

Truth Seekers

EPISODE 5

OPEN PHONE LINES

& ASK ME ANYTHING.

Truth Seekers

1
00:02:04,610 --> 00:02:14,120

you

2
00:02:21,360 --> 00:02:18,540

and we are live once again from my

3
00:02:26,010 --> 00:02:21,370

apocalypse cabin somewhere in the woods

4
00:02:28,020 --> 00:02:26,020

of Pennsylvania I want to welcome you

5
00:02:30,480 --> 00:02:28,030

all here tonight we're gonna try to do

6
00:02:35,280 --> 00:02:30,490

something a little bit differently and

7
00:02:38,210 --> 00:02:35,290

that is no real subject and by that I

8
00:02:42,660 --> 00:02:38,220

mean tonight it's going to be an

9
00:02:45,150 --> 00:02:42,670

audience participation show so we are

10
00:02:47,610 --> 00:02:45,160

gonna open the phone lines anybody can

11
00:02:50,700 --> 00:02:47,620

call in I'd like people to call me and

12
00:02:56,390 --> 00:02:50,710

tell me their strange story did you see

13
00:03:00,750 --> 00:02:56,400

a UFO did you encounter ghosts demons

14

00:03:04,740 --> 00:03:00,760

stranger the better friends so we will

15

00:03:10,410 --> 00:03:04,750

first I'll turn my attention to the live

16

00:03:12,240 --> 00:03:10,420

chat Dan Hogan I know I'm gonna fall

17

00:03:16,740 --> 00:03:12,250

asleep before this is over but let's do

18

00:03:19,800 --> 00:03:16,750

this maybe not I might fall asleep then

19

00:03:22,650 --> 00:03:19,810

I have been spreading gravel all day by

20

00:03:27,570 --> 00:03:22,660

hand the last time I had to do this I

21

00:03:30,480 --> 00:03:27,580

got south I know seven tons of gravel

22

00:03:34,170 --> 00:03:30,490

but my neighbor has a bobcat and he was

23

00:03:37,590 --> 00:03:34,180

able to spread it all this time his

24

00:03:46,860 --> 00:03:37,600

Bobcat is broken down so I'm gonna have

25

00:03:50,490 --> 00:03:46,870

to spend two days doing it by hand is it

26

00:03:54,210 --> 00:03:50,500

Blair Witch genocide says is it Blair

27

00:03:55,590 --> 00:03:54,220

Witch country I don't know about that I

28

00:03:59,490 --> 00:03:55,600

haven't heard anything about Blair Witch

29

00:04:05,010 --> 00:03:59,500

around here but it's pretty rural it's

30

00:04:07,950 --> 00:04:05,020

pretty secluded and isolated and I

31

00:04:11,100 --> 00:04:07,960

picked this location because it's

32

00:04:13,020 --> 00:04:11,110

surrounded by State game lands hundreds

33

00:04:17,310 --> 00:04:13,030

and hundreds and hundreds of acres of

34

00:04:19,110 --> 00:04:17,320

protected wildlife woods well the the

35

00:04:20,370 --> 00:04:19,120

wildlife is not protected the State game

36

00:04:24,090 --> 00:04:20,380

lands you're allowed to go in there and

37

00:04:25,350 --> 00:04:24,100

hunt and so I don't have much land here

38

00:04:27,930 --> 00:04:25,360

myself but I picked this place

39

00:04:31,240 --> 00:04:27,940

specifically because the

40

00:04:33,130 --> 00:04:31,250

just huge forests all around here that

41

00:04:40,870 --> 00:04:33,140

are State game lands and anybody can use

42

00:04:43,750 --> 00:04:40,880

those and genocide did you get bear

43

00:04:47,800 --> 00:04:43,760

spray yet no I don't but I do have mace

44

00:04:49,750 --> 00:04:47,810

here which I hear that some people use

45

00:04:51,460 --> 00:04:49,760

for the bears and today I had some

46

00:04:54,930 --> 00:04:51,470

excitement at the cabin because there

47

00:04:58,510 --> 00:04:54,940

was a few deer and they were really

48

00:05:00,400 --> 00:04:58,520

hanging around on my land here right

49

00:05:04,120 --> 00:05:00,410

near the cabin and I'm shoveling the

50

00:05:06,070 --> 00:05:04,130

gravel and then all of a sudden it was

51
00:05:08,920 --> 00:05:06,080
like a mom the year in like three of her

52
00:05:11,110 --> 00:05:08,930
babies three fawns like us all of a

53
00:05:12,640 --> 00:05:11,120
sudden these deers bucked right by me

54
00:05:16,330 --> 00:05:12,650
and I'm like what's going on what's

55
00:05:18,670 --> 00:05:16,340
going on there was a bear I shown on my

56
00:05:21,970 --> 00:05:18,680
Twitter that we've got a few bears that

57
00:05:25,900 --> 00:05:21,980
have been hanging around here so I went

58
00:05:27,909 --> 00:05:25,910
in the cabin and try to you know blast

59
00:05:29,500 --> 00:05:27,919
some loud music that's what I've been

60
00:05:31,090 --> 00:05:29,510
doing and then the bear kind of gets

61
00:05:34,930 --> 00:05:31,100
spooked off when he hears the layout of

62
00:05:37,740 --> 00:05:34,940
music I'm gonna be doing something

63
00:05:40,780 --> 00:05:37,750

though because I have children here and

64

00:05:43,120 --> 00:05:40,790

that the fact that a bear just walks

65

00:05:45,040 --> 00:05:43,130

right onto your yard is a little

66

00:05:48,370 --> 00:05:45,050

nerve-racking to me if you have small

67

00:05:51,240 --> 00:05:48,380

children especially so they sell some

68

00:05:54,280 --> 00:05:51,250

things that you can use like there is

69

00:05:56,469 --> 00:05:54,290

there is I think it's like wolf urine

70

00:05:58,570 --> 00:05:56,479

that they sell you and you sprinkle it

71

00:06:01,120 --> 00:05:58,580

around your property line and then the

72

00:06:03,159 --> 00:06:01,130

Bears stay away I'm not sure if that

73

00:06:04,330 --> 00:06:03,169

works but I have to do something my wife

74

00:06:11,469 --> 00:06:04,340

is like you gotta do something about

75

00:06:13,570 --> 00:06:11,479

these bears you know yeah I missed the

76

00:06:16,150 --> 00:06:13,580

end of the show last night Sarah Adams

77

00:06:20,580 --> 00:06:16,160

going to come on next week Dan Hogan yes

78

00:06:23,860 --> 00:06:20,590

she is we're trying to work that out and

79

00:06:26,560 --> 00:06:23,870

yesterday was interesting because a lot

80

00:06:29,950 --> 00:06:26,570

of people I don't know I got a lot of

81

00:06:33,280 --> 00:06:29,960

messages today a lot of people seem to

82

00:06:35,680 --> 00:06:33,290

think that just because this girl she's

83

00:06:37,630 --> 00:06:35,690

a girl maybe I don't know that I got

84

00:06:40,180 --> 00:06:37,640

totally fooled and taken in because

85

00:06:40,670 --> 00:06:40,190

she's pretty I'm here in all kinds of

86

00:06:44,530 --> 00:06:40,680

room

87

00:06:47,900 --> 00:06:44,540

now I went to the you know whoo side now

88

00:06:49,640 --> 00:06:47,910

pulling a Zen I heard that was I think

89

00:06:54,230 --> 00:06:49,650

that wasn't a live chat that I'm pulling

90

00:06:56,090 --> 00:06:54,240

his in I don't know what show anybody

91

00:06:58,850 --> 00:06:56,100

else was watching I was trying to tell

92

00:07:00,980 --> 00:06:58,860

about my actual experience and I have to

93

00:07:03,520 --> 00:07:00,990

say friends just keep watching because

94

00:07:06,170 --> 00:07:03,530

there is a reason that I'm doing that

95

00:07:10,249 --> 00:07:06,180

case which we're calling The Strange

96

00:07:11,960 --> 00:07:10,259

Case of Sarah Adams in multiple parts

97

00:07:13,400 --> 00:07:11,970

there's a reason I'm doing it in

98

00:07:17,510 --> 00:07:13,410

multiple parts friends so just stay

99

00:07:21,200 --> 00:07:17,520

tuned don't make assumptions and don't

100

00:07:25,730 --> 00:07:21,210

you know overreact based on what

101
00:07:28,189 --> 00:07:25,740
happened last night because today I was

102
00:07:32,210 --> 00:07:28,199
spreading gravel all day since like 8

103
00:07:34,689 --> 00:07:32,220
a.m. today I got done at like 9 p.m. so

104
00:07:37,640 --> 00:07:34,699
I had plenty of time to think today

105
00:07:40,219 --> 00:07:37,650
about a lot of things but about the

106
00:07:43,129 --> 00:07:40,229
strange case of Sarah Adams and how I'm

107
00:07:44,570 --> 00:07:43,139
gonna approach the interview with her if

108
00:07:46,339 --> 00:07:44,580
people think she's just gonna come on

109
00:07:49,070 --> 00:07:46,349
here and I'm gonna go I totally believe

110
00:07:51,020 --> 00:07:49,080
you Sarah I'm a believer and give her a

111
00:07:53,810 --> 00:07:51,030
softball interview then you don't know

112
00:07:57,469 --> 00:07:53,820
me and you know I would think that after

113
00:07:58,760 --> 00:07:57,479

years of doing this kind of stuff that

114

00:08:02,810 --> 00:07:58,770

people would have a little more trust in

115

00:08:05,180 --> 00:08:02,820

me but it is what it is what's the

116

00:08:09,219 --> 00:08:05,190

highest strangeness you've experienced

117

00:08:11,629 --> 00:08:09,229

even I told a story of that I saw a UFO

118

00:08:14,300 --> 00:08:11,639

when I was like 10 years old in the

119

00:08:15,950 --> 00:08:14,310

woods and I think it's called encounter

120

00:08:19,040 --> 00:08:15,960

in the woods it's midnight hour show

121

00:08:21,409 --> 00:08:19,050

episode if you want to hear this big you

122

00:08:23,740 --> 00:08:21,419

know this whole story that was the

123

00:08:26,510 --> 00:08:23,750

strangest thing I ever knew countered a

124

00:08:27,830 --> 00:08:26,520

bunch of animals in this in the woods

125

00:08:32,350 --> 00:08:27,840

came running at me

126

00:08:36,230 --> 00:08:32,360

like every animal like deer beavers

127

00:08:40,640 --> 00:08:36,240

squirrels and then overhead comes this

128

00:08:44,480 --> 00:08:40,650

typical metal ruler flying saucer and I

129

00:08:46,760 --> 00:08:44,490

felt electrical charge in the air and it

130

00:08:51,440 --> 00:08:46,770

was very it wasn't there was a big

131

00:08:54,110 --> 00:08:51,450

clearing it was like it was just turning

132

00:08:56,570 --> 00:08:54,120

to darkness from from day

133

00:08:58,940 --> 00:08:56,580

what do you call that Twilight maybe so

134

00:09:01,040 --> 00:08:58,950

I mean I got a good look at this thing

135

00:09:06,260 --> 00:09:01,050

and it was only right above the treetops

136

00:09:08,060 --> 00:09:06,270

like 30 40 feet above me and that was

137

00:09:10,400 --> 00:09:08,070

the most surreal thing the most high

138

00:09:12,470 --> 00:09:10,410

strangeness thing that ever happened to

139

00:09:15,079 --> 00:09:12,480

me and that's probably what got me going

140

00:09:18,850 --> 00:09:15,089

down all these rabbit holes you know I

141

00:09:21,800 --> 00:09:18,860

want to know what I saw back then I

142

00:09:26,480 --> 00:09:21,810

carry bear mace in the city saved me

143

00:09:33,680 --> 00:09:26,490

once from a bear Supervia from an actual

144

00:09:36,440 --> 00:09:33,690

human predator and I ran into a black

145

00:09:39,350 --> 00:09:36,450

bear while hunting it was awesome you

146

00:09:41,900 --> 00:09:39,360

know I'm getting I grew up in the city I

147

00:09:45,200 --> 00:09:41,910

spent my whole childhood go with my

148

00:09:47,980 --> 00:09:45,210

father he was like so into camping so we

149

00:09:52,130 --> 00:09:47,990

camped a lot but we I don't remember

150

00:09:53,930 --> 00:09:52,140

that we ever encountered there ever and

151
00:09:56,570 --> 00:09:53,940
we camped all the time my father was

152
00:09:59,329 --> 00:09:56,580
like the Scoutmaster and we camped all

153
00:10:02,000 --> 00:09:59,339
the time never saw a bear in the woods

154
00:10:03,980 --> 00:10:02,010
so when I came here I was a little

155
00:10:05,930 --> 00:10:03,990
intimidated but I'm starting to get more

156
00:10:08,690 --> 00:10:05,940
comfortable with them it's just kind of

157
00:10:10,460 --> 00:10:08,700
like it's just something that you deal

158
00:10:13,070 --> 00:10:10,470
with out here like there couldn't be

159
00:10:16,400 --> 00:10:13,080
bears and there's only three animals I

160
00:10:20,570 --> 00:10:16,410
say this that really scare me or concern

161
00:10:23,210 --> 00:10:20,580
me here and that's mountain lions the

162
00:10:26,269 --> 00:10:23,220
Bears and we don't have wolves here but

163
00:10:28,850 --> 00:10:26,279

we have wolves that a game warden here

164

00:10:31,550 --> 00:10:28,860

told me that they're most likely wolf

165

00:10:34,970 --> 00:10:31,560

coyote hybrids because they're much much

166

00:10:38,240 --> 00:10:34,980

bigger than a normal coyote a couple of

167

00:10:40,040 --> 00:10:38,250

different game wardens have mentioned to

168

00:10:42,050 --> 00:10:40,050

me the size of these coyotes they have

169

00:10:43,790 --> 00:10:42,060

to be interbred with either dogs or

170

00:10:45,290 --> 00:10:43,800

something because there there's a huge

171

00:10:47,269 --> 00:10:45,300

population of them out here and you can

172

00:10:48,860 --> 00:10:47,279

hear them howling at night so that's a

173

00:10:50,210 --> 00:10:48,870

little concerning sometimes you're

174

00:10:52,190 --> 00:10:50,220

sitting out by the fire and you hear

175

00:10:57,490 --> 00:10:52,200

they all start howling and it'll sound

176

00:10:59,320 --> 00:10:57,500

like 10 of them you know okay let's see

177

00:11:05,080 --> 00:10:59,330

was Sarah

178

00:11:08,670 --> 00:11:05,090

upset by the live chat comments you know

179

00:11:11,530 --> 00:11:08,680

this girl is a mystery to me because

180

00:11:14,380 --> 00:11:11,540

maybe it's my maybe it's just me maybe

181

00:11:16,390 --> 00:11:14,390

she has no ego or maybe she's just very

182

00:11:18,640 --> 00:11:16,400

comfortable with a lot of things but she

183

00:11:21,430 --> 00:11:18,650

told me oh I don't I don't watch any

184

00:11:23,230 --> 00:11:21,440

content and I said because I said you

185

00:11:24,820 --> 00:11:23,240

know people were saying this and the

186

00:11:26,800 --> 00:11:24,830

chat people were saying that maybe you

187

00:11:28,330 --> 00:11:26,810

want to watch it and get a sense of the

188

00:11:30,700 --> 00:11:28,340

audience and what the audience thought

189

00:11:33,550 --> 00:11:30,710

and she said oh even when I was on guy I

190

00:11:36,700 --> 00:11:33,560

never watched myself where if somebody

191

00:11:39,550 --> 00:11:36,710

does show I and I'm in it I don't I

192

00:11:41,260 --> 00:11:39,560

don't ever watch it so I don't I don't

193

00:11:43,030 --> 00:11:41,270

know what to think she just didn't want

194

00:11:45,340 --> 00:11:43,040

to see it or didn't care to see it I

195

00:11:49,120 --> 00:11:45,350

don't know and you know honestly I can't

196

00:11:50,530 --> 00:11:49,130

blame her because I guess she's doing a

197

00:11:52,630 --> 00:11:50,540

lot of things and maybe she just doesn't

198

00:11:55,060 --> 00:11:52,640

have time but I would think that if

199

00:11:57,760 --> 00:11:55,070

somebody's doing a whole show about you

200

00:12:02,050 --> 00:11:57,770

you would watch it seems strange to me

201
00:12:06,790 --> 00:12:02,060
that she had very little interest hi

202
00:12:09,730 --> 00:12:06,800
super V Jonas I'd norm ha nightguard

203
00:12:11,980 --> 00:12:09,740
will help with bears i norm ha I don't

204
00:12:17,260 --> 00:12:11,990
know what nightguard is but I will look

205
00:12:23,890 --> 00:12:17,270
that up again and then we have out of

206
00:12:26,860 --> 00:12:23,900
mind is here out of mine hi Dan super V

207
00:12:28,720 --> 00:12:26,870
guy tried to reach in a car and grab my

208
00:12:32,760 --> 00:12:28,730
steering wheel whoa that's pretty scary

209
00:12:35,710 --> 00:12:32,770
I almost got carjacked once but uh yeah

210
00:12:39,520 --> 00:12:35,720
it was kind of like a weird situation

211
00:12:40,360 --> 00:12:39,530
like I pulled up and I was in Southwest

212
00:12:46,630 --> 00:12:40,370
Philadelphia

213
00:12:50,620 --> 00:12:46,640

night especially if you're a white boy

214

00:12:53,320 --> 00:12:50,630

so I get in there and and I'm like going

215

00:12:55,480 --> 00:12:53,330

down this kind of small side street to

216

00:12:58,690 --> 00:12:55,490

try to get to the Main Street to get out

217

00:13:00,910 --> 00:12:58,700

of Southwest Philly and these two guys

218

00:13:04,480 --> 00:13:00,920

start walking towards my car and the

219

00:13:06,660 --> 00:13:04,490

light was red and I was sure they were

220

00:13:09,310 --> 00:13:06,670

gonna carjack me or something so I just

221

00:13:14,020 --> 00:13:09,320

blew the red and got out of there and

222

00:13:17,860 --> 00:13:14,030

then the funny thing is a cop pulls me

223

00:13:19,750 --> 00:13:17,870

over two minutes later and gives me

224

00:13:21,280 --> 00:13:19,760

for running that red light I told him

225

00:13:23,550 --> 00:13:21,290

what happened I told him I was scared

226

00:13:27,700 --> 00:13:23,560

didn't matter welcome to Philadelphia

227

00:13:32,100 --> 00:13:27,710

you got to pay like 125 dollar ticket to

228

00:13:36,519 --> 00:13:34,780

lots of people let their wolf hybrid

229

00:13:39,250 --> 00:13:36,529

dogs into the wild when they get old

230

00:13:41,140 --> 00:13:39,260

enough to jump ten feet yeah I've heard

231

00:13:42,400 --> 00:13:41,150

that super V and that's what Damon

232

00:13:43,840 --> 00:13:42,410

warden told me that it might have been

233

00:13:46,300 --> 00:13:43,850

wolves or it might have been wolfdog

234

00:13:49,240 --> 00:13:46,310

hybrids but all the coyotes around here

235

00:13:51,400 --> 00:13:49,250

are way too big and normal coyotes like

236

00:13:55,540 --> 00:13:51,410

I don't know a little bigger than a fox

237

00:13:58,180 --> 00:13:55,550

I guess or like you know medium sized

238

00:14:00,550 --> 00:13:58,190

dog maybe I don't know I'm trying to

239

00:14:03,610 --> 00:14:00,560

think of a dog breed they're like the

240

00:14:05,950 --> 00:14:03,620

size of a cocker spaniel maybe usually

241

00:14:08,590 --> 00:14:05,960

and these dogs are the size of like big

242

00:14:10,510 --> 00:14:08,600

they're like you know like a like a

243

00:14:13,840 --> 00:14:10,520

Rottweiler size or something like that

244

00:14:14,890 --> 00:14:13,850

they are big coyotes and they concern me

245

00:14:16,480 --> 00:14:14,900

but they always keep their distance

246

00:14:19,030 --> 00:14:16,490

they've never been on my land they've

247

00:14:21,760 --> 00:14:19,040

been around it my dad took me hunting a

248

00:14:25,480 --> 00:14:21,770

lot Jona side my dad took me hunting a

249

00:14:27,760 --> 00:14:25,490

lot I saw the bear and took took the

250

00:14:30,060 --> 00:14:27,770

rifle off safety and told him to turn

251

00:14:41,440 --> 00:14:30,070

around and go back and load it and

252

00:14:42,280 --> 00:14:41,450

looked at me then did yeah yeah that's

253

00:14:43,840 --> 00:14:42,290

what you do

254

00:14:46,449 --> 00:14:43,850

everybody says that you'd back away from

255

00:14:50,350 --> 00:14:46,459

them very slowly you don't make sudden

256

00:14:52,030 --> 00:14:50,360

movements but anyway the the point with

257

00:14:54,340 --> 00:14:52,040

the Bears and these wild animals is like

258

00:14:56,380 --> 00:14:54,350

I grew up in the city man like and this

259

00:14:58,540 --> 00:14:56,390

is kind of alien to me but you know

260

00:14:59,680 --> 00:14:58,550

slowly I'm getting used to it just like

261

00:15:03,040 --> 00:14:59,690

I said it's something that you have to

262

00:15:03,519 --> 00:15:03,050

deal with out of mine I find that hard

263

00:15:06,610 --> 00:15:03,529

to believe

264

00:15:08,199 --> 00:15:06,620

yes so do I I mean everybody's got an

265

00:15:10,210 --> 00:15:08,209

ego if somebody was doing a whole show

266

00:15:15,940 --> 00:15:10,220

about me you're damn right I watch it

267

00:15:18,010 --> 00:15:15,950

I'd listen to it I you know that's

268

00:15:22,960 --> 00:15:18,020

mature and smart of her no need to go

269

00:15:26,380 --> 00:15:22,970

there and expose yourself or she does

270

00:15:28,210 --> 00:15:26,390

watch and pretends not to yeah I have a

271

00:15:30,460 --> 00:15:28,220

feeling maybe she watched it and just

272

00:15:31,329 --> 00:15:30,470

acts aloof like oh I don't need to watch

273

00:15:37,929 --> 00:15:31,339

it I don't

274

00:15:41,259 --> 00:15:37,939

you know I don't know people sell wolf

275

00:15:45,699 --> 00:15:41,269

hybrids for \$600,000 and they end up in

276

00:15:47,889 --> 00:15:45,709

the wild or put down you know it's funny

277

00:15:50,920 --> 00:15:47,899

that you mentioned this because the

278

00:15:54,280 --> 00:15:50,930

Sarah Adams told me that she was dog

279

00:15:56,439 --> 00:15:54,290

sitting for a wolf hybrid that's weird

280

00:15:58,150 --> 00:15:56,449

synchronicity and that was a few days

281

00:16:00,879 --> 00:15:58,160

ago when I talked to her she told me

282

00:16:03,059 --> 00:16:00,889

that she was wolf sitting which I

283

00:16:09,489 --> 00:16:03,069

thought well that's odd

284

00:16:12,210 --> 00:16:09,499

coyote ate a bell coyote ate about 40 to

285

00:16:19,480 --> 00:16:12,220

60 in the area

286

00:16:22,989 --> 00:16:19,490

John aside they ate what Oh coyote are

287

00:16:24,670 --> 00:16:22,999

about forty to sixty pounds okay yeah

288

00:16:27,780 --> 00:16:24,680

these are bigger than that they got to

289

00:16:31,389 --> 00:16:27,790

be bigger than that I have only been

290

00:16:33,189 --> 00:16:31,399

close to them a few times you know what

291

00:16:35,499 --> 00:16:33,199

I forgot to do this is supposed to be

292

00:16:38,319 --> 00:16:35,509

open phone line night and I did not play

293

00:16:40,360 --> 00:16:38,329

the phone line open bumper so we're

294

00:16:41,889 --> 00:16:40,370

gonna do that now and once again if you

295

00:16:44,889 --> 00:16:41,899

want to call in tell me you're strange

296

00:16:47,679 --> 00:16:44,899

you're crazy story whatever it's about

297

00:16:51,189 --> 00:16:47,689

or you have any questions for me it's

298

00:16:54,160 --> 00:16:51,199

ask me anything night you can call in

299

00:16:56,949 --> 00:16:54,170

and ask me anything and I mean anything

300

00:16:59,049 --> 00:16:56,959

it doesn't have to be about paranormal

301

00:17:01,329 --> 00:16:59,059

topics or any of that kind of stuff it's

302

00:17:03,009 --> 00:17:01,339

beer steel and stuff you can ask me

303

00:17:06,669 --> 00:17:03,019

anything you like that's kind of the

304

00:17:08,799 --> 00:17:06,679

point of AMA it's ok so we're gonna

305

00:17:11,949 --> 00:17:08,809

we're gonna open the phone lines folks

306

00:19:14,180 --> 00:17:11,959

and you can call in anytime you like and

307

00:19:24,470 --> 00:19:18,870

and we are back with open phone lines

308

00:19:30,210 --> 00:19:24,480

open topic tonight and ask me anything

309

00:19:33,290 --> 00:19:30,220

we'll go back to the live chat oh we did

310

00:19:45,440 --> 00:19:39,330

Jack sorry um hi IAF and he decided to

311

00:19:48,180 --> 00:19:45,450

come here that's interesting and Hogan

312

00:19:50,160 --> 00:19:48,190

have you felt anybody any weird body

313

00:19:53,550 --> 00:19:50,170

sensations feeling since you had that

314

00:19:57,990 --> 00:19:53,560

chat with Sara well it's interesting

315

00:20:01,170 --> 00:19:58,000

because yesterday after the show she

316

00:20:04,970 --> 00:20:01,180

called me and did another session but I

317

00:20:08,340 --> 00:20:04,980

have to save that the story of that

318

00:20:11,670 --> 00:20:08,350

because I'm afraid that I will spill the

319

00:20:13,800 --> 00:20:11,680

beans before the interview so please

320

00:20:17,220 --> 00:20:13,810

have some patience and I will tell the

321

00:20:19,770 --> 00:20:17,230

story of the second what do you call

322

00:20:23,400 --> 00:20:19,780

that session I got where she worked on

323

00:20:27,150 --> 00:20:23,410

my energy and chakras and AH rose again

324

00:20:30,990 --> 00:20:27,160

and all I can tell you is it was a much

325

00:20:38,100 --> 00:20:31,000

different experience this time having

326

00:20:40,620 --> 00:20:38,110

the benefit of maybe a better

327

00:20:50,940 --> 00:20:40,630

understanding of what it is that she's

328

00:20:54,890 --> 00:20:50,950

doing Jeannette core Zenko is here I'm

329

00:20:58,610 --> 00:20:54,900

sorry you know folks I changed the I

330

00:21:03,600 --> 00:20:58,620

changed this stupid like the comments

331

00:21:05,550 --> 00:21:03,610

somehow oh no I know how I did that here

332

00:21:08,970 --> 00:21:05,560

we go I'm gonna put them back to bigger

333

00:21:11,370 --> 00:21:08,980

if nobody minds because I'm having

334

00:21:16,790 --> 00:21:11,380

trouble I'm having a lot of trouble

335

00:21:24,590 --> 00:21:20,210

then Hogan hey Jeanette yes so let me

336

00:21:26,240 --> 00:21:24,600

check real quick on the Facebook I just

337

00:21:39,489 --> 00:21:26,250

want to check to make sure that it's

338

00:21:39,499 --> 00:21:46,200

yeah it looks like we're good

339

00:21:54,410 --> 00:21:48,330

gnorm ha nightguard will help with the

340

00:22:00,030 --> 00:21:54,420

Bears oh so that was a Facebook comment

341

00:22:03,630 --> 00:22:00,040

and genetic or Zenko hey everyone Jonas

342

00:22:06,930 --> 00:22:03,640

I'd any tattoos Jonas I'd no I don't and

343

00:22:10,920 --> 00:22:06,940

you know it's amazing to me that I got

344

00:22:12,200 --> 00:22:10,930

out of the rock music business with no

345

00:22:15,810 --> 00:22:12,210

tattoos

346

00:22:17,730 --> 00:22:15,820

n-no sexually transmitted diseases I

347

00:22:20,010 --> 00:22:17,740

always think it's a minor miracle that I

348

00:22:23,970 --> 00:22:20,020

got out of the rock business with both

349

00:22:27,290 --> 00:22:23,980

of those things I didn't get my best

350

00:22:30,030 --> 00:22:27,300

friend growing up he's in a band called

351

00:22:34,470 --> 00:22:30,040

Starscream but it's with a k' you can

352

00:22:37,260 --> 00:22:34,480

look him up on YouTube he is got like

353

00:22:39,000 --> 00:22:37,270

full sleeves both both arms fully

354

00:22:41,130 --> 00:22:39,010

sleeved I think he's even got tattoos

355

00:22:43,040 --> 00:22:41,140

like on his head I don't like on the

356

00:22:46,020 --> 00:22:43,050

back of his head he's got a big star I

357

00:22:48,240 --> 00:22:46,030

was always you know like when he started

358

00:22:51,510 --> 00:22:48,250

getting tattooed he went nuts and I was

359

00:22:53,850 --> 00:22:51,520

afraid that if I got one tattoo that I

360

00:22:56,250 --> 00:22:53,860

would like it too much and I would get I

361

00:23:00,060 --> 00:22:56,260

would turn into the tattooed man so I

362

00:23:01,830 --> 00:23:00,070

avoided tattoos as far as tattoos like I

363

00:23:03,210 --> 00:23:01,840

like them on some other people just not

364

00:23:06,390 --> 00:23:03,220

me you know and it's not like a

365

00:23:09,240 --> 00:23:06,400

religious thing I think I'm pretty sure

366

00:23:12,140 --> 00:23:09,250

if you're Jewish maybe Juke juice it's

367

00:23:14,550 --> 00:23:12,150

it's forbidden to tattoo your skin I

368

00:23:16,080 --> 00:23:14,560

could be wrong I know there's some

369

00:23:18,060 --> 00:23:16,090

religion where you can't do it so for me

370

00:23:20,540 --> 00:23:18,070

it wasn't religious was just I don't

371

00:23:26,670 --> 00:23:20,550

know I don't know how to do that and

372

00:23:31,910 --> 00:23:26,680

then friends I'm gonna I'm gonna put

373

00:23:35,070 --> 00:23:31,920

this phone line here oh wait here we go

374

00:23:36,690 --> 00:23:35,080

so here is the phone line once again I

375

00:23:41,280 --> 00:23:36,700

should figure out how to share that on

376

00:23:43,560 --> 00:23:41,290

the screen I don't think I can right now

377

00:23:45,240 --> 00:23:43,570

because I don't have the file but there

378

00:23:47,190 --> 00:23:45,250

you go this is the phone line we have

379

00:23:48,870 --> 00:23:47,200

open lines tonight and of course you

380

00:23:51,690 --> 00:23:48,880

know it's funny somebody calls every

381

00:23:55,140 --> 00:23:51,700

night and now I'm doing a show with open

382

00:23:58,380 --> 00:23:55,150

lines and we have no callers I think you

383

00:24:17,440 --> 00:24:12,340

yeah

384

00:24:19,390 --> 00:24:17,450

guys want to call in this is the number

385

00:24:23,740 --> 00:24:19,400

you can call to six seven four eight two

386

00:24:32,080 --> 00:24:23,750

zero six one two and come part of the

387

00:24:33,790 --> 00:24:32,090

show I get that off of there otherwise

388

00:24:43,720 --> 00:24:33,800

we'll just take questions from the chat

389

00:24:45,340 --> 00:24:43,730

or comments from the chat just tattoos

390

00:24:46,270 --> 00:24:45,350

thankfully and two sleeves and a couple

391

00:24:50,620 --> 00:24:46,280

of my legs

392

00:24:53,350 --> 00:24:50,630

yeah genocide a lot of people go I had a

393

00:24:59,350 --> 00:24:53,360

lot but you know really I have a friend

394

00:25:01,630 --> 00:24:59,360

he uses that as a name okay there is an

395

00:25:03,390 --> 00:25:01,640

Philip Blair then then it is Jews right

396

00:25:08,020 --> 00:25:03,400

Phil Blair there is an Old Testament

397

00:25:09,940 --> 00:25:08,030

prohibition on tattoos I think I have a

398

00:25:11,770 --> 00:25:09,950

brother-in-law who was Jewish

399

00:25:14,440 --> 00:25:11,780

well I had a brother-in-law my

400

00:25:16,540 --> 00:25:14,450

sister-in-law divorced him but uh he was

401

00:25:22,530 --> 00:25:16,550

Jewish and I think that I heard that

402

00:25:27,550 --> 00:25:25,300

which makes tattoos of the Old Testament

403

00:25:29,320 --> 00:25:27,560

Bible verses especially funny yeah it

404

00:25:31,630 --> 00:25:29,330

kind of does right I'm sure people have

405

00:25:34,420 --> 00:25:31,640

gotten Old Testament Bible verses hi

406

00:25:38,320 --> 00:25:34,430

jasmine hi jasmine oh yeah jasmine at

407

00:25:39,640 --> 00:25:38,330

Muroc is here Jonas I'd I'm too high a

408

00:25:44,320 --> 00:25:39,650

call well that could be kind of fun

409

00:25:49,900 --> 00:25:44,330

though you know Jonas I'd five peeps in

410

00:25:54,040 --> 00:25:49,910

a live chat hey jasmine Jeannette

411

00:25:55,630 --> 00:25:54,050

Corazon gorgeous how come I can't say

412

00:25:57,240 --> 00:25:55,640

that it's very simple right Claire zanko

413

00:26:01,390 --> 00:25:57,250

I'm saying that right right

414

00:26:04,810 --> 00:26:01,400

it's Starscream one word but it's st AR

415

00:26:09,310 --> 00:26:04,820

s ke re a.m. and you can find them on

416

00:26:11,650 --> 00:26:09,320

Facebook or on or on YouTube I think

417

00:26:14,140 --> 00:26:11,660

they just have a new music video or

418

00:26:15,880 --> 00:26:14,150

something somebody just told me I think

419

00:26:22,070 --> 00:26:15,890

you have just made a new record I don't

420

00:26:30,690 --> 00:26:28,020

Aloha Jazmin emmerich I am Catholic and

421

00:26:32,130 --> 00:26:30,700

no tattooing really I grew up Catholic I

422

00:26:38,400 --> 00:26:32,140

never heard you couldn't have tattoos if

423

00:26:47,840 --> 00:26:38,410

you're a Catholic never heard that dan

424

00:26:51,150 --> 00:26:47,850

Hogan the game Plinko favorite Beatle

425

00:26:53,760 --> 00:26:51,160

boy that's a tough one it's definitely

426

00:26:57,360 --> 00:26:53,770

not it's definitely not Ringo

427

00:26:59,130 --> 00:26:57,370

or George Harrison I really like John

428

00:27:06,590 --> 00:26:59,140

Lennon I think I would say John Lennon

429

00:27:11,610 --> 00:27:06,600

but you know I'm a I'm a big fan of all

430

00:27:14,010 --> 00:27:11,620

the Beatles music but I think I like the

431

00:27:17,520 --> 00:27:14,020

songs that that John Lennon wrote the

432

00:27:19,680 --> 00:27:17,530

best and I'm a big fan too of though

433

00:27:21,510 --> 00:27:19,690

Paul McCartney's later work when he got

434

00:27:23,430 --> 00:27:21,520

out of the when he got out of the

435

00:27:25,470 --> 00:27:23,440

Beatles but I got into the Beatles

436

00:27:27,360 --> 00:27:25,480

really late like when I was younger

437

00:27:29,370 --> 00:27:27,370

listen a music fan I could care less

438

00:27:32,340 --> 00:27:29,380

about feels didn't really care about and

439

00:27:36,630 --> 00:27:32,350

really liked him later my 20s maybe

440

00:27:40,830 --> 00:27:36,640

early thirties I got sort of engrossed

441

00:27:43,740 --> 00:27:40,840

in them because I got like a CD

442

00:27:47,580 --> 00:27:43,750

collection of every Beatles album and

443

00:27:52,020 --> 00:27:47,590

then I went whoa now I understand why

444

00:27:56,490 --> 00:27:52,030

they were so loved girlfriend uses it as

445

00:28:00,360 --> 00:27:56,500

a screen name Sarah crept in your dream

446

00:28:02,909 --> 00:28:00,370

time yes she not not yesterday but the

447

00:28:04,500 --> 00:28:02,919

day before yesterday she absolutely did

448

00:28:07,200 --> 00:28:04,510

and she told me that I would dream of

449

00:28:09,299 --> 00:28:07,210

her and I did and I don't want to say I

450

00:28:12,270 --> 00:28:09,309

dreamt about her but I dreamt and she

451

00:28:13,950 --> 00:28:12,280

was in the dreams and that's a little

452

00:28:16,310 --> 00:28:13,960

creepy when somebody tells you tonight

453

00:28:18,750 --> 00:28:16,320

you're gonna dream about me and you do

454

00:28:21,020 --> 00:28:18,760

but it couldn't be just coincidence or

455

00:28:23,909 --> 00:28:21,030

that she was on my mind

456

00:28:25,919 --> 00:28:23,919

my mom was Catholic and cried for weeks

457

00:28:27,870 --> 00:28:25,929

and my first tattoo she wouldn't let me

458

00:28:34,130 --> 00:28:27,880

go to Mass with her made me sit separate

459

00:28:37,920 --> 00:28:34,140

oh wow yeah when I was younger I

460

00:28:40,650 --> 00:28:37,930

died my hair like jet-black and let it

461

00:28:42,900 --> 00:28:40,660

grow and my dad would not he didn't want

462

00:28:44,400 --> 00:28:42,910

me he didn't want me to be like going to

463

00:28:49,440 --> 00:28:44,410

church with them or anything like that

464

00:28:53,880 --> 00:28:49,450

and it was funny it was like really I

465

00:29:02,580 --> 00:28:53,890

died my hair and I get disowned John

466

00:29:03,930 --> 00:29:02,590

Lennon and George Harrison really oh my

467

00:29:06,150 --> 00:29:03,940

goodness

468

00:29:08,040 --> 00:29:06,160

super be fun cat says she left me an

469

00:29:09,690 --> 00:29:08,050

envelope of cash after she passed away

470

00:29:15,390 --> 00:29:09,700

and he asked me to use it to remove my

471

00:29:17,400 --> 00:29:15,400

tattoos my gosh yeah I think I haven't

472

00:29:19,380 --> 00:29:17,410

really seen your tattoos much supervee

473

00:29:21,720 --> 00:29:19,390

but you're like mysterious i I don't

474

00:29:22,440 --> 00:29:21,730

know you on Facebook at least I don't

475

00:29:24,600 --> 00:29:22,450

think so

476

00:29:27,900 --> 00:29:24,610

and so I've only seen these little tiny

477

00:29:30,330 --> 00:29:27,910

pictures of your profile and I think I

478

00:29:33,930 --> 00:29:30,340

saw you and a picture on Twitter where

479

00:29:35,340 --> 00:29:33,940

you were in a what was that like a like

480

00:29:42,140 --> 00:29:35,350

a beauty salon maybe getting your hair

481

00:29:46,710 --> 00:29:45,060

sorry Jasmine Emmerich's has loved the

482

00:29:54,300 --> 00:29:46,720

Beatles Sgt pepper's Lonely Hearts Club

483

00:29:56,760 --> 00:29:54,310

Band album and later yeah and Dan Hogan

484

00:30:00,300 --> 00:29:56,770

is here Dan isn't it you that I talked

485

00:30:01,680 --> 00:30:00,310

to about doing a show on EVP and ghost

486

00:30:05,220 --> 00:30:01,690

hunting and you were going to send me

487

00:30:07,440 --> 00:30:05,230

some EVPs even if you just want to send

488

00:30:10,230 --> 00:30:07,450

me like the raw file

489

00:30:13,140 --> 00:30:10,240

you know I'll kind of go through the try

490

00:30:18,840 --> 00:30:13,150

to find listen to it and try to find the

491

00:30:21,120 --> 00:30:18,850

EVPs I woke my parents up drunk to show

492

00:30:22,590 --> 00:30:21,130

off my tattoo I was 18 but still in high

493

00:30:27,420 --> 00:30:22,600

school and I had to have it covered up

494

00:30:29,760 --> 00:30:27,430

they were pissed yeah you know what's

495

00:30:31,290 --> 00:30:29,770

funny is like later is like telling your

496

00:30:33,480 --> 00:30:31,300

parents some of this stuff that you did

497

00:30:36,840 --> 00:30:33,490

well like when you're an adult like him

498

00:30:38,400 --> 00:30:36,850

you could tell you know like oh yeah we

499

00:30:41,490 --> 00:30:38,410

used to sneak out every night you know

500

00:30:42,810 --> 00:30:41,500

you had no idea with me my brother sat

501
00:30:44,730 --> 00:30:42,820
with my mom wants to tell her all this

502
00:30:47,970 --> 00:30:44,740
stuff we used to do she had no idea she

503
00:30:52,810 --> 00:30:50,470
William Pixley what's up folks

504
00:30:54,760 --> 00:30:52,820
Steven you beat out Jimmy Church two

505
00:30:58,930 --> 00:30:54,770
nights in a row not bad last night was a

506
00:31:01,840 --> 00:30:58,940
good show you know I should say this

507
00:31:04,660 --> 00:31:01,850
about Jimmy Church I you know kindly

508
00:31:07,420 --> 00:31:04,670
gentler me I once said a lot of bad

509
00:31:12,510 --> 00:31:07,430
stuff about Jimmy Church in relation to

510
00:31:18,210 --> 00:31:12,520
one cosmic con man or two maybe and

511
00:31:20,740 --> 00:31:18,220
later I heard some stories about why he

512
00:31:23,830 --> 00:31:20,750
kind of just ghosted them and didn't

513
00:31:27,850 --> 00:31:23,840

talk about it and I gotta say that I was

514

00:31:31,030 --> 00:31:27,860

most likely or probably wrong to attack

515

00:31:34,600 --> 00:31:31,040

him because he had reasons for why he

516

00:31:38,650 --> 00:31:34,610

did what he did and you know god bless

517

00:31:41,080 --> 00:31:38,660

him like I think he was in a bad

518

00:31:45,100 --> 00:31:41,090

situation and and he made the decision

519

00:31:51,490 --> 00:31:45,110

that was best for him so I wish him the

520

00:31:59,650 --> 00:31:51,500

best oh we did that one Lennon but I do

521

00:32:03,250 --> 00:31:59,660

love Paul even if he's dead the dead

522

00:32:05,920 --> 00:32:03,260

yeah I you know that so there's a like a

523

00:32:08,140 --> 00:32:05,930

guy it isn't there like a guy who has an

524

00:32:11,140 --> 00:32:08,150

entire YouTube channel devoted to the

525

00:32:13,300 --> 00:32:11,150

Paul is dead or Paul died in 1967

526

00:32:15,160 --> 00:32:13,310

conspiracy and it's just kind of

527

00:32:18,880 --> 00:32:15,170

ridiculous because they even asked I

528

00:32:20,260 --> 00:32:18,890

guess the new Paul and he said oh it's

529

00:32:22,780 --> 00:32:20,270

ridiculous and here's where it came from

530

00:32:26,350 --> 00:32:22,790

it came from a Kyle a story in a college

531

00:32:32,490 --> 00:32:26,360

newspaper Philip Blair I'm not even on

532

00:32:42,010 --> 00:32:37,240

so the question is did you at supervue

533

00:32:43,840 --> 00:32:42,020

fun cat did are you are you asking her

534

00:32:46,470 --> 00:32:43,850

did she do something I don't understand

535

00:32:55,710 --> 00:32:50,500

Facebook is haunted no Claire get out of

536

00:33:05,830 --> 00:33:03,670

magical mystery tour okay Dan yeah so

537

00:33:08,710 --> 00:33:05,840

Dan Hogan is going to be a guest on an

538

00:33:11,170 --> 00:33:08,720

upcoming episodes show I am fascinated

539

00:33:12,370 --> 00:33:11,180

by this ghost hunting stuff and EVPs

540

00:33:14,440 --> 00:33:12,380

lately

541

00:33:16,600 --> 00:33:14,450

mostly because I've never looked into

542

00:33:19,480 --> 00:33:16,610

that much and but boy I gotta tell you

543

00:33:23,050 --> 00:33:19,490

you sure get sick of looking into you

544

00:33:24,910 --> 00:33:23,060

I'm sick of UFO stories not really I

545

00:33:27,400 --> 00:33:24,920

mean I'm starting to do them I love UFO

546

00:33:29,290 --> 00:33:27,410

stories but there's only so much out

547

00:33:32,440 --> 00:33:29,300

there that you can you know there's only

548

00:33:33,850 --> 00:33:32,450

so many books so many stories so I

549

00:33:37,480 --> 00:33:33,860

started looking into other paranormal

550

00:33:40,990 --> 00:33:37,490

topics mmm pretty recently and and

551
00:33:43,990 --> 00:33:41,000
before I would just go I'm gonna stick

552
00:33:45,580 --> 00:33:44,000
to you know stick to my lane but lately

553
00:33:47,950 --> 00:33:45,590
I've been sort of branching out with

554
00:33:49,750 --> 00:33:47,960
that stuff so he's gonna come on he's

555
00:33:52,960 --> 00:33:49,760
done some investigations and he's got

556
00:33:59,770 --> 00:33:52,970
some EVP proof let's hope that we're

557
00:34:01,390 --> 00:33:59,780
gonna get to hear somewhere I heard that

558
00:34:02,740 --> 00:34:01,400
more than half the people on Facebook

559
00:34:05,170 --> 00:34:02,750
are no longer in the world of the living

560
00:34:07,120 --> 00:34:05,180
don't know if this is true or not it's

561
00:34:10,030 --> 00:34:07,130
got to be a certain percentage of Dead

562
00:34:14,520 --> 00:34:10,040
accounts out there I saw somewhere on

563
00:34:18,310 --> 00:34:14,530

the web there is a website dedicated to

564

00:34:20,830 --> 00:34:18,320

dead people on Facebook and like weird

565

00:34:23,169 --> 00:34:20,840

stuff that they posted or like and it's

566

00:34:25,270 --> 00:34:23,179

creepy because some of them like kill

567

00:34:27,610 --> 00:34:25,280

themselves and they're showing on this

568

00:34:29,350 --> 00:34:27,620

website like posts from them before they

569

00:34:31,270 --> 00:34:29,360

killed themselves there's a little

570

00:34:34,149 --> 00:34:31,280

insensitive to those people's family and

571

00:34:36,970 --> 00:34:34,159

stuff but it is what it is this is our

572

00:34:38,649 --> 00:34:36,980

world jasmine Emmerich never got a

573

00:34:40,300 --> 00:34:38,659

tattoo couldn't think of anything I want

574

00:34:42,700 --> 00:34:40,310

to see all my body for the rest of my

575

00:34:48,669 --> 00:34:42,710

life you know I would have guessed that

576

00:34:55,360 --> 00:34:48,679

you had some tattoos Jimmy is a good guy

577

00:34:57,610 --> 00:34:55,370

he is growing yeah yeah I I sort of just

578

00:34:59,770 --> 00:34:57,620

let go of like not liking the guy

579

00:35:01,360 --> 00:34:59,780

because I mean there were some specific

580

00:35:04,180 --> 00:35:01,370

reasons that I didn't like him and I was

581

00:35:06,940 --> 00:35:04,190

probably wrong about him because I

582

00:35:08,490 --> 00:35:06,950

didn't have the whole story and I got

583

00:35:11,400 --> 00:35:08,500

the whole when I got the holster

584

00:35:13,500 --> 00:35:11,410

I felt bad for what I did so if Jimmy's

585

00:35:15,330 --> 00:35:13,510

watching or anybody knows him I'm sorry

586

00:35:18,180 --> 00:35:15,340

for what I said about you previously I

587

00:35:21,630 --> 00:35:18,190

wish you the best of luck and I hope

588

00:35:25,020 --> 00:35:21,640

that uh you know I don't think he has

589

00:35:26,550 --> 00:35:25,030

hard feelings I think that uh actually

590

00:35:28,290 --> 00:35:26,560

every time somebody mentions him to me

591

00:35:37,970 --> 00:35:28,300

he acts like he doesn't know who I am so

592

00:35:43,170 --> 00:35:40,740

Jonas I'd in my early 20s I told my mom

593

00:35:45,390 --> 00:35:43,180

I smoked weed the marijuana just in case

594

00:35:47,310 --> 00:35:45,400

I got blessing so she went totally

595

00:35:49,980 --> 00:35:47,320

freaked out never did get caught and

596

00:35:52,350 --> 00:35:49,990

it's legal nail yeah Jonas I it's only

597

00:35:54,180 --> 00:35:52,360

legal for some people in some states

598

00:35:56,570 --> 00:35:54,190

though and I'm in the state of

599

00:36:00,780 --> 00:35:56,580

Pennsylvania and you need a medical card

600

00:36:03,000 --> 00:36:00,790

but when they first did the medical

601
00:36:05,490 --> 00:36:03,010
marijuana it was really difficult to get

602
00:36:07,530 --> 00:36:05,500
a card you had to really you know you

603
00:36:09,480 --> 00:36:07,540
had to like have cancer or something and

604
00:36:12,510 --> 00:36:09,490
and the doctors were real strict with

605
00:36:15,300 --> 00:36:12,520
who they were given the cards to but I

606
00:36:16,770 --> 00:36:15,310
think as time goes on so I've heard you

607
00:36:18,720 --> 00:36:16,780
can pretty much go to the doctor and

608
00:36:21,540 --> 00:36:18,730
there's a bunch of you know turned into

609
00:36:23,250 --> 00:36:21,550
a cottage industry of these doctors that

610
00:36:27,030 --> 00:36:23,260
could just rubber-stamp your your

611
00:36:32,910 --> 00:36:27,040
marijuana medical card and so it's a lot

612
00:36:35,610 --> 00:36:32,920
easier to get it now out of mine I have

613
00:36:38,370 --> 00:36:35,620

more now my arms are clean years later

614

00:36:41,070 --> 00:36:38,380

in Japan I couldn't do the hot springs

615

00:36:43,170 --> 00:36:41,080

because of it associated with Yakuza

616

00:36:45,960 --> 00:36:43,180

apparently coincidence my tats are in a

617

00:36:48,000 --> 00:36:45,970

Yakuza formation do you got a dragon on

618

00:36:50,190 --> 00:36:48,010

your back super V like across your whole

619

00:36:52,560 --> 00:36:50,200

back that's what the Yakuza do they put

620

00:36:56,190 --> 00:36:52,570

like a I think it's a dragon across

621

00:36:57,990 --> 00:36:56,200

their entire back and I don't think that

622

00:37:01,980 --> 00:36:58,000

she was in the Yakuza but I knew this

623

00:37:04,620 --> 00:37:01,990

girl model a long time ago and she had

624

00:37:10,710 --> 00:37:04,630

her and this beautiful beautiful dragon

625

00:37:19,829 --> 00:37:17,430

I really am you know my secret okay my

626

00:37:21,599 --> 00:37:19,839

internet isn't loading the videos Tina

627

00:37:23,130 --> 00:37:21,609

Marie is here shout out the steno Maria

628

00:37:27,089 --> 00:37:23,140

she finally made it here

629

00:37:30,300 --> 00:37:27,099

imagine that I'm gonna put this phone

630

00:37:32,609 --> 00:37:30,310

line number up again cuz leave it to me

631

00:37:35,579 --> 00:37:32,619

to have an open phone line show and

632

00:37:37,770 --> 00:37:35,589

nobody calls in and meanwhile I think it

633

00:37:40,920 --> 00:37:37,780

was Brandon young he keeps leaving me

634

00:37:44,130 --> 00:37:40,930

voicemails folks if you do call and you

635

00:37:45,780 --> 00:37:44,140

get a voicemail it's an assumption of

636

00:37:48,089 --> 00:37:45,790

voicemail it's because somebody's on the

637

00:37:49,859 --> 00:37:48,099

line that's the way this line works if

638

00:37:51,630 --> 00:37:49,869

somebody's on the line with me it'll

639

00:37:54,000 --> 00:37:51,640

dump you in the voicemail so don't leave

640

00:37:55,680 --> 00:37:54,010

a message just hang up and and wait

641

00:38:00,750 --> 00:37:55,690

until somebody's off the line and will

642

00:38:02,520 --> 00:38:00,760

call backup I wanted to come say hi

643

00:38:06,420 --> 00:38:02,530

though well what did she say something

644

00:38:07,740 --> 00:38:06,430

before that on my internet yeah I'm

645

00:38:12,000 --> 00:38:07,750

surprised you're still awake Steen is

646

00:38:14,010 --> 00:38:12,010

kids driving you nuts I'm you know free

647

00:38:17,370 --> 00:38:14,020

of children tonight so that's why I'm

648

00:38:22,770 --> 00:38:17,380

still awake I probably should be

649

00:38:24,930 --> 00:38:22,780

sleeping though ever heard the suppose a

650

00:38:27,450 --> 00:38:24,940

time traveler Beatles album everyday

651

00:38:31,680 --> 00:38:27,460

chemistry wild story no but I will look

652

00:38:34,200 --> 00:38:31,690

that up I got a birthday shout-out from

653

00:38:36,900 --> 00:38:34,210

Jimmy Church on Monday my 50th well

654

00:38:42,180 --> 00:38:36,910

happy birthday Jonas I know you're that

655

00:38:44,160 --> 00:38:42,190

old man but good for you yeah Jason quit

656

00:38:46,620 --> 00:38:44,170

mentioned me on his show and that's when

657

00:38:48,720 --> 00:38:46,630

he said hoo hoo like he didn't know who

658

00:38:52,339 --> 00:38:48,730

I was maybe he doesn't know who I am but

659

00:38:56,550 --> 00:38:52,349

I think he does it's kind of funny oh

660

00:38:59,339 --> 00:38:56,560

and so upcoming shows so we have Dan

661

00:39:03,690 --> 00:38:59,349

Hogan we're gonna do a show on EVPs we

662

00:39:05,520 --> 00:39:03,700

have this Rachel Hoffman who's does

663

00:39:07,530 --> 00:39:05,530

ghost hunting she's from paranormal

664

00:39:10,500 --> 00:39:07,540

expeditions she's a cool girl she does

665

00:39:12,150 --> 00:39:10,510

like she's got a bus that she lives in

666

00:39:13,800 --> 00:39:12,160

and when she hears about a haunted house

667

00:39:16,740 --> 00:39:13,810

or something she gets in her bus and she

668

00:39:20,940 --> 00:39:16,750

goes there with all this gear and she

669

00:39:22,050 --> 00:39:20,950

works on the you know finding ghosts and

670

00:39:24,049 --> 00:39:22,060

we're gonna have her I can't wait to

671

00:39:26,059 --> 00:39:24,059

talk to her because I followed her for

672

00:39:31,449 --> 00:39:26,069

while now and and she's kind of really

673

00:39:31,459 --> 00:39:36,400

appreciate that you held your ground be

674

00:39:46,339 --> 00:39:42,459

hey out of mind loved your apology video

675

00:39:49,279 --> 00:39:46,349

yeah this is this so much fun it's fun

676

00:39:52,160 --> 00:39:49,289

stuff going on like steena makes a video

677

00:39:57,099 --> 00:39:52,170

and then some crazy isn't it like a

678

00:40:03,319 --> 00:40:00,769

trolling her bad like telling her she

679

00:40:05,299 --> 00:40:03,329

better make a video to apologize and

680

00:40:09,469 --> 00:40:05,309

this and that and she made a video that

681

00:40:16,839 --> 00:40:09,479

basically said suck my [h__h] and I I love

682

00:40:21,529 --> 00:40:19,459

okay so steena says he actually has left

683

00:40:24,170 --> 00:40:21,539

me alone nail he made one comment and

684

00:40:30,380 --> 00:40:24,180

his people have left me alone so I will

685

00:40:32,029 --> 00:40:30,390

- I have three dead people super vivan

686

00:40:34,910 --> 00:40:32,039

Katz's I have three dead people on my

687

00:40:37,819 --> 00:40:34,920

facebook I hate Facebook I have to purge

688

00:40:42,109 --> 00:40:37,829

300 people and get through 100 requests

689

00:40:44,779 --> 00:40:42,119

yes and me one send me a request then

690

00:40:51,559 --> 00:40:44,789

maybe I could see her tattoos oh that's

691

00:40:53,900 --> 00:40:51,569

sad that is sad are you taking phone

692

00:40:56,120 --> 00:40:53,910

calls tonight yes I am well we're trying

693

00:40:57,949 --> 00:40:56,130

to I put the phone line up actually you

694

00:41:01,279 --> 00:40:57,959

know what we're gonna do this we're

695

00:41:03,620 --> 00:41:01,289

gonna go and and I'll play the open

696

00:41:04,819 --> 00:41:03,630

phone lines bumper so that maybe you

697

00:41:09,589 --> 00:41:04,829

know because people could call in from

698

00:41:12,829 --> 00:41:09,599

Facebook - so tonight is open phone

699

00:41:14,449 --> 00:41:12,839

lines and ask me anything folks you too

700

00:41:17,120 --> 00:41:14,459

can call in and be a part of the show

701
00:41:18,769 --> 00:41:17,130
you can ask me anything or you can call

702
00:41:22,729 --> 00:41:18,779
in if you want to tell me your strange

703
00:41:25,549 --> 00:41:22,739
paranormal experience whatever that is

704
00:41:28,189 --> 00:41:25,559
I'd like to hear it we're gonna open the

705
00:41:29,989 --> 00:41:28,199
phone lines up and anybody can call in

706
00:41:31,669 --> 00:41:29,999
anybody can be a part of the show come

707
00:43:41,930 --> 00:41:31,679
be a part of the experience here on true

708
00:43:48,650 --> 00:43:44,980
okay steena is going to delete her

709
00:43:49,910 --> 00:43:48,660
you're shut up stupid video it was

710
00:43:52,609 --> 00:43:49,920
pretty funny the way she added up that

711
00:43:55,839 --> 00:43:52,619
together though and in a rare occurrence

712
00:43:57,430 --> 00:43:55,849
my wife is actually watching tonight so

713
00:44:00,200 --> 00:43:57,440

hi honey

714

00:44:03,380 --> 00:44:00,210

she just text me that she should be in

715

00:44:05,480 --> 00:44:03,390

bed too and she said I'm tired but I

716

00:44:11,230 --> 00:44:05,490

can't sleep and I must be bored if I'm

717

00:44:18,500 --> 00:44:11,240

watching this thanks for the support

718

00:44:20,270 --> 00:44:18,510

William Pixley so since my wife is

719

00:44:23,480 --> 00:44:20,280

watching I should tell her I haven't

720

00:44:25,670 --> 00:44:23,490

really talked to her today I spread a

721

00:44:27,770 --> 00:44:25,680

whole bunch of gravel today and it's a

722

00:44:33,339 --> 00:44:27,780

lot harder without a bobcat when you

723

00:44:38,120 --> 00:44:36,349

William Pixley says churches promotions

724

00:44:39,680 --> 00:44:38,130

of not good and she'll cut was a huge

725

00:44:41,660 --> 00:44:39,690

mistake I had an early falling-out with

726

00:44:44,180 --> 00:44:41,670

him over that issue justified I wasn't

727

00:44:53,120 --> 00:44:44,190

back off and I was right as you were and

728

00:44:57,650 --> 00:44:53,130

others well honestly I don't know if I

729

00:45:05,539 --> 00:44:57,660

was right yeah my wife says always

730

00:45:07,579 --> 00:45:05,549

showing the love Dan Hogan I'm by no

731

00:45:08,960 --> 00:45:07,589

means a true believer in EVP hauntings

732

00:45:11,180 --> 00:45:08,970

I've picked up a few interesting things

733

00:45:14,599 --> 00:45:11,190

on tape but in the moment I don't think

734

00:45:17,660 --> 00:45:14,609

I felt anything odd I'm like Fox Mulder

735

00:45:19,160 --> 00:45:17,670

I want to believe me too and it can't

736

00:45:20,870 --> 00:45:19,170

hurt to have you on the show and will

737

00:45:22,609 --> 00:45:20,880

listen to those things and see what

738

00:45:24,650 --> 00:45:22,619

everybody thinks cuz maybe you got

739

00:45:29,150 --> 00:45:24,660

something there right that would be

740

00:45:32,000 --> 00:45:29,160

great I got my medical card in 2012

741

00:45:32,450 --> 00:45:32,010

arthritis and acid reflux but both gone

742

00:45:36,589 --> 00:45:32,460

now

743

00:45:41,000 --> 00:45:36,599

well mostly good for you and it was the

744

00:45:42,859 --> 00:45:41,010

Green that helped with that genocide yes

745

00:45:47,299 --> 00:45:42,869

here is the phone line if anybody would

746

00:45:52,130 --> 00:45:47,309

like to call in they can do so yeah

747

00:45:54,079 --> 00:45:52,140

leave it to me sometimes when when the

748

00:45:55,600 --> 00:45:54,089

and the other shows I had to like turn

749

00:45:57,610 --> 00:45:55,610

the phone off because we

750

00:45:59,530 --> 00:45:57,620

we have so much time for open lines so I

751
00:46:00,880 --> 00:45:59,540
thought this would be a good idea maybe

752
00:46:05,910 --> 00:46:00,890
I should have waited until we have a

753
00:46:10,690 --> 00:46:05,920
bigger audience but no Dragons the chest

754
00:46:13,600 --> 00:46:10,700
formation and inner lip you got a tattoo

755
00:46:15,730 --> 00:46:13,610
on the inside of your lip super V fun

756
00:46:21,960 --> 00:46:15,740
cat I've seen people do that that is

757
00:46:21,970 --> 00:46:29,550
trying to get your house presentable

758
00:46:34,240 --> 00:46:31,840
Phil Blair when I was first prescribed

759
00:46:35,800 --> 00:46:34,250
adderall for ADHD my grandmom and RN

760
00:46:39,610 --> 00:46:35,810
said it would be healthier if I had

761
00:46:41,830 --> 00:46:39,620
cannabis instead she died penniless but

762
00:46:47,830 --> 00:46:41,840
always donated to normal and the

763
00:46:53,590 --> 00:46:47,840

Marijuana Policy Project okay Jeanette

764

00:46:54,970 --> 00:46:53,600

Cruz I don't call into the show that's

765

00:46:56,290 --> 00:46:54,980

the call in number folks if you want to

766

00:47:05,800 --> 00:46:56,300

call it it's two six seven four eight

767

00:47:07,360 --> 00:47:05,810

two zero six one two Blair that's cool

768

00:47:10,630 --> 00:47:07,370

Phil Blair did you take her advice no

769

00:47:13,480 --> 00:47:10,640

need to share if not comfortable yeah

770

00:47:20,980 --> 00:47:13,490

I've heard of people on ADHD meds taking

771

00:47:29,860 --> 00:47:20,990

cannabis or CBD oil instead for medical

772

00:47:33,070 --> 00:47:29,870

career was a psychiatric nurse okay what

773

00:47:36,310 --> 00:47:33,080

was that I missed that one oh that

774

00:47:38,320 --> 00:47:36,320

steena stroll is in New Zealand actually

775

00:47:41,140 --> 00:47:38,330

yeah this guy's a piece of work

776

00:47:43,840 --> 00:47:41,150

I don't know understand the whys why is

777

00:47:46,060 --> 00:47:43,850

that guy he's like such an incredible

778

00:47:50,650 --> 00:47:46,070

fan of Corey good and he doesn't like

779

00:47:53,350 --> 00:47:50,660

what you're doing and how dare you you

780

00:47:57,580 --> 00:47:53,360

know with facts like show people the

781

00:47:58,950 --> 00:47:57,590

truth crazy racist New Zealand is I had

782

00:48:04,390 --> 00:47:58,960

no idea

783

00:48:06,070 --> 00:48:04,400

hmm I've not heard that so Claire

784

00:48:10,510 --> 00:48:06,080

as the right strain is very helpful I

785

00:48:14,370 --> 00:48:10,520

found different types of ADHD the ad D

786

00:48:22,000 --> 00:48:17,380

Luna song shared just this week hell

787

00:48:25,180 --> 00:48:22,010

racist oh I did not know that New

788

00:48:27,220 --> 00:48:25,190

Zealand is racist that is it's kind of

789

00:48:33,730 --> 00:48:27,230

strange to me I've never heard that

790

00:48:34,560 --> 00:48:33,740

oh how ona song got treated in New

791

00:48:40,360 --> 00:48:34,570

Zealand

792

00:48:42,580 --> 00:48:40,370

don't know about that she's Asian my

793

00:48:44,110 --> 00:48:42,590

other friend is half black two people

794

00:48:46,960 --> 00:48:44,120

same week said they were treated poorly

795

00:48:49,360 --> 00:48:46,970

in New Zealand well I don't know that

796

00:48:54,490 --> 00:48:49,370

you can like you know say the whole

797

00:48:55,060 --> 00:48:54,500

country is racist me neither dude it

798

00:48:57,520 --> 00:48:55,070

dawned on me

799

00:49:00,700 --> 00:48:57,530

partially through his rant though that

800

00:49:02,620 --> 00:49:00,710

he doesn't even realize and he thinks he

801

00:49:02,980 --> 00:49:02,630

isn't but the stuff he said speaks for

802

00:49:08,290 --> 00:49:02,990

itself

803

00:49:10,900 --> 00:49:08,300

yeah I saw some of that like you know

804

00:49:13,690 --> 00:49:10,910

anytime somebody's gonna get on on

805

00:49:16,210 --> 00:49:13,700

YouTube and talk about race that way I

806

00:49:17,890 --> 00:49:16,220

mean that's kind of stupid to be

807

00:49:24,070 --> 00:49:17,900

publicly doing that you could lose jobs

808

00:49:27,190 --> 00:49:24,080

you could you know what anybody's

809

00:49:29,230 --> 00:49:27,200

favorite cryptic cryptid cryptid

810

00:49:32,410 --> 00:49:29,240

creature I like the one to go lately I

811

00:49:34,870 --> 00:49:32,420

think my new favorite cryptid creature

812

00:49:37,180 --> 00:49:34,880

is the hairy man of Alaska because it's

813

00:49:39,880 --> 00:49:37,190

like the king of the Sasquatch monsters

814

00:49:42,600 --> 00:49:39,890

it's 15 foot tall and it murders people

815

00:49:45,280 --> 00:49:42,610

and rips their arms and legs off and

816

00:49:48,100 --> 00:49:45,290

there is also a story that it ripped a

817

00:49:50,260 --> 00:49:48,110

corpse or I guess killed somebody and

818

00:49:52,750 --> 00:49:50,270

then ripped them in half at the waist so

819

00:49:55,320 --> 00:49:52,760

that's my not that I would want to meet

820

00:49:59,500 --> 00:49:55,330

one but that's my favorite cryptid

821

00:50:02,500 --> 00:49:59,510

misses cambian yeah you know I never

822

00:50:04,420 --> 00:50:02,510

bumped my wife like I never I don't I

823

00:50:06,760 --> 00:50:04,430

didn't think she ever listened to any of

824

00:50:09,310 --> 00:50:06,770

my radio shows I don't think she ever

825

00:50:11,530 --> 00:50:09,320

and I like when I write music I don't

826

00:50:14,020 --> 00:50:11,540

really play it for her she didn't you

827

00:50:15,970 --> 00:50:14,030

know cuz it's just I do too many things

828

00:50:18,230 --> 00:50:15,980

and she can't keep up so I try to not

829

00:50:21,080 --> 00:50:18,240

bother her my younger son

830

00:50:23,270 --> 00:50:21,090

year is my biggest fan when I you know

831

00:50:24,920 --> 00:50:23,280

write new songs he'll come in and I'll

832

00:50:26,990 --> 00:50:24,930

let him listen to it and then he tells

833

00:50:28,400 --> 00:50:27,000

me if it's a good song or not and he's

834

00:50:31,010 --> 00:50:28,410

pretty honest like he's like I don't

835

00:50:33,740 --> 00:50:31,020

like it it's too fast bad you know he's

836

00:50:37,850 --> 00:50:33,750

pretty funny tonight

837

00:50:40,040 --> 00:50:37,860

crew Zenko says hi missus cambian she's

838

00:50:42,109 --> 00:50:40,050

actually not mrs. cambium and this is a

839

00:50:44,240 --> 00:50:42,119

funny story when I married my wife she's

840

00:50:47,630 --> 00:50:44,250

like just to let you know I'm not

841

00:50:50,120 --> 00:50:47,640

changing my name and I go you're not I

842

00:50:53,420 --> 00:50:50,130

just assumed that every woman changed

843

00:50:55,670 --> 00:50:53,430

the name and she said no I'm not I'm

844

00:50:58,160 --> 00:50:55,680

keeping my name I first of all I don't

845

00:50:59,420 --> 00:50:58,170

like your name and second of all you're

846

00:51:01,100 --> 00:50:59,430

marrying me

847

00:51:02,750 --> 00:51:01,110

you're not adopting me I'm keeping my

848

00:51:06,140 --> 00:51:02,760

name and I always thought that was funny

849

00:51:07,700 --> 00:51:06,150

and you know since then I think it's a

850

00:51:10,400 --> 00:51:07,710

lot more common that a woman just

851
00:51:12,170 --> 00:51:10,410
doesn't change her name so she still has

852
00:51:14,990 --> 00:51:12,180
you know her family name that she was

853
00:51:17,050 --> 00:51:15,000
born with which is fine my my children

854
00:51:24,410 --> 00:51:17,060
have my last name

855
00:51:26,450 --> 00:51:24,420
Aloha honey hi mrs. Gambian but you know

856
00:51:29,720 --> 00:51:26,460
when we did magic shows people called

857
00:51:32,300 --> 00:51:29,730
her mrs. cambian so and we put I think

858
00:51:40,880 --> 00:51:32,310
we built her as as Sharon cambian with

859
00:51:44,120 --> 00:51:40,890
me Aloha love for molder yes shout out

860
00:51:47,530 --> 00:51:44,130
to mrs. cambian yeah folks if my wife is

861
00:51:50,390 --> 00:51:47,540
watching what I'm doing she's got to be

862
00:51:52,730 --> 00:51:50,400
bored as hell what's going on with the

863
00:51:54,980 --> 00:51:52,740

Ozarks you're not what my wife got

864

00:51:56,960 --> 00:51:54,990

obsessed with those are I haven't

865

00:51:58,190 --> 00:51:56,970

watched any of it yet I was gonna try to

866

00:52:00,020 --> 00:51:58,200

catch up to her but I think she's on

867

00:52:02,930 --> 00:52:00,030

season three already so there's no hope

868

00:52:04,400 --> 00:52:02,940

for me and I keep coming in and I watch

869

00:52:06,109 --> 00:52:04,410

a few minutes of it with her and then I

870

00:52:08,060 --> 00:52:06,119

go wow this seems really good but I

871

00:52:13,370 --> 00:52:08,070

don't want to ruin the binge so I have

872

00:52:15,349 --> 00:52:13,380

to get up and leave right there's the

873

00:52:16,700 --> 00:52:15,359

number where's where's Brandon Young

874

00:52:19,220 --> 00:52:16,710

when you need him he's been trying to

875

00:52:24,920 --> 00:52:19,230

call at every show he left me voicemails

876

00:52:28,700 --> 00:52:24,930

gone Brandon young when to go is not my

877

00:52:31,700 --> 00:52:28,710

favorite scary a F yeah I went to goes

878

00:52:35,120 --> 00:52:31,710

are scary absolutely scary

879

00:52:36,800 --> 00:52:35,130

Amen genocide the prime minister of New

880

00:52:41,480 --> 00:52:36,810

Zealand is great I wish she was our

881

00:52:44,750 --> 00:52:41,490

president she's awesome hide from the

882

00:52:48,100 --> 00:52:44,760

rudolph like from the rudolph movie yeah

883

00:52:50,990 --> 00:52:48,110

i think that wasn't Wendigo in them

884

00:52:53,720 --> 00:52:51,000

hairy man maybe and the and earth all or

885

00:52:55,880 --> 00:52:53,730

north myths talk about trolls could be

886

00:52:59,530 --> 00:52:55,890

or you know the Native Americans have

887

00:53:01,190 --> 00:52:59,540

myths of giants in the forest

888

00:53:03,950 --> 00:53:01,200

welcome Pixley

889

00:53:09,320 --> 00:53:03,960

he says laugh out loud I don't like your

890

00:53:11,180 --> 00:53:09,330

name either yet I love that I didn't

891

00:53:13,910 --> 00:53:11,190

change my last name either 21 years of

892

00:53:16,100 --> 00:53:13,920

marriage no problem yeah me and my wife

893

00:53:20,180 --> 00:53:16,110

have been together for 20 years now I

894

00:53:22,670 --> 00:53:20,190

good she can correct me I don't she

895

00:53:26,660 --> 00:53:22,680

knows the exact day that we met she

896

00:53:30,140 --> 00:53:26,670

knows the first you know when we became

897

00:53:31,820 --> 00:53:30,150

exclusive you know then she knows at the

898

00:53:34,280 --> 00:53:31,830

time that we broke up for a few weeks

899

00:53:37,520 --> 00:53:34,290

she knows I think she knows the dates of

900

00:53:41,510 --> 00:53:37,530

all that children mind me like you know

901
00:53:43,690 --> 00:53:41,520
this week however many years ago that's

902
00:53:48,200 --> 00:53:43,700
the week that you broke up with me so

903
00:53:49,790 --> 00:53:48,210
it's always been a sore spot William

904
00:53:54,130 --> 00:53:49,800
Pixley who is your favorite magician

905
00:53:56,630 --> 00:53:54,140
thoughts on dynamo not a fan of dynamo

906
00:53:58,340 --> 00:53:56,640
really not a fan of dynamo I just didn't

907
00:54:00,920 --> 00:53:58,350
like his style and I didn't like the

908
00:54:03,110 --> 00:54:00,930
fact that most of what he did was just

909
00:54:06,650 --> 00:54:03,120
take what David Blaine was doing and do

910
00:54:10,190 --> 00:54:06,660
that too I grew up really loving David

911
00:54:13,270 --> 00:54:10,200
Copperfield that him and Lance Burton

912
00:54:20,960 --> 00:54:13,280
who's a dub magician and illusionist

913
00:54:25,580 --> 00:54:20,970

were by two favorites really arts

914

00:54:27,470 --> 00:54:25,590

I love that my fiancée is not into UFO

915

00:54:29,240 --> 00:54:27,480

or woo anything keeps things balanced

916

00:54:32,210 --> 00:54:29,250

yes superbee my wife could care less

917

00:54:34,070 --> 00:54:32,220

about any of this stuff she you know

918

00:54:36,290 --> 00:54:34,080

sometimes if I'm if I'm watching like a

919

00:54:38,720 --> 00:54:36,300

documentary she'll watch some of it with

920

00:54:44,450 --> 00:54:38,730

me but she's not really it's just not

921

00:54:48,860 --> 00:54:44,460

her thing and that's you know her thing

922

00:54:52,510 --> 00:54:48,870

is that Phil Blair's is Aloha missus not

923

00:54:57,460 --> 00:54:52,520

Campion yeah that's funny

924

00:54:59,930 --> 00:54:57,470

Justina Maria you're adopting me yeah

925

00:55:02,000 --> 00:54:59,940

yeah and I think that my wife thought

926

00:55:03,320 --> 00:55:02,010

that we would have a like that I would

927

00:55:06,020 --> 00:55:03,330

have a problem with that because she

928

00:55:08,600 --> 00:55:06,030

came at me like listen we have to talk

929

00:55:11,660 --> 00:55:08,610

about this I just wanted to know not

930

00:55:13,670 --> 00:55:11,670

change my name like she was you know and

931

00:55:16,610 --> 00:55:13,680

I'm like okay it didn't you know I

932

00:55:17,840 --> 00:55:16,620

didn't really about Boggs kit yeah we

933

00:55:19,610 --> 00:55:17,850

could keep putting that phone line up

934

00:55:21,500 --> 00:55:19,620

but I think no one's calling and that's

935

00:55:22,280 --> 00:55:21,510

okay I think we're gonna wrap things up

936

00:55:30,020 --> 00:55:22,290

here shortly

937

00:55:33,530 --> 00:55:30,030

oh I like your name fine man was quoting

938

00:55:35,630 --> 00:55:33,540

your wife yeah I got work early I bid

939

00:55:38,870 --> 00:55:35,640

you lovely people a good night and much

940

00:55:42,410 --> 00:55:38,880

love yeah all right good night Joe side

941

00:55:44,870 --> 00:55:42,420

it's good to see you here does your wife

942

00:55:48,890 --> 00:55:44,880

have any good ghost stories Bigfoot UFOs

943

00:55:52,550 --> 00:55:48,900

stories etc no but my wife did have our

944

00:55:55,430 --> 00:55:52,560

mother told me that she had the gift and

945

00:55:57,110 --> 00:55:55,440

I'm like the gift yes she could see she

946

00:55:59,990 --> 00:55:57,120

could see the future in things and

947

00:56:02,570 --> 00:56:00,000

apparently when she was a child to talk

948

00:56:06,530 --> 00:56:02,580

to angels and things and dead people and

949

00:56:08,720 --> 00:56:06,540

then her father was in a fire and she

950

00:56:12,170 --> 00:56:08,730

said mommy daddy's gonna burn he's in a

951
00:56:14,960 --> 00:56:12,180
fire and at the time her mother didn't

952
00:56:17,240 --> 00:56:14,970
know anything about her father being in

953
00:56:23,180 --> 00:56:17,250
a fire and it's eurie came home from

954
00:56:26,060 --> 00:56:23,190
work sure enough he was in a fire says

955
00:56:29,420 --> 00:56:26,070
the Google subscriber is that the Google

956
00:56:30,490 --> 00:56:29,430
subscriber is not available that is

957
00:56:33,710 --> 00:56:30,500
weird

958
00:56:35,309 --> 00:56:33,720
no wonder we're not getting calls thanks

959
00:56:37,720 --> 00:56:35,319
Dan Hogan

960
00:56:40,809 --> 00:56:37,730
I'm gonna have to check on why that is

961
00:56:42,849 --> 00:56:40,819
then that kind of kills your open lines

962
00:56:44,609 --> 00:56:42,859
Colin now when the phone line doesn't

963
00:56:46,569 --> 00:56:44,619

work

964

00:56:48,970 --> 00:56:46,579

David Copperfield used to sit my

965

00:56:59,170 --> 00:56:48,980

waitress statement make SIG's disappear

966

00:57:18,640 --> 00:57:01,840

yeah that's so weird I don't know why

967

00:57:24,130 --> 00:57:20,769

my wife says she doesn't how to do the

968

00:57:26,109 --> 00:57:24,140

chat that they are doing now Sharon if

969

00:57:29,279 --> 00:57:26,119

you want to go to the chat you go to

970

00:57:36,130 --> 00:57:34,150

the click on the link on my Facebook

971

00:57:40,890 --> 00:57:36,140

page I give it and then you could come

972

00:57:45,190 --> 00:57:43,359

she says she only remembers marriage and

973

00:57:55,480 --> 00:57:45,200

a few other dates too but I I don't

974

00:58:00,849 --> 00:57:55,490

believe her my husband too superbee I'm

975

00:58:04,839 --> 00:58:00,859

not opposed either oh there's also two

976

00:58:06,700 --> 00:58:04,849

things first I've really got to work

977

00:58:08,349 --> 00:58:06,710

harder on like finishing a point I was

978

00:58:11,440 --> 00:58:08,359

talking about upcoming shows so we're

979

00:58:14,710 --> 00:58:11,450

gonna do a show coming up with Jason

980

00:58:16,779 --> 00:58:14,720

quit again on the Japanese suicide

981

00:58:18,910 --> 00:58:16,789

forest because I was gonna do that show

982

00:58:20,559 --> 00:58:18,920

solo and then he saw that I posted about

983

00:58:22,029 --> 00:58:20,569

and then he said oh I've been there and

984

00:58:23,620 --> 00:58:22,039

he started sending me pictures and he's

985

00:58:25,989 --> 00:58:23,630

got some strange stories of that

986

00:58:30,130 --> 00:58:25,999

Japanese suicide forest so he's coming

987

00:58:32,979 --> 00:58:30,140

on as well we have the Sarah Adams Sarah

988

00:58:36,160 --> 00:58:32,989

Adams strange case of Sarah Adams part 2

989

00:58:37,930 --> 00:58:36,170

coming up with her interview and if

990

00:58:39,789 --> 00:58:37,940

anybody has any questions they want me

991

00:58:43,390 --> 00:58:39,799

to ask her you could DM me on Twitter or

992

00:58:50,829 --> 00:58:43,400

email me peace out genocide take care of

993

00:58:52,479 --> 00:58:50,839

genocide like the sixth sense yeah not

994

00:58:53,859 --> 00:58:52,489

honestly I kind of think my wife is

995

00:58:56,499 --> 00:58:53,869

psychic anyway because she knows

996

00:58:58,900 --> 00:58:56,509

everything I do like it's impossible to

997

00:59:02,769 --> 00:58:58,910

hide something from her or you know keep

998

00:59:04,839 --> 00:59:02,779

a secret from her which is a little

999

00:59:10,670 --> 00:59:04,849

bizarre but you know she just knows

1000

00:59:12,170 --> 00:59:10,680

everything I can't you know I sometimes

1001
00:59:15,680 --> 00:59:12,180
they put cameras in the house cuz she

1002
00:59:19,840 --> 00:59:15,690
knows like what time I get up and you

1003
00:59:34,310 --> 00:59:32,750
quits quilts there we go oh hello this

1004
00:59:35,570 --> 00:59:34,320
is Stephen and you're on truth seekers

1005
00:59:58,640 --> 00:59:35,580
who are you and where you're calling

1006
01:00:00,530 --> 00:59:58,650
from hello hello no I hear nothing so

1007
01:00:02,030 --> 01:00:00,540
we're gonna hang up on that and we're

1008
01:00:04,010 --> 01:00:02,040
just not having any luck with this phone

1009
01:00:09,140 --> 01:00:04,020
line tonight folks it is ringing if

1010
01:00:11,140 --> 01:00:09,150
people are gonna call sorry about that

1011
01:00:17,600 --> 01:00:11,150
whoever just called in I heard nothing

1012
01:00:27,020 --> 01:00:17,610
when you called so friends I think we're

1013
01:00:34,130 --> 01:00:27,030

gonna just wrap things up here houston

1014

01:00:35,900 --> 01:00:34,140

we have a problem yeah yeah William

1015

01:00:40,370 --> 01:00:35,910

Pixley I think dynamo stuff is pretty

1016

01:00:41,990 --> 01:00:40,380

cool blows my mind anyway yeah I haven't

1017

01:00:45,680 --> 01:00:42,000

seen very much of him that could be the

1018

01:00:48,920 --> 01:00:45,690

problem - he is he's very popular in

1019

01:00:50,420 --> 01:00:48,930

England but they don't unless you're a

1020

01:00:52,640 --> 01:00:50,430

huge fan of magic and you go looking for

1021

01:00:55,040 --> 01:00:52,650

those videos like on YouTube you don't

1022

01:00:57,470 --> 01:00:55,050

really get much Dynamo in the United

1023

01:01:00,530 --> 01:00:57,480

States it's David Blaine here and I

1024

01:01:07,140 --> 01:01:00,540

guess Criss Angel who I'm not a fan of

1025

01:01:17,499 --> 01:01:14,650

okay oh so there's one other point that

1026

01:01:19,599 --> 01:01:17,509

I can make before we wrap things up here

1027

01:01:22,029 --> 01:01:19,609

and that is I got a couple of messages

1028

01:01:24,489 --> 01:01:22,039

today for people who previously sent me

1029

01:01:25,719 --> 01:01:24,499

very constructive criticism like the

1030

01:01:27,880 --> 01:01:25,729

music was too loud

1031

01:01:30,099 --> 01:01:27,890

the lights were squeaky this scene

1032

01:01:33,189 --> 01:01:30,109

you're setting everything to dark and we

1033

01:01:34,930 --> 01:01:33,199

can't see you enough and yesterday I

1034

01:01:36,609 --> 01:01:34,940

said something about like you know it's

1035

01:01:38,199 --> 01:01:36,619

a live show and these things are gonna

1036

01:01:41,370 --> 01:01:38,209

happen you're getting you're getting

1037

01:01:44,049 --> 01:01:41,380

this new show to seekers warts and all

1038

01:01:45,519 --> 01:01:44,059

that's my concept now because you know

1039

01:01:47,709 --> 01:01:45,529

it's a live show and things happen so

1040

01:01:50,259 --> 01:01:47,719

people sent me messages like apologizing

1041

01:01:53,439 --> 01:01:50,269

for I wasn't complaining that people

1042

01:01:56,199 --> 01:01:53,449

were sending me you know messages I was

1043

01:01:58,329 --> 01:01:56,209

just saying that everything's live so

1044

01:01:59,829 --> 01:01:58,339

like tonight the phone barely word

1045

01:02:01,839 --> 01:01:59,839

somebody called in and it didn't work

1046

01:02:04,269 --> 01:02:01,849

you know these things are just gonna

1047

01:02:07,269 --> 01:02:04,279

happen when we're doing a live show the

1048

01:02:09,339 --> 01:02:07,279

music may be too loud look that's ugly

1049

01:02:10,229 --> 01:02:09,349

back there you can't see I don't know

1050

01:02:12,279 --> 01:02:10,239

what that's about

1051
01:02:15,819 --> 01:02:12,289
now there we go supposed to be an

1052
01:02:17,319 --> 01:02:15,829
animation you know I want the

1053
01:02:19,660 --> 01:02:17,329
constructive criticism especially

1054
01:02:22,509 --> 01:02:19,670
constructive criticism so sure send me

1055
01:02:24,160 --> 01:02:22,519
those messages if something is off and I

1056
01:02:26,949 --> 01:02:24,170
you know I'm gonna do my best to try to

1057
01:02:31,449 --> 01:02:26,959
fix these little problems but it's a

1058
01:02:32,769 --> 01:02:31,459
live show so we're gonna do it works and

1059
01:02:37,660 --> 01:02:32,779
all and that's the way you guys are

1060
01:02:39,430 --> 01:02:37,670
going to get it zero to two calling it

1061
01:02:42,729 --> 01:02:39,440
at least it rang on your end though this

1062
01:02:44,529 --> 01:02:42,739
time you know what Dan Hogan I if you if

1063
01:02:46,479 --> 01:02:44,539

you really want to call it and DM you on

1064

01:02:49,269 --> 01:02:46,489

Twitter that my actual phone line and

1065

01:02:51,609 --> 01:02:49,279

maybe my actual phone number but you

1066

01:02:53,620 --> 01:02:51,619

know what it's okay we'll just take

1067

01:02:57,390 --> 01:02:53,630

stuff from the live chat and we'll be

1068

01:03:02,650 --> 01:02:59,620

Jasmine Emmerich you were working out

1069

01:03:04,329 --> 01:03:02,660

the kinks that's fine yeah and you know

1070

01:03:06,549 --> 01:03:04,339

tonight I was gonna have this new

1071

01:03:10,749 --> 01:03:06,559

backdrop I got that's like a cool space

1072

01:03:12,579 --> 01:03:10,759

scene but I I this is just the stuff

1073

01:03:14,439 --> 01:03:12,589

that happens I'm like yeah last night I

1074

01:03:15,939 --> 01:03:14,449

threw all this stuff from the car in

1075

01:03:17,709 --> 01:03:15,949

there and I was like I only got 30

1076

01:03:19,809 --> 01:03:17,719

minutes before the show and I had to

1077

01:03:20,800 --> 01:03:19,819

hurry up and tonight I had a little more

1078

01:03:22,840 --> 01:03:20,810

time so

1079

01:03:25,210 --> 01:03:22,850

I set up this backdrop but what I didn't

1080

01:03:27,250 --> 01:03:25,220

realize is you know these these cool

1081

01:03:29,880 --> 01:03:27,260

backdrops that you get on Amazon you

1082

01:03:32,860 --> 01:03:29,890

know they come all folded up so it's all

1083

01:03:34,510 --> 01:03:32,870

got folds in it and it looks terrible so

1084

01:03:35,830 --> 01:03:34,520

I have to find a hairdryer or something

1085

01:03:39,130 --> 01:03:35,840

to get rid of that and then we'll have a

1086

01:03:40,870 --> 01:03:39,140

new backdrop for here or I might just

1087

01:03:46,900 --> 01:03:40,880

keep using the cabin I worked pretty

1088

01:03:48,760 --> 01:03:46,910

hard on those walls the atmospheric

1089

01:03:51,660 --> 01:03:48,770

don't matter what matters is the content

1090

01:04:00,130 --> 01:03:51,670

well in Pixley i agree with you

1091

01:04:03,010 --> 01:04:00,140

absolutely I like it what did you think

1092

01:04:07,810 --> 01:04:03,020

about this DOD tic-tac disclosure going

1093

01:04:10,270 --> 01:04:07,820

on in public right now I think there's

1094

01:04:13,330 --> 01:04:10,280

been two stories which I think are being

1095

01:04:16,570 --> 01:04:13,340

blown way out of proportion and are not

1096

01:04:19,780 --> 01:04:16,580

important at all the first story is that

1097

01:04:22,480 --> 01:04:19,790

the Senators are demanding you know that

1098

01:04:24,580 --> 01:04:22,490

they be given information on the UAP

1099

01:04:29,410 --> 01:04:24,590

programs or the UFO programs and the

1100

01:04:35,880 --> 01:04:29,420

threats are these Russian drones or it's

1101
01:04:38,110 --> 01:04:35,890
not a big story senators have oftentimes

1102
01:04:40,990 --> 01:04:38,120
demanded that they be given this

1103
01:04:43,740 --> 01:04:41,000
information or briefed or whatever and

1104
01:04:46,240 --> 01:04:43,750
even when they do get the information

1105
01:04:48,430 --> 01:04:46,250
sometimes it doesn't trickle down into

1106
01:04:50,820 --> 01:04:48,440
the United it's out to the actual people

1107
01:04:53,110 --> 01:04:50,830
because it's classified information or

1108
01:04:57,040 --> 01:04:53,120
you know oh those were top-secret

1109
01:05:00,130 --> 01:04:57,050
projects we're testing so I mean was

1110
01:05:02,220 --> 01:05:00,140
marco rubio can demand to be briefed all

1111
01:05:04,450 --> 01:05:02,230
he wants first of all if there's

1112
01:05:06,640 --> 01:05:04,460
projects that are need-to-know

1113
01:05:09,490 --> 01:05:06,650

even the president can be denied access

1114

01:05:11,260 --> 01:05:09,500

sorry you don't ever need to know so a

1115

01:05:16,060 --> 01:05:11,270

senator can certainly be denied access

1116

01:05:19,120 --> 01:05:16,070

to this is the thing these black

1117

01:05:22,420 --> 01:05:19,130

projects operate with no congressional

1118

01:05:24,850 --> 01:05:22,430

oversight with tons of trillions of

1119

01:05:28,000 --> 01:05:24,860

dollars and yes they can keep senators

1120

01:05:30,160 --> 01:05:28,010

out of the knowledge of those things

1121

01:05:31,810 --> 01:05:30,170

unless they have a need to know and if

1122

01:05:33,640 --> 01:05:31,820

the senator is saying I want to be

1123

01:05:34,610 --> 01:05:33,650

briefed then they go you don't have a

1124

01:05:41,930 --> 01:05:34,620

need to know

1125

01:05:46,610 --> 01:05:41,940

that's it and the tic-tac you know I

1126

01:05:47,840 --> 01:05:46,620

think this tic-tac video is a in fact

1127

01:05:49,880 --> 01:05:47,850

I'm sure of it

1128

01:05:52,250 --> 01:05:49,890

the tic-tac video is an exotic

1129

01:05:56,090 --> 01:05:52,260

propulsion drone that's what it is

1130

01:05:57,670 --> 01:05:56,100

that's well this is my theory I don't

1131

01:06:02,390 --> 01:05:57,680

know for a fact that's what it is I

1132

01:06:04,940 --> 01:06:02,400

believe it is next generation drone that

1133

01:06:07,340 --> 01:06:04,950

is being tested off

1134

01:06:09,380 --> 01:06:07,350

I believe it's there's a base right off

1135

01:06:12,200 --> 01:06:09,390

the California coast it's being tested

1136

01:06:15,770 --> 01:06:12,210

from there and that's where one of those

1137

01:06:20,950 --> 01:06:15,780

was seen by these Navy pilots off the

1138

01:06:23,420 --> 01:06:20,960

coast of California call me picks my

1139

01:06:27,230 --> 01:06:23,430

Apix that's pretty good actually I like

1140

01:06:29,600 --> 01:06:27,240

that Phil Blair indeed and then we have

1141

01:06:32,180 --> 01:06:29,610

William Pixley the powers above and

1142

01:06:34,250 --> 01:06:32,190

getting [h__h] for informations presidents

1143

01:06:36,410 --> 01:06:34,260

indeed or not getting red in this is a

1144

01:06:39,860 --> 01:06:36,420

huge problem secret space program you

1145

01:06:43,760 --> 01:06:39,870

ApS are real I agree with you William

1146

01:06:48,070 --> 01:06:43,770

Pixley pics I agree with you pics and I

1147

01:06:51,500 --> 01:06:48,080

have a theory on all of this stuff and

1148

01:06:53,360 --> 01:06:51,510

that is that it's called the dark

1149

01:06:55,670 --> 01:06:53,370

playground hypothesis and that is

1150

01:06:57,830 --> 01:06:55,680

there's a dark playground with super

1151

01:07:00,860 --> 01:06:57,840

advanced technology that only the very

1152

01:07:03,500 --> 01:07:00,870

rich elite and powerful get access to

1153

01:07:07,640 --> 01:07:03,510

and the rest of us are allowed in that

1154

01:07:10,610 --> 01:07:07,650

playground I spent years chasing lights

1155

01:07:13,730 --> 01:07:10,620

in the sky and UFOs and alien stories I

1156

01:07:16,940 --> 01:07:13,740

never ever found definitive proof that

1157

01:07:19,220 --> 01:07:16,950

any UFO is an alien spacecraft never and

1158

01:07:21,710 --> 01:07:19,230

all the stories all the books that I've

1159

01:07:25,150 --> 01:07:21,720

read there is no definitive proof

1160

01:07:28,160 --> 01:07:25,160

there's tantalizing maybe this is true

1161

01:07:30,140 --> 01:07:28,170

but most of the time it's just a huge

1162

01:07:32,090 --> 01:07:30,150

rabbit hole you never get to the end of

1163

01:07:34,790 --> 01:07:32,100

it you never find the alien at the

1164

01:07:36,890 --> 01:07:34,800

bottom of that rabbit hole but you sure

1165

01:07:39,100 --> 01:07:36,900

find out about the government pretending

1166

01:07:42,770 --> 01:07:39,110

things are aliens so that they can test

1167

01:07:47,920 --> 01:07:42,780

top secret drones or stealth aircraft

1168

01:07:51,070 --> 01:07:47,930

they the US government encourages

1169

01:07:53,070 --> 01:07:51,080

and funds people to go in the UFO

1170

01:07:56,200 --> 01:07:53,080

conferences and spread disinformation

1171

01:07:58,870 --> 01:07:56,210

they like it muddies the water

1172

01:08:00,970 --> 01:07:58,880

those aren't top-secret drones designed

1173

01:08:03,940 --> 01:08:00,980

to kill people or surveil the American

1174

01:08:08,080 --> 01:08:03,950

public that everybody is seeing those

1175

01:08:10,510 --> 01:08:08,090

are aliens bro it's a smokescreen so

1176

01:08:12,430 --> 01:08:10,520

that they can continue to do their work

1177

01:08:17,860 --> 01:08:12,440

on these super advanced propulsion

1178

01:08:20,260 --> 01:08:17,870

systems I mean they the former CEO of

1179

01:08:22,360 --> 01:08:20,270

Lockheed Martin said there are things in

1180

01:08:27,810 --> 01:08:22,370

the desert that would make George Lucas

1181

01:08:30,190 --> 01:08:27,820

jealous that's crazy

1182

01:08:32,620 --> 01:08:30,200

until shown something different I'm in

1183

01:08:35,200 --> 01:08:32,630

agreement with your UF ap assessment

1184

01:08:38,380 --> 01:08:35,210

summary you know what Jasmine Mis

1185

01:08:40,300 --> 01:08:38,390

emmerich I just at the end of the

1186

01:08:42,430 --> 01:08:40,310

midnight hour show got to that I said

1187

01:08:44,830 --> 01:08:42,440

I've talked to the world's experts on

1188

01:08:49,420 --> 01:08:44,840

UFOs I've talked to people that claim to

1189

01:08:53,470 --> 01:08:49,430

see alien bodies all this stuff I've

1190

01:08:55,240 --> 01:08:53,480

never gotten to the proof but I can show

1191

01:08:57,280 --> 01:08:55,250

proof that the US government

1192

01:08:59,500 --> 01:08:57,290

intentionally misleads people into

1193

01:09:02,770 --> 01:08:59,510

believing that drones being tested are

1194

01:09:06,040 --> 01:09:02,780

alien spacecraft there's proof of that

1195

01:09:10,000 --> 01:09:06,050

it's the bennewitz case and other proof

1196

01:09:12,940 --> 01:09:10,010

that they intentionally inject false

1197

01:09:15,220 --> 01:09:12,950

misleading information about aliens and

1198

01:09:18,520 --> 01:09:15,230

alien spacecraft into the public into

1199

01:09:20,530 --> 01:09:18,530

the UFO field to muddy the waters and

1200

01:09:24,850 --> 01:09:20,540

hide what they're really doing which is

1201
01:09:27,450 --> 01:09:24,860
top secret top secret government

1202
01:09:30,760 --> 01:09:27,460
projects designed for war or

1203
01:09:33,730 --> 01:09:30,770
surveillance of the American public you

1204
01:09:37,210 --> 01:09:33,740
know a lot of people the Phoenix lights

1205
01:09:40,630 --> 01:09:37,220
I believe that was a stealth blimp that

1206
01:09:42,340 --> 01:09:40,640
was having trouble and there's ample and

1207
01:09:45,690 --> 01:09:42,350
supportive evidence that that may

1208
01:09:48,280 --> 01:09:45,700
exactly be what it was because that

1209
01:09:51,640 --> 01:09:48,290
so-called alien spacecraft traveled

1210
01:09:54,130 --> 01:09:51,650
right down a highway right down a

1211
01:09:57,520 --> 01:09:54,140
highway it followed the whole length of

1212
01:09:59,560 --> 01:09:57,530
a highway folks and alien spacecrafts

1213
01:10:02,169 --> 01:09:59,570

not going to go key we're on this new

1214

01:10:05,640 --> 01:10:02,179

planet we're lost we can't really

1215

01:10:08,589 --> 01:10:05,650

let's follow this Highway ask any pilot

1216

01:10:11,140 --> 01:10:08,599

especially if an airplane is in trouble

1217

01:10:16,660 --> 01:10:11,150

or they're having engine trouble they

1218

01:10:21,759 --> 01:10:16,670

follow highways human craft do not alien

1219

01:10:24,819 --> 01:10:21,769

spacecraft hmm interesting I like the

1220

01:10:26,890 --> 01:10:24,829

dark playground theory Thank You Steven

1221

01:10:31,270 --> 01:10:26,900

yeah I want to write a book super V but

1222

01:10:31,959 --> 01:10:31,280

I I got started and realized how hard

1223

01:10:34,029 --> 01:10:31,969

that would be

1224

01:10:36,160 --> 01:10:34,039

I was very excited I'm gonna write this

1225

01:10:37,930 --> 01:10:36,170

book I talked about on the midnight hour

1226

01:10:40,629 --> 01:10:37,940

show I'm gonna write a book about this

1227

01:10:42,819 --> 01:10:40,639

theory and then I started and go wow

1228

01:10:46,029 --> 01:10:42,829

this amount of research to make this

1229

01:10:48,459 --> 01:10:46,039

real is not what you know is just I

1230

01:10:50,379 --> 01:10:48,469

don't have the time I'm gonna try it I'm

1231

01:10:52,299 --> 01:10:50,389

gonna try to set some goals to make that

1232

01:10:55,000 --> 01:10:52,309

happen though like just do 10 pages a

1233

01:10:57,100 --> 01:10:55,010

week just do 10 pages a week you know I

1234

01:11:00,129 --> 01:10:57,110

never written a book before though so I

1235

01:11:01,720 --> 01:11:00,139

had no idea what I was in for though one

1236

01:11:04,689 --> 01:11:01,730

certainly didn't get it right with his

1237

01:11:15,450 --> 01:11:04,699

disclosure of our lifetime super V fun

1238

01:11:15,460 --> 01:11:19,840

you

1239

01:11:25,150 --> 01:11:22,510

oh there we go sorry folks loss sound

1240

01:11:35,640 --> 01:11:25,160

they're super view fun cat eye that's

1241

01:11:40,689 --> 01:11:37,899

I'm sorry folks I'm having some

1242

01:11:42,939 --> 01:11:40,699

technical problems keeps the Mike keeps

1243

01:11:47,649 --> 01:11:42,949

muting and I don't know why I'm not

1244

01:11:49,360 --> 01:11:47,659

doing it so an upcoming show I really

1245

01:11:52,270 --> 01:11:49,370

think I'm gonna do this I'm gonna call

1246

01:11:55,090 --> 01:11:52,280

it the dirt on Dolan there's a lot of

1247

01:11:57,310 --> 01:11:55,100

dirt on Richard Dolan I grew up loving

1248

01:12:00,490 --> 01:11:57,320

that guy respecting that guy I thought

1249

01:12:02,590 --> 01:12:00,500

he was a serious researcher that I could

1250

01:12:05,140 --> 01:12:02,600

trust somebody I could look up to

1251

01:12:07,410 --> 01:12:05,150

be inspired by and maybe he was for a

1252

01:12:11,470 --> 01:12:07,420

time but he isn't anymore

1253

01:12:15,640 --> 01:12:11,480

this Wilson documents was a joke and for

1254

01:12:17,950 --> 01:12:15,650

him to clickbait it up and do everything

1255

01:12:22,630 --> 01:12:17,960

he can to try to get eyes on that story

1256

01:12:24,939 --> 01:12:22,640

is [h__\h] and and really I lost so

1257

01:12:27,310 --> 01:12:24,949

much respect for him at that time he did

1258

01:12:29,620 --> 01:12:27,320

it I knew that this story was [h__\h]

1259

01:12:34,300 --> 01:12:29,630

and now we have the confirmation that

1260

01:12:36,220 --> 01:12:34,310

that story was [h__\h] but you know you

1261

01:12:37,840 --> 01:12:36,230

can't convince some people the true

1262

01:12:40,209 --> 01:12:37,850

believers coming up and they say well of

1263

01:12:42,040 --> 01:12:40,219

course he's gonna lie in the document

1264

01:12:44,459 --> 01:12:42,050

and even said that if he gets asked

1265

01:12:46,930 --> 01:12:44,469

about this he'll deny it

1266

01:12:49,510 --> 01:12:46,940

okay john greenwald

1267

01:12:52,060 --> 01:12:49,520

from the black vault did some amazing

1268

01:12:53,740 --> 01:12:52,070

work analyzing the wilson documents and

1269

01:12:57,430 --> 01:12:53,750

showing that they're written exactly

1270

01:12:59,350 --> 01:12:57,440

like a screenplay not like notes from a

1271

01:13:05,919 --> 01:12:59,360

secret meeting between two government

1272

01:13:08,620 --> 01:13:05,929

insiders into UFOs he don't disappoint

1273

01:13:12,360 --> 01:13:08,630

me on that and there's a lot of other

1274

01:13:15,100 --> 01:13:12,370

stuff that people excuse me folks

1275

01:13:16,930 --> 01:13:15,110

there's a lot of other stuff that people

1276

01:13:19,890 --> 01:13:16,940

do not understand about Richard Dolan

1277

01:13:23,229 --> 01:13:19,900

and and I'm gonna talk about a lot of it

1278

01:13:25,000 --> 01:13:23,239

and like I said an upcoming show you

1279

01:13:27,340 --> 01:13:25,010

heard it here first the dirt on Dolan

1280

01:13:28,870 --> 01:13:27,350

we're gonna do that and you know I think

1281

01:13:31,030 --> 01:13:28,880

he gets a pass and I don't think it's

1282

01:13:32,560 --> 01:13:31,040

fair that he gets a pass it's like oh

1283

01:13:35,320 --> 01:13:32,570

well you don't want to you don't want to

1284

01:13:37,689 --> 01:13:35,330

say he's full of [h__\h] you know he's one

1285

01:13:39,459 --> 01:13:37,699

of the top guys I don't care about the

1286

01:13:41,020 --> 01:13:39,469

pecking order here if you're full of

1287

01:13:43,000 --> 01:13:41,030

[h__\h] I'm gonna tell you you're full of

1288

01:13:44,860 --> 01:13:43,010

[h__\h] Richard Dolan and yeah I'll say

1289

01:13:45,370 --> 01:13:44,870

here first Richard Dolan you're full

1290

01:13:50,830 --> 01:13:45,380

[h__\h]

1291

01:13:53,350 --> 01:13:50,840

remote viewing you're doing shows with

1292

01:13:55,390 --> 01:13:53,360

her own remote viewing I got here's here

1293

01:13:57,940 --> 01:13:55,400

I got a challenge here's a challenge and

1294

01:14:01,440 --> 01:13:57,950

we're gonna do this on the dirt Andolan

1295

01:14:04,600 --> 01:14:01,450

show I'm gonna bury boxes of dildos

1296

01:14:07,150 --> 01:14:04,610

somewhere in America and Richard Dolan's

1297

01:14:10,290 --> 01:14:07,160

remote viewing light is gonna find every

1298

01:14:13,480 --> 01:14:10,300

box of dildos and if she does I'll give

1299

01:14:16,630 --> 01:14:13,490

\$10,000 to her favorite charity but

1300

01:14:18,940 --> 01:14:16,640

she's got to find every box of dildos

1301

01:14:22,230 --> 01:14:18,950

that I bury across America with her

1302

01:14:24,370 --> 01:14:22,240

amazing psychic remote viewing abilities

1303

01:14:27,670 --> 01:14:24,380

what's a chances that's gonna happen

1304

01:14:32,070 --> 01:14:27,680

folks and where am I going to get boxes

1305

01:14:34,690 --> 01:14:32,080

of dildos from this might be a bad plan

1306

01:14:37,420 --> 01:14:34,700

the military has confirmed they have

1307

01:14:40,870 --> 01:14:37,430

vaults plural of still undisclosed

1308

01:14:46,240 --> 01:14:40,880

classified UFO UAP and black space op

1309

01:14:48,310 --> 01:14:46,250

data you you probably you probably right

1310

01:14:51,730 --> 01:14:48,320

they I'm sure they have bolts of still

1311

01:14:54,160 --> 01:14:51,740

undisclosed UFO UAP and black space

1312

01:14:56,920 --> 01:14:54,170

update it doesn't mean that it's aliens

1313

01:14:59,200 --> 01:14:56,930

though it could be just drones from

1314

01:15:02,980 --> 01:14:59,210

other countries that were captured or

1315

01:15:05,470 --> 01:15:02,990

went down it could be our own top-secret

1316

01:15:07,180 --> 01:15:05,480

drones that they were being tested and

1317

01:15:11,980 --> 01:15:07,190

they went down and they have wreckage

1318

01:15:15,370 --> 01:15:11,990

from we don't know I think he sold out

1319

01:15:16,570 --> 01:15:15,380

to the mainstream Carol Utley says I

1320

01:15:18,760 --> 01:15:16,580

think he sold out to the mainstream

1321

01:15:22,690 --> 01:15:18,770

referencing Richard Dolan I think that

1322

01:15:24,850 --> 01:15:22,700

he I think that he sold out and and just

1323

01:15:26,890 --> 01:15:24,860

is not the trustworthy source anymore

1324

01:15:29,290 --> 01:15:26,900

where he used to be like if he said

1325

01:15:31,540 --> 01:15:29,300

something you knew that it was probably

1326

01:15:35,710 --> 01:15:31,550

factually correct probably well

1327

01:15:37,390 --> 01:15:35,720

researched and true now when he talks I

1328

01:15:39,070 --> 01:15:37,400

don't even listen anymore I you know

1329

01:15:41,590 --> 01:15:39,080

once in a while I try to catch up with

1330

01:15:43,870 --> 01:15:41,600

his channel you know he's under the gun

1331

01:15:47,470 --> 01:15:43,880

contact contact content I need content

1332

01:15:49,840 --> 01:15:47,480

you know it's also a big supporter

1333

01:15:54,190 --> 01:15:49,850

Richard Dolan is a big supporter of the

1334

01:15:56,590 --> 01:15:54,200

Bob Lazar story now listen there's no s4

1335

01:15:58,690 --> 01:15:56,600

there's just been airplane flights over

1336

01:16:02,080 --> 01:15:58,700

Papoose Lake that confirmed there's no

1337

01:16:05,979 --> 01:16:02,090

hangar doors Bob Lazar Richard Dolan

1338

01:16:08,740 --> 01:16:05,989

three names Richard Dolan is great

1339

01:16:11,589 --> 01:16:08,750

friends with he's great friends with

1340

01:16:13,300 --> 01:16:11,599

Jeremy Korbelt that's why he's supporting

1341

01:16:16,240 --> 01:16:13,310

the Bob Lazar story because his buddies

1342

01:16:19,620 --> 01:16:16,250

made the documentary it's all a big club

1343

01:16:22,359 --> 01:16:19,630

and you ain't in it

1344

01:16:28,000 --> 01:16:22,369

Dolan equals [h__h] can I quote you on

1345

01:16:30,550 --> 01:16:28,010

that yes and I'd like everybody to tweet

1346

01:16:33,060 --> 01:16:30,560

too Richard Dolan about my box of dildos

1347

01:16:35,979 --> 01:16:33,070

challenge for his remote viewing wife I

1348

01:16:38,109 --> 01:16:35,989

don't have any boxes of dildos Richard

1349

01:16:42,300 --> 01:16:38,119

Dolan but when I get some boxes of

1350

01:16:45,760 --> 01:16:42,310

dildos we're gonna do the Richard Dolan

1351

01:16:50,140 --> 01:16:45,770

Richard Dolan wife Jesus her name Tracy

1352

01:16:51,970 --> 01:16:50,150

I think right we're gonna do the Box a

1353

01:16:54,280 --> 01:16:51,980

dildo challenge for your remote-viewing

1354

01:16:57,490 --> 01:16:54,290

wife and if she really has superpowers

1355

01:16:59,560 --> 01:16:57,500

and can Remote View things she'll be

1356

01:17:01,149 --> 01:16:59,570

able to find those boxes and dildos

1357

01:17:01,709 --> 01:17:01,159

wouldn't she be able to do that Richard

1358

01:17:10,359 --> 01:17:01,719

Owen

1359

01:17:12,100 --> 01:17:10,369

your wife's remote viewer crazy I look

1360

01:17:14,229 --> 01:17:12,110

forward to that show I will contribute I

1361

01:17:16,510 --> 01:17:14,239

think you misread the Wilson docks and

1362

01:17:17,050 --> 01:17:16,520

Dolan on this issue we can agree to

1363

01:17:20,439 --> 01:17:17,060

disagree

1364

01:17:22,180 --> 01:17:20,449

mr. Pixley but when the admiral involved

1365

01:17:23,950 --> 01:17:22,190

in those documents comes out and says

1366

01:17:28,180 --> 01:17:23,960

this never happened

1367

01:17:29,830 --> 01:17:28,190

I trust that Admiral that guy does he

1368

01:17:33,010 --> 01:17:29,840

didn't have a reason to lie about that

1369

01:17:34,600 --> 01:17:33,020

there was no classified information or

1370

01:17:36,220 --> 01:17:34,610

anything he would get in trouble for in

1371

01:17:37,689 --> 01:17:36,230

those documents if there was if they

1372

01:17:39,490 --> 01:17:37,699

were real he could have just said yeah

1373

01:17:43,479 --> 01:17:39,500

we had a we had a meeting and these are

1374

01:17:45,399 --> 01:17:43,489

the minutes from it I never and he never

1375

01:17:48,180 --> 01:17:45,409

got to the information that he was

1376

01:17:51,339 --> 01:17:48,190

supposedly looking for or telling this

1377

01:17:53,709 --> 01:17:51,349

doctor that he was looking for and being

1378

01:17:59,589 --> 01:17:53,719

denied he never got to the information

1379

01:18:01,419 --> 01:17:59,599

so there's no reason for an ally to

1380

01:18:02,859 --> 01:18:01,429

seekers outline big topics you want to

1381

01:18:04,689 --> 01:18:02,869

cover in your book then jot down your

1382

01:18:06,250 --> 01:18:04,699

thoughts on note cards then you think

1383

01:18:08,350 --> 01:18:06,260

they're covered everything arranged the

1384

01:18:10,240 --> 01:18:08,360

note cards wheels first drift that is

1385

01:18:12,879 --> 01:18:10,250

excellent advice and you know somebody

1386

01:18:15,129 --> 01:18:12,889

else told me to do an outline I think it

1387

01:18:15,939 --> 01:18:15,139

was Walter Bosley and I still haven't

1388

01:18:18,609 --> 01:18:15,949

gotten to

1389

01:18:21,279 --> 01:18:18,619

I I'm gonna do that if I do it outline

1390

01:18:23,290 --> 01:18:21,289

or at least numbers in like chapter one

1391

01:18:24,790 --> 01:18:23,300

chapter two chapter three maybe that

1392

01:18:26,649 --> 01:18:24,800

would help and then I can break

1393

01:18:28,930 --> 01:18:26,659

I find that when you have a really huge

1394

01:18:30,850 --> 01:18:28,940

huge project to do if you break it up

1395

01:18:32,469 --> 01:18:30,860

and build much smaller tasks you can

1396

01:18:34,299 --> 01:18:32,479

make progress on and it doesn't seem so

1397

01:18:37,810 --> 01:18:34,309

overwhelming and that's exactly what

1398

01:18:40,569 --> 01:18:37,820

you're talking about here I'm gonna I'm

1399

01:18:42,459 --> 01:18:40,579

gonna copy and paste that here miss

1400

01:18:44,379 --> 01:18:42,469

Emmerich because I trust your judgment

1401

01:18:46,390 --> 01:18:44,389

with all the writing that you must do

1402

01:18:48,549 --> 01:18:46,400

that that's a good way to do it I don't

1403

01:18:51,279 --> 01:18:48,559

want to forget that so I don't get it

1404

01:18:54,939 --> 01:18:51,289

pace I copied and pasted that in a

1405

01:19:00,459 --> 01:18:54,949

notepad Gregory Ovens farmer finally

1406

01:19:02,589 --> 01:19:00,469

joining we have a Facebook comment and

1407

01:19:05,199 --> 01:19:02,599

for those who don't know this is my

1408

01:19:10,390 --> 01:19:05,209

brother-in-law who actually lives not

1409

01:19:12,609 --> 01:19:10,400

too far from the cabin here he is

1410

01:19:14,890 --> 01:19:12,619

married to my wife's sister my wife's

1411

01:19:17,609 --> 01:19:14,900

oldest sister Jeanette how you doing

1412

01:19:20,560 --> 01:19:17,619

Greg and it's nice that you came and uh

1413

01:19:22,390 --> 01:19:20,570

Greg's very Christian this is the kind

1414

01:19:24,430 --> 01:19:22,400

of stuff that happens to me like most of

1415

01:19:26,500 --> 01:19:24,440

my family doesn't doesn't know what I do

1416

01:19:28,779 --> 01:19:26,510

they didn't really listen to my radio

1417

01:19:32,199 --> 01:19:28,789

show or whatever so now I'm doing this

1418

01:19:35,319 --> 01:19:32,209

show and my super super Christian

1419

01:19:37,540 --> 01:19:35,329

conservative brother-in-law came to

1420

01:19:39,879 --> 01:19:37,550

watch my show right when I was talking

1421

01:19:42,569 --> 01:19:39,889

about a box of dildos that I'm

1422

01:19:49,180 --> 01:19:42,579

challenging some fake psychic to find

1423

01:19:51,250 --> 01:19:49,190

that's great great time and Greg people

1424

01:19:53,859 --> 01:19:51,260

get so sensitive and take it so personal

1425

01:19:58,060 --> 01:19:53,869

if you say these things yeah I agree

1426

01:19:59,919 --> 01:19:58,070

with you we want it now yeah you know I

1427

01:20:02,229 --> 01:19:59,929

wish I had two notes if I had the notes

1428

01:20:03,850 --> 01:20:02,239

considering you know I'm sorry this show

1429

01:20:06,759 --> 01:20:03,860

went pretty rough in the beginning I

1430

01:20:09,969 --> 01:20:06,769

should have had I should have had back

1431

01:20:13,330 --> 01:20:09,979

up like topic or something no one should

1432

01:20:15,129 --> 01:20:13,340

get a pass well the picks listen some

1433

01:20:17,259 --> 01:20:15,139

people get passes people think I'm

1434

01:20:22,959 --> 01:20:17,269

giving this Carol Adams a pass on being

1435

01:20:26,410 --> 01:20:22,969

you know a woo salesperson I don't I'm

1436

01:20:28,750 --> 01:20:26,420

not I'm not done with that story yet but

1437

01:20:29,710 --> 01:20:28,760

I will say this some people get a pass

1438

01:20:32,770 --> 01:20:29,720

Jason quit

1439

01:20:35,410 --> 01:20:32,780

gets a pass everybody gives him a pass

1440

01:20:38,170 --> 01:20:35,420

everybody that's really rough and tough

1441

01:20:38,980 --> 01:20:38,180

and hard on these frauds that don't have

1442

01:20:41,500 --> 01:20:38,990

any evidence

1443

01:20:43,720 --> 01:20:41,510

Jason quick gets pass I don't know why

1444

01:20:46,060 --> 01:20:43,730

Jason quick gets passed maybe it's cuz

1445

01:20:49,930 --> 01:20:46,070

he's too polite he's so polite and he's

1446

01:20:52,300 --> 01:20:49,940

Canadian that people just go but he's a

1447

01:20:54,910 --> 01:20:52,310

nice guy he doesn't have any proof but

1448

01:20:56,710 --> 01:20:54,920

he's such a nice guy let him go don't

1449

01:21:00,760 --> 01:20:56,720

don't mess with him he's such a nice guy

1450

01:21:03,100 --> 01:21:00,770

and I felt that myself icon I try to got

1451

01:21:06,130 --> 01:21:03,110

to him and he had answers for some of my

1452

01:21:09,670 --> 01:21:06,140

gotchas and then I just kind of went hmm

1453

01:21:11,380 --> 01:21:09,680

I like him as a person so and you know I

1454

01:21:13,120 --> 01:21:11,390

think I heard CW chatter talk about this

1455

01:21:14,860 --> 01:21:13,130

like if you become friends with that guy

1456

01:21:19,260 --> 01:21:14,870

I've found friends with him he's getting

1457

01:21:21,790 --> 01:21:19,270

a pass I don't agree I don't actually I

1458

01:21:23,290 --> 01:21:21,800

don't disagree with anything he talks

1459

01:21:26,200 --> 01:21:23,300

about in his books or any of that stuff

1460

01:21:29,100 --> 01:21:26,210

it's just that I don't know that these

1461

01:21:32,170 --> 01:21:29,110

so-called experiences that he's had and

1462

01:21:34,360 --> 01:21:32,180

continues to have are real or imagined

1463

01:21:36,850 --> 01:21:34,370

there's no proof there's no way to prove

1464

01:21:41,010 --> 01:21:36,860

or disprove what he's saying so I give

1465

01:21:45,640 --> 01:21:43,540

Brendon young what are you laughing at

1466

01:21:47,440 --> 01:21:45,650

are you laughing at my box of dildos to

1467

01:21:51,160 --> 01:21:47,450

challenge this is going to be a serious

1468

01:21:53,830 --> 01:21:51,170

academic study into remote viewing we're

1469

01:21:56,920 --> 01:21:53,840

gonna bury boxes of dildos across the

1470

01:22:00,310 --> 01:21:56,930

country I'm gonna need help I'm gonna

1471

01:22:03,580 --> 01:22:00,320

need some people to go buy a bunch of

1472

01:22:05,980 --> 01:22:03,590

dildos and put them in the box and then

1473

01:22:08,380 --> 01:22:05,990

help me to bury them across the country

1474

01:22:11,290 --> 01:22:08,390

we're gonna boxes of dildos in every

1475

01:22:13,270 --> 01:22:11,300

major city and Richard Dolan's

1476

01:22:18,220 --> 01:22:13,280

remote-viewing wife is going to use her

1477

01:22:24,030 --> 01:22:18,230

super psychic powers to locate the boxes

1478

01:22:29,410 --> 01:22:24,040

of dildos I think this is a good idea I

1479

01:22:33,700 --> 01:22:29,420

say let it out yeah do a deep dive on

1480

01:22:35,200 --> 01:22:33,710

Dolan for you super V fun cat I'm gonna

1481

01:22:36,820 --> 01:22:35,210

do that like I said the episodes

1482

01:22:40,630 --> 01:22:36,830

upcoming it's going to be called the

1483

01:22:43,680 --> 01:22:40,640

dirt on Dolan now I'm gonna have to find

1484

01:22:46,500 --> 01:22:43,690

boxes of dildos to get this shell work

1485

01:22:48,390 --> 01:22:46,510

I'm gonna have to pay listen if I'm

1486

01:22:51,150 --> 01:22:48,400

gonna have to film myself burying a box

1487

01:22:54,450 --> 01:22:51,160

of dildos in the woods up here this is a

1488

01:22:58,740 --> 01:22:54,460

crazy idea but I think it's valid

1489

01:23:00,360 --> 01:22:58,750

criticism here's this guy and listen

1490

01:23:02,010 --> 01:23:00,370

everybody's got a stick right

1491

01:23:03,810 --> 01:23:02,020

everybody's got their you know we got

1492

01:23:06,000 --> 01:23:03,820

dark journalists he's got the men in

1493

01:23:08,250 --> 01:23:06,010

black you know he's got the suit on and

1494

01:23:12,270 --> 01:23:08,260

stuff like that's what he's that's his

1495

01:23:15,300 --> 01:23:12,280

shtick Richard Dolan's though is sly

1496

01:23:16,790 --> 01:23:15,310

and it's deceptive because his shtick is

1497

01:23:20,490 --> 01:23:16,800

armed

1498

01:23:22,680 --> 01:23:20,500

hello I'm Richard Nolan I'm a serious

1499

01:23:26,040 --> 01:23:22,690

researcher I'm college-educated

1500

01:23:29,900 --> 01:23:26,050

I have degrees in history and I've

1501
01:23:33,720 --> 01:23:29,910
written all these really studious books

1502
01:23:35,460 --> 01:23:33,730
but it doesn't make sense his stick is

1503
01:23:37,950 --> 01:23:35,470
doesn't make sense he's out there

1504
01:23:41,340 --> 01:23:37,960
selling UFO [h__h] like everybody else

1505
01:23:44,450 --> 01:23:41,350
sells the UFO he's no different I

1506
01:23:47,850 --> 01:23:44,460
thought he was hugely different I got I

1507
01:23:50,130 --> 01:23:47,860
got conned by Richard Dolan stick

1508
01:23:52,140 --> 01:23:50,140
because it's good one it's like well

1509
01:23:54,330 --> 01:23:52,150
he's not full [h__h] he's a serious

1510
01:23:57,720 --> 01:23:54,340
researcher he's got a college degree he

1511
01:24:06,620 --> 01:23:57,730
writes serious books and meanwhile his

1512
01:24:12,330 --> 01:24:10,200
okay oh I'll definitely watch dumb stuff

1513
01:24:15,660 --> 01:24:12,340

on fifty-fifty on him I have my own

1514

01:24:18,510 --> 01:24:15,670

thoughts get the boxes of difference

1515

01:24:21,270 --> 01:24:18,520

from CW Brandon Young you made my night

1516

01:24:24,120 --> 01:24:21,280

Brandon young you get the comment of the

1517

01:24:27,120 --> 01:24:24,130

night now I'm gonna have to clip this

1518

01:24:29,130 --> 01:24:27,130

out and send it to see WH an ER CW

1519

01:24:30,840 --> 01:24:29,140

cheater I just want to let you know that

1520

01:24:32,670 --> 01:24:30,850

Brandon young told me that you have

1521

01:24:36,200 --> 01:24:32,680

boxes of dildos and we're gonna need

1522

01:24:39,390 --> 01:24:36,210

boxes of dildos for for Richard Dolan's

1523

01:24:41,340 --> 01:24:39,400

for my show the dirt on Tolan because

1524

01:24:43,290 --> 01:24:41,350

we're gonna bury boxes of dildos across

1525

01:24:45,360 --> 01:24:43,300

the country and Richard Dolan's wife

1526

01:24:47,790 --> 01:24:45,370

Tracy's going to use her super-secret

1527

01:24:50,070 --> 01:24:47,800

psychic powers to locate every box of

1528

01:24:53,010 --> 01:24:50,080

dildos Brandon Young has chimed in and

1529

01:24:55,950 --> 01:24:53,020

said get the boxes of dildos from CW

1530

01:24:57,330 --> 01:24:55,960

chanter CW chanter I really don't want

1531

01:24:59,879 --> 01:24:57,340

to buy a lot of dildos how

1532

01:25:09,930 --> 01:24:59,889

a brother out give me some boxes of your

1533

01:25:12,570 --> 01:25:09,940

dildos dildos donation to Steven hashtag

1534

01:25:16,550 --> 01:25:12,580

that [\h__\h] let's start that hashtag dildo

1535

01:25:19,169 --> 01:25:16,560

donation I need some dildo donations

1536

01:25:20,490 --> 01:25:19,179

yeah one epic gross those super be fun

1537

01:25:23,490 --> 01:25:20,500

count like people start giving me like

1538

01:25:27,000 --> 01:25:23,500

used ones and [h__h] oh my god how do we

1539

01:25:30,629 --> 01:25:27,010

get into this right how did we get into

1540

01:25:33,060 --> 01:25:30,639

this the military that the mill has

1541

01:25:37,229 --> 01:25:33,070

boxes of dildos I don't know does he do

1542

01:25:39,300 --> 01:25:37,239

you mean the military George yeah and

1543

01:25:40,470 --> 01:25:39,310

listen I have some family members and

1544

01:25:41,910 --> 01:25:40,480

there's some other people watching who

1545

01:25:43,979 --> 01:25:41,920

may not be familiar with Richard Dolan

1546

01:25:46,800 --> 01:25:43,989

but just for the benefit of those he's

1547

01:25:49,229 --> 01:25:46,810

he's like you know glasses kind of

1548

01:25:52,050 --> 01:25:49,239

college professor beard I'm very serious

1549

01:25:54,240 --> 01:25:52,060

and meanwhile he sells UFO [h__h] like

1550

01:25:56,669 --> 01:25:54,250

everybody else he talks about stories

1551

01:25:59,450 --> 01:25:56,679

that are not true that he knows are not

1552

01:26:02,070 --> 01:25:59,460

true oh and here's another one that CIA

1553

01:26:04,260 --> 01:26:02,080

informant no this is great we'll just

1554

01:26:07,680 --> 01:26:04,270

tease this dirt on Richard Dolan show

1555

01:26:10,189 --> 01:26:07,690

then Richard Dolan did this interview

1556

01:26:11,879 --> 01:26:10,199

with this guy that was supposed to be a

1557

01:26:18,149 --> 01:26:11,889

CIA

1558

01:26:20,700 --> 01:26:18,159

to be his deathbed confession and in in

1559

01:26:23,250 --> 01:26:20,710

and this is another thing that people

1560

01:26:26,640 --> 01:26:23,260

don't know he did that with Jeremy

1561

01:26:29,339 --> 01:26:26,650

Korbel the [h__h] salesman behind the

1562

01:26:31,620 --> 01:26:29,349

Bob Lazar documentary on Netflix that

1563

01:26:32,189 --> 01:26:31,630

guy is so full of [\h__\h] he waddles when

1564

01:26:35,669 --> 01:26:32,199

he walks

1565

01:26:38,700 --> 01:26:35,679

so Richard Dolan and three names jeremy

1566

01:26:40,500 --> 01:26:38,710

Korbel go and do this thing and guess

1567

01:26:43,229 --> 01:26:40,510

who gave them the story people don't

1568

01:26:45,479 --> 01:26:43,239

know this they were given that story in

1569

01:26:47,790 --> 01:26:45,489

that interview opportunity from Linda

1570

01:26:50,180 --> 01:26:47,800

Moulton Howe so they go there and they

1571

01:26:52,379 --> 01:26:50,190

interview this guy they call him a CIA

1572

01:26:55,410 --> 01:26:52,389

you know that he was in on all these

1573

01:26:57,990 --> 01:26:55,420

top-secret UFO projects and he he knew

1574

01:27:02,160 --> 01:26:58,000

about the aliens and Eisenhower was

1575

01:27:05,550 --> 01:27:02,170

gonna invade area 51 it's all [\h__\h]

1576

01:27:06,839 --> 01:27:05,560

that guy never worked for the CIA he

1577

01:27:09,419 --> 01:27:06,849

might have been on his deathbed who

1578

01:27:11,160 --> 01:27:09,429

knows the guy worked at a supermarket

1579

01:27:14,920 --> 01:27:11,170

he's just an old

1580

01:27:16,930 --> 01:27:14,930

[h__\h] guy tells [h__\h] stories he's

1581

01:27:19,510 --> 01:27:16,940

like the guy at the bar that tells you

1582

01:27:22,270 --> 01:27:19,520

he was a secret agent that's what that

1583

01:27:24,310 --> 01:27:22,280

guy was and Richard Dolan went there and

1584

01:27:27,550 --> 01:27:24,320

interviewed him and promoted this thing

1585

01:27:30,040 --> 01:27:27,560

and for name's Jeremy Korbelt whatever is

1586

01:27:32,380 --> 01:27:30,050

gonna do a documentary about that guy

1587

01:27:34,660 --> 01:27:32,390

even though people can prove that guy

1588

01:27:37,840 --> 01:27:34,670

never worked for the CIA he never worked

1589

01:27:39,580 --> 01:27:37,850

for the military it's [h__h] folks

1590

01:27:45,520 --> 01:27:39,590

Richard Dolan was involved in that as

1591

01:27:47,980 --> 01:27:45,530

well hey Carol Utley Carol Utley is here

1592

01:27:50,070 --> 01:27:47,990

shout out to karel Utley Korbelt is a

1593

01:27:51,250 --> 01:27:50,080

tool yeah that I will agree with you on

1594

01:27:54,250 --> 01:27:51,260

absolutely

1595

01:27:55,240 --> 01:27:54,260

Jeremy Korbelt was given I was I wouldn't

1596

01:27:57,310 --> 01:27:55,250

say I was friends with him I was

1597

01:28:00,130 --> 01:27:57,320

acquaintances with him I gave him a

1598

01:28:02,440 --> 01:28:00,140

treasure trove of information to prove

1599

01:28:04,000 --> 01:28:02,450

that Bob Lazar is full of [h__h] guess how

1600

01:28:06,700 --> 01:28:04,010

much of that made it into his

1601
01:28:09,130 --> 01:28:06,710
documentary nothing and I'm not the only

1602
01:28:11,140 --> 01:28:09,140
one that did that for him he knows the

1603
01:28:13,120 --> 01:28:11,150
story's fake he's just trying to make

1604
01:28:16,450 --> 01:28:13,130
money same thing that he tried to do

1605
01:28:18,940 --> 01:28:16,460
with John Lear someday John here's gonna

1606
01:28:22,510 --> 01:28:18,950
tell a story about when Jeremy Korbel

1607
01:28:25,030 --> 01:28:22,520
lived with him and all the [h__h] that

1608
01:28:27,490 --> 01:28:25,040
went on between John Lear and him

1609
01:28:31,060 --> 01:28:27,500
there's a reason folks he doesn't live

1610
01:28:33,580 --> 01:28:31,070
with John Lear anymore and what's this

1611
01:28:36,730 --> 01:28:33,590
you know I don't know there's some kind

1612
01:28:43,170 --> 01:28:36,740
of rumor going around that George Knapp

1613
01:28:47,890 --> 01:28:46,000

yes super V funk at the Admiral made the

1614

01:28:50,140 --> 01:28:47,900

statement calling it a lie after he was

1615

01:28:54,310 --> 01:28:50,150

retired he had nothing to hide or a

1616

01:28:55,990 --> 01:28:54,320

reason to lie I agree with you good tip

1617

01:28:57,970 --> 01:28:56,000

Jasmine any books you recommend on

1618

01:29:00,340 --> 01:28:57,980

writing I'm a mess in my work it's like

1619

01:29:02,290 --> 01:29:00,350

all over the place you're probably doing

1620

01:29:04,830 --> 01:29:02,300

better than me super V fun cat and you

1621

01:29:07,000 --> 01:29:04,840

should definitely

1622

01:29:11,440 --> 01:29:07,010

maybe you should go straight that book

1623

01:29:12,170 --> 01:29:11,450

for me oh I'm sorry I missed that one

1624

01:29:13,610 --> 01:29:12,180

if

1625

01:29:17,090 --> 01:29:13,620

I can get Richard Dolan to come on your

1626

01:29:19,340 --> 01:29:17,100

show are you down for that absolutely I

1627

01:29:21,470 --> 01:29:19,350

listen I have an open-door policy

1628

01:29:24,170 --> 01:29:21,480

especially if I'm gonna talk [h__h] or

1629

01:29:25,760 --> 01:29:24,180

talk trash on anybody you're allowed to

1630

01:29:27,950 --> 01:29:25,770

come on my show you can come in the live

1631

01:29:30,020 --> 01:29:27,960

chat you can call the call-in line and

1632

01:29:32,630 --> 01:29:30,030

defend yourself I'm all for that

1633

01:29:35,480 --> 01:29:32,640

he's never gonna come on my show a funny

1634

01:29:36,560 --> 01:29:35,490

story when he first got married I didn't

1635

01:29:38,810 --> 01:29:36,570

know much about his wife

1636

01:29:40,460 --> 01:29:38,820

but everybody was saying who's this

1637

01:29:42,320 --> 01:29:40,470

woman and why she all of a sudden up in

1638

01:29:44,450 --> 01:29:42,330

Richard Dolan shows and [h__h] and all

1639

01:29:47,900 --> 01:29:44,460

over you know always with them at the

1640

01:29:50,630 --> 01:29:47,910

conferences and so at the time I was

1641

01:29:54,260 --> 01:29:50,640

still you know he was still my good side

1642

01:29:55,910 --> 01:29:54,270

I guess and I sent him an email a couple

1643

01:29:58,820 --> 01:29:55,920

of emails like why don't you let your

1644

01:30:01,400 --> 01:29:58,830

new wife come on my show and then she

1645

01:30:04,220 --> 01:30:01,410

can sort of introduce herself to the you

1646

01:30:06,320 --> 01:30:04,230

know to the greater community and I'll

1647

01:30:09,620 --> 01:30:06,330

do like a nice interview and people can

1648

01:30:17,180 --> 01:30:09,630

get to know her she was too important to

1649

01:30:18,920 --> 01:30:17,190

come on my little show Vanna ogen says

1650

01:30:20,960 --> 01:30:18,930

Tracy Dolan just called me she said

1651

01:30:25,120 --> 01:30:20,970

there's a box of dildos parried me

1652

01:30:32,270 --> 01:30:25,130

remote cabin in Pennsylvania absolutely

1653

01:30:35,120 --> 01:30:32,280

Bundy or Dahmer oh I don't know eat both

1654

01:30:38,150 --> 01:30:35,130

those guys are scary as hell but I think

1655

01:30:39,710 --> 01:30:38,160

if I if I had to like choose between one

1656

01:30:41,950 --> 01:30:39,720

of those two to watch a documentary I

1657

01:30:44,540 --> 01:30:41,960

would watch the Bundy documentary I

1658

01:30:47,440 --> 01:30:44,550

think he was a little scarier because he

1659

01:30:51,980 --> 01:30:47,450

was so charismatic that he looked like

1660

01:30:53,870 --> 01:30:51,990

you know like just strange and he was a

1661

01:30:55,190 --> 01:30:53,880

sexual predator too and strange that he

1662

01:30:56,900 --> 01:30:55,200

would be a sexual predator as

1663

01:30:58,880 --> 01:30:56,910

charismatic and good-looking as he was

1664

01:31:01,850 --> 01:30:58,890

he didn't need to become a sexual

1665

01:31:09,950 --> 01:31:01,860

predator it's just bizarre story so I

1666

01:31:19,920 --> 01:31:17,640

Gacy or gain yeah Gacy I would say and

1667

01:31:22,790 --> 01:31:19,930

the shout-out to Lucky seven I don't

1668

01:31:25,230 --> 01:31:22,800

think I've seen you here before

1669

01:31:26,880 --> 01:31:25,240

same advice that I gave Steve and I'll

1670

01:31:30,690 --> 01:31:26,890

tweet you a book I recommend are you

1671

01:31:32,910 --> 01:31:30,700

writing fiction or nonfiction remember

1672

01:31:35,430 --> 01:31:32,920

this entire field is Wake is way

1673

01:31:45,510 --> 01:31:35,440

occluded to start with it's not easy

1674

01:31:50,400 --> 01:31:45,520

yeah yeah you're right out of mind CW is

1675

01:31:53,220 --> 01:31:50,410

jelly of Jason yeah I think he is I know

1676

01:31:55,890 --> 01:31:53,230

what this is listen he's probably not

1677

01:32:00,300 --> 01:31:55,900

gonna see this so listen I want to do a

1678

01:32:03,060 --> 01:32:00,310

little experiment I want everybody to go

1679

01:32:03,840 --> 01:32:03,070

into CW chanters live chat don't I'll do

1680

01:32:06,390 --> 01:32:03,850

it at once

1681

01:32:08,550 --> 01:32:06,400

you know well it doesn't really matter

1682

01:32:10,980 --> 01:32:08,560

but I want everybody to go into CW

1683

01:32:13,890 --> 01:32:10,990

channels live stream chat and say

1684

01:32:17,220 --> 01:32:13,900

something like this shows pretty good

1685

01:32:17,520 --> 01:32:17,230

but Jason's is better or something like

1686

01:32:21,750 --> 01:32:17,530

that

1687

01:32:23,250 --> 01:32:21,760

you got to mention Jason quit like CW

1688

01:32:25,590 --> 01:32:23,260

chanter looks okay with the beard but

1689

01:32:27,780 --> 01:32:25,600

Jason quit would look better everybody's

1690

01:32:29,790 --> 01:32:27,790

got to go in his chat and mention Jason

1691

01:32:31,170 --> 01:32:29,800

quit because every time somebody

1692

01:32:33,660 --> 01:32:31,180

mentioned to Jason Clinton is chatty

1693

01:32:36,840 --> 01:32:33,670

gets all pissy and it's just funny to

1694

01:32:38,550 --> 01:32:36,850

watch what's up Jason quit [\h__\h] Jason

1695

01:32:40,710 --> 01:32:38,560

quit and then he tried to explain his

1696

01:32:41,760 --> 01:32:40,720

whole [\h__\h] a some quick thing which

1697

01:32:43,530 --> 01:32:41,770

was even funnier

1698

01:32:45,540 --> 01:32:43,540

cuz he had him using children's book to

1699

01:32:49,170 --> 01:32:45,550

explain why he didn't like Jason quick

1700

01:32:51,750 --> 01:32:49,180

come on CW chanter this is crazy but

1701

01:32:53,190 --> 01:32:51,760

yeah I think I might even make some fake

1702

01:32:55,500 --> 01:32:53,200

accounts just so I could go to his

1703

01:33:03,110 --> 01:32:55,510

channel and go like [h__h] you see every

1704

01:33:07,200 --> 01:33:05,640

yeah and I even mentioned that to Jason

1705

01:33:09,840 --> 01:33:07,210

quit he's like somebody should send me

1706

01:33:12,360 --> 01:33:09,850

the time stamps Jason quit once the time

1707

01:33:15,860 --> 01:33:12,370

stamps of when he gets jelly maybe we

1708

01:33:18,030 --> 01:33:15,870

could edit them all together you know I

1709

01:33:20,250 --> 01:33:18,040

have a short story on the side that's

1710

01:33:21,690 --> 01:33:20,260

fiction so it's much better project and

1711

01:33:23,039 --> 01:33:21,700

thing I'm better at the fiction not sure

1712

01:33:30,539 --> 01:33:23,049

it would be backburner

1713

01:33:33,029 --> 01:33:30,549

on the non I dare you you know guys I'm

1714

01:33:35,489 --> 01:33:33,039

gonna have to retitle this show ask me

1715

01:33:37,139 --> 01:33:35,499

anything and a box of dildos I'm doing

1716

01:33:40,069 --> 01:33:37,149

it we're gonna do that we're gonna

1717

01:33:43,469 --> 01:33:40,079

change the title of the show because I

1718

01:33:45,959 --> 01:33:43,479

don't about you but if I like saw a

1719

01:33:47,369 --> 01:33:45,969

box of dildos in a title I think I might

1720

01:33:52,619 --> 01:33:47,379

click on it just to see what the hell

1721

01:33:54,089 --> 01:33:52,629

this is about dark journalists is the

1722

01:33:58,259 --> 01:33:54,099

Ober tool you know

1723

01:33:59,789 --> 01:33:58,269

actually picks I die kindly I kind of

1724

01:34:02,429 --> 01:33:59,799

like dark journalists like a guilty

1725

01:34:04,789 --> 01:34:02,439

pleasure sometimes watching him do I

1726

01:34:08,099 --> 01:34:04,799

agree with all the stuff that he does

1727

01:34:10,679 --> 01:34:08,109

know there's some [h__\h] that he does and

1728

01:34:12,959 --> 01:34:10,689

chose that I go come on this is a

1729

01:34:15,269 --> 01:34:12,969

grade-a [h__\h] dark journalist but by

1730

01:34:19,019 --> 01:34:15,279

and large I like him as a presenter I

1731

01:34:24,289 --> 01:34:19,029

like some of the stories and yeah I kind

1732

01:34:30,329 --> 01:34:24,299

of a fan I'm dying

1733

01:34:31,919 --> 01:34:30,339

Genet out of mine as far as Sarah Adam

1734

01:34:33,419 --> 01:34:31,929

goes I hope that some of the info that

1735

01:34:36,869 --> 01:34:33,429

members of our group have made available

1736

01:34:39,329 --> 01:34:36,879

will be included in your interview yes

1737

01:34:41,129 --> 01:34:39,339

out of mind and in fact but no but

1738

01:34:42,959 --> 01:34:41,139

here's the thing and I want to say this

1739

01:34:44,809 --> 01:34:42,969

I forgot all about this I should've said

1740

01:34:48,869 --> 01:34:44,819

this in the beginning

1741

01:34:50,639 --> 01:34:48,879

Geoff's Jeff like sent me nasty messages

1742

01:34:54,119 --> 01:34:50,649

and he was like threatening me or

1743

01:34:57,209 --> 01:34:54,129

something like I don't know he was very

1744

01:34:59,399 --> 01:34:57,219

pissed at me that I didn't share the

1745

01:35:03,589 --> 01:34:59,409

information that he sent me on the show

1746

01:35:06,119 --> 01:35:03,599

last night he was pissed and like

1747

01:35:08,009 --> 01:35:06,129

ridiculously pissed about the fact that

1748

01:35:10,769 --> 01:35:08,019

I didn't put up enough of his comments

1749

01:35:12,809 --> 01:35:10,779

from the live chat first of all there's

1750

01:35:14,099 --> 01:35:12,819

a reason I'm wearing glasses I'm half

1751

01:35:18,539 --> 01:35:14,109

blind gee-off

1752

01:35:21,029 --> 01:35:18,549

I can't see I can't see listen I can

1753

01:35:24,179 --> 01:35:21,039

barely see the comments like whose name

1754

01:35:27,149 --> 01:35:24,189

it is until I put it up on the screen so

1755

01:35:30,449 --> 01:35:27,159

I was not intentionally excluding anyone

1756

01:35:32,549 --> 01:35:30,459

it's just you know I go through like I'm

1757

01:35:34,139 --> 01:35:32,559

okay I missed this person or did I not

1758

01:35:36,720 --> 01:35:34,149

miss this person and I'm putting them up

1759

01:35:39,780 --> 01:35:36,730

I think I gave everybody put

1760

01:35:41,940 --> 01:35:39,790

you know put their comments up he got

1761

01:35:44,910 --> 01:35:41,950

some idea that now I'm on the wu side

1762

01:35:48,090 --> 01:35:44,920

and I'm gonna I'm giving her a pass cuz

1763

01:35:50,550 --> 01:35:48,100

cuz I like her that's just ridiculous

1764

01:35:52,790 --> 01:35:50,560

yes I'm gonna include any research that

1765

01:35:57,330 --> 01:35:52,800

people are sharing with me especially

1766

01:36:00,330 --> 01:35:57,340

especially if especially if it

1767

01:36:02,820 --> 01:36:00,340

discredits her in fact shout out to

1768

01:36:06,180 --> 01:36:02,830

solar Marshall he sent me something

1769

01:36:10,640 --> 01:36:06,190

today it doesn't look good folks it

1770

01:36:14,550 --> 01:36:10,650

looks like something that could really

1771

01:36:16,860 --> 01:36:14,560

affect her credibility terribly and I'm

1772

01:36:20,760 --> 01:36:16,870

gonna show it to her and I'm gonna ask

1773

01:36:22,740 --> 01:36:20,770

her about it I think you were wrong

1774

01:36:24,390 --> 01:36:22,750

Andolan pics will agree to disagree

1775

01:36:27,840 --> 01:36:24,400

maybe you'll agree with me after the

1776

01:36:30,360 --> 01:36:27,850

show you and chanter should do a Dolan

1777

01:36:32,100 --> 01:36:30,370

show yeah I'd be down for that he does a

1778

01:36:32,820 --> 01:36:32,110

great impression I can't do it he does a

1779

01:36:38,670 --> 01:36:32,830

good impression

1780

01:36:41,940 --> 01:36:38,680

I'm Richard Dolan have you seen mrs.

1781

01:36:45,240 --> 01:36:41,950

Dolan on TEDx no Carroll Utley but thank

1782

01:36:47,010 --> 01:36:45,250

you because I'm gonna clip no I'm gonna

1783

01:36:49,020 --> 01:36:47,020

watch that right after the stream she's

1784

01:36:55,520 --> 01:36:49,030

on TEDx what is she talking about on

1785

01:36:59,600 --> 01:36:55,530

TEDx remote-viewing dirt on Dolan you

1786

01:37:04,740 --> 01:36:59,610

are definitely on a roll

1787

01:37:06,900 --> 01:37:04,750

it used dildos yeah yeah all right

1788

01:37:10,740 --> 01:37:06,910

listen this is one of those well I'll

1789

01:37:12,240 --> 01:37:10,750

say I I don't like supervene fun cat had

1790

01:37:15,510 --> 01:37:12,250

a great suggestion that people could

1791

01:37:17,430 --> 01:37:15,520

donate dildos to me for the Tracy Dolan

1792

01:37:18,960 --> 01:37:17,440

dildo challenge oh my god we have the

1793

01:37:22,950 --> 01:37:18,970

title for it it's gotta be called the

1794

01:37:26,240 --> 01:37:22,960

Tracy Dolan dildo challenge Tracy Dolan

1795

01:37:29,550 --> 01:37:26,250

I'm gonna challenge you to find box full

1796

01:37:31,320 --> 01:37:29,560

boxes full of dildos buried somewhere in

1797

01:37:35,820 --> 01:37:31,330

America we're gonna call it the Tracy

1798

01:37:38,100 --> 01:37:35,830

Dolan dildo challenge but supervee fun

1799

01:37:40,080 --> 01:37:38,110

cat suggested that people donate the

1800

01:37:41,700 --> 01:37:40,090

dildo so I don't have to buy them I'm

1801
01:37:45,510 --> 01:37:41,710
scared that somebody's gonna send me

1802
01:37:47,250 --> 01:37:45,520
some gross used dildo so no thanks for

1803
01:37:50,040 --> 01:37:47,260
the donations we'll find some

1804
01:37:50,770 --> 01:37:50,050
inexpensive dildos on Amazon and fill

1805
01:37:55,330 --> 01:37:50,780
boxes

1806
01:37:57,490 --> 01:37:55,340
shoebox size does anybody know how many

1807
01:38:03,209 --> 01:37:57,500
dildos you can fit in a shoebox cuz I

1808
01:38:05,200 --> 01:38:03,219
have no idea Dolan Pope Cameron and

1809
01:38:08,799 --> 01:38:05,210
Linda Moulton Howe are in their own

1810
01:38:10,750 --> 01:38:08,809
group yeah they're it's a big club folks

1811
01:38:11,919 --> 01:38:10,760
they're all buddies they're all buddies

1812
01:38:18,279 --> 01:38:11,929
they all work together at those

1813
01:38:19,930 --> 01:38:18,289

conferences and supervisee [h__h] and Linda

1814

01:38:22,330 --> 01:38:19,940

Moulton Howe got the Intel from a guy

1815

01:38:24,240 --> 01:38:22,340

writing her a letter yeah I have no

1816

01:38:31,330 --> 01:38:24,250

respect for Linda Moulton he'll none

1817

01:38:33,549 --> 01:38:31,340

none absolutely none I lost respect for

1818

01:38:36,100 --> 01:38:33,559

Cabella at the Lazar movie premiere it

1819

01:38:39,040 --> 01:38:36,110

was proven they knew the FBI raid had

1820

01:38:42,790 --> 01:38:39,050

zero deal with area 51 or element 115 it

1821

01:38:45,310 --> 01:38:42,800

was for him selling to meth labs per the

1822

01:38:47,770 --> 01:38:45,320

FBI super be fun cat I did a deep dive

1823

01:38:54,010 --> 01:38:47,780

on this I talked to the local police

1824

01:38:57,040 --> 01:38:54,020

chief in that town the area that the the

1825

01:39:01,029 --> 01:38:57,050

FBI raid on Bob Lazarre's business had

1826
01:39:02,620 --> 01:39:01,039
nothing to do with element 115 nobody

1827
01:39:04,390 --> 01:39:02,630
was surveilling them nobody knew

1828
01:39:06,370 --> 01:39:04,400
anything about element 115 the police

1829
01:39:08,169 --> 01:39:06,380
chief was in all the briefings he didn't

1830
01:39:10,750 --> 01:39:08,179
hear any FBI person mention anything

1831
01:39:12,490 --> 01:39:10,760
about a alien flying saucer stuff had

1832
01:39:16,149 --> 01:39:12,500
nothing to do with it it was a plot

1833
01:39:18,939 --> 01:39:16,159
device mm it was a plot device used to

1834
01:39:21,279 --> 01:39:18,949
end the movie didn't have an ending they

1835
01:39:23,319 --> 01:39:21,289
needed an ending suddenly an FBI raid

1836
01:39:24,669 --> 01:39:23,329
happened great will use that will just

1837
01:39:28,390 --> 01:39:24,679
[h__\h] and say it was about the

1838
01:39:30,339 --> 01:39:28,400

element 115 and actually it wasn't I

1839

01:39:32,080 --> 01:39:30,349

don't believe that was about him selling

1840

01:39:32,439 --> 01:39:32,090

to meth labs but people need to know

1841

01:39:35,830 --> 01:39:32,449

this

1842

01:39:39,939 --> 01:39:35,840

Bob Lazar business is the largest

1843

01:39:44,830 --> 01:39:39,949

supplier of glassware to meth labs in

1844

01:39:49,149 --> 01:39:44,840

the country every meth lab has to buy

1845

01:39:51,040 --> 01:39:49,159

these big glass beakers somewhere I have

1846

01:39:53,350 --> 01:39:51,050

a source who told me that most of Bob

1847

01:39:59,740 --> 01:39:53,360

lazarre's business is selling glassware

1848

01:40:00,560 --> 01:39:59,750

guess who he's selling it to oh so let

1849

01:40:03,140 --> 01:40:00,570

me finish that

1850

01:40:05,330 --> 01:40:03,150

pervy fun cat the raid on Baba's arse

1851

01:40:08,209 --> 01:40:05,340

business had to do with someone ordering

1852

01:40:11,560 --> 01:40:08,219

I always mess up the name of the element

1853

01:40:14,209 --> 01:40:11,570

somebody ordered this rare element

1854

01:40:16,609 --> 01:40:14,219

thallium I believe it's thallium from

1855

01:40:20,180 --> 01:40:16,619

Bob Lazar business and then killed their

1856

01:40:23,540 --> 01:40:20,190

wife with it so the FBI raid was to get

1857

01:40:25,550 --> 01:40:23,550

the records of the sale of this thallium

1858

01:40:28,399 --> 01:40:25,560

to this individual who ordered it from

1859

01:40:30,649 --> 01:40:28,409

Bob Lazar and allegedly I don't know

1860

01:40:34,160 --> 01:40:30,659

that the guy's been convicted yet a guy

1861

01:40:36,140 --> 01:40:34,170

allegedly ordered thallium from Bob

1862

01:40:39,290 --> 01:40:36,150

lazarre's business and poisoned his wife

1863

01:40:40,700 --> 01:40:39,300

with it allegedly so that's what the

1864

01:40:42,770 --> 01:40:40,710

rate was about had nothing to do with

1865

01:40:48,410 --> 01:40:42,780

Bob Lazar and his [h__h] Flying Saucer

1866

01:40:53,000 --> 01:40:48,420

stories Dan still laughing the new

1867

01:40:59,720 --> 01:40:53,010

Dahmer Phil on HS was very good history

1868

01:41:01,550 --> 01:40:59,730

history show is that were saying supe

1869

01:41:07,930 --> 01:41:01,560

super V who is definitely gonna see this

1870

01:41:10,910 --> 01:41:07,940

I must've missed who's gonna see this oh

1871

01:41:17,149 --> 01:41:10,920

did I miss one it mrs. Cohen oh yeah you

1872

01:41:21,530 --> 01:41:17,159

lost respectful Korbelt I've been posting

1873

01:41:28,899 --> 01:41:21,540

Chuck Norris saying and subbing Jason's

1874

01:41:35,899 --> 01:41:33,439

mine that's funny you are trying to

1875

01:41:40,129 --> 01:41:35,909

drive CW mad no not really

1876

01:41:42,919 --> 01:41:40,139

listen I like CLE Chandler and when I

1877

01:41:45,200 --> 01:41:42,929

like somebody I bust their balls and so

1878

01:41:47,180 --> 01:41:45,210

really if I bust your balls it means I

1879

01:41:49,700 --> 01:41:47,190

really like you like if I bust your

1880

01:41:52,370 --> 01:41:49,710

balls it's because I really like you and

1881

01:41:54,709 --> 01:41:52,380

it's fun to bust your balls and it's fun

1882

01:41:56,689 --> 01:41:54,719

bus scene with janitors balls every

1883

01:41:59,839 --> 01:41:56,699

chance I get I'm gonna bust his balls a

1884

01:42:03,080 --> 01:41:59,849

little bit he's doing great - over there

1885

01:42:06,620 --> 01:42:03,090

I just was listening to his his David

1886

01:42:09,439 --> 01:42:06,630

William or would Wilcock and that fake

1887

01:42:12,439 --> 01:42:09,449

near-death experience guy [h__h] I

1888

01:42:14,379 --> 01:42:12,449

can't believe Eddie I can't believe that

1889

01:42:16,060 --> 01:42:14,389

he can sit there in five hours

1890

01:42:18,969 --> 01:42:16,070

Wilcock videos in order to produce

1891

01:42:21,370 --> 01:42:18,979

content like please God no matter how

1892

01:42:23,560 --> 01:42:21,380

bad I need to do shows and don't have

1893

01:42:25,419 --> 01:42:23,570

anything to do shows on please God don't

1894

01:42:31,299 --> 01:42:25,429

make me watch a five hours of David

1895

01:42:33,069 --> 01:42:31,309

[h__h] will [h__h] no I am liking the

1896

01:42:35,169 --> 01:42:33,079

editing altogether yeah that's what I

1897

01:42:37,959 --> 01:42:35,179

think we just do somebody's got a time

1898

01:42:41,290 --> 01:42:37,969

stamp every time CW chanoor gets pissed

1899

01:42:43,270 --> 01:42:41,300

off and starts bitching about Jason quit

1900

01:42:47,080 --> 01:42:43,280

and then we'll edit it all together and

1901

01:42:54,149 --> 01:42:47,090

we'll call it the Jason quit fan club

1902

01:43:00,819 --> 01:42:56,919

Steven you troll yeah I am sometimes

1903

01:43:02,350 --> 01:43:00,829

come on it's fun you missed you know I

1904

01:43:05,679 --> 01:43:02,360

gotta think of something to start

1905

01:43:08,679 --> 01:43:05,689

trolling steena with - we got it we got

1906

01:43:10,839 --> 01:43:08,689

it we have to she's a little harder

1907

01:43:13,540 --> 01:43:10,849

though because she's not like I don't

1908

01:43:15,129 --> 01:43:13,550

know CW is a little easier either that

1909

01:43:16,330 --> 01:43:15,139

or we could see I also thought of

1910

01:43:18,310 --> 01:43:16,340

something for CW chainer is that

1911

01:43:20,589 --> 01:43:18,320

everybody should send him that beard

1912

01:43:23,529 --> 01:43:20,599

grease you know that beard oil cuz his

1913

01:43:25,270 --> 01:43:23,539

beard is always all like crazy man like

1914

01:43:31,750 --> 01:43:25,280

get some that nice oil so you have you

1915

01:43:34,209 --> 01:43:31,760

chanter shape that [h__h] up dark

1916

01:43:35,979 --> 01:43:34,219

journalist is insane maybe mentioning my

1917

01:43:38,529 --> 01:43:35,989

name is almost as bad as mentioning

1918

01:43:40,359 --> 01:43:38,539

Jason really I did not know that I

1919

01:43:43,810 --> 01:43:40,369

thought you guys were okay I've heard

1920

01:43:46,319 --> 01:43:43,820

him mention you recently he said

1921

01:43:49,089 --> 01:43:46,329

something about like you think you think

1922

01:43:50,889 --> 01:43:49,099

paranormal hood Giggy isn't gonna talk

1923

01:43:52,089 --> 01:43:50,899

about this do you think Steven can be

1924

01:43:53,529 --> 01:43:52,099

and it's not gonna talk about this do

1925

01:43:57,100 --> 01:43:53,539

you think Steen and Maria's not gonna

1926

01:43:58,929 --> 01:43:57,110

talk about this I don't think he'd be

1927

01:44:02,290 --> 01:43:58,939

mentioning you on a show if he was

1928

01:44:04,600 --> 01:44:02,300

pissed off at you William Pixley agreed

1929

01:44:07,000 --> 01:44:04,610

on dark journalists about just a douche

1930

01:44:11,649 --> 01:44:07,010

canoe dark propagandists not a

1931

01:44:13,719 --> 01:44:11,659

journalist I don't know I maybe I will

1932

01:44:15,339 --> 01:44:13,729

agree to disagree I don't know I you

1933

01:44:17,319 --> 01:44:15,349

know what though I have to be honest I

1934

01:44:20,319 --> 01:44:17,329

haven't had time to watch any of his

1935

01:44:23,199 --> 01:44:20,329

stuff in like a year so for all I know

1936

01:44:24,399 --> 01:44:23,209

he's covered Mary Poppins conspiracies

1937

01:44:26,949 --> 01:44:24,409

like I don't know

1938

01:44:28,000 --> 01:44:26,959

I really don't know when I was still

1939

01:44:32,440 --> 01:44:28,010

watching him I

1940

01:44:35,020 --> 01:44:32,450

and I enjoyed watching him GE off gets

1941

01:44:38,560 --> 01:44:35,030

crazy yeah he is like literally

1942

01:44:42,820 --> 01:44:38,570

threatening me about he said here's what

1943

01:44:46,920 --> 01:44:42,830

he said I did a show on David Wilcock

1944

01:44:50,950 --> 01:44:46,930

and the Paradise fires and in the show

1945

01:44:53,980 --> 01:44:50,960

remember this is like a year after the

1946

01:44:54,790 --> 01:44:53,990

Paradise fires happen maybe but David

1947

01:44:58,540 --> 01:44:54,800

Wilcock did

1948

01:45:00,460 --> 01:44:58,550

and sadly gee-off lost his home in that

1949

01:45:01,960 --> 01:45:00,470

fire so he's very sensitive about and he

1950

01:45:03,910 --> 01:45:01,970

was pissed off at David Wilcock because

1951

01:45:05,620 --> 01:45:03,920

David Wilcock made up this story that it

1952

01:45:08,620 --> 01:45:05,630

was a directed-energy weapon from the

1953

01:45:10,620 --> 01:45:08,630

government to uh to kill those these

1954

01:45:14,410 --> 01:45:10,630

tall white aliens that lived in Paradise

1955

01:45:16,660 --> 01:45:14,420

California and I did a show on David

1956

01:45:19,690 --> 01:45:16,670

Wilcock and I called all these dentists

1957

01:45:21,700 --> 01:45:19,700

in Paradise California as a joke a goof

1958

01:45:25,030 --> 01:45:21,710

to see if any of them had been specially

1959

01:45:27,100 --> 01:45:25,040

trained to deal with the aliens teeth

1960

01:45:29,320 --> 01:45:27,110

because David Wilcock mentioned that

1961

01:45:31,180 --> 01:45:29,330

he's like there's so many aliens and

1962

01:45:32,710 --> 01:45:31,190

there's there's dentists in town they

1963

01:45:34,150 --> 01:45:32,720

have to be specially trained to deal

1964

01:45:36,490 --> 01:45:34,160

with these aliens teeth because they

1965

01:45:38,710 --> 01:45:36,500

have different teeth from humans and I

1966

01:45:42,130 --> 01:45:38,720

was like what David Wilcock what a bunch

1967

01:45:44,380 --> 01:45:42,140

of [h__h] so as a goof I just googled

1968

01:45:46,870 --> 01:45:44,390

paradise California dentists and I

1969

01:45:49,120 --> 01:45:46,880

started calling and I don't remember how

1970

01:45:51,190 --> 01:45:49,130

many I called in the show I said I

1971

01:45:53,350 --> 01:45:51,200

called every dentist in Paradise

1972

01:45:55,050 --> 01:45:53,360

California couldn't find one that was

1973

01:45:58,690 --> 01:45:55,060

trained to deal with the alien teeth I

1974

01:46:01,390 --> 01:45:58,700

must have called ten I don't know so gia

1975

01:46:03,580 --> 01:46:01,400

pisses is pissed off at me now thinking

1976

01:46:07,840 --> 01:46:03,590

I gave this Sarah girl a pass or

1977

01:46:09,700 --> 01:46:07,850

something and he said I lied to my

1978

01:46:11,890 --> 01:46:09,710

audience because all the dentist's

1979

01:46:13,840 --> 01:46:11,900

office in Paradise California burned to

1980

01:46:16,120 --> 01:46:13,850

the ground first of all I don't know if

1981

01:46:19,810 --> 01:46:16,130

that's true but when I was calling those

1982

01:46:21,550 --> 01:46:19,820

dentists was a year later mr. Chia do

1983

01:46:24,280 --> 01:46:21,560

you really think even if all the

1984

01:46:26,380 --> 01:46:24,290

dentist's office burned down that they

1985

01:46:29,560 --> 01:46:26,390

would just not forward the number to

1986

01:46:33,130 --> 01:46:29,570

their new office or use that number at

1987

01:46:35,800 --> 01:46:33,140

their new law I don't know go Google

1988

01:46:37,150 --> 01:46:35,810

Jeff go Google Paradise California

1989

01:46:38,740 --> 01:46:37,160

dentist yourself start calling the

1990

01:46:40,570 --> 01:46:38,750

numbers you're going to tell me you

1991

01:46:43,300 --> 01:46:40,580

don't get people on the phone of course

1992

01:46:45,940 --> 01:46:43,310

so he's threatening to tell all my

1993

01:46:47,380 --> 01:46:45,950

listeners that I lie to everybody if I

1994

01:46:50,920 --> 01:46:47,390

think it'll be a good story

1995

01:46:54,040 --> 01:46:50,930

no [h__h] G I'll prove it prove it you

1996

01:46:57,640 --> 01:46:54,050

can and he's got some kind of vendetta

1997

01:46:59,350 --> 01:46:57,650

against this girl and by the way at

1998

01:47:01,060 --> 01:46:59,360

least one person told me he's got a

1999

01:47:02,920 --> 01:47:01,070

vendetta against this girl because he

2000

01:47:05,680 --> 01:47:02,930

trying to get with her and she wasn't

2001

01:47:07,690 --> 01:47:05,690

having that a guy dude if you're that

2002

01:47:09,730 --> 01:47:07,700

bitter you try to get some tail off her

2003

01:47:13,000 --> 01:47:09,740

and she said no and then you're gonna be

2004

01:47:15,970 --> 01:47:13,010

all nasty to her yeah you got good

2005

01:47:18,610 --> 01:47:15,980

issues bro and it called me a liar and

2006

01:47:20,650 --> 01:47:18,620

threatened me and then he said he was

2007

01:47:23,980 --> 01:47:20,660

going to send the information off also

2008

01:47:26,410 --> 01:47:23,990

that I didn't screenshare these he sent

2009

01:47:29,140 --> 01:47:26,420

me like two things and one of them was

2010

01:47:31,750 --> 01:47:29,150

her advertising homeopathic remedy for

2011

01:47:32,380 --> 01:47:31,760

coronavirus and he said that's a

2012

01:47:34,420 --> 01:47:32,390

criminal act

2013

01:47:39,610 --> 01:47:34,430

you got a caller I'm gonna ask her about

2014

01:47:43,500 --> 01:47:39,620

it but homeopathic remedies are legal

2015

01:47:47,110 --> 01:47:43,510

for sale in some countries and guess

2016

01:47:48,940 --> 01:47:47,120

where her business is registered in a

2017

01:47:50,740 --> 01:47:48,950

country where it's legal to sell

2018

01:47:52,630 --> 01:47:50,750

homeopathic remedies is it legal to sell

2019

01:47:55,480 --> 01:47:52,640

homeopathic remedies for coronavirus I

2020

01:47:56,440 --> 01:47:55,490

don't know I'm gonna find out but here

2021

01:48:00,070 --> 01:47:56,450

here's the deal

2022

01:48:01,930 --> 01:48:00,080

Geoff's Jeff whatever I didn't share

2023

01:48:03,730 --> 01:48:01,940

your information because she was not

2024

01:48:06,280 --> 01:48:03,740

here to ask and I wasn't just gonna

2025

01:48:10,090 --> 01:48:06,290

throw out information that makes her

2026

01:48:12,340 --> 01:48:10,100

look bad why would I do that why

2027

01:48:14,260 --> 01:48:12,350

wouldn't I wait until she was here with

2028

01:48:15,820 --> 01:48:14,270

me on the show and I could put it up on

2029

01:48:19,360 --> 01:48:15,830

the screen and we could both look at it

2030

01:48:21,280 --> 01:48:19,370

and I could say hey Sarah Adams are you

2031

01:48:24,430 --> 01:48:21,290

selling [h__h] homeopathic remedies

2032

01:48:26,140 --> 01:48:24,440

for the corona virus are you selling

2033

01:48:28,120 --> 01:48:26,150

healing sessions for people with the

2034

01:48:31,780 --> 01:48:28,130

corona virus you think I'm not gonna ask

2035

01:48:34,060 --> 01:48:31,790

her that TF Jeff whatever of course I'm

2036

01:48:35,470 --> 01:48:34,070

gonna ask her about that I didn't want

2037

01:48:37,090 --> 01:48:35,480

to do it on my I didn't want to do it

2038

01:48:38,680 --> 01:48:37,100

last night what am I gonna do put it up

2039

01:48:40,510 --> 01:48:38,690

and go see what she's doing we're gonna

2040

01:48:42,100 --> 01:48:40,520

have to ask her about this no you wait

2041

01:48:44,440 --> 01:48:42,110

until you have the guests so you can ask

2042

01:48:48,490 --> 01:48:44,450

the proper question Jeff I'm not a

2043

01:48:50,080 --> 01:48:48,500

journalist okay no I'll don't know if

2044

01:48:52,060 --> 01:48:50,090

that's the proper way to do it but I

2045

01:48:53,620 --> 01:48:52,070

think it is to give her an up but that's

2046

01:48:55,510 --> 01:48:53,630

the fair way to do it give

2047

01:48:57,790 --> 01:48:55,520

an opportunity to defend herself about

2048

01:48:59,950 --> 01:48:57,800

the accusations that you're making

2049

01:49:02,470 --> 01:48:59,960

against her so that's what I'm gonna do

2050

01:49:05,580 --> 01:49:02,480

and you can threaten me you can you know

2051
01:49:08,560 --> 01:49:05,590
send me your nasty messages you can

2052
01:49:10,840 --> 01:49:08,570
threaten to tell all my listeners I lied

2053
01:49:11,979 --> 01:49:10,850
about these dentists and you know the

2054
01:49:14,709 --> 01:49:11,989
truth because the dentist's office

2055
01:49:16,540 --> 01:49:14,719
burned down prove it prove it

2056
01:49:18,280 --> 01:49:16,550
I called some numbers and by the way I

2057
01:49:21,939 --> 01:49:18,290
called all those dentist numbers as a

2058
01:49:23,439 --> 01:49:21,949
goof it's a goof it's ridiculous that I

2059
01:49:24,149 --> 01:49:23,449
would have to call a dentist and say

2060
01:49:28,149 --> 01:49:24,159
excuse me

2061
01:49:29,800 --> 01:49:28,159
David Wilcock said that you may have

2062
01:49:32,110 --> 01:49:29,810
been specially trained to work on aliens

2063
01:49:34,899 --> 01:49:32,120

teeth is that true but I did that

2064

01:49:38,320 --> 01:49:34,909

because it's funny it's funny to do that

2065

01:49:41,320 --> 01:49:38,330

to fact-check David Wilcock so go ahead

2066

01:49:43,530 --> 01:49:41,330

Jeff threatened me threatened the email

2067

01:49:46,270 --> 01:49:43,540

all my listeners okay good luck man

2068

01:49:48,040 --> 01:49:46,280

email all my viewers I got to stop doing

2069

01:49:50,470 --> 01:49:48,050

that folks old radio habits die hard

2070

01:49:54,520 --> 01:49:50,480

I've been saying listeners for years I'm

2071

01:49:58,930 --> 01:49:54,530

gonna try to say viewers Jeff has a lot

2072

01:50:00,939 --> 01:49:58,940

of passion true G off gets cray super V

2073

01:50:02,740 --> 01:50:00,949

fun cat said yeah I've heard from

2074

01:50:05,470 --> 01:50:02,750

multiple people that he gets a little

2075

01:50:10,000 --> 01:50:05,480

like really gets very aggressive and

2076

01:50:14,709 --> 01:50:10,010

nasty gof has gone off on everyone oh

2077

01:50:16,899 --> 01:50:14,719

and I also need to mention that I did

2078

01:50:18,939 --> 01:50:16,909

talk to this Sarah Adams yesterday after

2079

01:50:20,770 --> 01:50:18,949

the show and I mentioned those things to

2080

01:50:22,840 --> 01:50:20,780

her that's how I know that she's got I

2081

01:50:25,450 --> 01:50:22,850

just briefly talked about it she's got a

2082

01:50:27,760 --> 01:50:25,460

business in England and that's where in

2083

01:50:30,070 --> 01:50:27,770

England it's legal to sell homeopathic

2084

01:50:31,750 --> 01:50:30,080

remedies so guess she's not doing

2085

01:50:34,149 --> 01:50:31,760

anything wrong I don't know we're gonna

2086

01:50:36,610 --> 01:50:34,159

go more deeply into it when she's on

2087

01:50:39,100 --> 01:50:36,620

camera on the show on the interview but

2088

01:50:42,450 --> 01:50:39,110

I mentioned this guy to her and she went

2089

01:50:45,760 --> 01:50:42,460

oh god not that guy and I'm like yeah

2090

01:50:48,640 --> 01:50:45,770

and she said he has a he has a vendetta

2091

01:50:50,770 --> 01:50:48,650

against her and she also mentioned that

2092

01:50:52,570 --> 01:50:50,780

when he was having like this fundraiser

2093

01:50:55,899 --> 01:50:52,580

because he lost his house she gave him a

2094

01:50:58,689 --> 01:50:55,909

bunch of money so for him to like want

2095

01:51:00,370 --> 01:50:58,699

me to be real nasty to some girl that

2096

01:51:01,840 --> 01:51:00,380

gave him a bunch of money and she didn't

2097

01:51:03,610 --> 01:51:01,850

know him she didn't need to do that I

2098

01:51:05,410 --> 01:51:03,620

don't know how much money she gave him I

2099

01:51:07,020 --> 01:51:05,420

don't think I should even ask her how

2100

01:51:09,359 --> 01:51:07,030

much but she said

2101

01:51:14,129 --> 01:51:09,369

I gave him a bunch of money when he had

2102

01:51:15,779 --> 01:51:14,139

his house fire and and and he's just got

2103

01:51:17,310 --> 01:51:15,789

a vendetta against me he's really hates

2104

01:51:20,339 --> 01:51:17,320

me and he's nasty and he's spreading all

2105

01:51:24,450 --> 01:51:20,349

these rumors so you know I don't know

2106

01:51:26,700 --> 01:51:24,460

but my point is you know yes I'm going

2107

01:51:28,620 --> 01:51:26,710

to share everything that people are

2108

01:51:30,899 --> 01:51:28,630

contributing this has been fun tonight

2109

01:51:32,180 --> 01:51:30,909

guys got to be up at 5:30 yeah Dan Hogan

2110

01:51:34,919 --> 01:51:32,190

outwork Bert

2111

01:51:42,049 --> 01:51:34,929

Daphne just calm the [h__h] down yeah he

2112

01:51:51,089 --> 01:51:47,910

maybe I don't know no he was on CW

2113

01:51:52,799 --> 01:51:51,099

chanters show and uh you know there's

2114

01:51:55,169 --> 01:51:52,809

another thing with Jeff Jeff was pissed

2115

01:51:58,020 --> 01:51:55,179

off at CW chanter he said he docks solar

2116

01:52:00,299 --> 01:51:58,030

Marshall but Solar Marshall went on CW

2117

01:52:02,010 --> 01:52:00,309

channard show and said his own name so

2118

01:52:05,419 --> 01:52:02,020

there was no docks there yes Solar

2119

01:52:10,189 --> 01:52:05,429

Marshall is Dan a male

2120

01:52:12,569 --> 01:52:10,199

yay Solar has the scoop - yes

2121

01:52:15,720 --> 01:52:12,579

oops sorry caps no that's quite all

2122

01:52:24,779 --> 01:52:15,730

right you are a hoot man thank you pixie

2123

01:52:30,590 --> 01:52:24,789

devil his impression of a whoo aughh all

2124

01:52:35,760 --> 01:52:33,780

only packaged new donations yes yeah

2125

01:52:37,140 --> 01:52:35,770

like those when you donate a toy you

2126
01:52:38,610 --> 01:52:37,150
know it's got to be new don't give us

2127
01:52:41,430 --> 01:52:38,620
your old stuffed animals or anything

2128
01:52:43,500 --> 01:52:41,440
that's dirty if you make it the Tracy

2129
01:52:46,979 --> 01:52:43,510
Dolan dildo challenge you will never get

2130
01:52:50,459 --> 01:52:46,989
Dolan to come on oh come on it's funny

2131
01:52:53,430 --> 01:52:50,469
pics how about this pics here's what I

2132
01:52:55,140 --> 01:52:53,440
want you to do I want if you say that

2133
01:52:57,090 --> 01:52:55,150
you got an in with Richard Dolan I want

2134
01:52:58,709 --> 01:52:57,100
you to contact him and tell him about

2135
01:53:00,840 --> 01:52:58,719
this show tell me a little bit that I

2136
01:53:02,160 --> 01:53:00,850
want to do a show about the fact that I

2137
01:53:04,350 --> 01:53:02,170
think that a lot of his so-called

2138
01:53:06,990 --> 01:53:04,360

research is [h__\h] now and how he sold

2139

01:53:08,880 --> 01:53:07,000

out for clicks and views and I'm gonna

2140

01:53:12,510 --> 01:53:08,890

do that show and present evidence that

2141

01:53:15,810 --> 01:53:12,520

he's a sellout loser now and he can come

2142

01:53:19,110 --> 01:53:15,820

on my show gee maybe that is not a good

2143

01:53:21,420 --> 01:53:19,120

invitation my point is go to him and see

2144

01:53:24,330 --> 01:53:21,430

if he'll come on my show if he says yes

2145

01:53:25,920 --> 01:53:24,340

then we'll call it something else or we

2146

01:53:27,479 --> 01:53:25,930

just won't do that out of respect to him

2147

01:53:29,040 --> 01:53:27,489

and maybe I'll get to talk to him and

2148

01:53:31,740 --> 01:53:29,050

we'll come to some understanding I don't

2149

01:53:34,020 --> 01:53:31,750

know but if he refuses to come on my

2150

01:53:38,070 --> 01:53:34,030

show I'm calling it the Tracy Dolan

2151
01:53:40,580 --> 01:53:38,080
dildo challenge depends on the size just

2152
01:53:43,950 --> 01:53:40,590
guessing leave it - out of mine -

2153
01:53:47,160 --> 01:53:43,960
comment on how many dildos we can fit in

2154
01:53:49,229 --> 01:53:47,170
one box did someone say dildos yes

2155
01:53:50,970 --> 01:53:49,239
Daniel you're late so we're gonna do

2156
01:53:54,360 --> 01:53:50,980
this thing and we're gonna call it the

2157
01:53:56,310 --> 01:53:54,370
Tracy Dolan dildo challenge and what I'm

2158
01:53:58,500 --> 01:53:56,320
gonna do is I'm gonna bury boxes of

2159
01:54:01,229 --> 01:53:58,510
dildos across America I'm gonna ask

2160
01:54:03,870 --> 01:54:01,239
listeners across America can you help me

2161
01:54:06,390 --> 01:54:03,880
bury a box of dildos and then Tracy

2162
01:54:09,690 --> 01:54:06,400
Dolan is going to use her super-secret

2163
01:54:11,760 --> 01:54:09,700

psychic remote viewing abilities to tell

2164

01:54:14,250 --> 01:54:11,770

us where all the boxes of dildos are

2165

01:54:16,410 --> 01:54:14,260

buried because according to her a remote

2166

01:54:18,200 --> 01:54:16,420

viewer can do that so I think this is a

2167

01:54:21,270 --> 01:54:18,210

valid challenge and we're just using

2168

01:54:23,520 --> 01:54:21,280

dildos for comedic effect and fun

2169

01:54:25,410 --> 01:54:23,530

because it's much more fun getting her

2170

01:54:27,570 --> 01:54:25,420

to find boxes of dildos then getting her

2171

01:54:31,740 --> 01:54:27,580

to find boxes of you know I don't know

2172

01:54:34,350 --> 01:54:31,750

bricks I suppose but it depends on how

2173

01:54:36,959 --> 01:54:34,360

large and half of our show tonight has

2174

01:54:37,650 --> 01:54:36,969

turned into a show about dildos this is

2175

01:54:42,050 --> 01:54:37,660

terrible

2176

01:54:44,420 --> 01:54:42,060

though so it's okay

2177

01:54:48,320 --> 01:54:44,430

that's beyond my paygrade I'm just

2178

01:54:51,860 --> 01:54:48,330

guessing Jeanette is guessing yes

2179

01:54:54,500 --> 01:54:51,870

hashtag that [h__h] Tracy Doland dildo

2180

01:55:01,100 --> 01:54:54,510

challenge we're gonna get that trending

2181

01:55:04,280 --> 01:55:01,110

on YouTube thorium Pixley you may be

2182

01:55:07,070 --> 01:55:04,290

right I think I either you're right and

2183

01:55:09,590 --> 01:55:07,080

it's thorium and I always say failure or

2184

01:55:11,330 --> 01:55:09,600

I'm right and it's thallium and I used

2185

01:55:14,060 --> 01:55:11,340

to always say thorium but I think you're

2186

01:55:15,500 --> 01:55:14,070

right it's thorium was the element that

2187

01:55:17,810 --> 01:55:15,510

somebody killed them kill their wife

2188

01:55:24,320 --> 01:55:17,820

with and he ordered that element from

2189

01:55:29,420 --> 01:55:24,330

Bob lazarre's business okay CW is

2190

01:55:31,910 --> 01:55:29,430

definitely gonna say CW is gonna see

2191

01:55:37,460 --> 01:55:31,920

what what is he gonna say Oh about the

2192

01:55:39,830 --> 01:55:37,470

Jason quit stuff yeah maybe but I still

2193

01:55:44,240 --> 01:55:39,840

I haven't listened to it yet myself I

2194

01:55:46,790 --> 01:55:44,250

got 10 minutes in I did a video on this

2195

01:55:49,790 --> 01:55:46,800

short show which was still 2 hours 45

2196

01:55:52,580 --> 01:55:49,800

minutes it was torture yeah he goes why

2197

01:55:55,820 --> 01:55:52,590

does he go so long geez actually folks

2198

01:55:57,440 --> 01:55:55,830

were doing it almost at two hours so I'm

2199

01:55:59,990 --> 01:55:57,450

gonna definitely be wrapping things up

2200

01:56:01,160 --> 01:56:00,000

yes super V I've only heard him say

2201

01:56:10,610 --> 01:56:01,170

positive things

2202

01:56:16,430 --> 01:56:14,180

Oh somebody he lost it when somebody

2203

01:56:19,420 --> 01:56:16,440

mentioned your video don't you know I

2204

01:56:22,370 --> 01:56:19,430

think I was watching one though where I

2205

01:56:23,780 --> 01:56:22,380

think somebody came into live chat and I

2206

01:56:26,120 --> 01:56:23,790

don't know if it was you maybe it was

2207

01:56:29,030 --> 01:56:26,130

somebody else but somebody was like

2208

01:56:30,950 --> 01:56:29,040

promoting their stream in his stream and

2209

01:56:33,050 --> 01:56:30,960

he got pissed or like promoting

2210

01:56:35,300 --> 01:56:33,060

something else going on in YouTube make

2211

01:56:37,550 --> 01:56:35,310

sure you go after CW show make sure you

2212

01:56:40,130 --> 01:56:37,560

that you go and watch so-and-so and he

2213

01:56:42,230 --> 01:56:40,140

got pissed and he said that's rude and

2214

01:56:44,210 --> 01:56:42,240

like you shouldn't do that I don't care

2215

01:56:46,250 --> 01:56:44,220

I mean everybody has different levels of

2216

01:56:48,440 --> 01:56:46,260

sensitivity if anybody wants to say hey

2217

01:56:51,590 --> 01:56:48,450

come to my stream after Steve's or

2218

01:56:54,350 --> 01:56:51,600

whatever I'm fine with that but yeah I

2219

01:56:56,120 --> 01:56:54,360

think he got pissed at that Jeff has

2220

01:56:57,830 --> 01:56:56,130

lost everything he has two kids single

2221

01:56:59,660 --> 01:56:57,840

father yeah I feel bad for him so you

2222

01:57:01,220 --> 01:56:59,670

know I think maybe he's under a lot of

2223

01:57:03,230 --> 01:57:01,230

stress and that's why he freaked out on

2224

01:57:07,250 --> 01:57:03,240

me and he doesn't understand that I did

2225

01:57:10,400 --> 01:57:07,260

parts of this The Strange Case of Sarah

2226

01:57:14,330 --> 01:57:10,410

Adams I'm doing it in parts for a reason

2227

01:57:18,910 --> 01:57:14,340

I can't dump everything in one show and

2228

01:57:21,830 --> 01:57:18,920

it also wouldn't be add it wouldn't be

2229

01:57:23,870 --> 01:57:21,840

it wouldn't be it'd be a five hour

2230

01:57:26,270 --> 01:57:23,880

stream with all the information that I

2231

01:57:28,250 --> 01:57:26,280

have and all the all the videos of her

2232

01:57:30,950 --> 01:57:28,260

that I could analyze it like just just

2233

01:57:32,420 --> 01:57:30,960

too much to unpack in one show so he got

2234

01:57:34,310 --> 01:57:32,430

impatient and thought I should just dump

2235

01:57:36,110 --> 01:57:34,320

all this dirt on her on the first show

2236

01:57:38,180 --> 01:57:36,120

you know like he is under a lot of

2237

01:57:39,710 --> 01:57:38,190

stress so Jeff if you're watching I

2238

01:57:41,870 --> 01:57:39,720

forgive you for being upset but bro

2239

01:57:44,900 --> 01:57:41,880

don't threaten me and and tell me that

2240

01:57:47,000 --> 01:57:44,910

I'm a liar when you you know that was

2241

01:57:49,910 --> 01:57:47,010

unfair too so we can agree to disagree

2242

01:57:51,950 --> 01:57:49,920

and you know I forgive him Wilcock

2243

01:57:55,400 --> 01:57:51,960

Deborah it's Maris and Cassidy all used

2244

01:57:57,200 --> 01:57:55,410

to use the fires to profit with sick

2245

01:57:59,990 --> 01:57:57,210

false conspiracies that started with the

2246

01:58:01,490 --> 01:58:00,000

nuns and Selma county fires in 2016 yeah

2247

01:58:05,030 --> 01:58:01,500

it's terrible that people would profit

2248

01:58:11,780 --> 01:58:05,040

from that said the same thing about the

2249

01:58:17,850 --> 01:58:15,660

okay yeah

2250

01:58:20,879 --> 01:58:17,860

Jasmine emmerich says I may want to

2251

01:58:23,040 --> 01:58:20,889

reframe my invitation for Richard Dolan

2252

01:58:24,780 --> 01:58:23,050

to join me on my show yeah I don't how

2253

01:58:26,540 --> 01:58:24,790

do you do that nicely Jasmine Emmerich

2254

01:58:29,549 --> 01:58:26,550

like listen I'm gonna do a whole show

2255

01:58:31,229 --> 01:58:29,559

proving that for at least the last few

2256

01:58:33,959 --> 01:58:31,239

years now you're not a serious

2257

01:58:35,430 --> 01:58:33,969

researcher you're full of [h__h] and do

2258

01:58:37,799 --> 01:58:35,440

you want to come on my show and answer

2259

01:58:42,720 --> 01:58:37,809

some questions like how you can't do

2260

01:58:44,939 --> 01:58:42,730

that nicely know someone was promoting a

2261

01:58:47,220 --> 01:58:44,949

show happening at the same time now in

2262

01:58:48,629 --> 01:58:47,230

that case I would agree with them like

2263

01:58:54,200 --> 01:58:48,639

if you go into somebody's live chat and

2264

01:58:56,580 --> 01:58:54,210

go oh forget you know forget CW chanter

2265

01:58:57,959 --> 01:58:56,590

you know Steve cambian streaming right

2266

01:58:59,419 --> 01:58:57,969

now come into history and that would be

2267

01:59:03,359 --> 01:58:59,429

an [h__h] thing to do

2268

01:59:05,850 --> 01:59:03,369

peace out folks ok pecs goodnight you

2269

01:59:07,560 --> 01:59:05,860

also picks it was later that night mine

2270

01:59:09,270 --> 01:59:07,570

was times four eight or something and

2271

01:59:11,609 --> 01:59:09,280

someone mentioned to check it out later

2272

01:59:13,740 --> 01:59:11,619

and it wasn't 45 minutes from premier

2273

01:59:15,720 --> 01:59:13,750

time that yeah like you said if it's

2274

01:59:18,839 --> 01:59:15,730

like a later time I wouldn't mind but

2275

01:59:24,959 --> 01:59:18,849

you know listen I used to be in rock

2276

01:59:27,959 --> 01:59:24,969

bands where it was considered rude if

2277

01:59:30,720 --> 01:59:27,969

you went in the venue and handed out

2278

01:59:33,450 --> 01:59:30,730

flyers for your band but the unwritten

2279

01:59:36,479 --> 01:59:33,460

rule was if you did it outside of the

2280

01:59:38,640 --> 01:59:36,489

venue that was fine and I mean guys

2281

01:59:41,520 --> 01:59:38,650

would get really upset if you went in

2282

01:59:42,990 --> 01:59:41,530

the venue like you and really it's

2283

01:59:45,419 --> 01:59:43,000

stupid to do that anyway why would you

2284

01:59:47,160 --> 01:59:45,429

paint five or ten bucks to go see a band

2285

01:59:48,720 --> 01:59:47,170

you don't want to see just to advertise

2286

01:59:52,319 --> 01:59:48,730

to their you know hand out fliers to

2287

01:59:54,089 --> 01:59:52,329

their fans I would always be on the

2288

01:59:56,220 --> 01:59:54,099

outside and just hand out my flyers on

2289

01:59:57,899 --> 01:59:56,230

the outside and and a lot of people

2290

02:00:02,100 --> 01:59:57,909

don't know this there is an unwritten

2291

02:00:05,069 --> 02:00:02,110

rule in magic if if you're a magician

2292

02:00:07,620 --> 02:00:05,079

and you happen to go to another

2293

02:00:10,169 --> 02:00:07,630

magicians magic show you're not allowed

2294

02:00:11,910 --> 02:00:10,179

to do magic at all you're not allowed to

2295

02:00:13,530 --> 02:00:11,920

kill people card tricks you're not

2296

02:00:16,680 --> 02:00:13,540

allowed to tell people you're a magician

2297

02:00:17,790 --> 02:00:16,690

too because that's that guys spotlight

2298

02:00:20,280 --> 02:00:17,800

that you're taking

2299

02:00:21,600 --> 02:00:20,290

he's the magician tonight not you a lot

2300

02:00:22,840 --> 02:00:21,610

of people don't know that one of the

2301

02:00:24,880 --> 02:00:22,850

worst the

2302

02:00:27,640 --> 02:00:24,890

biggest way to make an enemy of another

2303

02:00:30,460 --> 02:00:27,650

magician is to go to his show even

2304

02:00:31,990 --> 02:00:30,470

outside let's say you're in the line

2305

02:00:34,420 --> 02:00:32,000

outside waiting to get into another

2306

02:00:37,600 --> 02:00:34,430

magician show if you're in the in the

2307

02:00:39,010 --> 02:00:37,610

line going well it's a magic show people

2308

02:00:39,960 --> 02:00:39,020

here like magic I'll show some of my

2309

02:00:43,420 --> 02:00:39,970

card tricks

2310

02:00:46,300 --> 02:00:43,430

you could get thrown out of the venue

2311

02:00:51,580 --> 02:00:46,310

you could get told to leave by that

2312

02:00:53,410 --> 02:00:51,590

magician staff it's it's crazy kind of a

2313

02:00:56,020 --> 02:00:53,420

rule but it makes sense right

2314

02:00:58,300 --> 02:00:56,030

that's that guy's magic show he's got

2315

02:01:02,110 --> 02:00:58,310

the venue he's got the audience here

2316

02:01:05,200 --> 02:01:02,120

it's his show you don't meet to you know

2317

02:01:07,470 --> 02:01:05,210

so maybe it's it's about that for him

2318

02:01:09,910 --> 02:01:07,480

like people are me doing I don't know

2319

02:01:12,700 --> 02:01:09,920

these are the things that happen correct

2320

02:01:16,830 --> 02:01:12,710

super V he then told people to go to my

2321

02:01:19,990 --> 02:01:16,840

channel and say CW cover dispersed uh

2322

02:01:20,710 --> 02:01:20,000

yeah but you know listen here's what

2323

02:01:24,810 --> 02:01:20,720

I'll say

2324

02:01:27,190 --> 02:01:24,820

I think somebody like said that he is

2325

02:01:29,170 --> 02:01:27,200

territorial or maybe he doesn't like

2326

02:01:32,440 --> 02:01:29,180

anybody else covering the same clams

2327

02:01:33,370 --> 02:01:32,450

that he does I don't know I think you

2328

02:01:35,110 --> 02:01:33,380

know it's free world

2329

02:01:37,450 --> 02:01:35,120

steena if you want to cover the same

2330

02:01:38,760 --> 02:01:37,460

clams that he does oh I gotta mention

2331

02:01:40,930 --> 02:01:38,770

this too

2332

02:01:43,120 --> 02:01:40,940

people keep asking me if I'm gonna cover

2333

02:01:46,060 --> 02:01:43,130

those clowns and you know quite honestly

2334

02:01:50,880 --> 02:01:46,070

I think steena Maria especially is doing

2335

02:01:54,730 --> 02:01:50,890

a bang-up job doing it and besides that

2336

02:01:58,000 --> 02:01:54,740

the guys the one of those guys is suing

2337

02:02:01,270 --> 02:01:58,010

everybody he's suing his manager he's

2338

02:02:04,240 --> 02:02:01,280

suing his director you know this Leon

2339

02:02:08,770 --> 02:02:04,250

Isaac Kennedy he's suing the woman that

2340

02:02:12,070 --> 02:02:08,780

organized his conferences he's suing CW

2341

02:02:16,330 --> 02:02:12,080

chanter cliff hi J Widener Harry stone

2342

02:02:20,290 --> 02:02:16,340

and Gaea Corporation and listen he's

2343

02:02:22,090 --> 02:02:20,300

suing them for [h__\h] it's [h__\h]

2344

02:02:24,340 --> 02:02:22,100

what he's selling them for it's such a

2345

02:02:26,410 --> 02:02:24,350

ridiculous case it's going to get you

2346

02:02:27,880 --> 02:02:26,420

know thrown out or one very easily

2347

02:02:31,210 --> 02:02:27,890

because he can't prove any of his

2348

02:02:33,910 --> 02:02:31,220

arguments but the problem is if he Sue's

2349

02:02:36,550 --> 02:02:33,920

you you still gotta hire a lawyer even

2350

02:02:40,150 --> 02:02:36,560

CW chanter he thought he could file

2351

02:02:43,510 --> 02:02:40,160

suddenly himself he's not a minister

2352

02:02:45,460 --> 02:02:43,520

he's not registered in the bar in the

2353

02:02:47,350 --> 02:02:45,470

state of Colorado so he he's gonna have

2354

02:02:49,720 --> 02:02:47,360

to register himself as a lawyer in

2355

02:02:52,780 --> 02:02:49,730

Colorado in order to represent himself

2356

02:02:55,920 --> 02:02:52,790

in that case which is costly he's gonna

2357

02:02:58,810 --> 02:02:55,930

have to be it's the whole thing is I

2358

02:03:00,730 --> 02:02:58,820

don't first of all I don't think those

2359

02:03:03,970 --> 02:03:00,740

clowns are worth the time and energy

2360

02:03:05,680 --> 02:03:03,980

that people pour into them I mean

2361

02:03:08,800 --> 02:03:05,690

especially somebody like CW Tanner who's

2362

02:03:12,580 --> 02:03:08,810

got what does he got 300 videos about

2363

02:03:14,200 --> 02:03:12,590

Cory good maybe more that's a lot of

2364

02:03:16,300 --> 02:03:14,210

time and energy so people keep asking me

2365

02:03:18,730 --> 02:03:16,310

if I'm gonna cover them but for right

2366

02:03:20,650 --> 02:03:18,740

now I'm saying I don't really want to I

2367

02:03:21,370 --> 02:03:20,660

may in the future and by the way

2368

02:03:24,280 --> 02:03:21,380

Christina

2369

02:03:27,640 --> 02:03:24,290

steena Maria is in the live chat Steen

2370

02:03:29,500 --> 02:03:27,650

Maria do I have some amazing dirt on

2371

02:03:31,330 --> 02:03:29,510

those two clowns that nobody's ever

2372

02:03:34,000 --> 02:03:31,340

heard before that would probably get

2373

02:03:40,150 --> 02:03:34,010

amazing number that's one thing listen I

2374

02:03:43,930 --> 02:03:40,160

have some amazing dirt on these two

2375

02:03:47,410 --> 02:03:43,940

clowns I have information that nobody's

2376

02:03:50,110 --> 02:03:47,420

ever seen before right it would be a big

2377

02:03:53,680 --> 02:03:50,120

scoop if I let this information and I'd

2378

02:03:57,660 --> 02:03:53,690

get tons of views maybe I'd supercharge

2379

02:04:01,030 --> 02:03:57,670

of this channel which is slowly growing

2380

02:04:03,430 --> 02:04:01,040

but I don't want to do it and it's not

2381

02:04:07,350 --> 02:04:03,440

even the legal reason steena it's just

2382

02:04:09,910 --> 02:04:07,360

that like okay who cares right

2383

02:04:12,550 --> 02:04:09,920

the people that are stupid enough to

2384

02:04:14,920 --> 02:04:12,560

give David Wilcock or Corey good money

2385

02:04:16,930 --> 02:04:14,930

are gonna keep giving them money no

2386

02:04:19,420 --> 02:04:16,940

matter what I do because they're lost

2387

02:04:22,510 --> 02:04:19,430

they're like lost sheep they're stupid

2388

02:04:25,450 --> 02:04:22,520

they can't be helped you know I did what

2389

02:04:27,700 --> 02:04:25,460

I can do try to show people look these

2390

02:04:31,030 --> 02:04:27,710

clowns are so fake why are you giving

2391

02:04:33,670 --> 02:04:31,040

them money and I just think it's it's

2392

02:04:36,820 --> 02:04:33,680

like a dead horse you know and oh but I

2393

02:04:39,160 --> 02:04:36,830

reserve the right I may go back and

2394

02:04:40,960 --> 02:04:39,170

cover them if I feel like it it's just

2395

02:04:43,690 --> 02:04:40,970

for right now I wanted to do other

2396

02:04:50,350 --> 02:04:47,080

steena Maria confirming yes I do have

2397

02:04:55,240 --> 02:04:50,360

some amazing dirt on these two clowns

2398

02:04:56,740 --> 02:04:55,250

by the way steena I can send you what I

2399

02:04:58,990 --> 02:04:56,750

have or maybe I already did I don't

2400

02:05:01,629 --> 02:04:59,000

remember I can send you what I have if

2401

02:05:04,450 --> 02:05:01,639

you want to use it run with it it's a

2402

02:05:09,459 --> 02:05:04,460

big scoop especially the one the one

2403

02:05:12,189 --> 02:05:09,469

thing and you know what that is yeah so

2404

02:05:13,780 --> 02:05:12,199

folks it's getting really late here

2405

02:05:15,820 --> 02:05:13,790

we've been at it for two hours and five

2406

02:05:18,160 --> 02:05:15,830

minutes I want to thank each and every

2407

02:05:20,080 --> 02:05:18,170

one of you for joining us tonight

2408

02:05:21,939 --> 02:05:20,090

especially you Steen I haven't seen in a

2409

02:05:23,320 --> 02:05:21,949

while sometime we have to talk and catch

2410

02:05:26,850 --> 02:05:23,330

up maybe I'll have you on my show

2411

02:05:29,080 --> 02:05:26,860

because I'm getting really selfish like

2412

02:05:30,669 --> 02:05:29,090

in order to catch up with some of my

2413

02:05:32,500 --> 02:05:30,679

friends I'm gonna make them be a guest

2414

02:05:34,780 --> 02:05:32,510

on my shelves so that we can catch up

2415

02:05:40,870 --> 02:05:34,790

and talk and you know do that kind of

2416

02:05:44,379 --> 02:05:40,880

stuff so until next time friends my name

2417

02:05:47,410 --> 02:05:44,389

is Steven cambian reminding you that the
