

1

00:00:00,000 --> 00:00:04,000

Sometimes it's impossible to get rid of unwanted guests.

2

00:00:07,000 --> 00:00:09,000

Has a vampire invited herself to dinner?

3

00:00:10,000 --> 00:00:12,000

There's one way to find out.

4

00:00:13,000 --> 00:00:16,000

They say a witch's spirit lives in this cave.

5

00:00:18,000 --> 00:00:20,000

But it might be safer not to go searching.

6

00:00:21,000 --> 00:00:23,000

Is this an ordinary covered bridge?

7

00:00:24,000 --> 00:00:26,000

Or the way to the next world?

8

00:00:26,000 --> 00:00:34,000

The time has come to welcome the night visitors to truth or scare.

9

00:00:56,000 --> 00:00:58,000

The night visitors are not alone.

10

00:01:13,000 --> 00:01:15,000

Who are the night visitors?

11

00:01:16,000 --> 00:01:20,000

Even people who say they've actually met these mysterious spirits have no answer.

12

00:01:20,000 --> 00:01:26,000

There are places where voices are heard, visions are seen and explanations are nowhere to be found.

13

00:01:27,000 --> 00:01:31,000

If the stories are true, then the ghosts of the past are here now.

14

00:01:33,000 --> 00:01:35,000

And they only come out at night.

15

00:01:37,000 --> 00:01:38,000

Did you hear something?

16

00:01:39,000 --> 00:01:41,000

Yeah. Thank you, I gotta leave.

17

00:01:42,000 --> 00:01:45,000

You have to be fearless to go walking in these woods at night.

18

00:01:45,000 --> 00:01:52,000

Here in rural Tennessee, they say an evil power has been haunting the area for centuries.

19

00:01:55,000 --> 00:01:57,000

Thank you, I gotta leave.

20

00:02:09,000 --> 00:02:12,000

Welcome to the Bell Witch Cave.

21

00:02:13,000 --> 00:02:19,000

Today the curious and the very brave still come here, ghost hunting.

22

00:02:20,000 --> 00:02:25,000

And they still tell the story of John Bell and the witch who tormented him.

23

00:02:28,000 --> 00:02:33,000

In the spring of 1813, John Bell moved his family to the town of Adams, Tennessee.

24

00:02:34,000 --> 00:02:41,000

John and his wife Lucy and their kids, Richard, Drury and Betsy got settled into their new home.

25

00:02:42,000 --> 00:02:46,000

For the first few months, their lives were pretty peaceful.

26

00:02:50,000 --> 00:02:53,000

But soon that peace was shattered.

27

00:02:53,000 --> 00:02:58,000

A mysterious presence entered their lives that no one can explain to this day.

28

00:02:59,000 --> 00:03:03,000

They heard sounds and felt tremors on their property, like an earthquake.

29

00:03:03,000 --> 00:03:06,000

But it was only happening around the Bell's home.

30

00:03:07,000 --> 00:03:11,000

The noises were terrifying. Weeks went by.

31

00:03:11,000 --> 00:03:14,000

Outside the house, the noises were getting louder.

32

00:03:15,000 --> 00:03:19,000

Then, one night, the horror moved inside.

33

00:03:20,000 --> 00:03:22,000

The horror was gone.

34

00:03:22,000 --> 00:03:24,000

The horror was getting louder.

35

00:03:25,000 --> 00:03:28,000

Then, one night, the horror moved inside.

36

00:03:29,000 --> 00:03:31,000

Richard Bell wrote about it in his diary.

37

00:03:32,000 --> 00:03:37,000

A noise commenced in our room, like a rat gnawing vigorously on the bed post.

38

00:03:38,000 --> 00:03:41,000

There was no such thing as sleep to be thought of.

39

00:03:43,000 --> 00:03:47,000

Until the noise ceased, which was usually about three o'clock in the morning.

40

00:03:48,000 --> 00:03:50,000

Richard Bell.

41

00:03:51,000 --> 00:03:55,000

These people that were witnessing this event, they were not crazy.

42

00:03:55,000 --> 00:03:56,000

They were not strange.

43

00:03:56,000 --> 00:03:59,000

They were very ordinary people for the time.

44

00:03:59,000 --> 00:04:02,000

And what happened to them was not ordinary.

45

00:04:02,000 --> 00:04:05,000

Whatever it was tormenting the Bells, it turned violent.

46

00:04:14,000 --> 00:04:16,000

At first, they kept quiet about it.

47

00:04:16,000 --> 00:04:18,000

Just a family problem.

48

00:04:18,000 --> 00:04:22,000

But eventually, the terror overcame them.

49

00:04:22,000 --> 00:04:24,000

They had to get help.

50

00:04:27,000 --> 00:04:33,000

John Bell called in James Johnston, a religious man who thought they might find a solution in the Bible.

51

00:04:36,000 --> 00:04:38,000

Johnston's method was direct.

52

00:04:41,000 --> 00:04:45,000

He interrogated the evil force and demanded answers.

53

00:04:49,000 --> 00:04:52,000

The nightmare was only beginning.

54

00:04:53,000 --> 00:04:55,000

Apparently, she had been disturbed.

55

00:04:57,000 --> 00:05:02,000

The reports say she was hurt throughout the house, laughing and taunting.

56

00:05:06,000 --> 00:05:08,000

Words spread quickly through town.

57

00:05:08,000 --> 00:05:12,000

The locals started calling the awful thing the Bell Witch.

58

00:05:13,000 --> 00:05:20,000

We'll never know why the Witch, or whatever it was, hated John Bell so much.

59

00:05:26,000 --> 00:05:31,000

But according to witnesses, she swore to stand him until the day he died.

60

00:05:35,000 --> 00:05:39,000

It was a tragic mix-up that finally ended Bell's life.

61

00:05:39,000 --> 00:05:43,000

Somehow, a jar of medicine he was taken gut-filled with deadly poison.

62

00:05:45,000 --> 00:05:47,000

The doctor was brought in to investigate.

63

00:05:47,000 --> 00:05:48,000

His conclusion?

64

00:05:49,000 --> 00:05:51,000

Accidental poison.

65

00:05:52,000 --> 00:05:57,000

People at the time did not believe it was an accident, but rather the work of the Bell Witch.

66

00:06:05,000 --> 00:06:08,000

It was said the Witch haunted John Bell to his grave.

67

00:06:10,000 --> 00:06:15,000

La la

68

00:06:15,000 --> 00:06:22,000

At his funeral, they say that her singing and laughing was so loud no one could even hear the pastor's eulogy.

69

00:06:22,000 --> 00:06:26,000

La la

70

00:06:26,000 --> 00:06:30,000

After John Bell's funeral, the family moved far away from Adams.

71

00:06:30,000 --> 00:06:33,000

The house set empty for years.

72

00:06:34,000 --> 00:06:37,000

But the Bell Witch could be more than a story.

73

00:06:37,000 --> 00:06:39,460

Some say that she's a part of the land,

74

00:06:39,460 --> 00:06:41,620

a spirit that has been here forever,

75

00:06:41,620 --> 00:06:45,680

and still is, somewhere underground.

76

00:06:48,840 --> 00:06:51,040

10 years ago, Chris Kirby and her husband

77

00:06:51,040 --> 00:06:53,040

bought the Old Belle Cave.

78

00:06:53,040 --> 00:06:55,960

Some say they got more than they bargained for.

79

00:06:58,160 --> 00:07:00,240

I've heard some things in there that,

80

00:07:01,520 --> 00:07:03,760

really, you shouldn't be hearing in a cave.

81

00:07:03,760 --> 00:07:05,680

I've heard growling sounds in there.

82

00:07:05,680 --> 00:07:08,400

I've heard what sounded like a scream.

83

00:07:08,400 --> 00:07:10,520

I know it's hard to believe,

84

00:07:10,520 --> 00:07:12,720

but until you've witnessed it yourself,

85

00:07:13,600 --> 00:07:16,480

it's, I know, I know there's something there,

86

00:07:16,480 --> 00:07:18,240

but I just don't know what it is.

87

00:07:21,480 --> 00:07:24,200

Still something that exists here today

88

00:07:24,200 --> 00:07:26,880

that I can't explain, nor can anyone else.

89

00:07:30,520 --> 00:07:32,840

The memory of these strange events will live on,

90

00:07:32,840 --> 00:07:35,200

although we may never know the truth.

91

00:07:36,120 --> 00:07:39,000

As terrifying as the old stories are,

92

00:07:39,000 --> 00:07:40,600

it's even scarier to wonder

93

00:07:41,880 --> 00:07:44,040

if the Belle Witch might return some day.

94

00:07:53,240 --> 00:07:56,520

What happens when the dead won't rest in peace?

95

00:07:56,520 --> 00:07:58,680

Find out when we dig up the story

96

00:07:58,680 --> 00:08:00,360

of America's last vampire.

97

00:08:00,720 --> 00:08:02,040

Aaaaaaah!

98

00:08:04,240 --> 00:08:05,920

Next, Untrutherscare.

99

00:08:10,560 --> 00:08:11,520

Gubbery Kids

100

00:08:13,800 --> 00:08:15,640

Most people would probably say

101

00:08:15,640 --> 00:08:17,800

that vampires come from Transylvania.

102

00:08:18,760 --> 00:08:20,240

There are people all over the world

103

00:08:20,240 --> 00:08:22,760

to tell stories about the walking dead

104

00:08:22,760 --> 00:08:25,080

and monsters who feast on human blood.

105

00:08:25,920 --> 00:08:27,640

There have also been reports of vampires

106

00:08:27,640 --> 00:08:29,600

much closer to home.

107

00:08:29,600 --> 00:08:31,120

Not so long ago.

108

00:08:36,560 --> 00:08:38,080

In the late 1800s,

109

00:08:38,080 --> 00:08:39,920

Rhode Island was known as a center

110

00:08:39,920 --> 00:08:41,840

of weird supernatural activity.

111

00:08:43,120 --> 00:08:46,320

Believers felt the presence of restless, hungry souls.

112

00:08:50,120 --> 00:08:52,840

And a certain type of deadly American vampire

113

00:08:52,840 --> 00:08:53,840

was on the loose.

114

00:08:54,640 --> 00:08:55,840

Or so they said.

115

00:09:02,400 --> 00:09:03,400

Aaaaaah!

116

00:09:05,400 --> 00:09:07,200

It was the late 1800s

117

00:09:07,200 --> 00:09:09,440

and death was stalking New England.

118

00:09:11,080 --> 00:09:14,240

A mysterious epidemic was killing thousands of people.

119

00:09:14,240 --> 00:09:16,560

No one had a clue where it came from.

120

00:09:17,560 --> 00:09:19,440

Some called it consumption,

121

00:09:19,440 --> 00:09:22,240

but some said it was a very dangerous thing.

122

00:09:22,480 --> 00:09:24,520

Some called it consumption,

123

00:09:24,520 --> 00:09:26,520

others named it the white plague.

124

00:09:29,240 --> 00:09:32,120

In small remote villages like Exeter,

125

00:09:32,120 --> 00:09:34,440

the disease spread like wildfire,

126

00:09:34,440 --> 00:09:36,840

passing from one family to another.

127

00:09:43,680 --> 00:09:46,320

It was the winter of 1883,

128

00:09:46,320 --> 00:09:49,200

when George Brown lost his wife Mary.

129

00:09:49,200 --> 00:09:51,040

A slow, painful death.

130

00:09:52,440 --> 00:09:53,680

Then, one by one,

131

00:09:53,680 --> 00:09:56,160

his children each got the terrible disease as well.

132

00:09:57,040 --> 00:09:59,160

His daughter, Olive, lying in bed,

133

00:09:59,160 --> 00:10:02,120

sick and weak, was haunted by nightmares.

134

00:10:06,200 --> 00:10:08,120

She dreamt about a shadowy figure

135

00:10:08,120 --> 00:10:10,840

who would steal her breath and drain her life for us.

136

00:10:16,680 --> 00:10:18,560

George's son, Edwin, was next.

137

00:10:18,560 --> 00:10:20,960

He also suffered from more than the illness.

138

00:10:21,960 --> 00:10:23,280

In horrifying dreams,

139

00:10:23,280 --> 00:10:26,280

his breath and blood seemed to be sucked from his body.

140

00:10:29,760 --> 00:10:31,480

It got worse.

141

00:10:31,480 --> 00:10:33,440

As Edwin lay at death's door,

142

00:10:33,440 --> 00:10:35,880

his sister, Mercy, became violently ill.

143

00:10:38,480 --> 00:10:40,480

Soon, she passed away.

144

00:10:43,320 --> 00:10:45,400

The town was gripped by fear.

145

00:10:45,400 --> 00:10:48,760

What was spreading the plague and who would be next?

146

00:10:48,760 --> 00:10:51,560

They found no answers in science.

147

00:10:52,520 --> 00:10:54,480

So, they turned to folklore.

148

00:10:56,040 --> 00:10:58,080

They started to suspect that their enemy

149

00:10:58,080 --> 00:11:00,600

came from the supernatural realm.

150

00:11:00,600 --> 00:11:03,320

And if the living couldn't come up with a solution,

151

00:11:03,320 --> 00:11:05,840

maybe the answer lay buried with the dead.

152

00:11:10,120 --> 00:11:13,480

Town elder William Rose made an emotional appeal, saying,

153

00:11:13,480 --> 00:11:15,640

the undead must be returning from the grave

154

00:11:15,640 --> 00:11:17,520

to feed on the living.

155

00:11:17,560 --> 00:11:20,720

His prime suspect was one of the Brown family.

156

00:11:20,720 --> 00:11:22,840

He convinced George that there was only one way

157

00:11:22,840 --> 00:11:24,680

to save his son, Edwin.

158

00:11:24,680 --> 00:11:27,200

Dig up the bodies of his wife and children.

159

00:11:30,280 --> 00:11:32,440

George Brown said he would.

160

00:11:37,040 --> 00:11:39,480

Even the most prominent members of the community

161

00:11:39,480 --> 00:11:41,120

believed in the malevolent spirit

162

00:11:41,120 --> 00:11:42,640

and gathered at the graveyard.

163

00:11:43,640 --> 00:11:46,200

No one, rich or poor, was immune

164

00:11:46,200 --> 00:11:48,200

from the desperation of the times.

165

00:11:49,200 --> 00:11:52,080

First, they unearthed Olive and her mother.

166

00:11:56,760 --> 00:11:59,240

They are just dust and bones.

167

00:12:04,360 --> 00:12:06,000

Mercy was next.

168

00:12:06,000 --> 00:12:08,000

The men pulled their coffin from the ground.

169

00:12:08,000 --> 00:12:10,440

The children pulled their coffin from the ground.

170

00:12:12,920 --> 00:12:14,400

What they saw...

171

00:12:16,320 --> 00:12:18,480

was too shocking for words.

172

00:12:21,520 --> 00:12:23,920

The truth was now clear to the townspeople.

173

00:12:24,920 --> 00:12:26,840

Mercy was the vampire who had been stalking

174

00:12:26,840 --> 00:12:29,520

their nightmares and dwindling their numbers.

175

00:12:33,360 --> 00:12:35,120

According to their beliefs,

176

00:12:35,120 --> 00:12:37,920

her heart had to be removed and cremated.

177

00:12:37,920 --> 00:12:40,520

In the end, she was forced to leave the town.

178

00:12:40,520 --> 00:12:42,320

The townspeople were very surprised

179

00:12:42,320 --> 00:12:44,600

that she would continue to claim even more lives.

180

00:12:48,000 --> 00:12:49,600

The task of performing the ritual

181

00:12:49,600 --> 00:12:51,400

fell to Dr. Harold Metcalf.

182

00:12:54,000 --> 00:12:55,440

The townspeople hoped that this act

183

00:12:55,440 --> 00:12:57,760

would not only stop the vampire from returning,

184

00:12:57,760 --> 00:12:59,960

but help save the sick as well.

185

00:13:01,240 --> 00:13:03,680

Desperate to save their friends and loved ones,

186

00:13:03,680 --> 00:13:06,560

they made a potion with the ashes and gave it to Edwin.

187

00:13:07,920 --> 00:13:09,920

But later, he passed away.

188

00:13:16,440 --> 00:13:18,400

Whether she was a vampire or not,

189

00:13:18,400 --> 00:13:21,560

after Mercy Brown was put to rest for the second time,

190

00:13:21,560 --> 00:13:25,200

the epidemic of consumption in Exeter Road Island

191

00:13:25,200 --> 00:13:26,720

came to an end.

192

00:13:33,960 --> 00:13:36,520

Coming up next, this mysterious covered bridge

193

00:13:36,520 --> 00:13:38,840

seems to span the waters of time.

194

00:13:38,840 --> 00:13:41,560

And on the other side, they say,

195

00:13:41,560 --> 00:13:44,360

a lonely ghost is waiting for all eternity.

196

00:13:48,320 --> 00:13:50,320

When truth or scare continues.

197

00:13:55,120 --> 00:13:57,640

The gaggle will be back on Discovery Kids.

198

00:13:58,800 --> 00:14:02,280

This Halloween, take a wild ride to the frightfully funny side

199

00:14:02,280 --> 00:14:03,880

with the biggest Halloween adventure.

200

00:14:03,880 --> 00:14:04,720

Get it.

201

00:14:06,720 --> 00:14:09,680

The gaggle is back on Discovery Kids.

202

00:14:10,840 --> 00:14:14,160

It is said that the night visitors come in different shapes

203

00:14:14,160 --> 00:14:16,480

and for different reasons.

204

00:14:16,480 --> 00:14:18,320

If the evidence is true,

205

00:14:18,320 --> 00:14:20,400

then there's an endless variety of spirits

206

00:14:20,400 --> 00:14:24,400

out there in the netherworld, like this young woman,

207

00:14:24,400 --> 00:14:28,120

forever waiting for a man who never arrives.

208

00:14:29,120 --> 00:14:31,120

The Goldbrook Bridge gets its name

209

00:14:31,120 --> 00:14:33,680

from the narrow stream that runs underneath it.

210

00:14:36,680 --> 00:14:39,520

For decades, prospectors in Stowe Hall over a month

211

00:14:39,520 --> 00:14:41,520

have been panning for gold there.

212

00:14:41,520 --> 00:14:44,040

But the bridge is the real treasure

213

00:14:44,040 --> 00:14:46,640

for people who want to meet a ghost.

214

00:14:50,240 --> 00:14:51,840

According to the local legend,

215

00:14:51,840 --> 00:14:53,840

the bridge is the real treasure.

216

00:14:53,840 --> 00:14:55,840

The bridge is the real treasure

217

00:14:56,760 --> 00:15:00,120

According to the local legend, back in the 1850s,

218

00:15:00,120 --> 00:15:02,120

love was in the Vermont air.

219

00:15:05,280 --> 00:15:08,320

A young farm girl named Emily met a young man

220

00:15:08,320 --> 00:15:10,560

and pretty soon she was in over her head.

221

00:15:17,960 --> 00:15:21,560

One day they decided to run away together and get married.

222

00:15:21,560 --> 00:15:23,760

Wait for me here tomorrow, he tells her,

223

00:15:23,760 --> 00:15:26,080

and I promise to take you away forever.

224

00:15:29,760 --> 00:15:30,760

So she waited...

225

00:15:36,600 --> 00:15:37,600

and waited.

226

00:15:42,680 --> 00:15:45,480

The hour slipped slowly away,

227

00:15:45,480 --> 00:15:47,480

but still no sign of her boyfriend.

228

00:15:49,920 --> 00:15:53,200

Depressed and alone, Emily made a vow to herself.

229

00:15:53,200 --> 00:15:56,720

She would never let anything like this happen again.

230

00:15:56,720 --> 00:15:57,720

Ever.

231

00:15:57,720 --> 00:15:59,720

I think her hopes were just dashed.

232

00:15:59,720 --> 00:16:03,720

By midnight, the hours had ticked away

233

00:16:03,720 --> 00:16:07,720

and she became more and more desperate.

234

00:16:07,720 --> 00:16:10,720

And she saw no alternative

235

00:16:10,720 --> 00:16:12,720

than to take her own life.

236

00:16:12,720 --> 00:16:16,720

Legend says that she was taken to the village cemetery,

237

00:16:16,720 --> 00:16:18,720

but after a century and a half,

238

00:16:18,720 --> 00:16:21,720

some people believe her spirit may be somewhere else.

239

00:16:43,720 --> 00:16:46,720

It's a very eerie feeling.

240

00:16:46,720 --> 00:16:50,720

People have gone to the bridge and have seen a figure

241

00:16:50,720 --> 00:16:53,720

and they can hear her calling out.

242

00:16:59,720 --> 00:17:02,720

Today, the locals know it as Emily's bridge.

243

00:17:02,720 --> 00:17:05,720

Have a look inside, they say,

244

00:17:05,720 --> 00:17:08,720

and if it's just the right kind of foggy night,

245

00:17:08,720 --> 00:17:11,720

you just might catch a glimpse of the past.

246

00:17:12,720 --> 00:17:16,720

MUSIC

247

00:17:21,720 --> 00:17:24,720

Coming next, on this windswept cliff,

248

00:17:24,720 --> 00:17:27,720

a medieval castle is home to mysteries from the past.

249

00:17:27,720 --> 00:17:30,720

Is it also home to ghosts?

250

00:17:33,720 --> 00:17:36,720

When truth or scare continues.

251

00:17:37,720 --> 00:17:38,720

Hey, kids!

252

00:17:38,720 --> 00:17:42,720

MUSIC

253

00:17:42,720 --> 00:17:44,720

Imagine living in your own castle.

254

00:17:44,720 --> 00:17:46,720

Would you ever want to leave?

255

00:17:46,720 --> 00:17:48,720

Inventor John Hammond and his wife

256

00:17:48,720 --> 00:17:50,720

believe so strongly in the afterworld.

257

00:17:50,720 --> 00:17:54,720

Witnesses claim their spirits never left the castle grounds.

258

00:17:54,720 --> 00:17:57,720

Could they have discovered the secret to eternal life?

259

00:18:04,720 --> 00:18:07,720

Here on the coast of Cape Ann, Massachusetts,

260

00:18:07,720 --> 00:18:10,720

this building is hiding bizarre secrets.

261

00:18:12,720 --> 00:18:15,720

On the outside, it looks like a medieval fortress.

262

00:18:15,720 --> 00:18:19,720

But there are no knights or crusaders here.

263

00:18:19,720 --> 00:18:23,720

The spirit of John Hayes Hammond, they say,

264

00:18:23,720 --> 00:18:26,720

could be found anywhere in his castle.

265

00:18:28,720 --> 00:18:31,720

He's been called everything from a gifted inventor

266

00:18:31,720 --> 00:18:33,720

to a mad scientist.

267

00:18:34,720 --> 00:18:37,720

His castle walls kept the world out,

268

00:18:37,720 --> 00:18:40,720

and his secrets safe.

269

00:18:40,720 --> 00:18:43,720

Hammond was a strong believer in reincarnation.

270

00:18:43,720 --> 00:18:47,720

In some experiments, he tried to unlock the secrets of life...

271

00:18:47,720 --> 00:18:49,720

and death.

272

00:18:50,720 --> 00:18:52,720

Over 30 years after his death,

273

00:18:52,720 --> 00:18:55,720

it looks like he's not going anywhere.

274

00:18:58,720 --> 00:19:01,720

In 1926, Hammond built the seaside fortress

275

00:19:01,720 --> 00:19:05,720

as a safe haven for himself and his new wife Irene.

276

00:19:05,720 --> 00:19:07,720

This was a strange wedding present,

277

00:19:07,720 --> 00:19:11,720

but then again, Hammond was a very strange man.

278

00:19:12,720 --> 00:19:17,720

Inside, everywhere you look are strange relics of the past.

279

00:19:17,720 --> 00:19:21,720

Some say they make this the most haunted castle in the United States.

280

00:19:25,720 --> 00:19:28,720

The artifacts that the Hammond's brought back from their travels

281

00:19:28,720 --> 00:19:31,720

fill the house with a strange presence.

282

00:19:33,720 --> 00:19:38,720

The caretaker, Richard Gordon, has witnessed strange things himself.

283

00:19:38,720 --> 00:19:43,720

You see shadows and images in the building.

284

00:19:43,720 --> 00:19:46,720

Noises, whisperings.

285

00:19:47,720 --> 00:19:50,720

Hammond may not be the only spirit who likes to hear.

286

00:19:50,720 --> 00:19:54,720

Hammond's wife was also a believer in the spirit world.

287

00:19:54,720 --> 00:19:57,720

She died several years before he did.

288

00:19:57,720 --> 00:20:02,720

Once she was gone, the mysterious sightings increased dramatically.

289

00:20:02,720 --> 00:20:06,720

They have heard the voice of a woman in a room.

290

00:20:06,720 --> 00:20:09,720

They have seen a woman go from one room to another room

291

00:20:09,720 --> 00:20:12,720

and then have summoned the maintenance people to go into that room

292

00:20:12,720 --> 00:20:16,720

to see who that was and there was nobody there.

293

00:20:17,720 --> 00:20:19,720

How do you really explain it?

294

00:20:19,720 --> 00:20:24,720

Unless you've had an experience like this, how do you explain it?

295

00:20:24,720 --> 00:20:28,720

There are those who believe Hammond himself still walks these halls.

296

00:20:29,720 --> 00:20:33,720

The mysterious sightings hint at something we don't quite understand.

297

00:20:36,720 --> 00:20:40,720

John Hayes Hammond seemed determined to solve the mysteries of the supernatural.

298

00:20:40,720 --> 00:20:43,720

How well did he succeed?

299

00:20:43,720 --> 00:20:45,720

We may never know.

300

00:20:45,720 --> 00:20:48,720

At least, not in this world.

301

00:20:49,720 --> 00:20:54,720

So, who are the Night Visitors?

302

00:20:54,720 --> 00:20:57,720

The inventions of superstition?

303

00:20:57,720 --> 00:21:00,720

Or forces beyond our understanding?

304

00:21:00,720 --> 00:21:07,720

Whoever or whatever they are, many people say they are intent on making contact.

305

00:21:07,720 --> 00:21:10,720

It seems like they might have something to tell us.

306

00:21:10,720 --> 00:21:14,720

Or maybe, they're looking for answers themselves.

307

00:21:18,720 --> 00:21:23,720

The Night Visitors

308

00:21:48,720 --> 00:21:50,720

The Night Visitors
