

TOE

phenomenon,

1  
00:00:04,010 --> 00:00:01,670  
some people thought that I was a skeptic

2  
00:00:05,450 --> 00:00:04,020  
that's actually not true I I'm asking

3  
00:00:06,769 --> 00:00:05,460  
detailed questions because I want to

4  
00:00:08,629 --> 00:00:06,779  
know what was the error like on this

5  
00:00:10,250 --> 00:00:08,639  
alien ship I want to know what did the

6  
00:00:12,290 --> 00:00:10,260  
glass rod feel like was it heavy was

7  
00:00:14,030 --> 00:00:12,300  
Gravity the same and so on I'm curious

8  
00:00:15,890 --> 00:00:14,040  
to know about Skinwalker what's going on

9  
00:00:16,730 --> 00:00:15,900  
at Skinwalker and what's its connections

10  
00:00:21,050 --> 00:00:16,740  
to

11  
00:00:23,870 --> 00:00:21,060  
go looking

12  
00:00:25,790 --> 00:00:23,880  
for the phenomenon uh it basically

13  
00:00:28,849 --> 00:00:25,800

doesn't show itself fascinating with

14

00:00:31,849 --> 00:00:28,859

Skinwalker is that um you basically have

15

00:00:34,370 --> 00:00:31,859

the convergence of multiple you know

16

00:00:36,830 --> 00:00:34,380

things happening and their cattle are

17

00:00:39,709 --> 00:00:36,840

missing or cattle mutilation where blood

18

00:00:41,930 --> 00:00:39,719

is gone a lot of like really weird

19

00:00:43,670 --> 00:00:41,940

things about it like maybe the cuts are

20

00:00:45,410 --> 00:00:43,680

in between cells maybe there's no

21

00:00:47,330 --> 00:00:45,420

vascular collapse maybe it happened

22

00:00:49,190 --> 00:00:47,340

within 10 minutes I mean lights in the
