

# Truth Seekers

**EPISODE 4**

**STEVEN CAMBIAN  
INVESTIGATES...**

**" The STRANGE case  
of Sarah Adams. "**

1  
00:02:00,460 --> 00:02:08,699

you

2  
00:02:20,340 --> 00:02:14,620

and we are live live from the cabin my

3  
00:02:24,750 --> 00:02:20,350

friends I'm happy to say that we are in

4  
00:02:29,050 --> 00:02:24,760

the cabin and hopefully if all goes well

5  
00:02:31,270 --> 00:02:29,060

we are broadcasting live right from the

6  
00:02:33,460 --> 00:02:31,280

cabin tonight and I thought it

7  
00:02:37,300 --> 00:02:33,470

appropriate in this sort of strange

8  
00:02:40,000 --> 00:02:37,310

wooded place that tonight I'm gonna

9  
00:02:43,390 --> 00:02:40,010

share a sort of personal story that

10  
00:02:48,340 --> 00:02:43,400

began some time ago and I'm calling this

11  
00:02:52,380 --> 00:02:48,350

the strange case of Sarah Adams for

12  
00:02:56,020 --> 00:02:52,390

those who are not familiar with her she

13  
00:02:59,500 --> 00:02:56,030

sort of came on my radar some time ago

14

00:03:01,990 --> 00:02:59,510

but then came back onto my radar due to

15

00:03:05,410 --> 00:03:02,000

the death of conspiracy theorist max

16

00:03:08,559 --> 00:03:05,420

Spears because she was his I believe she

17

00:03:14,289 --> 00:03:08,569

was his you know significant other his

18

00:03:17,199 --> 00:03:14,299

girlfriend so I sort of started looking

19

00:03:21,520 --> 00:03:17,209

into her again because of the whole

20

00:03:25,210 --> 00:03:21,530

situation with Max Spears and let me

21

00:03:27,009 --> 00:03:25,220

turn my attention to live chat I also

22

00:03:30,340 --> 00:03:27,019

want to mention that tonight is the

23

00:03:32,140 --> 00:03:30,350

first night where we are attempting at

24

00:03:36,490 --> 00:03:32,150

least I'm not sure how well it's going

25

00:03:43,000 --> 00:03:36,500

to work to simulcast to both YouTube and

26

00:03:47,729 --> 00:03:43,010

our and my facebook profile page I just

27

00:03:51,330 --> 00:03:47,739

checked it looks like we're live on both

28

00:03:58,060 --> 00:03:51,340

but there is a lag and a time delay

29

00:04:02,229 --> 00:03:58,070

apparently for the Facebook I'm not sure

30

00:04:07,870 --> 00:04:02,239

why that is but it looks like our usual

31

00:04:12,310 --> 00:04:07,880

youtube situation is stable and working

32

00:04:17,039 --> 00:04:12,320

if there is issues please you know like

33

00:04:19,960 --> 00:04:17,049

if there's lag please do let me know and

34

00:04:22,600 --> 00:04:19,970

I see

35

00:04:24,970 --> 00:04:22,610

I'm gonna give some shoutouts to oh we

36

00:04:27,930 --> 00:04:24,980

have Brandon Young is here

37

00:04:32,800 --> 00:04:27,940

shout out to Brandon young and Dan Hogan

38

00:04:34,180 --> 00:04:32,810

we have Jeff Jonas I'd and out of mind

39

00:04:36,490 --> 00:04:34,190

leave Veltman

40

00:04:39,870 --> 00:04:36,500

shout out to all you guys I'm happy that

41

00:04:43,000 --> 00:04:39,880

you could be here to help me test this

42

00:04:45,790 --> 00:04:43,010

first broadcast from the cabin and I got

43

00:04:48,280 --> 00:04:45,800

to tell you I just had this come up in

44

00:04:50,710 --> 00:04:48,290

my memories and on Facebook there was a

45

00:04:53,380 --> 00:04:50,720

picture of like the walls in here

46

00:04:58,330 --> 00:04:53,390

halfway up and the windows just like

47

00:05:00,280 --> 00:04:58,340

glued into the walls and so what a

48

00:05:02,920 --> 00:05:00,290

difference a year makes because a year

49

00:05:05,560 --> 00:05:02,930

ago I was still building these cordwood

50

00:05:08,470 --> 00:05:05,570

walls and trying to make this into some

51  
00:05:15,490 --> 00:05:08,480  
kind of a new cabin room and now here we

52  
00:05:18,010 --> 00:05:15,500  
are let's see here we have some comments

53  
00:05:21,630 --> 00:05:18,020  
from our live chat but I want to get

54  
00:05:24,090 --> 00:05:21,640  
back to this is the strange case of

55  
00:05:33,760 --> 00:05:24,100  
Sarah Adams

56  
00:05:36,730 --> 00:05:33,770  
website is Sarah are Adams calm for

57  
00:05:39,670 --> 00:05:36,740  
those that are unfamiliar with her she

58  
00:05:44,260 --> 00:05:39,680  
is a self-described she describes

59  
00:05:48,159 --> 00:05:44,270  
herself as an intuitive healer and so I

60  
00:05:51,180 --> 00:05:48,169  
started watching her I don't want to

61  
00:05:55,060 --> 00:05:51,190  
call them performances that would be

62  
00:05:58,320 --> 00:05:55,070  
that would be not fair to her I started

63  
00:06:01,990 --> 00:05:58,330

watching her broadcasts her talks her

64

00:06:05,260 --> 00:06:02,000

material again around the time of max

65

00:06:09,810 --> 00:06:05,270

beers death because quite honestly I was

66

00:06:11,590 --> 00:06:09,820

just curious about max peers and

67

00:06:13,330 --> 00:06:11,600

honestly I was curious who his

68

00:06:19,300 --> 00:06:13,340

girlfriend was I heard they were like

69

00:06:25,150 --> 00:06:19,310

the power conspiracy couple and yeah so

70

00:06:29,529 --> 00:06:25,160

I got to learn a lesson about I've

71

00:06:30,790 --> 00:06:29,539

always heard this term from people this

72

00:06:33,219 --> 00:06:30,800

term

73

00:06:37,480 --> 00:06:33,229

what they talk about resonates with me

74

00:06:40,210 --> 00:06:37,490

and so I found a few of her videos while

75

00:06:43,450 --> 00:06:40,220

I was already working on this thing

76

00:06:45,820 --> 00:06:43,460

called the mind hack project and in that

77

00:06:49,270 --> 00:06:45,830

I was talking about connection to source

78

00:06:51,580 --> 00:06:49,280

and connection to divine energy it's my

79

00:06:55,270 --> 00:06:51,590

belief that the greater your connection

80

00:06:58,270 --> 00:06:55,280

to source or God or divine energy the

81

00:07:00,189 --> 00:06:58,280

greater your own capabilities become and

82

00:07:04,029 --> 00:07:00,199

she was talking about something

83

00:07:07,809 --> 00:07:04,039

incredibly similar which is to you know

84

00:07:11,499 --> 00:07:07,819

avoid drugs void alcohol so that you can

85

00:07:13,709 --> 00:07:11,509

have as much God energy pulsing through

86

00:07:17,379 --> 00:07:13,719

you as possible and she talks about this

87

00:07:20,680 --> 00:07:17,389

connection that we all have very similar

88

00:07:22,600 --> 00:07:20,690

to my it's not my idea but it was an

89

00:07:27,129 --> 00:07:22,610

idea that I was running with with this

90

00:07:29,439 --> 00:07:27,139

mind hack project so this resonated with

91

00:07:33,249 --> 00:07:29,449

me and I wanted to hear more about what

92

00:07:36,249 --> 00:07:33,259

she talked about but quite honestly like

93

00:07:40,990 --> 00:07:36,259

many people I always say this pick a

94

00:07:42,129 --> 00:07:41,000

lane right are you a light worker are

95

00:07:46,089 --> 00:07:42,139

you a psychic

96

00:07:47,920 --> 00:07:46,099

are you a channeler are you a healer are

97

00:07:49,990 --> 00:07:47,930

you an intuitive empath

98

00:07:51,580 --> 00:07:50,000

I don't know pick a lane and it seemed

99

00:07:56,170 --> 00:07:51,590

with her that she doesn't really pick a

100

00:07:59,439 --> 00:07:56,180

lane she's very interesting and sort of

101

00:08:02,980 --> 00:07:59,449

like she's all of those things so I

102

00:08:05,080 --> 00:08:02,990

needed no material a new show guests I

103

00:08:07,330 --> 00:08:05,090

was really intent that I didn't want to

104

00:08:09,189 --> 00:08:07,340

just let's get the midnight hour show

105

00:08:11,890 --> 00:08:09,199

guests and run them all again on this

106

00:08:13,869 --> 00:08:11,900

new show so I reached out to her and a

107

00:08:16,600 --> 00:08:13,879

few other people and much to my surprise

108

00:08:21,790 --> 00:08:16,610

because I've heard that she is very

109

00:08:24,219 --> 00:08:21,800

difficult to get access to told she's

110

00:08:27,040 --> 00:08:24,229

very busy she I reached out to a friend

111

00:08:29,909 --> 00:08:27,050

recently who's in California he lives in

112

00:08:32,050 --> 00:08:29,919

Sacramento and he's very plugged into I

113

00:08:34,659 --> 00:08:32,060

don't even know how to describe it like

114

00:08:38,290 --> 00:08:34,669

the New Age crystal buying kind of

115

00:08:41,560 --> 00:08:38,300

people spirituality New Age people there

116

00:08:43,180 --> 00:08:41,570

and he told me that she's one of the

117

00:08:45,920 --> 00:08:43,190

most in-demand

118

00:08:47,750 --> 00:08:45,930

Lightworker psychic healers whatever you

119

00:08:51,080 --> 00:08:47,760

want to call her in California and that

120

00:08:53,360 --> 00:08:51,090

if you called her today to get an

121

00:08:55,430 --> 00:08:53,370

appointment or a session it might be

122

00:08:59,000 --> 00:08:55,440

months before she could fit you in

123

00:09:01,150 --> 00:08:59,010

that's how busy this girl is and some

124

00:09:04,670 --> 00:09:01,160

would say that's how successful she is

125

00:09:09,980 --> 00:09:04,680

now she makes a lot of claims however

126  
00:09:12,110 --> 00:09:09,990  
that I have huge problems with and I'm

127  
00:09:16,220 --> 00:09:12,120  
going to go to my Twitter I'm not going

128  
00:09:18,200 --> 00:09:16,230  
to share this but I post it sort of a

129  
00:09:19,910 --> 00:09:18,210  
teaser graphic for this thing I'm

130  
00:09:24,770 --> 00:09:19,920  
calling this strange case of Sarah Adams

131  
00:09:27,620 --> 00:09:24,780  
and in it I ask some questions and here

132  
00:09:31,160 --> 00:09:27,630  
are the questions what's the deal with

133  
00:09:33,230 --> 00:09:31,170  
Sarah Adams well you know what I can

134  
00:09:40,180 --> 00:09:33,240  
share this so I'm gonna share this one

135  
00:09:48,410 --> 00:09:44,950  
look that didn't work one second oh

136  
00:09:55,360 --> 00:09:48,420  
there we go you guys are going to have

137  
00:09:59,870 --> 00:09:55,370  
to excuse some things which may be an

138  
00:10:03,170 --> 00:09:59,880

issue for me sometimes okay where's my

139

00:10:06,980 --> 00:10:03,180

Twitter there we go we're just going to

140

00:10:09,680 --> 00:10:06,990

share this so what's the deal with Sarah

141

00:10:12,170 --> 00:10:09,690

Adams we investigate her claims and her

142

00:10:15,380 --> 00:10:12,180

powers you know

143

00:10:17,750 --> 00:10:15,390

she basically claims to have super

144

00:10:19,070 --> 00:10:17,760

powers that's the easiest way that I

145

00:10:21,830 --> 00:10:19,080

could break it down for you

146

00:10:26,510 --> 00:10:21,840

and so I asked these questions based on

147

00:10:28,670 --> 00:10:26,520

her own her own sort of claims of things

148

00:10:33,290 --> 00:10:28,680

that she does for her clients so I asked

149

00:10:35,780 --> 00:10:33,300

can she really repair your DNA can she

150

00:10:42,650 --> 00:10:35,790

repair your aura help you connect with

151  
00:10:45,380 --> 00:10:42,660  
God help you recover from trauma can she

152  
00:10:48,500 --> 00:10:45,390  
really read minds and and another claim

153  
00:10:52,310 --> 00:10:48,510  
that I've heard her talk about is this

154  
00:10:55,970 --> 00:10:52,320  
sort of star seed I'm not from here

155  
00:10:56,900 --> 00:10:55,980  
I am not of this earth so if she an

156  
00:10:59,720 --> 00:10:56,910  
alien is you

157  
00:11:03,620 --> 00:10:59,730  
in hybrid is she what people would call

158  
00:11:08,420 --> 00:11:03,630  
a star seed and these are the questions

159  
00:11:14,500 --> 00:11:08,430  
that I had that to me I want it I wanted

160  
00:11:20,600 --> 00:11:14,510  
to hear her I wanted to I wanted to

161  
00:11:23,570 --> 00:11:20,610  
explore her making these claims and how

162  
00:11:29,650 --> 00:11:23,580  
valid her her claims and much to my

163  
00:11:33,770 --> 00:11:29,660

surprise she returned messages to me and

164

00:11:37,910 --> 00:11:33,780

I got to tell you all so if people don't

165

00:11:40,340 --> 00:11:37,920

know my history I sort of make it it was

166

00:11:43,250 --> 00:11:40,350

a hobby I guess for a while that I would

167

00:11:45,110 --> 00:11:43,260

go see every psychic every medium that I

168

00:11:47,750 --> 00:11:45,120

could find or somebody would tell me

169

00:11:50,750 --> 00:11:47,760

about one and having a background in

170

00:11:51,710 --> 00:11:50,760

stage magic I did a mentalism show for a

171

00:11:54,080 --> 00:11:51,720

while for those that don't know a

172

00:11:57,290 --> 00:11:54,090

mentalism show is kind of like a psychic

173

00:11:59,600 --> 00:11:57,300

show but everybody knows that the person

174

00:12:02,320 --> 00:11:59,610

is a magician they're pretending but

175

00:12:05,870 --> 00:12:02,330

mentalists will do things like hypnosis

176  
00:12:08,510 --> 00:12:05,880  
mind-control bending metal I've done a

177  
00:12:11,300 --> 00:12:08,520  
show that was centered around being that

178  
00:12:13,940 --> 00:12:11,310  
kind of a character I can spot the

179  
00:12:18,050 --> 00:12:13,950  
trickery that most fake psychics use a

180  
00:12:21,230 --> 00:12:18,060  
mile away so I would go visit these

181  
00:12:23,030 --> 00:12:21,240  
psychics try to find a genuine one I for

182  
00:12:24,430 --> 00:12:23,040  
my entire life I'd wanted to find

183  
00:12:27,340 --> 00:12:24,440  
somebody that claimed they had

184  
00:12:30,710 --> 00:12:27,350  
supernatural abilities that was real

185  
00:12:33,170 --> 00:12:30,720  
folks I've seen hundreds talk to

186  
00:12:35,510 --> 00:12:33,180  
hundreds of psychics had readings from

187  
00:12:38,270 --> 00:12:35,520  
psychics my wife and I used to go

188  
00:12:40,670 --> 00:12:38,280

together and even work together to try

189

00:12:43,970 --> 00:12:40,680

to bust them and see if they were you

190

00:12:45,890 --> 00:12:43,980

know frauds and my wife was very

191

00:12:48,110 --> 00:12:45,900

familiar having been my stage partner

192

00:12:51,560 --> 00:12:48,120

also with all the trickery involved and

193

00:12:56,270 --> 00:12:51,570

even she could pick it out without me

194

00:12:58,460 --> 00:12:56,280

even helping most of the time these fake

195

00:13:01,790 --> 00:12:58,470

psychics use a few common techniques

196

00:13:04,880 --> 00:13:01,800

they use magic tricks to convince people

197

00:13:09,560 --> 00:13:04,890

that they can read their minds they use

198

00:13:10,160 --> 00:13:09,570

cold reading and most of these psychics

199

00:13:12,319 --> 00:13:10,170

when you really

200

00:13:14,829 --> 00:13:12,329

press them for proof of their claims of

201

00:13:17,810 --> 00:13:14,839

their abilities will shrivel up and say

202

00:13:20,449 --> 00:13:17,820

you're just not a believer not nothing

203

00:13:23,720 --> 00:13:20,459

will convince you they have a defense

204

00:13:26,569 --> 00:13:23,730

mechanism but miss Adams to her credit I

205

00:13:29,360 --> 00:13:26,579

think that she knew because we have some

206

00:13:31,430 --> 00:13:29,370

friends in common of my rather skeptical

207

00:13:33,259 --> 00:13:31,440

attitude towards psychics and people

208

00:13:39,230 --> 00:13:33,269

that claim to have supernatural powers

209

00:13:42,530 --> 00:13:39,240

or abilities so she said I'd be happy to

210

00:13:46,780 --> 00:13:42,540

call you and give you you know a session

211

00:13:49,970 --> 00:13:46,790

at no cost and and I'll be able to

212

00:13:53,920 --> 00:13:49,980

manipulate some things and you'll walk

213

00:13:56,900 --> 00:13:53,930

away and you'll know that I'm genuine

214

00:13:59,660 --> 00:13:56,910

now this my friends is too good to be

215

00:14:03,290 --> 00:13:59,670

true for somebody like me so I said yeah

216

00:14:09,620 --> 00:14:03,300

when you know so last night it was late

217

00:14:12,590 --> 00:14:09,630

last night she called me and she ran me

218

00:14:15,769 --> 00:14:12,600

through a lot of different things in

219

00:14:18,740 --> 00:14:15,779

this session you know I don't even how

220

00:14:21,189 --> 00:14:18,750

to describe it but basically in this

221

00:14:26,079 --> 00:14:21,199

session she told me that she was

222

00:14:32,120 --> 00:14:26,089

repairing my aura aligning my chakras

223

00:14:34,730 --> 00:14:32,130

removing bad energy and one of the

224

00:14:39,889 --> 00:14:34,740

things that I found most strange was

225

00:14:43,189 --> 00:14:39,899

that she was telling me you know I want

226

00:14:45,079 --> 00:14:43,199

you to think about all the trauma in

227

00:14:47,840 --> 00:14:45,089

your life everything that's ever been

228

00:14:49,699 --> 00:14:47,850

painful since your childhood every time

229

00:14:52,069 --> 00:14:49,709

somebody's hurt you every time you were

230

00:14:54,769 --> 00:14:52,079

sad every time you were in pain or

231

00:14:57,680 --> 00:14:54,779

suffering and imagine it going in this

232

00:14:59,930 --> 00:14:57,690

big black bubble and okay now I'm gonna

233

00:15:02,240 --> 00:14:59,940

take the bubble and fly it to the Sun

234

00:15:06,230 --> 00:15:02,250

and it's gone it's incinerated all your

235

00:15:08,180 --> 00:15:06,240

past traumas are gone and that seemed a

236

00:15:08,870 --> 00:15:08,190

little strange to me that she could

237

00:15:13,210 --> 00:15:08,880

clean

238

00:15:15,650 --> 00:15:13,220

that she could remove people's trauma

239

00:15:17,900 --> 00:15:15,660

that quickly and it was very

240

00:15:19,610 --> 00:15:17,910

uncomfortable at first the beginning of

241

00:15:22,790 --> 00:15:19,620

this session that's where that's kind of

242

00:15:23,269 --> 00:15:22,800

where this session started and I have to

243

00:15:26,389 --> 00:15:23,279

say

244

00:15:28,429 --> 00:15:26,399

I wanted to record this but I was shy

245

00:15:31,100 --> 00:15:28,439

about asking her to record this session

246

00:15:33,400 --> 00:15:31,110

because I don't know her well enough and

247

00:15:37,269 --> 00:15:33,410

I wanted to build her trust and

248

00:15:40,579 --> 00:15:37,279

genuinely find out if she was real or a

249

00:15:43,730 --> 00:15:40,589

fraud like most other fake psychic so I

250

00:15:44,720 --> 00:15:43,740

didn't either record it without asking

251

00:15:47,689 --> 00:15:44,730

her because I thought that would be a

252

00:15:48,110 --> 00:15:47,699

violation of trust and I didn't ask her

253

00:15:51,199 --> 00:15:48,120

to

254

00:15:53,989 --> 00:15:51,209

but someone reminded me that she did a

255

00:15:57,129 --> 00:15:53,999

very similar session that she did for me

256

00:16:03,259 --> 00:15:57,139

when she was on another show another

257

00:16:10,720 --> 00:16:03,269

person show and I found that and we are

258

00:16:18,590 --> 00:16:13,280

this is from her appearance and

259

00:16:22,179 --> 00:16:18,600

interview on the Kevin Moore show and I

260

00:16:25,939 --> 00:16:22,189

have it cued up so let me see if I can't

261

00:16:27,829 --> 00:16:25,949

we're gonna share that screen now I have

262

00:16:29,660 --> 00:16:27,839

to say that there was some distinct

263

00:16:32,119 --> 00:16:29,670

differences between the session that she

264

00:16:35,389 --> 00:16:32,129

did for him and the session that she did

265

00:16:38,179 --> 00:16:35,399

for me most specifically and of most

266

00:16:40,069 --> 00:16:38,189

importance is that the beginning when

267

00:16:43,429 --> 00:16:40,079

she started the session with me was much

268

00:16:46,129 --> 00:16:43,439

longer when we're gonna show this Kevin

269

00:16:47,600 --> 00:16:46,139

Moore clip she just tells him I'm gonna

270

00:16:49,490 --> 00:16:47,610

I'm gonna work on your energy or

271

00:16:51,980 --> 00:16:49,500

something like that I need you to close

272

00:16:54,769 --> 00:16:51,990

your eyes and then she pretty much goes

273

00:16:55,790 --> 00:16:54,779

right into a similar session that she

274

00:17:00,199 --> 00:16:55,800

did for me

275

00:17:02,629 --> 00:17:00,209

the difference is in my session this was

276

00:17:05,510 --> 00:17:02,639

a little more drawn out close your eyes

277

00:17:09,699 --> 00:17:05,520

clear your mind make your mind a blank

278

00:17:12,260 --> 00:17:09,709

slate try to focus on my voice and

279

00:17:15,590 --> 00:17:12,270

something about that seems very familiar

280

00:17:17,840 --> 00:17:15,600

to me the way that she was I don't want

281

00:17:19,309 --> 00:17:17,850

to say setting me up you know the way

282

00:17:21,590 --> 00:17:19,319

that she was preparing me for this

283

00:17:24,710 --> 00:17:21,600

experience seems very familiar to me but

284

00:17:27,829 --> 00:17:24,720

I didn't it didn't catch it because I

285

00:17:31,370 --> 00:17:27,839

was really intent on having an open mind

286

00:17:34,250 --> 00:17:31,380

and experiencing whatever she could show

287

00:17:36,590 --> 00:17:34,260

me so when I play this clip for Kevin

288

00:17:37,049 --> 00:17:36,600

Moore from chem amor show just please

289

00:17:42,389 --> 00:17:37,059

keep him

290

00:17:46,409 --> 00:17:42,399

that my start of my session was a much

291

00:17:49,590 --> 00:17:46,419

longer setup this may become important

292

00:18:02,480 --> 00:17:49,600

later and we'll see why but we're gonna

293

00:18:10,470 --> 00:18:02,490

share screen and let's see if we could

294

00:18:14,659 --> 00:18:10,480

get over here and I have to remember

295

00:18:18,149 --> 00:18:14,669

share audio and here we go

296

00:18:21,299 --> 00:18:18,159

and I have this time stance right to

297

00:18:22,919 --> 00:18:21,309

where I want it so and I'm gonna cite I

298

00:18:25,200 --> 00:18:22,929

don't know Kevin Moore but we have

299

00:18:29,220 --> 00:18:25,210

friends in common and you know I think

300

00:18:31,320 --> 00:18:29,230

that he'll agree with my saying that

301  
00:18:33,359 --> 00:18:31,330  
this is a transformative work I'm gonna

302  
00:18:35,700 --> 00:18:33,369  
say fair use fair use fair use we're

303  
00:18:38,039 --> 00:18:35,710  
going to be discussing this reading

304  
00:18:40,200 --> 00:18:38,049  
she's given Kevin Moore especially in

305  
00:18:42,779 --> 00:18:40,210  
how it relates to the very similar

306  
00:18:45,330 --> 00:18:42,789  
reading or session that I got from her

307  
00:18:47,100 --> 00:18:45,340  
so let's take a look even worse down the

308  
00:18:53,399 --> 00:18:47,110  
road somewhere but it's double double as

309  
00:18:58,139 --> 00:18:53,409  
much I know what is the most important

310  
00:18:59,850 --> 00:18:58,149  
message of your work it would be to

311  
00:19:03,869 --> 00:18:59,860  
remind people of how powerful they are

312  
00:19:06,539 --> 00:19:03,879  
how divine they are that you know no

313  
00:19:10,379 --> 00:19:06,549

matter what color what race what

314

00:19:12,450 --> 00:19:10,389

ethnicity what sexual orientation and

315

00:19:15,749 --> 00:19:12,460

I'm probably gonna get just slammed for

316

00:19:18,720 --> 00:19:15,759

that one that they're all a part of God

317

00:19:20,759 --> 00:19:18,730

and they all have God within them and no

318

00:19:23,399 --> 00:19:20,769

matter what so friend they're going

319

00:19:25,560 --> 00:19:23,409

through they could just silence their

320

00:19:27,210 --> 00:19:25,570

minds or go within start connecting

321

00:19:30,810 --> 00:19:27,220

through their souls there's all the

322

00:19:33,779 --> 00:19:30,820

solutions and all Eaglin there I want to

323

00:19:37,289 --> 00:19:33,789

remind humanity of their power and of

324

00:19:41,299 --> 00:19:37,299

their souls that's what I want to do I'm

325

00:19:45,930 --> 00:19:41,309

not a teacher I'm not a leader I'm just

326

00:19:48,840 --> 00:19:45,940

somebody saying but remember who you are

327

00:19:51,310 --> 00:19:48,850

because you're much more than you think

328

00:19:55,470 --> 00:19:51,320

you are you're in a thought

329

00:20:01,060 --> 00:19:55,480

that diminishes you get rid of that

330

00:20:06,519 --> 00:20:01,070

become whole again and happy rides up

331

00:20:09,909 --> 00:20:06,529

and stand up everybody needs to do okay

332

00:20:13,570 --> 00:20:09,919

and so what I can do is I can start by

333

00:20:20,350 --> 00:20:13,580

doing some energy work on you if you

334

00:20:25,029 --> 00:20:20,360

want absolutely some so you would have

335

00:20:33,310 --> 00:20:25,039

to shut your eyes and okay it's clear

336

00:20:37,409 --> 00:20:33,320

your mind and you will usually feel

337

00:20:40,060 --> 00:20:37,419

tingling warrant or something else as

338

00:20:47,560 --> 00:20:40,070

energy affects the body on every single

339

00:20:51,600 --> 00:20:47,570

level every cell that there is I'm just

340

00:21:05,980 --> 00:20:55,289

please do let me know when you feel it

341

00:21:05,990 --> 00:21:14,150

hmm

342

00:21:14,160 --> 00:21:21,440

yeah

343

00:21:21,450 --> 00:21:25,110

hmm

344

00:21:35,930 --> 00:21:28,139

it's like a pulsing a little bit yeah

345

00:21:41,249 --> 00:21:39,360

so I'm going to actually bring your

346

00:21:42,480 --> 00:21:41,259

frequency up so that during this

347

00:21:44,789 --> 00:21:42,490

conversation

348

00:21:55,810 --> 00:21:44,799

oh it's we can sing more after tomorrow

349

00:22:01,130 --> 00:21:58,730

most part mythix do I want this always

350

00:22:09,710 --> 00:22:01,140

this in my imagination but I've never

351

00:22:35,180 --> 00:22:09,720

felt that before well I'm just bringing

352

00:22:35,190 --> 00:22:49,810

your aura is changing colors

353

00:22:57,290 --> 00:22:53,060

how are you feeling

354

00:23:02,110 --> 00:22:57,300

yeah a while the pulsing thought that

355

00:23:04,370 --> 00:23:02,120

was amazing that's amazing

356

00:23:11,320 --> 00:23:04,380

it's not answering your question I don't

357

00:23:30,550 --> 00:23:14,600

whenever we tune ourselves to a higher

358

00:23:30,560 --> 00:23:43,330

sorry folks one second

359

00:23:52,670 --> 00:23:48,140

Wow come on there we go

360

00:23:57,320 --> 00:23:52,680

I should have clipped that I'm sorry

361

00:24:25,529 --> 00:23:57,330

guys let's let's go back to the share

362

00:24:25,539 --> 00:24:48,230

have a crystal

363

00:25:00,990 --> 00:24:52,350

okay folks we're gonna stop it there now

364

00:25:02,520 --> 00:25:01,000

I do have to say that regardless of what

365

00:25:05,190 --> 00:25:02,530

regardless of what I think about Kevin

366

00:25:09,390 --> 00:25:05,200

more it's kind of important just to note

367

00:25:11,669 --> 00:25:09,400

that I don't know what to say about

368

00:25:15,450 --> 00:25:11,679

Kevin Moore except that I'm sure he's

369

00:25:18,299 --> 00:25:15,460

more of a wool believer than me despite

370

00:25:21,060 --> 00:25:18,309

all of his sort of you know bob lazar is

371

00:25:24,150 --> 00:25:21,070

a fraud and crazy

372

00:25:26,130 --> 00:25:24,160

cassadee and you know Mark Richards

373

00:25:28,020 --> 00:25:26,140

which I agree with him on but you know

374

00:25:31,320 --> 00:25:28,030

he's got a channeling website

375

00:25:33,440 --> 00:25:31,330

he's at all the new-age Expo things and

376

00:25:37,080 --> 00:25:33,450

he's a little bit more of a believer in

377

00:25:39,630 --> 00:25:37,090

my case the beginning was much longer

378

00:25:42,180 --> 00:25:39,640

she did a whole sort of getting me ready

379

00:25:44,340 --> 00:25:42,190

for this experience that I was going to

380

00:25:47,700 --> 00:25:44,350

have and one of the things that she told

381

00:25:52,530 --> 00:25:47,710

me in in private messages before the

382

00:25:56,340 --> 00:25:52,540

phone call was that she could make my

383

00:25:59,669 --> 00:25:56,350

heart go faster and she could give me

384

00:26:03,390 --> 00:25:59,679

chills and make me feel pins and needles

385

00:26:05,970 --> 00:26:03,400

and things like this so after the

386

00:26:09,720 --> 00:26:05,980

initial like okay we're gonna we're

387

00:26:13,650 --> 00:26:09,730

gonna get rid of all your trauma I was

388

00:26:15,180 --> 00:26:13,660

feeling pretty skeptical and then she

389

00:26:18,360 --> 00:26:15,190

started telling me that she was gonna

390

00:26:20,220 --> 00:26:18,370

work on my aura and this is something

391

00:26:22,560 --> 00:26:20,230

that I kind of had a problem with

392

00:26:23,240 --> 00:26:22,570

because I don't know that I believe in

393

00:26:26,039 --> 00:26:23,250

auras

394

00:26:30,060 --> 00:26:26,049

okay you're gonna work on my aura how

395

00:26:33,510 --> 00:26:30,070

can I be how can I tell that you're

396

00:26:36,390 --> 00:26:33,520

working on my aura I don't know okay

397

00:26:42,120 --> 00:26:36,400

you're working on my aura lady oh okay

398

00:26:45,780 --> 00:26:42,130

and but I did have this weird sensation

399

00:26:48,720 --> 00:26:45,790

start right after she said that she was

400

00:26:52,289 --> 00:26:48,730

you know sending all my trauma in that

401  
00:26:54,299 --> 00:26:52,299  
black magic bubble into the Sun I had

402  
00:26:57,480 --> 00:26:54,309  
this feeling them everything became

403  
00:27:00,030 --> 00:26:57,490  
lighter but I didn't want to let on to

404  
00:27:01,379 --> 00:27:00,040  
her because she kept saying you might

405  
00:27:04,259 --> 00:27:01,389  
start feeling a little strain

406  
00:27:06,029 --> 00:27:04,269  
and I mean it was like a mantra you

407  
00:27:09,180 --> 00:27:06,039  
might feel a little strange it's okay

408  
00:27:12,089 --> 00:27:09,190  
just focus on my voice I want you to

409  
00:27:14,009 --> 00:27:12,099  
relax don't be afraid there's nothing to

410  
00:27:15,810 --> 00:27:14,019  
fear you might start to feel a little

411  
00:27:18,899 --> 00:27:15,820  
strange she kept saying that you might

412  
00:27:22,379 --> 00:27:18,909  
start to feel a little strange so yeah I

413  
00:27:25,649 --> 00:27:22,389

started to feel a little strange she's

414

00:27:29,129 --> 00:27:25,659

working on my aura then she tells me

415

00:27:32,099 --> 00:27:29,139

that she was working on my chakras

416

00:27:34,919 --> 00:27:32,109

aligning my chakras which is again

417

00:27:37,109 --> 00:27:34,929

something that I I can't prove or

418

00:27:40,349 --> 00:27:37,119

disprove that she's working on my

419

00:27:42,810 --> 00:27:40,359

chakras but what she was doing saying

420

00:27:44,639 --> 00:27:42,820

this she said it's gonna take a little

421

00:27:47,819 --> 00:27:44,649

more work you're very out of alignment

422

00:27:51,709 --> 00:27:47,829

your chakras are very skewed and out of

423

00:27:54,899 --> 00:27:51,719

a line I started feeling like a

424

00:27:57,930 --> 00:27:54,909

tenseness in my back and shoulders and

425

00:28:02,909 --> 00:27:57,940

then in other parts of my body and again

426

00:28:04,469 --> 00:28:02,919

I did not let on because I was concerned

427

00:28:08,519 --> 00:28:04,479

that she was cold reading and if

428

00:28:10,619 --> 00:28:08,529

somebody is cold reading they'll say do

429

00:28:13,469 --> 00:28:10,629

you feel that do you feel that sensation

430

00:28:15,269 --> 00:28:13,479

and if you say yes that then they go

431

00:28:19,049 --> 00:28:15,279

yeah yeah that's me doing that or you

432

00:28:25,109 --> 00:28:19,059

know I was kind of straight faced during

433

00:28:32,219 --> 00:28:25,119

this situation and then that's when

434

00:28:34,560 --> 00:28:32,229

things got crazier and crazier I'm gonna

435

00:28:40,889 --> 00:28:34,570

just pop up some of these latest

436

00:28:44,279 --> 00:28:40,899

comments from the live chat oh no don't

437

00:28:46,289 --> 00:28:44,289

you BG's mentioned Jason quit I don't

438

00:28:48,810 --> 00:28:46,299

have as much against Jason quit as some

439

00:28:56,509 --> 00:28:48,820

people but and he gets far too much

440

00:29:03,079 --> 00:28:59,999

super V fun Kat she's a natural

441

00:29:06,269 --> 00:29:03,089

hypnotist or part alien

442

00:29:09,950 --> 00:29:06,279

well that may have something to do with

443

00:29:20,330 --> 00:29:17,230

and let's see I kind of missed the joke

444

00:29:22,639 --> 00:29:20,340

okay so back to this reading that she's

445

00:29:27,080 --> 00:29:22,649

giving me now remember I've looked into

446

00:29:29,960 --> 00:29:27,090

hundreds of psychics i I've never had a

447

00:29:33,230 --> 00:29:29,970

physical sensation like I started to

448

00:29:38,239 --> 00:29:33,240

have while she was supposedly working on

449

00:29:40,909 --> 00:29:38,249

my aura working on my chakras then she

450

00:29:45,889 --> 00:29:40,919

said I'm going to begin to work on your

451  
00:29:48,109 --> 00:29:45,899  
organs because your organs like as I

452  
00:29:51,200 --> 00:29:48,119  
recall she started rattling off numbers

453  
00:29:55,249 --> 00:29:51,210  
to me like your liver is at 40 percent

454  
00:29:57,320 --> 00:29:55,259  
of its of its norm what the health that

455  
00:30:00,289 --> 00:29:57,330  
it should be at which makes sense cuz I

456  
00:30:02,359 --> 00:30:00,299  
probably drank a little too much beer so

457  
00:30:04,460 --> 00:30:02,369  
I thought when I kind of agreed yeah I

458  
00:30:06,769 --> 00:30:04,470  
probably liver function is probably

459  
00:30:09,499 --> 00:30:06,779  
terrible and then she started talking

460  
00:30:13,279 --> 00:30:09,509  
about my heart function my mind you know

461  
00:30:17,119 --> 00:30:13,289  
my brain as I recall she said something

462  
00:30:21,470 --> 00:30:17,129  
about my brain which floored me

463  
00:30:25,580 --> 00:30:21,480

because I have a survivor of a brain

464

00:30:27,739 --> 00:30:25,590

aneurysm and she said something about my

465

00:30:31,249 --> 00:30:27,749

brain that you had a problem with your

466

00:30:32,989 --> 00:30:31,259

brain or something like that and I was

467

00:30:35,960 --> 00:30:32,999

floored at that moment and didn't know

468

00:30:38,090 --> 00:30:35,970

what to say but again I didn't give her

469

00:30:40,009 --> 00:30:38,100

a positive response I was very careful

470

00:30:41,989 --> 00:30:40,019

not to give her positive responses in

471

00:30:45,649 --> 00:30:41,999

case she was cold reading me

472

00:30:49,389 --> 00:30:45,659

I don't know how she would know that so

473

00:30:52,759 --> 00:30:49,399

I started to get creeped out right away

474

00:30:54,560 --> 00:30:52,769

with the possibility because I was

475

00:30:56,539 --> 00:30:54,570

having these physical sensations in my

476

00:30:59,359 --> 00:30:56,549

body you know

477

00:31:02,299 --> 00:30:59,369

and then after she started rattling off

478

00:31:04,369 --> 00:31:02,309

these numbers like your your lung

479

00:31:07,970 --> 00:31:04,379

function is bad too

480

00:31:10,730 --> 00:31:07,980

you know yeah I smoked and I drank so my

481

00:31:12,440 --> 00:31:10,740

lungs and my liver probably a mess and

482

00:31:14,749 --> 00:31:12,450

she said I'm gonna go in and start

483

00:31:18,200 --> 00:31:14,759

working on that to clear those pathways

484

00:31:20,269 --> 00:31:18,210

to improve your organs now gonna and

485

00:31:22,849 --> 00:31:20,279

then she said I'm gonna work on your

486

00:31:23,810 --> 00:31:22,859

heart you're going to begin to feel a

487

00:31:26,539 --> 00:31:23,820

sensation

488

00:31:28,669 --> 00:31:26,549

in your chest and then she kept saying

489

00:31:31,700 --> 00:31:28,679

do you feel that do you feel that and

490

00:31:34,849 --> 00:31:31,710

I'm like I don't think so I don't think

491

00:31:39,019 --> 00:31:34,859

so I don't think so and then out of

492

00:31:41,719 --> 00:31:39,029

nowhere I got this it wasn't a pain it

493

00:31:47,509 --> 00:31:41,729

was like a warm sensation right in the

494

00:31:50,149 --> 00:31:47,519

top of my chest and I was taken aback

495

00:31:51,979 --> 00:31:50,159

because this is another physical

496

00:31:54,799 --> 00:31:51,989

sensation that she's telling me that I'm

497

00:32:01,729 --> 00:31:54,809

gonna have that I truly started having

498

00:32:04,070 --> 00:32:01,739

so I you know then I sort of got the

499

00:32:05,899 --> 00:32:04,080

urge to start making notes but she kept

500

00:32:08,269 --> 00:32:05,909

telling me to be still and I didn't want

501  
00:32:11,659 --> 00:32:08,279  
to do that so I just tried to intensely

502  
00:32:13,460 --> 00:32:11,669  
remember the sequence of events here the

503  
00:32:15,409 --> 00:32:13,470  
best that I can I'm making notes in my

504  
00:32:18,080 --> 00:32:15,419  
mind but then I started getting some

505  
00:32:21,049 --> 00:32:18,090  
anxiety because I felt this heat getting

506  
00:32:23,989 --> 00:32:21,059  
hotter in my chest while she said that

507  
00:32:25,070 --> 00:32:23,999  
she's working on my heart and then one

508  
00:32:27,830 --> 00:32:25,080  
of the things she said to me in a

509  
00:32:30,589 --> 00:32:27,840  
message before this reading began on the

510  
00:32:32,599 --> 00:32:30,599  
phone was that she could make my heart

511  
00:32:35,930 --> 00:32:32,609  
go faster or slower

512  
00:32:39,019 --> 00:32:35,940  
I forgot that she had said that and then

513  
00:32:40,639 --> 00:32:39,029

she said after the warm sensation and

514

00:32:41,960 --> 00:32:40,649

she told me she was working on my heart

515

00:32:45,649 --> 00:32:41,970

she said you're going to begin to feel

516

00:32:49,190 --> 00:32:45,659

your heart your heartbeat and pulse are

517

00:32:51,649 --> 00:32:49,200

going to get faster do you feel that and

518

00:32:55,099 --> 00:32:51,659

at first and no I don't feel anything

519

00:32:57,409 --> 00:32:55,109

and I put my head on my heart and I

520

00:32:59,599 --> 00:32:57,419

could feel a steady sort of resting

521

00:33:02,029 --> 00:32:59,609

rhythm of a heart nothing seemed out of

522

00:33:04,940 --> 00:33:02,039

the ordinary and then she said give me a

523

00:33:06,469 --> 00:33:04,950

moment okay you're gonna start feeling

524

00:33:08,570 --> 00:33:06,479

it in a moment you're gonna start

525

00:33:12,080 --> 00:33:08,580

feeling your heart will begin to race

526

00:33:14,539 --> 00:33:12,090

you're gonna feel it and I'm thinking no

527

00:33:17,149 --> 00:33:14,549

way no way is she gonna make my heart

528

00:33:20,060 --> 00:33:17,159

beat faster and again and I started

529

00:33:22,729 --> 00:33:20,070

feeling this anxiety most of the anxiety

530

00:33:26,210 --> 00:33:22,739

was centered around what if I finally

531

00:33:27,799 --> 00:33:26,220

found a real psychic here that can

532

00:33:32,419 --> 00:33:27,809

actually do something that's measurable

533

00:33:36,330 --> 00:33:32,429

and just at that moment I have my Artem

534

00:33:39,780 --> 00:33:36,340

I have my hand on my heart and it

535

00:33:43,200 --> 00:33:39,790

was not totally subtle but it wasn't

536

00:33:46,080 --> 00:33:43,210

like my heart rate did not double but it

537

00:33:48,090 --> 00:33:46,090

increased dramatically and she said

538

00:33:52,740 --> 00:33:48,100

they're there now you'll feel it right

539

00:33:54,990 --> 00:33:52,750

when I started nothing like I could feel

540

00:33:59,580 --> 00:33:55,000

it in my hand that my heart was starting

541

00:34:02,760 --> 00:33:59,590

to beat faster so now I got totally

542

00:34:05,790 --> 00:34:02,770

freaked because I thought this is a

543

00:34:08,480 --> 00:34:05,800

physical effect and she's telling me

544

00:34:13,280 --> 00:34:08,490

she's gonna make my heart go faster and

545

00:34:16,440 --> 00:34:13,290

God is my witness it did my heartbeat

546

00:34:19,320 --> 00:34:16,450

jumped up and she said it'll begin to

547

00:34:21,810 --> 00:34:19,330

slow down relax you'll be fine don't be

548

00:34:23,490 --> 00:34:21,820

afraid I'm working the energies of your

549

00:34:27,240 --> 00:34:23,500

heart out or something like that

550

00:34:29,520 --> 00:34:27,250

and I'm floored I was floored at this

551  
00:34:32,460 --> 00:34:29,530  
point because I've seen a hundred

552  
00:34:35,040 --> 00:34:32,470  
psychics all of them used magic tricks

553  
00:34:36,860 --> 00:34:35,050  
all of them used cold reading techniques

554  
00:34:39,540 --> 00:34:36,870  
that's another point I'd like to make

555  
00:34:42,380 --> 00:34:39,550  
I'm very familiar with cold reading

556  
00:34:45,660 --> 00:34:42,390  
techniques and cold reading techniques

557  
00:34:47,730 --> 00:34:45,670  
are generalizations and they throw out a

558  
00:34:49,530 --> 00:34:47,740  
lot of stuff and they wait to see what

559  
00:34:53,040 --> 00:34:49,540  
you respond to and then they grab that

560  
00:34:56,400 --> 00:34:53,050  
hit and they run with it see yeah yeah

561  
00:34:58,650 --> 00:34:56,410  
you do have you know problems with your

562  
00:35:01,140 --> 00:34:58,660  
feet or nonsense

563  
00:35:04,950 --> 00:35:01,150

these cold readers use she didn't throw

564

00:35:08,640 --> 00:35:04,960

out lots of stuff or generalizations it

565

00:35:11,130 --> 00:35:08,650

was all very specific like her telling

566

00:35:16,020 --> 00:35:11,140

me you're gonna feel your heart go

567

00:35:18,300 --> 00:35:16,030

faster and it did I have looked for

568

00:35:21,450 --> 00:35:18,310

somebody that had measurable psychic

569

00:35:23,420 --> 00:35:21,460

ability for decades never found one

570

00:35:29,960 --> 00:35:23,430

person that could come anywhere near

571

00:35:35,250 --> 00:35:29,970

what she was doing at this moment I got

572

00:35:37,950 --> 00:35:35,260

excited I can't lie I was like my god

573

00:35:41,450 --> 00:35:37,960

can she really do this thing that she

574

00:35:45,600 --> 00:35:41,460

said that she would do and she did it

575

00:35:47,190 --> 00:35:45,610

then things got a little stranger she

576  
00:35:49,010 --> 00:35:47,200  
started saying that she was gonna work

577  
00:35:52,090 --> 00:35:49,020  
on my DNA

578  
00:35:59,620 --> 00:35:52,100  
that I had errors we all have errors

579  
00:36:02,330 --> 00:35:59,630  
anomalies were problems in our DNA and

580  
00:36:04,010 --> 00:36:02,340  
Dan Hogan we have a comment up on the

581  
00:36:05,600 --> 00:36:04,020  
screen have you ever said anything in

582  
00:36:07,400 --> 00:36:05,610  
your other shows about having a brain

583  
00:36:11,840 --> 00:36:07,410  
aneurysm yes I did

584  
00:36:13,610 --> 00:36:11,850  
so you know the possibility on some of

585  
00:36:17,650 --> 00:36:13,620  
her heads there's two possibilities with

586  
00:36:20,240 --> 00:36:17,660  
psychics one of them is cold reading

587  
00:36:22,640 --> 00:36:20,250  
most of them use cold reading but some

588  
00:36:26,750 --> 00:36:22,650

of them use research and it's called

589

00:36:29,480 --> 00:36:26,760

pre-show work they will go to the ends

590

00:36:32,120 --> 00:36:29,490

of the earth to find information about a

591

00:36:33,560 --> 00:36:32,130

subject for all I know she could have

592

00:36:36,080 --> 00:36:33,570

listened to every one of my shows

593

00:36:38,180 --> 00:36:36,090

picking out pieces of information but I

594

00:36:42,650 --> 00:36:38,190

don't have evidence to support that but

595

00:36:51,640 --> 00:36:42,660

it's definitely a possibility that she

596

00:36:53,150 --> 00:36:51,650

could have done that that's scary I

597

00:36:56,990 --> 00:36:53,160

didn't

598

00:36:57,620 --> 00:36:57,000

Oh Ellen Fox that's an excellent

599

00:37:00,290 --> 00:36:57,630

question

600

00:37:02,300 --> 00:37:00,300

did she heal your eyes situation a lot

601  
00:37:05,540 --> 00:37:02,310  
of people know because of a brain

602  
00:37:08,060 --> 00:37:05,550  
aneurysm I have one paralyzed eye it's

603  
00:37:09,980 --> 00:37:08,070  
called third nerve palsy and just for

604  
00:37:11,720 --> 00:37:09,990  
the benefit of anybody watching that's

605  
00:37:13,760 --> 00:37:11,730  
always wondering why does this guy wear

606  
00:37:16,580 --> 00:37:13,770  
sunglasses constantly it's because I

607  
00:37:19,880 --> 00:37:16,590  
have a what most people would call lazy

608  
00:37:22,390 --> 00:37:19,890  
eye and it's it's a chronic condition

609  
00:37:25,400 --> 00:37:22,400  
it's never gonna come back

610  
00:37:29,440 --> 00:37:25,410  
Ellen I did not think to ask her to heal

611  
00:37:34,390 --> 00:37:29,450  
that maybe I could if I talked to her

612  
00:37:36,260 --> 00:37:34,400  
but most of her claims of healing me I

613  
00:37:39,680 --> 00:37:36,270

don't know does she

614

00:37:42,650 --> 00:37:39,690

did she really repair my aura did she

615

00:37:44,750 --> 00:37:42,660

align my chakras and the most troubling

616

00:37:46,610 --> 00:37:44,760

claim that she makes that I have a

617

00:37:52,040 --> 00:37:46,620

problem with is that she repairs

618

00:37:54,560 --> 00:37:52,050

people's damaged DNA because again you

619

00:37:56,570 --> 00:37:54,570

know it's not like we looked at my DNA

620

00:37:59,750 --> 00:37:56,580

under a microscope before this session

621

00:38:02,779 --> 00:37:59,760

and found flaws errors anomalies or

622

00:38:05,449 --> 00:38:02,789

damage and then looked at my DNA

623

00:38:08,719 --> 00:38:05,459

a sample after the session and found

624

00:38:10,519 --> 00:38:08,729

that she had repaired it and to me that

625

00:38:15,319 --> 00:38:10,529

would be proof that she actually

626

00:38:17,539 --> 00:38:15,329

repaired my DNA the problem that I have

627

00:38:20,359 --> 00:38:17,549

with psychics especially psychics or

628

00:38:23,839 --> 00:38:20,369

mediums or anybody that charges people

629

00:38:26,719 --> 00:38:23,849

money is that they're pretending and the

630

00:38:31,339 --> 00:38:26,729

example I always uses this if I were to

631

00:38:34,009 --> 00:38:31,349

for example tell you I will cut your

632

00:38:36,289 --> 00:38:34,019

grass for \$50.00 and then I took your

633

00:38:38,390 --> 00:38:36,299

\$50 and I just walked out in your front

634

00:38:42,439 --> 00:38:38,400

lawn and pretended to cut the grass and

635

00:38:44,900 --> 00:38:42,449

kept your \$50 that would be a crime that

636

00:38:46,969 --> 00:38:44,910

would be theft you know it would be

637

00:38:49,669 --> 00:38:46,979

immoral unethical and probably illegal

638

00:38:52,309 --> 00:38:49,679

to take money for a service and then

639

00:38:54,289 --> 00:38:52,319

just pretend with no proof that you

640

00:38:55,759 --> 00:38:54,299

actually issued the service this is why

641

00:38:58,549 --> 00:38:55,769

I have a problem psychics this way I

642

00:38:59,390 --> 00:38:58,559

promise mediums and even a lot of these

643

00:39:02,839 --> 00:38:59,400

so-called

644

00:39:06,589 --> 00:39:02,849

Lightworker healers or quantumness and

645

00:39:10,909 --> 00:39:06,599

you know crystal healers I am not real

646

00:39:12,739 --> 00:39:10,919

big on Reiki either you know I have a

647

00:39:14,419 --> 00:39:12,749

problem with anybody taking money for

648

00:39:16,539 --> 00:39:14,429

something that they can't prove that

649

00:39:19,849 --> 00:39:16,549

they actually provided the service so

650

00:39:21,499 --> 00:39:19,859

the DNA issue is a big issue for me I

651  
00:39:24,439 --> 00:39:21,509  
have not talked to her about this yet

652  
00:39:27,140 --> 00:39:24,449  
now I wanted to do this show because

653  
00:39:29,209 --> 00:39:27,150  
there was too much to unpack here and

654  
00:39:32,839 --> 00:39:29,219  
jam it all in one show along with the

655  
00:39:34,429 --> 00:39:32,849  
interview of her so tonight I just

656  
00:39:37,339 --> 00:39:34,439  
wanted to talk about this experience

657  
00:39:41,809 --> 00:39:37,349  
that I had with her and I'd also like to

658  
00:39:45,849 --> 00:39:41,819  
continue because there was one more

659  
00:39:48,709 --> 00:39:45,859  
physical effect she said that she was

660  
00:39:51,079 --> 00:39:48,719  
repairing or upgrading my DNA

661  
00:39:53,839 --> 00:39:51,089  
and that I would begin to feel tingling

662  
00:39:56,419 --> 00:39:53,849  
in different areas of my body now I

663  
00:39:58,279 --> 00:39:56,429

didn't feel tingling and she kept saying

664

00:40:00,529 --> 00:39:58,289

something like do you feel that tingling

665

00:40:03,589 --> 00:40:00,539

do you feel that sensation it's like a

666

00:40:05,749 --> 00:40:03,599

shiver do you feel that and I said no no

667

00:40:08,179 --> 00:40:05,759

no and then all of a sudden you know

668

00:40:11,179 --> 00:40:08,189

like when you get that shiver all of a

669

00:40:15,229 --> 00:40:11,189

sudden I got that shiver and again I was

670

00:40:16,520 --> 00:40:15,239

floored because I spent years doing

671

00:40:19,160 --> 00:40:16,530

stage magic

672

00:40:22,400 --> 00:40:19,170

shows if I could do those two tricks

673

00:40:24,890 --> 00:40:22,410

making somebody's heart beat faster on

674

00:40:25,790 --> 00:40:24,900

command and giving them a shiver on

675

00:40:28,400 --> 00:40:25,800

command

676

00:40:30,230 --> 00:40:28,410

that would be some magicians ask any

677

00:40:33,080 --> 00:40:30,240

magician if they could figure out how to

678

00:40:35,480 --> 00:40:33,090

do that that would be an amazing effect

679

00:40:39,190 --> 00:40:35,490

it would be jaw-dropping to an audience

680

00:40:44,180 --> 00:40:39,200

if you could do that so I was very

681

00:40:46,820 --> 00:40:44,190

excited and impressed at first but I

682

00:40:49,100 --> 00:40:46,830

have to say that one the actual value of

683

00:40:53,750 --> 00:40:49,110

the whatever she was supposed to be

684

00:40:56,210 --> 00:40:53,760

working on on me and uh I didn't I don't

685

00:40:59,360 --> 00:40:56,220

know that there was value do I feel like

686

00:41:02,840 --> 00:40:59,370

all my past traumas are healed and gone

687

00:41:06,410 --> 00:41:02,850

no but I will say that I I felt great

688

00:41:09,980 --> 00:41:06,420

today I also had strange vivid dreams

689

00:41:12,140 --> 00:41:09,990

and she said that I would and that's

690

00:41:15,530 --> 00:41:12,150

another part of this experience and she

691

00:41:21,980 --> 00:41:15,540

was in the dreams in a strange sort of

692

00:41:25,340 --> 00:41:21,990

way sort of vivid weird diamond Atlantis

693

00:41:29,050 --> 00:41:25,350

I'm in Egypt and she's there like

694

00:41:32,270 --> 00:41:29,060

showing me a pyramid it was bizarre Oh

695

00:41:34,940 --> 00:41:32,280

bizarre dreams but I woke up this

696

00:41:38,030 --> 00:41:34,950

morning feeling better than I have in a

697

00:41:44,210 --> 00:41:38,040

long time so was there a benefit to this

698

00:41:47,660 --> 00:41:44,220

stuff I have no idea and we're gonna go

699

00:41:54,610 --> 00:41:47,670

back to we're gonna go back to comments

700

00:42:06,170 --> 00:41:58,070

William Pixie I am not doubting your

701

00:42:12,820 --> 00:42:09,710

I wasn't charged anyone a dime for any

702

00:42:17,900 --> 00:42:12,830

tarot reading or anything else either

703

00:42:21,170 --> 00:42:17,910

yeah ream see I I don't know not really

704

00:42:24,530 --> 00:42:21,180

in the Tarot I was at one point but I

705

00:42:26,990 --> 00:42:24,540

never charged people money but I did do

706

00:42:29,450 --> 00:42:27,000

I did this mentalism show and that was

707

00:42:31,220 --> 00:42:29,460

kind of like for quite honestly it was

708

00:42:33,830 --> 00:42:31,230

for housewives and had too much money

709

00:42:35,510 --> 00:42:33,840

and I would go to house parties or

710

00:42:37,340 --> 00:42:35,520

cocktail parties and do sort of like a

711

00:42:39,680 --> 00:42:37,350

stand-up show for an hour and then

712

00:42:42,320 --> 00:42:39,690

afterwards I could never figure out how

713

00:42:44,570 --> 00:42:42,330

to read tarot cards without a book next

714

00:42:47,390 --> 00:42:44,580

to me and you can't do that for money so

715

00:42:54,200 --> 00:42:47,400

I use these fortune card things that

716

00:42:56,120 --> 00:42:54,210

were very very inexpensive Peter Wilco

717

00:42:57,890 --> 00:42:56,130

well thanks for joining us Peter and

718

00:43:03,230 --> 00:42:57,900

we'll see you again soon you have a good

719

00:43:05,150 --> 00:43:03,240

night when meal miracles are here Ellen

720

00:43:08,480 --> 00:43:05,160

Fox says when miracles are here they

721

00:43:11,390 --> 00:43:08,490

will be free yes so the takeaway from

722

00:43:13,970 --> 00:43:11,400

this her working on my chakras and

723

00:43:18,890 --> 00:43:13,980

healing me of past trauma is that I

724

00:43:22,520 --> 00:43:18,900

don't I didn't find so far I'd M

725

00:43:26,150 --> 00:43:22,530

unconvinced but I felt great this

726

00:43:29,510 --> 00:43:26,160

morning when I woke up and we all have

727

00:43:32,450 --> 00:43:29,520

trauma did she get all my past trauma no

728

00:43:36,170 --> 00:43:32,460

but I had a very positive attitude today

729

00:43:42,110 --> 00:43:36,180

and realized on the drive to the cabin

730

00:43:46,490 --> 00:43:42,120

here that I didn't think about any past

731

00:43:54,500 --> 00:43:46,500

trauma or pain or anxiety today as much

732

00:43:56,210 --> 00:43:54,510

as I probably usually do and William

733

00:43:58,790 --> 00:43:56,220

Pixley I don't doubt you receive because

734

00:44:06,749 --> 00:43:58,800

you are wise enough to know about John

735

00:44:12,480 --> 00:44:09,220

dan hogan i go to see a medium but i'm

736

00:44:15,720 --> 00:44:12,490

not paying any more than 40 or 50 bucks

737

00:44:18,039 --> 00:44:15,730

Miss Sarah Adams is significantly more

738

00:44:22,509 --> 00:44:18,049

significantly significantly more

739

00:44:25,630 --> 00:44:22,519

expensive than 40 or 50 dollars and I

740

00:44:27,970 --> 00:44:25,640

don't want to miss I don't want to say a

741

00:44:30,099 --> 00:44:27,980

number that's wrong so I will ask her

742

00:44:35,859 --> 00:44:30,109

what she charges clients when we do the

743

00:44:41,440 --> 00:44:35,869

actual interview and like Carol Mike

744

00:44:50,739 --> 00:44:41,450

Carol you may highly be susceptible to

745

00:44:52,569 --> 00:44:50,749

hypnosis ream see I actually believe in

746

00:44:55,299 --> 00:44:52,579

and work with chakras but I wouldn't

747

00:44:57,579 --> 00:44:55,309

expect anyone else to believe it it's

748

00:44:59,710 --> 00:44:57,589

more of a matter of faith not something

749

00:45:04,299 --> 00:44:59,720

that can be proven you know I got that

750

00:45:07,299 --> 00:45:04,309

sense from her as well it's like do I

751

00:45:10,720 --> 00:45:07,309

blame her though for for selling this

752

00:45:12,789 --> 00:45:10,730

service no because every spiritual

753

00:45:17,249 --> 00:45:12,799

organization is selling services whether

754

00:45:21,099 --> 00:45:17,259

you're Catholic Jewish Muslim Hindi

755

00:45:25,299 --> 00:45:21,109

Buddhist there's always you know give a

756

00:45:28,989 --> 00:45:25,309

few bucks and you know like the Catholic

757

00:45:32,499 --> 00:45:28,999

I grew up Catholic and their their

758

00:45:34,299 --> 00:45:32,509

rituals like for example there's it used

759

00:45:35,650 --> 00:45:34,309

to be called little ass rights but now

760

00:45:37,569 --> 00:45:35,660

it's called anointing of the sick

761

00:45:40,359 --> 00:45:37,579

because we have to change the words to

762

00:45:41,920 --> 00:45:40,369

make everything you know more pleasant

763

00:45:44,650 --> 00:45:41,930

sounding I don't know anointing of the

764

00:45:46,749 --> 00:45:44,660

sick and the last rites whatever but in

765

00:45:47,910 --> 00:45:46,759

the Catholic ritual of anointing of the

766

00:45:51,069 --> 00:45:47,920

sick or last rites

767

00:45:53,529 --> 00:45:51,079

you're basically as short a place in

768

00:45:56,349 --> 00:45:53,539

heaven if the priest gets to you before

769

00:45:58,630 --> 00:45:56,359

you die and administers the last rites

770

00:46:01,539 --> 00:45:58,640

because he part of that is he'll take

771

00:46:03,940 --> 00:46:01,549

your confession and then he blesses you

772

00:46:06,670 --> 00:46:03,950

on your merry way and anoint you with

773

00:46:09,039 --> 00:46:06,680

oil and the Catholic belief is that if

774

00:46:10,720 --> 00:46:09,049

you just get last rites it doesn't

775

00:46:12,700 --> 00:46:10,730

matter what you know it's almost

776

00:46:15,249 --> 00:46:12,710

ridiculous like you could be a murderer

777

00:46:17,829 --> 00:46:15,259

but if you get last rites you're still

778

00:46:18,560 --> 00:46:17,839

going to heaven you know doesn't make

779

00:46:21,860 --> 00:46:18,570

any sense

780

00:46:23,720 --> 00:46:21,870

but Catholics pay you pay the priest

781

00:46:26,720 --> 00:46:23,730

well my father was dying in the hospital

782

00:46:28,970 --> 00:46:26,730

we had to have some money there to give

783

00:46:31,550 --> 00:46:28,980

to the priest to do this last rites

784

00:46:32,960 --> 00:46:31,560

thing but my father was very Catholic

785

00:46:35,030 --> 00:46:32,970

and he would have wanted that so we just

786

00:46:35,570 --> 00:46:35,040

pay the money and do I know that for

787

00:46:36,920 --> 00:46:35,580

sure

788

00:46:39,890 --> 00:46:36,930

well we got him the last rites he's

789

00:46:42,860 --> 00:46:39,900

going to heaven no I have to you have to

790

00:46:45,260 --> 00:46:42,870

go on faith with Catholics to say okay

791

00:46:46,850 --> 00:46:45,270

he might you know he guess he's going to

792

00:46:49,130 --> 00:46:46,860

heaven because we paid the hundred bucks

793

00:46:55,220 --> 00:46:49,140

to the church and we got him the last

794

00:46:57,830 --> 00:46:55,230

rites jasmine emmerich who's very wise

795

00:46:58,940 --> 00:46:57,840

about some of this stuff she says she

796

00:47:00,740 --> 00:46:58,950

wouldn't be able to sell it if there

797

00:47:02,900 --> 00:47:00,750

were no buyers I'm not trying to shift

798

00:47:06,250 --> 00:47:02,910

blame but the charlatan cannot sell

799

00:47:09,460 --> 00:47:06,260

their snake oil if there are no buyers

800

00:47:12,880 --> 00:47:09,470

short form of a longer conversation I

801  
00:47:16,850 --> 00:47:12,890  
agree with you absolutely

802  
00:47:19,370 --> 00:47:16,860  
and just to be fair to her no you know

803  
00:47:21,080 --> 00:47:19,380  
I'm not saying that she's a charlatan or

804  
00:47:21,860 --> 00:47:21,090  
a snake oil sales person that's yet to

805  
00:47:25,010 --> 00:47:21,870  
be determined

806  
00:47:37,090 --> 00:47:25,020  
I you know let's get back to the

807  
00:47:48,350 --> 00:47:42,860  
hello this is Stephen yeah who's this

808  
00:47:50,360 --> 00:47:48,360  
Oh Eric listen let me pull you in right

809  
00:47:52,460 --> 00:47:50,370  
now but I got to finish a point and then

810  
00:47:57,680 --> 00:47:52,470  
we'll get right to you okay all right

811  
00:48:00,110 --> 00:47:57,690  
hold on all right we didn't even open

812  
00:48:04,880 --> 00:48:00,120  
the phone lines up but I gave the number

813  
00:48:08,450 --> 00:48:04,890

out earlier because I wanted to have

814

00:48:10,550 --> 00:48:08,460

another perspective here of somebody who

815

00:48:12,770 --> 00:48:10,560

has had encounters with her and that

816

00:48:15,170 --> 00:48:12,780

would be Eric The Awakening man one of

817

00:48:18,080 --> 00:48:15,180

the things that she told me was that she

818

00:48:20,750 --> 00:48:18,090

can summon spaceships and even Eric the

819

00:48:23,510 --> 00:48:20,760

awakening man saw them and I said I know

820

00:48:26,240 --> 00:48:23,520

him on Twitter I got to talk to him you

821

00:48:29,320 --> 00:48:26,250

know find out so we're gonna get to Eric

822

00:48:33,099 --> 00:48:29,330

in a moment he's here on the phone but

823

00:48:37,609 --> 00:48:33,109

to finish my point so

824

00:48:39,200 --> 00:48:37,619

there was there was these physical

825

00:48:41,960 --> 00:48:39,210

sensations that I was having and I

826

00:48:44,240 --> 00:48:41,970

couldn't I cannot I could not explain at

827

00:48:46,910 --> 00:48:44,250

the time then she got into a lot of

828

00:48:50,330 --> 00:48:46,920

different stuff about my son who happens

829

00:48:53,900 --> 00:48:50,340

to be autistic she told me things that

830

00:48:56,180 --> 00:48:53,910

were spot-on dead-on with my son that he

831

00:48:59,120 --> 00:48:56,190

runs around giggling a lot that he runs

832

00:49:00,890 --> 00:48:59,130

around screaming a lot but that later

833

00:49:03,560 --> 00:49:00,900

when I thought about it all autistic

834

00:49:05,660 --> 00:49:03,570

children do that anybody familiar with

835

00:49:07,310 --> 00:49:05,670

autistic children knows that they just

836

00:49:09,770 --> 00:49:07,320

they'll just they'll walk up behind you

837

00:49:12,560 --> 00:49:09,780

just scream for no reason you know

838

00:49:14,720 --> 00:49:12,570

especially the nonverbal ones and I

839

00:49:16,490 --> 00:49:14,730

don't know I said hey every kid runs

840

00:49:18,200 --> 00:49:16,500

around giggling sometimes don't they and

841

00:49:19,880 --> 00:49:18,210

she said no but yours does it a lot a

842

00:49:22,130 --> 00:49:19,890

lot more than most children and she's

843

00:49:24,109 --> 00:49:22,140

right my wife and I call it the giggles

844

00:49:26,030 --> 00:49:24,119

so there's something else that she told

845

00:49:27,740 --> 00:49:26,040

me and I just want to make one more

846

00:49:30,410 --> 00:49:27,750

point about my son she told me that his

847

00:49:32,990 --> 00:49:30,420

favorite color is blue and he's

848

00:49:35,000 --> 00:49:33,000

nonverbal autistic if I ask him what's

849

00:49:36,980 --> 00:49:35,010

your favorite color he can't tell me if

850

00:49:38,329 --> 00:49:36,990

I put a bunch of crayons in front of him

851

00:49:40,280 --> 00:49:38,339

and say pick your favorite color

852

00:49:42,230 --> 00:49:40,290

he doesn't consistently pick the same

853

00:49:44,510 --> 00:49:42,240

color so I don't know if she's right

854

00:49:49,640 --> 00:49:44,520

about that but let's get to Eric the

855

00:49:52,070 --> 00:49:49,650

awakening man Eric are you there yes I

856

00:49:55,790 --> 00:49:52,080

can so we talked a little bit on Twitter

857

00:50:01,010 --> 00:49:55,800

she said that you were somewhere near by

858

00:50:03,079 --> 00:50:01,020

her and she summons spaceships and you

859

00:50:15,620 --> 00:50:03,089

saw them so can you tell us what

860

00:50:16,940 --> 00:50:15,630

happened with that now yeah I mean three

861

00:50:19,070 --> 00:50:16,950

or four minutes is good to tell the

862

00:50:20,900 --> 00:50:19,080

story so she summons or let's take it

863

00:50:22,760 --> 00:50:20,910

from here she tells you that she's going

864

00:50:30,200 --> 00:50:22,770

to summon spaceships right and you're

865

00:50:33,730 --> 00:50:30,210

there okay you know I'm a researcher and

866

00:50:36,560 --> 00:50:33,740

I try to keep a neutral mind on

867

00:50:38,120 --> 00:50:36,570

everything until like I'm like you in a

868

00:50:40,030 --> 00:50:38,130

lot of ways I'm you know I was def

869

00:50:43,130 --> 00:50:40,040

technical because I've seen enough now

870

00:50:45,829 --> 00:50:43,140

mess up people to have an intuition

871

00:50:48,289 --> 00:50:45,839

about if I'm feeling their vibe

872

00:50:50,660 --> 00:50:48,299

maybe this is legit like for example

873

00:50:53,209 --> 00:50:50,670

Cory did I never ever felt that guys by

874

00:50:55,549 --> 00:50:53,219

the beginning but anyways let me drop

875

00:50:57,499 --> 00:50:55,559

that real quick so what happened was

876

00:50:59,380 --> 00:50:57,509

I've been talking to this guy

877

00:51:02,059 --> 00:50:59,390

Harry Drew who lives in Kingman Arizona

878

00:51:05,599 --> 00:51:02,069

and he wrote the book seven days in

879

00:51:08,959 --> 00:51:05,609

wingman about the three two crashes and

880

00:51:10,699 --> 00:51:08,969

a landing in Kingman Arizona off of

881

00:51:13,670 --> 00:51:10,709

Stockton Road in the in the Red Lake

882

00:51:16,219 --> 00:51:13,680

area so I met him at the conference in

883

00:51:17,870 --> 00:51:16,229

Laughlin I've been talking to him he was

884

00:51:19,699 --> 00:51:17,880

a hard guy to get spot news but you know

885

00:51:21,319 --> 00:51:19,709

how it is sometimes you try to you know

886

00:51:22,880 --> 00:51:21,329

have conversations with these people you

887

00:51:24,410 --> 00:51:22,890

want you're interested in and there's

888

00:51:26,749 --> 00:51:24,420

some times there Larry or they're in

889

00:51:28,309 --> 00:51:26,759

their closets and this guy he was not

890

00:51:30,259 --> 00:51:28,319

willing initially they're really just

891

00:51:32,929 --> 00:51:30,269

open up so I had to meet him in person

892

00:51:35,420 --> 00:51:32,939

and you know get into hope you know I'm

893

00:51:37,009 --> 00:51:35,430

a sincere person so he picked up a

894

00:51:40,640 --> 00:51:37,019

little bit we started trust me so he

895

00:51:42,890 --> 00:51:40,650

opened up but anyway so I said you know

896

00:51:44,239 --> 00:51:42,900

at one point I said so are there UFO's

897

00:51:45,829 --> 00:51:44,249

still flying around out there at

898

00:51:47,660 --> 00:51:45,839

Keeneland because he has a ranch out

899

00:51:49,489 --> 00:51:47,670

there off of old Stockton Road which is

900

00:51:51,589 --> 00:51:49,499

about a 40 mile road that goes through

901  
00:51:55,009 --> 00:51:51,599  
the desert from Kingman towards the

902  
00:51:57,410 --> 00:51:55,019  
general direction of the bat and he says

903  
00:51:59,989 --> 00:51:57,420  
yes he does and you know so on and so

904  
00:52:01,849 --> 00:51:59,999  
forth so I said well where do I go to

905  
00:52:04,729 --> 00:52:01,859  
see these things and he told me you

906  
00:52:07,400 --> 00:52:04,739  
drive 20 miles out old [h\_\_h] Road and

907  
00:52:11,630 --> 00:52:07,410  
you'll see him so of course I told my

908  
00:52:13,489 --> 00:52:11,640  
friend John poke the doughnut oh yeah

909  
00:52:20,089 --> 00:52:13,499  
I've heard John Pope was there as well

910  
00:52:22,519 --> 00:52:20,099  
right but I was the one doing all this

911  
00:52:24,259 --> 00:52:22,529  
again with because uh you know it's for

912  
00:52:27,109 --> 00:52:24,269  
fun when you're doing these third things

913  
00:52:32,089 --> 00:52:27,119

to have people with you like sky washing

914

00:52:34,549 --> 00:52:32,099

yeah like sky watching with friends and

915

00:52:36,140 --> 00:52:34,559

it sounds too fantastical for somebody

916

00:52:37,759 --> 00:52:36,150

if you're telling the story you got

917

00:52:39,739 --> 00:52:37,769

three other people if they're credible

918

00:52:41,239 --> 00:52:39,749

people or whatever then you've got four

919

00:52:44,179 --> 00:52:41,249

people there telling the same story

920

00:52:45,439 --> 00:52:44,189

absolutely you got to deduce that why

921

00:52:47,809 --> 00:52:45,449

would all four these people just make

922

00:52:50,199 --> 00:52:47,819

this up for no profit no gain and they

923

00:52:55,160 --> 00:52:50,209

don't need the attention you want I mean

924

00:52:59,800 --> 00:52:55,170

sure okay so anyway we uh we the Brad

925

00:53:01,000 --> 00:52:59,810

and Sarah were in California and they

926  
00:53:03,210 --> 00:53:01,010  
we're going to step aside they're gonna

927  
00:53:06,460 --> 00:53:03,220  
drive and cuz I told him about it

928  
00:53:08,530 --> 00:53:06,470  
we left the donut sort of on to the

929  
00:53:10,750 --> 00:53:08,540  
local to our Kingman they left

930  
00:53:14,380 --> 00:53:10,760  
California as they drove out we find it

931  
00:53:16,450 --> 00:53:14,390  
where we met in Kingman Arizona and and

932  
00:53:18,220 --> 00:53:16,460  
I had already stoped out the spot cuz

933  
00:53:20,830 --> 00:53:18,230  
I've driven out there's day before so I

934  
00:53:23,950 --> 00:53:20,840  
knew exactly where we were gonna go so

935  
00:53:25,600 --> 00:53:23,960  
so we drove out there cars basically

936  
00:53:26,920 --> 00:53:25,610  
followed us out there John Polk and I

937  
00:53:30,040 --> 00:53:26,930  
drove you got the night vision goggles

938  
00:53:32,170 --> 00:53:30,050

and there anyway so we get out there so

939

00:53:33,940 --> 00:53:32,180

it's a little after 8 p.m. or whatever

940

00:53:36,040 --> 00:53:33,950

it was around let me think about this

941

00:53:38,110 --> 00:53:36,050

for a second it was it was in the 8

942

00:53:39,850 --> 00:53:38,120

o'clock hour but as you know the first

943

00:53:42,100 --> 00:53:39,860

times a year this was a lot of month ago

944

00:53:45,580 --> 00:53:42,110

on top approximately here just look

945

00:53:47,890 --> 00:53:45,590

here's the deal in these certain area is

946

00:53:50,830 --> 00:53:47,900

my experience that just after it gets

947

00:53:52,990 --> 00:53:50,840

dark but there's a window of time them

948

00:53:55,810 --> 00:53:53,000

you see about 30 to 45 minutes for some

949

00:53:59,530 --> 00:53:55,820

reason there is a lot of activity in

950

00:54:02,770 --> 00:53:59,540

specific areas so that's tough and then

951

00:54:03,970 --> 00:54:02,780

if you don't look at 10 11 12 a lot of

952

00:54:07,030 --> 00:54:03,980

times you'll see nothing

953

00:54:10,000 --> 00:54:07,040

yeah I agree with Twilight and Twilight

954

00:54:12,310 --> 00:54:10,010

for me Twilight and you know dusk and

955

00:54:16,600 --> 00:54:12,320

dawn is the best time for an hour after

956

00:54:19,290 --> 00:54:16,610

each so we got out there and you know

957

00:54:21,970 --> 00:54:19,300

John Polk does the UFO tours also so he

958

00:54:23,740 --> 00:54:21,980

he believed and when I say he believes

959

00:54:25,030 --> 00:54:23,750

doesn't mean I don't believe him or I

960

00:54:27,280 --> 00:54:25,040

disbelieve him I'm just saying he

961

00:54:30,100 --> 00:54:27,290

believed that he can call these things

962

00:54:31,720 --> 00:54:30,110

in right and I already think in before

963

00:54:33,220 --> 00:54:31,730

anybody talking to anything that these

964

00:54:34,780 --> 00:54:33,230

things are already here whether you call

965

00:54:36,580 --> 00:54:34,790

them in or not there I've already been

966

00:54:37,630 --> 00:54:36,590

told they're here but if you guys want

967

00:54:39,490 --> 00:54:37,640

to think that you're calling them in

968

00:54:43,240 --> 00:54:39,500

then great maybe maybe or I don't know

969

00:54:44,830 --> 00:54:43,250

just like I don't know yeah so uh so

970

00:54:48,550 --> 00:54:44,840

we're out there we have the night vision

971

00:54:50,110 --> 00:54:48,560

and you know completely pitch dark out

972

00:54:51,280 --> 00:54:50,120

there they're black there's no lights

973

00:54:53,290 --> 00:54:51,290

out there you know it's you're in the

974

00:54:55,960 --> 00:54:53,300

middle of a desert office the road the

975

00:54:58,870 --> 00:54:55,970

whole [h\_\_h] Road and and these things

976  
00:55:02,140 --> 00:54:58,880  
start to appear and we're seeing them

977  
00:55:06,880 --> 00:55:02,150  
and I would say in a period of 30

978  
00:55:10,300 --> 00:55:06,890  
minutes we saw no no exaggeration 15 to

979  
00:55:11,170 --> 00:55:10,310  
20 and some of them you could see with

980  
00:55:12,920 --> 00:55:11,180  
the naked eye

981  
00:55:14,299 --> 00:55:12,930  
some of them were so high up

982  
00:55:16,280 --> 00:55:14,309  
you couldn't see unless you have the

983  
00:55:18,920 --> 00:55:16,290  
night vision coach ticket because both

984  
00:55:21,290 --> 00:55:18,930  
for some reason when you have the night

985  
00:55:22,849 --> 00:55:21,300  
vision in some instances there's a light

986  
00:55:25,040 --> 00:55:22,859  
spectrum that's occurring with these

987  
00:55:27,859 --> 00:55:25,050  
things that allows you to see him with

988  
00:55:29,059 --> 00:55:27,869

the night vision but you may not be able

989

00:55:31,130 --> 00:55:29,069

to see with the naked eye but when

990

00:55:32,270 --> 00:55:31,140

they're really close you don't really

991

00:55:33,440 --> 00:55:32,280

need the night vision because they're

992

00:55:35,990 --> 00:55:33,450

close enough to where they're bright

993

00:55:37,490 --> 00:55:36,000

enough and you can see them so so we're

994

00:55:39,319 --> 00:55:37,500

seeing these things kind of kind of

995

00:55:40,549 --> 00:55:39,329

cruise over or back and forth and in my

996

00:55:42,740 --> 00:55:40,559

mind I'm thinking okay

997

00:55:45,140 --> 00:55:42,750

I can't I could never promise anybody

998

00:55:46,160 --> 00:55:45,150

these aren't satellite I know they're

999

00:55:48,140 --> 00:55:46,170

not playing I know they're not

1000

00:55:49,970 --> 00:55:48,150

helicopters I couldn't tell you they

1001  
00:55:51,230 --> 00:55:49,980  
were military secret crap because I

1002  
00:55:53,030 --> 00:55:51,240  
don't know but I just know they're

1003  
00:55:56,930 --> 00:55:53,040  
moving back and forth over this one

1004  
00:55:58,910 --> 00:55:56,940  
little area then all of a sudden Corey

1005  
00:56:01,130 --> 00:55:58,920  
got really interesting this one object

1006  
00:56:02,930 --> 00:56:01,140  
appears that was bigger and brighter

1007  
00:56:04,609 --> 00:56:02,940  
than the other ones that have been

1008  
00:56:07,220 --> 00:56:04,619  
flying back and forth and right behind

1009  
00:56:09,470 --> 00:56:07,230  
it it looked like in a triangle

1010  
00:56:12,559 --> 00:56:09,480  
formation there was two smaller life

1011  
00:56:15,109 --> 00:56:12,569  
it's still visible with the naked eye

1012  
00:56:18,620 --> 00:56:15,119  
and they're flying and all this called a

1013  
00:56:20,809 --> 00:56:18,630

formation going towards the bottom four

1014

00:56:22,339 --> 00:56:20,819

I didn't think about that but now but

1015

00:56:24,799 --> 00:56:22,349

that was the direction that they were

1016

00:56:26,480 --> 00:56:24,809

flying towards Nevada and I don't know

1017

00:56:28,430 --> 00:56:26,490

if their heads exactly in the direction

1018

00:56:31,609 --> 00:56:28,440

of area 51 that would be speculation but

1019

00:56:32,990 --> 00:56:31,619

anyway so then we're looking at this

1020

00:56:34,730 --> 00:56:33,000

thing moved and what I'm thinking is

1021

00:56:36,440 --> 00:56:34,740

that once that three objects or is that

1022

00:56:38,000 --> 00:56:36,450

one big object and we're seeing the

1023

00:56:39,230 --> 00:56:38,010

three points of light with the one thing

1024

00:56:42,440 --> 00:56:39,240

light the front I don't know

1025

00:56:46,220 --> 00:56:42,450

on this other object that was up higher

1026  
00:56:48,530 --> 00:56:46,230  
in the atmosphere appears and starts to

1027  
00:56:50,539 --> 00:56:48,540  
come down towards these other three

1028  
00:56:52,609 --> 00:56:50,549  
lights that are moving and it looks like

1029  
00:56:55,039 --> 00:56:52,619  
it's just going to go right into this

1030  
00:56:57,650 --> 00:56:55,049  
light clusters that I'm watching but

1031  
00:57:00,380 --> 00:56:57,660  
then as they use other lights move it

1032  
00:57:02,120 --> 00:57:00,390  
kind of goes it was behind it because

1033  
00:57:03,500 --> 00:57:02,130  
you could see that it wasn't going in

1034  
00:57:06,289 --> 00:57:03,510  
front of it or through it it kind of

1035  
00:57:09,289 --> 00:57:06,299  
went behind it but to see all all that

1036  
00:57:15,710 --> 00:57:09,299  
happened at one time that there's a lot

1037  
00:57:17,690 --> 00:57:15,720  
of activity right now we're okay here

1038  
00:57:21,490 --> 00:57:17,700

where we're independent you don't have

1039

00:57:24,589 --> 00:57:21,500

to worry about anything but there was

1040

00:57:26,390 --> 00:57:24,599

she was describing what was happening

1041

00:57:28,580 --> 00:57:26,400

and she was saying

1042

00:57:30,470 --> 00:57:28,590

I can't recall everything but one of the

1043

00:57:32,000 --> 00:57:30,480

things that she she was saying that

1044

00:57:34,880 --> 00:57:32,010

they're big they have a base in these

1045

00:57:36,290 --> 00:57:34,890

mountains and I didn't tell her this she

1046

00:57:38,330 --> 00:57:36,300

didn't know this she didn't know

1047

00:57:40,150 --> 00:57:38,340

anything about Harry Drew but I remember

1048

00:57:43,310 --> 00:57:40,160

she'd incorrect about it either sir but

1049

00:57:45,650 --> 00:57:43,320

she was telling me pretty much the same

1050

00:57:48,320 --> 00:57:45,660

thing that Harry Drew had already told

1051  
00:57:51,050 --> 00:57:48,330  
me privately on phone conversation and

1052  
00:57:53,120 --> 00:57:51,060  
so she somehow picked up on this the

1053  
00:57:55,580 --> 00:57:53,130  
energy of these things and said that you

1054  
00:57:57,410 --> 00:57:55,590  
know they've got a baster and so that so

1055  
00:58:01,100 --> 00:57:57,420  
to me these things have been flying over

1056  
00:58:02,270 --> 00:58:01,110  
in this one mountainous region I could

1057  
00:58:03,710 --> 00:58:02,280  
speculate that it could have been

1058  
00:58:07,340 --> 00:58:03,720  
because the mountains have a lot of gold

1059  
00:58:09,230 --> 00:58:07,350  
love of crystal and granted because that

1060  
00:58:13,460 --> 00:58:09,240  
is a hot spot for some reason producing

1061  
00:58:15,620 --> 00:58:13,470  
and and then you know so she's feminine

1062  
00:58:20,630 --> 00:58:15,630  
she may she was enabling so no yeah I

1063  
00:58:21,290 --> 00:58:20,640

mean that was just the beginning so then

1064

00:58:23,390 --> 00:58:21,300

they abruptly

1065

00:58:25,400 --> 00:58:23,400

thought we didn't see anything for like

1066

00:58:28,730 --> 00:58:25,410

50 minutes and then we just decided okay

1067

00:58:31,100 --> 00:58:28,740

let's go back to the hotel and we and

1068

00:58:32,690 --> 00:58:31,110

completely sterile mines I tell you this

1069

00:58:34,550 --> 00:58:32,700

because she'll probably tell you the

1070

00:58:36,350 --> 00:58:34,560

details in her when she talked to you

1071

00:58:38,930 --> 00:58:36,360

but I'm gonna get the highlight so we

1072

00:58:40,610 --> 00:58:38,940

get back to her hotel and we're sitting

1073

00:58:41,930 --> 00:58:40,620

there on this little ship nice little

1074

00:58:42,500 --> 00:58:41,940

place there with her sitting on the

1075

00:58:44,630 --> 00:58:42,510

couch

1076

00:58:46,760 --> 00:58:44,640

John Polk myself I'm sitting next to

1077

00:58:50,570 --> 00:58:46,770

Sarah and Brad Wilson sitting next door

1078

00:58:52,880 --> 00:58:50,580

on the other side and all of a sudden

1079

00:58:56,480 --> 00:58:52,890

she goes look at me and I look her in

1080

00:58:58,460 --> 00:58:56,490

the eyes I'm not laughing at her it was

1081

00:59:00,980 --> 00:58:58,470

kind of loud in amazement and I'm

1082

00:59:03,740 --> 00:59:00,990

looking at her eyes and one of her eyes

1083

00:59:07,310 --> 00:59:03,750

kind of the pupil is kind of moving

1084

00:59:08,960 --> 00:59:07,320

around and almost like a circle and I'm

1085

00:59:10,700 --> 00:59:08,970

thinking I've never seen anybody do this

1086

00:59:14,870 --> 00:59:10,710

before this is interesting and the other

1087

00:59:16,820 --> 00:59:14,880

eye was moving I don't know if it was up

1088

00:59:19,820 --> 00:59:16,830

and down sideways but it was moving in a

1089

00:59:22,550 --> 00:59:19,830

different pattern than the other eyes

1090

00:59:25,790 --> 00:59:22,560

but she had both her eyes looking at me

1091

00:59:26,960 --> 00:59:25,800

moving in some strange way that I've

1092

00:59:31,910 --> 00:59:26,970

never seen before

1093

00:59:36,470 --> 00:59:31,920

okay and then I forget how she said it

1094

00:59:37,940 --> 00:59:36,480

but he more or less amount that she was

1095

00:59:39,830 --> 00:59:37,950

going to channel or something along

1096

00:59:42,560 --> 00:59:39,840

those lines

1097

00:59:43,760 --> 00:59:42,570

and then she said I can't wish I could

1098

00:59:45,230 --> 00:59:43,770

have recorded this because I wasn't

1099

00:59:49,370 --> 00:59:45,240

really prepared and she was going to do

1100

00:59:51,140 --> 00:59:49,380

that yeah I I wish I would have I wish I

1101  
00:59:52,940 --> 00:59:51,150  
would have recorded what she did for me

1102  
00:59:55,370 --> 00:59:52,950  
because I wanted to be able to

1103  
00:59:58,580 --> 00:59:55,380  
deconstruct it better I have to do it

1104  
01:00:00,260 --> 00:59:58,590  
totally from memory because I was making

1105  
01:00:02,600 --> 01:00:00,270  
mental notes like of what she was saying

1106  
01:00:05,090 --> 01:00:02,610  
and what was happening in the sensations

1107  
01:00:10,790 --> 01:00:05,100  
that I felt like I was having it was

1108  
01:00:14,390 --> 01:00:10,800  
bizarro to me the whole time in your

1109  
01:00:16,310 --> 01:00:14,400  
recall his excellent and normally my

1110  
01:00:18,980 --> 01:00:16,320  
recall is not that good that when I'm

1111  
01:00:21,830 --> 01:00:18,990  
affected by somebody or an experience I

1112  
01:00:23,120 --> 01:00:21,840  
tend to recall all the details cuz it

1113  
01:00:25,310 --> 01:00:23,130

sounds like that's what happened to you

1114

01:00:29,330 --> 01:00:25,320

were whatever happened you you were

1115

01:00:32,000 --> 01:00:29,340

affected by it physically I was Eric I

1116

01:00:34,700 --> 01:00:32,010

was physically affected I was physically

1117

01:00:41,690 --> 01:00:34,710

I felt physical sensations that she told

1118

01:00:44,870 --> 01:00:41,700

me that I was going to feel so I'm I'm

1119

01:00:47,570 --> 01:00:44,880

you know me I'm as skeptical as as most

1120

01:00:50,630 --> 01:00:47,580

skeptics but I want to believe and what

1121

01:00:52,550 --> 01:00:50,640

I'm gonna say right now is I don't know

1122

01:00:55,070 --> 01:00:52,560

I can't explain some of the things that

1123

01:00:57,320 --> 01:00:55,080

happen I'm still processing it and I'm

1124

01:01:00,020 --> 01:00:57,330

gonna you know I have a working theory

1125

01:01:02,090 --> 01:01:00,030

that would explain some of it and we're

1126

01:01:05,360 --> 01:01:02,100

going to explore that when we talk to

1127

01:01:07,190 --> 01:01:05,370

her but I want to I don't want to have a

1128

01:01:10,700 --> 01:01:07,200

one side of conversation when she's not

1129

01:01:16,490 --> 01:01:10,710

here so I will present what I believe

1130

01:01:19,130 --> 01:01:16,500

may be no I decide you know it's my

1131

01:01:21,350 --> 01:01:19,140

fault I told her that first of all this

1132

01:01:22,940 --> 01:01:21,360

is a new this is the first broadcast

1133

01:01:25,910 --> 01:01:22,950

from the cabin and I was afraid that

1134

01:01:27,860 --> 01:01:25,920

nothing would work because you know we

1135

01:01:29,990 --> 01:01:27,870

have like the the guy had to run a two

1136

01:01:32,480 --> 01:01:30,000

mile lying to the nearest connection

1137

01:01:34,910 --> 01:01:32,490

point in the woods here so I the

1138

01:01:37,370 --> 01:01:34,920

Internet's been working but I was scared

1139

01:01:39,950 --> 01:01:37,380

that the that it wouldn't work well

1140

01:01:42,110 --> 01:01:39,960

first of all and I didn't want to ruin

1141

01:01:43,940 --> 01:01:42,120

her appearance and then also there's so

1142

01:01:46,520 --> 01:01:43,950

much to unpack so I thought tonight I

1143

01:01:49,280 --> 01:01:46,530

would just talk about some of the things

1144

01:01:51,500 --> 01:01:49,290

some of her claims the experience and I

1145

01:01:52,460 --> 01:01:51,510

had show Kevin Moore's experience and

1146

01:01:54,740 --> 01:01:52,470

then what

1147

01:01:56,690 --> 01:01:54,750

she comes on everybody we'll have more

1148

01:02:06,710 --> 01:01:56,700

of a background and it's more of a deep

1149

01:02:08,180 --> 01:02:06,720

dive into her good i betray I've been

1150

01:02:10,700 --> 01:02:08,190

trying to get Eric to come on my show

1151

01:02:12,080 --> 01:02:10,710

you never came on my radio show I kept

1152

01:02:14,420 --> 01:02:12,090

trying I'm like come on man

1153

01:02:16,339 --> 01:02:14,430

you're Eric is at the center of all this

1154

01:02:18,980 --> 01:02:16,349

stuff and what people don't know about

1155

01:02:21,380 --> 01:02:18,990

Eric is that like if there's like

1156

01:02:23,540 --> 01:02:21,390

paranormal activity anywhere he can

1157

01:02:25,730 --> 01:02:23,550

drive too he just hops in his car and

1158

01:02:28,520 --> 01:02:25,740

goes there and looks into it and I love

1159

01:02:30,770 --> 01:02:28,530

that kind of fieldwork you know yeah

1160

01:02:33,380 --> 01:02:30,780

that's really the way okay so I do all

1161

01:02:35,000 --> 01:02:33,390

this because I want to know and as you

1162

01:02:36,380 --> 01:02:35,010

know I don't do radio I'm not writing

1163

01:02:37,940 --> 01:02:36,390

the book I'm not I'm not out there

1164

01:02:39,859 --> 01:02:37,950

trying to publicize myself that makes me

1165

01:02:42,680 --> 01:02:39,869

money because it's for me but I share it

1166

01:02:46,040 --> 01:02:42,690

with my friends and people that want to

1167

01:02:47,690 --> 01:02:46,050

listen you know agree with me I invite

1168

01:02:49,070 --> 01:02:47,700

him to come out check it out themselves

1169

01:02:50,660 --> 01:02:49,080

and if they don't want to do it then

1170

01:02:53,390 --> 01:02:50,670

fine I mean whatever I don't care I'm

1171

01:02:55,280 --> 01:02:53,400

business you know it's for me sure I've

1172

01:02:57,380 --> 01:02:55,290

learned a lot in four years and so

1173

01:02:59,720 --> 01:02:57,390

here's the deal though is when you start

1174

01:03:01,760 --> 01:02:59,730

doing that the bird you're not sure

1175

01:03:04,930 --> 01:03:01,770

exactly you know what's what but then

1176

01:03:08,480 --> 01:03:04,940

when you have a series of experiences

1177

01:03:10,339 --> 01:03:08,490

with a variety of people then after a

1178

01:03:13,520 --> 01:03:10,349

period of time you start well I started

1179

01:03:16,460 --> 01:03:13,530

to think that okay this is legit in my

1180

01:03:18,740 --> 01:03:16,470

opinion now I couldn't convince you over

1181

01:03:20,750 --> 01:03:18,750

the phone or in some radio interview

1182

01:03:21,380 --> 01:03:20,760

that was it you have to experience it

1183

01:03:24,500 --> 01:03:21,390

yourself

1184

01:03:27,500 --> 01:03:24,510

and so what's interesting about Sara and

1185

01:03:29,180 --> 01:03:27,510

she work with Brad Olson told me when he

1186

01:03:30,800 --> 01:03:29,190

first told me about their they she met

1187

01:03:32,000 --> 01:03:30,810

her and I didn't know what she was and

1188

01:03:34,849 --> 01:03:32,010

he says you gotta meet her she's

1189

01:03:37,099 --> 01:03:34,859

remarkable and I thought that's an

1190

01:03:39,700 --> 01:03:37,109

interesting word remarkable yeah I'm

1191

01:03:42,410 --> 01:03:39,710

gonna talk a little bit more about about

1192

01:03:45,890 --> 01:03:42,420

just the conversation that we had that

1193

01:03:48,050 --> 01:03:45,900

didn't Revolver him revolve around you

1194

01:03:51,109 --> 01:03:48,060

know this so-called experience that she

1195

01:03:52,820 --> 01:03:51,119

was going to give to me because there's

1196

01:03:56,870 --> 01:03:52,830

a lot of interesting things that she

1197

01:03:59,030 --> 01:03:56,880

talked about with me that honestly

1198

01:04:02,329 --> 01:03:59,040

impressed me one of them was that she

1199

01:04:05,760 --> 01:04:02,339

has an incredible incredible knowledge

1200

01:04:11,730 --> 01:04:09,510

I had 10 years of Catholic scripture

1201  
01:04:15,300 --> 01:04:11,740  
study and Bible study and brainwashing

1202  
01:04:17,790 --> 01:04:15,310  
and I know I know the Bible better than

1203  
01:04:20,580 --> 01:04:17,800  
most preachers I'm very confident in

1204  
01:04:23,310 --> 01:04:20,590  
saying that because of ten years of you

1205  
01:04:25,620 --> 01:04:23,320  
know we'd have half a day sometimes of

1206  
01:04:30,000 --> 01:04:25,630  
Bible study you know four hours a day

1207  
01:04:32,910 --> 01:04:30,010  
four years so I'm very well-versed in

1208  
01:04:34,980 --> 01:04:32,920  
the Bible and I was impressed with her

1209  
01:04:37,950 --> 01:04:34,990  
knowledge of the scripture she can spit

1210  
01:04:42,630 --> 01:04:37,960  
scripture like a preacher can spit

1211  
01:04:44,970 --> 01:04:42,640  
scripture and in context and making

1212  
01:04:46,800 --> 01:04:44,980  
analogies that make sense she would say

1213  
01:04:49,200 --> 01:04:46,810

like you know the Bible says that we are

1214

01:04:50,790 --> 01:04:49,210

more powerful than the angels and then

1215

01:04:53,520 --> 01:04:50,800

she would give me the Bible verse to

1216

01:04:55,680 --> 01:04:53,530

support her to support her statement

1217

01:04:57,270 --> 01:04:55,690

which was impressive to me but then

1218

01:04:59,400 --> 01:04:57,280

she's so mysterious

1219

01:05:03,960 --> 01:04:59,410

I asked her did you grow up Christian

1220

01:05:06,360 --> 01:05:03,970

and she said I maybe not in this

1221

01:05:08,370 --> 01:05:06,370

lifetime but I have or something like

1222

01:05:10,470 --> 01:05:08,380

that that seemed like just an odd

1223

01:05:13,320 --> 01:05:10,480

comment you know so I don't know where

1224

01:05:15,720 --> 01:05:13,330

she got the intense Bible knowledge that

1225

01:05:31,020 --> 01:05:15,730

she has if not growing up Christian but

1226

01:05:32,790 --> 01:05:31,030

okay yeah yes because you're smart

1227

01:05:34,710 --> 01:05:32,800

you're developing a rapport with her and

1228

01:05:36,720 --> 01:05:34,720

you're approaching it in a professional

1229

01:05:38,700 --> 01:05:36,730

way I think she will open up and tell

1230

01:05:42,630 --> 01:05:38,710

you something and what she's already

1231

01:05:44,400 --> 01:05:42,640

told me and one of the things I'm gonna

1232

01:05:46,610 --> 01:05:44,410

kind of dance around a little bit but I

1233

01:05:50,880 --> 01:05:46,620

don't have her permission but then she

1234

01:05:53,730 --> 01:05:50,890

she was raised in Guelph Corporation she

1235

01:05:54,360 --> 01:05:53,740

was in a military-type situation or put

1236

01:05:57,720 --> 01:05:54,370

it that way

1237

01:05:59,820 --> 01:05:57,730

Cooper hey there is a base in California

1238

01:06:03,620 --> 01:05:59,830

called Edwards Air Force Base you see

1239

01:06:07,170 --> 01:06:03,630

did tell me about some of that yeah so

1240

01:06:09,900 --> 01:06:07,180

and I'm watching your chat room and some

1241

01:06:11,280 --> 01:06:09,910

people were saying oh she's in a linear

1242

01:06:14,340 --> 01:06:11,290

she thinks she's in a Ewing or something

1243

01:06:17,430 --> 01:06:14,350

like that and without getting into

1244

01:06:18,870 --> 01:06:17,440

detail what she described to me why she

1245

01:06:22,530 --> 01:06:18,880

is the way she is

1246

01:06:24,330 --> 01:06:22,540

it is her bully she's probably kick she

1247

01:06:27,120 --> 01:06:24,340

can't probably prove this she could

1248

01:06:29,400 --> 01:06:27,130

prove it through her work probably

1249

01:06:32,430 --> 01:06:29,410

eventually maybe but she can't if she

1250

01:06:34,290 --> 01:06:32,440

just tells you she in other words it's

1251

01:06:38,580 --> 01:06:34,300

possible I know it's gonna sound out

1252

01:06:43,320 --> 01:06:38,590

there but it's impossible that they're

1253

01:06:45,330 --> 01:06:43,330

doing both called experimentation and I

1254

01:06:47,010 --> 01:06:45,340

and I believe this is true and I believe

1255

01:06:47,940 --> 01:06:47,020

it's been going on a long time but

1256

01:06:51,780 --> 01:06:47,950

they're getting something you can't

1257

01:06:56,640 --> 01:06:51,790

prove that they're genetically altering

1258

01:06:59,370 --> 01:06:56,650

and manipulating people that they're

1259

01:07:01,440 --> 01:06:59,380

selected sometimes not everybody through

1260

01:07:04,410 --> 01:07:01,450

the military and so if you're look

1261

01:07:06,360 --> 01:07:04,420

they're a female and they you have

1262

01:07:08,520 --> 01:07:06,370

special ability I'm not talking about

1263

01:07:11,700 --> 01:07:08,530

those there right now and then they want

1264

01:07:14,100 --> 01:07:11,710

to create let's say like a I'm not

1265

01:07:16,410 --> 01:07:14,110

saying this is a Josef Mengele situation

1266

01:07:19,260 --> 01:07:16,420

but kind of in a lab type situation

1267

01:07:21,840 --> 01:07:19,270

where you're adding the DNA or whatever

1268

01:07:24,240 --> 01:07:21,850

of beings that are not from this earth

1269

01:07:25,950 --> 01:07:24,250

and then you're adding other DNA and

1270

01:07:28,020 --> 01:07:25,960

then you're putting it together and

1271

01:07:30,210 --> 01:07:28,030

you're injecting it into the womb of a

1272

01:07:32,970 --> 01:07:30,220

person and then out of that person comes

1273

01:07:35,640 --> 01:07:32,980

a base and then that baby grows up with

1274

01:07:39,000 --> 01:07:35,650

these abilities and this knowledge and

1275

01:07:41,490 --> 01:07:39,010

this awareness that that people that

1276

01:07:45,930 --> 01:07:41,500

didn't grow up in this program we'll

1277

01:07:48,180 --> 01:07:45,940

call it half naturally or are aware what

1278

01:07:52,730 --> 01:07:48,190

she talks about it everybody has this

1279

01:07:55,860 --> 01:07:52,740

ability maybe that's true but it's

1280

01:07:58,110 --> 01:07:55,870

definitely an advantage for her in many

1281

01:07:59,850 --> 01:07:58,120

ways that she's aware of it and she

1282

01:08:02,370 --> 01:07:59,860

knows how to use it and I think she was

1283

01:08:04,110 --> 01:08:02,380

probably taught how to use it so that's

1284

01:08:06,540 --> 01:08:04,120

also I've better than that show right

1285

01:08:08,600 --> 01:08:06,550

here well that's a lot of speculation

1286

01:08:10,890 --> 01:08:08,610

but here's what I'll say I've heard

1287

01:08:13,430 --> 01:08:10,900

various stories about some kind of

1288

01:08:15,690 --> 01:08:13,440

experiments at Edwards Air Force Base

1289

01:08:19,640 --> 01:08:15,700

does that make sense you've heard

1290

01:08:21,840 --> 01:08:19,650

similar stories right but experiments

1291

01:08:26,580 --> 01:08:21,850

involving some kind of alien technology

1292

01:08:29,099 --> 01:08:26,590

or biological entities at Edwards at

1293

01:08:31,410 --> 01:08:29,109

Edwards Air Force Base and she

1294

01:08:32,409 --> 01:08:31,420

apparently I don't know if it was her

1295

01:08:34,689 --> 01:08:32,419

father as

1296

01:08:38,919 --> 01:08:34,699

I don't recall exactly but she had some

1297

01:08:42,099 --> 01:08:38,929

connection or grew up near that base yes

1298

01:08:44,349 --> 01:08:42,109

I heard her sort of talk about star

1299

01:08:47,919 --> 01:08:44,359

seeds and how she may have some

1300

01:08:50,589 --> 01:08:47,929

connection or DNA of them or yeah so I'm

1301

01:08:52,779 --> 01:08:50,599

gonna have to unpack that with her when

1302

01:08:54,909 --> 01:08:52,789

she's when she's here because I don't

1303

01:08:57,489 --> 01:08:54,919

want to you know just throw stuff out

1304

01:09:00,459 --> 01:08:57,499

there and when she doesn't have an

1305

01:09:04,689 --> 01:09:00,469

opportunity to respond right well

1306

01:09:06,489 --> 01:09:04,699

that'll be very interesting okay we'll

1307

01:09:07,870 --> 01:09:06,499

skip forward drink coffee for another

1308

01:09:08,439 --> 01:09:07,880

few minutes are you wanting yeah yeah

1309

01:09:14,139 --> 01:09:08,449

sure sure

1310

01:09:16,449 --> 01:09:14,149

yeah okay so we'll get forward so you're

1311

01:09:20,379 --> 01:09:16,459

about two and a half weeks ago I was in

1312

01:09:24,159 --> 01:09:20,389

Sedona and I drove up there to go to

1313

01:09:26,049 --> 01:09:24,169

happy Jack which I two weeks prior to

1314

01:09:29,919 --> 01:09:26,059

that myself

1315

01:09:31,299 --> 01:09:29,929

John Polk raw these amazing shoes that

1316

01:09:33,669 --> 01:09:31,309

somebody you might want to talk to you

1317

01:09:36,579 --> 01:09:33,679

in some point he's got abilities as well

1318

01:09:40,269 --> 01:09:36,589

but anyway to his girlfriend Krista we

1319

01:09:41,439 --> 01:09:40,279

lived a happy Jack and I filmed some

1320

01:09:43,569 --> 01:09:41,449

stuff you thought you might have looked

1321

01:09:45,849 --> 01:09:43,579

at already on my Twitter but these were

1322

01:09:47,259 --> 01:09:45,859

legit objects this was and I was able to

1323

01:09:49,509 --> 01:09:47,269

actually record him flip up my cell

1324

01:09:51,519 --> 01:09:49,519

phone up to the night vision and just be

1325

01:09:53,769 --> 01:09:51,529

able to hold it steady Jake's anyway so

1326

01:09:55,600 --> 01:09:53,779

but I wanted to go back there after all

1327

01:09:57,129 --> 01:09:55,610

that night and we kind of going off

1328

01:10:00,969 --> 01:09:57,139

topic there little bit that night were

1329

01:10:02,709 --> 01:10:00,979

up there we were hearing sound that

1330

01:10:06,250 --> 01:10:02,719

we're not humans down there I don't know

1331

01:10:08,109 --> 01:10:06,260

what they were but John and bra and

1332

01:10:10,089 --> 01:10:08,119

stuff but it was these Bigfoot's which

1333

01:10:12,429 --> 01:10:10,099

they call the mug ER monster up there in

1334

01:10:13,810 --> 01:10:12,439

Arizona and I couldn't tell you if it

1335

01:10:16,000 --> 01:10:13,820

was Bigfoot or not but that was able

1336

01:10:19,569 --> 01:10:16,010

she's still lying so anyway so this is

1337

01:10:21,580 --> 01:10:19,579

and so I went back to go again a second

1338

01:10:24,850 --> 01:10:21,590

time I I wanted to camp up there again

1339

01:10:26,529 --> 01:10:24,860

to see if my first experiences would

1340

01:10:30,339 --> 01:10:26,539

happen again you know we're kind of deal

1341

01:10:32,709 --> 01:10:30,349

and then I got sick and so I was in I

1342

01:10:34,449 --> 01:10:32,719

was at John Belk and I was supposed to

1343

01:10:35,770 --> 01:10:34,459

hang out with Sara and everybody were

1344

01:10:37,989 --> 01:10:35,780

all gonna kind of hang up I'm laying

1345

01:10:41,469 --> 01:10:37,999

down get sick I'm throwing up so Sara

1346

01:10:43,569 --> 01:10:41,479

comes over to John Hope House and she

1347

01:10:45,820 --> 01:10:43,579

asked permission to kill me and I said

1348

01:10:48,730 --> 01:10:45,830

absolutely but she acts

1349

01:10:50,650 --> 01:10:48,740

the things and she was you know putting

1350

01:10:52,810 --> 01:10:50,660

her hands over me and kind of like like

1351

01:10:54,820 --> 01:10:52,820

I said she was collecting energy and

1352

01:10:57,850 --> 01:10:54,830

then she was drilling it kind of talking

1353

01:11:00,970 --> 01:10:57,860

it and she did that for a while and then

1354

01:11:02,530 --> 01:11:00,980

she got kind of exotic exhausted the

1355

01:11:05,290 --> 01:11:02,540

right word that she got worn out because

1356

01:11:09,250 --> 01:11:05,300

she said there was a lot of energy in my

1357

01:11:11,590 --> 01:11:09,260

gut area that was other called- it was

1358

01:11:13,480 --> 01:11:11,600

it was not healthy and so she was trying

1359

01:11:16,990 --> 01:11:13,490

to clear that and so after she did that

1360

01:11:19,210 --> 01:11:17,000

I did I did feel better

1361

01:11:21,130 --> 01:11:19,220

I was out about I wasn't totally better

1362

01:11:23,620 --> 01:11:21,140

but I felt better than I did before she

1363

01:11:25,510 --> 01:11:23,630

did it so then I thought okay maybe I'm

1364

01:11:27,910 --> 01:11:25,520

gonna get better and get so go camping

1365

01:11:29,590 --> 01:11:27,920

the next day came and I wasn't really

1366

01:11:32,230 --> 01:11:29,600

getting better but I was still better

1367

01:11:34,480 --> 01:11:32,240

than I was and I just decided okay I'm

1368

01:11:38,320 --> 01:11:34,490

just going to go home you know I didn't

1369

01:11:39,550 --> 01:11:38,330

want to because I just because I was

1370

01:11:40,960 --> 01:11:39,560

worried that I was getting really sick

1371

01:11:43,450 --> 01:11:40,970

and I wanted to be home if I was going

1372

01:11:47,620 --> 01:11:43,460

to be really sick so I drove home I'm

1373

01:11:49,570 --> 01:11:47,630

gonna wrap it up now drove oh stop

1374

01:11:50,890 --> 01:11:49,580

throwing up bath for two days I was

1375

01:11:54,670 --> 01:11:50,900

throwing up got the point left showing

1376

01:11:57,400 --> 01:11:54,680

up blood so this was 14 days ago okay

1377

01:12:00,940 --> 01:11:57,410

and my neighbors hear me throw up and I

1378

01:12:02,110 --> 01:12:00,950

might you know he called 9-1-1 the

1379

01:12:03,850 --> 01:12:02,120

echoes count they kicked through the

1380

01:12:05,470 --> 01:12:03,860

hospital so I just got out of the

1381

01:12:08,140 --> 01:12:05,480

hospital today I was in the hospital in

1382

01:12:10,480 --> 01:12:08,150

emergency for 12 days they did several

1383

01:12:13,300 --> 01:12:10,490

x-rays of goats and they put that stuff

1384

01:12:16,660 --> 01:12:13,310

that camera down into my stomach and at

1385

01:12:19,660 --> 01:12:16,670

first they thought that that I might

1386

01:12:21,820 --> 01:12:19,670

have cancer they thought there was a

1387

01:12:24,370 --> 01:12:21,830

blockage there that was causing that

1388

01:12:26,110 --> 01:12:24,380

sort of the acid was coming up and they

1389

01:12:29,500 --> 01:12:26,120

said I have some stuff in my throat

1390

01:12:32,650 --> 01:12:29,510

and so they took really good care of me

1391

01:12:35,710 --> 01:12:32,660

and I was low enough today to come home

1392

01:12:37,510 --> 01:12:35,720

so can we eat soft and liquid that can

1393

01:12:39,070 --> 01:12:37,520

really like how Amelie acted my stomach

1394

01:12:40,360 --> 01:12:39,080

still mom there's gonna take three

1395

01:12:42,400 --> 01:12:40,370

months for me to get better what they

1396

01:12:44,500 --> 01:12:42,410

said yeah I hope you feel better so I

1397

01:12:47,080 --> 01:12:44,510

called thank you I called so I called

1398

01:12:49,630 --> 01:12:47,090

Sarah today because people could come

1399

01:12:52,000 --> 01:12:49,640

and visit me in hospitals but it's about

1400

01:12:53,370 --> 01:12:52,010

a two-hour drive from where she is and I

1401

01:12:55,540 --> 01:12:53,380

says well you don't have to come because

1402

01:12:57,910 --> 01:12:55,550

I'm going to come up your way in a few

1403

01:12:59,560 --> 01:12:57,920

days and then we'll just go out lunch

1404

01:13:01,900 --> 01:12:59,570

and we'll talk

1405

01:13:03,940 --> 01:13:01,910

but she says I hope you don't mind but I

1406

01:13:05,890 --> 01:13:03,950

hope you don't mind but I've been

1407

01:13:09,070 --> 01:13:05,900

sending lots of healing energy your way

1408

01:13:10,810 --> 01:13:09,080

and and I wonder a personal - thank you

1409

01:13:14,740 --> 01:13:10,820

very much but what's weird about this

1410

01:13:16,870 --> 01:13:14,750

okay this was strange the doctor the

1411

01:13:19,240 --> 01:13:16,880

surgeon would come in every morning in

1412

01:13:22,060 --> 01:13:19,250

the beginning and then twice he came in

1413

01:13:23,320 --> 01:13:22,070

two mornings in a row he said very kind

1414

01:13:25,210 --> 01:13:23,330

of cold breeze it kind of pissed me off

1415

01:13:27,280 --> 01:13:25,220

that she says looks like we're gonna

1416

01:13:29,080 --> 01:13:27,290

have to remove your stomach and then he

1417

01:13:30,820 --> 01:13:29,090

just walked out and I'm like seven

1418

01:13:32,290 --> 01:13:30,830

o'clock in the morning I'm not gonna

1419

01:13:33,790 --> 01:13:32,300

leave in a wait jet cause you can't

1420

01:13:35,590 --> 01:13:33,800

sleep the hospital more than about three

1421

01:13:39,810 --> 01:13:35,600

hours says they're constantly just

1422

01:13:44,620 --> 01:13:39,820

anyway so I'm so anyway so I thought

1423

01:13:46,210 --> 01:13:44,630

these guys did all these tests they were

1424

01:13:48,730 --> 01:13:46,220

going to give you the results on Tuesday

1425

01:13:50,530 --> 01:13:48,740

that was what are we going to wait so

1426

01:13:52,090 --> 01:13:50,540

long really but in the meantime they've

1427

01:13:54,310 --> 01:13:52,100

got all these fluids in the intermediacy

1428

01:13:56,200 --> 01:13:54,320

and so on and so forth and I'm slowly

1429

01:13:58,090 --> 01:13:56,210

getting better and I got a tube down me

1430

01:13:59,890 --> 01:13:58,100

up my nose down to my stomach and

1431

01:14:04,560 --> 01:13:59,900

they're sucking out all the he happens

1432

01:14:09,160 --> 01:14:07,300

ulcers to my stomach and in my throat

1433

01:14:12,130 --> 01:14:09,170

yeah I saw it on Twitter when I'd won

1434

01:14:23,290 --> 01:14:12,140

that sucks that sucks Erin quite a beats

1435

01:14:26,830 --> 01:14:23,300

cancer turned into cancers like

1436

01:14:29,380 --> 01:14:26,840

pre-cancer activity happening so Beth

1437

01:14:32,350 --> 01:14:29,390

and the doctor comes in yesterday as the

1438

01:14:34,690 --> 01:14:32,360

thing doctor he says he can say I

1439

01:14:37,890 --> 01:14:34,700

apologize I was wrong after Lugar

1440

01:14:39,670 --> 01:14:37,900

stomach after all he says he says well

1441

01:14:41,260 --> 01:14:39,680

you don't have cancer

1442

01:14:45,190 --> 01:14:41,270

and you don't need surgery so we're

1443

01:14:47,230 --> 01:14:45,200

gonna let you go home yeah so somehow

1444

01:14:49,180 --> 01:14:47,240

you know I have a very positive attitude

1445

01:14:51,460 --> 01:14:49,190

and I was thinking the whole time that

1446

01:14:52,960 --> 01:14:51,470

I'm gonna get better I was thinking I'm

1447

01:14:54,040 --> 01:14:52,970

gonna heal because there's no way I'm

1448

01:14:56,080 --> 01:14:54,050

having surgery I just didn't want to

1449

01:14:58,630 --> 01:14:56,090

believe it but somehow in the background

1450

01:15:00,850 --> 01:14:58,640

there you know 150 miles away apparently

1451

01:15:02,740 --> 01:15:00,860

was doing her thing well I don't know if

1452

01:15:04,330 --> 01:15:02,750

he was helping or what percentage of

1453

01:15:06,340 --> 01:15:04,340

what she was doing was helping me heal

1454

01:15:07,620 --> 01:15:06,350

but there was a turnaround but I don't

1455

01:15:09,250 --> 01:15:07,630

think the doctors were prepared for

1456

01:15:10,780 --> 01:15:09,260

that's a true story

1457

01:15:13,030 --> 01:15:10,790

well that's interesting so that's

1458

01:15:13,420 --> 01:15:13,040

another thing to add to the strange case

1459

01:15:19,360 --> 01:15:13,430

of

1460

01:15:21,580 --> 01:15:19,370

Adams all right well I'm gonna let you

1461

01:15:24,310 --> 01:15:21,590

go Eric I want you to come and do a

1462

01:15:28,870 --> 01:15:24,320

whole show with me on video soon can you

1463

01:15:34,390 --> 01:15:31,060

we're just calling the time dive down

1464

01:15:36,340 --> 01:15:34,400

the hall rabbit hole but maybe we can

1465

01:15:38,290 --> 01:15:36,350

have some fun with that because I got

1466

01:15:41,920 --> 01:15:38,300

some stuff yeah I got some stuff to send

1467

01:15:43,510 --> 01:15:41,930

again about that we got some stuff to

1468

01:15:46,530 --> 01:15:43,520

send you okay well we'll be in touch

1469

01:15:49,150 --> 01:15:46,540

thank you Eric for being a guest

1470

01:15:52,650 --> 01:15:49,160

all right thanks Eric feel better get

1471

01:15:57,610 --> 01:15:55,630

okay so that was Eric awakening man and

1472

01:16:01,240 --> 01:15:57,620

and you know I thought it would be good

1473

01:16:03,070 --> 01:16:01,250

if he just got out of the hospital so

1474

01:16:07,630 --> 01:16:03,080

you know I kind of told him like hey if

1475

01:16:09,250 --> 01:16:07,640

you feel better you know call in and

1476

01:16:11,200 --> 01:16:09,260

tell me about your experience with her

1477

01:16:13,030 --> 01:16:11,210

but you know he was feeling tired

1478

01:16:16,510 --> 01:16:13,040

earlier so that was kind of a surprise

1479

01:16:19,630 --> 01:16:16,520

call and what we're gonna do now is

1480

01:16:22,900 --> 01:16:19,640

we're gonna take a short break

1481

01:16:26,380 --> 01:16:22,910

quite honestly so I can go use the

1482

01:16:29,230 --> 01:16:26,390

outdoor plumbing yes we have an outdoor

1483

01:16:32,440 --> 01:16:29,240

plumbing here and no we don't actually

1484

01:16:37,210 --> 01:16:32,450

but you know I use a tree sometimes so

1485

01:16:39,910 --> 01:16:37,220

uh I'm gonna go take care of something

1486

01:16:42,070 --> 01:16:39,920

and I will be right back and then we're

1487

01:16:44,680 --> 01:16:42,080

going to I have a two more points to

1488

01:16:45,910 --> 01:16:44,690

make that are very important and then

1489

01:16:47,800 --> 01:16:45,920

we're going to go to the live chat

1490

01:16:48,520 --> 01:16:47,810

questions comments and you can ask me

1491

01:16:50,560 --> 01:16:48,530

anything

1492

01:16:53,080 --> 01:16:50,570

oh and I just wanted to mention I saw

1493

01:16:55,690 --> 01:16:53,090

that comment solar Marshall what

1494

01:16:59,050 --> 01:16:55,700

happened to Stephen cambian ordinarily

1495

01:17:01,150 --> 01:16:59,060

he would rip this BS person apart and

1496

01:17:04,630 --> 01:17:01,160

you can watch the beginning of the show

1497

01:17:08,670 --> 01:17:04,640

and hear about the experience that I had

1498

01:17:12,880 --> 01:17:08,680

with this girl and why I am reserving my

1499

01:17:15,040 --> 01:17:12,890

usual very skeptical some would say

1500

01:17:19,000 --> 01:17:15,050

nasty nature towards people that make

1501  
01:17:23,530 --> 01:17:19,010  
these sort of claims a lot happened with

1502  
01:17:27,460 --> 01:17:25,930  
I want to be fair to her and give her

1503  
01:17:29,440 --> 01:17:27,470  
the benefit of the doubt

1504  
01:17:32,280 --> 01:17:29,450  
I have a working theory about how she

1505  
01:17:36,190 --> 01:17:32,290  
was able to accomplish some of what I

1506  
01:17:39,310 --> 01:17:36,200  
experienced we're gonna do we're gonna

1507  
01:17:42,040 --> 01:17:39,320  
unpack that when I have her here to

1508  
01:17:46,900 --> 01:17:42,050  
answer questions and see what she thinks

1509  
01:18:45,770 --> 01:17:46,910  
about my conclusions but folks we're

1510  
01:18:52,350 --> 01:18:50,100  
then we are back folks sorry about that

1511  
01:18:54,630 --> 01:18:52,360  
I think I got to make that break bumper

1512  
01:18:57,570 --> 01:18:54,640  
a little bit longer so what we're gonna

1513  
01:19:03,780 --> 01:18:57,580

do now is I have a few final points to

1514

01:19:10,190 --> 01:19:03,790

make and I have I have another thing to

1515

01:19:18,180 --> 01:19:10,200

share here and that is a page full of

1516

01:19:20,220 --> 01:19:18,190

testimonials folks while she you know

1517

01:19:23,220 --> 01:19:20,230

one of the things that she told me was I

1518

01:19:26,010 --> 01:19:23,230

have so many clients that it takes

1519

01:19:28,230 --> 01:19:26,020

months to get a booking with me and I

1520

01:19:31,590 --> 01:19:28,240

don't have anything but happy clients

1521

01:19:35,400 --> 01:19:31,600

and I thought well I don't know that

1522

01:19:37,950 --> 01:19:35,410

that's a very believable assertion I

1523

01:19:41,240 --> 01:19:37,960

mean you know there's got to be somebody

1524

01:19:49,680 --> 01:19:41,250

that gave her the money and thought no

1525

01:19:53,220 --> 01:19:49,690

you know but what she sent me was a page

1526

01:19:57,360 --> 01:19:53,230

full of testimonials that are from her

1527

01:20:07,320 --> 01:19:57,370

clients so we're gonna look at some of

1528

01:20:16,660 --> 01:20:11,970

no testimonials here we go

1529

01:20:20,410 --> 01:20:16,670

so we've got an entire page full of

1530

01:20:23,200 --> 01:20:20,420

testimonials from people and you'll

1531

01:20:26,080 --> 01:20:23,210

forgive me if this is very big please

1532

01:20:28,780 --> 01:20:26,090

remember that I am vision impaired a

1533

01:20:31,060 --> 01:20:28,790

random decision to have a session with

1534

01:20:33,250 --> 01:20:31,070

Sara has answered so many questions that

1535

01:20:35,740 --> 01:20:33,260

involve so many areas of my life and

1536

01:20:40,510 --> 01:20:35,750

cleaned the pathway so I can finally

1537

01:20:42,340 --> 01:20:40,520

grow energetically I'm gonna skip

1538

01:20:44,229 --> 01:20:42,350

through a lot of this though the single

1539

01:20:46,180 --> 01:20:44,239

60 minute telephone session changed

1540

01:20:48,310 --> 01:20:46,190

everything in short I had multiple

1541

01:20:50,740 --> 01:20:48,320

energetic blockages that were

1542

01:20:52,959 --> 01:20:50,750

intentionally preventing me from raising

1543

01:20:55,630 --> 01:20:52,969

my vibration those blockages along with

1544

01:20:58,330 --> 01:20:55,640

various other emotional and health

1545

01:21:02,459 --> 01:20:58,340

blockages were discovered and she

1546

01:21:06,660 --> 01:21:02,469

quickly went to work removing them and

1547

01:21:10,870 --> 01:21:06,670

you know here's what I did I wanted to

1548

01:21:16,140 --> 01:21:10,880

kind of go over all of this all of this

1549

01:21:20,500 --> 01:21:16,150

all of these testimonials and so I have

1550

01:21:23,650 --> 01:21:20,510

text-to-speech on my laptop here and I

1551

01:21:29,709 --> 01:21:23,660

played the entire page of testimonials

1552

01:21:33,040 --> 01:21:29,719

on my cabin right here and all of them

1553

01:21:36,970 --> 01:21:33,050

are glowing testimonials about what

1554

01:21:40,990 --> 01:21:36,980

great experiences she this person bought

1555

01:21:43,180 --> 01:21:41,000

a 12 session pack my journey with Sara

1556

01:21:47,229 --> 01:21:43,190

brought me joy lightness literally

1557

01:21:51,550 --> 01:21:47,239

thanks to her I am on a keto diet for

1558

01:21:54,550 --> 01:21:51,560

three months now and so much love I can

1559

01:21:57,189 --> 01:21:54,560

feel that I am in love all the time

1560

01:21:58,750 --> 01:21:57,199

almost Sara does not only help you with

1561

01:22:00,880 --> 01:21:58,760

your challenges and energetic and

1562

01:22:03,310 --> 01:22:00,890

physical levels more importantly she

1563

01:22:05,200 --> 01:22:03,320

empowers you for her techniques on her

1564

01:22:08,680 --> 01:22:05,210

own to heal and grow spiritually and

1565

01:22:11,200 --> 01:22:08,690

otherwise there's another one I had a

1566

01:22:14,080 --> 01:22:11,210

reading where Sara scared scanned my

1567

01:22:16,419 --> 01:22:14,090

body she facilitated healing energy I

1568

01:22:19,180 --> 01:22:16,429

decided to contact her due to a visit

1569

01:22:19,990 --> 01:22:19,190

from a nail not frequent visitor

1570

01:22:21,910 --> 01:22:20,000

depression

1571

01:22:23,350 --> 01:22:21,920

so here we have somebody that had a

1572

01:22:25,540 --> 01:22:23,360

tremendous experience with her that was

1573

01:22:29,800 --> 01:22:25,550

suffering from depression that no longer

1574

01:22:32,290 --> 01:22:29,810

is I had a very healing reading with

1575

01:22:34,750 --> 01:22:32,300

Sarah she was able to read my aura and

1576

01:22:39,310 --> 01:22:34,760

target where I need it the most energy

1577

01:22:43,930 --> 01:22:39,320

and you know I don't know what to think

1578

01:22:48,400 --> 01:22:43,940

about some of this stuff but there is

1579

01:22:50,860 --> 01:22:48,410

this huge huge page that took like half

1580

01:22:55,090 --> 01:22:50,870

of my ride here to the cabin for this

1581

01:22:58,990 --> 01:22:55,100

text-to-speech program to read it so you

1582

01:23:02,709 --> 01:22:59,000

know I think that affected me in the

1583

01:23:03,430 --> 01:23:02,719

same way that a lot of people know you

1584

01:23:05,800 --> 01:23:03,440

know I

1585

01:23:08,260 --> 01:23:05,810

Jason quit was one of those other people

1586

01:23:11,560 --> 01:23:08,270

that I was like this guy is talking a

1587

01:23:13,900 --> 01:23:11,570

lot of smack and he has no proof and one

1588

01:23:17,560 --> 01:23:13,910

of the things about Jason quit was that

1589

01:23:21,160 --> 01:23:17,570

everybody that read his book could not

1590

01:23:24,240 --> 01:23:21,170

say how you know could not give him a

1591

01:23:29,020 --> 01:23:24,250

better review of his book it got

1592

01:23:31,120 --> 01:23:29,030

incredible incredible reviews if you

1593

01:23:33,160 --> 01:23:31,130

look at the Amazon page for Jason's book

1594

01:23:35,050 --> 01:23:33,170

it there's a tons of people there like

1595

01:23:36,640 --> 01:23:35,060

I've had similar experience this book

1596

01:23:38,590 --> 01:23:36,650

helped me so much to understand more

1597

01:23:41,290 --> 01:23:38,600

about my own experiences I'm so glad

1598

01:23:43,270 --> 01:23:41,300

that I I bought but you know that I got

1599

01:23:47,580 --> 01:23:43,280

his book it helped me understand what's

1600

01:23:49,450 --> 01:23:47,590

happening to me better and I thought

1601  
01:23:51,459 --> 01:23:49,460  
Brandon young how many of those

1602  
01:23:54,820 --> 01:23:51,469  
testimonials are written by one person I

1603  
01:23:59,070 --> 01:23:54,830  
have and I I don't have them here on

1604  
01:24:02,320 --> 01:23:59,080  
this laptop but I have also I mean I can

1605  
01:24:07,030 --> 01:24:02,330  
find them email em see a Brandon but I

1606  
01:24:09,400 --> 01:24:07,040  
have screenshots of Facebook posts

1607  
01:24:11,020 --> 01:24:09,410  
people that have gotten sessions post on

1608  
01:24:14,950 --> 01:24:11,030  
her facebook that were certainly written

1609  
01:24:16,959 --> 01:24:14,960  
by different people and yeah I don't

1610  
01:24:18,729 --> 01:24:16,969  
know you know could that be just a

1611  
01:24:20,200 --> 01:24:18,739  
marketing like somebody just wrote all

1612  
01:24:22,000 --> 01:24:20,210  
those I don't think so

1613  
01:24:25,870 --> 01:24:22,010

I don't get that from her I don't get

1614

01:24:27,790 --> 01:24:25,880

that she's like deceptive about a lot of

1615

01:24:31,419 --> 01:24:27,800

the things that she talks about or the

1616

01:24:33,729 --> 01:24:31,429

way that she markets herself and another

1617

01:24:37,689 --> 01:24:33,739

point that I wanted to make

1618

01:24:38,919 --> 01:24:37,699

is yeah it could maybe be determined

1619

01:24:41,560 --> 01:24:38,929

maybe somebody can do a deep dive on

1620

01:24:45,910 --> 01:24:41,570

that and that that page is just her

1621

01:24:48,669 --> 01:24:45,920

website testimonials I'll put the link

1622

01:24:50,259 --> 01:24:48,679

on Twitter later so anybody can look at

1623

01:24:52,689 --> 01:24:50,269

that if they want to try to pick it

1624

01:24:55,779 --> 01:24:52,699

apart I didn't go that far

1625

01:24:57,759 --> 01:24:55,789

it seemed to me to not be at least

1626

01:25:00,430 --> 01:24:57,769

blaringly obvious that it was written

1627

01:25:01,629 --> 01:25:00,440

all those were written by one person but

1628

01:25:04,660 --> 01:25:01,639

you're talking about hundreds of

1629

01:25:08,379 --> 01:25:04,670

testimonials here I don't see her faking

1630

01:25:11,410 --> 01:25:08,389

hundreds of testimonials so yeah I'm

1631

01:25:14,859 --> 01:25:11,420

gonna turn my attention now really fully

1632

01:25:17,259 --> 01:25:14,869

to the live chat if you have a question

1633

01:25:19,479 --> 01:25:17,269

or comment that you want me to share on

1634

01:25:22,870 --> 01:25:19,489

the screen that you want to ask about

1635

01:25:25,629 --> 01:25:22,880

the strange case of Sarah Adams please

1636

01:25:30,580 --> 01:25:25,639

do put it in all caps and remember that

1637

01:25:32,979 --> 01:25:30,590

I'm vision impaired so that helps me and

1638

01:25:35,109 --> 01:25:32,989

we're gonna try to deal with Jeff here

1639

01:25:37,000 --> 01:25:35,119

who's not a fan why don't you read her

1640

01:25:39,370 --> 01:25:37,010

email to me that I sent you today Steve

1641

01:25:42,339 --> 01:25:39,380

and it shows who Sarah really is Jeff

1642

01:25:43,810 --> 01:25:42,349

you know you have a personal I don't

1643

01:25:46,239 --> 01:25:43,820

want to call it a vendetta but you don't

1644

01:25:47,709 --> 01:25:46,249

like this girl and I get that for

1645

01:25:52,239 --> 01:25:47,719

various reasons and you've kind of

1646

01:25:56,350 --> 01:25:52,249

feuded with her and I'm in receipt of

1647

01:25:58,660 --> 01:25:56,360

the emails that you gave me and I'm

1648

01:26:01,359 --> 01:25:58,670

gonna bring those up when she's here and

1649

01:26:03,879 --> 01:26:01,369

I can ask her directly because it's not

1650

01:26:05,890 --> 01:26:03,889

fair to just here's one side of the

1651

01:26:08,529 --> 01:26:05,900

story if you want to come back when

1652

01:26:10,660 --> 01:26:08,539

she's in a live chat when she's on the

1653

01:26:12,040 --> 01:26:10,670

actual show which I think we'll be doing

1654

01:26:15,549 --> 01:26:12,050

next week I'm trying to coordinate it

1655

01:26:18,399 --> 01:26:15,559

with her you're welcome to ask her the

1656

01:26:20,500 --> 01:26:18,409

questions if she wants to answer she

1657

01:26:23,319 --> 01:26:20,510

will but I'm going to specifically bring

1658

01:26:27,040 --> 01:26:23,329

up the coronavirus stuff here's an issue

1659

01:26:29,200 --> 01:26:27,050

that Jeff honestly I think Jeff Jia he

1660

01:26:31,629 --> 01:26:29,210

has a personal you know he's been

1661

01:26:35,319 --> 01:26:31,639

feuding with this girl for various

1662

01:26:38,049 --> 01:26:35,329

reasons and you know honestly I want to

1663

01:26:39,700 --> 01:26:38,059

be fair to her Jeff and I don't think

1664

01:26:43,180 --> 01:26:39,710

it's fair for me to just pull out a

1665

01:26:45,189 --> 01:26:43,190

bunch of emails or to say here's a bunch

1666

01:26:47,450 --> 01:26:45,199

of things that could be a huge problem

1667

01:26:49,400 --> 01:26:47,460

that she's doing now

1668

01:26:52,010 --> 01:26:49,410

one of them I will just quickly mention

1669

01:26:55,910 --> 01:26:52,020

is that she was selling some kind of

1670

01:26:58,430 --> 01:26:55,920

corona virus related I don't wanna call

1671

01:27:02,240 --> 01:26:58,440

it a cure or sessions healing sessions

1672

01:27:03,920 --> 01:27:02,250

and homeopathic remedies that I have a

1673

01:27:05,720 --> 01:27:03,930

problem with and I will agree with

1674

01:27:10,000 --> 01:27:05,730

anybody that equally has a problem with

1675

01:27:14,270 --> 01:27:10,010

it first of all homeopathic remedies are

1676

01:27:16,910 --> 01:27:14,280

junk they're garbage it's proven you

1677

01:27:19,400 --> 01:27:16,920

know if you just go by actual medical

1678

01:27:21,920 --> 01:27:19,410

science I don't believe that homeopathic

1679

01:27:23,870 --> 01:27:21,930

remedies do anything except line the

1680

01:27:26,090 --> 01:27:23,880

pockets of somebody who wants to sell

1681

01:27:29,959 --> 01:27:26,100

fake medicine and fake cures for things

1682

01:27:35,690 --> 01:27:29,969

and fake treatments for things I'm not a

1683

01:27:38,720 --> 01:27:35,700

fan of homeopathic remedies and also if

1684

01:27:41,270 --> 01:27:38,730

she's I'm gonna ask her directly are you

1685

01:27:43,580 --> 01:27:41,280

doing healing sessions with people who

1686

01:27:45,830 --> 01:27:43,590

were coronavirus infected and what are

1687

01:27:48,229 --> 01:27:45,840

you telling them that these healing

1688

01:27:51,400 --> 01:27:48,239

sessions are gonna do for them about

1689

01:27:53,870 --> 01:27:51,410

their problem of having kovin 19

1690

01:27:55,630 --> 01:27:53,880

obviously if she's offering healing

1691

01:27:59,090 --> 01:27:55,640

services to people who were infected

1692

01:28:00,940 --> 01:27:59,100

were concerned with kovat 19 that's a

1693

01:28:03,229 --> 01:28:00,950

problem for me

1694

01:28:08,630 --> 01:28:03,239

but one of the other points I want to

1695

01:28:10,790 --> 01:28:08,640

make I couldn't find the pictures I've

1696

01:28:12,920 --> 01:28:10,800

said this about all of these a lot of

1697

01:28:15,950 --> 01:28:12,930

these gurus especially Corey Goode and

1698

01:28:18,110 --> 01:28:15,960

David Wilcock why if you guys are like

1699

01:28:20,540 --> 01:28:18,120

supposed to be the saviors of humanity

1700

01:28:24,260 --> 01:28:20,550

don't you do something in the real world

1701

01:28:30,020 --> 01:28:24,270

you know go feed the homeless go help

1702

01:28:32,330 --> 01:28:30,030

orphans do something someone sent me

1703

01:28:34,400 --> 01:28:32,340

because I knew that I was going to be

1704

01:28:37,190 --> 01:28:34,410

covering this strange case of Sarah

1705

01:28:39,830 --> 01:28:37,200

Adams and they knew that I have said on

1706

01:28:43,160 --> 01:28:39,840

multiple multiple occasions about David

1707

01:28:45,860 --> 01:28:43,170

Wilcock shady show [h\_\_h] and Corey Goode

1708

01:28:49,100 --> 01:28:45,870

Corey no good why don't you go feed the

1709

01:28:51,650 --> 01:28:49,110

homeless right you're so spiritual your

1710

01:28:54,020 --> 01:28:51,660

love and light we're we never see you at

1711

01:28:57,410 --> 01:28:54,030

a soup kitchen doling out soup to the

1712

01:29:00,229 --> 01:28:57,420

bums or the homeless people so I think

1713

01:29:00,470 --> 01:29:00,239

because somebody knew that I hammered

1714

01:29:02,330 --> 01:29:00,480

them

1715

01:29:04,070 --> 01:29:02,340

why don't you feed the homeless if you

1716

01:29:07,130 --> 01:29:04,080

care about people so much and your light

1717

01:29:10,460 --> 01:29:07,140

and love somebody sent me pictures of

1718

01:29:13,190 --> 01:29:10,470

this Sarah Adams in Egypt feeding the

1719

01:29:16,100 --> 01:29:13,200

homeless now she's there on vacation she

1720

01:29:19,010 --> 01:29:16,110

didn't have to do that and I'm not sure

1721

01:29:22,280 --> 01:29:19,020

of the exact story as best as I recall

1722

01:29:25,820 --> 01:29:22,290

from the email there are people who live

1723

01:29:27,380 --> 01:29:25,830

in or near the graveyards in Egypt and

1724

01:29:29,979 --> 01:29:27,390

they're homeless and they don't have any

1725

01:29:33,530 --> 01:29:29,989

money and they don't have any food and

1726

01:29:35,540 --> 01:29:33,540

Sarah recognized this while she was

1727

01:29:38,360 --> 01:29:35,550

there and countered these people and

1728

01:29:41,000 --> 01:29:38,370

went at her own expense and bought a ton

1729

01:29:45,050 --> 01:29:41,010

of food and is handing it out to all

1730

01:29:47,270 --> 01:29:45,060

these homeless people now one could

1731

01:29:48,950 --> 01:29:47,280

argue that that might be just for

1732

01:29:51,620 --> 01:29:48,960

publicity look at me feeding these

1733

01:29:55,130 --> 01:29:51,630

homeless people but I have found

1734

01:29:56,510 --> 01:29:55,140

multiple examples of her doing things

1735

01:30:00,140 --> 01:29:56,520

like that

1736

01:30:05,840 --> 01:30:00,150

and I also will say that I found her to

1737

01:30:10,280 --> 01:30:05,850

be very very I I don't know sincere and

1738

01:30:12,320 --> 01:30:10,290

genuine in her I guess belief and desire

1739

01:30:17,900 --> 01:30:12,330

that it's her life mission to help

1740

01:30:20,210 --> 01:30:17,910

people I may not agree that these

1741

01:30:22,670 --> 01:30:20,220

healing sessions that she offers are a

1742

01:30:24,770 --> 01:30:22,680

good thing for people that are sick I

1743

01:30:31,250 --> 01:30:24,780

don't know yet the jury's still out with

1744

01:30:35,330 --> 01:30:31,260

me but I will say and and also listen

1745

01:30:39,979 --> 01:30:35,340

just because she's sincere does not mean

1746

01:30:43,400 --> 01:30:39,989

that you know just because she's sincere

1747

01:30:45,860 --> 01:30:43,410

that's not proof that's not proof that

1748

01:30:49,130 --> 01:30:45,870

she's got psychic powers

1749

01:30:52,030 --> 01:30:49,140

you know sincerity is not evidence but I

1750

01:31:00,710 --> 01:30:52,040

didn't get the same con-artist

1751  
01:31:04,540 --> 01:31:00,720  
all for money situation that I get from

1752  
01:31:07,040 --> 01:31:04,550  
other that I get from other people I

1753  
01:31:20,629 --> 01:31:07,050  
feel like this live chats where it

1754  
01:31:26,399 --> 01:31:23,700  
yeah I'm getting the comments in the

1755  
01:31:45,030 --> 01:31:26,409  
live chat but seems to be stuck let me

1756  
01:32:01,620 --> 01:31:58,710  
let me try - oh yeah friends the live

1757  
01:32:05,490 --> 01:32:01,630  
chat sort of crashed in my stream yard

1758  
01:32:11,330 --> 01:32:05,500  
setup but I still see that it's still

1759  
01:32:15,270 --> 01:32:11,340  
going here in the live chat of course

1760  
01:32:18,229 --> 01:32:15,280  
which brings me to a another point that

1761  
01:32:21,570 --> 01:32:18,239  
I really want to make sure that I make

1762  
01:32:24,270 --> 01:32:21,580  
you know I get in these females and I'm

1763  
01:32:29,490 --> 01:32:24,280

getting these comments about things like

1764

01:32:33,900 --> 01:32:29,500

I had squeaky lights or you're too dark

1765

01:32:36,750 --> 01:32:33,910

the lighting is too dark or oh your

1766

01:32:40,680 --> 01:32:36,760

background was off on this one show did

1767

01:32:42,600 --> 01:32:40,690

you bump the webcam and yes I did bump

1768

01:32:44,150 --> 01:32:42,610

the webcam right before the stream

1769

01:32:48,140 --> 01:32:44,160

started oh there we go we're back again

1770

01:32:51,330 --> 01:32:48,150

you know I think I got you guys back so

1771

01:32:52,020 --> 01:32:51,340

you know I have a theory here and that

1772

01:32:54,540 --> 01:32:52,030

is this

1773

01:32:56,700 --> 01:32:54,550

it's especially the people that are used

1774

01:32:58,740 --> 01:32:56,710

to the midnight hour show my radio show

1775

01:33:00,450 --> 01:32:58,750

who are making and listen these are

1776

01:33:01,320 --> 01:33:00,460

constructive comments if I've got

1777

01:33:03,000 --> 01:33:01,330

squeaky lights

1778

01:33:05,550 --> 01:33:03,010

I should've oiled them yeah they were

1779

01:33:07,590 --> 01:33:05,560

cheap Chinese lights they all or they

1780

01:33:09,390 --> 01:33:07,600

squeak a lot then I have to try to fix

1781

01:33:17,130 --> 01:33:09,400

that because I love the lights but yeah

1782

01:33:20,340 --> 01:33:17,140

I don't like that squeaking either super

1783

01:33:21,690 --> 01:33:20,350

v-front cat she is not to the best of my

1784

01:33:24,830 --> 01:33:21,700

knowledge we've talked about this a

1785

01:33:27,900 --> 01:33:24,840

supporter of Corey good in fact she

1786

01:33:30,750 --> 01:33:27,910

believes that she has maybe somewhat

1787

01:33:33,180 --> 01:33:30,760

responsible for the karmic shift in cord

1788

01:33:34,890 --> 01:33:33,190

goods fortunes lately and maybe we'll

1789

01:33:38,910 --> 01:33:34,900

get her to talk about that when we have

1790

01:33:41,760 --> 01:33:38,920

her to interview how out of mind it

1791

01:33:44,400 --> 01:33:41,770

wasn't you I got I got like two emails

1792

01:33:46,650 --> 01:33:44,410

about the squeaks like somebody said it

1793

01:33:47,880 --> 01:33:46,660

was unwatchable I think it was Muriel

1794

01:33:49,530 --> 01:33:47,890

heat so I'm sorry Marielle

1795

01:33:53,430 --> 01:33:49,540

I'm gonna try to fix those lights

1796

01:33:55,890 --> 01:33:53,440

absolutely oh but back to my point so

1797

01:33:58,390 --> 01:33:55,900

yeah the background is going to be off

1798

01:34:01,959 --> 01:33:58,400

the music may be too loud

1799

01:34:04,120 --> 01:34:01,969

the the lights may squeak the microphone

1800

01:34:07,570 --> 01:34:04,130

might not sound great I'm working on

1801

01:34:09,729 --> 01:34:07,580

getting a better microphone and by the

1802

01:34:11,919 --> 01:34:09,739

way all of this stuff the webcam the

1803

01:34:13,839 --> 01:34:11,929

microphone and the software is all

1804

01:34:15,430 --> 01:34:13,849

purchased from patreon money that I was

1805

01:34:18,580 --> 01:34:15,440

setting aside so thanks to all my

1806

01:34:19,660 --> 01:34:18,590

patreon supporters my point is that I

1807

01:34:24,370 --> 01:34:19,670

have

1808

01:34:26,020 --> 01:34:24,380

oh yeah the context could be but I don't

1809

01:34:30,580 --> 01:34:26,030

think so because she's done many other

1810

01:34:35,530 --> 01:34:30,590

things including I have heard from

1811

01:34:37,660 --> 01:34:35,540

several several people in the community

1812

01:34:39,459 --> 01:34:37,670

I don't want whatever you want to call

1813

01:34:43,330 --> 01:34:39,469

this community that conspiracy land

1814

01:34:45,850 --> 01:34:43,340

community UFO alien nuts whatever that

1815

01:34:49,060 --> 01:34:45,860

she sent significant amounts of money to

1816

01:34:51,280 --> 01:34:49,070

when they were in trouble or they needed

1817

01:34:54,490 --> 01:34:51,290

her they needed some help somebody lost

1818

01:34:56,530 --> 01:34:54,500

their home she sent them a bunch of

1819

01:34:59,879 --> 01:34:56,540

money and I don't mean a small amount of

1820

01:35:04,120 --> 01:34:59,889

money there's a lot of examples of this

1821

01:35:07,419 --> 01:35:04,130

that I've been hearing and here we have

1822

01:35:09,040 --> 01:35:07,429

Eric in the don't smell sweat the small

1823

01:35:12,310 --> 01:35:09,050

stuff when streaming it's usually all

1824

01:35:13,810 --> 01:35:12,320

small stuff you're rightly so yeah let

1825

01:35:15,700 --> 01:35:13,820

me try to finish that point that's

1826

01:35:16,990 --> 01:35:15,710

another thing I'm sorry guys I ramble

1827

01:35:19,060 --> 01:35:17,000

sometimes because I'm used to the

1828

01:35:20,800 --> 01:35:19,070

ability to edit everything oh so my

1829

01:35:22,810 --> 01:35:20,810

theory is that people who are used to

1830

01:35:25,270 --> 01:35:22,820

the midnight hour show it was

1831

01:35:28,570 --> 01:35:25,280

pre-recorded there was tons of editing

1832

01:35:30,939 --> 01:35:28,580

and sometimes tons sometimes I just let

1833

01:35:34,390 --> 01:35:30,949

a lot of stuff slip but with a

1834

01:35:37,149 --> 01:35:34,400

pre-recorded audio show if there's a

1835

01:35:41,109 --> 01:35:37,159

click a squeak you can get that out of

1836

01:35:43,359 --> 01:35:41,119

there before you air the show and so

1837

01:35:45,359 --> 01:35:43,369

people were used to like perfect

1838

01:35:48,790 --> 01:35:45,369

production and everything being perfect

1839

01:35:50,979 --> 01:35:48,800

this show is live so things are going to

1840

01:35:51,550 --> 01:35:50,989

be different and I'm calling this warts

1841

01:35:53,470 --> 01:35:51,560

and all

1842

01:35:56,859 --> 01:35:53,480

so you're getting my new show warts and

1843

01:35:58,629 --> 01:35:56,869

all I want to produce as much content as

1844

01:36:00,970 --> 01:35:58,639

possible and the best way to do that is

1845

01:36:02,620 --> 01:36:00,980

no editing I could take those shows down

1846

01:36:04,540 --> 01:36:02,630

try to edit the audio to get the

1847

01:36:06,879 --> 01:36:04,550

squeaking out and put them back up but

1848

01:36:09,550 --> 01:36:06,889

that's a lot of editing and reuploads

1849

01:36:11,950 --> 01:36:09,560

and you know lost views we're not going

1850

01:36:14,110 --> 01:36:11,960

to do that so my point is that

1851

01:36:16,690 --> 01:36:14,120

this new show truth seekers you guys are

1852

01:36:18,820 --> 01:36:16,700

getting it warts and all and certainly I

1853

01:36:25,500 --> 01:36:18,830

will try to address issues that are a

1854

01:36:28,030 --> 01:36:25,510

problem but for now we're getting it

1855

01:36:28,540 --> 01:36:28,040

william Pixley we're getting it warts

1856

01:36:31,420 --> 01:36:28,550

and all

1857

01:36:32,620 --> 01:36:31,430

so that's that point and given this

1858

01:36:34,390 --> 01:36:32,630

whole episode is out of your ordinary

1859

01:36:37,360 --> 01:36:34,400

skeptical frame is there any takeaways

1860

01:36:40,090 --> 01:36:37,370

from this experience as of now you feel

1861

01:36:43,420 --> 01:36:40,100

that you can quantify speak to

1862

01:36:46,900 --> 01:36:43,430

definitely here's what i can say i can

1863

01:36:49,030 --> 01:36:46,910

say this with certainty she told me that

1864

01:36:51,790 --> 01:36:49,040

she could speed up my heart and then she

1865

01:36:55,650 --> 01:36:51,800

did she told me that i would feel pins

1866

01:36:58,840 --> 01:36:55,660

and needles or shivers and I felt I

1867

01:37:02,290 --> 01:36:58,850

think I felt pins and needles in my leg

1868

01:37:06,370 --> 01:37:02,300

and then I felt a like a whole like

1869

01:37:09,190 --> 01:37:06,380

chill went up and down my spine and I

1870

01:37:12,760 --> 01:37:09,200

have a working theory that we're gonna

1871

01:37:15,010 --> 01:37:12,770

talk to her about that may explain some

1872

01:37:17,500 --> 01:37:15,020

of this phenomenon that she and listen

1873

01:37:20,890 --> 01:37:17,510

I'm not the only person that she has

1874

01:37:24,070 --> 01:37:20,900

done this to I have other sources who

1875

01:37:26,860 --> 01:37:24,080

told me that she created a physical

1876

01:37:29,560 --> 01:37:26,870

effect in them and it's very interesting

1877

01:37:33,250 --> 01:37:29,570

to me that she's able to somehow do this

1878

01:37:36,340 --> 01:37:33,260

and this is another reason that yeah I'm

1879

01:37:38,590 --> 01:37:36,350

dropping my normal skeptical like just

1880

01:37:41,440 --> 01:37:38,600

beat them up and that they're frauds and

1881

01:37:44,790 --> 01:37:41,450

find a way to explain it I want to get

1882

01:37:47,710 --> 01:37:44,800

this right if there is a more reasonable

1883

01:37:49,480 --> 01:37:47,720

explanation and actually I really do

1884

01:37:53,050 --> 01:37:49,490

believe there is I'm talking to some

1885

01:37:54,550 --> 01:37:53,060

experts right now about my experience

1886

01:37:58,740 --> 01:37:54,560

with her and a few other people's

1887

01:38:02,350 --> 01:37:58,750

experience with her to try to get to a

1888

01:38:05,190 --> 01:38:02,360

non paranormal explanation that's not

1889

01:38:08,230 --> 01:38:05,200

you know swamp gas or weather balloons

1890

01:38:11,200 --> 01:38:08,240

ridiculous but actually explains what

1891

01:38:16,120 --> 01:38:11,210

she did what she is doing and how she's

1892

01:38:17,920 --> 01:38:16,130

able to accomplish those effects sarah

1893

01:38:19,870 --> 01:38:17,930

is interesting i want to see proof that

1894

01:38:22,090 --> 01:38:19,880

she's psychic and a super soldier i

1895

01:38:25,080 --> 01:38:22,100

think that was her boyfriend that was

1896

01:38:27,419 --> 01:38:25,090

the super soldier and this is the world

1897

01:38:30,149 --> 01:38:27,429

we're in we have a psychic intuitive

1898

01:38:30,720 --> 01:38:30,159

healer and her boyfriend was a super

1899

01:38:33,450 --> 01:38:30,730

soldier

1900

01:38:37,919 --> 01:38:33,460

he's now deceased may he rest in peace

1901

01:38:40,830 --> 01:38:37,929

God rest his soul the context I'm happy

1902

01:38:42,510 --> 01:38:40,840

to be the guinea pig and you know I

1903

01:38:44,760 --> 01:38:42,520

didn't open the phone lines if anybody

1904

01:38:48,830 --> 01:38:44,770

else would like to call in I'm gonna put

1905

01:38:51,270 --> 01:38:48,840

that I'm gonna put that phone line in

1906

01:38:54,600 --> 01:38:51,280

might be do the power suggest in a not

1907

01:38:56,399 --> 01:38:54,610

psychic activity who knows well there

1908

01:38:59,399 --> 01:38:56,409

you go reap see you're you're coming

1909

01:39:01,169 --> 01:38:59,409

dangerously close to the explanation

1910

01:39:04,320 --> 01:39:01,179

that I'm trying to get to but I have a

1911

01:39:07,050 --> 01:39:04,330

real expert on the power of suggestion

1912

01:39:10,740 --> 01:39:07,060

and hypnosis who has to help me analyze

1913

01:39:13,589 --> 01:39:10,750

what happened and see if we could get to

1914

01:39:17,790 --> 01:39:13,599

a non paranormal explanation for these

1915

01:39:19,560 --> 01:39:17,800

physical effects she was able and listen

1916

01:39:21,479 --> 01:39:19,570

you know my hands in my hat here

1917

01:39:24,089 --> 01:39:21,489

everybody knows that I'm such a skeptic

1918

01:39:26,700 --> 01:39:24,099

that I go these people are all gonna

1919

01:39:28,589 --> 01:39:26,710

think I went to the Wu and you know I'm

1920

01:39:33,180 --> 01:39:28,599

gonna be I'm gonna have Chandler's on

1921

01:39:38,040 --> 01:39:33,190

next and you know super soldiers and you

1922

01:39:41,550 --> 01:39:38,050

know targeted individuals and you know

1923

01:39:45,660 --> 01:39:41,560

we're gonna go total warrior no but I

1924

01:39:49,530 --> 01:39:45,670

had an experience that was physical

1925

01:39:52,919 --> 01:39:49,540

effect she physically affected me over

1926

01:39:55,169 --> 01:39:52,929

the phone I was impressed with her

1927

01:39:56,370 --> 01:39:55,179

ability to do that when she told me she

1928

01:39:59,189 --> 01:39:56,380

was going to do something like that I

1929

01:40:01,649 --> 01:39:59,199

went no this is gonna be good and i sat

1930

01:40:03,839 --> 01:40:01,659

there and i you know and i was kind of

1931

01:40:06,419 --> 01:40:03,849

resistant at first to the experience but

1932

01:40:10,310 --> 01:40:06,429

this is what happened and I want to get

1933

01:40:13,220 --> 01:40:10,320

back for a moment just to my son because

1934

01:40:15,930 --> 01:40:13,230

this is important part of the story too

1935

01:40:17,729 --> 01:40:15,940

she and somebody mentioned I've

1936

01:40:21,300 --> 01:40:17,739

mentioned that my I have an autistic son

1937

01:40:23,129 --> 01:40:21,310

many times she didn't try to say that

1938

01:40:26,520 --> 01:40:23,139

she knew by psychic ability that I had

1939

01:40:28,620 --> 01:40:26,530

an autistic son I offered that I said

1940

01:40:32,640 --> 01:40:28,630

you know if you really can heal people I

1941

01:40:34,919 --> 01:40:32,650

have an autistic son and if you could do

1942

01:40:38,610 --> 01:40:34,929

anything for him that would be awesome

1943

01:40:40,920 --> 01:40:38,620

and that one part kind of

1944

01:40:44,120 --> 01:40:40,930

threw me because she said all he screams

1945

01:40:46,440 --> 01:40:44,130

a lot and he he runs around giggling I

1946

01:40:48,060 --> 01:40:46,450

discounted that because if she knows

1947

01:40:49,470 --> 01:40:48,070

anything about autistic children she

1948

01:40:53,040 --> 01:40:49,480

will know that most of them do that

1949

01:40:55,080 --> 01:40:53,050

especially the nonverbal ones but the

1950

01:40:57,300 --> 01:40:55,090

other thing is that she told me that my

1951

01:40:59,790 --> 01:40:57,310

son was telepathic and he doesn't speak

1952

01:41:03,570 --> 01:40:59,800

but that she could communicate with him

1953

01:41:04,770 --> 01:41:03,580

so she said I go okay and she told me

1954

01:41:06,960 --> 01:41:04,780

she was communicating with him

1955

01:41:09,690 --> 01:41:06,970

telepathically and while this is going

1956

01:41:12,060 --> 01:41:09,700

on it's like midnight and I'm sure for

1957

01:41:14,880 --> 01:41:12,070

once I'm sure that he was in bed

1958

01:41:18,000 --> 01:41:14,890

sleeping so that kind of threw me off of

1959

01:41:20,040 --> 01:41:18,010

my excitement cuz I went okay well she's

1960

01:41:22,680 --> 01:41:20,050

telepathically communicating with him

1961

01:41:24,780 --> 01:41:22,690

while he's sleeping is she able to do

1962

01:41:27,660 --> 01:41:24,790

that to telepathically communicate with

1963

01:41:29,490 --> 01:41:27,670

him while he's sleeping okay and then

1964

01:41:32,910 --> 01:41:29,500

she told me that his favorite color was

1965

01:41:34,830 --> 01:41:32,920

blue now I have to tell you for anybody

1966

01:41:37,620 --> 01:41:34,840

that has an autistic child especially a

1967

01:41:40,740 --> 01:41:37,630

nonverbal one I don't know what his

1968

01:41:42,960 --> 01:41:40,750

favorite color is I wish to god that I

1969

01:41:45,750 --> 01:41:42,970

did so she tells me his favorite color

1970

01:41:48,420 --> 01:41:45,760

is blue today I went to try to find

1971

01:41:50,730 --> 01:41:48,430

crayons because if you just ask him

1972

01:41:53,430 --> 01:41:50,740

what's your favorite color no response

1973

01:41:55,980 --> 01:41:53,440

I couldn't find crayons or these we have

1974

01:41:57,660 --> 01:41:55,990

these colors he can identify colors with

1975

01:41:59,340 --> 01:41:57,670

these cards we have these flashcards you

1976

01:42:01,080 --> 01:41:59,350

can say what color and he'll point to

1977

01:42:02,730 --> 01:42:01,090

and he'll say blue what color he'll

1978

01:42:05,310 --> 01:42:02,740

point to and he'll say yellow so he does

1979

01:42:07,380 --> 01:42:05,320

speak a little bit but it's not much

1980

01:42:09,960 --> 01:42:07,390

I couldn't find the cards couldn't find

1981

01:42:13,440 --> 01:42:09,970

crayons but I figured a multiple choice

1982

01:42:18,180 --> 01:42:13,450

if I give him a choice maybe he will be

1983

01:42:23,670 --> 01:42:18,190

able to respond so today and I got very

1984

01:42:25,890 --> 01:42:23,680

emotional about this today she or I I

1985

01:42:27,450 --> 01:42:25,900

took him and you have to get him very

1986

01:42:29,400 --> 01:42:27,460

calm when he went his attention so I

1987

01:42:31,890 --> 01:42:29,410

trying to get him calm and put him on

1988

01:42:34,170 --> 01:42:31,900

the couch and I asked him Zachary

1989

01:42:37,470 --> 01:42:34,180

what's your favorite color yellow or

1990

01:42:39,960 --> 01:42:37,480

blue he said blue what's your favorite

1991

01:42:41,760 --> 01:42:39,970

color red or blue he said blue what's

1992

01:42:44,430 --> 01:42:41,770

your favorite color black or blue white

1993

01:42:47,220 --> 01:42:44,440

or blue yellow or blue green or blue

1994

01:42:50,040 --> 01:42:47,230

gray or blue brown or blue every color I

1995

01:42:52,609 --> 01:42:50,050

could think of each time he said blue

1996

01:42:56,129 --> 01:42:52,619

and I got very emotional about that

1997

01:42:58,259 --> 01:42:56,139

because he's eight years old he doesn't

1998

01:43:03,239 --> 01:42:58,269

communicate I don't know what his

1999

01:43:05,069 --> 01:43:03,249

favorite color is if nothing else from

2000

01:43:06,509 --> 01:43:05,079

this experience if that's really his

2001  
01:43:08,729 --> 01:43:06,519  
favorite color and I got to find that

2002  
01:43:11,250 --> 01:43:08,739  
out I'm glad that I met and talked to

2003  
01:43:14,310 --> 01:43:11,260  
this woman I don't know she's a psychic

2004  
01:43:18,060 --> 01:43:14,320  
I know that I had actual physical

2005  
01:43:20,879 --> 01:43:18,070  
effects happen and after she talked to

2006  
01:43:23,339 --> 01:43:20,889  
me about my son you know

2007  
01:43:25,290 --> 01:43:23,349  
she told me that I would have I may have

2008  
01:43:28,500 --> 01:43:25,300  
I may feel strange effects

2009  
01:43:30,330 --> 01:43:28,510  
I may have strange dreams tomorrow she

2010  
01:43:33,029 --> 01:43:30,340  
would check in on me which I thought was

2011  
01:43:34,439 --> 01:43:33,039  
a little weird like okay you just fix my

2012  
01:43:36,509 --> 01:43:34,449  
arm and tomorrow you're gonna check in

2013  
01:43:39,229 --> 01:43:36,519

with me and she did and asked me how I

2014

01:43:42,839 --> 01:43:39,239

was feeling and I got to tell you that

2015

01:43:44,729 --> 01:43:42,849

you know I don't believe in empaths

2016

01:43:47,399 --> 01:43:44,739

I don't but I do believe that some

2017

01:43:50,399 --> 01:43:47,409

people are more caring and empathetic of

2018

01:43:53,159 --> 01:43:50,409

others feelings than others maybe

2019

01:43:55,770 --> 01:43:53,169

there's a scale right and some people

2020

01:43:58,139 --> 01:43:55,780

are just more naturally sympathetic

2021

01:44:01,259 --> 01:43:58,149

empathetic and that's what I get from

2022

01:44:03,089 --> 01:44:01,269

her is that she truly cared about that

2023

01:44:08,159 --> 01:44:03,099

she truly cares about the people that

2024

01:44:11,209 --> 01:44:08,169

she's trying to help now I don't know I

2025

01:44:14,639 --> 01:44:11,219

don't know what else what else I can say

2026

01:44:16,500 --> 01:44:14,649

this is what I can't really sum it up

2027

01:44:19,679 --> 01:44:16,510

here we're gonna sum it up by talking to

2028

01:44:22,379 --> 01:44:19,689

her I wanted to unpack my own personal

2029

01:44:24,569 --> 01:44:22,389

experience with her invite a few others

2030

01:44:29,669 --> 01:44:24,579

to talk about their experience with her

2031

01:44:32,609 --> 01:44:29,679

so that we could more fully and really

2032

01:44:38,969 --> 01:44:32,619

get deep with her to try to explore her

2033

01:44:40,469 --> 01:44:38,979

abilities her you know philosophies you

2034

01:44:42,299 --> 01:44:40,479

know the one problem that I do have

2035

01:44:45,449 --> 01:44:42,309

though is like I said pick a lane like

2036

01:44:47,850 --> 01:44:45,459

she talks about aliens she talks she

2037

01:44:50,609 --> 01:44:47,860

says she talks to aliens she talks to

2038

01:44:53,580 --> 01:44:50,619

angels she talks to demons she told me

2039

01:44:55,889 --> 01:44:53,590

she talked to like the one of the Four

2040

01:45:01,020 --> 01:44:55,899

Horsemen of the Apocalypse or something

2041

01:45:03,509 --> 01:45:01,030

like that and it's like too much it's

2042

01:45:05,709 --> 01:45:03,519

too much to unpack with her and I knew

2043

01:45:07,810 --> 01:45:05,719

like one [h\_\_h] is not going to do it and

2044

01:45:10,209 --> 01:45:07,820

I mean we could do whole shows just on

2045

01:45:12,640 --> 01:45:10,219

some of her just on some of the videos

2046

01:45:15,669 --> 01:45:12,650

that she posts you know she'll have a

2047

01:45:17,890 --> 01:45:15,679

video talking about you know connecting

2048

01:45:22,629 --> 01:45:17,900

to God and child the next video will be

2049

01:45:25,390 --> 01:45:22,639

like talking talking about aliens and

2050

01:45:28,209 --> 01:45:25,400

the next video will be how to talk to

2051

01:45:31,689 --> 01:45:28,219

angels and it's so much to unpack with

2052

01:45:35,620 --> 01:45:31,699

her and again I was impressed with her

2053

01:45:38,379 --> 01:45:35,630

biblical knowledge and I didn't get the

2054

01:45:41,020 --> 01:45:38,389

kook vibe from her because you guys will

2055

01:45:44,200 --> 01:45:41,030

see when we have her on the show she

2056

01:45:47,200 --> 01:45:44,210

incredible she speaks she's incredibly

2057

01:45:49,540 --> 01:45:47,210

well-spoken I forgot to ask her a better

2058

01:45:52,419 --> 01:45:49,550

education or she had some kind I'm sure

2059

01:45:54,549 --> 01:45:52,429

that she's had more than just a

2060

01:45:58,029 --> 01:45:54,559

bachelor's degree in college and if not

2061

01:45:59,830 --> 01:45:58,039

she is incredibly a self learning person

2062

01:46:03,299 --> 01:45:59,840

to be able to speak so well have such a

2063

01:46:07,810 --> 01:46:03,309

knowledge of the Bible esoteric subjects

2064

01:46:09,969 --> 01:46:07,820

she's just so like a walking fountain of

2065

01:46:12,939 --> 01:46:09,979

knowledge on esoteric subjects and the

2066

01:46:15,580 --> 01:46:12,949

Bible you know and you know some

2067

01:46:19,779 --> 01:46:15,590

somebody I'd want to address this to

2068

01:46:22,629 --> 01:46:19,789

somebody mentioned that you know Moore

2069

01:46:25,750 --> 01:46:22,639

was enamored with her it was obvious

2070

01:46:28,509 --> 01:46:25,760

that he was you know googly eyed at her

2071

01:46:30,339 --> 01:46:28,519

and interested in her and she's faced a

2072

01:46:33,489 --> 01:46:30,349

lot of criticism about her appearance

2073

01:46:35,350 --> 01:46:33,499

which I think is a huge problem because

2074

01:46:37,680 --> 01:46:35,360

this is the world we live in that you

2075

01:46:40,239 --> 01:46:37,690

could be attacked for being fat or ugly

2076

01:46:44,379 --> 01:46:40,249

but you can equally be attacked for

2077

01:46:49,270 --> 01:46:44,389

being thin and you know beautiful the

2078

01:46:53,080 --> 01:46:49,280

girl is I don't know yeah most men would

2079

01:46:55,239 --> 01:46:53,090

say she's very attractive so you know

2080

01:46:57,729 --> 01:46:55,249

and I've heard her attacked for being

2081

01:46:59,979 --> 01:46:57,739

the hot girl in mythology or for being

2082

01:47:01,600 --> 01:46:59,989

the hot New Age girl and I think that's

2083

01:47:04,569 --> 01:47:01,610

really wrong if we're gonna attack

2084

01:47:06,549 --> 01:47:04,579

somebody for if we can't attack somebody

2085

01:47:08,350 --> 01:47:06,559

for being ugly we probably shouldn't

2086

01:47:09,939 --> 01:47:08,360

attack somebody for being attractive and

2087

01:47:12,069 --> 01:47:09,949

you know God bless her if she's using

2088

01:47:13,959 --> 01:47:12,079

that to her advantage everybody uses

2089

01:47:15,930 --> 01:47:13,969

what they were given by God and if she

2090

01:47:18,379 --> 01:47:15,940

was given look I'm very attractive

2091

01:47:20,750 --> 01:47:18,389

listen I've heard others talk about this

2092

01:47:23,270 --> 01:47:20,760

there's a reason that some people do

2093

01:47:25,550 --> 01:47:23,280

very well in this field like teal Swan

2094

01:47:27,229 --> 01:47:25,560

do you think teal swans doing well

2095

01:47:28,970 --> 01:47:27,239

because she's such a great researcher

2096

01:47:31,310 --> 01:47:28,980

and has such great information to offer

2097

01:47:33,439 --> 01:47:31,320

people no it's because she's super hot

2098

01:47:41,629 --> 01:47:33,449

like that's the reality of the world we

2099

01:47:43,220 --> 01:47:41,639

live in wacky avians okay great white

2100

01:47:45,200 --> 01:47:43,230

Brotherhood and the tall white clay

2101  
01:47:48,350 --> 01:47:45,210  
Tian's aren't the same as wacky avians

2102  
01:47:50,300 --> 01:47:48,360  
and Draco reptilians leave out men are

2103  
01:47:59,890 --> 01:47:50,310  
you an extraterrestrial racist are you

2104  
01:48:04,370 --> 01:48:02,510  
Solar Marshall Kevin Moore is not who he

2105  
01:48:06,859 --> 01:48:04,380  
claimed to be Kevin turned out to be a

2106  
01:48:08,300 --> 01:48:06,869  
big disappointment yeah you know there's

2107  
01:48:10,490 --> 01:48:08,310  
a lot of that going around solar

2108  
01:48:12,890 --> 01:48:10,500  
Marshall I don't know him never met him

2109  
01:48:14,450 --> 01:48:12,900  
never spoke to him you know I probably

2110  
01:48:16,669 --> 01:48:14,460  
would like to were into a lot of the

2111  
01:48:18,830 --> 01:48:16,679  
same subjects but uh I don't know what's

2112  
01:48:20,510 --> 01:48:18,840  
going on with him or where that DVD or

2113  
01:48:23,090 --> 01:48:20,520

what is it documentary that he's

2114

01:48:25,129 --> 01:48:23,100

supposed to have produced like I don't

2115

01:48:29,000 --> 01:48:25,139

know five years ago or a couple years

2116

01:48:35,240 --> 01:48:29,010

ago now but I'm one person that having

2117

01:48:38,720 --> 01:48:35,250

produced things knows that it's

2118

01:48:40,250 --> 01:48:38,730

difficult to finish projects super V fun

2119

01:48:44,899 --> 01:48:40,260

cat I've never heard anyone attack her

2120

01:48:47,090 --> 01:48:44,909

for being smoking hot I have I got some

2121

01:48:49,370 --> 01:48:47,100

emails today in fact you know that she's

2122

01:48:51,680 --> 01:48:49,380

only popular because she's pretty okay

2123

01:48:54,020 --> 01:48:51,690

she's popular because she's pretty we're

2124

01:48:55,669 --> 01:48:54,030

in high school again but you know I just

2125

01:48:58,700 --> 01:48:55,679

wanted to mention the appearance thing

2126  
01:49:01,100 --> 01:48:58,710  
because I've heard a few people and then

2127  
01:49:02,959 --> 01:49:01,110  
as she mentioned it to me that way even

2128  
01:49:05,510 --> 01:49:02,969  
Eric and some of those guys were like oh

2129  
01:49:07,430 --> 01:49:05,520  
you can't take her seriously before Eric

2130  
01:49:09,379 --> 01:49:07,440  
before he met her was kind of like hey

2131  
01:49:10,910 --> 01:49:09,389  
she's just this you know hot New Age

2132  
01:49:12,350 --> 01:49:10,920  
girl you can't really take her seriously

2133  
01:49:14,810 --> 01:49:12,360  
and then he met her and he felt

2134  
01:49:19,129 --> 01:49:14,820  
differently and I think that some of us

2135  
01:49:21,290 --> 01:49:19,139  
might feel differently after I get to

2136  
01:49:27,649 --> 01:49:21,300  
talk more to her and I bring you guys

2137  
01:49:29,419 --> 01:49:27,659  
more her super she is cute folks want to

2138  
01:49:31,029 --> 01:49:29,429

think people trust believe her for this

2139

01:49:32,799 --> 01:49:31,039

yeah maybe

2140

01:49:35,919 --> 01:49:32,809

I don't know do you guys think that more

2141

01:49:36,939 --> 01:49:35,929

attractive people garner more trust than

2142

01:49:46,000 --> 01:49:36,949

an ugly person

2143

01:49:47,770 --> 01:49:46,010

maybe I mean it depends right I remember

2144

01:49:50,619 --> 01:49:47,780

seeing this with Michael Horne and being

2145

01:49:52,239 --> 01:49:50,629

like no Steve no what are you talking

2146

01:49:53,829 --> 01:49:52,249

about Brendon him coming back to the

2147

01:49:55,539 --> 01:49:53,839

show I'm gonna do it I think I'm gonna

2148

01:49:58,619 --> 01:49:55,549

do it we're gonna get back on that billy

2149

01:50:01,000 --> 01:49:58,629

meier crazy train and we're gonna see

2150

01:50:03,879 --> 01:50:01,010

Michael horn for those who don't know is

2151  
01:50:05,799 --> 01:50:03,889  
Billy Myers media representative and

2152  
01:50:08,289 --> 01:50:05,809  
he's been on my radio show previously

2153  
01:50:11,229 --> 01:50:08,299  
and there was this big battle you know

2154  
01:50:13,989 --> 01:50:11,239  
he freaked out and because I got chewed

2155  
01:50:16,629 --> 01:50:13,999  
him that his main source was a convicted

2156  
01:50:19,119 --> 01:50:16,639  
child molester so his main source for

2157  
01:50:21,369 --> 01:50:19,129  
proof of why the billy meier story was

2158  
01:50:22,929 --> 01:50:21,379  
true was investigator Wendell Stevens

2159  
01:50:25,899 --> 01:50:22,939  
who turned out to be a convicted child

2160  
01:50:28,569 --> 01:50:25,909  
molester and boy he did not like me

2161  
01:50:30,579 --> 01:50:28,579  
asking him about his child molesting

2162  
01:50:34,270 --> 01:50:30,589  
source so that turned into a huge battle

2163  
01:50:36,759 --> 01:50:34,280

he went away you know I said I'm never

2164

01:50:40,869 --> 01:50:36,769

gonna deal with him anymore he wants to

2165

01:50:42,639 --> 01:50:40,879

come back now because she he wants to

2166

01:50:46,239 --> 01:50:42,649

come back number one so I can apologize

2167

01:50:48,909 --> 01:50:46,249

to him and number two so he could prove

2168

01:50:50,949 --> 01:50:48,919

to everyone and me that Billy Meyer

2169

01:50:53,349 --> 01:50:50,959

predicted everything that's happening in

2170

01:50:56,919 --> 01:50:53,359

2020 and he did it 10 or 20 years ago

2171

01:51:01,179 --> 01:50:56,929

I may have him come back we'll go back

2172

01:51:03,189 --> 01:51:01,189

down that crazy hole I think it's harder

2173

01:51:05,369 --> 01:51:03,199

to be taken seriously if you're sexy not

2174

01:51:08,679 --> 01:51:05,379

pretty but sexy is a challenge

2175

01:51:11,409 --> 01:51:08,689

super V fun cat it's hard to be taken

2176  
01:51:13,209 --> 01:51:11,419  
seriously if you're sexy well maybe I

2177  
01:51:15,369 --> 01:51:13,219  
don't know if that does that apply to

2178  
01:51:18,039 --> 01:51:15,379  
men and women like what if a man is

2179  
01:51:21,489 --> 01:51:18,049  
really sexy is he taken seriously I

2180  
01:51:25,869 --> 01:51:21,499  
think if a woman is is considered sexy

2181  
01:51:28,689 --> 01:51:25,879  
she's not valued for other you know

2182  
01:51:30,849 --> 01:51:28,699  
attributes or other skills she may have

2183  
01:51:32,469 --> 01:51:30,859  
she's just looked at oh she's pretty

2184  
01:51:35,109 --> 01:51:32,479  
that's her thing being pretty and I

2185  
01:51:39,819 --> 01:51:35,119  
think some of that may be going along

2186  
01:51:42,519 --> 01:51:39,829  
with this girl pretty handsome people do

2187  
01:51:44,830 --> 01:51:42,529  
get more trust but having high sex

2188  
01:51:50,050 --> 01:51:44,840

appeal is a huge challenge people

2189

01:51:51,130 --> 01:51:50,060

hate super-sexy people I don't listen I

2190

01:51:53,680 --> 01:51:51,140

don't want to get divorced over

2191

01:51:55,270 --> 01:51:53,690

commenting on how super sexy or pretty

2192

01:51:57,640 --> 01:51:55,280

or whatever I think this girl is I'll

2193

01:51:59,350 --> 01:51:57,650

say I think she's attractive and I think

2194

01:52:02,530 --> 01:51:59,360

most men would agree with me that she's

2195

01:52:06,280 --> 01:52:02,540

very attractive and maybe a lot of women

2196

01:52:09,760 --> 01:52:06,290

too who were into that into women would

2197

01:52:11,320 --> 01:52:09,770

agree with me yeah she's got a you know

2198

01:52:13,210 --> 01:52:11,330

maybe it's some of her social media

2199

01:52:16,750 --> 01:52:13,220

presence too because she's got a lot of

2200

01:52:19,090 --> 01:52:16,760

those like like model quality selfies

2201  
01:52:22,360 --> 01:52:19,100  
and things like that but god bless her

2202  
01:52:24,190 --> 01:52:22,370  
you got to market yourself Steven told

2203  
01:52:25,780 --> 01:52:24,200  
me bob lazar as a fraud I still believe

2204  
01:52:27,640 --> 01:52:25,790  
in Bob Lazar though not because I think

2205  
01:52:30,280 --> 01:52:27,650  
he's telling the truth but because it is

2206  
01:52:31,240 --> 01:52:30,290  
fun to believe him ream see I grew up

2207  
01:52:33,220 --> 01:52:31,250  
with that story

2208  
01:52:35,860 --> 01:52:33,230  
it's probably my all-time favorite UFO

2209  
01:52:38,710 --> 01:52:35,870  
story and we have solar marshal here who

2210  
01:52:43,390 --> 01:52:38,720  
has been the expert in the Bob Lazar

2211  
01:52:45,750 --> 01:52:43,400  
case for years and years and years it is

2212  
01:52:49,180 --> 01:52:45,760  
fun to believe that it may be true but

2213  
01:52:52,210 --> 01:52:49,190

ream see talk solar Marshall there's a

2214

01:52:55,570 --> 01:52:52,220

guy with airplanes that was just allowed

2215

01:52:57,760 --> 01:52:55,580

to fly over that Papoose Lake and take

2216

01:53:00,850 --> 01:52:57,770

pictures and there is nothing there

2217

01:53:06,690 --> 01:53:00,860

there is no s4 so there's more evidence

2218

01:53:11,290 --> 01:53:06,700

that Bob Lazar is a fraud I need my on a

2219

01:53:15,670 --> 01:53:11,300

you know Betania I think it's I think

2220

01:53:19,750 --> 01:53:15,680

it's Lazar iam were something else but

2221

01:53:23,290 --> 01:53:19,760

you know betaine IAM and we're talking

2222

01:53:25,330 --> 01:53:23,300

about that element Bob Lazar 100% more

2223

01:53:33,110 --> 01:53:25,340

believable so the context you don't

2224

01:53:37,919 --> 01:53:35,640

CW channa has to deal a lot with this

2225

01:53:40,860 --> 01:53:37,929

sex appeal issue the tracks from the

2226

01:53:42,870 --> 01:53:40,870

message yeah and I always joke that I

2227

01:53:44,580 --> 01:53:42,880

had a face for radio so I don't know

2228

01:53:47,040 --> 01:53:44,590

what I'm doing on a video camera because

2229

01:53:49,439 --> 01:53:47,050

man I was very apprehensive about this I

2230

01:53:57,479 --> 01:53:49,449

think I prefer being just a much you

2231

01:53:59,160 --> 01:53:57,489

know just a microphone yeah I leave em

2232

01:54:02,340 --> 01:53:59,170

and I'd like to have you - you gotta

2233

01:54:05,189 --> 01:54:02,350

come you got to come and talk about Q

2234

01:54:08,410 --> 01:54:05,199

and on with me because I don't know very

2235

01:54:14,650 --> 01:54:12,729

a problem so if they're hot sex you're

2236

01:54:16,450 --> 01:54:14,660

pretty they get a pass what if we had

2237

01:54:18,400 --> 01:54:16,460

standards those peers had to live up to

2238

01:54:21,370 --> 01:54:18,410

regardless of looks yeah I think you're

2239

01:54:22,810 --> 01:54:21,380

right I mean I you know maybe I I should

2240

01:54:25,959 --> 01:54:22,820

have made that point I just mean that

2241

01:54:29,229 --> 01:54:25,969

like she got a lot of flack like you

2242

01:54:30,610 --> 01:54:29,239

know oh she's only popular maybe it's

2243

01:54:36,729 --> 01:54:30,620

jealousy she's only popular because

2244

01:54:38,770 --> 01:54:36,739

she's pretty and this and that I'm

2245

01:54:40,390 --> 01:54:38,780

putting my hands in my pockets for a

2246

01:54:44,320 --> 01:54:40,400

little bit I can't trust myself not to

2247

01:54:45,970 --> 01:54:44,330

be reactive but I am listening Daniel I

2248

01:54:47,760 --> 01:54:45,980

don't know what you're doing over there

2249

01:54:50,560 --> 01:54:47,770

but I don't think I want to know

2250

01:54:53,200 --> 01:54:50,570

Brandon young god bless you cam bin

2251

01:54:56,530 --> 01:54:53,210

Thank You Brandon young I'm glad to see

2252

01:54:59,290 --> 01:54:56,540

you here again and the context shout-out

2253

01:55:02,800 --> 01:54:59,300

to the context in Daniel he has this

2254

01:55:06,189 --> 01:55:02,810

cosmic con series and he just did one or

2255

01:55:09,330 --> 01:55:06,199

Peter Slattery who's one of my favorites

2256

01:55:11,830 --> 01:55:09,340

because this guy puts out a picture of

2257

01:55:14,020 --> 01:55:11,840

the aliens that he talks to and there's

2258

01:55:17,770 --> 01:55:14,030

like the avatar aliens are all in there

2259

01:55:21,600 --> 01:55:17,780

ETS on there and I think the Silver

2260

01:55:24,459 --> 01:55:24,070

William Pixley I'm going to tune in

2261

01:55:28,140 --> 01:55:24,469

tonight

2262

01:55:31,990 --> 01:55:28,150

props love everyone here stay safe folks

2263

01:55:41,950 --> 01:55:32,000

good and I'm just gonna check in real

2264

01:55:52,060 --> 01:55:41,960

quick with the real quick with the well

2265

01:55:58,480 --> 01:55:54,680

now we have some comments from George

2266

01:56:02,600 --> 01:55:58,490

which I don't think made it to the live

2267

01:56:07,070 --> 01:56:02,610

chat we have George risen all and says

2268

01:56:10,070 --> 01:56:07,080

love the cabin Steven nice cabin Steven

2269

01:56:14,540 --> 01:56:10,080

and is it still live yes we are still

2270

01:56:16,250 --> 01:56:14,550

here George I think the way that this

2271

01:56:18,590 --> 01:56:16,260

system is supposed to work is that the

2272

01:56:22,370 --> 01:56:18,600

Facebook comments are supposed to come

2273

01:56:23,960 --> 01:56:22,380

into my live chat here and my software

2274

01:56:26,330 --> 01:56:23,970

and I'm supposed to be able to reply to

2275

01:56:28,610 --> 01:56:26,340

both I don't know oh yeah is this still

2276

01:56:32,140 --> 01:56:28,620

alive yeah here we go

2277

01:56:36,200 --> 01:56:32,150

it it is here it is coming through okay

2278

01:56:38,600 --> 01:56:36,210

we have Jasmine emmerich I've never seen

2279

01:56:40,490 --> 01:56:38,610

you in GE at the same place at the same

2280

01:56:42,320 --> 01:56:40,500

time that may be a whole nother

2281

01:56:44,450 --> 01:56:42,330

conspiracy theory oh and that reminds me

2282

01:56:45,950 --> 01:56:44,460

you know people send me conspiracy

2283

01:56:47,450 --> 01:56:45,960

theories all the time I put something on

2284

01:56:49,940 --> 01:56:47,460

my Twitter that everybody should try you

2285

01:56:54,250 --> 01:56:49,950

type in any three-digit number and new

2286

01:56:58,400 --> 01:56:54,260

cases into Google it's kind of trippy

2287

01:57:01,340 --> 01:56:58,410

but later I thought about it and with

2288

01:57:03,200 --> 01:57:01,350

the thousands of cases or thousands of

2289

01:57:04,310 --> 01:57:03,210

stories being written it kind of makes

2290

01:57:06,260 --> 01:57:04,320

sense that that would happen

2291

01:57:10,780 --> 01:57:06,270

but that's not what's happening here

2292

01:57:14,320 --> 01:57:10,790

somebody specifically tried to

2293

01:57:16,820 --> 01:57:14,330

manipulate the Google search algorithms

2294

01:57:19,880 --> 01:57:16,830

you'll see what I mean type in any

2295

01:57:25,570 --> 01:57:19,890

three-digit number into Google and new

2296

01:57:28,070 --> 01:57:25,580

cases like 333 new cases 111 new cases

2297

01:57:30,980 --> 01:57:28,080

110 new cases any three-digit number

2298

01:57:35,090 --> 01:57:30,990

between zero and a thousand 0 and 999

2299

01:57:36,560 --> 01:57:35,100

you know and you'll get a strange thing

2300

01:57:40,700 --> 01:57:36,570

happening and I don't know how that

2301  
01:57:43,610 --> 01:57:40,710  
happened we're going a little long here

2302  
01:57:47,120 --> 01:57:43,620  
folks I honestly expected this show to

2303  
01:57:53,990 --> 01:57:47,130  
be an hour but we had Eric call in and a

2304  
01:57:56,720 --> 01:57:54,000  
few other things so out of mind I

2305  
01:58:05,589 --> 01:57:56,730  
noticed a ton of comments not in chat I

2306  
01:58:10,930 --> 01:58:08,370  
yeah I'm not seeing those comments I

2307  
01:58:14,080 --> 01:58:10,940  
don't think that you guys can see the

2308  
01:58:16,720 --> 01:58:14,090  
Facebook comments unless I find them in

2309  
01:58:18,729 --> 01:58:16,730  
my chat here in my software and put them

2310  
01:58:22,479 --> 01:58:18,739  
up on the screen so I'm gonna try to

2311  
01:58:24,550 --> 01:58:22,489  
figure out a way to identify you know to

2312  
01:58:26,200 --> 01:58:24,560  
be sure like oh okay this is a Facebook

2313  
01:58:28,720 --> 01:58:26,210

comment and make sure I put them all up

2314

01:58:30,879 --> 01:58:28,730

so that you guys can see it looks like

2315

01:58:32,979 --> 01:58:30,889

Facebook we only had like seven people

2316

01:58:38,140 --> 01:58:32,989

watching but that's seven more people

2317

01:58:46,140 --> 01:58:38,150

than usual so I'll take that I'm going

2318

01:58:48,580 --> 01:58:46,150

to oh let's see yeah with new cases I

2319

01:58:50,109 --> 01:58:48,590

don't see any Facebook comments yeah you

2320

01:58:53,459 --> 01:58:50,119

won't see the Facebook comments if

2321

01:58:55,839 --> 01:58:53,469

you're just in the YouTube live chat

2322

01:58:58,450 --> 01:58:55,849

like I said I have to put them up on the

2323

01:59:01,959 --> 01:58:58,460

screen here so you can see them I see

2324

01:59:08,589 --> 01:59:01,969

them all in my comment section here in

2325

01:59:11,530 --> 01:59:08,599

my software it's fake book comments that

2326

01:59:15,879 --> 01:59:11,540

explains it yeah maybe that does explain

2327

01:59:17,770 --> 01:59:15,889

it okay I don't know if anybody wants to

2328

01:59:20,589 --> 01:59:17,780

call in but I'm willing to keep going

2329

01:59:25,080 --> 01:59:20,599

and also I just want to mention that I'd

2330

01:59:28,330 --> 01:59:25,090

like to produce more content and we have

2331

01:59:32,140 --> 01:59:28,340

Rachel Hoffman coming up from paranormal

2332

01:59:33,729 --> 01:59:32,150

expeditions who's a you know I've been

2333

01:59:35,350 --> 01:59:33,739

kind of following her on Facebook and

2334

01:59:37,510 --> 01:59:35,360

her adventure she runs around the whole

2335

01:59:39,910 --> 01:59:37,520

country if she hears about a haunted

2336

01:59:42,040 --> 01:59:39,920

house she's got this bus now that she

2337

01:59:43,899 --> 01:59:42,050

lives in and she just goes to these

2338

01:59:45,430 --> 01:59:43,909

haunted houses and films and takes

2339

01:59:47,290 --> 01:59:45,440

pictures and she does all the ghost

2340

01:59:49,060 --> 01:59:47,300

hunting stuff we're gonna be talking to

2341

01:59:51,250 --> 01:59:49,070

her next week we're trying to work out

2342

01:59:53,500 --> 01:59:51,260

the date and also I think tomorrow night

2343

01:59:56,169 --> 01:59:53,510

I might do and ask me anything because

2344

02:00:00,310 --> 01:59:56,179

I've never done that and that would be

2345

02:00:02,680 --> 02:00:00,320

something kind of fun to do let me get

2346

02:00:05,709 --> 02:00:02,690

back to the live comment chat here oh

2347

02:00:07,750 --> 02:00:05,719

let's get back to the we're gonna play

2348

02:00:09,939 --> 02:00:07,760

the live call-in number the live call-in

2349

02:00:12,040 --> 02:00:09,949

number you can call in and just like

2350

02:00:13,930 --> 02:00:12,050

Eric did and be a part of the show I

2351  
02:00:15,250 --> 02:00:13,940  
don't know if anybody wants to do that

2352  
02:00:18,520 --> 02:00:15,260  
but we're gonna play that real quickly

2353  
02:00:19,410 --> 02:00:18,530  
and you guys can call in on our live

2354  
02:00:22,830 --> 02:00:19,420  
call-in

2355  
02:00:25,800 --> 02:00:22,840  
and come right on the show so we'll play

2356  
02:00:27,570 --> 02:00:25,810  
that now if after I play this bumper if

2357  
02:00:31,200 --> 02:00:27,580  
no you know nobody's called in then

2358  
02:02:32,760 --> 02:00:31,210  
we'll just try to wrap things up we'll

2359  
02:02:38,530 --> 02:02:36,420  
so there we go folks

2360  
02:02:40,030 --> 02:02:38,540  
anybody is free to call in you could

2361  
02:02:41,590 --> 02:02:40,040  
talk about this subject that we had

2362  
02:02:43,060 --> 02:02:41,600  
tonight or any other subject if you want

2363  
02:02:44,950 --> 02:02:43,070

to talk about your paranormal experience

2364

02:02:47,350 --> 02:02:44,960

I'm kind of running out of steam here

2365

02:02:57,810 --> 02:02:47,360

but I'm willing to stay if somebody

2366

02:03:03,940 --> 02:03:00,370

yeah Lee I I am

2367

02:03:06,130 --> 02:03:03,950

here's Lee here's what happened I am a

2368

02:03:09,550 --> 02:03:06,140

big supporter of free software so I

2369

02:03:12,370 --> 02:03:09,560

don't and I mean free as in freedom not

2370

02:03:14,080 --> 02:03:12,380

free as in the cost I pay for some free

2371

02:03:18,400 --> 02:03:14,090

software that I like I contribute to

2372

02:03:20,320 --> 02:03:18,410

[h\_\_\h] and a few other things I don't like

2373

02:03:23,320 --> 02:03:20,330

pay by the month software I think I

2374

02:03:25,870 --> 02:03:23,330

consider it software slavery however in

2375

02:03:28,720 --> 02:03:25,880

this circumstance I tried working with

2376

02:03:31,210 --> 02:03:28,730

OBS for a couple of months and I could

2377

02:03:33,190 --> 02:03:31,220

get it to half the things that I want it

2378

02:03:35,260 --> 02:03:33,200

but not all the things that I want it it

2379

02:03:37,260 --> 02:03:35,270

was very flashy I could get it to look

2380

02:03:40,420 --> 02:03:37,270

great with these overlays and these

2381

02:03:44,920 --> 02:03:40,430

animated graphics but I couldn't figure

2382

02:03:46,540 --> 02:03:44,930

out getting the live chat up on the

2383

02:03:48,340 --> 02:03:46,550

screen and I couldn't figure out many

2384

02:03:52,300 --> 02:03:48,350

things and I went to all these rabbit

2385

02:03:53,740 --> 02:03:52,310

holes good stream Jasmine Emmerich's is

2386

02:03:55,540 --> 02:03:53,750

good stream Steve community needs

2387

02:03:57,280 --> 02:03:55,550

someone who explores different avenues

2388

02:03:58,420 --> 02:03:57,290

people can make up their own minds of

2389

02:04:05,140 --> 02:03:58,430

course I don't understand how people

2390

02:04:07,900 --> 02:04:05,150

reason things sometimes yeah I want to

2391

02:04:09,880 --> 02:04:07,910

try to be a little less skeptical and I

2392

02:04:12,040 --> 02:04:09,890

know like somebody like solar Mars will

2393

02:04:14,470 --> 02:04:12,050

leave it to him he's like what happened

2394

02:04:17,260 --> 02:04:14,480

why are you being nice to these nuts

2395

02:04:18,730 --> 02:04:17,270

right like I have to determine that

2396

02:04:20,800 --> 02:04:18,740

she's oh that's another thing I went to

2397

02:04:25,180 --> 02:04:20,810

mention I didn't get the kooky vibe she

2398

02:04:27,850 --> 02:04:25,190

just to lucid present and well-spoken

2399

02:04:29,710 --> 02:04:27,860

to be considered just a loon because

2400

02:04:31,030 --> 02:04:29,720

honestly most of the time when I

2401  
02:04:33,040 --> 02:04:31,040  
encounter somebody that tells me they

2402  
02:04:35,740 --> 02:04:33,050  
talk to angels or aliens that they have

2403  
02:04:36,860 --> 02:04:35,750  
some kind of mental issue so I was

2404  
02:04:38,960 --> 02:04:36,870  
paying attention this

2405  
02:04:42,890 --> 02:04:38,970  
if I could figure out that she's got

2406  
02:04:44,810 --> 02:04:42,900  
signs of you know some kind of mental

2407  
02:04:48,560 --> 02:04:44,820  
illness that may be causing her belief

2408  
02:04:50,180 --> 02:04:48,570  
in her what is essentially superpowers I

2409  
02:04:52,010 --> 02:04:50,190  
mean essentially we've got a girl here

2410  
02:04:54,610 --> 02:04:52,020  
who claims that she's making a lot of

2411  
02:05:00,200 --> 02:04:54,620  
claims but that she's got super powers

2412  
02:05:02,390 --> 02:05:00,210  
maybe one of them you know these are not

2413  
02:05:04,600 --> 02:05:02,400

small claims and extraordinary claims

2414

02:05:06,920 --> 02:05:04,610

require extraordinary proof

2415

02:05:09,500 --> 02:05:06,930

honestly like I said I said several

2416

02:05:11,750 --> 02:05:09,510

times I was floored especially with my

2417

02:05:15,710 --> 02:05:11,760

background and mentalism

2418

02:05:18,410 --> 02:05:15,720

and conjuring or the art of magic magic

2419

02:05:21,080 --> 02:05:18,420

tricks that she was able to get a

2420

02:05:26,720 --> 02:05:21,090

physical response out of me over the

2421

02:05:29,540 --> 02:05:26,730

phone and I'm skeptical Oh Brandon young

2422

02:05:31,280 --> 02:05:29,550

you called I did not get your call

2423

02:05:31,820 --> 02:05:31,290

Brandon if you want to try again real

2424

02:05:33,890 --> 02:05:31,830

fast

2425

02:05:35,630 --> 02:05:33,900

I don't know Brandon every time you say

2426

02:05:38,840 --> 02:05:35,640

you're gonna call and I didn't get the

2427

02:05:40,580 --> 02:05:38,850

call I'm in the phone the apps there you

2428

02:05:42,890 --> 02:05:40,590

know like I don't know what happened you

2429

02:05:46,970 --> 02:05:42,900

could try again or what because the line

2430

02:05:48,710 --> 02:05:46,980

is open and you know you Eric called in

2431

02:05:50,720 --> 02:05:48,720

earlier so I know that it's working

2432

02:05:53,870 --> 02:05:50,730

otherwise we're just gonna wrap things

2433

02:05:58,250 --> 02:05:53,880

up Richie says I talked to angels all

2434

02:05:58,460 --> 02:05:58,260

the time but I'm crazy yeah oh here we

2435

02:06:23,450 --> 02:05:58,470

go

2436

02:06:29,450 --> 02:06:26,000

I would drop the call Brenda try again

2437

02:06:32,420 --> 02:06:29,460

if you want sorry about that

2438

02:06:35,690 --> 02:06:32,430

she sounds smooth again like everyone

2439

02:06:37,540 --> 02:06:35,700

else she needs to show proof yeah that's

2440

02:06:40,490 --> 02:06:37,550

what I'm looking for from her

2441

02:06:43,490 --> 02:06:40,500

how does she propose to prove her claims

2442

02:06:45,740 --> 02:06:43,500

well they know if you watch the earlier

2443

02:06:47,540 --> 02:06:45,750

part of the shell I explained that she

2444

02:06:50,660 --> 02:06:47,550

told me that she was going to do certain

2445

02:06:52,400 --> 02:06:50,670

things and that I would feel physical

2446

02:06:55,670 --> 02:06:52,410

effects of it like she would speed up my

2447

02:06:59,560 --> 02:06:55,680

heart and then honestly she did I'm

2448

02:07:08,800 --> 02:06:59,570

telling you she I felt my heart speed up

2449

02:07:12,979 --> 02:07:11,240

hello this is Steven and you're calling

2450

02:07:22,729 --> 02:07:12,989

truth seekers who are you and where

2451  
02:07:32,690 --> 02:07:22,739  
you're calling from great as a Dean did

2452  
02:08:03,709 --> 02:07:32,700  
you say okay and what did you did you

2453  
02:08:09,040 --> 02:08:03,719  
have a question or comment okay great

2454  
02:08:13,310 --> 02:08:11,720  
yeah absolutely that's what we're here

2455  
02:08:15,080 --> 02:08:13,320  
for that's what the callin line is for

2456  
02:08:17,060 --> 02:08:15,090  
for everybody to be a little more

2457  
02:08:19,280 --> 02:08:17,070  
interactive and we want our audience to

2458  
02:08:28,970 --> 02:08:19,290  
participate so by all means let's hear

2459  
02:08:32,959 --> 02:08:28,980  
it okay probably back around 2001 2002

2460  
02:08:35,450 --> 02:08:32,969  
in that timeframe maybe a little maybe

2461  
02:08:36,459 --> 02:08:35,460  
Lebanon's are thinking about a couple

2462  
02:08:41,020 --> 02:08:36,469  
years after they're not

2463  
02:08:44,680 --> 02:08:41,030

before 2005 after that I worked for

2464

02:08:50,590 --> 02:08:44,690

wearing the collar the finale of hire

2465

02:08:54,250 --> 02:08:50,600

and uh we have a yard a train yard that

2466

02:08:57,100 --> 02:08:54,260

was in Northern Kentucky to south the

2467

02:09:00,070 --> 02:08:57,110

Queen skate yard in Cincinnati and it

2468

02:09:03,310 --> 02:09:00,080

was he called it the core she and it was

2469

02:09:06,100 --> 02:09:03,320

and that not far up the hill from there

2470

02:09:07,600 --> 02:09:06,110

was an establishment of bars you may or

2471

02:09:09,220 --> 02:09:07,610

may not have heard of it before called

2472

02:09:11,860 --> 02:09:09,230

Bobby Mackey's are you familiar with

2473

02:09:18,300 --> 02:09:11,870

that place no I don't think I heard of

2474

02:09:21,060 --> 02:09:18,310

that some circles for being a hotbed

2475

02:09:26,439 --> 02:09:21,070

establishment and has a long history of

2476

02:09:28,810 --> 02:09:26,449

paranormal occurrences and I heard about

2477

02:09:31,510 --> 02:09:28,820

it growing up in the area I mean I knew

2478

02:09:33,670 --> 02:09:31,520

some of the lore around it the night I

2479

02:09:36,400 --> 02:09:33,680

was still rather young at the time I was

2480

02:09:38,170 --> 02:09:36,410

in my early 20s oh I really hadn't you

2481

02:09:40,479 --> 02:09:38,180

know gotten around especially that horse

2482

02:09:41,670 --> 02:09:40,489

topper for society I've never actually

2483

02:09:43,750 --> 02:09:41,680

been there

2484

02:09:46,240 --> 02:09:43,760

experienced anything you know but

2485

02:09:48,790 --> 02:09:46,250

nonetheless I got I got put on a train

2486

02:09:51,340 --> 02:09:48,800

job where I was they were doing

2487

02:09:53,950 --> 02:09:51,350

construction on the on the train line

2488

02:09:59,920 --> 02:09:53,960

and my job was basically just to sit

2489

02:10:01,810 --> 02:09:59,930

there in my car with a radio and monitor

2490

02:10:04,360 --> 02:10:01,820

the construction crews and occasionally

2491

02:10:07,570 --> 02:10:04,370

they would they would move out of the

2492

02:10:09,130 --> 02:10:07,580

way and let a train packed eventually

2493

02:10:12,550 --> 02:10:09,140

you know me and you by the way out of

2494

02:10:14,170 --> 02:10:12,560

the car I started I walked over to you

2495

02:10:15,970 --> 02:10:14,180

know visit with the construction crew

2496

02:10:23,490 --> 02:10:15,980

and see what was going on and you know

2497

02:10:28,390 --> 02:10:26,260

working underground the guys were going

2498

02:10:29,650 --> 02:10:28,400

down to the hole under the under the

2499

02:10:32,050 --> 02:10:29,660

ground I guess they were working on

2500

02:10:33,580 --> 02:10:32,060

pipes or something under underground

2501

02:10:36,580 --> 02:10:33,590

some type of underground thing they were

2502

02:10:40,030 --> 02:10:36,590

doing I really know with the job because

2503

02:10:41,620 --> 02:10:40,040

searching job but every so often I would

2504

02:10:43,600 --> 02:10:41,630

get a call and I would stay they would

2505

02:10:46,209 --> 02:10:43,610

have to move out of the way I love the

2506

02:10:49,270 --> 02:10:46,219

Train crawl past and whatnot stuff I got

2507

02:10:49,760 --> 02:10:49,280

to talkin to the guys and they started

2508

02:10:51,740 --> 02:10:49,770

to tell

2509

02:10:55,700 --> 02:10:51,750

history of the Bobby Mackey's

2510

02:10:58,280 --> 02:10:55,710

establishment and that it was well known

2511

02:11:00,410 --> 02:10:58,290

for being haunted and apparently back in

2512

02:11:03,680 --> 02:11:00,420

the bootlegging days they had an

2513

02:11:10,910 --> 02:11:03,690

underground tunnel that went from the

2514

02:11:14,210 --> 02:11:10,920

bar slash hotel to the river there right

2515

02:11:16,040 --> 02:11:14,220

next to where we were and they would

2516

02:11:19,070 --> 02:11:16,050

literally go hide out on a boat whenever

2517

02:11:20,540 --> 02:11:19,080

like the police would show up so that I

2518

02:11:22,850 --> 02:11:20,550

guess you know they wouldn't get caught

2519

02:11:25,460 --> 02:11:22,860

with their bootlegging or whatever I'll

2520

02:11:27,260 --> 02:11:25,470

you know their you know their illegal

2521

02:11:31,850 --> 02:11:27,270

activities this is what is that right

2522

02:11:33,980 --> 02:11:31,860

and he proceeded to tell me about all

2523

02:11:35,390 --> 02:11:33,990

the different people that had died in

2524

02:11:38,180 --> 02:11:35,400

there and that the foreman on the job

2525

02:11:41,180 --> 02:11:38,190

was really making light of it like he

2526

02:11:44,930 --> 02:11:41,190

was how do I explain it like he was

2527

02:11:47,270 --> 02:11:44,940

making fun of establishment like it

2528

02:11:48,950 --> 02:11:47,280

wasn't real like like this but you know

2529

02:11:54,890 --> 02:11:48,960

it's just the biggest it's just a bunch

2530

02:11:56,810 --> 02:11:54,900

of mumbo-jumbo and he was really like he

2531

02:11:59,180 --> 02:11:56,820

just doesn't have like any like respect

2532

02:12:01,070 --> 02:11:59,190

for the nostalgia of the place and it

2533

02:12:03,020 --> 02:12:01,080

really came up as being pompous and

2534

02:12:04,700 --> 02:12:03,030

arrogant even to me he didn't really

2535

02:12:08,240 --> 02:12:04,710

have a dog in the fight Lily or the

2536

02:12:10,910 --> 02:12:08,250

other I thought he had a certain I don't

2537

02:12:13,790 --> 02:12:10,920

know it was just like a it was like you

2538

02:12:15,980 --> 02:12:13,800

didn't user had a real heir gets the

2539

02:12:18,590 --> 02:12:15,990

father look paper lack of a better way

2540

02:12:21,830 --> 02:12:18,600

of describing it but the stories he was

2541

02:12:23,780 --> 02:12:21,840

telling in the whole feeling of energy

2542

02:12:25,670 --> 02:12:23,790

that I was feeling like from the guys

2543

02:12:27,290 --> 02:12:25,680

coming up out there you could tell they

2544

02:12:30,860 --> 02:12:27,300

were really scared and nervous about

2545

02:12:36,740 --> 02:12:30,870

being on this job and that they thought

2546

02:12:41,600 --> 02:12:36,750

that he was being kind of an [h\_\_\h] ok

2547

02:12:43,880 --> 02:12:41,610

so I I got the job a second day and I

2548

02:12:46,670 --> 02:12:43,890

came back and that think I was there and

2549

02:12:48,890 --> 02:12:46,680

I just kind of tried to avoid them again

2550

02:12:50,660 --> 02:12:48,900

and the guys are coming up wanting to

2551  
02:12:52,100 --> 02:12:50,670  
come up more and more often because they

2552  
02:12:54,410 --> 02:12:52,110  
were kind of getting freaked out down

2553  
02:12:56,180 --> 02:12:54,420  
under there I guess if you actually had

2554  
02:12:58,460 --> 02:12:56,190  
to go down in that puddle it was kind of

2555  
02:13:01,160 --> 02:12:58,470  
a creepy place for me and he was being

2556  
02:13:03,720 --> 02:13:01,170  
he was telling him how stupid they were

2557  
02:13:07,890 --> 02:13:05,520  
so nervous about being down there that

2558  
02:13:10,650 --> 02:13:07,900  
there's nothing to it it's all it's all

2559  
02:13:13,979 --> 02:13:10,660  
fake mumbo-jumbo blahblah blah and then

2560  
02:13:17,040 --> 02:13:13,989  
I got I gotta find that job the third

2561  
02:13:19,260 --> 02:13:17,050  
day in a row and I showed up early I am

2562  
02:13:20,790 --> 02:13:19,270  
actually stopped and got a breakfast

2563  
02:13:22,680 --> 02:13:20,800

sandwich or something like that I was

2564

02:13:26,100 --> 02:13:22,690

sitting there waiting on everybody to

2565

02:13:28,680 --> 02:13:26,110

pull up and I noticed that the foreman

2566

02:13:31,800 --> 02:13:28,690

wasn't there when it got close I'm about

2567

02:13:34,470 --> 02:13:31,810

9:30 10 o'clock and I I asked one of the

2568

02:13:37,410 --> 02:13:34,480

other guys working on the Java code what

2569

02:13:39,960 --> 02:13:37,420

happened to the performance he's like

2570

02:13:41,880 --> 02:13:39,970

all you didn't hear oh my no what are

2571

02:13:43,530 --> 02:13:41,890

you guys talking about you know I mean

2572

02:13:45,540 --> 02:13:43,540

they they were all being real hush-hush

2573

02:13:48,120 --> 02:13:45,550

about it finally one of them pulled me

2574

02:13:50,940 --> 02:13:48,130

to the side but then after his stroke

2575

02:13:53,910 --> 02:13:50,950

yesterday when he was but he left to get

2576

02:13:57,960 --> 02:13:53,920

on back on the expressway and go home he

2577

02:14:00,590 --> 02:13:57,970

accidentally went on the exit with for

2578

02:14:02,940 --> 02:14:00,600

the expressway when it was actually the

2579

02:14:04,470 --> 02:14:02,950

exit ramp and he had a head-on collision

2580

02:14:08,070 --> 02:14:04,480

just like a mile and a half down the

2581

02:14:09,870 --> 02:14:08,080

road and he was to say I was really

2582

02:14:13,590 --> 02:14:09,880

freaked out by that and ever since then

2583

02:14:15,510 --> 02:14:13,600

I I and the energy that I just felt at

2584

02:14:17,430 --> 02:14:15,520

thought the whole time I was there I

2585

02:14:20,010 --> 02:14:17,440

knew there was something really going on

2586

02:14:23,430 --> 02:14:20,020

I remember I was really a big skeptic

2587

02:14:24,180 --> 02:14:23,440

myself but into like honking to things

2588

02:14:26,910 --> 02:14:24,190

of that nature

2589

02:14:28,830 --> 02:14:26,920

and that that right there ever since I

2590

02:14:30,780 --> 02:14:28,840

experienced back and I know that that

2591

02:14:33,600 --> 02:14:30,790

happens to them it's great it could have

2592

02:14:34,080 --> 02:14:33,610

just been a coincident but I really feel

2593

02:14:36,810 --> 02:14:34,090

like that

2594

02:14:38,670 --> 02:14:36,820

he sucks that some of those spirits and

2595

02:14:41,850 --> 02:14:38,680

they had it out for him that's what I

2596

02:14:45,150 --> 02:14:41,860

really believe oh my god Wow yeah we're

2597

02:14:47,310 --> 02:14:45,160

getting comments like Ramsey says keep

2598

02:14:49,200 --> 02:14:47,320

away from Bobby Mackey's it is a country

2599

02:14:50,880 --> 02:14:49,210

music nightclub is awful place people

2600

02:14:52,800 --> 02:14:50,890

die there they see ghosts they get

2601  
02:15:05,460 --> 02:14:52,810  
possessed by demons something bad is

2602  
02:15:07,680 --> 02:15:05,470  
there somebody in the chat said that

2603  
02:15:15,600 --> 02:15:07,690  
there are demons there it's an awful

2604  
02:15:16,880 --> 02:15:15,610  
place Bobby Mackey's like other

2605  
02:15:19,670 --> 02:15:16,890  
television special

2606  
02:15:21,800 --> 02:15:19,680  
or camera crews and other paranormal

2607  
02:15:22,250 --> 02:15:21,810  
researchers have went there to research

2608  
02:15:23,840 --> 02:15:22,260  
it

2609  
02:15:30,320 --> 02:15:23,850  
well thanks let me know yeah I'm going

2610  
02:15:33,080 --> 02:15:30,330  
to say and I love that job 100%

2611  
02:15:34,460 --> 02:15:33,090  
convinced and I never took that job the

2612  
02:15:36,530 --> 02:15:34,470  
rest of the time that I worked there I

2613  
02:15:38,420 --> 02:15:36,540

mean it was only probably going off for

2614

02:15:40,490 --> 02:15:38,430

another seven to ten days but I did not

2615

02:15:42,170 --> 02:15:40,500

want to get back Wow well thanks for

2616

02:15:42,440 --> 02:15:42,180

letting me know about and I appreciate

2617

02:15:44,090 --> 02:15:42,450

it

2618

02:15:46,070 --> 02:15:44,100

we're gonna wrap things up now I

2619

02:15:48,380 --> 02:15:46,080

appreciate your call and maybe I could

2620

02:15:49,940 --> 02:15:48,390

do some research into that place it

2621

02:15:57,920 --> 02:15:49,950

sounds like my kind of place to look

2622

02:16:05,450 --> 02:15:57,930

into thank you alright bye-bye you have

2623

02:16:10,850 --> 02:16:05,460

a good night okay folks let me turn that

2624

02:16:13,040 --> 02:16:10,860

off there and oh we have there is a book

2625

02:16:16,220 --> 02:16:13,050

about Bobby Mackey's called Hell's Gate

2626

02:16:18,200 --> 02:16:16,230

I won't look into that in the cabin -

2627

02:16:22,460 --> 02:16:18,210

yes Casey welcome this is the first

2628

02:16:24,020 --> 02:16:22,470

broadcast of my show from the cabin and

2629

02:16:26,060 --> 02:16:24,030

I can't tell you how happy I am that I

2630

02:16:29,270 --> 02:16:26,070

think most everything worked and that's

2631

02:16:31,280 --> 02:16:29,280

a miracle because I got here late and I

2632

02:16:33,560 --> 02:16:31,290

and then I suddenly realized that I had

2633

02:16:36,080 --> 02:16:33,570

liked it I had like 40 minutes to like

2634

02:16:38,270 --> 02:16:36,090

unload the car and put you know I got to

2635

02:16:39,890 --> 02:16:38,280

put everything away and like I didn't

2636

02:16:42,140 --> 02:16:39,900

have any of this setup so there's like

2637

02:16:44,959 --> 02:16:42,150

wires and cables and laptops laying

2638

02:16:46,910 --> 02:16:44,969

around and hopefully I'll get a more

2639

02:16:48,950 --> 02:16:46,920

permanent setup for what I'm doing shows

2640

02:16:50,900 --> 02:16:48,960

here but the fact that it worked is a

2641

02:16:53,180 --> 02:16:50,910

minor miracle because I'm in the middle

2642

02:16:55,370 --> 02:16:53,190

of nowhere in the woods in Pennsylvania

2643

02:16:59,959 --> 02:16:55,380

here and I want to thank each and every

2644

02:17:08,180 --> 02:16:59,969

one of you for joining us tonight let me

2645

02:17:12,200 --> 02:17:08,190

get my outro sort of thing well back to

2646

02:17:14,120 --> 02:17:12,210

the comments so I want to thank each and

2647

02:17:15,350 --> 02:17:14,130

every one of you guys for joining me

2648

02:17:16,910 --> 02:17:15,360

especially with us this is like a

2649

02:17:20,450 --> 02:17:16,920

special show for me because I've been

2650

02:17:24,200 --> 02:17:20,460

trying to build this you know build this

2651  
02:17:26,390 --> 02:17:24,210  
cabin and I was hoping that we could get

2652  
02:17:29,750 --> 02:17:26,400  
Internet and I could you know do more

2653  
02:17:30,830 --> 02:17:29,760  
things here because lately I've been

2654  
02:17:33,049 --> 02:17:30,840  
here three four days

2655  
02:17:34,759 --> 02:17:33,059  
week and that kills the rest of my week

2656  
02:17:40,419 --> 02:17:34,769  
for doing streams and things like that

2657  
02:17:44,570 --> 02:17:40,429  
if we don't get you know if we don't get

2658  
02:17:46,070 --> 02:17:44,580  
if we if I don't if I can't stream here

2659  
02:17:48,709 --> 02:17:46,080  
I'm not going to be able to produce much

2660  
02:17:51,469 --> 02:17:48,719  
because at home you know there's a lot

2661  
02:17:53,360 --> 02:17:51,479  
of other stuff going on but here I can

2662  
02:17:58,610 --> 02:17:53,370  
really focus a lot better so I'm really

2663  
02:18:03,200 --> 02:17:58,620

looking forward to that so coming up on

2664

02:18:05,540 --> 02:18:03,210

our show we have Rachel Hoffman from

2665

02:18:07,639 --> 02:18:05,550

paranormal expeditions we're gonna have

2666

02:18:09,709 --> 02:18:07,649

our interview and continue we're going

2667

02:18:13,099 --> 02:18:09,719

to do a part two here on The Strange

2668

02:18:15,139 --> 02:18:13,109

Case of Sarah Adams I want to thank each

2669

02:18:18,980 --> 02:18:15,149

and every one of you for joining me

2670

02:18:20,810 --> 02:18:18,990

tonight until next time folks my name is

2671

02:18:23,080 --> 02:18:20,820

Steven cambian reminding you that

2672

02:18:29,089 --> 02:18:23,090

sometimes the proof
