

# Truth Seekers

## EPISODE 3

**THE AURORA UFO CRASH**

**IS THERE REALLY AN**

**ALIEN BODY BURIED IN TEXAS?**

1  
00:02:07,830 --> 00:01:28,790  
[Music]

2  
00:02:20,830 --> 00:02:07,840  
so

3  
00:02:22,970 --> 00:02:20,840  
[Music]

4  
00:02:39,540 --> 00:02:22,980  
so

5  
00:03:22,869 --> 00:02:54,500  
[Music]

6  
00:03:28,949 --> 00:03:26,710  
oh sorry about that and we are live

7  
00:03:30,229 --> 00:03:28,959  
so tonight my friends i thought i would

8  
00:03:33,830 --> 00:03:30,239  
talk about one of my

9  
00:03:37,030 --> 00:03:33,840  
all-time favorite strange cases

10  
00:03:39,910 --> 00:03:37,040  
an incredible rabbit hole i found

11  
00:03:41,509 --> 00:03:39,920  
i don't know somewhere in the 90s and i

12  
00:03:43,589 --> 00:03:41,519  
believe it was the excellent

13  
00:03:45,430 --> 00:03:43,599

researcher jim mars who brought this

14

00:03:48,470 --> 00:03:45,440  
case to my attention

15

00:03:51,589 --> 00:03:48,480  
and it's a crazy story it's a

16

00:03:54,789 --> 00:03:51,599  
story about a ufo crash that happened

17

00:03:59,990 --> 00:03:54,799  
in a sleepy tiny little town called

18

00:04:02,710 --> 00:04:00,000  
aurora texas it happened in 1897

19

00:04:04,869 --> 00:04:02,720  
of the reasons i always love this case

20

00:04:08,070 --> 00:04:04,879  
is because 1897

21

00:04:11,350 --> 00:04:08,080  
was before the wright brothers

22

00:04:11,990 --> 00:04:11,360  
took their first powered flight it was

23

00:04:14,630 --> 00:04:12,000  
before

24

00:04:16,150 --> 00:04:14,640  
airplanes and anything in the sky was

25

00:04:19,870 --> 00:04:16,160  
very common

26

00:04:22,870 --> 00:04:19,880

so people around that time 1895

27

00:04:26,950 --> 00:04:22,880

1896 began reporting seeing

28

00:04:29,830 --> 00:04:26,960

huge strange metal airships

29

00:04:30,790 --> 00:04:29,840

flying in the sky reported first in

30

00:04:34,150 --> 00:04:30,800

california

31

00:04:34,950 --> 00:04:34,160

and later in texas and here we have this

32

00:04:40,150 --> 00:04:34,960

case

33

00:04:43,749 --> 00:04:40,160

where we're told a flying saucer

34

00:04:46,950 --> 00:04:43,759

must have had some sort of trouble

35

00:04:52,230 --> 00:04:46,960

or malfunction and began to operate

36

00:04:57,030 --> 00:04:52,240

erratically and came crashing down

37

00:04:58,870 --> 00:04:57,040

in a judge's farm field

38

00:05:00,629 --> 00:04:58,880

this is an incredible story it's always

39

00:05:03,029 --> 00:05:00,639

been one of my favorites

40

00:05:04,070 --> 00:05:03,039

and i thought we would open tonight

41

00:05:07,670 --> 00:05:04,080

actually

42

00:05:09,830 --> 00:05:07,680

uh with my

43

00:05:11,189 --> 00:05:09,840

inspiration for why i love this case so

44

00:05:12,710 --> 00:05:11,199

much and that is the excellent

45

00:05:13,189 --> 00:05:12,720

researcher jim marsh you know i heard

46

00:05:15,350 --> 00:05:13,199

somebody

47

00:05:16,550 --> 00:05:15,360

speaking recently i think it was cw

48

00:05:17,990 --> 00:05:16,560

channel who said

49

00:05:19,909 --> 00:05:18,000

that not a lot of people were talking

50

00:05:21,590 --> 00:05:19,919

about jim mars and really

51  
00:05:23,029 --> 00:05:21,600  
if you want to go down some strange

52  
00:05:26,070 --> 00:05:23,039  
rabbit holes from

53  
00:05:28,790 --> 00:05:26,080  
jfk conspiracies to

54  
00:05:29,510 --> 00:05:28,800  
ancient aliens to ufos and a government

55  
00:05:31,830 --> 00:05:29,520  
cover-up

56  
00:05:33,590 --> 00:05:31,840  
jim maher's books are excellent he

57  
00:05:33,909 --> 00:05:33,600  
passed away not long ago so i want to

58  
00:05:37,430 --> 00:05:33,919  
say

59  
00:05:38,469 --> 00:05:37,440  
rest in peace mr mars and i think that

60  
00:05:41,430 --> 00:05:38,479  
he would like

61  
00:05:42,629 --> 00:05:41,440  
that i would actually prefer to let him

62  
00:05:45,029 --> 00:05:42,639  
tell you

63  
00:05:47,510 --> 00:05:45,039

uh some of this incredible story because

64

00:05:49,990 --> 00:05:47,520

it's not just about a ufo crash

65

00:05:51,990 --> 00:05:50,000

that's just the beginning the crazier

66

00:05:55,909 --> 00:05:52,000

part of the story is that there is

67

00:06:00,950 --> 00:05:55,919

reportedly a single non-human

68

00:06:04,950 --> 00:06:00,960

occupant or pilot of this incredible ufo

69

00:06:08,150 --> 00:06:04,960

so i think we're gonna well first let me

70

00:06:16,710 --> 00:06:11,510

say see i see g off and

71

00:06:16,720 --> 00:06:24,550

let me see

72

00:06:32,309 --> 00:06:28,150

and bg's is here and dream c is here

73

00:06:34,070 --> 00:06:32,319

okay so let's see if we can't get to

74

00:06:36,710 --> 00:06:34,080

uh the share screen that i have and i

75

00:06:38,230 --> 00:06:36,720

want to apologize the last episode

76

00:06:39,909 --> 00:06:38,240

i kind of learned this software and

77

00:06:42,230 --> 00:06:39,919

thought oh yeah this will work and then

78

00:06:42,790 --> 00:06:42,240

i forgot there's a check box to show the

79

00:06:46,870 --> 00:06:42,800

audio

80

00:06:50,390 --> 00:06:46,880

so first uh we're gonna go to

81

00:06:52,230 --> 00:06:50,400

here jim mars tell uh really the greater

82

00:06:52,870 --> 00:06:52,240

part of the story it's not very long

83

00:06:55,670 --> 00:06:52,880

story

84

00:06:56,070 --> 00:06:55,680

so this will be uh you know i think it's

85

00:06:57,430 --> 00:06:56,080

like

86

00:07:00,550 --> 00:06:57,440

seven or eight minutes where he's

87

00:07:02,629 --> 00:07:00,560

telling the story here and uh

88

00:07:03,670 --> 00:07:02,639

let's see if we can't get that on screen

89

00:07:05,670 --> 00:07:03,680

here

90

00:07:06,870 --> 00:07:05,680

because i think he just does a great job

91

00:07:09,510 --> 00:07:06,880

of telling the story

92

00:07:12,390 --> 00:07:09,520

i always loved listening to jim myers

93

00:07:22,390 --> 00:07:12,400

tell some of these stories

94

00:07:34,550 --> 00:07:31,589

okay here we go

95

00:07:35,749 --> 00:07:34,560

flying saucers unidentified flying

96

00:07:40,550 --> 00:07:35,759

objects

97

00:07:43,029 --> 00:07:40,560

ufo they're just a fact of modern life

98

00:07:43,990 --> 00:07:43,039

in fact if you check with friends or

99

00:07:45,990 --> 00:07:44,000

family members

100

00:07:47,510 --> 00:07:46,000

chances are you'll find someone with a

101  
00:07:49,430 --> 00:07:47,520  
ufo story

102  
00:07:51,670 --> 00:07:49,440  
everyone's heard of the famous crash at

103  
00:07:53,510 --> 00:07:51,680  
roswell in 1947

104  
00:07:55,350 --> 00:07:53,520  
some people know about the foo fighters

105  
00:07:57,270 --> 00:07:55,360  
during world war ii

106  
00:07:59,589 --> 00:07:57,280  
but there's a case that goes back far

107  
00:08:00,150 --> 00:07:59,599  
beyond that even before the wright

108  
00:08:04,309 --> 00:08:00,160  
brothers

109  
00:08:24,150 --> 00:08:04,319  
ever flew a heavier-than-air craft

110  
00:08:58,230 --> 00:08:47,430  
[Music]

111  
00:09:06,070 --> 00:09:01,590  
april the 17th 1897 dawned

112  
00:09:10,070 --> 00:09:07,990  
when out of the south came a large

113  
00:09:12,790 --> 00:09:10,080

silver cigar-shaped object dropping

114

00:09:13,269 --> 00:09:12,800

lower and lower as it approached the

115

00:09:17,110 --> 00:09:13,279

small

116

00:09:23,110 --> 00:09:19,590

located less than 20 miles northwest of

117

00:09:25,590 --> 00:09:23,120

fort worth

118

00:09:27,269 --> 00:09:25,600

sweeping low over aurora the airship

119

00:09:30,710 --> 00:09:27,279

moved north toward the home of

120

00:09:34,870 --> 00:09:30,720

judge j s proctor which was perched atop

121

00:09:41,910 --> 00:09:38,470

there it struck a windmill and exploded

122

00:09:51,990 --> 00:09:41,920

scattering debris and by

123

00:09:57,509 --> 00:09:55,509

or did it despite

124

00:09:59,910 --> 00:09:57,519

straight-faced coverage in the local

125

00:10:03,269 --> 00:09:59,920

newspapers at the time

126

00:10:07,430 --> 00:10:03,279

the aurora ufo crash has continued to

127

00:10:09,590 --> 00:10:07,440

generate controversy even till today

128

00:10:11,350 --> 00:10:09,600

here's what i know about it in the

129

00:10:14,389 --> 00:10:11,360

spring of 1973

130

00:10:17,190 --> 00:10:14,399

bill case was aviation writer for the

131

00:10:18,949 --> 00:10:17,200

now defunct dallas times herald

132

00:10:21,110 --> 00:10:18,959

he wrote a series of articles about the

133

00:10:22,470 --> 00:10:21,120

aurora crash after being told the story

134

00:10:25,670 --> 00:10:22,480

by hayden hughes

135

00:10:27,590 --> 00:10:25,680

of the international ufo bureau case

136

00:10:30,949 --> 00:10:27,600

immediatly looked up the april

137

00:10:35,110 --> 00:10:30,959

19 1897 article

138

00:10:38,630 --> 00:10:35,120

in his newspaper's microfilm library

139

00:10:40,790 --> 00:10:38,640

the story stated about six o'clock this

140

00:10:41,829 --> 00:10:40,800

morning the early risers of aurora were

141

00:10:44,230 --> 00:10:41,839

astonished

142

00:10:45,829 --> 00:10:44,240

at the sudden appearance of the airship

143

00:10:46,630 --> 00:10:45,839

which had been sailing throughout the

144

00:10:48,790 --> 00:10:46,640

country

145

00:10:51,990 --> 00:10:48,800

it was traveling due north and much

146

00:10:53,990 --> 00:10:52,000

nearer to the earth than before

147

00:10:55,990 --> 00:10:54,000

evidently some of the machinery was out

148

00:10:58,630 --> 00:10:56,000

of order for it was making a speed of

149

00:11:01,829 --> 00:10:58,640

only 10 or 12 miles an hour

150

00:11:04,949 --> 00:11:01,839

and gradually settling towards the earth

151  
00:11:05,350 --> 00:11:04,959  
sailed over the public north part of

152  
00:11:07,110 --> 00:11:05,360  
town

153  
00:11:08,630 --> 00:11:07,120  
collided with the tower of judge

154  
00:11:11,030 --> 00:11:08,640  
proctor's windmill

155  
00:11:12,389 --> 00:11:11,040  
and went to pieces with a terrific

156  
00:11:14,470 --> 00:11:12,399  
explosion

157  
00:11:16,710 --> 00:11:14,480  
scattering debris over several acres of

158  
00:11:19,269 --> 00:11:16,720  
ground wrecking the windmill

159  
00:11:21,430 --> 00:11:19,279  
and water tank and destroying the

160  
00:11:23,670 --> 00:11:21,440  
judge's flower garden

161  
00:11:25,590 --> 00:11:23,680  
the pilot of the ship is supposed to

162  
00:11:27,509 --> 00:11:25,600  
have been the only one on board

163  
00:11:29,910 --> 00:11:27,519

and while his remains are badly

164

00:11:31,509 --> 00:11:29,920

disfigured enough of the original has

165

00:11:34,389 --> 00:11:31,519

been picked up to show

166

00:11:35,829 --> 00:11:34,399

that he was not an inhabitant of this

167

00:11:38,790 --> 00:11:35,839

world

168

00:11:40,389 --> 00:11:38,800

mr t j weems the u.s signal service

169

00:11:43,190 --> 00:11:40,399

officer at this place

170

00:11:44,630 --> 00:11:43,200

and an authority on astronomy gives it

171

00:11:48,230 --> 00:11:44,640

his opinion that he

172

00:11:51,190 --> 00:11:48,240

was a native of the planet mars

173

00:11:53,190 --> 00:11:51,200

papers found on his person evidently the

174

00:11:54,949 --> 00:11:53,200

records of his travels

175

00:11:58,629 --> 00:11:54,959

are written in some unknown

176

00:12:01,030 --> 00:11:58,639

hieroglyphics and cannot be deciphered

177

00:12:02,389 --> 00:12:01,040

this ship is too badly wrecked to form

178

00:12:05,670 --> 00:12:02,399

any conclusion

179

00:12:07,910 --> 00:12:05,680

as to its construction or motive power

180

00:12:08,870 --> 00:12:07,920

it was built of an unknown metal

181

00:12:11,350 --> 00:12:08,880

resembling

182

00:12:12,310 --> 00:12:11,360

somewhat a mixture of aluminum and

183

00:12:15,590 --> 00:12:12,320

silver

184

00:12:18,069 --> 00:12:15,600

and it must have weighed several tons

185

00:12:19,350 --> 00:12:18,079

the town today is full of people who are

186

00:12:21,990 --> 00:12:19,360

viewing the wreckage

187

00:12:23,750 --> 00:12:22,000

gathering specimens of the strange metal

188

00:12:25,910 --> 00:12:23,760

from the debris

189

00:12:27,590 --> 00:12:25,920

the pilot's funeral will take place at

190

00:12:31,350 --> 00:12:27,600

noon tomorrow

191

00:12:33,430 --> 00:12:31,360

signed ee hayden

192

00:12:34,790 --> 00:12:33,440

now a similar story was published in the

193

00:12:36,550 --> 00:12:34,800

fort worth register

194

00:12:37,990 --> 00:12:36,560

but in this account there was no mention

195

00:12:40,949 --> 00:12:38,000

of the hieroglyphics

196

00:12:41,750 --> 00:12:40,959

and as to the pilot it simply stated

197

00:12:44,230 --> 00:12:41,760

quote

198

00:12:45,110 --> 00:12:44,240

the pilot who was not an inhabitant of

199

00:12:47,590 --> 00:12:45,120

this world

200

00:12:48,550 --> 00:12:47,600

was given christian burial in the aurora

201  
00:12:51,990 --> 00:12:48,560  
cemetery

202  
00:12:54,310 --> 00:12:52,000  
end quote now at this time

203  
00:12:58,389 --> 00:12:54,320  
i was aviation aerospace writer for the

204  
00:13:01,280 --> 00:12:58,399  
fort worth star telegram back in 1973

205  
00:13:02,629 --> 00:13:01,290  
and i decided to follow the aurora story

206  
00:13:04,310 --> 00:13:02,639  
[Music]

207  
00:13:06,790 --> 00:13:04,320  
partly because the times herald was

208  
00:13:09,030 --> 00:13:06,800  
considered the competition

209  
00:13:10,629 --> 00:13:09,040  
and partly because the story intrigued

210  
00:13:19,850 --> 00:13:10,639  
me

211  
00:13:23,509 --> 00:13:19,860  
indeed occurred there in 1897

212  
00:13:27,509 --> 00:13:25,590  
i arranged to meet case at the aurora

213  
00:13:29,110 --> 00:13:27,519

cemetery where he showed me what he said

214

00:13:33,430 --> 00:13:29,120

was the airship's pilot's

215

00:13:37,670 --> 00:13:33,440

grave it was located in the south

216

00:13:41,630 --> 00:13:40,069

which overlooks the rolling wise county

217

00:13:47,350 --> 00:13:41,640

countryside

218

00:13:54,710 --> 00:13:50,870

the grave was near a large lab oak tree

219

00:13:58,230 --> 00:13:57,189

it was obviously the grave of a child or

220

00:14:01,829 --> 00:13:58,240

a very small

221

00:14:07,350 --> 00:14:04,069

at the head of the grave was a crude

222

00:14:12,790 --> 00:14:09,269

it appeared that half of the marker had

223

00:14:16,150 --> 00:14:14,710

on the remaining half was etched a

224

00:14:20,870 --> 00:14:16,160

design which resembled

225

00:14:26,389 --> 00:14:22,790

inside the v shape were three small

226

00:14:31,110 --> 00:14:28,949

the entire design indeed resembled one

227

00:14:33,509 --> 00:14:31,120

end of a saucer-shaped structure

228

00:14:36,300 --> 00:14:33,519

and the small circles appeared to be

229

00:14:36,310 --> 00:14:39,829

[Music]

230

00:14:42,949 --> 00:14:41,590

i was acquainted with some of the old

231

00:14:45,189 --> 00:14:42,959

cemeteries in the area and

232

00:14:48,710 --> 00:14:45,199

many containing the graves of early

233

00:14:57,670 --> 00:14:50,790

and the maltese cross markers of

234

00:15:08,470 --> 00:15:00,550

this was indeed a very strange and

235

00:15:12,150 --> 00:15:09,990

bill told me he had used a metal

236

00:15:14,230 --> 00:15:12,160

detector on the gravesite it indicated

237

00:15:17,670 --> 00:15:14,240

at least three large pieces of metal

238

00:15:17,680 --> 00:15:21,189

one near the headstone

239

00:15:28,470 --> 00:15:26,629  
and the other two near the center

240

00:15:30,230 --> 00:15:28,480  
he was excited over this fan and

241

00:15:31,430 --> 00:15:30,240  
believed that if the pieces of metal

242

00:15:33,749 --> 00:15:31,440  
could be exhumed

243

00:15:35,110 --> 00:15:33,759  
they might provide the proof of what

244

00:15:41,910 --> 00:15:35,120  
actually occurred

245

00:15:46,230 --> 00:15:43,910  
i too was impressed with the idea of

246

00:15:49,990 --> 00:15:46,240  
obtaining objective proof

247

00:15:51,030 --> 00:15:50,000  
of what until then i considered just an

248

00:15:54,550 --> 00:15:51,040  
old-timer's

249

00:15:57,030 --> 00:15:54,560  
tall tale

250

00:15:59,110 --> 00:15:57,040  
while case and ufo researchers set out

251  
00:16:02,150 --> 00:15:59,120  
to find someone to analyze whatever

252  
00:16:05,110 --> 00:16:02,160  
might be retrieved from the grave

253  
00:16:06,310 --> 00:16:05,120  
i began researching the 1897 period

254  
00:16:08,069 --> 00:16:06,320  
[Music]

255  
00:16:10,949 --> 00:16:08,079  
trying to put the aurora story in

256  
00:16:18,230 --> 00:16:14,130  
what i discovered was astounding

257  
00:16:24,790 --> 00:16:21,269  
well folks so let me uh

258  
00:16:28,470 --> 00:16:24,800  
i'm sorry let me so uh

259  
00:16:28,790 --> 00:16:28,480  
the in i think it was about 1973 that

260  
00:16:31,590 --> 00:16:28,800  
some

261  
00:16:32,310 --> 00:16:31,600  
ufo researchers actually tried to obtain

262  
00:16:36,629 --> 00:16:32,320  
permission

263  
00:16:39,110 --> 00:16:36,639

to exhume the body but uh two things

264

00:16:41,269 --> 00:16:39,120

there's this historical society that

265

00:16:41,749 --> 00:16:41,279

takes care of the cemetery who would not

266

00:16:45,430 --> 00:16:41,759

allow

267

00:16:45,749 --> 00:16:45,440

any digging whatsoever and uh the second

268

00:16:48,949 --> 00:16:45,759

thing

269

00:16:49,990 --> 00:16:48,959

is that it's actually texas law that you

270

00:16:52,710 --> 00:16:50,000

cannot

271

00:16:53,670 --> 00:16:52,720

dig up any gravesite without permission

272

00:16:56,710 --> 00:16:53,680

from

273

00:16:58,870 --> 00:16:56,720

the next of kin and so

274

00:17:00,150 --> 00:16:58,880

i am assuming it would be a little hard

275

00:17:02,629 --> 00:17:00,160

to get the next of kin

276

00:17:04,230 --> 00:17:02,639

of an alien to give permission to dig

277

00:17:07,909 --> 00:17:04,240

his body up

278

00:17:11,110 --> 00:17:07,919

this is why the body the gravesite has

279

00:17:13,110 --> 00:17:11,120

never ever been exhumed

280

00:17:15,029 --> 00:17:13,120

some people have said that this entire

281

00:17:18,069 --> 00:17:15,039

story was just made up

282

00:17:20,789 --> 00:17:18,079

for tourists dollars

283

00:17:22,870 --> 00:17:20,799

the town was dying they needed something

284

00:17:25,909 --> 00:17:22,880

so this story was just made up

285

00:17:28,470 --> 00:17:25,919

however many ufo researchers

286

00:17:30,789 --> 00:17:28,480

before they died spoke to firsthand

287

00:17:32,549 --> 00:17:30,799

witnesses that saw either the crash or

288

00:17:34,630 --> 00:17:32,559

the creature were both

289

00:17:35,909 --> 00:17:34,640

and some of this has been documented in

290

00:17:39,190 --> 00:17:35,919

several books

291

00:17:40,230 --> 00:17:39,200

uh among which uh jim mars you know did

292

00:17:42,630 --> 00:17:40,240

some writing on this

293

00:17:44,470 --> 00:17:42,640

and did many lectures and presentations

294

00:17:46,070 --> 00:17:44,480

as well as this documentary that we just

295

00:17:46,789 --> 00:17:46,080

saw a piece of and by the way i wanted

296

00:17:48,470 --> 00:17:46,799

to say

297

00:17:50,549 --> 00:17:48,480

fair use fair use fair use we're going

298

00:17:52,710 --> 00:17:50,559

to be discussing this case

299

00:17:54,390 --> 00:17:52,720

and uh i wouldn't say that i was like

300

00:17:56,150 --> 00:17:54,400

friends with jim mars but i

301  
00:17:58,150 --> 00:17:56,160  
knew him sort of as an acquaintance and

302  
00:18:01,190 --> 00:17:58,160  
i asked him several times before

303  
00:18:03,029 --> 00:18:01,200  
to you to to source him to use some of

304  
00:18:04,789 --> 00:18:03,039  
his research and work and he said

305  
00:18:06,630 --> 00:18:04,799  
use whatever you want kid just make sure

306  
00:18:08,230 --> 00:18:06,640  
you put my name on it so we all know

307  
00:18:11,029 --> 00:18:08,240  
that was jim mars

308  
00:18:12,230 --> 00:18:11,039  
may he rest in peace great researcher

309  
00:18:14,230 --> 00:18:12,240  
great writer

310  
00:18:15,909 --> 00:18:14,240  
and the person that i first learned this

311  
00:18:17,590 --> 00:18:15,919  
story from

312  
00:18:19,110 --> 00:18:17,600  
so i thought to get some additional

313  
00:18:21,190 --> 00:18:19,120

perspective uh

314

00:18:23,350 --> 00:18:21,200

we're gonna bring in uh our guest

315

00:18:25,750 --> 00:18:23,360

tonight who unfortunately can just call

316

00:18:26,470 --> 00:18:25,760

in we can't be on video but that's okay

317

00:18:29,830 --> 00:18:26,480

we have this

318

00:18:31,909 --> 00:18:29,840

ragtag call-in system here i've never

319

00:18:32,870 --> 00:18:31,919

tried to call a guest but we're going to

320

00:18:35,270 --> 00:18:32,880

do that

321

00:18:37,029 --> 00:18:35,280

and our guest tonight is william pullen

322

00:18:40,470 --> 00:18:37,039

who is a ufo

323

00:18:43,430 --> 00:18:40,480

researcher and he's actually in

324

00:18:44,310 --> 00:18:43,440

all of these texas ufo facebook groups

325

00:18:47,990 --> 00:18:44,320

so he put this

326

00:18:50,950 --> 00:18:48,000

out for us tonight we're going to take

327

00:18:51,990 --> 00:18:50,960

just a very short break while i try to

328

00:19:02,470 --> 00:18:52,000

get him on the phone

329

00:19:06,390 --> 00:19:04,710

okay we're going to take a short break

330

00:19:10,620 --> 00:19:06,400

so i can get our guest way of pulling on

331

00:19:20,220 --> 00:19:10,630

the line please stand by

332

00:19:51,510 --> 00:19:25,720

[Music]

333

00:19:55,830 --> 00:19:53,110

okay friends we're trying to call them

334

00:19:55,840 --> 00:20:00,470

one second here

335

00:20:06,230 --> 00:20:04,230

hello hello mr poland

336

00:20:08,789 --> 00:20:06,240

how are you man how are you doing

337

00:20:13,110 --> 00:20:08,799

william you are live on truth seekers on

338

00:20:16,789 --> 00:20:15,350

and listen i don't know i don't know if

339

00:20:18,789 --> 00:20:16,799

you've been following along but i

340

00:20:20,310 --> 00:20:18,799

figured if you were on the phone i

341

00:20:22,630 --> 00:20:20,320

wasn't sure that you'd be able to hear

342

00:20:25,110 --> 00:20:22,640

it so i played this sort of introduction

343

00:20:27,350 --> 00:20:25,120

to this aurora ufo crash

344

00:20:29,110 --> 00:20:27,360

uh and that was really jim mars a part

345

00:20:30,950 --> 00:20:29,120

of his documentary the very beginning of

346

00:20:32,390 --> 00:20:30,960

it where he tells sort of the story of

347

00:20:34,789 --> 00:20:32,400

the crash

348

00:20:36,630 --> 00:20:34,799

and and what happened with this alien

349

00:20:38,789 --> 00:20:36,640

body and how the towns

350

00:20:41,190 --> 00:20:38,799

people gave it a christian burial and

351

00:20:42,149 --> 00:20:41,200

how it was reportedly buried in this

352

00:20:44,470 --> 00:20:42,159

cemetery

353

00:20:46,149 --> 00:20:44,480

he mentioned the headstone in that piece

354

00:20:48,070 --> 00:20:46,159

and i'm pretty sure when he made that

355

00:20:49,270 --> 00:20:48,080

documentary the original headstone was

356

00:20:51,750 --> 00:20:49,280

still there but somebody

357

00:20:54,149 --> 00:20:51,760

stole it and there's actually a reward

358

00:20:55,750 --> 00:20:54,159

was offered for its safe return

359

00:20:57,510 --> 00:20:55,760

and it's never come back so now they

360

00:20:59,909 --> 00:20:57,520

have some other kind of rock there

361

00:21:00,870 --> 00:20:59,919

and a cross and a sign that says alien

362

00:21:02,870 --> 00:21:00,880

here

363

00:21:04,710 --> 00:21:02,880

i wanted to get some perspective from an

364

00:21:06,470 --> 00:21:04,720

actual ufo researcher

365

00:21:08,630 --> 00:21:06,480

a lot of people know that mr pullen is

366

00:21:09,909 --> 00:21:08,640

well respected to be sort of no nonsense

367

00:21:11,750 --> 00:21:09,919

no fairy tales

368

00:21:13,730 --> 00:21:11,760

researcher what do you think of the

369

00:21:14,950 --> 00:21:13,740

story

370

00:21:16,870 --> 00:21:14,960

[Music]

371

00:21:18,070 --> 00:21:16,880

you know i've tried to research it at

372

00:21:21,750 --> 00:21:18,080

least

373

00:21:23,190 --> 00:21:21,760

uh several times and i keep coming up

374

00:21:26,870 --> 00:21:23,200

with votes

375

00:21:29,430 --> 00:21:26,880

um i get some pushback in the community

376

00:21:30,310 --> 00:21:29,440

for my position but i just don't find

377

00:21:33,430 --> 00:21:30,320

enough there

378

00:21:34,950 --> 00:21:33,440

to really grab a hold of the story if

379

00:21:35,430 --> 00:21:34,960

there was some documentation and there

380

00:21:38,710 --> 00:21:35,440

was

381

00:21:39,909 --> 00:21:38,720

um some little physical evidence of this

382

00:21:42,149 --> 00:21:39,919

illuminati

383

00:21:43,750 --> 00:21:42,159

right now we have we just have stories

384

00:21:46,470 --> 00:21:43,760

so um

385

00:21:47,029 --> 00:21:46,480

and that's what i meant at this point uh

386

00:21:48,870 --> 00:21:47,039

but

387

00:21:51,350 --> 00:21:48,880

you and i both know that you know the

388

00:21:55,029 --> 00:21:51,360

the evidence and data we have

389

00:21:57,430 --> 00:21:55,039

for these cases does change over time

390

00:21:59,029 --> 00:21:57,440

so something new came up down the road

391

00:21:59,430 --> 00:21:59,039

uh i would certainly breathe down on the

392

00:22:02,710 --> 00:21:59,440

case

393

00:22:04,549 --> 00:22:02,720

um you know i guess the biggest point

394

00:22:05,830 --> 00:22:04,559

applied for me beyond no physical

395

00:22:07,590 --> 00:22:05,840

evidence is that

396

00:22:09,830 --> 00:22:07,600

there were there were multiple

397

00:22:10,789 --> 00:22:09,840

newspapers in wise county wide counties

398

00:22:13,029 --> 00:22:10,799

where our world attempted

399

00:22:15,270 --> 00:22:13,039

to locate yeah i noticed that too so

400

00:22:16,630 --> 00:22:15,280

they didn't they didn't report the story

401  
00:22:20,230 --> 00:22:16,640  
and it seems like that would be a pretty

402  
00:22:24,230 --> 00:22:22,870  
and the original story was not by uh an

403  
00:22:28,470 --> 00:22:24,240  
actual

404  
00:22:30,230 --> 00:22:28,480  
like a lo

405  
00:22:32,630 --> 00:22:30,240  
somebody local in the town that was a

406  
00:22:33,669 --> 00:22:32,640  
rancher i believe and he sent the story

407  
00:22:36,470 --> 00:22:33,679  
into the newspaper

408  
00:22:38,149 --> 00:22:36,480  
and they guess they liked what he wrote

409  
00:22:41,110 --> 00:22:38,159  
and they printed it it wasn't front page

410  
00:22:43,029 --> 00:22:41,120  
news it was on like page five but still

411  
00:22:44,710 --> 00:22:43,039  
it wasn't it wasn't like a newspaper

412  
00:22:46,549 --> 00:22:44,720  
reporter that did the story or

413  
00:22:48,630 --> 00:22:46,559

interviewed anybody it was just

414

00:22:49,990 --> 00:22:48,640

the word of one person from the town and

415

00:23:06,789 --> 00:22:50,000

that's a little weak to me

416

00:23:12,149 --> 00:23:10,149

news was a stringer was it which is not

417

00:23:15,110 --> 00:23:12,159

really a reporter per se i mean

418

00:23:16,070 --> 00:23:15,120

he he is in a way but uh he got the

419

00:23:18,870 --> 00:23:16,080

story from procter

420

00:23:20,950 --> 00:23:18,880

rambler um but he didn't appear in any

421

00:23:22,789 --> 00:23:20,960

other newspapers just said one

422

00:23:24,549 --> 00:23:22,799

yeah i don't think that you know the ufo

423

00:23:26,549 --> 00:23:24,559

crafted on a farm

424

00:23:27,909 --> 00:23:26,559

i would think multiple new shippers

425

00:23:28,310 --> 00:23:27,919

would want to cover that but only one

426

00:23:31,750 --> 00:23:28,320

did

427

00:23:34,789 --> 00:23:31,760

so that's kind of a red flag for me sure

428

00:23:37,669 --> 00:23:34,799

and you know what i also thought was

429

00:23:40,149 --> 00:23:37,679

uh you know like years later people said

430

00:23:44,310 --> 00:23:40,159

that the story couldn't be true because

431

00:23:47,590 --> 00:23:44,320

uh there was no uh there was no

432

00:23:49,590 --> 00:23:47,600

windmill on judge proctor's property but

433

00:23:50,950 --> 00:23:49,600

years later the guys from ufo hunters

434

00:23:53,029 --> 00:23:50,960

went out there and they found the

435

00:23:55,510 --> 00:23:53,039

foundation of the windmill

436

00:23:57,190 --> 00:23:55,520

at the well site which is a crazy part

437

00:23:57,590 --> 00:23:57,200

of the story so they sort of verified

438

00:23:59,269 --> 00:23:57,600

yeah

439

00:24:01,909 --> 00:23:59,279

at least he had a windmill we don't know

440

00:24:04,070 --> 00:24:01,919

if an alien spaceship crash landed in it

441

00:24:06,310 --> 00:24:04,080

but we know that he did have

442

00:24:08,310 --> 00:24:06,320

he did at one point there was a windmill

443

00:24:10,390 --> 00:24:08,320

there

444

00:24:11,510 --> 00:24:10,400

yeah that's a lot of parts of the story

445

00:24:14,149 --> 00:24:11,520

so

446

00:24:15,029 --> 00:24:14,159

you know it's difficult to attack these

447

00:24:17,430 --> 00:24:15,039

cases

448

00:24:19,110 --> 00:24:17,440

from a research standpoint we have

449

00:24:21,430 --> 00:24:19,120

stories going back and forth

450

00:24:23,590 --> 00:24:21,440

um you're right they didn't confirm

451  
00:24:25,750 --> 00:24:23,600  
those are women all the other poverty

452  
00:24:27,990 --> 00:24:25,760  
uh which is that's okay that's confirmed

453  
00:24:29,430 --> 00:24:28,000  
now the trouble was that that story kind

454  
00:24:31,510 --> 00:24:29,440  
of went back and forth

455  
00:24:33,110 --> 00:24:31,520  
you know decades prior to that so it

456  
00:24:34,710 --> 00:24:33,120  
makes it difficult to research but

457  
00:24:36,230 --> 00:24:34,720  
yeah it's good that they went out there

458  
00:24:37,830 --> 00:24:36,240  
and confirmed that so that's part of her

459  
00:24:40,950 --> 00:24:37,840  
we have down pat

460  
00:24:44,070 --> 00:24:40,960  
um was it windmill destroyed by ufo

461  
00:24:45,110 --> 00:24:44,080  
um i don't know if we're able to find

462  
00:24:48,230 --> 00:24:45,120  
some anomalous

463  
00:24:50,789 --> 00:24:48,240

metal somewhere on the property

464

00:24:52,710 --> 00:24:50,799

down the well in a tree somewhere yeah

465

00:24:55,110 --> 00:24:52,720

and the ufo hunters program they

466

00:24:57,269 --> 00:24:55,120

they went they to their credit they went

467

00:24:59,269 --> 00:24:57,279

down in that well in like a hazmat

468

00:25:00,870 --> 00:24:59,279

suit to try to find metal and all they

469

00:25:02,470 --> 00:25:00,880

found was like a snake so that was a

470

00:25:03,669 --> 00:25:02,480

huge disappointment it was like al

471

00:25:05,830 --> 00:25:03,679

capone's vault

472

00:25:07,750 --> 00:25:05,840

i remember watching that episode going

473

00:25:08,390 --> 00:25:07,760

oh man they're going to find this alien

474

00:25:09,909 --> 00:25:08,400

metal

475

00:25:11,990 --> 00:25:09,919

because that's another strange part of

476  
00:25:12,789 --> 00:25:12,000  
the story isn't it that people said that

477  
00:25:15,350 --> 00:25:12,799  
people threw

478  
00:25:16,470 --> 00:25:15,360  
the debris from the alien spacecraft

479  
00:25:18,310 --> 00:25:16,480  
down into a well

480  
00:25:20,310 --> 00:25:18,320  
which doesn't make any sense because

481  
00:25:22,710 --> 00:25:20,320  
even country simple people know

482  
00:25:24,549 --> 00:25:22,720  
you don't throw metal down into a well

483  
00:25:26,549 --> 00:25:24,559  
that you drink from and years later a

484  
00:25:28,710 --> 00:25:26,559  
guy got like a disfiguring

485  
00:25:30,230 --> 00:25:28,720  
sort of disease that he said was from

486  
00:25:32,630 --> 00:25:30,240  
drinking the bad

487  
00:25:35,110 --> 00:25:32,640  
well water that was contaminated and the

488  
00:25:36,950 --> 00:25:35,120

alien people ran with that and said

489

00:25:38,950 --> 00:25:36,960

yeah look he's got some kind of alien

490

00:25:43,029 --> 00:25:38,960

virus because his hands were all

491

00:25:45,190 --> 00:25:43,039

gnarly and scarred scarred

492

00:25:47,830 --> 00:25:45,200

yeah somebody later said no that was

493

00:25:52,789 --> 00:25:47,840

just very bad rheumatoid arthritis

494

00:25:55,510 --> 00:25:54,230

you're not gonna throw that metal down

495

00:25:56,710 --> 00:25:55,520

like you said you're not to pull it down

496

00:25:59,190 --> 00:25:56,720

well people drink out of

497

00:26:01,510 --> 00:25:59,200

two it's it's a strange aircraft you

498

00:26:03,510 --> 00:26:01,520

wouldn't throw the debris away

499

00:26:04,710 --> 00:26:03,520

you would think you would hide it you

500

00:26:05,909 --> 00:26:04,720

would do something with it you wouldn't

501  
00:26:07,830 --> 00:26:05,919  
just throw it away so

502  
00:26:08,950 --> 00:26:07,840  
and that's it that's incredibly part of

503  
00:26:11,990 --> 00:26:08,960  
the case

504  
00:26:12,310 --> 00:26:12,000  
about that and you want a uh a journal

505  
00:26:14,470 --> 00:26:12,320  
that

506  
00:26:15,669 --> 00:26:14,480  
i think he was he was he wasn't in the

507  
00:26:18,870 --> 00:26:15,679  
area that they

508  
00:26:20,310 --> 00:26:18,880  
he had some legions going on his hands

509  
00:26:21,830 --> 00:26:20,320  
people made the connection and said it

510  
00:26:24,710 --> 00:26:21,840  
was some alien virus there was some

511  
00:26:27,669 --> 00:26:24,720  
condition caused by contact with this

512  
00:26:29,029 --> 00:26:27,679  
alien technology um that wasn't born out

513  
00:26:30,470 --> 00:26:29,039

but i mean that was a disappointment

514

00:26:33,590 --> 00:26:30,480

they were hoping to find them

515

00:26:35,669 --> 00:26:33,600

down there and i don't know if the uh

516

00:26:45,510 --> 00:26:35,679

the gentleman that went down well he uh

517

00:26:49,110 --> 00:26:47,269

i'm sorry bill we had a comment from the

518

00:26:49,510 --> 00:26:49,120

live chat bg's makes a good point she

519

00:26:51,830 --> 00:26:49,520

says

520

00:26:53,110 --> 00:26:51,840

unless it wasn't abandoned well then

521

00:26:54,149 --> 00:26:53,120

maybe they would throw it down there i

522

00:26:55,750 --> 00:26:54,159

don't know if they're just

523

00:26:57,830 --> 00:26:55,760

but and then the other reports that

524

00:26:59,590 --> 00:26:57,840

people a lot of people took pieces of

525

00:27:01,190 --> 00:26:59,600

this thing like souvenirs

526

00:27:03,990 --> 00:27:01,200

i would think after all this time

527

00:27:06,710 --> 00:27:04,000

somebody would come forward with pieces

528

00:27:08,950 --> 00:27:06,720

of that debris and that wreckage you

529

00:27:12,149 --> 00:27:10,390

sure you would think so i didn't know

530

00:27:15,190 --> 00:27:12,159

that's an outstanding comment if

531

00:27:16,310 --> 00:27:15,200

it was who was abandoned well but that's

532

00:27:18,310 --> 00:27:16,320

a little more reasonable

533

00:27:20,070 --> 00:27:18,320

if it was a functioning well that people

534

00:27:22,470 --> 00:27:20,080

obviously would throw metal down but

535

00:27:23,669 --> 00:27:22,480

you know that's that's that's that's

536

00:27:25,110 --> 00:27:23,679

getting to be determined you know that's

537

00:27:27,750 --> 00:27:25,120

a good point that oil was dumped

538

00:27:29,990 --> 00:27:27,760

example was non-functional and wasn't

539

00:27:33,029 --> 00:27:30,000

used back in april

540

00:27:35,190 --> 00:27:33,039

1897. then

541

00:27:36,230 --> 00:27:35,200

people throwing metal down at well would

542

00:27:39,110 --> 00:27:36,240

be a little more

543

00:27:40,070 --> 00:27:39,120

reasonable as opposed to a world of

544

00:27:41,029 --> 00:27:40,080

recreation

545

00:27:43,590 --> 00:27:41,039

that's a very common you know

546

00:27:46,149 --> 00:27:43,600

outstanding you know

547

00:27:48,389 --> 00:27:46,159

yeah and and the other the other thing

548

00:27:51,510 --> 00:27:48,399

that ufo hunters show did

549

00:27:53,350 --> 00:27:51,520

is those guys uh those guys yeah my

550

00:27:55,110 --> 00:27:53,360

lights are squeaking i gotta oil them

551  
00:27:56,389 --> 00:27:55,120  
out of mine uh those guys from ufo

552  
00:27:59,510 --> 00:27:56,399  
hunters ran

553  
00:28:00,070 --> 00:27:59,520  
uh some ground penetrating radar which

554  
00:28:02,070 --> 00:28:00,080  
proved

555  
00:28:03,590 --> 00:28:02,080  
there's something at this purported

556  
00:28:06,070 --> 00:28:03,600  
gravesite they couldn't

557  
00:28:07,590 --> 00:28:06,080  
dig but they ran the ground penetrating

558  
00:28:08,230 --> 00:28:07,600  
radar and they found there's something

559  
00:28:11,029 --> 00:28:08,240  
there

560  
00:28:12,710 --> 00:28:11,039  
but it could be the body of a child or

561  
00:28:13,590 --> 00:28:12,720  
you know just a regular human that was

562  
00:28:15,909 --> 00:28:13,600  
buried there

563  
00:28:17,510 --> 00:28:15,919

we don't have any definitive proof and i

564

00:28:19,350 --> 00:28:17,520

just wanted to mention

565

00:28:21,830 --> 00:28:19,360

william i sent a letter to the

566

00:28:22,630 --> 00:28:21,840

historical society and the mayor of that

567

00:28:25,350 --> 00:28:22,640

town

568

00:28:26,230 --> 00:28:25,360

requesting that he give my show truth

569

00:28:28,870 --> 00:28:26,240

seekers

570

00:28:30,070 --> 00:28:28,880

permission to go there and dig and if

571

00:28:32,310 --> 00:28:30,080

they have not replied

572

00:28:33,750 --> 00:28:32,320

and it's been a month so i've heard they

573

00:28:36,310 --> 00:28:33,760

just don't reply

574

00:28:38,149 --> 00:28:36,320

if they say yes i'll be the first person

575

00:28:39,110 --> 00:28:38,159

to get on an airplane with a shovel in

576  
00:28:42,149 --> 00:28:39,120  
my bag

577  
00:28:43,430 --> 00:28:42,159  
to go find proof that an alien really is

578  
00:28:45,669 --> 00:28:43,440  
buried there because that's

579  
00:28:46,630 --> 00:28:45,679  
this is tantalizing the greatest

580  
00:28:48,470 --> 00:28:46,640  
question

581  
00:28:50,070 --> 00:28:48,480  
ever could be answered if they let us

582  
00:28:54,950 --> 00:28:50,080  
dig

583  
00:28:59,990 --> 00:28:58,149  
yeah let us do the body

584  
00:29:02,230 --> 00:29:00,000  
clearly if it's anomalous and

585  
00:29:05,029 --> 00:29:02,240  
non-terrestrial that proves the case

586  
00:29:06,389 --> 00:29:05,039  
but um that seems to happen and it seems

587  
00:29:09,750 --> 00:29:06,399  
like this is a simple thing

588  
00:29:11,110 --> 00:29:09,760

to do um technology shows that

589

00:29:12,870 --> 00:29:11,120

there's something down there could be a

590

00:29:13,430 --> 00:29:12,880

body it could be a small child it could

591

00:29:19,269 --> 00:29:13,440

be

592

00:29:20,549 --> 00:29:19,279

we don't know unless you get it up so

593

00:29:24,230 --> 00:29:20,559

there's a fairly simple step

594

00:29:24,870 --> 00:29:24,240

but um i i you know i i wish it would

595

00:29:26,149 --> 00:29:24,880

just

596

00:29:28,070 --> 00:29:26,159

you know any kind of response would be

597

00:29:29,510 --> 00:29:28,080

good but that's interesting they haven't

598

00:29:33,350 --> 00:29:29,520

responded at all so

599

00:29:36,389 --> 00:29:35,669

well i've heard i've heard that ufo

600

00:29:37,830 --> 00:29:36,399

hunters

601  
00:29:39,669 --> 00:29:37,840  
really pushed and pushed to get

602  
00:29:41,110 --> 00:29:39,679  
permission to dig and they were denied

603  
00:29:41,750 --> 00:29:41,120  
and they've got a bunch of money behind

604  
00:29:43,590 --> 00:29:41,760  
them

605  
00:29:44,789 --> 00:29:43,600  
and it's the history channel which is a

606  
00:29:46,870 --> 00:29:44,799  
little more

607  
00:29:48,710 --> 00:29:46,880  
well i was going to say credible but not

608  
00:29:51,350 --> 00:29:48,720  
really

609  
00:29:52,789 --> 00:29:51,360  
you know but they have a lot of money

610  
00:29:54,950 --> 00:29:52,799  
yeah but they got a lot of money and

611  
00:29:57,990 --> 00:29:54,960  
fame behind them so if they request

612  
00:29:59,190 --> 00:29:58,000  
and they get denied i'm not hopeful

613  
00:30:01,029 --> 00:29:59,200

friends that they're gonna let me go

614

00:30:02,870 --> 00:30:01,039

down there with a shovel but i guarantee

615

00:30:03,909 --> 00:30:02,880

you if they say yes i'll be on a plane

616

00:30:06,310 --> 00:30:03,919

tomorrow with

617

00:30:07,990 --> 00:30:06,320

a shovel i got one of those speeds that

618

00:30:09,029 --> 00:30:08,000

folds i can put it right in my carry-on

619

00:30:11,350 --> 00:30:09,039

luggage man

620

00:30:13,909 --> 00:30:11,360

i'll be down there digging for aliens

621

00:30:17,110 --> 00:30:15,990

yeah there's uh i'm sure you've seen

622

00:30:18,549 --> 00:30:17,120

that there's that

623

00:30:20,870 --> 00:30:18,559

it's a very grainy black and white

624

00:30:22,870 --> 00:30:20,880

photograph it was taken in the early 70s

625

00:30:24,549 --> 00:30:22,880

and it shows the great stuff there

626  
00:30:26,070 --> 00:30:24,559  
yeah at some point someone stole it like

627  
00:30:28,950 --> 00:30:26,080  
you said so um

628  
00:30:29,909 --> 00:30:28,960  
yeah william i have i have uh i have

629  
00:30:32,070 --> 00:30:29,919  
pictures of that

630  
00:30:33,750 --> 00:30:32,080  
i'm gonna i'm gonna share screen so go

631  
00:30:37,110 --> 00:30:33,760  
ahead while i try to

632  
00:30:38,789 --> 00:30:37,120  
try to find it

633  
00:30:41,510 --> 00:30:38,799  
about the gravestone you yours you were

634  
00:30:43,909 --> 00:30:41,520  
talking about the gravestone

635  
00:30:45,669 --> 00:30:43,919  
yeah you know it looked like there's a

636  
00:30:47,510 --> 00:30:45,679  
small tiny thing maybe

637  
00:30:49,269 --> 00:30:47,520  
for tall it really looked like there's a

638  
00:30:51,430 --> 00:30:49,279

glorified rock

639

00:30:52,710 --> 00:30:51,440

uh stuck to the ground uh but that was

640

00:30:54,789 --> 00:30:52,720

standard that was the greatest dollar

641

00:30:57,669 --> 00:30:54,799

but i think the picture shows

642

00:30:59,750 --> 00:30:57,679

it looks to be a young man long haired

643

00:31:03,029 --> 00:30:59,760

standing about 10-15 feet away from us

644

00:31:05,110 --> 00:31:03,039

is it to give a perspective or

645

00:31:07,509 --> 00:31:05,120

something that subjective size but it's

646

00:31:11,430 --> 00:31:07,519

very grainiest from 72-73

647

00:31:16,149 --> 00:31:14,630

yeah we're looking at it

648

00:31:18,230 --> 00:31:16,159

yeah we're looking at a picture of the

649

00:31:18,950 --> 00:31:18,240

original stone right now and then i

650

00:31:21,029 --> 00:31:18,960

could show

651  
00:31:22,149 --> 00:31:21,039  
they just put some kind of weird stone

652  
00:31:24,950 --> 00:31:22,159  
like a boulder

653  
00:31:25,990 --> 00:31:24,960  
they dropped for the tourists and this

654  
00:31:29,190 --> 00:31:26,000  
thing that says

655  
00:31:32,070 --> 00:31:29,200  
it's like you know oh uh you know

656  
00:31:33,909 --> 00:31:32,080  
this is uh this is where the alien is

657  
00:31:34,950 --> 00:31:33,919  
buried which i thought was kind of hokey

658  
00:31:38,149 --> 00:31:34,960  
for them to do but

659  
00:31:41,990 --> 00:31:38,159  
okay you know like

660  
00:31:43,669 --> 00:31:42,000  
i i agree with you apparently

661  
00:31:46,070 --> 00:31:43,679  
you know like hundreds and hundreds of

662  
00:31:48,630 --> 00:31:46,080  
people visit that grave site

663  
00:31:49,830 --> 00:31:48,640

every year to sort of pay their respects

664

00:31:54,310 --> 00:31:49,840

to the alien

665

00:31:57,590 --> 00:31:56,470

of course i can see that you know i mean

666

00:31:59,750 --> 00:31:57,600

it's uh

667

00:32:01,669 --> 00:31:59,760

there was there were a few in the ufo

668

00:32:03,669 --> 00:32:01,679

literature that

669

00:32:05,509 --> 00:32:03,679

uh regardless of whether they pan out or

670

00:32:07,909 --> 00:32:05,519

not whether they're extraterrestrial or

671

00:32:10,149 --> 00:32:07,919

explained or hoaxes or what have you

672

00:32:12,230 --> 00:32:10,159

they retained the they became a

673

00:32:14,310 --> 00:32:12,240

legendary status

674

00:32:17,350 --> 00:32:14,320

um and know aurora texas is certainly

675

00:32:21,669 --> 00:32:20,149

people visit that in droves should pay

676

00:32:25,350 --> 00:32:21,679

their respects to the alien

677

00:32:28,950 --> 00:32:25,360

very good over there for the olympia so

678

00:32:31,029 --> 00:32:28,960

that's about it yeah

679

00:32:32,149 --> 00:32:31,039

now we're looking at a picture it's

680

00:32:33,590 --> 00:32:32,159

there's this

681

00:32:35,509 --> 00:32:33,600

now we're looking at a picture of what's

682

00:32:37,190 --> 00:32:35,519

actually there which is a big

683

00:32:38,630 --> 00:32:37,200

boulder and somebody it looks like they

684

00:32:41,669 --> 00:32:38,640

did it with like a sharpie

685

00:32:43,509 --> 00:32:41,679

it says alien here and it's got an arrow

686

00:32:45,750 --> 00:32:43,519

and there's like a uh

687

00:32:48,470 --> 00:32:45,760

there's like a cross with some flowers

688

00:32:50,070 --> 00:32:48,480

on it i guess for the alien so

689

00:32:52,310 --> 00:32:50,080

that's what's there now that they

690

00:32:54,870 --> 00:32:52,320

replaced the former headstone with which

691

00:32:57,190 --> 00:32:54,880

i think it's kind of hokey but okay

692

00:32:59,110 --> 00:32:57,200

but people hundreds of people every year

693

00:33:01,669 --> 00:32:59,120

visit that place so i think that's

694

00:33:05,430 --> 00:33:01,679

interesting right

695

00:33:07,110 --> 00:33:05,440

it is it's um if you're in texas it's a

696

00:33:09,190 --> 00:33:07,120

huge deal i mean i live in san antonio

697

00:33:12,470 --> 00:33:09,200

which is about

698

00:33:15,669 --> 00:33:12,480

five or six hours south of aurora and

699

00:33:17,110 --> 00:33:15,679

um historic legendary for the entire

700

00:33:19,190 --> 00:33:17,120

state whether you live in globally or

701  
00:33:22,070 --> 00:33:19,200  
san antonio or dallas or houston or

702  
00:33:36,950 --> 00:33:22,080  
whatever if you're somewhat

703  
00:33:40,630 --> 00:33:40,070  
legendary and it's got a life of its own

704  
00:33:41,909 --> 00:33:40,640  
i

705  
00:33:43,750 --> 00:33:41,919  
would call them there was a conference

706  
00:33:44,230 --> 00:33:43,760  
there i think a few years ago it was a

707  
00:33:46,470 --> 00:33:44,240  
small

708  
00:33:47,590 --> 00:33:46,480  
meeting group but yeah there was a man

709  
00:33:50,710 --> 00:33:47,600  
held there

710  
00:33:52,389 --> 00:33:50,720  
um around the time of the crash for the

711  
00:33:54,710 --> 00:33:52,399  
alleged crash uh so

712  
00:33:55,909 --> 00:33:54,720  
it's a very popular story to slide like

713  
00:33:58,149 --> 00:33:55,919

so yeah and

714

00:34:00,230 --> 00:33:58,159

you know we had a comment from bg's

715

00:34:01,990 --> 00:34:00,240

again in the live chat and she said

716

00:34:03,350 --> 00:34:02,000

i thought there were several attempts to

717

00:34:05,430 --> 00:34:03,360

dig it up

718

00:34:07,269 --> 00:34:05,440

the gravestone was moved to put people

719

00:34:09,190 --> 00:34:07,279

off the scent of where the body could be

720

00:34:10,629 --> 00:34:09,200

yeah one of the town historians in

721

00:34:12,710 --> 00:34:10,639

another documentary i saw

722

00:34:14,710 --> 00:34:12,720

said that they moved the body but he

723

00:34:17,109 --> 00:34:14,720

didn't know where it was moved to

724

00:34:18,550 --> 00:34:17,119

and that's kind of part of what leads me

725

00:34:19,750 --> 00:34:18,560

to believe it could be a hoax too

726

00:34:22,629 --> 00:34:19,760

because that's convenient

727

00:34:24,710 --> 00:34:22,639

you know it's like michael horn with the

728

00:34:26,310 --> 00:34:24,720

billy myers story and that laser gun

729

00:34:28,310 --> 00:34:26,320

like show me the laser gun well the

730

00:34:29,589 --> 00:34:28,320

aliens only lent it to them and then

731

00:34:31,909 --> 00:34:29,599

they took it back so

732

00:34:33,589 --> 00:34:31,919

i had a laser gun but i can't show it to

733

00:34:34,389 --> 00:34:33,599

you so these people in this town are

734

00:34:36,950 --> 00:34:34,399

like we

735

00:34:38,389 --> 00:34:36,960

we had an alien body burning here but we

736

00:34:40,310 --> 00:34:38,399

can't show it to you

737

00:34:42,069 --> 00:34:40,320

and we can't tell you where we moved it

738

00:34:47,430 --> 00:34:42,079

you know

739

00:34:49,669 --> 00:34:47,440

it allows the religion to continue the

740

00:34:52,950 --> 00:34:49,679

story is perpetuated by that

741

00:34:55,909 --> 00:34:52,960

um yeah i examined some

742

00:34:57,190 --> 00:34:55,919

research from stem freeman kevin randall

743

00:35:00,310 --> 00:34:57,200

and

744

00:35:02,550 --> 00:35:00,320

it was a researcher that was affiliated

745

00:35:06,950 --> 00:35:05,190

studies he looked into this uh he was

746

00:35:07,829 --> 00:35:06,960

asked by alan hondak to look into this

747

00:35:09,190 --> 00:35:07,839

case

748

00:35:12,550 --> 00:35:09,200

and all three of the researchers could

749

00:35:14,950 --> 00:35:12,560

not find a single historian

750

00:35:16,150 --> 00:35:14,960

that felt this event was true yeah and

751

00:35:21,829 --> 00:35:16,160

we have

752

00:35:23,270 --> 00:35:21,839

rinchie asks why don't they just do one

753

00:35:24,790 --> 00:35:23,280

of those sonar things to see if the

754

00:35:27,270 --> 00:35:24,800

alien is laying down there

755

00:35:27,829 --> 00:35:27,280

and actually reem see they did ufo

756

00:35:30,870 --> 00:35:27,839

hunters

757

00:35:33,109 --> 00:35:30,880

episode

758

00:35:34,710 --> 00:35:33,119

on this case they used ground

759

00:35:35,270 --> 00:35:34,720

penetrating radar they couldn't prove

760

00:35:37,670 --> 00:35:35,280

that it was an

761

00:35:38,470 --> 00:35:37,680

alien but there's something buried down

762

00:35:39,990 --> 00:35:38,480

there

763

00:35:42,630 --> 00:35:40,000

and that's pretty amazing they didn't

764

00:35:44,390 --> 00:35:42,640

find anything in the well but they found

765

00:35:46,870 --> 00:35:44,400

that there's something buried at the

766

00:35:50,069 --> 00:35:46,880

apparently first reported gravesite

767

00:35:51,349 --> 00:35:50,079

that jim mars identified as the original

768

00:35:53,670 --> 00:35:51,359

gravesite

769

00:35:55,349 --> 00:35:53,680

so there's something buried there could

770

00:35:58,310 --> 00:35:55,359

be rocks i mean that you know there's

771

00:36:00,790 --> 00:35:58,320

just no proof

772

00:36:01,990 --> 00:36:00,800

no no we could we could easily solve it

773

00:36:04,230 --> 00:36:02,000

if i

774

00:36:06,790 --> 00:36:04,240

exhibited the body or whatever's there i

775

00:36:08,950 --> 00:36:06,800

mean the original story mentioned

776

00:36:10,310 --> 00:36:08,960

about look beyond the metal fragments of

777

00:36:13,589 --> 00:36:10,320

the records

778

00:36:16,150 --> 00:36:13,599

mentioned that there was a documentation

779

00:36:17,190 --> 00:36:16,160

recovery with the body in some screen

780

00:36:20,310 --> 00:36:17,200

writing

781

00:36:22,069 --> 00:36:20,320

where did that go yeah it is kind of

782

00:36:24,550 --> 00:36:22,079

strange to me that the tombstone

783

00:36:26,069 --> 00:36:24,560

the original marker stone disappeared

784

00:36:27,670 --> 00:36:26,079

and it had some

785

00:36:29,349 --> 00:36:27,680

some people say it had some kind of a

786

00:36:30,790 --> 00:36:29,359

flying saucer on it and we should

787

00:36:33,030 --> 00:36:30,800

picture it looks like some kind of

788

00:36:34,390 --> 00:36:33,040

flying craft and why would they do that

789

00:36:36,790 --> 00:36:34,400  
in 1897

790

00:36:38,630 --> 00:36:36,800  
but you know it could all be part of the

791

00:36:40,790 --> 00:36:38,640  
elaborate hoax to get some

792

00:36:42,710 --> 00:36:40,800  
publicity for a dying town and get some

793

00:36:43,750 --> 00:36:42,720  
tourists it sure worked because there

794

00:36:46,870 --> 00:36:43,760  
are tourists

795

00:36:48,069 --> 00:36:46,880  
all over that town every year looking

796

00:36:53,349 --> 00:36:48,079  
for the alien body

797

00:36:58,390 --> 00:36:56,390  
that that idea to throw around that

798

00:37:00,470 --> 00:36:58,400  
you know aurora wanted to grab onto a

799

00:37:02,390 --> 00:37:00,480  
story and

800

00:37:04,390 --> 00:37:02,400  
uh reach some you know financial

801  
00:37:06,550 --> 00:37:04,400  
benefits from you know i feel like what

802  
00:37:10,710 --> 00:37:06,560  
i mean russell certainly benefits from

803  
00:37:13,750 --> 00:37:10,720  
the event after 47. um yeah absolutely

804  
00:37:16,230 --> 00:37:13,760  
you know the challenge

805  
00:37:18,069 --> 00:37:16,240  
for the atlantic case texas same thing

806  
00:37:21,510 --> 00:37:18,079  
they haven't really benefited from

807  
00:37:24,630 --> 00:37:21,520  
this legend so oh

808  
00:37:26,390 --> 00:37:24,640  
sure thing well you know uh

809  
00:37:27,910 --> 00:37:26,400  
i i didn't want to keep you too long i

810  
00:37:29,270 --> 00:37:27,920  
just want to get your perspective on

811  
00:37:30,790 --> 00:37:29,280  
this because i kind of trust your

812  
00:37:32,710 --> 00:37:30,800  
judgment when it comes to these things

813  
00:37:33,829 --> 00:37:32,720

and i'm kind of on the same page as you

814

00:37:35,829 --> 00:37:33,839

but i still

815

00:37:38,230 --> 00:37:35,839

really love to believe that this story

816

00:37:40,150 --> 00:37:38,240

was true it's in that great basket of

817

00:37:42,470 --> 00:37:40,160

like what if though

818

00:37:45,190 --> 00:37:42,480

it's so tantalizing that proof of alien

819

00:37:45,589 --> 00:37:45,200

life and visitation of earth by alien

820

00:37:48,230 --> 00:37:45,599

life

821

00:37:49,750 --> 00:37:48,240

could be buried in some tiny little town

822

00:37:52,230 --> 00:37:49,760

but we can't get to it it's

823

00:37:53,829 --> 00:37:52,240

tantalizing yeah you know and i'm with

824

00:37:55,670 --> 00:37:53,839

you you know i mean professionally i

825

00:37:58,390 --> 00:37:55,680

think it's a hoax but personally

826

00:38:00,550 --> 00:37:58,400

i would love to find out relationships

827

00:38:02,310 --> 00:38:00,560

it's a fascinating story the idea that a

828

00:38:04,950 --> 00:38:02,320

non-terrestrial

829

00:38:06,069 --> 00:38:04,960

organic biological creature is buried in

830

00:38:08,870 --> 00:38:06,079

a texas town

831

00:38:09,910 --> 00:38:08,880

yeah absolutely well william if i get

832

00:38:13,990 --> 00:38:09,920

permission

833

00:38:17,510 --> 00:38:14,000

plane ticket with me and bring a shovel

834

00:38:19,270 --> 00:38:17,520

and a pickaxe you look you look like

835

00:38:21,030 --> 00:38:19,280

you'd be better at digging a grave than

836

00:38:22,069 --> 00:38:21,040

me you know you're like a little bigger

837

00:38:24,150 --> 00:38:22,079

you know

838

00:38:25,910 --> 00:38:24,160

i don't know it take me a while so i i'd

839

00:38:27,750 --> 00:38:25,920

be fine with some help we'll go dig up

840

00:38:30,230 --> 00:38:27,760

this alien grave and we'll

841

00:38:31,190 --> 00:38:30,240

live stream it like al capone's wall

842

00:38:34,390 --> 00:38:31,200

though you know

843

00:38:40,550 --> 00:38:36,390

yeah and just broadcast whatever we find

844

00:38:44,630 --> 00:38:42,310

all right well listen i want to thank

845

00:38:45,829 --> 00:38:44,640

you for joining me you're only my second

846

00:38:48,550 --> 00:38:45,839

guest here

847

00:38:49,190 --> 00:38:48,560

and we and hopefully maybe next time you

848

00:38:53,349 --> 00:38:49,200

can come on

849

00:38:54,950 --> 00:38:53,359

webcam with us okay

850

00:38:56,710 --> 00:38:54,960

all right you have a good night mr

851  
00:38:57,910 --> 00:38:56,720  
poland i'll be in touch with you if i

852  
00:39:01,510 --> 00:38:57,920  
get permission to dig

853  
00:39:06,310 --> 00:39:01,520  
get your shovels ready

854  
00:39:11,109 --> 00:39:09,510  
all right so that was our uh ufo expert

855  
00:39:12,870 --> 00:39:11,119  
researcher lecturer

856  
00:39:14,710 --> 00:39:12,880  
guest william pullen and will you

857  
00:39:16,150 --> 00:39:14,720  
pulling looks into everything about this

858  
00:39:17,589 --> 00:39:16,160  
sometimes when i'm not sure about a

859  
00:39:19,990 --> 00:39:17,599  
certain subject

860  
00:39:20,630 --> 00:39:20,000  
i call him and say what do you think of

861  
00:39:22,710 --> 00:39:20,640  
this one

862  
00:39:23,829 --> 00:39:22,720  
and we talk about it we didn't actually

863  
00:39:25,990 --> 00:39:23,839

uh pre

864

00:39:26,870 --> 00:39:26,000

anything this i just told him i'm going

865

00:39:28,790 --> 00:39:26,880

to do the show on

866

00:39:30,150 --> 00:39:28,800

aurora crash and he said oh that's a

867

00:39:31,750 --> 00:39:30,160

great story you know

868

00:39:33,190 --> 00:39:31,760

and i said don't tell me anything i want

869

00:39:35,349 --> 00:39:33,200

to see you know

870

00:39:36,950 --> 00:39:35,359

uh you can just come on the show and

871

00:39:39,910 --> 00:39:36,960

tell me what you think

872

00:39:40,470 --> 00:39:39,920

and and honestly time is so short lately

873

00:39:41,990 --> 00:39:40,480

that i

874

00:39:43,829 --> 00:39:42,000

am going to be doing a lot of things

875

00:39:45,030 --> 00:39:43,839

like that like talking to friends that i

876

00:39:46,390 --> 00:39:45,040

really enjoy talking to

877

00:39:48,150 --> 00:39:46,400

and i'm going to force them to come on

878

00:39:49,990 --> 00:39:48,160

my show so that i can

879

00:39:51,670 --> 00:39:50,000

you know catch up with some old friends

880

00:39:53,589 --> 00:39:51,680

hopefully and and good friends that i

881

00:39:55,430 --> 00:39:53,599

don't get a chance to talk too much

882

00:39:59,270 --> 00:39:55,440

and we're going to go to the live chat

883

00:40:03,349 --> 00:39:59,280

and i want to ask what do you guys think

884

00:40:06,069 --> 00:40:03,359

is this a true story or is it

885

00:40:07,910 --> 00:40:06,079

a hoax generated to save a dying town

886

00:40:09,670 --> 00:40:07,920

with tourism dollars

887

00:40:11,270 --> 00:40:09,680

i will say that if it was a hoax

888

00:40:12,390 --> 00:40:11,280

designed to do that it didn't work

889

00:40:14,950 --> 00:40:12,400

really well

890

00:40:16,950 --> 00:40:14,960

i mean it worked they got tourists out

891

00:40:17,589 --> 00:40:16,960

of it but it wasn't enough to like save

892

00:40:21,270 --> 00:40:17,599

a dying

893

00:40:26,150 --> 00:40:21,280

town and it's just a little ranch town

894

00:40:31,990 --> 00:40:29,349

and phil player michael horn is billy

895

00:40:32,390 --> 00:40:32,000

myers spokesman yes he is phil blair we

896

00:40:34,630 --> 00:40:32,400

did

897

00:40:36,309 --> 00:40:34,640

quite a couple of bunch of shows on the

898

00:40:37,750 --> 00:40:36,319

midnight hour my previous show with

899

00:40:39,349 --> 00:40:37,760

michael horne's guest

900

00:40:41,430 --> 00:40:39,359

and i just wanted to announce i don't

901  
00:40:43,109 --> 00:40:41,440  
know if i want this to happen

902  
00:40:44,550 --> 00:40:43,119  
but i do want to announce that michael

903  
00:40:48,069 --> 00:40:44,560  
horn wants to come on

904  
00:40:51,670 --> 00:40:48,079  
this new show so that i

905  
00:40:54,950 --> 00:40:51,680  
have an opportunity to apologize to him

906  
00:40:56,790 --> 00:40:54,960  
because uh michael horn is now claiming

907  
00:40:59,349 --> 00:40:56,800  
that billy meyer predicted

908  
00:41:02,230 --> 00:40:59,359  
all of this craziness that's going on in

909  
00:41:04,710 --> 00:41:02,240  
2020 and he did it 10 or 20 years ago

910  
00:41:06,309 --> 00:41:04,720  
uh we all know how i feel about the

911  
00:41:08,790 --> 00:41:06,319  
billy meyer case

912  
00:41:10,230 --> 00:41:08,800  
i think it's ridiculous trash can lids

913  
00:41:12,950 --> 00:41:10,240

and and nonsense

914

00:41:14,630 --> 00:41:12,960

and uh but you know michael horn if he

915

00:41:15,430 --> 00:41:14,640

if he really wants to come on here i

916

00:41:18,550 --> 00:41:15,440

will let him

917

00:41:20,309 --> 00:41:18,560

come on the new show uh and he can try

918

00:41:21,349 --> 00:41:20,319

to explain to me how billy meyer

919

00:41:24,069 --> 00:41:21,359

predicted this stuff

920

00:41:25,430 --> 00:41:24,079

20 years ago i'm probably going to be

921

00:41:27,750 --> 00:41:25,440

unconvinced

922

00:41:29,510 --> 00:41:27,760

um and um no i'm not going to i'm sorry

923

00:41:32,470 --> 00:41:29,520

michael i'm not going to apologize

924

00:41:34,230 --> 00:41:32,480

for anything that happened previously uh

925

00:41:36,069 --> 00:41:34,240

michael horn was supposed to come on the

926

00:41:37,990 --> 00:41:36,079

midnight hour show and debate kalkorf

927

00:41:40,390 --> 00:41:38,000

and he backed out and there was this big

928

00:41:43,030 --> 00:41:40,400

drama thing and then he went on this

929

00:41:44,630 --> 00:41:43,040

twitter rant and you know uh i don't

930

00:41:47,109 --> 00:41:44,640

know he went nuts

931

00:41:47,750 --> 00:41:47,119

so i'm not sure you know i even made an

932

00:41:50,150 --> 00:41:47,760

episode

933

00:41:51,030 --> 00:41:50,160

on the midnight hour show that was like

934

00:41:53,589 --> 00:41:51,040

uh

935

00:41:55,030 --> 00:41:53,599

getting off the billy meyer getting off

936

00:41:58,470 --> 00:41:55,040

the billy meyer crazy train

937

00:42:01,190 --> 00:41:58,480

and you know i got off so i'm not sure

938

00:42:03,030 --> 00:42:01,200

uh i want to let him back into my life

939

00:42:03,510 --> 00:42:03,040

and what kind of drama that's going to

940

00:42:07,910 --> 00:42:03,520

be

941

00:42:11,109 --> 00:42:10,069

my chair is different today and it's

942

00:42:14,470 --> 00:42:11,119

usually higher

943

00:42:16,550 --> 00:42:14,480

so i'm like peeking over your comments

944

00:42:18,150 --> 00:42:16,560

brandon young says he has nowhere else

945

00:42:20,870 --> 00:42:18,160

to go

946

00:42:21,510 --> 00:42:20,880

yeah that might be true and rheem see

947

00:42:23,750 --> 00:42:21,520

not

948

00:42:25,510 --> 00:42:23,760

a hoax it knocked over a windmill normal

949

00:42:27,430 --> 00:42:25,520

people saw it the mayor said it was real

950

00:42:29,270 --> 00:42:27,440

it was 100 years ago people did not make

951  
00:42:32,790 --> 00:42:29,280  
up ufo stories at the time

952  
00:42:35,510 --> 00:42:32,800  
i think it's a true story green tea

953  
00:42:36,150 --> 00:42:35,520  
i think it may be a true story there's

954  
00:42:38,790 --> 00:42:36,160  
at least

955  
00:42:40,630 --> 00:42:38,800  
some evidence and there was some

956  
00:42:44,230 --> 00:42:40,640  
witnesses

957  
00:42:46,710 --> 00:42:44,240  
and bg's

958  
00:42:47,990 --> 00:42:46,720  
brandon young i think it was an airship

959  
00:42:50,550 --> 00:42:48,000  
that's a possibility

960  
00:42:51,270 --> 00:42:50,560  
it very well could have been an early

961  
00:42:55,430 --> 00:42:51,280  
airship

962  
00:42:57,670 --> 00:42:55,440  
or zeppelin or uh helium balloon even or

963  
00:42:59,190 --> 00:42:57,680

hot air balloon there was no airplanes

964

00:43:02,230 --> 00:42:59,200

at the time there was no

965

00:43:05,270 --> 00:43:02,240

satellites there was no drones

966

00:43:07,829 --> 00:43:05,280

but there was still kites and balloons

967

00:43:10,630 --> 00:43:07,839

and certainly there was zeppelins and

968

00:43:12,790 --> 00:43:10,640

airships were becoming very very popular

969

00:43:13,750 --> 00:43:12,800

so that could be one explanation but it

970

00:43:17,270 --> 00:43:13,760

doesn't explain

971

00:43:20,710 --> 00:43:17,280

a little pilot uh

972

00:43:24,069 --> 00:43:20,720

was it a judge or a mayor super b

973

00:43:24,470 --> 00:43:24,079

fun cat uh actually the original story

974

00:43:27,030 --> 00:43:24,480

was

975

00:43:27,910 --> 00:43:27,040

told by the person whose property this

976  
00:43:31,349 --> 00:43:27,920  
crashed into

977  
00:43:33,510 --> 00:43:31,359  
and that was judge proctor

978  
00:43:34,550 --> 00:43:33,520  
uh later though i believe the mayor of

979  
00:43:37,349 --> 00:43:34,560  
the town

980  
00:43:45,030 --> 00:43:37,359  
was interviewed by someone who said that

981  
00:43:49,589 --> 00:43:47,910  
and we have a little debate here between

982  
00:43:51,190 --> 00:43:49,599  
brandon young and grimsy

983  
00:43:53,030 --> 00:43:51,200  
ramsay says brandon young could a

984  
00:43:54,150 --> 00:43:53,040  
zeppelin knock over a windmill i guess a

985  
00:43:58,069 --> 00:43:54,160  
rigid airship

986  
00:44:01,109 --> 00:43:58,079  
could maybe yeah it could because

987  
00:44:04,390 --> 00:44:01,119  
airships have the big a lot more

988  
00:44:07,589 --> 00:44:04,400

cannon you know like a lot more the way

989

00:44:10,150 --> 00:44:07,599

modern blinks work is there's this huge

990

00:44:11,430 --> 00:44:10,160

balloon and this little tiny thing

991

00:44:13,349 --> 00:44:11,440

underneath

992

00:44:15,750 --> 00:44:13,359

that is the cockpit and that's pretty

993

00:44:17,430 --> 00:44:15,760

much it but a zeppelin is different in

994

00:44:21,030 --> 00:44:17,440

that there was like

995

00:44:23,990 --> 00:44:21,040

inside the actual inflated

996

00:44:25,990 --> 00:44:24,000

part was rooms and things like that and

997

00:44:26,550 --> 00:44:26,000

these observation decks and they were

998

00:44:29,109 --> 00:44:26,560

huge

999

00:44:29,990 --> 00:44:29,119

and that i think that could knock over

1000

00:44:32,309 --> 00:44:30,000

the windmill

1001  
00:44:33,510 --> 00:44:32,319  
i mean it depends how sturdy the

1002  
00:44:36,630 --> 00:44:33,520  
windmill was but

1003  
00:44:38,950 --> 00:44:36,640  
yeah i think it could

1004  
00:44:39,670 --> 00:44:38,960  
and folks i don't know that anybody

1005  
00:44:41,990 --> 00:44:39,680  
wants to call

1006  
00:44:44,069 --> 00:44:42,000  
in live but we're going to take a very

1007  
00:44:46,470 --> 00:44:44,079  
short break here

1008  
00:44:47,589 --> 00:44:46,480  
and we're going to play the live call-in

1009  
00:44:50,550 --> 00:44:47,599  
number

1010  
00:44:52,550 --> 00:44:50,560  
uh we're going to play this bumper so if

1011  
00:44:54,630 --> 00:44:52,560  
anybody does want to call in and comment

1012  
00:44:57,829 --> 00:44:54,640  
you can comment on this case

1013  
00:44:58,390 --> 00:44:57,839

um you can ask me about upcoming shows

1014

00:45:05,030 --> 00:44:58,400

or

1015

00:45:05,750 --> 00:45:05,040

whatever you want to do and we're going

1016

00:45:08,790 --> 00:45:05,760

to open

1017

00:45:10,870 --> 00:45:08,800

our lines we'll be right back folks

1018

00:45:13,910 --> 00:45:10,880

with open phone lines anybody can call

1019

00:45:21,340 --> 00:45:13,920

any talk about this or any other subject

1020

00:45:21,350 --> 00:45:44,829

[Music]

1021

00:45:44,839 --> 00:45:48,280

so

1022

00:46:54,829 --> 00:45:55,150

[Music]

1023

00:46:54,839 --> 00:47:16,550

so

1024

00:47:20,790 --> 00:47:19,190

and we are back and we have a call on

1025

00:47:23,589 --> 00:47:20,800

the line hold on one second right

1026

00:47:24,069 --> 00:47:23,599

yeah hello this is steven and you're

1027

00:47:26,309 --> 00:47:24,079

live

1028

00:47:28,870 --> 00:47:26,319

on tree seekers who are you and where

1029

00:47:32,230 --> 00:47:28,880

are you calling from

1030

00:47:35,750 --> 00:47:32,240

says jeffrey g r

1031

00:47:44,549 --> 00:47:41,510

yeah yeah sure is oh nice to talk to you

1032

00:47:50,829 --> 00:47:44,559

yeah you too i wanted to call in on a

1033

00:47:55,670 --> 00:47:51,990

show

1034

00:47:56,390 --> 00:47:55,680

um but uh you know you're right i wish i

1035

00:48:00,069 --> 00:47:56,400

was

1036

00:48:02,710 --> 00:48:00,079

out

1037

00:48:04,549 --> 00:48:02,720

oh yeah i like what uh you guys what

1038

00:48:07,589 --> 00:48:04,559

you're doing

1039

00:48:11,270 --> 00:48:07,599

and um

1040

00:48:14,870 --> 00:48:11,280

one way or another on on tonight's show

1041

00:48:15,750 --> 00:48:14,880

it happened so long ago a lot of things

1042

00:48:17,510 --> 00:48:15,760

could have uh

1043

00:48:20,790 --> 00:48:17,520

you know the story could have changed

1044

00:48:25,510 --> 00:48:20,800

over 100 years several times

1045

00:48:28,790 --> 00:48:25,520

uh you know be mere speculation

1046

00:48:31,990 --> 00:48:28,800

uh something was flying

1047

00:48:33,349 --> 00:48:32,000

could have been fireworks but like you

1048

00:48:36,390 --> 00:48:33,359

say there's nothing

1049

00:48:39,990 --> 00:48:36,400

that blew that much back then

1050

00:48:42,710 --> 00:48:40,000

uh anyways uh

1051  
00:48:44,390 --> 00:48:42,720  
i actually only had that number up there

1052  
00:48:47,990 --> 00:48:44,400  
for a second

1053  
00:48:50,790 --> 00:48:48,000  
so i really wanted to just get it in

1054  
00:48:52,309 --> 00:48:50,800  
oh sure yeah yeah and please i should

1055  
00:48:55,349 --> 00:48:52,319  
mention this to everybody

1056  
00:48:55,750 --> 00:48:55,359  
that phone forwards so like please only

1057  
00:48:58,069 --> 00:48:55,760  
call

1058  
00:49:00,309 --> 00:48:58,079  
when the show is live streaming because

1059  
00:49:02,230 --> 00:49:00,319  
so far i've got like 100 well not 100

1060  
00:49:03,910 --> 00:49:02,240  
but i've gotten like 10 calls

1061  
00:49:05,910 --> 00:49:03,920  
like i guess people are watching the

1062  
00:49:06,710 --> 00:49:05,920  
replay so i have to put something up to

1063  
00:49:08,630 --> 00:49:06,720

like go hey

1064

00:49:09,829 --> 00:49:08,640

don't call when it's when it's not up

1065

00:49:12,549 --> 00:49:09,839

you know

1066

00:49:14,829 --> 00:49:12,559

but yeah and yeah i get it i should tell

1067

00:49:16,950 --> 00:49:14,839

i should tell everybody that jeff you

1068

00:49:18,870 --> 00:49:16,960

were

1069

00:49:20,390 --> 00:49:18,880

yeah i wanted to mention to my listeners

1070

00:49:21,829 --> 00:49:20,400

because i want to have you on as a guest

1071

00:49:23,030 --> 00:49:21,839

because you were a victim of the

1072

00:49:26,470 --> 00:49:23,040

paradise

1073

00:49:26,870 --> 00:49:26,480

fires and there's a lot of conspiracies

1074

00:49:31,030 --> 00:49:26,880

and

1075

00:49:31,750 --> 00:49:31,040

were very strongly against david wilcock

1076

00:49:35,109 --> 00:49:31,760

telling his

1077

00:49:37,349 --> 00:49:35,119

bs fairy tales about paradise being

1078

00:49:39,349 --> 00:49:37,359

destroyed by an energy weapon and people

1079

00:49:40,950 --> 00:49:39,359

are trying to profit from all the misery

1080

00:49:43,910 --> 00:49:40,960

in that town and that's terrible

1081

00:49:44,230 --> 00:49:43,920

i'm sorry that happened to you don't

1082

00:49:47,589 --> 00:49:44,240

know

1083

00:49:50,870 --> 00:49:47,599

the half of it the lawsuit is so

1084

00:49:53,910 --> 00:49:50,880

rigged i have been very very

1085

00:49:59,589 --> 00:49:53,920

involved in that in uh

1086

00:50:03,270 --> 00:50:01,190

and i know you were talking to erin

1087

00:50:09,190 --> 00:50:03,280

brockovich right because she's involved

1088

00:50:13,190 --> 00:50:09,200

in that case on the phone

1089

00:50:15,349 --> 00:50:13,200

about four times now uh we're totally

1090

00:50:19,270 --> 00:50:15,359

getting screwed in the lobster

1091

00:50:22,470 --> 00:50:19,280

it's a land grab uh it wasn't

1092

00:50:24,870 --> 00:50:22,480

dues or do charge i mean the winds were

1093

00:50:28,390 --> 00:50:24,880

80 miles an hour that morning

1094

00:50:31,670 --> 00:50:28,400

hot and dry forever a cigarette

1095

00:50:34,630 --> 00:50:31,680

would have started that fire uh

1096

00:50:36,309 --> 00:50:34,640

you know i hear gabriel talking about

1097

00:50:39,510 --> 00:50:36,319

the super soldiers that

1098

00:50:43,109 --> 00:50:39,520

jump out of airplanes and don't

1099

00:50:45,109 --> 00:50:43,119

parachutes uh and land

1100

00:50:47,109 --> 00:50:45,119

and they surrounded the town and laid it

1101  
00:50:52,309 --> 00:50:47,119  
on fire you know that's all

1102  
00:50:55,510 --> 00:50:52,319  
peter garvey she went on a cassidy show

1103  
00:50:58,549 --> 00:50:55,520  
and said that she went up there and

1104  
00:51:01,190 --> 00:50:58,559  
the day that she said she went up there

1105  
00:51:01,670 --> 00:51:01,200  
was the first thing they have that any

1106  
00:51:04,390 --> 00:51:01,680  
of us

1107  
00:51:05,030 --> 00:51:04,400  
in and there's only three ways to get up

1108  
00:51:07,349 --> 00:51:05,040  
there

1109  
00:51:08,390 --> 00:51:07,359  
and you had to go through a security

1110  
00:51:11,430 --> 00:51:08,400  
checkpoint

1111  
00:51:13,030 --> 00:51:11,440  
you had to give them your id you had to

1112  
00:51:15,109 --> 00:51:13,040  
prove where you were going and not

1113  
00:51:16,309 --> 00:51:15,119

all of the areas in the town were even

1114

00:51:18,069 --> 00:51:16,319

opened up

1115

00:51:20,069 --> 00:51:18,079

you could only go to your place you had

1116

00:51:22,069 --> 00:51:20,079

to wear a hat see

1117

00:51:24,309 --> 00:51:22,079

well i'll get with tamira's queen she

1118

00:51:26,150 --> 00:51:24,319

went up there with somebody

1119

00:51:28,790 --> 00:51:26,160

they didn't let her hand she didn't go

1120

00:51:30,150 --> 00:51:28,800

up there and she said she went to a

1121

00:51:33,510 --> 00:51:30,160

school

1122

00:51:36,790 --> 00:51:33,520

and vandalized a uh

1123

00:51:39,109 --> 00:51:36,800

uh an electrical box and saw

1124

00:51:41,750 --> 00:51:39,119

a smart meter in there that was

1125

00:51:43,750 --> 00:51:41,760

exploding but failed to explode

1126

00:51:49,270 --> 00:51:43,760

but you know this is so yeah all these

1127

00:51:53,109 --> 00:51:51,270

these theories you know the redwood

1128

00:51:54,950 --> 00:51:53,119

trees and all that

1129

00:51:57,270 --> 00:51:54,960

redwood trees don't even grow in

1130

00:52:00,630 --> 00:51:57,280

paradise they're out on the coast

1131

00:52:04,710 --> 00:52:00,640

but there are several videos on

1132

00:52:07,190 --> 00:52:04,720

youtube that have drier footage

1133

00:52:08,069 --> 00:52:07,200

and even people in airplanes that fly

1134

00:52:11,670 --> 00:52:08,079

over

1135

00:52:15,270 --> 00:52:11,680

thousands of homes where all you can see

1136

00:52:18,950 --> 00:52:15,280

is a pad you will not see elevator shaft

1137

00:52:22,309 --> 00:52:18,960

number one on those pads

1138

00:52:25,109 --> 00:52:22,319

there was another outfit uh trying to

1139

00:52:29,190 --> 00:52:25,119

exploit the fire like wilcock

1140

00:52:30,150 --> 00:52:29,200

and the butte county district attorney's

1141

00:52:33,190 --> 00:52:30,160

office

1142

00:52:35,670 --> 00:52:33,200

uh file criminal charges against them

1143

00:52:36,790 --> 00:52:35,680

they were trying to sell pillows or

1144

00:52:38,710 --> 00:52:36,800

something

1145

00:52:39,990 --> 00:52:38,720

but you know we're a close-knit

1146

00:52:43,270 --> 00:52:40,000

community

1147

00:52:46,549 --> 00:52:43,280

and they know about willcock uh

1148

00:52:47,349 --> 00:52:46,559

they weren't sure how he was exploiting

1149

00:52:52,630 --> 00:52:47,359

it

1150

00:52:55,829 --> 00:52:52,640

yeah but if he if he does

1151  
00:52:57,990 --> 00:52:55,839  
live streams and saw the donations

1152  
00:53:00,390 --> 00:52:58,000  
yeah yeah if he's if he's telling fake

1153  
00:53:00,870 --> 00:53:00,400  
stories he's telling fake stories about

1154  
00:53:02,710 --> 00:53:00,880  
power

1155  
00:53:04,870 --> 00:53:02,720  
about this paradise fire then he's

1156  
00:53:05,430 --> 00:53:04,880  
profiting from the misery of all those

1157  
00:53:07,109 --> 00:53:05,440  
people

1158  
00:53:09,910 --> 00:53:07,119  
and he's taking super chat chat

1159  
00:53:12,630 --> 00:53:09,920  
donations for lying about

1160  
00:53:14,390 --> 00:53:12,640  
you know some weird oh there was aliens

1161  
00:53:15,910 --> 00:53:14,400  
in that town and the government blew it

1162  
00:53:17,190 --> 00:53:15,920  
up with an energy weapon that's what

1163  
00:53:19,030 --> 00:53:17,200

caused the fire

1164

00:53:24,309 --> 00:53:19,040

he's so full of it and he's taking

1165

00:53:28,309 --> 00:53:26,630

he didn't even know paradise existed

1166

00:53:31,430 --> 00:53:28,319

until that fire hell

1167

00:53:34,230 --> 00:53:31,440

a bunch of people did it's a small town

1168

00:53:35,589 --> 00:53:34,240

it's a retirement community these are

1169

00:53:39,190 --> 00:53:35,599

mostly old people

1170

00:53:42,790 --> 00:53:39,200

a lot of them are still homeless

1171

00:53:46,069 --> 00:53:42,800

it is a land grab i will admit that

1172

00:53:49,270 --> 00:53:46,079

uh every bit of this case

1173

00:53:51,430 --> 00:53:49,280

is fixed i have nothing nice to say

1174

00:53:54,710 --> 00:53:51,440

about erin brockovich

1175

00:53:57,829 --> 00:53:54,720

she was hired she actually works for pg

1176

00:54:00,790 --> 00:53:57,839

e and if you look at her history

1177

00:54:01,349 --> 00:54:00,800

and you go to hinkley nevada all of

1178

00:54:04,630 --> 00:54:01,359

those

1179

00:54:07,270 --> 00:54:04,640

former clients that uh were represented

1180

00:54:14,150 --> 00:54:07,280

by the law firm she was working for

1181

00:54:19,190 --> 00:54:16,710

look at these disasters and in this case

1182

00:54:21,829 --> 00:54:19,200

this was perfect for aaron brockovich

1183

00:54:23,750 --> 00:54:21,839

because i signed on to it with her too

1184

00:54:24,549 --> 00:54:23,760

thinking who better you want to have

1185

00:54:27,829 --> 00:54:24,559

than to see

1186

00:54:30,710 --> 00:54:27,839

pg e than erin well

1187

00:54:32,790 --> 00:54:30,720

she got this big court lawyer who's her

1188

00:54:36,549 --> 00:54:32,800

boss that hired her

1189

00:54:47,510 --> 00:54:36,559

they rounded that 18 000

1190

00:54:51,910 --> 00:54:50,950

they did absolutely nothing to help us

1191

00:54:55,510 --> 00:54:51,920

in our lobby

1192

00:54:58,710 --> 00:54:55,520

and this attorney and eric brockovich

1193

00:55:02,150 --> 00:54:58,720

received a hundred million dollar loan

1194

00:55:03,190 --> 00:55:02,160

from zucchini uh while they were

1195

00:55:07,670 --> 00:55:03,200

allegedly

1196

00:55:09,349 --> 00:55:07,680

representing us uh

1197

00:55:10,789 --> 00:55:09,359

yeah listen why don't we why don't we

1198

00:55:12,470 --> 00:55:10,799

save it for a whole show because we

1199

00:55:15,030 --> 00:55:12,480

could do well i could do a whole show on

1200

00:55:20,390 --> 00:55:15,040

all the paradise conspiracies and give

1201

00:55:23,829 --> 00:55:20,400

me the perfect guest

1202

00:55:26,870 --> 00:55:23,839

uh if there was a way i could prove

1203

00:55:30,230 --> 00:55:26,880

exactly how much money he's making

1204

00:55:32,950 --> 00:55:30,240

and show them they will file charges

1205

00:55:33,990 --> 00:55:32,960

with the district attorney's office uh

1206

00:55:38,390 --> 00:55:34,000

there's been

1207

00:55:42,309 --> 00:55:38,400

three now the one the big one is today

1208

00:55:45,990 --> 00:55:42,319

pg e uh quite guilty to

1209

00:55:49,270 --> 00:55:46,000

85 counts of manslaughter and

1210

00:55:49,589 --> 00:55:49,280

recklessly starting a fire yeah i saw

1211

00:55:56,150 --> 00:55:49,599

that

1212

00:55:57,990 --> 00:55:56,160

coming from

1213

00:56:12,069 --> 00:55:58,000

that they've agreed to pay it comes out

1214

00:56:12,079 --> 00:56:17,430

how much money david wilcock is pulling

1215

00:56:23,829 --> 00:56:20,630

uh the district attorney will file

1216

00:56:25,750 --> 00:56:23,839

a criminal complaint against him

1217

00:56:28,470 --> 00:56:25,760

wow well i'd be happy to help you with

1218

00:56:31,349 --> 00:56:28,480

that let's keep in touch

1219

00:56:32,069 --> 00:56:31,359

yeah great yeah you have my number there

1220

00:56:34,870 --> 00:56:32,079

i guess

1221

00:56:35,349 --> 00:56:34,880

yes i do you know how to contact me

1222

00:56:38,390 --> 00:56:35,359

anyway

1223

00:56:57,270 --> 00:56:38,400

you can contact victor again dan and i

1224

00:57:01,030 --> 00:56:59,589

other than that yeah okay i'll let

1225

00:57:03,270 --> 00:57:01,040

someone else get on there

1226  
00:57:04,309 --> 00:57:03,280  
okay great nice talking to you jeff you

1227  
00:57:06,390 --> 00:57:04,319  
have a good evening

1228  
00:57:09,430 --> 00:57:06,400  
thanks for calling street seekers take

1229  
00:57:13,589 --> 00:57:11,829  
all right so yeah jeff is terrible he

1230  
00:57:15,750 --> 00:57:13,599  
had a terrible experience he lost

1231  
00:57:17,349 --> 00:57:15,760  
his his home was burned he lost

1232  
00:57:19,109 --> 00:57:17,359  
everything they owned

1233  
00:57:21,190 --> 00:57:19,119  
and then we have these clowns coming

1234  
00:57:23,510 --> 00:57:21,200  
along like david wilcock

1235  
00:57:24,710 --> 00:57:23,520  
you know telling fairy tales about

1236  
00:57:27,270 --> 00:57:24,720  
aliens and

1237  
00:57:28,870 --> 00:57:27,280  
government energy weapons so of course

1238  
00:57:30,549 --> 00:57:28,880

him and the residents of paradise are

1239

00:57:33,670 --> 00:57:30,559

not happy with one

1240

00:57:35,829 --> 00:57:33,680

uh mr david wilcock and mr wolcott if

1241

00:57:38,069 --> 00:57:35,839

you're watching and i'm sure one of your

1242

00:57:38,870 --> 00:57:38,079

you know idiot friends will send this to

1243

00:57:42,150 --> 00:57:38,880

you

1244

00:57:44,950 --> 00:57:42,160

uh i don't know uh if

1245

00:57:46,470 --> 00:57:44,960

you could or would or will be criminally

1246

00:57:49,190 --> 00:57:46,480

prosecuted but

1247

00:57:51,270 --> 00:57:49,200

the paradise residents want you to be

1248

00:57:54,230 --> 00:57:51,280

for profiting from their misery

1249

00:57:55,109 --> 00:57:54,240

and honestly i think you should be but

1250

00:57:59,750 --> 00:57:55,119

let's get back

1251

00:58:02,870 --> 00:57:59,760

to uh the the live stream

1252

00:58:04,789 --> 00:58:02,880

uh or let's get back to

1253

00:58:06,549 --> 00:58:04,799

we get back to the live chat and

1254

00:58:09,670 --> 00:58:06,559

actually i had one more

1255

00:58:10,630 --> 00:58:09,680

uh sort of video that i thought we could

1256

00:58:13,670 --> 00:58:10,640

play

1257

00:58:14,230 --> 00:58:13,680

uh which is it's done by like uh let me

1258

00:58:16,309 --> 00:58:14,240

see that

1259

00:58:17,670 --> 00:58:16,319

the texas bucket list which i thought

1260

00:58:19,430 --> 00:58:17,680

was great because

1261

00:58:22,309 --> 00:58:19,440

it's a youtube channel dedicated to all

1262

00:58:24,230 --> 00:58:22,319

the things you should do in texas before

1263

00:58:25,589 --> 00:58:24,240

you kick the bucket and he visits all

1264

00:58:27,750 --> 00:58:25,599

these crazy sites and

1265

00:58:29,990 --> 00:58:27,760

he just tells a great story so i thought

1266

00:58:32,710 --> 00:58:30,000

we could look at what's going on

1267

00:58:34,230 --> 00:58:32,720

lately in modern times and this is

1268

00:58:36,309 --> 00:58:34,240

pretty recent video

1269

00:58:37,990 --> 00:58:36,319

and again i'm gonna say fair use uh

1270

00:58:39,990 --> 00:58:38,000

because we're discussing this and this

1271

00:58:42,950 --> 00:58:40,000

is a transformative work

1272

00:58:45,430 --> 00:58:42,960

but we're gonna try and take a look at

1273

00:58:47,190 --> 00:58:45,440

what's going on in that alien graveyard

1274

00:58:49,750 --> 00:58:47,200

lately and here from

1275

00:58:51,430 --> 00:58:49,760

uh i believe it's the town historian or

1276  
00:58:52,470 --> 00:58:51,440  
mayor is in this video who gets

1277  
00:58:57,750 --> 00:58:52,480  
interviewed

1278  
00:58:57,760 --> 00:59:03,190  
see if we can't find that

1279  
01:00:12,829 --> 01:00:03,030  
there we go

1280  
01:00:12,839 --> 01:00:15,910  
here

1281  
01:00:19,349 --> 01:00:18,630  
the browser actually crashed let me take

1282  
01:00:21,030 --> 01:00:19,359  
a look

1283  
01:00:23,670 --> 01:00:21,040  
uh just to make sure that we're still

1284  
01:00:26,789 --> 01:00:23,680  
broadcasting sorry about that folks

1285  
01:00:28,549 --> 01:00:26,799  
i don't know why that happened i've

1286  
01:00:30,549 --> 01:00:28,559  
never seen a browser crash like that in

1287  
01:00:32,470 --> 01:00:30,559  
the middle of a broadcast before

1288  
01:00:35,030 --> 01:00:32,480

so just bear with me for one second

1289

01:00:39,109 --> 01:00:35,040

folks while i uh verify that we're still

1290

01:00:42,549 --> 01:00:40,309

and then i'll try to get the share

1291

01:00:48,390 --> 01:00:42,559

screen going again

1292

01:00:52,390 --> 01:00:51,430

it's the cabal super v fun cat says it's

1293

01:00:57,109 --> 01:00:52,400

the cabal

1294

01:00:58,309 --> 01:00:57,119

knock that out we'll go back well it's

1295

01:01:02,150 --> 01:00:58,319

good to know if the

1296

01:01:04,710 --> 01:01:02,160

browser crashes that i can still

1297

01:01:05,990 --> 01:01:04,720

uh i don't have to go to gmail to get my

1298

01:01:07,829 --> 01:01:06,000

uh

1299

01:01:10,870 --> 01:01:07,839

just stand by guys i gotta get into

1300

01:01:13,589 --> 01:01:10,880

gmail to get the link here

1301  
01:01:22,829 --> 01:01:13,599  
open lines fighting for justice oh here

1302  
01:01:22,839 --> 01:01:36,829  
texas

1303  
01:01:44,870 --> 01:01:40,950  
okay

1304  
01:01:44,880 --> 01:01:56,950  
texas bucket list

1305  
01:01:56,960 --> 01:02:04,150  
farts or would you

1306  
01:02:10,390 --> 01:02:07,510  
aurora texas a small community

1307  
01:02:12,950 --> 01:02:10,400  
north of fort worth may be named for the

1308  
01:02:15,029 --> 01:02:12,960  
glimmering light show scene in the sky

1309  
01:02:16,390 --> 01:02:15,039  
but it's something that fell from the

1310  
01:02:19,109 --> 01:02:16,400  
wild blue yonder

1311  
01:02:21,190 --> 01:02:19,119  
that's legendary in this town well you

1312  
01:02:24,950 --> 01:02:21,200  
guys have interesting history here

1313  
01:02:27,510 --> 01:02:24,960

we do have with that yes dan mcintyre is

1314

01:02:29,990 --> 01:02:27,520

the town's historic preservation officer

1315

01:02:32,309 --> 01:02:30,000

an interesting title for a place that's

1316

01:02:34,710 --> 01:02:32,319

only got about 1200 people

1317

01:02:36,470 --> 01:02:34,720

but it used to be much bigger you used

1318

01:02:37,910 --> 01:02:36,480

to have a population i understand over

1319

01:02:40,230 --> 01:02:37,920

5000 here

1320

01:02:41,670 --> 01:02:40,240

and there was some problems they had a

1321

01:02:42,230 --> 01:02:41,680

epidemic they went through and kind of

1322

01:02:45,510 --> 01:02:42,240

wiped

1323

01:02:48,390 --> 01:02:45,520

a lot of the population out also the

1324

01:02:49,589 --> 01:02:48,400

railroad bypass to town there's a

1325

01:02:51,750 --> 01:02:49,599

pamphlet out called

1326

01:02:54,230 --> 01:02:51,760

the town that almost was during the

1327

01:02:55,510 --> 01:02:54,240

continuous downtrodden times of the late

1328

01:02:57,829 --> 01:02:55,520

1800s

1329

01:02:58,950 --> 01:02:57,839

something out of this world is said to

1330

01:03:01,270 --> 01:02:58,960

have happened here

1331

01:03:03,100 --> 01:03:01,280

well there's a rumor about the spaceship

1332

01:03:08,030 --> 01:03:03,110

that hit one of the windmills

1333

01:03:10,710 --> 01:03:08,040

[Music]

1334

01:03:13,829 --> 01:03:10,720

[Applause]

1335

01:03:16,710 --> 01:03:13,839

file this one under strange and unusual

1336

01:03:18,069 --> 01:03:16,720

because this story is just getting

1337

01:03:22,069 --> 01:03:18,079

started

1338

01:03:24,710 --> 01:03:22,079

as i understand it the spaceship hits

1339

01:03:26,230 --> 01:03:24,720

judge proctor's windmill out there and

1340

01:03:27,990 --> 01:03:26,240

crashes they took

1341

01:03:29,670 --> 01:03:28,000

the alien's body and they buried him at

1342

01:03:30,630 --> 01:03:29,680

the cemetery and gave him a christian

1343

01:03:32,230 --> 01:03:30,640

barrel

1344

01:03:35,029 --> 01:03:32,240

several of the people in the area they

1345

01:03:37,109 --> 01:03:35,039

went out and looked at the crash scene

1346

01:03:38,710 --> 01:03:37,119

i understand they threw parts of the

1347

01:03:40,950 --> 01:03:38,720

spacecraft down in the well

1348

01:03:42,309 --> 01:03:40,960

other people just took you know and

1349

01:03:42,789 --> 01:03:42,319

carried off what they could of it you

1350

01:03:44,789 --> 01:03:42,799

know

1351

01:03:45,990 --> 01:03:44,799

which people would do i would suspect

1352

01:03:48,150 --> 01:03:46,000

the alleged crash

1353

01:03:49,470 --> 01:03:48,160

even made the dallas morning news on

1354

01:03:52,630 --> 01:03:49,480

april 19

1355

01:03:53,190 --> 01:03:52,640

1897 submitted to the paper by aurora

1356

01:03:56,230 --> 01:03:53,200

resident

1357

01:03:57,430 --> 01:03:56,240

s e hayden a local cotton buyer the

1358

01:04:00,549 --> 01:03:57,440

alien news

1359

01:04:01,270 --> 01:04:00,559

wasn't front page by any means but it

1360

01:04:04,150 --> 01:04:01,280

did make

1361

01:04:05,190 --> 01:04:04,160

page five while skepticism was high back

1362

01:04:07,910 --> 01:04:05,200

in the day

1363

01:04:09,349 --> 01:04:07,920

some still believe that something

1364

01:04:12,309 --> 01:04:09,359

happened here

1365

01:04:13,510 --> 01:04:12,319

all you have to do is go to the cemetery

1366

01:04:15,750 --> 01:04:13,520

where the alien is

1367

01:04:16,870 --> 01:04:15,760

said to have been buried i'm sure you

1368

01:04:18,789 --> 01:04:16,880

guys get some interesting characters

1369

01:04:21,510 --> 01:04:18,799

visiting town

1370

01:04:23,190 --> 01:04:21,520

uh of course do you think it's an alien

1371

01:04:26,309 --> 01:04:23,200

over there

1372

01:04:27,910 --> 01:04:26,319

yeah a large stone serves as the marker

1373

01:04:30,470 --> 01:04:27,920

to the foreign body that

1374

01:04:33,510 --> 01:04:30,480

has apparently been moved to keep

1375

01:04:36,150 --> 01:04:33,520

curious kleptos from digging up whatever

1376

01:04:37,029 --> 01:04:36,160

could be resting in the aurora cemetery

1377

01:04:40,309 --> 01:04:37,039

and this is

1378

01:04:42,710 --> 01:04:40,319

my understanding that he was moved

1379

01:04:45,109 --> 01:04:42,720

and buried elsewhere so that you know

1380

01:04:46,870 --> 01:04:45,119

people couldn't go around digging him up

1381

01:04:48,789 --> 01:04:46,880

and it wouldn't make sense to agree the

1382

01:04:50,230 --> 01:04:48,799

people that did that are all dead

1383

01:04:51,589 --> 01:04:50,240

i don't know if they passed it on to

1384

01:04:53,029 --> 01:04:51,599

anybody else but i'm not aware of

1385

01:04:56,069 --> 01:04:53,039

anybody that knows actually the

1386

01:04:57,750 --> 01:04:56,079

the action burial site but

1387

01:04:59,670 --> 01:04:57,760

you know again you know that going back

1388

01:05:01,750 --> 01:04:59,680

that good old texas law

1389

01:05:02,789 --> 01:05:01,760

you got to get permission of it next to

1390

01:05:05,109 --> 01:05:02,799

ken to dig him up

1391

01:05:06,870 --> 01:05:05,119

anyway so you know unless you're the

1392

01:05:09,589 --> 01:05:06,880

people digging him somewhere

1393

01:05:11,190 --> 01:05:09,599

and unless you're the people that's

1394

01:05:14,230 --> 01:05:11,200

going to move you

1395

01:05:16,150 --> 01:05:14,240

despite being a far out story with no

1396

01:05:18,710 --> 01:05:16,160

real physical proof

1397

01:05:19,750 --> 01:05:18,720

people still stop by to pay their

1398

01:05:22,630 --> 01:05:19,760

respects

1399

01:05:23,910 --> 01:05:22,640

to ned the resident out of this world

1400

01:05:27,829 --> 01:05:23,920

alien corpse that

1401

01:05:31,349 --> 01:05:27,839

may or may not be buried here

1402

01:05:33,029 --> 01:05:31,359

hello you came all this way you're out

1403

01:05:34,789 --> 01:05:33,039

in the middle of nowhere you gotta

1404

01:05:36,069 --> 01:05:34,799

you gotta at least venture another 50

1405

01:05:37,910 --> 01:05:36,079

yards to see the alien

1406

01:05:39,990 --> 01:05:37,920

ricky lee and family happened to be

1407

01:05:42,870 --> 01:05:40,000

saying goodbye to a lost loved one

1408

01:05:44,630 --> 01:05:42,880

from this earth when they decided to see

1409

01:05:46,950 --> 01:05:44,640

what the cosmic commotion was

1410

01:05:47,910 --> 01:05:46,960

all about yeah i think there's nothing

1411

01:05:49,990 --> 01:05:47,920

down there

1412

01:05:52,069 --> 01:05:50,000

it's just part of our background to come

1413

01:05:53,270 --> 01:05:52,079

up here and when we have a funeral a

1414

01:05:55,750 --> 01:05:53,280

family funeral

1415

01:05:56,870 --> 01:05:55,760

we come and pay our respects to the

1416

01:05:59,829 --> 01:05:56,880

alien also

1417

01:06:01,270 --> 01:05:59,839

so how fun is it to show up at a

1418

01:06:02,390 --> 01:06:01,280

cemetery after someone just gets out of

1419

01:06:03,589 --> 01:06:02,400

a funeral and have them over here

1420

01:06:04,630 --> 01:06:03,599

laughing and smiling not even five

1421

01:06:06,789 --> 01:06:04,640

minutes after that

1422

01:06:07,910 --> 01:06:06,799

i thought it was very interesting and it

1423

01:06:11,029 --> 01:06:07,920

didn't you know it

1424

01:06:12,630 --> 01:06:11,039

lent a lot i think they enjoyed it a lot

1425

01:06:15,029 --> 01:06:12,640

i think it probably lessened their

1426

01:06:16,710 --> 01:06:15,039

their pain all right that's what i've

1427

01:06:19,670 --> 01:06:16,720

seen anyway

1428

01:06:21,510 --> 01:06:19,680

and for me i thought it was nice very

1429

01:06:23,829 --> 01:06:21,520

few funerals can say that

1430

01:06:25,910 --> 01:06:23,839

so the story of an alien ship that

1431

01:06:26,870 --> 01:06:25,920

crashed in the windmill of one judge

1432

01:06:30,390 --> 01:06:26,880

proctor

1433

01:06:33,510 --> 01:06:30,400

lives on perhaps for light years

1434

01:06:36,390 --> 01:06:33,520

but it does bring a smile to some

1435

01:06:38,069 --> 01:06:36,400

when they need it most and keeps that

1436

01:06:41,349 --> 01:06:38,079

tingling question of

1437

01:06:44,390 --> 01:06:41,359

are we alone hovering in our heads

1438

01:06:45,190 --> 01:06:44,400

i like to think there's a other life out

1439

01:06:48,950 --> 01:06:45,200

there i

1440

01:06:52,549 --> 01:06:48,960

uh not so sure the people of aurora

1441

01:06:55,910 --> 01:06:54,549

so sure about what they saw but i would

1442

01:06:59,430 --> 01:06:55,920

like i'd like to think it's

1443

01:07:01,029 --> 01:06:59,440

true it'd be awesome

1444

01:07:03,029 --> 01:07:01,039

it's the essence of the question are we

1445

01:07:06,150 --> 01:07:03,039

alone out there

1446

01:07:08,950 --> 01:07:06,160

we're not alone we know that you know

1447

01:07:10,150 --> 01:07:08,960

we know we're not alone but what's there

1448

01:07:12,230 --> 01:07:10,160

who's there

1449

01:07:13,829 --> 01:07:12,240

that's the question that's the big

1450

01:07:16,069 --> 01:07:13,839

question right there

1451

01:07:18,710 --> 01:07:16,079

it's just because it's a good story a

1452

01:07:22,309 --> 01:07:18,720

good old hometown story

1453

01:07:24,150 --> 01:07:22,319

so good to come follow a trail i am a

1454

01:07:27,990 --> 01:07:24,160

strong believer

1455

01:07:29,589 --> 01:07:28,000

and the deer lord is powerful enough

1456

01:07:31,109 --> 01:07:29,599

that if he wanted to create another

1457

01:07:31,829 --> 01:07:31,119

universe and other people he could have

1458

01:07:34,150 --> 01:07:31,839

done it

1459

01:07:35,750 --> 01:07:34,160

he didn't have to tell us about it and

1460

01:07:39,029 --> 01:07:35,760

that's what i believe strongly

1461

01:07:41,109 --> 01:07:39,039

do i believe might as well offer the fun

1462

01:07:42,150 --> 01:07:41,119

of it

1463

01:07:43,190 --> 01:07:42,160

there's going to be a point in time when

1464

01:07:45,109 --> 01:07:43,200

you guys are taking a grape you're going

1465

01:07:47,589 --> 01:07:45,119

to come across an unmarked uh grave do

1466

01:07:51,190 --> 01:07:47,599

you venture opening it

1467

01:07:53,990 --> 01:07:51,200

i don't expect to open

1468

01:07:56,630 --> 01:07:54,000

anything i'm gonna have to ask you to

1469

01:08:00,549 --> 01:07:56,640

look right here

1470

01:08:02,710 --> 01:08:00,559

okay so that's sort of uh

1471

01:08:04,870 --> 01:08:02,720

to see i i wanted to show that just to

1472

01:08:07,349 --> 01:08:04,880

show sort of the cultural significance

1473

01:08:09,349 --> 01:08:07,359

and and how people yeah like this woman

1474

01:08:10,870 --> 01:08:09,359

in the video said she followed the trail

1475

01:08:13,510 --> 01:08:10,880

to get to that alien

1476

01:08:15,750 --> 01:08:13,520

graveyard and to see where that alien

1477

01:08:19,430 --> 01:08:15,760

just might be buried

1478

01:08:24,309 --> 01:08:19,440

uh that is

1479

01:08:27,749 --> 01:08:24,319

uh just a great part of the story

1480

01:08:30,309 --> 01:08:27,759

so we're gonna go back to the live chat

1481

01:08:32,789 --> 01:08:30,319

and go anybody can you know have

1482

01:08:34,309 --> 01:08:32,799

comments or questions the sort of

1483

01:08:36,149 --> 01:08:34,319

windmill is embedded firmly in the

1484

01:08:38,149 --> 01:08:36,159

ground something huge and heavy

1485

01:08:39,269 --> 01:08:38,159

would knock it over it had to be a big

1486

01:08:42,470 --> 01:08:39,279

thing to knock

1487

01:08:44,470 --> 01:08:42,480

it over yeah i agree with you

1488

01:08:46,309 --> 01:08:44,480

rimsey whatever knocked over that

1489

01:08:48,870 --> 01:08:46,319

windmill it had to be

1490

01:08:50,229 --> 01:08:48,880

really a big thing to knock over the

1491

01:08:53,669 --> 01:08:50,239

windmill

1492

01:08:55,669 --> 01:08:53,679

uh yeah and uh

1493

01:08:57,430 --> 01:08:55,679

just gonna do another share screen and

1494

01:09:00,470 --> 01:08:57,440

put the phone number back up

1495

01:09:01,910 --> 01:09:00,480

in case anybody else wanted to call or

1496

01:09:08,390 --> 01:09:01,920

actually wait i don't have to share

1497

01:09:15,269 --> 01:09:12,870

let's go to i have

1498

01:09:16,630 --> 01:09:15,279

just an overlay here and my mic will be

1499

01:09:17,430 --> 01:09:16,640

muted so i'm just going to put the

1500

01:09:19,510 --> 01:09:17,440

number back up

1501

01:09:21,189 --> 01:09:19,520

if anybody wants to call you can call in

1502

01:09:22,630 --> 01:09:21,199

if you have any questions or comments

1503

01:09:24,870 --> 01:09:22,640

about this case or

1504

01:09:25,669 --> 01:09:24,880

any other case or anything you really

1505

01:09:28,630 --> 01:09:25,679

want to talk about

1506

01:09:29,110 --> 01:09:28,640

in the paranormal conspiracy land realm

1507

01:09:36,390 --> 01:09:29,120

uh

1508

01:09:45,430 --> 01:09:38,390

so the lines are open you can call now

1509

01:09:48,709 --> 01:09:45,440

the phone number is 267-482-0612

1510

01:09:53,030 --> 01:09:48,719

again four that's two

1511

01:09:58,070 --> 01:09:55,030

somebody commented on my antique phones

1512

01:10:02,070 --> 01:09:58,080

i i have a thing for antique phones

1513

01:10:04,070 --> 01:10:02,080

i try to get you know it's funny to see

1514

01:10:06,390 --> 01:10:04,080

young people like try to work one of

1515

01:10:11,110 --> 01:10:06,400

these phones

1516

01:10:14,229 --> 01:10:13,030

so if anybody wants to call in live you

1517

01:10:17,030 --> 01:10:14,239

can do that

1518

01:10:17,430 --> 01:10:17,040

and somebody already copied and pasted

1519

01:10:24,950 --> 01:10:17,440

the

1520

01:10:27,189 --> 01:10:24,960

we're gonna go back to comments if my

1521

01:10:29,590 --> 01:10:27,199

mouse wants to cooperate with me

1522

01:10:31,350 --> 01:10:29,600

i really have to work on my setup here

1523

01:10:34,630 --> 01:10:31,360

because

1524

01:10:38,790 --> 01:10:36,470

i can't find the mouse cursor there it

1525

01:10:41,430 --> 01:10:38,800

is there we go

1526

01:10:44,550 --> 01:10:41,440

there we go i'm back to the live chat

1527

01:10:46,709 --> 01:10:44,560

and yeah room c

1528

01:10:48,229 --> 01:10:46,719

this is the call in line if anybody

1529

01:10:49,510 --> 01:10:48,239

would like to call in brandon young

1530

01:10:51,669 --> 01:10:49,520

mentioned calling in

1531

01:10:52,950 --> 01:10:51,679

would be happy to have you brandon and

1532

01:10:55,110 --> 01:10:52,960

put a

1533

01:10:57,110 --> 01:10:55,120

voice to your name i've seen you in so

1534

01:11:03,350 --> 01:10:57,120

many different live chats

1535

01:11:08,870 --> 01:11:06,870

and we have another comment here

1536

01:11:10,229 --> 01:11:08,880

from reem cs storm certainly couldn't

1537

01:11:11,910 --> 01:11:10,239

knock one of those over

1538

01:11:14,070 --> 01:11:11,920

those things are sturdy and will stand

1539

01:11:15,110 --> 01:11:14,080

around forever unless someone takes it

1540

01:11:17,830 --> 01:11:15,120

down

1541

01:11:18,630 --> 01:11:17,840

i've seen these big commercial even the

1542

01:11:21,030 --> 01:11:18,640

old school

1543

01:11:22,310 --> 01:11:21,040

like really old windmills on a farm i

1544

01:11:24,149 --> 01:11:22,320

don't know what they use them for i

1545

01:11:27,270 --> 01:11:24,159

guess the dairy power i don't know

1546

01:11:32,070 --> 01:11:27,280

uh yeah i agree with rimsey a storm is

1547

01:11:37,030 --> 01:11:34,870

and super v fun cat says i'm surprised

1548

01:11:39,110 --> 01:11:37,040

there's not more high strangeness in the

1549

01:11:41,990 --> 01:11:39,120

town reported yeah

1550

01:11:43,350 --> 01:11:42,000

maybe uh maybe that that was really all

1551

01:11:45,910 --> 01:11:43,360

that happened there a

1552

01:11:47,270 --> 01:11:45,920

paranormal note and you mentioned

1553

01:11:47,830 --> 01:11:47,280

calling my cell phone whenever you want

1554

01:11:49,189 --> 01:11:47,840

super b

1555

01:11:50,790 --> 01:11:49,199

you can call me whenever you want i

1556

01:11:55,830 --> 01:11:50,800

don't know about everybody else but you

1557

01:11:58,870 --> 01:11:55,840

you can call me

1558

01:12:00,870 --> 01:11:58,880

green she says brandon is kind and super

1559

01:12:03,990 --> 01:12:00,880

smart

1560

01:12:04,870 --> 01:12:04,000

and super mercury goes into retrograde

1561

01:12:07,110 --> 01:12:04,880

tomorrow

1562

01:12:07,990 --> 01:12:07,120

you know what super b i try to not pay

1563

01:12:11,110 --> 01:12:08,000

attention to this

1564

01:12:14,390 --> 01:12:11,120

mercury in retrograde stuff i really do

1565

01:12:17,110 --> 01:12:14,400

but then stuff happens

1566

01:12:18,870 --> 01:12:17,120

every time that mercury i hate it every

1567

01:12:21,990 --> 01:12:18,880

time that thing happens

1568

01:12:24,390 --> 01:12:22,000

it seems like weird things happen never

1569

01:12:25,990 --> 01:12:24,400

good things it's always like drunk

1570

01:12:29,030 --> 01:12:26,000

family drama hits or

1571

01:12:30,950 --> 01:12:29,040

like the car blew up or something weird

1572

01:12:35,270 --> 01:12:30,960

like that always happens to me

1573

01:12:37,030 --> 01:12:35,280

so i am not good to see

1574

01:12:38,470 --> 01:12:37,040

i'm not glad to see mercury in

1575

01:12:39,750 --> 01:12:38,480

retrograde

1576

01:12:41,669 --> 01:12:39,760

but i'm not really a believer in

1577

01:12:43,270 --> 01:12:41,679

astrology so i don't know how that works

1578

01:12:44,870 --> 01:12:43,280

but i'm telling you i've had weird

1579

01:12:51,189 --> 01:12:44,880

things happen to me

1580

01:12:53,510 --> 01:12:51,199

when that stuff goes on

1581

01:12:55,030 --> 01:12:53,520

and out of mind yeah maybe your

1582

01:13:00,310 --> 01:12:55,040

intention because of mercury

1583

01:13:05,430 --> 01:13:02,149

yeah and before i forget i want to thank

1584

01:13:08,950 --> 01:13:05,440

everybody who has been like sharing and

1585

01:13:11,510 --> 01:13:08,960

retweeting the link to our show here uh

1586

01:13:12,790 --> 01:13:11,520

i made the decision to start a brand new

1587

01:13:15,590 --> 01:13:12,800

youtube channel which

1588

01:13:16,229 --> 01:13:15,600

in hindsight was probably not the best

1589

01:13:17,910 --> 01:13:16,239

idea

1590

01:13:19,750 --> 01:13:17,920

and i did that because my old youtube

1591

01:13:21,830 --> 01:13:19,760

channel was just kind of dumped for

1592

01:13:23,110 --> 01:13:21,840

anything creative i did i put music on

1593

01:13:25,430 --> 01:13:23,120

there uh

1594

01:13:26,310 --> 01:13:25,440

there's some old magic videos of me on

1595

01:13:31,590 --> 01:13:26,320

there

1596

01:13:33,510 --> 01:13:31,600

if you want to listen to any of the old

1597

01:13:36,470 --> 01:13:33,520

midnight hour shows they're all

1598

01:13:37,189 --> 01:13:36,480

shows now that sounds weird to say that

1599

01:13:39,910 --> 01:13:37,199

um

1600

01:13:41,750 --> 01:13:39,920

you know and i have to say everything

1601  
01:13:43,030 --> 01:13:41,760  
that i didn't like about doing a radio

1602  
01:13:48,870 --> 01:13:43,040  
show

1603  
01:13:49,830 --> 01:13:48,880  
i didn't that there was i loved radio

1604  
01:13:52,470 --> 01:13:49,840  
and honestly

1605  
01:13:54,229 --> 01:13:52,480  
like my my mom used to joke and my dad

1606  
01:13:57,830 --> 01:13:54,239  
especially would joke that i had a

1607  
01:14:00,070 --> 01:13:57,840  
great face for radio so i

1608  
01:14:02,229 --> 01:14:00,080  
i enjoyed being on the radio though and

1609  
01:14:02,950 --> 01:14:02,239  
i really enjoyed just being a voice in

1610  
01:14:04,470 --> 01:14:02,960  
the wind

1611  
01:14:06,070 --> 01:14:04,480  
you know i thought that was cool and

1612  
01:14:08,310 --> 01:14:06,080  
more mysterious

1613  
01:14:09,590 --> 01:14:08,320

but some of the things i did not like i

1614

01:14:11,990 --> 01:14:09,600

didn't like the lack of

1615

01:14:13,750 --> 01:14:12,000

interactivity the show was pre-recorded

1616

01:14:16,070 --> 01:14:13,760

now

1617

01:14:17,669 --> 01:14:16,080

the folks from the fringe fm sort of

1618

01:14:18,229 --> 01:14:17,679

helped me to learn how i could do it

1619

01:14:21,510 --> 01:14:18,239

live

1620

01:14:23,189 --> 01:14:21,520

but it was very very difficult and uh

1621

01:14:24,709 --> 01:14:23,199

this the way the technology is going

1622

01:14:25,510 --> 01:14:24,719

with the streaming software everything

1623

01:14:28,470 --> 01:14:25,520

that i want to do

1624

01:14:30,390 --> 01:14:28,480

i'm now able to do i can listen to live

1625

01:14:31,510 --> 01:14:30,400

callers can call in and i always wanted

1626  
01:14:34,950 --> 01:14:31,520  
to do that

1627  
01:14:35,830 --> 01:14:34,960  
um we can have live uh we have people in

1628  
01:14:38,870 --> 01:14:35,840  
the chat

1629  
01:14:41,990 --> 01:14:38,880  
with all of their comments uh

1630  
01:14:44,550 --> 01:14:42,000  
and things like that and

1631  
01:14:46,229 --> 01:14:44,560  
you really i can have any guests so if

1632  
01:14:48,070 --> 01:14:46,239  
anybody would like to come on screen and

1633  
01:14:49,270 --> 01:14:48,080  
be a guest if you have a webcam and a

1634  
01:14:51,350 --> 01:14:49,280  
microphone

1635  
01:14:52,709 --> 01:14:51,360  
uh and please wear a pair of headphones

1636  
01:14:55,669 --> 01:14:52,719  
otherwise there's a lot of like

1637  
01:14:57,590 --> 01:14:55,679  
looping and echoing but i can just send

1638  
01:14:58,390 --> 01:14:57,600

you a link if you put an email in the

1639

01:15:01,669 --> 01:14:58,400

chat

1640

01:15:04,229 --> 01:15:01,679

and you can come and we have paranormal

1641

01:15:04,950 --> 01:15:04,239

but jiggy is here i'm hoping that i can

1642

01:15:06,630 --> 01:15:04,960

get

1643

01:15:08,390 --> 01:15:06,640

jiggy jiggy you gotta come and be a

1644

01:15:10,070 --> 01:15:08,400

guest because i want to start covering

1645

01:15:11,669 --> 01:15:10,080

some of the ghost hunting stuff and i

1646

01:15:15,189 --> 01:15:11,679

know you've done a lot of that

1647

01:15:16,950 --> 01:15:15,199

and like real field investigations and

1648

01:15:18,790 --> 01:15:16,960

uh coming up we have a bunch of

1649

01:15:22,390 --> 01:15:18,800

different shows one is on

1650

01:15:25,990 --> 01:15:22,400

the legendary suicide

1651

01:15:29,189 --> 01:15:26,000

forest in japan that is a crazy story

1652

01:15:29,990 --> 01:15:29,199

and i found out by chance that of all

1653

01:15:31,590 --> 01:15:30,000

people

1654

01:15:33,830 --> 01:15:31,600

he's got his hand in everything

1655

01:15:34,149 --> 01:15:33,840

paranormal i don't know how he does it

1656

01:15:37,350 --> 01:15:34,159

but

1657

01:15:38,310 --> 01:15:37,360

jason quit has been to the suicide

1658

01:15:40,229 --> 01:15:38,320

forest

1659

01:15:42,390 --> 01:15:40,239

in japan and when he heard i was doing a

1660

01:15:44,229 --> 01:15:42,400

show he sent me all these pictures

1661

01:15:46,149 --> 01:15:44,239

and we're gonna have him come on maybe

1662

01:15:48,149 --> 01:15:46,159

not for the full show but at least to

1663

01:15:51,430 --> 01:15:48,159

tell his story of when he visited

1664

01:15:53,189 --> 01:15:51,440

the japanese suicide forest

1665

01:15:54,790 --> 01:15:53,199

i don't know the name of it offhand uh

1666

01:15:55,590 --> 01:15:54,800

it's you know it's a japanese name but

1667

01:15:59,270 --> 01:15:55,600

there's a forest

1668

01:16:01,030 --> 01:15:59,280

in japan where thousands of people have

1669

01:16:01,669 --> 01:16:01,040

gone into that forest and killed

1670

01:16:04,709 --> 01:16:01,679

themselves

1671

01:16:05,750 --> 01:16:04,719

it's a crazy crazy story we're going to

1672

01:16:09,990 --> 01:16:05,760

be covering that

1673

01:16:11,830 --> 01:16:10,000

and we have uh we have uh

1674

01:16:13,750 --> 01:16:11,840

rachel hoffman from paranormal

1675

01:16:16,390 --> 01:16:13,760

expeditions is going to be on our show

1676

01:16:18,070 --> 01:16:16,400

coming up and uh we're also going to be

1677

01:16:21,510 --> 01:16:18,080

doing a show on the cash

1678

01:16:24,070 --> 01:16:21,520

land drum incident and uh

1679

01:16:25,590 --> 01:16:24,080

we have a guest for that that will be

1680

01:16:28,410 --> 01:16:25,600

coming up as well

1681

01:16:30,310 --> 01:16:28,420

we're gonna have dan hogan also

1682

01:16:32,830 --> 01:16:30,320

[Music]

1683

01:16:36,149 --> 01:16:32,840

one second i would get to my twitter

1684

01:16:39,669 --> 01:16:37,750

of course twitter messages are not going

1685

01:16:44,709 --> 01:16:39,679

to work for me now right something went

1686

01:16:48,390 --> 01:16:46,630

uh let me get to my profile i'll be able

1687

01:16:52,870 --> 01:16:48,400

to find

1688

01:16:54,950 --> 01:16:52,880

a lot of upcoming guests we're going to

1689

01:16:56,390 --> 01:16:54,960

be doing some stuff on ghost hunting

1690

01:16:58,390 --> 01:16:56,400

we're going to be covering the japanese

1691

01:17:00,790 --> 01:16:58,400

suicide forest

1692

01:17:02,630 --> 01:17:00,800

um i sort of i was going to do the

1693

01:17:03,350 --> 01:17:02,640

japanese suicide forest tonight but

1694

01:17:04,870 --> 01:17:03,360

since jason

1695

01:17:07,350 --> 01:17:04,880

was just on the show i think we'll do a

1696

01:17:11,590 --> 01:17:07,360

few shows before we do that one

1697

01:17:15,510 --> 01:17:13,350

we're going to be doing a show on ghost

1698

01:17:17,189 --> 01:17:15,520

hunting and evps

1699

01:17:19,510 --> 01:17:17,199

we've got a lot of upcoming things i've

1700

01:17:21,110 --> 01:17:19,520

got a huge folder of subjects

1701

01:17:22,630 --> 01:17:21,120

and i just need the time to get to them

1702

01:17:24,070 --> 01:17:22,640

i keep saying i want to try to do more

1703

01:17:26,149 --> 01:17:24,080

than one show a week i

1704

01:17:27,990 --> 01:17:26,159

ideally i'd love to do three or four but

1705

01:17:31,030 --> 01:17:28,000

time is short

1706

01:17:34,149 --> 01:17:31,040

kids and covet and i'm also

1707

01:17:35,910 --> 01:17:34,159

busily trying to find a way to earn a

1708

01:17:38,149 --> 01:17:35,920

living here

1709

01:17:40,310 --> 01:17:38,159

this uh quarantine and everything has

1710

01:17:43,030 --> 01:17:40,320

been absolutely devastating

1711

01:17:44,149 --> 01:17:43,040

financially it's like every marketable

1712

01:17:47,590 --> 01:17:44,159

skill that i have

1713

01:17:49,510 --> 01:17:47,600

i can't really do my business um most of

1714

01:17:51,110 --> 01:17:49,520

my computer business was going into

1715

01:17:51,830 --> 01:17:51,120

people's homes and fixing their

1716

01:17:54,390 --> 01:17:51,840

computers

1717

01:17:55,350 --> 01:17:54,400

on-site service nobody wants me in their

1718

01:17:58,390 --> 01:17:55,360

house

1719

01:18:01,189 --> 01:17:58,400

uh and what i also did for a

1720

01:18:02,149 --> 01:18:01,199

long time if i needed extra money i

1721

01:18:04,390 --> 01:18:02,159

would uber

1722

01:18:06,310 --> 01:18:04,400

but my wife is very nervous about me

1723

01:18:08,229 --> 01:18:06,320

doing that anybody could cough on me

1724

01:18:10,149 --> 01:18:08,239

sit in my back seat and i could bring it

1725

01:18:13,830 --> 01:18:10,159

home so really i've done

1726

01:18:16,950 --> 01:18:13,840

nothing for 77 or 80 days now

1727

01:18:18,470 --> 01:18:16,960

and had very very little income uh so

1728

01:18:19,189 --> 01:18:18,480

i'm trying to put together some things

1729

01:18:23,110 --> 01:18:19,199

to sell

1730

01:18:25,990 --> 01:18:23,120

marketing

1731

01:18:27,830 --> 01:18:26,000

uh you know it's rough out there so you

1732

01:18:28,310 --> 01:18:27,840

know i also thought i wanted to make it

1733

01:18:29,910 --> 01:18:28,320

a point

1734

01:18:31,669 --> 01:18:29,920

we're not going to have any commercials

1735

01:18:32,790 --> 01:18:31,679

or i'm not going to be hawking things or

1736

01:18:34,790 --> 01:18:32,800

like

1737

01:18:37,110 --> 01:18:34,800

you can support me on patreon just

1738

01:18:38,709 --> 01:18:37,120

search by my name stevencambian

1739

01:18:41,030 --> 01:18:38,719

and we're going to be bringing back this

1740

01:18:43,270 --> 01:18:41,040

thing like uh backstage pass

1741

01:18:45,430 --> 01:18:43,280

so basically you know all the projects

1742

01:18:47,350 --> 01:18:45,440

that i work on whether it's music or

1743

01:18:48,790 --> 01:18:47,360

i've been writing a lot of stuff for an

1744

01:18:52,470 --> 01:18:48,800

eventual book

1745

01:18:55,030 --> 01:18:52,480

and recording new music

1746

01:18:57,510 --> 01:18:55,040

i have some pieces of a documentary on

1747

01:18:59,350 --> 01:18:57,520

paranormal subjects as well

1748

01:19:00,790 --> 01:18:59,360

basically the way that my patreon works

1749

01:19:03,270 --> 01:19:00,800

is i'm too lazy

1750

01:19:05,030 --> 01:19:03,280

to do specific things just for the

1751

01:19:06,870 --> 01:19:05,040

patreon people well actually sometimes i

1752

01:19:08,149 --> 01:19:06,880

do i have like an audio journal we're

1753

01:19:09,350 --> 01:19:08,159

going to bring that back i'm going to do

1754

01:19:11,030 --> 01:19:09,360

the first one this month

1755

01:19:12,310 --> 01:19:11,040

and the audio journal is just like hey

1756

01:19:13,110 --> 01:19:12,320

here's some crazy things that i'm

1757

01:19:14,870 --> 01:19:13,120

working on

1758

01:19:16,550 --> 01:19:14,880

or upcoming things sort of a sneak

1759

01:19:18,870 --> 01:19:16,560

preview and

1760

01:19:19,990 --> 01:19:18,880

uh so if you're in the patreon you get

1761

01:19:21,750 --> 01:19:20,000

the audio journal

1762

01:19:23,110 --> 01:19:21,760

and you get everything first in other

1763

01:19:26,149 --> 01:19:23,120

words if i

1764

01:19:28,070 --> 01:19:26,159

um if i finish a song

1765

01:19:29,590 --> 01:19:28,080

the patreon people get it instantly the

1766

01:19:31,830 --> 01:19:29,600

day that it's finished and it might not

1767

01:19:33,030 --> 01:19:31,840

be an album that's for sale or anything

1768

01:19:35,430 --> 01:19:33,040

like that

1769

01:19:37,110 --> 01:19:35,440

or publicly available for another year

1770

01:19:38,229 --> 01:19:37,120

but that's what the backstage pass on

1771

01:19:40,790 --> 01:19:38,239

patreon gives you

1772

01:19:42,229 --> 01:19:40,800

it just gives you the backstage pass and

1773

01:19:43,510 --> 01:19:42,239

you get to see everything before the

1774

01:19:44,790 --> 01:19:43,520

general public does

1775

01:19:46,790 --> 01:19:44,800

and we're going to be doing some truth

1776

01:19:50,229 --> 01:19:46,800

seekers special reports

1777

01:19:52,070 --> 01:19:50,239

and i'm even thinking i i may do

1778

01:19:54,310 --> 01:19:52,080

depending on how things go at the cabin

1779

01:19:56,790 --> 01:19:54,320

i may bring back the midnight hour show

1780

01:20:00,390 --> 01:19:56,800

and just do one of those shows a month

1781

01:20:02,470 --> 01:20:00,400

uh that's also would go to the patreon

1782

01:20:04,950 --> 01:20:02,480

people for a few weeks before it get

1783

01:20:07,189 --> 01:20:04,960

uploaded anywhere so you just get things

1784

01:20:08,550 --> 01:20:07,199

in advance and i don't have any tiers or

1785

01:20:11,350 --> 01:20:08,560

anything like that

1786

01:20:11,990 --> 01:20:11,360

all i have is a dollar a month and i

1787

01:20:13,830 --> 01:20:12,000

would also

1788

01:20:15,350 --> 01:20:13,840

just like to mention thank you to all

1789

01:20:17,590 --> 01:20:15,360

the patreon supporters because

1790

01:20:18,550 --> 01:20:17,600

everything that you see here uh these

1791

01:20:21,350 --> 01:20:18,560

weird lights

1792

01:20:22,390 --> 01:20:21,360

the backdrop the webcam and the

1793

01:20:25,669 --> 01:20:22,400

microphone were

1794

01:20:28,229 --> 01:20:25,679

all purchased from patreon money

1795

01:20:29,669 --> 01:20:28,239

uh i could say a lot about some people

1796

01:20:31,510 --> 01:20:29,679

that are getting hundreds of dollars

1797

01:20:33,750 --> 01:20:31,520

thrown at them in every super chat

1798

01:20:35,990 --> 01:20:33,760

thousands of dollars in some cases you

1799

01:20:38,229 --> 01:20:36,000

know honestly i just took the

1800

01:20:39,830 --> 01:20:38,239

the 30 or 40 whatever it is a month from

1801

01:20:42,790 --> 01:20:39,840

the patreon and set it aside

1802

01:20:44,870 --> 01:20:42,800

and then while i was ending my radio

1803

01:20:47,030 --> 01:20:44,880

show run i was slowly like buying the

1804

01:20:49,990 --> 01:20:47,040

backdrop buying some lights

1805

01:20:51,110 --> 01:20:50,000

buying a better microphone uh buying a

1806

01:20:53,030 --> 01:20:51,120

webcam

1807

01:20:54,709 --> 01:20:53,040

and most of the other stuff here i had

1808

01:20:56,870 --> 01:20:54,719

but i i really

1809

01:20:58,709 --> 01:20:56,880

appreciate the patreon people because

1810

01:21:00,629 --> 01:20:58,719

ask anybody who's married

1811

01:21:02,550 --> 01:21:00,639

like the fact that i could tell my wife

1812

01:21:04,629 --> 01:21:02,560

like i'm gonna start this new show

1813

01:21:05,590 --> 01:21:04,639

but all the stuff that i need for it is

1814

01:21:07,510 --> 01:21:05,600

is covered by

1815

01:21:09,350 --> 01:21:07,520

the show listeners and the patreon

1816

01:21:11,830 --> 01:21:09,360

supporters that's a great thing

1817

01:21:13,189 --> 01:21:11,840

because then my wife has no okay okay

1818

01:21:15,030 --> 01:21:13,199

you have the money from

1819

01:21:16,950 --> 01:21:15,040

you know the supporters of yours great

1820

01:21:19,350 --> 01:21:16,960

go buy all that stuff do your new show

1821

01:21:21,510 --> 01:21:19,360

good luck and it wasn't like a financial

1822

01:21:24,149 --> 01:21:21,520

drain on my family

1823

01:21:25,030 --> 01:21:24,159

especially right now yeah things are

1824

01:21:27,910 --> 01:21:25,040

rough

1825

01:21:28,390 --> 01:21:27,920

if not for my wife you know like she has

1826

01:21:30,950 --> 01:21:28,400

a good

1827

01:21:32,870 --> 01:21:30,960

corporate job and you know so i'm trying

1828

01:21:35,510 --> 01:21:32,880

to do other things right now

1829

01:21:37,189 --> 01:21:35,520

i'm going to be really focusing on

1830

01:21:39,030 --> 01:21:37,199

firewood this year that's one of the

1831

01:21:41,510 --> 01:21:39,040

ways i'm contributing because

1832

01:21:42,310 --> 01:21:41,520

our gas bill here in this huge house is

1833

01:21:44,229 --> 01:21:42,320

crazy

1834

01:21:45,669 --> 01:21:44,239

and last year we got out about half of

1835

01:21:46,550 --> 01:21:45,679

it i didn't have time to get enough

1836

01:21:49,669 --> 01:21:46,560

firewood

1837

01:21:51,590 --> 01:21:49,679

this year i'm really focused like keep i

1838

01:21:54,709 --> 01:21:51,600

feel like a lemming like chop

1839

01:21:56,470 --> 01:21:54,719

cut stack you know like

1840

01:21:58,229 --> 01:21:56,480

but these are the things that you got to

1841

01:22:00,470 --> 01:21:58,239

do in today's modern times

1842

01:22:01,510 --> 01:22:00,480

as a family just to get through things

1843

01:22:04,550 --> 01:22:01,520

if we could save

1844

01:22:06,790 --> 01:22:04,560

we might save four or five thousand

1845

01:22:07,910 --> 01:22:06,800

at least three or four on this winter's

1846

01:22:09,990 --> 01:22:07,920

heating bill if i keep up with the

1847

01:22:11,350 --> 01:22:10,000

firewood so i'm trying to do that take

1848

01:22:13,110 --> 01:22:11,360

care of my children

1849

01:22:14,629 --> 01:22:13,120

and this is a great outlet for me i want

1850

01:22:17,510 --> 01:22:14,639

to thank each and every one of you guys

1851  
01:22:20,709 --> 01:22:20,149  
paycheck protection program beverly

1852  
01:22:22,149 --> 01:22:20,719  
asked

1853  
01:22:23,590 --> 01:22:22,159  
did you apply for the paycheck

1854  
01:22:25,110 --> 01:22:23,600  
protection program you can if you're

1855  
01:22:27,350 --> 01:22:25,120  
sold proprietary business

1856  
01:22:28,550 --> 01:22:27,360  
to pay yourself you know i didn't do

1857  
01:22:30,470 --> 01:22:28,560  
that and my wife

1858  
01:22:32,070 --> 01:22:30,480  
is actually an accountant she said i

1859  
01:22:33,270 --> 01:22:32,080  
didn't qualify but i'm going to have her

1860  
01:22:34,950 --> 01:22:33,280  
check again because you're like the

1861  
01:22:37,990 --> 01:22:34,960  
third person that told me

1862  
01:22:39,990 --> 01:22:38,000  
that i could get that

1863  
01:22:41,270 --> 01:22:40,000

and brandon young says women hate

1864

01:22:43,430 --> 01:22:41,280

youtube

1865

01:22:45,030 --> 01:22:43,440

you know what's funny brendan is like

1866

01:22:47,110 --> 01:22:45,040

mutual friends of ours

1867

01:22:48,470 --> 01:22:47,120

are commenting on my show on facebook or

1868

01:22:51,270 --> 01:22:48,480

something and like i don't

1869

01:22:52,070 --> 01:22:51,280

know that she's even watched it or knows

1870

01:22:53,910 --> 01:22:52,080

anything

1871

01:22:56,229 --> 01:22:53,920

that i'm doing she never really listened

1872

01:22:57,110 --> 01:22:56,239

to uh my radio show because she's just

1873

01:22:59,669 --> 01:22:57,120

uh

1874

01:23:00,629 --> 01:22:59,679

you know she's not into this kind of

1875

01:23:03,669 --> 01:23:00,639

esoteric

1876  
01:23:04,070 --> 01:23:03,679  
conspiracy land aliens you know she's a

1877  
01:23:09,430 --> 01:23:04,080  
little

1878  
01:23:11,750 --> 01:23:09,440  
nutty

1879  
01:23:13,510 --> 01:23:11,760  
uh she's just not into this stuff so i

1880  
01:23:15,189 --> 01:23:13,520  
don't i've never been one

1881  
01:23:16,950 --> 01:23:15,199  
to push things that i was working on

1882  
01:23:17,430 --> 01:23:16,960  
down her throat like i learned with

1883  
01:23:19,590 --> 01:23:17,440  
music

1884  
01:23:20,550 --> 01:23:19,600  
too like there was a time when i'd write

1885  
01:23:22,550 --> 01:23:20,560  
a song and i'd go

1886  
01:23:23,990 --> 01:23:22,560  
here here listen to this new song like

1887  
01:23:24,629 --> 01:23:24,000  
she gets sick she gets burned out of

1888  
01:23:26,629 --> 01:23:24,639

that

1889

01:23:27,830 --> 01:23:26,639

because i'm i'm constantly making

1890

01:23:28,790 --> 01:23:27,840

something and i don't want to jam it

1891

01:23:30,629 --> 01:23:28,800

down

1892

01:23:32,550 --> 01:23:30,639

she doesn't i don't think she hates

1893

01:23:34,950 --> 01:23:32,560

youtube but

1894

01:23:35,830 --> 01:23:34,960

brandon young wood stove yes i have a

1895

01:23:40,070 --> 01:23:35,840

wood stove

1896

01:23:42,550 --> 01:23:40,080

but at my big house

1897

01:23:43,189 --> 01:23:42,560

uh in the suburbs of philadelphia we

1898

01:23:46,310 --> 01:23:43,199

have like a

1899

01:23:49,510 --> 01:23:46,320

i think it's a 35 it's a

1900

01:23:51,990 --> 01:23:49,520

3500 maybe 3 800 square foot house it's

1901

01:23:54,870 --> 01:23:52,000

huge huge big five bedroom three bedroom

1902

01:23:57,189 --> 01:23:54,880

three bath there's a huge basement this

1903

01:24:00,709 --> 01:23:57,199

place is huge and they keep this thing

1904

01:24:03,110 --> 01:24:00,719

so the first year we had a fireplace

1905

01:24:05,510 --> 01:24:03,120

which was funny because my entire life i

1906

01:24:07,910 --> 01:24:05,520

wanted a real fireplace never had one

1907

01:24:09,350 --> 01:24:07,920

i finally got one and i had already had

1908

01:24:11,030 --> 01:24:09,360

wood stoves at the cabin

1909

01:24:12,470 --> 01:24:11,040

and was so impressed with the tiny

1910

01:24:14,149 --> 01:24:12,480

little wood stove and how much heat they

1911

01:24:15,669 --> 01:24:14,159

put out so when i saw this huge stone

1912

01:24:17,030 --> 01:24:15,679

fireplace here before we bought this

1913

01:24:19,430 --> 01:24:17,040

place i was like that's the house it's

1914

01:24:22,229 --> 01:24:19,440

got this huge fireplace

1915

01:24:22,629 --> 01:24:22,239

you can't heat anything with a fireplace

1916

01:24:25,430 --> 01:24:22,639

oh

1917

01:24:27,590 --> 01:24:25,440

i would get that thing blaring and be

1918

01:24:28,149 --> 01:24:27,600

blasting wood into this thing and it

1919

01:24:30,629 --> 01:24:28,159

would be

1920

01:24:33,030 --> 01:24:30,639

blaring and you can feel it in the

1921

01:24:34,950 --> 01:24:33,040

basement where the fireplace is but

1922

01:24:36,229 --> 01:24:34,960

the rest of the house was cold and the

1923

01:24:38,790 --> 01:24:36,239

heat didn't travel

1924

01:24:39,270 --> 01:24:38,800

we put a wood stove insert with a blower

1925

01:24:41,510 --> 01:24:39,280

on it

1926

01:24:42,709 --> 01:24:41,520

in that fireplace and now that can heat

1927

01:24:44,550 --> 01:24:42,719

the entire house

1928

01:24:49,990 --> 01:24:44,560

i'm a big fan of wood stoves and wood

1929

01:24:54,629 --> 01:24:52,629

oh and beverly mccarthy welcome to

1930

01:24:56,950 --> 01:24:54,639

beverly i have not seen you here before

1931

01:25:00,709 --> 01:24:56,960

welcome to truth seekers i hope you will

1932

01:25:02,950 --> 01:25:00,719

like comment and subscribe uh

1933

01:25:03,910 --> 01:25:02,960

she says i may be wrong you may need one

1934

01:25:06,870 --> 01:25:03,920

employee

1935

01:25:09,270 --> 01:25:06,880

call your bank to be sure though well i

1936

01:25:12,390 --> 01:25:09,280

am a sole proprietor

1937

01:25:15,830 --> 01:25:12,400

and uh no i don't have any employees

1938

01:25:17,830 --> 01:25:15,840

so and super fun cat you can hire me as

1939

01:25:21,189 --> 01:25:17,840

an employee you'll qualify pay me

1940

01:25:22,790 --> 01:25:21,199

in a retro phone that's a deal super me

1941

01:25:27,030 --> 01:25:22,800

you could be like you could be like the

1942

01:25:34,550 --> 01:25:27,040

truth seekers operator

1943

01:25:39,030 --> 01:25:36,950

dreamsy says fireplaces are awesome i

1944

01:25:40,310 --> 01:25:39,040

use mine until hot weather comes i love

1945

01:25:43,110 --> 01:25:40,320

fireplaces

1946

01:25:45,110 --> 01:25:43,120

i like i really i have to say i like the

1947

01:25:46,629 --> 01:25:45,120

fireplace for the ambiance

1948

01:25:48,790 --> 01:25:46,639

if you just want to sit in front of that

1949

01:25:50,390 --> 01:25:48,800

fire it's very nice it's relaxing you

1950

01:25:53,590 --> 01:25:50,400

just sit there in front of the fire

1951

01:25:57,189 --> 01:25:53,600

but i really need uh

1952

01:25:59,510 --> 01:25:57,199

heat also and with my cabin

1953

01:26:01,110 --> 01:25:59,520

there is hundreds of hundreds and

1954

01:26:02,790 --> 01:26:01,120

hundreds of acres it's surrounded by

1955

01:26:03,510 --> 01:26:02,800

state forests i'm friendly with all of

1956

01:26:10,149 --> 01:26:03,520

the

1957

01:26:11,590 --> 01:26:10,159

i don't know what those guys are

1958

01:26:13,430 --> 01:26:11,600

i'm very friendly with all them and i

1959

01:26:15,430 --> 01:26:13,440

can go into the state game lands

1960

01:26:17,430 --> 01:26:15,440

and state forests and take any what i

1961

01:26:19,830 --> 01:26:17,440

want as long as it's already down

1962

01:26:21,350 --> 01:26:19,840

or it's a standing dead tree i'm going

1963

01:26:23,270 --> 01:26:21,360

to take those down and take them out so

1964

01:26:25,110 --> 01:26:23,280

i have access to all the free firewood

1965

01:26:27,590 --> 01:26:25,120

that i want or can handle

1966

01:26:28,550 --> 01:26:27,600

or have time for you just some assembly

1967

01:26:30,470 --> 01:26:28,560

required

1968

01:26:32,149 --> 01:26:30,480

so i like the fireplace i like the wood

1969

01:26:35,270 --> 01:26:32,159

stove better because it

1970

01:26:35,750 --> 01:26:35,280

it heats my entire huge house and no gas

1971

01:26:45,830 --> 01:26:35,760

bill

1972

01:26:49,510 --> 01:26:47,510

paranormal jiggy so many people are

1973

01:26:52,470 --> 01:26:49,520

comfortable with the way of doing things

1974

01:26:55,110 --> 01:26:52,480

since the pandemic

1975

01:26:55,750 --> 01:26:55,120

yeah it's a whole new world out there

1976

01:26:59,030 --> 01:26:55,760

the

1977

01:27:00,950 --> 01:26:59,040

dutchman

1978

01:27:02,149 --> 01:27:00,960

uh and i love this bar because it

1979

01:27:05,110 --> 01:27:02,159

reminds me of like an

1980

01:27:06,790 --> 01:27:05,120

old-school irish philly bar and it's

1981

01:27:07,750 --> 01:27:06,800

kind of like the cheers bar it's one big

1982

01:27:10,629 --> 01:27:07,760

square

1983

01:27:11,270 --> 01:27:10,639

but i stopped in there because they just

1984

01:27:12,950 --> 01:27:11,280

had just

1985

01:27:14,629 --> 01:27:12,960

opened and i want to say hello to some

1986

01:27:18,390 --> 01:27:14,639

of my friends that worked there

1987

01:27:20,310 --> 01:27:18,400

and uh it's it was surreal and weird

1988

01:27:21,910 --> 01:27:20,320

they have bar stools and then they have

1989

01:27:24,790 --> 01:27:21,920

plastic between

1990

01:27:25,189 --> 01:27:24,800

each of the barstools so it just seems

1991

01:27:27,110 --> 01:27:25,199

like

1992

01:27:30,229 --> 01:27:27,120

bizarre this whole this whole thing

1993

01:27:33,590 --> 01:27:30,239

seems bizarre right now

1994

01:27:35,750 --> 01:27:33,600

kali armstrong is here shout out to kali

1995

01:27:44,229 --> 01:27:35,760

who says hey stephen how you doing

1996

01:27:48,470 --> 01:27:46,790

and reem says i'm probably going to

1997

01:27:50,149 --> 01:27:48,480

stay retired now because i'm having to

1998

01:27:51,750 --> 01:27:50,159

take care of my 90 year old dad more and

1999

01:27:54,870 --> 01:27:51,760

more these days

2000

01:27:56,629 --> 01:27:54,880

i go help him every day now reem c that

2001  
01:27:59,110 --> 01:27:56,639  
is a good thing to do

2002  
01:27:59,910 --> 01:27:59,120  
um i know something about that because

2003  
01:28:01,750 --> 01:27:59,920  
i'm

2004  
01:28:03,910 --> 01:28:01,760  
pretty much the full-time caretaker of

2005  
01:28:05,270 --> 01:28:03,920  
my autistic son who's non-verbal so

2006  
01:28:07,669 --> 01:28:05,280  
that's very challenging

2007  
01:28:09,830 --> 01:28:07,679  
and then i also after my father died i

2008  
01:28:10,229 --> 01:28:09,840  
took care of my mother for like 25 years

2009  
01:28:11,750 --> 01:28:10,239  
she

2010  
01:28:13,990 --> 01:28:11,760  
came to live with us and that was very

2011  
01:28:17,430 --> 01:28:14,000  
difficult and uh

2012  
01:28:20,790 --> 01:28:17,440  
it's not fun taking care of an elder

2013  
01:28:22,070 --> 01:28:20,800

but it's it's the right thing and the

2014

01:28:24,629 --> 01:28:22,080

good thing to do

2015

01:28:32,950 --> 01:28:24,639

so god bless you for doing that you know

2016

01:28:38,950 --> 01:28:36,790

oh paranormal jiggy is asking me

2017

01:28:40,310 --> 01:28:38,960

have i've ever been on a paranormal

2018

01:28:43,830 --> 01:28:40,320

investigation stephen

2019

01:28:45,030 --> 01:28:43,840

no diggy but i have a friend who had all

2020

01:28:47,110 --> 01:28:45,040

the ghost hunter

2021

01:28:48,629 --> 01:28:47,120

gear like the magnetometers and all this

2022

01:28:51,270 --> 01:28:48,639

stuff and

2023

01:28:53,030 --> 01:28:51,280

my wife and i are in our first house we

2024

01:28:54,870 --> 01:28:53,040

lived across the street from a graveyard

2025

01:28:56,149 --> 01:28:54,880

which was kind of bizarre but i loved it

2026

01:28:59,030 --> 01:28:56,159

because i always joked that

2027

01:29:00,310 --> 01:28:59,040

that the neighbors were very quiet uh so

2028

01:29:01,669 --> 01:29:00,320

we lived right across the street from a

2029

01:29:04,470 --> 01:29:01,679

graveyard and we heard

2030

01:29:05,510 --> 01:29:04,480

knocking and weird stuff and my wife's

2031

01:29:08,070 --> 01:29:05,520

shorts

2032

01:29:10,229 --> 01:29:08,080

kept both of us swore that we saw like

2033

01:29:13,270 --> 01:29:10,239

shadows and things at night

2034

01:29:14,870 --> 01:29:13,280

weird stuff in the house so one of my

2035

01:29:16,550 --> 01:29:14,880

friends who's into this ghost hunting

2036

01:29:18,149 --> 01:29:16,560

thing and i guess he's a good center he

2037

01:29:19,189 --> 01:29:18,159

came over with all the stuff and he

2038

01:29:23,270 --> 01:29:19,199

found

2039

01:29:24,870 --> 01:29:23,280

hot very high levels of magnetic fields

2040

01:29:27,189 --> 01:29:24,880

in the house and said that could be

2041

01:29:29,669 --> 01:29:27,199

causing it because magnetic fields could

2042

01:29:31,430 --> 01:29:29,679

you know alter your brain chemistry or

2043

01:29:33,990 --> 01:29:31,440

cause hallucinations

2044

01:29:34,950 --> 01:29:34,000

but i've never been on an actual field

2045

01:29:37,750 --> 01:29:34,960

investigation

2046

01:29:38,950 --> 01:29:37,760

other than you know jiggy my thing has

2047

01:29:41,270 --> 01:29:38,960

always been ufos

2048

01:29:43,189 --> 01:29:41,280

so like i went to kecksburg and saw the

2049

01:29:49,669 --> 01:29:43,199

kecksburg crash site

2050

01:29:54,550 --> 01:29:52,229

yeah i agree with jiggy who's talking to

2051  
01:29:56,709 --> 01:29:54,560  
rincey says may you stay blessed you've

2052  
01:29:58,709 --> 01:29:56,719  
got a good heart

2053  
01:30:03,910 --> 01:29:58,719  
absolutely green see that's an awesome

2054  
01:30:07,510 --> 01:30:05,669  
and out of mind all the plastic is

2055  
01:30:10,390 --> 01:30:07,520  
stupid the air circulation

2056  
01:30:14,950 --> 01:30:10,400  
cancels it all out just so darn dumb i'm

2057  
01:30:18,310 --> 01:30:16,870  
oh yeah you're right you're right oh

2058  
01:30:18,629 --> 01:30:18,320  
she's talking about the bar that i went

2059  
01:30:20,390 --> 01:30:18,639  
to

2060  
01:30:22,070 --> 01:30:20,400  
where they had plastic between the bar

2061  
01:30:24,149 --> 01:30:22,080  
stools like

2062  
01:30:26,229 --> 01:30:24,159  
i i mean i guess that's going to protect

2063  
01:30:28,390 --> 01:30:26,239

against you if somebody sit next to you

2064

01:30:30,709 --> 01:30:28,400

and they call for they sneeze because

2065

01:30:31,830 --> 01:30:30,719

it'll go on the side of the plastic

2066

01:30:33,510 --> 01:30:31,840

but i would think some of that

2067

01:30:34,390 --> 01:30:33,520

particulate would make its way in the

2068

01:30:36,390 --> 01:30:34,400

air

2069

01:30:38,790 --> 01:30:36,400

and it's just going to be in there i

2070

01:30:41,910 --> 01:30:38,800

have been

2071

01:30:44,229 --> 01:30:41,920

i'm immunocompromised somewhat and

2072

01:30:45,350 --> 01:30:44,239

it's just honestly i'm not very healthy

2073

01:30:46,790 --> 01:30:45,360

and so i

2074

01:30:48,390 --> 01:30:46,800

when this happened started happening i

2075

01:30:49,910 --> 01:30:48,400

was very worried uh

2076

01:30:52,149 --> 01:30:49,920

not just about myself but then i also

2077

01:30:55,510 --> 01:30:52,159

have a son who has my autistic son is

2078

01:30:57,189 --> 01:30:55,520

very he's got bad asthma and so

2079

01:30:59,189 --> 01:30:57,199

so we have two people in our household

2080

01:31:01,830 --> 01:30:59,199

that are at high risk really

2081

01:31:04,550 --> 01:31:01,840

and so i have been incredibly careful i

2082

01:31:06,950 --> 01:31:04,560

have hand sanitizer and gloves in my car

2083

01:31:09,030 --> 01:31:06,960

and i'm always using the hand sanitizer

2084

01:31:11,350 --> 01:31:09,040

in my car like i go to get gas

2085

01:31:13,669 --> 01:31:11,360

and i'm and i'm like i gotta get a glove

2086

01:31:16,550 --> 01:31:13,679

to touch the touch pad it's made me

2087

01:31:17,430 --> 01:31:16,560

a little bit crazy because i was already

2088

01:31:21,110 --> 01:31:17,440

a little

2089

01:31:23,669 --> 01:31:21,120

germaphobic already uh but this just

2090

01:31:27,189 --> 01:31:23,679

it's just giving me like really bad

2091

01:31:30,629 --> 01:31:28,709

paranology i try to become an

2092

01:31:32,390 --> 01:31:30,639

investigator google fun they never got

2093

01:31:33,430 --> 01:31:32,400

back to me and we have tons of equipment

2094

01:31:35,910 --> 01:31:33,440

for investigating

2095

01:31:37,510 --> 01:31:35,920

yeah and you're not too far so i would

2096

01:31:39,510 --> 01:31:37,520

love to do some of that with you jiggy

2097

01:31:41,350 --> 01:31:39,520

if i can drive there especially even if

2098

01:31:42,870 --> 01:31:41,360

it's like an eight-hour drive

2099

01:31:46,950 --> 01:31:42,880

i'd be interested in doing that kind of

2100

01:31:50,470 --> 01:31:48,709

and i don't think you're missing

2101

01:31:52,310 --> 01:31:50,480

anything of mufon because i kind of

2102

01:31:53,910 --> 01:31:52,320

think move on is a joke like you give

2103

01:31:55,830 --> 01:31:53,920

them a hundred dollars and they give you

2104

01:31:57,510 --> 01:31:55,840

a certificate that says you're a ufo

2105

01:31:59,270 --> 01:31:57,520

field investigator and

2106

01:32:01,030 --> 01:31:59,280

most people get the certificate and they

2107

01:32:02,070 --> 01:32:01,040

never really do anything with it but

2108

01:32:05,189 --> 01:32:02,080

they think there's something

2109

01:32:06,790 --> 01:32:05,199

important now like i always laugh when

2110

01:32:08,870 --> 01:32:06,800

somebody signs their name and you see

2111

01:32:10,310 --> 01:32:08,880

like move on field investigator like

2112

01:32:12,550 --> 01:32:10,320

yeah anybody with 100 bucks

2113

01:32:14,229 --> 01:32:12,560

can be that too you just give them 100

2114

01:32:16,149 --> 01:32:14,239

bucks and you take like an open book

2115

01:32:20,070 --> 01:32:16,159

test or something i don't know

2116

01:32:23,750 --> 01:32:22,629

oh paranormal genie says you're welcome

2117

01:32:30,709 --> 01:32:23,760

anytime

2118

01:32:35,189 --> 01:32:33,270

and super v fun cat says keep trying

2119

01:32:37,830 --> 01:32:35,199

jiggy they are always lagging on getting

2120

01:32:39,669 --> 01:32:37,840

back you have to pass a test

2121

01:32:41,030 --> 01:32:39,679

yeah and i you know i don't want to be

2122

01:32:42,470 --> 01:32:41,040

too critical super b

2123

01:32:44,070 --> 01:32:42,480

but i think the test goes something like

2124

01:32:46,070 --> 01:32:44,080

do you got your hundred dollars

2125

01:32:47,590 --> 01:32:46,080

put it right here congratulations you're

2126  
01:32:48,310 --> 01:32:47,600  
a field investigator i don't know if

2127  
01:32:50,950 --> 01:32:48,320  
it's a hundred

2128  
01:32:53,830 --> 01:32:50,960  
something like that and you know i don't

2129  
01:32:55,910 --> 01:32:53,840  
know but i have a problem with like

2130  
01:32:57,910 --> 01:32:55,920  
all this money stuff like there's a lot

2131  
01:33:00,550 --> 01:32:57,920  
of money being funneled into mufon

2132  
01:33:02,390 --> 01:33:00,560  
and there's there's famous reports of

2133  
01:33:02,790 --> 01:33:02,400  
mufon investigators where the like the

2134  
01:33:04,390 --> 01:33:02,800  
guy

2135  
01:33:05,990 --> 01:33:04,400  
got metal when he was like we have to

2136  
01:33:07,510 --> 01:33:06,000  
get this analyzed and they got all this

2137  
01:33:09,750 --> 01:33:07,520  
money and they didn't do anything about

2138  
01:33:12,390 --> 01:33:09,760

some metal that they found that a

2139

01:33:15,030 --> 01:33:12,400

purported ufo

2140

01:33:16,790 --> 01:33:15,040

dropped some material and this move fire

2141

01:33:18,629 --> 01:33:16,800

investigator picked it up

2142

01:33:20,070 --> 01:33:18,639

went to the higher ups and said this is

2143

01:33:21,910 --> 01:33:20,080

great i've got this material we have to

2144

01:33:22,709 --> 01:33:21,920

get it analyzed oh we don't have money

2145

01:33:25,430 --> 01:33:22,719

for that

2146

01:33:26,310 --> 01:33:25,440

they've got tens of thousands of dollars

2147

01:33:28,470 --> 01:33:26,320

in their national

2148

01:33:29,830 --> 01:33:28,480

and regional budgets i guess i don't

2149

01:33:31,270 --> 01:33:29,840

know why they wouldn't follow up on

2150

01:33:33,350 --> 01:33:31,280

something like that if they're really

2151  
01:33:34,950 --> 01:33:33,360  
helped to get the truth that turned me

2152  
01:33:37,910 --> 01:33:34,960  
off and some other stuff

2153  
01:33:39,430 --> 01:33:37,920  
we had uh john bentry as a previous

2154  
01:33:41,669 --> 01:33:39,440  
guest on the midnight hour show

2155  
01:33:42,550 --> 01:33:41,679  
and he's like the regional director in

2156  
01:33:45,910 --> 01:33:42,560  
my state

2157  
01:33:48,550 --> 01:33:45,920  
in pennsylvania and you know hey john

2158  
01:33:50,149 --> 01:33:48,560  
i i really believe he was a good guy

2159  
01:33:51,910 --> 01:33:50,159  
maybe he misspoke

2160  
01:33:53,189 --> 01:33:51,920  
but i don't think he did and he said

2161  
01:33:56,310 --> 01:33:53,199  
some really racist

2162  
01:33:58,149 --> 01:33:56,320  
stuff and then he didn't apologize and

2163  
01:34:00,149 --> 01:33:58,159

mufon didn't fire him or

2164

01:34:07,430 --> 01:34:00,159

were telling me how to resign and that

2165

01:34:14,390 --> 01:34:10,229

oh super v yes i paid my dues for years

2166

01:34:18,950 --> 01:34:17,430

super v i i give up on them we do our

2167

01:34:20,629 --> 01:34:18,960

own stuff i was a paid member for years

2168

01:34:22,550 --> 01:34:20,639

i wanted to seriously investigate claims

2169

01:34:23,669 --> 01:34:22,560

they received about ufos in new england

2170

01:34:24,950 --> 01:34:23,679

area around me

2171

01:34:26,950 --> 01:34:24,960

yeah that's why a lot of people get

2172

01:34:28,310 --> 01:34:26,960

involved with them

2173

01:34:30,390 --> 01:34:28,320

you know i think there are some

2174

01:34:32,709 --> 01:34:30,400

independent groups of investigators that

2175

01:34:35,669 --> 01:34:32,719

you can join that don't want any money

2176  
01:34:36,950 --> 01:34:35,679  
that will help you and teach you how to

2177  
01:34:40,709 --> 01:34:36,960  
interview people

2178  
01:34:43,030 --> 01:34:40,719  
take samples you know document cases

2179  
01:34:45,030 --> 01:34:43,040  
and i think those may be a little more

2180  
01:34:48,470 --> 01:34:45,040  
worthwhile

2181  
01:34:50,790 --> 01:34:48,480  
so uh back to the phone

2182  
01:34:51,510 --> 01:34:50,800  
if anybody does want to call in the live

2183  
01:34:53,590 --> 01:34:51,520  
chat

2184  
01:34:55,750 --> 01:34:53,600  
or if anybody wants to call in on our

2185  
01:34:57,510 --> 01:34:55,760  
live call-in number the phone number is

2186  
01:35:03,669 --> 01:34:57,520  
in the live chat

2187  
01:35:09,669 --> 01:35:08,149  
yeah and so uh jiggy i saw that drama

2188  
01:35:12,790 --> 01:35:09,679

with them like

2189

01:35:15,430 --> 01:35:12,800

dude i think he's melting down

2190

01:35:17,590 --> 01:35:15,440

and yes today he was still still

2191

01:35:21,270 --> 01:35:17,600

streaming

2192

01:35:24,470 --> 01:35:21,280

um and you're evil

2193

01:35:25,750 --> 01:35:24,480

i think jiggy so just wanted to let you

2194

01:35:29,590 --> 01:35:25,760

know that you're evil

2195

01:35:30,310 --> 01:35:29,600

jiggy you're evil and you're calling him

2196

01:35:36,790 --> 01:35:30,320

a racist

2197

01:35:38,310 --> 01:35:36,800

and i hope uh nobody will i hope anybody

2198

01:35:39,830 --> 01:35:38,320

will forgive me if you're offended by

2199

01:35:41,990 --> 01:35:39,840

such things but it's been a very long

2200

01:35:43,590 --> 01:35:42,000

day so yes i'm gonna drink on camera

2201

01:35:46,629 --> 01:35:43,600

i'm glad that you guys could all be here

2202

01:35:50,790 --> 01:35:49,030

i wanted to mention i'm trying to find

2203

01:35:52,629 --> 01:35:50,800

stories like tonight's story which

2204

01:35:54,070 --> 01:35:52,639

is kind of an you know an out there

2205

01:35:56,229 --> 01:35:54,080

story that's been

2206

01:35:58,390 --> 01:35:56,239

out in the public but isn't really

2207

01:35:59,430 --> 01:35:58,400

covered isn't really talked about at ufo

2208

01:36:01,990 --> 01:35:59,440

conferences much

2209

01:36:04,550 --> 01:36:02,000

maybe it's an old story but it's still

2210

01:36:07,350 --> 01:36:04,560

you know a good story

2211

01:36:07,910 --> 01:36:07,360

i just think it's best for this new show

2212

01:36:09,830 --> 01:36:07,920

to cast

2213

01:36:12,229 --> 01:36:09,840

sort of a wider net and not concentrate

2214

01:36:14,070 --> 01:36:12,239

so much on ufos anymore

2215

01:36:15,910 --> 01:36:14,080

especially because i think that's like

2216

01:36:17,669 --> 01:36:15,920

the ufos is just a rabbit hole that you

2217

01:36:20,390 --> 01:36:17,679

never get to the bottom of

2218

01:36:22,149 --> 01:36:20,400

no all the stories that i've looked into

2219

01:36:25,590 --> 01:36:22,159

i've never gotten to the bottom of them

2220

01:36:28,149 --> 01:36:25,600

never found any solid actual proof

2221

01:36:30,310 --> 01:36:28,159

that it's aliens i mean sure people see

2222

01:36:33,669 --> 01:36:30,320

lights in the sky

2223

01:36:35,430 --> 01:36:33,679

i am unconvinced

2224

01:36:36,790 --> 01:36:35,440

but i'd love to believe you know i have

2225

01:36:39,030 --> 01:36:36,800

that poster

2226

01:36:41,109 --> 01:36:39,040

i just saw ryan from the secret

2227

01:36:42,950 --> 01:36:41,119

teachings uh put up a new studio

2228

01:36:44,950 --> 01:36:42,960

and he has the same poster that i do we

2229

01:36:47,270 --> 01:36:44,960

all have it it's the you know like the

2230

01:36:49,910 --> 01:36:47,280

x-files poster with this flying saucer

2231

01:36:53,350 --> 01:36:49,920

and it says i want to believe

2232

01:36:53,910 --> 01:36:53,360

that's where i'm at and i thought i

2233

01:36:58,629 --> 01:36:53,920

could

2234

01:37:06,149 --> 01:37:01,669

try to do a share screen here and show

2235

01:37:07,669 --> 01:37:06,159

just a few more things

2236

01:37:10,070 --> 01:37:07,679

let's see if we can get into these

2237

01:37:11,990 --> 01:37:10,080

downloads here

2238

01:37:14,390 --> 01:37:12,000

just have to i have to come up with a

2239

01:37:19,270 --> 01:37:14,400

better system because right now

2240

01:37:19,280 --> 01:37:23,270

i am transferring stuff

2241

01:37:27,430 --> 01:37:25,590

from from the you know like my main

2242

01:37:28,709 --> 01:37:27,440

computer and just using a laptop for the

2243

01:37:31,590 --> 01:37:28,719

stream

2244

01:37:34,390 --> 01:37:31,600

and that is not always the best way to

2245

01:37:37,669 --> 01:37:34,400

go about it

2246

01:37:39,590 --> 01:37:37,679

okay i can share

2247

01:37:44,070 --> 01:37:39,600

i just want to show another picture of

2248

01:37:50,629 --> 01:37:47,350

application and here we have

2249

01:37:54,629 --> 01:37:50,639

the actual graveyard in aurora texas

2250

01:37:59,830 --> 01:37:54,639

the entrance of it where uh

2251

01:38:01,750 --> 01:37:59,840

the alien body is purported to be buried

2252

01:38:03,189 --> 01:38:01,760

but i sort of think i agree with william

2253

01:38:06,070 --> 01:38:03,199

pullen until

2254

01:38:08,390 --> 01:38:06,080

real evidence is available i think this

2255

01:38:10,070 --> 01:38:08,400

may just be a texas tall tale but i

2256

01:38:11,990 --> 01:38:10,080

would love to believe it was true

2257

01:38:13,910 --> 01:38:12,000

and like i said if they'll let me dig i

2258

01:38:15,109 --> 01:38:13,920

sent them a letter i'm not very hopeful

2259

01:38:17,109 --> 01:38:15,119

that they're going to give me permission

2260

01:38:19,430 --> 01:38:17,119

to go digging up bodies

2261

01:38:21,590 --> 01:38:19,440

but if they do i will go there with the

2262

01:38:22,870 --> 01:38:21,600

show so that's my promise to the people

2263

01:38:24,550 --> 01:38:22,880

of aurora texas

2264

01:38:26,709 --> 01:38:24,560  
and the world if you really want to

2265

01:38:30,229 --> 01:38:26,719  
prove that this is a true story

2266

01:38:33,750 --> 01:38:30,239  
then by all means you know

2267

01:38:36,390 --> 01:38:33,760  
go and give me permission

2268

01:38:39,189 --> 01:38:36,400  
i believe there's been five or six

2269

01:38:42,709 --> 01:38:39,199  
different people who have asked for

2270

01:38:46,950 --> 01:38:42,719  
the right to exhume that gravesite

2271

01:38:48,950 --> 01:38:46,960  
or to uh

2272

01:38:50,390 --> 01:38:48,960  
well they did give ufo hunters

2273

01:38:51,830 --> 01:38:50,400  
permission to use ground penetrating

2274

01:38:53,510 --> 01:38:51,840  
radar but that just tells you that

2275

01:38:57,669 --> 01:38:53,520  
there's something under the ground

2276

01:39:00,390 --> 01:38:57,679

that really does not tell you

2277

01:39:00,709 --> 01:39:00,400

that it's an alien body i think though

2278

01:39:03,910 --> 01:39:00,719

that

2279

01:39:05,830 --> 01:39:03,920

the the people of aurora may

2280

01:39:07,430 --> 01:39:05,840

have a vested interest in keeping the

2281

01:39:10,870 --> 01:39:07,440

story going and not

2282

01:39:14,149 --> 01:39:10,880

letting people prove or disprove it

2283

01:39:17,189 --> 01:39:14,159

as you know actually

2284

01:39:20,229 --> 01:39:17,199

something that really did happen

2285

01:39:22,470 --> 01:39:20,239

but you never know i am

2286

01:39:24,390 --> 01:39:22,480

hopeful that someday maybe the truth

2287

01:39:26,550 --> 01:39:24,400

this thing will be known

2288

01:39:28,149 --> 01:39:26,560

and i just wanted to show one other

2289

01:39:32,149 --> 01:39:28,159

thing

2290

01:39:36,310 --> 01:39:32,159

has been numerous documentaries

2291

01:39:40,070 --> 01:39:36,320

books and also uh

2292

01:39:42,470 --> 01:39:40,080

there was actually this was a

2293

01:39:44,310 --> 01:39:42,480

hollywood movie the aurora encounter

2294

01:39:47,030 --> 01:39:44,320

i've never seen this

2295

01:39:48,709 --> 01:39:47,040

uh and i kind of did a quick search for

2296

01:39:50,629 --> 01:39:48,719

it it's not on netflix so if anybody

2297

01:39:51,750 --> 01:39:50,639

knows where i can find a copy of that

2298

01:39:53,910 --> 01:39:51,760

movie

2299

01:39:55,910 --> 01:39:53,920

uh i'd be interested in seeing it

2300

01:39:58,550 --> 01:39:55,920

because i'd like to see

2301

01:40:00,070 --> 01:39:58,560

just how i don't you know it's a quick

2302

01:40:01,750 --> 01:40:00,080

story so i'm not sure how they made a

2303

01:40:05,030 --> 01:40:01,760

two-hour movie about it but i'd love to

2304

01:40:06,950 --> 01:40:05,040

see that movie it sounds like uh

2305

01:40:08,550 --> 01:40:06,960

a fun movie if you're into this kind of

2306

01:40:13,830 --> 01:40:08,560

stuff

2307

01:40:17,669 --> 01:40:16,149

the alien sacrificed his life to save

2308

01:40:20,470 --> 01:40:17,679

the town economy

2309

01:40:22,870 --> 01:40:20,480

yeah super b you might be right that

2310

01:40:26,550 --> 01:40:22,880

might be exactly what happened

2311

01:40:27,830 --> 01:40:26,560

and out of mind says money and reem see

2312

01:40:30,310 --> 01:40:27,840

i still think it is real

2313

01:40:46,149 --> 01:40:30,320

green sea i would love to believe it

2314

01:40:49,669 --> 01:40:47,910

and paranology says you can investigate

2315

01:40:51,189 --> 01:40:49,679

your ufo phenomena but you need great

2316

01:40:54,229 --> 01:40:51,199

equipment and be able to respond

2317

01:40:56,629 --> 01:40:54,239

quickly jesus

2318

01:40:58,550 --> 01:40:56,639

i think i should go get a pillow sit

2319

01:41:02,950 --> 01:40:58,560

higher

2320

01:41:05,750 --> 01:41:02,960

yeah i think you're right and jiggy on

2321

01:41:07,189 --> 01:41:05,760

now he said i got a big heart and he's a

2322

01:41:10,709 --> 01:41:07,199

teddy bear he doesn't know if he loves

2323

01:41:14,070 --> 01:41:12,149

i don't think he's in love with you

2324

01:41:17,990 --> 01:41:14,080

jiggy from the sounds of things

2325

01:41:21,669 --> 01:41:18,000

but you know uh i i kind of support you

2326

01:41:23,669 --> 01:41:21,679

guys i joked about him when he went off

2327

01:41:26,149 --> 01:41:23,679

um by the way i should say all you

2328

01:41:28,470 --> 01:41:26,159

leeches better donate to my patreon

2329

01:41:30,550 --> 01:41:28,480

you're all here for free i'm not getting

2330

01:41:32,629 --> 01:41:30,560

any money from you leeches

2331

01:41:33,910 --> 01:41:32,639

no he you know sort of had his meltdown

2332

01:41:35,830 --> 01:41:33,920

and he went off like

2333

01:41:37,430 --> 01:41:35,840

telling people they better donate right

2334

01:41:40,149 --> 01:41:37,440

now stop

2335

01:41:41,750 --> 01:41:40,159

complaining and donate and i i kind of

2336

01:41:43,030 --> 01:41:41,760

lost all respect from because listen we

2337

01:41:44,550 --> 01:41:43,040

all have bad days

2338

01:41:46,550 --> 01:41:44,560

and you know what he could have taken

2339

01:41:47,189 --> 01:41:46,560

that stream down edited that out put it

2340

01:41:48,870 --> 01:41:47,199

back

2341

01:41:50,790 --> 01:41:48,880

where he could have just apologized and

2342

01:41:52,950 --> 01:41:50,800

i would have been fine but i don't think

2343

01:41:55,750 --> 01:41:52,960

it's a good idea to go yelling at people

2344

01:41:57,910 --> 01:41:55,760

donate you leeches you know so i did

2345

01:41:59,430 --> 01:41:57,920

actually he's responsible for my patreon

2346

01:42:02,070 --> 01:41:59,440

jumping up from like

2347

01:42:04,229 --> 01:42:02,080

11 to like 50 because i start making it

2348

01:42:05,590 --> 01:42:04,239

a joke on my radio show like you reaches

2349

01:42:07,590 --> 01:42:05,600

all better donate

2350

01:42:09,109 --> 01:42:07,600

you're all getting this content for free

2351

01:42:10,870 --> 01:42:09,119

i'm not getting any money

2352

01:42:13,270 --> 01:42:10,880

you're all a bunch of leeches and it

2353

01:42:13,990 --> 01:42:13,280

really was a joke i was joking about him

2354

01:42:16,149 --> 01:42:14,000

doing that

2355

01:42:22,550 --> 01:42:16,159

and but people started donating which

2356

01:42:32,470 --> 01:42:29,109

more comments

2357

01:42:34,870 --> 01:42:32,480

yeah so you know i guess friends i i

2358

01:42:38,390 --> 01:42:34,880

want to thank each and every one of you

2359

01:42:40,790 --> 01:42:38,400

for joining us and uh we're gonna

2360

01:42:42,149 --> 01:42:40,800

we're gonna wrap things up here and i'm

2361

01:42:44,310 --> 01:42:42,159

happy to say that i

2362

01:42:45,590 --> 01:42:44,320

finally remembered to do a bumper for

2363

01:42:48,310 --> 01:42:45,600

the end of the show

2364

01:42:49,590 --> 01:42:48,320

it's so funny uh this is episode three

2365

01:42:52,709 --> 01:42:49,600

of our show

2366

01:42:53,910 --> 01:42:52,719

and i forgot to do it for the first show

2367

01:42:55,669 --> 01:42:53,920

and then i get to the end of the show

2368

01:42:56,629 --> 01:42:55,679

and i was like oops what do i do now

2369

01:42:58,310 --> 01:42:56,639

okay good night

2370

01:43:00,629 --> 01:42:58,320

and i didn't have a bumper to play and

2371

01:43:03,030 --> 01:43:00,639

then the next one i forgot again so i

2372

01:43:06,229 --> 01:43:03,040

played like a we'll be right back bumper

2373

01:43:09,030 --> 01:43:06,239

but this time i have actually

2374

01:43:10,470 --> 01:43:09,040

made a thanks for joining us bumper so i

2375

01:43:11,990 --> 01:43:10,480

want to thank each and every one of you

2376

01:43:13,510 --> 01:43:12,000

for joining us i think we're going to do

2377

01:43:15,350 --> 01:43:13,520

another show this week

2378

01:43:17,750 --> 01:43:15,360

and that should be either tomorrow night

2379

01:43:19,270 --> 01:43:17,760

or thursday but later thursday because i

2380

01:43:21,430 --> 01:43:19,280

don't want to step on jiggy's

2381

01:43:23,430 --> 01:43:21,440

normal stream time where anybody's

2382

01:43:27,030 --> 01:43:23,440

really if i can avoid it

2383

01:43:28,390 --> 01:43:27,040

so i guess i would say

2384

01:43:30,070 --> 01:43:28,400

thanks each and every one of you for

2385

01:43:33,430 --> 01:43:30,080

joining me please like

2386

01:43:36,390 --> 01:43:33,440

share comment and subscribe and you know

2387

01:43:37,350 --> 01:43:36,400

maybe even just email the channel to a

2388

01:43:40,950 --> 01:43:37,360

friend of yours

2389

01:43:42,790 --> 01:43:40,960

who you know may like this kind of stuff

2390

01:43:45,030 --> 01:43:42,800

that would be the best way to help me

2391

01:43:46,870 --> 01:43:45,040

right now i'll start calling everybody

2392

01:43:48,310 --> 01:43:46,880

leeches and begging for money sometime

2393

01:43:50,550 --> 01:43:48,320

in the next

2394

01:43:51,990 --> 01:43:50,560

show a couple of shows and i'm even

2395

01:43:55,109 --> 01:43:52,000

gonna have commercials that

2396

01:43:59,590 --> 01:43:55,119

will beg for money so i'm i'm upping my

2397

01:44:01,669 --> 01:43:59,600

hand in my hat please donate game

2398

01:44:04,070 --> 01:44:01,679

so friends thanks each and every one of

2399

01:44:06,790 --> 01:44:04,080

you for joining me until next time folks

2400

01:44:08,070 --> 01:44:06,800

my name is steven cambion reminding you

2401

01:44:10,950 --> 01:44:08,080

that sometimes

2402

01:44:11,590 --> 01:44:10,960

yes sometimes the truth may just be

2403

01:44:29,790 --> 01:44:11,600

hidden

2404

01:45:48,090 --> 01:45:08,910

[Music]
