by the scientific method,

1
00:00:05,570 --> 00:00:02,050
I distinguish by the way between

2
00:00:10,009 --> 00:00:05,580
scientific method and the scientific way

3
00:00:13,009 --> 00:00:10,019
of thinking and I do not believe that

4
00:00:15,589 --> 00:00:13,019
all truths of significant nature are

5
00:00:17,650 --> 00:00:15,599
accessible by the scientific method

6
00:00:20,390 --> 00:00:17,660
which is

7
00:00:23,929 --> 00:00:20,400
experiments or observation repeatability

8
00:00:25,609 --> 00:00:23,939
testing Etc I do not think many of the

9
00:00:28,070 --> 00:00:25,619
questions are susceptible to that

10
00:00:30,189 --> 00:00:28,080
because science the scientific method

11
00:00:33,110 --> 00:00:30,199
has a physicalism

12
00:00:35,870 --> 00:00:33,120
foundation and so anything outside of
