstorm dogs that are

3046

02:01:33,350 --> 02:01:30,880

incinerated horses that are slashed by

3047

02:01:36,310 --> 02:01:33,360

these crypto creatures those things

3048

02:01:38,550 --> 02:01:36,320

happen they were documented uh you have

3049

02:01:40,709 --> 02:01:38,560

physical effects for example there were

3050

02:01:42,629 --> 02:01:40,719

four large bulls during the nidz era

3051
02:01:43,990 --> 02:01:42,639
that were in this corral the rancher and

3052
02:01:46,310 --> 02:01:44,000
his wife are going to town they've

3053
02:01:48,149 --> 02:01:46,320
already lost a lot of different heads of

3054
02:01:50,149 --> 02:01:48,159
livestock they're in danger of going

3055
02:01:52,149 --> 02:01:50,159
under financially they say to each other

3056
02:01:54,229 --> 02:01:52,159
casually boy if something happens to one

3057
02:01:56,229 --> 02:01:54,239
of those bulls we're in big trouble they

3058
02:01:58,310 --> 02:01:56,239
come back and less than an hour later

3059
02:02:00,470 --> 02:01:58,320
all four of the bulls are gone in a

3060
02:02:03,430 --> 02:02:00,480
panic they go looking for them

3061
02:02:06,070 --> 02:02:03,440
somehow those four bulls had been in

3062
02:02:08,870 --> 02:02:06,080
essence dematerialized from the corral

3063
02:02:11,270 --> 02:02:08,880

and crammed into this tiny storage shed

3064

02:02:12,709 --> 02:02:11,280

adjacent to this corral they're in a in

3065

02:02:14,950 --> 02:02:12,719

there the rancher finds them they're

3066

02:02:17,030 --> 02:02:14,960

kind of in a trance crammed in there you

3067

02:02:19,109 --> 02:02:17,040

could not get these these bulls into

3068

02:02:21,669 --> 02:02:19,119

there with a forklift and a team of army

3069

02:02:23,430 --> 02:02:21,679

commandos but somehow they got in there

3070

02:02:25,030 --> 02:02:23,440

they let the bulls out the bulls kick

3071

02:02:27,350 --> 02:02:25,040

off the side of it they get out they're

3072

02:02:30,229 --> 02:02:27,360

very surely in a bad mood photos are

3073

02:02:31,910 --> 02:02:30,239

taken the subsequent physical effects

3074

02:02:34,310 --> 02:02:31,920

that were measured by the nids guys

3075

02:02:36,550 --> 02:02:34,320

where the entire metal corral had been

3076

02:02:38,149 --> 02:02:36,560

magnetized and it stayed magnetized for

3077

02:02:40,870 --> 02:02:38,159

a couple of days there are all these

3078

02:02:43,030 --> 02:02:40,880

measurable em effects and effects on

3079

02:02:44,470 --> 02:02:43,040

equipment for example all three of those

3080

02:02:46,470 --> 02:02:44,480

organizations

3081

02:02:49,910 --> 02:02:46,480

have put all kinds of cameras out there

3082

02:02:51,750 --> 02:02:49,920

camera gear both up on on on uh poles

3083

02:02:54,550 --> 02:02:51,760

and at different places of the ranch and

3084

02:02:57,430 --> 02:02:54,560

they carry uh gear compasses and other

3085

02:02:59,910 --> 02:02:57,440

sensors to try to document effects this

3086

02:03:02,070 --> 02:02:59,920

phenomena whatever it is laughs at it it

3087

02:03:04,709 --> 02:03:02,080

will knock out compasses compasses will

3088

02:03:06,870 --> 02:03:04,719

spin around uh they're they're of no use

3089

02:03:09,270 --> 02:03:06,880

you have a camera the batteries drain

3090

02:03:11,030 --> 02:03:09,280

the camera dies right before something

3091

02:03:13,750 --> 02:03:11,040

happens where the camera would have been

3092

02:03:16,149 --> 02:03:13,760

able to document it it's infuriating

3093

02:03:17,830 --> 02:03:16,159

it's frustrating to try to document

3094

02:03:20,149 --> 02:03:17,840

things but it happens over and over

3095

02:03:23,189 --> 02:03:20,159

again over a period of almost close to

3096

02:03:25,109 --> 02:03:23,199

30 years now um so there are measurable

3097

02:03:26,870 --> 02:03:25,119

effects there was an ice circle that we

3098

02:03:28,709 --> 02:03:26,880

documented during the the mids period

3099

02:03:31,189 --> 02:03:28,719

that the knits guys documented an

3100

02:03:34,149 --> 02:03:31,199

impossible thing that was carved in this

3101

02:03:35,990 --> 02:03:34,159

tiny little thin layer of ice uh they

3102

02:03:37,750 --> 02:03:36,000

can't figure out how it happened there

3103

02:03:39,910 --> 02:03:37,760

was a there was one instance where

3104

02:03:41,510 --> 02:03:39,920

something went up a 75-foot telephone

3105

02:03:43,669 --> 02:03:41,520

pole where they had a camera and

3106

02:03:45,830 --> 02:03:43,679

destroyed it destroyed it while another

3107

02:03:48,870 --> 02:03:45,840

camera was watching it whatever did it

3108

02:03:51,430 --> 02:03:48,880

was invisible um it's very frustrating i

3109

02:03:53,589 --> 02:03:51,440

think it's frustrating on purpose it

3110

02:03:55,990 --> 02:03:53,599

gives us glimpses

3111

02:03:58,070 --> 02:03:56,000

of this other reality at times there

3112

02:03:59,750 --> 02:03:58,080

were holes in the sky that would appear

3113

02:04:01,750 --> 02:03:59,760

and craft would come in and out there

3114

02:04:05,189 --> 02:04:01,760

were craft that seemed to fly directly

3115

02:04:07,910 --> 02:04:05,199

into skinwalker ridge uh that defy our

3116

02:04:09,510 --> 02:04:07,920

physics uh there were other craft that

3117

02:04:10,629 --> 02:04:09,520

were you know the rancher and the family

3118

02:04:12,310 --> 02:04:10,639

they're in the first years that they

3119

02:04:13,990 --> 02:04:12,320

were there they'd see these things

3120

02:04:15,990 --> 02:04:14,000

they're not trying to document it for a

3121

02:04:17,350 --> 02:04:16,000

ufo audience they're trying to survive

3122

02:04:19,510 --> 02:04:17,360

out there on what they thought was their

3123

02:04:21,589 --> 02:04:19,520

dream property they end up giving it up

3124

02:04:23,589 --> 02:04:21,599

and moving away because they were so

3125

02:04:25,430 --> 02:04:23,599

frustrated by what happened to them so

3126

02:04:27,589 --> 02:04:25,440

it is difficult to document it is a

3127

02:04:29,910 --> 02:04:27,599

challenge to document it but it's a it's

3128

02:04:31,430 --> 02:04:29,920

an intriguing challenge it's an exciting

3129

02:04:32,149 --> 02:04:31,440

challenge and it's one we have to take

3130

02:04:34,390 --> 02:04:32,159

on

3131

02:04:37,030 --> 02:04:34,400

there is physical evidence that can be

3132

02:04:38,310 --> 02:04:37,040

examined and investigated a lot of the

3133

02:04:40,550 --> 02:04:38,320

things that happen are not in the

3134

02:04:43,750 --> 02:04:40,560

physical realm that makes it more of a

3135

02:04:47,270 --> 02:04:45,510

thank you so much george thank you so

3136

02:04:49,669 --> 02:04:47,280

much colin i appreciate it there are

3137

02:04:50,709 --> 02:04:49,679

more than 3 000 people watching

3138

02:04:53,270 --> 02:04:50,719

so

3139

02:04:55,189 --> 02:04:53,280

say hello to them many of them are just

3140

02:04:58,470 --> 02:04:55,199

expressing their thanks and plaudits

3141

02:05:00,070 --> 02:04:58,480

toward you all so thank you so much

3142

02:05:09,350 --> 02:05:00,080

it's

3143

02:05:10,870 --> 02:05:09,360

really good to uh have this discussion

3144

02:05:12,629 --> 02:05:10,880

enjoyable

3145

02:05:14,550 --> 02:05:12,639

okay and like i mentioned we'll look

3146

02:05:15,830 --> 02:05:14,560

into a part two in a few months so if

3147

02:05:17,109 --> 02:05:15,840

anyone has lingering questions just

3148

02:05:18,709 --> 02:05:17,119

write them down

3149

02:05:20,709 --> 02:05:18,719

take care i'll stick around to speak

3150

02:05:21,750 --> 02:05:20,719

with the audience if i can

3151
02:05:23,270 --> 02:05:21,760
thanks

3152
02:05:25,430 --> 02:05:23,280
bye bye

3153
02:05:29,990 --> 02:05:25,440
okay

3154
02:05:33,510 --> 02:05:31,990
yeah no it's not a sickness like that

3155
02:05:34,950 --> 02:05:33,520
what i'm feeling it's something else

3156
02:05:36,709 --> 02:05:34,960
it's not it's not a virus it's nothing

3157
02:05:38,870 --> 02:05:36,719
like that it's more

3158
02:05:40,470 --> 02:05:38,880
ah

3159
02:05:42,310 --> 02:05:40,480
i can't talk about it

3160
02:05:43,830 --> 02:05:42,320
okay so let's see

3161
02:05:46,229 --> 02:05:43,840
wolfstein thank you

3162
02:05:47,990 --> 02:05:46,239
jacob asks what work can individuals do

3163
02:05:49,910 --> 02:05:48,000

to contribute to the study of this i

3164

02:05:52,950 --> 02:05:49,920

believe somewhere around 35 minutes into

3165

02:05:55,589 --> 02:05:52,960

this maybe 40 minutes into this

3166

02:05:59,030 --> 02:05:55,599

column outlined some of that

3167

02:06:02,070 --> 02:05:59,040

so i'll go and look into that

3168

02:06:04,070 --> 02:06:02,080

and i will try to timestamp that

3169

02:06:05,589 --> 02:06:04,080

oral decoy says vertigo and anxiety i

3170

02:06:07,510 --> 02:06:05,599

can relate yeah i would say that it's

3171

02:06:08,709 --> 02:06:07,520

not vertical but anxiety

3172

02:06:11,030 --> 02:06:08,719

wilheim

3173

02:06:13,510 --> 02:06:11,040

says linda moulton deserves and

3174

02:06:14,950 --> 02:06:13,520

apologize so i know what you may mean an

3175

02:06:16,790 --> 02:06:14,960

apology and i

3176

02:06:18,229 --> 02:06:16,800

i don't want to talk about this publicly

3177

02:06:19,669 --> 02:06:18,239

because it doesn't

3178

02:06:23,030 --> 02:06:19,679

it's not

3179

02:06:24,470 --> 02:06:23,040

something that should be done but i did

3180

02:06:25,589 --> 02:06:24,480

apologize to

3181

02:06:28,830 --> 02:06:25,599

linda

3182

02:06:30,790 --> 02:06:28,840

thank you thank you everyone for

3183

02:06:34,069 --> 02:06:30,800

your

3184

02:06:39,510 --> 02:06:34,079

mentioned

3185

02:06:41,189 --> 02:06:39,520

know there's an interview with bernardo

3186

02:06:42,550 --> 02:06:41,199

castro i'm going to link that it's going

3187

02:06:44,629 --> 02:06:42,560

to be in the description same with

3188

02:06:46,310 --> 02:06:44,639

donald hoffman on this channel i think

3189

02:06:48,550 --> 02:06:46,320

they're some of the best with them and

3190

02:06:50,390 --> 02:06:48,560

that's not because of myself it's

3191

02:06:52,149 --> 02:06:50,400

because i happen to catch them at great

3192

02:06:54,709 --> 02:06:52,159

days

3193

02:06:56,709 --> 02:06:54,719

on their best behavior

3194

02:06:58,550 --> 02:06:56,719

and

3195

02:07:00,390 --> 02:06:58,560

donald hoffman is also coming on live on

3196

02:07:03,830 --> 02:07:00,400

sunday with yoshibok to talk about

3197

02:07:05,910 --> 02:07:03,840

consciousness after salvatore pais and

3198

02:07:08,310 --> 02:07:05,920

gary nolan which will occur in a few

3199

02:07:10,709 --> 02:07:08,320

weeks or so i'm thinking of taking a

3200

02:07:13,350 --> 02:07:10,719

lengthy break from this ufo content

3201

02:07:15,589 --> 02:07:13,360

the i tend to take matters

3202

02:07:17,270 --> 02:07:15,599

on this channel extremely seriously

3203

02:07:19,750 --> 02:07:17,280

whether they're about consciousness

3204

02:07:22,950 --> 02:07:19,760

theories or physics or what have you and

3205

02:07:24,390 --> 02:07:22,960

it's extremely destabilizing to me i

3206

02:07:26,790 --> 02:07:24,400

perhaps i shouldn't be taking them as

3207

02:07:27,750 --> 02:07:26,800

seriously as i do but i but i

3208

02:07:29,430 --> 02:07:27,760

but i

3209

02:07:32,310 --> 02:07:29,440

i treat them

3210

02:07:34,229 --> 02:07:32,320

while i take them seriously

3211

02:07:36,390 --> 02:07:34,239

there's this quote by renee descartes

3212

02:07:38,069 --> 02:07:36,400

which says which says something like i

3213

02:07:41,030 --> 02:07:38,079

heard you say something like i've fallen

3214

02:07:42,790 --> 02:07:41,040

unexpectedly into a deep whirlpool and i

3215

02:07:44,229 --> 02:07:42,800

can't stand at the bottom nor swim to

3216

02:07:47,189 --> 02:07:44,239

the top

3217

02:07:48,629 --> 02:07:47,199

so that's much like how i feel

3218

02:07:51,510 --> 02:07:48,639

and i want to also make sure that what

3219

02:07:52,950 --> 02:07:51,520

i'm doing on this ufo topic is fresh

3220

02:07:54,709 --> 02:07:52,960

and salutary

3221

02:07:56,629 --> 02:07:54,719

and while the comment section is filled

3222

02:07:58,470 --> 02:07:56,639

with plaudits

3223

02:08:00,550 --> 02:07:58,480

i want to make sure that the adulation

3224

02:08:03,189 --> 02:08:00,560

or the approbation is directed toward

3225

02:08:05,109 --> 02:08:03,199

the toe approach or the questions asked

3226

02:08:07,270 --> 02:08:05,119

i want to make sure that

3227

02:08:10,229 --> 02:08:07,280

that i'm

3228

02:08:11,270 --> 02:08:10,239

well i don't i don't see it i i it

3229

02:08:12,870 --> 02:08:11,280

doesn't mean it's not there it's just

3230

02:08:14,629 --> 02:08:12,880

that i don't see it so i need to be able

3231

02:08:15,910 --> 02:08:14,639

to see it and i also want to make sure

3232

02:08:17,589 --> 02:08:15,920

that i'm

3233

02:08:19,430 --> 02:08:17,599

there's so much there i want to make

3234

02:08:20,950 --> 02:08:19,440

sure that this is it's obvious that

3235

02:08:24,550 --> 02:08:20,960

these videos are quite popular on the

3236

02:08:28,229 --> 02:08:26,310

and i i fear

3237

02:08:29,910 --> 02:08:28,239

i want to make sure that what i'm doing

3238

02:08:32,870 --> 02:08:29,920

i'm not doing i'm not pursuing because

3239

02:08:34,550 --> 02:08:32,880

it's favored and it's so

3240

02:08:37,510 --> 02:08:34,560

like i don't feel like i am i feel like

3241

02:08:39,270 --> 02:08:37,520

i'm genuine about it and and i'm earnest

3242

02:08:42,069 --> 02:08:39,280

but i know how easy it is to delude

3243

02:08:44,069 --> 02:08:42,079

oneself into pursuing what's popular

3244

02:08:45,030 --> 02:08:44,079

so i need to take some time and collect

3245

02:08:47,990 --> 02:08:45,040

myself

3246

02:08:50,149 --> 02:08:48,000

i've seen people like even

3247

02:08:52,310 --> 02:08:50,159

even jordan peterson go down that route

3248

02:08:54,950 --> 02:08:52,320

where he has great work in psychology

3249

02:08:56,390 --> 02:08:54,960

and religion and now almost all of his

3250

02:08:58,550 --> 02:08:56,400

content is about

3251

02:09:00,470 --> 02:08:58,560

being anti-woken so on

3252

02:09:02,470 --> 02:09:00,480

and i i don't

3253

02:09:04,390 --> 02:09:02,480

i feel like he became embittered from

3254

02:09:05,750 --> 02:09:04,400

that and followed some of the crowd i

3255

02:09:07,109 --> 02:09:05,760

need to make sure that i'm not doing

3256

02:09:09,910 --> 02:09:07,119

that i need to make sure that what i'm

3257

02:09:11,350 --> 02:09:09,920

doing is not selfish and not

3258

02:09:12,790 --> 02:09:11,360

filled with

3259

02:09:14,069 --> 02:09:12,800

perfidy

3260

02:09:16,229 --> 02:09:14,079

mendacity

3261

02:09:17,669 --> 02:09:16,239

lies and deceit

3262

02:09:19,270 --> 02:09:17,679

not that it is not that it is but i'm

3263

02:09:21,830 --> 02:09:19,280

saying that

3264

02:09:24,229 --> 02:09:21,840

i need to introspect some more but i

3265

02:09:26,950 --> 02:09:24,239

also do too much introspection i'm a bit

3266

02:09:29,910 --> 02:09:26,960

extreme on that there is an upside to it

3267

02:09:32,470 --> 02:09:29,920

though that it would give some of the uf

3268

02:09:34,229 --> 02:09:32,480

let's think of the toe

3269

02:09:35,830 --> 02:09:34,239

project as being split into two audience

3270

02:09:38,629 --> 02:09:35,840

the ufo audience and then those who are

3271

02:09:40,310 --> 02:09:38,639

more interested in the stem fields while

3272

02:09:42,550 --> 02:09:40,320

it may be true that those who are in the

3273

02:09:44,629 --> 02:09:42,560

stem fields like the theoretical math

3274

02:09:46,550 --> 02:09:44,639

and physics should be more interested in

3275

02:09:48,229 --> 02:09:46,560

the phenomenon and that learning a

3276

02:09:50,229 --> 02:09:48,239

little bit about it can aid their

3277

02:09:53,030 --> 02:09:50,239

understanding of stem while that's true

3278

02:09:54,870 --> 02:09:53,040

i think the flip side is also true where

3279

02:09:57,189 --> 02:09:54,880

understanding even a modicum of the

3280

02:09:59,270 --> 02:09:57,199

foundations of mathematics and physics

3281

02:10:01,270 --> 02:09:59,280

may aid one's understanding of the

3282

02:10:03,109 --> 02:10:01,280

phenomenon so perhaps it will give some

3283

02:10:05,669 --> 02:10:03,119

of the people who are on the more ufo

3284

02:10:07,589 --> 02:10:05,679

oriented end of the toe audience or the

3285

02:10:10,149 --> 02:10:07,599

toe projects audience

3286

02:10:12,229 --> 02:10:10,159

a chance to go through some of the other

3287

02:10:14,229 --> 02:10:12,239

podcasts on this channel

3288

02:10:16,149 --> 02:10:14,239

in fact there's a starter playlist that

3289

02:10:18,229 --> 02:10:16,159

i've put together

3290

02:10:19,990 --> 02:10:18,239

sorted in terms of what's most

3291

02:10:22,069 --> 02:10:20,000

entertaining slash informative slash

3292

02:10:23,750 --> 02:10:22,079

easy to go through i'll put a link to

3293

02:10:25,350 --> 02:10:23,760

that in the description

3294

02:10:28,310 --> 02:10:25,360

jasmine says are you going to address

3295

02:10:30,069 --> 02:10:28,320

how ridiculously ridiculously ignorant

3296

02:10:31,990 --> 02:10:30,079

and disrespectful your chat is always

3297

02:10:34,950 --> 02:10:32,000

when these topics are being discussed

3298

02:10:37,189 --> 02:10:34,960

well i wouldn't say my chat that's such

3299

02:10:39,109 --> 02:10:37,199

a it's so tricky the the chat that

3300

02:10:41,510 --> 02:10:39,119

happens on the videos that

3301

02:10:43,030 --> 02:10:41,520

are posted on this channel yeah well i

3302

02:10:46,470 --> 02:10:43,040

don't know i don't have time to look

3303

02:10:49,750 --> 02:10:46,480

through these when i'm speaking and i do

3304

02:10:51,510 --> 02:10:49,760

with regard to linda multan howe i do

3305

02:10:53,830 --> 02:10:51,520

condemn the comments that speak ill of

3306

02:10:55,189 --> 02:10:53,840

her especially with derision i don't

3307

02:10:56,550 --> 02:10:55,199

think that one should be derogatory

3308

02:10:58,870 --> 02:10:56,560

toward linda or any guest you can be

3309

02:11:01,510 --> 02:10:58,880

derogatory toward me the toe project is

3310

02:11:03,669 --> 02:11:01,520

about love it's about clemency so please

3311

02:11:06,709 --> 02:11:03,679

if you're being snide

3312

02:11:08,470 --> 02:11:06,719

and you're desprising then that's not

3313

02:11:11,430 --> 02:11:08,480

the compassionate understanding that the

3314

02:11:14,390 --> 02:11:11,440

the project is trying to emulate

3315

02:11:20,069 --> 02:11:17,430

no also keep in mind keep in mind hey

3316

02:11:21,830 --> 02:11:20,079

for something

3317

02:11:24,390 --> 02:11:21,840

this fractious

3318

02:11:27,030 --> 02:11:24,400

this controversial this topic that's so

3319

02:11:30,790 --> 02:11:29,669

the comments are actually extremely

3320

02:11:32,629 --> 02:11:30,800

civil

3321

02:11:34,550 --> 02:11:32,639

so that i'm surprised about while

3322

02:11:37,030 --> 02:11:34,560

obviously there are

3323

02:11:38,790 --> 02:11:37,040

there are negative comments i'm almost

3324

02:11:40,709 --> 02:11:38,800

always surprised at how much positive

3325

02:11:42,470 --> 02:11:40,719

comments there are there's so much that

3326

02:11:44,310 --> 02:11:42,480

i want to say about that linda multan

3327

02:11:47,030 --> 02:11:44,320

howe interview there's so much that i

3328

02:11:48,390 --> 02:11:47,040

regret and so much that i i just but i

3329

02:11:51,270 --> 02:11:48,400

feel like what i would be doing would be

3330

02:11:52,629 --> 02:11:51,280

justifying myself like a little child

3331

02:11:54,870 --> 02:11:52,639

and i don't want to do that i just want

3332

02:11:57,270 --> 02:11:54,880

to take my lumps

3333

02:11:59,270 --> 02:11:57,280

though there's so much that is false

3334

02:12:00,550 --> 02:11:59,280

that i've read for example

3335

02:12:01,990 --> 02:12:00,560

linda was under the impression that i

3336

02:12:03,750 --> 02:12:02,000

didn't read

3337

02:12:06,310 --> 02:12:03,760

or go through the material that she sent

3338

02:12:09,510 --> 02:12:06,320

which is false i watched all of what she

3339

02:12:10,950 --> 02:12:09,520

sent as for reading well she has plenty

3340

02:12:12,629 --> 02:12:10,960

of work and there were tomes so i wasn't

3341

02:12:13,830 --> 02:12:12,639

able to read all of it though i skimmed

3342

02:12:15,830 --> 02:12:13,840

it

3343

02:12:18,229 --> 02:12:15,840

and i feel like that contributed to a

3344

02:12:20,629 --> 02:12:18,239

negative impression of her toward me i

3345

02:12:22,229 --> 02:12:20,639

feel like my questions were ill-timed i

3346

02:12:24,709 --> 02:12:22,239

feel like it's false to say that i was

3347

02:12:26,310 --> 02:12:24,719

harder on her than i was on other guests

3348

02:12:28,709 --> 02:12:26,320

and someone keeps saying yeah but your

3349

02:12:29,990 --> 02:12:28,719

average guess what do you mean average

3350

02:12:31,430 --> 02:12:30,000

in statistics you don't look at the

3351

02:12:32,709 --> 02:12:31,440

average you look at variance like you

3352

02:12:34,870 --> 02:12:32,719

have to look there's something they're

3353

02:12:36,550 --> 02:12:34,880

higher order corrective terms variance

3354

02:12:38,390 --> 02:12:36,560

is one of them because if it unless a

3355

02:12:40,229 --> 02:12:38,400

distribution is simple then average

3356

02:12:43,350 --> 02:12:40,239

means nothing and i would say was in the

3357

02:12:45,589 --> 02:12:43,360

variance of the channel the way that i

3358

02:12:47,830 --> 02:12:45,599

spoke with her it doesn't mean that i

3359

02:12:50,790 --> 02:12:47,840

spoke optimally but i would i wouldn't

3360

02:12:52,709 --> 02:12:50,800

say it was drastically different

3361

02:12:54,390 --> 02:12:52,719

and i do regret it i do regret how it

3362

02:12:56,069 --> 02:12:54,400

happened some people say yeah you didn't

3363

02:12:58,870 --> 02:12:56,079

push back enough or you pushed back too

3364

02:13:00,790 --> 02:12:58,880

much my role on this toe

3365

02:13:04,310 --> 02:13:00,800

channel is not to be a skeptic or to

3366

02:13:05,750 --> 02:13:04,320

push back that's not how i see it i i

3367

02:13:07,589 --> 02:13:05,760

don't think in terms of that i don't

3368

02:13:10,470 --> 02:13:07,599

even think in terms of well how many i

3369

02:13:12,310 --> 02:13:10,480

have to have one hard question per

3370

02:13:14,709 --> 02:13:12,320

every five questions

3371

02:13:16,390 --> 02:13:14,719

i just wanted to know if

3372

02:13:17,910 --> 02:13:16,400

she was aware of the criticisms of her

3373

02:13:20,550 --> 02:13:17,920

work which is why i kept bringing it up

3374

02:13:22,950 --> 02:13:20,560

i didn't hear the answers from her

3375

02:13:24,550 --> 02:13:22,960

so i would repeat questions and thus we

3376

02:13:26,149 --> 02:13:24,560

spent more time on the criticisms

3377

02:13:28,069 --> 02:13:26,159

quote-unquote criticisms because i had

3378

02:13:29,350 --> 02:13:28,079

to keep repeating the questions because

3379

02:13:30,790 --> 02:13:29,360

she would give

3380

02:13:32,950 --> 02:13:30,800

an answer that was five to ten minutes

3381

02:13:36,149 --> 02:13:32,960

long and i couldn't hear the response to

3382

02:13:39,750 --> 02:13:38,310

now there's someone like lu elisando

3383

02:13:41,350 --> 02:13:39,760

who's infamous for not answering the

3384

02:13:43,189 --> 02:13:41,360

question so why is it any different with

3385

02:13:45,750 --> 02:13:43,199

him well the difference with lou is that

3386

02:13:48,870 --> 02:13:45,760

lou

3387

02:13:50,550 --> 02:13:48,880

answering the questions directly and

3388

02:13:52,790 --> 02:13:50,560

we'll even bring it up like he'll either

3389

02:13:54,950 --> 02:13:52,800

say i can't answer it because of reasons

3390

02:13:56,390 --> 02:13:54,960

x y and z

3391

02:13:57,990 --> 02:13:56,400

or he'll

3392

02:13:59,270 --> 02:13:58,000

parenthetically give an answer so i'll

3393

02:14:01,430 --> 02:13:59,280

give an answer that's parenthetically

3394

02:14:03,270 --> 02:14:01,440

related or metaphorically related or

3395

02:14:06,470 --> 02:14:03,280

thematically related

3396

02:14:07,750 --> 02:14:06,480

and also there were shorter answers

3397

02:14:09,270 --> 02:14:07,760

whereas with linda i would wait i'm

3398

02:14:11,669 --> 02:14:09,280

listening i'm listening i'm like linda i

3399

02:14:14,149 --> 02:14:11,679

didn't quite hear the answer to that

3400

02:14:15,430 --> 02:14:14,159

and also as for

3401

02:14:17,350 --> 02:14:15,440

speaking with her for two and a half

3402

02:14:20,950 --> 02:14:17,360

hours the interview was

3403

02:14:22,790 --> 02:14:20,960

essentially of unlim of unspecified time

3404

02:14:24,310 --> 02:14:22,800

and she had just come from proudly

3405

02:14:26,149 --> 02:14:24,320

stating that she has more energy than

3406

02:14:27,910 --> 02:14:26,159

she's ever had and that she works

3407

02:14:29,750 --> 02:14:27,920

18-hour days and that she speaks at

3408

02:14:31,830 --> 02:14:29,760

conferences for hours on end so i didn't

3409

02:14:33,109 --> 02:14:31,840

think it was uncouth to ask her hey can

3410

02:14:34,310 --> 02:14:33,119

you answer a couple more questions i

3411

02:14:36,310 --> 02:14:34,320

know we've been going for two and a half

3412

02:14:37,669 --> 02:14:36,320

hours

3413

02:14:38,950 --> 02:14:37,679

in fact i was taking her at her word

3414

02:14:41,669 --> 02:14:38,960

when she said that she had more energy

3415

02:14:44,149 --> 02:14:41,679

than she's ever had either way i just

3416

02:14:47,350 --> 02:14:44,159

have to move forward from that

3417

02:14:48,629 --> 02:14:47,360

okay well everyone

3418

02:14:50,149 --> 02:14:48,639

thank you

3419

02:14:53,270 --> 02:14:50,159

take care everyone i appreciate you all

3420

02:14:56,950 --> 02:14:55,270
