

1
00:02:38,399 --> 00:01:07,230

[Music]

2
00:02:43,059 --> 00:02:41,320

welcome back friends back to truth

3
00:02:44,559 --> 00:02:43,069

seekers tonight

4
00:02:47,680 --> 00:02:44,569

we're gonna be talking about one of my

5
00:02:48,960 --> 00:02:47,690

favorite but very old cases and that is

6
00:02:53,050 --> 00:02:48,970

the Kelly

7
00:02:56,440 --> 00:02:53,060

Hopkinsville encounter I've got a couple

8
00:02:58,569 --> 00:02:56,450

of page of notes here first thing that

9
00:03:02,470 --> 00:02:58,579

you should know is that this happened

10
00:03:06,449 --> 00:03:02,480

way back August 21st in 1995 it was a

11
00:03:09,699 --> 00:03:06,459

hot summer night and shortly after dark

12
00:03:12,819 --> 00:03:09,709

people in a farmhouse were shocked and

13
00:03:16,030 --> 00:03:12,829

surprised to discover a flying saucer a

14

00:03:18,449 --> 00:03:16,040

light in the sky outside that seemed to

15

00:03:22,390 --> 00:03:18,459

land off in the distance

16

00:03:27,729 --> 00:03:22,400

next they started seeing what can only

17

00:03:29,559 --> 00:03:27,739

be described as paranormal entities some

18

00:03:33,210 --> 00:03:29,569

people have called these things the

19

00:03:36,759 --> 00:03:33,220

kentucky goblins in fact there is

20

00:03:40,809 --> 00:03:36,769

actually an amazing amount of cultural

21

00:03:45,030 --> 00:03:40,819

influence that this case has had there

22

00:03:48,129 --> 00:03:45,040

is a role-playing game where there is a

23

00:03:50,759 --> 00:03:48,139

race of monsters called the hopkins

24

00:03:52,990 --> 00:03:50,769

which were modeled after these

25

00:03:55,839 --> 00:03:53,000

extraterrestrials the people in this

26
00:03:58,869 --> 00:03:55,849
farmhouse encountered there were five

27
00:04:01,900 --> 00:03:58,879
adults and seven children in this

28
00:04:07,089 --> 00:04:01,910
farmhouse a couple of men their mother

29
00:04:10,900 --> 00:04:07,099
their wives and their children this

30
00:04:13,839 --> 00:04:10,910
story is different from most alien

31
00:04:18,219 --> 00:04:13,849
abduction stories because there was

32
00:04:20,140 --> 00:04:18,229
actually a firefight the people in the

33
00:04:22,750 --> 00:04:20,150
farmhouse when they realized that these

34
00:04:23,379 --> 00:04:22,760
creatures were peeking through the

35
00:04:27,219 --> 00:04:23,389
windows

36
00:04:30,159 --> 00:04:27,229
standing in the doorframe and they felt

37
00:04:33,909 --> 00:04:30,169
threatened they went one went got a

38
00:04:36,490 --> 00:04:33,919

shotgun the other a hunting rifle they

39

00:04:40,540 --> 00:04:36,500

shot at these things reportedly for

40

00:04:42,370 --> 00:04:40,550

hours and hours that's why to me this is

41

00:04:44,500 --> 00:04:42,380

a great story because how often do we

42

00:04:47,860 --> 00:04:44,510

hear an alien story where people are

43

00:04:51,190 --> 00:04:47,870

and guns and shooting at them by the

44

00:04:55,000 --> 00:04:51,200

reports of the eyewitnesses these things

45

00:04:58,180 --> 00:04:55,010

were more or less impervious to the

46

00:05:00,520 --> 00:04:58,190

shots that were being fired at them they

47

00:05:02,380 --> 00:05:00,530

would shoot them they would fall down or

48

00:05:05,110 --> 00:05:02,390

back up for a while and then they would

49

00:05:10,450 --> 00:05:05,120

get back up and walk towards these

50

00:05:13,060 --> 00:05:10,460

people which to me is just it's just

51
00:05:15,280 --> 00:05:13,070
crazy that people were firing guns at

52
00:05:17,500 --> 00:05:15,290
these aliens

53
00:05:22,690 --> 00:05:17,510
hold on one second I want to get over to

54
00:05:26,050 --> 00:05:22,700
the live chat here oh I see UFO Gandalf

55
00:05:31,180 --> 00:05:26,060
and super deep funk ad and ream see and

56
00:05:33,760 --> 00:05:31,190
loyal everyone and Jonah side Johnny

57
00:05:36,730 --> 00:05:33,770
seven shout out to Johnny seven and

58
00:05:38,080 --> 00:05:36,740
Josiah paranormal hood Ziggy is here and

59
00:05:42,390 --> 00:05:38,090
wanted to come be a guest

60
00:05:51,180 --> 00:05:45,790
let's see if we have comments your field

61
00:05:56,020 --> 00:05:51,190
gun get off so Steven paranormal hood

62
00:05:58,210 --> 00:05:56,030
talking to rien see there so I what I

63
00:06:00,100 --> 00:05:58,220

have to show you tonight is really just

64

00:06:02,200 --> 00:06:00,110

a bunch of screenshots but then I

65

00:06:05,100 --> 00:06:02,210

thought that if this green chair thing

66

00:06:07,840 --> 00:06:05,110

is gonna work for me tonight we can also

67

00:06:12,040 --> 00:06:07,850

go and hear an explanation from the

68

00:06:16,480 --> 00:06:12,050

actual town historian that I found let

69

00:06:19,030 --> 00:06:16,490

me see if we're going to be able to find

70

00:06:22,340 --> 00:06:19,040

that just bear with me for a moment guys

71

00:06:27,890 --> 00:06:22,350

Kelly Hopkinsville

72

00:06:52,940 --> 00:06:50,760

there was an educational toes I'm sorry

73

00:06:56,520 --> 00:06:52,950

here guys I'm trying to find the

74

00:06:59,360 --> 00:06:56,530

Kentucky educational let's try better

75

00:07:01,980 --> 00:06:59,370

search terms should have had this leg up

76

00:07:02,760 --> 00:07:01,990

when I started things were a little bit

77

00:07:10,920 --> 00:07:02,770

behind

78

00:07:15,060 --> 00:07:10,930

tonight I have a recreation oh I found

79

00:07:17,850 --> 00:07:15,070

it okay so rather than me try to tell

80

00:07:19,560 --> 00:07:17,860

the story the there's a woman and she

81

00:07:22,050 --> 00:07:19,570

wrote an excellent book that I have it's

82

00:07:24,930 --> 00:07:22,060

called alien legacy it's all about this

83

00:07:28,740 --> 00:07:24,940

case and what happened and this was the

84

00:07:31,470 --> 00:07:28,750

daughter of one of the urge and all I

85

00:07:32,970 --> 00:07:31,480

witnesses who has this book and she's in

86

00:07:36,120 --> 00:07:32,980

the following video which we're gonna

87

00:07:39,180 --> 00:07:36,130

we're gonna show you because it's just

88

00:07:41,610 --> 00:07:39,190

uh there's a town historian in this

89

00:07:43,530 --> 00:07:41,620

video the video is put up by Kentucky

90

00:07:44,790 --> 00:07:43,540

educational television I don't know if

91

00:07:46,800 --> 00:07:44,800

it's copyrighted I don't think they'll

92

00:07:48,660 --> 00:07:46,810

mind but I'm gonna say here fair use

93

00:07:53,040 --> 00:07:48,670

fair use we're going to be discussing

94

00:07:55,890 --> 00:07:53,050

this after we watch it so let's see if

95

00:07:59,820 --> 00:07:55,900

we can't share the screen here and I'm

96

00:08:01,800 --> 00:07:59,830

going to we're gonna watch this this

97

00:08:08,310 --> 00:08:01,810

short video I think it's about five

98

00:08:12,010 --> 00:08:08,320

minutes kelly Hopkinsville education

99

00:08:12,020 --> 00:09:22,640

Oh how kalokhe

100

00:11:21,640 --> 00:09:46,030

[Music]

101
00:11:25,000 --> 00:11:21,650
oh no audio vocals no I guess we're

102
00:11:27,310 --> 00:11:25,010
gonna we're gonna kill the share screen

103
00:11:30,790 --> 00:11:27,320
see that's what I was talking about I'm

104
00:11:32,860 --> 00:11:30,800
not sure why that didn't work it's

105
00:11:34,810 --> 00:11:32,870
supposed to play the audio is why you

106
00:11:38,019 --> 00:11:34,820
guys couldn't hear that you only hear in

107
00:11:40,240 --> 00:11:38,029
the background music okay well in the

108
00:11:42,820 --> 00:11:40,250
video they tell the story which you know

109
00:11:46,540 --> 00:11:42,830
you saw parts of it a flying saucer came

110
00:11:50,410 --> 00:11:46,550
flying streaking overhead and then it

111
00:11:53,170 --> 00:11:50,420
landed sort of off in the forest behind

112
00:11:56,040 --> 00:11:53,180
their house next they saw two to

113
00:11:59,620 --> 00:11:56,050

three-foot tall silver grey beings

114

00:12:02,880 --> 00:11:59,630

floating at them they were very

115

00:12:05,829 --> 00:12:02,890

frightening that the two adult males who

116

00:12:08,710 --> 00:12:05,839

went in the house that was Elmer Sutton

117

00:12:12,730 --> 00:12:08,720

and Billy Ray Taylor they went in the

118

00:12:15,579 --> 00:12:12,740

house and they told the mother there

119

00:12:18,670 --> 00:12:15,589

that there was demons outside or

120

00:12:20,560 --> 00:12:18,680

spaceman from Mars and there's really

121

00:12:22,030 --> 00:12:20,570

something there they sort of argued with

122

00:12:26,079 --> 00:12:22,040

the mother and then they went and got

123

00:12:32,620 --> 00:12:26,089

their guns went back outside and started

124

00:12:35,440 --> 00:12:32,630

shooting at this I'm going to chair

125

00:12:39,600 --> 00:12:35,450

screen of this let me see if I can't

126
00:12:43,480 --> 00:12:39,610
find them I have a bunch of pictures of

127
00:12:49,420 --> 00:12:43,490
of what the creatures look like so let

128
00:12:51,610 --> 00:12:49,430
me get more of those that's uh there's

129
00:12:54,129 --> 00:12:51,620
one of them is the most famous and I've

130
00:13:07,759 --> 00:12:54,139
seen it in books and books and

131
00:13:10,669 --> 00:13:07,769
alright it clear this is from yeah oh

132
00:13:21,949 --> 00:13:10,679
here's the most famous one okay so we

133
00:13:25,100 --> 00:13:21,959
can share the screen on this and here we

134
00:13:28,970 --> 00:13:25,110
go so this is drawing from the original

135
00:13:31,309 --> 00:13:28,980
witnesses of what they saw it's also

136
00:13:34,519 --> 00:13:31,319
interesting to note that after this

137
00:13:36,850 --> 00:13:34,529
event it got an incredible amount of

138
00:13:40,340 --> 00:13:36,860

newspaper coverage that got local

139

00:13:43,069 --> 00:13:40,350

regional statewide and national

140

00:13:45,379 --> 00:13:43,079

newspapers and whole other cities picked

141

00:13:48,350 --> 00:13:45,389

up this story it was a fantastical story

142

00:13:51,139 --> 00:13:48,360

and it's important to note that this is

143

00:13:54,139 --> 00:13:51,149

how the media has a hand in changing

144

00:13:57,350 --> 00:13:54,149

things the description of these beings

145

00:14:00,829 --> 00:13:57,360

were that they were silvery gray but

146

00:14:03,710 --> 00:14:00,839

somehow in the newspaper coverage the

147

00:14:07,189 --> 00:14:03,720

beings got changed into being little

148

00:14:09,679 --> 00:14:07,199

green men it's also interesting and of

149

00:14:12,710 --> 00:14:09,689

cultural significance that the entire

150

00:14:15,379 --> 00:14:12,720

term little green men it actually came

151

00:14:19,280 --> 00:14:15,389

from this case but they were not little

152

00:14:21,319 --> 00:14:19,290

green men so it's just interesting how

153

00:14:23,569 --> 00:14:21,329

the media can twist things but that

154

00:14:25,819 --> 00:14:23,579

whole term which will be used famously

155

00:14:28,519 --> 00:14:25,829

for a decade it still is today or did

156

00:14:31,069 --> 00:14:28,529

you see little green men it all came

157

00:14:33,889 --> 00:14:31,079

from this case and and I think that this

158

00:14:36,199 --> 00:14:33,899

case is interesting because this is not

159

00:14:37,609 --> 00:14:36,209

your typical gray aliens I mean they

160

00:14:41,299 --> 00:14:37,619

have a similar head but they've got

161

00:14:43,579 --> 00:14:41,309

these big goblin ears sort of you know

162

00:14:45,650 --> 00:14:43,589

it's also interesting to me that these

163

00:14:47,389 --> 00:14:45,660

things were floating at them off the

164

00:14:49,939 --> 00:14:47,399

ground not walking towards them but they

165

00:14:52,879 --> 00:14:49,949

did also say that they were walking or

166

00:14:54,619 --> 00:14:52,889

running when they shot them which is

167

00:14:57,230 --> 00:14:54,629

just another this is just another

168

00:14:59,929 --> 00:14:57,240

incredible and criminal part of the

169

00:15:03,379 --> 00:14:59,939

story I'm going to see if I could find

170

00:15:05,679 --> 00:15:03,389

out another another depiction there's a

171

00:15:08,119 --> 00:15:05,689

bunch of depictions that I have here oh

172

00:15:12,019 --> 00:15:08,129

yeah this is something that I definitely

173

00:15:14,689 --> 00:15:12,029

want to share a few UFO investigators

174

00:15:20,389 --> 00:15:14,699

looked into this story and somehow

175

00:15:22,879 --> 00:15:20,399

decided that what they saw we're not

176

00:15:26,210 --> 00:15:22,889

aliens and that these two gentlemen

177

00:15:31,579 --> 00:15:26,220

Elmer Sutton and Billy Ray Taylor may

178

00:15:34,759 --> 00:15:31,589

have been intoxicated but there's

179

00:15:36,559 --> 00:15:34,769

there's just an anecdotal report that

180

00:15:41,389 --> 00:15:36,569

they may have been intoxicated and be

181

00:15:45,439 --> 00:15:41,399

seeing these huge evil Eagle Eagle

182

00:15:49,269 --> 00:15:45,449

owls which are huge owls or great horned

183

00:15:52,129 --> 00:15:49,279

owls and and here we see a comparison of

184

00:15:55,100 --> 00:15:52,139

the creatures that they reported that

185

00:15:58,069 --> 00:15:55,110

had arms and legs and an actual I

186

00:16:00,679 --> 00:15:58,079

believe this one is a great horned owl

187

00:16:03,259 --> 00:16:00,689

I myself do not believe that farm people

188

00:16:07,159 --> 00:16:03,269

or country people wouldn't know if they

189

00:16:09,319 --> 00:16:07,169

saw an alley I have seen great horned

190

00:16:11,659 --> 00:16:09,329

owls and many other different species of

191

00:16:15,879 --> 00:16:11,669

owls just in a forest near my cabin I

192

00:16:19,400 --> 00:16:15,889

never thought they were little aliens

193

00:16:22,069 --> 00:16:19,410

so certainly so what happens is these

194

00:16:23,809 --> 00:16:22,079

guys are shooting reportedly for hours

195

00:16:29,090 --> 00:16:23,819

of these things and they and they just

196

00:16:31,609 --> 00:16:29,100

keep coming 12 to 15 of them eventually

197

00:16:36,609 --> 00:16:31,619

the attack whatever you want to call it

198

00:16:40,280 --> 00:16:36,619

sort of subsided and the two gentlemen

199

00:16:42,559 --> 00:16:40,290

their mother their wives and their

200

00:16:44,659 --> 00:16:42,569

children all directly after this

201
00:16:47,419 --> 00:16:44,669
incident of shooting these aliens for

202
00:16:49,489 --> 00:16:47,429
hours and trying to fight them off ended

203
00:16:51,350 --> 00:16:49,499
up at the local police station now a

204
00:16:53,859 --> 00:16:51,360
local police investigate it but when

205
00:16:57,350 --> 00:16:53,869
they went there they found no evidence

206
00:16:58,909 --> 00:16:57,360
other than broken windows from gunshots

207
00:17:01,249 --> 00:16:58,919
because they were apparently inside the

208
00:17:05,090 --> 00:17:01,259
house shooting through the windows at

209
00:17:09,379 --> 00:17:05,100
these creatures and you know they found

210
00:17:12,699 --> 00:17:09,389
a lot of spent shell casings and you

211
00:17:15,500 --> 00:17:12,709
know shotgun shells and spent you know

212
00:17:18,500 --> 00:17:15,510
bullet casings all over the place

213
00:17:19,420 --> 00:17:18,510

which would indicate that they were

214

00:17:20,800 --> 00:17:19,430

shooting off a lot of

215

00:17:23,350 --> 00:17:20,810

guns it doesn't really prove they were

216

00:17:25,300 --> 00:17:23,360

shooting at aliens but these guys were

217

00:17:29,140 --> 00:17:25,310

going at it shooting guns at these

218

00:17:33,790 --> 00:17:29,150

people which is crazy I'll show you

219

00:17:37,930 --> 00:17:33,800

another depiction here see if I can find

220

00:17:40,000 --> 00:17:37,940

up there have been these things have

221

00:17:42,730 --> 00:17:40,010

been and I want to show you actually I

222

00:17:47,310 --> 00:17:42,740

want to show you this this is the

223

00:17:52,600 --> 00:17:47,320

original farmhouse which is still there

224

00:17:54,660 --> 00:17:52,610

interestingly it's still there and that

225

00:18:01,200 --> 00:17:54,670

would be the original farmhouse that

226

00:18:04,630 --> 00:18:01,210

this happened in so I'm gonna go to

227

00:18:11,200 --> 00:18:04,640

through the live chat and take some of

228

00:18:12,910 --> 00:18:11,210

your comments and questions names he

229

00:18:15,940 --> 00:18:12,920

says I can't tell if that alien looks

230

00:18:17,950 --> 00:18:15,950

friendly or not it might be nice yeah I

231

00:18:20,230 --> 00:18:17,960

don't think it was nice if these people

232

00:18:22,390 --> 00:18:20,240

felt threatened enough to shoot at it

233

00:18:24,190 --> 00:18:22,400

but you never know maybe they were just

234

00:18:27,600 --> 00:18:24,200

coming to say hello right up to the

235

00:18:30,780 --> 00:18:27,610

farmhouse window I don't know and

236

00:18:35,110 --> 00:18:30,790

superbee front cat says they were

237

00:18:37,780 --> 00:18:35,120

terrified dang and you know super me I

238

00:18:40,600 --> 00:18:37,790

never knew that the V was for the is

239

00:18:43,900 --> 00:18:40,610

that for the original V series you know

240

00:18:48,070 --> 00:18:43,910

the reptilians you know V the final

241

00:18:50,560 --> 00:18:48,080

battle because if so that's probably my

242

00:18:55,150 --> 00:18:50,570

favorite science fiction series of all

243

00:19:02,590 --> 00:18:55,160

time yeah that is out of mine says that

244

00:19:05,140 --> 00:19:02,600

is lots of ammo and super V [h__h] also

245

00:19:07,330 --> 00:19:05,150

says no wonder we hear of so few silver

246

00:19:09,760 --> 00:19:07,340

goblin aliens they got shot at yeah

247

00:19:11,770 --> 00:19:09,770

maybe they phone home and told everybody

248

00:19:14,639 --> 00:19:11,780

don't go to this place called Earth they

249

00:19:20,320 --> 00:19:14,649

got cons and they shoot at us

250

00:19:22,509 --> 00:19:20,330

so I think you know the story has had

251
00:19:26,080 --> 00:19:22,519
this tremendous cultural impact and I

252
00:19:28,840 --> 00:19:26,090
don't think that a lot of people just

253
00:19:31,600 --> 00:19:28,850
kind of don't I haven't heard this story

254
00:19:32,919 --> 00:19:31,610
with a lot of UFO conferences or

255
00:19:35,379 --> 00:19:32,929
anything it's kind of just one of those

256
00:19:38,080 --> 00:19:35,389
old stories that fell by the wayside

257
00:19:40,570 --> 00:19:38,090
but somebody reminded me and by the way

258
00:19:42,999 --> 00:19:40,580
I must be the last person in conspiracy

259
00:19:45,609 --> 00:19:43,009
land who has not seen anything not one

260
00:19:47,710 --> 00:19:45,619
episode or anything of Helier but

261
00:19:50,049 --> 00:19:47,720
somebody in the live chat if you could

262
00:19:51,850 --> 00:19:50,059
tell me is it Hellyer has something to

263
00:19:54,489 --> 00:19:51,860

do with this case like they're returning

264

00:20:00,489 --> 00:19:54,499

respect this alien races from this

265

00:20:04,480 --> 00:20:00,499

original incident is returning Oh super

266

00:20:06,879 --> 00:20:04,490

Vee I'm Vanessa and a fifth child but my

267

00:20:08,560 --> 00:20:06,889

favorite old-school sci-fi - yeah I love

268

00:20:11,139 --> 00:20:08,570

to be growing up I thought that was the

269

00:20:13,509 --> 00:20:11,149

greatest the greatest science fiction

270

00:20:15,820 --> 00:20:13,519

story ever these benevolent aliens come

271

00:20:18,639 --> 00:20:15,830

and they really are eating us

272

00:20:20,649 --> 00:20:18,649

you know carting our bodies off and and

273

00:20:23,169 --> 00:20:20,659

they're sucking the earth dry of water

274

00:20:23,980 --> 00:20:23,179

that was their real agenda so that's

275

00:20:26,560 --> 00:20:23,990

awesome

276
00:20:31,690 --> 00:20:26,570
we're gonna go back to this chair screen

277
00:20:36,369 --> 00:20:31,700
here ooh let me see if I can and there's

278
00:20:38,350 --> 00:20:36,379
something else oh yeah we were talking

279
00:20:42,759 --> 00:20:38,360
about the cultural impact of this thing

280
00:20:44,909 --> 00:20:42,769
and so I wanted to show some of the

281
00:20:51,639 --> 00:20:44,919
cultural impacts I think it's important

282
00:20:53,830 --> 00:20:51,649
this has been made into comic books by

283
00:20:57,039 --> 00:20:53,840
not one but three different comic book

284
00:20:59,350 --> 00:20:57,049
companies put this story into a comic

285
00:21:02,139 --> 00:20:59,360
book about aliens

286
00:21:05,019 --> 00:21:02,149
one was alien encounters and I had that

287
00:21:08,230 --> 00:21:05,029
comic book which is great it has it's

288
00:21:10,389 --> 00:21:08,240

got Billy Mayer and the Hopkins Kelly

289

00:21:13,029 --> 00:21:10,399

case in Hopkinsville Kelly Kay's and

290

00:21:14,859 --> 00:21:13,039

Roswell and a few others all jammed into

291

00:21:19,440 --> 00:21:14,869

one comic book and when you're ten years

292

00:21:23,739 --> 00:21:19,450

old this was a cool thing to get and

293

00:21:26,349 --> 00:21:23,749

also the rest of the town they celebrate

294

00:21:28,090 --> 00:21:26,359

Kelly celebrates this the anniversary of

295

00:21:31,510 --> 00:21:28,100

the event every year they have this

296

00:21:34,930 --> 00:21:31,520

festival and Hopkinsville itself has a

297

00:21:37,720 --> 00:21:34,940

museum that is just dedicated to this

298

00:21:39,700 --> 00:21:37,730

event which i think is crazy that they

299

00:21:42,610 --> 00:21:39,710

did an entire museum but it's a little

300

00:21:45,340 --> 00:21:42,620

you know small town in Kentucky I guess

301
00:21:48,640 --> 00:21:45,350
you know they don't have much else to to

302
00:21:54,730 --> 00:21:48,650
attract tourists if anybody has been

303
00:21:58,630 --> 00:21:54,740
there I'd like to know about it Dan

304
00:22:00,159 --> 00:21:58,640
Hogan he says Hellyer was entertaining

305
00:22:07,480 --> 00:22:00,169
but some of their theories are a real

306
00:22:09,640 --> 00:22:07,490
stretch paranormal jiggy we even judge

307
00:22:12,490 --> 00:22:09,650
aliens in their looks just because they

308
00:22:14,830 --> 00:22:12,500
might may not look like we want them to

309
00:22:18,180 --> 00:22:14,840
you know jiggy I always think it's crazy

310
00:22:22,450 --> 00:22:18,190
that every alien is bipedal and

311
00:22:25,630 --> 00:22:22,460
generally humanoid in appearance because

312
00:22:28,210 --> 00:22:25,640
I don't know just from a science

313
00:22:31,260 --> 00:22:28,220

perspective I think like planets gonna

314

00:22:33,490 --> 00:22:31,270

have different levels of solar radiation

315

00:22:35,080 --> 00:22:33,500

they're gonna have different

316

00:22:38,649 --> 00:22:35,090

temperatures that have different

317

00:22:42,430 --> 00:22:38,659

gravities why would every alien evolve

318

00:22:46,149 --> 00:22:42,440

to be generally humanoid in shape and

319

00:22:48,520 --> 00:22:46,159

appearance or is that us projecting but

320

00:22:50,740 --> 00:22:48,530

oh the aliens are when we find them

321

00:22:58,510 --> 00:22:50,750

they're gonna be a lot like us that

322

00:23:00,430 --> 00:22:58,520

might be wishful thinking and out of

323

00:23:01,930 --> 00:23:00,440

mine says Hellyer is all my list to

324

00:23:03,159 --> 00:23:01,940

watch it's all mine I don't know how I

325

00:23:04,539 --> 00:23:03,169

missed it because I remember what

326

00:23:07,120 --> 00:23:04,549

everybody was talking about it but I was

327

00:23:10,899 --> 00:23:07,130

just so busy at the time I didn't have

328

00:23:16,210 --> 00:23:10,909

time to deal with it so I got a little

329

00:23:18,010 --> 00:23:16,220

bit more notes one often missed point of

330

00:23:21,909 --> 00:23:18,020

this story that I got from the book that

331

00:23:27,149 --> 00:23:21,919

the daughter of this Elmer Sutton wrote

332

00:23:29,380 --> 00:23:27,159

which was that the next day the family

333

00:23:31,930 --> 00:23:29,390

was worried that they would come back

334

00:23:34,690 --> 00:23:31,940

and apparently they did at 3:30 in the

335

00:23:35,890 --> 00:23:34,700

morning who are mean when they got back

336

00:23:38,470 --> 00:23:35,900

from the police station they were

337

00:23:41,230 --> 00:23:38,480

worried that the aliens would be back so

338

00:23:42,190 --> 00:23:41,240

at about 3:30 in the morning the aliens

339

00:23:43,990 --> 00:23:42,200

did

340

00:23:46,060 --> 00:23:44,000

there was more shots firing at them and

341

00:23:48,700 --> 00:23:46,070

the next day the family packed up and

342

00:23:52,090 --> 00:23:48,710

left claiming the creatures had returned

343

00:23:54,910 --> 00:23:52,100

at 3:30 a.m. and like I said there's

344

00:23:58,030 --> 00:23:54,920

some skeptics explanations which just

345

00:23:59,590 --> 00:23:58,040

don't make sense first of all a skeptic

346

00:24:02,500 --> 00:23:59,600

looked at this case and said there was

347

00:24:04,810 --> 00:24:02,510

meteors in the area well I think it's a

348

00:24:07,870 --> 00:24:04,820

stretch but somebody sees the fireball

349

00:24:10,090 --> 00:24:07,880

in the sky why would they say they saw a

350

00:24:13,390 --> 00:24:10,100

flying saucer land off in the woods

351
00:24:15,520 --> 00:24:13,400
behind their house you know they would

352
00:24:16,720 --> 00:24:15,530
say a red fire ball maybe landed behind

353
00:24:20,170 --> 00:24:16,730
their house so I don't really buy the

354
00:24:22,300 --> 00:24:20,180
meteors for the skeptics explanation my

355
00:24:23,980 --> 00:24:22,310
favorite though is that there was

356
00:24:27,610 --> 00:24:23,990
reported during this event that there

357
00:24:29,590 --> 00:24:27,620
was blue lights off in the forest some

358
00:24:34,150 --> 00:24:29,600
skeptic aim up with some crazy for your

359
00:24:37,210 --> 00:24:34,160
theory called it's called Foxfire which

360
00:24:39,310 --> 00:24:37,220
is a bioluminescent focus on decaying

361
00:24:41,200 --> 00:24:39,320
wood and he said that's what could have

362
00:24:43,420 --> 00:24:41,210
caused the blue lights off in the forest

363
00:24:46,270 --> 00:24:43,430

I don't know how many of you have spent

364

00:24:48,910 --> 00:24:46,280

any time in forests but I have a cabin

365

00:24:51,490 --> 00:24:48,920

there surrounded by literally hundreds

366

00:24:53,760 --> 00:24:51,500

of acres of woods I've never seen the

367

00:24:57,070 --> 00:24:53,770

phenomenon known as Fox fire or

368

00:24:59,500 --> 00:24:57,080

bioluminescent fungus on decaying wood

369

00:25:01,420 --> 00:24:59,510

so I kind of called [h__h] on that

370

00:25:06,520 --> 00:25:01,430

explanation for why there was blue

371

00:25:09,040 --> 00:25:06,530

lights off in the forest and then we

372

00:25:10,630 --> 00:25:09,050

have again they several skeptics has

373

00:25:13,570 --> 00:25:10,640

said that what these people they were

374

00:25:16,300 --> 00:25:13,580

drunk and they were seeing eagle ours

375

00:25:19,570 --> 00:25:16,310

who are great horn nails and that is why

376

00:25:21,550 --> 00:25:19,580

these great these things were floating

377

00:25:23,470 --> 00:25:21,560

at them because they were birds and they

378

00:25:25,570 --> 00:25:23,480

were flying but I would think that if

379

00:25:28,360 --> 00:25:25,580

you saw like a big out flapping its

380

00:25:30,400 --> 00:25:28,370

wings any work familiar you lived in the

381

00:25:32,770 --> 00:25:30,410

country you would know it's an owl so I

382

00:25:34,660 --> 00:25:32,780

just don't buy the skeptics you guys

383

00:25:36,970 --> 00:25:34,670

know that generally I'm more skeptical

384

00:25:39,490 --> 00:25:36,980

than then most believers in this

385

00:25:41,440 --> 00:25:39,500

phenomenon but in this case I do not

386

00:25:43,390 --> 00:25:41,450

believe the skeptics explanation this

387

00:25:45,250 --> 00:25:43,400

Foxfire thing is ridiculous

388

00:25:46,720 --> 00:25:45,260

there was a bioluminescent fungus or

389

00:25:49,360 --> 00:25:46,730

decaying wood in the forest and that's

390

00:25:51,580 --> 00:25:49,370

the blue light they were seeing and also

391

00:25:53,770 --> 00:25:51,590

I looked up this phenomenon and it's not

392

00:25:54,909 --> 00:25:53,780

super bright it's like glow-in-the-dark

393

00:25:57,099 --> 00:25:54,919

paint on

394

00:26:01,299 --> 00:25:57,109

cited a lot that's wrong and it's not in

395

00:26:03,159 --> 00:26:01,309

that break so no I don't buy that like I

396

00:26:06,009 --> 00:26:03,169

said there's a huge influence on pop

397

00:26:08,430 --> 00:26:06,019

culture again little green men the term

398

00:26:11,229 --> 00:26:08,440

little green men came from this case

399

00:26:13,989 --> 00:26:11,239

there's a Pokemon character based on

400

00:26:16,659 --> 00:26:13,999

these creatures Project Blue Book in the

401
00:26:18,970 --> 00:26:16,669
fourth episode of the second season

402
00:26:22,960 --> 00:26:18,980
focuses on this Kelly Hopkinsville

403
00:26:25,960 --> 00:26:22,970
encounter that actually is what reminded

404
00:26:27,669 --> 00:26:25,970
me of this case I first got I first

405
00:26:28,840 --> 00:26:27,679
learned about this case probably when I

406
00:26:33,129 --> 00:26:28,850
was in grade school

407
00:26:34,749 --> 00:26:33,139
Mike Mike school library had like three

408
00:26:37,720 --> 00:26:34,759
books on UFOs and they were from like

409
00:26:42,729 --> 00:26:37,730
the 1960s and 70s but this case was in

410
00:26:45,519 --> 00:26:42,739
one of them and also there is in the pan

411
00:26:49,239 --> 00:26:45,529
fire role Pathfinder role-playing game

412
00:26:51,220 --> 00:26:49,249
there is AI says there is a class of

413
00:26:57,330 --> 00:26:51,230

monsters called the Hopkins which are

414

00:27:01,450 --> 00:27:00,009

let's see jasmine Emmerich I totally

415

00:27:03,369 --> 00:27:01,460

understand your point is you know how he

416

00:27:04,720 --> 00:27:03,379

was in truth just an experience quite a

417

00:27:08,859 --> 00:27:04,730

few Platteville's and things that don't

418

00:27:10,570 --> 00:27:08,869

make sense still enjoyable to me answer

419

00:27:12,249 --> 00:27:10,580

no one would place their home apart

420

00:27:17,080 --> 00:27:12,259

unless there's a real perceived threat

421

00:27:18,700 --> 00:27:17,090

yeah that gave me another reason to

422

00:27:20,470 --> 00:27:18,710

believe it like you don't shoot the

423

00:27:22,330 --> 00:27:20,480

windows out of your house especially if

424

00:27:24,519 --> 00:27:22,340

you're kind of poor farm folk because

425

00:27:26,649 --> 00:27:24,529

you know windows aren't cheap I don't

426

00:27:29,080 --> 00:27:26,659

take I don't buy that they just saw

427

00:27:32,019 --> 00:27:29,090

Howl's and they started shooting out

428

00:27:33,399 --> 00:27:32,029

their house just from ours and the other

429

00:27:36,430 --> 00:27:33,409

thing that should be mentioned is that

430

00:27:38,889 --> 00:27:36,440

their mother it's a shame I couldn't

431

00:27:40,749 --> 00:27:38,899

play that video the person that wrote

432

00:27:44,529 --> 00:27:40,759

the book explained that the reason that

433

00:27:46,690 --> 00:27:44,539

this story was so well believed in a

434

00:27:49,149 --> 00:27:46,700

community was because of the mother of

435

00:27:52,749 --> 00:27:49,159

these two who was a Christian

436

00:27:54,489 --> 00:27:52,759

god-fearing salt-of-the-earth just good

437

00:28:00,129 --> 00:27:54,499

woman that everybody in the community

438

00:28:03,700 --> 00:28:00,139

knew and respected so when she said yeah

439

00:28:05,680 --> 00:28:03,710

this actually happened and that the the

440

00:28:07,300 --> 00:28:05,690

local sheriff interviewed her every time

441

00:28:09,940 --> 00:28:07,310

in the local sheriff come in it

442

00:28:12,370 --> 00:28:09,950

whatever she saw scared the living hell

443

00:28:14,500 --> 00:28:12,380

out of her and he believed that she was

444

00:28:21,100 --> 00:28:14,510

telling the honest-to-god truth

445

00:28:22,930 --> 00:28:21,110

it's kind of crazy oh yeah out of mine

446

00:28:25,930 --> 00:28:22,940

says weather balloons I don't know I

447

00:28:28,540 --> 00:28:25,940

like this Foxfire bioluminescent fungus

448

00:28:35,770 --> 00:28:28,550

that's that's better than swamp gas or

449

00:28:37,690 --> 00:28:35,780

weather balloons to me though oh there

450

00:28:38,950 --> 00:28:37,700

we go super V fun cat and jasmine

451
00:28:40,450 --> 00:28:38,960
Emmerich are talking about hell you're

452
00:28:42,040 --> 00:28:40,460
here I believe they say yeah I tried

453
00:28:44,710 --> 00:28:42,050
again recently but the dialogue already

454
00:28:47,770 --> 00:28:44,720
to me was too Pony to stomach the past

455
00:28:51,250 --> 00:28:47,780
four episodes but I try yeah

456
00:28:52,870 --> 00:28:51,260
so it's what I'm not really sure what

457
00:28:54,730 --> 00:28:52,880
the deal with Hellyer is because I think

458
00:28:56,560 --> 00:28:54,740
it's kind of marketed as a documentary

459
00:28:58,570 --> 00:28:56,570
but people are telling me it's a lot of

460
00:29:00,370 --> 00:28:58,580
made-up stuff thrown in there and

461
00:29:03,220 --> 00:29:00,380
there's plot holes and things don't make

462
00:29:05,890 --> 00:29:03,230
sense I'm gonna watch it anyway because

463
00:29:08,560 --> 00:29:05,900

you know it's it's something fun and

464

00:29:09,760 --> 00:29:08,570

like Jasmine Emmerich said it is an

465

00:29:15,370 --> 00:29:09,770

experience

466

00:29:17,950 --> 00:29:15,380

oh and dark cooper says ball lightning

467

00:29:20,470 --> 00:29:17,960

honorable mention i like swamp gas ball

468

00:29:22,030 --> 00:29:20,480

lightning weather balloons and this new

469

00:29:22,450 --> 00:29:22,040

thing that i've heard about for this

470

00:29:25,900 --> 00:29:22,460

case

471

00:29:28,390 --> 00:29:25,910

Foxfire which is a bioluminescent fungus

472

00:29:31,180 --> 00:29:28,400

on decaying wood as an explanation for

473

00:29:34,630 --> 00:29:31,190

paranormal activity that is my favorite

474

00:29:37,270 --> 00:29:34,640

of let's just grants but any straw that

475

00:29:40,990 --> 00:29:37,280

we could possibly grasp at to get this

476
00:29:44,890 --> 00:29:41,000
than going to debunk this you know

477
00:29:47,500 --> 00:29:44,900
sometimes they may have crazy crazy

478
00:29:48,790 --> 00:29:47,510
explanations out of - Thank You Jasmine

479
00:29:52,240 --> 00:29:48,800
I remember the case from when I was a

480
00:29:54,190 --> 00:29:52,250
kid yes all right and super glue bug cat

481
00:29:56,230 --> 00:29:54,200
wasn't this story featured in Project

482
00:29:58,630 --> 00:29:56,240
Blue Book it was investigator right I

483
00:30:02,170 --> 00:29:58,640
believe that somebody from Project Blue

484
00:30:04,510 --> 00:30:02,180
Book years after the event from from the

485
00:30:06,640 --> 00:30:04,520
book that I read on this yes interviewed

486
00:30:10,090 --> 00:30:06,650
the original witnesses they didn't

487
00:30:12,100 --> 00:30:10,100
really make a determination they just

488
00:30:15,190 --> 00:30:12,110

kind of left it at these were eyewitness

489

00:30:16,840 --> 00:30:15,200

reports and they didn't draw any kind of

490

00:30:19,120 --> 00:30:16,850

conclusions kind of hard to draw

491

00:30:20,830 --> 00:30:19,130

conclusions what are the reasons I like

492

00:30:23,620 --> 00:30:20,840

this story is because it's never

493

00:30:26,409 --> 00:30:23,630

in proven that these people faked it and

494

00:30:28,299 --> 00:30:26,419

even the children that were in the home

495

00:30:31,990 --> 00:30:28,309

years later were interviewed by people

496

00:30:33,669 --> 00:30:32,000

and told of the story of being terrified

497

00:30:36,570 --> 00:30:33,679

of looking out the window and seeing

498

00:30:40,659 --> 00:30:36,580

these little silver grey beings

499

00:30:43,360 --> 00:30:40,669

encroaching on their on their house you

500

00:30:46,180 --> 00:30:43,370

know and and their fathers outside with

501
00:30:47,890 --> 00:30:46,190
guns shooting these things the wives of

502
00:30:50,019 --> 00:30:47,900
these guys were also interviewed by the

503
00:30:51,730 --> 00:30:50,029
local sheriff the mother was interviewed

504
00:30:54,010 --> 00:30:51,740
they've all been interviewed and years

505
00:30:56,139 --> 00:30:54,020
and years later they've all stuck to

506
00:30:59,860 --> 00:30:56,149
their original story and generally the

507
00:31:04,269 --> 00:30:59,870
story was not embellished or added to or

508
00:31:06,370 --> 00:31:04,279
any you know there was nobody in this

509
00:31:08,889 --> 00:31:06,380
story was suffering from UFO disease

510
00:31:10,659 --> 00:31:08,899
which I like to call it UFO disease it's

511
00:31:12,549 --> 00:31:10,669
like you tell your story

512
00:31:14,649 --> 00:31:12,559
people get sick of it you got to add to

513
00:31:18,430 --> 00:31:14,659

the story gotta embellish you know I had

514

00:31:20,110 --> 00:31:18,440

to recovered memories or I was I went

515

00:31:21,789 --> 00:31:20,120

under hypnosis and I remembered more

516

00:31:24,310 --> 00:31:21,799

about that night none of that ever

517

00:31:26,769 --> 00:31:24,320

happened it's just the story has stayed

518

00:31:29,649 --> 00:31:26,779

the way that they told it since 1955

519

00:31:31,480 --> 00:31:29,659

more or less the biggest issue that I

520

00:31:33,389 --> 00:31:31,490

saw with the story being twisted around

521

00:31:37,090 --> 00:31:33,399

a little bit is just that somehow

522

00:31:39,039 --> 00:31:37,100

newspaper man newspaper men ran with the

523

00:31:42,460 --> 00:31:39,049

story little green men invade

524

00:31:44,590 --> 00:31:42,470

Hopkinsville Kentucky and attack a farm

525

00:31:46,480 --> 00:31:44,600

you know somehow it got turned into

526

00:31:50,260 --> 00:31:46,490

little green men I'm not sure how that

527

00:31:52,210 --> 00:31:50,270

is Oh I see reams he says Fox fires a

528

00:31:55,360 --> 00:31:52,220

real thing it occurs frequently in

529

00:31:58,419 --> 00:31:55,370

Appalachia folks know about it I I did

530

00:32:00,519 --> 00:31:58,429

the entire Appalachian Trail backpacking

531

00:32:02,110 --> 00:32:00,529

a long time ago I never saw any I'm not

532

00:32:05,350 --> 00:32:02,120

saying it doesn't exist I'm just saying

533

00:32:08,289 --> 00:32:05,360

that I think it's a it's really grasping

534

00:32:09,940 --> 00:32:08,299

for straws to say that the blue lights

535

00:32:12,190 --> 00:32:09,950

that they saw often the forests where

536

00:32:14,769 --> 00:32:12,200

this thing you know I believe it exists

537

00:32:16,360 --> 00:32:14,779

I looked it up I saw you know examples

538

00:32:20,470 --> 00:32:16,370

of it but it's not very bright

539

00:32:23,500 --> 00:32:20,480

and the new explanation for everything

540

00:32:24,909 --> 00:32:23,510

day-in Hogan says Elon Musk's satellites

541

00:32:26,740 --> 00:32:24,919

yeah but what a lot of people don't

542

00:32:28,299 --> 00:32:26,750

realize is those satellite through micro

543

00:32:30,820 --> 00:32:28,309

satellites there could be satellites the

544

00:32:33,279 --> 00:32:30,830

size of like a basketball and Elon Musk

545

00:32:34,600 --> 00:32:33,289

is launching hundreds or thousands of

546

00:32:36,700 --> 00:32:34,610

these mini or

547

00:32:38,710 --> 00:32:36,710

microsatellites that's the new big thing

548

00:32:40,570 --> 00:32:38,720

there's a lot of startups out in

549

00:32:42,220 --> 00:32:40,580

California my friend works for one of

550

00:32:45,250 --> 00:32:42,230

them and they're launching mini

551

00:32:47,740 --> 00:32:45,260

satellites for all different things so a

552

00:32:52,890 --> 00:32:47,750

lot of these YouTube yeah UFO sightings

553

00:32:56,710 --> 00:32:52,900

or you ap sightings could very well be

554

00:33:00,580 --> 00:32:56,720

these new satellites there are so many

555

00:33:02,260 --> 00:33:00,590

up there at my cabin that my cabin is in

556

00:33:05,740 --> 00:33:02,270

the mountains is actually in the highest

557

00:33:08,200 --> 00:33:05,750

elevation the highest point in the

558

00:33:11,680 --> 00:33:08,210

Pennsylvania State that's how high up it

559

00:33:13,690 --> 00:33:11,690

is you with a bear make it I you can see

560

00:33:15,400 --> 00:33:13,700

all kinds of satellites going over

561

00:33:19,360 --> 00:33:15,410

that's how high up we are

562

00:33:21,789 --> 00:33:19,370

especially on a clear night or you know

563

00:33:25,180 --> 00:33:21,799

if there's a full moon especially we see

564

00:33:28,120 --> 00:33:25,190

the ISS all the time and we see some

565

00:33:31,330 --> 00:33:28,130

satellites flying over I even got a

566

00:33:33,700 --> 00:33:31,340

satellite mapping program so that I

567

00:33:35,830 --> 00:33:33,710

could try to see them and I have a

568

00:33:37,390 --> 00:33:35,840

telescope I mean but really you can see

569

00:33:40,390 --> 00:33:37,400

them with the naked eye so it wouldn't

570

00:33:43,930 --> 00:33:40,400

surprise me if some of this stuff is is

571

00:33:45,640 --> 00:33:43,940

actually if some of the stuff is

572

00:33:49,090 --> 00:33:45,650

actually just satellites that people

573

00:33:51,580 --> 00:33:49,100

have been seeing so friends I don't know

574

00:33:56,110 --> 00:33:51,590

if anybody wants to call in but we are

575

00:34:03,750 --> 00:33:56,120

going to try to allow that let me see if

576

00:34:07,379 --> 00:34:03,760

I can get back to oh here we go

577

00:34:10,510 --> 00:34:07,389

so I have a you know sort of ramshackle

578

00:34:13,440 --> 00:34:10,520

call-in line system but we're gonna give

579

00:34:16,060 --> 00:34:13,450

that a shot and you have to bear with me

580

00:34:19,270 --> 00:34:16,070

anybody have children I can always tell

581

00:34:25,060 --> 00:34:19,280

when my children had my phone because

582

00:34:26,590 --> 00:34:25,070

the phone is super sticky they think

583

00:34:29,349 --> 00:34:26,600

it's sticky stuff on everything I don't

584

00:34:32,230 --> 00:34:29,359

know what they do it was today we had a

585

00:34:35,530 --> 00:34:32,240

birthday party for my son Xavier he

586

00:34:37,510 --> 00:34:35,540

turns 4 on Thursday and they went nuts

587

00:34:41,169 --> 00:34:37,520

with the ice they went absolutely nuts

588

00:34:44,590 --> 00:34:41,179

with the icing so I got the phone here

589

00:34:46,750 --> 00:34:44,600

ready I've got to play the bumper for

590

00:34:48,020 --> 00:34:46,760

the call-in number if anybody wants to

591

00:34:50,000 --> 00:34:48,030

call in you could talk about

592

00:34:53,629 --> 00:34:50,010

this case we can talk about healthier we

593

00:34:56,149 --> 00:34:53,639

can talk about anything that you want to

594

00:34:58,580 --> 00:34:56,159

talk about just open line here so let's

595

00:35:03,800 --> 00:34:58,590

see if we can't play that here we go

596

00:35:05,930 --> 00:35:03,810

looks and you may want to wait a minute

597

00:35:09,830 --> 00:35:05,940

or so after this place before you start

598

00:35:12,260 --> 00:35:09,840

dialing and here we go we're going to

599

00:35:15,050 --> 00:35:12,270

open phone lines you can call in and

600

00:35:18,140 --> 00:35:15,060

beyond true secrets with us everybody is

601
00:35:26,620 --> 00:35:18,150
welcome and we can talk about anything

602
00:37:21,580 --> 00:35:53,590
[Music]

603
00:37:26,510 --> 00:37:24,800
okay folks so we have open lines

604
00:37:33,770 --> 00:37:26,520
otherwise we're going to take questions

605
00:37:35,180 --> 00:37:33,780
or comments from the from the live chat

606
00:37:38,599 --> 00:37:35,190
here and I would thank you all for

607
00:37:40,849 --> 00:37:38,609
joining us and I do want to take a

608
00:37:42,470 --> 00:37:40,859
minute I'm bad at this stuff to tell

609
00:37:45,080 --> 00:37:42,480
everybody I would appreciate

610
00:37:47,150 --> 00:37:45,090
I made what may have been not the right

611
00:37:50,270 --> 00:37:47,160
decision to start a brand new YouTube

612
00:37:51,680 --> 00:37:50,280
channel for just for this show my old

613
00:37:53,839 --> 00:37:51,690

channel honestly was just like a

614

00:37:55,700 --> 00:37:53,849

creative dump for me if I worked on

615

00:37:58,070 --> 00:37:55,710

music if I worked on a radio show

616

00:38:11,450 --> 00:37:58,080

whatever I did creatively just dumped on

617

00:38:13,400 --> 00:38:11,460

that channel and hello this is well

618

00:38:15,140 --> 00:38:13,410

hello this is Steven on truth seekers

619

00:38:21,440 --> 00:38:15,150

who are you and where you're calling

620

00:38:23,660 --> 00:38:21,450

from reap see I'm so happy to put a

621

00:38:32,630 --> 00:38:23,670

voice to you that's awesome thank you

622

00:38:35,180 --> 00:38:32,640

for calling in yeah where where are you

623

00:38:37,250 --> 00:38:35,190

looking at with like if you don't want

624

00:38:53,390 --> 00:38:37,260

to tell me exactly just just you know

625

00:38:54,890 --> 00:38:53,400

generally in Kentucky still you'll go

626

00:38:57,980 --> 00:38:54,900

out and you'll see a bunch of us or

627

00:38:59,359 --> 00:38:57,990

whatever in your yard and you go do

628

00:39:00,650 --> 00:38:59,369

whatever you're doing outside and the

629

00:39:03,470 --> 00:39:00,660

next time you turn around and the

630

00:39:05,150 --> 00:39:03,480

mushrooms are gone that's held that Fox

631

00:39:07,760 --> 00:39:05,160

bar operate it doesn't sit there

632

00:39:10,190 --> 00:39:07,770

encourage you for all heck of a long

633

00:39:15,560 --> 00:39:10,200

time it's just the same with bursts of

634

00:39:19,550 --> 00:39:15,570

lemon I'm certainly not saying that in

635

00:39:21,650 --> 00:39:19,560

this Hopkinsville case that the force

636

00:39:24,920 --> 00:39:21,660

was lit up with that stuff because it's

637

00:39:27,280 --> 00:39:24,930

just not like that the best way that I

638

00:39:29,930 --> 00:39:27,290

can describe the way that stuff works

639

00:39:30,740 --> 00:39:29,940

you mean about lightning bugs or

640

00:39:34,550 --> 00:39:30,750

fireflies but

641

00:39:38,030 --> 00:39:34,560

why yeah sure it's just about like that

642

00:39:39,980 --> 00:39:38,040

and the times that I have seen it it has

643

00:39:43,010 --> 00:39:39,990

looked about that color that kind of

644

00:39:45,380 --> 00:39:43,020

strange greenish yellow color oh that's

645

00:39:47,360 --> 00:39:45,390

interesting yeah I found an example of

646

00:39:49,940 --> 00:39:47,370

it and somebody had a video of it and it

647

00:39:52,280 --> 00:39:49,950

looks sort of Bluegreen to me but it

648

00:39:54,440 --> 00:39:52,290

just looked like glow-in-the-dark paint

649

00:39:55,910 --> 00:39:54,450

or yeah like a lightning bug kind of

650

00:39:59,960 --> 00:39:55,920

brightness you could see that it was

651
00:40:04,010 --> 00:39:59,970
brighter than the surrounding I've seen

652
00:40:07,340 --> 00:40:04,020
that stuff and you you know you will see

653
00:40:12,440 --> 00:40:07,350
it we particularly will get that stuff

654
00:40:14,360 --> 00:40:12,450
in turret range but young people around

655
00:40:16,310 --> 00:40:14,370
here talk about it yeah nature's always

656
00:40:18,890 --> 00:40:16,320
passing on to me so like the

657
00:40:20,930 --> 00:40:18,900
bioluminescent seaweed I saw that some

658
00:40:22,190 --> 00:40:20,940
place where we were vacationing once and

659
00:40:23,080 --> 00:40:22,200
I thought that was the coolest thing I'd

660
00:40:26,240 --> 00:40:23,090
ever seen

661
00:40:27,770 --> 00:40:26,250
yeah but I don't think that has anything

662
00:40:33,640 --> 00:40:27,780
to do with what was going on in that

663
00:40:36,080 --> 00:40:33,650

forest where those people were they were

664

00:40:43,130 --> 00:40:36,090

in any case that they were seeing lights

665

00:40:43,700 --> 00:40:43,140

for me alien spacecraft though that's

666

00:40:45,260 --> 00:40:43,710

for sure

667

00:40:53,140 --> 00:40:45,270

I'm having one hell of a hard time

668

00:41:02,870 --> 00:40:56,540

yeah yeah it sounds cool I want to find

669

00:41:08,540 --> 00:41:02,880

some there you go okay thanks REEP see

670

00:41:13,220 --> 00:41:08,550

it's so good to put a voice to you you

671

00:41:14,990 --> 00:41:13,230

too thank you for calling so if anybody

672

00:41:17,900 --> 00:41:15,000

wants to if anybody else wants to call

673

00:41:19,670 --> 00:41:17,910

in I forgot to copy the number and paste

674

00:41:23,240 --> 00:41:19,680

it into the live chat

675

00:41:25,490 --> 00:41:23,250

let me see paranormal jiggy a lot of

676
00:41:27,500 --> 00:41:25,500
these sightings should be group sighting

677
00:41:29,030 --> 00:41:27,510
with multiple people recording you hear

678
00:41:31,910 --> 00:41:29,040
mad people in the background in some

679
00:41:33,500 --> 00:41:31,920
cases I think jiggy is talking about one

680
00:41:36,110 --> 00:41:33,510
of his previous comments was that these

681
00:41:37,820 --> 00:41:36,120
people have four cave you know picture

682
00:41:40,460 --> 00:41:37,830
capability on their phones but nobody

683
00:41:41,600 --> 00:41:40,470
can zoom in you know one of the things

684
00:41:43,290 --> 00:41:41,610
that bothers me about some of the

685
00:41:46,680 --> 00:41:43,300
so-called evidence of UFOs

686
00:41:48,720 --> 00:41:46,690
it's always this grainy old-looking you

687
00:41:50,850 --> 00:41:48,730
know like they did it with a VHS or

688
00:41:52,620 --> 00:41:50,860

something and like I would think with

689

00:41:54,960 --> 00:41:52,630

the preponderance of all these iPhones

690

00:41:56,700 --> 00:41:54,970

and Android phones that have incredible

691

00:41:58,890 --> 00:41:56,710

you know you could buy a phone for \$100

692

00:42:01,410 --> 00:41:58,900

it has incredible video and picture

693

00:42:05,400 --> 00:42:01,420

taking quality and we just don't see

694

00:42:10,770 --> 00:42:05,410

really good clear pictures so paranormal

695

00:42:12,270 --> 00:42:10,780

jiggy may be on to something and we have

696

00:42:14,160 --> 00:42:12,280

ream see call in to give us some

697

00:42:17,430 --> 00:42:14,170

education on this Foxfire which I'm glad

698

00:42:20,780 --> 00:42:17,440

for I knew very little about it but I

699

00:42:23,700 --> 00:42:20,790

thought that the skeptics were sort of

700

00:42:25,530 --> 00:42:23,710

yeah out of mind you are right so the

701
00:42:28,860 --> 00:42:25,540
callin numbers two six two four eight

702
00:42:31,440 --> 00:42:28,870
two zero six one six if anybody else

703
00:42:33,690 --> 00:42:31,450
would like to call in our lines are

704
00:42:35,970 --> 00:42:33,700
still open and I just want to mention

705
00:42:37,770 --> 00:42:35,980
please don't call that number any other

706
00:42:39,330 --> 00:42:37,780
time then when our lines are open

707
00:42:41,730 --> 00:42:39,340
because I'm still trying to figure out a

708
00:42:47,070 --> 00:42:41,740
turn the forwarding on or off to the

709
00:42:49,080 --> 00:42:47,080
phone that I'm using for this yeah

710
00:42:51,660 --> 00:42:49,090
paranormal jiggy they catch every twerk

711
00:42:54,270 --> 00:42:51,670
and fistfight on video but never clearly

712
00:42:56,610 --> 00:42:54,280
enough oh it's also kind of true for

713
00:42:59,010 --> 00:42:56,620

Bigfoot sightings you know like why is

714

00:43:01,080 --> 00:42:59,020

every Bigfoot video all grainy and and

715

00:43:03,090 --> 00:43:01,090

it's off in the distance and it's just a

716

00:43:05,070 --> 00:43:03,100

figure walking or you know it's always

717

00:43:07,080 --> 00:43:05,080

obscured by a few trees very

718

00:43:08,760 --> 00:43:07,090

conveniently I always have a problem

719

00:43:13,230 --> 00:43:08,770

with so many Bigfoot videos that I've

720

00:43:16,140 --> 00:43:13,240

seen and so I wanted to mention that

721

00:43:17,910 --> 00:43:16,150

we're still looking for guests if

722

00:43:18,600 --> 00:43:17,920

anybody is interested you can DM me on

723

00:43:22,530 --> 00:43:18,610

Twitter

724

00:43:25,560 --> 00:43:22,540

we've got upcoming shows we have it's

725

00:43:27,570 --> 00:43:25,570

Rachel Hoffman I believe she's from

726

00:43:30,870 --> 00:43:27,580

paranormal expeditions and she's a ghost

727

00:43:32,460 --> 00:43:30,880

hunter a really cool girl and I'm so

728

00:43:35,190 --> 00:43:32,470

glad that I'm gonna get to talk to her

729

00:43:37,350 --> 00:43:35,200

because honestly I know paranormal jiggy

730

00:43:39,240 --> 00:43:37,360

and smoke King right didn't you guys do

731

00:43:42,300 --> 00:43:39,250

I don't like those hunting kind of stuff

732

00:43:44,580 --> 00:43:42,310

or like haunted houses I've never done

733

00:43:47,130 --> 00:43:44,590

anything on ghost hunting haunted houses

734

00:43:49,520 --> 00:43:47,140

any of that I'm somewhat interested in

735

00:43:52,710 --> 00:43:49,530

it I just don't know anything about

736

00:43:56,320 --> 00:43:52,720

ghosts ghost hunting I've done a little

737

00:43:58,090 --> 00:43:56,330

bit of a deep dive into EVPs

738

00:44:01,180 --> 00:43:58,100

which I'm still not the verdict is still

739

00:44:04,860 --> 00:44:01,190

out for me if these EVPs are like just

740

00:44:08,290 --> 00:44:04,870

static from baby monitors or you know

741

00:44:13,630 --> 00:44:08,300

transmission overlaying or or if it is

742

00:44:15,760 --> 00:44:13,640

actually a paranormal phenomenon we have

743

00:44:17,680 --> 00:44:15,770

super V fun cat says I don't think legit

744

00:44:20,620 --> 00:44:17,690

non terrestrial UFOs can be detectable

745

00:44:23,380 --> 00:44:20,630

by any camera or radar but I know they

746

00:44:26,710 --> 00:44:23,390

come yes I've often thought that they

747

00:44:28,540 --> 00:44:26,720

may have if they have sufficient

748

00:44:33,910 --> 00:44:28,550

technology to travel from another star

749

00:44:37,780 --> 00:44:33,920

system that they cannot be seen by the

750

00:44:40,120 --> 00:44:37,790

naked eye or you know anybody really

751

00:44:42,720 --> 00:44:40,130

unless they want to be seen if people

752

00:44:45,040 --> 00:44:42,730

want to be if they want to be seen and

753

00:44:46,660 --> 00:44:45,050

Grant Cameron talks a lot about this

754

00:44:48,490 --> 00:44:46,670

they've got to have the circus so that

755

00:44:49,930 --> 00:44:48,500

people pay attention so whatever message

756

00:44:51,820 --> 00:44:49,940

they're trying to come across and why do

757

00:44:53,710 --> 00:44:51,830

UFOs always have all these crazy lights

758

00:44:55,090 --> 00:44:53,720

on them if you were trying to be

759

00:44:57,600 --> 00:44:55,100

stealthy you wouldn't have you know

760

00:45:02,350 --> 00:44:57,610

rotating colored lights on the craft

761

00:45:04,180 --> 00:45:02,360

that's always kind of yeah out of mind

762

00:45:11,230 --> 00:45:04,190

says that drives me nuts when shots are

763

00:45:12,850 --> 00:45:11,240

all grainy and pixilated and Reeves he

764

00:45:15,190 --> 00:45:12,860

says sasquatch stays permanently out of

765

00:45:18,910 --> 00:45:15,200

focus to frustrate attempts to document

766

00:45:20,830 --> 00:45:18,920

it and parallel Jimmy jiggy commenting

767

00:45:22,990 --> 00:45:20,840

on the ghost on it yes we we still do

768

00:45:24,600 --> 00:45:23,000

would be doing stuff but surgery and

769

00:45:27,550 --> 00:45:24,610

then code they'd put everything on hold

770

00:45:30,100 --> 00:45:27,560

bro I hear you my entire life has been

771

00:45:35,320 --> 00:45:30,110

on hold I think I stopped counting at

772

00:45:38,230 --> 00:45:35,330

seventy four days of quarantine and by

773

00:45:43,590 --> 00:45:38,240

quarantine I mean I have not really gone

774

00:45:47,440 --> 00:45:43,600

anywhere I go to get gasoline and I go

775

00:45:49,750 --> 00:45:47,450

to the cabin and that's it my wife does

776

00:45:52,000 --> 00:45:49,760

the grocery shopping and she just goes

777

00:45:55,360 --> 00:45:52,010

once a week and she's been also home

778

00:45:58,810 --> 00:45:55,370

trying to work from home three or four

779

00:46:00,850 --> 00:45:58,820

days a week and we've gone nowhere we've

780

00:46:03,490 --> 00:46:00,860

done nothing the good thing that I will

781

00:46:08,500 --> 00:46:03,500

say is that I got frustrated about two

782

00:46:10,150 --> 00:46:08,510

weeks in and I decided that if I'm stuck

783

00:46:12,010 --> 00:46:10,160

and I can't do anything

784

00:46:14,500 --> 00:46:12,020

go anywhere I was going to use the time

785

00:46:16,630 --> 00:46:14,510

to my advantage so I started going to

786

00:46:18,490 --> 00:46:16,640

the cabin and instead of going I usually

787

00:46:20,590 --> 00:46:18,500

I used to go on Friday night and stay

788

00:46:21,910 --> 00:46:20,600

until Sunday afternoon or something and

789

00:46:24,550 --> 00:46:21,920

you know come home by dinnertime on

790

00:46:26,950 --> 00:46:24,560

Sunday I started going on Wednesday and

791

00:46:29,110 --> 00:46:26,960

Thursday mostly but sometimes even

792

00:46:31,810 --> 00:46:29,120

Wednesday so I'd have Wednesday Thursday

793

00:46:35,140 --> 00:46:31,820

Friday Saturday Sunday and my poor wife

794

00:46:38,350 --> 00:46:35,150

was home with these two crazy kids but

795

00:46:39,430 --> 00:46:38,360

the good news is is I got so much done

796

00:46:41,200 --> 00:46:39,440

at the cabin

797

00:46:43,090 --> 00:46:41,210

I finished the new living room and now

798

00:46:44,770 --> 00:46:43,100

I'm working on the bathroom I just

799

00:46:47,470 --> 00:46:44,780

finished a snow shower so yeah

800

00:46:53,050 --> 00:46:47,480

everything has been on hold as far as

801
00:46:56,050 --> 00:46:53,060
the Jasmine emmerich says can't get

802
00:46:59,110 --> 00:46:56,060
through but I am out in the boonies it's

803
00:47:00,910 --> 00:46:59,120
a it's a Google number so it should work

804
00:47:03,520 --> 00:47:00,920
anywhere in the country in the United

805
00:47:05,380 --> 00:47:03,530
States if you want to keep trying I'll

806
00:47:07,780 --> 00:47:05,390
keep the phone here on hand in case you

807
00:47:09,430 --> 00:47:07,790
want to call and that would be great

808
00:47:12,340 --> 00:47:09,440
you know I'm sorry if you're having

809
00:47:15,160 --> 00:47:12,350
trouble getting through the other thing

810
00:47:17,670 --> 00:47:15,170
I keep forgetting to mention this but

811
00:47:21,010 --> 00:47:17,680
with the software that we're using here

812
00:47:23,050 --> 00:47:21,020
you know I'm fine with pulling people

813
00:47:24,670 --> 00:47:23,060

especially you guys everybody that's in

814

00:47:26,710 --> 00:47:24,680

the live chat not a lot of people have

815

00:47:28,570 --> 00:47:26,720

found out about this new show yet so

816

00:47:30,070 --> 00:47:28,580

we're going to be sort of a small group

817

00:47:33,220 --> 00:47:30,080

for a while and that's fine

818

00:47:35,830 --> 00:47:33,230

but I know most of you guys or know you

819

00:47:38,560 --> 00:47:35,840

from my previous show and I'm very

820

00:47:40,860 --> 00:47:38,570

familiar with you so if you want to just

821

00:47:46,390 --> 00:47:40,870

come right in the show on your webcam

822

00:47:49,510 --> 00:47:46,400

just put an email address into the live

823

00:47:51,910 --> 00:47:49,520

chat and then I can send you the link

824

00:47:54,370 --> 00:47:51,920

and you can come right and be on the

825

00:47:58,090 --> 00:47:54,380

screen with me right on the show a big

826

00:48:01,330 --> 00:47:58,100

point of this show I wanted to be a lot

827

00:48:03,640 --> 00:48:01,340

more interactive my previous shows on

828

00:48:07,360 --> 00:48:03,650

radio and podcast networks and all this

829

00:48:09,270 --> 00:48:07,370

stuff and it was pre first of all it was

830

00:48:11,290 --> 00:48:09,280

pre-recorded so there was zero

831

00:48:13,540 --> 00:48:11,300

interaction with the audience then we

832

00:48:16,090 --> 00:48:13,550

started doing these live chat premieres

833

00:48:18,700 --> 00:48:16,100

of the shows and there was some I really

834

00:48:21,100 --> 00:48:18,710

like the interactivity and being able to

835

00:48:22,750 --> 00:48:21,110

talk to the listeners and have the

836

00:48:24,069 --> 00:48:22,760

listener to sort of participate more

837

00:48:26,799 --> 00:48:24,079

with this show

838

00:48:28,839 --> 00:48:26,809

I want the audience to be a huge part of

839

00:48:30,249 --> 00:48:28,849

the show it's not just me here that's

840

00:48:32,650 --> 00:48:30,259

why I call the true seekers because I

841

00:48:34,390 --> 00:48:32,660

hope we're all out there looking for the

842

00:48:37,269 --> 00:48:34,400

truth behind some of these stories I

843

00:48:41,109 --> 00:48:37,279

want everybody to participate so if

844

00:48:43,359 --> 00:48:41,119

people want to come on webcam or you

845

00:48:45,249 --> 00:48:43,369

know even if you just want to you know

846

00:48:47,890 --> 00:48:45,259

put a piece of tape over your webcam and

847

00:48:50,109 --> 00:48:47,900

just you know be a voice on the show

848

00:48:52,630 --> 00:48:50,119

that's fine to just you know let me know

849

00:48:58,269 --> 00:48:52,640

when you come in and I can send the

850

00:49:07,390 --> 00:48:58,279

links out and be Jesus here

851
00:49:09,160 --> 00:49:07,400
shout out to BG's jasmine Emmerich who

852
00:49:11,229 --> 00:49:09,170
by the way is a great researcher and

853
00:49:13,630 --> 00:49:11,239
does some really deep digging and

854
00:49:15,459 --> 00:49:13,640
interesting stuff she says what

855
00:49:17,920 --> 00:49:15,469
intrigues me about the Hopkinsville case

856
00:49:20,410 --> 00:49:17,930
is that the craft crashed out came

857
00:49:22,269 --> 00:49:20,420
beings who approached a home if your car

858
00:49:24,549 --> 00:49:22,279
crashed before cellphones went you

859
00:49:27,339 --> 00:49:24,559
approach a home for help yeah I mean

860
00:49:29,469 --> 00:49:27,349
maybe the maybe the craft crashed and

861
00:49:31,269 --> 00:49:29,479
they were just walking around trying to

862
00:49:33,999 --> 00:49:31,279
figure out what to do next or seeing if

863
00:49:39,459 --> 00:49:34,009

they could find some help we don't know

864

00:49:42,219 --> 00:49:39,469

but it's interesting that oh here we

865

00:49:43,719 --> 00:49:42,229

have out of mine says Stephen it is

866

00:49:46,150 --> 00:49:43,729

really nice to see you on screen again

867

00:49:48,729 --> 00:49:46,160

there is a void and great content except

868

00:49:51,849 --> 00:49:48,739

on Thursday nights yes and I'm glad jig

869

00:49:53,859 --> 00:49:51,859

is here jiggy I'm gonna do my best to

870

00:49:55,689 --> 00:49:53,869

not what I don't know you guys start

871

00:49:57,699 --> 00:49:55,699

like 8 o'clock I have to check just to

872

00:49:59,920 --> 00:49:57,709

be sure I'm gonna do my best to try and

873

00:50:02,549 --> 00:49:59,930

not be streaming when jiggy or others

874

00:50:07,569 --> 00:50:02,559

are streaming but sometimes that may be

875

00:50:10,299 --> 00:50:07,579

unavoidable and also it's interesting I

876

00:50:12,269 --> 00:50:10,309

swore when I started the show I was

877

00:50:15,009 --> 00:50:12,279

going to do a show every day I've got

878

00:50:17,289 --> 00:50:15,019

you know like tonight's show I just have

879

00:50:19,269 --> 00:50:17,299

I've been making paper notes about each

880

00:50:20,799 --> 00:50:19,279

show in each case and I just have a

881

00:50:22,479 --> 00:50:20,809

couple of pages of notes but I have a

882

00:50:25,930 --> 00:50:22,489

thick folder over there

883

00:50:27,880 --> 00:50:25,940

that's just filled with cases you know I

884

00:50:30,160 --> 00:50:27,890

kind of went back to my roots and go

885

00:50:31,900 --> 00:50:30,170

what are the cases that I read about

886

00:50:33,400 --> 00:50:31,910

when I was a child who when I started

887

00:50:36,099 --> 00:50:33,410

looking into this stuff that was so

888

00:50:37,180 --> 00:50:36,109

interesting to me and why and I have a

889

00:50:39,940 --> 00:50:37,190

huge

890

00:50:42,280 --> 00:50:39,950

now of material ready that we could do

891

00:50:44,770 --> 00:50:42,290

shows own so at first I said I'm going

892

00:50:48,370 --> 00:50:44,780

to do a show every day but you know

893

00:50:50,530 --> 00:50:48,380

things get in the way life kids coded

894

00:50:51,910 --> 00:50:50,540

the cabin is killing me if you guys

895

00:50:53,589 --> 00:50:51,920

haven't seen I've been building a stone

896

00:50:56,910 --> 00:50:53,599

shower which is like a 12

897

00:51:00,790 --> 00:50:56,920

it's like a 12 foot tall stone wall and

898

00:51:03,099 --> 00:51:00,800

a lot of things so I will say I'm gonna

899

00:51:05,200 --> 00:51:03,109

do at least at the very very least one

900

00:51:08,380 --> 00:51:05,210

show I'm gonna try to do two or three a

901
00:51:09,190 --> 00:51:08,390
week and you know I've even just

902
00:51:11,109 --> 00:51:09,200
installed

903
00:51:13,720 --> 00:51:11,119
we got Internet at the cabin which was

904
00:51:16,540 --> 00:51:13,730
so funny because the poor cable guy had

905
00:51:19,270 --> 00:51:16,550
to run two miles of cable in the forest

906
00:51:22,150 --> 00:51:19,280
like through the woods to get it to my

907
00:51:23,410 --> 00:51:22,160
cabin I felt so bad for the guy and then

908
00:51:25,510 --> 00:51:23,420
I looked at my wallet and I only had

909
00:51:27,280 --> 00:51:25,520
eight dollars so I felt real cheap but I

910
00:51:28,540 --> 00:51:27,290
gave me the eight dollars and said you

911
00:51:31,059 --> 00:51:28,550
know I'm sorry I had to do all that

912
00:51:32,319 --> 00:51:31,069
thank you but the interesting thing is

913
00:51:35,680 --> 00:51:32,329

that the internet is working at the

914

00:51:38,410 --> 00:51:35,690

cabin and I didn't realize it but over

915

00:51:40,630 --> 00:51:38,420

the weekend I did do a test

916

00:51:43,180 --> 00:51:40,640

I forgot that I could just more the

917

00:51:45,130 --> 00:51:43,190

broadcast as private and then nobody

918

00:51:47,020 --> 00:51:45,140

would see it because I wanted to check

919

00:51:49,930 --> 00:51:47,030

to make sure it wouldn't be like choppy

920

00:51:52,000 --> 00:51:49,940

and jumpy and it looks like I'll be able

921

00:51:53,710 --> 00:51:52,010

to do a show right from the cabin which

922

00:51:57,130 --> 00:51:53,720

will be interesting because there are

923

00:51:58,750 --> 00:51:57,140

people around my cabin other guys with

924

00:52:00,309 --> 00:51:58,760

cabins or people that live up there in

925

00:52:02,680 --> 00:52:00,319

the mountains permanently who swear they

926

00:52:05,829 --> 00:52:02,690

see left those who swear they they've

927

00:52:07,990 --> 00:52:05,839

seen Bigfoot and somebody else told me a

928

00:52:10,780 --> 00:52:08,000

story about seeing something like a

929

00:52:13,750 --> 00:52:10,790

jersey devil in the woods so we may have

930

00:52:15,460 --> 00:52:13,760

some really I don't say strange local

931

00:52:17,500 --> 00:52:15,470

guests but we may have some interesting

932

00:52:19,720 --> 00:52:17,510

local guests at the cabin to tell us

933

00:52:22,390 --> 00:52:19,730

about some of the stuff that's going on

934

00:52:23,890 --> 00:52:22,400

around the cabin and it's just also

935

00:52:25,510 --> 00:52:23,900

gonna be fun that I can do a show from

936

00:52:33,579 --> 00:52:25,520

there and it should enable me to do more

937

00:52:33,589 --> 00:52:39,010

and we have here

938

00:52:44,779 --> 00:52:42,200

Lizzie says hi I care Brooke been

939

00:52:47,420 --> 00:52:44,789

hearing and her meeting out a bit yeah I

940

00:52:50,599 --> 00:52:47,430

think Lizzie that we're all permitting

941

00:52:53,120 --> 00:52:50,609

out a bit right and you know what's

942

00:52:56,930 --> 00:52:53,130

funny is like you see those memes about

943

00:52:58,099 --> 00:52:56,940

like you know I'm an introvert I've been

944

00:53:00,950 --> 00:52:58,109

prepared for this my whole life

945

00:53:02,690 --> 00:53:00,960

like I don't generally you know I get on

946

00:53:04,309 --> 00:53:02,700

my wife's nerves because like she has to

947

00:53:07,370 --> 00:53:04,319

do everything like if somebody's got to

948

00:53:10,490 --> 00:53:07,380

go to the you know the dry cleaner the

949

00:53:12,170 --> 00:53:10,500

bank the supermarket run errands she

950

00:53:13,910 --> 00:53:12,180

generally has to do all that stuff I'm a

951

00:53:15,920 --> 00:53:13,920

home person like I don't want to go

952

00:53:18,789 --> 00:53:15,930

anywhere I wouldn't do anything I'm very

953

00:53:21,380 --> 00:53:18,799

comfortable in my cave or Mike you know

954

00:53:23,089 --> 00:53:21,390

we're in my cabin to like I don't really

955

00:53:24,680 --> 00:53:23,099

want to go anywhere I go to the cabin

956

00:53:25,849 --> 00:53:24,690

and I stay there all weekend and make

957

00:53:27,680 --> 00:53:25,859

sure that I have everything that I need

958

00:53:30,289 --> 00:53:27,690

when I go there I don't want to go

959

00:53:32,960 --> 00:53:30,299

anywhere so this quarantine has really

960

00:53:35,000 --> 00:53:32,970

not affected me as as much as some of my

961

00:53:36,140 --> 00:53:35,010

I guess more extroverted friends you

962

00:53:37,990 --> 00:53:36,150

know I have friends that like to go out

963

00:53:40,640 --> 00:53:38,000

to bars and party every day and they are

964

00:53:42,470 --> 00:53:40,650

you know bored out of their minds and

965

00:53:44,000 --> 00:53:42,480

complaining constantly what is this

966

00:53:45,890 --> 00:53:44,010

going to be over I don't care I don't

967

00:53:48,859 --> 00:53:45,900

really you know I don't like to go

968

00:53:52,609 --> 00:53:48,869

anywhere and it's giving me time to it's

969

00:53:55,160 --> 00:53:52,619

given me time to really prepare for this

970

00:53:57,019 --> 00:53:55,170

show you know I there's just two ways

971

00:53:58,670 --> 00:53:57,029

you can look at this either I'm gonna

972

00:54:01,670 --> 00:53:58,680

sit here and be bored out of my skull

973

00:54:03,260 --> 00:54:01,680

for the next you know ten weeks or

974

00:54:05,059 --> 00:54:03,270

whatever we didn't know how long it was

975

00:54:06,890 --> 00:54:05,069

gonna be does anybody remember when it

976
00:54:08,299 --> 00:54:06,900
was two weeks to flatten the curve you

977
00:54:09,710 --> 00:54:08,309
know what happened to two weeks to

978
00:54:13,730 --> 00:54:09,720
flatten it kind of it turn into two

979
00:54:17,029 --> 00:54:13,740
months and be Jesus so did you guys talk

980
00:54:18,710 --> 00:54:17,039
about how he er yes I did I am joke that

981
00:54:20,690 --> 00:54:18,720
I'm like the only person in conspiracy

982
00:54:22,190 --> 00:54:20,700
land that is not seen Helier but

983
00:54:24,680 --> 00:54:22,200
somebody reminded me earlier on Twitter

984
00:54:27,950 --> 00:54:24,690
that Helier has something to do with

985
00:54:30,099 --> 00:54:27,960
this original case and I think that is

986
00:54:33,319 --> 00:54:30,109
maybe that the creatures are returning

987
00:54:37,360 --> 00:54:33,329
after all these years you know I haven't

988
00:54:44,620 --> 00:54:40,600

yeah b:g says cool I know they did a bit

989

00:54:51,160 --> 00:54:44,630

on the Hopkins Hopkinsville deal yeah so

990

00:54:53,650 --> 00:54:51,170

you know this story has been really just

991

00:54:56,110 --> 00:54:53,660

one of those stories that especially we

992

00:54:58,030 --> 00:54:56,120

buy a lot of UFO books that are not

993

00:55:01,240 --> 00:54:58,040

specific to one case look if you buy a

994

00:55:03,190 --> 00:55:01,250

general UFO book this is mentioned in so

995

00:55:06,940 --> 00:55:03,200

many different books I mean it's a great

996

00:55:09,520 --> 00:55:06,950

story and the daughter of this Elmer

997

00:55:13,960 --> 00:55:09,530

Sutton let me see if I can find that she

998

00:55:20,140 --> 00:55:13,970

has a book you see if we can find that

999

00:55:22,360 --> 00:55:20,150

book oh and you know at first I'm going

1000

00:55:26,290 --> 00:55:22,370

to show you this this is pretty cool

1001

00:55:33,120 --> 00:55:26,300

this is actually I believe a UFO

1002

00:55:38,700 --> 00:55:33,130

investigator who made a model of the

1003

00:55:45,340 --> 00:55:38,710

creature and that is what we get it

1004

00:55:50,950 --> 00:55:45,350

looks like a little goblin so that is a

1005

00:55:53,770 --> 00:55:50,960

model and here we go we're gonna come

1006

00:55:58,330 --> 00:55:53,780

back to that I'm going to try to find

1007

00:56:01,870 --> 00:55:58,340

this oh yeah I wanted to show this as

1008

00:56:05,290 --> 00:56:01,880

well we mentioned this story got an

1009

00:56:10,240 --> 00:56:05,300

incredible amount of newspaper coverage

1010

00:56:12,280 --> 00:56:10,250

and here is just one of those and again

1011

00:56:14,530 --> 00:56:12,290

we have the alien drawings by the Sutton

1012

00:56:16,570 --> 00:56:14,540

family story of spaceship twelve little

1013

00:56:19,330 --> 00:56:16,580

men prone today Kelly farm house scene

1014

00:56:23,290 --> 00:56:19,340

of alleged raid by the extrange crew

1015

00:56:24,430 --> 00:56:23,300

last night reports say bullets failed to

1016

00:56:26,260 --> 00:56:24,440

affect the visitors

1017

00:56:29,110 --> 00:56:26,270

yeah the Sutton family later said that

1018

00:56:33,160 --> 00:56:29,120

they believed that these creatures had

1019

00:56:35,320 --> 00:56:33,170

some kind of body armor which which

1020

00:56:40,150 --> 00:56:35,330

protected them from the bullets I mean

1021

00:56:42,190 --> 00:56:40,160

the one in the book this Elmer Elmer

1022

00:56:44,260 --> 00:56:42,200

Sutton said that he's sure that he shot

1023

00:56:46,690 --> 00:56:44,270

one point-blank almost point-blank

1024

00:56:49,570 --> 00:56:46,700

several times and it went down and

1025

00:56:50,890 --> 00:56:49,580

backed away and then it came back a few

1026
00:56:53,710 --> 00:56:50,900
minutes later

1027
00:56:57,760 --> 00:56:53,720
so this is just a you know this crazy

1028
00:56:59,349 --> 00:56:57,770
crazy kind of thing you know and imagine

1029
00:57:02,680 --> 00:56:59,359
being these farm people they thought

1030
00:57:05,230 --> 00:57:02,690
they weren't sure if it was demons or or

1031
00:57:07,200 --> 00:57:05,240
goblins or what it was and there's a

1032
00:57:09,579 --> 00:57:07,210
funny there's a funny reenactment on

1033
00:57:10,750 --> 00:57:09,589
YouTube I was going to try to play that

1034
00:57:13,599 --> 00:57:10,760
to you but it's a little over the top

1035
00:57:15,849 --> 00:57:13,609
and the guys in the Greek equation are

1036
00:57:17,799 --> 00:57:15,859
like this is straight out a halo mom and

1037
00:57:20,140 --> 00:57:17,809
they're kind of like you know they hick

1038
00:57:23,890 --> 00:57:20,150

them up they they made them like really

1039

00:57:27,460 --> 00:57:23,900

like hillbilly kind of people and let's

1040

00:57:31,930 --> 00:57:27,470

see here okay I wanted to mention the

1041

00:57:34,240 --> 00:57:31,940

book and this is Geraldine Sutton is

1042

00:57:38,470 --> 00:57:34,250

that stiff I believe so

1043

00:57:42,299 --> 00:57:38,480

and that is her book alien legacy the

1044

00:57:45,220 --> 00:57:42,309

kelly green man alien legacy revisited I

1045

00:57:49,599 --> 00:57:45,230

believe is that there's another one I've

1046

00:57:52,510 --> 00:57:49,609

read this one I have not read the second

1047

00:57:55,120 --> 00:57:52,520

one so if you are interested in this I

1048

00:57:56,890 --> 00:57:55,130

would say support her and buy the book

1049

00:57:59,319 --> 00:57:56,900

because it's a great story and this is

1050

00:58:00,940 --> 00:57:59,329

all stuff that she's heard about her

1051
00:58:05,289 --> 00:58:00,950
whole life from her grandmother and her

1052
00:58:06,789 --> 00:58:05,299
father and also one of the other things

1053
00:58:08,680 --> 00:58:06,799
I wanted to mention about this story and

1054
00:58:13,089 --> 00:58:08,690
the reason that I like and think it may

1055
00:58:16,180 --> 00:58:13,099
be true is because these were not UFO

1056
00:58:18,460 --> 00:58:16,190
prophet ears they did not go and work

1057
00:58:21,700 --> 00:58:18,470
the UFO circuit for you know 20 years

1058
00:58:23,260 --> 00:58:21,710
like so many other people do when they

1059
00:58:26,769 --> 00:58:23,270
so-called have some kind of experience

1060
00:58:29,799 --> 00:58:26,779
like this nobody has really trying to

1061
00:58:31,480 --> 00:58:29,809
profit from this the only profit I guess

1062
00:58:34,480 --> 00:58:31,490
that the family has gotten from it and

1063
00:58:36,910 --> 00:58:34,490

this is a generation later is from this

1064

00:58:39,099 --> 00:58:36,920

book and I don't blame her this is her

1065

00:58:40,599 --> 00:58:39,109

family this is her family history I

1066

00:58:42,190 --> 00:58:40,609

don't blame her one bit for writing a

1067

00:58:43,750 --> 00:58:42,200

book or for selling it in fact I'm glad

1068

00:58:45,160 --> 00:58:43,760

she did the book was thoroughly

1069

00:58:47,019 --> 00:58:45,170

enjoyable and it provides a lot of

1070

00:58:50,920 --> 00:58:47,029

background not just about the actual

1071

00:58:52,720 --> 00:58:50,930

event but the book sort of focuses on

1072

00:58:55,809 --> 00:58:52,730

the circus that happened

1073

00:58:59,140 --> 00:58:55,819

these people were hounded by the media

1074

00:59:01,599 --> 00:58:59,150

for years and years after this life

1075

00:59:04,870 --> 00:59:01,609

she's quoted in another documentary

1076
00:59:07,600 --> 00:59:04,880
saying after that day life were her

1077
00:59:10,750 --> 00:59:07,610
would never be the same because they

1078
00:59:12,910 --> 00:59:10,760
became sort of local celebrities and you

1079
00:59:14,680 --> 00:59:12,920
know people from all over the country

1080
00:59:16,750 --> 00:59:14,690
which is knock on their door and ask for

1081
00:59:18,790 --> 00:59:16,760
an interview and then they'd have a

1082
00:59:22,660 --> 00:59:18,800
newspaper story you know in California

1083
00:59:26,110 --> 00:59:22,670
the next week or something so the story

1084
00:59:29,080 --> 00:59:26,120
has captivated people for you know all

1085
00:59:30,760 --> 00:59:29,090
of these years decades and decades they

1086
00:59:32,290 --> 00:59:30,770
haven't really profit from it except for

1087
00:59:33,730 --> 00:59:32,300
the book and again I don't blame her for

1088
00:59:37,480 --> 00:59:33,740

selling a book cause it's her family

1089

00:59:44,020 --> 00:59:37,490

history and I found a book to be made me

1090

00:59:46,600 --> 00:59:44,030

think the story was more credible ok

1091

00:59:49,210 --> 00:59:46,610

let's see I've heard a train driver saw

1092

00:59:52,630 --> 00:59:49,220

the crash yes I believe you I'm sorry

1093

00:59:55,090 --> 00:59:52,640

BG's said I've heard a train driver saw

1094

00:59:57,670 --> 00:59:55,100

the crash I believe that you were

1095

00:59:59,230 --> 00:59:57,680

correct so that means it's mentioning

1096

01:00:02,140 --> 00:59:59,240

the book so there's corroborating

1097

01:00:04,870 --> 01:00:02,150

witnesses not so much to seeing the

1098

01:00:07,270 --> 01:00:04,880

aliens but to seeing some sort of flying

1099

01:00:09,460 --> 01:00:07,280

craft crash right in that area there was

1100

01:00:11,920 --> 01:00:09,470

a train went by the train conductor

1101
01:00:14,820 --> 01:00:11,930
reported that he saw something crash I

1102
01:00:18,100 --> 01:00:14,830
thought it was an airplane crash and

1103
01:00:20,560 --> 01:00:18,110
Jazmyn Emmerich's supervuee is talking

1104
01:00:22,600 --> 01:00:20,570
supervuee fun cat allegedly some kind of

1105
01:00:24,370 --> 01:00:22,610
blue goo blood it wasn't mentioned in

1106
01:00:29,020 --> 01:00:24,380
Helier but another youtube video I

1107
01:00:30,400 --> 01:00:29,030
watched ok and super be fun cat their

1108
01:00:32,260 --> 01:00:30,410
testimonials caused their immediate

1109
01:00:35,080 --> 01:00:32,270
reputations to be drug through the mud

1110
01:00:37,390 --> 01:00:35,090
who would volunteer for that yeah but I

1111
01:00:38,530 --> 01:00:37,400
think by and large like most the you

1112
01:00:40,000 --> 01:00:38,540
know some of the town people of course

1113
01:00:43,420 --> 01:00:40,010

are gonna make fun of them those drunks

1114

01:00:45,280 --> 01:00:43,430

out there saw aliens but the majority of

1115

01:00:48,940 --> 01:00:45,290

the town including the town historian

1116

01:00:50,680 --> 01:00:48,950

today and the former police chief that

1117

01:00:53,230 --> 01:00:50,690

interviewed all of them went out to the

1118

01:00:56,080 --> 01:00:53,240

scene he believed them and so did a lot

1119

01:00:57,850 --> 01:00:56,090

of people in the town they just had

1120

01:01:05,830 --> 01:00:57,860

tremendous respect for the mother of the

1121

01:01:08,350 --> 01:01:05,840

family and you know that's that's but

1122

01:01:10,990 --> 01:01:08,360

I'm sure that you know that's an that's

1123

01:01:12,250 --> 01:01:11,000

one of the things that like I always

1124

01:01:14,200 --> 01:01:12,260

think about when somebody comes out of

1125

01:01:18,210 --> 01:01:14,210

the crazy story like this like why would

1126

01:01:23,520 --> 01:01:18,220

you want that crazy story to be about

1127

01:01:25,050 --> 01:01:23,530

you know to be why would you want to

1128

01:01:29,520 --> 01:01:25,060

come up with some crazy story and be

1129

01:01:33,599 --> 01:01:29,530

mocked you know and and made fun of for

1130

01:01:39,450 --> 01:01:33,609

your crazy story some people seem to not

1131

01:01:42,990 --> 01:01:39,460

mind their crazy stories coming out and

1132

01:01:46,440 --> 01:01:43,000

Jazmin Emmerich says yes 1955 how here

1133

01:01:48,810 --> 01:01:46,450

my nose it was all this 21st 1955 is the

1134

01:01:50,190 --> 01:01:48,820

date that this happened and one of the

1135

01:01:52,820 --> 01:01:50,200

other things that I always found this

1136

01:01:57,000 --> 01:01:52,830

case interesting for is this is before

1137

01:02:01,109 --> 01:01:57,010

the media and movies and science fiction

1138

01:02:03,060 --> 01:02:01,119

and and popular culture and sci-fi books

1139

01:02:08,370 --> 01:02:03,070

and comic books all came up with the

1140

01:02:10,320 --> 01:02:08,380

popular image of the grey alien because

1141

01:02:12,330 --> 01:02:10,330

I always find it kind of crazy that

1142

01:02:14,130 --> 01:02:12,340

everybody's seeing those grey aliens and

1143

01:02:15,930 --> 01:02:14,140

when somebody reports seeing an alien it

1144

01:02:17,490 --> 01:02:15,940

just so happens to look like the same

1145

01:02:18,900 --> 01:02:17,500

kind of alien that everybody else is

1146

01:02:21,510 --> 01:02:18,910

seeing these are distinctly different

1147

01:02:26,339 --> 01:02:21,520

and it's always been interesting to me

1148

01:02:27,930 --> 01:02:26,349

like oh these aren't the typical grey

1149

01:02:34,050 --> 01:02:27,940

alien that everybody sees there's

1150

01:02:34,920 --> 01:02:34,060

something else and super vidi I wonder

1151

01:02:38,940 --> 01:02:34,930

what caused the crash

1152

01:02:40,890 --> 01:02:38,950

hmm now I need to read more yeah they

1153

01:02:44,880 --> 01:02:40,900

don't really speculate in her book what

1154

01:02:50,460 --> 01:02:44,890

caused the crash and B G says agreed the

1155

01:02:54,089 --> 01:02:50,470

book looks good I agree the book

1156

01:02:57,030 --> 01:02:54,099

definitely looks good well folks I think

1157

01:03:01,050 --> 01:02:57,040

we're even at just over an hour I think

1158

01:03:08,070 --> 01:03:01,060

we're gonna we're gonna call it a day

1159

01:03:10,500 --> 01:03:08,080

here let's see here ream C says I saw

1160

01:03:13,050 --> 01:03:10,510

UFO once but never an alien me too I

1161

01:03:14,820 --> 01:03:13,060

tell her this whole story of what I saw

1162

01:03:17,670 --> 01:03:14,830

when I was a child in the woods and

1163

01:03:24,060 --> 01:03:17,680

that's what got me started down all

1164

01:03:27,270 --> 01:03:24,070

these crazy crazy rabbit holes okay so

1165

01:03:29,089 --> 01:03:27,280

I'm gonna actually I keep forgetting to

1166

01:03:32,549 --> 01:03:29,099

do things and it's so funny like I

1167

01:03:34,170 --> 01:03:32,559

realized that I had bumpers for thing

1168

01:03:36,150 --> 01:03:34,180

like the call-in line and I have a

1169

01:03:38,759 --> 01:03:36,160

bumper for the start of the show but I

1170

01:03:42,739 --> 01:03:38,769

have yet to remember to make a bumper to

1171

01:03:46,890 --> 01:03:42,749

end the show with so I'm gonna do just

1172

01:03:49,349 --> 01:03:46,900

play out this one that's like I think it

1173

01:03:53,099 --> 01:03:49,359

says we'll be right back but we won't be

1174

01:03:55,499 --> 01:03:53,109

right back but I want to thank each and

1175

01:03:56,849 --> 01:03:55,509

every one of you for joining us let's

1176

01:04:01,109 --> 01:03:56,859

see here let's come back to these

1177

01:04:02,789 --> 01:04:01,119

comments okay let's see out of mine

1178

01:04:05,729 --> 01:04:02,799

thanks Steven I totally enjoyed this

1179

01:04:07,380 --> 01:04:05,739

have a great week all I want to thank

1180

01:04:09,689 --> 01:04:07,390

all you guys that were in the live chat

1181

01:04:11,219 --> 01:04:09,699

tonight it was so nice that I've seen so

1182

01:04:14,009 --> 01:04:11,229

many people from the midnight hour

1183

01:04:17,579 --> 01:04:14,019

she'll find me already and already up to

1184

01:04:21,179 --> 01:04:17,589

over 100 subscribers 130 or something

1185

01:04:24,299 --> 01:04:21,189

and I want to tell you the best way to

1186

01:04:28,319 --> 01:04:24,309

help me right now would be to like share

1187

01:04:30,269 --> 01:04:28,329

and subscribe and also retweet this

1188

01:04:33,929 --> 01:04:30,279

stuff and share it on your social media

1189

01:04:35,309 --> 01:04:33,939

so that more people can find us quickly

1190

01:04:37,169 --> 01:04:35,319

like I said I'm not sure it was such a

1191

01:04:39,059 --> 01:04:37,179

great idea to come up with a brand new

1192

01:04:40,620 --> 01:04:39,069

YouTube channel maybe I should have just

1193

01:04:42,120 --> 01:04:40,630

left it on my old one but that was kind

1194

01:04:43,650 --> 01:04:42,130

of a hodgepodge of so many different

1195

01:04:46,049 --> 01:04:43,660

things I really want this show stand

1196

01:04:47,309 --> 01:04:46,059

alone and be on its own channel so that

1197

01:04:51,359 --> 01:04:47,319

people could find me

1198

01:04:52,859 --> 01:04:51,369

b:g says night guys yeah so I'm gonna

1199

01:04:57,630 --> 01:04:52,869

play us out with some music from a

1200

01:04:59,489 --> 01:04:57,640

friend's music project and again it's

1201

01:05:02,969 --> 01:04:59,499

gonna say we'll be right back but

1202

01:05:12,040 --> 01:05:02,979

remember we won't until next time folks
